32776	I am so disappointed in friends and family that are involved. Afraid of a needle. Think violence and terrorism is okay to prove a point.	2/19/2022 11:23 AM
32777	Great for them	2/19/2022 11:23 AM
32778	None at all keep up the great work truckers	2/19/2022 11:23 AM

32789	Not at all	2/19/2022 11:23 AM
32790	I felt hope for the first time since March 2020 seeing that many Canadians feel as I do about the importance of informed consent, bodily autonomy, and freedom of speech as integral to democracy and science.	2/19/2022 11:23 AM
32791	It's been Ray of sunshine to see people fighting for our rights	2/19/2022 11:23 AM
32792	Finally some group standing up for our freedoms	2/19/2022 11:23 AM
32793	Have more positive about no mandats and been shown what life was before covid the normal life like it use to be	2/19/2022 11:23 AM
32794	It's shown me that our government is not trustworthy. Using a war time act to give them a blank sheet of paper to write up whatever laws they see fit or to better serve their agenda. That's a disgusting abuse of power. I haven't seen or been made aware of any	2/19/2022 11:23 AM

communications between key political figures and the leaders of the truckers to de escalate the situation. Even the news has lost my trust. I've driven through areas where smaller more dispersed versions of these protests have been going on and it's not a bunch of radical fringe minority people. It's a bunch of families and children who fear for their livelihoods now because they've lost their jobs for not being vaccinated, and they're out there letting the world know. So to sum up how it has effected me: I'm now thoroughly disgusted in the government and equally as disappointed in the news, so if they don't start acknowledging the average Canadians rights and wishes, i will be looking into joining a protest to defend my fellow Canadians rights and freedoms.

32795	Thanks to the convoy, our province has abolished the vaccine passport and now I can spend time and do things with my bestfriend again. The trucking convoy has positively impacted my life.	2/19/2022 11:23 AM
32796	Is hasn't	2/19/2022 11:23 AM

32802	Giving hope	2/19/2022 11:23 AM
32803	Brought hope! So many tears of joy and thankfulness for what is happening. And tears of sadness and horror and disgust at what the dishonourable prime minister and his cronies are doing to the people they should be protecting as citizens. Take them all down!	2/19/2022 11:23 AM
32804	Brought hope for a better way, an end to the restrictions, faith in humanity but also revealed corruption in government and a deep mistrust in our government and our police	2/19/2022 11:23 AM
32805	The truckers gave me hope. They made me proud to be a Canadian again. That's what true Canadians are all about.	2/19/2022 11:22 AM

32811	Positive reaction to tirany	2/19/2022 11:22 AM
32812	I'm so proud of them and support their cause (all of our causes) 100%. Not what the main stream media reports but by other platforms show and report. A minor inconvenience to people living in Ottawa compared to the devastating effects we will suffer if Trudeau continues on his mission to turn Canada into a dictatorship	2/19/2022 11:22 AM
32813	It has brought me hope that the covid mandates will end.	2/19/2022 11:22 AM

32819	Not at all. I fully support them speaking for us. Who would of thought that Canadians care about their country and see that our country is in peril due to the socialist influence and desire by Trudeau.	2/19/2022 11:22 AM

32825	I felt hope, that all the things that we have been though in the last 2 years, would be behind us. We could go forward with our life's.	2/19/2022 11:22 AM
32826	Gives me hope...that there are Canadians understanding how corrupt our government is and how they are taking our freedom away!!!	2/19/2022 11:22 AM
32827	It hasn't. But agree with what their doing	2/19/2022 11:22 AM
32828	It hasn't affected me directly but somewhat with the supply chain.	2/19/2022 11:22 AM
32829	Directly it hasn't affected me. It has given me a sense of hope that perhaps members of parliament will get the point that mandates emergency measures act and every other non practical measures for Covid have to end.	2/19/2022 11:22 AM
32830	Inspired hope in the democratic process	2/19/2022 11:22 AM
32831	It hasn't	2/19/2022 11:22 AM
32832	I'm hearing about other places opening up because of them	2/19/2022 11:22 AM
32833	Not affected myself personally but is unbelievable how its can get out of hands to the degree when people who live in Ottawa are scared to go even outdoors etc. This should be criminal act what the truckers do there.	2/19/2022 11:22 AM
32834	Gave me hope in this country again	2/19/2022 11:22 AM
32835	The convoy has given me hope that Canada will remain free. So disappointed in the government and the police for supporting the liberal government.	2/19/2022 11:22 AM
32836	The trucking convoy has actually helped mend some relationships. It's been the single most unifying thing our country has seen in 2 years. I would go so far as to say it's the most unifying thing I've seen in Canada. It's brought black, white, native, vaxxed, unvaxxed people together like nothing else I've seen before.	2/19/2022 11:22 AM
32837	I'm proud of them!!!!!! Hasn't affected me at all.... EXCEPT the "power" the pm is putting forth. It saddens me to see what he has enforced....	2/19/2022 11:22 AM
32838	It has given me hope that truth and light will overcome evil and darkness. People have realized we can't trust the ones we are supposed to and that's terrifying in itself. It has made me seen love, peace and unity from not only all across out country, but the world. People are saying NO!! SOMETHING ISNT RIGHT!! And this is the most beautiful thing I've ever seen	2/19/2022 11:22 AM
32839	Positively	2/19/2022 11:21 AM

32845	It's brought hope love back	2/19/2022 11:21 AM
32846	They gave me hope.	2/19/2022 11:21 AM
32847	It didn't affect my life greatly though I knew a good few of the Coutts drivers. What affected my life was being classed as a federal worker and forced to be vaccinated to stay in employment after they changed my status from provincial employer to deters employer but that's never been mentioned conveniently enough.	2/19/2022 11:21 AM

32853	Hope	2/19/2022 11:21 AM
32854	Gives me hope	2/19/2022 11:21 AM
32855	It has given me a sense of hope for returned freedoms. It has caused me to realize that the government doesn't represent what Canadians think and want. It has revealed to me that there are more freedom loving people all across Canada and around the world than I ever imagined.	2/19/2022 11:21 AM
32856	Made me proud of the canadian people	2/19/2022 11:21 AM
32857	It restored my love for my country and my belief in my fellow man. The truckers filled me with pride for those who have sacrificed so much to come to Ottawa and stand up for freedom. I no longer feel alone in all of this. I am so grateful for their strength and acts of courage, and that they remained peaceful and full of love throughout.	2/19/2022 11:21 AM

32867	I think the convoy sped up lifting some of the mandates.	2/19/2022 11:21 AM

They represent me on the front lines and they are my voice at a time when our country is clearly being attacked by the very ones that we thought represented us as our government. 32924	It has shown me that we need to do better as a society. Attacking peaceful protesters, stealing fuel and food, telling lies and slandering good hard working Canadian's isn't the way to go. We can do better. The government has shown us the absolute disparity as well as the courage to care and want the truth. We need to be united as one not divided as two.	2/19/2022 11:20 AM

32930	I feel that there is hope. I feel that together we can win this because as of right now this feels a lot like a war that the governments did not plan on being fought because they thought we would just allow them to bring communism and agenda 21 forth and we would comply. I feel finally that maybe we can bring about change in this world because we have been living in a very dark world. Go truckers!!!!	2/19/2022 11:20 AM

Canadians vote on Canadian Mandate - February 2022

as was evidenced by the convoy as it travelled across Canada receiving accolades of applause and support ... and then the happy festive atmosphere in Ottawa with Canadians standing strong and free together. Trudeau has got to go - he needs to be held before a grand jury, accountable for the many crimes and abuses of power he has participated in and vested upon the Canadian people.

33130	Besides giving me some hope for a brighter and happier future for my child, I am unaffected by the convoy. It has me absolutely brokenhearted, though, to see the peaceful protesters treated in such a cruel, and simply put, inhumane way, by government officials in the past week.	2/19/2022 11:15 AM
33131	It has given me some hope.	2/19/2022 11:15 AM

33153	Given me hope	2/19/2022 11:14 AM
33154	The convoy gave me hope - it let me know there are millions of other Canadians who want freedom and medical choice, and it brought Canadians together in such a beautiful, wonderful way.	2/19/2022 11:14 AM
33155	The convoy has given me comfort that I am not alone and others have suffered greatly due to the mandates, it has also brought hope that there is a platform to discuss the concerns and discuss whether the cost and impact of these mandates is worth the supposed benefits.	2/19/2022 11:14 AM
33156	It has dropped the figurative 'masks' off everybody.	2/19/2022 11:14 AM

33161	By giving me hope that I am not the only one that feels the way I do about the mandates and that maybe this will end and life will go back to normal or as close TO normal that it can after all this craziness!	2/19/2022 11:14 AM

33163	Givwn some hope for freedom, they demonstrate what love and kindness is and how to treat people	2/19/2022 11:14 AM
33164	It has brought hope and joy. There is no negative effect on my life due to this protest. Even if I didn't agree with their protest, I still believe it is their right, since they have been nothing but peaceful.	2/19/2022 11:14 AM

33173	Provided hope.	2/19/2022 11:14 AM
33174	has given the community hope. people are nicer than ever and stress levels have started to go down as we become joined in our shame for the failure of our government as they put personal profits in front of human rights	2/19/2022 11:14 AM
33175	It has revealed how corrupt our federal government is and his inability to run Canada and listen to Canadians and Scientific proof in removing his inposed restrictions. He never answers direct questions from parliament or reporters only dances around them or accuses others to take the attention off his poor leadership .	2/19/2022 11:14 AM
33176	It has brought hope and love into my life and many others. We need a future and a hope otherwise what is the point	2/19/2022 11:14 AM
33177	Only in a positive way standing up for what's right for Canadians	2/19/2022 11:14 AM
33178	made me proud to be Canadian	2/19/2022 11:14 AM
33179	Given me a sense of hope and joy that someone is able to get the attention of our DICTATOR Trudeau. When I saw responses it appalled me. He needs to be removed. Hateful	2/19/2022 11:14 AM
33180	Made me realize how divided we are as a country	2/19/2022 11:14 AM
33181	it hasn't	2/19/2022 11:14 AM
33182	They unite Canadian. Finally, people start telling the unscientific mandate caused a lot more issues than Covid itself. I don't agree blocking boarder but if PM faces to them, it was quickly solved and no one hurt.	2/19/2022 11:14 AM

33195	Given us hope and love and Canadian pride	2/19/2022 11:13 AM

Canadians vote on Canadian Mandate - February 2022

33196	It has not, but I understand it may have done so for some who live within the Parliament area and it is not their fault. Therefore if mandates were removed this would not be an issue but Trudeau is too nearsighted to see this because he is out for his personal and political gain and it is clear to see.	2/19/2022 11:13 AM
33197	It has given me hope, that one day I will be able to live again, be able to be happy again.	2/19/2022 11:13 AM
33198	lots of cheering	2/19/2022 11:13 AM
33199	It has shown that there is a strong core of folks in this country that want to uphold the Constitution.	2/19/2022 11:13 AM
33200	Like any protest you get good and bad, the original trucker protest was to create a larger voice so the government and Canadians could see the destruction these mandates have been to our country. Mr Trudeau in no way was interested in acknowledging that there are Canadians that just won't roll over and have their rights and freedoms destroyed by a dictatorship on all levels, All Justin had to do is talk to the people, listen and as conservatives asked come up with a plan to make things easier for Canadians instead he categorized them into something he could justify untruthfully measures that are non constitutional and created separation instead of unity in Canada, this is not a leader.	2/19/2022 11:13 AM
33201	It didn't	2/19/2022 11:13 AM
33202	It's brought back my faith in Canadians	2/19/2022 11:13 AM
33203	It has brought hope, and shown that there are great numbers of people that feel the same way. It has given me renewed interest in politics and faith in the Canadian people. It has highlighted my mistrust in the government and really demonstrated the need for unbiased journalism in Canada.	2/19/2022 11:13 AM
33204	Give hope for democracy	2/19/2022 11:13 AM
33205	It hasn't.	2/19/2022 11:13 AM
33206	It makes me proud	2/19/2022 11:13 AM
33207	Pointed out the polarization of Canadians. I've never been so disappointed by the contempt shown by our prime minister for our fellow countrymen. Never been more disappointed by media for dismissal of the stories told. Restored faith in humanity that people would share, and stand up,for a belief in the ability of citizens to intelligently, and consciously discern what is best for themselves and their families	2/19/2022 11:13 AM
33208	Gives me hope for a more normal Canada. I like the fact that people have finally stood up to terrible government.	2/19/2022 11:13 AM
33209	Given hope that we will have our freedom back	2/19/2022 11:13 AM
33210	I stand with them as they are protesting peacefully for our freedom.	2/19/2022 11:13 AM
33211	They have brought hope back into my life	2/19/2022 11:13 AM
33212	It has given us some hope for the future.	2/19/2022 11:13 AM
33213	Made me hopeful	2/19/2022 11:13 AM
33214	Gives me hope	2/19/2022 11:13 AM
33215	Am so proud that people are taking a PEACEFUL stand as it is time to speak out before it is too late.	2/19/2022 11:13 AM

33218	N/a	2/19/2022 11:13 AM
33219	Given me positive outlook	2/19/2022 11:13 AM
33220	Inspires me to resist is a peaceful manner.	2/19/2022 11:13 AM
33221	It gave me and my family hope that politicians would start to regard the new data which other countries have used to end their mandates	2/19/2022 11:13 AM

33234	It hasn't affected my life.They have finally given me hope!	2/19/2022 11:13 AM
33235	Gave me hope that finally some neighbors are fighting for our voice. The government is supposed to work for the people. Not the other way around.	2/19/2022 11:13 AM
33236	It gave me hope and know I'm completely defeated and depressed with our political system and lack of ethics and leadership.	2/19/2022 11:13 AM
33237	It hasn't affected me i support the convoy	2/19/2022 11:13 AM
33238	not at all	2/19/2022 11:13 AM
33239	It has not affected my life at all.	2/19/2022 11:13 AM
33240	It has destroyed my faith in humanity and in my government and the police who made an oath to serve and protect. I support the truckers because they are peacefully fighting for our freedom. The freedom so many soldiers gave their lives for. The freedoms the Charter of Rights was written to protect. It was written to protect us from the government.	2/19/2022 11:13 AM
33241	Given me and my family hope again.	2/19/2022 11:13 AM
33242	It hasn't	2/19/2022 11:13 AM

33249	It has given me Hope. That there are lots of people that feel the same way that I do. Time to drop the mandates & start living again.	2/19/2022 11:12 AM
33250	It has allowed more people to give their point of views. Alot of people, even in healthcare are sick of the mandates. They see the vaccines aren't making a difference anymore. It has been freeing being able to express your view points a little easier, as so many are supporting the premise of the freedom convoy.	2/19/2022 11:12 AM
33251	They have brought hope inspiration love gratitude back into my life as a Canadian	2/19/2022 11:12 AM

33256	Spreading Love and hope for our beautiful country Shame on MSM Shame on our prime minister Shame on our police force who are not "serving and protecting their people" Education curb of WHO and what they represent (money, greed and corruption of our peaceful world)	2/19/2022 11:12 AM

33258	I stand behind the convoy all the way standing up for Canadian freedoms. I am disgusted with the federal government's actions. It's very obvious where this country is headed	2/19/2022 11:12 AM
33259	Given me hope we can have our freedom back	2/19/2022 11:12 AM

33269	I saw hope	2/19/2022 11:12 AM
33270	Price of gas (although I don't think this is an issue exclusive to the convoy) Otherwise it's mostly just the social divide between those who are against freedom and those who are for it.	2/19/2022 11:12 AM
33271	It gave me hope that there will be normalcy again	2/19/2022 11:12 AM

33273	Hasn't	2/19/2022 11:12 AM

33284	Proud to be Canadian again!!	2/19/2022 11:11 AM

Canadians vote on Canadian Mandate – February 2022

33285	It really hasn't but I support Freedom for everyone, not a new world order like Trudeau wants.	2/19/2022 11:11 AM
33286	Given me hope Abby shown me how scared we should all be for the current state of our government and they are not watching out for the best interests of our people and the media can not be seen as impartial any longer. They clearly support the agenda of the federal liberals.	2/19/2022 11:11 AM
33287	Given hope that we may get through this as a country. If we can stop being divided and come together. Also illustrated how much the government influences our main broadcasting stations and the propaganda they create to keep up with the government narrative of the day. I trust them a lot less than I did.	2/19/2022 11:11 AM
33288	Gave me a glimpse of hope	2/19/2022 11:11 AM
33289	Makes me feel some hope again	2/19/2022 11:11 AM
33290	Restoration of hope, remembrance of what it means to love your neighbour, feeling that I am not alone as the media has tried to make me believe	2/19/2022 11:11 AM
33291	Given an inspiration to a lot of people that were ready to give it and except what this government is pushing.	2/19/2022 11:11 AM
33292	I am upset how this situation was handled by our Liberal govt. Treating Canadians so poorly.	2/19/2022 11:11 AM
33293	Made it better	2/19/2022 11:11 AM
33294	I was really worried the direction of how this country was going. I was afraid for my family and I honestly thought that we were just a small group of people that were not obligated to take the vaccine and follow the mandates. Because of the trucker convoy I see there is a huge group of people that are against all this and my family is not alone. I feel so much love again for our brothers and sister and for this great nation. I love you all and thank you for lifting our hearts and spirits	2/19/2022 11:11 AM
33295	Given me hope	2/19/2022 11:11 AM
33296	Made me proud to be a Canadian again	2/19/2022 11:11 AM
33297	It has divided my friends and family and caused a lot of tension in my circle. People I know who live in the affected areas of the blockades have been traumatized by this invasion. An old friend of mine has been arrested for taking part in the convoy and for conspiring to commit murder. This has really shaken our circle of friends to think that people could choose violence over health and safety measures. It's disturbing.	2/19/2022 11:11 AM
33298	Gave me hope	2/19/2022 11:11 AM
33299	It has given me some hope. A moment where I actually feel proud to be a part of this country once again	2/19/2022 11:11 AM
33300	Made me smile again. Haven't smiled so much in the last year as we did in the weekend we were in Ottawa. It gave us hope again.	2/19/2022 11:11 AM
33301	Gave me hope in the Canadian people coming together to fight for our freedom and charter of rights	2/19/2022 11:11 AM
33302	It gave me hope that this oppression would end	2/19/2022 11:11 AM
33303	It hasn't affected me one bit. However when I watch videos of people dancing and having fun...Please tell me how many people have fallen sick from the virus while protesting.....that tells me we are free to live our lives	2/19/2022 11:11 AM
33304	not at all	2/19/2022 11:11 AM
33305	It's been emotional	2/19/2022 11:11 AM
33306	Hasn't affected it only in a good way as it's bring lite to the curupt Jt	2/19/2022 11:11 AM
33307	They are making a difference! They have opened so many eye, across the world.	2/19/2022 11:11 AM
33308	They are expressing my frustrations in a peaceful but powerful way	2/19/2022 11:11 AM
33309	Made me proud so see Canadians standing up to the government	2/19/2022 11:11 AM

33321	Gave me some hope and faith in humanity. Also made me realize news and government are working together to make Canada communist. Government is in it for themselves not for Canadian people	2/19/2022 11:11 AM
33322	Given me something to cheer for	2/19/2022 11:11 AM
33323	Did not affected my life. But I do support it! I believe that there is a bigger hidden agenda from the Justin Trudeau government, which I am afraid will kill democracy!	2/19/2022 11:11 AM

33334	Brought me hope. Found that we are united in freedom and ♥	2/19/2022 11:10 AM
33335	It has given me pride and hope that there are Canadians who will speak out against the mandates to make change and raise awareness that mandates have negatively impacted many Canadians, and they will sacrifice their jobs, income, time and assets to do this. It has also revealed the overreach our government has had and how it increasingly tries to unlawfully exert control over its people through unnecessary coercion and military force.	2/19/2022 11:10 AM
33336	Support overwhelming	2/19/2022 11:10 AM

33342	Positive hope	2/19/2022 11:10 AM
33343	Embarrassing as a Canadian to have them occupying Ottawa and shedding negative light on our country.	2/19/2022 11:10 AM

33347	Given me hope	2/19/2022 11:10 AM
33348	Hope	2/19/2022 11:10 AM
33349	Gave me joy and hope , this has to stop and I believe Trudeau is a tyrannical leader !	2/19/2022 11:10 AM
33350	It has shown me that there are more Canadians awake and aware of what is going on than I knew.	2/19/2022 11:10 AM

33352	To much drama	2/19/2022 11:10 AM
33353	Giving us hope	2/19/2022 11:10 AM
33354	It has been troubling to me to see people carry a worthy cause too far. It is naive to think a protest can remain peaceful when it involves thousands and thousands of upset people. I do not like seeing every police man treated like a criminal just because a few made errors in handling out-of-control situations.They face terrible pressures. My son-in-law served in the Canadian military in Afghanistan. He had a very dangerous position as a gunner. Two of his buddies went home missing both of their legs. He had some very close calls himself. He was even credited by the military for saving nine lives on one occasion. He gave so much for the cause of freedom. Now he is an RCMP officer. But he is no longer treated as a hero- but has been treated almost like a criminal for trying his best to maintain the peace. If we lost all law enforcement people this country would be in complete chaos. But so many civilians do not seem to realize that freedom depends also on laws being respected and obeyed. I do NOT agree on many things our government is doing right now. But I also know that two wrongs do not make a right. How naive to think we can just take the law into our own hands- block roads, close boarders, blare truck horns by the hour, refuse to follow instructions from law enforcement individuals— and still call it a peaceful protest. That is complete denial of human nature and the tendencies that automatically unfold with upset crowds. I have feared daily for my son-in-law's life as an RCMP officer. Yes-the very man who was called a hero for freedom and honoured - laying his life on the line for freedom in Afghanistan. His wife and young sons risked never seeing him again- all for the cause of freedom. Has anyone in the crowd (who accused him of robbing us of freedom) made that kind of a sacrifice? The government needs to wake up on a lot of issues. I agree with many on that! But I also detest the way many things have been twisted by the media. The truth has been so distorted at times that people hardly know what to believe. I am all favour of peaceful, legal protests. But this protest did not qualify as peaceful in my estimation. The peaceful displays were fake and the organizers extremely naive to think human nature would resist turning to aggression. If we truly want freedom let us resist using the same tactics we are opposed to others using on us.	2/19/2022 11:10 AM
33355	Not at all. Good for them.	2/19/2022 11:10 AM

33363	It gives me strength and hope I am truly thankful for all who are standing up for what is right. Every video or anyone who I personally know who has been there in Ottawa, it has been peaceful and beautiful watching everyone come together.	2/19/2022 11:10 AM
33364	It has given me hope and has made me feel like I'm not alone.	2/19/2022 11:10 AM
33365	It hasn't. I admire the stand they've taken for their freedom.	2/19/2022 11:10 AM
33366	It hasn't	2/19/2022 11:10 AM
33367	It has given me hope again.	2/19/2022 11:10 AM

33369	They give me hope !!	2/19/2022 11:09 AM
33370	Given me hope. Seeing that we are not fringe minority and seeing the corruption in Trudeau and main stream media. It has revealed much truth, but it has united Canadians and its also a global unity	2/19/2022 11:09 AM
33371	It has given me hope that it will end soon. I would have loved to go to Ottawa and stand up to the biggest bully in the world.	2/19/2022 11:09 AM
33372	IT GIVES THE PEOPLE HOPE.	2/19/2022 11:09 AM
33373	Finally the truckers are standing up As we are 1 they are many	2/19/2022 11:09 AM
33374	Hope	2/19/2022 11:09 AM
33375	This "American-style" fiasco was misguided from the beginning and has been infuriating to watch. Although I do not live in Ottawa, I have friends and family who do and their lives have been negatively impacted.	2/19/2022 11:09 AM
33376	It has caused me to seriously look at what is happening in our country and how divided we are. It has spotlighted the attitude of our government towards Canadians they don't agree with and how mainstream media no longer tells you what is happening, but rather tells you what to think. At first, I thought the trucker's convoy would be a small movement and wouldn't come to much, but when you see thousands of Canadians across the country standing on highway bridges cheering them on, you suddenly realize you are not alone with your questions and worries, but then you realize that Prime Minister Trudeau will not even acknowledge you. The trucking convoy has shed a spotlight on the division that is now in our country. This has brought me to tears lately....to see people trampled in the streets of Ottawa by horses, veterans tackled to the ground, hundreds arrested...I don't know this Canada. Just talk to the Canadians who just want to make decisions for themselves....just talk to them....all of this could have been avoided.	2/19/2022 11:09 AM
33377	It has inspired me...I am willing to sacrifice access to items in order to regain my freedoms that have been taken away from me	2/19/2022 11:09 AM
33378	Gave me hope to have many ban together against corruption and evil.	2/19/2022 11:09 AM
33379	So proud of them for standing up for freedom. They have brought unity across this nation and other nations as well.	2/19/2022 11:09 AM
33380	The truckers convoy has given me hope that the voices of the people may be heard over top of the elite who are bent on destroying democracy. The truckers convoy is a message to the world that we will NOT be governed by leaders who spread hate and division. The truckers convoy lets me know that there are Canadians that are against the ideology of the evil plans of the World Economic Forum of which Justin Trudeau is a disciple. The truckers convoy is one of love, truth and light that is desperately trying to conquer the darkness of this country.	2/19/2022 11:09 AM
33381	made me nervous	2/19/2022 11:09 AM
33382	not at all	2/19/2022 11:09 AM
33383	They have been extremely brave and stood for all of us who couldn't be there. I am very grateful for each and every one of them. Thank You	2/19/2022 11:09 AM
33384	It gave me hope that the mandates would be ended	2/19/2022 11:09 AM

33385	Not one bit ! I am a trucker and none of the rules have changed a thing in my life or work . I don't cross the boarder so doesn't affect me, but the cost of the testing for crossing, I understand is very high for the drivers ! That concerns me because the cost of trucking is very high and there's not much leftover at the end of the day if any some months. Thank you .	2/19/2022 11:09 AM
33386	Realize we all will have to stand up if we want our freedoms	2/19/2022 11:09 AM
33387	Give us some hope, I'm very thankfull for there support and effort.	2/19/2022 11:09 AM
33388	It has brought hope, unity, community and love back to our country. Everything that our charter stands for.	2/19/2022 11:09 AM
33389	It has restored my hope in humanity	2/19/2022 11:09 AM
33390	troubled by the way government has not handled it properly from the very beginning.	2/19/2022 11:09 AM
33391	Gave me hope, saw people stand up for their rights. Realized we weren't alone. Love these guys!!!	2/19/2022 11:09 AM
33392	It has been a ray of hope during a dark time. It has also been another area of division and separation from community members.	2/19/2022 11:09 AM
33393	Realise I am not alone, there are people willing to do the right thing. I support the convoy and have attended events to support their cause.	2/19/2022 11:09 AM
33394	Not at all	2/19/2022 11:09 AM

33396	They were the best 3 weeks since 2 years.	2/19/2022 11:09 AM
33397	Gave me a little bit of hope to see that people are fighting for our freedom the only way they know how to	2/19/2022 11:09 AM
33398	Added some new entertainment to the media instead of the dull covid stories all the time.	2/19/2022 11:09 AM
33399	Made me finally proud to be Canadian again! This country needs to remove this idealistic MORON from the PMO! What a disgrace to Canadians this useless human is! His stupidity is only superseded by his arrogance.	2/19/2022 11:09 AM
33400	Mental it has because the way now the government has got the rcmp and who Ever else from law of enforcement involved to do harm to individuals this isn't acceptable... and who ever government involved for action should be serious apologize to the individual involved in the convey.. what happen to ours rights and freedom??? They were doing it peacefully, now with rcmp they are ones making dangerous treats and harming individuals.	2/19/2022 11:09 AM
33401	Have not been able to see my family	2/19/2022 11:09 AM
33402	Uplifting. Feel hope	2/19/2022 11:09 AM
33403	It's so nice to see them standing peacefully for our freedom.	2/19/2022 11:09 AM
33404	It hasn't other then glued to my phone	2/19/2022 11:08 AM
33405	very positively-I am so happy to see Canadians standing up for our constitutional rights and freedoms. The Truckers have given me hope that Canada still has a change to go back to normal.	2/19/2022 11:08 AM
33406	It has given me a hope I haven't felt for many years, and has brought back my faith in fellow Canadians	2/19/2022 11:08 AM
33407	Not at all	2/19/2022 11:08 AM
33408	It has given me hope that enough Canadians will wake up and realize what damage has been done to our country through the denial of our rights and freedoms. I am so proud of the Truckers' Freedom Convoy. I hope many more Canadians will now have the courage to speak out and not live in fear and silence.	2/19/2022 11:08 AM
33409	Gave me hope that our rights would be restored.	2/19/2022 11:08 AM

33413	It has given us hope. Seeing what has been happening to protesters in Ottawa the last couple Of days is disappointing , embarrassing and disgusting.	2/19/2022 11:08 AM

33422	It brought hope back to me and the world.	2/19/2022 11:08 AM
33423	Very positively! Provinces are uniting, people all over the country are becoming one.	2/19/2022 11:08 AM
33424	It hasn't	2/19/2022 11:08 AM
33425	Showed me that the Trudeau government is tyrannical and has zero morals. Destroying Canada as we know it.	2/19/2022 11:08 AM
33426	It hasn't directly. But it has opened my eyes. There have been thousands of people with no masks and some with no vaccine huddled together for weeks but Ottawa hospitals are not overwhelmed. It's making me question what I previously believed. Seeing Canadians and citizens around the world coming together is good for my saddened heart.	2/19/2022 11:08 AM
33427	Made me feel that there was still the capacity of common sense. That there was an opportunity to either get back our freedom or the government was going to reveal they are incapable of running this country	2/19/2022 11:08 AM
33428	It hasn't... But it is proving a Point.. I SUPPORT THE TRUCKERS...	2/19/2022 11:08 AM

realize that I was not actually the minority when it came to my views on being able to choose what goes into my body. The people who supported all the injection mandates were just the loud minority trying to push the rest of us when it was in fact the opposite. It restored my faith that there are more people who believe we should still have a choice than there are not. It gave me hope.

