66104	It's given me hope and that I'm not alone in this.	2/18/2022 2:44 PM
66105	Groceries are a bit more expensive... Small price to pay on behalf of truckers who are fighting for my freedom and rights because i cannot and do not have the means to do a protest on this scale.	2/18/2022 2:44 PM
66106	It has given me hope	2/18/2022 2:44 PM
66107	I live in Centretown, Ottawa. The first week they were here I barely slept because of the constant (day and night) noise. I've seen people urinate on people's properties. The grocery stores have closed because they were causing mayhem. I have got menacing looks for wearing a mask. It's been a very stressful time.	2/18/2022 2:44 PM

Canadians vote on Canadian Mandate - February 2022

66108	It sucks like hell. These assholes can go to hell and stay there. They're in part responsible for covid still being around, and they throw a tantrum like babies. It's not like torturing honest people with their 150dB horns for weeks will help the situation. We all feel the mandates but their actions make the situation worse. TL;DR: They can go fuck themselves.	2/18/2022 2:44 PM
66109	It has made me fear for democracy, and made me sad at the state of education and humanity in our country.	2/18/2022 2:44 PM
66110	They have made me despise truckers	2/18/2022 2:44 PM

66112	not at all	2/18/2022 2:44 PM

66117	Giving all if us hope and freedom	2/18/2022 2:44 PM
66118	Gave me hope that not everyone was brainwashed by the Covid conspiracy.	2/18/2022 2:44 PM
66119	Brought hope	2/18/2022 2:44 PM
66120	It's been a nightmare	2/18/2022 2:44 PM
66121	It has insulted my country and my prime minister and interfered with the daily activities of my beloved country. Foreigners have no say in the workings of MY country.	2/18/2022 2:44 PM
66122	Demoralizing to watch literal white supremacists act with impunity in our nation's capital	2/18/2022 2:44 PM
66123	Personally it has not as I do not live anywhere where the so called protests have been held. However, I know of several members of the Ram Ranch Resistance who have been. I fully support the police action that is occurring today!	2/18/2022 2:44 PM
66124	Pissed me off	2/18/2022 2:44 PM
66125	I've seen a lot of love	2/18/2022 2:44 PM
66126	Drama. Loud and comprised of the whiniest and stupidest.	2/18/2022 2:44 PM
66127	My self I have not really been affected. But I thing the border mandates are ridiculous!	2/18/2022 2:44 PM

66133	They are exercising their God given rights for Freedom.	2/18/2022 2:44 PM

66136	Given hope	2/18/2022 2:44 PM
66137	It has brought me hope. Someone cares enough to push for Canadians rights and push for Canadian pride once again.	2/18/2022 2:44 PM
66138	I truly am so proud of their courage. They stood up for all Canadians for the right to choose.	2/18/2022 2:44 PM
66139	Now I have something to cheer about.	2/18/2022 2:44 PM
66140	gave us hope knowing someone is actually fighting for something greater then the benefit it brings to a sole individual (Justin Trudeau) his own agenda!	2/18/2022 2:44 PM

66141	Absolutely love that they are standing for Canadians	2/18/2022 2:44 PM
66142	Gave me hope that we would get our freedom back and mandates would end	2/18/2022 2:44 PM
66143	Made me sad for my country and for the residents of Ottawa who have had to put up with those idiots for 22 days.	2/18/2022 2:44 PM
66144	reduced medical supplies to our region	2/18/2022 2:44 PM
66145	Made me cry. Given me hope. Given joy as I have gathered with people who also want freedoms restored. So thankful for them.	2/18/2022 2:44 PM
66146	Made me embarrassed that there are crazy people like that I'm Canada	2/18/2022 2:44 PM
66147	Very little so far	2/18/2022 2:44 PM
66148	Returned joy, happiness and hope. Made me proud of my country and hopeful that the govt would be held to account and we would take back our freedoms. Love and gratitude for my country and all those millions who stood out in the cold or drove across the country for our freedom.	2/18/2022 2:44 PM
66149	Lots of laughing at people stupid enough to still equate it with "trucking"	2/18/2022 2:44 PM
66150	It's helped me to know most of the protesters aren't truckers. Pretenders.	2/18/2022 2:44 PM
66151	At this point, I am not completely aware of the repercussions...maybe the price of gas and some food	2/18/2022 2:44 PM
66152	Makes me feel like a proud Canadian, and also together as a whole country	2/18/2022 2:43 PM
66153	Given inspiration that somebody would actually stand up for the entire country and for every person to see what one group can do to inspire the rest of us	2/18/2022 2:43 PM

66155	Just in Having to Wear the Dam Mask It's Annoying	2/18/2022 2:43 PM
66156	I'm disgusted. It has made Canada the laughing stock of the world. Truckers were used by a bunch of insurrectionists. The convoy participants have been used and look like complete idiots.	2/18/2022 2:43 PM
66157	It has opened by eyes to the tyranny of our current PM. It has also made me so proud of how Canadians have woke the world	2/18/2022 2:43 PM

convoy members

66171	It has given me hope that Canada will once again be a united country! Most Canadians are united in seeing the mandates end. As well, most Canadians are appalled by the behaviour of our federal leader and government. He is making a mockery of our Charter of Rights and the solution to the protests in Ottawa are staring him in the face - go and talk to the truckers! That's all they are asking for. His vindictive behaviour is despicable and there's no place for it in politics. It's shameful.	2/18/2022 2:43 PM
66172	It has not affected my life I stand behind it	2/18/2022 2:43 PM
66173	Shame. My uncle lives there and was harassed for wearing a mask.	2/18/2022 2:43 PM
66174	I will never be able to look at any trucker now, without suspecting them of being a traitor. I might just get rid of my Class 1. I don't want to share the road or the trade with those criminals.	2/18/2022 2:43 PM
66175	I am proud of them	2/18/2022 2:43 PM
66176	It has given me hope that some Canadians are speaking up; standing up. Our government is not looking out for us.	2/18/2022 2:43 PM
66177	The blockades affect the supply chain	2/18/2022 2:43 PM
66178	Given me hope and it's finally uniting Canadians	2/18/2022 2:43 PM
66179	It doesnt when you consider that they are fighting for our rights ,similar to the way the Vetrens and my Father faught for our rights so its a small price to pay for our freedom	2/18/2022 2:43 PM
66180	Given hope for a better free country. Proud of the people speaking up and standing for their collective rights and freedoms. Proud to be Canadian!	2/18/2022 2:43 PM
66181	I feel they have done so much for everyone fighting to get our freedoms back	2/18/2022 2:43 PM
66182	I don't live downtown, so it hasn't really. It has created a divide between people who support it and people who don't. Friendships have been lost and everyone is angry.	2/18/2022 2:43 PM
66183	Gave me hope	2/18/2022 2:43 PM
66184	Restored HOPE.	2/18/2022 2:43 PM
66185	I feel like there is some hope again	2/18/2022 2:43 PM
66186	Gives me hope that the people of Canada also want what I want and that we live in a free country where I'm not discriminated against. Divided friendships that support the opposite beliefs. It has made me lose trust in my government that they are looking out for what is best for Canadian people.	2/18/2022 2:43 PM
66187	Brought HAPPINESS, HOPE HELPED WITH MENTAL UPLIFTMENT LOVE AND PEACE FILLED THE AIR CANADIANS DEMONSTRATED OUR LOVE FOR EACH OTHER AND OUR PRIDE OF BEING A CANADIAN. ETC	2/18/2022 2:43 PM
66188	It has not.	2/18/2022 2:43 PM
66189	Terrible	2/18/2022 2:43 PM
66190	The fringe minorities that disrupted the intent of the trucker action left a bad taste.	2/18/2022 2:43 PM
66191	It has give me some hope that people with start to listen to Canadians	2/18/2022 2:43 PM
66192	Blood pressures higher and I spend to much time following what's happening	2/18/2022 2:43 PM
66193	Am proud of them for standing up against the gov't on the freedom of choice! And doing it peacefully!!	2/18/2022 2:43 PM
66194	Pride in the unity and goal of this convoy!! The uprising for freedom is astounding	2/18/2022 2:43 PM
66195	No	2/18/2022 2:43 PM
66196	Yes	2/18/2022 2:43 PM
66197	It has given me hope and taught me that humanity is still the most important benefit in life.	2/18/2022 2:43 PM

Canadians vote on Canadian Mandate - February 2022

66198	Brought me hope for the first time in two years that maybe there is hope of saving Canada from our dictatorship.	2/18/2022 2:43 PM
66199	It has caused a great deal of anxiety	2/18/2022 2:43 PM
66200	Gives me a little hope for our country	2/18/2022 2:43 PM
66201	sad to see our country like this, this is not what I learned in school and how we are treated	2/18/2022 2:43 PM
66202	Disgusted me. BTW, it was never a "Trucker convoy". Truckers are hard working people still out there working.	2/18/2022 2:43 PM
66203	Heightened constant anxiety, fear for young adult daughter taking public transportation at night, sleeplessness.	2/18/2022 2:43 PM
66204	It has given me hope that we will see a sense of normalcy in our lifetime.	2/18/2022 2:43 PM
66205	Trucks and Canadian flags are now triggers. Made me more aware of the right-wing extremism in Canada and its dangers to democracy.	2/18/2022 2:43 PM
66206	Hasn't	2/18/2022 2:43 PM
66207	It encouraged assholes to go protest with big trucks and tractors outside our schools. Idiots.	2/18/2022 2:43 PM
66208	Not one bit. Gave some hope that we might still have freedom	2/18/2022 2:43 PM
66209	It's gives me hope that things will change and we can make a difference and get our freedoms back!	2/18/2022 2:43 PM
66210	With hope and love, giving me faith the people are waking up to the reality of these ridiculous mandates.	2/18/2022 2:43 PM
66211	Made me hopeful	2/18/2022 2:43 PM
66212	Stress and empathy FOR THE CITIZENS OF OTTAWA.	2/18/2022 2:43 PM
66213	The truckers have given us hope of getting our freedom back. However it's discouraging that our political leaders are not willing to hear our truckers	2/18/2022 2:42 PM
66214	Gave me hope, COURAGE and dignity.	2/18/2022 2:42 PM
66215	Opened my eyes to how corrupt the mainstream media are in Canada. Showed me how evil and destructive our political system has become and that it no longer supports average Canadians. Canada has been subverted by Trudeau, the narcissistic leader of a ruling party (elected through a corrupt voting system) who obviously only has disdain for anyone who may disagree with him.	2/18/2022 2:42 PM
66216	It has giving myself, my family, my children and this country so hope. The government has played us against each other for the past 2 years and thanks to these truckers they have brought this country back together in less than a month. We have support from other countries as they can see what the PM can't. That our country has been hit the hardest and only Canada has a science that the rest of the world is missing out on. I want this to end. I want my life back without dictation	2/18/2022 2:42 PM
66217	I am proud of the truckers for standing up for our freedoms and 100 percent support them! They have brought hope to Canada again and are fighting for freedoms for Canada that we should have never lost from the beginning of all this craziness that this so called pandemic has caused! They have been reuniting Canadians hopes and freedoms and I fully and completely support this! The people of Canada have spoken now Justin Trudeau will you listen? or continue to be a silver spoon fed spoiled brat that you are showing Canada in the last two years and not a leader and now calling the emergency act that is definitely not needed by peaceful protesting by the trucking convoy! This group are far more leaders than what the lack of leadership Justin Trudeau has provided to this date of Feb 18, 2022! Go truckers, you have my support 100 percent!!!! To Justin Trudeau stop this emergency act now and do all Canadians a favor and step down!	2/18/2022 2:42 PM
66218	It's encouraging to see peaceful people standing up for freedom	2/18/2022 2:42 PM
66219	It's made me realize that a lot of people are still in line for toilet paper.	2/18/2022 2:42 PM
66220	It's had an amazing affect on my hopes of living life in normalcy again!	2/18/2022 2:42 PM

66242	Hope, concern for our country.	2/18/2022 2:42 PM
66243	It says to me it's time to stand up for our rights and freedoms. It makes proud of the truckers to draw the line and say,no more It ends now!	2/18/2022 2:42 PM
66244	In a positive way	2/18/2022 2:42 PM
66245	Gave me hope, gave me a voice, united us as a nation, brought truth to the way Canadians really feel and pride to fight for our rights and freedoms by standing up to a supressing government that has tried to dictate and divide in the name of ego and greed.	2/18/2022 2:42 PM

66283	They showed they lived a life of privledge and one inconvienece and they turn into babies. It really showed how many people have no idea about rights/privledges and how we act as a society. It really worries me about the future...glad they are in the extreme minority.	2/18/2022 2:41 PM

Canadians vote on Canadian Mandate - February 2022

66342	Not at all .	2/18/2022 2:41 PM
66343	I was extremely proud that they were willing to stand up to voice their opinion for the people. It gave so many hope that the government would hear our opinions and realize the people of Canada were not accepting of the new imposed law. Made me realize that we ALL need to stand up for our rights as they are slowly being quietly taken away.	2/18/2022 2:41 PM
66344	Negatively -Causing my cop friends a ton of overtime and stress	2/18/2022 2:41 PM
66345	Caused delays	2/18/2022 2:41 PM
66346	It has given me hope that our corrupt Federal Government will be stopped in their agenda of using Covid as an excuse to reset Canada to a socialist nation as part of their illegal new world order.	2/18/2022 2:41 PM
66347	Given me hope.	2/18/2022 2:41 PM
66348	It's added stress because of the way mainstream media has portrayed these average hard working Canadians.	2/18/2022 2:41 PM
66349	Friends and family in Ottawa have been emotionally damaged, verbally assaulted and one not able to go to their job. They are selfish and not aware of the realities of covid around the world.	2/18/2022 2:41 PM
66350	Has caused frustration, resentment and anger as I watched our capital city be occupied by red-neck assholes who only care about themselves and their 'right' to terrorize downtown residents...whatever validity their original intention had, they lost any support when they allowed the worst of their group to bully a soup kitchen's staff & clients, break store windows and keep their children & pets in vehicles during the coldest February Ottawa has had in years.	2/18/2022 2:41 PM
66351	It hasn't affected it in a negative way. If anything it gave me hope the Government would give up the lies they've been telling people, and freedom would be restored	2/18/2022 2:41 PM
66352	it made me proud to be a canadian to know that we were inspiring the world	2/18/2022 2:41 PM
66353	It has given me hope. However I disagree with the blocking of traffic and bridges. I think that they should have left a lane open in both directions. The honking at all hours in Ottawa was a bad idea as well. But I agree with what they are standing up for.	2/18/2022 2:41 PM
66354	Slowed down receiving parcels because of government restrictions	2/18/2022 2:41 PM
66355	it hasn't	2/18/2022 2:40 PM
66356	Given hope to me	2/18/2022 2:40 PM
66357	Has not impacted me negatively. I'm proud that some are standing up for our rights.	2/18/2022 2:40 PM
66358	It's giving me headaches and causing anxiety. Stop it already!	2/18/2022 2:40 PM
66359	A lot. For the worse. Tired of these white supremacists attempting to over throw our government (which I did not vote for) because there are consequences for their CHOICE!!!	2/18/2022 2:40 PM
66360	Got me more involved in watching the corruption of Justin Trudeau and his Liberals and the media paid by J.T.	2/18/2022 2:40 PM
66361	I am in favor of the peaceful protest, not in favor of blockades	2/18/2022 2:40 PM
66362	It hasn't.	2/18/2022 2:40 PM
66363	Trucker convoy showed that there are people who understand what is going on. Trucker convoy had united people of all races, religions, nations, all Canadians and even natives. Trucker convoy showed the world that Canada cares about freedom.	2/18/2022 2:40 PM
66364	Gave me hope	2/18/2022 2:40 PM
66365	No	2/18/2022 2:40 PM
66366	I'm appalled by the lack of respect for others shown by these protestors. It's shown me how present white supremacy is in our country.	2/18/2022 2:40 PM
66367	It has given me hope that these mandates will be dropped sooner than later. And that the Canadians will be one again and not so divided.	2/18/2022 2:40 PM

Canadians vote on Canadian Mandate - February 2022

66368	Giving hope	2/18/2022 2:40 PM
66369	Gives me hope that we can get our lives back. We want our freedoms and know that media is hiding truth from us. Vaccine injuries occurring and want to make our own choice as to what we have put into our body. Free choice to take the vaccine or not. Many have taken the vaccine in my family and many don't want it. Should be our choice. Thank you truckers. Thank you Canadians. We want to stay free and not become like North Korea. I would be there if it wasn't so far away!!! They are true heroes!!!!	2/18/2022 2:40 PM
66370	It gives my family hope again. And the feeling of pride to be part of this beautiful country.	2/18/2022 2:40 PM
66371	I think its great the truckers and others standing up for what I feel most of Canada is saying. I talk with my guys at work and people in public and they all share my views so. Why does Trudeau think he's right.	2/18/2022 2:40 PM
66372	It's made me realize there are SO SO SO many stupid people out there who believe their rights are violated but are only able to parrot what the guy next to them said. You're all idiots.	2/18/2022 2:40 PM
66373	Build my confidence in people of this country protect the law and freedom	2/18/2022 2:40 PM

66383	I visit downtown ottawa often for shopping and to see friends which I cannot do with the convoy blocking the roads	2/18/2022 2:40 PM
66384	Gave me hope!!	2/18/2022 2:40 PM
66385	Not at all.	2/18/2022 2:40 PM
66386	Possibly fewer choices of food in the store. Made me pray more for the brave men and women standing for the Truth.	2/18/2022 2:40 PM
66387	it has given me courage and some hole that something can happen	2/18/2022 2:40 PM
66388	I stand with the truckers and all Canadians against government tyranny.	2/18/2022 2:40 PM

66390	Hasn't, convoy is finally helping us have hope in mankind again!!!! Thanks to them !	2/18/2022 2:40 PM
66391	It has made me acutely aware of the dangers of racist dominionist christians and made me realize that churches supporting domestic terrorism should lose tax-free status	2/18/2022 2:40 PM
66392	Gave me just a little hope that common sense would begin.	2/18/2022 2:40 PM

66397	Gave me hope	2/18/2022 2:40 PM
66398	I had hope	2/18/2022 2:40 PM
66399	Made me feel great pride in being Canadian for a change, seeing the 1000's of people lining the overpass with flags and support for Canada.	2/18/2022 2:40 PM
66400	Gives hope that at least some one stands up for Canadians and their rights	2/18/2022 2:40 PM
66401	It has taken over. The divisiveness and uncertainty has been MUCH more distressing to me than any mandates have been. I am disheartened that so many of my friends and neighbours are so easily influenced by a far-right and disruptive agenda.	2/18/2022 2:40 PM
66402	Improved my hope	2/18/2022 2:40 PM
66403	Made it easier to cross the border should have been done earlier	2/18/2022 2:40 PM
66404	Lifted my spirits	2/18/2022 2:40 PM
66405	It has not affected me at all except to perhaps think that our educational system is failing many of us given the abysmal level of ignorance re: government procedures and rules that the 'truckers' display.	2/18/2022 2:40 PM
66406	Betterment for the greater good	2/18/2022 2:40 PM
66407	Not at all	2/18/2022 2:40 PM
66408	It's disturbing to see a small group of Canadians decide what's best for the rest of Canadians. They had a right to protest in the legal and normal way.	2/18/2022 2:40 PM
66409	Hasn't, I support them	2/18/2022 2:40 PM
66410	Hasn't	2/18/2022 2:40 PM
66411	Horribly. It is so demoralizing as a health care worker from Ottawa to have people ignore science, terrorize a community using their trucks as weapons, affected HCW commute to work, cause thousands of people in our city alone to close down their businesses for over 3 weeks. They once again have been thinking ME instead of WE throughout this entire occupation.	2/18/2022 2:40 PM
66412	It has made me see hate symbols and statements and has exposed me to racists white supremacists . I do not want to have this hate in my country	2/18/2022 2:40 PM
66413	Feeling of joy	2/18/2022 2:40 PM
66414	My mental health has never been worse throughout the pandemic than during this convoy garbage. This has been an absolute nightmare to witness and I'd take a hard lockdown over this convoy absolutely any day.	2/18/2022 2:39 PM
66415	Give me hope. Now I know I was right. Some one has to stand for want right. Cause people in general don't think for themselves. They blindly believe government or health people, Obviously they can't be trusted.	2/18/2022 2:39 PM
66416	Someone is standing up for our Rights	2/18/2022 2:39 PM
66417	It has given me hope. Hope that one day we will be free again. Hope that these stupid mandates will end.	2/18/2022 2:39 PM

66419	Very much helped	2/18/2022 2:39 PM
66420	It has made me afraid. I have received threats. I have been harassed. My province removed mandates that protected me and my children to appease the convoy. The convoy jeopardized our civil democracy and that is very scary. The anarchists of the convoy scare me more than covid did.	2/18/2022 2:39 PM
66421	It has given me hope.	2/18/2022 2:39 PM

66462	It has given me hope that the people of Canada still think critically and are willing to respond when things no longer make sense.	2/18/2022 2:39 PM
66463	I now hate everyone in my town. Omg I didn't realize I lived in a pro-fa hotbed. Halp	2/18/2022 2:39 PM
66464	Proof I am not alone in my viewpoint.	2/18/2022 2:39 PM
66465	It's refreshing to see and hear their stories. Amazing to see what's happening in Ottawa and around the world. These truckers have woken up the rest of the world.	2/18/2022 2:39 PM
66466	Encouraged me	2/18/2022 2:39 PM
66467	It's white privilege in action. While I'm busy fighting for lives these people are pretending to fight for Canadians by advocating for restrictions to stop like they want more to die.	2/18/2022 2:39 PM
66468	Brought hope and change!	2/18/2022 2:39 PM
66469	it hasn't except that some politicians are backing down	2/18/2022 2:39 PM
66470	So very proud of our truckers.	2/18/2022 2:39 PM
66471	It has drained my mental energy and negatively impacted my mental health. It makes me question both sides of the political spectrum, and I'm saddened by the amount of U.S. driven unrest. Particularly the fact that we have Canadians that are ok with other nations funding civil unrest in our country.	2/18/2022 2:39 PM
66472	It has given me hope that good free Canadian people still have a sense of right and wrong and still have the fortitude to stand for that.	2/18/2022 2:39 PM
66473	it brought much hilarity and entertainment	2/18/2022 2:39 PM
66474	They've given us hope again impacted positivity	2/18/2022 2:39 PM
66475	Gives hope	2/18/2022 2:39 PM
66476	Inspirational!	2/18/2022 2:39 PM
66477	They have given us, the people, a little bit of hope and freedom of choice	2/18/2022 2:39 PM
66478	Given me hope	2/18/2022 2:39 PM
66479	Disgusted with it. Saddened about it happening in Canada. Never want to hear the word freedumb again. Real truckers are working. The occupiers in Ottawa are just spoiling Canada's image worldwide.	2/18/2022 2:38 PM
66480	It has helped	2/18/2022 2:38 PM

Canadians vote on Canadian Mandate - February 2022

66482	Best way ever! Love and unity! Never been so proud of been a canadian!	2/18/2022 2:38 PM
66483	It has brought hope to me and my family that a large number of Canadians are agreeing that the mandates must stop	2/18/2022 2:38 PM
66484	Noise and harassment is even worse than lines	2/18/2022 2:38 PM
66485	Has stressed me out. People should think of others, like the people that can't protect themselves.	2/18/2022 2:38 PM
66486	Gave me hope made me proud to be Canadian	2/18/2022 2:38 PM
66487	The truckers brought more unity to Canada than I have seen in along time. And their protest was peaceful. West and East, Quebec and First Nations all came together waving a Canadian flag. This gave me great HOPE for our nation. And now the government is declaring war on peace and freedom. It it affecting me emotionally ets. Very sad that the Charter of Rights has no meaning any more. Also where are we headed with our economy when our freedoms are gone. Wondering about our coming generations when our forefathers fought for freedom.	2/18/2022 2:38 PM
66488	It has given me a glimpse of the incredible goodness in the humans of this country. That there are people with enough courage to go against the horrible rhetoric, censorship and discrimination and stand up anyways. To do it in love and peace, unifying all Canadians and others around the world. It has buoyed confidence and unity amongst people. Amd maybe best of all, it has shown folks that they are not alone. That has been transformational and literally saved lives from certain mental Heath decline.	2/18/2022 2:38 PM
66489	Negatively. It's pathetic and causing stress and a lack of freedom to local residents, which is ironic as that's what the so-called "Freedom Convoy" claims to be about. In fact, it's about their inability to be a caring and thoughtful member of a society. Rights without responsibilities is adolescence. Utterly ridiculous.	2/18/2022 2:38 PM
66490	Its given me hope that there are more like minded people. Doent make me feel like an outcast	2/18/2022 2:38 PM
66491	The trucking convoy has given me nothing but hope that we can get back to living happy and healthy without all this craziness.	2/18/2022 2:38 PM
66492	They make me furious. They have no idea what oppression actually is. We live in one of the most free countries in the world. To suggest that their freedom is being taken away is ridiculous. The mandates are in place to protect vulnerable people. This occupation is destroying our reputation, ruining lives for people who live downtown (how are elderly people who have healthcare workers visit their homes doing? Have they been able to get the care they need? The food they need? Have the truckers considered anything but themselves??) All they are doing is prolonging Covid. Absolutely selfish and disgusting.	2/18/2022 2:38 PM
66493	It has significantly increased my anxiety as immunocrompromised friends who live in downtown Ottawa were threatened with violence and called cowards for wearing a mask.	2/18/2022 2:38 PM
66494	Yes, it has cause me intense anxiety having an occupation in my city, having local businesses closed losing even more income and many people verbally harassing my neighbours for wearing masks.	2/18/2022 2:38 PM
66495	It hasn't other than to finally give me some home that this game might finally end	2/18/2022 2:38 PM
66496	I think it's great I support them fully and am grateful for their speaking out	2/18/2022 2:38 PM
66497	It has raised consciousness	2/18/2022 2:38 PM
66498	Given us all hope!!!	2/18/2022 2:38 PM
66499	Made me more insecure	2/18/2022 2:38 PM
66500	What an embarrassment to the country.	2/18/2022 2:38 PM
66501	They have made life for my friends in Ottawa absolutely miserable.	2/18/2022 2:38 PM
66502	It's about the God given Canadian Charter of Rights and Freedoms	2/18/2022 2:38 PM
66503	Gave me hope for freedom again	2/18/2022 2:38 PM

66511	The convoy has given hope that individuals support each other's rights and freedoms. The convoy gave hope that the Canadian government would engage in conversation for re-assessment if the impact of mandates and work together with society to move forward quickly with solutions to our current social, financial and health crisis	2/18/2022 2:38 PM

66518	The Truckers Freedom Convoy has given me Hope! The politicians, media, universities and a number of doctors are so corrupt. Thank God for truthful, honest, peaceful, common men and women who are willing to risk everything for our Freedoms! Our Rights!!	2/18/2022 2:38 PM
66519	It has brought a tremendous amount of awareness. It's encouraging, and contagious, for the people to wake up and take a stand.	2/18/2022 2:38 PM

66521	Gives us hope that someone is Speaking up for us. Making our voices heard	2/18/2022 2:38 PM
66522	I hate those fucking pieces of shit. Get out of our town you pathetic losers.	2/18/2022 2:38 PM
66523	Too many radicals and extremists in the protest. Gone on for too long. People should have voted in the last election not attempt a coup. They scare me and do not represent me or most people I know.	2/18/2022 2:38 PM
66524	Bringing hope and freedom, shining a positive light on the situation at hand	2/18/2022 2:38 PM

66546	They are making a mockery of Canada the world over. They don't understand basic Canadian civic lessons. And they've coopted a noble profession of trucking for a street party.	2/18/2022 2:37 PM

I respect them.. having their ""GO FUND ME "" funds stolen away is so communistic .. Thank you truckers...	2/18/2022 2:37 PM

Canadians vote on Canadian Mandate - February 2022

66564	It has inspired me, proving to me that the power is in the hands of the people and that humanity can come together to serve a greater purpose. I am indebted to the truckers and all who have stood in support of this movement. I have attended the protests in Ottawa. I have been publicly shamed for showing this movement my support.	2/18/2022 2:37 PM
66565	Given me hope	2/18/2022 2:37 PM
66566	Renewed sense of patriotism. Good to see the silent majority standing up. Really wish our PM and health officials would have been transparent from the start, willing to discuss and debate with respected doctors/virologists who have suggested different approaches. Why is the science different from province to province?	2/18/2022 2:37 PM
66567	They have inspired me with faith, hope and courage.	2/18/2022 2:37 PM

66574	It gave me great hope to get out from under the govt over reach and proud to be a Canadian until today. With police making arrests on a peaceful rally, I was very sad and cried. I felt short term sacrifices for long term gain for our democracy and freedoms.	2/18/2022 2:37 PM

66723	Hasn't directly since the REAL truckers are not part of the convoy and have been working constantly because they are not cry babies, afraid of a tiny needle.	2/18/2022 2:35 PM
66724	It has detrimentally affected the economy which will hurt all of us. This convoy consists of racists, separatists and their gullible, uneducated followers who have made us an international embarrassment.	2/18/2022 2:35 PM
66725	After 2 years it felt like the people were going to be heard. That our concerns about these mandates were going to be heard. That perhaps our leaders would zoom out their focus a bit and see that yes we need to keep an eye on covid, but we also need to look at the health and overall well being of the people of Canada. I felt hope. Seeing the latest unfold from our government. I have to say I am disgusted, disappointed, and embarrassed to watch our parliament proceedings. Our government acting like bickering children. People heckling speakers, no one actually answering questions, and name calling. To think millions of our hard earned money is spent to pay people to behave like that. Sickening. How can anyone in parliament think this behavior is for the best of the people of Canada?	2/18/2022 2:35 PM
66726	It affected it for the better! God bless all of them.	2/18/2022 2:35 PM

66754	It has made me embarrassed for the world to see these clowns.	2/18/2022 2:34 PM
66755	Gives me hope freedom will be restored. The convoy is a peaceful protest and is part of our charter or rights and liberty	2/18/2022 2:34 PM

so full of hatred and lies toward the freedom loving people of Canada. So many have joined the convoy and have laid down their careers and livelihoods and this is so inspiring.

66789	It has brought an awareness that not only I but all Canadians want an end to this dictatorship government. Using a poisonous substance under the guise of a safe vaccine. All promoted for the unsatiable lust for money. All our govt. Has become corrupt and Godless to the core. Its time to clean the slate of all these liars	2/18/2022 2:34 PM

66811	Brought hope for real change back to a free society with bodily autonomy and less government. Brought Canadians closer together.	2/18/2022 2:33 PM
66812	The trucker convoys have brought out the truth. They are showing the world the corruption that has been taking place. At least some of it. There's still so much more. These events have brought back some faith in my people and the world. I actually feel like there's a chance we can breath again and get our country back to sanity. Participating in the convoys have brought me pride and happiness. There's so much love and connection. Something we all need and have been complacent on letting others tell us we can't. No more. We need eachother. That's what life is about.	2/18/2022 2:33 PM
66813	Some one had to do it	2/18/2022 2:33 PM

66819	Gave me hope	2/18/2022 2:33 PM

66821	It's giving me hope	2/18/2022 2:33 PM
66822	It has made for some quality comedy. It has showed me that we need to invest more in public education. It has made me feel sad for the residents of Ottawa, Windsor, Coutts, etc.	2/18/2022 2:33 PM
66823	Gave hope!!!	2/18/2022 2:33 PM

66827	It has given me hope that we may have a future of freedom. It has warmed my heart to see the unity and the love of many different religions and races and walks of life	2/18/2022 2:33 PM
66828	It hasn't at all. As far as I'm concerned all truckers should stop hauling until all Mandates are gone	2/18/2022 2:33 PM
66829	It gives me hope that the good hearted people of this great nation will stand up to and defeat these evil bullies who have usurped the Democratic representational process. It give me hope that we can overthrow this tyranny and restore Canada as a place of freedom.	2/18/2022 2:33 PM
66830	It hasn't	2/18/2022 2:33 PM
66831	Someone was fighting for what I cannot fight for alone	2/18/2022 2:33 PM
66832	The hold up at the borders was an attempt to choke out fellow Canadians. This convoy does not represent my values or sense of community. The Ottawa occupation terrorized a community for three weeks. It made me sad to see this lack of respect for one another. Since when does their rights start where another's ends?	2/18/2022 2:33 PM
66833	See answer above. Extremely angry at the truckers. They should be charged and be made to pay for the billions of dollars of damage they have caused. Absinthe horrendous behaviours!! Deplorable! I finally got massive anxiety. Couldn't sleep. It has affected my work place and caused issues there too.	2/18/2022 2:33 PM

66842	Brought me peace and joy.	2/18/2022 2:33 PM
66843	Positively	2/18/2022 2:33 PM
66844	Sam trucks carrying product for my farm were held up max of two hours in a small price to pay to have freedom from Mandates I believe forcing people by taking with their job or shaming them is wrong. I got vaccinated for my own reasons but never use my QR code so it didn't called is divisions in my family	2/18/2022 2:33 PM
66845	I finally feel hopeful for the first time in 2 years.	2/18/2022 2:33 PM
66846	They've been a whiny pile of babies that have wasted the funds of cities across the country, caused further harm to business, harassed and attacked residents of the cities they have occupied. Protested the wrong place, since the mandates are generally provincial. Generally they've just been morons without the ability to sacrifice even in the slightest for the greater good of their neighbours or country.	2/18/2022 2:33 PM
66847	Made me smile and feel happy for the first time in 2 years	2/18/2022 2:33 PM
66848	Gave us hope for the future, we want our freedom, make our own decisions Government needs to butt out	2/18/2022 2:33 PM
66849	Brought to the world how these unconstitutional mandates need to be abolished so we can get on with our lives.	2/18/2022 2:33 PM
66850	Makes me proud that there are people willing to fight for our freedom and end the mandate mandates	2/18/2022 2:33 PM

66861	Angered me	2/18/2022 2:32 PM
66862	It raised my spirits of pandemic fatigue, democracy in action and sense of Canadians solidarity to stand for each other	2/18/2022 2:32 PM
66863	In a positive way yes, shown me how strong we really are	2/18/2022 2:32 PM
66864	Given hope that these brave and unselfish people are trying to get our present Government to realize that their actions have hurt so many businesses-children- mental health of people of people of all walks of life!!!! It is easy for people that are making these decisions and laws as they have lost nothing!! Also media for only reporting one side of the story always - the Government's side always!!! I am sure along with Dr - nurses - reporters ect. are doing it lots of the time as they do not want to loose their jobs like so many have!!! They have used so much SCARE tactics to get people to get vaccinated and then NEVER reporting all the side effects that people got!!! I am proud and thankful for the TRuck Convey and All the protestors that are protesting fir our FREEDOM!! Also so PROUD of how they have done it in such a PEACEFUL WAY!! Reporting should have been done on all the good things that they did while there- but never a word - just name calling!!! We want our Freedom and Country back!!!	2/18/2022 2:32 PM

66884	Made me believe in Democracy again, and proud to stand with them to fight for "what should be" basic human rights.	2/18/2022 2:32 PM

66904	It has given hope that people will recognize that a person's ability to choose what they do with their body takes precedent over anything. It is given hope that people will admit that what is happening is wrong. I believe everyone has the right to do what with their body they choose. 67022	The convoy has given me hope that positive change for the betterment of Canadians as a whole and the economy could happen. Finally I feel like I have a voice that is being heard. I'm encouraged to see so many others that are fed up with the extreme overreach of the government, as the media has suppressed that fact for over 2 years. Shame on the media who continues to spin a narrative that's false and that does not accurately represent Canadians.	2/18/2022 2:30 PM

Canadians vote on Canadian Mandate - February 2022

67044	Has inspired me to believe that we, the people, have courage and power to change the way our politicians have tyrannized our country. Love and peace are possible for all. I have become interested in politics and regret not being totally grateful for our freedom.	2/18/2022 2:29 PM

67066	It finally gave us hope to stand up for what we believe is right. We as restaurant owners want to serve anyone who walks through our doors, not just a "select" group of people. The convoy has truly shown that love and unity can accomplish great things	2/18/2022 2:29 PM
67067	It brought a feeling of hope and freedom.	2/18/2022 2:29 PM

67070	It has given me hope. I am very emotional to see the love, strength and unity of this trucking convoy. I am also very frustrated that our Prime Minister hasn't even attempted to reason or speak with them. He has only spewed hate and division. And now this emergency act, it has increased my anxiety and stress for our country and for the heroes that our fighting for freedom. I ask where is the compassionate democracy that I once lived in? I believe there is still hope for our country if our Prime Minister would admit that he handled this wrong and end the mandates. Love wins.	2/18/2022 2:29 PM

67071	It hasn't affected my life! But my prayer is that they can stay strong and let justice win. May our Lord Jesus Christ keep them safe and keep them strong for our Canada our home and native land. It's not Trudeaus land he's just the one wreaking havoc on what this land was built upon.	2/18/2022 2:29 PM

67076	I stand up for it but I am on the other side of the country. I am for protests and against blockades	2/18/2022 2:29 PM
67077	Gave me hope and pride to be Canadian again	2/18/2022 2:29 PM
67078	I was moved to tears watching the children and communities meet and greet the truckers as they travelled across our country. They remained peaceful throughout. I did not support the bridge blockages which were not part of the Freedom Convoy and not organized by the Convoy group. Unfortunately many citizens only heard the censured mainstream news paid for by the Liberal government. This biased news has incited further rhetoric and hatred within our communities.	2/18/2022 2:29 PM
67079	It has made me very angry	2/18/2022 2:28 PM

These truckers are getting back our freedom for our country, these truckers are helping us get our freedom and rights back! These truckers have my heart! I thank every single one of them!	2/18/2022 2:28 PM

67111	While disturbing to see; the hope they have generated among many who have felt isolated and abandoned by society and gov't has been as encouraging as the gov't response has been discouraging.	2/18/2022 2:28 PM
67112	Given me hope.	2/18/2022 2:28 PM

67117	I have never felt so much patriotism and love from and for my Canadian brothers and sisters!! Deeply moved and profoundly proud of what they have thus far accomplished. This despite the many attempts by government to sabotage this peaceful freedom convoy. I don't think everyone initially comprehended the profundity of understood the underlying dirty politics driving the government mandates, but they agreed the mandates had to go. I think more now than ever, people have been awakened to the nature of the beast, giving us all the more reason to "hold the line" ! This fight is good vs evil :love vs hate ... May love prevail God bless us everyone stay safe stay strong ❤️	2/18/2022 2:28 PM

67122	It brings us hope	2/18/2022 2:28 PM
67123	I haven't been personally affected.	2/18/2022 2:27 PM
67124	It has shown me that people have a voice and that voice deserves to be heard and their issues addressed honestly and fully That people can come together peacefully to make that voice heard There will always be people who have their own agendas like rioting or looting or lying just to make the whole meaning of peaceful good people gathering to stand up and say we have a right to be heard and our concerns addressed especially when things are being forced on them like injecting substances into their bodies without full knowledge and consent I could go on but I won't... I'm sure you understand some of my concerns that have caused stress. In my life and the lives of many people May the Good Lord Jesus bless us again and again	2/18/2022 2:27 PM

67266	Well it brought me joy, i was finally proud to be a Canadian and know i was not the only one wanted to live free again! If the emergency act is accepted i feel like i have to leave Canada, cause um scared of what the governement will do next to affect us!! He is bot a good leader but good to devide people, i cant even comprehend why these insult from a gouvernement to his citizen is even accepted! 67274	It has brought hope for the 2 years of despair and solidarity.	2/18/2022 2:24 PM
67275	It has brought me hope once again. I was in such a dark place emotionally and spiritually. But seeing the clips from the convoy has made me proud to be Canadian again! These are honest, hard working Canadians, most of who are vaccinated, that just want our freedoms back, for everyone. Some are from the States even, which means this extends beyond the desires of just the Canadian people. I think the whole world just wants an end to this pandemic. Seeing how this convoy has sparked many other events just like it around the world brings tears of joy to my eyes. We all need to stand united and it angers me how our own PM thinks this is just a fringe minority of white supremacists and racists. This convoy has united our country like nothing before and I think we need to stand behind our truckers and put an end to these mandates and restrictions, all of them. Every time I see a video posted about the convoy I can't help but cry happy tears because I am so proud of the truckers and citizens who are stepping up and fighting this on a grand scale. I was always wondering what am I doing to try to change the future of Canada now..being involved in protests, but I never felt like my fellow Canadians cared. But this convoy has brought happiness back into my life. I am filled with so much hope again that things will get better after these past 2 horrific years.	2/18/2022 2:24 PM

Canadians vote on Canadian Mandate - February 2022

67620	HOPE! I have not been alone in my views and questions with everything that has been happening, confidence has been boosted, Thank you truckers, I always respect them because I have minimal experience with large trucks and know how difficult it is to operate huge machinery/travel for days on the road away from family. I always try to make space and let them into my lane on highways. But now they have jumped up to the top of my respect list, more than all the other professionals (doctors, lawyers teachers, etc.) anyone with authority who refused to stand up for the ones with questions, who left us with no hope and made us question our own sanity. Truckers have more courage than any politician or person with authority that I have ever met or seen, stand strong and god bless. The government is making those who are not physically with them afraid to support them and donate for the cause but the truth will always prevail! stay peaceful and you will have the respect of the entire world! the world is indebted to you all!	2/18/2022 2:18 PM
67621	Encouraging hope that freedoms may be restored. Joyful and enthusiastic gathering in unity with other likeminded Canadians doing a convoy to the legislature. Increase in patriotism.	2/18/2022 2:18 PM
67622	They have brought Canada together again as a country of peaceful, loving, unified peoples of all ethnicities and ages. The truckers are the only thing that has given me hope in the past two years and I appreciate everything they have done.	2/18/2022 2:18 PM

67628	They have given me hope to have my freedom back and be able to make my own choices	2/18/2022 2:18 PM
67629	We are retired and if it were up to us we would join them	2/18/2022 2:18 PM
67630	They gave me hope for the first time in Canada. I support the men and women who have been standing up for our God given rights that the Government has trampled on since 2020.	2/18/2022 2:18 PM
67631	Most patriotic assembly of Canadians expressing their disgust in the prime minister and premiers I have witnessed in 50 years.	2/18/2022 2:18 PM

67657	Inspiring and motivational. That Canadian want freedoms medical choice	2/18/2022 2:17 PM

67672	It's given me hope. I'm relieved that there are people willing to stand up against forced medical practices. COVID-19 is no joke. Lockdowns, distancing, masking, etc. were appropriate in earlier stages of the pandemic - but not now. We need to beef up our health care system. Give people the power and means to isolate when they are sick. And get back to normal life. The government had 2 years to solve these issues. Time's up.	2/18/2022 2:17 PM
67673	It has NOT affected my life at all	2/18/2022 2:17 PM

67690	It has given me some hope in life again. I lost most of my joy in living from the mandates and persuasions but to see Canadians actually feel the same way as me gives me hope again.	2/18/2022 2:16 PM
67691	It has given me a little bit of hope that these crooked politicians won't be able to turn Canada into a full on dictatorship!	2/18/2022 2:16 PM
67692	Gave me hope	2/18/2022 2:16 PM
67693	Brought back togetherness and so us how Unite Canada is !!! Best thing that has ever been done to unite everyone together in many many years	2/18/2022 2:16 PM
67694	My family lives in Ottawa. My sister was out of work for two weeks. They're stressed. The noise pollution was awful. Watching people I care about behaving so selfishly for their own "rights" without acknowledging their social responsibilities is sickening.	2/18/2022 2:16 PM

67702	They have provided hope that our freedoms will be returned to us.	2/18/2022 2:16 PM
67703	It only reinforced my beliefs in upholding our Charter of Rights and Freedoms and how corrupt our government and MSM is. I don't understand how a minority government can act like a majority, I guess when you have two parties that are the same in view points it can either work for the good of the people or simply for their own self-serving and/or global desires and interests. We should not have politicians in office that do not bleed for this country - i.e. M.P.'s and Deputy PM holding office here and for the World Economic Forum (WEF). I supported the trucking convoy here as a citizen of the city and a fellow Canadian that believes in democracy for our country today and tomorrow.	2/18/2022 2:16 PM

67722	It has given me hope And has restored my faith in Canada and the citizens	2/18/2022 2:16 PM
67723	I am disgusted with the rhetoric of the PM and his cabinet. For the leader of our country to call me a racist and misgonyist is beyond comprehension, yet he faces no backlash. All people want is to work and support their families and have a future for their children.	2/18/2022 2:16 PM
67724	Given me hope and a reason to stay instead of try and flee Canada with my children. It has made me proud to be a Canadian again for the first time in 2 years.	2/18/2022 2:16 PM

67755	Gave me hope for Canada's future	2/18/2022 2:15 PM
67756	The governments intolerance is forcing society to become more polarized. Because the current government is not making space for people to dissent, other more extreme political opportunists are taking the opportunity.	2/18/2022 2:15 PM
67757	Inspired	2/18/2022 2:15 PM

Canadians vote on Canadian Mandate – February 2022

67769	Such a positive movement filled with peaceful protesters and Canadian pride for all people. A beautiful movement.	2/18/2022 2:15 PM
67770	Giving me hope	2/18/2022 2:15 PM
67771	It gave me new hope seeing how people cared enough to give up self to fight for our rights, freedoms and peace for our country. It's hard to understand how one man can be so hard!	2/18/2022 2:15 PM
67772	Positively	2/18/2022 2:15 PM
67773	It gives me hope that things might go back to normal.	2/18/2022 2:15 PM
67774	It has given a little hope, at the beginning. Now though it seems government is running however it wants to with this emergency act. It is bizarre how supporting freedom of choice has become wrong, detestable even. So seeing all the government os getting away with regarding their overreach is a bit scary to be honest.	2/18/2022 2:15 PM
67775	Doesn't matter. I support them no matter the affect on my life	2/18/2022 2:15 PM
67776	Gave me hope	2/18/2022 2:15 PM
67777	I finally feel proud to be a Canadian. They are peaceful and fighting for our rights	2/18/2022 2:15 PM

67783	Positive outlook that Canadians can come Together and fight for Freedom.	2/18/2022 2:15 PM
67784	It's made me believe there is some hope in this country. We need more people like the trucker convoy in this country. To fight for us, our kids, our rights	2/18/2022 2:15 PM
67785	The convoy has shown me that many more Canadians are feeling just as I am. It has given me so much hope that our country is not lost to the over reach of governments who operate with tyranny. I completely support the way the trucker convoy has organized themselves and how they are representing themselves and Canadians in Ottawa.	2/18/2022 2:15 PM
67786	They haven't. I'm so proud of them and very thankful. They are heroes	2/18/2022 2:15 PM
67787	It makes me feel less targeted as an individual for my choice of not being vaccinated. Knowing there's people who are willing to stand up for me has made me optimistic for possible positive change.	2/18/2022 2:15 PM
67788	They have lifted my spirits knowing people still stand for what they believe in	2/18/2022 2:15 PM
67789	None	2/18/2022 2:15 PM
67790	Gave me hope that the mandates are going to end	2/18/2022 2:15 PM
67791	Given me hope for our country	2/18/2022 2:15 PM
67792	I am concerned for the future of Canada. Invoking the emergency act for a peaceful protest is like using a tank to kill a fly. Frozen bank accounts? We are headed in a dangerous direction and could find ourselves in a social credit society	2/18/2022 2:15 PM
67793	Inspiration and hope	2/18/2022 2:15 PM
67794	It's given my family hope that the lockdowns and overt overuse of control by the government	2/18/2022 2:14 PM

67807	It makes me proud to be a Canadian. Realize how much news is not depicting what really is going on there.	2/18/2022 2:14 PM

depressing to see our Canada turn into communist Canada. I no longer feel safe in this country when our government won't listen to the people.

67857	Very positively! Good to see freedom loving people.	2/18/2022 2:14 PM

67967	Brings hope	2/18/2022 2:12 PM
67968	Words can't explain what the trucking convoy movement has done the last 3 weeks to our morale! The last 2 years have been hard on everyone but especially the last year, we have felt somewhat isolated and discouraged at times, and angry at the Trudeau govt for trampling on our rights, BUT! seeing the Trucker convoy pave the way in taking a stand for the restoration of our freedoms; watching them drive across the country, making the sacrifice to stand in the gap for those of us who felt stuck.. witnessing the thousands of Canadians (regardless of vaxx status) along with millions in the world coming together in support of standing together for our Rights and Freedoms.. I can honestly say for the first time in 2 years our pride and faith in Canadians and in Canada were restored! The love and unity amongst all who stood together in Ottawa was amazing! The last 2 years has been mentally exhausting for many.. My hope rests in the Lord Jesus but the truckers gave me a special hope for Canada and a reminder of how vitally important it is to never take for granted the blessing of living in a free country and to stand up to join the fight in keeping it that way!	2/18/2022 2:12 PM
67969	In the most positive way. Gives me hope again!	2/18/2022 2:12 PM

68090	Gave me hope that we could have democratic change in peaceful protest	2/18/2022 2:09 PM
68091	Not hat all	2/18/2022 2:09 PM
68092	They are a bunch of white suprmistes that have no clue what there even protesting and make me embarrassed to be albertan and Canadian	2/18/2022 2:09 PM
68093	It has given me hope that my voice could be heard. I have tried protesting in my province, contacting my superiors, union reps and MPs, but no one is listening.	2/18/2022 2:09 PM
68094	Gave me hope! To see that our freedoms have been sacrificed, our democracy lost. Prime minister Trudeau has done all he can to incite anger, hatred and division amongst the people he was elected by to serve. I can not even comprehend how the emergency act could be invoked for a pqcegul protest! Shame on you Canada!!	2/18/2022 2:09 PM
68095	Hope for a future in Canada	2/18/2022 2:09 PM

68097	It has givin me so hope	2/18/2022 2:09 PM
68098	It has brought me hope for a better future for my children	2/18/2022 2:09 PM

68113	Given me hope	2/18/2022 2:09 PM
68114	It has given me hope that just maybe the government would talk to ordinary Canadians and come up with acceptable solutions to dissolve the mandates. The truckers express what many Canadians are feeling, we are losing our freedom to work, to debate, to speak freely, to have access to information, to protest peacefully, to choose medical procedures, to gather in our own homes, and who we associate with. It was my hope that the convoy would bring to our government's attention the frustration of our hard working Canadian citizens. We want our Canada back!	2/18/2022 2:09 PM
68115	I support them	2/18/2022 2:09 PM

Canadians vote on Canadian Mandate - February 2022

68210	I watch a lot of what is going on and feel sorry for how the PM is treating them like third world people .	2/18/2022 2:07 PM
68211	I have never felt more proud to be a Canadian as I have since the convoy has started. Finally someone with some balls and strength to stand up and represent the average Canadian citizen in a fight for our Rights and Freedoms. They helped to make me feel as though there is some hope to end this control of our lives and disruptions in our jobs, daily lives, our rights to make personal health choices, and social connections as well as make me feel a little less anxious about our future as Canadians. What Justin Trudeau has been doing for our country before and since the pandemic has been so wrong and has caused a great deal of unrest, increased our deficit, and his choice to NOT at least meet with the organizers of the convoy and hide out in his home indicates that he is not a leader that I wish to have leading Canada, nor representing me as a Canadian citizen. He is not a democratic leader. If he had simply met with the organizers, whether it be via Zoom or in person, he could have put an end to this peaceful protest. I am proud of the convoy and stand strong beside them, holding the line for our Rights and Freedoms as outlined in our Charter of Rights and Freedoms. I am embarrassed and ashamed of the actions Justin Trudeau has taken against the convoy and would STRONGLY support a vote of non-confidence and ask that he be removed as the leader of our country. I can only imagine what the rest of the world thinks of his actions and our country right now. Enacting the Emergency Act is so wrong in so many legal and ethical ways. I SUPPORT THE CONVOY WHOLEHEARTEDLY AND STAND STRONG WITH THEM IN THIS FIGHT AGAINST OUR AUTOCRATIC DICTATOR AND WANT TO THANK THEM HUGELY FOR WHAT THEY ARE DOING AND THE SACRIFICES THAT THEY ARE MAKING FOR ALL CANADIAN CITIZENS!	2/18/2022 2:07 PM

68271	It has brought me hope that Canada won't become a communist country.	2/18/2022 2:05 PM
68272	It has brought hope back into my life. I started to feel Canadian again	2/18/2022 2:05 PM

68278	It hasn't	2/18/2022 2:05 PM
68279	Given me hope! Bless them	2/18/2022 2:05 PM
68280	Not at all. I'm proud of them and would support them. If Ottawa residents complain, that's on them. They chose to live in the capital city. Par for the course. Deal with it. That was probably the safest protest ever since police had no fear for their lives. Probably why they turned into a bunch of bullies--had no fear. The government that does NOT fear the people is a tyrannical government. When good people FEAR police and government, the government is a tyrannical government. We currently have a tyranny. I have NEVER said, defund the police as the US has, in fact, looked at that with shock. I am ready to say that now for Canada, AND to say, defund the government, meaning, refuse to pay taxes. You are not doing what you should. You don't deserve your positions. Step down, from PM to every party leader, and let's start over.	2/18/2022 2:05 PM
68281	Positive Hope	2/18/2022 2:05 PM

68289	Provided hope. Fully support.	2/18/2022 2:05 PM
68290	Given me hope for Canada to not be affected by the WEF	2/18/2022 2:05 PM
68291	Proud of the Canadian flag and believe that kindness can over come evil. Hopeful	2/18/2022 2:05 PM
68292	It hasn't	2/18/2022 2:05 PM
68293	Not sure	2/18/2022 2:05 PM
68294	I understand the truckers need to move, legally and practically. Personally the convoy has not inconvenienced my life, but it has given me hope that truckers are voicing the frustrations and concerns I have about mandates.	2/18/2022 2:05 PM
68295	Given the feeling of hope	2/18/2022 2:05 PM

68306	Given a glimmer of hope that there are strong people willing to stand to defend our rights and freedoms.	2/18/2022 2:05 PM
68307	Has made me stand up, start going to protest peacefully in Toronto to support them and all the other wrongfully fired people from their jobs as they fight for all of the countries rights and freedoms which have been striped from us under the lies of a plandemic and need to protect the health and safety of all citizens. No more ppl have died in 23months than in any 12 month period in past 10yrs	2/18/2022 2:05 PM
68308	Made me very happy to see them stand up for the rights of humans everywhere around the world.	2/18/2022 2:05 PM
68309	Gave me hope	2/18/2022 2:05 PM
68310	The trucking convoy has not affected my life in any bad way. But hopefully will affect my life for the better, fighting for our freedom !!	2/18/2022 2:05 PM
68311	Lack of groceries, interferes in my spouse's shipping job.Harder to obtain things.	2/18/2022 2:05 PM
68312	Made me smile. More to come	2/18/2022 2:05 PM

68315	Positively. I feel hopeful for my country and my children.	2/18/2022 2:05 PM
68316	They have given me hope that things will change. They give me hope that because i choose what is right fo my family and I, I will still be accepted in socieity. The division is real it is making a negative impact on all.	2/18/2022 2:05 PM
68317	Gave me hope I smile again I am the most positive person and the segregation and losing my job has effected my heath my faith in humanity the trucker convoy has restored a bit of faith and brought so much joy .. now today on Feb 18 I am watching the police who took an oath to protect the people and the constitution betray that oath	2/18/2022 2:05 PM
68318	neutral, I don't fully understand their motives nor approve of their tactics, the target is the government but from what I see, the victims are regular people and local businesses being affected in their regular life both in Ottawa and at border crossings...	2/18/2022 2:05 PM
68319	Give me hope I love the trucker they are peaceful	2/18/2022 2:05 PM

68330	0	2/18/2022 2:04 PM
68331	It has brought more pride and joy to this country than I seen since the winter Olympics were held in Vancouver	2/18/2022 2:04 PM
68332	I think it's amazing. It has given me hope, strength, and courage. I love to see the Canadian people finally uniting , standing together , vaxxed and unvaxxed it does not matter. That is how it should have been all along.	2/18/2022 2:04 PM
68333	Made me proud and gave me hope that Canadians could unify and let our voice be heard when the government continually did not listen and pursued its own financial interests at the expense of the people who voted them in. Our PM obviously does not care about the people. The PHO in BC, Bonnie Henri, has ruined thousands of lives by decreasing our health care givers, forcing vaccines STILL when all the triple vaxed are infected, and INCREASING mandates by now requiring chiropractors, dentists, physiotherapist, etc, to now get vaccinated by March . It is unbelievable. I don't recognize the country I was born and raised in. Mr. Trudeau should be removed from office after calling Canadians racists and refusing to listen to the people who voted for him. He cannot be trusted.	2/18/2022 2:04 PM
68334	Given me hope and a reason to be proud of my country.	2/18/2022 2:04 PM
68335	It is only the ONE THING that has given me any hope for Canada and a future !!!	2/18/2022 2:04 PM
68336	Positive! Bringing more awareness and pulling people together	2/18/2022 2:04 PM
68337	Not really	2/18/2022 2:04 PM
68338	Given me hope and feel I am not alone.	2/18/2022 2:04 PM
68339	Hope and love..	2/18/2022 2:04 PM
68340	It has given me hope And to see the whole world come together for freedom is a powerful thing to witness	2/18/2022 2:04 PM
68341	It hasn't	2/18/2022 2:04 PM
68342	Made me proud to be Canadian again and proud to fight against the tyranny happening	2/18/2022 2:04 PM
68343	I'm watching everything I possibly can on it. Finding the Americans have better coverage than our media. It's brutal	2/18/2022 2:04 PM
68344	This has made me feel hopeful, that maybe there are still some good people in this world and maybe, just maybe, I can be proud to be a Canadian again.	2/18/2022 2:04 PM
68345	Given me hope!	2/18/2022 2:04 PM
68346	This convoy has given me pride in Canada again, it has given me hope that citizens DO have power and our voices will be heard, our so-called representatives to NOT represent us any longer and are now rulers when they should be servants.	2/18/2022 2:04 PM
68347	Given me hope that there are more and more people willing to stand up for medical freedom.	2/18/2022 2:04 PM
68348	It has not affected my life I'm very proud of them and standing with them	2/18/2022 2:04 PM

68351	It has not affected me I just hope we get our freedom back and we can live like we used to	2/18/2022 2:04 PM
68352	They make me proud to be Canadian. They have exposed the overreach of or government both provincial and federal. The pm has no right to dictate to the people his bosses. He is ignoring the charter of rights and freedoms he is breaking the laws and needs to be held accountable.	2/18/2022 2:04 PM
68353	Hope for humanity	2/18/2022 2:04 PM
68354	It hasn't, there is still food on the shelves. The government needs to wake up and listen to its people	2/18/2022 2:04 PM
68355	It gives me hope and inspiration to see Canadians finally standing up to our tyrant of a prime minister and his corrupt government.	2/18/2022 2:04 PM
68356	It has given me hope that someone is standing up against the tyranny of this government. Putting more mandates into place when the world has come to some sense with all the political decisiveness.	2/18/2022 2:04 PM
68357	For the first time in 22 months, I had some HOPE!	2/18/2022 2:04 PM
68358	It has shown a beacon of light. It has introduced Hope into people that are still human. It has demonstrated that humanity can still exist with Love, that our country is not as democratic as we thought, and that our so-called "leader" Trudeau is as much of an incoherent coward as Hitler was hiding in his bunker.	2/18/2022 2:04 PM
68359	I am so happy to Know that somebody help us . God bless truckers	2/18/2022 2:04 PM
68360	It hasn't but it has further exposed the fact that the Trudeau government and media is corrupt.	2/18/2022 2:04 PM
68361	It has given me hope that the mandates will be removed and with it, Trudeau and his cronies/ accomplices will be exposed as corrupt and removed from office .	2/18/2022 2:04 PM
68362	none	2/18/2022 2:04 PM
68363	Its inspired my family and created optimistic hope. For the first time I am around of to be a Canadian.	2/18/2022 2:04 PM
68364	Less depressed. It gives me hope that I may get my freedom back. Thank God for these truckers. God bless their heart.	2/18/2022 2:04 PM
68365	I cried with tears of hope and joy as the convoy travelled across the country and honestly haven't stopped. Living like a second-class citizen in Canada has been devastating and the idea of ongoing punishment due to personal medical decisions is unbearable. I have felt hopeless over the past two years watching the government bury my children's future in debt and tyranny. I am grateful for the trucker convoy every single day. They have united our nation, exposed tyrrany and promoted joy. Thank you truckers!	2/18/2022 2:04 PM
68366	It has made me aware of how many true Canadians feel the same way I do and also I have watched it unite this country	2/18/2022 2:04 PM
68367	After 2 years of being depressed, the Truckers brought HOPE to my life. I support them 100%	2/18/2022 2:04 PM
68368	gave me hope	2/18/2022 2:04 PM
68369	Positively	2/18/2022 2:03 PM
68370	Gave me hope	2/18/2022 2:03 PM
68371	I'm inspired by the dedication, self-sacrifice, kindness, commitment to integrity; renewed hope for our country and world.	2/18/2022 2:03 PM
68372	It has been a beautiful journey for me and my family and friends to watch. We have hope in humanity and its wonderful to see the world uniting on all fronts. Canada has created a revolution, my heart is overwhelmed with love and happiness. I made the trek down to Ottawa last weekend from Vancouver to support our brothers and sisters and it was beautiful energy, no harm or foul, just beautiful people uniting out of love, and going in the direction of humanity. So happy we are finally waking up ♥♥♥♥♥	2/18/2022 2:03 PM

68389	Brought me hope for our country	2/18/2022 2:03 PM
68390	Good because someone is finally standing up and trying to make a difference	2/18/2022 2:03 PM
68391	Not	2/18/2022 2:03 PM

68394	It has given me hope for a better Canada	2/18/2022 2:03 PM
68395	It has given me hope that our politicians and institutional leaders will start listening to the very real concerns of ordinary Canadian citizens concerning the negative impact of the lockdowns and mandates!	2/18/2022 2:03 PM
68396	It has brought in a very positive vibe and a lot of hope. For the first time in my lifetime, I can actually say I'm proud to be Canadian!	2/18/2022 2:03 PM
68397	Given me hope , pride in Canada the convoy has promoted unity in Canada. Peaceful patriotic, and prayerful	2/18/2022 2:03 PM
68398	Gave me hope	2/18/2022 2:03 PM
68399	It hasn't	2/18/2022 2:03 PM
68400	It gave me an injection of hope and made me proud to be a Canadian.	2/18/2022 2:03 PM
68401	Good to see so many truckers band together for a common cause—getting rid of mandates.	2/18/2022 2:03 PM
68402	The convoy had created change in provinces. The demonstrations at Coutts, Emerson, Ambassador Bridge, and in Ottawa at parliament have helped people see the government overreach. The convoy has slowed traffic down but it doesn't upset me. You can't put a price on freedom. The convoy also opened my eyes to the most white supremacist of all, Justin Trudeau! He's a coward and makes horrible comments about people "standing with swastickas" and then because he has no backbone, he walks out of parliament. The world is watching and the convoy helped bring all this to light.	2/18/2022 2:03 PM

68408	It hasn't yet	2/18/2022 2:03 PM
68409	I pray for them all day long and thank them for representing me amd fighting for our human rights and freedoms	2/18/2022 2:03 PM
68410	Gives me hope. The happiest I have been in over two years.	2/18/2022 2:03 PM
68411	It has renewed my faith in this Country and has given a voice to speak my truth	2/18/2022 2:03 PM
68412	Gave hope and less fear	2/18/2022 2:03 PM
68413	N/a	2/18/2022 2:03 PM
68414	It has given me more freedom than I have had in 2 years znd actually get to see some family and friends ♥	2/18/2022 2:03 PM
68415	Showed that people need to stand up to the government to hold them accountable to their actions. I stand behind people willing to stand for what they believe and express their freedoms especially when the government has gone too far and taken away so many human rights that he himself claimed a few years ago should never be touched.	2/18/2022 2:03 PM
68416	So proud someone standing up to the obvious unethical corrupt gov	2/18/2022 2:03 PM
68417	Made me very angry and upset that so many idiots think they're the only ones that matter. They're not thinking of the health and wellness of their families, neighbours etc. I'm angry that they think they speak For the rest of us. THEY DON'T!	2/18/2022 2:03 PM
68418	It has given me hope and now I know that am not alone	2/18/2022 2:03 PM
68419	It has given me hope!! Hope that the world is awake to the hate and segregation that these V Passports have created. It has made me become proud of my fellow Canadians that can see past the propaganda and fear campaigns of the news media and govt.	2/18/2022 2:03 PM
68420	I support the truckers and I applaud their peaceful protests. I don't necessarily agree with the blockades on the borders, but I do sympathize with their frustration and understand why they have taken these actions. Our PM and the Liberal party of Canada has done a terrible job of communicating with the demonstrators - they have called them names - they have used misinformation and propaganda in the media against them - and have not effectively de-escalated this situation for a peaceful resolve. We need a plan and a road map to re-open safely, not another shot of an ineffective vaccine or lockdown.	2/18/2022 2:03 PM
68421	It has given me a greater hope for the restoration of our RIGHTS & FREEDOMS	2/18/2022 2:03 PM
68422	Inspired to our liberty!!!	2/18/2022 2:02 PM
68423	The trucking Convoy has given Hope they've given the opportunity they've given open eyes to everyone who has been affected by covid-19 who has been affected by the government and their ways. They have given people strength to stand up and speak out for what they actually believe in for what they actually want they're the ones holding the line they're the ones fighting for what our ancestors fought for, our freedoms and our rights they have given us the glimmer of hope that we need to hold onto in order to understand that there is a better life out there the better life that we once knew over 2 years ago. They are the heroes they are the Freedom Fighters fighting for each and every single one of us no matter your vaccination status no matter your beliefs	2/18/2022 2:02 PM
68424	Im happy to see people fighting for our rights	2/18/2022 2:02 PM
68425	They have brought us hope, solidarity, love and community.	2/18/2022 2:02 PM
68426	Gives me hope	2/18/2022 2:02 PM
68427	It affected getting awareness out to people	2/18/2022 2:02 PM

Canadians vote on Canadian Mandate - February 2022

68428	It has given me hope! And a PERMANENT smile. Seeing all the happiness and great cheer. And seeing how many people stand on the right side. It showed me and my family that we are NOT ALONE	2/18/2022 2:02 PM
68429	Positive	2/18/2022 2:02 PM
68430	Gave the Canadians hope for a better future, gave us our strength and need to fight our own government to get our Canadian way of life back, put our leaders such as our prime minister in a new light for all Canadians to see, made me realize our own leader is all about his selfish needs and wants, such as riches, dictatorship, his own financial gain and agenda..etc	2/18/2022 2:02 PM
68431	It is giving me hope but now with the arrests and possibly the Emergency act being implemented I am becoming fearful again.	2/18/2022 2:02 PM
68432	Yes its bring some hope that the normal return	2/18/2022 2:02 PM
68433	I join with other locals to have our own protest rally in support of their cause each week	2/18/2022 2:02 PM
68434	Made me proud to see Canadians actually have balls	2/18/2022 2:02 PM
68435	It helped push provincial governments in the right direction to end mandates	2/18/2022 2:02 PM
68436	I support them standing up for our rights	2/18/2022 2:02 PM
68437	I support them no one should be forced to take a medical experiment	2/18/2022 2:02 PM
68438	It gave me lots of hope and also courage to speak up and share my thoughts with people around me. Seeing the truckers unite in a peaceful protest and share nothing but love, smiles and hugs reminded me of the goodness we men and women have and is worth spreading.	2/18/2022 2:02 PM
68439	It makes me proud to be a Canadian. They are giving up so much for our freedom. I would like to know why we can drive across Canada, but can't fly across Canada without being vaxxed. So moot.	2/18/2022 2:02 PM
68440	Given me hope and to be proud of Canada	2/18/2022 2:02 PM
68441	It's brought a sense of hope into ours lives for the first time in years. I'm really surprised our government can't see how happy most Canadian people are. I'm now seeing our main stream media and government as potential enemies of the Canadian people. Always suspected this but it seems too obvious for words. They've revealed their true colors, which appear to be for supporting Claus Schwab and his totalitarian communist new world order.	2/18/2022 2:02 PM
68442	It has revealed that many of the people I once went to church with are no longer those I wish to even associate with. Their vehemence is louder than their love, and I am heartbroken. It had shifted my social circle dramatically.	2/18/2022 2:02 PM
68443	It encouraged me that someone is finally taling a stand against a controlling goverenment	2/18/2022 2:02 PM

68452	Given me hope in humanity and the future! Made me proud to be Canadian! Beauty instead of all the ugliness displayed over the past two years and especially since the introduction and enforcement of the gene therapy. It has also shown the horrendous, appalling, diabolical and true dictatorship of the government and those in power.	2/18/2022 2:02 PM
68453	Gave me hope	2/18/2022 2:02 PM
68454	I see passports being lifted across our country since it began and so it has given me a sense	2/18/2022 2:02 PM

68559	Indirectly. I am proud to be a Canadian through these courageous people sacrificing so much for all of us. Unfortunately mainstream media has not been showing the positives nor highlighting the absolute right that the people in the protests have to be where they are. This is having a huge impact on what many Canadians actually know about the convoy. It's time for the media to stop being bought and return to true journalism	2/18/2022 2:00 PM
68560	#protectCanada	2/18/2022 2:00 PM

68583	Gives me hope	2/18/2022 1:59 PM
68584	Cheering the truckers on by standing for ~6 hours on an overpass over Hwy 401 brought tears of relief and joy. We know many others to which this was a breath of hope after 2 years of being confined and restricted. Finally, ordinary people are standing up to bullies and tyrants. I am very grateful to the many people who have stood up and found their voices for humanities future.	2/18/2022 1:59 PM
68585	Made me proud to be Canadian again	2/18/2022 1:59 PM

68592	Gave hope amongst the endless propaganda	2/18/2022 1:59 PM
68593	It made me proud to be Canadian again	2/18/2022 1:59 PM

68598	They have given me hope, that Canada will be a free country again	2/18/2022 1:59 PM
68599	Witnessing the coming together of men, women, & children or all walks of life, race, religion, & political leaning for a common cause has made me feel proud of our country again. The truckers and those who support the movement of freedom of choice has shown me I am not alone in my desire for an end to restrictions for the greater good.	2/18/2022 1:59 PM
68600	It's given me hope that we will get our rights back.	2/18/2022 1:59 PM
68601	The peaceful protest have given me hope that we can potentially restore balance and restore our freedom. I'm against blockading but I am for peaceful protest. I support lawful protest. I do think the trucks need to go, but the truckers should remain protesting legally within the law. I understand that movements often involve civil disobedience and I blame Justin Trudeau for not attempting to communicate but instead divide, discriminate and inflame the opposition. The liberal government has failed Canadians immensely and should be held accountable in court. I believe in democracy and restoring balance to Canadians and I believe in our rights and freedoms. We are not a product with a QR code. It's wrong! The passports are criminal.	2/18/2022 1:59 PM
68602	Not really	2/18/2022 1:59 PM

68617	The truckers have given me hope and restored my faith in humanity. The media made people like myself feel like we were insane. The truckers woke everyone up, made us realize we aren't alone and we are definatley not a fringe minority!	2/18/2022 1:58 PM

68675	Shows there are like minded people out there who are willing to take a stand. It's an added bonus that Trudeau can't seem to handle it. All the Protesters want is to talk.... Come on Trudeau how hard is that. These are your fellow Canadian citizens.	2/18/2022 1:57 PM
68676	Given me hope	2/18/2022 1:57 PM
68677	It has not affected me personally other than finally feeling like my fellow countrymen have publicly said they are against mandates and lockdowns and a sense of canadian unity that i grew up with my whole life, but lost over the last few years was temporarily sparked for me again.	2/18/2022 1:57 PM
68678	It showed me that we have lost our freedom of speech, we are ruled by a dictator.	2/18/2022 1:57 PM
68679	Given me some hope...maybe	2/18/2022 1:57 PM
68680	They have given me the first sense of encouragement and connection in two years. Finally, I can see the evidence that I am not the only one questioning the infringement of our rights. They are also bringing to the forefront the science that really does say all this has been scientifically unwarranted.	2/18/2022 1:57 PM
68681	It has brought hope that hasn't existed for the last 2 years. It has brought a voice that governments have to listen to and have started to hear. My own government has dropped some of the mandates. I feel strongly it is because of the convoy. It has brought unity for Canadians. And it has helped me feel more national pride than I have ever felt in many years.	2/18/2022 1:57 PM
68682	Gave me hope that things can change if I take it in my own hands. Government does not represents me. It seems that government cares about it's own entity or represents globalists view	2/18/2022 1:57 PM

68694	A hope to have a freedom	2/18/2022 1:57 PM
68695	Inspired, some hope.	2/18/2022 1:57 PM
68696	Positively they have given me hope that there are still good people in this world	2/18/2022 1:57 PM
68697	It gave me a hope for a free country. To enjoy the multiculturalism...everybody loves freedom and Canada was the prime country to live in at one point. Not anymore. Wtf?? I'm done with the stupidity, all that psychological nonsense will never work not even in the future. GOD BLESS His sons and daughters. God is good. God is faithful. True integrity wins. Jesus is the Alpha and the Omega...so there's that. I wouldn't want to be on the left side of history right about now. Jesus is coming. This is pure stupidity of craziness on a whole new level. Stay strong guys. God bless you	2/18/2022 1:57 PM
68698	Given me hope	2/18/2022 1:57 PM
68699	It has brought me HOPE, that we might be able to return to the free democratic country we are supposed to be, as opposed to the Dictatorship our Prime Minister has turned it into.	2/18/2022 1:57 PM
68700	Inspiring to find the real truth	2/18/2022 1:57 PM
68701	It gives me hope that there will be a positive change. That people are standing up for our rights	2/18/2022 1:57 PM
68702	100% support and thank them	2/18/2022 1:57 PM

68704	Gives me hope	2/18/2022 1:56 PM
68705	Has given a bit of hope	2/18/2022 1:56 PM
68706	It has brought hope and renewed faith in in fellow Canadians. Where I had once felt like so few understood the gravity of our situation with apathy and avoidance, the convoy brought light to the fact that those of us who actually do understand and care about the future of our country are in larger numbers than I thought. Canadian patriotism, love and unity like I've never experienced in my lifetime.	2/18/2022 1:56 PM
68707	Gives us a lot of satisfaction joy and hope	2/18/2022 1:56 PM
68708	It made me ecstatic to see a turn around Today Feb 18th My hopes are demolished and I wish I lived anywhere else but here in this country. My husband is a trucker We can't sell our house Unemployment here is more than 50% I know very few people who have a job outside of minimum wage at the supermarket and Walmart.	2/18/2022 1:56 PM
68709	It's given us so much hope and change	2/18/2022 1:56 PM
68710	It was exciting to watch people peacefully protest , disturbed that we are worlds jsughing stalk from our federal government and portrayed badly ! I am ashamed of our government right now as well as ctv media	2/18/2022 1:56 PM
68711	Hope	2/18/2022 1:56 PM
68712	It has given me hope!! Hope for my freedom back	2/18/2022 1:56 PM
68713	Gave me hope for the future	2/18/2022 1:56 PM
68714	It brought great awareness to the corruption of our government	2/18/2022 1:56 PM
68715	Indirectly and my observation is that some well meaning have a 'cause' the Freedom battle cry as if we are living in some kind of tyranny ...if we were, they would have never been able to even get in their trucks much less occupy the capital of my country. I imagine it will affect, supply chains, it's divided people caused a lot of stress and tension for friends of mine who live in the city area.	2/18/2022 1:56 PM
68716	It hasn't affected my life	2/18/2022 1:56 PM
68717	HOPE	2/18/2022 1:56 PM

68721	It has given me hope that we will get our lives back.	2/18/2022 1:56 PM
68722	Hope, truth, accountability.	2/18/2022 1:56 PM
68723	It hasn't, everyone was able to get around the convoy. I stand with the truckers. Because the science has 18 wheels	2/18/2022 1:56 PM
68724	It has brought hope and unity and love.	2/18/2022 1:56 PM
68725	Brought me hope	2/18/2022 1:56 PM
68726	It has given me much hope for the future. They and the people supporting them across Canada are wonderful. They are non-violent and are acting out of love for Canada and Canadians. The government needs to listen to them all.	2/18/2022 1:56 PM
68727	Love it. It's about time someone stood up for our freedoms	2/18/2022 1:56 PM
68728	i like the way they are standing up for our rights and freedoms against the tyranny of this present Liberal government that are turning canada towards communism!!!! Trudeau is a trannical dictator that thinks he is king and has done so many illegal things that would put the ordinary canadian in jail for life!!! He is a treasonous ass that should be publicly hung!!!!	2/18/2022 1:56 PM
68729	It's brought joy and hope back to a country I was once proud to call home. I fully support the truckers	2/18/2022 1:56 PM
68730	So beautiful to see the love and unity of my fellow Canadians	2/18/2022 1:56 PM
68731	I have been in Canada for 31 years and this is the first time i can say I am Proud to be Canadian, and will fight for my rights , that are promised to me in the charter of rights	2/18/2022 1:56 PM
68732	It hasn't	2/18/2022 1:56 PM
68733	Provides a source of pride. Unlike our Prime Minister.	2/18/2022 1:56 PM
68734	It hasn't	2/18/2022 1:56 PM
68735	When the trucker convoy happened it was the first time in YEARS that I felt hope for the future, hope for my children and didn't feel alone. I broke down as I watched them roll towards ottawa early in the morning with my kids out in -20 weather. I drove 2 hours to be at that overpass. They gave me a reason to keep going.	2/18/2022 1:56 PM
68736	Hasn't affected me negatively	2/18/2022 1:56 PM
68737	Non les truckers me donne courage je les encourage et je contunue daller a ottawa	2/18/2022 1:56 PM
68738	I support the trucker convoy because the government is not listening to the voices of those who are opposed to the mandates in place. I could not strike as a nurse because it would put my patients at risk of harm, but I am glad someone is peacefully demonstrating. I do feel for the occupants of Ottawa who have to deal with the noise and inconvenience of the protest, but has not the government prolonged this protest and caused more inconvenience to Canadians than the truckers? I pray for a peaceful resolution.	2/18/2022 1:56 PM
68739	It has made me proud to be Canadian again. Have been sick about how ignorant people in this country have been towards the intended and planned murder of our citizens.	2/18/2022 1:56 PM
68740	They have brought forward the injustices and corruption in the system, the corruption that has been affecting Original Peoples for hundreds of years but has been hidden from all the Peoples of these lands. Media has painted them in a false light as they have in any protest against corporations. Dishonorable Politicians have lied about them as they have in the past with Original Peoples, with protests against destructive extractive industries, etc.	2/18/2022 1:55 PM
68741	It has given me hope that the peaceful protest shows that there is hope for changes. It has opened my eyes that I'm not alone in my longing for dropping all mandates and hope go getting back to the life as we know it before March 2020. The truckers and all of the organizers and all participants are hero's for our country.	2/18/2022 1:55 PM

68750	It hasn't	2/18/2022 1:55 PM
68751	Encouraged me. Given hope. Showed our liberal government & the PM up for their true purpose - control & domination. They are anti democracy. Trying to destroy this country.	2/18/2022 1:55 PM
68752	It is clear that a portion of our population has been segregated and honestly they have been abused by our prime minister. I am a trucker and while I am vaccinated I do believe it should be a choice	2/18/2022 1:55 PM
68753	It hasn't, I just support it.	2/18/2022 1:55 PM
68754	It hasn't but it's helping some people !	2/18/2022 1:55 PM
68755	Positively	2/18/2022 1:55 PM
68756	Gave me a sense of hope, joy and gratitude towards the Canadians choosing to stand up for what is right. To be heard. And yet again, no one is listening. The battle between our own government and its own citizens is a disgrace. Again, this affects all of our mental health. The biggest protest against Trudeau and he won't just "listen". Instead, creates walls and criminal acts towards the people just to make the truckers look bad and try to stop them from peaceful protests when the corrupt government is paying someone off to create these walls of injustice.	2/18/2022 1:55 PM
68757	It has given hope and further exposed government and media corruption	2/18/2022 1:55 PM
68758	Given me hope of positive change in our country	2/18/2022 1:55 PM
68759	It has given me some hope seeing there is a large swath of the population who are against these mandates and passports too. Encouraging to see peace loving citizens en masse desiring a return of freedoms, and the end to government over step.	2/18/2022 1:55 PM
68760	Gives hope	2/18/2022 1:55 PM
68761	HOPE	2/18/2022 1:55 PM
68762	I just feel for each and everyone in the convoy fighting for us.	2/18/2022 1:55 PM
68763	Given me hope that we do have a voice. Restored my belief in mankind. Relieved to know others can also see there is something seriously wrong. Thankful for their courage to stand up for the Truth	2/18/2022 1:55 PM
68764	Gave me hope	2/18/2022 1:55 PM
68765	Love it... brings hope to stop the idiocy running rampant that's destroying more lives than savong	2/18/2022 1:55 PM

68767	Giving me hope and knowing others feel the same as me	2/18/2022 1:55 PM
68768	Gave me hope again	2/18/2022 1:55 PM
68769	It has brought me hope that all the mandates will end and Canadians will gain back their freedoms.	2/18/2022 1:55 PM

68868	It gave me hope that Canada has people who will stand up for everyone. Who are not afraid to let others know that it's ok with not wanting these mandates. I believe this will help end all mandates. Today with them being arrested it brings me sorrow. I read an article that money funded for them could be given to Ottawa. That makes me feel sad that in our country this could happen. It also showed me how much power one person could have over a whole country. It has also showed me to not always believe the news on tv. It has opened my eyes to things I never wanted to be true and I see now are. I hope we have freedom once again in our country. I am thankful for this group of people, who our Prime Minister has demonized.	2/18/2022 1:53 PM

The truckers have great leaders and are true soldiers. Much love for the truckers.♥ ♥	2/18/2022 1:50 PM
69057	It has made me realize that people are tired and exhausted from 2 years of divisive rhetoric from our government and that the bad done from these mandates outweighs the good	2/18/2022 1:50 PM
69058	Brought a sense of unity and hope that there are more people who are of like mind. Our PM has divided people, took away our constitutional freedoms and continues to do this. He must resign	2/18/2022 1:50 PM
69059	It has discouraged me to see people acting so selfishly, arrogantly and ignorantly. Violence and fighting are not the answer.	2/18/2022 1:50 PM

69069	Given me hope	2/18/2022 1:49 PM
69070	Yes in a positive way it has creative union and voice for the average blue collar Canadian. To stand up for our freedom and rights. I am proud of our trucking community and other Canadian supporting the convoy across Canada and now in other Countries.	2/18/2022 1:49 PM
69071	It's laid bare exactly the kind of government we have. And it's scary.	2/18/2022 1:49 PM
69072	It gave me hope. People are standing up finally in this country and Im proud of them.	2/18/2022 1:49 PM
69073	It has torn the roof of oppression and fear and lies off the top of this country. People are actually saying out loud what is true and it is giving me hope. I feel like I can hold my head high and know that what I know is right and true. It is very emotional. And now the convoy is exposing the tyranny of our ruling government and the inability to hold a man accountable. We live under a dictator who wields his power for his personal cause and cares not for anyone who dissents with his personal views. It has made me see how personal this assault on our freedoms is and that this can happen ANYWHERE. God bless the truckers. They're taking a hit for exposing the truth.	2/18/2022 1:49 PM
69074	It has not affected me negatively in any way. In fact it has helped my mental and emotional state and given me hope for the future. Hope that I might one day be able to hop on a plane and go visit my daughter whom I only found 14 months ago after 35 years of searching. Hope that I can begin to improve my health again, hope that I can take my wife on a date to a dinner and a movie. Hope that I can go back to church without fear of persecution.	2/18/2022 1:49 PM
69075	It's given me hope and courage to stand behind and with these brave men and women.	2/18/2022 1:49 PM

69091	Very proud of them I hate what being sun to them Wright now	2/18/2022 1:49 PM
69092	It's been inspiring to watch them stand up for our freedoms, and very concerning to see the PMs response.	2/18/2022 1:49 PM
69093	I love what there doing if there's no freedom it's not Canada	2/18/2022 1:49 PM

69095	Sparked hope! Gave so many Canadians a voice!	2/18/2022 1:48 PM

69101	They've given me hope	2/18/2022 1:48 PM
69102	I fully support the truckers and freedom for humanity. I sent prayers, love, and light to them daily and ask that a bright light be directed to expose all those causing harm to our beautiful planet.	2/18/2022 1:48 PM
69103	It has shown all Canadians that we do not live in a dictatorship. That free people have the right to make choices for themselves rather than following the agenda of a minority government that should never have been elected	2/18/2022 1:48 PM
69104	In a positive way, gives me hope, amazing to see people coming together in peace to voice our human rights.	2/18/2022 1:48 PM
69105	This convoy has given me hope and made me proud to be a Canadian again. The media lies and reports that the truckers are terrorists. Really?	2/18/2022 1:48 PM
69106	This has given me hope for the first time in two years. The trucking convoy has positively impacted my life!	2/18/2022 1:48 PM
69107	Gives me some hope for unity and love again	2/18/2022 1:48 PM
69108	It has given the people hope we can fight back against a tyrannical government	2/18/2022 1:48 PM

69110	Been nothing but great things.	2/18/2022 1:48 PM
69111	Giving us hope of freedom	2/18/2022 1:48 PM
69112	Not affected	2/18/2022 1:48 PM
69113	It highlights the fact that the mandates should end. Particularly since vaccines do not stop the spread.	2/18/2022 1:48 PM
69114	It has not except for showing me that hopefully some other people are also fed up with how all levels of government have totally worked towards removing Canadian's rights to self.	2/18/2022 1:48 PM
69115	It has not affected my life directly. But I do support their aim to expose the authoritarian restrictions by governments (which, in my view, have politicized all things related to COVID0, and their goal to end all COVID restrictions. More and more medical experts are saying that it is time to end all COVID social restrictive measures.	2/18/2022 1:48 PM
69116	Because GOD is them that love peace, the truckers have brought Hope, so very much hope to all my family I thank them all	2/18/2022 1:48 PM
69117	The people's reaction to it affected us in a negative way. By far way more than the convoy did. If anything, they gave us hope.	2/18/2022 1:48 PM
69118	Has brought hope that our Country will be free again. That Canadians will have freedom of choice.	2/18/2022 1:48 PM
69119	I think it might bring this thing to a quicker end	2/18/2022 1:48 PM

Canadians vote on Canadian Mandate – February 2022

69123	It has opened my eyes to the unethical and illegal intrusion of govts of all levels into my rights and freedoms. My elected representatives were in my opinion bullied by leaders into not speaking for Canadian citizens. I am not a criminal but the federal govt has determined that it can cease my bank account any time. This is not acceptable	2/18/2022 1:48 PM
69124	Glimmer of hope	2/18/2022 1:48 PM
69125	Hope	2/18/2022 1:48 PM

69127	Gave me hope	2/18/2022 1:48 PM
69128	It's given me a renewed faith in humanity and a renewed faith in my country.	2/18/2022 1:48 PM
69129	They have given me hope and have brought unity to the country.	2/18/2022 1:48 PM
69130	I love it fighting for Freedom	2/18/2022 1:48 PM
69131	I finally have hope that things can resume to normal and that the government over-reach will finally stop. It's time to return to normal.	2/18/2022 1:48 PM
69132	It has given me hope. Something I haven't had very much of this last year and half.	2/18/2022 1:48 PM
69133	Given me hope for my grandkids future.	2/18/2022 1:48 PM
69134	Not really	2/18/2022 1:48 PM
69135	Brought hope of freedom and reunited Canadians that were divided	2/18/2022 1:48 PM
69136	The convoy has given me hope and a lot of pride being a Canadian. They are do so much more for us than the government who takes our tax money, makes absurd rules, and really doesn't give a shit about the people at all. The Truckers are our angels in disguise :) I pray for them and am forever grateful for what they are doing and they should be the one "In Power", they are the ones that keep Canada alive!! More trucker, less politicians!!	2/18/2022 1:48 PM
69137	It has given us hope it has exposed the government's lies deceit and corruption. We need a prime minister was not qualified or capable to run a country and that he was corrupt but this has proven so much further that there is so much corruption and deceit and lies. The truckers are within their rights and are giving hope to Canadians that are rights are being stripped from us right from underneath our nose and the Prime Minister has divided our country. The Prime Minister doesn't like this so he is invoking stricter and stricter measures to give him dictatorship control which is still unbelievable and he has not justified that an emergency act is justifiable in Canada. We support the truckers 100%, they have cleaned up the city given hope fed the homeless fed the hungry and made a statement that your freedom is being taken so stand up and do it. The trucking convoy is doing what the government should have done with the hospitals and the health officials should have done.	2/18/2022 1:48 PM
69138	It's giving me a little hope that we as a free country can get our freedom back without the government overreach that is happening in Canada	2/18/2022 1:48 PM
69139	It gave me hope to end all this nonsense.	2/18/2022 1:48 PM
69140	Created hope for change and a better future and more people being together for the same goals.	2/18/2022 1:48 PM
69141	it has given me hope and pride in being Canadian.	2/18/2022 1:48 PM
69142	I supported initially, but not the border blockades and the length of the protest turning into an occupation. But I do believe that if our PM had met with organizers and did not instead lump everyone into offensive labels, it could have been resolved already, if he and NDP had supported motion to at least come up with a timeline for an end to mandates, based on what Dr Tam was saying. Instead, he has taken extreme measures that violate civil liberties by imposing g the Emergency Act, an unbelievable over reach of power. He would not give, and with the mainstream media, actually blocked their voice. I feel that the PM is ignoring half of all Canadians. He's not only the PM of those that voted for him, he is also to serve those Canadians that did not vote for him. Also, the inconsistency in applying the Emergency Act only for this peaceful protest and blockade, but no for the railway and ports. These people are NOT terrorists trying to overthrow the government, they are the people this government is	2/18/2022 1:48 PM

69150	It hasn't. It has given me hope that we the people can get our lives and freedom of choice back. I was mandated by my work place to get vaccinated or no job. This is coercion. What happened to freedom of choice?	2/18/2022 1:47 PM
69151	Hasn't affected it much. But is awesome to see how canada comes together when we get pushed to far.	2/18/2022 1:47 PM

69160	The convoy has given me hope that there are indeed way more Canadians who love this country and love freedom and are willing to stand up to a tyrannical government that's trying to strip Canadians of thier rights. The convoy has given me hope and courage to use my voice to speak out against Trudeau's corrupt and evil agenda. The convoy is filled with regular, hardworking and peaceful people despite all fo the lies the state owned media is trying to spin. The convoy has exposed just how STRONG Canadians are when we stand together and just how CORRUPT our government systems truly are.	2/18/2022 1:47 PM

69173	Not able to see mother (other side of convoy from where I live); not able to speak freely in public due to divisive opinions.	2/18/2022 1:47 PM
69174	It's brought me some hope	2/18/2022 1:47 PM
69175	They have unified the country & given us hope. Also have caused provincial mandates to end	2/18/2022 1:47 PM

69179	It did not effect my life, and I fully support the movement.	2/18/2022 1:47 PM
69180	The trucker convoy has given me hope that our constitutional rights are being fought for and upheld. And I want to add that anyone living in Canada should take our Canadian constitution very seriously because once our rights are gone we will never get them back.	2/18/2022 1:47 PM
69181	Not really other than that it has affected Ted the supply chain to a degree, but I live in a small town and am accustomed to supply shortages. Also I am a trucker and if I could afford it I'd be in Ottawa too	2/18/2022 1:47 PM
69182	Very positively, we need to stand up for our rights. Trudeau needs to go immediately as well. He's a disgrace to Canada	2/18/2022 1:47 PM

69184	It has made me feel more patriotic than I've ever felt before. They are peaceful & taking a stand for the rest of us Canadians. We are not being treated like we should be in a free country, I'm thankful they are standing up for us.	2/18/2022 1:47 PM
69185	I Love the connection we seem to have as a unified people of Canada. Our prime minister could have brought our country together over 19 days ago and instead he tried to divide us more and rob us of even more of our rights as Canadians. He should be removed as immediately as the mandates are as he is unfit to represent our Country and our people.	2/18/2022 1:47 PM
69186	Provided something positive and optimistic Was proud to be Canadian again	2/18/2022 1:47 PM
69187	Made me realize I am far from being alone in my feelings and thoughts.	2/18/2022 1:47 PM

69221	Im for it but hasn't made changes in my personal life	2/18/2022 1:46 PM

Canadians vote on Canadian Mandate - February 2022

69231	Help me a lot and give me hope for getting my freedom back	2/18/2022 1:46 PM
69232	It gives me hope	2/18/2022 1:46 PM
69233	Gave it H O P E !! I admire people who stand up for freedom and human rights!!	2/18/2022 1:46 PM
69234	Not at all except for sad how the govt has handled it	2/18/2022 1:46 PM
69235	Given me hope. I see others speaking out. I had been too quiet about losing my rights. Yet the news is portraying them and supporters as racist or radicals. Unfounded I feel. I see them doing good, uniting and inspiring. If there is any truth to this expose individuals, but don't condemn all who stand for freedom. Freedom is central to our democracy, and we don't want to allow the PM to continue his illegal mandates which take away what is ours. The Prime Minister has said hateful things against unvaccinated, and freedom convoy people. Recently he also told the Conservatives they support the Nazi flag. The PM and government and provincial governments are responsible for dividing Canadians by this kind of false rhetoric. I have been called a white supremacist supporter (online by strangers) only because I said I went to a rally and listened to Brian Peckford. He helped to write the Constitution and says Trudeau and other Canadian governments have implemented mandates without following the Constitution.	2/18/2022 1:46 PM
69236	It's brought hope and happiness to my home, my community, and my country. I could not be more proud and feel supported.	2/18/2022 1:46 PM
69237	It has given me hope that there are more people that supports the ending of the restrictions and want to get on with their lives. It has also reaffirmed what I already knew but has opened the the eyes of people around me that were blind, on how manipulative the media, social media and the government truly are.	2/18/2022 1:46 PM
69238	Finding out that there are more people out therewho think the same as me, strength in numbers!!!!	2/18/2022 1:46 PM

69245	Yes, it gave me and my family hope	2/18/2022 1:46 PM
69246	It has made tangible the collective social and economic burden of pandemic restrictions and given a voice to those who have directly suffered, but been ignored by politicians and media outlets. It has also highlighted the biased and tyrannical approach of our federal government towards the pandemic.	2/18/2022 1:46 PM
69247	Not negatively at all. They are standing up for the freedoms and rights of people all over the world right now.	2/18/2022 1:46 PM

69256	It has given me hope that this will end soon.	2/18/2022 1:45 PM
69257	The truck drivers have created awareness of how biased journalism has been through this whole pandemic, it also has showed the country how dangerous Trudeau is and unstable...he hid from Canadian instead of setting some time aside to listen to their concerns...he doesnt represent the hard working Canadian, his values do not align with our values.	2/18/2022 1:45 PM

69271	unsure. correlation does not equal causation, though many mandates have fallen since they began standing up. which has allowed the unvaccinated to access gyms and restaurants.	2/18/2022 1:45 PM

69279	It has given me hope. And I realize that with all the people that couldn't go, or cheer them on, we are the vast majority. The Freedom Convoy and those that cheered them on are the tip of the iceberg, not a minority at all.	2/18/2022 1:45 PM
69280	It's given hope of freedom	2/18/2022 1:45 PM
69281	The trucking convoy has given me hope and I thank them for their bravery and standing up for our rights and as I have seen many thousands of people supporting the convoy and they are representing my concerns as a Canadian citizen for the tyrannical direction of our country under the current leadership.	2/18/2022 1:45 PM

69299	Provide hope to get back to normal life without any restrictions	2/18/2022 1:44 PM
69300	They are my spokespersons for freedom of choice regarding vaccines and for dropping vaccine passports and for medical privacy which is my legal right under the constitution. They are speaking up as free speech in Canada to share their beliefs in Ottawa in a peaceful protest. This has been necessary for change at the Federal level. Government servants are to serve our needs for work and to allow all Canadians respect and dignity as they earn a living and contribute to society. Overreach in our lives by govt control and continuing lockdowns, masks, and vaccine passports is harming every one of our lives. This has to stop now immediately.	2/18/2022 1:44 PM
69301	Not at all in a negative way. If anything it has made me proud to be Canadian once again. Also shown me that there is hope for humanity if we as Canadians can come together in such a show of love and kindness.	2/18/2022 1:44 PM

69320	Convoy 2022 gave me hope and reason to live again. It reminded me that people do care and are able work together, showing wisdom, belief in upholding basic human rights, protecting our charter . Protecting the people of Canada from tyrannical agendas. It made me want live again and be proud of Canada. The convoy saved my life, all the people standing up for human rights have more, courage to speak truth, wisdom, skills and love and ability to govern ourselves more appropriately than anyone on display in current government. The convoy restored my faith in humanity. And has effected me and my community in the most positive way.	2/18/2022 1:44 PM

69377	Confirmed my confedence in civil disobedience to fight and stand up for mine my countrys and the wirlds GOD GIVEN RIGHTS	2/18/2022 1:43 PM
69378	Nothing yet	2/18/2022 1:43 PM
69379	It's given us all hope and pride!	2/18/2022 1:43 PM
69380	It's very inspiring to see anyone standing up for our freedoms and I fully support anyone who is doing that peacefully. This is particularly important to ensure children are not forced to get injections of an experimental drug until there are 6 years of clinical data. Federal government started the supply chain disruptions by firing federal employees (eg. Canada Post) and imposing ridiculous border restrictions and Illegal digital tracking software, spying on 33 million Canadians without permission. I will never approve of these measures or the way they're done without transparency. Time for Trudeau to resign. It will take a decade for Canadians to trust police forces or public servants. It's an absolute disaster.	2/18/2022 1:43 PM
69381	Gives hope that such great number of people stand up for our rights and freedom	2/18/2022 1:43 PM
69382	It has given me hope.	2/18/2022 1:43 PM
69383	They gave me hope, they made Justin Trudeau hide and that makes me proud and proves our leader is weak. They made Canadians proud again and gave us all hope	2/18/2022 1:43 PM

69389	Making a positive difference but feel won't end well	2/18/2022 1:43 PM
69390	It has given me hope. For the first time in two years, I feel hope. Hope that our governments will listen. Hope. The trucker convoy has given me hope that maybe the government will actually hear the concrete scientific data that IS out, that DOES show a different point of view, and that maybe we could end these mandates once and for all. It has given me hope that maybe we could get the government and our Prime Minister to stop dividing, labeling, fear-mongering and shaming it's citizens. They have given me hope that unity is still possible, and made me realize I am not alone. It has restored my faith in humanity. It has just given me so much hope.	2/18/2022 1:43 PM
69391	Brought me inspiration that their might still be enough good people in Canada that truly value freedom that are willing to fight for it.	2/18/2022 1:43 PM

69400	I have been excited and feel that it's the Right thing to do! I support them absolutely!	2/18/2022 1:42 PM
69401	It has restored hope and for the first time in my life I can say I'm proud of my country. All governments can go to Hell and never come back. We the free people of this land do not need their pit of vipers exerting their evil will upon us	2/18/2022 1:42 PM
69402	It was given our family hope, united the people of Canada and restored a sense of pride that my great-grandfather, a WWII veteran, said hasn't been seen or felt in Canada since he arrived back in Canada at the end of WWII	2/18/2022 1:42 PM
69403	It hasn't directly, but indirectly it has by now government intervening instead of responding to the protesters position.	2/18/2022 1:42 PM
69404	Given some hope to a situation that seemed it would never improve. All citizens opinions should matter and I hope for leadership that tries to unite its citizens not divide and disregard entire populations	2/18/2022 1:42 PM

69409	Boring	2/18/2022 1:42 PM
69410	It's giving me hope there's a chance for medical freedom to choose what's best for my body	2/18/2022 1:42 PM
69411	Opened my heart for Canada, And totally discussed in how the highest elected MPs act in the great house of Parliament. Lies, here say, name calling, Without Penalty for lying to the people that elect them. How as Canadians did we let it get to this . Wow	2/18/2022 1:42 PM
69412	Great we want our freedom and our rights back	2/18/2022 1:42 PM

69416	It gives me hope for the first time in years.	2/18/2022 1:42 PM
69417	I am in full support of the trucking convoy. It has given me a voice to speak after two years on how I feel. That the government's are not listening to its people and continually dividing us and using fear tactics in media so that we comply. It has effected me positively	2/18/2022 1:42 PM
69418	Positive	2/18/2022 1:42 PM
69419	The trucking convoy has not directly affected my day-to-day life logistically, but it has given me hope in a hopeless time. The truckers have made me feel less isolated more positive about the future. Before the trucker convoy, it seemed like all Canadians were willing to just bend over and take it all the way to slavery. Now we Canadians are a beacon of hope, showing the way for millions all over the world whose governments have stripped them of their rights and turned them into virtual prisoners in their own countries. Go truckers!	2/18/2022 1:42 PM
69420	The convoy has given a sense of joy and belief in humanity again. So thankful for the truckers.	2/18/2022 1:42 PM
69421	Brought hope, happiness and a sense of belonging.	2/18/2022 1:42 PM

69440	We know controlled opposition started this convoy and the sad thing is the REAL concerned Truckers were used in this charade. The REAL Truckers are trying to end the Mandates but that's a small piece of this UGLY, Satanic WEF/NWO Plan that we refuse to COMPLY with! #ZeroToleranceForNWO	2/18/2022 1:42 PM

69450	No	2/18/2022 1:41 PM
69451	The convoys have given me hope that many, many Canadians have had enough of the mandates, that the majority want a return to normal life immediately.	2/18/2022 1:41 PM
69452	It is given us hope in the greatest way my heart is filled when I see all the patriots standing up for our freedoms and all the people on the side of the road cheering them on I was actually losing hope in Canada	2/18/2022 1:41 PM
69453	Given me hope things will be better	2/18/2022 1:41 PM

69457	It has shown how badly the Canadian government has handled this situation that it would even have to come to this. The convoy offers hope. The love and unity I am seeing between all kinds of people remind me that the division our prime minister has tried to cause in the last 2 years has not been completely successful and I am glad it has not.	2/18/2022 1:41 PM

are always going to be a few idiots in a crowd to always insert themselves to cause trouble. not enough times especially our government do not ask the question why. when you can get down to the root cause you can then understand why they do it. and then better address it. but not enough why's and a bunch of run around political answers out of the government and not enough of actual facts being reported by the media the government had actually created this problem themselves and has caused the people to NOT TRUST our Government or the news and now doctors creating a much bigger problem than they see. aka issue with the vaccine and the passport. not everyone that is against the mandate are antivaxers. but not addressing it properly is leading more and more people to become anti vaxers as per the eyes of the government

69518	CBC Radio talks mostly about convoy and pandemia constantly, like there is nothing else going on in Life and World. When I see how friendly and gently police is treating convoy, it makes me angry because I know how much harassment and endangering life police was treating Old Growth defenders. Police was is very cruel defending forest logging companies and offending defenders, Elders and Indigenous people, but police is even nice to convoy rebels.	2/18/2022 1:40 PM

69698	The trucking convoy has given be hope! I have had suicidal thoughts that past 1.5 years due to restrictions and lockdowns. I have seen and heard to many stories of death and injury due to the vaccine to ever put that into my body.	2/18/2022 1:37 PM
69699	Hasn't physically or directly affected me but I see now how important it is for the common citizen to have the right to PEACEFULLY protest. The cornerstone of any democracy. Sadly lacking these days in Canada.	2/18/2022 1:37 PM
69700	It has given me hope.	2/18/2022 1:37 PM
69701	Given me hope.	2/18/2022 1:37 PM
69702	It gave me hope, and pride in our country. I drove through one of the road side rallies on the day the truckers first started their drive across the country to Ottawa. I was moved to tears, the beautiful words of encouragement written upon the signs. The smiling faces. The masses meeting to show unity, it was beautiful.	2/18/2022 1:37 PM
69703	Gives me hope	2/18/2022 1:36 PM

69707	I would love to not have to continue to take a vaccine to work	2/18/2022 1:36 PM
69708	Never have I felt so patriotic or proud of fellow Canadians. It has given me hope and has proven that through all of this, I am not alone in the way I think, that these mandates are ridiculous and our government is completely corrupt.	2/18/2022 1:36 PM
69709	Giving hope to Canadians	2/18/2022 1:36 PM

69713	No really. I am willing to put up with minor disruptions to ensure our rights and freedoms	2/18/2022 1:36 PM
69714	It's given me some hope that things may not stay the way they are forever, that even though I'm not vaccinated I may someday be able to be a normal member of society again	2/18/2022 1:36 PM
69715	Gave me hope and showed Canadians are fed up	2/18/2022 1:36 PM

69723	They have given me hope that Canada remains glorious and free....Trudeau wanting to turn this into a socialist country has come to a much bigger light....he wants to smash democracy....HE HAS TO GO!	2/18/2022 1:36 PM
69724	Gives me hope for normal life again, and saving our personal liberties and rights	2/18/2022 1:36 PM
69725	I've had a feeling of hope and how I could now visibly see I'm not alone in this "pandemic" with my thoughts about the division the pandemic has created. I see the love and unity from all walks of life under the banner of Freedom. I have never in my life been more proud to be a Canadian!! What the convoy has done is unified so many people from coast to coast!!	2/18/2022 1:36 PM

69727	I support them	2/18/2022 1:36 PM
69728	The truckers have restored hope and have shown me that I am not alone. They have restored hope and brought unity to my fellow Canadians and around the world. This Hope & unity has been destroyed by our current government.	2/18/2022 1:36 PM
69729	Given me hope	2/18/2022 1:36 PM
69730	A voice for me and the attention of gov't to realize Cdn's do not need to be told what to do and segregated if we do not comply. Provide different medical opinions for Cdn's to choose. I now realize the strong hand the gov't has on MSM and they should be ashamed. I am more upset with the actions, threats and violence from the residents and counter protesters but no coverage on MSM.	2/18/2022 1:36 PM
69731	Gave us hope. A sense that we could reclaim our lives again.	2/18/2022 1:36 PM
69732	It has only boosted our sense of hope	2/18/2022 1:36 PM
69733	It has given me hope that positive change might happen. It has definitely opened my eyes that all these covid mandates were political and not scientific.	2/18/2022 1:36 PM
69734	It brings hope. Mandates are already changing. The convoy has done more to reunite this country in a month than the government has in decades.	2/18/2022 1:36 PM
69735	Shortages in stores	2/18/2022 1:36 PM
69736	They have given me hope that our charter of rights actually has some power and that government can't just continue to do whatever they want	2/18/2022 1:36 PM
69737	Positively	2/18/2022 1:36 PM
69738	Totally lifted my spirits and showed their are millions of people just in Canada who want this tyranny to end.	2/18/2022 1:36 PM
69739	It has given us hope and something to follow that we can get behind and not feel so alone.	2/18/2022 1:36 PM

Canadians vote on Canadian Mandate - February 2022

69750	Gave me a sense of normal life liberated me brought Canadians together	2/18/2022 1:36 PM
69751	It has not affected my life ... but the Covid situation in our world and our current government in Canada and Alberta has affected me	2/18/2022 1:35 PM
69752	Brought hope and unity back to me. Canada is standing together for a change. The whole country knows Trudeau is the problem and will not even listen to the people in Canada. He is corrupt and needs to be stopped .	2/18/2022 1:35 PM
69753	I'm proud that they can fight for me.	2/18/2022 1:35 PM
69754	Giving me hope that this will soon be over that we can get back to normal living our lives the way we should with choice and freedom to speak up against Injustice.	2/18/2022 1:35 PM
69755	It is uniting Canadians & giving us HOPE	2/18/2022 1:35 PM
69756	It's brought me back to my memories as a teenager when the world was full of love. Not HATE	2/18/2022 1:35 PM
69757	It has given me hope! It's shown me that I'm not alone and that millions of Canadians are willing to stand for freedom, truth, and justice. When this is all said and done and our freedoms have been restored, I hope we can honour the truckers with a national holiday.	2/18/2022 1:35 PM
69758	It has given me hope that our freedoms can be restored.	2/18/2022 1:35 PM
69759	It has restored hope in humanity. That there still are individuals that will stand up to tyranny and fight for Canada and all the wonderful things that make this country the beautiful promise land that it once was once. Now a laughing stock to the world, and the truckers heroes. Crimes against humanity have been committed and it is clear the PM is not fit to lead the country given his hate speech, division tactics and failure to peacefully negotiate communications to mitigate escalation of events. He needs to be removed from office so that the country can begin to heal from the trauma that has been inflicted; realized or not.	2/18/2022 1:35 PM
69760	It has given me hope.	2/18/2022 1:35 PM
69761	Its given me hope and united my friends and I have many new friends that support the idea that we the people have to fight back before the Elite kills us all off.	2/18/2022 1:35 PM
69762	I finally have some home to be free from this constant despair. I'm hopeful I may actually wake up from this nightmare to see the light of day again. I bless them with all my heart!!!!	2/18/2022 1:35 PM
69763	Pride	2/18/2022 1:35 PM
69764	It has finally given me some hope that we will see our freedoms restored.... Until today when I see undue force of police doing more harm than good to peaceful protest. Our police are supposed to keep us safe and I have never felt less safe than ever before with this emergent act in place and police being given carte Blanche to do as they please. I am disgusted with my government and unbelievably sad that there is such a lack of compassion coming from our government. It's shameful and makes me so sad and has dashed the hope I had when the convoy began.	2/18/2022 1:35 PM
69765	Creating hope but exposing corruption can be unsettling as well	2/18/2022 1:35 PM
69766	Made me feel patriotic and hopeful for the nation of Canada	2/18/2022 1:35 PM

69770	I love them and everything they stand for!! I have never been more proud to be Canadian. Their sacrifice means everything to me and my family! They are fighting for ALL of us, even those that have wronged us! I'll never forget them!!	2/18/2022 1:35 PM

69773	Positively.	2/18/2022 1:35 PM
69774	The convoy has not affected but improved my life because by those truckers it seem like Justin Trudeau plan is crumbling and the truckers are going to make us plan end. I thanks the	2/18/2022 1:35 PM

truckers for standing up like they are. I support them 100%. Go Truckers Go Make Canada home again. The Prime Minister needs to go or resign now!!!

