I have been watching everything religiously since the day Chris Barber did his pre-trip. What I have felt from our own government on the other hand is exactly the opposite both on the federal and provincial level.	2/18/2022 8:41 PM

49402	It has given me hope for a future of more freedom and less corruption in government.	2/18/2022 8:40 PM
49403	Confused, embarrassed and upset with our Federal govt for allowing a peaceful protest to become a major decisive protest that expanded to huge numbers involved. Realized that Trudeau has a very dangerous agenda and we as Canadians don't matter! A peaceful protest approached with enacting the war measures Act is extreme, and totally unnecessary! All the violence is from the police officers - the peaceful protesters are singing O Canada out of respect for freedom! I'm totally disgusted!	2/18/2022 8:40 PM
49404	Made me realize media & government don't listen to the people and collude to demonize opposing opinions	2/18/2022 8:40 PM

49433	Given hope in a hopeless era	2/18/2022 8:39 PM
49434	I've been worried about the wellbeing of loved ones in Ottawa. One child can't access his special needs daycare and an adult is unable to go to his construction job downtown. A friend who lives close to the red zone finds the protests stressful and intimidating.	2/18/2022 8:39 PM
49435	It gave me more courage and boosted my moral. Made me HAPPY.	2/18/2022 8:39 PM

49447	Given hope and sense of purpose and belonging. Unity for choice. Trying to end the segregation and discrimination. Fighting to keep Canada a free country!	2/18/2022 8:39 PM
49448	It initially gave me hope and made me proud that both groups (v and non-v) were re-uniting. I'm sad that the lack of action and communication by our so called leaders led to what it has become and that a few rogue people are the sole focus of main stream media.	2/18/2022 8:39 PM
49449	I feel hope and lots of love	2/18/2022 8:39 PM

49456	We were involved - the live and unity I experienced in OTtawa has forever changed my life Restored my hope in reclaiming our sovereign right to freedom and perhaps seeing my children and grandchildren again. Our entire family is vaccinated and we live with concern about their health and well-being. Will we be burying our children and grandchildren I pray not	2/18/2022 8:39 PM
49457	Made me see how truly terrible our pm is and how he cares nothing for his people	2/18/2022 8:39 PM
49458	Being able to see that it is possible for the people of the country to come together and prove that being peaceful is completely possible to be a mentor for other countries makes me so proud to once say I'm Canadian again	2/18/2022 8:39 PM

49463	Amazing the unity and love and thankful for the truckers risking their lives to fight for our freedom and last chance to save Canada as a democracy!!!! It's been a peaceful protest! Trudeau is a tyrant and communist!	2/18/2022 8:39 PM
49464	It has not affected me a bit as I was prepared to stand with them, even if it was just virtually. I admire the truckers for fighting for our God-given rights!	2/18/2022 8:39 PM
49465	Gave me hope. No one else was making a difference	2/18/2022 8:39 PM
49466	Gave me hope that things will get better.	2/18/2022 8:39 PM
49467	It is awesome it has brought me hope I attended several personal ones in my own city and I've never felt so liberated and encouraged and supported in freedom for our rights and speech in Canada. Right now watching the news and how the police are treating the peaceful protesters and arresting the organizers is absolutely horrific evil and very disturbing. Mr. Prime Minister needs to face his people grow some balls and listen to the people. His days are done his power is done I'm embarrassed to have him as my leader!! Get rid of him. The truckers have been more of a leader than our Prime Minister. For once I see unity in Canada with a trucker convoy for once I see peace and love and excepting of everyone. I fully support the trucker convoy because they're raising some noise and they need to be heard they are representing all of us	2/18/2022 8:39 PM

In almost every home I know actually! The worlds happy tears bucket is now a lake♥ Well was until today . I've been with my husband since I was 16 I'm 52 and I've only ever seen him cry once before ,like I did today. That was when we lost our daughter , her name was HOPE. She would be 24 if she were here! This movement gave us HOPE for the lifestyle we remember and long for. It made life worth living again for us and many around the entire world! Please hear us and help us! I taught my children they could always count on and trust the police..... Even that changed today.PLEASE HELP!🙏 My husband said why are the other politicians allowing him to carry on in this unlawful way? Why is no one doing their job and standing up for our Charter Of Rights And Freedoms???	2/18/2022 8:38 PM

Canadians vote on Canadian Mandate - February 2022

49525	Everyone is feeling more optimistic that there is a light at the end of the tunnel. We all hope that with peaceful protest and a display of love and unity in large numbers that maybe the government of Canada might care to speak with it's citizens. The truckers kept things peaceful and tried very hard to follow the rule of law to the point where new laws were put in place just to have an excuse to arrest or charge them. I have never been so proud to be Canadian.	2/18/2022 8:37 PM
49526	It's given me hope	2/18/2022 8:37 PM

49539	Hope	2/18/2022 8:37 PM
49540	Jason Kenny got rid of the restrictions exemption program which has allowed more customer to come in, and did give me hope for humanity, until Trudeau put in the emergency act for a peaceful protest and has taken away Canadians rights again! I don't know how he can be allowed to do this and then shut down parliament so that they can't debate!! Is the government not supposed to work for the ppl? We are supposed to be a free country! I have had COVID unvaccinated and was less sick then my vaccinated friends. How can you push something that science shows does not work?!	2/18/2022 8:37 PM

49562	Gave me hope that maybe our politicians would listen to those of us who have suffered for the last two years with no end in sight and no hope	2/18/2022 8:36 PM
49563	It's brought a renewed hope. I have cried tears of happiness to see all these men and woman come together in unity to fight for a cause close to my heart.	2/18/2022 8:36 PM

49570	Gave me hope, only to be smashed by TRUDEAUS ineptitude	2/18/2022 8:36 PM
49571	I live downtown and they haven't affected me negatively one bit, not since day 1. My family and I have slept soundly. Every one of our interactions with the truckers has been peaceful and respectful. The only issues we've had with traffic were, interestingly, not on roads with truckers, who always made sure to keep one lane open, but on roads and at intersections that were completely closed by police and enforcement officers. The traffic and chaos in downtown Ottawa has seemingly been engineered by our politicians and police forces. This coming from someone who lives and works in downtown Ottawa.	2/18/2022 8:36 PM
49572	It hasn't	2/18/2022 8:36 PM
49573	It hasn't but I am glad somebody is doing something.	2/18/2022 8:36 PM

The Covoy brought the whole world together. I will forever be changed and touched by these Brave Courageous Truckers fighting for our Freedoms and standing up to this Corrupted PM and Government. God Bless Them!	2/18/2022 8:36 PM
49576	It has given me hope that freedom will return.	2/18/2022 8:36 PM

49605	True heroes, I feel so badly for them True Canadians Tamara Lich, , Chris Barber , Mr. Pat King I'm so proud of you.for standing up for a largely indifferent population - I'm sorry	2/18/2022 8:36 PM

49610	The convoy gave us hope that maybe just maybe we can have our opinions heard. Maybe there is the light in tunnel and to know that most Canadians have similar opinions made that hope feel very real. Most of all it showed us Canadians how corrupted our leader Prime Minister is!	2/18/2022 8:35 PM
49611	Gave me hope things might change. I lost confidence in the government and worried we are going to become a communist country due to the government reactions to the peaceful protests	2/18/2022 8:35 PM

49616	They have given me hope in this corrupt world. I stand for what they have brought forth.	2/18/2022 8:35 PM
49617	My husband and I drove part of the way. I saw a woman telling us "thank you", which was overwhelming. It made me weep. It gave me hope back and a sense of belonging that the government tried very hard to take away from me by treating me like a minority for not getting vaxxed.	2/18/2022 8:35 PM
49618	Has gave myself and other Canadians hope that this obscene abuse of governmental authority will come to an end.	2/18/2022 8:35 PM

Renewed my pride in our country (with the exception of the government and main stream media)	2/18/2022 8:35 PM
49628	It the happiest and most supported I have felt in 2 years. Disgusted in Trudeau. Horrible human.	2/18/2022 8:35 PM
49629	I have never been more proud to be a Canadian in my life. I am so proud of the truckers and all they've done to stand up for our rights and freedoms, arbitrarily taken away from us by the current Federal government.	2/18/2022 8:35 PM

It has made the government aware for the first time in 2 years that we as Canadian citizens are not happy with the way this pandemic was handled.	2/18/2022 8:35 PM
49634	Unify the country feel proud	2/18/2022 8:35 PM
49635	The truckers convoy has given me hope that there are still a lot of down-to-earth and clear-thinking Canadians who are willing to stand up for our freedoms. However I am also discouraged by so many Canadians who follow the Government and media mainstream thinking on FAITH. Faith that they are being looked after, following all the rest, like lemmings. They are not following the science. They are following the herd. Those who object to mandated vaccines are the ones who are actually doing the research, educating themselves, using common sense. A wise man recently told me "no one understands the currents better than the one swimming against it." However I am encouraged to see Canadians who are protesting and being arrested, generally acting peacefully and not being violent. Despite being not listened to	2/18/2022 8:35 PM

and being unacknowledged by our government. And Being described as the fringe, by an infantile, spoiled brat prime minister.

I'm ever so grateful I can not express enough how thankful I am.	2/18/2022 8:32 PM
49729	Given us all hope for the future	2/18/2022 8:32 PM
49730	Disruptive to my freedom and has made a laughing stock of my country.	2/18/2022 8:32 PM
49731	Made me feel empowered to be Canadian again	2/18/2022 8:32 PM
49732	It has given me hope that the people will demand an end to this peacefully and these politicians will actually have to engage in conversation and scientific debate	2/18/2022 8:32 PM
49733	Not at all. It made me happy to see so many people band together.	2/18/2022 8:32 PM
49734	It gave us hope that our freedom would be restored at last! Participating in a local truckers Convoy was the most patriotic and happiest I have felt in my nearly 6 decades as a Canadian. Nothing but love, hope, kindness, sharing and peace! They are heroes!	2/18/2022 8:32 PM
49735	Initially I didn't care. Everyone has a right to peaceful protest. But they went too far. Everyone has heard the message and understands how they feel. But nobody has the right to take away the rights of others which has what this has resulted in. The message of these protestors has been tarnished permanent. All "sane" and "normal" Canadians are all rolling eyes at some of these people.	2/18/2022 8:32 PM
49736	It hasn't affected my life but glad there standing up for Canada	2/18/2022 8:32 PM
49737	Gave us hope!	2/18/2022 8:32 PM
49738	Scary times we are living in, added stress to an already stressful and sad situation.	2/18/2022 8:32 PM
49739	my spirits have never been so high watching all those people enjoying togetherness without fear, intimidation, shame, enjoyment of being able to stand as 1. Absolutely fills me with hope in ending the stigmatized feelings.	2/18/2022 8:32 PM
49740	It gave me hope and for the first time in 2 years, I didn't feel like I need to move away from Canada	2/18/2022 8:32 PM
49741	Feeling hopeful again!	2/18/2022 8:32 PM
49742	Rising price of goods and services	2/18/2022 8:32 PM
49743	Created a hopeful community. Inspired. Hope for future of Canada. Unity with fellow Canadians	2/18/2022 8:32 PM
49744	No	2/18/2022 8:32 PM
49745	It has given me some hope that things might change.	2/18/2022 8:32 PM
49746	Noise, stress, wondering how people can be so ill informed and ignorant of Canadian law	2/18/2022 8:32 PM
49747	I felt joy and part of something. Something I haven't felt in a while in society apart from my everyday life with my family. I just want to stop feeling like I'm the problem in this society, and this trucking convoy help bring like minded people together. I realized we weren't as small of a minority as our PM made it out to be. I felt hope and still do. I'm so forever thankful to these trucker for putting up a strong fight and standing up for what is right	2/18/2022 8:32 PM
49748	Stand up for freedom, we're not puppets	2/18/2022 8:32 PM
49749	Give me hope, get the freedom back.	2/18/2022 8:32 PM

49756	I have a renewed respect for the Canadians to stand up for what is right and show the courage to face the criminal government	2/18/2022 8:32 PM
49757	Waste of time	2/18/2022 8:32 PM
49758	It has brought me hope and a long desired voice to stand with to hold governments accountable for the despicable state it has become. I have hope of returning to work and finding people who care for me even if we have different views on things.	2/18/2022 8:32 PM
49759	It has brought me and my family hope, my kids love seeing it the happiness. Bring the country together was the best thing they could have happened. They brought a smile back to my face just seeing how they cared for the country and finally standing up and using their voices and freedom to protest.	2/18/2022 8:32 PM
49760	Exposed me to cheerful, purposeful people for the first time in two years!	2/18/2022 8:32 PM
49761	For those with the emotional intelligence in the convoy who are asking for all Covid restrictions to be lifted with peaceful intent ... greatly support	2/18/2022 8:32 PM
49762	I had hope for the first time in 2 years when the truckers took a stand. They did so against an unconstitutional government who insisted on mandating them, when logic is that it wasn't necessary. Fighting for the freedoms Canadians used to have. This government is a disgrace. The hate speech that has come from Trudeau is unprecedented from any other political leader in the history of Canada. I completely support the trucking convoy and we all should, or fly in the face of communism.	2/18/2022 8:32 PM
49763	Gave me hope	2/18/2022 8:32 PM

49769	Gave hope the government might listen but I was wrong	2/18/2022 8:31 PM
49770	Not one bit.	2/18/2022 8:31 PM
49771	Not enough yet. Keep it going	2/18/2022 8:31 PM
49772	Made Canada have hope again. We've all had enough of this virus and the subsequent government control. We're 90% vaccinated for God's sake. The ones who do not want it, should not have to take it. Period. Let the people go.	2/18/2022 8:31 PM
49773	Peace and Hope	2/18/2022 8:31 PM
49774	Is giving me hope and awareness that there are many others feeling frustrated and ready end mandates.	2/18/2022 8:31 PM
49775	I am proud that they figured it out before any more of Trudeau's victims succumb	2/18/2022 8:31 PM
49776	Made me feel hopeful and not alone	2/18/2022 8:31 PM
49777	It's brought JOY, smiles people talking to each other. It's brought our country back together. It's the most amazing thing that's happened to Canada. And they have kept peaceful and family friendly. They have done there very BEST for us and our Children. They are HEROES. My son said maybe I do have a future. Don't tell me these Truckers aren't making an impact for the GOOD.	2/18/2022 8:31 PM
49778	Huge ,, the truckers brought the country together. And I will keep on trucking	2/18/2022 8:31 PM

49795	Made it better	2/18/2022 8:31 PM

49800	I feel like someone is finally on our side and given us hope for the first time in 2 years, also has united us together I felt proud to be a Canadian again, until today watching the treatment of these brave truckers standing up for all of our freedoms peacefully and being run down by horses, beaten with the butt of a rifle, bear sprayed, vehicle windows smashed disgusting treatment of peaceful protesters I am ashamed of the police and our so called Government right now.	2/18/2022 8:30 PM
49801	Uplifting	2/18/2022 8:30 PM

49807	They have exposed just how tyrannical our government is and how the do not care about the people at all they just keep dividing us.	2/18/2022 8:30 PM
49808	Given me among many others hope for Canadians that we may still have something left of Canada where people (are supposed to) have a life free of unethical human oppression and to nourish and sustain human life.	2/18/2022 8:30 PM

49816	It has not affected me	2/18/2022 8:30 PM
49817	I have hope for the first time in almost 3 years. It has been amazing to see so many people from so many walks of life all come together peacefully and make their voiced heard, even though they are being ignored by our government.	2/18/2022 8:30 PM
49818	with hope	2/18/2022 8:30 PM
49819	Hope	2/18/2022 8:30 PM
49820	Indirect effects caused by the convoy exposing cracks in our democratic system leading to a further lack of faith in our elected members of Parliament.	2/18/2022 8:30 PM
49821	At first I was with them but there must be an end I don't agree with the noise and disturbing	2/18/2022 8:30 PM
49822	It hasn't affected my life negatively in any way! I support freedom fighters as long as they're being respectful, but I know the news media is not helping in any way!	2/18/2022 8:30 PM
49823	It has given me hope that someone is able to speak for me as I do not have the ability to do so myself because of finances and living situations. I do not feel that ANYONE in parliament is listening to the people of this country. We are done being told what to do!	2/18/2022 8:30 PM
49824	Hasn't	2/18/2022 8:30 PM
49825	it brought a new hope for restoring our freedom and has brought me to closer to "like minded" people who share in my frustration.	2/18/2022 8:30 PM
49826	Not	2/18/2022 8:30 PM
49827	They have given us so much hope when we had lost our way. To witness the darkest day in Canada's history.. tear gas, violent arrests, people trampled by horses, arrests for walking down the street with a flag... pure tyranny. We know our government is corrupt to the deepest levels.	2/18/2022 8:30 PM
49828	I am troubled by how the government has treated the people participating in the convoy	2/18/2022 8:30 PM
49829	Brings me hope and has given me the feeling that I used to have - to be proud to be Canadian. For the past two years I have been embarrassed, confused and sad. We haven't been treated correctly and the "science" has been completely one sided. Other experts that were/are agaisnr the narrative have been silenced and all seemed hopeless. The convoy has reignited my faith in humanity	2/18/2022 8:30 PM
49830	It gave me hope	2/18/2022 8:30 PM
49831	Gives me a glimmer of hope for Canada	2/18/2022 8:30 PM

49835	It has given me hope	2/18/2022 8:30 PM
49836	Positive ! Hope for the future. Feels like finally people feel the same way	2/18/2022 8:30 PM
49837	It's given us all hope for a future for our children.	2/18/2022 8:30 PM

49844	It's fantastic to see people taking a stand for our rights!!	2/18/2022 8:30 PM
49845	They have helped my family and I feel included and not cast aside by society, when some of the mandates were lifted it was a sigh of relief, and it is bringing to the forefront how horribly this country is being ran	2/18/2022 8:30 PM
49846	Gave us all hope that there is an end to this sham	2/18/2022 8:29 PM
49847	Nice to see Canadians standing up for our rights	2/18/2022 8:29 PM

49850	Not at all.	2/18/2022 8:29 PM
49851	It's given me hope and reignited my pride in being Canadian.	2/18/2022 8:29 PM
49852	Hope & will to fight back	2/18/2022 8:29 PM
49853	It's made me proud to be Canadian again	2/18/2022 8:29 PM

49855	Is giving me hope for Canada	2/18/2022 8:29 PM
49856	It hasn't	2/18/2022 8:29 PM
49857	For the first time in 2 years, I feel proud to be a Canadian. That is until today with the recent news of arrests being made and protesting being made to stop- yet another attack on our rights and freedoms.	2/18/2022 8:29 PM

49861	It gives me hope.	2/18/2022 8:29 PM
49862	Support 100%	2/18/2022 8:29 PM
49863	It has not, other than given me hope for freedom.	2/18/2022 8:29 PM
49864	It is evident that this group of well organized "blue collar" workers are making a difference in finally getting actions that shows that our our elected politicians should have been been at the forefront - but they forge they work for our benefit	2/18/2022 8:29 PM
49865	Gave my family hope	2/18/2022 8:29 PM
49866	Helped me to see that most Canadians want freedoms back	2/18/2022 8:29 PM
49867	The convoy of truckers has inspired hope that the voices of truckers, other protesters and many Canadians would be listened to by the federal government. To me this convoy stands for the rights and freedoms of Canadians. I am appalled at our governments unwillingness to even have a conversation with protesters. The Emergency Act is also unconstitutional and should not be permitted. In general the protest has been peaceful and respectful and this is to be allowed in a democratic society. So it appears that Canada is no longer democratic and I will not continue to live in Canada if democracy and basic rights to freedom are not restored to all Canadians	2/18/2022 8:29 PM

Canadians vote on Canadian Mandate - February 2022

49868	Given me hope to regain a free Canada	2/18/2022 8:29 PM

49874	Never	2/18/2022 8:29 PM
49875	The trucking convoy has given me hope, most importantly, knowing that I am not alone. That other people are going through the same hardships I have and that there's a good number of us who KNOW that what is happening with all these mandates IS NOT GOOD. I am not selfish and I am not a conspiracy theorist.	2/18/2022 8:29 PM
49876	Hasn't, but I support them	2/18/2022 8:29 PM
49877	The Convoy has given me hope and made me proud to be a part of Canadian unity.	2/18/2022 8:29 PM
49878	I went to Ottawa to support the truckers as they were providing a glimpse of hope. I realized I was not alone, it brought me back to life until today, Feb. 18th!	2/18/2022 8:29 PM
49879	It's been on my mind because people just want to be able to get back to living their lives and being with their loved ones	2/18/2022 8:29 PM
49880	not at all. I want mandates lifted and our freedoms returned. I do NOT support Trudeau's goal of total tyranny. I don't want my country to go along with the global reset. I hope some justice will come out of the trial going on in Brussels and elsewhere in that perpetrators of this great Crime Against Humanity will sere time in jail or the death penalty.	2/18/2022 8:29 PM
49881	Restored a bit of hope	2/18/2022 8:29 PM
49882	Motivational, Freedom, help create a better life for my kids	2/18/2022 8:29 PM

49887	Hope	2/18/2022 8:29 PM

49891	Less supply's	2/18/2022 8:29 PM
49892	They are patriots. The Governments, their Agents, the Local Police, RCMP and Mili have shown their allegiance, and that's not to Canada or Canadians. The next steps are going to make global history.	2/18/2022 8:29 PM
49893	It has made me proud to be a Canadian. I honour what they are doing. It appalls me what our current politicians are doing! Especially invoking the emergency act. Actually as I'm watching what is going on, it gives me anxiety and scares me.	2/18/2022 8:29 PM
49894	I have much more hope for the future since the convoy started. And it's made me realize that their are a lot more people out there whether they are vaccinated or not, who are also against mandates	2/18/2022 8:28 PM
49895	Woke up to government and media corruption	2/18/2022 8:28 PM

49896	Nothing but positive	2/18/2022 8:28 PM
49897	I'm praying for them	2/18/2022 8:28 PM
49898	I have never been so proud to see the unity & coming together of Canadians if all walks of life. So disheartening to see the way our PM has handled this situation !! He could have just talked with them!!! Now people are being beaten & trampled by horses for protesting peacefully ? Why didn't he meet with them??? So disgusted with the liberal government right now !! These truckers have given me hope for unity & freedom again one day.	2/18/2022 8:28 PM
49899	It makes me ashamed to be Canadian. They are a racist, uneducated, hateful group led by white supremacists.	2/18/2022 8:28 PM

49907	It has not directly impacted my life, but has provided a measure of hope that the mandates could be discontinued sooner rather than later due to their assembling in Ottawa in peaceful protest.	2/18/2022 8:28 PM
49908	They made me feel hopeful and proud of my people.	2/18/2022 8:28 PM

49925	They are heroes for standing up to a dictatorial , draconian set of rules that are creating a VERY dangerous precedent for democracy and citizens' rights on the future. The convoy is made up of tax paying citizens and we ALL have the constitutional right to protest and stand	2/18/2022 8:28 PM

up for what we believe or think is wrong. The narrative from the government against the convoy is DISPICABLE and the Prime Minister has overstepped his authority . I as a registered voter submit a Vote Of NO Confidence against him. SHAME.

49926	I drive a truck too! probably the best thing that has happened in years. I'm not worried about being short of anything for the time being.	2/18/2022 8:28 PM
49927	It has brought so many like minded Canadians together. We want choice and freedom of our own bodies and children's bodies. It has given me hope. These things need to stop now! We want freedom.	2/18/2022 8:28 PM

overreaching government will come to an end. And that Trudeau will be held accountable for profiting off of these vaccines. It is a conflict of interest because he is a shareholder in the company that does the nanoparticles for the so-called covid "vaccines".

49975	It has allowed the people to try and communicate with government. We pay for everything, even the clothes they wear. All governments are disconnected from people crying for democracy. It is not an overthrow but a call to politicians to wake up and do their jobs. But the people believe that job description has been rewritten to become autocratic and controlling and there only one narrative that if not followed will have dire consequences. The Emergency Act is to help create the social credit program. Obey and you can access your bank account and money and own property. Trudeau is the poster child for WEF.	2/18/2022 8:27 PM

49982	It didn't have a direct effect on us as we were away but we totally supported the cause. It was shameful the way the news treated it and we had to watch American Fox News stations to get	2/18/2022 8:26 PM

any idea of what was going on. The lies and distortion from the liberal media is disgusting and the PM reaction and handling of it is worse. No attempt to meet with the truck convoy to see what he could resolve but rather went into hiding and called them names and low life citizens. Trudeau needs to step down...he's shown he can't resolve issues that effect Canada but rather divisive talk and hatred.

50129	The Trucker Freedom Convoy : Has given me hope that this country is not taking this lying down. Thank-you Truckers for going all the extra miles to stand up and fight . There are so many Canadians behind you . It isn't hard to see that a major injustice has occurred in the past 2 years. Awsome to see someone standing up for our freedoms . 50153	My province has loosened some restrictions which lowered my anxiety levels.	2/18/2022 8:22 PM

50155	Good to see people who are able to stand up for our rights and freedoms. Some faith in humanity has been restored but I am doubtful it will make an impact because the PM has already made up his mind about the future of Canada.	2/18/2022 8:22 PM
50156	canadian pride and admiration	2/18/2022 8:22 PM

50159	It hasn't it.	2/18/2022 8:22 PM
50160	The truckers have given me hope. I think arresting protesters goes against the very definition of a democratic country. If you can't protest in Ottawa - our government city - there is something seriously wrong.	2/18/2022 8:22 PM
50161	Support	2/18/2022 8:22 PM

50167	It hasn't it's given me hope that good will prevail	2/18/2022 8:22 PM
50168	Thanks to the trucking convoy, I saw hope in ending the unfair treatment I've been getting since the government decided to penalize and alienate any healthy Canadian who made a medical decision that is different than what they pressured you to do. I was gradually moving on from my stress-induced anxiety until the government unlawfully crackdown on peaceful protesters from the convoy.	2/18/2022 8:22 PM

50195	Given me hope. Felt saddened by the government crushing these heroic peaceful Canadians	2/18/2022 8:22 PM
50196	Given me hope that a voice that has been silenced for too long will be heard. The Liberal government is a lost cause and the official opposition has not done their job for the last two years and now expects the convoy to trust them and just stand down. Too little too late in all aspects of government.	2/18/2022 8:21 PM

50234	Provided much needed hope!! Hope that Government would be able to see a bigger picture than a four year term!!	2/18/2022 8:21 PM
50235	It has shown that negative impact and scope of these covid measures has been experienced by a large portion of the population and has brought an organizational element to this. People now know for sure that they are not a minority.	2/18/2022 8:21 PM
50236	Gave us all hope that democracy might still survive.	2/18/2022 8:21 PM
50237	Giving me hope	2/18/2022 8:21 PM
50238	Makes me feel even more powerless and embarrassed by the people	2/18/2022 8:21 PM
50239	Gives me hope that there are more of us out there who believe these mandates need to end and will stand up to get our freedoms back.	2/18/2022 8:20 PM
50240	It's given me hope that Canadians can come together and make canada as great as it was before Justin trudeau	2/18/2022 8:20 PM
50241	Giving me hope to see people actually standing up for our freedom	2/18/2022 8:20 PM
50242	It has given me hope and lifted my spirits. I felt so alive and renewed at the energy the convoy gave us	2/18/2022 8:20 PM
50243	Given hope and purpose to go on	2/18/2022 8:20 PM
50244	It is a travesty that these hardworking people have had to try to stand up for their and all peoples rights and freedoms against tyrannical politicians. The protesters have made me proud and have restored some of my faith in humanity.	2/18/2022 8:20 PM
50245	It brought me hope.	2/18/2022 8:20 PM
50246	It made me realize that many other people felt the way I do	2/18/2022 8:20 PM
50247	None directly but does give hope	2/18/2022 8:20 PM
50248	I have hope	2/18/2022 8:20 PM
50249	I feel like it has brought Canadians back together to fight for our freedoms that the government has taken away for so long. I have hope and pride in our country which hasn't been there for some time.	2/18/2022 8:20 PM
50250	My heart is with them and I pray they will not be harmed by their brave act of courage.	2/18/2022 8:20 PM
50251	It's given me hope. Excitement, unity, and Canadian spirit	2/18/2022 8:20 PM
50252	I am so proud that they are standing up for our freedoms. Never felt patriotic as much as I do now, watching them risk everything for Canadians. The world is watching.	2/18/2022 8:20 PM
50253	It's the first thing that has given me hope in 2 years. But the unity the respect the love I've seen within the thousands of live streams I've watched has been nothing short of inspiring. But having said that, now that I've gotten more knowledgeable within the realm of politics and have watched Justin Trudeau cause havoc and chaos in this country and I've seen endless tyranny and name calling and unlawful acts on his part BECAUSE of this movement , I now realize what a tyrant he is. And this affects my entire soul knowing he has done what he's done to this country. Although the truckers instigated my new found knowledge and it's hurting me deeply, I'm also glad to be awake to the truth now.	2/18/2022 8:20 PM
50254	It hasn't affected my life. They are standing against all mandated which are unlawful.	2/18/2022 8:20 PM
50255	A overwhelming sense of Pride!!!!	2/18/2022 8:20 PM
50256	I'm disappointed these people are Canadian. I would have supported a short, peaceful demonstration against mandates, but terrorizing a city for three weeks with some idiots who	2/18/2022 8:20 PM

thought flying a Confederate flag has completely drained that.

50257	It hasnt	2/18/2022 8:20 PM
50258	It hasn't, they're standing up for our rights.	2/18/2022 8:20 PM
50259	They was peaceful	2/18/2022 8:20 PM
50260	Not sure	2/18/2022 8:20 PM
50261	I believe the truckers and the people supporting them are the only ones who have made an impact on the world and had positive influence. They have been peacefully asking that these inhumane regulations be discarded. They have borne no laws. It has brought joy to me and my family to see people fighting for the freedom that we deserve. Canada is supposed to be free, right now it is not. The effect these truckers have on us is not negative, they need to be listened to.	2/18/2022 8:20 PM
50262	The convoy is the first thing that has given me hope in two years. People have threatened to harm me physically and attempt to harm me psychologically everyday. The liberal governments censorship of social media has left me feeling isolated, alone, and helpless.	2/18/2022 8:20 PM
50263	It hasn't affected me personally. To me, they're being made to be criminals when all they want is the ability to make a choice of what they choose to put in their bodies. No one should be forced or mandated. Strongly recommend, sure! But not forced. For over 2 years, I've done everything possible to keep my family and myself safe. We wore masks, social distanced, washed our hands, sanitized surfaces etc. I have gotten many vaccines throughout my life but never have I been forced into doing it.	2/18/2022 8:20 PM
50264	It has given me hope and has changed my life and kids life for the positive.	2/18/2022 8:20 PM
50265	It has not and GoTruckers	2/18/2022 8:20 PM
50266	Give us hope.	2/18/2022 8:20 PM
50267	Hasn't affected me at all	2/18/2022 8:20 PM
50268	It has given me hope.	2/18/2022 8:20 PM
50269	Positive way- I'm glad they have the courage to do this!	2/18/2022 8:20 PM
50270	Not	2/18/2022 8:20 PM
50271	It gave me hope then I watched how our government became tyrannical in their policies and how police are beating peaceful protestors. Canada has fallen.	2/18/2022 8:20 PM
50272	It's given me hope	2/18/2022 8:20 PM
50273	None	2/18/2022 8:20 PM
50274	Made me proud of them !	2/18/2022 8:20 PM
50275	Cannot believe what our law enforcement on behalf of Trudeau is willingn to do to our Freedoms! DISGUSTED	2/18/2022 8:20 PM
50276	It has given us a sense of freedom and has taught us to fight for our right and get rid of Trudeau	2/18/2022 8:20 PM
50277	At first it gave me hope. Now since Trudeau's speeches has me fearful for our country. He is destroying it and everything It stands for.	2/18/2022 8:20 PM
50278	Une lumière au bout du tunnel	2/18/2022 8:20 PM
50279	The Tuckers convoy restored my faith in Canadians and that we are going to be a big part of this crucial situation fir humanity.	2/18/2022 8:20 PM
50280	Gave me hope for democracy	2/18/2022 8:20 PM
50281	Hopefully they can succeed in getting mandates dropped. Nice to see how much support is out there to get them removed	2/18/2022 8:19 PM

50287	The most united I have felt in 2 years	2/18/2022 8:19 PM
50288	Made me remember how much pride Canadians still have	2/18/2022 8:19 PM
50289	Because united Canada in the most positive way. The unity exceeds what you see for Olympic hockey or Stanley Cup win!	2/18/2022 8:19 PM
50290	Got to see how many people are united. That is inspiring	2/18/2022 8:19 PM
50291	It has been a source of hope for freedom	2/18/2022 8:19 PM

50297	I feel hope again	2/18/2022 8:19 PM
50298	With pride and honour	2/18/2022 8:19 PM
50299	It angers me to no end that they have abused our flag and placed children at risk. Unforgivable and I will do everything I can to be involved in the next election to ensure the parties that supported the convoy will lose their seat in parliament.	2/18/2022 8:19 PM
50300	It has given me hope, and renewed my faith that good people are more than bad ones. I have felt connected to all Canadians for the first time, without thinking about our differences.	2/18/2022 8:19 PM
50301	It made me believe in something again.	2/18/2022 8:19 PM
50302	Positively, they have given me hope and have me proud of my country again. They have brought many people back together, and there is something very healing about seeing a smiling face and being able to hug another person. They have made me and many other realize we are not alone in all this	2/18/2022 8:19 PM
50303	No affect	2/18/2022 8:19 PM
50304	Gave me hope. Smiled everyday seeing all the people come together. Loved seeing the children smile. Loved listening to everyone's story why they were behind the truckers	2/18/2022 8:19 PM
50305	It hasint	2/18/2022 8:19 PM
50306	ITS GIVEN ME A RAY OF HOPE. THANKS TO THE TRUCKERS AND THEIR SUPPORTERS.	2/18/2022 8:19 PM
50307	It brings me great joy to see people standing up to a tyrannical government	2/18/2022 8:19 PM
50308	Freedom	2/18/2022 8:19 PM
50309	It hasn't.	2/18/2022 8:19 PM
50310	It has been a tremendous bringing together of provinces that there has been great divisiveness between. It provided hope, and unity. I am disgusted with the PMs lack of willingness to answer any question in Parliament, and his strong armed response to the convoys requests. He would not meet with the other parties leaders, he was rude, demeaning and totally ridiculed on the world stage. We have gone from one of the most respected countries in the world to one of the least, when it comes to leadership. We are not a dictatorship although the Prime Minister certainly disagrees. I have no idea how trust will ever be regained, in our government to act honourably and honestly, or in our police. Their oath was to serve and protect the people of Canada. Instead they are the minions of a deranged petulant PM, not following legalities at all.	2/18/2022 8:19 PM

50403	It gave me hope! For the first time in 2 years I had hope	2/18/2022 8:17 PM
50404	It gave hope for the first time in many months. This is the fight for our freedom and the it does not end when the mandates are taken off. The whole agenda is total control of the population. It uses Covid as an excuse.	2/18/2022 8:17 PM
50405	The convoy has sparked hope for freedom. Being aware that there are so many others who feel the same way, who do not want the government to decide what we put in our bodies, vaccinated or not. It has brought joy and love into our lives.	2/18/2022 8:17 PM

It's opened my eyes to alot and made me rightfully question things... so as to not be a walking talking robot like majority of non supporters. 50420	given me hope, but I am still shocked and just can't believe what is happening in Canada! the whole system needs to change and ANYONE who either enforced or took part in the evil over the last 2 years must be accountable for the injustice and lose their jobs and pensions and be thrown in jail until they can be tried for their part of murder.	2/18/2022 8:17 PM
50421	Giving hope	2/18/2022 8:17 PM

50468	It has brought so much joy and hope. I know the govt is only going to use it to destroy us more, but the unity that it has created is amazing. We are the MAJORITY!!! We are all loving and peaceful and united ♥	2/18/2022 8:15 PM
50469	No. I support the truckers. They are our life line. Trudeau is the one who has stopped the truckers from delivering food and all essentials we need.	2/18/2022 8:15 PM
50470	Convoy give me a hope that all this I coming to an end. 2 years later we are all tired and just want to go on with our lives. Trud need to step down. Time to have Canada freedom back. I did not protest but give my full support to all people fighting for our democracy.	2/18/2022 8:15 PM
50471	Brought attention to a serious problem. But needs to be kept within the law. That's what made Canada great. I see peaceful protestors that are unfortunately breaking the law by blocking infrastructure. Use the shock and awe of making a stand to bring awareness to the issue then withdraw and use the law to fight. I see Canadians turning on each other over this convoy as well. Some for and some against. Apparently we can't just have different opinions anymore. Very sad.	2/18/2022 8:15 PM

50485	It has given a lot of people hope. Watching the hope it have given people who have struggled far more than me, gives me hope. It has at the very least pushed mire discussion in parliament, and has put at least some pressure on the government. It has also shown our Country as well as the world, Justin Trudeaus and his liberal parties true colours. They have slandered, disrespected and dismissed a huge portion of the country. I also feel angry and hurt	2/18/2022 8:15 PM

towards the other parties as well, but as the liberals are the sitting government, they need to take the blame here, and be held accountable for where we are. Once they take their responsibility, maybe others will take theirs too, and some healing can begin for us all.

50486	Give me hope	2/18/2022 8:15 PM
50487	has made me feel pride again in this country to see people standing up for our rights, Its been clear mandates, masks and the rest didnt work and its very nice everyone is seeing what the government is really up to, did nothing but separate and destroy a great country.	2/18/2022 8:15 PM
50488	Not at all. More power to those that are able to join and take part but has not affected my life in the least.	2/18/2022 8:15 PM

50496	It has given me HOPE like never before!! Praise God for these brave souls!! Our Prime Minister's reaction to this peaceful, law abiding movement is absolutely disgusting and once again, against our Constitutional rights and freedoms. So this convoy has revealed to us how corrupt and evil our government is. Justin Trudeau is a complete embarrassment to our country!	2/18/2022 8:15 PM
50497	Helped the provincial government's come to a realization that the mandate need to be dropped and is slowing people go back to work who choose not to vaccinate. Glad that their are people standing up for our freedom.	2/18/2022 8:15 PM

50506	Hearing the stories about people connecting and sharing stories, hockey, cotton candy, shovelling, statue protection, etc... has reminded me of what it means to be Canadian. For the last two years the mandates have kept me from reaching out and offering hugs, my home, food, conversation & support to my community. I have learned habits that prevent me from being the welcoming giving individual whom I was when I was not concerned about offending those who support the mandates.	2/18/2022 8:14 PM

50555	Positively, at numerous levels. Truckers' work is essential to every human beings' day to day survival. They are the, front line, in the trenches workers, from immigrant food pickers and providers of limitless essential service workers' ... Canada's front line essentials.... for all Canadians day to day lives/existence. True heroes... and paid the least salary wise. The trucking convoy has made me , once again, proud to be Canadian. This trucking convoy has put Canada positively on the global stage... .. like no other ... including any current / nor past government party. The trucking convoy has / is demonstrating true Canadian integrity.	2/18/2022 8:13 PM

50579	Gave me hope and comfort knowing that much more people felt the same way as i did about how corrupt our government has been over the past 2 years. Happy that the convoy exposed all of this corruption in the government and the main stream media for only covering what favors the liberal government. All of them should be held accountable and be apologizing to this great nation of diverse peoples!	2/18/2022 8:13 PM
50580	It gave me hope that we would gain back our fundamental rights to freedom and liberty. I fully support the trucker convoy.	2/18/2022 8:13 PM

50595	The trucking convoy gave me a little hope for a better Canada but it looks like Trudeau and his minions are making sure that won't happen.	2/18/2022 8:12 PM
50596	I realize there's many brokers there. Disturbing to see young children involved. It's like a war zone in a 3rd world country. Directly, shipments of everyday goods and supplies delayed or production disruptions somewhat affect me	2/18/2022 8:12 PM

50608	It's made me proud of my fellow Canadians who are in the convoy and or who support the convoy	2/18/2022 8:12 PM
50609	I'm encouraged to see truckers and supporters peacefully take a stand for all Canadians It's allowed me to see how our prime minister can act like a dictator without accountability.	2/18/2022 8:12 PM
50610	It has affected my life positively it gives me hope. Hope that my children can experience life, not have to wear masks and be poked with experimental drugs. Gives me hope that one day we can do what used to be able to do so freely 3 years ago.	2/18/2022 8:12 PM
50611	Gave me hope and gave me a reason to throw the musk out.	2/18/2022 8:12 PM
50612	Nothing as of now.	2/18/2022 8:12 PM
50613	The Truckers brought great hope to us. But now the way our prime minister Justin Trudeau is handing the situation, has been very stressful, and it disgusts me that he has the power to act so unlawful towards Canadians. Its not right, we need a new leader in this country, one that actually comes out and talks to Canadians when they have an opinion rather then hide away and call them the most awful names. Trudeau needs to be removed from office.	2/18/2022 8:11 PM
50614	It has given me hope which I havent had for a long time.	2/18/2022 8:11 PM

Thank you to those amazing men and women to stand up for all of us.	2/18/2022 8:11 PM
50621	Given me hope that things will change from the last two years and true democracy will come back to Canada	2/18/2022 8:11 PM

50623	If anything, this movement showed me that people need people and that we were not in any kind of danger. People who gathered showed the world that humanity is adaptable and far to important to continue living in fear.	2/18/2022 8:11 PM
50624	It has given us hope. We pray for them every day and that they are successful. They are true Canadians.	2/18/2022 8:11 PM

50651	Brought me joy, made me feel human again, my kids have never been so happy	2/18/2022 8:11 PM
50652	Not much really but I do support them and their initial goals. It is really terrible that Trudeau was not there to greet them and listen to their concerns!! They carry the same concerns as most people in Canada. If they had been listened to... then I believe that the truckers convoy would have ended quickly. They were put in a position of having to force the government to listen and this has allowed a more militant fringe group to join in. There are a lot of leaders in the trucker's convoy now and they all have their own agenda!!!	2/18/2022 8:11 PM
50653	It has shown us all a group of Canadian truckers their families, friends have moved the world . It has shown us leadership in desperation causing unnecessary violence against its very fabric of this nation.	2/18/2022 8:11 PM
50654	It gave me hope that there is still common sense left in this world	2/18/2022 8:10 PM

50666	For once in A VERY LONG TIME I feel hope and joy. No matter what the outcome the outpouring of "I AM CANADIAN" has been beautiful to see. It happened not because of government but because of the citizens of our beautiful nation coming together in unity.	2/18/2022 8:10 PM
50667	Gives me hope that comon sence is still alive	2/18/2022 8:10 PM

50670	None i hope they stay there	2/18/2022 8:10 PM
50671	My husband is a truck amd transport mechanic, his customers have decreased some as many lost their jobs for not getting jabbed. The convoy it's self has really brought out the hatred of the vaccinated towards the unvac.. I didn't think it could get any worse but boy was I wrong. It has also taught me that our government system and process is so far gone th at Canada needs a massive overhaul. Watching parliament sittings, they should be embarrassed of themselves, majority of time spent flinging insults at one another and nothing gets accomplished. The corruption runs deep and enough is enough.	2/18/2022 8:10 PM
50672	I see the citizens expressing their views which is a Canadians legal right	2/18/2022 8:10 PM
50673	Freedom , Our life's back, let's fill with the housing homeless drug problem on the streets killing people not a flu let's move on	2/18/2022 8:10 PM

50675	Not directly but disappointing to see people behaving badly and treating fellow citizens with such disdain and contempt	2/18/2022 8:10 PM
50676	The truck convoy gave me HOPE. I began to realise how hurt i had been...how isolated HOW DOWN I had been. Now, to watch our prime Minister not care...He will not listen nor speak to peaceful protesters,. Trudeau's true colours show through and they are not Canadian or democratic!!!!	2/18/2022 8:10 PM
50677	Very inspirational very proud of the trucker convoy	2/18/2022 8:10 PM
50678	Opened my heart up emenselly	2/18/2022 8:10 PM

50683	It has given me hope.	2/18/2022 8:10 PM
50684	It's wonderful. Gives hope and shows that people care enough for themselves and others to fight for what we have always believed was our right to live freely in Canada. My whole family were truck drivers, they've not always been treated nicely but they still gave their life to serving Canadians by trucking food and other essentials to give us a good life. Now the pm would have us believe they are evil. It's sickening to see him treat free born Canadians as criminals. We need a non confidence vote to happen to dispose of our present pm	2/18/2022 8:10 PM
50685	It has caused me sadness and division	2/18/2022 8:10 PM

50704	It has made me proud to see so many people standing up against these tyrannical discriminatory mandates, And it's the first time I felt a sense of help in the last two years, yet absolutely disgusted to see the police brutality, machining, the stopping of convoy funds. Our country is an absolute disgrace at the moment, I hope to one day regain relationships with my family that have been lost, due to the segregation and discrimination against unvaccinated people	2/18/2022 8:09 PM

The convoy has taught me to stand up for what is right and to be brave. Tamara and chris will be national heroes. What happened to our charter of rights and freedoms? It was excited and I felt proud.....so proud of the way they conducted themselves so peacefully! Also, discusted with the lack of Liberal government	2/18/2022 8:08 PM

50809	It's given me hope that the passports and mandated vaccine orders would be removed. No one should be forced to taken injection and end up in the shape that I'm in. The truckers were good enough to haul food clothing furniture whatever including them down vaccines for 2 years and suddenly they have to be vaccinated except for the ones that are hauling vaccines across the border. It's very suspect that that order was put in place to remove the mandate for that	2/18/2022 8:07 PM

specific reason. Truckers are not in contact with the general population, so the mandated vaccine for them in particular is stupid.

50829	It is frankly very upsetting to see our basic constitutional rights being neglected and marginalized. I have followed this situation from the outset and feel ashamed as a Canadian that our Government managed this situation so poorly. Leaders are supposed to have a number of qualities such as sound judgement, exemplary communication, integrity approachability, compassion, accountability, humility loyalty, competence, congruence among so many others. When I look at the handling of this situation, in particular by Justin Trudeau, I can honestly say he possesses none of these qualities. On a daily basis I am called upon to be a leader of people and many times need to demonstrate humility in order to gain the trust and respect of the workers under my direction and care. Justin Trudeau has avoided, since his first day in office, to demonstrate the fundamental qualities of an effective leader and I am extremely concerned for the future and well being of our great Country and the future generations.	2/18/2022 8:06 PM

convoy was the spark for that unity, love, kindness and of course our freedom to choose. Freedom to choose our medical decisions, to travel, to gather, to worship etc

50837	They are the best thing to happen in Canada for a very long time.	2/18/2022 8:06 PM
50838	It has not effected me! Most protesters are not the trucker's I think they just using the truck protest for there own agenda period!!	2/18/2022 8:06 PM
50839	No idea?	2/18/2022 8:06 PM
50840	I feel it has brought Canadians together ♥	2/18/2022 8:06 PM
50841	Has given me hope that government officials will take heed and work towards ending the mandates but it looks like we are heading to a communist state!!!!	2/18/2022 8:06 PM
50842	Not what so ever	2/18/2022 8:06 PM
50843	I am proud of them for showing the 'rot' of the Trudeau government	2/18/2022 8:06 PM
50844	It has given me so much hope! I am so proud of them. But so scared if this doesn't work what will happen.	2/18/2022 8:06 PM
50845	They have given hope and been a voice for the millions who want the mandates gone.	2/18/2022 8:06 PM
50846	Trucker Convoy has had no effect on my life	2/18/2022 8:06 PM
50847	Didn't yet.	2/18/2022 8:06 PM
50848	Hope that discussion would begin. Disgusted by Government lack of response	2/18/2022 8:06 PM
50849	It's given me hope. Hope that our PM's view of communism will never come to fruition because so many people have rallied together to fight to keep our country free.	2/18/2022 8:06 PM
50850	It hasn't.	2/18/2022 8:06 PM
50851	It has shown me how unified our country has gotten and it makes me so sad and upset as to how Our government doesn't seem to care about any Canadians	2/18/2022 8:06 PM
50852	Inspiring. But concerning as one faction of them took it too far with blockades.	2/18/2022 8:06 PM
50853	Think it's our only hope to end this massive injustice to society	2/18/2022 8:06 PM
50854	Nothing in a Meg way	2/18/2022 8:06 PM
50855	It has given me hope but now I see how the police are treating the protesters 6 cops holding down 1 man while another cop beats him with the but of an asulte rifle. What is next are they going door to door rounding the rest of us up. In other words they are causing us to live in fear. I am 69 years old and have been working since I was 14 and paying taxes only to have too live like this.	2/18/2022 8:06 PM
50856	NOT at all. THEY are standing up for EVERY CANADIAN citizen to keep our freedom	2/18/2022 8:05 PM
50857	I am so impressed by how they have conducted themselves. I support them. I am sorry the media has turned people into thinking they are anti-government....we just want to be able to live and earn a living, see our family/friends. We will always get sick, we are germ phobic now and that's bad.	2/18/2022 8:05 PM
50858	It had inspired me and my family to go to Ottawa in support and to fight to end all mandates	2/18/2022 8:05 PM
50859	Made us feel like there is hope And made us realize the controls the government is trying to have, the government is not working for canadians they are dictating canadians	2/18/2022 8:05 PM
50860	It's been good to find out who actually understands civics in Canada and who does not, who is capable of critical thinking and community mindedness and who is not, including elected parliamentarians.	2/18/2022 8:05 PM
50861	Given all Candians hope	2/18/2022 8:05 PM

50868	It has made for interesting conversation.	2/18/2022 8:05 PM
50869	Made me proud someone was standing up for our rights!	2/18/2022 8:05 PM
50870	It has given me a purpose again and a great HOPE for our nation and the world that we can stand together, restore our freedoms again to what was rightfully ours to begin with and under no way for a government to tell it's citizens how to live and be. It is liberating and I have never been more proud of my country for standing up and reminding PM Trudeau of what it truly means to be a real Canadian, and what our veterans fought for, he is willing to take away.	2/18/2022 8:05 PM
50871	They restored hope. I followed it from the start and realized that I wasn't alone - that there are a lot of Canadians that also want the mandates to end and are fed up with the ongoing government over-reach.	2/18/2022 8:05 PM
50872	Not at all	2/18/2022 8:05 PM
50873	not at this time	2/18/2022 8:05 PM
50874	Renewed my faith in people, and I really felt such pride.i was thankful.They helped to ease my depression because of the prayers and peaceful nature of the rally..I felt like someone understands about our rights and about our protecting them.	2/18/2022 8:05 PM
50875	Made me proud until the cops got violent	2/18/2022 8:05 PM

50880	Restored my faith in humanity ♥	2/18/2022 8:05 PM
50881	It gave me hope where I used to have none. It brought joy back to me. I've cried tears of joy and felt happier than I have in 2 years... I feel connected to my fellow Canadians again in a way that exceeds anything I've ever felt in my life. I'm grateful, humbled and feel blessed to have witnessed all the positivity that has come from the convoy. I'm also disgusted even more with the outspoken freedom-hating citizens of Ottawa and 100% of politicians nationally that are against this movement, their priveledge is nauseating and abhorrent, and their lack of reality about anything beyond themselves would be hilarious if it wasn't so shockingly disturbing.	2/18/2022 8:05 PM
50882	Given us hope.	2/18/2022 8:05 PM
50883	It's terrifying and makes me worry about how many truly disgusting people live among us. If anything I have learned that there are far too many people with serious undiagnosed mental health issues in our country.	2/18/2022 8:05 PM
50884	Appreciate these CANADIANS and what they are trying to do, they have given me hope and helped me with the lonliness. Any depression now is from our government, military and police actions and especially the actions of our PM.	2/18/2022 8:05 PM
50885	It gave me great joy to see the country coming together and the way a lot of people open their eyes towards the Tierney our country is facing from our government/Prime Minister Trudeau of Canada It has made me sad for the ones that want to demonize a group that poses no threat It has made me see the government in a very bad way	2/18/2022 8:05 PM

50890	Given me hope	2/18/2022 8:05 PM
50891	So far it has not affected my life. However repercussions affecting the supply chain is likely to happen for a bit.	2/18/2022 8:05 PM
50892	It hasn't. I'm still able to receive services I need, but they haven't respectfully received the ability to have a conversation with government regarding our wishes to end mandates.	2/18/2022 8:05 PM
50893	It hasn't.	2/18/2022 8:05 PM
50894	It has given me hope for the first time in 2 years... I finally feel like a connected member of society again after months upon months of the "news" constantly telling me I am alone in my opinions and attempting to fill me with fear.	2/18/2022 8:05 PM
50895	The convoy has offered HOPE & served as a great example of patriotism. I feel grateful that these people would stand for all of us & be our voice in a cry for freedom in a peaceful, non-violent way. I believe that any protesters that came across as threatening in any way were posing as supporters & not actually aligned with the original convoy - in other words, fake supporters.	2/18/2022 8:04 PM
50896	Hope	2/18/2022 8:04 PM
50897	Gave me hope	2/18/2022 8:04 PM

50909	Gave me hope in people and humanity that this may end!!!	2/18/2022 8:04 PM
50910	Helps. To try And left the mandates	2/18/2022 8:04 PM
50911	encouraged by leadership unifying the people with love respect and care, no discrimination	2/18/2022 8:04 PM
50912	I felt happy for the first time in two years. I was so excited and jumped for joy when I saw the impact they had. I have finally had hope. I don't want anything bad to happen to these people, but Trudeau has an ego and greed that makes him crazy. I almost got vaccinated at one point, but then everything was starting to not make sense and I questioned why it was so important that EVERYONE was vaccinated. Then I watched everyone who was vaccinated either injured by vaccine or sick with Covid and in the hospital. I found the truckers and realized they had a great idea to end everything. I had hope. Justin Trudeau, you need to step down or stop being in humane! You have gone way too far. I don't know if you realize that you have deeply hurt me. I come from a long line of family who either fought in World War Two or were in camps. I don't want anything like this here. I hear you speak about me in very sick ways and I hear the truckers saying that they are there for people like me. I don't want anything bad to happen to them. I have watched many videos from both sides. I only want choices. I want to be free to decide what I want or need to keep safe. The truckers have given me the strength to speak out. I felt alone until now.	2/18/2022 8:04 PM

51015	Nightmare vehicles slow rolling through my city and those surrounding, 3 weekends in a row; Uncountable right wing flags, patches and banners; Breaking windows at the farmers market when masks were required; intimidating and even assaulting retail staff, medical service providers, BIPOC individuals; confronting persons wearing masks who are just going about their day as normal; my MPs office was broken into and a staff member assaulted; the police seem to be defending the convoy, not the city.	2/18/2022 8:02 PM
51016	Made us happy and gave us hope!	2/18/2022 8:02 PM

51054	In a positive way by standing up for freedom, empowering Canadians, bringing unity to the people, giving us all a voice. It was a strong source of hope until our disgrace of a prime minister had a temper tantrum and destroyed everything Canada was founded on.	2/18/2022 8:01 PM

51064	Hasn't really affected me	2/18/2022 8:01 PM
51065	They are annoying	2/18/2022 8:01 PM
51066	Gave me hope	2/18/2022 8:01 PM
51067	It hasn't yet. Supply chains were already effected. I think that, as long as the protestors are not extremists under cover and are there to drop the barrage on our rights.	2/18/2022 8:01 PM
51068	Fear and concern for my friends and loved ones in Ottawa	2/18/2022 8:01 PM
51069	The original intent of free rights of choice are good	2/18/2022 8:01 PM
51070	Brings me joy and happiness and hope	2/18/2022 8:01 PM
51071	A ray of hope!!!	2/18/2022 8:00 PM

51075	Unsure.	2/18/2022 8:00 PM
51076	More expensive and delayed product	2/18/2022 8:00 PM
51077	It's brought people together wether vaccinated or not. It's united people to agree to disagree. It has highlighted and supporter those who have lost everything. It has opened up discussion and attention to what's important to Canadians.	2/18/2022 8:00 PM
51078	I have felt hope. They are courageous and peaceful. Trying to bring democracy back to Canada. They were kind, helpful and working together to voice their concerns about the dictatorship & oppressive government vax passes and forcing vaccines on people and children, pregnant and nursing Mothers, etc. With no data to back up their claims. The truckers are for freedom of choice. For the vaccinated and unvaccinated. For everyone in Canada. Trudeau never met with them and openly listened and considered their real concerns. Instead he called them terrorists and and lied about their behaviour. Painted them as evil. The truckers have represented hardworking Canadians who love their country and want freedom for every Canadian. The convoy has brought hope all around the world.	2/18/2022 8:00 PM
51079	these beautiful souls gave me hope and unity and a true sense of calm in my heart,xoxo	2/18/2022 8:00 PM
51080	It is giving me some hope	2/18/2022 8:00 PM
51081	Gave me hope	2/18/2022 8:00 PM
51082	As a resident of Ottawa, I have had to endure 17 hours a day of non-stop honking, verbal harassment if you are seen wearing a mask, racist insults and the economic losses to our city are even greater than when lockdowns are in place. As such, many residents are not sleeping, are experiencing increasing mental health issues, people are afraid to go out in the streets and our most vulnerable population is even more marginalized. This is pure psychological torture for the residents. This « peaceful protest » is nothing such and I would rather endure two more years of mandates than one more day of this convoy.	2/18/2022 8:00 PM
51083	It has not affected my life	2/18/2022 8:00 PM
51084	Gave hope that government would listen	2/18/2022 8:00 PM

51105	Traffic issues and polarization. I know people on both sides of this issue and neither are 100% right. I don't believe people should lose their livelihood because they don't get vaccinated. They should be able to have request rapid testing along with masks in public and be able to continue to work	2/18/2022 7:59 PM
51106	I have been in full support of them! Praying for them and happy they are trying to stick up for all of us!	2/18/2022 7:59 PM
51107	I cheer for them FOR STANDING UP AND SPEAKING UP FOR ME! The convoy hasn't affected me one bit. As far as I am concerned they should completely enclose parliament hill and let everyone stay inside where they're safe - for 2 plus years. Let them get phonecalls saying their loved ones are dying. And DO NOT LET THEM LEAVE - for their own health. MENTAL HEALTH IS IMPORTANT TOO!!!	2/18/2022 7:59 PM
51108	Not at all! It just awake the sense of freedom we lost.	2/18/2022 7:59 PM

51179	Its ridiculous and has greatly impacted the economy. The truckers have incredibly small penises.	2/18/2022 7:58 PM

51185	For now not much has we didn't get supply issues like in Ontario because of that. But it made me and my community to care more about Canadian politics and made us to pray more for all the politicians(Liberals and oppositions) as we are immigrants and we tend to keep away from Canada's politics as we always said "This is not our problem, we are just strangers here".	2/18/2022 7:58 PM

Canadians vote on Canadian Mandate - February 2022

51209	First time that I have felt a sense of unity across Canada	2/18/2022 7:57 PM
51210	I support the trucking convey 100%	2/18/2022 7:57 PM
51211	Given me some hope.	2/18/2022 7:57 PM
51212	Hasnt really affected my life! Only has brought me some joy to know there is still good people out there who are willing to stand up for their fellow neighbours and to do what's right! It was nice to see smiling faces and people hugging! It finally brought some joy to my life!	2/18/2022 7:57 PM
51213	Given me hope for my children's future and the freedoms of the people of Canada! Love the truckers!	2/18/2022 7:57 PM
51214	It brought the country together and united. It was peaceful. CBC railroaded all the truckers. But guess who bought the media? Justin Trudeau should be run out of office. To invoke emergency measures is a black eye on all of Canada. We were one of the greatest democracies in the world.	2/18/2022 7:57 PM
51215	Gave me hope that Canada could become free again.	2/18/2022 7:57 PM
51216	Hasnt	2/18/2022 7:57 PM
51217	- my family / friends living in Ottawa unable to work, get to hospital or school - I was inspired to see Canadians outside and joyful in the Feb winter at the start of the 3rd year of a pandemic... I was happy that others were happy to be a part of something. - supply chain issues, which were already affected, got worse	2/18/2022 7:57 PM
51218	Positive feeling of unity for Canadians. Proud to be Canadian prior to our PM's emergency order.	2/18/2022 7:57 PM
51219	Go Truckers Go	2/18/2022 7:57 PM
51220	Its given me hope for a better future for Canada!	2/18/2022 7:57 PM
51221	0 days	2/18/2022 7:57 PM
51222	It hasnt	2/18/2022 7:57 PM
51223	It hasn't, but it has given me hope.	2/18/2022 7:57 PM
51224	why would it	2/18/2022 7:57 PM
51225	Thought we might have some hope but after today not sure.	2/18/2022 7:57 PM
51226	Given me some hope again that not everyone in this country will be so willing to give away their autonomy and ostracize friends and family in order to comply.	2/18/2022 7:57 PM
51227	It has shed light on truly how corrupt and broken Canadian government is.	2/18/2022 7:56 PM
51228	Love it went to Ottawa. So much hope. So much love for eachother. Proud of the country we live in for that.	2/18/2022 7:56 PM
51229	It has given me hope that I will get my freedoms back	2/18/2022 7:56 PM
51230	Liberal Government is to blame.	2/18/2022 7:56 PM
51231	It hasn't affected me	2/18/2022 7:56 PM
51232	Quite negatively. I live in Ottawa. Convoy members have danced on the Tomb of the Unknown Solider, stolen food from the homeless, blocked the path of emergency vehicles and thrown rocks at them, carried Nazi & Confederate flags, as well as other racist symbols, and assaulted people. As a Christian, it has been mind-boogling - and deeply disturbing - to see people threaten murder, ostensibly in the name of the Lord.	2/18/2022 7:56 PM
51233	Just made citizens happy. Neighbour's out talking and kids laughing hoping for sports because of the large groups	2/18/2022 7:56 PM
51234	It has given me a bit of hope	2/18/2022 7:56 PM
51235	I fully support the trucking convoy! I went to Ottawa to show my support the first weekend. Had the chance to speak to many amazing truckers and fellow Canadian supporters! They are giving us hope and faith that this will turn around. END ALL MANDATES!	2/18/2022 7:56 PM

Canadians vote on Canadian Mandate - February 2022

51269	Social anxiety in my children, discrimination in public against my family, children with fear of coughing in public. Over \$50000 in wages lost in my family, and nearly impossible to live day to day with the insane inflation that's gone unaddressed as all that's focused on it Covid	2/18/2022 7:56 PM
51270	They have given me hope for our future.	2/18/2022 7:56 PM
51271	No affected	2/18/2022 7:56 PM
51272	Gave me hope for Canada.	2/18/2022 7:56 PM
51273	It hasn't	2/18/2022 7:55 PM
51274	That's a personal issue that hits very close to home with me. I was a long haul trucker for years...raised in a family that relied on my father who also was a truck driver...I hurt myself driving in 2017 and can't drive truck anymore ...however now I work as a parts person in a heavy truck repair shop. Yes it does affect me and lots of people I know. I see the division it is causing between friends and families when there is no reason to cause all this division. Before this if you wanted a flu shot you got one and if you didn't then you didn't.	2/18/2022 7:55 PM
51275	It has given me some hope in Canada And it's citizen!	2/18/2022 7:55 PM
51276	Not at all other then bringing attention to the things I feel need to be talked about	2/18/2022 7:55 PM
51277	Feel free	2/18/2022 7:55 PM
51278	Gave me hope and lifted my spirits	2/18/2022 7:55 PM
51279	Less shipments, delays on deliveries	2/18/2022 7:55 PM
51280	It has damaged the country financially which causes higher taxes and less to help lower income people.	2/18/2022 7:55 PM
51281	Inspired hope and positive change for my family. Gave me a new sense of unity, love and freedom. Made me proud for what Canada is really all about without the political agenda to make billions off of coerced / forced vaccines. I stand with the truckers and all Canadians who value their freedom to choose what's best for them and their families. Love and unity and FREEDOM for all.	2/18/2022 7:55 PM
51282	It gave me hope that there will be brighter days ahead.	2/18/2022 7:55 PM
51283	Hope	2/18/2022 7:55 PM
51284	Not directly but it's wrong	2/18/2022 7:55 PM
51285	Hope	2/18/2022 7:55 PM
51286	The convoy had not effected my life on any negative way. The positive has been the unity of Canadians and our American brothers and sister. This has opened eyes around the world and I think it has been a good thing.	2/18/2022 7:55 PM
51287	Gives some hope, and has resulted in some provincial mandates ending.	2/18/2022 7:55 PM
51288	There are far less items on the shelves in most stores and ordering online is just as bad. I have supported this movement but the messaging has been hijacked by the Left and the convoy hadn't done much to fix that problem.	2/18/2022 7:55 PM
51289	No	2/18/2022 7:55 PM
51290	Not affected	2/18/2022 7:55 PM

51292	Brought hope	2/18/2022 7:55 PM
51293	The border blockades have created supply chain issues and there are more empty shelves in the stores.	2/18/2022 7:55 PM
51294	Positive! Giving hope, Canadians coming together, loving Canada again	2/18/2022 7:55 PM
51295	Gave me hope	2/18/2022 7:55 PM
51296	Gave me hope we might be able to overthrow our corrupt dictatorship Government.	2/18/2022 7:55 PM

51297	Gives me hope	2/18/2022 7:55 PM
51298	It has given me hope that there will be change once the government sees that there is discontent with their policies.	2/18/2022 7:55 PM

51301	It's made me proud to be a Canadian again. The unity among Canadians is unbelievable ... Trudeau tore the country apart and this trucker protest had reunited people.	2/18/2022 7:55 PM
51302	Given me hope!	2/18/2022 7:55 PM
51303	It doesn't affect my life.	2/18/2022 7:55 PM
51304	It has given me hope.	2/18/2022 7:55 PM
51305	It has been awesome! I am so glad to see people Coming together, and trying to get our freedoms back. We deserve a free country. And the truckers need more support	2/18/2022 7:55 PM
51306	It's one of the most touching and heroic acts I've seen in my life. I thank them with all my heart and soul.	2/18/2022 7:55 PM
51307	Makes me sad to be a Canadian as our freedom has been taken away and it's making a few have to go to extremes to stand up for all of us	2/18/2022 7:55 PM
51308	It make me feel like I wasn't alone. I felt hope that our country would go back to normal. Now I see that the government really doesn't care about me-from the way they have treated the protesters. My prime minister hates me and wants me to die along with everyone who feels as I do.	2/18/2022 7:55 PM
51309	It feels like finally a group of people are standing up for what is right. It's unfortunate that this peaceful protest has been met with government lies and resistance.	2/18/2022 7:55 PM
51310	It has given me hope, made me smile again and brought me closer to a relationship with God. It has made me brave again and full of courage, which is contagious 😊	2/18/2022 7:55 PM
51311	Made me proud to be Canadian again. And gave my family hope for change for the better	2/18/2022 7:55 PM

51320	It gave me hope that the federal government might listen to the people.	2/18/2022 7:54 PM
51321	None what's so ever. Peacefull and with right do show discord with the tyrant of an incompetent government	2/18/2022 7:54 PM
51322	Brought back HOPE and a sense of PRIDE for Canada! Made me feel like I wasn't the only one who thinks "something is rotten in Denmark" (Shakespeare). Gave me the strength to go on when I felt all was lost.	2/18/2022 7:54 PM
51323	It's bringing attention to overuse of authority to the forefront	2/18/2022 7:54 PM
51324	Made me ashamed to be a Canadian because these chucklefucks keep banging in about liberty, freedom and wear flags as capes. Grow up. Read a book.	2/18/2022 7:54 PM

51390	These brave men and women stood up for all Canadians. I commend them.	2/18/2022 7:53 PM

51405	They are fighting for freedom according to the Canadian Charter of rights. We are Canadians and have the right to stand up for the Charter of Rights. Nothing is too hard for Our God !!	2/18/2022 7:52 PM
51406	It's inspired me and given me a renewed sense of hope for our democracy. I'm so proud of everyone who has participated	2/18/2022 7:52 PM

51408	The trucker convoy made me feel that there was hope for our country again. That there was someone who cared and wanted to fight for our rights in this messed up world we have lived in for the last 2 years. I still have this hope that in my heart. I believe in looking at both sides of the story and the convoy had a side that obviously many Canadians agreed with. Because of them they showed peaceful, curious and loving Canadians protesting for what they believed in.	2/18/2022 7:52 PM
51409	They started the positive change in our country	2/18/2022 7:52 PM

51423	I am proud that they are standing up for human rights and the rights of all Canadians.	2/18/2022 7:52 PM
51424	Given me hope, courage, love for my fellow Canadians and most of all remembrance of my Dad who was a trucker and stood for rights of Canadians to choose what they are going to put in their bodies.	2/18/2022 7:52 PM
51425	It has finally made me feel united again with fellow Canadians and feel heard. It is a beacon of hope and has given me so much inexpressible joy to see us stand together for an honorable cause.	2/18/2022 7:52 PM

51436	Most optimistic	2/18/2022 7:52 PM
51437	It gave me hope for the first time in years that maybe we will become a free society again. They actually care about us because they ARE US! The mandates have affected the regular working Canadians the most, not the elite in the parliament buildings, other highly paid jobs and the wealthy. The trucker convoy represented the majority of Canadians who have been given ZERO avenues to express our concerns much less actually change the trajectory of our own life, bodily autonomy and freedom for ourselves and our kids. They are amazing and we are grateful for them.	2/18/2022 7:52 PM
51438	The only thing it did was raise awareness to the lack of freedoms I actually have as a Canadian. Embarrassed to be a Canadian	2/18/2022 7:52 PM
51439	I would be there if I could. I can t even describe hoe angry and sick of the horrible Lrime Ministr I am. Useless at best and evil	2/18/2022 7:52 PM
51440	I'm in total support of the freedom they are fighting for....for putting themselves on the line for me!	2/18/2022 7:52 PM
51441	It has given us hope, that everything will go back to normal.	2/18/2022 7:52 PM
51442	Gave me Hope	2/18/2022 7:52 PM
51443	It has brought my spirits up immensely!	2/18/2022 7:52 PM
51444	It has given me hope and pride to call myself a Canadian again-- there kind of Canadian. I see the sense of community, and love and concern for all that I haven't seen since I was a child. I have started to become stronger myself and am taking the strength of the Trucker to go out. I am in tears of joy when I see what they have accomplished. I have never cried so much in my life -TEARS OF JOY--- HOPE-- HAPPINESS. They are truely, a breath of life for me and I mean that sincerely. I feel I have something to live for again.	2/18/2022 7:52 PM

51466	Love that they are fighting for freedom!	2/18/2022 7:51 PM
51467	It's emotional to see how people come together to support each other in a time of need.Proud to be Canadian.	2/18/2022 7:51 PM
51468	It has given us hope that there are lots of others who feel as we do that our freedom of choice is being taken away.	2/18/2022 7:51 PM

Canadians vote on Canadian Mandate – February 2022

51476	It has provided some hope and has also made it more clear to others that JT is a globalist , treasonous swine that should be hauled off to jail and I think more people are waking up to that because of the freedom convoy.	2/18/2022 7:51 PM

51492	It's affected my life by being real fucking scary. Seeing hate splattered all over the news, seeing friends being berated by the protesters when they are just wanting to do their daily life things in that area. Seeing how it has devided people. I don't live in Ottawa but there have been smaller protests here in Calgary. All of which I have been scared to go out because I'm scared they'll attack me for wearing a mask. The pandemic is hard, I'm sick of it too. I want to see my family and friends. I want to go out and do things, but if it means I am not putting other peoples health at risk. Then I'm going to stay away, I'll wear my mask, and do my part.	2/18/2022 7:51 PM

Canadians vote on Canadian Mandate – February 2022

51505	It's brought Canadians together like nothing in our countries history. I'm proud to say I support our Canadian freedom convoy truckers and each citizen that's helped it in any way.	2/18/2022 7:50 PM

51508	Gives me hope! They are standing up to tyranny and to our incompetent, irrational PM and government that segregated people in this country for 2 years. People who were voicing they concerns were silenced, deplatformed, and simply destroyed. Truckers are our heroes fighting for freedom and our Good given rights, liberty and our bodily anatomy. 51514	Gave me hope, and showed me the true character of our mysogynistic Prine Minister and how he keeps a tight leash on his party, just like his stepfather.	2/18/2022 7:50 PM
51515	These folks are heroes	2/18/2022 7:50 PM

51519	It has given me hope for a brighter future for family and loved ones	2/18/2022 7:50 PM
51520	It is brought home to my family	2/18/2022 7:50 PM
51521	Made me proud to be a Canadian	2/18/2022 7:50 PM

51545	It's given my friends and I hope that one day we may get to live in a free country and have our freedoms and rights back to normal i 100% support the trucking convoy and id rather not have our stores filled with groceries or stocked isles for awhile to have our freedoms back then to lose the fight and be forced to move out of this corrupt cointry we once thought was "land of the free"!	2/18/2022 7:50 PM

51565	In no way	2/18/2022 7:49 PM
51566	I'm glad they made the initial gathering making a global impact which caused our Prime Minister to hide. The response of the Prime minister and his party is disgraceful. Canadians would never know how he thinks so low of the people in this country if the truck convoy never started	2/18/2022 7:49 PM
51567	Hasn't yet. Though I'm proud of fellow Canadians standing up	2/18/2022 7:49 PM
51568	Given some hope that concerns of the overextended mandates will be heard and discussed at a democratic way.	2/18/2022 7:49 PM
51569	Indirectly imm sure	2/18/2022 7:49 PM
51570	It brought hope	2/18/2022 7:49 PM
51571	It has brought hope	2/18/2022 7:49 PM
51572	Positive	2/18/2022 7:49 PM
51573	For the better	2/18/2022 7:49 PM
51574	Hopeful again, beautiful to see unity of Canadians again, and it shows more people disagree with these mandates that what we have been told. Also, it has revealed just how corrupt our governments (all levels) and the media is	2/18/2022 7:49 PM
51575	Hasn't	2/18/2022 7:49 PM
51576	The trucking convoy has raised my spirits and filled me with a sense of pride of my fellow countrymen banding together to make a change.	2/18/2022 7:49 PM
51577	It gave me HOPE.I have more confidence in the truckers than my prime minister. Thanks for taking our opinion in consideration	2/18/2022 7:49 PM
51578	Well, it's shown a lot more people that white supremacy and eugenics are alive and well in Canada. Reality's a bitch to face, but it's hard to make meaningful, lasting social change until you actually face it.	2/18/2022 7:49 PM
51579	Help speed up mandates being lifted in Saskatchewan	2/18/2022 7:49 PM
51580	Nice to see so many people stand up for our freedoms and rights. These people hve been gathering massless and not social distancing yet we have not heard the government calling this a super spreader event or seen a rose in cases Blaise of the protests. This proves that the mandates are no longer about health.	2/18/2022 7:49 PM
51581	Given me hope but also very frustrating that supporters have been demonized by main stream media.	2/18/2022 7:49 PM
51582	It has made two things clear. First, that many Canadians (and much of the world) is no longer interested in having our freedoms taken at the whim of the government. Second, it has demonstrated exactly how weak our government is, and that they will turn to a tyrannical dictatorship in order to crush any descentors rather than consider the possibility of negotiating their vastly unreasonable terms to something more befitting of a free country.	2/18/2022 7:49 PM
51583	It's given me hope there is some semblance of decency and democracy left in Canada.	2/18/2022 7:49 PM
51584	It gave me hope	2/18/2022 7:49 PM
51585	I'm proud of them	2/18/2022 7:48 PM
51586	It hasn't....It was a way for the government to see how the economy and the mandates have affected its people with everyday cost of living, our God given rights of FREEDOM	2/18/2022 7:48 PM
51587	Oh I love that the convoy has stood up for my freedoms I am proud of them they are very brave men it's just the other idiots that go in there and caused the problems to make the convoy look bad. I'm praying that this country will stand together and support our right to FREEDOM!!!	2/18/2022 7:48 PM
51588	I support it , and the convoy has not negatively affected my day to day routine	2/18/2022 7:48 PM
51589	Gave me so much hope	2/18/2022 7:48 PM

51603	Not I am behind them!	2/18/2022 7:48 PM

51611	Given me hope	2/18/2022 7:48 PM
51612	It gave me hope that something was going to change!	2/18/2022 7:48 PM
51613	it's given me hope for freedom of tyrannical rules	2/18/2022 7:48 PM
51614	They are speaking up and standing for democracy where the government wants to control and lied to us. Feels like they are speaking up for righteousness and freedom to protest what is so Very wrong in Canada	2/18/2022 7:48 PM
51615	They gave me hope for the first time in 2 years and I was finally proud to be a Canadian again.	2/18/2022 7:48 PM

51619	Rejuvenation if my faith in truth and Canadians	2/18/2022 7:48 PM
51620	This has been the only positive thing to happen in Canada in the last two plus years. People united. People hopeful. People strong. Mostly—Canada has absolutely had ENOUGH. This has shown that. The media has been corrupt with not properly covering this, but there are so	2/18/2022 7:48 PM

many united, it can no longer be hidden. Canada is done with Trudeau and this mess. The truckers have done what MOST have wanted.

51621	Yes! It's given Canadians so much hope, and renewed our pride in being Canadian. It's been massively significant for the wellbeing of Canadians, and cannot be over estimated. Unvaccinated, vaccinated...all Canadians need to be free to choose their own health decisions without coercion or shame, and I think one of the most unifying things about this is that it's not about vaccinations, but about seeing all mandates lifted. All over the world, people are rooting for the Canadian truckers. When no one else could get things rolling, they did. They took a stand for injustice like no one but a few independent journalists and the Justice Centre for Constitutional Freedoms has. I may have limited sympathy for those living in the downtown core of Ottawa (sorry, but you kind of signed up for that when you chose to live right in the seat of authority of the country..), but it is massively overshadowed by the cause of the truckers' Freedom Convoy and their stand against injustice. We have endured two years of our lives being disrupted by restrictions (not to mention those who have been made to feel like pariahs by vaxx pass mandates), so I think their hardships pale in comparison when it's two weeks + of disruption in order to have all mandates lifted - esp the federal truckers mandate. Not all of Ottawa wants them gone, either. It's been a beautiful thing. It's also shown how unfit our prime minister is to be in office. He needs to go. Now.	2/18/2022 7:48 PM
51622	Hope that something will give And this shit show stops soonest	2/18/2022 7:48 PM
51623	The truckers are taking a stand for alot of us citizens who wanna be there who cant be but we all want the same and we support them over social media as much as we can	2/18/2022 7:48 PM

51652	It has helped to lift some of the mandates	2/18/2022 7:47 PM
51653	It is great that they have stood up to peacefully protest and stand up for our nation as well as all nations while people are still so blind to all the evil and corruption that is going on in our world. I feel very blessed that God has opened my eyes to all this corruption.	2/18/2022 7:47 PM
51654	I have something to look forward to	2/18/2022 7:47 PM

51666	The #FluTruxKlan is a national embarrassment.	2/18/2022 7:47 PM
51667	It's enhanced it. I'm very proud of the truckers. I've had Covid and have natural immunity and yet my freedoms have been taken away. This is ridiculous and I'm living in a prison communist country.	2/18/2022 7:47 PM

51671	It has given me hope! And pride in Canada again. But as I fill this out it is Feb 18th, and sad, sad, sad day for Canada as police move in on the convoy. :(I am honestly wondering if our family will need to leave Canada.	2/18/2022 7:47 PM

51703	Not at all. I'm in Alberta. Supply chain disruption hasn't been felt here. I support the bit of inconvenience and disruption the last few weeks has caused. It's nothing compared to the last two years.	2/18/2022 7:46 PM
51704	Haven't noticed, but I'd like to see more Olympics on tv and less of the trucker thing....it embarrasses me. The Canadian woman's hockey team does not. 51705	It made me panic scroll thinking Canada was getting a Jan 6th violent attack.	2/18/2022 7:46 PM
51706	Given hope that our country can come together for their rights and freedoms	2/18/2022 7:46 PM
51707	No changes	2/18/2022 7:46 PM
51708	It hasn't. However they are making the politicians take notice and starting to remove mandates	2/18/2022 7:46 PM
51709	I never realized how many people in Canada were and susceptible to radicalization and conspiracy theories.	2/18/2022 7:46 PM
51710	Hope for the chance of us actually having a future otherwise our government may start a war with Canadians	2/18/2022 7:46 PM
51711	It really hasn't I just we could have been with them my husband and I are both truckers	2/18/2022 7:46 PM
51712	not in any way	2/18/2022 7:46 PM

51714	Gives me a sense of pride and hope	2/18/2022 7:46 PM
51715	It's been nothing but positive all the way, and I'm 100% with them !!	2/18/2022 7:46 PM
51716	It hasn't	2/18/2022 7:46 PM
51717	Not at all	2/18/2022 7:46 PM
51718	Gave me hope and pride in my country.	2/18/2022 7:46 PM
51719	Has restored my Faith in the Canadian way, which is to unite and stand together. The mandates have caused nothing but division, and these truckers have given us the boost to join together. Its not about the govt, its about having our lives back after 2 long years of rules, regulations and mandates pressed upon us.	2/18/2022 7:46 PM
51720	It's given me hope and it's been amazing to see so many others gather peacefully who want the mandates to go like I do.	2/18/2022 7:46 PM
51721	I cannot make a living! My family is afraid and isolated! I cannot love or hug my grandchild. Relationships are destroyed. My friend's marriage is on the rocks. I no longer trust Trudeau! I no longer trust Canadian government! And I no longer trust the media. I became Canadian, because of its kindness, unity and freedom. We cared for one another. That caring has been destroyed. Trudeau refused to meet with the peaceful protesters and turned our beautiful Canada into a dictatorship. "O Canada! Our home and native land! True patriot love in all of us command. With glowing hearts we see thee rise, The True North strong and free! From far and wide, O Canada, We stand on guard for thee. God keep our land glorious and free! O Canada, we stand on guard for thee!" I saw with my own eyes that Trudeau disrespects EVERYTHING Canada stands for. Trudeau freely maligns anyone who disagrees with him with HATE-SPEECH, and frames people with his dishonest propaganda.	2/18/2022 7:46 PM
51722	I am so so proud of all they did to fight for our freedom They kept it peaceful and brought unity amongst the people of Canada	2/18/2022 7:46 PM
51723	It has brought me hope and joy.	2/18/2022 7:46 PM
51724	Freedom	2/18/2022 7:46 PM
51725	Given me hope.	2/18/2022 7:46 PM
51726	I support them 200%. Trudeau needs to be a man and talk to them instead of running away like a baby.	2/18/2022 7:46 PM
51727	This convoy gave me hope after 2 years of depression	2/18/2022 7:46 PM
51728	I am happy and confident to see that somebody is standing up for our rights and leading the way. They need to stay until all of these Mandys are gone. Everybody around Canada and the world is cheering them on!	2/18/2022 7:46 PM
51729	I love them all	2/18/2022 7:46 PM
51730	Was proud to be a Canadian when I first watched the truck convoy travel across the country. This was about democracy. People standing up for their rights and being able to speak their	2/18/2022 7:45 PM

mind. This could've been ended 3 weeks ago if the prime minister had faced the truckers in the beginning.

51732	Did not affected at all	2/18/2022 7:45 PM
51733	I actually feel a lot better knowing a lot of people have similar opinions, if I didn't have a baby I would have gone and protested as well.	2/18/2022 7:45 PM
51734	I spend too much time on screens.. I m watching everything on the news, I'm on convoy media groups, I watch parliament meetings and what is going on right now is unjustified and not ok. JT has overstepped and mislead Canada.	2/18/2022 7:45 PM
51735	Given me hope	2/18/2022 7:45 PM
51736	It has given me hope again and made me feel proud to be Canadian again for the first time in a long time. Until today Feb 18th when I watch what is happening in our Capital city it outright criminal and I am not talking about the truckers. If only the government has agreed to talk that's all was ever wanted. Ashamed to be Canadian today	2/18/2022 7:45 PM

51763	They give me some hope that I am not alone in disagreeing with "the science". It also breaks my heart to see them so villafied by the media and to see our prime minister use rhenas an excuse to take even more dictatorial powers.	2/18/2022 7:45 PM

51769	The only piece of hope we have had in a very, very long time.	2/18/2022 7:44 PM

51778	Yes	2/18/2022 7:44 PM
51779	It has brought a little hope in the darkest days of my life I was proud to be a Canadian again until the war act was brought in now I am ashamed of being a Canadian again and we are the joke of the world with our rascist narsasistic arrogant leader	2/18/2022 7:44 PM
51780	I live in BC, so the convoy does not affect my daily living. I'm am, however, 100% behind these brave, committed men, women, and children. They are brave, sane, loving, peaceful, God-fearing people. They are bringing an outflow of hope to the entire country. They renew our belief and pride in Canada as a global, as well as a local, presence.	2/18/2022 7:44 PM

51787	Hasn't, so proud of them all! This is for our Freedom! Which means more then this Covid time! It's about Mr T becoming communism and taking over everything including our bank accounts ect! Covid was a big trial to see if people would conform to the Government! The Best thing the truckers have done is lifted some mandates for us! So very thankful for this but we need much more! Mr T needs to be kicked out of the Government !	2/18/2022 7:44 PM
51788	It gave me hope that maybe the government wasn't too big to fight. I truly thought they would be forced to sit down and make some compromises but they proved that there is no way to fight them. They do truly control your livelihood and own you even if it seems like you're free.	2/18/2022 7:44 PM
51789	It has given me a little hope in the Canadian people again. That we are not just sheep doing as we are told.	2/18/2022 7:44 PM

Canadians vote on Canadian Mandate - February 2022

51790	These awesome truckers and their families brought Canadians back together in love and unity. They gave Canadians back hope. These brave Canadian truckers, veterans, and all supporters, are true and brave Canadians. Our brave men and women who served in WW1 and WW2 and other service would be proud of. them, each one. Canadian heroes who stood up up to an evil and criminal government. God Keep Our Land Glorious and Free. FREEDOM!	2/18/2022 7:44 PM
51791	It hasn't really, but it's nice to see people standing up against a government that brought us from being positive to trillions in debt and can't even follow his own damn rules.	2/18/2022 7:44 PM
51792	No disruption.	2/18/2022 7:44 PM
51793	Given me some hope until today when I watched horses run over unarmed protesters injuring some.this state of imergency is unnecessary	2/18/2022 7:44 PM
51794	Finally, someone is doing something!!	2/18/2022 7:44 PM
51795	It has made me a proud canadian to see the trucking convoy, i hate to see how our Prime minister is handling it all	2/18/2022 7:44 PM
51796	Proves how corrupt the government is. The goverment creates chaos and hatred. They thrive on chaos and crime.	2/18/2022 7:44 PM
51797	Nothing directly by slowed deliveries of parts in a timely fashion	2/18/2022 7:44 PM
51798	No physical affects. Gives hope that Canada can be saved from our tyrannical government.	2/18/2022 7:44 PM

51802	It gave me hope! I believed in people again. Then Trudeau stepped in with his war act just like a good dictator should do! Trudeau needs to be held accountable and then resign! God bless Canadians and the truckers!	2/18/2022 7:44 PM

51805	A very uplifting, understanding, event that was initiated originally to unite everyone in a very positive way . Very amazing to follow Such a letdown and heartbreak that the PM of Canada turned his back to the Canadian voice , upon their arrival	2/18/2022 7:44 PM
51806	Hope	2/18/2022 7:44 PM

51809	It gave back hope that Canada could one day be a great place again.	2/18/2022 7:44 PM
51810	Gives hope. Wish I too could be in Ottawa. You seen other important groups try to protest vaccine mandates without success and not much notice. The truckers have put Canada and the way most people feel and shown the world. Awesome	2/18/2022 7:44 PM
51811	The city is full off assholes pretending they're freedom fighters, clogging up the city, preventing people from leaving their houses, shutting down trade, people are losing jobs, businesses are closing, and Canada looks just as insane as America.	2/18/2022 7:44 PM
51812	inspiring heroes	2/18/2022 7:44 PM
51813	No impact	2/18/2022 7:44 PM
51814	It has brought back a sense of hope and choice: where there is risk there must be choice.	2/18/2022 7:44 PM
51815	I find it frustrating & a waste of everyone's time & money. Next the courts will be overwhelmed and people will protest again.☹️	2/18/2022 7:44 PM
51816	It finally made me see unity in our country	2/18/2022 7:44 PM

51818	Not at all Trudeau needs to go with how he treated Canadians n his cabinet. Hes a bully, name caller and discriminates against color,culture, nationality and religion. Boot him please	2/18/2022 7:43 PM
51819	Support the truckers. They are fighting for FREEDOM..	2/18/2022 7:43 PM
51820	It was the most amazing gathering I have witness in my life. It was amazing to see people hugging complete strangers, smiling and actually talking to each other. People from all walks of life coming together and standing for our rights and freedoms. I live in Ottawa, and have been able to go to Parlement every other day and support the movement and love being part and helping in anyway that I can, by shuttling men to their adopt-a-trucker home, donating food, money and items for families.	2/18/2022 7:43 PM
51821	It has given me hope and a sign that the blue collar folks have had enough	2/18/2022 7:43 PM

51826	It has encouraged me, brought me joy that they are fighting for us.	2/18/2022 7:43 PM

51839	Really showed what a fool Trudeau is. This has shown everyone that we have all had enough. They stood up for so many Canadians and Trudeau lied about so much that was going on. Showed how he controls the media on what they show and share.	2/18/2022 7:43 PM
51840	Given me hope and pride again in my country. It has also shown how much collusion the national media are with the liberals. It has show. How inept and corrupt the liberals and especially JT is.	2/18/2022 7:43 PM
51841	Gave me courage and the want to be a Canadian still	2/18/2022 7:43 PM
51842	The trucking convoy has made me proud to be a Canadian. I am in my late 50's and I can honestly say that when the convoy headed through my province on their way to Ottawa is the FIRST time I have ever been proud to be Canadian. MANDATE FREEDOM♥♥ PEACEFUL PROTESTERS ♥ ♥	2/18/2022 7:43 PM

51865	It has made me sad to see our elected PM act with such cowardice. He gave wonderful advice to the Indian government during their farmer protests. I wish he would have extended the same courtesy to these protestors. I believe through proper dialog, a clear and definable plan and a bit of effort on his part these protests would have been unnecessary.	2/18/2022 7:42 PM

51902	I love the trucking convoy And have also joined quite a few times. It needed to happen so we could wake people up of the real danger of a Canadian dictatorship, The real reason why the Mandates started in the first place!	2/18/2022 7:42 PM

51923	Gave me hope ... peaceful Canadians protecting our rights and freedoms.. so proud of them all! ♥	2/18/2022 7:41 PM
51924	It has given me hope that we will get our freedom back. There has been so much love shown from the truckers and their supporters. People loving people, helping people, caring for one another. The true Canadian spirit came alive again thanks to the truckers.	2/18/2022 7:41 PM
51925	It sounds hopeful	2/18/2022 7:41 PM
51926	It hasn't	2/18/2022 7:41 PM
51927	No change.	2/18/2022 7:41 PM
51928	It felt like a glimpse of hope to regain our life back and our freedom	2/18/2022 7:41 PM
51929	Hasn't minus mandates finally being relaxed	2/18/2022 7:41 PM
51930	It's a misguided sideshow that has increased the division in the country.	2/18/2022 7:41 PM
51931	It has given me hope for the first time in two years. I've watched Canada devolve from a democracy into a dictatorship. As someone who has a debilitating chronic health condition that was brought on by consuming too many pharmaceuticals, I am now extremely sensitive to pharmaceutical drugs. My body has an extreme reaction to them. So I am unable to risk taking this vaccine. However as a 55-year-old woman I am now a second-class citizen in my own country. I'm not able to even leave if I wanted to, which I now do.	2/18/2022 7:41 PM
51932	the gov't esp Trudeau's actions have infuriated me and I and friends pray much for them and families.Hoping the Laws and Constitution can finally get Trudeau out of office as he is the criminal but somehow the laws of our land don't apply to him.God help us!!	2/18/2022 7:41 PM
51933	While it has not affected me directly, I was appalled by Canada's Prime Minister and his cabinet's appetite for the continuous abuse of power, by circumventing the democratic process that requires oversight from the Government.	2/18/2022 7:41 PM
51934	It gave me real hope for the first time in 18 months. We volunteered and handed out water and made lunches and housed prefect strangers. It was the best Canadian experience of my life. Makes me want to be a better person and show more compassion and reach out more often to help others. Brought many tears to my eyes	2/18/2022 7:41 PM
51935	Didn't affect me personally. I was proud to see people refusing to bow down to this mandate	2/18/2022 7:41 PM

51938	offered hope	2/18/2022 7:41 PM
51939	It has not, but I think its foolish and ignorant of the legitimate reasons for the mandates and the precedence set by similar pandemics of the past	2/18/2022 7:41 PM
51940	Has given us hope that Canadians will come together again and fight for our beautiful country.	2/18/2022 7:41 PM
51941	They standing up for all Canadians and our future	2/18/2022 7:41 PM

51943	I have been really enjoying seeing so many people flying the Canadian flag. It has become a symbol of freedom as it should always represent.	2/18/2022 7:41 PM
51944	They are the ones that were brave enough to fight for their freedom. I follow the Freedom Convoy and begin to see that they are fighting for all Canadians' freedom. I stand for freedom	2/18/2022 7:41 PM
51945	It has given me an immense amount of pride that the truckers and their families would fight for my freedom.	2/18/2022 7:41 PM
51946	It gave me hope that the PM might actually entertain listening to the people that pay his wages. I have lost all faith in the government and police. I'm ashamed.	2/18/2022 7:41 PM
51947	Hopeful	2/18/2022 7:41 PM

51953	It has given me hope and made me proud to be Canadian.	2/18/2022 7:41 PM
51954	Gave me hope that perhaps Canada would become a free country again. It didn't. I see the horror that Trudeau has inflicted on real Canadians. He has to be held accountable for his actions and repay the Canadians the billions of dollars that he has taken from them.	2/18/2022 7:41 PM
51955	Given me hope	2/18/2022 7:41 PM
51956	I have hope now Mandates are decreasing rapidly The trucking convoy has gone world wide with support in all forms That speaks volumes Thank you Truckers	2/18/2022 7:41 PM

51958	Given me hope	2/18/2022 7:41 PM
51959	It hasn't! I fully support them!	2/18/2022 7:41 PM
51960	Never have I ever seen so many walks of life come together and unite. The media has also been lying as I've seen real footage from real protesters and my family has participated in Ottawa and stated that it was nothing but peaceful and that the media was lying.	2/18/2022 7:41 PM
51961	It has given me hope for the future. It has made me feel like I am not alone. I feel more powerful	2/18/2022 7:40 PM
51962	This action has reinforced in me the only way to settle a disagreement is to do it the diplomatic way. This way everybody comes out a winner. Demonstrations are not right.	2/18/2022 7:40 PM

51964	Brought hope	2/18/2022 7:40 PM
51965	I work in a bank. My staff and I are facing increased hostility from customers fearful their accounts will be frozen as a result in donations made to the protesters and feel the banks have no right to dictate how their money is used. Explaining the legislation does no good.	2/18/2022 7:40 PM

52098	It hasn't other than give me hope	2/18/2022 7:38 PM
52099	Did not affect my life	2/18/2022 7:38 PM
52100	Concern re:seizure/freezing of bank accounts since my husband donated a small sum. Has emphasized how little the Canadian government understands and empathizes with its citizens. Enacting emergency measures without ever having met with the convoy leaders is ... incomprehensible and unjustified. If PM was fearful for safety, video conferencing could have easily allowed open communication. In olden days peasants could petition their King... but in modern days concerned citizens peacefully unite to petition our government and the response is they are denied an audience and when they have no justifiable means to remove protesters since they did not riot, vandalize or otherwise give cause to be removed (yes, horns and traffic flow disruptions are a nuisance, but are nowhere near the range on a spectrum that pulling licences and freezing funds would be justified) they pull strings and take away more freedoms.	2/18/2022 7:38 PM

52109	It has given myself and my family hope. We have never seen such collective support for freedom in our lifetime. It has given me hope that my children will have the Canada I used to know and love to grow up in and raise their own children in.	2/18/2022 7:37 PM
52110	The last few weeks have been the happiest I have been in 2 years. Watching people sing, hug and be in peace with one another has given me hope. Until the UN and police went in and now I have lost all faith in the system I respected so much. That was until	2/18/2022 7:37 PM

52114	It has given our family hope! Seeing the unity and love has brought hope back into my heart. Hope that maybe my children have a shot at growing up in the world I did. Not being told they can't even see their grandparents.	2/18/2022 7:37 PM
52115	I see the light at the end of the tunnel	2/18/2022 7:37 PM
52116	It has made me have hope, I have hope that Canada will be better for my future. If it's still like this when I'm older with mandates, I don't want to live here I have better places to live with better governments, kinder citizens and more loving connected communities	2/18/2022 7:37 PM
52117	It hasn't	2/18/2022 7:37 PM
52118	It has made me proud to be Canadian again. It has brought a lot of issues up that have been rammed down our throats and not only got Canada to rally together but it has dominoes across the world. Let's not forget Romana and the child sex trade and Adrenehrome.	2/18/2022 7:37 PM
52119	Brings back Canadian pride	2/18/2022 7:37 PM

52128	It hasn't	2/18/2022 7:37 PM
52129	Very hopeful. Its about time Canadian people had stood up to the government	2/18/2022 7:37 PM
52130	Gives hope	2/18/2022 7:37 PM
52131	Stands for what is right Proud to be Canadian thanks to Truckers	2/18/2022 7:37 PM
52132	Gave me hope that people could see how bad our govt is and that the liberals also don't care about lower and middle class citizens	2/18/2022 7:37 PM
52133	Only in the way as to show that Canadians can be unified and that scares the current federal government	2/18/2022 7:37 PM

52140	I have been excited for the first time in 2 years that something positive was happening. I am a proud Canadian supporter of this convey! I am NOT a proud Canadian supporter of our Federal Government.	2/18/2022 7:37 PM

Canadians vote on Canadian Mandate - February 2022

52141	It is making me aware of how corrupt the government is. Seeing Canadians and the world come together for Freedom is uplifting. Praying for a positive ending	2/18/2022 7:37 PM
52142	Been a ray of hope and light! So encouraging as it's bringing unity amongst Canadians vaxed or unvaxed .	2/18/2022 7:37 PM
52143	Tired of hearing about it and tired of Trudeau being gutless and not having the balls to talk to the truckers	2/18/2022 7:37 PM
52144	Gave me hope in humanity... I feel a lot of love for them all.... Heroic	2/18/2022 7:37 PM
52145	Giving me hope	2/18/2022 7:37 PM
52146	BRING HOPE AND UNITY TO OUR NATION	2/18/2022 7:37 PM
52147	Inconvenience, unnerving, fearful for safety	2/18/2022 7:37 PM
52148	It gave us some hope and inspired our patriotism in Canada.	2/18/2022 7:37 PM
52149	Made me believe that our country is more against this than what the media says is for it. Made me realize that it's important to stand up for what you believe in. The media seems to only focus on what they are told to report, never seen a bouncing castle at any other rally. Media never showed any footage of damage to these areas unlike other protests where stuff was destroyed, the media did slip and say seems very peaceful, then they said it was a lot of verbal harassment, never any footage of it. Grateful that the truckers did what they did, pretty sure it will bring Canada together Made me have faith in humanity again!	2/18/2022 7:37 PM
52150	Given me pride, given me hope,	2/18/2022 7:37 PM
52151	Love and hope for humanity	2/18/2022 7:37 PM
52152	It has not affected us at all	2/18/2022 7:36 PM
52153	It provided hope and a kinship that has been missing from Canada for the last two years. I see people finally coming together, working together and creating bonds and friendships. Working to better everyone's Canada! Family and friends have stopped making plans to leave Canada, I have so many contacts that feel this isn't their home anymore. They would rather leave this country than be under the thumb of our current dictator and Bonnie Henry. I won't say anything else about Bonnie Henry, I can't without getting filled with rage and hate.	2/18/2022 7:36 PM
52154	Provided hope and made me feel less alone	2/18/2022 7:36 PM
52155	brings back the hope of humanity	2/18/2022 7:36 PM
52156	Finally brought hope and love and a form of community back into people's lives. allowed Canadians to be free again.	2/18/2022 7:36 PM
52157	Gave me hope and pride.	2/18/2022 7:36 PM
52158	Felt proud to be Canadian. The unity and selflessness of those involved was inspiring. It has brought light to what has been hidden in our government for quite sometime. The government's attitude reflects that of a communist regime by calling the truckers terrorists and their tactics to provoke the truckers to incite violence is heartbreaking.	2/18/2022 7:36 PM
52159	Not at all	2/18/2022 7:36 PM
52160	gives me hope. someone is doing something !!	2/18/2022 7:36 PM
52161	It hasn't affected us.	2/18/2022 7:36 PM
52162	I support the cause just too bad it's had to go this far. This is on the shoulders of our prime minister	2/18/2022 7:36 PM
52163	It's given me HOPE that we might have freedom and get Canada back	2/18/2022 7:36 PM
52164	Made me proud to be a Canadian	2/18/2022 7:36 PM
52165	Brought hope	2/18/2022 7:36 PM
52166	Has given hope to us, our family and friends that all is not lost in the hands of Trudeau.	2/18/2022 7:36 PM
52167	Made me happy	2/18/2022 7:36 PM

Canadians vote on Canadian Mandate - February 2022

52168	Gave me hope that common sense and actual science and medicine might prevail	2/18/2022 7:36 PM
52169	Felt like a Canadian again.	2/18/2022 7:36 PM
52170	Lifted my spirit to see people have it in them to fight for their believes.	2/18/2022 7:36 PM
52171	Learning what is really going on. Can no longer trust or believe the legacy media	2/18/2022 7:36 PM
52172	I now have hope that we can make a difference to the direction ---- straight down hill to hell--- that this country has been going for decades	2/18/2022 7:36 PM
52173	It had give Canadians hope	2/18/2022 7:36 PM
52174	It has given me hope. It has shown me that Canadians will not stand for this and know they Deserve the basic right to freedom even though they have already all been impacted drastically.	2/18/2022 7:36 PM
52175	Given me hope	2/18/2022 7:36 PM
52176	Was good in the beginning, but government caused it to go to far. Trudeau needed to hear out the truckers. Otherwise, what is the point of protesting ?	2/18/2022 7:36 PM
52177	Shortages and gas increases	2/18/2022 7:36 PM
52178	Hasnt	2/18/2022 7:36 PM
52179	Positive and hopeful	2/18/2022 7:36 PM
52180	Gives me hope	2/18/2022 7:36 PM
52181	I support it, I feel for the citizens effected by the horn honking. However, that's sometime The only way to have someone listen.	2/18/2022 7:36 PM
52182	Made me happy	2/18/2022 7:36 PM
52183	It has not.	2/18/2022 7:36 PM
52184	It has given me hope that there is an end in sight	2/18/2022 7:36 PM
52185	It has brought a sense of life back into canadians	2/18/2022 7:36 PM
52186	If not for the truckers convoy, I don't think the gov't would have had any plans to end the vaccine passports and so I'm thankful for their efforts to pressure the gov't to do the right thing and stop discriminating Canadians and stealing our freedoms.	2/18/2022 7:36 PM
52187	I support the Trucking convoy, they were the first ray of hope in a long time, and I love what they are doing sending a message to the world that we can stand up against his bullshit. While some of the people in the movement may have strange ideas the majority of the people and the truckers at the protests are just good people driven to their last straw. I will always support the right of people to protest, to demand an audience with the government especially if that government has ruined their lives and the lives of the many that they represent. An audience is needed with a government that has seeded dissent and division among people through propaganda, lies, and misinformation, and tanked the actual real economy.	2/18/2022 7:36 PM
52188	I hope there will be a positive affect	2/18/2022 7:36 PM
52189	It has restored my faith in humanity. It has reminded me it is ok to be Canadian, it's even ok to be proud to be Canadian. That the shame lies on those within our government who have the power to stop all of this. On the other side I am absolutely devastated regarding the events that are beginning to uncorks in Ottawa. I'm incredibly concerned at just how far this is all going to go before our Prime Minister is removed from office and arrested for every single one of his crimes and equal counts of crimes against humanity in the millions	2/18/2022 7:36 PM
52190	It has brought me hope and renewed sense of freedom	2/18/2022 7:36 PM
52191	Bringing hope	2/18/2022 7:36 PM
52192	Gave me hope for Canada	2/18/2022 7:36 PM
52193	It hasn't	2/18/2022 7:36 PM
52194	It has given hope that people still stand together for a FREE and loving Canada	2/18/2022 7:36 PM

52195	It really haven't... I'm sure eventually they'll be a shortage of stuff	2/18/2022 7:36 PM
52196	Demonstrated to me the depths the government will sink to to impose its will over arbitrary orders.	2/18/2022 7:36 PM
52197	They are standing up for our freedoms	2/18/2022 7:36 PM
52198	it's given me pride and hope on the Canadian people	2/18/2022 7:36 PM
52199	Given HOPE and HEALING to my own heart. Given HOPE esp for the upcoming generations.	2/18/2022 7:36 PM
52200	It has made me realize how many of my friends follow blind rhetoric instead of logic and are willing to overlook racist tones. It has also made me question even further the reach of evangelical religion and whether it is intended to help the helpless or to further its own colonial agenda.	2/18/2022 7:36 PM
52201	I believe they should have the right to fight for our freedoms	2/18/2022 7:36 PM
52202	Zero.	2/18/2022 7:36 PM

52207	Given a light of hope. Lifted spirits and helping me realize how much we need to move on as a country. The time has come..	2/18/2022 7:35 PM
52208	It was giving me hope until I seen poor people are getting arrested .. People that are able to go and try do what people in power should have taken care of a long time ago.	2/18/2022 7:35 PM
52209	With hope for the future, for myself and my children.	2/18/2022 7:35 PM
52210	Given us Hope for the future. People are understanding the many layered lies that have kept us under the destructive and abusive controls of a fake pandemic. The cat is out of the bag , the jig is up . We now know the extent of this deception and lies. It is plain for eeryone to see. Trudeau is possessed by evil power and cannot be satisfied until he has created a full blow dictatorship. Removal of him , all his cabinet and those in politics who continue to support him, is necessary.	2/18/2022 7:35 PM
52211	It didn't affect me but i was proud to see that people were willing to fight for everybody's freedom.	2/18/2022 7:35 PM
52212	It has given me hope that these truckers are standing up for our God given right to freedom!	2/18/2022 7:35 PM
52213	Gave me joy and hope, I pray for them to save our freedom.	2/18/2022 7:35 PM
52214	Brought hope that people that care and have gone through hardships are fighting for our God given freedoms.	2/18/2022 7:35 PM
52215	Not yet	2/18/2022 7:35 PM
52216	It has provided hope where there was none and made everyone aware of the corruption of our governments	2/18/2022 7:35 PM
52217	Stress from the news	2/18/2022 7:35 PM
52218	Gave me hope that the tyrant Justin Trudeau is almost out	2/18/2022 7:35 PM

52220	Support in ending mandates	2/18/2022 7:35 PM

52222	It has brought the country together.	2/18/2022 7:35 PM

52230	It's given me hope .	2/18/2022 7:35 PM
52231	It brought me out of the darkest two week depression where I thought about ending my life everyday. It gave me hope that I won't have to see my country that I love be destroyed by this evil government.	2/18/2022 7:35 PM
52232	It hasn't affected me directly.	2/18/2022 7:35 PM

52236	Given me hope the evil will end.	2/18/2022 7:35 PM
52237	Hasn't. I think everyone has the right to protest. They don't have the right to block roadways and prevent people from working and delaying ambulances. Even if Canada lifted mandates the US has mandates to enter their country.	2/18/2022 7:35 PM
52238	Not at all	2/18/2022 7:35 PM

52242	Its given me hope. Hope to no longer be controlled by a government who is doing the controlling for political aims instead of for the good of the people they are supposed to be working for ..the science has proven there is no longer any reason for this ridiculousness...the masks have nevwr worked theyve cause health problems for alot of people and have no stopped the spread of anything..and regardless peiple still do not social distance they get right up on your ass at the store	2/18/2022 7:35 PM
52243	It has given me hope in a time when I had none left, actually stopped me from wanting to end my life	2/18/2022 7:35 PM
52244	It's given us hope. Hope that once again we can live a normal life. Life where I can make decisions for my family instead of the government making them for me.	2/18/2022 7:35 PM
52245	It has restored my faith in my fellow Canadians. We need to stand up to the government and end the mandates, those involved in the convoy are doing very important and meaningful work that I wish I could be a part of.	2/18/2022 7:35 PM

Canadians vote on Canadian Mandate - February 2022

52255	It hasn't, I support thier dedication to end this depression, get our freedom back	2/18/2022 7:34 PM
52256	They haven't really affected it, other than to bring light to the issues I am having with my rights being taken away. They have tried to help all of us to get our freedoms back. They have also helped me to realize how corrupt our government is, and that I need to send more emails to everyone in parliament until my voice is heard.	2/18/2022 7:34 PM
52257	It gave me some hope when there was none left. Seeing them stand up for our country with such peace and love was inspiring and brave. If this freedom movement cant make change I have lost all hope for Canada and will be leaving the country. Unless our tyrannical Prime Minister is removed and criminally charged. He needs to be held accountable for his many many many crimes he has committed as PM.	2/18/2022 7:34 PM
52258	They have given me hope.. standing up for freedom for all Canadians ♥	2/18/2022 7:34 PM
52259	Given me hope!!	2/18/2022 7:34 PM
52260	It has made me have hope for the future and hope that they are fighting for our freedom and sticking up for everyone I love them	2/18/2022 7:34 PM
52261	I don't understand how they were our heroes pre-vaccine, while we were all safe at home and now they are not essential anymore. Trudeau will allow unvaccinated truckers work as kind as they are bringing in vaccines. I find this hypocratic!	2/18/2022 7:34 PM
52262	They gave us hope wonderful to see children happy & people laughing no violence like that incited by our police! Seeing veterans!!	2/18/2022 7:34 PM
52263	Although the mandate has divided this country the peaceful movement has also brought me closer to other Canadians.	2/18/2022 7:34 PM
52264	It has given me hope.	2/18/2022 7:34 PM
52265	Nothing spectaculat	2/18/2022 7:34 PM

52267	very proud of to be a CANADIAN	2/18/2022 7:34 PM
52268	Si very wonderfully hope giving! Grateful for all the brave soul in the trucking convoy.	2/18/2022 7:34 PM
52269	It has been very inspirational to see the truckers fighting for freedoms and government overreach on behalf of all of us.	2/18/2022 7:34 PM
52270	It has given me hope that there are enough of us questioning the effectiveness of these mandates	2/18/2022 7:34 PM
52271	Feeling of love and hope for ending the tyrannical mandates. I enjoy seeing the peaceful protesters smiling and dancing.	2/18/2022 7:34 PM
52272	Due to the border blockades in B.C. and Alberta, the sawmill I work at can't ship enough lumber out of the yards. Due to this, our mill is curtailing production every Friday for the foreseeable future. Good job freedom fighters! You fucked the working class! Good job!	2/18/2022 7:34 PM
52273	Proud of them we are a trucking family so trucking is very important in our family	2/18/2022 7:34 PM
52274	Didn't	2/18/2022 7:34 PM
52275	There making a difference	2/18/2022 7:34 PM
52276	Given me hope for my future and my sons. Things have to change we can't keep going like this. More people have died from the mandates than the virus. Truth.	2/18/2022 7:34 PM
52277	0	2/18/2022 7:34 PM

52337	Gave us hope	2/18/2022 7:32 PM
52338	The trucker convoy was the first glimpse of hope to stop these illegal mandates. It showed me that there are millions of other Canadians that want these mandates to end immediately. Shame on our PM for ignoring a significant part of our country. The other part that don't support the truckers don't understand the harm these mandates (and injections) are doing.	2/18/2022 7:32 PM
52339	Not at all.	2/18/2022 7:32 PM

52341	It has given me hope and shown me that I am not alone and that we are stronger together. It has also shown me how evil the government truly is and how they do not have our best interests in mind when making their decisions.	2/18/2022 7:32 PM
52342	Positively and negative. See unity among Canadians of diverse backgrounds. The government was not willing to talk with truckers at all. Tragedy.	2/18/2022 7:32 PM
52343	I am impressed with the massive coordination involved with a protest/rally if this size. The government response has affected me deeply. I believe we are seeing the tail end of our democracy.	2/18/2022 7:32 PM
52344	Brought me hope. Opened my eyes to the world we live in and the government who is	2/18/2022 7:32 PM

52345	I worried for days about the children who were exposed to danger and risk by being present at the convoy.	2/18/2022 7:32 PM
52346	It's given hope	2/18/2022 7:32 PM
52347	It gave me hope to have my freedom back, to end the mandates. To see people's real faces. Disgusted by our Prime Minister about the way how he is bad mouthing all people that stand up for their rights. The people of the convey will win with love and peace.	2/18/2022 7:32 PM
52348	Best experience of my life	2/18/2022 7:32 PM
52349	Positive. Proud to be Canadian. Hope.	2/18/2022 7:32 PM

52351	It has brought me joy and renewed hope & pride in my fellow Canadians	2/18/2022 7:32 PM
52352	It is giving hope for a better tomorrow	2/18/2022 7:32 PM
52353	Amazing!!! You see hapoy people, smiles, love and good people. I've never loved being canadian more than now. You don't feel alone anymore. Our families and friends are now seeing some of the truths and talking again. It has helped a lot.	2/18/2022 7:32 PM
52354	Made me proud to be a Canadian citizen once again they are fighting for freedom for all Canadians	2/18/2022 7:32 PM
52355	Gave me hope	2/18/2022 7:32 PM
52356	It gave me some hope and allowed me to feel as part of it	2/18/2022 7:32 PM
52357	They have brought hope, love for fellow human beings. They helped unite Canadians that have been aggressively divided by Trudeau and the legacy media	2/18/2022 7:32 PM
52358	Gave us all hope that SOMETHING could be done to stop the mandates since lockdowns, vaccines, and masks are not making a difference and the consequences of these actions have been more detrimental. It is horrible that our various levels of government have poorly led us through this pandemic and have trampled our individual rights and freedoms.	2/18/2022 7:32 PM
52359	Gave me hope...	2/18/2022 7:32 PM
52360	Brought hope and unity within the community	2/18/2022 7:32 PM
52361	Proud of them for standing up for the quiet Canadians. Disappointed in the way the PM ignored then and methods used.	2/18/2022 7:32 PM
52362	It's given me hope for this country and our future	2/18/2022 7:32 PM
52363	It has given me hope.	2/18/2022 7:32 PM
52364	They gave us hope	2/18/2022 7:32 PM
52365	I was so happy someone was stepping up for our freedom!! So I would say the trucker convoy has given me hope that we might get our lives back !!	2/18/2022 7:32 PM
52366	It's amazing! I'm so happy there's so many like minded people in Canada. If it wasn't for the long drive and little kids I have I'd be in Ottawa. So thankful they took a stand I fully support them and pray that the mandates will be thrown out and Canada can be great again with a different prime minister.	2/18/2022 7:32 PM
52367	Gave me hope and faith again. Very proud to be Canadian. Ashamed of Trudeau, Liberals and NDP, police, RCMP and anyone else that is supporting the emergency act	2/18/2022 7:32 PM
52368	Made me feel proud to be a Canadian again	2/18/2022 7:31 PM
52369	No, they are warriors!	2/18/2022 7:31 PM

52372	It hasn't	2/18/2022 7:31 PM
52373	I got to see how the main stream media is lying and doing the work of the liberal government	2/18/2022 7:31 PM
52374	I finally had some hope that I didn't have for 2 yearsI felt the liberals were holding us hostage....	2/18/2022 7:31 PM
52375	Hope	2/18/2022 7:31 PM
52376	I support them all fighting for our freedom and rights I trust them more than the liberal government Justin Trudeau needs to step down he is making a mockery out of Canada all the other nations are laughing at him and calling him a joke we need a leader that stands with the people not against them he called the convoy a small fringe minority looks to me like a lot more than that he needs to wake up and listen this could have been resolved days ago if he would of sat down with the convoy and came to a solution but he's choosing to let his power and ego lead the way instead of listening to the people canada has become a communist country soon he will be telling us when we can go to the washroom we need our freedom back!	2/18/2022 7:31 PM
52377	I seen love and peace and hope that we will not loose our freedom and its trudeau turning us against each other	2/18/2022 7:31 PM
52378	Hasn't at all	2/18/2022 7:31 PM
52379	So proud of our true Canadian heroes...best I've felt in my heart for a very long time!	2/18/2022 7:31 PM
52380	It has given me hope and a reason to be proud to be a Canadian.	2/18/2022 7:31 PM
52381	It's been amazing and I support everything they are doing	2/18/2022 7:31 PM
52382	They have provided hope	2/18/2022 7:31 PM
52383	It has given me a glimpse of hope and I am thankful for the truckers for bringing people together.	2/18/2022 7:31 PM
52384	Giving us hope for a better futer.	2/18/2022 7:31 PM
52385	Gave me a sense of hope	2/18/2022 7:31 PM
52386	Positively	2/18/2022 7:31 PM
52387	Has brought back a sense of pride for being a Canadian that was diminishing prior to convoy. Has been an answer to my prayers. Has shown the world how greedy and ugly hearted some Canadian politicians are. Has shown me who is pro Canada	2/18/2022 7:31 PM
52388	Produce not getting across the border	2/18/2022 7:31 PM
52389	It lifted my spirits tremendously. Reminded me of how Canada used to be... how neighbors loved each other and helped each other before the racist, separatist and divisive pig trudeau was in the power seat. It gave me hope.	2/18/2022 7:31 PM
52390	Hasn't	2/18/2022 7:31 PM
52391	It gave me some hope to see so many people want the same freedoms, now praying we eventually get it back	2/18/2022 7:31 PM
52392	Not at all!	2/18/2022 7:31 PM
52393	Given me hope and Canadian pride.	2/18/2022 7:31 PM
52394	It shows we canadians are prideful of peace, and we must be able to show that, if not, then we fall to being fully controlled.	2/18/2022 7:31 PM
52395	Has given me hope and made me proud to be a Canadian again.	2/18/2022 7:31 PM
52396	Someone has to stand up for our rights and freedom. I am thankful for everything they are doing for the great people of this country.	2/18/2022 7:31 PM
52397	I am SO grateful that other people care about what this is doing to our families, neighbors and country. It breaks my heart seeing people excluded, losing their jobs and friends over a vaccination that is supposed to be only an option. The freedom convoy CANNOT fail or we're in trouble!	2/18/2022 7:31 PM

Canadians vote on Canadian Mandate - February 2022

52398	I am afraid to express my opinions due to government overreach and infringement on freedom of expression. I can't accept that any opposition to government is considered terrorism any support for such opposition can get your bank account frozen. This should not happen in a free country.	2/18/2022 7:31 PM
52399	It has made me proud to be Canadian again to see the fight we as Canadians can have when put into a corner	2/18/2022 7:31 PM
52400	Not at all	2/18/2022 7:31 PM
52401	Gave Real Canadians hope for our rights and freedom to be upheld.	2/18/2022 7:31 PM
52402	Hope	2/18/2022 7:31 PM
52403	there was hope that all this invented covid19 and vaccines would disappear forever	2/18/2022 7:31 PM
52404	Didn't	2/18/2022 7:31 PM
52405	made me proud to be a Canadian	2/18/2022 7:31 PM
52406	It has been the first thing that has given me hope in these last couple years. I was in tears to see so many people come together in support of one another regardless of status or anything else. It was amazing. I've never witnessed a protest with such unity and peace. I am so very proud of how people have acted and reacted especially after all we have been through these past couple years. I know many are struggling with mental health issues due to this pandemic and despite this they have maintained self control. I am also extremely grateful to know that I no longer have to be ashamed for my choices and appreciate the truthful footage I have had access to. I never realized how many lies we have been fed through MSM.	2/18/2022 7:31 PM
52407	It beautiful to finally see people come together.	2/18/2022 7:31 PM
52408	It gave me great joy and pride	2/18/2022 7:31 PM
52409	It has given us the hope we've needed for the past 2 years and made us feel like we're not alone. Watching what they're doing in Ottawa today (trampling people with horses) has been entirely disheartening. I feel like Canada is lost and am terrified what the future brings.	2/18/2022 7:31 PM
52410	Not at all	2/18/2022 7:31 PM
52411	Given me hope and pride in my fellow Canadians	2/18/2022 7:31 PM
52412	It has restored my hope	2/18/2022 7:31 PM
52413	We see hope	2/18/2022 7:31 PM
52414	Uplifted my spirit. Made me proud to be Canadian	2/18/2022 7:31 PM
52415	They have given me hope that there are good people in the world.	2/18/2022 7:31 PM
52416	Not really at all...I was there, I saw what was happening; no violence, hate speech, or any other inappropriate behaviors...people were laughing and enjoying themselves. To say the least, this freedom convoy has certainly put Canada on center stage in North American and World news alike. It is a terrible shame that the so called leader of this country has chosen to abuse his position of leadership and power_a person in a top ranking position of trust falsely representing Canadians as a whole. It's treasonous and disgraceful.	2/18/2022 7:30 PM
52417	Given me hope for the future!	2/18/2022 7:30 PM
52418	Hasn't affected my life. Proud of what they are doing.	2/18/2022 7:30 PM
52419	Had brought me an incredible amount of hope my the current situation with the government, for my kids' future, the future of the country and the world.	2/18/2022 7:30 PM
52420	Given hope to end our government's increasing and unrelenting control	2/18/2022 7:30 PM
52421	The trucking convoy has given me increased hope for our rights as Canadians and worldwide to be restored due to a peaceful protest led by honest, hard working individuals who are doing it for everyone. It is also the first thing to make me proud to be Canadian in a long time and especially during the last two years as our government has continually let us down, particularly our Prime Minister, Justin Trudeau. The fact that he would not meet with them and listen to them is shameful. He is a tyrant.	2/18/2022 7:30 PM

52422	Hoping for change..no mandates	2/18/2022 7:30 PM
52423	Hope So much hope I pray for their safety!	2/18/2022 7:30 PM
52424	I wished I could go out and support them. But I can't afford it. Someone needed to stand up to the Prime Minister of Canada. Thank you truckers.	2/18/2022 7:30 PM
52425	Proud of them and standing up for ALL Canadian's freedoms	2/18/2022 7:30 PM
52426	It hasn't - peaceful protests made out to be like they are terrorists	2/18/2022 7:30 PM
52427	It gave me hope that people can actually stand up for what is right.	2/18/2022 7:30 PM
52428	For the first time in a long time I've had hope we haven't completely lost our country to dictatorship	2/18/2022 7:30 PM
52429	Brought me renewed hope and energy! Made me realize I am not alone and that the future of our nation is not lost.	2/18/2022 7:30 PM
52430	It made me proud to be Canadian again. It brought our country unites like never before.	2/18/2022 7:30 PM
52431	It has brought the knowledge of Canadian unity-not what the media portray. It brings hope!	2/18/2022 7:30 PM
52432	The convoy has given me hope. I have been following the happenings in Ottawa through local live-streamers, and from what I have seen it has been peaceful and hopeful. People supporting each other. When I watch the mainstream media (CTV, CBC), it is portrayed as the polar opposite, which has been eye opening. I feel the convoy has given us all a view of what's really going on, and I am grateful. I wish the PM would have just sat and talked with them, instead of inciting violence, which is what is happening now. It breaks my heart, and is causing the whole country (and myself) so much stress and duress. This Emergencies Act cannot be passed, and I registered my non-confidence vote in the current Prime Minister of Canada.	2/18/2022 7:30 PM
52433	Brought back hope Seeing so many people united and coming together They are the only ones fighting for our freedom It's had a worldwide effect!	2/18/2022 7:30 PM
52434	Gave me hope again	2/18/2022 7:30 PM
52435	It has given me something good to believe in and made me proud to be a Canadian.	2/18/2022 7:30 PM
52436	Has given me hope for freedom	2/18/2022 7:30 PM
52437	I love that they are standing for our freedom, the Canadian constitution of rights and freedoms.	2/18/2022 7:30 PM
52438	Given me hope	2/18/2022 7:30 PM

52441	From complacency I went to awareness!	2/18/2022 7:30 PM
52442	It has brought happiness, unity and support.	2/18/2022 7:30 PM
52443	It's made me proud and hopeful	2/18/2022 7:30 PM
52444	Heartwarming someone's fighting for freedoms	2/18/2022 7:30 PM
52445	It hasn't affected me. I support the trucking convoy for freedom.	2/18/2022 7:30 PM
52446	They are giving me a HOPE ♥ Also they are showing and telling people that all can be dealt with love ♥	2/18/2022 7:30 PM
52447	The trucking convey has had a negative impact on my life. I've witnessed a group of people, my own neighbours and families, decide that their communities, democratically elected governments, and collective health don't matter to them. It feels that they've decided their own needs trump everyone and this value benefits few. Choices have consequences and some have been brutal. There's a choice to not be vaccinated. If they work with people face to face, or travel across country and can bring infection, then there will have to be limits on their freedom. Personally I prefer that to be quarantine over a vaccine in order to preserve bodily autonomy, but that wasn't going to help us deal with the matter at hand fast enough. A mask is a safety protection, not an infringement on your rights as a human. If the Canadian Woman's Hockey team can kick ass wearing an N95 mask then a simple mask to enter a crowd she be	2/18/2022 7:30 PM

a non-issue. We vote for our governments and yes the first past the poll system and JT suck, but we still voted for what we have. The trucking convey has damaged our health, our reputation, our community, and our spirit. This needs to end.