33443	Given me hope, proud to be Canadian once again.	2/19/2022 11:07 AM

33475	It has inspired me and given hope. I can see God working and moving in this movement. It is a peaceful demonstration aside from a few who try to make things look different than they really are. The support from around the world amazes me and warms my heart!	2/19/2022 11:06 AM

33478	Gave me hope this country might be restored	2/19/2022 11:06 AM
33479	It is the first time in many years that I have felt a little pride in being Canadian. It also gave me hope to see others share similar views and concerns about government taking our rights away with no justification, debate, or consultation with its citizens. Seeing others brave enough to spend their time and resources standing for something important that benefits all Canadians is inspiring.	2/19/2022 11:06 AM
33480	It gave me hope and rekindled a love for canada	2/19/2022 11:06 AM

33522	Positively, it's shown that I'm not alone, I'm not the only one who doesn't think it's right that we don't have a choice to decide what goes into our body. My body, my choice!	2/19/2022 11:05 AM

It has given me hope that people of all races can come together in peace to celebrate being human.	2/19/2022 11:05 AM
33536	Brought hope that things will change and we can live life freely once again	2/19/2022 11:05 AM

33538	It has given me a renewed hope that the evil government mandates will eventually be lifted.	2/19/2022 11:05 AM
33539	Without doubt or exception the trucker convoy is the most awesome thing to happen to me and all those I love and hold dear in the last two years. It has given all Canadians hope that this Corrupt government can be D railed from their path of destruction and that Canadian citizens may be freed from the absolute corrupt Tierney that has completely overwhelmed our lives our families, our businesses, our free time and our minds for the last two years. I am 110% in support of the truckers and there extraordinary efforts to conduct a peaceful and lawful demonstration in our capital to force government to become aware of the needs wants and desires of the largest portion of the Canadian population that is we the working class. Without a doubt the trucker freedom convoy, it's trip across Canada, and the support unilaterally from all Canadians as they travelled across this great country is the most positive blessed hopeful, beautiful, unbelievable thing that we have experienced in the last two years. They do nothing but completely support peace, love & freedom Of all race colour and creed. All the power to and God bless our truckers and all those people who believe in and stand for freedom of Canadians	2/19/2022 11:05 AM
33540	Given me hope	2/19/2022 11:05 AM
33541	It has brought us together with many Canadians and has given us hope	2/19/2022 11:05 AM

33546	Change for the good	2/19/2022 11:05 AM
33547	It has given me hope and filled me with love. I have felt so alone until now. It has given me new tears, no longer of sadness but of hope and love. I weep ever day for what my fellow Canadians are doing for our country and how we have showed the rest of the world we are not as weak as they thought we were. I wear my flag with pride now.	2/19/2022 11:05 AM
33548	The convoy has given us a glimpse of hope that life can go back to normal.	2/19/2022 11:05 AM
33549	It had brought be hope, and positivity again. I see Canadians coming together for their freedoms and the most unity and love I've ever seen in this country	2/19/2022 11:05 AM
33550	It gave me hope again that someone thinks like me and is concerned about the overreach that is happening. It made me proud to be Canadian again that we can choose to peacefully and persistently stand together united and pull off the most peaceful protest there ever was. The governments response to the convoy though and the violence has grieved me greatly and caused severe mistrust in the systems of our government and those in office.	2/19/2022 11:05 AM

33566	No	2/19/2022 11:04 AM

33570	They gave us hope	2/19/2022 11:04 AM
33571	Made me proud to be a Canadian. They have SHOWED TRUTH & PEACE & KINDNESS. They are standing for my rights while I lay here waiting for medical tests to save my life, but covid rules causing such fear mongering for a 99% survival rate....STOP the destruction this man made virus started!!	2/19/2022 11:04 AM

33583	It has spoken out for the freedoms I believe in.. has brought back hope and love for our beautiful country.. these people should not be persecuted for that!! This is Canada.. land of the free!	2/19/2022 11:04 AM
33584	It has affected supply to my business. The vulgarity on vehicles is difficult to explain to my children.	2/19/2022 11:04 AM
33585	It has brought me hope, again. On the flip side, it has shown me how disgraceful our government can behave in response to a peaceful protest.	2/19/2022 11:03 AM
33586	My family had to leave Ottawa as my sister's building was targeted by protestors. They came to stay with me to not have to worry about their safety	2/19/2022 11:03 AM
33587	I am afraid that the way the government treats trucking convoy expressing their wishes will also happen to me in the future because I am against mandatory vaccinations	2/19/2022 11:03 AM
33588	It has given us hope.	2/19/2022 11:03 AM

33592	It has given us hope that change will happen.	2/19/2022 11:03 AM
33593	I feel like someone is finally stepping up and speaking for the people, and there are quite a few that are absolutely petrified to voice their opinion because they were expecting the government or people so called "in charge" to act I exactly the way that's happening now, but on a more individual, personal scale...bullied, forced, and under duress	2/19/2022 11:03 AM
33594	For the better, Freedom.	2/19/2022 11:03 AM

33598	They have given me hope that I can have my life and my freedoms back. They have also made me be proud to be Canadian again.	2/19/2022 11:03 AM
33599	The freedom convoy has given me a sense of hope and helped the silence major to voice out.	2/19/2022 11:03 AM
33600	Those peacefully protesting have restored hope that we can get back to normal if the authorities would only allow Canadians to. Also, seeing what the media has been reporting vs the live footage being shared has damaged my trust in mainstream media.	2/19/2022 11:03 AM
33601	It has given me hope for a better future!	2/19/2022 11:03 AM
33602	Showed me that Canadians stand together Love freedom and joy has been demonstrated around the nation So much to live for	2/19/2022 11:03 AM

33604	Given me hope	2/19/2022 11:03 AM
33605	They have given me hope! I just don't understand why our Prime Minister couldn't even have the decency to talk with these people who are fighting for our basic rights in peaceful way! Why? He just hid for a week and then did nothing, but further divide our country with calling them very name in the book.Thiscoming froma man who has repeatedly dressed up witha black face. This man is a disgrace to everything Canada has ever been about! We are a multicultural nation, not a melting pot, but a nation that has prided it self on being a peaceful, law abiding nation, with basic rights for all members of our society regardless of race, education or affluency	2/19/2022 11:03 AM
33606	Inspired me to feel like Canadians are all fed up with the rich scandalous leaders of this country who live in their little insulated bubble and no longer care or understand that they work for WE THE PEOPLE	2/19/2022 11:03 AM
33607	Gave me hope that someone will help stop this	2/19/2022 11:03 AM

33610	Positively. It gives us hope. People fighting for my freedom to actually return to Canada to see my family. Possibly move back one day????	2/19/2022 11:03 AM
33611	It has encouraged me to fight for human rights and the Love for God and Jesus Christ. I realize that Lucifer and his team will be destroyed. I will feel the shortage of materialism soon but I do not live by bread alone. I realize that Justin Trudeau cannot govern Canada wisely because his mentors are luciferian and controls the boy.	2/19/2022 11:03 AM
33612	It has given me hope, it has made me feel like a Canadian again, it's maybe want to stay in my country that I love so dearly when I have been considering moving out of country.	2/19/2022 11:03 AM
33613	Made me realize what kind of government is running this country	2/19/2022 11:03 AM
33614	Not at all	2/19/2022 11:03 AM
33615	Feeling of our country being united. It was more vaccinated than unvaccinated yet they came together	2/19/2022 11:03 AM

33625	gave us hope that we, the people , can make a difference in how the country is run	2/19/2022 11:02 AM
33626	Shown me that there is hope! The this country that I grew up learning to love is really showing it's beautiful colours. This protest makes me proud to be Canadian again.	2/19/2022 11:02 AM
33627	Product shortage Extreme freight increased cost Extreme increase freight delays.	2/19/2022 11:02 AM
33628	I feel hope for the first time in 2 years. I'm sleeping better	2/19/2022 11:02 AM
33629	Not at all, it now allows me to see and evaluate my personal opinion what it is to be a Canadian, and how easily swayed a large portion of Canadians are ready to incorporate American ideology instead of the values we had and still have that defined us as Canadians. I think it is a poor testament as to where this country has come from and where it is todote. Not everything is about gov't and it's controls, these mandates we established to keep the masses safe in these trying times and not about gov't infringing on anyones personal rights,	2/19/2022 11:02 AM
33630	Gives me hope that the people will be heard	2/19/2022 11:02 AM
33631	I have hope in Canada again. That our freedoms will be restored. Our health and what we put in our bodies is our right	2/19/2022 11:02 AM

33639	Hope	2/19/2022 11:02 AM
33640	I respect their desire to speak to our government and to have mandates revoked ASAP. They have been an encouragement to the whole world. Most governments have overreached with mandates. I agree with truckers; time for mandates to end.	2/19/2022 11:02 AM
33641	A little bit of pride in Canadians again	2/19/2022 11:02 AM
33642	For the first time in two plus years, I had hope of change happening and getting back to the amazing country we thought ourselves to be before this whole nonsense. But seeing how the federal government has dealt with the peaceful protestors and truckers, has taken that hope away again.	2/19/2022 11:02 AM

33659	Not in the slightest, but now my anxiety level has sky rocketed because I donated to the truckers and the tyrant in Ottawa thinks I'm a Nazi, white supremest, and don't think like a freakin' commie like he does. Trudeau is a shit stain on our country and the world.	2/19/2022 11:02 AM

33767	For the first time I felt hope for Canada. I was very discouraged watching the economic destruction of our country	2/19/2022 10:59 AM
33768	It restored my faith in humanity at the beginning and Trudeau crushed it with his views and insult and invoking an emergency act making our police officers become violent on other Canadians that are peacefully protesting! Very sad time for every Canadian who realizes or not what is happening in this Country censorship and division by. Tyrannical government :(2/19/2022 10:59 AM
33769	It has given me much hope and lift my spirit	2/19/2022 10:59 AM
33770	For the first time in 2 years I felt joy, hope and unity. Someone finally stood up for Canadians. At the same time I became disgusted with elected officials who do not follow science and spew lies. No truthful investigating. Fear and hate mongering that is dividing Canadians and condoning hate crimes and hate speech on a segment of Canadians.	2/19/2022 10:59 AM
33771	They are fighting and uniting for Canadian rights and freedoms they need more support! They need to be let out of prison and the officers who are following orders need to protect the citizens of their country not political interest and government ! It is in place to protect the people to not further greed and personal agendas!!	2/19/2022 10:59 AM
33772	The convoy has given me to hope for our country for the first time in 2 years. When mandates are no longer about a virus and are about control it needs to end.	2/19/2022 10:59 AM

33777	I feel like there is hope. That we as Canadians are unified and we care about others. I am triple vaccinated. Many of the truckers are vaccinated but yet they are fighting for those who it affects and that is positive and shows that others care for each other. It gives me hope for people.	2/19/2022 10:59 AM
33778	gave me hope for freedom from this unbelievable tyranny	2/19/2022 10:59 AM

33791	Given me hope that people are standing up for Canadians and democracy	2/19/2022 10:58 AM
33792	It brought hope back into our lives that there are so many people feeling the same way. If the government had spoken to the truckers or if they developed an end plan to the mandates none of what is happening in Ottawa right now would be happening.	2/19/2022 10:58 AM
33793	Hope	2/19/2022 10:58 AM
33794	It's nice to see the community band together. Unless this is another orchestrated take down	2/19/2022 10:58 AM
33795	It is the only thing that has given me hope in the last 2 yrs.	2/19/2022 10:58 AM
33796	The actual convoy hasn't affected me directly at all. I stay clear of the news but have lost respect for a few friends so eager to jump on the bandwagon and disrespect our governments.	2/19/2022 10:58 AM
33797	I Think it was a great way for Canadians to finally come together after 2 years of hell, and to just show the true colours of Justin Trudeau	2/19/2022 10:58 AM
33798	realize there a lot of unhappy people in this country with a bone to pick with JT but he's too busy playing hide and seek	2/19/2022 10:58 AM

33800	Encouraged me. Restored hope	2/19/2022 10:58 AM
33801	Not much (aside from taking up too much news time). The major horrible effect was that JT used it to justify his demagoguery.	2/19/2022 10:58 AM
33802	I understand what they were asking...liberty to choose...but very sad and stress that it had to end with violence...J.T. should of listen and act sooner...Hearing Canadian's need is very important...	2/19/2022 10:58 AM
33803	It hasn't really	2/19/2022 10:58 AM

33812	Gives me hope and that there are people who care and we can do something!!!	2/19/2022 10:58 AM
33813	They carried hope for the nation by doing what the opposition parties should have been doing all along. Through them we caught a glimpse of what we can do as a nation in true opposition to tyranny. They became our voice thereby telling Tru dough we the people are not going to allow him to continue in the office of PM unless he, as a public servant, serves the people and not his own interests.	2/19/2022 10:58 AM

33828	Helped encourage us that we should not accept government overreach.	2/19/2022 10:57 AM
33829	The trucking convoy was the first sign of hope that I've had in the last 2 years. Our government has done nothing but lie to us...so for many Canadians we feel like this was our only opportunity to get Canada back to where we use to be...THE TRUE NORTH STRONG AND FREE!!!	2/19/2022 10:57 AM
33830	Showing us that we can hold string and fight foe freedom and charters of rights	2/19/2022 10:57 AM
33831	not personally except for maybe grocery items	2/19/2022 10:57 AM
33832	It has brought hope and pride	2/19/2022 10:57 AM
33833	Never did	2/19/2022 10:57 AM
33834	Given me hope and unity	2/19/2022 10:57 AM
33835	Mental health , relationship, job all destroyed	2/19/2022 10:57 AM
33836	Brought some hope for the first time in two years. Feel so proud of them and to be Canadian.	2/19/2022 10:57 AM
33837	The convoy has given people hope of a future that doesn't involve tyranny and abuse by our elected officials. Taken people out of deep depression which was immediately reinstated when the emergency act was invoked.	2/19/2022 10:57 AM
33838	Not at all	2/19/2022 10:57 AM
33839	Gave me hope	2/19/2022 10:57 AM
33840	It has given me hope that things can get back to the way they used to be before COVID. And woken me up to the corrupt government that we have. Justin Trudeau being the worst thing to ever happen to Canada.	2/19/2022 10:57 AM
33841	Give me the feeling that I'm not alone. Way more like minds than I thought.	2/19/2022 10:57 AM
33842	Gave me hope, courage and unshackled my silence. I understand that those I thought respected me may no longer respect me. I do want them to live their best lives, and accept that I ikely won't be invited. Most importantly I can finally respect myself and will no longer be silenced. Freedom for all is my stand and I do it without fear.	2/19/2022 10:57 AM
33843	It's inspiring to see Canadians sticking together. Vaccinated or not vaccinated they're standing together for the rights and freedoms of all. It's a tiny ray of hope and light for me in the darkness of depression	2/19/2022 10:57 AM
33844	The selfishness and stupidity constantly pisses me off!	2/19/2022 10:57 AM

33847	Not at all	2/19/2022 10:57 AM
33848	It has brought forward the level of dissatisfaction with our liberal government and their mandates. How people are finally fed up	2/19/2022 10:57 AM
33849	They are gods given angels brought together to win our freedom back and hugs each other and bring families back together and people back to normal witch our government has torn apart...	2/19/2022 10:57 AM
33850	It hasn't, I am a trucker	2/19/2022 10:57 AM
33851	In a positive and uplifting way	2/19/2022 10:56 AM
33852	I saw people coming together and loving on each other encouraging one another and standing for the freedom our vetrans died to ensure we have as the nation of Canada	2/19/2022 10:56 AM
33853	United Canadians against tyranny and government imposed restrictions.	2/19/2022 10:56 AM
33854	The trucker convoy has affected our lives by getting the ball rolling to get our freedoms back	2/19/2022 10:56 AM
33855	Gave me hope for the first time in 2 years. I have hope for humanity again.	2/19/2022 10:56 AM
33856	Gives me great hope	2/19/2022 10:56 AM
33857	Embarrassing as a Canadian	2/19/2022 10:56 AM

33860	Just gives me pride in Canadians.	2/19/2022 10:56 AM
33861	I an cheering them on - they are attending for the freedoms I want protected	2/19/2022 10:56 AM
33862	Inspired that a Canadian of all walks of life coming together for freedom a dour children's future	2/19/2022 10:56 AM
33863	Praying for freedom	2/19/2022 10:56 AM
33864	Well it's taking up a lot of time watching live feeds	2/19/2022 10:56 AM
33865	It gave me hope again that freedom can be restored. People's voice can be heard! It showed that our constitution matters to Canadians and it can not be stepped on by a Prime Minister who lost his way and choose to be a dictator! It shows how corrupt the main stream media is! I lost all my respect for CBC! It shows how corrupt this Prime Minister is by invoking Emergency Act on a lawful peaceful protest! Passing his responsibilities as a leader to law enforcement officers and the forceful removal of people he disagree with! He even enforcing the emergency act when it has not been past by the house or senate! Freedom convoy movement is awakening Canadian's that what has been truly going on during this PLANDEMIC!	2/19/2022 10:56 AM
33866	Gave me hope	2/19/2022 10:56 AM
33867	It has made me feel hope and that there is a chance for freedom to return to Canada once again. The convoy is defending us against a tyrannical government from imposing a vaccine passport that keeps us from participating with the rest of society.	2/19/2022 10:56 AM
33868	Scary times	2/19/2022 10:56 AM
33869	It mad me sad and frustrated to see how many people have lined up behind the white supremacist leaders of the "convoy". 80% - 90% of real truckers are vaccinated and doing the work. This has nothing to do with the majority of truckers.	2/19/2022 10:56 AM
33870	The convoy has not affected my life as they are all fighting for our freedoms like the rest of the world, even our veterans who went to war to fight for our freedoms, to this convoy i say thank you an thank you everyone around the world for standing up an fighting for our freedoms. God bless them all	2/19/2022 10:56 AM
33871	It hasn't	2/19/2022 10:56 AM

33873	So for not at all	2/19/2022 10:56 AM
33874	Gave me hope that Trudeau might get kicked out of government for being corrupt. And gave me hope that the mandates would end	2/19/2022 10:56 AM
33875	It has been a positive and a light of hope that we are not alone in this. We all want freedom and unity between each other not a division.	2/19/2022 10:56 AM
33876	Gave me hope	2/19/2022 10:56 AM
33877	Not directly, just concerned about possible violence and the long harassment of people in Ottawa.	2/19/2022 10:56 AM
33878	That is the most positive thing I've seen in my lifetime. Finally some unity across the country.	2/19/2022 10:56 AM
33879	The truckers convoy has given me hope again. Because of the convoy at work now we have our dinning hall back to what it was so I can sit across the table from a friend and eat dinner. These truckers are people who took a stand and have a voice for Canadians!! I thank them	2/19/2022 10:56 AM
33880	Hope	2/19/2022 10:56 AM
33881	I feel they've stood up for good causes, and even though it ended badly on the government's way of dealing with it, I feel changes will come now that people have stood up made the government see we are ALL sick and tired of living like this	2/19/2022 10:56 AM
33882	They gave hope that maybe there could be an end to this tyrannical government what government is going is so wrong. Freedom freedom back	2/19/2022 10:56 AM
33883	They have provided a platform for the discussion to move ... and not get covered with new mandates	2/19/2022 10:56 AM
33884	It has brought Canadians and the world together. I have felt hope that there are other liked minded people who refuse to be hypnotized and abused.	2/19/2022 10:56 AM
33885	Fired me up had to happen	2/19/2022 10:56 AM
33886	It hasn't really affected my life, but I think that it is disgraceful and embarrassing in terms of the world's view of our country.	2/19/2022 10:56 AM
33887	It's given me hope that a change for the better is near.	2/19/2022 10:56 AM
33888	Love it! Way better than any of the joke protests our PM participated in.	2/19/2022 10:56 AM
33889	Hopefully and positively. So much love from them and supports of them.	2/19/2022 10:56 AM
33890	It's brought hope and pride back to being Canadian	2/19/2022 10:56 AM
33891	Given hope	2/19/2022 10:56 AM
33892	Gave me hope.	2/19/2022 10:56 AM
33893	Its made me proud to be Canadian as there are people who still believe in our charter of rights!	2/19/2022 10:56 AM
33894	Giving me hope	2/19/2022 10:56 AM
33895	Filled with joy, hope, pride for my Country	2/19/2022 10:56 AM
33896	Brought me renewed hope.	2/19/2022 10:56 AM
33897	It hasn't.	2/19/2022 10:56 AM
33898	The shelves are starting to look empty in the stores.	2/19/2022 10:56 AM
33899	Zero except for a few empty shelves at the grocery store but freedom has a price.	2/19/2022 10:56 AM
33900	It has helped me find rebuild my mental health. Seeing that there are still people that care and stand up for the people of Canada. And that the atrocities of the government are being exposed.	2/19/2022 10:55 AM
33901	It hasn't	2/19/2022 10:55 AM
33902	Very positively! It has made me feel like there is hope.	2/19/2022 10:55 AM

33904	I am in total support of the TRUCKERS Freedom Convoy! Awesome people!	2/19/2022 10:55 AM
33905	Positivity and Hope	2/19/2022 10:55 AM
33906	It brought inspiration and joy to my life. Hope for a better future	2/19/2022 10:55 AM
33907	Did not . Queen Romana Didulo lifted the restrictions on Feb 3 .This government has zero authority. The government building is closed . What you see on Tv is CGI. Please educate people about that	2/19/2022 10:55 AM
33908	no	2/19/2022 10:55 AM
33909	Gave me hope for the first time in two years. Allowed Canada to see Trudeaus True colours. Trudeau is the only one spreading hate speech- the truckers spread hope, peace, and love. Trudeau has sown the seeds of hatred in this country and every word he spews forces it's growth.	2/19/2022 10:55 AM
33910	It's giving hope that our country still has a chance against oppression	2/19/2022 10:55 AM
33911	None	2/19/2022 10:55 AM
33912	Given me hope, pride, joy, and a sense of unity with fellow Canadians. Hope for an end to medical tyranny	2/19/2022 10:55 AM
33913	It has buoyed my Heart and encouraged my Spirit to advocate Truth, Healing and Unity among all Humans...in every Nation...on the Globe.	2/19/2022 10:55 AM
33914	Truckers convoy has not affected me at all.	2/19/2022 10:55 AM
33915	Again - I am greatly disturbed that blanket rules have affected people's lives - at the same time what may have started out as a protest where people said, "enough!" - has ended as something else which seems to mimic what was happening in the States under Trump and has created stress for all of us. So many issues here - they are obviously hard to cover in short sound bites.	2/19/2022 10:55 AM
33916	Given hope that we can stop the draconian mandates.	2/19/2022 10:55 AM
33917	I think it may have enlightened a few more people about the interplay between corporate power government power and media	2/19/2022 10:55 AM
33918	The truck convoy gave me hope, and lifted my spirits for better days ahead, and maybe a light at the end of this very dismal tunnel we are heading down. The threats and loss of bodily autonomy, in my opinion is unacceptable and should be punishable by law. The freedom rallies made me feel that I was not alone and suffering by myself anymore. I believe our PM is now the "terrorists" against humanity. Not these truckers or freedom rallying members of our Canadian Society. I do not understand why parliament has not called for a no confidence vote in our PM.	2/19/2022 10:55 AM
33919	Glimpse of hope. Joy. Proud.	2/19/2022 10:55 AM
33920	It has made a disruption with daily travel within my city on the weekends when they are protesting and causing congestion on the main roads.	2/19/2022 10:55 AM
33921	Made me feel hopeful for Freedom of choice to be acceptable.	2/19/2022 10:55 AM
33922	It has encouraged me to see that I'm not alone in wanting freedoms restored in our country	2/19/2022 10:55 AM
33923	It has been the happiest I have been in 2 years. These Hero's have brought joy and unity to the World.	2/19/2022 10:55 AM
33924	It has brought hope for this country. First breath of hope and patriotism in over two years!	2/19/2022 10:55 AM
33925	Glad - a strong group of people who deliver food and supplies for us courageously took on this freedom movement	2/19/2022 10:55 AM
33926	Given me hope that people would stop being afraid to speak up against mandates and segregation.	2/19/2022 10:55 AM
33927	They have finally given us hope for our freedom ...I support them all 100%.	2/19/2022 10:55 AM

33928	Made me feel proud to be Canadian	2/19/2022 10:55 AM
33929	It hasn't.	2/19/2022 10:55 AM
33930	In no way negative. Brought a bit of hope that there could be an end to this.	2/19/2022 10:55 AM
33931	It gives us hope. It's very emotional to watch and it's infuriating to see the governments response to everything. Power hungry dictator	2/19/2022 10:54 AM
33932	Gave us hope!	2/19/2022 10:54 AM
33933	It has given me a hope for Canada for the first time in 2 years, and has brought me so much joy to see Canadians coming together again and smiling and loving on another no matter the status in the most peaceful way!	2/19/2022 10:54 AM
33934	It has giving me hope	2/19/2022 10:54 AM
33935	The trucking Convoy has given me hope for a better less terrifying future for my children	2/19/2022 10:54 AM
33936	It opened my eyes and made me happy to be apart of something.	2/19/2022 10:54 AM
33937	Has not affected our family.	2/19/2022 10:54 AM
33938	They have given me and my family hope. Have made all Canadians stronger and have united the country and the world. They are brave angels.	2/19/2022 10:54 AM
33939	It gave me a glimmer of hope that people would begin to see it is wrong to force and divide - to realize the damage that has been done to our relationships, jobs, children to stand together and have a voice to defend ourselves.	2/19/2022 10:54 AM
33940	Given hope and people who see past the lies	2/19/2022 10:54 AM
33941	It didn't but I don't support the boarder blockage	2/19/2022 10:54 AM
33942	I have hope now. Canadians that want freedom have a voice against tyranny. If this continues we will be living a communist life. I got a spring in my step again. I'm a positive person and handled this 2 years well but it was completely wrong. This made me feel like we can get Canada back one day. Trudeau has to step down.	2/19/2022 10:54 AM
33943	Gave myself & so many people i know hope Showed that the media is very biased Brought to light that our gov'ts are not interested in respecting Canadian citizens Showed there is an enormous amount of people who are against the way the gov't is handling issues in Canada	2/19/2022 10:54 AM
33944	As far as supply chain, it hasn't. It has brought Canadians back together though instead of being divided.	2/19/2022 10:54 AM
33945	It has increased patriotism. Never seen so many Canadian flags being flown.	2/19/2022 10:54 AM
33946	It hasn't really	2/19/2022 10:54 AM
33947	Given me hope. Made me feel courageous. Awareness that I'm not alone	2/19/2022 10:54 AM
33948	Has brought hope to bringing Canada back to its self again. Canada is supposed to be a caring country. No more leadership in it. Trudeau works for the people, no more tyrant, don't control the people, be the people.	2/19/2022 10:54 AM
33949	Hopefully it will end the mandate so I can do what I was doing and it will restore freedom of choice...	2/19/2022 10:54 AM
33950	Gives me hope	2/19/2022 10:54 AM
33951	I am seeing some very brave men ,women and children standing up to tyranny. Our PM is a sorry excuse for a man. He's vain ,arrogant, doesn't care about us as citizens. Won't listen to or address our complaints. unmovable, need I say more.	2/19/2022 10:54 AM
33952	The trucking convoy have given me hope the my void and the voice of many many other Canadians will be heard	2/19/2022 10:54 AM
33953	It filled me with hope.....!!!	2/19/2022 10:54 AM
33954	They are fighting for my rights	2/19/2022 10:54 AM
33955	It has had no effect on my life	2/19/2022 10:54 AM