69775	It has brought feelings of hope and unity. I haven't been this proud to be Canadian in a very long time. Our Prime Minister's response has dashed those hopes once again.	2/18/2022 1:35 PM
69776	It hasnt all the power to them they are essential service	2/18/2022 1:35 PM
69777	Gave me hope for change and hope to be heard.	2/18/2022 1:35 PM
69778	Lots of time spent looking for the truth in media.	2/18/2022 1:35 PM
69779	It has encouraged me that the democracy of our country may still be alive.	2/18/2022 1:35 PM
69780	It's given me hope	2/18/2022 1:35 PM
69781	Conflated messaging and protesting behaviour has undermined their message. It has been discouraging, but minor to my current knowledge.	2/18/2022 1:35 PM
69782	The trucking convoy has brought love, light, hope, and unity back to the canadian people.	2/18/2022 1:35 PM
69783	Given me some hope	2/18/2022 1:35 PM
69784	Its been wonderful to finally have a truth narrative to know we're not alone in our thoughts all these years.	2/18/2022 1:35 PM
69785	It's given me hope and the much needed courage to stand up to unscientific and unnecessary "health" measures.	2/18/2022 1:35 PM
69786	Not at all.	2/18/2022 1:35 PM
69787	Love seeing the unity this has brought back to many Canadians. This is the first time I've been proud to be Canadian in 2 years. And we are seeing the true colors of Trudeau, if we didn't know them already.	2/18/2022 1:35 PM
69788	My life is no different then it was 3 weeks ago. The only difference today is that I have hope for change	2/18/2022 1:35 PM
69789	Seeing mandates being lifted gives some hope	2/18/2022 1:35 PM
69790	It has given me a tiny bit of hope that we may get our democracy back.	2/18/2022 1:35 PM

69797	Not at all	2/18/2022 1:35 PM
69798	It hasn't, but it's showed to the average person how utterly disingenuous the legacy media outlets are in their blatant and transparent guilt-by-association smear campaign. They're showing themselves, to a growing number of people, they're worthy of nothing but contempt.	2/18/2022 1:35 PM
69799	It's has given me hope that there are more people like myself out there who have been waiting for the day to stand together against our governments to fight for our freedoms.	2/18/2022 1:34 PM
69800	Stress	2/18/2022 1:34 PM

69824	Very positive ; I see a beautiful movement of love, freedom, transparency and solidarity.	2/18/2022 1:34 PM
69825	I feel more proud to be a Canadian.	2/18/2022 1:34 PM
69826	It offers a small amount of hope for the future of our country and simultaneously makes me see the desperate need for a new government structure. I didn't vote for this. Ever.	2/18/2022 1:34 PM
69827	Its nice to see the good sense of camaraderie bringing folks together in such a peaceful way. I am having difficulty time trusting that the picture that mainstream media is portraying is not being reported on fully and truthfully to everyone watching.	2/18/2022 1:34 PM
69828	Minimally	2/18/2022 1:34 PM
69829	Its, opened my eyes more to our dictator ways of our Prime Minister	2/18/2022 1:34 PM

69836	Its given me hope, joy, love , and the best feeling of unity I have seen in Canada in my lifetime.	2/18/2022 1:34 PM
69837	It has shown me that there is a large amount of people out there with the same views as I have. That the mainstream media is extremely corrupt and is very influenced by the federal government. And it has given be hope back in humanity	2/18/2022 1:34 PM
69838	Appreciate those who have sacrificed their jobs and home lives to fight for our freedom.	2/18/2022 1:34 PM
69839	It has given me hope. I am so thankful for their courage along with all the doctors and scientists who have stood up to speak the truth. It is the most hope I have felt in 2 years!	2/18/2022 1:34 PM

69843	They have provided me hope, I support them & will continue to do so!	2/18/2022 1:33 PM
69844	It's been distressing to see the division between ppl. It's also alarming to see the founders be proponents of racism & ppl supporting the convoy not fully know them or where there money is going. I believe most ppl in Canada want to see racism gone & justice for the first nation's as the residential school truth comes to light, im not sure they fully know where/who there money is going to.	2/18/2022 1:33 PM
69845	For the better !!!!!!!	2/18/2022 1:33 PM

69852	Only for the better.	2/18/2022 1:33 PM
69853	The truckers have helped bring greater cohesiveness to a currently divisive topic. There are many vaccinated, mandate followers who are seeing the governments response to a large group of protesters and denying them the ability to bring up their concerns. I did not however support the border blockades.	2/18/2022 1:33 PM
69854	It made me proud to be Canadian again, to have a group of people willing to risk so much to defend our freedoms. To me, personal freedom is the essence of what it means to be a Canadian.	2/18/2022 1:33 PM
69855	Happy that somebody finally voiced human right question	2/18/2022 1:33 PM
69856	It has given me hope.	2/18/2022 1:33 PM
69857	It has given a sense that Canadians do care.	2/18/2022 1:33 PM
69858	Giving me hope back	2/18/2022 1:33 PM
69859	I love that they are our there standing up for Canadians freedoms. I've never attended a rally but I do now. It's so important to stop the tyrannical rule and get Canadians freedom back. It's sickening that the organizers have been arrested when Trudeau needs to be arrested.	2/18/2022 1:33 PM
69860	They gave me hope that things could change. I donated to their cause and now may have my bank accounts frozen.	2/18/2022 1:33 PM

69867	It has made me proud to be Canadian to see so many Canadians stand up for their constitutional rights and freedoms after two years of being restricted, in violation of the charter of rights and freedoms that Canada has been built upon.	2/18/2022 1:33 PM

69872	It has probably caused an increase in some prices and will affect the economy of Canada down the road perhaps. What will happen if more of the auto manufacturers in the US decided to no longer use manufacturers in Canada due to the fact that they had to shut down because of a parts shortage? This could end up costing us jobs. And what is sad is that it is such a small number of people that are causing this issue. Somewhere around 80% of the people in Canada are vaccinated but yet we left a small part of the remaining 20% control our life. I would've liked to see steps taken immediately to remove the traps from Ottawa, including the use of the arm forces. I was glad to see that the chief of police of Ottawa stepped down, because in reality he couldn't control a simple problem of parking.	2/18/2022 1:33 PM
69873	No effect	2/18/2022 1:33 PM
69874	It's brought me hope that there are people willing to fight the coming tyranny. The government is clearly using this virus as a means to take up more top down totalitarian control of the people.	2/18/2022 1:33 PM
69875	It gave me hope,because there was so much love ,hope,and unity.	2/18/2022 1:33 PM

69879	I know people its affected. But if he walked out and dealt with it right away. We would be in a different situation. Trudeau caused this	2/18/2022 1:33 PM

69884	It is giving me hope that Canadians actually do care about the rise of authoritarianism, discrimination and segregation and there might be a better world on the horizon.	2/18/2022 1:33 PM
69885	Positively	2/18/2022 1:33 PM
69886	Oh my gosh! Inspiring, unifying, uplifting, beautiful! The hope and the joy! I felt unity with thousands of Canadians like I've not ever felt before. They stand for the right thing, something that is far, far bigger than a lot of people realize.	2/18/2022 1:33 PM

Canadians vote on Canadian Mandate - February 2022

69890	I am very proud of what they have done to stand for our freedoms & against tyranny, in spite of the consequences. I have never seen such unity & love in Canada across all sectors of race, religion, cultures & ideologies. It gave me hope, which I haven't had for a very long time.	2/18/2022 1:32 PM
69891	It really hasn't, but I think it's very selfish of people to protest this particular issue. So many other more important issues in my opinion - one being the lack of potable water available to communities in Canada.	2/18/2022 1:32 PM
69892	Helps us see there are some people that care about us and our countries Freedom and rights.	2/18/2022 1:32 PM
69893	Given me hope that there are Canadians who will stand up to tyranny	2/18/2022 1:32 PM

69903	It didn't affect my life at all.	2/18/2022 1:32 PM
69904	It lifted my heart and gave me hope. However, I am now concerned for the lives of the truckers and their families the way Trudeau is handling the situation.	2/18/2022 1:32 PM
69905	Oh.. I just answered that... It has restored hope in my fellow Canadian patriots	2/18/2022 1:32 PM
69906	Not at all except I am glad someone is standing up as I could not do it. Getting to old to protest like we did when I was young. It is our right to fight back to unfair and illegal practices. Revolting against the Vietnam war worked, this will too if we don't fold. Ohio state says it all. Keep up the great work I appreciate someone speaking on my behalf when I can't at my age.	2/18/2022 1:32 PM
69907	Brought incredible hope for our constitutional rights as individuals. nothing but instead of being ashamed Canadian to who we are trully	2/18/2022 1:32 PM
69908	The convoy has united people & allowed for hope to fill the void that covid produced. The convoy has not disrupted anything but the government. I am thankful for all the people in Canada & around the world that are standing up for the rights we have been refused for over 2 years.	2/18/2022 1:32 PM

69911	It has given me hope that change can happen and that we can soon return to normal. It has given me hope that the government and our country will abandon policies that discriminate, oppress and segregate people based on their private medical decisions.	2/18/2022 1:32 PM
69912	I support the truckers. Sad people are complaining over horns honking but are fine with people losing jobs, committing suicide, and business going bankrupt.	2/18/2022 1:32 PM

69950	The truckers have brought joy and encouragement to my soul. I had lost faith in Canadians to stand up for what is right; they have restored my faith.	2/18/2022 1:31 PM

69954	Unity and hope	2/18/2022 1:31 PM
69955	I find it absurd, selfish and disrespectful!. It's insulting to the actual people in this country who did fight for our freedom!!!! These people have absolutely no idea what it means to be free. They should all go live in Russia, China, or North Korea - maybe then they would understand the meaning of freedom. I think the Liberal government waited FAR too long to get serious. It has been stressful to watch this circus!!!!	2/18/2022 1:31 PM
69956	It woke up society to realize we need freedom.	2/18/2022 1:31 PM
69957	Giving hope for freedom, which is our god given right but taken away from incompetent authorities that are pushing a deadly vaccine/gene therapy onto people. This is against the Nuremberg Code and one of the worst crimes against humanity that has ever happened.	2/18/2022 1:31 PM

69995	They have given me hope that freedom will return to this great country. Their actions have revealed the many flaws of the current government and it's policies. 70042	Made me proud to be Canadian	2/18/2022 1:29 PM
70043	I have found hope. I love the convoy and I hope that the PM has heard the cries of the people. I hope that he sees the millions of people that stand with the truckers and do not support the PM and his tyrannical actions.	2/18/2022 1:29 PM
70044	It has been a positive as now the world knows how corrupt our current government and news media are.	2/18/2022 1:29 PM

70055	It has given me hope that maybe there is a light at the end of the tunnel. That maybe people can come together and stand for what is right and fair in this country. It has given me back the belief that maybe those that have been to scared to take off their mask will have the faith and courage to know that they too can remove their mask and go back to a world where they can have the freedom to chose what is right for their health without being deemed a tyrant or a criminal because they did not feel what the government was demanding was right. That they will not die by removing their mask. And that they will have the courage to stand up for those that are now dying from the vaccine. We must not allow our freedoms to be taken away.	2/18/2022 1:29 PM

70084	It hasn't in any way .	2/18/2022 1:28 PM
70085	The trucker convoy is a small inconvenience for a greater good. We can complain about the inconvenience or we can be understanding that it is far less of an inconvenience than it has been for the thousands of nurses, doctors, truckers and small businesses that have been fired or shut down. It's a small price to pay for our freedoms	2/18/2022 1:28 PM

70088	I am glad to see that people are standing up to this dictatorship evidenced by Trudeau invoking the emergencies act when it was not done for burning of churches and violent protests of the left leaning ideology. This is about controlling those who do not fall in line with Trudeau's "acceptable views.	2/18/2022 1:28 PM

Canadians love this country love our freedom and our willing to stand together and we are not a small French minority

70097	Has given me some hope again	2/18/2022 1:28 PM
70098	Has made me afraid now for my freedom as a Canadian	2/18/2022 1:28 PM

70102	Brought joy and hope to our lives. Helped to bring understanding that so many Canadians are standing up and have bravery to stand for FREEDOM.	2/18/2022 1:28 PM
70103	It hasnt. If anything it has brought us closer to being a community. Showing freedom and expressing that we want to be back to 2018/2019 normality. I have noticed 0 change from these truckers. HOLD THE LINE AND STAY STRONG! Don't give into these gov't officials !!!	2/18/2022 1:28 PM
70104	It clearly identifies the lack of respect for the Charter of Rights by the sitting government. Rules for me but not for thee. It is a calculated destruction of Canada and its values by what would seem to be a non elected party.	2/18/2022 1:28 PM
70105	I feel hopeful that we will overcome government corruption and abuse. Restore our freedoms.	2/18/2022 1:28 PM
70106	I've seen and heard a lot more division.	2/18/2022 1:28 PM
70107	Only new hope.	2/18/2022 1:28 PM
70108	Gave me massive anxiety over terrorist threats and fears for the safety of all communities and that's God's honest truth. Some good people with good hearts reminded me of our Canadian values but the drunken partying the swearing and the horn honking was down right embarrassing. The horn honking was absolutely disgusting actually to me. Children would need sleep the treat to the supply chain and created potential starvation of children isn't any part of my value system or Canadian values for that matter. I do support peaceful protest but this was not peaceful at all. I also think the eff Trudeau message doesn't communicate anything helpful or anything to be proud of. Those are my personal beliefs many other ways to communicate the message he's no good or doing an awful job. I have a list pre covid even I could add.	2/18/2022 1:28 PM
70109	It has given me hope and made me believe in the good of our country	2/18/2022 1:28 PM

70122	Gave me hope and showed that Canadians are still good people	2/18/2022 1:27 PM

70125	It gives me hope	2/18/2022 1:27 PM
70126	The initial intent of the convoy has brought a feeling of unity and hope to Canadians who have been divided and been talked down to for making personal choices. The people who have behaved poorly in the convoy dont represent the intent of the convoy that I support.	2/18/2022 1:27 PM
70127	Gave some hope that my children might get a free country back.	2/18/2022 1:27 PM

70141	I NOW HAVE HOPE. I'M PROUD OF THE PROTESTERS.	2/18/2022 1:27 PM
70142	In the most fantastic positive way. It's showed me that even though I am vaccinated and boosted that 1000s of my fellow Canadians agree with me, that the mandates need to go. We need to trust our vaccine if 15% of the population wants to the risk so be it!! Why do I care who is or isn't vaccinated, it's disgusting the divide our government has put. Since I showed my support for the convoy I've had friends who didn't get vaccinated reach out to me thank me for speaking up and then tell me horror stories of how our own friends wished them dead or verbally abused it's not OK and our government needs to take some of the blame foe this and correct. The convoy has restored my faith in what it means to be Canadian. Made me Proud for the first time in 2 years!	2/18/2022 1:27 PM
70143	Hope for our future	2/18/2022 1:27 PM
70144	Not at all. They are great.	2/18/2022 1:27 PM

70152	Sooo much hope and positivity coming from it. We went to Regina for the convoy and it honestly made all of us so happy ! No violence. So peaceful. We met Andrew Sheer and he	2/18/2022 1:27 PM

70153	It brings hope	2/18/2022 1:27 PM
70154	Love it,Only way we are going to have our freedom.This is Canada and we love our Country.Freedom!!!!	2/18/2022 1:27 PM

70156	They made me more hopeful for my future	2/18/2022 1:27 PM
70157	Provided hope and reassurance that we can return to our normal livelihood. Also that we are not alone, we now have a voice	2/18/2022 1:27 PM
70158	This group of people are giving hope to all. They have kept it peaceful, & to their point, for the entire population. They've given hope to all. It is extremely disappointing that the mainstream media continue to give false stories & give no support, rather, try to demonize this rally. Again, I have very little trust in the leadership of this country. I remain hopeful that we will together, bring back our rights & freedoms to reunite the country, & rebuild the economy, therefore rebuild health in society at large.	2/18/2022 1:27 PM
70159	I no longer trust any media whatsoever	2/18/2022 1:27 PM
70160	They are a bunch of babies who are not getting their way and showing the rest of the world that the respectful Canada is a bunch of babies! They need to grow up and go home here mandates are here to keep us safe and they are being terrorists	2/18/2022 1:27 PM

70162	More hope then any politician has provided since this pandemic started	2/18/2022 1:27 PM
70163	I love it as i see them there supporting all us Canadians rights, especially our childrens rights keep honking on until the mandates are lifted hopefully soon	2/18/2022 1:27 PM
70164	Gave me hope that this craziness will end now	2/18/2022 1:27 PM
70165	They are giving me hope that our freedoms will be restored.	2/18/2022 1:27 PM

70186	Stressful only because I'm feeling very hopeful the convey will evoke change and to my horror, the way the Fed Govt has responded. Very very sad for Canadians	2/18/2022 1:26 PM
70187	Gave me hope for canada	2/18/2022 1:26 PM

70189	Made me so proud to be a Canadian. Very grateful that they are standing up for freedom to be Canadian	2/18/2022 1:26 PM
70190	Pulled me out of my slump, restored my motivation, helped me make friends, given me a way to open up about how I feel, gave me hope, gave me a road trip, made me feel like I wasn't alone, has helped friends and family see things from my perspective, reminded me that people still care about basic human rights, showed me how much love is still out there, inspires me to stand up for what I believe in, showed me who the real Canadians are, everything about this convoy is fantastic and has only affected my life in positive ways	2/18/2022 1:26 PM
70191	Given me some hope for our once democratic country. What is happening right now in Ottawa with our 'PM' enacting the war measures aft should not be happening.	2/18/2022 1:26 PM

70199	Made me feel proud to be Canadian Brought Canadians together in peace	2/18/2022 1:26 PM
70200	They have given me hope and inspiration. They have made me believe again they Canada can be a strong democracy. I'm encouraged by them integrity, kindness, willingness to stand for everyone's rights and freedoms, and for unity after PM Trudeau has caused such disunity, fear and segregation. I'm amazed at how peaceful they have been and how they have policed themselves and have keep out any groups of people bent on destructive behaviour	2/18/2022 1:26 PM
70201	Showed me more, how much I value our charter of rights and freedom.	2/18/2022 1:26 PM

Canadians vote on Canadian Mandate - February 2022

70211	Created divisiveness in my community	2/18/2022 1:26 PM
70212	I believe this is the largest peaceful protest in Canadian history and the governments response has been shameful. The PM has obfuscated his duty to govern the country on behalf of all Canadian citizens.	2/18/2022 1:25 PM
70213	Giving me hope	2/18/2022 1:25 PM
70214	It hasn't it's made me proud to be a Canadian and united this country	2/18/2022 1:25 PM
70215	I am sooo proud of them for standing up for the rights of our country!!! It has given us hope!!! Hope around the world!!! Way to go truckers, farmers, freedom fighters!!!	2/18/2022 1:25 PM
70216	It has enriched my life to meet such dedicated people willing to stand up for others and freedom.	2/18/2022 1:25 PM
70217	It's been wonderful to see Canadians come in unity and be happy and stand together peacefully.	2/18/2022 1:25 PM
70218	It's given me a lot of hope that our country could change for the better and I feel less alone knowing there are more people that feel the same as me and are unified.	2/18/2022 1:25 PM
70219	Given me hope, allowed me to be proud to be Canadian again,	2/18/2022 1:25 PM

70221	Has made me proud that there are people sticking up for all Canadians to get our freedom back	2/18/2022 1:25 PM
70222	It hasn't	2/18/2022 1:25 PM
70223	It has given me hope that we might get our rights and freedoms back. They are brave.... they are being misaligned and lied about and now under our new martial law crap.... they are being arrested and criminally charged for protesting peacefully which is their right. I hope they continue to fight and more and more Canadians join them in that fight. We are in a fight for humanity on this planet. The whole world is watching Canada. THE FASCIST WORLD ECONOMIC FORUM MUST NOW BE ALLOWED TO IMPLEMENT THEIR DESTRUCTIVE GLOBAL AGENDA.	2/18/2022 1:25 PM
70224	Make me proud to be a Canadian	2/18/2022 1:25 PM
70225	The trucking convoy has made me feel hope and love for the first time in years. They are protecting all of us, bravely standing their ground when all they have been asking for is a peaceful conversation with Canada's Prime Minister to explain why they feel he has been overreaching. Our peaceful protestors have specialists and scientists which are also there to discuss scientific facts. One of the specialists was a CEO in pathology, the other was a Senior Exec in the Trump Committee that helped manage the covid outbreak. The blockades were a result of the Prime Minister's refusal with having a simple, peaceful, respectful conversation. A true and good leader walks among the people that he or she represents. I feel no attempt was even made on the PM's part and it is a demonstration of how insignificant us working class Canadians are in his eyes. Canada was built by the working class, with blistered, bloodied hands and sweat soaked brows.	2/18/2022 1:25 PM
70226	Gives hope	2/18/2022 1:25 PM

70229	It gives me hope	2/18/2022 1:25 PM
70230	TRUDEAU has proven he is NOT A LEADER OVER AND OVER AGAIN.WE NEED TRUE LEADERSHIP AND CLARITY..NOT LIES AND DICTATORSHIP	2/18/2022 1:25 PM
70231	They have brought joy hope for the future. One minute they're all Hero's the next they're criminals. They politely asked to be heard, instead Prime Minister Justin Trudeau went in hiding. When Mr. Trudeau he refused to talk with them. Instead he intentionally spend hate speech over them all, even the other political party members weren't spared. I have no confidence in The Prime Minster Justin Trudeau. He's failed his post and he's brought shame upon our amazing country.	2/18/2022 1:25 PM

Canadians vote on Canadian Mandate - February 2022

70232	It's inspired me to see that people aren't taking our governments idiotic approach laying down. That there's people that actually care about the Charter of Rights and Freedoms even if the government doesn't.	2/18/2022 1:25 PM

They represent the true Canadians that recognize that our freedoms are being held hostage by a tyrannical dictator, who cares nothing for the people he is supposed to represent. What the truckers and all those supporting them did in two weeks would never be accomplished with our pathetic incompetent prime minister and his cabinet. They brought unity and fight for true freedom! We are proud to be Canadian because of their bold stand against the evil in our parliamentary system.	2/18/2022 1:25 PM

And the truckers are brave people, not violent, but peaceful, and the PM is treating them like terrorists - meanwhile he takes a knee to real terrorists, and condones the burning of churches...what a contradiction. This is COMMUNISM what we are living through, and the truckers may be our SAVIOURS, apart from God.	2/18/2022 1:23 PM

70413	It has given me hope!	2/18/2022 1:21 PM
70414	Again not much	2/18/2022 1:21 PM
70415	Has given my hope	2/18/2022 1:21 PM
70416	Yes, I feel hope now for the first time in 2 years that maybe this world might turn out to be a better place to live, this convoy made me feel proud to be a Canadian again, Trudeau should be ashamed of himself !!!	2/18/2022 1:21 PM
70417	Positive, hope	2/18/2022 1:21 PM
70418	Glad to see that it has caused people to wake up and see that the media and the governments have not been completely honest. It has also shown that the governments are not that willing to give back what they took.	2/18/2022 1:21 PM
70419	Brought hope and gratitude. Seeing so many of us uniting and standing up for the love of humanity.	2/18/2022 1:21 PM
70420	New hope and emotional revivalhope for humanity and pride in being Canadian.....	2/18/2022 1:21 PM

70423	We just 100% support their peace loving protest!	2/18/2022 1:21 PM
70424	It has given me hope that Canadians may actually have a voice and their freedoms restored. Covid is no different than the seasonal flu it's something we are going to need to learn to live with with or without the vaccine just like the flu (without having our livelihoods threatened by our government based on our vaccination status). It's extremely frustrating to see that our Prime Minister refuses to talk to the truckers who are peaceful protestors that just want to have their voices heard. The convoy is much more than truckers now it has inspired millions of people all around the world to speak up for freedom of choice and an end to these mandates which are ruining our countries.	2/18/2022 1:21 PM
70425	It has brought unity and great hope to the world. The people have the power and we're not gonna take it anymore from government officials that supposedly work for us.	2/18/2022 1:21 PM
70426	It has not affected me at all	2/18/2022 1:21 PM

70429	It's given us a tiny glimpse of hope	2/18/2022 1:21 PM
70430	I oppose violence and it has made it difficult to watch how they have taken over cities and blocked accesses. They have taken away freedoms from the rest of Canada.	2/18/2022 1:21 PM
70431	There's less food being imported for outside the country.	2/18/2022 1:21 PM
70432	The convoy has given me hope that maybe our lives are not a lost cause. The convoy has exposed the tyranny of the Liberal government and the lies of the legacy media.	2/18/2022 1:21 PM
70433	They actually did something about this mandate and it was working! It's made me feel like this world is gonna go back to normal	2/18/2022 1:21 PM
70434	Gives me hope that people will open their eyes and see the governments for what they are and what they are doing to this country.	2/18/2022 1:21 PM

70437	Prices!!!! Inflation!!!	2/18/2022 1:21 PM

70450	It has shown me how many people don't believe I'm mandates, it has provided a sense of pride in the country again, and it has shown me how corrupt our government and media are. I thought fake news was fake news, but apparently it's been around for the last 2 years we also have a PM who only cares about division and his own agenda instead of the good of Canada and its citizens	2/18/2022 1:21 PM
70451	My heart is inspired by their courage I am proud of them.	2/18/2022 1:21 PM
70452	Has not affected me at all. Love those truckers	2/18/2022 1:21 PM
70453	Convoy not at all. Border blockades caused food costs to rise. Not cool.	2/18/2022 1:20 PM
70454	It is a light in this dark time. People are out there who want the freedoms that Canadians deserve.	2/18/2022 1:20 PM

70458	It has given Canadians hope for a positive future.	2/18/2022 1:20 PM
70459	The trucking convoy It has not impacted my life. It did provide me with a sense of hope that freedom might be restored to Canada.	2/18/2022 1:20 PM
70460	It has given me hope that I have not allowed myself to experience because I didnt want to set my expectations too high.	2/18/2022 1:20 PM
70461	It's made me proud to be Canadian. They're doing this for all of us. For Our Freedoms! They are awesome! More guts than jt, who won't even talk with them. jt is an embarrassment to this country.	2/18/2022 1:20 PM

70504	Gives Hope	2/18/2022 1:19 PM
70505	The truckers gave me hope and showed me that we are not alone, that Canadians are courageous, kind hearted and loving people. Seeing the diversity of people participating in not only the convoy but the supporters on the sides of the roads and the protests at the borders and the provincial capitals have helped me to feel less despair. I'm glad that Trudeau has had to reveal himself as the utter despot and tyrant that he is and pray that his downfall is imminent. Watching the people lovingly and peacefully protest makes me so glad to know that my countrymen have such good hearts and moral fibre	2/18/2022 1:19 PM
70506	Canadians are willing to fight for their rights	2/18/2022 1:19 PM

70517	It needed to be done. It brought hope that maybe things can go back to normal	2/18/2022 1:19 PM
70518	It gives me hope! It won't be easy but they are fighting for our freedom. I can't personally get in a truck and go to Ottawa but I 100% support this movement and I'm praying they shift the atmosphere for Canada. This movement is making history and whatever happens the outcome affects my children's future.	2/18/2022 1:19 PM
70519	It has given me a glimmer of hope that others are aware of the government overreach and extreme control they do not need to be having over the people, and that we will stand up as a country and take back our rights and freedoms to choose without coercion and having our	2/18/2022 1:19 PM

rights taken away until we “consent” just to be able to be able to continue to buy food and put a roof over our heads. I have nothing but respect for the Freedom Convoy!

70520	They bring the message to the masses that our country has had enough, we need to get back to our lives and stop the foolish mandates	2/18/2022 1:19 PM
70521	Hasn't at all	2/18/2022 1:19 PM
70522	Total disrespectful to our country. Hadn't affected me in any way.	2/18/2022 1:19 PM
70523	It has inspired me, my country, and millions of people throughout the world	2/18/2022 1:19 PM
70524	These truckers and other supporters have given me the strength and inspiration to continue to fight for what I believe in and my freedoms and constitution.	2/18/2022 1:19 PM
70525	I hope they get their way !we all have a enough of JT	2/18/2022 1:19 PM
70526	They have brought faith and hope back to so many of us that we will have our lives back. I hope that all the corrupt politicians and members of government and pharma will be held accountable. The truckers and supporters have brought me faith, hope and strength and I am forever grateful for all they have done	2/18/2022 1:19 PM
70527	It has brought so much hope! Feelings of unity, love, peace and patriotism once again for my country. It is a mass example of how we can unit, PEACEFULLY, with no violence or threats and still demand change in our country. I'd like to point out that with the deployment of the added RCMP and police forces just yesterday, in nearly 3 weeks of peaceful protesting, our Prime Minister is the first one to show any form of violent threats! That speaks volumes! End all mandates, end the stigmatism, unite our country based on our long time values of freedom, let's move on and solve this peacefully!! Like the truckers and all involved in the convoy have set out to do from the very beginning!!	2/18/2022 1:19 PM
70528	Not at all !	2/18/2022 1:19 PM
70529	It has not affected me personally. But I do support them 100%. Any effect on the economy or my ability to move I believe is any effect on the economy or my ability to move is a minor cost compared to what we have to lose if the current Government continues down this road of taking our freedoms.	2/18/2022 1:19 PM
70530	I have no job, I have no money and the cost of living keeps increasing and the price of groceries and necessities has increased as the supplies diminishes.	2/18/2022 1:19 PM
70531	Not at all I am glad they took a stand for life to return to normal	2/18/2022 1:19 PM
70532	Blocking business and border affects us all - costs will end up getting passed along to us all	2/18/2022 1:19 PM
70533	It gave us some hope that maybe the govtment would actually listen and discourse with the people.	2/18/2022 1:19 PM

70537	It brings hope.	2/18/2022 1:18 PM
70538	Truckers deliver our products an essential service	2/18/2022 1:18 PM
70539	it is very distressing and they only think of themselves, not others	2/18/2022 1:18 PM
70540	Gave me hope	2/18/2022 1:18 PM

70542	Has restored my faith in my fellow Canadians to peacefully take a stand on issues that are important to all of us, namely government over reach.	2/18/2022 1:18 PM
70543	given hope in my fellow canadians hope to gain back my god given right to be free to think, praise god, to choose against medical treatments that are experimental that i don't need and that will not protect others	2/18/2022 1:18 PM

Canadians vote on Canadian Mandate - February 2022

70544	It has demonstrated Canadian patriotism and unity, in direct contrast to the divisiveness regularly promoted by the globalist puppet Trudeau	2/18/2022 1:18 PM
70545	annoyed me	2/18/2022 1:18 PM
70546	It gives me hope that they are standing up for ALL Canadians	2/18/2022 1:18 PM
70547	Gave hope, courage and joy to have people stand foe our freedom and rights. I stand with them!!!	2/18/2022 1:18 PM
70548	Give us hope!	2/18/2022 1:18 PM
70549	Has given me hope.	2/18/2022 1:18 PM
70550	They have expressed my concerns in a way that the gov't must recognize and hear. A voice to be heard.They have inspired faith in what it means to be a Canadian again. Something which has been lost. They have restored hope.	2/18/2022 1:18 PM
70551	The convoy gave me Proof that there are still loving, caring Canadians in this country, and stirred a faint thread of hope in my heart.	2/18/2022 1:18 PM
70552	I think it has brought hope for change, hope that the politicians will start listening to the people they represent. Hope that we will stop dividing our people and work together, to be kind again. The speed at which the go fund me rose is an indication that so many more Canadians are feeling dissatisfied with our current government mandates	2/18/2022 1:18 PM
70553	Promotes hope, unity, love and peace	2/18/2022 1:18 PM
70554	The atmosphere at the convoys has been an amazing experience. I've been given some hope for the first time in 2 years.	2/18/2022 1:18 PM
70555	Gave me an empowered sense of belonging to a country I have never really felt much spirit in. Love it	2/18/2022 1:18 PM
70556	Gave us hope to fight against this	2/18/2022 1:18 PM
70557	It has given me inspiration for the right to protest and speak up and has caused me anguish, disgust, and great sadness that our country's leader has spread hatred and fear of people who choose to be vaccine-free and express their opinions.	2/18/2022 1:18 PM
70558	All positive, a chance for democracy to rule	2/18/2022 1:18 PM
70559	gave me hope that we are going to get our freedom back from this corrupt government	2/18/2022 1:18 PM
70560	It has given me some hope and some pride in my country where I've had little of either for a long time!	2/18/2022 1:18 PM
70561	I no longer have fresh produce and goods at an affordable price. I live in an isolated community and the cost of living isn't affordable even with my above average income.	2/18/2022 1:18 PM
70562	Not affected physicaly Mentally,honoured to stand with them	2/18/2022 1:18 PM
70563	It has, by turns, offered both hope and trepidation. However, it also restored my pride in being Canadian because of how peaceful and caring the truckers have been. It is a fabulous precedent to set in terms of peaceful protests that turned global.	2/18/2022 1:18 PM
70564	It has awakened some of our elected leaders to the realization that power comes from the consent of the governed. Seeing ordinary working people from all races and all walks of life, coming together to peacefully rally for all our freedoms has given me hope that the segregation and destruction of civil life in this once great nation might be partially restored. It has also stripped the masks off the totalitarians in power in Alberta, Quebec, Ontario and especially Ottawa. It is a terrible thing to see what they truly are, but the clarity of knowing that our Prime Minister meant every word about his admiration for the "basic dictatorship of Communist China" is far better than people being continuing to be taken in by his "sunny ways" subterfuge.	2/18/2022 1:18 PM
70565	Haven't	2/18/2022 1:18 PM
70566	It hasn't	2/18/2022 1:18 PM

70587	I have seen HOPE and love and unity for the first time in a long while. I am so proud of the non-violence and the resolve to restore democratic policies.	2/18/2022 1:17 PM

70606	Hasn't affected my life at all	2/18/2022 1:17 PM
70607	It has demonstrated the inability our leadership to sit down and discuss the situation with the truckers. Canadian citizens need to be heard.	2/18/2022 1:17 PM
70608	It's a glimmer of hope	2/18/2022 1:17 PM
70609	The truckers have helped me feel hope again.	2/18/2022 1:17 PM
70610	The convoy has shown an expression of genuine care for ppl. I speak for many ppl when I say, we feel hope and trust. People in this country finally feel United, something most of us have never felt in this country. We see the possibility that collectively we can rebuild Canada from top government down to municipal governments. We can build a more honest efficient transparent government. We have the inspiration and courage to do our part to make a better future for Canadians. This convoy has not only impacted Canada but has impacted the entire planet, and has given hope to ppl around the world. This hope and courage will resonate and benefit the people of this world.	2/18/2022 1:17 PM

70613	Loving everyone and everything they are trying to do...not too complicated, drop the mandate's immediately and it ends immediately. Oh yes...I also drove truck back in the day and still have my class 1...so as awesome as all are with the peaceful protest's.... Give me a rig and I would so love to drive it right up Trudeau's ass.	2/18/2022 1:17 PM
70614	Not a bit, proud of them.	2/18/2022 1:17 PM
70615	On weekends I attend rally's, and if it gets really bad I'm parking my equipment in protest. The convoy has only made my work more Lucrative . The company that I haul for is having a hard time getting trucks. Worst comes to worse I will park by trucks and retire it's all up to their politicians now.	2/18/2022 1:17 PM
70616	The convoy has given me hope. It has enabled me to see that I am not alone in my decision, even though the media would have us believe that we are alone. This convoy has united Canadians in a way that not even hockey has been able to. And that says a lot coming from the Canadian.	2/18/2022 1:17 PM
70617	It has exposed the dictatorial tendencies of the Trudeau government to ignore Canadians Charter rights. And to refuse to accept any responsibility for their unlawful actions	2/18/2022 1:17 PM
70618	Just brought joy and proud to be Canadian	2/18/2022 1:17 PM

70623	It has been powerfully encouraging. People are laughing again, living life, celebrating life and loving each other. It's what and how life is meant to be!	2/18/2022 1:16 PM

70628	It's enriched it	2/18/2022 1:16 PM
70629	It has showed me that people can still protest with out burning and destroying someone's property and our currant government won't listen to a peaceful protest	2/18/2022 1:16 PM
70630	By bringing us our food to local grocery stores and stocking the stores	2/18/2022 1:16 PM

70633	Amazing hope that we could lift all these mandates and get on with our lives	2/18/2022 1:16 PM
70634	Just the annoying small group of people trying to impose their views on the rest of the country.	2/18/2022 1:16 PM
70635	It's given me hope for the first time in 2 years. When you know that the mandates are not about the virus, and you watch your freedoms being taken away slowly each day.. you have no hope. I fear for the world my kids are growing up in. The truckers started hope again.. I have never seen Canada being so united. Communities coming together. We went to a local convoy for one day, and took our little kids.. the feeling of hope and community was something I have never seen before..we have a very corrupt government and I'm so thankful that the truckers had the balls to get things moving..	2/18/2022 1:16 PM
70636	This Freedom Convoy has given me hope that life will get better and made me proud of the Canadians there fighting for our freedoms	2/18/2022 1:16 PM

70638	I have to call and email people daily . . . I work for BC Leg and am bombarded with people who do not understand how gov works.	2/18/2022 1:16 PM

70648	I am a driver myself. It's been a rollercoaster of emotions and it's been a beacon of hope.	2/18/2022 1:16 PM
70649	I feel they are doing what's right and at one point we're considered front line workers and praised by the government	2/18/2022 1:16 PM

70656	It's given me hope Even today as Trudeau's commies arrest dear freedom fighters Even today	2/18/2022 1:16 PM
70657	It has made me proud that some are willing to put their lives on the line for what they believe in. Personal integrity and care for their fellow human beings and all that.	2/18/2022 1:16 PM
70658	It gave our family hope, to see them out there challenging the unconstitutionality of mandates.	2/18/2022 1:16 PM
70659	Gives me hope seeing people united but there is still a long way to go as the division, segregation and discrimination continuing.	2/18/2022 1:16 PM
70660	It has given me hope. Now that the government has stepped in I am afraid at their control! Freezing bank accounts, violence, arrests, etc. This is not right for them to use these powers during a peaceful protest.	2/18/2022 1:16 PM
70661	It has given me hope	2/18/2022 1:16 PM
70662	It hasn't	2/18/2022 1:16 PM

70671	Gives me hope in Canadians	2/18/2022 1:16 PM
70672	hope	2/18/2022 1:16 PM
70673	Positively.	2/18/2022 1:16 PM
70674	Nothing I support freedom to exercise opinion but not to the extent that prevents others to do their jobs and freedom to drive were I want	2/18/2022 1:16 PM
70675	It has disappointed me. Everyone has right to protest as long as it doesn't affect anyone else. I feel badly for the people of Ottawa. They are being treated very badly.	2/18/2022 1:16 PM
70676	Provided hope, unity, passion, empowerment Brought Canadians together in peace and love with a common goal, reinforced our love of humanity, joy, inclusiveness	2/18/2022 1:16 PM
70677	It finally uplifted my spirits that I was not alone in my beliefs of a free society.	2/18/2022 1:16 PM
70678	It's affected for the good I respect what you're doing I respect everything they're doing for Canada maybe they should be our Prime Minister Trudeau is a disgrace to Canada	2/18/2022 1:15 PM
70679	I saw HOPE That we could live freely as we were before and as we should be! People with 3 shot get sick 2 shot get sick 1 shot get sick jo shot get sick How many people that attend the convoy die because of covid? that place look pretty jam pack of Canadian wanting to live their life free. The Sastika flag was there because ITS WHAT THEY ARE FIGHTING AGAINST A DICTATOR LIKE ADOLF HITLER THAT IS WHAT TRUDEAU IS. WALKING OUT OF OFFICE DURING QUESTIIN PERIOD OVER 4 TIME AND PLAYING THE SAME BROKEN RECCORD AND NOW ATTACKING CANADIAN WITH A STATE OF EMERGENCY WHILE DURING IS MANDATE AS PM BROKE MANY LAW AND ETHIC RULE HE HAS TO GO!	2/18/2022 1:15 PM
70680	Only in positive ways. Finally people with commen sense standing up to a tyrannical government.	2/18/2022 1:15 PM

Canadians vote on Canadian Mandate - February 2022

70682	It has finally given me hope that maybe the people will be heard. Unfortunately Prime Minister Trudeau still refuses to listen to the real truth and speak to real doctors and scientists. He also refuses to have any communication with the protesters concerns. He keeps to his canned speech avoiding real concerns and continues to spew hate and apartheid among his people. He has shown that his leadership is dictatorial. He is killing Democracy in Canada.	2/18/2022 1:15 PM
70683	Brought back some freedom to the people	2/18/2022 1:15 PM
70684	Pride in Canada	2/18/2022 1:15 PM
70685	It makes me proud to be Canadian. Thankful for truckers courage to take a stand!	2/18/2022 1:15 PM
70686	N/a	2/18/2022 1:15 PM
70687	Uncertain	2/18/2022 1:15 PM
70688	They are fighting for our freedom! The freedom that every Canadian deserves to have. The right to have choice over our body. They are standing up for truth and freedom of all the people and country. They are brave!	2/18/2022 1:15 PM
70689	Gave me hope	2/18/2022 1:15 PM
70690	Not affected	2/18/2022 1:15 PM
70691	Gave me hope and motivation	2/18/2022 1:15 PM
70692	give me hope	2/18/2022 1:15 PM
70693	Positive impact. Some mandates were lifted in Alberta and other provinces	2/18/2022 1:15 PM
70694	The convoy has been an inspiration of hope. Very stressful and disappointing to see the leader of our country turn his nose up at them and treat them like lesser people. In my opinion he(the prime minister) is 100% responsible for the escalation and spreading of the blockades etc....	2/18/2022 1:15 PM
70695	I am very proud and it has given us hope	2/18/2022 1:15 PM
70696	They've given me a sense of hope	2/18/2022 1:15 PM
70697	I am so glad that someone has the guts and initiative to speak for the laws of Canada . I support this movement and think that our govt should listen. I also believe that our Prime Minister needs to be voted out. He is no longer representative of the majority. He has discriminated against all Canadians and is not for the Canadian ways.	2/18/2022 1:15 PM
70698	It gave me hope that things can go back to normal.	2/18/2022 1:15 PM
70699	Made me proud to be a Canadian again	2/18/2022 1:15 PM
70700	Has given me hope that I'm not alone	2/18/2022 1:15 PM
70701	Gave Canadians hope and a wake up to what our freedoms are . Nothing comes for free anymore. Much sacrifice has been made by all Canadians.	2/18/2022 1:15 PM
70702	Boost of encouragement	2/18/2022 1:15 PM
70703	Give me hope	2/18/2022 1:15 PM
70704	It's made me feel like there is hope and a future for my children free of lockdowns and masks and restrictions! It has made me happy to see that many people in Canada and around the world feel the same way and are standing up for what's right and global freedom!	2/18/2022 1:15 PM
70705	It has brought me hope for our future! They have stood up and been badly treated by a government that should be ashamed of the way they are treating Canadians. Our veterans have fought for our freedom and now it is slowly being taken away from us. They stand proud with the convoy. It has made me proud again to be a Canadian and they have shown me that prayer and perseverance will pay off. They have been maligned, called names, blamed for untrue things and basically been called racists, I really wonder who the racist in all this truly is? Our so called PM is promoting hatred, bullying, division and no one seems able to step in and stop him. The convoy has opened our eyes and hearts, feels like we can be one again!	2/18/2022 1:15 PM
70706	It has given me hope for the future and pride for being Canadian-for the first time in my life	2/18/2022 1:15 PM
70707	Shown that people are willing to stand up for freedom in the face of rising tyranny.	2/18/2022 1:15 PM

Canadians vote on Canadian Mandate - February 2022

70708	Given me some hope.	2/18/2022 1:15 PM
70709	Gives us hope	2/18/2022 1:15 PM
70710	Not	2/18/2022 1:15 PM
70711	It has given us hope when everything seemed hopeless.	2/18/2022 1:15 PM
70712	The convoy has given me hope that this will end and faith in humanity that good people will stand up against evil.	2/18/2022 1:15 PM
70713	It has affected me profoundly. It has made me totally lose faith in our government & those we think we elected to represent us. I thought we lived in a very great democratic country, but don't think that anymore. I now realize I am not alone in my beliefs. I see how concerned citizens can unite a nation. I find it very emotional to see how peaceful & nurturing to each other all the participants are. I am appalled that our prime minister has never even spoken with them and at how our citizens who are expressing their dissent are portrayed by the mainstream media & by our government. I am disgusted by the way our prime minister has lied about these people, been inciting hate & basically accused all of us who do not follow his dictates, including me, of being a misogynist, anti scientific & a terrorist. In reality I am a 74 yr old retired RN & Midwife. I have spent my life studying medical science & caring for others.	2/18/2022 1:15 PM
70714	Gave hope	2/18/2022 1:15 PM
70715	It has given me hope because there are many more like minded Canadians out there that feel and share many of the concerns I do. They have given us all a platform that the "mainstream media" corporate media has tried to silence.	2/18/2022 1:15 PM
70716	Convoy has only made my life happier & more hopeful! Hold the line all the way from Idaho!! Go truckers go!	2/18/2022 1:15 PM
70717	Given me hope and faith.	2/18/2022 1:14 PM
70718	It gave me hope again that Canada would not be captured by this communist regime. The love and courage they shared gave hope to many Canadians. It is something I'll always remember! It is something the government can never take from me!! I'll always be grateful for what they did.	2/18/2022 1:14 PM
70719	Other than to provide hope, it hasn't	2/18/2022 1:14 PM
70720	It gave me HOPE. Haven't had any for a few years...and everyone I talk to says the same...hope!!!	2/18/2022 1:14 PM
70721	Just pissed me off	2/18/2022 1:14 PM
70722	Moral support to know real people also believe what I know to be true	2/18/2022 1:14 PM
70723	So many ways. I have learned such deep reverence for the truckers--their dedication and courage to stand by their principles. I have seen for the first time how flagrantly the mainstream media misrepresent reality. It is very disturbing. I no longer watch the mainstream news. I have watched how the Canadian Prime Minister has become a laughing stock to the entire world for his lack of leadership and his commitment to totalitarian measures against his own people while he devotes massive energy to supporting non-Canadian totalitarian regimes. It is, I think, the first time in Canadian history a PM has ever done such a thing. I am devastated. It is beyond anything I ever imagined. Finally, the trucker convoy has pushed me to seeking out sources of information that are not Canadian networks, including ordinary people with cell phones, and--of all things--Fox News. Fox News has feet on the ground interviewing truckers and other protesters. They are doing Trudeau's job, and they are doing Canadian journalists' jobs. CBC has become nothing short of a journalistic farce. I am 60 and after 6 decades I have lost all confidence in anything they tell me. They are a shame to the people who pay their salaries.	2/18/2022 1:14 PM
70724	Well I have had a bit more screen time lol. But it's makes me emotionally happy!	2/18/2022 1:14 PM
70725	I feel wonderful that these guys have stood up for our freedoms. They are truly heroes.	2/18/2022 1:14 PM
70726	They have given us hope	2/18/2022 1:14 PM
70727	It's a ray of hope.	2/18/2022 1:14 PM

70738	It's has shown that many people are starting to wake up and understand what is really going on	2/18/2022 1:14 PM
70739	It has given us hope	2/18/2022 1:14 PM
70740	Given me some hope that a few people care.	2/18/2022 1:14 PM
70741	Never affected	2/18/2022 1:14 PM
70742	Higher costd	2/18/2022 1:14 PM
70743	They are representing millions of Canadians across the country to have control over our own body and for tyrannical government measures and mandates!	2/18/2022 1:14 PM
70744	Excited that this bullshit of mandates will end thanks to the truckers	2/18/2022 1:14 PM
70745	It is brought back a sense of hope that I have over 800 days wasted wasted time my daughter who started kindergarten I've never even seen the inside of her school I've never barely met her teachers it's disgusting how they're treating our childrenSo the trucker's convoy has brought back community it has brought back hope even though I am as far away from it as possibly can be being in British Columbia it's really really hard we hard to get excited when we've been so scared but inside I'm scared I'm I'm waving my flag I'm crying all the time I'm so happy that they did this	2/18/2022 1:14 PM
70746	Not.	2/18/2022 1:14 PM
70747	I have hope again I sang Oh Canada with pride on January 29 2022	2/18/2022 1:14 PM

Canadians vote on Canadian Mandate - February 2022

70757	I have not had it interfere with anything near me. I am proud to be Canadian though and seeing Canadians stand up for our freedom and advocating for a choice I support. I advocate for those to have a choice in what they put in their body. I am vaccinated by my own choice, but I do not support the mandate to be vaccinated and alienate those from society who aren't	2/18/2022 1:14 PM
70758	It has brought hope. To see what they are doing to bring freedom back to our country. I want everyone safe. I want to be able to live again.	2/18/2022 1:14 PM
70759	Made me regain a little bit of hope returning to normal again.	2/18/2022 1:14 PM
70760	It is the only hope I have and I am truly grateful for their stamina.	2/18/2022 1:14 PM
70761	I join it or someone from my home every Saturday to go to Edmonton. We will not stop and I will take any ways this may affect me as long as life returns to normal	2/18/2022 1:14 PM
70762	Love the movement for freedom	2/18/2022 1:14 PM
70763	The trucking convoy has given me back my pride in being a Canadian. It has given me hope for a future wherein my rights and freedoms may yet be returned. The Freedom convoy's peaceful, lawful protest has unified Canadian citizens from coast to coast and done more for the unification of french and english speaking Canadians than any political party. Canadians have an international reputation for honesty, peace and democracy. Once again, Canadians are inspiring the rest of the free world to do what is right.	2/18/2022 1:14 PM
70764	It's helped get people see the real picture of what the corrupt government is doing.	2/18/2022 1:13 PM
70765	It's the first thing since this pandemic began to make me feel proud of the Canada I stand for.	2/18/2022 1:13 PM

70767	Makes me proud people are protesting for all our freedoms	2/18/2022 1:13 PM

70769	It has made me SMILE!!! CHEER!! maybe there is something bright to look forward to after all.	2/18/2022 1:13 PM
70770	Scares me to death to think that some of the convoy feel they have the right to oust a democratically elected leader. Hugely ashamed that they allowed confederate and swastika flags to be flown.	2/18/2022 1:13 PM
70771	Not visibly like the mandates have, making many things difficult if not impossible to buy.	2/18/2022 1:13 PM
70772	No affect other than proud of them!	2/18/2022 1:13 PM
70773	Giving hope	2/18/2022 1:13 PM

70775	Given hope in this countries darkest hour	2/18/2022 1:13 PM
70776	I have supported the truckers idea but it hasn't affected my life	2/18/2022 1:13 PM
70777	It's given me hope	2/18/2022 1:13 PM
70778	It has brought me enormous hope that the Canada I know will return.	2/18/2022 1:13 PM
70779	It's gave be something to believe in again. Showed me honest people do still exist	2/18/2022 1:13 PM
70780	It has given me HOPE! Hope that we can get our lives back.	2/18/2022 1:13 PM
70781	It has not affected my life. I have been allowed down on occasion or have had to choose a different route to get places, but I welcome the small inconveniences that are a tiny price to pay to end discrimination and unscientific mandates in my country.	2/18/2022 1:13 PM
70782	Hope	2/18/2022 1:13 PM
70783	I am so proud of them standing up for our freedoms	2/18/2022 1:13 PM
70784	Sa ma donner le courage de voir que on est pas une si small fringe minority parce que sa inciter partout dans le monde	2/18/2022 1:13 PM
70785	Positively. It brought many of us hope, it was amazing to see all the unity and see such	2/18/2022 1:13 PM

70800	Brought me Hope, brought me a sense of pride in my countrymen, a tremendous feeling of unity, and an end to my extreme isolation.	2/18/2022 1:13 PM
70801	It shows me how amazing people can be	2/18/2022 1:13 PM
70802	It has not	2/18/2022 1:13 PM
70803	Gives me hope.	2/18/2022 1:13 PM
70804	It hasn't affected me personally. I support them 100%! Freedom of speech & the ability to voice objection to government tyranny is a must for a country to remain free! The job of a premier & prime minister is not that of a KING! They are to be servants to the people, to the very people by whom they were elected!	2/18/2022 1:13 PM
70805	Made me proud to be Canadian.	2/18/2022 1:13 PM
70806	Given me a sense of hope and pride	2/18/2022 1:13 PM
70807	Indirectly. I'm thankful that there are Canadians from all sorts of backgrounds who value freedom	2/18/2022 1:13 PM
70808	Never been so happy in 3 long years	2/18/2022 1:13 PM

70816	I had tears of enlightenment. Canadian Unity is not Dead! I became an 'Albertan', only, for the last 4 years ... I no longer feel that way ... there is hope for Canada !	2/18/2022 1:13 PM
70817	Given some joy, they represent me, insofar as they are calling for an end to all mandates.	2/18/2022 1:13 PM

Canadians vote on Canadian Mandate - February 2022

70819	it's made it worth living	2/18/2022 1:13 PM
70820	Given me hope! Opened people's eyes around me to see how deep the corruption in government is	2/18/2022 1:13 PM
70821	For the first time in 2 years I had this little glimmer of light in my heart. For the first time in 2 years I saw my fellow Canadians stand for me and every soul effected by these decrees. I wept openly when I saw them standing on over passes waving our flag proudly and freely. For the first time I felt like writing poetry again in years. For they inspire me. For the first time I slept a little sounder... For the first time I felt like I wasn't alone, that I wasn't crazy... but that people in my country actually cared about our sovereignty as citizens of this great nation. They gave me hope... That hope lifted my deep dark thoughts, like a heavy blanket falling off my shoulders. I cry everyday - I cry because the love these people have for eachother and our country is breathtaking. I get chills everyday because when you truly see the protests from drone videos and boots on the ground you understand that this isn't a fringe movement but everyday Canadians showing up for us. and it's fucking beautiful.and it blesses my heart So how have the truckers affected me?? Well they gave me hope. They made me proud to be a Canadian again....something I had not felt in decades.	2/18/2022 1:12 PM
70822	It has been beautiful to watch Canadians reunite together in a country that has felt so divided for a long time. I find it sickening that our Prime Minister handled this the way he has.	2/18/2022 1:12 PM
70823	Opened my eyes	2/18/2022 1:12 PM
70824	Seems to be a good thing as Government is responding to remove mandates	2/18/2022 1:12 PM
70825	Not at all, other than affecting cost of living	2/18/2022 1:12 PM
70826	It gave me so much hope when it began and still does. I also seem to be addicted to social media including livestreams of unfolding events. I spend hours in the morning every day. I continue to support what they are doing and seeking ways to help the the government can't find out about	2/18/2022 1:12 PM
70827	It gave me hope where I thought there was none left it made me what to stay a Canadian cause I could be proud of Canada again it showed me we have a backbone after all. I'm the last 7 years I've slowly lost more and more respect for our government and felt less attached to being Canadian.	2/18/2022 1:12 PM
70828	Gave me HOPE	2/18/2022 1:12 PM
70829	Makes me proud to be Canadian again	2/18/2022 1:12 PM
70830	Positively, as everybody has a right for a choice	2/18/2022 1:12 PM
70831	Showed Trudeau's real colours	2/18/2022 1:12 PM
70832	Sense of hope. Finally someone standing up for us.	2/18/2022 1:12 PM
70833	Positive way. Gave me hope that mandates would be dropped altogether. Trudeau has failed Canadians and divided provinces. He hate Alberta	2/18/2022 1:12 PM
70834	It hasn't but I support it!	2/18/2022 1:12 PM
70835	Not much	2/18/2022 1:12 PM
70836	It's given me hope. Seeing people come together in peace. Gives me hope for a better canada.	2/18/2022 1:12 PM
70837	As mentioned previously, the Freedom Convoy is like a breath of hope!! We pray daily that the Convoy 'asks' would be heard and accepted by the government. God keep our Land glorious and free!	2/18/2022 1:12 PM
70838	Not much	2/18/2022 1:12 PM
70839	It's really got me thinking about who politicians and government are supposed to serve. US people!!!! Usually doesn't seem like it but this convoy, (even though I have concerns about the right wing elements) it's reminding us of a fundamental truth. WE THE PEOPLE, ARE WHO GOV. AND POLITICIANS ARE IN SERVICE OF. AND THEY NEEDED A BIG REMINDER!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!	2/18/2022 1:12 PM
70840	Given hope and gratitude.	2/18/2022 1:12 PM

70843	A stain on our society	2/18/2022 1:12 PM
70844	Given hope that truth will prevail and evil will be overcome	2/18/2022 1:12 PM
70845	Brought hope across Canada	2/18/2022 1:12 PM
70846	It's a joke	2/18/2022 1:12 PM
70847	Gave me hope!!	2/18/2022 1:12 PM
70848	Has given hope to fight the tyranny that Trudeau and the liberals have done to our country while getting kickbacks and becoming wealthy screwing with our human and charter rights	2/18/2022 1:12 PM
70849	I appreciate them. Risking everything so that voices could be heard. Now there's finally discussion on the Hill.	2/18/2022 1:12 PM
70850	It has given me hope.	2/18/2022 1:12 PM
70851	It has given me hope, positivity and shown me that community is important.	2/18/2022 1:12 PM
70852	it hasn't	2/18/2022 1:12 PM
70853	Inspired me	2/18/2022 1:12 PM
70854	Well it's the only bit of hope I've had in a long time two years to be exact	2/18/2022 1:12 PM
70855	Given me renewed hope for the future	2/18/2022 1:12 PM
70856	it has given me so much hope and pride that there is an end to these corrupt mandates. I appreciate those fighting for our rights.	2/18/2022 1:12 PM
70857	Positive giving me hope	2/18/2022 1:12 PM
70858	Gave me hope. Exposed corruption in government	2/18/2022 1:12 PM
70859	Gives me hope for the future and our freedom	2/18/2022 1:12 PM
70860	Confirmed how unjust and ineffective and assanine the liberal government truly is.	2/18/2022 1:12 PM
70861	It has given me hope that our country has a chance of regaining some semblance of normalcy again. That maybe we will not permanently lose our complete personal autonomy.	2/18/2022 1:12 PM
70862	It's about time someone did something about the horrendous way our government is handling this pandemic. Trudeau says the trucker convoy is hindering our economy, yet it's all the covid related measures and mandates that has hurt our economy more than anything, and sky rocketed the cost of living and basic shelter and necessities. Covid is very mild now, but the cost of putting measures against it is much more damaging than the virus could ever be. Inflation is at an all time high, people are being pushed out of their home towns, there's 40yr olds living in their parents basements because the rent is so ridiculous here, depression and suicidal tendencies is at an all time high. Homelessness rate is skyrocketing. Now ask yourself, was all of this misery worth putting very restrictive mandates on the citizens of Canada for now what's now a very mild virus?	2/18/2022 1:12 PM
70863	At this point nothing has changed. Government caused gas prices to go up and grocery stores have all increased their pricing but this hasn't been the result of the convoy.	2/18/2022 1:12 PM
70864	It has given me and my family hope that perhaps Canada isn't lost when we gather in solidarity against the tyranny of our government. Their overreach of power invoking the Emergency Act when they won't even meet the people who dropped everything to stand up for freedom is appalling.	2/18/2022 1:12 PM
70865	Made me proud to be a Canadian. Supporting them in prayer	2/18/2022 1:12 PM
70866	its given me hope and gratitude for Canadians!	2/18/2022 1:12 PM
70867	For 2 years the government has controlled our lives. The PM has continued to divide, segregate, discriminate, spread hate and take all hope away. The convoy brought peace, love	2/18/2022 1:12 PM

Canadians vote on Canadian Mandate - February 2022

and unity. It made me feel like there was hope for the first time in 2 years. Now the government is taking that away yet again

70868	It's brought light to this conspiracy by our government to bankrupt our company and take away our rights.	2/18/2022 1:12 PM
70869	I so proud that they are doing this as they speak up for what is righth. Each person can make their own decision about covid. Stop forcing stuff down people through as that is just wrong is so many ways!	2/18/2022 1:12 PM
70870	It has given me hope, a light at the end of a very long tunnel!	2/18/2022 1:12 PM
70871	The happiness and the unity it has brought to this country is amazing.	2/18/2022 1:12 PM
70872	First time in two years I felt proud to be a Canadian again. They gave me hope to live my life again...	2/18/2022 1:12 PM
70873	It has given me more hope for our country than I have ever had. If I had the means I would have joined it, but I was darn proud to stand by an overpass waving a flag to say thank you for what they are doing.	2/18/2022 1:12 PM
70874	Gave me hope the truth could come out	2/18/2022 1:11 PM
70875	No negative impact at all. Gave me great hope to see so many other Canadians who felt the same way I did.	2/18/2022 1:11 PM
70876	It has giving me hope in people that change is possible . Freedom	2/18/2022 1:11 PM
70877	It's been a source of inspiration and hope, as a peaceful, citizen led protest of government over reach and the restoration of democracy in our country.	2/18/2022 1:11 PM
70878	It didn't	2/18/2022 1:11 PM
70879	It makes me feel proud that there are people who are standing up for us	2/18/2022 1:11 PM
70880	Minimally	2/18/2022 1:11 PM
70881	We can see hope and love coming back	2/18/2022 1:11 PM
70882	I finally feel a sense of pride again. I feel as though I have hope and my mental health benefited majorly from that.	2/18/2022 1:11 PM
70883	Not at all I support them fully. They are the back one of our society right now.	2/18/2022 1:11 PM
70884	Given me hope	2/18/2022 1:11 PM
70885	Not at all,they need to stand there ground	2/18/2022 1:11 PM
70886	It has gave me some hope!	2/18/2022 1:11 PM
70887	It has given me hope even as I watch government policing move in on them illegally.	2/18/2022 1:11 PM
70888	It has not had a direct impact on me but I support their fight to preserve our freedom	2/18/2022 1:11 PM
70889	Fills me with hope!	2/18/2022 1:11 PM
70890	given me hope in being a Canadian	2/18/2022 1:11 PM
70891	Gave us hope	2/18/2022 1:11 PM
70892	It's given us hope and brought unity all around the globe. It makes me proud to be a Canadian. They are sacrificing a lot for all of Canadians and support is being shown all across our nation and I am 100% behind the trucking convoy. They are united in keeping this a peaceful demonstration that is fighting for our rights and freedoms!	2/18/2022 1:11 PM
70893	gave more pride to be canadian	2/18/2022 1:11 PM
70894	It's finally given me some hope that maybe things will get better. Because for a while, taking my life to end the threats hurled at me from friends and family, including being told I deserve to die, do not deserve health care, I'm selfish, I'm horrible and so much more, caused my depression to soar. Also all avenues of mental health support require vaccinations, unless I pay privately and how do I do that without benefits after losing my career? I now have a glimmer of hope for my future. So thank you truckers!!	2/18/2022 1:11 PM

Canadians vote on Canadian Mandate - February 2022

70895	It has given me hope that if we stand united, our voice will be heard, if not by our tyrannical government, then by people of the world who believe the same as us. We are united in the basic human rights given to us by our Creator God. He could have mandated us to love and serve Him only, but He gave us the choice.	2/18/2022 1:11 PM

70905	Brought hope. Not only to everyone I know but I believe it brought hope to the people that have been jumping in front of my train at work. Suicide by train since the trucker convoy is zero	2/18/2022 1:11 PM
70906	It has given hope and stirred so much emotion over all the accumulative losses of the past few covid years. I have had tears of joy to see so much unity and i have become aware of the widespread corruption and propaganda in many of our gov leaders, legacy media, law enforcement and banking institutions. Thank God it has been exposed, and i pray that things will change for the betterment our this country i was born and raised in, but no longer recognize.	2/18/2022 1:11 PM

70929	Hope	2/18/2022 1:11 PM
70930	Hasn't really. It has made me happy to see people speaking up and to know I'm not alone with my feelings about mandates. Feel proud to be Canadian again knowing whether I agree with everything about the convoy that people are standing up for themselves, that many peoples voices are not being heard and the media has been manipulating and creating division and further bias towards one main narrative, meanwhile there are so many not being told. Censorship sucks	2/18/2022 1:11 PM
70931	It's made me a very proud Canadian but also made me sick to my stomach of the government	2/18/2022 1:11 PM

70936	Never felt so Canadian in my life..Freedom!!!!	2/18/2022 1:11 PM
70937	Not affected in any negative way. I feel it was time that a group of strong Canadian finally got the courage to march in and protest. I think what Trudeau did was a scary technique that affect how everyone feels about Canadians and it shameful.	2/18/2022 1:11 PM
70938	It hasn't. I was for it at first. I am undecided because we only get one sided news from MSM. After I watched videos from people walking the streets I could see some bad but mostly good. Absolutely against the emergency act in this situation. It's creating more division and we don't need to divide our people and police. Police will get aggressive and people will lose faith again in them unfortunately.	2/18/2022 1:11 PM
70939	It gives hope and love. Some days I feel alone crazy and depressed. The convoy has lifted spirits showed me I'm not alone and that there are so many great people in this country	2/18/2022 1:10 PM
70940	Donné espoir - gave me hope	2/18/2022 1:10 PM
70941	My husband is a trucker. He's still been doing deliveries as they never wanted the people to not have necessities. It's given me hope that there may be an end. They have spoken for me because I'm a quiet person. It's been amazing to see how they have brought people together that Trudeau pitted against each other. It's even more amazing to see how they have brought a world together.	2/18/2022 1:10 PM

70957	The trucking convy has honestly given me the most hope in the past 2 years! I believe they've done more good in the past few weeks to bring people hope than the federal government has in the past 2years. The convoy has 100% of my support!	2/18/2022 1:10 PM
70958	It said what so many of us have been thinking for so long but so nervous to say, we got vaccinated to have a job to pay our bills so we didn't lose our houses and had food in the cupboard to feed out kids	2/18/2022 1:10 PM

70977	It has effected my life in a positive way. Uniting with fellow Canadians to end all this tyranny	2/18/2022 1:10 PM
70978	For the first time in two years I have felt hope, and it is thanks to these truckers. I find it beautiful to see so many different cultures and people coming together for one cause. On the other side of the sword its caused stress in the way of seeing how truly corrupt the legacy media is, and how fascist, racist and violent the Left has become, and how divisive they are. This convoy has reminded me of my personal values and why I used to love this Country. My family immigrated here to be free of oppression, and I fully support those who are protesting for our freedoms! The government can not pick and choose what protesters can or can not do based on their personal views. The liberals and ndp are demonizing them without just cause,	2/18/2022 1:10 PM

71010	They are great fighting for our freedom making me feel like I exist and have a voice. God Bless Them for bringing this to the people and peacefully.	2/18/2022 1:09 PM
71011	It gave me hope. But that is gone after seeing the media and government claim they are terrorists, racists. These idiots must not realize people watch social media and live feeds and see what's actually going on. We see the veterans, the bag pipes, the singing. We see the peace and love. And we see the gestapo moving in and shutting this down. It's horrifying as it sets a precedent for the future. It shows how easily our government can turn into a dictatorship. It shows that our democracy is an illusion.	2/18/2022 1:09 PM
71012	I am proud to be Canadian and fully support the trucking convoy. We need to stand up for our rights and freedom!	2/18/2022 1:09 PM

71017	Felt like a Canadian for the first time in a long time. Thankful for the regular citizens fighting for our freedoms which they shouldn't have to do.	2/18/2022 1:09 PM
71018	It has given me hope that the people that support the mandates will wake up to the fact and the medical science that the vaccines and mask mandates do not work. I tried at the beginning but after 2 years, I've had enough. So many of my friends have lost their jobs because of the mandates and I hope this convoy for freedom brings back some normality to the world.	2/18/2022 1:09 PM
71019	It has finally brought some unity to our Country! It is creating a sense of love and hope which has been lacking in Canada for 6 years with he division created by our PM.	2/18/2022 1:09 PM

71032	Everything was shut down before it even started and Trudeau is trying to implement the cause of everything shutting down and going belly up with these small companies are the truckers fault and those in that community in Ottawa that can't sleep she may be open their fucking eyes and see what's really going on	2/18/2022 1:08 PM
71033	It hasn't They are the only ones fighting for our rights and freedoms and they do it with peacefulness while our government and media spread false lies about it.	2/18/2022 1:08 PM

71118	I have watched with great interest, and gratitude to discover how many people shared my perspective. The media has slanted information for so long, it was shocking to see how many people have been standing up for freedom. Not just standing up against vaccines, but for fundamental freedoms. Because of that, I've felt a flicker of hope that the next generation will live with freedom.	2/18/2022 1:07 PM

71135	This movement has been the only thing giving me hope for our futures here in Canada!! I was embarrassed to be Canadian under the Trudeau regime and still am embarrassed and saddened by him and our governments immense overreach! but now I can sing our national anthem with pride. In fact I have never been more proud to be Canadian since the truckers have taken a stand against this tyranny!! My fiancé is a trucker and although he hasn't stopped working at all, he also supports these brave, peaceful protesters/truckers! I still find it hard to believe this is actually happening here in our beautiful country I never thought I would live to see such an outrageous thing happen here especially.. (the true north, strong and free!) I truly hope the liberal government will stop slandering and demonizing these good people and let us go back to the way it was before this virus!! and stop pushing this god damn jab on its citizens!! The SCIENCE not only proves it's ineffectiveness but it also shows that the shot is WAY MORE HARMFUL than the virus itself!!! The people involved in pushing this poison should be charged and/or go to jail for the rest of their life's due to their participation in these crimes against humanity! And I truly and whole heartedly believe that is what it is! CRIMES AGAINST HUMANITY!! Thank god for our truckers and everyone one else standing up against this madness!	2/18/2022 1:06 PM
71136	I have been filled with hope that the mandates will end, and seeing Canada and the world unite with the goal of love, unity and freedom has filled me with so much joy after 2 long years of division, segregation and broken relationships.	2/18/2022 1:06 PM
71137	Makes me grieve and pray for government more than I have been. Makes me stand stronger for our God given rights	2/18/2022 1:06 PM

71150	Very encouraging	2/18/2022 1:06 PM
71151	I have nothing but love and respect for the fact that the truckers have taken time out of their lives to stand up for the rights and freedoms of all Canadians. And now the government is rounding them up like cattle ...	2/18/2022 1:06 PM

71153	Given me hope and courage that this tyrannical government can be stopped, and this awful takeover by communist PM can be averted. The truckers may be the only chance to save our children and their future.	2/18/2022 1:06 PM
71154	It has given me hope. It has exposed the dishonesty and extreme bias of mainstream media far beyond anything I had previously suspected. It has exposed Justin Trudeau and most of his caucus as absolutely corrupt and completely un qualified for any political office.	2/18/2022 1:06 PM
71155	Not a bit, we support the truckers	2/18/2022 1:06 PM
71156	They have not affected my life directly, but I have to admit, I feel they are a voice that is being spoken to a huge amount of absolute frustration with so many parts of how the mandates have happened - WHY at a time where other countries and even our own provinces are saying that its time to drop them is Trudeau trying to push MORE???? The people say NO and he needs to listen	2/18/2022 1:06 PM

71163	It has given me hope and the love of being a Canadian	2/18/2022 1:06 PM
71164	Only affect is annoyance over how Justin Trudeau has "handled" it, which is text-book abuse.	2/18/2022 1:06 PM

71187	It has given me hope that maybe this insanity will emd soon.	2/18/2022 1:05 PM
71188	It has not, yet. If the convoy is successful, it will affect my life by allowing us to get back to normal life, although trust in our government will likely never be restored, and inflation (high prices) will still be with us. It will take many years for our wages to catch up with inflated prices.	2/18/2022 1:05 PM
71189	Inspirational	2/18/2022 1:05 PM

71220	I was shocked and so saddened by the rhetoric and name calling our prime minister used that I felt very depressed. I am So sad to hear tv news spin a web of lies in reporting the convoy situation compared to what I watched with my own eyes through the hours of private videos of many in real time to what was actually taking place. The love I see displayed by Canadians coming together in the trucking convoy so unselfishly lovingly peacefully has given me hope that the craziness will end.	2/18/2022 1:05 PM

71441	No problem	2/18/2022 1:00 PM
71442	It has given me hope again	2/18/2022 1:00 PM
71443	It has brought a sense of Unity and Sanity to this farce of a pandemic. It has brought hope - It has also shown us the true colours of our so-called leaders who have instilled fear in their citizens.	2/18/2022 12:59 PM
71444	Gave some hope for renewed freedoms	2/18/2022 12:59 PM
71445	It has given me hope that I am not simply part of a 'small fringe minority with unacceptable views'. It has given many Canadians from all ethnicities, classes and creeds something to unite over - something no DE&I strategy has been able to accomplish in more than a decade. It brings me joy to see the love, laughter and community occurring there. It also shines a light on the corruption in government and the complete lack of leadership demonstrated by Justin Trudeau and his followers.	2/18/2022 12:59 PM
71446	It lifted my spirit! My hope for humanity came back	2/18/2022 12:59 PM
71447	It hasn't	2/18/2022 12:59 PM
71448	It has given hope again that Canadians will fight for their freedoms. It has given me hope that we can stand against a tyrannical government.	2/18/2022 12:59 PM
71449	Nothing directly at all. Just giving hope to go back to life before Covid was a thing.	2/18/2022 12:59 PM
71450	I have a glimmer of HOPE! I have been given faith in the Canadian people. I am in a different province but I can feel the love and comradery amongst the truckers. The convoy has brought people/strangers together! Canada is and should remain a FREE COUNTRY! I fully support the truckers and all they stand for!	2/18/2022 12:59 PM
71451	Made me mad!	2/18/2022 12:59 PM
71452	It has given me hope that just maybe our tyrannical leaders will listen to the people and realize that we need to get our lives back, that these over controlling mandates have done more harm than good to peoples lives and small businesses.	2/18/2022 12:59 PM
71453	It's given me hope, made me proud of my nation and to be Canadian once again. I haven't felt this much love and pride in many years.	2/18/2022 12:59 PM
71454	Gave me hope for the first time in 2 years.	2/18/2022 12:59 PM
71455	They have given us hope. They are an inspiration! We are not alone. They have revealed how corrupt our mainstream media is and brought awareness to their lies having been able to see independent journalists show hours and hours of footage of what's really happening and as we hear reports from friends who are on the scene. They have shown how power hungry and evil	2/18/2022 12:59 PM

71463	Given me hope and some pride in Canadians again.	2/18/2022 12:59 PM
71464	It gave me great hope but now that Crime Minister Trudeau is acting so crazy I'm afraid for the truckers. This has afforded me finding out the really truth of the corruption that is really going on around the world that Trudeau is involved in. The truckers need to have their voices heard by the courts	2/18/2022 12:59 PM

71472	It has given me hope	2/18/2022 12:59 PM
71473	They have brought awareness to many on the negative effects of the restrictions. I fear we have given too much control to our governments and allowed mandates which are unneeded.	2/18/2022 12:59 PM
71474	It has given me hope. It has shown me the power of people coming together peacefully. It has opened my heart to the right when I thought I was left and opened my perception to the dangerous self-righteousness of some of the left when I thought those were the people that cared.	2/18/2022 12:59 PM
71475	It has provided hope, inspiration and happiness. It has connected us with others. It has shown us there are people who love us and care about what we are going through.	2/18/2022 12:59 PM

71485	Someone is finally fighting for us!!! Nobody else has! Vaccines don't work- over 90% of population are vaxxed- drop everything and get on with life! Introduce ivermectin to those who are sick- to illuminate hospitalizations.	2/18/2022 12:59 PM

71492	22 days	2/18/2022 12:59 PM
71493	It has given me some hope that I am not alone. We have a right to choose our own paths, being infected with covid and being unvaccinated is was extremely mild, chills for a few days and that was it. My family and I have recovered from covid a few months ago and we are not experiencing any long term covid. Therefore I support people fighting for this one size fits all approach with the vaccine.	2/18/2022 12:59 PM
71494	Given hope that this will lead to an end of passports and mandates.	2/18/2022 12:59 PM

71509	It has given more hope that things will return to 'normal' more than the talking heads in government. Showed me how biased reporting is.	2/18/2022 12:58 PM

71513	The Trucking Convoy has restored hope to me and my family. They stood up as a collective against the government, when people were losing hope all across Canada and they brought change. I was nervous that the NL government would bring in a tax for the unvaccinated like Quebec was going to do but because of the convoy, the Quebec government decided not to do it. I support the Conservatives, but Erin O'Toole was a disappointment to say the least as an opposition leader. The convoy really showed the MPs in the PC party that their leader needed to go. This affects my life because now we have MPs that are really able to stand up for Canadians against the evils of the Liberal government. I'm one of those Canadians they are standing up for.	2/18/2022 12:58 PM
71514	Given me hope for the chance of freedom again.	2/18/2022 12:58 PM
71515	Gave me hope	2/18/2022 12:58 PM

71517	Makes me feel more hopeful	2/18/2022 12:58 PM
71518	Powerfully and optimistic about unity and freedom of our citizens also shines light on our government and what my opinion is now of it ☺	2/18/2022 12:58 PM
71519	Brought hope back into my spirit that Canadians might wake up and see that we are still allowed to fight for our freedoms. That we are finally remembering to put aside our differences and uniting on the things that really matter right now. Quebec citizens are uniting with the rest of Canada. Hasn't happened in a very long time! If the great "re-set" happens...it won't be just truckers' bank accounts that will be frozen...once evil men take power.. they will come after any man or woman that opposes them. So what affects those truckers affects me because we are all in this together.	2/18/2022 12:58 PM
71520	Gave us hope that something will change	2/18/2022 12:58 PM
71521	It's giving me a modicum of hope knowing the world is seeing what a true dictator looks like!	2/18/2022 12:58 PM
71522	Inspiring	2/18/2022 12:58 PM
71523	It hasn't.	2/18/2022 12:58 PM
71524	Happiness and hope that the useless Trudeau will get kicked out!	2/18/2022 12:58 PM
71525	It hasn't much. Feeling grateful people are standing up to end these mandates.	2/18/2022 12:58 PM
71526	It hasn't. I am only glad that Canadians are finally standing up for what they believe in, regardless of what that is. It is our right as human beings to have an opinion and be able to express it, period.	2/18/2022 12:58 PM
71527	Love peaceful unity	2/18/2022 12:58 PM
71528	It has given me a sense of pride and hope	2/18/2022 12:58 PM
71529	I am very proud of the truckers standing out peacefully	2/18/2022 12:58 PM
71530	It has given me hope for our rights. It is very emotional watching the videos and taking part in local convoys. I have laughed and cried remembering that we are doing this for our children. The people have made it very clear that the mandates need to be dropped and life as we once knew should continue on!	2/18/2022 12:58 PM
71531	It's been great. Helped push kenney to remove some restrictions. Giving unity back to average Canadians.	2/18/2022 12:58 PM
71532	Brought some hope for the future freedom of Canada again. They are standing up for everyone that's tired of our PM trying so hard to implement The New World Order in Canada.	2/18/2022 12:58 PM
71533	Politicians are starting to listen to the people	2/18/2022 12:58 PM
71534	Gave me hope and Trudeau's reaction has caused me untold stress. I can't understand why asking for freedom is being denied in Canada.	2/18/2022 12:58 PM
71535	I have been encouraged and given hope that I may be able to return to the field of work that I love and is in my soul. I have shown my children what people who value the freedoms of this country will do to save them. They are our freedoms from birth and not for the government to take.	2/18/2022 12:58 PM

71542	Hasn't, has been enjoyable watching a group take a stand. But so disheartening to hear the main stream news feeds lie about what is going on. What has happened to the honesty being told instead of made up lies.	2/18/2022 12:57 PM
71543	Given me hope that these mandates will end and give me back my freedoms	2/18/2022 12:57 PM

71555	It has given me hope in Canadians!	2/18/2022 12:57 PM

71558	It has not	2/18/2022 12:57 PM
71559	The trucking convoy is supported in totality by me. I have been verbally attacked by friends and family for supporting them. I believe it is the freedom convoy's strength that will ultimately help us to maintain our democracy. The truckers are uniting our country with love and support for All Canadians.	2/18/2022 12:57 PM

71568	It has given me hope. Hope that someone who thinks like me is expressing their opinion. Asking to be heard. Hope because there are millions of us, who have felt we could not express ourselves while leaders made laws and policies, which gravely affected us everyday, in business, in family relationships and in supporting each other. I am so grateful to the truckers who have given us our voice back. I pray for them.	2/18/2022 12:57 PM

71572	It has made me hopeful for peace on earth...it has awakened the world to come together and to come to God...it is just beautiful.	2/18/2022 12:57 PM
71573	Hope that our country isn't completely lost to this tyrannical government	2/18/2022 12:57 PM
71574	While I don't know the ins and outs out the legal code with respect to legal protests, it has given me hope that the manipulative, self-serving, unscientific policies of all federal government parties in unison (except just recently the Conservative Party) could be revoked and life could get back to pre-insanity.	2/18/2022 12:57 PM
71575	It has given me hope and pride back. Standing up for "ALL OF OUR RIGHTS: WE STAND ON GSURD FOR THE!"	2/18/2022 12:57 PM

71577	Not at all	2/18/2022 12:57 PM
71578	It has given me hope that my freedoms may be returned to me It has shown me that we, Canadian citizens, are not as divided as I have been made to feel by my government I feel more unity in my country and from our neighbouring country and the world more so than ever in my life I have seen people from all over Canada unite and stand together as one I have seen the world unite aside from the people who only watch news that is bought and paid for by the govt	2/18/2022 12:57 PM
71579	Hope, people are more understanding what is happening behind the scenes with the government, sad to see the evil that the government is doing to them, the world is seeing what is happening here, less mandates in other provinces and more in BC, maybe I won't loose everything	2/18/2022 12:57 PM
71580	Inspired me to know others are fed up with these mandates and proud of their resolve	2/18/2022 12:57 PM
71581	It's given me hope and happiness	2/18/2022 12:57 PM
71582	For the first time in two years, I'm proud to be Canadian. The truckers give me hope that there are millions willing to fight for freedom & democracy to be restored!	2/18/2022 12:57 PM
71583	I started to regain hope, many who did t want me around all of a sudden started to see the peace and love During the peaceful protest and the hate speech and lies from our government and quickly found out that the mandates have to end. Trudeau has separated us enough	2/18/2022 12:57 PM
71584	Became so very hopeful they would make a difference, not just for the vaccine mandate, but for things to get back to normal as we knew it. I'm nearly 65 years old & have never had to withstand this kind of nonsense. Made me proud again to be Canadian. Our "government" is an embarrassment.	2/18/2022 12:57 PM

71593	Of course there's inconvenience but no in life to get somewhere you have to have some inconvenience there be peaceful yes there's always some idiots but the way They gave enough warning for people to get their pantry in order this is part of crying out to our government our Prime Minister who totally ignores us	2/18/2022 12:56 PM
71594	They have help the cause even those the government is taking the credit	2/18/2022 12:56 PM
71595	I see a possible bright future ahead for Canada, if Trudeau doesn't smolder the flames of freedom that the trucking convoy is trying to bring. Trudeau only wants you to focus on what he perceives as a "misogynistic and racist" group of people breaking the law without cause, yet he seems oblivious to what Canadians want.	2/18/2022 12:56 PM
71596	It hasn't directly affected my life as I'm not there, but I'm glad they are there standing up for all Canadians and uniting us by trying to get our lives back by ending all mandates.	2/18/2022 12:56 PM

71605	I'm so proud of them for sticking up for Canadians! Our PM should listen to what Canadians want and end the mandates instead of enacting an emergency act.	2/18/2022 12:56 PM
71606	It has boosted my love for my country and I support them 110%. People of all races and religions are uniting together and spreading love not hate	2/18/2022 12:56 PM
71607	It has made me proud , it has reminded me I'm not alone. I see live feeds everyday , and compared to what the news is saying and what I'm seeing from personal friends on the ground , the news is lying. Trudeau is lying and trying to cause more divide. He is trying to say they are dangerous terrorists , when you watch the live feed all you see is hugging, dancing , laughing , singing.	2/18/2022 12:56 PM
71608	Reinstated dimished pride in my nation and its people. Confirmed my personal beliefs are shared amongst many many others around the globe. The convoy has been a very positive experience for me, the counter measures imposed are disheartening.	2/18/2022 12:56 PM
71609	Shows people still care and are willing to protest an unjust government	2/18/2022 12:56 PM
71610	I finally have hope and am proud to be Canadian! Go truckers!	2/18/2022 12:56 PM
71611	Inspired	2/18/2022 12:56 PM
71612	I got the attention of the Saskatchewan government to lift mandates. This is good. It should be my choice	2/18/2022 12:56 PM
71613	Horribly.	2/18/2022 12:56 PM
71614	Gives me hope that at least some people care about the future of the country.	2/18/2022 12:56 PM
71615	They have given me a small glimmer of hope. These men and women are standing for all Canadians. They have taught us what it means to stand and fight for freedom in a peaceful way.	2/18/2022 12:56 PM
71616	Gave some hope that maybe the government will listen to its people	2/18/2022 12:56 PM

71621	Not affected at all except give me joy and hope	2/18/2022 12:56 PM
71622	Gives hope that someone is speaking out	2/18/2022 12:56 PM
71623	They have hope to all Canadians	2/18/2022 12:56 PM
71624	For the first time in 2 years I am finally proud to be Canadian...I felt in despair because our government abandoned us ignored our plea..gorged us to dign for jabs to not hold them responding if you got sick because if the jabs in order to collect a pay check..the government pushed mandates and vaccines on us we did not want and ruin my marriage during the pandemic and depression and illness from shots working in Long term care and the stress on our livelihoods I even got in trouble at work because I was so stressed out with being sick within the job and heavy demands and personal sadness that had taken a toll on.me..I have lost friendships and had distance with my 5 kids over the seperation of covid 19 restrictions .I lost a son inlaw at 38 of a heart condition suddenly!!!?lost and anxiety and suspicion at every turn because of how this virus was handled it has made people mean and ruthless the first year then we all woke up we a see the dawn of light now with the truckers stance...	2/18/2022 12:56 PM
71625	Finally some hope. Someone speaking up for us against the tyranny	2/18/2022 12:56 PM
71626	I was inspired, uplifted.	2/18/2022 12:56 PM

71635	Giving me hope in Canada, like it use to be Freedom	2/18/2022 12:55 PM
71636	The Truckers Convoy has made me proud of them and proud to be a Canadian. They are out there working towards freedom of all Canadians. We need our freedoms back	2/18/2022 12:55 PM
71637	Has given me a feeling of hope	2/18/2022 12:55 PM
71638	FREEDOM	2/18/2022 12:55 PM
71639	It gave me back a sense of hope for our country. No one was standing up for anything until the truckers came along.	2/18/2022 12:55 PM
71640	It hasn't	2/18/2022 12:55 PM
71641	Only in a positive way, as I followed them to Ottawa initially. These are the people standing up for us, for freedom and democracy, not tyranny and dictatorship	2/18/2022 12:55 PM
71642	Giving me hope for the future	2/18/2022 12:55 PM
71643	Very positively, the attention the convoy has gained to end mandates has given me so much hope and has helped my mental health tremendously	2/18/2022 12:55 PM
71644	I hope that this is the change we need .	2/18/2022 12:55 PM

71645	Positively absolutely incredible so much hope. The loving people unuteing even with different oppinions.	2/18/2022 12:55 PM
71646	It has created nothing but relief and peace and joy in my life. Finally there is hope for all of us. Finally mandates are being lifted in other provinces. I have hope for my children to be able to go and live a normal life. To hang out with friends, to go skating, to go to birthday parties, to go swimming and to just be kids. The convoy gives me hope that soon this will all end and we can go back to normal. The way life should be.	2/18/2022 12:55 PM
71647	Gave hope and made our governments true Color's shine	2/18/2022 12:55 PM

71656	Gives me hope for freedom	2/18/2022 12:55 PM
71657	It has given me hope for a bright future fir my children and grandchildren living in a free democratic Canada where government represents the people.	2/18/2022 12:55 PM
71658	Prevented some of my packages arriving on time. But that is a small price to pay for freedom of our rights to make our own bodies decisions.	2/18/2022 12:55 PM
71659	It brings me joy to see Canadians uniting instead of being divided against each other. Canadians need to be united. And our PM has been dividing Canadians.	2/18/2022 12:55 PM
71660	It gave people there freedom back. It hopefully puts and end to the ongoing divisiveness that the government created with there vaccine passport. People should always be allowed to choose.	2/18/2022 12:54 PM
71661	I'm hopeful that they will accomplish what they set out to do and we are all praying for them to stay safe cause they are fighting for the whole world .I pray all day for them and our Government officials .	2/18/2022 12:54 PM
71662	Everything is more expensive. 4 things at the grocery store, fresh fish, milk, yogurt & asparagus \$55. How are people to manage this financially?	2/18/2022 12:54 PM

71669	Positively	2/18/2022 12:54 PM
71670	Inspired to see others stand for our fundamental rights and freedoms	2/18/2022 12:54 PM
71671	Not at all. I support it completely. The only way it has affected me personally is that I contributed a small amount to the Go Fund Me initiative in good faith and now I find that my personal and financial information has been breached in some way. I am outraged by this action on the part of the government against an ordinary, law-abiding citizen, and I will seek legal action if necessary.	2/18/2022 12:54 PM

But not only that, let us also boast in our troubles; because we know that trouble produces endurance, endurance produces character, and character produces hope;	2/18/2022 12:53 PM

71721	The trucking convoy has brought our family hope. Hope that maybe Canada can be restored. Hope we may stand on our charter of rights and freedoms. Hope that maybe after all, we won't remain under a dictator. Canada is great because of our constitution. I pray we make Canada great again and put someone in power who is going to hear and respect the voices of the people. This is about Canada, not Trudeau.	2/18/2022 12:53 PM

71726	It has been great to follow across the country and to watch them set up a Peaceful protest in Ottawa	2/18/2022 12:53 PM
71727	I have mixed feelings about it but realize the media is not being responsible or honest. Our Prime Minister certainly is not concerned about people to invoke the emergency act. It's time to end this. Science is not the focus of behaviour it has been about money for pharmaceutical companies.	2/18/2022 12:53 PM
71728	It's given me hope	2/18/2022 12:53 PM

God rules. Thank you truckers! You have given Canada hope!