52448	It's given me so much hope that thing may change. I pray that these trucks and their bravery change what's happening In our country!	2/18/2022 7:30 PM

52645	Given me hope.	2/18/2022 7:25 PM
52646	So so proud. Definitely a move of God. We will win. 😊	2/18/2022 7:25 PM
52647	not at all	2/18/2022 7:25 PM
52648	It has not affected the day to day tasks, and has given hope it will turn this country around to what it once was...the true north strong and FREE.	2/18/2022 7:25 PM
52649	Made me feel proud to be a Canadian. Finally people standing up for our rights and freedom!	2/18/2022 7:25 PM
52650	It has brought hope. That we were not alone. Many people believed what I believe.	2/18/2022 7:25 PM
52651	The trucker convoy has given me hope again!! I haven't felt this much joy since a handful of years BEFORE the pandemic. I have been to Ottawa and I have been watching what is happening live and raw on the ground via online outlets. I have NEVER seen this type of UNITY in Canada. But now, our government, most specifically our Prime Minister, does not want to talk to some Canadians; he himself said, "Do we tolerate them?" This is very dangerous language, and the truckers have given us our last chance, likely our last stand for hope of the freedoms we once knew. Truckers gave us an umbrella for all Canadians who have been affected by unconstitutional mandates to have a voice, together, in unity. We are the Canadians who have been slandered by our leader; thrown hate speech; and then also, division and segregation amongst ALL Canadians. I fear that the trucker convoy is our last hope. And I hope it doesn't fade.	2/18/2022 7:25 PM
52652	Its given me hope, hope that we aren't alone feeling this way, hope for our future. Its one of the most amazing movements in all of canadian history, its brought more people together, opens eyes of those who have been blinded by the corruption we have been suffering through for the past 2 yrs and much more. Its been a very emotional time and im happy to say that i stand by the right side of history. Its not even about vaccines or covid19 anymore.	2/18/2022 7:25 PM
52653	It has given me hope that these mandates will end. It has uncovered the fake media and all	2/18/2022 7:25 PM

52664	It brought hope to many people. so awesome to witness the country uniting and taking a big stance against tyranny. It is also showing the true nature of our prime minister to people who had gone along with the mandates. It's showing Canadians that we do not live in a democratic society anymore. Canada has officially become a dictatorship and we have a tyrant running our country. thank you for doing the survey. would love to find out about the result. love and light to humanity	2/18/2022 7:25 PM
52665	Its given me hope that there are more of us that feel our god given freedoms should not be removed and that it is tyrannical and undemocratic that they have been removed. Considering the real numbers...	2/18/2022 7:25 PM

52673	We finally feel like we may have some hope again.	2/18/2022 7:25 PM
52674	I dont support it, due to the organizers. It's created division in our communities and homes. My teenaged child supports it and antagonizes me for not supporting it.	2/18/2022 7:25 PM

52694	The trucking convoy has brought more unity and strength then anything in the last two years. I joined it and was welcomed by thousands of happy smiling people of every race, religion, gender, ect.	2/18/2022 7:24 PM
52695	Its been a huge relief that a group have gotten together in peace to fight for our Freedoms & Rights. These Freedoms and Rights are being abused by a corrupt Federal leader. 80% of Canadians are vaccinated which is one of the higher numbers in the world, 90% of Truckers are vaccinated and the world around us are dropping their mandates except in Canada at the Federal level. Why?	2/18/2022 7:24 PM
52696	They have given me hope.	2/18/2022 7:24 PM

To see all the people supporting them and the message they were taking to Ottawa. It is the first time in a long time I felt proud to be a Canadian. I felt joy, hope, connection. Since the emergency order I feel I no longer want to live in this country.	2/18/2022 7:24 PM

52803	For the first time in 2 years, I was filled with hope, joy and thankfulness that I wasn't alone in my beliefs. I fully support everyone participating in the most peaceful protest on the planet. I find myself honking and waving at every truck I drive by and have been brought to tears so many times over the last few weeks that I have lost count. I love that they banded together to fight for the freedoms we all have as outlined in many areas of the law. This convoy was the best thing to happen in the last 2 years and if we had a leader who actually cared about his people he would have stopped to listen instead of lining his pockets and creating division amongst the people of what used to be the greatest country to live in.	2/18/2022 7:22 PM

52821	They have given me some hope.	2/18/2022 7:21 PM
52822	It is not, the damage was already done by the mandates! They have to go!	2/18/2022 7:21 PM
52823	The convoy has brought hope and confirmation of my ideals. I am not alone. Freedom and freedom of choice is essential. To see the unity and love displayed in Ottawa and across the country has given me hope and support. Fully support the truckers	2/18/2022 7:21 PM
52824	Not at all....they are doing the right thing	2/18/2022 7:21 PM
52825	Gave me and my family hope	2/18/2022 7:21 PM
52826	The trucking convoy is a disgusting display of ignorance and disregard for fellow humans and the law. If nothing else works, and it isn't seeming to, call in the military to disband what has been going on for far too long.	2/18/2022 7:21 PM
52827	It gave me peace 🙏 , joy , love and compassion to whole new level , to see children smiling again playing with other children , cheering the convoy truckers on as they pass each over pass was the most amazing thing I've ever seen in my life . A memory I'll take to my death	2/18/2022 7:21 PM

bed . The stories of those who just wanted to be heard whether happy or sad . We encourage , smiled , hugged , hive five , fist pumps , cry tears of joy on parliament hill ; from All different cultures to see on every news stations or social media platforms of every single country across the globe was praying and thanking us Canadians for being so brave to stand up for what we believe in was remarkable . 90% of Canadians are vaccinated why is that not enough . The science does not match what Trudeau has stated over and over . The crimes he has done against us Canadians is astounding . Never in the history of Canada haven't I ever seen / saw a Canadian prime minister do so much damage to our country we call Canada glorious and free ~ where is our freedom . The fact that the very man himself who wrote the constitutional rights in 1982 was on parliament hill himself speaking out against our prime minister yet our prime minister continue to insulting us and bully us and calling us awful names . Where is our queen ? Where is our leader ? Why haven't the police arrested justin Trudeau for his crimes against the human race against our country . Are they that afraid of him . I'm not afraid of Trudeau hand me the handcuffs I'll arrest him and read him his rights myself . The truckers convoy is the best thing to happen in Canada in the last two years they gave me hope , laughter , tears of joy and to believe in our country once again . The real Canadian heroes is the " truckers convoy" . I couldn't be more proud to be Canadian . Trudeau the whole world is now watching your every move and are disgusted by your actions . Thank you truckers ; hold the line My little girl and I pray for the truckers every night god bless you stay peaceful and show love at the convoy much Love Angela M (NB)

52828	Has given me hope	2/18/2022 7:21 PM
52829	It gave me hope that we can live in a free country.	2/18/2022 7:21 PM
52830	It gave me hope. Hope to see so many people, come together PEACEFULLY for the same things I'm for and people recognizing what's been bothering me for so long but thought no one else thought the same. It made me feel proud of our country for the first time in a long time.	2/18/2022 7:21 PM
52831	Human at it's best. I am what they are!	2/18/2022 7:21 PM
52832	Support them 100% as they are standing up for are right and freedom	2/18/2022 7:21 PM
52833	It's made me proud to be Canadian again	2/18/2022 7:21 PM
52834	For me, "truck convoy" or the "truckers" are names to the movement. I see it as Canadians coming together for freedom of choice and standing up against injustice and, now more than ever, obvious manipulation of information and straight up LIES from our government. I do not know of the end game of the leaders of "The Convoy". Therefore, I support it in the name of Freedom for my countryman/woman, for my Country. My end game is a peaceful country that stands for the justice of its people, longs for prosperity and reasonable equity. And exercises real democratic values. As we are the only being paying to be on this beautiful planet, a corner of it is our home, our place to be. So, when you feel the rats start to nib and bite your things and toes, you make sure they remember where they are and that's your home.	2/18/2022 7:21 PM
52835	It has given my children and I hope for the first time since the restrictions were placed on Canadians.	2/18/2022 7:21 PM

52837	Positively. Stand up for our rights!	2/18/2022 7:21 PM
52838	I'm proud that they stick up for freedom. Our Federal Government (ie Trudeau) has overstepped. He's a tyrant.	2/18/2022 7:21 PM

52842	Has done thing to me but lift up my spirt	2/18/2022 7:21 PM
52843	This convoy has given me hope for the first time in 2 years. The main stream media has led everyone to believe that everyone supports these mandates. Seeing the amount of people standing up has been amazing! We are not a fringe minority.	2/18/2022 7:21 PM
52844	Shown me that we are strong together and that the mandates will go!	2/18/2022 7:21 PM
52845	It has given me hope for the future. It has truly opened my eyes to the corruption in our media	2/18/2022 7:21 PM

52867	Food needs to get to us at reasonable price	2/18/2022 7:20 PM

52915	Keeps me interested in what's really happening	2/18/2022 7:19 PM
52916	It made an impact an emotional level in a positive manner. I felt That Canada has a political slant and doesn't care about me nor my health condition nor what I can contribute to society. 52942	Brought hope to our family, made me feel proud to be Canadian again. When in Ottawa felt nothing but love and unity	2/18/2022 7:19 PM
52943	It makes me feel there us an opportunity to get the attention of the prime minister. But he isn't listening or talking and just calls out lies about the people in Ottawa protesting. I am proud and support the truckers!!	2/18/2022 7:18 PM

52949	Not at all It warmed my heart and created hope again	2/18/2022 7:18 PM
52950	They have given some hope to a bleak situation in Canada. If things do not change drastically I am seriously contemplating leaving Canada. It hurts me to feel the way I do about a country I loved just 2 short years ago. Trudeau has literally destroyed it, in most part for personal gain whether it be monetary or his narcissistic ideologies.	2/18/2022 7:18 PM

52962	Huge improvement, one of the most inspiring thing I have ever seen.	2/18/2022 7:18 PM
52963	The trucking convoy gave me hope. The government's response and additional attempt to gain more power and seizing funds of regular citizens that did nothing more than donate has increased my anxiety and desperation for these measures to end more than I can bear. I can't sleep and I cry all the time.	2/18/2022 7:18 PM
52964	It has aggravated me. I don't approve of many of the things they've done. However, I do support their message.	2/18/2022 7:18 PM
52965	It has shown how controlled the media is, and how our government has twisted the truth or totally lie to force their agenda. This convoy has made me aware that the government is corrupt more than I had ever imagined.	2/18/2022 7:18 PM

53052	It gave me hope that the relatives I had , who fought in every war to preserve the FREEDOMS and the Rights for all are being fought for again by these beautiful Truckers . The only reason the Teamsters Union were against these Truckers is because they had no control over these truckers and weren't making any Union Dues while trucks were not working . I'm ashamed of the Teamsters Union for not standing behind their TRUCKERS !!! It's all about money to these Unions NOW !!!	2/18/2022 7:16 PM

53067	They have brought unity to our country like I have not seen for years	2/18/2022 7:16 PM
53068	None	2/18/2022 7:16 PM
53069	It has given me hope. For a better Canada.	2/18/2022 7:16 PM
53070	It hasn't. The stores still have stock.	2/18/2022 7:16 PM
53071	It has given me a sense of hope and togetherness.	2/18/2022 7:16 PM
53072	I joined up in Coutts for a few hours. I've sown a Canadian flag onto my car antenna. I joined a convoy celebration gathering with my kids and our signs. I follow some FB groups for updates on the convoy. I speak out every chance I get. I will go to Coutts and Milk River US border I felt a renewed faith in democracy: a proud patriotic feeling.	2/18/2022 7:16 PM
53073	N/a	2/18/2022 7:16 PM
53074	I think they did a great job at letting the government know that Canadian citizens are fed up	2/18/2022 7:16 PM
53075	It has brought hope. ♥	2/18/2022 7:16 PM
53076	Gave me hope	2/18/2022 7:16 PM
53077	For the first time in 2 years I am proud to be a Canadian	2/18/2022 7:16 PM
53078	Given me hope for an end to these draconian measures and for the end of a dictatorial government.	2/18/2022 7:16 PM
53079	The convoy has really opened my eyes. At the beginning I thought it was a little ridiculous and wouldn't be effective but then I seen Canadians coming together, in all its diversity, to be heard because the government was not listening to the Canadian voices. I have seen how the media skews and controls the narrative and unless you look into what they are covering you are likely being told certain things to control a certain mindset. I have realized that the government leaders really do not care what the average Canadian thinks or wants, there is an abuse of power and control. I have seen a division and intolerance that I truly believe has been created by our countries leader, Justin Trudeau. He has belittled, ignored and passed judgements on many Canadians and I am disgusted by his choices to ignore the voices of his people. This is a man who, last year, supported the people of India exercising their right to protest their government and be heard and now, is faced with his own countries people exercising that same right and him ignoring and avoiding them and then using extreme measures to still push his narrative and I think that is absolutely disgusting	2/18/2022 7:16 PM
53080	I'm finally proud to be a Canadian	2/18/2022 7:16 PM
53081	Made me proud that they would stand up for all Canadians	2/18/2022 7:15 PM
53082	Thankful they stood up for us. Gives me hope	2/18/2022 7:15 PM
53083	It's showing me that there is hope for Canadians who want to get back to normal and that the mandates are bogus and these restrictions imposed by the government don't help anything and the vaccine doesn't work	2/18/2022 7:15 PM
53084	The Freedom Convoy has restored a little of my faith in humanity & restored HOPE!	2/18/2022 7:15 PM
53085	Made me the happiest I've been in over 2yrs. They are true Canadians and I support them 100%	2/18/2022 7:15 PM

53087	Gave me hope	2/18/2022 7:15 PM
53088	Inspired my Canadian freedom. Made me realize how much the main stream media has hidden from us Canadians	2/18/2022 7:15 PM
53089	It has not directly effect our household. I'm a member of the AMTA and an NSCO that sees our fleet of trucks. We haul gravel and heavy equipment. We have have been able to keep our customers happy and did what we had to do to get the job done. I have many friends in the trucking industry as well as family. I support the Truckers	2/18/2022 7:15 PM
53090	Given me hope	2/18/2022 7:15 PM
53091	I've haven't felt this Canadian in years	2/18/2022 7:15 PM
53092	Positively. Gave me some hope for the future.	2/18/2022 7:15 PM
53093	They have given me hope for freedom	2/18/2022 7:15 PM
53094	None	2/18/2022 7:15 PM
53095	Given me and all Canadians renewed hope.	2/18/2022 7:15 PM
53096	Given us hope	2/18/2022 7:15 PM
53097	In a positive way	2/18/2022 7:15 PM
53098	Hope	2/18/2022 7:15 PM
53099	Made me more proud to be Canadian	2/18/2022 7:15 PM
53100	Hope	2/18/2022 7:15 PM
53101	Given me hope that we can get a better Canada back!	2/18/2022 7:15 PM
53102	It's been infuriating to watch a movement organized by extremists & white supremacists radicalize poorly educated people into risking their lives and livelihoods by avoiding vaccines and by joining this insurrection.	2/18/2022 7:15 PM
53103	It has given me hope!	2/18/2022 7:15 PM
53104	All positive. They are doing what most of us without the means to protest are doing. They speak for a huge percentage of the Canadian population and they have given us all hope !!	2/18/2022 7:15 PM
53105	It gives me hope and restores my faith in human courage to stand for what is right. I don't want to see them persecuted or abused.	2/18/2022 7:15 PM
53106	Pride joy and love for Canada again. A reason to feel involved in good	2/18/2022 7:15 PM
53107	Nice to see them standing up for freedom	2/18/2022 7:15 PM
53108	No much, I support the meaning behind the movement. The Government is Tyrannical and have divided this country for \$\$\$\$\$. Disgusting	2/18/2022 7:15 PM
53109	I was full of hope that we could actually make a difference . Today I have seen how incredibly corrupt the government , police services and media is . Seems hopeless	2/18/2022 7:15 PM
53110	It has given me hope that people want their freedom & they have woken up to the lies we have been told for 2 years & probably longer than that	2/18/2022 7:15 PM
53111	Made me proud to be a Canadian again!!! Gave me hope	2/18/2022 7:15 PM
53112	Gave me a voice when NO ONE was listening before. If the mandates are dropped and my adult child, who is vax injured, is not mandated to have a booster to attend university, they may have well saved her life.	2/18/2022 7:15 PM
53113	Gave me hope to restore the beauty of canada	2/18/2022 7:15 PM
53114	Very little. I support their right to protest, and although there may be the odd bad apple, they have acted peacefully and have the right to seek gainful employment in the field they have trained for.	2/18/2022 7:15 PM
53115	I finally have hope for a brighter future! It's been a dark & heavy couple years. I've felt alone & afraid & this convoy has brought me so much happiness- seeing everyone come together in	2/18/2022 7:15 PM

peace dancing & singing & being true Canadians. We deserve freedom! Trudeau has created division & so much hate during this pandemic. He is the problem & needs to go!

53117	They restored my hope in Canadian unity ..	2/18/2022 7:15 PM
53118	Made me feel alive again and freedom	2/18/2022 7:15 PM
53119	Besides the couple bad apples, great to see Canadians have finally had enough. Also has really made me question current government intentions and their ability to serve our country	2/18/2022 7:15 PM
53120	It gave me hope that things would go back to normal	2/18/2022 7:15 PM
53121	Makes me more proud because of what they are standing up for. Rather than Trudeau trying to rip the country apart	2/18/2022 7:15 PM
53122	It is great to see someone standing up for all Canadians!	2/18/2022 7:15 PM
53123	It has brought back hope. There will be better future for our children.	2/18/2022 7:15 PM

53125	Gives hope	2/18/2022 7:15 PM
53126	God is good. People are good. Government is evil	2/18/2022 7:15 PM
53127	Increase in prices and lack of products but it's expected. I'm glad they are defending our freedom!	2/18/2022 7:14 PM
53128	Proud to see Canadians for a free country	2/18/2022 7:14 PM
53129	In a positive way, it tells me their are still good men on this planet that will stand in harms way to protect the freedom of others.	2/18/2022 7:14 PM
53130	They have not affected my life	2/18/2022 7:14 PM
53131	Only insofar as I have had to have discussions with people on both extreme ends of the fence.	2/18/2022 7:14 PM
53132	Gave me hope, made me happy to see like minded people who know the true science fighting for our freedoms.	2/18/2022 7:14 PM
53133	Brought hope to me that there are still good people out there	2/18/2022 7:14 PM
53134	It brings me hope and make me feel like a person again	2/18/2022 7:14 PM

53136	Positively. Made me feel like someone was in my court!	2/18/2022 7:14 PM
53137	New found hope and inspiration	2/18/2022 7:14 PM
53138	Has gave me hope that I won't be forced to get the booster with their peaceful, loving protest in order to keep my job.	2/18/2022 7:14 PM
53139	I haven't felt Canadian in a long time. The trucking convoy has sparked my love for Canada again. This is the Canada I know. People come together. Vaccinated and unvaccinated fighting for medical freedom!!!	2/18/2022 7:14 PM
53140	Given me hope finally that Canada may be a free country again.	2/18/2022 7:14 PM
53141	The cost of things have gone up, the ability to get things is more difficult. I like that they are standing up for freedom but this is more than the mandates now though. With this emergencies act put in place it is ruining our basic rights and is so wrong on so many levels.	2/18/2022 7:14 PM
53142	No	2/18/2022 7:14 PM
53143	With hope their is some one who cares about our free rights .	2/18/2022 7:14 PM
53144	It has made me proud again to be a Canadian	2/18/2022 7:14 PM
53145	It has not affected my life - I support their mission about bringing "freedom of choice" into the spotlight.	2/18/2022 7:14 PM

53150	It has encouraged me and given me hope	2/18/2022 7:14 PM
53151	Helped to bring awareness to the tyranny happening	2/18/2022 7:14 PM
53152	It has given me hope that there is more of us that are thinking with our brains instead of being brainwashed, hypnotized by the mainstream media. This nation needs to wake up to the signs of where we are heading - and it's not democracy!	2/18/2022 7:14 PM
53153	Gives me hope	2/18/2022 7:14 PM
53154	They have given us hope . To see our country and other countries come together in unity with the same goal ... to end all mandates and bring back normalcy to every country	2/18/2022 7:14 PM
53155	Made us happy	2/18/2022 7:14 PM

53158	Feel like for the first time ever Canadians have become Patriotic and proud to be Canadians.	2/18/2022 7:14 PM
53159	It hasn't it just makes me aware that people are finally standing up even though we've been highly censored from our information They read PubMed to get their information	2/18/2022 7:14 PM
53160	It hasn't.	2/18/2022 7:14 PM
53161	Made me proud to be a Canadian and given me hope.	2/18/2022 7:14 PM
53162	I have been inconvenienced, insulted and disgusted by the occupation and how it has embarrassed the entire country. It's also opened my eyes to the epidemic of a failed education system that the protesters lack basic knowledge of the law and our democratic system.	2/18/2022 7:14 PM
53163	Last glimmer of hope before the world economic forum decimates what it means to be not only free, but human. Shame to anyone that is standing with tyranny	2/18/2022 7:14 PM
53164	It taught me how much value we have in numbers and how much Canadian people care about freedom.	2/18/2022 7:14 PM

53172	Gave my family & friends HOPE	2/18/2022 7:13 PM
53173	It hasn't	2/18/2022 7:13 PM
53174	They brought Canadians together for a free Canada	2/18/2022 7:13 PM
53175	not one bit	2/18/2022 7:13 PM
53176	finally, they have been a voice for millions of canadians who don't agree with the mandates etc and DO NOT like the PM at all, but have not been heard or acknowledged. They are standing	2/18/2022 7:13 PM

up for our freedoms and I support that

53177	Realized the overreach of our government. The name calling of citizens and the government would not even have dialogue with the Canadians at the very beginning. It is their fault it has come to this. Sad day for Canada.	2/18/2022 7:13 PM
53178	Gave hope, appreciate that there are like minded people who realize Canadians are slowly dropping our democracy.	2/18/2022 7:13 PM
53179	Hasn't been impacted negativity	2/18/2022 7:13 PM
53180	None. Made me feel a pride in Canada	2/18/2022 7:13 PM
53181	It gave me hope that the leaders would talk to them or as least listen to what they have to say. Sadly the spineless Trudeau ignored them	2/18/2022 7:13 PM
53182	It has given me hope and made me proud to be part of this country again	2/18/2022 7:13 PM
53183	Gives me hope that humanity still exists - that there are other people with common sense	2/18/2022 7:13 PM
53184	It hasn't actually affected my life as I don't have any close family in Ottawa, and I don't live there. But, it makes me feel hopeful that there are people supporting Canadians in the fight for freedom. I would like to be there, but do have other responsibilities. Donations to the convoy is how we have helped.	2/18/2022 7:13 PM
53185	I am filled with awe and am proud seeing how fellow Canadians are standing up all of our rights.	2/18/2022 7:13 PM
53186	Brought joy and hope	2/18/2022 7:13 PM
53187	The convoy has brought me great strength & an incredible feeling of hope. I will be forever grateful for their strength & courage. Today that hope was crushed as the convoy is being destroyed by the police (thanks to our incompetent PM).	2/18/2022 7:13 PM
53188	They are peaceful and helping everyone for freedom of choice	2/18/2022 7:13 PM
53189	Feeling of hope and unity, love for my fellow Canadians	2/18/2022 7:13 PM
53190	Given me and my family great hipe	2/18/2022 7:13 PM
53191	Gave us hope and knowing we aren't alone	2/18/2022 7:13 PM
53192	I support it	2/18/2022 7:13 PM
53193	Not at all.	2/18/2022 7:13 PM
53194	Gave me hope and made my family feel like there may finally be an end in sight.	2/18/2022 7:13 PM
53195	They gave me hope joy of life, complete as I had list that feeling within my soul	2/18/2022 7:13 PM
53196	Not getting produce delivered to stores	2/18/2022 7:13 PM
53197	D'aucune manière! Ils appuient les droits humains..	2/18/2022 7:13 PM
53198	It has not	2/18/2022 7:13 PM
53199	Gave hope for the future. Realized we do live in a country that wants to stand together and be free. That we are not alone and there are people out there who do listen. The good outshines the bad.	2/18/2022 7:13 PM
53200	It has given me faith in our nation and pride in our country.	2/18/2022 7:13 PM
53201	It hasn't other then to be a voice to political overreach.	2/18/2022 7:13 PM
53202	Brought back feeling of hope for a free country	2/18/2022 7:13 PM
53203	Opened my eyes	2/18/2022 7:13 PM
53204	This rally is more about the individuals right not to be coerced or otherwise forced to do the bidding of other individuals at their discretion. The fact that the medical procedure is of an experimental nature doubles down on this concept.	2/18/2022 7:13 PM
53205	It has given me hope and lifted my spirits.	2/18/2022 7:13 PM

Canadians vote on Canadian Mandate - February 2022

53209	Given me hope that things will change and go back to normal life again	2/18/2022 7:13 PM
53210	Brought hope to have I been feeling but no one speaking of	2/18/2022 7:12 PM
53211	Not a tall very impressive	2/18/2022 7:12 PM
53212	Positive Canadians have united and I my heart was warm until I saw the use of force on the protestors	2/18/2022 7:12 PM
53213	It truly made my heart explode with gratitude and love. It made me feel like I was a part of this great country again. It has allowed me turn my back on the government and police officers knowing they do not believe in the constitution.	2/18/2022 7:12 PM
53214	I had some hope for a change of heart amongst the ruling class.	2/18/2022 7:12 PM
53215	Made me happier than I have been in 2 years. United people.	2/18/2022 7:12 PM
53216	It has given me hope for a better future. To be able to live with the freedoms I was born into again. Hope for the children in our nation.	2/18/2022 7:12 PM
53217	It has given me pride to be Canadian again. It has given me hope.	2/18/2022 7:12 PM
53218	Increased sense of hope that finally people might see how wrong the mandates are	2/18/2022 7:12 PM
53219	I feel hopeful and filled with joy. I see people coming together without worrying about getting sick. I see love, I see hugs. I see living and a life with out constant covid. I see beautiful souls	2/18/2022 7:12 PM
53220	In a positive way I see hope! Hopefully it had opened people's eyes and minds	2/18/2022 7:12 PM

53222	It brings me much hope and am thankful for the fight for freedom.	2/18/2022 7:12 PM
53223	Had a good laugh	2/18/2022 7:12 PM
53224	It's made me hopeful and proud to be a Canadian again.	2/18/2022 7:12 PM
53225	None	2/18/2022 7:12 PM
53226	Most patriotic beautiful thing I have seen in a very long time. Personally have been there and it was so peaceful and happy	2/18/2022 7:12 PM
53227	The mandates are ending soon there getting us back to life we had three years ago.	2/18/2022 7:12 PM
53228	Made me embarrassed of Canada	2/18/2022 7:12 PM
53229	Very positively giving us hope	2/18/2022 7:12 PM
53230	Inspired me, I now know my views are not the fringe minority	2/18/2022 7:12 PM
53231	It has given me hope. Awareness is being spread, open dialogue is becoming more normalized, but also it's scary to see what lengths the government is willing to go to to follow their own agenda against even the most widely accepted health info. It scares me to see that peaceful protest is no longer allowed, that the prime minister is willing to completely over reach his power and authority to enact the Emergencies Act before he even talks to his very own citizens who want to be free of the mandates, citing himself that the convoy is not letting people be free, when he is the one keeping people from their rights and freedoms, folks from their jobs, from leaving the country. It's unbelievable. I stand with the peaceful convoy and am trying my best to support them and urge the government to do the right thing and end the mandates.	2/18/2022 7:12 PM
53232	It's given me hope and made me realize that I am not the only one who knows the mandates and dictatorship over the last two years are wrong - especially the approach to the un-official vaccines mandates and forcing Canadians to get them without their consent.	2/18/2022 7:12 PM

53238	It has helped bring some hope that things in the country could get better.	2/18/2022 7:12 PM
53239	It has restored a sense of pride in being canadian and a hope that the pathetic corrupt embarrassment that is justin trudeau and his gestapo will finally be removed and hopefully sent to china where they can live happily ever after	2/18/2022 7:12 PM

53244	Increased prices, decreased supply	2/18/2022 7:12 PM
53245	Given me hope that some people still are willing to be human and take risk	2/18/2022 7:12 PM
53246	The trucking convoy has has been inspirational for me. I feel so proud of those people who have fought for our freedoms	2/18/2022 7:12 PM
53247	It showed me that some other people care!!! So proud of them, thank them all	2/18/2022 7:12 PM

53250	It's inspiring to see Canadians of all walks of life united for freedom from coercion and respect for the law and the rights of all Canadians.	2/18/2022 7:12 PM

53253	It has given me a sense of hope and pride in our country.	2/18/2022 7:12 PM
53254	When I saw that the truckers and everyday working people were taking a stand against the mandates, I felt relief! It has been very emotional and I support them entirely. I have been to downtown Kelowna a number of times when they are out protesting and driving about honking. It is wonderful, the people are so kind and happy and I feel hope when I see them out.	2/18/2022 7:12 PM
53255	It brought me hope. It was incredible to see the love and support.	2/18/2022 7:11 PM

53257	They are my champions , they fight for the liberty . I respect them car they are true	2/18/2022 7:11 PM
53258	It hasn't, but I support the goals. Will they succeed? No, because the government will crush it.	2/18/2022 7:11 PM
53259	The Convoy has offered this Voter a wake-up call to the erosion of Democratic institutions. No, the Truckers blocking borders is wrong , but the police had the power to deal with these actions. But now we have George Orwell in the form of Trudeau, and Freeland invoking the War Measures Act whereby citizens who have not agreed with The Trudeau Liberals get their Bank Accounts frozen and property seized. I listen to Trudeau suggesting that a Jewish Member of Parliament, a Ms. Lantsman , supports those who wave the Swastika flag . There was no attempt at mediation with the protestors , no attempt by the Liberals to "talk!" Just put on the jackboots and crush 'em . I remember two years ago we had protestors shutting down our railways, trying to light CN Trains on fire , trying to derail CN Trains, blocking pipeline construction, all the while over 60 plus ships were backing up in English Bay - grain shipments blocked, lumber trains blocked, Container Trains blocked , yet there was no mention of	2/18/2022 7:11 PM

bringing in the War Measures Act or Freezing Bank Account s. And now we have a vicious attack on a the Coastal Pipeline Construction Camp— this was a Real Terrorist Attack as opposed to those who have gathered on Parliament Hill peacefully. This country is in Chaos and will no doubt be splitting — people are angry and this country is split from East to West.. thank you Trudeau , your no different than your ole man ..

53260	Groceries even higher everyday commodities also	2/18/2022 7:11 PM
53261	Been my voice against these evil unnecessary measures.	2/18/2022 7:11 PM
53262	The mandates are slowly being lifted	2/18/2022 7:11 PM
53263	Giving hope and community that wasn't there the last 2 years	2/18/2022 7:11 PM
53264	It has given hope to ending what seems like a never ending government control grab.	2/18/2022 7:11 PM

53267	It gave me hope! And made me realize how corrupt the Liberal government and media is.	2/18/2022 7:11 PM
53268	Hasn't really affected me	2/18/2022 7:11 PM
53269	Hard getting to my place of employment (retirement living), having to can is financially stressful. Feel unsafe downtown.	2/18/2022 7:11 PM
53270	It's inspiring	2/18/2022 7:11 PM
53271	Gave hope, faith and inspiration for change. Life was depressing and feeling defeated as being a majority...to find out we are actually the majority. 53286	It hasn't really affected my life I am well stocked for essentials for some time	2/18/2022 7:11 PM
53287	I support the truckers unequivocally.... Thank you truckers for standing up for our solitary democracy rights and freedoms!!!	2/18/2022 7:11 PM
53288	It hasn't.	2/18/2022 7:11 PM
53289	I find it great and find them brave to fight against the Trudeau corruption	2/18/2022 7:11 PM

Canadians vote on Canadian Mandate - February 2022

53290	The convoy gave me hope and lifted my spirits. In the past few days the Emergencies Act has cause me to continually cry for the fact my grandfather went to war 1914 - 1919 when he reached home again. Then my uncles went to war 1940 - 1946 when they returned Uncle and some cousins went to Kore 1950 - 1955 when they returned home. FOR WHAT? An idiot to tear down our country?	2/18/2022 7:11 PM
53291	Glimmer of hope	2/18/2022 7:11 PM
53292	Made it intersting	2/18/2022 7:11 PM
53293	It hasn't	2/18/2022 7:11 PM
53294	Gave me hope and faith in fellow Canadians	2/18/2022 7:11 PM

53302	It hasn't. Go truckers. Truck Frudeau!	2/18/2022 7:10 PM
53303	Not at all....Took a bunch of truckers to move the while world	2/18/2022 7:10 PM

53305		2/18/2022 7:10 PM

53320	It's given me hope that Canadians aren't as divided and that it's giving us a voice to be heard	2/18/2022 7:10 PM

Canadians vote on Canadian Mandate - February 2022

53322	100% support them. Give as a hope we gonna have future!	2/18/2022 7:10 PM
53323	Positively	2/18/2022 7:10 PM
53324	The trucking convoy has brought hope and spirit back to so many people. The trucking convoy has been a positive impact	2/18/2022 7:10 PM

53336	gave me a hope	2/18/2022 7:10 PM
53337	It has given me hope that there is still empathy and unity in Canada. Seeing people come together for a good cause has given my pride. When people came together for 90% vaccination, it was out of fear, trust of health and government officials that have failed us and general ignorance and passivity.	2/18/2022 7:10 PM
53338	It's provided me with a hope and happiness that one day this nonsense will stop #holdtheline	2/18/2022 7:10 PM
53339	We helped out a trucker and gave us some hope there might be some common sense finally. People started sharing the truth instead of what legacy media was told to tell.	2/18/2022 7:10 PM
53340	Opened up the eyes of Canadians regarding the ongoing dictatorship under Trudeau	2/18/2022 7:10 PM

May they experience love, peace, purpose and may they know that Canada supports and appreciates them and their loving efforts.	2/18/2022 7:10 PM
53342	It has given me peace of mind that others believe in the government overreach the same as I do. The convoy has united Canada. Unlike Trudeau who has worked tirelessly to divide and discriminate against the Canadians who he works for.	2/18/2022 7:10 PM
53343	Gives me hope that we will be a free country again	2/18/2022 7:10 PM
53344	Gave me hope.	2/18/2022 7:10 PM

53347	Hopeful, positive, encouraging, prophetic	2/18/2022 7:10 PM
53348	I love the unity of people and the push for our freedoms to return.. finally being able to get together with like-minded, kind-hearted people has been a ray of hope and encouragement to my family and I in the last two years.	2/18/2022 7:10 PM

53365	They have given me hope that we can get our rights back and all government interference stopped. We need to replace our current politicians with new common people, no elites or lawyers or pro politicos.	2/18/2022 7:09 PM
53366	For the 1st time in along time I am proud of Canada	2/18/2022 7:09 PM

53384	God bless them all.	2/18/2022 7:09 PM
53385	Not at all, other than seeing the debates on Social media that are causing more division, with the rudeness of some of the comments and the name calling that persists. Such a sad situation we're in.	2/18/2022 7:09 PM
53386	Its been great to feel unity	2/18/2022 7:09 PM
53387	Hope. Joy. Respect. Truly Canadian!!	2/18/2022 7:09 PM

53389	It hasn't affected me at all	2/18/2022 7:09 PM
53390	Made me be proud to be a Canadian. And I have never felt such unity between all the provinces and territories. Our leaders for decades have caused so much division between Quebec and the rest of Canada and within days the truckers have united all of us, no matter what nationality or religion we are. We all want the same thing. Our freedom back and to be proud of this glorious country we all call home. They gave me hope again.	2/18/2022 7:09 PM
53391	Not at all	2/18/2022 7:09 PM
53392	Instilled Canadian pride that I haven't felt for a very long time. Makes me feel like a part of a society that supports each other. I feel like the governments division tactics have been sidestepped.	2/18/2022 7:09 PM

completely overwhelmed by the love and unity I felt there. I felt accepted, welcomed and loved! Something I have not felt in two years. My heart was beaming with pride!

53410	Unfortunate to see how the PM and his government want the world to see this. Day 1 what would have been so wrong to just listen with an open mind and work towards what and who we are as a country. Instead hurls insults, insinuates the other side are terrorists, have unacceptable views, are racist and misogynistic, don't believe in science, we take up space, can't tolerate this and are a fringe minority. He just called someone who voted for him all those things. He's a disgrace from international affairs, to working with the USA to have much bias in our free country. Has used his powers unlawfully and smirks afterwards. I support a world where we can choose however and whatever we'd like and make decisions for ourselves. Those choices or decisions will either have positive or negative consequences. As long as society follows its most common laws, rules and regulations and peace is achieved where people aren't bullied, downgraded or belittled for believing in something that is best for themselves and/or their family. Have an open mind. Don't be so judgemental, think a little, listen more, be kind and work together. The PM is an elected official who should be representing our entire nation first and foremost	2/18/2022 7:08 PM
53411	Peace hope and love	2/18/2022 7:08 PM
53412	Have me hope for an end to the trudeau ethics violatons and the proping up from that other party	2/18/2022 7:08 PM
53413	It is so encouraging to see people stand up for continuity. People helping others and not being scared of the other people's judgment.	2/18/2022 7:08 PM
53414	Made me proud to be Canadian until today where by heart has been broken with how the government and law enforcement have treated Canadians	2/18/2022 7:08 PM
53415	Lifted my spirits	2/18/2022 7:08 PM
53416	Given me hope for positive changes	2/18/2022 7:08 PM
53417	These guys gave us hope (which we thought had all but died) about this situation.	2/18/2022 7:08 PM
53418	Unity love hope patriotism	2/18/2022 7:08 PM
53419	It has given me hope, and motivation to fight for my own rights and freedoms.	2/18/2022 7:08 PM
53420	Made me a very proud Canadian	2/18/2022 7:08 PM

53423	Proud of them standing up for freedom	2/18/2022 7:08 PM
53424	It has had an enormous effect by doing what they set out to do. Alberta is lifting mandates!	2/18/2022 7:08 PM
53425	It has given me hope!	2/18/2022 7:08 PM
53426	I believe that the right people are there and having the willpower for the good of all humanity on this earth. May God Bless us All!	2/18/2022 7:08 PM
53427	newfound hope for the future. I am proud to be a Canadian again. I can see a light at the end of this hell we have gone through the last two years. and hopefully, we can start looking at the side effects of the vaccine, as I am one of the people who has experienced adverse side effects from the vaccine. like increased headaches, escalation of stomach issues, extreme variations in my body temperature, brain fog, and mood swings/depression. all after I had the vaccine.	2/18/2022 7:08 PM
53428	Gave me hope that people would step up and fight for the freedoms that have been taken from us by the government	2/18/2022 7:08 PM
53429	Has given me hope! Honest, free loving people.....willing to suffer for truth and freedom. I support them all the way.	2/18/2022 7:08 PM

53435	Given me hope	2/18/2022 7:08 PM
53436	It has not. It has only brought light to the massive problem at hand for Canadians, which is the covid mandates	2/18/2022 7:08 PM
53437	Given me a small measure of hope.	2/18/2022 7:08 PM
53438	It has given me hope and a renewed community spirit. I enjoy seeing all the smiling faces and feel great love for one another.	2/18/2022 7:08 PM
53439	none	2/18/2022 7:08 PM
53440	Brought inspiration and a chance to speak out and have an affirmative peaceful voice to the government, yet the government used tyrannical means to end a conflict that the media exasperated by supporting mandates and instead creating misleading stories to pit vaccinated against unvaccinated. Family members against family members and friends against friends	2/18/2022 7:08 PM
53441	OMG, it gave me hope and made me feel so proud to be Canadian. Put after Trudeau put the emergency act in place and see what he is doing now. I'm ashamed can't believe my eyes what I'm seeing. I have been cheering them on and thinking okay now they will remove all these mandates. NO... I am vax but it was a choice and should stay that way.	2/18/2022 7:07 PM
53442	standing up for what we believe	2/18/2022 7:07 PM
53443	It has given me hope that we may eventually get our freedoms back and no more mandates, and finally get rid of Trudeau	2/18/2022 7:07 PM
53444	It's given me hope	2/18/2022 7:07 PM
53445	Given me hope that my freedoms may be restored and that I may regain employment.	2/18/2022 7:07 PM
53446	It has given me hope. I cried when I first saw the trucks rolling out. They have made me so proud to be a Canadian.	2/18/2022 7:07 PM
53447	If it works wonders then no mandates	2/18/2022 7:07 PM
53448	Gave me hope for freedom	2/18/2022 7:07 PM
53449	It's shown me that Canadians choose freedom over be TOLD what they are allowed to do in a FREE country	2/18/2022 7:07 PM
53450	Positively. They have brought people together, put smiles on people's faces and we are proud for them standing up for our freedom!	2/18/2022 7:07 PM
53451	No affect	2/18/2022 7:07 PM
53452	They have given us a voice. Hope And freedom to speak up against unjust government	2/18/2022 7:07 PM
53453	Given me hope. Time to move forward. These restrictions and mandates don't help anything. And Trudeau is a psychopath	2/18/2022 7:07 PM
53454	It has gave me hope and when it didn't look like we had any. And gave me strength. And made me happy to see and feel the peace and love that they were spreading and sharing. I've been very hopeful and thankful for them!!! They truly are amazing and wonderful!	2/18/2022 7:07 PM
53455	It has bought us a little more time before they execute all Canadians.	2/18/2022 7:07 PM
53456	Brought hope at first to know that many Canadians have been affected negatively and want CHANGE, has definitely shown that government is not FOR the people but seemingly against them, and has made it very clear that the pandemic in general has polarized Canadians as opposed to remaining United in what Canadian humanity has in common.	2/18/2022 7:07 PM
53457	It has not negatively impacted my life in any way.	2/18/2022 7:07 PM

Canadians vote on Canadian Mandate – February 2022

53458	It's shown me theres light at the and of the tunnel if we keep standing up for our rights. Governments supposed to listen to the people of the country, were not supposed to bow down to all laws thrown at us. If we obey all laws and mandates of the government we'll lose sight of what true rights and freedom is. Time to stand up for the never ending cycle up government corruption under the hands of Trudeau	2/18/2022 7:07 PM
53459	They are standing up for what's rite	2/18/2022 7:07 PM
53460	Gives me hope and now I know people know the pandemic was fake	2/18/2022 7:07 PM
53461	They have made me proud of Canadians again.	2/18/2022 7:07 PM
53462	A real sense of pride for what's left of our country.	2/18/2022 7:07 PM
53463	Gave us hope that Truedope and his liberal/NDP bunch will go away and be jailed.	2/18/2022 7:07 PM
53464	It has given me hope for the first time in 2 years. HONK HONK	2/18/2022 7:07 PM
53465	So proud	2/18/2022 7:07 PM
53466	None at all	2/18/2022 7:07 PM
53467	It gave me so much hope. To see the support from other Canadians and to know I am not alone in my beliefs. It has shown me how much the media is not to be trusted.	2/18/2022 7:07 PM
53468	No	2/18/2022 7:07 PM
53469	Has given me hope	2/18/2022 7:07 PM

53477	Gave me hope!	2/18/2022 7:07 PM
53478	Truckers have given myself, my family and my community hope. With the truckers came a new sense of canadian pride that has not been there for years.	2/18/2022 7:07 PM
53479	It has brought me soooo much hope and helped me to realize I am not alone.	2/18/2022 7:07 PM
53480	Food delivery	2/18/2022 7:07 PM
53481	Gave us hope to stop the tyranny	2/18/2022 7:07 PM
53482	It gave me hope	2/18/2022 7:07 PM
53483	It hasn't.	2/18/2022 7:07 PM
53484	For the first time in 2 years this trucking convoy has brought hope back into my life. Hope that life may get back to a free Canada. A Canada that doesnt stigmatize your medical, spiritual, or other life choices. A Canada that doesn't force you to do things that harm you or your body. Not everyone can medically wear a mask. Plus masks weaken your immune system. Canadians want freedom. Trudeau is leading with a dictator mindset. Canada used to be the go to country when people were looking for freedom. DO NOT TAKE OUR FREE AND PEACEFUL CANADA AWAY FROM US TRUDEAU!	2/18/2022 7:07 PM
53485	I have been behind the convoy 100%. I admire their courage. It has given hope to thousands that good change will come about. I have been disappointed that Trudeau has not met them to talk, and I am very much opposed to implementing the Emergency Act.	2/18/2022 7:07 PM
53486	HOPE. It's made me aware that a likely majority of the world thinks just like me. I've felt my spirit lift and at last feel like I belong in society again.	2/18/2022 7:07 PM

53488	Made me feel like I wasn't alone.	2/18/2022 7:07 PM
53489	Giving us the hope for return of freedom	2/18/2022 7:06 PM
53490	So dam proud I could cry.	2/18/2022 7:06 PM
53491	They are heros! They are giving us Canadians hope for our future, and future of our children.	2/18/2022 7:06 PM
53492	Give me a hope for FREEDOM!	2/18/2022 7:06 PM
53493	Encouraging	2/18/2022 7:06 PM
53494	It has given me hope that our country will return to the Freedom we once had.	2/18/2022 7:06 PM
53495	In Trudeau's initial campaign against Prime Minister Stephen Harper, 2006-2015 he told the crowd "There's a level of admiration I actually have for China, um, because their basic dictatorship is allowing them to actually turn their economy around on a dime and say 'we need to go greenest fastest, we need to start investing in solar" DICTATORSHIP IS NOT CANADA'S PROFILE. REMOVE TRUDEAU	2/18/2022 7:06 PM
53496	It gave me hope	2/18/2022 7:06 PM
53497	N/a	2/18/2022 7:06 PM
53498	I am proud of the truckers and grateful that they are standing up/fighting for our/my freedoms. They seemed to be the only ones that have been able to make some sort of impact. Many people have been peacefully protesting in their cities but to no avail!!	2/18/2022 7:06 PM
53499	Made me feel as if the united Canada again and repaired some of the damage the PM has brought to Canada	2/18/2022 7:06 PM
53500	Positively, it's a peaceful protest, what TURDeau is doing is wrong and just fulfilling the WEF agenda, very evil	2/18/2022 7:06 PM
53501	Initially it gave me a little hope that the government might pause to listen and reevaluate the mandates and their impacts (specifically that they might begin to see how disruptive government actions have been on society and the well-being of Canadians) but now I'm just angry that the government is only using the convoy to deflect from their poor decisions and cause even more division and prejudice as well as exercise even more control (now to a dangerous and unprecedented level). It's a very dark moment in The history of Canadian politics and the world is very much watching.	2/18/2022 7:06 PM
53502	Supply chain interruption and cost of goods going up BUT I stand with them 100% agree that what they are doing is essential and important. It gives me hope	2/18/2022 7:06 PM
53503	It has had a good after the on my life. When I go join in the protest I feel alive and loved and see smiling faces. It feels good to be alive at these rallies	2/18/2022 7:06 PM
53504	It has not affected me	2/18/2022 7:06 PM
53505	It has truly inspired me. I am however worried more for the safety of those who are standing up for canadian rights. I appreciate the people who are protesting peacefully. Compared to other protests this I one that I would fully support. I have seen enough protests and they have never ever united this many people across our nation in peace and love like this one has. Our government really needs to realize that there is power in hearing out the people you can't exclude a portion of the population like this and history has shown it doesn't work well and is damaging to the society.	2/18/2022 7:06 PM
53506	It has given me hope and inspiration.	2/18/2022 7:06 PM
53507	Given me hope	2/18/2022 7:06 PM
53508	Hasn't yet, other then offer finally some hope to end the government lockdowns and power grab.	2/18/2022 7:06 PM
53509	Exposed the government of who they really are and gave me hope for all of Canada	2/18/2022 7:06 PM
53510	Finally given me a sliver of hope for this country.	2/18/2022 7:06 PM
53511	Given me hope again that this tyranny will end.	2/18/2022 7:06 PM

Canadians vote on Canadian Mandate - February 2022

53512	It's given me some semblance of hope. Knowing that I'm not alone. That my kids aren't alone. Neither is my Grandmother. That those who don't want to live like this anymore aren't a "small, fringe minority." We're actually the majority. Being lead to believe that I was so small and had no voice left me feeling like everything was hopeless. The convoy gave me and countless others a voice. And a loud one at that. Our PM, MP's, and MLA's were selected in a democratic manner to serve as the voice of the people they represent. What they're doing right now is suppressing and oppressing that voice they were chosen to represent. The convoy was needed to remind them of their duties to us as our representatives.	2/18/2022 7:06 PM
53513	None	2/18/2022 7:06 PM
53514	Not directly. Once freedom is restored, yes.	2/18/2022 7:06 PM
53515	The trucking convoy has restored my faith in man.	2/18/2022 7:06 PM
53516	FREEDOM FOR ALL	2/18/2022 7:06 PM
53517	It has given me hope for humanity again, and makes me disgusted at our government. Mr Trudeau is an ignorant spoiled brat who can't even stay in parliament to face questions or speak with peaceful demonstrators. If he love the China way so much, send him there.	2/18/2022 7:06 PM
53518	Wow! Made me proud to be a Canadian again. This is only the beginning of where we the people will take this. The message is clear, "We want our country, rights and freedom back and we will make that happen". We the people of Canada stand united.	2/18/2022 7:06 PM
53519	Solidarity	2/18/2022 7:06 PM
53520	Excitement, hope, faith in Canadian citizens again!	2/18/2022 7:06 PM
53521	Has not been any affect on anyone in my household	2/18/2022 7:06 PM
53522	The truckers convoy gives me a sense of hope. Our very large family unit supports their honest peaceful and patriotic protests. These men and women are hard working individuals. much like us, blue collar workers, who just want their voices heard. We all need to be able to work without hindrances, and move about our daily lives without mandates that are totally ineffective. The government has been over reaching....the truckers convoy and protesters are trying to effect a change and bring back balance.	2/18/2022 7:06 PM
53523	It has given me strength and hope.	2/18/2022 7:06 PM
53524	Given me hope that the fringe minority is actually the majority.	2/18/2022 7:06 PM
53525	I support them until the end. They are Canada heroes	2/18/2022 7:06 PM
53526	A beaming hope bringing me joy knowing someone is opposing the tyranny	2/18/2022 7:06 PM
53527	No	2/18/2022 7:06 PM
53528	It has not affect my life at all it is the best thing they have done for all of us besides keeping our shelves full. But I definitely can say that the government has destroyed my life in every aspect	2/18/2022 7:06 PM
53529	It has only brought my joy, pride, a zeal for Canada I lost two years ago, and a longing to join them in Ottawa.	2/18/2022 7:06 PM

53543	We haven't been able to get Aquafina water as usual. Allegedly, gas prices have gone up. We're perfectly okay with the sacrifice for those who are standing up for our freedoms! May I add to the previous question-- I wasn't able to attend my cousins baby shower nor travel to the States for my best friends wedding shopping for her dress. Or visit my close friends over there. All due to government mandate in border closures.	2/18/2022 7:05 PM
53544	It has brought my spirits back up	2/18/2022 7:05 PM

53548	Renewed faith in the goodness of humanity... and gratitude that honest people have the courage to be catalysts for change when our impotent PM and politicians seek only to destroy our country in exchange for power and privilege.	2/18/2022 7:05 PM

53618	Gave me hope	2/18/2022 7:03 PM
53619	I want to say I support it and yet I have to be fearful that the government will seize my bank accounts which is absolutely absurd it blows my mind that when the Indians were sitting on the railroad tracks for months nothing was done even though they were vandalizing property and train tracks they left the area of vandalized and in ruins and nobody ever was charged.. it's a Canada is in the state of confusion I'm also concerned about Justin Trudeau's profits through the covid-19 alterius family company trudeau holds 40% of the profits and shares. These truckers are peaceful protest for freedom they're not hurting anybody and yet when the economy was crashing and 2019 nothing was done when the protesters sat on the railroad tracks Canadians reject Trudeau and his tyrannical world economic forum plan. Cheetos had so much conflict it's concerning. Don't know if we're owned by China or Klaus Schwab	2/18/2022 7:03 PM
53620	Got me excited and to feel like maybe we do matter	2/18/2022 7:03 PM

53657	Good	2/18/2022 7:03 PM

Canadians vote on Canadian Mandate - February 2022

53694	It has given me some hope.	2/18/2022 7:02 PM
53695	I gave me hope for a democratic society.	2/18/2022 7:02 PM
53696	Gives hope, proud to be a real Canadian again.	2/18/2022 7:02 PM
53697	Made me proud	2/18/2022 7:02 PM
53698	It hasn't really affected me in a bad way only I guess in a good way. It gave me hope to solve the issues, they are trying to stand up for our rights in a peaceful way to show Justin is confused and misled by those bad ppl. It gave me hope that the court system will listen to other expert scientists and doctors instead of being mad at them.	2/18/2022 7:02 PM
53699	Has given me hope that we can once again live in a democratic country.	2/18/2022 7:02 PM
53700	Renewed hope that this could end soon and that my view point was felt across Canada to end mandates and not ostracize non-vaccinated Canadians	2/18/2022 7:02 PM
53701	Made me proud that we finally stood up!	2/18/2022 7:02 PM
53702	Positively. I am glad that they are fighting for our freedom. Because the government is most definitely not. Trudeau is a traitor and needs to be fired. He is not a capable leader for Canada.	2/18/2022 7:02 PM
53703	It hasn't negatively affected me at all. In fact they are the only ones that stood up to a communist take over. Plus they have forced the PM to show how much of a dictator he really is. Lots of us have said it from day one now the world gets to see	2/18/2022 7:02 PM
53704	Didn't affect me. Only Positive	2/18/2022 7:02 PM
53705	The trucking convoy has had no negative impact in my life. I was proud to see people stand for what they believe in, just the same as other protests for things such as environmental awareness.	2/18/2022 7:02 PM
53706	It hasn't. I am very happy they took the initiative to fight our tyrannical government. The science does not and has not supported the way the "pandemic" has been handled. If the government actually cared about its people, they would have put money into hospitals and staff, rather than lay doctors and nurses off for not taking the experimental jab. And the government would not be censoring anyone speaking out against the narrative. They should have focused on early treatments, like Ivermectin, rather than have the government squash doctors' ability to prescribe as they so choose. Since when does the government know more than the doctors?? Trudeau needs to go!!! And anyone who participated in pushing the vaccines and covering up the many vaccine side effects, needs to go to jail!!!! I hope the trucking convoy stays strong and safe!!	2/18/2022 7:02 PM
53707	Made me feel like I'm not alone	2/18/2022 7:02 PM
53708	Brought us back hope !!!	2/18/2022 7:02 PM
53709	non	2/18/2022 7:02 PM
53710	Not at all it has added to my life. Finally someone standing up for our rights and freedoms!	2/18/2022 7:02 PM
53711	Not at all	2/18/2022 7:02 PM
53712	Gave me hope	2/18/2022 7:02 PM
53713	They have stood up for my freedom. They are heroes	2/18/2022 7:02 PM
53714	Helps realize you are not alone in thinking ancestors died fighting for freedoms which were taken away without even passing a law. No accountability for anyone!!!	2/18/2022 7:02 PM
53715	I am in awe of EVERY single fearless, compassionate, courageous man and woman that are fighting for my freedom!!! They are going it with such peace and humility that I have never in all my years witnessed anything like this. I am beyond grateful!!!!♥	2/18/2022 7:02 PM

53749	No direct affect.	2/18/2022 7:01 PM
53750	The Truckers have given me hope and made me feel heard when I didn't feel that way from my politicians.	2/18/2022 7:01 PM
53751	Given me hope to see how they are partying, having a good time, feeding anyone that wants some, looking out for each other, praying, cleaning the streets etc. This is Canada not what we are living because of government tyrants.	2/18/2022 7:01 PM

53754	Gives me hope to freedom.	2/18/2022 7:01 PM
53755	Inspired and proud to be Canadian by trucker's peaceful protest. Loss of income has impacted plans for retirement, career progress. Disgusted with our pathetic fascist PM, the Dishonorable Trudeau who is a tyrant that must be removed from office immediately. Discussed with politicians from all parties for allowing this tyranny to go on (I am ashamed to say most self-serving PC's just as corrupt as other party members). Disgusted with fake mainstream media, citizens, religious leaders, lawyers, judges, and educators who think mandates are ok and that charter rights can be ignored. So naïve, willfully ignorant, or just plain stupid.	2/18/2022 7:01 PM
53756	It hasent	2/18/2022 7:01 PM
53757	Very positively, I hope we win and that Trudeau gets kicked out of office and we all gain back respect of our free speech and rights to be in groups, go to Canadian tire and see our families without the need for an experimental and harmful drug.	2/18/2022 7:01 PM
53758	Given me hope for a brighter future	2/18/2022 7:01 PM

53766	I am so VERY, VERY GRATEFUL to all the Truckers and their Suppoters (myself included). I have not noticed my life being affected in a negative way as far as goods and the likes. Even if it did, I would be willing to sacrifice that can of soup for OUR FREEDOMS ANY DAY!!!	2/18/2022 7:01 PM
53767	I'm proud of what the trucking convoy has done ..	2/18/2022 7:01 PM

53783	I have felt so inspired by this group. It has brought back my faith in humanity that love and peace can repair our broken country.	2/18/2022 7:00 PM
53784	It has given me hope knowing that I am not alone in my beliefs and has exposed the Government overreach that has been prevalent this whole pandemic.	2/18/2022 7:00 PM
53785	Positively	2/18/2022 7:00 PM
53786	It hasn't, other than the fact that it proves, that its not a fringe minority that wants the covid-19 mandates to end immediately.	2/18/2022 7:00 PM
53787	It hasn't. Other than make me realize how much overreach the government has used	2/18/2022 7:00 PM

53791	Given me hope again for my future. Maybe one day I can go back to the job I loved. I feel like I have a voice again and friends. Met people in my community that accepts me and we can hang out and have coffee at our like minded coffee shop that doesn't ask for vaccine proofo. I met them because of supporting the convoy. I feel a bit normal again. Not so depressed	2/18/2022 7:00 PM

53794	given me hope that we have a chance to shut down Trudeau's dictatorship	2/18/2022 7:00 PM
53795	the invoking the the emergency act on peaceful Canadians waging war on its people is terrifying as it is showing how un democratic this Country has become and the government can use unlawful ways on peaceful people and sets a precedent anytime it wants to push a narrative or agenda.	2/18/2022 7:00 PM
53796	Given me hope, happiness and something to look forward to.	2/18/2022 7:00 PM
53797	It gave me hope for a better future. For the first time in almost two years, I saw people filled with freedom and joy, especially at the rallies. Watching the truckers and supporters be there for one another and others is inspiring. 53815	They have given me hope	2/18/2022 7:00 PM

53820	It's been a miracle and liberating	2/18/2022 6:59 PM
53821	It has given me a sense of renewed hope. And allowed me to connect with like minded people.	2/18/2022 6:59 PM

53830	It has given me hope that there are more Canadians out there that believe that we have a right to make our own choices.	2/18/2022 6:59 PM
53831	Has not	2/18/2022 6:59 PM
53832	It gives so many of us hope for our freedom and our charter of rights. Everything Bonnie Henry and Justin Trudeau has done is not about Canadians or freedom it's about there controlling and manipulating and threats of not having a choice in any decision about each individual. I'm disgusted how the prime minister is a disgrace to Canada with racism. He needs to be removed as well as Bonnie Henry who was never voted in!!!	2/18/2022 6:59 PM
53833	It has shown me I'm not alone in my frustration with the way our government had handled covid	2/18/2022 6:59 PM

53834	Didn't really affect me in any way other then some things are a little harder to get at the store. But I do believe in what they are standing up for	2/18/2022 6:59 PM
53835	It has not	2/18/2022 6:59 PM
53836	It hasn't,it just has awoken more people	2/18/2022 6:59 PM
53837	It's opened up people to express how they feel about the mandates and the division our PM created	2/18/2022 6:59 PM
53838	It has given me some hope for Canada	2/18/2022 6:59 PM
53839	I'm thankful that someone had the courage to do something to bring attention to the fact that Canada is supposed to be a free country - a democracy...Many of us have felt the pressure to do what we're told with no real evidence that what we're being told is the TRUTH! The truckers are standing up for us all and for Canada's Constitution.	2/18/2022 6:59 PM
53840	They were the catalyst that sparked the awakening...it can't be stopped by brute force as we see today , Love and Freedom are essential to what it means to be human. The truckers lead the way but more are supporting them daily all over the world .	2/18/2022 6:59 PM
53841	Gives me hope	2/18/2022 6:59 PM
53842	For the very first time in 2+ years I had hope and was not embarassed to be Canadian. Many many people in the country were feeling defeated and had lost hope, but didn't know how to be heard because it felt as if they were alone. The truckers gave voice and hope to people and made them feel like it was okay to speak up for their freedoms. Is this still going to be going on 10 years from now, people still locked up, just so politicians and health authorities can ABUSE their so called powers?	2/18/2022 6:59 PM
53843	The trucker rally has helped bring awareness to the government that there are many groups of people who are affected by the policies and wish they were over. I do not agree with many of the tactics used by the truckers as it gives them a bad name, making many not trustworthy.	2/18/2022 6:59 PM
53844	Gives me hope that people are taking a stand against the tyranny and trying to make a change	2/18/2022 6:59 PM
53845	They have given me hope	2/18/2022 6:59 PM
53846	It has given us hope.	2/18/2022 6:59 PM
53847	It's given hope!	2/18/2022 6:59 PM
53848	Hope.	2/18/2022 6:59 PM
53849	It encouraged me to stand up for myself. And that there is still Canadians out there that fight for our country and for our lives and the next generation.	2/18/2022 6:59 PM
53850	happy its peaceful and it's for freedom (what our ancestors already fought for) ... our people should not have had to turn to this, but no one is happy with any of the rules that don't make sense	2/18/2022 6:59 PM
53851	Cheering them on for all Canadians. All freedom must be restored.	2/18/2022 6:59 PM
53852	It's been a breath of fresh air! Love seeing Canadians hugging, laughing smiling and coming together.	2/18/2022 6:59 PM
53853	It was beautiful, and inspiring to see people gather together in unity, and humanity, and happy positive spirits, and just living again. It was giving me hope because finally someone is standing up to get our lives back, because u til now it seems like everyones just letti g things happen and nothing is getting done, and govt arent handling the over reach either, and neither is the judicial system. Its about time so eone stood up and in such a beautiful way that the whole world is proud. Our GOVT should be damn proud, not behaving the way they are, our govt should have protected us from whats going on today with our PM. This country is in a state of emergency because our govt has lost control of its leaders, and the structure, and the laws that were supposed to protect us. This Freedom movement is the best thing that has ever happened to us, and political parties need to step up and get our freedoms back, because your the ones who so care,essly gave them away.	2/18/2022 6:59 PM
53854	I finally have hope. Hope for a better future for our children.	2/18/2022 6:59 PM

53866	Gave me hope that we can regain a democratic society.	2/18/2022 6:58 PM
53867	It brought back a sense of hope and a realization that most of our country is deeply aware of the tyranny we live under and wants to find a way to have their voices heard and have this end.	2/18/2022 6:58 PM
53868	Yes. It's exciting to see to see people coming together which is doing the opposite of what the Prime Minister intended to happen in this country try.	2/18/2022 6:58 PM
53869	Shame on those who follow racist lying pat king	2/18/2022 6:58 PM
53870	I'm shocked by how the federal government has handled the situation. People are allowed to let their voice be heard, and the government should take the time to listen to what they have to say.	2/18/2022 6:58 PM
53871	Brought attention to the communism in the country and to what a useless chicken shit waste of skin Trudeau is	2/18/2022 6:58 PM

53938	At first it gave me hope and made me feel optimistic. Now, today Feb.18th I am terrified what our countries fate is. How we are treating peaceful protestors is unacceptable. It's painful to watch. It leaves me feeling wrecked!	2/18/2022 6:57 PM

53959	It has brought hope to ever seeing a normal life of freedom again.	2/18/2022 6:56 PM
53960	Not too much.	2/18/2022 6:56 PM

53962	It hasn't. GO TRUCKERS!	2/18/2022 6:56 PM
53963	Hope	2/18/2022 6:56 PM
53964	It's given me hope for the first time in 2 years. Seeing Trudeau's response has left me horrified. I CANNOT believe that the way he continues to divide the country, and berate unvaccinated individuals is accepted. I'm thoroughly disgusted by his slander of the Conservative party in saying that they stand with people who hold Swastikas. It is reprehensible that he will not apologize. It is completely unacceptable that he continues to walk out of parliament, and refuses to even listen to the truckers.	2/18/2022 6:56 PM
53965	They gave me hope for freedom	2/18/2022 6:56 PM

53971	It has been stressful seeing so many selfish assholes displaying their idiocy and lack of basic life skills. There is a reason so many in the truck convoy are down ... they are idiots.	2/18/2022 6:56 PM

53973	Made me feel like they understood how the rest of others feel, giving back the feeling of freedom and being a part of something once again.	2/18/2022 6:56 PM
53974	I have been inspired by the true convoy of Canadians that are standing for our freedoms. The people that are violent and harassing and are saying they are with the convoy are misrepresenting the majority of Canadians that are using their right to peacefully protest.	2/18/2022 6:56 PM
53975	It's given me hope that maybe Canada can get back to a normal free life.	2/18/2022 6:56 PM

54008	I support the convoys and have taken part in local ones in my area. They are fighting for our GOD given freedom!	2/18/2022 6:55 PM

54088	It gave me a little hope that people like me could actually make a difference.	2/18/2022 6:53 PM
54089	Well it's affecting the economy \$500mm each day and plus they have disrupted people's and businesses. It should have ended...if they are not happy with Canada maybe look at other places in the world that can accommodate them.	2/18/2022 6:53 PM
54090	Given me hope that the politicians will see the hard they have done	2/18/2022 6:53 PM
54091	So happy. Sign of hope.	2/18/2022 6:53 PM
54092	I SUPPORT THEM 100% Trudeau is a dictator and should be arrested himself	2/18/2022 6:53 PM
54093	It hasn't effected my life. I believe it was a peaceful protest. And what's happening today is not right.	2/18/2022 6:53 PM
54094	Gave hope for the removal of Mr. Trudeau. Trucker convoy needed to stop because they won and Trudeau made the protests illegal, which is also probably illegal on his part.	2/18/2022 6:53 PM
54095	Make me fill better	2/18/2022 6:53 PM
54096	It really hasn't but I'm glad to see Canadian citizens come together against something they believe in.	2/18/2022 6:53 PM
54097	It gave me hope that the narrative was starting to unravel; that we just might be able to regain our rights snd freedoms. After watching the police in Ottawa today (Feb. 18th.), I don't feel as hopeful.	2/18/2022 6:53 PM
54098	It has given me hope something I thought was lost	2/18/2022 6:53 PM
54099	Love seeing them out there. Wish I was alot younger.	2/18/2022 6:53 PM

54101	Hope	2/18/2022 6:53 PM
54102	It's been inspirational - to know that there are other people in our country who have also sensed that things are very wrong is unifying. I have been proud of the people who have stood in peace & love & not taken the drama & bait that has been flung out, daily.	2/18/2022 6:53 PM
54103	Gives hope	2/18/2022 6:53 PM

54107	It's caused a lot of moral distress and shame in being Canadian	2/18/2022 6:53 PM
54108	I had given me hope for Canada and the children to see love each other and their differences	2/18/2022 6:53 PM
54109	Gave me hope until the police started assaulting everyone !	2/18/2022 6:53 PM
54110	Uplifting, focus on unity, realized not alone, proud	2/18/2022 6:53 PM
54111	I was hopeful that it could influence the loosening of restrictions both federally and provincially. Now, I watch in immense sadness as the police arrest and push back against the protesters in Ottawa. Otherwise, it has not really affected my life.	2/18/2022 6:53 PM
54112	Proud canadian patriots standing up for our rights	2/18/2022 6:53 PM
54113	Giving me hope that we have a choice in this country	2/18/2022 6:53 PM
54114	Deeply saddened by the government response	2/18/2022 6:53 PM
54115	It has given me hope! To see those that don't agree with government rise up and unify so many had been inspiring. It is our right in a democracy to peacefully protest that which government does that we don't agree with. Their Courage has been inspiring. However what is happening to them now is shameful and scary. The fact that these protesters are being called terrorists when other groups that have also protested previously (blm, indigenous blocking rail line, pipeline) and some far more property damage and vandalism is absolutely outrageous! Trudeau will meet with a true terrorist and pay him millions and has time has time for a teenager that is a climate crusader and also a non citizen but can't be bothered to meet with the truckers (who represent far more than a fringe minority) speaks volume to the dictator and worshipper of Communism he is! In a democracy you meet with The group that has concerns, you hear them out, you explain your point of view, you thank them for coming as they leave and you take their concerns into consideration and make a judgement from their. (However in Trudeau's case he would of done whatever he wanted anyway)! But at least show them the respect to meet with them. Freezing their assets. Arresting them. It is a absolutely scary. Where am I living?!! This should never happen in a democratic nation!!!! The way Trudeau and our government have handled this convoy is beyond shameful and embarrassing.	2/18/2022 6:53 PM
54116	None, but was important to bring the unnecessary mandates to the forefront of government's attention	2/18/2022 6:53 PM
54117	The truck convoy has impacted me by showing that there are still people who are willing to pushback against government overreach and hold the government to account	2/18/2022 6:53 PM
54118	They have given Canada hope. They have united much of the country, removing many divisions. I had joy until today(February 18)	2/18/2022 6:53 PM
54119	They are standing up for rights and freedoms	2/18/2022 6:53 PM

54122	It has given me hope.	2/18/2022 6:53 PM
54123	It has inspired me and given us hope	2/18/2022 6:53 PM
54124	It gave us hope! I just wish they would have did it sooner.. we have to fix the fake news(cBC, ITV, Goba, the mainstream media are a disservice to Canadians and should be removed from the broadcast media. The propaganda that was spewed through the mainstream media was reckless and corrupt. All the newspapers were bought out as well. For 2 years they spewed the same fear mongering, hate, and division. I am truly grateful for the truckers convoy. They represent freedom. They are loving, peaceful and downright calm. Unlike what the government and media had spewed during Covid.	2/18/2022 6:53 PM

54129	So far I have just been following along on the internet	2/18/2022 6:53 PM
54130	I have felt so much pride and love for everything they've done. I've cried tears of joy on countless occasions, have sung our national anthem out of the blue many times, and finally felt like there may be a change coming that I could be excited about. PM Trudeau has been an embarrassment for Canada and to it's citizens but the convoy has started to restore my pride in this great nation! I will be forever grateful for the hope that this movement has brought into my life.	2/18/2022 6:52 PM

54143	It has given me hope that so many other people I talk with are supportive of the very simple basic things such as basic freedoms that they ask for. What it also has shown that the leadership in this country, especially Trudeau DOES NOT CARE ABOUT THE PEOPLE OF CANADA!! THAT IS NOW CRYSTAL CLEAR!	2/18/2022 6:52 PM

and the states and the hundreds of people on the side of the roads & the over passes cheering & waving our Canadian flag was beautiful. And the singing of O Canada was more healing to our country than all these empty words of ' Let's get through this together ' because all I saw division & separation & isolation. With this Freedom Convoy 2022 I saw vaxed & unvaxed , all races , all religion standing in unity as one. I saw love. I felt love. I felt hope. I saw the videos in Ottawa of thousands upon thousands of people that went to the parliament peacefully that seemed not to be the fringe minority. I felt the energy , the dancing , the food , the party , the laughter , it was a family !!!!! This convoy brought us all back together again after two years of being separated. We found each other again. :) I loved the spark that the Canadian truckers started all over the world. Enough is enough we need this to end. I refuse to have a new normal. And I am not a racist, I am not a women hater with unacceptable views that takes up space. I am / we are all what Canada stands for peace & Freedom to choose. And to have Trudeau invoke the emergency act is despicable!!! I can't thank you enough for doing this survey to find out our stories. It was good to write it out and speak how I was feeling. Many thanks

54279	Perfect proudly	2/18/2022 6:49 PM
54280	It has giving us hope and joy that the oppression of our government may end. To be face to face with happy joyful people...not afraid of a illness that has a 90.9 % survival rate was so wonderful.	2/18/2022 6:49 PM
54281	its made me aware of what the government is doing to our rights	2/18/2022 6:49 PM
54282	It's brought hope back to me when i thought all was lost.	2/18/2022 6:49 PM

54293	Gives hope	2/18/2022 6:49 PM
54294	It gave me hope that our freedoms would be returned and mandates lifted. There is no pandemic just the common flu virus that's killed thousands every year. The media is not telling the truth by reporting peaceful protestors are doing harm. We need our freedom to lead productive lives. The truckers help all of us to get government attention to reinstate our rights	2/18/2022 6:49 PM
54295	It's brought me hope -	2/18/2022 6:49 PM
54296	I'm glad it happened but wish it would have have ended already. It is impressive the lack of violence for a protest so large. With any large group there are going to be bad apples that ruin it for everyone but over all it went fairly well. I don't agree with the inconvenience that was out on the citizens of Ottawa. If the prime minister of our country didn't behave like he is the almighty dictator of Canada this may have never happened. People shouldn't lose their jobs because they don't want a vaccine.	2/18/2022 6:49 PM
54297	Given me hope to a revolution!	2/18/2022 6:49 PM

54392	It has given me hope that we may still yet have a country where we can live as a free people. That perhaps we can still heal our land from the division and animosity that has been created by Justin Trudeau's government and (for us in Ontario) Doug Ford's government.	2/18/2022 6:47 PM

Ottawa business.... I wish they had just surrounded Parliament Hill with flags and quiet protest no need to block the streets that's what made even people who were supporters get upset

54423	It hasn't. It brings hope that if they succeed all the mandates will end. What about a little over 2 years ago with the train blockades.roads blocked thousands of dollars in infrastructure damage.no 4emergency act evoked then.until Quebec needed propane Trudeau called off his protesters.	2/18/2022 6:46 PM

54425	Finally some hope. Proud to be a Canadian. Love this country. I can speak my thoughts without fear of being ostracized, deleted, fired, bullied. Other people actually feel and think the same....I am not a conspiracy theorist. I did get vaccinated. I did without, masked, stayed home... How did we get to this. I didn't have the strength or guts to stand up, the truckers did. I am forever grateful to them.	2/18/2022 6:46 PM

54445	Giving hope that we will go back to normal, giving hope that the corruption in the government is finally being seen, that this will be Canada again. The only thing Trudeau was successful in is dividing Canadians so severely that family, long time friends, and neighbors turned on their fellow Canadians. This convoy has given hope that for most even with different opinions etc we can stand together. It made me proud to be a Canadian again.	2/18/2022 6:45 PM

54448	Positively!! Our only hope !!!God bless them	2/18/2022 6:45 PM
54449	Bought hope a smile of hope in over two years chance of some normality	2/18/2022 6:45 PM
54450	Made me proud, people standing for what they believe in, for me, for our citizens. The unwillingness of the government to speak with protestors and the sanctions govt have imposed has infuriated me. The insults and bias government has shown directed at the citizens they are supposed to represent is disgusting. The enacting of the emergency act is unwarranted, shameful, cowardly and an abuse of power	2/18/2022 6:45 PM
54451	The best thing that has happened to me for the last 2 years....	2/18/2022 6:45 PM
54452	Seeing people come together again has given me hope.	2/18/2022 6:45 PM
54453	Given hope and pride	2/18/2022 6:45 PM
54454	It's been a blessing to see so many people unite in love and fight for our freedom	2/18/2022 6:45 PM
54455	It has given me hope that when the people voice their opinions they can have an impact on politican decisions.	2/18/2022 6:45 PM
54456	Mental	2/18/2022 6:45 PM
54457	Felt pride in my fellow Canadians to say Enough and more than disappoint in Justin Trudeau who demonized them in every way. The Liberal party of Canada is a Fringe minority	2/18/2022 6:45 PM
54458	It has given me hope and inspired me. I am proud to be a Canadian once again!	2/18/2022 6:45 PM
54459	I joined in and finally felt like I was Canadian and proud to live here something the PM has worked hard to take away from me. After today I am thinking of leaving the country. My ex is a narcissist I don't need a PM who is	2/18/2022 6:45 PM
54460	The convoy has provided hope and the feeling of unity and pride in my fellow Canadians. I support the peaceful, law-abiding protests and rallies. I was appalled at Justin Trudeau calling them the "fringe minority with unacceptable views" as they are protesting for the rights and freedoms of every Canadian. I am absolutely devastated that Mr. Trudeau would invoke the Emergencies act without so much as a conversation with even one single member of the protest group.	2/18/2022 6:45 PM
54461	the convoy represent Canadian values	2/18/2022 6:45 PM
54462	Finally gave me hope and brought back canadian pride that I have not seen in years	2/18/2022 6:45 PM
54463	Aside from shortages for not just my life, but EVERYONE'S	2/18/2022 6:45 PM
54464	It gave everyone hope for Canada	2/18/2022 6:45 PM
54465	The encouraging supportive crowds of people on overpasses and roadsides as the convoy wended its way towards the capital was inspiring and motivating as it planted seeds of Hope into the hearts of millions of citizens weary from the fear mongering abusive tyranny of the past years. It was heartwarming to see the love and support and normal life interactions and the steadfast purposeful resolve of a segment of society who had finally been threatened after faithfully serving us all and had been called heroes for their service during the past 2 years. That same commitment was now turned to standing strong against the tyranny we had all endured.	2/18/2022 6:45 PM
54466	Hope and Happiness	2/18/2022 6:45 PM
54467	Hope	2/18/2022 6:45 PM
54468	It gave me hope. Hope that Canadians will and can stand up for themselves and put these mandates and restrictions and the governments mass divide to an end. Never in my life have I been more embarrassed to be a Canadian and have felt the need to get a dual citizenship so I can move to a country that doesn't discriminate and will allow me to live my life in a healthy way.	2/18/2022 6:45 PM
54469	It has given me hope that Canada & Canadians will come together to be the inclusive country & population we used to be before Covid.	2/18/2022 6:45 PM

54483	Given me a sense of hope and pride	2/18/2022 6:44 PM
54484	It has given me hope. People are getting awakened to our corporate funded media and what lengths ego-centric tyrannical leaders will go to promote elitism. Our present leadership is more concerned with a world view order than their own citizens. Democracy is messy, but it is better than the alternatives. It is time for our leaders to acknowledge their people rather than calling them names. Truckers have made a real sacrifice to awaken lazy minds.	2/18/2022 6:44 PM
54485	It has given me hope. I am very grateful that they risked and sacrificed so much for Canadians.	2/18/2022 6:44 PM

54489	I have had hope restored b/c of the trucker convoy.	2/18/2022 6:44 PM
54490	Gave me hope	2/18/2022 6:44 PM
54491	Being able to go and cheer them on and it causing provincial government to change mandates.	2/18/2022 6:44 PM

54494	Given hope and knowledge	2/18/2022 6:44 PM
54495	Hasnt	2/18/2022 6:44 PM
54496	It has really opened my eyes as to how divided we are, how cruel and lacking of empathy the citizens of Canada are towards others that they don't agree with. How the people in Ottawa are completely out of touch with the rest of the country. Proved to me that our current parliamentary system does not work and is abused by the current government.	2/18/2022 6:44 PM
54497	Positif je vois enfin une porte de sortie	2/18/2022 6:44 PM

54521	It hasn't.	2/18/2022 6:43 PM
54522	Given me hope	2/18/2022 6:43 PM
54523	Truck has not affected my life I love the way truck does so we can get our life back. Only mandate affected my life style	2/18/2022 6:43 PM
54524	It has provided me with hope that the narrative of the future may be changing. It has made me feel proud to be Canadian for the first time in two years as I identify the trucking convoy as my Canadian neighbours who are willing to fight for my rights and freedoms and who have the same vision as me for what is a unified country true North Strong and Free. The way this convoy is being portrayed negatively is a disgrace to the sacrifice people are willing to make to uphold a free democracy!	2/18/2022 6:43 PM
54525	Those that wish to take advantage by raising the cost of living.	2/18/2022 6:43 PM

54537	Given hope	2/18/2022 6:43 PM
54538	Gave us hope. Brought community back. Opened the eyes of many.	2/18/2022 6:43 PM
54539	I feel as though they stand for Canada citizens the right to live in a free country.	2/18/2022 6:43 PM
54540	The convoy gave me the first sense of hope I've had in 2 years. People started coming out of the woodwork and I realized I wasn't alone in this. My heart felt this movement- this movement is for me as much as it is for so many others.	2/18/2022 6:43 PM
54541	Brightened my spirit and given me hope knowing others agree with fighting for our rights and freedom being trampled	2/18/2022 6:43 PM
54542	The Trucker convoy does not harm us, we need our freedom back ASAP. I am a trucker myself and we got treated like crap. We're done.	2/18/2022 6:43 PM
54543	Nothing good job the truckeurs	2/18/2022 6:43 PM
54544	It gives hope!! In this messed up world!!	2/18/2022 6:43 PM
54545	Given us hope.	2/18/2022 6:43 PM
54546	Gives me hope	2/18/2022 6:43 PM
54547	No, nothing! It's government's policy "no job no job"forced people to do the protest! People can't survive. One driver said his small business was shut down no way no money to pay the rent , so he is living in his car for two years! Enough is enough!	2/18/2022 6:42 PM
54548	Le convoi de camionneurs nous a permis de voir que nous n'étions pas seuls. The "fringe minority" is not fringe at all. Ça a créé un brin de bonheur, de partage et de joie dans la vie du peuple canadien. Ils se lèvent pour défendre le libre choix. Ils se lèvent parce que dans un pays démocratique, on ne traite pas ces citoyens de la sorte. Justin Trudeau est une honte pour le Canada.	2/18/2022 6:42 PM
54549	Not at all.	2/18/2022 6:42 PM
54550	Made me happy that someone stood up for what they believe in	2/18/2022 6:42 PM
54551	The freedom convoy has created the greatest division and the hate/insults/name calling happening as a result of this movement and anti-vaxxers is astonishing and embarrassing. White privilege at its peak.	2/18/2022 6:42 PM
54552	Has given me hope that there are people who will stand and fight for our future for our children's future I go to all the protest in order to be heard we all just like these trucker have been fired abused or cut aside by these mandates and now we have people to stand up and fight with us for humanity	2/18/2022 6:42 PM
54553	It has given me more hope for our country beyond my hope in Jesus Christ my Lord.	2/18/2022 6:42 PM
54554	It brought hope in my heart again. That we are not alone	2/18/2022 6:42 PM
54555	It has given me hope! It gave me a reason to get up. All the smiling people out there and kind messages they read daily, shows me there are lots of people, thousands of people feeling just like me. Now everything is being ripped out of our hands, all because our pm Trudeau couldn't even talk to the truckers! Calls us all names, like he's a child! FREEDOM, FREEDOM, FREEDOM	2/18/2022 6:42 PM
54556	Proves what a corrupt government is in power	2/18/2022 6:42 PM
54557	I have been a driver for 45 years. Now retired. The convoy has shown us that there is hope in numbers but the biggest thing it has shown me is the depths that our politicians are willing to go to have control. It has shown me that we only thought we had a democracy. It has shown me that the Charter is but a paper tiger. I would like to think it is worth more than the paper it is written on. It has also shown me that our police of all levels who are sworn to uphold the charter and be above the law don't deserve to wear the uniforms. There are some good ones out there but they are few. It has taught me to fear my government. God bless the truckers for showing us just how far we have slipped as a people when so many apathetic folks in this country are	2/18/2022 6:42 PM

willing to hand over their personal sovereignty to a government politician in the hope they may be granted a few privileges. Like beggars on a street corner.

54558	Has brought new hope and has made me proud to display the Canadian flag again	2/18/2022 6:42 PM
54559	Renewed HOPE. Proud to be Canadian. Seeing GOD at work. Don't feel so alone in my beliefs and concerns.	2/18/2022 6:42 PM
54560	Gives me hope again!	2/18/2022 6:42 PM
54561	Renewed hope for Canad and for Justice coming to PHAC, Media and doctors and hospitals supporting the lies	2/18/2022 6:42 PM
54562	It's given us hope that our country can return to the way it was. That we can stop the division and hatred towards one another	2/18/2022 6:42 PM
54563	They are giving me hope to have all this gone. FREEDOM of choice thank you truckers. It's just the flu people. Get over it move forward. My poor nose. They have given me hope. Together we stand.	2/18/2022 6:42 PM
54564	It gives me hope. It shows that I am not the only one who is alone wanting this to end, thinking what the government is doing is Wrong.	2/18/2022 6:42 PM
54565	Filled us with hope and courage that hopefully we'll be able to study anything we wish at the college, go to restaurants, don't get weird looks from people anymore, bc we chose to not wear a mask, and Hopefully Finally fly out again!	2/18/2022 6:42 PM
54566	It has given me hope for change	2/18/2022 6:42 PM
54567	Standing up for us Canadians hoping to stop mandates and has brought Canadians closer together.	2/18/2022 6:42 PM
54568	I haven't felt this Canadian in years	2/18/2022 6:42 PM
54569	Lifted my spirits and gave me hope that goodness wins	2/18/2022 6:42 PM
54570	made me proud	2/18/2022 6:42 PM
54571	It hasn't but because we owned several trucking companies our heart are so proud of our truckers. Life on the road away from their families is not easy especially since the cost of living has skyrocketed, so not much left over each month! We love our truckers!	2/18/2022 6:42 PM
54572	Inspirational to know there are more people feeling the same way	2/18/2022 6:42 PM
54573	love it	2/18/2022 6:42 PM
54574	It gave me hope that eventually our prime minister and politicians would listen to the very people they are supposed to protect and listen to. Only a tyrant would start a War measure act against the mass who is desperately trying to send a clear message to him.	2/18/2022 6:42 PM
54575	It has given me hope that I am not alone and that change is possible.	2/18/2022 6:42 PM
54576	Gave me hope and something to look forward too	2/18/2022 6:42 PM
54577	The convoy brought hope. I was finally feeling what it meant to be a proud Canadian again. I	2/18/2022 6:42 PM
54578	It has given me hope and pride and uplifted my spirit's. It's amazing how it has brought the Country together in so much unity. The amount of love, kindness and generosity is inspiring. The strength and courage that some of the protesters have is amazing and is so appreciative. It disgusts me what we have lived through for more than two years. I can't believe that I am living in "this" Canada. I have no appropriate words for how I feel about what Trudeau has done to this country and how he is treating it's Citizens... those who employ him! It breaks my heart to see how law enforcement are treating those silently protesting and creating no trouble. They should be ashamed of themselves. The Legacy Media needs to be disbanded for perpetuity the lies rather than focusing on the real news and the real science. I could go on....	2/18/2022 6:42 PM
54579	It has given a glimmer of hope that there is still people in Canada that still hold freedom as a value.	2/18/2022 6:42 PM
54580	The trucking convoy gave me hope to gain our rights and freedoms back.	2/18/2022 6:42 PM
54581	Made me realize the importance of the freedom this country's charter of rights and freedoms	2/18/2022 6:42 PM

54588	Gives me hope to go back to how life was	2/18/2022 6:42 PM
54589	It gives us hope and shows that there are many, perhaps the majority of people all over the world that need their freedom back and an end to all government overreach	2/18/2022 6:42 PM
54590	Made me question a lot of things that I've seen in the last 2 years. I think the world's gone crazy .	2/18/2022 6:42 PM

54602	It hasn't	2/18/2022 6:41 PM
54603	Just arguments amongst friends. Some are for it. Some against. If I didn't work full time, I'd probably be there. Who knows. Obviously the people there are not working, because of this. I feel like this is a scam to kill off the middle class and small businesses.	2/18/2022 6:41 PM
54604	Hopeful	2/18/2022 6:41 PM
54605	Ok	2/18/2022 6:41 PM

54619	It's inspired hope. Hope that this country and its people still stand for the foundation that it was built upon. The foundation of freedom.	2/18/2022 6:41 PM
54620	It gave me hope and made me feel proud to be Canadian	2/18/2022 6:41 PM
54621	Made effective changes in having canadians lives go back to a sense of normalcy! Go truckers go!!!	2/18/2022 6:41 PM
54622	Given me hope for things to end and for life to go back to normal.	2/18/2022 6:41 PM
54623	I feel a sense of hope. Proud to be Canadian for the first time in over 2 years. I felt joy and belonging when I found I wasn't the only one. This is why they have kept us separate. So we feel alone and scared -easy to manipulate.	2/18/2022 6:41 PM
54624	Made me absolutely hate my own government.	2/18/2022 6:41 PM
54625	It has brought hope that there are many Canadians with the same views in bringing our freedom's back.	2/18/2022 6:41 PM

54627	It has given me some amount of hope for our country	2/18/2022 6:41 PM
54628	It has given me hope that canada will be free again	2/18/2022 6:41 PM
54629	Not really much. Just watched a bit online	2/18/2022 6:41 PM
54630	It hasn't.	2/18/2022 6:41 PM
54631	The trucking convoy has given me hope! I am so proud of all those who are standing up for our freedom all over the country.	2/18/2022 6:41 PM
54632	It has given me hope that finally Canadians are awakening to the fact that the political response to the covid pandemic far exceeds the medical urgency of the situation. It is a Trojan Horse exercise to create a complete takeover of the economy by Governments. It is a form of renegeing upon the social entitlement programs and promises that Governments know they are unable to honour and fund over the next 20 years. So the easy solution is kill off the Boomers who are the cause of most of the aggravation felt by Government leaders in the G7, with a chimera virus.	2/18/2022 6:41 PM
54633	Gives me hope that us as Canadians can stand together.	2/18/2022 6:41 PM
54634	I feel some sense of unity from the movement presented by the convoy, I have some hope that Canada isn't as divided as it has felt and that we still have the opportunity to do better as a country	2/18/2022 6:41 PM
54635	Hope!	2/18/2022 6:41 PM

54643	Not at all. They are doing their job and the prime minister needs to talk and not run hiding all the time. He is not made to be a prime minister. So many people are done with him	2/18/2022 6:40 PM
54644	It has brought hope	2/18/2022 6:40 PM
54645	It brought hope and encouragement	2/18/2022 6:40 PM

54650	It's shown that the government and legacy media can't be trusted at all.	2/18/2022 6:40 PM
54651	Brought back hope to our country, and caused me to pray more for others.	2/18/2022 6:40 PM

54667	Hasn't affected it	2/18/2022 6:40 PM
54668	Not really	2/18/2022 6:40 PM
54669	Faith restored, hope, trust in my fellow people	2/18/2022 6:40 PM
54670	More separation actually. I've supported their protest mission and was very thankful for them taking a stand for ALL Canadians regardless of their vaccination status. It's more than about the vaccines. Our current and future freedoms are at risk. The government is controlling something they should not be controlling. With the truckers, I have had one inkling question. What would our PM have done in February with the declining Covid cases had the convoy and protests not been implemented? Perhaps he would not have dug in his heels and become even more tyrannical than he already was?	2/18/2022 6:40 PM
54671	Hasn't	2/18/2022 6:39 PM
54672	Has given Canadians hope again for a future of freedom from the mandates	2/18/2022 6:39 PM

54687	It's restored my hope for a future of freedom. Its giving us something positive to look forward to. Seeing all of the kindness once again. There has been so much negativity around the isolation, segregation & discrimination that the mandates have brought forth. We need our freedom back again.	2/18/2022 6:39 PM
54688	not at all.	2/18/2022 6:39 PM
54689	It is fighting for mine and everyone else's freedom	2/18/2022 6:39 PM
54690	It has given me hope for a future without government overreach. And hope that Canadians will stand up for our human rights.	2/18/2022 6:39 PM
54691	It hasn't	2/18/2022 6:39 PM
54692	I just found it refreshing to see that there were people that really meant it-to stand up for freedom. I must say, I didn't expect the world wide attention it got, but it did show me I wasn't alone in how I felt.	2/18/2022 6:39 PM

54698	No comment	2/18/2022 6:39 PM
54699	It feels like some people are finally getting tired of these restrictions and getting tired of staying quiet about it all. We want freedom!!	2/18/2022 6:39 PM
54700	Gave me some hope, but it was short lived	2/18/2022 6:39 PM
54701	It's giving us hope that things will change so we can have are lives back and my wife's job back!	2/18/2022 6:39 PM

Canadians vote on Canadian Mandate - February 2022

54702	Given us hope and realized how bad life has gotten for others as well!	2/18/2022 6:39 PM
54703	Filled me with pride and love!!	2/18/2022 6:39 PM
54704	Have my house hold hope and love	2/18/2022 6:39 PM

54706	It has given everyone hope ! And is the best thing that's happened since this Plandemic!	2/18/2022 6:39 PM
54707	It hasn't hurt me or anyone I know ...rather the opposite it did give us hope of a better future moving forward. More so then the government and their rules mandates and restrictions for an issue our body's would fight off naturally...am I vax yes. But only because I felt forced to do so.	2/18/2022 6:39 PM
54708	It has given me hope for a free future.	2/18/2022 6:39 PM

54715	It's given me and my family hope and is a great show of love and unity with all of my country	2/18/2022 6:39 PM
54716	It gave me hope. Faith in Canada. Until today....	2/18/2022 6:38 PM
54717	It was the first time I felt proud to be Canadian in the last 2 years	2/18/2022 6:38 PM
54718	Amazingly well, they are standing for freedom and making positive change	2/18/2022 6:38 PM
54719	The trucking convoy has helped me to realize that, contrary to the narrative publicized by the mainstream media, there are many, many Canadians who, like me, do not support the continued mandates. The convoy may also have helped to influence the SK government's decision to end provincial mandates. I support this decision by the SK government, and wish they would have done so sooner.	2/18/2022 6:38 PM
54720	The Trucking convoy has made me proud to be Canadian, hopeful these brave people could make a difference and shone a light on the corruption and self interest of the Liberal Government supported by the NDP. I will never look at the RCMP, OPP with tge same respect Zi once had.	2/18/2022 6:38 PM
54721	If gives us hope! Because looking at what is happening is truly frightening. The government is totally out of control! Totally corrupt!	2/18/2022 6:38 PM
54722	Positively	2/18/2022 6:38 PM
54723	It has given me some hope that Canadians are no longer willing to be abused by our government	2/18/2022 6:38 PM
54724	Made me sad to be a Canadian. With the police attacking the peaceful protest	2/18/2022 6:38 PM
54725	My daughter lives in Ottawa and when the truckers threatened to go to the schools she was told they would havd to go into lockdown	2/18/2022 6:38 PM
54726	Given me hope and brought many canadains together to show love and kindness	2/18/2022 6:38 PM
54727	Made Me proud to be a Canadian again!	2/18/2022 6:38 PM
54728	Positively	2/18/2022 6:38 PM
54729	Not at all	2/18/2022 6:38 PM
54730	Gave hope for unity as a country. Let everyone decide for themselves what is best for them.	2/18/2022 6:38 PM
54731	Very Positively!! It is a call to an End of the violations of Rights and Freedom! *It has finally brought hope, strength, unity, love, encouragement, a place to voice and come together again	2/18/2022 6:38 PM

in peace and celebration of humanities true goodness. The conscious movent is a collective desire to return to love, to connect within and create what is good for all. To see this assembly, is to celebrate new possibilities.

54732	It gave me a sense of hope for the first time in 2 years. Hope that maybe I can save my daughter from being forced to take a vaccine. Hope that maybe my kids will have a future of freedom and not the tyrannical abuse of power we are seeing now.	2/18/2022 6:38 PM
54733	Proud to finally see SOME Canadians stand up for what's right. Defending what we know as freedom.	2/18/2022 6:38 PM
54734	Inspired me! Proud of these Canadians!	2/18/2022 6:38 PM
54735	It has given me hope	2/18/2022 6:38 PM
54736	It has not	2/18/2022 6:38 PM
54737	Shows that most Canadian people are standing up against a tyrannical regime and dictator. He is rather part of the fringe minority	2/18/2022 6:38 PM
54738	Terrifying	2/18/2022 6:38 PM
54739	It has shown me how little the government cares about the the people by not communicating early with the concerns brought to their attention.	2/18/2022 6:38 PM
54740	Inspired!	2/18/2022 6:38 PM
54741	It has brought HOPE	2/18/2022 6:38 PM
54742	Gave me hope	2/18/2022 6:38 PM
54743	It has given me hope	2/18/2022 6:38 PM
54744	It has inspired me to see someone stand up for freedom, but I am greatly discouraged by the aggressive police actions and arresting peaceful protesters. They are holding protesters as political prisoners just like a dictatorial regime.	2/18/2022 6:38 PM
54745	Inspired me and the world	2/18/2022 6:38 PM
54746	It brought me hope. That sanity and unity and common sense would prevail. I honestly expected Trudeau to meet with them like a leader, a man, not hide behind his children like a coward then stomp around and invoke the harshest law in the land against them. I'm sickened by the way he is acting and treating the Canadian people. He has no reason to declare war on the truckers or us, the people of Canada.	2/18/2022 6:38 PM
54747	It's given us joy and hope to see such a peaceful happy group of Canadians travel accross our great country trying to restore freedom	2/18/2022 6:38 PM
54748	Finally there is hope	2/18/2022 6:38 PM
54749	I feel the Truckers stand for the freedom of all Canadians not just their own. The Truckers are sending a message to government that the government is put in place to serve the people not people to serve the government.	2/18/2022 6:38 PM
54750	Gives me hope	2/18/2022 6:38 PM
54751	It has given me hope. Hope to have the freedom that my Father fought for.	2/18/2022 6:38 PM
54752	It has given me hope. To see how peaceful these people are to try to bring peace and freedom to a country that is blind to the fact that they lost their rights and freedoms. It's inspiring.	2/18/2022 6:38 PM
54753	Gives me hope. The truckers woke Canadians up finally.	2/18/2022 6:37 PM
54754	It had given me hope. Now I'm sad seeing the violence bestowed upon these peaceful protestors that are fighting for our freedoms that were taken away	2/18/2022 6:37 PM
54755	Possivately! They stood for my convictions!	2/18/2022 6:37 PM
54756	It has given me hope in the love and humanity of fellow Canadians.	2/18/2022 6:37 PM
54757	It was lovely seeing so much kindness and goodness by the people there.	2/18/2022 6:37 PM
54758	Given me hope after 2 painful years. Finally people coming together fighting for our freedoms	2/18/2022 6:37 PM

Canadians vote on Canadian Mandate - February 2022

which should have never been taken away.