33956	Gave me hope	2/19/2022 10:54 AM
33957	Brought back hope and unity with fellow Canadians from every walk of life! Tears of joy	2/19/2022 10:54 AM
33958	The trucking convoy has given me hope and encouragement, showing me I'm not alone in this and that I'm not a "fringe minority" as the government would have me believe.	2/19/2022 10:54 AM
33959	After 2 years of despair, the truckers have restored my faith, joy, hope. I am not alone!! They have already won against the despotism on our government. Shame on the Government of Canada for enacting the War Measure Act on a peaceful freedom protest!!	2/19/2022 10:54 AM
33960	All positive!!	2/19/2022 10:54 AM
33961	I feel hope	2/19/2022 10:53 AM
33962	they give me hope, just positive, they represent us, they are there for our freedom, our rights, our country...just the opposite of Trudeau our P.M.	2/19/2022 10:53 AM
33963	It gave me hope	2/19/2022 10:53 AM
33964	It's time Canadian stand up for themselves instead of being an apathetic country that just puts up with everything. I'm incredibly proud of them, and so very done with our ineffective useless and corrupt Prime Minister	2/19/2022 10:53 AM
33965	I had given me some hope that the tyranny is going to end	2/19/2022 10:53 AM
33966	Prices of everything are going up unnecessarily because of the blocking of the border. If the convoy wants to demonstrate in Ottawa that is ok, but closing borders is not ok. It's gotten out of hand. Friends are very vocal on the topic.	2/19/2022 10:53 AM
33967	A voice of logic and common sense, some hope for our country	2/19/2022 10:53 AM
33968	Hope	2/19/2022 10:53 AM
33969	It gave me hope	2/19/2022 10:53 AM
33970	Was very proud to be a Canadian but now ashamed of my governments actions. Sickening	2/19/2022 10:53 AM
33971	Because of the trucker convoy mandates are starting to be lifted! They raised awareness in people who were put in fear by the media and our so called "leaders" and once people started standing up it raised awareness of the real situation that our cowardly prime minister is trying to implement!	2/19/2022 10:53 AM
33972	I feel like I can see a light at the end of the tunnel.	2/19/2022 10:53 AM
33973	It gives hope that the people of Canada are still united and free in spirit.	2/19/2022 10:53 AM
33974	doing what every Canadian what's.. Remove the mandates and bring back our freedoms.. which this country was built!	2/19/2022 10:53 AM
33975	Not at all. I am supporting it.	2/19/2022 10:53 AM
33976	While I support part of the movement, it has not made an impact on my everyday life.	2/19/2022 10:53 AM
33977	Doesn't	2/19/2022 10:53 AM
33978	Not at all. They are peaceful. All streets can still be travelled in with 1 lane so it's not that bad. It's worth it to get our freedom back.	2/19/2022 10:53 AM
33979	Made me happy gave me hope!	2/19/2022 10:53 AM
33980	It's given me a voice and hope. It has also showed how low and power driven our Government is to take away my Freedoms.	2/19/2022 10:53 AM
33981	It gave me hope for the future	2/19/2022 10:53 AM
33982	Unsure	2/19/2022 10:53 AM
33983	It has awoken my eyes to the freedoms we have lost and will continue to lose if we don't stand up for ourselves	2/19/2022 10:53 AM
33984	It has given me hope. For 2 years I have felt completely alone, and isolated. With this convoy I am finally proud to be Canadian. I am not alone, we are not alone.	2/19/2022 10:53 AM

34014	Lack of items available in stores. Especially meat at times and other foods. Some Shelves at grocery stores look very sparse. Food prices gone high.	2/19/2022 10:52 AM
34015	I think it is ridiculous, and presents a bad picture of Canada. Don't think the vaccine mandate should have been imposed on the truckers at this late date, especially after all they have done through the past 2 years.	2/19/2022 10:52 AM

34031	Lost my job for not complying! Now in order to pay my bills - I can go back to work but need to pay \$40 2X week to rapid test until end of March went this will be reviewed and I could still lose my job if mandates are not lifted!	2/19/2022 10:51 AM
34032	It has given me hope that Canadians want freedom!	2/19/2022 10:51 AM
34033	Canadians are turning against one another because Justin Trudeau does not care about anyone other than his politics that is dividing our Canada!!	2/19/2022 10:51 AM
34034	Gave me hope & belief that maybe Canada & Canadians had half a chance. That's pretty much in the toilet now. I believed in freedom for 62 years, now I don't want to be here anymore	2/19/2022 10:51 AM
34035	It's made me feel Canadian. That people believe the same as me. That our freedoms are being taken by a spoiled boy who thinks he's a prince.	2/19/2022 10:51 AM

34041	It has made me angry and ashamed to live in the same country with these morons.	2/19/2022 10:51 AM
34042	Not affecting my life	2/19/2022 10:51 AM

Canadians vote on Canadian Mandate - February 2022

34044	Well, up until now, it's given me 'HOPE" ... But, with what's happening in Ottawa right now, with this Tyraniacal (Communist) Government and the things that they're allowing to happen (plowing down peaceful protestors with horses), etc. (February 18, 2022) I'm beginning to think that hope is going down the drain.	2/19/2022 10:51 AM
34045	IT HAS BROUGHT ATTENTION AND UNDERSTANDING TO THE FREEDOMS TRUDEAU IS VIOLATING ON A COUNTRY WIDE SCALE. WE NOW KNOW THAT TRUDEAU HAS TO GO! MANDATES END NOW!!	2/19/2022 10:51 AM

34051	Groceries depleted	2/19/2022 10:51 AM
34052	Brought me hope	2/19/2022 10:50 AM
34053	Totally enjoy it. The truckers are trying to get our freedom back peacefully. Totally support them	2/19/2022 10:50 AM
34054	It has helped	2/19/2022 10:50 AM
34055	It has given us hope again	2/19/2022 10:50 AM
34056	It has given me hope that things will get better. We will go back to our old country. No more segregation. No more hate. Everyone will get their jobs back. Our convoy is peaceful but the news is making it look like they are terrorizing the city. Look at the stand off. They are still singing O Canada and telling the cops they love them. Please please please someone come to their senses. I don't want my grandkids to grow up in this kind of country. I beg you. Please put a stop to this INSANITY	2/19/2022 10:50 AM
34057	It has not other that I support their call for action by the feds to end the mandate.	2/19/2022 10:50 AM

instead declared a state of emergency for a peaceful protest. People were hurt and arrested on Friday February 18th and given a \$100,000 dollar fine and told they had to leave Ontario. For what? A peaceful protest? NOT FAIR! Please help us!

34073	I sense of joy of overwhelming peace	2/19/2022 10:50 AM
34074	It has been good and has given me great hope, I'm surprised to see that most of my friends are for this fringe movement, but at the same time it has brought out the worst in a select few that I thought were friends, better to know the truth though.	2/19/2022 10:50 AM
34075	It created some unity back in Canada	2/19/2022 10:50 AM
34076	From a rational human's perspective it's been SERIOUSLY annoying. Protest something worthwhile, like, I dunno, the disastrous environmental impact your trucks have while they're making the way across the country.	2/19/2022 10:50 AM
34077	It hasn't.	2/19/2022 10:50 AM
34078	It has lifted my faith and pride in being a Canadian	2/19/2022 10:50 AM
34079	I find it to have been Stupid! Truckers are 90% Vaccinated. Is the Radical Truckers, People STILL IN OTTAWA!!	2/19/2022 10:50 AM
34080	It's made relationships difficult with family members that are in support of it	2/19/2022 10:50 AM

34085	i have a overwhelming swelling of pride for my trucker brothers n sisters.. They make me be proud to be Canadian living in one of the freest country's on earth. Bu i am against the occupation in the capital as it is keeping people hostage in their own homes , move the protest to a field outside the city continuing the peaceful protest.	2/19/2022 10:50 AM
34086	Proud	2/19/2022 10:50 AM
34087	Gave hope, mental clarity, exposed the lie that 90% of Canadians are vaccinated and want restrictions and vaxx pass.	2/19/2022 10:50 AM

34092	Exiting	2/19/2022 10:50 AM
34093	Brought hope when honestly I felt complete hopeless and lost. Now with the arrests taking place I feel worse. The country we live in resembles North Korea more than anything.	2/19/2022 10:50 AM
34094	I think the peaceful protest have brought the country more together than it has been in years . Watching it on social media has really opened my eyes to how one sided our main stream media really is. And seeing the videos of what happened yesterday Feb 18 makes me fear for what this country has become. It's very sad to think in Canada our police would ride horses and trample unarmed Canadians.	2/19/2022 10:50 AM
34095	Felt proud to be Canadian for the first time in 2 years.	2/19/2022 10:50 AM

Canadians vote on Canadian Mandate - February 2022

34101	It makes me depressed that privileged people who don't understand what suffering is, think they aren't 'free' it's insulting to the rest of the world	2/19/2022 10:49 AM
34102	It's has not really but, everyone should be entitled to make a choice and no one should be made to feel pressured into be vaccinated if they don't want to!	2/19/2022 10:49 AM
34103	Positively. Giving me hope. Canada needs help. They are doing amazing!	2/19/2022 10:49 AM

34107	Positively, hope that we minutes be able to change things	2/19/2022 10:49 AM
34108	Positive... brings a ray of hope that I'm not alone. Many have been affected the same and share the same outcome goals	2/19/2022 10:49 AM
34109	Given hope - brought unity and love. Great fullness that people are willing to stand up for the constitutional rights of ALL Canadians	2/19/2022 10:49 AM
34110	It has made me open my eyes to the government, news channels and it has showed me how corrupt our government is!!! But it has also showed me that not only Canadians but people from all around the world WILL STAND TOGETHER FOR FREEDOM!!!!	2/19/2022 10:49 AM
34111	No affect yet	2/19/2022 10:49 AM
34112	Given me hope	2/19/2022 10:49 AM

34114	Given me some hope that maybe just maybe things will start to get better	2/19/2022 10:49 AM
34115	It has awakened a hope in our house that maybe something can be done. Maybe there are strong leaders among us that will call out wrong at whatever the cost.	2/19/2022 10:49 AM
34116	The trucker convoy makes me feel so very proud to be Canadian. I get tearful knowing that these brave people have taken a stand for freedom for us all when some of us have given up believing that our country will ever be free from tyranny again	2/19/2022 10:49 AM
34117	Positive renewed hope	2/19/2022 10:49 AM
34118	I'm have never been prouder .	2/19/2022 10:49 AM

34120	It hadn't	2/19/2022 10:49 AM
34121	It gave me hope again.	2/19/2022 10:49 AM
34122	The government has destroyed our life with a terrible response to covid. We shut down too early at the beginning, learned to live through it for a whole year and then brought in illegal extreme measures right at the end of it when we had a high vaccination rate of vaccines that barely work. I stand behind the truckers who have made sacrifices to try and communicate this to our prime minister. Ottawa has been disrupted for two weeks - the whole country has been disrupted for two years. A good prime minister would have dealt with this better. Justin Trudeau is the reason things have escalated in Ottawa and the police have dealt with it so disgustingly. All the more reason for the truckers to keep showing us how horribly our PM has run our country through this pandemic. This is not Canada anymore. Mandates and the PM need to go!	2/19/2022 10:49 AM
34123	It gave me hope that change back to freedom would happen. So upset to see the Emergency Act invoked and the police cause all the violence & harm.	2/19/2022 10:49 AM
34124	First ray of hope for Canadians in 2 years ... Canada will be stronger ... dictators never last forever	2/19/2022 10:49 AM
34125	It's disrupted roadways put shortages in stores I'm against the trucking convoy	2/19/2022 10:49 AM

Canadians vote on Canadian Mandate - February 2022

34126	It has given me hope	2/19/2022 10:49 AM
34127	I was proud that a group of Canadians were willing to protest mandatory vaccines and mandates but when the some of the group wanted to replace our democratically elected government it caused me great concern.	2/19/2022 10:49 AM
34128	Intimated myself and my children leaving a sports practice, blocked our family from attending a child's sports game and intimidating/scaring my children while we were driving	2/19/2022 10:49 AM
34129	I'm not crazy. I'm not alone.	2/19/2022 10:49 AM
34130	Gave me hope, but the government reaction gave me great anxiety as I lived under communist rule before coming to Canada	2/19/2022 10:49 AM
34131	Hope for a better future	2/19/2022 10:49 AM
34132	The trucking convoy has impacted my life in a very positive way! I was able to see that I wasn't alone, that there are others who can see how wrong this all is. I have been able to feel some love and joy via the convoy fb pages, which are filled with people spreading messages of joy love and unity. The opposite messages that the PM has been feeding us via legacy media. I cried tears of joy when they came through my small town in huge numbers as it was, for me, like seeing Canadian soldier coming to my rescue. They represent the best sample group of Canadians, there are people of colour, indigenous peoples, all genders, ages and sexual preference represented. Of course, I don't agree with every single thing, that every single person there believes, I don't believe in every single thing my best friend or partner believes either but that doesn't mean we can't have common goals. There may be some undesirable messages or incidents happening I hope they are delt with accordingly however, the main message of love, unity, peace and freedom of choice and body autonomy is the shared message among all involved. The trucking convoy has helped my mental health because I feel they are fighting for me for the canada I know and love and for my children to grow up in a free Canada like I had the opportunity to do.	2/19/2022 10:49 AM
34133	Given me hope for a return to our freedoms under the Charter. Shown me that huge no. Of citizen's feel the same. At a rally it made me cry to look around and see so many without masks	2/19/2022 10:49 AM

34144	It has given me encouragement that I am not alone	2/19/2022 10:49 AM
34145	It has not	2/19/2022 10:49 AM
34146	It has given me hope and has unified many people in Canada.	2/19/2022 10:49 AM
34147	It has disrupted the economy, caused more pollution and divided the country even more	2/19/2022 10:48 AM
34148	I was in Ottawa to support the convoys message. End the mandates it's simple, follow the science. Instead Justin Trudeau has invoked a dangerous tactic against peaceful protestors. I am appalled and disgusted by this behaviour. Being in Ottawa was the most hopeful and	2/19/2022 10:48 AM

34166	Not at all,hoping it helps to relieve some pressure on people	2/19/2022 10:48 AM
34167	Gives up hope for real change	2/19/2022 10:48 AM
34168	Gave hope when hope was robbed from us, caused me to smile and cheer on our fellow people and gave purpose. A road forward, proud to be Canadian again.	2/19/2022 10:48 AM
34169	Given us hope that the government will realize that the majority of the citizens do not support their mandates but have followed them just to be good Canadians and support others. Because they were told to do so. It has also made me proud to be Canadian as we are finally standing up for ourselves.	2/19/2022 10:48 AM
34170	It has given me hope again!!!	2/19/2022 10:48 AM
34171	It hasn't effect my life in a bad way. I hope they get our freedoms back	2/19/2022 10:48 AM
34172	It's brought hope and joy. It's filled me with hope that we will all be able to have our rights and live to the fullest. So proud of all those Canandians!	2/19/2022 10:48 AM
34173	It made me more aware of how our freedoms have been taken away, and I have lost all faith in our government. All the Prime Minister had to do was talk to these people, and they would have gone home after the first weekend.	2/19/2022 10:48 AM
34174	It is encouraging to see people rally together for our freedoms	2/19/2022 10:48 AM
34175	It has depressed me and made me fearful about some of those in my community who don't	2/19/2022 10:48 AM

Canadians vote on Canadian Mandate - February 2022

	care about me, my family and others	
34176	I am very super proud of everyone who is standing up for Canadian rights. Government is servant to the people and needs to listen and respect the peoples voice. God is God over the government and he will ultimately give power at His own will, but woe to those who abuse their powers. A master must care for his servant, as a servant must reverence his Master. Let's remember who the Everlasting Master is, our God, the Great I Am. He works out all things for good to those who love Him. The book of Job is a good reminder of who really has good plans for our life. It's not what we have lost, it's what we stand to gain, it's eternal life we look towards. Praying for our government to be Redeemed and spread the Gospel of truth and repentance for sinners of all the nations world wide. Jesus paid it all, all sin debt is atoned. Our part is simply repentance and acceptance of this amazing Grace.	2/19/2022 10:48 AM
34177	Appreciate the initiative of this group to bring attention to a mandate of separation and division, which then turned into an event of unity and good will and promoted the spirit of Canadians to come together for this cause as a peaceful gathering.	2/19/2022 10:48 AM
34178	Hope	2/19/2022 10:48 AM
34179	Gives me hope and freedom	2/19/2022 10:48 AM
34180	Nil	2/19/2022 10:48 AM
34181	Very inspiring movement! These are the true patriots, representing real Canadian values. I felt proud to be Canadian again!	2/19/2022 10:48 AM
34182	Made me realize the government doesn't know the powers they are able to use but use extreme measures to show what power they have. Government overreacting.	2/19/2022 10:48 AM
34183	Given me freedom and now realize I have many more rights as a Canadian than I realized	2/19/2022 10:48 AM
34184	Very little	2/19/2022 10:48 AM
34185	possibly has affected food delivery, but other than that nothing. The lockdowns have affected more small business owners than big corporations.	2/19/2022 10:47 AM
34186	Giving Canadians hope!	2/19/2022 10:47 AM
34187	It gave us hope! Made me feel proud of being Canadian again.	2/19/2022 10:47 AM
34188	Very little. It is uniting the people of this country !!!	2/19/2022 10:47 AM
34189	It has given me hope that they will finally put an end to all the misery the government has inflicted on us these past 2 years!!!	2/19/2022 10:47 AM
34190	Positive movement showing the general public's free choice	2/19/2022 10:47 AM
34191	By donating to the cause, bank accounts have been frozen and seized.	2/19/2022 10:47 AM
34192	It made me feel better. But since again it shows the power the gov has. Inflicting violence on our own people.	2/19/2022 10:47 AM
34193	Not yet	2/19/2022 10:47 AM
34194	Gives hope that change will come it's been a long 2 years of mandates that don't make sense.	2/19/2022 10:47 AM
34195	It hasn't but Trudeau sure has. He uses the Charter of Rights and Freedoms as a door mat. Canada has never been in a darker place. Stand Strong Canada	2/19/2022 10:47 AM
34196	Has given me hope and made me feel proud to be Canadian again!!	2/19/2022 10:47 AM
34197	Gave a person some hope	2/19/2022 10:47 AM
34198	Positively. It gives me hope about life going forward. Knowing that a large number of Canadians feel the same as me. It's been a movement that has been wonderful to watch as it has made its way across Canada. Watching the activity in Ottawa and seeing how a peaceful protest has been made into something else by the media and the federal liberals has been disgusting. Our current prime minister has shown that he has absolutely no leadership skills with his handling of the convoy. And the emergency act has been a pathetic attempt by a dictator to make a movement go away like it never happened. I'm thankful that the convoy exposed this level of incompetence. The convoy has made me proud to fly the Canadian flag on my vehicle.	2/19/2022 10:47 AM

Canadians vote on Canadian Mandate - February 2022

34199	Positive encouragement	2/19/2022 10:47 AM
34200	Freedom, Love and Unity. They finally gave me Hope!! And watching the videos of it going across Canada it was very evident they have gave most Canadians HOPE. Hope that this insanity will end and we will feel Love not hatred once again! Made me feel that I am not alone. Made me feel proud to be a Canadian! The whole message of Love and Peace and Unity resonated within me saying this is what I want my Canada to be. I am done with the hate and division!!! These truckers show nothing but love and are finally the ones standing up for our Rights and Freedoms. Our charter of Rights and Freedoms have been grossly violated in the name of this pandemic. They have exposed the corruption and lies of not only our government but our tax funded main stream media!! I support their message, their peaceful protest and their dedication for our rights and freedoms.	2/19/2022 10:47 AM
34201	Hope	2/19/2022 10:47 AM
34202	I'm interested in it. I watch for news. It hasn't affected me other than providing information	2/19/2022 10:47 AM
34203	The convoy has given me hope that normalcy can still be returned	2/19/2022 10:47 AM
34204	Uplifted spirits and made me proud to be Canadian	2/19/2022 10:47 AM
34205	It has given me hope. It has also served to clarify more than ever before just how biased the legacy news media are.	2/19/2022 10:47 AM
34206	Not at all	2/19/2022 10:47 AM
34207	Made me proud to be Canadian	2/19/2022 10:47 AM

34209	Gave me hope. Made me feel like there is something we can do to end the tyranny. I finally feel like we will be free again.	2/19/2022 10:47 AM
34210	made me open my eyes too how trudeau is a spineless racist coward and if he had of dealt with this to begin with none of this would be happening now he makes me ashamed to be canadian	2/19/2022 10:47 AM
34211	Made me a hope 'aholic'	2/19/2022 10:47 AM
34212	Gives me much hope for our future. It has opened my eyes and my mind to all the corruption in our government	2/19/2022 10:47 AM
34213	It has given me hope	2/19/2022 10:47 AM
34214	Well, I've had access to my new apartment in downtown Ottawa since the weekend the convoy arrived and this is the first weekend I've been able to spend here--the first weekend we stayed in our old apartment because the horns were too loud from our new apartment, and then the next two weekends it didn't feel safe to be here. Between the way it's screwed up public transit, the noise, the impact on air quality, the presence of a lot of angry people who might drive their trucks at you or give you COVID, it's been pretty terrible! We were followed and honked at by a huge pickup the only time we left the apartment in the first week of the protests, so we've only spent a few days here since. And I made sure I knew where my hammer was when we came back in case someone handcuffed the doors of my apartment building shut and set a fire. So. I would say overall the impact has been negative, and the trucking convoy should be thinking about how to atone for the harm they've caused while protesting necessary public health measures. (And get vaccinated!)	2/19/2022 10:47 AM
34215	I support them 100%. Most of my family are truck drivers or have done as a pass line of work	2/19/2022 10:47 AM
34216	Has not	2/19/2022 10:47 AM
34217	Woke up the sheep.	2/19/2022 10:47 AM

34219	Positively. Honk honk!!	2/19/2022 10:47 AM
34220	It has changed my view of people, we have started a massive community. There is so much love and support from everyone at the convoy it is the best thing I have ever experienced!	2/19/2022 10:47 AM

Canadians vote on Canadian Mandate - February 2022

34233	Gave me some hope that there is still good people in this world willing to fight against the evil and corruption that is in our government.	2/19/2022 10:46 AM
34234	I totally support the trucking convoy, they have been our only hope against a tyrannical government! The Liberal and NDP parties are a disgrace! Around the world people are watching what is happening in Canada! Trudeau should have met with the truckers instead of hiding, and then refusing to meet and talk! He is the person who is at fault for all that has happened, all the money spent and lost during this peaceful protest!	2/19/2022 10:46 AM

34244	By showing me that we aren't alone and that more want freedom. It's shown how truly evil our government is	2/19/2022 10:46 AM

backwards at a time. Taking away our freedom.

34283	Hope that we going to have a better country to live in	2/19/2022 10:45 AM

34307	It has made me see that I am not alone in my thinking as the prime minister and the media would seek to tell me that I am.	2/19/2022 10:44 AM

34336	Given me hope for change	2/19/2022 10:43 AM
34337	I am proud that Canadians are standing for freedom of choice. The media has not fairly covered the convoy...it is peaceful and law abiding.	2/19/2022 10:43 AM
34338	It hasn't - I am happy people are speaking up	2/19/2022 10:43 AM
34339	It has made me lose hope even more in some fellow Canadians. It makes me fearful that there are so many Canadians that are inward focused versus considering the big picture of Canadians as a team. It is alarming that so many people actually believe their freedom is being regulated...I'm horrified that people equate community responsibility to a loss of freedom.	2/19/2022 10:43 AM
34340	I'm fully supportive of truckers and their convoy to fight for our freedom!!! Kenney lifted QR code showing everywhere you go. My mom finally can go places like swimming, so thanks for that!	2/19/2022 10:43 AM
34341	It's given me a great sense of hope.	2/19/2022 10:43 AM
34342	It has given me a lot of hope positivity enjoy	2/19/2022 10:42 AM

34347	none	2/19/2022 10:42 AM
34348	it helped me find some renewed hope,, how ever i dont see this as just a truckers convoy as many has been in the streets fighting this since day 1 i am 1 of them .. i see this as a ppls movement and not simply a truckers movement although i welcome their great efforts and the chance to have the biggest push of all.. even tho it seems like it is coming apart at the seems it is not... they have helped make great strides foward and help awaken others this is a race between the great reset and the great awakening	2/19/2022 10:42 AM
34349	They give me hope.	2/19/2022 10:42 AM

34375	Encouraged us tremendously by their calm and bravery standing for what is truly Canadian life!!!!	2/19/2022 10:42 AM
34376	It has made me proud to be Canadian again. Brought our country together. The "fringe minority" is huge. Feel for the people of Ottawa, but no one has been listening to "fringe minority".... Majority.	2/19/2022 10:42 AM
34377	It inspired me. Looking at people's effort and persistence I believe that together we can end COVID madness. Now I truly have hope.	2/19/2022 10:42 AM
34378	They have given me hope	2/19/2022 10:42 AM
34379	It's given me hope again, seeing people United. Every race and religion standing together against a tyrannical PM, who seems to care more about throwing money around bankrupting our country, taxes to bankrupt our people and a choke hold on power. The convoy made me proud of how peaceful they were, while standing up to a TREASONOUS TRUDEAU. It gave hope to so many, United so many.	2/19/2022 10:42 AM
34380	Give me hope	2/19/2022 10:42 AM
34381	It has given me hope. They are the true heroes fighting for our god given freedom. I would be their if I could	2/19/2022 10:42 AM

34393	Not at all	2/19/2022 10:41 AM
34394	Hope.	2/19/2022 10:41 AM
34395	Given me hope that our government might see the light. I've seen so much love and joy from the convoy!!! It is appalling and confusing to hear such opposing rhetoric from the person who is supposed to unite us.	2/19/2022 10:41 AM
34396	Gave me hope for my children's future and my own.	2/19/2022 10:41 AM
34397	Hope and faith in my fellow countrymen and women.	2/19/2022 10:41 AM
34398	Life has been difficult. I have been socially isolated and judged as antivaxxer just because we are questioning the mandates.	2/19/2022 10:41 AM
34399	None, I support them 110% all the way	2/19/2022 10:41 AM
34400	No	2/19/2022 10:41 AM
34401	The trucking convoy gave my family hope! Hope for freedoms, a new sense of pride in our country that I had lost. Trudeau has destroyed this country and it's time to get Canada back to its original roots!	2/19/2022 10:41 AM

Canadians vote on Canadian Mandate - February 2022

34402	Not at all. I don't live near Ottawa. Several of my friends in Ottawa say that they are happy the convoy is there as it has never been cleaner or safer.	2/19/2022 10:41 AM
34403	It made me proud to see all sorts pull together to protect our freedom of choice. It frustrates me to see the media vilify the protestors. It made me ashamed to be a Canadian when the government used heavy-handed measures to quell the peaceful protests. Overall I would say it has pulled me more to the "freedom" side.	2/19/2022 10:41 AM
34404	Hope	2/19/2022 10:41 AM
34405	It hasnt	2/19/2022 10:41 AM