71763	They have given me hope that there is a light shining on us. They have my support 100%. I hope they will get the Trudeau government to open discussion and do what we the Canadian citizens want Freedom of choice. We used to have a democracy. Since this all stated two years ago, we have become more like a tyranny. It is very scary to see our beautiful country go down the tubes. Trudeau has become a laughing stock of the entire world. Except it is no laughing matter.	2/18/2022 12:52 PM

71811	Ive been waiting for something solid to me hope . the convoy provided that. Letters and emails and local protests have gone unheard. We needed to make a voice in our capital. 71812	It's given me faith in humanity again that I'm not the only one who sees through the curtain of distractions of what this really is, a plandemic.	2/18/2022 12:51 PM
71813	I think it's the right thing to do	2/18/2022 12:51 PM
71814	It has affected my life in that I was ashamed to be a Canadian. I am angry that white supremacists and other far right wing groups duped many of the truckers. At least I hope that some were just to dumb to figure out they were being used. Blocking borders probably means we will be hit with more increases in what we buy!	2/18/2022 12:51 PM
71815	It's brought my community together.	2/18/2022 12:51 PM

71847	Not at all, except I feel anger at the hate speech and rhetoric surrounding it. Any legitimate cause the truckers may have had has been completely co-opted by bad actors.	2/18/2022 12:50 PM
71848	Given hope, joy, brought people together. Only thing I've genuinely looked forward to in 2 years	2/18/2022 12:50 PM

71863	Given me hope that our country will become unified	2/18/2022 12:50 PM
71864	Since the Freedom Convoy 2022 started on its way to Ottawa, I have following their progress closely. I do not think that it is an understatement to say the the Convoy is the greatest peaceful protest movement of Canadian history. They have been an inspiration to me and others, and even though it seems like the government would rather throw them all in jail and melt the key, they know that where one Convoy is put down, more WILL follow. They can't arrest all of those who disagree with them; they don't have enough room.	2/18/2022 12:50 PM
71865	Made me feel happy to be Canadian again and thinking about putting my flag out again and was able to take my children out for a meal in public. I hope people realize the government works for the people not control the people.	2/18/2022 12:50 PM

71872	Hope has been restored,in my being..the hope of not being treated as livestock going through a chute to get an qr ear tag, and a forced needle , I am a free person, and now that someone is making a stand, my conviction is solid. Freedom! Freedom ! Freedom!!	2/18/2022 12:49 PM

71876	Gave me hope	2/18/2022 12:49 PM

Canadians vote on Canadian Mandate - February 2022

71882	Have me a hope for better and showed that there are still humans out there. 71883	Mental stress	2/18/2022 12:49 PM

71890	Broken relationships	2/18/2022 12:49 PM
71891	helped give hope for our country again	2/18/2022 12:49 PM
71892	It hasn't. Only selfish people would think that this convoy has affected their day to day lives. I am proud of how this group of people have stood up to this tyrannical federal government to put a stop to the mandates.	2/18/2022 12:49 PM
71893	Given me hope that people still have a voice	2/18/2022 12:49 PM

71962	Positive. Given hope	2/18/2022 12:47 PM
71963	It has not affected me adversely but has caused me to reflect on what exactly has happened to the rights and freedoms of Canadians. As a western Canadian I have felt discriminated against by our prime minister and those that support him. This hatred and divide started many years ago when he called oil and gas workers and many others in the west racist as well as insinuating that they abused women,etc.	2/18/2022 12:47 PM

71968	Made me proud to be Canadian, again. Hope it lasts.	2/18/2022 12:47 PM
71969	It has made me proud to be Canadian for the first time in my memory. They've given me hope that the tyrannical and illegal mandates imposed on me by my provincial and federal government may finally be lifted, and that those who abused their power during this covid "pandemic" may be held accountable for the damage they knowingly inflicted upon myself and my fellow Canadians.	2/18/2022 12:47 PM
71970	Brought back hope, love and respect for Canadians	2/18/2022 12:47 PM

Canadians vote on Canadian Mandate – February 2022

71971	Other than elevated pride, hope and resolve it hasn't really affected me.	2/18/2022 12:47 PM
71972	It gave me hope for a brighter future and I was proud to be Canadian again. I haven't been proud to be Canadian since the government restrictions started	2/18/2022 12:47 PM
71973	It has given me hope that there's good smart people left in Canada and that I am no longer alone in this battle	2/18/2022 12:47 PM
71974	It has given me a sence of hope and pride that I was not suffering and crying alone. The Liberal Government has ripped the guts out of the Country and is trying with all its might to take the legs out from under us.	2/18/2022 12:47 PM
71975	It hasn't.	2/18/2022 12:47 PM
71976	Supply chain issues keep getting worse	2/18/2022 12:47 PM
71977	great	2/18/2022 12:47 PM
71978	Renewed hope, but deepening discouragement with our government and the state of our democracy.	2/18/2022 12:47 PM
71979	Has made me very hopeful that this garbage is over	2/18/2022 12:47 PM
71980	Given me hope and pride	2/18/2022 12:47 PM
71981	They gave us hope.	2/18/2022 12:47 PM
71982	Made me feel like there is hope out there for Canada	2/18/2022 12:47 PM
71983	Given us hope for the future!	2/18/2022 12:47 PM
71984	Gave me hope! Inspired me by all races, religion and cultural groups coming together against Trudeau Socialism.	2/18/2022 12:47 PM
71985	It hasn't	2/18/2022 12:47 PM
71986	It hasn't affected my life at all	2/18/2022 12:47 PM
71987	Inspired me to trust in God more and speak up for freedom!	2/18/2022 12:47 PM
71988	It has given me great hope that we will fight against the ternary of our current oppressive government. it has shown me that there in fact that we still have a happy and peaceful community. I saw the love for Canada that I have not felt in many years.	2/18/2022 12:47 PM

71991	Positive positive unity and I am so happy to see the convoy doing this! For all Canadians	2/18/2022 12:47 PM
71992	Affected food supply- affected travel . Its time to stop all measures ,Covid has no longer high hispitalization rate	2/18/2022 12:47 PM
71993	It has shown that Canadians can come together but politicians still fight and bicker and call names. it is all been done by the politicians. For the Prime Minister did not even speak to them was just a sign of disrespect and not caring for what other Canadians might have an opinion on. If people don't agree with him he seems to want to squash them. When the indigenous people stop the rail he never called out these measures. He talks about everything that is illegal but he has done so many illegal things while being in seat. It's not just about the trucker Convoy it's the fact that many Canadians have felt all of the things that have been done wrong to us and we would like to see a public inquiry into all of the behaviour that has happened. And I would expect this was always intention to do after a massive pandemic When people's rights were continuously taken away, I'm sure they were planning on doing a whole study of it when it was over, Right!?	2/18/2022 12:47 PM
71994	It has made me feel the happiest I have felt since the pandemic started	2/18/2022 12:47 PM
71995	Giving hope in democracy, love each trucker , farmer Canadian citizen who has willingly sacrificed their time and efforts in any way to stand for freedom in Canada	2/18/2022 12:47 PM

72022	Finally hope - these mandates need to stop - look at the data - no steep incline in overall deaths. When 300+ people die every day in Ontario and we are continuing this because less than 10% of them die with / from covid.	2/18/2022 12:46 PM
72023	It has given me hope.	2/18/2022 12:46 PM
72024	Positively. The trucker convoy has given us hope. We see like minded people smiling again. People enjoying themselves. The truckers have done nothing but good for this country.	2/18/2022 12:46 PM

72068	It gave me hope and joy	2/18/2022 12:45 PM
72069	It has brought hope. I never would have expected that in Canada, such a large group of like-minded, kind and respectful people would stand up against these mandates, regardless of their "health status". We want freedom, and that's what this convoy is for.	2/18/2022 12:45 PM
72070	Gave us hope for the future. Inspiration.	2/18/2022 12:45 PM

72078	I'm sure my pocket book is directly feeling it's effect! It reminds me of when Trump was in power listening to a bunch of delusional uneducated spoilt selfish brats! Makes me sad ! People can be so selfish when their lives are really exceptional compared to lives in other countries ! Move to China then tell me about freedom!	2/18/2022 12:45 PM

72085	It has provided a much needed infusion of hope that somehow by taking a stand we as the people might be able to send a message to our prime minister that perhaps he might just be on the wrong track. With this spreading peacefully around the world I implore for common sense and democracy restored. Just sit down with the truckers who actually have a plan and help to find a common sense solution!	2/18/2022 12:44 PM

72100	Hope and peace and joy and courage and freedoms and so much kindness and love	2/18/2022 12:44 PM
72101	The trucker convoy has given me so much faith and hope I can't even begin to explain. When people started talking about the fact that they were all heading to Parliament Hill I didn't believe it for a second, I truly didn't think that people would have the courage to stand up against our government. Our population as a whole is a minority and not for our views or for our beliefs or for any decision we are given. Simply for the fact that we do not have the power that politicians, or government workers to. For the last two years everybody has done what they're told when they're told to do it and no one has questioned it. The few people that have questioned it have been 100% correct in every "conspiracy theory" they've brought up. seeing all those people in Ottawa playing sports, dancing, laughing, just loving life has given me so much love and hope in my heart. this emergencies act is terrifying. The fact that our Prime Minister is bringing more violence to this convoy than the truckers have ever showed. That has to tell you enough about what kind of Prime Minister he truly is. Justin Trudeau is drunk on power and I will never support him. The trucker convoy will win, evil never wins. I believe that in my heart.	2/18/2022 12:44 PM
72102	In a positive way as has provided hope for Canada and its citizens where governments have failed	2/18/2022 12:44 PM
72103	It had given me hope that people would recognize how divisive the passport mandates are. But the real voices of the movement have been silenced by media and a prime minister labelling them with his hate speech	2/18/2022 12:44 PM
72104	It hasn't glad someone organized something, Europe has had thousands on the streets from the beginning they know social control.	2/18/2022 12:44 PM
72105	Gave me hope in mankind that they are finally waking up and starting to question and make informed decisions. The way this whole thing has been handled with the conflicting data and censorship and loss of freedoms has been a real eye opener into our Liberal Government.	2/18/2022 12:44 PM
72106	Not significantly, but I do believe that making the passport/vaccine for truckers is ridiculous. We are talking about a group of people who have minimal contact with people. Unless the Gov can show proof that significantly trace back to that group	2/18/2022 12:44 PM
72107	Improved moral and given hope to people.	2/18/2022 12:44 PM
72108	Positively 100%, finally proud to be Canadian and have hope for my family.	2/18/2022 12:44 PM
72109	Impacted lifting of mandates in Saskatchewan, gave me hope	2/18/2022 12:44 PM
72110	Given me hope	2/18/2022 12:44 PM
72111	I feel hope once again that our country will be free once again. I feel more proud to be a Canadian than I have for the last 2 years, but we still have a long way to go as a country....	2/18/2022 12:44 PM

72116	It has given me hope that there are hundreds of thousands like me that just want their lives back. It has also driven the nail in the coffin of legacy media being biased in the cruellest ways. It has also solidified my belief that the liberals and the ndp care nothing for freedom any more. They care only about compliance and control.	2/18/2022 12:44 PM

72127	I love it. Brings me hope	2/18/2022 12:44 PM
72128	Given me hope that this will all end, the government has failed as it has chosen one group of people to protect and side with. No government should be able to decide which citizens are more important than the rest	2/18/2022 12:43 PM
72129	Raised my spirits. Thank god for them. They are being mistreated by the prine minister . I am ashamed if this government. I hope nobody moves. Love and 100 percent support completely. They are giving people hope for freedom again. This is Canada. Home of the free	2/18/2022 12:43 PM

Canadians vote on Canadian Mandate - February 2022

72145	Giving me hope	2/18/2022 12:43 PM
72146	It has made me free proud to be a Canadian.	2/18/2022 12:43 PM
72147	They have given us hope fighting for our rights and freedom. Our Prime Minister has become a dictator and the trucking convoy is making history for betterment of we Canadians who believe in freedom of choice and rights.	2/18/2022 12:43 PM
72148	Gave me some sense of patriotism that Canadians can still come together	2/18/2022 12:43 PM
72149	Proud to be a Canadian	2/18/2022 12:43 PM
72150	Didn't notice as a consumer	2/18/2022 12:43 PM
72151	2 years of hell	2/18/2022 12:43 PM
72152	They are the best.	2/18/2022 12:43 PM
72153	Has not affected me at all.	2/18/2022 12:43 PM
72154	The trucking convoy is setting an amazing example; it is possible to stand our ground and demand the freedom we desire and deserve without the use of violence or manipulation; the very opposite of what is going on with the mandates. I am in awe at the peaceful protest and it should be taken as a beautiful example.	2/18/2022 12:43 PM
72155	It's given me hope that I won't be forced to take an experimental inoculation. I have my voice back, though this too has created strife with many friends and family. But no, I will not be silenced any longer. I've realized I'm not alone. There are thousands, not just a few. New friends!!! Learned who is ok with dictatorship, I think primarily because of the fear created by said dictator.	2/18/2022 12:43 PM
72156	it's brought a sense of hope. unity, and togetherness. a feeling of not being alone. knowing that the government is hearing us (even though they are not listening)	2/18/2022 12:43 PM
72157	Hasnt	2/18/2022 12:43 PM
72158	I'm powering	2/18/2022 12:43 PM
72159	It hasn't affected my life but it makes me proud to be Canadian. There are people out there that are willing to stand up for something they feel strongly about. The emergency act and the way the media controls their corporate interests (Big Pharma) makes me hate living in this country. Fuck Trudeau.	2/18/2022 12:43 PM
72160	It's standing up for liberty, a fundamental part of our constitution	2/18/2022 12:43 PM
72161	Tremendously. In a positive way. Aside from costs going up. I fully support these brave and courageous individuals.	2/18/2022 12:43 PM
72162	It hasn't effected me directly but has given me hope	2/18/2022 12:43 PM
72163	Gave me hope	2/18/2022 12:43 PM
72164	It has given me hope back! United Canada!	2/18/2022 12:43 PM
72165	Hasnt	2/18/2022 12:43 PM
72166	brought me hope	2/18/2022 12:43 PM
72167	No.. the convey is ..freedom ..honking is freedom	2/18/2022 12:43 PM
72168	Brought hope	2/18/2022 12:43 PM
72169	The opp occupation is worse . They have blocked in all our area and must go way out of the way just to go a kilometer	2/18/2022 12:43 PM
72170	It's the first good thing I've seen Canadians do to fight this insanity.	2/18/2022 12:43 PM
72171	It's made me see more clearly how many people are also tired of this and how happy and positive the people are	2/18/2022 12:43 PM
72172	Did not	2/18/2022 12:43 PM
72173	Given me hope. They are our heroes. They are our present day soldiers fight for our Freedoms.	2/18/2022 12:43 PM

72182	It has given me hope to have my freedom back	2/18/2022 12:42 PM
72183	It has affirmed the decisions I have made since this Covid scam began. And has made me more aware of the wonderful country I live in.	2/18/2022 12:42 PM
72184	I think it's amazing. With this covid government attack on all of us. Everything has been horrible. So the convoy shows we want our legal rights back	2/18/2022 12:42 PM
72185	they don't affect my life , i support them!	2/18/2022 12:42 PM
72186	It has given us hope that evidence and reason may yet prevail in political leadership.	2/18/2022 12:42 PM
72187	It was positive, unity amongst all races, religions, brought canada together. It was a peaceful protest and people came from everywhere . It was wonderful to see the support they received as they made their way to Ottawa. It also had a positive impact on many countries to also unite.	2/18/2022 12:42 PM
72188	Given me hope . And proud that someone was brave enough to fight for humanity	2/18/2022 12:42 PM

72200	I support everything the Truckers are doing. Finally we have people fighting for our freedom	2/18/2022 12:42 PM
72201	Brought hope	2/18/2022 12:42 PM
72202	I am so proud of the truckers and their action has given me hope in a return to our normal lives again. It is legal to peacefully protest in this country and that is what they're doing. All the negative things the Prime Minister has said about the truckers and Canadians that support them, insults really, have made us all feel degraded. The fact that the Prime Minister wouldn't	2/18/2022 12:42 PM

Canadians vote on Canadian Mandate - February 2022

meet with the truckers because he 'didn't agree with them' tells me that our Prime Minister only cares about Canadians he agrees with and that the rest of us are irrelevant and don't matter. The truckers are what the rest of us wish we could be and could do. I totally agree with their reasons: by having to isolate 2 weeks after coming back from the USA, they essentially can only work twice a month: they can't make a living that way. I've been so proud of the truckers and the fact that they've inspired similar events all over the world. If we get all restrictions lifted, I'm giving them all the credit, regardless of what we're told.

72203	It gave us hope for the future.	2/18/2022 12:42 PM
72204	Tears of joy. Finally Canadians rise to protect their God given Rights.	2/18/2022 12:42 PM
72205	Given me hope and pride again to be Canadian	2/18/2022 12:42 PM
72206	It has given me hope that Canadians can see an end to the government mishandling of Covid and the subsequent over reach	2/18/2022 12:42 PM
72207	Not at all	2/18/2022 12:42 PM
72208	The truckers give HOPE for saving Canadians freedom. They have led a respectful & calm protest! Promoting freedom of choice, speech, worship; give back parents control of their own children. Canadians want Justin Trudeau & his government to uphold our constitution. Stop the lies, STOP the plan of using the Emergency measures. The truckers are NOT dangerous. Prime Minister Trudeau is a bully, seeking to make Canada a like a third world country! using inhuman treatment, force & putting people in jail illegally, like Artur Poliski.	2/18/2022 12:42 PM
72209	It has given up hope! ♥	2/18/2022 12:42 PM
72210	Didn't	2/18/2022 12:42 PM

72214	Increased Hope, unity, patriotism	2/18/2022 12:42 PM

72217	They give me hope!	2/18/2022 12:42 PM
72218	Unity	2/18/2022 12:42 PM
72219	hopefully	2/18/2022 12:42 PM
72220	Given me hope for a better future	2/18/2022 12:42 PM
72221	It hasn't affected my life...	2/18/2022 12:42 PM
72222	Also minimally only heard honking for a few days and I'm still not entirely sure what the convoy is about. Fairly unclear message in my opinion	2/18/2022 12:42 PM
72223	The truckers convoy has given me hope for the first time in 2 years. My heart is on fire with love and calmed with peace for all Canadians and the world as I see the way this affects us all unitedly. Way more than the government has done. The isolation and lock downs have done more harm than good. The government has put us in a bucket like frogs on a slow increased boil...I woke up before it was too late and helped a few more people as well. Thank you truckers for helping us wake up! Honk Honk!	2/18/2022 12:42 PM
72224	It hasn't.	2/18/2022 12:42 PM
72225	It gave me a feeling of hope and unity	2/18/2022 12:42 PM

72227	Nothing bad affections, I support them	2/18/2022 12:42 PM

72229	I support them with all my heart ♥	2/18/2022 12:41 PM
72230	It had made me feel like people are finally willing to step up and say "no"! Do something instead of have the government tell/make you do it	2/18/2022 12:41 PM
72231	I have been twice to Ottawa (so four days) and followed it since it began and have to say it is the best, most hopeful, peaceful I have felt since Trudeau came into Government. These people have stood up and said enough is enough and enabled us to feel we are not alone in what we are feeling. I 100% support the truckers and all who are standing beside them. This Government better start listening or I fear shit is going to hit the fan. And it will be of their own doing. We need new Government.	2/18/2022 12:41 PM
72232	It has given hope to thousands of Canadians, for ending these mandates and letting us get back to our families and our lives.	2/18/2022 12:41 PM
72233	Positively giving me hope again, strength, trust in God. So happy for some to stand up against the government and im going to stand up and protect my kids. Not going down with out a fight.	2/18/2022 12:41 PM

72238	Not at all affected	2/18/2022 12:41 PM

72240	It has given me hope	2/18/2022 12:41 PM
72241	They have given hope to Canada & other countries to recover or FREEDOM!!!	2/18/2022 12:41 PM
72242	It has warmed my heart and brought hope and joy back into my life. The government has been trying to turn our country into Nazi Germany. The truckering convoy are saying no and helping all of to say no with love and kindness in a peaceful way.	2/18/2022 12:41 PM
72243	Only the mental affect of seeing such division and hatred across Canada. That has been overwhelmingly disturbing.	2/18/2022 12:41 PM
72244	For the better of OUR FREEDOMS	2/18/2022 12:41 PM

72251	Proud and happy to be a part of a positive effort with love and respect.	2/18/2022 12:41 PM
72252	It has brought the most incredible hope, peace, unity and pride I have EVER experienced! True hero's, Justin Trudeau doesn't have a clue what the working class is like and the fact that he insults them, ridicules, and arrests them for peacefully protesting for the freedoms of our country, they are hard-working and incredibly determined and I have more respect for the people in this movement than I have ever had for any government of this country	2/18/2022 12:41 PM
72253	Canadian Pride	2/18/2022 12:41 PM

72275	They've given us hope.	2/18/2022 12:40 PM
72276	I feel like we sent those truckers off to war. With everyone along the road waving and cheering them on, it was so great to see. Store shelves empty. In my line of work, we work very closely with truckers	2/18/2022 12:40 PM

72504	They have given me hope and made me feel alive again	2/18/2022 12:35 PM
72505	In a positive way! The convoys and peaceful protests have brought people together after the government had almost accomplished their dividing plan under Canadians.	2/18/2022 12:35 PM
72506	It has given me hope	2/18/2022 12:35 PM
72507	It has given a sense of hope and pride in a time when it seems like everyone is just going along with the status quo out of fear.	2/18/2022 12:35 PM
72508	Very moving	2/18/2022 12:35 PM
72509	I am proud of them having the courage to speak out	2/18/2022 12:35 PM
72510	Give me hope for a chance of real freedom ...and that the peoples voice matter.	2/18/2022 12:35 PM
72511	Gave me hope. Found out that we are the silent majority till pushed over the edge.	2/18/2022 12:35 PM
72512	It hasnt	2/18/2022 12:35 PM
72513	it hasnt only seen whats going on on the internet but im glad they are doing what they are doing	2/18/2022 12:35 PM
72514	The trucking convoy has given people the ability to say I'm not going to wear mask anymore. This has led to people coming into my place of work with no mask I then ended up with covid and my entire family lost a week's worth of pay. We are a family that lives paycheck to paycheck and I'm unsure on how I'm going to pay things next week.	2/18/2022 12:35 PM
72515	Gives me hope that this insanity will end	2/18/2022 12:35 PM
72516	I am totally dismayed that people would feel so entitled that they would interfere with other people's home life and business when this is supposedly what they are protesting. What a big farce! So unkind, inconsiderate and mean. Think about the people the truckers are hurting as they refuse to think of others than there "own kind". Shameful.	2/18/2022 12:35 PM
72517	None so far. But the cost of things is insane. Home heating oil? Taxes on heat? I believe the outrage goes beyond mandates. We have an arrogant government that has got it's duty reversed. Arrrrg	2/18/2022 12:35 PM
72518	It has made me proud to be a Canadian again, with hope and unity it is showing us through social media, none of which we are being privileged to though on our paid off media one sided news channels. We are required to see the rest of the story to be able to heal from this and I find it so under mining of our powers that be, that I have lost all trust in those we have elected	2/18/2022 12:35 PM

to work on our behalf. Our country has become divided and purposely directed into fear by the very individuals who promised to protect us from tyranny, these truck convoy participants are using peaceful measures to bring light to these injustices.... They are the peoples hero's and deserve to be heard not prosecuted by our deranged leader and his supporters. The mandates country wide need to end immediately and our unity of mankind restored, we have much healing to do

72519	I think they are doing the right thing the PM in Canada is corrupt and incompetent	2/18/2022 12:35 PM
72520	It's given me hope! And pride in my country and fellow Canadians once again!	2/18/2022 12:35 PM

72527	Made me believe again	2/18/2022 12:35 PM
72528	Given me hope democracy may still be salvageable. If the truckers don't win, humanity will have been defeated.	2/18/2022 12:35 PM
72529	It's given me hope. I have a friend there telling me about helping feed the homeless and the love and hope felt there. Sure don't see it in the news so I am glad I got the truth from him.	2/18/2022 12:35 PM
72530	The convoy has given me so much hope! I was getting to be in a dark place but now I see light. I have never felt so much unity of fellow Canadians ever in my life. I feel it has brought us together:) I have been watching live footage of the convoy and the rally in Ottawa since day one. They are my hero's!	2/18/2022 12:35 PM
72531	I finally have pride in my fellow citizens again. I thought people were just going to lay down and accept more and more oppressive, controlling, nonsensical crap, and never question it. Like changing definition of vaccines, then finding out they only cause disease and death, but do not provide immunity, quite the opposite in fact. Most I know who took it, it tanked their immune system, made their medications for other issues so working, caused nerve issues, paralysis, severe pain, breathing issues, Heath issues, kidney damage, tinnitus, a few it killed within days of first or second dose. Masks, the 'safety' data was changed from only effective in sterile environments, like a hospital, and for short periods. To all the time, everywhere. I watched cases go from 300, to increasing by 100+/wk after mandated, while they were staying reasonably low, considering close proximity, and large population. I know plenty on chronic antibiotics due to lung infections from the bacterial infections, due to chron8c mask wearing. The barcode.. People who had it, showed they were compliant in getting shots. But no longer had to prove at all they were negative. Thus still went to work, university, gym, events. While people without it had to prove they were negative, usually at their own cost, to do the same. It was both useless, and discriminatory. These measures divided friends, families, neighbours. Calling eachother names, cutting them from their lives, kid's lives. People became alcoholics, addicts, my now ex was violent and abusive, and I had to get an emergency protection order, which caused my kids and I ptsd we may never overcome. My tween is borderline agoraphobic now, and used to love going out to the park and stuff. Attendance in school has become an issue now. The damage these useless measures have caused, have done irreparable damage. The environmental damage.. All those masks, gloves, sanitizer bittles, single use items.. These governments, and so called scientists, who skewed data in their favours to both push these mandates, and dangerous costly measures should be jailed. For life. For crimes against humanity, for the damage they have done.	2/18/2022 12:35 PM

72713	I don't pay any attention to them. News is very upsetting these days. I understand standing up for those who never got to go to their families funerals (very sad), and for those dying alone in hospitals.... But some of what they're doing is just stupid	2/18/2022 12:31 PM

heard from their country's leader who has done nothing but chipping away our rights for the past two years.

72723	It has given me hope	2/18/2022 12:30 PM
72724	I'm very proud of what they are trying to accomplish. It's the most unity I've felt in Canada for a long time. Our media and government need massive changes. They can not be allowed to continue their blatant lies regarding issues that affect all Canadians. They are only telling the side of the story that fits their narrative. That is very wrong	2/18/2022 12:30 PM
72725	It's made me believe in Canada again. That people are finally waking up and doing something about these tyrannical rules. I escaped a communist country and moved to Canada in 1980. Never thought this Country could get worse!	2/18/2022 12:30 PM
72726	As a trucker myself it has increased my pride as a free thinking Canadian	2/18/2022 12:30 PM

72732	It has given me hope! It has shown me that I am NOT ALONE. It has done what the current government has not and will never do.	2/18/2022 12:30 PM
72733	Hasn't	2/18/2022 12:30 PM
72734	I was relieved to see someone was standing up for the rights of people. I am concerned that they are a vital part of our lives and we seem to have no respect for their efforts and the powers that be did not even acknowledge them. They were also losing time and money. We cannot run on fear of one another. I am sad and embarrassed at our behavior.	2/18/2022 12:30 PM
72735	Brought hope to this country, which I love!	2/18/2022 12:30 PM

72741	It gives us hope	2/18/2022 12:30 PM
72742	It hasnt	2/18/2022 12:30 PM
72743	It represents hope that the truckers and all of the other organizations are on the same page I am. They are revealing the corruption in the federal government. This gives hope that things will change.	2/18/2022 12:30 PM

72840	It has provided a small sense of hope that someone will stand up for those who have been heavily impacted when our own elected politicians fail to show care and compassion for the most marginalized in society. I do not agree with the originators in any regard, nor do I care about going to a movie or concert or restaurant... but if I can't work, and I can't go to school and I can't move to where I can afford to live, the government has left me no choice but to be grateful for the people trying to help me get back to work so I can provide for my family. 72866	it has given me hope, and some Canadian pride	2/18/2022 12:27 PM
72867	Increased my distrust of PM Trudeau. He should of made an attempt to understand the truckers instead of name calling	2/18/2022 12:27 PM

Canadians vote on Canadian Mandate - February 2022

72872	Its given me hope that Canadian citizens still have a voice. The bill of rights needs to make a come back.	2/18/2022 12:27 PM
72873	First time I have felt hope in the last two years. They are amazing and I wish I could join them. Thank God for these people!!!	2/18/2022 12:27 PM
72874	Prices climbing	2/18/2022 12:27 PM
72875	I thank God for the truckers. They have given us hope for Canada. United we stand and no power on earth can take that away from us.	2/18/2022 12:27 PM
72876	It gave me hope as a Canadian citizen who wants her rights back	2/18/2022 12:27 PM
72877	It's made me proud to be a Canadian again. Brought me hope for the first time in 2 years. The unity and bringing people together again has brought me joy.	2/18/2022 12:27 PM
72878	Gave us hope	2/18/2022 12:27 PM
72879	Gives me hope	2/18/2022 12:27 PM
72880	I 100% support the truckers and finally I feel like I'm getting my freedom back	2/18/2022 12:27 PM
72881	Feelings of Hope. Has not negatively affected my family.	2/18/2022 12:27 PM
72882	Gave us hope. Something we have had none of for a long time. Forcing these vaccines has caused me large hair loss daily; skin irritations; constant sickness where I have never been sick in 18 plus years. Etc	2/18/2022 12:27 PM
72883	Positively. Gave us hope.	2/18/2022 12:27 PM
72884	With hope	2/18/2022 12:27 PM
72885	It has not affected my life. Mainstream media and the Trudeau lies they proliferate have making me both anxious and angry!	2/18/2022 12:27 PM
72886	It hasn't.	2/18/2022 12:27 PM
72887	hasn't hurt my life..	2/18/2022 12:27 PM
72888	It has lifted my spirits, inspired me to stay positive and continue to look to a more unified future in Canada — as opposed to what seems to be an intentional centralized controlling government.	2/18/2022 12:27 PM
72889	More attention to cause but the unrulies showed up to cause further problems distracting from cause	2/18/2022 12:27 PM
72890	It allows us to stand and have a voice	2/18/2022 12:27 PM
72891	Its given me a renewed faith in Canadians	2/18/2022 12:27 PM
72892	In a positive way. Has given me a sense of optimism and the realization that I am NOT part of a minority. Has shown me the true spirit of Canada and Canadians. Has reinforced my own research in regards to the vaccinations and their poor safety and efficacy record. Can hardly wait till normal returns and yes, normal can return!!	2/18/2022 12:27 PM
72893	Given me hope that Canada will fight for our Gid given freedom.	2/18/2022 12:27 PM
72894	Positively. It gives me and others hope that I'm not crazy	2/18/2022 12:27 PM
72895	Renewal of hope for truth to reign, patriotism.	2/18/2022 12:27 PM
72896	hasn't really; just makes me sad	2/18/2022 12:27 PM
72897	It has not affected my life at all	2/18/2022 12:27 PM
72898	It has given me hope and warmed my heart to know how amazing these people are who stood up to the tryany and stood up for their fellow man and the world. Bless them all.	2/18/2022 12:27 PM
72899	It hasn't affected me in a bad way, but the protests seem to be working as some restrictions have been lifted as a result which has greatly improved my quality of living already.	2/18/2022 12:27 PM
72900	It hasn't	2/18/2022 12:27 PM

Canadians vote on Canadian Mandate - February 2022

72901	Gave me hope	2/18/2022 12:26 PM
72902	Positively	2/18/2022 12:26 PM
72903	I have felt HOPE for the first time in so long! at least a year. I finally believe that maybe I am not alone. But watching how they are being treated is heartbreaking. I literally feel like we are in a war for freedom.	2/18/2022 12:26 PM
72904	Giving hope	2/18/2022 12:26 PM
72905	The convoy has given me hope something I haven't had in over 2 years!	2/18/2022 12:26 PM
72906	It hasn't	2/18/2022 12:26 PM
72907	The questions were far to open ended. I support the right for them to protest and feel they have the absolute correct way in doing so (no violence so far), my fear for our country is if this was some fringe group taking control of Ottawa I would definitely want to see some strength in the enforcement.	2/18/2022 12:26 PM
72908	it's hasn't	2/18/2022 12:26 PM
72909	It's brought hope, unity, courage and pride for my country and country men. I have hope for my children's future that truth and freedom will be restored.	2/18/2022 12:26 PM
72910	Hasn't impacted me	2/18/2022 12:26 PM
72911	It bothers me that the question, "What is this virus and what happened that it infected people world wide, what is the source of this?" is not asked. The convoy protesters don't address this question.	2/18/2022 12:26 PM
72912	It has given me hope that we will not accept tyranny from the govt. and now the police on govt orders.	2/18/2022 12:26 PM
72913	Brought me hope. Hope that after 2 years with no end in sight, that a government caught in SO MANY LIES will be exposed and brought to justice. Hope that such an inept government as to be still at square one of lockdowns and restrictions and mandates after 2 YEARS, will be replaced by someone with leadership qualities befitting of a DEMOCRACY ... OF the people, FOR the people. ALL OF THEM.	2/18/2022 12:26 PM
72914	It has given me hope in humanity	2/18/2022 12:26 PM
72915	Positively. Ignited unity, patriotism, hope and peace. There the rest heros.	2/18/2022 12:26 PM
72916	Best things happen in the last 2 years.	2/18/2022 12:26 PM
72917	To be proud of what they r doing for Canadian's freedom..., wish I could have been there to experience it Freedom convoy.	2/18/2022 12:26 PM
72918	Nil	2/18/2022 12:26 PM
72919	Have me hope and joy for the first time in 2 yrs!!!!!!	2/18/2022 12:26 PM
72920	Given me hope	2/18/2022 12:26 PM
72921	I'm proud that people have freedom of expression and the ability to protest things close to their hearts. I'm not sure what I feel about COVID and the science. But I'm sure of my feelings toward our Prime minister which is that he is a unstoppable monster whom I have no trust for. And because of that I support the truckers.... Not necessarily because I agree with their opinions. And the NDP have lost my vote forever because of how they've blindly propped up Trudeau and his tyranny.	2/18/2022 12:26 PM
72922	Given hope for future, realized how many think like me, sense of unity with Canadians restored	2/18/2022 12:26 PM
72923	Gives me hope that a people can unite together to peacefully protest unfair mandates and dictatorial, self serving leadership. Angers me that the so called leader chose to hide instead of opening a dialogue with the truckers. He's the one who is being violent with his hate speech. The truckers and protestors are a peaceful group and are misrepresented by the media that is bought and paid for propaganda machine. News should be about reporting unbiased facts and should keep their opinions to themselves. It hasn't been news for quite some years now.	2/18/2022 12:26 PM
72924	It has not affected me	2/18/2022 12:26 PM

Canadians vote on Canadian Mandate - February 2022

72925	Has reinforced the importance for Canadians to understand that our Charter of Rights and Freedoms has been decimated. This is critical for us to fight and support the importance of this right for every Canadian. I applaud the truckers for their dedicated and peaceful manner in representing our rights.	2/18/2022 12:26 PM
72926	I believe in the right to protest but not blockades	2/18/2022 12:26 PM
72927	Brings hope that people are standing up	2/18/2022 12:26 PM
72928	Giving me hope	2/18/2022 12:26 PM
72929	It's the only thing that has given me hope since the COVID nonsense started. The truckers are my heroes, and so are all the other people who went to the rallies to fight for the freedoms of all Canadians. I know people who took their own lives this past year because of how badly the lockdowns and mandates negatively affected them....they would still be alive today if no mandates were ever put into place....I also believe that had this Trucker "movement" started a few months sooner, they would have saved a lot of lives from suicide.... because those who took their own lives because they had no hope.... would have been given hope to keep living, hope from the Trucker Convoy movement.	2/18/2022 12:26 PM
72930	I've taken off every Saturday to go to Edmonton to support them	2/18/2022 12:26 PM
72931	Gave me hope	2/18/2022 12:26 PM
72932	Gave me hope!	2/18/2022 12:26 PM
72933	It has shown me that we are still Canadians who believe in freedom and equality. These mandates have really emphasized the divisions it can cause amongst us which should be stopped.	2/18/2022 12:26 PM
72934	It has given us a new lease on life ...hope for the future...hope of freedom from political science and this oligarchical tyranny.	2/18/2022 12:26 PM
72935	I finally feel hope!! I'm not alone!!	2/18/2022 12:26 PM
72936	No	2/18/2022 12:26 PM
72937	It's literally the ONLY glimmer of hope I have had in the past 2 years. Although I think the world and this situation will continue to get much worse yet before we see any true hope for a better world/country it's a start.	2/18/2022 12:26 PM
72938	Given us a ray of hope!	2/18/2022 12:26 PM
72939	I believe like my dad said about Hitler if you don't step in they will take over bit by bit till they put people in camps who don't agree freeze money force you to comply then make you comply someone stepped up thank God	2/18/2022 12:26 PM
72940	I feel a great sense of pride, joy and unity with fellow Canadians. I have experienced a monumental impact of hope.	2/18/2022 12:26 PM
72941	Love the power that us and them showing by standing for what is right! OUR RIGHTS	2/18/2022 12:26 PM
72942	Given hope for future	2/18/2022 12:26 PM
72943	It has given me hope for a free Canada	2/18/2022 12:26 PM
72944	It's brought me hope for the first time in 2 years.	2/18/2022 12:26 PM
72945	It hasn't, only for the better by bringing awareness to the tyranny and government over reach.	2/18/2022 12:26 PM
72946	It hasn't. But has shown me that our government is corrupt and they don't care about the people.	2/18/2022 12:26 PM
72947	Lifted the vaccine passport so I can support local businesses that were FORCED to use the REP	2/18/2022 12:26 PM
72948	Uplifting and inspiring. It's giving me hope!	2/18/2022 12:26 PM
72949	They have brought hope amidst despair. I cried when I saw the amazing support they got from Canadians all across the province. I feel that finally someone is fighting for my freedom. I love Canada but I feel that we're being oppressed in this freedom loving country.	2/18/2022 12:26 PM

Canadians vote on Canadian Mandate - February 2022

72950	Given me hope and want for change	2/18/2022 12:26 PM
72951	The truck convoys have given me renewed hope and increased strength. They are a loud voice bringing awareness and awaking to the tyranny, deception, and suppression of governments and media. They are fighting for our rights and freedoms to choose what is best for ourselves. They are exposing government over reach.	2/18/2022 12:26 PM
72952	It has given me hope	2/18/2022 12:26 PM
72953	Gives me HOPE	2/18/2022 12:26 PM
72954	Hasn't affected	2/18/2022 12:25 PM
72955	It's brought the most light and love this country has ever seen. Uniting peacefully for what we know in our hearts is the right thing to do for this country, bringing the true meaning of what we as Canadians really means standing together with love, unity, generosity and bring joy back to this country. Happiness to the people And the right to choose what is best for themselves, their bodies, their families, their lives.	2/18/2022 12:25 PM
72956	They have given me hope for freedom to live my life without fear of my government and his unlawful mandates and now state of emergency. If I could afford to travel to Ottawa I would stand hand and hand with my fellow Canadians and there fight against this liberal government.	2/18/2022 12:25 PM
72957	Finally a positive action that has brought me some pride in being Canadian again.	2/18/2022 12:25 PM
72958	*created an awareness that the issues I saw are systemic *I am not crazy for questing the Covid-19 narrative pushed by main stream media *showed me this had been a slow roll into socialism *showed me the importance of voicing my concerns *that the people of Canada are the voice of Canada not what the government says we as Canadians believe *opened my eyes to the reality of adverse advents that are not being published *that there are all professions divided on the issues *that the government does not want to discuss the issues to find the best way forward *that the issues are much deeper than the mandates. *The mandates are a mass manipulation to hide the current governments roll in creating a socialist system. *the awareness of government overreach and my tights as a citizen in particular *the awareness of organizations already fighting to protect our charter of rights *the awareness of the churches roll in society and how quickly that support was manipulated to 'shut their doors'. And how across the board in Canada we obeyed. *that we as Canadians have been passive and trusting to our own demise. *helped me to ask myself the same question Justin Trudeau asked all Canadians " (my paraphrase) if the unvaccinated do not follow my rules, do we tolerate them" *realization that Canadians under this government are not free *moved us to retire early and look outside of Canada to invest *showed me the unprecedented and undisclosed spending of my tax dollars that Justin Trudeau had been doing since being elected. *revealed to me that Justin Trudeau is not for Canadians but continues to lust after complete control in Canada and his good standing with other socialist rulers in the world.	2/18/2022 12:25 PM
72959	it gave me hope	2/18/2022 12:25 PM
72960	The convoy has had no negative effect on my life, but rather it brings a glimmer of hope and am proud to see Canadians standing up for their rights.	2/18/2022 12:25 PM
72961	They have brought to light how corrupt our politicians are	2/18/2022 12:25 PM
72962	I support them and what they are trying to do.	2/18/2022 12:25 PM
72963	Given true Canadians hope & resurrected that we're proud to be Canadians!	2/18/2022 12:25 PM
72964	It hasn't...	2/18/2022 12:25 PM
72965	It has given me hope and has made me realize we are not the minority	2/18/2022 12:25 PM
72966	It gives me hope... it is amazing to see people standing and working together with 1 goal!!	2/18/2022 12:25 PM
72967	They make me happy to see them fighting for my Freedom!	2/18/2022 12:25 PM
72968	Best thing ever. If you publish any of my responses I will hunt you down	2/18/2022 12:25 PM
72969	It has given me hope and faith that I am not the only one that does not agree with these draconian rules. Unfortunately it is also making me realize I have lost the country I live in which we are free to speak our mind without worry of pursacution.	2/18/2022 12:25 PM

party it's disgusting how are you can even utter those words out of his mouth he should be ashamed of it and self! I feel so sorry for anyone in parliament that is a Jewish descendants to have to hear that hurtful rhetoric.

73000	Since I don't live in the protest area it hasn't affected me. But from what I've been seeing in the news it definitely has affected those that live in Ottawa. I think truckers have overstayed their protest.	2/18/2022 12:24 PM
73001	I appreciate that they have taken the steps they have. I feel people need to realize we are being lied to, for more reasons that are known. How can it be allowed that Parliament can lie, cheat and steal from their own people and get away with breaking the constitution? Thank you truckers for sticking up for us. Lead on and God bless you all and your families.	2/18/2022 12:24 PM
73002	None what so ever , I stand with them	2/18/2022 12:24 PM
73003	Brought hope!	2/18/2022 12:24 PM
73004	Amazingly, I felt hope for the first time in ages. These people are exactly who represent Canada, at least the Canada I want to live in. I'm afraid for their week being now with the threats and false claims that the prime Minister is saying about them. I've been watching the whole thing unfold on countless live videos and they have confirmed that the media and Trudeau are lying. They are pitting the citizens of this country against each other to build allies and it's a gross overreach. I'm extremely invested in this movement emotionally. The government should never have this much power over its people. The hard working, tax paying people that make this country what it is. It's beautiful, but it's gone very downhill rapidly because of our so called leaders.	2/18/2022 12:24 PM

73019	Given hop that we can stand up	2/18/2022 12:24 PM
73020	Amazing! Go truckers go!	2/18/2022 12:24 PM
73021	It hasn't	2/18/2022 12:24 PM
73022	Not at all other than following them	2/18/2022 12:24 PM
73023	It has given me hope, that I live in a free country, where you have the freedom to voice your thoughts to the government. I feel proud to be Canadian, being Canadian means looking out for all Canadians. Everyone had a right to work to feed their families. The government does not have the right to take that away from you. The government does not have the right to tell you which medical procedures you need and to segregate you if you do not comply. This is a free country still.	2/18/2022 12:24 PM

73168	I am so thankful for the trucking convoy that is giving hope and inspiration to our nation! For the first time in 2 years we feel hopeful and the people are speaking up for what is rightfully ours. It's so unthinkable to see their families being affected because they are standing up for our freedom as Canadian Citizens. It has brought our world together in ways that are so amazing because the truckers took the first step to take a chance. We are all people trying to live our best lives and it's time we have that restored to us as a Nation. I see so many good things happening in Ottawa with the peaceful protest. It saddens my heart to see what the government is doing to take their livelihood away from them and their families. We all need and appreciate the truckers that are an integral part of our everyday lives. They are to be commended and appreciated for all that they are doing to stand up for Canadian rights and freedom. They are brave souls that deserve to be recognized for their brave acts of service! It has been a long time coming and the trucking convoy has definitely united us together all across the world. I am grateful for them indeed! Thank you!	2/18/2022 12:21 PM

73259	Hasn't affected me negatively	2/18/2022 12:20 PM
73260	It has given me hope that people are smart enough to understand what is really happening in our government today. Our current government has grossly over reached its powers and boundaries. I believe many people in our government should go to jail for their actions. The brave people who drove to Ottawa to courageously stand and confront our government are our heroes. Many people in Canada will not understand the courageous actions that these men and women have taken on behalf of all of us. I pray that real fundamental long-term change in our government practises happens from this moment forward.	2/18/2022 12:20 PM
73261	It has made me wake up and realize that these truckers are fighting for our freedoms back	2/18/2022 12:20 PM

73273	I support the convoy	2/18/2022 12:20 PM
73274	It's given me hope, the will to live and the realization that government and media are controlled by a globalist agenda that will destroy my retirement and my children's future.	2/18/2022 12:20 PM
73275	For first time in 2 years I feel hope for the future of Canada. I have been seriously contemplating selling my house and contents and relocating in Mexico permanently	2/18/2022 12:20 PM

End the Mandates now! ♥ ♥	2/18/2022 12:19 PM

73317	Gives hope for Canadian unity!!	2/18/2022 12:19 PM
73318	Gave me hope to stop Justin Trudeaus agenda and all mandates!	2/18/2022 12:19 PM
73319	They brought the light, unity, love and hope for the furure with thrust and truth	2/18/2022 12:19 PM
73320	Peaceful truckers are standing up for Canada and our Freedom. Government controlling each person. Tracking us like China. Our rights and freedoms are taken away from good , hard working people and who love Canada . We now have no freedom. We need to get back to what Canada is founded on . Not what Government is trying to make us be. This now is not Freedom . It is hurting children , youth and adults what is happening and more people are dyeing because of loniness and depression. That is not what Canada was founded on . We need people who care, love and bring peace and joy to all. Politions forget that they work for the people and not for themselves. For the Gov. to take money out of peoples bank accounts, maybe the Gov. should have this happen to them to understand how it really feels like. Do they really care about us the people where they get their wages? Or do they really care about themselves and no one else since they have taken office. Trudeau can not even talk to the truckers . He is in an unrealistic world. The trucking convoy has taught most of us and the world to be kind and show love to everyone. Care for people . Everyone needs to feel cared for and loved . Some need just a hug. We all can show some kind of kindness to someone. Even smile , when someone is sad. We all have a lot of learn.	2/18/2022 12:19 PM
73321	It has given me hope that they will be able to end this tyranny	2/18/2022 12:19 PM
73322	It has given me hope, seeing others that are also tired of the mandates. I have had a couple of slow commutes getting stuck in the convoy. Overall it hasn't affected my daily life.	2/18/2022 12:18 PM
73323	They've been pushing to get our lives back.	2/18/2022 12:18 PM
73324	Nothing	2/18/2022 12:18 PM
73325	It brought me hope for change and better days	2/18/2022 12:18 PM
73326	Gives me hope for freedom	2/18/2022 12:18 PM
73327	Given me hope that others too enjoy, want and will fight for OUR FREEDOM!!!	2/18/2022 12:18 PM
73328	It gave me hope at the end of the tunnel	2/18/2022 12:18 PM
73329	It has given me hope for our children's futures.	2/18/2022 12:18 PM

73335	Given me hope	2/18/2022 12:18 PM
73336	It hasn't	2/18/2022 12:18 PM
73337	It's great. Canadians are finally showing his sick and tired their are living in a communistic setting. This is not China. We are suppose to be freer but our leaders want us to be like Venezuela	2/18/2022 12:18 PM
73338	Given me hope that people see through the government's manipulation	2/18/2022 12:18 PM
73339	Up lifting feeling for what Canada charter of right and freedoms is all about . The government has greatly overstepped the boundaries of the charter of right and freedoms	2/18/2022 12:18 PM
73340	Gave me hope	2/18/2022 12:18 PM
73341	Rejected and shamed by peers who think my advocacy for choice that I saw being represented by the mass of Canadians who were out in the streets cheering and waving flag somehow amounted to me passively supporting white supremacy and hate groups. Their refusal to look past that issue has shut down further conversation about my true concerns, which are body sovergnity and medical choice, and amplifying the voices speaking out about vaccine injuries	2/18/2022 12:18 PM

Canadians vote on Canadian Mandate – February 2022

that have been squashed and denied. The convoy's message of freedom of choice aligned with me, but the movement does not represent me and the totality of my values. Speaking in favor of the convoy's messaging got me rejected and denied by peers who are still clinging to the messaging that getting the vaccine means you are taking care of the people around you, and not doing so means you are selfish, and they cannot seem to hear the true stories people are sharing about the harms done by these jabs, the legitimate concerns, the doctors and scientists who are trying to speak out... The convoy initiated conversations. For some, that means that now I know there are a lot more freedom fighters around me who share my concerns who also weren't being heard. For others, that means confrontations were brought to a head and people have decided to stop talking because they cannot accept the other person's view/presumed values. It breaks my heart that communication is shut down before differences can be truly investigated and understood. Being lumped in with the convoy, assumptions are made and communication denied.

73342	Not a all.	2/18/2022 12:18 PM
73343	It gave lots of Canadians hope that somebody out there are so brave to speak for us and speak the truth.	2/18/2022 12:18 PM
73344	It was the best time of my life with the most love and unity and humanity!	2/18/2022 12:18 PM
73345	It's made it better, I finally after 2 years of the crap Trudeau and the government have done to Canadians feel proud to be Canadian. The convoy is about giving our freedom back and following the charter of rights we as Canadians have the right to.	2/18/2022 12:18 PM
73346	It has given me hope and made me feel proud to be Canadian again	2/18/2022 12:18 PM
73347	I shows there are still some great Canadians and great people out there with integrity and enough sense to deal with the corruption consuming the economic World.	2/18/2022 12:18 PM
73348	Made me excited every day to hear how Canadians got backbone and stood up to Trudeau. I get excited talking to friends about how proud and supportive we all are of their protest.	2/18/2022 12:18 PM
73349	The convoy has not affected me. This protest could be easily settled if our PM would sit down with them and listen. Lift the mandates, provinces are doing it!!	2/18/2022 12:18 PM
73350	it has given me hope that there can be an end to this government over reach over the last 2 years .	2/18/2022 12:18 PM
73351	Very proud of what they are trying to do. I don't understand how anybody can not see the good they are achieving. It takes nothing to stand alone, it takes everything to join the crowd. Keep up the good work!	2/18/2022 12:18 PM
73352	Given hope. They are exposing the Tyranny of the corrupt government(s).	2/18/2022 12:18 PM
73353	Made me proud to see all those trucks rolling for my freedom to live. To hear the horns is a beautiful sound, they are talking for each and every one of us. I understand the anxiety it may be causing the local people of Ottawa but when your government won't listen to the people we have to stand up. I have always believed "when we have a problem we take it to the one who can do something about it." In this case it is the Prime Minister of Canada who has chosen to hide rather than lead. He doesn't have to agree but he does owe it to his citizens to let them have a voice and listen. Instead he has called all kinds of names and made all kinds of accusations. When asked questions he has stuttered and stammered and answered nothing other than we need to be vaccinated. In our country we have a Charter of Rights that our Prime Minister is doing his very best to destroy. Freedom of Choice is a God given thing and our current Federal Government has methodically taken that away from us over the last two years. It is time to stand up for what is right and not let the bully's continue. Our Prime Minister should understand "Just because he can doesn't mean he should." Not that long ago he stood up for the Charter of Rights now he is crushing it.	2/18/2022 12:18 PM
73354	It has given me hope for getting our human rights back and makes me feel like part of society again.	2/18/2022 12:18 PM
73355	I have gone to all the rallies and support for truckers. I am with them in heart and soul. I watch the real news about what is going on in Ottawa.	2/18/2022 12:18 PM
73356	Although I couldn't be there, I felt less alone in my thinking by being able to watch, comment and listen on face book.	2/18/2022 12:18 PM

73366	Not at all	2/18/2022 12:18 PM
73367	It gave me hope to see such dedicated folks fighting for our freedoms!	2/18/2022 12:18 PM
73368	It has given me hope that governments will start to listen. We are the silent ones, vaccinated and unvaccinated, that quietly go about our business and have felt unsafe to speak out. They are speaking for so many of us that have not been heard.	2/18/2022 12:18 PM
73369	It has brought back a sense of hope! I am so thankful that someone is finally standing up for the Canadian people!! I feel more unified than ever before with my Canadian brothers and sisters (and I worked closely with the 2010 Vancouver olympics, so this is saying a lot!).	2/18/2022 12:18 PM
73370	It has given me hope back and pride in my country	2/18/2022 12:18 PM
73371	Gave me hope and pride in Canada	2/18/2022 12:17 PM
73372	Gave me hope that restrictions continually imposed on unvaccinated would not continue....I do not qualify for an exemption from vaccine but why make my life so miserable that I cannot work or get access to gluten free food?	2/18/2022 12:17 PM
73373	They've helped fight for our freedoms hopefully soon all the mandates can end	2/18/2022 12:17 PM
73374	It was SO inspiring to stand on the overpass and wave and watch them come by with lights flashing and horns blaring and flags flying. I haven't gotten that emotional about my country since 1995.	2/18/2022 12:17 PM
73375	It hasn't really, go ahead, truckers have my full support! If this brings an end to all this bullshit then I'm all for it!	2/18/2022 12:17 PM
73376	Made me proud to be Canadian again!	2/18/2022 12:17 PM

73383	With hope to regain FREEDOM	2/18/2022 12:17 PM
73384	It has positively affected my life as I have been able to see many people standing up for freedom. The only negative is the traffic blocks, but all protests cause this.	2/18/2022 12:17 PM
73385	i doesnt affect at all. Im thankfull for this guys who deffend her right	2/18/2022 12:17 PM

73400	It's giving me hope.	2/18/2022 12:17 PM
73401	Hope, unity, inspiring	2/18/2022 12:17 PM
73402	For once in two years my spirits were lifted, I felt energized and had a sense of freedom and hope for an undivided care free loving world. They brought together a quality not seen or felt for many years. Trudeau is not a people person, not a leader, cares not about his fellow man. He is vacant, look in his eyes he has sold his soul to radicals that want to eliminate and destroy democracy. He cannot stay in Parliament, he has lowered the moral and standards that all Canadians were proud to be a part of. Until this Convoy started I felt the country was in a state of depression, people committing suicide, asking for death by injection, people in the care home were wanting to die, asking to go for a ride on the bus so they could jump out and kill themselves. People turn to drugs and drinking. Church not allowed, singing prohibited. Seniors thrive on music and interactions that were totally hammered down. Well, I'm off-topic. I love the convoy it is our only hope until the next election, and that is probably not happening either. Dictator Trudeau will say no more elections and the Liberals will lick his feet. The Convoy reminds us we can have unity and love of Country and our fellow man. They gave up so much to represent us all in Ottawa and our government cannot condone a PM to walk out on every confrontation, not address concerns continuously lie, he does not understand truth and integrity. He is a disgrace to that position he holds. Otoole was moved out and so should Trudeau be gone	2/18/2022 12:17 PM
73403	Given me a sense of hope!	2/18/2022 12:17 PM
73404	Not at all	2/18/2022 12:17 PM
73405	It's brought hope and pride back in to my life	2/18/2022 12:17 PM
73406	Yes it has brought hope to us Canadians I feel more patriotic now then over before. FREEDOM	2/18/2022 12:17 PM
73407	Brought hope!	2/18/2022 12:17 PM
73408	Gave us hope and united the country with the world	2/18/2022 12:17 PM
73409	The truckers Convoy has affected my life and so many ways. Thier bravery & strength have given us all hope for humanity. Also a sense of unity we've been lacking for the last 2 years of covid or this so-called pandemic. I think Canada needs these truckers For many reason not just for food and amenities but to hold strong for all of us in these crazy times we live in. I truly believe that they are an answer to prayer. God help them.	2/18/2022 12:17 PM

73428	It has given me hope once again	2/18/2022 12:16 PM
73429	It hasnt	2/18/2022 12:16 PM
73430	It seems to be the only way a voice can finally be heard by the government. The trucking convoy has given me more hope for future Canadians.	2/18/2022 12:16 PM
73431	It has inspired me in a good way, given hope that the ideology of the prime minister can be eradicated	2/18/2022 12:16 PM
73432	We fully support the Freedom Convoy 2022. We have received hate from those that oppose it. Prices are rising. My father and friends lost their jobs as cross border drivers. Several friends took the vaccine against their will after their cross border jobs were threatened.	2/18/2022 12:16 PM
73433	Given me hope; proud that someone has taken the courage to stand up and try to be heard	2/18/2022 12:16 PM

73448	Gave me hope that it would cause the government to awaken to the overreach they've imposed on us all.	2/18/2022 12:16 PM
73449	It has given me hope, that the trauma Ive been facing will end. however now that the PM refuses to see his actions hurt his contituantants, and calls usnasty names rather than meeting with us to build construtive policys, I feel more broken, that even when people like myself try to stand up for freedom and what is right. The PM wont come to his senses, but instead makes the divide greater.	2/18/2022 12:16 PM

73465	Given me hope for Canada	2/18/2022 12:16 PM
73466	The trucking convoy gave me HOPE in the Canadian spirit; that we would stand up for one another peacefully when government oversteps its rule of law. It took courage. My spirit is devastated that the government would not even hear them out or have the dialogue which was requested by the truckers who represent the VOICE OF MANY OTHER CANADIANS. Going directly to an Emergency Act is COMPLETELY UNACCEPTABLE and crushes the hope for	2/18/2022 12:15 PM

73533	It is giving me hope	2/18/2022 12:14 PM
73534	Provided hope for the future. This convoy united millions across Canada, and in the United States. It was the first time in 2 years I've felt hopeful.	2/18/2022 12:14 PM
73535	There have been so many people in support of it. And so many people against it. I feel stretched and sad that the way the convoy has been discussed in the media seems to be dividing Canadians. Pitting one person against the other. It's not right. I agree that Canadians should have the freedom to peacefully protest. I believe that Canadians should have the right to choose for themselves and their families what is best regarding medical decisions, but the media has portrayed some of the people in the convoy as radical extremist racists, so I feen torn because I wouldn't want to associate myself with that kind of group, Yet I read and hear from people who've actually gone to the protests and it seems like the majority of the people protesting are caring for each other, trying to keep the city of Ottawa tidy, trying to protect the monuments from extremists, genuinely apologetic to community members for any trouble their presence is causing them and generally just being good citizens trying to fight for the freedoms for all Canadians so I want to support that! It's more of an internal struggle for me. But it's on my mind daily. And has led to challenging conversations and some division within our community. Although I don't blame the truckers for that, but more the media and the government for how the situation is being handled.	2/18/2022 12:14 PM
73536	given me hope	2/18/2022 12:14 PM
73537	It has made me proud to see how We as Canadians can come together	2/18/2022 12:14 PM
73538	Not bad	2/18/2022 12:14 PM
73539	Uplifting	2/18/2022 12:14 PM
73540	It has not. The government shutdowns the last two years has done way more to affect my life than the convoy, the convoy has brought hope that the mandates will be ended.	2/18/2022 12:14 PM
73541	It is taking up a lot of my time keeping up with them. Feeling like they are doing a good thing. Makes me proud to be a Canadian. Feel like we are doing something. The whole world is behind this. FREEDOM. Need Trudeau gone. He is a dictator. He wants communism. Our country will be lost. We need him out! And in jail for all he has done. Crimes against humanity!	2/18/2022 12:14 PM

73543	No	2/18/2022 12:14 PM
73544	It has given us hope for freedom. It had united people all across the country and world.	2/18/2022 12:14 PM
73545	It has brought me hope and encouragement	2/18/2022 12:14 PM
73546	Made me proud to be Canadian again!!	2/18/2022 12:14 PM
73547	It hasn't really Unless them being there is partially the reason for my grocery store being empty or low on stock. Then that's the only thing however then I think what they are doing outweighs the temporary shortages for more freedoms!	2/18/2022 12:14 PM
73548	Not sure	2/18/2022 12:14 PM
73549	They make me Proud	2/18/2022 12:14 PM

73555	I support the trucks!!!	2/18/2022 12:14 PM
73556	It's given me hope that I'm not alone and that Canadians and lots of people worldwide want all the mandates to end and for those responsible to answer for what they have done to the human race.	2/18/2022 12:14 PM
73557	We take part in the local convoys because we can't get to Ottawa. It felt great to be a part of the right side of history. I cried tears of joy just seeing people's faces and smiles. It felt like looking my abuser right in the face! I felt strong within again to fight for a free life!	2/18/2022 12:14 PM
73558	Our freedom and charter of rights has been over reached by the government	2/18/2022 12:14 PM

73560	Given me hope	2/18/2022 12:14 PM
73561	Given me hope and pride in what grassroot Canadians can do when we work together. They were our heroes all through the "pandemic ". Now they're zeros because they are standing up for our rights and freedoms.	2/18/2022 12:14 PM
73562	it gave me hope that there were people willing to stand up to the ridiculous mandates. The BC mandates are particularly crazy. I totally support the truckers	2/18/2022 12:14 PM
73563	Gave me so much hope. Bless their hearts	2/18/2022 12:14 PM
73564	Smile more, people talking to eachother. Bonding with other humans. Experiencing Peace and harmony in Canada and around the world. Humanity!!!	2/18/2022 12:14 PM

73566	It has not directly affected me. And I am happy to see people question the actions of our government and disappointed in how the media has been spinning this whole thing.	2/18/2022 12:13 PM

73573	yes...appreciate their love for the country	2/18/2022 12:13 PM
73574	Nothing	2/18/2022 12:13 PM
73575	I support the Truckers Convoy which is peaceful and standing up for our Freedom by stopping the mandates. All it would take from the govt now to ease this situation is to lift the mandates/passports. The situation in Ottawa has been created by Trudeau and his government by not having a dialogue with the peaceful truckers who want to be heard.	2/18/2022 12:13 PM
73576	It didn't	2/18/2022 12:13 PM
73577	It has not	2/18/2022 12:13 PM

73581	Give me hope things would change for the better, we didn't meet criteria for state of emergency	2/18/2022 12:13 PM
73582	Has not affected me. I stand with the truckers. the government is over reaching far over reaching.	2/18/2022 12:13 PM
73583	I am so grateful to them. They are fighting not just for their freedom, but for the freedom of all Canadians. We just spent 24 hours with them in Ottawa and saw how peaceful, loving and helpful they all are. They have affected the entire world...wow!	2/18/2022 12:13 PM
73584	It's given me hope	2/18/2022 12:13 PM
73585	It has given me hope, it has given my family hope. I fear for the safety of Canadians who are participating and have been peacefully representing Canada. If that isn't a scary situation - then I don't know what is	2/18/2022 12:13 PM
73586	Gave me hope	2/18/2022 12:13 PM
73587	It gave me a reason to hope that the government would listen to differing perspectives and be willing to dialogue. (As they have in the past with issues more aligned with their ideologies). The convoy as it drove through the Provinces is the most unifying event I have witnessed from afar. The media and government however through awful reporting have increased our wariness of government and their aims of increasing controls they seem appropriate over the lives of citizens and their finances. The government has shamed and blamed rather than listening and reflecting on their own reactions and how they could have dialogued in the first place.	2/18/2022 12:13 PM
73588	Giving me and my family hope. United our community. Let us know we are not alone	2/18/2022 12:13 PM

73591	Gave me hope	2/18/2022 12:13 PM
73592	I am in full support	2/18/2022 12:13 PM
73593	It hasn't, it has been an encouragement to me to see them standing up to government. The truckers losing their job will affect me way more with the trucker shortage already. We are small business owners and the overreach of the government is unacceptable.	2/18/2022 12:13 PM
73594	Positively	2/18/2022 12:13 PM

73600	I'm smiling again. I feel hope is rising to get the truth out and life back to the way it should be.	2/18/2022 12:13 PM
73601	I am dismayed that the government did not even speak to the representatives of the trucking convoy. This convoy included a well respected past premier who was a signatory on the Charter of Freedoms and Rights. It has been disturbing to watch the government invoke the Emergencies Act when there may have been other ways to resolve this protest. It has affected my emotional well-being and I have concerns about the future of Canada.	2/18/2022 12:13 PM
73602	It has given me hope. Hope for this country and hope for humanity.	2/18/2022 12:13 PM
73603	It's given me hope. Pride in our country again. It has shown me just how amazing Canadians truly are. Love and kindness and an entire world uniting and standing together for whats right...that's the reality of this convoy.	2/18/2022 12:13 PM

peaceful presence. I wish I could do more to support them. May the LORD bless them all. All of Canada should support them and cheer them on.

73615	positively, it has giving me hope. i was ashamed to be a canadian before the truckers convoy stood up for all of our rights	2/18/2022 12:13 PM
73616	Hope for once! Smiling everyday and everytime I hear about them. They are so strong and brave, I wish I lived closer	2/18/2022 12:12 PM
73617	Life in general	2/18/2022 12:12 PM
73618	I have spent many hours researching the truth from the false. I have learned how our media is corrupt along with mamany in govt. Positions of authority. Social media has a great deal of definite corruption and you have to sift out the bad from the truth..Many in out country and ----- worldwide have been decived and we are on the Brink of the greatest evil that we have ever seen . I pray for deliverance of this evil.	2/18/2022 12:12 PM

73627	They stood up for rights and freedom.	2/18/2022 12:12 PM
73628	It has been awesome to see Canadians come together and reject these tyrants. I hope they stay there for as long as it takes to undo everything Trudeau and his team of cronies have put in place	2/18/2022 12:12 PM
73629	It gives me hope....only to be crushed by Justin Trudeau	2/18/2022 12:12 PM
73630	It's given me hope for the future Finally we have hope	2/18/2022 12:12 PM
73631	The convoy has a positive affect on my life....I am not alone, I'm not as scared. I put as in there because the pm continued to belittle and name call so i still feel unsafe.	2/18/2022 12:12 PM
73632	It has given me hope and a stinger love for my fellow Canadians. It has also made me more aware than I already was that the mainstream media and our current government are very untruthful and devicive	2/18/2022 12:12 PM

73637	Positive! Brought awareness	2/18/2022 12:12 PM
73638	It gives me hope for our children, grandchildren and all Canadian's future. They are God's warriors here on earth, and our Sent Angel's. Thank God and God Bless all the truckers and Canadians who are stepping up to take back our freedom from this tyrannical government.	2/18/2022 12:12 PM
73639	I started to feel that I was a person again I was feeling happy again. Seeing people hug each other love each other made me feel so happy going to see my family and friends again I felt that not being able to see my friends and family I felt like I was in jail very depressing	2/18/2022 12:12 PM

73646	Not one iota.	2/18/2022 12:12 PM
73647	This is very cathartic in many ways and gave a glimmer of hope to many of us. It has clearly destroyed the media over reach and for the first time made us see the will of the majority. In a word Fantastic! There is so much good say about about the truckers who maybe considered the savior of many	2/18/2022 12:12 PM

73663	I glad that trucking convoy went to Ottawa to protest but in British Columbia rules of mandate did not change yet and it did not help and change my situation of living yet. 73667	Hope! Knowledge that I am Surrounded by Canadians that are like minded. The fringe minority is filled with beautiful people.	2/18/2022 12:12 PM
73668	It has given me hope. Watching the live streams of a peaceful protest has given me the first hope I've had in 2 years. For the first time in years as a hardworking law abiding tax paying 4th generation Canadian, I am proud to see people regardless of bodily choice , colour, race, culture, political party affiliation, or job come together... unify as one to fight for freedom. Watching the govt and it's minions take down a peaceful protest and use the legacy media to spin their lies and narrative revolts me. To all who support the governments actions, you will have to answer for your actions... now or at the end of your life when you have to face your creator.	2/18/2022 12:12 PM

73680	It hasn't	2/18/2022 12:11 PM
73681	it has given me time to realize how important our civil liberties are a must not to be crossed, that the right to protest should never be taken away from us and made me realize how our leader PM Trudeau has failed by not even taken the time to give us an opportunity to listen/meet/discuss/reason....but instead continually insulted us with being labeled as racists, misogynistic people, terrorists, tin foil hats and that they take some space and should we tolerate them 😊	2/18/2022 12:11 PM
73682	In the best way... they gave me hope !	2/18/2022 12:11 PM

73701	I feel that Canadians should be able to peacefully protest, but not to the extent that it limits what all Canadians want	2/18/2022 12:11 PM
73702	I see light at the end of this tunnel. A new found hope and pride in my country. A sense of community and not feeling so alone.	2/18/2022 12:11 PM
73703	Not mine really as I live in the middle of northwest bc	2/18/2022 12:11 PM
73704	It has given me hope and made me realize there are so many more people in this country (and world) that feel the way I do. I know I'm not alone	2/18/2022 12:11 PM
73705	Freedom it gives me hope a future of freedoms from government ruling	2/18/2022 12:11 PM
73706	I feel hope again and faith in these truckers to stand for all Canadians Charter of Rights. They will not back down or run away like Trudeau is.	2/18/2022 12:11 PM
73707	Hope	2/18/2022 12:11 PM
73708	It hasn't.	2/18/2022 12:11 PM
73709	It has given me hope that the mandates will end. It has been amazing to watch the unity and love and peaceful protesting that has happened from coast to coast from people from every walk of life who all want the charter of rights to be observed and all Canadians to be treated with dignity and respect regardless of their medical choices.	2/18/2022 12:11 PM
73710	Hope	2/18/2022 12:11 PM
73711	The truckers have given me some hope that this could end and we could get our freedoms back. Go back to life as it was	2/18/2022 12:11 PM

73717	Stressful fearing for them and their families	2/18/2022 12:11 PM
73718	Not being able to visit family or go to events. Depressed because of damage done to children.	2/18/2022 12:11 PM
73719	Gives me hope for Canadians	2/18/2022 12:11 PM
73720	It shows me that I am not the only Canadian who feels this way.	2/18/2022 12:11 PM
73721	Smiles	2/18/2022 12:11 PM
73722	It has made me more patriotic, more freedom loving and more committed to help others in our country, it has made me very sceptical of our government in every level especially the government of Canada and the elected officials who are kowtowing to Justin Trudeau's insanity. I am very disappointed at the ignorance and sheep like behaviour of the parliamentarians	2/18/2022 12:11 PM
73723	Although I don't agree with the confederate flags being flown, I felt proud of people in my country for the first time in a long time. Covid, the mandates, politicians, the media, all had people very divided and turning against each other. This Convoy showed a large group coming together, peacefully, to stand up for everyone that disagrees with forced vaccines. Personal health should always be a choice, not mandated. I chose to get vaccinated, it was just that, a choice I made for myself. If others choose not to get vaccinated they should still be allowed the same freedoms as everyone else. To work, to live, to go to the store, sporting events, concerts, and their favourite restaurants. Freedom for all Canadian as equals!	2/18/2022 12:11 PM
73724	Made me feel proud to be cdn again Nice to see people standing up for rights and freedoms and choice	2/18/2022 12:11 PM

73730	It has given me great hope in Canadians, that there are those among us with courage and conviction to stand for what is right. I am very proud of them for exercising their democratic right to peacefully demonstrate. I have been to downtown Ottawa to see for myself. I cannot recall ever being so proud to be Canadian as I was that first visit. I cannot express the joy I have felt. I am extremely disappointed in the government and media response.	2/18/2022 12:10 PM
73731	Gave me renewed hope	2/18/2022 12:10 PM
73732	It hasn't. I went and it was the most peaceful, loving protest ever.	2/18/2022 12:10 PM
73733	Made me embarrassed to be Canadian; made me miss my flight; late for work; prevented me from getting to a medical appointment I waited for for almost two years - yeah it affected me greatly.	2/18/2022 12:10 PM
73734	The convoy has made me even more driven to find the truth about Covid and has also made me a more patriotic Canadian	2/18/2022 12:10 PM
73735	It gave me hope	2/18/2022 12:10 PM
73736	Brought hope and a generosity of spirit from person to person. People, neighbours, friends are no longer afraid to express their beliefs amongst others who support this peaceful movement. Individuals are helping and supporting one another as they should...physically, emotionally and spiritually.	2/18/2022 12:10 PM
73737	It had give me hope that we can come together again as a democratic country. Accepting of each other's opinions and beliefs.	2/18/2022 12:10 PM

73753	It has given me hope that ppl are finally standing up for our freedoms which have been taken away.	2/18/2022 12:10 PM
73754	The trucking conoy has brought attention to the extreme COVID measures that the government has enforced. The lack of risk /benefit analysis of the measure and had extremely negative effect on many peoples lives. Especially mental health.	2/18/2022 12:10 PM
73755	It has uplifted me, out of my depression, given me hope in the future, given me a purpose and a feeling of support and unity with other Canadians. It brings me to tears, good tears, almost daily. We want our country back, we want our freedoms back, we want the globalists to be arrested and removed from ever doing this again.	2/18/2022 12:10 PM
73756	The convoy has given me a bit of hope for the future of our beautiful Country. Standing in unity to support freedom on many levels.	2/18/2022 12:10 PM

73763	Gave me hope for the first time in 2 years	2/18/2022 12:10 PM
73764	Hope	2/18/2022 12:10 PM
73765	The truckers in the convoy have given us all hope, hope that we can make a difference in what's been happening over the last two years. They've given hope across Canada and across the world and have done so very peacefully	2/18/2022 12:10 PM
73766	In a very positive way. They have brought hope and joy back to this country along with unity. I finally recognize my country again	2/18/2022 12:10 PM
73767	I went and attended. It was peaceful nothing but love and happiness. Media was not sharing accurate information. I do feel for downtown residents because of the noise; however I do still support it something had to be done.	2/18/2022 12:10 PM

73817	It's good to see a country coming together to make change happen and to show the gov't this is a country for the people not to be controlled by 1 but by the people of the country. I'm ashamed to be preyed upon by a dictator in Justin Trudeau and ashamed of Canadian government..Disgusting, shameful, and embarrassment to the other nations watching this whole debacle unfold. 73840	I was shocked to hear the PM issue his bigoted statements about the trucker convoy (racist, mysogonist, extremist, anti-science) so I took it upon myself to fly to Ottawa to observe the first 2 days of the protest. What I saw was incredible. I spoke with and connected with hundreds of Canadians from all ethnicities and backgrounds. It was peaceful, unifying and loving and was nothing like what the PM has continued to perpetuate. As a Western Canadian, I left Ottawa feeling the more connected to Indigenous and French Canadians than I ever have before. I am very concerned for the direction of Canada under this PM's government.	2/18/2022 12:08 PM
73841	Made me proud to be a Canadian.	2/18/2022 12:08 PM

73848	It has given my hope back. I fully support it	2/18/2022 12:08 PM
73849	Affected me with tears of joy to see all ages and races come together with flags and cheers and gratitude for the truckers and there families. I felt so encouraged and hopeful that there were so many Canadians wanting to help each other out of love and justice with integrity. The signs some children were holding saying please no vax for me or leave our children alone from the vax were extremely emotionally overwhelming heartbreaking honestly. Thank you for this opportunity to express myself.	2/18/2022 12:08 PM
73850	It hasn't but I believe in what they are doing.	2/18/2022 12:08 PM

Canadians vote on Canadian Mandate - February 2022

Answer to question 9) The Canadian truckers are the GOOD PEOPLE, hardworking, solid Canadians who are 'salt of the earth', generous 'shirt off your back' fellow citizens. They were unjustly demonized and slandered by Justin Trudeau and accomplices, the media whores, etc) - theirs is a PEACEFUL protest, they are exercising their right to voice their objection to the (unlawful tyrannical) mandates. This is a JUST CAUSE, this gave hope to people all around the world that still could think for themselves (not under the Mass Formation psychosis gripping a sizeable portion of the population due to the mass social engineering going on) The trucking convoy is like the Allied Troops rescuing Nazi-occupied countries during WW2, it generated similar protest actions in many countries. Our Canadian flag is a symbol of that MASS NON-COMPLIANCE MESSAGE to the POWERS THAT (SHOULDN'T) BE. It is a clear Enough is Enough cry to our abject leadership. Let the truth-telling scientists speak without censuring them; let ethical Doctors who still have integrity and faithfully apply their Hippocratic oath do their clinical work unimpeded by captured Medical Boards, etc - Let the Doctors be Doctors and provide prophylactic and early treatment options to patients (see protocols developed by FLCCC.net, Dr Zev Zelenko, Dr Peter McCullough, Frontline American Doctors etc.

73853	It has given me back the pride I once had in my country. It has restored my hope and god willing, restored my freedom	2/18/2022 12:08 PM
73854	It has not	2/18/2022 12:08 PM
73855	Respect for us Canadians and fighting back against a tyrannical forming government	2/18/2022 12:08 PM
73856	Made realize that we still have wonderful people out there that believe in Canada. Thank you to the truckers for waking up the population as to what our government is capable of .	2/18/2022 12:08 PM
73857	No impact on my life really, except I fully support them.	2/18/2022 12:08 PM
73858	Brought hope and unification	2/18/2022 12:08 PM
73859	It has not affected my life nor anyone, they are simply fighting for the worlds freedom	2/18/2022 12:08 PM
73860	The feeling of love, freedom, and awareness of my rights to live free of a tyrannical government	2/18/2022 12:08 PM
73861	It has restored my faith in the charter of rights	2/18/2022 12:08 PM
73862	They gave me hope, I have zero trust in the government	2/18/2022 12:08 PM
73863	The trucker convoy has given me hope and moments of joy. Their actions have brought a great feeling of National pride, that which I have never experienced before. I have been moved to tears of joy multiple times.	2/18/2022 12:08 PM
73864	I'm excited, supportive of men and women who dare to express their desire for freedom. for about two years we have had oppressive restrictions, businesses have been closed, access to facilities , friends and family has been interfered with, in comparison the effect of the convoy is minimal. it has created hope, excitement and faith in the normalcy of mankind. there is hope!	2/18/2022 12:08 PM
73865	It has given me hope and made me feel the brotherhood with my fellow Canadians.	2/18/2022 12:08 PM
73866	Not at all	2/18/2022 12:08 PM

73868	It hasn't	2/18/2022 12:08 PM
73869	If I could walk I would be in Ottawa in a truck	2/18/2022 12:08 PM
73870	It has helped open my eyes to the tyrannical government and medical mandates. My prayer for Canada and the nations against government and medical tyranny is now without ceasing. I pray for all those in authority, there be a holy reverential fear of God and that righteousness and justice with reign so people can live quiet peaceable lives in all Godliness. May God forgive the PM, presidents, Kings/Queens and leaders in authority for making mandated and inacting acts and rules against the freedoms and rights of citizens	2/18/2022 12:08 PM
73871	Ray of hope	2/18/2022 12:08 PM
73872	Given me hope	2/18/2022 12:08 PM
73873	It has given me hope	2/18/2022 12:08 PM

Canadians vote on Canadian Mandate - February 2022

73874	Gave hope when there has been so much despair. Regained patriotic feeling that has been lost the past 2 years.	2/18/2022 12:08 PM
73875	I appreciate what they've done on behalf of Canadians and others.	2/18/2022 12:08 PM
73876	It has given me hope that there is a light at the end of the tunnel and an end to these restrictive overbearing mandates	2/18/2022 12:08 PM
73877	It has honestly given me more hope, trust, and faith in my fellow Canadians. In the sense that I am not one of the rare people that are tired of the injustice going on in Canadian parliament/politics.	2/18/2022 12:08 PM
73878	Positive impact that people are taking a stand for our rights and freedoms including bodily autonomy. 2 years of this is too much.	2/18/2022 12:08 PM
73879	It has given me hope in the first time in two years except living in BC, the NDP and Dr Bonnie Henry continue to keep the unvaxxed isolated. Now the convoy is getting arrested. Trudeau did nothing when railways were shut down for 6 weeks. Hypocrite.	2/18/2022 12:08 PM
73880	I am 100% behind the trucking convoy. They Are STRONG & BRAVE & Hopefully we can have a FREE CANADA again	2/18/2022 12:08 PM
73881	It hasn't	2/18/2022 12:08 PM
73882	I feel inspired and motivated to contribute to a better , united, free Canada. The footage from normal people who go to the protest is uplifting and full of love . I want to do more for my country , and I pray for the convoy to complete the task for all Canadians of getting mandates dropped	2/18/2022 12:08 PM
73883	Given me hope and faith in humanity	2/18/2022 12:07 PM
73884	It's gave me hope, I just hope it was not for nothing. Now with the War Act in effect, I'm extremely on edge and stressed I don't trust the news or the government and feel our freedoms are forcefully being taken away. I'm terrified for our future and fear the future for our people. But it's good to see the truth is coming out now!	2/18/2022 12:07 PM
73885	Hope!!!	2/18/2022 12:07 PM

73893	Its opened my eyes how corrupt the media is and who they work for	2/18/2022 12:07 PM
73894	It has given me hope that there might be a fix available Trudeau has turned Canada into a bankrupt and hate filled communist country	2/18/2022 12:07 PM
73895	Gave us hope that things might change	2/18/2022 12:07 PM

73897	Amazing! Brings hope so much love and peace. Our fights for freedoms! End this agenda and control that they are using covid as a scapegoat for. Enough is enough!	2/18/2022 12:07 PM
73898	No direct impact although I support their decision to take a stand	2/18/2022 12:07 PM

Canadians vote on Canadian Mandate – February 2022

73901	It has given me hope and also exposed how Trudeau is the worst by his refusal to talk to them and his lies about them and using power to overreach and hurt peaceful demonstrators instead of see the insanity behind the his own actions	2/18/2022 12:07 PM
73902	Gives me some hope of things getting better	2/18/2022 12:07 PM

73906	Inspired confidence and hope for the Canadian people	2/18/2022 12:07 PM
73907	Giving Voice to my concerns	2/18/2022 12:07 PM
73908	They have brought tremendous joy and unity back.!! They stand for the freedoms that most ignorant Canadians are giving up without a thought of a future for themselves or their children. They deserve a lot more respect and we all deserve a government who will listen and serve its people and not his own agenda.	2/18/2022 12:07 PM
73909	Makes me happy and glad people are taking a stand against evil Liberal dictators and staff.	2/18/2022 12:07 PM
73910	Made me proud to be a Canadian. Their love, spirit, calm, loyalty, and integrity have inspired me. I am sad and disappointed that the main stream media is telling the public lies about the truckers making them out to be the bad when they are wonderful. They are in Ottawa to help all Canadians get their freedoms back. Our Prime Minister has caused unforgivable harm and division with his radical rants about race, lgbtq, cancel culture and anti vaxed	2/18/2022 12:07 PM
73911	Other than affecting the supply chain a little bit. I fully support the trucker convoy and how they are standing up for the rest of Canadians	2/18/2022 12:07 PM
73912	Brought joy to us . Thank God someone pushed back	2/18/2022 12:07 PM

73921	They are the only positive sign of home. The politicians are an embarrassment to their profession. They police and army should stand down.... they are not bullies for Trudeau	2/18/2022 12:07 PM
73922	It brought back some pride in Canada that was lost	2/18/2022 12:07 PM
73923	It hasn't. I've loved seeing the unity and the live videos that are being shared show a good respectful time. However, I do feel bad for the residents having to hear horns or anyone being blocked from their livelihood	2/18/2022 12:07 PM

Canadians vote on Canadian Mandate - February 2022

73929	Hopefully in a good way.	2/18/2022 12:07 PM
73930	Inspirational, giving hope and exposing the Corruption of All levels of Government in Canada, as well as the Corruption in the RCMP.....	2/18/2022 12:06 PM
73931	It's started to give us back our freedom and I thank them for it	2/18/2022 12:06 PM
73932	A glimmer of hope	2/18/2022 12:06 PM
73933	None at all	2/18/2022 12:06 PM
73934	It has exposed me to a colossal group of braindead morons I wish I never knew existed. They should go home.	2/18/2022 12:06 PM
73935	I am beyond grateful to all beings who are protesting the mandates in person. You are asking for the truth to be heard. You are not giving up until it is and we are in your debt. Thank you. Mr. Trudeau has failed this country.	2/18/2022 12:06 PM
73936	They are sticking up for our freedom of rights that they are trying to strip us of	2/18/2022 12:06 PM
73937	Gives hope	2/18/2022 12:06 PM
73938	Gave me hope	2/18/2022 12:06 PM
73939	The trucking convoy has brought me much needed hope, and positivity after 2+ years of having fear and negativity forced down our throats through the health experts and the legacy media. No one has stepped up to end the madness and insanity that these mandates and restrictions have caused. And no science has been provided by any of the government appointed health experts to show that the benefits of these mandates outweigh the damage that they have done. The doctors with the convoy have provide their science in clear and factual points. Maybe the government should have the courtesy to do the same. Other countries are ending the restrictions and mandates. I hope the convoy stays put till all restrictions and mandates are ended permanently! I just hope our PM is capable of providing a peaceful end to this peaceful protest. His actions so far are not very promising.	2/18/2022 12:06 PM
73940	It has given me hope and pride in my fellow Canadians	2/18/2022 12:06 PM
73941	I finally feel hope. I have seen only hard working grass roots people taking part and those who have had enough of these restrictions lockdowns mandates..we can no longer see family..go to the hospitals to visit or nursing homes..it is pure evil what has been done to the people	2/18/2022 12:06 PM
73942	Watch it everyday	2/18/2022 12:06 PM

73952	It hasn't. It has been peaceful and full of love.	2/18/2022 12:06 PM
73953	By creating a sense of hope and pride in Canadian resiliency.	2/18/2022 12:06 PM
73954	Gives me hope. Reason to live.	2/18/2022 12:06 PM

73986	We support them, welcomed them with our signs and flags from an overpass as they drove through on their way to Ottawa. So incredibly grateful they made this massive gesture to support the Charter of Rights and Freedoms!	2/18/2022 12:05 PM
73987	Gives me hope to have unity and freedom again.	2/18/2022 12:05 PM

73999	Gives hope	2/18/2022 12:05 PM
74000	They gave me hope at a time I did not have any. I was at a point where I wanted to end my life. I thought the government and health departments would mandate the vaccine and force vaccinate me which constitutes medical rape. As a victim of sexual assault as a child, and being threatened by the perpetrator, the feelings of coercion gripped me. Telling people all will go back to normal or dangling money or donuts for a medicine is not informed consent. Forcing a vaccine to be able to work is not consent. It's medical rape. I am for people who stand up against wrongdoers. For those who stand up to dictatorships. For those who stand up for informed consent. For those who stand up for a better future for their children. For my body, my choice. No one has the right to mandate what goes into MY God-given body. That's what the truckers are fighting for.	2/18/2022 12:05 PM
74001	Gave me hope I maybe able to go back to my home country where my family and friends are.	2/18/2022 12:05 PM

74005	They make me proud to be Canadian for real this time.. I know this is a going to put the pressure that is necessary to wake people up not only here in Canada but World wide... These guys are real everyday heros ... Probably my stockup family and friends will not agree but its their freedom of choice i guess i still like them even if they think im a goon	2/18/2022 12:05 PM
74006	Not at all	2/18/2022 12:05 PM
74007	More militant reactions by government	2/18/2022 12:05 PM
74008	There is hope that mandates will end and we will be free to travel or interact with others without fear. It seems to have sparked our opposition government to fight for us finally. That is what gives me the most hope.	2/18/2022 12:05 PM

74012	Glad to see that they are standing up for the rights of Canadians.	2/18/2022 12:05 PM
74013	Was all for it (still am), but feel pound has been made and don't want to see them lose their livelihood any more with the new measures	2/18/2022 12:05 PM

Canadians vote on Canadian Mandate - February 2022

74014	Gave me hope and a renewed spirit for this country and all of Canadians and future generations.	2/18/2022 12:05 PM
74015	It's inspired us to unite against a trannical government over reach of power	2/18/2022 12:05 PM

74017	make me happy that someone is doing something to end the government's stupidity	2/18/2022 12:05 PM
74018	The freedom convoy has given every one in Canada (and other countries) a hope, and a voice. It is helping people realize that the Canadian government is over-reaching, and tyrannical. Freedom for Canada !	2/18/2022 12:05 PM
74019	It has been amazing to see people coming together. That's the Canada we need to get back to. The convoy forced many of our Premiers to take action in the right direction.	2/18/2022 12:05 PM
74020	Given hope	2/18/2022 12:05 PM

74024	Haven't affected me yet. Still waiting for the prime minister to come Outside and talk with them.	2/18/2022 12:04 PM
74025	I feel there is hope,proud to be Canadian again,feel heard and supported that I am not alone in the frustration and disgust with these mandates and governments. Grateful to them for sacrificing their finances and time to stand for what so many of us feel is right. They are heros of Canada and champions for freedom,truth and individual choice.	2/18/2022 12:04 PM
74026	At first, hope that there could be unity amongst Vax and unvax people in the freedom we hold. The mandates are what divides, making one feel superior to the other. They are health choices. The government reaction to the convoy has caused me to loose all faith in the Prime Minister and those who support him in parliament. I am proud of the peaceful protestors who stand today (Feb 18th) to represent us who want freedom even though right now police are arresting them one by one. I am a Vax passport holder. But the peaceful protestors and truckers in Ottawa are heroes.	2/18/2022 12:04 PM
74027	Made me have hope again	2/18/2022 12:04 PM
74028	It has renewed my love for country and patriotism	2/18/2022 12:04 PM
74029	It has provided hope that things will finally end and enabled me to see the truth of how many people agree with my view.	2/18/2022 12:04 PM
74030	It has gave me hope for change and has made me proud that so many people are standing up for the theirs and citizens rights.	2/18/2022 12:04 PM
74031	Gives hope, increased Canadian pride.	2/18/2022 12:04 PM
74032	I am here participating. It has given me hope that this bad situation will end the mandates	2/18/2022 12:04 PM
74033	Gave me hope	2/18/2022 12:04 PM
74034	The Trucker Convoy has given aloy of hope and has opened up alot of eyes to the truth and how corrupt our government is they have brought unity peace and love to our country and the world . 74041	The convoy has gave me hope for restoring our freedoms	2/18/2022 12:04 PM
74042	They have brought hope and peace and unity back to Canada.	2/18/2022 12:04 PM
74043	It has given me hope, and a reassurance in Canadians as a whole.	2/18/2022 12:04 PM
74044	no	2/18/2022 12:04 PM

74047	Given me hope	2/18/2022 12:04 PM
74048	It has brought hope and pride back. It has also shown the weakness of our prime minister and his policies	2/18/2022 12:04 PM
74049	Provided hope that the masses are waking up and that freedoms might have a chance of being restored	2/18/2022 12:04 PM
74050	Gave me hope. Otherwise no disturbance. It is important for us to have our rights to choose and be free from government interference. They should be working for us not tightening their grip on us. This is still a democracy. That's why we were one of the best places in the world to live. Were.	2/18/2022 12:04 PM
74051	Also in every way possible	2/18/2022 12:04 PM
74052	SUPPORTING THE CONVOY FOR OUR FREEDOM	2/18/2022 12:04 PM
74053	The convoy itself is not affecting my life presently. What is affecting my life negatively around the convoy is the stress that is being caused by an incompetent PM who is set on dividing the country further by not speaking to the protestors and coming to an agreement with them. He is treating them wrongly in pursuit of control, and could have ended this protest 2 weeks ago.	2/18/2022 12:04 PM
74054	It has brought hope that I am not the only one who sees through the bullshit. This is a global movement and JT has already lost.	2/18/2022 12:04 PM
74055	They have provided hope. So grateful to them.	2/18/2022 12:04 PM
74056	The convoy has instituted a global sense of solidarity. Even Canadians can hit their breaking point whereas we have been known as the most peaceful nation. Even in these times of pushing back on the removal of our Canadian Rights and Freedoms, the convoy has maintained its mission to do so in a peaceful manner.	2/18/2022 12:04 PM
74057	It brought me joy to learn SOME ONE was going to do something to change what's wrong here! I cried as I drove with them. I felt like love was going to win!	2/18/2022 12:04 PM
74058	Given new pride in my Heart for Canada	2/18/2022 12:04 PM
74059	Gave hope of change. Thankful for peaceful protest. Truckers sacrificed alot on my behalf.	2/18/2022 12:04 PM
74060	For the first time in these 2 years I felt HOPE I was so excited and grateful for these brave people to step up for themselves and..me. I was in Ottawa, I saw how they live..I wouldn't last three days in these conditions and brutally low temperatures!!! And all the people that come there,the atmosphere of Oneness is beautiful! I'm so grateful for them	2/18/2022 12:04 PM
74061	It open our eyes to the corruption in this government	2/18/2022 12:04 PM
74062	It brings hope that one day soon restrictions will be ended and I can go back to living my life freely to make choices that I choose not those that have been chosen for me	2/18/2022 12:04 PM
74063	It's given us hope, something to cheer for and to watch. Trudeau hasn't given us anything to cheer for in a long time, but these truckers have!!	2/18/2022 12:04 PM
74064	They have given me hope for the future, and am proud of Canadian citizens for standing up to dictatorship	2/18/2022 12:04 PM
74065	It hasn't affected my life in any way shape or form	2/18/2022 12:04 PM
74066	Positively	2/18/2022 12:04 PM

74070	I feel hope since they started	2/18/2022 12:04 PM
74071	Only to make me again proud to be a Canadian!!!	2/18/2022 12:04 PM
74072	Help to remove mandate	2/18/2022 12:03 PM
74073	Very positive to see the convoy stand for the country's freedom	2/18/2022 12:03 PM
74074	Given me hope and pride in being a Canadian again. I have been waiting for the Canadian people to become united for a long time and I am proud of how they continue to have a peaceful protest despite the lies in the media. The trucking convoy had brought happiness into my life again.	2/18/2022 12:03 PM
74075	It has given hope to a country who had none	2/18/2022 12:03 PM
74076	It shows that as Canadians we still have a backbone and the freedom my grandfather (in WW1) and my father in (WW2) was not in vain.	2/18/2022 12:03 PM
74077	It gave me hope that someone out there is sticking out for our human rights. This government has acted like a racist dictatorial regime. End all mandates now!!	2/18/2022 12:03 PM
74078	Given hope and pride in being a Canadian	2/18/2022 12:03 PM
74079	It has united our country and given me hope.	2/18/2022 12:03 PM
74080	Restored hope!!!	2/18/2022 12:03 PM
74081	The checking convoy has given me hope for a future. The government response to it has given me fear of my future	2/18/2022 12:03 PM
74082	It is giving me a strong sign of relief and how corrupt the government's are and Mainstream media is	2/18/2022 12:03 PM
74083	It is good to see people stand up for our rights. Which are being violated!!!	2/18/2022 12:03 PM
74084	Given me hope for the future	2/18/2022 12:03 PM
74085	It hasn't! I'm very disappointed in how the government is ignoring their rights to protest! I'm disappointed in the way they've been treated. The government hasn't acknowledged their requests. It makes me sad that people are getting arrested for speak up. Those people are representing the voices of Canadians and those voices are being ignored. The media hasn't shown any of the good things they have done, only the negative. I've lost trust in the media and liberal government.	2/18/2022 12:03 PM
74086	It has brought back together Canadians that our government has ripped apart. It has given a voice to Canadians that our MPs didn't dare speak. (were they even honestly elected when Toronto has so many ridings that it gets to decide for the whole country? That's a rigged election). It has given hope back to a nation that the government stripped away in their greedy quest for control. It has opened the eyes of many people to the corruption of our government. I hope it is the beginning of returning to governance and power "by the people and for the people" rather than the top heavy, power hungry agenda we have now. That is just for starters.	2/18/2022 12:03 PM
74087	It has given me hope. It has made me personally realize that there are many more like minded individuals like myself. That we are not alone. That we all share the same distrust of our government's overreach. That our values and morals have become an obligation and not just mere words. That our fundamental freedoms and rights have more importance than job security or personal scrutiny. That Canada and the Canadian People, are worth standing up for.	2/18/2022 12:03 PM
74088	It hasn't except for the lack of groceries in the stores. I'm glad the truckers are standing up for our rights	2/18/2022 12:03 PM
74089	Gave hope	2/18/2022 12:03 PM
74090	Given me hope, I was on the point of suicide.	2/18/2022 12:03 PM
74091	Hope?	2/18/2022 12:03 PM

74108	Only in a positive way I applaud the truckers for what they're doing and if I could get down to Ottawa to support them I would it's United Canada and I think the prime Minister needs to come out and speak with them hear what they have to say instead of hiding in his closet or wherever he's hiding stop the name calling be a man and lead this country as he was voted in to do we need to stop the fake news and get the real news out there about how the truckers have been nothing but peaceful the few that have been unpeaceful haven't been associated with the trucking association I pray for them all the time and hope that they can hold the line until somebody with a reasonable brain can step up and come forward hold a forum hear what they're actually there to accomplish the sooner they do that the sooner this will come to an end they're not there for a fight they're there for our freedom the freedom of Canada	2/18/2022 12:03 PM
74109	this has brought more canadian pride than i have ever seen . the love from the people ,sharing ,and caring . this is what caada is supose to be about	2/18/2022 12:03 PM

I now have hope that we might have a free country again and that my kids have a free future. The inconvenience of horns and blocked streets is nothing compared to the lockdowns and mandates controlling our lives over the last 2 years. It's sad to see all the lies the media is telling about the convoy, but they're exposing their true colours and hopefully more people see through the lies. 74210	It has given us hope and unity and gave us something worth fighting for. I love our country. It is time we take back the land of the free and stop fighting amongst ourselves because the prime minister and the news wants us fighting rather than standing together.	2/18/2022 12:01 PM
74211	Peaceful protests are very legal means of expressing opinions	2/18/2022 12:01 PM

74242	I find the way the Prime Minister is handling a "peaceful protest " despicable and arrogant! He's supposed to leader to all Canadians not just those he agrees with, NOT a dictator!	2/18/2022 12:00 PM
74243	Showed there was a lot more people who want our freedom back	2/18/2022 12:00 PM

74248	Im expecting the end	2/18/2022 12:00 PM
74249	It has brought to light the tyranny of the PM and those who support him. This is not the Canada that I have known my entire life. The trucking convoy has stood up for justice. They have united Canadians, not separated us as the PM has encouraged.	2/18/2022 12:00 PM
74250	In a most positive way.	2/18/2022 12:00 PM
74251	Uplifting	2/18/2022 12:00 PM
74252	Made me proud to be canadian again	2/18/2022 12:00 PM
74253	It provides hope. I'm too far away to go to Ottawa myself, and I'm trying to hang on to my job as long as possible (see above comment). It provides hope that not everyone has been taken in by the media's propaganda and fear-mongering and by the orders and mandates imposed on us by non-elected officials that violate everything Canada is supposed to stand for. If the convoy loses, I don't know what will happen to the rest of us.	2/18/2022 12:00 PM
74254	It has brought me joy, hope and I feel unity for the first time in a long time. It gave me courage and strength to stand by and fight for my convictions.	2/18/2022 12:00 PM
74255	Gave me hope that things might change, I'm not alone, that Canadians still can love and stand for what is right and good and true- no matter the differences.	2/18/2022 12:00 PM
74256	Giving me hope for a democratic future in Canada	2/18/2022 12:00 PM
74257	It brings me hope that we can have our rights and freedoms back, that life will be back to normal and we don't live in fear. It makes me happy that canada is united. I just wish Trudeau would just sit with the truckers and talk without insulting people, we are paying his wage, he should be listening to his country not going against his country	2/18/2022 12:00 PM
74258	It has made me proud to be Canadian again!!!!!!	2/18/2022 12:00 PM
74259	It has given me hope.	2/18/2022 12:00 PM
74260	While I do NOT condone the illegal blockades, I am 100% for the initial reasoning behind the convoy. I am proud to be called a part of the 'Fringe Minority' and that I have been able to show my children what fighting for your rights looks like...peacefully.	2/18/2022 12:00 PM
74261	Hasnt	2/18/2022 12:00 PM
74262	Brought us all hope thank you truckers	2/18/2022 12:00 PM
74263	It has made me more proud to be a Canadian, totally respect all the truckers involved	2/18/2022 12:00 PM
74264	Brought Canada together for the greater good of mankind bringing hope of being a proud Canada citizen again. Seeing and knowing that the mainstream media is a total lie about everything.	2/18/2022 11:59 AM
74265	The convoy gave me hope for a better world where freedom of choice, rights, expression will prevail. I pray for that to happen.	2/18/2022 11:59 AM
74266	It has finally given me hope after two years of fear and a year of being the target of hate. The non response from our PM to requests to discuss the issue is disgusting. His response with name calling directed at the unvaccinated and the truckers is repugnant.	2/18/2022 11:59 AM
74267	Gives me hope in Canadians	2/18/2022 11:59 AM
74268	None	2/18/2022 11:59 AM
74269	It has given me hope that people are standing up for our Canadian constitution of rights and freedoms previously denied by our govt. violence and hate protest from the liberal left. I stand for Canada and our freedoms restored. I stand with Truckers.