54759	Hasn't	2/18/2022 6:37 PM
54760	The truckers fight for freedom of mandates, freedom of rights, rights imposed by government to fight and infection. Are grand dads/mas already fought for our freedom. Now the truckers are fighting for our freedoms from 2.5years of covid restrictions. They fight for our right to be free to choose what we want to do, in the original charter of peoples rights of canada. Hell yeah	2/18/2022 6:37 PM
54761	Annoyed me and restricted me from getting to where I want to go	2/18/2022 6:37 PM
54762	I'm proud of these brave people who speak up for our freedom.	2/18/2022 6:37 PM
54763	Not at all	2/18/2022 6:37 PM
54764	They are fighting for our freedom. Feel sorry for what is happening to him	2/18/2022 6:37 PM
54765	It has given me hope again. It has make me realize I'm not the only one that feels like these mandates and protocols are excessive and not nessesary	2/18/2022 6:37 PM
54766	It has given me great hope, that we could all be free again , Like before all the mandates.	2/18/2022 6:37 PM
54767	They have given me hope that my freedom as stayed in the Canadian Charter of Rights and Freedoms may once again be restored.	2/18/2022 6:37 PM
54768	I think it is a really good thing. I think the government has far stepped past it reaches of control. We the people pay taxes so they the gov't can facilitate our lives. but when people are being censored and science and data is being hidden purposely and the main stream media is essentially brain washing the population into submission some one needs to put and end to this kind of tyrannical reign and it needs to stop and the Truckers or the warriors of our modern day fighting for our rights that have been unlawfully trampled all over. I fully support them 100%	2/18/2022 6:37 PM
54769	Gave me hope for Canada to become the free nation again it once was	2/18/2022 6:37 PM
54770	I am once more proud to be Canadian.	2/18/2022 6:37 PM
54771	It has given me hope.	2/18/2022 6:37 PM
54772	It gave me hope	2/18/2022 6:37 PM
54773	Proud that so many people are standing up. Really respect how the rally has been handled and again lack of truth by the government to be transparent Trucker convoy is for freedoms democracy and has given me hope for our future. Much gratitude to all who have participated and continue to hold the line	2/18/2022 6:37 PM
54774	With delight that there are those that recognize that our freedoms are being taken from us.	2/18/2022 6:37 PM
54775	It has given me so much hope toward a brighter future without mandates that restrict my freedom. To see so many peaceful protestors spreading hopeful and peaceful messages despite the one sided media coverage	2/18/2022 6:37 PM
54776	Bringing hope for a normal Canada again.	2/18/2022 6:37 PM
54777	Given us hope!	2/18/2022 6:37 PM
54778	During the entirety of Justin Trudeau's time as Prime Minister I have been embarrassed to be a Canadian. He is a laughing stock on the world stage. Other world leaders view him as a clueless child at the grown-up table. The most frustrating part, he has lost BOTH elections in the popular vote category which should be actual deciding vote/factor in determining who wins. Canadians are not happy with him, we are sick of his nonsense. The trucker convoy has made me PROUD to be a Canadian again. To see that we are in fact NOT a fringe minority but a united and numerous body who feel the same way. My great grandfather fought tyranny and dictatorship oppression in other countries in world war two and I will fight tyranny and dictatorship in my own country if I have to. God keep our land, glorious and FREE!!	2/18/2022 6:37 PM
54779	Restores my faith in people , humanity,	2/18/2022 6:37 PM
54780	They gave us hope	2/18/2022 6:37 PM
54781	It has had a positive impact	2/18/2022 6:37 PM

Canadians vote on Canadian Mandate - February 2022

54782	It's has made me feel honoured to be Canadian again	2/18/2022 6:37 PM
54783	It gave me hope for the first time in two years.	2/18/2022 6:37 PM
54784	It's given me HOPE for the first time since this has started to become a communist government	2/18/2022 6:37 PM
54785	Given us hope that we may actually get to live a normal free life again soon	2/18/2022 6:37 PM
54786	Hope and joy	2/18/2022 6:37 PM
54787	It has brought me hope and pride in Canada. Something Trudeau has killed	2/18/2022 6:36 PM
54788	I am more aware of how affective our government is/not. It had made Trudeau show his real colours. It had brought our country together in spite of his efforts to separate us and also shown us that the easterners and westerners are more alike than we realized. It is time to elect by who wins in the provinces and not by who wins in the most populated areas of our country. Every voice must be heard, every life matters and the only real thing is love	2/18/2022 6:36 PM
54789	I support them! 100%	2/18/2022 6:36 PM
54790	The convoy has given me hope that perhaps Trudeau will stop pouting and hanging his lip because so many of us refuse to be vaxed, we are not kids who need to be punished cuz daddy is pissed at us!! I fully support the convoy, they are standing up for everyone of us here in Canada. Someone has to, as our government has decided to make our decisions for us now. The convoy is doing what we are afraid to do. They are speaking out for Canada. Its just a shame the government is doing everything in their power to stop the convoy. It angers me to hear the guys in blue on their horses would run over the elderly!!!	2/18/2022 6:36 PM
54791	It has given me hope that at least some people are willing to fight for the chapter of rights/freedom	2/18/2022 6:36 PM
54792	Watching and being involved has been both inspiring and therapeutic	2/18/2022 6:36 PM
54793	Positive. Hope. Love. Freedom. Unity.	2/18/2022 6:36 PM
54794	Shown me the love and unity that represents the true hearts of Canadians. Increased my hope and faith	2/18/2022 6:36 PM
54795	It hasn't bothered me at all, it was for a great cause.	2/18/2022 6:36 PM

Canadians vote on Canadian Mandate - February 2022

54811	Not one bit, other than it made me embarrassed for those who thought it was a peaceful protest, it was an attempted coup and a horrible event in our country's history, I hope we can recover from this.	2/18/2022 6:36 PM

54823	Lack of grosseries, worried about lack of medicine supplies being delivered.	2/18/2022 6:36 PM
54824	I am in favour of what they are doing but I am extremely anxious about the implementation of Emergency Measures act (was not warranted) and the seizure of GFM and the other donation platforms being seized as well as people's financial resources. This is so totally unacceptable. How about all the corruption of Trudeau and his merry band of thieves. Our country is definitely heading in the wrong direction.	2/18/2022 6:36 PM
54825	It's given me hope again. It's made me proud again.	2/18/2022 6:36 PM

Laura Lynn has been very appreciated for all her coverage as I have received a real education on what is really happening. I want freedom for Canada based on the Charter of Rights and freedom. 54855	Gave me hope. Showed me what the people of Canada are truly capable of. Seen unity, love, hope, respect towards others. Seeing all of this has made me be more of a compassionate person. Seeing how our PM and main stream media focus on it has made me question everything in our Country. I do not feel MSM should be funded by our government - we deserve to hear the news from both sides without any bias. As for the PM - he needs to be removed from office immediately. He has incited hate and divided the Country by his comments and actions. I will NEVER vote liberal again.	2/18/2022 6:35 PM
54856	Has given us hope that Canada can be saved...	2/18/2022 6:35 PM

54932	I wish I was there	2/18/2022 6:33 PM
54933	Shocking but necessary when your country is on life support.	2/18/2022 6:33 PM
54934	It has revitalized my faith in people. It has filled my heart and made me feel powerful. Seeing the unity, the peace.... It's been priceless to watch. They have made such huge impacts globally! I celebrate them and even though I can't stand with them in person, I'm with them in SPIRIT! It hurts to see what the govt is doing right now. I do not blame law enforcement. I believe there are many there who are not happy with this at all but feel stuck. I pray that something happens to stop it all peacefully but somehow gets Trudeau and his biggest supporters out to be held accountable.	2/18/2022 6:33 PM
54935	I am very impressed by the initiative . I think Canada as I know it might survive and might not be swallowed by the globalist universe of powerless slaves	2/18/2022 6:33 PM
54936	They gave me hope that we could get our elected officials to listen, and actually respond logically. The emergency measures really discouraging - like it's all a game.	2/18/2022 6:33 PM

54956	I feel hopeful that things can finally change	2/18/2022 6:33 PM
54957	It has caused me to lose respect for a whole lot of people. It has increased my anxiety. It makes me afraid for the intelligence of our population and the future of our Country. Had a grade 8 teacher who used to say 'poor Canada'. I've been hearing that in my head over and over every day after watching this unsuccessful attempt at a coup and at the performance of our Conservative government leaders.	2/18/2022 6:33 PM

54965	Made me feel like a human again. It made me feel like a Canadian again. It made me feel compassion and care for me fellow Canadians. I weep as I type this because I've been severely depressed for the last 2 years but the Convoy 2022 has brought me hope again. God bless the truckers! ♥	2/18/2022 6:32 PM
54966	It has depressed me that all truckers will be tarred with the same brush which isn't fair. I am worried about the future of life in Canada. We have enjoyed a peaceful lifestyle up until now.	2/18/2022 6:32 PM
54967	Gave me hope	2/18/2022 6:32 PM
54968	Positively.	2/18/2022 6:32 PM
54969	It has brought hope back.	2/18/2022 6:32 PM
54970	gave some hope to our freedom 90% of the government should be fired and pay fines for what the police are doing to the truckers and the people very dark day for Canada all u have to do is listen to the people we put you there no do your job	2/18/2022 6:32 PM

54974	No direct effect . Is good to see it our prime minister is such a tool Hides when should be out talking to people about serious issues.	2/18/2022 6:32 PM
54975	It has given hope that the government will do the right thing and let Canadian have the rights and freedoms guaranteed to us under the Constitution and Charter of Rights and Freedoms and immediately end all mandates and all restrictions coast to coast for every single Canadian from coast to coast.	2/18/2022 6:32 PM
54976	It's been peaceful and helping wake people up to the corruption in our government. The convoy is bringing people together, loving and dancing, eating, smiling, and cheerful people. The convoy is exposed the level of corruption in parliament and our police service.	2/18/2022 6:32 PM

54983	It's been pleasant to see a non-violent and peaceful response to tyrannical government overreach. The tyrannical response to the trucker convoy has confirmed its necessity. Without resistance the tyranny will continue and likely increase	2/18/2022 6:32 PM
54984	It gives me hope. And I'm not alone.	2/18/2022 6:32 PM
54985	It has given me hope. They have maintained peaceful assembly in an attempt to restore what we have lost - dignity, integrity, and our fundamental rights	2/18/2022 6:32 PM
54986	It has turned my neighborhood into a violent alt-right indoctrination center	2/18/2022 6:32 PM

54995	Has made me feel very sad that our prime minister called them racist, among other names and wouldn't even talk to his own Canadian people..... goes ahead and does what suits him, no respect for Canadians... he's suppose to be working for Canadians Not against them!!!	2/18/2022 6:32 PM
54996	A positive glimmer of hope for the peaceful freedom loving Canadians that just want their lives back. Politicians have ruined us	2/18/2022 6:32 PM
54997	It hasn't. I'm proud to see people going out and fighting for their human rights	2/18/2022 6:32 PM

55005	Inspired me, I love what the convoy has done and brought so many people together.	2/18/2022 6:32 PM
55006	I am proud that someone is standing up to speak the truth and demand some answers from the people enforcing all this wrongdoing. It's time that we the people stand up for what's RIGHT and take our God given freedom back. Justin Trudeau has to go if he doesn't change.	2/18/2022 6:32 PM
55007	The most positive thing that had happened to trigger change in Canada today. It's not just the mandates . We need to get Trudeau out	2/18/2022 6:32 PM
55008	A sign of hope	2/18/2022 6:31 PM

55010	It's making me proud to be a Canadian again for people that stand up for their rights	2/18/2022 6:31 PM
55011	The trucking convoy doesn't seem to have affected the supply chain where I'm living. Food is still fairly readily available but some is more expensive than it used to be but that happened before the truckers convoy even started. It's left me wondering if we are getting true and honest reporting from mainstream news.	2/18/2022 6:31 PM

55025	Not at all.	2/18/2022 6:31 PM
55026	brought hope peaceful protests cops have done unlawful arrests	2/18/2022 6:31 PM
55027	it has hit us hard, many of our family are torn over this some for some against. our prime minister has only himself to blame for the trouble today he needed to meet with his people of the country and he turned his back on us. our people did not fight in wars and did not vote for us to be living in a dictatorship breaks my heart to see what is happening today on T V My children, have children, god help us that people want to live with one person deciding what is to be done to our bodies, deciding who we can help, I hope there can be a peaceful end to this but I do not think so with Mr. Trudea as our leader, freedom is really getting further away from us all. the government does not have the right to take away peoples livelihoods, their money, and our freedom of speech	2/18/2022 6:31 PM
55028	It made me realize how much the legacy media has been lying to us.	2/18/2022 6:31 PM

55030	Made me and my family feel a sense of hope, not something we had felt in a long time	2/18/2022 6:31 PM
55031	It hasn't other than seeing all the very sad division going on in Canada	2/18/2022 6:31 PM
55032	Brought hope, unity, faith back. I felt proud to be a Canadian again. I've watched my country disappear	2/18/2022 6:31 PM

55038	It helped me become more conscious, learn about myself and my own limitations. It brought revelations about strengths and weaknesses of the people in Canada	2/18/2022 6:31 PM
55039	Positively affected my life by bringing people together in love and unity. Makes one realize just how many are against taking away our right and freedoms.	2/18/2022 6:31 PM

55042	It hasn't	2/18/2022 6:31 PM
55043	It has helped drop mandates and wake people up	2/18/2022 6:31 PM
55044	Anxiety-inducing. Our democracy is under attack. I fear there will be more civil unrest. These protests weren't about mandates at all. it is an anti-democracy movement fueled by hate, disinformation, dark money and legitimized by CPC officials. Though times ahead.	2/18/2022 6:31 PM
55045	It has been an extreme embarrassment to this country.	2/18/2022 6:31 PM
55046	Freedom is the key	2/18/2022 6:31 PM

view of our country and all of us a citizens,,,

55048	Made it better.	2/18/2022 6:31 PM
55049	It has given me back bit of Canadian pride which I had lost, given me a spark of hope that there may still be love and unity and freedom for Canadians, and has made me pray harder for a democratic country to return to us.	2/18/2022 6:31 PM
55050	Restricted my movements and made me late getting places when they are protesting	2/18/2022 6:31 PM
55051	Mate me have hope for the 1st time in 2 years that someone views everything the same way I do	2/18/2022 6:31 PM

55056	Gave me a hope for better tomorrow.	2/18/2022 6:30 PM
55057	Offered hope that was needed and made it apparent that we are not the "fringe minority"!	2/18/2022 6:30 PM
55058	A national embarrassment.	2/18/2022 6:30 PM
55059	gave me hope for the first time. I am eternally grateful	2/18/2022 6:30 PM
55060	Brought people together in a positive way for a common cause.	2/18/2022 6:30 PM
55061	The trucking convoy has set me free to realize I am not alone in my thinking that the mandates/vaccines etc are all a crock. Thank you truckers!!!! I went to Milk River to lend my support. Wish I could go to Ottawa.	2/18/2022 6:30 PM
55062	In my best intrest our freedom back to us	2/18/2022 6:30 PM
55063	Made life miserable for my son in ottawa	2/18/2022 6:30 PM
55064	Its made me hopeful	2/18/2022 6:30 PM
55065	The trucking convoy positively affects my life and my family's because it gives us hope that there are courageous people who are willing to risk their lives and stand up for the rights and freedoms of all Canadians.	2/18/2022 6:30 PM

55073	beder	2/18/2022 6:30 PM

55079	Inspired me and has made me feel a pride and patriotism I've never known before. Made me realize what value our soldiers are.	2/18/2022 6:30 PM
55080	It's made me very sad for how the hard working Canadians are being treated. I have zero confidence in our current government leader. I'm scared about the future of our freedom.	2/18/2022 6:30 PM
55081	It's inspired my faith in Canadians and shown our PM to be a dictator	2/18/2022 6:30 PM
55082	It has given me a glimmer of hope. It has shown me I am not alone. It has provided me with a sense of pride to be Canadian that I haven't felt in a long time. I sincerely hope they are heard and the will of the people pushes JT out of his position as PM as soon as possible.	2/18/2022 6:30 PM
55083	Given me hope.	2/18/2022 6:30 PM
55084	It has given me hope for the first time in 2 years. It is quite uplifting to watch all the smiles, hugs, dancing, etc.	2/18/2022 6:30 PM
55085	Provided hope and I have been thankful for people who have chosen to voice peacefully that government authority, specifically Justin Trudeau, has abused their positions and been over controlling.	2/18/2022 6:30 PM
55086	It's very upsetting!!! That so many fellow Canadians do not care for the immune compromised!!!	2/18/2022 6:30 PM
55087	Gave me hope, when I thought this country was too corrupt to be fixed	2/18/2022 6:30 PM
55088	We are proud Canadian and we want our freedom and our country	2/18/2022 6:30 PM
55089	Given me hope	2/18/2022 6:30 PM
55090	It hasn't other than supporting it. I have friends who are long distance haulers and their route has been affected.	2/18/2022 6:30 PM
55091	It is the only thing that has given me any hope for these despicable mandates to be lifted so that I might be able to get a job again. I am hoping they can initiate a process to remove the current Prime Minister from office and have him criminally charged for all the atrocities he has imposed on the people of Canada. I also hope the convoy wakes people up enough to demand changes in the political system that removes the authority of Government to impose mandates or restrictions that cost people their livelihoods ever again.	2/18/2022 6:30 PM
55092	Yes, hope, love, unity, so proud to be Canadian	2/18/2022 6:30 PM
55093	Given me hope for humanity	2/18/2022 6:30 PM
55094	I feel proud that the truckers are standing up to the Liberal government for taking their right to make a living. It was alright for them to be working a few months ago...but why is it not right for them now...Trudeau is taking away our freedom bit by bit....children did not need to wear a mask and be vaccinated for the last 2 years now he has decided they do?	2/18/2022 6:30 PM
55095	It has brought back some sense of hope, that these mandates may end and that Current Prime Minister of Canada may finally step down from a position he knows nothing about. It has also restored some faith in human kindness.	2/18/2022 6:30 PM
55096	It hasn't	2/18/2022 6:30 PM
55097	Positive and hopeful	2/18/2022 6:30 PM
55098	Given me hope that we can go back to living again!	2/18/2022 6:29 PM
55099	I has made people aware of the lack of democracy our current government displays. I do not trust my government to make unbiased decisions for Canada	2/18/2022 6:29 PM
55100	I'm proud to call them Canadians for standing up for rights	2/18/2022 6:29 PM

55103	None	2/18/2022 6:29 PM

55110	I drove truck it's bout time they stand and we need to be behind them	2/18/2022 6:29 PM
55111	They are trying to help get rid of this shit and I give them a lot of credit cause this is fucked up we all want the same excepted truedo and he's so call ppl we're all human come out and explain yourself! Ugh	2/18/2022 6:29 PM
55112	It brought a sense of hope of things may be about to change.	2/18/2022 6:29 PM
55113	Gives hope that we still live in a democracy	2/18/2022 6:29 PM
55114	None whatsoever they just gave us hope	2/18/2022 6:29 PM
55115	It is giving me a renewed hope to end governmental Tyranny crimes against humanity mass genocide	2/18/2022 6:29 PM

55124	Hasn't	2/18/2022 6:29 PM
55125	Proud to be a Canadian	2/18/2022 6:29 PM
55126	affects all our lives	2/18/2022 6:29 PM
55127	It has given me HOPE that there is such a large part of society who are willing to make their concerns known. Now if the Liberals simply give them the respect they deserve as Canadians expressing their concerns.	2/18/2022 6:29 PM
55128	It has bought me so much pride in my country. They've given me a reason to hope for a brighter future. I don't feel alone anymore , and I'm proud to stand up for what I believe in . My children witnessing this war on freedom has brought them admiration of their mom , and all my efforts to protect them and finally see the much bigger picture. I cry with tears of joy for the bravery these truckers have shown . I have the utmost respect for these people and what they're trying to do to lift these mandates !!! Thank you & God bless	2/18/2022 6:29 PM
55129	Hope! See Canadians coming together has been life-giving	2/18/2022 6:29 PM

Canadians vote on Canadian Mandate - February 2022

55135	They have brought hope, until the last few days and now all I see is the depths of corruption in our government	2/18/2022 6:29 PM
55136	Seeing Canadians from across the great nation I call my home come together has given me a hope and pride in that country that I have not felt in nearly two years. Being from the West, I have never felt such a sense of affinity for those from Quebec and eastern provinces as I do watching citizens of every stripe and creed gather to protect our democratic and free country, to stand up in peace and unity for our rights and those of our children. The immense amount of pride and community I have felt in the last few weeks as I watch my country from afar has been unmatched as a lifelong Canadian.	2/18/2022 6:29 PM
55137	Hope	2/18/2022 6:28 PM
55138	NOt at all	2/18/2022 6:28 PM

55140	It gives me hope!!!	2/18/2022 6:28 PM
55141	I am pleased that someone has taken a stand	2/18/2022 6:28 PM
55142	Given a sense of renewed hope in democracy and the need to take a stand against the idea that we as Canadians are not intelligent enough to make our own decisions regarding our health and well being	2/18/2022 6:28 PM
55143	I support them.	2/18/2022 6:28 PM
55144	Brought People back together as one. United people. Give me hope that Canada could be a better place like it used to be	2/18/2022 6:28 PM
55145	It had made me proud to be Canadian for the first time in a long time. I'm so proud of those strong men and women out there fighting for our freedom	2/18/2022 6:28 PM
55146	Have me hope, showed me who the bad guys are	2/18/2022 6:28 PM

55149	It has given me hope	2/18/2022 6:28 PM
55150	It gave me hope that someone else wants freedom too besides me. Depression is a horrible thing when you have no hope.	2/18/2022 6:28 PM
55151	See above.	2/18/2022 6:28 PM
55152	Gives me hope	2/18/2022 6:28 PM
55153	Show other people who care for their family, friends, the churches, their jobs. I served my country in the navy and they reminded me of their commitments for the people of our country unlike the politicians	2/18/2022 6:28 PM
55154	It has brought smiles to our faces with every post, picture, honk etc	2/18/2022 6:28 PM
55155	Given me HOPE that our freedoms and rights would be restored!!	2/18/2022 6:28 PM
55156	It has given me hope.	2/18/2022 6:28 PM
55157	The convoy has given me hope in humanity again. They were standing for the freedom of choice and an end to government overreach. They were peaceful and still were demonized in the media and in our weak government. The world is watching!	2/18/2022 6:28 PM
55158	It has brought joy and shined a light on how kind people can be	2/18/2022 6:28 PM
55159	For the first time in months I felt hope! Hope that the end is finally coming; relief that I am actually not the only one who feels that this has gone on too long and that the government is now just wanting to maintain the control so many trusting Canadians gave them in a time of perceived crisis. And pride! A renewed sense of pride in my country and my heritage! Watching as so many people gathered together in peace and love to send a message and be heard! Outstanding!	2/18/2022 6:28 PM

55166	They didn't affect me	2/18/2022 6:28 PM
55167	Given hope that there are millions of Canadians support freedom of choice when it comes to bodily autonomy and medical decisions. Hope that there is unity to be found amongst Canadians that seek the freedom our country has not seen in the last 2 years.	2/18/2022 6:28 PM
55168	It has given me hope that people do stand up to the bullies.	2/18/2022 6:28 PM
55169	It's brought hope, faith and love back. For once I feel proud to be Canadian again!	2/18/2022 6:28 PM
55170	It shows how Canadians can stick together during government tyranny	2/18/2022 6:28 PM
55171	none	2/18/2022 6:28 PM
55172	I finally feel proud of my country again, for people standing up for the end of the heavy-handed ruling. Most, if not all, countries in Europe have never had such strong measures as Canada (requiring a vaccine passport to board a plane), and most have dropped the ones that they did have. I am seething with the unfairness of it all.	2/18/2022 6:28 PM
55173	Not at all. Hopefully their brave action is effective.	2/18/2022 6:28 PM
55174	Nil	2/18/2022 6:28 PM
55175	It hasn't other than I'm thankful for the people who went in good faith wanting their voices heard	2/18/2022 6:28 PM
55176	They have given us Canadians so much hope	2/18/2022 6:28 PM
55177	My hope is not in man, but it sure as hell is nice to see the "right" and Canadians finally stand up to this tyranny that has been brewing for several decades.	2/18/2022 6:28 PM
55178	It's supporting the rights of all Canadians	2/18/2022 6:28 PM
55179	Shipping at my work	2/18/2022 6:28 PM
55180	N/a	2/18/2022 6:28 PM
55181	Given me hope that these totalitarian mandates and government over reach will end.	2/18/2022 6:27 PM
55182	Gave me hope	2/18/2022 6:27 PM
55183	Terrifies me to see how the government and police are treating the peaceful protesters	2/18/2022 6:27 PM
55184	at first brought great joy in seeing Canadians coming together. Now Trudeau is terrifying.	2/18/2022 6:27 PM
55185	Not at all	2/18/2022 6:27 PM
55186	Made hate the government. And all politic	2/18/2022 6:27 PM
55187	No matter how many letters i have written to the schools to get exemptions for my child who was struggling with the added stress of covid...no matter how many letters I wrote to MP's or constituents, school board etc....nothing changed. It just got worse. So thank you truckers for making the arrogant leaders listen!	2/18/2022 6:27 PM
55188	Not at all !!	2/18/2022 6:27 PM
55189	Has given me faith that there are way more people who are against mandates, not just me. It has given me hope that the country my grandfathers both fought for will be given it's freedoms back.	2/18/2022 6:27 PM
55190	Made me proud to be Canadian again	2/18/2022 6:27 PM

Canadians vote on Canadian Mandate - February 2022

55192	It's instilled Hope	2/18/2022 6:27 PM
55193	It has given us a voice, hope, and united us for the common goal of freedom.	2/18/2022 6:27 PM
55194	It has bouyed my confidence that Canadians are fed up with the lies of of governments.	2/18/2022 6:27 PM
55195	Gives me hope	2/18/2022 6:27 PM
55196	Given me hope that we will get our lives back to normal. The trucking convoy is fighting for all mandates to be lifted so we can exercise our Charter of Rights and Freedoms.	2/18/2022 6:27 PM
55197	Indescribably. They are amazing. I come from a long line of truckers, they have brought the people together from all across our country.	2/18/2022 6:27 PM
55198	It has given our family hope. It has given people such as us a voice.	2/18/2022 6:27 PM
55199	No	2/18/2022 6:27 PM
55200	It has not....Prouder Canadian for the efforts of the Truckers 🙏🙏🙏🙏🙏	2/18/2022 6:27 PM

55203	Positive way. I join the fight to protect free will	2/18/2022 6:27 PM
55204	It's made me proud to be Canadian, it's helped me and others to speak up about the government atrocities we see before us and the lies we've been told	2/18/2022 6:27 PM
55205	Proud to be a trucker supporter	2/18/2022 6:27 PM
55206	Positively!! Glad someone had the courage to take a stand	2/18/2022 6:27 PM
55207	Gives me hope and the feeling of unity.	2/18/2022 6:27 PM
55208	Given me hipe, my children hope. We felt so alone and it is amazing how many people share the same views. We were against the vaccines and got fully vaccinated which did nothing. So glad they have stood up for our rights and have shown the public how corrupt Justin Trudeau is. He should not be prime Minister	2/18/2022 6:27 PM
55209	Gave me hope that freedom still had a chance in canada	2/18/2022 6:27 PM
55210	Personally it had no effect. Professionally it disrupted supply deliveries which effected schools, daycares and nursing homes.	2/18/2022 6:27 PM
55211	Positively in that we will stand together as Canadian s to get our freedom back	2/18/2022 6:27 PM
55212	Gave me hope that gov't might listen to every day Canadians	2/18/2022 6:27 PM
55213	The truckers are begging the overlords. Freedom does not come from asking. The truckers could end this themselves but I cannot explain in a soundbite. If you're interested in an idea, please write to denisemward@gmail.com It's very important to hear this. Thank you.	2/18/2022 6:27 PM
55214	Great it has given me the feeling of freedom	2/18/2022 6:27 PM
55215	It has brought Canadians together united.	2/18/2022 6:27 PM
55216	Proud to be a Canadian for the first time in 7 years. Given me hope	2/18/2022 6:27 PM
55217	Good want things back to normal	2/18/2022 6:27 PM
55218	Very Much, they are the first ones to stand up for our rights and freedoms!	2/18/2022 6:27 PM
55219	It awesome	2/18/2022 6:27 PM
55220	It has given me hope , that as a Canadian we can still be herd	2/18/2022 6:27 PM
55221	It gives me hope	2/18/2022 6:27 PM
55222	it gives me hope and then I am depressed when I hear all the bad mouthing about it. I am against mandates and a grandchild of a hero from the Norweigian resistance during WW2 - to	2/18/2022 6:27 PM

Canadians vote on Canadian Mandate – February 2022

even hint I could be a nazi for opposing the mandates in cruel

55223	The truck in convoy has brought encouragement and hope God blesses the truckers	2/18/2022 6:27 PM
55224	The Truckers Convoy brought me some hope that perhaps the Prime Minister would now listen and freedoms would be restored and our jobs/livelihoods would be restored.	2/18/2022 6:27 PM
55225	In many ways, happiness, hope, hopelessness, despair over the arrests instead of visiting with parliament, to see forced measures come forth. Very sad.	2/18/2022 6:27 PM
55226	Gave me hope, felt a sense of happiness seeing and feeling love from others with same feelings	2/18/2022 6:27 PM
55227	Given hope.	2/18/2022 6:27 PM
55228	None really except we pray daily for their protection.	2/18/2022 6:27 PM
55229	it has not	2/18/2022 6:27 PM
55230	Made it better	2/18/2022 6:27 PM
55231	Bring me joy to see people standing up for Canada!!	2/18/2022 6:26 PM
55232	It is great to see some people have backbones to stand up for our human rights.	2/18/2022 6:26 PM
55233	It gives me hope.	2/18/2022 6:26 PM
55234	I think it's totally unfair to all of us that are trying to do the right thing by staying safe, for us and our families. Especially the elderly. It's a slap in the face. We all want our lives back. But safety first. It's embarrassing as to what they are doing. It's affecting product coming in and out of the country. It's affecting the price of things which a lot of us can't afford. My business isn't able to operate the way it did prior to this pandemic, and now another roadblock because of this. I'm doing my part to keep the numbers down so I can feel safe and get back out there, as well as travel. Enough is enough.	2/18/2022 6:26 PM
55235	Has not affected me	2/18/2022 6:26 PM
55236	It has given me hope for the future and has shown me the true colours of the liberal and ndp parties. It has shown me how fragile our democracy can be. It has effected the way I look at all other Canadians and peoples from across the world; the vast majority want freedom and liberties, while the 'fringe' minority governments want more restrictions to no end, in the mean time ignoring what citizens want	2/18/2022 6:26 PM
55237	Hasn't	2/18/2022 6:26 PM
55238	Has given me hope for a future where I have freedom to choose what I say, where I go, what I do, who I worship	2/18/2022 6:26 PM
55239	It has given me hope that things will change and my husband will be able to get a job	2/18/2022 6:26 PM
55240	It has given me hope and I was proud to be Canadian again until Trudeau showed his true self	2/18/2022 6:26 PM
55241	Brought me back hope	2/18/2022 6:26 PM
55242	Na	2/18/2022 6:26 PM
55243	It has not	2/18/2022 6:26 PM
55244	None	2/18/2022 6:26 PM
55245	feel shame, disappointment that people in Canada are organizing and participating in this unlawful, ridiculous tantrum. Funded by foreign money EVIL; desecration of national monuments HORRENDOUS; psychological and emotional abuse of citizens SHAMEFUL; children and pets down there SHOCKINGLY STUPID. The rest of Canada can't wait for this to be over. GO HOME!	2/18/2022 6:26 PM
55246	Not at all	2/18/2022 6:26 PM
55247	It has shown me just how corrupt all levels of government are	2/18/2022 6:26 PM
55248	Made me smile everyday knowing that they are fighting for our freedom and i see true unity for once	2/18/2022 6:26 PM

Canadians vote on Canadian Mandate - February 2022

55249	Feeling of hope!!!	2/18/2022 6:26 PM
55250	It has given me hope.	2/18/2022 6:26 PM
55251	It has given me hope that our government would actually check the science that they refuse to look at.	2/18/2022 6:26 PM
55252	It hasn't affected my life at all.	2/18/2022 6:26 PM
55253	A little hopeful things might change	2/18/2022 6:26 PM
55254	unified canada as a nation	2/18/2022 6:26 PM
55255	It has given me hope, but it has also exposed that Canada is in a way worse state than I thought it was. This has made me very sad and I believe we need to stand up for our rights more than ever before.	2/18/2022 6:26 PM
55256	Hope.	2/18/2022 6:26 PM
55257	Brought hope that these mandates will end in my lifetime	2/18/2022 6:26 PM
55258	The trucking convoy gave me hope that maybe we could have Canada the way it was, free to choose for ourselves how we protect our health and provide for our families. I stand with them. I cannot believe Trudeau wouldn't even talk to them . Coward.	2/18/2022 6:26 PM
55259	It has brought many people of all walks of life together, with a great feeling of hope that our freedom will and should be restored. Freedom, love and hope. That how they have affected me.	2/18/2022 6:26 PM
55260	It has made me more proud to be a Canadian. Gald to see there are still some people with guts out there that wont be pushed around. Men and women in blue collars built this country, men in suits like trudeau are destroying it.	2/18/2022 6:26 PM
55261	MADE ME BECOME MORE PATRIOTIC AS IT'S MORE REGARDING FREEDOM WITH THE AMOUNT OF CANADIANS WHO JOINED ALONG WITH THEM. MADE ME REALIZE AND OTHERS WHO I NEVER WOULD GAVE EVEN THOUGHT TO UNDERSTAND HOW FLEETING OUR FREEDOMS ARE.	2/18/2022 6:26 PM
55262	The trucking convey gave me a hope that the government would listen to its people. Instead we were lied about, called demeaning names. I treasured the leader from Indis when she pointed out that Trudeau isn't following the advice he gave to India awhile back. I stand with the truckers for freedom from tyranny and dictatorship.	2/18/2022 6:26 PM
55263	The trucking convoy brought back the hope for the future and made me proud of being Canadian again	2/18/2022 6:26 PM
55264	brought hope	2/18/2022 6:26 PM
55265	Given us hope	2/18/2022 6:26 PM
55266	It's opened up conversation again between people who have been very afraid to speak	2/18/2022 6:26 PM
55267	Conflicts with friends	2/18/2022 6:26 PM
55268	Amazing!! It's given me hope! I've supported the truckers by provided accomodation, doing laundry and feeding them. Going downtown has been an amazing experience.	2/18/2022 6:26 PM
55269	Inspired me	2/18/2022 6:26 PM
55270	It's given a s hope we may have a future.	2/18/2022 6:26 PM
55271	It has not affected my life. Perhaps it gave me the slightest hope that others are seeing their rights as Canadian citizens are being infringed upon.	2/18/2022 6:26 PM
55272	Prices have increased.	2/18/2022 6:26 PM
55273	It doesn't, except to maby make it better.	2/18/2022 6:26 PM
55274	It hasn't	2/18/2022 6:26 PM
55275	Hope	2/18/2022 6:25 PM
55276	Not at all!	2/18/2022 6:25 PM

Canadians vote on Canadian Mandate - February 2022

55277	As starwars put it, a new hope!	2/18/2022 6:25 PM
55278	Best thing that has happened in years.	2/18/2022 6:25 PM
55279	Gave me hope that there would be good changes coming. The end of all lockdowns ,masks, restrictions, pressure put on people to take the experimental vaccine,especially our children.	2/18/2022 6:25 PM
55280	Made me proud to be a Canadian.	2/18/2022 6:25 PM
55281	The truckers convoy has given me renewed hope that there are many other Canadians who value freedom and individual choice as much as I do.	2/18/2022 6:25 PM
55282	Given hope!	2/18/2022 6:25 PM
55283	Positively that there is hope for this situation	2/18/2022 6:25 PM
55284	Trucker don't affected me a all i am happy that some people are fighting for freedom	2/18/2022 6:25 PM
55285	Not at all.	2/18/2022 6:25 PM
55286	hasn't but i wouldn't want them in my city	2/18/2022 6:25 PM
55287	I believe the convoy has fast tracked the opening of provinces. I believe it gave a voice to a minority group and it has opened the eyes to some people who have previously supported mandates. I think as families and our country is divided it is giving hope to heal those wounds and continue with life. I completely support the convoy.	2/18/2022 6:25 PM
55288	It gave me hope. I cried at the way people came together - it actually had me feeling like Canada would be worth staying in. And then the emergencies act was put in place, and that hope is gone. I am so disappointed in humanity.	2/18/2022 6:25 PM
55289	Given me hope for Canada	2/18/2022 6:25 PM
55290	Made me proud to be a Canadian!!! Gave me courage to speak up and be unmasked!!!	2/18/2022 6:25 PM
55291	Not a bit	2/18/2022 6:25 PM
55292	It gives me hope!!!!	2/18/2022 6:25 PM
55293	It showed that more than a minority is fed up with our government. People were coming together . Loved it	2/18/2022 6:25 PM
55294	They gave me hope !!! I pray for each and every person fighting for our freedoms	2/18/2022 6:25 PM
55295	Not at all,I support all groups against mandates	2/18/2022 6:25 PM
55296	Hope and love	2/18/2022 6:25 PM
55297	I am concerned about the rise of right wing extremism in Canada and believe that the trucking convoy is a manifestation of that.	2/18/2022 6:25 PM
55298	I am proud of them for taking a stand for the sake of freedom! Masks & vaccines are a personal health choice.	2/18/2022 6:25 PM
55299	I have more respect for them, they are doing what should be done.	2/18/2022 6:25 PM
55300	Positive	2/18/2022 6:25 PM
55301	I'm encouraged to see Canada stand up and fight for freedoms	2/18/2022 6:25 PM
55302	It hasnt	2/18/2022 6:25 PM
55303	It hasnt	2/18/2022 6:25 PM
55304	It gave me hope. So many people were feeling lonely and hopeless. The trucking convoy brought back unity, love, hope. They brought the Canadian community back.	2/18/2022 6:25 PM
55305	Gave me hope	2/18/2022 6:25 PM
55306	It has given me hope and once again made me a proud Canadian!	2/18/2022 6:25 PM
55307	Awakening us to plans for the future. Standing up is NOT enough. Cdn gov't needs to be changed	2/18/2022 6:25 PM

Canadians vote on Canadian Mandate - February 2022

55308	They are giving us hope	2/18/2022 6:25 PM
55309	It's has given hope to so many Canadians and other word wide and I think more importantly, it's given people the courage to speak out themselves. I really hope they can stay strong out there during all these police raids currently going on. It has also shown how incompetent our government is and how little they actually care about Canadians. It's all about division and political gains. That's it.	2/18/2022 6:25 PM
55310	Brought hope	2/18/2022 6:24 PM
55311	Has displayed how pathetic our government is at refusing to even meet with organizers/the public, our sorry excuse for a leader getting up and walking out of the legislative assembly mid question, and illegally declaring a state of emergency under peaceful (albeit annoying) protest	2/18/2022 6:24 PM
55312	Each one of the people are true hero's for standing up for the freedom of our Country. Trudeau has disgraced our Country.	2/18/2022 6:24 PM
55313	It has been refreshing to see a non violent event where people seem to be happy and preaching unity, something our PM is not doing.	2/18/2022 6:24 PM
55314	Not	2/18/2022 6:24 PM
55315	It has not affected Life in anyway I do not agree with the Blockages of borders as I am a truck driver but I drive from Manitoba to Alberta and back to Manitoba	2/18/2022 6:24 PM
55316	It has greatly annoyed me, embarrassed me as a Canadian, and made me concerned for the well-being of family and colleagues in Ottawa.	2/18/2022 6:24 PM
55317	Not at all.	2/18/2022 6:24 PM
55318	They give me hope that canada will be saved and be the canada we loved before covid 19.	2/18/2022 6:24 PM
55319	Made me happy	2/18/2022 6:24 PM
55320	It has given me hope that Canada still has a chance	2/18/2022 6:24 PM
55321	Stressful	2/18/2022 6:24 PM
55322	Let them be standing up for liberty	2/18/2022 6:24 PM
55323	I'm not sure	2/18/2022 6:24 PM
55324	Increase in products	2/18/2022 6:24 PM
55325	Pas du tout..	2/18/2022 6:24 PM
55326	The trucking convoy has cleared up many things! As to how absurd art government is has to they can't even make up their minds the big officials that run the country the science of medical and I think that the truckers know at least how to make a decision and how to get our economy back on I feel Mr. Trudo Has got to step down and held accountable for all the things that he has done wrong not just in this instance since the beginning of his term he is so willing to turn the law on peace abiding protesters yes he doesn't like it is on track record of how crooked and CorruptS he has gotto go	2/18/2022 6:24 PM
55327	HOPE, PEASE, LOVE so proud of everyone. They are my voice. Freedom The people are not being heard shameful	2/18/2022 6:24 PM
55328	It was the one spark of hope Canadians had to see change here, to see mandates end & a criminal prime minister brought to justice. He cares nothing for Canadians, only fulfilling interests of evil elite rich 1%	2/18/2022 6:24 PM
55329	Not one bit	2/18/2022 6:24 PM
55330	Given hope	2/18/2022 6:24 PM
55331	positively	2/18/2022 6:24 PM
55332	Not at all Just appreciate their efforts	2/18/2022 6:24 PM
55333	They gave me hope and made me feel happiness once again.	2/18/2022 6:24 PM
55334	It has given me some hope that there are people out there standing up for our freedom!	2/18/2022 6:24 PM

Canadians vote on Canadian Mandate - February 2022

55335	Has given me hope and pride in my country and fellow Canadians	2/18/2022 6:24 PM
55336	Has given me hope that all these incorrect decisions as of late concerning lockdowns and vaccines may finally come to and end and we can somehow get back to as normal as possible if that is possible.	2/18/2022 6:24 PM
55337	Sad yet interesting to see how a terrorist extremist sect gets created, you always wonder how groups like the Taliban started and here we are watching it happen	2/18/2022 6:24 PM
55338	These Men and Women are Heros in my opinion. They have made their demands very clear, their Voices heard and kept this very lage Protest under Control and peaceful!	2/18/2022 6:24 PM

55349	Unable to work	2/18/2022 6:24 PM
55350	Given me reason to believe Canada is not lost	2/18/2022 6:24 PM
55351	Has no	2/18/2022 6:24 PM

55389	Trucking convoy Protest at school caused distress to my teenager who is already suffering from depression. Not a good move as an adult (the protesters/convoy). We should be an example to these younger generations how to handle things peacefully.	2/18/2022 6:23 PM

55393	Inspiration	2/18/2022 6:23 PM
55394	It has not affected my life in any way whatsoever except giving me some hope that we will have upheld democracy and removed criminal activity from the House of Commons. They have opened my eyes to what is really going on in politics and that we need a later that wants to unite Canadians and not divide them. Segregate them. Ultimately many of these mandates these truckers are standing up against are highly restrictive and divide Canadians. They give us hope that someone cares.	2/18/2022 6:23 PM
55395	These people have breathed some hope into the idea that maybe Canadá can be freed from the tyranny of Trudeau and the Liberal Party of Canada.	2/18/2022 6:23 PM

55419	Given me hope. I'm not alone.	2/18/2022 6:22 PM
55420	It has given me hope for Canada's future. It has united many peoples where there has been only divisiveness. The peacefulness of it has highlighted the difference between peace loving, fed up Canadians and our Prime Minister who is not acting in a peaceful, benevolent manner towards the people he serves (or is supposed to be serving). I always looked forward to living a long life in our beautiful country. I pray that the convoy with all its supporters brings about the end to the mandates, to the divisiveness. As it stands I have no wish to live if our country remains under tyrannical rule.	2/18/2022 6:22 PM

55461	Of I could i would be there .	2/18/2022 6:22 PM
55462	First real thing in a long time. It's cut through the fake reporting, exposed unreliable media, exposed the arrogance of an unqualified prime minister, uplifted, new respect for the truckers	2/18/2022 6:22 PM
55463	Gave me hope	2/18/2022 6:22 PM
55464	This started as a small grass roots movement to a movement that is shaking and shaping the world!!! I LOVE IT!!! I SUPPORT IT 100%. 55466	It's has given back hope that Canada can rise above this	2/18/2022 6:22 PM
55467	It's nice to see Canadians standing up for what is right. Trudeau is a douchebag coward who needs to listen to what people are saying instead of hiding and enacting an unnecessary emergency act, and labelling the average Canadian as an extremist because they are tired of his garbage.	2/18/2022 6:22 PM
55468	Made more proud to be Canadian us Canadians in my 55 years complained about the government but took it in the ass every time . Guess things are changing	2/18/2022 6:22 PM
55469	I am proud of each and every trucker out there trying to do good for all Canadians.plus they are there for freedom for all,and not out there causing issues with police .police are doing the harm to the good people who are there for our freedom!!!	2/18/2022 6:22 PM
55470	The trucking convoy is teaching the world that our charter of rights belong to the people not the gov'n !	2/18/2022 6:21 PM
55471	Gave me hope that this can all be a bad mistake and a thing of the past; this has all been made up of fear and misinformation by the governments all over the world . The media is government owned and is complicit in crimes against humanity.	2/18/2022 6:21 PM

55477	Inspired! I was there... met the best people!	2/18/2022 6:21 PM
55478	It gave me hope again. that our world can become a place to live and not just survive. It gave me hope in unity and kindness. It made me feel love. It lifted me up, and yet the government has devastated and disappointed. Do I even still live in Canada? (past career in international development, worked in 27 developing countries... we are on the wrong track!)	2/18/2022 6:21 PM
55479	The convoy gave me hope!!! It made me proud to be a Canadian again. The truckers promoted peace. They gave the Canadian people something to be proud of World Wide!!!	2/18/2022 6:21 PM

55485	Feeling of hope and unity. That our freedoms and rights may be restored	2/18/2022 6:21 PM
55486	Gives me hope to be able have my freedom of choice back. The ability to basically have my life back.	2/18/2022 6:21 PM

55488	It has given me hope, it has made me feel not so alone, and my mental health has gotten better because of it.	2/18/2022 6:21 PM
55489	gave me hope for the future that the insanity of 'government knows best' will be extinguished and people would wake to the criminal activity that has been taken place by ever level of government and health ministers across the country and really across the western world.	2/18/2022 6:21 PM
55490	It hasn't affected my life.	2/18/2022 6:21 PM
55491	Finally see some hope of getting our lives back and our God given right of freedom restored.	2/18/2022 6:21 PM
55492	Gave me some hope that rational thought and our constitutional rights and freedoms could be given back to every Canadian person.	2/18/2022 6:21 PM

55494	I have never been so proud to be Canadian, to see people actually stand up for what is right and just and true is absolutely the most amazing thing I have ever witnessed.	2/18/2022 6:21 PM
55495	They restored my faith	2/18/2022 6:21 PM
55496	Has showed me how media manipulates the truth	2/18/2022 6:21 PM
55497	Other than bringing some hope, it hasn't affected me.	2/18/2022 6:21 PM
55498	has brought hope and a sense of how many others have been silently suffering till now	2/18/2022 6:21 PM
55499	It has inspired me to see hard working Canadians stand up for what they believe in.	2/18/2022 6:21 PM

55501	The convoy has inspired myself and so many others to take action against this tyrannical government and these over-reaching mandates that haven't appeared to help much at all.	2/18/2022 6:21 PM
55502	It's given me a sense of hope that the right decisions will be made and life can go on as it was intended.	2/18/2022 6:21 PM
55503	Gives me hope	2/18/2022 6:21 PM
55504	It initially gave me a great sense of hope and happiness that I have not felt in a long time. It helped me to feel pride about being Canadian- I have not felt this in a long time. It has opened my eyes greatly to the fact that citizens are being censored and that the federal government can and will take our freedom whenever they choose. I have experienced no shortages of goods or services due to the trucking convoy. The only entity ruining the economy is the government.	2/18/2022 6:21 PM
55505	None	2/18/2022 6:21 PM
55506	It gave me daily peace, hope, encouragement, it restored a piece of my belief that there are still good people and good things happening. It helped me connect again with my community, it showed me how many people are on my side and wanting to fight this as well. It gave me peace that my decision to not get vaccinated was the right one and that what this country has forced upon us all is punishable by absolute certainty and those who put us through this he'll deserve a life long jail sentence.	2/18/2022 6:21 PM
55507	Gives a feeling of normalcy.	2/18/2022 6:21 PM
55508	Not at all	2/18/2022 6:21 PM
55509	It gives me hope	2/18/2022 6:21 PM

55511	Made me feel proud to be a Canadian again	2/18/2022 6:21 PM
55512	It's incredible. Witnessing hours and hours of thousands of Canadians loving on each other, moving in unity and peace and kindness, Canadians of all kinds agreeing on real science, and democracy the Canadian way. The trucking Convoy has brought hope to Canadians and the	2/18/2022 6:21 PM

whole world. My friend has contacts in several countries who have all said that their hope is in Canada to stop the fascist regime. People don't realize what all this overreach will become oh, but the truckers have had courage to oppose it. That's inspirational

55525	Nice to see people standing up for what they believe in	2/18/2022 6:20 PM
55526	I'm proud of these truckers for standing up to an inept leader of this Country. He and his inept Cabinet are completely destroying Canada as we know it. I'm not sure we will ever be the same again.	2/18/2022 6:20 PM
55527	I have never been so proud to be Canadian. Unity is here!!!	2/18/2022 6:20 PM

55530	Give us hope towards freedom and ridding our country of corrupt governments	2/18/2022 6:20 PM
55531	Convoy has restored my belief in the great people of Canada and the power that they have by using an absolutely peaceful demonstration The truckers give me hope to want to remain in Canada	2/18/2022 6:20 PM
55532	This convoy gave me hope that true science would finally be acknowledged. That big pharma would be held accountable for the deaths and vaccination injuries that surpass the deaths from Covid-19. The truckers are our hope of democracy, our hope of keeping our rights and freedoms, our hope that those who have pushed this Plandemic would be held accountable for the crimes against humanity. They have shared their love for country, their love for people, and their love for our rights and freedoms. As I have said, I am so proud of these Canadians who have peacefully protested for all of the Canadians.	2/18/2022 6:20 PM
55533	I support the convoy.	2/18/2022 6:20 PM
55534	Give me a hope	2/18/2022 6:20 PM

55593	The Trucking Convoy had brought, hope, peace, kindness, love in action, light in darkness! ♥	2/18/2022 6:19 PM
55594	Terrible	2/18/2022 6:19 PM
55595	Made me proud after a very long time to actually be CANADIAN.	2/18/2022 6:19 PM
55596	it gave me HOPE	2/18/2022 6:19 PM
55597	Like the majority of Canadians, the trucking convoy has given me hope that better days lie ahead.	2/18/2022 6:19 PM
55598	Causing shipments of food to be delayed meaning prices have gone up in groceries, fuel, etc.	2/18/2022 6:19 PM
55599	It has given me hope and made me proud of my fellow Canadians.	2/18/2022 6:19 PM
55600	It definitely gives us hope until today when Trudeau made his men go in and be violent against the peaceful people who just came to Ottawa to be heard. And the height of Ignorance when our so called prime minister wouldn't even meet with them to talk....DISGUSTED beyond belief 😡	2/18/2022 6:19 PM
55601	I was there for two weeks holding the line. There was so much love. We have hope in a future. There was so much love and people supporting even along the way. It was life changing. I say the convoy is wrapping people's depression in love. I know humanity is alive and well in canada. So much love. An older fella walking with a cane home the one night asked me if i	2/18/2022 6:19 PM

was part of the convoy. I said yes he said thank you. Yes the streets were noisy but that was all. I am a 6 year migraine sufferer and i love the sound of the horns and the semi engines. Diesel smell i can do without. The convoy is life changing.

55602	Gave me a sense of hope that not all of our citizens are brainwashed puppets to an agenda of hate an death from the ruling class	2/18/2022 6:19 PM
55603	Positive. They bring hope.	2/18/2022 6:19 PM
55604	Provided hope, movement toward ending this madness, proof that Justin Trudeau, Chrystia Freeland, the entire corporate media, public officials are liars and this is and was never about health, it was instead all a pretext to stage the great reset of the world economic forum eugenicists.	2/18/2022 6:19 PM
55605	It hasn't at all, I just believe they have a right to protest but should allow traffic to move freely	2/18/2022 6:19 PM
55606	The truckers have given me hope.	2/18/2022 6:19 PM
55607	Opened the eyes of many. Proved that covid isn't real. 2 weeks, no deaths, covid, hospitalizations or outbreaks	2/18/2022 6:19 PM
55608	It has brought me hope, and it has made me feel more connected with Canada than I have ever felt before.	2/18/2022 6:19 PM
55609	It has not	2/18/2022 6:19 PM
55610	Gave me hope that the tyranny over our lives would be over. Showed me that democracy is more fragile than I thought. Showed me the true essence of our leaders	2/18/2022 6:19 PM

55614	Some shelves in grocery stores are empty .	2/18/2022 6:18 PM
55615	Brought back hope!	2/18/2022 6:18 PM
55616	The trucker convoy brought me hope and joy I've not felt since the very beginning of COVID. Seeing everyone united regardless of political, religious and cultural background was moving and inspiring. This is the Canada I know and love. Together, as one.	2/18/2022 6:18 PM
55617	It hasnt	2/18/2022 6:18 PM
55618	It has given me hope.	2/18/2022 6:18 PM
55619	none at all	2/18/2022 6:18 PM
55620	As I work in downtown Ottawa, I haven't been able to work since they arrived. Keep in mind that, as an essential worker, I have worked throughout the pandemic.	2/18/2022 6:18 PM
55621	Helping to get things back to normal	2/18/2022 6:18 PM
55622	It has given me immense hope. We also cheered them on at an overpass. The last two weeks have been on live feeds constantly for updates and to pray and comment!	2/18/2022 6:18 PM
55623	Doesn't affect at all at least I have a hope I will be in the free Country	2/18/2022 6:18 PM

55628	No at all!	2/18/2022 6:18 PM

Canadians vote on Canadian Mandate - February 2022

55630	Mandates are being lifted. I thank the convoy for that	2/18/2022 6:18 PM
55631	It has brought hope and unity to all of those around us and to our family.	2/18/2022 6:18 PM
55632	Hasn't really effect anything where I live	2/18/2022 6:18 PM
55633	It lit a fire inside of me to see our corrupt government held accountable for for destroying our country and peoples lives with the release and profitable gains they got from Covid 19	2/18/2022 6:18 PM
55634	It's hasn't, I live in BC. I know that the supply line has been greatly affected but personally I have experienced no disruption to my personal or work life at this time.	2/18/2022 6:18 PM
55635	In the most POSITIVE way! It has instilled a sense of hope, love and unity that I've never felt in my 42yrs! I credit this convoy for giving me a new lease on life. I was happy to join with them on many occasions - they are the Canadian hero's in all this. ♥	2/18/2022 6:18 PM
55636	The trucker Convoy has affected My Life by giving me a sense of hope that there are still some Canadians that aren't weak and afraid to stand up for our god-given human rights. Our rights are not provided to us by our government. Our government are elected officials who are told what to do by the people. Not the other way around. The power of the government has become too absolute and absolute power will corrupt absolutely. The truckers strike has not negatively impacted me. It's giving me hope.	2/18/2022 6:18 PM
55637	It has not affected my life	2/18/2022 6:18 PM
55638	It hasn't	2/18/2022 6:18 PM
55639	It has inspired me and given me hope for Canada.	2/18/2022 6:18 PM
55640	I'm grateful for them and respect them for their views and because of the convoy we're finally going to be back to a normal lifestyle with the end of mandates at the end of the month. I have never cried so much as I have in the last week over the problems that the truckers are having to endure endure. I'm so disenchanted with Mr Trudeau's government especially bringing in the war measures act and in Elrod machine to attack the people. They don't even do this in communist countries Canada is no longer free. I'm a very proud Canadian home of the true north strong and free. That's no more	2/18/2022 6:18 PM
55641	It has been amazing	2/18/2022 6:18 PM
55642	Gave us hope for freedom and pride in our country	2/18/2022 6:18 PM
55643	The truckers NEVER should have been mandated to vaccinate especially this late in the Covid crisis. Heavy handed action by the Federal government. By the nature of trucking they are usually alone..so who are they putting in jeopardy? Only at loading and unloading is there some interaction.	2/18/2022 6:18 PM
55644	finally someone is fighting for my freedoms which were taken away	2/18/2022 6:18 PM
55645	It has unified and encouraged Canadians, it is a great source of national pride for us that has the support of most people I've talked to about it locally.	2/18/2022 6:18 PM
55646	It brought hope for a pride in being Canadian I never felt before	2/18/2022 6:18 PM
55647	They haven't	2/18/2022 6:18 PM
55648	I admire them	2/18/2022 6:18 PM
55649	It gives me hope for a positive future. Makes me proud that we have people fighting to end this insanity.	2/18/2022 6:18 PM
55650	It hasn't .. now it's just stupid .. go home convoy!!	2/18/2022 6:18 PM
55651	It hasn't, just happy it's making a change	2/18/2022 6:18 PM
55652	It hasn't	2/18/2022 6:18 PM
55653	Brought hope to our community, unity and peace!	2/18/2022 6:18 PM
55654	It hasn't other than their has been some restriction lifted, which I'd like to think the convoy influenced.	2/18/2022 6:18 PM
55655	Yo me it has shone a light on exactly who are PM is and I am extremely distrustful of him now!	2/18/2022 6:18 PM

Canadians vote on Canadian Mandate - February 2022

In fact I am actually afraid of him!! Thatbus not good!!

55656	Fresh food prices --fruits and vegetables--have shot up in prixw.	2/18/2022 6:18 PM
55657	Nope made me see hope	2/18/2022 6:18 PM
55658	Freedom.. The white knight..	2/18/2022 6:18 PM
55659	Made me feel like i was back in canada for the first time in 2 years. Feel like they have increased pride in canada again. Made me think much less of our prime minister unwilling to even meet with the convoy and then turn around and basically declare martial law.	2/18/2022 6:18 PM
55660	It has given me hope and strength. It has unified us as humans and Canadians again.	2/18/2022 6:17 PM
55661	It's been a beacon of hope to see fellow Canadians rise up and PEACEFULLY stand against authoritarian mandates that have no scientific basis. There's NO evidence that vaccine passports work. To the contrary, we've seen job loss, increase in depression, suicide and drug use, domestic abuse, the closure of many businesses, and we've had legacy media & the govt LIE to us about the extent of the emergency (empty hospitals, overdue surgeries and procedures, 'field' hospitals that never got used, etc.).	2/18/2022 6:17 PM
55662	Little personaly, but i am against the convoy.	2/18/2022 6:17 PM
55663	Gave me hope for my country	2/18/2022 6:17 PM
55664	It had not. It show me that we got people that love are Country and fight for right of all Canadians and there children	2/18/2022 6:17 PM
55665	Caused stress from watching those idiots hold a city hostage with a temper tantrum.	2/18/2022 6:17 PM
55666	It has given us hope to return to 'normal life'. It has made us feel loved by so many in our country after being villainized by our Prime Minister. It has made me feel proud once again to be a Canadian, to see so many standing up for freedom, especially the veterans.	2/18/2022 6:17 PM
55667	Positively	2/18/2022 6:17 PM
55668	It has given me hope. To finally see somebody stand up for our freedoms	2/18/2022 6:17 PM
55669	Given hope for our rights and freedoms to be restored.	2/18/2022 6:17 PM
55670	Can't sleep.	2/18/2022 6:17 PM
55671	Made me proud to be Canadian again and it's been awhile	2/18/2022 6:17 PM
55672	Shown how Canadians are coming together to mandate freedom	2/18/2022 6:17 PM
55673	It hasn't. It actually made me proud to be Canadian again.	2/18/2022 6:17 PM
55674	Gave me hope and purpose	2/18/2022 6:17 PM
55675	It has given me hope and for the first in in a very long time I feel very proud to be a Canadian. Those truckers and supporters showed us how to come together to support each other. They have done a thousand times more than our government has.	2/18/2022 6:17 PM
55676	It has not Except knowing people out there see our rights being altered ever so slightly until full power and control is taken I'm grateful for that voice	2/18/2022 6:17 PM
55677	It has given me hope that there are some people on my side that still are willing to fight for our freedoms. The freedoms that our veterans have fought for for many years that are all getting taken away.	2/18/2022 6:17 PM
55678	Makes me proud and hopeful	2/18/2022 6:17 PM
55679	I support the truckers.	2/18/2022 6:17 PM
55680	They have given Canada HOPE by exposing our communist dictator and all the government minions for what they really are, on the world stage.	2/18/2022 6:17 PM
55681	It made me feel alive and happy until troudeau got involved and broke all laws to take them out.	2/18/2022 6:17 PM
55682	Standing for our freedom and showing us how to stand up for ourselves.	2/18/2022 6:17 PM

55684	Amazing! Hope, freedom	2/18/2022 6:17 PM
55685	Hope	2/18/2022 6:17 PM
55686	It hasn't.. Just hoping for a good outcome for the truckers. We owned a trucking business for many years, and understand their frustrations.	2/18/2022 6:17 PM
55687	It is the most beautiful experience that I've ever experienced being amongst all Canadians all walks of life all different nationalities standing together	2/18/2022 6:17 PM
55688	The should moved on now , we heard what the have to say now go home 😊 🙏	2/18/2022 6:17 PM
55689	For the first time in a very long time, I could see the unity that was happening over Canada (rather than the divide that the government had been responsible for) and felt like after being extremely fatigued and frustrated that I actually had hope, maybe something would change and it did!	2/18/2022 6:17 PM
55690	It has finally given me hope!	2/18/2022 6:17 PM
55691	Hasn't affected anything yet	2/18/2022 6:17 PM
55692	It briefly gave me some hope and it has ignited the world. I think this is not yet over	2/18/2022 6:17 PM
55693	Gave me some hope	2/18/2022 6:17 PM

55699	Great, proud of them for standing up for our freedom against turdidiot.	2/18/2022 6:17 PM
55700	Gave me hope and brought me out of my depression. .so proud of them	2/18/2022 6:17 PM
55701	Protest is ok, it's the way it's developed	2/18/2022 6:17 PM
55702	Given me hope	2/18/2022 6:17 PM
55703	The convoy has brought back hope to having a normal life again. It has become apparent that our PM, Justin Trudeau isn't acting in the best interest of the people of Canada and we needed someone to stand up for the people. Watching all the love the the truckers have brought everyone truly touches my heart.	2/18/2022 6:17 PM
55704	not directly but indirectly. Very stressed out at seeing my country's democracy go down the drain. These insurrectionists need to be charged. If we do not uphold democracy the extreme right will seize at the attempt to take control.	2/18/2022 6:17 PM
55705	Very positively. The feeling of peace and getting together as a big family, feeling for each other and praying together	2/18/2022 6:17 PM
55706	Renewed some hope.	2/18/2022 6:17 PM

55722	I am loving it and I admire and respect their courage.	2/18/2022 6:16 PM
55723	I felt there was hope to remove the mandates so all the division could end. It has made me understand more just how much the government was infringing on my rights. I have been researching more and more about what is going on and have been more enlightened/educated. I feel more likely to stand up and be vocal to my local MP to hear my concerns. I feel like those who started the convoy were the true representation of love, and a sense of unity. I never thought they would be considered terrorists and am sad that the supporters are being so harshly reprimanded for their alignment. I have been on an emotional rollercoaster, happy days, sad days but in the end I am thankful it started.	2/18/2022 6:16 PM
55724	Given me hope	2/18/2022 6:16 PM

55729	I applaud their standing up	2/18/2022 6:16 PM

Canadians vote on Canadian Mandate - February 2022

55744	I'm all for it to get these mandates lifted Where is our freedom	2/18/2022 6:16 PM
55745	Has sparked hope	2/18/2022 6:16 PM
55746	Few food storages but otherwise didn't affect me much.	2/18/2022 6:16 PM
55747	The truck convoy has given me hope. These people has given all Canadians a chance to get their freedom of rights back...which should never have been taken away from us in the first place. The conservative party should have been fighting for our freedom before the truck convoy started if they really care like they say they do. It ahoYld never have come to the truck convoy in the first place because these mandates should never have happened. Our charter of rights should have protected every Canadian before it even became to the mandates of the vaccines. We should never have lost our freedom ever!!! I am very thankful for the truck convoy. At least now the people in the House of Commons are now listening to the Canadians. Canadian people are tired of these restrictions and mandates. We followed every rule in these 4 phases of these plandemic set by the government. Now we want our freedom back. We want the Charter of Rights back. Freedom to chose & freedom of speech. This is what the convoy is trying to accomplish in a peaceful protest. Turdeau has to go. He is a tyrant to all Canadians.	2/18/2022 6:16 PM
55748	It has given me hope for the first time in two years. I felt hopeless alone. But I felt strength when they stepped up.	2/18/2022 6:16 PM
55749	It hasn't	2/18/2022 6:16 PM
55750	Hope/the will to live happily	2/18/2022 6:16 PM

55758	It has given me hope and joy. It has given purpose to life. It has given us all a reason to hope.	2/18/2022 6:16 PM
55759	Not one bit	2/18/2022 6:16 PM
55760	It didn't really until it became clear that King Trudeau decided that the people outside his little domain were not worthy of his time or consideration. We don't count! Then when he illegally invoked the Emergency Measures Act, because he was having a temper tantrum, it made me fearful for what might happen next! What rights will we lose next? How would he handle a serious international event? I have NO CONFIDENCE in him as a leader anymore!	2/18/2022 6:16 PM
55761	Gave me hope	2/18/2022 6:16 PM
55762	Made me proud to see Canadians being Canadian again	2/18/2022 6:16 PM

55781	It has had a good effect on my life. It has given me hope that we will get our freedoms back. It has given me hope that there will be a change and our health care system can get back some trust before it totally collapses and people of Canada lose all faith in the system.	2/18/2022 6:15 PM

55790	It has brought me hope, joy and happy tears that this could all end soon and bring the truth to light for all! God is with us all and I'm proud to support the truckers! They are our heroes and I thank every trucker I see now if they agree or not with their fellow truckers protesting! Thank you Truckers!	2/18/2022 6:15 PM

55796	It's been wonderful seeing the support and care of so many people across the country, I always wave and honk at the convoys when I see them. As a student I have to focus on me	2/18/2022 6:15 PM

55809	It doesn't change life for me, but it shows many invisible Canadians are cheering them on. I am shocked and dismayed by the vitriol being directed at truckers and their supporters by Govt., some citizens, media	2/18/2022 6:15 PM
55810	It brought me a few weeks of joy and faith in humanity again that there are indeed people still left who have morals and ethics and believe in the constitutional rights. It has made me feel much less lonely.	2/18/2022 6:15 PM

Canadians vote on Canadian Mandate – February 2022

55827	It gave me hope. People want their freedom back. Our government has overstepped. I understood what they had to do back in March of 2020 but the push for vaccinations and repeated closures were uncalled for.	2/18/2022 6:14 PM
55828	I feel hope for the first time in two years	2/18/2022 6:14 PM
55829	In a very positive way by providing hope and a chance for our lives to feel normal again. It's a chance for Canada to return to the beautiful free country that it once was. To stop Canada from becoming a communist country	2/18/2022 6:14 PM
55830	Excited people are waking up. People are finally realizing the govt isn't there to represent them but the corporations that fund and control them.	2/18/2022 6:14 PM
55831	It has provided a glimmer of hope in what felt like a hopeless situation as well as a pride where that part of me had died. I know this is alot to ask of one industry but also believe this is it. What other peaceful protest would also have this type of power and impact? I stand with the freedom convoy 2022	2/18/2022 6:14 PM
55832	They do not affect my life other than to put presser to all gouvernement and bring them to give me my freedom back. God bless the trucker and the trucking convoy!!	2/18/2022 6:14 PM
55833	I am encouraged by their willingness to sacrifice, to be slandered unjustly, and to be strongest voices we've seen in Canada aside from the few voices of medical professionals, religious, media, and political figures who have sought more debate on measures and on science.	2/18/2022 6:14 PM
55834	In a positive way. Gives hope.	2/18/2022 6:14 PM
55835	It's giving me hope	2/18/2022 6:14 PM

55840	Inspirational and created hope that this will end	2/18/2022 6:14 PM
55841	It's brought hope that things will go back to normal, there are other people who are like minded standing up for our rights and saying no to the idiotic restrictions and mandates	2/18/2022 6:14 PM
55842	A sign of hope we can get to a new normal with out just trueduo	2/18/2022 6:14 PM

55849	It has been a positive experience. At least there are people willing to stand for the future of our children.	2/18/2022 6:14 PM
55850	It has not	2/18/2022 6:14 PM
55851	Joy for the first time in 2.5 years	2/18/2022 6:14 PM

Canadians vote on Canadian Mandate - February 2022

TO COWARDLY tructictator .

55856	I'm hoping we win and our PM gets thrown in jail. They haven't directly affected me but I do stand behind the cause 150%	2/18/2022 6:13 PM
55857	Alberta lifted all of its mandates so my life has completely opened up again. I couldn't be more grateful than average every day citizens peacefully and lawfully protested and politicians had no choice but to listen for once	2/18/2022 6:13 PM
55858	Given us hope that we can defeat the tyranny of our Prime Minister and resume a normal life.	2/18/2022 6:13 PM
55859	It has brought me hope and a sense of unity and love amongst my fellow Canadians and human beings	2/18/2022 6:13 PM
55860	Hasn't affected it one bit. If anything it gives me hope our country to free and amazing as I remembered as it was. Trudeau has taken too much away from us. Leaving our children with no hope for the future. He needs to go!!!	2/18/2022 6:13 PM
55861	I don't live where they are causing blockages, so not at all.	2/18/2022 6:13 PM
55862	They have united Canadians and exposed the corruption of the Government	2/18/2022 6:13 PM
55863	Brought back some faith in humanity.	2/18/2022 6:13 PM
55864	Made me feel proud of Canada again.	2/18/2022 6:13 PM
55865	I am all for them, and God bless each and everyone one of them to fight for FREEDOM	2/18/2022 6:13 PM
55866	Positively. Gave me hope for a change	2/18/2022 6:13 PM
55867	They've brought food clothing all essentials so prob all my life	2/18/2022 6:13 PM
55868	Finally, I feel some hope again. That's what the Convoy gave me. But to now see it being torn apart by police, due to politics is destroying any hope I had that we might get our Freedoms back. Peaceful protest was never a threat to our Government. It's the only way Canadians have in order to show our displeasure in the way our Government is acting. And it has been peaceful. Prime Minister Trudeau is overreacting to such a peaceful protest. He doesn't agree with this one, so he chose to name call. Those are not the traits of a leader. I have no faith in our Government, our Police, or our medical establishment. I could cry for the Canada I once knew.	2/18/2022 6:13 PM
55869	It gives me hope.	2/18/2022 6:13 PM
55870	It hasn't.	2/18/2022 6:13 PM

55874	Hope	2/18/2022 6:13 PM
55875	It gives me hope.	2/18/2022 6:13 PM
55876	Proud of trucking convoy for standing up for our rights and freedoms	2/18/2022 6:13 PM
55877	Has not affected me - I do however feel for the people of Ottawa - Trudeau should have tried to do something much sooner - he never dealt with them never showed his face to them what kind of a PM does that??	2/18/2022 6:13 PM
55878	It has given me hope that we can get our rights back.	2/18/2022 6:13 PM
55879	It has not other than creating anxiety. It has been an eye opener to me that so many Canadians have blindly followed these rednecks. There is a far better way to rally than this	2/18/2022 6:13 PM
55880	The convoy has given us hope, love, joy, peace.	2/18/2022 6:13 PM
55881	giving us hope for freedom again.	2/18/2022 6:13 PM
55882	It's been the best 3 weeks in the last 2 years giving me some hope	2/18/2022 6:13 PM
55883	I saw unity in my county for the first time in a long time	2/18/2022 6:13 PM

Canadians vote on Canadian Mandate - February 2022

55884	It has given me hope and finally people have woken up to the tyranny we have dealt with for 3 years. JT is the problem and Needs to be removed immediately	2/18/2022 6:13 PM
55885	I like that somebody's actually standing up for Canadians not politicians and their pocketbooks	2/18/2022 6:13 PM
55886	Given me a sense of pride and a ray of hope for our future	2/18/2022 6:13 PM
55887	It has been demoralizing as most truckers are NOT a part of this convoy. Embarrassing as a Canadian to see so many selfish people harassing and terrorizing the citizens of Ottawa. The occupation by these yahoos looking to over throw our duly elected government is shameful. I support our Prime Minister and his government.	2/18/2022 6:13 PM
55888	Gave me hope again	2/18/2022 6:13 PM
55889	Give us hope for the future. Thank you truck drivers	2/18/2022 6:13 PM

55892	0%	2/18/2022 6:13 PM
55893	Gives me hope.	2/18/2022 6:13 PM
55894	Not directly, but they're illegally blocking border crossings affecting auto plants, hurting economy, and in Ottawa the illegal occupation and harassing of locals are just awful. My friends in Ottawa are having a really tough time during that illegal occupation.	2/18/2022 6:13 PM
55895	It really didn't affect me directly. I do have great empathy for the people that it has. Very unfortunate and disgraceful.	2/18/2022 6:13 PM
55896	IT HAS BROUGHT A GREAT DEAL OF CANADIAN PRIDE AND UNITY!! IT IS A WORLD WIDE MOVEMENT THAT HAS GIVEN MANY PEOPLE HOPE WHEN TRUDEAU IS TRYING TO DIVIDE AND TURN US INTO COMMUNIST CHINA!! HE NEEDS TO RESIGN!!!	2/18/2022 6:13 PM
55897	While I live in Ottawa, I am currently out of the province. So while the trucking convey hasn't affected me personally, I do know people who are incredibly grateful for the convoy and haven't been bothered by them at all.	2/18/2022 6:13 PM
55898	It has indirectly affected my life in a positive way. People have finally noticed that there is an entire swatch of people who are against these mandates. We are not the fringe.	2/18/2022 6:13 PM
55899	It has given me hope.	2/18/2022 6:13 PM
55900	Gave hope and shows not everyone is brain dead	2/18/2022 6:12 PM
55901	Brought me hope and joy! Finally see a stand to the tyranny. I have complied for over 2 years now this is enough !	2/18/2022 6:12 PM

55907	Canadian heroes!	2/18/2022 6:12 PM

55910	It's made me happy. It's about time somebody did something about Trudeau	2/18/2022 6:12 PM
55911	It has given us hope!!!! It has been the only hope I've had for so long. They care, our government does not. I am so proud of the convoy. So proud	2/18/2022 6:12 PM
55912	It has given me hope	2/18/2022 6:12 PM

Canadians vote on Canadian Mandate - February 2022

55913	Hope	2/18/2022 6:12 PM
55914	Doesnt affect my life, but shows me how the government will take advantage of the people if you go against their narrative. Worrying for the future But true Canadians give me Hope	2/18/2022 6:12 PM
55915	I can finally be proud to be an Albertan and a Canadian	2/18/2022 6:12 PM
55916	Made me feel more Canadian then I have in a long time.	2/18/2022 6:12 PM
55917	Gave me hope that people are willing to stand up to be free.	2/18/2022 6:12 PM
55918	Gave back hope	2/18/2022 6:12 PM
55919	It has given me hope! I felt alone, and now I feel unity all across Canada. I pray that they are successful in restoring the freedom that I feel is slipping away. The truckers represent freedom in Canada. They are my heroes!!	2/18/2022 6:12 PM
55920	Gives me hope, I thought I was the minority. I am not.	2/18/2022 6:12 PM
55921	Brought hope	2/18/2022 6:12 PM
55922	It has given hope and exposed the absolute corruption of the mainstream media and government and police	2/18/2022 6:12 PM
55923	Pushed me to become more informed, I now seek non mainstream media for the truth, felt more patriot and hopeful then I have in many years. I can see both sides, those that have suffered more than others during the pandemic and although I have not been affected financially, I am very emphatic towards those that have and feel the mandates have been extremely detrimental to so many. Time to end all mandates	2/18/2022 6:12 PM
55924	It gives a hope that human rights will be respected in Canadian. Such constitutional rights such as autonomy of the body, health care decisions, right to move across our land, right to study, work, gather despite of your personal choices.	2/18/2022 6:12 PM
55925	They have given us a glimmer of hope that maybe we can get our freedoms and rights back.	2/18/2022 6:12 PM
55926	It's brought me hope.	2/18/2022 6:12 PM
55927	Gives us all hope and Pride for our country again.	2/18/2022 6:12 PM
55928	passionate to action for freedom	2/18/2022 6:12 PM
55929	Hasn't really... Don't live anywhere near it. Not involved in it either. Does seem to have had some impact on provincial mandates in many provinces.	2/18/2022 6:12 PM
55930	Standing up for their employment and our resources	2/18/2022 6:12 PM
55931	Has brought hope to ending mandates and gsin back freedom.	2/18/2022 6:12 PM
55932	Gave me hope that there are still decent people living in this country. Anxiety for what's happening to the truckers in Ottawa right now and disgust that our prime minister hasn't even gone out to speak with them.	2/18/2022 6:12 PM
55933	Don't like the way both sides have handle it, make your stand then move. And the federal government handle it poorly and unprofessional.	2/18/2022 6:12 PM
55934	It gave me hope	2/18/2022 6:12 PM
55935	Seeing hateful imagery and a protest fueled by misinformation, run by right-wing racist, homophobic, anti-Semitic separatists has kept me up at night. It's horrible - I want better for our city. I have had friends who had to flee their homes and family members who cannot work because their work is in the red zone.	2/18/2022 6:12 PM
55936	N/a	2/18/2022 6:12 PM
55937	It gave me hope for a better life	2/18/2022 6:12 PM
55938	Restored faith and hope in my country and fellow citizens. Exposed even more how corrupt and arrogant our government is.	2/18/2022 6:12 PM
55939	Felt they were speaking up for all Canadians who have had enough and want life to return to normal	2/18/2022 6:12 PM

Canadians vote on Canadian Mandate - February 2022

55940	The convoy made me realize I that I wasn't alone in my understanding of the situation we all find ourselves in. It also made me realize to what lengths the prime minister and his cabal of globalist will go to control Canadians and eliminate our sovereignty as a nation	2/18/2022 6:12 PM
55941	Brought me hope.	2/18/2022 6:12 PM
55942	It gave me hope. I felt great pride in the unity of my fellow Canadians. I wish I could have been in Ottawa. Many of my friends and some of my family did go. They shared fotos and videos. Their enthusiasm of the positive experience made me feel part of it. When I saw some of the convoy organizers arrested, I was proud at how they willingly went. But it made me very sad at how our liberal government handled the situation. Actually I was pretty mad and very disappointed.	2/18/2022 6:12 PM
55943	It hasn't.	2/18/2022 6:11 PM

55957	It gives me hope that the government overreach will end and never happen again.	2/18/2022 6:11 PM
55958	It's annoying, bunch of grown ass people acting like spoiled brats	2/18/2022 6:11 PM

55962	It hasn't affected my life negatively at all. What it has done is give me hope.	2/18/2022 6:11 PM
55963	It as been great to see how well people from all over who have common ground and beliefs can come together peacefully and speak the truth and thoughts so many of us hold to be the truth	2/18/2022 6:11 PM
55964	Affected change and hope for the better	2/18/2022 6:11 PM
55965	Brought hope finally	2/18/2022 6:11 PM
55966	Restored my faith in mankind. Happy to see the uniting of like-minded Canadians	2/18/2022 6:11 PM
55967	Helped me to vice my opinion We need to lear to live with Covid ! Trudeau government needs to stop mandates ASAP ! They are to destroy Canada .	2/18/2022 6:11 PM
55968	Mandates being lifted and viewed in a new light. Criminal actions by a few politicians and others.	2/18/2022 6:11 PM

Canadians vote on Canadian Mandate - February 2022

55976	F	2/18/2022 6:11 PM
55977	I am sickened by it. Mostly to see the Conservative party back white supremacists and anarchists. It has shaken me to my core. I have always voted conservative and I never will again. Provincially, Ford only cares about money and the hard right - not about the vulnerable or science Federally ? They side with people who wave a swastika. HARD NO for me	2/18/2022 6:11 PM
55978	It hasn't only brought back Canadian spirits up	2/18/2022 6:11 PM
55979	Not at all!	2/18/2022 6:11 PM
55980	Long overdue that Canadians educate themselves on the "hidden agenda" and stand up for what is rightfully theirs.	2/18/2022 6:11 PM
55981	They have given me hope, peacefully protesting for freedom.	2/18/2022 6:11 PM

55983	Given hope though always so sad to see what the government is doing to peaceful people. Love that people are making a statement.	2/18/2022 6:11 PM
55984	Greatly, and i do not see it as a trucker convoy, because there was not only truckers that want freedom to choose and still have a job. The lungs of our children fully develop between the age of 20 and 25 years old, by having a mask, restricting their respiratory tract will impede their lungs in a long term.	2/18/2022 6:11 PM
55985	Give me hope that canda would be good again	2/18/2022 6:11 PM
55986	Gave us some hope to start a new Canada	2/18/2022 6:11 PM

55988	Made me have hope for our freedoms and proud to be a Canadian again	2/18/2022 6:11 PM
55989	Positively	2/18/2022 6:11 PM
55990	Gave me hope, showed me how many amazing Canadians are still out there. Brought such an awareness of what can happen if we unite	2/18/2022 6:11 PM
55991	It has restored my hope in the Canadian people and given a voice to what so many have experienced and what we all desire for the future. And all of this has been met with disdain and tyranny from the Prime Minister. He is shameful.	2/18/2022 6:11 PM
55992	It has infuriated me. It has shamed Canada in front of the world. It has threatened the livelihood of several of my family and will likely cause economic damage to our future when America reconsiders investing in Canada	2/18/2022 6:10 PM
55993	Gave us hope.	2/18/2022 6:10 PM
55994	It's gave me hope again.	2/18/2022 6:10 PM

56004	It's given me a reason to be proud of my countrymen, after the distaste that the current government has caused, now we just got to get our arses in gear and help the first nations get back on their feet and give them their land back and we'll be on our way to living up to the image we project of our country	2/18/2022 6:10 PM
56005	No comment	2/18/2022 6:10 PM

56012	It feels like Canada again! It's wonderful seeing the happiness, and kindness Canadians are experiencing, after the damage over the past two years, especially to our seniors and youth.	2/18/2022 6:10 PM

56014	Give you hope to get ride of government that wants turn Canada into communist country	2/18/2022 6:10 PM
56015	None	2/18/2022 6:10 PM
56016	Has given me inspiration for the human spirit	2/18/2022 6:10 PM
56017	Lack of essential needs	2/18/2022 6:10 PM

56024	It has given me a spark of hope. A sense of unity as a nation. Given me some pride in being Canadian.	2/18/2022 6:10 PM
56025	It has made me realize the number of really, really stupid, racist, homophobic, transphobic, white supremacist and misogynist people in Canada who believe everything they read on the Internet or social media. There is a serious mental health and basic education crisis in this country. Long live the Ram Ranch Resistance!	2/18/2022 6:10 PM
56026	It has given me incredible hope and joy. I have found myself smiling uncontrollably, and sometimes crying with joy and relief when I see the real videos shared online, not the dishonest coverage of the media.	2/18/2022 6:10 PM

Canadians vote on Canadian Mandate - February 2022

56027	Proud to be a Canadian	2/18/2022 6:10 PM
56028	Not directly affected.	2/18/2022 6:10 PM
56029	It has not. I was always able to work, I will still have to wear KN95 masks after the mandates are lift ⁿ	2/18/2022 6:10 PM
56030	Hasn't , wish I was there with them	2/18/2022 6:10 PM
56031	Brought me hope	2/18/2022 6:10 PM
56032	I have been encouraged and inspired to stand for the Canadian charter of rights. Their bravery is admirable and their movement has caused amazing truth seeking in our country and around the world!	2/18/2022 6:10 PM
56033	Made me hopeful that this is gonna end	2/18/2022 6:10 PM
56034	It actually has given us hope that the mandates will end. Also a feeling of actually being a Proud Canadian with all the unity, peace and love. I haven't felt that way about Canada for a long time. As a Canadian, I am outraged with Prime Minister Trudeau's handling of this with the name calling, divisive language and the lack of leadership. He has caused this and doesn't even acknowledge that there was even an issue. He has divided Canada into the vaccinated, with privileges and the unvaccinated with restrictions causing discrimination and hate amongst Canadians. This is so wrong by any standards!	2/18/2022 6:10 PM
56035	It has given me immense hope.	2/18/2022 6:10 PM
56036	Good fo see the people of Canada rising up and taking a stand. Very encouraging.	2/18/2022 6:10 PM

56038	Made me proud to be Canadian and believe that everyone has a choice not be forced to do what government tells them	2/18/2022 6:10 PM
56039	It shows how great Canadians are, that we are a nation that enjoys freedom and we can all get together peacefully.	2/18/2022 6:10 PM
56040	It motivated me to support them even more and research all laws that this government has broken and all his 2 face bullshit lies and tyrannical communism crap so we the people can get him and his party and the NDP leader remove and prosecuted to the maximum of the letter of the law	2/18/2022 6:10 PM
56041	It hasn't affected me directly but support their cause	2/18/2022 6:10 PM
56042	Brought hope to a return to freedom to run my own life	2/18/2022 6:09 PM
56043	Gave me hope	2/18/2022 6:09 PM

56046	It hasn't affected me directly but I give a lot of credit to those men & women who stand by what we all believe to be just and true	2/18/2022 6:09 PM
56047	Not at all. Standing for our freedoms	2/18/2022 6:09 PM
56048	Give me hope we can still save our country; that there is still a large portion of True Canadians willing to stand up for the freedoms and right of ALL Canadians, even those who seem to be a lost cause.	2/18/2022 6:09 PM
56049	I feel that people are aware of the loss of our freedoms and how the government is increasingly becoming a dictatorship!	2/18/2022 6:09 PM
56050	they gave me hope for my country	2/18/2022 6:09 PM
56051	Gave hope and courage. Showed how the MSM lies and how corrupt our governments are-all levels led by our PM	2/18/2022 6:09 PM
56052	The supporting convoys in my town have driven by my house and disrupted my peace and quiet and my grandsons's nap time. My tax dollar has gone to paying for extra security.	2/18/2022 6:09 PM

Canadians vote on Canadian Mandate - February 2022

Blocking border crossings has impacted supply chains to stores. At this time would be embarrassed to fly the Canadian flag and what it stands for because of the truckers convoy.

56053	Gived me hope	2/18/2022 6:09 PM
56054	Brought awareness that a lot of V Canadians are upset with Trudeau	2/18/2022 6:09 PM
56055	So much love!!!!!!	2/18/2022 6:09 PM
56056	It inspired hope	2/18/2022 6:09 PM
56057	Has not	2/18/2022 6:09 PM
56058	Lots of anxiety over the situation. Especially how the prime minister has refused to speak with the trucks and come to a peaceful solution.	2/18/2022 6:09 PM
56059	Finally proud to be Canadian. I was about to leave my home, the place I was born and raised because Trudeau has ruined this country, tarnished our names, reputation and way of life. Now I'm ready to hold the line for us to get our freedom back	2/18/2022 6:09 PM
56060	Given me hope and respect for my fellow Canadians.	2/18/2022 6:09 PM
56061	It has been encouraging, hopeful and uniting.	2/18/2022 6:09 PM
56062	It has not affected me personally but it has affectcted a lot of my friends.	2/18/2022 6:09 PM
56063	It has not affected my life	2/18/2022 6:09 PM
56064	Its slowed me down a little with wait times but I'm ok with it. Trudeau MUST resign or be fired	2/18/2022 6:09 PM
56065	Gives me hope, that maybe we can get through to our government!	2/18/2022 6:09 PM
56066	Not at all	2/18/2022 6:09 PM
56067	I'm a trucker 27 years and this trucker protest has bin hijacked buy People riding off our backs for their own agenda so I did not take part tuckers have real problems that were never addressed if you this convoy did most of us would have Showed up	2/18/2022 6:09 PM
56068	They are annoying AF and have made life total shit for the last 3 weeks in my downtown.	2/18/2022 6:09 PM
56069	The freedom convoy has made us realize many (possibly majority) of canadians want our freedoms back and we are not "fringe", we are not "minority" and there is hope that people value freedom over safety - we can make our own decisions about what risk we want to take on. The other thing this convoy has put on displace is the twisting of facts by MSM and the arrogance of our PM	2/18/2022 6:09 PM
56070	It hasn't but it's ridiculous considering they are provincial rules.....	2/18/2022 6:09 PM
56071	not at all	2/18/2022 6:09 PM
56072	It hasn't. Fully support them	2/18/2022 6:09 PM
56073	No	2/18/2022 6:09 PM

56078	No affected life at. But given me such hope and pride to stand up against these undemocratic mandates	2/18/2022 6:09 PM
56079	It's been absolutely amazing. It's finally been the joy I've been waiting for. The ppl are so caring and thoughtful. They are happy and everyone has an infectious smile. It's the Canada I've always dreamed of. Ppl helping ppl, everyone being there for eachother, everyone coming together peacefully to help bring Canadians back together. It's true unity down there, it's finally put a smile and happiness back into my life.	2/18/2022 6:09 PM

Canadians vote on Canadian Mandate - February 2022

56081	Given me hope that together, we may replace tyranny with freedom	2/18/2022 6:09 PM
56082	It has brought positive things in to perspective	2/18/2022 6:09 PM
56083	It gave hope to see so many like minded people and to hear their stories	2/18/2022 6:08 PM
56084	In a positive way! I'm looking forward to living as a free Canadian again	2/18/2022 6:08 PM
56085	I don't think they should require vaccine passports to drive their trucks and deliver supplies.	2/18/2022 6:08 PM
56086	Saw this as a positive step for Canadians. It gave me hope that our leaders would do right by Canadians. I admire what the truckers have done for us. Our PM has proven to us what a big COWARD he really is. I could go on and on but would take forever.	2/18/2022 6:08 PM
56087	It's given me hope and made me proud to be Canadian again	2/18/2022 6:08 PM
56088	Not at all I support them 100%	2/18/2022 6:08 PM
56089	Gave me hope not just me thought and saw things were being making so wrong more people has noticed the same and freedoms were being removed from us in front of our own eyes	2/18/2022 6:08 PM
56090	Brought me hope, and assurance that I'm not alone. Trudeau will never be our dictator.	2/18/2022 6:08 PM
56091	It s been ok still have to see if Trudeau froze my accounts	2/18/2022 6:08 PM
56092	It's very encouraging to see that the fringe minority who feel as I do about the mandates is in fact quite large. It's also encouraging to see that they are expressing their views in a way that is relatively orderly, respectful, and legal.	2/18/2022 6:08 PM
56093	I have received hope that I am not alone	2/18/2022 6:08 PM
56094	Positive	2/18/2022 6:08 PM
56095	No way I'm happy some group is able to do this.I'm 79 and not able to go and do it they have my support.I was watching most of it .	2/18/2022 6:08 PM
56096	Im thankful for it	2/18/2022 6:08 PM
56097	It gave me hope that there are other people in this country that still value freedom	2/18/2022 6:08 PM
56098	Giving hope	2/18/2022 6:08 PM
56099	I have not seen such proud patriotism across all demographics in my lifetime.	2/18/2022 6:08 PM
56100	First, it isn't a trucking convoy. It is an attempt to overthrow the duly elected federal government. It has me aware of the corrupt conservative party of Canada	2/18/2022 6:08 PM
56101	It has given me hope that a great many others agree with my views on restrictions.	2/18/2022 6:08 PM
56102	It gave me Hope and love	2/18/2022 6:08 PM
56103	Enjoyed!! new freedom	2/18/2022 6:08 PM
56104	N/A	2/18/2022 6:08 PM
56105	Made me open my eyes. Proud of what they are doing for people like myself that don't have the courage to do so. They gave me the strength to say enough is enough.	2/18/2022 6:08 PM
56106	Not at all. Given hope that as Canadians we are more united. They have given a voice where there has been none due to fear.	2/18/2022 6:08 PM
56107	freedom support all the way	2/18/2022 6:08 PM
56108	Now this is one I will gladly answer. They caused the Ambassador Bridge to close. I felt afraid for my community. I feel afraid of the extreme right and of the others being able to blatantly defy laws and occupy Ottawa.	2/18/2022 6:08 PM
56109	Gives me hope	2/18/2022 6:08 PM
56110	I am hopeful and appreciative they are doing something	2/18/2022 6:08 PM

Canadians vote on Canadian Mandate – February 2022

expressing THEIR concerns and willingness to do this for us as well. I love them and support them 100%!

56113	No	2/18/2022 6:08 PM
56114	sick	2/18/2022 6:08 PM
56115	Given hope for the mandates to end.	2/18/2022 6:08 PM
56116	It has given me hope that there are people in our country who love freedom and truth.	2/18/2022 6:08 PM
56117	Feeling of hope for the first time in 2 years, finally feel supported and heard and understood and no longer alone. Now stressed again thinking about what Trudeau is doing to Canada and all those passionate peaceful and awesome people standing up for all of us. When in this nightmare going to end?!?!?	2/18/2022 6:08 PM
56118	Positively	2/18/2022 6:08 PM
56119	Gave me hope.	2/18/2022 6:08 PM
56120	Yes in an amazing hopeful way. We've united again. It's incredible. I don't like that idiot Trudeau and now no one else likes him. So that's made me happy.	2/18/2022 6:08 PM
56121	When I heard about the convoy the first thing I felt was hope for the first time in a long time.	2/18/2022 6:08 PM
56122	It given me a voice in which I can show my frustration through peaceful means	2/18/2022 6:08 PM
56123	My belief is that the truckers convoy is about much more than a percentage of people wanting to make their own choice about the job. Government has made serious intrusions into our civil rights and I do not believe they will be relinquished easily, if ever	2/18/2022 6:08 PM
56124	It has given me hope, where nothing else has, and it has shed a lot of light on the subject. It has shown me I am not a fringe minority, and that Canadians, a lot of them, still stand for freedom.	2/18/2022 6:08 PM
56125	Made me proud to be a Canadian. Made me feel less alone and like I wasn't the only one who felt this way since my way has been shown by government as wrong, and criminal and disgusting/shameful. Made me feel hopeful for the first time in 2 years that maybe things could change	2/18/2022 6:08 PM
56126	Given me hope. Made me feel like I'm part of a greater, warmer, stronger community than I have felt in over 2 years.	2/18/2022 6:08 PM
56127	in a very positive way, it showed that a vast majority of fellow Canadians feel same way about this tyranny in Canada, which is at every level of politics: municipal, provincial and federal.	2/18/2022 6:08 PM
56128	Nothing	2/18/2022 6:08 PM
56129	A positive feel for Canada to be free of unnecessary controls	2/18/2022 6:08 PM
56130	The convoy has boosted my morale	2/18/2022 6:08 PM
56131	Canadian pride	2/18/2022 6:08 PM
56132	It has given hope when I hadn't realized I had lost hope. They reopened my heart when I missed it becoming shut. It has exposed the depth of corruption and the dark underbelly of sludge in the media, government and officials, courts and policing. It has actually brought out the WEF to the forefront and helped wake up many of those in slumber. I used to organize July 1st events for my community and I had never witnessed a more unified Canada of all colours of nations, religions, thoughts, love, peace, joy and goodness. They exposed the divisions and how politicians have been playing us all against each other for years. It has unified the nation, it has made us proud once again to stand up and say we are Canadian and we are for peace and love.	2/18/2022 6:08 PM
56133	It has given HOPE and I'm very Proud of them	2/18/2022 6:08 PM
56134	Deeply touched and inspired. The truckers, the veterans of the army, police and RCMP are true honourable men who take their oaths to protect and serve and believe in our Charter of Rights and Freedoms to heart. They are standing up for what is true and right. They are true men. Inspiring Men. Men who stand up for the good fight. This has lit a fire in the hearts of Canadians across the nation. This fire is only fanned by Trudeau's bullying. It will not go out.	2/18/2022 6:08 PM

Canadians vote on Canadian Mandate - February 2022

Taking a stand for what is true and good is what makes us human and this has inspired all of Canada and nations around the earth. Thank you Truckers and Veterans. Thank you.

56135	Not at all directly, other than maybe affecting some of the groceries available on shelves, but not so much that we couldn't eat, which is more than I can say for many people in this world.	2/18/2022 6:08 PM
56136	Positive helping drop mandates so we can hopefully get back to work.	2/18/2022 6:08 PM
56137	nothing	2/18/2022 6:07 PM
56138	Brought me hope and freedom happiness	2/18/2022 6:07 PM
56139	Has given me a sense of hope and pride to see the convoys standing for freedom.	2/18/2022 6:07 PM
56140	Not much	2/18/2022 6:07 PM
56141	Gave us hope to have our country back true north strong and free	2/18/2022 6:07 PM
56142	Screwed up traffic. Events were disruptive but GOOD. Peaceful protesting needs to be allowed and likely would have been over if the PM would meet and talk with people instead of ignoring them.	2/18/2022 6:07 PM
56143	Pride.	2/18/2022 6:07 PM
56144	It has given me hope... and hope is a powerful thing!!!	2/18/2022 6:07 PM
56145	They affected my life with HOPE. They are our last chance to get our freedom back. I support them 100% it's a pacific protest 😊	2/18/2022 6:07 PM
56146	It has affected my life positively because they are fighting for our freedom	2/18/2022 6:07 PM
56147	Hasn't I'm so very proud of ever single person thats involved in the convoy ,will be heading out my self to fight for our freedom and to take down the dictator.	2/18/2022 6:07 PM
56148	None	2/18/2022 6:07 PM
56149	Hope	2/18/2022 6:07 PM
56150	Given hope	2/18/2022 6:07 PM
56151	Could not be prouder for fighting for what you believe in	2/18/2022 6:07 PM
56152	It's shown me how many people support the right to choose to get vaccinated. It's given me hope that maybe things will get better and I'm proud of them for standing up for our medical freedom. We should have the right to choose to get this vaccine since there is no long term safety data. I'm grateful for the truckers standing up to the government overreach	2/18/2022 6:07 PM
56153	It gave me some hope, that we have a right to speak out, and gather in protest, against our detractors!	2/18/2022 6:07 PM
56154	It has brought me so much hope and has united a very divided Canada.	2/18/2022 6:07 PM
56155	It's made me deeply fearful and angry for my friends a nd family in Ottawa. They should not have had to endure weeks of harassment and intimidation by convoy participants.	2/18/2022 6:07 PM
56156	Time someone is taking an important stand to government control with the pandemic	2/18/2022 6:07 PM
56157	It has brought hope after I've explored moving countries and was ashamed of what Canada had become. The convoy has been the only push that brought Canadians together to work towards a safe and healthy future for our kids and country	2/18/2022 6:07 PM
56158	Countless hours of my time wasted doomscrolling twitter	2/18/2022 6:07 PM
56159	Gave me hope that some people are still fighting enough to ensure are rights are restored	2/18/2022 6:07 PM
56160	Given me new faith in our fellow Canadians	2/18/2022 6:07 PM
56161	That trucking convoy brought us hope that things could changed. I felt proud to fly my Canadian flag. I had taken it down. Was not proud to be Canadian. This trucking convoy showed the unity of all Canadians. Made us feel we are not alone in this. So thankful that these truckers took a stand for our freedom	2/18/2022 6:07 PM
56162	Frustrated they are being treated the way they are!	2/18/2022 6:07 PM

56163	No effect.	2/18/2022 6:07 PM
56164	It has given me and my family hope and demonstrated what can happen when people join in unity and love.	2/18/2022 6:07 PM
56165	not applicable	2/18/2022 6:07 PM
56166	I support the peaceful protestors who are fighting for our rights and freedoms as they have been stripped since Trudeau has been in office. Canada is turning into a dictatorship and it's extremely scary	2/18/2022 6:07 PM
56167	It is giving me a great hope that the people in our country love this great country a whole lot more than our leaders. And they're willing to stand up and stand against unjust lockdowns in-laws.	2/18/2022 6:07 PM
56168	Hope	2/18/2022 6:07 PM
56169	None at all	2/18/2022 6:07 PM
56170	Has been the most effective way to unite the country and makes me feel proud to be a Canadian.	2/18/2022 6:07 PM
56171	Don't affect my life right now I'm support them	2/18/2022 6:07 PM
56172	Give me hope to end this bullshit	2/18/2022 6:07 PM
56173	Brought joy back into mu life and faith back into Canada and Canadians.	2/18/2022 6:07 PM
56174	It hasn't. I has shown the people of Canada what an arrogant and terrible leader Trudeau is.	2/18/2022 6:07 PM
56175	I am crushed that main stream media only covers what liberals want to be exposed. Big news companies should have to report both sides of a situation objectively. What happened to innocent until proven guilty? People need to wake up. Everyday I watch what is happening to our country! This started about mandates and now went way further than it ever should have. But unfortunately we have a very proud man in power who can not admit fault.	2/18/2022 6:07 PM
56176	Not at all	2/18/2022 6:07 PM
56177	Not at all.	2/18/2022 6:07 PM
56178	I like it because they speak for me. I am not a fringe person. I understand when my ancestors were made to endure the pass system. I stand for freedom and no censorship in science.	2/18/2022 6:07 PM
56179	They have given me hope in ending all the government corruption. Hope for a future for ourselves, children and grand children. Hope that justice will prevail and our freedoms in a democracy returned. They are a light for us all even those who are against then because the truckers and supporters are standing up for us all. They do not differentiate between anyone.	2/18/2022 6:07 PM
56180	It has made me emotional in a good way. Bringing Millions of people together across Canada and the world,gives me hope	2/18/2022 6:07 PM
56181	Given us pride and hope.	2/18/2022 6:07 PM
56182	It has not directly affected my life in NS however I have seen TWO sides of Ottawa. The mainstream media stating untruths of noise and violence. These are NOT the truckers. Those involved in any violence or destruction are not affiliated with the truckers and should be held accountable as individuals. Unfortunately, this has not been projected. Downtown Ottawa is NOT a residential area and those affected should be accountable.	2/18/2022 6:07 PM
56183	Very happy. They're hero	2/18/2022 6:07 PM
56184	Hasn't	2/18/2022 6:07 PM
56185	It has given me hope that some Canadians are still strong enough and brave enough to speak up to an oppressor. And that the "minority's" voice is being heard. However, I'm very concerned for the younger generation and the millions of Canadians that have succumbed to the fear, coercion, ongoing propaganda and censorship that the government has imposed on us the past two years. It seems the new age mindset of the socialist, all-welcoming, minority-protecting, "love everybody" society, is ironically shutting down any opinion that isn't their own, won't accept anything from free-thinking minds, and only strongly believe what they are told. The	2/18/2022 6:07 PM

division in this country won't end until the government funded news channels and censored social media comes to an end.

56186	Hope Love for others more now than ever Unity with all races and religions Faith	2/18/2022 6:06 PM
56187	They have shown that awful human beings are also present here in Canada.	2/18/2022 6:06 PM
56188	Knowing I'm not alone in thinking the government has went to far with covid measures. I want my freedom back, and this is the start of that	2/18/2022 6:06 PM
56189	Brought hope	2/18/2022 6:06 PM
56190	Gives me hope	2/18/2022 6:06 PM
56191	I have never wanted FREEDOM more! Given me hope!	2/18/2022 6:06 PM
56192	As a 22 year trucker i have nothing but love and support for these guys. And as a local truck driver i refuse to deliver goods to any place along with many other local drivers. I hope everyone likes having nothing, thats coming next	2/18/2022 6:06 PM
56193	It makes me proud to finally see people fighting back. It hasn't affect my life personally, but hopefully they will be the stand we need and then my life can be free again!	2/18/2022 6:06 PM
56194	It hasn't at all. Good for them standing up peacefully for what we all want. It's been peaceful so the emergency act is ridiculous	2/18/2022 6:06 PM
56195	It's given us hope	2/18/2022 6:06 PM
56196	I have a new found pride in being Canadian	2/18/2022 6:06 PM
56197	Given my whole family hope! Knowing we aren't the only ones who think the mandates r ridiculous	2/18/2022 6:06 PM
56198	It's given us hope. It's given us a community of people to feel connected to again and helped push the government to finally do the right things.	2/18/2022 6:06 PM
56199	It has brought hope and some joy back in my life and I actually started feeling proud to be a Canadian again 😊 but of course the government is trying to destroy that now as well ☹️	2/18/2022 6:06 PM
56200	Positively! It has brought us so much hope and joy that so many throughout Canada have joined together in unity. This freedom convoy has been one of the most amazing things I have ever witnessed in my life.	2/18/2022 6:06 PM
56201	They helped wake Canada up. More people than EVER are learning to pay attention to what is happening in politics... and how to change it. #wethefringe double vaxed and still stand with the Charter of Rights and Freedoms. #HOLDTHELINE	2/18/2022 6:06 PM
56202	Nothing as far as day to day life except enjoying the lifting of some restrictions that I believe would not have happened without the convoy. Made me proud to be a Canadian until what they are doing now with the emergency measures act-aka Martial Law	2/18/2022 6:06 PM
56203	Opened my eyes further the mishandling of this pandemic by government. Also the media agenda against the population by legacy media. Defund CBC, CTV and all newspapers!	2/18/2022 6:06 PM
56204	In an amazing way! They are fighting for rights and freedoms and against communism.	2/18/2022 6:06 PM
56205	It's not	2/18/2022 6:06 PM
56206	It's given me hope that the shaming and bullying will stop. That We will have equal rights and opportunitys in Canada.	2/18/2022 6:06 PM
56207	I feel badly for the truckers trying to stand against an oppressive Canadian government which has become even MORE oppressive now, rather than listening to hard-working citizens trying to make their voices heard. The wedge that our PM is driving between groups (vaccinated and unvaccinated, Convoy supporters or not) and the horrible name calling is terrible. The PM and also the NDP leader should be ashamed of all the names they've called people such as the truckers and the unvaccinated or anyone who disagrees. The latter is true, especially with Trudeau. He's acting like a dictator, in my opinion, and has escalated the Ottawa situation. I am AFRAID to donate to the truckers because everything is being monitored. I don't want my bank accounts FROZEN. This did not call for an emergency act and should have been properly handled long ago. Canada is no longer a FREE country. I'm very disappointed in our politicians	2/18/2022 6:06 PM

and our journalists other than the independents like Rebel News and True North. Ending the mandates does not mean I'll forget the injustices I've experienced or heard about in the past two years.

56208	Not sure	2/18/2022 6:06 PM
56209	It hasnt	2/18/2022 6:06 PM
56210	In a positive way, gave me hope that there is a chance we will not become a communist country. I felt inspired by them, and support them 100%	2/18/2022 6:06 PM
56211	This convoy which I travelled in East Coast to Destination was the Unity we as a country need.	2/18/2022 6:06 PM
56212	Undervaluing the importance of public health measures in a pandemic invalidates the hard work done every day by health care workers.	2/18/2022 6:06 PM
56213	I was happy to see a group of people who had different people, vaccinated and unvaccinated, fighting together for the right of every individual to choose what they wanted to put into their own bodies. That to me is the true picture of 'We are in this Together'. It gave me hope for a little while that there were others like me out there who believe it is not right to force and threaten people and stigmatize and call them cruel names for not complying when it's against values.	2/18/2022 6:06 PM
56214	Gave me hope	2/18/2022 6:06 PM

56216	It has brought hope to returning to normalcy.	2/18/2022 6:06 PM
56217	It has provided confidence that the current restrictions could end in the near future.	2/18/2022 6:06 PM
56218	It's shown me how uneducated some folks are compared to the convoy protestors. Many Canadians are glued to the wrong side of the media and aren't critically thinking for themselves nor do they even look to see what the convoy is about.	2/18/2022 6:06 PM
56219	Made it better	2/18/2022 6:06 PM

56224	Gave hope	2/18/2022 6:05 PM
56225	They have given me hope that people can stand up to the government in a peaceful way and in the same instance, has shown the government and media can't be trusted at all.	2/18/2022 6:05 PM
56226	Very much. I went there the second weekend, and started loving Canada again.	2/18/2022 6:05 PM
56227	It's given me hope that Canadians will stand up for the entire population, it's not just about federal vaccine mandates for border crossing, but also about vaccine mandates in restaurants, cinemas, gyms, wedding venues, and mask mandates EVERYWHERE you go.	2/18/2022 6:05 PM
56228	Brought hope, joy, support and a sense of unity and patriotism.	2/18/2022 6:05 PM

56238	Inspiring.	2/18/2022 6:05 PM
56239	Not in any negative way. It has given me hope for our country and hopefully it will help to unite out country as our current prime minister has been dividing the country and ignoring western Canada for years.	2/18/2022 6:05 PM
56240	It's amazing to see people are waking up	2/18/2022 6:05 PM

56254	It has giving me Hope that this way of life will eventually End. I can have family functions, my Husband kind find a job in his area of expertise as a Chef. HOPE.	2/18/2022 6:05 PM
56255	Immensely. It made me proud to be Canadian again which was looking like something I would never be! It also has shown me how corrupt government and media is. We need to listen to the people and to all the independent journalists who are fighting for our freedom. All Justin Castro wants is division between and to follow his agenda, whatever it may be, while all Canadians want is to become united and be allowed to make choices for themselves. At the end of the day I don't care whether a person is vaccinated or wears a mask or what have you, but we need to be able to choose for ourselves and not feel like second class citizens when we make a choice that we feel is better for our life but the government is saying the total opposite.	2/18/2022 6:05 PM
56256	About time someone stood up	2/18/2022 6:05 PM
56257	It has given me hope, I completely support this protest for our rights and freedoms!! I am thankful to all these brave people who have given up so much to defend our freedoms.	2/18/2022 6:05 PM

56261	The truckers have reawakened a sense of hope will be grateful to them forever!	2/18/2022 6:05 PM
56262	It has brought joy and inspiration and the feeling of togetherness with my fellow Canadians.	2/18/2022 6:05 PM

56267	By highlighting the truth and marshalling international support by showing what Canada is made of.	2/18/2022 6:05 PM
56268	Haa brought me hope, feel more optimistic about the future now more then on the past 2yrs.	2/18/2022 6:05 PM
56269	It has not	2/18/2022 6:05 PM
56270	I see desperation. I see people coming together for a common goal. It's beautiful yet disturbing. It's disturbing to see the corruption in our Govt. Disturbing doesn't even describe what is going on. It must stop immediately.	2/18/2022 6:05 PM
56271	Positively, has given me hope	2/18/2022 6:05 PM
56272	none	2/18/2022 6:05 PM

56275	Brought awareness to government hypocrisy and overreach...the implementation of the emergency act proved it.	2/18/2022 6:05 PM
56276	It's making it better they are fighting for our freedom	2/18/2022 6:05 PM

56284	Inspires hope	2/18/2022 6:04 PM
56285	The trucking Convoy and subsequent support convoys and rallies in my community and my province, and in Ottawa have given me hope that I am not alone. These mandates and abuses must end now. There are all kinds of studies from all over the world that show that the experimental shot causes more harm than good, and this Convoy method seems like a sure way for the word to get out and bring attention to the fact that this is all so very wrong, all that has happened in the last 2 years against Canadians.	2/18/2022 6:04 PM
56286	It has restored my faith in people. There are some good people in Canada It has given me hope we will again enjoy the freedom my family fought in world wars to die for I t has given me hope my Grandchildren will be able to get an education so they will be able to make a proper living It has given me hope that all I worked for in my life has not been undone I am 80 years old	2/18/2022 6:04 PM
56287	It brought some hope into our lives	2/18/2022 6:04 PM
56288	Gave me hope, made me feel not so alone, also has made me see just how corrupt the media and Canadian gov is!	2/18/2022 6:04 PM

56295	It has inspired Love, unity and hope. The Convoy healed the country.	2/18/2022 6:04 PM
56296	Brought some hope and pride that we can live without tyranny and oppression. Shows how Covid is a lie now. Time to end. Convoy living sharing hugging and being close. And not ill. How is that possible? We cannot do any of that in BC	2/18/2022 6:04 PM
56297	Gave me hope. Best 3 weeks of the past two years. We should have a Pat King day.	2/18/2022 6:04 PM
56298	For the first time I saw people from different backgrounds, cultures, religions coming together. It was incredible feeling to see Canada uniting	2/18/2022 6:04 PM
56299	interesting to watch people standing up to the mandates, otherwise no affect	2/18/2022 6:04 PM
56300	This has given me hope and this has shown alot of people how the media is a liar. And all my prayers go to the safety of all the peaceful protestors.	2/18/2022 6:04 PM
56301	Freedom	2/18/2022 6:04 PM
56302	It has given us hope, people are standing up against the tyranny. I'm surprised it took so long for people to stand together!!!	2/18/2022 6:04 PM
56303	It has confirmed to me that we have a paranoid, totalitarian, socialist dictator for a Prime Minister.	2/18/2022 6:04 PM
56304	Very positive. Giving hope for our country with regards to our constitutional rights and freedoms	2/18/2022 6:04 PM

56314	Giving me hope for a better future when I thought it was too late.	2/18/2022 6:04 PM
56315	It has given me hope. People complain, but they clearly don't see how much the governments mandates have negatively affected all aspects of all of our lives, including the economy! And the government is spinning all of this to say the convoy has had these negative impacts. Yah right. I support the convoy and I stand on the right side of history.	2/18/2022 6:04 PM
56316	It has made me realize many Canadians are selfish and care more about going to restaurants than saving lives of their neighbours	2/18/2022 6:04 PM
56317	It is giving me hope for the future without a tyrannical government. Go truckers go	2/18/2022 6:04 PM

56326	Hasn't.	2/18/2022 6:03 PM
56327	It has brought back HOPE . That I didn't feel alone in my views and that someone out there cares about the people . Ones vaxxed or Unvaxxed . Cares about freedom - the freedom to choose . The freedom to move freely within your country , the freedom to assemble and worship . To finally feel unified as a country again because the division is so great .	2/18/2022 6:03 PM
56328	It gave me a sense of hope, and was overwhelmed by how many other Canadians want their freedom back. This convoy has made me feel more canadian than any other time I'm my life	2/18/2022 6:03 PM
56329	Got me off the couch to go out to the local protests.	2/18/2022 6:03 PM
56330	Very positively I'm glad someone has stood up to someone that is so useless sand only for big corporations and to reset	2/18/2022 6:03 PM
56331	It is bringing me huge levels of anxiety and stress. It's hurting people in my community and giving rise to hate rhetoric.	2/18/2022 6:03 PM
56332	It has been uplifting to see. To see the unity of not just a city, province, or country, but globally how much support there has been. Just shows how exhausted and tired everyone is from towing the line yet it gets us no where. I am astounded that as a Canadian I don't have the freedom of choice and segregation is acceptable in society.	2/18/2022 6:03 PM

I am grateful to these beautiful humans for standing up for us all. I am grateful for the global community support and wake up. This time has brought clarity to realize that Canada is a Corporation registered in Washington DC, USA. I want all crown corporation employees out of my Canada which is a country for free people, not a banking corporation for a few shareholders.	2/18/2022 6:02 PM

56505	It's brought me hope that we may still be able restore this beautiful country.	2/18/2022 6:00 PM

56615	I finally felt like someone could lift the indoctrinated trance that everyone is under. I finally had some hope that this could end. Maybe the discrimination and division of our country could stop. Maybe the government would stop leveraging our livelihoods for vaccine compliance. That maybe my kids would make it through without more trauma!! I have more thoughts but I'll stop there!!!	2/18/2022 5:57 PM

56623	Makes me proud to be a Canadian! I am proud of the truckers holding the line and staying peaceful. Bravo!	2/18/2022 5:57 PM
56624	It's provided hope. It's forced this tyrannical government to show its true colours. And shown the world what an idiot our PM is.	2/18/2022 5:57 PM
56625	They have given me hope again... God Bless these good people	2/18/2022 5:57 PM
56626	Happy they are standing up for our freedoms	2/18/2022 5:57 PM
56627	I'm grateful. They have give us hope, they have exposed the corruption on the media, and the total disinterest the Federal Government has for their citizens. I am awake.	2/18/2022 5:57 PM
56628	Given me hope and a greater sense of unity and patriotism	2/18/2022 5:57 PM
56629	Gave me hope	2/18/2022 5:57 PM

56633	It let me know I am not crazy or alone. It raised my spirits and offers hope. I have researched the NWO agenda et all for 11 years and know this is contrived. God Bless the truckers.	2/18/2022 5:57 PM
56634	Yes, it gave us hope. It made us feel like we are strong proud Canadians again. So many people came out to show their support along the convoy routes, The positivity and the love and	2/18/2022 5:57 PM

the peaceful manner in which the majority of the people attending was amazing. Shame on mainstream media for continuing the negativity and divisiveness. We know personally, many who attended. We saw many videos of people doing good. I realize that for people who live where this occurred, it may have been difficult, but this could have ended much differently if perhaps Trudeau didn't feel he was stopping to low to speak to the truckers.