34412	It gave me hope that we will see the end of this and the resignation of M. Trudeau and Legault	2/19/2022 10:41 AM
34413	Not as loud as police due to crime-free multi-housing program.	2/19/2022 10:41 AM
34414	It has brought out a lot of Canadian pride	2/19/2022 10:41 AM
34415	Affected in a positive way. It has made our government realize that they are wrong and Canadians are more then capable of deciding for them selfs to get vaccinated or not and it's our choice. QR code is not the ways I want to live our lives. And to not wear a mask!	2/19/2022 10:41 AM
34416	Proud to see Canadians standing up	2/19/2022 10:41 AM
34417	Was the small ray of Hope. Finally felt not alone.	2/19/2022 10:41 AM
34418	It hasn't excepted prices are going up the longer the government keeps these mandates.	2/19/2022 10:41 AM
34419	At the start, I supported them, now I don't now if they have been infiltrated. I do believe some people at the Buildings will be harmed.	2/19/2022 10:41 AM
34420	Gives me hope that are freedom will be restored	2/19/2022 10:41 AM

34423	It hasn't.	2/19/2022 10:41 AM
34424	It's not a convoy it's an occupation.....it is out of control and lost its meaning	2/19/2022 10:41 AM
34425	It has restored hope, but has also brought to light the corruption within all levels of government, legacy media and the education system.	2/19/2022 10:41 AM
34426	N/A	2/19/2022 10:40 AM

34444	Made me proud to be a Canadian	2/19/2022 10:40 AM
34445	They have done their best to make a point and the government has not responded to them respectfully to show they have listened or make a compromise. Their are 2 things in this world that affects everyone; Truckers bringing in everything we need and farmers growing our food to eat. Its that simple. When there is this much unrest in the whole country, the issues at hand need to be addressed. The Government works for us the people; we don;t work for them!	2/19/2022 10:40 AM
34446	Brought hope.	2/19/2022 10:40 AM
34447	Shows that there is still hope and people who care about my rights as a Canadian	2/19/2022 10:40 AM
34448	Tremendous !!!!!!!!!!!!!	2/19/2022 10:40 AM
34449	Provided hope	2/19/2022 10:40 AM
34450	Their lively hood has been taken away, and their present circumstance that the gov't is putting on them is criminal	2/19/2022 10:40 AM
34451	It's made my life alot better	2/19/2022 10:40 AM
34452	Glad to see people stand up to a dictatorship	2/19/2022 10:40 AM
34453	Hope	2/19/2022 10:40 AM
34454	Made me feel Canadian again	2/19/2022 10:40 AM
34455	It has given me hope and restored my sense of patriotism.	2/19/2022 10:40 AM
34456	It hasn't so far	2/19/2022 10:40 AM
34457	Gives hope for change. No negative impacts felt	2/19/2022 10:40 AM
34458	Hope	2/19/2022 10:40 AM
34459	None. I agree with them fully. Trudeau is the one who has affected me the most. Has turned country into communist state. How do you think the vets of WWII feel now?	2/19/2022 10:39 AM
34460	It has given me hope and shed more more light on the criminal activity happening in our government	2/19/2022 10:39 AM
34461	It has shown me that there is hope.	2/19/2022 10:39 AM
34462	Brought hope in seeing the true Canadian spirit	2/19/2022 10:39 AM
34463	It hasn't	2/19/2022 10:39 AM

Canadians vote on Canadian Mandate - February 2022

34464	Not very much directly. It gave me hope that maybe there would be some success. And I suppose there has been as some provinces are slowly making some changes. I loved seeing the support that the convoy has/had from the crowds on the overpasses to the people in Ottawa who were bringing them food and fuel, and everyone in between. The volumes of people who were I support from different walks of life, different nationalities, different religions was inspiring. Now after watching the police come in and do as they were ordered I just feel dismayed and hopeless.	2/19/2022 10:39 AM
34465	Support for freedom and the hope that truth will prevail. Very encouraged by all the unity across Canada in support of this convoy.	2/19/2022 10:39 AM
34466	I have agreed with them, there has to be a voice that someone listens to. However, it has become horrific because Justin Trudeau could've easily come and talked to them at the very beginning. Police could've protected him, the group was far from violent. I feel for all the injuries that have happened, and the situation that could've been resolved weeks ago so as to not affect the people of Ottawa. I've read about different stories from the people and they were great! The media has thwarted this to the extreme. It has nothing to do with race, and everything to do with having a voice. Talk to the people next time don't run away and hide.	2/19/2022 10:39 AM
34467	It has not.	2/19/2022 10:39 AM
34468	As soon as I heard about the trucking convoy, it gave me hope. It allowed me to see how many other people feel similar and that I am not alone. It became very apparent that the mainstream media is not for the people and not reporting in a fair manner and has their own agenda, and was very surprised at how many people believe what they portray without doing any of their own research. I donated minimally to the givesendgo and have feared that my bank card will no longer work the other day. I have much respect for the main two 'leaders' and I have to say that Tamara's last video before she was arrested was very inspiring as a person, and she is a much better leader than Justin Trudeau, as she showed empathy and compassion to all sides. I am in shock at how this was all handled by our government - Liberal, NDP - such inflammatory words all of the time, its a disgrace! The convoy has shown me how many people are aware of the 'rabbit hole' of info on this 'great reset' plan, but I still can't believe it is actually happening, and in my beloved Canada. Peace and Love.	2/19/2022 10:39 AM
34469	Inspiring for action	2/19/2022 10:39 AM
34470	Given me hope	2/19/2022 10:39 AM
34471	It has given me hope and reinstated my belief that there are still good people in this world. It has confirmed my opinion of Trudeau, he is a criminal and has no business leading a country	2/19/2022 10:39 AM
34472	It gave me HOPE, restored my faith in humanity and made me PROUD to be Canadian!	2/19/2022 10:39 AM
34473	Gives me hope	2/19/2022 10:39 AM
34474	Positively gave me hope again	2/19/2022 10:39 AM
34475	Okay	2/19/2022 10:39 AM
34476	The news is annoying and biased	2/19/2022 10:39 AM
34477	Greatly. Gives me hope and looking forward to what positive things to come..	2/19/2022 10:39 AM
34478	Gave me hope	2/19/2022 10:39 AM
34479	It has been a 'GREAT AWAKENING' for me personally: * it has made me cynical of our parliamentary democratic process; * it has awakened me to the failure of our political system to have checks and balances (think the EMERGENCY ACT) * it has awakened me to the failure of those in governance to ensure power is not given to a select few groups ie Public Health, Premiers & Prime Minister during a pandemic * it has awakened me to the overreach of the government in our lives and my need as a Canadian citizen to be more aware and involved in the political sphere, besides voting ie protesting and communicating with my elected representatives	2/19/2022 10:39 AM
34480	Brought me hope and made me proud to be Canadian again	2/19/2022 10:39 AM
34481	Showing government we aren't happy, so proud of truckers for what they are doing. Getting our freedom back	2/19/2022 10:39 AM
34482	Pride. Hope.	2/19/2022 10:39 AM

34483	It shows how far people will go when governments turn tyrannical. It gives me hope.	2/19/2022 10:39 AM
34484	As I watched what happened in the streets yesterday with the police I hope that when this turns to Civil War that everyone of those police that participated are the first ones that the people track down	2/19/2022 10:39 AM

34487	It hasn't yet	2/19/2022 10:39 AM
34488	Very little, if any	2/19/2022 10:39 AM
34489	It hasn't really coz I dont live downtown Ottawa. It is too bad that the NOISE from the trucks has affected a lot of people adversely...lack of sleep especially.	2/19/2022 10:39 AM
34490	They gave me hope that this tyranny will end. That we at least fought for freedom for our children and grandchildren.	2/19/2022 10:39 AM
34491	it has given me hope that life could get bk to normal	2/19/2022 10:39 AM
34492	Has given me hope for this country and future	2/19/2022 10:39 AM
34493	Personally it hasn't but it is sad to see the injustice and tyrannical actions of a PM taking away our freedoms to voice our views and the right to choose is disgusting	2/19/2022 10:39 AM
34494	It has no affect only to expose who the prime ministers true colors	2/19/2022 10:39 AM
34495	Later on, the trucking convoy could induce public actions on further corruptions & persecution from world leaders	2/19/2022 10:39 AM
34496	Made me feel like there is hope	2/19/2022 10:39 AM
34497	I finally know that many others share my feelings and point of view.	2/19/2022 10:39 AM
34498	* gave my family hope * brought strangers together * met people from all over the country to join an effort to bring and unit people together. * brought out the real side of our liberal government (not in a good way) * showed that our democracy in Canada does not work * change needs to happen because our current government is not working for the people	2/19/2022 10:39 AM
34499	Brought hope	2/19/2022 10:39 AM
34500	Woke me up.	2/19/2022 10:38 AM
34501	They are such an incredible group of individuals that has tried giving us Hope until trudeau did the unforgivable	2/19/2022 10:38 AM
34502	Brought hope a sense of freedom and joy. Such unity was wonderful	2/19/2022 10:38 AM
34503	They have inspired hope where I thought Canada had lost hope of being the free country we were.	2/19/2022 10:38 AM
34504	It hasn't at all	2/19/2022 10:38 AM
34505	Has not affected me in anyway. I hope these mandates lift.	2/19/2022 10:38 AM
34506	It gave me hope for our country again	2/19/2022 10:38 AM
34507	At all	2/19/2022 10:38 AM
34508	They give me hope of change and freedom	2/19/2022 10:38 AM
34509	It has given me hope. I've felt better than I have in a long time. My heart is so open for these truckers. It has been 100% peaceful and I have great respect for them. Even today when huge battalions of riot police are threatening these peaceful protesters they remain peaceful. I am appalled at the lies of our government and bought and paid for media. I feel a sense of freedom and hope.	2/19/2022 10:38 AM
34510	It hasn't. They are doing the right thing and keeping peaceful.	2/19/2022 10:38 AM

34535	It has given me hope	2/19/2022 10:38 AM
34536	It hasn't affected me at all. This is 100% our hypocritical Prime Minister's fault. He went to India on our tax dollars to encourage communication between its farmer protestors and its government. He he evoked the emergency act, slandered and belittled ours. He's a joke and the whole world knows it. The solution to this problem is so simple it's embarrassing, practice what you preach or get out of office.	2/19/2022 10:38 AM
34537	Only helped	2/19/2022 10:38 AM
34538	Made me proud to be Canadian. Used to be ashamed. Now I'm proud! It had lifted moral significantly.	2/19/2022 10:38 AM

34542	The people in the trucking convoy have inspired me personally to take a stand against the unnecessary restrictions of the government. They also have REVEALED to Canadian's and the world that the majority of people love peace and FREEDOM but hate dictatorship. It has	2/19/2022 10:38 AM

also made me realize that I need to be more involved in electing peace and freedom loving government LEADERS and guard against electing dictators and control freaks.

34543	Made me distrust government more now than ever before	2/19/2022 10:37 AM
34544	It has given us democratic hope	2/19/2022 10:37 AM
34545	It definitely made me realize that it is time to fight for our freedoms. The government can't force us to wear masks and have vaccine passport. I 100% support the trucking convoy.	2/19/2022 10:37 AM
34546	Positively	2/19/2022 10:37 AM
34547	Given me hope that all people want is their freedom and rights to be respected.	2/19/2022 10:37 AM
34548	What Jesus Christ called us to to do Love one another	2/19/2022 10:37 AM
34549	I probably hope, joy and inspiration. I learned about the function of protest in a democracy and I'm sorry that it is needed.	2/19/2022 10:37 AM
34550	It gives me hope. It has renewed my pride in being a Canadian. It has renewed my respect for all the brave truck drivers who deliver all our goods. It has given me my sense of joy back. It warms my heart for their bravery in standing up for all Canadians. We live in the land of the strong and free. They are giving us hope in restoring peace, unity and love back into Canadians and our beloved country. This convoy is waking people up world wide. It is the epicenter for the change we all wish our world to be in peace, joy, harmony, love, light, unity and oneness.	2/19/2022 10:37 AM
34551	What a terrible question. At this point we are all Truckers	2/19/2022 10:37 AM
34552	Saw how people finally stand for what they believe it and trying to exercise their charter of rights but now that has been taken away as well. Dictatorship	2/19/2022 10:37 AM
34553	I hope they bring an end to all mandates as fast as possible.	2/19/2022 10:37 AM

34559	I fully support the truckers convoy. It has given us hope	2/19/2022 10:37 AM
34560	I do not like idea of blocking bridges roads etc. but how do we get our Prime Minister to listen When the railroad was blocked two years ago absolutely nothing was done about it so why is this trucking Convoy any different No trains moved for three weeks and then Covid hit The stopping of trains was just as detrimental to our economy as the trucking convoy	2/19/2022 10:37 AM
34561	Gives me hope that Canada will not continue to fall to tyranny and that the Charter of Rights and Freedoms will again be respected as law. Authorities, Politicians and Bureaucrats have over reached and have imposed tyrannical and I think unlawful mandates that have divided Canadians	2/19/2022 10:37 AM
34562	Not at all	2/19/2022 10:37 AM
34563	It's really sad to see , the news exploits it for ratings , they are Canadians that have legitimate concerns & should not be treated as criminals, our governments have failed too unite our country & have mislead all of us with fear , we see the numbers we know that this virus is out there but no one should be held hostage to it , the government has done just that ,not the virus !!!	2/19/2022 10:37 AM
34564	It's made me proud to be a Canadian for once in my life.	2/19/2022 10:37 AM
34565	Positively	2/19/2022 10:37 AM

34575	Gave me hope	2/19/2022 10:37 AM
34576	Loved how the trucking convoy brought Canadians together with peace. Not lies from Trudeau and main stream media. Made me want to be sure to be more involved in getting the corrupt out With the next elections	2/19/2022 10:37 AM
34577	Embarrassed for Canada	2/19/2022 10:37 AM
34578	It has finally given many Canadians hope!!! This needs to end there is no medical reason for these vaccine mandates -they do not stop the spread -we know this now. People should always have a right to medical choice. And to protest peacefully which it has been until the so called Prime Minister has taken drastic measures on his people. To see the divide, hatred and the force being brought onto humanity is disgusting.	2/19/2022 10:37 AM
34579	Restored faith in humanity. Hope for a better future.	2/19/2022 10:37 AM
34580	The trucker convoy has given me hope that I am not alone and that there will be a light at the end of this tunnel. Its showing that Canadians will no longer sit by and do what we're told. We can see the harms these lockdowns have had on our mental health and the health of our children. Enough is enough	2/19/2022 10:37 AM
34581	It's given me hope that this might end.	2/19/2022 10:37 AM
34582	Has given me hope and has given a physical/visual voice to not only the majority of Canadians who want to remove mandates, but also has made VERY visual the corruption, cowardice, contradiction, and brutality of Trudeau's government.	2/19/2022 10:37 AM
34583	It has brought hope! To see that people can are willing to stand up for change.	2/19/2022 10:37 AM

34595	Not at all negatively. It has only confirmed what we always suspected. That a tyrant is in control of our lives and our personal choices. Our freedom is snatched away and we fear for	2/19/2022 10:36 AM

our children's future. We must fight for them and try resist the communist country that the government is trying hard to achieve.

34596	Gave me hope that truth will win	2/19/2022 10:36 AM
34597	Excitement at first to see a movement that was supposed to be peaceful and hoping it would spark a change.. But then to see it turn, on both sides into something that is not. Makes me sadder to see the state we are in. People turning on each other. JT labeling and ignoring the people; protestors creating side shows from the real agenda and protestors who are legitimately there to ask to be heard.	2/19/2022 10:36 AM
34598	It didn't	2/19/2022 10:36 AM

34691	Hope	2/19/2022 10:34 AM
34692	It's given me hope for the first time in two years. Two years of extraordinarily cruel, unscientific and unnecessary measures.	2/19/2022 10:34 AM
34693	It has given me hope and has made me proud to be Canadian again.	2/19/2022 10:34 AM
34694	It gave us hope of maybe our priminister listening to the good people of Canada. But as it turns out Trudeau hitler thinks he is god and we will listen to him.	2/19/2022 10:34 AM
34695	For the first time in years (even before COVID) I feel a sense of hope that maybe life on this planet might just be worth living. Maybe there is hope after all that huma being are good.	2/19/2022 10:34 AM
34696	Not affected	2/19/2022 10:34 AM
34697	They are fighting for my freedom. What Trudeau is doing to a peaceful protest is reprehensible! He should be removed from office and criminally charged.	2/19/2022 10:34 AM
34698	Shown the coast to coast unity of Canada. Revealed the arrogance and lack of servant leadership in our country. Destroyed the image of Ottawa law enforcement. Exposed the vacuum of true people focused leadership. Gave me hope for Canada to once again be a place I'm proud of.	2/19/2022 10:34 AM
34699	It has given me some hope. I am proud to be Canadian again for the first time in 2 years	2/19/2022 10:34 AM
34700	It has not really other than showing me the government will use threats and force against you if you stand up to the laws they make. Sad to see our country has come to this	2/19/2022 10:34 AM
34701	Negative	2/19/2022 10:34 AM
34702	It has invoked hope in the goodness of humanity and unity. Also, educational in regards to now knowing what our constitutional rights are and how this government is breaking the law and harming so many innocent, good people.	2/19/2022 10:34 AM
34703	Sparked a glimmer of home for freedoms in Canada.	2/19/2022 10:34 AM
34704	Given me hope	2/19/2022 10:34 AM
34705	Give me hope for a bright future	2/19/2022 10:34 AM
34706	0	2/19/2022 10:34 AM
34707	I watch every day to see if they are making a difference. The situation has gotten so out of hand on how the government Is handling this. The truck in convoy is creating so much hatred and divide in an already divided society but I support what they stand for	2/19/2022 10:34 AM
34708	Gave hope	2/19/2022 10:34 AM
34709	Positive-hopeful	2/19/2022 10:34 AM
34710	Given hope	2/19/2022 10:34 AM
34711	It gave me hope that there is possibly a chance to save our freedom, I wish it had started two years ago. They have given me courage to stand taller and say enough is enough and voice my opinion everywhere. I am making people think and wake up to this insanity.	2/19/2022 10:34 AM
34712	Positively gave hope where there wasnt any	2/19/2022 10:33 AM

Canadians vote on Canadian Mandate - February 2022

34713	It has given me hope that there are people willing to fight peacefully for our freedoms. I pray for these people daily. I've seen messages of love and unity censored or twisted in the media to purport a political narrative which I hope has opened some eyes to see how deep the corruption runs in our government and other institutions. It has overwhelmed me in both positive and negative ways.	2/19/2022 10:33 AM
34714	The trucking convoy has given me hope! The truckers had the courage to stand up for freedom and I support them 100%! To see so many Canadians join together in unity to stand for freedom is amazing! What an amazing group of people these truckers are. The events of the last few days have brought so much sorrow to my heart, the police in Ottawa brutally attacking these peaceful protestors was horrific to see. The protestors have been nothing but peaceful and have sparked hope and love in the hearts of so many Canadians, to see them treated as if they are a threat is terrible. The Emergencies Act was a terrible decision on the part of our Prime Minister Justin Trudeau and I'm horrified that it would even be considered. The convoy has further proved to me that our Prime Minister is a coward, and unfit to rule this country. I have no confidence in him as a leader and know that he does not have the heart and wellbeing of Canadians as a priority in his life. He needs to resign.	2/19/2022 10:33 AM
34715	They are freedom fighters	2/19/2022 10:33 AM
34716	I have felt alone for the last two years and finally felt that I was not alone. I now realize others are not comfortable with the government over reach. I have been scared to speak out and the truckers gave me a voice. Now with government escalating powers I am fearful for the future of our country.	2/19/2022 10:33 AM
34717	Given me hope, and made me proud to be Canadian for the first time	2/19/2022 10:33 AM
34718	I just hope they accomplish something. Hasn't affected me one way or the other yet	2/19/2022 10:33 AM
34719	Hope not feeling alone about the way things have been handled	2/19/2022 10:33 AM
34720	Inspired me as a canadian. Peaceful, respectful even when pushed and bullied. The sacrifice convoy members have made is mind-boggling. Stay strong convoy. And fuddle duddle to justin Trudeau as your daddy said to Canada. Remember?	2/19/2022 10:33 AM
34721	Hope! Love! Freedom! Kindness! Peace!	2/19/2022 10:33 AM
34722	Support	2/19/2022 10:33 AM
34723	It has given me hope for the first time in a long time. It has brought out some members in our community who I didn't know were also suffering in silence. I have made new connections and friends, and it has given me a reason to live again. I am in awe about how it has spread worldwide. Despite this, it has also exposed the lies being told by the media and governments, and has exposed the darker intentions of Justin Trudeau. I have come to realize that the democracy of our country is severely at stake, and that our freedom is in danger. I am shocked and deeply worried by the actions of our government and the unnecessary use of force against anyone who does not agree or comply with orders. I am shocked at how much power one man in our country can be given and am very scared.	2/19/2022 10:33 AM
34724	Made me proud to be a Canadian again.	2/19/2022 10:33 AM
34725	Inspired me as a canadian. Peaceful, respectful even when pushed and bullied. The sacrifice convoy members have made is mind-boggling. Stay strong convoy. And fuddle duddle to justin Trudeau as your daddy said to Canada. Remember?	2/19/2022 10:33 AM

34871	It gives me hope	2/19/2022 10:29 AM
34872	They have rekindled my pride in being Canadian , to be honest I have never felt like I belonged in this country till the truckers showed me that I wasn't alone . The truckers have reminded me that I should not be a slave to the govt , they are suppose to work for us , I use to know this years ago , I had lost sight of this very important fact . I don't feel hopeless anymore . I almost forgot what freedom feels like, the truckers have reminded me , I'm so grateful.	2/19/2022 10:29 AM
34873	It is giving me hope that Canada will be a great country again	2/19/2022 10:29 AM

34877	People were given a voice.	2/19/2022 10:29 AM
34878	It has given me hope for Canada. I once again feel like I am proud to be Canadian.	2/19/2022 10:29 AM
34879	It's made me as a senior a prisoner of my home it is the divided society into two levels the vast in the unboxed never in Canada has that happened before it must end immediately	2/19/2022 10:29 AM
34880	Gave much hope and know there is still Love and God in our great Canada!	2/19/2022 10:29 AM
34881	Gave me hope in Canada again that we can get our lives back	2/19/2022 10:29 AM
34882	It hasn't.	2/19/2022 10:29 AM
34883	It didn't except stress	2/19/2022 10:29 AM
34884	Was nice to see people coming together but I knew that the federal government would turn it into a dark event	2/19/2022 10:29 AM
34885	They have giving me hope for the first time in 2 years.	2/19/2022 10:29 AM
34886	It hasn't.	2/19/2022 10:29 AM

34889	The trucking convoy has inspired me and has given me back hope that I felt was gone in this country that I had always loved and admired. I believe whole heartedly we need a change in Government.	2/19/2022 10:29 AM

Canadians vote on Canadian Mandate - February 2022

34890	Not at all. They are sacrificing for the precious values we always have in Canada. They are sacrificing & doing for the good of current & future generations. This is the selfless sacrifice that we must be grateful forever.	2/19/2022 10:29 AM
34891	Not	2/19/2022 10:29 AM
34892	It has Given me hope of a united Canada not a divided Canada as Trudeau has caused	2/19/2022 10:29 AM
34893	Irritated me the fact that they are blocking borders that are other trackers that do have their vaccines and need to cross and ignorant by beeping the horn to the people that actually live in the areas where the Conroy's are	2/19/2022 10:29 AM
34894	The main lesson learned from the truck convoy is how corrupt MSM is. Sadly it has also exposed how divided Canada has become under the Trudeau government. This government needs to be removed (in a democratic way) as soon as possible. We have become a laughing stock to the rest of the world	2/19/2022 10:29 AM
34895	Our son is in Ottawa with the convoy and we worry about his safety. (Momma prays a lot). He had two of his truck tires slashed.	2/19/2022 10:29 AM
34896	I feel proud once again to be a Canadian	2/19/2022 10:29 AM
34897	No affect. It has brought me joy and pride as a Canadian that these truckers are standing up for our freedoms and rights as a Canadian	2/19/2022 10:29 AM
34898	It is the way that it was responded to that is most concerning. Zero to enacting the Emergency Measures Act - former War Measures Act is very concerning. Are we in danger of losing our democracy?	2/19/2022 10:29 AM
34899	Not at all. They have been so peaceful	2/19/2022 10:29 AM
34900	It has given me hope	2/19/2022 10:29 AM
34901	Made me realize I should read more about our rights and not listen to whatever we are told...	2/19/2022 10:29 AM
34902	It made me cry tears of hope. I put a flag on my truck. I began to love Canadians again.	2/19/2022 10:29 AM
34903	The Convoy of truckers started out for its reasons I understood and I applauded them standing up for their belief. I rallied behind them during the start of covid and during covid as our Heros . Thryvwere the ones that kept us fed despite the ravages of covid ..we were locked down in our homes nut the truckers kept moving to ensure we could eat and be looked after and trudeau himself had said if you see a trucker, thank him. Then to go from being this supposed appreciative prime minister to a leader akin to Hitler has hit the Canadians , this country, like a punch in the gut. And the lies thats been pouring out from him, his cabinet, Singh and Freeland..is terrifying! Our Truckers rolled across provinces and gained support that came to be about more then vaccinations and Mandates..it was Freedom! No prime minister has the right to do what trudeau has done and is doing but a dictator can! There is No Regard for Human life, there is No EMPATHY for human life, there is No Compassion or Caring for himan life! It Does Not Matter what A Single Living Soul has to Say because He Will Do Things His Way No Matter What because His Way is Law!! NONE OF US MATTER! He is King, He is Dictator, He is the Worst of a Tyrant! He is Useless to Canada! Our Truckers gave us Hope once again and a feeling of Self worth that our 2 Governments took frim us. All the lies they spewed at the beginning and were not Honest with the People. The Truckers filled us with a happiness we needed and with Freedom came Unity! All across our country and brought Quebec closer to us as a Country..(love you Quebec!)..but it affect the World! And brought Unity to the World! And you know what, trudeau hasn't like it one little bit. He didn't like that the truckers provided the key to having this snowball worldwide. Trudeau was to be that person to run things, not truckers so how dare they! Hmm he now had a point tonprove and what better way then to close the door to discussing anything with them! He was afraid of them! He knew he couldn't look them in the eye with his lies he had fed the country because these people were going to take him to task and that's just not acceptable to him. He had to run them out of Dodge! And here we are with devastation because it's what he wants..to crush hope. So he can be the Salvation of us all..thank you Truckers and thank you truckers everywhere!	2/19/2022 10:29 AM
34904	Hasn't other than shortages here and there but I am willing to put up with that so we can actually have our freedoms back	2/19/2022 10:29 AM

34913	It hasn't	2/19/2022 10:28 AM
34914	Given me hope for a non authoritarian government that takes away our god given rights	2/19/2022 10:28 AM
34915	They convoy has brought happiness back into our lives. My wife once lived in a communist country and described watching the convoy with a comparison to see the Berlin Wall come down. When in reality the Prime Minister has turned a peaceful protest into a war on its people. Trampling Canadians with horses, that are voicing their opinions in a peaceful manner. Police arresting 80 year old men for honking his horn. I am discussted with the Prime Minister's actions in provoking the problem and evoking the Emergencies Measures Act. Steve Goudie	2/19/2022 10:28 AM
34916	It hasn't	2/19/2022 10:28 AM
34917	They are the heros ,they give me back hope for humanity.	2/19/2022 10:28 AM
34918	Stressful and am very thankful for the convoy.	2/19/2022 10:28 AM
34919	Provided a sense of hope and renewed patriotism in the country we knew as Canada.	2/19/2022 10:28 AM

34922	Not at all	2/19/2022 10:28 AM
34923	I don't mind a few months of inconvenience if it get rid of the corrupt Justin Trudeau we have all seen is illegal action and he's doing his best to destroy a free democratic Canada he is a pure communist at heart he needs to be accountable for his actions he's a DICTATOR NOT A PRIMINISTER	2/19/2022 10:28 AM
34924	It's made me proud to be Canadian again	2/19/2022 10:28 AM
34925	Made me happy	2/19/2022 10:28 AM
34926	Has not	2/19/2022 10:28 AM
34927	Is the trucker convoy of 2022 Has affected my life for the good but as well it has affected my life for the bad because there is less food on the shelves at stores but that's not their problem they're standing up for my rights	2/19/2022 10:28 AM
34928	It has given me hope for unity in Canada. Not just for this but that we the people have the power to get clean water for indigenous people, improvement of our health care system. So many things that need to be repaired in Canada.	2/19/2022 10:28 AM
34929	They brought back hope and joy in my life !!	2/19/2022 10:28 AM
34930	It hasn't other than some food shortages	2/19/2022 10:28 AM
34931	We have been over governed most of my adult life. Overreach did not start with the pandemic. This trucker convoy was the first time somebody stood up and said no more. It's been the most beautiful thing I've ever experienced.	2/19/2022 10:28 AM
34932	Proud of these Canadians fighting for our freedoms.	2/19/2022 10:28 AM
34933	It's embarrassing! Protest should end.....tooo long ! They infringe on the very thing they protesting about - freedom to live in peace ... we need a protest park ...	2/19/2022 10:28 AM
34934	I cry tears of gratitude, watching the love and unity they have brought back to Canada that we have not felt in 2 years ! It's has only brought tears of hope ! Gif bless each and every one of	2/19/2022 10:28 AM