74270	In no way I back them completely as I myself work in the industry we had supply chain issues long before the convoy. The government is using it as a excuse to use the truckers for the governments short falls.	2/18/2022 11:59 AM
74271	Given me hope that freedom will be restored in Canada	2/18/2022 11:59 AM
74272	Proud to be a Canadian	2/18/2022 11:59 AM
74273	Given me hope that something positive might happen	2/18/2022 11:59 AM
74274	Gave me hope	2/18/2022 11:59 AM
74275	It has given me hope and a sense of unity with my fellow Canadians across the country. Seeing that there are so many like minded, good hard working people, who set out across Canada to make a statement. And it was done with peace, love and respect to many who faced being jobless. Over a mandate that needed to be lifted not with stronger enforcements by government. We the people just want to be heard. Our concerns listened too. Respectful conversation with our government leaders....but unfortunately we did not get any of those things. But we did get hope in that together we stand up for our rights and freedom. We all should be able to work and support our families.	2/18/2022 11:59 AM
74276	Finally feel proud to be Canadian again!!! They are our soldiers, God bless them.	2/18/2022 11:59 AM
74277	Hope, something to restore my faith in humanity	2/18/2022 11:59 AM
74278	I am SO proud of these truckers. They are our modern day soldiers. Fighting on behalf of ALL Canadians (whether they realize it or not) for our freedoms! When you see war veterans recognizing and saluting these truckers , that speaks volumes!! This is how Canadians that want to keep their freedoms stand..... in peaceful, loving, lawful protest.	2/18/2022 11:59 AM
74279	It's made me think there may be some hope for our free Canadian life we are suppose to have	2/18/2022 11:59 AM
74280	Gave me hope that this gov tyranny overreach, media lies and censorship will come to an end	2/18/2022 11:59 AM
74281	It has shown me that at least somewhere in the Canadian population, there are people with brains, and a spine.	2/18/2022 11:59 AM
74282	It's given me hope for the future!	2/18/2022 11:59 AM

74285	This was the only hope that something will be finally resolved including all Covid mandates	2/18/2022 11:59 AM
74286	It hasn't! I think they are doing it all wrong!	2/18/2022 11:59 AM
74287	they didn't affect me at all. I support them, to end the mandates	2/18/2022 11:59 AM
74288	Brings me pride	2/18/2022 11:59 AM
74289	Best thing that has happened!	2/18/2022 11:59 AM
74290	Great joy. Savior's of humanity.	2/18/2022 11:59 AM
74291	I do not trust that the government is above board and not benefitting from all the mandates. The truckers are a sample of many Canadians standing up for our human rights. When a government turns on its workers firing them for not being vaccinated after they work tirelessly throughout the whole COVID crisis it is plainly wrong. Truckers represent many who know their rights are being violated.	2/18/2022 11:59 AM
74292	It's shown me how great we Canadians are and how strong we can be when we stand together	2/18/2022 11:59 AM
74293	It hasn't, I see the rallies here in our hometown and it makes me happy to see Canadians fighting for what's right.	2/18/2022 11:59 AM

74300	It's brought a ray of hope to us as citizens. They are the only ones standing up for the freedom and rights of all Canadians. We should have a right to choose what we allow to go into our bodies. My body my choice.	2/18/2022 11:59 AM

74304	Made me stand proud of our people	2/18/2022 11:59 AM
74305	It has given me hope. Standing up for the right to choose and be not controlled in every way. We don't want to become like China with no rights. Our Veterans fought for our Country Canada to be free I want to keep that Freedom.	2/18/2022 11:59 AM

74317	It makes me hopeful that Canadians are strong and are willing to risk everything to fight against this tyranny. Trudeau should be thrown in jail for what he has done to Canada. He is a communist	2/18/2022 11:59 AM
74318	Given me hope! Proud to be Canadian again!	2/18/2022 11:59 AM

74324	Hope	2/18/2022 11:58 AM
74325	-Provided a sense of hope -Provided a vehicle to challenge the Canadian Government about the mandates and the control that was held on Canadian citizens -Brought like-minded individuals together in support -Brought many mandate issues to the forefront so more individuals became aware of them -Demonstration of how we can use love and peace to fight for what we believe in -Got me more involved in the political process by sending letters, signing protests, and completing surveys for things that I want my voice heard on	2/18/2022 11:58 AM

74326	It hasn't. But I haven't felt happier knowing that people are out there fighting a cause that literally will benefit everyone. No one truly wants to live in fear or be a slave to a corrupt government operating a Nazi system.	2/18/2022 11:58 AM

74329	Gives some hope.	2/18/2022 11:58 AM
74330	We are all under threat of means to exist..So how us the convoy the problem,??Because they pointed it out. Because they woke up inside what 90% of the country feels ? I think they are 100% doing the right thing.	2/18/2022 11:58 AM
74331	It's given me hope	2/18/2022 11:58 AM
74332	I pray for them. They have made me feel good about being Canadian again. They are doing what should have never had to be done. They are amazing and standing up for our rights and freedoms.	2/18/2022 11:58 AM
74333	Given me hope that everyday citizens can still hold a corrupt and ethically bankrupt government to account. Even if just by showing everyone how heavy handed they can be when someone does not agree with them.	2/18/2022 11:58 AM
74334	It hasn't.	2/18/2022 11:58 AM
74335	I haven't felt as much peace, love and unity like this for a long time. To see people smile and give hugs is absolutely thrilling. It has brought my mental health up. I don't see anything wrong with the protest and how they are conducting themselves. I stand tall and in unity with the convoy.	2/18/2022 11:58 AM
74336	It has made me proud to be Canadian again	2/18/2022 11:58 AM

74348	It has given me a great deal of hope, and has pushed my Premier into removing most of our provincial restrictions, including most notably the vaccine passport	2/18/2022 11:58 AM

74352	Brought hope to our family & friends! We see glimpses of freedom & hope!! The youth in our community have hope in Canada returning to a free country??? If Trudeau doesn't permanently remove all our freedom	2/18/2022 11:58 AM
74353	It has made me proud to be Canadian again, given me hope ♥	2/18/2022 11:58 AM
74354	That convoy is absolutely amazing. They are giving us back something we have lost in these last 2years humility, love, freedom and conversation with out being judged of your views. They are a wonderful group of people that just love everyone. We all just want this over all of it.	2/18/2022 11:58 AM
74355	It's given hope to know there is a substantial number of people who feel the same way. We can see the deception of the actual dangers with the virus. We can see the lies politic a and the media seem insistent on perpetuating. The government overreach for very little to no benefit is evident and people have suffered from the measures taken more than we may know, but there is already much research in this area already. The convoy and supporters who also agree with their focus on stopping the government mandates has really shown me that it is helpful and important to come together and think carefully about what would be best for the entire community and the individuals within our communities, and how we deal with health and science and how we deal with communication. What is it that our society needs to be truly healthy and whole? What role do corporations and government play in my personal health and my decisions around my own body and consent? What does consent mean? What are reasonable ways to treat a population when it comes to new drugs, consent, research and dealing with imminent or not so imminent health threats? If we don't think carefully to consider these questions as. Society and just go along with the dominant narrative, we can be easily manipulated and coerced to the benefit of powerful politicians and corporations alone, rather than ourselves or local communities and therefore ti the detriment of our nation. The convoy has shown me many friends on social media who are truly the most bigoted and stereotyping and ready to violently oppose a call to the government to pay attention to science beyond their accepted narrative and those are the folks who are the most left and I used to think were very open and caring individuals. But in fact they are the least caring as it shows that when you don't agree with their perspective exactly, you are rejected and cast aside. Anyway, I also have a dad who is a trucker and I love people in general. From what I have seen of the convoy, I think those supporting it are amazing and it is thoroughly uplifting and encouraging.	2/18/2022 11:58 AM
74356	Made me excited that others are fighting for our rights when we can't due to fear of repercussions. It makes me proud to be a Canadian! It gives me hope.	2/18/2022 11:58 AM

74369	Given me and my family hope. I feel we are in a war and the truckers are the troops. I was losing hope until the convoy started. I pray they will stand strong and hold the ground until all mandates are lifted permanently.	2/18/2022 11:58 AM

They are the voice of those who are segregated and silenced and we are bullied for choosing a different way to protect ourselves against COVID. I believe Canada needs to see there is more than one truth, more than one way to beat COVID. And we cannot be forced to take a vaccine that is known to cause harm. It may be a good option for some but it's not a one-size-fits-all solution for everybody.	2/18/2022 11:57 AM

74558	The few fringe troublemakers need to be dealt with however I am proud of the peaceful protested. And pray for a safe ending. I wish PM Trudeau had tried to speak to with them in the beginning to end this.	2/18/2022 11:53 AM
74559	Has given me hope that Canadians and the world will stand together. Has also shown me how much the government will lie and Deceive the people mainlywif power and control and to dictate our "freedoms". They obviously will continue to do so with other measures if we don't stop this now.	2/18/2022 11:53 AM

74577	It hasn't being a retired trucker my self if I had the opportunity to be there with them I would. This forcing a shot on some one that hasn't been proven is a sign of the mark of the beast. You can't prove different selling your souls to the devil. Just so you can travel or go to a sports event or restaurant. N you still wear a mask . Here's another thing. If your supposed to wear a mask to keep your spit off someone else then why not away the mouth same difference its a sign of control	2/18/2022 11:53 AM
74578	Costing me more money	2/18/2022 11:53 AM
74579	Boosted moral in my kids for sure and my husband and I too	2/18/2022 11:53 AM

74581	Given me hope	2/18/2022 11:53 AM
74582	It's brought me hope. A sense of connection that has been lost since the beginning if all this. A sense of patriotism and pride for my country that has also been lost. Canada is finally standing up and it's a freeing and magnificent feeling!	2/18/2022 11:53 AM
74583	Yes in that it affects Canadian workers, families and friends...	2/18/2022 11:53 AM

74587	I support the truckers 100%!	2/18/2022 11:53 AM
74588	It's given me hope that there are people willing to stand up for what they believe in. I feel Canadians do not do that very often a fb we therefore get walked all over. It warmed my heart to see so many people come together in unity and support for a common believe of medical freedom of choice. I feel a little less hopeful this week as I watch the federal government act like tyrannical cowards imposing draconian and forceful measures instead of speaking with the convoy and the people of Canada to see what can be done. I am proud and hopeful yet frustrated and sad all at the same time.	2/18/2022 11:53 AM
74589	Gave me hope	2/18/2022 11:52 AM
74590	The Convoy has given me sooooo much hope!!!! I can't thank them all enough!!!	2/18/2022 11:52 AM
74591	Hope. I see media lying to the public Trudeau lying to the public about the heat. We're talking about a small group of people that have been allowed to deceive the main public in believing that this is a hostile and threatening force. It's illegal what they have done and if I was able to be in Ottawa I would have.	2/18/2022 11:52 AM
74592	It's given me hope.	2/18/2022 11:52 AM
74593	The convoy has not effected my life at all. They have given me hope. God bless them	2/18/2022 11:52 AM

74595	It has helped me be proud to be a Canadian again!	2/18/2022 11:52 AM
74596	It gave Canadians & the world hope, till we all learned of Trudeau's real agenda to be the Chairman for WEF and soothe his ego to become "world ruler".	2/18/2022 11:52 AM

74606	The trucking convoy has had a huge impact on my life in a positive way: It has made me see how many people agree in the same beliefs as myself and my family. FREEDOM	2/18/2022 11:52 AM
74607	It's brought me joy , patriotism and hope like never before. Finally it seems this peaceful movement has woken up the masses in love and sparked unity amongst the country and worldwide as well.	2/18/2022 11:52 AM

74612	Greatly, in a very positive way.	2/18/2022 11:52 AM

74618	It's brought Canada back together. Makes me feel there is hope for my childrens future	2/18/2022 11:52 AM
74619	They're standing up for Canadians rights. The government is taking them away	2/18/2022 11:52 AM
74620	By encouraging Canadians to stick together.... Hopefully to un seat the tyrant dictator our prime minister is	2/18/2022 11:52 AM
74621	Uplifted me, given me hope for a mandate-less future, proof that the human moral compass that drives canada is still alive and well in the people, if not the leadership. Given me even more courage to stand for what I believe in and to speak out against the tyranny of Trudeau's immoral "leadership" without fear.	2/18/2022 11:52 AM
74622	It has brought a sliver of hope back to me that one day we will live a "normal" life and the hope that my children will be able to grow up not being forced to do something they don't want to do	2/18/2022 11:52 AM
74623	It Woke me up to the lies and bull crap the news tells us	2/18/2022 11:52 AM

74626	None	2/18/2022 11:52 AM
74627	It's only brought more attention and truth to what really has been happening. Our (PM) & government is corrupted and manipulated and should be looked at for treason, collusion, racketeering etc.	2/18/2022 11:52 AM

74638	They have given me hope! Hope that my children will have a future that is free from dictatorship! They will have freedom to choose what is right for them. That I will have the freedom of choice. That we can get our lives back. They have made me proud to be Canadian again!	2/18/2022 11:52 AM
74639	With hope of sanity returning.	2/18/2022 11:52 AM

74642	Undecided	2/18/2022 11:52 AM
74643	Hope and excitement that the truth is being brought to light about the danger of the vaccines	2/18/2022 11:52 AM
74644	Brought joy and a sense of togetherness. Pride in my country.	2/18/2022 11:52 AM
74645	It did not affect my life at all only I have learned the truth about the government and I support the truckers fighting for me because my country has failed me.	2/18/2022 11:52 AM
74646	A good eye opener. To see how we should fight for our freedom. I believe the government should be there for the people. And the people shouldn't be slaves to the government	2/18/2022 11:52 AM

74651	None yet	2/18/2022 11:51 AM
74652	It's given me hope and pride in Canada again	2/18/2022 11:51 AM
74653	They paved the way for ordinary people to feel they could step up and have their voice heard. Which, as I am typing this, they are being taken down by armed police as though this is a communist country. It is sickening. All because the PM would not meet with the people and discuss their concerns.	2/18/2022 11:51 AM
74654	It's bringing to light how much government overreach has caused many issues and that mandates have not helped and made many other problems so much worse.	2/18/2022 11:51 AM
74655	Hopeful and thankful	2/18/2022 11:51 AM
74656	They have the courage to empowering all Canadians to stand up for your rights. If we don't... We don't belong to ourselves and will not be able to choose anything for ourselves. Therefore, we will not have any choice in anything we want, can choose to do or say that doesn't hurt anyone. We were given these freedom's and they don't have the right to take any away. That's what wars were fought about... Our rights and freedom's.	2/18/2022 11:51 AM

74660	I feel proud to be Canadian and have never felt more unified as a country.	2/18/2022 11:51 AM
74661	It has given me hope, love of country and of all people living under political and medical terrorism.	2/18/2022 11:51 AM
74662	BA	2/18/2022 11:51 AM
74663	It has inspired me and given me hope but the reaction of the government has made me so disappointed and discouraged and made me want to leave Canada	2/18/2022 11:51 AM
74664	Made me have hope	2/18/2022 11:51 AM
74665	They have so moved me beyond what words can express...These remarkably courageous & so strong Canadians finally gave me HOPE, a sense of connection, solidarity, reinvigorated my faith in humanity & brought back a sense of sanity, humanity, unity & pride beyond measure in the county I'd always been so grateful & proud to be born in..my grandfathers fought in England for the freedoms my generation has enjoyed that have been ripped away 1 by 1 by over reaching gvts. I remain ETERNALLY grateful for what they so valiantly & astoundingly peacefully have endeavored to do. My prayers are with them every day. But since PM has yet again unreasonably & in bullying unnecessary uncanadian like fashion has bizarrely decided to take such drastic VERY DANGEROYS measures instead of doing the ONLY RIGHT THING & lifting the mandates (putting \$into medical system instead of to other countries) my hope has been ruined...please for ALL our sakes lift the mandates & let our country start to heal from the unprecedented damage that has been done.	2/18/2022 11:51 AM
74666	Finally people support the elimination of mandates	2/18/2022 11:51 AM
74667	Lack of product and increase prices	2/18/2022 11:51 AM
74668	It has has given me hope. Seeing the children and adults coming together and enjoy each other's company.	2/18/2022 11:51 AM
74669	I support the convoy! Wish I could be there but I'm 38 weeks pregnant.	2/18/2022 11:51 AM
74670	Proof of ongoing censoring, lack of freedom of speech, proof of government being totally out of touch with the common people. I like Trudeau feel bad for what his is going through but the oppressive silencing that I and other nurses have endured is too much. What they don't get is the oppressive part of the mandates! How employers use them to keep everyone in line. How the social effect on kids and elderly. It's like they don't do any risk analysis!	2/18/2022 11:51 AM
74671	Given hope	2/18/2022 11:51 AM
74672	It has uplifted our mental state and given us hope that civilization can be restored! People are not ostersizing their fellow community members. Faces are brighter and people are connecting with others in their communities again.	2/18/2022 11:51 AM
74673	It's make me a Proud Canadian and I'm in full Support of them	2/18/2022 11:51 AM
74674	It hasn't. But the peaceful nature of it and the unity it has brought to a large group of Canadians has restored my faith in humanity somewhat. The government handling (or lack of) is appalling. And trudeua and his goons that are forcing restrictions on groups of people is immoral and unethical. In all my years I have never witnessed such a disgusting lack of moral leadership. It is unimaginable how he has no integrity and has not been held accountable for his previous scandals.	2/18/2022 11:51 AM
74675	Made me PROUD to be Canadian AGAIN....	2/18/2022 11:51 AM
74676	It has showed me there are thousands of commo folk who are ready t carry a flag for their freedom and peacefully demonstrate. I am proud of that group in Ottawa.	2/18/2022 11:51 AM
74677	I joined the convoy in Calgary and went all the way to Ottawa and stayed for 5 days. The love, support and hope made me feel as though Nonvaxed Canadians had a chance for the first time in 2 years	2/18/2022 11:51 AM
74678	It has given us hope!! Seeing that there are Canadians who are trying to Stan up for our rights, where Weare not able to!, The mandates has severely divided our family and friends. Not just because of the fact that the vacines are experimental, and have already proven NOT to work...but It is our choice, to be vaccinated or not. It should never have been mandated in the 1st place. I believe the the sciences has proven mandates are non beneficial to the population and in many cases have proven dangerous to one's health and well being. It is	2/18/2022 11:51 AM

because of my health conditions that I choose not to be vaccinated. I as I have always been one who reacts very badly to pretty much any type of prescription medication. In spite of that, I am a cancer survivor and also deal with arthritis and fibromyalgia on a daily basis. So far everyone I know of who has taken the vaccine with similar health conditions to mine, has in fact reacted badly to the vaccine as well. My husband owns a highway tractor and drives long distance in & out of Canada and the United States. He has now received an award and recognition for traveling 3 million miles safely for the last 25 years. We barely make a living in the industry, but get by. He has traveled successfully in and out of Canada for the last 2 years through all. Of these mandates and has had no issues. There is no need for the mandates it is a infringement on our privacy and our well being has been affected negatively by it. We thought we lived in a free country? Please help make it so again.

74679	Gave me hope	2/18/2022 11:51 AM

74688	made me realize how crooked our government is	2/18/2022 11:51 AM
74689	It gave us hope.	2/18/2022 11:51 AM
74690	It's given me confidence that we're not alone. Other people are questioning these mandates, other people's children are also suffering. Other people have seen the division and want it to end. It's brought my family back together after all the division the government caused.	2/18/2022 11:51 AM

74693	Given me hope for Canada.	2/18/2022 11:51 AM
74694	It gives me hope that there is a chance that the right avenues may be done and things will be taken seriously. The government hasn't listen to people. He is funding his agenda.	2/18/2022 11:51 AM
74695	Too much hatred resulting	2/18/2022 11:51 AM
74696	The Freedom Convoy has brought hope to so many people including myself. I do not want to live in a communist country. Yes we all stepped up when we were faced with the unknowns of COVID. But 2 years later it's time to start lifting restrictions not adding more which will do nothing to help our economy or the spread of the virus. The only reason I can see for more restrictions at this time is government control.	2/18/2022 11:51 AM
74697	It makes me happy to know there are so many like minded people, I am not alone. Happy someone is willing to stand up and speak out	2/18/2022 11:51 AM
74698	It has made me proud to be a Canadian	2/18/2022 11:51 AM
74699	Shipping shortages	2/18/2022 11:50 AM
74700	The truckers have given us hope that we can still live in a democracy in Canada. They have shown what it is to be a Canadian and stand up for us all to regain our God given rights under the Charter and Canadian Constitution.	2/18/2022 11:50 AM
74701	No	2/18/2022 11:50 AM
74702	It's given me more hope for the country than I've had in two years. I've cried tears of joy because of all these wonderful people standing up for the rights and freedoms of Canadians that have been inhibited over the last couple years	2/18/2022 11:50 AM

Canadians vote on Canadian Mandate - February 2022

74703	Good hope thy win and and no more mandates	2/18/2022 11:50 AM
74704	Only in a positive way. Seeing people come together for unity, love and freedom	2/18/2022 11:50 AM
74705	They have given hope to so many!	2/18/2022 11:50 AM
74706	What they are doing is great!	2/18/2022 11:50 AM
74707	It has given me hope that I am not alone in feeling that these restrictions have gone too far, for too long, and without adequate scrutiny. A lot of people have been devastated by this, financially and psychologically, all for a virus that has a very high rate of recovery, in a country where most people are vaccinated. I know 5 people that killed themselves in 2021 and it feels like no one cares, that only Covid matters. The convoy was acknowledgement that yes, there are other concerns shared by many Canadians, and it gave me hope that our leaders might actually listen.	2/18/2022 11:50 AM
74708	Positivly gives me hope for canada	2/18/2022 11:50 AM
74709	It hasn't	2/18/2022 11:50 AM
74710	It's given our country some hope. Our Prime Minister has failed our country miserably. His ego got in the way. He is not speaking the truth but he is listening to Klaus!	2/18/2022 11:50 AM
74711	Given hope and joy. Made me proud to be Canadian again	2/18/2022 11:50 AM
74712	First sign of positive progress I've seen since the start of Covid!	2/18/2022 11:50 AM
74713	Never had so much hope we could finally see a end to this dictatorship	2/18/2022 11:50 AM
74714	Haven't been so proud to be Canadian since 2015	2/18/2022 11:50 AM
74715	I was part of the convoy blockade in Milk River proud to of done it proud to have been there and proud of all the people that stood up other night it has not affected my life	2/18/2022 11:50 AM
74716	It has brought hope and a feeling that I'm not alone in this	2/18/2022 11:50 AM
74717	I am also a victim of a mohawk land claim protest for 10 years and Canada has done nothing to enforce the law in my situation because the protesters are indigenous my farm and life were destroyed, watching Canada not protect my rights has caused my PTSD to be triggeredI am abandoned by Canada and my rights abandoned because Trudeau picks and chooses what protest is acceptable in his personal view	2/18/2022 11:50 AM
74718	It has given me hope.	2/18/2022 11:50 AM
74719	They made me proud of the Canadian people!	2/18/2022 11:50 AM
74720	It gives hope to see so many people joining the convoy effort.	2/18/2022 11:50 AM
74721	I am proud that these courageous truckers stood up to tyrannical control by government and demand my freedom	2/18/2022 11:50 AM
74722	This is by far one of the efforts that has given me Hope! Hope for possible change for the better, hope for getting my job back, hope for some negotiations to happen with this Government that is not handling this situation in the right way at all. This convoy is the light at the end of the tunnel. This convoy is a great depiction of what being Canadian truly is: helping one another, showing up with a smile on your face, a warm welcome, a hug, a loving, caring and positive attitude, peaceful protest of nearly one million citizens in front of the Parliament buildings, to change the world. We have inspired many other countries around the world like Australia. We show kindness, compassion, resilience, love for ourselves and others. We are going to keep pushing back against this tyranny. We are going to continue doing what is RIGHT! We will get our country back; our jobs back; our lives back. The trucking convoy is there to stay until positive change that has to take place is finally happening. WE, THE PEOPLE, RUN THIS COUNTRY.	2/18/2022 11:50 AM
74723	Given some hope for change to see others that think similarly to me. Realized that our government is corrupt	2/18/2022 11:50 AM
74724	It has given me hope that the people have a voice. Instead of a few people in some government building making all the decisions who are so far removed from most people who are living in the real world, who have a lower income than what they are getting by a long joke. And still have bills to pay but because of the cost of living they are all struggling including	2/18/2022 11:50 AM

myself. So many people I know have lost businesses and their jobs because of this including myself. And the truckers actually gave me hope for humanity and hope that the government would actually listen to the people. It made me proud to be Canadian for the first time in a long time. The whole point of government as far as I understood was that they listened to the people. And came to some kind of resolution with anything that they were unhappy about i.e. high taxes, roads that need repairing, infrastructure, all kinds of policies including the lockdown and mandates and trying to force people to have a vaccine that has not even been proven to be safe yet. People should have a choice people will be respectful when they have a choice instead of being backed into a corner like most Canadians feel or they have been. We live in a democracy or we are supposed to where the people have a voice and the truckers are trying to use their voice. For our freedom and our right to choose and to show the world and the Canadian government the people who work really hard the people who have boots on the ground so to speak like truckers, like people who work in grocery stores, people that work all night to stock the shelves or work in the warehouse so that we can have food the next day on the shelves in the stores the regular people who do the unseen an unknown recognized work every day so that we can actually live. The farmers who work hard growing our food and literally straight back to survive these are the people that the truck is standing up for. So it is giving me hope and made me feel like we can actually move forward the only problem is is nobody's listening and nobody is prepared to have an adult conversation with the truckers. It's just help lift my depression because they have given me hope.

74725	Its given me hope and pride in my fellow citizens and enforced my disdain in the government	2/18/2022 11:50 AM
74726	It brought me hope that we may be closer to ending this Plandemic and that I am not the only one who wants Trudeau to stop his authoritian ways. The convoy is full of strong, patriotic Canadians and it makes me proud.	2/18/2022 11:50 AM
74727	I love them all Canadians that are standing up for freedom	2/18/2022 11:50 AM
74728	Love it bringing people together	2/18/2022 11:50 AM
74729	Freedom is essential. It has given us hope and validation that our opinions matter. We are human beings with a God given tight to choose what is right gor ourselves based on our life experiences. Nobody knows what is best for someone else, not even my doctor even though until recently I respected his/her opinion.	2/18/2022 11:50 AM
74730	Felt connected to others, excitement and hope! Has given me more purpose in my life right now.	2/18/2022 11:50 AM
74731	It has not directly, YET!. However, I will say that their initial goal "to end the mandates", I supported. They lost that support the second they began their drives, and only made it worse as time and their militant actions progressed.	2/18/2022 11:50 AM
74732	It has shown me that other Canadians feel the same way I do. It has given me hope that the end of the road is near.	2/18/2022 11:50 AM
74733	Given me hope. Made me proud to be a Canadian again!	2/18/2022 11:50 AM
74734	It briefly inconvenienced me as they drove through my hometown while I was out getting groceries and lunch.	2/18/2022 11:50 AM
74735	It gave us hope for change.	2/18/2022 11:50 AM
74736	Made it very clear to me who really has the citizens rights at heart. Think they have done more for unity then any government	2/18/2022 11:50 AM
74737	Finally, somebody is standing for freedom and what's right	2/18/2022 11:49 AM
74738	It has brought hope to peacefully restore our rights and freedoms. It represents love, peace and humanity.	2/18/2022 11:49 AM

74744	I saw how many people with my own eyes standing out to support their freedoms on bridges on roads etc	2/18/2022 11:49 AM
74745	It has uplifted my spirit and restored my faith in Canadians. I have for the first time in my life been ashamed to call myself Canadian because if the extreme measures our government has taken to strip us of our freedom. The convoy displays the true love, unity, freedom and selflessness of the Canada I grew up in. I applaud these people for having the courage to fight for the freedom of all Canadians.	2/18/2022 11:49 AM
74746	Made me proud to be Canadian. Glad to see a stand taken.	2/18/2022 11:49 AM
74747	Gives us hope of better days/years of our freedoms.	2/18/2022 11:49 AM
74748	Time to go home.	2/18/2022 11:49 AM
74749	Given me hope for Canada	2/18/2022 11:49 AM
74750	I'm just happy there are true Canadians who are willing to stand up to this tyranny	2/18/2022 11:49 AM
74751	I finally see the Canada that I know and love. They give me hope and help me to feel like the divisions and loneliness that have accompanied all of the crazy over the last 2 years might actually be able to be overcome. Albertans and Québécois coming together and uniting. People of all faiths and colors. CBC and CTV should be ashamed of themselves for false reporting and giving Canadians who only see Mainstream media the wrong impression. I have friends who were downtown Ottawa and sent videos and photos of love abiding peace keeping citizens exercising their legal right to protest. Justin Trudeau didn't even bother to have a conversation he went straight to brute force after hiding. We teach our children to use their words to get out of conflict and de-escalate situations but they have no example of that here. The illegal actions of our government appal me and I want those in power that can do something to stop the tyranny that is running rampant to stop this madness. I am a university graduate in Business, a middle aged woman who volunteers in her community and the schools, has three amazing children, supports my husband as a Major in the Canadian Armed forces and goes to church faithfully every week and tries to treat everyone with love and kindness. Yet our Prime Minister has the nerve to call me a Fringe Minority with unacceptable views as well as many other names because my choice doesn't profit his pocket. Shameful and I have lost all confidence that he can fairly and appropriately run this country anymore.	2/18/2022 11:49 AM
74752	Gives me hope - I agree with the Truckers All Mandates need to cease Immediately	2/18/2022 11:49 AM
74753	It provides a sense of relief to see all the people who have been silent up until now about these nonsensical mandates that have been placed on us	2/18/2022 11:49 AM
74754	The trucking Convoy has brought hope.	2/18/2022 11:49 AM
74755	It hasn't	2/18/2022 11:49 AM
74756	It has given me so much hope and excitement. It has brought the reality to light that there are many people out there who have experienced what I have over these last two years. It has also revealed to me the importance of community and how the government should be working for the people and not against it.	2/18/2022 11:49 AM
74757	Raised my level of hope that Canadians are fed up with fake science and illegal mandates	2/18/2022 11:49 AM
74758	Find they bring us hope for the future	2/18/2022 11:49 AM
74759	Given me hope in humanity. Their love and care has been overwhelming. God Bless them for standing up for freedom and truth.	2/18/2022 11:49 AM
74760	Inspired, provided hope, sense of unity, lifted spirits.	2/18/2022 11:49 AM
74761	It hasn't negatively, the government has negatively	2/18/2022 11:49 AM
74762	It gives me hope that finally we will get our lives back and restore our faith in Jesus Christ	2/18/2022 11:49 AM
74763	It's taken my city hostage. Businesses that were already suffering are continuing to suffer. My community is being terrorized by selfish, misinformed pricks	2/18/2022 11:49 AM
74764	It has made me feel proud to be Canadian again. It has also highlighted how broken and incompetent the government and mainstream media are.	2/18/2022 11:49 AM
74765	I mostly answered that in question 9. On the positive side, the convoy has shown me that	2/18/2022 11:49 AM

there are still good people in this country, that care about the things which it was founded on. The protesters give me hope daily. On the negative, it has shown me the total corruption of the Canadian government - it is despicable to me that this has happened & that nothing seems to be done to stop the evil Trudeau is pursuing. He is a criminal & needs to be arrested & put into prison, along with all who are in collusion with him.

74766	It has given us hope	2/18/2022 11:49 AM
74767	When they first came to Ottawa it lifted my spirits. Finally men are being men and standing up for our rights. The convoy has given us hope that all these government restrictions might end.	2/18/2022 11:49 AM
74768	It gives me hope. I'm proud to be Canadian again.	2/18/2022 11:49 AM

74772	- very hopeful, pleasant & positive attitudes of the people- like a breath of fresh air!!	2/18/2022 11:49 AM
74773	It has made me proud of them and has increased my Hate for Trudeau!	2/18/2022 11:49 AM
74774	It has given me hope that we can gain our freedom back and has made me proud to be a Canadian again. It has also opened me up more to the fact that our government doesn't care about its citizens and that they only want more power to enslave us and make our lives miserable	2/18/2022 11:49 AM
74775	Brought me hope that not everyone in this once amazing country is ruthless, immoral and wants to see people like me rather dead than taking part in society.	2/18/2022 11:49 AM
74776	Started to give some pride back for being Canadian.	2/18/2022 11:49 AM

74787	None at all accept the fact that the convoy made a lot more people realize how much of our rights have been eroded because of big pharma!!	2/18/2022 11:49 AM
74788	They're heros! They've given everyone hope to be Canadian again! They've given us strength to speak out and not be scared of the repercussions. They've united us all to feel strong again. They are amazing.	2/18/2022 11:49 AM

Seeing CANADA standing up to a tyrannical government, showing that this is for EVERYONE has been powerful and uplifting.	2/18/2022 11:49 AM

74793	Trucking convoy is giving me hope that things can change- that we can get rid of vaccine mandate. I hope to get back to work I love, I was educated for and Im good at it. I hope to become an equal member of the community again- not segregated. Hope.	2/18/2022 11:48 AM
74794	Gives me hope that there are people out in our country would believe in what I believe. I feel my province especially has its head in the sand about the mandates.	2/18/2022 11:48 AM
74795	Those beautiful people gave me so much hope. I watch the videos of the love and hugging and no masks. No violence. It should be called a Rally fir freedom not a protest which is a very negative word. I watch the videos over and over. I pray for them and all of us. Please get rid of this evil government.	2/18/2022 11:48 AM

74800	Very proud	2/18/2022 11:48 AM
74801	It has brought hope of Unity, Peace and Love, that all citizens can come together for a common purpose to restore their God given freedom that has been taken from them by a dictatorship government.The whole world knows now what it means to be a Proud Canadian, the truckers have brought other countries together against this overreach of world governments. The People have already won, God is watching.	2/18/2022 11:48 AM
74802	It hasn't affected my life	2/18/2022 11:48 AM
74803	Starting to see the GOVERNMENT of Ontario in a different way.	2/18/2022 11:48 AM
74804	as I have said many times is there not one man standing up to this mandate ,and lo and behold the truckers are standing up ,praise God for some strong man , they truckers are my only hope to get our freedoms back from communist Trudeau, the truckers have effected my life in a very positive way, they are our last hope	2/18/2022 11:48 AM
74805	https://www.facebook.com/watch/?v=325772716238812 . it has brought hope back to country and to the world , many other countries are following their example Usa will be doing a convoy soon from California to DC stop all they control and communism . now	2/18/2022 11:48 AM
74806	It's brought me hope, joy and happiness that there's possibly a chance for life to return to how it once was, if not better that criminal government officials will no longer be allowed to get away with the overstepping the get away with!	2/18/2022 11:48 AM

74808	Gives me hope to end this slavery	2/18/2022 11:48 AM
74809	It gave me hope!! It made me feel, after all the gaslighting I had been subjected to, that I was a valuable part of humanity after all - that I wasn't the pox of the earth or the bain of someone's existence!!! They are just regular people, peaceful and concerned, who had enough of the control that we have never experienced in this country EVER since I was born here!!! I'm SO thankful they stood up, and as you see, so were thousands of others, all over the world.	2/18/2022 11:48 AM
74810	Brought back joy and hope	2/18/2022 11:48 AM
74811	I believe in the truckers that they have taken the steps to show the Canadian Trudeaus government is only hungry for control & power. The government of today does not care about the citizens of this country	2/18/2022 11:48 AM
74812	The sacrifices have been worth trying to become somewhat normal again and I finally feel a bit Canadian again instead of belonging to a divisive country. I feel like Canada has entered into the early stages of a communist dictatorship.	2/18/2022 11:48 AM
74813	It has given me hope!	2/18/2022 11:48 AM

74818	The disrespect the federal government has treated the truckers painting them as fringe , militant, and basically forcing them to not exercise what should be a Canadians constitutional right is dissappointing to say the least. The Main stream media has not given the truth being very slanted towards the government's views.	2/18/2022 11:48 AM

74821	I've seen Canadians coming together and hugging again. I've seen unity demonstrated. I've seen blatant lies by media and politicians. I've seen a few bad apples but mostly, I've seen a incredible orchard. This is our Canada. The land of love, kindness, free choice.	2/18/2022 11:48 AM

74834	Gives me hope that this mandate will end.	2/18/2022 11:48 AM
74835	They have brought hope back to me that there are still good people within this country and care about the rights and freedoms of everyone , no matter of difference's, that we're all equal. I support and love who they are and what they believe in.	2/18/2022 11:47 AM
74836	I think supplies have been reduced and prices have increased as a result. I sympathize with the cause and concerns of the trucking convoy, but this is not the way to solve the issue. I would like to see the government and representatives of the truckers in the convoy sit down and talk.	2/18/2022 11:47 AM
74837	It's given us hope and shown us the true colours of our incompetent prime minister	2/18/2022 11:47 AM
74838	Positively, they have encouraged me to stand for my rights	2/18/2022 11:47 AM

74840	It is amazing. Went on rally to the border. Everyone is so happy	2/18/2022 11:47 AM
74841	The truckers Convoy has restored my Faith and Hope in a world that I had otherwise given up on. It has allowed me to experience love unity, inclusion and togetherness. It has given me a new love for my country and for people, not just in Canada, but every human being regardless of belief. It has shown me that hate and decision is not all that is left in this country. It has shown me what truly matters. It has made me want to become a better person, and stand up for my country and every single person in it.	2/18/2022 11:47 AM

74857	hope, renewed faith is our country and constitution	2/18/2022 11:47 AM
74858	It has made me proud to be a Canadian again	2/18/2022 11:47 AM
74859	Gives me hope	2/18/2022 11:47 AM
74860	Gave me hope that maybe life could go back to normal that my kids get to get the rest of their childhood back.	2/18/2022 11:47 AM
74861	Given me hope	2/18/2022 11:47 AM
74862	It has given me how that maybe, just maybe sanity will prevail and we may get our lives back.	2/18/2022 11:47 AM
74863	It gave me hope that people still value freedom. That not everyone thinks what has been done is right.	2/18/2022 11:47 AM
74864	Given HOPE for the first time in 2 years	2/18/2022 11:47 AM
74865	It hasn't...it has given me hope that the evil regime in charge of our country should be deposed	2/18/2022 11:47 AM
74866	They have given me hope, that we have the strength to stand against a corrupt government and ELIMINATE all covid mandates and vaccine passports for ever.	2/18/2022 11:47 AM
74867	It brought hope and faith to The people of Canada	2/18/2022 11:47 AM
74868	The Trucking convoy has only affected me in a positive manner. I love what the truckers are doing, they are having a peaceful demonstrations and MUST be heard. They and I have had enough of the BS lies being told about everything and all the restrictions in place. I believe Canada's PM is a LYING COWARD and a wants Canada to be in Dictatorship. He is mentally disturbed and a criminal. He needs to be held accountable for his actions. There is nothing more that brings me joy is for people to stand together for what they believe and this is for the current & future freedom for the men, women & children of Canada. Finally I think this convoy is becoming a majority of the Canadians and finally feeling hope that positive change take place. I believe the same people that believed the media & Gov't BS lies about the pandemic	2/18/2022 11:47 AM

Canadians vote on Canadian Mandate - February 2022

are the same people that disagree with the trucking convoy now, it's all FEAR based, not TRUTH based. This entire Virus situation was handled very badly from the start and was an attempt to bring into play far more sinister actions towards the people of Canada.

74869	Brought hope	2/18/2022 11:47 AM
74870	They give hope that the People's voice will be heard and the gov't will drop all mandates.	2/18/2022 11:47 AM
74871	Gave me hope for a future, a glimmer of hope that we can return to our normal lives and refocus our attention on limiting corp influence within government	2/18/2022 11:47 AM
74872	Not affected i support the 1000percnet	2/18/2022 11:47 AM
74873	Gave me hope. Gave me pride in Canada. I went to Milk river for a weekend and it was the most fun amazing thing I've done in 2 years. Probably the nicest place I've been ever.	2/18/2022 11:47 AM
74874	Good energy, encouragement	2/18/2022 11:47 AM
74875	I'm proud of those that have risk so much by standing up for those that can't . They are getting people to think by calling attention to all the mandates that aren't working and being forced upon the people against their will . They have given people hope in the future again. The mental anguish is not worth these mandates as they have proven do not all work. People should have the choice of their medical health. Fear is not the answer. Nor is false information.	2/18/2022 11:47 AM
74876	Makes me happy!!	2/18/2022 11:47 AM
74877	They have renewed my hope Made me aware I am not alone in this.	2/18/2022 11:47 AM
74878	Gave me hope	2/18/2022 11:47 AM
74879	Given hope	2/18/2022 11:47 AM
74880	1.Given me hope and something to keep me busy during the dead of winter. 2. Also I have connected with some new friends and reconnected with some others, in unity on this topic. Life is less lonely now, (after 2 years of isolation), with like minded unjabbed people coming out into the open and connecting. Yet,.... I used to be envied by family and friends for how smart I am ... now I am hated by them for the choices my intelligence and research leads me to, thanks to the hateful and hate-inciting words of the prime minister. I believe he is guilty of multiple hate crimes and am very disappointed that the police are arresting the truckers instead of the prime minister. 3. It has given me more appreciation for how special Canada and Canadians are.	2/18/2022 11:47 AM
74881	Made me feel proud that somebody is sticking their neck out for FREEDOM.	2/18/2022 11:47 AM
74882	Created hope and a knowledge that Canadians are standing together no matter what destructive and untrue reports and lies of mainstream media and the tyranny of the prime minister	2/18/2022 11:47 AM
74883	Given me hope and courage to think that the future is not as bleak as we once thought and to know that there are brave people makes me brave	2/18/2022 11:47 AM
74884	Became very interested and followed and supported it - as many of the key organizers are from AB and SK where I live or grew up in	2/18/2022 11:47 AM
74885	Giving me and my children hope. Praying for them.	2/18/2022 11:47 AM
74886	It has been a source of hope that the gov't who has forgotten that they work for the people might actually come back to that realization. Some politicians have while the fringe minority in charge have not. It has united an otherwise very crippled and divided country in a peaceful easy despite what mainstream media has portrayed.	2/18/2022 11:47 AM
74887	I believe in freedom and Canada once again	2/18/2022 11:47 AM
74888	The trucking convoy has been a blessing, giving us hope of Freedom of Choice for all Canadians! God Bless the Truckers for standing up to preserve our Rights and Freedoms under our Constitution. PM Trudeau needs to understand that he works for us and not the other way around.	2/18/2022 11:47 AM
74889	It has given hope to thousands. It helps us realize how much support we all have all over the country.	2/18/2022 11:46 AM

Canadians vote on Canadian Mandate – February 2022

74890	It has shown me a bold and vibrant Canada that will stand for what is right, and not just passively stand-by.	2/18/2022 11:46 AM
74891	For the first time in 2 years I have felt love, connection, unity towards my country and other Canadian citizens. I have felt pride to the point of tears, that there are people uniting for a common goal to end these mandates, as they stand up to fight for all the rest of us. I follow, cheer on, repost and applaud the trucking convoys. When you watch the rest of the world's reactions, you can clearly see that everyone is tired of this. Truck convoys are being arranged all over the world! The world is uniting with our truckers and supporters to end these mandates! I am SO PROUD and grateful to the trucking convoys!	2/18/2022 11:46 AM
74892	Hasn't affected	2/18/2022 11:46 AM
74893	It has inspired me	2/18/2022 11:46 AM
74894	Gives citizens hope that there freedoms can be fought for. Hope is something we all need, and the governments suppose to present leadership to bring all Canadians together. What we have seen is the opposite. The Prime Minister, the NDP leader Jagmeet and punlic health officials have done very little about bringing people together and more so want to divide us even now with false science. Hope is what Canadians need to keep going.	2/18/2022 11:46 AM
74895	It hasn't affected me at all. It has given this country a hope to believe in, which the government is trying to take away.	2/18/2022 11:46 AM
74896	It has given me hope for the first time in these 2 long, bleak years.	2/18/2022 11:46 AM
74897	They are an inspiration for freedom.	2/18/2022 11:46 AM
74898	It brings hope!	2/18/2022 11:46 AM
74899	Gave me hope and the courage to enforce my rights under our Charter	2/18/2022 11:46 AM
74900	It has given me hope	2/18/2022 11:46 AM
74901	It has given me hope! Finally someone got together, united and did something, spoke up against these tyrannical leaders of this world. All our leaders are guilty of tyranny! Only a few dared to speak up and payed the price!	2/18/2022 11:46 AM
74902	Has not effected my life	2/18/2022 11:46 AM
74903	The trucker convoy has given me hope again. I was feeling like this world was going crazy I felt alone because I did not agree with the vaccine passport, or the other mandates that is until the truckers took a stand and I felt hope and a wave of happiness that I was not alone anymore lots of people feel the way I do. thank you Truckers for standing up and being the voices of so many who want to say something but can't.	2/18/2022 11:46 AM
74904	Inspired me	2/18/2022 11:46 AM
74905	It hasn't, other than to see something else on the news.	2/18/2022 11:46 AM
74906	My life has not been impacted by this peaceful protest, however I fully support it. I would be there with them now if I could afford to go. I come from a family of hard working farmers, trucker drivers, oil fields workers and so much more. We all support the truckers and all those standing up for our freedoms.	2/18/2022 11:46 AM
74907	Yes, given inspiration.	2/18/2022 11:46 AM
74908	The trucking convoy has brought joy back into my life! I hadn't even realized how much we had lost until I saw their courage to speak. I have hope now. I see the people around me as people again, and my desire to be part of the community has come back. I have started looking for ways to contribute to my fellow man again, and the humanity feels SO GOOD.	2/18/2022 11:46 AM
74909	It's has proven the intelligence of Canadians.	2/18/2022 11:46 AM
74910	Gave me some hope!	2/18/2022 11:46 AM
74911	It has shown me that a group of unsuspecting folks can do what the government has not been able to do in 6 years..... bring people together	2/18/2022 11:46 AM
74912	It hasn't	2/18/2022 11:46 AM
74913	When the truckers took a stand I cried with with every speech I finally felt there was hope.	2/18/2022 11:46 AM

Canadians vote on Canadian Mandate – February 2022

Being suppressed not saying anything for yrs due to fear of being judged, chastised for my thoughts and beliefs is departmental to anyone's health. I now am free to speak thank you Truckers! But then again Trudeau's Emergency Act is now saying we need to shut up and go home seriously a peaceful rally . Shame on you Trudeau

74914	They give us hope and our freedom back that is what democracy stands for	2/18/2022 11:46 AM

74920	Hasn't directly impacted my life but seeing everyone come together has made me emotional at times. I'm proud to be canadian	2/18/2022 11:46 AM
74921	It has brought hope and made me proud to be a Canadian! They come with peace and love and want all Canadians to be treated as equal.	2/18/2022 11:46 AM
74922	Has not affected my life...just given me hope!	2/18/2022 11:46 AM
74923	It gives me hope but watching all the news on tv and everything has affected my day to day as it just makes me upset with how our PM is handling everything....I'm so so proud of everyone that has United to stand strong for the Canadians and our freedom	2/18/2022 11:46 AM

74926	Gave me faith in Canada again	2/18/2022 11:46 AM
74927	Hope, something to work for, finding out how many people think the same as me. It's also caused conflict with people who disagree with my support for the convoys. But that conflict has led to discussion and connection which has been so good!	2/18/2022 11:46 AM
74928	Not at all it is ridiculous	2/18/2022 11:46 AM

74931	I'm thankful that they have resolved to be peaceful. It caused me to lose respect for the P.M. as he wouldn't even talk with them and again chose divisiveness and overreaction.	2/18/2022 11:46 AM
74932	Gives me hope♥ ♥	2/18/2022 11:46 AM
74933	Made me happy to see them fighting for our freedom back	2/18/2022 11:46 AM

74940	has not materially affected it but has given some hope	2/18/2022 11:46 AM

Canadians vote on Canadian Mandate - February 2022

74941	Given me hope	2/18/2022 11:46 AM
74942	It has provided hope	2/18/2022 11:46 AM
74943	It has inspired hope that the media is wrong. That I am not alone in my thoughts and distain. In my opinion it is the last peaceful act of a desperate people group. The emergency act may just jump this into a Canadian civil war. I have loved ones all over this country and this idea breaks my heart and scares me to death.	2/18/2022 11:46 AM
74944	I love the sound of the horns it has given me a new sense of pride in Canadians patriotism	2/18/2022 11:45 AM

74951	It has given me hope in a country that has been divided by Trudeau.	2/18/2022 11:45 AM
74952	No affect on me...good on them! It's time someone stands up, we need hope	2/18/2022 11:45 AM

74954	It give us hope to stop that « campagne » of fear and to be free to choose what we accept in our body. Free to live, with the virus. The concoy is representative so much more than just the people who are there. It's mostof the population now said « it's an off ». C'est assez.	2/18/2022 11:45 AM
74955	Inspired	2/18/2022 11:45 AM

74962	For the better I am willing to make sacrifices so that we can have our freedom to make the choices we feel is best for our family	2/18/2022 11:45 AM
74963	Hasn't affected me at all and other than being an embarrassment for trying to overthrow a democratically elected government	2/18/2022 11:45 AM
74964	In no way	2/18/2022 11:45 AM
74965	I have been so inspired and encouraged by the unity and hope this movement has fostered across the entire country! Never in my life have I witnessed Canadians from all ages, colours, backgrounds, religions and provinces (including Quebec) being so united on one issue. The dividing lines have been blurred, perhaps even removed, because we all want the same thing: freedom!!! Those of us who were born in Canada or grew up here may have taken our rights and freedoms for granted. No longer! And many of those who immigrated to Canada came here because Canada was a free and democratic country! They too are fighting to maintain the freedoms they left everything to attain. We all come together to stand up for our rights, speak out against the tyrants, and fight for our God-given freedoms.	2/18/2022 11:45 AM
74966	It has not!! It has given Canadians hope! It's peaceful and kind just like Canadians	2/18/2022 11:45 AM
74967	Positively, I feel I can breath and I'm not alone	2/18/2022 11:45 AM

74971	Helping give freedom back to Canada	2/18/2022 11:45 AM
74972	It hasn't directly effected me but it has made me feel the unity of a Canada I was once proud of instead of the divide I've experienced over the last two years.	2/18/2022 11:45 AM
74973	Made me have hope again. I cried happy tears a week. Gives me a sense of pride in our country again.	2/18/2022 11:45 AM

74983	It has inspired hope that Canadians can come together even when we have all been effected for different reasons	2/18/2022 11:45 AM
74984	no	2/18/2022 11:45 AM
74985	It has lifted my spirits. It gives me hope. These modern day soldiers fight for our freedoms while the government and police fight for total control. We want our lives back. Gos bless these courageous soldiers fighting in the freezing temperatures for you, me and all of Canada.	2/18/2022 11:45 AM
74986	Made me want to stay in canada	2/18/2022 11:45 AM

74992	It has provided an outlet of love to many Canadians and to the world.	2/18/2022 11:45 AM
74993	Brought so much love and unity to our country! There is hope for a brighter future!!	2/18/2022 11:45 AM
74994	I believe it helped to lift mandates in this province and force officials to review health facts	2/18/2022 11:45 AM
74995	Not directly but when jobs are affected who wouldn't fight for their job? It takes a lot of courage to speak up on what you believe.	2/18/2022 11:45 AM
74996	Has made me proud to see Canadians stand up and voice their concerns and stand up for us all.	2/18/2022 11:45 AM
74997	It hasn't here.	2/18/2022 11:45 AM

75004	It has given me hope.	2/18/2022 11:44 AM
75005	It began peacefully with the need to be heard, and for the mandates and passports to end. It was corrupted when Trudeau did not immediately listen, and by the small violent percentage. The media focused on hatred, violence and the swastika. Shameful.	2/18/2022 11:44 AM
75006	Given hope that there is still non fearful people in our country	2/18/2022 11:44 AM

75029	It's given me hope that has been missing for 2 yrs now that somebody can fix this abuse of power by our govt. I wish I could go to Ottawa and support the truckers.	2/18/2022 11:44 AM
75030	They are standing up for my freedom and rights and I fully 100% stand with them.	2/18/2022 11:44 AM

75034	It hasn't	2/18/2022 11:44 AM
75035	The truckers convoy has given me hope. Seeing all of the Canadians supporting truckers brought tears to my eyes. And I find the government's hate filled response to be shameful. Not even a discussion with the representatives for the truckers. The misrepresentation by the government and main stream media of the actual actions of the truckers is disgraceful.	2/18/2022 11:44 AM
75036	It has given us hope that all mandates will be lifted. It has made me feel proud to be a Canadian. They are of Soldiers to Peaceful Resolution!!!	2/18/2022 11:44 AM

75052	I am a 45-year truck driver. Owner operator essential food distributiont, 10 years. Convoy is giving me hope,	2/18/2022 11:43 AM
75053	I went twice to see the protest triggered by truckers. It was the first time since March 2020 that I felt a connection to people again. It gave me hope that we all could live our life without worries. I didn't see any hostile people at these events, not anything that would endanger anyone. The events were 100% different from the picture that the legacy media painted. I felt happier, finally.	2/18/2022 11:43 AM
75054	Given so much hope and finally a sense of unity that there are others out there also willing to fight against the tyranny.	2/18/2022 11:43 AM

75065	I support it 100%. Ther fighting for all of Canada's freedoms which is our rights.	2/18/2022 11:43 AM
75066	For the first time in 2 years I seen a remnant of people rise up and say enough, no more, has made me feel hope again in Canada. Feeling like there are still wonderful strong steadfast Canadians who have integrity and have throughout the entire time increased Joy and enthusiasm and again hope that this country will not slip entirely without a fight into total dictatorship and tyranny has blessed my heart and given me the courage to stand up for my own rights as well. I have watched closely with live feeds and seen that these are good outstanding Canadian citizens that have been demoralized through the PMs rhetoric and terrible leadership. The Jericho March over the last week has been inspiring and triumphant. I will always choose to stand with someone who believes in Freedom and our rights to it as Canadians.	2/18/2022 11:43 AM

Canadians vote on Canadian Mandate - February 2022

75118	It's given me hope that our lives can go back to normal. I don't think Trudeau ever intended to end the travel mandates.	2/18/2022 11:42 AM
75119	Giving me hope. I know God is in control and He wins in the end. He is using the truckers to accomplish His purpose	2/18/2022 11:42 AM
75120	Gave me actual hope for a future with love, peace and freedom.	2/18/2022 11:42 AM
75121	Put a huge smile on my face !! About bloody time Canadians realize exactly what's happening politically in Canada and around the world !	2/18/2022 11:42 AM
75122	Gave me hope for humanity	2/18/2022 11:42 AM
75123	I am so proud of all Canadians protesting the mandated	2/18/2022 11:42 AM
75124	The Convoy gave me hope. It raised my spirits just watching the live feeds of happy, flag waving Canadians lining the overpasses and highways cheering the truckers as they passed through the cities and towns. I had hoped that the members of parliament and PM would have a dialogue with the Convoy. 120,000 people donated to the gofundme for an average donation of \$85. I do not believe that half of them were American. But let's say only 60,000 were Canadians - any politician in Ottawa would be ecstatic if 60,000 people showed up to one of their campaign events. But they wouldn't step outside of the Partman building and go and speak with the convoy to hear what they were there for. Instead they assumed that they were violent terrorists. I am so DEF disappointed in the government.	2/18/2022 11:42 AM
75125	It has opened my eyes to the corruption and lies we are being fed by the government through the media and made me appreciate what the convoy is standing for. Our freedoms have been subtly taken from us by the erosion of our basic family units. Following the trucking convoy and the government's responses has taken up a lot of my time and caused me to pray for this great country of mine- for its leadership, its unity, its citizen's safety, and for God to have His hand on us as we strive for healing.	2/18/2022 11:42 AM
75126	It has finally brought some hope back into my life that there might be a life worth living again in a free country. I am proud to be Canadian again not ashamed of it.	2/18/2022 11:42 AM
75127	It has given me hope, i feel as though it has created a unity as where our PM has only sown hatred and division. I support the peaceful protest.	2/18/2022 11:42 AM
75128	Given my family hope	2/18/2022 11:42 AM
75129	It has given me hope! Finally, HOPE! And "magically" there is an actual date for the restrictions being lifted! They say it is not from the convoy, but it is. I pray they don't extend these dates, I pray everything stays in place. Let our children breath again!	2/18/2022 11:42 AM
75130	It has given me a glimmer of hope and a massive sense of community. It has given me a renewed energy to continue speaking out about our corrupt government and corrupt health care system as well as renewed strength to fight for my human rights	2/18/2022 11:41 AM
75131	They are giving all of frustrated and defeated Canadians hope and a voice to be heard to hopefully fight to end this craziness our Premier has created!	2/18/2022 11:41 AM
75132	I am a Truck Driver	2/18/2022 11:41 AM
75133	The trucking convoy has reassured me of the unity of Canadians. It has made me pay more attention to the debates and decisions made in our parliament.	2/18/2022 11:41 AM
75134	Hasn't	2/18/2022 11:41 AM
75135	Made me have hope for the future of all Canadians. Since they began I am proud of my fellow Canadians again. The love and unity they have spread is absolutely needed for all of humanity.	2/18/2022 11:41 AM
75136	Inspired, not alone in my beliefs and values. Given hope that people can make a difference, and to expose the lies and see the truth.	2/18/2022 11:41 AM
75137	It hasn't directly affected my life, I believe in what they are doing to protest freedom.	2/18/2022 11:41 AM
75138	Made me happy again and have some pride over my country	2/18/2022 11:41 AM
75139	Giving me back HOPE and FAITH!!!!!! A reason to go on another day!!! To stand strong and hold the line TOGETHER.	2/18/2022 11:41 AM

Canadians vote on Canadian Mandate - February 2022

75140	Made me proud to be Canadian again.	2/18/2022 11:41 AM
75141	I believe it has shed a light on the mismanagement, overreach and coercion tactics that this government has pushed on its citizens without taking in consideration the collateral damage of these mandates. The whole time protecting our health system but investing little to solve the problem. No investments in healthcare, ppe or domestic vaccines. Our PM's lack of action with protestors has shown our pre-minister is not for Canadians, instead he chooses to push rhetoric, division, and negativity. He has divided a country. The convoy has awakened and united people from all walks of life, ethnicities and vax status. It has also shown the CBC is no more then a government funded propaganda machine. People have more sources then cbc. Wow! My sense of Canadian pride is overflowing.	2/18/2022 11:41 AM
75142	It gave me hope that there are still sane people left in Canada, who will fight against this communist/globalist tyranny. The "Great Reset" must be stopped.	2/18/2022 11:41 AM
75143	Made me even more aware of corruption in our government leaders	2/18/2022 11:41 AM
75144	It's given me hope for the human population. It's helped people wake up	2/18/2022 11:41 AM
75145	It didn't affect me at all It gave me hope for the different future.	2/18/2022 11:41 AM
75146	Showing me that Canada can unify as one. I have lost hope in our country over the last 10 years. But now I'm proud of being a Canadian again. It's the same feeling of when I was younger, starting to travel and being proud of having a Canadian flag on my back pack. Freedom!	2/18/2022 11:41 AM
75147	Gave me hope	2/18/2022 11:41 AM
75148	It has given me hope that there are more people than I thought "Awake". For the longest time, I felt alone in my convictions, but see that there are many of us that demand our Freedoms back.	2/18/2022 11:41 AM
75149	It hasn't	2/18/2022 11:41 AM

75157	Hope being proud of something again	2/18/2022 11:41 AM
75158	The trucker Convoy has not affected by way of living in a negative way but if it lifts restrictions that it will affect my life in a positive way	2/18/2022 11:41 AM
75159	Gave hope for freedom and hope bringing people back together. The Prime Minister has caused nothing but fear, division and hate. He needs to go now!	2/18/2022 11:41 AM
75160	It has given me hope. I saw unity and love for the first time in a long time when I visited downtown. I felt proud to be Canadian for the first time in a long time.	2/18/2022 11:41 AM
75161	My hope is in Jesus and I feel God is using them to bring hope back. So incredibly grateful. They don't want to be there but are there to bring us our freedoms back.	2/18/2022 11:41 AM

Canadians vote on Canadian Mandate - February 2022

75195	The convoy was the first ray of hope, the first light, the first awareness that I was not alone in how I felt, for a very long time. To see so many diverse souls standing together in peaceful protest was a profound moment.	2/18/2022 11:40 AM
75196	making me happy and hopeful	2/18/2022 11:40 AM
75197	It created a Positive feeling that we still have a chance, An acknowledgement that we are not alone, The federal governments reaction showed me that Canadian values rights and morals will be infringed upon by governments. We are not a democracy any longer. The way the citizens of Ottawa reacted to the inconvenience of the demonstration revealed the gap in our ideologies and demonstrated why democracy has failed in Canada. The blind faith in the liberal government from Ottawa citizens explained to me why we have become so dysfunctional at the federal governmental level. 1 province 1 vote must be enacted for the allocation of seats in the house or separation must be considered. We can no longer be ruled by narrow minded, hate filled, narcissists. Corruption is rampant in the east and in the federal government. It's a cancer that must be removed in order to support a healthy social environment. There exists a huge gap in our values and motivations, east to west. I personally do not believe a bridge can be built to span these differences after watching, seeing and hearing eastern Canadians reactions to a peaceful protest for rights and freedoms. The protests revealed the big ugly that lurks in the shadows, behind the House of Commons. This is not my Canada, nor will it ever be. We are actively searching for a new country to relocate to as a result.	2/18/2022 11:40 AM
75198	It has given me hope.	2/18/2022 11:40 AM

75227	They are the only glimmer of hope I've had in 2 years. I was having multiple breakdowns a week worrying what the future would hold in the rapidly-turning-communist country we're in; my anxiety has subsided quite a bit seeing how many other people feel the same as me & how many are willing to fight for us.	2/18/2022 11:39 AM

75246	Brought Canadians together! Gave me hope. Made me smile again. Love how peaceful it has been.	2/18/2022 11:39 AM
75247	They have inspired me and given me hope. I have felt very alone for the last two years. I have lost friends and family due to the divisive political agenda of the liberal government. They have manipulated everyone. I do understand that there are some individuals with bad intentions who tried to align themselves with the convoy. I don't feel that they are a threat in any way and trust that others are trying to ensure they leave as soon as they are identified. They have remained peaceful and kind throughout the entire protest. I am appalled at the behaviour and words our prime minister has used and feel he is a danger to Canada.	2/18/2022 11:39 AM

75253	I don't live in Ottawa so really NO effect. But I have felt compassion for those affected, and also horror at how the the politicians have handled it. Great respect for truckers.	2/18/2022 11:39 AM
75254	They are the hero's.	2/18/2022 11:39 AM
75255	The truckers gave me hope again. The truckers have brought us all together again. Reminding us how many people love and care for one another. I have not felt this happiness for 2 years. They are all amazing people, brave and positive role models. They have showed us we all have a voice and to use positivity and kindness to express ourselves. I have never been prouder to be Canadian because of the Truckers. Love always prevails ♥	2/18/2022 11:39 AM
75256	THEY HAVE MADE US PROUD TO BE A CANADIAN AGAIN AND BROUGHT BACK OUR FAITH IN HUMANITY!	2/18/2022 11:39 AM
75257	No	2/18/2022 11:39 AM
75258	They have given me hope that my country has not been lost to those that would deny the freedoms enshrined in the charter and made possible through the sacrifices made in two world wars and other conflicts.	2/18/2022 11:39 AM
75259	Given me hope that humanity is finally seeing the truth	2/18/2022 11:39 AM

75262	Given me more than Hope. I am confident this is where " We The People" are heard and honored. We are the Beings who pay for this economic infrastructure, WE are the ones who get the privilege to choose what our lives look like!	2/18/2022 11:39 AM
75263	The convoy has actually shown me how the government actually has the capability of power to control us like we are his minions. It has made me rise up both spiritually and politically.	2/18/2022 11:39 AM
75264	Gave me hope	2/18/2022 11:39 AM
75265	Seeing everyone come together in unity gave me hope. I didn't realize that SO many Canadians were feeling the same way I was - fed up with the mandates and restrictions that didn't make sense. Fed up with the propaganda on the news. Being controlled and restricted. I had given up and was ashamed to be a Canadian. My husband and I had considered at different times possibly moving to another country. When I saw the support building for the convoy; the flags, full over passes, celebrations, prayers, dancing in the streets... I cried. I felt hope and joy and PRIDE in my country for the first time in years. I knew I wasn't alone. I saw people I know speaking out after two years of silence, I saw reconciliation between family members and friends who had been estranged over the restrictions. And I saw the world watching us - Canadians, who are known for peace and kindness peacefully standing up and saying Enough! Leading to other convoys internationally. Canadians did what they were supposed to, now we have enough information and tools to be able to live with the virus. Just let us get back to our lives.	2/18/2022 11:39 AM
75266	This convoy has given people hope for the first time in over 2 years. It has also brought people together from all walks of life by spreading peace, love and unity	2/18/2022 11:39 AM
75267	They are forcing the govt to at least look at the situation at hand. It seems to be spreading globally. These mandates need to end now.	2/18/2022 11:39 AM
75268	Given me hope that we will once again live in a free country	2/18/2022 11:39 AM
75269	I am in favour of the trucker convoy and 100% support this peaceful protest. They have made a difference already. How many provinces have dropped mandates or eased them? We started moving in the right direction because of the convoy.	2/18/2022 11:38 AM

75281	It makes me sad, upset and embarrassed in the eyes of the whole world that people in CANADA can be so selfish and destructive and not consider better ways of communicating. It's their actions that caused the emergencies act. Something's gotta give. Enough is enough.	2/18/2022 11:38 AM
75282	It gave me hope that we could end this bullshit.	2/18/2022 11:38 AM

75317	It's giving me some hope that we can show our disapproval of government overreach and its strength in pushing provincial governments to removing restrictions. vaccinated. I choose what I want to do with my own body and that is not taking the governments experimental graphine oxide mercury covid spike replaced by their synthetic anti bodies inside of me. Masks have caused my nose to constantly run, sore throats. Mentally affected my whole life, it's my body my choice I know what Pfizer and put in the experiments and that is all it is. My aunt passed away and I was unable to see her. I have had thoughts of suicide how to escape living isolated because of my numenmburg code ripped away by Trudeau. Watching people drop dead after the experiments that were used on rats and farrets now Watching humans die from the poison chemical shots. The vars are hidden and thousands of files of death deleted from the experiment shots. I have become an angrier person that's out of my character damaging relationships jobs and my entire life. I have strong anti bodies I never get sick and I do not need Trudeaus elites to replace them with synthetic ones to keep depending on the shots as they will kill every healthy red blood cell I'm my body including killing my own God made anti bodies. I will die before they force their chemicals in me just to be experimented on for their purposes. I have had many great job opportunities but have been turned down because I chose not to take their deadly chemicals inside my body. I took a part time job I cannot afford to live on 580.00 every 2 weeks. It's not my fault I can't get a good full time job because it's my body my choice to stay healthy. My ei was 570 every 2 weeks. Trucking convoys have encouraged me all the proper standing up against Trudeaus tyranny and faucii all the rich elites killing as many population as they can I'm this genocide. I will not budge and thank all the trackers from the bottom of me heart. It hurts me to see the government treat them cruel with threats and backed up with more false accusations so they could arrest a peaceful protest. People who put their lives on the line for us fighting for our humanity are being punished on their false narratives. We do not want to die like the guinie pigs for their selfish sick pandemic plans. Take Trudeau out he has destroyed Canada dividing Canada. How much more tyranny !!!! God save Canada.

75440	I have been following along closely and I feel this has been the turning point of bringing Canadians together once again! All races and nationalities, both the vaccinated as well as unvaccinated, young and old, all religions! Literally all Canadians coming together to spread love and hope! The vast majority of the people just care about one another and all Canadians! I have seen other movements which I support that have turned very violent and wrong, but this has been 3 weeks of positivity from what I have seen! The odd person who had nefarious intentions was not a part of the collective and was denounced immediately. It has been amazing to see the hundreds of thousands of people who gathered and even with that amount of people with emotions high, so much positivity was shown, feeding the homeless, crime had gone down, cleaning the streets, hugging, laughing, dancing and standing up together and for one another. Gives me hope for Canada again.	2/18/2022 11:35 AM
75441	It has made me realize that so many people have been affected by this and are now trying to be a voice and stand up for one another and our government only cares about being a dictator.	2/18/2022 11:35 AM

75470	They got the mandates slowly taken down apparently so thats great that they could impact so many people into changing their minds on things. Everyone gets sick thats on them if they dont want to get any vaccines. But all citizens should not be punished for those actions. 75499	Hasnt	2/18/2022 11:34 AM
75500	It at first gave me hope that the government would listen and take those concerns into account, but now it appears they have no interest in doing so, unfortunately. As long as they remain peaceful, I support their right to protest.	2/18/2022 11:34 AM
75501	Gave hope that changes may be on the horizon	2/18/2022 11:34 AM
75502	It has. Brought me the hope that our lives will be returned to normal and to eliminate both our federal and provincial governments that are trying to bring in communism. If I was in better health I would be there too.	2/18/2022 11:34 AM

75514	It's disappointed me. It needs to end.	2/18/2022 11:34 AM
75515	Really shows how bad Trudeau is acting like a spoiled child instead of a man and tslk to Truckers. He has done more damage to Canada in the last 3 days than two years of mandates and the whole trucker episode across Canada	2/18/2022 11:34 AM

75585	Gave me hope	2/18/2022 11:32 AM
75586	Its given me hope!!! The mandates are dropping in our Province. The core purpose of removing mandates is something I agree with. I didn't agree with the blockades at the border or anyone who wanted to overthrow the government. Medical Freedom is a basic human right. I felt heard by those Truckers who went to Ottawa. Like I had a voice. I have been investigating the Charter of Rights and Freedoms. I'm educating myself as a Canadian Citizen. This is something new for me. I didn't know I'd need the power behind the Charter to live a normal life. I can thank the Freedom Convoy for bringing these rights to life. I feel more love for my fellow Canadians.	2/18/2022 11:32 AM
75587	Given me hope	2/18/2022 11:32 AM

75629	Nil	2/18/2022 11:31 AM
75630	They are inspiring me to stand up to the things that I feel passionate about. Which is the fact that the government doesn't listen to its people! It makes decisions with Out consulting people and only for financial benefit	2/18/2022 11:31 AM
75631	I HAVE HOPE. I AM ONCE AGAIN PROUD TO BE CANADIAN whereas for the last several years under Trudeau's government I have NOT felt like a proud canadian, In fact we have seriously considered moving overseas. I am tired of my province being the dumping ground of Quebec and Ontario. This is the first time in almost a decade that I have felt love for my country and pride in being canadian. I actually WANT to go to Quebec for holiday now.	2/18/2022 11:31 AM

75648	Inspirational. We are all not free until we are all free as Canadians. We, the people should have a right to make our own decisions. I will let you decide but please, allow us as free citizens to decide also for ourselves. Thank you so much for caring enough to read this and allow Canada to remain a free country without prejudice, bias, and discrimination for our fellow citizens	2/18/2022 11:31 AM

75653	Given me hope in Canada and in humanity	2/18/2022 11:31 AM
75654	It has brought such joy and hope, seeing Canadians come together to support what is right and peacefully standing up against the overreaching, power hungry Trudeau. It has showed me that no I am not alone for thinking what's happening is not okay. The mainstream media has not been displaying unbiased journalism, rather changing the narrative to be the opposite of what is truly going on.	2/18/2022 11:31 AM
75655	They have given us hope again.	2/18/2022 11:31 AM

75657	Found my voice	2/18/2022 11:31 AM

75660	It has given me hope.	2/18/2022 11:31 AM

pandemic is handled.

75670	It has brought hope for change	2/18/2022 11:31 AM
75671	I cant even express what the convoy has given me in relation to hope. I have had very bad thoughts i have never encountered before. I am very fortunate to have a wonderful family that kept me going. This convoy has given me my old spirit back in more ways then I ever thought. I went there to experience and be apart of the media. It changed my life. Love and light is all I had in my heart before and this last 2 years drained me of it. Now we are starting to get angry. We can't joke after 21 days of being ignored anymore. Marshall law is starting to be declared on us peaceful ppl. The great awakening is happening. I will not stand down!	2/18/2022 11:31 AM
75672	They have given us HOPE! That maybe our country can come back to the beautiful place it once was , they are standing up for all of us that have been turned into second class , they represent the majority of Canadians in word and deed they are kind and God fearing and hard working that is Canada. I support them 100%	2/18/2022 11:30 AM

75678	It has given me HOPE & an outlet to believe we stand a chance against COMMUNISM. Actually I attended the convoy last weekend & was thoroughly impressed. Never have I felt such connection, patriotism, love, belonging& pure joy.	2/18/2022 11:30 AM
75679	Gives me hope	2/18/2022 11:30 AM
75680	Given us hope, realized I wasn't the only one opposed to the draconian measures, that never have made sense. From about a month in you could see this was more of a power grab than keeping people safe and hospital numbers down. These truckers are our way forward out of this. They continually show peace and love even when our Prime Minister and politicians lie about them, steal from them intending harm and arrest them. I've never seen anyone be arrested so dignified because they believe in what they are standing for. They help me have a loving attitude toward these people in parliament even after all they've done. And finally them standing up in love and peace has allowed me to get my job back and my daughter get to go back to school and my youngest finally gets to have her surgery hopefully. So thankful what they are doing!	2/18/2022 11:30 AM
75681	They have made me hopeful that government will lift restrictions which were way too harsh after the first year in me and my friends opinions!!!! I feel terrible that I had to come to this but the government does not want to listen to the people it only listens to the people who agree with them! All the truckers are asking for is The freedom to make their own choices and not be persecuted or punished for it!!!	2/18/2022 11:30 AM
75682	For the better of Canadians, and myself!!!!	2/18/2022 11:30 AM
75683	It hasn't they have the balls to stand up when our Nazi prime minister doesn't	2/18/2022 11:30 AM
75684	the passion of those people to change our way of life back to normal and have the freedom that our country was founded on	2/18/2022 11:30 AM
75685	Given me hope, pride in Canadians, grave concern about the governments reaction to peaceful protest	2/18/2022 11:30 AM
75686	I believe that for the first time in History people are fighting for our right to freedom without the use of guns and other forms of deathly violence. I am proud to be a Canadian.	2/18/2022 11:30 AM

75868	Gave hope	2/18/2022 11:27 AM
75869	Restored my hope and loyalty to my country. Gave me courage to speak up. Showed me how dangerous and totalitarian the Trudeau regime really is. Showed me how faith and love is the only way through this.	2/18/2022 11:27 AM
75870	This has given me hope	2/18/2022 11:27 AM
75871	Not at all	2/18/2022 11:27 AM
75872	It hasn't	2/18/2022 11:27 AM
75873	Positively	2/18/2022 11:27 AM
75874	It's great, it's amazing to feel happens and love again. It's been a positive boost to the mural of Canadians. It brought hope back to a country that had once lost all hope to being able to live freely again. Freedom is a great thing.	2/18/2022 11:27 AM
75875	They are amazing and thank you to all that are involved in helping to get our freedom back♥♥♥	2/18/2022 11:27 AM
75876	They have given me hope that there are still good people that haven't been beaten into submission by a corrupt government. They are amazing freedom fighters who have scared the coward Trudeau so badly he is lying and gaslighting the media into thinking they are a horror beyond description. They are not. They are peaceful protesters that are parked on the street and holding signs. Our PM can't even talk to them -he is a disgusting worm that needs to be brought up on charges immediately.	2/18/2022 11:27 AM
75877	It has brought hope that we may see lives return to normal and the dictator we call a priminister will hopefully be removed I vote non confidence in him	2/18/2022 11:27 AM
75878	Brought joy, optimism, unity with Canadians all across Canada, faith in the moral fibre of people, courage.	2/18/2022 11:27 AM

75880	The way it has been handled has added more stress and uncertainty to my life.	2/18/2022 11:27 AM
75881	It has actually given me hope again after two years of no hope! I can see we are not alone and we are actually in this together. Not like when the government says"we're in this together" crap. But actually. I saw love and hope. And humans fighting for what is right.	2/18/2022 11:27 AM
75882	Restored my hope in a free country	2/18/2022 11:27 AM
75883	They feed me, they keep parts coming in and material. My family uses their trucks to feed Ontario and the rest of Canada. Your welcome	2/18/2022 11:27 AM
75884	Gave me hope for a better future	2/18/2022 11:27 AM
75885	for the better !	2/18/2022 11:26 AM
75886	Given me hope that the government will stop this tyranny and give our lives back. Everyone has a choice and if I want a shot but others don't, that's fine and vice versa	2/18/2022 11:26 AM
75887	It has giving voice to the people. I see that others are also concerned about government overreach and suppression. I did not like the various blockades at the border, but I do agree with the ongoing protest at Ottawa.	2/18/2022 11:26 AM
75888	I feel so VERY HOPEFUL again...Love those truckers...	2/18/2022 11:26 AM
75889	They probably saved my life. For the first time in two years, I HAD HOPE! A light through the darkness. I had actually contemplated suicide at some point. It pains me to admit that. The convoy, the unity and the kindness they brought back in our hearts gave me hope. For a better futur. Of Peace, Respect, Love and Freedom. The way every human beings should have the right to live. I will forever be grateful to them for their courage and caring.	2/18/2022 11:26 AM
75890	Restored Pride In Canadians	2/18/2022 11:26 AM
75891	Has given me hope! Canada is uniting because of their bravery	2/18/2022 11:26 AM

Canadians vote on Canadian Mandate - February 2022

75893	An inspiration.	2/18/2022 11:26 AM
75894	Given a feeling of hope that there are many concerned and fighting for our freedom in Canada from a government that is geared to destroy everything Canada stands for	2/18/2022 11:26 AM
75895	My only glimmer of hope. GOD BLESS THEM	2/18/2022 11:26 AM
75896	It gives me hope	2/18/2022 11:26 AM
75897	It has given me hope. I felt very alone in my thoughts of the mandates and how the government has handled the pandemic and the convoy has shown me that I am, in fact, not alone at all	2/18/2022 11:26 AM
75898	I agree with how the trucker protest began but due to lack of unbiased media coverage I am unable to decide to say I completely support it.	2/18/2022 11:26 AM
75899	It has given me a little hope, at first, but the federal government reaction has dashed that. My province is rolling back capacity's and other measures but has no intention of ending discrimination based on vaccine status	2/18/2022 11:26 AM
75900	Very good	2/18/2022 11:26 AM
75901	Hope encouragement Some mandates dropped	2/18/2022 11:26 AM
75902	It has brought me hope when hope was lost. It has open the eyes of Canadians and the world of the overreach of powers the governments are doing and how much harm they are causing.	2/18/2022 11:26 AM
75903	It has given me hope for the world and inspired faith in humanity. It feels like a spiritual awakening	2/18/2022 11:26 AM
75904	It has given hope and courage to many that have been silenced. It has brought awareness to how corrupt media is. It hopefully exposes the government corruption	2/18/2022 11:26 AM
75905	I finally had hope that something was going to change. Our tyrannical government is way out of bounds. They need to be stopped. They work for us	2/18/2022 11:26 AM

75908	It has given me hope. Hope that Canadians will stand together when it really comes down to it. We had supply chain issues before the convoy.	2/18/2022 11:26 AM
75909	Missing friends dreadfully that were part of the protest	2/18/2022 11:26 AM
75910	It's given me hope again for a better tomorrow and hope my kids can have a future that is unencumbered by government overreach	2/18/2022 11:26 AM
75911	Just proud that they are taking a stand for freedom and NO MANDATES	2/18/2022 11:26 AM
75912	Given me hope that we can have a life again	2/18/2022 11:26 AM
75913	Provid hope	2/18/2022 11:26 AM

75915	It's an absolute beautiful experience to be part of. Feelings of hope, excitement, freedom.	2/18/2022 11:26 AM
75916	Has given myself and the world hope. Have heard of a truck of spoiled bananas at Coutts, but Go Fund Me would have probably Paid for that. Oh Well....	2/18/2022 11:26 AM
75917	I see it as bringing unity to our Nation...	2/18/2022 11:26 AM

75927	Yes, In a very positive way, I was losing hope and they renewed my heart. God bless the convoy	2/18/2022 11:26 AM
75928	Negligible	2/18/2022 11:26 AM
75929	It has given me hope! I am so proud of, and grateful to, these individuals have put their lives and livelihoods on hold and their necks on the line to try and preserve Freedom for us all.	2/18/2022 11:26 AM
75930	It hasn't directly. But, It gave me hope that freedom would be restored to Canadians again. I use to be proud to live in Canada, now i'm scared.	2/18/2022 11:26 AM
75931	Made me proud to see Canadians stand up for their rights and join together, despite media Lies and no covering the truth of the convoy. 9	2/18/2022 11:26 AM

75937	Gives me hope for freedom in the future	2/18/2022 11:25 AM
75938	I applauded those that stand for unity. We need to focus on building back our communities, families, and friendships. This has been one of the most positive things to come from the convoy. To have brothers and sisters of all different races, religions, ages, and sexes come together to support each other, and to have our voices heard is truly heart warming. The convoy has given millions of people world wide hope that we can come together to create a world where we want to raise our children and grandchildren in.	2/18/2022 11:25 AM
75939	Has given me hope that people actually give a crap! I don't feel so alone.	2/18/2022 11:25 AM
75940	It has given me hope and settled my anxiety	2/18/2022 11:25 AM
75941	If government imposes and oppresses the people too long, inevitable push back will occur. I live in Ottawa suburbs so can avoid downtown but empathize with those impacted, early negotiation and recognition could have reduced the timeframe and resolved things peacefully.	2/18/2022 11:25 AM
75942	Give me hope	2/18/2022 11:25 AM
75943	It has given me a small amount of hope	2/18/2022 11:25 AM
75944	In a great way! We see light at the end of the tunnel and hope again. We are proud to be Canadian. After 2 years of being cast aside for our views, uninvited from family events and segregated at funerals, we finally see that there are more of us than the govt ever thought.	2/18/2022 11:25 AM
75945	Brought hope that something might change for the better. Brought relief to see that SO many others think these mandates are past their expiration date.	2/18/2022 11:25 AM

75954	Encouraged my that Canadians will stand up for what is right	2/18/2022 11:25 AM
75955	It has given us some hope for our business to hopefully stay alive another year if these mandated get dropped. It has reminded me of what it feels like to be Canadian, to see and share the love and unity has been unlike anything I have ever experienced in all my life as a Canadian. It has made me feel and realize I'm not alone in this thinking and large feeling of something is wrong and trying to do something about it. This makes me feel part of something bigger then my own circumstances and makes me believe we can actually see the change we have been desperately longing for.	2/18/2022 11:25 AM
75956	It has given me hope. This movement has brought people from all walks of life, all religions, even all countries together like never before. I feel that our world is realizing that most of the division and hatred against others has been invited by the governments and the media they control. Now that the public has united like never before we realize we actually love and support each other and our differences. I have never felt the pride in my country, Canada, like I have lately. I now proudly fly the Canadian flag on my vehicle and if the convoy is successful and freedom is restored I plan to put up a flag pole and proudly fly the Canadian flag for all to see.	2/18/2022 11:25 AM
75957	Given me hope that this draconian overreach of government will end and that our freedoms will be restored !	2/18/2022 11:25 AM

75961	It has filled us with renewed hope and a joy that was shared by thousands upon thousands who supported the truckers from bridges and overpasses.	2/18/2022 11:25 AM
75962	Hope renewed	2/18/2022 11:25 AM
75963	Uplifting. Except for the tyranian liberal government. They need to step down and leave politics. Their not true Canadians.	2/18/2022 11:25 AM
75964	In a positive way. This convoy represents the intellectual side of The Great Reset. People have studied and learned of the Government's intent.	2/18/2022 11:25 AM
75965	It has not. Very proud of the movement.	2/18/2022 11:25 AM
75966	Brought me hope for first time in two years I felt we might get back the Canada we love	2/18/2022 11:25 AM
75967	Gives me hope again	2/18/2022 11:25 AM

75969	No effect.	2/18/2022 11:25 AM
75970	It has given me hope that we will end this ridiculous power grab and stop the deliberate destruction of the middle class.	2/18/2022 11:25 AM
75971	Given more hope and brought unity	2/18/2022 11:25 AM

75988	It has given me hope that change will come.	2/18/2022 11:25 AM
75989	It has given me the moral support to stand for the right to be free and communicate.	2/18/2022 11:25 AM

76005	Greatly	2/18/2022 11:24 AM
76006	Positively! It brought our community together; multi-cultural united ness; gave suicidal people hope; ended drug overdose & depression; made me change plans to take all my money & assets out of Canada because I lost faith in our democratic process; proved that peaceful demonstration can wake up corrupt government; proved that love & compassion still exist in Canadians after Justin's multiple efforts to divide us by pushing hate speech.	2/18/2022 11:24 AM
76007	It has given me hope!	2/18/2022 11:24 AM

76011	Its given me hope. Those are what Canadians want. My entire family works in trucking so its even more dear to my heart. I think they are showing how far apart our government is from ACTUAL Canadians views and beliefs. I am supporting them 100%.	2/18/2022 11:24 AM
76012	Given me some hope that things might change	2/18/2022 11:24 AM
76013	Has not	2/18/2022 11:24 AM
76014	Started well but time to wrap it up. It's starting to fuel the fire. I feel like they have done all they can do.	2/18/2022 11:24 AM

76017	I love them, but now feel threatened for supporting them. Feel like a target	2/18/2022 11:24 AM
76018	Given hope, freedom, seeing true colors of our politicians and Trudeau. Unity with people, friends & family. Teaching my children to stand up for what they believe in. Not feeling fear anymore of authority. Seeing I am not alone. Realize how much Truckers do for society. How little the government doesn't care about the people's voice. Too many ways to list all the positive ways the freedom convoy has affected not only me but my children as well.	2/18/2022 11:24 AM
76019	It provides inspiration	2/18/2022 11:24 AM

76032	Gave me hope	2/18/2022 11:24 AM
76033	It's certainly Good against evil . Can't believe how people are standing together. I have lost total faith in media I always believed what they said but have learned that they manipulate their stories. Boots on the ground tell of a peaceful , loving and happy group of people but the mainstream media portray a bunch of theives, terrorists etc	2/18/2022 11:24 AM
76034	Hope, unity, and pride	2/18/2022 11:24 AM

76036	It's given me hope, the mandates have been removed in Alberta, I also see how main stream media has spread lies, division, and not spoken the truth. I never realized how dysfunctional our government and mainstream media really is. Watching lives in the parliament has really made me aware how hypocritical many in the house are. I hope they will be held accountable against crimes against humanity.	2/18/2022 11:24 AM

76051	It hasn't as I live in New Brunswick.	2/18/2022 11:24 AM
76052	It has inspired hope!	2/18/2022 11:23 AM
76053	Brought historical unity and hope, to expose corruption and strengthen democracy	2/18/2022 11:23 AM

76063	It actually gave me hope.	2/18/2022 11:23 AM
76064	Embarrassed as a Canadian people are behaving badly, impeding on others rights & way of life, and unkind in public. They are thinking narrow minded... this covid virus started in 1 country and stopped the world by spreading everywhere. The no crossing without vaccination is to get the world back up and running safely and stopping the spread.	2/18/2022 11:23 AM
76065	Made me proud to be Canadian until it was all shut down with an illegal emergency order that the parliament has simply acquiesced to... So now I'm afraid and sad	2/18/2022 11:23 AM
76066	Trucker's convoy gave hope that the situation will be fixed and human rights restored and life will be back to normal. However actions of Canadian government showed clearly that: Canada is actually a dictatorship, very similar to former USSR. You can be arrested for nothing, there is no freedom of speech, your bank accounts can be frozen, meaning your money is no longer safe in this country and you can be deprived from essential things just because the government decided so.	2/18/2022 11:23 AM
76067	Gave me hope of a brighter future.	2/18/2022 11:23 AM
76068	The trucking convoy has given me hope. It is amazing that it has inspired the global population	2/18/2022 11:23 AM

76072	It has given me hope for a better Canada	2/18/2022 11:23 AM
76073	It is encouraging to see people willing to fight for our freedom to choose what we want. I know too many people who have lost their jobs and have been forced to take the vaccines when they did not want to.	2/18/2022 11:23 AM
76074	It hasn't	2/18/2022 11:23 AM
76075	I don't find it any difference.	2/18/2022 11:23 AM
76076	It has given us hope for the future, and so wonderful to see Canadians come together to support each other rather than cause further divide. We continue to pray that JT steps down as "leader"	2/18/2022 11:23 AM
76077	Supported a hope in back to normal life and democracy.	2/18/2022 11:23 AM

76081	It's given me hope. Seeing love and unity has touched my heart. The news outlets and our prime ministers hate speech has left me feeling sad that there's such hateful people in this world.	2/18/2022 11:23 AM
76082	I support them 100%.	2/18/2022 11:23 AM

76093	It has given me hope that people are waking up to the atrocities that occurring and have been occurring for years.	2/18/2022 11:23 AM
76094	Given hope and unity that we can turn things around for the better!	2/18/2022 11:23 AM
76095	Not much, I own my company and have been too busy with work and volunteer work to be much of a part of it. I tried to forewarn those heading out that thus was a trap and to be cautious about it. As we see nkw, this played right into JTs hand, as he expected. Aside from that I enjoy honking at other proud flag wearing vehicles as we pass by. That's my people.	2/18/2022 11:23 AM
76096	It has brought back hope and unity for our country! Uniting Canadians.	2/18/2022 11:23 AM

76097	I see hope in people again. I see people coming together again. Smiles. My anxiety is down just by being able to see faces outside of my household. I feel hope for normal due to Canadians although I have zero trust in my government. At all.	2/18/2022 11:23 AM
76098	Gives me hope. They are not a malicious group of people like the media makes them out to be.	2/18/2022 11:23 AM
76099	It has given myself and millions of true Canadians hope that with the power of the people we will get our Canada back from the dictatorship that Justin is rapidly steering us towards.	2/18/2022 11:23 AM
76100	Nothing directly. They have made a sacrifice for Canadians and the world by their example. Given us Canadians hope and the world hope. They have given me hope.	2/18/2022 11:23 AM
76101	Unaffected	2/18/2022 11:22 AM

76105	Gives me hope that people are awake to the greater agenda.	2/18/2022 11:22 AM

76107	It has given me hope again that common sense has returned to this upside down world.	2/18/2022 11:22 AM
76108	To see the unity and family oriented freedom stand is heartwarming. I am now again a proud Canadian. I am not proud of our governments in any way.	2/18/2022 11:22 AM
76109	They stood up for us and now I can eat in a restaurant again and be around people again.	2/18/2022 11:22 AM

76112	Given me a sense of Hope, unity and represents the true North strong and FREE	2/18/2022 11:22 AM
76113	It has given me hope that others are able to see how broken our country and our countries leadership is. Democracy has been usurped by ideology. If you do not agree you are punished. Does this sound like a free country. Our Charter of Rights and Freedoms is no longer in effect under both our provincial and federal governments. We grieve for all that has been lost and pray that it will be restored peacefully.	2/18/2022 11:22 AM
76114	Use the Canadian flag by the. Is a embarrassment	2/18/2022 11:22 AM

76118	I don't know yet, it depends on whether or not they will be able to change anything for the better (i.e. bring back normal life and cause the mandates to be lifted permanently and freedoms restored); TRUDEAU MUST GO AND NEVER GO BACK, we need a new PM...	2/18/2022 11:22 AM

76127	It's only been positive. Gave me hope. Helped show the true colours of our leaders	2/18/2022 11:22 AM
76128	It hasn't other than giving something to get behind in that someone needed to take a stand and they galvanized those that are like minded	2/18/2022 11:22 AM
76129	It has finally given me hope for bringing back freedom to Canada.....freedom for my children and grandchildren so they don't have to live in Communism.	2/18/2022 11:22 AM

76131	I support the right to peaceful protest and I am angry at the way the prime minister has treated the subject and the people. He is not a leader and that's sad.	2/18/2022 11:22 AM
76132	It has been a blessing to watch them fight for the rights of all Canadians. I support them 100%. Trudeau needs to be taken out of office as he has committed too many crimes against Canadians and sends too much of our money to support issues he doesn't support in our country.	2/18/2022 11:22 AM

76143	Its given hope and forced Alberta to lift some restrictions.	2/18/2022 11:22 AM

76145	It hasn't	2/18/2022 11:22 AM
76146	The possibility of hope of an end to the mandates	2/18/2022 11:22 AM
76147	I have had a permanent smile on my face ! It is the best thing that has happened since the beginning of all this so called epidemic. I am hopeful for our Canada!	2/18/2022 11:22 AM

76153	Gave me hope! Pulled me out of my depression! A feeling of love and pride! I'm so proud of Canadians right now!	2/18/2022 11:22 AM

Canadians vote on Canadian Mandate - February 2022

76154	it has given me hope and encouragement	2/18/2022 11:22 AM
76155	It hasn't affect anything in a negative way for me, I live in the west end Ottawa so I wasn't affected by the honking or blocking of roads but I went to support finally ppl fighting for my rights, I was starting to feel very defeated & all they're doing is giving me hope. I'm so proud to be a part of this!	2/18/2022 11:22 AM
76156	They are making changes. They are fighting for our rights and freedoms. Not just the vaccine. Please keep fighting for those of us that can't.	2/18/2022 11:21 AM
76157	I am glad they are putting pression. I am totally disappointed with the PM for his refusal to update himself of the now found truthfulness of the trial science as many other countries leaders are doing and his totalitarian dictatorship. It could have been ended immediately if he was a true leader instead of making all sorts of wrongful statements and create division.	2/18/2022 11:21 AM
76158	Gave me hope that Canada will once again be a great country of the strong and free.	2/18/2022 11:21 AM

76160	Given me greater Hope for the Future of this once great country and especially for my Grandchildren. Unfortunately, it seems that our current government members are totally committed to turning us into a Totalitarian Communist 3rd World Country.	2/18/2022 11:21 AM

76162	If I could've been there I would've been there with them	2/18/2022 11:21 AM
76163	It has given me hope again. These peaceful protestors who are willing to lose everything to gain freedoms and rights that are enshrined in our charter and constitution but which have been taken away by politicians benefiting from this "pandemic". I am thankful for the truckers.	2/18/2022 11:21 AM
76164	Made me hopeful and I hope they shut down the whole country.	2/18/2022 11:21 AM

76176	It's given me hope for the future.	2/18/2022 11:21 AM
76177	They haven't at all. I think they're doing wonderful things supporting Canadians and what Canada is about.	2/18/2022 11:21 AM

76188	They've given me hope. They've made a difference whether the prime minister wants to admit it or not. Provinces are lifting mandates and trying to open this country back up. Truckers are giving us a voice.	2/18/2022 11:21 AM
76189	I feel like I'm not doing my part to help maintain our charter freedoms. It pains my heart, but brings me closer to God. I pray for my neighbors more, and for the politicians to wake up.	2/18/2022 11:21 AM

76193	It's given us hope	2/18/2022 11:21 AM
76194	It has given encouragement for the people's voice to be heard but sadly, the RULER only continues with his hard nosed agenda even while many Countries around the world are now abandoning mandates upon realizing that vaccinated people are equally able to be infected and to infect. Case closed, we need the mandates removed!!!	2/18/2022 11:21 AM
76195	It has given me faith that Canadians are in this together and showed the love between Canadians the Liberal Government has tried to strip us from.	2/18/2022 11:21 AM
76196	It has given me hope and pride.	2/18/2022 11:21 AM
76197	The trucking convoy has renewed a sense of hope for my country that I felt was totally gone. We've even considered finding a way to leave Canada, but I believe this convoy and all the subsequent convoys are going to free our county. But it needs to start with our Prime Minister being voted out immediately. We all know he's being controlled by a very evil organization and it needs to stop.	2/18/2022 11:21 AM
76198	Love it for the k e there for peace, love and unity.	2/18/2022 11:21 AM

76204	Well , It was the happiest day I had in 2 years. I woke right up!! I thought thank god, people are going to finally standing up and doing the right thing. They are my true Canadian modern day Heros in my eyes. This covid has people so brainwashed, its scary. Wish i was in Ottawa feeling like a true Canadian.	2/18/2022 11:20 AM
76205	It's given us hope for positive change back to normal. It's rallied the world around us! It's shown all of Canada that Main stream media is a joke when government funded, and that Liberalism is a cancer.	2/18/2022 11:20 AM

76223	They give Canadians hope that we do have a choice in this country, and for Trudeau the coward to bring it to this is totally disgraceful. He is a liar , a thief and a total disgrace to our country and he needs to be REMOVED from office today with no pension, no payout absolutely NOTHING as he has stolen from us already far to much.... The truckers were standing up for Canada with Canada backing them for freedom of choice which in this country we are allowed..... Trudeau needs to be charged with treason and put in jail for all the back room deals he has done in office. This is NOT CUBA or any other communist country and this is what he wants but is not going to get if we get our say in this >>>>	2/18/2022 11:20 AM

76324	Given me hope, maybe a light at the end of the tunnel, encouragement, fight for my future, support, something to look forward to.	2/18/2022 11:18 AM
76325	It has been an incredible source of hope that we might be able to regain our democratic rights & freedoms that are supposed to be protected by our constitution & charter.	2/18/2022 11:18 AM
76326	I'm grateful for those that are able to speak or assemble in our Capital around our Parliament, the only place these issues can clearly be addressed. I'm hopeful that our Government will have to acknowledge the true crisis that has crippled our Country, and listen to the people that have been affected by mandates not proven to be effective as previously thought. A Government made to hear the opposing opinion of new information, the devastating effect on the economy, acknowledge the other side of the science and numbers of the possible harm vs benefits, that our people will be able to make a personal health choice without loss of income, or punishment/penalties. Voices that must be heard on the mandates and Vaccine passports are not the answer to the end of Covid or it's variants. These are my fellow people, representing so many of us and how it feels, many of us want to be there, financially unable or scared based on threats of orders of violence for speaking out or even going to Ottawa. Nothing has worked, the people have no choice but to be in our Capital to get answers, leadership. If our processes worked and people could be heard, their opinions weighed and accepted, they wouldn't need to be there, but they must, for their like minded fellow people in a Country with a terrifying future, as no one speaks for them or able to express the total loss and effects on every day life of everyday people. May God have mercy on us all, may our Government start leading our Country the way they should, for the people, a thriving free Country, not just corruption, greed and power as it seems lead today.	2/18/2022 11:18 AM
76327	I supported them it hasn't affected my life but it may when I have no food to eat because of the government Maybe he should worry about his fellows Canadians and let them keep their jobs instead of bringing others over here to take out jobs look after our Canadians	2/18/2022 11:18 AM
76328	Brought back hope and joy to a united Canada. The way I've choked up just thinking about the feeling of unity was the best I've felt in 2 years. Tears of joy. Prayers of hope and humanity.	2/18/2022 11:18 AM
76329	Give me hope that there are a lot of Canadians who feel the way I do.	2/18/2022 11:18 AM
76330	It confirmed the absolute bias of government-funded media and the absolute tyranny of our prime minister and his caucus. It has shown clearly that our MPs DO NOT represent their people but only the party lines.	2/18/2022 11:18 AM
76331	It gives me a but of hope.	2/18/2022 11:18 AM

Canadians vote on Canadian Mandate - February 2022

76399	Made me proud to be Canadian again, haven't been able to say that in the last 5/6 years	2/18/2022 11:16 AM
76400	It has not.	2/18/2022 11:16 AM
76401	It's brought joy seeing Canada come together in a way where our voices are being heard. I've participated in our local convoy demonstration at city hall on Saturdays. Live music, visiting and fun.	2/18/2022 11:16 AM
76402	I live in British Columbia and it hasn't directly affect my life. In all honesty, I think the mandates that were put on the truckers was BS. They have been essential workers from the start 90% of time truckers are spending their job driving or sleeping in their trucks.	2/18/2022 11:16 AM
76403	It has brought a tangible display of Action that no Political leader or influential person has done! It has brought some semblance of hope.	2/18/2022 11:16 AM
76404	It has brought HOPE & instilled a great pride to be Canadian. It has revealed how badly this country has been run & how none of these mandates have been about health & safety.	2/18/2022 11:16 AM

76408	Brought hope. Hope for the future. Hope for freedom. Hope and happiness!	2/18/2022 11:16 AM
76409	I cried with Joy and Hope ... as I was watching the truckers I felt like finally someone is going to do something. I havent felt that happy in the past two yrs. And honestly didn't realize till that moment of seeing the truckers how heavy the burden was on my Soul. I cried huge happy tears. It affected my life in a huge positive way and also for my whole family.	2/18/2022 11:16 AM
76410	It has given me hope that there are other people who feel the same way I do	2/18/2022 11:16 AM
76411	It's been inspirational and eye-opening to what our rates are, I think we live in a world that we know we are lucky to have. So sometimes we think we are so lucky we should just not complain. And that resulted in us blindly trusting our government officials and thinking that some thing like this could never happen to us	2/18/2022 11:16 AM
76412	At least it made me feel I wasn't alone and someone was trying to save us.	2/18/2022 11:16 AM

76421	It has not, show of pride.	2/18/2022 11:16 AM
76422	I support them 1 000 000 000 000 000% It has not affected my life what so ever. If anything it gives me hope I will not have to take a Gene Therapy. I asked my doctor very clearly if it is a vaxx or gene therapy. His response was, gene therapy	2/18/2022 11:16 AM
76423	Not at all.	2/18/2022 11:16 AM

76432	Has given me hope for a better life	2/18/2022 11:15 AM
76433	Arguments at work for and against	2/18/2022 11:15 AM

76439	They have renewed my hope in Canadians. They have confirmed the fact that our human rights have been trampled. They have also confirmed the fact that the government has broken many laws including maleficence. I now KNOW they have been lying to their citizens. Action needs to be taken in arresting all those responsible	2/18/2022 11:15 AM
76440	Disruptive but I support the original cause of choice to get vaccinated. Canada was a free country where Canadians could choose freely how to live, lawfully of course, but the liberals have changed Canada to an almost communist dictatorship. Power corrupts!	2/18/2022 11:15 AM
76441	Positive hope for change	2/18/2022 11:15 AM
76442	It has given hope and unity to so many people, that our government has failed to archive throughout more then 2 years. It has also proven that the pandemic is over as little to non of the people participating have gotten sick.	2/18/2022 11:15 AM

76479	For the first time in 2 years I feel hope. I feel empowered by the Courageous men and women standing up for my rights and freedoms. Standing up for the rights and freedoms my grandparents fought for inn WWI and WWII. This Convoy has showed me how lost our government really is. Standing up for democracy is our constitutional rights. Activating the emergencies act because people are standing up for our rights and freedoms. Our government should be ashamed of themselves to allow that to happen. If Justin Trudeau talked to the protesters and treated the like humans and fellow Canadians. He could have prevented this from getting out of hand. I AM CANADIAN and I fully support this protest. I support the charter of Rights and freedoms! I support freedom in Canada and the world! ♥ ♥	2/18/2022 11:14 AM

Canadians vote on Canadian Mandate - February 2022

76486	It has given me hope that there are many strong intelligent men and women who are willing to go forward to what needs to be done to face the Canadian Governor, Politicians and Prime Minister of Canada to a confrontation. 76554	The truckers have given me hope that we will get to go back to normal!	2/18/2022 11:12 AM
76555	It gives me hope to know there are people in our society who still think that individuals know what is best for their personal medical situation and that medical privacy matters. The government and the news have been perpetrating false narratives that people who don't want this vaccine are evil, don't care about their neighbors, are more likely to carry illness, and it is wrong and painful. You can't say "we're in this together" and simultaneously drive us apart. I believe the convoy stands for my entire families belief that our government has gone too far.	2/18/2022 11:12 AM
76556	Not at all	2/18/2022 11:12 AM
76557	It has given me hope that this tyranny will come to an end.	2/18/2022 11:12 AM

76561	The convoy has given us some hope! They are so courageous and it warms our hearts knowing that all these people are there in person fighting for our rights and freedoms!	2/18/2022 11:12 AM
76562	Positively has given us hope again that we are a free country.	2/18/2022 11:12 AM
76563	The Freedom Convoy has given me hope in these hopeless times. Finally I realize that I'm not the only one with these feelings. I stand with the truckers, I feel it is my patriotic duty to stand up for the rights that my grandfathers and great-grandfathers fought for in the Wars. Every time I go to the protests I feel nothing but peace and love, which is something I have not felt in a really long time.	2/18/2022 11:12 AM
76564	I feel free	2/18/2022 11:12 AM
76565	Brought hope	2/18/2022 11:12 AM
76566	I was proud again to be Canadian	2/18/2022 11:12 AM
76567	It has made me CD proud to be Canadian	2/18/2022 11:12 AM
76568	It has lifted up spirits of Canadians and inspired people all around the world. Such a peaceful way to show that enough is enough. Ya it might be uncomfortable or slightly inconvenient for people who encounter it, but we just spent over 2 years being EXTREMELY uncomfortable. It was time for some sort of movement to push the end to this mess.	2/18/2022 11:12 AM
76569	Hasn't good for them someone had to do something	2/18/2022 11:12 AM
76570	Encouraged me, made me feel hopeful, happy	2/18/2022 11:12 AM

76573	It has given me and so many people I know hope. It has brought us together and it has brought dance, laughter, and connection back into my life. You cannot paint a movement with one brush as the media and government have done. I have seen for myself the love, diversity, and strength of the people supporting this convoy.	2/18/2022 11:12 AM
76574	It gives me hope	2/18/2022 11:12 AM

76582	I think it about time someone stand up for our rights. Nothing but respect for all involved with the convoy.	2/18/2022 11:12 AM
76583	Not at all, I think they have started a great movement of people coming together and fighting for justice	2/18/2022 11:12 AM
76584	I was there for over a week and it was one of the best places I've ever been where it gave me hope for the future of this country	2/18/2022 11:12 AM
76585	It brought joy and pride in being Canadian. It brought hope in this dark time cause by the government.	2/18/2022 11:12 AM
76586	It has brought me hope for healing and a free country again but the governments awful treatment towards them has brought a lot of stress and frustration. I'm so worried for those trying to free us from this tyrannical yet cowardly priminister as he steals their money and throws them in jail.	2/18/2022 11:12 AM
76587	I have never felt more Hope in this country than I do now. This convoy has made me feel proud to be Canadian once again. Even though the media portrays something very different, this peaceful protest has been nothing but that. Uniting Canadians once again!	2/18/2022 11:12 AM

76601	Awesome	2/18/2022 11:11 AM
76602	It has shown me that the people hold the power, and that the government doesn't care unless they feel as if their 'team' is losing.. The convoy is a glimmer of hope.	2/18/2022 11:11 AM
76603	Brought hope and unity	2/18/2022 11:11 AM

76606	Gave me HOPE	2/18/2022 11:11 AM
76607	It has made me happy to see Canadá uniting	2/18/2022 11:11 AM
76608	They give me hope which has been long in coming. They are the only ones in a large enough group of willing people to fight for the Canadians rights for freedom. They have lost so much in fighting for us and are now being treated like terrorists, being called names, locked up and other vile threats from our government. The government doesn't seem to remember that they work for the Canadian people not the other way around. I am today ashamed of being a Canadian because of the illegal actions going on Ottawa. Trudeau needs to be held accountable for the wrongs he has put upon the Canadian people. Hold the Line!	2/18/2022 11:11 AM
76609	It has not affected my life hope they keep fighting for our freedom.	2/18/2022 11:11 AM
76610	It has made me aware of the bias that the government has and how they have poorly judged those who sincerely want what's best.	2/18/2022 11:11 AM
76611	Giving me hope that democracy, togetherness and love prevails	2/18/2022 11:11 AM
76612	It's given me hope we might be able to have a life in Canada even if you choose not to be vaccinated.	2/18/2022 11:11 AM
76613	It has given us hope We no longer feel alone We will be in every convoy to Victoria until this is over	2/18/2022 11:11 AM
76614	It has brought me some hope and proud to be Canadian	2/18/2022 11:11 AM
76615	Glimmer of hope	2/18/2022 11:11 AM
76616	It has given me hope for a unified, free Canada.	2/18/2022 11:11 AM
76617	Love is beautiful and gives hope for better days.	2/18/2022 11:11 AM
76618	It has in a positive way uniting Canadians and giving hope to a peaceful outcome.	2/18/2022 11:11 AM
76619	It has given me hope that I am not alone and that maybe Justice will be done and the Corrupt Politicians will be arrested. I now have faith that Canadian Politicians are listening, I know the rest of the world is.	2/18/2022 11:11 AM
76620	The convoy gives me something hopeful to believe in during a time of impending doom.	2/18/2022 11:11 AM
76621	Positive out look on the future	2/18/2022 11:11 AM
76622	Gave me hope!	2/18/2022 11:11 AM
76623	HOPE. For the first time in a long time I have hope that my child will have the life I had. That all of this will be a distant nightmare. I have seen my child light up and ask so many questions and be filled with hope too, telling me "Mommy it's going to be okay now, the truckers are helping" with a big smile but also breaking into tears when they stole the donations. We love every one of them, my husband is a Veteran and we fully believe they are hero's of Freedom at the same rank. God bless them, we pray for them and are so grateful.	2/18/2022 11:11 AM
76624	It has not affected me at all	2/18/2022 11:11 AM
76625	They have been some of the only ones to take a stand for our freedoms while showing divinity, compassion, integrity, feeding the homeless, and bringing them love by making them feel like they aren't invisible just by listening to them while on the streets in Ottawa. They have stood arm in arm with our very own Canadian Veterans to stand for what we ALL know is true, right, pure, admirable. They have brought an atmosphere of hope to people that felt like they are all alone down in the city from people that came from near and far and united our country because of it! The lies the media keeps portraying are sickening and the exact opposite of what is and	2/18/2022 11:11 AM

has truly occurred. They shovelled and salted the streets of the store owners and yes the noise would have been annoying at times, they were doing their duty as soldiers do in a war. Do you think it's an inconvenience at the time for the people in war torn countries? Absolutely, but it's for a good cause in the end. And thankfully this was done in a peaceful manner. The best type of "war" there could be. And yet the "tyrannical ruler" has twisted and turned the verbiage into lies to make the true north strong and free out to be the bad guys when it is him the hypocrite that is actually just that, "the real bad guy."