56635	Changed it for the better. I support them fighting for our freedoms.	2/18/2022 5:57 PM
56636	Provided hope for a better world for everyone, especially the children	2/18/2022 5:57 PM
56637	Hope	2/18/2022 5:57 PM
56638	Excited and proud someone took a stand. Feeling of hope again. Anxiety, will they win, or will the lose? Tears of joy watching happy people hugging eachother. Wishing I was there bcz I need hugs! Wanting this to end, and the Covid BS scare be over once and for all. I have been an essential service and have not been sick once in 2 yrs, despite being an asthmatic, despite being around public, despite the stress, I LIVED! I need these mandates to end so I can travel freely! I need sun, sand, and beach in the winter to recharge! Ive been stuck here for 2yrs. I need the convoy to succeed!	2/18/2022 5:57 PM
56639	In a positive way, given me hope that I'm not alone!	2/18/2022 5:57 PM

56642	Given hope	2/18/2022 5:57 PM
56643	the convoy gave me hope for the first time in a long time...I watched and prayed for them and with them - I am devastated to see protesters hurt but police ramming a gun into their bodies...tehy and the right to be there - police forced them to the road so they could arrest them - I am ashamed at my country for allowing this - if I could give up my life to make the mandates end now I absolutely would	2/18/2022 5:57 PM

56647	HOPE	2/18/2022 5:57 PM
56648	I completely support their fight for freedom. I find it disgusting that Justin Trudeau wouldn't even meet with them. I find it disgusting that he confiscated people's donations and has frozen bank accounts.	2/18/2022 5:56 PM
56649	Positive	2/18/2022 5:56 PM
56650	Gave me hope	2/18/2022 5:56 PM
56651	It has given me hope for the first time in two years. It has unified people and they are finally standing up to the bully that is a sorry excuse for a Prime Minister.	2/18/2022 5:56 PM
56652	Increased the cost of everything	2/18/2022 5:56 PM
56653	It's given me hope, a focus, a passion and overwhelming pride. I stand behind them 100%, heart and soul. Something I used to be able to say about my country.	2/18/2022 5:56 PM

56660	Gave me hope for the first time in 2 years	2/18/2022 5:56 PM

56662	provides a plat form, hope, and a voice	2/18/2022 5:56 PM
56663	My husband is a vaccinated trucker. Yet we support the freedom protesters in Ottawa & elsewhere. We didn't agree with blocking the border, but there were always other places to cross that were open. The Convoy gave us hope that people in Canada were FINALLY speaking out loud & clear. They behaved impeccably.	2/18/2022 5:56 PM
56664	Not	2/18/2022 5:56 PM
56665	IT HAS GIVEN ME A RAY OF SUNSHINE AND HOPE THAT I AM NOT ALONE. OTHER PEOPLE HAVE SIMILAR WAY OF THINKING AND SEE THE HUGE CONSEQUENCES OF THE MANDATES VS THE POSITIVE ASPECTS. TOO BAD THE TRUCKS HAVE INCONVENIENCED THE PEOPLE OF OTTAWA- (PREDOMINATLY GOVERNMENT EMPLOYEES WHO ALL GOT TO KEEP THEIR JOBS, WHILE WORKING FROM HOME). AND NOW THE POOR GOVERNMENT DECISION AND MAINSTREAM MEDIA TELLING THE SMALL BUSINESSES TO CLOSE FPR 2-3 WEEKS. CRAZY, BECAUSE THE REST OF CANADA HAS HAD THE SAME PROBLEM BUT FOR 2 YEARS. THE TRUCKING CONVOY HAS SHOWN ME THAT THE LEADERS OF THIS COUNTRY ARE AFRAID, ENTITLED, PRIDEFUL AND STUPID. THEY HAVE REFUSED TO MEET WITH ANY OF THESE PEACEFUL, LAW ABIDING PROTESTERS BUT RATHER INSULT, RIDICULE, TARNISH THEIR CHARACTERS AND BULLY. ENOUGH IS ENOUGH.	2/18/2022 5:56 PM
56666	The truck convoy has given us hope that the government will see and address the negative effects of unnecessary mandates and end them immediately never to implement them again and allow all citizens to have the freedom to choose.	2/18/2022 5:56 PM
56667	Brought by family together and brought us hope, patriotism and love of our fellow Canadians. It makes me sick to see what our government is doing to them... They were nothing but peaceful and the lies were exposed... I 100 percent support the truckers.	2/18/2022 5:56 PM
56668	I felt hope for the future for the first time in 2 years. I saw the country unite behind a single cause and symbol - the Canadian flag.	2/18/2022 5:56 PM
56669	Raised my hopes in every day Canadian's. Made me proud to wave a Canadian flag first time since justin trudeau was installed.	2/18/2022 5:56 PM
56670	Its been bittersweet. 1: I have found my voice, which I have been too afraid to use in fear of the hate. But, it also has made me aware of the power 'people' over us that I have been blind to for my entire life. It is scary, and it needs to END!!!!	2/18/2022 5:56 PM
56671	None	2/18/2022 5:56 PM

56681	Finally some hope things will change. Its helping to stop the hatred and discrimination between the vaccinated and unvaccinated. 56690	Hope	2/18/2022 5:55 PM
56691	It has given me personal hope and hope for Canada as a free nation.	2/18/2022 5:55 PM
56692	Finally, pride, hooe, unity and others who want dialogue and life back. They are speaking for those of us who cannot. It has been impossible to feel heard during these times. I am proud of these Canadians	2/18/2022 5:55 PM
56693	Gave me hope.	2/18/2022 5:55 PM
56694	It is beautiful to see beautiful, honest, hard working, loving Canadians stand United in truth, justice and the freedoms that are fundamental to our Charter and our way of life. The prime minister should be thrown out of government for his callous, lying, viscious attack on the best of true Canadians. Throw the bum out of Canada and let's form a government for the people, by the people.	2/18/2022 5:55 PM

56718	It has given me hope, realizing that there are so many, worldwide, that support freedom from a tyrannical government.	2/18/2022 5:55 PM

56731	Gave me hope, renewed my love for Canada, learnt about other cultures, why Canadian free society is important to all Canadians. I learnt that regardless of differences culturally, racially and religiously we all want a free, safe and easy uncorrupt country, for our children and their future. I realized lately how much effort has been put in to separate logical thinking Canadians by creating a false narrative and division.	2/18/2022 5:54 PM

56735	Good on them for doing what they're doing. They are very important in their jobs and it is so wrong what the government is dictating what they can and can not do. Canada is a free country. It would do well if the government would read and actually follow the charter of rights and freedoms. If they can't follow it and the law thwy shouldn't be in government.	2/18/2022 5:54 PM

56783	First time in 2 years ive actually been happy.	2/18/2022 5:53 PM
56784	Given me hope to give me back my life, to be able to visit friends, to travel, to enjoy my freedom that was stolen from me.	2/18/2022 5:53 PM
56785	Given us hope that our government might finally be willing to debate citizens concerns and work together in dealing with Covid that respects our God given rights and freedoms. If Trudeau acted like an true leader the convoy would have ended weeks ago. There isn't anyone to blame for this convoy other than Trudeau's government. Since the beginning Health Canada and our government have said they are following the science but have never provided the science used for the tyrannical mandates and infringements on our rights and freedoms.	2/18/2022 5:53 PM
56786	It has given me and so many others real hope that perhaps things will change. No more people losing their jobs for not being vaccinated. Maybe, also show how dictatorial our prime minister really is.	2/18/2022 5:53 PM
56787	Feel like there might be hope yet	2/18/2022 5:53 PM
56788	It gives my family and I hope that Canada will get back to "normal" !!	2/18/2022 5:53 PM
56789	In a positive way	2/18/2022 5:53 PM
56790	It's inspiring to see people united again	2/18/2022 5:53 PM
56791	Made me have hope!	2/18/2022 5:53 PM
56792	I've seen thousands of people come together and support each other in the name of freedom of choice. And they didn't get Covid!	2/18/2022 5:53 PM
56793	It has shown that many Canadians about our country we live in and will come together to fight for our freedoms!	2/18/2022 5:53 PM
56794	Hope hope hope... god bless them	2/18/2022 5:53 PM
56795	Gave hope	2/18/2022 5:53 PM

Canadians vote on Canadian Mandate - February 2022

56796	It hasn't impacted me directly. However I have lived in Ottawa. I can't imagine the frustration of the residents that "try" to live and work downtown. While I agree with the right to peaceful protest, I whole heartedly disagree with protested setting up occupation. I think their protest is hypocritical. They made a point - now leave. Also, for those that are setting up occupation, how many of these people are protesting for the sake of it just to cause havoc? Why aren't these people working? Did any of them benefit from CERB?	2/18/2022 5:53 PM
56797	Given some hope but let down over how the leaders of the government have responded	2/18/2022 5:53 PM
56798	Hope and joy	2/18/2022 5:53 PM
56799	Very much lifted me in having hope in humanity	2/18/2022 5:53 PM
56800	Na	2/18/2022 5:53 PM

56803	It gave us hope!	2/18/2022 5:52 PM
56804	Stresses me out that our government is so clueless	2/18/2022 5:52 PM
56805	Bringing freedom back to Canadians	2/18/2022 5:52 PM
56806	Not at all	2/18/2022 5:52 PM
56807	Brought back some hope in restoration of freedom	2/18/2022 5:52 PM
56808	Given me hope	2/18/2022 5:52 PM
56809	For the last two years it has been hard to get things such as equipment parts, car parts, etc. and suppliers say it is because of covid.	2/18/2022 5:52 PM
56810	not affected me so far	2/18/2022 5:52 PM
56811	Gave hope and freedom. They are the ones who keep the country moving with supplies. Stood for the people. Such stupid rules placed on them made no sense when other groups could meet like sports etc. air travel. Truckers alone in their trucks and a plane full of people. Just ludicrous. So discriminatory!!	2/18/2022 5:52 PM
56812	Gave hope for first time in 2 years. Finally will we be heard?	2/18/2022 5:52 PM
56813	The trucking convoy has made me proud to be Canadian again. It has given a voice to many Canadians and inspired many around the world to do the same. I am grateful to these brave men and women.	2/18/2022 5:52 PM
56814	It gave back hope in humanity.	2/18/2022 5:52 PM
56815	Has given me hope.	2/18/2022 5:52 PM
56816	I'm a 310t technician.. its hard to get parts since this covid hit... and its only the flu...	2/18/2022 5:52 PM
56817	Gave me hope again	2/18/2022 5:52 PM
56818	I've really appreciated seeing people get together in a way that feels patriotic and uniting, and being able to see that there are a lot of people out there who feel the way I do	2/18/2022 5:52 PM
56819	It has given me hope that this current dictator style government will go away- I admire the people who had the guts to fight for everyone for FREEDOM of CHOICE.at their expense- The government has NO Right to take people's money and freeze people's OWN bank accounts-& steal gas tanks which don't belong to them-What is happening now reminds me of the Soviet system I saw in 1974 when I was there- complete repression of the people & 1984 Orwellian style dictatorship The PM strikes me as being extremely insecure in his position to resort to this form of dictatorship -not even taking the time to talk & listen to the truckers & their concerns-they were very peaceful in their demonstrations which were wrongfully described by the corrupt media paid for by the government- we are supposed to be in a DEMOCRACY-the current government does NOT fit the definition of democracy& it makes me ashamed that this is happening in Canada	2/18/2022 5:52 PM
56820	Hasn't affected me	2/18/2022 5:52 PM

Canadians vote on Canadian Mandate - February 2022

56822	Restored hope	2/18/2022 5:52 PM
56823	I'm proud to see Canada becoming one peacefully to gain back the freedom Canada once possessed. Otherwise it hasn't affected my life.	2/18/2022 5:52 PM
56824	It really hasn't affected my life one way or the other. I do believe in what they are trying to accomplish though.	2/18/2022 5:52 PM
56825	Giving us hope to have a normal lifestyle again	2/18/2022 5:52 PM
56826	It hasn't	2/18/2022 5:52 PM
56827	It has given me hope and a feeling of community. A warm feeling that there are still good people out there.	2/18/2022 5:52 PM
56828	Hasn't affected it at all. Food still on shelves. World goes on. If anything it warms my heart to see the people at the protest-- hugging , singing, smiling....being Canadian.	2/18/2022 5:52 PM
56829	It hasn't affected my life. It's what we need to get our freedom back. If we all could be there we would. Trudeau has to look at what the people want not what a dictator wants.All we are looking for is freedom and get the mandate dropped...	2/18/2022 5:52 PM
56830	Really opened my eyes to how totalitarian our federal leader is. Not at all the democracy I learned about in school almost 60 years ago.	2/18/2022 5:52 PM

56832	It made me have hope for Canada again	2/18/2022 5:52 PM
56833	They blocked shipments to our grocery stores, they're spreading Covid in our province, they've given real truckers a bad name, they're costing provinces millions in trade every day. They've spread garbage and pollution and in our beloved capitol and made us look stupid on the world stage.	2/18/2022 5:52 PM
56834	Inspired me.	2/18/2022 5:52 PM
56835	Its been inspiring watching those sticking to what they are doing. HOLD THE LINE TRUCKERS	2/18/2022 5:52 PM
56836	It has improved my life to know Canadians are willing to flight for freedom. Freedoms that have been illegally taken away by pure corrupt government on every level.	2/18/2022 5:52 PM
56837	Not at all	2/18/2022 5:52 PM
56838	Not at all	2/18/2022 5:52 PM
56839	It great thing that the convoy if fighting for our freedom. they inspire me	2/18/2022 5:52 PM

56844	Given me hope for my future and the future of my children.	2/18/2022 5:51 PM
56845	Brought hope	2/18/2022 5:51 PM
56846	I think what they are doing is good because we need our freedom back . Treaudo is Not doing very much at all he just talks big	2/18/2022 5:51 PM
56847	shows that there is a lot of people, that stand up for what is right!	2/18/2022 5:51 PM
56848	I feel like it's brought more unity to people who want these mandates ended. Trudeau has handled it awfully and cowardly.	2/18/2022 5:51 PM
56849	Lost income.	2/18/2022 5:51 PM

56887	I finally felt hope , I cried tears of joy and if I had money to give I would give that and more they are brave , they are peaceful, they play hokey, they feed the homeless, Ontario businesses now can actually make some money , they shovel snow and salt side walks.. they were making sure their garbage was picked up until the cops stopped that. 56929	none	2/18/2022 5:49 PM
56930	Blessing me by the way they are supporting and representing all Canadians.	2/18/2022 5:49 PM
56931	Hope and a sense of sisterly, brotherly love with all my fellow Canadians	2/18/2022 5:49 PM
56932	Gave me a shred of hope that people were finally standing up. All respect has been lost for our "leader" due to his actions and words and lack of concern and care for the citizens of Canada.	2/18/2022 5:49 PM
56933	The trucker convoy gave us hope for change! Gave us an incredible pride in being Canadian! Gave us a belief that the government would work with the people to create a positive, productive & healthy reconciliation. But the government didn't do that - and look what our country has come to. So incredibly sad for our children to be growing up in this time! This was not the freedom we experienced as kids.	2/18/2022 5:49 PM
56934	It has given me hope hope that the liberal government and namely Trudeau will be shut down we want our freedom and we cannot afford Truedeau and his never ending spending sprees	2/18/2022 5:49 PM

Canadians vote on Canadian Mandate - February 2022

56945	The trucker convoy has provided a glimmer of hope and faith within the citizens of Canada to take a stand for their God given rights and freedoms.	2/18/2022 5:49 PM
56946	It hasn't affected my life but sure has been interesting to see where Canada is headed with democracy	2/18/2022 5:49 PM
56947	I am proud to see Canadians stand up for the rights guaranteed in the charter but denied by the Liberal government.	2/18/2022 5:49 PM
56948	It hasn't I stand behind them in the fight for our freedom.	2/18/2022 5:49 PM
56949	It's been a good thing.	2/18/2022 5:49 PM
56950	Has given me hope for a better future. More hope for the children of this country to find some joy again	2/18/2022 5:49 PM
56951	Makes me proud of these Canadians - affected me by knowing what great men and woman are in Canada and willing to sacrifice at the hands of a dictator.	2/18/2022 5:49 PM
56952	Given me some hope.	2/18/2022 5:49 PM
56953	Hasn't except for the positive outcomes thus far	2/18/2022 5:49 PM
56954	The trucking convoy has generated excessive noise and pollution, and has stifled the economy by choking highways needed to transport goods. It's also meant fewer truck drivers getting goods to stores. It has also completely smeared all the responsible truck drivers as they find themselves lumped in with the insurrectionists who have dragged our great country and flag into the ground. Because of this event, I now find myself under stress and tension as I personally try to follow best practices as I fear the insurrectionists will try to harm me and my family. This convoy is the worst thing to happen to our great country.	2/18/2022 5:49 PM
56955	Hopefully it affects my life for the better and lifts all mandates	2/18/2022 5:49 PM
56956	Amazing I can see happiness again	2/18/2022 5:49 PM
56957	It's shown the people are fed up and want their freedoms back.	2/18/2022 5:49 PM
56958	It brought peace to my heart.	2/18/2022 5:49 PM
56959	It's given us all hope and the feeling like we aren't the only ones fed up with this fake pandemic	2/18/2022 5:49 PM
56960	Protecting our rights and freedoms	2/18/2022 5:49 PM
56961	Gave us hope	2/18/2022 5:49 PM
56962	Hope, proud, impressed	2/18/2022 5:49 PM
56963	Gave me hope	2/18/2022 5:49 PM
56964	it has not	2/18/2022 5:48 PM
56965	Inspiring hope around the world.	2/18/2022 5:48 PM
56966	Given hope that all of these mandates will end.....	2/18/2022 5:48 PM
56967	Made me proud to be a Canadian they're standing up for our rights and freedoms	2/18/2022 5:48 PM
56968	Given me a small amount of hope	2/18/2022 5:48 PM
56969	We are so proud of them for standing up for Canadians. Justin Trudeau is unfit to lead our country anymore. He is a coward and it only concerned for his pocketbook (he gets paid for every vaccine purchased) rather than the good of Canadians. Covid mandates destroyed our economy, not the trucker convoy.	2/18/2022 5:48 PM
56970	HOPE	2/18/2022 5:48 PM
56971	Screwed it up.	2/18/2022 5:48 PM
56972	It's empowering people to stand up for our FREEDOM to choose! Vaccines and masks should be optional. Stop forcing people!	2/18/2022 5:48 PM
56973	It has given me a sliver of hope that things might go back to normal and that just maybe I can	2/18/2022 5:48 PM

56980	I am a trucker for 37 years and I should of been with the rest of my brothers and sisters I feel like I've let them down by not being with them in support for my country of Canada	2/18/2022 5:48 PM

56984	It has brought hope for a better and free tomorrow.	2/18/2022 5:48 PM
56985	It has brought SO MUCH HOPE! I felt apart of a community again for the first time in 2 years. I experienced connection, joy and hope attending protests in support of the truckers. The Convoy has been the only light throughout these last years and I wholeheartedly support and cheer it on. Canadians deserve the right to freedom of choice. Otherwise why call ourselves a democracy.	2/18/2022 5:48 PM
56986	It has made me feel like someone else agree the Charter rights and freedoms have been infringed upon. Nice to see that I'm not the only one that feels this way, nice to see that a group had the courage to stand up to all this BS	2/18/2022 5:48 PM
56987	It has finally given me hope after 2 years	2/18/2022 5:48 PM

56991	Not at all	2/18/2022 5:48 PM
56992	It has been the most peaceful wonderful amazing thing I've ever seen in my life it brought back my patriotism towards my country and now I am a proud Canadian again because of the truckers.	2/18/2022 5:48 PM
56993	It's made me feel proud to be a Canadian for the first time in 2+ years.	2/18/2022 5:48 PM
56994	Opened our eyes how Canadians across the country came out to support them and exercise their rights! How we felt it wasn't okay to voice our concerns before! How the government hasn't listened and really doesn't care about the well being of all citizens!	2/18/2022 5:48 PM
56995	Gave me hope in mankind until the parliamentary process was circumvented by our very own Prime Minister!	2/18/2022 5:48 PM
56996	it has brought hope where there was none	2/18/2022 5:48 PM
56997	Showed me that the current government does not care about its citizens and will stop at nothing to get more control than needed by flinging lies to the public about who they are.	2/18/2022 5:48 PM
56998	Negatively.	2/18/2022 5:48 PM

57011	Not at all	2/18/2022 5:47 PM
57012	I went to cheer them on when they passed thru my city and was so thrilled to see so many supporters out to show their support. Our leader, not unexpectedly, showed no empathy and or willingness to talk to them and I continue to be so disappointed. If it wasn't the truckers it would have been another interest group that are working at making the world see how much more damage these mandates have caused than the actual virus.	2/18/2022 5:47 PM
57013	Gives me hope again!!	2/18/2022 5:47 PM
57014	Gave me hope for the first time in over 2 years	2/18/2022 5:47 PM

57016	Happy	2/18/2022 5:47 PM
57017	It is very annoying. It is disappointing and stressful to see so many misinformed people acting like idiots. It is not peaceful, nor is accomplishing anything other than showing how selfish and stupid the convoy people are.	2/18/2022 5:47 PM
57018	It has given me hope! It's given me courage, knowing that there are SO many who hold the same values and opinions that I do about freedom of choice!	2/18/2022 5:47 PM
57019	It has given me hope in the realization that I am not the minority or a fringe.	2/18/2022 5:47 PM

57056	Gave me hope that I would get my rights back. Showed me how the government pays the media to push their narrative. Exposed our political system as very broken when a prime minister is allowed hate speech toward Canadian citizens with no consequence. Through watching this Ottawa protest I discovered that the police are not held liable for assaults on citizens, police are corrupt and police are dangerous when they are confronted about the charter of rights. 57067	It has not affected my life negatively in anyway.	2/18/2022 5:46 PM
57068	I attended the convoy and was able to see with my own eyes the true spirit, love and unity. They exposed to the world the LIES, hate and vitriol coming from the legacy media, the PM and the Canadian Government. Thank You Truckers for your sacrifice and showing the world the real truth. I am so disgusted with the media's blatant LIES and our PM's total lack of leadership. Justin Trudeau must step down and resign.	2/18/2022 5:46 PM

57099	It has reminded Canadians that freedom isn't free and that we need to stand up for our rights!	2/18/2022 5:46 PM
57100	A complete nuisance. We are a trucking family and cross borders right from the beginning of the pandemic. Heavy hauling and only the disruption at Coutts caused us a delay. We did not participate in any of this stupidity!	2/18/2022 5:46 PM
57101	The trucker convoy has given me hope !!!!	2/18/2022 5:46 PM

57104	It's irritating, and didn't mind it till they started being disrespectful and blocking borders. And yes the prime minister hasn't handled it well but still doesn't mean you need to be disrespectful. Wether it was liberal, conservative or ndp. People wouldn't done it anyways	2/18/2022 5:46 PM

57135	Not at all	2/18/2022 5:45 PM
57136	It has given me hope that good will prevail over evil. It has given me hope that the tyrant Trudeau, a puppet for the WEF, will lose the evil takeover of all of our freedoms and that we might have a chance at successfully avoiding digital ID's and a social credit communist system.	2/18/2022 5:45 PM
57137	Directly, very little. Convoy anti mask assholes in my small town affect me. I've been to protests before. I support the right to protest. This is far beyond a protest. Unacceptable actions on the convoy participants.	2/18/2022 5:45 PM
57138	Given me lots of hope!	2/18/2022 5:45 PM
57139	Since its beginning. The convoy has people right across this land great hope and a restored sense of national pride and the little dictator has crapped all over that.	2/18/2022 5:45 PM
57140	In a very positive way. They are standing up and speaking for individuals that cannot. If nothing is said or done this pandemic will just go on farther then the 2 years it already has. Enough is enough!! People should be able to make their own choices for their body! I do not agree with people being let go due to their vaccine status. If 90% of people are vaccinated there should be no reason for this to carry on further.	2/18/2022 5:45 PM
57141	gives me hope that perhaps our PM would listen to the people	2/18/2022 5:45 PM
57142	They've given us hope, in a seemingly hopeless situation	2/18/2022 5:45 PM
57143	It had given me hope! In my opinion it doesn't matter what working class, or whom, would have organized the peaceful protest. The « truckers » exuded bravery and created a platform for Canadians who have been embedded with fear, to have a voice. To feel supported....	2/18/2022 5:45 PM
57144	Gives me hope for me and my children	2/18/2022 5:45 PM
57145	The cost of living has become impossible, I'm a trucker and I'm still rolling but the cost of fuel and food has gouged my pay check tremendously	2/18/2022 5:45 PM
57146	It has made my heart happy seeing Canadians fighting for our rights and freedoms!!!	2/18/2022 5:45 PM
57147	It hasnt	2/18/2022 5:45 PM
57148	It's made me feel like I'm not so alone. It's given me hope that our country can get back to normal.	2/18/2022 5:45 PM
57149	It has brought hope to my life. It has brought unity to many Canadians who know that these mandates are not legal and definitely not effective anymore.	2/18/2022 5:45 PM
57150	Has not	2/18/2022 5:45 PM
57151	When we see all the courage and efforts they put to make our life like it was with the freedom and liberty, and M. Trudeau using all his not legal powers to steal their possessions like it was just a joke, this makes me sick!!!	2/18/2022 5:45 PM
57152	I feel hope with those heros	2/18/2022 5:45 PM

57178	Proud of them and hopeful	2/18/2022 5:44 PM
57179	It gives me hope that people are standing up. It also gives my high anxiety around how our PM is handling this and that he enacted the emergency protocol. Shoting things down, freezing funds etc, made me go to the bank and get my money out. I am afraid to express my opinion about this. I am hopeful that the convoy gets this much attention worldwide.	2/18/2022 5:44 PM

57221	It's brought me hope. However the way our government is handling this situation is disheartening. If they can do this to peaceful Canadian who are asking for freedoms but nothing during actual riots we will never have freedom	2/18/2022 5:43 PM

57227	It has given me hope	2/18/2022 5:43 PM
57228	I am pleased that the truckers have taken this stand. They have very peacefully made a clear statement that they need to continue to work and are uncomfortable being "forced" by Justin Trudeau to accept the injection of a substance that they believe to be unsafe.	2/18/2022 5:43 PM
57229	Makes me proud to be Canadian	2/18/2022 5:43 PM
57230	It has empowered me to stick to my guns and continue not following the mandates.	2/18/2022 5:43 PM
57231	Traitors	2/18/2022 5:43 PM
57232	The trucker convoy has been the best thing that has come from this pandemic. It has given me so much hope for our country. During the pandemic, I often felt alone and felt as though I was the only one who realized that what has been enforced and mandated is so very wrong and unconstitutional. I felt so alone because everyone seemed to be going along with the narrative and was greatly led by fear. I have always been one to be led by the truth and to seek truth in every area of my life. This truck convoy was a huge movement for freedom and it has encouraged many countries around the world to stand up for their freedoms as well. I am so very proud of each of the truckers and the Canadian citizens who have stepped out in courage to fight for our God-given freedoms. Many have complained that the trucking convoy has blocked roads, created noise, and even disrupted the economy for a couple weeks, however, this small disruption is NOTHING compared to what the government has done for TWO YEARS. Through these unlawful government mandates, the economy has been ruined, there has been an enormous increase in suicide rates, a massive divide within our country, unaffordable housing, and so many more horrible horrible affects. The truckers are peacefully and lawfully protesting along with millions other people who want an end to these mandates and want our lives back. It takes courage to go against the narrative and the horrible lies the media/health officials/government have been feeding us through these past two years. I wholeheartedly stand with the truckers and anyone who stands for freedom for ALL people.	2/18/2022 5:43 PM
57233	Happiness.	2/18/2022 5:43 PM
57234	Finally made me happy to be Canadian again. Convoy has given me hope, and the feeling like I'm not alone any more. The convoy united Canadians in attempts to gain back our civil rights as human beings.	2/18/2022 5:43 PM
57235	Hasn't	2/18/2022 5:43 PM
57236	Increased food and household necessities	2/18/2022 5:43 PM
57237	Not much. Except the Mr. Trudeau's response is terrifying. The truckers have been encouraging. I felt some sense of pride in our country's flag for the first time in several years. Mr. Trudeau has scared me and my loved ones significantly.	2/18/2022 5:43 PM
57238	It has given me hope for freedoms I took for granted.	2/18/2022 5:43 PM
57239	Gave me hope. Supported my beliefs for freedom.	2/18/2022 5:43 PM
57240	Makes me feel like my freedom is coming back. So proud!	2/18/2022 5:43 PM

57369	Whereas I support their protest for cancelling the mandates and am impressed with how well behaved they have been, I only hope that the true stories can be exposed. I can see our freedoms being eroded little by little.	2/18/2022 5:39 PM
57370	I am not in Ottawa, but I fully support this protest for freedom	2/18/2022 5:39 PM

57542	It has given me hope that if Canadians stick together against irresponsible government we can make change. It has forced change. Most provinces have since accelerated lifting mandates since truckers convoy. I believe this has influenced some of most of these announcements. 57547	Hope for Freedom Encouragement to Return to a Democratic Country instead of Dictatorship	2/18/2022 5:35 PM
57548	Uplifting experience from united Canadians a reminder of howthings were before our So called PM got in. The convoy brings back memories of being proud to be a Canadian. The only one that has caused division is our PM.	2/18/2022 5:35 PM
57549	It's given me courage and hope. We know we are not alone! we already knew we were not alone but now others know it too and that is great	2/18/2022 5:35 PM
57550	Giving me a headache and sore neck from shaking my head so much in disgust towards the truckers and the government antics.	2/18/2022 5:35 PM

57555	First hope in 2 years	2/18/2022 5:35 PM

Canadians vote on Canadian Mandate - February 2022

57556	It's given me a bit of hope that there is a voice in this country for someone other than the people in charge.	2/18/2022 5:35 PM
57557	Gave us hope	2/18/2022 5:35 PM
57558	Division - I don't "support" it but I also don't disagree with their right to protest	2/18/2022 5:35 PM
57559	Not at all.	2/18/2022 5:35 PM
57560	I am a son of a trucker who gave his life to deliver heating oil, dynamite, parts and food, etc. for everyday Canadians despite his health problem. I relate to each and everyone of the valiant truckers and their supporters and pray to God fervently everyday that our government will LISTEN to them and not just say they HEARD them and go home. Obviously the time has come to rescind all mandates and restore ALL FREEDOMS that we have enjoyed and appreciated for so long, that were paid for in blood by our forefathers - not forepeople!!!! I could easily go on.	2/18/2022 5:35 PM
57561	It hasn't affected me	2/18/2022 5:35 PM
57562	It has pushed me to stand up for our freedom of choice and the other freedoms we are losing..freedom to donate freedom to assemble..freedom to voice an opinion	2/18/2022 5:35 PM

57567	It hasn't. The protest is peaceful. The medias and governments negative language has affected me. It is disgusting. How can we create peace if our entire dialogue is so negative?	2/18/2022 5:35 PM
57568	Raised my spirit	2/18/2022 5:35 PM
57569	has not affected my life	2/18/2022 5:35 PM

57585	It hasn't affected my life and if the people of Ottawa or so impacted by it well maybe they should stand up and do something with the rest of them but of course they won't because they all work for the government and God forbid they would voice anything against the government	2/18/2022 5:34 PM

57593	It has given me hope to see that there may be chance of normality again. Seeing Canadians come together and unite like that showed si much love. The vaccinated and un vaccinated working together. Until Mr. Trudeau started calling people names and taking such dramatic measures over the qorlds largest most peaceful protest ever. He turned it around to make Canada look disgusting	2/18/2022 5:34 PM

57651	The Convoy has brought hope and unity and has proven that Canadians are not racist.	2/18/2022 5:33 PM
57652	Not really at all	2/18/2022 5:33 PM
57653	It has helped bring out the patriotism and love for all Canadians to be the family I believe we all deep down have been - the truckers have ignited our beautiful nation to see how truly "United " we really all are!!Thank You to the Freedom Convoy!!	2/18/2022 5:33 PM
57654	It has given me some hope that there are people in Canada who are willing to stand up and fight for the freedoms we have lost.	2/18/2022 5:33 PM
57655	Given me hope again	2/18/2022 5:33 PM

57658	It has renewed hope in me that there are people who are like minded about this tyrannical government overreach. It has renewed my belief in Canadian patriotism.	2/18/2022 5:33 PM
57659	Made me have hope when all hope is truly lost otherwise	2/18/2022 5:33 PM
57660	It was the first time in two years that I felt a glimmer of hope. It was so heartwarming to see Canadians pulling together and just loving each other - something that Trudeau desperately wants to destroy in order to drive a wedge between Canadian friends and family. Unity is our gov'ts biggest fear as it would compromise their ability to control Canadians. The truckers' message all along has been that of peace, love and freedom. MSM distorted reporting on the convoy is reprehensible and they should be held accountable for their lies.	2/18/2022 5:33 PM
57661	It has given people a voice. After many letters, attempt to connect with union members there was no acknowledgement. Many people supported one another, but did not have a voice as our leaders silenced us. When backed into a corner by society by the government it is our obligation to unite together. The convoy have voice, validated people's hard ships in an already difficult time. This is where our leadership has failed and inadvertently created another healthcare crisis.	2/18/2022 5:33 PM
57662	It hasn't! It's ridiculous. We all still have a right to peaceful protest but not at the expense of others businesses and livelihood. Truckers still can mobilize within the country. Don't like it, then tough. Or pay a health tax if you get COVID and require hospitalization and refused to vax	2/18/2022 5:33 PM
57663	Gave me hope, showed me love, made me cry because for once humanity showed a glimpse of light in a world of darkness.	2/18/2022 5:33 PM
57664	It has brought this to the world's attention.	2/18/2022 5:33 PM
57665	Hasn't	2/18/2022 5:33 PM
57666	Brought hope.	2/18/2022 5:33 PM
57667	They have given me a small bit of hope there the future can be better.	2/18/2022 5:33 PM
57668	- It has given me hope that this country will not spiral into a tyrannical state because there are many Canadians who will stand up for the principals this country was founded on.	2/18/2022 5:33 PM
57669	It gives me hope to see people come together for the greater good and to fight the evil at hand	2/18/2022 5:33 PM
57670	Given me hope that maybe it could end someday. Although the state of emergency looks as though we may now be under a dictatorship	2/18/2022 5:33 PM

57677	Inflation empty shelves in stores	2/18/2022 5:32 PM

57687	Empty grocery shelves, higher gas prices, Canada's reputation is in danger of being trashed. How dare the protesters hint that Canada is a communist country. If that's what they think, they should try living in Russia or China.	2/18/2022 5:32 PM

57700	It's was a glamour of hope, but unfortunately our childish prime minister invoking the emergency act without even so much as a meeting with the peaceful group speaks volumes about his entitled attitude. He will kill Canada.	2/18/2022 5:32 PM

57727	Hope	2/18/2022 5:31 PM
57728	It's has been slightly annoying. It would make more sense if they had any kind of organization or messaging and didn't get a bunch of money from trump loving Americans. And one more note you have the right to peacefully protest but if you look around and see a bunch of nazi's maybe give your head a shake and rethink what your actually doing	2/18/2022 5:31 PM

57847	It was the one and only think that gave me hope for Canada. I want a future for my kids and grandkids but I feel like it's hopeless with the current government especially that Prime Minister with his divisive ways and name calling. He's not a leader. A leader would have met with these truckers to see if there was anything he could do. Instead he called them extremely disturbing names just as he did to the conservatives in the House of Commons yesterday. He should resign for what he has done. Shameful	2/18/2022 5:29 PM

57932	Giving me HOPE	2/18/2022 5:26 PM
57933	They have given me hope.	2/18/2022 5:26 PM
57934	I went there, and had hope for Canada for the first time in years! There was such love and unity, smiling faces, strangers hugging and sharing there stories. All cultures, different backgrounds, and different ages. People walk by and say hi, and you hear there stories, it is like a big family. So friendly and I was so proud to be a Canadian. There was no fighting, no looting. People were helping others, homeless were being fed. Love in action. Breaks my heart that our PM Trudeau supports and donates money to BLM which was rowdy, looting and destroying property. And a peaceful, loving protest who just want their freedoms back. The Charter of Rights back. He treats like terrorists and uses hate speech towards them.	2/18/2022 5:26 PM
57935	The truckers Convoy has brought me so much joy. I feel like we actually have a big backing standing up for our rights. Without the trucker's I really don't think we could have accomplished how much we have conflict in 3 weeks. I actually feel like we have people on our side fighting for our rights. Thank you trucker.	2/18/2022 5:26 PM
57936	Brought some joy	2/18/2022 5:26 PM
57937	Brough me hope and unity	2/18/2022 5:26 PM
57938	Made me proud to be Canadian. This is the first time I have considered flying a Canadian flag.	2/18/2022 5:26 PM
57939	It's getting better go trucks	2/18/2022 5:26 PM
57940	Not at all	2/18/2022 5:26 PM
57941	Not at all. I went to Ottawa in support and to witness first hand. All I saw were wonderful people in a peaceful and unified environment. It saddens me our PM would not meet with them as he has with other protesters in the past. I am severely disillusioned by what our country is becoming.	2/18/2022 5:26 PM
57942	It gave me hope for the future	2/18/2022 5:26 PM
57943	it gave me joy at the beginning now I'm sickened with the force of police	2/18/2022 5:26 PM
57944	Given hope, sense of unity with other provinces and other Canadians	2/18/2022 5:26 PM
57945	It hasn't	2/18/2022 5:26 PM
57946	Go truckers, you are heroes	2/18/2022 5:26 PM
57947	Uplifting	2/18/2022 5:26 PM
57948	Given us hope! I support them and will do my part to help. This convoy represents freedom! What about Our veterans! This is a slap in the face to those who fought for our freedom! It's despicable and frankly I am appalled	2/18/2022 5:26 PM
57949	I live in downtown Ottawa and these protests have disrupted the lives of our most vulnerable. Please go home.	2/18/2022 5:26 PM

57951	It gave me hope because they represent my view	2/18/2022 5:26 PM
57952	I have not been involved personally like boots on the ground, but the joy, unity, hope, courage, peace, friendliness, kindness and pride to be a Canadian has returned for a short while in my soul! The other wY is only darkness, control and evil!	2/18/2022 5:26 PM
57953	I do not live downtown Ottawa but am grateful truckers are standing up for personal freedoms.	2/18/2022 5:26 PM
57954	It's brought me hope and encouragement. It was hard to see that others didn't want these things (mandates) like myself.	2/18/2022 5:26 PM
57955	It's made me feel good again about being Canadian.	2/18/2022 5:26 PM

57957	I see hope with the truckers. They're standing for freedom. I love them	2/18/2022 5:26 PM
57958	In a very positive way gives me hope I will some day be able to work agian without being forced to put something in my body	2/18/2022 5:26 PM
57959	It hasn't, I stand with them 100%	2/18/2022 5:26 PM
57960	Gives me hope	2/18/2022 5:26 PM
57961	It has awaken me anewm. I was already aware of the Cabel globally including our government. I was praying for Cdns to wake up. Amazingly enough God is using truckers.	2/18/2022 5:26 PM
57962	Got kenney to give his bead a shake!	2/18/2022 5:26 PM
57963	It's given us hope, pride, reminding us we are not alone. Many believe and are suffering as we have been and we were shamed for not believing all the lies.	2/18/2022 5:25 PM
57964	Have hope things were going to turn around so we could get freedoms back.	2/18/2022 5:25 PM
57965	I am sitting in the passenger seat of my BF's truck. We are heading back to Stratford from Ottawa, we came to see the Truckers and support in anyway possible. It's light something inside my heart that I thought was gone forever. These men- these woman ignited my passion for life again and allowed me to believe in something again. To me, they are heros. Yes things sent going as hoped, but I think something else truly spectacular is coming out of this too; Unity. Thank you Truckers ♥ I will never ever forget this and I will teach teach and teach about what you have done for us all. You gave hope back to this broken world.	2/18/2022 5:25 PM

57969	Give me hope this bs can be over	2/18/2022 5:25 PM
57970	For the first time in 2 years, I've felt hopeful that Canada will be free again.	2/18/2022 5:25 PM
57971	They have given me hope and pride for their demonstration of free speech and the exercising of their charter rights! They have also revealed that our country is solely controlled by those with money and influence to force governments to bend to their will rather than the desire of the people of Canada. The government is an embarrassment to all people of Canada and the rhetoric and statements made by our Prime Minister have brought divisions and hate to Canada.	2/18/2022 5:25 PM
57972	Made me happy to see Canadians standing up for our rights and freedoms	2/18/2022 5:25 PM
57973	It has given me a shred of hope but I do not know if it will have any effect on the restrictions we live with and that so many people co wider normal and necessary. This makes me feel despondent about life.	2/18/2022 5:25 PM
57974	Inspiring, nice to see and hear I am certainly not the only one who has had enough. Small fringe group.... What an ass. So ashamed of our federal government, and the news media. I think it is pathetic that now the government is freezing bank accounts and having insurance companies cancel truckers insurance. For shame liberals for shame	2/18/2022 5:25 PM

57981	Unity and proud to be a canadian	2/18/2022 5:25 PM
57982	it hasn't but i support their right to protest !	2/18/2022 5:25 PM
57983	Trucker convoy gives me a reason to smile again because Canadians are slowly waking up to realize that the government has other agenda beside looking out for the people.Gives me hope that everyone in Canada will stand up and unite together to fight for our freedom which has been taken from us from the Benning of this pandemic , The government being totalitarianism ruling everyone in Canada.I want freedom of choices not forced choices by government.	2/18/2022 5:25 PM

57989	The people involved in the peaceful protest has been the first positive thing I've felt in over 2 years, finally feeling some hope again. It also has pulled Canadians together more than any other thing in the last 6 years!!!	2/18/2022 5:25 PM
57990	Brought me hope for the future. The condition that Canada is is currently makes me not want to live here anymore. I'm happy they stood up for us. Someone had to because our prime minister has not. He does not have Canadians best interests at all.	2/18/2022 5:25 PM
57991	It gave me hope.	2/18/2022 5:25 PM

57996	The trucking convoy gave me hope, because the truckers display the courage to show their commitment to freedom of medical choice, and they express caring for each other, and countless members of the general public cheer them on.	2/18/2022 5:25 PM
57997	Partial ending of mandates	2/18/2022 5:25 PM
57998	It has been amazingly positive, it has United the country.	2/18/2022 5:25 PM
57999	Hope. First time in 42 year that our family has bought a Canadian flag. Feel proud to be Canadian.	2/18/2022 5:25 PM
58000	It has made me feel better, it has given us hope for a better tomorrow. Feeling proud to be a Canadian.. Disgusted with the so called PM. Mr. Trudeau. I feel he needs to resign now	2/18/2022 5:25 PM
58001	It hasn't	2/18/2022 5:25 PM

Canadians vote on Canadian Mandate - February 2022

58032	Finally felt proud to be Canadian and hope the mandates might end	2/18/2022 5:24 PM
58033	Gave me hope I haven't had in 2 years.	2/18/2022 5:24 PM
58034	The trucker convoy has not impacted me nor affected me in any way.	2/18/2022 5:24 PM
58035	Gave me hope that we would put an end to these unsubstantiated mandates.	2/18/2022 5:24 PM
58036	It has brought great hope and has exposed how very evil those in government positions are and the lengths they are willing to go to push Agenda 2030/ the great reset/NWO. The Constitution and Charter of Rights are being trampled all over and when peaceful protests like them are defamed by a PM and the legacy media it makes me want to vomit.	2/18/2022 5:24 PM
58037	Makes me feel there's still hope for Canada as being a FREE country where the Charter of Rights actually means something.	2/18/2022 5:24 PM

58043	They gave me hope!	2/18/2022 5:24 PM
58044	It's the only thing that has given me an ounce of hope in 2yrs. Provinces started dropping restrictions one by one. Alberta dropped its vaccine passports so I could get back to the gym. But I am also anxious for the people there, and the measures our idiot PM will take to remove them instead of actually speaking to them. Justin Trudeau should be in prison.	2/18/2022 5:24 PM
58045	Finally gave us hope for freedom. Go truckers go honk honk	2/18/2022 5:24 PM
58046	I see that some provinces have decided to end mandates in the next couple of weeks.	2/18/2022 5:24 PM

58049	I see hope that we all can overcome this and be one as a nation again	2/18/2022 5:24 PM
58050	Shows me the government isn't working for us. They don't care what we need.	2/18/2022 5:24 PM
58051	It's given me huge hope that evil will be overcome, and a spiritual uplifting because I now see that millions of other Canadians are as awake to the truth as I am - that they're true brothers and sisters.	2/18/2022 5:24 PM
58052	Was giving hope	2/18/2022 5:23 PM
58053	Hopeful!	2/18/2022 5:23 PM
58054	Has not affected my life in any way at all except to open my eyes to the lies that the leader of my Country Canada is saying and to the lies that mainstream news is putting out there ... Incredible !!! Where is our freedom of choice???	2/18/2022 5:23 PM
58055	It brought hope ! Finally !	2/18/2022 5:23 PM
58056	This trucking convoy affected me by opening my eyes how Trudeau is pushing us Canadians to communism and one world government. He's talking the same lingo as Joe Biden, just tune in.	2/18/2022 5:23 PM
58057	Supported since inception	2/18/2022 5:23 PM
58058	Gave me hope again	2/18/2022 5:23 PM

58060	Made me proud to be a Canadian again. Gave hope. Haven't felt that way in two years.	2/18/2022 5:23 PM

Canadians vote on Canadian Mandate - February 2022

58061	It has made me proud to be Canadian again. Something that I have not felt for years. Today watching what is happening with the arrests downtown is unbelievable. This is not my Canada. Trudeau and the Liberals have killed our country and taken our freedoms.	2/18/2022 5:23 PM
58062	It's sad how the government has divided Canadians by lying to them. We all want the same thing at least most of us do.	2/18/2022 5:23 PM
58063	They stand on same side as me	2/18/2022 5:23 PM
58064	I think it's amazing to see peaceful protests and people band together pro choice and wanting to fight for our freedom and charter or rights	2/18/2022 5:23 PM
58065	I support them	2/18/2022 5:23 PM
58066	I am extremely annoyed and frustrated at their behaviour while holding Canadian flags. I am embarrassed by these actions of my fellow countrymen.	2/18/2022 5:23 PM
58067	Just the news , it depressing people want so much , the trucking have caused problems for delivery product	2/18/2022 5:23 PM
58068	I see hope, love and unity in the country. Love seeing people stand up for their rights and freedoms. Trudeau has done nothing but make a mess, he needs to go	2/18/2022 5:23 PM
58069	Given me some hope	2/18/2022 5:23 PM

58072	They are standing up for my rights	2/18/2022 5:23 PM
58073	Gave me hope.	2/18/2022 5:23 PM
58074	It has given Canadians some hope and sparked unity.	2/18/2022 5:23 PM
58075	Seeing it bring out the worst in people; denying science, trying to overturn the democratic process, the rise of far right populism and extremism. Basically it brought to light the worst of us.	2/18/2022 5:23 PM
58076	Was blessed to see the thousands of Canadians that supported the truckers convoy!	2/18/2022 5:23 PM
58077	Expressing the rights and freedoms of all Canadians. We live in "the land of the free" but the mandates are dividing this beautiful free country and the truckers are proving their point by asking for mandates to be lifted	2/18/2022 5:23 PM
58078	gave me hope for change. Hope for life to return to normal.	2/18/2022 5:23 PM
58079	Gave me hope. Felt inspired.	2/18/2022 5:23 PM

58081	Uplifting, hopeful , happier.	2/18/2022 5:23 PM
58082	It didn't affect my life IT HAS GIVEN ME LIFE. I have never been so Impressed in my life with the love and unity these Truckers have brought to all of Canada. God Bless Then and Keep them Safe. These are our neighbours.	2/18/2022 5:23 PM
58083	Gave me hope	2/18/2022 5:23 PM
58084	Hope	2/18/2022 5:23 PM
58085	It has given me joy and hope as people stand up to the authoritarians who have mid-managed this disaster from the start. We waved them on as they passed through our town. We drove with them and cheered them on. We visited them in Ottawa to offer support. We admire their spirit and strength and commitment to real Canadian values. Go Truckers!	2/18/2022 5:23 PM
58086	It has brought attention to the deep seated problems CANADA is facing under a dictator.	2/18/2022 5:23 PM
58087	Given me hope	2/18/2022 5:23 PM
58088	Outraged me cause they clearly cannot tell the difference between rights and privileges	2/18/2022 5:23 PM
58089	I think it woke up a lot of people. The PM is showing his narcissism and will never admit to	2/18/2022 5:23 PM

thinking maybe, things could have been handled, differently. Sad state, we are currently in.

58090	Given me hope	2/18/2022 5:23 PM
58091	It has given me hope and joy!!!	2/18/2022 5:23 PM
58092	None	2/18/2022 5:23 PM
58093	It finally provided a sense of hope.	2/18/2022 5:23 PM
58094	Postive	2/18/2022 5:23 PM
58095	It really hasn't	2/18/2022 5:23 PM
58096	Gave me some positive to look forward to, while now it is depressing to see Canada become a dictatorship. No hope for us, our children or grandchildren	2/18/2022 5:23 PM
58097	It has given us hope that we will see the end of the senseless apartheid that is happening in this country.	2/18/2022 5:22 PM

58099	Gives us hope in a way	2/18/2022 5:22 PM
58100	Some supply and demand issues. Other than that, it hasn't other than it spreads a confusing message to people with both peace and hate messages.	2/18/2022 5:22 PM
58101	Hope that mandates will be lifted and Trudeau is removed from government	2/18/2022 5:22 PM
58102	Made me more aware of the different racist, white supremacist, and neo- nazi groups in Canada.	2/18/2022 5:22 PM
58103	It hasn't. Other than pushing the provinces to buckle up and start dropping mandates. It's been a wonderful thing to witness. Canadians standing up peacefully for their rights.	2/18/2022 5:22 PM
58104	They may have some very dangerous president. They endangered many people. They do not believe in science. They can commit acts of treason and walk away believing they are special. They bring out the worst in everyone. They make many of us afraid of our future.	2/18/2022 5:22 PM
58105	It gave me hope and a renewed optimism about humanity and how when we come together, we can listen to each other and better understand the struggles and fears of others. It has made me feel less isolated and more courageous to speak out for what I believe is right.	2/18/2022 5:22 PM
58106	It's given me pride in our human potential	2/18/2022 5:22 PM
58107	It's given me hope for our country that we are still a democracy. Of course, then Trudeau proved I was wrong.	2/18/2022 5:22 PM
58108	Brought hope, love and positivity for a future	2/18/2022 5:22 PM
58109	The convoy has given me hope for the first time in 2 years.... If I wanted to live in a communist country I would have moved to China	2/18/2022 5:22 PM
58110	Increased blood pressure.	2/18/2022 5:22 PM
58111	Given me HOPE for a future!	2/18/2022 5:22 PM
58112	It has given much-needed hope for me and most Canadians who have been put through hell by Trudeau and our governments for a "fake" 'pandemic' that is really a PLANdemic for which there is a lot of evidence. It will all come out for ALL to see and there will be NO support for all those who have participated and co-operated in this tyranny! This is the end of the line for all governments who have betrayed we the people. Governments are 'elected' to serve the people; to work for us - not the other way around and NOT to tell us what we can and cannot do!! That is fascism, Communism and tyranny and we will not accept or put up with this any longer!!!! We will win this war and we will have a far better and fairer world than has existed for centuries now with all the riches and wealth and resources of Planet Earth being hoarded and manipulated by the relative few -A cult of "hidden" extremely wealthy psychopaths and the Multibillionaire class puppets and puppet governments that have run and controlled our world for TOO LONG. They are all crumbling, being exposed for the evil they are and are constricting across our God-given planet Earth. They will come down and will pay for every crime and evil they have committed. Many who have partied in allowing these crimes - police forces; the military; the Health Authorities; some doctors and nurses; the complicit Mainstream Media and	2/18/2022 5:22 PM

Medical Systems who have lied and promoted the evil; businesses and Corporations who have enabled the cult and the puppets, will serve prison terms and the cult when discovered and the government puppets who willingly enabled the evil to be done will deservedly receive death sentences for treason and genocide which were the main ends of the PLANdemic. They will pay for all the agony and mental and physical harm they have done to us these past two years and ongoing- lost lives, jobs, destroyed businesses; lost homes; suicides; deliberately killing millions or perhaps even billions yet via the "experimental, never proven safe, deadly mRNA "jabs- NOT true vaccines. The TRUCKERS convoys - God Bless them - all over the world have shone the light on all the darkness in the world and have shown us the way out!! They have come to stand up for we the peoples rights through peaceful, non-violent, protests They have been met with violence and more lies and misinformation - many MSM outlets leaders and complicit "reporters" - really "repeaters" of the cult and puppets' lies, misinformation and fear-mongering will face criminal charges too! The evil committed against people worldwide and against God will not go unpunished. Your days of Wrath and punishment are coming SOON!! The "spirit" of the truckers which is being caught and multiplied around the world by 'angels' will bring down and defeat all their incomprehensible EVIL!!! They know it and feel it now and so are hurling everything at us right now. BUT they are ALREADY defeated. We look forward to the day of their retribution and punishment and to a better world without them. Those who truly repent for their evil will be in time welcomed back to participate on Earth but that may take a few lifetimes. There IS no hope for the evil PM for deserting and destroying our beloved Canada, once "glorious and Free",... and to be that again in even greater measure once his evil presence is removed ... and for wreaking such pain and agony on we the Canadian people at least those of us who were AWAKE and tried hard to get the truth out to others who did to want to look and see. Maybe they'll see now. We the people are the ones who can change and END the evil simply by UNITED NON-COMPLIANCE! Let's dO it!!

58113	It for the first time in 2 years has made me feel proud to be Canadian again. It has brought back hope that one day soon we may live in a country that I recognize and love, that is the real Canada true north strong and free.	2/18/2022 5:22 PM

58117	I was so happy to see the trucking convoy travel to Ottawa and finally see the Canadian citizens stand up for their freedom. I feel that they started the freedom rally around the world. Someone was finally doing something against the corrupt Federal and provincial governments.	2/18/2022 5:22 PM
58118	Give me hope. They see what I saw the government is becoming	2/18/2022 5:22 PM
58119	They are making me feel HOPE	2/18/2022 5:22 PM
58120	They give me hope for a free Canada that we used to have. I have a positive outlook because of the trucker convoys.	2/18/2022 5:22 PM

58122	It has brought hope into my heart when I thought all was lost	2/18/2022 5:22 PM
58123	Prices have gone up more since the convoy not sure if that's really the convoys fault or government taking advantage	2/18/2022 5:22 PM
58124	It gave me hope for the first time since the restrictions began. Now as I sit and watch the take down of Canadian citizens in the Nations capital, my hope and heart is once again shattered. However deep within the depths of my soul there is still an ember of knowing this is still not over and love will triumph over evil.	2/18/2022 5:22 PM
58125	Messed it up. I can't go where I want and do what I want with these invaders here.	2/18/2022 5:22 PM

58132	Improved morale	2/18/2022 5:21 PM
58133	The truckers convoy say they are for 'Freedom', then why can I not go to the US because they are blocking the road and effecting 'My Freedom'. This Convoy is not about Mandates! It is about the fact they don't want to get vaccinated, period!	2/18/2022 5:21 PM
58134	It has been AMAZING! It has been the most positive I have felt in the past two years. There is once again hope in my country.	2/18/2022 5:21 PM
58135	They have made me feel that I have a voice and concerns that deserve to be heard.	2/18/2022 5:21 PM
58136	It had made me feel proud to be Canadian again. Finally someone willing to stand up to our government.....I am not anti anything, I am pro choice. That mean you get to do what right for you and your family, and I will do what right for me and my family.....what the government has done since the vaccine has come out is absolutely disgusting.... Medical corrosion is not freedom of choice	2/18/2022 5:21 PM
58137	It has not affected me directly.	2/18/2022 5:21 PM
58138	The Trucker Convoy gave us hope and unified Canadians from across Canada. Our brave Trucker Heroes standing up for our freedom gave voice to how Canadians feel about 2 years of govt overreach and tyranny. We support the Trucker Convoy 100%. Trudeau's treatment of the Truckers and those protesting his mandates is shameful. Trudeau is unfit for office and must resign immediately.	2/18/2022 5:21 PM

58165	It has given me hope that there are people that are willing to take a stand for injustice.	2/18/2022 5:20 PM
58166	They have brought Canada together under a common goal. It's the first time I have seen unity in many years!! A PM that is causing hatred and encouraging segregation and making life hard for those who don't want a shot is not worthy of running this country. The freedom rally is uniting everyone who wants to end the tyranny of JT and bring back normal life to ALL, not just the vaccinated.	2/18/2022 5:20 PM
58167	Annoyed the hell out of me. Go home fuckers.	2/18/2022 5:20 PM

58171	When I see the heartwarming videos of the truckers and supporters, a lot of them make me cry. I feel like there are finally people out there, strongly and passionately speaking for me.	2/18/2022 5:20 PM
58172	Gave me hope for first time in two years. Reunited a lot of Canada. Uplifting. Made others realize 7 million people is a lot. Showed Canadians how untrustworthy our government is. Reinforced in my mind what a poor leader and coward our Prime Minister is. Went shopping today without a mask - my lungs are happy	2/18/2022 5:20 PM
58173	It has given me hope that all mandates and restrictions will be removed forever - and that the blackface communist PM will resign in dishonour for bringing distrust and humiliation to all Canadians worldwide.	2/18/2022 5:20 PM
58174	Bringing to light the government overreach	2/18/2022 5:20 PM

58176	Seeing the truckers and all the support they have across the world has given me hope, lifted me from going into a depression. Seeing all the people supporting them is very emotional - makes me once again proud to be a Canadian. Something I have NOT been for the past 2 years.	2/18/2022 5:20 PM
58177	Yes it shows unity in Canada and what can happen when we stsnd together	2/18/2022 5:20 PM
58178	It does not affect my life	2/18/2022 5:20 PM

58184	It has helped restore my pride in my countrymen.	2/18/2022 5:20 PM
58185	It's given me a sense of Canadian pride, standing up for our rights and freedom.	2/18/2022 5:20 PM

58187	None	2/18/2022 5:20 PM
58188	Was bringing me hope to get back to normal life and be Free and showing the true Color's of our corrupted government. Trudeau must go. Before we all loose our freedoms. The writing is on the wall what he Trudeau is doing to Canada	2/18/2022 5:20 PM

58190	I am proud to support any patriot willing to fight for their country. Praying for resolution! And I am looking forward to being able to enjoy freedoms in the near future. Travel, eating out, smiling faces, etc.	2/18/2022 5:20 PM
58191	Given me back my hope. My faith in humanity. Love. Joy. Comraderie. It's given me unity and a pride in my beautiful country. A love for all people and a light at the end of a very long tunnel.	2/18/2022 5:20 PM
58192	I have realized there are far more people who think like me and support the end of mandates than I originally thought.	2/18/2022 5:20 PM
58193	It has given me much joy, hope and comradeship. It also made me realize how much shame I have been carrying in myself in society about my decision to remain unvaccinated for covid19. I have been very sad and angry, but have been suppressing it.	2/18/2022 5:20 PM
58194	Inability to perform duties of my job as they are preventing people i need to connect with from attending their jobs.	2/18/2022 5:20 PM
58195	It's given me hope	2/18/2022 5:20 PM

58197	Made me feel proud to once again be a Canadian. Given me hope for freedom	2/18/2022 5:20 PM
58198	-have inspired hope - given a platform to be heard in a peaceful manner led by truth, and love. - peacefully legally protest in a free democratic country - confirm that loss of job/livelihood is an unreasonable consequence of every Canadian under the constitution. -revealed that we are not alone. - offered unity and acceptance as a citizen of a Free Democratic Country - demonstrated that all Canadians matter are to be protected under the Constitution. -ability to stand for what is right. -have a voice, an opportunity to speak. -inspired to be a proud Canadian.	2/18/2022 5:20 PM
58199	given back hope and faith More patriotism. All for one and one for all	2/18/2022 5:20 PM
58200	Very positive, given hope in mankind	2/18/2022 5:20 PM

58205	Given me hope	2/18/2022 5:20 PM
58206	Gave us hope for a better future	2/18/2022 5:20 PM
58207	Very little	2/18/2022 5:20 PM
58208	Given me hope to hopefully the end of mandates that are not related to the science behind this virus and does not eradicate virus.	2/18/2022 5:20 PM
58209	Finally something has given me a glimmer of hope. Life was just not fun any more and was beginning to feel very stifling and downright scary sometimes. It has also exposed a lot of scary corruption in high places. Trudeau must go.	2/18/2022 5:20 PM
58210	It's made me proud to be a Canadian. They are fighting to maintain our rights and freedoms.	2/18/2022 5:20 PM
58211	The truckers have broth back so much hope, peace, love and unity to all Canadians God bless them all and help them thru this day of complete historia. What PM Trudeau snd his party have done to Canadians is unacceptable on all levels. And the police that are involved should be ashamed of themselves.	2/18/2022 5:20 PM

Canadians vote on Canadian Mandate - February 2022

58212	The Freedom Convoy 2022 has renewed my pride in Canada. It gas brought a visible awareness of how many others find the mandates offensive and despicable. This has shown the two camps, those concerned about Freedoms and government overreach and those who fall for everything the government and legacy media tells them.	2/18/2022 5:19 PM
58213	Not a whole lot . A lot less food on the shelf's tho	2/18/2022 5:19 PM
58214	Positively	2/18/2022 5:19 PM

58231	Renewed hope for Canada and people in general. The most important thing happening in this world and I am so Proud and grateful for them	2/18/2022 5:19 PM
58232	I see the results of less items and also giving voice to most Canadians who want freedom from these mandates set on us by the government.	2/18/2022 5:19 PM
58233	They are hero's that represent freedom. Anyone with a brain can see Trudeau wants a dictatorship	2/18/2022 5:19 PM
58234	It's made me embarrassed to be Canadian and doesn't represent me. Taking away our freedoms isn't the way to fight for freedom	2/18/2022 5:19 PM
58235	They, the truckers aknowledge that these mandates have gone on far too long and that the PM has abused his rights of power	2/18/2022 5:19 PM

58248	It has given hope & brought more Canadians together.	2/18/2022 5:19 PM
58249	Busy supporting it.	2/18/2022 5:19 PM
58250	My partner has been harassed and assaulted in Ottawa by protesters; I have seen many people become sympathetic to separatists, insurrectionists and anti-science attitudes due to their frustration with the pandemic; my faith in law enforcement and provincial (mostly conservative) leadership has been gravely impacted by their inaction and refusal to utilize the National Defence Act in a manner consistent with any other direct action or occupation impacting critical infrastructure, ESPECIALLY in light of the fact that the "truckers" have explicitly stated their intent to overthrow a democratically elected government.	2/18/2022 5:19 PM
58251	Inspired not only Canadians but people around the WORLD. To stand for what is right.	2/18/2022 5:19 PM

58253	Inspired me	2/18/2022 5:19 PM
58254	Positive energy in Canada. It's great. Hope to get the PM to listen to people. Very disappointed in the PM and his behaviour and terrible comments.	2/18/2022 5:19 PM
58255	It's been a way that Canadians and humanity have channeled their frustrations at mandates that have no effect on halting a virus .	2/18/2022 5:19 PM
58256	It has been a disgusting display of selfishness and hate and made me ashamed to live among these fellow "Canadians"	2/18/2022 5:19 PM
58257	Not much as I'm very sick at the moment. It hasn't affected me but I know that a lot of people have been affected by this.	2/18/2022 5:19 PM
58258	It has given me hope	2/18/2022 5:19 PM

58265	Made me proud to be a Canadian, I'm fully in support of truckers.	2/18/2022 5:18 PM
58266	Hope, Hope and much more hope. I'm profoundly disappointed in our Prime Minister who says he cares about Canadians and yet will not listen to the blue collar, back bone citizens of his country. He is flat out wrong.	2/18/2022 5:18 PM
58267	It has given me pride once again to be a Canadian citizen. Something that I haven't had in a very long time	2/18/2022 5:18 PM

watching them do this for all our freedoms!

58270	The convoy renewed a feeling of patriotism to my country - something I have not felt in 2 years or perhaps even longer; since Justin Trudeau became PM.	2/18/2022 5:18 PM
58271	Given me hope for the future watching these brave people fighting for our freedoms	2/18/2022 5:18 PM
58272	It hasn't	2/18/2022 5:18 PM
58273	It's the first hope I have felt in 2 years...I felt alone. I knew there were some who were in the same mindset, but I didn't realize just how many. We are united in many ways. The actions of the government in the last week have throughly disgusted me. I hate my government even more now.	2/18/2022 5:18 PM
58274	It hasn't.	2/18/2022 5:18 PM
58275	It has given me hope some Canadians realize what is happening to this great country and they are willing to stand up.	2/18/2022 5:18 PM
58276	I've seen and felt hope. And I've seen truth	2/18/2022 5:18 PM
58277	Brought me hope for Canada	2/18/2022 5:18 PM
58278	Gave me hope in the beginning and now I feel some have forgotten what the initial goal was	2/18/2022 5:18 PM
58279	It has given me hope that not everyone agrees with the negative media.	2/18/2022 5:18 PM
58280	Hope for freedom back in Canada	2/18/2022 5:18 PM
58281	It has made me realize I'm not alone with my feeling that this isn't right. The way governments have systematically stripped away our rights and freedoms is Unconscionable!!	2/18/2022 5:18 PM
58282	It's given me a glimmer of hope. I'm so proud of what they're standing for. Really pray it'll make a difference	2/18/2022 5:18 PM
58283	Giving me hope	2/18/2022 5:18 PM
58284	It hasn't as you can see they are all fighting for our freedom	2/18/2022 5:18 PM
58285	Gives me faith in humanity for people to peacefully unite for the same cause to fight for our rights and our children's future. It makes me feel extremely disappointed in our Prime Minister's lack of leadership and willingness to meet with the people in Ottawa and other cities to listen to their concerns.	2/18/2022 5:18 PM
58286	N/a	2/18/2022 5:18 PM
58287	Very proud Canadians are finally speaking out and standing up for our civil liberties	2/18/2022 5:18 PM
58288	Gave me some hope that Trudeau would listen to the people he is supposed to be serving. We see how that has gone. He's proved that he is a narcissistic dictator and has turned Canada in to a communist country	2/18/2022 5:18 PM
58289	Not	2/18/2022 5:18 PM
58290	It's been inspirational that there some people willing to fight for our choice to control what I do with my body. And fight for Freedom and their ability to not have their livelihoods taken away by the government.	2/18/2022 5:18 PM
58291	Given me hope. Knowing there are others who struggled the way I did but were able to fight back on behalf of those of us who can't is amazing. Watching the joy, fun and love on the streets is beautiful. Trudeau had do destroy the only beautiful thing Canada has to offer in the past two years. It's heart breaking to see what he is doing to people who only wanted to change our world for the better.	2/18/2022 5:18 PM
58292	They install hope that this nonsense will soon be over	2/18/2022 5:18 PM
58293	They are courageous selfless individuals, who started a massive movement toward peace, love, hope and unity. Everything the current government does not support.	2/18/2022 5:18 PM

58320	It has given me hope because I know I'm not the only one who believes the government has overreached and violated our charter of rights and freedoms. The convoy has also brought out our Prime Minister true colours with his illegal responses to this peaceful protest.	2/18/2022 5:17 PM
58321	Their taking a stand for our rights and freedoms. We sent out men and women to die for these rights in WW1 & WW2 why would we allow that to be taken away from us.	2/18/2022 5:17 PM

58335	I hold the class one license, my brother holds a class one ,license, two of my sons hold a class one license, my nephew's hold a class one license, I have countless of cousins that hold class one licenses, that is my one family alone.... you can times that by how other many people you want... There is hardly a middle and lower class family that does not have a trucker in it., let alone all the immigrants that have come to Canada. All their lives have been touched by this whether a trucker or not... Fully aware of what they are doing and that they're doing it peacefully and Lawfully.... No mattwr what Trudeau and the Government and provincial premiers say! , The trucker Convoy has given all of us hope of maybe having a free canada again. we support the truck convoy a 100%... Has it affected our life, you bet,! I know without truckers the world economy would crash in hours they all would stop right away and stand where they are for the next 10 hours Can you just imagine devastation.....	2/18/2022 5:17 PM
58336	Hopefulness, proud, unified	2/18/2022 5:17 PM
58337	positively! Truckers are speaking for those of us who have no voice.	2/18/2022 5:17 PM

58347	Love them for fighting for our freedom!!!	2/18/2022 5:17 PM
58348	Given me hope	2/18/2022 5:17 PM
58349	Pissed me off and disgusted me to the point where I want to vomit from stress. You are crying freedom and calling a man a fascist when you would support an actual dictator who wants to cleanse Canada of all visible minorities and remove whatever freedom you think you dont have. You have the freedom to stay weeks in another province without being arrested and take pics with cops. The convoy is a farce that is harming the very cause they are fighting for. You are harming the innocent while using children as shields. You all disgust me.	2/18/2022 5:17 PM
58350	I live in Ottawa, so this has impacted people I know and love. Some who live downtown and some who work downtown. Some who work in healthcare. It has impacted my mental health in a couple of ways. I am a disabled vet, and to see them compare this to the sacrifices actual veterans and those who never made it back hurts my heart. Seeing them urinate and stand on the monuments disgust me. Seeing the support they are getting from both serving and ex-military members (albeit a tiny minority) is shameful. That fact that some of them may not even be actual vets or serving members is reprehensible. The other way it has affected m mental health is that my daughter and I have underlying issues that would put us at risk of severe illness from Covid-19. I got pericarditis from my second vaccination, so I am not	2/18/2022 5:17 PM

allowed to get my booster yet. This makes me feel extra vulnerable. Add on the idea that we can just let it run rampant now because it's "only Omicron" and now I feel a little terrified. The potential for more mutations is frightening. I am very science literate, and to see some politicians cave to the pressure of their seemingly uneducated base saddens me. Nobody likes mandates and closures, and we are all sick of Covid-19. If these people buckled down and adhered to them in the first place, we may have nipped it in the bud. I feel like crying every day. I have to take frequent social media breaks, especially from local mom groups. I know that they are a minority, but they are a very vocal one! Tired, anxious, depressed.

58351	Has not	2/18/2022 5:17 PM

58357	It has given me hope that things will get better	2/18/2022 5:17 PM

58371	Incredibly negatively, since a group moved into a city, and proceeded to trash everyone's freedoms while thinking only of their own.	2/18/2022 5:16 PM
58372	The first time I had hope that the division between Canadians could be repaired. Everyone has been terrified and threatened into silence, and this group of Truckers had the courage to stand up and speak out. They speak for a lot of Canadians and deserved to be supported in a continued peaceful, non-violent and legally protected protest. Instead, our Prime Minister did the unthinkable and exercised emergency powers to quash dissent, steal donated funds and shut down Parliament - disgraceful.	2/18/2022 5:16 PM
58373	I have hope in Canada again.	2/18/2022 5:16 PM
58374	It gave me hope and encouragement after two years of lockdowns. The heavy handed bully tactics of the government in power are alarming and wrong.	2/18/2022 5:16 PM
58375	It gave me a sense of hope and I was proud to be a Canadian again	2/18/2022 5:16 PM

58404	Gave hope for Canada. To hold the ones accountable for their crimes against humanity	2/18/2022 5:15 PM
58405	It hasn't. Only made a positive impact and proud to be Canadian.	2/18/2022 5:15 PM
58406	It has given me hope for our future ... It has proven to me that I am not alone in my opinions regarding these mandates ... there are millions of Canadians that feel the same way. I am not anti-vax... I am about the facts and following the science	2/18/2022 5:15 PM

58434	Gave me more freedom. Restrictions were reduced only after truckers started to stand up for us.	2/18/2022 5:15 PM
58435	It hasn't.	2/18/2022 5:15 PM

58440	It has given me hope. God bless them.	2/18/2022 5:15 PM
58441	It gave me courage and hope ...	2/18/2022 5:15 PM
58442	Gave me hope and a lot of inspiration	2/18/2022 5:15 PM
58443	They have encouraged me to speak up even more! They have taught me more about my rights then the Government of Canada has.	2/18/2022 5:14 PM
58444	It gave me and my family hope that this madness ends soon	2/18/2022 5:14 PM
58445	The truckers gave me hope for the 1st time in 2 years. I once again felt proud of Canada, all Canadians and the Countries around the world joining in support and with Love. They united the world that corrupt leaders had divided bringing a sense of peace to all.	2/18/2022 5:14 PM
58446	It gave me hope for my childs future and to be able to live normal again.	2/18/2022 5:14 PM
58447	Gave me Hope and Inspiration.	2/18/2022 5:14 PM
58448	Given me hope that change will come , and Trudeau wo t last much longer	2/18/2022 5:14 PM
58449	In the most amazing way. It's filled me with hope for a new beginning.	2/18/2022 5:14 PM
58450	It's brought hope!	2/18/2022 5:14 PM
58451	Made me feel hopeful. Someone is standing for actual democracy. Positive	2/18/2022 5:14 PM
58452	It has given me hope for the future and the small hope that things may finally go back to normal.	2/18/2022 5:14 PM
58453	It has affected me in a great way I finally see a light at the end of the tunnel that is not a another train barreling towards me	2/18/2022 5:14 PM
58454	Gave me hope.	2/18/2022 5:14 PM
58455	It has shown me there are others who support our freedoms and the end to the Mandates. Also that Canadians are uniting to fight against Trudeau and his cohorts from turning Canada into a Communist/Socialist country ran by the UN and the world economic forum.	2/18/2022 5:14 PM
58456	Shows that others are willing to stand up to tyranny.	2/18/2022 5:14 PM
58457	Gave some hope	2/18/2022 5:14 PM
58458	Gave me hope that the Canadian people stand united over tyrannical dividing of our Country.	2/18/2022 5:14 PM
58459	It hasn't affected me, I support them for standing for the Freedom, that's trying to be taken away from our nation.	2/18/2022 5:14 PM
58460	Brought awareness to the corruption of the liberal government and the misleading headlines of the CBC and other corporately paid for news stations.	2/18/2022 5:14 PM
58461	Not at all.	2/18/2022 5:14 PM
58462	It hasn't, I have friends and family who support it heavily, and I have the same who believe it is nothing but extremists. My view on it is the majority of those protesting at doing it for honestly held beliefs and means what they say about remaining peaceful, I also believe their is an extreme minority that will cause problems. But Trudeau believes like his father that society should not bend to the minority. So if he will not bend to what he believes is the minority and end the mandates, why should the truckers bend to the minority and define themselves by the extreme elements in the group like with Coutts. So I guess I support the truckers, but I do not have the capacity or ability to do so in person.	2/18/2022 5:14 PM
58463	Given me hope	2/18/2022 5:14 PM
58464	Given me hope	2/18/2022 5:14 PM

58465	None didn't affect me at all .. it was for our freedom	2/18/2022 5:14 PM
58466	Made me proud to be Canadian again something I haven't felt in a while	2/18/2022 5:14 PM
58467	Causes headaches, supply disruptions, and general pain.	2/18/2022 5:14 PM
58468	Proud to be Canadian.	2/18/2022 5:14 PM
58469	It has made me feel Hope love joy and proud to be a Canadian We are spending the winter in Phoenix AZ and American people now know and honour Canadians due to the truckers convoy	2/18/2022 5:14 PM
58470	It has brought a feeling of happiness and unity and has shown me personally that myself and opinions are not alone.	2/18/2022 5:14 PM
58471	It has caused great distress in my community and been overly negative. I also believe it was terrible display of message. To have big street party is not to protest and is a really bad way of trying to convince people your freedoms are being restricted.	2/18/2022 5:14 PM
58472	Nice to see people fighting for our freedom. Our gov is a disgrace.	2/18/2022 5:14 PM
58473	Convoy has given me some hope	2/18/2022 5:14 PM
58474	I'm happy that people are standing for their freedoms because citizens have a right to democracy. It's quite refreshing to see the trucking convoy standing up to bogus mandates. It's time we unite and let our voices be heard.	2/18/2022 5:14 PM
58475	Opened my eyes on the lies I've believed growing up watching news. Opened my eyes that we are not a free country. Only free as long as we do what we are told. Disgraceful government.	2/18/2022 5:14 PM
58476	Made me happy	2/18/2022 5:14 PM

58482	Lots	2/18/2022 5:13 PM
58483	It has been a ray of hope and a thing of beauty.	2/18/2022 5:13 PM
58484	It hasn't. Although being gay I have rights that were gained through protest. I voted for Trudeau but will never do so again. He used the emergency act to take away rights to protest...I now know he can do that to me and take away my gay rights and I don't trust him at all. He should call for a vote!!! I am 52 and for the first time in my life I would vote conservative.	2/18/2022 5:13 PM
58485	Given me hope and reminded me that more than not Canadians are unified in their desire to love and respect one another's medical choices. The unity has been life giving.	2/18/2022 5:13 PM
58486	It hasn't, other than giving me hope that this tyranny will hopefully end soon. Someone has to fight this Gov't over reach. We are taking but no one is listening. Thanks to the truckers, people are finally paying attention and people are able to see Trudeau's true colours. Finally. I am grateful to them. I support them 100%.	2/18/2022 5:13 PM
58487	It hasnt	2/18/2022 5:13 PM
58488	Very stressful and dangerous. Please leave and don't come back.	2/18/2022 5:13 PM
58489	I support the trucking convoy, it did not impact my life. Even if it did I'd still support them.	2/18/2022 5:13 PM
58490	Hope. Made me proud to be a Canadian again	2/18/2022 5:13 PM
58491	I am proud of them for standing up for freedom of choice in Canada	2/18/2022 5:13 PM

58495	I am really hopeful that they help us to get freedom. I'm much happier now.	2/18/2022 5:13 PM
58496	The convoy has given me hope and I am less fearful of society as a whole. It has helped me see that not all government, police, and health related persons think I am a worthless, bad person. The convoy has given me back a sense that I might be a valuable citizen and that someday I might be seen as an equal in Canada again.	2/18/2022 5:13 PM
58497	a small spark of hope which led to full blown joy at times. exposed out tyrannical rulers...	2/18/2022 5:13 PM
58498	It has given hope, encouragement, and light in the immense darkness our government and world leaders have placed upon us. They represent many Canadians who are fed up with the infringements on our human rights and liberties.	2/18/2022 5:13 PM
58499	It has made me feel patriotic again. I appreciate the people who are trying to salvage the freedom of our country.	2/18/2022 5:13 PM
58500	Encouraged	2/18/2022 5:13 PM
58501	Restored some hope and pride in being a Canadian	2/18/2022 5:13 PM
58502	It has helped shed a light on how crooked the government is. It has shown us that this all was for political and power/money gain and never about what was actually good for the people of Canada.	2/18/2022 5:13 PM
58503	Positively. Has not had so much renewal of hope and faith in humanity as now.	2/18/2022 5:13 PM
58504	It has allowed me to see I am not alone in what I was thinking and that there are a lot of people across Canada that feel the same.	2/18/2022 5:13 PM
58505	No effect just support	2/18/2022 5:13 PM
58506	I love them. I feel like they're doing this for me	2/18/2022 5:13 PM
58507	It's made me hopeful	2/18/2022 5:13 PM
58508	Given me hope and made me proud to be Canadian again.	2/18/2022 5:13 PM
58509	It hasn't adversely affected my life. I am grateful that they spoke up for all the other people who had no way of voicing our dissatisfaction with the Covid rules.	2/18/2022 5:13 PM
58510	Supply chain disrupted.	2/18/2022 5:13 PM
58511	Finally has brought unity of all Canadians of all backgrounds has bought hope	2/18/2022 5:13 PM

58515	None whatsoever.	2/18/2022 5:13 PM
58516	It hasn't affected me, all it has done is given me hope	2/18/2022 5:13 PM
58517	I support it	2/18/2022 5:13 PM
58518	I has not. Great for them to try and get our freedom back.	2/18/2022 5:13 PM
58519	Gives me hope. Makes me proud. Shows how is lower class people are needed to keep this world turning. Not to be looked upon as little bags of money with feet. We are people too. I'm proud to be a Canadian again. I support peaceful protests and REAL news.	2/18/2022 5:13 PM
58520	I participate in every local activity to this end as possible. They have united many who were once divided and have helped reignite a sense of pride and community for Canadians from all walks of life and cultural backgrounds. Something the Crime Minister has obviously actively sought to destroy.	2/18/2022 5:13 PM
58521	Kept me glued to the news and cheering them on in support with 2 of our kids attending in person and taking supplies. Has confirmed the true nature and intent of our PM as a communist dictator who must be replaced asap.	2/18/2022 5:13 PM
58522	Inspired and give me some hope for a normal life again	2/18/2022 5:13 PM

58528	Not really affected rather than its good to see so many feel the same way and are standing up for us	2/18/2022 5:12 PM
58529	I think it is a good thing for Canada and the World	2/18/2022 5:12 PM
58530	Made me feel proud to be a Canadian which I haven't been able to say for quite some time.	2/18/2022 5:12 PM
58531	Brought hope and a feeling that the truckers are the only ones fighting for us	2/18/2022 5:12 PM
58532	Gives Canadians hope , you have to remember, that's Not just truckers who are on the protest. People of all walks of life and all freedom lovers of this country are the world.	2/18/2022 5:12 PM
58533	Liberated me personally from a very dark time in my life. It was great to see there are many more who are oppressed and not just me and my family.	2/18/2022 5:12 PM
58534	Not at all! I support their efforts to fight for our rights!	2/18/2022 5:12 PM

58536	It has brought us hope for freedom!! No government can control my body my choice!	2/18/2022 5:12 PM

58538	It has given me hope that all this crap about covid will dissolve and we can get on with our lives! I don't want a tyrannical government in power!!	2/18/2022 5:12 PM
58539	It made me have hope to see them come together and be peaceful in this country that our government is tearing apart.	2/18/2022 5:12 PM
58540	Makes me proud again.	2/18/2022 5:12 PM
58541	Gives hope and stronger community.	2/18/2022 5:12 PM
58542	It started out giving me hope, at this point it continues to highlight the imbalance of power that exists between the people and the current bullies that govern with no real concern for anyone but themselves, and how best to secure a vote. Trudeau's government is an embarrassing stain on Canada's reputation as a kind and free country. The arrests and silencing of protesters is a very dark time in Canada's history.	2/18/2022 5:12 PM
58543	It's giving me hope and a new appreciation for Canadian citizens and a new excitement for life.	2/18/2022 5:12 PM
58544	It hasn't	2/18/2022 5:12 PM

58546	Made me feel free	2/18/2022 5:12 PM
58547	Amen! We NEED to STAND up for our Rights. I applaud them for doing what we all need to do.	2/18/2022 5:12 PM
58548	It gives me hope	2/18/2022 5:12 PM
58549	It's awesome it's bringing Canada life again	2/18/2022 5:12 PM

58551	It has given me hope in humanity	2/18/2022 5:12 PM
58552	It has spurred a global movement that is creating more awareness about the negative effects of the mandates.	2/18/2022 5:12 PM
58553	Very upset with Trudeau who would not even come and speak to them. He is taking their rights away from them and the money that belongs to them but he had no guilt about giving millions	2/18/2022 5:12 PM

to that criminal Cotter. That is just fine and dandy in his books. Who does he think he is.????

58554	I've worked with Truckers for over 20 years in the oilfield Industry. I support the Truckers 150%. They work hard they put in long hours to support they're families. This Convoy is a Peaceful Protest but Trudeau is lying about what is going on, just to justify what he is doing. He is getting the truckers in trouble for His again to have Control. The Convoy is Protesting for ALL Canadians for they're freedom. They have done nothing wrong. They have done nothing that has been against the law. Why do We have a PM that Lies and puts people against one another for his gain. No respect. Trudeau has to go. Don't want to end up a z communist Country like a Trudeau wants. How can a Trudeau get away with all the problems, lies and why is He not Accountable for the things that he's done that we're against the Law. Innocent people are getting arrested because of Trudeaus Alligations. Why, I'm not understanding. He has to go so we Canadians can get on with our lives.	2/18/2022 5:12 PM
58555	Gives me hope for Canadians and the rest of the world. Standing together to fight against corrupt officials.	2/18/2022 5:12 PM

58557	It hasn't, we don't need as much as we think we do.	2/18/2022 5:12 PM
58558	Positively. Showing people standing against government over reach	2/18/2022 5:12 PM
58559	Created a sense of change!	2/18/2022 5:12 PM
58560	They have my full support	2/18/2022 5:12 PM
58561	Given me hope	2/18/2022 5:12 PM
58562	Show how curropt media and government is	2/18/2022 5:12 PM
58563	Given me some hope in a very dark place. A renewed sense of unity, connection and dreams of a better future for the kids seems possible again	2/18/2022 5:12 PM
58564	It gave me encouragement, hope. Finally someone is doing something.	2/18/2022 5:12 PM
58565	The convoy has given me hope has given me Faith and the right and due process. They have helped fight for our rights and freedom and push back the overreach control of the government. It has given me a second wind	2/18/2022 5:12 PM
58566	Made me feel sad that such idiocy could happen in my country.	2/18/2022 5:12 PM
58567	It has not directly	2/18/2022 5:12 PM
58568	Given me Hope	2/18/2022 5:12 PM
58569	Given us hope that mandates will be ended	2/18/2022 5:12 PM
58570	Not at all	2/18/2022 5:12 PM
58571	I get back some hope , I feel that I am not alone with all my concerns. I want my life back	2/18/2022 5:12 PM
58572	It's shown me how white supremacy is strong in our culture	2/18/2022 5:12 PM
58573	Given me hope we'll get back to pre-Covid normal	2/18/2022 5:11 PM
58574	The truck convoy in Ontario, and the smaller, local protests have shown me that my community and fellow citizens are patriotic, and believe in the principals of freedom that make Canada great. I am proud to see free people standing strong in their natural right to live and choose based on their own values. Seeing the Prime Ministers slanderous response to the trucking convoy reinforced to me that he is weak in his comprehension of what our Bill of Rights enshrines, and that he does not believe in freedom and liberty. Rather he continues to show with his words and actions that his loyalties lie not with Canadian principals, for which our ancestors fought and died, but for a system that prioritizes the "greater good" over the common good, and supplies tyrannical authority to a select, priviledged few. I can see the flaws in our democracy highlighted clearly, and that we may not be the champions of human rights we take ourselves to be, if we cannot agree on the immorality of a Vaccine Passport forced upon privately owned businesses and citizens, and the clear implication of duress with directly conflicts with Canadian Law, which states that "no amount of professional opinion is a substitute for the will of the patient." I think we can do better at adressing the issues we are	2/18/2022 5:11 PM

faced with, without mutilating the fundamental principals of our Democracy, Constitution, and Bill of Rights.

58575	Never have I seen the Canadian people come together as one....it gives me hope for the future of Canada when I was really struggling.	2/18/2022 5:11 PM
58576	It has given me hope!! But it has also shown me the true colors of our Prime minister. He's has no interest in the rights and freedoms of the people of Canada	2/18/2022 5:11 PM
58577	It has warmed my heart. The past two years have divided us. It was so beautiful to see people coming together. It had brought hope and happy tears as I watched videos. I have never felt so patriotic in my life.	2/18/2022 5:11 PM
58578	Moved the Overton window which has given people space to express their views	2/18/2022 5:11 PM
58579	Brought so many Canadians together. I have been so ashamed of being Canadian for a few years and they at least gave us hope!	2/18/2022 5:11 PM
58580	It has spurred a sign of patriotism that is long overdue.	2/18/2022 5:11 PM
58581	Gives me hope and feelings of empowerment knowing Canadians and Americans are uniting for our freedoms!	2/18/2022 5:11 PM
58582	Gave me hope!	2/18/2022 5:11 PM
58583	It has raised my respect for these people who are courageous, and they are so needed to transport necessary goods and food across our land and borders!!	2/18/2022 5:11 PM

58585	Brought much hope!	2/18/2022 5:11 PM
58586	Slow traffic	2/18/2022 5:11 PM
58587	The trucker convoy has brought hope to a dark time. It's brought unity when the country has been divided by medical status because of the Prime Minister pushing a hate and divide for those who don't have the same opinions as him	2/18/2022 5:11 PM
58588	Made it harder to bring in parts from the us	2/18/2022 5:11 PM
58589	By giving me hope to have my life and Canada back to normal	2/18/2022 5:11 PM
58590	Seeing Canadians voice their human rights for freedom is good	2/18/2022 5:11 PM
58591	It's giving me hope	2/18/2022 5:11 PM
58592	I have found hope again that Canada can get a better direction	2/18/2022 5:11 PM
58593	It has brought me hope again & the first time in a long time, I am proud to be a Canadian	2/18/2022 5:11 PM
58594	It's only dividing us further	2/18/2022 5:11 PM
58595	Very positively. They bring hope and unity amongst all Canadian's. I'm a black woman saying this. The news lies about them.	2/18/2022 5:11 PM
58596	Inspired me to believe in what we always supposedly had in this country. Freedom to choose and to peacefully protest when we disagree with the government.	2/18/2022 5:11 PM
58597	Not at all.	2/18/2022 5:11 PM
58598	Make me hope and now I am crushed by tyranny and brutality of prime minister that has no respect for regular people, no respect to freedom. Totalitarian Regime	2/18/2022 5:11 PM
58599	Not at all	2/18/2022 5:11 PM
58600	It has gone from inspiring me and making me so proud... to being so unbelievably disappointed with my government	2/18/2022 5:11 PM
58601	In 2 long years, I finally feel the world is watching and the media has shown how truly corrupt they are.	2/18/2022 5:11 PM
58602	I respect them for standing up for what they believe in. Most of them are vaccinated just like myself but mandates recently imposed at this point make no sense. They just wanted to be	2/18/2022 5:11 PM

heard. I don't agree with everything but I respect others points of view. I am proud to be Canadian. They represent the voice of many. They should of been acknowledged as Canadians, as the people and should of been listened to. Government leaders need to listen to all the people not just the ones that agree with them.

58603	No effect	2/18/2022 5:11 PM
58604	It has improved my spirits and hope for a better, more responsive/responsible government. It has NOT affected my travel or availability of goods and service.	2/18/2022 5:11 PM
58605	It has brought me hope for a better Canada.	2/18/2022 5:11 PM
58606	I do not live where it is taking place..... I feel terrible for the people in the Ottawa area whose lives are being disrupted. It is not fair to those citizens to be subjected this unrest!	2/18/2022 5:11 PM
58607	Not at all, gave us positive vibes,freedom	2/18/2022 5:11 PM
58608	It's an embarrassment. It cost money to police. It demonstrates how a small minority of Canadians were deluded by misinformation campaigns organized by other countries against Canada's social fabric and democracy were convinced all the doctors and the nurses and the pharmacists and the people who believe in science and not myths and lies were wrong and trying to hurt them. The only people trying to hurt you are the racist right wing homophobic separatist losers who have taken your fears and amplified them. And the only one who loses is you. Look on the mirror. No one wants to hurt you. Look in the mirror. We don't want you to hurt all of us. And you are. Please stop.	2/18/2022 5:11 PM

58612	I have been worried about the children being at the occupation. Also upset for the residents of Ottawa especially the noise and struggle to navigate. I don't believe that we should try and force the resignation of the PM. We had a chance to vote him out and sadly he got re-elected. Now concerned about the officers trying to remove the lawbreakers.	2/18/2022 5:11 PM
58613	Caused stress. Caused disbelief in the entitlement and selfishness of people who put themselves above the good of society as a whole.	2/18/2022 5:11 PM

58684	It hasn't directly affected my everyday physical standards. I do see it bringing a lot of Canadians together and that does make me hopeful. However with any protest there comes a deeper dlvides - its sad to see that it came to this and I do blame the prime minister for fully causing and promoting such a toxic environment. 58694	They have given me hope, that no everyone is a zombie, but has a brain to see the lies and corruption being fed to us. We do not need to be afraid of a flu that has 99.9% recovery rate. This was a set up by the media, WHO, UN, EU, big pharma, and politicians	2/18/2022 5:09 PM

58701	Gave me hope that truth and justice can prevail. God did not forsake us.	2/18/2022 5:09 PM
58702	It hasn't affected it at all. Every store I go in is fully stocked and I see delivery trucks all day long going down my road towards different stores.	2/18/2022 5:09 PM
58703	They lift my spirit.	2/18/2022 5:09 PM
58704	It's made me sad to realize how many people have zero understanding of what democracy means, what freedom means, how governments work, or that the law applies to them too.	2/18/2022 5:09 PM

58723	Makes me smile for a while. While I don't agree with everything the convoy has done all of the negative results are because the prime minister has been dismissive and demeaning. It's no wonder that militants infiltrated this grassroots movement. There was absolutely no need for Emergency Measures	2/18/2022 5:09 PM
58724	Seeing Canada fight for our freedoms ... brings hope	2/18/2022 5:09 PM
58725	I feel the convoy has helped restore faith and united people in a peaceful manner. Also given us hope! Exposed how deep our government is corrupt .	2/18/2022 5:09 PM

58727	has not	2/18/2022 5:09 PM
58728	Made me hopeful. Emotional roller coaster as I saw the tyranny come out in our Prime Minister.	2/18/2022 5:09 PM
58729	Made me deeply suspicious of hateful selfish people who hide behind flags and big trucks and child barricades.	2/18/2022 5:09 PM

58740	They need to move	2/18/2022 5:08 PM
58741	I've lost faith in humanity. I didn't think I had much left, but there it is. I can't help but think of the indigenous protestors that face more extreme law enforcement measures and yet are much less disruptive. How much of this money raised could be put towards combating homelessness, funding the health care and mental health industry, clean water for indigenous people, and climate change initiatives.	2/18/2022 5:08 PM
58742	Made me realize it is worth every penny to fight for what's right	2/18/2022 5:08 PM

58759	Made hope come alive! Hope that there are others who think the same way about the measures brought on by politics and medicine being practiced, by those who do not have everyone's best interest at heart. When money is more important that the people, that's a big problem!	2/18/2022 5:08 PM

58771	It hasn't -- except for trying to understand what is actually happening with media so divided. I've leaned toward supporting the convey based on what I could learn that seemed trustworthy. My wife has opposed the convey for the same reasons. It's impossible in today's world to know what media to trust -- and seems as impossible to trust our Government.	2/18/2022 5:08 PM
58772	It's made me feel proud of my country again. People b standing up against a crooked government taking away all our freedoms and liberties. I'm very proud of the truckers and what they stand for and what they're doing.	2/18/2022 5:08 PM

58785	Has given me hope and reinforces belief in people and this country	2/18/2022 5:07 PM
58786	You've utterly disgusted me.	2/18/2022 5:07 PM
58787	Joy of hope and having our freedom back	2/18/2022 5:07 PM
58788	Shows others feel the same about the restrictions	2/18/2022 5:07 PM
58789	Brought hope! Provided unity, increased activity socially, physically, opened dialogue within community, connected with other joyful Canadians!	2/18/2022 5:07 PM
58790	I have been in utter horror that Canada has descended to this. I thought we were a nation of law and order. To see people so deceived and so selfish (honking in the middle of the night outside of nursing homes?) has been devastating.	2/18/2022 5:07 PM
58791	It's made us happy to see people stand together in the name of freedom	2/18/2022 5:07 PM
58792	It has showed me that there is others on the same side as myself and my family. We all as a country just want our rights and freedoms back which have the rights to have! I love that we have come together as a country to stand up to our prime minister to show we do not agree with the 1 person who is trying to make us a communist country.	2/18/2022 5:07 PM
58793	Haves me hope. Ppl know that Trudeau is corrupt as I have been saying for years. We shouldn't have a leader that is a pedophile	2/18/2022 5:07 PM
58794	They have made a fool of our country. We look stupid and all for what?!? Nothing changed	2/18/2022 5:07 PM
58795	It's given me hope that maybe there is a light at the end of the tunnel.	2/18/2022 5:07 PM
58796	I love it it shows me I'm not alone and I'm not the only one that feels the mandates must end.	2/18/2022 5:07 PM
58797	It has given me hope,that there is a chance we might have a shot at getting our god givin rights back.	2/18/2022 5:07 PM
58798	Divided my country	2/18/2022 5:07 PM
58799	it hasn't	2/18/2022 5:07 PM
58800	gave me hope, that there is light at the end of the tunnel!!!! God Bless each and everyone	2/18/2022 5:07 PM
58801	Given hope and restored country and countryman pride	2/18/2022 5:07 PM
58802	The trucking convoy has given me and my family a new hope. I love and pray for each one involved. I feel like a true patriotic Canadian when I think of them, very proud and thankful. They are my children's heros, they are my hero's. they are taking a stand for my freedom, my childrens, and my future grandchildren. THANK YOU TRUCKERS!!!	2/18/2022 5:07 PM
58803	It hasn't	2/18/2022 5:07 PM
58804	To be honest, it has affected how busy my work is, work by the bridge,but I DO NOT CARE! but I support them!	2/18/2022 5:07 PM
58805	Given me hope	2/18/2022 5:07 PM
58806	It scares me to think people of this mentality are out there.	2/18/2022 5:07 PM
58807	Well the supply of groceries to stores etc!!	2/18/2022 5:07 PM
58808	It has brought tremendous hope in humanity. It has shown me I'm far from alone.	2/18/2022 5:07 PM

Canadians vote on Canadian Mandate - February 2022

58809	The only people who are showing they care. We all know Trudeau doesn't care about anyone but himself.	2/18/2022 5:07 PM
58810	Hasn't affected us at all, very glad they are sticking up for us Canadians, try to get our freedoms back, let us live again	2/18/2022 5:07 PM
58811	It hasn't personally but I certainly understand why they are doing it. For ALL Canadians. We have lost our freedoms. Trudeau and his party needs to go!!!	2/18/2022 5:07 PM
58812	They stole our flag. And more frighteningly, showed how many right-wing zealots are walking around.	2/18/2022 5:07 PM
58813	United Canada	2/18/2022 5:07 PM
58814	It's made it easier knowing people have finally stepped up to take a stand against Trudeau and these horrible mandates	2/18/2022 5:07 PM
58815	Positively, proud to be a Canadian again	2/18/2022 5:07 PM
58816	Gave me a sense of canadian unity. Felt hope for the first time in 2 years.	2/18/2022 5:07 PM
58817	They has stepped up for all of the people & our rights. I have felt hear but so many caring loving truckers & teams. If only our PM would have listen to Canadians from the start the people wouldn't have had to drive to his front door to attempt a conversation.	2/18/2022 5:07 PM
58818	I love seeing normal Canadians finally standing up to illegal mandates and pushing back against a little bastard tyrant.	2/18/2022 5:06 PM
58819	Given hope	2/18/2022 5:06 PM
58820	It hasnt	2/18/2022 5:06 PM
58821	Gives me hope	2/18/2022 5:06 PM
58822	I support it; so positively	2/18/2022 5:06 PM
58823	Provided hope and unity in s country that was divided by our parliament's leaders.	2/18/2022 5:06 PM
58824	Watching the videos has brought me joy how Canada has come together. To see every race come together and united made me proud to be Canadian. First time I have been happy and brought me hope in 2 years.	2/18/2022 5:06 PM
58825	It is the best thing I have ever seen in Canada. Opened my eyes how corrupt the liberal government and the media is.	2/18/2022 5:06 PM
58826	It gave me great hope and made me proud to be Canadian like never before. January 29th felt like a true Canada Day. Never ever in my life, have I experienced so much unity and joy. This is one of the very best days in my life	2/18/2022 5:06 PM
58827	It has added stress and fear to my life. I am afraid to go to Halifax because I don't want to be yelled at by protesters, I am afraid for my sister in Toronto who lives downtown and has to leave her home to go to work, school, and training. I am afraid for our country as I watch foreign actors interfere with our financial and political matters. I have lost friends because I choose to wear a mask even after mandates are lifted (this was common practice for many in large cities in Canada even before the pandemic, particularly after SARS).	2/18/2022 5:06 PM
58828	Empty shelves	2/18/2022 5:06 PM
58829	Given me hope that this while thing is being exposed as PLANNED BULLSHIT in order to give Justin Trudeau a bigger ego, and lead us into a new world order of a COMMUNIST one world government.	2/18/2022 5:06 PM
58830	It has removed the covid passport so more people can come into my bar	2/18/2022 5:06 PM
58831	Gives us hope. We don't feel alone.	2/18/2022 5:06 PM
58832	The immense stress of watching fascists garner any support is nauseating. There is a growing White Nationalist movement in Canada that is dangerous. I am furious at the conservative rhetoric and Trumpisms that are leaching into society, it feels like we're falling backwards. I am scared for the violence I will face for the choices I make for my own health and safety, for my queerness, and for my loved ones	2/18/2022 5:06 PM

Canadians vote on Canadian Mandate – February 2022

58833	Sprung hope in my heart	2/18/2022 5:06 PM
58834	It has restored my faith in people coming together as one for a common goal. I fully support grassroot movement led by people who put everyone's welfare above their own.	2/18/2022 5:06 PM
58835	It has made me realize that I live in a dictatorship a communist country. Told to fall in line & do what I am told. Shame on you	2/18/2022 5:06 PM
58836	Very brave hero's. Very proud of them	2/18/2022 5:06 PM
58837	I am with them 100%. Proud to be a Canadian. Somebody hast to stop the crazy Prime Minister	2/18/2022 5:06 PM
58838	It hasn't physically. Mentally, it has been concerning about the inconsiderate display of our government, the lack of "truthful media", how the wealthy appear to have no conscience when it comes to name calling. I am disgusted to be called Canadian if it were relating to our government; but quite proud of Canadian citizens who have made the attempt to get freedom back in the lives of our countrymen.	2/18/2022 5:06 PM
58839	They have made myself and others to feel proud and unified as Canadians for Canadians!	2/18/2022 5:06 PM
58840	Good	2/18/2022 5:06 PM
58841	It's a massive uplift in my faith of the people	2/18/2022 5:06 PM
58842	It gave me hope that some one was willing to stand up to the bullies AKA... the government	2/18/2022 5:06 PM
58843	It's given me hope for Canada	2/18/2022 5:06 PM
58844	Gave Hope!	2/18/2022 5:06 PM
58845	A lot	2/18/2022 5:06 PM
58846	Only in a positive way. Cheering them on, standing up for the rights of Canadians Haven't noticed a thing as far as supplies or such	2/18/2022 5:06 PM
58847	given me hope that someone might stand up for our freedoms that my ancestors gave their life for.	2/18/2022 5:06 PM
58848	Brought me joy and happiness	2/18/2022 5:06 PM
58849	It hasn't. Other than giving me something entertaining to read on social media	2/18/2022 5:06 PM
58850	They make me proud to be Canadian	2/18/2022 5:06 PM
58851	Made me wish we had a better education system because of the embarrassing level of ignorance these pretend truckers display	2/18/2022 5:06 PM
58852	It did not affect my life at all I'm just glad to see them standing up to Parliament for our freedom of right I am proud of them didn't affect me one bit the only thing that affect me was them taken away their financial status in what the government has done to them there's no call for that the Trudeau had to come out in the first place and talk to them it would never got that far what a disgrace Justin Trudeau is not the truckers the trucker's had the right	2/18/2022 5:06 PM
58853	Gave me a sense of hope in a better future for my kids and grandkids. The message of peace love and unity is what our country needs.	2/18/2022 5:06 PM
58854	Hope	2/18/2022 5:06 PM
58855	It has given me hope for Canada.	2/18/2022 5:06 PM
58856	Hasn't affected me but has made me feel proud to be a Canadian again.	2/18/2022 5:06 PM
58857	By exposing so many pro-fascist, ignorant, dangerous, and misinformed people in our country. It has needlessly drawn so many public resources, wasting precious taxpayer dollars and embarassing us on the world stage. Absolutely shameful!	2/18/2022 5:06 PM
58858	Move the mandate all the other stuff that goes along with it to the Forefront	2/18/2022 5:06 PM
58859	Unaffected	2/18/2022 5:05 PM
58860	It has made me afraid of the powerful mix of unhappy, uneducated people and their connecting with like minds on social media.	2/18/2022 5:05 PM

Canadians vote on Canadian Mandate - February 2022

58864	Took away some if my depression	2/18/2022 5:05 PM
58865	Clogged my streets, polluted my air, kept me from sleeping. Made me mad as hell at my fellow Canadians who support them. Made me ashamed to see the Canadian flag flown by those idiot truckers.	2/18/2022 5:05 PM
58866	It is affecting my life as so many uneducated people around me are spouting "white supremacy" "racists" "every trucker should be arrested and locked up for 10 years" Are you kidding me ?! These people have risked their lives for our freedom to live in a Sovereign Democracy! This is a tyranny dictatorship! Sending prayers to everyone in Ottawa.	2/18/2022 5:05 PM
58867	The convoy is the best thing for Canada in a long time. They are fighting for our freedom!	2/18/2022 5:05 PM
58868	I'm proud to be a Canadian again and can't thank the truckers enough for their time and effort thank you	2/18/2022 5:05 PM

58877	Gave me hope for better days.	2/18/2022 5:05 PM
58878	Embarrassed for my country. Entitled idiots. My parents were both WW2 veterans. They're likely spinning in their graves that people scrawled swastikas on our flag. Friends in Ottawa have suffered terribly.	2/18/2022 5:05 PM
58879	I feel hopeful that Canadians will be free to choose. I feel pride for my fellow Canadians who are fighting for the rights of all Canadians. I feel joyful and alive again.	2/18/2022 5:05 PM
58880	It hasn't but has shown that there is a large part of Canada opposed to mandates.	2/18/2022 5:05 PM
58881	It gave me hope for an end to ALL the mandates	2/18/2022 5:05 PM

58896	Has given me hope that there are still real Canadians with real Canadian values. Family, friends, love and acceptance. The government is not interested in these values	2/18/2022 5:05 PM
58897	Inspired my love of Canada, faith in people and freedom.	2/18/2022 5:05 PM
58898	It hasn't and I live in Ottawa, I actually joined in the convoy on the 417 when it first arrived	2/18/2022 5:05 PM
58899	Stopped the product getting to local business	2/18/2022 5:04 PM
58900	Not at all inwas part of it	2/18/2022 5:04 PM

58918	It has affected only my confidence in my government.	2/18/2022 5:04 PM
58919	Their protest has cost millions and wasted a huge amount of law enforcement resources. Fucking spoiled children can't make a pandemic end because they're inconvenienced.	2/18/2022 5:04 PM

58923	Given me hope.	2/18/2022 5:04 PM
58924	I am in full support of those who have traveled to Ottawa. We have lost so many rights and freedoms in our nation over the past two years and it is time to bring this to an end. They have stood up and are now being arrested and persecuted for taking a stand for all of us as Canadians. I am thankful for every person who has traveled or participated in various truck convoys.	2/18/2022 5:04 PM
58925	The Freedom Convoy gave us hope. We won't comply with your mandates. I am getting rid of	2/18/2022 5:04 PM

every single mask I own. I will breathe fresh air and my children will play with other children. Thank you so much to the incredibly brave and amazing human beings who are standing for freedom.

58926	It gives me hope that I was not alone On how I feel About the whole process of covid and As well as many many others were not alone and relievedThat actions were taken to help defend themselves.	2/18/2022 5:04 PM
58927	It has really help my mental health	2/18/2022 5:04 PM
58928	It's a sacrifice we need to have to regain freedoms our forefathers died to get	2/18/2022 5:04 PM
58929	It has brought be hope and a glimmer of what it should be like to live in Canada because I barely can remember feeling free or happy The truckers brought that to me	2/18/2022 5:04 PM
58930	Gave me hope for a free country	2/18/2022 5:04 PM
58931	No effect	2/18/2022 5:04 PM
58932	Brought me joy and hope. To be blasted out of the water by the tyrant running our country.	2/18/2022 5:04 PM
58933	Seeing how many Canadian assholes have nothing better to do than upset the nation's capital. Whiny babies.	2/18/2022 5:04 PM
58934	Encouraging that people are standing up fir Canadian freedom	2/18/2022 5:04 PM
58935	They gave me the faith and hope for better tomorrow ♥	2/18/2022 5:04 PM
58936	I am proud to be the part of them as Canadian!	2/18/2022 5:04 PM
58937	It has given my hope and joy	2/18/2022 5:04 PM
58938	Felt sense of unity among fellow Canadians. Able to see the real face of Canadians instead of the liberty media, justin trudeau/liberal/NDP false narrative of Canadians	2/18/2022 5:04 PM
58939	Encouraged, gave hope.	2/18/2022 5:04 PM
58940	It gave me hope, it gave me strength	2/18/2022 5:04 PM
58941	It has given me hope that Canada could once again be a country worth being proud of.	2/18/2022 5:04 PM
58942	Gave me hope for a future of happiness and freedom again	2/18/2022 5:04 PM
58943	Put mine and others lives at risk. Since my premier has decided to make policy based on this ridiculous convoys values my province feels less safe.	2/18/2022 5:04 PM
58944	I think it's absolutely wonderful. It has given me hope and made me proud to be a Canadian and a truck driver	2/18/2022 5:04 PM
58945	Joy, happiness, hope, solidarity, freedom	2/18/2022 5:04 PM
58946	Restored my faith in the Canadian people	2/18/2022 5:04 PM
58947	Gave me Hope	2/18/2022 5:04 PM
58948	I am unable to go downtown in fear that I will be attacked or spat on. My friend had their mask ripped off of their face violently by one of the protesters. This should not be happening. The stores that would normally be open downtown are closed because of the convoy. They are going against their own self interest. I am afraid to go to school, my classes are periodically interrupted by honking. Now classes are being held online because of the danger these protesters impose on the students. I want them to go home, they are not giving us freedom, they are terrorizing us.	2/18/2022 5:04 PM
58949	It actually gave me some hope that things could change back to the way they were before the pandemic. It's quite obvious that the vaccine doesnt prevent transmission, so I feel mandating it is ridiculous. Even if it protects you from serious illness compared to no vaccine, and the jury is still out on that one because there isnt enough data yet, it should still be a personal choice of the individual as stated in the charter of rights and freedoms regarding forced medical procedures. We are guaranteed freedom from forced medical procedures even in the event of a medical emergency or pandemic. It's in the charter. Trudeau needs to read it. He also should more closely read the emergencies act , because now he has crossed leagal lines that will be challenged by many. L	2/18/2022 5:04 PM

Canadians vote on Canadian Mandate - February 2022

58950	It did not	2/18/2022 5:03 PM
58951	It had restored my faith in love and unity and passion for our country.	2/18/2022 5:03 PM
58952	It's made me proud to be a Canadian	2/18/2022 5:03 PM
58953	Inspired.	2/18/2022 5:03 PM
58954	It has brought HOPE.	2/18/2022 5:03 PM
58955	For a few days I experienced "joy" for the first time in 2 years. This is when I realized how deprived and how bad life was not being able to participate in society. You could go to the liquor store, but not to a church. Everything was insane, and then along came our hero's, who are now being punished for wishing to restore the Canadian human rights, and Constitution and Democracy. The preacher in Alberta was correct in saying this has become "China da". So much evil.	2/18/2022 5:03 PM
58956	Supported	2/18/2022 5:03 PM
58957	It had brought me a sense of hope and community again. People that stand for pro choice and unity. I love my community!	2/18/2022 5:03 PM
58958	Far more negatively then any mandate. Deeply concerned that fascists have been allowed to control our cities.	2/18/2022 5:03 PM
58959	found it a waste of time and money	2/18/2022 5:03 PM
58960	Oh I am so encouraged by the stand that they are making for all Canadians. I'm proud to be Canadian because they are standing for our freedom.	2/18/2022 5:03 PM
58961	Given me inspiration and once again proud to be a Canadian!	2/18/2022 5:03 PM

The government did not her the cry's of the nurses and doctors!!! The EMS of the police!!! People that see the science and actually are not allowed to speak for fear of being let go. The truckers have givin a voice to the whole country! We are in Canada, my grandparents fought for freedom.... Why does it take a trucker to stand up..... and why do we really be having this conversations!!! Our government should be protecting our rights and freedoms!	2/18/2022 5:03 PM

58984	It has brought me hope. It has shown me the overreach of our current government and how they must be stopped	2/18/2022 5:03 PM
58985	My concern for my fellow Canadians suffering through the occupation of cities, risk to economic and trade, and the image of Canada. Also the organizers being connected to white supremacy is disgusting.	2/18/2022 5:03 PM
58986	Keep on trucking	2/18/2022 5:03 PM
58987	Gave me hope in humanity	2/18/2022 5:03 PM
58988	Brought hope to our life. Hope the police have acted today on the 18th is awful.	2/18/2022 5:02 PM
58989	Gave me hope in a dismal pandemic of lies	2/18/2022 5:02 PM
58990	It hasn't at all....its been fabulous and I relize now how much the news and media has been telling us lies. I no longer watch the news !!! The Convoy is what us Canadians need to put things right !!! The Convoy tells the TRUTH !!! FREEDOM is what we all WANT & NEED This Convoy is bringing us people together once again , not just us Canadians the whole WORLD is coming TOGETHER & HOW POWERFUL & WONDERFUL IS THAT !! UNITED WE STAND TOGETHER	2/18/2022 5:02 PM
58991	It's given me hope and an awareness that there are many others besides myself that value our charter of rights and our democracy	2/18/2022 5:02 PM
58992	It has been a disgusting embarrassment to this country and caused an unforgivable amount of harm. You are delusional.	2/18/2022 5:02 PM
58993	Lifted the spirits enormously - seeing all the like-minded Canadians. i was fortunate to go dt ottawa several times - nothing like it - like Canada Day x 100.	2/18/2022 5:02 PM
58994	Given some hope	2/18/2022 5:02 PM
58995	Not at all	2/18/2022 5:02 PM
58996	Not at all	2/18/2022 5:02 PM
58997	Improved it. People are starting to feel confident and getting their life back.	2/18/2022 5:02 PM
58998	It has brought more joy and hope.	2/18/2022 5:02 PM
58999	Shown me that Canadians can come together and not everyone by any means believes in trudeau	2/18/2022 5:02 PM
59000	I will never forget the feeling of hope that overcame my family and I when we first heard of the Convoy. I teach with Chris Barber's ex-wife and we would talk daily about finally being heard and the hope that there might finally be an end to the mandates and restrictions. We proudly gave food, money and waved our signs and flags as the Convoy passed through Swift Current. It was an amazing day. I tah k each and every trucker and protester who stood up for all Canadians and their freedoms.	2/18/2022 5:02 PM
59001	It has given me hope, and brought me joy that so many Canadians are working together to bring us back our freedom.	2/18/2022 5:02 PM
59002	It has restored my family's pride in Canada. It has unified people and given everyone hope that we can and will return to a normal life (no new normal).	2/18/2022 5:02 PM

Canadians vote on Canadian Mandate - February 2022

59003	Given me positive feeling there are others who feel the same way as me.	2/18/2022 5:02 PM
59004	Gave me hope	2/18/2022 5:02 PM
59005	Given me hope	2/18/2022 5:02 PM
59006	It has shown me that we can come together, peacefully, to protest a wrong doing. It proves that there are many, vaxxed and unvaxxed alike, that want the mandates to end. Considering the umbers of protesters in Ottawa, covid number have not risen. Other countries are also stopping mandates, Passports and masks. We need another solution, because what we have done thenlast 2 years isn't working. I don't think it ever worked.	2/18/2022 5:02 PM
59007	The truckers have given me hope that regular Canadians' voices and concerns will once again be heard. The protests have resulted in certain restrictions being lifted in my province and my family can begin to live a more normal life again.	2/18/2022 5:02 PM
59008	Embarrassing our nation.	2/18/2022 5:02 PM
59009	It has given me a sense of unity and hope again	2/18/2022 5:02 PM
59010	I think the trucking convoy has helped bring us together since the government has devided us so bad. If you didn't wear a mask lots of people looked at you like how dare you, now I feel they don't. They have given me hope that I might be able to return to the job that I love. That my kids might be able to play sports and get the proper tutoring they need to get caught up on school. They have made me feel not so alone.	2/18/2022 5:02 PM
59011	I support it and it has given me a sense of patriotism and belonging again and given me hope for the future.	2/18/2022 5:02 PM
59012	Encouraged	2/18/2022 5:02 PM
59013	Hope. The convoy has given us and all Canadians the presence of voice to be heard when all of our questions and concerns were, and remain, unanswered. We share the love of our country, our way of living, our inclusivity of all people, our rights as free humans, and our right to defend the Charter as we have been born into. The convoy has given us back that hope from the long isolation and deception imposed by the government.	2/18/2022 5:02 PM
59014	Horrified, terrified of the uninformed.	2/18/2022 5:02 PM
59015	It has given me inspiration in knowing we are one,, Shown that there are hundreds of thousands that feel just like me! We all just want peace and freedom	2/18/2022 5:02 PM
59016	Raised my spirit ,renewed my pride in Canada made me believe in people again!	2/18/2022 5:02 PM
59017	It has given my hope again seeing like minded people standing up for Canadian values and freedoms. It brings tears to my eyes just writing this here.	2/18/2022 5:02 PM
59018	I was given some hope that the majority of the people want freedom	2/18/2022 5:02 PM
59019	I have hope for the first time in two years. Going to the protest has brought so much joy, love and acceptance. Life changing.	2/18/2022 5:02 PM
59020	It hasn't. But I support them standing up for those of us who cannot be there. They are not doing anything illegal. They are just trying to get communication with the prime minister and he refuses	2/18/2022 5:02 PM
59021	It was wonderful to see a large group of people willing to stand for all Canadian's in a peaceful demonstration. They brought more Canadians together than the government has in years. Our government has caused nothing but division and hate	2/18/2022 5:02 PM
59022	It has returned a sense of pride of what it means to be Canadian.	2/18/2022 5:02 PM
59023	I am going to enjoy watching them all go to jail.	2/18/2022 5:02 PM
59024	The truckers and their actions in various parts of Canada have given me hope in this very depressing time. This is NOT something the government did, but rather ordinary citizens.	2/18/2022 5:02 PM
59025	Gave me hope	2/18/2022 5:02 PM
59026	Seeing the freedom convoy has given me the courage to speak out more about my frustrations regarding the pandemic.	2/18/2022 5:02 PM

59032	Gave me hope that we can stop The Tyranny in Ottawa....	2/18/2022 5:02 PM
59033	They're a huge pain in the ass	2/18/2022 5:02 PM
59034	Gave me hope	2/18/2022 5:02 PM
59035	Helping me fight for my freedoms	2/18/2022 5:02 PM
59036	Gives me hope for return of our human rights , freedoms	2/18/2022 5:02 PM
59037	I've been to the trucking convoy the first weekend it started, and i've never seen so much joy like that in the past 2 years. It showed me that canadians we're together on this and we always have eachothers back. Honestly the harmony there was nothing but positive.	2/18/2022 5:01 PM
59038	It has brought me hope. I am truly thankful for the brave Canadians who attended. The news CHBC, CBC etc are a disgrace! They shouldn't even be allowed to hold a licence. Just shows how crooked the govt is.	2/18/2022 5:01 PM
59039	Brought hope and patriotism like I don't ever remember feeling before	2/18/2022 5:01 PM
59040	Very happy to finally see 'people' stand up for what's right and show the government's control like Germany did in the 30's and 40's and the communists around the world have done and are still doing!! Very brave, courageous people!!	2/18/2022 5:01 PM
59041	Brought continuity community and collaboration together. Created union where govt had been creating division. A sense of hope and feeling that we are being seen and supported on an international level.	2/18/2022 5:01 PM
59042	It has brought me HOPE that life will return to normal. It's made me prouder to be a Canadian more then ever	2/18/2022 5:01 PM
59043	It hasn't....i see it as a way to stand up for our freedoms.	2/18/2022 5:01 PM
59044	I am very proud of their peaceful protest and and that the took a stand for their beliefs.	2/18/2022 5:01 PM
59045	Given hope... until the police and military became involved	2/18/2022 5:01 PM
59046	It has affected my life for the better. I feel proud. I feel there is hope. These are incredible people who deserve medals of honor. They have brought the world together! Nothing has ever done this.	2/18/2022 5:01 PM
59047	Fuck them. They've made the country look ridiculous	2/18/2022 5:01 PM
59048	It has given me hope and excitement for the future	2/18/2022 5:01 PM
59049	Honestly, while I support the mandates on a functional level I was really curious to seem them challenged in court to see if they met the requirements set out by the charter. Being from Ottawa, I'm used to protests and believe they're often necessary for healthy functioning of a democracy. However, the behavior demonstrated by these protesters caused me to rapidly lose support for them. If you can't be a good tenant in this city and respectful to the residents then I can't stand behind that. When a group manages to get an entire mall and surrounding businesses to shut down because they've made it unsafe for the workers - they're probably not the good guys anymore.	2/18/2022 5:01 PM
59050	It has given us hope for a return to normal that I don't feel the government has any interest in	2/18/2022 5:01 PM
59051	Small delays	2/18/2022 5:01 PM
59052	It has sparked some hope.	2/18/2022 5:01 PM
59053	It has brought hope to all Canadians as well as the whole world to stand up for what is rightfully ours according to our constitution.	2/18/2022 5:01 PM

59054	It has showed how we are all suffering and it's wonderful to see a peaceful gathering fighting for what we ate all thinking.it's a positive thing.other then how the government responded.	2/18/2022 5:01 PM
59055	Lost faith in humanity. The world is full of misinformation and it's more evident now than ever that we are in a mental health crisis. They need to go home and get help, information and make better choices with their lives instead of blaming the government for their misery.	2/18/2022 5:01 PM
59056	I felt hope we could be free again.	2/18/2022 5:01 PM
59057	It didn't!!!! It gave me hope!!!	2/18/2022 5:01 PM
59058	The truckers brought so much hope into my life! I was so excited to hear about what they are doing. I love to see Canada uniting and taking a stand for our freedom.	2/18/2022 5:01 PM
59059	Nice to see hard working Canadians voices echoed I am disappointed in the very few hatful acts I have seen but over all I support the fact these people have exercised the freedom of speech and peaceful protest. The blockades needs to be ended but at the same time so does the prime minister power grab.	2/18/2022 5:01 PM
59060	It hasn't.	2/18/2022 5:01 PM
59061	Inspired me to stand and recognize a communist regime. The other parties need to stand for compete absolute freedom. Can. Gov dictator	2/18/2022 5:01 PM
59062	It has given us hope there will be an end to this dreadful existence we have been living.	2/18/2022 5:01 PM

59064	give me hope for our country I am proud of them wish I could join but am not allowed due ti my work restrictions even know im not allowed at work	2/18/2022 5:01 PM
59065	Has gave me so much hope to live as we did before covid Helped me really see how corrupt our government and police and media systems really are I had no idea and list all respect for them all	2/18/2022 5:01 PM
59066	It hasn't	2/18/2022 5:01 PM
59067	It has given me hope and that we as Canada still have rights and the unity it gave our country back after two years of lockdowns and demands.	2/18/2022 5:01 PM
59068		2/18/2022 5:01 PM
59069	It gave me hope that there finally was a large enough group to stand up and make the powers that be pay attention. It made me proud to be a Canadian, by the way they rolled it out and their integrity. It made me ashamed of our political system that didn't deal with them in a democratic, diplomatic manner.	2/18/2022 5:01 PM
59070	It has restored my hope that there are good people left on this world willing to sacrifice for freedom.	2/18/2022 5:01 PM
59071	Not at all I am all for us freedom get rid of the dictatorship in our government while we can. I want my children and grandchildren and great grandchildren to grow up in a free country not a communist country"" thank God for the convoy of truckers at least they open up people's eyes what's truly going on in our beautiful country wake up Canadians Thank all of you God bless you keep you safe Jesus will never let you down he doesn't like evil	2/18/2022 5:01 PM
59072	Gave a tiny degree of hope back	2/18/2022 5:01 PM
59073	Made me proud gave me hope	2/18/2022 5:01 PM
59074	It has shown who of my friends have done actual research and care about those around them, and those who only care about themselves.	2/18/2022 5:01 PM
59075	none	2/18/2022 5:01 PM
59076	Not really. But we do support them and their non violent or non aggressive behavior. I give them credit for what they are fighting for.	2/18/2022 5:01 PM
59077	Gave me hope	2/18/2022 5:01 PM

59081	This showed a hopeful future. The end of a tyrannical government	2/18/2022 5:01 PM
59082	It hasn't affected me in a negative way at all. I support them	2/18/2022 5:01 PM
59083	Brought back hope in our country	2/18/2022 5:00 PM
59084	It has given me HOPE	2/18/2022 5:00 PM
59085	Has brought everyone together while our PM uses the media to try and divide us.	2/18/2022 5:00 PM
59086	Gave me positive feelings and energy	2/18/2022 5:00 PM
59087	I am deeply saddened by the hate that this convoy has showed against different races, religion and sexual orientation. People working in the downtown core have been affected (menacing or violent behaviour, loss of wages, store closings). This is not how Canadians should behave.	2/18/2022 5:00 PM
59088	Proud of people standing up to too much government control.	2/18/2022 5:00 PM
59089	Brought me faith, hope and joy.	2/18/2022 5:00 PM
59090	It give us hope	2/18/2022 5:00 PM
59091	It gave me hope and pride in my fellow Canadians	2/18/2022 5:00 PM
59092	It has given me hope and encouragement to know that I am not alone in thinking these mandates are unreasonable. I'm proud to see so many standing up together	2/18/2022 5:00 PM
59093	Made me proud	2/18/2022 5:00 PM
59094	Rallied many together, reunited many who are being affected negatively by these restrictions, encouraged me to take positive, peaceful action in engaging in conversation with my government leaders and the people around me.	2/18/2022 5:00 PM
59095	Greatly reduced my quality of life. All I could do the first few days is imagine kids living in downtown Ottawa who have their houses full of poisonous diesel engine fumes and endless honking. What a horrible experience. Then more stories came out about people getting yelled at on the streets for wearing masks. I weep to think of the stress that a person doesn't even have the freedoms to walk down the street in peace without getting yelled at. This convoy is horrible. Then I heard my mother went because the so-called "Queen of Canada" whom she follows on telegram went, too. This Romana woman has deluded herself into thinking she's the rightful queen of Canada and should rule the country based on her pure royal bloodline. My heart goes out to her family to have a mentally ill person causing harm. My mother's mental illness allows her to support this mentally ill woman. This greatly distresses me.	2/18/2022 5:00 PM
59096	Fighting for my freedom in Canada	2/18/2022 5:00 PM
59097	Hasn't. But I support what they r doing 100%	2/18/2022 5:00 PM
59098	Believing again in Canada	2/18/2022 5:00 PM

59100	Very divided country. Terrible prime minister	2/18/2022 5:00 PM
59101	It has shown how selfish people are. Me before thee attitude. Because they don't want to be told what to do. I fully support Trudeau.	2/18/2022 5:00 PM
59102	My people m my field are actually losing hours to the convoy because nothing is moving to us	2/18/2022 5:00 PM