34935	Because I care for other people and the freedom of Canadian citizens, I have been quite stressed about it.	2/19/2022 10:28 AM
34936	As Canadian citizen i feel we are truly like a family and its given me more hope that soon we can get our freedoms back as well as the world, as they are crying too for their freedoms	2/19/2022 10:28 AM
34937	Giving me hope that there are people standing up against these unscientific and illogical vaccine mandates. Has reinforced my lack of confidence in our "democratic government " who refuse to even speak to these protesters , but has also wedge the divide I see in this world	2/19/2022 10:28 AM
34938	Very negatively. Increased stress due to the convoy. I want the city to go back to functionality.	2/19/2022 10:28 AM
34939	The truckers have given me hope that the dictator Trudeau can be stopped	2/19/2022 10:28 AM
34940	Did not affect my life at all. If fact it give me hope.	2/19/2022 10:28 AM
34941	It has not . But what the government is doing is not resolving the issue and only keeping canadians apart and getting more frustrated after 2 years of the governments mandates	2/19/2022 10:28 AM
34942	It has brought more unity in Canadians all across Canada than I have seen in my lifetime.	2/19/2022 10:28 AM
34943	Given my family hope to end these mandates.	2/19/2022 10:27 AM
34944	The freedom convoy has brought hope to the Canadian people. Step down Trudeau!	2/19/2022 10:27 AM
34945	Hasnt	2/19/2022 10:27 AM
34946	No	2/19/2022 10:27 AM
34947	Renewed my hope that things can change , that I might be ellotted my rights back .	2/19/2022 10:27 AM
34948	It has given renewed hope to my self and my adult children who had given up hope of ever having families and secure jobs and housing.	2/19/2022 10:27 AM
34949	It makes me feel like there is hope for us	2/19/2022 10:27 AM
34950	The Freedom Convoy has restored my faith in the power of the people. Canadians from coast to coast have become united as One People, looking to put an end to Government overreach and medical tyranny. My parents immigrated to Canada from an Eastern EU country to escape the very thing Canadians have been experiencing for the past two years. The truckers have merely picked up where scientists, researchers, physicians, nurses, independent journalists, etc., who were either discredited or censored by Big Tech and the Legacy Media and discounted by Governments. They are working class heroes and the backbone of our country. I have never been more proud to be Canadian than during this epic Freedom Convoy 2022, which rippled into a worldwide movement of peaceful protests. The world is watching Canada and utterly disgusted with the actions of our PM.	2/19/2022 10:27 AM
34951	Made me feel rejuvenated	2/19/2022 10:27 AM
34952	It brings me hope	2/19/2022 10:27 AM
34953	Gave me hope that My kids may grow up in the Canada that I did. Gave me hope that Canada would not repeat history and divide people based on a medical decision :	2/19/2022 10:27 AM
34954	It was the only thing that gave me hope to be able to live freely and let my children have a free future.	2/19/2022 10:27 AM
34955	I have been vaccinated, but I do support the truckers. I feel we the people have the right to our own decision if you want to be vaccinated. The truckers got me motivated.	2/19/2022 10:27 AM
34956	It has given me hope!	2/19/2022 10:27 AM
34957	It hasn't I'm in none of the previously effected areas	2/19/2022 10:27 AM
34958	It has given me hope and pride in my country for the first time in decades	2/19/2022 10:27 AM
34959	Makes me proud to be Canadian again!! Makes me sad what our prime minister is doing to his people!!	2/19/2022 10:27 AM

34963	I totally support them and it has restored my faith in people to stand against anyone that tries to control the people of this world for their own profitand gain	2/19/2022 10:27 AM
34964	It has restored my faith in our fellow countrymen! We can come together en masse, we can take a stand! I am proud of them, it's been many years since I've been proud of my country.	2/19/2022 10:27 AM
34965	I take great respect that our Truckers are standing up for our country but when you are up against trudeau and his lying, crooked corrupt ways he does what he wants and gets away with it. To know he has enacted freezing their bank accounts makes me very worried for our future. We may wake up one morning and realize he has done the same to ours	2/19/2022 10:27 AM
34966	They've added stress, caused food shortages, and increased my blood pressure as I see good people turn into assholes.	2/19/2022 10:27 AM
34967	It has given me hope in that I am not alone. I am only one of hundreds of thousands who also want these mandates gone.	2/19/2022 10:27 AM
34968	It has given me a glimmer of hope that the people have a voice that might be heard. Our Prime Minister does not speak for Canadians. His objective is control and to grow his own mass wealth while Canadians suffer greatly. We will pay for his selfish, catastrophic decisions for decades to come.	2/19/2022 10:27 AM
34969	It is giving us all a sense of hope that so many Canadians are willing to peacefully, and un armed fight for the people of this country.	2/19/2022 10:27 AM
34970	Brought hope	2/19/2022 10:27 AM

34975	Higher cost of living, shortage of goods and services	2/19/2022 10:26 AM
34976	I support them & I am thankful for them to make a change & be the voice we didn't have for 3 years	2/19/2022 10:26 AM
34977	It has finally given us some hope in our country!!	2/19/2022 10:26 AM
34978	I feel like there's some hope!	2/19/2022 10:26 AM
34979	Given feet to hope for a turnaround	2/19/2022 10:26 AM
34980	I'm a truck driver . It didn't affect my life at all but people better realize that if it ever all goes wrong with truckers they better find a new way to get everything in their lives . Bod help our country	2/19/2022 10:26 AM
34981	Zero notta not hasn't didn't. Although watching has brought me feelings of togetherness and cause. This needed to be done years ago. Trudeau and his fadder has been the worse thing in Canadian history and I want him punished to the full extent of his peers not the fake law we have. He should have been removed a long time ago	2/19/2022 10:26 AM
34982	Made me angry	2/19/2022 10:26 AM
34983	The convoy has gave me more hope to be able to do what this free country allows us to do.	2/19/2022 10:26 AM

35007	Its given me hope that maybe we can be freed.	2/19/2022 10:26 AM
35008	Given me hope	2/19/2022 10:26 AM
35009	N/a	2/19/2022 10:26 AM
35010	Provided hope for myself and others around the world	2/19/2022 10:26 AM
35011	It has offered us a sense of hope and with them trying to make our voices heard we pray that it gets to the people that can make a difference. I want our Canada to be free again and I want the lies to stop. And if the truckers help with that then I believe that is the best option we have.	2/19/2022 10:26 AM
35012	It has been positive. Finally a spark of unity and knowing you dont feel alone	2/19/2022 10:26 AM
35013	It hasn't. I feel bad for the citizens of Ottawa and how it has disrupted their lives. I don't agree with the blockades of the borders to the U.S. However, the liberal government has done a terrible job of addressing the concerns of Canadians fed up with mandates and mandates that attack the truckers who two years ago were said to be our hero's of the pandemic. My mother who is 78 years old living near Ottawa, felt so moved by the convoy and what these citizens of Canada are trying to do, that she baked dozens of muffins and baked goods and delivered them personally to the truckers. She spoke with them and listened to them. She now does not believe anything now that the CBC reports or the liberal government tries to label the protesters, after witnessing first hand that these are not extremists, racists, or radicals, but down to earth hard working normal Canadians that have a different opinion of the current government. They just want to be heard. They are the most least agents of change and want life to get back to normal. It is absolutely unbelievable that Trudeau has enacted the emergencies act. We would expect something like this in China not here. Absolutely shameful. An election can not come soon enough so we can get back to the country we use to be. There is a lot of damage to undo, and it will take a long time to repair.	2/19/2022 10:26 AM

35017	It's brought me hope and a sense of unity in my country	2/19/2022 10:26 AM
35018	I'm actually proud to say I'm a Canadian again	2/19/2022 10:25 AM
35019	I love ♥ ☺ it. Canadians standing together. That's The Canada I grew up in. Not this divided communism	2/19/2022 10:25 AM
35020	Hope.	2/19/2022 10:25 AM
35021	It hasn't but we are 100% behind these freedom fighters	2/19/2022 10:25 AM
35022	Gave me hope for Canada. Trudope has divided the country and holds everyone who doesn't share his whacked ideas in contempt. He has totally lost it amd needs to go He is SUPPOSED to represent all Canadians not just those who hold views that agree with his. All he had to do was meet with representatives of the truckers instead he ran and hid - HE NEEDS TO GO he is a joke and now the world is seeing it (or would be if the media would cover the situation fairly - saw nothing on mainstream media til protesters starting getting arrested - even last night coverage of someone whining about horns and the head of the towing companies). I was so disgusted I quit watching and will never support main stream media	2/19/2022 10:25 AM
35023	It disturbs me to see my country's flag flown upside down. I love Canada and respect the community the flag represents. As a proud fourth generation Canadian It upsets me to know that there are groups who would seek not only to divide us, but also to facilitate and accelerate derision between the communities we've built herein. I believe that in order to maintain personal freedom, we must also practice social responsibility. By protecting eachother we protect ourselves. The right to protest should never supercede the right to exist in our free and open society.	2/19/2022 10:25 AM
35024	Nothing but respect for those in the convoy	2/19/2022 10:25 AM
35025	just shocked that people can't accept that a government and their protocols, laws etc. are there to help us and we need to abide (similiar to abortion, manadory for small pox vaccines etc.)	2/19/2022 10:25 AM
35026	Not at all. Other than that now I have a growing distrust of media, government, and police.	2/19/2022 10:25 AM
35027	Gave me hope for Canada, till Trudeau broke all trust with Canadians by calling them racial names, and inciting hate on a certain group of people, and not knowing what to do with them, these were peaceful demonstrators	2/19/2022 10:25 AM
35028	HOPE! HOPE! HOPE! Encouragement that there are likeminded Canadians. Hope that JT won't get away with this. Hope that my kids have a strong and free future in this country.	2/19/2022 10:25 AM
35029	didnt efect me at all	2/19/2022 10:25 AM
35030	It hasn't, it just gave me hope that Trudeau would see that the vast majority of Canadians want the mandates to end and that there would be discussions about how we could finally put the pandemic behind us.	2/19/2022 10:25 AM
35031	Positively	2/19/2022 10:25 AM
35032	I've seen premiers from some of the provinces running scared because of the truckers protests because of what is going to be revealed and they are lifting restrictions. Canadians should actually be able to vote on such things as the Great Reset and not have it imposed upon them by a government that is hell bent on changing the face of Canada to line up with a one world government with lucifer at the head.	2/19/2022 10:25 AM
35033	Finally felt and seen the regrowth of patriotism, love and kindness. That was lost until a group decided to do something. The sheer number of people, support, smiles and love shown has helped encourage this country to do better.	2/19/2022 10:25 AM
35034	Gave me hope that maybe the government would actually listen to the people that they have hurt so badly. The peaceful protests and all the love and people coming together from all	2/19/2022 10:25 AM

Canadians vote on Canadian Mandate - February 2022

racism, religions, political beliefs restored my faith in humanity. This is the Canada I know. I don't want a Canada filled with hate and division.

35035	Given me hope and pride that Canadians are sticking up for their rights.	2/19/2022 10:25 AM
35036	Giving us love and hope to ask for what Canadian wants. Not living in fear. This country is by the people and for the people. Not dictatorship. Individual have rights and choice in human body. Amazing feeling to stand up with love and kindness.	2/19/2022 10:25 AM
35037	At least they had the balls to stand up for all Canadians and people if the world. Our politicians havent.	2/19/2022 10:25 AM
35038	Hasn't affected my life in any way, other than making me proud to be a Canadian again.	2/19/2022 10:25 AM
35039	Confirmed, sadly, that there are members of Canadian society who clearly feel they have rights but do not understand that with rights come responsibilities.	2/19/2022 10:25 AM
35040	They have given me hope that we can get a resolution but also showed what a corrupt government we have.	2/19/2022 10:25 AM
35041	A mild traffic annoyance, but I'm proud of their efforts and accomplishments	2/19/2022 10:25 AM
35042	Given me a great deal of pride in our citizens. Hope for our country not to be controlled by too much government. I didnt realize so many others were as discouraged as i.	2/19/2022 10:25 AM
35043	It hasn't really affected me as I don't live in a major city	2/19/2022 10:25 AM
35044	Made me happy	2/19/2022 10:25 AM
35045	It hasn't	2/19/2022 10:25 AM
35046	It's brought me hope. It's about time Canadians stand up and take their power back. Our forefathers fought for this freedom.	2/19/2022 10:25 AM
35047	I have seen that I am not the only one who has been struggling. The government and social media and the news likes to show only what they want us to see. And they want people like me to feel alone and wrong in our opinions. The convoy brings hope. They are inspiring people in a peaceful matter. They make it easier to fight for what I believe. They are bringing people together. People of all ages and religions and races. They are bringing us together as a country to stand up for our freedom and what we believe in. The trucker convoy is what has kept me and many people going.	2/19/2022 10:25 AM
35048	NOT AFFECTED AT ALL. IT HAS RESTORED FAITH	2/19/2022 10:25 AM
35049	It hasn't at all. I support them.	2/19/2022 10:25 AM
35050	Gave hope	2/19/2022 10:25 AM
35051	Gave me hope and pride	2/19/2022 10:25 AM
35052	Gave me hope but now feelings of despair watching the government attack it's people without just cause. Feel more patriotic due to these truckers than I have in my whole entire life	2/19/2022 10:25 AM
35053	It hasn't	2/19/2022 10:25 AM
35054	Hasn't	2/19/2022 10:24 AM
35055	Endless reams of entertainment	2/19/2022 10:24 AM
35056	It has brought a feeling of togetherness and belongings.	2/19/2022 10:24 AM
35057	Hasn't	2/19/2022 10:24 AM
35058	gave me hope for life again for a freedom that all Canadian deserve. Trudeau as too wake up and give us our freedom. take all mandates off	2/19/2022 10:24 AM
35059	Not much	2/19/2022 10:24 AM
35060	Awesome. Finally a voice speaking the TRUTH and being the voice in the wilderness	2/19/2022 10:24 AM
35061	It has showed that we will not just roll over and take what the government has forced on us. Has lit a fire in the hearts of true believers of what is right and wrong.	2/19/2022 10:24 AM

35062	It has given me hope that democracy might have a chance in our country.	2/19/2022 10:24 AM
35063	Giving me hoop	2/19/2022 10:24 AM
35064	It has given us hope, as our law enforcement has proved to be supporting tyranny.	2/19/2022 10:24 AM

35066	Gives me hope and has brought unity with Canadians and the world	2/19/2022 10:24 AM
35067	It gives me more hope for what is right and rightfully ours, our freedom of choice.	2/19/2022 10:24 AM
35068	Felt hopeful finally that people like me would be addressed	2/19/2022 10:24 AM
35069	Big timw	2/19/2022 10:24 AM
35070	Not being able to go do things that we use to do	2/19/2022 10:24 AM
35071	It has showed me that we as Canadians are still strong and free and willing to stand up for our rights	2/19/2022 10:24 AM
35072	Provided some hope.	2/19/2022 10:24 AM
35073	Positively. It gives me hope. I have friends that are there. I am so glad that I'm not the only one. That there are others that not only feel the same way as myself, but that are taking a stand for our rights and freedoms.	2/19/2022 10:24 AM
35074	I couldn't get my g1 because of the lockdowns, so now I am gonna get it really late.	2/19/2022 10:24 AM

35079	Gave me hope for myself, children and grandchildren	2/19/2022 10:24 AM
35080	Hope	2/19/2022 10:24 AM
35081	I had hope and faith again	2/19/2022 10:24 AM
35082	It gave hope and pride to be Canadian	2/19/2022 10:24 AM
35083	It was a positive beacon of hope u had hoped the Fed Gov would look at this show of national concern and sit down to examine both sides of the issues and where yo go from here. Jt was re elected with a minority gov and as such should be collaborative and consulting	2/19/2022 10:24 AM
35084	It's made Canadians stand together	2/19/2022 10:24 AM
35085	The trucking convoy makes me proud to be Canadian, when our PM Justin Trudeau and the police that stand behind him are making a disgrace of our country.	2/19/2022 10:24 AM
35086	Gives me hope and pride in my country. Has also shown JT true colors as a coward!	2/19/2022 10:24 AM
35087	I support them!	2/19/2022 10:24 AM
35088	I was already somewhat depressed. Now I am worse. I live alone. I feel like I am hostage in my own city. I take public transportation and that has been taken away. I had plans to start seeing friends in downtown Ottawa and those plans had to be cancelled. All my medical appointments were cancelled!!!! I want it to END!!!	2/19/2022 10:24 AM
35089	Very positive. Gave me hope	2/19/2022 10:24 AM
35090	It's given me hope	2/19/2022 10:24 AM

35102	Brought people together in solarity and seniority of self with greater knowledge of laws and overreach of politicians.	2/19/2022 10:23 AM
35103	They have brought Canada together again, united, peaceful, love! They have given us hope n have ignited this fire all over the world to stop these horrific restrictions that have been way more damaging then the virus itself! Love the truckers! Love their passion! I stand with the truckers!!	2/19/2022 10:23 AM
35104	It brought HOPE..A GREAT SENSE OF RELIEF..and some JOY to my life. I followed live streams and was so happy to see people enjoying each other again. I felt proud to be a Canadian for the first time in Many years!	2/19/2022 10:23 AM

35116	Given hope and faith in our fellow citizens.	2/19/2022 10:23 AM
35117	Give me a little hope that the right thing will happen	2/19/2022 10:23 AM
35118	It was totally awesome great job truckers	2/19/2022 10:23 AM
35119	I'm encouraged to see so many people united in the cause for freedoms and mandates dropped.	2/19/2022 10:23 AM
35120	Filled with HOPE	2/19/2022 10:23 AM

35122	It hasnt	2/19/2022 10:23 AM
35123	It gave me hope, it started a global movement which made me feel proud to be a Canadian again which I have not felt since Trudeau has been put in power and I believe helped bring the country together and was a big reason for mandates ending or shutting down in several provinces.	2/19/2022 10:23 AM

Canadians vote on Canadian Mandate - February 2022

35124	Given some hope for things to be put back to the way they use to be	2/19/2022 10:23 AM
35125	Really not much.	2/19/2022 10:22 AM
35126	Minor changes to provincial restriction but not enough I am proud of how they are fighting for our constitutional rights	2/19/2022 10:22 AM
35127	It opened my eyes.	2/19/2022 10:22 AM
35128	The convoy made me feel proud to be Canadian again. Then the pathetic asshole(s) in Ottawa ruined that feeling by having brainwashed stormtroopers on horseback run over peacefully protesting human beings. Not long after unruly protestors protesting a bunch of crap had virtually free will to destroy, steal, deface and harm anything they wanted to. I am fifty years old and for the first time in my life I am legitimately afraid of the state of this once great country and extremely worried about the future for all of my loved ones who have their whole lives ahead of them.	2/19/2022 10:22 AM
35129	They are totally for the people and their families and our Canada. Honest hard working and honest . They are standing for our rights. Trudeau has been nothing but rude and putting them down . He puts them all down and those of us that want our Canada back. My Dad fought in W.W.2 for our freedoms and rights. I'll be damned that he takes that away from us.	2/19/2022 10:22 AM
35130	It gave me hope.	2/19/2022 10:22 AM
35131	its given me hope that canadians aren't they sheep they re made out to be and the people in ottawa obviously believe they are	2/19/2022 10:22 AM
35132	Gives hope for the people of the world. Rights and Freedoms	2/19/2022 10:22 AM
35133	It's made my life fill with joy and happiness that the truckers are standing up to Government. I stand behind them 100 percent. Trudeau has become a tyrant and he needs to step down.	2/19/2022 10:22 AM
35134	It has given me a voice about our true freedom or lack of !	2/19/2022 10:22 AM
35135	Given me hope	2/19/2022 10:22 AM
35136	Hasn't	2/19/2022 10:22 AM
35137	Not at all	2/19/2022 10:22 AM
35138	It has made me very emotional and braught more unity in this country then I have seen in a long time . Also proved to me how poorly our Government has been run and just how corrupt Trudeau really is	2/19/2022 10:22 AM
35139	Has given me hope, and opened up my eyes to the over reach and nonsensical, tyrannical rule of the Canadian government. It has also shown my without a shadow of a doubt that of Prime Minister is racist and I want him out. (Before I wasn't too interested in politics).	2/19/2022 10:22 AM
35140	Positive bringing Canada together	2/19/2022 10:22 AM
35141	Brought me hope	2/19/2022 10:22 AM

35145	We are 15 minutes from the USA border and it scares me to know that there could be trouble so close to home.	2/19/2022 10:22 AM
35146	it has woken the world !	2/19/2022 10:22 AM
35147	I pray more!!! They need to win this	2/19/2022 10:22 AM
35148	Gave me courage because I did not feel alone any more	2/19/2022 10:22 AM
35149	Positively	2/19/2022 10:22 AM
35150	It is giving me hope	2/19/2022 10:22 AM
35151	Made me aware that I'm not alone with my disrespect of our government	2/19/2022 10:22 AM

35152	I believe the trucking convoy is positive, bringing light to a grave situation. The people just wanted to be heard, shame on the rcmp, OPP and Gov for how this whole situation has been handled!!!! The Prime Minister should be held accountable for everything that happens, instead of talking to the ppl, he went to war with them! Chicken hearted	2/19/2022 10:22 AM
35153	Not at all	2/19/2022 10:22 AM
35154	Not at all	2/19/2022 10:22 AM
35155	They are a shining example to the rest of us, they are standing up for truth and sovereignty and bringing about the change we need, breaking the chains of control and manipulation that have kept our society captive for far too long.	2/19/2022 10:22 AM
35156	Gave me hope to get my freedom back	2/19/2022 10:22 AM
35157	Makes being a Canadian proud again	2/19/2022 10:22 AM
35158	Made me believe in humanity again. Until the wars act was instigated. Made me realize what an evil scum our PM is.	2/19/2022 10:22 AM
35159	So happy to see someone is standing up to the government .	2/19/2022 10:22 AM
35160	Gives me hope	2/19/2022 10:22 AM
35161	It has brought me HOPE for the future. While I grew up in Ottawa I have lived in Stouffville for the past 37 years. I had never seen French and English arm in arm smiling and cheering for the same cause and peacefully. I never thought I'd see that day. I am now fearful for the truckers and their supporters getting harmed by a vengeful government. It sickens me to see police mounted on horses trampling seniors	2/19/2022 10:22 AM
35162	I am thankful to all those people that were able to go and stand up for our freedoms. The trucking convoy wouldnt be happening if our government would just listen to us and give us back our freedom of choice. It could of been ended along time ago.	2/19/2022 10:22 AM
35163	It hasnt	2/19/2022 10:22 AM
35164	Regain of hope. Feeling not to be alone.	2/19/2022 10:22 AM
35165	Hasn't! I support their stand on freedom for all Canadians	2/19/2022 10:21 AM
35166	Need be happy for the first time in a while because these people are the real men and women instead of frightened uninformed people we've been dealing with	2/19/2022 10:21 AM
35167	God Bless everyone of them!	2/19/2022 10:21 AM
35168	It is inspiring to me that I know I am not alone and people have been waking up.	2/19/2022 10:21 AM
35169	It's restored my hope.	2/19/2022 10:21 AM
35170	None no effect	2/19/2022 10:21 AM
35171	It has affected my life in a positive way as it has given us Canadians a hope to get our freedom of choice and speech Back, also given us hope that maybe some day our country will go back to normal	2/19/2022 10:21 AM
35172	It has given me hope that perhaps something good will come out of it.	2/19/2022 10:21 AM
35173	Brought a positive moment when I realized , some people recognize tyranny	2/19/2022 10:21 AM
35174	It has given me hope.	2/19/2022 10:21 AM
35175	This is not a trucking convoy,	2/19/2022 10:21 AM
35176	They did what I thought and felt in my heart should be done... This is a free democratic country. Trudeau is changing that... Last election was a total sham to stay in office... We have homelessness in our own back yard and he and governments are sending millions of dollars to other countries.. What a total farce.. He could have given every Canadian a million bucks... WOW...Shutting down the health care system... Shandro and the likes of Trudeau need to go... People are going to start to take up arms against their oppressors.. Poor Canada... Your ruining the Country Trudeau, from equalization payments to what you've done with response to this pandemic and it's freedom truckers... They are the ones who move this country, not you...	2/19/2022 10:21 AM

35177	Positively provided hope. Proud of ourA shining light on freedom that the rest of the world is acknowledging. We need to form The Truckers Party with Brian Peckford as the initial leader.	2/19/2022 10:21 AM
35178	Not all all	2/19/2022 10:21 AM
35179	Very peaceful, but the the thugs in Ottawa have put force on folks	2/19/2022 10:21 AM
35180	Have some hope in the future of this country. Proud of the brave.	2/19/2022 10:21 AM
35181	Had the possibility of leading me to a lay off. While i disagree with blocking border crossings, the government should have entered dialouge, and laid out a road map.	2/19/2022 10:21 AM
35182	It hasn't, but I appreciate everyone who has the ability to fight for us who can't	2/19/2022 10:21 AM
35183	Given hope that we will be saved from the communistic government.	2/19/2022 10:21 AM

35187	It's inspired me and given me hope.	2/19/2022 10:21 AM
35188	It has given me hope. Hope that there are people in this country that also want there freedoms back. I think it has also united Canadians as a whole. The convoy showed me how corrupt our government has become.	2/19/2022 10:21 AM
35189	It has brought me hope	2/19/2022 10:21 AM
35190	Given hope that there is alot of people sick of the bs also, hope that people will wake up so we can stop this dictatorship that has been formed by the Liberal government	2/19/2022 10:21 AM
35191	Wow😊it's brought my family and I so much hope, to become once again, the Canada we were and need to be...FREE with freedom of choice to make the right choices for YOU or your Children!	2/19/2022 10:21 AM
35192	It has restored hope in my life that things could possibly go back to normal and opened my eyes to how much the government and msm lies to its people. It's like if this is what they lie about in just these few weeks, what have they all lied about since the beginning of all this. I feel the trucker convoy has opened my eyes to understanding more of my charter of rights especially freedom of choice, freedom of expression. And made it even more clear on how our prime minister really is not wanting a democracy and is definitely not here for the people. His actions have made me extremely worried and concerned for our future here in Canada	2/19/2022 10:21 AM

35215	My father who drives a truck has lost his job because of mandates. 35221	Gave me such pride in standing up for my personal rights and freedoms. It was not the illness that caused me fear but rather the loss of personal freedoms and personal decisions. Being able to protest peacefully with the awesomeness of our heavy machinery that literally holds our Country together and brings EVERYTHING has been amazing. I have been embarrassed and disgusted by Trudeau's running away! He is bringing only drama as a response to real concerns! Do not give up Freedom Convoy!	2/19/2022 10:20 AM

35251	It hasn't. Regardless of what people see on the news, I believe they are doing what none of us had the guts to do. Have I gone to the protest in Ottawa? No. Why? Because I can support them without having to be there.	2/19/2022 10:19 AM
35252	Picked up my spirits and made me think there is still hope for Canada.	2/19/2022 10:19 AM

35262	It was a good movement!!! The biggest problem is Justin Trudeau has blown this up, because he is to much of a coward to meet with the convoy and talk about the mandates, and work out a agreement!!! Oh how to get things worked out a plan to get back to more normal life for everyone!!!	2/19/2022 10:19 AM