76626	They haven't affected my life there actually making my life a lot better because at least there fighting for our freedom so I 100% support the trucking convoy	2/18/2022 11:11 AM
76627	Gave me hope for our country Education for my right that never taught	2/18/2022 11:11 AM
76628	The convoy and all the men and women standing for Our human rights and right's as Canadians have brought so much feelings of hope and joy, and hope is something I had lost in the last 2 years, was sliding down into depression until they came along! I still cry alot about what's happening to our country, but thanks to those men and women, it's tears of joy! They have made my heart swell with pride and made me proud to be a Canadian once again.	2/18/2022 11:11 AM
76629	It has made me damn proud to be Canadian again! Let's go truckers!!	2/18/2022 11:11 AM

76634	I fear for them	2/18/2022 11:11 AM
76635	It has renewed my hope. I felt lost because there didn't seem to be an end in sight. I felt that I was beginning to be face with making decision that would remove me from society. I don't feel the vaccines are doing very much in stopping covid. So to be made to continue getting vaccinated is pointless with a vaccine that no one knows of the effects on people.	2/18/2022 11:10 AM
76636	Gave some hope	2/18/2022 11:10 AM
76637	It has shown there are many others who support ending this political over reach of authority.	2/18/2022 11:10 AM

76649	Given me hope!	2/18/2022 11:10 AM
76650	It has given us hope to know just how many people feel the same way and I love the message of love and peace that they continue to bring as they patiently wait for things to end even though they are portrayed as violent and aggressive. This is simply not true. Also, we need a new leader. Someone who will lead instead of dictate and spread so much hate.	2/18/2022 11:10 AM

76653	Brought some hope and has brought many people together!	2/18/2022 11:10 AM
76654	It gave me hope that there were other people like me...."who take up some space" looking for dialog. I would not have supported any violence. The lengths Trudeau, propped up by the NDP, will go to discredit without any real discussion terrifies me on how far this government is willing to go. I see no future except for the elite...the media, those in power, technocrats.	2/18/2022 11:10 AM
76655	Given hope	2/18/2022 11:10 AM
76656	Positively. It has instilled much needed hope for a bright future for my children.	2/18/2022 11:10 AM
76657	For the better. Alberta has started ending restrictions.	2/18/2022 11:10 AM
76658	Hope. It opened my eyes that this pandemic has nothing to do with a virus or public health. It is a power grab that is designed to condition people to comply with global communist ideologies.	2/18/2022 11:10 AM
76659	It brightened my spirit. It gave hope.	2/18/2022 11:10 AM

76663	It's given me hope that others have had enough of this as well and want to open opportunities to move forward and remind government officials that they work for the people.	2/18/2022 11:10 AM
76664	Given me hope the madness of COVID measures can be put to an end.	2/18/2022 11:10 AM

76668	It has given me mentally a feeling of hope and pride, that someone had the gumption to stand up to the smug, rude, incoherent, stigmatizing marginalizing, cowardly liar that Trudeau is.	2/18/2022 11:10 AM
76669	We are noticing food shortages	2/18/2022 11:10 AM

76733	Unsure - some empty shelves at local stores. Not sure if related to convoy or COVID in general	2/18/2022 11:08 AM
76734	Provided hope for change. Made me see the realities of a corrupt, not working for the people liberal government.	2/18/2022 11:08 AM
76735	it hasn't... negatively... it has positivity by being my voice of freedom from draconeon and turanical makes put in play by the prime Minister	2/18/2022 11:08 AM
76736	It hasnt I'm a retired trucker and I stand strong with them	2/18/2022 11:08 AM

Canadians vote on Canadian Mandate - February 2022

76746	Gave me hope. Showed me that alot more people are tired of these mandates when the media was trying to ostracize a percentage of the population. Also got me to educate myself on my rights. Showed me how corrupt the government is and that we have a leader that gets away with name calling and acusing Jewish members of Parliament of supporting nazis with no repercussions. Showed me for sure how are media is bought and paid for by the gvt. Made it obvious that our PM is trying to divide Canadians	2/18/2022 11:08 AM
76747	Lifted my spirits and given me some hope that canada can be saved from collapse	2/18/2022 11:08 AM
76748	It has united the people who see the wrongs being committed	2/18/2022 11:08 AM
76749	It gives me hope!	2/18/2022 11:08 AM
76750	I am supportive of those who are able to take part in helping us to share a clear message.	2/18/2022 11:08 AM
76751	It has given me hope that mandates May end and has given me pride in being canadian	2/18/2022 11:08 AM
76752	Given me hope	2/18/2022 11:08 AM
76753	It's hasn't affected my life other than thank God someone is doing something to try to end the madness. Do they are bringing hope in essence to a horrible situation our PM has put all of us Canadians in.	2/18/2022 11:08 AM
76754	Encouraged me because of their sacrifices for freedom in or land!	2/18/2022 11:08 AM
76755	its awesome seeing so many standing up against tyranny. we obviously have a chicken sh*t gov/leader. ran away so he didnt have to deal with a insignificant amount of people just like he deals with indigenious. glad truckers started this!!	2/18/2022 11:08 AM
76756	Brought hope	2/18/2022 11:08 AM
76757	Gives me hope.	2/18/2022 11:08 AM
76758	Not one negative impact	2/18/2022 11:08 AM
76759	Please see previous paragraph.	2/18/2022 11:08 AM
76760	Brought so much hope to our downtrodden family. Hope and happy tears. It was a relief I was worried about suicides. We have followed people who are there not the news. It also taught me my family is right, the news is unreliab	2/18/2022 11:08 AM
76761	It gave me hope that perhaps we still have a democracy, we still have something to say, we can still be in control of our life and Canada still has a lot of goodness.	2/18/2022 11:08 AM
76762	It hasn't, I dont pay attention to the convoy. Other than when I get stuck in traffic while they are cruising through town honking obsessively	2/18/2022 11:08 AM
76763	Gives me hope that things may end	2/18/2022 11:08 AM
76764	I have had my faith in mankind and my nation renewed!	2/18/2022 11:08 AM
76765	This has brought me joy to see Canadians come together and fight for what they believe is right. Peacefully unlovingly. The corporate media and our government have downplayed it and woven lies complete lies into this convoy. It is the government of Canada who is caused division not this convoy. I do feel for the residence of Ottawa however in order to be heard sometimes we have to go beyond what is normal. I support the trucking convoy	2/18/2022 11:08 AM
76766	They are speaking out against the mandates and giving us a voice	2/18/2022 11:08 AM
76767	Possible freedom. Removal of a tyrant and government.	2/18/2022 11:08 AM
76768	Given hope of our rights being restored	2/18/2022 11:08 AM
76769	Been great..	2/18/2022 11:08 AM
76770	Inspired my family to believe there is still hope.	2/18/2022 11:08 AM
76771	Makes me proud to be a Canadian and feel we have hope as a country and will be able to overcome the divide that currently exists. I hope it is a lesson to government and democracies and governments globally demonstrating the power of the people to enact change through loving peaceful protest and civil disobedience. I have not been impacted negatively in any way,	2/18/2022 11:08 AM

shape or form due to the convoy. It has my full support. It will continue to have my full support even if it meant making sacrifices due to the convoy.

76772	It has given me positive hope that we can get back to the Canada that we all love.	2/18/2022 11:08 AM
76773	It had given me faith that some other people also feel the way I do on this issue all around the world.	2/18/2022 11:08 AM
76774	It's awesome to see Canada stand up and work together in peace	2/18/2022 11:08 AM
76775	A glimmer of hope for a free Canada. Not a social credit system with a compliancy pass!	2/18/2022 11:08 AM
76776	None	2/18/2022 11:08 AM
76777	It hasn't, I am beyond proud of them for standing up for those that can't!	2/18/2022 11:08 AM
76778	It has brought me hope and joy, seeing thousands of Canadians from all over come together for one common purpose. This is not about being vaccinated or not. This is about the government running a political agenda to create divide, segregation, and fear... it has to change	2/18/2022 11:08 AM
76779	Hope....it has given HOPE!	2/18/2022 11:08 AM
76780	The convoy has lifted spirits and brought hope to all of us. I greatly appreciate their efforts to have our Charter of Rights and Freedoms respected by government	2/18/2022 11:08 AM
76781	It has given me back my loyalty to Canada. It has made me proud to be Canadian.	2/18/2022 11:08 AM
76782	Given me hope.	2/18/2022 11:08 AM
76783	Not at all has the convoy affected anything.	2/18/2022 11:08 AM
76784	They have given me hope. They have given me something to look forward to. They have made me excited that we might get back to normal. I am thankful for all the peaceful protesters in Ottawa.	2/18/2022 11:08 AM
76785	It has made it better, seeing slight improvements since then	2/18/2022 11:08 AM
76786	It has given me hope that the people will be heard that it is time to end all mandates and restrictions in Canada. It has given me hope the the PM of Canada would see that it is time to end all federal restrictions and mandates in Canada. It has given me hope in seeing so much unity across the country from Coast to Coast to Coast on the issues of dropping all federal and provincial mandates. For the 1st time in my 59 years of life in Canada I have never ever seen such unity and this is the unity that we are all standing for the end of the federal mandates and restrictions. Some politicians are trying to say it's about others things when truthfully it was always about ending the mandates and restrictions from the majority of supporters for the truckers and the protesters.	2/18/2022 11:07 AM
76787	I support people standing for our freedoms. I do not support any of the bad behaviour by a few bad apples in the crowd but I feel 99% of them standing are good people with good intentions	2/18/2022 11:07 AM
76788	Hasn't , proud of them	2/18/2022 11:07 AM

76790	Raised my spirits and hope for positive change till Trudeau enacted the Civil War / Emergencies Measures Act. Now I only want a separate country of Western Canada.Finished with Ottawa Eastern Canada. I'M DONE!	2/18/2022 11:07 AM
76791	It has lifted my spirits and brought hope.	2/18/2022 11:07 AM
76792	Given me hope and it's uniting the country!!!	2/18/2022 11:07 AM
76793	It has given me hope! Hope that my children can have a better future.	2/18/2022 11:07 AM

76806	Given me hope I wish it happened a year ago	2/18/2022 11:07 AM
76807	Affirmed that regular Canadians have grown a spine and are all fed up with the elitist government overreach.	2/18/2022 11:07 AM
76808	It has given me some slight hope	2/18/2022 11:07 AM
76809	It has given me comfort to see Canadians come together for a change... instead of the division that has been endorsed by our government.	2/18/2022 11:07 AM
76810	Gave me joy and hope for our country.	2/18/2022 11:07 AM
76811	Gave my family some hope in the good people of our country. It has also shown to many others in every aspect what faults lie in our society and governmental systems that they may have not been aware of previously.	2/18/2022 11:07 AM
76812	Positive love glory HOPE	2/18/2022 11:07 AM
76813	Go truckers!!!	2/18/2022 11:07 AM
76814	It gave me hope and confirmed to me that we were not alone. Many, many Canadians have unjustly suffered and care enough to stand up for our Civil liberties.	2/18/2022 11:07 AM
76815	It brought me hope I felt like I could live again, and now a leftist wants to take it all away.	2/18/2022 11:07 AM
76816	It has given me hope.	2/18/2022 11:07 AM
76817	ive been to the peaceful protest i drove from sudbury ontario to see racist extremists and it was anything but ive never seen so many. canadians united in a peaceful loving environment the short term annoyances to the people of ottawa is 100% contributed to the fact that the prime minister has painted the convoy as a hateful illegal protest and will not engage in dialogue this isnt about the freedom convoy anymore this is CANADIANS at the front door wanting to speak with our leader and he refuses and not only that insults them and categorizes them as racist amongst other things these are just people like you and me and we deserve to live in a free country by gods will this cannot go unpunished i predict more protests in the future and many more canadians flooding into ottawa this weekend justin is a criminal and should be held accountable for his actions	2/18/2022 11:07 AM
76818	Hasn't	2/18/2022 11:07 AM
76819	Given me hope in a way back to normal	2/18/2022 11:07 AM

otherwise. Peacefully 100% and globally !! God is in control he has shown us that quite simply

76826	Made me smile everyday since started	2/18/2022 11:07 AM
76827	Not nearly as much as the government measures over the last two years	2/18/2022 11:07 AM
76828	Inspired	2/18/2022 11:07 AM
76829	It's shown me that citizens are fed up. We are not being represented as we should be by our leaders. The truck convoy has also shown me that Canadians in general are still loving, caring and faithful to a higher power.	2/18/2022 11:07 AM
76830	Gave me hope because people felt the same as me. Was in isolation told that I was crazy before. Media hiding events even at the convoy confirmed they are biased. Show PM office has disregard and disdain for Canadians who do not agree with him. Realize that democracy must be honored at all levels - especially in our government.	2/18/2022 11:07 AM
76831	Gives hope and love	2/18/2022 11:06 AM

76834	Hope	2/18/2022 11:06 AM
76835	The trucking convoy has inspired hope and has fostered unity across our country, and to my friends and family overseas. The convoy has spoken for those of us who are too fearful or too isolated to speak up. They are my voice. This convoy keeps me going - I am so eternally grateful for their courage.	2/18/2022 11:06 AM
76836	I've never been more proud to be Canadian. I'm so thankful for all of the truckers and people for taking a stand for all of us!	2/18/2022 11:06 AM
76837	It hasn't affected me at all It was a peaceful protest. If the plan was to lift all mandates than Trudeau should of lifted them. Now that the emergency act is in place just watch how our country will change. It won't be good I see a dictator ship on the move. All the non protesters will be hanging there jaw when there told what to do.	2/18/2022 11:06 AM
76838	It hasn't but feel bad for those who it has. At this time enough is enough. Their point has been made	2/18/2022 11:06 AM
76839	It's hasn't affected my day to day life. Supplies like food fuel are still getting delivered.	2/18/2022 11:06 AM
76840	Giving me and my family hope	2/18/2022 11:06 AM
76841	It has given me hope as I see so much love, unity, respect and togetherness and every single person I know is so happy that the truckers have stepped up and taken a peaceful stand for all of us.	2/18/2022 11:06 AM
76842	It has made me PROUD of them and those who will stand up against the unreasonable and insane over reach that our pm's egomatiatic self righteous attitude.	2/18/2022 11:06 AM
76843	It has restored my hope in the people of Canada and helped me realize that I am not alone in my concerns surrounding the unhealthy effects of the mandates. I am so thankful for the brave truckers that have stood up and said enough is enough.	2/18/2022 11:06 AM
76844	Hope	2/18/2022 11:06 AM
76845	Inspired patriotism in myself and people in my local area. People are less afraid of the government retaliating against them if they stand up against the mandates.	2/18/2022 11:06 AM
76846	Encouragement A vision Support of all provinces A voice Take us out of Darkness	2/18/2022 11:06 AM
76847	It has affected my life in showing the rest of the sleeping masses that we are not living in a democracy. I stand with the Convoy. Our voices MUST be heard or we will continue to lose our country, our family, our friends, our lives.	2/18/2022 11:06 AM
76848	It has given me hope that Canadian people have come together peacefully with a common goal to end injustice for all Canadian people in a peaceful manner	2/18/2022 11:06 AM
76849	given me hope	2/18/2022 11:06 AM

76850	Given HOPE to potentially ENNDING this Madness	2/18/2022 11:06 AM
76851	The trucking convoy has given me hope that the corrupt government might be fixed and my future children will be able to grow up without government restrictions and have the freedom I had growing up.	2/18/2022 11:06 AM
76852	Supply chain and inflation.	2/18/2022 11:06 AM

76857	Fantastic, partying, food galore, loved it.	2/18/2022 11:06 AM
76858	Its brought hope. I'm vaccinated, but I can still support, if I didn't get the vaccine then I wouldn't be able to travel so that was a deal breaker for me, still was forced to get the jab! I'm loving seeing all the people around the world doing the same thing, I'm loving seeing the US and Canada coming together to support each other.	2/18/2022 11:06 AM
76859	When I first heard about it I thought that's great but as other truckers from all across Canada joined and supported them, I was beginning to see hope and joy. The turnouts by Canadians on bypasses and in towns was phenomenal. I have hope and faith in believing that the Canada I once knew and loved so much is coming back. But I am greatly concerned on how the Prime Minister is responding and using his authority to deface peaceful protestors.	2/18/2022 11:06 AM
76860	It's been wonderful. I finally feel Canadian again and don't feel so isolated and alone.	2/18/2022 11:06 AM
76861	Has giving me and my family hope for the future and a reason to wake up I feel joy	2/18/2022 11:06 AM
76862	It has given me some hope that the future of this country may be better than the past two years. It awakened me to just how low the current government will go and to the overreach that has occurred in the name of covid.	2/18/2022 11:06 AM
76863	Not one bit	2/18/2022 11:06 AM
76864	Created a voice	2/18/2022 11:06 AM
76865	Giving me hope and awareness. Giving me strength. Giving me community	2/18/2022 11:06 AM

76870	Brought me so much JOY!!! What a beautiful movement lead by beautiful people. They are heroes and should never have been arrested. They bring heart and soul back into our world. They are true Canadians. May we be the true, North, strong and FREE and get rid of the Trudeau tyranny.	2/18/2022 11:06 AM

76887	Brought joy and happiness seeing the world waking up to all the lies and bullshit the media and government have lead us to believe well lots of people some of us aren't stupid	2/18/2022 11:05 AM
76888	Higher prices on everything. Otherwise it hasn't really effected me.	2/18/2022 11:05 AM
76889	They have given me hope that life can be normal They have helped with my depression seeing all these great Canadians fighting for the rights that government has taken away They have spread love peace and freedom across this great country we call Canada They have stepped up for every Canadian I truly believe they will save us from Justin Trudeau and his one track thinking	2/18/2022 11:05 AM
76890	Brought awareness of need to unite Canadians and stop turning on one another and listening to MSM.	2/18/2022 11:05 AM
76891	Awareness through their eyes, though legacy media and the government is running a massive smear campaign on anyone who disagrees with their narrative. I see right through the muddy narrative.	2/18/2022 11:05 AM
76892	I approve of the end of mandates. Health people should never be forced out of a job. Government is to protect, not divide.	2/18/2022 11:05 AM
76893	Had not	2/18/2022 11:05 AM
76894	I live in a small town, so I'm not directly affected by it. I mean, or grocery shelves are empty but that happened long before the truckers started protesting. It has however, changed my social media presence. Most of my fb friends are very vocal and very rude about the convoy, putting down anyone who supports it. It's made fb a depressing place to be. It's too bad they cannot see through the narrative... Like, OF COURSE they would plant 4 Nazis at the root of the freedom rally to entirely discredit the movement...most of what we see has been planned for decades.	2/18/2022 11:05 AM
76895	They've given me hope, they've showed me that many others have a story. Worth sharing. They have also stood up for all of us who are too afraid. They're trying to save the world from corruption, one truck at a time.	2/18/2022 11:05 AM
76896	inspired unity and love in my country	2/18/2022 11:05 AM
76897	It brought me hope and joy for the first time in 2 years. I have not had any trouble getting the products I need in stores. (I know one person in Brandon, MB who complained that a Freedom "slow -roll" thru town made traffic slower.) Watching the Convoy on social media has consumed much of my time, but it's worth it to see so many average Canadians stand up for our rights. I've worn a support sign around town, hoping others would ask me questions, or even do the same. Luv the truckers!!!!	2/18/2022 11:05 AM
76898	Given me hope that our freedom of movement, choice and body autonomy will be restored.	2/18/2022 11:05 AM
76899	Yes it has brought back hope and my pride and love of Canadians	2/18/2022 11:05 AM

Canadians vote on Canadian Mandate - February 2022

76900	Very stressed out about how peaceful and loving Canadians are being treated by the government and main stream media. Very concerned about the control from our elected officials.	2/18/2022 11:05 AM
76901	Brings back hope in my country! We were on the verge of moving to the states	2/18/2022 11:05 AM
76902	I have never been so proud to be Canadian!! I wish there was more I could do but for now I will support from afar.	2/18/2022 11:05 AM
76903	Not at all affected me.	2/18/2022 11:05 AM
76904	It has given me hope that the mandates will end and I will be able to go back to work.	2/18/2022 11:05 AM
76905	The truckers have given us hope that the government would listen to, & adhere to the requests of the truckers to end all mandates & stop the government's overreach into the rights of free Canadians	2/18/2022 11:05 AM
76906	I am in support of it as long as it's use is to support the freedom of choice for vaccines and democratic principles. I do not support overthrowing of the government	2/18/2022 11:05 AM
76907	Gave hope	2/18/2022 11:05 AM
76908	It has saddened me to think that we can take land from First Nations, we can take their children, put them in residential schools , molest women and children and yet this colonial, mainly white supremacist society thinks they are not free. To me the trucking convoy represents a very selfish, self-centered society.	2/18/2022 11:05 AM
76909	Best thing that ever happened	2/18/2022 11:05 AM
76910	In a very positive way of bringing back hope and unity. But politicians have used it against Canadians.	2/18/2022 11:05 AM
76911	It really hasn't at all	2/18/2022 11:05 AM
76912	It hasn't personally but I feel for the residents and businesses of downtown Ottawa who have been disrupted and traumatized this convoy/occupation.	2/18/2022 11:05 AM
76913	Gave me hope that we will be free again.	2/18/2022 11:05 AM
76914	Gives me hope in humanity.	2/18/2022 11:05 AM
76915	It's givin me hope for a better future	2/18/2022 11:05 AM
76916	It hasn't	2/18/2022 11:05 AM
76917	It hasn't, I support my friends in the convoy	2/18/2022 11:05 AM
76918	The convoy has brought love, unity, hope, happiness, strength, courage and confirmation of truth to my life.	2/18/2022 11:05 AM
76919	it has given me hope that this country is not crumbling around. that there are still good people out there who care for each other	2/18/2022 11:05 AM
76920	It hasn't affected me	2/18/2022 11:04 AM
76921	Other than standing up for what they believe it hasn't affected me.	2/18/2022 11:04 AM
76922	Given me the first shred of hope in two years, made me cry tears of joy and pride	2/18/2022 11:04 AM
76923	-	2/18/2022 11:04 AM
76924	It hasn't	2/18/2022 11:04 AM
76925	It made me and my family feel like Canadians again. For the first time in 2 years we got to go in public and see smiling happy faces. We got so many hugs. It filled us up with a happiness we could never put into words	2/18/2022 11:04 AM
76926	Higher prices and delays	2/18/2022 11:04 AM
76927	It gives me hope	2/18/2022 11:04 AM
76928	It has brought me HOPE it has united the country with Gods love again. I can't sleep at night without first checking that iur Angel's are still there fighting for me. I am crying as I write this.	2/18/2022 11:04 AM

Canadians vote on Canadian Mandate – February 2022

	The truckers are our modern day bible heroes like Moses and David.	
76929	Given me hope that things will change for the better. Otherwise there is no hope if they don't make change happen	2/18/2022 11:04 AM
76930	Restored hope, Joy and pride for my country and the people in it. Confirmed our national identity as brave, kind strong people	2/18/2022 11:04 AM
76931	Fight for freedom off choice .time to End all this crap .	2/18/2022 11:04 AM
76932	I feel like the trucker convoy is speaking up for those of us who want to be free to have control over their own body. The trucking convoy makes me feel hopeful that maybe now the government might listen to what the people they are supposed to support are asking them for.	2/18/2022 11:04 AM
76933	It's good to see others coming out and standing for what they believe, makes me not feel so alone in this	2/18/2022 11:04 AM
76934	They have awakened the world to this tyranny. Me personally, they have given me a way to fight this atrocious regime.	2/18/2022 11:04 AM
76935	The truckers have given me hope! They have given us all hope. There showing us true Canadians are about. Proud and free. Many Christians involved. I know for a fact that there's been nothing but good intentions behind the convoy. It's filled with love and joy and hope.	2/18/2022 11:04 AM
76936	There's finally hope that things could get turned around. This whole country is depressed, when I see the trucking convoy it brings me joy to see people finally living in freedom	2/18/2022 11:04 AM
76937	Hope	2/18/2022 11:04 AM
76938	I feel happier and more patriotic than ever before. I thank the convoy for the movement they have started. Especially knowing that it has moved across the world we are an example I feel proud of that. The convoy has made us love each other again instead of looking at each other as a danger to our health. People are smiling again.	2/18/2022 11:04 AM
76939	Very badly	2/18/2022 11:04 AM
76940	Given me hope, feeling connected, brought immense joy	2/18/2022 11:04 AM
76941	It gave me hope again in the country that I once thought was a beacon of freedom and hope	2/18/2022 11:04 AM
76942	I am so proud of them and of Canada. I am not alone in this so many people on the side of freedom	2/18/2022 11:04 AM
76943	I am eternally grateful to the Truckers for standing up for Canadian's Rights and Freedoms - for our Bill of Rights - our Charter of Rights and the Canadian Constitution. The Truckers - the Farmers are heroes of the true Democratic Canada. They are fighting for each and every Canadian. Trudeaus mandates killed our economy and the small and middle size businesses. The Convoy is our hope - not only in Canada - but for the world - to regain our sovereign Nation - and rebuild our country on so many levels in a way that is For the People not against the People. The convoy is standing for true Democracy - and the PM Trudeau needs to meet with them - and stand down - he is not the People's PM - he is a puppet for the WEF and the Global elites.	2/18/2022 11:04 AM
76944	It has given our family hope, created more unity, made me feel proud to be a Canadian for the first time in a really long time	2/18/2022 11:04 AM
76945	I cheer for them everyday! If it wasn't for them Canadians wouldn't be realizing how corrupt our government is. Trudeau is the worst most pathetic excuse of a PM in the Canadian history, and it will go down in history. It's absolutely frightening for our future and generations to come if he does not stop!	2/18/2022 11:04 AM
76946	They made me proud to be Canadian again and put joy and love back in my life.	2/18/2022 11:04 AM
76947	I feel a lot of hope for our future that maybe I can return to work if mandates and masking disappear. We feel happy that there are changes because you can see how many people want the mandates and restrictions to end. I need to go back to work so I can support our family with my husband.	2/18/2022 11:04 AM
76948	I'm so proud of them sticking up for our rights as a democratic free country, they are showing Trudeau as the dictator and communist he truly is, even his own voting population are now	2/18/2022 11:04 AM

Canadians vote on Canadian Mandate - February 2022

questioning his leadership and seeing him as a dictator, the leaders in other countries are laughing at him and calling him a dictator!

76949	It hasn't affected me at all if the Trudeau government would have lifted the mandates it might have	2/18/2022 11:04 AM
76950	Hope	2/18/2022 11:04 AM
76951	Feel less alone.	2/18/2022 11:04 AM
76952	Gave me hope	2/18/2022 11:04 AM
76953	Hope for a better outcome from this forced lockdowns	2/18/2022 11:04 AM
76954	Has not personally affected me. It has given be hope that I am not the only one who thinks we have taken this virus to the far and for too long.	2/18/2022 11:04 AM
76955	Gives hope to the hopeless and encouragement to all those who are fighting for their rights and freedom, we must win this fight or our country is doomed for disaster!	2/18/2022 11:04 AM
76956	It has given me nothing other than hope.	2/18/2022 11:04 AM
76957	The actions of the truckers have brought an excitement back to so many around me that by working together, these evil mandates can end. It has also shown so many that they are not alone, so many feel the same way, they have just been too afraid to voice their feelings, opinions as well as the pressure they have felt to be vaxxed. We have been bullied beyond anyone's comprehension and many are maimed for life, just from the pressure they felt to be vaxxed to keep their job so they could feed their family.	2/18/2022 11:04 AM
76958	It had given me hope and pride in Canada again	2/18/2022 11:04 AM
76959	Not at all negatively. It has given us hope actually.	2/18/2022 11:04 AM
76960	Unified loving Canadians coming together	2/18/2022 11:03 AM
76961	Hope.	2/18/2022 11:03 AM
76962	Given me a sense of hope. I call it the Freedom Movement and appreciate the messages of peace, and especially of UNITY that the movement has fostered, as that has been lacking terribly in all government agencies. I feel proud to be Canadian again, and much more well informed about what is happening behind the scenes, with respect to misrepresentation in the media, the government, and peaceful people vilified for political gain.	2/18/2022 11:03 AM
76963	Given me hope	2/18/2022 11:03 AM
76964	It has given me hope for the future	2/18/2022 11:03 AM
76965	They bring hope and love to the people	2/18/2022 11:03 AM
76966	It has given me hope and pride in Canada. I am so grippy they are speaking up for all of us Canadians	2/18/2022 11:03 AM
76967	They are trying to give life back to Canadians that followed all this BULL SHIT, good working folks	2/18/2022 11:03 AM
76968	They have given us hope	2/18/2022 11:03 AM
76969	positively	2/18/2022 11:03 AM
76970	Made me feel proud to be a Canadian	2/18/2022 11:03 AM
76971	Given us hope	2/18/2022 11:03 AM
76972	It has given me and my family hope again, when all had been lost. It has made me proud to be Canadian again. I understand downtown Ottawa has been inconvenienced for the past couple weeks. But we have been inconvenienced by peoples compliance for 2 years now. Why is my lasting natural immunity not recognized? It's better than the short term protection of these vaccines that loose efficacy quick. This doesn't make sense, it's not about health, it's just a big vaccine push and it's unethical to force it into people and punish those that refuse. Thank you truckers for bringing light to this sickening situation.	2/18/2022 11:03 AM
76973	It's given me hope and has shown me that I'm not alone.	2/18/2022 11:03 AM

Canadians vote on Canadian Mandate - February 2022

76974	Gave me HOPE	2/18/2022 11:03 AM
76975	I find it very unnerving - very stressful - and I do support them Just hope it will be over soon and peacefully.	2/18/2022 11:03 AM
76976	It has made me happy to see Canadians and the world unite.	2/18/2022 11:03 AM
76977	Gave us hope	2/18/2022 11:03 AM
76978	Brought great joy and hope	2/18/2022 11:03 AM
76979	The trucker convoy has given me hope. Through all of these mandates, I have felt so hopeless, so useless. Unable to go anywhere or do anything. Unable to have gatherings or functions. These truckers have given me a light at the end of the tunnel. They've empowered me. I finally feel proud to be Canadian and to stand up for what I believe in. I believe that everyone should have the freedom of choice and their own opinion. These truckers are fighting for everyone. Every single person in this country is being thought of, whether vaccinated, unvaccinated, no matter the colour of your skin, your religion. They're fighting for everyone's freedom. They've made us a community again. The pride, the kindness. It's so beautiful and empowering. They've given me HOPE.	2/18/2022 11:03 AM
76980	They have not affected me at all. Actually I'm thankful someone cares. It seems every government entity doesn't care about freedom, or opening up our country. Maybe they're depressed too	2/18/2022 11:03 AM
76981	Its giving me hope for a better future....freedom again . Hope that our country isnt turning into a fascist country.	2/18/2022 11:03 AM
76982	It Hasnt	2/18/2022 11:03 AM
76983	It has given me hope, made me proud to be Canadian again.	2/18/2022 11:03 AM
76984	They were the only ones to stand up and take charge. They have Trudeau scared that's why he brought in the Emergency Act.	2/18/2022 11:03 AM
76985	Inspiration, United again, hope	2/18/2022 11:03 AM
76986	Mine directly probably not much but they are seriously disrupting some people in a very severe and inconsiderate way	2/18/2022 11:03 AM
76987	It has given me hope. Hope for change. I see unity and happiness for the first time in 2 years. Thousands and thousands of Canadians coming together because these truckers gave is something our PM will not. The whole world is watching and acting in support of this movement and sll they asked for was to drop these mandates (based on the science). The government has done too much to hurt its people and they need to be held accountable to the people.	2/18/2022 11:03 AM
76988	Given me hope	2/18/2022 11:03 AM
76989	Thank God for the truckers!!!	2/18/2022 11:03 AM
76990	It has given me the most hope and pride I have ever experienced in all of my life 57 years being a Canadian Citizen	2/18/2022 11:03 AM
76991	United Canadians of all colour, ethnicity, religions beliefs.	2/18/2022 11:03 AM
76992	Hope	2/18/2022 11:03 AM
76993	Given me hope	2/18/2022 11:03 AM
76994	No, I fully support the convoy.... They are fighting a tyrant government	2/18/2022 11:03 AM
76995	I love it	2/18/2022 11:03 AM
76996	They gave me hope when I was feeling down and thinking there was nothing I could do about it except maybe move away from Canada	2/18/2022 11:03 AM
76997	Shower us untiy and hope	2/18/2022 11:03 AM
76998	I wish I could support them, and cancelled my reservation in Ottawa this weekend due to the threat of the Ottawa police to prevent Canadian citizens to enter the country capital	2/18/2022 11:03 AM
76999	Gave me hope for the a better future! F R E E D O M!	2/18/2022 11:03 AM

Canadians vote on Canadian Mandate - February 2022

77000	Gives me hope	2/18/2022 11:03 AM
77001	It is happening far away from me but it has given me hope. I kept wishing someone would refuse compliance. I know many truck drivers who wish they were there. I know many who took the job to keep food on the table but absolutely do not support the mandate and they are wrestling with guilt and feeling like they betrayed their values and their families for money. I completely understand the position they were put in and the choice they felt compelled to make , but because of that I think the convoy became bigger as they try to reclaim their dignity.	2/18/2022 11:03 AM
77002	positive, exercising rights (exercise is hard and only lazy people don't want to do it). encouraging	2/18/2022 11:03 AM
77003	Gives us hope	2/18/2022 11:03 AM
77004	Positively	2/18/2022 11:03 AM
77005	It has brought back HOPE in my life that maybe just maybe we can be free again	2/18/2022 11:03 AM
77006	Brought hope and joy!	2/18/2022 11:03 AM
77007	I believe all Canadians have the right to peaceful assembly. I am horrified by how our PM and government have handled the protestors. I absolutely do not support the Emergency measures act and will never again vote Liberal or NDP.	2/18/2022 11:03 AM
77008	Not in the least.	2/18/2022 11:03 AM
77009	Gave me hope and united the world	2/18/2022 11:03 AM
77010	It hasn't	2/18/2022 11:03 AM
77011	Gives me hope and reminds me we live in what is supposed to be a free country!	2/18/2022 11:03 AM
77012	It's giving me hope that there's anything an average person can do to oppose vested interests.	2/18/2022 11:02 AM
77013	With hope for a change.	2/18/2022 11:02 AM
77014	It open my eyes up to the real tyrants and showed I am not alone .	2/18/2022 11:02 AM
77015	It hasn't	2/18/2022 11:02 AM
77016	Gave me hope that all mandates will end. it brought Canadians closer together	2/18/2022 11:02 AM
77017	Gave me hope that freedoms are important to so many people like myself. Gave me hope for love and unity in Canada. Gave me hope that corruption and evil will be exposed and that the unity and love built up will take it over.	2/18/2022 11:02 AM
77018	I'm proud to know these people are standing up for what they believe in. I also believe it has been done in a respectable manner. Our Prime Minister has failed this country and the people in it. If this convoy is hurting the citizens of Ottawa he is the one who should be held accountable...Justin Trudeau not the Truckers	2/18/2022 11:02 AM
77019	Given hope and shown me that Canadians are the opposite of what our prime minister tries to make us believe we are! We have a voice and we are a nation that desires freedom and peace! And we love Canada and all Canadians!!!	2/18/2022 11:02 AM
77020	Given me hope. Lifted my spirits at first. Now it's hardened my resolve to do everything I can to remove the monarchy and diminish the role of government in Canada.	2/18/2022 11:02 AM
77021	Raised my spirit	2/18/2022 11:02 AM
77022	Gave me hope	2/18/2022 11:02 AM
77023	Given me some hope!	2/18/2022 11:02 AM
77024	It was the best thing that happened in Canada for years. I'm no longer in isolation and fear. Time to end the government control and re-build Canada. Let's progress.	2/18/2022 11:02 AM
77025	It has brought joy and hope into my life. It has created the great awaking of the people to the absolute corruption of today's governments and to the new world order that must be stopped at all costs.	2/18/2022 11:02 AM

Canadians vote on Canadian Mandate - February 2022

77028	The truckers convoy brings me hope and joy! Hope that this tyranny will end and joy to witness humanity uniting with love in United noncompliance.	2/18/2022 11:02 AM
77029	Hope	2/18/2022 11:02 AM
77030	It has not, it's bringing a potential end to the situation	2/18/2022 11:02 AM
77031	Brought me hope and I see that men and women have already won the fight.	2/18/2022 11:02 AM
77032	It has given me hope that the mandates will be ended, and inspiration that Canadians will stand up for themselves.	2/18/2022 11:02 AM
77033	Given me hope	2/18/2022 11:02 AM
77034	Gave me something to believe in, a chance to believe we will be normal again.	2/18/2022 11:02 AM
77035	Supporting my trucker friends and family	2/18/2022 11:02 AM
77036	Hope that real dialogue and real science can be discussed and return life to the real normal	2/18/2022 11:02 AM
77037	Given me hope. In the way that there are still lots of good people out there and maybe we can live in a free land again	2/18/2022 11:02 AM
77038	Nil	2/18/2022 11:02 AM
77039	There the only ones standing up for all of our rights, I stand with them!	2/18/2022 11:02 AM
77040	It hasn't	2/18/2022 11:02 AM
77041	Gives hope	2/18/2022 11:02 AM
77042	I feel this Convoy is at least doing something for us Canadians. It made me proud to know that this peaceful protest is making a statement that we as Canadians are letting it be known that we do not work for government. That we have a right to let it be known that we as a whole are not happy with these decisions.	2/18/2022 11:02 AM
77043	It has not	2/18/2022 11:02 AM
77044	I am proud to be Canadian again. They are heroes!!	2/18/2022 11:02 AM
77045	For the first time in years I'm proud to be Canadian! I've never witnesses such unity among people of ALL backgrounds. The trucking convoy has given hope to reclaim the freedoms that have been taken from us over the past two years, and hope in Canadians standing together!	2/18/2022 11:02 AM
77046	Hope Peace	2/18/2022 11:02 AM
77047	Hope, pride in my country, in my fellow citizens	2/18/2022 11:02 AM

77052	Hope, pride and joy in Canadians.	2/18/2022 11:02 AM
77053	I support the truckers. I qm encouraged that so many Canadians are united on freedom. Its is positive.	2/18/2022 11:02 AM
77054	It has made me very proud to be a Canadian again. It's like I've come alive again.	2/18/2022 11:02 AM
77055	Positive	2/18/2022 11:02 AM
77056	At first the convoy gave me hope that finally someone would listen to us, and the mandates would be lifted, and we would return to a life of freedom. But as I have watched Trudeau lie to our country, I feel more fearful. I know that the truckers have been respectful and peaceful. They are not troublemakers or racists or terrorists, or any of the other horrible things that Trudeau is accusing them of. His war act has me reeling. He is the law breaker and the hate	2/18/2022 11:02 AM

Canadians vote on Canadian Mandate - February 2022

monger. Our country is in real trouble with Trudeau as our Prime Minister and everyone would know it if he didn't control the media.

77057	They have shown us that if you believe in something so strong and stand for this. It can affect how others feel and think for themselves. Sometimes you have to draw the line in the sand. And say no more	2/18/2022 11:02 AM
77058	Not at all.	2/18/2022 11:01 AM
77059	It has been very positive	2/18/2022 11:01 AM
77060	Given me hope again	2/18/2022 11:01 AM
77061	It made me feel like I am not alone in my beliefs. It restored my faith in my fellow Canadians and gave me hope again.	2/18/2022 11:01 AM
77062	Not much at all	2/18/2022 11:01 AM
77063	It has not affected my life negatively	2/18/2022 11:01 AM
77064	If Trudeau would have had just one meeting with the protesters this could have been solved peacefully-he's the problem	2/18/2022 11:01 AM
77065	Truly inspiring	2/18/2022 11:01 AM
77066	Awesome	2/18/2022 11:01 AM
77067	Shown Canada has a backbone we need to restore democracy and government by the people for the people. Shown how dishonest our leaders, scientists and politicians have become.	2/18/2022 11:01 AM
77068	Shown me that Canadian people will rally together to make a stance on what is right	2/18/2022 11:01 AM
77069	It hasn't. It's amazing to see HOPE. People coming together is the most beautiful thing I've seen in the past two years. Let us be free and get our PM OUT NOW before it's too late. He's done enough damage to the people and our country.	2/18/2022 11:01 AM
77070	Not at all I support the need to be heard.	2/18/2022 11:01 AM
77071	It brought be a sense of hope and unity. I did not feel alone in my plight for personal choice. I felt that maybe finally politicians would hear us as citizens. I have less confidence in our political system now seeing the lack of response from them. They just make choices for themselves not giving a shit about the people. I'm deeply wounded by this whole situation. I love the convoy for what they have started.	2/18/2022 11:01 AM
77072	Improved it by leading to several several provinces to drop their mandates	2/18/2022 11:01 AM
77073	Made me proud that people will still stand up for themselves	2/18/2022 11:01 AM
77074	Has not go truckers	2/18/2022 11:01 AM
77075	Has given us ALL hope and a reason to look deeper as to what's REALLY going on in the world	2/18/2022 11:01 AM
77076	Gives me home that people are starting to stand up for our freedom	2/18/2022 11:01 AM
77077	It hasnt	2/18/2022 11:01 AM
77078	I am proud to be a Cansfian when I see these brave truckers defending our freedoms!	2/18/2022 11:01 AM
77079	The TRUCKERS give me hope, because they are fighting for our freedom. During the Plandemic, the truckers brought food to our tables, clothes for our backs, etc. Now they fight for the very freedom that was taken from us TWO years ago. Enough Canada. UNITE	2/18/2022 11:01 AM
77080	I am glad that they are standing up to the government re the mandates that are completely unnecessary and contrary to science.	2/18/2022 11:01 AM
77081	Not at all.	2/18/2022 11:01 AM
77082	Made me proud. It proves that people will unite / put aside deference of opinions, when it comes to freedom.	2/18/2022 11:01 AM
77083	The freedom convoy has given me hope...	2/18/2022 11:01 AM
77084	No except that it has made me extremely disappointed and disgusted with the way PM	2/18/2022 11:01 AM

Canadians vote on Canadian Mandate - February 2022

Trudeau has handled things.

77085	Witnessed love	2/18/2022 11:01 AM
77086	It's given the unnecessary mandates restrictions and QR passports open dialogue that a vast majority of Canadians want them gone and too get back too normal weather are 90% vaccinated and the new variants omicron and B2 variant are mild and promote natural immunity causing herd immunity. Many countries have already removed all restrictions and passports without harm too their citizens and we are at endemic . A world wide study has confirmed that the mandates,restrictions and QR passport are not effective at preventing spread at all as vaccinated individuals are carriers and spread globally .	2/18/2022 11:01 AM
77087	Not at all. Keep on fighting for our freedoms.	2/18/2022 11:01 AM
77088	It has given me immense hope and pride	2/18/2022 11:01 AM
77089	Has given me a pride and hope that I haven't had in many years	2/18/2022 11:01 AM
77090	It has given hope, restored faith in humanity, unity among us all, and is like the book of acts where they helped all.	2/18/2022 11:01 AM
77091	Hope and feeling Canadian again	2/18/2022 11:01 AM
77092	Not	2/18/2022 11:01 AM
77093	The truckers convoy is the only thing that's giving me anything to smile about or be happy about in two years.	2/18/2022 11:01 AM
77094	It has given me hope.	2/18/2022 11:01 AM
77095	It really hasn't. I suppose people had to stand up for freedoms like any other country. I didn't like to see rough police officers bullying people. That made me angry. I don't like bullets period.	2/18/2022 11:01 AM
77096	Hasn't.	2/18/2022 11:01 AM
77097	It got me to believe that Canada has a future again.	2/18/2022 11:01 AM
77098	Positively	2/18/2022 11:01 AM
77099	It hasn't, I went down to the Convoy to see for myself It was Peaceful, Positive Energy, togetherness We need our Freedom Back!	2/18/2022 11:01 AM
77100	Giving a voice to millions..giving hope strength and unity.	2/18/2022 11:00 AM
77101	This has brought Canadians closer together to fight for a Just cause.	2/18/2022 11:00 AM
77102	So proud of the truckers.!Has helped me & others speak up more of our serious time in history	2/18/2022 11:00 AM
77103	It hasn't really. Something I watch from the sidelines.	2/18/2022 11:00 AM
77104	Given me hope that we are living in a democracy.	2/18/2022 11:00 AM
77105	Helped my mental health. Allowed me to see others are like me and willing to stand up for what's right.	2/18/2022 11:00 AM
77106	The most positive thing in the last 3 years. So much love and understanding in the people protesting for all our freedom.	2/18/2022 11:00 AM
77107	It hasn't.	2/18/2022 11:00 AM
77108	Brought hope, happiness , strength	2/18/2022 11:00 AM
77109	It has given me hope that there are others like me in the same boat. I'm a working class person and it seems working class people have taken a big hit through the pandemic	2/18/2022 11:00 AM
77110	it hasn't but I am glad they are standing up for their own human rights	2/18/2022 11:00 AM
77111	Unwanted community distress. Costing the tax payers money.	2/18/2022 11:00 AM
77112	It has inspired me and unified me with other Canadians	2/18/2022 11:00 AM
77113	Not at all. It gave me hope that my five year old may grow up with Freedom. But Trudeau is doing everything to destroy Canada.	2/18/2022 11:00 AM

Canadians vote on Canadian Mandate - February 2022

77114	It has given me hope and fir the first time in years I feel united with like minded people. Our PM has to go. Not in because of popular vote.	2/18/2022 11:00 AM
77115	Big sign of hope.	2/18/2022 11:00 AM
77116	It has brought great pride knowing people are coming together to stand up for our freedom	2/18/2022 11:00 AM
77117	Given me hope	2/18/2022 11:00 AM
77118	It has given me hope for the country I have been soo proud to live in to get back to our freedoms	2/18/2022 11:00 AM
77119	Not at all	2/18/2022 11:00 AM
77120	It has given me hope for the 1st time in 2 years. I am grateful to them all and we all need to stand up for today, what we won't have tomorrow.	2/18/2022 11:00 AM
77121	Gave me hope.	2/18/2022 11:00 AM
77122	It's given me hope	2/18/2022 11:00 AM
77123	Given me hope	2/18/2022 11:00 AM
77124	It has given me huge hope. The minor inconveniences of supply chain slow downs blend into the last 2 years of government damage that it is mostly indistinguishable. But I've realized how many like minded people just don't shout all over social media. Quiet, tentative conversation openers have revealed how many more people have my views of the disgrace of our government leaders at all levels. It also reveals to me that anonymity is vital to get most people's true position on an issue. They simply won't take the chance of saying what they feel until they are sure it is safe to do so.	2/18/2022 11:00 AM
77125	Give me hope of getting my country back . Getting rid of tyranny	2/18/2022 11:00 AM
77126	Hope	2/18/2022 11:00 AM
77127	Give hope for my country	2/18/2022 11:00 AM
77128	They exaggerated its effects on Ottawa. I live there & didnt affect me. It shed light on PM's authoritarianism & use of divisive, wedge issues & hate language. I notice it gave voice to certain Cdns who'd been marginalized	2/18/2022 11:00 AM
77129	Positive	2/18/2022 11:00 AM
77130	It gives me hope	2/18/2022 11:00 AM
77131	Gives me hope	2/18/2022 11:00 AM
77132	So I'm verwhelmed with the support n love from the citizens of our country !	2/18/2022 11:00 AM
77133	Hope!!	2/18/2022 11:00 AM
77134	It has brought hope and a little stress too. I worry about those brave people that are standing up for all of us. The convoy is great, but how our government officials are handling the situation is what is not great. That brings me much sadness. The Liberal and NDP groups are not representing Canada how they should. They are violating our fundamental rights and changing our country into a communist one. This is wrong on every level. Canada is not communist, Canada was a free country until recently...something has to be done to stop the Trudeau government from doing this to Canada.	2/18/2022 11:00 AM
77135	Gave me hope just like to.so many of us!!!!	2/18/2022 11:00 AM
77136	It brings me pure joy & HOPE....if I had finances, as a class 1 driver; I would be right there with them!!! FREEDOM	2/18/2022 11:00 AM
77137	Happiness and hope has entered my life	2/18/2022 11:00 AM
77138	Love the truckers.Gave me hope that truth will prevail and corruption will be exposed. Hopefully the politicians will be held accountable	2/18/2022 11:00 AM
77139	It has given hope and pride in being a Canadian again. It has also made me embarrassed in our govt and media since I've been in places that I've seen them falsely report on.	2/18/2022 11:00 AM

Canadians vote on Canadian Mandate - February 2022

77140	I have been proud to see people standing for our rights I am sad for the citizens of Ottawa because it has affected them, but where would a good place to stand for these freedoms be if they're not at parliament?	2/18/2022 11:00 AM
77141	Brought hope	2/18/2022 11:00 AM
77142	They BROUGHT me HOPE and Out of the dark at least they are willing to help unlike our goverment who would reather us die of starvation and homelessness	2/18/2022 11:00 AM
77143	Gave me hope!! Got excited!! Made me see the real Trudeau as a bully, tyrant, weak and ineffective leader who doesn't even have the skill or decency to talk to the truckers	2/18/2022 11:00 AM
77144	Hope	2/18/2022 11:00 AM
77145	I am trucker.	2/18/2022 10:59 AM
77146	Hope	2/18/2022 10:59 AM
77147	Does that we Canadians can support one another and true pride in what they are standing for without them all hope would be list for my Children and thei furture	2/18/2022 10:59 AM
77148	Providing hope for a future for my children & my family!	2/18/2022 10:59 AM
77149	Makes me proud	2/18/2022 10:59 AM
77150	They have effected my life in a positive way for as long as I can rember. They are the back bone of canada	2/18/2022 10:59 AM
77151	Kinda given me hope that everyone can come together. Everyone is sick of Trudeau running this country into the ground. He is very incompetent, and has no idea on how to run a country. Except into the ground. We need change.	2/18/2022 10:59 AM
77152	Directly? It really hasn't - Indirectly? It's been wonderful and it's provided a sense of HOPE & UNITY. It has, actually allowed those 'friends' (and strangers) who actually were feeling the same as me, and afraid to speak up, the opportunity to speak up (for a cause) and in turn reach out to others. On the other hand, it again, also has created divide as well, because of the negative spin our government/s and media has portrayed it negatively.... And now with the PM invoking the "emergencies act", we're back to square one... now also dealing with the past childhood traumas of the October Crisis.... long thought buried and forgotten. But I digress... sigh	2/18/2022 10:59 AM
77153	The convoy has given me hope!	2/18/2022 10:59 AM
77154	Hope and unity	2/18/2022 10:59 AM
77155	I love what there doing and what they stand for.Freedom	2/18/2022 10:59 AM
77156	Given me hope that people, peacefully can be heard	2/18/2022 10:59 AM
77157	Same as above. Plus my kids are not socially developing!!!! They are struggling with school and peer life!!	2/18/2022 10:59 AM
77158	It brought hope, joy, unity, freedom - once lived lively and freely before covid. It is peaceful, and makes me proud to be a Canadian again!	2/18/2022 10:59 AM
77159	It's given me hope that they'll help bring about an end to this.	2/18/2022 10:59 AM
77160	It's given me hope that something will change, and that we're stronger together when our prime minister us being a useless tit. And I fully support the trucking convoy that is promoting change in a peaceful manner.	2/18/2022 10:59 AM
77161	Given me hope. These truckers are the ONLY reason some restrictions in some of the provinces are easing.	2/18/2022 10:59 AM
77162	Giving me hope. Seeing these men and women standing up for other Canadians wanting the mandates to end and to start living normally again. They are not racist, terrorist, or any other disgusting name. These Truckers opened many eyes in Canada and the world.	2/18/2022 10:59 AM
77163	Good	2/18/2022 10:59 AM
77164	No negative affect. They are inspiring in their commitment to peaceful protest. I am embarrassed by the governments tactics to paint the group with a broad brush because a few	2/18/2022 10:59 AM

individuals did some stupid things early on. Increasing distrust in our national media...

77165	It has given me hope that there are some people who see the evil	2/18/2022 10:59 AM
77166	I am in full support	2/18/2022 10:59 AM
77167	Never has!	2/18/2022 10:59 AM
77168	Gave me a hope in nation	2/18/2022 10:59 AM
77169	It has given me hope this crap will come to an end	2/18/2022 10:59 AM
77170	It's given me hope.	2/18/2022 10:59 AM
77171	It's been a breathe of fresh air! Allowing hope again! Seeing smiling faces again! Giving me hope I may one day be able to visit Ireland and other places I've always wanted to go! Hope is sooooo refreshing! People are starting to discover that others feel the same way--mandates are useless and unscientific! Love the convoy!	2/18/2022 10:59 AM
77172	Positively	2/18/2022 10:59 AM
77173	It's brought back a sense of hope, a real feeling of live and unity!	2/18/2022 10:59 AM
77174	It has been a positive thing. Given me hope seeing all those people pull together for one cause. To get our freedoms back.	2/18/2022 10:59 AM
77175	I am proud to be a Canadian again. No ill effects.	2/18/2022 10:59 AM
77176	Brings me hope	2/18/2022 10:59 AM
77177	Joy hopefulness	2/18/2022 10:59 AM
77178	Gave me hope. Province lifted passports.	2/18/2022 10:59 AM
77179	I'm grateful someone is standing for our freedom and rights.	2/18/2022 10:59 AM
77180	Freedom	2/18/2022 10:59 AM
77181	Given me hope that there are still hero's out there that are willing to fight peacefully for our God given freedoms as human beings. It has also made me realize how our freedoms have been eroded over the last two years. The way the PM has reacted to the peaceful convoy is deplorable! Not once has he met to discuss options with the truckers. Then he invokes the EMA?! There is something very wrong with his view of democracy. If the truckers would have the backing of all freedom loving Canadians, the entire country, our beloved Canada would be by far the richer for it!	2/18/2022 10:59 AM
77182	Positively! Mandates are going away because of them	2/18/2022 10:59 AM
77183	I am hopeful for the first time in a long time, that my rights and freedoms have a hope of actually staying, I have faith in humanity doing the right thing, I am supporting them by helping with rallies, I have tried to talk to people about the facts that have been left out of main stream media, etc.	2/18/2022 10:59 AM
77184	I'm disgusted with it. It has affected many of my friends and family disrupting their work, every day life, and let's not forget the economy - blocking borders, access to goods, jobs for people.	2/18/2022 10:59 AM
77185	Given hope for a better future for our children.	2/18/2022 10:59 AM
77186	They've brought hope and a sense of togetherness that I never thought would be achieved in Canada again as well as some lifted mandates	2/18/2022 10:59 AM
77187	my husband is a trucker. I'll always support medical freedom	2/18/2022 10:58 AM

77189	It has given me hope	2/18/2022 10:58 AM
77190	It has not affected my life at all, except given me hope that my freedom can be recovered.	2/18/2022 10:58 AM
77191	Given hope	2/18/2022 10:58 AM

77200	Positively	2/18/2022 10:58 AM
77201	It has given me hope. Made me realize I'm not alone. I have been ashamed to be Canadian for a couple years. The truckers reminded me that it's the citizens that make this country great, NOT the government.	2/18/2022 10:58 AM
77202	Bless them!	2/18/2022 10:58 AM
77203	It's motivated me to stand up for freedom and has exsposed the corruption in our political system, freezing bank accounts unbelieavable	2/18/2022 10:58 AM
77204	While I imagine it to be a great annoyance to those who've had to endure the noise in Ottawa, I have had my faith restored in humanity to fight for their fundamental values on behalf of a public that may not recognize how important it is to fight for such axiomatic rights - the rights in which all other protests in Canada depend. Now, with the EA In place I fear for my child's Canada - the Canada of the future based in the pretence of inclusivity, but is anything but in act and deed.	2/18/2022 10:58 AM
77205	No snow	2/18/2022 10:58 AM

77208	I am very proud of our truckers	2/18/2022 10:58 AM
77209	Freedom	2/18/2022 10:58 AM
77210	It has made us feel like we have some hope for this country. They gave us feelings of pride as we stood with other Canadians to wave as they passed. It showed us that we are not alone in this fight for our country. We are so proud that it took truckers to stand up when politicians, judges and other people in positions could have stopped all of this and DIDN'T. The truckers continue to stand strong against a police force that is too cowardly to stand down from what they must know is wrong. We support the truckers!!!	2/18/2022 10:58 AM

77362	It hasn't but I have family in Ottawa and it is one thing to do it over a weekend but to go on for as long as it has is doing the same thing that the truckers are claiming the government is doing to them. 77378	The trucking Convoy gave me hope because I realized I was not alone in my beliefs. The mandates succeeded in isolating people, some to the point of no return. 77431	It's given me hope that Canada might return to a place that is worth being proud of. Delays and temporary shortages are worth putting up with to get our country back. Freedom is important to me and I believe the government is overstepping.	2/18/2022 10:53 AM
77432	It's been very uplifting watching so many Canadians come together and support each other. Freedom of choice is necessary as part of a democracy. Anyone who supports freedom has my vote and support.	2/18/2022 10:53 AM
77433	HOPE!!! It has given me HOPE. The truckers represent that there are still good people in this world. The politicians are the ones causing the problems. The truckers represent a silenced majority. I have heard that workers coerced into taking the treatment are under threat of job loss if they show support. Workers are not allowed to show support for the truckers. Shame on all this censorship.	2/18/2022 10:53 AM

77466	The trucking convoy has given me a little bit of hope that democracy and freedom may return to our country if we the people continue to rise up together against tyranny.	2/18/2022 10:52 AM
77467	I fully support that they are standing up for freedom and against a Government that has become unlawful and tyrannical. The people standing up have provided hope and awareness that many Canadians are opposing mandates and are against our hopeless Government.	2/18/2022 10:52 AM

77484	Nothing direct. But does give hope that our dictatorship will be brought to account for their actions	2/18/2022 10:51 AM
77485	Not at all. I don't live downtown. I believe much of the true trouble (other than the horns) can be attributed to those other than the truckers. The downtown area always has a high crime rate and to blame whatever happens at this time to the protesters is ridiculous.	2/18/2022 10:51 AM
77486	They have given me hope. Hope that more people are waking up. Hope that maybe with enough people, our provincial leaders will do as their constituents ask.	2/18/2022 10:51 AM

Thank you truckers for giving us HOPE in a future.	2/18/2022 10:51 AM
77497	The Freedom Convoy of Truckers have given me Hope again a d inspired me with A Courage that is contagious from two years of Despair, fear, anxiety, oppression and so much more. They brought a Breakthrough and a breath of fresh air after being in Lockdown for Two Long years	2/18/2022 10:51 AM

77506	So many tears of joy! The convoy has given me hope - the first taste of hope that things could return to normal. Also it has inspired joy in me because I see that people are united in this movement! 77517	I have heard good and bad things about it. I generally do not appreciate protests but I sympathize with many, many, people who have attempted to reach out to their governing authority through phone and email and have been ignored.	2/18/2022 10:50 AM
77518	The trucker convoy opened up the eyes and spirits of Canadians and the whole world to stand up for freedom and the whole world stands with them	2/18/2022 10:50 AM
77519	It has given me hope and showed me love and freedom!	2/18/2022 10:50 AM
77520	It has given me hope for a better future for myself, my son and grandson	2/18/2022 10:50 AM
77521	I am far from it, so it has not affected me too much. I agree that the government has over-reached here but I also think it is time for the truckers to leave - at least from residential areas	2/18/2022 10:50 AM
77522	It gave hope	2/18/2022 10:50 AM
77523	It has given me hope that there are people out there fighting for our freedom.	2/18/2022 10:50 AM

77527	Gives me hope of going back to normal life for my family.	2/18/2022 10:50 AM
77528	That has been a sign of hope for many. People are now willing to stand for our God given rights and freedoms.	2/18/2022 10:50 AM
77529	Not sure if that's part of the reason why the cost of everything is going up	2/18/2022 10:50 AM
77530	Indirectly the convoy has caused issues for me but nothing compared to the government's mandates and the last two years of shutdowns	2/18/2022 10:50 AM

77534	It has revealed the petty tyranny of PM Trudeau and the willingness of, not only his party but also the NDP to support his unlawful use of the Emergencies Act. It has shown me how good men and women have been vilified and smeared for standing up for their/our rights	2/18/2022 10:50 AM

77539	Gave me a sense of hope that freedom of our rights and freedoms to be restored.	2/18/2022 10:50 AM
77540	No, I support there right to protest in a lawful manner. Funny though, this government didn't enact the emergency measures act then BLM, and the anti church's protests were burning churches, and tearing down statues, and blocking rail traffic out of the ports and trying to derail trains, blocking pipeline right of ways, breaking in and sabotaging construction equipment, harassing and threatening workers. But I guess when the protesters/rioters are left of center, and there focus is right of Center all is good in the eyes of the king of Canada	2/18/2022 10:50 AM
77541	It's given me hope that we can remove Justin Trudeau as PM. They are reminding Canadians about our rights and freedoms. My body my choice.	2/18/2022 10:50 AM

77546	gave me one last hope that our country isn't sinking into a permanent orwellian dystopia for the unforeseeable future	2/18/2022 10:50 AM
77547	It's given me hope. Also the very first time in many many years that I've felt patriotic and proud of my fellow Canadians. Still ashamed of my government, but the convoy represents Canada in all its love and inclusivity more than this govt ever has. The convoy has also exposed the depths of corruption from the government to the media to hide the truth, to spin pure hatred abs propoganda. True colours revealed	2/18/2022 10:50 AM
77548	Giving hope!!!	2/18/2022 10:50 AM
77549	It has given me hope and pride as a Canadian for the first time in years	2/18/2022 10:50 AM
77550	I support them 100%. They are heros for not only Canadians, but people from all over the world. They brought HOPE to everybody, shoveled said, fed homeless, delivered messages of majority Canadian peaceful loving way. They are unifying Canada and the world together. I heard some of them were arrested by organizing the snow shoveling and feeding homeless. I request to release them immediately. I want Trudeau to be prisoned fir life. He killed millions of people indirectly for his own personal gain. He works for The World Economic Forum, but not for Canadians. He should do Community Services rest of his life. Please research about The Great Reset, WEF and Event 201. I heard Grand Jury is going. They have all the evidences. Mainstream News work for WEF, too. Please find out the truth, release innocent Freedom Convoy and arrest all members of WEF. Thank you.	2/18/2022 10:50 AM

77557	It has created a deeper divide & convoluted the issues of the mandates & government power. I initially believed that it was being organized in good faith, but some questions has been called in as to the charters of some of the organizers. That being said, I do believe that the majority of Canadians who showed up to the protests were doing so in good faith to support & demand back the freedom of our country.	2/18/2022 10:50 AM
77558	Made me feel part of something. Gave me more hope than any of these politicians did in the last two years.	2/18/2022 10:50 AM

Mental health because the mandates are wrong and the science doesn't back the insanity of the jab that is causing serious damage to people. My body. My choice I do-not want to live in a free Country under the dictatorship of Justin Trudeau that needs to step down and answer for his crimes that we are all aware of. Enough is enough and if people opened their eyes they would see, that all over the world people are protesting for their God given rights and freedoms. The truth will set them free. 77628	Gives us hope for a normal life and how things used to be. We need family, friends and freedom that's what Canada is all about.	2/18/2022 10:48 AM
77629	It gave me hope . It reunited the ppl	2/18/2022 10:48 AM
77630	This gave us hope! As you can tell from the Gelato store owners story the government put a huge divide in Canadians over the last 1.5 yrs. She was attacked in her business for supporting the truckers. Most of us have been attacked by family and friends through this. The truckers united us. They made us realize we are not alone, much like my parents group. You have no idea of the segregation we have gone through unless you have been segregated as well. Love, peace and togetherness is what we are feeling just like the Gelato story once we heard. We as the trucker group encircled the Gelato store in love and friendship from across the country. Not because we pooled together and said let's help them but rather because they were attacked as we have been and we individually reached out to send them love. The truckers convoy is all in love. It is a shame what our government has done to Canadians.	2/18/2022 10:48 AM
77631	At most it got some movement towards freedom, no negative impact	2/18/2022 10:48 AM

77635	It's is a 100% positive peaceful protest that finally has got the government's tyranny attention that we Canadians have had enough of this.	2/18/2022 10:48 AM
77636	This Convoy has given us hope for change, that someone may listen to Canadians needs. The Truckers are a voice for some of us who have been pleading for our rights and freedoms, but we are being called names and getting nowhere. These truckers are giving hope that we may get our beautiful country back and be free again.	2/18/2022 10:48 AM
77637	It hasn't affected me in any way. I applaud these people	2/18/2022 10:48 AM
77638	Gave me hope for a better future	2/18/2022 10:48 AM
77639	They havnt affected my life as they are fighting for every Canadian and our Country! I applaud each and everyone of them. Stand tall and keep fighting. Thank you to each and everyone that is in this fight. Children don't see faces , they don't see friends, no socializing and it is sad to see this. Children shouldnt learn to be shut out from the world.	2/18/2022 10:48 AM

77647	It has made me feel supported and encouraged to continue pursuing freedom and the restoration of our basic rights and freedoms. It has brought me much happiness and joy and has buttressed my own courage.	2/18/2022 10:48 AM
77648	The trucking Convoy has really opening my eyes up to the role the government has in our lives. I use to believe the government would listen to its people it ever we used our voices, asked questions or requested action to be taken, I was wrong! The Convoy has shown many Canadians the skeletons within our governments. The trucker Convoy has united Canadians, used their rights to speak up for change and have given me hope again.	2/18/2022 10:48 AM
77649	it was nice to see people coming together	2/18/2022 10:48 AM

77656	It makes me realize that I am not alone in Canada or around the world. That people are just fed up with covid and would rather take their chances with it instead of continuing this non sense. Seeing the thousands of people across Canada makes me realize that this is a not a fringe minority. I also think that in Ontario anyway, the millions spent on a temp QR code system was a waste. If thus was truly about health that money would have been spent on ventilators, hospitals beds or mental health in my opinion.	2/18/2022 10:47 AM

It has caused some stress and division but I support the need to stand up when everyone is opening up and Trudeau is imposing more vaccine mandates.	2/18/2022 10:46 AM
77731	They brought back hope, they united a country and helped to open the eyes of many people who have fallen for the lie that this pandemic is about health and that our government actually cares about our well being. They don't. The truckers care about our well beings. Care enough to put their lives, jobs and freedom (what's left) on the line and stand up for all Canadians as a united force. They have done nothing wrong. The only criminal here is Justin Trudeau and all of his conspirators.	2/18/2022 10:46 AM

77777	Not at all	2/18/2022 10:44 AM
77778	It has been inspiring to see this grass roots organization touch the heart of what has been bothering many more Canadians than I realized. 77815	Hasnt	2/18/2022 10:43 AM
77816	It has left me believing I live under a dictatorship instead of a country that is run by democracy. This could have been ended if we had a leader who listened to and cared about his people. He doesn't care about individuals. He does not represent the people he is suppose to lead.	2/18/2022 10:43 AM
77817	Not at all but have given hope for freedom to choose	2/18/2022 10:43 AM

77822	It makes me proud to be Canadian again.	2/18/2022 10:43 AM

It has also tough me how unfit our PM Justin trudaeu is and how he has committed brines against humanity by forcing Canadians a against their will and has over steeped on our God given rights. I do not have any trust in our PM and he should be held accountable.

77826	Not at all.	2/18/2022 10:43 AM

77832	It has given me hope	2/18/2022 10:43 AM
77833	It has renewed my faith in humanity and Canada! Just before the convoy began, I was ashamed and embarrassed to be a Canadian. I'm so happy the truckers are out there fighting for all Canadian's freedoms!	2/18/2022 10:43 AM
77834	Proud to be a Canadian and the convoy is reinforcing what is most important in life..... freedom to choose and importance of honouring the Christian foundation of our beautiful country, Canada	2/18/2022 10:43 AM
77835	Makes me feel like there is a little bit of hope	2/18/2022 10:43 AM
77836	Gives me hope again, my parents came from communist Poland to live a better live in Canada. I have seen the negative effects that Justin Trudeau has had on Canada since 2014 and I have never supported him or his actions. He's unstable and needs to be in a psychiatric hospital. He is not a leader.	2/18/2022 10:43 AM
77837	It brought back a sense of hope and pride in Canada & being Canadian.	2/18/2022 10:43 AM

77846	Hope and optimism that this tyranny will end. God speed truckers.	2/18/2022 10:43 AM
77847	Made me feel there just might be hope again	2/18/2022 10:43 AM
77848	More division of the population, I am for it as are many others, many against it.	2/18/2022 10:43 AM
77849	It gives me hope and makes me proud to be Canadian again!	2/18/2022 10:43 AM
77850	It has given me hope	2/18/2022 10:43 AM
77851	Gave me Canadian pride and hope again	2/18/2022 10:42 AM
77852	I appreciate their efforts and wish they were not lumped into a group of people doing wrong because they are the one group brave enough to fight for our freedoms. The individuals running it appear knowledgeable and prepared and it's unfortunate our supposed leader will not take the time to hear them out.	2/18/2022 10:42 AM
77853	Was a trucker for 40 years , wish I could have been with them. Watching all the crap the news media spreads about them is so wrong . They are just trying to make a living without more crap thrown at them. They were all hero's for 2 years , same as all health care works it's a disgrace to see how they are treated now .	2/18/2022 10:42 AM

77857	Ended some of the mandates here in Sask., made me feel like a Canadian again.	2/18/2022 10:42 AM
77858	Gave me a sense of hope!	2/18/2022 10:42 AM
77859	Nothing at all	2/18/2022 10:42 AM
77860	it has given me hope that something will change, Trudeau needs to resign and we need an immediate election to save the future of this country	2/18/2022 10:42 AM
77861	It has brought me joy and jope . It has restored some faith in humanity to watch people unite of all race , religion and region across the globe coming together to fight for their rights and freedoms . I would join in ottowa if I could to see my children has a future that has already been fought for them . I believe in pro choice this virus is something we need to learn to live with . It has shown me the true gain for politics , the receipt and how corrupt this government is. Nothing the news reports is true.	2/18/2022 10:42 AM
77862	It hasn't I won't let it	2/18/2022 10:42 AM
77863	Shows me that there is still amazing and caring people in the world that don't just care about themselves (government) but care for all of our country	2/18/2022 10:42 AM

77865	Gives me hope and pride	2/18/2022 10:42 AM
77866	the convoy gives my family the hope that is needed to have freedom back and our livelihood; hope of a future for our children and grandchildren...the convoy has shown the world to stand up for what is respectfully right for all Canadians and all involved; my Canadian flag has been upside down, had not been a proud Canadian throughout this pandemic; the convoy puts that pride back into Canadians making all proud to stand up for what is right	2/18/2022 10:42 AM
77867	Inspired me. Given me hope and joy. Proud to be a Canadian again	2/18/2022 10:42 AM

77869	Hasn't	2/18/2022 10:42 AM
77870	Instilled hope, has encouraged conversation and allowed me to build bridges with some of the people I've lost touch with over the last two years. It's allowed me to take my kids skating again. Has also opened my eyes to how corrupt our media and government is.	2/18/2022 10:42 AM
77871	Hope. Feel there may be a better road ahead.	2/18/2022 10:42 AM

77875	I've felt hope finally!	2/18/2022 10:42 AM
77876	it has been an overwhelmingly positive experience	2/18/2022 10:42 AM
77877	It's bringing me hope that all these useless restrictions will be over with. They are fighting for our freedoms. We have no more freedoms. What happened to land of the free? Free speech has even been taken from us, it's really pathetic how Trudeau has been handling things, or lack there of. He is incompetent, untrustworthy and a coward that I no longer trust to be our leader. He is anything but a leader. I am fearful for my life and my children and grandchildren's lives. THIS MUST STOP AND TRUDEAU MUST GO AWAY!	2/18/2022 10:42 AM
77878	not very much, my province has since announced that all restrictions will be lifted, that is a positive accomplishment of the convoy.	2/18/2022 10:42 AM
77879	Brought hope and unity	2/18/2022 10:42 AM

77882	It hasn't. Honk Honk	2/18/2022 10:42 AM
77883	Love the passion they have! If I could be in Ottawa I would.	2/18/2022 10:42 AM
77884	It's given hope that change is possible and I'm not alone	2/18/2022 10:42 AM
77885	It has restored hope and unity in my life. Extended families who were previously divided have come together again.	2/18/2022 10:42 AM
77886	The truckers did (and continue to do) what no politician or legal entity has been able to do...that is, to give Canadians a voice that is being heard whether govt wants to listen or not. It has re-empowered Canadians and helped to heal 'the divide' created by Trudeau, Schwab, Gates, and you know who else.	2/18/2022 10:42 AM
77887	It has given me hope that the evil agenda will be destroyed and those moving these crimes against humanity forward will be removed from power and legally incarcerated.	2/18/2022 10:42 AM
77888	Not at all	2/18/2022 10:42 AM
77889	There is finally hope, I love seeing a peaceful protest that brings Canadians together. Justin Trudeau is handling this with violence and hate, he is starting division and doesn't have the decency to even talk to the people who employ him. Canada is a democracy not a dictatorship.	2/18/2022 10:42 AM
77890	Its brought hope that we can get out of this. That we can live life free of government overreach and mandates.	2/18/2022 10:42 AM
77891	Makes me proud	2/18/2022 10:42 AM
77892	Giving my family hope for a normal life again	2/18/2022 10:41 AM

77894	Positive and encouraging	2/18/2022 10:41 AM
77895	It brought hope to our life and a chance for freedom. It made us feel like we are not alone and guilt for not doing our part to support and help them. It also brought anger and disappointment about our premier and why he wouldn't address his people. Why did politics took over our life, health, choices and freedom...???	2/18/2022 10:41 AM
77896	Has brought so much hope and joy and unity with fellow Canadians. Love the peaceful gathering of all Canadians and seeing their faces, smiles and hugs ♥♥	2/18/2022 10:41 AM

77899	It has given me hope	2/18/2022 10:41 AM
77900	They give me hope to be free from this corrupt government.	2/18/2022 10:41 AM
77901	The truckers convoy has opened my eyes to political censorship in our country! They're having a positive effect on me and my family. I sat watching the House of Commons question period and debate about the Emergencies act. I've never paid that much attention to politics before and I think it's a good thing unfortunately I normally would be watching the olympics however I haven't watched a thing because this is more important in our household. I also am now extremely aware and of the media censorship in our country. I was so against Donald Trump in the us that I cheered when he didn't get elected. I thought his fake news comments were a bunch of rambling nonsense. This has really opened my eyes as I see what is posted on the news however I know people that are a part of the convoy and have seen videos that contradict what the news is saying. They've been trying to vilify these truckers from the very start. The truckers I feel are creating Canadian pride and Patriotism. Yet the actions of our PM are causing embarrassment and shame on our Country.	2/18/2022 10:41 AM

shown me how crooked dishonest and greedy our government officials are

77905	It had given me hope that Canadian citizens were allowed to raise their voices against unscientific government over-reach - and to seek alternate solutions to managing the virus. However, apparently Canadians are NOT allowed to question Justin Trudeau. Democracy is dying in front of my eyes.	2/18/2022 10:41 AM
77906	Gave me hope.	2/18/2022 10:41 AM
77907	I was getting depressed and not proud of my country until I watched the convoy going through Canada. This convoy has wakened me up to see how crooked our prime minister and most of the members of parliament are. How they have deceived us as hard working Canadians - and how JT feels about us as Canadians as being stupid.	2/18/2022 10:41 AM
77908	It has given me hope , and Canadian pride	2/18/2022 10:41 AM

77916	It has made my family and I all proud to be Canadian and fly our flag. It has given us all hope that we the people can change the Liberal party's tyranny imposed by Trudeau who wants a "Made in China Canada "	2/18/2022 10:41 AM
77917	Finally got the truth out about our government	2/18/2022 10:41 AM
77918	It gave me hope that maybe something might actually change. Our country is in a dark hole and kept going deeper. This gives me hope for change	2/18/2022 10:41 AM
77919	Some family members live in Ottawa. We don't want to go there because of the convoy disruption.	2/18/2022 10:41 AM
77920	It hasn't. Not one little bit.	2/18/2022 10:41 AM
77921	It has given me hope for Canada for the first time in 6 years	2/18/2022 10:41 AM
77922	Never felt proud to be Canadian certainly not with his government in charge	2/18/2022 10:41 AM
77923	It's an embarrassment	2/18/2022 10:41 AM
77924	Challenged how I view protests	2/18/2022 10:41 AM

77926	Brought our country bs k from the hell of mandates given us hope n community as we come together in solidarity helped me see I am not alone.	2/18/2022 10:41 AM
77927	It has given me hope that there are people out there willing to stand up for freedom. From what I have seen and experienced, the trucker convoy has worked to unite Canadians and spread love and joy. They have given others courage, hope and a voice. Quite a stark contrast to what the mandates and Justin Trudeau have done for our country. The trucker convoy has been a clear example of the biased and corrupt media and how it is clearly controlled by the liberal government. Stories have been spun in a negative and untruthful way, labelling the trucker convoy as something it is not. The news has worked to manipulate the minds and emotions of the people in a way that creates division and hate towards one another. The trucker convoy has opened my eyes to the corruption that exists in our government, media, and society and how what is happening right now in the world is deeper than just this pandemic; it is about government control, money, and power in the name of "public health and safety". This deceitfulness on our governments part makes me sick and angry. It is WRONG. Because of the trucker convoy I my eyes have been opened and I will continue to think critically, ask	2/18/2022 10:41 AM

questions, spread love, create space for the voices of others, and stand up for what is right. I hope others will feel inspired to do the same.

77928	Gave me hope	2/18/2022 10:40 AM
77929	It's given me hope. It's made me feel like a proud Canadian again. It's a movement felt around the world. The media coverage has been a complete joke however. Gone are the days of honest journalism.	2/18/2022 10:40 AM

77935	It gives me hope that people are standing against corrupt government and overreach.	2/18/2022 10:40 AM
77936	It has made me realize that our country has become divided and undemocratic. Our PM is pursuing a personal agenda rather than representing all Canadians.	2/18/2022 10:40 AM
77937	If the truckers do not deliver we do not eat or get supplies. I agree with the truckers. Somebody has to stand up for us! If I were a cop, I would not break up the peaceful protest. This is our free speech. We are a peaceful society . We do not want what they are doing to us.	2/18/2022 10:40 AM
77938	That gave me great hope, regain faith towards the people's freedom, open the way in light that my life isn't over that there's possibility for future business opening up, even my own, no more separation between family and friends, respect for the difference of opinion. Regaining my mental health at this time.	2/18/2022 10:40 AM

77955	Given us hope	2/18/2022 10:40 AM
77956	It has been a positive and uplifting experience. Watching everyone come together has given me a sense of pride in our country that I have never felt before. Until the convoy began I was embarrassed for this country.	2/18/2022 10:40 AM
77957	Gave me hope for this country. Showing we are united unlike what the media and the liberals would want us to believe.	2/18/2022 10:40 AM

77961	It has not affected me physically. But my prayers and heart u is a with them.	2/18/2022 10:39 AM
77962	Brought back some hope and love for my country	2/18/2022 10:39 AM
77963	Trucking convoy made people realize they were not alone in their thinking against what the government was preaching. they gave inspiration and saw around the world many feel the same that governments would abuse their authorities. The largest affect has been the realization how trusted mainstream media is bedded and funded by corporation and government. The media releases info on the side of the story they want. not full news on matters. example is a city of about 80000 in BC had its largest gathering of local citizens collecting to show support for the truckers and this event was not even acknowledged by CKPG news. the events following were also not covered. showing media chooses to ignore a historic city event because it was not in line with their opinions. sad	2/18/2022 10:39 AM
77964	It's given me hope	2/18/2022 10:39 AM

77980	Gave me hope.	2/18/2022 10:39 AM
77981	It has lifted my spirits, giving me hope that this is almost all over. The unity of this country is AMAZING to see. It has given me an opportunity to smile and get excited. The more of the hate from our PM towards this and his unwillingness to even have a conversation with the truckers, with coming up with the leader of the opposition, his inability to even apologize to a caucus member in parliament, his inability to stand up for ALL Canadians is truly mind numbing... yet he can go to India and tell their government that when they were going through	2/18/2022 10:39 AM

issues with the farmers he was there telling them to listen to the farmers and come up with a plan going forward. Our PM DOESN'T follow his own advice. It's clear his own political agenda, his own conflict of interest matters to him more than coming to a peaceful solution. It makes me sick!

77982	It has highlighted the division and the governments lack of leadership.	2/18/2022 10:39 AM
77983	Gives me hope	2/18/2022 10:39 AM

77994	Hope	2/18/2022 10:39 AM
77995	In a positive way 100%. Made me feel human again. Standing up for what's right. Coming together as true Canadians. If our government were true leaders, the people involved in the convoy should of been met with and heard. Leadership is when you can say," hey, we may not agree with what you stand for, but we are proud of what you have accomplished in getting your points across and standing up for what you believe in. Thats true leadership. All I've seen is lies, trust the science is a joke, corruption, rudeness, profiting from the populations agony, dividing everyone. I could go on and on. We need true leaders again. I hope that will be possible again. There's always hope.	2/18/2022 10:39 AM
77996	Gave me hope, made me proud to be Canadian	2/18/2022 10:39 AM

77998	Being a proud Canadian again	2/18/2022 10:39 AM
77999	It has given me strength and hope knowing there are so many more freedom conscious people awake enough to realize we are being lead into very dangerous times f we don't take a stand against all this evil.	2/18/2022 10:39 AM

78005	It made me realize that I'm not alone in my feelings of frustration and discouragement with these mandates still being in effect two years later. The trucking convoy gave me hope that we could begin living life the way we used to and live with Covid like we do the flu and not in fear of it. I have loved seeing Canadians united.	2/18/2022 10:38 AM
78006	I think of a trucker so different they are and always will be my hero's	2/18/2022 10:38 AM

78081	Given me hope! Due union was forced to get vaxx or lose my job. Couldn't afford to. Vaxx proven only helps the person possibly gave less severe symptoms. Hypocrisy that MMR vaxx's aren't mandated since parents want autonomy for their children's body, but this is mandated. Media freaked everyone out unnecessarily. Truckers were the one group the PM shouldn't have messed with. I'm so proud of them for taking the stand!!	2/18/2022 10:37 AM

78113	It has given me some hope.	2/18/2022 10:36 AM
78114	I live in southwestern Ontario and it's honestly given me hope. I was travelling the opposite way on the 401 when the convoy was first starting and it gave me hope to see all the people beginning to gather on the overpasses and along the highways. It's shown me and a lot of people that we are not alone and that people actually do want these various mandates to end. Stop the division, the hatred, bring people back together	2/18/2022 10:36 AM
78115	It has given me hope: Hope that this lunacy will end. Hope that we will begin to find a way back to the individual rights and autonomy we took for granted for all of my life. Hope that the governed will be served by those in government rather than the reverse. Hope that I will live in a democracy again. Hope that dissent will be heard, censorship will cease, debate and study of all relevant data will flourish again. I only wish I could be there in person but I need to be with my husband and continue to be available to my oh-so-isolated 82 year old mother. I root for the Freedom Convoy everyday; my gratitude is immense.	2/18/2022 10:36 AM

78272	The truckers have given our family hope. We feel proud of Canada. We feel unity. And it's too little too late but my children were now allowed to participate in society again. They can go to school without masks. It is a small step in the right direction. It will still take years to heal from the trauma the Canadian government has pushed on its citizens.	2/18/2022 10:32 AM
78273	Bring back Hope And proud to be Canadian again	2/18/2022 10:32 AM

78282	Not at all	2/18/2022 10:32 AM
78283	To see them going through the towns and highways and even in Ottawa and seeing people excited waving Canadian flags gave me a sense of hope. Everything Trudeau has done has only brought harm and division but the convoy has brought many together. I've seen so many people from different cultures come together excited about being Canadian and wanting to protect our rights. I've seen more unification from all people from across Canada. Even many from Quebec joining in with the rest of the country, gives people hope.	2/18/2022 10:32 AM

78287	Hope	2/18/2022 10:31 AM
78288	This has been a beacon of hope. To see so many others who have been effected by the mandates and who are taking a clear and visible stand shows me, is, the world- that so many know these mandates are a violation of human rights, Nuremberg code, Helsinki bio ethical codes. And we collectively say no.	2/18/2022 10:31 AM
78289	It's brought some hope and promise that our right to protect our health and our children's health, and that freedoms enjoyed previous to covid with be restored. That good will prevail and there will be a future for next generations. That Canada will still be the best place to live.	2/18/2022 10:31 AM

78306	The love and unity is amazing. Seeing everyone's face is a real treat. It is giving me hope where as the government just makes me angry and have suicidal thoughts	2/18/2022 10:31 AM

78327	It has given me hope and great joy	2/18/2022 10:31 AM
78328	It gave me hope. Made me feel not alone. Like someone was sticking up for me. Like good was standing up. It has been very hurtful to watch the government and media lie. To see how far the power extends. It has blown the lid off of my previous perception that I lived in a free and democratic society that had a charter of rights to protect me.	2/18/2022 10:31 AM
78329	I think it's beautiful that people are coming together	2/18/2022 10:31 AM

78332	The convoy gave me hope again!!!!	2/18/2022 10:31 AM
78333	I have not been able to be with them, but I have prayed for them and for our country and it's leaders. What is happening in Ottawa is a peaceful protest by people who want the right to choose what goes into their bodies and want their jobs back.	2/18/2022 10:31 AM
78334	It hasn't	2/18/2022 10:31 AM
78335	It has been the only hope we have had in 2 years of government over reach	2/18/2022 10:31 AM

peace that they demonstrate has encouraged people to do the same. People aren't afraid to interact with others like they had before. People are communicating and interacting more with each other. They have reduced the fear in our community. We don't feel as alone and isolated as we had prior to the trucking convoy. Canada is feeling more like the place i grew up in.