59123	It hasn't! It's been the best thing to happen to Canada since covid and the mandates started	2/18/2022 4:59 PM
59124	Given hope and unified Canadians after 2 years of the govts spreading fear and division	2/18/2022 4:59 PM
59125	I can't get enough big rock hard cowboy cocks! They're hoarding them all at their ram ranch! Please! I'm begging you! I want to be filled with huge juicy cowboy cocks! Load me up their thick creamy cowboy cum! It's all I can think of!	2/18/2022 4:59 PM
59126	The truck convoy has given me hope, it has been the light in a very dark two year storm. It has brought loving, decent, hard working, peace loving Canadians together	2/18/2022 4:59 PM
59127	Gave hope	2/18/2022 4:59 PM
59128	Gave me hope for ours and mostly my children's future Gave us a voice Gave us support and something to look forward to Possibility of peace, freedom and a moral compass again Happy tears to release the oppression felt by all who support the mandates... especially Trudeau, as they gave us hope	2/18/2022 4:59 PM
59129	It has brought back hope and confidence that this country can be reunited and strong once again!	2/18/2022 4:59 PM
59130	By giving me hope in what's right and by showing the true colors of our Dictator Trudeau.	2/18/2022 4:59 PM
59131	Gave me hope.	2/18/2022 4:59 PM
59132	I feel it has given Canada, Canadians, and the world...hope!! We have always been known as nice, peaceful people...a peaceful country...and if we are rising up and saying 'enough', then the rest of the world knows that things are not good!!	2/18/2022 4:59 PM
59133	They are heroes	2/18/2022 4:59 PM
59134	It has given me hope and the feeling that I am not alone in my beliefs	2/18/2022 4:59 PM
59135	They are fighting for our freedom they haven't affected our lives the prime minister has and the cops have and all liberals have time for Trudeau to be kicked out and jailed	2/18/2022 4:59 PM

Canadians vote on Canadian Mandate - February 2022

59136	It has given me hope that the world is friendly, that thing will work out !	2/18/2022 4:59 PM
59137	None have hope to slow down the globalist agenda	2/18/2022 4:59 PM
59138	Frustrated it wasn't more quickly handled and very concerned about the nonCanadian influence	2/18/2022 4:59 PM
59139	It's brought hope back and a Canada that we haven't seen in a long time. It's shown that when we stand together we can raise funds and food for many in a short amount of time that I would love to see continue for our homeless and less fortunate. It's proved that our PM doesn't care about the people he works for just himself. He needs to have his assets frozen and be put in a position like the low income people he works for then maybe he would feel what so many of us are feeling. Thank you truckers, veterans , trades and everyone else standing up to our PM	2/18/2022 4:59 PM
59140	Dis not affect me whatsoever!	2/18/2022 4:59 PM
59141	Finally gave us some hope for our future, this country felt so divided, and isolated and empty. Was very hopeful for a couple of weeks, Trudeau has brought the hope crashing down again.	2/18/2022 4:59 PM
59142	have seen true love and support for Canada, peace & acceptance for all Canadians, from the convoy supporters, has shown me the strength of proud Canadians coming together, has shown me that our Prime Minister is using hate & division to cause a rift between vaccinated & unvaccinated Canadians, the federal & provincial mandates have violated our Charter of Rights & Freedoms our Privacy Act & have taken our private health information & medical autonomy away & violated the PIPEDA, paid federal & provincial government representatives are not listening to their constituents & we have lost faith in our parliamentary process	2/18/2022 4:59 PM
59143	What stupid jerks. People are stupider than I thought.	2/18/2022 4:59 PM
59144	It has given me hope.	2/18/2022 4:59 PM
59145	Gabe me hope again	2/18/2022 4:59 PM
59146	awesome keep it up	2/18/2022 4:59 PM
59147	It's gave me more power and energy. Gave me hope that I will be able travel and see my family.	2/18/2022 4:59 PM
59148	It has given hope that there are more people that want to move on, and get back to living.	2/18/2022 4:59 PM
59149	Great! Boosted my moral to the max	2/18/2022 4:59 PM
59150	No I stand with them for our freedoms	2/18/2022 4:59 PM
59151	After 2 years of darkness we had 2 weeks of joy and happiness. It was a huge boost in our moods and hope for the future.	2/18/2022 4:59 PM
59152	As I am a retired Military it has made me PROUD of my Country again.	2/18/2022 4:59 PM
59153	Gave me hope	2/18/2022 4:59 PM
59154	I live in Ottawa - they fucking suck. They have done everything to harass and terrorize our city. Their seditious actions are disgusting and not reflective to the most of Canada	2/18/2022 4:59 PM
59155	By given hope that we have a chance to fight and stand up to the corrupt government	2/18/2022 4:59 PM
59156	I pray to God for them to win this freedom convoy is my hope!	2/18/2022 4:59 PM
59157	It makes me proud that people are protesting against these tyrannical mandates.	2/18/2022 4:59 PM
59158	It has given me hope that these mandates will be removed, found illegal and that laws will be enacted so that this can never happen again. It's also reaffirmed that my "fringe minority unacceptable opinions" are not really that and there are a lot of regular Canadians who have had these opinions but up until now have either been too afraid to voice them for going against the narrative that it they are selfish and conspiracy theorists or whatever bs propaganda that's being spewed in the media, govt and public health . Autonomy over one's own body and the freedom to say no without coercion is the most important freedom one can have and is a human right. I thank the truckers for their bravery and courage to bring this issue to the forefront at great peril to themselves personally. This DID NOT HAVE TO GET TO THIS POINT UNLESS THE GOVT WANTED IT TO. And if they did, I have to ask what their "agenda" might be?	2/18/2022 4:59 PM
59159	Given me hope again.	2/18/2022 4:59 PM

Canadians vote on Canadian Mandate - February 2022

59160	Motivating, feels like something positive might finally happen. It shows the ineffectiveness of our current PM and liberal government, and certainly shows the lack of empathy for Canadians. I wish I could have gone to Ottawa too. I love Canada and I hope Trudeau is removed from power	2/18/2022 4:59 PM
59161	It has been very emotional watching people defend our rights as Canadians. Seeing unity/pride/love w/o using the race, gender, supremacy card is so refreshing. Bringing all the corruption out to be seen, the mainstream media fueling fear & lies. I will support them for the long term gain. To see others that feel the same way brings tears of joy and pride. The disgust I feel for the government can't be described.	2/18/2022 4:59 PM
59162	Not	2/18/2022 4:58 PM
59163	Hope	2/18/2022 4:58 PM
59164	It has given me hope that as a Canadian my rights and freedoms will be returned to me!!	2/18/2022 4:58 PM
59165	Created hope that things will change for the better	2/18/2022 4:58 PM
59166	It is great to see Canadians sticking up for everyone. It has brought my faith in Canadians and exposed the government for what it is.	2/18/2022 4:58 PM
59167	Given me the most hope I've had in two years	2/18/2022 4:58 PM
59168	It renewed my faith in Canadians and the support from the USA and the rest of the world is something I will never forget. I am also glad that the main stream media are finally being exposed for the lies and lack of reporting that they have long been guilty of. There is no hiding it now. I also know that nothing can stop what is coming and that this is just part of the plan. I am relieved that it has finally started. Some of us have been waiting for a long time.	2/18/2022 4:58 PM
59169	It actually gave me hope. Although it is being shut down as I do this survey I feel it has been a success with all of the provinces starting to lift the mandates. It also exposed what a total imbecile our prime Minister is. This could have all been over 3 weeks ago if he would have sat down and talked with the truckers instead of running home to mommy. Time to grow a set JT	2/18/2022 4:58 PM
59170	Felt hope. Like others are fed up and I am not alone	2/18/2022 4:58 PM
59171	Positivity and a chance	2/18/2022 4:58 PM
59172	Gave me hope. Truth and freedom must be regained	2/18/2022 4:58 PM
59173	Made me feel hope, its uplifting and first time felt proud to be Canadian in a long time	2/18/2022 4:58 PM
59174	They bring me joy and hope	2/18/2022 4:58 PM
59175	hope	2/18/2022 4:58 PM
59176	It gives me hope.	2/18/2022 4:58 PM
59177	It has made me proud to be Canadian again it united us globally it's beautiful and they have every right to be there	2/18/2022 4:58 PM
59178	Stress, worry, concern, waste of tax payers money.	2/18/2022 4:58 PM
59179	It gave me Hope & Happiness for a Free & Peaceful Canada	2/18/2022 4:58 PM
59180	Nothing	2/18/2022 4:58 PM
59181	It has given me hope that there are people who will work to retain our freedoms and rights as Canadian citizens	2/18/2022 4:58 PM
59182	Inspired hope and feelings there could be an end to these terrible times.	2/18/2022 4:58 PM
59183	It has not! I'm glad someone is taking a stance. I crossed the border at peace bridge last week and the hell I went through with PCR - I can understand the frustration the truckers face with the mandates - please remove all mandates including inter province and international travel - it's not working	2/18/2022 4:58 PM
59184	Gave us hope	2/18/2022 4:58 PM
59185	Given hope back to our lives	2/18/2022 4:58 PM

Canadians vote on Canadian Mandate - February 2022

59186	It has given me hope and much joy so see people unite, stand up for freedom and living, allowing common sense to guide them instead of keeping on complying and thinking that they need to go along with everything the government thinks up.	2/18/2022 4:58 PM
59187	Hasn't affected me	2/18/2022 4:58 PM
59188	Given us hope again in a free and united Canada	2/18/2022 4:58 PM

59191	It's given me hope	2/18/2022 4:58 PM
59192	Made me worried for the future of our country	2/18/2022 4:58 PM
59193	Amazing! Made me proud to be Canadian again.	2/18/2022 4:58 PM
59194	My spirits are up even though the hateful comments can get to you for just holding a Canadian flag. There is hope that people will fight for the future of our children to not grow up in a communist country.	2/18/2022 4:58 PM
59195	It's the step in the right direction this country needed to move on and continue life as normal as possible	2/18/2022 4:58 PM
59196	Pushed Truturd to show his true colors and proven to others the direction he's been going, through out his full terms	2/18/2022 4:58 PM
59197	I think what they are doing for us is more then the government has ever done!	2/18/2022 4:58 PM
59198	Shown how present government is full of decit and how has become the laughing stock on the world stage.	2/18/2022 4:58 PM
59199	none	2/18/2022 4:58 PM
59200	So proud someone stepped up to make a stand	2/18/2022 4:58 PM
59201	It's brought a beam of light, hope and happiness	2/18/2022 4:58 PM
59202	Given me hope for my family and myself	2/18/2022 4:58 PM
59203	This convoy has given me hope in the future.	2/18/2022 4:58 PM
59204	Gave me hope and pride	2/18/2022 4:57 PM
59205	It hasn't affected my life at all, It's a good thing some people are standing up to our government our government this is totally unacceptable what they are doing to us..	2/18/2022 4:57 PM
59206	go home	2/18/2022 4:57 PM
59207	Pain in the ass from whining and selfish babies who only think of themselves and can't think of others.	2/18/2022 4:57 PM
59208	The truckers convoy was inspirational & gave Canadians hope. Trudeau destroyed all hope & made it clear that we are living in a dictatorship.	2/18/2022 4:57 PM
59209	It hasnt.	2/18/2022 4:57 PM
59210	Gave me hope and pride for the first time in years.	2/18/2022 4:57 PM

59212	I give all my support regardless of inconviene. Some one need stand up to end this tyranny.	2/18/2022 4:57 PM
59213	It has inspired me and given me hope that our collective and unified voices will be heard.	2/18/2022 4:57 PM
59214	Given me hope and knowledge that I am not the only true Canadian who SEES and CARES!!	2/18/2022 4:57 PM
59215	I am very worried about the white supremacy this convoy has bolstered	2/18/2022 4:57 PM
59216	Not at all. I'm rooting for our freedom also! The fact that people are not seeing the bigger picture, is disappointing. If people want to continue to wear masks and go for their 15th booster, nobody is stopping them BUT don't force it on to others that choose not to take that risk.	2/18/2022 4:57 PM

Canadians vote on Canadian Mandate - February 2022

59217	It has given me severe anxiety over the selfish actions of others. I have lost friends and family who believe in this "cause". It was incredibly selfish of people to throw a tantrum at the government because they didn't like something that 90% of Canadians had no issue with. I hope the charges are swift and harsh.	2/18/2022 4:57 PM
59218	Same as above	2/18/2022 4:57 PM
59219	I support trucker !	2/18/2022 4:57 PM
59220	None	2/18/2022 4:57 PM
59221	Brought a huge sense of hope. Feeling of togetherness, strength and unity that seemed to not exist. It's brought pride in being Canadian to see what they've caused worldwide! Trudeau must go..makes me feel that moving to China or Russia would be just like staying in Canada if he is allowed to continue. Being a person in parliament should mean having an unbiased opinion and being open minded to the people that you "lead"(I say that VERY lightly)	2/18/2022 4:57 PM
59222	It has given me home our country is not lost.	2/18/2022 4:57 PM
59223	i was very happy and thinking about the freedom to come back	2/18/2022 4:57 PM

59225	Emotionally disturbing. Makes me sad.	2/18/2022 4:57 PM

59227	Gave me hope	2/18/2022 4:57 PM
59228	It's brought me HOPE!!!!	2/18/2022 4:57 PM

59233	None	2/18/2022 4:57 PM
59234	Brought hope	2/18/2022 4:57 PM
59235	they gave hope to be able to move past the awful government decisions of the past few years	2/18/2022 4:57 PM
59236	Lack of groceries on shelves causing food prices to go up	2/18/2022 4:57 PM
59237	In a positive way	2/18/2022 4:57 PM
59238	Psychological warfare of horns and harassment led to lack of sleep, PTSD, vomiting, hyper-vigilance, association of trucks and the Canadian flag with terrorism. Using children as shields is what terrorists do. Made me more involved in activism. Lost my freedom to live in peace, health, and move around safely.	2/18/2022 4:57 PM
59239	So much hope! I am PROUD to be Canadian because of the selfless act these Truckers took. Love for all and strength to keep on keeping on	2/18/2022 4:57 PM
59240	I feel hopeful again for the first time in 2 years.	2/18/2022 4:57 PM

59243	It has brought hope and faith back for my fellow canadian people.	2/18/2022 4:57 PM
59244	Given hope!!!	2/18/2022 4:57 PM
59245	Made me proud to believe we have a voice for common sense	2/18/2022 4:57 PM
59246	The mandates are starting to lift and all of them have brought hope to our disgusting world.	2/18/2022 4:57 PM

59274	It's brought joy and a sense of belonging that has been missing. It's brought hope that it's possible to bring about change	2/18/2022 4:56 PM

59277	The trucking convoy brought hope and visible pride in humanity and united Canadians (both vaccinated and unvaccinated)	2/18/2022 4:56 PM
59278	Gave me hope and restored some sanity. Truckers seem to follow the actual science based approach: to end the mandates that have no purpose other then government control	2/18/2022 4:56 PM
59279	They have helped us realize that we are not alone.It has encouraged me to stand up for our freedoms And also given me hope for my children's future. It's also given me pride to stand as a Canadian	2/18/2022 4:56 PM

59286	I've had a lot of fun trolling morons on Zello	2/18/2022 4:56 PM
59287	Knowing I'm not alone. With my beliefs There is strength in numbers	2/18/2022 4:56 PM
59288	<p>The “freedom convoy” that made its way to Ottawa has my full support. I do not agree with violence or hatred of any sort and condemn anyone there who might be participating in such (the only two people charged that I am aware of are citizens of Ottawa, by the way). However, the legacy media seems to have focused only on those elements of this protest. I have watched many videos from independent media that tell a completely different story, one of love, unity, and patriotism, none of which has been picked up by the mainstream media. The people there are being demonized, just as the unvaccinated have been vilified. Telling from the comments I heard from politicians beyond the Conservative party during last night’s debate, they are totally out of touch with the pulse of what is going on in Canada. I am not a racist, misogynist, extremist, or terrorist, as our Prime Minister would like to have people believe. I have a master’s degree in gender studies and have, until recently, considered myself of left-wing ideology. But this government’s trampling over people’s human and Charter rights appalls me, all under the guise of an emergency that no longer exists, if it ever did to begin with. I have lived in Kamloops for 7 years and still do not have a family doctor. That lack of health-care resources existed long before the pandemic. And if I had a doctor, I should have the right to have her or him decide, with my input, what is best for me medically, not the government. People say nobody is forcing anyone to get the vaccine; “you have a choice but choices come with consequences.” I have heard that phrase so many times I could vomit. Forcing someone to choose between injecting themselves with something they worry might injure or kill them or earning a living to put food on their table and clothing on their children is coercion, pure and simple, and does NOT constitute informed consent. The people in Ottawa demonstrating right now understand that intimately. They are not the devils they are made out to be. Most from what I can tell are compassionate, loving human beings who are attempting to reunite our country. However, with the people we have at the helm of our government, I fear that is a pipe dream after listening to last night’s debate. They are the ones who continue to foment division in this country, a country I have cried for until the last few weeks when I have once again felt proud to be a Canadian. The last two years have been the most trying of my life and my mental health has never been worse. I continue to work full-time from home, which is a relief. Added to the stress of caring for my Mom and being away from home for 10 months and losing my husband and my Dad, is worrying about whether I will also lose my job for not getting vaccinated. So far that has not happened, thankfully. But it is becoming clearer every day that these vaccines are no longer effective in the sense that the vaccinated can still contract and spread COVID. Those in the federal government who say this is a provincial problem are wrong. The unvaccinated cannot get on a plane or train thanks to the federal government. The Liberals have promised to give the provinces millions of dollars to implement vaccine passports that prevent the unvaccinated from participating in many of the joys of living that the vaccinated enjoy. And the federal government has implemented mandates resulting in many workers losing their jobs. Many governments are dropping mandates and restrictions because the vaccines no longer work; yet our government continues to “double down” with the “get vaccinated” rhetoric and refuses to budge, despite Dr. Tam hinting that it is time to do so. What has been by far the hardest on my mental health is the treatment I and other unvaccinated people have received from the vaccinated, many of whom are pompous, self-righteous, and downright mean. Some people are bullies, expecting us to tell them whether we are vaccinated, and I feel they have been emboldened by our governments, especially the Prime Minister, to be that way. His language and rhetoric are such that, if the unvaccinated were an “identifiable group” as outlined in section 319 of the Criminal Code of Canada (which I believe they now are as a result of vaccine passports), I fully believe he could be charged for publicly inciting hate. His words, his arrogance, and his lack of compassion for the citizens of Canada are tearing this country apart. I hope that someone will extend an olive branch and listen to the</p>	2/18/2022 4:56 PM

people who have come to Ottawa because they have done everything to be heard to this point to no avail. Someone mentioned in the House last night that they should just consult with their elected officials. They have done that and it has fallen on deaf ears. They are committed now to ensuring politicians hear what they have to say. They are not leaving. And many more will be joining them if necessary to show our government that we want them to hear what we have to say. There is no emergency, and no legal reason for denying people their Charter rights and freedoms. There are several world-renowned doctors and scientists there with the protestors who have invited Dr. Tam to meet with them. The convoy also has Mr. Trudeau's former protector, a member of the RCMP who resigned because of vaccine mandates (Danny Bulford), and an intelligence expert there ensuring everyone is safe and no violent acts are committed. The message going out every day from the protest organizers to the truckers is to remain peaceful and comply with anything the police ask. But after watching the political debate last week, and the recent debate regarding the Emergencies Act, I fear partisan politics will rule the day and nothing will be resolved. This debate was like any other instance of Question Period whereby people try to "one up" each other to gain political points; this at a time when our country is in crisis. Furthermore, and unfortunately, many of the people speaking have simply "perpetuated the narrative" about the protest without going to see for themselves what these people are all about, instead just writing them off as violent criminals "occupying" Ottawa (and using words like "siege," "insurrection", "blockade", etc., all of which from my vantage point are inaccurate and are meant simply to portray them in a certain, negative light). For that reason, I have dire concerns for the future of our country. If you have made it through my entire letter, I thank you for reading it. Please feel free to use anything in my story if it can be of use to you. I am a 60-year-old widow with degrees in criminology and gender studies, and I work in a professional capacity at Thompson Rivers University. I am not anything that Prime Minister Trudeau has said I am. I am a proud member of the "fringe minority" with "unacceptable views" and plan to stay that way.

59289	It's given me hope	2/18/2022 4:56 PM
59290	Affected me as a Canadian citizen by disrupting supply chains, hurting the Canadian economy and negatively affecting Canada's international reputation. Made me so angry on behalf of the residents of Ottawa and Coutts who have had their lives turned upside down by these selfish individuals.	2/18/2022 4:56 PM
59291	the government has had greatest affect on my life and it's bad handling of the situation they should have at least spoken to the protesters.	2/18/2022 4:56 PM

59294	I am very proud of the trucking convoy	2/18/2022 4:56 PM
59295	Certain family and friends have been radicalized by this cult and obsessive. People who never showed any kind of racist, hatred or violence in their life are now turned into barbaric versions of themselves. My friends in downtown Ottawa are afraid to leave their homes, and I am worried for them every day. These protestors are free, they do not know the true brutality of living in a country without freedom.	2/18/2022 4:56 PM
59296	It has given me hope and has United all us real Canadians	2/18/2022 4:56 PM

59299	As far as I know, the truck and convoy has not impacted my life in a negative way. I support the concept of freedom for our own bodies however I do not support the fact that we have lost sight of supporting all of our Canadians throughout the pandemic and throughout history. I think it's time for everybody to have a say and an equal voice because we are all human beings.	2/18/2022 4:55 PM

59353	The convoy has given me hope in that Canadian's can have the rights restored under the Constitution and the bill of rights and freedoms. 59354	It hasn't affected me directly except increase in prices	2/18/2022 4:54 PM

59383	I feel like now, we, as Canadians are being heard and finally have hope for freedom and a return to some normalcy. I totally support the truckers!	2/18/2022 4:54 PM
59384	I work in a essential store and we have a hard time lately with people not wearing mask and getting into our face if we remind them about the law. People are tired and fed up with everything and we haven't been free over 2 years now. Enough is enough!!!	2/18/2022 4:54 PM
59385	It has given me hope and courage	2/18/2022 4:54 PM

Currently trapped in a country which I do not recognize, I literally will not survive the current climate unless my constitutional rights are restored without much further delay. And, I realize, that the government and many of this country's citizens could not care any less about me or my needs. This is not a victim impact statement. It is the hard, cold realities of the situation.	2/18/2022 4:53 PM

59639	I did hope that mandates will end	2/18/2022 4:48 PM
59640	I love the truckers! May they be blessed with peace, protection, and see the Lord's hand in everything. Amen	2/18/2022 4:48 PM
59641	It hasn't	2/18/2022 4:48 PM
59642	Too many ways	2/18/2022 4:48 PM
59643	Endless hours of amusement on Twitter	2/18/2022 4:48 PM
59644	Joy Joy	2/18/2022 4:48 PM
59645	It has made me happy that people are willing to stand up for their rights.	2/18/2022 4:48 PM
59646	It proved to me there are a lot of true Canadians still out there willing to stand out in the cold and stand up and for their freedom and I stand with them from my city by going to rally's and supporting freedom and human rights. So it's brought more love and shone a bright light onto this darkened time.	2/18/2022 4:48 PM
59647	Given me hope that I will be free again	2/18/2022 4:48 PM
59648	Not at all. It actually brought me hope and made me proud to be Canadian. I stand for freedom of choice. We are a democracy.	2/18/2022 4:48 PM
59649	Has not	2/18/2022 4:48 PM
59650	Positive, shown us all what peaceful protests look like amongst love, unity, respect, caring and compassion for our fellow Canadians, unlike the Trudeau Government.	2/18/2022 4:48 PM
59651	It hasnt	2/18/2022 4:48 PM
59652	No	2/18/2022 4:48 PM
59653	Gave me hope that others see the tyranny.	2/18/2022 4:48 PM
59654	Given me hope	2/18/2022 4:48 PM
59655	It hasn't	2/18/2022 4:48 PM
59656	Gave hope for the country. Proud of them	2/18/2022 4:48 PM
59657	It hasn't done anything other than inspire me to be more bold about my beliefs and opinions. I don't see them as a threat. I see the governments overreach as a far more malevolent threat to our individual freedoms and way of life.	2/18/2022 4:48 PM
59658	Hasn't really affected my life	2/18/2022 4:48 PM
59659	Not at all but upset for how the original vision was subverted	2/18/2022 4:48 PM
59660	Been the best 3 weeks of pure happiness I have experienced in 2 yrs. Actually was proud to be Canadian again	2/18/2022 4:48 PM
59661	Creating economic issues , therefore increasing pricing	2/18/2022 4:48 PM
59662	I feel enlightened, free and valued.	2/18/2022 4:48 PM
59663	In a loving positive hopeful way. It was beautiful to see Canadians come together out of love and care for each other and to stop the insanity the government has perpetrated against the Canadian citizens.	2/18/2022 4:48 PM
59664	These are intellectually challenged white male incels who shop at Bass Pro who are delusional.	2/18/2022 4:48 PM
59665	Brought me hope!!	2/18/2022 4:48 PM
59666	Every stupid day they have been doing it	2/18/2022 4:48 PM
59667	It hasn't	2/18/2022 4:48 PM

Canadians vote on Canadian Mandate - February 2022

59668	It has opened my eyes to the division that exists in Canada caused by our government	2/18/2022 4:48 PM
59669	It hasn't.	2/18/2022 4:48 PM
59670	It has given me a sense of pride and hope	2/18/2022 4:48 PM
59671	None	2/18/2022 4:48 PM
59672	Proud to be Canadian again	2/18/2022 4:48 PM
59673	Hope for freedom	2/18/2022 4:48 PM
59674	Given me hope like you would never believe. They are my heros!	2/18/2022 4:47 PM
59675	It's annoying.	2/18/2022 4:47 PM
59676	It's given me hope in Canadians again	2/18/2022 4:47 PM
59677	It has provided some hope that a movement has started to push the Government into dialogue with Canadians.	2/18/2022 4:47 PM
59678	Made me happy to watch it!	2/18/2022 4:47 PM
59679	Gave us hope	2/18/2022 4:47 PM
59680	Lost income. My contract was cancelled due to safety & security concerns. Wasn't safe for workers or audience	2/18/2022 4:47 PM
59681	lost my business	2/18/2022 4:47 PM
59682	Gave me hope for canada in the fight against a socialist future	2/18/2022 4:47 PM
59683	The Truckers have brought so much hope and belief that when Canadian citizens support each other we can get this done. There has been so much love and peace shown. However, it has really exposed how corrupt our government and courts are . The government is not for the people!!! How can Trudeau invoke an emergence act when he does not have a majority? Trudeau is a criminal and should be arrested.	2/18/2022 4:47 PM
59684	Proud of them	2/18/2022 4:47 PM
59685	Inspired. Do not approve of the F#ck Trudeau flags and anything flown or inhumane	2/18/2022 4:47 PM
59686	It has given me hope that one day this will end	2/18/2022 4:47 PM
59687	It's nice to see I'm not the only person that has issues with the corruption and mishandling of the Covid issues by those in power and making the decisions	2/18/2022 4:47 PM
59688	Rejuvenated my hope to bring these mandates to an end and the draconian overreach of out government.	2/18/2022 4:47 PM
59689	I've reached out to friends and family in Ottawa to lend my support for the residents suffering under the illegal occupation.	2/18/2022 4:47 PM
59690	Worse than covid. To see all that hate and selfishness directed at the people who just want to be safe and keep their loved ones and neighbours safe. My stomach sinks at the sight of my Canadian flag. This convoy has left a major scar in our country.	2/18/2022 4:47 PM
59691	It has given me so much hope, so my future children and their children will be born free just as I was. I have never felt so proud of my people and I have never felt so proud to be Canadian again	2/18/2022 4:47 PM
59692	It's me so proud to be Canadian again. Gave me the courage to fight even harder then before. I even attended one of convoys in the Edmonton area.	2/18/2022 4:47 PM
59693	It has given me joy and hope for a better tomorrow. Just knowing there are thousands of other Canadians like me. Uplifting	2/18/2022 4:47 PM
59694	I have hope in my heart again that we can resume our freedoms and liberties. There is reprieve in sight.	2/18/2022 4:47 PM
59695	It has given me hope - and a lot if anger. How can we be told to follow the science and when we do we are accused of being conspirators and worse?	2/18/2022 4:47 PM

Canadians vote on Canadian Mandate - February 2022

59696	Given me hope for a future for my kids. Thus isn't the legacy I want to leave them or my grandchildren. This is not Canada.	2/18/2022 4:47 PM
59697	It hasn't! It does NOT affect me in 1 way or the other, except that PM Trudeau should remove these mandates so that truckers can get back to work to get commodities (cattle, groceries, fuel, etc) moving again!! Otherwise, it will affect me & everybody else!!	2/18/2022 4:47 PM
59698	It has given me hope.	2/18/2022 4:47 PM
59699	It hasnt	2/18/2022 4:47 PM
59700	Hope	2/18/2022 4:47 PM
59701	No	2/18/2022 4:47 PM
59702	Every aspect in a great way.	2/18/2022 4:47 PM
59703	It's given me hope, hope that Canada as I know it isn't lost. That people will join together and find unity and compassion for others regardless of medical views.	2/18/2022 4:47 PM
59704	I was excited and hopeful as they drove past my location. I follow their news closely. My premier has made changes because of them.	2/18/2022 4:47 PM
59705	It has brought hope. The government is supposed to work for the people and the people have spoken!	2/18/2022 4:47 PM
59706	Made me feel proud to be canadian again.	2/18/2022 4:47 PM
59707	It hasn't	2/18/2022 4:47 PM
59708	Brought hope, pride	2/18/2022 4:47 PM
59709	It offered hope and inspiration. We're still hopeful that the government will stop their power-tripping nonsense, end the war against their own people, and engage in conversation to find a peaceful resolution - namely the dissolving of any and all Covid impositions and mandates and restrictions. It's time to live life, fully and unhindered.	2/18/2022 4:47 PM
59710	It has given me hope	2/18/2022 4:47 PM
59711	They were a pain in the ass and dont represent the country at large. If anything they made things worse.	2/18/2022 4:47 PM
59712	Have hope	2/18/2022 4:47 PM
59713	At first it gave me hope when I realized that there were others who shared our views. The smears and now police action against peaceful protesters has left me demoralized and unable to recognize my own country.	2/18/2022 4:47 PM
59714	disrupted my life and raised concerns about how a small number of people can do that, taking actions contrary to my feelings	2/18/2022 4:47 PM
59715	Gave me hope!	2/18/2022 4:47 PM
59716	It hasn't. It is giving me hope and heart that Canada still has people to stand up for our rights	2/18/2022 4:47 PM
59717	Given me hope to believe there will be an end to this tyranny and we will get our rights and freedoms back	2/18/2022 4:47 PM
59718	gave hope but i don't think they will succeed. the good that has come out of this is that the government has shown it's true colours and hopefully canadian citizens will wake up.	2/18/2022 4:47 PM
59719	It gives me hope finally as an unvaxed person	2/18/2022 4:47 PM
59720	Well they made a difference. So a positive one since mandates seem to be ending.	2/18/2022 4:47 PM
59721	It has given me hope that Canadians want their country back , glorious and free	2/18/2022 4:47 PM
59722	They have given me hope	2/18/2022 4:47 PM
59723	I support them big time	2/18/2022 4:47 PM
59724	Annoyed by it all	2/18/2022 4:47 PM

Canadians vote on Canadian Mandate - February 2022

59725	It finally gave me hope...	2/18/2022 4:47 PM
59726	So happy someone took the initiative to do something so we can have our freedom back. The only way it's affected me is it's getting the government to hopefully listen to us.	2/18/2022 4:47 PM
59727	It has brought hope to Canadians	2/18/2022 4:46 PM
59728	It has brought unity and a new perspective that we can work together for the same goal! End the Mandates and let Freedom reign!	2/18/2022 4:46 PM
59729	Made me see hope and excitement that we would get our freedom back	2/18/2022 4:46 PM
59730	embarrassed by them, sad for their kids and pets	2/18/2022 4:46 PM
59731	It has given me hope that this insanity can be stopped. As 31 year veteran of the Canadian Armed Forces I'm appalled at how the government and media have lied about the entire pandemic. I fought for this country and am ready and willing to take up arms again against enemies of the domestic kind JT.	2/18/2022 4:46 PM
59732	Gave hope for the future	2/18/2022 4:46 PM
59733	Made me feel proud to be Canadian for the first time in two years	2/18/2022 4:46 PM
59734	Not at all!	2/18/2022 4:46 PM
59735	Not all all physically as I am far removed -	2/18/2022 4:46 PM
59736	It hasn't. Shows that people are finally protecting our rights	2/18/2022 4:46 PM
59737	It hasn't	2/18/2022 4:46 PM
59738	The trucker convoy has brought Hope to me and my family! I wish I could be there to Support them & stand up to this tyrannical government! It has made me feel something for this country again.	2/18/2022 4:46 PM
59739	made me proud of Canada again!	2/18/2022 4:46 PM
59740	Not at all	2/18/2022 4:46 PM
59741	Restored my faith in humanity.	2/18/2022 4:46 PM
59742	Gave me hope	2/18/2022 4:46 PM
59743	Theyre rooting for what Canadians want	2/18/2022 4:46 PM
59744	It hasn't . I am proud of them.	2/18/2022 4:46 PM
59745	It hasn't.	2/18/2022 4:46 PM
59746	Not even a little.	2/18/2022 4:46 PM
59747	Nor at all	2/18/2022 4:46 PM
59748	It hasn't	2/18/2022 4:46 PM
59749	Can we say empty grocery shelves	2/18/2022 4:46 PM
59750	Given hope for getting the federal government to listen to the Canadian people.	2/18/2022 4:46 PM
59751	It has given me hope. It is the only time since the vaccine mandates started that I've felt that anyone stands up for people like me, who cannot or do not want to be vaccinated. We hold space for those who are scared of covid. Why would we equally not hold space for those fearful of the vaccine?	2/18/2022 4:46 PM
59752	The trucking convoy has given me so much hope. Hope for the future and for humanity. It has shown that people are much kinder and more open-minded than the government and the media would have us believe. It has let me know that there is nothing wrong with standing up for myself and nothing wrong with having my own personal thoughts and beliefs.	2/18/2022 4:46 PM
59753	Noise and lack of business	2/18/2022 4:46 PM
59754	Given hope	2/18/2022 4:46 PM
59755	I have realized that there are many that feel the same as I do. I felt alone in my thoughts and	2/18/2022 4:46 PM

they gave me hope.

59756	I worry about the safety of indigenous ppl and friends I have in Ottawa and Toronto. I also worry about the "welcoming" attitudes of nazi/white supremacy presence and beliefs.	2/18/2022 4:46 PM
59757	Hope for our freedom	2/18/2022 4:46 PM
59758	Given me hope for the first time in 2 years	2/18/2022 4:46 PM
59759	It gave me hope that Canada would change	2/18/2022 4:46 PM
59760	Not at all.	2/18/2022 4:46 PM
59761	Given me hope	2/18/2022 4:46 PM
59762	Given me hope	2/18/2022 4:46 PM
59763	Nothing	2/18/2022 4:46 PM
59764	Given me hope, belief that there is something we can do to be heard by our government. But they're not listening.	2/18/2022 4:46 PM
59765	It hasn't, I support the truckers for standing up For our rights to our egotistical, self serving, misogynist Prime minister, god bless them	2/18/2022 4:45 PM
59766	Hope and positivity	2/18/2022 4:45 PM
59767	Has given hope for an end to the dictatorship	2/18/2022 4:45 PM
59768	Made me more proud to be a Canadian!...they have exposed a corrupt overreaching government.	2/18/2022 4:45 PM
59769	Nothing	2/18/2022 4:45 PM
59770	I had pretty much lost all hope until this trucking convoy came about! It gave me hope! I'm not alone, there's others like me and they're willing to stand up for me and others who have been demonized lately. It's given me hope, Canadian pride again!	2/18/2022 4:45 PM
59771	Given me hope	2/18/2022 4:45 PM
59772	Didn't effected at all. All positive	2/18/2022 4:45 PM
59773	It gave us hope that these mandates would end and the government would listen to reason. That Canadians would be able to come together in unity once again. The divide would end.	2/18/2022 4:45 PM
59774	It has given me some hope that we have some true Canadians fighting a fight for freedom for everyone	2/18/2022 4:45 PM

59776	Positive looking forward to freedom	2/18/2022 4:45 PM
59777	It hasn't	2/18/2022 4:45 PM

59780	It brings hope and unity	2/18/2022 4:45 PM
59781	It's given me hope that this will end the great reset dictatorship	2/18/2022 4:45 PM
59782	Awful, it has destroyed families & relationships. Grown and fostered animosity and hatred where there was hardly any	2/18/2022 4:45 PM
59783	It's amazing and has shown Canada's true colours	2/18/2022 4:45 PM
59784	It has given me hope that the mandates will all be lifted! The convoy is trying to give us our freedom back!	2/18/2022 4:45 PM
59785	the convoy is representing the best about Canadians and our desire to maintain our freedoms especialy where our health is concerned	2/18/2022 4:45 PM
59786	Given hope. Pride again but seeing it be sabotaged and shamed is hard to see	2/18/2022 4:45 PM

59787	So far not at all. I support the right for each person to choose whether to be vaccinated or not. How can truckers suddenly be the carriers of this virus after 2 years of keeping the country going. Rediculous in my opinion. The same as the medical profession. It's like thanks for all your work now we will punish you.	2/18/2022 4:45 PM
59788	It gave me a sense of hope...	2/18/2022 4:45 PM
59789	It brought hope, togetherness, a feeling of purpose.	2/18/2022 4:45 PM
59790	Gave me hope	2/18/2022 4:45 PM
59791	NIL	2/18/2022 4:45 PM
59792	My father had a heart attack during the convoy and his ambulance couldn't get him to a hospital quick enough. He has brain damage and that wouldn't have happened if the ambulance could have travelled like it normally should.	2/18/2022 4:45 PM
59793	They have pissed me off by acting like a bunch of idiots	2/18/2022 4:45 PM
59794	It gave me hope for the first time in 2 years. It exposes the high level of corruption of the government and authorities in Canada and it is disgusting to watch. TRUDEAU NEEDS TO RESIGN. He's dividing the country with his hate speeches, he's by far the worst prime minister Canada can have and history will show that is a fact.	2/18/2022 4:45 PM
59795	Slowly making things better	2/18/2022 4:45 PM
59796	It's brought joy, hope, unity into my life. I support them 100 percent. When a government acts tyrannical we must rise to defend our rights. Go truckers go!	2/18/2022 4:45 PM
59797	NA they did what they had to do and I am glad someone finally stood up against this thyrany	2/18/2022 4:45 PM
59798	It hasn't and I am proud of them	2/18/2022 4:45 PM
59799	In terms if groceries and day to day living yes. Without the truckers we can't have normal living at all. These trucks make our lives easier by bringing our supplies to the stores in general.	2/18/2022 4:45 PM
59800	Greatly	2/18/2022 4:45 PM
59801	Didnt	2/18/2022 4:45 PM
59802	Gave me hope that some level of government my listen.	2/18/2022 4:45 PM
59803	The only thing affecting me personally is the disruption of supplies.	2/18/2022 4:45 PM
59804	They have given me and my family hope for a free country again!	2/18/2022 4:45 PM
59805	It hasn't.	2/18/2022 4:45 PM
59806	Having the Truckers stand up for our rights and freedoms has been a very uplifting and encouraging experience.	2/18/2022 4:45 PM
59807	IT's made me Extremely ANGRY!!!! Trudeau does not belong in power. He has abused it, and does not stand for Canadians or is even concerned for people's safety. If Canada can be saved from Trudeau and "his bullies", it will because of the Truckers and those who support them. They are the heroes now.	2/18/2022 4:45 PM
59808	only to bring pride back to Canada and saddens me to see how our Government has handled it	2/18/2022 4:45 PM
59809	I've never more proud to be a Canadian. Nothing but peace and love	2/18/2022 4:45 PM
59810	Positively, hope and unity is back	2/18/2022 4:45 PM
59811	Love it feedom	2/18/2022 4:45 PM
59812	I see the truckers and supporters as the true heroes representing Canadians in our present situation. Our leaders lack the courage to speak the truth and stand up for what's right, thank God for the truckers and others who support them.	2/18/2022 4:45 PM
59813	Gives hope that people are actually standing up for back to normal	2/18/2022 4:45 PM
59814	I feel hope there is light at the end of a very dark tunnel. I was on the bridge in Oshawa On. with my 5 yr old grandson fighting for his future . He is very smart and will never forget this time in history. A lot of older folks on that bridge , I was very surprised and glad . The	2/18/2022 4:45 PM

television programming has to stop. I turned my cable off Apr 2020. All lies I cannot believe this is Canada very sad time ! The truckers have saved us! I feel freedom is coming back !

59815	They have given me hope	2/18/2022 4:45 PM
59816	Brought a sense of hope that together we can be the change. So inspiring and brought me joy. Loved seeing how this has brought a sense of unity to the country as they are fighting for our constitutional freedoms . Brings a real sense of community and knowing I'm not alone in what I believe to be just and true.	2/18/2022 4:45 PM
59817	They have given me hope again. Hope that the tyranny from government will end soon. Hope for freedom. They are peacefully protesting what most in Canada want and that's freedom, freedom from the disgusting government overreact, freedom from all the Covid19 mandates.	2/18/2022 4:45 PM
59818	I am proud to be Canadian and support them 1000%. They (the truckers) were brave enough to start this `small fringe` which is not only for the truckers but for everyone who has a voice, which is all of us Canadians.	2/18/2022 4:44 PM
59819	Gave me hope for a better Canada	2/18/2022 4:44 PM
59820	Amazing! So happy our Canadians are standing up for our freedoms!	2/18/2022 4:44 PM
59821	Great way to purge the "friends" list, and question how much inbreeding happened in the extended family that went west.	2/18/2022 4:44 PM
59822	It hasn't	2/18/2022 4:44 PM
59823	They gave me hope to get out of the tyrannical rule of Trudeau. God bless them for all they gave all for us.	2/18/2022 4:44 PM
59824	It gave me hope again!!	2/18/2022 4:44 PM

59835	The convoy has open the eyes of many people to the ridiculousness of masking, and I see less and less people wearing masks everywhere I go now. They have started to return things back to normal the way they should be again.	2/18/2022 4:44 PM
59836	They have given me hope. Hope that we can change for the better instead of changing into a divided and angry country. I feel justice will prevail especially with the 3 immediate people in my family having lifelong illness after needles in arms. They made me feel that I was NOT alone anymore. Canadians vote on Canadian Mandate - February 2022

59841	I'm for the truckers all the way. My supply chains are already so screwed up it no longer matters. What's more important is to curb the outrageous overreach by my own provincial government and the federal government. I do a lot of research on the vaccines and various mandates and I firmly believe governments have been following a global directive and don't know what the hell they're doing, neither do their so-called health experts.	2/18/2022 4:44 PM
59842	Has not affected poorly. Proud of them and what they stand for.	2/18/2022 4:44 PM
59843	It gave us hope for a happy future	2/18/2022 4:44 PM
59844	I'm angry that these people were being used by the organisers as a front that went from "end the mandates" to "overthrow our elected gov't". Angry at Conservatives pretending to support them but not willing to be arrested with them.	2/18/2022 4:44 PM
59845	It has given me HOPE. They are your average worker that stepped up for FREDOM! And what does Trudeau do, he in acts the war act on a peaceful protest.	2/18/2022 4:44 PM

59857	Inspired me to speak for the truth I feel. Warmed and deeply appreciated by the truckers convoy. They are so often an easily dismissed or forgot industry. Them standing for themselves has renewed my faith in men And Canadians.	2/18/2022 4:44 PM

corrupt tyrants running this country and the lying legacy media once and for all!

59865	Given hope and brought unity and pride back to our country.	2/18/2022 4:44 PM
59866	It has given us as Canadians hope and unity and we are once again proud to be Canadian!	2/18/2022 4:44 PM
59867	I joined this convoy and my heart has never felt so full of Love, Unity and Hope! These past 2yrs have been devastating to me and my family, thinking I'm alone. I am not alone, millions of Canadians that lined the hwsys, gathered in towns, cities and hamlets cheering for HOPE and Freedom became my family. I was overwhelmed at the support and Love for each other despite any other differences, coming together for peace and freedom to choose and live again!! I cried tears of joy the entire way, we slow rolled so we could wipe our tears of utter and pure joy, Humanity came alive. Our government has overreached and caused more harm and damage than is imaginable with these cruel and draconian Mandates - 2yrs is enough. The science has evolved and yet they have no evidence to further impose these mandates. Emergency Orders involved against proud Canadian citizens who merely wanted to know government plans for a way out. Truckers have and will continue to de-hypnotize the remainder of Canadians. Legacy Media is Despicable and are complicit in reporting Only the narrative of the government. Real journalism is independent, feet in the ground, live reporting. Truth will prevail and Good will win over evil. Truckers have worldwide support and are Heroes ♥ I thank them each and every day!! They saved my life	2/18/2022 4:44 PM
59868	Love the truckers! They give us all hope to get rid of this Government!	2/18/2022 4:44 PM
59869	They've given me hope that we might get our lives back	2/18/2022 4:44 PM

59879	Best thing to happen	2/18/2022 4:43 PM
59880	It's added stress to an already stressful time. Not helpful and damaging to Ottawa citizens	2/18/2022 4:43 PM
59881	proud to have fellow Canadian take the stand for the rest of us	2/18/2022 4:43 PM
59882	My city has been shut down. Local citizens are going out of their minds because of horns, diesel fumes, harassment, & blockades. We will be paying for this for years. It was a huge display of selfish, whiney babies who think their freedoms have been taken away when they've just been inconvenienced for the greater good. Freedoms can't be exercised as every individual wants without looking at injustices to others. Justice disappears when you harm others. It's a national embarrassment and the occupiers & supporters should be damn happy they live in Canada. There is no other country on earth that would have allowed this for 22 days.	2/18/2022 4:43 PM
59883	It did affect my work .	2/18/2022 4:43 PM
59884	I have been inspired to contribute my time with others at rallies, and small local convoys.	2/18/2022 4:43 PM
59885	Proud of them	2/18/2022 4:43 PM
59886	It has shown me that people in government and blue collar workers don't understand where their food, vehicle fuel, and paper products come from.	2/18/2022 4:43 PM

59894	I am watching the updates constantly to see how everyone is doing.	2/18/2022 4:43 PM
59895	Honestly, it hasn't. I just love watching people come together in peace and unity. It's been beautiful. The level of hate towards it is baffling for me and I am trying to understand it, see it through another's eyes, I just feel like they are blind to what's really happening. This is my prayer ... May Gods Kingdon come and thy will be done on Earth as it is in heaven, amen	2/18/2022 4:43 PM
59896	Has not	2/18/2022 4:43 PM
59897	It has given me hope. I think God is using the truckers just like He used Moses, Gideon, and Joshua. You will know a tree by its fruit. I have never seen such a peaceful protest in all my life. The government is acting shady, lying, slandering, censoring. The convoy is telling the truth and sowing unity, peace and love as they respectfully ask for Justice.	2/18/2022 4:43 PM
59898	A lot. My office is downtown.	2/18/2022 4:43 PM
59899	It has placed so much hope in my heart! Even my children get excited because they can feel how close we were to being free. Free to pickup the pcs that he government has destroyed in our families and relationships.	2/18/2022 4:43 PM

59950	Hopefully it is helping it immensely I totally agree with it	2/18/2022 4:42 PM
59951	Gave us hope for normalcy since the government refuses to listen finally someone made them listen and fought for our freedoms rights and choices ♥	2/18/2022 4:42 PM

59961	Made me proud to be Canadian	2/18/2022 4:41 PM
59962	It's woken me up to see how much Canadians and many politicians are against Trudeau's tyrannical agenda	2/18/2022 4:41 PM
59963	It gives me hope, makes me realize that I am not alone, and makes me proud of being Canadian and gives me a reason to wake up in the morning and fight for my right to chose and speak my mind. Made me realized also how divided we have been and how the government and media have lied and manipulate us during all this time.	2/18/2022 4:41 PM
59964	I had given up on Canada, I had lost all pride in Canada. The convoy really helped me feel proud to be Canadian again. What is happening in Ottawa now with all the arrests and unmarked police officers is shameful. The world is shaking their heads.	2/18/2022 4:41 PM
59965	It's given me hope that things might change. That we might get our freedom back. That we might be able to save Canada before it turns into a Dictatorship because if Justin Trudeau is not stopped, I fear that that's our future.	2/18/2022 4:41 PM
59966	Theyre annoying crybabies and they need to go back to their shacks	2/18/2022 4:41 PM

59977	Extremely negatively. It's hurting all Canadians and also hurting the perception of Canada on the world stage. Canada has become a country of unrest and bullying instigators trying to take the country hostage until their demands are met. Their demands are not supported by facts or by public safety. 59992	Gave hope that someone in power will listen and stop forcing a vaccine agenda that is not working on the current variant	2/18/2022 4:41 PM
59993	the trucking convoy never affected me in any way, i hope every truck driver across the nation and united states goes on strike don't move don't turn their ignition switch until this little pissant dictator turdeau gives in to their demands he cant force people to work and it will totally disarm his extreme measures act at the same time	2/18/2022 4:41 PM
59994	It hasn't	2/18/2022 4:41 PM
59995	It has given me hope. A sense of unity and care.	2/18/2022 4:41 PM

60000	If not for the convoy, I would be doing other things. Since the convoy started, I fully support it by attending rallies, contributions and raising the awareness about the phony covid hysteria.	2/18/2022 4:40 PM
60001	It has given us hope that this nightmare will end by waking up those who are asleep in their covid fantasy. It has given us courage to continue doing what we have been doing for the past	2/18/2022 4:40 PM

Canadians vote on Canadian Mandate – February 2022

two years: going mask-free. It has sparked pride in being Canadian (after two very shame-filled years). It has showed us that there are more like-minded people like us and that we are not alone fighting for a better Canada.

60002	Gives Hope for Canada to remain a free society.	2/18/2022 4:40 PM
60003	It has given me hope to save this country and return freedom and law.	2/18/2022 4:40 PM
60004	Division of family and friends	2/18/2022 4:40 PM
60005	Has brought my spirits up , brought joy, laughter and happiness back into the world ♥♥♥	2/18/2022 4:40 PM
60006	Has not effected my life at all. They are just trying to protect our rights and freedoms	2/18/2022 4:40 PM
60007	Extremely disruptive and unnecessary. These yahoos made a mockery of democracy. And they DO NOT speak for me!	2/18/2022 4:40 PM
60008	It has not really affected my life. I do not think the truckers should block borders. Or disrupt The supply chain. However if they want to protest they should in a peaceful manner.	2/18/2022 4:40 PM
60009	It has given us hope. Hope that this will soon be over and it shows how people can come together and be happy.	2/18/2022 4:40 PM
60010	It has made me proud to be Canadian again. I feel hope for the first time in two years. I believe these courageous Canadians will be the prime impetus for the return of our rights and freedoms and a return of democracy to Canada.	2/18/2022 4:40 PM
60011	Makes me feel proud and have hope... for once!	2/18/2022 4:40 PM
60012	For the better, good to see people stand up for the rights	2/18/2022 4:40 PM
60013	N/A	2/18/2022 4:40 PM
60014	Hope for freedom	2/18/2022 4:40 PM
60015	Gave me hope!	2/18/2022 4:40 PM
60016	It has reaffired for me that we are Sovereign Beings with free will. It matters not race, skin colour, creed, or 'vaccinated' or not...love is the only answer to end this separation of us against them. The Police are, in effect, shooting themselves in the foot. They are perpetuating separation, judgement and hatred, which are the basis for all of the wars on our planet.	2/18/2022 4:40 PM
60017	It has given me hope that Canada can get back to reality	2/18/2022 4:40 PM
60018	Made me feel happy to be Canadian again. Hope !!!	2/18/2022 4:40 PM
60019	It has made a positive impact and stood up for the rights of Canadians	2/18/2022 4:40 PM
60020	The trucking convoy has finally given me hope for our nation. Before this convoy I had become ashamed to admit I am Canadian. The government mandates and restrictions has completely destroyed what Canada stands for, and has always stood for. One Nation under God, freedom and inclusion for all	2/18/2022 4:40 PM
60021	It has brought hope to our family again and strong sense of patriotism that had almost died in the last two years.	2/18/2022 4:40 PM
60022	I get goosebumps and emotional watching them fight for our freedom and to end these ridiculous mandates.	2/18/2022 4:40 PM
60023	Wonderful. Born raised Canada 58 years very proud. I've hated and destroyed all my Canadian flags the past 6 years especially with Trudeau in power. We talked about completely moving to another country. Until the convoy. The convoy has united Canadians never before and has once again brought pride to my country. I was in complete despair until the convoy. God bless them. Our heroes and has united the people of the world.	2/18/2022 4:40 PM
60024	It's inspired me as it has the world!	2/18/2022 4:40 PM
60025	Gave me hope	2/18/2022 4:40 PM
60026	First time in a very long time i felt hope, unity like I was not alone! Made new friendships and smiled and laughed alot again first time in a ling long time! Actually proud to be Canadian again!	2/18/2022 4:40 PM

60031	I felt Hope for the first time in 2 years. I am so proud of the way they have stood up for what's Right, for Freedom!!	2/18/2022 4:40 PM
60032	Not at all	2/18/2022 4:40 PM
60033	Hasn't affected my life at all	2/18/2022 4:40 PM
60034	It has given me hope and I felt a sense of assurance that something, finally, is being done to get me into the hospital to see my loved ones. I have emailed MPs and Government officials (Ford & Trudeau) without any response besides the automated ones. The Trucking Convey gave me hope that we all as Canadians can get back to a life of freedom for our kids and grandkids.	2/18/2022 4:40 PM
60035	THE MOST HEARTWARMING HOPE I HAVE HAD IN 3 YRS.	2/18/2022 4:40 PM
60036	No just filled me with pride for the first time in two years to be Canadian	2/18/2022 4:40 PM
60037	Gave me some hope that Canada isn't lost.	2/18/2022 4:40 PM
60038	It has inspired me! It has given me hope that there are people who believe in fundamental rights and freedoms! It has been a unifying movement of people proud to be Canadian.	2/18/2022 4:40 PM
60039	It has made me and my family feel incredibly unsafe	2/18/2022 4:40 PM
60040	They haven't other then they are loud and annoying. Adults throwing a temper tantrums.	2/18/2022 4:40 PM
60041	Never been so proud to be canadian.	2/18/2022 4:40 PM
60042	none	2/18/2022 4:40 PM

60045	Has given me hope	2/18/2022 4:40 PM
60046	They have affected the health, safety, mental health, and comfort of my community not just by their sheer ignorance and stupidity, but by choosing it to inflict it on other	2/18/2022 4:40 PM
60047	It has given me hope. It is the first time in two years I have witnessed a movement of love and respect and people coming together for freedom of rights.	2/18/2022 4:40 PM
60048	It has given me hope. They are all brave good people driven to do the right thing for Canadians. They are standing up to free Canadians from the tyrannical government	2/18/2022 4:39 PM
60049	It has given me a sliver of hope and has made me realize there are MANY other Canadians who feel the same s I do when the government would have everyone believe I'm a minority who doesn't matter. I've felt more connected to people with this freedom convoy.	2/18/2022 4:39 PM
60050	Has given me hope that this will end.	2/18/2022 4:39 PM
60051	Provided a sense of freedom	2/18/2022 4:39 PM
60052	Given us hope that things will change	2/18/2022 4:39 PM
60053	It has opened my eyes to how many people are truly angry with the mandates. It is so much more than a fringe minority that our PM unwittingly suggested. He is so out of touch, and his cowardly measures are not acceptable to most Canadians.	2/18/2022 4:39 PM
60054	Blocking our borders. I am not opposed to protests by this is an attempt to overthrow a political party. Mandates are lifting by themselves now.	2/18/2022 4:39 PM
60055	It has brought me hope	2/18/2022 4:39 PM

60061	It hasn't, I support what they are doing	2/18/2022 4:39 PM
60062	It has brought to light many errors in the mandates and the lack of scientific evidence support	2/18/2022 4:39 PM
60063	They have given me n my family HOPE to live a free life and to hopefully end all mandates and the segregation caused by Justin Trudeau. The convoy has allowed my heart to feel the love and unity of the people.	2/18/2022 4:39 PM
60064	hope	2/18/2022 4:39 PM
60065	They have brought hope, peace and true patriotism to Canada. The government wont listen to the concerns of the people so the Great Canadians must take to Parliament	2/18/2022 4:39 PM

60068	Gave me hope for my kids and myself.	2/18/2022 4:39 PM

60074	We want Freedom!!	2/18/2022 4:39 PM
60075	Finally, I felt real hope. That people who were as disturbed by the loss of their freedom to work or join in society unless they took a very real risk to their health by taking this so called vaccine.	2/18/2022 4:39 PM
60076	I have felt proud to be a Canadian for the first time in over 2 years.	2/18/2022 4:39 PM
60077	It has given me hope that our democracy will be restored.	2/18/2022 4:39 PM
60078	Gives me hope for the future for my grandchildren. Peaceful protest. Corrupt goverment	2/18/2022 4:39 PM
60079	They are standing up for my freedoms as well as all Canadians. I support them as long as it's peaceful, which it has been. Covid is not going away & after 2 years we need to learn to live with it & get back to living freely, peacefully & with love for all mankind. I want our leaders to to listen to Canadians, listen to the truckers who represent us & democracy. I want my govt to lead with love & concern for all & not just seek for power & control any longer but sit down with ordinary Canadians & come up with solutions. That's what the convoy asked for & didn't get. What kind of leadership is that???? What is happening today in govt is so wrong, so wrong. It's frightening & sad.	2/18/2022 4:39 PM
60080	Hope	2/18/2022 4:39 PM
60081	Going to support the truckers was one of the most joyful and hopeful days of the last two years. It brought so much joy to unite with fellow Canadians and celebrate or freedoms as Canadians. It has given me such hope that men and women are willing to join together and protest peacefully to preserve our freedoms.	2/18/2022 4:39 PM
60082	Gave me hope again!!	2/18/2022 4:39 PM
60083	It made us feel good that something was being done to open peoples eyes...	2/18/2022 4:39 PM

Canadians vote on Canadian Mandate - February 2022

60085	It hasn't effected my life except to give me some HOPE for some true leadership and unity for ALL CANADIAN CITIZENS Prime Minister Trudeau is NOT representing our families wishes and enacted the state of emergency without just cause, vote of non confidence from our entire family!	2/18/2022 4:39 PM

60088	It gave me hope that we would have our freedoms back. I want my grandkids to know what freedom feels like.	2/18/2022 4:38 PM
60089	No effect, except for the stress of a corrupt government calling peaceful protesters all kinds of false things. I am proud of those people.	2/18/2022 4:38 PM

60095	given hope and encouragement	2/18/2022 4:38 PM
60096	Gave me hope. Showed me I'm not alone. I can't say how much I appreciate these people for having the balls (and ovaries) to stand up to that dictator that calls himself Prime Minister. They have inspired the world while much of Canada still sleeps.	2/18/2022 4:38 PM
60097	Pride that somebody is sticking up for our rights as Canadians.	2/18/2022 4:38 PM

60109	They give us hope to be united again and happy	2/18/2022 4:38 PM
60110	It's a significant embarrassment for a number of reasons, not least the absolute kids-gloves the convoy members have been treated with by police. A group formed around such utter lack of empathy and that has no problem including racists among its members is allowed to stop the normal operations and enjoyment of daily life for many across this country for an extended period of time while Indigenous land and water defenders and allies are routinely quickly and violently arrested for working to protect the very earth we are all dependent upon for our mutual survival? Disgusting.	2/18/2022 4:38 PM
60111	Hasent	2/18/2022 4:38 PM
60112	Thankfully so far, it hasn't.	2/18/2022 4:38 PM

60116	To be determined	2/18/2022 4:38 PM
60117	It is causing the prices of goods to increase and people to loose their jobs because goods cannot come through or their place of work is disrupted by the protests.	2/18/2022 4:38 PM
60118	It showed me, by the response of Trudeau and those who follow him just how corrupt they are, what deep trouble Canada is in, and how brave the truckers are for peacefully standing up and showing the world what's really going on. I pray it will be enough to wake up all those who have been blindly accepting the government and health authorities corruption.	2/18/2022 4:38 PM
60119	Convoy encourages us. Convoy gives us representation in Ottawa. Convoy gives us opportunity to protest vicariously through them. Convoy facilitates our protest of foolish mandates. 60186	Open my eyes seeing how divided Canada really is. So many hate this convoy. Its not about being a "so called anti vaxxer" its about getting our freedom back, letting us choose for ourselves and not to be dictated or told to do something.	2/18/2022 4:37 PM
60187	I am proud of people standing up for our freedom	2/18/2022 4:37 PM

60196	At last I feeling of Hope, Love, and comfort and happiness knowing that they/we have made a start on opening Canadians eyes and minds on what is happening with Canada because of our Prime Minister. Getting the Prime Minister out of office, because he definitely has his own agenda and it is not for the Canadian people.	2/18/2022 4:36 PM
60197	People should have the right to express their opinions while doing so safely and without infringing on others like the truckers are doing.	2/18/2022 4:36 PM
60198	The hope they have given me and my children is so wonderful. When they were passing through, my 11 year old who is now so afraid of people wanted to take them food and water. She is actually following what's happening because she is so hopeful.	2/18/2022 4:36 PM

60217	It's given me so much hope for the first time in two years. I've realized I'm not alone in this. We have a stronger voice together.	2/18/2022 4:36 PM
60218	The convoys not only drew attention to essential workers such as myself in the way that we were cast aside after the risk had passed and the convoys gave us a sense of hope and fellowship, it also ignited a pride of citizenship I had not had in a long time. And I felt good that for once the convoy was helping those of us that a broken political system ignored to be heard for a change. I feel like the convoy had to happen to help bring all those unheard forward. Government officials have long since stopped listening to voters	2/18/2022 4:36 PM
60219	Brought the world and Canadians together. Shown what true Canadian values are. Made me proud of my countrymen	2/18/2022 4:36 PM

	aware what a pathetic government we have	
60231	Given me hope that freedom might survive in Canada.	2/18/2022 4:35 PM
60232	It has given me hope that normalcy will resume... what the fascist trudeau govt has done with these emergency measures is absolute corruption and degradation of democracy... his party and those that support him need to be removed from power! They have become tyrannical and NEED to be stopped!!!	2/18/2022 4:35 PM
60233	It has not affected me in anyway whatsoever, it has actually made me proud to be Canadian	2/18/2022 4:35 PM
60234	Less products available on store shelves.	2/18/2022 4:35 PM
60235	It hasn't but it gives me hope	2/18/2022 4:35 PM
60236	It exposed the discrepancy between treatment of white people against POCs when it comes to "protests".	2/18/2022 4:35 PM
60237	I now have hope that things could change for the better. I have pride in my country. I now realize there are so many that feel like I do. I feel Unified with Canadians across the country. I actually want to fly my flag	2/18/2022 4:35 PM
60238	Trying to get Canada and the people back into unity which Trudeau has destroyed big time	2/18/2022 4:35 PM
60239	Spurred some hope to an end of the dictator	2/18/2022 4:35 PM
60240	Not	2/18/2022 4:35 PM
60241	It gave me hope.	2/18/2022 4:35 PM
60242	Gave us all hope as Canadians who do not want to lose freedoms and rights.	2/18/2022 4:35 PM
60243	I finally have hope again.	2/18/2022 4:35 PM
60244	No	2/18/2022 4:35 PM
60245	The truckers have inspired me to stand up for our basic human rights and fight against tyranny. BTW it doesn't seem rational that the government would use such disproportionate measures (both now and since the last two years), just for a respiratory virus with an infection fatality rate of less than 0.5% (and that primarily for the elderly and people with severe comorbidities).	2/18/2022 4:35 PM
60246	It's encouraging to see there are those who are willing to stand up for what is right!	2/18/2022 4:35 PM
60247	They have given us hope for freedom	2/18/2022 4:35 PM
60248	It was finally giving me hope	2/18/2022 4:35 PM
60249	They've given me hope for the first time in two years	2/18/2022 4:35 PM
60250	When the people weee not being heard there was nothing left to do but bring the nations grievances to the doorstep of government. Those thousands represent millions and they stand for what this nation has always stood for until Justin Trudeau came to POWER. The truckers hold the desperate hope of all Canadians.	2/18/2022 4:35 PM
60251	It has brought hope	2/18/2022 4:35 PM
60252	It has brought me hope that Canada will once again be the land of the free; Freedom of choice, bodily autonomy, thought and expression.	2/18/2022 4:35 PM
60253	Given me hope that there might be light at the end of the dark tunnel we are in.	2/18/2022 4:35 PM
60254	They have demonstrated a huge support for all those against the mandates	2/18/2022 4:35 PM
60255	Brought immense hope, sense of community, seeing smiles, people coming together. So much joy after 2 years of hell	2/18/2022 4:35 PM
60256	It has improved my energy and has given me hope in our Country that they can stop the Government from mandating people that they have to get the Covid shot just to keep their job, or just to see their family, or just to travel, or just to have a life and go in a restaurant or movie. The Government should do a survey of people to ask them why they go the Covid shot or booster. I think they will be surprised to find that many did not get it for their safety, but instead so they could keep their job to feed their family, to keep their health benefits, to be able to go	2/18/2022 4:35 PM

out and travel or eat in a restaurant or visit with friends. I have watched the Freedom 2022 Convoy from the West into Ottawa and the people have given me hope; especially seeing the country come together and give them such support along the way. The Government and Media is making the mistake of grouping each of the convoys together because they are different groups. At times I feel that I know more than the media from watching online videos. Once again the media just portrays what they want and of course a negative slant to stir up the nation. :(

60257	Encouraged me to see Canadians standing up for what they believe.	2/18/2022 4:35 PM
60258	Positively!!! Brought all Canadians together and let them know they are not alone	2/18/2022 4:35 PM
60259	It makes me proud to be a Canadian again for the first time in a long time	2/18/2022 4:35 PM
60260	Hasn't	2/18/2022 4:35 PM
60261	Brought some hope and positive outlook	2/18/2022 4:35 PM
60262	Given me hope for once	2/18/2022 4:35 PM
60263	They gave us hope. Loving and great people. Families who want what is right.	2/18/2022 4:35 PM
60264	I love it and I only wish I could be here with them	2/18/2022 4:35 PM
60265	Given me hope	2/18/2022 4:35 PM
60266	I am proud of what they are going	2/18/2022 4:35 PM
60267	Brought the hope back. Best thing that ever happened	2/18/2022 4:35 PM
60268	more patriotic and understanding their reason to protest.Exposed our prime minister for who he truly is-a divisive person	2/18/2022 4:35 PM
60269	It's has given hope that there could be an end to mandates. It has spurred purpose, it has exposed Trudeau's and legacy media's corruption.	2/18/2022 4:35 PM
60270	I'm proud of what they've done. They have single handedly united the country	2/18/2022 4:35 PM
60271	It brought hope back... it has given me pride in my country again.. it gave me joy.. it made me believe in humanity again... it gave me hope... hope... something I haven't felt in years.... And it has touched me to see how it has brought the world together.	2/18/2022 4:35 PM
60272	Gave me hope	2/18/2022 4:35 PM
60273	It gives hope that perhaps there are more people unhappy with the current state of our country and willing to try to create change.	2/18/2022 4:35 PM
60274	Its made happier that there will be mandate eliminations	2/18/2022 4:34 PM
60275	Not in the least.	2/18/2022 4:34 PM
60276	I have not felt Canadian for 2yrs. So up lifting and has giving me hope. All the people and love from every province has been humbling. So much support and wonderful to see the amount of people that are done and that want truth.	2/18/2022 4:34 PM
60277	Saskatchewan lifted their mandates and I am able to go where I wish to go without having to pay for any rapid tests. I am overall happier with the amount of freedom that I have.	2/18/2022 4:34 PM
60278	I have the most pride in this country that I've had since Trudeau took over and is destroying what was once a profiting and beautiful country. To see people banding together, strong and as friends... makes me proud. All walks of life, race and religions, are holding hands trying to get our freedoms back that Trudeau and this government has robbed from us with no scientific data to back it up	2/18/2022 4:34 PM
60279	Disturbing	2/18/2022 4:34 PM
60280	Given me hope and more faith to pray for convoy and a better future for my grandchildren.	2/18/2022 4:34 PM
60281	Family and friends have become distant and the PM has promoted divisiveness for all Canadians	2/18/2022 4:34 PM
60282	Ashamed that this ridiculous protest happened in my country. It has further divided	2/18/2022 4:34 PM

communities and made me feel less safe, less trusting of my neighbours but more resolved to work against the political movement that underpins this protest

60283	Gives me hope and makes me proud to be Canadian again.	2/18/2022 4:34 PM
60284	It's giving me hope that we can get back to a normal life and just learn to live with this "virus". At the same time it is showing just how sad of a country we are living in right now.	2/18/2022 4:34 PM
60285	Made me proud.	2/18/2022 4:34 PM
60286	I don't think it has.	2/18/2022 4:34 PM
60287	You are a hateful lot. You have inconvenienced scores of people in Ottawa and countless others have lost their income because of your obstinance and small-minded idealism. Shame on you	2/18/2022 4:34 PM
60288	Giving me hope!!	2/18/2022 4:34 PM
60289	They have all my support, because they fight for all of us. A government should be listening to what Canadian people want and freedom conway is helping to do that..	2/18/2022 4:34 PM
60290	Stirred my Canadian spirit	2/18/2022 4:34 PM
60291	Given me hope	2/18/2022 4:34 PM
60292	Honestly, I'm afraid of where this is taking Canada. I'm afraid for our safety and well being	2/18/2022 4:34 PM
60293	It has shown to me the absolute arrogance and unwillingness of our prime minister to listen to the people that he is supposed to be representing. It has proven he is unfit for a position of power.	2/18/2022 4:34 PM
60294	Gave me a light of hope.	2/18/2022 4:34 PM
60295	Not at all except it's funny how impotent trudeau is	2/18/2022 4:34 PM
60296	-	2/18/2022 4:34 PM
60297	So far it hasn't affected my life	2/18/2022 4:34 PM
60298	Given me hope and pride in my country for the first time!	2/18/2022 4:34 PM
60299	Given me hope and joy. I am cheering them on. I am so disgusted with how Trudeau is handling this.	2/18/2022 4:34 PM
60300	Nik	2/18/2022 4:34 PM
60301	It has affected my pride as a Canadian. I have never before been embarrassed to be Canadian, but this convey has put canada at the forefront of the news, fully displaying entitlement and a childish- like tantrum of people pretending to display the interests of the country	2/18/2022 4:34 PM
60302	I feel like the first time Canadians are standing up and being united in positive way.	2/18/2022 4:34 PM
60303	Again makes you see just how many ignorant fucks exist. Can't get a needle or two to help yourself and others so you have to fuck with other peoples lives and livelihoods. Made me ashamed of being white, the Canadian flag is ruined.. selfish deranged, ignorant people run rampant with no consequences so they can spew hatred. Sickening.. it also makes me ashamed of the way aboriginals, people of colour, immigrants are treated by their own communities and police. These aren't patriots. You wasted your time at the expense of your fellow Canadians just to grift, and put others in danger.. you ignorant fucks	2/18/2022 4:34 PM
60304	Give some hope that things may change	2/18/2022 4:34 PM
60305	It hasn't	2/18/2022 4:34 PM
60306	so far it hasn't	2/18/2022 4:34 PM
60307	It has brought joy and hope to my life, hope that their could be an end, hope that someone is standing up for me , hope as they peaceful drove across the country and protested . Joy that there could be a better tomorrow because of their willingness to be away from home and fight for us by showing love to others in our capital while standing up for all Canadians.	2/18/2022 4:34 PM

Canadians vote on Canadian Mandate - February 2022

60308	This working class have been mistreated and abused verbally because they had the balls to stand up to these mandates. All the Liberal party had to do was go out and talk to them. But from what I've seen, these truckers and their supporters are way beneath the liberal and NDP government. They have given me hope that things will change for the working class if they can be heard. But sadness comes as no one in government wants to stand with them.	2/18/2022 4:34 PM
60309	Has me feel proud to be a Canadian again	2/18/2022 4:34 PM

60319	Joy	2/18/2022 4:34 PM
60320	It gives me hope to see them stand strong! Without the truckers our lives would come to a screeching halt. They saw us thru the worse times of the virus and put their lives on the line for us and now the gov't (Trudeau) is calling them terrorists? Go truckers!!	2/18/2022 4:33 PM

60346	It has given me hope that we may soon get back to normal	2/18/2022 4:33 PM
60347	It has given me hope that I will have freedom of choice, as it should be in a free country such as Canada.	2/18/2022 4:33 PM
60348	Disrupted my home country and provided a poor image of the Country I grew up in.	2/18/2022 4:33 PM
60349	Not very much, although prices of goods will be going up now due to the blockades & delays at the border. I am very embarrassed to be Canadian right now,based on the bad behaviour as the occupiers terrorized Ottawa citizens. The world has watched them trample all over Ottawa's freedoms. Hypocrites!	2/18/2022 4:33 PM
60350	Given us HOPE that people are standing up against this control of the government which has had a damaging effect of society and especially our children. Supporting the truckers 100%	2/18/2022 4:33 PM
60351	Hasn't	2/18/2022 4:33 PM
60352	Gave me hope that there are many people think and see this unjust from tyrannical Government	2/18/2022 4:33 PM
60353	So inspiring to see Canadians and people across the globe being united for freedom as a result of the truckers actions and their peaceful organization, communications and behaviours. Deeply disappointed and saddened to see how the news portrays all as right wing extremists when there were relatively speaking a few who were.	2/18/2022 4:33 PM
60354	No....other than an additional 10 minute commute	2/18/2022 4:33 PM
60355	It has not.	2/18/2022 4:33 PM
60356	I am finally feeling hopeful and inspired.	2/18/2022 4:33 PM
60357	They are heroes, desperately & peacefully fighting for our freedom. They & their supporters are our last opportunity to get our freedom back in Canada.	2/18/2022 4:33 PM
60358	Breaking my heart, sadness	2/18/2022 4:33 PM
60359	Entertains me	2/18/2022 4:33 PM
60360	I have been show how squad the mainstream media is and how horrible this countries leadership is.	2/18/2022 4:33 PM
60361	Reason to fight	2/18/2022 4:33 PM
60362	He does give me hope that we can convince the government to do the right thing and follow what is good for Canadians which is not Mandates as in clearly identified in observational data that vaccines do not prevent transmission or infection and therefore mandates should be removed	2/18/2022 4:33 PM
60363	Gave me hope, pride that what I saw was very patriotic and peaceful. I believe people in the free world should be able to peacefully protest. If I saw violence that protesters were violent in any protests I wouldn't agree. We need to be civil	2/18/2022 4:33 PM
60364	Not at all	2/18/2022 4:33 PM
60365	Gave me hope this insanity would end I fully support them	2/18/2022 4:33 PM
60366	The convoy has actually been the first time in two years that I have had hope. I was afraid too many people were under the spell of the aggressive government over reach. I'm finally seeing others who see how illegal and harmful these measures have been. Seeing them stand for freedom and inspire the world is absolutely beautiful.	2/18/2022 4:33 PM
60367	Is that showed me that the media is fake and do what they're told by the government, and I	2/18/2022 4:33 PM

Canadians vote on Canadian Mandate - February 2022

used to enjoy watching the news now I'm finding it's all b*****

60368	It has affected my life in a positive way, I'm so happy that good people in this country are standing up to tyranny.	2/18/2022 4:33 PM
60369	hopefully and proud	2/18/2022 4:33 PM
60370	It hasn't really	2/18/2022 4:33 PM
60371	The trucking convoy has taught me that many Canadians are gathering to show their support for an important cause...Our Freedom!!	2/18/2022 4:33 PM
60372	They're a bunch of children	2/18/2022 4:33 PM
60373	It has given us hope that we can still have a voice.	2/18/2022 4:33 PM
60374	Used up a lot of good will in the country and pushed us further toward tyranny.	2/18/2022 4:33 PM
60375	It has united many Canadians and revealed the true face and intentions of Trudeau and his government. It shows this was never about the health and welfare of Canadians. It has always and only been about control and the transfer of wealth from the people to the corporations.	2/18/2022 4:33 PM
60376	It's brought hope to finally help end these unnecessary mandates.	2/18/2022 4:33 PM
60377	Some supply chain inconvenience	2/18/2022 4:33 PM
60378	Made apparent government has no respect for citizens & boundaries for choice	2/18/2022 4:33 PM
60379	Hasn't	2/18/2022 4:32 PM
60380	Have not rolled my eyes more in my life, may have permanent damage.	2/18/2022 4:32 PM
60381	The trucking convoy has brought friends and family together and given us hope that we can get back to our normal daily lives without restriction or fear	2/18/2022 4:32 PM
60382	It hasn't really	2/18/2022 4:32 PM
60383	It's given me hope, for the first time in 2 years. Their strength has given me a voice.	2/18/2022 4:32 PM
60384	Made me happy somebody is doing something about our freedom	2/18/2022 4:32 PM
60385	I now know what love really is. I have never felt so much love in my life, just walking down Wellington street over the last 3 weeks. You can remove the trucks but you can never take taht love away. We will build that free, loving community.	2/18/2022 4:32 PM
60386	Not at all	2/18/2022 4:32 PM
60387	Given us hope	2/18/2022 4:32 PM
60388	No. I support the right to choose whether or not we put chemicals in our body. I also support the right to tell the government how we feel about issues.	2/18/2022 4:32 PM
60389	Pride. It's about time we take back our freedom and start living normally again	2/18/2022 4:32 PM
60390	The dumbfuck brigade has been an endless source of humor.	2/18/2022 4:32 PM
60391	It has made me lose confidence in the leadership in Parliament and the justice system that is bound to serve its citizens. The Trudeau government, liberal and NDP parties are power hungry tyrannical dictorships.	2/18/2022 4:32 PM
60392	Brought large portions of this great country together in a unity that I've never seen before by uniting all races, religions, sex, social status under the name of God. God is in control. We will see.	2/18/2022 4:32 PM
60393	It finally brought a little pride back for canada	2/18/2022 4:32 PM
60394	Giving us hope. I am hoping that our Prime Minister will understand and end the chaos & give us our freedom back.	2/18/2022 4:32 PM
60395	It has given me hope to know how many Canadians are fed up and want an end to the mandates	2/18/2022 4:32 PM
60396	They inspired me, reminded me that freedom is so precious, hard to get and easy to lose.	2/18/2022 4:32 PM

60397	For the Good they fighting for the Freedom of all Canadians	2/18/2022 4:32 PM
60398	It hasn't	2/18/2022 4:32 PM
60399	Want to move away from this corrupt government.	2/18/2022 4:32 PM
60400	Brought hope and Unity again!!!!	2/18/2022 4:32 PM
60401	Hope	2/18/2022 4:32 PM
60402	It was a hope for freedom, reunited as we supposed to be!!! Nothing negative, love , unity and peace	2/18/2022 4:32 PM
60403	A minor inconvenience if any at all. Awareness of the true amount of Canadians against the pandemic mandates set by government.	2/18/2022 4:32 PM
60404	The trucking convoy had fir the first time in two years given me hope in restoring Canada to the free and beautiful country she is and have given me hope for my children and all future generations. God Bless them	2/18/2022 4:32 PM
60405	Access to daily essentials. Afraid for personal safety. This is more tha. The truckers and what is called a peaceful protest has affected many negativity and the government should have ended it ages ago. It's quite disappointing.	2/18/2022 4:32 PM
60406	It has created division in my family and circle of friends. I do not support the trucking convoy because of the US personalities involved	2/18/2022 4:32 PM
60407	I don't know where'd I'd be without it. It gave me so much hope and happiness.	2/18/2022 4:32 PM
60408	It's given me hope for the first time in 2 years	2/18/2022 4:32 PM
60409	Further division in our community, lots of hateful speech, people who were just starting to come together are being driven further apart, and it has also buoyed me to see so many people on support of ending the mandates. It's allowed me to feel less alone.	2/18/2022 4:32 PM
60410	In no way.	2/18/2022 4:32 PM
60411	Gives me hope and perspective that not all Canadians are blind followers of government and have a mind of their own. Able to think critically about what has happen to us as a nation and able to stand up for those who cannot be their with them to stand up to what is clearly wrong.	2/18/2022 4:32 PM
60412	Gave me hope	2/18/2022 4:32 PM
60413	I totally support the truckers	2/18/2022 4:32 PM
60414	It has given me hope to see the people come together peacefully	2/18/2022 4:32 PM
60415	It really hasn't	2/18/2022 4:32 PM
60416	Positively - it made me feel hopeful.	2/18/2022 4:32 PM
60417	Hasn't	2/18/2022 4:32 PM
60418	It hasn't but I support them. It would be better if they had a clear message. It does get muddled a bit	2/18/2022 4:32 PM
60419	I praise the truckers who have exposed a socialist dictator and he must go.	2/18/2022 4:32 PM
60420	It's woken me up	2/18/2022 4:32 PM
60421	Gives me hope	2/18/2022 4:32 PM
60422	NOT ONE BIT MORE POWER TOO THEM.	2/18/2022 4:32 PM
60423	The Freedom convoy has brought hope to my family, as well as started to bring unity and healing wounds from over the past few years.	2/18/2022 4:32 PM
60424	It's the most beautiful thing ever!! I want to go! For the first time in two years we feel hope	2/18/2022 4:32 PM
60425	It hasn't affected anything for me	2/18/2022 4:32 PM
60426	Gave hope , showed there are people who care enough to do something about the unnecessary mandates.	2/18/2022 4:32 PM

Canadians vote on Canadian Mandate - February 2022

60427	Gave me hope and fought for my freedom.	2/18/2022 4:32 PM
60428	As a resident of Ottawa it has been very disruptive. They are acting like a bunch of big babies. Some Canadians just don't know how lucky they actually are	2/18/2022 4:31 PM
60429	Not a trucking convoy but a bunch of adults throwing a fucking tantrum and willing to risk their kids life. Pathetic humans.	2/18/2022 4:31 PM
60430	It didn't as of yet!	2/18/2022 4:31 PM
60431	Hasnt effected me at all.	2/18/2022 4:31 PM
60432	It has given me hope, that these are not just my feelings. Other Canadians feel the same way. The top down oppression must stop. The voices of everyday people have a right to be heard. We are wanting the best for all Canadians too. The Government should be diplomatically finding a way of support not mandates. I do feel for the Ottawa residents, that have to deal with the influx of people, but for the most part these are good people. Get out and meet them. Have a conversation, share your views with them and vs versus. Tell your NDP and Liberal MP's to come out and not be so fearful. Accountability and dialog is required. It can even be done via Zoom or a phone call. I do a lot of praying for all involved.	2/18/2022 4:31 PM
60433	Has given me hope	2/18/2022 4:31 PM
60434	Given me hope!	2/18/2022 4:31 PM
60435	It has given me a deeper understanding of the will of the Canadian people and what we stand for. I am proud of and thankful for their efforts. Additionally, it has shown me again how the media continues to twist and distort the truth through selective and erroneous coverage along with divisive and baiting rhetoric that continues to try and steamroll the public with the same narrative. I have completely lost faith in the leadership of Trudeau in his handling of this, from his lack of discussion with the protesters, evading questions during parliament and especially invoking this Wartime Act to forcibly remove and arrest peaceful protests.	2/18/2022 4:31 PM
60436	None	2/18/2022 4:31 PM
60437	I'm proud to be Canadian	2/18/2022 4:31 PM
60438	It hasn't but I am proud of those standing for what they believe.	2/18/2022 4:31 PM
60439	It has brought out conversation, people, but also shows we have little media who just present things objectively to have an opinion or open discussion on things.	2/18/2022 4:31 PM
60440	It has brought me hope that the mandates will end. Also I believe it is reuniting Canada slowly but surely. Sadly though, the news won't show the positives of the convoy which is slowing this unity. The freedom convoy is reminding us of our freedoms.	2/18/2022 4:31 PM
60441	Not at all	2/18/2022 4:31 PM
60442	Gave hope that ppl are actually willing to stand up to govt overreach. We are a free nation and Trudeau wants to dictate	2/18/2022 4:31 PM
60443	It has given me hope of getting my life back.	2/18/2022 4:31 PM
60444	Inspired and hopeful end!	2/18/2022 4:31 PM
60445	I have felt proud of their courage and stance. I pray for their safety and that they'd remain peaceful.	2/18/2022 4:31 PM
60446	Ig give me so much hope, especially knowing that I'm not alone. We need to have freedom of choice. I will say that I don't think they should have completely blocked the borders, they could have left one lane open at least.	2/18/2022 4:31 PM
60447	I'm ashamed of this protest as so many people have be negatively affected by it - people who live and work in downtown Ottawa have to deal with all the noise and road closures. I used to live close to Ottawa so know lots of people there.	2/18/2022 4:31 PM
60448	N/a	2/18/2022 4:31 PM
60449	Gave me hope for better future	2/18/2022 4:31 PM

Canadians vote on Canadian Mandate - February 2022

60451	Brought hope and I support them and their peaceful approach 1000%	2/18/2022 4:31 PM
60452	It has been an honour and given me peace again as a Canadian to see the truckers stand up for our freedoms and peacefully protest against crimes against humanity that our Government has turned against us true Canadian's! We love Canada and God is our power and glory	2/18/2022 4:31 PM
60453	It's good supporting all humans to have there rights	2/18/2022 4:31 PM
60454	It has caused fear and division. It has caused my family who works in the automotive industry work due to blockades	2/18/2022 4:31 PM
60455	Very negatively. It has caused some serious division in friends and family and the convoy was a ploy to over throw the government and there isn't anyone qualified to fulfill that void.	2/18/2022 4:31 PM
60456	Hasn't affected it	2/18/2022 4:31 PM
60457	It has given hope for change	2/18/2022 4:31 PM
60458	gave me a lot of hope for the sake of my great grandchildrens future.	2/18/2022 4:31 PM
60459	They have ruined what it means to be canadian	2/18/2022 4:31 PM
60460	Given hope	2/18/2022 4:31 PM
60461	It has brought me so much happiness and hope!!	2/18/2022 4:31 PM
60462	Makes me happy to see someone standing up for Canadians	2/18/2022 4:31 PM
60463	It has given me hope of a return to normalcy and shown me what it is truly like to be a Canadian. Hold the line.	2/18/2022 4:31 PM
60464	It's given me hope and restored my faith in humanity to some extent and the Canadian people.	2/18/2022 4:31 PM
60465	Hope	2/18/2022 4:31 PM
60466	Given us hope	2/18/2022 4:31 PM
60467	Happiness / hope	2/18/2022 4:31 PM
60468	The police blocked hwy exits and it took me an extra 40 minutes to get home from work	2/18/2022 4:31 PM
60469	It has brought hope and light to what is wrong with our leadership and these mandates.	2/18/2022 4:31 PM
60470	I stand with them for freedom	2/18/2022 4:30 PM
60471	It has given hope that the mandatory vaccines and passport will be eliminated. Freedom of choice with your health.	2/18/2022 4:30 PM
60472	I am glad that these Canadians are standing up for all of us who want our freedoms back	2/18/2022 4:30 PM
60473	Brought life to Canada and made people wake up. They gave us hope	2/18/2022 4:30 PM

60477	Made me embarrassed to be a Canadian. Also, determined that Ford does not get re-elected	2/18/2022 4:30 PM
60478	I celebrated the fact that someone has taken a stand and it has brought these lies from the government to light for many people but other than that we haven't been short on supplies or food	2/18/2022 4:30 PM
60479	Has given me hope and joy to see all Canadians come together to get our freedom of choice back.	2/18/2022 4:30 PM
60480	Gave me encouragement and prud to be a Canadian. We eed to take our freedom back	2/18/2022 4:30 PM
60481	It hasn't	2/18/2022 4:30 PM
60482	I'm so proud of them and the excitement they have brought. Love	2/18/2022 4:30 PM

should be met. Apparently only their freedoms matter, not anyone else's. Don't understand the difference between rights and privileges. The people who mostly pretend to be truckers to meet their own agenda are an embarrassment. Pat King uses you all as pawns. GTFO

60484	Yes, gave me hope and proven that Trudeau have to gone.	2/18/2022 4:30 PM
60485	They have inspired and enriched my faith in Canadians and all humans ,and shown me who the real enemy is	2/18/2022 4:30 PM
60486	It hasn't	2/18/2022 4:30 PM
60487	These brave courageous truckers and protesters have given me encouragement and hope. The peaceful loving way they have protested in prayer, singing hymns and joyful dancing as sent a powerful message to us all and the world. God bless all who are speaking out against this tyranny. And God keep our land glorious and free. Lord forgive our sins and deliver us from evil. You are Sovereign Lord over Canada and You have dominion from sea to sea. Amen	2/18/2022 4:30 PM
60488	I'm irritated by it, but it has had no direct effect on me.	2/18/2022 4:30 PM
60489	It is waking up the country to how badly the government has handled this cold.	2/18/2022 4:30 PM
60490	I fully support them. Dont know if my donation is going to ruin my life. They were not identified as a terrorist organization when i made the donation. I was just trying to assist truckers who may have lost their job	2/18/2022 4:30 PM
60491	Opened my eyes to all the wrong that's being done	2/18/2022 4:30 PM

60496	This has brought me hope for the future instead of despair, and restored my faith in humanity. I believe that the trucker convoy is an opportunity for us to regain Democracy and fix a very broken health care system.	2/18/2022 4:30 PM
60497	These guy are doing gods work exposing how terrible Trudeau is	2/18/2022 4:30 PM

60518	Inspirational! The people have the real power and Government is to serve us. We have a voice as well as immutable and inalienable rights that we must now fight for!	2/18/2022 4:30 PM
60519	It has brought hope back into our lives. It inspires the patriotic feeling I get on Canada day, when I watch team Canada play sports and just how proud I am to be a Canadian.	2/18/2022 4:30 PM
60520	It hasn't	2/18/2022 4:30 PM
60521	A possiblity to get the pm out and people's rights back ..it gives hope to the world and has made love and unity	2/18/2022 4:29 PM
60522	Gave me some hope & I realized I am not alone. Looks like most Canadians feel the same.	2/18/2022 4:29 PM
60523	Well I have felt like a proud Canadian. I know this has upset many people, but when all of our rights & freedoms under this tyrannical government have been violated it upsets me. I realize how powerless I am to make any change, as played out today. With information about bank accounts being frozen for even supporting it, makes me sad. Our country, as we know it, is fading into a world I don't want to live in. Canada is not where I want to live right now. I am so grateful for the trucker standing up for my rights & freedoms. I feel unsure what will happen in Ottawa. I pray for peaceful resolve.	2/18/2022 4:29 PM
60524	Brought hope, community and happiness. Must importantly hope. Changes os happening because they truckers started it. Change is happen all over the world because of the truckers message.	2/18/2022 4:29 PM
60525	It's made me proud to be Canadian	2/18/2022 4:29 PM
60526	It hasn't affected me in any bad way only a good way giving me hope there is a light at the end of a very long going on three year tunnel of gaining my Rights and Freedoms back which should never have been stripped from me in the first place.	2/18/2022 4:29 PM
60527	No comment	2/18/2022 4:29 PM

60529	It hasn't.	2/18/2022 4:29 PM
60530	It sparked a glimpse of hope. A glimpse of hope to earn our god given rights of freedom back. The first time in over two years.	2/18/2022 4:29 PM
60531	Other than giving me some hope that people are stepping up, it hasn't had an impact on me.	2/18/2022 4:29 PM
60532	None at all	2/18/2022 4:29 PM
60533	Given me hope that we will once again live in harmony and peace	2/18/2022 4:29 PM
60534	Little bit of hope	2/18/2022 4:29 PM

Canadians vote on Canadian Mandate - February 2022

60540	It has made me embarrassed to be Canadian	2/18/2022 4:29 PM
60541	Not in the least. The federal liberals are making it into something it isn't. Trudeau is a lame duck prime minister. And he's a liar and a coward.	2/18/2022 4:29 PM
60542	It's made me gain hope that one day soon all this tyranny will come to an end and we can get our lives back.	2/18/2022 4:29 PM
60543	I'm glad they did it . It gave me hope. The one good thing to come out of it is the people of the world have realized Trudeau is a tyrant and hates the Canadian people. He needed to be gone	2/18/2022 4:29 PM
60544	Gave me hope. Made me proud to be Canadian. Incredibly grateful. Government overreach and sending them to jail etc has plunged me in despair	2/18/2022 4:29 PM
60545	It has given me hope for our freedom! Love every aspect of it! The crime rate in Ottawa has gone down significantly. They are cleaning up the streets, feeding the homeless, helping the businesses and protecting out Charter of Rights. I do not want to live in a communist country so I support what they are doing 100%. I am ashamed of the police action that is going on.....they all took an oath to serve and protect...they should be ashamed of themselves. I will pray for each and everyone of them to do the right thing!	2/18/2022 4:29 PM
60546	They are pieces of shit and should go to prison	2/18/2022 4:29 PM
60547	It has restored by faith in humanity. It has also made it very clear that we already live in a communist country; we just had not been told yet.	2/18/2022 4:29 PM
60548	It has given me hope for my children and grandchildren that we can defeat the tyrannical liberal government and the world economic forum	2/18/2022 4:29 PM
60549	It's has brought hope and confidence that Canadians will speak out and express concerns. It has shown us that the Prime Minister didn't even talk to the Canadians having concerns in a timely manner, but chose childish name calling. This is not the leader we need.	2/18/2022 4:29 PM
60550	In a positive, uplifting way. Seeing millions of Canadians come out and express the same views I have. Gave me hope in the return of the Canada I knew growing up in the 60's	2/18/2022 4:29 PM
60551	It has given me hope for this country	2/18/2022 4:29 PM
60552	I'm for it, but I made a donation to give send go and now this Emergency Measures Act has given me anxiety and sleepless nights. What country are we living in? Nazi Germany?	2/18/2022 4:29 PM
60553	The convoy has not affected my life directly, but it has really revealed to me how much the media is completely slanted in one way. Every article I read or news piece I see on mainstream uses the words "so-called Freedom Convoy" and the fact that they ALL use "so-called" immediately reveals their bias. I've lost faith in journalism.	2/18/2022 4:29 PM
60554	It hasn't	2/18/2022 4:29 PM
60555	Unknown. Perhaps price hikes with our groceries.	2/18/2022 4:29 PM

60557	The trucker convoy has given me HOPE!	2/18/2022 4:29 PM
60558	Not 1 bit has the trucking convoy affected my life	2/18/2022 4:29 PM
60559	Hasn't , we need people to stand up against a out of control Liberal Government	2/18/2022 4:29 PM
60560	Given Patriots hope	2/18/2022 4:29 PM
60561	not at all	2/18/2022 4:29 PM

60563	I now have some hope that things will change.	2/18/2022 4:29 PM
60564	Renewed hope. Feeling supported. Increased pride in my Canadian heritage.	2/18/2022 4:28 PM
60565	In a good Wow thanks for the trucker	2/18/2022 4:28 PM
60566	Not sure yet	2/18/2022 4:28 PM

many backgrounds, beliefs, races and cultures. WE ARE NOT RACIST. we want freedom of choice for everyone!! The convoy has shown me that Canadians are fed up and united in bringing an end to these divisive and destructive mandates.

60568	It gave me hope. It made me so proud to see the bravery of my fellow Canadians. It opened my eyes further to the corruption of government at all levels, the pathetic legacy media that is a key player in this and police who do not work for Canadians but rather the government. Again, I could say much more.	2/18/2022 4:28 PM
60569	The trucking convoy has created many rifts among neighbors, friends and family. I deplore the lack of listening, communication and leadership by our governments. It all started with a vaccine mandate imposed on the truckers by our Minister of Transport. After being praised for two years for moving our country forward, the vaccine mandate was unnecessary, disrespectful and rude. The lifestyle of the truckers do not contribute to the spread of Covid-19. Some of the mandates felt more like a doctrine than care. I trust that common sense, respect and kindness will bring this country back together.	2/18/2022 4:28 PM
60570	They have given me hope again	2/18/2022 4:28 PM
60571	It has given me hope for the first time in 2 years It has made me feel proud to be a Canadian again	2/18/2022 4:28 PM
60572	I am all for it ! freedom !!	2/18/2022 4:28 PM
60573	For the better, Hope, fighting for our choices... freedom	2/18/2022 4:28 PM
60574	It gave me some hope, but it's also made me fearful to even have an opinion on it as some of my friends have sided with Trudeaus hate filled rhetoric, and the mainstream medias biased viewpoint	2/18/2022 4:28 PM
60575	Helped stop the mandates For the good	2/18/2022 4:28 PM
60576	Brought me hope	2/18/2022 4:28 PM
60577	Bringing hope and freedom that this country always had .. with Trudeau going to put the Emergency Act in .. this is ludicrous.. it was a simple solution. Not to run away .. talking to the truckers would of made a big difference before all this crap came down... one simple soulful word to listen to the truckers and all of Canada.. but instead he said all Canadian are being looked after and they are watching the science.. for one no one tells me that they are looking after my needs when I don't know them personally. The other is ... you suppose our country first and help our veterans and medical and elderly and us and our kids.. with out the elderly and veterans we wouldn't be hear free.. I'm ashamed of having him as our premier.. as so of them rest of the world cannot believe what he had done to put war on our country ..	2/18/2022 4:28 PM
60578	I am a trucker so I knew it was coming because we use vhf radios and although social media was not allowing our voices to be heard as a group they couldn't shut vhf radio down.	2/18/2022 4:28 PM
60579	gave me hope in Canada	2/18/2022 4:28 PM
60580	I live in BC no effect! Peaceful protest for world freedoms	2/18/2022 4:28 PM
60581	They have brought hope back into my soul! I'm so grateful for them! we need our freedoms back NOW!!	2/18/2022 4:28 PM
60582	It hasn't. It's nice to see people standing up for our freedoms.	2/18/2022 4:28 PM
60583	My 11 year old Granddaughter has suffered terribly from the mask mandates. She is student vice president of her school. She is the most loving compassionate young lady. She is suffering from depression. Hadley as vice president feels all the childrens pain in her school. Hadley asked her mom to take her to Ottawa to join the protest mandates. They drove from Oyen Alberta to Ottawa and stayed a week. Well my grad daughter came alive again. Her spirits were so lifted up. Thankyou convoy for freedom for bringing our granddaughter out of her sadness. Hadley has been posted in a music video done in Ottawa and she is so proud.	2/18/2022 4:28 PM
60584	We support it as they are the life line of many economies, and were heroes at the beginning. Now they have to be vaxxed and Covid has gone down??? Makes no sense	2/18/2022 4:28 PM
60585	It has shown me how many angry white privileged people there are in Canada and how their selfishness knows no bounds. Also, how those same people need a refresher course in democracy and civics.	2/18/2022 4:28 PM

60591	Its made me very aware of the threat of right wing extremism, and foreign dark money. It's also been hilarious.	2/18/2022 4:28 PM
60592	It has not	2/18/2022 4:28 PM
60593	Anticipating negative long term effects of mandates, we have homeschooled our children. We have not been able to eat out, swim, go back to old jobs, go to university for new jobs, and unable to visit my mother with early onset Alzheimers who is in a care home. Her health has declined drastically in the last 6 months and Ive developed severe depression as a result of anxiety, increased stress and lack of confidence in our government.	2/18/2022 4:28 PM
60594	So thankful for hundreds of thousands expressing their thoughts, what I believe, also waking ppl up on the tyranny in PM office and minions	2/18/2022 4:28 PM

IT SEEMS GOV HAS FAILED THE PEOPLE ON SUPPORT FOR PERSONAL RESPONSIBILITY AND OTHER LIBERTIES WHICH WAS THE SPIRIT AND INTENT OF THE CHARTER OF RIGHTS AND FREEDOMS (1982). IT ALSO CALLED OUT MEDIA BIAS, AND THE CONVOY AND RECENT EMERGENCY ACT PUT CANADA ON A WORLD STAGE.	2/18/2022 4:28 PM
60599	That's been the greatest part of covid yet!	2/18/2022 4:28 PM
60600	Convoy a wonderful blessing as it has brought awareness to the government about the suppressed opinions of the majority which the media refuses to honestly report. We are so fed up with the "legacy media"/government propoganda	2/18/2022 4:28 PM
60601	It has given me hope that I'm not alone in the frustration. I was wishing that our PM would have at least met with them.	2/18/2022 4:28 PM
60602	It's a blessing for freedom	2/18/2022 4:28 PM
60603	I am ashamed that so many Canadians have allowed themselves to be conned by far-right grifters and extremists.	2/18/2022 4:28 PM

60614	It is response from a growing number of Canadians who are expressing their rights have been violated and it needs to stop	2/18/2022 4:28 PM
60615	The truckers have helped bring people together again, instead of the divide this "pandemic" has caused. They have given people hope that we are not alone and that a good majority of people are done with the mandates and restrictions that don't seem to be making any difference to the outcome. Let people live again. Isolated people get depressed and that is when people get sick and don't have the immune system to fight things off. Let them have some joy again, so they can boost their overall immunity and give them reality that they survived all of the crap that has been dealt the last 2 years.	2/18/2022 4:28 PM
60616	Given me hope that there can be change. Seeing the real footage of people respectfully and peacefully protesting and risking much for us all.	2/18/2022 4:28 PM

60618	I feel hopeful. But when Justin Trudeau speaks I get absolute anxiety	2/18/2022 4:28 PM
60619	Hope, love, unity, it also made me realize how corrupt our government and health care is. Sadly our RCMP for not standing up and joining us. I have high respect for all those who have stood up for me and my family and friends. FREEDOM.	2/18/2022 4:28 PM

60628	Given me a sense of unity with other Canadians and hope that we can eliminate the segregation the mandates have created. And a glimpse at the real character of our Prime Minister.	2/18/2022 4:27 PM
60629	It's given me hope that there are still some people who believe in humanity, believe in a free Canada, they love everyone! True kindness, it's given me so much hope. It's also exposed how Justin Trudeau actually is evil, and clearly tyranny is his last option to attempt To fulfil his agenda.	2/18/2022 4:27 PM
60630	Given our family hope and has exposed the corruption in the government	2/18/2022 4:27 PM

60641	It has made me uncomfortable and taken up too much time in politics. It has highlighted the difficulty in getting people to believe science and shown us the problem with white supremacy in Canada.	2/18/2022 4:27 PM
60642	Given hope that common sense and truth exists still	2/18/2022 4:27 PM
60643	Its a great cause!! support	2/18/2022 4:27 PM
60644	Amazing ! It has given Canadians HOPE !	2/18/2022 4:27 PM
60645	I did not understand why unvaccinated truckers could work within their countries but not cross the border without being vaccinated? Thus I understood the convoys frustration with that mandate. But they made that point in a few days and then should have gone home. I do not support the long protest that disrupted the city of Ottawa or the many other things they are demanding. So long story short...I do not support this convoy.	2/18/2022 4:27 PM
60646	Has given me hope	2/18/2022 4:27 PM

It has given me hope that Canadians are standing up for their right to medical freedom, medical choice, and the right to choose. It has shown me that Canadians are standing up for the right to body autonomy and informed consent.	2/18/2022 4:26 PM
60693	Positive and uplifting	2/18/2022 4:26 PM
60694	It has given me hope for freedom for our country for the first time, in 2 years.	2/18/2022 4:26 PM
60695	It hasn't. The trucking convoy has made me proud to be a Canadian	2/18/2022 4:26 PM
60696	It has given me hope. Helping me feel like there are people who ACTUALLY CARE about the people of Canada. This convoy has lifted my heavy heart and has encouraged me to hold the line myself and stay true to my own personal integrity. It has taught me not only that there is strength in numbers, but has also affirmed that love is the greatest gift we can give, receive and show others. Thank you brothers and sisters holding the line!	2/18/2022 4:26 PM
60697	Giving us hope and validation that we are not alone in how we feel	2/18/2022 4:26 PM
60698	Been great!	2/18/2022 4:26 PM

Canadians vote on Canadian Mandate - February 2022

60699	It's made me feel shame in my country that people can wholeheartedly in CoViD misinformation. You still have you're freedom. The convoy is full of entitled babies who've never been told no on their life. They've faced a few inconveniences for once, and now they think their freedom is being infringed.	2/18/2022 4:26 PM
60700	Finally someone is standing up for our charter rights	2/18/2022 4:26 PM
60701	Positively, renewed hope	2/18/2022 4:26 PM
60702	Not my life terribly here in BC, but as a Canadian, likely a short term supply to goods and our economy as the blockades disrupt trade supply routes. I fear that the tactics used by protesters in Ottawa were too heavy handed and they pushed it too far giving the government an 'All or Nothing' ultimatum. I also fear that by invoking the Emergencies Act without clearly providing proof and reasoning to the public will only cause further distrust amongst Canadian citizens of the federal government as well as opens the door for the Act to be invoked with greater ease in the future to quell protests.	2/18/2022 4:26 PM
60703	It has shown me how much that I am Not alone and that I can stand up and be heard. It is not an inconvenience in my life it's a blessing	2/18/2022 4:26 PM
60704	it has given us hope for our democracy and our childrens and grandchildrens futures	2/18/2022 4:26 PM
60705	Given me hope Proud to be a Canadian	2/18/2022 4:26 PM
60706	The truckers are heroes and have restored my faith in my country. They have given me hope	2/18/2022 4:26 PM
60707	Brought HOPE back Patriotism	2/18/2022 4:26 PM
60708	It hasn't, other than bring Canadians together and foster a feeling of hope to return to the rights and freedoms we once had over 2 years ago.	2/18/2022 4:26 PM
60709	It has not. However how the Govt is handling protest disturbs me.	2/18/2022 4:26 PM
60710	Gave me hope until the cops showed up being violent	2/18/2022 4:26 PM
60711	It has brought some hope that all these ridiculous mandates will end.	2/18/2022 4:26 PM
60712	Given me hope that there are Canadians willing to fight for our rights and freedoms.	2/18/2022 4:26 PM
60713	Gave me hope	2/18/2022 4:26 PM
60714	Trucking convoy gives people hope and helps with the fears Canadians are feeling right now. A sense of pride in a time when depression and hopelessness rule	2/18/2022 4:26 PM
60715	Joy and hope	2/18/2022 4:26 PM
60716	Seeing a group of thousands put their political or religious beliefs aside and come together to advocate for freedom of choice has given me hope for our future.	2/18/2022 4:26 PM
60717	Brought a sense of hope	2/18/2022 4:26 PM
60718	Positive and uplifting	2/18/2022 4:26 PM
60719	Honestly, I've lost a lot of confidence in my fellow Canadians. The trucking convoy, like many other protests, seems to showcase the worst of society. While I realize that not everyone is affiliated with radical right-wing groups or racist entities, the movement away from science is baffling. For example, an engineer provides medical advice to a crowd, but would the engineer allow an unqualified doctor to design or build a bridge? I don't think so! I trust doctors that have devoted their lives to studying science, diseases and vaccinations. They're the experts in their field. Is there a conspiracy? Only if you believe the worst in people. Many outside the Alberta say the same thing about our oil industry - that Big Oil is all about corporate greed and corruption. But the fact is that many oilpatch workers consider themselves environmentalists working to better the oil and gas sector. And I don't doubt that medical professionals are working to the best of their ability to save people from the pandemic. The call for freedom seems to focus on individual wants and greed, rather than the consideration of others and their protection. For a few minor considerations, like masking, vaccinations, and physical distancing, we all would have been better off and this pandemic would have ended much sooner. I wish the government had been more prompt at removing the convoys. It's my hope now that the implemented measures will quickly resolve these selfish acts and return some normalcy to the world. #FreeDumb.	2/18/2022 4:26 PM

60721	Gives us hope praise each and everyone of them	2/18/2022 4:26 PM
60722	Hope	2/18/2022 4:26 PM
60723	They have been nothing but good for Canada and the world, sparking a vast moment of many other protestors around the world. I believe that it is time for us all to stand up for our rights and take back our country which has CLEARLY been lead astray by the fascist Prime Minister Justin Trudeau who can't even sit an listen to the real questions from our country. I will never stand behind a man who will just walk out in front of this people and constitutes just because his feeling are hurt. All of us are hurting some more then others but the fact remains that he is unfit to run this country and needs to be impeached	2/18/2022 4:26 PM
60724	Proud canadaian	2/18/2022 4:26 PM
60725	It has given me hope that these mandates and draconian laws and rules will end.	2/18/2022 4:26 PM
60726	It has not. I stand behind everyone of the people in these convoys one hundred percent. If it wasn't for my job I would be at at least one of them all the time. There standing up for ALL CANADIANS	2/18/2022 4:26 PM
60727	It has not affected my life. Other than making me feel proud to be a Canadian.	2/18/2022 4:26 PM
60728	It has changed my view of the media but has not had any affect otherwise	2/18/2022 4:26 PM
60729	Potentially in a rise in food costs? But otherwise, not in any way other than seeing how many people are frustrated with the Federal government draconian attitudes.	2/18/2022 4:26 PM
60730	Stress, anxiety and threatened. Shameful behaviour that very against and risks everything that Canada has done to keep our health system and at-risk civilians safe. Everyone is tied, but any one of these illegal occupants need to go home. Come, stay for a few hours. That is a protest... And then... LEAVE.	2/18/2022 4:25 PM
60731	Renewed my Faith in grassroots Canadians to hold the line against tyranny!	2/18/2022 4:25 PM
60732	It's giving me hope	2/18/2022 4:25 PM
60733	It has given me hope! Hope that our very uncertain future might be restored. That the divid this has created has a chance reuniting us all, as humans with understanding and compassion! With love!	2/18/2022 4:25 PM
60734	It has given me hope that all the government mandates will end!	2/18/2022 4:25 PM
60735	Encouraged me that there still may be hope for Canada. Encouraged that they have been so law abiding, loving, polite (for the most part. Although some of them do need their mouth washed out with soap!! 😊) Very, very proud of them.	2/18/2022 4:25 PM
60736	Not at all	2/18/2022 4:25 PM
60737	It's the most amazing event I've ever attended. I attended the third weekend and there was nothing but peace, love and happiness. People gathering a peaceful protest all for the same cause which is our GOD given rights. Amen	2/18/2022 4:25 PM
60738	Made me feel hopeful	2/18/2022 4:25 PM
60739	Hasnt	2/18/2022 4:25 PM
60740	It has started to reunite my friends and family	2/18/2022 4:25 PM
60741	Inspired me to have hope that through a peaceful and legal protest, that freedom will be restored and protected rights under the Charter of Rights and Freedoms are awknowledged and restored.	2/18/2022 4:25 PM
60742	Huge! I am feeling so united and patriotic and have been so emotional. I didn't feel this way all my life really. The flag didn't have meaning to me as it does now, I stand with pride as I wave the Canadian flags with hope and love for Canada. I feel so much love because of the trucking convoy and the whole time they've been in Ottawa. The world is watching and standing together.	2/18/2022 4:25 PM
60743	Made me feel supported and proud to be Canadian	2/18/2022 4:25 PM

60746	Good to see ppl standing up	2/18/2022 4:25 PM
60747	I cannot move freely around my own home without fear. My child has not been able to attend school because it is in the red zone. We cannot frequent the shops or restaurants downtown. Public transit has been restricted as well as access to the highway. I cannot go anywhere. The honking is disrupting our sleep	2/18/2022 4:25 PM
60748	I have been inspired, and my heart has felt hope for the first time since this all began. I have been reminded of the beauty of the Canadian spirit, and if my husband didn't have dementia, I would have been in downtown Ottawa to stand on the hill for Canadian medical freedom.	2/18/2022 4:25 PM

60753	It's giving me a some hope that the tyrannical government end up in prison.	2/18/2022 4:25 PM
60754	Positively. They are standing up for everyone's freedoms. Follow the medical science, not the political science.	2/18/2022 4:25 PM
60755	They are fighting for our freedom. If Trudeau stays the world is to an end	2/18/2022 4:25 PM

60767	Truckers work for me They haul my grain They haul my cattle Now they are standing up for the country and freedom of choice , They only effect my life because they are the light at the end of this tunnel of lies	2/18/2022 4:25 PM
60768	It has not affected my life but I had to drive an hour out of my way to get around it.	2/18/2022 4:24 PM
60769	It's given me HOPE that the government will listen to our concerns and come up with a plan to get back to some normalcy. They are a voice for the voiceless and they are doing it peacefully and respectfully. Unfortunately Mr. Trudeau has been disrespectful toward the people of CANADA and will not listen or hear us only continue to lie, steal and destroy the people of CANADA. He does not deserve to lead our country. He has demonstrated that numerous times.	2/18/2022 4:24 PM

60780	day 1	2/18/2022 4:24 PM
60781	Kenney is dropping Alberta mandates, and I think it's connected.	2/18/2022 4:24 PM
60782	It has brought attention to a wide range of government abuse that has remained invisible for decades.	2/18/2022 4:24 PM
60783	It has made me EXTREMELY PROUD of the people in the protest as it has been completely peaceful and eye opening.	2/18/2022 4:24 PM
60784	Not at all	2/18/2022 4:24 PM
60785	It hasn't except for them fighting for our freedom	2/18/2022 4:24 PM
60786	It hasn't bothered me or my family a bit. Open peoples eyes to the corruption of politician. They are all dirty and on take.	2/18/2022 4:24 PM
60787	It has brought me closer together with many different people and cultures, all with the same goal	2/18/2022 4:24 PM
60788	Shown how horrible Justin Trudeau is as a leader and a person	2/18/2022 4:24 PM
60789	Has made me feel proud of truckers and what Canadians are. Strong and Free.	2/18/2022 4:24 PM
60790	It gave me hope that we still lived in a free and democratic society where we still could let our voices be heard and make changes to the mandates if enough people were in agreement.	2/18/2022 4:24 PM
60791	The convoy gave me the platform to courage to call and email my MP and MLA because for the first time, people were heard and given the time of day. The seriousness of the situation is now front-and-center. This is not about a virus. It's about the government overreaching to extend its powers, to overhaul of the Canada we know. I feel hope. I feel unity seeing the differences of language, colour, religions, provincial affiliation all melt away such that we were one. We stand together proud to be Canadians and knowing we're no longer alone. I will stand by this fine, honourable, courageous, family-based group until I can no longer. This has been game-changing.	2/18/2022 4:24 PM
60792	It was very up lifting and put a smile on my face ☺	2/18/2022 4:24 PM
60793	made me realize what Freedom should be in Canada, not run by the leader it has now. Dictatorship at it's best in my opinion Truckers showed how and what Love & Freedom is all about. I felt Canadian seeing them....Now ashamed to be Canadian	2/18/2022 4:24 PM
60794	It has finally made me proud to be a Canadian again. People are finally getting back together as a family, like it should be.	2/18/2022 4:24 PM
60795	It had given me hope that the Dictator Trudope federal mandates will end however his extreme use and overreach of the Emergency Act has me extremely worried about the future of Canada. Making donating to the Freedom Convoy illegal after the fact by unlawfully enacting the Emergency Act is unacceptable. Suspending Parliament while it is being debated is unacceptable. Accusing a Jewish MP and all Conservative MPs of standing with Nazis is acceptable. His name calling of the peaceful protesters and praising of the 2020 protesters is nacceptable. His attacking non violent protesters and letting 2020 protesters throw fire bombs	2/18/2022 4:24 PM

60804	It's given me pride at how Canadians are still able to come together and peacefully protest. First time in two years that I'm proud of my country	2/18/2022 4:24 PM
60805	It has brought tears of joy to my eyes and joy to my heart. I did not know so many Canadians felt the same way I do. Shame on mainstream media. Peace, love and unity is what the convoy has shown me.	2/18/2022 4:24 PM
60806	It has given me hope, but also has hurt my soul more in seeing how ugly and hurtful people can be when these amazing men and women are just trying to help us all get our lives back. The hope comes from being able to see that I am not alone and so many Canadians are supportive and there for each other in such a beautiful way, I truly hope the government sees that they need to act and let us all live freely again.	2/18/2022 4:24 PM

60819	Very encouraging	2/18/2022 4:23 PM
60820	Given us all hope since the government has lost credibility.	2/18/2022 4:23 PM

60876	All for the good	2/18/2022 4:22 PM
60877	Other then seeing it on TV, my wife & I have not any problems. I must say we have & will see the cost of every thing sky rocketing for us all, so this trucking demonstration is for sure to have put more people out of work plus we are all going to feel it on our small pension we receive.	2/18/2022 4:22 PM

60893	Noise, interfered for three weeks with my freedom of movement, my ability to go to my workplace, disappointed by desecration of national war memorial (am a veteran). 60926	I have some hope.....	2/18/2022 4:21 PM
60927	It's exposed the people in my social circle who are willing to believe conspiracy theories and don't know the difference between rights and privileges.	2/18/2022 4:21 PM
60928	It has brought so much hope, love and light into our lives. It has sparked a flame and a confidence to stand up for me, our rights and most importantly to fight for our children and their lives and freedoms.	2/18/2022 4:21 PM

	government is behaving.	
60947	The noisy, petulant, toddler temper-tantrum taking over my community (Gatineau/Ottawa) has seriously hindered my ability to visit those in my circle and visit downtown. The noise has been unacceptable, as well as the treatment of locals. The hatred on display was abhorrent, and have been worried for the safety of friends who live in the area. In addition, the occupation of the capital and the blatant affront to democracy has been the most stressful point since COVID first began. I have completely lost faith in right leaning politics and politicians.	2/18/2022 4:21 PM
60948	It has given me hope and reminded of what my grandfather and my uncles and brothers fought for	2/18/2022 4:21 PM
60949	Convoy has given my family hope that Canada will be free again.	2/18/2022 4:21 PM
60950	Not much	2/18/2022 4:21 PM
60951	It gives me hope for a Canada we once lived in and that freedom, equality, common sense and humanity still exists in mankind and Canada.	2/18/2022 4:21 PM
60952	They have gave me hope	2/18/2022 4:21 PM
60953	The convoy is the last hope I still have in Canada as a free country	2/18/2022 4:21 PM
60954	Gave me hope, and realized 3 weeks of protesting amd hospitals are not overwhelmed by covid cause if it	2/18/2022 4:21 PM
60955	It hasn't	2/18/2022 4:21 PM
60956	gave me hope	2/18/2022 4:20 PM
60957	Excitement. Gave me hope	2/18/2022 4:20 PM
60958	My husband is a truck driver and we finally have hope for a better future.	2/18/2022 4:20 PM
60959	Given me hope to resolve this madness.	2/18/2022 4:20 PM
60960	Positively! They represent the majority of Canadians who want the government to act for the people and not in thier own interests.	2/18/2022 4:20 PM
60961	It's given me hope that they might make a change in our government and end all mandates	2/18/2022 4:20 PM

60965	I am so proud of them. I felt so patriotic watching them. They are doing it right and I support them 100 percent. If I could I would be right in there with them.	2/18/2022 4:20 PM
60966	Hope	2/18/2022 4:20 PM
60967	We've finally felt some relief. Light at the end of the tunnel. Proud to be Canadian.	2/18/2022 4:20 PM
60968	Brought this country together	2/18/2022 4:20 PM
60969	Brought me hope, they are fighting this war!	2/18/2022 4:20 PM
60970	They have nothing to do with mandates. The protests are making me angry at the economic damage its causing, as well as the social damage from extreme right wing, white supremacist rhetoric and misinformation that's being spread.	2/18/2022 4:20 PM
60971	It has made me feel I have hope and a voice.	2/18/2022 4:20 PM

60973	It gives me hope of freedom for the future	2/18/2022 4:20 PM
60974	Brought back hope for our country, and the chance that I may actually get to see my sister again, instead of grieving her, not knowing if I'll ever get to see her again or hold my nephews and niece. It's United all of us in ways I didn't think were possible anymore.	2/18/2022 4:20 PM
60975	Gives hope for truth as the truckers, people who are hard working salt of the earth, have shown	2/18/2022 4:20 PM

all of us how to stand up to tyranny peacefully and with integrity for the sake of our children and grandchildren, fighting for the freedom that was won by our fathers and grandfathers.