35263	It gave me some hope	2/19/2022 10:19 AM
35264	Gives me hope for humanity ! Love !!	2/19/2022 10:19 AM
35265	Though not directly affected (not living in any occupied areas), I see the damage inflicted on citizens, I recognize that the boarder convoys have affected supply demands and potentially affected international NAFTA agreements. The convoys are stupid. If they were really about mandates, protests should have been held at Provincial parliament locations. If they were really about freedoms, they should never have harassed people choosing to follow the mandates. Occupation is not the same as peaceful protesting. Overall, I'm embarrassed that they've made Canada look like the US in that they have been loud, obnoxious, self-centered, and contradictory in their actions vs. what they've said it was all about. I'm disheartened that the rest of the world has been so quick to jump on the band wagon to support them. I am frustrated as well, but I do not believe that these convoys are the way around mandates. They are ridiculous...I will simply not be using any non-essential services with the vaxpass being removed until patio season. I believe the way around mandates is to make the small adjustments to our own lives to accommodate them in order to limit the impact of inconveniences on ourselves as individuals as much as possible while respecting those that follow them.	2/19/2022 10:19 AM
35266	Hope, optimism, better future for myself & everyone. Getting back our freedom to 100%	2/19/2022 10:19 AM

35364	I have hope to end all this	2/19/2022 10:17 AM
35365	For a moment I had hope, happiness and courage.	2/19/2022 10:17 AM
35366	Hope, not as alone, others are seeing through the deception and propaganda. Shown how truly corrupt and broken our political system truly is, not to mention our legal system, and policing organizations, total disregard of charter of rights.	2/19/2022 10:17 AM
35367	Given us hope fro change and being heard	2/19/2022 10:17 AM
35368	Not in any negative way. Hopeful after seeing people's faces. See them hugging and dancing.	2/19/2022 10:16 AM
35369	Not at all	2/19/2022 10:16 AM
35370	Minimal I was a truck driver/ owner operator for 25 years and I believe that the trucking industry has never been respected. Too many people believe that their milk comes from the store and have no understanding of what it takes to get there	2/19/2022 10:16 AM
35371	It has brought joy and peace to my heart knowing someone has heard me and is doing something to bring unity to Canada	2/19/2022 10:16 AM
35372	Oh, its awful. Loud honking and blocking streets and defacing property and statues; its the wrong way to go about change, for sure.	2/19/2022 10:16 AM
35373	Hasnt	2/19/2022 10:16 AM

Canadians vote on Canadian Mandate - February 2022

35374	it hasn't. they are doing a good job	2/19/2022 10:16 AM
35375	Gave me hope	2/19/2022 10:16 AM
35376	Yes. Renewed my faith in humanity. Not the crap the news is portraying. But the unity. The freedom. The love your neighbours. Not judge, or ridicule for their choices. The right to family being together.	2/19/2022 10:16 AM
35377	Given me a sense of hope and pride. They're standing up for the freedom of all Canadians and are respected all around the world for it	2/19/2022 10:16 AM
35378	Gives me hope seeing the unity of people around the world	2/19/2022 10:16 AM
35379	They have given me hope that we will get our freedoms back. And get our country back we were never such a unhappy mean bunch of folks ever. This is not how Canadians are not until Trudeau decided to separate decide us. And say that we are not allowed to make our own choices.	2/19/2022 10:16 AM
35380	Has NOT !	2/19/2022 10:16 AM
35381	It has brought me hope ... All humans deserve equals rights	2/19/2022 10:16 AM
35382	I'm a Trucker. It brings pride and strength to us that believe in its intent. Unity that has been lost and a fellowship with others	2/19/2022 10:16 AM
35383	It actually give you a sense of hope that some of this goes away. Trudeau thinks he is right and he is such a narcissist he can never admit he is wrong therefore we must all be wrong. Then right when some progress is being made he shuts down parliament and puts in emergency orders to enforce his views with the biggest hammer they have. This is far from over now.	2/19/2022 10:16 AM
35384	Gives me and my wife hope that the media and government lies will be exposed to to the ordinary citizens	2/19/2022 10:16 AM
35385	Brought hope	2/19/2022 10:16 AM
35386	It's given me hope, and a sense of unity and positive vibes for our country and our future.	2/19/2022 10:16 AM
35387	Positively because it gives hope that some of us in Canada will stand up for freedoms and can see with eyes wide open what is happening. Im a permanent resident and it cost me many tens of thousands of dollars to move to this country. These truckers give us hope of getting the country back	2/19/2022 10:16 AM
35388	It gave me hope that this nightmare of mandates could be coming to an end	2/19/2022 10:16 AM
35389	Giving us hope for Freedom	2/19/2022 10:16 AM
35390	First HOPE in two years	2/19/2022 10:16 AM
35391	It has made me feel hope again. It allowed me to not feel alone in my feelings and what I was noticing around the world. I felt proud to be Canadian again.	2/19/2022 10:16 AM
35392	Shortage of goods in stores therefore increased prices.	2/19/2022 10:16 AM
35393	Has given me hope that tyrannical govt officials (espec Justin T) will be stopped from their evil & reprehensible ways.	2/19/2022 10:16 AM
35394	Restored hope	2/19/2022 10:16 AM
35395	It has taken over the news. Divided our country. Made hate acceptable. Allowed for more misinformation to overtake social media.	2/19/2022 10:16 AM
35396	its a peaceful protest. until the cops beat people and trampel people. Justin needs to be gone.	2/19/2022 10:16 AM
35397	It's the most peaceful protest that has brought Canadians on both sides together	2/19/2022 10:15 AM
35398	Restored hope	2/19/2022 10:15 AM
35399	Giving me hope for normalcy	2/19/2022 10:15 AM
35400	I'm a trucker. And I say we shut them all off right now all of them then you will see just how fast this country falls	2/19/2022 10:15 AM

35402	I love it	2/19/2022 10:15 AM
35403	Inspiring	2/19/2022 10:15 AM
35404	They have been standing up for us, so it doesnt matter. This needs to end.	2/19/2022 10:15 AM
35405	Good. It's helped our province open up. And it's made me feel like a proud Canadian again.	2/19/2022 10:15 AM
35406	None	2/19/2022 10:15 AM
35407	It's made me sad to see that Canada is no longer free	2/19/2022 10:15 AM
35408	Hope of regaining our freedom to make our own Choices. I agree with the convoy 100 %	2/19/2022 10:15 AM
35409	It brought me joy and hope in humanity again	2/19/2022 10:15 AM
35410	When the people move, the governments need to move. Unfortunately I think we are kind of playing right into the global elites' hands. However, WE need to do something because anyone with a clear mind can SEE that none of it is logical!	2/19/2022 10:15 AM
35411	Game me hope again	2/19/2022 10:15 AM
35412	It hasn't	2/19/2022 10:15 AM
35413	Positively	2/19/2022 10:15 AM
35414	Inspired me about how strong and unified Canadians can be.	2/19/2022 10:15 AM
35415	Bring renewed hope of change	2/19/2022 10:15 AM
35416	It has given me hope! Our beautiful country is being ruined by Justin Trudeau!	2/19/2022 10:15 AM
35417	Same as in question 9	2/19/2022 10:15 AM
35418	It has lifted my spirits and brought me hope that my fellow Canadians really do care for the communities that they are wanting to protect	2/19/2022 10:15 AM
35419	they make me proud and I wish I was there with them	2/19/2022 10:15 AM
35420	Gives me hope, so much admiration for these brave freedom fighters	2/19/2022 10:15 AM
35421	I support them	2/19/2022 10:15 AM
35422	They have provided HOPE that there are enough people wanting CHANGE & their lives back.	2/19/2022 10:15 AM
35423	Has not affected me at all.	2/19/2022 10:15 AM
35424	Given me hope that Canadians can stand together, & unite against this EVIL TYRANNICAL GOVERNMENT!! They are corrupt through and through!! Disgusting, shameful, evil, greedy, immoral unethical leaders that have been put into power over Canadians!! The Liberal, the NDP & the conservative parties have all been clearly corrupted!! If the people will unite then we can stand against this evil government that just wants total control over us!! All it takes for evil to exist is for good men to do nothing!!! It's time to do something, and that is giving Canadians hope, and a purpose, and a will to fight for our freedoms!! Freedom is not free!!! I am so proud of these men & women who were able to hold the line in Ottawa for 3 weeks!!! No violence until yesterday when the shameful police turned on the very people they swore an oath to protect!!! Shameful!!!	2/19/2022 10:15 AM
35425	They have given me hope again, and pride. I've been ashamed of Canada for the past few years, now I'm so proud again. I love my country and government has destroyed it. The truckers have rescued us from despair and given us the backbone we need to fight for our beautiful Canada	2/19/2022 10:15 AM
35426	Give me a hope of better future for me and my kids	2/19/2022 10:15 AM
35427	Happy days.	2/19/2022 10:15 AM
35428	Not directly. But the tyranny being imposed by our current PM and denying Canadians the right to protest is unbelievable.	2/19/2022 10:15 AM

Canadians vote on Canadian Mandate - February 2022

35429	It's given me hope that things can get back to normal	2/19/2022 10:15 AM

35436	Made me proud to be Canadian again	2/19/2022 10:14 AM
35437	It hasn't	2/19/2022 10:14 AM
35438	Iam all for the truckers convoy	2/19/2022 10:14 AM
35439	I am proud of them! It's given me hope to be a Canadian.	2/19/2022 10:14 AM
35440	It has given us hope brought us joy!! It has made us feel excepted and proud to be Canadian again. It hasn't made us feel hope and happiness and most of all united. On the flipside it has made me see that our police officers Do not stand with us and do not serve and protect us. It is a reality that many of us now see. It's heart wrenching scary and has brought most of us Canadians at a loss for words because of their actions.	2/19/2022 10:14 AM
35441	It has given me hope that perhaps I can finish school and salvage what health I have left. But it also makes me very scared about the extreme measures the government and complying "police" will take. It is clear there is something very corrupt happening in Canada and it's now on the worlds stage.	2/19/2022 10:14 AM
35442	Beautiful, peace and live all the way United we stand united we win It history making for canada ♥	2/19/2022 10:14 AM
35443	Has given me hope and made me proud to stand as a Canadian. It has shown the true colors of our government.	2/19/2022 10:14 AM
35444	For the first time in a long time it gave me hope. The realization of the need to protect our rights and freedoms from those who promote oppression and subjugation.	2/19/2022 10:14 AM
35445	proud of each and every one of them	2/19/2022 10:14 AM
35446	not	2/19/2022 10:14 AM
35447	Gave me hope, made me proud!	2/19/2022 10:14 AM
35448	It has made me feel great that our Canadians are supporting us and progesting for us	2/19/2022 10:14 AM
35449	I have hope again ... I have decided to dig deeper into these mandates and exactly how we were methodically manipulated into submission using our kindness and care for each other ...	2/19/2022 10:14 AM
35450	I feel for the businesses directly affected but if the truckers don't stand up for us then forget about losing business ,you won't have a business the government will take that from you as well. We need to come together and unite we are all one, we need to love love love So all the power of God to the truckers, amen	2/19/2022 10:14 AM
35451	It's given me hope for the future. It's been nothing but good to me	2/19/2022 10:14 AM
35452	It gave my kids hope for an end. They smiled for the first time in years when they found out someone is fighting for their future. Supply chains were already broken and couldn't continue the way they had been.	2/19/2022 10:14 AM
35453	It has given me hope that people are standing up for their rights, especially now because scientists all over the world are telling we can ease off the vaccine mandates! If the government doesn't want to open the borders all the why I hope that they will start using negative covid tests INSTEAD of vaccines!	2/19/2022 10:14 AM
35454	Not at all	2/19/2022 10:14 AM

Canadians vote on Canadian Mandate - February 2022

35455	It hasn't there out there for the good of the country	2/19/2022 10:14 AM

35457	Given me inspiration and Hope That others will Wake up and see what the government is doing	2/19/2022 10:14 AM
35458	Given hope.	2/19/2022 10:14 AM
35459	Powerfull and uplifting	2/19/2022 10:14 AM
35460	see above	2/19/2022 10:14 AM
35461	I watch everyday wishing I was there.	2/19/2022 10:14 AM
35462	Given me hope	2/19/2022 10:14 AM
35463	It has been very inspiring to see millions of peaceful Canadians stand up for what is right. What is right is the CHOICE to decide what we put in our own body.	2/19/2022 10:14 AM
35464	provides hope and great to see people standing up for our freedom and rights against tyranny and government overreach.	2/19/2022 10:14 AM
35465	Brought me more resolve to stand against this govt	2/19/2022 10:14 AM
35466	It was heartbreaking to see that our leader ignored hard working Canadians. What he needed was to talk to people and negotiated a plan gradually end the mandates. We have to learn how to live with virus. Mandates have made more damage for people's lives than virus itself. Why vaccinated people have to be afraid of not vaccinated? Why small stores were closed during lockdown but not mega-stores? Why there are reduced capacity for restaurants, gyms, etc. if only vaccinated people are allowed to get in? The trucking convoy did not affect my life but made me see that people's opinions do not matter and democratic model of the society does not really work. It is very hard to be heard.	2/19/2022 10:14 AM
35467	It gave me hope. Now my hope is gone and want out of this comunist cuntry.	2/19/2022 10:14 AM
35468	Gives hope that people still believe we as citizens of Canada have rights	2/19/2022 10:14 AM
35469	It's brought so much hope to my life. I'm so proud of the people who have the guts and honor to stand up for what is right, to stand against tyranny.	2/19/2022 10:14 AM
35470	It hasn't	2/19/2022 10:14 AM
35471	It hasn't	2/19/2022 10:14 AM
35472	Giving hope	2/19/2022 10:14 AM
35473	Inspiring	2/19/2022 10:14 AM
35474	Brought hope and a sense of unity	2/19/2022 10:14 AM
35475	Given me true hope	2/19/2022 10:13 AM
35476	It's given me hope	2/19/2022 10:13 AM
35477	It's brought me a sense of hope. That maybe this can end. Love for my fellow Canadians.	2/19/2022 10:13 AM
35478	It has made me prouder to be Canadian.	2/19/2022 10:13 AM
35479	We've had not a huge impact here	2/19/2022 10:13 AM
35480	Has not.	2/19/2022 10:13 AM
35481	It has given me hope that we can return to a normal society. A society that doesnt base everything on whether or not i have a qr code	2/19/2022 10:13 AM
35482	It has given me hope of a better tomorrow and that they are the only ones standing up for our freedom	2/19/2022 10:13 AM
35483	It has given me hope. It has also decimated any faith I've ever had in the media and government - who have outright lied about so much over the last two years to manipulated, coerce and threaten people.	2/19/2022 10:13 AM
35484	It has given some hope.	2/19/2022 10:13 AM

Canadians vote on Canadian Mandate - February 2022

35485	It gave me hope and I believe in Free Canada free of all mandates and restrictions put on people especially not vaccinated people like my kids and my husband	2/19/2022 10:13 AM
35486	Hope	2/19/2022 10:13 AM
35487	It has given me hope and shown me what Canadians are about, unity and peace.	2/19/2022 10:13 AM
35488	It has been the best thing I have seen in the last two years. It is the only only hope out there	2/19/2022 10:13 AM
35489	Only in a positive way. Thank u truckers	2/19/2022 10:13 AM
35490	Uplifted that there are people that think like myself and are actually doing something to change the social tyranny	2/19/2022 10:13 AM
35491	Thank you truckers!!!! They have given me hope again. They have made me feel proud to be a Canadian despite the idiocy from a prime minister who should never ever be prime Minister or anything with any authority all together. Because of the truckers I have hope that in the very very near future my children will get to be children in the country they were born, in the same manner I was able to grow up. No masks, no forcing vaccines on people, no restrictions due to a virus. GO TRUCKERS GO ! I WANT MY FREEDOM TO CHOOSE HOW I LIVE MY LIFE BACK.	2/19/2022 10:13 AM
35492	It gave us hope	2/19/2022 10:13 AM
35493	It has not affected me.	2/19/2022 10:13 AM
35494	I have hope now that I havent had in 2 years. I'm with them 10000%	2/19/2022 10:13 AM
35495	Didn't	2/19/2022 10:13 AM
35496	Insignificant, except for needed to stay off the traveled routes while they were passing.	2/19/2022 10:13 AM
35497	It gave me hope	2/19/2022 10:13 AM
35498	It has given me hope again and made me realize I am not as alone as I thought !	2/19/2022 10:13 AM
35499	Hope for freedom of useless mandates and pride in canadians speaking for a cause	2/19/2022 10:13 AM
35500	Positively	2/19/2022 10:13 AM
35501	Gave optimism	2/19/2022 10:13 AM
35502	Brought hope back into my life	2/19/2022 10:13 AM
35503	It showed me that I'm not alone. That other people see that what is happening with our government is wrong. They have me hope in a time where I felt I had nothing left to live for. I am terrified about the world that will be left for my children and the trucker convoy gave me hope. And to add the lack of trust on our government even made me second guess what my answer should be to that question. Do I support the convoy? But yes I am in full support for our right to peacefully protest to get out rights and freedoms back.	2/19/2022 10:13 AM
35504	It has given me hope again that Canada's future will be free once again from a tyrannical government. It's in a dictatorship right now.	2/19/2022 10:13 AM
35505	Nothing here. I don't watch much on the TV.	2/19/2022 10:13 AM
35506	It finally gave me some hope that people are standing up to the tyranny of this government. It has brought Canadians closer together and has united our American brothers and sisters with us in our fight for freedom. It restored my faith in humanity.	2/19/2022 10:13 AM
35507	Not one single it. It is encouraging to see Canadians come together. Trudeau should be arrested and help for crimes against humanity!	2/19/2022 10:13 AM
35508	Made me feel proud to be Canadian again! It has brought us together	2/19/2022 10:13 AM
35509	Renewed my faith in freedom love of country Charter rights and my total devotion to God and his love for humanity!	2/19/2022 10:13 AM
35510	Not at all, I fully support it, I can go without if I get to make my own choices.	2/19/2022 10:13 AM
35511	Gave me a whole new respect for people in my country minus the fee negative ones that should be locked up	2/19/2022 10:13 AM

Canadians vote on Canadian Mandate - February 2022

35512	Made me feel Canadian again	2/19/2022 10:13 AM
35513	Not in any way.	2/19/2022 10:13 AM
35514	Lifted our spirits and belief in people to stand up against a dictator. And gave us hope that we can get back to a normal life. Thank you truckers.	2/19/2022 10:13 AM
35515	My province has said they plan to remove mandates in the coming future. Thank you truckers!	2/19/2022 10:12 AM
35516	Given me HOPE, increased HAPPINESS and BELIEF that Canada can be great again as a FREE NATION that was beginning to investigate the governments totalitarian actions of the PM and the Liberal party and those who supported action against the hard working peoples. We would stop the communist take over of our resources and people.	2/19/2022 10:12 AM
35517	Proud to be Canadian now! Government is not listening to the people, so the convoy was a good thing!	2/19/2022 10:12 AM
35518	It gave me a glimmer of hope.	2/19/2022 10:12 AM
35519	Brought some glimpse of freedom back and unity	2/19/2022 10:12 AM
35520	None	2/19/2022 10:12 AM
35521	Brought hope to my life and ending to all of this s*** freedom!!!!	2/19/2022 10:12 AM
35522	Other than product shortages and cost hikes, I can't say that it has affected me at this point.	2/19/2022 10:12 AM
35523	In the most powerful way! I consider the truckers and all supporting them as True Canadian Patriots	2/19/2022 10:12 AM
35524	It hasn't!	2/19/2022 10:12 AM
35525	Has not	2/19/2022 10:12 AM
35526	Not at all. I stood in ottawa infront of parliament with them on Jan. 29 2022	2/19/2022 10:12 AM
35527	Yes they showed love, and everyone wants freedom.	2/19/2022 10:12 AM
35528	They are trying to free us of mandates so we can move on	2/19/2022 10:12 AM
35529	It has brought a sense of hope that life can resume without fear and ridiculous mandates that are supposed to resemble safety for all when most offer exceptions that don't follow any level of logic. This convoy is a huge "light at the end of the tunnel" feeling.	2/19/2022 10:12 AM
35530	Gave me hope for a better day.	2/19/2022 10:12 AM
35531	This gave me back hope	2/19/2022 10:12 AM
35532	Giving hope, peaceful unity that's Canadian! Giving people of our country a voice of reason. Our PM has responded like a spoiled child in an ivory tower. Not capable of a conversation. Telling everyone one about all the bad people yet he wasn't even there for a week nor has even gone out his front door. He has created Chaos, division , violence he's a bully with his own agenda. How is he even in power? He lies, steals and cheats and Canadians are picking up the tab. Crushed the economy and our lives for 2 years . Thank god for the truckers , sad they haven't been given the respect to be heard.	2/19/2022 10:12 AM
35533	Gave me hope for a better future.	2/19/2022 10:12 AM
35534	It hasn't. Good for them for trying to make changes	2/19/2022 10:12 AM

truckers and supporting protestors have experienced - to have a sincere and open discussion about all issues surrounding the dominant Covid narrative. My sense is that there are the respectful members of the trucking convoy and others less so whose affiliation is to be questioned, i.e. if they have acted in anything less than respectfully. How do Canadians know if the disrespectful people are opportunistic anarchists and/or opportunistic disturbers are "true supporters"? We don't. I do not trust narrative of the msm - nor do I trust our political and law-enforcing "leaders". In the day of citizens making and posting online videos from their cell phones... there seems to be a huge gap of what gets reported in msm and what gets posted online in personal cell phone videos. Why? I think we can use our collective imaginations as to why this is happening.

35622	It gave me hope! Restored my faith in humanity and Canada! People became a community again! We went back being neighbourly! Helping each other! Checkin in on each other! Trudeau's response was absolutely ridiculous. Whats happening in ottawa right now is unbelievable. 35623	Gave some hope	2/19/2022 10:10 AM
35624	Its given me hope that my fellow citizens feel the same way as I do, despite our leaders & media are trying to convince otherwise. That there's a lack of dialogue & common sense with these restrictions & that our government needs to stop treating the people like infants & to let them make their own decisions. The government wants to make us feel alone & the trucking convoy has brought people together.	2/19/2022 10:10 AM

35628	Positive	2/19/2022 10:09 AM
35629	Gave me a sense of hope for a future of freedom for this country. Showed me how tyrannical they Trudeau the liberal and NDP government can be and how mismanaged power affects all citizens everywhere. I was proud to be Canadian when the convoy was on and now I am deeply saddened at the state of our country and the actions taken.	2/19/2022 10:09 AM

35633	It has restored some hope that true democracy might return to Canada, but it certainly shows we do not have it right now!	2/19/2022 10:09 AM
35634	Not directly	2/19/2022 10:09 AM
35635	It gives me hope that there are others who can see through the lies and bs we've been given about 2 weeks to flatten the curve and here we are over 2 years later with no end in sight to the bs. The truckers give me hope that this social credit system trying to be implemented could actually be squashed before it goes anywhere.	2/19/2022 10:09 AM
35636	It's given me some freedoms	2/19/2022 10:09 AM
35637	I support trucking convoy	2/19/2022 10:09 AM

35647	Given hope this will help end the control	2/19/2022 10:09 AM
35648	This convoy has not affected our life in any way. I thank each and every one of them for standing up for our rights. I am very proud of them all	2/19/2022 10:09 AM
35649	Trucking has not affected the chain supplies we love them for that, but it frustrates me seeing the way that Trudeau treats them in such way, why doesn't Trudeau take the time to go for a truckers run just for one day or a week then let us see his thought after that. If it was up to me every member would be obligated to do one day in each category of necessary low income persons before even being elected into Congress, if we weren't here they would not survive.	2/19/2022 10:08 AM
35650	It has affected my life slightly but not as much as the railroad blockades in February of 2020, in which the government did nothing, including not invoking the Emergency Act to take Canadian citizenship rights away.	2/19/2022 10:08 AM
35651	It inspires me and gives me hope.	2/19/2022 10:08 AM

35707	It has given me hope that others are willing to speak up loudly in a peaceful way (a democracy way). It's unfortunate that the Gov't doesn't seem to want to talk it out and discuss both sides of the information. It's opened my eyes that there does seem to be a difference with what the mainstream media reports and what some of the other reporters are reporting. To me the answer is somewhere in the middle and it's up to the individual to make that final choice for themselves and for their family.	2/19/2022 10:07 AM

35723	About time people stand up for their rights. I hope it all. Ends peacefully. There are some bad apples in that crowd that will take away from the good that could have been done from the initial protests	2/19/2022 10:06 AM
35724	It hasn't, I support it 100%	2/19/2022 10:06 AM
35725	Unity and strength	2/19/2022 10:06 AM
35726	I'm proud of these hero's but too terrified to stand up for them. I am sickened by our government	2/19/2022 10:06 AM

35729	There's going to be prices to pay	2/19/2022 10:06 AM
35730	I am so proud of The Truckers.. I have not been inconvenienced in any way. They have been very poorly treated by a Prime Minister who didn't have the common courtesy to meet with them. This lasted War Act enforcement is disgusting. Shows how week he is, & how he wants to live as though we were in Russia or China. ♥♥ For the Truckers	2/19/2022 10:06 AM
35731	Tremendously amazing!	2/19/2022 10:06 AM

35733	Gives us hope	2/19/2022 10:06 AM
35734	United the country, gave hope, made me proud to be a Canadian for the first time in a long time, gave hope that our government would finally hear me and my family, but instead it showed how disconnected government is from its people. It showed that we the people are a lot more alike than we thought and that the Canadian spirit is still very much alive. It also exposed our governments agenda which is tyrannical and not democratic.	2/19/2022 10:06 AM
35735	Hope	2/19/2022 10:06 AM
35736	not at all	2/19/2022 10:06 AM

our government s, federally and provincially. I think they woke up this sleepy nation to a massive issue of division created by our government. Time to work back to a unified Canada again.