78337	Given me hope and love back for my country and people	2/18/2022 10:30 AM
78338	Morning such a good feeling knowing we are not alone in this fight for freedom that we stand together Very sad when you have a peaceful protest and your PM the leader of your country turns it ugly Trudeau has to go !!!	2/18/2022 10:30 AM
78339	I love the truckers!!	2/18/2022 10:30 AM
78340	It has given me hope and faith	2/18/2022 10:30 AM
78341	It has given me, and the world, hope, that a dictatorship can be overthrown, that the world can look to Canada to lead them to a better life and that destructive and corrupt leaders can be removed by the majority, if millions of good Canadians hold fast until Trudeau steps down.	2/18/2022 10:30 AM
78342	Brought back some hope	2/18/2022 10:30 AM
78343	Inspiration and has shown how awful the government is dealing with Canadians and their actual problems	2/18/2022 10:30 AM
78344	Zero	2/18/2022 10:30 AM
78345	They have brought hope! Other "fringe minorities" can't seem to get a message across to our government, but these guys clearly have, considering they have support from all over the world. I have been called a racist and white supremacist by people I thought I knew and were friends. I believe the convoy has inspired more people to come out and speak the truth. The only reason why Trudeau called the Emergencies Act, is because he is backed into a corner and has nowhere else to turn, other than listening to the common, blue collar people of this country. This convoy has allowed him to show his true colours, and he has pissed off the wrong people.	2/18/2022 10:30 AM
78346	Hope it will change mandates	2/18/2022 10:30 AM
78347	Gave me some hope especially hearing stories of others being destroyed by unfair and unequal mandates	2/18/2022 10:30 AM
78348	Has given me HOPE finally after 2 years.	2/18/2022 10:30 AM
78349	It has given me and family reason to hope! Like they're soldiers fighting on the front lines to try and save this once great nation!	2/18/2022 10:30 AM
78350	Given hope!!	2/18/2022 10:30 AM
78351	Affecting the economy. Everything so expensive.	2/18/2022 10:30 AM
78352	It gave me hope and helped me see I wasn't so alone	2/18/2022 10:30 AM
78353	We support it	2/18/2022 10:30 AM
78354	It's brought me hope. I had all but written off Canada as a viable country to continue living in. When the convoy started, it brought me so much hope that we can stand up to this tyranny and get control of our lives. I think the government needs to be brought right down and completely restructured. The old system has become entrenched in corruption.	2/18/2022 10:30 AM
78355	Gives Hope for Freedom before we lose it to a Evil Dictator	2/18/2022 10:30 AM
78356	Bought hope to humanity. Made me realize that a massive portion of Canadians and the world support the end to this madness.	2/18/2022 10:30 AM
78357	Give us hope We are said to be a free country. But the government has taken away our freedom	2/18/2022 10:30 AM
78358	It has given me hope and a renewed faith in my country and its people. I'm proud someone is finally standing up for our rights and freedoms. I thought I was alone until the truckers took a stand. They have given me hope again. That's a powerful thing. We need to end government over reach and the tyranny that has befallen our beloved free country of Canada under Justin Trudeau. He and his mandates and division must be ended immediately	2/18/2022 10:30 AM

78372	It gave me hope that the world is full of love	2/18/2022 10:29 AM
78373	It hasn't. Opp and ops assisted them and they showed the government how sick of mandates and lack of leadership we are. They also proved how CBC CTV CBS and others are not being truthful in their reporting	2/18/2022 10:29 AM
78374	Opened my eyes to media, and who is making money	2/18/2022 10:29 AM

78381	Hope	2/18/2022 10:29 AM
78382	It has given me a new hope! Hope in the fellow Canadians of Canada. There are more of us that think alike than what the media was telling us! More people that don't want the mandates than I originally thought! It has restored my faith in humanity in general!	2/18/2022 10:29 AM
78383	It has not, gives me hope	2/18/2022 10:29 AM

Canadians vote on Canadian Mandate - February 2022

78390	It's what I've been waiting for... for two years. It's given me hope and that I am not alone in seeing our rights being taken away. This isn't about a virus. It's about living in a democracy and slowly have that taken away. The trucker convoy has woke up more people to see the truth.	2/18/2022 10:29 AM
78391	It's giving me hope! Love the unity.	2/18/2022 10:29 AM
78392	Hope for freedom again. Free to earn living	2/18/2022 10:29 AM
78393	It has given me hope	2/18/2022 10:29 AM
78394	It hasn't, if it has done anything it has exposed how much government overreach there is, they have brought unity amongst Canadian and brought so much hope to those of us whom weren't being heard,	2/18/2022 10:29 AM
78395	It's given me a sense of hope. I cried over the unity our citizens come together, seeing Quebec and Alberta together for the same agenda moved me to the core. I have zero confidence in our PM, he is not a diplomatic man, he would rather hurt us than support us.	2/18/2022 10:29 AM
78396	Made me realize how many people from all backgrounds and political stripes agree on how poorly our govts have managed this. Truckers allowed so many others to come out of hiding with their views.	2/18/2022 10:29 AM
78397	It has brought me hope of freedom	2/18/2022 10:29 AM

78433	They have given a voice and hope to those that have been demonized and segregated.	2/18/2022 10:28 AM
78434	Simar protests occurred in my province, leading to the scrapping of vaccine passports, mask requirements. Now the government has called an emergency act for no just cause. I am worried that the government will abuse their power in the next 30 days	2/18/2022 10:28 AM
78435	Given me hope, that people are willing to stand up to a unpopular and uninformed government.	2/18/2022 10:28 AM
78436	Considerably. Inspired me	2/18/2022 10:28 AM
78437	It has given me hope . Inspirational proud to be Canadian . No affect at all	2/18/2022 10:28 AM
78438	It has given me hope that someone else sees what I see and I am not a crazy conspiracy theorist. The government is out of control and the Freedom convoy has brought that to light for others to see. It is criminal how they are now being treated for trying to voice their concerns. Our Prime Minister has declared war on the citizens of Canada and must be stopped.	2/18/2022 10:28 AM
78439	It has given hope, and has united a large portion of the Canadian people, who have been segregated by leaders, businesses, media, other Canadians and even families.	2/18/2022 10:28 AM

Having faith in humanity, love and kindness this Convoy has shown the world that it doesn't matter your race or religion or opinion it is possible for the entire world to unite. Ive never been more proud and at the same time disappointed in the behaviour of our law enforcement and most of all the greedy, ignorant embarrassment of a "leader" Canada has been forced to deal with. 78486	It give us hope that the people will not stand for and closed minded government who lies and uses force instead of working with his people to find a middle ground that works for all. We should all have the right to choose what's best for our own body without being pushed out of society and divided like we have been. 78492	It has given me hope and I feel compassion for them. They know what is going on and what Trudeau and the government agenda is. I believe in them and they have given me hope. Without them Trudeau would have already destroyed Canada. Please stop the Emergency measures act. This is not needed and in total violation of what our country stands for. If this goes through this will be chaotic and disastrous for the economy and well fare and well being of every person In this country and will destroy the world as we know it know Thank you god he with you	2/18/2022 10:26 AM
78493	Has not affected me at all.	2/18/2022 10:26 AM

78498	It has given me a great sense of hope, and of there being a contingent of the population, standing for real values, and opposing the imposition of absolute, invasive, death dealing genocidal tyranny. We would all be dead much sooner, without them.	2/18/2022 10:26 AM

78567	I've been inspired by their efforts. Since the trucker convoy started it's given me hope. People seem to be talking more, smiling. I enjoy seeing supporters everywhere-Canada flags while driving, etc. I appreciate that since the convoy started both Sask and AB have lifted some mandates. All need to be lifted immediately though.	2/18/2022 10:24 AM
78568	It's been a ray of hope for the first time in 2 years! At first, we understood the restrictions, but as time went on, it stopped making sense. It became more about power and less about safety.	2/18/2022 10:24 AM

78584	Brought me hope	2/18/2022 10:23 AM
78585	It has given us hope.	2/18/2022 10:23 AM
78586	They have offered the first glimpses of hope and unity to our country. They have taken a huge risk to fight for what is right and what is backed up by science, without getting paid, while the "leaders" of our province/country, who have been paid by our tax dollars, have sat back and catered to political schemes and the expense of the people.	2/18/2022 10:23 AM
78587	It has made me embarrassed to be a Canadian. This is an occupation, not a protest, it is beyond shameful.	2/18/2022 10:23 AM
78588	It's just sad to here a bunch of made up stories on the news they are just fighting to help people I don't think they should be given such hard time. I hate that everyone in world is fighting more then ever. The trucker convoy really has not affected my life in anyway.	2/18/2022 10:23 AM

78596	Has given me hope!!	2/18/2022 10:23 AM
78597	Hope in humanity, in Canadians. Hope for a brighter future	2/18/2022 10:23 AM
78598	I believe they have done a peaceful job representing the majority of Canadians. There will always be one or two that will infiltrate to make it look like it is not peaceful. Look at the riots that happened in the US and Canada where they burn down buildings and churches. This is not anything like that this is a peaceful demonstration representing the majority of Canadians who are fed up with government control. The government took away freedoms and now they think if they give us back a couple of them that we are free again. That's not how it works. I liken it to the someone taking \$100 of my money and then they say well will give you \$20 and I should be so grateful.	2/18/2022 10:23 AM
78599	It has given me hope, whereas I was losing my faith in my fellow man.	2/18/2022 10:23 AM

78602	Belief that Canadians still are able to stand for their values	2/18/2022 10:23 AM
78603	It has brought hope for a brighter future.	2/18/2022 10:23 AM
78604	It has made me proud of them above and beyond as without the trucker in general we cease to exist end of story, they stood up for drs, nurses, school teachers and etc essential workers whenever they had to in some form or another and now I think its time the general public lifts up their socks and pays them back ,its only fair amen.	2/18/2022 10:23 AM
78605	It has given me hope	2/18/2022 10:23 AM
78606	Giving us some hope.	2/18/2022 10:23 AM
78607	Has not	2/18/2022 10:23 AM

78609	I am overjoyed to see the amount of love and support that the truckers have and people have for them. Hold the line.	2/18/2022 10:23 AM

78612	They are heroes, delivering the goods that we need.	2/18/2022 10:23 AM
78613	Giving me some hope, united Canadians who just want their lives back!	2/18/2022 10:23 AM

78629	given us hope	2/18/2022 10:22 AM
78630	I support the cause that the movement is for but I do not support how the convoy is going about it which is why I don't support the convoy. One positive thing the convoy has done is unite a lot of Canadians that have been feeling alone when they have not been alone the entire time. I did not support the blockade at the border which I believe is the primary reason they are attempting to implement the EMA which is simply not needed. The Provinces have more than enough power and police force to deal with this issue. On another note I am also staring to believe this whole convoy is nothing but a larger farse created and planned for by the Government to get control over the Country and will be used to extend their powers under the EMA. As their power grows, their control will grow and eventually we will be under a One World Government which I believe is their ultimate goal. Right now we are at a pivotal time in history. If the Government is allowed to continue on this path we will end up loosing our Democracy and our Freedoms. Essentially we will all be slaves and eventually part of the Social Credit System controled by AI and 5G Technology which is continuing to expand in the background and no one is talking about it. Make no mistake about it, we the citizens of Canada are at war with our own Government who is trying to enslave its own citizens.	2/18/2022 10:22 AM
78631	I thank them, someone had to stand up to this BS, too bad I can't be there with them	2/18/2022 10:22 AM

Canadians vote on Canadian Mandate - February 2022

78703	Canadians standing up for the rights of ALL Canadians - The voice of the Canadians has been spoken through this group of freedom truckers trying to Unite the Country again, to end all mandates which are causing great harm to many Canadians! More harm and death then Covid which the mandates are trying to control and are failing to do so! It's time to end ALL mandates and vax passes and heal this Country! Canadians vote on Canadian Mandate - February 2022

78796	First time for awhile that I have been so proud to be Canadian and it is all because of the truckers and the millions of people that want Freedom in our once great country	2/18/2022 10:17 AM
78797	It has made me lose/end friendships with people I thought I had similar values to. It has made me feel like my life and my son's life are less valuable to people.	2/18/2022 10:17 AM
78798	made me feel like we have hope and communism is not at our door step. I want Trudeau and Freeland to tell us how her husband got the information. Freeland's grandfather was a natzi.	2/18/2022 10:17 AM

78805	The convoy has not affected my life negatively at all. I support them 100% and believe in everything they stand for, and the impact they're having. I believe this was a necessary action to take to make the impact needed for governments to start taking us seriously. These mandates are extremely unnecessary and data shows that they are failing. We need to get on with our lives and learn to live with covid.	2/18/2022 10:17 AM
78806	It will effect everyone eventually and we are going to start to run out of supplies for our small community if they don't get rid of all these Mandates	2/18/2022 10:17 AM

79093	The convoy has given me hope that we can move past these restrictions and learn to live with Covid which has proven to be a cold/flu that 99.9% of people survive with no issues. The lack of compassion from the prime minister, and the complete ignorance of his actions is completely unacceptable. He has not even offered to speak with the truckers to see what their concerns are and regardless of how he feels, as the PM it is his job to listen to the Canadian citizens	2/18/2022 10:08 AM
79094	Hasn't	2/18/2022 10:08 AM
79095	It's given me hope for the first time in two years	2/18/2022 10:08 AM

79098	Giving hope	2/18/2022 10:08 AM
79099	This has given me hope that people are waking up to the lies from the government and media, and are starting to stand for their freedom and body autonomy against the tyranny of all of the governments in this country. The convoy is full of love and acceptance for everyone, no matter what your choice is. I share this common goal and will stand with them until all mandates are dropped and we return to normal life in Canada. This is a peaceful fight for every single Canadian citizen, no matter if they realize it now or not.	2/18/2022 10:08 AM
79100	It has given me hope that the government will hear the millions of voices of those that have been suppressed, marginalized and targeted by media and PM as "fringe minority" , "against science, racists and misogynists" that are occupying space".	2/18/2022 10:07 AM

79104	The truth is not being shown by the main stream media	2/18/2022 10:07 AM
79105	It adds to the knowing we are at war with the government. I feel unsafe living in Canada due to trudeaus actions.	2/18/2022 10:07 AM

79110	Gave me hope.	2/18/2022 10:07 AM
79111	Not at all. Life is improving, so many people now have hope that the mandates will be finished.	2/18/2022 10:07 AM
79112	It brought hope	2/18/2022 10:07 AM
79113	Hasn't behind what they are doing. It is not just the mandates anymore it is our freedom and how we have been treated like we are too stupid to run our own lives.	2/18/2022 10:07 AM
79114	Something to unite Canadians	2/18/2022 10:07 AM

79119	Gave me hope	2/18/2022 10:07 AM
79120	Wonderful. It has given Canadians hope. The man in power is a dictator and he and others want control of the world. Why can't his own government or anybody else see it.	2/18/2022 10:07 AM
79121	They speak for a majority who don't have the time or don't want to be pointed by their opinion	2/18/2022 10:07 AM
79122	Hasn't affected	2/18/2022 10:07 AM
79123	No.	2/18/2022 10:07 AM

79126	Made me proud to be Canadian. Haven't felt this way in a long time as politicians and main stream news outlets are biased towards the govt as they are funded by the govt.	2/18/2022 10:07 AM
79127	Hope and pride only	2/18/2022 10:07 AM
79128	Gave me hope Raised my hope Relieved some of my anxiety Renewed my faith in regular people	2/18/2022 10:07 AM
79129	The convoy has NOT effected me.....if I could ...I'd be there also.	2/18/2022 10:07 AM
79130	It has shown me how stubborn and stupid people can be. Mandates were ending anyway but in a safer way. I understand their frustrations, but the people who are still there are there for a party	2/18/2022 10:07 AM
79131	It has given hope to millions all over the world that we are not alone in our fight for freedom	2/18/2022 10:06 AM

79134	Positively	2/18/2022 10:06 AM
79135	It hasn't	2/18/2022 10:06 AM
79136	On one hand I was thrilled to see/experience the sense of unity, of individual and collective demonstrations of standing up for our RIGHTS & FREEDOMS. I applaud these brave men and women and I hold them in great esteem. On the other hand, I was/am appalled at how our supposed "elected representatives of the people" have reacted without due course of action and in accordance with Charter of Rights and human decency. They work for the people and they are accountable for their actions. This convoy has clearly revealed the true intent, character and perspective of our governing officials. It is despicable.	2/18/2022 10:06 AM
79137	Made me feel proud and alive again!	2/18/2022 10:06 AM
79138	Gave us hope	2/18/2022 10:06 AM
79139	I have become far more attentive to what is happening with the prime minister, parliament sessions and the media. I am most disgusted with main stream media. I have spoken at length with my neighbors who just returned from Ottawa. I listened to their experiences and watched their videos. The media is not telling the truth!! It makes me distrust everything I see and read related to the Covid pandemic. I am sick to my stomach and my mental health has never been worse.	2/18/2022 10:06 AM
79140	No significant impact	2/18/2022 10:06 AM

79145	Hope	2/18/2022 10:06 AM
79146	These brave people have given many of us hope that freedom is possible and worth fighting for. No one would listen to any reasoning before the convoy; everything was censored. Bless their hearts for the sacrifice they have made for the minority who was never allowed to speak.	2/18/2022 10:06 AM
79147	The Trudeau government has caused more problems in the last 2 years then 21 days of the truckers demonstration has	2/18/2022 10:06 AM

79351	Gives me hope	2/18/2022 9:59 AM
79352	Provided hope	2/18/2022 9:59 AM
79353	Given hope	2/18/2022 9:59 AM
79354	Positively for the most part. It has given me hope that other people believe that we should have freedom in our country, and the right to choose for ourselves what is correct for us. It has also disheartened me with how far government and media will go to mislead the public and how much propaganda is still being used today against the masses. I have realized Canada is not exempt from greed, corruption and the drive for power and money.	2/18/2022 9:59 AM

79364	It has inspired me, unified my social circle, given me hope and helped me realize I AM NOT ALONE	2/18/2022 9:59 AM
79365	It has brought me hope and they are the best thing that has happened since all of this started. Loving, caring peaceful ppl. Its the only place of all places were i feel safe and its been the best thing that could happen to Ottawa in a loooooong time. Nobody is missing of nothing. Even the poor are getting very well taken care of. And the media lies are getting pathetic. We see very clearly that they are reporting lies about this convoy. Shame on all of you!	2/18/2022 9:59 AM
79366	it has given me hope for freedom and the peoples right's back	2/18/2022 9:59 AM

79369	It has made me feel like there's some hope left and that maybe Canada is still a good place.	2/18/2022 9:59 AM
79370	It hasn't! They are people like us that want our lives back and now!	2/18/2022 9:59 AM
79371	They have given us hope, light and strength in these dark tyrannical times. Amen	2/18/2022 9:59 AM
79372	Trucking convoy have given me some hopes. Hearing from the same parents or individuals with the same difficulties, coming together in person and online to chart has been given some of us another meaningful to appreciate life and hold onto the promise of God . They pray for one another while requesting for our God Given right back. The trucking have opened the spiritual blind port and now we can see. They've accomplished a lot in just a short period and I pray that God Continue to give them wisdom on how to solve this situation without causing any issues. They have a lot of children hope. My little one keep asking how far are they. The worse is to tell her that they are being arrested for doing nothing!	2/18/2022 9:59 AM
79373	It has given me a bit of hope that Canadians will stand up to save our country	2/18/2022 9:59 AM
79374	It has given me great hope. It has reminded me of when people could truly be free, be themselves without fear of someone shunning them because of their own private medical choices. I see so much love and unity, so much peace and compassion. Our government has torn everyone apart. I am so proud of our truckers for being so brave. They are spreading love to EVERYONE!	2/18/2022 9:59 AM
79375	Given me back hope, pride, joy.	2/18/2022 9:59 AM
79376	They worked and kept products moving all during this pandemic	2/18/2022 9:59 AM

79387	Affected shipping	2/18/2022 9:58 AM
79388	I'm proud to be canadian again	2/18/2022 9:58 AM

79390	They give me hope.	2/18/2022 9:58 AM
79391	The truckers have given me hope for a better future but the government's response to it shows how much of a dictatorship we live under. It's very disheartening. We must stand up for our freedoms in a so-called free country! That is what so many countless Canadians have given their lives for in past wars yet it seems to be eroding away before our eyes. Oh Canada.....!	2/18/2022 9:58 AM
79392	Just makes me proud!	2/18/2022 9:58 AM
79393	It brought hope and light in my life. I was hopeless for 2 years and now I see a glimpse of light.	2/18/2022 9:58 AM

79397	Inspired	2/18/2022 9:58 AM
79398	It has affected me positively by giving me hope that maybe this time the government will stop being stubborn about what they want and actually make it about what Canadians want. The convoy is a symbol of hope for all us Canadians that just want our lives back properly and unconditionally without having to yield any of our rights and freedoms. Trudeau enacting the emergency act is simply a move that smacks of pride by a man or party that doesn't wish to admit that it has behaved erroneously. I hope the convoy stays strong and keeps demonstrating peacefully as they have done up til now as is everyone's right to do so, and hopefully the Trudeau government doesn't persist in trying to illegally stop it.	2/18/2022 9:58 AM
79399	People standing up for our lives	2/18/2022 9:58 AM
79400	It has given myself and loved ones hope of attaining freedom!	2/18/2022 9:58 AM
79401	Been very encouraging and we stand with them!	2/18/2022 9:58 AM
79402	It has given me hope , hope for humanity	2/18/2022 9:58 AM
79403	The truckers have given me hope and trust in people again. Hope that others will see how badly our government has done and what their future intent is for the country. To see the need for total reform of our system and our lives. It has shown me that others in law enforcement will step up and do the right thing, along with the fact that some will disregard their actually Oath and harm my countrymen, laying bare the need for education and reform in that area too.	2/18/2022 9:58 AM
79404	It has given me a spark of hope in all this madness ending. Makes me feel proud to be canadian again. Trudeau is a tyrant. Its terrifying he has the reigns to this beautiful control that is now divided and struggling immensely because of him.	2/18/2022 9:58 AM
79405	Gave me hope that there is still love and unity is this country ♥	2/18/2022 9:58 AM

79415	It has given me hope and made me proud to be Canadian	2/18/2022 9:57 AM
79416	I always knew this was all a farce. Cuz nothing is for free. Someone was gaining n it wasn't the working class. When I can, cuz I have 3 jobs (if anyone wants to hire me contact me) I helped out the MB convoy - the hearts of the organizers - no words. Compells my eyes to tears n my heart can't speak. The Convoy to me represent liberty. I grieve and I pray for the men n woman that fight this battle. You have brought out the best n worst in people. Often in times of adversity ones true self appears. The Covoy represents the SOLDIERS fighting a war that only could be fought by truckers, farmers, people that knows what it takes to work hard and get things done! People that know what it's like to lose everything because they have lived, loved and lost and they can do it again because they also know what it takes to preserve, be determined and they know how to fight! Thanks for being freedom fighters! God Bless you. God bless Canada - glorious and FREE!	2/18/2022 9:57 AM

79429	First time in 2 years that I feel hope again. I thought we were alone, that nobody cared, that the Canada we once loved was forever gone. Now I know it's still there, we just need our government to stop putting shackles on us.	2/18/2022 9:57 AM
79430	Given me hope	2/18/2022 9:57 AM
79431	It has made me feel proud to be a human being who believes that love will conquer all. Seeing the love and determination gives me hope. The truckers are the true hero's and I just love what they're doing for all of us.	2/18/2022 9:57 AM
79432	Gave me hope. Faith in humanity	2/18/2022 9:57 AM
79433	It has created an excitement that a group of people are finally standing up and trying to effect change. This convoy is peaceful, yet the media and government are labelling them erroneously as racists, misogynists, and terrorists. I am grateful for the trucker convoy, but afraid of the government's actions, as a result. The government should have listened and heard the	2/18/2022 9:57 AM

79526	It hasn't directly but it has given me hope watching Canadians from all walks of life gathering together with a common purpose and in love.	2/18/2022 9:54 AM
79527	Its brought the Canadian citizens together lots of respect and love but above all HOPE for the life we once had HOPE for my children's Future HOPE that I may not struggle for long cause there's a light at the end of the tunnel. HOPE FOR A BETTER FUTURE A need for Canada to be given back to the Citizens. Hope that I won't loose all my rights. The unity of people that has happened is truly a tear jerker of happiness to see a country and others come together unified with shared support and love and respect for our human rights. It hits u in the heart when one goes down to support to feel all that love is something no one has experienced ever it just makes u want to cry tears of happiness. Its an amazing feeling and I am honored that they did something the health care workers were unable to do since we were all Frontline workers when it started. They make us feel appreciated by the people and have shown us the governments true intentions my eyes have also been opened to the police,opp and rcmp who at the end of the day have the right to refuse a commanding officer or government and refuses to stand with the people they swore to protect. They showed us that the news does not report	2/18/2022 9:54 AM

accurate truths. So everything about the convoy and their reason i stand with them the police,government and news i no longer trust. Also they manage to prove that Trudeau is a Dictator(really he did that on his own) but if it wasn't for the convoy we would still be blind to his untrustworthy lying egotistical narcissist person he is. His own constituents say he's a dictator. Thank you thank you FREEDOM CONVOY FOR OPENING OUR EYES TO THE FULLEST. Go truckers Go thank you for holding the line its making a difference not just here but around the world...much love to them faith and protection.

79528	It's only givin us hope that Canada is standing up for my children's futures to be free again. No one is free right now in Canada. We are oppressed.	2/18/2022 9:54 AM

living until the convoy movement reminded me what my country can be !!.

79557	It gave me hope again for the first time in 2 yrs. I gave me hope the government would stop their over reach into people private lives and bodily autonomy and our Charter and Constitution would once again be respected by government.	2/18/2022 9:53 AM

79561	Didn't affected it	2/18/2022 9:53 AM

79568	In a good way giving me hope. Gina Alberta	2/18/2022 9:52 AM
79569	They brought me hope in people again. I lost that. I lost hope in Canada. I was proud again. Division is wrong and they just want to unify everyone. They want an end to mandates and it's the mandates that are causing the division. The government is dividing us, instead of unifying. These people did more to unify people in two months than the government did in two years. Spread love not hate, hope not fear.	2/18/2022 9:52 AM
79570	They gave me hope and they are my heros.	2/18/2022 9:52 AM

79575	I was feeling sooo positive thinking that ALL mandates were going to end!!	2/18/2022 9:52 AM
79576	Worried for the protesters. Upset that people in Ottawa are being inconvenienced. Trudeau could have talked to them. Blew way out of proportion.	2/18/2022 9:52 AM
79577	Proud to be a Canadian for the first time in a long time	2/18/2022 9:52 AM

that we will not turn into a communist country

79586	It is giving hope back, it's nice to see people pulling together and being happy and not fighting over restrictions. We have lost 2 years of our lives, every one living in a daze, I see people happy now and smiling again	2/18/2022 9:52 AM
79587	They have done what the government could not - united normal Canadians with love, peaceful assembly, helping each other and the community... yes, a few angry people saying stupid things, but no words more vile than those lies spoken by the PM.	2/18/2022 9:52 AM
79588	It has brought Canadians together and united everyone for the same cause. I am proud of everyone standing up for our GOD GIVEN rights and freedoms	2/18/2022 9:52 AM

And the harder Trudeau/etc hits us, the harder & more we stand against it all!	2/18/2022 9:52 AM
79600	It gave hope until waving a flag became criminalized.	2/18/2022 9:51 AM

79613	It has given me hope that we can return to our lives prior to the pandemic, that we can unite together and respect our differences, that love and humanity rise above all tyranny, that we can live in a democracy again.	2/18/2022 9:51 AM

79614	Made this possible	2/18/2022 9:51 AM
79615	Our governments don't know how to handle peaceful demonstrations. The truckers convoy is an eye opener for all of us. Painful to see how bad Trudeau and the Canadian Government is handling this situation. Just give up the mandates and allow Canada to be free again.	2/18/2022 9:51 AM
79616	Only in a positive way. I am proud that it unites Canadians and gave people the courage to speak up.	2/18/2022 9:51 AM
79617	Only positively by giving me hope	2/18/2022 9:51 AM

79621	It hasn't. They are doing a peaceful and lawfull act that has been granted to us through our freedoms and rights. Trudeau is causing all the problems by calling good people Nazi's and swaztica wavers.	2/18/2022 9:51 AM
79622	It hasnt	2/18/2022 9:51 AM

79637	It hasn't! Very proud of these people	2/18/2022 9:50 AM
79638	Given hope back to canadians who understand that choice should be a single persons responsibility not that of government or another family. Vaccines are supported, but only when their is choice to choose, not when they are REQUIRED to live a normal life	2/18/2022 9:50 AM

79654	Someone has to stand up for our civil rights to choose what is best to put in our bodies. As long as it's peaceful and coming from a place of peace and love. I don't agree with the honking I feel bad for the people that live nearby. I don't understand why Trudeau does not take the time to communicate with these protesters. These are Canadians that have genuine concerns	2/18/2022 9:50 AM
79655	It has restored some faith in citizens of Canada and united people together.	2/18/2022 9:50 AM

79682	The trucking convoy has given me so much hope and lifted my spirits. I had been lead to believe that I was alone and now I feel unified with other Canadians whom I don't even know. The movement is filled with so much love, peace and joy. It has restored my faith in humanity. People of all races, religions, vaccination status, ages are able to come together with one common goal of restoring our freedoms. The way the Canadian government has handled the situation has made me very fearful of the government. I am proud to be Canadian and proud to live in a democratic country but what I am seeing right now from officials is not Canadian and not democratic.	2/18/2022 9:49 AM

79694	Inspired me	2/18/2022 9:49 AM
79695	It has given me hope, after 2 years of seeing everything we love disappear! I have realized that I am not alone, thousands of people think like me, are tired of this nonsense and are ready to get back to real normal. That is so so so good!!! We love and encourage you truckers!!!	2/18/2022 9:49 AM

79702	Positively. Thanking them for the hope they spread across the nation.	2/18/2022 9:48 AM

79704	Some kind of positive hope	2/18/2022 9:48 AM
79705	It has not directly effected me but it is helping make a point that enough is enough, we are not a dictatorship country. This is not the country our fore fathers built for us.	2/18/2022 9:48 AM
79706	It affected our life as a positive way to open the ears of our ruling politicians. It showed me how peaceful a protest SHOULD be. It also showed me so much negativity expressed by our law enforcers.	2/18/2022 9:48 AM
79707	Brought hope	2/18/2022 9:48 AM
79708	It gave me hope. Finally after so many years I am proud to be a canadian!!!	2/18/2022 9:48 AM

79711	Financial stress	2/18/2022 9:48 AM
79712	Nothing	2/18/2022 9:48 AM
79713	I have hope again. Mandates have started lifting in Alberta. My kids have returned to school full time because I don't feel like I have to worry about them shutting down or going online. I feel like I can maybe return to work and not have to worry about quitting again to care for my kids.	2/18/2022 9:48 AM

79720	Brought me joy watching the patriotism on line and people coming together in unity - I have suffered with the hatred and division in our communities and families and seeing people happy and united has brought me the only joy I've felt in years. I felt pride. I'm angry and disgusted with the way the media has portrayed / vilified people there and absolutely enraged with the government response. Very shameful	2/18/2022 9:48 AM
79721	Take back our freedom	2/18/2022 9:48 AM

79728	It brought me joy, love and hope for the future that our Canada will come back to the days we had freedom. I feel like my community is starting to connected as canadians and not feel divided. For the first time in a long time Canadians are starting to be happy and no live in fear of being judged for their medical choices. This convoy brings me and my family hope for freedom and to be proud to be Canadian.	2/18/2022 9:48 AM

79750	It has given me hope! I felt the love and I know in my soul that they are right and far from a fringe minority. What trudeau has said about us Canadians now and intends to us the emergency act against his own people and degrade us to less than human, taking away our rights, our voice, bank accounts, driver's licence, etc, makes us no more than my horse in the pasture. He's committed horrific crimes in the past and told the RCMP to stand down while we stood by helpless! NO MORE! He should be stripped of all power and his own orders be used against him and him alone!! Enough is enough!!!!	2/18/2022 9:46 AM

79784	Not sure. Had a beautiful experience in my city when they came through. To see people with and without children, laughing , cheering, greeting, celebrating was such a treat that we have been denied, for 2 years.	2/18/2022 9:45 AM

79828	Gave me hope that this will come to an end and made me proud that someone finally stood up to the government in a way that cannot be ignored	2/18/2022 9:43 AM
79829	Has shown me that there are millions who have the courage to stand up for our rights and Trudeau is wrong the health depts are wrong - people are not all in agreement, these are a minority of our population. Qnd shown me Trudeau and all mps don't even want to listen to the reasons. Not even have a conversation- these are peaceful hard working loving people and there has absolutely no violence, but he wants Canada and the world to believe otherwise. When q leader of a country doesn't want to hear us and offends us and wants to squash our complaints, he is not a democratic leader, but a dictator.	2/18/2022 9:43 AM
79830	It has brought to light how many people feel like I feel, and that is hugely heartwarming for me! It seems that the government and the media are only allowing one narrative (theirs) be heard and spread in this country and it it hugely refreshing to see and hear that there's many, many, many of us in this country who feel that these mandates and regulations have been stifling our lives for far too long!	2/18/2022 9:43 AM
79831	Gives me hope for a better future	2/18/2022 9:43 AM

79845	It gives me hope for humanity that finally people are awakening.	2/18/2022 9:43 AM
79846	Gives hope that the population feels the same way, happiness, inspiration, love, unity, also seeing the pathetic movement of the govt and their swaying and lies of the truth screams out we are in dire need for help! Go truckers and convoys go!!!!	2/18/2022 9:43 AM

79852	It has brought a sense of hope and togetherness back to Canada Unfortunately the media and Government fail to see how this convoy has united Canadians of every walks of life, regardless of faith, race or social standing in society This convoy has been inspiring to Canada and the World	2/18/2022 9:42 AM
79853	Gave the Country(Canada) hope for Freedom	2/18/2022 9:42 AM

79865	Gives me hope that Canada can go back to normal	2/18/2022 9:42 AM
79866	They have given me hope that we can finally have the government, at all levels, listen to the harm and division that the mandates have resulted in. Though they are chaotic which I do not like, they represent the unity the common people are looking for that the federal parties are working in direct opposition to by their petty arguments, name calling, disrespect to one another and dissonant from the average person that has not continued as normal with wages and raises like the government officials have. We are all in the same storm, but NOT the same boat! Government officials in their yachts seem to think that those if us in canoes and rafts should just shut up and listen. The convoy has shown I am not the only one who feels this way. Our electoral system is BROKEN! No I do not want Joe shmoe stuck in office I want members who are not extremists who seem to HAVE to vote with their party and not for what their constituents actually want.	2/18/2022 9:42 AM
79867	Gave hope. Many tears of joy she'd over the past 3 weeks.	2/18/2022 9:42 AM

79938	Gave me hope	2/18/2022 9:38 AM
79939	Bre such a presence of hope and unity to this country that has not been present in years, and not only has not been present, but the opposite has been fueled. There are actually people that I respect that I have seen throughout this movement now. And watching how the truckers treated each other and one another and perfect strangers, peaceful and loving, and kind, and friendly, and vulnerable and humble, and strong... Showing that we can be all of those things, and always do the right thing, restored some of my faith in humanity, which, to be honest was gone	2/18/2022 9:38 AM
79940	Brought us hope for the first time in 2 years	2/18/2022 9:38 AM
79941	Given me a bit of hope.	2/18/2022 9:38 AM
79942	The trucking Convoy has changed everything not just for my life but I believe for the world these truckers have been sent by our creator to break the evil agenda trying to depopulate the world, make slaves and A I beings out of mankind. This evil regime has no Idea the sovereignty of our God or the magnitude of His love for those who follow Him in Spirit and in truth. This world will see the truth eventually when all this wickedness is exposed and by truthful news reporters and when people of integrity return to the seven mounains of society: family, religion, education, media, entertainment, business and government. Thank you Truckers for being the RESISTANCE for GOD!!	2/18/2022 9:38 AM
79943	I have been watching every day Canadians get a little hope back as the convoy drove across this beautiful country. All premiers have become tyrants. Scary. Truckers mandates were overreach especially when we were all afraid to leave our house but we appreciated truckers taking the risk. Can't believe how mainstream news lies about the truckers. If Canadians dont wake up Trudeau would love to turn this country into a dictatorship	2/18/2022 9:38 AM
79944	I am proud to be a Canadian for the first time in 2 years. I feel totally connected to the Freedom Convoy and it's messages of love and peace. We want to be free from government control to make our own decisions for ourselves and our families.	2/18/2022 9:38 AM

80067	Pleased that it had opened many people's eyes to the negative impact of ALL mandates and opened people's eyes to our current corrupt Gov. Trudeau should not represent our Canada!!	2/18/2022 9:34 AM
80068	It has given me hope that there are other people who feel the same way and that we can fight this tyrannical government.	2/18/2022 9:34 AM
80069	Hope for the present and future	2/18/2022 9:34 AM
80070	i feel uncertain about the convoy - grateful in one sense, for getting things moving in terms of ending mandates and showing the govt we are tired of living in such a limited way. but the optics of the convoy are very uncomfortable for me, i don't resonate with the canadian flag, i find it troubling that it seems to be largely white folks, and i wish there were Indigenous leaders leading this movement.	2/18/2022 9:34 AM
80071	It has given me hope that canadian are finding thier vouce again. It makes me proud to be canadian again	2/18/2022 9:34 AM

80077	Has made me proud and excited for life again.	2/18/2022 9:34 AM
80078	Although the media/government wants to make everyone believe that it is a terrorist white supremacy protest, from other things I am seeing I know this is not truth. When people are peacefully protesting, my hope is being restored again.	2/18/2022 9:34 AM
80079	It hasn't affected me at all	2/18/2022 9:34 AM
80080	It has given me hope that I haven't felt in two years. Very uplifting and positive. The movement makes me proud to be Canadian and it brings tears to my eyes when I watch the live feeds of all of the beautiful people that have come together, their positivity and love to one another. Despite the prime ministers every attempt to dismiss, ridicule and sabotage the movement.	2/18/2022 9:34 AM

80231	It has brought HOPE, unity and love to all people who want it! The government has successfully divided this country by dividing citizens to do "the good for the people" to keep them safe" haha... but getting the jab doesn't prevent you from getting or spreading Covid. So what good does it do? People that have had the jab, are suddenly getting sick, now HIV is on the radar. Why is the government giving free at home testing for HIV?? I am not a sheep and I have rights under the Canadian Constitution... if it even exists now! I stand with the truckers Convoy and am willing to die for the rights of our people!	2/18/2022 9:26 AM

80240	They never affected me. It's the governments unlawful mandates and actions. that pushes not just truckers but millions of canadians to stand up and say enough is enough. 80253	It gives hope that maybe the Politicians will start realising that they work for us not the other way around. I live in hope that maybe there will be dignity, morals, and respect brought back. How has this affected me , there are just to many to even start mentioning.	2/18/2022 9:26 AM

80258	The trucker convoy has affected my life in a massive positive way. I was at the end of my rope, and had lost faith and hope in our country and its people. But when the convoy started up, and especially from my own province, it's lifted me higher than I have been these past 2 years. I shed so many happy tears and continue to, especially seeing all of us coming together from every walk of life coming together in unity fighting for our rights and freedoms. It's definitely brought me out of my depression that I've had.	2/18/2022 9:26 AM
80259	None	2/18/2022 9:26 AM

80269	It has given me HOPE. I have been to Ottawa and experienced the love and unity on the Hill. Our eldest daughter traveled with the convoy from BC and refuses to leave them because she has never experienced so much love and community and mutual caring for others.	2/18/2022 9:25 AM

80300	It hasn't	2/18/2022 9:24 AM
80301	-Given hope. Children are happy to see people are fighting for us in a peaceful movement. -the truckers opened up the floor for discussion. Never before did they question the governments tyrannical decisions. They say its in the name of science yet they dont show the science that backs up their claims. They also wont have an open debate between doctors. -more friends and family who were silent about the segregation are now speaking up. Going from being shamed and shuned to loved and understood. -businesses have stood up all over ending their own mandates for masks and vaccine passports. Opened the door to shop at more locations and apply at more jobs.	2/18/2022 9:23 AM

80308	Its giving us all hope and encouraging us that there are others that agree with our stand and it is growing and people are waking up.	2/18/2022 9:23 AM
80309	Gave me hope for a future with my freedoms back	2/18/2022 9:23 AM
80310	The convoy has had little effect on my life personally except to give a hope that maybe our government will finally listen, but that is clearly not the case. Our Prime Minister has shown himself to be stubborn and proud and has caused far more stress because of his actions and words then the truckers have in this situation and he continues to dig in his heels. I am greatly concerned with the control he is trying to obtain and sad that I don't even recognize my country anymore. Canadians don't do things like this unless they are pressed and stressed beyond their limits and that is what our Prime Minister has done. He has taken jobs and freedoms for two years and now accuses the truckers of doing those things. He is blind and deaf to the needs of Canadians and he needs to start listening. I don't approve of the truckers blocking bridges and stopping trade, but I am in favour of a peaceful protest and desire for mandates to be dropped. We have all had enough. 90% vaccination was the goal, we have reached it. Covid is still spreading, but it's easing. We aren't going to ever be free of it, it's time to get back to normal and learn to live with it. The focus shouldn't be on more vaccines, but on medications and early interventions to treat Covid.	2/18/2022 9:23 AM

80334	Gave me hope!	2/18/2022 9:21 AM
80335	It has, aided in raising awareness to the problems and massive division that has taken over this country. It has also, shown our country can come together, and generated some amazing patriotism that Canada has needed for MANY years. It has shown (although I was already aware), how unworthy falsely reported, our news outlets have become, and has been especially amplified during the pandemic. Negatively, it has shown, supported and pushed some unrealistic beliefs that threaten a fair and democratic society, with their original belief that they were going to oust our current sitting government. Flying flags that use the sitting PM name, with an unprofessional slogan, give their cause, no credibility and merit. Their protests have been, for the most part, peaceful.	2/18/2022 9:21 AM
80336	It makes me hopeful!	2/18/2022 9:21 AM
80337	Did not	2/18/2022 9:21 AM
80338	It gave me hope and restored my pride in Canadians! It has also shown the true colours of our PM and the media because of their lies and over-stepping authority.	2/18/2022 9:21 AM
80339	The convoy has given me hope! Hope that one day soon I will be able to get on a plane and see my kids every 2 months like I have done now for many years. That I will be able to watch my new grandson celebrate his 1st birthday surrounded by friends and family. To watch my oldest grandson be able to experience college the way it should be, and not by sitting at home behind a monitor having classes virtually. To be able to visit friends and family from Nova Scotia to British Columbia in my time and on my terms, just like it used to be. And that the Governor General will see what parliament has done to our country and call for a dissolution of parliament before JT can do any more damage to our beautiful country.	2/18/2022 9:21 AM
80340	In a positive way.. A small glimmer of hope in Canada's future..	2/18/2022 9:21 AM

80345	.	2/18/2022 9:21 AM
80346	I'm terrified for the future of Canada seeing the way this has been mishandled by the police, governing bodies at all levels and the media. The people must be allowed to have a voice through protest; this is a fundamental piece of our democracy.	2/18/2022 9:21 AM
80347	It's been nothing but positive seeing how amazing they are and that all these people from all around support us Canadians	2/18/2022 9:21 AM

80349	as of right now it has not. I would be willing to suffer for their cause though as they represent the silent majority of Canadians that are too afraid to speak out.	2/18/2022 9:21 AM
80350	Hasn't hurt in any way	2/18/2022 9:21 AM
80351	It has warmed my heart to see so people stand together and gives me so happiness and hope after two years of desperation and sadness	2/18/2022 9:21 AM

I feel bad for Ottawa residents that live close.... Horn honking, diesel fuel scent all the time, people cannot go to work, roads, bridges blocked. Prices elevating due to this "rebellion". Glad for this survey..... finally get to voice my opinion. I think authorities should have just hooked tow trucks on to a couple of big rigs.. pulled them away and watch the rest run.... Or start pulling the licence plates off of all the trucks and other vehicles that are illegally blocking roads and then fine, revoke insurance, revoke drivers license	2/18/2022 9:19 AM

The trucking convoy has given me some hope again that we could possibly be free again. Free to make our own decisions, free to congregate with people, when, where and how we choose to. Free to enjoy and live our life again. I have been happy watching videos of the tens of thousands of people in Ottawa who are BEING truly Canadian again by showing love, kindness and support to one another. 80598	Only for the good of all Canadians	2/18/2022 9:07 AM
80599	It has given me hope. I had lost faith in Canada and Canadians and felt and was constantly told "by the other side" that I'm a crazy conspiracy theorist and the only one that thinks "this way" but the Truckers have brought us all together and shown the world that were aren't those things and to be proud, stand for what Canadians truest represent	2/18/2022 9:07 AM
80600	The convoy has made a big difference in everything and made me actually have hope for once that things will go back to normal	2/18/2022 9:07 AM

80605	It has not "affected" me. I fully support everything they are doing & the government, especially Trudeau are showing their colours as spineless scared little boys. They need to be impeached & removed immediately & permanently.	2/18/2022 9:07 AM
80606	It's made me realize how asinine people can be. What an eye opener. Delusional trumpians.	2/18/2022 9:07 AM
80607	Inspired me	2/18/2022 9:07 AM
80608	The trucker convoy is amazing, I stand with them, I wish I could have joined in. I am a senior who just doesn't have the means to be there. I am with them ALL THE WAY though.	2/18/2022 9:07 AM

80611	Made me aware of their courage to displace themselves and their families to fight for freedom of choice for ALL Canadians. And they did it peacefully. I did experience any traffic disruptions.	2/18/2022 9:07 AM
80612	It gave me hope that finally something will change	2/18/2022 9:07 AM

80626	No !	2/18/2022 9:06 AM
80627	Because they're standing up to a tyrant that is trying to control.. ridiculously control Canadian lives	2/18/2022 9:06 AM
80628	Didint affects my life at all	2/18/2022 9:06 AM
80629	Then bring everything I need to my community	2/18/2022 9:06 AM

80640	It hasn't	2/18/2022 9:06 AM
80641	It was amazing to feel the Canadian spirit again. People coming together in unity and love. I am very proud at the integrity that the people involved have conducted themselves with despite the government playing dirty.	2/18/2022 9:06 AM
80642	Brought Canada together	2/18/2022 9:06 AM
80643	It's inspired me to fight for our rights and has given me hope.	2/18/2022 9:06 AM
80644	All I can say is that I wish I could do more. I believe they're doing great work. Sadly it's all to apparent at this point that our Legacy Media only reports on one narrative and because the majority of the people only see the one narrative it's hard for them to see the truck was convoy as anything other than a single Nazi flag or several divisive comments forward by disgusting discriminators holding the highest seats in our government. I believe they've done a lot of good work but if we do not remove the emergency measures act that should never have been applied then I believe things will get a lot worse	2/18/2022 9:06 AM
80645	Gave me hope	2/18/2022 9:06 AM

80667	It hasn't	2/18/2022 9:04 AM
80668	Not at all. Probably a better approach would have been to unite all truckers throughout North America to take an entire week off and not deliver anything to send a strong message to our dictatorial federal and provincial governments that we employ them not the other way around!	2/18/2022 9:04 AM
80669	They gave me hope	2/18/2022 9:04 AM

80685	These men, women and children have exercise their rights and freedoms. They have been trying to communicate but this government is too childish and refuses to deal with the situation. This could have been over long ago. The convoy has affected my life in such a positive way.... we the people are speaking for our children and the freedoms for all Canadian people to choose not a government to force us. These folks give hope to millions that are afraid to stand.	2/18/2022 9:03 AM

To take my family to dinner in a restaurant. To make my own medical decisions. Not be forced to jab or lose my job, or not be allowed in most places or to travel. It has brought so many together that Trudeau has divided!	2/18/2022 9:03 AM
80689	They gave reminded me of what Canada used to be like. No division, love and thoughtful and open to others points of view. The truckers are the ones that keep this country functioning, not the damn useless politicians.	2/18/2022 9:03 AM

80741	The protesters have been peaceful and united will the government has worked overtime to be manipulative and divisive	2/18/2022 9:00 AM
80742	It gave me hope. Canadians have always been pacifists and it's so encouraging to see Canadians standing for what Canada we know it should be. It gave me hope that I'll be able to travel and see my friends and family again one day, and I'll be able to access pools to swim to stay fit, and I'll be able to meet up with friends at a pub	2/18/2022 9:00 AM

80748	Brought hope, showed me more than half the country feels the same way, that media only says what Trudeau wants shown, that the government only cares for themselves not the people of the country	2/18/2022 9:00 AM
80749	Inspiration, unity, sovereignty, love, trust	2/18/2022 9:00 AM
80750	Gave hope, ignited patriotism. Love them	2/18/2022 9:00 AM
80751	Other then being very disappointed,their cause dosent outweigh the severity of what's going on in the world. We are in this together,like all health care workers ,grocery,paramedics,firefighters,policemen,we stepped up and did the right thing,got vaccinated.	2/18/2022 9:00 AM

Canadians vote on Canadian Mandate - February 2022

80768	Gave me hope in an utterly hopeless time. They are fighting for us all peacefully and selflessly.	2/18/2022 8:59 AM
80769	It's brought hope and joy to see people standing up for our God given freedoms.	2/18/2022 8:59 AM
80770	they stand for personal freedom	2/18/2022 8:59 AM
80771	Gave me hope and showed me how many people are against these mandates.	2/18/2022 8:59 AM
80772	It has given me hope during a time of PTSD and depression caused by the government overreach.	2/18/2022 8:59 AM
80773	It brought Canada together again , for once in my 58 years I was proud to be a Canadian! It was short lived. But then our Prime Minister decides to pull the emergency act , a plan someone might use when there is a war happening, but not a peaceful protest. And yes it was peaceful. I had people that were there on foot, and they said it was the most beautiful thing they have seen, who says that about a protest? No one! I have seen protest around the world , and there are some that was cause for huge concern. Maybe the act should of been in place then. I approve of this convoy , my only regret is they didn't do it sooner. I am so tired of the media and the liberals calling them names, and saying they were doing no good, when everyone knows the truth. Truth will Prevail, it's all coming to surface now.	2/18/2022 8:59 AM
80774	So appreciate those truckers	2/18/2022 8:59 AM
80775	It has made me feel free ..it has given me hope ..I feel that they are for the common people..so we can live our lives again...I feel joy and happiness when I see the happy families in Ottawa..I love it makes my heart feel warm	2/18/2022 8:59 AM
80776	I have hope in the people of Canada coming together and celebrating our differences while existing together again.	2/18/2022 8:59 AM
80777	I'm hoping when they decide to leave they will just stop hauling everything. The country (especially city's) will stop. These elected officials are clueless when the working class pushes back. Things will stop.	2/18/2022 8:58 AM
80778	Brought back hope	2/18/2022 8:58 AM
80779	Returned hope!	2/18/2022 8:58 AM
80780	Not fruitful as yet. Needs more time	2/18/2022 8:58 AM
80781	I feel it has given hope and healing to me, my family and the world. To see out country uniting in this way is magical. I believe it's given light to many topics that people have been purposefully misguided in.	2/18/2022 8:58 AM
80782	Positively	2/18/2022 8:58 AM

80795	A hope of positivity	2/18/2022 8:58 AM
80796	It has given me hope. I have loved see people join together to fight for their rights. It has helped my mental health and I am very grateful for the sacrifices they are making on behalf of all of our lives. I have noticed that politicians are moving towards ending the mandates and it is coinciding with the convoy.	2/18/2022 8:58 AM

80800	Brought back hope Full of love, unité Have met so many great people Most happy I've felt in 2yrs	2/18/2022 8:57 AM
80801	It hasn't affected me because I live about 10 minutes away. The area that is blocked off is relatively small and I was easily able to get most places even in the downtown area. It has created more anxiety as so many friends are against it. I am so grateful for what they are doing. I also understand that if you are living in that area it has been hell. There are some things and actions I disagree with about the convoy but they are the only ones standing up against all this insanity.	2/18/2022 8:57 AM
80802	Brought the whole of humanity together peacefully. So many have never felt so much unity, love, compassion, empathy, patriotism and happiness. The whole of the world has gone through a living hell on earth for the past 2 years, and we see the power of love and unity will win over the evils being demonstrated on a daily basis. The power is in the people, that was shown by the efforts of these amazing Freedom Convoy communities. History was written and I've never been so proud to be Canadian in my life - the Freedom Convoy groups nation wide opened our eyes and hearts to that.	2/18/2022 8:57 AM
80803	Not affected	2/18/2022 8:57 AM
80804	Immensely and has made me rediscover my pride as a Canadian and reminded me and my kids that real freedom of choice is supported by the trucking convoy.	2/18/2022 8:57 AM
80805	They have given me hope that by standing up together, the people can compel the government to do the right thing.	2/18/2022 8:57 AM
80806	Made me proud to be Canadian and opened my eyes to how corrupt the liberal government is	2/18/2022 8:57 AM

80825	it brought back unity to a divided country, it has inspired my family and I am beginning to believe we won't have to live in a Communist Government like we thought It makes me feel proud to be a Canadian again!!!!!!	2/18/2022 8:56 AM
80826	It's a wonderful freedom and such unity in Canada and around the world. I've never seen anything like it in my 72years.	2/18/2022 8:56 AM
80827	It has given me hope and reminded me that we are not alone in this fight for freedom.	2/18/2022 8:56 AM
80828	Gave me hope.	2/18/2022 8:56 AM
80829	It has given me hope where there wasn't any anymore. And it has made my Canadian pride swell. I am fiercely proud of the Canadians who participated but mostly of the truckers themselves.	2/18/2022 8:56 AM
80830	It has not	2/18/2022 8:56 AM
80831	Convoy has united the people and brought forward the violations to their rights out in the open for everyone to see .	2/18/2022 8:56 AM
80832	Shown me there is a light at the end of the tunnel	2/18/2022 8:56 AM
80833	It has brought joy and hope that we, the people have a voice. I have been to Ottawa and have been a part of this peaceful protest.	2/18/2022 8:56 AM
80834	It's provided hope, happiness and brought millions of Canadians together. They are a joy!	2/18/2022 8:56 AM
80835	The have re ignited the poorly squelched Canadian spirit. They have given us SUCH a lift. Since truckers suddenly CHANGE of policy is at least in discussion. No idea how we get back to democracy and the pursuit thereof	2/18/2022 8:56 AM
80836	Seems to be bringing issues out	2/18/2022 8:56 AM
80837	They are fighting for democracy, which we dont have here! I support convoy	2/18/2022 8:56 AM
80838	As I support their cause of 'no vaccine mandates' and 'Mandate Freedom', I joined the trucker convoy on it's way to Ottawa, joining in at Hamilton to Toronto. I observed others who rode along in support as well. It was uplifting to see the thousands of supporters on the roads and bridges! I will now make a point to join others in buying a Canadian flag for the car and a 'Mandate Freedom' bumper sticker. This is not anti-Canada but pro-democracy.	2/18/2022 8:56 AM
80839	Gives me hope that finally the truth will be heard after numerous lawsuits and scientific studies have FAILED to expose the truth. But hate the JT will not allow truthful meaningful debate.	2/18/2022 8:56 AM
80840	A positive thing to hope for a beter future	2/18/2022 8:56 AM
80841	Wow!! The power and positivity from the peaceful and happy truckers et al....blew me away. And I o and behold suddenly Doug Ford gives the lifting of mandates an end date	2/18/2022 8:56 AM
80842	Pride	2/18/2022 8:56 AM
80843	I am in support of the trucking convoy exerting their rights for freedom of assembly and freedom of speech. This is all we have left to prove we still live in a democratic country. If the government takes that away from us, we may as well say we live in a republic of communist	2/18/2022 8:56 AM

canada. I believe the trucking convoy has brought more Canadians together, despite our government's attempt to divide the country.

80844	I went to wave to them and hold a sign, and have watched the events and been surprised at the fact that the prime minister so believes in vaccination that he won't hear the belief of people who question it and goes to unjust measures to enforce his particular views on Canada!	2/18/2022 8:55 AM
80845	Hope	2/18/2022 8:55 AM
80846	It has reminded me what it means to be Canadian and what happens when people come together against something that is supposedly bigger than us. It's so beautiful to see, honestly.	2/18/2022 8:55 AM

80857	Not at all	2/18/2022 8:55 AM
80858	It has brought hope in a time of absolute despair. At a time when I have nearly given up all hope for our country, the trucking convoy has brought back a much needed sense of hope and unity.	2/18/2022 8:55 AM
80859	It has captured the attention of the media and federal government and for that I am thankful. It has caused more people to start questioning what the end date is for all mandates and how we can start living with this virus.	2/18/2022 8:55 AM

80862	Hope of getting real information out and they are looking at droop I no mandates in NB.	2/18/2022 8:55 AM
80863	It has not at all. The said it would create food & supply shortages. There is no indication of that at all. I don't what will come out of the convoy's decision to peacefully denounce these mandates but I admire their courage and wish others would stand up to the government as they do. Hope is restored for I was looking to leave Canada and never return.	2/18/2022 8:55 AM
80864	It's brought many people together here and across Canada. I don't feel alone anymore. Vaccinated and unvaccinated alike are taking a stand against our freedoms being taken away	2/18/2022 8:55 AM

81089	Uplifting	2/18/2022 8:41 AM
81090	Trucker convoy has given hope and the courage to speak out that what the government is doing is wrong. At one point, I felt so alone and like I was really the only person that felt the mandates were ridiculous and illegal because I was surrounded by people who were pushing me to get the vaccine and their reasonings for pushing were "Just get it so you can live your life again! Get it so you can take your son to hockey, it isn't fair to him. Get it so you don't lose your job." I heard that over and over until the Trucker convoy started. I am so sad that the government is taking such extreme measure but you know how the old saying goes "What you reveal, you heal!" Canada needs to see how dangerous as corrupt this PM actually is.	2/18/2022 8:41 AM

81195	It was like superheros can along and gave us hope for freedom. I have been crying good tears and smiling for weeks. The last few days remind me of when the twin towers were struck by terrorists except this time, our government leaders are the terrorists.	2/18/2022 8:34 AM

81198	Makes me have hope of getting our rights back. Go truckers and thank you kindly.	2/18/2022 8:34 AM
81199	It has given people hope again. It has proven to be the most peaceful protest on earth, and proven that Canadians are the most people nation on earth. All they want is their human rights back and they'll go home. Do I 100% agree with everything that they've done since they landed there, like in the beginning blowing horns 24/7, blocking traffic etc; no. But that was part of the collateral damage needed to gain our rights and freedoms back. And the onus does not lie on them, it lies on our Government to handle the situation properly, give them the time of day, hear them out, give them a court hearing, and settle it in court. Our Government has been more worried about these truckers trying to overthrow the government, which would result in them loosing their jobs -- than the actual issue at bay -- which is the loss of our human rights and freedoms. They should have provided a legal process of which the convoy protestors can actually overthrow the government in a democratic way. Maybe call for a new election or something. Also, there are some discrepancies with the last election, and how the votes are collected is very concerning for a lot of people. Many speculate there has been election fraud. So people are also untrusting of our own government voting system. Our Government should be transparent, open, engaging, offering assistance, settling disputes, and even call a re-	2/18/2022 8:34 AM

election if they feel that's what the people want. They need to give the citizens of Canada their rights back, and also give them more control over the government collectively. Put the information out there in the open so people know how these processes work. Form a decentralized government. Declare independence from the commonwealth. Build up our military. Separate from world groups and bring back industries in Canada. Heavily reward them for being here. Make Canada First. Either way, this convoy is just exercising their right to protest. And they are doing so lawfully and peacefully. The Government however, is not acting lawful nor peaceful. It's time to end the mandates, as well as the digital ID, and back the dollar by gold.

81222	It has given me hope and uplifted my spirit. Finally someone who is standing up for my rights and freedoms. I will stand with them. I am proud to be the example of a peaceful yet powerful protest that is sweeping the world. The convoy is helping to uncover the hidden agendas of PM Trudeau, his deplorable lack of leadership. 81266	gave me hope for change from this insane government and all the rest of the world. god gave us freedom and that poor excuse of a man will never take it away. he is a disturbed insane monster that needs to step down. I only answer to god.	2/18/2022 8:29 AM
81267	Knowing that so many, from all walks of life , are standing for truth & justice in a peaceful & commonsense manner. It is not easy for them either but they are stepping up for our past, present & future.	2/18/2022 8:29 AM

81276	It brings me hope that Canada has a future without a tyrannical government	2/18/2022 8:28 AM
81277	The Federal and Provincial Government messed up life for 2 years. The truck convoy was the only real opposition to fight back for our rights and freedoms	2/18/2022 8:28 AM
81278	It has given me hope.	2/18/2022 8:28 AM
81279	Other than seeing it on the news.	2/18/2022 8:28 AM
81280	I have went down to Ottawa the first weekend and they gave me hope they gave me tears of joy as well and freedom even if it was only the one day I seen so many smiling faces again it was amazing, they also gave me the strength to hope things will change for the better	2/18/2022 8:28 AM
81281	It makes me fearful. I think it is being run by a bunch of racist socipaths who have succeeded in tricking some naive but angry regular Canadians and that certain politicians are also using it for political gain	2/18/2022 8:28 AM
81282	No , I stand by the removal of the vaccine mandate	2/18/2022 8:28 AM
81283	Have hope to end tyranny and government overreach.	2/18/2022 8:28 AM
81284	It hasn't, glad they are standing up for me and our freedoms	2/18/2022 8:28 AM
81285	They have prolonged their stay in Ottawa. But I feel they have awakened parliament. Which is good. I also feel a sense of pride when I see all the Canadian flags being flown. It's also a peaceful protest not what the liberal party is describing at all. Trudeau is also not right in enacting these emergency measures. The country is not in trouble, only his political career.	2/18/2022 8:27 AM

81290	Not at all.	2/18/2022 8:27 AM
81291	Hope	2/18/2022 8:27 AM
81292	They brought hope and love the things that we as Canadians have been lacking for over 2 yrs now	2/18/2022 8:26 AM
81293	It has given me hope that we still have people in this country who believe in freedom, who believe in the right to choose and who will risk everything to stand for those rights	2/18/2022 8:26 AM
81294	This is no longer about the virus. It is more about our constitutional freedoms and what our children and grandchildren and great grandchildren will be able to do. The truckers recognize that and want to save our freedoms. I fully support what they are doing and only hope that they are able to win in a peaceful way.	2/18/2022 8:26 AM
81295	It has brought me to realize that the people in this world need to stand together as one against corruption and to work in love for freedom, justice and equality for all. I am proud of the truckers and all of the people around the world that support them and continue the call for freedom in their own ways. Corrupt systems much be eliminated. I now stand firm where ever I go and refuse to wear a mask.	2/18/2022 8:26 AM
81296	It has brought back a normalcy, it has reminded Canadians there is Hope there is Freedom, it also reminded Canadians there is a democratic process which had been discarded the last two years...The Freedom convoy has highlighted how little control people have over their government and how much a tyrannical government can go against the constitution the Charter and the Bill of Rights. The trucker convoy has united the country it has given children a glimpse of what life is supposed to be. The Truckers have shown the World how a peaceful protest is supposed to go. I have never felt as if I belonged in this country until the Trucks started to roll and showed the World what a Freedom rally is and should be...Peaceful Loving Prayerful and Respectful. none of which we have had over the last two years from our "elected" officials	2/18/2022 8:26 AM
81297	Giving me hope to have freedom	2/18/2022 8:26 AM
81298	Only good !! They are fighting for my freedom	2/18/2022 8:26 AM
81299	The Convoy has been a source of never ending pride and hope for our country. I see everyday Canadians coming together with love despite the divisive government. I am angry when I see the portrayals in the media as I can see the truth in the videos posted by happy hopeful Canadians on the ground in the middle of it.	2/18/2022 8:26 AM
81300	Na	2/18/2022 8:26 AM
81301	Provided hope and inspiration	2/18/2022 8:26 AM
81302	Gives hope that we will return to some form of normal	2/18/2022 8:26 AM
81303	It has given me hope for the future of our country! Having people fight for our freedoms is amazing and has created Unity! Something we are all so desperate for! Too bad our government couldn't do it. They actually created division. Crazy!	2/18/2022 8:26 AM
81304	It gave me hope	2/18/2022 8:26 AM
81305	It has given us hope and unified our nation... it has helped the world to see what kind of a childish dictator Trudeau is and given us hope that he will be removed from office and punished for his numerous crimes; against humanity , against minors, and those simply of greed. One who owns the company that created the nanolipud particle for the vaccine should not hold the power to force an entire nation to take it so that he can personally profit from every dose whilst milking the taxpayers health care system. The man is the Lowest form of criminal. He must be stopped.	2/18/2022 8:25 AM
81306	I have a sense of hope and pride again in my country. They have exposed many lies and I have made new friends that share my same views.	2/18/2022 8:25 AM

restaurants, theatres, hotels, group spaces etc which has brought my entire family a huge sense of relief and joy.

81309	It's given hope and support. It shows that Canada is still a free country. It's a reminder that the government works for us not the other way around. I fully support the truckers	2/18/2022 8:25 AM
81310	I am stressed out about how those people are saying they speak for all Canadian people. They are racist terrorists	2/18/2022 8:25 AM
81311	Being in Nova Scotia where the covoy has been held to show support for the truckers and nit about everything and anything. In other provinces they are acting like a bunch of spoiled children who have not been taught to respect others and that life is aboit them. I feel for the Canadian people in Ottawa having to live with this daily.This has become about anything and everything that a small amount of people don't like, don't want or have had to follow what is best for everyone. The people that have to try and go about their daily lives r being held hostage in their homes, terrorized, where they should feel safe in their homes. The first few days were about the truckers and I supported them making their views known. this is now about selfish people who don't care about anyone but themselves. This needs to end, tge children need to be removed, they should never gave been there.	2/18/2022 8:25 AM
81312	Brought back hope .. shows there's more people like me out there	2/18/2022 8:25 AM

81314	I'm just so proud of them. I think they could be more polite by not blocking any roads. Of course, I don't understand the logistics of having so many vehicles in the capital. But if they are purposely blocking roads I don't think they should really do that. That wouldn't seem Canadian. But I admire their resilience and determination and they give me a lot of hope. Plus they got Canada in the world news! :)	2/18/2022 8:25 AM

If your an Actual Born & Raised Canadian, your screwed... Mary an immigrant and settle in for the long haul like our daddies did 40 years ago! No Equal opportunities left, sick of watching the immigrant consistently get picked over the Canadian! - Canadians are the Minority now! 81501	Truckers are backbone of country	2/18/2022 8:08 AM
81502	It has not. The honks are music to my ears. They are inspiring and wonderful. They have shown us that 25 days straight congregating in large numbers without masks without vaccines without social distancing we can survive even at minus 20 temperatures.	2/18/2022 8:08 AM
81503	It has given me hope and proud to be Canadian again!	2/18/2022 8:08 AM

81558	It has given us hope again!! Go truckers!!!	2/18/2022 8:02 AM
81559	I agree with the Truckers. It has shown how the Gov of PM Trudeau is divisive and certainly anti-Canadian citizen. It has woken up the country and brought Canadians together from all sectors.	2/18/2022 8:02 AM
81560	Given us some hope!	2/18/2022 8:02 AM

81571	inapplicable It has not.	2/18/2022 8:01 AM
81572	It has made me feel unsafe in Canada for the first time in my life since 1969. I am worried about becoming the target of violent extremists when I wear masks. I have lost friends. I am disgusted that Americans are interfering in our governance and trying to overturn the results of the last election. I have grown to despise social media. I am disappointed in Canadians, I thought we were smarter.	2/18/2022 8:01 AM
81573	It has giving us all hope	2/18/2022 8:01 AM

81591	They have given me a feeling of hope & pride. Something I haven't felt in years. Especially since this COVID 2 weeks to flatten the curve	2/18/2022 7:59 AM
81592	It has given some positivity, hope and unity which we haven't had in the last few years. The last few years has been nothing but one lie after another and know one listens.	2/18/2022 7:59 AM
81593	I think they are doing a wonderful thing, and as fair as I know hasn't affected my life at all. It was already hard to get items we needed before the convoy	2/18/2022 7:59 AM
81594	Brought hope and a lot of light at the end of the tunnel. Imagine it took Canadians with dirt under their finger nails to help bring a voice to all....not one expensive suit brief case carrying middle class or elite has as much for an entire population.	2/18/2022 7:59 AM
81595	Brought hope that this can end and we can live again	2/18/2022 7:59 AM
81596	Gives me hope of a better future.	2/18/2022 7:59 AM
81597	My little girl and I, we have hope and reassurance for the first time in 2 years that there are others who believe in the Canadian values our veterans faught for. We pray our leaders will repent and have the vail of greed and power lifted so they may see and breathe the love in the world again.	2/18/2022 7:59 AM

awakening to how much controll we have been under and we need to stand up against government and big pharmaceutical controls. I feel it has been an empowering movement and we must continue to regain and maintain our individual rights.

81606	Gives me hope that maybe just maybe our lives will be restored and be able to live like we normally did before all this bull crap	2/18/2022 7:58 AM
81607	It hasn't	2/18/2022 7:58 AM
81608	These brave men and women - Patriots all - are trying to save Canada from slipping into the abyss of another Nazi Germany. Charter Rights have been trampled in the name of a science for which NO ONE has shown a single piece of scientific proof (masks, lockdowns, experimental gene therapies). God bless every single one of these guys.	2/18/2022 7:58 AM
81609	It's given me hope. That I'm not the only one who feels this way	2/18/2022 7:58 AM
81610	It has given me hope that there may be an end in sight	2/18/2022 7:58 AM
81611	Restored hope, we have supported in different ways, the smile on my child's face and getting to be around people. Nothing but positive from the convoy. Bringing Canadians together and all being respectful to each other is some thing we haven't seen in a while. People including my own family and friends are so mean to each other it makes me so sad.	2/18/2022 7:58 AM
81612	It hasn't	2/18/2022 7:58 AM
81613	It has brought me hope	2/18/2022 7:57 AM
81614	I live in the US so it has not affected my life so far.	2/18/2022 7:57 AM
81615	Thank u truckers, freedom is require, enough of this dictator taking away our freedom. Where are the Senators ?????	2/18/2022 7:57 AM
81616	I stand strong with it, if I could be there I would	2/18/2022 7:57 AM
81617	Made me proud to be CANadiN again. I am triple vaxxed by choice. Think they should have their choice. Especially not impose a mandate on them two years into the pandemic when the county is mostly vaxxed and the Omicron has basically provided for herd immunity.	2/18/2022 7:57 AM
81618	The Convoy has been an answer to my prayers. I believe they are sent to wake us all up. We cannot continue living like this. We are meant to hug and touch each other not to be locked up. I thank the Convoy everyday and I have gone to Parliament Hill to see what's going on. They are definitely not terrorists as they have been portrayed in the media. It's time for the truth to come out. This is why they are here. I want the truth to come us. Thank you so much for doing this.	2/18/2022 7:57 AM
81619	I personally drove over an hour to watch the convoy from the west head towards Ottawa as they went through Manitoba. My dad and I mad a huge sign that simply said "Thank You" I waved and waved as those trucks and other vehicles went by, honking and waving and a feeling of hope rose up in me for the first time in two years. My parents and I were able to see that we weren't alone, that there were others who cared about people and the suffering too. Hope that my grandchildren would maybe some day see people's smiles and get to start having a normal childhood with playgroups and mom supports and so many things they've never known at 1 and 2 years old. I had hope that maybe our government would see there are Canadians who love our country and just need to be heard (and left alone for the most part), that maybe I wouldn't have to watch another of my son's get these shots and take baby aspirin for a month worrying if he will be one of the many to end up with blood clots or myocarditis from it but he had to in order to keep his job and pay his mortgage. Enough is enough I started hearing over and over. Enough is enough, with huge smiles and love and hope!	2/18/2022 7:57 AM
81620	I feel uplifted and hopeful	2/18/2022 7:57 AM
81621	It has saddened me to see that the government and the masses in society are shooting down the convoy who is fighting for all of humanity. The convoy has opened my eyes to the corrupt government and media, as well as all other organizations involved.	2/18/2022 7:57 AM
81622	Does not..they are not enemies our beautiful Canada.	2/18/2022 7:57 AM
81623	Hope and spirit of unity. A voice that Canada needed to a speak	2/18/2022 7:57 AM
81624	It has given me hope because they are fighting for our freedom	2/18/2022 7:57 AM

81625	Upset as how the government handled the situation. Wod not try to negotiate. Now aware how .uch control we are subject imposed on Canadians extremely upset no trust inprime minister.sorry for convoy such hardship endured for trying to procure freedom. Deep sorrow upset feel helpless with current prime minister who is not representing the people only his ego mandate not convoy wish luck. I wish I could join them	2/18/2022 7:57 AM
81626	Only positively. It has given me hope. Made me proud to be Canadian again. Filled my heart with love and appreciation.	2/18/2022 7:57 AM
81627	It has renewed my belief that the majority of Canada are the best people in the world	2/18/2022 7:57 AM
81628	It's given me hope that these draconian measures impose by the government ends. It has made me have hope to live free again and hope for Canada.	2/18/2022 7:56 AM
81629	Will be a positive outcome for all Canadians when all restrictions are lifted.	2/18/2022 7:56 AM
81630	They gave me hope in bringing positive change : for example hope that our leaders will end ALL mandates. I would hope our leaders would actually listen to our representatives of the convoy and not use brut force and put them in jail (which started). What is our country to be if we can have a dialogue	2/18/2022 7:56 AM
81631	Gave much needed hope for the future.	2/18/2022 7:56 AM
81632	It has helped me a lot I hope they win	2/18/2022 7:56 AM
81633	It has inspired me to fight for freedom for my family and country	2/18/2022 7:56 AM
81634	It was needed to get parliaments attention to listen to Canadians	2/18/2022 7:56 AM
81635	given hope where there was none	2/18/2022 7:56 AM
81636	proud to be canadian and a growing dislike of liberals	2/18/2022 7:56 AM
81637	Rooting for them ... anger at TRUDEAUS draconian unlawful measures ...	2/18/2022 7:56 AM
81638	It gave me hope someone was fighting for me to have my life back and provide for my family. It made me a proud Canadian again after the government made it difficult	2/18/2022 7:56 AM
81639	It has given me hope to end government tyranny and restore Canada. I have become a proud Canadian fighting for our personal rights and freedoms.	2/18/2022 7:56 AM
81640	not much	2/18/2022 7:56 AM
81641	It's given me hope. They are restoring my faith in Canadians. I'm attending the large provincial rallies, waving my flags proudly again and have hope for my sons future. Thank you.	2/18/2022 7:55 AM
81642	Given some hope that all Canadians are not brain dead.	2/18/2022 7:55 AM
81643	Gave me hope and the voice to speak out!	2/18/2022 7:55 AM
81644	Brought hope	2/18/2022 7:55 AM
81645	Made It 1 million times better , brought hope that we will finally seen and end to all mandates . I support the truckers all the way !!!	2/18/2022 7:55 AM
81646	Made me happy that Canadians are speaking out for freedom to choose; that hopefully our government will learn to act when necessary and then stop when it no longer makes sense.	2/18/2022 7:55 AM
81647	I felt love and hope for the first time in two years. I stopped thinking about suicide every day.	2/18/2022 7:55 AM
81648	They give us hope that someone can stand up and speak up for the rights of all canandians. However now that we have seen how a peaceful protest in Ottawa is being represented by the media - we have realized that we live in a propagandized world where the media is a mouthpiece of the government	2/18/2022 7:55 AM
81649	I personally travelled from NS to Ottawa for 3 days last week, and my heart swelled with more hope and love and pride in Canada and unity with my fellow citizens there, than I have ever felt. Nothing but peace, love, joy, celebration. The trucking convoy has brought me hope and gratitude. Unfortunately, it has also brought me with the untrue and lazy labels of white supremacist, racist, misogynist, alt-right, grandma-killer, and terrorist. The trucking convoy has united millions of Canadians in hope while our government incites division, hatred, and violence.	2/18/2022 7:55 AM

Canadians vote on Canadian Mandate - February 2022

81650	They've been the only thing that gives me hope, both for the ending of these tyrannical mandates, and our willingness to refute totalitarian dictatorship. Freezing bank accounts, sending in the military against peaceful protest, stealing fuel so they freeze, and forcing vaccination after repeatedly saying it's our body our choice, particularly when the vaccine doesn't control the virus, is not something any thinking, rational, moral human being could support.	2/18/2022 7:54 AM
81651	Encouraged me that there are more people than I thought ready to stand up for their rights	2/18/2022 7:54 AM
81652	I was going to either bring harm to myself or someone else. When the trucker convoy went across Canada, I cried at the videos. I didn't know this many people were feeling the same was as myself. Thank you truckers, you've saved my life	2/18/2022 7:54 AM
81653	It gave me the BIGGEST sense of hope I've felt in 2 years.	2/18/2022 7:54 AM
81654	Given hope and reminded us all that we have rights as Canadians.	2/18/2022 7:54 AM
81655	Hope and love and unity have been restored in Canada through this movement. I had lost all hope for this country and was ready to give up. I am now feeling stronger and more brave to stand up for my rights a freedom!	2/18/2022 7:54 AM
81656	I'm happy to see them standing up for us	2/18/2022 7:54 AM
81657	It has made be proud to be Canadian and actually gave me hope that these mandates will finally end and that we much learn to live with covid just like we always have with the common cold and flu	2/18/2022 7:54 AM
81658	They have brought hope and people together ♥ I love our country and need it back ..	2/18/2022 7:54 AM
81659	I support them..let them continue	2/18/2022 7:54 AM
81660	It hasn't affected me in the slightest. I freely move about downtown, and throughout Ottawa. I have a renewed sense of community, and hope that this nightmare will end.	2/18/2022 7:54 AM
81661	Gives us hope for freedom	2/18/2022 7:54 AM
81662	Someone who cares and given great resolve for bringing us back to a free country!	2/18/2022 7:54 AM
81663	Hope, Joy, Unity, Proud Canadian, sense of community restored	2/18/2022 7:53 AM
81664	Positively. Confirming what I believe and have believed all along that we are being controlled	2/18/2022 7:53 AM
81665	Brings hope I think people's now are less devidet	2/18/2022 7:53 AM
81666	Given people all over the world hope to rid government of corruption & give people protection from DICTATORSHIP	2/18/2022 7:53 AM

81674	It has brought to the forefront of my mind the sad state of affairs that Canada has been reduced to by the nation's leader. My chartered freedom of choice has been over written by government imposed mandates that clearly take away our constitutional rights. The convoy has not affected my life negatively - I believe it has a common goal for all Canadian citizens to enjoy the rights of freedom written into constitution for this country. It has opened my eyes and	2/18/2022 7:53 AM

81718	I have had a glimmer of hope. I now see that more and more people are coming around to the fact that without a fight, we are doomed to live under the gov't's thumb. But in the last week, seeing more gov't overreach at the hands of a child throwing a tantrum, it is fading. 81778	It's given me hope for the first time in two years!	2/18/2022 7:39 AM
81779	I have felt like people have believed I am a racist because I support the convoy sticking up for our rights. The fact that main stream media doesn't share the truth as to what is actually happening there has caused a lot of division and and hate. I am glad someone is making a stance for us. Our prime minister hadn't even taken the time to address them. He could of set up a zoom conference while he had "covid" addressed those that wanted to speak their minds that way. Not once has he tried to have a conversation. He just wants to focus on name calling, division and flexing his muscles. His invoking the emergency measures act is beyond believe. It is scary to live in a place that the person that is supposed to be our leader is acting like a spoiled teenager who isn't getting his way. He avoids all questions in question period. He hadn't been a leader, he's been a dictator.	2/18/2022 7:39 AM
81780	Gave Canadians hope. Hope that our children will be left with a better place than this. Hope that our lives can get back together. Hope that seniors can stop dying alone and that suicide rates decrease, hope that businesses can start thriving again...hope.	2/18/2022 7:39 AM
81781	Reinspired	2/18/2022 7:39 AM
81782	It has given us hope that this is not forever. It has also drawn attention of the world to the plans of the World Economic Forum under Klaus Schwab, to convert the entire world to globalism communism. I WILL not accept Trudeau's tyranny by forced mandates, forced vaccines, division of our people etc. The vaccines are severely injuring or killing our people. This must end NOW!	2/18/2022 7:39 AM
81783	Not one bit proud someone could stand for those that can't	2/18/2022 7:39 AM
81784	They have given us hope that we are not alone and that someone is speaking up and standing io to our tyrannical government.	2/18/2022 7:38 AM

81786	It has given hope and a realization that I am not alone, the whole world is suffering.	2/18/2022 7:38 AM
81787	It shows me that Canadians have followed along and trusted the government for two years and that nothing we do seems to be stopping the spread of the virus so our smart and down to earth people have had enough and are speaking up and standing up for their constitutional rights and freedoms. I am happy that Canadians are standing up for what they believe is right. The convoy has given me hope in keeping our democracy	2/18/2022 7:38 AM

81808	They have renewed my love for my fellow man, brought hope, peace and excitement for a better tomorrow.	2/18/2022 7:33 AM
81809	Heartening to see the Truckers and supporters expressing healthy human need to autonomy of choice. The peaceful but firm stance is truly noble. Many people speak out for and against, so it helps me to see what other people think and how far they are willing to go to defend control or conformity	2/18/2022 7:33 AM
81810	It has given encouragement that this will change for the better and that we will have our freedom back. Our family stood with the truckers in Regina! It was an exciting day!	2/18/2022 7:33 AM

82112	The trucking convoy has restored faith that concerns of Canadian citizens may be recognized. This is an opportunity for federal government to make loyal and honorable choices. I am extremely disappointed in the response by the Liberal government and the grossly inappropriate labels that have been used in description of The People! However, this movement has awoken populations to the actions in parliament and the importance to being current with parliamentary proceedings. No more time for apathy or complacency!	2/18/2022 6:18 AM

to end. Other countries have stopped everything and they are doing great. We need those mandates removed.

82126	First bit of hope I've had in last last two years knowing I'm not alone and Trudeau needs to know we aren't going to sit and take rules for the sake of rules. No matter your status you can transmit covid so stop punishing the unvaccinated who Trudeau equated to racists, meanwhile my unvaxxed friend has never done blackface which is something the prime minister can't say...	2/18/2022 6:10 AM
82127	I finally felt hope and love in my heart again. I stand strong with them. I will not go back to living the way I have for the last 2 years	2/18/2022 6:10 AM

82132	They have become a symbol of hope that if you stand up for what is right, the country will heal together and become unified once again. They represent the vast MAJORITY of Canadian citizens, of all ages, genders and races. They have shown us there is still good left in this country, despite what our government would like us to believe.	2/18/2022 6:09 AM
82133	Hope. I haven't felt hope in a long time, however, it gives me hope that there are strong individuals that know when something needs to change and can stand up for what they believe in to create that change. I believe that with the way the PM has been acting, the convoy was much needed to make a statement in ordered for the voices of many Canadian citizens, how this mandates have been affecting many people in many different ways. The mandates create problems not reduce any.	2/18/2022 6:08 AM
82134	Showed the great lengths at which a government will go to suppress anything that is a threat to their power and this in a so called democracy, shameful.	2/18/2022 6:08 AM

82139	Hope	2/18/2022 6:05 AM
82140	Gave me hope there are still good decent people in the world willing to stand up to government abuses on the people.	2/18/2022 6:05 AM
82141	It has given me hope that there are more people out there who want these mandates to end than I thought. It brought Canadians together to collectively have a voice to say we need a plan and a way out of this madness	2/18/2022 6:05 AM
82142	It's renewed my hope in humanity and in Canada	2/18/2022 6:05 AM
82143	Gave me hope	2/18/2022 6:04 AM
82144	It's the only hope I have left for Canada...	2/18/2022 6:04 AM
82145	Feelings of: strength, freedom, peace and love exhibited. I feel a sense of pride for the truckers. They are fighting for the freedoms of ALL Canadians.	2/18/2022 6:04 AM
82146	They have given me a sliver of hope that this might end sooner then later. And to see the thousands of like minded people along their freedom route across our beautiful country in the middle of winter, that our governments from provincial to federal have been lying to us about those already vaccinated numbers. My faith in my fellow patriots and our resolve was nothing short of inspiring to me and indeed the world.	2/18/2022 6:04 AM
82147	I have found hope in good in the world. I have seen unity and love in people and I have seen the true evil agenda of our politicians.	2/18/2022 6:02 AM
82148	Restored hope, ignited political education and action.	2/18/2022 6:02 AM

82164	It has brought me a sense of hope that I haven't had during this time. I lost it all. It has brought it back. What Trudeau is doing all around is criminal and directly violates our charter of rights and freedoms. I still don't understand how he still holds his position for the level of criminal activity he has partaken in.	2/18/2022 5:51 AM

82196	Life is coming back! I love MY Canada and MY beautiful Canadians! All simple people around the world are beautiful, as we witnessed thanks to truckers. We witnessed also that evil is upset about it very much and it's agonizing in despair :))) I'm immensely grateful to Truckers for flipping over our dark & hopeless situation into the powerful story of awakening in people the hope for change, the thirst for freedom, the courage to resist evil not with violence, but with love that unites all the good people of the world. Love, Peace, Unity, Freedom – that's all we need. ...NO to evil digital slavery designed by heartless technocrats... 82220	Not at all . They were hero's till the mandates made them zero's.	2/18/2022 5:13 AM
82221	The trucker convoy has completely woken up my sleeping family due to the inappropriate reporting by MSM. They can't lie to the public anymore because people are watching the Ottawa truckers and see the truth. All they ever wanted was for Trudeau to come to the table and talk to them but he is too busy talking to Klaus Shwab.	2/18/2022 5:12 AM

82228	It's shown me that other Canadians hold similar opinions to me regarding the mandates. Their voice was not in the media before the convoy	2/18/2022 5:10 AM

82247	It has given me hope!	2/18/2022 4:54 AM
82248	For the first time in 2 yrs I have hope. I see Canadians coming together. But sadly through our Prime Ministers actions I also see a unnecessary divide heis creating.	2/18/2022 4:54 AM

82264	I don't feel so alone, and now I have hope that not all Canadians are "sheeple". I appreciate everything the truckers are doing for all Canadians, even the ones that are against the protest. Those that oppose the freedom convoy don't realize what has actually happened in the last 2 years and how important it is to speak truth to power and hold it to account. Journalists wouldn't do it, doctors wouldn't do it, lawyers wouldn't do it, politicians wouldn't do it, professors wouldn't do it. The only ones willing to take on this government and their bizarre policies are the truckers and the freedom convoy. Hold the line. For all of us.	2/18/2022 4:40 AM

82284	It hasn't, other than slower deliveries but we expected that and supported it. I do not agree with all the lies our Prime Minister has dictated our media and police to use.	2/18/2022 4:26 AM
82285	It has given me hope for a better life. It has given me a reason to celebrate being Canadian. I have watched other countries around the globe cheer us on and demand better from their leaders, and we are making progress. I have been ashamed to live in Canada, but these past 3 weeks have been fantastic. I have been ashamed of the government. One conversation could get the ball rolling, but Trudeau was not even man enough to show up for meetings the organizers planned, or reach out in any way.	2/18/2022 4:26 AM

82303	They have given me hope and pride in my country again and a sense of unity. They have shown the world Canadians' strength and peaceful resistance and courage. I feel the convoy has also played a major role in provincial mandates being lifted. Unfortunately the convoy has shown how cruel and corrupt Trudeau is.	2/18/2022 4:10 AM
82304	Has me feel proud of them standing up to the tyranny of the Liberal government and their lack of integrity and democracy.	2/18/2022 4:10 AM
82305	It has given rise to a lot of voices that have otherwise been suppressed and shown that fear cannot ever be the way to govern or control Canadians.	2/18/2022 4:09 AM
82306	It has united many of us and with the relief I see in my oppressed peers I feel more optimistic that we can address any health issues they have in the future. Freedom is a common goal and to my relief more are waking up to the deception.	2/18/2022 4:08 AM

82478	It brought hope back into our lives. It brought courage to speak out about choosing not to be vaccinated.	2/18/2022 2:35 AM
82479	Seeing the live streams of so much love and unity between Canadians of all walks of life and cultures has been uplifting and inspiring, but seeing how Trudeau lies and manipulates through the media, claiming the opposite, has been very disturbing. He seems to be living in his own delusional reality of the propoganda he has created. Its not right.So the convoy has also awakened me to the lack of congruency in our government leader.I have no confidence in our current government seeing how they are handling the convoy	2/18/2022 2:35 AM

People from all different backgrounds giving of their Time, Food, Funds, Prayers, Watching the World take notice & taking Pride in our Peaceful assembly. I am disgusted in the lies & behaviour of Justin Trudeau who is not showing any True Leadership by not even meeting & defusing this weeks ago respectfully ,peacefully ! Last thing I just saw a news article saying that the Truckers arrested with dogs in their trucks will have their dogs Euthanized I am furious to read that . Oh my gosh. Their must be a better way to end this then evoking the Emergency War Act on its own Peaceful Citizens.	2/18/2022 2:34 AM

82515	Given hope at a time when there was none! If PM's had half the heart of these truckers this tyrannical gong show would have been over a long time ago!	2/18/2022 2:26 AM
82516	Made me believe that even if stifled, it will be carried on.	2/18/2022 2:26 AM

Canadians vote on Canadian Mandate - February 2022

82528	It has given me hope and courage to share my thoughts and not feel alone that I'm the minority who want the mandates to end. Likely 70-80% of Canadians don't support what the government has don't and is insisting on continuing. They have to listen to the people who they serve. Otherwise, they have to step down.	2/18/2022 2:22 AM

82540	I am very proud of the people taking part in the trucking convoy. At last, we have a little bit of hop in our otherwise hopeless lives for the past two years.	2/18/2022 2:19 AM
82541	Na	2/18/2022 2:19 AM
82542	Gives me hope	2/18/2022 2:19 AM
82543	For the first time in 2 years I felt hope. I was excited, and made food for them and their dogs, went to meet the convoy and wave. The love and joy was beautiful and deeply needed. Now, seeing the treatment of these beautiful Canadians being berated and abused for peacefully protesting which is our God given rights as Canadian citizens. The treatment of these families has been nothing shot of abhorrent. Trudeau KNELT BEFORE people who toppled statues and burned and looted. We all know what is really going on here.	2/18/2022 2:18 AM
82544	They have given me hope, they have shown love and tolerance, and empathy to our collective suffering	2/18/2022 2:18 AM

82550	It has stood up for Canadians against a government who used coercion and fear to vaccinate every Canadian with a vaccine that doesn't stop transmission or infection.	2/18/2022 2:16 AM
82551	HOPE!!	2/18/2022 2:16 AM
82552	The truckers are heros by giving people hope and the ability to speak the truth.	2/18/2022 2:15 AM
82553	It has brought hope and joy back! I am so proud to be Canadian again. It has brought the masses that have been living in fear of speaking out, who lost their jobs, who felt alone and in complete despair together. It is the greatest joy many of have felt in 2 years!	2/18/2022 2:15 AM

depressed and want to die but I have 2 sons and can't kill myself because they need me, I honestly don't know what to do

82556	Gives some hope	2/18/2022 2:13 AM
82557	It has brought the release of pent up emotions that were held in from all the grief and loss around what I perceive now were unnecessary restrictions for a Corona (cold/flu) virus with a 99.97% recovery rate. It has made me proud to be a Canadian, and made it evident just how corrupt the current government is in their draconian response to it.	2/18/2022 2:13 AM
82558	So much hope that life can get back to normal, a clear understanding of hoe corrupt MSM and government is	2/18/2022 2:13 AM
82559	Restored my faith in good hearted citizens	2/18/2022 2:13 AM
82560	None but I think they are very amazing people fighting for our rights back	2/18/2022 2:13 AM

82565	It's been so great to see the unity of people coming together for the freedom cause	2/18/2022 2:12 AM
82566	It's an only place I can breathe,	2/18/2022 2:12 AM
82567	It gave me a sliver of hope that not everything us list here in Canada. That some people are able to think with their heads and are brave enough to take an action and put them in a very vulnerable and dangerous position. There was to much political science instead of health science in the last 2 years.	2/18/2022 2:12 AM
82568	I feel like there is hope. Unity with others.	2/18/2022 2:11 AM
82569	I'm happy that this group of people started to wake up to the political and MSM narrative when they found out that the vaccine wasn't doing the job that people were told it would do, still catch and spread the Virus. This was never about medical health just government control and making lots of money for their friends. Now the rest of the world is waking up!	2/18/2022 2:11 AM
82570	No	2/18/2022 2:11 AM
82571	Given hope to Canadians that we still have rights and freedoms.	2/18/2022 2:11 AM

82573	Brought joy. So good to see what canadian men and women are truly known for: peace, love, community, caring for your neighbors, standing up for what is right and moral.	2/18/2022 2:11 AM
82574	the trucker convoy has been amazing and such an up lifting, organic and compelling situation. i feel the most confident i've ever felt for the last 10 years because of the depth of corruption within the crown corporation.	2/18/2022 2:11 AM
82575	Given me hope!	2/18/2022 2:11 AM
82576	It released the souls of humanity to stand	2/18/2022 2:11 AM
82577	It's brought hope, a sense of community and love back into my life. It's almost brought normalcy back.	2/18/2022 2:11 AM
82578	It's given me back a sense of pride in my Country and fellow countryman. I have some hope again that maybe the WEF's vision of one world government of unelected autocrats can be stopped. I think they have opened others eyes both at home and abroad to the perils we're facing if we don't get this right. Their movement is showing people everywhere that the elites astroturfed narrative of rampant racism is entirely made up and exists only in our heads due to media and governments false claims & they prove it on a daily basis. They're giving people hope and direction.	2/18/2022 2:11 AM

82593	I appreciate that they are standing up for my right to freedom! I have seen some product shortages in stores, but firmly believe that is a small price to pay to attempt to ensure an end to the unconstitutional restrictions of freedom that mirror Hitler's rule!	2/18/2022 2:07 AM

82612	It is a convoy of freedom and hope.	2/18/2022 2:01 AM
82613	It has given me hope that the vaccine mandates and vaccine passports will end. It has made me proud of my fellow Canadians for standing up for what is right for all Canadians and make positive change to stop the dictatorship.	2/18/2022 2:01 AM
82614	By standing up for our democratic rights, peacefully, representing all Canadians for freedom of choice, I feel there's hope, positivity, and the truckers convoy has brought most Canadians together, I feel very proud and MORE Canadian with the Trucking Convoy than I ever have in my life, even more so than the 2010 Winter Olympics held in my hometown of Vancouver BC. Thank you, Tamara Lich!	2/18/2022 2:01 AM
82615	It gave me hope and started to open many eyes to what's going on. Some of the people around me started to change their way of thinking towards the mandates and towards everything. I got my parents back. I'll hopefully be able to go home to visit. The convoy was the hope that maybe they'd set us all free. Praying for them.	2/18/2022 2:01 AM

The tyranny is getting worse and the convoy has united the people and been so positive, and it has exposed the corruption and fraud at government level. The convoys are peaceful demonstrations of great unity and bring a promise of a better future	2/18/2022 1:56 AM

I feel patriotic like never before seeing all my brave brothers and sisters nationwide standing up for their freedoms and each other. We have never been more united and it has sparked a global movement uniting everyone in the name of freedom, love and peace. The freedom convoy is amazing and is hopefully portrayed correctly in history books one day. They have givin me courage and a voice again. 82663	The trucker convoy has actually given me hope. Mandates were never needed and it's time to stop them. We can still wear masks and I'm ok with limits on concerts,gyms,restaurants and stores. I don't like wearing a mask but i do and would be ok continuing to wear them. I actually have no trust in reporters now seeing what's on the news and the paper and then seeing videos online showing NOTHING like the reporters were talking about. I think Trudeau is a bully- he has been pushing a divide in this country from the beginning of Covid and Bonnie Henry here in	2/18/2022 1:49 AM

Canadians vote on Canadian Mandate – February 2022

BC needs to leave. Other provinces are lifting protocols and she adding mandates. So more of BC is upset and stressed with a lot more people who are going to loose their jobs. So I'm hoping the convoy will bring a end to the mandates and we can start to be Canadian again. Because I think a Canadian is someone who respects our neighbours. And to have the prime minister attacking people for having a different point of view is shameful. We are not moving forward we are going backwards with him causing more hate and divisions.

82664	For the first time in a long time I am proud to be Canadian again. It's very heart warming to know that I am not alone and that many others also think the government is overreaching.	2/18/2022 1:49 AM
82665	The most hope I've had in two years	2/18/2022 1:48 AM
82666	It's the first time in probably a decade I can say I am proud to be Canadian. I am so thankful for them standing firm in defense of basic rights and freedoms. They are giving us hope.	2/18/2022 1:48 AM
82667	It has made me proud of my fellow citizens and made me lose trust in media and the government given their reactions	2/18/2022 1:48 AM
82668	Not affected my life. They've only been there for 20 days mandates I've been here for two years	2/18/2022 1:48 AM

82678	Directly, it hasn't. Indirectly, it has given me hope that common sense may prevail. Now that Trudeau has shown his true colours, perhaps some of the brainwashed citizenry will wake up to the ludicrousness of it all...just wish I knew what was really going on, because this bug isn't bad enough to warrant the ongoing restrictions and propaganda	2/18/2022 1:46 AM

82687	They're offering hope to most Canadians, they're true heroes	2/18/2022 1:44 AM
82688	On one hand, given me hope , that we can get off this slippery slope the Liberals and NDP have us on. On the other hand I am concerned for the truckers, their families and the supporters. Trudeau is holding them up from going home and doing all he can to punish them as opposed to meeting with them. WE ARE VERY CONCERNED and I support the Convoys .	2/18/2022 1:44 AM

82706	Given me hope that we can end this tyrannical control on us.	2/18/2022 1:40 AM
82707	It has given me hope to fight against the tyranny of our Governments. Many in charge need to be held accountable for all the lives this so called deadly virus has affected. That includes doctors that will not treat patients with proper medicines.	2/18/2022 1:40 AM
82708	It has given me hope I thought was lost and I e cried many tears to realize just how bad it's been. Hope and pride in being Canadian and a feeling of being supported and protected and no longer alone and a minority discriminated against....it has brought the whole world back to life!!!!	2/18/2022 1:40 AM
82709	The trucking convoy has given me hope. They have lifted my spirits, given me something to believe in and something to be proud of. Most of all, the trucking convoy has giving me my voice back, and they've provided me the knowledge that I'm not alone. When so many of us thought we 'were the only ones', the trucker convoy showed us that we're not alone... they showed love, peace, inclusivity and acceptance. I will never forget the love and support I have for the #freedomconvoy2022, nor the tears I've shed while witnessing this movement.	2/18/2022 1:40 AM

82715	It brought joy to our family to see fellow canadians feeling the same as us and standing up for freedom	2/18/2022 1:39 AM
82716	For the first time in a long time, I feel proud to be a Canadian again. I have hope that changes will be made and the government will start doing it's job again, which is to serve the people - not serve themselves. It's important that we are able to have a conversation about our rights and freedoms, instead of having our concerns silenced.	2/18/2022 1:39 AM

82728	Finally given hope	2/18/2022 1:37 AM
82729	Realize the insidious nature, hate, fear driven, unsubstantiated governance; non respecting attitudes towards all Canadians irrespective of personal choices. The virus is not the pandemic; it is inconsistent and incongruent of facts; hospital icu admission in 2015 approximately 450,000 in BC until Covid; then hospital icu admissions <80,000 as reported by BC Ministry of Health	2/18/2022 1:37 AM
82730	I appreciate and pray for them that they would not lose their livelihood because of it.	2/18/2022 1:37 AM

82739	It's made me feel less alone in my beliefs around the pandemic. It's made me feel better about being Canadian again. It's also caused me to be glued to social media a bit too much.	2/18/2022 1:36 AM
82740	The Convoy has given me hope for the first time in two years!	2/18/2022 1:36 AM

made up of working class people that have stood up and realized and know in their heart something is wrong with how our federal and provincial governments are treating small businesses, working class and families. This group is not a threat to Canada's safety in fact they are standing up for our protection. We are however a threat to Mr. Trudeau's self interest in Acuitas & Arbutus pharmaceuticals, the British Columbia supplier to both Pfizer and Moderna. We are also a threat to the unhealthy WEF direction Mr. Trudeau and The World Economic Forum led by Founder and Executive Chairman Klaus Schwab is pushing to follow a global centralized governance. This is similar to the threat that Jody Wilson-Raybould was when she stood up to Mr. Trudeau. When people have stood up Mr. Trudeau in the past, he does not listen however finds ways to silence the opposition using a reason that sounds good. Please stand up and help stop this man.