60976	Gave me hope in freedom and common sense. I'm all for each individual making their own choices. Live smart, be kind!	2/18/2022 4:20 PM
60977	Gave me hope. They are the epitome of a peaceful protest. They are standing for our rights and freedoms when others cannot.	2/18/2022 4:20 PM
60978	The trucking convoy has uplifted myself my family . giving us hope for normality and freedom again .	2/18/2022 4:20 PM
60979	Gave me hope!	2/18/2022 4:20 PM
60980	Helped me see i was right and not alone	2/18/2022 4:20 PM
60981	They have made me more aware of what is going on in government. To watch what is going on with the prime minister of this great nation is appalling to say the least.	2/18/2022 4:20 PM
60982	It has given me a great hope that some one is standing up to the tyranny and echoing my voice that enough is enough. End call mandates- let us live our lives	2/18/2022 4:20 PM
60983	I believe if it weren't for them, we would be worse off. They are fighting for our freedoms	2/18/2022 4:20 PM
60984	Has brought a renewed sense of hope that our Country is not as far gone as it appeared to be - has given me new respect for many people I had lost respect for - has shown me just how corrupt our governments are at the local, provincial and federal levels.	2/18/2022 4:20 PM
60985	Has made me happy and proud that Canadians have taken a stand to our incompetent, lying , deceitful governments, both provincial and federal	2/18/2022 4:20 PM
60986	Made me feel like there's hop in the world again and that we may one day be free like we thought we were	2/18/2022 4:20 PM
60987	For the first time in 2 years I have hope for my future, the future of Canada. I have participated in 4 weekend of PEACEFUL protests that has been overflowing with love, peace, happiness, generosity & joy.	2/18/2022 4:20 PM
60988	Faith! Shows that the ppl stick together and bond for Freedom	2/18/2022 4:20 PM
60989	Positively! Gave me hope.	2/18/2022 4:20 PM
60990	The metal and physical health of friends and family in Ottawa have been gravely affected. Small Business owners in Ottawa and their connected businesses outside of Ottawa have taken a HUGE economic loss.	2/18/2022 4:20 PM
60991	Given me hope and belief in humankind again. We will prevail and the evil the government has perpetuated on humanity will be exposed.	2/18/2022 4:20 PM
60992	The convoys have made me feel unsafe knowing how many people are part of it and how little they care out others. Also annoyed by the constant honking. Also truly embarrassed to be a Canadian. These people are all over the news waving our flag and now the whole world can see our country is full of horrible people. Hope they all go home soon and that they receive real consequences for the hardships they caused everyone in their misguided protest.	2/18/2022 4:20 PM
60993	Nice to see people fight for our freedoms	2/18/2022 4:20 PM
60994	It has given me hope that a piece of garbage wannabe leader such as Trudeau isn't going to get away with his dictatorship agenda. He is a traitor to this country and until this convoy, he was ruling unchecked. If it wasn't for a convoy standing up to him we would have been even closer to communism. Trudeaus true colors are now shining and if he is not stopped we will end up like venesuella. The guy should be removed from office and put in prison	2/18/2022 4:20 PM
60995	It has given me renewed hope that we will have a free Canada once again. I am ever so thankful that they had the courage to step out and pay the price for freedom.	2/18/2022 4:20 PM
60996	I don't know what the best way to voice opposition is. I'm scared after this, there will be no way.	2/18/2022 4:20 PM
60997	They have given me hope for our country, a hope that the Trudeau government has taken away from Canadians in the last two years of the pandemic.	2/18/2022 4:20 PM

Canadians vote on Canadian Mandate – February 2022

60998	I'm broken for humanity, watching this group follow white supremacists in their mission to stage a coup, dismantle democracy and install their leaders d'jour. I'm broken that these kinds of selfish abhorrent people still exists and I'm afraid for the kind of world left behind for our children.	2/18/2022 4:20 PM
60999	Hope	2/18/2022 4:20 PM
61000	gave me hope	2/18/2022 4:20 PM
61001	Hasn't fight for what's right and not our prime ministers corruption	2/18/2022 4:20 PM
61002	I finally have hope that Canada may be a free and just country again—one which respects the constitution and upholds human rights.	2/18/2022 4:20 PM
61003	What convoy?	2/18/2022 4:20 PM
61004	I am out of the country doing a missions project	2/18/2022 4:20 PM
61005	I think it is so awesome that they have given up everything to fight for our freedoms in Canada. Very proud of them.	2/18/2022 4:20 PM
61006	They have given me new hope But the government has shattered all my trust , in the way in which they handled this peaceful protest.	2/18/2022 4:20 PM
61007	It has improved things	2/18/2022 4:20 PM
61008	Zero	2/18/2022 4:20 PM
61009	The convoy has given me hope that there is something that can be done when the government circumnavigates the checks and balances in place. I believe our current government has hurt our country and our country's reputation.	2/18/2022 4:20 PM
61010	Given hope, seeing unity and making me proud to be Canadian as we have started a movement throughout the world all with peace.	2/18/2022 4:19 PM
61011	The trucker convoy has restored my Faith in humanity and shown more Love, Faith and Kindness that I have ever experienced in my lifetime. Love all these amazing people who stand for our Freedom and our children	2/18/2022 4:19 PM
61012	Brought me joy and hope	2/18/2022 4:19 PM
61013	Showed me there is good in the people of this country, that we can all stand together for the first time in my 30 years of life I've never seen this kind of support	2/18/2022 4:19 PM
61014	It has given me hope and a sense of pride	2/18/2022 4:19 PM
61015	Not a dam bit.	2/18/2022 4:19 PM
61016	Gave me hope	2/18/2022 4:19 PM
61017	Ben bend	2/18/2022 4:19 PM
61018	It has highlighted how unresponsive our premier. His inability to answer any direct questions and continued hate speech are concerning. What does 'success look like' to end mandates in Canada, while the rest of the world is opening up? The goal posts never stop moving.	2/18/2022 4:19 PM
61019	It has not affected me personally.	2/18/2022 4:19 PM
61020	As a resident of centretown, my life has been hell since the convoy arrived. While I can respect that there is opposition to mandates and to public health guidelines, this IS NOT what this protest has been focused on. What I have experienced has been catcalling style harassment of people who choose to wear masks, I've seen racist symbols on the streets I live, I have been unable to navigate my own community and even within my home, have been followed by noise (which is both detrimental to me, and my young puppy that is frantic and will likely be afraid of noises long after this.) This trucking convoy is not a trucking convoy- it is an occupation of people who saw an opportunity to get the funding and attention to advance their own interests, many of which are racist, bigoted, anarchic or just disrespectful. This convoy needed to end a few days after it started, by making a statement and then following it up with legitimate democratic political action- holding a city hostage for a month is not freedom fighting- it is a toddler style tantrum. A protest makes its point, gathers media attention if possible and then begins the real work.	2/18/2022 4:19 PM

Canadians vote on Canadian Mandate - February 2022

61021	Given me hope for a positive future, feeling like someone actually cares for Canadians and for supporting freedom of hardworking Canadians to choose what kind of life to live.	2/18/2022 4:19 PM
61022	Faith and hope for freedom and making this world and country a safer, truthful and loving place to live.	2/18/2022 4:19 PM
61023	It hasn't...I support them 100%!!!	2/18/2022 4:19 PM
61024	It has given me hope, solidarity, a burgeoning sense of community, and gratitude to the brave truckers who stand up for the freedom of all Canadians in a time when we have lost our democracy under an insensitive and cowardly prime minister.	2/18/2022 4:19 PM
61025	Like Hope has been restored Very hopeful	2/18/2022 4:19 PM
61026	Brought me hope and opened my eyes and heart wide open.	2/18/2022 4:19 PM

61051	It has made me proud of my fellow citizens, they represent many .	2/18/2022 4:19 PM
61052	It's given me hope knowing other people are feeling the same	2/18/2022 4:19 PM
61053	It's made me both angry and proud. Angry that it took this type of action to try and get the Governments attention to convey that we the people have had enough with the mandates and forced/coerced Vax program. I'm angry that Trudeau and other politicians are breaking the Supreme Law of Canada. I am very appreciative and happy for all those and for the Truckers Convoy for standing up for our rights, freedoms and liberties. The Trucker Convoy has given me hope and encouragement, and has also given me something to be proud of as a Canadian in light of the embarrassment I feel with Trudeau as your pathetic leader. I fully support the Truckers Convoy and all those brave souls standing for our rights, freedoms and liberties in Ottawa and across the country. Much love, much kindness, much appreciation, much respect!	2/18/2022 4:19 PM
61054	Feeling more hopeful	2/18/2022 4:18 PM

61070	It made me feel proud and gave me hope!!	2/18/2022 4:18 PM
61071	The convoy has given me hope. It has provided information to Canada that we do not want to be divided by vaccine status or otherwise. It is important for us to have free speech and to be able to have medical freedom to choose what we put into our bodies.	2/18/2022 4:18 PM
61072	Given me hope.	2/18/2022 4:18 PM

and goods and stuff with people in their household can use every day so don't tell me that those are just truck drivers fringe minority

61078	Given some hope/courage Encouraged to finally feel support and community	2/18/2022 4:18 PM
61079	The trucking convoy has given me hope. Because the legacy media doesn't present the truth I felt alone in my opinions and choices. The trucking convoy has shown me there are millions of Canadians who are correctly informed with REAL science and believe as I do - that we should have freedom of choice about what to put into our bodies and that we will not bow to the pressures of a tyrannical government. The public awareness through social media has united Canadians far beyond any Government sponsored advertisements on the television or misleading public service announcements over the government funded radio stations. This peaceful event has caused the world to wake up and see what a manipulative criminal our so-called 'leader' is. The trucker convoy has given me hope - hope that freedom and personal rights will once again be an essential foundation of being a Canadian; and hope for my future and for the futures of the children of this country.	2/18/2022 4:18 PM
61080	It hasn't	2/18/2022 4:18 PM
61081	Opened my eyes to seriously realize that our PM has 0 interest in listening to us!! The truckers, their determination and their spirit of freedom opened my eyes to realize - we the people are ruled by corruption and greed. Sad fact for ourselves, my children and grandchildren Stand Up for your Rights Freedom and Proud to a Canadian	2/18/2022 4:18 PM
61082	It hasn't	2/18/2022 4:18 PM
61083	Made me more aware of the what is the truth and how governments manipulate the very people that they're supposed to represent	2/18/2022 4:18 PM
61084	Given me hope	2/18/2022 4:18 PM
61085	Opened the possibility to a future worth living for all of us humans. Get the government and its ilk organizations out of the way and our social ills will go with them down the tubes.	2/18/2022 4:18 PM
61086	It is very difficult to see so many people who believe misinformation, have no problem with racism and far-right ideas, think that our govt is not a democratic govt- and have no problem with occupying a city for so long and endangering its residents.	2/18/2022 4:18 PM
61087	Brought life and hope to me	2/18/2022 4:18 PM
61088	Positive and hopefully	2/18/2022 4:18 PM

61106	It hasn't negatively affected my life at all ! The trucking Convoy has given me HOPE that Canadians Freedoms will be upheld !!	2/18/2022 4:17 PM

61108	Not the least as I am in Mexico but want it dismantled before I come back!	2/18/2022 4:17 PM

61111	They are fighting for our freedom!!! Yay	2/18/2022 4:17 PM

61120	I'm embarrassed to be Canadian Currently	2/18/2022 4:17 PM
61121	Gave me back pride and hope	2/18/2022 4:17 PM
61122	I have lost all faith in humanity seeing how the convoy disregarded people's livelihood and safety. I'm annoyed and angry they took it this far.	2/18/2022 4:17 PM
61123	Hope Joy positivity	2/18/2022 4:17 PM
61124	I feel that they're standing up for a lot of Canadians. They're not anti-vax, they're against being forced to be vaxxed and being forced to have proof that you've received it. I don't think it's anyones business except my own whether or not I've been vaxxed. I don't ask anyone any of their medical history - I'm not a Doctor. And they're not doctors either! So they have no right to know my medical status!!!!	2/18/2022 4:17 PM
61125	Gave me hope To know I am not alone	2/18/2022 4:17 PM
61126	Restores some hope that there will be a push back on the evil people that are controlling our prov & fed governments and trying to bring us under the control of the wicked globalist elite	2/18/2022 4:17 PM
61127	The truckers are our heroes! It has given me hope in humanity. I also want to be in Ottawa with them.	2/18/2022 4:17 PM
61128	Has brought me hope for a better future.	2/18/2022 4:17 PM
61129	It has given me hope and joy to my life.	2/18/2022 4:17 PM

61132	negatively, as a citizen of Ottawa who lives within 10min of where this is happening. I am not able to support the local businesses that I was throughout covid since the convoy arrived. The majority have made the very sad decision to remain closed in the face of this convoy due to	2/18/2022 4:17 PM

safety concerns for themselves and employees. We have not been able to cross into Gatineau/ Quebec to use our ski passes for the season since the convoy arrived.

61133	It hasn't	2/18/2022 4:17 PM
61134	It has significantly upset my sense of well being as a Canadian citizen. I am grossly embarrassed that the "trucking convoy" has caused a negative international impression of Canadians. It has also made me more acutely aware of the gross inequality with which government, politicians, civil servants and policing services treat people, who are actively trying to make the world a kinder, healthier environment compared to a small group of nazi flag bearing white supremacists who stash weapons. To cite "fears of violence" at the volatile "trucker convoy" as a reason not to make these people disperse is all the more reason to make them disperse.	2/18/2022 4:17 PM
61135	It has really made me proud to be Canadian again, in portraying that Canadians stand together and that we are in fact, not a minority at all	2/18/2022 4:17 PM
61136	I realize Justin treadu breach the Canadian charter of rights and freedom- freedom of peaceful assembly. He should respect the fact that Vaccination is ineffective. Government should not force people to get Vaccination. Which is very unreasonable!	2/18/2022 4:17 PM
61137	It gives me hope, hopefully we can live in a free country again.	2/18/2022 4:17 PM
61138	They have given me hope and a sense of community, actual feeling of humanity which I haven't felt in the last 2 years	2/18/2022 4:17 PM

61140	Made me have gope	2/18/2022 4:16 PM
61141	They gave me hope that somehow, somewhere, someone cared that my life has been altered by the COVID rules & mandates. For the first time in months I cried as I heard the truckers singing O Canada. I had vowed to never sing O Canada again but the truckers have shown that not all Canadians are elite or on the side of the elite. I have found alternative news sources who actually tell the truth rather than mainstream media that spews government propaganda- like CBC & CTV - which I will never watch or listen to again. The truckers are what Canada has been all my life - hard working people who want to work for a living & want to help their fellow Canadians. I have hope again!!	2/18/2022 4:16 PM

61147	Introduced a little hope.	2/18/2022 4:16 PM
61148	It has inspired me to think differently about how to address this situation and to not underestimate the power of people coming together to create big change.	2/18/2022 4:16 PM
61149	Gives me hope and smiles.	2/18/2022 4:16 PM
61150	Given me hope	2/18/2022 4:16 PM
61151	I am a truck Driver that has continued to truck. The convoy if it continues to be peaceful, make me proud to be Canadian	2/18/2022 4:16 PM
61152	It hasn't	2/18/2022 4:16 PM
61153	It has given me hope that other Canadians are also fed up with government intervention in our day to day lives.	2/18/2022 4:16 PM
61154	It has been giving us great hope to see a bunch of Canadians standing up for freedom!	2/18/2022 4:16 PM
61155	Tons of negativity, emergencence of people who want to yell in your face for wearing a mask and caring about neighbours. Has caused division because of extremes views of convoy "protestors" and made me feel sad to see so many people willing to side with white	2/18/2022 4:16 PM

61163	It gives me hope that some people with the means to stand up for basic charter freedoms are willing to do so.	2/18/2022 4:16 PM
61164	It has given me hope that we can restore our freedoms.	2/18/2022 4:16 PM
61165	Has given me hope that there is hope for the future and the commie dictator chicken shit Trudeau will be removed, arrested and jailed. That is our only hope for a future for Canada.	2/18/2022 4:16 PM
61166	Given me hope in the future and pride in country.	2/18/2022 4:16 PM
61167	Not one bit, I am still free to live, and go where I feel safe to be at.	2/18/2022 4:16 PM
61168	Seeing how the PM has handled this has angered me and has soured me on government.	2/18/2022 4:16 PM
61169	Made me happy something is finally going to improve and we will have freedom and not Be a communist country very disappointed with Trudeau, terrible times making history for the next generations oh God help us	2/18/2022 4:16 PM
61170	It gave me hope!	2/18/2022 4:16 PM
61171	They are giving Canadians hope and helping to give people a voice.	2/18/2022 4:16 PM
61172	I believe they are ill informed individuals. Many evangelicals who think god or jesus rather than good science will save them. They have disrupted the lives of too many people. I have participated in protests, but this is a bridge too far. Look at how the police in France quelled the protests there. We live in a free democratic country. Make your voice heard legally with voting and being engaged and informed by experts not social media right wing sites.	2/18/2022 4:16 PM
61173	Hope for my freedoms back	2/18/2022 4:16 PM
61174	Didn't really	2/18/2022 4:16 PM
61175	It has brought me renewed hope in my fellow citizens. It has brought back my love of country.	2/18/2022 4:16 PM
61176	It has made me angry and reminded me how often "Christians" live like they are part of a death cult.	2/18/2022 4:16 PM
61177	I proud of those standing up. My kids loved watching all the trucks!!	2/18/2022 4:16 PM
61178	Gives hope for the future that someone is standing up to the tyranny of our government	2/18/2022 4:16 PM
61179	Really, it has given me hope. It's nice to see people able to talk about mandates without instantly being branded as a leper. I'm not in support of the blockades, but I'm disgusted to see our PM throwing insults like a child instead of using normal conflict resolving techniques. I have been really stressed out and sad to see our news painting the actions of a dozen people as the brush to represent thousands.	2/18/2022 4:16 PM
61180	No	2/18/2022 4:15 PM
61181	It's given me inspiration that I am not alone! I have hope for humanity!	2/18/2022 4:15 PM

61185	Gave me a hope that perhaps we can change the direction of where our country is headed.	2/18/2022 4:15 PM
61186	Strongly support them!	2/18/2022 4:15 PM
61187	It has given me hope! A recognizable group of blue collar workers is standing up for the rights of all Canadians. God bless them!	2/18/2022 4:15 PM

61189	Given me optimism that the PM's reign of tyranny will soon end	2/18/2022 4:15 PM
61190	It's given me hope	2/18/2022 4:15 PM
61191	hope	2/18/2022 4:15 PM
61192	It has given me hope. But I am worried the liberals started the convoy themselves to have an excuse to push even harder against the freedoms of Canadians	2/18/2022 4:15 PM
61193	Has brought hope to the nation. The convoy had been peaceful and loving. Our main stream media has portrayed it in a negative way but that is not true. It has brought Canadians together from all walks of life.	2/18/2022 4:15 PM
61194	It has given me hope that there will be a reprieve from unnecessary govt over reach	2/18/2022 4:15 PM
61195	It hasn't. Its shown the truths, and the media bias. Its mustered unheard voices that were silenced by all corrupt politicians.	2/18/2022 4:15 PM
61196	They fought for our freedom and they need to keep doing it.. God Bless them.	2/18/2022 4:15 PM

61198	It's brought hope in my life.	2/18/2022 4:15 PM
61199	I'm very happy about the convoy it has given me hope for the future.	2/18/2022 4:15 PM
61200	Made me aware of how many have no idea who they are or what the system is	2/18/2022 4:15 PM
61201	I was only affected when the protesters blocked the borders. This is an issue as my family relies on the auto industry. I do feel that none of that would have happened if the Prime Minister had stepped in right at the beginning of the blockades. People just wanted to be heard.	2/18/2022 4:15 PM
61202	The only thing that it has done to affect my life is that it has brought love and happiness back in my heart , seeing how it has brought people together and it makes you proud to be Canadian again	2/18/2022 4:15 PM
61203	Brought hope to a dark situation.	2/18/2022 4:15 PM

61217	It's brought back a sense of hope that maybe this government overreach will end	2/18/2022 4:15 PM

61229	added stress to my life when we knew mandates were going to be dropped	2/18/2022 4:14 PM
61230	I love them. They give me hope.	2/18/2022 4:14 PM
61231	It has made me angry because they are so disconnected from reality and I fear that racists are using innocent people to further their white supremacy agendas.	2/18/2022 4:14 PM
61232	Love them and support	2/18/2022 4:14 PM
61233	Made me feel like we are a united country and there was hope	2/18/2022 4:14 PM

61270	I am happy to see such a kind group fighting for everyone's god given freedom to choose what they put inside their own bodies.	2/18/2022 4:14 PM
61271	Has given me hope	2/18/2022 4:14 PM
61272	Just a distraction from what is going on. Proud to have someone finally stand up against these ridiculous mandates, but frustrated that no one seems to be listening or even communicating with them and the concerns.	2/18/2022 4:14 PM
61273	Giving me hope	2/18/2022 4:13 PM
61274	I think they helped because provinces started to drop mandates after they arrived to Ottawa.	2/18/2022 4:13 PM
61275	The truckers have given me hope that the mandates will end. I donated money to support this freedom movement and I believe in their ability to peacefully and lovingly plead the case to free Canadians citizens from the unjustified mandates. I have no confidence in my government and health Canada or my provincial health authority.	2/18/2022 4:13 PM
61276	God bless them!!!♥♥♥♥	2/18/2022 4:13 PM
61277	It gave me hope and a sense of unity I haven't felt in years! I am proud of what the convoy	2/18/2022 4:13 PM

has done and I support them .

61278	They are morons	2/18/2022 4:13 PM
61279	Given us hope. I haven't been proud to be Canadian for a couple years but the truckers have united so many Canadians and the world.	2/18/2022 4:13 PM
61280	It has given me hope and pride in Canada for the first time in two years. Before the convoy, I wanted to leave this country because of the direction it is going. For people that aren't vaccinated, there are many reasons why. My husband was injured from the first shot. He didn't even want it, but work was saying he had to. It's disgusting to force things on people they don't feel right about. We should also not be prisoners in our own country. So thankfully for what the truckers and all of those standing with them have done to stand up for people and their rights and freedoms.	2/18/2022 4:13 PM
61281	It gave me hope again!	2/18/2022 4:13 PM
61282	It has given me new hope, that maybe we do have some say.	2/18/2022 4:13 PM

61286	Given me hope	2/18/2022 4:13 PM
61287	First time in decades I have experienced pride in being Canadian- brought me to tears	2/18/2022 4:13 PM
61288	They have been standing up for freedom and have done it out of very good taste and doing it peaceful. They impacted the whole world to stand up for the pandemic and how it has taken away so many peoples freedoms of choice, speech, jobs, families, etc	2/18/2022 4:13 PM
61289	My city is overrun by whiny white men who got lost on their way to the Ram Ranch. They have been disrespectful and abusive to the local citizens and businesses. They have disrespected our national symbols , flag and anthem and are an embarrassment to most Canadians. They are also not truckers but foreign funded white supremacists who have taken advantage of and duped vulnerable uneducated Canadians . Also using children as shields is reprehensible and abuse. You should be ashamed	2/18/2022 4:13 PM
61290	Get our basic freedoms back. Get rid of the dictator. J. Trudeau. He is not a well like peoplekind!! To use his stupid word!!	2/18/2022 4:13 PM
61291	Brought back hope for your freedom and rights to be restored.	2/18/2022 4:13 PM
61292	None	2/18/2022 4:13 PM
61293	Made me hopeful and showed me how many good people there are as I was very sickened to see how many scum there is, needed a boost to show we are not alone.	2/18/2022 4:13 PM
61294	Given hope a sense of belonging and togetherness.	2/18/2022 4:13 PM
61295	Given me hope and given me the desire to smile again.	2/18/2022 4:13 PM
61296	Created hope and empowerment to end mandates and improve the lost quality of life	2/18/2022 4:13 PM
61297	It has made me realize that there are actually people who care about their country and other citizens. And has opened my eyes to the incompetency of our government. Im embarrassed by our prime minister.	2/18/2022 4:13 PM
61298	It's been alarming to see how many people are so completely uninformed about how our government works, how our laws work, and the basic science of vaccines. You people should probably go back to school to learn about those things.	2/18/2022 4:13 PM
61299	It has made me have Hope. So much Love showing around the world.	2/18/2022 4:13 PM
61300	The Truckers have brought hope to Canadians. They are the voice of all Canadians whose rights and freedoms have been taken away by this dictator PM. They are peacefully fighting for our rights. The Legacy mafia media, the traitor PM, the Liberal Party and NDP have done nothing to communicate with Canadians. Instead they lie, lie, lie, and fabricate more lies to push their one world order agenda. Truckers are peaceful every day hard working Canadians who just want to work and put food on their tables for their families without being forced to take	2/18/2022 4:13 PM

this poisonous vaccine. They and all Canadians should have the right to chose. I support our Canadian Freedom Truckers.

61301	Brought me hope that we can voice our disapproval of mad ages and govt policy in a united, non- violent way	2/18/2022 4:13 PM
61302	It hasn't	2/18/2022 4:13 PM
61303	They have offered hope and a renewed sense of pride in the spirit of Canadian people.	2/18/2022 4:13 PM
61304	It's given me hope for change & courage to stand up for our rights.	2/18/2022 4:13 PM
61305	Love it!! It's a beautiful thing to watch as the world comes together in love immunity to fight these tyrants	2/18/2022 4:13 PM
61306	Gave me hope that the good people of Canada may have a free life again. Shows what a tyrannical idiot Trudeau is and how spineless most of the MPs, Premiers and MLAs are.	2/18/2022 4:13 PM
61307	Idiots all of them	2/18/2022 4:13 PM
61308	It has brought me hope in a hopeless country...I think people understand what we've been talking about...especially now that a wee bit of honesty is seeping out.	2/18/2022 4:13 PM
61309	Globally, the Canadian Truckers Convoy put into action something that all governments needed to and should have done on their own accord long ago. The science if C19, the shots being useless, masking being detrimental to everyone, having to learn how to live with COVID because it will not be eradicated has been public knowledge for a year. Anyone and everyone who spoke the truth was shut out. The truckers are giving truth and injustice the voice they all should always have had. The trucking convoy is the first glimmer of hope we have seen in years of living in fear and sadness. The trucking convoy has helped many to see our government's true colours and agendas. I may be able to be a Personal Support Worker again thanks to the movement. Maybe my daughter's education can get back on track soon. I deeply feel that Trudeau needs to be exiled permanently from Canada. I feel that the amount of damage he has caused warrants this punishment.	2/18/2022 4:13 PM
61310	Increased stress and worry about division in our society and the rise of white supremacy is very concerning. It has negatively affected many hard working Canadians and caused goods to be more expensive. It has changed who I will vote for the next election because I won't vote in a government that allows protesters to terrorize people and harm the economy.	2/18/2022 4:13 PM
61311	It gave me hope it is our right to protest It is our right to choice on participating with experiment.	2/18/2022 4:13 PM
61312	Joy and hope	2/18/2022 4:13 PM
61313	I support it fully	2/18/2022 4:13 PM
61314	It's given us hope that things will be ok. We have felt patriotic again.	2/18/2022 4:13 PM
61315	Showing how hypocritical the federal government is. From the Libs mouth how much they don't like Canadians. How they encite hate about Canafians that disagree with them	2/18/2022 4:13 PM
61316	Restored faith in Canadians ability to unite.	2/18/2022 4:13 PM
61317	It hasn't	2/18/2022 4:13 PM
61318	It gave me hope for the first time in two years. I love seeing the support and love that has been shared. I love the passion for being a Canadian. I love that it has been a peaceful protest.	2/18/2022 4:13 PM
61319	I have been unable to attend my job downtown Ottawa and have lost out on three weeks of pay, I have also been harassed by at least three convoy participants and have heard endless honking that's extremely irritating	2/18/2022 4:13 PM
61320	It's brought unity, and peace back into Canada and restored my faith in Canadians	2/18/2022 4:13 PM
61321	Hasn't really except for the constant feuds between people... the division of people.	2/18/2022 4:13 PM
61322	For the first time since March 18. 2020....I don't feel terrified. Our rights are being taken away. Truckers brought them back. Made me a proud Canadian again.	2/18/2022 4:12 PM
61323	Gave me hope for a government to listen- no negative effect, makes me wish I was there too,	2/18/2022 4:12 PM

Canadians vote on Canadian Mandate - February 2022

	disgusted to see fed govt reaction	
61324	Made me proud that they are standing up for what they believe in. In a Peaceful way	2/18/2022 4:12 PM
61325	It has brought both hope and happiness. But also sadness and fear, watch what our "leaders" will do when someone asks for their freedoms back.	2/18/2022 4:12 PM
61326	It provided me with the first glimmer of hope for our country's future and my own that I have had in the past few years and showed me that I am not alone. There are millions of others across this nation and the world who see the mandates as I do - far more destructive than they are helpful. As well, the governments' response to the convoy has brought to light their complete lack of regard for the health, safety and wellbeing of the people they are supposed to serve and represent.	2/18/2022 4:12 PM
61327	It hasn't directly...however I believe it played a role in Kenney ending AB passport system and masking of children.	2/18/2022 4:12 PM
61328	They are fighting for my freedom and choice - it has not affected me negatively in any way - makes me happy and proud that we can protest peacefully	2/18/2022 4:12 PM
61329	Standing for freedom of body..choice..movement	2/18/2022 4:12 PM
61330	As far as I can tell, this is about a bunch of people afraid of losing some sort of sense of power and whining about it. They don't seem to understand how democracy functions and the biggest insult was that MOU in which they essentially advocated for an authoritarian government. They have had no respect for the people living and working in Ottawa. They are selfish. It's not Canadian.	2/18/2022 4:12 PM
61331	It has not affected my life other than it has brought some sense of hope for the future.	2/18/2022 4:12 PM
61332	No	2/18/2022 4:12 PM
61333	It has upset me that they have noise torturers and harassed the residents of Ottawa foe 3 weeks . I haven't been able to sleep thinking about those poor people and the police doing nothing to help them	2/18/2022 4:12 PM
61334	It has brought me joy! Hope! Pride in Canadians	2/18/2022 4:12 PM
61335	Gave hope	2/18/2022 4:12 PM
61336	Showing me how important it is to stand up for your rights	2/18/2022 4:12 PM
61337	Given me hope for ending the mandates.	2/18/2022 4:12 PM
61338	It has given me hope for the first time in almost 3 years	2/18/2022 4:12 PM
61339	give Justin Trudeau the ammo he needed in order to invoke the emergencies act, what she had no right to invoke, he is overstepping his right of power. thus adding to the power grab that is turning Canada from a democracy into a dictatorship or at least on its way to a dictatorship.	2/18/2022 4:12 PM
61340	The convoy hasfe in one bit I stand for what they're doing	2/18/2022 4:12 PM
61341	Many many ways so far!!	2/18/2022 4:12 PM
61342	The trucking Convoy has brought me much joy. To see their support given me hope in our country for freedom and liberty to return to the Canada my father fought so hard for in World War 2. The Convoy has ignited a spark inside me to help me realize I am not alone in this battle of good and evil. It has also exposed our corrupt government to another level making me realize how very necessary we need each other and just how important our truckers are to us all. They supply are food chain to help feed us.	2/18/2022 4:12 PM
61343	Makes me proud to be Canadian again	2/18/2022 4:12 PM
61344	Felt canadian unity and love for the first time since I can remember	2/18/2022 4:12 PM
61345	It has given me a sense of hope and purpose that people are standing up to decisions made by someone who seems to be out of touch with what the rest of Canada is feeling	2/18/2022 4:12 PM
61346	It has given me hope that maybe we have the power to overthrow mandates that don't make sense or follow science. I have lost all faith that Trudeau cares for Canadians. I agree with the people of the trucker convoy.	2/18/2022 4:12 PM

Canadians vote on Canadian Mandate - February 2022

61347	Inspirational Uplifting Grateful for taking a stand to bring back our Canadian less controlled way of living! My body, my choice!	2/18/2022 4:12 PM
61348	Great entertainment watching stupid people ruin their lives	2/18/2022 4:12 PM
61349	providing hope that people are held accountable	2/18/2022 4:12 PM
61350	They are idiots! I feel like they are a bunch of red neck idiots having a temper tandrum and need to grow up and respect there are rules in life . Suck it up . Put a mask on and support and respect others	2/18/2022 4:12 PM
61351	I had hope the government would sit at a table and listen to the Canadian people in a peaceful way.	2/18/2022 4:12 PM
61352	Hope, stress, yet opened my to all the corruption in government	2/18/2022 4:12 PM
61353	Made me even more angry at, and ended any faith, in the government doing anything for the people of Canada.	2/18/2022 4:12 PM
61354	Positive	2/18/2022 4:12 PM
61355	Hope	2/18/2022 4:12 PM
61356	It has given me hope to end these mandates that the science shows is over.	2/18/2022 4:12 PM
61357	It has not affected me, but with positive vibes and hope in humanity	2/18/2022 4:12 PM
61358	I'm afraid to go downtown, I can't go into work, and I now feel shame when I see a Canadian flag	2/18/2022 4:12 PM
61359	It's given me hope for the first time in 2 years.	2/18/2022 4:12 PM
61360	Glad someone is standing up for Canadians.	2/18/2022 4:12 PM
61361	Hasnt	2/18/2022 4:11 PM
61362	Gave me hope in my fellow Canadians and hope for our future as a nation.	2/18/2022 4:11 PM
61363	It gave me hope for freedom of choice for all people! I have seen a peaceful protest become illegal , due to planted propaganda and a bought media. All they wanted was the prime minister to listen, to their desire for freedom to make their own health and work choices ☹️ I am greatly alarmed at how these working class people have been treated!	2/18/2022 4:11 PM
61364	Ive seen humanity restored. Love ignited and truly support the mission of loving those around them and bringing everyone in Canada together again!	2/18/2022 4:11 PM
61365	Raised awareness that, as with so many things in life, we need to encourage people to do certain things for their own health and safety (be vaxxed etc) but can't demand. Truckers were heroes during the pandemic and now are being demonized off not vaxxed. Not fair at all and not fair standard compared so many other things. And the way the govt is treating them is not right, there should be dialogue and communication, not demonizing and treating them like terrorists. Maybe fines for illegal parking of trucks etc but not destroying their lives etc.	2/18/2022 4:11 PM
61366	It's not a parody?	2/18/2022 4:11 PM
61367	Interfered with my ability to work and play.	2/18/2022 4:11 PM
61368	It hasn't	2/18/2022 4:11 PM
61369	It's given me hope against this government which does NOT have Canadian interests in mind at all.	2/18/2022 4:11 PM
61370	So much	2/18/2022 4:11 PM
61371	i hope it will end the 2030 reset agenda	2/18/2022 4:11 PM
61372	Made me proud to be a Canadian again and gave me hope for a future for grandkids.	2/18/2022 4:11 PM
61373	Gave me hope that I am not alone in this tyranny of government	2/18/2022 4:11 PM
61374	The trucking convoy has made me finally feel a shred of hope in a country that I have not had hope for in the last two years. I am so proud of those who have stood up for what is right, and truly thank the truckers and the other protesters.	2/18/2022 4:11 PM

Canadians vote on Canadian Mandate - February 2022

61375	It gave me hope. It was beautiful and uplifting. Uniting Canadians -after so much division in media & Trudeau. It is not a racist movement. It is not a terrorist group. They promote unity, peace/love and dropping mandates. I respect these heroes ancc fx their efforts	2/18/2022 4:11 PM
61376	Improved my mental health giving home that we can go back to normal.	2/18/2022 4:11 PM
61377	It's about time! Just seeing so many people come together has been amazing. We are not alone!	2/18/2022 4:11 PM
61378	I support 100% all the truckers and the convoy. They are the true heros as they fought for our freedom that Trudeau took away with the War Measures Act forcing a total loss of all Canadian rights. Any bank account and business license can be suspended for not agreeing with the Liberal Government. Any continuation of the War Measures will not be taken well with a majority of Canadians. This Liberal Government crossed a very serious line that can never be undone. There can never be anything in Canada short of a terrorist take over of Canada that would ever require any act against the citizens of Canada that warrants invoking the War Measures Act against its citizens. All our life is not affected by a criminal Liberal government that must be stopped. I call on all opposition parties to leave parliament and refuse to vote to show all Canadians that this is an illegal act by the Liberal Party of Canada. The Liberal Government needs to be forewarned that Canadians can only be pushed so far and if this continues there will be no control on what ordinary citizens will do to regain their FREEDOM. FYI	2/18/2022 4:11 PM
61379	It's given me hope again	2/18/2022 4:11 PM

61385	It has once again made me proud to be a Canadian.	2/18/2022 4:11 PM
61386	It has made me feel supported and grateful to be a Canadian and see how many people are supporting each other, rather than what the Govt is doing in separating people through fear	2/18/2022 4:11 PM
61387	No	2/18/2022 4:11 PM
61388	Has not at all	2/18/2022 4:11 PM
61389	They've brought hope. Hope that just perhaps they can wake people up and common sense and logic will return to our once FREE country that has for the last 2 years been run by dictators.	2/18/2022 4:11 PM
61390	It hasn't! I'm in support of legal protests. I understand their position but it must be kept legal or our tyrannical government will get even more ridicules.	2/18/2022 4:11 PM
61391	Very little	2/18/2022 4:11 PM
61392	It is given me a glimmer of hope, pride in Canada, pride in humanity. As well as giving us a voice that we did not have before have before	2/18/2022 4:11 PM
61393	Gave me faith in humanity again and I realize we are united and no one can divide us.	2/18/2022 4:11 PM
61394	Hope for Canadians	2/18/2022 4:11 PM
61395	It's open my eyes to see there are more people that want to have the freedom of choice the freedom of their own autonomy and I don't have to feel crazy for wanting to have that freedom over my own body	2/18/2022 4:11 PM
61396	GIVEN ME HOPE THAT THE WHOLE WORLD WILL RETURN TO NORMAL.	2/18/2022 4:11 PM
61397	Given back a little hope to my entire family, know that we do all have a voice and there are many others whom feel the same way.	2/18/2022 4:11 PM

Canadians vote on Canadian Mandate - February 2022

61399	Gave me a sense of others feeling the same way -- gave me HOPE	2/18/2022 4:11 PM
61400	They stand up for freedom and our rights peacefully	2/18/2022 4:11 PM
61401	It gave me hope and happiness.	2/18/2022 4:11 PM
61402	Didn't	2/18/2022 4:11 PM
61403	Has mobilized me to be an even stronger and vocal advocate for upholding our inalienable rights.	2/18/2022 4:11 PM
61404	Brought unity and love. Connection, pride, hope.	2/18/2022 4:11 PM
61405	I have been to Ottawa twice in peaceful support	2/18/2022 4:11 PM
61406	It has brought joy and hope in moments of darkness.	2/18/2022 4:11 PM
61407	I never would have believed we could agree peacefully in such an amazing way. I cannot thank the truckers enough for being the voice of all of us who fundamentally disagree with the lies, censorship, and government over reach. The euphoria in any crowd is the most CANADIAN I have ever felt...it beats the Olympics 2010 day by 100 fold. Trudeau loves Chi eye style dictatorship.....we never Gabe power to do this. He is more evil than Hitler.	2/18/2022 4:11 PM
61408	The truckers and their supporters have given me hope because the good people of this country are standing up and saying NO to the massive Gov't over reach that has taken place over this pandemic. It is deplorable what PM Trudeau, his cabinet and the MPs that side with him are doing to this country and it's citizens. The truckers have met the (Gov't) unrelenting lies and deception with dignity, grace and courage.	2/18/2022 4:11 PM
61409	It gives me some hope that our society here in Canada might not stay in this crazy state of mind but I am still not sure. I feel we are lost for the most part I worry for my kids future	2/18/2022 4:11 PM
61410	Gave me a little bit of hope	2/18/2022 4:11 PM
61411	It has instilled faith in Canada, for me. Taking a stand to get the message out that the time to lift all mandates has come, many of them are family members leaving their jobs to make this stand, peacefully.	2/18/2022 4:11 PM
61412	Not at all!	2/18/2022 4:11 PM
61413	It has given us hope that freedom May return to Canada	2/18/2022 4:11 PM
61414	Truck Convoy has given me hope.	2/18/2022 4:11 PM
61415	Give me hope	2/18/2022 4:11 PM
61416	Increased chances of sooner freedom.	2/18/2022 4:11 PM
61417	Dikbutt 4EVA	2/18/2022 4:11 PM
61418	Brought hope back into our lives	2/18/2022 4:11 PM
61419	Negatively. They have occupied an important part of a city I love, done hundreds of millions (if not billions) in damage, caused friends to be temporarily laid off, provided people with ties to white supremacist organisations cover to get their messages out, and more. The convoy protests have been nothing short of an attack on my liberties by people who state that these protections are clearly unconstitutional while never actually succeeding in a legal challenge.	2/18/2022 4:11 PM
61420	Brought hope, light at end of a tunnel. Finally a group of citizens standing up for Canadians rights.	2/18/2022 4:11 PM
61421	Brought hope that our freedoms would return.	2/18/2022 4:11 PM
61422	Happiness for the first time in years. Feeling protected and having truckers stand up for our rights as human beings.	2/18/2022 4:11 PM
61423	It has given me hope that tomorrow holds better days and Canada still is the country I love	2/18/2022 4:11 PM
61424	NOT AT ALL	2/18/2022 4:11 PM
61425	Voicing concerned citizens of this country and brining back basic rights and freedoms to all Canadians.	2/18/2022 4:11 PM

Canadians vote on Canadian Mandate – February 2022

61426	It is incredibly uplifting to see the love and support. I believe in the charter of rights and freedoms we are all entitled to. So much love and hope.	2/18/2022 4:10 PM
61427	Hasn't	2/18/2022 4:10 PM
61428	Embarrassed to be Canadian. With the unfortunate connections to individuals who appear to have intolerant, violent, white supremacist or racist views, I am disappointed and disheartened, embarrassed and scared. Never mind the economic effects- the true impact of which we may not know for some time to come. This has had a negative impact on my life, and I think on our country. I would not have been against this protest if local residents had not been affected, and if roads had not been blocked. How is limiting freedoms of Canadians (constant noise, exhaust pollution and road blocks) a show of protest for one's own freedoms? This is embarrassing.	2/18/2022 4:10 PM
61429	i am very happy to see Canadians stand up for Freedom of choice	2/18/2022 4:10 PM
61430	Has brought me hope and faith back in Canadians to restore our freedoms and rights as a Canadian citizen. We live in a democracy and this right needs to be upheld	2/18/2022 4:10 PM
61431	Finally Canadians are uniting for freedom!	2/18/2022 4:10 PM
61432	Not much	2/18/2022 4:10 PM
61433	Hope for a better future	2/18/2022 4:10 PM
61434	Hopeful	2/18/2022 4:10 PM
61435	I support them.	2/18/2022 4:10 PM
61436	It's given me hope that good will come from this positive, peaceful movement and overcome evil!	2/18/2022 4:10 PM
61437	Delays. Thanks, assholes.	2/18/2022 4:10 PM
61438	It hasn't....go truckers free Canada...and the world	2/18/2022 4:10 PM
61439	It's made me embarrassed to wave a Canadian flag	2/18/2022 4:10 PM
61440	Demonstrates hope and unity	2/18/2022 4:10 PM
61441	Gave me hope, proud to be Canadian	2/18/2022 4:10 PM
61442	The convoy has brought hope back in my life that our lives will maybe return to "normal" soon.	2/18/2022 4:10 PM
61443	None	2/18/2022 4:10 PM
61444	This voice of the people you refer to as the trucking convoy as well as its international peers and support has encouraged me...has brought me some hope...I am so proud of Canadians and others involved as it is more unity than I have felt and seen in this country since Harper left office. It has inspired me to do better as a Canadian and to rally Canadians to do better as Canadians. And has blessed me with its peaceable...well-mannered and ethical counter viewpoint and exhortation that it represents. It has shown me some of what is possible when we come back to the biblical God honoring beginnings this country was started with and the valuing of that same God that used to be so prevalent within our society. It has encouraged me that some things are still worth championing in the right way. It has called me back to the founding service... humanity and godly faith that initially made this country so wonderful from its inception. This convoy as it agrees with what I have just said has done so much good for this country and brought so much good to my family and I...so yes... God bless our people...and these truckers as we come back to the values that helped make us	2/18/2022 4:10 PM
61445	To know there's still people in the world that believe in freedom relieved a lot of anxiety	2/18/2022 4:10 PM
61446	I am proud to be Canadian, these people have stood by all Canadians in a peaceful protest! !GOD BLESS YOU ALL!	2/18/2022 4:10 PM
61447	The convoy has given me hope that people still care about freedom	2/18/2022 4:10 PM
61448	Nothing	2/18/2022 4:10 PM
61449	It has made me so proud to be Canadian and I'm grateful for their dedication to fight for freedom!!! I wish I could be with them, standing side by side fighting for my children's freedom and medical freedom. They are a peaceful, strong and amazing group!! There will always be a few bad apples, but there is also false flags and bullshit to scare and create fear to fuel the	2/18/2022 4:10 PM

pandemic narrative. I'm so grateful for the truckers! I'm proud of them and proud to be Canadian. They have given me hope!!

61450	It has brought love, hope, and a belief in what is right in the world back to my life as well as many of my friends and families lives.	2/18/2022 4:10 PM
61451	Given me hope!	2/18/2022 4:10 PM
61452	They are disruptive and causing some supply chain issues in my community.	2/18/2022 4:10 PM
61453	Increased faith in my fellow Canadians. Made J T a world class imbecile!!	2/18/2022 4:10 PM
61454	No they have not , the only disruption that is going on in this country is the one the Prime minister created with all these stupid mandates so he can line his pockets and same with the NDP.	2/18/2022 4:10 PM
61455	Restore my faith in the people of Canada. Hope for protection of our liberty. Hope for mankind.	2/18/2022 4:10 PM
61456	I'm So Grateful For All the Truckers for standing up for our Freedom & our Kids freedom, and Grandchildren Freedom they are all Heroes !!	2/18/2022 4:10 PM
61457	It gave us hope that people were standing up against this tyranny and finally the government might listen.	2/18/2022 4:10 PM
61458	It has destroyed my faith in Canadian citizens and caused me grave concern about law enforcement. I can't believe spoiled selfish people who don't want a mask or vaccine are deliberately hurting other Canadians while claiming to be standing up for rights and freedoms.	2/18/2022 4:10 PM
61459	It has embarrassed Canada on an international level and I am disappointed with the lack of class the convey has been conducted with. It has brought shame in every Canadian in the country	2/18/2022 4:10 PM
61460	It has confirmed to me that none of us like the mandates and everyone wants them to end, now. Its not a fringe anymore. Everyone is sick of the whole thing. All of us are miserable with the mandates. Time to be done with the meaningless rules. They've done nothing for the past 2 years.	2/18/2022 4:09 PM
61461	It gave me hope	2/18/2022 4:09 PM
61462	It has put my grand daughter and other family members and friends in danger and being subjected to job loss, lack of sleep and freedom due to actions taken by so called 'peaceful' terrorists intent on taking down our elected government and holding regular people in Ottawa subject hostage and denying the people of Ottawa their freedom and rights.	2/18/2022 4:09 PM
61463	Caused great stress and instability. Embarrassed Canada and its people on the global stage.	2/18/2022 4:09 PM
61464	It has given me hope. The entire future of Canada is at stake. And only the truckers have done anything peaceful about it. Politicians have proven to be corrupt, useless tits.	2/18/2022 4:09 PM
61465	at least some one is sticking up for us.....when our PM has tried to destroy all Canadians	2/18/2022 4:09 PM
61466	no affect at all	2/18/2022 4:09 PM
61467	Gave me hope	2/18/2022 4:09 PM
61468	It has not yet	2/18/2022 4:09 PM
61469	Really hasnt	2/18/2022 4:09 PM
61470	It's given me so much hope, more hope then I have ever had	2/18/2022 4:09 PM
61471	Not at all. But made me proud to be a Canadian again. Embarrassed how Trudeau has handle this and the last two years	2/18/2022 4:09 PM
61472	It has given me hope, and it shows that there are many, many Canadians that feel the same as I do	2/18/2022 4:09 PM
61473	I pray for them every day and support them 100%!!!	2/18/2022 4:09 PM
61474	Witnessing the multitude of people taking a stand at speaking out peacefully on behalf of all Canadians has brought my heart so much hope. I pray that God will bless all who peacefully continue to hold the line for every Canadian.	2/18/2022 4:09 PM

Canadians vote on Canadian Mandate - February 2022

61475	It has given us hope for freedom from these draconian mandates	2/18/2022 4:09 PM
61476	The cost will raise my taxes... They're idiots who don't understand consequences	2/18/2022 4:09 PM
61477	Feeling hopeful	2/18/2022 4:09 PM
61478	It's not impacted me directly. Good luck to them and achieving their goals.	2/18/2022 4:09 PM
61479	They have reunited Canada! I didn't realize how much division the government and its corrupt government funded media has caused over the years. Our PM and the corrupt media drove a wedge between provinces, between races, and between the vaccinated and unvaccinated. The truckers have brought the years of corruption to light. I've never felt so much love and unity. I thank the truckers from the bottom of my heart! They have changed the world for the better!! Much love	2/18/2022 4:09 PM
61480	It has given me hope.	2/18/2022 4:09 PM
61481	I don't think it has negatively affected me. I do agree with what the truckers are asking for, I don't necessarily agree with all aspects of the protest but I think Justin Trudeau's mishandling of the situation led to that.	2/18/2022 4:09 PM
61482	it has not just awesome what they have done to protect themselves and fight fr our rights and freedom in this country....	2/18/2022 4:09 PM
61483	Made me proud to be Canadian	2/18/2022 4:09 PM
61484	Joy, hope, freedom	2/18/2022 4:09 PM
61485	In very positive way, the convoy united us, gave us hope, feeling of being strong and free, also the beautiful, full, honest and so much needed smile.	2/18/2022 4:09 PM
61486	It has given me hope in our country	2/18/2022 4:09 PM
61487	Embarrassed Canada on the world stage and sullied our flag by being ok with white supremisists. Disgrace.	2/18/2022 4:09 PM
61488	Shocked and saddened that Canada, a democratic society has stopped to such a low as to not support freedom of speech and freedom to protest	2/18/2022 4:09 PM
61489	gives me hope	2/18/2022 4:09 PM
61490	It gave me hope again.	2/18/2022 4:09 PM
61491	Brought positivity back into my life! Hope for a better future!	2/18/2022 4:09 PM
61492	Given me hope.	2/18/2022 4:09 PM
61493	It didn't	2/18/2022 4:09 PM
61494	Before the convoy, I was very depressed and felt alone. Since the convoy, I feel hopeful & united with other Canadians who share the same views	2/18/2022 4:09 PM
61495	SUPER INCONVENIENT. It's also shattered some of my relationships, so, thanks for that.	2/18/2022 4:09 PM
61496	It has not effected my life the mandates have. I support these truckers and peaceful protesters.	2/18/2022 4:09 PM
61497	Not at all.	2/18/2022 4:09 PM
61498	It makes me happy to see if people are finally standing up for something I've been thinking of for so long	2/18/2022 4:09 PM
61499	Made it difficult to get places	2/18/2022 4:09 PM
61500	Great to see people standing up for Canada's freedom.	2/18/2022 4:09 PM
61501	Firstly: I Am so very proud to be a CANADIAN. I am totally proud of those men and women who stand brave and tall, and are risking everything to fight for our rights . They are the chosen; the strong /loyal/dedicated/determined to guide people towards taking back control.... Will this movement create havoc ; disrupt the lives and routines of many, food delivery affected, all for our RIGHTS. I support these people. They make my heart happy, to see that	2/18/2022 4:09 PM

there r still those who believe in, and will stand against wrongs being implemented by unsavory.....oops....I mean, idiotic imbeciles. Thank-you all♥

61502	It's given me hope again. Under government mandates and policies I feel I need to leave our country.	2/18/2022 4:09 PM
61503	Given me hope, pride,	2/18/2022 4:09 PM
61504	Their spirit gives me hope for a better more loving society.	2/18/2022 4:09 PM
61505	It's given a sense of purpose. A chance to get our lives back.	2/18/2022 4:09 PM
61506	My critical bloodwork is now delayed due to blood vile shortages.	2/18/2022 4:09 PM
61507	I will always support Canadians fighting for freedoms that I don't have.	2/18/2022 4:08 PM
61508	So thankful for it. Glad they are standing on truth and fighting for the freedom of the rest of us.	2/18/2022 4:08 PM
61509	Made me aware of how many of my rights I had lost.	2/18/2022 4:08 PM
61510	I'm very proud of what they are doing for Canada and happy they are having a peaceful protest	2/18/2022 4:08 PM
61511	Inspirational	2/18/2022 4:08 PM
61512	Peripherally. I have significant empathy for anyone in Ottawa, Windsor, as well as the people living near Coutts and near the Manitoba border. I am mortified that a handful of people have been able to damage Canada's reputation on the world stage so thoroughly. If nothing else, perhaps Canada will never be so naïve again. But what a way to lose a country's innocence.	2/18/2022 4:08 PM
61513	Given me a lot of hope	2/18/2022 4:08 PM
61514	I have been pleased by some Canadians finally standing up to say no more and enough. And have supported them. Their actions have actually given me some hope for Canada. For a better future for our children and grandchildren.	2/18/2022 4:08 PM
61515	In a good way. Gave me hope that all mandates will end!	2/18/2022 4:08 PM
61516	Created a national and international feeling of goodwill.	2/18/2022 4:08 PM
61517	Gave me hope that the voice of the people would be respected.	2/18/2022 4:08 PM
61518	finally some hope. its nice to feel some connection to fellow canadians again.	2/18/2022 4:08 PM
61519	Given me HOPE for a better future.	2/18/2022 4:08 PM
61520	It hasnt	2/18/2022 4:08 PM
61521	None	2/18/2022 4:08 PM
61522	Its brought hope. I finally for the first time in 2 years dont feel like Im alone	2/18/2022 4:08 PM
61523	I have been absolutely disgusted and embarrassed by the people illegally occupying Ottawa and our borders. Occupying a city is NOT a legal protest. I hope these illegal acts are punished harshly.	2/18/2022 4:08 PM
61524	It's brought me peace knowing Canada isn't lost!! There is still people in our country and the whole world who want too unite and fight for our gos given freedoms!	2/18/2022 4:08 PM
61525	I feel more patriotic than ever, and keep praying and hoping they can get rid of the mandates.	2/18/2022 4:08 PM
61526	The peacefulness of the protests makes me proud. The kindness of the truckers with businesses and the homeless is inspiring.	2/18/2022 4:08 PM
61527	Has given me hope again	2/18/2022 4:08 PM
61528	It has given me hope.	2/18/2022 4:08 PM
61529	They have given my family and I hope the freedom will return. It has inspired me to do more research and take more action with informing my elected political representatives where they should place their decisions. I have never seen more unity and hope in this country in my over 40+ years than we see with the Freedom 2022 Convoy!	2/18/2022 4:08 PM

61533	No	2/18/2022 4:08 PM
61534	Positively! They gave hope!	2/18/2022 4:08 PM
61535	Brought the issue to the public's eye. Too bad for Ottawa and the few vocal people who are upset with the imposition from the truckers. They have been protected from most of the downside as they are a big government town while other areas have disproportionately suffered more, losing small businesses, etc.	2/18/2022 4:08 PM
61536	None	2/18/2022 4:08 PM

61547	It has helped me to understand how important my rights are	2/18/2022 4:08 PM
61548	It has given me hope that our government may be held accountable for its overreach, but I am saddened to see the steps the government is taking to eliminate this peaceful protest. How can our PM not at least hear listen to the concerns of the Canadian citizens	2/18/2022 4:08 PM
61549	Given me hope	2/18/2022 4:08 PM
61550	Only in totally supporting it	2/18/2022 4:07 PM

61552	It has restored my hope. Given me inspiration.	2/18/2022 4:07 PM
61553	It has made me miserable and threatens my safety.	2/18/2022 4:07 PM

61560	Standing up for our freedoms and Canadians rights that Trudeau has stolen. Trudea has taken away our right to choose and he has caused division with his toxic attitude.	2/18/2022 4:07 PM

Canada and the world. God bless the truckers, supporters and God Bless Canada. The speakers have exposed the evil that rules this land and world.

61562	Not at all. Made me proud and hopeful.	2/18/2022 4:07 PM
61563	It hasn't I'm very proud of them and agree with what they are doing	2/18/2022 4:07 PM

61568	It made me feel that there is hope and that I'm not alone	2/18/2022 4:07 PM
61569	Positively because it puts a spotlight on the prime minister's poor handling of the situation. The least he could do is get out of his ivory tower and get of his soapbox and talk about the situation without being arrogant and dismissive and skewing the truth to fit his agenda.	2/18/2022 4:07 PM
61570	Given hope	2/18/2022 4:07 PM
61571	Not at all	2/18/2022 4:07 PM
61572	It has brought Canada back together. Finally we can all stand up for what's right and fight the mandates all together.	2/18/2022 4:07 PM
61573	It gave me joy and hope to realize that Canadians are the compliant sheep I thought they were	2/18/2022 4:07 PM
61574	It hasn't	2/18/2022 4:07 PM
61575	We have been encouraged and have more hope that they are taking a stand for freedom the true Canadian way - peacefully.	2/18/2022 4:07 PM
61576	Not so far as I have been awake for the last 29 years. Don't forget someone paid multiple millions to kick this thing off so be aware but hopeful it will help but I doubt it as there is no plan from what I can tell. Everyone will go home and it will be same old same old.	2/18/2022 4:07 PM
61577	Given me hope that we are still free Exposes the corruption that fuels all the slimy cops at the protests trying to stop it as the rich cry about their money. I'm happy to have a trucker any day. Fuck trudeau	2/18/2022 4:07 PM
61578	Has made me feel hope. Made me realize that there are 1000s of like minded Canadians out there. Brought out the true colors of our Prime Minister and his government who continue to vilifie the common Canadian and hold them at a lower class than him and his people.	2/18/2022 4:07 PM
61579	It gave me back some hope that Canada and Canadians weren't lost.	2/18/2022 4:07 PM
61580	It's given me hope	2/18/2022 4:07 PM
61581	They haven't	2/18/2022 4:07 PM

61586	It has made me feel less alone and closer to other Canadians.	2/18/2022 4:07 PM
61587	Shortages and price increases the real question is how has Covid effected your life because this would not be happening to form the question!	2/18/2022 4:07 PM
61588	Not at all , just enlightened my life and gave us all hope	2/18/2022 4:07 PM
61589	Nope	2/18/2022 4:07 PM
61590	A scence of unity and hope	2/18/2022 4:07 PM
61591	I support it. 100%	2/18/2022 4:07 PM

Canadians vote on Canadian Mandate - February 2022

61592	Noise is disruptive. I feel for Ottawa residents and how their lives have been upset.	2/18/2022 4:07 PM

61596	Gave me hope for Canadians to have freedom	2/18/2022 4:06 PM
61597	It's been a very positive influence on my environment. It's brought many hope and freedom to smile and connect with others.	2/18/2022 4:06 PM
61598	I think it has helped shift the focus on covid restrictions and has opened up dialogue on ending mandates	2/18/2022 4:06 PM
61599	They give me hope. For a brighter future. A free future. To be able maybe to go East and visit my sisters grave. My other living sisters and brother. I hope this Trucker convoy wins.	2/18/2022 4:06 PM
61600	No affect to me personally	2/18/2022 4:06 PM
61601	It has given me hope and pride in my fellow Canadians	2/18/2022 4:06 PM
61602	They are brave positive kind loving hard-working citizens of our country that are being miss treated abused misrepresented and tortured. It is communism.	2/18/2022 4:06 PM
61603	sense of freedom	2/18/2022 4:06 PM
61604	It has given me pride and hope!	2/18/2022 4:06 PM
61605	Brought us closer together. Given something to be proud of. Shown what a true Canadian is and represents.	2/18/2022 4:06 PM
61606	It's stressful. Makes me not have any trust in government.	2/18/2022 4:06 PM
61607	Its nice to see some truth finally coming out after all this time only confirming my thoughts all along	2/18/2022 4:06 PM
61608	It made me feel the happiest I felt in 2yrs. It gave me hope for a better future. I felt more united with Canada then any other time I've been alive. I am 49yrs old	2/18/2022 4:06 PM
61609	Caused me to remember I'm not alone. Canada is friendly and that we like each other and don't need to live in fear to survive.	2/18/2022 4:06 PM
61610	Encouraging to see people come out to have the same focus-no mandates and free again to live. Full support for those brave truckers..	2/18/2022 4:06 PM
61611	Pissed me off.	2/18/2022 4:06 PM
61612	It renewed hope and faith in this divided country	2/18/2022 4:06 PM
61613	They have made me, once again proud to be a Canadian and increased my disposing socialism, communism, and dictatorships!!	2/18/2022 4:06 PM
61614	Gave me hope that I would not be forced to take any drug or Vax against my will. Hope that my children and grandchildren would have freedom to get on a boat, train or plane, free to leave my Canada and return. I fear incarceration, forced vaccination, and financial ruin, poverty and abuse under tyrannical rule.	2/18/2022 4:06 PM
61615	It has given us hope that the Canadian people understand our freedom's have been taken away and they will continue if we don't stand up and tell the government to stop.	2/18/2022 4:06 PM
61616	Have hope this shit will end	2/18/2022 4:06 PM
61617	Gives me hope	2/18/2022 4:06 PM
61618	It's given hope that things can change. Seeing the federal government adding border restrictions (which kicked off the trucker convoy) when restrictions should have been easing was a kick in the gut, and gave a feeling of hopelessness, like our federal government would never let us be free again. The push back from the trucker convoy has had the opposite effect, giving people hope again of a return to normalcy.	2/18/2022 4:06 PM

61631	Given some hope	2/18/2022 4:06 PM
61632	Restored faith in humanity and given me the confidence to assist in the creation of a new social order where common people are the beneficiaries of the contributions of the collective. Freedom to choose the life that is best for the individual.	2/18/2022 4:06 PM
61633	They haven't affected me they are great and I agree with why they are doing!	2/18/2022 4:06 PM
61634	Gave me hope and inspired faith in Canadian citizens. The voice of the people should dictate not a socialist reset liberal party who do not have the support of Canadians.	2/18/2022 4:06 PM
61635	beautifully	2/18/2022 4:06 PM
61636	The convoy has given me renewed hope that people are speaking up and taking brave actions for our God given freedoms. The way these peaceful protestors are now being treated is a disgrace, but I take solace in knowing that the world is watching . Those responsible will ultimately pay .	2/18/2022 4:06 PM
61637	It encourage me to have courage	2/18/2022 4:06 PM
61638	Giving us hope standing up for our freedom	2/18/2022 4:06 PM
61639	Given me hope in our once great country, and united the entire world	2/18/2022 4:06 PM

61641	It made me happy to know that people were fighting for what's right	2/18/2022 4:06 PM
61642	Gave us hope.	2/18/2022 4:06 PM
61643	Not at all	2/18/2022 4:06 PM

61645	Support them!	2/18/2022 4:06 PM
61646	This truly has brought attention that everything the media and government has suggested, filtered, neglected to inform and unite one another. The truckers as seen with all the support that we do have others willing to bring attention that we are not alone, and together we can make a better future	2/18/2022 4:06 PM

Canadians vote on Canadian Mandate - February 2022

61647	It's given me hope. I'm proud once again to be a Canadian	2/18/2022 4:06 PM
61648	Voice for Canadians who are tired of the restrictions, mandates and inept government	2/18/2022 4:06 PM
61649	They give hope that people's rights my be returned...and the division might stop	2/18/2022 4:06 PM
61650	Not at all, other than making me proud that there are people willing to stand up for our rights	2/18/2022 4:06 PM
61651	Hope and faith in humanity, filled with love and compassion	2/18/2022 4:06 PM
61652	Hope they get rid of mandates	2/18/2022 4:05 PM
61653	The past few weeks me anxiety has been at an all time high. I am so worried for the citizens of Ottawa who have had to endure the presence of extremist, fascists and endless disruption to their city and home.	2/18/2022 4:05 PM
61654	For the first time in 2 years, I have felt alive & hope. I am glued to my computer for updates if we are FREE yet. Because of following them, I started watching CPAC & am horrified by what I have witnessed in the House of Commons with a man (not my leader) that is suppose to be a leader of a G7 country. I have also realized, democracy is dying, and the politicians are wiping their feet on our Charter, NDP & Liberals in particular.	2/18/2022 4:05 PM
61655	Support them no matter what the cost	2/18/2022 4:05 PM
61656	My pride in being a Canadian has been renewed	2/18/2022 4:05 PM
61657	Very positively, bringing Canadians together in unity and love	2/18/2022 4:05 PM
61658	The last chance of hope for a democratic Canada	2/18/2022 4:05 PM
61659	it's embarrassing. So so so un-organized. If it had been organized by actual truckers and not wanna be politicians, and had been more focused on the impact to the transportation industry, maybe it wouldn't have attracted a bunch of racists that completely undermined the goal. yes, main stream media can be biased but so too can independent media. Had the organizers been more strategic, utilized mainstream media carefully, denounced info that was not directly related to the Boarder crossing mandates, it could have been respected by the majority of Canadians.	2/18/2022 4:05 PM
61660	I admire them/ someone had to do it	2/18/2022 4:05 PM
61661	Gives me hope of what Canadians used to be United with hope love and peace	2/18/2022 4:05 PM
61662	No affect.	2/18/2022 4:05 PM
61663	Hope!	2/18/2022 4:05 PM
61664	Gave me hope again	2/18/2022 4:05 PM
61665	It has given me hope, that more reasonable voices will prevail	2/18/2022 4:05 PM
61666	I now know I'm not alone Trudeau must be arrested we want our lives back	2/18/2022 4:05 PM
61667	Other than the prices of good going up a little bit it hasn't affected me. I've enjoyed seeing people peaceful protest and standing up for people freedom of choice to decide what to put in their body.	2/18/2022 4:05 PM
61668	given hope	2/18/2022 4:05 PM
61669	Encouraged that someone is fighting for freedom..	2/18/2022 4:05 PM
61670	Brought me hope for the first time in two years	2/18/2022 4:05 PM
61671	It's stressful and I have people who's lives are affected in Ottawa that I know. Now the threat of then coming to NS is a bit scary.	2/18/2022 4:05 PM
61672	It gave me hope. It made me feel like this insanity might end. I feel like they are trying to set me free. I feel like the convoy could have saved my family from getting vaccinated if they protested sooner. My family was coerced. Now they are dying.	2/18/2022 4:05 PM
61673	Given me Hope again	2/18/2022 4:05 PM
61674	It has given me something to laugh at for the better part of 3 weeks.	2/18/2022 4:05 PM

61677	Have given me hope	2/18/2022 4:05 PM
61678	It has brought me hope to see us, vaccinated and non vaccinated coming together ... peacefully and lovingly to stand together united for our freedom.	2/18/2022 4:05 PM
61679	It made me see that there is a lot a lot!! Of people seeing the overreaching the government is doing. And many are seeking truth!!	2/18/2022 4:05 PM
61680	It has inspired and given me hope that there is still some common sense in the world	2/18/2022 4:05 PM
61681	It has given me hope and I pray that the government backs down with their illegal mandates.	2/18/2022 4:05 PM
61682	It's given me another side of the story	2/18/2022 4:05 PM
61683	Very proud to see Canadians come together and support with unity. Also Trudeau and the media has showing their true colours for all to see. This far shelves are still stocked in stores but some items are hard to get or find.	2/18/2022 4:05 PM
61684	Given me hope that the country has united against Trudeau's communist tyranny.	2/18/2022 4:05 PM
61685	It has made me proud to be a Canadian For the first time I have had hope	2/18/2022 4:05 PM

61687	It's giving me hope and pride for our country like I've never felt before	2/18/2022 4:05 PM
61688	It has given me hope for a stable and calm environment in which to live peacefully with others.	2/18/2022 4:04 PM

61690	See question 9	2/18/2022 4:04 PM
61691	Annoying andbothering family who live in Ottawa	2/18/2022 4:04 PM
61692	It has given us hope to get our freedom back	2/18/2022 4:04 PM
61693	I have not been able to go along with my husband on trips because I am not an essential worker.	2/18/2022 4:04 PM
61694	it has inspired me to be more patriotic and proud to be Canadian	2/18/2022 4:04 PM
61695	I don't like the disregard for fellow citizens. This should be an action against government mandates and not your neighbours. I especially don't like the direction it took when they wanted to dissolve government and suspend our democracy. Wrong approach. Work within the law to affect change, not against it. By doing so they are hurting people who don't deserve it.	2/18/2022 4:04 PM
61696	It has made me feel hopeful for changes to finally come and people to remember that they are sovereign beings.	2/18/2022 4:04 PM
61697	I am so proud of the truckers and haven't been this proud to be canadian in all my 64 years.	2/18/2022 4:04 PM
61698	It has not	2/18/2022 4:04 PM
61699	I was encouraged by their bravery to stand up and fight!	2/18/2022 4:04 PM
61700	Hope	2/18/2022 4:04 PM
61701	Inspired me, brought unity, gave me hope.	2/18/2022 4:04 PM
61702	I reject the premise of the question. Real truckers are vaccinated and sound their heroic part. This is an anti-democratic convoy. We just had an election about this.	2/18/2022 4:04 PM
61703	I finally have some hope!	2/18/2022 4:04 PM
61704	They're all terrible human beings	2/18/2022 4:04 PM
61705	It's been awesome to see Canadians sticking together instead of all this division for the last 2 years!	2/18/2022 4:04 PM

peaceful way. A very small few involved are doing it for the wrong reasons but there are thousands and thousands are doing it for the right reasons and in a very peaceful way.

61707	It has helped open the worlds eyes to how fed up Canadians are with Trudeaus dictatorship.	2/18/2022 4:04 PM
61708	Brought hope back	2/18/2022 4:04 PM
61709	It hasn't. But I think it is impeding on the freedoms of those that live and work in that area.	2/18/2022 4:04 PM
61710	Not at all	2/18/2022 4:04 PM
61711	This convoy is NOT about support for the "non scientific" "racist" "misogynistic" "anti-vaxxers" (Trudeau's words, not mine) It's about keeping our rights as Canadian citizens. Given us hope, a voice. Vaccinated or not! This is not about those who are refusing to take the vaccine. This is about freedom of choice. Where do you stand on abortion? I bet it's "your body your choice" on that one? This is big. Soooo much bigger than you can control. If you're going to spread controversial information yourself, please keep comments of those who disagree with you. Because at this point, it's a matter of opinion rather than fact. Everything can be twisted to meet your "criteria" of "factual". You are correct in that it is possible that people with less "morals" may be piggybacking on this convoy, but don't let that take away from the true spirit of it, which is to maintain our freedoms as Canadian citizens and to stop the violation of many's rights as defined by the charter of rights and freedoms. I believe this convoy is revealing how many DO NOT support these mandates regardless of their vax status and what mainstream media is telling us. CBC, and frankly mainstream media has lost all my respect.	2/18/2022 4:04 PM

61718	Hope has begun to be restored. I have another daughter who has been in Ottawa since the start of the protest, volunteering. 61791	Makes me feel like a Canadian again.	2/18/2022 4:02 PM
61792	I'm embarrassed by the trucking convoy and the way the "protesters" have behaved. Racist flags and attitudes, putting children in harms way, harassing residents, unreasonably blocking commerce, and an incredible lack of empathy for the rest of the population who have sacrificed so much and who continue to take this virus seriously.	2/18/2022 4:02 PM
61793	It hasn't	2/18/2022 4:02 PM

61796	It has brought me hope that all of this can come to an end and the government cannot go unchecked. Hope that many more Canadians than I realized share my struggles and views. The delays suck and I feel for the residents of Ottawa but it could easily be ended by listening to Canadians and presenting a plan to lift mandates. Our health is our own responsibility despite what PHO's and governments would have us believe. 3 weeks to me is a drop in the bucket compared to the 2 years of hell and government overreach we have endured.	2/18/2022 4:02 PM

Canadians vote on Canadian Mandate - February 2022

Very heartwarming. Makes me feel I'm not alone.

61857	I am grateful to these heroes who have selflessly taken up a call which I believe is really from God because without Him, it would fail. It is answered prayer when leadership has failed in its ability to know what Canadians want and to preserve freedom. It has shown how out of touch some politicians are with their constituents and how unfit the PM is to lead when he is unable to talk through difficult situations with ordinary Canadians with compassion and understanding, so totally misrepresenting them. It has also revealed corruption and hearts of many, for better or for worse. There are a multitude of good people out there! The trucking convoy has shown other Canadians and those around the world how you can peacefully, lawfully, and lovingly express concerns when our leaders are making poor decisions that not only affect them but future generations. I believe this convoy has helped to restore hope to many Canadians, reminding them that we live in a free society that was hard won by veterans and that we have a voice. Ordinary people can do extraordinary things out of love... they are heroes...I thank God for them!	2/18/2022 4:01 PM
61858	Giving hope to us for our future. Vaccine passport has dropped in our province.	2/18/2022 4:01 PM
61859	It's given me hope that Trudeau will get through out of parliament. His true agenda is showing	2/18/2022 4:01 PM
61860	A voice for the unheard	2/18/2022 4:01 PM
61861	My father is an awesome trucker and is losing the job he has been an awesome man ever since my birth and I haven't realized it till some time ago truckers cooks and nurses are most needed stop the mandate besides they ARE IN TRUCKS	2/18/2022 4:01 PM
61862	It has given me hope that my freedoms will be returned as I have been protesting this plandemic COVID for two years	2/18/2022 4:01 PM
61863	Gave me hope. But Trudeau won't listen to them or the real science. He hid and hasn't handled the truckers. Not one single talk. They are the backbone of our country and have more worth to me than Trudeau. They are heroes. They are being treated like terrorists because of Trudeau. There was no emergency. Trudeau created it.	2/18/2022 4:01 PM
61864	Not daily but given my family hope for a return to normal.	2/18/2022 4:01 PM

61868	Looks like they are making a difference for some of the mandates being lifted in some provinces. In BC not so much. As for directly affecting me I'm thousands of km away, very quiet here. Wish I was there.	2/18/2022 4:01 PM
61869	Increase the time it takes to get goods and services	2/18/2022 4:01 PM
61870	It has not affected me at all directly. I respect and appreciate the boldness and willingness of these people to sacrifice working, take time money and energy to take a stand for their beliefs even on my behalf. There has been NO VIOLENCE OR THREAT S to my life.	2/18/2022 4:01 PM
61871	♥♥♥♥	2/18/2022 4:01 PM

61876	Gave me hope and see the love of God. . Also see mainstream media's lies	2/18/2022 4:01 PM
61877	It has brought hope to the people. I was about to throw all my Canadian stuff because I was never going to fly or wear it again. Now I can hold onto my stuff because it might be of use if Canada makes choices that will make me proud. Media is even starting to report on and ask the important questions.	2/18/2022 4:01 PM
61878	It's given me a reason to hope and pray that our country will be able to have freedom again,	2/18/2022 4:01 PM

soon.

61879	I am proud of the convoy working for freedom of our country PEACEFULLY	2/18/2022 4:01 PM
61880	I fully support a peaceful protest. Watching the police brutality and witnessing the government abuse their power has given me depression.	2/18/2022 4:01 PM
61881	It has given unity and a feeling of hope, bro ging together Canadians and others around the world!	2/18/2022 4:01 PM
61882	A bigger affect than most think! The truckers are the only ones hauling food to our local towns and the fact that the prime minister wants to charge them all and arrest them for fighting to keep Canada afloat is pathetic! And being born into a trucking family makes this hit home, seeing the "fringe" minority all come together in one place without masks and people that have also just had enough with the restrictions! #freedomconvoy2022	2/18/2022 4:00 PM
61883	Love seeing Canadians unite	2/18/2022 4:00 PM
61884	It has given Canadians hope for the future of a peaceful future for our children and children's, living under the WEF, Klaus Schwab, is NO life, or future for Canada "YOU WILL OWN NOTHING AND BE HAPPY ☺ " is not exceptable for Canada We need the RULE OF LAW restored in Canada, Trudeau has made a mockery of our legal system, it needs to be restored.	2/18/2022 4:00 PM
61885	Might have been doing good if Trudeau would have met with them instead of being do conceited and arrogant.	2/18/2022 4:00 PM
61886	It's brought so much hope and joy into my heart. It has given me a reason to stay alive and to be here knowing the truckers are fighting for our freedoms! Such a wonderful group of people.	2/18/2022 4:00 PM
61887	2/18/2022 4:00 PM
61888	The convoy has brought me so much hope and inspiration. I truly Love and admire them and their supporters which are world wide. They are determined to stick it out for all of us . If Turdo would have put on his big girl panties and had the decency to talk with them this could have been avoided. I am worried everyday for their safety and that of their families. They are being victimized every day by the tyrant and his minions.	2/18/2022 4:00 PM
61889	It brought awareness for our need to remain free. It showed other Canadians and people world wide that we are not alone in our beliefs and others are there to support us in or decision.	2/18/2022 4:00 PM
61890	Je croyais qu'enfin nous serions libérer de ces restrictions abusives . Quand j'ai vu l'élan d'amour qui régnait à Ottawa j'ai vu qu'on étaient pas tous des deux de piques .Et que tous ensemble on pouvaient faire bouger le gouvernement parce que nos dirigeants ne pensent qu'à leur porte feuilles et n' écoutent pas leur PEUPLE . J'ai eu l'espoir de vivre heurouse	2/18/2022 4:00 PM
61891	I've never been more proud to be Canadian. I support them 100%, and pray their peaceful efforts will bring a peaceful conclusion, not the violent conclusion that Trudeau seems to be rooting and pushing for. He is an arrogant, spoiled, selfish child who refuses to listen to the people he supposedly leads and represents. He has forgotten our constitution, and he has forgotten his place as prime minister. He has become a narcissistic dictator, and should be removed before this gets worse. He is the only one creating problems in this situation.	2/18/2022 4:00 PM
61892	Made me proud to be a Canadian again Trudeau us a globalist shilo as are many members of hus party.	2/18/2022 4:00 PM
61893	It has made me proud to be a Canadian, which i haven't beenin a long time.	2/18/2022 4:00 PM
61894	It has brought me healing tears of joy, hope, and patriatism that we have lost during the last 2 years big time. It reinforced our values for our land Strong n Free ♥ All of the covid mandates were contradictory information left and right. It created division, anger, and hate for our family, co workers, friends, as well as strangers we just meet. This is very disturbing to a Canadian born and raised here to say the least. It is not called living if we have no Freedom. Living isn't living at all if we need to cover our mouths so we can't breath not to mention breathing our own exsaut. No freedom of speech due to scensorship, no going near one another even family and friends off and on no matter what you do. Not seeing kids playing freely as kids always do. Not being able to comfort elderly with affectionate on their death bed by their families and loved ones. Teens not being able to grow properly via being isolated continuously as well kids not to mention the ones that really need help from extended families via disabilities. The list is from A-Z Isolation can be deadly if in an abusive home or mentally tourchered. I'm tired now I hope I	2/18/2022 4:00 PM

61898	The trucking convoy has restored hope. It has brought unity and love for one another. It has restored pride in our country. It has brought out the good in people!	2/18/2022 4:00 PM
61899	It has been inspiring to see Canadians across Canada come together in Love, Peace and Unity. This movement has restored my pride and faith in my fellow citizens.	2/18/2022 4:00 PM
61900	Gives me hope!!!	2/18/2022 4:00 PM
61901	Proud Canadians coming together to fight for our freedom. It is time to end divisions and pay attention to the people we are losing to mental health an suicidal and the people not getting the health care they need.	2/18/2022 4:00 PM
61902	Encouraging to see others stand up against tyranny	2/18/2022 4:00 PM
61903	The convoy hasn't had a negative effect on me personally. I live on the opposite side of the country, so most of the hardships are far away. I feel for the citizens that not only have to deal with the ruthless mandates, but also the annoying trucks all over, blocking roads and honking at all hours. That being said, I am in full support of the protest. those Canadian's have been proving what it means to be Canadian. they are polite, kind, keeping the mood to a party attitude to keep it from devolving into chaos and riots like the BLM protests have done. They've worked together to outlast the cold and the governments accusations that they are a racist minority. considering there are people from all walks of life, both citizens born in Canada and Immigrants, and they created the longest convoy in the known History of the World. I would have to agree with Elon Musk in saying "it looks like the Government is the fringe minority". Trudeau has stepped out of line so many times, but has outdone himself this time. he took the truckers gas and firewood so they would freeze in the cold. he invoked the emergencies act to give himself more power than he needs (plus not informing the rest of the government before he did it), froze bank accounts to anyone who participated or funded anything in the protest. and now is taking pets away with the treat of euthanasia. when a government is willing to kill their citizens pets, how much longer will it be before they are willing to kill their human citizens? Trudeau is already trying to disarm the population. After that guy up north shot a bunch of people while driving a cop car, Trudeau submitted a ban on a majority of rifles (even though the incident that supposedly justified it was committed with a hand gun) ignoring the useless ban that wouldn't have stopped the situation regardless. it's another example of Trudeau going after legal citizens, in order to look like he is tackling crime. meanwhile he lowers the mandatory minimums for violent gun crime. what do those regulations do? make it harder for legal Canadians to protect themselves and gives criminals less reason to avoid violent gun crimes. Trudeau was the biggest mistake Canada has ever made. he's a disgrace to this country, to every prime minister who came before him, and he's a failure to Canadians. he needs to be removed from power, made to answer for his extensive list of crimes, and there should be a review of every law and regulation he put in, and any changes he made that were illegal, immoral or self serving, should be removed. Justin needs to be removed from his position immediately. he has proven to not only be incompetent, and selfish, he is also unwilling to do the very basics of his job description. He behaves like a rich free loader who shows up to work to "prove he was there" and spends all day gossiping and creating drama, and avoiding his actual duties. if he was anyone else with any other job, he would have been fired in the first week. Why do regular citizens have to put up with a child masquerading as an adult, while it's clear he is rotting this country with every move he makes? The trucking convoy was the first spark of hope I've had in years. Justin has caused the suicide rate in Canada to shoot up to unheard of numbers for this generation. The trucks speak for Canada. Trudeau speaks for Trudeau.	2/18/2022 4:00 PM

61908	A huge inconvenience, it's an anti Trudeau rally and nothing more	2/18/2022 4:00 PM
61909	Has me me soooo proud of my being Canadian .. very disappointed in our journalists and their portrayal of the truckers and the convoy or lack of proper journalistic integrity... however these men and women have shown the world the most amazing way to have a demonstration showing love and support to each other as well as extended to others as well. 61919	It has made me sad to be a Canadian. The desecration of our flag. The disgusting disrespect for the war memorial. The arrogance of a bunch of idiots thinking it was ok to take over city streets. I support the rights of people to peacefully protest. This was NOT peaceful despite the statements of the convoy. There is nothing peaceful about "Fuck Trudeau". I respect democracy. Fuck the convoy	2/18/2022 4:00 PM

61950	i've supported this movement from the start and all i have seen are positive people with hope, yet the media portrays us as violent, racist, and babies. we all truly want love and support we welcome everyone to join no matter age gender race etc and now they are arresting people for nothing and harming veterans! 61985	It's allowed for blatant racism and domestic terrorists to be on full display to the world which contributes to the decay of our democracy similar to cancer or yet, a virus. 62237	Very positively. There message is about peace, loving, freedom. Our right to chose what goes into our bodies & the truckers are only asking to return our rights back according to our Charter of Rights, The Canadian Constitution & Bill of Rights. Government overreach needs to be addressed & we the people of Canada need to stop being punished by corrupt people running our Government, to usher in Klass Schwab's NWO. Agenda 2030. We want our freedoms, our lives & our jobs back, so we can return to being peaceful, loving productive people, not useless eaters that are taking up space, or what the PM suggested, what are we going to do with the people that don't comply....guillotine?	2/18/2022 3:54 PM
62238	Trucker convoy has not affected but helped my life by allowing others to stand up and speak out for what they believe win and have very good points to why they r doing it and should be listened to	2/18/2022 3:54 PM
62239	It has brought us hope. Hope is something we have had none of in the last two years. We NEED this convoy. them I know now that Justin Trudeau is a thug steals money from true patriots who love our country. He hides and sends his thugs to arrest people for what ? Mischief? Such an embarrassment the Prime Minister has been He should have bought the courageous citizens of our country a hot choc and talked to them Big mistake We will not forget any of this and how difficult Justin Trudeau's government has made our lives for a false emergency and he will face crimes against humanity Nobody likes his stupid socks!

62323	I find the convoy morons to be so embarrassingly stupid that I am embarrassed to be Canadian. Thank god for the emergencies act.	2/18/2022 3:52 PM
62324	It has provided hope beyond what I felt could be done over 6 after a dropping of vax pass and mandates. Tons of support. Great job. Tremendous idea. There were as always at a protest some that were not a part of the movement there to create issues. It was not an unexpected problem but the media failing to understand or fairly cover what was WELL documented is just proof how the corporate welfare of media is a massive mistake clearly just repeating the narrative. Never even asked useful or insightful questions of politicians about response, reasoning, why failed to actually put a plan together after 2 years. After 2 years opposition parties just wanted a plan and they couldn't even do that little.	2/18/2022 3:52 PM
62325	This is wonderful démonstration of support all of each others , My heart is light and full of love for all. Sorry My english is not good I can't explain more.	2/18/2022 3:52 PM

62368	I felt hope for the first time in two Years!!! I watched alternate news and live feeds and realized the depth of corruption in our msm. You can't bite the hand that feeds you. To see all the Canadians bonding and full of love peace and freedom brought me hope!!! I cried all day today as I watched what Trudea did. Rather than speak with them and listen really listen as they were the voice of the downtrodden Canadians. He silenced our voice.	2/18/2022 3:51 PM
62369	Has given me hope	2/18/2022 3:51 PM
62370	I support the peaceful protest of the Convoy. I do not agree with the honking all night and I do not support the blockades that happened. But the Convoy did bring me hope. Hope that change may happen. Hope that we will get our lives back.	2/18/2022 3:51 PM

62408	It gave me hope!	2/18/2022 3:50 PM
62409	Happy to see the caravans across the country, I just don't like the semi-permanent encampments.	2/18/2022 3:50 PM
62410	The whole trucking convoy is obscene. It is a gross display of privilege and selfishness. It affected me in my city and inspired me to counter protest. It is also stressful to know that there are a large number of people who want to bully their way into control with intimidation and in some cases violence. The whole thing is a giant toddler style tantrum and i think these convoy people have some serious issues they need to work out with therapy.	2/18/2022 3:50 PM
62411	No	2/18/2022 3:50 PM
62412	They have given me hope. They have also shown me what a tyrannical government that we have which scares me for the future of this country. Never ever will I ever donate to any cause because If the government decides they don't like it I will receive consequences. I am very saddened by the actions of the past couple of days by the government and am now fearful to express any opinion	2/18/2022 3:50 PM
62413	Has given me great hope as it has for many. I'm totally on boards with the convoys and protests	2/18/2022 3:50 PM
62414	Given me hope! So good to see the unity!	2/18/2022 3:50 PM
62415	loss of business daily for the City of Lethbridge and surrounding areas	2/18/2022 3:50 PM
62416	It has given me hope in my fellow Canadians that we can come together in unity and peace because it's not just truckers it's Canadians liberals and conservatives coming together uniting and standing up for our rights and freedoms.	2/18/2022 3:50 PM
62417	Given me hope	2/18/2022 3:50 PM
62418	For the first time in years I've felt Canadian and free. It has united Canada. No politician or party has ever done this. It was the first time in 2 years that I've smile and have been lifted out of this fog. It's the best thing that has happened to Canada. finally we are being heard and Canadians are speaking up for Freedom. Our kids deserve it and all of Canada deserves to be free.	2/18/2022 3:50 PM
62419	Not too much	2/18/2022 3:50 PM
62420	It has given me hope for our future and future for our grandkids	2/18/2022 3:50 PM
62421	No affect	2/18/2022 3:50 PM
62422	This is the only thing that has brought happiness to my life in the last two years, I went to Ottawa to see with my own eyes and it was nothing but peace loving people.	2/18/2022 3:50 PM
62423	Finally given me hope.	2/18/2022 3:50 PM
62424	It has given me hope. I had no idea so many people felt the same way I do. It has given me courage to share more on social media.	2/18/2022 3:50 PM
62425	Support my rights	2/18/2022 3:50 PM
62426	Made me more faithful about people standing up for what they believe in FREEDOM	2/18/2022 3:50 PM
62427	No affect at all. Until they win and Trudeau goes to jail.	2/18/2022 3:50 PM
62428	Indirectly but if Trudeau would have at least spoken to them it would have lasted 1 day. All of it is to blame on a man who needs to not be in charge of our country another day.	2/18/2022 3:50 PM
62429	Give me hope for freedom!	2/18/2022 3:50 PM
62430	Little hope	2/18/2022 3:50 PM
62431	Truckers: the only one who have stood up for human right in this country for the past two years	2/18/2022 3:50 PM
62432	They gave me back hope. Showed me love always wins in the end.	2/18/2022 3:50 PM
62433	It has given me hope because eyes are actually on Canada now and can see Trudeau in all his hypocrisy. It was okay for him to kneel for rioters in 2020 that killed 25 people, caused \$2B in property damage took a district of Seattle hostage, killed cops in cold blood, and killed	2/18/2022 3:50 PM

children, but the second a group disagrees with his dystopian view, they are terrorists. Yet actual terrorists he rewards with \$10m. Trudeau is a crook, and these truckers are drawing eyes to their cause which is finally showing people for once, how incompetent and how corrupt Trudeau is.

62434	made me feel proud of my country and the people in it	2/18/2022 3:50 PM
62435	I don't believe it has other than making travel a little difficult for those who want or need to travel!	2/18/2022 3:50 PM
62436	Gives me hope	2/18/2022 3:50 PM
62437	Empty shelves, support convoys making it impossible to grocery shop on Saturdays like I normally do.	2/18/2022 3:50 PM
62438	I have seen a great awakening in Canadians that it wasn't just a small number of people struggling with these mandates but a large majority. It is nice to see Canada again after many years of hiding behind political correctness.	2/18/2022 3:50 PM
62439	It's let me know that it isn't just a few Canadians feeling like me, but likely the majority who wish our government would stop stealing power	2/18/2022 3:50 PM
62440	Has brought some hope to me but Liberal policies are taking away that hope	2/18/2022 3:50 PM
62441	It brought with it a sense of optimism, and a visible unification of diverse segments of the Canadian population	2/18/2022 3:49 PM
62442	It has given me hope.	2/18/2022 3:49 PM
62443	I finally feel hope you hanks to these truckers that have raised awareness and fought for our right to go back to normal	2/18/2022 3:49 PM
62444	Hope	2/18/2022 3:49 PM
62445	Gave me hope the mandates would be removed.	2/18/2022 3:49 PM
62446	Hope and only hopes	2/18/2022 3:49 PM
62447	Give me hope there is still people out there that can think for themselves	2/18/2022 3:49 PM
62448	Showed some hope	2/18/2022 3:49 PM
62449	It has brought me some shred of hope for a future devoid of unjustifiably prolonged mandates.	2/18/2022 3:49 PM
62450	Very proud of them to fight for our freedom as Canadians against horrible unfairness and our ridiculous leader who wants to be a dictator.	2/18/2022 3:49 PM
62451	Freedom is good idea	2/18/2022 3:49 PM
62452	The convoys have brought me, my family and clients so much hope	2/18/2022 3:49 PM
62453	I don't feel safe. I am unable to go about my daily life. I am distressed on the behalf of people living in the area as well as local businesses that had to close to keep their employees safe and the workers who haven't been able to work for over 3 weeks. I have been negatively affected by the trucking convoy	2/18/2022 3:49 PM
62454	I agree with the fight for Canadians rights. It's a wake-up call to see we have a Prime Minister who isn't interested in listening to concerns of Canadian people he serves. He has demonized a large group based on what he perceives as a threat because people disagree with his opinion. I fear losing our personal freedoms as a country	2/18/2022 3:49 PM
62455	Upset at what has been allowed to escalate here in Canada. Fear and distress that these types of protests will become impetus for dictatorships here and in other countries. Terrified knowing that government can operate in this chaos. Scared of the future	2/18/2022 3:49 PM
62456	They have infringed on the freedom of Canadians and all participants must face charges	2/18/2022 3:49 PM
62457	Thank God they have the courage and strength to stand up for the rest of us. I finally feel like we have hope....so it has positively affected me.	2/18/2022 3:49 PM
62458	Its just nice to see some people trying to turn this shit around	2/18/2022 3:49 PM

62459	It has given me hope that we will see an end to the mandates. I would also like to be able to visit my daughter in the US. I have a valid passport, but yet I am a prisoner in my own country. I am not permitted to leave!	2/18/2022 3:49 PM
62460	given me hope, happiness, a sense of being and community	2/18/2022 3:49 PM
62461	Hope	2/18/2022 3:49 PM
62462	None, except I spend too much time watching them and trying to find ways to support them.	2/18/2022 3:49 PM
62463	Gave us all hope. It affected me positively.	2/18/2022 3:49 PM
62464	No don't watch or support	2/18/2022 3:49 PM
62465	It has brought some hope. There are very few politicians listening to me. They have stepped up with regular Canadians. We have not had effective opposition. We have had taxation without representation.	2/18/2022 3:49 PM
62466	Anxiety level elevated knowing that many Canadians are not willing to do your part whether vaccinated or not. It should be a choice but the. Realize the responsibility that comes with that choice. Government did not do this to take away rights, they did it to save lives ! Look at our death rates compared to the Trump era and their response.	2/18/2022 3:49 PM
62467	Felt hope and pride for the first time in a very long time!! For my country ; Canada	2/18/2022 3:49 PM
62468	Hasnt	2/18/2022 3:49 PM
62469	In no negative way at all	2/18/2022 3:49 PM

62479	Has given me hope that Trudeaus maniacal actions will cease	2/18/2022 3:49 PM
62480	The truckers have given us hope and gratitude. Amazing people putting all on the line for Canadians! They are heroes, as are the farmers, the mariners and the millions of people who are supporting in many many ways. The truckers actions have woken up and inspired so many people in Canada and the whole world! The way these peaceful protesters have been treated has shocked me to my very core. The tyranny, the division, the hatred, the name calling and now, today the suspending of the afternoon session in the house of commons so JT can run away again from a barrage of questions put to him by MPs. Canada was usually known as the peace keeping country. Well no more, if we want to continue to live in the country of democratic process and freedom we now need to fight for that against Justin Trudeau and the New world Order. Soon, it will be too late and will never come back! Shame on you Mr Trudeau! The world and many Canadians believe you have no place as our Prime Minister because you only care about yourself. You are a Public Servant, we pay your wages, but it is obvious that you have no intention of serving Canadians that do not comply with your agenda! Time to "run away" forever!	2/18/2022 3:49 PM
62481	It has given me hope that this tyranny that has grasped my country will end.	2/18/2022 3:49 PM
62482	Gives me hope that all this dictating and control of our families and lives will come to an end and hopefully my babies will have a future ☺	2/18/2022 3:49 PM
62483	It hasn't in a bad way. Glad they are standing up for us.	2/18/2022 3:49 PM

62484	Not really	2/18/2022 3:49 PM
62485	It hasn't	2/18/2022 3:49 PM
62486	This convoy brought us hope and let me know that I'm not alone. Not a small fridge minority. And not a misogynistic racism who's uneducated and ignorant.	2/18/2022 3:49 PM
62487	They're trying to make it better	2/18/2022 3:49 PM
62488	It didn't I support the trucks love you all	2/18/2022 3:49 PM
62489	Returned hope	2/18/2022 3:49 PM
62490	Gave hope	2/18/2022 3:49 PM
62491	The convoy hasn't directly affected my area but what it stands for has made my state of mind more up beat lately. I truly hope it at least ends the vaccine passports and makes masks optional.	2/18/2022 3:49 PM
62492	Would love to see it work in New Brunswick	2/18/2022 3:49 PM
62493	They have given us a reason to be proud of Canada again. I have not felt this since PM Trudeau was elected. Showed us that peace, love and happiness is still achievable. Taught us the bias in main stream media, and showed us that just because politicians are democratically elected- doesn't mean they truly care/represent you.	2/18/2022 3:49 PM
62494	Few weeks	2/18/2022 3:48 PM
62495	First I don't think it's a trucking convoy. I am concerned about our economy, future protests, and mostly racism in Canada. I am now ashamed of my country. I fully understand now why indigenous people do not like our flag. I will never fly, wear or display the flag again.	2/18/2022 3:48 PM
62496	They are an embarrassment to every Canadian who has half a brain.	2/18/2022 3:48 PM

62505	Not at all	2/18/2022 3:48 PM
62506	It has given me Hope for the first time in 2 years!	2/18/2022 3:48 PM
62507	It's given me courage to stand up, to unmask	2/18/2022 3:48 PM
62508	Given me hope of peace, hope, and unity. What is means to be Canadian!	2/18/2022 3:48 PM
62509	Given us unity and hope! Finally feeling like we are not alone!	2/18/2022 3:48 PM
62510	Inspired freedom.	2/18/2022 3:48 PM
62511	It has brought people together and awakened many to the Charter rights that Canadians are entitled to. We are proud of our country's history and want our freedom returned.	2/18/2022 3:48 PM
62512	It's given me hope.	2/18/2022 3:48 PM

62514	HOPE	2/18/2022 3:48 PM
62515	It has been the most positive thing I've ever experienced. I was moved to tears many times giving me hope for the future. I personally met the people and they are all amazing. I think people who have negative views of them haven't personally met them and would change their minds if they did meet the people.	2/18/2022 3:48 PM
62516	Gave me hope that things can get better. Happy to see people banding together for a great cause.	2/18/2022 3:48 PM
62517	No affect at all	2/18/2022 3:48 PM

62532	Gave me hope and made me proud to be Canadian again for the first time in many years	2/18/2022 3:48 PM
62533	Trucking Convoy IT was giving me hope that maybe we can convey a iMessage as has been seen all across Canada as a Convoy went to Ottawa that there was millions of people disgusted with the mandates end the mandates	2/18/2022 3:48 PM
62534	It has given me encouragement. That not all people are willing to stand down when the government continues to get more and more overreach. It has overall been a time of positivity and unity but the new emergency act might destroy all of this.	2/18/2022 3:48 PM
62535	It has given me hope and made me feel less alone.	2/18/2022 3:48 PM

62552	They have brought hope to our country, for our freedoms back, unity between all Canadians	2/18/2022 3:48 PM
62553	Wow, the truckers freedom convoy has brought many a tear to my eyes. They have brought so much hope, joy and the feeling that if things keep lining up, they will have started a freedom movement across Canada and the world. How exhilarating to think with the right PM in place our world would be a much better place to live in and our children and grandchildren would be free to make decisions for themselves.	2/18/2022 3:48 PM
62554	It gives hope for common sense and what is morally right	2/18/2022 3:48 PM
62555	It is shameful to see this kind of selfish behavior in Canada in 2022 especially using children as a meat shield. The failure of many levels of government and police proves systemic racism is alive and well. I am glad Justin Trudeau finally put his foot down to end this.	2/18/2022 3:48 PM
62556	They have given us hope! People are finally happy again! It's amazing	2/18/2022 3:48 PM
62557	They gave us hope	2/18/2022 3:48 PM
62558	It has exposed to me how far the corruption of our government has gone.	2/18/2022 3:48 PM
62559	For the very first time, in two full years, I feel like this country has hope. These brave Canadians are fighting for freedom, for all Canadians. Fighting to stop the absolute control and over reach of government, through a Digital ID system being used to control the people of China, by their communist dictator. They glve me hope that we will DEFEAT KLAUS SCHWAB AND HIS DIABOLICAL PLAN, FOR HUMANITY!	2/18/2022 3:47 PM
62560	Brought us hope, connection and sense of pride to be Canadian. Until Trudeau evoked the emergency measures act	2/18/2022 3:47 PM
62561	Family division	2/18/2022 3:47 PM

62573	Not at all	2/18/2022 3:47 PM
62574	Day to day, it hasn't. However, it's infuriating/embarrassing to watch people flaunt their privilege/freedom while waving the flag and screaming freedom. All the while, they are denying others their basic freedoms; costing 100's of millions of dollars in revenue to businesses and lost wages, torturing residents and their animals and laughing about it.	2/18/2022 3:47 PM
62575	I'm very happy for their courage to stand up to the government for all of Canada people!	2/18/2022 3:47 PM

62580	It has inspired me. It has giving me hope that these covid restrictions will end and we'll finally get our lives back to some resemblance of normalcy.	2/18/2022 3:47 PM

62586	Not at all	2/18/2022 3:47 PM
62587	Gives me hope	2/18/2022 3:47 PM
62588	I fully support them and am furious with the Trudeau government enacting the "war measures act"now known as the "Emergency Act" and the arrests of peaceful protesters... the Trucker Convoy for freedom has given me hope for Canada to be MY Canada again.	2/18/2022 3:47 PM
62589	It has threatened healthcare workers, people of colour (some of my family) and has emboldened antivaxer groups to aggressively confront and bully people of colour and individuals wearing masks. For example, the group that showed up at the Okanagan Secondary School in Oliver BC. I found the hate and aggression, and disregard for the residents in Ottawa to be very distressing. And I worry about the safety of my family.	2/18/2022 3:47 PM
62590	Made me feel like there is hope for this country That poeple care for freedom...	2/18/2022 3:47 PM
62591	Brought some hope	2/18/2022 3:47 PM
62592	I am happy people are starting to realize that this is all bullshit	2/18/2022 3:47 PM
62593	Hope and positivity and pride in being a Canadian once more	2/18/2022 3:47 PM

62595	Driven up prices ???	2/18/2022 3:47 PM
62596	It gives me hope and reaffirms my position and faith in God that indeed all mandates can be lifted and a sense of normalcy restored.	2/18/2022 3:47 PM
62597	It has given me hope in Canadians and has made lose hope in our government leaders.	2/18/2022 3:47 PM
62598	Hate it. Makes me sad that there are so many unwilling to to their part and not true Canadian	2/18/2022 3:47 PM
62599	I feel ashamed for how a great message was used by some to misbehave around others	2/18/2022 3:47 PM
62600	I am proud they are fighting for our freedoms. I'm devastated watching what our government has done.	2/18/2022 3:47 PM

Canadians vote on Canadian Mandate - February 2022

62601	It has brought shame to the people of Canada. But it has exposed and galvanized the country's hate of White trash right wing extremists and jackasses tormenting the people of Ottawa. Of course Antivaxxers live in their own little bubble and dismiss all evidence to the contrary. They are literally intellectually impaired and incapable of honest self-reflection. Every legitimate survey has concluded that Canada hates the convoy. So you went and created your own idiotic worthless survey cuz you're too immature to handle reality.	2/18/2022 3:47 PM
62602	Totally support them..giving people hope!!	2/18/2022 3:47 PM

62613	It has given me hope that equality for all and discussion and debate will once again become a normal part of Canadian society.	2/18/2022 3:46 PM
62614	In a positive way	2/18/2022 3:46 PM
62615	It's been extremely disruptive. I find it offensive.	2/18/2022 3:46 PM
62616	It has given my hope for the first time in 2 years.	2/18/2022 3:46 PM
62617	Watching them pass through town brought me an overwhelming sense of unity and hope that I was literally bright to tears. I'm grateful someone is speaking up and I'm so hopeful that these mandates will be lifted.	2/18/2022 3:46 PM
62618	Gave some hope and lots of pride for Canadian citizens	2/18/2022 3:46 PM

62640	It gave me hope after two long depressing years. They are standing up for my God given Freedom.	2/18/2022 3:46 PM

62642	Giving me some hope and I am now cautiously optimistic this may end	2/18/2022 3:46 PM
62643	The convoy cares more about our Country and Canadian rights and Canadian people not only Canada the whole world we're fighting for our rights for the world. Trucker convoy has more respect for Canadians and our rights than our own government Justin Trudeau does	2/18/2022 3:46 PM
62644	Hideously. I am disgusted and horrified a small group of people and their rich funders have used ordinary Canadians to break the law, abuse innocent residents with noise and horrific diesel fume pollution, threaten citizens just for wearing masks, threaten and invade schools terrifying kids - again just for wearing masks to prevent disease spread, blocking ambulances threatening the lives of innocent citizens, harming our economy with illegal blockades, terrorizing Canadians, shitting and pissing on people's doorsteps and in public threatening public health in a pandemic no less, spreading hate and fear with hideous nazi, confederate, racist symbols, threatening our democracy to keep a few uber rich Americans happy, publicly stating intent to kill and or overthrow our democratically elected members of Parliament and Prime Minister, the list goes on and on and on. The Tonka Tantrum Truckers using their kids as shields is vile, and will be something I will never be able get out of my heart. The fucker truckers have every right available to the rest of us: you don't want to get vaccinated, fine, don't and if you lose your job because of it, get another job. I've lost many jobs in my life for much less. If you don;t want to wear a mask, fine, stay out of public indoor places where your breath puts others at risk and do not threaten and or assault those of us who do care about others, and wear masks to protect others, as well as ourselves. Your charter rights do not give any of you violent law violators the right to dictate to the rest of us, whether to wear masks or not. Horrifying bunch of selfish thugs.	2/18/2022 3:46 PM
62645	They have brought hope back to Canada	2/18/2022 3:46 PM
62646	It's given me hope where hope was almost lost but now I fear that government, courts and the very democratic process itself has been so captured by tyranny that we as a nation may never escape this. The keys that will lock our prisons for generations to come will be the Digital ID's that combine the monetary system (CBDC) and every aspect of our lives. Unless the collective critical thinking and intelligence begins to accelerate out of hits tacit compliance. All hope is lost. Rise up Canada if not for yourselves then for the future of this nation.	2/18/2022 3:46 PM
62647	I love those people who went and stood up for freedom of choice in a vaccine that's had many die and is a gene therapy drug . All are being a trial an their not recording the heart problems eye sight loss . Death from jab as people don't have money to pay for autopsy . Thank God for	2/18/2022 3:46 PM

62652	Made me realize what a tool Trudeau is. Doesn't care about the people of this country, only himself and his own agenda	2/18/2022 3:46 PM
62653	It's giving me hope! I've realized I'm not alone , I don't hate all other citizens anymore. For along time I thought the majority of people thought all these mandates and government overreach was good and caused me to despise most. It has been very refreshing to see so many like mind people.	2/18/2022 3:46 PM

62669	It has made this Country feel like Canada again, like we have a voice and our voice matters. I feel more united by these people the government calls terrorists then I've ever felt from my provincial or federal government.	2/18/2022 3:45 PM
62670	Gave us hope,	2/18/2022 3:45 PM

62675	Good to see the people want answers not orders	2/18/2022 3:45 PM
62676	The trucking convoy has been represented so negatively in the main steam media it's no wonder there are people out here that believe it is a bad thing. In my opinion these men and woman are simply taking a stand to say enough is enough and in a time where one must be so careful not to over step and make things worse I believe that they are doing a fantastic job of showing the world that Canada can still stand together and fight for what's rite when the chips are down	2/18/2022 3:45 PM

62681	It is encouraged me to fight back for the free country that I grew up in	2/18/2022 3:45 PM
62682	Helps me understand that people are suffering from mandates and that the government won't listen to people with different views and that he would rather use an emergency act than to have a round table sit down.	2/18/2022 3:45 PM
62683	Exposed to clear biases they have against non-whites, and how the police supports right-wing coup attempts	2/18/2022 3:45 PM

62725	We are looking to move out of the country (personal reasons, not political), and it has us constantly checking the news to see if we will still be allowed to go. 62735	It hasn't. I believe people are allowed to protest peacefully. I believe the truckers convoy has shown a lot more integrity, compassion, leadership skills, etc than Trudeau and his party has. And I don't believe for a minute that these truckers are being violent. They are peaceful. They are using their constitutional right to protest against a violation of their freedom to chose their own health decisions. 62778	Has brought hope and love into life, has shown that there are people working to return our values and freedoms, to remind us that we are our own people, who have freedoms which have been forcefully taken from us by ignorant and totalitarian leaders, affected by reminding us that there is still a good side to people, and we can work together to strive to achieve successful outcomes	2/18/2022 3:43 PM

62799	Hope for the FREEDOM Canadians and Canada stand for	2/18/2022 3:42 PM
62800	Brought back some hope for our future.	2/18/2022 3:42 PM
62801	The trucking convoy gave me hope again. They brought back my pride in being Canadian. They understood that our freedom is at stake and I'm forever grateful for their sacrifices.	2/18/2022 3:42 PM
62802	Gave hope that the world would right itself.	2/18/2022 3:42 PM
62803	It started off by giving hope, unfortunately with someone like pat king it appears to have had its message hijacked.	2/18/2022 3:42 PM
62804	It's challenged me as a Canadian allowed me to reflect and made more determined to fight RW hate and misinformation. I have lots of learning to do.	2/18/2022 3:42 PM
62805	Very little other than aggravating news. And my spouse couldn't do his usual mental health work with homeless downtown ottawa	2/18/2022 3:42 PM
62806	Give hope that our freedom and constitution will be upheld	2/18/2022 3:42 PM
62807	United Canada and given hope for the future!&	2/18/2022 3:42 PM
62808	Helping restore a little faith ! Maybe good things are coming	2/18/2022 3:42 PM
62809	It has made me believe there is hope. Super grateful someone is standing up for our rights and freedoms. Feels like a weight has been lifted. Life feels worth while again!!	2/18/2022 3:42 PM
62810	It gave me hope for the first time in 2 years. I feel the love from the protesters in Ottawa and there is a feeling of togetherness, not felt in 2 years. We all want our freedom, they are amazing. People have come together from all over the world to support the truckers.	2/18/2022 3:42 PM
62811	Gave me back my pride in Canadians. They brought unity, love and peaceful demonstration to Ottawa and all across Canada.	2/18/2022 3:42 PM
62812	It has instilled hope that was gone. It seemed like my fellow humans were content to allow bureaucrats to take over every aspect of their lives in exchange for "being kept safe" against something that was not even a true threat if it had been managed competently. Now I see that the majority of people do not want to live in perpetual slavery and infantilization. A majority of people want the mandates dropped immediately. A very large number sees that the people currently in charge have not been competent and have only harmed us. I have hope for the human race again.	2/18/2022 3:42 PM
62813	I'm sure it's negatively affected the supply chain. It has encouraged me knowing that someone else opposes vaccine mandates. Of note, I am not opposed to vaccines, just mandatory ones. I have drug allergies and can't take these ones.	2/18/2022 3:42 PM
62814	Inspiring hope	2/18/2022 3:42 PM
62815	It's opening up peoples eyes to the real problem	2/18/2022 3:42 PM
62816	Gives me hope and assurance that I'm not alone.	2/18/2022 3:42 PM
62817	So powerfully and positively. I seriously was loosing the will to go on. Before the truckers convoy I was so frustrated. I never wavered from my belief of the evil of the jabs. But the convoys trucker, and especially the mounted convoy gave me back hope - something good and kind and empathetic to believe in. The truckers convoy has positively affected my life at my very core. It has given me a reason to go on. I don't feel alone or bullied anymore. If I wasn't a sole caregiver for a 92 year old I would physically be there with them. But I am with them supporting them and holding them up in spirit and in my prayers. God is with them. Because of the truckers convoy I am finally not numb anymore. I feel life and hope. I feel eternally grateful for these brave and courageous souls. So very grateful!!	2/18/2022 3:42 PM

62852	Only positively! I ♥that it's finally waking some sleeping people up! It's finally uniting Canada! Other Countries have said that Canadians are too nice and are used to doing what their told! I didn't come into this existence for that! I do not wish to participate in Communism and Dictatorship and give up my God given rights and Freedoms! But now that Trudeau is going after everyone I don't follow the news anymore coz it just makes me wish God would take me home. I am so scared and being a senior living alone makes it even scarier than I have ever been in my life. GOD BLESS THE TRUCKERS AND CANADIANS FOR UNITING TOGETHER. 62884	Hope, a renewed faith in humanity and so many tears of happiness, especially seeing the whole world unite and stand together to create a better world. Too much hate in this world, and thanks to our truckers, that could change!	2/18/2022 3:41 PM
62885	It hasn't other than to potential bring an end to the mandates	2/18/2022 3:41 PM
62886	Made me realize just how bad and corrupt our Govt is...It has brought to light what is really going on with Trudeau's great reset. He is now dictating how the Canadian people should think and act. It's unacceptable how he acts and speaks to us the people who he is supposed to be working and representing.	2/18/2022 3:41 PM
62887	0 negative effects	2/18/2022 3:41 PM
62888	After 2 years of hoping someone would listen , the truckers stepped up and forced the gov to listen....alas, our PM is a sorry excuse for a human being and instead of sitting down and opening dialogue, he decides to attack peaceful Canadians	2/18/2022 3:41 PM

62894	I love what they stand for. I am staying positive because of them.	2/18/2022 3:41 PM
62895	Oh, other than the constant noise, harassment and dumbassery that they've been causing in my hometown? Other than them literally being such an embarrassment to us normal sane Canadians? Other than them literally holding up signs and threatening our PM? (Yes he's YOURS too, because thats how elections work, Karen.) Honestly you all would've had way more support if you'd ditched the trucks and actually protested peacefully in front of parliament instead of pissing off majority of the citizens of Ottawa. But hey, if this childish temper tantrum was good for one thing its that everyone I know (including my centrist and formerly right wing friends and coworkers) have told me they will NEVER vote conservative again. Good job shooting yourselves, clowns.	2/18/2022 3:41 PM
62896	It has brought hope back that this country isnt lost yet	2/18/2022 3:41 PM
62897	It's given me hope!	2/18/2022 3:41 PM