35750	Hope. Pride. Love. Simple as that, all that was taken away was restored. Simple humanity could be seen again. Nothing more profound than that.	2/19/2022 10:06 AM
35751	I pray for them and hope that they are able to lead the movement in removing a tyrannical government!	2/19/2022 10:06 AM
35752	It has made me loose all respect for main stream media	2/19/2022 10:06 AM
35753	I'm proud of the truck convoy, it is the first time in a long time I am proud of my country that our prime Minister is set on destroying	2/19/2022 10:05 AM
35754	So far nothing has changed for my province other than capacity limits. But i support them standing up.	2/19/2022 10:05 AM
35755	I find it sad how it's been going now and how the government and police are bringing in the violence on the majority if peaceful protesters	2/19/2022 10:05 AM
35756	Makes me happy to see Canadians unite and stand together	2/19/2022 10:05 AM
35757	It has given me hope to see the restrictions end.	2/19/2022 10:05 AM
35758	The small little thing who could affect me are NOTHING in comparison of how the mandate affect me since the beginning. So in comparison I can say it didn't affect me. They are my voice as the gouv don't care anymore of his citizens.	2/19/2022 10:05 AM
35759	It gave me hope, so much hope!!	2/19/2022 10:05 AM

35762	Gave me hope	2/19/2022 10:05 AM
35763	It's given me hope as well as reassurance that my fellow Canadians in VERY large numbers are in agreement with how I feel regarding our failing structure of democracy and how we the people have allowed our government to control us as a whole. It saddens me deeply and makes me fearful for the future of our children.	2/19/2022 10:05 AM
35764	It has united many Canadians	2/19/2022 10:05 AM
35765	It has given me hope knowing that many others share my concerns, and that they are by and large good, kind and peaceful people.	2/19/2022 10:05 AM
35766	Gives me slight hope	2/19/2022 10:05 AM
35767	Brought hope back. Peace and real Canadian values	2/19/2022 10:05 AM
35768	Has shown there is hope for Canada	2/19/2022 10:05 AM
35769	Shown how well people can come together, shows a lot of love, also shows the worse in people. Shows how cowardly our PM is and how all of the people are so on edge of what they say about what their believes. I have seen people get fired just because they said they supported the freedom movement. Where has our freedom of speech gone? Where has our free country gone?	2/19/2022 10:05 AM
35770	Brought hope, and pride in Canadian spirit	2/19/2022 10:05 AM
35771	Has not affected my life	2/19/2022 10:05 AM
35772	It has given me hope	2/19/2022 10:05 AM

35789	Positive. The convoy exposed dark secretes and a dysfunctional government all of which are crimes against humanity	2/19/2022 10:04 AM
35790	The love and kindness I saw through out our country and the rest of the world was overwhelming. I thank the truckers for this feeling of hope. Trudeau hates us all and is only worried about his own personal gain.	2/19/2022 10:04 AM
35791	It gave hope	2/19/2022 10:04 AM

35797	It gave me hope that the vaccine mandates could be dropped and I could go back to work. Felt good to see people united for the same cause of lifting Covid-19 vaccine mandates, passports and all restrictions related to the pandemic.	2/19/2022 10:04 AM
35798	Inspirational, hope, a chance that we can get our freedoms back	2/19/2022 10:04 AM

35803	It has given me hope that more are waking up	2/19/2022 10:04 AM
35804	It was the most inspired I felt in two years. And I feel so proud to be Canadian because of it. But this slander and the constant deliberate misrepresentation of whats happening is really hard to watch. Im so proud at what the convoy has already achieved but I'm nervous at what is coming next for everyone with this war act and how desperate JT and the media is.	2/19/2022 10:04 AM
35805	I finally have hope for the first time in a long time. We the people have Rights & freedoms and Finally the world is seeing how corrupt all governments are.	2/19/2022 10:04 AM

35808	They made their point and Trudeau failed to talk with them	2/19/2022 10:04 AM
35809	Given me a glimmer of hope that perhaps a lot of Canadians like myself want the mandates to end.	2/19/2022 10:04 AM
35810	Hope, joy, peace, will to go on, increased my faith and my prayer life. Determination to keep going because if JT is gunna kill me he will have to do it himself I won't be helping.	2/19/2022 10:04 AM

35827	Gave me hope for the Canada that I once knew that was undivided and proud to be Canadian!	2/19/2022 10:03 AM
35828	It was interesting. It showed that there are still people interested in found something positive for Canada. Instead of a "just me "attitude.	2/19/2022 10:03 AM
35829	I'm proud of them. I was losing faith in society as a whole. They brought meaning back and am proud to be a Canadian...however, Trudeau just stained our country permanently. He needs to be removed.	2/19/2022 10:03 AM

35840	The convoy has demonstrated that misguided and selfish Canadians, funded primarily by Americans, can wreak havoc and pain on their fellow Canadians. It's demonstrated that right wing elements are networking in Canada and can dupe and mobilize fellow Canadians. The convoy has gobbled up public resources, including tax payer money that should have been spend on supporting poor and working class people through this pandemic--instead, it was spent on policing and cleaning up after these American-funded individuals illegally occupying Ottawa.	2/19/2022 10:03 AM

35850	It has given me hope that the mandates will be lifted! Society can not go on with these measures for an illness that has a 99+ percentage of survival for most who get it! It is utterly ridiculous!	2/19/2022 10:03 AM
35851	The Truckers Convoy gave me hope & joy for the first time in 2 years	2/19/2022 10:03 AM

35865	Its inspired me to use my voice and stand up for myself. I have been suppressed by others who dont share my opinions and have been name called, made fun of and out right discriminated. And yeah i know the 16 grounds of discrimination and what they say checks a lot of those boxes. 35870	Not one bit	2/19/2022 10:02 AM
35871	The trucking convoy gave Canadians a bad reputation, supplies and groceries, etc prices are going up. We have reputable scientist and doctors, including our elected government that we should rely on, not the fake news that some people choose to believe. Whatever their reason is, it is not for our good . They use the media to poison peoples minds. I do hope that God steps in soon and make things right..	2/19/2022 10:02 AM
35872	None	2/19/2022 10:02 AM
35873	Gave me hope	2/19/2022 10:02 AM
35874	I own a cross border business in film production for 10 years employing Canadians and Americans and supporting the economy with Film & Commercial jobs. I have lost client contracts and ability to Direct on set due to geographical restrictions and thereby losing 60-120k per job lost. It's crushed my ability to support my team, clients and family financially. I can't go to my studio branch on the west coast or in NY even with proof of O-1 Visas for the US and an address there for the past 7 years. I am unable to fly to Vancouver for many film production requests I have to give up. I am also currently being monitored with Bi-annual MRIs for an inflamed area in my brain which obviously causes me to rethink any further potential risk or harm through an unknown vaccine side effect could create adverse reactions. I'm truly restricted by these mandates both financially and medically.	2/19/2022 10:02 AM
35875	Positively	2/19/2022 10:02 AM
35876	Given me incredible hope and ability to see the light at the end of the tunnel. Also opened my eyes to the corrupted government and how so many Canadians do not see it. I support them praying that others will have their eyes opened to the evil that is taking place	2/19/2022 10:02 AM

35880	It has given me great hope to see them there but also to see how many of my fellow countrymen have shown support for them	2/19/2022 10:02 AM
35881	Has affected me at all emotionally yes because my heart breaks that it takes thousands of truckers to stand up for our freedom when we have a coward for a Prime Minister who just wants to destroy our country	2/19/2022 10:02 AM
35882	Showed me that liberty and freedom underlie all the negativity.	2/19/2022 10:02 AM

35901	Giving hope and uniting people around me	2/19/2022 10:01 AM
35902	I am proud of the truckers convoy, they have given me hope again, I am angry with the way our PM is treating them, it tells me the PM only care for the people who agree with him, so that means he is not there for me to help me in anyway or any of us people who see things different from him, but he is suppose to represent all of us vaccinated and unaccountedI have been following the truckers convoy daily, the way they are handling this protest makes me proud of them.....very peaceful !!!!	2/19/2022 10:01 AM
35903	Gave me HOPE!	2/19/2022 10:01 AM

35921	I believe they were there for fighting for our freedom and our children's freedom and the choice we make with our body to get that vaccine or not God bless the truckers	2/19/2022 10:01 AM
35922	It seems Jason Kenney felt the pressure and chose to lift the vaccine mandates. That doesn't change the fact that employers are continuing to require vaccinations. I hope that this convoy helps save us from our government, but I am afraid. I am afraid I won't be able to go into public without the fear of being rounded up by people that blindly follow the lies we get fed through our media and government.	2/19/2022 10:01 AM
35923	Didn't	2/19/2022 10:01 AM

35935	I hope it will give hope for all of us again that government would listen to the people But I don't know if it will happen	2/19/2022 10:01 AM
35936	It hasn't & I fully support it for ever how long it takes. If they quit now then the pompous arrogant ass clown wins	2/19/2022 10:00 AM
35937	So grateful to them for standing up for our rights and freedoms. Power to the people!	2/19/2022 10:00 AM

Canadians vote on Canadian Mandate - February 2022

35945	Gave me hope	2/19/2022 10:00 AM
35946	It really has not as I am no where near it. I hate seeing all the drama on social media because it makes me fear for the future of our society. The brief trucker protest in PEI was largely peaceful, as far as I understand, and took place an hour from where I live, so did not affect me.	2/19/2022 10:00 AM
35947	Anxiety, fear for those directly involved.	2/19/2022 10:00 AM
35948	It hasn't. I just hope they get what they want . 100% behind them. The one thing they are showing is how out of touch with everyday people that the liberals are	2/19/2022 10:00 AM
35949	Made me feel proud to be a Canadian for the first time in a long time	2/19/2022 10:00 AM
35950	I think it's amazing. They are fighting for our freedom. If I lived in Ottawa, I would be there.	2/19/2022 10:00 AM
35951	Restored hope, joy, sense of purpose, brought more people with similar goals together, made me realize we are not alone, realized we are not a minority, i have great respect for the peacefulness and courage of the truckers convoy that represented themselves with professionalism, realized the prime ministers words were too much and that he should think before he speaks and generalizes and it made me realize he does not wish to communicate with the convoy and that he prefers to resolve issues with unnecessary additional emergency act with is terrifying.	2/19/2022 10:00 AM
35952	Given me hope in Canada again. Felt a true sense of togetherness once again.	2/19/2022 10:00 AM
35953	Fear for them Grateful that they did this	2/19/2022 10:00 AM
35954	Have given hope that normality isn't lost. Has given me pride to be Canadian again.	2/19/2022 10:00 AM
35955	It hasn't	2/19/2022 10:00 AM
35956	It has given me hope! It's exciting to know that so many Canadians are recognizing what's going on, and the lies that are being told, and are willing to stand up and fight for freedom! I'm even more thrilled about the fact that most of them are peaceful, respectful, and compassionate people, trying to help where they can, spreading love and kindness!	2/19/2022 10:00 AM
35957	It gave me hope. I didn't think Canadians would stand up to the tyranny but I'm glad they did. We are in a different phase of this pandemic and as Canadian citizens we have all the tools we need and the ability to make our own choices based on our individual risk assessment, it's time to end mandates.	2/19/2022 10:00 AM
35958	Has helped to start the elimination of mandates	2/19/2022 10:00 AM
35959	It has given us hope and strength	2/19/2022 10:00 AM
35960	It hasn't affected my life that much. I fully support defending my freedoms!	2/19/2022 10:00 AM
35961	Given hope for freedoms to be returned and make those accountable for these atrocities!	2/19/2022 10:00 AM
35962	Hope for unity	2/19/2022 10:00 AM
35963	I support them it's what needs to be done! So going with empty shelves is a small price to pay!	2/19/2022 10:00 AM
35964	They yelled at the children in our high school. Anti maskers, aggressive.	2/19/2022 10:00 AM
35965	Can't pay my bills, depressed, sad. I feel like a crazy person with all the lies and media stories. This world is in a very sad state.	2/19/2022 10:00 AM

36008	It has not affected me personally	2/19/2022 9:59 AM
36009	It's given a feeling that I'm not alone and I hope for everyone's sake that this tyrannical government wakes up before it's too late and this country is torn apart even further. I'm willing to suffer to make a better world for my family though and even those that don't see what is actually happening	2/19/2022 9:59 AM
36010	It's created hope for our future!!!	2/19/2022 9:59 AM

36012	Gave me hope, people caring for one another- the way it should be. Medical and government have not. Media too!	2/19/2022 9:59 AM
36013	I was watching the trucking convoy from day one. I saw them driving from one coast to another. The amount of love, peace, unity, generosity, humanity this movement created is hard to describe in words. I loved seeing people smiling and getting their hope back. People felt to be proud Canadian again. I'm proud to leave in this country. The freedom convoy gave me hope that we can end all the mandates and restore what we have lost in the past 2 years. It gave me hope for a better future for my son. It's so heartbreaking to see how the prime minister is trying to divide us again and brings so much hate for each other. I'm so sure Canada would be a better country without him.	2/19/2022 9:59 AM
36014	I've never felt such great pride in my country. Until Trudeau raised his ugly head to spread hate about us.	2/19/2022 9:59 AM

immense pain watching the Prime Minister cause division with his lies

36031	It has renewed my hope in Canada. I truly believe these truckers are modern day disciples of Jesus doing God's work. They have United Canadians in a powerful way after such division and hate for the last two years. Good bless them.	2/19/2022 9:58 AM

36047	When the truckers started the convoy it gave me hope for change. I thought I was alone, the media made it seem that the unvaccinated were a minority. In the end it's not about being vaxxed or unvaxxed it's Canadians standing together for change. The government overreach has been horrific. The truckers gave me hope.	2/19/2022 9:57 AM
36048	It hasn't affected my life, but it's nice to see people standing up for freedoms for others when our own government doesn't.	2/19/2022 9:57 AM

36077	Positively	2/19/2022 9:56 AM
36078	It first gave me hope that we might see an end to the mandates, then gave me concern that the radicals would spoil it for the well intended. Now the Government's handling of it makes me sick and embarrassed to be Canadian.	2/19/2022 9:56 AM
36079	It is very upsetting and got out of hand and will affect all in the near future	2/19/2022 9:56 AM

36099	They gave me hope	2/19/2022 9:56 AM
36100	Brought hope to see so many Canadians supporting it, felt the love and unity, gave me hope for our future. I am disgusted with government overreach and inability to TALK to them. We need to talk, and debate the science running the narrative. Extreme measures without a conversation has made Canada look like a dictatorship to the rest of the world. The whole world is watching. So embarrassing. The convoy boosts Canada morale the government destroys our country. This is not ok!	2/19/2022 9:56 AM
36101	The trucking convoy affected my life by making me believe Canada can still truly stick together. I love the way they stood up and did not fight just hugged and kept it peaceful I applaud them. They are still my heroes they were heroes for two years and then they throw the mandates in and now they're just a piece of crap I don't believe that. A lot of this could've been avoided if Justin Trudeau would've just talk to him like human beings. So it's a fact in my life to come from all of this convoy so I really don't have a whole bunch of faith in our justice system or our politicians and I think Justin Trudeau and the liberals need to go .	2/19/2022 9:56 AM
36102	It has created hope with a tyrant government	2/19/2022 9:56 AM
36103	It's has restored my faith in the Canadian People. It has given me hope for exposure of the corruption that is happening. Hope that my child will grow up in a free country. Hope that my grandparents didn't fight for freedom only for us to lose it. I am emphatically grateful for the Truckers initiating the PEOPLES MOVEMENT!	2/19/2022 9:56 AM
36104	They give us Hope and United Us ♥	2/19/2022 9:55 AM

36110	Gave people a little bit of voice. Even though it's not really heard by our blockhead government	2/19/2022 9:55 AM
36111	It hasn't affected us other than we are proud of people standing up for our charter of rights and human freedom.	2/19/2022 9:55 AM

that there are better ways to dealing with Covid-19 . After two years, the trucking convoy feels like spring after a long, hard winter to me and those close to me.

36128	Very positively.	2/19/2022 9:55 AM
36129	Made me at first to have some hope for Canada then more anger and stress not trusting government leaders or regular news media. Too much misinformation and propaganda. Bully police videos surfacing from Ottawa and other places.	2/19/2022 9:55 AM
36130	I've been encouraged to see individuals begin to stand up for the rights and freedoms that we are supposed to enjoy in this country; the threats of having our liberties removed and being ruled by tyrannical governmental authorities of deeply concerning	2/19/2022 9:55 AM

36132	It has shown me that I am not alone or isolated in my concerns for our country.	2/19/2022 9:55 AM
36133	Watching the freedom convoy protest for our freedom in Canada has made me proud to be Canadian.	2/19/2022 9:55 AM
36134	Brings hope and Unity when PM Trudeau trying to separate Canadians	2/19/2022 9:55 AM
36135	It has given me some hope for our future and freedoms. It has also made me realize how corrupt ourGovernment is and what a weak and cowardly Prime Minister we have. He should have just sat down with the freedom convoy organizers and came to a solution, instead he hid and stuck his head in the sand like a coward. I know many people who went to the protest and they said is was the most loving peaceful organization . This was handled so poorly. I also have no respect for the mainstream media, they are so corrupt and lie to the public. No wonder people think the way they do, they are being brainwashed.	2/19/2022 9:55 AM
36136	It has inspired me to speak out against all the injustices!!	2/19/2022 9:55 AM
36137	The trucker convoy has given me hope and restored my faith in humanity	2/19/2022 9:54 AM

36139	It has given us hope	2/19/2022 9:54 AM
36140	The trucking convoy has brought hope to the people of Canada. Front line workers are the foundation of a democratic country, which we are not at the moment. Elite politicians And business billionaires dictating what the Canadian ground workers should do while conducting their business as usual.	2/19/2022 9:54 AM
36141	It has given me hope that these grass roots Canadians have taken the cause of Canadians to the Capital to try and convince our government that mandates need to be done!	2/19/2022 9:54 AM

36148	The convoy gave us hope.. made us feel like we were not alone feeling this way and that enough is enough... time to follow the convoy and protest the tyrant government. The convoy made me realize that all Mainstream media are corrupt and doesn't tell the real story... just trying to cover up the corruption of the government. Why , still to this day .. that the PM is not in jail?	2/19/2022 9:54 AM
36149	Encouraged hope that we can again become united and free. The joy and smiles on the people's faces around you is so sweet. Not avoiding each other, looking each other in the eye, seeing smiles. Talking together again, not fearful.	2/19/2022 9:54 AM

36163	For the first time in two years I have hope	2/19/2022 9:54 AM
36164	It gave me some hope. Maybe the government would listen to the "fringe"	2/19/2022 9:54 AM
36165	I went to ottawa. It changed my life. I tried to stand up before but was left standing alone	2/19/2022 9:53 AM
36166	It's given me hope and made me proud of Canadians again. Though how the PM has handled it has made my heartbreak that he leads our country and tries so hard to divide us!	2/19/2022 9:53 AM
36167	Not one but	2/19/2022 9:53 AM
36168	Not at all.....it has only brought people together. All we have seen is love from this until the police trampled people with their horses !! Can't believe this is happening in Canada. The world is disgusted by Canada... laughing at our PM and seeing how evil he is. The convoy has only brought love !	2/19/2022 9:53 AM

36183	They stand up for freedom amd our God given rights which we are born with. They speak and stand for the people of Canada and the world	2/19/2022 9:53 AM
36184	Given my a hope that had been eroded over years of government overreach and media manipulation. Provided a pride in my country that I haven't had in so long, I assumed it was lost forever. Revealed that those who have been abused by of governments and their manipulating media arms are not alone, are not isolated, are not powerless. Restored my hope in humanity	2/19/2022 9:53 AM
36185	Has helped Canadians see how corrupt our government is	2/19/2022 9:53 AM
36186	It has made me proud to be Canadian again. Once again Canadians have stepped forward to defend what is good and right. I just pray their sacrifice will be remembered and honoured and not disregarded or slandered. Canadians vote on Canadian Mandate - February 2022

36200	Only in a positive way to continue to encourage us to fight with everything we have for our freedoms and to be encouraged to see the unity of everyday folks across Canada and the working class trying to rise up against the tyranny of a prime minister who sold the country a long time ago to the NWO. Solidarity to us deplorable blue collar workers! It has exposed corruption more. It has made me emotional to see those who have come to this once free country from communist/ socialist countries who are crying and Afraid and begging the government to stop this tyranny	2/19/2022 9:52 AM
36201	Giving me some hope.. and has hopefully helped with lifting restrictions come March in my province	2/19/2022 9:52 AM
36202	It hasn't really. Its opened my eyes more to see that Trudeau must go	2/19/2022 9:52 AM
36203	It's great	2/19/2022 9:52 AM
36204	Gave hope to Canada as a whole	2/19/2022 9:52 AM
36205	Given hope	2/19/2022 9:52 AM
36206	Pride in Canada has returned	2/19/2022 9:52 AM
36207	It's the only thing to be proud of as a Canadian in the last 2 years	2/19/2022 9:52 AM
36208	Given us hope for the future and courage to question the 'powers' that be	2/19/2022 9:52 AM
36209	It has given me hope and a sense of patriotism.	2/19/2022 9:52 AM
36210	Gave me hope	2/19/2022 9:52 AM
36211	This has been the most inspiring, unifying, peaceful thing to ever happen to me. It has given our family hope that we can live freely again, with our God-given sovereignty and body autonomy.	2/19/2022 9:52 AM
36212	Show me that I am not alone. To be strong and gave us lots of hope and love. I am so proud of every trucker.	2/19/2022 9:52 AM
36213	It has brought HOPE that I'm not alone, that there are millions of people who feel exactly as I do - that the mandates have done nothing except be detrimental to almost all Canadians.	2/19/2022 9:52 AM
36214	Has given me hope	2/19/2022 9:52 AM
36215	It has inspired me that there is some hope for Canada yet.	2/19/2022 9:52 AM
36216	I gave me hope, so many people support them across the country from every province, made me think that even though our current government has worked hard to divide us, we aren't as divided as I was lead to believe.	2/19/2022 9:52 AM
36217	Proud of them for actually fighting for our freedom!	2/19/2022 9:52 AM
36218	Proud	2/19/2022 9:52 AM
36219	It has given me hope that we can come together as a country and get back our freedoms	2/19/2022 9:52 AM
36220	Gave me hope, laughter and joy again! They have United Canada and the world. Many countries are following their lead and demanding justice for the people as it should be. I love, support and respect them. The government works for the people not the other way around. It is very shameful that our Prime minister has not even met with the Freedom Convoy; but he is attacking them. He is not for the people or he would be in communication with the people instead of using force.	2/19/2022 9:52 AM
36221	Proud of their efforts. They were able to bring the country together. They are not a fringe minority, our PM is disgusting coward.	2/19/2022 9:52 AM
36222	It have restored my hope.	2/19/2022 9:52 AM
36223	It shows that we have people who are genuinely concerned for our freedom which should be the case because we are suppose to be a free country but Trudeau has become a dictator.	2/19/2022 9:52 AM

36226	It didn't so far	2/19/2022 9:52 AM
36227	Given us hope	2/19/2022 9:52 AM
36228	It has given hope that Canadians are willing to step up and voice against the over reach of the federal government	2/19/2022 9:51 AM
36229	For the first time in 2 years I have had hope for Canada to finally make their way out of this horrible life we have been forced to live. It made me feel like I wasn't the only one out there that felt the way I did. That I wasn't the minority Justin Trudeau made us all feel like we were. It showed how loving, caring and peaceful Canada is and what our country is known for. It showed we had a voice and we needed to be recognized and heard. I had given me HOPE, peace in my heart and absolute happiness to see how amazing Canadians are again.	2/19/2022 9:51 AM
36230	Gave me hope. Seems like there are very few "good guys" left in the world.	2/19/2022 9:51 AM
36231	It has gave me hope! It was amazing to see so many Canadian feel the same way!	2/19/2022 9:51 AM
36232	It has brought so much hope to Canada. It has been very encouraging to see how many other people know this is wrong and are making a stand for it.	2/19/2022 9:51 AM
36233	It's given me hope that our nation does have a heart beat and it beats for love, unity and freedom for all.	2/19/2022 9:51 AM
36234	Not at all	2/19/2022 9:51 AM
36235	It has brought our family hope. It has brought people together. It has showed us, that many people in our country believe in freedom and are willing to take a stand peacefully. I believe because of their voice, many restrictions and mandates have lifted throughout the provinces.	2/19/2022 9:51 AM
36236	It opened my eyes to the truth on who justin trudeau really is	2/19/2022 9:51 AM
36237	The Convoy has not affected my life. I appreciate their voices; in which are stating that they have Yahayah given rights to live on the land (Canada). These mandates are not law nor statute. People were coerced, feared into and manipulated into following these mandates. Coercion is illegal. Mandates are voluntary.	2/19/2022 9:51 AM
36238	It gave me hope. It allowed people to come together and have some fun.	2/19/2022 9:51 AM
36239	Yes... its brought immeasurable hope and joy. To wake up each day knowing people around the country felt as we did... to not feel alone was a true healing movement. To bring hope that SOMEHOW we could get politicians to listen... we know they have an agenda to roll out on us... and we don't want it. We can't even discuss it as Conspiracy is constantly screamed in our face... we NEED the truckers because everyone else is too afraid of losing their jobs. They are OUR soldiers now. The people's soldiers. As our paid police and soldiers all went to work for the corporation of Canada.	2/19/2022 9:51 AM
36240	Given me New Hope and belief that Canadians are not as herd minded as they appeared to be.	2/19/2022 9:51 AM

36279	I found out so much information about how tyrannical our Canadian Government really is and in saying that I mean Trudeau. I found so much information on the internet because of the convoy and this man should not be controlling our country.	2/19/2022 9:50 AM

36288	It gave me hope. I went to Ottawa to see for myself and it was so peaceful and joyful. I donated money through GiveSendGo and a local reporter contacted me since my email address is now public due to the hack. I believe that protests and petitions are our only hope for holding onto a shred of democracy.	2/19/2022 9:49 AM
36289	It's given me hope in Canada again	2/19/2022 9:49 AM
36290	Frustrated me that it had to get this far. The Crime Minister needs to resign!	2/19/2022 9:49 AM
36291	Not greatly, I support the message the convoy portrays not the one the media gives them	2/19/2022 9:49 AM

The tears of hope and love in every single persons eyes that you met there in Ottawa fills your heart with hope. The trucker convoy feels like unity and love.	2/19/2022 9:48 AM

36323	Given me hope	2/19/2022 9:48 AM
36324	It hasn't	2/19/2022 9:48 AM
36325	It has added hope to truth and love and happiness and unity. Its all that prevents my wife from taking the last step. This is madness and mandates, over reach, and abuse of power are to blame.	2/19/2022 9:48 AM
36326	i believe what there doing is whats write for our country peace and love and fighting for our charter of rights to peacefully protest on parliament hill,also i don't believe what the police and news people have done to our people of Canada we are a free country so id say these are my thoughts pushing old people down hurting our veterans is just so wrong on so many levels	2/19/2022 9:48 AM
36327	In a positive way. I feel I'm not alone in this and my voice can be heard. Trudeau's government just robbed me and ruined my life and life of my family.	2/19/2022 9:48 AM
36328	I have gone 2 weekend, I cried happy tears that I wasn't alone in feeling this way	2/19/2022 9:48 AM

36331	Brought hope of a free canada, now I see we are run by terrorist politicians Trudeau Singh Etc and quebec is not part of canada	2/19/2022 9:48 AM
36332	It hasn't yet but hope they get what they have been asking for most of the Canadians. Trudeau needs to go because he's trying to make us a terrestrial state.	2/19/2022 9:48 AM
36333	Brought very much hope that Canada can be a great country again. Amazing to see Canadians unifying once again. As a trucker family we are very proud of the trucking convoy.	2/19/2022 9:48 AM
36334	After 2 years I am not alone. Thousands if not millions of other Canadians feel the same as my family and I. I went I seen for myself what was going on in Ottawa and although I was feeling low about myself, Ashame and distant from everyone the air in Ottawa immediately changed me. There were people of all race, religion, sexual orientation, vaxxed and unvaccinated but we were all one. I have never in my life felt that kind of peace, love and unity. I'm so grateful to the truckers for this world movement. I have also witnessed the corruption that our Prime minister, our justice system and social media have created over the pass 2 years and unless proven, I will never have faith in them again. They are ruining our country. The truckers are not the violent, terrorist that the government portrays they are. They	2/19/2022 9:48 AM

have not broken any laws and they are respecting our charter of rights and freedoms. Justin Trudeau is being unlawful and he is breaking the law. This is everyones Country and no man is above the law...