82748	Given me hope, brought my family together Ans helped me learn all about my rights as a Canadian citizen. It brightens my day when I see Canadians coming together peacefully in unity when there is so much decision	2/18/2022 1:34 AM
82749	It's given me hope for a united Canada.	2/18/2022 1:34 AM
82750	It has given me a slice of hope. It has shown me that I am not a fringe minority. Not am I alone in my distress.	2/18/2022 1:34 AM

82756	Nope.	2/18/2022 1:32 AM
82757	It's made me proud and makes me realize most people want freedom	2/18/2022 1:32 AM
82758	brings hope that we can bring this corrupt government to an end	2/18/2022 1:32 AM
82759	It is the only thing that has given me hope for 2 years. I also have never been so patriotic until the truckers started.	2/18/2022 1:32 AM
82760	The freedom convoy has given the majority of Canadians including myself, a sense of unity and hope for Canada to become a free country once again. I am proud to show my children what true Canadians look and act like when we see them stand up for our us.	2/18/2022 1:32 AM
82761	They have provided hope	2/18/2022 1:32 AM
82762	They have not. They speak for lots of Canadians, that have been forced to get vaccinated or starve. That is not choice.	2/18/2022 1:32 AM
82763	Feels like happiness and support at last	2/18/2022 1:32 AM
82764	It provides us with hope to stop this insanity.	2/18/2022 1:31 AM
82765	So excited to see someone standing for freedom. So sick at how Main Steam Media lied and Trudeau incited division	2/18/2022 1:31 AM
82766	Freedom	2/18/2022 1:31 AM
82767	Finally gave me hope. Exposed the non data driven mandates. Felt understood and validated	2/18/2022 1:31 AM
82768	positively, providing a viable outlet to convey the need for healthy change to the current situation at all levels	2/18/2022 1:31 AM

Canadians vote on Canadian Mandate - February 2022

82772	Given hope when felt all hope was lost.	2/18/2022 1:30 AM
82773	Gave me hope for a better more democratic Canada	2/18/2022 1:30 AM
82774	No more inconvenienced by them as I have been by all of the mandates	2/18/2022 1:30 AM
82775	Not at all.	2/18/2022 1:30 AM
82776	It's given me hope that change might happen	2/18/2022 1:30 AM
82777	Absolutely restored my faith in Canadians, given us all hope, and a feeling of belonging to something special, helpful to our country, and so proud of all the Canadians who have put everything on the line and driven to Ottawa, they are hero's and I wish the mainstream media would tell the truth. This Convoy and watching the Hope and Happiness it generated across the country made Soo many of us cry, actually sobbing, cry, in hope and pride that we were going to be heard. The Prime Ministers refusal to speak to any of the organizers and worse to call them terrible names and try to discredit everyone was so disgusting. If I hadn't been watching all the beautiful livestreams and seen all the beautiful People bringing food and waving flags and singing our National Anthem, just to name a few things...and IF I had watched CBC or CTV for example the coverage was terribly false, it was a disgrace to what I watched on at least 5 different live-streaming feeds, and later I was watching up to 8 different persons feeds. Anyhow having this blatant cut and crop and find a bad story or tell a bad story out of all the hundreds of good stories, was sadly eye opening, I don't think I will ever watch the News again and believe it, now I know that they ARE NOT doing investigative journalism, or trying to show a balanced truth, They have decided what the story is, and fix and cut until they can make the "news" fit. I will never support the CBC again after learning these truths and realizing having the government pay them Millions has somehow also made them not be able? To report truth, or look for truth, or stand up for truth. It's a very sad day in Canada. I thank the Truckers Convoy for bringing so many of us together, for giving us hope and Pride in being Canadian again. They have made us feel like we do matter, and we Can Make a difference! Go Truckers Go!!! FREEDOM!	2/18/2022 1:30 AM
82778	Inspiration	2/18/2022 1:30 AM
82779	Lack of supply in stores.	2/18/2022 1:29 AM

82785	Fell hope for the first time in a long time. Pride and patriotism	2/18/2022 1:29 AM
82786	It's made me hopeful that we'll get back to normal	2/18/2022 1:29 AM

82788	It's given me hope when all hope was lost and I was looking into moving out of Canada	2/18/2022 1:28 AM
82789	Gave me hope that there are good people who believe in freedom of choice and body autonomy.	2/18/2022 1:28 AM
82790	They have been giving me hope, seeing more and more people getting together with common goals (lifting the mandates and restrictions). I see them uniting and people cheering them on and I cry because after 2 years of endless restrictions and threats of either taking the vaccine or risk losing more and more I am broken. I'm feeling now that we all know how many of us want this to end there will be an end in sight and the truth will come out. I just wish JT would resign as his actions and his divisive manner really scares me.	2/18/2022 1:28 AM
82791	Inspired unity and humanity in millions of Canadians	2/18/2022 1:28 AM

82803	Not really it's actually bought me the most joy this past years	2/18/2022 1:27 AM
82804	It has given me hope and made me proud to be canadian again. ♥ The convoy has persevered peacefully and held the line so that our rights and freedoms remain protected. This is something Canadians are willing to be heard about. They have been peaceful, respectful, feeding the homeless, keeping the streeta cleaner than the city itself. There are though routes everywhere I can see in the videos the majority of the time no roada are blovked off. Theyre just oarked on the sude. I support the convoy 100 percent ♥	2/18/2022 1:27 AM
82805	Gave hope.	2/18/2022 1:27 AM

82817	Gave me hope	2/18/2022 1:25 AM
82818	Yes, some shortages, but mostly they have given me hope. They have show what a peaceful protest actually is, also revealed how corrupt the main stream media and the Prime Minister and the leader of the NDP are. How the Prime Minister and the leDer of the Federal NDP spreads so much hate and division and they and the media twist the narrative over and over. Terry Fox is a prime example, they made it seem like the destroyed it which they didn't it was paper signs and Canadian flags, and a team Canada hat which where all removed and cleaned up by protesters, unlike the status that where ripped of their bases in MB and actually defaced with painted, broken and eventually beheaded.	2/18/2022 1:25 AM
82819	Hope	2/18/2022 1:25 AM
82820	I thought I was the only one standing for so long until this convoy.....these are true Canadians!!!! Much love to them all for standing up to that piece of shit who ruined so many	2/18/2022 1:25 AM

82821	Inspiration	2/18/2022 1:25 AM
82822	It has given me a reason to believe that we may emerge from this tyranny.	2/18/2022 1:25 AM
82823	They have given me hope for the first time in two years!! Prior to the convoy I imagined Canada going down a very dark path and I was scared for myself and my children's future. I do not want to live in a communist country and imagined us becoming refugees or taking refuge hiding out in the bush!! My days were filled with HORRIBLE thoughts, feelings, anxiety, fear, disbelief, shock, and trauma. NEVER should a "free" citizen and a mother to 3 young children have to think of how she might try and escape a country or survive off the land deep in a bush to escape a tyrannical government or law enforcement showing up at my doorstep to force injections into myself or children without consent!!! ABSOLUTE NIGHTMARE!!!	2/18/2022 1:25 AM
82824	They have empowered so many people to wake up and see what's really going on.	2/18/2022 1:25 AM

82827	Gave me hope in Canadians	2/18/2022 1:24 AM
82828	It gave me HOPE that an average hard-working middle class would speak for so many of us by taking concerns "to the top" and perhaps being heard?	2/18/2022 1:24 AM
82829	Given me hope, feel I am not alone, standing up to tyranny	2/18/2022 1:24 AM
82830	Hope, end of mandates and especially masks	2/18/2022 1:24 AM

82836	It's given me hope	2/18/2022 1:23 AM
82837	Gave me hope...gave our family hope. We are now looking at the brighter side and getting along together instead of divided! HOPE	2/18/2022 1:23 AM
82838	Given hope for change against a corrupt government that does not listen to the people and does not follow science. Please, I cannot stand any more lies.	2/18/2022 1:23 AM
82839	I cheer them on.	2/18/2022 1:22 AM
82840	Renewed hope that this is all just a long global nightmare and everyone is starting to wake up.	2/18/2022 1:22 AM
82841	Made me proud to be Canadian.	2/18/2022 1:22 AM
82842	Brought hope to a broken country	2/18/2022 1:22 AM
82843	They have given me hope for a brighter future! I am so happy they have made Canada more United than it has been in years & years!!	2/18/2022 1:22 AM
82844	They are fightin for freedom	2/18/2022 1:22 AM
82845	It has given me hope for freedom. To unite all Canadians as one. No segregation, everyone for love and peace.	2/18/2022 1:22 AM
82846	Given my family hope that there are people out there fighting for the rights and freedoms of all Canadians. My normal daily living was not affected by the trucker convoy in any way.	2/18/2022 1:22 AM
82847	He gave me motivation that something can be done, but also scared me of what government is capable of doing.	2/18/2022 1:22 AM
82848	Brought hope back to my life for the first time in two years!	2/18/2022 1:22 AM

82850	It has not effected me more than the government imposed lockdowns, etc but it has given me some hope that some people in this country will stand for what is just.	2/18/2022 1:21 AM
82851	I Have been enspired to speak up. They started what many wished we could have done. I support by going to freedom rallies in my community and I am so PROUD to wave my Canadian flag. While we wave the flag we are given 5he middle finger by a mere few.	2/18/2022 1:21 AM
82852	Opened my eyes	2/18/2022 1:21 AM
82853	Give me hope we can change things	2/18/2022 1:21 AM
82854	I has had no negative affect	2/18/2022 1:21 AM
82855	Hope!! And a feeling of not being alone.	2/18/2022 1:20 AM
82856	Helped me understand how many Canadians want change of gov mandates, change of can gov.	2/18/2022 1:20 AM
82857	It has given me hope that a lot of people share my views. I do not want to live in a dictatorship country. I want my freedom back. Freedom to leave and return to my country without a vax pass or testing. Freedom to not have to wear a mask. Freedom to go into the businesses and venues that I choose and not have to show a vax pass.	2/18/2022 1:20 AM
82858	Not really at all, except I hope it is applying pressure to government to show them that Canadians have had enough of the mandates.	2/18/2022 1:20 AM
82859	No	2/18/2022 1:20 AM
82860	its help me and many others find like minded people who support each others freedoms	2/18/2022 1:20 AM
82861	It has given me hope I haven't felt for over 2 years now.	2/18/2022 1:19 AM
82862	There are more of us 😊 spent 3 days supporting them. FIGHTING FOR OUR GOD GIVEN RIGHTS	2/18/2022 1:19 AM
82863	It has given me hope for the future and helped me see that there are many people who care about Canadians' rights and freedoms. It has inspired me to take more action to stand up for our freedoms.	2/18/2022 1:19 AM
82864	It's shown me just how many are on the same page as I am and reaffirmed what I already new about mainstream media. They lie all the time!	2/18/2022 1:19 AM
82865	It has given me a little bit of hope that sometime within the next two months sanity will finally return to our society and daily lives. It has clearly advanced the timetables of ending Covid19 restrictions and mandates all over Canada and even in some other places all over the world. And I'm dead certain time will show that this Freedom Convoy will have caused significant alteration to the political landscape and elsewhere. So even if the convoy disperses tomorrow and leaves Ottawa they have already achieved significant victories and in the reverberations of this movement I fully expect more significant victories to come.	2/18/2022 1:19 AM
82866	it was inspiring & hopeful to see so many coming together in peace & unity. Unfortunate that there 'may' have been a few bad actors & their involvement overplayed & exaggerated by MSM.	2/18/2022 1:18 AM
82867	Gave me hope	2/18/2022 1:18 AM
82868	Gave me hope that ppl can voice what they believe in and not be shamed and segregated into silence. Until I saw how it was handle by our government and the media	2/18/2022 1:18 AM
82869	Other than trying to figure out the news..... I am disappointed in both the truckers and our govt	2/18/2022 1:18 AM
82870	I again have hope for Canada	2/18/2022 1:18 AM
82871	Gave me hope that the discrimination my family suffers will soon be over.	2/18/2022 1:18 AM
82872	For the 1st time in a very long while I felt a sense of unity with my fellow Canadians & the feeling of pride has returned. We will not be silenced, our voices are being heard around the world.	2/18/2022 1:18 AM

Canadians vote on Canadian Mandate - February 2022

82874	It hasn't	2/18/2022 1:17 AM
82875	Given me hope that there are still good Canadians who care about one another and are principled and truly care about the greater good and democracy and the future of our children	2/18/2022 1:17 AM
82876	It has given me hope for a better future and a feeling of normalcy	2/18/2022 1:17 AM
82877	Restored my faith in my fellow Canadian. Made me proud to be Canadian again. It also led to me losing all respect for the Liberal and NDP Governments. I am abhorred at what they are doing to this country. It sickens me what they have done to all our loved ones who sacrificed for us, for our freedoms. The PM and his party along with the NDP disgust me.	2/18/2022 1:17 AM
82878	Made me proud to be Canadian again and gave me hope.	2/18/2022 1:17 AM
82879	It's made me happy that there are people that want to fight for our rights.	2/18/2022 1:17 AM
82880	It has given me hope and motivated me to fight back harder. I now see the possibility of a decent future for my children here when just 3 weeks ago I was contemplating getting a fake vaccine passport and running away to a free country. Being able to see the rise of a dictator before others could made me want to run before it got really bad here. Still not sure if it won't bit at least I have hope now.	2/18/2022 1:17 AM
82881	They have given us hope of an end to the Prime Minister's tyranny on a daily basis...	2/18/2022 1:17 AM

82888	It gave me hope	2/18/2022 1:16 AM
82889	It gave me back hope in my country. It united us.	2/18/2022 1:16 AM
82890	Made me the most patriotic I have ever been!! UNITY & Pride!!!	2/18/2022 1:16 AM
82891	Brought Hope back into my life! A reason to unite and hope for freedom again and an end to totalitarian dictatorship and forced shots that ruin our health. Hope that me and my family can plan a future , and live free again!	2/18/2022 1:16 AM
82892	Proud of them standing up for freedoms and standing strong until we get back our life. COVID is over.we need to get back to work.	2/18/2022 1:16 AM
82893	It has helped me to see how Trudeau is using his authority to further an agenda that is not very clear, and I do not agree with other laws that have been passed during his time in "power".	2/18/2022 1:16 AM
82894	Brought us hope	2/18/2022 1:16 AM
82895	it has given me hope.	2/18/2022 1:16 AM

Canadians vote on Canadian Mandate - February 2022

82903	It has brought me hope for all mandates to end and for us all to be true Canadians again. True north, strong and FREE.	2/18/2022 1:15 AM
82904	It's been a big step I needed to help gain some confidence in public	2/18/2022 1:15 AM
82905	Its given me hope that we may be able to return to normal. And given me hope that our leader will have to cease his actions he's taken to dramatically change our free country into a state under his rule and orders, and the trucker protest eased my worries a bit to think I wasn't alone with my concerns and wishes for Canada. It was necessary !	2/18/2022 1:15 AM
82906	Encouraging to stand up for our freedom my Grandparents fled from this kind of leader and government heard horror stories all my life growing up. We have a satanic demonic GLOBALIST dictatorship!	2/18/2022 1:15 AM
82907	Given me hope and faith that our freedoms will be restored and that this awakening will create a more unified and democratic country.	2/18/2022 1:15 AM
82908	Positively	2/18/2022 1:15 AM
82909	Lack of supplies in market	2/18/2022 1:14 AM
82910	Feel proud to be Canadian.	2/18/2022 1:14 AM
82911	I feel hope for the first time in 2 years. The way the Canadians showed love, united, and supported the truckers and each other made me feel proud to be Canadian for the first time in many years.	2/18/2022 1:14 AM
82912	I felt so alone and isolated for a long time due to lockdowns/losing my job/being banned from basic activities and amenities. Trudeau was whipping everyone into a hate-fuelled frenzy toward the unvaxxed. My friend, who was vaccine injured (heart attack from Pfizer - early 30s) and I went to the Keele 401 overpass when the convoy rolled through Toronto. Words can't really describe it - going from feeling so alone, to seeing so many Canadians who supported this cause. It brought out alot of emotion in me. I went to Queens park a few weeks ago in Toronto and then Ottawa last weekend. It breaks my heart - the liberals and the media are lying about the protest to an extent that should be criminal. It is the most peaceful and loving demonstration I could ever imagine. I know because I was there. I've watched every day hours of live stream. I know exactly what's happening because I see it with my own eyes. It all makes me so proud to be Canadian, how this peaceful protest has shown such strength and resolve.	2/18/2022 1:14 AM
82913	It has given me an increased sense of hope and renewed connection with others.	2/18/2022 1:14 AM
82914	Hope	2/18/2022 1:14 AM
82915	Greater sense of unity	2/18/2022 1:14 AM

82917	Sense of unity, new sense of hope, made new friends with similar values.	2/18/2022 1:13 AM

82920	It has brought me hope for the 1st time in 2 years	2/18/2022 1:13 AM
82921	It gave me hope. The government made me feel like I was alone thinking all this wasn't ok. The convoy made me realize I wasn't alone. It gave me hope.	2/18/2022 1:13 AM
82922	They have brought be hope and joy for a better tomoorw. Hope for holding our government accountable for their actions.	2/18/2022 1:13 AM
82923	It is given me hope that freedom will one day be a thing in Canada again	2/18/2022 1:13 AM
82924	It restored hope	2/18/2022 1:13 AM

82928	Given me hope. participants and supporters of the convoy are the only Canadians I'm not disgusted by.	2/18/2022 1:12 AM
82929	Gave me hope	2/18/2022 1:12 AM
82930	I'm proud to be Canadian.	2/18/2022 1:12 AM
82931	Given me hope.	2/18/2022 1:12 AM
82932	It has given me hope that the mandates will be lifted soon (though BC seems to be dead set on being the LAST to lift restrictions). It has also shown Trudeau's true colours, and his horrific agenda.	2/18/2022 1:12 AM
82933	It gave me HOPE for freedom!!!	2/18/2022 1:12 AM
82934	Encouraging, I feel like I'm not alone.	2/18/2022 1:12 AM
82935	It's made me feel like there's hope. I feel like hard working Canadians finally have a voice.	2/18/2022 1:12 AM

82938	It hasnt, made my life better, freedom	2/18/2022 1:12 AM
82939	Inspirational	2/18/2022 1:12 AM
82940	Given me hope.	2/18/2022 1:11 AM
82941	Made me proud to be Canadian again, and given hope for change.	2/18/2022 1:11 AM
82942	It gave me hope for a normal future where the charter would be upheld.	2/18/2022 1:11 AM
82943	The Convoy has not affected my life I cheered them on, I drive a transport, the Convoy has made me more aware of how corrupt our Prime Minister really is and how corrupt the leader of the NDP Party is.	2/18/2022 1:11 AM
82944	IT has given us hope and courage. It has revealed Trudeau's character. He is a name caller. He is a liar. He does not represent all his people. He is weak. He is ignorant. He is underhanded. He controls the press like Putin does in Russia. He is not my PM anymore.	2/18/2022 1:11 AM
82945	It has had such a powerfully beneficial affect in offering hope for the end of Trudeau's tyranny and dictator type governance. I bless the Truckers - I am so grateful to their courage and bravery to stand for our freedoms - and to Stand on Guard for Canada. They are bringing to light many abuses of power in Government - illegal actions that go against our Bill of Rights and our Charter of Rights. I am seeing how corrupt our Government is. I believe the Truckers are our hope to regain true Democracy and representation in our beloved Country. The Truckers have inspired more patriotic pride in the hearts of Canadians than I have ever witnessed or felt in my long life.	2/18/2022 1:11 AM
82946	I love that someone is speaking up for what everyone in thinking.	2/18/2022 1:11 AM
82947	Renewed hope	2/18/2022 1:11 AM
82948	Gives me hope	2/18/2022 1:11 AM
82949	We have hope again for freedom	2/18/2022 1:11 AM
82950	It has made me once again proud to be Canadian, it has given me courage to stand up for whats right, it has brought me joy and hope for this country	2/18/2022 1:11 AM
82951	It has made me realize that there are a lot more people who truly believe government is over reaching badly and have no right to dictate what I do with my body. The entire situation has highlighted exactly how poorly suited our Prime Minister and his Cabinet are in the governance of this country. Name calling, ignorance of and ignoring emerging science, unwillingness to seek resolutions, bigotry, and downright insulting behaviour toward any and all Canadians is intolerable.	2/18/2022 1:11 AM
82952	Gave me hope for freedom to stay in Canada and proved to many of us that there was way more of us against mandates than we knew. The love and kindness by the truckers and all the support they received has touched me deeply.	2/18/2022 1:11 AM

82955	Incredible love support HOPE	2/18/2022 1:10 AM
82956	Brought me hope and a feeling of patriotism that I haven't felt in a long time. It feels good to know I am not alone in my feelings.	2/18/2022 1:10 AM
82957	It has been so so inspiring.. honestly, it's the first time I've ever truly felt patriotic in my life.. it is greatly assisting the global awakening.	2/18/2022 1:10 AM
82958	Created a time when I feel proud to be Canadian it is amazing Never have I been so proud to come from a family of farmers and truckers that have crated a world wide awakening for the masses. It's amazing	2/18/2022 1:10 AM
82959	Given us Hope for restoration of our freedom	2/18/2022 1:10 AM
82960	It has given our family hope that there may be an end to this madness soon. It has also renewed our faith in mankind seeing and hearing the dedication of these men and women to the cause. Finally, individuals standing up for what they believe!	2/18/2022 1:10 AM
82961	Not at all. And I do feel for the people of Ottawa	2/18/2022 1:10 AM
82962	It's given me hope that the Canadian people can stand up against this overreaching government and demand action from our elected officials.	2/18/2022 1:10 AM
82963	Inspired me. Wonderful to know there are others like me out there that the media never talks to	2/18/2022 1:10 AM
82964	Well it certainly exposed a lot of the mainstream news outlets as flat out liars.	2/18/2022 1:10 AM
82965	Incredible hope. The incredible realization that I am not alone. I am not wrong. I am not bad. I am not crazy. So much hope. And my children have hope again too. I feel so much love in our people, and so much hope that Canada and our culture can be restored. I feel united, for the first time in 2 years especially. So united. I've made new friends, come together stronger with old friends. I feel deep gratitude. I feel gratitude also for the brave men and women willing to show up for us all, to restore humanity, restore peace, love, compassion and unity. To restore hope and freedom of choice. Especially when I can't be there to help this incredible cause. I will forever be grateful for the trucking convoy, however this all turns out. They will be the light I will always remember during this time in my life, and in history.	2/18/2022 1:09 AM
82966	It has not affected my life. The stores that follow the government's discrimination of vaccinated people have affected my life. The governments involvement for the last 2 yrs has affects my life more than the trucking convoy	2/18/2022 1:09 AM
82967	Gave me hope to gain our freedom back	2/18/2022 1:09 AM
82968	Uplifted me. Hold the line.	2/18/2022 1:09 AM
82969	It made me feel patriotism for canada for the first time in a long time.	2/18/2022 1:08 AM
82970	It is helpful in trying to make things easier and better for everyone	2/18/2022 1:08 AM
82971	The convoy has given me hope that someone may listen to the desperation Canadians are facing with losing their professions, and their health rights to not be coerced into taking a medical treatment. It also brings the point of how unethical it is to have Canadians fear each other based on vaccination status even if both citizens are healthy.	2/18/2022 1:08 AM
82972	I am so very proud of all the truckers, both Canadian and US as it's brought a new sense of unity that we didn't see before!	2/18/2022 1:08 AM
82973	I cry every time I see a video or drive past vehicles supporting this effort to restore sanity in the midst of this chaos.	2/18/2022 1:08 AM
82974	First time I feel hope for the nation of Canada. I'm for a peaceful protest that gives back Canadians their rights.	2/18/2022 1:08 AM
82975	It has given me new hope for a brighter future. It has given me new reasons to just be. It has again made me happy and joyous.	2/18/2022 1:08 AM
82976	It has given me hope! I have been shouting off the rooftops for a long time so very proud and elated for their courage to stand up to the bullies and say enough is enough! The lord gave us	2/18/2022 1:08 AM

82981	It has brought me hope. I finally feel pride in my country again and it's so beautiful to see we are not alone. So many Canadians have been united and I am so thankful to the truckers.	2/18/2022 1:07 AM
82982	Inspiring	2/18/2022 1:07 AM
82983	Positive vibes	2/18/2022 1:07 AM
82984	The feeling I've had since learning about the convoy was a new sense of hope; that there is a light at the end of this horrible tunnel we've been forced to live in. I've also made many new friends and acquaintances by following the movement. We've all suffered due to the mandates and the divide that's been created; we offer eachother support and love. I feel a renewed sense of love for life and pride in being Canadian.	2/18/2022 1:07 AM
82985	Given hope.	2/18/2022 1:06 AM

82990	Gave me hope	2/18/2022 1:06 AM
82991	Have us hope to go back to our lives. Get people back to work.	2/18/2022 1:06 AM
82992	The trucker convoy restored my faith in Canadians. It has also made it abundantly clear that the Canadian mainstream media is dishonest and creates the narrative, rather than providing a balance and just reporting of events. It has shown me how corrupt our current political system is, how unprepared the current Prime Minister is to lead, and how Canadians are failed by the current "party system" of government.	2/18/2022 1:06 AM
82993	Not at all because of all the mandates I can not travel. Supplies were limited before trucking convoy. .shut down of business was a government mandate,	2/18/2022 1:06 AM
82994	It's cheered me up so much, it gave me purpose again lifted my spirits.	2/18/2022 1:06 AM
82995	Giving us hope as Canadians, bringing us together as a wonderful nation. Exposing all the lies that the government is living by.	2/18/2022 1:06 AM
82996	It has brought Canadian back together in unity	2/18/2022 1:06 AM
82997	Given me hope, reminded me why I came to Canada.	2/18/2022 1:06 AM
82998	Given me hope and proud to be Canadian and proud of all these truckers and people.	2/18/2022 1:06 AM
82999	Positive! Something to look forward to every day. Happiness. Just pure joy.	2/18/2022 1:05 AM
83000	Hope, unity in this country and in the US and even worldwide. We WILL SHUT DOWN THE GREAT RESET OR I WILL DIE RESISTING IT !	2/18/2022 1:05 AM

83007	Truckers have given me hope that something can be done to possibly stop government overreach	2/18/2022 1:04 AM
83008	It has renewed my hope that Canadians ARE willing and capable of standing up together to preserve our Canadian way of life.	2/18/2022 1:04 AM

83011	It has brought joy and hope into my life. It has been a great awakening to reality.	2/18/2022 1:04 AM
83012	It brought hope, but great sadness. Canada is likely irreparably damaged. Our PM is a power mad narcissistic psychopath beholden to globocap and not Canada and I hope justice is brought to him soon.	2/18/2022 1:04 AM
83013	Happy to see people stand up to Trudeau	2/18/2022 1:04 AM
83014	It has given me hope.	2/18/2022 1:04 AM
83015	Gave me hope	2/18/2022 1:04 AM
83016	It has given me hope and the feeling if unity that we use to have, pride in Canadians. That those in power who are criminals will be brought to justice. rest of the world see the PM as a joke and they should. The people joining the convoy are everyday people, people who want the right things done and rightly so. The trudeau government has broken the law in bigger ways than alot of people in jail. The criminals on parliament hill need to be brought to justice so that my child will have a future. Canada will be digging itself out of debt for many years to come.	2/18/2022 1:04 AM
83017	Hope. Unity.	2/18/2022 1:04 AM
83018	given hope that canada united can bring us back to a real normal	2/18/2022 1:04 AM
83019	It has brought back my love for my country and my fellow Canadians. It has given people hope and unified them in love. It has shown the level of corruption this govt is steeped in. It's inspired the entire world!	2/18/2022 1:04 AM
83020	Given me hope. Too many sheep in my province.	2/18/2022 1:03 AM
83021	giving us hope,	2/18/2022 1:03 AM
83022	No	2/18/2022 1:03 AM
83023	It has given me a renewed sense of pride in Canada. I seriously questioned my choice to move here, but this has shown me true Canadians. The CBC are welcome to contact me if this data gets leaked.	2/18/2022 1:03 AM
83024	Made me feel proud to be a Canadian	2/18/2022 1:03 AM
83025	It has given us hope that we can have our freedoms back with no restrictions.	2/18/2022 1:03 AM
83026	It's given me hope and faith in Canadians again. I haven't felt proud of my country in literally years.	2/18/2022 1:02 AM

83029	Gave me hope in Canada again.	2/18/2022 1:02 AM
83030	It has made me proud to be a Canadian. Not proud of the leader of our country at all , but the convoy has brought hope, faith and even positive change to the entire world!! Bless the truckers	2/18/2022 1:02 AM
83031	reason for hope again	2/18/2022 1:02 AM
83032	These brave truckers and citizens have given me hope for a brighter future. Yet that is overshadowed by a self indulgent PM who refuses to even listen to these citizens with valid concerns.	2/18/2022 1:02 AM
83033	It's been so emotional and motivational...	2/18/2022 1:02 AM

Canadians vote on Canadian Mandate - February 2022

83034	Made more people actually take a look at our corrupt government, health authorities, and Main-stream media that won't even meet with many scientists and doctors to share data, etc. Nice to see more people actually opening their eyes to the problems plaguing our country.	2/18/2022 1:02 AM
83035	It has given me hope	2/18/2022 1:01 AM
83036	It has positively inspired more people in Canada than any other movement I've seen in over 50 years. It has united "we the people" and shown that love, compassion and strength of character reside in the hearts of most Canadians. It has shown the corrupt nature of police forces who are willing to hurt and arrest people who've committed no crimes.	2/18/2022 1:01 AM
83037	We are now living under a dictatorship and Trudeau is a waste of skin.	2/18/2022 1:01 AM
83038	It has given me hope that the voices of the people who want Canadian freedom back are being heard and change can happen.	2/18/2022 1:01 AM

83043	I see them as true Canadian soldiers...standing up for our freedoms.	2/18/2022 1:01 AM
83044	THEY GIVE ME HOPE THAT FREEDOM IS NEAR	2/18/2022 1:01 AM
83045	hasn't affected my life, people have the right to protest	2/18/2022 1:01 AM
83046	It's hard to tell since the supply chain was broken before, but at least they caused the government to show their jackboots.	2/18/2022 1:01 AM
83047	Given hope. Thank God there are others that see what I see	2/18/2022 1:01 AM
83048	NOT at all. I'm so proud of them, so grateful and appreciative of the inconvenience they have put themselves through to let all of our voices be heard, admire their solidarity for their fellow truckers.	2/18/2022 1:01 AM
83049	It's made me proud to be Canadian. These people are the ones who would be first to sign up if we had to go to war.	2/18/2022 1:01 AM
83050	Given me hope. Raised my spirits. Haven't seen so many flags and such patriotism in Canada since Vancouver 2012 Olympics	2/18/2022 1:00 AM
83051	It has brought hope	2/18/2022 1:00 AM
83052	Gives me hope for a future of government over reach.	2/18/2022 1:00 AM
83053	Felt hope, felt inspired, felt live and happiness again.	2/18/2022 1:00 AM
83054	It looks like covid doesn't affect them, but it affects non-convoy citizens	2/18/2022 1:00 AM
83055	It has given me hope and added a spark of life during these horrible times.They are so brave to drive across Canada, giving up their personal and work time to fight for freedoms of all Canadians. I am very grateful to them.	2/18/2022 1:00 AM
83056	Given me hope. Such an uplifting feeling after the darkness preceding it. This is because of the connection and knowledge that freedom, true freedom, not the narrative of the day, matters to most people. I have found joy in the positive and intelligent way people have come together to bring back lost freedoms. I also learned how biased most media is.	2/18/2022 1:00 AM
83057	gives me hope	2/18/2022 12:59 AM
83058	Hope and inspiration.	2/18/2022 12:59 AM

83064	Nothing	2/18/2022 12:59 AM
83065	It has given me hope that this political nonsense will come to an end. Instead of our prime minister coming to the front and saying "We are all Canadian citizens and I understand your frustration" he went into hiding saying after being fully vaccinated that he is quarantined because of omicron which tells me that the vaccine doesn't work and instead of calling Canadian citizens Canadian citizens he chose to call them "racists and terrorists" when just a year ago he called them heroes for keeping our shelves stocked. I've lost my respect for the prime minister of our country	2/18/2022 12:59 AM
83066	In a positive way 2weeks	2/18/2022 12:59 AM

83097	It has made me smile enjoy being part of. I enjoyed seeing people finally stand together and fight to get there rights back	2/18/2022 12:55 AM
83098	Hope. The first glimmer of hope I've seen in a very dark world in two years. Unity. Through various networks I've connected with Canadians across this great country of ours. We are kind of awesome people.	2/18/2022 12:55 AM

83104	It has given me hope, and showed me the unity I was looking for. We have been divided too much.	2/18/2022 12:54 AM

83106	This trucking convoy has given me a spark of being proud to be Canadian again, which I haven't felt in 2 years! I feel that maybe I don't possibly have to explore my limited options of how to escape this totalitarian nightmare, my country of freedom has suddenly become! Thank you for your sacrifice of your time, your comfort, your potential earnings, your family.. all to fight for Canada's freedom from an over reaching, totalitarian government that has destroyed so many families, so many middle class businesses, has created so much distress and social division. It needs to stop! It needs to be brought to justice!	2/18/2022 12:53 AM

83135	It has given me hope. The camaraderie, love, compassion, and healing have restored my joy in humanity. Before the convoy, I thought the country and the world for that matter, was doomed. I can't thank the truckers enough for their actions. I went to Ottawa to show my support and will continue to do so And as far as I am cocerned we have a fascist puppet at the helm of this country who equates those who don't want the jab to misogynists and racists, and several provincial leaders who are hypocrites and have conflicts of interests. They are corrupt as sin and I am glad the truckers have led this charge against tyranny.	2/18/2022 12:49 AM
83136	Gave me hope	2/18/2022 12:49 AM
83137	Hope. Finally.	2/18/2022 12:49 AM
83138	Causes fear when realizing just how dishonest the government and media are. Seeing how our rights and freedoms (charter of rights) don't mean anything to our leaders. Convoy has shown how thousands of people can get together and no virus around. So many people of all walks of life, nationalities, religions and all are peaceful, kind, HONEST and determined. I respect them and feel so grateful for them and their goal	2/18/2022 12:49 AM
83139	It has brought up lots of positive discussions regarding the well needed changes in our Government policy's and elected officials.	2/18/2022 12:49 AM

83141	It's inspired me. I see sooo much unity love peace and soooo many flags. For first time ever I am proud to be Canadian because of those people. It's restored my fairy in humanity. I am soooooo grateful to them!	2/18/2022 12:49 AM

83177	Positive, gives me hope	2/18/2022 12:46 AM
83178	On Jan 23rd 2022, I drove from Langley to Vernon on Hwy #1 ... I was about 1 hour ahead of the truck convoy. It was still dark and very foggy but on every overpass for the six hour drive, people had assembled waiting for the convoy. Even at the turnoff for Lac LeJeune, in the middle of no-where, there were people who had come from their cabins to wait for the convoy. Many families were just gathered on the roadsides parallel to the Freeway. Kamloops had about 300 people on the side of the highway. The RCMP was blocking traffic in the right lane, to make it safe for everyone. First time in history that Canadians have gathered in such an extra-ordinary way. I honked at every overpass, even though I was just in a regular car.	2/18/2022 12:45 AM
83179	Gives hope seeing Canadians band together to make changes happen and hold our pm accountable for his unprofessionalism	2/18/2022 12:45 AM
83180	- it has affected it but I'm in support of the truckers...they are voices for many who have been unable to speak up	2/18/2022 12:45 AM
83181	It has shown me that there still is spirit and the want for freedom and our lives back to normal. It has given me hope that we will get back our freedom.	2/18/2022 12:45 AM
83182	Encouragement that freedom still exist	2/18/2022 12:45 AM
83183	It has given me hope! But it has been smashed terribly as I watch Justin Trudeau during this time.	2/18/2022 12:45 AM
83184	It has given me hope! This is the answer to my prayers and God is working through the truckers for our freedom! They are hero's and anyone that says otherwise is a communist and a fascist!	2/18/2022 12:45 AM
83185	Gave me hope but also despair as Canada's current minority government takes even more steps towards tyranny. A PM whose every utterance leads to more division.	2/18/2022 12:45 AM
83186	Other then giving me hope my life is still the same. It's definitely nice to see people out there doing what's right. If I could I would totally be there.	2/18/2022 12:44 AM
83187	Gave me hope	2/18/2022 12:44 AM
83188	The convoy has given me hope! It has reminded me what the true spirit of Canada and Canadians is. It is a beautiful, unifying movement that has been an honour to witness.	2/18/2022 12:44 AM
83189	Filled me with love and appreciation for my fellow Canadians and a hope I haven't felt since all of this started.	2/18/2022 12:44 AM
83190	It has restored my hope and pride as a Canadian. I no longer feel like a "fringe minority" but rather just a very beleaguered member of a vast majority who still loves our country and loves their fellow citizens enough to stand and fight to save our charter rights against the unbelievable corruption of our leaders.	2/18/2022 12:44 AM
83191	It's given me hope for this country and humanity	2/18/2022 12:44 AM
83192	It has raised my spirits and given me hope for Canada's future.	2/18/2022 12:44 AM
83193	Inspired hope and unity	2/18/2022 12:44 AM
83194	Makes me proud to support them positively in every poll I participate in and every Freedom March I join in. Our voices are being heard and a change will come with this Great Awakening. I still have food clothing and shelter albeit more expensive. Its very unfortunate for us all the cost of living is more than it was. But We will help each other get by. Not affected at all. Stay strong. Hold the line!	2/18/2022 12:44 AM
83195	I am encouraged that there is hope, finally, for common sense to prevail.	2/18/2022 12:44 AM
83196	Has increased my feeling that things are going back to normal and the being proud to be Canadian again. I want to stay in Canada but not under totalitarian rule.	2/18/2022 12:43 AM

83213	It has given all Canadians as well as other countries hope for an earlier end to all mandates.	2/18/2022 12:42 AM
83214	It's provided hope and a renewal of faith that some Canadians don't want to let the government control EVERYTHING.	2/18/2022 12:42 AM
83215	These truckers are the only people who have stood up for the rights of Canadians. The politicians, medical professionals, universities, teachers and all unions have allowed themselves to be coerced, likely because they are paid handsomely to shut up and put up. The truckers who represent the working class Canadians were heroes last year and now been painted as villains by the government and the government owned media. These people know that all this 'mandating' is government overreach in every way. Long live FREEDOM and thank God for the truckers! Trudeau knows these truckers are right and that is why he is afraid of them. These truckers are well within their right to peacefully protest and anyone who does not honour this truth, including the prime minister, is dissolving our rights as Canadians; and that should scare everyone. Do we have a dictatorship or a democracy?	2/18/2022 12:42 AM
83216	It has given me a sense of pride and a belief in humanity again.	2/18/2022 12:42 AM
83217	I feel proud to be a Canadian. I'm infused with hope and joy.	2/18/2022 12:42 AM

83220	Nothing negative. Giving me hope for humanity again.	2/18/2022 12:42 AM
83221	They are so disrespectful, they ruined my valentines plans and were extremely loud while I was presenting in class which obviously affected my performance	2/18/2022 12:41 AM
83222	Gave us all hope for our country. Brought people together instead of a part. Stop them now!! ☺	2/18/2022 12:41 AM

83414	It hasn't, the people of Ottawa have only been slightly inconvenienced as well. And e prime minister and the established media. Are the only ones making this more than it should be. If the PM had the fortitude to actually do his job properly and with the best interest of all Canadians in mind then this wouldn't have even happened. He is a weak coward who has never had to do any real work a day in his life.	2/18/2022 12:22 AM

83427	It is amazing that this group is fighting for our freedom, and they have give Canadians hope	2/18/2022 12:21 AM

83429	They are fighting for Canadians freedom!	2/18/2022 12:21 AM
83430	It has given us some hope that there is some end to all the mandates that has destroyed so many lives already. It has also brought to light how uncaring our Prime Minister is and how unwilling he is to have open dialog with the protests.	2/18/2022 12:21 AM
83431	It hasn't. It has restored our hope that we can fight against the corruption within our government. I support them completely and would stand beside them if I could. I am immensely appreciative and incredibly proud of every single person fighting for our rights and freedom.	2/18/2022 12:21 AM
83432	i think the truckers are awesome. i support them 100%	2/18/2022 12:20 AM

83445	It gives me so much hope that change is coming	2/18/2022 12:19 AM
83446	It has brought back my pride in my country and gave me hope again. The convoy is the greatest thing to happen in history to not only unite Canada, but the whole world. Too bad the truth of it will never make the history books.	2/18/2022 12:19 AM
83447	Has given me hope for a better future.	2/18/2022 12:19 AM
83448	It has finally given me hope that we will be able to live our lives again and hope that we can stop our Prime Minister from destroying our country and our most basic freedoms!	2/18/2022 12:19 AM

83450	Very positively.....a renewed feeling of hope and pride in our country!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!	2/18/2022 12:18 AM
83451	It didn't effect me at all	2/18/2022 12:18 AM
83452	For the last 2 years of lies and misinformation I have wondered what or who would step forward to galvanize Canada...Truckers, men and women are doing the deed to protect our Rights and Freedom AND the world is noticing and waking up. Wish I had a truck.	2/18/2022 12:18 AM
83453	Renewed my faith in humanity. I want freedom for all to choose what is right for themselves. Not the government telling us what to do.	2/18/2022 12:18 AM
83454	Given hope	2/18/2022 12:18 AM

Canadians vote on Canadian Mandate - February 2022

83455	Not affected in any way	2/18/2022 12:18 AM
83456	It has given me a sense of not being entirely alone in my suffering, and shown me that there is more support than I thought, and perhaps a chance at ending the discrimination. The way our government is reacting to democratic rights (even since the beginning, and especially with this convoy protest), is terrifying.	2/18/2022 12:18 AM
83457	None	2/18/2022 12:18 AM
83458	I has not	2/18/2022 12:18 AM
83459	Hope!	2/18/2022 12:18 AM
83460	It has made no difference	2/18/2022 12:18 AM
83461	Gives hope and makes me proud.	2/18/2022 12:18 AM
83462	It has provided much needed encouragement that we are not alone in our fight for our freedom in this country. Our Bill of Rights and Charter Rights are the highest law in this land.	2/18/2022 12:18 AM
83463	It has made renewed my hope in mankind and dislike Trudeau and the liberals..	2/18/2022 12:18 AM
83464	Gives me so much hope to think we can be a Free Canadian again	2/18/2022 12:18 AM
83465	It has given me hope that these draconian and useless mandates will end. The response to the convoy has clearly shown the corruption and ineptitude of our Prime Minister and the current government and health authorities who are more concerned with personal profit and control than public health and wellness.	2/18/2022 12:17 AM
83466	Hasn't	2/18/2022 12:17 AM
83467	It has given me hope that there is sanity out there! That I am not alone in all my feelings and concern for the future, mostly for my daughter. She needs to know family, community, social events and togetherness....the trucking convoy has reminded me that having that again is possible and will happen if we support each other in demanding change. I have started watching parliament and following politics since the convoy started. I am thankful to be more informed but also extremely disgusted by our Liberal government's redundantly baseless opinions, avoiding of questions, harsh and dismissive actions and generally poor and even shameful conduct. I want to know who keeps the government accountable if not the people?! No else seems to be doing it!!	2/18/2022 12:17 AM
83468	Gave hope	2/18/2022 12:17 AM
83469	They are pointing the way to freedom with peace & resolution which is so inspiring & makes me so thankful for them.	2/18/2022 12:17 AM
83470	Gives me hope that we can bring back love and unity and freedom of choice like never before in human history. I can see a possible rebuild of the government system that is created for the people so the risk of losing our democracy can never happen again.	2/18/2022 12:17 AM

83473	Unity hope love	2/18/2022 12:17 AM
83474	It's made me feel hope again and brought us all back together united with the common goal of getting our Country back. These brave truckers have inspired the world!!	2/18/2022 12:17 AM
83475	Given me hope	2/18/2022 12:16 AM
83476	Hope for an end to government overreach Hope for an end to mandates Hope for the citizens to regain their rights and freedoms Hope for our children who have now been targeted as requiring vaccination despite their very low risk	2/18/2022 12:16 AM
83477	Made me love truckers	2/18/2022 12:16 AM
83478	Given me hope	2/18/2022 12:16 AM

83501	Positively	2/18/2022 12:14 AM
83502	It has given me hope that people will see it for what it is and that the government and its mainstream media is doing everything in its power to discredit it. Veterans and such can attest to it being a peaceful demonstration for our rights.	2/18/2022 12:14 AM
83503	Given me HOPE.	2/18/2022 12:14 AM

83519	hope	2/18/2022 12:13 AM
83520	Opened my eyes	2/18/2022 12:13 AM
83521	I was born and raised in communism and I personally attended demonstrations during the Velvet Revolution in 1989 in former Czechoslovakia. As many immigrants from eastern Europe, I have seen many signs of totalitarianism in Canada since the moment I came here which was 18 years ago....For long time I felt that Canada is going into a very dangerous direction and seeing this and seeing that Canadians do not see it - I felt hopeless for a long time. Truckers and Canadians that accompanied them during their journey gave me for the first time ever a real hope that this country is maybe not completely lost yet. If I could, I would sit in Ottawa with truckers for as long as needed until we 100% secure that none of what has happened during the last 2 years will ever happen again. Our economy has been heavily damaged during the last 2 years and even before so no one with common sense can blame truckers for this. And ANY eastern European is willing to eat rice and beans until we truly win. Many of them know what it is to be really poor and they know how it is to live in the poverty AND tyranny. Canada is far away from poverty and it already is in a tyranny stage. We HAVE to stick together and be strong, because this can get much worse and it can last decades or even longer if we will not fight NOW.	2/18/2022 12:13 AM
83522	Gives me hope, peace and joy. Feel the love	2/18/2022 12:13 AM
83523	Zero	2/18/2022 12:13 AM
83524	It exposed the inability of police and officials to make decisions based on previous laws. It exposed Trudeau as an idiot puppet of the WEF. At the bottom of this is a question about reality and how a person can find truth for themselves.	2/18/2022 12:13 AM
83525	Groceries	2/18/2022 12:13 AM
83526	Hope that many others have also had enough and are ready to get back to living humanely, realizing the data shows mandates have not made a difference (see Brownstone institute reports)	2/18/2022 12:13 AM
83527	very hopeful, waiting for a peaceful resolution to end 2 years of mandates	2/18/2022 12:13 AM
83528	It has given me hope for a brighter future one where politicians will be held to account for their actions	2/18/2022 12:13 AM
83529	Restored hope in Canadians	2/18/2022 12:12 AM

83532	It has given me HOPE. It has given me a platform, a will and a voice. A way to peacefully and legally protest my disagreement with this government's decisions, mandates and now the	2/18/2022 12:12 AM

actions taken by this government against peacefully and legally protesting Canadian citizens. It has woken me up and opened my eyes to the real threat to the Charter of Rights and Freedoms, the Constitution of Canada and the freedom of all Canadians. This trucker's convoy may have started as a protest against mandates, but it has evolved into a real fight for Canadian freedom and for protection and upholding of the Charter and the Constitution that protect them.

83533	Given me a sense of hope and belief in the courage and goodness of Canadians and humanity. After 2 years there has finally been a glimmer of hope amidst the hopelessness of the lockdowns and fear. What a contrast it has been to be a proud Canadian again. I am so thankful do the stories and courage and example. I am regularly moved to tears.	2/18/2022 12:12 AM

I'm proud of them for fighting for our rights and freedoms with the peaceful protests.	2/18/2022 12:11 AM

83601	This is giving me hope that humanity can wake up to all damages being done by governments that have been overreaching for decades. There are things happening that government has control of that people did NOT get a chance to vote on. New laws being passed without our knowledge or consent, constant poisoning of people (stuff sprayed in air, added to water, modified foods, etc). It is time we wake up and see that these people in government offices do NOT have our best interests at heart.	2/18/2022 12:07 AM

83667	Gives hope to other patriots.	2/18/2022 12:02 AM
83668	Watching all the people across the country greeting them on their journey gave me HOPE that our country can return to normal. I've watched videos and Tweets daily and many times I am overcome by emotion. I've become more tolerant of people who don't see the situation the same way I do - it's okay if they want to feel protected in their bubble and believe the mainstream media and all the false "science". I now feel that I'm not alone in my feelings that "something isn't right with what's going on in Canada!".	2/18/2022 12:02 AM

83681	Has not personally	2/18/2022 12:01 AM
83682	Positively. Gave us hope for freedom	2/18/2022 12:01 AM
83683	Given me hope; confirmed I am not alone in how I feel and in my translation of the events that have unfolded and are currently causing a severe disruption in our "Canadian" way of life. My ancestors came to Canada for freedom and the opportunity of living life on their terms to provide for their families and the future generations. This last 2 years is taking us backwards into a Communistic realm that I have absolutely no wish to be part of. I will not stand by and let the FREE way of Canadian life disappear before my eyes. We are stronger together ❤️	2/18/2022 12:00 AM
83684	Giving me hope	2/18/2022 12:00 AM
83685	It has provided me hope for the future. A sense of unity & true Canadian spirit	2/18/2022 12:00 AM
83686	Feel bad because I feel like I'm not supporting them enough. Wish I could help them more.	2/18/2022 12:00 AM
83687	The joy of seeing the smiling faces of peaceful protestors who are sacrificing for the good of all. Covid is now endemic. End the authoritarian mandates.	2/18/2022 12:00 AM
83688	Yes - I'm greatly disturbed that a peaceful protest has been lied about by CBC , Global and all the state controlled media which is now paid off by the Trudeau Liberal Liars . I am disgusted by the lies as I know the truth .	2/18/2022 12:00 AM
83689	Hasn't	2/18/2022 12:00 AM
83690	Given me hope	2/18/2022 12:00 AM
83691	It gives me hope that there really are people in Canada to believe in freedom, including freedom to choose what goes into our bodies.	2/18/2022 12:00 AM
83692	Not at all. I fully support people's rights to protest peacefully.	2/18/2022 12:00 AM
83693	It gives me hope, it makes me proud of my country again. It's also been exposing the true extent of the corruption in both the Canadian government and others governments. How Trudeau has responded to protestors is disgraceful, he needs to be removed on way or another, and the sooner it happens the better off we will all be.	2/18/2022 12:00 AM
83694	I am so proud of everyone supporting the convoy and if I could fly I would be right there with them protecting Freedom for all Canadians and crush Trudeau!	2/18/2022 12:00 AM
83695	Made me happy that brave people are supporting what a lot of people feel.	2/18/2022 12:00 AM

83704	Gave me hope at first that the government might listen to reason and that finally the media would get information out to the general public; but no, they continued their bias coverage.	2/17/2022 11:59 PM
83705	It's give me so much hope, tears rolled down my face with so much joy, like we are just about out of this, just watching them made me feel so good like finally someone is standing up for us	2/17/2022 11:59 PM

83716	It has inspired hope and pride in my fellow Canadians, and sparked much debate in our household, looking at both sides of the debate. We as a family, each with our own individual opinion after researching every angle align ourselves in favour of this freedom movement	2/17/2022 11:58 PM
83717	Positive in all aspects of my spiritual and physical being	2/17/2022 11:58 PM
83718	I think it is great that the people have stood up for my rights and thiers.Thank you	2/17/2022 11:58 PM
83719	It offered the first, long awaited opposition to this Gov't dictatorial & tyrannical power trip. Their refusal to recognize that Canadians are fed up with the BS & want their freedom back, just cements where my vote is NOT going.	2/17/2022 11:58 PM
83720	It's given me and thousands of other HOPE and JOY!!!!	2/17/2022 11:58 PM

83724	Gave me Hope	2/17/2022 11:57 PM
83725	The trucking convoy appears to have given most Canadians a lot of positive hope and has certainly united most citizens to a positive cause of regaining our human rights and freedoms as Canadians. It has shown me that most Canadians have had many of the same experiences and adverse affects above in question 9 and that we must stand up TOGETHER UNITED for our rights and freedoms and for the well being of our country for our children, for our seniors, for all of our future to improve and to move forward in a positive healing growing way. The convoy has also shown the destructive and divisive tyranny and over-reach and corrupt cruelty of our government towards a huge peaceful lawful voice of patriotic hard-working tax-paying Canadian Citizens, disregard for rights, freedoms, decency, and the well-being of our country. The government has an obligation to listen and serve, instead they have refused and caused	2/17/2022 11:57 PM

chaos and have brought "war measures" and turned against it's own peaceful citizens. Shameful, criminal and inhumane ... and the whole world is watching how tyrannical and evil this government has shown itself to be.. what a disgrace! There must be a reckoning and a more positive path forward for our people! I live in fear, sadly manipulated and coerced by my own government mis-using my hard-earned tax dollars ... I see the trucking convoy as beacons of hope, and that there are brave, courageous, hard working generous people in our country that take positive action peacefully and patriotically and lovingly to help their fellow Canadians have a better life that includes freedom and upholding of human rights and our charter!!

83726	It has brought me hope and the thoughts that I am not alone... that perhaps a future of freedom may still be possible. That our rights may still in some way be preserved. I want my life back.. my mental health... and the convoy has helped me move out of a deep morose and given me hope. Hope that the small but good can triumph over large and evil. God bless everyone who is trying to help us be free.	2/17/2022 11:57 PM
83727	Gave me hope and happiness that someone was finally doing something about Justin Trudeaus stupidity and trying to stop these ridiculous mandates. The pandemic is over and it's time to move on.	2/17/2022 11:57 PM

83733	Hope	2/17/2022 11:57 PM
83734	For a brief moment it has brought a sense of hope. The emergency measures act has quashed that. The convoy has rocked my faith in officers of all forces. The convoy has brought to light how very corrupt politicians are and what they are allowed to get away with. They convoy offered a platform to all the silenced medical professionals to tell us the truth behind covid and who is profiting.	2/17/2022 11:57 PM
83735	They have given me hope	2/17/2022 11:57 PM
83736	It has shown some hope and a possible light at the end of the tunnel. It makes me very happy to see so many people fighting so hard for our freedom	2/17/2022 11:56 PM

83742	Gave me hope	2/17/2022 11:56 PM
83743	Seeing the trucks come down the highway and cheering along with fellow Canadians with all their signs and flags and what they've accomplished in Ottawa gave me hope for the first time in a long time that we MAY be able to have our freedoms back. BUT now with the emergency act against the peaceful protest it seems like they're trying to take even more of our freedoms away. This fight is FAR from over. The updates and reading and posting things on facebook has completely consumed my life because we have a VERY small window to turn this thing around.	2/17/2022 11:56 PM
83744	Gave me hope for a better future for Canada all around. We need to get rid of the Liberal party completely. They are threatening everything we are known around the world for. We have been place on watch lists that we were never on the radar for. Our livelihoods are at risk because of the fucktard that calls himself prime minister and his agenda. Fuck Trudeau!	2/17/2022 11:55 PM

83787	Surprisingly brought hope for the first time in a long time, and lifted my spirits immensely to see people uniting and standing together. Had almost given up on my fellow Canadians, that they wouldn't rise up/speak up/do anything.	2/17/2022 11:50 PM

83797	It has given me hope for our lives, our children and our country.	2/17/2022 11:49 PM
83798	I feel hope for the first time in two years that we might actually get out of this mess with our inalienable human rights in tact.	2/17/2022 11:49 PM
83799	It's beautiful to see peaceful protest fighting for the freedom of choice! They say it's hurting the local businesses but what has our current government done to our local businesses? Fired our nurses for making safe healthy choices for their own body or forced local mom and pop businesses to close and loose their jobs forced our children to wear masks when they aren't in a high risk of being I'll from COVID. It's sick and only the truckers have stood up for all this removal of mandates.	2/17/2022 11:49 PM
83800	I have hope for freedom once again in Canada	2/17/2022 11:49 PM

83813	Positive, Hope, Faith in humanity	2/17/2022 11:48 PM
83814	Given me hope.	2/17/2022 11:48 PM
83815	The trucker convoy has been a source of Hope for me, it has united people to make a stand and I am truly hoping that it will bring back our rights and freedoms, releasing us from the prison we are in . I am proud that they had the courage to make a stand for our country as our Veterans did before. My HOPE is that people can get their jobs back and businesses and our beautiful country can again thrive. OH God how I pray for this every day.	2/17/2022 11:48 PM
83816	Gave me hope at the beginning, restored pride in my country but now I'm feeling that we are defeated and the peaceful approach isn't going to give us our freedoms back	2/17/2022 11:48 PM
83817	It gave hope for us and for a lot of people. And it's encouraging seeing people stand up for freedom, rights and liberty.	2/17/2022 11:47 PM
83818	I'm proud of them and what they represent	2/17/2022 11:47 PM
83819	They good	2/17/2022 11:47 PM
83820	Gave us some hope. We haven't been to the rallies or anything like that but we thought the truckers were peaceful, law-abiding, and had good intentions to help Canada get back to normal. The legacy media seems to have painted them otherwise, but to me it looked like they were genuine and good people. Yes, they made some noise in the beginning, but compared to having to put up with some honking, the mandates have caused Canadians to commit suicide, they've died needlessly of Covid (because they were not allowed to have access to any early treatment and later were put on dangerous drugs and ventilators), lost their jobs (100's of thousands lost their jobs), lost their homes and businesses, families broke up, weddings and funerals were put on hold or cancelled, been kicked out of university, graduations were cancelled, kids missed school, birthday parties, Xmas concerts and sports, thousands died directly from the vaccines and millions had severe adverse reactions. A bit of horn honking is nothing compared to what Canadians have suffered locked up in their homes for two years. If the government had been respectful and met with the truckers, the honking would have stopped immediately. But they ignored the truckers. They called them awful names - Nazis, racists, misogynists, terrorists, violent, etc. I don't believe they were any of those things. They were ordinary Canadians trying to figure out a way to get their lives back but they were ignored and vilified. I think our fed govt and BC prov govt has acted shamefully. It feels like we are living in a fascist dictatorship and I feel scared for the future. I have always been a very law-abiding person and respected our lawmakers but now I am afraid of them. I've never had a traffic ticket, a parking ticket, or anything. I don't smoke or drink alcohol. I am a Baha'i and believe in being peaceful, joining together in unity, serving our community, respecting others religions, and loving people of all races and cultures. Our retirement is filled with dread, with so little joy, almost no socializing at all for two years, no gatherings with our Baha'i friends for two years, every day listening in to the latest awful news from the dictators to find out what we are and aren't allowed to do. It's no way to live. I thought the truckers did a noble thing to try to save us all.	2/17/2022 11:47 PM
83821	Give me hope	2/17/2022 11:47 PM
83822	Feel pride in the effort to fight for Canadians freedom	2/17/2022 11:47 PM
83823	It has given me hope that good people will still stand up for what is right.	2/17/2022 11:47 PM
83824	The truckers and ALL other Canadians who are standing up for freedom have reminded me what an amazing bunch of people we Canadians are. I fully support and respect what every single peace loving & respectful Canadian is standing for in Ottawa. I am appalled with the Governments lack of ability to meet the needs of Canadians. The Liberal and NDP leaders are	2/17/2022 11:47 PM

83901	In a very positive way. Freedom	2/17/2022 11:42 PM
83902	Brought hope, a stronger will to fight tyranny and corrupt governments, and a strength of will that will have me stand on the front lines to protect the people in my family. A drive to stand with Democracy and God that will not be shaken. The Convoy 2022, and the Blockades, have given me back pride in Canada; and of being a Canadian. We will Hold the Line. HONK! HONK!	2/17/2022 11:42 PM

83911	It has improved my outlook.	2/17/2022 11:41 PM

Canadians vote on Canadian Mandate - February 2022

83912	It is an inspiration for our freedom	2/17/2022 11:41 PM
83913	It's given me hope that Canadians will stand up for what is right and say no to government overreach. It has eliminated any trust in our government, especially our PM and his lack of willingness to meet with the protest organizers as they have requested. He needs to be removed from office.	2/17/2022 11:41 PM
83914	I am proud of them all standing up for Canadians and our freedom	2/17/2022 11:41 PM
83915	It hasn't had a direct impact on me.	2/17/2022 11:41 PM

83919	It has gave me hope	2/17/2022 11:40 PM
83920	Given me hope But I'm saddened that the police are overstepping their boundaries they should be arresting Trudeau for all his crimes way before any of these innocent people	2/17/2022 11:40 PM
83921	It hasn't, where I support the right to peaceful protest, I think the convoy is being used by Trudeau to cause another election	2/17/2022 11:40 PM
83922	Made me proud that so many Canadian friends have gotten together this turnout is bigger in ever town city and province then Canada day	2/17/2022 11:40 PM

83933	HOOOONNK	2/17/2022 11:39 PM
83934	Brought me hope, new friends, restored my faith, eased my depression, gave me purpose and sparked creativity in supporting this freedom love movement. I've seen Albertans and Quebecers realize we all want the same thing and we have been conditioned by government to feel divided	2/17/2022 11:39 PM
83935	It hasn't	2/17/2022 11:39 PM
83936	This has brought hope and an incredible sense of togetherness, not only in my country, but across the world. It has helped us all feel that we are NOT alone, and we are NOT crazy. It has brought the situation to a head - of how the majority of the world feel, and are seeing through the lies and pressure on us to conform to this "great reset". We are waking up to the Truth, and we don't want a "great reset" to global control and tyranny.	2/17/2022 11:39 PM
83937	Its wildly entertaining	2/17/2022 11:39 PM

83939	It brought HOPE. I cried. I cried and my dried up worn out heart filled up again!! And I cried again for the joy and seeing that there was SOMEBODY who was willing to STAND UP TO BULLYS - the tyrants in parliament.	2/17/2022 11:38 PM
83940	It has given me hope and pride to be Canadian again. I 100% support the truckers.	2/17/2022 11:38 PM

Canadians vote on Canadian Mandate - February 2022

83941	Made me realize how bad our government really is	2/17/2022 11:38 PM
83942	Hasn't	2/17/2022 11:38 PM
83943	Giving me a glimmer of Hope for our Freedoms of Speech and Religion and being ME	2/17/2022 11:38 PM
83944	Hope for my freedoms back. Hope to rebuild my life after this last two years has slowly deteriorated everything I worked hard for. Regained my Hope in humanity	2/17/2022 11:38 PM

83950	They give me hope that someone is finally standing up for all of us that have no voice.	2/17/2022 11:38 PM
83951	Gave me a new sense of hope and confidence in the common man.	2/17/2022 11:38 PM
83952	For the first time in over 2 years I've felt hope for this country!!! I'm a proud Canadian again!! Ty truckers!! TRUDEAU MUST GO!!!	2/17/2022 11:38 PM
83953	It has brought hope to my life. It has shown just how tough and brave Canadians are while at the same time it shows how kind and caring they can be. Canadians have always been about fighting for the underdog. I had lost hope in my fellow Canadians until the trucker convoy began. I have never been more proud to call myself a Canadian! For the last two years we refused to put our Canadian flag up on Canada Day. Now I have it on my car again. I am ashamed of our Prime Minister and our entire Government for allowing us to be led to slaughter to having our God given rights nearly taken away from us. Justin Trudeau is NOT a leader and he must be stripped of his title and all mandates must be dropped and our Government must be altered so the politicians have less power and WE the people have our voices back.	2/17/2022 11:38 PM
83954	Hope. They've given many absolute hope that not everyone are sheep and some do actually stand up for rights. Also taught us all that u can't trust politicians	2/17/2022 11:38 PM

83958	Made me proud	2/17/2022 11:37 PM
83959	It has given me hope	2/17/2022 11:37 PM
83960	They gave me hope & I felt like they were fighting for the underdog	2/17/2022 11:37 PM
83961	Gave me hope. A lot of Hope.	2/17/2022 11:37 PM
83962	Unsure how much it has affected me, but no matter how important you may think getting rid of the government mandates may be, you need to protest within the limits of the law. If you abide by the laws of the land: go for it. If you're breaking any laws: suffer the consequences!	2/17/2022 11:37 PM
83963	Makes me feel good the see the Canadian flag flying proudly again.	2/17/2022 11:37 PM
83964	Positive affect Giving me hope fit our freedoms	2/17/2022 11:37 PM
83965	Gave me hope!	2/17/2022 11:37 PM
83966	They are fighting for my rights.	2/17/2022 11:37 PM
83967	It has given me hope and made me feel a sense of community again. It's made me proud to be Canadian.	2/17/2022 11:37 PM
83968	Given hope that this will change, finally feel that we are all united, proud to be a Canadian again, was losing faith that nobody else was actually seeing what I was and willing to stand up together	2/17/2022 11:37 PM

83988	I'm proud of them I feel hope for my freedom for my canada	2/17/2022 11:36 PM
83989	I don't care. It is a necessary protest. We could do with more people protesting and having to make sacrifices in order to have protestor's concerns heard.	2/17/2022 11:36 PM
83990	Haven't noticed any problems in supply chain compared with prior. They've given hope.	2/17/2022 11:36 PM

83998	It has sparked a global movement that has given hope for the end of totalitarian government overreach and new hope for freedom.	2/17/2022 11:35 PM
83999	It's effected our life in only positive ways and at the most desperate time... because it's given us hope that there are millions of other Canadians who are in the same boat being discriminated against by a spiteful tyrant of a PM and that we also have the support of millions and millions of Canadians who may have chosen vaccination but they did not chose these	2/17/2022 11:35 PM

It has shown me that we are willing to support each other and come together in Canada. It has shown me that there are so many more people that do not want these mandates in place. 84083	It gave me hope.	2/17/2022 11:28 PM
84084	It reminded me what real life was like before all this. I don't feel alone anymore. I forgot how wonderful it is to see children laugh and smile. It made life worth living again. Thank you truckers.	2/17/2022 11:28 PM

84086	It has given me hope and happiness. To see people coming together for freedom instead of being isolated by government mandates is very uplifting and encouraging. I want to do the same.	2/17/2022 11:28 PM

84094	It's truly given me the most hope I've had the last 2 years.. I also felt the warmth from the Canadian public, especially back at end of Jan...not so much tho, since the pm again trying to stir the divide in this country.	2/17/2022 11:27 PM
84095	Made me excited that people are standing up for freedom to do what we always had rights for before covid. Gave me hope there will be an end to this madness.	2/17/2022 11:27 PM

84100	It has given me and the people around me, hope for a better future. It has exposed beyond a reasonable doubt that our PM and his cabinet are untrustworthy, hypocritical and not worthy to lead the our country and people. Canadians vote on Canadian Mandate - February 2022

84126	It has given us hope, it has made us feel united with people that feel the same as we do! It's given my family and I something to actually look forward to, to get our life and freedom back!	2/17/2022 11:26 PM
84127	They have restored my love of Canada, knowing that people of all backgrounds, languages, religions, ages can come together to stand for one another. I only wish I could have joined them.	2/17/2022 11:26 PM
84128	It has not	2/17/2022 11:26 PM
84129	It has given our family, close circle of friends and millions of other Canadians hope for the first time in 18 months. The government has continued to move the goal posts every time they ask us to do something. And clearly now they do not have the science to back up the measures they have taken. They seem clearly more interested in control and profit than public health and safety and the concerns of their citizens.	2/17/2022 11:26 PM
84130	It has given me hope and a renewed love and pride for my country. It has helped me see the main reason for division and racism is our government and fake news from the mainstream media. We are finally united.	2/17/2022 11:26 PM
84131	They are helping with our Freedom. I support the convoy 100 percent	2/17/2022 11:25 PM
84132	It has not disrupted my life negatively. This has been the first effective voice for people that do not agree with the mandates. So far it seems that politicians have only listened to the people wanting more and more "safety" without regard for the negative consequences. Wealthy people that have not lost a penny due to mandates have been the media darlings, while those just barely getting by are criticized for not sacrificing enough.	2/17/2022 11:25 PM
84133	I am so grateful for the truckers I feel like for the first time in the last over two years we have a little bit of hope of being free. These are wonderful people families specially Saskatchewan Alberta people the most down to earth people you could ever meet . I lived there for a few years and all the people back there they just couldn't do enough for you . I probably won't be able to send this survey out to my friends .. anything I do ..if it doesn't meet Justin Trudeau's idea of what he thinks ..He blocks me with his fact checker. .. just doesn't seem fair .I can't speak my mind but yet he paid \$60 million dollars to the media to put him in a good light.. They are not telling the truth of what's going on..They haven't even mentioned on the mainstream media about the trucker rally up until recently .. Now they are putting them in a bad light. I know for a fact all these truckers have signed a contract to go into this convoy ..They are on the strictest rules kill them with kindness convoy .No problems !! or your kicked out .. That's why they call it the bear hug convoy .I know for a fact that what you're seeing on the main stream media is a lie about the truckers .These people causing trouble are paid I garentee it .I don't want China's social credit system in Canada .I want to be free . If you go on the Canadian website and type in china social credit system it comes up. .Justin Trudeau has the mainstream media saying what he wants . I am banned from Facebook and YouTube for 20 more days it started out I was banned for 60 days I only have 20 more days of being bound to go because I expressed my opinion.. Justin Trudeau was trying to bring in a dictator ship. He's already trying to take control of our money our bank accounts.. I hope and pray that we can put a stop to Canada becoming like China.	2/17/2022 11:25 PM
84134	Uplifting hopeful	2/17/2022 11:25 PM
84135	The convey has been a very positive thing because when I thought this mandate was going to be a normal life with masks, distancing from grandchildren, friends and other loved one I was in a very deep depression. Until I heard about Pat King and the Whistle Stop cafe, they made me feel there was finally hope for our freedom... I was supporting this convoy from the first day I heard about them and still support them..they are my hero's	2/17/2022 11:25 PM
84136	It's giving me a sense of pride for Canadians willing to stand up for what they believe in	2/17/2022 11:25 PM

84140	Given me hope	2/17/2022 11:25 PM

Canadians vote on Canadian Mandate – February 2022

84174	I believe in what they have been doing. The mandates were effecting them and their livelihoods and they chose to stand up for what they believe. When people saw what was going on they were inspired and moved by the courage of these truckers. It started out being about the truckers but inspired by the reaction and support of the citizens of Canada and the rest of the world it ended up being much more. They are willing to go to jail for what they believe in and are standing up for freedom for the rest of us. They were peaceful even though the rumours are that they weren't. I believe their cause, all things considered to be a noble one.	2/17/2022 11:22 PM
84175	The Truckers Convoy makes me proud to be a Canadian again.	2/17/2022 11:22 PM

84193	The convoy has been inspirational. Seeing everyone come together and end the political divide. Again, Trudeau has overstepped with his response to it. Instead of communicating, he's chosen the arrogance of a clenched fist with his use of Emergency Measures Act.	2/17/2022 11:20 PM
84194	I feel honoured and thankful that someone is standing up for me.	2/17/2022 11:20 PM

84236	its helped me a lot	2/17/2022 11:18 PM
84237	I fully support it. I believe it is a way to remain non violent and the always kind no matter what Canadians we're known to be around the world while letting our government officials know that the not so much of a "fringe minority" of "misogynistic, racist, hateful people" strongly oppose these mandates and want them lifted immediately to benefit all Canadians.	2/17/2022 11:18 PM

84328	Given me some hope	2/17/2022 11:10 PM
84329	It is given me hope and encouraged to me have more confidence to speak out and stand up for what I believe. The manner in which our federal government has handled the situation is disgusting, hypocritical, childish, and shows a lack of compassion.	2/17/2022 11:10 PM

84344	emotionally scaring and extremely heart breaking that the canadian Government has resort to threats, bullying, name calling and all the extreme measures to deal with our right to protest. 84357	Gave me hope again	2/17/2022 11:08 PM
84358	Made me proud to be Canadian for the first time in a long time, I always held the opinion that Canadians were largely apathetic and wouldn't stand up for what they believed in since they figured nothing would change. The governments all across this country have taken this for granted, and I expect some real change to come out of these protests.	2/17/2022 11:08 PM
84359	It gives me hope	2/17/2022 11:08 PM

84379	Finally some hope they were very gracious when we went to Ottawa to support them. The streets were clean and peaceful, celebrating freedom like proud Canadians. But I guess Justine would rather we fly a BLM, or a LGBTQP flag and push cancel culture! He needs to go and any one tied to WEF, WHO, the great reset	2/17/2022 11:06 PM
84380	Made me realize our media is corrupt and our government makes decisions on polls	2/17/2022 11:06 PM

It has sparked my faith in my fellow Canadians again, it has brought immeasurable tears to my eyes with love and joy and affection and pride. It has renewed my strength and my determination to fight the tyranny. God bless the Convoy!	2/17/2022 11:05 PM

84402	It has brought hope, unity, sanity in a time of oppression, fear, segregation.	2/17/2022 11:04 PM
84403	The trucking convoy has given me hope and joy again. It has left me in tears of awe. The unity and love is immense. The smiles and laughter of the children makes every moment of these last 2 years spent fighting this Tyrannical Govt soooooo very worth it. I have been through cancer and I had a choice for my treatment. No one wore a mask for me. I don't discriminate against the obese or the smokers or drinkers or those who eat terrible food or don't exercise and yet THESE are the people eating up tax payers dollars because of their own selfish indulgences and yet I am told I should not be allowed medical care because of my choice. A choice made due to the FACT that the virus has not been isolated and the FACT that every health agency I have contacted in BC has told me it is impossible for them to supply me with long term safety data because there is none...THEN HOW CAN THEY MANDATE THIS? I LOVE THE TRUCKERS! I AM THANKFUL FOR THE TRUCKERS! Speaking with people who say they thought they were alone makes my heart sing now that they know they are one of millions. END THESE MANDATES AND HOLD THOSE RESPONSIBLE FOR THE DESTRUCTION OF LIVES AND ECONOMY ACCOUNTABLE.	2/17/2022 11:04 PM
84404	It lifted my superiors knowing we will be putting Justin Trudeau in his place and kicking his ugly ass out off Canada or put in jail for the rest off his life.	2/17/2022 11:04 PM
84405	It's given me hope, my family hope. I have never felt so patriotic in my entire 32 years being on this planet. A born and raise Canadian citizen. I have no faith in our Prime Minister!	2/17/2022 11:04 PM
84406	I'm seeing canadians united for what they believe in, gives me and the world hope for freedoms. Freedom to choose	2/17/2022 11:04 PM
84407	They gave me hope and they only wanted to talk to PM. Trudeau never did talk to them. He needs to stop this and step down.	2/17/2022 11:04 PM
84408	It's made it known that we want the mandate to stop	2/17/2022 11:04 PM

84487	It has not affected me at all. I am so very happy & thankful the Truckers have done this to help us Canadians. We needed this for our voices to be heard. Unfortunately our news is fudging all the good things the truckers and supporters are trying to get across. They are the good people they have stood up and are not backing down. They have nothing to hide. It's our Government that are hiding everything. All I & I am sure everyone else wants is the truth.	2/17/2022 10:55 PM

84534	The convoy has united Canadians who share similar views regarding government overreach and excessive mandates. The convoy has been mostly peaceful to date, despite portrayals by the main media. The convoy protest has shown me that the Prime Minster does not care for the very people he is meant to serve. He has refused to communicate with peaceful	2/17/2022 10:53 PM

of the brave men and women who took this stand to fight for the end to tyrannical and unscientific policies. We were shocked that our PM did not even acknowledge the rights of the Truckers and Canadians to protest, and instead slurred them all, painting a false picture of them as racists, misogynists, etc, insulting and marginalizing them, and calling them INCORRECTLY a fringe minority. We went there. There was a wonderful, loving, supportive, joyful atmosphere, people coming together, people helping each other, kindness and consideration everywhere you looked, people who LOVE this country and freedom! The coverage on our national networks was distorted and inflammatory, designed to frighten and anger Canadians who did not go to the protest and see what was really going on. I am now ashamed of our PM, ashamed of our national networks, and ashamed of our ineffective political processes. I am grateful for the smaller, alternative news media organizations who gave a refreshingly honest and truthful insight into the protest. I LOVE my country and I see it being forced into political an economic ruin. The truckers deserve our HIGHEST PRAISE and Trudeau has begun to attack people through their finances in order to take away support. He is criminalizing good, hardworking, dedicated, loyal Canadians.

84659	it has made me feel unified with our nation, my heart bursted with joy from the start of the convoy, like minded people with similar views finally taking a stand and saying enough is enough. I cried more tears of joy in the last 3 weeks and tears of sadness the last 2 years	2/17/2022 10:42 PM

84721	It has given me hope that the government would listen to the people most affected by the mandates, but sadly the issue of why they came has been rarely addressed (instead there has been a lot of name calling). However, I donated \$20 and then was worried because of the threats of Mr. Trudeau who basically labelled the most peaceful protesters in history extremists and said that he would shut down the bank accounts of those who supported them, as if we were supporting terrorism! Thanks for adding to our stress and anxiety, Mr. Prime Minister.	2/17/2022 10:37 PM

84754	Given hope and faith that we can get Canada back to freedom	2/17/2022 10:33 PM
84755	I have chatted with them and liked them. We live just outside Ottawa and go there frequently. Traffic is overall not bad. We get around. It would be easier if the police were not blocking bridges. The convoy gave me hope. I realized that there were others like me who were tired of suffering in silence. Now I am heartbroken because of media lies and the grotesque cruelty of the political response. I also can see that this convoy is the last best hope of a peaceful end to the mandates. I have no eagerness for violence and chaos, quite the opposite. But heavy handed crackdowns will generate a backlash. The situation is being deliberately escalated by the PM to justify an increase to his own power. He is destroying the country. The outrageous use of bank freezes is intended to kill people, and it will. You cannot deprive people of money, work, home and food and expect them to just lie down and die. If the PM pushes people to desperation without recourse to law, anything could happen. I am praying for us all.	2/17/2022 10:33 PM
84756	Gives me hope.	2/17/2022 10:33 PM

84760	Gives us hope! God bless them all ❤️	2/17/2022 10:33 PM
84761	The biggest impact has been seeing how prime minister Trudeau has undermined and destroyed fundamental parts of the democratic process, by labelling protesters as terrorists and making it illegal to exercise the democratic process of protest on legislative and parliamentary grounds.	2/17/2022 10:33 PM
84762	Maybe there's a chance I can stand to live to see the end of this.	2/17/2022 10:32 PM

84789	Hope for happy and freedom life	2/17/2022 10:30 PM
84790	Mandating vaccines for truckers now, with Omicron, is such a poor management decision that is simply appears to be bullying. I voted Trudeau. He and the Liberals are dead to me. I will become extremely active politically and make sure they are irrelevant for generations. The are a divisive enemy of Canada.	2/17/2022 10:30 PM
84791	It has reinforced my belief in the idea that most people are good and they want others to be healthy and prosperous. It has given me hope whereas a month ago I had resigned to the idea that life was on the fast track to dystopia.	2/17/2022 10:30 PM

84795	It has given me a newfound sense of hope, enthusiasm, respect for our country and the wonderful people that are coming out of the woodwork in support, regardless of race , religion, class, political ideology. After 6 years of a very divisive government, I can honestly say, I am back to being a proud Canadian. Our politicians didnt do that. My fellow truckers and Canadian citizens did.	2/17/2022 10:30 PM

84820	Given me hope that these mandates might end. They are an inspiration - peaceful and respectful and resolute. They represent regular Canadians, not the detached elite politicians who have never missed a paycheck these last 2 years. The media has been responsible for biased reporting and spreading nothing but fear.	2/17/2022 10:27 PM
84821	Gave me hope that things might get back to normal.	2/17/2022 10:27 PM

It was also very disgraceful to see our leadership outright lie about there peaceful intensions with fake racist comments and desecration of monuments. None of this was done by the truckers and the freedom protest which is our legal right. They have done nothing illegal but our leadership has ran a smear campaign and outright lies. This government must resign!	2/17/2022 10:27 PM

85110	I consider them heroes, holding the torch of freedom for Canada and the world!	2/17/2022 10:03 PM
85111	It has given me hope. Hope to have the freedom to work and the freedom of bodily autonomy. Where I do t have to choose one or the other.	2/17/2022 10:03 PM
85112	They gave me hope that there were still some good people in this country, fighting for the rights of all Canadians. Then all the lies started about the truckers and spread quickly by our sickening media and fake news. Religious leaders and US news teams like Fox told the truth about the happy, loving, truckers but our fake news went on and on about one person standing on the tomb of the unknown soldier (she probably didn't know what it was and she stepped off as soon as someone told her to), and the swastika & confederate flag was a one time anomaly, never seen again. What Trudeau is doing to the truckers disgusts me- forcing lies on funding platforms so that they freeze funds received for a good cause, freezing personal bank accounts when the truckers have wives and children to feed, and farmers have cattle and animals to feed. The convoy has made me proud of the truckers but totally ashamed of the government and its cancel culture.	2/17/2022 10:03 PM

85268	It gave me hope that government will at least start the dialogue with organizers as for 2 long years we cannot talk to government officials. Top doctors don't represent the science as science does not mind to be questioned. Why we don't have any science debates till know, nothing. You know why. Truth doesn't mind to be question but lie does.	2/17/2022 9:42 PM

Canadians vote on Canadian Mandate - February 2022

85290	It made it better, has given me hope	2/17/2022 9:40 PM
85291	Made me so happy to see their bravery and their bringing Canadians together for freedom from unjust mandates with peaceful protests. Media and government discrediting them makes me sick. Total overreach and disgusting reaction from Prime Minister and his cronies. Made me see their true nature. I truly believe the trucking convoy made a big difference in releasing us from these unjust mandates. They are true heroes.	2/17/2022 9:40 PM

85299	Gave me hope and made me love the country again until 2 days ago	2/17/2022 9:39 PM
85300	Hopeful that Charter Violations will finally be addressed. Hopeful that government would see the struggle so many of us have endured and that the risk/fear around Covid is not realistic. Hopeful that the government would readdress their approach to finally helping the most at risk, instead of population st large. Governments terrible response has been very saddening and troubling.	2/17/2022 9:39 PM
85301	It lifts my spirits and gives me hope to see Canadians feeling a sense of common unity once again. The Government is and has been dividing and segregated all Canadians over the past two years. They have killed business and livelihoods.	2/17/2022 9:39 PM
85302	Given me more hope, peace, joy.	2/17/2022 9:39 PM
85303	Positively - It seems this is what it took for at least provincial government to start to listen to the people.	2/17/2022 9:39 PM
85304	It has given us hope that we still live in a democracy where the citizens have the right to demonstrate peacefully as to the government overreach or disregard for our human rights and freedoms.	2/17/2022 9:39 PM

85313	Only in positive ways.	2/17/2022 9:38 PM
85314	Despite the media and governments best efforts, it has brought Canadians together in a way that has never occurred before. It has spread across the globe and made Justin Trudeau and Canadian media look even more ridiculous on the world stage. Mission accomplished!	2/17/2022 9:38 PM
85315	Given me hope, I can see a light at the end of the tunnel	2/17/2022 9:38 PM

85329	Well I live in BC, so it hasn't really had much of affect physically or emotionally. However, it's nice to see people are finally allowed to share different limited Views without being called names by the media and politicians. On second thought, the trucking convoy has given me hope that we might be out this nightmare soon, even though dr. Bonnie Henry is still playing follow the "science" game. And of course our PM Justin doesn't respect personal choices (funny black face was a choice) Thanks Truckers!	2/17/2022 9:36 PM

85390	Brought back faith and hope in humanity. Never had a hero in my life. But these people are definitely my heroes. Those who are blind don't seem to see where this could all lead. They can only see as far as the end of their nose. If the government can exercise this much control over peoples lives now, what is next? If they can freeze peoples Bank accounts, what will happen in the future when something new happens and they don't like how you respond? The truckers are fighting for freedom that people don't understand.	2/17/2022 9:28 PM

The Freedom Convoy is a Beacon of Light for these dark times and believe in what they Honk for ! The government and their bullshit plandemic measures have negatively affected my life way worse than anything I've experienced in my entire life.	2/17/2022 9:26 PM
85409	It hasn't, only made Canadians realize what's going on and a voice to amplify that message but government refuses to listen.	2/17/2022 9:25 PM
85410	Brought life, hope, higher vibration, unity, pride and validation to our lives!	2/17/2022 9:25 PM

85459	Brought me hope during this time of oppressive, over reach of government.	2/17/2022 9:20 PM
85460	For the first time in 2 years I felt Canadian pride. I appreciate in the beginning how to manage the pandemic was unclear and although there was clearly no evidence to support social distancing or mask I complied but threatening Canadian citizens with a threat; comply or loss of freedom & ability to feed you & your family. I was horrified more weren't horrified. What a disgusting way to treat fellow citizens. The convoy felt like hope, unity, compassion and strength for us Canadians that have been ignored, injured, tormented, and dismissed as not deserving to participate in society. Freedom is a human right and integral to democracy. It cannot be cherry picked. We either have it or we do not!	2/17/2022 9:19 PM

85544	I was feeling very depressed and felt hopeless, I couldn't even go home to see my mom in nanaimo Bc (where I was born) because I did not get the job, so I could not take the ferry or fly. I was just feeling absolutely crazy, and when I started hearing whispers of this and it actually was true I actually felt alive again. I watched all live feeds and the convoy heading west from the start and cried the whole time. When I seen all the people on the sides of the roads with flags and signs I balled. I knew I wasn't alone in the way I felt and I had so much hope again. I couldn't BELIEVE that these strangers driving these trucks were fighting for me. Best feeling EVER Don't get me wrong I have lost some family and friends over this convoy because they watch mainstream media and it's all lies.	2/17/2022 9:08 PM

85573	It has given me and so many others hope. Hope that the majority of Canadians, and even the global population, has had enough and we all know it is high time to move on. 85600	The convoy has given me hope that change can happen for all mandates to end.	2/17/2022 9:02 PM

85605	It has given me some optimism.	2/17/2022 9:01 PM
85606	This convoy has given me and my family Hope! Love! Faith! Unity! etc. Until the scum of the earth Trudeau and his liberal cabinet along with the NDP leader Singh have made this a mockery and disgusting! This Peaceful Protest could have been handled in a Positive way and not the Shameful way Trudeau provoked it! Trudeau Resign Now! It's time for a new leader! You make me sick!	2/17/2022 9:01 PM
85607	Hope!	2/17/2022 9:01 PM

85610		2/17/2022 9:01 PM
85611	I regained my hope that Canada would regain our freedom again. It unveiled tge true colors of our Prime Minister who isn't looking out for our bests interests, just his own personal agenda (the whole world pities us because of JT). He is Racketeering by pocketing 40% off the injection and has bribed media who censor anyone that doesn't follow his narrative. He is being investigated internationally for Crimes against humanity and anyone that follows his criminal orders are subject to criminality too...	2/17/2022 9:01 PM
85612	It has brought a sense of unity in our community and we are seeing it throughout the country. This convoy needs to be seen for what it truly is, a protest to all government officials regarding the fact that covid has been handled poorly and they need to listen to Canadians when we say it is time for the citizens to take more responsibility for their health again. The governments job regarding covid now needs to be a focus on increasing health care capacity & a thorough assessment on mismanagement of health care systems all across Canada.	2/17/2022 9:01 PM
85613	It's given me a sense of optimism. Although, I disagree with the boarder blockade. I think the government and media response to the protests in Ottawa is frankly disgusting.	2/17/2022 9:01 PM
85614	Given me hope that things can be changed, has united Canada like never before, it has shone light on the darkness and evil in Canada as well as illuminating how broken our political system is.	2/17/2022 9:00 PM
85615	It has given me hope. Something I haven't felt in two years. It's also restored my pride in being Canadian watching the people who greeted them with flags and gifts and smiles.	2/17/2022 9:00 PM
85616	Made me feel Canadian again!	2/17/2022 9:00 PM

85643	I support the convoy and everything the truckers stand for. Freedom.	2/17/2022 8:57 PM
85644	It has given me a sense of hope. It has helped to show just how much we are missing out on from the stories I have heard from people who have experienced being there and the sense of community without restrictions and fear. We need to be free to live our lives and let us be the responsible folks that we are to protect those who are more vulnerable and take care of one another.	2/17/2022 8:57 PM
85645	Brought a sense of unity back to my life. Pride once again for this great country. The world is watching and taking part. I am very proud that canada is leading this movement. It's not just a truck convoy, it's a movement to end all mandates and to be free as we once were. We are not free citizens living in Canada right now!!!	2/17/2022 8:57 PM
85646	Given me hope	2/17/2022 8:57 PM

85651	Proud, a sense that we will get our freedoms back.	2/17/2022 8:56 PM
85652	The Freedom Convoy brings me hope for this country. I'm Canadian, born in Ontario, love this country and for the time, I am having to reflect on permanately leaving my country. I am fully vaccinated, but do not support the mandates, do not support booster and most definitely do not support the vaccine passport.	2/17/2022 8:55 PM

85654	Amazing. I went with a friend 10 of Feb for 2 nights. She disables. we parked 1.5 blocks from the Hill. No problem. first we went to Base Camp - great place (many people from Quebec, everywhere (with their lockdowns - no doubt. I came home and then Trudeau announced EAct. I was in bed 2 days - f...d me up. What is going on. I am writing letters and calling MP and helping in every way I can. 85666	Given me hope in humanity again. Makes me not feel alone. I have watched personal videos from Ottawa and it gives hope. They are not a fringe minority. They are the majority. Why. 85686	It's given me a sense of hope and a feeling that so many others whether vaccinated or not are not in agreement with how the government has handled covid over two years and we all want freedom to choose how we manage the risk	2/17/2022 8:52 PM
85687	no	2/17/2022 8:52 PM
85688	If anything, it's been in a positive way. End all mandates and the state of emergency like other countries.	2/17/2022 8:52 PM

85692	Given me hope for canada again.. I've been embarrassed to be canadian ever since Trudeau took office now I feel patriotic again. Freedoms are the most important thing in a society....democracy is the only way but Trudeau doesn't live by these rules he is breaking the law	2/17/2022 8:52 PM
85693	Hope	2/17/2022 8:52 PM

85705	It has encouraged me and given me hope.	2/17/2022 8:50 PM
85706	It has reassured me that true patriots still exist. The truckers have stepped up to fight the extreme tyranny of the medical dictatorship when no one else would.	2/17/2022 8:50 PM
85707	Made me feel proud to be Canadian again for a brief time until I realized that Justin Castro Trudeau was NOT EVEN GOING TO TALK TO THEM!? And then he decides that people peacefully protesting for freedom of choice and bodily autonomy are terrorists to be squashed. Tell us how you really feel about us, Justin...	2/17/2022 8:50 PM
85708	It hasn't affected me directly. I agree that we as the public should have a choice for vacation or not. The people who choose not to vaccinate should not be subjected to different rules.	2/17/2022 8:50 PM

85716	It hasn't	2/17/2022 8:49 PM
85717	GAVE HOPE BACK & BROUGHT CANADIANS TOGETHER !!	2/17/2022 8:49 PM
85718	Yes, but in a positive way. It has made me proud to be Canadian and see our country more United then ever before in my lifetime.	2/17/2022 8:49 PM
85719	I donated to help with fuel costs being harassed quite a bit. A lot of nasty people out there	2/17/2022 8:49 PM
85720	It has given me hope that perhaps we do have democracy in our lives and that Canadians are loving, caring and strong. Well that was until the government turn into a dictatorship.	2/17/2022 8:49 PM
85721	It gave me hope that followers of Trudeau would understand what he and his government are really up to.	2/17/2022 8:49 PM
85722	Another good question. The trucking convoy is the first time in 2 years that I've had hope, especially this last year. It has brought me closer to God, it has stirred up the fire inside of me that I haven't felt in so long, it has shown me compassion, unity, and love like I've never experienced before. It has made me proud to be a Canadian again as we show the world what a peaceful protest looks like. Those men and women felt much of what most of Canada is feeling as well as citizens of countries around the entire world and they stepped up for the rights of Canadians in every province. They sparked a fire in the hearts of men and women all over the world and led the way for other convoys. They brought back hope where there was none, love at a time when it was needed most. They stood up, strong and proud, full of love, hope, and peace. They gave me back a reason to breathe when all I wanted to do was die. Read that again. They gave me life when I was too weak to live.	2/17/2022 8:48 PM
85723	It has given me hope! To see that there are others that value freedom to live life as we see fit not controlled under the stranglehold of this increasingly tyrannical government.	2/17/2022 8:48 PM
85724	Freedom Convoy lifted my heart. It reminded me not all people are hateful elitists. There are some loving people out there, after all.	2/17/2022 8:47 PM
85725	The truckers brought hope that things will change regarding these mandates. Cheers to them.	2/17/2022 8:47 PM
85726	It has given me a sense of purpose. Brought together a real unity and has made me feel proud to be Canadian.	2/17/2022 8:47 PM
85727	Showed how corrupt govt and media is	2/17/2022 8:47 PM
85728	Has given me hope there are people fighting for our freedoms	2/17/2022 8:47 PM
85729	I feel a renewed sense of patriotism and love of country and I appreciate this effort. I am very involved locally helping people who have lost their jobs and have no income or have been injured by the vaccine. The trucker convoy represents them!!	2/17/2022 8:47 PM
85730	Hope	2/17/2022 8:47 PM
85731	The convoy gave me hope that finally something might be done about the mandates and passports.	2/17/2022 8:47 PM
85732	it's brought hope and a voice for freedom from government overreach and tyrannical ineffective measures being imposed over the last 2 years!	2/17/2022 8:46 PM
85733	Gives us hope	2/17/2022 8:46 PM
85734	It has given me hope that we as Canadins can make a difference. It has promoted the world to stop and take notice	2/17/2022 8:45 PM
85735	Hope returned	2/17/2022 8:45 PM
85736	The trucking convoy has not affected my life in any way so far. I support them 100 percent	2/17/2022 8:45 PM
85737	It has given hope. Proved that the small fringe minority is actually the loud fear and hate inducing officials in Ottawa and provincial capitals. It has exposed completely the corruption and hate that is being deliberately spread to keep power. It has provided more normalcy in a few weeks than we have had in years.	2/17/2022 8:45 PM

Canadians vote on Canadian Mandate - February 2022

85772	Inspired hope that things may change, brought tears to our eyes that someone was actually standing up for our rights as Canadians, brought back feelings of being proud to be Canadian, was amazed to see people from all races, nationalities and vaccine status come together towards a common goal to fight for our freedom.	2/17/2022 8:41 PM
85773	Gave new hope	2/17/2022 8:41 PM
85774	Not the slightest, but it's certainly made for some wonderful juxtapositions comparing legacy media's coverage as opposed to hundreds of social media accounts. What's put forth by the legacy media as "news" is shameful. The comedy in the House of Commons has been stellar the past 2 weeks.	2/17/2022 8:41 PM

85798	it has brought me a sense of pride as those of us in western Canada have had no voice since Mr Trudeau decided there are two classes of citizens in this country! I have even reached the point wher after 47 years i no longer vote in federal elections because it makes no difference to anything anymore.Terrible to feel that way but most around me are of the same mind! Thank you Trudeau so i support the truckers taking a stand and that is what happens when a leader you had no part in electing calls you nothing but names and then hides!	2/17/2022 8:38 PM

85869	Freedom	2/17/2022 8:31 PM
85870	I'm applauding them! Finally someone stood up to nonsensical bullying of citizens. I am, like so many others, rooting for them. I've been following what they did so far, and frankly the MSM have done a remarkably bad job at reporting the truth. It's all good though, because in these days everyone and their dog has a phone with videocamera, so the truth is harder to hide. I'm grateful to the courageous men and women and kids who are standing up for everyone's right to choose what to inject in their bodies, to evaluate their risk factor like grown ups, as opposed to being treated like children who need to be told what's good for them and coerced to do it if they refuse. Also, spoiler alert: as a marketing person I'm all but too aware of the techniques that every industry, including the pharmaceutical, uses to push their products. The fact that governments have been their willing right arm is at best stupid and naive, at worst complicit and illegal. The fact that people from the working class see this, and the so-called elites (those who should be intellectually equipped to question the main narrative) have been so complacent is, to me, mind blowing. We needed truckers to stand up. I am, and always will be, incredibly grateful to all of them. They have showed courage, pride, steadfastness, moral integrity, sense of irony, and managed to not become violent when they had all the reason to be outraged. Truckers rule. And we're all rooting for them. THANK YOU, TRUCKERS. HOLD THE LINE. WE ARE BEHIND YOU.	2/17/2022 8:31 PM
85871	Inspired. Levity. Joy. Hope.	2/17/2022 8:31 PM

I hope and pray they are able to accomplish their goal of ending all mandates. I know it has been very peaceful there and it is unfortunate that the media has portrayed it differently.	2/17/2022 8:30 PM

85901	Hasn't really affected me other then I appreciate that there are other Canadians who are tired of the overarching authority of freedoms for choice for all Canadians.	2/17/2022 8:26 PM
85902	They gave me the first hope and joy I've experienced in years. I truly thought they were making a wholesome and positive statement and experience. I have seen more unity, more patriotism, more love, more kindness and more compassion happening in the last two weeks than I have in the last two years. That a bunch of guys who drive trucks were able to bring about this beauty in such a short time, compared to the last two years of a PM trying to divide us and pit us against one another speaks volumes. I just want to thank them so very much for those few weeks of hope and joy. Which the government is now crushing under their boot, along with truckers, their children and pets. I have no hope left, no trust that things will change. My eventual death will be on Justin Trudeau's head. I know I won't be the only one who is experiencing this, my heart goes out to all of you. And to the truckers -- a sincere thank you, a long salute to you peace loving, unifying bunch of folks. The trucker's were able to show us how Canadians act when they are unified in love and respect... and also were able to show the politicians have gone full, mask-off authoritarian CCP style dictator. The truckers showed me the Canada I grew up in. The Canada I wanted back. I even got brave enough to join a small rally in my hometown (a GIANT feat with agoraphobia) and I felt nothing but love, unity and I felt SAFE. Now I am afraid, of my own country, of my own government. I'd feel safer in the company of 1,000 truckers than I would one Liberal politician (this actually speaks volumes as I've sexually assaulted and fear and distrust most men in general). This government has used the "opportunity" of the pandemic to seize and implement controls that they otherwise would never have gotten. Nothing but love for all the brave men and women who started, supported and have continued to fight for all Canadian's freedoms. May God bless them and keep them safe.	2/17/2022 8:26 PM
85903	They are giving me hope that my life will go back to normal so I can see my grandchildren	2/17/2022 8:26 PM

85905	Made unheard people heard	2/17/2022 8:26 PM
85906	I didn't have any issues when the Windsor Convoy was present. It wasn't until the police have made it hard for me to get gas as I'm one of the local paper carriers by the Ambassador bridge but it's worth it when the convoy was their. Now since cops starting blocking it off and placing barriers has become even more inconvenient.	2/17/2022 8:26 PM
85907	It has provided us with the first voice we have had in two years.	2/17/2022 8:26 PM

85930	It definitely refreshed hope and brought people together. I got to enjoy some nights of dancing of the hill, giving me some sense of 'normalcy' that society is not currently offering to people in general and in particular to those who hold a certain status. It also further cemented the notion that our current govt is not for the people..it is not honest and it is not acting in good faith.	2/17/2022 8:23 PM

86002	The trucking convoy has given me hope. It fills my heart to see Canadians from all walks of life uniting. I applaud the efforts of the truckers to lift the mandates, and have only been affected positively. I am totally appalled at the narcissism of the Prime Minister of Canada's words and actions toward the truckers and those who support them. He is not the leader Canadians need and should resign or be removed from office. He has no respect for Canadians and does not represent us, nor doe0s he respect the Canadian Constitution.	2/17/2022 8:14 PM

86033	It has given me hope	2/17/2022 8:11 PM
86034	I cry when I watch the videos and hear the stories. (Not the ones on the TV news..lol). It has inspired me to stand up and speak out for my future, my children's future and for the others that have suffered at the hands of government and suffered with injuries from these vaccine. These are being ignored. For the first time in 2 years, I have hope.	2/17/2022 8:11 PM

86056	It has given me hope	2/17/2022 8:09 PM
86057	After 2 years of struggling, I finally felt a wave of relief. Like there was a renewed sense of hope! I cried watching all the videos and seeing all the support and finally feeling like it's not just me. I'm not a bad person. Many other people feel the same and are struggling. I can appreciate if some people in Ottawa are frustrated that live there and just want their comfortable lives back but What about those of us who have been barely surviving for 2 years now?!? Please consider this. Truckers are not asking for money. Their asking to STOP discriminating and let people have get their lives back to normal. The definition of insanity is repeating the same thing over and over again and expecting a different result! The opposite is true of the saying when it's not broke don't fix it but believe me it is very broken, most certainly broken!!! BRING BACK HUMANITY!!!!	2/17/2022 8:09 PM
86058	Not at all they are fighting for every Canadian and sparked a world wide awakening too wrong doing and corruption	2/17/2022 8:09 PM

86097	Gave me and my family hope, and united Canadians.	2/17/2022 8:05 PM
86098	No change. I'm in Windsor. I didn't really notice much happening. I watched some yt streams of the blockade for a bit. I think It's amazing that people worldwide joined into it. They deserve to be heard.	2/17/2022 8:05 PM
86099	Renewed my faith in humanity.	2/17/2022 8:05 PM
86100	I have felt so much pride. I no longer feel alone. I have hope that my basic rights might be restored.	2/17/2022 8:04 PM
86101	It has give me hope for the future of my children and country. The trucker convoy removed some restrictions on my province. I can now watch my children play hockey and they no longer have to wear masks. These mandates have no scientific evidence they did anything to prevent to transmission or hospitalization of people infected with Covid-19. But the increase of mental health and childhood health concerns such as suicide, drug overdoses, domestic violence has increased drastically. That is data that needs to be taken into consideration.	2/17/2022 8:04 PM
86102	Positively, finally proud of my country for standing up for our charter of rights and freedoms. They have shown me without a shadow of a doubt how corrupt Or government and media is which is truly heart breaking as I love this county and it's people.	2/17/2022 8:04 PM

86110	It has not. Just provided hope.	2/17/2022 8:04 PM
86111	giving hope and happiness that was missing for 2 years	2/17/2022 8:03 PM
86112	The Trucking Convoy gave me faith that we can restore back our rights and freedoms as Canadian citizens. They have been nothing but peaceful, loving people who united Canadians country wide. Thank you Truckers, love you guys!	2/17/2022 8:03 PM
86113	I feel hope for the first time in almost two years.	2/17/2022 8:03 PM
86114	I live in Ottawa and only see delightful people. Meanwhile the Media continues to demonize them.	2/17/2022 8:03 PM
86115	Give me hope	2/17/2022 8:03 PM
86116	It has given me hope!!!! It has shown me that I am not alone in how I feel. The way that it has united the country and has shown what our government is doing. So even people that don't agree with the convoy are being woke to how their government has lost control	2/17/2022 8:03 PM
86117	It has given my family and I and everyone we still know hope and togetherness. The Convoy has even brought new friends into our lives. The Convoy must continue until freedom of choice is restored.	2/17/2022 8:03 PM
86118	Hope. Pride in being Canadian again. Exposure of our failed governments at all levels.	2/17/2022 8:03 PM
86119	It's giving me some hope and let's me know I'm not alone. I am also from South America and hate the division being caused by the government.	2/17/2022 8:03 PM

86120	They have given me hope	2/17/2022 8:03 PM
86121	It has brought me hope personally, makes me proud how great my fellow Canadians are as we pull together	2/17/2022 8:03 PM
86122	Has brought hope	2/17/2022 8:03 PM
86123	Given me hope. I thought there was only a small handful of people who felt the same way. I was disappointed in people - disappointed with my country. The convoy changed everything! I've never been so proud of my country. I cried tears of joy and relief watching them drive through Canada and watching the crowds of supporters. Joyfully, ugly-cried every day for a solid week!	2/17/2022 8:03 PM
86124	They gave me hope	2/17/2022 8:02 PM
86125	It has given me hope for humanity	2/17/2022 8:02 PM

86134	It gave us hope	2/17/2022 8:02 PM
86135	First thing that gave me hope in two years.	2/17/2022 8:02 PM
86136	They've brought faith and hope back. We've managed to find people that we can be around without having to worry about being belittled or made to feel like we're less of a human because we choose to wait until more information was available. It has reunited Canadians and gave them a reason to stand for themself, when they didn't feel like they could. I've had so many tell me how this convoy saved their life because they was in a very bad place and there is absolutely no help for mental illness/problems in this province.	2/17/2022 8:02 PM
86137	Hope, Canadian Unity. Best thing that happened to this country.	2/17/2022 8:02 PM
86138	Given me hope, light at the end of a dead end.	2/17/2022 8:02 PM

86143	It's given me hope.	2/17/2022 8:01 PM
86144	I have a new hope. I have new friends. I have met people at local protests and gotten to know them well. I cry happy tears and do not think harmful thoughts anymore. My daughter may have a future afterall because of these men and women.	2/17/2022 8:01 PM
86145	Inspired hope	2/17/2022 8:01 PM

86153	They've given me hope that sanity will return.	2/17/2022 8:00 PM
86154	No	2/17/2022 8:00 PM
86155	Brought the only but if hope I've felt since the pandemic started!	2/17/2022 8:00 PM
86156	No	2/17/2022 7:59 PM
86157	It has bought me some hope and Canada can be a free country again.	2/17/2022 7:59 PM
86158	It has made me realize that I am not alone in thinking the way I do; some of what they represent I agree with as I want my life to return to a free society without threat of government overreach on our freedoms	2/17/2022 7:59 PM
86159	First time iv felt free since beginning of 2020	2/17/2022 7:59 PM
86160	I am a trucker for 12 years. Those people are disrupting our jobs	2/17/2022 7:58 PM
86161	It has given me hope.	2/17/2022 7:58 PM
86162	It has actually gave my family some hope, joy and happiness for the first time in a long time.	2/17/2022 7:58 PM
86163	Brought hope in a dark and desolate time in life. Nothing to look forward to except the possibility of the pressure from the convoy to remove mandates. Trudeau evoking an emergency act when he has had zero discussions or in person interactions with the group and painting them as terrorists without zero first hand exposure shows how big of a coward he really is. Seems like he has an alternative agenda.	2/17/2022 7:58 PM
86164	I feel attached to their motives!!! This has to be over!! That's thirany....of course food increase it's not only for the convoy ...THIS IS A POLITICAL STRATEGY TO ACUUSED THEM	2/17/2022 7:57 PM
86165	It hasn't affected me other then giving me hope	2/17/2022 7:57 PM
86166	I have enjoyed watching it from afar and commend them for keeping it a 100% peaceful protest	2/17/2022 7:57 PM
86167	Not	2/17/2022 7:57 PM
86168	They haven't affected it negatively. It's given me some hope finally	2/17/2022 7:57 PM
86169	It's gave me hope for a free Canada	2/17/2022 7:57 PM
86170	Have hope again that there are good people in this country	2/17/2022 7:56 PM
86171	It's gives me hope	2/17/2022 7:56 PM
86172	It has not affected me directly but for the citizens of Ottawa it needs to stop. The people living and working in Ottawa are basically being held hostage by these radical thinking people. They are entitled to their views and opinions but and a protest should have been enough. It seems like it is one big party for this group of people. If they wish to change the government then there are other ways to do it other than having a protest that has gone on far to long. These truckers and others need to move on. I would love to go to the towns and cities that they live in and do the same thing to them and see how they like it. If they would like a change of government then this is not the way to do it. I feel that they are opposed to any form of government and simply do not like to be told what to do. How can these people spend 3 weeks in Ottawa. Do they not have jobs or families that they need to be with?	2/17/2022 7:56 PM
86173	Provided a slight glimpse of hope, although we all knew this tyrannical government would do exactly as they have done with ea	2/17/2022 7:56 PM
86174	Validated and empowered: that freedom is a necessity worth fighting for!	2/17/2022 7:56 PM
86175	I have seen unity among Canadians, rather than the divisive statements of liberal/ndp mouth pieces.	2/17/2022 7:56 PM
86176	It has gave me hope	2/17/2022 7:55 PM
86177	It has given me hope for the future of this country! It has filled me with patriotism and love for all of my fellow Canadians!	2/17/2022 7:55 PM

Canadians vote on Canadian Mandate - February 2022

86178	It hasn't.	2/17/2022 7:55 PM
86179	Proud as I've been in years, hold the line heros	2/17/2022 7:55 PM
86180	Not at all. Other than to inspire confidence that my home still has a chance to be free and people still willing to stick their neck out for what is good and right and just in this world.	2/17/2022 7:55 PM
86181	It has given me hope in humanity and it brings me joy when I see people in community gathering for a common goal of individual freedom and unity.	2/17/2022 7:54 PM
86182	I am disabled and unable to protest the governments tyrannical regime. It's a kindness that the truckers are helping all Canadian citizens to get our freedoms reinstated	2/17/2022 7:54 PM
86183	Not at all , i support them all the way to the end of the line	2/17/2022 7:54 PM
86184	HOPE, JOY, PRIDE, STRENGTH and ENCOURAGEMENT! RESTORED MY FAITH IN MY FELLOW CANADIANS!	2/17/2022 7:54 PM
86185	Made me feel like there is hope!	2/17/2022 7:54 PM
86186	Given Canada Unity	2/17/2022 7:54 PM
86187	It gives me hope that people will actually stand up to the unjust actions of the government.	2/17/2022 7:54 PM
86188	Made me proud to be Canadian.	2/17/2022 7:53 PM
86189	Made a me have hope that not all is lost	2/17/2022 7:53 PM
86190	It has giving me hope if anything it's the best things that's happen since covid. I have hope we will be a free country again. Please help us	2/17/2022 7:52 PM
86191	Based on where I live. It hasn't.	2/17/2022 7:52 PM
86192	It has given me hope again. That I am not alone in this walk. That there are a multitude that feel the same way. Solidarity, peace, unity.	2/17/2022 7:52 PM
86193	The convoy has brought us hope. Pride in this country again, that we are not alone. It makes me sad that the nurses and doctors didn't stand up, but it took the truckers. The blue collar, hard working men and women who drive away from their families to feed and clothe the rest of us. I wish I lived closer so I could stand with them. My dad was a trucker, and now because of the mandates, my husband is back to trucking again. We have been involved in all mini convoys that are in and around our area!	2/17/2022 7:51 PM
86194	Lively	2/17/2022 7:51 PM
86195	It's brought slight hope but as a health care worker I'm not allowed an opinion	2/17/2022 7:51 PM
86196	It has helped form my thinking of the value of peaceful protest. It has motivated me to become more politically active. It has helped focus a more public and honest discussion and examination of the mandate issues. It has caused me to both be encouraged and to weep for joy in that CDNs might have a hope in changing the false narrative that has been forced on us. It has motivated me to wave a CDN flag at a 401 overpass and in the streets of Ottawa instead of passively watching Ontario and Canadian authorities compromise our rights and freedom of choice. It has exposed the vulgarity of the the PM and the loss of his moral authority to govern. It provides an unprecedented opportunity for CDNs to wake up, seek and hope for a more compassionate and righteous Canada where conscience and freedom of choice are celebrated not disparaged.	2/17/2022 7:50 PM
86197	They are a beacon of hope to restore our Freedoms. They are an inspiration to stand up for what is right in a peaceful way.	2/17/2022 7:50 PM
86198	First thing to give me inspiration and hope in almost two years.	2/17/2022 7:50 PM
86199	It was nice to see someone speak up.	2/17/2022 7:50 PM
86200	They have brought hope for freedom!	2/17/2022 7:50 PM
86201	I think it is encouraging to see how many people are awake to at least part of what is going on. I think many people who are watching video streaming of the protest and then see how the legacy media is portraying it are realizing that they have likely been lied to for years!!! That's hopeful! This is round 4. All other rounds (smallpox, Spanish flu, HIV/AIDS) ended by protest.	2/17/2022 7:49 PM

Canadians vote on Canadian Mandate - February 2022

I'm hopeful that this round will too. However, the Rothschild/Rockefeller Foundation has been planning this for 100 years. We may be at the beginning of the end times. I do think the supply chain aspect plays handily into the hands of the globalists. Ultimately, God is in control. We know that there will come a time when we will not be able to buy, sell, or trade without the mark of the Beast in the right hand or on the forehead. So, I guess we'll see if it's coming now or later.