62899	It hasn't negatively affected me. They are helping spread the opinions and views of many who cannot	2/18/2022 3:41 PM
62900	Reminded me that there are other freedom loving Canadians who see that what is happening in our country right now is merely a precursor for a dystopian future that the WEF etc.have in store for us. This is a last ditch effort to restore freedom. The truckers are leading the way peacefully and providing their traumatized fellow citizens with some hope. I have a bit of hope that it might not be too late to restore freedom to Canadians.	2/18/2022 3:41 PM

62919	It has affected relationships with family members who supported the foolishness. They no longer support it after it became obvious that it was an insurrection. It's embarrassing as a Canadian.	2/18/2022 3:40 PM

62931	Brings hope	2/18/2022 3:40 PM
62932	Positive	2/18/2022 3:40 PM
62933	Shown what a poor leader Canada has	2/18/2022 3:40 PM
62934	It didn't! I've been going so many freedom rallies and showing support.	2/18/2022 3:40 PM
62935	I don't think I can ever know the extent	2/18/2022 3:40 PM
62936	Made me feel proud to be Canadian again, gave me hope that others felt the way I do and that there are people willing to stand up for our rights.	2/18/2022 3:40 PM
62937	It has reinstated my sense of Patriotism	2/18/2022 3:40 PM
62938	Finally someone is doing something! We need more people like this to stand up for our rights. I felt a bit of hope after 2 years. Of course our PM is so ridiculous and can't even go and talk to them. He is the one who has created the problems, and he refuses to acknowledge he has made wrong decisions. He must go!	2/18/2022 3:40 PM
62939	It has not. I love everything about it	2/18/2022 3:40 PM
62940	A sense of hope, rejoice, there seems to be away out of this. Canadians peacefully coming together no matter what race or religion. I felt great to be a Canadian again. But evoking the emergency act has taken all that away in one fellow swoop!🤔	2/18/2022 3:40 PM
62941	They have gave me hope and I have made many friends during this convoy	2/18/2022 3:40 PM
62942	My building was set on fire. I have lived in a state of constant noise, harassment, anxiety, and fear since January 28th. In the two years of this pandemic I have not felt as devastated, overwhelmed, and fearful as I have these last few weeks.	2/18/2022 3:40 PM
62943	Very positive to see people standing up to turdhead	2/18/2022 3:40 PM
62944	Given hope back to Canadians	2/18/2022 3:40 PM
62945	Personally it hasn't. But the economy will be affected and prices will go up. Relationship with the US and business.	2/18/2022 3:40 PM
62946	It made me see how some Canadians value their freedom and will fight in what they believe in. The love is felt far and wide!	2/18/2022 3:40 PM
62947	It gives me hope and make me feel proud to be a Canadian again	2/18/2022 3:40 PM
62948	Supply disruptions, increased costs, concerns over friends who live in Ottawa and cannot live a normal and worry free life because of the protesters noise and masklessness and rudeness	2/18/2022 3:40 PM
62949	Not, I am very concerned about the emergency act! Our lives will definitely not be the same as it was before COVID if approved?? Governments will have to much control over our personal lives!!	2/18/2022 3:40 PM
62950	I am so encouraged that I am not alone in the way I feel! The convoy has brought to the eyes of the rest of the country how oppressive these mandates have been. People are awaking up and it is so nice to know we're not the only ones anymore.	2/18/2022 3:40 PM
62951	Has no	2/18/2022 3:40 PM
62952	Brought only hope and so much joy!! For the first time I get to see 1000's of Canadians love each other! I have only respect, even as they get arrested they have so much dignity and patience and love, its absolutely incredible! They are heroes!	2/18/2022 3:40 PM
62953	0	2/18/2022 3:39 PM
62954	It's given myself hope	2/18/2022 3:39 PM
62955	I support it. God bless them	2/18/2022 3:39 PM

Canadians vote on Canadian Mandate - February 2022

62956	The trucking convoy has only impacted my life in a positive way. I have been given hope back to Canadians and am so proud of those out there fighting for our rights and our freedoms. I am very sad that it came to this and that so many people are fed up with the mandates because of how terribly they have impacted their lives, but it is nice to see people standing together in unity and fighting for peace, love and freedom for all.	2/18/2022 3:39 PM

62966	Yes, it has brought me immense hope, and a new faith in the people of Canada. We stand together in love, and never have we been more united as one.	2/18/2022 3:39 PM
62967	It's given me hope. There's unity, love, people coming together from every province and territory fighting for the best for our country! It's a beautiful sight and through it many have had their minds blown away with the power of Love through it!	2/18/2022 3:39 PM
62968	Opened my eyes	2/18/2022 3:39 PM
62969	It gave me hope and joy	2/18/2022 3:39 PM
62970	It has restored my hope for a future. I have been embarrassed to be a Canadian for the last couple years. I can say it has restored my pride to be a Canadian. Yet strengthened my resolve to not stand with a government controlled by greed, corruption, lies, discrimination, pride.	2/18/2022 3:39 PM
62971	Given me hope and made me realize I'm not alone.	2/18/2022 3:39 PM

62974	It's given me hope again	2/18/2022 3:39 PM
62975	Very moving to see vaccinated and unvaccinated people standing together to fight the mandates that are based on no science whatsoever but bureaucrats' discretions after suppressing true experts that dare to question... Used to feel alone but not any more!	2/18/2022 3:39 PM
62976	It's shown me that there are still people that care about this country.	2/18/2022 3:39 PM
62977	It has made me proud to be a Canadian again. I was losing hope	2/18/2022 3:39 PM
62978	Not at all	2/18/2022 3:39 PM
62979	It's given me hope that Canada can be a free and democratic nation once again.	2/18/2022 3:39 PM
62980	The convoy has given me back hope in humanity.	2/18/2022 3:39 PM

Canadians vote on Canadian Mandate – February 2022

62986	It has encouraged me that maybe we as Canadian still have a democratic voice in this country.	2/18/2022 3:39 PM
62987	Hope and joy.	2/18/2022 3:39 PM
62988	For the first time in 2 years I feel like I'm not so alone in asking questions... JUST ASKING QUESTIONS, where as before the Convoy any question asked was met with hate, insults, and the ever familiar "Trust the science" ... even when the science doesn't support the mandates	2/18/2022 3:39 PM
62989	Has made me cry for the poor children who are being treated as pawns, and have likely suffered permanent hearing damage. Have made me finally understand (along with Trumpism in US) how brainwashing/willful ignorance was used by Nazis/Mussolini etc. to exert control over willing pawns.	2/18/2022 3:39 PM
62990	Given me hope that things can get better in Canada!	2/18/2022 3:39 PM
62991	Hasn't , but PROUD of them, well organized and extremely peaceful ~ they deserve to have the Prime Minister to talk and listen to them. The truckers never were going to hurt, they only wanted to be HEARD. TRUDEAU has done more illegal gestures and caught away with it.	2/18/2022 3:39 PM
62992	Makes me happy to know that I am not alone in the way I feel.	2/18/2022 3:39 PM
62993	Given me so much hope brought tears to my eyes from the fierce dedication of these Canadian heroes that are uniting Canadians everywhere to stand together for freedom vs dividing hateful rhetoric spewed by our cowardly hateful dictator masquerading as a Canadian prime minister ... the embarrassment he is around the world is disgusting the complete two faced garbage he spews in parliament is laughable and disgraceful Go truckers!! Legalize freedom Hold the line!!	2/18/2022 3:39 PM
62994	Not sure, Slower service somewhat getting goods.	2/18/2022 3:39 PM

62999	It gave me hope Never been this happy in 2 Years Love the truckers	2/18/2022 3:39 PM
63000	It showed us that we are not alone. It restored my faith in Canadians. The first time in two years it gave me hope that my children might be able to live a normal life.	2/18/2022 3:39 PM

63007	Realized how many Canadians are against these mandates	2/18/2022 3:39 PM

63024	It has frustrated me and exposed the level of privilege that some people have. No freedoms have been lost. Any convoy participants breaking laws should be arrested.	2/18/2022 3:38 PM
63025	Gives me hope that Canada will remain free from a Trudeau's dangerous platform.	2/18/2022 3:38 PM

63048	Has made me see how entitled , selfish and uneducated the protesters are. Has highlighted the need to eradicate misinformation and Trump-style media/coercion. Has brought class division & the damage of conservative (UCP/CPC/PPC) politicking that places lies, misinformation, hateful & aggressive rhetoric & money ahead of public health & the best interests of anyone other than the upper 10%	2/18/2022 3:38 PM

63108	Encouraged me to see good citizens standing for the right.	2/18/2022 3:37 PM
63109	Bringing some hope to returning freedoms	2/18/2022 3:37 PM
63110	Not at all. Perhaps peripherally due to supply chain issues.	2/18/2022 3:37 PM
63111	Woke me up about the Canadian FREEDOM	2/18/2022 3:37 PM
63112	Realizing we are not alone, glimmers of hope, feelings of unity, realizing the desperate need for change.	2/18/2022 3:37 PM
63113	The convoy has disrupted the lives of citizens and undermines democracy. The freedom to demonstrate ends when it harms the population	2/18/2022 3:37 PM
63114	it has brought optimism to me, I went to one of the peaceful protests in support of truckers, I am disgusted that "my" union has been supporting counter protesters that hold signs of death threats and swastikas, some of the people participating in these counter protests I know, I am disgusted with my MP who is Liberal and regurgitates what the PM says. My City Councillor also refer to the protesters as occupying Ottawa. I've written to both elected officials. No word from the MP. A staffer from the city councillor's office did respond to my complaint of her words in a newsletter. Words to describe what is happening in Ottawa right now with the police and emergency act: heinous, evil.	2/18/2022 3:37 PM
63115	It has given us hope.	2/18/2022 3:37 PM
63116	Gave me hope against a crooked government	2/18/2022 3:37 PM
63117	It has given me hope for an end of all the restrictions.	2/18/2022 3:37 PM
63118	Given me hope Given me freedom of expression Given me a will to go on Given me a life back I fully support them	2/18/2022 3:37 PM
63119	They stand up for our freedoms and rights. They give me hope.	2/18/2022 3:37 PM
63120	Hasnt	2/18/2022 3:37 PM
63121	My country has been soiled by this disgusting display of right-wing anti-government BS "mask"-erading as a defense of freedom.	2/18/2022 3:37 PM
63122	Positively. It's brought me so much hope to see the unification of Canadians.	2/18/2022 3:37 PM
63123	I finding out more on how corrupt are PM is	2/18/2022 3:37 PM
63124	Given me hope	2/18/2022 3:37 PM
63125	Positively	2/18/2022 3:37 PM
63126	Made me feel like we are not almond in our beliefs and that Canada still has a soul	2/18/2022 3:36 PM
63127	Not at all	2/18/2022 3:36 PM

Canadians vote on Canadian Mandate - February 2022

63128	Warms my heart ♥ It has given me hope that I would have our freedoms back after 2 years.	2/18/2022 3:36 PM
63129	HOPE FREEDOM MY LIFE	2/18/2022 3:36 PM
63130	Given me hope that this madness will end.	2/18/2022 3:36 PM
63131	it's giving me hope	2/18/2022 3:36 PM
63132	Hope	2/18/2022 3:36 PM
63133	The trucking convoy has actively prevented some deliveries that I needed for my business from crossing the border. I took a personal financial hit from the border occupations, which are very clearly connected to the convoy at Parliament, and have frankly feared for our country having our own Jan. 6th insurrection. Having that many semis in highly residential areas does not make for a safe space for occupants of Ottawa, both from gas fumes and from the harassment that my close friend who lives in the area has experienced.	2/18/2022 3:36 PM
63134	It has encouraged me that Canadians are willing to stand up for our freedoms. They've made their point clear and it's time for them to go home.	2/18/2022 3:36 PM
63135	The peaceful protest that started with the truckers has united our country! I am hopeful that we will soon see and end to Justin Trudeau's tyranny	2/18/2022 3:36 PM
63136	It makes Canada look like a bunch of entitled white babies who have never faced a tough day in our lives. It brings shame to our flag and country.	2/18/2022 3:36 PM
63137	It has effected me in no way, in fact, good for them for not being afraid to say something, as the rest of us are being silenced, or are scared to speak out.	2/18/2022 3:36 PM
63138	It has given me hope to a better future and has given me the courage to stand up for my rights and freedoms as a Canadian!	2/18/2022 3:36 PM
63139	I feel empowered by these brave humans!!	2/18/2022 3:36 PM
63140	They have given us back the feeling of Pride...That someone is listening and really cares about how we feel.That we are not alone and can stand up for what we truly believe in.The Right of Freedom to voice our Opinions as is OUR God Given Rights.	2/18/2022 3:36 PM
63141	It has made me feel like their is hope and that many other Canadians feel the same way!	2/18/2022 3:36 PM
63142	Gives me back hope and pride, im not sure if im proud to be Canadian anymore with our communist prime minister we have	2/18/2022 3:36 PM
63143	Extremely negatively. I live in Ottawa and they tried to ruin my city and harass my neighbours.	2/18/2022 3:36 PM
63144	Given me hope	2/18/2022 3:36 PM
63145	They give me the hope and I started to be proud of Canadians!	2/18/2022 3:36 PM
63146	Some prices went up and missing some supplies that I normally have access to	2/18/2022 3:36 PM
63147	Not much, as a flood of media links and news. Who knows who ignited them? A powerful party or simple 3 union workers. Note I like the fact the spoke truth of vaccine passport, and shoke the society of its sleepiness. Masks and kids or elderlies or sick people in hospitals are deadly in the mental and physical healing sense. I add to question 9: neutral body must have the education expert in it. God bless you and keep you safe. Thank you	2/18/2022 3:36 PM
63148	Not att all. Feel concern for people in those areas!	2/18/2022 3:36 PM
63149	I've never been prouder to be CANADIAN!	2/18/2022 3:36 PM
63150	We support them.	2/18/2022 3:36 PM
63151	hasnt	2/18/2022 3:36 PM
63152	Stress. Fear of escalation. Anxiety over the Convoy possibly getting their way and ending the mandates, which will take AWAY from my sense of security and freedoms.	2/18/2022 3:36 PM
63153	None at all.	2/18/2022 3:36 PM
63154	Inspired me	2/18/2022 3:36 PM
63155	Somewhat	2/18/2022 3:36 PM

63156	Hope, positivity for future.	2/18/2022 3:36 PM
63157	It gives me hope that we can take our country back from a Tyrannical leader and hopefully repair the damage that's been done to Canada as a whole	2/18/2022 3:36 PM
63158	Offered some possible hope	2/18/2022 3:36 PM
63159	Annoyed me with blocking traffic and facebook posts and feeling as though several of my friends are ignoramus.	2/18/2022 3:36 PM
63160	Was giving us hope	2/18/2022 3:36 PM
63161	They suck	2/18/2022 3:36 PM
63162	It has slowed some things down. But remember things were slow. So why don't Ottawa police have to be vexed, or the truckers bringing the poison jab to canada	2/18/2022 3:36 PM
63163	Inspired me to believe That evil can be confronted by regular people	2/18/2022 3:36 PM
63164	Gave me pride to be Canadian for the first time in years. I had lost hope in the citizens ability to think critically which was affecting public policy restricting my family's freedoms.	2/18/2022 3:36 PM
63165	The people that have joined this convoy have given me hope that change is going to happen.	2/18/2022 3:36 PM
63166	It hasn't, other than it fills my social media feed with polarizing nonsense.	2/18/2022 3:36 PM
63167	It's good we can finally see a light at the end of a dark tunnel	2/18/2022 3:36 PM
63168	Ram Ranch was the best part of it. Also deleted some family off of Facebook.	2/18/2022 3:36 PM
63169	I have big hopes that trucking convoy return our freedoms.	2/18/2022 3:36 PM
63170	Hope	2/18/2022 3:36 PM
63171	It has made me feel proud to be a Canadian and associate with people who stand up to the tyranny of Trudeau.	2/18/2022 3:36 PM
63172	It has given me hope!!	2/18/2022 3:36 PM
63173	Not at all directly, except that I was encouraged by the number of people willing to stand up for their rights and absolutely appalled by the hateful and inept response of our Prime Minister.	2/18/2022 3:36 PM
63174	It shows the people that more people are wanting freedom than are not!	2/18/2022 3:36 PM
63175	They are the only means by which truth can be voiced.	2/18/2022 3:35 PM
63176	It has given me hope that we can take the power back to the people. Sick of no control of our government. They mandate and vote on measures no one would vote for given the chance	2/18/2022 3:35 PM
63177	Its given me hope	2/18/2022 3:35 PM
63178	Given me a breath of hope. A feeling of patriotism and unity with people across the nation Shown me how corrupt our leadership has become and distrust in government.	2/18/2022 3:35 PM
63179	Given me hope	2/18/2022 3:35 PM
63180	Has made me realized how much the truckers and there supporters love our country and freedom. Has made love my country more	2/18/2022 3:35 PM
63181	Gave me hope,being older I learned my rights and freedoms, saw how most news media twisted information, lost respect for our government and the way they called ppl. names.	2/18/2022 3:35 PM
63182	Given me hope for the future and for my children's future!	2/18/2022 3:35 PM
63183	Provides hope for getting back to reality...	2/18/2022 3:35 PM
63184	Brought hope to our country knowing there is more people that believe the mandates need to end, mainstream media has lost any credibility, proud to be a Canadian after 2 years of hating where I live	2/18/2022 3:35 PM
63185	Starting to give me hope, when I see people standing up for their rights	2/18/2022 3:35 PM
63186	Made me proud of canadians	2/18/2022 3:35 PM

Canadians vote on Canadian Mandate - February 2022

63187	Brought hope, Optimism and made me feel love for Canada and more patriotic than any Olympics, Stanley Cup final or any other event I can recall.	2/18/2022 3:35 PM
63188	na	2/18/2022 3:35 PM
63189	They have given me Hope that more are awake to the loss of our Freedoms and that we will need to be very active in getting those Freedoms back!!!	2/18/2022 3:35 PM
63190	The trucking convoy (which has nothing to do with actual truckers) has made me embarrassed for Canada on the global stage and made me ashamed of the maple leaf. As a silver lining, it's caused me to make an extra human effort to be kind to racialized people in my community and let them know that they're seen, loved, and supported and that they belong here as much as anyone else does. I'm applying for work that will help to give minorities the training they need to fill the many recently vacated (by people who CHOSE not to get vaccinated) jobs in Canada.	2/18/2022 3:35 PM
63191	Love it	2/18/2022 3:35 PM
63192	Not affected. Just support the end to mandates	2/18/2022 3:35 PM
63193	FREEDOM	2/18/2022 3:35 PM
63194	He gave me a sense of hope by seeing all of us unite for one just cause. It instilled much love from under the dark cloud we were under	2/18/2022 3:35 PM
63195	They've given me some hope about getting my job back	2/18/2022 3:35 PM
63196	This trucking convoy has restored hope back in my life. Restored hope in this country.	2/18/2022 3:35 PM
63197	The Truckers convoy gives me hope that the people, whom thw Prime Minister is supposed to be working for, will beheard, undstood and listened to. After all we do pay his salary and he is not worth what he is being paid.	2/18/2022 3:35 PM
63198	Brought back renewed faith in mankind. As well, our country involvement with the World Economic Forum needs to end! I am so disappointed on hoe corrupt the policing system is!	2/18/2022 3:35 PM
63199	Never been so proud seeing people stand up for their rights & Freedoms	2/18/2022 3:35 PM
63200	hope	2/18/2022 3:35 PM
63201	Gave me hope that I wasn't alone	2/18/2022 3:35 PM
63202	Hasn't affected	2/18/2022 3:35 PM
63203	Not in a bad way at all, even when I was in Ottawa. First I saw the trucks rolling through and saw every single overpass, crowd with people cheering for them, our cause as a country and what they were willing to do for it made my heart melt....I have literally never been prouder to be a Canadian as I have been since the trucker convoy!	2/18/2022 3:35 PM
63204	Caused delays in products /goods at boarder crossings	2/18/2022 3:35 PM
63205	They give me hope. Maybe Canada will be great again. The trucker convoy just want the mandates gone and our freedom of choice back. If they just drop all the mandates than everyone will go home. Its that easy.	2/18/2022 3:35 PM
63206	Made me feel better	2/18/2022 3:35 PM
63207	It gave me hope! Courageous unselfish people willing to stand up to the government overreach!	2/18/2022 3:35 PM
63208	Closed my downtown core for 3 weeks. Closed business in my city. Harassed people and businesses. Made many people afraid to leave their homes. Made the flag of my country a mockery. Made our anthem a mockery.	2/18/2022 3:35 PM
63209	It's been a peacefully demonstration.People of Canada are tired of the Liberal Federal Government stealing from us and making all the mandates.We as Canadians have to Stop Trudeau from wasting our money and paying his Party , Friends and Family big dollars ,while the rest of Canadians pay,pay,pay.	2/18/2022 3:35 PM
63210	Pieces of shit!	2/18/2022 3:35 PM
63211	Gave me hope !	2/18/2022 3:35 PM

Canadians vote on Canadian Mandate - February 2022

63212	Given me hope for my freedoms and patriotism in that this has united our nation!	2/18/2022 3:35 PM
63213	I am tired of the truckers' thinking that what they are doing is right. All the while, infringing on the rights of others who want and need to work, as well as stopping the flow of goods and ultimately, in some cases, closing down certain industries that could very well be moved to the USA in the future! I am concerned about the influence and interference from the American religious alt-right, white supremacists, and Trump supporters, not to mention the financial backing from these groups.	2/18/2022 3:35 PM
63214	Positively and bringing Canadians together. Showex tbe true colors of a tyranical communist government.	2/18/2022 3:35 PM
63215	My Freedom	2/18/2022 3:35 PM
63216	Motivated. Inspired. Given a sense of hope for Canadians and humanity around the world. Also been horribly depressing to see how the prime minister, his party and the NDP have given every effort to assert power and pride over Canadians... instead of weighing the big picture and serving Canadians. Given me a disgusting education on the dark side of Canadian government	2/18/2022 3:35 PM
63217	Has not affected my life	2/18/2022 3:35 PM
63218	It has given me hope for the first time in 2 years	2/18/2022 3:35 PM
63219	Not directly, shown me folks who would roll over for any government actions.	2/18/2022 3:35 PM
63220	Gave me hope.	2/18/2022 3:35 PM
63221	Gives me hope,that things might get back to normal	2/18/2022 3:35 PM
63222	It has given us hope	2/18/2022 3:35 PM
63223	It has brought some unity and a sense of community back. And it has given me hope. Hope for a future, hope for choice and it has reminded me that there is true love within Canadians and in the world.	2/18/2022 3:35 PM
63224	It has given me hope	2/18/2022 3:35 PM
63225	It brought a lot of hope seeing that there are many other Canadians who support an end to the mandates	2/18/2022 3:35 PM
63226	It has shown me that there are many people that understand that we are living under a tyrannical government which is refreshing because it is something I have been aware of for a very long time. Love and Truth will prevail, I have no doubt.	2/18/2022 3:35 PM
63227	The convoy has not effected my life in any way. I am 100% supportive of what they stand for and what they have accomplished and still have to accomplish.	2/18/2022 3:35 PM
63228	Its amazing..They are real heros...give them all my support	2/18/2022 3:35 PM
63229	It's has had no effect	2/18/2022 3:34 PM
63230	Hope and happiness	2/18/2022 3:34 PM
63231	It helped me and most of the Country see how corrupt and willing the trudeau govt will be,to get an all out power trip ,down right shameful what he's done to a pieceful protest as I watch live videos of cops trying to start things with people peacefully protesting I'm am discusted by this act. I don't pay taxes for these over reach globalist to do this shit to our country bloody shame on trudeau liberals and anyone who allows this. This is as close to Hitler actions you can get.	2/18/2022 3:34 PM
63232	Prouder to ne canadian	2/18/2022 3:34 PM
63233	It has given me the hope I lost.	2/18/2022 3:34 PM
63234	It's given me hope that the Draconian measures...i.e. mandates will be lifted.	2/18/2022 3:34 PM
63235	Not really, I spend a lot of time on my iPad to get reports on how the truckers are doing.	2/18/2022 3:34 PM
63236	They are the worst kind of people. They don't care about their kids. They are racists, white supremacists and stupid.	2/18/2022 3:34 PM
63237	Made me.proud to be Canadian again	2/18/2022 3:34 PM

Canadians vote on Canadian Mandate - February 2022

63238	Not at all	2/18/2022 3:34 PM
63239	The convoy has brightened my spirit	2/18/2022 3:34 PM
63240	It's the best thing to happen for indigenous people pursuing freedom of choice, however, Trudeau is turning freedoms into so-called terrorism and this is scary for all indigenous people supporting.	2/18/2022 3:34 PM
63241	Has shown me how amazing Canadians can come together with love and piece. It's given me hope that life will get better!	2/18/2022 3:34 PM
63242	It hasnt	2/18/2022 3:34 PM
63243	It's created another layer of unnecessary stress in my life.	2/18/2022 3:34 PM
63244	Joy, hope	2/18/2022 3:34 PM
63245	It's been amazing I finally feel free again	2/18/2022 3:34 PM
63246	Brought hope and renewed my faith in the people of this country	2/18/2022 3:34 PM
63247	The mandates by Government are way out of line and forcing ALL Truckers to be double Immunized, that's right Immunized, not Vaccinated. Small Pox is a Vaccine. Two Covid shots and multiple Boosters, is NOT a Vaccine. The Truckers at least stood up at against our Tyranical Government	2/18/2022 3:34 PM
63248	Very positively, it allowed me to connect with new like minded people in my community. It confirmed that I am not crazy. I attended the convoy on the highway as it travelled through Regina and that filled me with so much joy and emotion and hope! I felt like they were fighting for my freedom. I no longer felt alone. It is the best thing that has happened in my life in the past two years.	2/18/2022 3:34 PM
63249	It has let me see there are a lot more people with the common sense to see that vaccine mandates don't make sense in a democratic country, especially for a vaccine whose side-effects are arguably greater risk than COVID itself. This among other reasons!	2/18/2022 3:34 PM
63250	Given me hope.	2/18/2022 3:34 PM
63251	It hasn't, still able to get food and necessities.	2/18/2022 3:34 PM
63252	A breath of PURE Fresh Air of UNITY!!! Open Joy, Peace and tolerance!!! ...in TWO WEEKS after TWO YEARS OF TYRANNY, DIVISION AND ABUSE OF POWER BY THOSE OCCUPYING TAXPAYER FUNDED SEATS in so-called democratic Government	2/18/2022 3:34 PM
63253	Gave me hope for freedoms	2/18/2022 3:34 PM
63254	Given me hope and made me proud to be Canadian again	2/18/2022 3:34 PM
63255	Gave us hope, restored our pride in being a Canadian.	2/18/2022 3:34 PM
63256	I am supporting them 100%	2/18/2022 3:34 PM
63257	Brought pride and a sense of hope.	2/18/2022 3:34 PM
63258	Made me a proud Canadian again	2/18/2022 3:34 PM
63259	Its giving me hope n making me believe there r other people that stand for the greater good...not like our so called leaders whove done nothing except divide all of us n created havoc amoung what is supposed 2 b the most peaceful Country on this planet!!!	2/18/2022 3:34 PM
63260	It has given me hope that we're not alone in wanting all of COVID-19 mandates to be over. Everyone wants there lives back. To live. To travel. To be social.	2/18/2022 3:34 PM
63261	Not at all love watching it on TV	2/18/2022 3:34 PM
63262	It finally got the politicians off their butts and working	2/18/2022 3:34 PM
63263	Gave me some hope to expose the corrupt government & gave me some pride to see so many people with a backbone to stand up to the tyranimal government!	2/18/2022 3:34 PM
63264	Brought hope	2/18/2022 3:34 PM

Canadians vote on Canadian Mandate - February 2022

63265	I think they are an embarrassment to Canadian society. People have to realize that with the right to freedom comes the obligation to make sure your choices don't interfere with the safety of others.	2/18/2022 3:34 PM
63266	Great hope. We need a new government and Trudeau in jail for "war" crimes	2/18/2022 3:34 PM
63267	It has given me hope and shown me what a peaceful demonstration can do for morale, and as an example to mankind. It has given me something to watch in my lonely life.	2/18/2022 3:34 PM
63268	Giving me hope	2/18/2022 3:34 PM
63269	none at all being disable they speak for me	2/18/2022 3:34 PM
63270	given me hope, pride in the people of Canada, such joy..I cried alot	2/18/2022 3:34 PM
63271	Pissed me off.	2/18/2022 3:34 PM
63272	It hasn't. But I do support the message being driven that no one should have to give up bodily autonomy in order to stay employed. It is a breach of fundamental human rights	2/18/2022 3:34 PM
63273	None	2/18/2022 3:34 PM
63274	Given me a sliver of hope that we can get rid of corrupt politicians	2/18/2022 3:34 PM
63275	They are giving me and my family hope	2/18/2022 3:34 PM
63276	the Trucking convoy has shown us that the politician's don't listen to the people anymore but follow their own agenda! Mandates are a conflict of interest regarding the pharmaceutical companies!	2/18/2022 3:34 PM
63277	My giving me hope	2/18/2022 3:34 PM
63278	It gave me back the pride in my country of Canada that has been eroded away by corrupt government for decades now.	2/18/2022 3:34 PM
63279	Unsure	2/18/2022 3:34 PM
63280	Happy	2/18/2022 3:34 PM
63281	Positivity. Hope	2/18/2022 3:34 PM
63282	As a trucker myself, seeing the support that the convoy was getting from Canadians was very emotional for me, and it gave me a feeling of pride to be a Canadian, because for the past 2 years I was ashamed to be a Canadian!!!	2/18/2022 3:34 PM
63283	Improved hope	2/18/2022 3:34 PM
63284	Encouraging to see and hear a voice that is standing up for our freedoms which have been taken away.	2/18/2022 3:33 PM
63285	Enjoyable	2/18/2022 3:33 PM
63286	No, not at all.	2/18/2022 3:33 PM
63287	It's given me hope for my daughter's future that we can get back to freedom for her sake!!!	2/18/2022 3:33 PM
63288	Not at all	2/18/2022 3:33 PM
63289	Caused a lot of anger and discord in my home town, and my best friend and I got into a huge fight over this.	2/18/2022 3:33 PM
63290	It never did. I want my freedoms back now. This is not communist China	2/18/2022 3:33 PM
63291	It has given me hope	2/18/2022 3:33 PM
63292	Not at all.	2/18/2022 3:33 PM
63293	Honestly, I'm willing to put up with a food shortage. I know how to scavenge in the woods and grow my own food. I hope that things go well for the freedom convoy. I pray for their safety.	2/18/2022 3:33 PM
63294	It hasn't yet	2/18/2022 3:33 PM
63295	It hasn't really affected my life but I agree with what they want.	2/18/2022 3:33 PM

Canadians vote on Canadian Mandate – February 2022

63296	Given hope that the people might actually have a voice against our tyrannical government. Brought attention to the lies and criminality exercised by the Canadian government. Affected long overdue changes for lifting mandates.	2/18/2022 3:33 PM
63297	I appreciate what they're doing for all her of us.	2/18/2022 3:33 PM
63298	At a personal level, not much. However, the cultish, selfish actions and support for them at a local level will leave divisions in my small community. I have become aware of how rightwing leadership and media have fostered this divisiveness to their own political ends without regards for balanced truth. It has become clear that these people have manipulated many misguided, frustrated people. In the end, I am more in support of the mandates that before. I still have empathy for those poor people who have suffered because of them, but this was not the way to effect positive change.	2/18/2022 3:33 PM
63299	Given me hope for the future.	2/18/2022 3:33 PM
63300	It has caused me stress and made me never want to vote for any party who supported this.	2/18/2022 3:33 PM
63301	As a born and raised Canadian I'm proud to be a supporter of the trucking convoy and happy to see people standing up for the rights and freedoms we had as children and the rights and freedoms are children deserve to have growing up !	2/18/2022 3:33 PM
63302	Hasn't except that it's given me hope that the people of the world are uniting regardless of where they stand on vaccines and mandates.	2/18/2022 3:33 PM
63303	it hasn't	2/18/2022 3:33 PM
63304	Hope	2/18/2022 3:33 PM
63305	Has given hope and made me feel like I'm not alone. Has eroded my trust in tge media which was low to begin with	2/18/2022 3:33 PM
63306	No at all.. Support till every Canadian has their Freedoms back!!	2/18/2022 3:33 PM
63307	It has given me hope and a feeling of being accepted regardless of my choices	2/18/2022 3:33 PM
63308	Not	2/18/2022 3:33 PM
63309	Given me hope!!	2/18/2022 3:33 PM
63310	It hasn't affected my direct life as I don't live in Ottawa.	2/18/2022 3:33 PM
63311	Not in the slightest! I think it's great someone is finally standing up.	2/18/2022 3:33 PM
63312	Given me hope for freedom	2/18/2022 3:33 PM
63313	Given me hope!	2/18/2022 3:33 PM
63314	It hasn't. I am happy to support them at a distance. I am upset at the Liberal Gov't for their handling of the convoy and their lack of going out to meet with them and listen to their concerns. Instead they are using force and arresting peaceful Canadians.	2/18/2022 3:33 PM
63315	It has given us hope that these mandates would end quicker. We believe the mandates are unlawful, against our Bill & Charter of Rights, against Nuremburg Code. It has shown us how evil Trudeau is, he name calls and invokes War/Emergency act rather than talking to those in Ottawa, which drags this on.	2/18/2022 3:33 PM
63316	They helped give us our freedoms back and stood up for what is right	2/18/2022 3:33 PM
63317	It is inspiring	2/18/2022 3:33 PM
63318	Has given me hope that we might get our rights back. I support them fully	2/18/2022 3:33 PM
63319	Encouraged me...gave me hope	2/18/2022 3:33 PM
63320	Given hope that Canada can return to FREE COUNTRY, hopefully without Trudeau in power. I should not be restricted inside these boarders for a personal medical decision.	2/18/2022 3:33 PM
63321	Given me hope and faith	2/18/2022 3:33 PM
63322	Lifted my spirits. Gave me hope for true freedom. Released a great amount of stress. They are saving people's futures against a injection pandemic.	2/18/2022 3:33 PM

Canadians vote on Canadian Mandate - February 2022

63323	It has made me proud to be Canadian.	2/18/2022 3:33 PM
63324	It has given a glimmer of hope to the fact that most Canadians are still willing to fight for their freedom when it comes down to the very end of the line. I believe they waited much too long to act though	2/18/2022 3:33 PM
63325	Gave me hope	2/18/2022 3:33 PM
63326	It has not affected me personally	2/18/2022 3:33 PM
63327	It's giving me hope that there are still caring people out there.	2/18/2022 3:33 PM
63328	Cost taxpayers money and delayed me a few times. Because my time isn't worth anything!	2/18/2022 3:33 PM
63329	It has given me hope and optimism and the courage to stand strong in my convictions	2/18/2022 3:33 PM
63330	caused problems and disruptions	2/18/2022 3:33 PM
63331	Gives me hope	2/18/2022 3:33 PM
63332	I now have hope there is an end to mandates! I have been sparked to research further. I recognize the media and our government are allies and against democracy and the freedom of Canadian's rights and freedoms.	2/18/2022 3:33 PM
63333	Brought hope	2/18/2022 3:33 PM
63334	Dumb question	2/18/2022 3:33 PM
63335	It hasn't affected me at all. The only thing is I'm thankful to see people fight for freedoms for Canadians	2/18/2022 3:32 PM
63336	I am a proud Albertan, but completely ashamed and embarrassed to be Canadian since Trudeau became PM. The freedom convoy has given me renewed Canadian hope again.	2/18/2022 3:32 PM
63337	Haven't affected my life	2/18/2022 3:32 PM
63338	It's brought hope back to Canada. The illegal things going on from police is disgraceful the cops names are being blasted all over Canada. Their life is about to get as hard as it's been for the people of canada	2/18/2022 3:32 PM
63339	I've spent a lot of time digging for truth. Our media sucks and are liars. Blocking borders was the wrong move, but there is nothing wrong with peacefully protesting regardless of how you feel about the cause.	2/18/2022 3:32 PM
63340	It hasnt	2/18/2022 3:32 PM
63341	They have given hope that JUSTin TRUDEau will give his head a shake and worry about his people and not his power trip	2/18/2022 3:32 PM
63342	Give hope and reunite Canadians and our pride and concern for Canada to remain a democracy	2/18/2022 3:32 PM
63343	Giving hope not fear	2/18/2022 3:32 PM
63344	Hope	2/18/2022 3:32 PM
63345	Give my family hope for the future of canada	2/18/2022 3:32 PM
63346	The only positive that has come out of this mess since it started almost 2 years ago. Justin Trudeau is an utter disgrace to this nation especially for invoking the "War Measures Act". Yes that is what I'm calling it instead of the new fluffy name they have given it. He has taken powers that he has no right to take. Can you say "NEW WORLD ORDER". Do you all think that we can't figure it out?	2/18/2022 3:32 PM
63347	It has made me sad to see so many misinformed and gullible people.	2/18/2022 3:32 PM
63348	Given me hope and restored faith in Canadian spirit and patriotism	2/18/2022 3:32 PM
63349	It has brought me HOPE for my country. I am forever grateful.	2/18/2022 3:32 PM
63350	Given me ans others some hope	2/18/2022 3:32 PM
63351	It has inspired me to unite for freedom against tyranny	2/18/2022 3:32 PM

Canadians vote on Canadian Mandate - February 2022

63352	Only in a positive way	2/18/2022 3:32 PM
63353	Made me angry, disgusted, ashamed to be Canadian	2/18/2022 3:32 PM
63354	Just getting angry watching the government over step and not listening to us.	2/18/2022 3:32 PM
63355	hope	2/18/2022 3:32 PM
63356	I PRAISE THE TRUCKERS! They have brought this HORRIBLE situation to the ATTENTIO TO THE ENTIRE WORLD! I pray for all that they do everyday bringing food to shelves and making our economy 'rock & roll'!	2/18/2022 3:32 PM
63357	Given me hope I had a heart attack before the convoy and didn't care if I didn't make it while in the hospital I heard the news and gave me a sliver of hope	2/18/2022 3:32 PM
63358	The trucking convoy was the first sign of hope and unity I felt our country has had in the past 2 years. I felt alone in my fear of Canada turning into a country I could no longer have pride in or live freely in. The trucker convoy proved I was not alone & it restored my faith in the good people in Canada and around the world. We will not succumb to the greed of the elite. Love, peace & humanity will always prevail.	2/18/2022 3:32 PM
63359	I have seen people in Canada have hope once again. That hope has brought me hope of seeing my family again. The hope that Children will not have to continue wearing these masks. All the adults go without and the children are wearing them everyday. These poor children!	2/18/2022 3:32 PM
63360	Given hope	2/18/2022 3:32 PM
63361	Not at all	2/18/2022 3:32 PM
63362	Gave me hope	2/18/2022 3:32 PM
63363	I haven't noticed any disruption in my life but it gave me some hope in Canadians once again.	2/18/2022 3:32 PM
63364	Positively	2/18/2022 3:32 PM
63365	It gives me hope. It shows me I'm not alone. I feel support and love. I have hope for Canada to be free of the tyranny of Trudeau. He is a communist	2/18/2022 3:32 PM
63366	It has made me feel angry, anxious, and scared for the safety of my family.	2/18/2022 3:32 PM
63367	It has given me hope that there are still people in this country that believe in freedom.	2/18/2022 3:32 PM
63368	It has not impacted my life in a negative way. It has made it clear that many people share the same opinion that our leader is incompetent and cannot lead effectively.	2/18/2022 3:32 PM
63369	It gave me hope.	2/18/2022 3:32 PM
63370	It has brought me hope.	2/18/2022 3:32 PM
63371	They give me hope that will be free again	2/18/2022 3:32 PM
63372	Brought attention to the government braking the laws of The Canadian Charter of Rights. Government braking the laws of the Nova Scotia Human Rights Act. Unions excluding unvaccinated members and not fighting for their rights. Collective agreements broken at will with no consequences for the government or unions. Dr.'s not being able to practice medicine without being pressured by government.	2/18/2022 3:32 PM
63373	Limited supply of needs	2/18/2022 3:32 PM
63374	It gives me a sense that at least some people out there will stand for what is right.	2/18/2022 3:32 PM
63375	has gave my 10% hope that this country is still worth living in	2/18/2022 3:32 PM
63376	It has inspired me and has given Canadians a hopeful freedom.	2/18/2022 3:32 PM
63377	It really opened my eyes to how manipulative the CBC is and I have lost faith in our media. I grew up on the CBC and always trusted it even though I knew it was a little bit biased sometimes. But what just happened was a real eye-opener.	2/18/2022 3:32 PM
63378	It gives me hope. For the first time in decades I am proud to be Canadian.	2/18/2022 3:32 PM
63379	Gave me hope in humanity	2/18/2022 3:32 PM

63381	Makes me proud to be canadian.	2/18/2022 3:32 PM

63384	Made me proud to be Canadian for the first time in a long time.	2/18/2022 3:32 PM
63385	Terrible for mental health and our country. Well, when I'm not laughing at the extra ridiculous parts of it. Cancelled at trip to Ottawa to avoid lunatics.	2/18/2022 3:31 PM
63386	It's brought hope	2/18/2022 3:31 PM
63387	It has given me hope that there may still be a chance for this country. I have been contemplating moving to another country where medical freedom is honored.	2/18/2022 3:31 PM
63388	It has given me and millions of other Canadians hope that life might finally return to normal. Enough is enough. As Doug Ford most recently said....."We're done with this."	2/18/2022 3:31 PM
63389	They are there to take a stand, they have quit their lively hoods to help organize a change.	2/18/2022 3:31 PM
63390	Awareness of the passion, strength and love of big Canadians and the revival that is coming to our land	2/18/2022 3:31 PM
63391	It has not affected my life	2/18/2022 3:31 PM
63392	Gave me hope that, we may keep our freedom yet, and not turn into a communist's country!!	2/18/2022 3:31 PM
63393	It annoyed me and then Alberta lifted the restrictions	2/18/2022 3:31 PM
63394	It's caused worry over my family in Ottawa, and embarrassment over my Premier's endorsement of sedition, and how this makes Canada look on the global stage.	2/18/2022 3:31 PM
63395	Go truckers!!	2/18/2022 3:31 PM
63396	I've realized how misinformed the truckers and their supporters are about the pandemic and government.	2/18/2022 3:31 PM
63397	Gave me strength and hope	2/18/2022 3:31 PM
63398	Sense of hope and freedom. Proud to be Canadian today.	2/18/2022 3:31 PM
63399	Made me proud of peaceful Canadians who fight for justice for all	2/18/2022 3:31 PM
63400	no	2/18/2022 3:31 PM

63402	none	2/18/2022 3:31 PM
63403	Gave me hope	2/18/2022 3:31 PM
63404	Canadians standing up for the rights of all CANADIANS! Our country is under a MP that should be removed for all the crimes, including treason he has caused the country for his own gains. There was no hope until these brave men & women took the steps to get our freedom back.	2/18/2022 3:31 PM
63405	Lively hood	2/18/2022 3:31 PM
63406	As a child I lived through the Second World War, at the time living in England, on very little rations that most people in this day and age, cannot even imagine. The trucking convoy has not affected my life.	2/18/2022 3:31 PM
63407	Given us hope for justice we love them.	2/18/2022 3:31 PM
63408	It has given me hope and pride, knowing so many people are feeling the same	2/18/2022 3:31 PM
63409	The convoy has given me hope, has given my family hope. It showed us we are not alone, that there are others willing to stand up for what's right and fight for our freedoms	2/18/2022 3:31 PM
63410	It gave me a renewed sense of hope. It sickens me to see how these peaceful protestors are now being treated.	2/18/2022 3:31 PM

Canadians vote on Canadian Mandate - February 2022

63411	its given me hope and truly exposes trudeau's views as a dictactor	2/18/2022 3:31 PM
63412	Made me so proud! And hopeful again until Trudeau started being a tyrant.	2/18/2022 3:31 PM
63413	Giving hope on freedom back in Canada.	2/18/2022 3:31 PM
63414	Made me proud of being a Canadian	2/18/2022 3:31 PM
63415	It gave me hope until our PM decided to act like a spoiled brat instead of a leader.	2/18/2022 3:31 PM
63416	They gave us hope. We are so grateful they are a presence in our nation's capital. They represent us and millions of Canadians who won't take the abuse of the government any longer.	2/18/2022 3:31 PM
63417	Hope, restoration of faith in my fellow Canadians	2/18/2022 3:31 PM
63418	They have given me hope for the first time in a year and a half. As I am writing this the RCMP and police are in Ottawa arresting and towing and threatening the peaceful protesters with VIOLENCE. What is wrong with these men? Don't they have fathers, mothers, sisters, brothers, wives and children? Is this how they would want their families to be treated. They are taking orders from those that just months ago were wanting to defund them!!! Disgusting and unbelievable!	2/18/2022 3:31 PM
63419	I'm watching and hope they are successful.	2/18/2022 3:31 PM
63420	They have given us hope!	2/18/2022 3:31 PM

63433	Has given me some hope of freedom.	2/18/2022 3:31 PM
63434	The truckers have given me hope in the respect that there are still true Canadians that will fight for the freedom of choice, opinion and religion that are in our Constitution! Trudeau needs to read it!	2/18/2022 3:31 PM
63435	Yes .. I hope and pray for there success	2/18/2022 3:31 PM
63436	i love that they are standing up for the freedoms of canadian citizens. I support	2/18/2022 3:31 PM
63437	It has meant food shortages in stores and total disruption for the citizens of Ottawa.Sadly, truckers who supported the convoy will no longer be able to cross the border (they are felons) so until we are able to hire new truckers shortages will continue.	2/18/2022 3:31 PM
63438	Very positively	2/18/2022 3:31 PM
63439	I finally feel support	2/18/2022 3:31 PM
63440	sad for the children used as human shields	2/18/2022 3:31 PM

Canadians vote on Canadian Mandate - February 2022

63442	It hasn't really but I support them	2/18/2022 3:31 PM
63443	These wonderful men and women have brought ♥ and peace. They have reminded me of what is really important. They have brought hope and Jesus Christ back into our lives by hearing them pray and sing gospel songs. I HAD boots on the ground for a few days and can tell you there was never even a sniff of violence amongst the truckers. I'm sure trudeau had a few plants sent so he could lie and bring a whole lot more division...a whole . It seems that is what this pm does best	2/18/2022 3:31 PM
63444	Witnessing a unifying presence of Canadians and the world in general. Restoring hope.	2/18/2022 3:31 PM
63445	They gave me hope. Canada is still a great country with great people.	2/18/2022 3:30 PM
63446	Brought hope	2/18/2022 3:30 PM
63447	I support the truckers 100percent	2/18/2022 3:30 PM
63448	Not at all , honestly.	2/18/2022 3:30 PM
63449	Given us hope for a brighter future from tyranny	2/18/2022 3:30 PM
63450	Has given me hope and finally feel patriotic again.	2/18/2022 3:30 PM
63451	It has given me hope, inspired me, Made me feel.proud to be Canadian.	2/18/2022 3:30 PM
63452	The trucking convoy has restored my hope in humanity and my country. I do not agree with violence in any way, shape ,or form and I have seen none of that by the convoy however I have seen it through the police, the media (by not reporting the truth) and by our Prime Minister who has slurred hate from the beginning of all this Covid related affairs and also with the Trucking convoy. Also within the cabinet.	2/18/2022 3:30 PM
63453	I'm proud to be a Canadian again, because of them.	2/18/2022 3:30 PM
63454	It brought hope!!! ♥	2/18/2022 3:30 PM
63455	It was great in the beginning but once they made their point they should of left Ottawa	2/18/2022 3:30 PM
63456	For the first time in a very long time I can again say I am proud to be a Canadian They gave me hope that our country my not completely lost after all	2/18/2022 3:30 PM
63457	IN A BIG WAY - I live downtown and you assholes have taken sleep, sanity, and dangerously affected the livelihood of myself and ALL of my neighbours. Leave!!!	2/18/2022 3:30 PM
63458	It has inspired me and made me see more patriotism than I've seen in a lifetime. My son in law is in it since the start, and I couldn't be more proud of him. But watching our ineffectual government, heartless, uncaring and today, ruthless in enacting the emergency measures act, has me utterly appalled and ashamed!	2/18/2022 3:30 PM
63459	It hasn't directly affected my life. I feel this has been a long time coming. The government can't keep people prisoners of this pandemic forever.	2/18/2022 3:30 PM
63460	It is given me a sense of hope when I have not had any for over a year. It it has united me with like-minded citizens and opened my eyes to the political facets of this pandemic and our government.	2/18/2022 3:30 PM

I am so proud of the truckers standing up and saying no more. That this isn't fair. This isn't right. Segregation is wrong. And the leadership of this country saying that it's a choice are lying. It's not a choice. It's manipulation. Thank you truckers for bringing back the spirit of Canada.	2/18/2022 3:30 PM

63568	Give that's hope for freedom	2/18/2022 3:28 PM
63569	Polluted my city with noise, exhaust, and shit (literally, people shitting in public downtown). I've a shut-in relative downtown whom I visit every other day. The trucking convoy downtown has made getting to see him hard and my time with him strained (not least of all because of the constant honking of horns)	2/18/2022 3:28 PM
63570	It has given us hope. I REMEMBER HIS FATHER.	2/18/2022 3:28 PM
63571	I spent 2 lonely years feeling like a misfit. The truckers convoy was like a breath of fresh air, and I didn't feel alone anymore.	2/18/2022 3:28 PM

63581	Gave me some encouragement, as well as felt proud to be a Canadian again, for the first time in two years	2/18/2022 3:28 PM
63582	It has brought me hope. I feel very thankful for what they are doing. They are standing up for all of our rights and freedoms. I am very proud of them for putting their lives on hold. They are very brave and compassionate to be speaking up, supporting each other. They are protesting peacefully and respectfully which is beautiful to see. There is music, dancing, food, drinks, hand warmers, socks available for anyone. There's no hate, judgement and discrimination. There is so much happiness, support and love. They are teaching so many people including the kids what it means to be powerful, do the right thing, stay true to your heart and beliefs. The convoy has given me a reason not to give up, to stay hopeful, positive, grateful and find ways of showing my support. Sure, people are saying that it is disruptive but it's all for good reason. If we can come out of all this tyranny, coercion, fear, hate and control from our government and media then it will be so worth it.	2/18/2022 3:28 PM

63610	Brought hope to me	2/18/2022 3:27 PM
63611	They have stood up peacefully with integrity and shown the true face of the government powers, how equalization pays for vote sway, unfair representation with more seats for Quebec than BC and Alberta combined which havve a much greater population combined. 660 million out of our pockets to supplement media willing to mislead the public with biased an frankly untruthful narrative . I learned a lot .	2/18/2022 3:27 PM
63612	The Convoy has given hope and clearly influenced every province in Canada to end mandates.	2/18/2022 3:27 PM

Canadians vote on Canadian Mandate - February 2022

63615	<p>This convoy restored my hope in humanity. People who were willing to stand up and say no for me and for many others who are being abused by the government and sadly the nation of people who support these mandates without a care for others. Lifting mandates does not mean they suddenly cannot wear their masks or will need to stop taking boosters, but it allows everyone to live free of discrimination. I also observed given the speed of transmission of omicron and the last 3 weeks of protests with no social distancing nor masks, our cases, hospitalizations and ICU are in decline.... so please tell me with your eyes open if you think these mandates are still necessary even 1 day longer? The other thing is for years I thought people in the country had lost the love, unity and friendliness I experienced when I first visited as a 7 year old that drew me to university and to live here. Since the convoy I can say I experienced genuine love and unity and no I am not white. This has been a positive experience up until our PM chose to not engage much like he did for the Reconciliation and Truth with the Indigenous People. In fact he chose to continue to insult and inflame the situation and throw tantrums in parliament. I have never felt more ashamed for any individual. Pushing people to escalate protests because you refuse to have a peaceful conversation or consider a different way. The bridge blockade I would agree was challenging but it was the first time he woke up so I would extremely sadly have to say it was the only thing that was effective with him and the premiers. What is wrong with the leadership in this country? The convoy in my opinion forced many to think about what is going on versus complacently sit at home convincing themselves all was well while many in the country were suffering and believing they were "rare" and "not relevant". They elevated the fact that our media do not represent the truth nor anything neutral. For the first time many were realizing they were only getting a one sided story and started to wonder "what else was one-sided in the last few years?" Sad that it had to come to this, and I hope and pray we bring an end to this quickly and peacefully as this has been a devastating week for Canada, democracy and humanity.</p>	2/18/2022 3:27 PM
63616	It gave me hope that rights and freedom is still a canadian value	2/18/2022 3:27 PM
63617	I am awake now, government is corrupt as well as legacy media. This is a peaceful winter festival	2/18/2022 3:27 PM

63620	Not much, except to worry about the poor citizens of Ottawa, etc. who have been directly affected, and to worry that more looney tunes will feel emboldened to impose their ignorance on others.	2/18/2022 3:27 PM

63624	Has given me hope for a better future, end of mandates, hope to return to normal life. Proud to be Canadian, proud of those fighting for us. Feel without the convoy, Canada was on a very slippery slope to non-democratic state. Want the truth to come out & expose all those involved in the mascarade.	2/18/2022 3:27 PM
63625	Positive given back hope	2/18/2022 3:27 PM
63626	It is NOT a trucking convoy. It is an attempt by a handful of mentally deficient and foreign backed nut jobs to bully their way to a couple of minutes of notoriety. Stresses me out & caused me to bring 'protection' when attending a cancer screening recently. <<< Senior & NOT afraid to protect myself against violent offenders.	2/18/2022 3:27 PM
63627	It has given me hope and I am so proud to see so many coming together in unity.	2/18/2022 3:27 PM

63630	Seeing these people with such courage and integrity standing up to injustice has been tremendously encouraging. It has caused much to be exposed in Ottawa and I see justice coming.	2/18/2022 3:27 PM

63631	It has had no negative impact on my day to day life other than the increased policing costs for completely unnecessary police actions.	2/18/2022 3:27 PM
63632	It's given me hope	2/18/2022 3:27 PM

63636	Given me hope, that the perpetrators of this crime may one day see justice in an unjust country. When law returns so will normalcy.	2/18/2022 3:27 PM
63637	Given me more hope that the falsely labeled "fringe minority" is helping raising the collective consciousness of Canadians and others on a wide range of inequities and corruption.	2/18/2022 3:27 PM

63640	It gives me hope.	2/18/2022 3:27 PM
63641	It has made me so happy that they are fighting for our freedom and trying to stop Trudeau's corrupt communist ways of total control of hard working tax payers.	2/18/2022 3:27 PM
63642	Did not but made me realize that Canadian government is against its people	2/18/2022 3:27 PM

63645	Not at all I stand with them	2/18/2022 3:27 PM
63646	It has filled me with Hope and Canadian Pride. Canada was becoming a totalitarian country , a very scary place to live under a very self absorbed prideful Prime Minister, he divided the country, but law abiding hardworking Canadian truckers and their supporters stood up for freedom, took a stand against Trudeau's tyranny and United freedom loving Canadians , I still have faith that God will deliver us and the truckers .	2/18/2022 3:27 PM
63647	I support the truckers and all Canadians that are standing up for Canadian rights and freedoms.	2/18/2022 3:27 PM

63654	It has given us hope again. Hope that there are people out there (so many people) who feel the way we do. It has given me courage to not feel ashamed in public.	2/18/2022 3:26 PM
63655	Makes me proud to be a Canadian, until I see JT	2/18/2022 3:26 PM
63656	Hope for a better future	2/18/2022 3:26 PM
63657	I love it a. They have exposed the tyranny of our current government. It's unfortunate that many Canadians will never know the real truth due to the MSM being bought and paid for. They spin everything to try to minimize government corruption.	2/18/2022 3:26 PM
63658	I love to see that people are coming together for the same objective and they support each other	2/18/2022 3:26 PM

63667	They are definitely bringing about change. I don't think people realize how much	2/18/2022 3:26 PM
63668	It has had a positive impact on me as I feel like they are sharing my voice. I felt like I didn't have the ability to voice my opinions and now I am able to express what I've thought the whole time. I have loved seeing people help others. Show kindness. Provide entertainment (street hockey bouncy castles drumming and singing). Help those stuck. Offer rides, words of encouragement, places to stay and set up bbqs to feed others. Love the Canadian pride. I love that I get to share my thoughts here in this survey due to the convoy.	2/18/2022 3:26 PM

63676	It has given me hope, seeing the positive response from Canadians in communities across the country supporting truckers as they drove to Ottawa, and joining them there over the past 3 weeks.	2/18/2022 3:26 PM
63677	Make me laugh	2/18/2022 3:26 PM
63678	It has been the most positive event to happen during the last two years, giving us hope that so many others feel that what's happening is so wrong. We want our freedom back.	2/18/2022 3:26 PM

63689	It made me have hope in Canadians. It was great to see unity, when politicians only focus on destruction. We could solve Canada by keeping "Canadians " , and eliminating the federal government.	2/18/2022 3:26 PM

are trying their best to destroy everything Canada has always stood for. Most have lost their jobs, businesses, homes and some, even their families. Mr Trudeau (who is not honourable in any sense) has turned us against each other with his lies and his personal mandate, who literally told the world he admired China's governing methods and is obviously trying to govern us the same way! The TRUCKING CONVOYS has given me the only glimpse of my country's purpose for being in this world at all for the last 2 years. Without them we would have no hope at all! God bless the Truckers and may God deal justly with Justin Trudeau, offering him the same amount of care and mercy JT has extended to the Truckers Convoys and us, their fellow countrymen and women. What kind of lives are our children/grand children going to inherit wherein the money is all gone and all they'll receive is a mountain of debt, government controls, lack of privacy, lack of honor, and I'm sure God's name will be removed from everything and they'll have to rely on a Communist government who cares nothing for them. As far as I'm concerned the Truckers Convoy is representing me and my family way better than this government!

63691	It's the first time i've been proud to be Canadian in 2 years	2/18/2022 3:26 PM
63692	Fuck off, fascist scum!	2/18/2022 3:26 PM

63695	It has given me hope that there are other like minded individuals fighting for Canadian rights and freedoms, all guaranteed by the charter, all thrown out the window over a cold.	2/18/2022 3:26 PM
63696	Seeing all these dumbass anti science protesters is really grinding my gears	2/18/2022 3:26 PM
63697	It has given us hope for a better future in Canada and the chance to bring back true democracy, the kind that the liberal and NDP government have spent the last many yrs working hard too strip from us!!	2/18/2022 3:26 PM
63698	I'm a courier who works and lives in Ottawa, so it has affected my and many others of my friends and co-workers.	2/18/2022 3:26 PM

63700	Added anxiety	2/18/2022 3:26 PM
63701	Every time one of them opens their mouth some brain cells die. The bar I had in mind for how stupid humans can be was lowered by the trucking convoy. I'll probably be able to buy some cheap trucks at auction pretty soon. Made a lot of friends at the Ram Ranch.	2/18/2022 3:26 PM
63702	I have such respect for truck drivers. I'm proud of them for standing up to the government! My father is a trucker and i support what the truckers are doing.	2/18/2022 3:25 PM
63703	We saw federal government overreacting and refusal to listen to valid complaints from its citizens	2/18/2022 3:25 PM

63711	Followed the event and prayed for them.	2/18/2022 3:25 PM
63712	It's been great. First time in a long time, I am proud to be Canadian. So happy to be fighting peacefully for Our FREEDOM! So sad 😞 right now, for what's happening in Ottawa, with a peaceful protest, it's so evil.	2/18/2022 3:25 PM
63713	Just made me happy to see the people standing up for our rights!	2/18/2022 3:25 PM

63717	The flutruxklan losers stopped me from supporting small local businesses because they made it unsafe to go into certain areas in my own community. I hope the 90% of truckers who don't support those loser grifters find a way of blacklisting those who participated in the convoy for the safety of our supply chain.	2/18/2022 3:25 PM

63734	It gave me hope and restored my pride in this great nation.	2/18/2022 3:25 PM
63735	The convoy has given my kids and I hope. My 6 & 8 yr old packed their bags to go to Ottawa when they heard about the convoy. We weren't able to go due to finances, but my they wanted to go to the rallies in Vancouver and make signs. They are finally smiling again. The truckers are doing what I'm not able to do right now. To stand up for my kids freedom to choose. Freedom in general. This all started as Covid mandates but it has turned into a fight for Canadian Freedom and Rights. I want to stop being discriminated against for a allergy to the shot. I want to be able to enroll my children in the activities they want, to coach their sports again, to go to restaurants for birthdays, go swimming, and travel. The truckers are standing up for my rights to do that!!! They truely are hero's and I wish there was more I could do to support them without fear of vandalism, harassment or finances being frozen.	2/18/2022 3:25 PM
63736	Positive Peaceful Protest to get back our God Given Rights	2/18/2022 3:25 PM

63742	Only piece of light if have seen in the last 2 years. I finally felt some hope. Now seeing the arrests being made is very upsetting.	2/18/2022 3:25 PM
63743	To be honest, I think this whole convoy is stupid, it hasn't really effect my life that much; however, I do feel bad for the people who live in Ottawa because of these stupid truckers.	2/18/2022 3:25 PM
63744	It hasn't	2/18/2022 3:25 PM

63784	I'm inspired.	2/18/2022 3:24 PM
63785	It has brought a light into my life after two years of misery, seeing people unite regardless of personal medical history. One unified nation showing what Canadians are made of and what we built this great nation on thanks to our forefathers fighting for our rights and freedoms in our wars. We are unified in our fight for our freedom and rights which have been all but taken away from us. This needs to stop and our prime minister needs to be thrown into the street and out of parliament. Worst thing that ever happened to Canada	2/18/2022 3:24 PM
63786	Made me happy	2/18/2022 3:24 PM

63789	Emotional and proud of them who are able to do this	2/18/2022 3:24 PM
63790	Brought terror to friends and family in Ottawa	2/18/2022 3:24 PM
63791	Disturbing, worship of the ignorant, without law or respect for others, which uses children as a shield, peddles and amplifies falsehoods. The convoy tarnishes the image of Canada, of the provinces, of the municipalities. No respect for the flag or for others. Why, so that bastards get rich with bogus funds. Harass citizens, employees, business people who don't think like them or who wear masks. These are Trumpisms without faith or law or respect for others, liars. Yes, it bothers me.	2/18/2022 3:24 PM
63792	Trucking convoy brought hope that Canada will become free country. Truckers are good, lovely, hardworking people, they drove from all over the Canada to capital city Ottawa to stop the madness delivered from tyrant prime minister. Enough is enough Freedom for Canada !!!	2/18/2022 3:24 PM
63793	Has given me hope that all is not lost. That people still care for individual choice and individual freedoms. It has been one of the greatest things that has happened over the last 2 years.	2/18/2022 3:24 PM

63802	It has given me hope	2/18/2022 3:24 PM
63803	The convoy has made me want to be Canadian again! It has also opened my eyes to how corrupt the government and media is. Peaceful protest has no meaning in Canada because the government doesn't abide by the Constitution or the Rights of people to peacefully protest. We are planning to move out of Canada and denounce our citizenships. This is no longer a great Country to live in.	2/18/2022 3:24 PM
63804	Hope	2/18/2022 3:24 PM
63805	General feeling of distrust whenever I see a truck w/ a flag. Distrust neighbours. Saddened that there are so many white supremacists and hateful people in our country/province. Learned about how to block trolls/bots on twitter.	2/18/2022 3:24 PM
63806	Hasn't	2/18/2022 3:24 PM
63807	Shown to the world that a small fringe minority can hurt innocent gallows citizens simply to grift some cash. They have destroyed businesses and I hope the class action is decided in favor of Ottawa residents.	2/18/2022 3:24 PM
63808	They stand up for my freedom.	2/18/2022 3:24 PM
63809	I have hope again.....These people, good hard working people, gave me hope.....I pray that the good people in this country will have a voice. These truckers stand for love, peace and freedom to chose....This convoy inspired many and Truly have given us hope.....Please help them....Our government didn't even speak to them once.....but instead arrested good people who committed no crime.....this is Very wrong.....Please please help us...Arresting good citizens, freezing private accounts, freezing private donations.....It's all extremely WRONG. Most of ud can see the wrong this government is doing...The World can see it too....But most of all God can see the terrible overreach this government is committing..Against Canadians who just want to live and work in peace and freedom.....Please help us....People in this country need help.... THANK YOU FROM MY HEART...	2/18/2022 3:24 PM
63810	It has given me hope. Made me so proud to be a world leader in peaceful protests. I can feel a camaraderie with this group.	2/18/2022 3:24 PM
63811	Gave me something to point at and laugh	2/18/2022 3:24 PM
63812	Given me hope	2/18/2022 3:24 PM
63813	It's giving me hope. I can see a light at the end of this long dark tunnel. It's given me a sense of pride for Canada again!	2/18/2022 3:24 PM
63814	It has made me pay attention to what happens in Ottawa and on parliament Hill. The fact our prime minister can walk out of question period multiple times with no consequence is baffling. It shows the elite vs the regular citizen. The people supporting sta ding on every overpass on the way to Ottawa is inspiring. Watching people play street hockey and snow ball fights as a protest gives a new meaning to peaceful protest.	2/18/2022 3:24 PM
63815	Encouraged to see free people stand up for what they feel is right in a peaceful manner. This is not true for the governments handling of the protest.	2/18/2022 3:24 PM
63816	I support this peaceful movement.. too bad Justin just didn't talk to them. Now I see Justin Trudeau as a 2022 Hitler.	2/18/2022 3:24 PM
63817	It has blessed my life with a bit of Hope , we are all not going to be brainwashed into this population reduction plan.	2/18/2022 3:24 PM
63818	The trucker convoy has Made me proud to be Canadian again, especially after Justin made us embarrassed to be Canadian.	2/18/2022 3:23 PM
63819	It hasn't affected me.	2/18/2022 3:23 PM
63820	Positively, it has proved that the people are not happy with the pathetic PM	2/18/2022 3:23 PM
63821	They have given me hope! ♥	2/18/2022 3:23 PM
63822	None	2/18/2022 3:23 PM
63823	Not affected, I totally support their legal protest to fight for our freedom and rights.	2/18/2022 3:23 PM

Canadians vote on Canadian Mandate - February 2022

63824	It hasn't	2/18/2022 3:23 PM
63825	embarrassing to see the entitled village idiots of the country in one place	2/18/2022 3:23 PM
63826	It's giving me a fucking headache all the way across the country. For fucks sake go home. You're not speaking for everyone. You're not in the majority. Please get some counselling to help you through this and stop harassing the poor people living in Ottawa. Geez!	2/18/2022 3:23 PM
63827	Encouraging and supportive of the issues we face concerning these mandates. Also brought unity to Canadians across our country.	2/18/2022 3:23 PM
63828	Give me hope	2/18/2022 3:23 PM
63829	I have been encouraged	2/18/2022 3:23 PM
63830	It has brought hope and love back to the people instead of fear	2/18/2022 3:23 PM
63831	Besides the fact that we are calling seditious, insurrectionists and conspiracy theorists and racists - truckers - I worry about the people lost to this line of thinking. They are not ok. I love far enough away that the occupation has not touched my daily life. But I have neighbours with their support on display. It's gross. People their with family and kids are gross. But I feel for them. They have lost their minds. And that requires professional help. Democracy is fragile and lunatics seem bent on destroying it because they aren't getting what they want. They are not the majority. But many will be lost to this type of thinking. Many already were. It's not new. I think the country needs to take this very seriously. I'm sorry our provincial premier supports the destruction of democracy - hopefully he will step aside for someone more respectful of the process. It has been heartbreaking to watch the majorities voice be ignored for a few reprehensible and loud 'truckers'. Heartbreaking.	2/18/2022 3:23 PM
63832	It has helped	2/18/2022 3:23 PM
63833	It hasn't affected me at all.....Trudope should answer this question	2/18/2022 3:23 PM
63834	\$\$\$\$\$\$\$\$	2/18/2022 3:23 PM
63835	It has brought hope for the future of Canada. And it has shown me I am far from alone in my fear of becoming a communist country. My body my choice and unlawful "punishments" for a personal choice goes against my rights as a Canadian citizen	2/18/2022 3:23 PM
63836	It's one of the best things to happen in the last 2 years! Go truckers! Freedom for everyone! Suck it Trudeau!	2/18/2022 3:23 PM
63837	It hasn't	2/18/2022 3:23 PM
63838	The convoy has brought much joy and unity into the lives of Canadians. All walks of life have been able to speak out and have restored faith in humanity.	2/18/2022 3:23 PM
63839	It has pushed governments to show their true self.	2/18/2022 3:23 PM
63840	They showed that many things are wrong in Canada, so much bias and no more empathy between people. It's awful where this world is going	2/18/2022 3:23 PM
63841	Non at all.	2/18/2022 3:23 PM
63842	It hasn't other than gave a modicum of hope	2/18/2022 3:23 PM
63843	It has given hope that something good would have come from the government mishandling of the covid virus. Light exposes the darkness and that is what the trucker convoy has exposed. The government is completely corrupt and all the people working for its institutions have no moral compass to dictate to anyone what is good for them.	2/18/2022 3:23 PM
63844	love it freedom	2/18/2022 3:23 PM
63845	Gave me hope.	2/18/2022 3:23 PM

63856	Very little but those people are doing stuff the lot of us won't.	2/18/2022 3:23 PM

63869	They have given me hope that I haven't had in 2 yrs and have brought out many truths of how corrupt our government is.	2/18/2022 3:23 PM
63870	The convoy has shown me that I am nowhere near alone in my thoughts and feelings towards the government and the restrictions. The government doesn't get to decide what I do with my body and who I see for Christmas and where I go to worship my God. The government is overstepping and Canadians have had enough. The convoy has given me hope.	2/18/2022 3:23 PM
63871	Has raised my blood pressure and eroded my faith in the Canadian education system, as the majority don't seem to know how Canadian government works	2/18/2022 3:23 PM

63885	Has kept me from having access to my mother during her transition to long term care facility.	2/18/2022 3:22 PM
63886	It gave me hope that Canada could come back from the brink of fascism until the federal government imposed the emergency measures.	2/18/2022 3:22 PM
63887	Jason Kenney lifted some of the mandates in AB after the trucking convoy protests had started. That could have been from that pressure. But as an individual, it has not impacted me (noise, traffic accessibility etc.) Based on where I live.	2/18/2022 3:22 PM
63888	Embarrassed and misrepresented Canada on the world stage. Go home!	2/18/2022 3:22 PM

63902	Materially worse! You're a bunch of assholes making my family and friends' lives miserable!	2/18/2022 3:22 PM
63903	The trucking convoy hasn't had an impact on my life in the micro. Ideally in the macro it will have a positive impact I terms of reducing/eliminating restrictions.	2/18/2022 3:22 PM
63904	I have renewed faith in humanity.	2/18/2022 3:22 PM
63905	Enormous disruption. Harassment and threats of violence. Disgusting people, total authoritarian garbage. "Freedom" only to dominate others.	2/18/2022 3:22 PM

63910	Its made my elderly disabled mother who lives in Centertown at risk of harassment and abuse and I've lost friends and family to the conspiracy that this was a "trucker" protest instead of what it actually was...an attempt to overthrow the govt	2/18/2022 3:22 PM
63911	Brought back hope and the beautiful Canadian spirit Realized we are not alone	2/18/2022 3:22 PM

63912	made me feel justified in my disgust towards our prime minister and his constant name calling of canadian citizens being racist when we do not agree with him,, can't stand his smug and inappropriate dictator type behaviour.. he has no empathy or care for our nation	2/18/2022 3:22 PM
63913	It's helped voice my opinion on how I feel about the mandates. I'm tired of the government control. It's given me some hope on when things when will get back to normal.	2/18/2022 3:22 PM
63914	The truckers have given me a sense of hope and unity, the way Canada should be.	2/18/2022 3:22 PM

63920	Made us feel hopeful that this would come to an end.	2/18/2022 3:22 PM
63921	It has hurt people I care about, my friends have been physically threatened by members of the convoy and it has scared my children badly. It has prevented people close to me from making their living because it was not safe for them to go to work so their workplace closed. I support the right to peaceful protest but this has not been that.	2/18/2022 3:22 PM
63922	Brought unity between people of all races, creeds, genders, like I have never seen before. Helped to drop provincial mandated and expose the tyrannical ideas of Justin Trudeau.	2/18/2022 3:22 PM

63941	It's annoying and has me fearing for our society.	2/18/2022 3:21 PM

vocal minority were influencing health-based policy decisions. Could make for fun protests in the future for more important things though.

63943	Given me hope	2/18/2022 3:21 PM
63944	Glad they are speaking up	2/18/2022 3:21 PM
63945	It has made me proud to be a Canadian again	2/18/2022 3:21 PM
63946	Not at all, it's a peaceful protest.	2/18/2022 3:21 PM
63947	Unsure	2/18/2022 3:21 PM
63948	I'm glad people are standing up for the rights of Canadians. I've seen our freedoms slowly being removed ever since "Windows 10" was introduced by Microsoft as the new Platform. Nothing is private anymore. I'm upset that the government spied on so many Canadians phone calls and data. I'm upset that parents no longer can teach their own children what they believe is right or wrong. I don't like how kids are taught about sex education in kindergarden. Let kids be kids and let them make their own choices when they come of age. I don't like how some people have been denied application for adoption of kids in the West bc their Faith beliefs have been declared abusive by the Liberal government. I respect other peoples rights. Why can others not respect mine? I'm happy to mask and socially distance to help prevent risk of spread of Covid, bc I care. But people have the right to choose what's best for their own health. Taking that choice away violates my civil right to freedom of personal choice and also right to health , which for medical reasons, the vaccine in my personal situation would be threatening. I'm not an anti-vaxer. But I support the right of individual choice. I am thankful that many are listening to the truckers message and that it hits home. We all have the right to choose for ourselves. Let's get back to democracy's principle of letting people have their own opinion and making choices right for them.	2/18/2022 3:21 PM
63949	Given us hope that our country might have change	2/18/2022 3:21 PM

63952	Prayed for them every day and followed what was happening.	2/18/2022 3:21 PM
63953	For the first time there is HOPE, greater UNITY, feeling PROUD to be a Canadian again. Plus an awakening of truth that has reached more people and already started to shift things in a more positive direction.	2/18/2022 3:21 PM
63954	Brought joy and hope for a free Canada.	2/18/2022 3:21 PM
63955	It hasn't.	2/18/2022 3:21 PM
63956	the trucking convoy is made up of the absolute stupidest people i have ever interacted with in my entire life. in the last three weeks i have been harassed more by the neckbeards in downtown ottawa than i have in my entire life. if i had time, i would be downtown throwing rocks at them as they run away. can't wait to buy one of their stupid saunas at the police auction.	2/18/2022 3:21 PM
63957	Not at all.	2/18/2022 3:21 PM

63964	Negatively	2/18/2022 3:21 PM
63965	It makes me sad to see that it had to come to this(that our PM would not listen to the people as a whole)for "the Trucker Convey" to have to take a stand on what "Truth & true Canadians	2/18/2022 3:21 PM

63966	Hope	2/18/2022 3:21 PM
63967	I felt like there was unity amongst the minority and that there is hope. The trucking convoy shows bravery. And they should be honoured for standing up.	2/18/2022 3:21 PM
63968	It's given me hope	2/18/2022 3:21 PM

63970	It has given me hope and a light at the end of a long dark tunnel	2/18/2022 3:21 PM
63971	It has made somewhat proud to be Canadian again and hopeful that our country can come back to unity and we can get back to a free and normal life. Then you see what our government overreach is doing to its citizens and it makes me want to move out of the country and never return.	2/18/2022 3:21 PM
63972	It has disrupted trade causing increased inflation. It caused stress to my fellow citizens. It was an embarrassment.	2/18/2022 3:21 PM
63973	Gave me hope	2/18/2022 3:21 PM
63974	The trucking convoy has brought back renewed faith in Canadians; has lifted a heavy weight off of my shoulders that makes me feel alive again. It has given given me valuable information that the government is wasting money! Justin a Trudeau needs to resign immediately!	2/18/2022 3:21 PM
63975	I praised a convoy of truckers passing through on their way to Ottawa. The environment was so positive and uplifting. Brought a such hope that things were going to be made fair for all Canadians.	2/18/2022 3:21 PM
63976	Made me embarrassed to be canadian	2/18/2022 3:21 PM
63977	Gave me hope for freedom for all Canadians	2/18/2022 3:21 PM
63978	Encouragement	2/18/2022 3:21 PM
63979	It has brought a new hope. A new sense of belonging to a country I have began to dislike. I want success for the convoy and protesters	2/18/2022 3:21 PM
63980	I think the trucking convoy has brought Canadians closer together. It has made me proud to be part of this once great country.	2/18/2022 3:21 PM
63981	Proud	2/18/2022 3:21 PM
63982	No at all, it's given me a lot of pride to be a Canadian again. I was so ashamed to be a Canadian, now I have hope.	2/18/2022 3:21 PM
63983	Concerned why Trudeau never even had a meeting with them	2/18/2022 3:21 PM
63984	Peaceful warriors with deep Christian convictions. Locals, newcomers, people of all races and backgrounds in unity to converge for the ultimate victory against the evil one.	2/18/2022 3:21 PM
63985	Gave me hope	2/18/2022 3:21 PM
63986	Relief	2/18/2022 3:21 PM
63987	It has given me hope and to help others around who needs help when needed	2/18/2022 3:21 PM
63988	The convoy of terrorists has caused me and the citizens of Ottawa a lot of distress. The intimidation, the pollution (from the fumes, diesel, and general litter), the intolerance, and the general inconsideration of the people occupying Ottawa have resulted in over 20 days and nights of being afraid to leave my house, to not enjoy my home, not being able to sleep at night. The convoy has also caused distress to my two cats who have been hiding and be constantly on edge (which is abnormal behavior for them). As an Ottawa resident, I am accustomed to protests, but this is beyond a protest and beyond anything I have ever experienced in my home town.	2/18/2022 3:21 PM
63989	Very hopeful	2/18/2022 3:21 PM
63990	It has made me embarrassed to be be Canadian	2/18/2022 3:21 PM

64009	Gives me hope for my freedom to be returned	2/18/2022 3:20 PM
64010	Gave me hope that it would draw attention to the urgency to end mandates. I would never, NEVER have thought that we would find ourselves under martial law!	2/18/2022 3:20 PM
64011	It has given us hope. We can see that it has unified people from all backgrounds and all walks of life. It has encouraged an outpouring of peace and love for all people.	2/18/2022 3:20 PM
64012	gave me hope that similar voices against mandates would be heard by our govt, that we need change and need to stop the division of Canadians.	2/18/2022 3:20 PM
64013	Negatively. Anxiety through the roof. Stores, restaurants closed.	2/18/2022 3:20 PM
64014	It has given me hope for a brighter Tomorrow	2/18/2022 3:20 PM
64015	Gave me hope	2/18/2022 3:20 PM
64016	Awful. People don't understand what their rights are... we have is so very good in Canada... and they can't appreciate the difference between privileges & rights. Sketchy Convoy organizers have exploited those weary of the pandemic for their own nefarious objectives.... Comparing our democracy to a tyranny is disgusting. My parents lived in the Netherlands when occupied by the Nazi regime.... My grandparents were sent to work camps by the Nazis for hiding British & Canadian pilots. Never been ashamed of being Canadian until I saw people so misled, so misinformed and selfish to believe their privileges are more important than the safety of their neighbours. Will never vote CPC after they supported this fiasco.	2/18/2022 3:20 PM
64017	NIL It hasn't, other than give me a glimmer of hope that Canadians will beat tyranny!	2/18/2022 3:20 PM

64023	It's given me hope that people still actually care about the democratic process	2/18/2022 3:20 PM
64024	It has only opened my eyes all the more to the lunatics that live amongst us. Eyes wide open and motivated to end the far right lies and manipulation.	2/18/2022 3:20 PM
64025	no	2/18/2022 3:20 PM
64026	Can't go to Ottawa to encourage local businesses.	2/18/2022 3:20 PM
64027	Supply chain issues..... but it's nothing compared to the way the mandates have negatively affected me	2/18/2022 3:20 PM
64028	It hasn't	2/18/2022 3:20 PM
64029	The convoy has brought positive hope for change! It has also shown how corrupt main stream media is (not practicing proper journalism) as it has not shown the truth of what's been happening in Ottawa. Both sides of the arguments regarding vaccines or the convoy have never been represented. The censorship that has happened in the media and social networks has raised red flags for everyone. When freedom of speech is not allowed, we know there is a problem and things are being hidden. Trudeau's agenda became more evident to many when this censorship happened to the convoy.	2/18/2022 3:20 PM
64030	It's brought hope & filled my heart with love, happiness and a reminder that Canadians are united	2/18/2022 3:20 PM

64037	Given us hope that things will change and let people get back to work	2/18/2022 3:20 PM
64038	Gives everyone hope and exposes corrupt government	2/18/2022 3:20 PM
64039	Is support them. I have joined in peaceful conveys in small town Ontario. Everyone was respectful and peaceful. The government must listen to the other side of the story and the harm caused by mismanagement of the "pandemic". It has been a joy to stand with my fellow Canadians to speak to freedom of choice and against the hard-handed mass vaccination, mass masking policies when a targeted approach would have worked better. This has harmed children emotionally from the constant fear-mongering rather than a calm measured approach which is the way to deal with a health crisis. I am grateful for the truckers that acted as a catalyst that allowed people that have been told they "are not to be tolerated, that friends and family must shun them to come forward and speak why they choose not to get the shots. The time for this story is now. The PM and the government will be presented with all the evidence collected from the past 2 years why these measures did not work and have caused harm emotionally, physically, psychologically and spiritually to the Canadian people and people around the world. The truth of the harm caused cannot be suppressed any longer and it would be wise to listen now before we lose our Autonomy and Freedoms which are Canadian values and the cornerstone of democracy. With Great Gratitude to All Those That are Speaking Truth to Power.	2/18/2022 3:20 PM
64040	Given hope	2/18/2022 3:20 PM
64041	Renewed my hope and faith in humanity.	2/18/2022 3:20 PM

64043	It gave me hope for a change. It mobilized me to look into my rights as a Canadian citizen and gave me the motivation to defend them.	2/18/2022 3:20 PM

64044	Men are standing up for their families and community	2/18/2022 3:20 PM
64045	It hasn't.	2/18/2022 3:20 PM
64046	It made me feel unsafe to go downtown as well as trapped in my own city. Not to mention the added stress from my friends and family being impacted quite negatively by the protest. Watching my city get invaded by people being tricked into a protest by white supremacists like BJ Dichter and Pat King has been an absolutely horrifying thing to view that has also negatively impacted my mental health as well.	2/18/2022 3:20 PM

64061	It has given me hope...tears of relief fell for days as they were on their way. Tears still fall in moments where I see the truckers and when they share their stories and see the joy and people hugging and laughing and living!!!	2/18/2022 3:19 PM
64062	It has not.	2/18/2022 3:19 PM

again. I am truly grateful for what the truckers have done to stand up for our rights & freedoms.

64075	Not	2/18/2022 3:19 PM
64076	The truckers convoy gave me a better hope for the future again	2/18/2022 3:19 PM
64077	It has given us hope! We don't feel as alone or divided. For the first time since this all began we feel like someone is fighting for what is right and trying to challenge and change the actions of a tyrannical man who has clearly shown by his actions the past couple of weeks that he does NOT have Canada or the Canadian peoples best interest at heart. With his hate filled speeches and enacting the Emergencies Act he has shown that he will do whatever he can in order to divide and hurt people- that is not what a good leader does and definitely not what a true Canadian believes or how we act. I believe that he needs to be removed from power immediately, charged and held accountable for his many crimes from not only the past few years during the pandemic but for his whole time as Prime Minister!	2/18/2022 3:19 PM
64078	It has shed light on how many Canadians feel the same way, it has given people courage to stand up and share their stories, it has given hope that there are those that will stand up for what is lawful and true	2/18/2022 3:19 PM
64079	Brought me hope and courage for a better tomorrow. So thankful for them	2/18/2022 3:19 PM
64080	It has not	2/18/2022 3:19 PM
64081	It has not. I do not entirely agree that this is the path to take to make our opinions said. It is not environmentally friendly nor is it a great example to future generations.	2/18/2022 3:19 PM
64082	In an extremely positive way, it's given me hope and strengthens my faith and resolve	2/18/2022 3:19 PM
64083	Pro independence to be a Canadian again. Felt defeated until they stoop up	2/18/2022 3:19 PM

64089	Hasn't affected my life in the slightest, I support the convoy, wish I was there myself.	2/18/2022 3:19 PM

64094	Added faith in REAL MEN AND WOMEN	2/18/2022 3:19 PM
64095	It has given me hope that the government will realize they can't do whatever they want and shows them Canadians can and will stand up if needed	2/18/2022 3:19 PM
64096	To the better give me hope	2/18/2022 3:19 PM
64097	Gave me some hope.	2/18/2022 3:19 PM
64098	With great hope.	2/18/2022 3:19 PM
64099	It has given me hope for the future and made me realize that I'm not alone in my thinking.	2/18/2022 3:19 PM
64100	Noise. Stuck in traffic.	2/18/2022 3:19 PM

with the truckers involved in this cause have been peaceful with no violence and they have united together with peace and love. We as Canadians stand together!

64104	It gave me hope that we as Canadians could experience freedom once again in our homeland and not to be controlled by our government.	2/18/2022 3:18 PM
64105	I have family living in downtown Ottawa who have been harassed, verbally on the street, horns honking continuously, no car and grocery stores had to close, diesel fumes etc etc. It has been a nightmare for them. And now shortages due to blocking of us border.. shameful	2/18/2022 3:18 PM
64106	Given me hope.	2/18/2022 3:18 PM
64107	A bunch of violent, narcissistic, white supremacist cry babies harassing local residents and (moronically) demanding the overthrow of a democratically elected government and making total fools of themselves in the process, it's only given me something to laugh at and radicalized me to support inclusive community organizing.	2/18/2022 3:18 PM
64108	Blocked traffic and if everyone else has to follow rules...so should they to keep our produces safely handled	2/18/2022 3:18 PM
64109	It's given me hope that we still live in a democracy and reminds me that we deserve to have freedom of speech	2/18/2022 3:18 PM
64110	It's given us hope.	2/18/2022 3:18 PM
64111	It has brought back some Pride in being a Canadian , the unity is so beautiful .	2/18/2022 3:18 PM
64112	They made their point in Ottawa	2/18/2022 3:18 PM
64113	Shows that it is now not ok to peacefully protest or demonstrate in Canada - we are quickly losing our freedoms in this country and becoming much more communist and authoritarian - led by the select few that believe they can rule us instead of protecting us and our freedoms	2/18/2022 3:18 PM
64114	It gave me hope	2/18/2022 3:18 PM
64115	In no way, wish I could help support their fight for freedom	2/18/2022 3:18 PM
64116	trucker convoy haven't affected my life	2/18/2022 3:18 PM
64117	I am upset and embarrassed. Lost a lot of respect for people I know are supporters of the convoy.	2/18/2022 3:18 PM
64118	It has brought on a bright light, so hope hope, restored my faith in humanity, reminded me what it is to be Canadian! Positive vibes, a stand to make a necessary change in how we conduct not only our business, economics but maybe more importantly our relationships. To be together- this is our basic human nature. To live and support and be peaceful with one other in a 'free country'. Reminded people of our rights and had an impact on health and well being and the unity of our country and even our world! We are leaders!	2/18/2022 3:18 PM
64119	Gives me hope for our Canadian democracy	2/18/2022 3:18 PM
64120	Took over the streets of the city I live in. Protesters have harassed people I know. Blocking of major bridges between Canada and US may impact cost of food, etc.	2/18/2022 3:18 PM
64121	It has given me hope that changes will come. I have felt heard and understood by so many Canadians. I no longer am afraid to ask questions and share my thoughts.	2/18/2022 3:18 PM
64122	Giving me hope	2/18/2022 3:18 PM
64123	I found it very interesting and quite inspiring	2/18/2022 3:18 PM
64124	It gave me hope and I finally felt like there were people who had similar views. I felt way less alone.	2/18/2022 3:18 PM
64125	It has given me hope to regain our freedoms back! I am so proud to be a Canadian again! This convoy has made me laugh and smile and feel so much love in my heart! The power of love!	2/18/2022 3:18 PM
64126	They gave me hope there is light at the end of the tunnel. I am with them 100%	2/18/2022 3:18 PM
64127	Given me hope	2/18/2022 3:18 PM

spiked, I have been staying in, I have been trying to avoid the media as much as possible. I have felt like a captive in my city that has been taken over by these morons that decided they would occupy a city until the prime minister spoke with them. It has been a hostage situation and we have been told by the occupiers to join them or continue to be terrorized. There was an election in October. Where the hell were these goons then ? I voted (not liberal) and you don't see me throwing a tantrum. This has been tyranny by these occupiers and the irony has been lost on these morons

64129	It hasn't	2/18/2022 3:18 PM

64132	It has brought a spark back to mine and many Canadians. They are standing for what should never have been something we need to fight for. Our Freedoms! Canada is not a dictatorship country! Nor do any Canadians want it to be!	2/18/2022 3:18 PM
64133	It has not	2/18/2022 3:18 PM
64134	They didn't affect my life at all.	2/18/2022 3:18 PM
64135	I fully support them	2/18/2022 3:18 PM
64136	Gave me hope	2/18/2022 3:18 PM
64137	Inspired hope that change was coming	2/18/2022 3:18 PM

64139	well, they're embarrassing as fuck, so	2/18/2022 3:18 PM
64140	They are like the light at the end of the tunnel, not only have they been out there fighting for us, they have exposed so much of the corrupt government and media to people who previously believed all this BS!	2/18/2022 3:18 PM
64141	Bad	2/18/2022 3:18 PM
64142	It has provided some much needed insight into white supremacy and far-right extremism in Canada. Also has highlighted how much more needs to be invested into basic political and scientific literacy in this country.	2/18/2022 3:18 PM
64143	Finally gave me a glimmer of hope.	2/18/2022 3:18 PM
64144	The only ones who care about freedom in a free country	2/18/2022 3:18 PM

64149	A ray of sunshine the return the sun. My door has never been closed against the vaccinated nor the unvaccinated. It gave me hope in the ordinary fun loving Canadian. The ones I know, my family soldiers of two WWs who are now turning over in their graves , seeing the governments of this country kneel before evil. Bowing in reverence to a thing called justine Trudeau. Shame on every last one of them. We have no leaders. The convoy has led us to a world wide victory and will be remembered as such. The world is watching and loving the common people. Hope us what the convoy gave this country not no famned vaccine.	2/18/2022 3:18 PM
64150	Anxiety and anger towards organizers	2/18/2022 3:18 PM

64170	Unity instead of separations.	2/18/2022 3:17 PM
64171	It gave me the knowledge that I was not alone in my feelings. I no longer felt lost. I would have had respect for the government if they had sat down with them & had an adult discussion. But instead the government showed such immaturity and lack of respect. The Ottawa problems could have been solved a couple weeks ago. It is an absolute disgrace!	2/18/2022 3:17 PM
64172	It gave me such hope and showed me how many people were feeling like I am. Encouraging and uplifting.	2/18/2022 3:17 PM

64192	It's given hope to those who felt hopeless and alone. The government had segregated the people for 2 years, this 3 week convoy had done more to unite the people than the government has done in years. So yes I support the peaceful protest that is happening	2/18/2022 3:17 PM

64213	It hasn't affected my life directly. I do agree with everything they stand for. I don't necessarily agree with blocking roads and infrastructure but I do understand that regular protests go unheard and unnoticed.	2/18/2022 3:17 PM

64217	I think it's wonderful that people are standing up. Too many people got vaccinated out of duress	2/18/2022 3:16 PM

64220	It's given me some hope	2/18/2022 3:16 PM
64221	Gave me hope again.	2/18/2022 3:16 PM
64222	Showed me how despicable they are. Using their own children as shields against the police?! What the actual fuck. Why are they even there? How selfish and self centered can they be?! Not a fan of Trudeau but we just had an election. They claim to be patriotic but really they're just influenced by American rhetoric and Russians. I wish they would smarten up and stop buying into the qanon nonsense. Canadians need to stand up and oust these fake patriotic knuckle draggers. Ship them all to the states or Russia. Or the Middle East so they ACTUALLY understand that Canada is FREE (the fact that they weren't mowed down by tanks right away in Ottawa is proof)	2/18/2022 3:16 PM
64223	For the positive because I believe there are people that are willing to stand up for what is right and wrong, not the political part of it	2/18/2022 3:16 PM
64224	I'm grateful that there taking there time and money for this. If I could have attended I would have. They have made progress in some provinces and that wouldn't have been done unless the convoy happened	2/18/2022 3:16 PM
64225	No	2/18/2022 3:16 PM
64226	Brought hope & positive change for Canadians. The happiest I've been & seen Canadians in the past 2yrs	2/18/2022 3:16 PM
64227	I can manage, in support of them doing the right thing	2/18/2022 3:16 PM
64228	It make me free like I'm not alone in my stance, brought canadians together. I am happy they are standing up for canadians charter of rights and freedoms	2/18/2022 3:16 PM
64229	It gave me hope. For the first time I could see Canadians coming together. Then Trudeau gave me no reason to live here in Canada. If Canada is going in that direction with no personal freedoms, that is not a country I want to live in.	2/18/2022 3:16 PM
64230	The convoy has made it's point clear on the first weekend - and now it is time to move on. Being a former Ottawa resident, I am disgusted by the stories from my neighbours who have been harassed and attacked by people associated with the convoy (https://www.cbc.ca/news/canada/ottawa/moo-shu-ice-cream-employee-assaulted-ottawa-1.6341207). This 'peaceful' demonstration carries hateful rhetoric to my friends. And this for the sake of a few selfish in our country who don't have the guts to put on a mask for the sake of our community. If you are in the midst of those who believe their freedoms have been taken away, have a good look through someone's perspective who has been marginalized throughout their entire lives. To those reading this survey answer, look to your neighbours who may have a counter opinion to yours. You may realize your freedoms have never been stripped away, but you live in a society that is doing its best for the greater good of humanity.	2/18/2022 3:16 PM
64231	It abled me to stand up for the freedoms that my ancestors died for in world wars and other policing around the world for world peace.	2/18/2022 3:16 PM
64232	Not as much, but I'm not downtown.	2/18/2022 3:16 PM
64233	Not at all .Maybe we should seize politicians money when they panhandle for money. Other governments and from overseas.	2/18/2022 3:16 PM
64234	Gave hope we lost because of the PM	2/18/2022 3:16 PM
64235	Negatively. This hateful, ignorant, anti-science protest has no place in our society. Everyone involved should be punished to the full extent of the law. Pat King and Tamara Lich should	2/18/2022 3:16 PM

serve hard time. Every coward who brought their children to the protest and used them as human shields should have custody taken away.

64236	Gives us hope! Love it!!	2/18/2022 3:16 PM
64237	Given me hope and caused thought on what MP' and MLA's are doing. Opposing thought is good	2/18/2022 3:16 PM

64247	They are a gift from God!	2/18/2022 3:16 PM
64248	It has made my life actual hell for three fucking weeks, what the hell is wrong with these people thinking they can occupy a residential, low-income neighbourhood, terrifying and harassing people just out walking their dogs or whatever, squatting with impunity, littering, desecrating memorials, shuttering businesses that NEVER closed from mandates, and trying to overthrow the democratically elected government? It is mystifying that anyone thinks this was a "peaceful" protest, the cops gave SO much warning and did fuck all to protect my neighbourhood and clean my streets. Just awful.	2/18/2022 3:16 PM
64249	It has not except it has brought hope to many people across Canada and the World	2/18/2022 3:16 PM
64250	Made me hopeful once again.	2/18/2022 3:16 PM
64251	They have gave me hope	2/18/2022 3:16 PM
64252	This peaceful protest (despite the rhetoric being spewed by government members) has given me hope in a free tomorrow. Trudeau must be arrested and jailed for crimes against humanity.	2/18/2022 3:16 PM
64253	I was in the Canadian Forces, posted to Ottawa, living and working in Ottawa Centre during the FLQ crisis and WMA. This has triggered my PTSD and caused great anxiety.	2/18/2022 3:16 PM
64254	The convoy gave me hope for the future. They were standing up for our freedoms that we are losing.	2/18/2022 3:16 PM
64255	Hope	2/18/2022 3:16 PM
64256	Yes	2/18/2022 3:16 PM
64257	Extremely excited to see Canadians stand together from a place of Love, acceptance, unity, peace & solidarity. After hearing 2 years of fear, fear, fear... the truckers movement is what is most needed. All they want is to be heard. It is the PM's JOB to listen to their concerns & work with them. Trudeau is doing more harm than good.	2/18/2022 3:16 PM
64258	It has lifted my menal state immensely. To realize millions of others feel different than the one-sided narrative we have been listening to for the last 2yrs	2/18/2022 3:16 PM
64259	Not negatively...except for maybe watching too much online of the happenings	2/18/2022 3:16 PM
64260	Gave me hope	2/18/2022 3:16 PM
64261	For the first time in my life, I am proud of Canada and its citizens. This is our peaceful revolutionary war, which may make Canada a country, finally. People have let go of apathy and indifference and are standing as sovereign citizens. It's amazing and wonderful.	2/18/2022 3:16 PM

64266	It hasn't AT ALL!! Go Truckers fighting for OUR FREEDOM!!	2/18/2022 3:16 PM
64267	Personally, I feel Canada has become more united again, but also divided like never before att the same time. The truckers are giving hope in the face of threats of jail and loss of jobs and frozen financial funds. I want truckers to be safe as they are the backbone of trade over the entire globe. The Trudeau government is doing everything they can to demonize them. I am fearful for them. And I thank them.	2/18/2022 3:16 PM
64268	its brought me hope.	2/18/2022 3:16 PM

64273	Brought hope again when felt it was lost.	2/18/2022 3:16 PM
64274	This convoy is a peaceful way of showing disapproval towards a tyranical government our government has wasted billions of taxpayers dollars and some politicians have profited this is tyranny at its core. Thats what this convoy has brought to light	2/18/2022 3:16 PM
64275	Not at all.... But had given me so much hope. Haven't felt this good about the world we live in in two years... Go Truckers	2/18/2022 3:16 PM
64276	I'm embarrassed to be Canadian. This is first world privilege rearing it's ugly head. These protesters should be sent to the Ukraine: those residents have something to complain about.	2/18/2022 3:15 PM
64277	It's given me hope and confirmed that I am not part of some expendable fringe.	2/18/2022 3:15 PM
64278	It has made me embarrassed that I am from the same country as these white supremacists.	2/18/2022 3:15 PM

64287	Positive! Gives me a sense of hope! Patriotism and peaceful feeling for once	2/18/2022 3:15 PM
64288	Significantly affected my business in a negative way in that I could not get something shipped from the US to Canada	2/18/2022 3:15 PM
64289	Worrisome to watch poorly educated, gullible people think they know better and would commit to overthrowing the legally elected government.	2/18/2022 3:15 PM
64290	It has given me hope that there are SO many others who are like minded and that the truth is coming out. I am incredibly grateful to them, so much courage!	2/18/2022 3:15 PM
64291	Has shined the light on the criminal activity our elected officials have engaged in over the last 2 years. Exposed the disregard for the Canadian Charter of Rights and International Law.	2/18/2022 3:15 PM

64293	I don't live in Ottawa but I do live in a Downtown. I can't comment on what it's been like for the downtown residents of Ottawa. I believe them when they tell me it's been brutal. And let me add, I love a good protest! Been to many in NY and DC. At no point would any of this crap be tolerated for more than a day in either of those cities. A truck is not a protester. Protests don't issue a Memorandum of Understanding outlining their purpose is to overthrow the government. As soon as that MOU was issued, this was not a protest, convoy or festival - it's a security risk. I hope the people that were duped into participating feel like their voices were heard. I hope they don't feel as used as they have been by the organizers. We hear you. We love you (unless you're a racist or support racists in any way).	2/18/2022 3:15 PM
64294	It has given me perspective that those people who continue to block boarders and occupy cities to overthrow a government because your party lost in 2021 are the most selfish, entitled adult children	2/18/2022 3:15 PM
64295	Hope that democracy works	2/18/2022 3:15 PM
64296	It's making me have hope again	2/18/2022 3:15 PM
64297	Enspired me, made me feel like a Canadian, gave me hope for the future of my life and getting back to normal	2/18/2022 3:15 PM
64298	My mom died of cancer alone in hospital because I couldn't get there in time due to the trucks being in the way. So you tell me...	2/18/2022 3:15 PM
64299	Horribly	2/18/2022 3:15 PM
64300	Given me hope and encouragement.	2/18/2022 3:15 PM
64301	No negative affect. It has brought Canadian pride back. And hope that something will change.	2/18/2022 3:15 PM
64302	It is embarrassing, disgusting, and full of privileged white supremacists. I am not in favour of their cause or their methods, and i resent them for causing a stoppage at the border and all their harassment.	2/18/2022 3:15 PM
64303	Gave me hope and ended some mandates and made me proud to be Canadian again	2/18/2022 3:15 PM
64304	Gave my family hope for humanity with FREEDOMMMMM	2/18/2022 3:15 PM
64305	Its brought hope that this is still a free country	2/18/2022 3:15 PM
64306	It gave me hope and joy	2/18/2022 3:15 PM
64307	Not at all, proud of them	2/18/2022 3:15 PM
64308	Nan at old	2/18/2022 3:15 PM
64309	This wasn't a trucking convoy. It was a group of white nationalist insurrectionists convincing a group of vulnerable, brainwashed antivaxers that this was about mandates. Fortunately 90% of Canadian's are not that fucking stupid.	2/18/2022 3:15 PM
64310	Made twitter more fun	2/18/2022 3:15 PM
64311	Im in bc so it didn't affect me but i believe that our population used this event to speak from their heart....even vaccinated people. We are done with mandates and dictation. Yes we need rules but this is above normal way to live for most citizen	2/18/2022 3:15 PM
64312	Harassment because I wore a mask; harassment through extensive noise, honking and pollution; emotional distress because many friends, acquaintances and businesses that either identify as a minority or openly support minority populations were targeted and harassed; felt unsafe to leave my home and walk through my own neighborhood.	2/18/2022 3:15 PM
64313	It has enraged me. They are the dregs of our society.	2/18/2022 3:15 PM
64314	Non what so ever	2/18/2022 3:15 PM

64323	It has given me hope, and a cause to rally to.	2/18/2022 3:15 PM
64324	Negatively. I don't understand why people feel that they have the right to go against our democratic system. I voted. So did many others. The government official I vote for almost never gets voted in. I don't try to overthrow the government.	2/18/2022 3:15 PM

Canadians vote on Canadian Mandate - February 2022

64351	It gave me hope For the first time in 2 years and made me be proud to be a Canadian for the first time in 5+ years.	2/18/2022 3:14 PM
64352	None	2/18/2022 3:14 PM
64353	They have been peaceful and set an example that Canadians are great people who want to be able to have the right to choose when it comes to their own body. If people are vulnerable to getting sick, let them take the prevention provided and let the ones who aren't live life normal once again.	2/18/2022 3:14 PM
64354	Hope and renewed pride in my country	2/18/2022 3:14 PM
64355	Bunch of supremacist losers who need to suck it up and contribute to society in a meaningful manner.	2/18/2022 3:14 PM
64356	I now have hope and belief in Canada!	2/18/2022 3:14 PM
64357	Made me happy we are coming together as Canadians should	2/18/2022 3:14 PM
64358	Financial and personal hardship	2/18/2022 3:14 PM
64359	Gives me hope to being left alone from government	2/18/2022 3:14 PM
64360	It has given me hope. It has also shown me just how bad our government is and how much control they can have. It's not right. Trudeau is not a leader. Worst Canadian in our history. He is an embarrassment to all Canadians.	2/18/2022 3:14 PM
64361	Given hope.	2/18/2022 3:14 PM
64362	Gave hope to this BS	2/18/2022 3:14 PM

64366	It made me see we as Canadians love our country immensely and want ALL our Freedoms.	2/18/2022 3:14 PM
64367	Has brought hope to our lives.	2/18/2022 3:14 PM
64368	Gave me a sense of pride in my country again	2/18/2022 3:14 PM
64369	It has made me proud to be Canadian and stand up for our rights and freedoms that have been squashed by government overreach at all levels.	2/18/2022 3:14 PM
64370	I can't scroll my favourite social media platforms without having to see a post about this tantrum.	2/18/2022 3:14 PM
64371	I am so thankful that the convoy is standing up for our rights because I thought I was alone in my thinking but now I know I was wrong!	2/18/2022 3:14 PM
64372	given me hope	2/18/2022 3:14 PM
64373	It has given me hope for a future, and hope in humanity.	2/18/2022 3:14 PM
64374	It has made me angry and stressed. The racist, far-right overthrow the government types that have co-opted this protest have caused more harm to my mental and physical wellness in 3 weeks than the mandates have in two years. And I think you should give up the farce that it is truckers. Driving a pickup does not make you a trucker.	2/18/2022 3:14 PM
64375	It has been a positive hopeful experience, I absolutely support the truckers and the freedom they are demonstrating.	2/18/2022 3:14 PM
64376	It's made me happy, time to fight the lies.	2/18/2022 3:14 PM

64379	Hope for Peace	2/18/2022 3:14 PM
64380	It has interfered with my City - Ottawa - and harmed many people who I care about. It has	2/18/2022 3:14 PM

created fear and disrupted the freedom of my fellow community members. It has caused pain and suffering. I want it to end

64381	It's made me feel unsafe in my own city. I no longer feel pride when I see a Canadian flag. It's worried me because it could spill into my neighborhood. It's upset me because of things it's caused my friends & their neighbours to experience. It's upset me to see CHILDREN in those conditions. It's made it so I can't go to some of my favourite businesses.	2/18/2022 3:14 PM
64382	Finally someone is standing up to this unlawful government that makes decisions that make you question the motives for the mandates	2/18/2022 3:14 PM
64383	Given me hope for the 1st time in my life in Canada- proud of them for standing for us all.	2/18/2022 3:14 PM
64384	Gave us hope	2/18/2022 3:14 PM
64385	No	2/18/2022 3:14 PM
64386	The freedom convoy gave me hope that an end is near to all mandates	2/18/2022 3:14 PM
64387	Gives me hope that this can be rectified	2/18/2022 3:14 PM
64388	Realized how many racists and ignorant people there are but realized the great majority is against them.	2/18/2022 3:14 PM
64389	Made me waste a bunch of time on Twitter watching these losers get arrested. Good riddance!	2/18/2022 3:14 PM
64390	It's provided some entertainment and shown me which people to avoid	2/18/2022 3:14 PM
64391	It gives me hope. I can see I'm not alone, and that there are people out there with the same views as mine. We are ALL ONE. we are human, we are made to spread love and kindness. After seeing the convoy my heart and pride to be Canadian has been restored	2/18/2022 3:14 PM
64392	It brought hope that we can take our country back from a government who are stubbornly holding on to mandates when other countries are dropping them. These truckers are standing up for all of us and are being treated like terrorists and falsely accused by our own PM! Truckers sparked hope, courage, and unity, government has put out misinformation, incentives and slanderous, divisive comments!	2/18/2022 3:14 PM
64393	Gave me hope for freedom, and future prosperity of myself and the whole country	2/18/2022 3:14 PM
64394	given me some hope that there can be an end to authoritarian government by decree	2/18/2022 3:14 PM
64395	Gave some hope to me - unfortunately now, I have lost hope and have spiraled into a deeper sense of hopelessness	2/18/2022 3:14 PM
64396	Hasn't affected my life	2/18/2022 3:14 PM
64397	It hasn't affected my town. I think it's ridiculous. They say "peace and love", waving flags, singing Oh Canada, bouncy castles to "prove" that they are harmless. Embarrassing to most Canadians. They had plenty of time to go home. I am not religious so roll my eyes every time God is mentioned.	2/18/2022 3:14 PM
64398	Stopped me from being able to work	2/18/2022 3:14 PM
64399	I have been embarrassed by the convoy's uninformed demands and angry at the way they have attacked our democratically-elected leaders.	2/18/2022 3:14 PM
64400	Not directly.	2/18/2022 3:14 PM
64401	The convoy has risen my hope for mankind. Seeing so many Canadians uniting together regardless of race, religion, sexual orientation or vaccination status. The only goal is taking back our freedoms, that were never theirs to take in the first place. Even when others try to demonize them . They stand strong. I'm actually proud to be a Canadian again. I was losing hope in my country and was contemplating uprooting.	2/18/2022 3:14 PM
64402	It has not I am behind them 100 percent.	2/18/2022 3:13 PM
64403	Supply chain shortages	2/18/2022 3:13 PM
64404	HONK HONK! Seriously those guys can go fuck themselves.	2/18/2022 3:13 PM
64405	It's given me hope because now I see there are others that are done with the mandates and	2/18/2022 3:13 PM

fear and division as well.

