16	Inspiring	2/20/2022 1:13 PM
17	I have faith in my fellow citizens once again. I'm actually hopeful for our country and actually proud of my country for the first time in decades. Our freedoms have been eroded by power hungry politicians who's motives are very questionable and potentially nefarious to say the least. The truckers have stood up for people like me who can't protest and had no voice. They are hero's. Anyone who sees these peaceful protests as anything other than peaceful needs to stop watching the bought and paid for media. The lies and deception is so blatant at this point i doubt legacy media will ever be watched let alone trusted ever again. The people have awakened from their slumber. You'd think they would at least try to look like they are journalists. The media are nothing more than a propoganda arm of government and corporations.	2/20/2022 1:13 PM
18	I live in Ottawa, initially I was very supportive of their cause. However, when I saw the behaviour of some protesters and their disruption of the peoples lives downtown, I was no longer supportive of their cause. I saw nazi flags, racist comments and the destruction of our monuments downtown. It was unacceptable and then it became an occupation of the city. They were doing to us what the government did to everyone, they kept us locked up in our homes and caused restaurants in the area to close and the mall at Rideau centre. It was a shameful example of people wanting their own way. There are better ways to go about things... but these people wouldn't leave. I think the police did what was necessary to get them out of our city.	2/20/2022 1:13 PM
19	Gives me hope and fills my heart that we were never really alone	2/20/2022 1:13 PM
20	Happines, Hope, Future possibilities for children.	2/20/2022 1:13 PM

50001	Much more stress and inconvenience than mandates ever caused.	2/18/2022 5:13 PM

50003	Fills me with rage	2/18/2022 5:12 PM
50004	Not really affected rather than its good to see so many feel the same way and are standing up for us	2/18/2022 5:12 PM
50005	I think it is a good thing for Canada and the World	2/18/2022 5:12 PM

50016	Makes me proud again.	2/18/2022 5:12 PM
50017	Gives hope and stronger community.	2/18/2022 5:12 PM
50018	It started out giving me hope, at this point it continues to highlight the imbalance of power that exists between the people and the current bullies that govern with no real concern for anyone but themselves, and how best to secure a vote. Trudeau's government is an embarrassing stain on Canada's reputation as a kind and free country. The arrests and silencing of protesters is a very dark time in Canada's history.	2/18/2022 5:12 PM
50019	It's giving me hope and a new appreciation for Canadian citizens and a new excitement for life.	2/18/2022 5:12 PM
50020	It hasnt	2/18/2022 5:12 PM
50021	It hasn't. I have been happy to see that someone is speaking up for us & that not all Canadians are submissive. The convoy gives us some hope.	2/18/2022 5:12 PM
50022	Made me feel free	2/18/2022 5:12 PM
50023	Amen! We NEED to STAND up for our Rights. I applaud them for doing what we all need to do.	2/18/2022 5:12 PM
50024	It gives me hope	2/18/2022 5:12 PM
50025	It's awesome it's bringing Canada life again	2/18/2022 5:12 PM
50026	giving us hope	2/18/2022 5:12 PM
50027	It has given me hope in humanity	2/18/2022 5:12 PM
50028	It has spurred a global movement that is creating more awareness about the negative effects of the mandates.	2/18/2022 5:12 PM
50029	Very upset with Trudeau who would not even come and speak to them. He is taking their rights away from them and the money that belongs to them but he had no guilt about giving millions	2/18/2022 5:12 PM