86202	Given us all hope again that Canadians can come together and maybe the government would repent of their actions and act of the behalf of citizens to do what is right for this nation and restore personal freedoms under the Charter	2/17/2022 7:49 PM
86203	It has given me hope for the first time in two years.	2/17/2022 7:49 PM
86204	Not at all. Support them 100%	2/17/2022 7:49 PM
86205	It hasn't.	2/17/2022 7:48 PM
86206	The media is an enemy of truth	2/17/2022 7:48 PM
86207	It's brought us hope and brightened our spirit in feeling proud to be a Canadian again! We are 100% in support of these amazing people who are standing for all Canadians who can't be there!!	2/17/2022 7:48 PM
86208	.	2/17/2022 7:48 PM
86209	It has gave me hope of a better tomorrow. And hopefully drop these mandates.	2/17/2022 7:48 PM
86210	None	2/17/2022 7:48 PM
86211	It has brought Canadians back together as it should be. Not divided	2/17/2022 7:48 PM
86212	It has given me hope that there are others who have finally had enough and aren't afraid to yell it. I feel like canada is finally united in something. Ive never felt canada to be a very patriotic country...we've been a waateland of lazy, compliant and comfortable netflix bingewatching couch potatoes for a really long time now. It's comforting tonsee what seemes like a spineless nation with Stockholm syndrome finally crack.	2/17/2022 7:47 PM
86213	Inspiring	2/17/2022 7:47 PM
86214	Given me hope	2/17/2022 7:47 PM
86215	Gave me some hope to getting back to normalcy and now I know we are not alone and that there's still a lot of love out there.	2/17/2022 7:47 PM
86216	It's given me hope.	2/17/2022 7:47 PM
86217	It's made me and everyone I know happy and freedom is on the way	2/17/2022 7:47 PM
86218	It has given me hope that finally the voice of the people will be heard	2/17/2022 7:47 PM
86219	I felt much joy interacting with this energy	2/17/2022 7:46 PM
86220	Hope	2/17/2022 7:46 PM
86221	It has given me so much hope! I fully support their peaceful protest that has United Canadians unlike anything I've ever seen before.	2/17/2022 7:46 PM
86222	Given me hope.	2/17/2022 7:46 PM
86223	Hope to an end of all the lies and getting back to normal life	2/17/2022 7:45 PM
86224	It has given me a renewed reminder of how loving and strong Canadian's are. God bless our TRUCKERS	2/17/2022 7:45 PM
86225	Gave me hope in Canada	2/17/2022 7:45 PM
86226	It is the one bright thing in the world.	2/17/2022 7:45 PM
86227	Non at all however I believe in the freedom of choice therefore I support the freedom convoy	2/17/2022 7:45 PM
86228	Positively, as it shows the working and middle class have had to sacrifice while the Elites lie and cheat and chase power. It shows I have something in common w/ my neighbor to the north.	2/17/2022 7:45 PM

86233	It gives me hope.	2/17/2022 7:44 PM
86234	The truck convoy has affected my life in nothing but positive ways giving me hope for this country and all countries participating. I have met the most kind hearted loving people due to the truck convoy. I 100% agree and stand by every single one of them. They bring in our life for us.	2/17/2022 7:44 PM
86235	Hope and pride - 1st time in 2 years	2/17/2022 7:44 PM
86236	Has brought a voice to the issue....policitions have set in silence	2/17/2022 7:43 PM
86237	Shaking things up in parliament has for me been the biggest outcome of the convoy.	2/17/2022 7:43 PM
86238	It hasn't.	2/17/2022 7:43 PM
86239	Renewed spirits. Gave me hope. Faith in the common people and how our government is supposed to serve us, not rule us.	2/17/2022 7:42 PM
86240	It has given me hope I haven't had in two years. Hope that with the peaceful demonstrations we could get the point across that these mandates are hurting our whole nation more than they are helping. Study after study continue to prove that the mandates did more harm than good. It has proven that we are still one great nation when we come together we can do so much good.	2/17/2022 7:42 PM
86241	Reduced the goods and services crossing the Ambassador Bridge, but is necessary to make the point.	2/17/2022 7:42 PM
86242	gave me hope that mandates will end	2/17/2022 7:42 PM
86243	Hope	2/17/2022 7:42 PM
86244	It's has given me hope that this country can be saved and become a dictatorship.	2/17/2022 7:42 PM
86245	I was proud that Canadians stood upfor our freedom - I went to Ottawa on the first Saturday of the protest. Everone was on eaceful despite the media reports.	2/17/2022 7:42 PM
86246	The trucking convoy has encouraged me to see that there are Canadians who are willing to stand up for what is right and good, and who desire to see a better future for our children. It's not just the truckers, but the hundreds of thousands of people who are supporting what they are doing. It lets me believe that maybe there is some hope for our country even yet. Maybe some people don't like the boarders blocked, or the streets of Ottawa filled with truckers honking horns and trying to get through to our government, but communism is much worse than some noise and convoys! I thank God for the truckers, and for the boldness they are stirring up in the people of Canada and around the world to say "no" to tyranny!!!	2/17/2022 7:41 PM
86247	Gives hope, sense of not being alone and focus for creation of a better world than Agenda 21 and the WEF Great Reset.	2/17/2022 7:41 PM
86248	Brought hope for the first time. United the country. Happy many others are awake to the government lies.	2/17/2022 7:41 PM
86249	To the extent it has distracted governments from the jobs at hand.	2/17/2022 7:41 PM
86250	They gave me hope and happiness	2/17/2022 7:41 PM
86251	It has restored hope that the tranny will end	2/17/2022 7:41 PM
86252	Gave me hope and brought life back into me. They also provided the other side, the hidden science.	2/17/2022 7:41 PM

86259	It gives me hope	2/17/2022 7:39 PM
86260	It gave me a sense of freedom that I had lost ...it lifted me out and away from the oppression and fear state that had dominated the air ways for 2 yrs . Its an awakening of the spirit in humanity . The truckers sparked a revolution all over the world .	2/17/2022 7:39 PM

86266	It has given me hope, joy, and making me so damn proud to be Canadian! The show of love by everyone is so healing. Someone is standing up to tyranny for me! I support and cheer them on all the way!	2/17/2022 7:38 PM
86267	It showed me the government true colors.	2/17/2022 7:38 PM
86268	Gave me hope	2/17/2022 7:38 PM
86269	Given me hope that Canada might survive	2/17/2022 7:38 PM
86270	it has given me hope and a new found pride in my canadian heritage that i havent had before. i have learned so much about my constitutuinal rights and about my government. I will never take for granted my freedoms or the power of my vote again. Thankful for all those who stood up for what brought my parents to Canada.	2/17/2022 7:37 PM
86271	No	2/17/2022 7:37 PM
86272	I believe it has made the Premiers and public health officials take a closer look at the mandates. We have them to thank for the restrictions coming to, hopefully, an end.	2/17/2022 7:37 PM

86278	It's given me hope and strength in the dark times that we've faced at the hands of our government.	2/17/2022 7:36 PM
86279	It hasnt	2/17/2022 7:36 PM
86280	It has given me hope for the future.	2/17/2022 7:35 PM
86281	I am disappointed at the government's response to the convoy, the fact he hid for a week, then made acquisitions that have been proven false, treating Canadians as they have is uncanadian. Knowing the liberal government supported BLM protests and donated to that organization, is very hypocritical.	2/17/2022 7:35 PM
86282	It is the greatest thing to ever happen. It has given me hope. I was part of the convoy that arrived in Ottawa on Jan 29.	2/17/2022 7:35 PM

86304	They are the only thing giving me hope is the freedom convoy and the loss of face the PM is now showing. It is showing the world how corrupt the governing regime is and how close we are to living in a non democratic society.	2/17/2022 7:31 PM
86305	It gives me hope that the mandates might end	2/17/2022 7:31 PM

86316	Gave me hope that other people from other provinces and my own feel the same way as i do. Moved me to see so much peace and loving Canadians together under the same banner to give us back our freedoms that the government took away from us because of a virus that as 99% survival rate.	2/17/2022 7:30 PM

86317	I'm part of them and a proud Canadian in BC	2/17/2022 7:30 PM
86318	Brought me hope that we may get our freedoms back and our country	2/17/2022 7:30 PM
86319	I support their right to gather, speak and have an opinion. Trudeau should have met with them at the beginning. And tell the whole truth about why this pandemic occurred and if it is indeed as serious as they say. (I know it is real...)	2/17/2022 7:29 PM
86320	I feel like they've given us hope for change, but it's creating anxiety and stress when I see friends and co workers bash what the truckers are doing.	2/17/2022 7:29 PM
86321	Living in fear of what the government of Canada has done to people of our country, stripping us of our freedom and rights to choose what is right for ourselves and our children. The Freedom Convoy has returned hope and love to Canadians	2/17/2022 7:29 PM
86322	Given me hope	2/17/2022 7:29 PM

86325	Positively, for the first time in a long time I am proud of the people of Canada for standing up against tyrants.	2/17/2022 7:28 PM
86326	It has given me hope that life will have normalcy again. Joy when I see videos of the children with their parents playing games, using the bouncy castle giving flowers to police reminded me how important our national anthem and The Lord's Prayer is. Given me a reason to believe their are still good honest people who believe in liberty for Canadians encouraged that I am not alone in believing mandates aren't working.	2/17/2022 7:28 PM
86327	It's given me hope that there are freedom fighters.	2/17/2022 7:28 PM
86328	It has made me ashamed to be Canadian. A 'protest' which harrasses citizens, deface memorials, and flies nazi flags should not be supported.	2/17/2022 7:28 PM
86329	not at all other than higher prices nationwide	2/17/2022 7:28 PM

86333	Not at all. I hope they are able to keep going. Their point and reason for protesting is very important. Trudeau has shown he is not a leader.	2/17/2022 7:28 PM
86334	Positively	2/17/2022 7:27 PM
86335	It has given me hope.	2/17/2022 7:27 PM

86337	Not at all they are amazing	2/17/2022 7:27 PM
86338	It doesn't effect my life, these great people are standing for our rights and freedom which Trudeau has TAKEN FROM US	2/17/2022 7:26 PM
86339	The trucking convoy gave me hope again. It made me realize there were a lot of people thinking these mandates didn't make sense.	2/17/2022 7:26 PM
86340	Hope	2/17/2022 7:26 PM
86341	It has definitely given us hope. We pray for them as they're trying to help our country get our freedoms back. They are sharing love & peace with each other regardless of race or colour of skin. . Hopefully, people will learn to treat our fellow man as we want to be treated.	2/17/2022 7:26 PM
86342	Not really. I've been downtown and walked around. Never felt in danger. As a young lad growing up I lived through the Quebec FLQ crisis. This doesn't measure up at all. We have witnessed an overreach on behalf of the government.	2/17/2022 7:26 PM
86343	It has given me hope	2/17/2022 7:26 PM

86348	Given me hope for Canada.	2/17/2022 7:25 PM
86349	Not at all	2/17/2022 7:24 PM
86350	Absolutely positive! As our authoritarian and fascist government cower, just as the global class of "elites" always do when the people they purport to serve expose their hypocrisy and disgusting nature, by organizing together, the Truckers have made all Canadians I know proud of our country!! Before the convoy, that has sparked the masses around the world to rally against the elites and their pathetic great hoax, and great reset, I had never been more ashamed of this country, and the embarrassing politicians in our Parliament. Thank you to the Convoy for beginning this fight. My wife and I, as well as ALL those within my social and work circles, will NEVER comply with tyrannical government and their skills!	2/17/2022 7:24 PM
86351	They're fighting to end this and exposed Trudeau for the treasonous bastard he is.	2/17/2022 7:24 PM

86354	Gave my hope to have a free Canada again	2/17/2022 7:24 PM
86355	It gives me hope	2/17/2022 7:24 PM
86356	They brought hope & a peaceful means for Canadians to restore their rights & freedoms again - - the basic ones in our Constitution and Charter of Rights & Freedoms that the government has taken away from many of us, under the guise of Covid. The truckers' freedom convoy have left their homes & families and have come together in Ottawa for all of us. They have brought peace, love, unity, collaboration, freedom, hope -- what we all need now & moving forward, in order to heal from the trauma of the past few years and to re-build our society.	2/17/2022 7:24 PM
86357	I've learned that my Prime Minister is really not that interested in being effective leader. It scares me to think if this is how clumsily and inappropriately he handles those whom he is accountable to, how ghastly he must conduct himself towards those he is not.	2/17/2022 7:24 PM
86358	They have brought hope. ♥ Hope for freedom. Hope for a future.	2/17/2022 7:24 PM
86359	Finally given us hope and instigated the beginnings of the end of restrictions. Fully support them.	2/17/2022 7:24 PM
86360	Gives me hope . Government should follow the science at this point there is No difference between. Vax and Non vaxxed person .	2/17/2022 7:24 PM
86361	Not	2/17/2022 7:24 PM
86362	It has made me proud of my fellow Canadians, while ashamed of my Governments disdain and abuse. They have reminded that civil disobedience is a requirement when government no longer listens to its citizens.	2/17/2022 7:23 PM
86363	It hasn't affected my family or my life!	2/17/2022 7:23 PM

86377	Gave hope	2/17/2022 7:22 PM
86378	Makes me hopeful , grateful , and extremely proud of them	2/17/2022 7:22 PM
86379	Given hope that there are people asking questions who have the courage to speak out and exercise their legal right criticize government policies and ask for a hearing... deeply disturbed me at the level of hatred, antagonistic rhetoric and smearing companions from the media. I may not agree with all behaviours of the truckers or the aggressive or hateful speech and flag waving from a few bad actors (decidedly disagree), but the level of vitriol from our own government deeply distressed me. What happened to truth, active listening, space for disagreement and questioning, accountability, objective reporting... in other words to respectful democracy!	2/17/2022 7:22 PM
86380	These peaceful amazing selfless truckers have given me hope and faith that things are going to be ok. When we lose hope and faith we have nothing left.	2/17/2022 7:22 PM

86386	The trucker convoy has finally given me hope. Hope for my children's future and their generations to come. The current state of Canada is not a country I recognize or am proud of.	2/17/2022 7:21 PM
86387	Truckers make me proud to be Canadian! I have been at parliament Hill almost every day since their arrivals.	2/17/2022 7:21 PM
86388	Seemingly it has been effective in seeing provincial governments start to ease restrictions	2/17/2022 7:21 PM

86393	It has given me hope to see so many Canadians of every colour, religion, jobs, sexual orientation come together and stand against these mandates for everyone.	2/17/2022 7:21 PM
86394	It has given me hope and confidence that our rights and freedoms will be protected when this is all over and to prevent dictators like Trudeau to ever apply government overreach ever again.	2/17/2022 7:20 PM

86409	It has brought pride and love back to many of my friends and family and given hope.	2/17/2022 7:18 PM
86410	I've been unaffected. I'm glad they did this. Trudeau has an agenda for there so called reset, to make two class of people. The rich (trudeau and friends) and the working class. He's a dictator!	2/17/2022 7:18 PM
86411	Inspired hope that the middle class can fight the oligarchy, which has achieved historic levels of power over limiting every-day decisions Canadians are no longer able to make.	2/17/2022 7:18 PM
86412	Its given me hope that finally a group with enough power to make everyone stop and take notice, is standing up to have the mandates dropped. I feel a bit more hope for our future as canadians	2/17/2022 7:18 PM

86419	Positively. I am in full support of the convoy.	2/17/2022 7:17 PM
86420	They offered me free food, gloves and a hat to keep warm, sang songs, gave info to places to stay out of the -26 degree weather, provided some hope and laughter	2/17/2022 7:17 PM
86421	They protest for their freedom to work. I understand.	2/17/2022 7:17 PM

86423	Given me hope	2/17/2022 7:16 PM
86424	It hasn't	2/17/2022 7:16 PM
86425	Has not good for them that they were our to end mandates	2/17/2022 7:15 PM
86426	My mental health was in a very poor state until I heard about a group of people that wanted the mandates to end BASED ON THE VERY SAME SCIENCE I had been following closely with my Honours degree in Life Sciences that I was more than qualified to follow the technical data from the pfizer trials and many other published peer reviewed medical journal , I can honestly say the convoy gave me HOPE when I had hit rock bottom and have improved my wellbeing.	2/17/2022 7:15 PM
86427	Has given me hope and pride in Canada but shown how truely rotten our Prime Minister and politicians and PMO office is.	2/17/2022 7:15 PM

86432	it gave me a ray of hope	2/17/2022 7:14 PM
86433	It has given some hope that maybe some of the issues with mandates will be brought to light.	2/17/2022 7:14 PM
86434	Fortunately zero, however if they were local to me I would support them 100% to "wake" the govt up - they are woke but fast asleep F*ck Trudeau	2/17/2022 7:13 PM

86438	So happy	2/17/2022 7:12 PM
86439	Brought me back hope and happiness	2/17/2022 7:12 PM
86440	It has given me hope that the seemingly soulless people in government, health organizations, etc. will be made accountable for all the misery they have caused in deaths and serious injuries they are responsible for. All people want is to make choices for themselves and their families....Freedom!!!	2/17/2022 7:12 PM
86441	Bringing inspiration and much-needed hope	2/17/2022 7:12 PM
86442	zero affect	2/17/2022 7:12 PM
86443	The truckers are standing up for freedom leading me to become hopeful	2/17/2022 7:11 PM

86446	Gave me hope for democracy, supporting human rights.	2/17/2022 7:11 PM
86447	Traumatized by the prime ministers remarks vilifying anyone who wants to peacefully protest mandates that most of us have gone long with to try and get through this but which now no longer seem to follow the science or make sense. Very concerned about the totalitarian regime that is being normalized and welcomed by people to intellectually lazy to look beyond the media sound bites du jour.	2/17/2022 7:11 PM
86448	Gave me hope for this country. And has pushed me towards getting involved in politics on a local level.	2/17/2022 7:10 PM
86449	Hope, encouragement, revival	2/17/2022 7:10 PM

86452	I love it they are fighting for our constitutional rights	2/17/2022 7:10 PM
86453	Under the Canadian Constitution we the people of Canada have the right to ask our government to redress our concerns, take time to meet and talk and to come to a mutually agreeable solution to the problem . That step is part of and an important function of our democracy. This should have ben the first step. There was no attempt from our government to do that at any point during this situation. This is why, sadly, we are at this junction today. The convoy was asking for this, they were ignored so their continuing presence caused problems. That was not their original aim or objective when they arrived. I supported this government,	2/17/2022 7:09 PM

voted for them twice and I am very-very disappointed how the last two years and the current situation played out.

86454	Gave me hope again	2/17/2022 7:09 PM
86455	My life was affected only in positive ways. Walking the streets of Ottawa with fellow Canadians that have the courage to stand up for basic rights and speak out against totalitarian like government actions in a peaceful manner is at least empowering. Never met so many freedom loving Canadians expressing their feelings so peaceful and in unison.	2/17/2022 7:09 PM
86456	Encouraged me that people in our nation value freedom	2/17/2022 7:09 PM
86457	It has not	2/17/2022 7:09 PM
86458	We love it! We have never saw Canada so United and patriotic! This is the Canada we miss. For the first time since March of 2020, we feel hopeful again. I cry happy tears now, instead of being sad, depressed and scared of the future for my children.	2/17/2022 7:09 PM
86459	Given hope and joy but caused grief with our children who live in Ottawa to go to university. They said the honking was torturous, some people were aggressive towards them for wearing a mask, and they believed that the convoy supported the swastikas and confederation flags despite my telling them it wasn't so.	2/17/2022 7:09 PM
86460	They gave me hope again	2/17/2022 7:08 PM
86461	They have brought hope to Canadians and the whole world.	2/17/2022 7:08 PM
86462	Its given hope	2/17/2022 7:08 PM
86463	The convoy gave us hope and have us wanting a better future for our family and children rather than endless measures with no end in sight. it is obvious that our government has no exit strategy out of this crisis, while their measures continue to negatively impact families, deny healthcare by uneven and nonsensical hospital health measures, isolate our elders from their loved ones despite being highly vaccinated, etc.	2/17/2022 7:08 PM
86464	Stresses me out. Makes me question our democracy of law and order. I don't mind the protests but no one is above the law. We are not a nation of bullies and anarchy (I hope).	2/17/2022 7:08 PM
86465	Good	2/17/2022 7:07 PM
86466	It has brought Canadians together while the PMO continues to divide us. The Freedom Convoy brings hope for freedom from the vaccine mandates and passports and government controls.	2/17/2022 7:07 PM
86467	The convoy 2022 is giving me hope for better life in near future. Hope that I could have a freedom to travel, see my family and live culturally again. I might be able to go back to work, to do something that I love tremendously - helping people my fellow citizens, my neighbors.	2/17/2022 7:07 PM
86468	Hasn't	2/17/2022 7:07 PM
86469	Not at all.	2/17/2022 7:07 PM
86470	Hasn't really. It's their right to protest but Trudeau's handling of it is so wrong. He has completely divided a country.	2/17/2022 7:06 PM
86471	Gives hope for freedom, hope for the Canada of old	2/17/2022 7:06 PM
86472	I felt hope finally after 2 years of depression.	2/17/2022 7:06 PM
86473	lost there focus highjacked by other groups	2/17/2022 7:06 PM
86474	Has not affected and has brought many people together. Also shows how the main stream media reports lies and how the liberals and NDP Only cares about there own supporters.	2/17/2022 7:06 PM
86475	It's given me hope again. I was starting to lose faith in Canadians and I was terrified for my kids' futures.	2/17/2022 7:05 PM
86476	It has given me hope for the first time in a long time.	2/17/2022 7:05 PM
86477	They have given me hope that there are Canadians who still are able to think logically, act rationally and care about this country as a whole...	2/17/2022 7:05 PM
86478	Since I don't live in Ottawa, the convoy does not have any effect on my life. But, even if I lived	2/17/2022 7:05 PM

nearby the Parliament Hill, and I may not like the crowd, I believe I am willing to tolerate the honking or noises because those people are fighting for our freedom, for all of us, in the sever cold weather. My hat is off to them all

86479	Hope	2/17/2022 7:05 PM
86480	Support it...went with my two sons to support it....saw how Peaceful it was!	2/17/2022 7:05 PM

86482	-given hope that others also value the pursuit of personal freedoms	2/17/2022 7:05 PM
86483	It has brought optomism, I have had more good moments then before the convoy. It has further strained my relationship with my employer because we continue to disagree on this as well	2/17/2022 7:04 PM
86484	Given me hope.	2/17/2022 7:04 PM
86485	Gives me hope that their message is getting across.	2/17/2022 7:04 PM
86486	Given me a glimmer of hope	2/17/2022 7:04 PM
86487	Give me hope	2/17/2022 7:04 PM
86488	They have given me hope for a better future for my kids and grand kids	2/17/2022 7:04 PM
86489	The convoy has been comforting. It has shown me there are others who feel the same. It is about compassion, empathy and respecting each other.	2/17/2022 7:04 PM
86490	It has given us Hope and showed us Unity	2/17/2022 7:03 PM
86491	Has made me realize that I am not alone And proud again to be Canadian	2/17/2022 7:03 PM
86492	They have brought this country together!!! They MSM won't show the videos of how people from all walks of life, religions, ethnicity coming together as a country!!And they did with Love and peace!!!!	2/17/2022 7:02 PM
86493	It is the most encouraging thing to happen in this country in a long time.	2/17/2022 7:02 PM
86494	I am here and it's awesome. Finally feeling heard.	2/17/2022 7:01 PM
86495	Gave me hope for a better future	2/17/2022 7:01 PM
86496	It gave me hope that the we will finally get rid of the mandates once and for all	2/17/2022 7:01 PM
86497	Time will tell	2/17/2022 7:01 PM
86498	It has brought awareness to how much of the country is opposed to government overreach and nonsensical, illogical rules - often implemented after they were able to be effective	2/17/2022 7:00 PM
86499	The convoy has not affected me directly, other than giving me some hope for the future.	2/17/2022 7:00 PM
86500	Given me hope that I'm not the only one frustrated with this	2/17/2022 7:00 PM

86502	Didn't think it was physically possible, but I hate Trudeau even more!	2/17/2022 7:00 PM
86503	Gave hope.	2/17/2022 6:59 PM
86504	Brought hope	2/17/2022 6:59 PM
86505	It has brought pride in Canada again. So cool to see all the supporters of a peaceful & loving protest.	2/17/2022 6:59 PM
86506	I support them and if the gender all government continues to press the emergency act, I support a full strike by truckers and work to rule by all federally regulated industries	2/17/2022 6:59 PM
86507	It's given me hope that Canada isn't yet fully an authoritarian state where our PM rules by decree and isn't held to account for anything. It's illustrated how much media misleads people, when you have so many people documenting live from the ground, and compare that with the	2/17/2022 6:58 PM

claims being made after the fact, and just hoping that people won't look into it themselves and will just trust that the system knows best.

86508	The have made me proud to be Canadian again.	2/17/2022 6:58 PM
86509	It gave us hope that we still had a chance to live in a free society	2/17/2022 6:58 PM

86513	0	2/17/2022 6:57 PM
86514	It has brought us hope.	2/17/2022 6:57 PM
86515	They spread a light of hope around the world. Watched them daily for 3 weeks on live streams. I thought Canadians look like such nice people. Seeing them feed homeless, shovel snow, pick up litter, the warmth of people. It beats any protest I have seen in my country. They inspired people around the world. Felt they were talking for me too. Inspirational and brave people, who seemed to come from a place of love. Respect.	2/17/2022 6:57 PM
86516	It's been an amazing experience to watch patriotic Canadians supported by millions fighting to regain the freedoms that were stolen from us.	2/17/2022 6:57 PM
86517	Honk	2/17/2022 6:57 PM
86518	Nothing	2/17/2022 6:56 PM
86519	Positively, it gave me hope and belief that there were others like me who that that all this was non sense	2/17/2022 6:56 PM
86520	It has given me hope for change; it has made me believe in the power of love, made me feel less alone, and been an excellent example of what courage and bravery REALLY are...I am so grateful for their peaceful, caring and fortuitous spirit!!! It has also proven how corrupt main stream media and many of our government officials really are!	2/17/2022 6:56 PM
86521	Provided hope!	2/17/2022 6:56 PM
86522	It has inspired me. It has shown me that standing up against despotic Trudeau regime is possible.	2/17/2022 6:56 PM

86528	Made me feel hopeful again for the first time in a long time.	2/17/2022 6:55 PM
86529	I have seen people smile again. I don't feel so alone and afraid for the well being of myself or my family	2/17/2022 6:55 PM

86531	Gave me hope for Canada again. Proud to be Canadian again	2/17/2022 6:54 PM
86532	Not at all. But it is shocking how our society now is treating people who oppose our opinions!! Whether it is vaccines or climate change I cannot believe how the federal government encourages and promotes this divisive rhetoric.	2/17/2022 6:54 PM
86533	None	2/17/2022 6:54 PM

86536	It gave me hope that we can have our country and freedoms back	2/17/2022 6:53 PM
86537	From my perspective it was the most beautiful Canadian moment perhaps since the Terry Fox run. I witnessed the best of this country, beautiful people from every walk of life and profession, come together on bridges to cheer; come to Ottawa and feel the most positivity they have felt in any recent memory. I dare say I could feel the Holy Spirit at this protest. Our nation is getting it's final call to repentance, is what this feels like.	2/17/2022 6:53 PM
86538	I have been very encouraged by the courage of the truckers and the unity and solidarity that it has fostered among Canadians!	2/17/2022 6:53 PM
86539	Given me hope for change. Made me proud of everyone speaking up. Made me excited for the future.	2/17/2022 6:53 PM
86540	Gives me hope that the Prime minister would talk with them and see that he is wrong in continuing the mandates. Other countries are getting rid of all mandates and even our provinces are getting rid of them in the next couple weeks.	2/17/2022 6:52 PM
86541	Brought back hope	2/17/2022 6:52 PM
86542	Made me feel hopefull and positive like we may get our freedoms back	2/17/2022 6:52 PM

86544	Giving me hope.	2/17/2022 6:51 PM

86547	Giving hope	2/17/2022 6:51 PM
86548	Brought hope, laughter, connection, fun, and joy back.	2/17/2022 6:51 PM
86549	It has given me some fresh hope, courage, and faith; knowing that there are so many out there who see through the madness! I have seen through it pretty much from the beginning but I was afraid our country was lost, hurling down the slope of totalinarianism. I answered "Undecided" above because I don't support the vulgar signage, and I don't want to be insensitive toward those who live in Ottawa. However I find the talk about needing to allow the Ottawa citizens to "get back to normal" kinda funny. How about letting the rest of us get back to normal too? Huh? And about affecting businesses: good grief! Do politicians not realize how many businesses have been killed, or very nearly so, through the last two years of strangling them for no good reason at all? "Follow the money" makes a lot more sense than "follow the science." I am a quiet, working citizen. I have no political aspirations. I just want to be respected, left alone, and allowed to make my own medical decisions. If a govt can mandate a shot "for someone else's good" how long until they mandate that I give my life so they can have my liver or heart to transplant into somebody "more equal" than I? Just let me live and raise my children!	2/17/2022 6:51 PM
86550	It has brought me hope again. A feeling peace and unity and even the feeling that their might be an actual light coming	2/17/2022 6:51 PM

86555	It has given me and my children hope for the first time in two years.	2/17/2022 6:50 PM
86556	It's been a bright light in my life, a new hope that there are more of us out there and that mandates are unethical as I originally and have always thought. I love the trucker convoy and how it has brought me peace.	2/17/2022 6:50 PM
86557	It gave me hope for the first time in nearly two years that maybe life in Canada will get better.	2/17/2022 6:50 PM

86560	The convoy has given me hope. For a while I felt like there was no limit to how far the government could string our citizens along and abuse their basic rights and civil liberties. Now I see there is a point where quite a few people will stand up and say "enough"! I saw that Canadians do have a backbone and will stand up against petty tyrants. I also saw that there's no limit to the other side and lengths they will go to demonize, discredit and crush those who do not shut up and blindly follow their narrative. "Dr." David Fisman comes to mind. For someone so concerned about health, he hasn't offered one sliver of advice on actually taking care of ones health. He uses Twitter to further divide Canadians, inciting hate and discrimination, and demands lockdowns and vaccine passports. That's all he has to offer. It's clear to me he is either being compensated for his efforts in pushing the one acceptable narrative, or he truly despises Canada and would like to see it turned into some form of corporate/government autocracy. As I said, I've had very little hope in humanity at times lately. But the convoy has given me hope that the people will not just be led into totalitarianism and we will push back to try and protect basic rights and liberties.	2/17/2022 6:48 PM
86561	Given me hope	2/17/2022 6:48 PM

86563	The convoy gives me hope	2/17/2022 6:48 PM
86564	It's giving me hope	2/17/2022 6:47 PM
86565	I became more and more worried about my child wearing a mask for hours in school (they ask them to keep on outside too!), science all over the world is saying that we need to move on. I could not do anything, I kept calling the school begging them to let my child remove the mask during recess, I refuse to do the third shot after the side effects related to my heart that I got right after the second dose... the truckers made me believe that I'm not alone and crazy, that it's time for a change, I'm always and I'll always be pro choice. My body my choice!	2/17/2022 6:47 PM
86566	Inspired me	2/17/2022 6:47 PM

86569	It has brought hope back to me.	2/17/2022 6:46 PM
86570	It showed that there is hope for humanity and specifically for Canada. It showed that there ARE people who can think for themselves and not be affected by propaganda and lies. NONE can zombify ALL population.	2/17/2022 6:46 PM
86571	Hope	2/17/2022 6:46 PM
86572	given me hope for Canadians	2/17/2022 6:46 PM
86573	It has given me hope and pride in Canada again. Seeing the people there so happy, peaceful and loving has given me hope that our beautiful country is not lost to tyranny.	2/17/2022 6:46 PM
86574	has not	2/17/2022 6:45 PM
86575	Uuh	2/17/2022 6:45 PM
86576	It hasn't.	2/17/2022 6:45 PM
86577	Yes. Their protest wouldn't take that long if PM or government delegate are wiling to talk to them and de-escalate the situation, and now with the invoking of Canadian emergencies act, this isn't a good example of democracy. It makes Canada, a laughing stock of the world.	2/17/2022 6:45 PM
86578	inspiration but family division	2/17/2022 6:45 PM

response and the media portrayal of the convoy. Knowing people who have been there in person and witnessed it, It's clear we need an unbiased media to report all sides. I'm also shocked at PM Trudeau's failure to communicate, and his disdain for a not so fringe minority of people that he supposedly represents. He is spewing hate and is discriminating a significant portion of the population, and encouraging others to join in his segregation and discrimination tactics. Truly appalling!

86592	Plenty of amusement at the troubles it's caused for Trudeau's horrible govt.	2/17/2022 6:42 PM
86593	Is there a Canadian anywhere who would have thought that supporting peaceful civil disobedience would turn law abiding, tax paying citizens and their children into domestic terrorists just for voicing opposition to current government policies? The democratic Canada our parents and grandparents fought and died for no longer exists and as been replaced by legally elected woke fascism.	2/17/2022 6:42 PM

Canadians coming together has given me some semblance of normalcy.

86643	Gave hope	2/17/2022 6:30 PM
86644	Brought hope, end to madness, opened eyes to how corrupt gov't is. Possibility of communism.	2/17/2022 6:30 PM
86645	Gave me a glimpse of hope for change and a better future.	2/17/2022 6:30 PM
86646	Made me proud to be canadian, first time in 2 years	2/17/2022 6:29 PM
86647	It has been uplifting and it shows how corrupt Trudeau, Freeland and others are. It also shows how divisive and hateful they are to ordinary Canadians; they are unfit to lead this country.	2/17/2022 6:29 PM
86648	It has given me hope that Canadians are waking up to the erosion of our freedoms.	2/17/2022 6:29 PM
86649	Not at all. Lifted spirits, reignited love for Canadian people. Hope for a return to liberty, and freedom for all	2/17/2022 6:29 PM
86650	Only to be proud to be Canadian. So admire the resolve of all of the protesters for how they showed up thus far. There is a booster shot of Patriotism like I have never seen before in my 54 years. Go truckers!	2/17/2022 6:29 PM
86651	Did not. Gave me hope that someone cared.	2/17/2022 6:29 PM

86656	Great, they gave me hope and reunited me with friends and family. They spread love and unity that I felt profoundly.	2/17/2022 6:25 PM
86657	I am proud of them all, and would be tight beside them, if I could afford it. I have driven truck for 26 years. I feel it is bringing Canadians together, after the government forced a wedge with this Vax, anti-vax calling. Which is a lie, I am far from anti-vax. I have all my shots, jst dont want this one.	2/17/2022 6:25 PM

86675	DISRUPTIVE ,ANNOYING AND HARRASSING INNOCENT PEOPLE..THIS CONVOY IS JUST A NOT SO CLEVERLY DISGUISED ANTI GOVERNMENT ZEALOT PLATFORM.....	2/17/2022 6:21 PM
86676	It has given me hope. It has been the only good thing that I feel has happened in the last two years. It has exposed Trudeau for his power hungry and incompetent self and demonstrated to what lengths the government will go to crush dissent. It has made the snakes come out of the shadows which is both good and terrifying.	2/17/2022 6:20 PM
86677	The trucking convoy gives us hope! Canadians are strong enough to make a difference and courageous enough to stand up to this evil regime!	2/17/2022 6:20 PM
86678	It has not, far from where I am.	2/17/2022 6:20 PM

86681	Given us hope.	2/17/2022 6:20 PM
86682	I have been appalled that the lunacy we endured to the south for 4 years has been galvanized, or transferred, to our nation. I am sure that many of these perceived injustices have been brewing for a while, but when an unelected mob offers to form a coalition government with the opposition party, this is a clear threat to democracy that must be quashed. These leadership of this group should be prosecuted to the fullest extent of the law for the threat they posed to Canadian public health, the residents of Ottawa, and the economy of our country, and for allowing foreign interests to financially support the potential overthrow of our government. This should be treated as sedition.	2/17/2022 6:19 PM
86683	It's given me hope that there are selfless Canadians of backbone willing to stand up for our Charter Rights not to live under what has morphed in an Orwellian, medical totalitarian, digital dystopian surveillance state.	2/17/2022 6:19 PM
86684	Brought unity, hope and the feeling of not being alone in such a dark time.	2/17/2022 6:19 PM

86689	Love them	2/17/2022 6:18 PM
86690	I am so grateful that a group of people stood up to defend the Charter of Rights. I am very, very concerned about our democracy right now, especially with a weak and unqualified PM like Trudeau.	2/17/2022 6:18 PM

86694	It gives me hope ♥	2/17/2022 6:16 PM
86695	It has given me hope because someone is trying to stop all of this, but you have made so many people afraid to live their lives. SHAME on all of you. I am disgusted beyond belief.	2/17/2022 6:16 PM
86696	Given me hope Gave me a voice	2/17/2022 6:16 PM

where it was lacking in government. It has forced one of the major political parties to take seriously the valid concerns and criticisms of those who think the mandates have done more harm than good, and are scientifically flawed and unconstitutional. It has also pushed some Canadian premiers to do away with the mandates and get back to normal. This means I have hope that I can have a life without endless COVID nonsense and perhaps somewhere to call home for the time being. Also, it makes me proud to see Canadians affecting change by standing up for themselves as I had already lost faith anyone would. In time we will see how that affects relationships between supporters and people trying to turn them into terrorists. I foresee it being negatively. I donated a small amount and might be debanked. Who knows what else. It's important to point out that I am saying the CONVOY has affected my life POSITIVELY and the GOVERNMENT has affected my life VERY NEGATIVELY.

86701	Has given me hope	2/17/2022 6:15 PM

Canadians vote on Canadian Mandate - February 2022

86726	It has made me lose trust and confidence in our government to uphold Canadians rights. I am not supportive of illegal blockades but from before the protest started the prime minister and the media cast a narrative of division and dismissed all protesters based in the action of a few. These people are frustrated and deserved a chance for a peaceful protest to make their voice heard. I am appalled by the liberal and ndp and many media who ignore the underlying case of the convoy. Incredible government overreach. Canada is a liberal and law and order country. To see the complete erosion of our rights while politicians put all the blame on the protesters Is shameful. Yes some are misguided but the fundamental request to drop the cross boarder trucker vaccine mandate and vaccine passport are a non starter. They should not have been implemented in the first place. The fact that the liberals have allowed 3 weeks of protests while invoking the emergency act shows a complete lack of leadership and at worse shows that they are willing to sacrifice Canadians to save face after doubling down on bad policies.	2/17/2022 6:10 PM
86727	it's given me hope after years of despair	2/17/2022 6:09 PM
86728	It has united Canadians unlike Blackface Trudeau who has spent the last 7 years purposely dividing us. Trudeau is corrupt and should be in prison.	2/17/2022 6:09 PM
86729	Not	2/17/2022 6:09 PM
86730	The convoy provided a voice for regular Canadians to have a voice of protest against the way the Liberal government has handled the pandemic and divided Canadians.	2/17/2022 6:09 PM
86731	Given hope, brought us together, demonstrated there are true leaders with a deep affection for this country. This country will never be the same.	2/17/2022 6:09 PM
86732	A blessing.	2/17/2022 6:09 PM
86733	Given me hope and courage	2/17/2022 6:09 PM
86734	Brought a sense of hope and pride as a Canadian.	2/17/2022 6:09 PM
86735	By emotionally uplifting me and my family and giving us hope that these communist mandates will soon be history!	2/17/2022 6:09 PM
86736	It has provided a sense of hope.	2/17/2022 6:08 PM
86737	It hasn't	2/17/2022 6:08 PM

86739	It brought hope that I have not had in a while.	2/17/2022 6:08 PM
86740	gave hope that our country is now more inclusive and respectful of our fellow Canadians	2/17/2022 6:08 PM
86741	Given me some hope & positivity that we can move forward and return to a united country	2/17/2022 6:08 PM
86742	Given me hope for the future, re-ignited the Holy Spirit inside me	2/17/2022 6:08 PM
86743	Encouraged by the patriotism and bravery of the working class.	2/17/2022 6:08 PM
86744	Gives me hope for the future	2/17/2022 6:07 PM
86745	none	2/17/2022 6:07 PM
86746	The trucker convoy has provided me with hope. It has shown me that there are people out there who feel the way I do and are willing to speak out against these unlawful and immoral mandates. These individuals are brave and courageous, and care about freedom as I do. I have the utmost respect for my fellow Canadians protesting across the country. Additionally, the rhetoric used by media personnel, politicians and academics surrounding the convoy has highlighted the utter sustain that upper class people have for the working class. Truckers and farmers are heros one minute, and racists/ white supremacists the next. It just goes to show how angry they get when the "peasants" start speaking out against the injustices inflicted upon them through the guise of "public health". The white collars would much rather the working class just shut up and bring them their food. This situation has also revealed how authoritarian our government has become under Trudeau. Freezing peoples bank accounts for donating to a particular cause? Are we living in communist China or Canada? It's difficult to tell these days...	2/17/2022 6:07 PM

86786	Not at all.	2/17/2022 5:58 PM
86787	The trucking convoy gave me hope and reassurance that I wasn't alone with my concerns! I loved seeing Canadians from all walks of life and from coast to coast to coast unify under the banner of freedom for all and love for our fellow citizen, no matter what their vaccine status or the color of their skin or who they worship. We are Canadian and we value freedom	2/17/2022 5:58 PM
86788	Got our premier to start eliminating restrictions	2/17/2022 5:58 PM
86789	Gave me a glimmer of hope that we might be able to get out of all this crap..... caused so much stress in my life. My one neighbor couldn't take it and committed suicide!	2/17/2022 5:57 PM
86790	It has given me hope in Canadians. I have attended rallies, all peaceful, even with counter-rally participation. Attendance in large crowds, without physical distancing on many occasions has taught me to question the virus narrative, as I don't yet know a single person in the past two years, who has been diagnosed with Covid-19. However, I know at least 20 persons, who have had serious adverse effects after being vaccinated. I have also lost 4 elderly Covid vaccinated relatives, who have died. Keeping one's immune system healthy and unadulterated makes sense, rather than altering the immune system to a limited recognition of pathogens. Now, with the Emergency Measures Act, I see the government overreach as securing the loss of our Constitutional rights.	2/17/2022 5:57 PM

86804	Gave me hope.	2/17/2022 5:53 PM
86805	It has given me hope	2/17/2022 5:53 PM
86806	It has given me hope that some pressure is being put on the government to end mandates.	2/17/2022 5:53 PM
86807	No more mandate in my province	2/17/2022 5:52 PM
86808	It's brought me and my family hope. Seen the most beautiful parts of humanity and kindness.	2/17/2022 5:52 PM
86809	Only a minor inconvenience, but I feel badly for all those who live or work in the areas directly impacted	2/17/2022 5:51 PM

Canadians vote on Canadian Mandate - February 2022

86810	A modest but necessary inconvenience.	2/17/2022 5:51 PM
86811	Positively	2/17/2022 5:51 PM
86812	It hadn't I only have the utmost respect for them all!	2/17/2022 5:51 PM
86813	Gave me hope	2/17/2022 5:51 PM
86814	Gave me hope in Canada once again, that we won't just sit by and allow governments reign free with unlimited and unchallenged powers.	2/17/2022 5:50 PM
86815	It hasn't	2/17/2022 5:50 PM
86816	It has been the only thing in 2 years to give me back some semblance of hope for the future of Canada. It's been the most beautiful display of love and unity I've ever witnessed between the people of this country, and I will never forgive the government or corporate media for the lies that they have engaged in order to destroy it.	2/17/2022 5:50 PM
86817	Not applicable	2/17/2022 5:49 PM
86818	Made it better	2/17/2022 5:49 PM
86819	Some traffic congestion. And a bit of noise.	2/17/2022 5:48 PM
86820	It shows me that "We The People" will always be heard, even when no one is (actively) listening.	2/17/2022 5:48 PM
86821	Gave me hope for return to norm	2/17/2022 5:48 PM
86822	Gives me hope, brings unity to Canadians and the world citizens for freedom, shows the corrupt Liberal Gov't and how out of touch they are with Canadians. Trudeau's Dictatorship and Communist leadership by not removing Mandates after 2 yrs resulted in the Truckers Convoy that gave millions a reason to unite for common values and get our constitutional rights and freedoms back. Trudeau's idiotology agenda is to punish unvaxed Truckers and citizens to become jobless, no traveling, unwelcome in businesses without vax passports & much more. Vaxed and unvaxed Truckers Convoy gives Everyone love and hope. The Truckers have been kind, peaceful, sometimes loud but always within reasonable hours in respect to Ottawa citizens. Justin Trudeau and the media demonize, outright lie & spin false narratives and propaganda. Throughout Canada, internet providers purposely had outages daily. I used up most of my phone data because I had no internet. The Truckers Convoy has effected my life, because without them there would be no international coverage on awareness of Crimes of Humanity and our democracy, brought on by the Gov't of Canada... Truckers are the major part of getting our freedom back.	2/17/2022 5:48 PM
86823	Gave me hope people want to get back to normal life	2/17/2022 5:48 PM
86824	Seeing the government shamelessly attack peaceful protestors is disgusting. I am ready to see this government overthrown. It is immoral and has no place in Canada.	2/17/2022 5:48 PM
86825	Patriotism is at an all time high, and spirits are lifted that many Canadians are fighting against Trudeau's tyranny.	2/17/2022 5:47 PM
86826	It gives me hope that our human rights could be restored peacefully.	2/17/2022 5:47 PM
86827	Given me hope — felt suicidal BEFORE the Freedom Convoy	2/17/2022 5:47 PM
86828	Gave hope	2/17/2022 5:47 PM
86829	Hope	2/17/2022 5:47 PM
86830	It's made me proud to be Canadian again. I was worried we'd lost our back bone.	2/17/2022 5:47 PM
86831	It did not other than gave me hope.	2/17/2022 5:47 PM
86832	Positively, love the peaceful protest, they are very respectful and are simply and respectfully standing up for our God-Given rights and freedoms to which No other person, regardless of station has the right to infringe upon. The government is only fooling themselves with their attempts to slander, discredit and control the people... we see them, we are not blinded by their media minions nor their political rhetoric	2/17/2022 5:47 PM
86833	As above it has given me hope that my country may turn around for the better. Just maybe we can be proud Canadians again	2/17/2022 5:47 PM

Canadians vote on Canadian Mandate - February 2022

86834	A strong reminder of the importance of free speech, and the evil of authoritarianism	2/17/2022 5:46 PM
86835	It has given me an incredible hope that life will return to normal again. The strain of constant restrictions is soul crushing. The truckers have brought people of all kinds join together and it's a beautiful thing. As a country should be. They have also brought to my attention just how corrupt mainstream media is, and the clearly authoritarian objectives of the Liberal and NDP cabinets and leaders. I feel like they are my last hope to live a free life.	2/17/2022 5:45 PM
86836	It's amazing to see so many people coming together to fight for our rights	2/17/2022 5:45 PM
86837	given me a glimmer of hope	2/17/2022 5:45 PM
86838	Provides some hope, because all our governments are corrupt, evil and hopeless.	2/17/2022 5:45 PM
86839	Given hope that all is not lost in Canada. That smiles and friendly Canadians do still exist after almost 2 years of being apart.	2/17/2022 5:45 PM
86840	Has further exposed government corruption and deceit.	2/17/2022 5:45 PM
86841	Given me a sense of hope in the midst of an administration that has been determined to destroy it	2/17/2022 5:44 PM
86842	Positively	2/17/2022 5:44 PM
86843	They have inspired the world to fight against their oppressive governments.	2/17/2022 5:44 PM
86844	They've given me hope, they've made me proud to be Canadian again.	2/17/2022 5:43 PM
86845	It has been the most positive display of fighting for civil liberties that I have seen	2/17/2022 5:43 PM
86846	Made me believe again in Canadians	2/17/2022 5:43 PM
86847	Give minor hope	2/17/2022 5:43 PM
86848	Limiting supplies and rising prices	2/17/2022 5:43 PM
86849	.	2/17/2022 5:43 PM
86850	It has brought nothing but hope to my life. After feeling so defeated for the past 2 years, seeing the unity, being a part of that, the love, the kindness, it's been inspiring.	2/17/2022 5:42 PM
86851	Gave me some hope for a brighter future	2/17/2022 5:42 PM
86852	This convoy was a breath of fresh air in a suffocating, oppressive country. Even if it ends, they have made me so proud to be Canadian. They have brought Canadians from all provinces, backgrounds, races together under the banner of Canada. I feel united to all the people who showed up in Ottawa. The convoy showed me that I am not alone in how i feel about these mandates. i will not forget these truckers. They are brave and have a backbone. Thank you. I will not forget.	2/17/2022 5:42 PM
86853	Hope	2/17/2022 5:42 PM
86854	Gives me hope	2/17/2022 5:42 PM
86855	Joy	2/17/2022 5:42 PM
86856	They are helping Canadians regain their stolen rights and freedoms.	2/17/2022 5:42 PM
86857	They have liberated it by enabling me to do what I needed to do. People forget we do not just listen with our ears but with our eyes as we read peoples faces, sound is only part of communication not all of it.	2/17/2022 5:42 PM
86858	Hope for freedom	2/17/2022 5:41 PM
86859	Not at all. Nuremburg 2.0 when?	2/17/2022 5:41 PM

86861	Gave me hope.	2/17/2022 5:41 PM
86862	It hasn't. It's made it better. Trucastro is the one ruining lives	2/17/2022 5:40 PM
86863	Not alone	2/17/2022 5:40 PM

86864	I love them and the message they bring love peace and unity I never believe what mainstream media portrays on tv or radio they lie to Canadians	2/17/2022 5:40 PM
86865	It made us proud for their time, their love, their views about our marvellous country. Without these brave and resilient folks we would continue to slide into a totalitarian dictatorship and/or communist like country. Our democratic joie de vie would be dead. And I would fear for my life on the streets, the quality of our life diminished and our bank systems destroyed. War would be on our doorstep. Hurray for the truckers. We love their humility and peaceful presence in our city.	2/17/2022 5:40 PM
86866	Have to listen to dumbfucks honk their horns every saturday	2/17/2022 5:39 PM
86867	Greatly	2/17/2022 5:39 PM

86873	Generated positive vibes	2/17/2022 5:38 PM
86874	It gave me hope that things could turn around. To have a dialogue with the PM and come to an agreement. But the PM won't speak with his own people. Why??	2/17/2022 5:38 PM
86875	Gave me hope	2/17/2022 5:38 PM
86876	It has given me hope for Canada.	2/17/2022 5:38 PM
86877	brought a ray of sunshine in this dismal time	2/17/2022 5:38 PM
86878	They are speaking for those who can't be in Ottawa. Hasn't personally effected my daily living	2/17/2022 5:38 PM
86879	Not at all	2/17/2022 5:38 PM
86880	It reminds me of our own revolution. We proudly wave the American flag because we as Americans had to fight for our freedom over the crown. The truckers convoy are fighting for their freedom and all other Canadians. God Bless your brave and patriotic truckers!	2/17/2022 5:38 PM
86881	Has helped millions of Canadians realize they weren't alone in their thoughts on covid_con.	2/17/2022 5:37 PM

86892	Positively, I am finally proud of Canadians for taking action at gross government overreach.	2/17/2022 5:36 PM
86893	HOPE	2/17/2022 5:36 PM
86894	It's given me hope that we can return to rational existence.	2/17/2022 5:36 PM

86901	It gives me hope and feel like I am not alone. It make s me proud to be a Canadian.	2/17/2022 5:35 PM
86902	The trucking convoy has not affected my life.	2/17/2022 5:34 PM
86903	I can't afford to buy food as it is and they're holding up the trucks so the food that I can get is way too expensive now \$140 a month for food is not a lot and thanks for these truckers the prices are going up so one bag of groceries cost me \$95 it's wrong they should be arrested and the trucks impounded if they were aboriginal or black suit I've been beaten and put in jail and their vehicles impounded just because they're white doesn't make any difference the police need to do their damn job treat them like they would any black or aboriginal person	2/17/2022 5:34 PM
86904	Given me hope for a future without such divisive politics, has shown Trudeau's true colours.	2/17/2022 5:34 PM
86905	Hope. Joy to see Canadians being strong to be free.	2/17/2022 5:34 PM
86906	None	2/17/2022 5:34 PM
86907	The trucking convoy has given me hope. It has given me hope in the fact that we will have freedom again once the mandates and restrictions have dropped and we are able to live freely again. Canadians are peaceful and loving. Not terrorists. We want to be free and not controlled by our government.	2/17/2022 5:34 PM
86908	It was the first ray of hope that this might end soon	2/17/2022 5:34 PM

86911	It has gotten useless mandates lifted.	2/17/2022 5:33 PM
86912	Gave me hope for the fist time in 2 years.	2/17/2022 5:33 PM
86913	It has not.	2/17/2022 5:33 PM
86914	no effect	2/17/2022 5:33 PM

86916	It has given me hope that our freedoms might be restored.	2/17/2022 5:32 PM
86917	It has given me hope that I didn't have before they stood up for us, and made me realize we are not alone.	2/17/2022 5:32 PM
86918	Not at all, other than it gave me faint hope that our overbearing governments might finally relent. No such luck. The overbearing have now decided to go full fascist. Seriously considering expatriating.	2/17/2022 5:32 PM
86919	The trucking convoy has provided hope and shown the world what true Canadian values are.	2/17/2022 5:32 PM

Canadians vote on Canadian Mandate - February 2022

86926	Has not	2/17/2022 5:30 PM
86927	Great	2/17/2022 5:30 PM
86928	I have never felt so much hope and community unity EVER in my life, all walks of life coming together, hugging/singing/talking/SMILING. I had to bring my nephew one weekend, show him that he is not alone and there is an end in sight, and you wouldn't believe the impact it had on him 🙏 I don't think I've ever seen a dim light in someone's eyes become so bright and hopeful so fast... It's also been eye opening for me, seeing all the love and diversity in the protests but seeing all the state sponsored smearing that went on in the media, I don't know if I will ever gain back the trust I once had for these news organizations... all in all, the convoy was the spark but the gathering of so many that have questions and might think like me has given me hope, and helped me see that I can't sit back and watch anymore, I need to take a stand for what I believe in (a peaceful stand)	2/17/2022 5:30 PM
86929	It gives us hope and it is making government LISTEN!	2/17/2022 5:30 PM
86930	They've given me hope that I'm not alone. The mandates are finally starting to end. And, I more clearly see how the government and media manipulate the truth to gain more power.	2/17/2022 5:30 PM
86931	Very little	2/17/2022 5:30 PM
86932	It has brought JOY to my life. Finally "unity" with millions of other Canadians	2/17/2022 5:30 PM
86933	Gave me hope	2/17/2022 5:29 PM
86934	Has opened my eyes to how much our government funded media distorts the truth and mainly flat out lies.	2/17/2022 5:29 PM
86935	Directly, it hasn't	2/17/2022 5:29 PM
86936	it brings me hope and brings me to tears. i have so much respect for them and i wish i could be with them in ottawa. it is utterly revolting how the media portrays them, slanders and creates completely false libel to undermine their cause. they would not do this for any other protest and would rather sling hateful, divisive buzz words rather than converse with regular, compassionate, and kind people who care for their fellow canadian. i will never forget this and i will always be grateful	2/17/2022 5:29 PM
86937	Gave me hope. Don't support some of the things seen and done though.	2/17/2022 5:29 PM
86938	Inspired to write songs akin to other legendary protest songs of the past.	2/17/2022 5:28 PM
86939	It gave me a bit of hope for peace and unity.	2/17/2022 5:28 PM
86940	It hasnt	2/17/2022 5:28 PM
86941	The reaction from the Prime Minister and all MP's in Parliament. Their actions and rhetoric is a disgrace to the Country and reflects bad on all the citizens of Canada. If the Prime Minister met with the Convoy at the beginning, this probably could have been resolved in an amicable manner.	2/17/2022 5:28 PM
86942	Lifted mandates in my province by putting pressure on the provincial government.	2/17/2022 5:28 PM
86943	Proud to see Canadians standing up to protect the people of this country.	2/17/2022 5:28 PM
86944	I support them 100%! They have given me much needed hope!	2/17/2022 5:28 PM
86945	It gave me hope and made me realise I'm not alone	2/17/2022 5:27 PM
86946	It brought back the sense of community and unity	2/17/2022 5:27 PM
86947	Brought me hope. Made me feel like I wasn't alone.	2/17/2022 5:26 PM
86948	Unsure. I have mixed feelings, I agree with the cause of wanting mandates to end though. I watch a lot of live streams and what I see there definitely does not match what I see in mainstream media	2/17/2022 5:26 PM
86949	Hopeful	2/17/2022 5:26 PM
86950	It has given me hope that we can restore our freedoms, return to work, repair the division our Gov has created. Fight the tyranny of our globalist technocratic traitorous government's plans	2/17/2022 5:26 PM

for a NWO. Bless the truckers and all patriotic Canadians that love our Country and our way of life.

86951	A ray of light in the darkness. They are bringing the country together while our awful PM tries to divide us.	2/17/2022 5:26 PM
86952	Inspired me to fight for freedom	2/17/2022 5:26 PM

86957	Not at all	2/17/2022 5:25 PM

86959	Positive signs of hope that I'm not the only one wanting an end to mandates. Peaceful people showing live and Canadian unity.	2/17/2022 5:25 PM
86960	N/a	2/17/2022 5:25 PM
86961	not Canadian	2/17/2022 5:25 PM
86962	Made me feel that I wasn't alone in fearing that the government of the country I love is not what it seemed and in fact would take the first opportunity to prohibit all dissent with the help of the media. I have felt more and more threatened by a government that is supposed to be unifying people and instead has divided Canadians time and time again. If this doesn't stop and do a quick about face, I'm leaving this country before it falls ever farther into oblivion and tyranny.	2/17/2022 5:25 PM
86963	Made me even more aware if how wrong the last two years of stupid fuckery from this government.	2/17/2022 5:25 PM
86964	It's great! Getting rid of mandates!	2/17/2022 5:24 PM

86968	Brought hope	2/17/2022 5:24 PM
86969	Given me hope. Proud to be a Canadian for the first time in 2 years. Showed me i wasn't all alone. Also stopped us from moving to Texas, at least for now	2/17/2022 5:24 PM
86970	Gave hope that not all Canadians are complicit in government tyranny.	2/17/2022 5:23 PM
86971	Given me hope and a purpose. I have visited them twice and provided food and funds. Ottawa has never been so vibrant and friendly and I have been here 41 years.	2/17/2022 5:23 PM
86972	The Joy in seeing Canadians unite gives the world hope	2/17/2022 5:22 PM
86973	Gave me hope for a brighter future for the first time in 2 years.	2/17/2022 5:22 PM
86974	It has given a focal point for the movement to end mandates and regain our liberty and hope that we won't live in a biomedical security state forever.	2/17/2022 5:22 PM
86975	Made me proud of my country for first time in a decade	2/17/2022 5:22 PM
86976	Given me hope!	2/17/2022 5:22 PM

86982	Gave me hopes!	2/17/2022 5:21 PM
86983	Gave me renewed hope that there is a way out of the oppression we are currently subjected to	2/17/2022 5:21 PM
86984	Not directly, but very unhappy this is happening in Canada. I heard one Canadian radio talk show host describe the truckers protest as "Canada's National Grade 10 Reunion". That's about right.	2/17/2022 5:21 PM
86985	Greater faith in Canadians	2/17/2022 5:20 PM
86986	It's given me hope.	2/17/2022 5:20 PM
86987	None at all.	2/17/2022 5:20 PM
86988	None	2/17/2022 5:19 PM

86990	Induced hope and unity	2/17/2022 5:19 PM
86991	It has given me hope that Canada will be back to normal.	2/17/2022 5:19 PM
86992	Positive. The significance of the fundamental principle of freedom and all its deviations are paramount to the success of mankind. As a finite being, nothing is of greater importance in existence.	2/17/2022 5:19 PM
86993	happy to see the working class push back against the world elites who took advantage of the pandemic	2/17/2022 5:19 PM
86994	Brought hope that maybe Canadians were not completely void of any moral compass or respect for others. Oh how the leftists and media have worked to destroy that.	2/17/2022 5:19 PM
86995	Go truckers!	2/17/2022 5:19 PM
86996	n/a	2/17/2022 5:18 PM

87002	Brought hope that these mandates may end	2/17/2022 5:18 PM
87003	Positively. My province is now opening back up and removing masking mandates.	2/17/2022 5:18 PM
87004	Gave me a voice to express my concerns without self censoring.	2/17/2022 5:18 PM
87005	Inspiring. Not Pro-Trump. Not racist. Not political. Only regarding mandates. Liberals need to be Liberal again. Check definition.	2/17/2022 5:18 PM
87006	I hope it works, the truckers can go home and we can all get back to running our own lives without the government constantly interfering. The convoy (like anything else) isn't perfect but it's given many people hope.	2/17/2022 5:18 PM
87007	At first I found it hopeful - until Trudeau declared it illegal. It has brought confusion to my life as I haven't seen any insurrection activity as claimed, though I have combed livestreams for evidence.	2/17/2022 5:17 PM
87008	It hasn't affected it in a bad way, it's brought hope.	2/17/2022 5:17 PM

Canadians vote on Canadian Mandate - February 2022

87010	Gave me hope that Canadians are awake to the lies around us.	2/17/2022 5:17 PM
87011	Made me proud of my country, and hopeful seeing that people are pushing back against unscientific COVID policy such as the border mandate	2/17/2022 5:17 PM
87012	I truly thought the soul of Canada as I had know for the first 32 years of my life had died! I couldn't believe the stories I was hearing from family. I couldn't believe how divided Canadian culture became as public figures continually told them to hate others who 'didn't do the right thing' whether that was agree with guidelines or the vaccine. My husband and I (both Canadian) have been unable to visit family in over 2 years. Our children have not hugged family in over two years. There have been missed milestones and family celebrations. We feel we have been robbed. The trucking convoy has given us HOPE! Finally we are seeing the Canadian spirit we know to be true and love! I'm sure I will be randomly hugging truckers when we are finally allowed to return home!	2/17/2022 5:16 PM
87013	GAVE ME HOPE FOR MY KIDS AND GRAND KIDS TO BE FREE AGAIN	2/17/2022 5:16 PM
87014	Made me feel connected to other Canadians who were unhappy and wanted change	2/17/2022 5:16 PM
87015	It has brought hope back to our lives.	2/17/2022 5:16 PM

87018	A little bit of honking down the Island Highway.	2/17/2022 5:15 PM

87020	It hasn't affected me ! I support it and all truckers they snd we as im a tri hey are doing it for our freedom the freedom we had because this is not a free country under the Trudeau liberal regime	2/17/2022 5:15 PM
87021	Given me and so many people I know, hope that we are rising as a nation and throwing off the oppressive chains of self serving government who forgot they are there to serve the people. The have done all they can to break our hearts and continue to. God has other plans.	2/17/2022 5:15 PM
87022	They gave me hope for a better future	2/17/2022 5:15 PM
87023	It has given me much-needed hope. The state run by experts failed utterly, and it continues to double down. I had lost faith in Canada, and in the Canadian people, who allowed their country to become an open-air nursing home without a fight. The truckers have inspired the world.	2/17/2022 5:15 PM
87024	Made me proud	2/17/2022 5:15 PM
87025	.	2/17/2022 5:15 PM
87026	It has given me hope, makes me feel like someone is listening, has exposed the Prime Minister for the fraud that he is, and shows me that I am not the only one struggling.	2/17/2022 5:15 PM
87027	Inspired hope	2/17/2022 5:15 PM
87028	Positively. It has given us hope for the future. We are very grateful and will always support the convoy.	2/17/2022 5:15 PM
87029	They have given me back the hope I had lost.	2/17/2022 5:14 PM
87030	It has had the effect of making me more aware that we as a country need to preserve our freedoms!	2/17/2022 5:14 PM
87031	Inspired me, and made me proud to be Canadian again	2/17/2022 5:14 PM
87032	Given me faith	2/17/2022 5:14 PM
87033	Given me hope for some normalcy	2/17/2022 5:14 PM

87035	Gives me hope and happiness to see so many people come together. Our PM is a disgrace and the people dhat run this country act le children!	2/17/2022 5:14 PM
87036	It's given me hope that Canada can be a free country again.	2/17/2022 5:13 PM

87055	Given me hope that together we can reclaim our liberty	2/17/2022 5:11 PM
87056	It hasn't. I would welcome all opinions and I think the PM should talk to any Canadian citizen whether or not they have the same views as him.	2/17/2022 5:11 PM
87057	Uplifting and encouraging to see Canadians come together. I have been missing the joy and hope these past two years. I am more upbeat mentally and have had positive effects. This is a world wide movement for freedom.	2/17/2022 5:11 PM
87058	It has given me hope and inspired me to speak up	2/17/2022 5:10 PM

87061	It's given me hope for the first time in years. It's made me proud to be Canadian for the first time in years. It's a shining beacon on the hill and I will always be grateful to the truckers.	2/17/2022 5:10 PM

87076	It has made me appreciate car horns way more. it's also nice to hear average people getting their voices out in the open.	2/17/2022 5:08 PM
87077	For a long time I felt very alone because that's how our government wanted to make those of us feel who didn't want to be a human guinea pig. This convoy has revealed that I am not alone, that there are many many others like me who wish to have our basic human right, the freedom of choice. This convoy showed me that I'm not part of a "fringe minority" but rather part of a global consensus who agrees that every person has the right to decide what goes into their body. I have such a renewed hope in our country and my fellow citizens again. I was ashamed to be Canadian the last two years, but now I fly my flags with great pride again. These truckers are national heroes, and I appreciate them very much.	2/17/2022 5:08 PM

87096	I'm hoping the peaceful protest will cause our politicians to be honest and drop mandates	2/17/2022 5:05 PM

87099	I have never been so proud to be a Canadian and stand up for what our rights are. The truckers started this initiative and made people listen when no one was. The majority, not the minority will also carry this torch! Do not be mistaken, this is not only the truckers it is every Canadian that has any sense of wanting back what is rightfully ours to hold.	2/17/2022 5:05 PM

87131	I cried with hope when the all came to my rescue and so many other Canadians, i began to have hope in humanity i really believed no one cared and my voice silenced until the truckers cane to ottawa i saw smiling faces on the streets of kelowna bc i began to see God over these people with so much love i witnessed from the media who showed us who they are i see prayers and oh Canada being sung again. I was begining to hate my country but i bought a canadian flag and began to be patriotic i began to see my veterans in a new light for sacrificing. My son is able to breath air and get out to restaurants see his friends and be out in public and movies since the mandate lifyed in his province of Alberta . They changed how i look at people of all cultures and beliefs i saw the truth and it set me free... but with this scary government becoming dictatorship i no longer believe in the so sovereignty of Canada if the liberal government continues in this way of forced vax to live its horrific for those not vaxxed and its devastating to enact laws on a trial inoculation and force people its fightening i pray for the truckers because they are the Rescue we need	2/17/2022 5:02 PM

87170	They've given me hope	2/17/2022 4:58 PM
87171	Gave me hope, got me out of depression, reason to live, happy to see unity.	2/17/2022 4:58 PM
87172	Hope	2/17/2022 4:58 PM
87173	Well, not directly but it has pissed me off immensely to see the MSM hypocrisy and Justin and the Libs become dictators because people have different opinions and are clogging a few streets in Ottawa.	2/17/2022 4:58 PM
87174	Not at all	2/17/2022 4:58 PM
87175	Unified my neighbours and given me hope.	2/17/2022 4:58 PM
87176	They've given me hope for the first time in 2 years.	2/17/2022 4:58 PM

87178	It has made me feel proud to be a Canadian for the first time in a long time.	2/17/2022 4:58 PM
87179	Made me recover faith in humanity.	2/17/2022 4:58 PM
87180	Has brought back some hope after a miserable 2 years.	2/17/2022 4:58 PM
87181	It has made me lose all faith in legacy media and our institutions to accurately perceive reality	2/17/2022 4:58 PM
87182	The truckers convoy has been the only bit of hope I've had for this country in two years. I don't know the exact origins and intentions of all those who are involved, but it seems to me that it has brought a lot of people together and awakened more people to the tyranny that we are now living under.	2/17/2022 4:58 PM
87183	It filled me with hope, and I was glad to see our local tyrants easing their abusive, unscientific, and unlawful mandates.	2/17/2022 4:58 PM
87184	It's made me proud to be a Canadian again.	2/17/2022 4:58 PM
87185	It has given me hope that not all Canadians are brainwashed morons.	2/17/2022 4:58 PM
87186	It's great that a fringe group of white supremacists have unified the country and pulled the curtain on our fascist regime, who woulda thunk it?	2/17/2022 4:57 PM
87187	It hasn't made much difference yet, but I'm hoping that it will help end mandates	2/17/2022 4:57 PM
87188	I love the Convoy. I have never met a greater, more open, friendly, loving bunch of people, and I loved that it was all races, ethnicities, religions, and backgrounds. I particularly enjoyed our	2/17/2022 4:57 PM

First Nations Canadians drumming and culture. Wonderful people. Now that ALL Canadians have united in their love for freedom, I hope the Trudeau government is no longer able to push his lies and division.

87189	Gave some hope	2/17/2022 4:57 PM
87190	It made me not want to commit suicide anymore	2/17/2022 4:57 PM

87199	It's given me hope that things will improve in Canada.	2/17/2022 4:57 PM
87200	Honk honk	2/17/2022 4:57 PM
87201	-My faith in humanity has been restored. - I have never Been more proud to be Canadian. GO TRUCKERS	2/17/2022 4:57 PM
87202	Its a joyful thing to watch and experience. Very positive and uplifting source of inspiration.	2/17/2022 4:57 PM
87203	I got to party with real Canadians, and I got to hug a girl. I live a few blocks away from Parliament.	2/17/2022 4:57 PM
87204	It has brought out the truth.	2/17/2022 4:57 PM
87205	They have slowed traffic in my city on weekends	2/17/2022 4:56 PM
87206	It gave hope that Canadians can unite themselves against tyrannical incompetent and un-scientific leaders	2/17/2022 4:56 PM
87207	Aside from the spark of hope that this movement gave people like me, it hasn't. People need hope, and only this movement has created that. Bad apples aside, Canadians deserve hope now. I can't say much else about the details on the truckers.	2/17/2022 4:56 PM
87208	It has renewed my hope in humanity and confirmed the WEF corruption at Canada's highest levels.	2/17/2022 4:56 PM
87209	Positively. It gave us a voice. It made us think we are not alone. It made us understand how much officials in their religious support in mandates, have pulled us apart from each other as a society, and it reaffirmed our understanding in total fabrication and bias of main media outlets in the country	2/17/2022 4:56 PM
87210	It hasn't.	2/17/2022 4:56 PM
87211	Seeing the unity brought back to Canada has made me cry (in a good way). Seeing the way PMJT treated them stresses me.	2/17/2022 4:56 PM
87212	Gave me hope that I'm not the only one negatively impacted, that I'm not the only one who sees the inconsistencies and disagrees with the way this pandemic was handled. It was one thing in the first two weeks to 12weeks (maybe) but we should definitely NOT be in emergency situation anymore!	2/17/2022 4:56 PM
87213	They are saving our country from literal nazis	2/17/2022 4:56 PM
87214	I am inspired and feel hopeful.	2/17/2022 4:56 PM
87215	it made me hopeful that some people are calling out the tyrannical rule that is not consistent with science and what other countries are doing	2/17/2022 4:56 PM

87217	They have given me hope that people are still willing to fight against Gov't Tyranny, Oppression, and overreach	2/17/2022 4:56 PM
87218	Honk	2/17/2022 4:56 PM
87219	They have not. They appear to be pleasant and they clean up after themselves, which is nice.	2/17/2022 4:56 PM
87220	Lead to some hope at first and now abject fear of overreaching government powers without oversight - financial issues specifically.	2/17/2022 4:55 PM
87221	Gave me hope	2/17/2022 4:55 PM
87222	This started with vaxx mandates and has turned into a Canadian fight for the freedom of our Country. Nothing else seems to matter right now. Trudeau must go.	2/17/2022 4:55 PM
87223	It seems to have been a catalyst for many people "coming out" and stating their points of view, resulting in many provinces planning to end many of its restrictions.	2/17/2022 4:55 PM
87224	Better	2/17/2022 4:55 PM
87225	Revealed authoritarianism and intolerance of leaders	2/17/2022 4:55 PM
87226	Very well	2/17/2022 4:55 PM
87227	It has given me hope that this nightmare could actually end.	2/17/2022 4:55 PM
87228	Gives me hope for the future	2/17/2022 4:55 PM
87229	It has made me very proud to be a Canadian. I support them 100%. They have done more to unite our country than anyone. Trudeau is just ripping it apart.	2/17/2022 4:55 PM
87230	I have felt pride in my country, something i haven't had in 2 years. I see I am not alone.	2/17/2022 4:55 PM
87231	100% more optimistic that there are lots of true Canadians like myself out there	2/17/2022 4:54 PM
87232	Not affected	2/17/2022 4:54 PM
87233	It has made me proud to be Canadian	2/17/2022 4:54 PM
87234	It has not affected my life negatively.	2/17/2022 4:54 PM
87235	Frankly it's been the only source of hope I've seen in over a year. To see all of the supporters across the country has helped me deal with my own pessimism towards life in general. Every saturday I go and join people who care about the democratic process, make new friends, see smiling faces and hear laughter, cheering, happiness for the first time in a very, very long time. 100% positive effect on my life, without question.	2/17/2022 4:54 PM
87236	It confirmed my cited realization above.	2/17/2022 4:54 PM
87237	It hasn't	2/17/2022 4:54 PM
87238	Gave hope	2/17/2022 4:54 PM
87239	Hope restored, isolation remedied, eyes opened to the clear propaganda campaign and censorship of media and social networks, revelation of the depth and breadth of corruption in government and beyond. Realization that the world as I once knew it, was a carefully developed illusion.	2/17/2022 4:54 PM
87240	It's given me hope!	2/17/2022 4:54 PM
87241	Made me get a membership with the conservative party	2/17/2022 4:54 PM
87242	Inspirational.	2/17/2022 4:54 PM
87243	It is the first thing in a long time that has made me proud of my country.	2/17/2022 4:54 PM
87244	It hasn't. They are a bunch of uneducated, selfish people. Only think about their personal freedoms. What about the elderly, immunocomprised people and all the health care givers who have been in this with their lives. The mental impact this has cause on the healthcare givers-seeing people suffer, and die.	2/17/2022 4:53 PM
87245	Not directly	2/17/2022 4:53 PM

87247	Gives me hope for a freer and better future.	2/17/2022 4:53 PM
87248	given me hope there is an end to the madness	2/17/2022 4:53 PM
87249	It gave me hope when I had lost almost all of it. I didn't feel so all alone.	2/17/2022 4:53 PM
87250	It has not affected me	2/17/2022 4:53 PM
87251	It has made me realize what/how our PM has been doing/handling covid and this 'pandemic'. I have lost complete trust in the current government. These truckers represent part of our Canadian people and they've been made out to be villains by the media and the government. Unforgivable.	2/17/2022 4:53 PM
87252	Renewed my spirit and confirmed that I was not alone, there are millions who feel the same, whether vaxxed or not. Freedom!	2/17/2022 4:53 PM
87253	A ray of light and happiness and common sense in a world gone mad.	2/17/2022 4:53 PM
87254	Hope	2/17/2022 4:53 PM
87255	Realized how evil Trudeau & his government really are.	2/17/2022 4:53 PM

87257	They have given me joy and hope for the future.	2/17/2022 4:53 PM
87258	Made me realize there are many others who are thinking like me	2/17/2022 4:53 PM
87259	Positive. Sign of hope. We're not alone in hating what the Prime Minister and Premier have inflicted upon us. We have each other still. We can be united despite the evil liars in office who are openly seeking to destroy this country and its people. We have hope.	2/17/2022 4:52 PM
87260	Brought to light the unbelievable BS of the CBC.	2/17/2022 4:52 PM
87261	I see the light in the end of the tunnel, common sense had returned	2/17/2022 4:52 PM
87262	Has not affected me negatively. The Provincial and Federal government with their tyrannical mandates has affected my life NEGATIVELY for over 2 years. Enough with the Scamdemic. The Convoy for Freedom actually has given hope and a voice and now know I am not alone in wanting our freedoms back from unnecessary government over reach.	2/17/2022 4:52 PM
87263	Brought joy and sanity to life, not alone in this	2/17/2022 4:52 PM
87264	None.	2/17/2022 4:52 PM
87265	They make me proud to be Canadian for the first time in two years.	2/17/2022 4:52 PM

87270	It has made me hopeful.	2/17/2022 4:52 PM
87271	More hope. Positive feelings. Seeing a united country. Listening to heartfelt stories. Realizing not alone.	2/17/2022 4:52 PM
87272	It hasn't shown me Canadians can be loving and compassionate when unified and not divided.	2/17/2022 4:52 PM
87273	Shown people are fed up, brought hope back that I wasn't alone	2/17/2022 4:52 PM
87274	After months of isolation after the introduction of the federal and provincial mandates and certification measures, it has started a national conversation around these measures and how they effect people, and that has made me more optimistic about our chances of getting out of this situation than I've been for the past two years	2/17/2022 4:52 PM
87275	Gave me hope this would end soon	2/17/2022 4:52 PM

87279	I'm hopeful, the province will lift the vaccine passport so I can go on with my life without being shamed, I will go back to the gym so I can take care of my body	2/17/2022 4:52 PM
87280	No affect	2/17/2022 4:52 PM
87281	Positivity. It's shown that not all Canadians actually agree with the false narrative that is presented by the government and media. As well as expose how awful some parliament members are and how broken our governing process is.	2/17/2022 4:51 PM
87282	Have hope for Canada again.	2/17/2022 4:51 PM
87283	gives me hope	2/17/2022 4:51 PM

87294	Made me proud to be a canadian for the first time in over 2 years.	2/17/2022 4:51 PM
87295	Given me a sense of Canadian pride not ever felt in my life. The world is watching and we are inspiring other normal people to discard their shackles. Freedom is not free. Most people would rather feel safe than be free.	2/17/2022 4:51 PM
87296	Given me hope	2/17/2022 4:51 PM
87297	It hasn't.	2/17/2022 4:51 PM

87299	None	2/17/2022 4:51 PM
87300	It's been really remarkable watching people clue into the fact that the media is lying to them, on purpose. The way the media has handled it has done more for the freedom movement than anything in my life. It broke the spell of many people who were in deep.	2/17/2022 4:51 PM
87301	Gave me hope.	2/17/2022 4:51 PM

87303	It brings me hope.	2/17/2022 4:51 PM
87304	It has given me hope seeing that regular people are willing to stand up for their freedoms. It has also revealed how the government and media are willing to go to any length to quash and smear a legitimate protest, doing everything in their power to end it, except actually engage with protestors.	2/17/2022 4:51 PM
87305	none	2/17/2022 4:50 PM
87306	given me hope and renewed interest in Canadian politics. It shows we need change in this country and Freedoms restored.	2/17/2022 4:50 PM

87366	I have hope. I see people of every faith, color, age, and gender standing together in unity to demand the return of our stolen freedom. The flag MEANS something now.	2/17/2022 4:48 PM
87367	Positively. For the first time in a decade or more, I am witnessing Canadians not only proud of their freedom, but are exercising their opinions on taking it back. This is entirely about government control in areas in which they have no personal interest.	2/17/2022 4:48 PM
87368	It has made me proud to know others are standing for freedom	2/17/2022 4:48 PM

87419	HONK	2/17/2022 4:46 PM
87420	It's lifted my spirits ever so slightly, but seeing the politicians on CPAC constantly smearing the people on the streets because of two or three flags on day one is disgusting, and not to mention hypocritical considering Trudeau's history of rampant blackface use, as well as him signing a Nazi flag, and thanking someone holding a Nazi flag	2/17/2022 4:46 PM
87421	It has given me hope that Hitler types like Trudeau will not destroy a country without push back from hardworking people.	2/17/2022 4:46 PM

87460	New found respect for truckers and their ability to demonstrate peacefully while cooperating with the police. The state run media isn't doing balance reporting. Infact, they are heavily incentivised to promote a false narrative that will forever tarnish their credibility.	2/17/2022 4:44 PM

87476	not except giving me hope to end the mandates	2/17/2022 4:22 PM
87477	Very positively!!! I have received more hugs in the last 3 weeks than in the past 2 years! I see not only faces but happy faces! I feel love and affection from everyone, instead of hate, fear and suspicion.	2/17/2022 4:21 PM
87478	Hasn't I just support their cause	2/17/2022 4:18 PM
87479	Gave me hope that we as a country are standing and fighting for our right to choose	2/17/2022 4:18 PM
87480	I worry about them like they are my teenagers. I go every weekend and it is awful to see governments (CBC) media campaign to smear it. If Justin Trudeau talks about the swastika one more time, I'm going to lose it.	2/17/2022 4:17 PM
87481	NA	2/17/2022 4:17 PM
87482	Proud of them for taking a stand and representing the views of a large group of Canadians. They were able to draw attention to the mandate issues that needed addressing. We have personally not been negatively affected by any of their actions.	2/17/2022 4:16 PM
87483	It has given me hope for the first time in two years. We have made lifelong friends. We are so grateful for the truckers and their resolve.	2/17/2022 4:16 PM
87484	Luckily for me, I haven't been much affected, but family members have. The only difficulty I have encountered has been dealing with friends who think the convoy was justified.	2/17/2022 4:15 PM
87485	not at all personally	2/17/2022 4:15 PM

87489	Anxiety over safety of family in Ottawa. ((2/17/2022 4:12 PM
87490	Rekindled hope for FREEDOM.	2/17/2022 4:11 PM
87491	It gave us hope, because it inspired so many fellow Canadians to dare speaking up. So many more Canadians, vaccinated and/or v-free, 1, 2 or 3 doses show that they are done with this segregation society. My husband and I went to Ottawa twice for a few hours and were deeply moved to see and feel the love between Canadians of all backgrounds, of all parts from Canada. It is beyond impossible to show how this made us feel. And it is extremely hurtful how the media and a group of politicians - who did not even go out and talk with people on the street, keep twisting the story and paint with a broad brush as if all who are there were malicious. The man with the Confederate flag was clearly not part of the protesters and was fully masked (apart from his eyes). The picture taken by him that went all over the world was taken by Paul Martin's official photographer Dave Chan (see Getty Images, price 575 dollars) who still takes photographs of Trudeau. There seem to have been a concerted effort to paint this convoy as terrorist and white supremacist. My husband and I were shocked about what the media - worldwide, and our politicians, especially Trudeau (and Greg Ferguson) abused this situation for their own political gain. We are deeply, deeply shocked. The world is watching, and many all around the world are inspired what happened/ happens in Ottawa. I hear it from countries such as Israel, Netherlands, Italy, Belgium, France. The reputation of Canada is at stake: it is sliding into tyranny. Who would have ever thought. Thank you for asking	2/17/2022 4:10 PM

87493	Given me hope. I no longer feel I am alone. Given me pride in Canada and my fellow Canadians.	2/17/2022 4:08 PM
87494	Annoying, worrisome, concerns over safety in my country	2/17/2022 4:08 PM

87496	Lost friends because of differences of opinions	2/17/2022 4:07 PM
87497	Minimal impact as I live out of the areas of the protests.	2/17/2022 4:04 PM
87498	It has given me hope. It is restoring my faith in humanity and kindness. It has brought so many people together. It has awakened more people too.	2/17/2022 4:03 PM
87499	I live in Ottawa and it didnt affect me at all. Im glad it woke the whole world up tho'.	2/17/2022 4:00 PM
87500	It didn't	2/17/2022 4:00 PM
87501	Created a divide among friends as I do NOT believe the convoy is helpful and only further divides or country	2/17/2022 3:59 PM
87502	It has given me hope that sanity could reign. Trudeau should be put in jail, not the Truckers!	2/17/2022 3:58 PM
87503	It has inspired us. It has made us realize that we are not alone in believing this pandemic should have been declared over a long time ago (if it should ever have been called a pandemic)	2/17/2022 3:57 PM
87504	Higher prices, cost of living increasing	2/17/2022 3:54 PM
87505	It has not personally, other than to say that I'm glad the people are speaking up for that which I am unable to out of fear of losing my job	2/17/2022 3:51 PM
87506	It's hasn't	2/17/2022 3:45 PM
87507	Positively.	2/17/2022 3:42 PM
87508	Given me a glimmer of hope that the evil forces in government will be quashed; if even temporarily.	2/17/2022 3:42 PM
87509	It has given me hope that we could fight the tyranny	2/17/2022 3:41 PM
87510	It has given me hope that there may be a way out of this. I am extremely anxious for the truckers and supporters and the financial and bodily harm that may come to them in their simple exercising of their rights on the behalf of all Canadians. The truckers and supporters are very brave individuals standing up to extreme corruption and every obstacle imaginable.	2/17/2022 3:39 PM
87511	Inspired me! Gave me and my family hope and a HUGE sense of Canadian pride!	2/17/2022 3:38 PM
87512	happiness	2/17/2022 3:37 PM
87513	Physically not to much has changed, but emotionally I am outraged at our autocratic government. As an immigrant, I feel betrayed by Trudeau, and his unofficial sidekick, Jagmeet Singh. Both display a psychopathic lack of balance, and leadership.	2/17/2022 3:30 PM
87514	Given me hope and inspiration that we can stand up against tyranny.	2/17/2022 3:29 PM
87515	The trucking convoy has given me HOPE that freedom may be possible. The mandates make NO SENSE MEDICALLY- so WHY are they there? Other countries are abolishing mandates and passports- this MAKES SENSE, so why is TRUDEAU NOT following the true science that is being accepted more and more world-wide?	2/17/2022 3:23 PM
87516	Not at all	2/17/2022 3:22 PM
87517	Not much at all. I live in BC and truckers are still running across the border on this side of the country.	2/17/2022 3:19 PM
87518	I'm thrilled to see people peacefully protest against mandates which don't appear to be evolving with our scientific understanding of the impact of COVID 19, as it becomes less lethal, but more transmissible. I'm proud of the way the truckers have peacefully protested, with children and families involved. Our government needs to effectively sit at the round table with the truckers and high experienced mediators (lawyers - who can listen attentively to the needs expressed by the truckers) and come to a solution which considers the voice of the people.	2/17/2022 3:17 PM
87519	Cela n'a absolument pas affecté ma vie.	2/17/2022 3:10 PM

87523	I feel proud to be Canadian for the first time in two years.	2/17/2022 3:07 PM
87524	Given me hope that we can get back to reasonable and rational life. Their positive spirits, and strength uplift my spirit.	2/17/2022 3:06 PM
87525	Not directly but given hope the people of Canada will standup to politicians and bureaucrats bullying and misuse of authority	2/17/2022 3:03 PM
87526	Love the truckers!!! I support them!!!!	2/17/2022 3:01 PM
87527	It has not directly impacted me, however, it appears to have sowed divisiveness in Canada. I don't believe pushing for freedoms would take away another's.	2/17/2022 3:01 PM
87528	Given me hope	2/17/2022 3:00 PM
87529	Just shipping getting products. I find it concerning that a very small percentage of people can do so much economic damage.	2/17/2022 2:55 PM
87530	It has improved it because now we have an opposition party.	2/17/2022 2:54 PM
87531	They are fighting for our freedom. So we can travel freely. Getting people back to work. I am thankful that they stood up to the government. They did it peacefully. Not like the government that broke the law in many ways.	2/17/2022 2:53 PM
87532	It hasnt. Its made people wake up to realism of today and whats really happening	2/17/2022 2:53 PM
87533	It is giving me hope.	2/17/2022 2:51 PM
87534	I am praying through-out the day for the health, safety and peaceful resolution for those gathered with the truckers--to end ALL mandates of any kind. I think most do not realize the full significance of this peaceful gathering on behalf of ALL of our freedoms. The protestors of tyranny are amazing! The actions--and lack thereof from the Trudeau government is showing its true colours and I am praying that all will come to see--quickly--what the agenda is that is trying to be forced upon us against our will. I cannot personally participate in the convoy, but I can pray for the positive to be accomplished for all peoples. They are on my mind all day long. Praying for the whole world to see clearly what is really going on!!	2/17/2022 2:48 PM
87535	The truckers have given a lot of people hope that national leaders will be stopped from using emergency powers to impose tyranny on the population. And that these tyrants will face justice.	2/17/2022 2:37 PM
87536	I feel hopeful for the first time in two years. I feel I'm not alone in my beliefs	2/17/2022 2:30 PM
87537	Positivity Strength in mankind Freedom of speech and the freedom to question is paramount	2/17/2022 2:27 PM
87538	It has given me hope that we will stop living under these ridiculous restrictive mandates. It has given me hope and pride.	2/17/2022 2:23 PM
87539	It's great to see Canadians coming together for support & unity!	2/17/2022 2:19 PM
87540	I wasn't part of the convoy, but I had friends who were who have reported to me events as they happened. Again, the most shocking thing was how, despite most of the truckers being Indian, and everybody my friends talked to saying they were there to protest until mandates were dropped (and no more), CBC reported that this was a "terrorist insurrection of white supremacists." I've never met an Indian or a black white supremacist, though I suppose anything is possible these days. The experience has shaken my faith in the news sources I used to rely on. If all the news channels can completely fabricate the news without an ounce of truth, how can I trust anything they say? It's been a real emotional roller coaster for me, and I now avoid most non-local news.	2/17/2022 2:18 PM

87545	Lack of necessities of life created by not moving those necessities.	2/17/2022 1:52 PM
87546	Not negatively - I haven't noticed shortages at grocery stores getting any worse than they already were.	2/17/2022 1:47 PM
87547	Renewed hope and confidence in the unity and love of freedom among Canadians. Someone had the courage to stand against tyranny! Deepened my faith in God.	2/17/2022 1:42 PM
87548	given me HOPE that by standing together we will get freedom back and eject rogue governments as elections surface.	2/17/2022 1:40 PM
87549	It has given me real hope.	2/17/2022 1:38 PM
87550	I feel hope finally that they're standing up for our freedom abd rights. Freedoms that my grandfather fought for freedoms my grandparents from Austria sought here	2/17/2022 1:38 PM
87551	Its an inspiration.	2/17/2022 1:35 PM
87552	I was initially supporting the trucking convoy, but It got away from them, I think it became something else and lost its initial purpose of freedom of choice for the vaccine mandate. But I support the fact that we should have a choice, there is no right or wrong decision, it is just a personal one, you do what is right for you and your family.	2/17/2022 1:25 PM
87553	It's given me hope and pride in my country	2/17/2022 1:24 PM
87554	People have the right to protest, but you also have to respect others. For me, the convoy of truckers expresses the fed up of many Canadians. I'm ashamed to be Canadian and I'm ashamed of our governments. If I could, I would live somewhere else, where freedom is more respected.	2/17/2022 1:19 PM
87555	Given me hope that the rest of Canada also stands up for our freedom to choose. Our body our right	2/17/2022 1:18 PM
87556	I am supporting them and happy that they spoke for many of us. Now, I beleive their message is understood and hope for changes in the sanitary "urgency", wish for re-united population and hope for peace.	2/17/2022 1:17 PM
87557	Gives me some hope	2/17/2022 1:10 PM
87558	brought me hope that wef medical tyranny will fail	2/17/2022 1:07 PM
87559	Hasn't. I agree to end mandates and let people make decisions for themselves but don't know enough to determine if I agree with their values in holding the convoy	2/17/2022 1:05 PM
87560	It has given me hope for the world.	2/17/2022 1:04 PM
87561	It's made me more proud to be canadian than I have in a while I knew there were others out there butbi didn't think imthis many would stand up! I do my part where I am! Gives me good faith as I stand with them prayers have been answered we will be heard!	2/17/2022 1:00 PM
87562	Very annoying and useless	2/17/2022 12:58 PM
87563	Dosen't	2/17/2022 12:54 PM
87564	It's given hope to Us	2/17/2022 12:53 PM
87565	Has given me unrest. People have the right to protest but not at the expense of the freedom of others to live peacefully.	2/17/2022 12:53 PM
87566	given hope after 2 years	2/17/2022 12:47 PM
87567	First time in my life I felt pride to be a Canadian. My mother was an immigrant and when she moved to Canada she became and maintained being proud to call herself a Canadian. Why? She was a teenager in Holland when Nazi Germany invaded and took her freedom. The Dutch still today honour the Canadian Soldiers for liberating them. Now I understand why my mother was a proud Canadian for all her days till she died. Canada gave her freedom back. The truck convoy leading to Ottawa unexpectedly created great pride in me to be a Canadian. Their courage to speak against the hate that our governments inflicted and perpetrated to us not vaxxed. I cried tears of joy to see thousands and thousands of Canadians who felt just like me.	2/17/2022 12:46 PM

Canadians vote on Canadian Mandate - February 2022

87568	It gave me the first thing to hope for since January 2020. It has made me feel patriotic. For the first time in my life I can now sing the National Anthem with pride and full appreciation of its words.	2/17/2022 12:43 PM

87570	I love what the truckers doing - fighting for our FREEDOM! I STAND WITH THEM 100%	2/17/2022 12:42 PM
87571	God bless the trucker convoys. They have forced the hand of Doug Ford to drop mandates. They have forced Justin Trudeau to show his true colors of megalomania.	2/17/2022 12:41 PM
87572	Like anything with 2 understandable sides it has caused division and hurt. When a protest becomes an occupation and then an insurrection it is difficult to support	2/17/2022 12:39 PM
87573	Has NOT! Has given me hope that Trudeau might do the right thing with the mandates! Even better resign!!	2/17/2022 12:38 PM
87574	Given me hope that God the creator is hearing the prayers of the oppressed like me.	2/17/2022 12:36 PM
87575	It hasn't really	2/17/2022 12:33 PM

We need a return to our democracy. Return to unity and peace in our country. A return to repeat for the human dignity of each and every Canadian	2/17/2022 11:53 AM
87585	It has given me hope to see the sacrifices people are making to stand up for what they believe is right in a peaceful way.	2/17/2022 11:53 AM
87586	In NZ - but no impact.....In NZ the actual protest sites are very small footprint so minimal people effected but masivley blown up by main stream media	2/17/2022 11:48 AM
87587	It has limited me in far too many ways!	2/17/2022 11:43 AM
87588	Reinvigorated true patriot love for their dedication and commitment to a righteous cause. We owe them all a debt of eternal gratitude.	2/17/2022 11:43 AM

Canadians vote on Canadian Mandate - February 2022

87598	It brought hope and a chance at restoring my faith in my fellow Canadians.	2/17/2022 10:48 AM
87599	Brought hope	2/17/2022 10:45 AM

87603	It has inspired me and given me a glimmer of hope.	2/17/2022 10:37 AM
87604	It has allowed for me to witness people of our nation coming together in peace and unity. Coming together to ask for answers to valid questions. It brought some hope and faith in our country and it's people something so incredibly beautiful. It yet it has opened my eyes! It has allowed me to open my eyes and see how media can turn something so peaceful a place for its people to start healing and the media has spun it to something ugly. Our own PM has turned against it's people. I never thought that was possible yet here we are. The convoy proposed for real dialogue to happen, for science to be debated in front of the world and yet Canada got Nothing! Nothing but more insults, more hate from Canada's leaders, more hate from the media who should be totally ashamed! It was such a great opportunity for healing, peace and a way to move forward in faith and hope. I have now lost all faith in our PM and the media!! I have lost all trust in the PM leadership skills. We truly no longer live in the land of the free but in a dictatorship! The PM is fuelling more hate and divide. WHY!!	2/17/2022 10:32 AM
87605	?	2/17/2022 10:26 AM

87609	The convoys have brought me hope, a sense of unity, joy, tears of relief. I attended Ottawa and cried on parliament. I'm so proud of the men and women standing up for our freedoms. Of the brave doctors speaking truth and the fearless Canadians who refuse to continue to show up, show love and help out.	2/17/2022 10:21 AM
87610	Restored my hope that Canadians want what is right and just and to follow our Charter of Rights and Freedoms.	2/17/2022 10:21 AM
87611	No	2/17/2022 10:03 AM
87612	It has given me hope that we can have freedom, and not tyranny. We need choice for everyone, and freedom to travel, without any outer mandates. world wide	2/17/2022 9:56 AM
87613	Given me hope and joy of community and the common people	2/17/2022 9:39 AM
87614	I am thankful that people are willing to stand up to the tyrannical decisions and leadership happening in Canada. I have heard only good things from real people reporting real news of what's really happening and that it is peaceful and positive and hopeful.	2/17/2022 9:37 AM

87634	Convoy gave me hope and inspired me. I admire the people of the convoy and I am thankful to them for speaking out. At the same time I worry for their safety and wellbeing since they are like the soldiers on the front lines.	2/17/2022 7:21 AM

87638	In a positive way. They are standing up for the freedom and rights we deserve as Canadians. They speak for many more Canadians that can't participate.	2/17/2022 6:50 AM
87639	Not at all I support the truckers	2/17/2022 6:40 AM
87640	We're all truckers now. A copy of the Constitution should be framed and hung on a wall in every home. The Globalists have sold Canada. Truth & Awakening. The public is becoming aware of the manipulation and lying. Be a hero. Defend humanity.	2/17/2022 6:40 AM
87641	Made me happy that people think same as me!	2/17/2022 6:39 AM

87643	The trucking convoy in Canada & around the world uplifts my mood & makes me feel good knowing that there are millions of people who only want a Freedom Mandate - no restrictions on our lives & businesses. 87653	They have once again made me proud to be Canadian.	2/17/2022 4:27 AM

87660	Nada	2/16/2022 11:17 PM
87661	Enraged	2/16/2022 11:07 PM
87662	It has given me some hope! I am hoping it is going to awaken the narrow minded & perhaps brain washed people that a line has been crossed to injustice. Our rights & freedoms have been violated. People are being encouraged to turn on each other, this division I feel is very harmful. It's like history is again repeating itself-when will humans truly wake up and learn it is unjust to single out groups (in this case the unvaccinated), and strip them of their rights & freedoms.	2/16/2022 11:07 PM
87663	In big ways some seen and unseen work, daily life etc	2/16/2022 10:56 PM
87664	it didn't affect anything even when traveling through Ottawa - it was a great joy to watch Canadians cheers it on as I drove 500 km through Ontario that day - it brought great joy and pride	2/16/2022 10:52 PM
87665	Proud to be a Canadian. Standing for constitutional rights is key and encouraging	2/16/2022 10:47 PM
87666	Not all all	2/16/2022 10:29 PM
87667	Highlights the need for Canadians to be listened to and respected. I appreciate that there are brave front line workers concerning Covid. But like many Canadians we don't trust the medical authorities, the science or big pharma. This is coming off as a scam to loot billions from health care systems around the world.	2/16/2022 10:20 PM
87668	Given me hope for change, while simultaneously exposing the fraudulent coverage of the peaceful protests and the corrupt government actions.	2/16/2022 10:18 PM
87669	not affected	2/16/2022 9:49 PM

87673	It has given me hope that ordinary Canadians actually have some power to determine how we live our lives	2/16/2022 9:30 PM
87674	I feel for the people living in Ottawa, with diesel fumes and honking horns - but I feel the PM, by refusing to communicate/listen allowed the situation to escalate out of control	2/16/2022 8:57 PM
87675	Hopefulness	2/16/2022 8:47 PM

87678	It gave me more confidence to build a real democracy, solidarity and respect of all Canadians and the protection of th frale within the community and not in inhuman isolation. It has enhanced a positive dialogue with neighbors and friends. It increases my awareness and concerns about individual freedom, including informed consent by individuals with the help of their doctor in a confidential environment, freedom of movement within and out of the country,	2/16/2022 7:37 PM

freedom of debate, freedom of access to information, freedom to dispose of the money in my bank account.

87679	It hasn't affected my life negatively but has given me hope that we can rise above this insanity from our lying medical system and our tyrannical gov.ts	2/16/2022 7:31 PM
87680	It has created hope	2/16/2022 7:18 PM
87681	It inspires me to keep striving in the advocacy work I do in support of a decent quality of daily living for children and adults in Canada who — only because of specific types of illnesses, injuries, and disabilities — suffer severe neglect, discrimination, social isolation, and inequitable (or close to zero!) access to necessities of life.	2/16/2022 7:16 PM
87682	Best thing that ever happened and I cried with joy when I learned of it	2/16/2022 7:14 PM
87683	Made me happy	2/16/2022 7:13 PM
87684	it has added more division. it hasn't otherwise affected my life	2/16/2022 6:53 PM
87685	Embarrassed that such disgusting privilege is being shown by citizens of my country. Nazi and Confederate flags have no place in Canada. Just writing those things, I can feel my blood pressure go up.	2/16/2022 6:37 PM
87686	Not at all	2/16/2022 6:14 PM
87687	given a sense of freedom and voice to stop all the unlawful covid mandates	2/16/2022 5:43 PM
87688	They have provided hope that our freedom will prevail over political control and divisiveness.	2/16/2022 5:41 PM
87689	It has not. I feel that people have the right to express themselves. Of course, they need to be considerate of their fellow citizens.	2/16/2022 5:24 PM
87690	They have given me hope!	2/16/2022 5:23 PM
87691	Not much.	2/16/2022 5:22 PM
87692	I hate the Trump fuckers and the Tea party libertarians more than ever	2/16/2022 5:06 PM
87693	It brought some hope to me, and it showed me that there is a lot of people that are feeling the same way. I support them 100%.	2/16/2022 5:01 PM
87694	positively. provinces are reversing mandates. thank god for them.	2/16/2022 4:56 PM
87695	I am proud that they fought for the freedom of these mandates that are affecting so many small business, our youth and seniors. There was not violence and that is our right and freedom as Canadians to peaceful protest when we see something wrong.	2/16/2022 4:52 PM
87696	Not at all, just that they are trying to stand up for small business.	2/16/2022 4:48 PM
87697	It has given me hope.	2/16/2022 4:47 PM
87698	It hasn't.	2/16/2022 4:38 PM
87699	It has given me hope that freedom will be returned to our wonderful country of Canada. Courage is infectious. My admiration of the truckers knows no bounds!	2/16/2022 4:01 PM