64406	Renewed hope for life in Canada	2/18/2022 3:13 PM
64407	It has given me and many others much needed hope	2/18/2022 3:13 PM
64408	Given hope that there are others out there feeling like me.	2/18/2022 3:13 PM
64409	Giving hope, feeling of unity, chance of life, renewal	2/18/2022 3:13 PM
64410	It has prevented friends and family from being safe in their own area of town. Several were harassed for wearing masks. It is also just depressing to see this group of people so misinformed about the science of viruses.	2/18/2022 3:13 PM
64411	Giving us hope that people are standing up for everyone to be able to make our own personal decisions without being reprimanded by the government. Time for change is now!	2/18/2022 3:13 PM
64412	Returned hope that maby some day we may again have our constitutionally protected rights returned to us	2/18/2022 3:13 PM
64413	It has been a unifying and inspiring experience, giving us hope again for a Canada that we are proud of and a country we wish to live in.	2/18/2022 3:13 PM
64414	It's given me much encouragement and hope for Canada to get back to normal and get our rights and freedoms back	2/18/2022 3:13 PM
64415	Immensely. Prevented me from working from the first day of this illegal occupation.	2/18/2022 3:13 PM
64416	It has brougjt me hope!	2/18/2022 3:13 PM
64417	It has given me hope	2/18/2022 3:13 PM
64418	It's given me hope for freedom and support from other Canadians.	2/18/2022 3:13 PM

64420	It hasn't	2/18/2022 3:13 PM
64421	Given me hope again and motivation to speak out	2/18/2022 3:13 PM
64422	It has connected me with others who are conscious and awake. I have connected with many beautiful souls from around the world and harnessed my love and devotion to eradicating those who are part of a worldwide evil elitist group. I RISEUP with what little energy I have and will STAND until the END! God bless everyone especially Our Beloved TRUCKERS ♥ ♥ ♥	2/18/2022 3:13 PM
64423	Has made me realize how terrible justin trudeau realy is	2/18/2022 3:13 PM
64424	Helps me believe in mankind	2/18/2022 3:13 PM
64425	Made me feel like I am actually a part of this country. It has made me proud to see such a unified PEACEFUL effort, countrywide.	2/18/2022 3:13 PM
64426	Made me proud to be Canadian	2/18/2022 3:13 PM
64427	Assaulting law abiding citizens for wearing masks and exisiting (i.e. attacking people with disabilities, 2Slgbtqia+, BIPOC, and homeless), preventing emergency services from getting through by overwhelming 911 lines, and blockading roads so people can't access hospitals.	2/18/2022 3:13 PM
64428	Has saddened me to see what has been done to the people of Ottawa and our capital as well as our democracy by disrespectful, selfish, uninformed people.	2/18/2022 3:13 PM
64429	Proud of the stand and proud of the the civil disobedience wich is needed.	2/18/2022 3:13 PM
64430	Gave me hope	2/18/2022 3:13 PM
64431	I live downtown Ottawa, have been harrassed for wearing a mask, had the washroom door in my office building kicked in, barely able to sleep, and been inhaling diesel fumes all hours of the day.	2/18/2022 3:13 PM
64432	I am proud of these people	2/18/2022 3:13 PM
64433	No affect	2/18/2022 3:13 PM

64434	Made me proud to be Canadian, I have friends there and support the right to protest peaceful for all Canadians...now if only JT would stop running out of the house of commons and hiding and just talk or make a plan to end this craziness instead of letting his ego blow up.	2/18/2022 3:13 PM
64435	It has given me pride in other Canadians and hope of resisting a dark future	2/18/2022 3:13 PM
64436	Gave me hope	2/18/2022 3:13 PM
64437	It hasn't	2/18/2022 3:13 PM
64438	Super proud to be Canadian	2/18/2022 3:13 PM
64439	It's given me hope. I've watched the movement carefully and I've been overwhelmed by the joy, love, and connection in the group. Many of the people in the movement share very different political views than me, but this is beyond politics	2/18/2022 3:13 PM
64440	Brings hope, love, unity	2/18/2022 3:13 PM
64441	Provided hope for a future. People have been at a large gathering for over 20 days and Ontario's case numbers haven't increased they have decreased providing more security that covid is survivable and isn't as scary as reported	2/18/2022 3:13 PM
64442	It's been loud, obnoxious, dangerous and useless.	2/18/2022 3:13 PM
64443	Positive. Gave me hope things would change. Got me interested in politics. Makes me happy to see so many people waking up to tyranny and the danger of losing our democracy and freedoms	2/18/2022 3:13 PM
64444	Love the convoy. They gave me hope.	2/18/2022 3:13 PM
64445	Effervescence.	2/18/2022 3:13 PM
64446	Added to the stress in my life and made me ashamed of my flag.	2/18/2022 3:13 PM
64447	Anxiety for family in core. Lost asshole friends who supported it.	2/18/2022 3:13 PM
64448	Gives me optimism that WE THE PEOPLE do have the power.	2/18/2022 3:13 PM
64449	Made me feel inspired to be a Real Canadian again. Brought me hope, happiness and encouragement. The patriotism that the convoy has brought across Canada and the world is amazing.	2/18/2022 3:13 PM

64452	Gave me hope and inspiration	2/18/2022 3:13 PM
64453	It gave me hope	2/18/2022 3:13 PM
64454	Brought back a sense of pride as a Canadian, made me realize I'm not alone in my thoughts of having enough of this government overreach. It's shown that this is more than the virus but a control grab by government and elites through media and manipulation.	2/18/2022 3:13 PM
64455	It has given me hope that us Canadians can change the world and change are government. Cause I wouldn't even let Trudeau run a lemonade stand cause there would be no money left there either	2/18/2022 3:13 PM
64456	It's made me extremely proud to be Canadian	2/18/2022 3:12 PM
64457	Hope	2/18/2022 3:12 PM
64458	Gave me hope that someone, anyone, cares about what's going on here	2/18/2022 3:12 PM
64459	Terribly. I cannot believe how selfish people have been. This is not about freedom. People were just asked to help keep their neighbours safe and you failed.	2/18/2022 3:12 PM
64460	Given me Hope Allowed us to feel unified and proud Trudeau has destroyed any shred of respect I had for him in how he's been these past 3 weeks especially. The Emergency Measures are completely uncalled for	2/18/2022 3:12 PM
64461	Proud they stood up	2/18/2022 3:12 PM

64479	It is giving me hope. I feel like I am no longer alone. I feel like somebody is finally listening and speaking up for not only myself but the rest of Canada. The trucker convoy has also helped expose how corrupt and tyrannical the Prime Minister truly is! And how the Prime Minister does not have the best interest for Canadians at heart!	2/18/2022 3:12 PM
64480	It has limited my "freedom" far more than any public health measure has. Not to mention being surrounded 24/7 by complete morons.	2/18/2022 3:12 PM

64499	Made me sad that there are so many delusional anti-science people in a theoretically educated country.	2/18/2022 3:12 PM
64500	I have been on the brink of despair several times in the last 2 years since these mandates have been put into place. With my mental disorder, I need human contact & support and I have lost all of that. The trucking convoy has given me renewed hope, peace & serenity.	2/18/2022 3:12 PM
64501	Didn't affect me Frightening for our freedom	2/18/2022 3:12 PM
64502	At last someone is standing up, cause this is not about a pandemic. It has sparked hope!	2/18/2022 3:12 PM

64507	Encourage all Canadians to stand up for civil liberties.	2/18/2022 3:11 PM
64508	It's given hope to finally seeing an end to all this control	2/18/2022 3:11 PM
64509	It scared the crap out of my family and friends in Ottawa.	2/18/2022 3:11 PM
64510	Given me hope!!	2/18/2022 3:11 PM
64511	It's caused me to fear my neighbours. These are unbalanced and dangerous people.	2/18/2022 3:11 PM
64512	Very POSITIVELY Canadian Pride Restored	2/18/2022 3:11 PM
64513	Real people that gave Canadians hope!	2/18/2022 3:11 PM
64514	Schaudenfreud. Anyone silly enough to be led by King and Barber .	2/18/2022 3:11 PM
64515	Limited access to emergency support as I live in Ottawa. Messed up friends lives who live downtown.	2/18/2022 3:11 PM
64516	Positivity	2/18/2022 3:11 PM
64517	It has united a lot of Canadians that feel the same. The convoy has proven that they are not the minority but the majority of people feel the same way as those actively protesting	2/18/2022 3:11 PM
64518	Instrumental in showing Canadians can stand up for their beliefs.	2/18/2022 3:11 PM

64523	my husband is for the gov. mandates and our different views on the truckers rights to protest has divided us to the point of divorce. Just like the rest of the country we are on different sides of a belief system even though he would never and has never voted for Trudeau nor have I.	2/18/2022 3:11 PM

64527	Not at all	2/18/2022 3:11 PM
64528	They have given hope to the poor and abused citizens. They have United for the greater good. Our PM is a criminal. The truckers are trying to get our freedoms back, from tyrants in the Liberal Party.	2/18/2022 3:11 PM
64529	Good	2/18/2022 3:11 PM
64530	The thought of so much white sepremists and extremists trying to overthrow the government is affecting my mental health	2/18/2022 3:11 PM
64531	It has embarrassed me to be a Canadian	2/18/2022 3:11 PM
64532	It has made me aware of what our government is trying to do to all Canadians ... and what's in store for the future and under Liberal/NDP ☹️government in this country	2/18/2022 3:11 PM
64533	They brought hope! They brought unity.	2/18/2022 3:11 PM
64534	Newly unemployed no affect other than potentially higher inflation	2/18/2022 3:11 PM
64535	A spark of renewed hope that Canada is still Canada, and Canadians still care about each other and the freedom and future of our country. Hope for our children.	2/18/2022 3:11 PM
64536	The convoy brought unity and hope to Canada. Free people believing in freedom are beautiful. They haven't healed the issues but hopefully turned the tide back to a free a peaceful society away from the disgusting tyranny of Trudeau and his police goons.	2/18/2022 3:11 PM
64537	Reminder of the spirit the Unique, unconditional spirit of Canadians that has been beaten down by Liberal Ideology and its socialist agenda.	2/18/2022 3:11 PM
64538	Not at all	2/18/2022 3:11 PM
64539	Given me a long lost sense of Pride in being Canadian	2/18/2022 3:11 PM
64540	Gives us hope	2/18/2022 3:11 PM
64541	I totally support it.	2/18/2022 3:11 PM
64542	it has given me hope	2/18/2022 3:11 PM
64543	They represent hope. For the first time in two years, our family has been represented by Canadians willing to drop everything and take up these injustices with the federal government. The liberal government has the obligation to represent the People and with what we've seen, the majority of Canadians, vaccinated and unvaccinated, desperately need these mandates to end. I say "need" because lives depend on it. The mental health crisis in Canada is astronomical and the mandates have caused is a criminal increase in suicides across Canada. Children who should be learning to write the alphabet and entering kindergarten are having discussions with adults about not wanting to live without being able to play with their friends. Play freely, unmasked and without restriction. The federal and provincial governments have committed crimes against Canadians for 2 years by enforcing these unjust and destructive measures. They must end today. Right now.	2/18/2022 3:11 PM
64544	It brings me an immense amount of hope and joy knowing there are people out there standing strong and staying peaceful fighting to make a difference. This is supposed to be a free country and we should have free will.	2/18/2022 3:11 PM
64545	Starting to feel that it is Trudeau designed, so he could declare war on Canadians	2/18/2022 3:11 PM
64546	They gave me hope that perhaps the mandates & discrimination against the unvaxed could end. They also gave me hope that we might get a better leader in Ottawa, as the current one has damaged Canada severely, he has done more harm than good.	2/18/2022 3:11 PM
64547	There giving us hope for are country to be free like it's saposé to be	2/18/2022 3:11 PM
64548	They've caused nothing but grief and problems while pretending they aren't ACTUALLY a bunch of pissed off White Nationalists who LOST an election AGAIN!	2/18/2022 3:11 PM

64555	United all Canadians	2/18/2022 3:11 PM
64556	Supported	2/18/2022 3:11 PM
64557	It has pained me to see that a fringe element on the right has been able to occupy Ottawa. To see their use of their freedoms to harass Ottawa citizens with their hate, fascist and racist ideologies, misogyny, and intolerance has been abhorrent. To see how the mayor of Ottawa and the police services board mismanaged this has been atrocious. I stand with the Ottawa citizens – especially those who have launched the class action suit and the citizens who have protested and used clever peaceful methods to end the occupation sponsored by far right extremists and white supremacists. They have renewed my faith and I stand with them. RamRanchResistance	2/18/2022 3:10 PM
64558	It gave me hope again	2/18/2022 3:10 PM
64559	It hasnt much but I support them for their willingness to stand up for my freedoms	2/18/2022 3:10 PM

64570	Sense of hope. Community. Not alone. Others see the truth as well.	2/18/2022 3:10 PM
64571	Has given me hope that things could return to normal and has shown even more how our Prime minister is letting his ego get in the way of wise decisions and following even Dr Tam when she has said it is time to readdress how we handle clvid policy	2/18/2022 3:10 PM
64572	It has brought me a lot of hope & some peace	2/18/2022 3:10 PM
64573	They occupied my city, traumatized people, polluted air and everyone's lives. That's enough. They should all contribute \$\$\$\$ for every penny my city had to spend to protect Ottawa!	2/18/2022 3:10 PM
64574	Undedicated	2/18/2022 3:10 PM
64575	Left me despairing about the gullible fuckwits who are ripe for manipulation by right wing media, white nationalists and cynical politicians	2/18/2022 3:10 PM
64576	They have incresed lessened mandates	2/18/2022 3:10 PM
64577	-	2/18/2022 3:10 PM
64578	It made happy to see I'm not alone in my wanting to see the mandates.	2/18/2022 3:10 PM

64584	The convoy is made up of polite, down-to-earth and peace-loving people who care not only about themselves but ALL Canadians. I feel positive and uplifted.	2/18/2022 3:10 PM
64585	None	2/18/2022 3:10 PM
64586	I have a small amount of hope that this tyranny will end	2/18/2022 3:10 PM
64587	Not at all. It has given me hope and faith in GOD	2/18/2022 3:10 PM
64588	It's giving me hope, I see smiles, I see love and togetherness	2/18/2022 3:10 PM
64589	Gave me hope and a sense of Canadian pride again after so long. It breaks my heart to see the trucks out there knowing they do not want to be there but they are for our freedoms. And today the cops are attacking people and arresting them. It's not even Canada anymore.	2/18/2022 3:10 PM
64590	It hasn't	2/18/2022 3:10 PM

Canadians vote on Canadian Mandate - February 2022

64612	Embarrassed me	2/18/2022 3:10 PM
64613	Given me hope	2/18/2022 3:10 PM
64614	Gave me hope, boosted my mental health.	2/18/2022 3:10 PM
64615	It's embarrassed me as a real Canadian	2/18/2022 3:09 PM
64616	They implemented awareness of the current situation, that something needs to change.	2/18/2022 3:09 PM
64617	I am thankful that someone is standing up for our rights. They are doing what we all wish we could be doing.	2/18/2022 3:09 PM
64618	It has given me some hope that perhaps we could get back to a somewhat normal sense of life and I felt proud to be Canadian again! These men and women are standing up for the rights and freedoms of every Canadian out there whether they agree with them or not! You have to appreciate and respect that!	2/18/2022 3:09 PM
64619	Seen a lot more swastikas than I wanted to	2/18/2022 3:09 PM
64620	It didn't.	2/18/2022 3:09 PM
64621	The trucking convoy has given me hope and it makes me happy seeing lots of Canadians finally standing up.	2/18/2022 3:09 PM
64622	It's made me ashamed of my country.	2/18/2022 3:09 PM
64623	It has given me hope that Canadians' freedoms can be peacefully restored.	2/18/2022 3:09 PM
64624	Made it better	2/18/2022 3:09 PM
64625	Beneficially as it has restored my faith in Canadians fighting for freedom	2/18/2022 3:09 PM
64626	Gave me hope!	2/18/2022 3:09 PM
64627	Incredibly stressful, upsetting, undemocratic bunch of people who need to take a Canadian civics course and quit their damn whining like a spoiled teenager.	2/18/2022 3:09 PM
64628	It has given me so much hope in humanity and that when good people come together good things can be achieved.	2/18/2022 3:09 PM
64629	The truckers' convoy gave me hope in showing me that I am not isolated in my desire for an open society. I agree with them wholeheartedly that the mandates and vaccine passports cause damaging discrimination against entirely healthy people who are forced out of their ability to feed their families based on flawed scientific theories. There will never be a vaccine that can control a highly mutating virus. It's just scientifically impossible. The virus will always outrun it by way of it's mutations. This is clear Darwinian Evolutionary Theory. Because this is known the mandates are completely illogical.	2/18/2022 3:09 PM
64630	It provides good entertainment	2/18/2022 3:09 PM
64631	STRESSFUL	2/18/2022 3:09 PM
64632	It has given me hope	2/18/2022 3:09 PM
64633	Ongoing mental health difficulties for the length of the occupation. I have had my work and personal projects interrupted or curtailed by noise. I am worried for the health and safety of my community in the more directly occupied areas. I have avoided going out due to feeling unsafe around members of the convoy, who have demonstrated political and ethical beliefs that are aggressive, violent, and dangerous to people of my minority groups. I have been unable to freely move around my city or conduct errands I normally would. I have been deeply disheartened to see the stranglehold conspiracy theories, bigotry, anti-science and anti-medicine beliefs, undemocratic and anti-government beliefs, entitlement, selfishness, and hypocrisy have on citizens of my country who are holding my community hostage in the name of so-called freedoms. I have been sleeping poorly. I am worried for the future of democracy in Canada if the government capitulates to the convoy in any way.	2/18/2022 3:09 PM
64634	Made me feel proud of being Canadian and fully supporting this wakening of the world.	2/18/2022 3:09 PM
64635	No effect	2/18/2022 3:09 PM
64636	Im proud of everyone one who is involed in this. Hasn't affected me at all. Wish i could be	2/18/2022 3:09 PM

Canadians vote on Canadian Mandate - February 2022

there to help support them. In my heart they are all amazing ♥

64637	Offered the one ray of light in a tyrannical collapsing empire.	2/18/2022 3:09 PM
64638	Made me proud to see Canada come together	2/18/2022 3:09 PM
64639	It has given me the first glimmer of hope and support for humanity in two years	2/18/2022 3:09 PM
64640	It has encouraged me to know that there are many other Canadians that feel the same way as I do	2/18/2022 3:09 PM
64641	It has given me hope that all people could be considered.	2/18/2022 3:09 PM
64642	They have give me and my family renewed hope, a sense of unity and demonstrated nothing but love	2/18/2022 3:09 PM
64643	Bring hope	2/18/2022 3:09 PM
64644	It's been a great encouragement	2/18/2022 3:09 PM
64645	Gives me hope	2/18/2022 3:09 PM
64646	It opened my eyes to the amount of lunacy; not only cross-country, but world wide. It definitely has allowed me to find better quality humans to associate with.	2/18/2022 3:09 PM
64647	it has given me hope again to be able to live in a free society again	2/18/2022 3:09 PM
64648	It's brought a lot of awareness to people who were to blind to see before	2/18/2022 3:09 PM
64649	It hasn't yet	2/18/2022 3:09 PM
64650	The interruption of government control is promising	2/18/2022 3:09 PM
64651	Hugely disruptive, pointless and full of mis and disinfo.	2/18/2022 3:09 PM
64652	It's giving me hope	2/18/2022 3:09 PM
64653	The impact on business and my investments has been negative. The convoy are selfish babies!	2/18/2022 3:09 PM
64654	Caused stress and disunity	2/18/2022 3:09 PM
64655	It has not	2/18/2022 3:09 PM
64656	It has given me hope.	2/18/2022 3:09 PM
64657	Hope for freedoms to return	2/18/2022 3:09 PM
64658	It has strengthened my resolve and get the feeling that I am not alone. Many are in this same situation and getting desperate for it all to come to an end.	2/18/2022 3:09 PM
64659	It has given us hope. We went as a family to cheer them on as they travelled through Manitoba. We have been closely following the media coverage. We had friends go to Ottawa so we knew firsthand what it was like there.	2/18/2022 3:09 PM
64660	It has made the last three weeks of my life miserable. I live adjacent to the occupation zone downtown. These people are extremists, idiots and yahoos with no connection to or respect for the community. Their presence has been terrifying, humiliating and infuriating. How would you like it if my friends and I drove trucks into the middle of your town and made it a lawless no-go zone on the basis of our political beliefs? Would you care what our cause was about? Or would you simply want us removed because we are violating your living space? They doomed themselves with the honking, harassment and reckless street parties. Their utter lack of respect for the basic freedoms of local people has turned the entire city against them, and now will know the consequences of that strategic error. Don't piss off every single lawyer, bureaucrat and local politician in the nation's capital unless you're willing to lose everything.	2/18/2022 3:08 PM
64661	The truckers have sparked hope. Not only me, across the world!	2/18/2022 3:08 PM
64662	It has given me hope again for the future of myself and my children in Canada.	2/18/2022 3:08 PM
64663	Given me hope for Justice and freedom.	2/18/2022 3:08 PM
64664	In a most positive way. Giving me HOPE ♥	2/18/2022 3:08 PM

Canadians vote on Canadian Mandate - February 2022

64665	Made me feel Canadian for first time in a long time	2/18/2022 3:08 PM
64666	So far, Helped remove mandates and encouraged feelings of patriotism .	2/18/2022 3:08 PM
64667	Given me hope; recognizing that more Canadians are fed up with the current dictatorship.	2/18/2022 3:08 PM
64668	None	2/18/2022 3:08 PM
64669	It has brought me back hope.	2/18/2022 3:08 PM
64670	Feeling of Hope once more for all Canadians	2/18/2022 3:08 PM
64671	Canadians stick together	2/18/2022 3:08 PM
64672	It's been stressful to my community	2/18/2022 3:08 PM
64673	It has given me hope again that this once great country can be restored	2/18/2022 3:08 PM
64674	It's created friction in relationships. It's created confusion as to whether or not the government is acting in response to them or in response to the actual Covid situation. It's created anxiety about the stability of people. About the stability of our country.	2/18/2022 3:08 PM
64675	It affected my life positively. Gave me hope again for this country. It was really great to see so many come together for an important cause. It's disgusting that our leadership pegged them as racists etc. because he doesn't agree with them. He's a coward and proven incapable leader of this great country. I do not condone violence or blocking people's lives, but that was a small percentage of this and I've seen that some businesses in Ottawa have been greatly helped by the influx of people. The government has shit this country down for 2 years and enough is enough. Our charter rights have been violated and now especially so with the invoking of the emergency act, which again proves the Liberal cowardice which is hurting this country. I love Canada and I won't stand for this terrible government destroying what so many men and women fought to protect. This is unacceptable and should be severely punished.	2/18/2022 3:08 PM
64676	Hopeful	2/18/2022 3:08 PM
64677	Gives me hope.	2/18/2022 3:08 PM

64803	I live in Ottawa, I have been harassed for wearing a mask by a man very much larger than me, I have been afraid, and my life has been seriously disrupted. Businesses I frequent have had to close, and my tax bill went up for what I see as a big disorganized show for nothing.	2/18/2022 3:06 PM

This peaceful protest has reminded me that above all humankind is free and love is the only reality I want to engage in. Power to the people.	2/18/2022 3:06 PM
64807	My workplace was threatened by someone claiming to be a convoy protestor. I was harassed by protestors for walking on my own streets. My workplace was shut down because of the unlawful activities of the convoy protestors. My community is scared to go outside in fear of being harassed or intimidated by protestors.	2/18/2022 3:06 PM
64808	My Flag and my country has been raped by the the Conservatives who have taken advantage of many stupid weak individuals. It has made me extremely angry and prevented me from travelling to Ottawa to skate on the Rideau Canal like I have done for the last 25 years.	2/18/2022 3:06 PM

64819	Hope!	2/18/2022 3:06 PM
64820	Scared children and seniors, made travel difficult or impossible in some areas, created public tension and arguments, made it difficult for working truckers to do their jobs and thus retail locations unable to received products in timely fashion. Created hostility in essential service settings. Pulled our local police from their stations in town. Prevented family and friends from getting to serious medical appointments... the list goes on	2/18/2022 3:06 PM
64821	Given me hope! I feel encouraged that there are so many people fighting for our right to choose!	2/18/2022 3:06 PM
64822	The occupation of Ottawa has shutdown businesses for over 3 weeks which means a significant # of people unable to work to pay their expenses. Noise. Pollution from diesel vehicles idling.	2/18/2022 3:06 PM
64823	It's given me some hope. It also confuses me cause I'm finding myself siding with people I never thought I'd be sharing so much. I'd considered myself rather a radical left winger and wonder where those left wingers are NOW? They drank the koolaid, it seems.	2/18/2022 3:06 PM

64827	For the first time in 2 years I had hope. I LOVE that there are truckers so passionate about their /ourFREEDOM. As I watch and listen from Ottawa , today I'm very disappointed in the police, arresting them for having a very peaceful protest. No one wants our Canada to be a communist country. But that is where we are heading. Sad times we live in.	2/18/2022 3:06 PM
64828	It bought joy and hope. It restored hope in the Canada I once knew.	2/18/2022 3:06 PM

64839	Other than prices going up it has actually brought a sense hope, love and freedom to my life! Pride to be Canadian again...no shame!	2/18/2022 3:06 PM
64840	Not really. We do not loose any business and vaccine madate was already in place for truckers who's come to my warehouse. Got some late delivery for some copper pipe from the state and I took no chance and bought steel from Europe.	2/18/2022 3:06 PM

64859	Give me hope that the Canadian people can make the government see what they are doing is wrong, we're not slaves, we're free Canadians and freedom is what we deserve to keep	2/18/2022 3:05 PM
64860	It has inspired me on an epic scale, to know that there are millions of Canadians, who whether jabbed or not, support the goals of the Freedom Convoy! I have never been prouder to be Canadian and love the way that the convoy has given hope and unity to the whole world. It has reminded freedom-loving citizens from coast to coast here and around the world, that it is possible to unite against tyranny and government overreach. Even though, currently our PM only continues to denigrate this mass swathe of Canadian society and responds with more government overreach by implementing the completely uncalled for 'Emergencies Act'! Thank you Lord, for our incredibly brave and heroic truckers, who not only fought for their own rights to have bodily autonomy over any experimental injections, which the cross-border mandates violate but also for the rights of thousands of other oppressed Canadians, whose rights guaranteed by the Charter of Rights and Freedoms have been completely ignored.	2/18/2022 3:05 PM
64861	I support only PEACEFUL protest, however, for the first time in a very long time it has given me hope that this segregation and hatred will end. That Canadians can once again unite, respect one another, and leave joyfully and peacefully without judgement.	2/18/2022 3:05 PM

64880	It has not affected us negatively what so ever. It in fact has given us hope. It has also shown us how badly the media has been lying by seeing their reports of the event and then seeing the reports of live streams from truckers and supporters on the ground. You can see it's been very peaceful and loving.	2/18/2022 3:05 PM
64881	Given some hope for an end to the mandates	2/18/2022 3:05 PM
64882	Gives me hope, I suffer from depression and it has given me the feeling of a proud Canadian finally	2/18/2022 3:05 PM
64883	Thankfull they are helping us	2/18/2022 3:05 PM
64884	By giving me hope	2/18/2022 3:05 PM
64885	I see the convoy as an excellent opportunity for Canadians to come together to fight for our freedom. I believe that it has opened the eyes of many Canadians to the tyranny of our Nazi government. People have also seen the lies we have been told about Covid and the vaccines.	2/18/2022 3:05 PM
64886	That there is hope that there are still people wanting to fight for there freedom it is a uprising that is long awaited it's the only hope for our kids	2/18/2022 3:05 PM
64887	It has made me realize how easily people can be manipulated and the power of propaganda right here in Canada.	2/18/2022 3:05 PM

64892	It has made every day Canada Day. Thank God for the truckers.	2/18/2022 3:05 PM
64893	It has given me hope for unity and freedom. I am hoping that our government officials will open their eyes and realize that Canadian are not happy with the division that the Federal government has caused. At this point we need transparency and open dialogue	2/18/2022 3:05 PM

64896	To see people who support white supremacy and eugenics being given such a huge platform to spread their hate is disgusting. It has made me less tolerant of those who want millions to die of Covid.	2/18/2022 3:04 PM
64897	I'm starting to see mandates being lifted but my job is federal so I still I'm starting to see mandates being lifted on a provincial level but my job is federal so I still can't go back to work until all mandates are gone!	2/18/2022 3:04 PM

64903	They have the guts to stand up for peoples freedoms. For the people against them, would they have been against our soldiers fighting for our freedoms during the world wars?	2/18/2022 3:04 PM

64908	Gave me hope	2/18/2022 3:04 PM
64909	It hasn't affected me much beyond having friends who are involved in the trucking industry and seeing how it affects them. I don't mind the inconvenience of a few closed streets if it brings about change.	2/18/2022 3:04 PM
64910	It hasn't	2/18/2022 3:04 PM
64911	I am now embarrassed to be Canadian because of this cry baby convoy.	2/18/2022 3:04 PM
64912	It has brought a unity to this country that I have not seen in decades	2/18/2022 3:04 PM
64913	It's given me hope that Canadians actually care about their rights and freedoms.	2/18/2022 3:04 PM
64914	No affect other than they created more unity and patriotism in 3 weeks than ever before in my lifetime. Liberals are trying to divide and are abusing power.	2/18/2022 3:04 PM
64915	Ot has made me proud to be Canadian again.	2/18/2022 3:04 PM

64923	Shamed as a Canadian. Hurts all of Canada big time. Selfish people who would stomp trample you for their selfishness. Disgusted and sad with so many.	2/18/2022 3:04 PM
64924	I support the trucking Convoy	2/18/2022 3:04 PM
64925	It gave me hope	2/18/2022 3:04 PM
64926	Encouraged me that we have a voice, given the country hope and courage. We need to stand up to unjust mandates and dictatorial leadership.	2/18/2022 3:04 PM

64932	It brought hope. Governments weren't showing that they were going to 'give' anything they took away back. Even with them changing their numbers to show the completely treatable pandemic wasn't as bad as they shoved down our throats. Knowing that omicron was going to affect everyone they should have dropped the mandates immediately and restricted the use of	2/18/2022 3:04 PM

it by individual venues. So big fat HOPE is what the truckers gave me. And a unity that didn't seem to be out there amongst all the vitriol.

64933	Have not been able to go to my workplace on Kent street for 3 weeks now. Get them the fuck out of my city.	2/18/2022 3:04 PM
64934	It has been an embarrassment to all Canadians to see the behaviour of these spoiled brats claiming they are doing this for my freedom.	2/18/2022 3:04 PM
64935	Has shown me how little our Prime Minister cares for others that do not have the same opinion, I'm disappointed that the Prime Minister did not even meet with the Convoy people, further enforced my belief that the vaccine is not as effective as it was touted to be the saving grace - Prime Minister gets COVID after 3 shots, I got COVID but natural immunity is not even recognized, Prime Minister has a total lack of respect for the charter of rights, totally disgusted that the Prime Minister would evoke the Emergency Act, so disappointed that the Prime Minister holds a different standard to BLM and the indigenous peoples blockade as he does to this protest	2/18/2022 3:04 PM
64936	I support the convoy!	2/18/2022 3:04 PM
64937	Gave hope and pride in being Canadian for the first time since Trudeau started to destroy our great country	2/18/2022 3:04 PM
64938	Hope	2/18/2022 3:04 PM

64941	In absolutely no way, shape, or form.	2/18/2022 3:04 PM
64942	Gave me hope!!	2/18/2022 3:04 PM
64943	Made me think our educational systems in Canada are not doing a very good job of teaching people about government. Also shown me how reprehensible some people are, how little they care about others. Shouting "Freedom" while consorting with white power supporters and Nazi flag bearers and making everyday life unliveable for some citizens of Ottawa is quite ironic. Most claim to be Christians while breaking several tenets of the religion.	2/18/2022 3:04 PM
64944	Positively	2/18/2022 3:04 PM
64945	Hope, unity	2/18/2022 3:04 PM
64946	The convoy is good for the country and the freedoms of this country "strong and free" the convoy i agree with 110 percent. My life is effected by dictatorships mandates work stoppages and political ignorance.	2/18/2022 3:04 PM
64947	It has inspired me and gave me hope for the future. They have my full support	2/18/2022 3:04 PM
64948	Given me hope.	2/18/2022 3:04 PM
64949	It hasn't	2/18/2022 3:04 PM
64950	Gave us hope.	2/18/2022 3:04 PM
64951	It hasn't. I am totally on board with the truckers. I hope they shut the whole country down. If you don't agree with them, than don't go to the grocery. If every trucker quit tomorrow within 72 hours No-ONE in Canada would have food on their table. Think about who you're standing for.	2/18/2022 3:04 PM
64952	Ayant un fils qui a un grave problème de santé mentale, cela m'attriste beaucoup. On aurait pu avoir une bien meilleure fin de pandémie!	2/18/2022 3:04 PM
64953	Positively, has given me some hope and pride that canadian people can come together for the right cause without violence.	2/18/2022 3:04 PM
64954	It has opened my eyes on how dangerous and how entrenched the far right is in Canada.	2/18/2022 3:04 PM
64955	Gave me a sense of pride and purpose	2/18/2022 3:04 PM

64963	It's made me feel proud to be Canadian for the first time in a long time.	2/18/2022 3:03 PM

64989	Has given me hope that Canada will be a free and democratic nation again; we have been headed into fascist dictatorship	2/18/2022 3:03 PM
64990	The trucker convoy has brought me hope. It has brought me hope for this country. While I may not wholeheartedly agree with or condone every aspect of the protests, I believe every citizen has the right to protest and I am appalled the the PM hasn't even bothered to speak with these millions of citizens who are asking for reasonable things to be done.	2/18/2022 3:03 PM
64991	I am now fully concerned that right wing extremism and racism is now here and in the open in Canada. I am VERY concerned that many members of the CPC stand with them and have not called them out. I will NOT vote conservative next election.	2/18/2022 3:03 PM
64992	Thankfully it hasn't other than making me further disappointed in the police and ashamed that we'd have such a thing in Canada.	2/18/2022 3:03 PM

65001	Felt some hope and realized we were not alone in our feelings	2/18/2022 3:03 PM
65002	Only positive way. They united people. I've never seen such love, unity, dignity, peace, kindness and spirit between people of different ages, races, backgrounds, jobs, etc.	2/18/2022 3:03 PM
65003	Support of FREEDOMS & LOVE & FAMILY!!	2/18/2022 3:03 PM
65004	Hope that many Canadians stood up to this corruption control. All we needed to do is follow the money. I'm sure we will much more of the truth.	2/18/2022 3:03 PM

65011	It's brought hope to me and my family for our future and our kids future.	2/18/2022 3:03 PM
65012	They gave me hope in a hopeless country! Hold the line folks.	2/18/2022 3:03 PM
65013	Their little protest (the only big thing about it are the trucks) hasn't affected me much at all other than feeling sad for them and the people of Ottawa.	2/18/2022 3:03 PM
65014	Pure entertainment watching a bunch of morons fucking around and finding out. But as a student of history, it unnerves me that the bigotry that co-opted this temper tantrum did so, so easily. It's simple, vaccines make viruses less harmful, less prevalent. More vaccines less restrictions. It's science, but actual scientists and not a bunch of entitled whiny babies with an oppression kink.	2/18/2022 3:03 PM

65028	Trucker convoy as given me hope	2/18/2022 3:02 PM
65029	Gave hope in some aspects, seeing people of all walks of life unite, gathering together for a same cause instead of being separated for opinions, seeing people smile and dance together, HELP each other - which is beautiful no matter the reasons/cause. It seems to have helped lift restrictions in many places, which I'm very grateful for. But I hope it can all end peacefully soon. It has gone too far in some ways at this point.	2/18/2022 3:02 PM
65030	Fortunately, Toronto has had a lot of experience with, and knows how to deal with this bullshit, and had a plan to deal with it. I have friends in Ottawa that are absolutely fed up with the assault, abuse, sonic, and olfactory torture they've had to put up with. Time to leave pissbabies. Time to end the stupid blockades, and stop crying like toddlers too.	2/18/2022 3:02 PM
65031	Destroyed my faith in Canadians, Canadian education and Canadian society.	2/18/2022 3:02 PM
65032	Gave me hope to stop Trudeau's madness	2/18/2022 3:02 PM
65033	I don't live there so it hasn't affected me directly. However, they are a scary bunch. Between all their conspiracies, racist and sexist views among other things, it affects all of Canada. The Conservatives backing them is extremely concerning.	2/18/2022 3:02 PM
65034	Finally gave me hope, I no longer feel alone and helpless. A sense of Canadian pride.	2/18/2022 3:02 PM
65035	They have given me hope for a brighter future which is something I cannot say about this tyrannical government. Resign Trudeau!	2/18/2022 3:02 PM

65038	Up until this convoy started we no longer wanted to reside in Canada. We realized we were not alone and had hope again.	2/18/2022 3:02 PM
65039	It's been infuriating to see so many people who think they're more special than anyone else, but who don't understand science, and don't even know the difference between provincial and federal jurisdictions parading around with Nazi flags and American flags related to a racist past. Seriously, stop it!	2/18/2022 3:02 PM

those same people it is our duty to to fight tooth and nail for our God given rights. Freedom is the only state of being in which humans thrive. They want slaves they can control. Never Again will we let them rule us with impunity. Resist!

65043	Its refreshing to see my fellow Canadians united, free and strong. Its shameful to see my government grab for power and try to crush the spirit of my fellow Canadians.	2/18/2022 3:02 PM

65047	It's been embarrassing for our country	2/18/2022 3:02 PM
65048	It gave me hope that things will change in canada. The government did not hear the peaceful protesters out. It is tyranny.	2/18/2022 3:02 PM
65049	Annoy the heck out of me that white supremacists, racists, religious radical nut jobs, and bunch of people that are so misguided, were able to hold our nations capital hostage for 21 days. Shame on them all.	2/18/2022 3:02 PM

Canadians vote on Canadian Mandate - February 2022

65073	Especially when they were driving across the country, it was so beautiful to see families and so many Canadians on all the overpasses and lining roads. It was the most hope we have felt in 2 years. So many Canadians simply want freedom and unity.	2/18/2022 3:02 PM
65074	Gave/gives me hope the tyranny will end. It's provided unity in Canada for citizens of all races. As well hope and unity for all the world. It's shown me and the world the extent of criminality Trudeau and MSM will commit for their failing agenda of fake science and population reduction without even speaking to the peaceful protesters!	2/18/2022 3:02 PM
65075	Not really at all	2/18/2022 3:02 PM
65076	It is a glimmer of hope	2/18/2022 3:02 PM
65077	It's an emotional roller coaster. From love, to shock to fear. Trudeau is a tyrant. His decisions literally make me sick. I'm so depressed now. The truckers gave me hope.	2/18/2022 3:02 PM
65078	Has given me hope of a future, free of this nonsense.	2/18/2022 3:02 PM
65079	Praying for them	2/18/2022 3:01 PM
65080	It has made going outside fearful. It has made moving in my own city difficult. And it has made me worry for our future generations being raised by the convoy members	2/18/2022 3:01 PM
65081	Made me feel proud to be Canadian again!	2/18/2022 3:01 PM
65082	Gave us hope	2/18/2022 3:01 PM
65083	Standing up for Canadians	2/18/2022 3:01 PM
65084	Why would any Canadian not want freedom!	2/18/2022 3:01 PM
65085	As an Ottawa resident, the (fake) truckers convoy has terrorized my community. These are not truckers, they are terrorists.	2/18/2022 3:01 PM
65086	It's hasn't done anything to me personally - I have many friends and family that are truckers and I support them and their work AS THEY WERE THE UNSUNG HEROS when Covid first hit and they kept the world moving, so how someone can NOW label them terrorists, etc., IS INCOMPREHENSIBLE!!!!!!	2/18/2022 3:01 PM
65087	They are people and how this government treated them is just wrong,there are good and there are bad but media showed them as all bad and this is very upsetting to me. It needs to stop and if our government Mr Trudeau would have just spoke to them this I believe could have been resolved So if anything theses truckers opened my eyes to this man and he really needs to go.He is our leader and to see how he handle this whole situation scares me not just for me but my children and my grandchildrens future so sad	2/18/2022 3:01 PM
65088	It give me hope that the truth will prevail and the tyranny of justin trudeau may end.	2/18/2022 3:01 PM
65089	Filled me with pride	2/18/2022 3:01 PM
65090	Given me hope that our complete freedoms WILL be restored and our nation is being unified. Incredibly inspired by the resolute spirit & courage of fellow citizens. My patriotism, pride & love of our Canada has swelled exponentially!	2/18/2022 3:01 PM
65091	Hope	2/18/2022 3:01 PM
65092	Very positive. Look at unity around the world.	2/18/2022 3:01 PM
65093	It has given me hope as I watch Canadians across Canada, in their communities, express their objection and opposition to all levels of government overreaching and infringement on our human and charter rights and the disaster it has brought to our nation.	2/18/2022 3:01 PM
65094	I believe it has helped with removing the mandates.	2/18/2022 3:01 PM
65095	has not affected	2/18/2022 3:01 PM
65096	I've started to see a few restrictions lifted. My kids were so excited to not have to wear a restricting mask at school. They give me hope that we can have a free country. Due to their actions, however, it has shown how very far from serving the people the government is. Everything the government has been doing to suppress free speech and a right to protest has made me very fearful for the direction our country is heading unless things change. I'm unsure why the leaders of our country refuse to even discuss the problems with the mandates or even	2/18/2022 3:01 PM

have any real evidence that the mandates are nessecary as they claim. So far I have seen no scientific evidence that supports the governments actions and the government's unwillingness to address these issues or to even meet tells me they don't have valid answers.

65097	Convoy made me feel proud of being Canadian again.They're very brave freedom fighters. Good bless them.	2/18/2022 3:01 PM
65098	Given me hope.	2/18/2022 3:01 PM
65099	Not at all.	2/18/2022 3:01 PM
65100	Brought me hope & joy that Canada as I knew it has a chance to be free again. Brought together millions of Canadians	2/18/2022 3:01 PM
65101	causing alot of chaos within my city and damaging things is not right but i believe they are doing some good in helping to change the mandate	2/18/2022 3:01 PM
65102	It made me realize that I there are more people that think as I do.	2/18/2022 3:01 PM
65103	It's as given us HOPE; God bless the truckers	2/18/2022 3:01 PM
65104	Low stock in stores	2/18/2022 3:01 PM
65105	It has given me hope that the sensible people aren't all gone .. I love that the ordinary people are actually trying to get their point across to those who would hold us down forever.	2/18/2022 3:01 PM
65106	They gave me Hope for freedom	2/18/2022 3:01 PM
65107	Gave me hope as a Canadian.	2/18/2022 3:01 PM
65108	Inflation, quality of life, Disgraced that they are Canadians!	2/18/2022 3:01 PM
65109	It has not just opened up peoples eyes who voted this dictator in again for our government	2/18/2022 3:01 PM
65110	Made Canadians look sad on the world stage. Get a life you morons!	2/18/2022 3:01 PM
65111	Made me have hope	2/18/2022 3:01 PM
65112	It has given me hope. I needed to know this many other Canadians feel as I do that something is very wrong with our country. These mandates were never about health or safety, it was about control.	2/18/2022 3:01 PM
65113	I know that I can now park a truck on anything I want to get my way and that's helpful	2/18/2022 3:01 PM
65114	It's giving me hope that we'll soon have Canada back to the people, not corrupt politicians.	2/18/2022 3:01 PM
65115	You know the rules and so do I... I just wanna tell you how I'm feeling, gotta make you understand... so here it goes: Never gonna give you up Never gonna let you down Never gonna run around and desert you Never gonna make you cry Never gonna say goodbye Never gonna tell a lie and hurt you	2/18/2022 3:01 PM
65116	Gives me hope and proud to see people fighting for our lives	2/18/2022 3:01 PM
65117	Given us hope for change.	2/18/2022 3:01 PM
65118	It has life in Alberta unbearable.	2/18/2022 3:01 PM
65119	Hopefully Love ♥ Peace Joy Freedom's for all	2/18/2022 3:01 PM
65120	It's given me hope	2/18/2022 3:01 PM
65121	It is an embarrassment to Canada. You have the right to peaceful protest but not to occupy a city, publish your desire to overthrow the government and keep children living in trucks for weeks on end. It's a disgrace. Please go home.	2/18/2022 3:01 PM
65122	The convoy needed to end the day it began. Dangerous, closed-minded, negative, self-serving, scared individuals putting themselves above everything and everyone else. Selfish babies.	2/18/2022 3:00 PM
65123	Nope	2/18/2022 3:00 PM
65124	It has given our family hope that Canadians will regain our freedoms. ♥	2/18/2022 3:00 PM

65126	It has proven that people are willing to stand up for us and our freedoms.	2/18/2022 3:00 PM
65127	Proud & excited	2/18/2022 3:00 PM
65128	The last month or so	2/18/2022 3:00 PM
65129	Felt more peace and relief that these people/truckers and who they're working alongside with, have given me hope for the future of Canada	2/18/2022 3:00 PM
65130	It's given me hope! There's more than just a few friends that are done with our tyrannical government! There are others that see past the lies and are seeking truth	2/18/2022 3:00 PM
65131	Haven't	2/18/2022 3:00 PM
65132	Its given me hope that the mandates will end	2/18/2022 3:00 PM
65133	It has shown me how much alt right ideology has infected Canada. It has shown me how endemic white supremacy is in Canada.	2/18/2022 3:00 PM
65134	It has been very exciting to see the convoy in all its maple leaf glory pull all Canadians together in such wonderful, peaceful unity from the east and the west. God bless them.	2/18/2022 3:00 PM
65135	It showed me how easily people can be deceived by fringe media outlets and misinformation on social media, so much so that they stage occupations of cities for WEEKS in order to get our prime minister to preform sweeping legislation changes that he literally does not have the power to do, given that mandates are handled at a provincial level, thus why each province had its own different restrictions.	2/18/2022 3:00 PM
65136	Severe acute stress, depression, anger, frustration.	2/18/2022 3:00 PM
65137	Convoy has brought LOVE and HOPE to Canadians and they are standing up for our rights. The Gov. Works for the people, not the people for the Gov.	2/18/2022 3:00 PM
65138	It has given me HOPE!!	2/18/2022 3:00 PM
65139	Positively 100% their message of being able to stand up for what is right not what is being pushed upon you is the best thing ever!	2/18/2022 3:00 PM
65140	None whatsoever besides giving me some hope, and showing why this government really is	2/18/2022 3:00 PM
65141	It has not affected me in the least.	2/18/2022 3:00 PM
65142	This convoy gave me hope!!	2/18/2022 3:00 PM
65143	Maybe supplies but it's given me hope	2/18/2022 3:00 PM
65144	Given me faith in Canadians to stand up to tyranny	2/18/2022 3:00 PM
65145	Hope and joy	2/18/2022 3:00 PM
65146	It inspired me to fight the tyranny of the trudeau liberal government	2/18/2022 3:00 PM
65147	Gave me hope as a Canadian	2/18/2022 3:00 PM
65148	Caused stress and anger	2/18/2022 3:00 PM
65149	I do not appreciate those in the convoy speaking as if they speak for me - and when I call any of them on it, I do not appreciate being harassed, told I have no understanding of the "tyranny" I'm under, etc. As a smart, educated, critical-thinking Canadian, I am fully capable of doing my own research, making my own decisions, and also honouring the democratic process in our country. The division the convoy has caused - supposedly on behalf of all Canadians - is not appreciated.	2/18/2022 3:00 PM
65150	Hope, Make me cry of happiness. Thank you TRUCKERS	2/18/2022 3:00 PM
65151	Made my life a living hell. They are selfish people who have done more damage to the economy and mental health than any of the mandates.	2/18/2022 3:00 PM
65152	Paralyzed my movements, personal commitments and caused division in my community	2/18/2022 3:00 PM
65153	The trucking convoy has had a significant negative effect on all Canadians, holding them hostage in their own neighbourhoods while putting our vulnerable in positions of significant risk. Go home, truckers.	2/18/2022 3:00 PM

Canadians vote on Canadian Mandate - February 2022

65154	It has shown us that the fringe minority is much more than a handful of people who are oppressed and negatively affected by our government.	2/18/2022 3:00 PM
65155	It has given me Hope! Freedom as we know it will be gone for all of us if we can't get gov't to listen. My children and grandchildren will never be free.	2/18/2022 3:00 PM
65156	Made me angry to realize how many selfish assholes we have in this country.	2/18/2022 3:00 PM
65157	it is something positive after 2 years of politicians and "medical" people lying	2/18/2022 3:00 PM
65158	It's given me hope that maybe the people will be heard instead of brushed under the rug!	2/18/2022 3:00 PM
65159	Politicians started to revisit the issue of Covid	2/18/2022 3:00 PM
65160	It has given me hope and pride in Canada the fact that there are so many out there that feel the same way and are willing to stand up to secure our freedoms	2/18/2022 3:00 PM
65161	Given me a sense of hope and created a sense of unity and connection with the world as love for each other is a higher vibration than division which our gov't now supports	2/18/2022 3:00 PM
65162	Gave me hope that our country isn't sliding into a communist take over.	2/18/2022 3:00 PM
65163	It hasn't	2/18/2022 3:00 PM
65164	It is giving positive hope for my fellow Canadian's an raising awareness to others. These are real people effected by this government. The government is to protect us an work for us not knock us down. We need a change	2/18/2022 3:00 PM
65165	The truckers have inspired HOPE! Trudeau's cowardly and "Hitlerish", response DISGUSTS me! I have lost all faith and confidence in the federal and BC provincial governments.	2/18/2022 3:00 PM
65166	It has negatively affected the economy of the country I live in and has been honestly embarrassing	2/18/2022 3:00 PM
65167	The convoy has given me hope where I thought all hope was lost. It has shown me that the majority of Canadians do actually care for each other and care for their freedoms and the future for their children.	2/18/2022 3:00 PM
65168	It has given me hope. I have seen a unity amongst many Canadians that I haven't seen in a long time. It makes me proud to be a Canadian.	2/18/2022 3:00 PM
65169	They're assholes and do not represent Canadians. They are tarnishing the reputation of Canada and need to stop. They have ruined the flag.	2/18/2022 3:00 PM
65170	The convoy is misled, at best. At first I could support the underlying message of freedom. But by now it looks immature and short-sighted. The idea that informal, unelected group can gather and have enough influence to change public policy is disturbing. I don't think the majority of Canadians support this movement. The Liberal government's response of invoking the Emergency Measures Act is also disturbing. I don't feel like either side represents or understands the majority of Canadians.	2/18/2022 3:00 PM
65171	Trucks are weapons. They should not have got where they did. Supply chains disrupted.	2/18/2022 3:00 PM
65172	Had given me hope	2/18/2022 3:00 PM
65173	I start to believe, that is Canada is a free country	2/18/2022 3:00 PM
65174	It gave me hope.	2/18/2022 3:00 PM
65175	They have Brought hope.....we now know that there are so many people who are feeling and thinking the same things that we are.	2/18/2022 3:00 PM

65181	Not at all	2/18/2022 2:59 PM
65182	I've lost all respect for the right due to their ongoing fellation of the alt-right. I sincerely hope that the CPC, PP and Klandice all reap what they have sown.	2/18/2022 2:59 PM
65183	None.	2/18/2022 2:59 PM
65184	they are fighting for my freedom. I appreciate it.	2/18/2022 2:59 PM
65185	It has given me hope, exposed the tyranny, and shown the world that we are the majority or a very large minority.	2/18/2022 2:59 PM
65186	It has brought me hope and encouragement that others see and experience the oppression and see the wrong that the government is doing. Justin Trudeau doesn't care for me as a Canadian...his control is witchcraft.	2/18/2022 2:59 PM
65187	Brought hope to a desperate situation. They deserve our respect, and thanks.	2/18/2022 2:59 PM
65188	Made me swear more	2/18/2022 2:59 PM
65189	Shows that the fringe isn't just us! Gave us hope that we are not alone with our questions of power over reach	2/18/2022 2:59 PM
65190	Hope	2/18/2022 2:59 PM
65191	Hope	2/18/2022 2:59 PM
65192	It has given me restored hope in humans being able to band together regardless of nationality, vax status, gender, faith, whatever label JT is throwing at them. The peaceful forward press to end the emergency act not just the mandates (they could be reinstated any time) makes me proud to be their type of Canadian.	2/18/2022 2:59 PM
65193	It has raised our spirits and given us hope. Made us proud of our country and fellow Canadians. Given us a chance to socialize and meet new people for the first time in two years. Increased unity among the community.	2/18/2022 2:59 PM
65194	Has made me realize how many loser extremists we have in this country. The convoy supporters are disgusting	2/18/2022 2:59 PM
65195	Uplifted my spirit and gave me a sense of hope.	2/18/2022 2:59 PM
65196	-Provides hope -Exposes dirty politics - Exposes corrupt media institutions	2/18/2022 2:59 PM
65197	It has brought me JOY & HOPE! But the last two days have brought on more stress, anger, tears, headaches that don't go away. I'm so scared again. 😞 ♥	2/18/2022 2:59 PM
65198	I am traumatized by hearing of the racism, harassment and all around lawlessness of the border blockades and occupation of Ottawa. Health care has been affected by these occupiers. A lot of money has been lost. And more businesses have been affected. They are an embarrassment to Canada.	2/18/2022 2:59 PM
65199	I get to laugh at them everyday so that's pretty cool	2/18/2022 2:59 PM
65200	The protest was a selfish act. You absolutely have the right to peacefully protest. You don't have the right to do something illegal while you're doing it. Blocking roads, going to businesses as a mob, having children live in trucks for weeks when they should be in school, making excessive noise to disturb people who actually live in the city. Shame on everyone involved.	2/18/2022 2:59 PM
65201	As soon as I heard that this was happening, I immediately started crying. I was so thankful to be a Canadian again and was so appreciated for strong individuals who wanted to not only fight for their freedoms, but their fellow Neighbours. A sense of Hope was restored in me that has been so lost these past couple years.	2/18/2022 2:59 PM

65205	Given me hope	2/18/2022 2:59 PM

65210	It hasn't beyond making me more appreciative of our Federal government	2/18/2022 2:59 PM
65211	It has given me hope and assured me of my constitutional rights and freedoms.	2/18/2022 2:59 PM
65212	By terrorizing my friends in Ottawa. By turning otherwise intelligent people into racist white nationalists who seek to overthrow the elected government.	2/18/2022 2:59 PM
65213	Negatively affected my mental health. The occupation of downtown Ottawa threatened my friends and me with violence and fear. Negatively impacted businesses I would have used if there weren't violent occupiers making the streets unsafe.	2/18/2022 2:59 PM
65214	They have given hope. They stand for us and since Trudeau doesn't want unity and freedom for Canadian citizens. I hope the truckers and people keep doing what they are, for all of us. We cannot live with dictatorship. I would rather die.	2/18/2022 2:59 PM
65215	Given me hope and unity with all my friends and family. Bought me strength.	2/18/2022 2:59 PM
65216	Good to see people protest peacefully against a corrupt government	2/18/2022 2:59 PM

65222	An amusing deviation from our normally staid national politics, but am personally in favour of Make Ottawa Boring Again. Currently watching the arrests, property seizures and more financial accounts getting frozen, and gotta say it's entertaining af. FAFO	2/18/2022 2:59 PM
65223	It has given me hope and courage to stand up for what I believe to be right.	2/18/2022 2:59 PM

65225	Given me hope that the WEF plan can be averted.	2/18/2022 2:59 PM
65226	It has not affected my life negatively at all! It has given me hope and pride in being Canadian again. I was so ashamed of how most Canadians blindly followed every order in the name of public safety without questioning anything! This convoy has given me proof that there are still people here who can think for themselves and those who have not given up hope for a better Canada!	2/18/2022 2:59 PM

65231	I watched the videos and tears ran down my face for a day! The only affect has been of joy to see Canadians speaking my language, unity, peace, love and a singular vision to end mandates, digital ID, contract tracing, government tyranny.	2/18/2022 2:59 PM
65232	It has given me hope again for Canada and made me realize that I'm not alone in this craziness	2/18/2022 2:59 PM

65234	Increase in prices. Canada looks like a joke around the world.	2/18/2022 2:59 PM
65235	Terrible display of bullying in Ottawa and it needs to be shutdown not. You cannot plead for freedom when you take the freedom from others. This occupation has nothing to do with mandates anymore and everything to do with an insurrection. Treason anyone?	2/18/2022 2:59 PM

65267	They deserve to be arrested. Should have happened a long time ago. Cant believe how selfish they are, and yet some of them claim to be Christians. If they like trump so much move down to the states. We don't need that selfishness self centredness here. This is Canada, we look out for our neighbours, vulnerable ones especially, and the mandates do just that. Throw them in jail.	2/18/2022 2:58 PM
65268	They have given me hope for our future generations	2/18/2022 2:58 PM

65285	The Trucker CONVOY has brought me Hope, Faith in humanity, Love, peace,life and a sense of not being alone in my thoughts & beliefs. They confirmed I was not crazy for I wasn't the only one feeling this way! The trucker convoy has made me begin to BE PROUD TO BE CANADIAN again. Before the trucker convoy I has almost lost all faith in being Canadian, I didn't want to live on Canadian soil anymore, I was not proud to be Canadian, but then ANGELS (The Truckers) came and have began to restore my faith in humanity & I have not felt sooo much love in my life from so many people from all across the country like I have since the trucker convoy started! Freedom is Essential & I supported the truckers 100 percent! I have been to Ottawa twice to hold the line and support this movement, I have attended rallies all over my local areas, attending Toronto Convoys & Rallys. If it wasn't for the truckers taking a standing Canada would not have United like we have over the past 25 days! We are all supporting one thing & that is FREEDOM! My Anstors did not go to war & fight for the freedoms we have today as Canadians for our future generations to lose that! This is our time to Stand up & fight for what's rights, just like our veterans did, the difference between passed wars and our is that we canadians are standing together and fighting this war with Peace, Love, Light Unity! We don't want violence, we come in Peace!	2/18/2022 2:58 PM

65288	It is disturbing to see this right wing extremist minority and the support they have been getting from the UCP. This is not what Canada is. As citizens we work together for the greater good. As a Canadian it is embarrassing.	2/18/2022 2:58 PM
65289	It's been encouraging to see so many other Canadians who are just as sick of the mandates, and to see them protest peacefully for our freedom.	2/18/2022 2:58 PM

65309	Negligiblely. The truckers Convoy has given us hope is that enough people may be waking up and the there may still be a possibility to save our country from the dictates of the globalist. Of which successive governments have failed to stand up to.	2/18/2022 2:57 PM
65310	It has given us hope for the first time in 2 yrs. We have felt joy and hope.	2/18/2022 2:57 PM

65317	I support it 100%. It gives me hope. We are not the fringe minority. I've been silenced for two years. It's a relief to know there are so many others who see what is really going on here. The governments motives are sinister.	2/18/2022 2:57 PM
65318	It's an international embarrassment.	2/18/2022 2:57 PM
65319	It has disturbed my family and friends.	2/18/2022 2:57 PM
65320	When I got my Canadian Citizenship several years back, it was one of the happiest days of my life, but this last 2 years, the barbaric, tyrannical, illegal, and hate speech behaviour has made me question my choice of CHOOSING Canada to become my forever home and I was no longer proud to say I was Canadian but the truckers standing up for everyone, and wanting all mandates removed, reinstalled me being a proud Canadian again, but the continued nasty behaviour of our prime minister, is making me question my faith and I am losing that ability to be proud of the country I live in, especially when we are a laughing stock in so many other countries.	2/18/2022 2:57 PM
65321	I've spent the last few weeks delivering food to underprivileged people and joining safety walks to help neighbors feel safe.	2/18/2022 2:57 PM

65323	Over the 2 years of COVID my intuition was suggesting to me that there was more to COVID. Was it a Plandemic? I really wondered, but did not want to accept that my government systems were so corrupt. Due to the anxiety in the home, I chose to support the fear of the rest of the family, and I got my jabs as well - but I intuitively believed there was something deeper. When the Convoy started, I became very excited. For the first time in 30 years I began to feel as though I was a Canadian. I did not fully understand why, but my intuition suggested these people were on the right track. For 3 1/2 weeks I listened through mainstream media and online media, 12 to 16 hours a day. I heard the information, but then would do fact checks. The information proved my intuitive concerns, and I came to the point where my greatest hope was that at some point the Medical / science professionals from both sides (Convoy and Gov't) would get together, provide the science and help us all to understand the TRUTH. Unfortunately, the fact that the PM continued to run away from that request, reinforced the Conspiracy is likely true: - Canada is being controlled by the World Economic Forum, - there is a plan to reduce population - the vaccinations are part of that plan - Trudeau Foundation is gaining from every vaccination - The goal is to make us all dependent on gov't, so that the gov't can remove all of our personal possessions, and rights. I am 65, my greatest fear is for my adult children and grandchildren. I was not a protestor at the CONVOY, but I will now spend the rest of my days working to ensure the conspiracy does not happen.	2/18/2022 2:57 PM

truly believe the Anti-Christ is here and us darn complacent Canadians voted the bastard in (not I) . Think about it, why does one take a vaccine that doesn't prevent illness or prevent spreading an illness? And causes death beyond an acceptable rate. It took the truckers to wake a nation, terrorists, really, this coming from a pedifile that used tax payers money to silence his dirty deed, amongst the rest of his racist and unethical tax payer spending ways. The trucking convey has done nothing but offered peaceful protest and hope for liberation against an unjust government that is not listening to the people, the true science behind the data coming out after the last two years of injections, masking, isolation, suicides, rises in cancers, ms, and other extraordinary diseases. The trucking convey is what keeps me from fleeing Canada.

65376	Made me ashamed of my fellow Canadians who can't understand the need for public health, and who have conflated a simple jab with a government conspiracy.	2/18/2022 2:56 PM
65377	It has made me incredibly sad and angry.	2/18/2022 2:56 PM
65378	It gave me hope that conservatives have a voice in Canada. It feels like we haven't had a say in things for a decade.	2/18/2022 2:56 PM
65379	It hasn't	2/18/2022 2:56 PM
65380	It has woke me up to pay more attention to politics	2/18/2022 2:56 PM
65381	Negatively, by taking a way my kids sense that people are smart	2/18/2022 2:56 PM
65382	They are standing up for my rights I can't go to Ottawa I'm glad somebody will stand up for my rights as a Canadian citizen	2/18/2022 2:56 PM

65395	Not at all	2/18/2022 2:56 PM
65396	Embarrassed the country I love, brought undesirables in from the USA, made life of my fellow citizen in Ottawa very difficult, contributed to high inflation.	2/18/2022 2:56 PM
65397	gives me hope for getting my freedom back, especially because the mandates are not backed by science.	2/18/2022 2:56 PM
65398	Convoy has affected my life, by showing there are people in this country, who are willing to protect our Charter Rights. Something too many MP's have voted to take from us Canadians!!	2/18/2022 2:56 PM
65399	Over the 3 weeks the Convoy was in Ottawa it gave me such a sense of pride, of hope that this would end. Hope that our children and grandchildren would have a country of peace, unity and freedoms. Hope that I would never have to mask my youngest, who will be 2 years old in April.	2/18/2022 2:56 PM
65400	It's given me hope that there is some semblance of sanity in the country. It's not a movement I would normally align with in the past but a lot has changed over the last two years.	2/18/2022 2:56 PM

65412	Ashamed of fellow Canadians misrepresenting our country.	2/18/2022 2:56 PM
65413	It has made ma aware of how many exceptionally amazing citizens we have across the country and the World	2/18/2022 2:56 PM
65414	Had to leave home. Threatened, harassed, no sleep. Fuck the convoy.	2/18/2022 2:56 PM
65415	Its given me a glimmer of hope that freedom will be restored. But, i fear we're doomed.	2/18/2022 2:56 PM

65419	It has given me faith that the draconian ways the current government uses power to brainwash and control its citizens can be abolished if enough people speak up	2/18/2022 2:56 PM

Canadians vote on Canadian Mandate - February 2022

65420	It hasnt	2/18/2022 2:56 PM
65421	Triggered by seeing the Canadian. Never realized just how selfish part of society is. Has laid bare the systemic issues in spiciest that everyone turns a blind eye to.	2/18/2022 2:56 PM
65422	This freedom movement has given me hope that there will be justice and joy and compassion once again in our nation. We must hold the line. Everything we value depends on it.	2/18/2022 2:56 PM
65423	It has given me hope that I am not alone with the segregation.	2/18/2022 2:56 PM
65424	For the better trying to get Canadians freedom! More than the government can say.	2/18/2022 2:56 PM
65425	It is given us hope that their is people out their thinking, and willing to stand up for what they believe in! When we went to our near by community to watch and support the trucks on their way to Ottawa, it was an exciting but very emotional time!! You could see so many others that felt the same way as you did, you could see the work of GODS hand in it by bring so many together (of every race) then trying to provide division and fear like the media and Government is trying to do. Little fact, did you know that the bible says 365 times, "DO NOT FEAR"	2/18/2022 2:56 PM
65426	Gave me pride back in Canadians!	2/18/2022 2:56 PM

65431	Relief	2/18/2022 2:56 PM
65432	Made me ashamed to be Canadian and terrified that the convoy seeks to destroy democracy. And not only that — they seek to kill everyone who doesn't agree with them.	2/18/2022 2:56 PM
65433	Negatively. White supremacists attempting to overthrow the government deserve what they're about to get.	2/18/2022 2:56 PM
65434	Lifted our spirits brought us closer together as we were as Canadians the whole world knows us as loving peaceful people and I find the current government is taking that away	2/18/2022 2:56 PM
65435	Give me hope. Given my family hope. Has made me proud to fly the Canadian flag again...	2/18/2022 2:55 PM

65443	It gives me hope	2/18/2022 2:55 PM

65445	Given me hope	2/18/2022 2:55 PM
65446	Actually gave me hope until today feb 18 with what I'm seeing online with aggressive police arresting a peaceful protest	2/18/2022 2:55 PM
65447	Not At All	2/18/2022 2:55 PM
65448	It's given me a hope I haven't felt in two years!	2/18/2022 2:55 PM
65449	IT HAS NOT AFFECTED MY LIFE IN ANY WAY :)	2/18/2022 2:55 PM

65453	It hasn't	2/18/2022 2:55 PM

65457	Hasn't but have no problem with protesting but not at the expense of other people's lively hood. Blocking border or road ways no better than holding someone hostage illegal	2/18/2022 2:55 PM
65458	My husband is obsessed with it I agree with the convoy and it's objectives, but I will be very happy to see the end of it and get my husband back!	2/18/2022 2:55 PM

65460	Yes proud to be a canadian	2/18/2022 2:55 PM
65461	People I care about have been threatened by protesters and have been tortured for 3 weeks by constant noise and air pollution. Go home dipshits, you've made your point.	2/18/2022 2:55 PM
65462	It has caused our Prime Minister to come down heavy-handed for absolutely no reason. He has not addressed his people and he has not been a good leader no matter what side you're on. This has affected me as a patriotic Canadian citizen. Where is my Canada?	2/18/2022 2:55 PM
65463	It has given hope. There is a future worth standing in protest for. Freedom is ourcry and desire.	2/18/2022 2:55 PM
65464	Made me realize that there are people out there that do not like being told what to do and trouble makers that don not know how to follow the laws of the land and like nothing more to encourage insurrection and then Rule there way!!!!	2/18/2022 2:55 PM
65465	HOPE!!!	2/18/2022 2:55 PM

65469	It's caused undo stress and anxiety for people of downtown ottawa, has caused confusion for the public and is an embarrassment	2/18/2022 2:55 PM
65470	Given me hope	2/18/2022 2:55 PM
65471	HORRIBLE!! They should all be arrested! They don't know what they are talking about	2/18/2022 2:55 PM
65472	Given hope for the future to get the ass hat Trudeau out of power and stop all his agenda one world bullshit	2/18/2022 2:55 PM
65473	The convoy gave hope and inspiration and showed me that many canadians feel like me and are willing to stand up to globalist tyranny. GLOBALISM IS TREASON	2/18/2022 2:55 PM
65474	Gave me something to laugh at. Made me ashamed to be Canadian.	2/18/2022 2:55 PM

65476	Bring home	2/18/2022 2:55 PM

65483	Not at all	2/18/2022 2:55 PM
65484	It's embarrassing on the international stage to see truckers hold our country and capital city hostage.	2/18/2022 2:55 PM
65485	Unaffected but I support it	2/18/2022 2:55 PM
65486	It has given us hope! Hope that the tides against a draconian tyrant are in fact changing. The legacy media has depicted these hero's as anti this and anti that, when in-fact, they have been hero's from the beginning, they are peaceful and sharing love to the community and saying enough is enough. They are true hero's!!!	2/18/2022 2:55 PM
65487	Embarrassed by them, stressed out by having to hear about it. Worry for family that works near the boarder	2/18/2022 2:55 PM
65488	Proud that someone is finally challenging and taking action in what everyone has been thinking and saying	2/18/2022 2:54 PM

65491	It has given me hope and showed me there are many many more people who feel the way I do.	2/18/2022 2:54 PM
65492	It has given hope that this will finally be over. The people have spoken!!	2/18/2022 2:54 PM
65493	Hope	2/18/2022 2:54 PM
65494	Love each and every one of them, I wish I could do more	2/18/2022 2:54 PM
65495	The system has slowed down and it is harder to get what you need.	2/18/2022 2:54 PM
65496	It has revealed how vile, uneducated white supremists have infiltrated society who only care for themselves and not society as a whole. Selfish and stupid	2/18/2022 2:54 PM

65498	Positively!	2/18/2022 2:54 PM
65499	It has made me feel better about myself and have been doing maskless shopping either on my own or with family and friends. It makes me happy to see that someone out there cares for our Freedoms of choice and Freedoms to do what we want to get back to a normal life	2/18/2022 2:54 PM
65500	I no longer feel safe when I see a tractor trailer.	2/18/2022 2:54 PM
65501	It gave me hope for a brighter future	2/18/2022 2:54 PM
65502	It hasn't except to make my blood pressure raise.	2/18/2022 2:54 PM
65503	It has given us hope and knowledge that there are many, many people standing up for our freedoms which need to be restored.	2/18/2022 2:54 PM
65504	Giving hope that there are people willing to stand up for freedom	2/18/2022 2:54 PM
65505	Made me proud to Canadian again	2/18/2022 2:54 PM
65506	I am an active opponent of this convoy. I am exhausted angry and don't trust the government to do anything anymore.	2/18/2022 2:54 PM
65507	It has not physically affected my life as in noise. I am very grateful to the convoys for fighting for our freedom. Very grateful. Govt needs to engage with them instead of behaving like spoiled children. Something is very wrong.	2/18/2022 2:54 PM
65508	Direct effect has been none other than to show me how overbearing our government can be.	2/18/2022 2:54 PM
65509	Pain in ass as cannot go downtown and now people are rude and aggressive when I wear a mask. My body my choice! Seems only to apply to covidots	2/18/2022 2:54 PM
65510	Not at all, REAL REAL truckers still keeping shelves full	2/18/2022 2:54 PM

65511	None. It's helping! Thanks to the truckers convoy!	2/18/2022 2:54 PM
65512	Gave me hope	2/18/2022 2:54 PM
65513	Destroyed and faith in the Liberal NDP govt	2/18/2022 2:54 PM
65514	It didn't affect me much, except less food options at the grocery stores.	2/18/2022 2:54 PM
65515	It's a nightmare that has disrupted my community.	2/18/2022 2:54 PM
65516	It's given me hope	2/18/2022 2:54 PM
65517	Positively, gives me hope that freedoms will be restored for us today, and our children's future to make their own choices, and not dependent on the state	2/18/2022 2:54 PM
65518	Motivated us to speak out about the mandate, feeling like I'm not alone.	2/18/2022 2:54 PM
65519	Not a bit	2/18/2022 2:54 PM
65520	Well it has given me some hope that people are taking peaceful action to give a message to the government that has been heavy handed and not listening. There are other ways to manage this pandemic that thousands of medical experts around the world have been advocating. Its time to bring these people to the table rather than censor them.	2/18/2022 2:54 PM
65521	I have been unable to focus on my day-to-day tasks as I was constantly worried that things would escalate into violence. They are super-spreader events that have put the lives of attendees and their family/friends at risk.	2/18/2022 2:54 PM
65522	It has restored hope that most of Canada feels the same standing in opposition to government overreach in our lives. The government CAN NOT tell people what medical experiments they MUST take or else rob them of their rights and freedoms and must NOT continue to suppress true science and debate. Our government has failed to lead the people and provide the truth in every aspect of this global travesty. Thank you.	2/18/2022 2:54 PM
65523	Aside from humiliating the government and putting eyes on their over-reach	2/18/2022 2:54 PM
65524	Brought me hope and pride in being a Canadian citizen. I have profound respect for the immense challenges the trucking convoy has survived so far and continues to address.	2/18/2022 2:54 PM
65525	Hasn't I support them by being here waving canadian flags	2/18/2022 2:54 PM
65526	Feel united and understood by the truckers. United without government	2/18/2022 2:54 PM
65527	Brought positivity back, hope and freedom, been the best thing for me in two years	2/18/2022 2:54 PM
65528	For a few weeks I was joyful and hopeful for the future. Now I dread what is going to happen to my life, my community and my country. I am now suspicious of others in my community and I'm losing respect for almost all government institutions. The distractions and deceptions of the mainstream media makes my blood boil.	2/18/2022 2:54 PM
65529	It gave me hope that I haven't felt in years.	2/18/2022 2:54 PM
65530	The convoy has shown the deceit within our government and media.	2/18/2022 2:54 PM
65531	Well, mandates are being lifted , so how hasn't it helped?? We are the ppl, we have a say	2/18/2022 2:54 PM
65532	only postitively , giving some hope	2/18/2022 2:54 PM
65533	It has lifted our spirits, and has given us the opportunity to feel good about being Canadian. We support the Truckers in the same way we have honored veterans who have fought for freedom on our behalf.	2/18/2022 2:54 PM
65534	It has given me hope and a voice.	2/18/2022 2:54 PM
65535	I am on AISH and my finance drives. Well with the price of gas up so high we cannot do a lot of driving. Only for emergencies.	2/18/2022 2:54 PM
65536	The convoy has made me realize that our Prime Minister needs to go.	2/18/2022 2:54 PM
65537	Hope, patriotism, happiness and joy	2/18/2022 2:54 PM
65538	They are trying to get us back to freedom in our country and getting the message out to the rest of the world. We have been duped for the past 2 years with Trudeau as leader of our	2/18/2022 2:54 PM

65539	it's opened the eyes of people all around the world. It's been peaceful and effective at letting people know that LOTS of us are sick of the tyranny.	2/18/2022 2:54 PM
65540	Have me hope	2/18/2022 2:54 PM
65541	Hasnt	2/18/2022 2:54 PM
65542	Brought hope , and a smile to my face. A reason to get out of bed. To realize there are literally millions who want to get back to living without govt overreach	2/18/2022 2:54 PM
65543	Held a city hostage	2/18/2022 2:54 PM
65544	on board with them. Cheered them on. hope they succeed in freedom for all	2/18/2022 2:54 PM
65545	Fuck those motherfuckers. I hope they all end up bankrupt.	2/18/2022 2:54 PM
65546	It has given hope in this countries greatest darkness.	2/18/2022 2:53 PM
65547	The best way possible	2/18/2022 2:53 PM
65548	The convoy has given me hope. That good people will not be silent when a minorities rights are being infringed upon for political power. The convoy represents my rights as a law abiding citizen.	2/18/2022 2:53 PM
65549	Given me hope for the future are brought unity to more Canadians that anything in the history of Canada.	2/18/2022 2:53 PM
65550	It has given me and others around me hope and pride back in our Vountry. It has shown me and others that there is still some Unity and Love left in this World and Country. It shows me that Canadians are finally waking up and protecting our rights and freedoms. It shows me that people had enough and will not stand by and watch someone force something that has caused death into our bodies any more without a fight. A house divided will fall we all need unity and healing after this.	2/18/2022 2:53 PM
65551	It's given me hope !	2/18/2022 2:53 PM
65552	It has terrified me to see far right extremists and people with no understanding of how our government works suggest they have been victims because they have been required to follow basic public health measures to protect themselves and each other. They are a small minority who believe it is somehow their right to demand the removal of a democratically elected government, and they have terrorized citizens of Ottawa. They need to leave now or be arrested.	2/18/2022 2:53 PM
65553	It hasn't.	2/18/2022 2:53 PM
65554	Made it stressful and made me think we need a better education system so that these convoy people understand Canadian laws anx levels of government	2/18/2022 2:53 PM
65555	RAMRANCH for life!	2/18/2022 2:53 PM

65562	Finally gave me hope ,they are a class act.the emergency call was disgusting for the government to impose on pieceful protest.	2/18/2022 2:53 PM
65563	Cheering them all the way, and it gave me hope after 2 very long years of depression etc.	2/18/2022 2:53 PM
65564	It isn't.	2/18/2022 2:53 PM

65574	none	2/18/2022 2:53 PM
65575	Division amongst relatives	2/18/2022 2:53 PM
65576	It hasn't. It is important what they are doing as they are standing up for our rights. Some bad apples in the group unfortunately cloud what they are doing.	2/18/2022 2:53 PM

Canadians vote on Canadian Mandate – February 2022

65597	It's ridiculous. The convoy has made a challenging situation even more difficult.	2/18/2022 2:53 PM
65598	It has shown how Canadians can come together and peacefully organize against tyrannical govt who have forced their harmful agenda upon the people while they have less than 30% of the citizens vote.	2/18/2022 2:53 PM
65599	It gave me hope again.	2/18/2022 2:53 PM
65600	It's gave me hope showed me that I am definitely not alone that I am not the only one that see what's happening as wrong and it's time for it to all stop	2/18/2022 2:53 PM
65601	It have me hope for once in the last 2 years that someone is willing to stand up and fight for freedom.	2/18/2022 2:53 PM
65602	Felt proud for the first time in a long time to be Canadian!!	2/18/2022 2:53 PM
65603	It has not	2/18/2022 2:53 PM
65604	They make me proud to be a canadian	2/18/2022 2:53 PM
65605	Slowed delivery of mail orders.	2/18/2022 2:53 PM
65606	It has really helped me see the communist agenda of the government and the length they will go to carry out their takeover	2/18/2022 2:53 PM
65607	Not at all..it has brought me nothing but joy and I have never been so proud to be canadian! I support the truckers	2/18/2022 2:53 PM
65608	Even in my town (not Ottawa), these morons interrupted my work day by setting up a blockade near my job, intimidating members of the community. They are selfish, entitled, and incapable of intelligent activity.	2/18/2022 2:53 PM
65609	It has given me great hope that the criminal acts perpetrated by our government will end.	2/18/2022 2:53 PM
65610	Embarrassed for my country that it happened.	2/18/2022 2:53 PM
65611	It hasn't. But I hope they help end the mandates.	2/18/2022 2:53 PM
65612	Has not effected me at all. Proud of the convoy as the government and media are against there own citizens	2/18/2022 2:52 PM
65613	Giving hope	2/18/2022 2:52 PM
65614	Gave me hope. Helped several of my forend businesses in Ottawa thqt where on the verge of closure after the last 2 years of reduced income.	2/18/2022 2:52 PM
65615	it has been an absolute embarrassment to this country. it fills me with rage and shame.	2/18/2022 2:52 PM
65616	Go away forever	2/18/2022 2:52 PM
65617	The trucking convoy is a freaking joke. They look like toddlers throwing a tantrum. Comparing the mandates to what happened in Germany, comparing what we are living to the Nazis, to tyranny.. It's honestly embarrassing and plain idiotic. I wish the government acted faster to remove the occupiers from Ottawa. They don't represent the vast majority of Canadian. We are going through so much hardship, we don't need this.	2/18/2022 2:52 PM
65618	i do not support white nationalists	2/18/2022 2:52 PM
65619	Brings some relief Knowing things will change and we will get our freedoms back	2/18/2022 2:52 PM
65620	The trucker convoy has brought joy into me and my family being Canadian again. Gives me hope that we will get our freedom back.	2/18/2022 2:52 PM
65621	Other than a few protesters in our town, my life hasn't been directly affected. However, the fact that this convoy is made up of different factions with different agendas hanging on to the shirrtails of those with a very political agenda is alarming. The way they've vilified mainstream media is alarming. The disruption to services is alarming. The hatred demonstrates and violence expressed is alarming. Peaceful protest this was not. It's created further division during a difficult time. The ant-mandate ppl have confused rights with privilege. The door has always been open for them. For many professions, vaccine mandates are not new. For those who think they can demand the overturn of a democratically elected government, we'll, what do you say? Perhaps a course in democracy is in order.	2/18/2022 2:52 PM

Canadians vote on Canadian Mandate - February 2022

65622	It has made getting to appointments downtown difficult because buses aren't taking their usual routes.	2/18/2022 2:52 PM
65623	Gave some hope until the emergency act was invoked and the police moved in..... could have all been avoided by a simple meeting.... another waste of tax dollars	2/18/2022 2:52 PM
65624	Show that there are a lot of misinformed people out there and the convoy was supported by racist	2/18/2022 2:52 PM
65625	Hopefully for the better.	2/18/2022 2:52 PM
65626	It has brought a glimmer of hope in this crazy, non-sensical world we now live in, especially Canada.	2/18/2022 2:52 PM
65627	The trucking convoy has given me hope when I thought all hope was lost in the citizens of this country. It felt like I was alone in the way I felt about these mandates and it turns out that people have been divided and afraid.	2/18/2022 2:52 PM
65628	Hope	2/18/2022 2:52 PM
65629	I have never met any one more rude and selfish and outright horrible people in my entire life. I am SO glad the police is cracking down on them. Long overdue. Adult tantrum really. Cant believe some of them have kids because they're giant babies themselves.	2/18/2022 2:52 PM
65630	The Truckers and peaceful patriots have given the world faith which makes my heart happy. Unity	2/18/2022 2:52 PM
65631	See above re: arseholes.	2/18/2022 2:52 PM
65632	Loved playing #RAMRANCH for these losers!	2/18/2022 2:52 PM
65633	It gives me hope for change	2/18/2022 2:52 PM
65634	They are sticking up for our rights as people of a Supposedly FREE country.	2/18/2022 2:52 PM
65635	It's brought people together, some mandates are being lifted which has gave us hope that equality can be restored.	2/18/2022 2:52 PM
65636	It's given hope to those living in such trying times to face mandates that make no sense both in logic and medical application.	2/18/2022 2:52 PM
65637	It gave me hope for the first time in 2 years. It picked up my spirits and made me realize I am not alone. It made me feel so proud of my country - a pride I have never felt before. It gave me much needed strength and courage to keep holding the line and staying true to my morals and integrity knowing I am doing it alongside so many other brave Canadians willing to stand up to injustice. It made me feel like my voice was finally being heard. How our government has handled the freedom convoy is beyond deplorable. There are no words for the heartbreak I feel for how we are treating Canadians exercising their democratic right to peaceful protest. I feel more convicted than ever that I am on the right side of history right now. Our leaders are shameful.	2/18/2022 2:52 PM
65638	I support them 100%	2/18/2022 2:52 PM
65639	No affect or disruption to my life but does make me feel hopeful for the future.	2/18/2022 2:52 PM
65640	Hope	2/18/2022 2:52 PM
65641	Given hope that others feel the way I do (I'm not alone) & hope that we may see the end of government overreach	2/18/2022 2:52 PM
65642	Lifted my spirits, unity of citizens and hope regained	2/18/2022 2:52 PM
65643	Undecided	2/18/2022 2:52 PM
65644	The convoy represents a dangerous rift in Canada. Everyone has the right to protest. I've marched myself. What's been happening in Ottawa over the last 24 or so days, however, is not a protest. It's an occupation/rave. It's a carnival. Disrespectful to the monuments and institutions we hold dear, and while I'm worried about the people involved at the street level, the leaders of this organization have roots in racism, sedition, and have done an incredibly poor job of managing things. If a Nazi sits at your table, you're at the Nazi table. This behaviour wasn't immediately derided by the organizers- in fact it was tolerated (BJD said "If they wanna	2/18/2022 2:52 PM

Canadians vote on Canadian Mandate – February 2022

fly a Confederate or Nazi flag, I don't care" at one of their "press conferences"). The distrust of the MSM, the adoption of conspiracy theories, and turning away from globally accepted scientific evidence made the organizers look foolish. The inclusion of Canada Unity in the group made it treason. Constantly honking the horns, disrespecting the residents of Ottawa, attempting to shame those who wore masks, childish act of defiance (yelling at a store employee because they don't want to wear a mask, for example) - all of this should have been completely shut down by the leadership. This was not a protest. It was a seditious tantrum. And it needs to stop. There's a right way to do things, and a wrong way. One of the right ways is to know what level of government you need to protest. The Federal Government doesn't have jurisdiction over Provincial mandates- only federal ones. So why are they in the nation's capitol? The border mandates are bi-directional. The US has the same restrictions. Lifting ours would have made no impact. And they'r there for a reason- t protect the immunocompromised, infirmed, elderly, and all Canadians. That's not why the were there. They were there to overthrow a duly elected House Of Commons, have the GG and Senate disband it, and replace it with a committee of Canada Unity members. That's not freedom. That's authoritarianism. For all the comparisons they've made to Germany circa WW2, they failed to realize that in this analogy, they're the Nazi Party. I wear a mask and am triple vaccinated not to save myself, but to save those who might be around me without the ability to protect themselves. That's how it works. The lockdowns can end when we've breached 90% boosted and vaccinated levels. At that point we'll have reached herd immunity. Look, we get it. Science is not definite. The scientific method allows for changing the results when presented with new information. That's how science works. Not understanding this does not permit one to deny it.

65645	Restored my pride in Canada, shown me that we're not alone and that a large percentage of Canadians still believe in our Charter of Rights.	2/18/2022 2:52 PM
65646	It has brought me hope, yes it has affected traffic and some local business, but I personally know people that have lost their small business and claimed bankruptcy due to closing their business by complying with pandemic government mandates and they were unable to reestablish their business.	2/18/2022 2:52 PM
65647	I along with my fellow Canadians and worldwide family and friends support their cause which is for the better if each Canadian. They have sought discussions with the PM as lawful abiding citizens and have made World History to keep Canada and Canadians strong and free from Communist regime and tryanny. Time is of the essence and need our voice and vote to be counted as rightful citizens and tax payers in a democratic country and most importantly to stop/ abolish the vote of emergency act The emergency measures does not meet the criteria and need of using war-time measures on our own fellow Canadians and law abiding peaceful citizens. The Freedom Convoy has been established worldwide and by fellow Canadians as been the most peaceful demonstration of Family and children, no acts of violence, homeless shelters cared for, crime down as statistics have highlighted. Trudeau as any Respectable and duty bound PM could have, but even refused to speak once or even show up for the last four weeks other than hide, spewing, aggravating and instigating hatred, division and threatening his own common and peaceful tax paying citizens who just wanted to have an open dialog with their Prime Minister which is the least a Respectable PM would have done to atleast hear what his own Citizens have been going through after 2 years of shut down, lock downs, job losses, mental and physical and financial challenges etc. etc. etc From A True Canadian O Canada True North Strong and Free, We stand together on guard for thee!	2/18/2022 2:52 PM
65648	Made me feel alive and the true Canadian Spirit is alive. The collapse of globalism and the reinvention of the world. Right here right now	2/18/2022 2:52 PM

65709	It has given me hope that Canada is not lost	2/18/2022 2:51 PM
65710	It has pissed me off. They have given honest truckers a bad name, and they have desecrated the meaning of the Canadian flag.	2/18/2022 2:51 PM
65711	Inspired and gave me hope for the Canadian working class and humanity	2/18/2022 2:51 PM
65712	Brought hope.	2/18/2022 2:51 PM
65713	It has given me hope	2/18/2022 2:51 PM
65714	As I do not live in Ottawa, Coutts or Windsor; and do not work at businesses affected by border blockage, the convoy has had little affect other than as a backdrop for political machinations by ALL parties.	2/18/2022 2:51 PM

Canadians vote on Canadian Mandate - February 2022

65715	There is no trucker convoy. Only a foreign fascist funded attempted coup that used gullible, lonely and brainwashed people to try to erode what is truly Canadian.	2/18/2022 2:51 PM
65716	Goods not able to cross borders, family in ottawa blocked in their homes	2/18/2022 2:51 PM
65717	Increased awareness of government overreach	2/18/2022 2:51 PM
65718	It has given me hope that we can defeat this tyranny from the Liberal government and regain our freedoms.	2/18/2022 2:51 PM
65719	It's brought hope to many, myself included and I'm thankful for this movement against our corrupt government	2/18/2022 2:51 PM
65720	I now know what side of the line my friends and family are on. Should make holidays and get together more interesting.	2/18/2022 2:51 PM
65721	I applaud those brave gentleman and women	2/18/2022 2:50 PM
65722	Given me hope for freedom	2/18/2022 2:50 PM
65723	It gave me hope to regain freedom. Great people	2/18/2022 2:50 PM
65724	It is awesome It is amazing that Jesus uses Truckers to stand and unite CANADA. Trudeau need to be removed	2/18/2022 2:50 PM
65725	Creating division in society and bringing havoc and chaos to an ontario city. It has led me to look at many people with disgust. While I understand some of the motives, the methods have been disruptive and chaotic.	2/18/2022 2:50 PM
65726	Gives hope	2/18/2022 2:50 PM
65727	They gave me HOPE!!!!	2/18/2022 2:50 PM
65728	good	2/18/2022 2:50 PM
65729	Hasn't affected me, other than my enhanced Patriotism to what Canada stands for	2/18/2022 2:50 PM
65730	I was part of it and loved it.	2/18/2022 2:50 PM
65731	It has not affected my life at all. Although, I've found it stressful because of Trudeau's reaction to it. It's pointing out to me what a mess our country is in	2/18/2022 2:50 PM
65732	Has given me hope.	2/18/2022 2:50 PM
65733	The trucking convoy has given me hope, as so many like-minded people from our province, Canada and now the world our peacefully Convoy together for freedom from these ridiculous mandates, which stem from the implementation of vaccination requirements as per the agenda 30 directives	2/18/2022 2:50 PM
65734	Not mine at all directly atm but I feel bad for residents of Ottawa who have been blockaded and harassed for 22 days	2/18/2022 2:50 PM
65735	It's hasn't really...but if the mandates end due to the convoy then it will have affected my life for the better...mandates need to end now!!!!	2/18/2022 2:50 PM
65736	It has given me hope that there is still a chance this country can be saved from corruption	2/18/2022 2:50 PM
65737	It has blocked streets and created noise and pollution and increased animosity among the groups	2/18/2022 2:50 PM
65738	It has been stressful, because the protesters are so completely ill-informed about what pandemic are, what basic things are required to make it through a pandemic, what actual rights are, and the amount of public support they think they have. They're acting like they link they're liberating the rest of us, but the rest of us would rather continue using reasonable mandates and measures to protect ourselves and our communities.	2/18/2022 2:50 PM
65739	It hasn't. Rural AB stores have been fully stocked.	2/18/2022 2:50 PM
65740	It's been a nightmare	2/18/2022 2:50 PM
65741	It's given me hope	2/18/2022 2:50 PM
65742	Anxious and scared	2/18/2022 2:50 PM

Canadians vote on Canadian Mandate - February 2022

65743	Happy they did it but their message has been heard and the true colours of our PM are now exposed	2/18/2022 2:50 PM
65744	It has inspired me and given me hope!	2/18/2022 2:50 PM
65745	I LOVE the truckers and what they are doing for our rights and freedoms. There is no hamful/racist or any other negative acts that the truckers are accused of doing. I know someone who is with the convoy and I receive updates on how its all going, everything on the news is so far out of reach nothing they are saying (when speaking poorly of our heros) is true. They are peaceful people doing a PEACEFUL act to HELP the CANADIANS LIVE IN HARMONY AND BE FREE AS WE SHOULD SINCE IT IS OUR RIGHT!	2/18/2022 2:50 PM
65746	Has given us hope for our freedom back.	2/18/2022 2:50 PM
65747	So glad people are finally standing up! Enough is enough of this Tyranny!	2/18/2022 2:50 PM
65748	It has brought more like minded people together. Hope and acceptance that it is ok not to get this vaccination.	2/18/2022 2:50 PM
65749	First time I've had hope in yrs.	2/18/2022 2:50 PM
65750	Canadian unity and identity re-established	2/18/2022 2:50 PM
65751	Shown me a lot of Canadian love and inspiration	2/18/2022 2:50 PM
65752	The light at the end of the tunnel with regards to the pandemic is coming. The illegal occupation of Ottawa and the border blockades have only added more anxiety and division to the county.	2/18/2022 2:50 PM
65753	Gives me hope	2/18/2022 2:50 PM
65754	I am so extremely thankful to them for their tenacity and courageous stand for our freedom.	2/18/2022 2:50 PM
65755	Worsened it	2/18/2022 2:50 PM
65756	It has given me hope, that this tyrannical dictatorship by justin Trudeau will end.	2/18/2022 2:50 PM
65757	Gives hope and faith	2/18/2022 2:50 PM
65758	it's good to see some positive support from the people in this country finally seeing the corruption of this whole ordeal it was never about what's good for us , it's about control	2/18/2022 2:50 PM
65759	Hasent but proud they are standing up for Canadians	2/18/2022 2:50 PM
65760	I would starve and eat grass if it meant life would return to normal and people had the right to choose. I thank them and support them 100%	2/18/2022 2:50 PM
65761	It's not affecting us. I'm proud of them supporting us	2/18/2022 2:50 PM
65762	Brought me hope	2/18/2022 2:50 PM
65763	It has given me hope in a country that no longer has any hope.	2/18/2022 2:50 PM
65764	It has made me feel proud to be Canadian! Had given me hope and getting g my legal rights back .	2/18/2022 2:50 PM
65765	It hasn't	2/18/2022 2:50 PM
65766	I have avoided it.	2/18/2022 2:50 PM
65767	It hasn't. It's been the best thing to happen to Canadians in years. Justin Trudeau is affecting every Canadians life and needs to go. He has lost his mind and needs to step down.	2/18/2022 2:50 PM
65768	It's made me feel a renewed sense of HOPE for Canada!!!	2/18/2022 2:50 PM
65769	It hasn't, it's been good and it's awesome that we a finally standing together.	2/18/2022 2:50 PM
65770	Hope given back, united us as Canadians	2/18/2022 2:50 PM
65771	Given me hope	2/18/2022 2:50 PM
65772	I support them 1000%	2/18/2022 2:50 PM

65774	#ramranch!	2/18/2022 2:50 PM
65775	Had given hope that there are still some courageous Canadians willing to stand against looming tyranny	2/18/2022 2:50 PM
65776	It has made me angry and embarrassed for my country	2/18/2022 2:50 PM
65777	Gave me hope .. knew after fasting 22 days & then the truckers started.. it was like God did it to encourage us all. So many were praying God keep our land Glorious & Free!! The truckers brought courage & hope to so many!	2/18/2022 2:50 PM
65778	The trucking convoy has created a lot of stress for me, and many feelings of conflict with me and loved ones.	2/18/2022 2:50 PM
65779	Hope, confidence in our country. Our kids are much happier. Thank you Truckers!	2/18/2022 2:50 PM
65780	Good	2/18/2022 2:50 PM
65781	really brought to light the absolute trash the conservative party of canada is and general white fragility	2/18/2022 2:50 PM
65782	I'm fully embarrassed to be an Albertan and a Canadian	2/18/2022 2:50 PM
65783	I feel hope again	2/18/2022 2:50 PM
65784	Negatively.	2/18/2022 2:50 PM
65785	I would die starving for them to stay in Ottawa! Civil War Is Next! Blood shed will be on our Dictator! I will Die for my grandkids future!	2/18/2022 2:49 PM
65786	It hasn't affected my life in any way, other than my further disrespect for the Federal Government invoking a Emergency Measures act for ONE cities issue that could have been handled differently.	2/18/2022 2:49 PM
65787	It has made everything harder - I have avoided showing and supporting businesses downtown, I have had to drive my teenager to school downtown as they did not feel safe to take public transit because of so many people not wearing masks, and intimidating those who do wear masks. My friends and colleagues who live downtown have been afraid to leave their homes. The fact that leaders and participants in this convoy who publicly professed what a peaceful protest this has been would not denounce those who flew racist flags and others who have clear links to white supremacy (aka Pat King among other leaders) shows that there are not there for freedom and love as they declare.	2/18/2022 2:49 PM
65788	It hasn't done anything yet except give everyone hope and to show we are not alone in this fight for freedoms	2/18/2022 2:49 PM
65789	It has given me new hope for our God-given freedoms!	2/18/2022 2:49 PM
65790	It has given me hope for freedom	2/18/2022 2:49 PM
65791	It has been a positive protest, uniting Canada has reassured me in humanity. The smiling faces I see on TV gives me hope!	2/18/2022 2:49 PM
65792	Gave a bad image if Canada Hurt the economy	2/18/2022 2:49 PM
65793	They made it unbearable	2/18/2022 2:49 PM
65794	Given me hope, knowing there's a lot more ppl in agreeance wirth my concerns and views	2/18/2022 2:49 PM
65795	Hope	2/18/2022 2:49 PM
65796	It has given me hope in Canadians and realize that the government has no intention to listen to the people.	2/18/2022 2:49 PM
65797	Gave me hope	2/18/2022 2:49 PM
65798	It has brought HOPE and UNITY something we desperately need!!! So thankful for them.	2/18/2022 2:49 PM
65799	Positively. It has given me hope in getting our freedoms back that should have never been taken in the first place. I feel united and less lost. They empower me and my family	2/18/2022 2:49 PM

Canadians vote on Canadian Mandate – February 2022

65800	Gave me the first sense of freedom in two years . We have been under oppression and fear for 2 yrs . I have had enough. end all mandates now.	2/18/2022 2:49 PM
65801	Given me hope.	2/18/2022 2:49 PM
65802	Given me hope that someone in the government might actually consider my point of view, rather than just belittle.	2/18/2022 2:49 PM
65803	Made me have hope	2/18/2022 2:49 PM
65804	I don't think it has personally	2/18/2022 2:49 PM
65805	Lifted my spirits greatly	2/18/2022 2:49 PM
65806	Not at all. Convoys are distant from me. But it's time to stop the horn-blowing. I don't want the support for them to diminish. Thank you for doing this survey and especially for making this public data. ALSO, I suggest this be done every month or 2nd month, perhaps with a question: 'What is a new concern for you?' - just to keep issues from getting any traction in the government. Let's 'nip' all issues in the 'bud', before it becomes a forest fire. My new issue is what the Salmon Farms are doing to our coast & salmon stocks. See the book: "NOT ON MY WATCH" by Alexandra Morton . As well as the 3%-left of Old Growth Forests in B.C. Thank you so much for doing this. Dk.	2/18/2022 2:49 PM
65807	They spread fear and misinformation while disrespecting others, it's offensive. A mob trying to overthrow the government is terrorism.	2/18/2022 2:49 PM
65808	Gave me hope until February 18th.	2/18/2022 2:49 PM
65809	Enriched it! Giving me hope.	2/18/2022 2:49 PM
65810	Zero trust now in the official opposition party of Canada. Zero trust in premier of Saskatchewan looking out for best interest of our citizens.	2/18/2022 2:49 PM
65811	I've got hope	2/18/2022 2:49 PM
65812	I'm overjoyed to see Canadians take a stand & come together against the tyrannical government.	2/18/2022 2:49 PM
65813	Seen hope in people	2/18/2022 2:49 PM
65814	It has brought hope that the end is near.	2/18/2022 2:49 PM
65815	Embarrassed to be Canadians. I never thought I would see Canadians act so selfishly and childish. A protest is one thing; an illegal occupation is a whole different ball game. Shame on the people. And bouncy castles doesn't make it ok.	2/18/2022 2:49 PM
65816	Given me a sense of hope! There are so many more people in Canada that have become aware of the risks of these vaccines and how the mandates have done nothing to help with COVID.	2/18/2022 2:49 PM
65817	Gave me hope	2/18/2022 2:49 PM
65818	It's made me upset and angry	2/18/2022 2:49 PM
65819	it gives me hope, a sense of Canadians coming together and finally getting heard. united we stand	2/18/2022 2:49 PM
65820	It hasnt	2/18/2022 2:49 PM
65821	So far it hasnt	2/18/2022 2:49 PM
65822	Gave me hope again !	2/18/2022 2:49 PM
65823	Brought some hope	2/18/2022 2:49 PM
65824	Glad to see ordinary people stand up for the rights	2/18/2022 2:49 PM
65825	A sense of hope again	2/18/2022 2:49 PM
65826	It hasn't	2/18/2022 2:49 PM
65827	Gives me hope!	2/18/2022 2:49 PM

65828	Not at all, I encourage them on staying Hold the Lind FREEDOM. Let's go let's go let's go!	2/18/2022 2:49 PM
65829	The trucking convoy has given me hope that we will get this tyrannical rule ended and get our freedoms back.I have nothing but admiration for them. I will never give another penny to Go Fund Me. The truckers are some of the bravest people that I have ever known and I pray for them and their mission every day. If these mandates are all about keeping all of us safe why are the police exempt to being vaccinated?	2/18/2022 2:49 PM
65830	Brought hope and pride in my Country for the first time in 2 years	2/18/2022 2:49 PM
65831	Showed me people are fed up , people are willing to stand-up	2/18/2022 2:49 PM
65832	Given hope	2/18/2022 2:49 PM
65833	Their willingness to be ridiculed has given the rest of the country hope that truth will come to light and our charter of rights and freedoms will be restored.	2/18/2022 2:49 PM
65834	It hasn't	2/18/2022 2:49 PM
65835	No	2/18/2022 2:49 PM
65836	Has not	2/18/2022 2:49 PM
65837	It has terrorized my friends and family in ottawa and alberta. It has made me lose faith in the goodness of fellow Canadians. Shame on them. They're an embarrassment	2/18/2022 2:49 PM
65838	Made me proud	2/18/2022 2:49 PM
65839	Hope	2/18/2022 2:49 PM
65840	Not at all	2/18/2022 2:49 PM
65841	Gave me hope	2/18/2022 2:49 PM
65842	Gave me hope, in times of darkness, showed me that there's still people that care more about each other then a paycheques, and most of all it reminded me that there's Canadians are a beautiful thing when they come together	2/18/2022 2:49 PM
65843	When the truckers came out it gave me hope again and joy.	2/18/2022 2:49 PM
65844	hope	2/18/2022 2:49 PM
65845	I love it. It's peaceful and based on respect.	2/18/2022 2:48 PM
65846	Hope!	2/18/2022 2:48 PM
65847	It gives me hope! And it reveals SO clearly how absolutely disgusting Canadian politics has become.	2/18/2022 2:48 PM
65848	Given back hope and a future country with God in charge again	2/18/2022 2:48 PM
65849	It has given me hope that my fellow Canadians still believe in freedom and freedom of choice. The convoy has united this country and NOT IN A DETRIMENTAL WAY.	2/18/2022 2:48 PM
65850	In the most positive way possible.. I actually WANT to live now. I have HOPE.	2/18/2022 2:48 PM
65851	They have given me hope in a time of great difficulty! They have restored my legall freedoms. They have brought unity and healing to Canada and the world that was previously destroyed by illegal and harmful mandates.	2/18/2022 2:48 PM
65852	I am proud of my country for standing up	2/18/2022 2:48 PM
65853	I participated. It was great. Peaceful. Kind. People standing up in a peaceful way. I know the media coverage has lied...because I was there.	2/18/2022 2:48 PM
65854	It has given me hope	2/18/2022 2:48 PM
65855	Makes me sad that racists and idiots can hurt so many and try to coerce legitimate government	2/18/2022 2:48 PM
65856	At least someone is standing up for truth	2/18/2022 2:48 PM
65857	no I love hard working truckers	2/18/2022 2:48 PM

Canadians vote on Canadian Mandate - February 2022

65858	Has given me hope and unity	2/18/2022 2:48 PM
65859	It has given me the opportunity to see the true colours of some people. I now know who would happily sacrifice my health and safety to avoid temporary minor inconveniences.	2/18/2022 2:48 PM
65860	It's given me a new found hope.	2/18/2022 2:48 PM
65861	The trucking Convoy has in no way affected my life negatively and I'm proud for Canadians speaking up in a peaceful manner.	2/18/2022 2:48 PM
65862	My wife and I felt alone with our thoughts about mandates and related restrictions. The Trucker Convoy had shown us that we were not alone. They gave us hope that life in the world may get better. The truckers helped to expose the lies that our current government and the media have perpetuated over the past 2 years. The truckers helped to uncover the agenda of the government to remove the freedoms our Charter of Rights and Freedoms guarantees. The Emergency Act does not override the Charter. I learned about more about these legalities and others thanks to the truckers.	2/18/2022 2:48 PM
65863	Only in a positive way of igniting the world in a quest for freedom of tyranny	2/18/2022 2:48 PM
65864	There is already less mandates and officials seem to be turning in Trudeau it gives me hope this ridiculous mandates will end. The science shows vaccines did nothing to help, masks may have slowed it but can't stop it so therefore do more harm than good. I have more faith in my fellow Canadians as they seem to be coming together. We have only seen trudeau and mandate supports on the news for last two years, it's about time the other side can tell their story.	2/18/2022 2:48 PM
65865	Gives me hope and excitement to see canadians standing up for our freedoms - extreme sadness, anger and disappointment with how the government is handling the convoy	2/18/2022 2:48 PM
65866	It has brought hope and positivity into my life that I can get back to work soon	2/18/2022 2:48 PM
65867	Unity and Canadian pride	2/18/2022 2:48 PM
65868	It has embarrassed Canada and those who refuse to leave	2/18/2022 2:48 PM
65869	Give hope and pride, unity for Canadians	2/18/2022 2:48 PM
65870	They helped me to open my eyes	2/18/2022 2:48 PM
65871	It actually brought my hope!	2/18/2022 2:48 PM
65872	Gave hope that there will be a future. Brought some people back together although many family members and friends refuse to even pull themselves away from the TV and lying media. The media should be held accountable. Shut down and dismantled and fined and even imprisoned. They have been to a large degree implicit in the fear mongering and disorder and lies.	2/18/2022 2:48 PM
65873	They are lawless entitled occupiers who do understand that freedom comes with responsibilities. They have had MY city under siege for 3 weeks and have impacted me personally as well as many friends and colleagues from everyday life.	2/18/2022 2:48 PM
65874	It gave me hope for the first time! I am so grateful!!!	2/18/2022 2:48 PM
65875	It has given me hope that things will get better. But since Trudeau has been ignoring Canadian's voices I have felt very defeated as well.	2/18/2022 2:48 PM
65876	The truckers taking a stand has given me hope and the experience of unity in my country for the first time in a long time	2/18/2022 2:48 PM
65877	My dad is a trucker and it affected his job. He now earns less money and has financial stress	2/18/2022 2:48 PM
65878	It has giving me hope that as country we can stand together fight for our rights and freedoms and show our next generations to come that when we stand together not even the government can out turn us as a whole.	2/18/2022 2:48 PM
65879	IT has given me hope ,I support them 100 percent family andfriends have gone down to see for themselves said it was so peacefull and liffted their spirits .	2/18/2022 2:48 PM

65888	Hope	2/18/2022 2:48 PM
65889	Has given me hope that we may be able to get rid of this government.	2/18/2022 2:48 PM
65890	Very positively!! It's about time we the people stood up for our rights and fight for freedom!	2/18/2022 2:48 PM
65891	I'm hoping for the better	2/18/2022 2:48 PM
65892	Giving me hope that the tyranny might end soon	2/18/2022 2:48 PM
65893	There is a hope	2/18/2022 2:48 PM
65894	It hasn't but I am sure it has hurt a lot of people.	2/18/2022 2:48 PM
65895	Disrupted weekends by protests in the city and noise. It's distressing to see how a section of our country has been fed lies and misinformation and that they believe it. I read news on all sides. I feel bad for them.	2/18/2022 2:48 PM
65896	Disruption of needed goods to Canada, disruption of services in my city, deep despair over the presence of nazi symbols displayed in my country's capital by people who want to overthrow the elected government and are using their children to stand between them and the police. Who puts their children in danger like that? The trucking convoy has made me very sad and less hopeful for the future.	2/18/2022 2:48 PM
65897	Very positively	2/18/2022 2:48 PM
65898	None	2/18/2022 2:48 PM
65899	It's anti democratic	2/18/2022 2:48 PM
65900	I have felt deeply proud of them for taking a stand and it has renewed my faith in the good people of Canada. We have been hearing too much from so-called experts and politicians who no longer seem to realize they were elected to serve not lord it over their constituents. Mr. Trudeau has definitely and drastically over-reached his authority with the mandates and now with the Emergency measures he has put in play! He must realize he has lost the privilege of being PM and gracefully resign. Canadians have spoken, loud and clear!	2/18/2022 2:48 PM
65901	Made me pray for our nation's leaders.	2/18/2022 2:48 PM
65902	It has given me hope that Canadians are not willing to continue to sit idly by while the Prime Minister, Cabinet, Premiers, Pharmaceutical Companies dictate how we manage our decisions regarding our health!	2/18/2022 2:48 PM
65903	The convoy stands for true Canadians. The foundations of this country and it's the first ounce of hope I've had at a return to a quality of life	2/18/2022 2:48 PM
65904	Stress, frustration, shocked at how brainwashed and uneducated the participants are.	2/18/2022 2:48 PM
65905	It has given my hope - maybe there is a light at the end of this madness.	2/18/2022 2:48 PM
65906	I support them & feel officials should have talked to them instead of trying to get rid of them.	2/18/2022 2:48 PM
65907	Hopefully in a positive way by removing the mandates.	2/18/2022 2:48 PM
65908	It has disgusted me to the core. This convoy is a shut stain on Canadian history and our flag. Absolutely disgusting! I stand with PM Trudeau(spell his name correctly, JESUS!).	2/18/2022 2:48 PM
65909	It has made me more patriotic than ever before.	2/18/2022 2:48 PM
65910	Gives me hope reviving faith in humanity	2/18/2022 2:48 PM

Canadians vote on Canadian Mandate - February 2022

65911	It hasn't.	2/18/2022 2:48 PM
65912	Encouraged me that I am not alone and others stand united to fight for our freedoms	2/18/2022 2:48 PM
65913	It has brought me hope!	2/18/2022 2:48 PM
65914	It hasn't	2/18/2022 2:48 PM
65915	These men & women have given us HOPE, that Canada is a Great Country, the majority of people are kind, and good. I smiled and laughed again!! They have given me a reason for my Y.	2/18/2022 2:47 PM
65916	Massive irritation. I am appalled by the conduct of some people and the lack of consideration and respect for the people of Ottawa	2/18/2022 2:47 PM
65917	It has finally given me hope and pride to be a Canadian again!	2/18/2022 2:47 PM
65918	Inspiring my patriotic feelings again	2/18/2022 2:47 PM
65919	Given me hope.	2/18/2022 2:47 PM
65920	The convoy has brought the world together families all around feel free and full of hope	2/18/2022 2:47 PM
65921	The convoy has united me with many people and gave me hope for an end of mandates	2/18/2022 2:47 PM
65922	I've been unable to keep required medical appointments downtown. I think the anti-vax mandate folks certainly had a right to hold a demonstration, as all people do, but they didn't get a permit to do so, they drove large trucks on non-trucking routes, decided to park on city streets, obstructed regular day to day traffic, camped out, kept honking their horns, and behaved badly to residents. This was rude, obstructive and un-Canadian behaviour.	2/18/2022 2:47 PM
65923	It is a huge embarrassment for our country	2/18/2022 2:47 PM
65924	Give me hope that it may be over soon	2/18/2022 2:47 PM
65925	Not at all, I support them 100%	2/18/2022 2:47 PM
65926	Provided hope	2/18/2022 2:47 PM
65927	It has not	2/18/2022 2:47 PM
65928	It has created a lot of stress and fear, worrying that our beautiful country is actually full of white radicals who have no fear of taking the rest of us down with them.	2/18/2022 2:47 PM
65929	It's given me hope that my kids may see what a normal life looks like. Made me proud to watch Canadians join in unity against the mandates that don't work for preventing Covid anyway.	2/18/2022 2:47 PM
65930	It introduced me to the joy that is 18 naked cowboys in the showers at Ram Ranch! On their knees wanting to suck cowboy cocks! Ram Ranch really rocks!	2/18/2022 2:47 PM
65931	Has really opened our eyes to how corrupt our liberal government is. We knew it was bad but is way worse then we ever imagine	2/18/2022 2:47 PM
65932	Gives us hope against the tyrannical Government	2/18/2022 2:47 PM
65933	Hasn't	2/18/2022 2:47 PM
65934	Have lost clients and business due to them being inaccessible to me because of protests when having to travel to a job site.	2/18/2022 2:47 PM
65935	Brought a glimmer of hope	2/18/2022 2:47 PM
65936	The freedom convoy brought to light how corrupt the current government (Trudeau and the liberals) is! I have yet to see any elected official fight this hard for our freedoms and rights as Canadian citizens! I have witnessed in question period, that Trudeau is the racist, is a tyrant, dis-respectful to other members of parliament and to the Canadian citizens! I am more AFRAID for our future and the state this country is in, than I have ever been AFRAID in my life! Under the Trudeau rule, Canada is no longer democratic! Watching the Prime Ministers reaction to the freedom convoy demonstrated/brought to light the total lack of leadership of the Prime Minister. I live in FEAR! FEAR from the government! I thank the efforts of all those	2/18/2022 2:47 PM

participating and supporting the convoy. They are sacrificing so much, in hope that we can get our country, democracy and freedoms back!

65937	Given us some hope that we will regain our freedoms and show strength that we have had enough	2/18/2022 2:47 PM
65938	Not at all really	2/18/2022 2:47 PM
65939	They are representing the hopes and freedoms of Canadians. It hasnt directly affected me	2/18/2022 2:47 PM
65940	It has not affected my life at all	2/18/2022 2:47 PM
65941	It has made me fear for the future of Canada and feel disgust to the poor simple minded folk taken in by the fascist and racist traitors that organized it.	2/18/2022 2:47 PM
65942	It showed me who I need to vote out of office in my Province.	2/18/2022 2:47 PM
65943	embarrassed me	2/18/2022 2:47 PM
65944	Brought so much love and hope. The unity is indescribable. We STAND TOGETHER	2/18/2022 2:47 PM
65945	They are representative of the “average Canadian”! They are bringing hope, courage and change to a country in turmoil. They are exercising their democratic right to bring needed change in a system that has failed to care for or listen to the best interests of the people.	2/18/2022 2:47 PM
65946	Caused great anxiety, made the provincial government end health orders too early	2/18/2022 2:47 PM
65947	It has given me hope and proud that Canadians are standing up.	2/18/2022 2:47 PM
65948	It's given me hope	2/18/2022 2:47 PM
65949	It gives me hope and I stand behind them 100%. The only reason I'm not in Ottawa is because I'd be arrested in 5 minutes.	2/18/2022 2:47 PM
65950	The motivated and humbling experience. Nothing but Love and hope ♥ is what it did for me. I'm ASHAMED OF OUR GOVERNMENT. ALL OF THEM.	2/18/2022 2:47 PM
65951	It has given a voice and visibility to the majority's desire for transparency and justice and freedom.	2/18/2022 2:47 PM
65952	Made me realize the imminent threat white extremism is to this country.	2/18/2022 2:47 PM
65953	It hasn't. It's giving a bit of hope. We all know the World Economic Forum is running the world and the economy. Justin Trudeau has betrayed the Canadian people and has committed treason, money laundering and Sexually abuses a female minor as a teacher and should not hold any form of government body.	2/18/2022 2:47 PM
65954	Destroyed my ability to have any confidence in the Conservative party.	2/18/2022 2:47 PM
65955	Given hope	2/18/2022 2:47 PM
65956	So glad to know SOME Canadians care and are standing up for all of us who want freedoms and choices. Thank you for believing in Canada and citizens, unlike our leader!!!!	2/18/2022 2:47 PM
65957	Stress, anger to the ones bullying, threatening and creating noise and air pollution, preventing our businesses from opening safely as restrictions ease. Worry for my daughter who lives downtown and eat also threatened makes me hate the convoy. We are used to protests here. This is NOT a protest and must end NOW.	2/18/2022 2:47 PM
65958	I am a born raised and struck driver. 100 0/0 support them	2/18/2022 2:47 PM
65959	The trucking convoy has given me the most hope for our freedoms and chartered rights back since all this began 2 years ago. I'm so proud of all our fellow Canadians that could stand and peacefully protest for ALL us Canadians!!	2/18/2022 2:47 PM
65960	They gave me hope; that people who sing our anthem actually believe we are the 'true north strong and free'	2/18/2022 2:47 PM
65961	It hasn't. Though if it gets policy changes then it may screw over the healthcare system and my wife will be forced to work overtime, be over worked, and be I general stressed out if the numbers increase.	2/18/2022 2:47 PM

Canadians vote on Canadian Mandate - February 2022

65962	Shows me there are proud Canadians willing to stand up for freedom and there country.	2/18/2022 2:47 PM
65963	Provided hope for the first time in years.	2/18/2022 2:47 PM
65964	It has given my hope that Canadian voices may finally be heard. It has opened my eyes to the lies and misinformation being spread on the nightly news. It has made me lose respect for our Prime Minister because of his divisive actions and hateful speech about people who don't hold the same views as him.	2/18/2022 2:47 PM
65965	Nothing but positive! It's let everyone know we are not alone.	2/18/2022 2:47 PM

65970	It has given us for a brief moment hope that there are true Canadians who are willing to stand for their rights and freedoms. They are our modern day heros. If you arrest them you give them a place in the hall of fame.	2/18/2022 2:47 PM
65971	It's given me hope for freedom of choice	2/18/2022 2:46 PM
65972	Upset me to no end....cost our country millions of dollors	2/18/2022 2:46 PM

65976	Les food and supplies required.	2/18/2022 2:46 PM
65977	Positive uplifting, hope.	2/18/2022 2:46 PM
65978	I enjoyed the patriotic, multi provincial and multi racial interactions by our citizens I seen posted online.	2/18/2022 2:46 PM
65979	It has not affected my life directly other then any possible price increases in consumer products	2/18/2022 2:46 PM
65980	Gave me hope again for our country!	2/18/2022 2:46 PM
65981	None at all. Some extra traffick for 2 days as they passed through.	2/18/2022 2:46 PM
65982	Hope	2/18/2022 2:46 PM
65983	Happiness and hopefully freedom	2/18/2022 2:46 PM
65984	Pure love and hope for humanity. The truckers and supporters are world-class heros.	2/18/2022 2:46 PM
65985	Hope	2/18/2022 2:46 PM
65986	Was harrassed for wearing a mask	2/18/2022 2:46 PM
65987	It has given me and my family so much hope!! They are giving the majority of Canadians a voice. Except our disgraceful PM won't listen to them and is now arresting them. Absolutely despicable.	2/18/2022 2:46 PM
65988	Made me more proud to stand up for my country and fellow Canadians	2/18/2022 2:46 PM
65989	Gives me hope for the return of our freedoms and rights.	2/18/2022 2:46 PM
65990	They have inspired me. They have brought back some hope in a hopeless situation. They have united Canadians and people around the world. Very very proud of the truckers and of anyone supporting them.	2/18/2022 2:46 PM
65991	I have been excessively following the convoy on social media and grown increasingly	2/18/2022 2:46 PM

frustrated with the entitlement, privilege and ignorance of the “protestors”.

65992	It has brought me joy, and given me hope for our freedoms for the first time since March 2020	2/18/2022 2:46 PM
65993	Gives me hope because they are the ones TELLING THE TRUTH	2/18/2022 2:46 PM
65994	They give me hope for change and show how we are the majority who want these crimes by our Canadian government to end.	2/18/2022 2:46 PM
65995	It has given me hope.	2/18/2022 2:46 PM
65996	It's making it better. These truckers should be treated like ear vets not criminals. Trudeau is the real criminal.	2/18/2022 2:46 PM
65997	Given me hope	2/18/2022 2:46 PM
65998	Positively; hope	2/18/2022 2:46 PM
65999	It's giving me hope that the world still has love and freedom.	2/18/2022 2:46 PM
66000	I have felt proud and knowing there are others out there that have the same views makes me think we will win but it will be at a cost	2/18/2022 2:46 PM

66003	They give me hope. They make me proud to be a Canadian.	2/18/2022 2:46 PM
66004	They have destroyed my country's reputation as a decent, law-abiding land of responsible citizens.	2/18/2022 2:46 PM
66005	Gave me some hope	2/18/2022 2:46 PM
66006	They have brought me hope to get through each day. I know I am not alone in my fears and my experiences. I know that there are others fighting to protect our Chartered Rights and Freedoms. Rights and Freedoms that the government is not only failing to protect but actively stripping away. The protest has also brought me great sorrow as I watch the leader of our country ignore the pleas of the people. He demonizes these individuals and labels them as terrorists. While the leaders of this protest preach to be calm, to be helpful, and to be positive while trying for the peoples' voices to be heard the leader of our country first tried to dismiss them, then demonize them, then use his position of power to administer undue force, and now he is using his power to take away rights. He's not only taking away the rights from a peaceful protest, which is bad enough, he is doing it to all Canadian citizens.	2/18/2022 2:46 PM
66007	It gave me hope!	2/18/2022 2:46 PM
66008	Alarmed at the sedition and hate of the occupiers	2/18/2022 2:46 PM
66009	It's inspired me and opened my eyes further to the corruption in government nad their plans with the WEF without Canadians knowledge or consent. I support it 100%. Sitting here in my free country wondering if my answers will land my ass in jail..... sad to say the least.	2/18/2022 2:46 PM
66010	It hasn't.	2/18/2022 2:46 PM
66011	Waiting to see the repercussions	2/18/2022 2:46 PM
66012	By bringing hope	2/18/2022 2:46 PM
66013	The convoy has brought Positivity, life, love, generosity , and many many people together	2/18/2022 2:46 PM
66014	Full, awful disruption	2/18/2022 2:46 PM
66015	Gave us hope and now that is being taken away.	2/18/2022 2:46 PM

66018	Has depressed the hell out of me	2/18/2022 2:46 PM

66020	Not at all.	2/18/2022 2:46 PM
66021	I am ashamed to be Canadian with these coo coo for cocco puffs idiots	2/18/2022 2:46 PM

66023	It hasn't at all	2/18/2022 2:45 PM
66024	Disrupted. They have brought symbols of hate into our city. They need to go away.	2/18/2022 2:45 PM
66025	It brightened up my wife's life to see people fighting for the end to all of the mandates.	2/18/2022 2:45 PM
66026	It's given me hope...I respect the truckers for their mission to end mandates in a peaceful way.	2/18/2022 2:45 PM

66035	Feel sad that they had to do this	2/18/2022 2:45 PM
66036	Terrorists in my city.	2/18/2022 2:45 PM
66037	Negatively. Total terrorist occupation. Idiotic and self centered. Self righteous and selfish.	2/18/2022 2:45 PM
66038	Gave some hope	2/18/2022 2:45 PM
66039	It hasn't impacted my daily life other than hope for a return to normal	2/18/2022 2:45 PM
66040	Improving	2/18/2022 2:45 PM
66041	Made me proud of what they are doing for our Country! They give me hope !	2/18/2022 2:45 PM
66042	It brought a sense of unity, made me proud to be Canadian. The name calling and division from the Left was shocking, the acts of our PM and his supporters has me deeply depressed and embarrassed to admit I'm Canadian. The truckers were peaceful in their fight, the PM acted like a spoiled teenage girl	2/18/2022 2:45 PM
66043	It shows how many selfish gullible stupid ppl are in this country.	2/18/2022 2:45 PM
66044	shortages	2/18/2022 2:45 PM
66045	Gave me hope. A positive outlook that Canadians will stand up, when necessary	2/18/2022 2:45 PM

66053	Added some positivity back into my life, to realize I'm not alone, there are so many other people that think just like me and now we aren't afraid to talk about it.	2/18/2022 2:45 PM
66054	The truck convoy has given hope to me and those around me that we are not alone in this and has brought the country together as well as helped unify the world against what can only be described as tyranny on a global scale.	2/18/2022 2:45 PM

66061	A movement led by white supremacists and fascists gaining so much traction terrifies me. The police incompetence has also been, unsurprising, but still appalling.	2/18/2022 2:45 PM