36335	It hasnt	2/19/2022 9:48 AM
36336	It gave us hope and comfort. Pathetic Trudeau ran away from them.	2/19/2022 9:48 AM
36337	It has made me encouraged that some people still use their brains and read the constitution and act on their Canadian born rights and freedoms. What is alarming is seeing our own Prime Minister, who is supposed to be the greatest supporter of the people of Canada, ignoring, demonizing and dividing Canadians who have a differing viewpoint than himself. Andrew Scheer himself said that a Liberal asked him why he returned waves of greeting from protestors...Andrew Scheer was shocked. Why has it become wrong to be polite to people? Even if you disagree, everyone should be HEARD and VALUED - not IGNORED and DEMONIZED. Our Prime Minister needs to listen to the People of Canada. He has been voted in to serve ALL CANADIANS.	2/19/2022 9:48 AM
36338	brought me some hope in life	2/19/2022 9:48 AM
36339	It woke me up as a Canadian to see what is really going on in the political realm.	2/19/2022 9:48 AM
36340	They r giving me hope	2/19/2022 9:48 AM
36341	I thought I was alone, on the fringe as our PM said. They have given me hope that my daughter will be able to have a good childhood and life in the free country I fre up in.	2/19/2022 9:48 AM
36342	Drawn a line for Canada, our constitution and her people. Blatantly exposed the shameful , self centered behaviour of our Prime Minister. The world is laughing.	2/19/2022 9:48 AM
36343	Given me hope	2/19/2022 9:48 AM
36344	Its made me proud to be a Canadian again. I have tremendous respect and love for what they are doing on my and my family's behalf. ♥	2/19/2022 9:48 AM
36345	It hasn't.	2/19/2022 9:48 AM
36346	Gave me hope that our PM would at least meet with Canadians	2/19/2022 9:47 AM
36347	I'm inspired by the truckers. They have given Canadians the chance to oppose tyranny!	2/19/2022 9:47 AM
36348	upset with all the lies in the media upset that they were not listened to upset at trudeau	2/19/2022 9:47 AM
36349	Quite a bit	2/19/2022 9:47 AM
36350	It didnt	2/19/2022 9:47 AM
36351	Gave me hope that we have rights, that we have a voice. Showed me that the government and the state run media is corrupt	2/19/2022 9:47 AM
36352	I have been to Ottawa to support the convoy. I have never seen a more beautiful community event in my life. It was the first time in 2 years I really felt alive and had hope. The amount of people from every walk of life and from every ethnic group that made up a united people- that is Canada. People hugging. Laughing. Dancing. Serving. Handing out free food. Every trucker saying they are doing this for our kids. And we took our kids and they had an amazing time playing and handing out cards. This is about elites versus working class people. These truckers are necessary and it took them to bravely stand up.	2/19/2022 9:47 AM
36353	Brought me hope to live	2/19/2022 9:47 AM
36354	Its given me hope! Hope for a future hope for my children in Canada	2/19/2022 9:47 AM
36355	Shown me that Canadians can still unite and fight for freedom	2/19/2022 9:47 AM
36356	Given us hope. I have cries almost everyday. They touched the hearts of my family. They are fighting for what we stand for, Our country	2/19/2022 9:47 AM
36357	No impact	2/19/2022 9:47 AM
36358	brought hope to us so that our children may live a full and free life as we have enjoyed. Say NO to the global reset...tell Shwab to go to hell.	2/19/2022 9:47 AM

36361	Opened my eyes to government corruption.	2/19/2022 9:47 AM
36362	Brought me hope. So proud of their peaceful loving message. If our government met them in the beginning as requested, the police wouldn't have to do what they are wrongly doing.	2/19/2022 9:47 AM
36363	Not really, but does let me know I'm not alone with the feelings and questions	2/19/2022 9:47 AM

36368	It has disappointed me. It has divided Canadians and further reinforced the growing divide between science and conspiracy.	2/19/2022 9:47 AM
36369	Gave me home for getting my freedom back	2/19/2022 9:47 AM
36370	Strengthened my relationship with God and prayer life I see it bringing hope and a renewed strength to many	2/19/2022 9:47 AM

36380	It has gave me hope for my family and I support them hold the line	2/19/2022 9:46 AM
36381	It has given me a sense of hope, love and goodness in my heart! The convoy has given us a chance to have our freedoms and rights restored. To put an end to the tyranny. JUSTIN TRUDEAU MUST GO.	2/19/2022 9:46 AM
36382	It has made me feel a sense of unity and pride. That we are not alone. Eyes are wide open on the way our government is running things into the ground.	2/19/2022 9:46 AM
36383	Gave me hope to see Canadians standing up against unjust mandates.	2/19/2022 9:46 AM
36384	Wonderful	2/19/2022 9:46 AM

Canadians vote on Canadian Mandate – February 2022

36389	It has confirmed everything we suspected. The police side with white nationalists. They have been given special treatment to occupy a city for 20 days with no action. If it was any other group they would have been massed and rubber bulleted on the 3rd day. They think only the freedoms of themselves matter. They don't believe freedom comes with a social responsibility. The conservatives have completely flipped. In 2019 they were not in support of illegal blockades on critical infrastructure that halt the economy but now that it is white people, they do support that. We have a threat of entitled white men that believe the government is tyrannical and want to overthrow our democratic system. The truck convoy and created an even bigger divide and has taken advantage of hurting Canadians to join them. This is just the beginning for these domestic terrorists. The truck convoy has taken freedom way from Canadians. They will pass legislation on restricting crowdfunding, crypto and protesting in the future. This has destroyed our reputation.	2/19/2022 9:46 AM
36390	It hasn't other than we are proud to see Canadians standing up to tyranny.	2/19/2022 9:46 AM
36391	Given me hope that Candians can get their lives and freedom back. Let me know that many Canadians are fed up with the mandates and I am not alone in my desire to end the mandates and get my life back. They have united the country against tyranny and restored my belief that Canada can once again be a free democratic nation if enough people stand up for their freedoms.	2/19/2022 9:46 AM
36392	Gave me hope, felt proud to be a Canadian	2/19/2022 9:46 AM
36393	Gave me hope to see our people standing together as everybody's important! Never one person more than the other! Too much power for 1 person is too much!!	2/19/2022 9:46 AM
36394	Opened my eyes to what is wrong with the government of Canada. The money handed out. The dictatorial reign or the prime minister,	2/19/2022 9:46 AM
36395	.	2/19/2022 9:46 AM
36396	Has given me hope that I am not alone in the world. Has given me hope that people of all colors and backgrounds can work together and show true love and support. Government is about division.	2/19/2022 9:46 AM
36397	Gave me hope for the future of my children and grand children.	2/19/2022 9:46 AM
36398	Given hope, given courage.	2/19/2022 9:46 AM
36399	They inspire me to want our freedom back	2/19/2022 9:46 AM
36400	Brought inspiration, hope, happiness seeing so many people from all walks of life come out of the darkness for the same thing. End mandates.	2/19/2022 9:45 AM
36401	Positive. Hope	2/19/2022 9:45 AM
36402	It's only had a positive effect on my life. The trucking convoy has given me hope that when all parties can come to the table & have a civil discussion, we can lift the mandates ASAP. Especially if 90%+ of Canadians have received 2 vaccines and a booster. What worked yesterday will not work tomorrow. The territory has shifted and we need to adapt to survive.	2/19/2022 9:45 AM
36403	Given me more confidence to speak out against the mandates	2/19/2022 9:45 AM
36404	It has divided family and friends. It has cost the economy millions. It has disrupted the supply chain. It is effecting the cost of living. They are a minority who think they are speaking for the whole country. They are NOT. They are not just fighting for the truckers vaccine mandate....which many would've supported. Trudeau just won an election. I didn't vote for him, but that's who won. You can't just throw him out. Suck it up and vote him out next time. The convoy is much more than a protest and I think the point has been made and they should go home and let the country try to get back to some kind of normal	2/19/2022 9:45 AM
36405	Gives hope there are many Canadians who love Canada	2/19/2022 9:45 AM

by the house of commons. I am saddened that they throwback race card constantly and can never make decisions or give answers. Very disappointing the way our country is being run.

36473	I completely support the convoy. They need to be heard and this mandate lifted so they can go back to work to supply our stores with merchandise.	2/19/2022 9:43 AM
36474	Gives me hope	2/19/2022 9:43 AM
36475	My plant may have loss a day's production but I stand for the Canadian freedom of choice! Freedom to peaceful demonstrations against incompetent government etc.. The right to earn a living, run a business to full capacity!	2/19/2022 9:43 AM

36479	It has given us hope for the future	2/19/2022 9:43 AM
36480	It has inspired me by seeing ordinary people take back their power. The divisive and disgraceful response by government has disheartened me immensely	2/19/2022 9:43 AM
36481	Made me proud to be Canadian again I have not been for 2 yrs	2/19/2022 9:43 AM
36482	They are helping us get our freedom back it's been 2 years we have been separating people it's time for other ways but not like this	2/19/2022 9:43 AM
36483	Not at all	2/19/2022 9:43 AM
36484	They have given us hope. My husband and I say that this is the most patriotic we have ever felt - when we watch the truckers and people holding the line downtown. I am devastated by the pm's handling of the situation. Devastated.	2/19/2022 9:43 AM
36485	Give me hope! Shown me I'm not alone and that we may get our country back.	2/19/2022 9:43 AM
36486	I felt hope. The truckers were finally doing something - making noise and making it okay for me and others to say "no, we DON'T support what's been going on and what's been done to us."	2/19/2022 9:43 AM
36487	Hasnt	2/19/2022 9:43 AM

36490	I am so proud of the convoy for freedom! I wish I could have gone to ottowa to support them but I couldn't. We made cookies for the truck drivers with thank you notes.	2/19/2022 9:43 AM
36491	It gives me a hope that Canadians will stand together and Rid our fare country of would be Dictator for once and all	2/19/2022 9:43 AM
36492	It helped me to feel that I am not alone. To know that there are so many freedom loving Canadians that understand this entire plandemic is all about wealth transfer, control over the people, a destruction of life as we know it, it restored my hope and faith in people and our country.	2/19/2022 9:43 AM
36493	Made me realize there are many who feel the same way I do.	2/19/2022 9:43 AM
36494	It hasn't directly, there haven't been demonstrations in my neighborhood (Toronto waterfront)	2/19/2022 9:43 AM

36499	They've given us hope, something to fight for.	2/19/2022 9:42 AM
36500	It gives me hope that this evil will stop crushing us. They are standing for me and my fellow humans	2/19/2022 9:42 AM
36501	Boosted my confidence in human kind	2/19/2022 9:42 AM
36502	It's given me hope	2/19/2022 9:42 AM
36503	It gave me hope. I saw my son finally feel like Canada would be free again. Gave him hope	2/19/2022 9:42 AM
36504	Seeing the joy and unity in so many people across Canada, it sparked hope in my heart for the first time in a very long time. I hoped that it might be the start of unifying our Country, but sadly, the PM and his prideful ignorant determination to refuse to even meet with the participants, and his use of inflammatory language makes it appear as though you must either agree with him or face consequences. I am afraid to think what state our country will be in by the time his 'reign' is over. But I digress... I do feel bad for the people in downtown Ottawa who have been inconvenienced by the noise and added traffic to the area. But I do not believe that the convoy participants are responsible for the businesses closing. That was on the authorities. Some businesses remained open and have done quite well with support from convoy participants.	2/19/2022 9:42 AM
36505	Gave me a sense of hope that our government would wake up and make reasonable decisions	2/19/2022 9:42 AM
36506	It hasn't it's great to see Canadians finding out we have all the power not a handful of criminals in parliament	2/19/2022 9:42 AM
36507	I love them they are heroes	2/19/2022 9:42 AM
36508	Its nice to see some people finally standing up for the rights of Canadians	2/19/2022 9:42 AM
36509	The trucking convoy has brought me hope and a sense of potential changes are going to happen. I am in support 100% of their message to open up the country and borders like they used to be. Some say they are going too far but regular protesters have been fighting for 2 years with no success so it was time for more serious and eye opening actions to be taken. These truck drivers who have been working in discussing conditions over the last 2 years are not ready to let up until the government comes to their senses and open everything like it should. They have survived 2 years of nonsense torture, they are built and ready for anything.	2/19/2022 9:42 AM
36510	None at all	2/19/2022 9:42 AM
36511	It is shameful that our Prime Minister has not met with the truckers to discuss their issues. He told India during the farmers protests that the government should have peaceful dialogue with the farmers, whereas he himself cannot meet with his own people, hard working Canadians who have something to say to their Prime Minister. And then to invoke an Emergencies act to resolve. My husband and I have many family members who have worked as truckers, farmers, and heavy duty mechanics. We are regular normal working people, and this group of people were not heard by our Prime Minister. It is shameful that our Prime Minister has acted this way. Our faith in the political system, all politicians and the media during this entire pandemic has been seriously shaken.	2/19/2022 9:42 AM
36512	Made me feel better that someone is trying	2/19/2022 9:42 AM
36513	Comfort	2/19/2022 9:42 AM
36514	It has given me hope.	2/19/2022 9:42 AM
36515	Given hope to the nation. Hope that the mandates that are an infringement on our rights will be taken away. Our country is not free right now and does not care of about everyones right	2/19/2022 9:42 AM
36516	It has caused minor shortages but it is a necessary inconvenience to stand for freedom, it has reminded me that we all need to push back on tyranny	2/19/2022 9:42 AM
36517	It has given me hope that perhaps things can change	2/19/2022 9:42 AM
36518	It has brought me hope for humanity. Showed me that people can unite and achieve amazing results when they do. It has made me proud again to be a Canadian.	2/19/2022 9:42 AM
36519	Gave me hope the mandates are coming to an end!	2/19/2022 9:42 AM

36540	I had some hope that someone might get through to the government. The convoy showed me that I cannot trust the mainstream media nor the government it works so hard to cover up for.	2/19/2022 9:41 AM

36553	I finally see people standing up for our rights and freedoms. How can't I support that?	2/19/2022 9:41 AM
36554	Gave me inspiration that we will get our freedom back. That we as Canadians need to unite to keep our country free. Made me see the Trudeau doesn't care about the people and created a lot of violence toward innocent protesters. Gave me inspiration that we as Canadians have rights, as we want our freedom back. This has gone on way too long everybody has complied and nothing has changed by the government. The truck and Convoy has it been a positive inspiration with peaceful protests. Made me see what our government is capable of doing to our people in a negative manner.	2/19/2022 9:41 AM
36555	Going on for too long! Don't like that the truckers are involving/including their children and using them as shields and affecting other citizens workplaces! Enough is ENOUGH!	2/19/2022 9:41 AM

36567	Except for a few items not available at the stores, not at all. I have to say that this has affected me positively. I am hopeful and happy that we are finally getting together as Canadians to fight unjust governments and their overreach in peoples personal lives. It has given me courage to stand up to tyranny and say no. Thank you for giving Canadians a voice	2/19/2022 9:40 AM
36568	It has not affected me.	2/19/2022 9:40 AM

36572	They finally brought hope	2/19/2022 9:40 AM
36573	Gave us hope! They haven't done anything wrong. They have been peaceful. If anything it has showed us how corrupt the government is. And the media. With what Trudeau has done he should be in jail. Trudeau has bullied people to vaccinate, wear masks, caused bullying, changed laws to his needs, and people have killed them selves. Last I checked the person responsible would have a trial in court and be sent to person! Trudeau is a criminal. He needs to be taken out of power and put in person. I used to love my country! Now I'm can't even stand to live here! The truckers stood up for the scared , bullied Canadians, the innocent children that don't have a voice. And Trudeau has showed his true Colors. The science is even says it's treated like a cold/flu. So why is Trudeau still dragging this on? He doesn't care who he kills. He wants the power. He is crazy! If he stayed in power. Canada will fall. Our children will have no hope! Family's have been separated. I saw videos of how the children with truckers were happy and dancing. And Trudeau tried to paint a picture of hate to his small group of people that these kids should be taken away my protective services. Yet he tried to	2/19/2022 9:40 AM

take away the fuel, the food and the hotels for these poor children these poor people. He doesn't care about Canadian. Only himself. He blames everyone else but himself. He's Narcissistic and bipolar runs in his family. He is a liar and a murderer. Mr.Trudeau remember your own children will see what you have done to there home country and they will hate you for it! The whole world is watching you!

36591	Freedom fighters 2022 are amazing! Fighting peacefully for our Canadian freedoms	2/19/2022 9:39 AM
36592	No affect other than some hope in the beginning. But now sadness to see how our Canadian government and media dealt with this situation that could have easily been handled with conversations and negotiations.	2/19/2022 9:39 AM
36593	Given hope	2/19/2022 9:39 AM
36594	They have stood up and asked questions that need answers.	2/19/2022 9:39 AM

Canadians vote on Canadian Mandate – February 2022

36602	The mandates are ostensibly being lifted, so the convoy has been positive in intent and effect. The actions our government were taking no longer line up with “the science”, by anyone’s rendering of it. I agree with them going to Ottawa, as the mandates were too much, and the truckers were representing many more Canadians than were present, and their rights. They should have left when asked to do so, but then again, it’s really hard to trust that a PM who is as dishonest as this one will keep his word. This was also one of the most peaceful protests in Canadian history (or any nation, for that matter, considering its duration), and they deserved better from the federal government and law enforcement. According to the Canadian Charter, their rights were indubitably infringed upon and...trampled.	2/19/2022 9:39 AM
36603	Nothing	2/19/2022 9:39 AM
36604	I support it 100% there fighting for my freedom	2/19/2022 9:39 AM

36606	Positively	2/19/2022 9:39 AM
36607	First it was inspiring. Then after seeing how the govt had treated it and how they’ve shown the complete miss use of power and hiding of the real stories and events taking place it’s only made me sadder	2/19/2022 9:39 AM
36608	A hope for living longer in this world	2/19/2022 9:39 AM
36609	The PM has invoked a act in which he is not in conjunction with the policies to enforce it , the people of Canada are standing up for which is just	2/19/2022 9:39 AM
36610	This Trucking Convoy has allowed me to have faith and pride in my country for the first time in a very long time. Seeing everyone come together after being torn apart was so amazing it brought tears to my eyes more than once. These are not racist, misogynistic terrorists. These are good, hard working people who’ve had their lives turned upside down by government over-reach. This country is unrecognizable.	2/19/2022 9:39 AM
36611	In a positive way, it gives us hope that the mandates will be dropped	2/19/2022 9:39 AM
36612	It hasn’t	2/19/2022 9:39 AM
36613	Very positive. Has have a glimmer of hope for the first time in 2 years	2/19/2022 9:39 AM
36614	It seems to be working. It’s peaceful and they are proud Canadians from all walks of life standing up for our rights and freedoms.	2/19/2022 9:39 AM
36615	It has been the most positive thing to give us hope to get our freedoms back	2/19/2022 9:39 AM
36616	The convoy gave me hope that our voices were being heard and I was proud to be a Canadian, something I haven't been in a number of years.	2/19/2022 9:39 AM
36617	ENCOURAGING!	2/19/2022 9:39 AM

36629	Being happier and seeing future for myself, my family, my friends, and people all around the world...	2/19/2022 9:38 AM
36630	It has made me feel proud to be Canadian. Makes me feel not alone. But other than watching and cheering them on it hasn't affected me much.	2/19/2022 9:38 AM
36631	Brought back hope and joy and love!! Made me feel not alone and i know we will win!! Our freedoms will be restored.	2/19/2022 9:38 AM
36632	Embarrassed as a Canadian. Topped up an already divisive issue and forever altered and damaged relationships. I agree the cross border restriction is harmful to the economy and should be an exception to the vaccination mandate with other precautions in place. I wish this convoy had been avoided by making a smarter decision on this one. Ended up rounding up a bunch of yahoos and wasting a lot of important time money and energy	2/19/2022 9:38 AM
36633	Nil	2/19/2022 9:38 AM
36634	Good,I fully support them	2/19/2022 9:38 AM
36635	It has renewed my hope in Canada - until yesterday when the disgraceful people posing as police violently attacked the peaceful protesters. Going so far as to attack our veterans and trample people with their horses!! The truckers ARE the voice of the Canadian people - NOT Trudeau or our joke of an MP.	2/19/2022 9:38 AM
36636	They have spread nothing but love, support and provided hope for people all over the world.	2/19/2022 9:38 AM
36637	I'm SO proud of the truckers who have unified Canadians while our government has divided Canadians.	2/19/2022 9:38 AM
36638	Confirmed the Canadian Government is weak. With weak men, and cowardly women.	2/19/2022 9:38 AM
36639	Made me believe that there are good people out there that cares	2/19/2022 9:38 AM
36640	It brought a sense of hope to our nation and the world. It gave us something to feel hopeful about. That we and our voices mattered. We have been taken advantage of by our government forgotten sake of power and money. It's time for us to change the trajectory for our future and the future of our children	2/19/2022 9:38 AM
36641	It hasn't, it has given HOPE	2/19/2022 9:38 AM
36642	Voiced our concerns	2/19/2022 9:38 AM
36643	I feel that the trucking convoy was a necessary outcome in light of the heavy handed control that our federal leader has perpetrated on Canadian citizens with regard to our freedom of expression & ability to make our own rational decisions.	2/19/2022 9:38 AM
36644	It has not	2/19/2022 9:38 AM
36645	Very inspirational, united Canada and Canadians. Exposed government overreach in creating laws that violate human rights of Canadians. Very concerned in the direction Canada is heading with current Government.	2/19/2022 9:38 AM
36646	They gave me hopes	2/19/2022 9:38 AM
36647	It has showed the world how corrupt our government actually is	2/19/2022 9:38 AM
36648	It has given me hope that maybe some changes will be made	2/19/2022 9:38 AM
36649	It is Brought awareness to the Plato's all Canadians	2/19/2022 9:38 AM
36650	The trucker convoy has given me hope. Soooo much hope.	2/19/2022 9:38 AM
36651	It has not. But does give me hope that the government will listen to what Canadians want.	2/19/2022 9:38 AM
36652	Not much	2/19/2022 9:37 AM
36653	I'm grateful for what they have hoped to accomplish and I'm disappointed with the response of the government	2/19/2022 9:37 AM
36654	Only in the positive	2/19/2022 9:37 AM
36655	Gave me hope that good/truth will prevail. The government is supposed to protect and work for	2/19/2022 9:37 AM

its citizens and as a society we have become complacent with them running our lives.

36656	I have been blessed to know that they are fighting for our freedom.	2/19/2022 9:37 AM
36657	Allowed myself to think maybe Canada could be getting back to normal.	2/19/2022 9:37 AM
36658	Given me hope since the people have United across Canada in the world	2/19/2022 9:37 AM
36659	Yes, it gave me hope, it brought people together, some medical information was brought to the surface, I knew politics had a big influence on us and I was very saddened when our Prime Minister refused to listen to the truckers. Truckers were representative of true Canadian. I'm sorry some people's lives were disrupted and I also realized that living in a capital has its risks and benefits. What they did proved that we can rebuild our country with authentic leadership, if we rebuild trust first.	2/19/2022 9:37 AM
36660	Gives me some hope	2/19/2022 9:37 AM
36661	It has brought tears to my eyes so many times and am praying for them and that PM would repent and change his ways of leading this country one day we will all give account for how we have lived	2/19/2022 9:37 AM
36662	Hasn't hurt me at all	2/19/2022 9:37 AM
36663	It has not affected my life.	2/19/2022 9:37 AM
36664	Given hope, unity, freedom and love.	2/19/2022 9:37 AM
36665	It gave me a little bit of hope for Canada's future. Democracy doesn't exist under our current pm.	2/19/2022 9:37 AM
36666	Higher prices in food , fuel , life in general	2/19/2022 9:37 AM
36667	Gives me hope for all Canadians.	2/19/2022 9:37 AM
36668	I haven't noticed any change. But watching them stand up for our rights has given me a sense of hope. I just wish I were young enough and healthy enough to join them.	2/19/2022 9:37 AM
36669	Restored hope	2/19/2022 9:37 AM
36670	Has not	2/19/2022 9:37 AM
36671	Positively. It was the first time in my while life I have felt solidarity, love, and unity in Canada. After being terminated for standing up for my right to medical choice, I felt for the first time that I was being supported. These truckers and supporters are heros and examples of moral, ethical, and just humans.	2/19/2022 9:37 AM
36672	not at all except made me angry. it is ok to protest but they have taken it too far. What are they teaching the children coming up. we can stan up for our rights, but we have to do it in the proper way. they made their point now go home, do some good around your neighbourhood, find someone who needs help. Help do not hinder	2/19/2022 9:37 AM
36673	It has showed me how corrupt the Minority liberals are. And that Trudeau needs to be held responsible and jailed	2/19/2022 9:37 AM
36674	It has given me hope that we can maybe have our Canada string & free again!	2/19/2022 9:37 AM
36675	made me proud to be Canadian	2/19/2022 9:37 AM
36676	It's brought me new friends who are on the same page as me.	2/19/2022 9:37 AM
36677	They are on the front lines fighting for the freedom of "all Canadians".	2/19/2022 9:37 AM

36681	It made me realize that we can have a voice if we stand up together.	2/19/2022 9:36 AM
36682	Gave me pride and hope	2/19/2022 9:36 AM

	minister thinks he has.	
36684	Horribly. Caused grocery shortages. Made me fear for my safety and the safety of my loved ones. Bullied leaders into removing mandates way too soon. Caused unnecessary drama and divided the country. So selfish.	2/19/2022 9:36 AM
36685	Gave me hope	2/19/2022 9:36 AM
36686	Gives people hope! I haven't felt this happy and hopeful in years.	2/19/2022 9:36 AM
36687	The convoy has given me hope in that I don't feel alone so much anymore and that it has effectively pushed the removal of mandates even though the media and gov. officials deny this.	2/19/2022 9:36 AM
36688	The truckers convoy has affected my life in a very positive way. They're standing up for all Canadians. I don't think they're anti-factors they're just pro-choice. We live in a free country and we certainly haven't been free since she doing post, the world imposed this craziness.	2/19/2022 9:36 AM
36689	Proud of them	2/19/2022 9:36 AM
36690	Given me hope. Given my family hope. Reminded me that human beings do love and care deeply for each other (or at least still have great capacity for love) even if that person is a stranger.	2/19/2022 9:36 AM
36691	I am so for it if it can help to get our Freedoms back. I really feel the police and enforcement have done this in an unlawful way. Thankyou to our prime minister in his unlawful way of handling this. Horrible !! Could scar us all for life. And our dear children and grandchildren.. Thankyou	2/19/2022 9:36 AM
36692	Helping to get our freedom back from whatever is going on with no truth to reporting to the lies that Trudeau is saying	2/19/2022 9:36 AM

36695	Gave me hope that this might end, touched my heart to see men, women and families stand up for our Rights and Freedoms	2/19/2022 9:36 AM
36696	Unaffected	2/19/2022 9:36 AM
36697	It doesn't affect my life, happy that they're still holding the line to freedom!	2/19/2022 9:36 AM
36698	Brought me hope that I am not alone in my feelings and thoughts and desires for freedom in our country.	2/19/2022 9:36 AM
36699	It brought me hope	2/19/2022 9:36 AM
36700	Its been positive..Gives us hope.	2/19/2022 9:36 AM
36701	I support the truckers 100% ! Trudeau is a coward and hiding from them! He fails to remember they are the key to providing food for the east and his family! He threats are not unacceptable for a Prime Minister! He should go to Cuba, if he supports a socialist regime.	2/19/2022 9:36 AM
36702	It has given us hope and reassurance that the people have a voice and the government will know it's place again an organization for the people	2/19/2022 9:36 AM

36747	I am proud to see Canadians standing up for their rights. I'm disgusted by our Prime Minister and his lack of ethics. How the truckers are being treated is horrifying. Equally offensive is the media's biased reporting. These are dark days in Canada and there must be a reckoning for the abuse that has happened at the hands of our leaders.	2/19/2022 9:34 AM

36749	Uplifting	2/19/2022 9:34 AM
36750	Given hope.	2/19/2022 9:34 AM
36751	It has given me hope that there might be some good change to come. They have given us some light in the dark, unlike the government.	2/19/2022 9:34 AM
36752	It has not ever, I'm proud of what they have done and Achieved such a short time. My father was a tucker.	2/19/2022 9:34 AM
36753	A wonderful feeling to see people uniting in Love. A positive movement for sure	2/19/2022 9:34 AM
36754	It haven't but the pm not addressing the situation until it was to late tells me he is not fit for the position he is in	2/19/2022 9:34 AM
36755	NA	2/19/2022 9:34 AM
36756	Freedom	2/19/2022 9:34 AM
36757	I support it	2/19/2022 9:34 AM
36758	It's brought me hope and happiness. I love watching the smiles and love. The world needed to be awoken up to the lies the gov/media/Globalist! The people have trusted for to long! But no more!	2/19/2022 9:34 AM
36759	They have been awakening most of the people around the world and realize that our government is tyranny and Justin Trudeau must be arrested for telling us lies for 2 years I'm very upset about our Pm!	2/19/2022 9:34 AM
36760	Not what so ever. Gave us hope.	2/19/2022 9:34 AM
36761	It has not affected me negatively by the least. It has actually brought to light how MSM is paid by the government to report what narrative they are told. I had to see for myself & all I saw love & unity from all walks of life. Very uplifting in these dark days that our government wants to keep hold of no matter what science & studies from other countries have stated as to the opposite. They want to continue with segregation & control. Truly sad time in Canadian history.	2/19/2022 9:34 AM
36762	Restored my trust in people.	2/19/2022 9:34 AM
36763	Made my point to our government we stand together	2/19/2022 9:34 AM
36764	It's made me feel proud to be a Canadian and also very guilty for not being there with them. I'm extremely grateful for what they are doing.	2/19/2022 9:34 AM
36765	It hasn't	2/19/2022 9:34 AM

Canadians vote on Canadian Mandate - February 2022

36769	Give me a hope for freedom	2/19/2022 9:33 AM
36770	The trucker convoy(s) have shown me that people all over this country think and feel the same as me. It's brought to the attention of the world, the control measures justin trudeau has been allowed to exert over our Country - and get away with.	2/19/2022 9:33 AM
36771	Put a hope	2/19/2022 9:33 AM
36772	It has given us freedom again	2/19/2022 9:33 AM
36773	I'm disgusted with the RCMP	2/19/2022 9:33 AM
36774	Brought hope and joy	2/19/2022 9:33 AM
36775	It hasn't.	2/19/2022 9:33 AM
36776	Has not affected me at all.	2/19/2022 9:33 AM
36777	Disruptions, increase in cost due to delays and disruption to business	2/19/2022 9:33 AM
36778	Inspired unity	2/19/2022 9:33 AM
36779	Made me happy and have hope	2/19/2022 9:33 AM
36780	It brought hope and unity	2/19/2022 9:33 AM
36781	It's given us HOPE. Though it makes me sad that it's come to this, we were otherwise powerless and saw no end in sight to these mandates. It's brought us together - it made us realize we certainly are not a "small fringe". It's brought to light the deceptive media, and we see that it actually was the needed catalyst for regaining our freedom!	2/19/2022 9:33 AM
36782	It has given me hope and a feeling of unity and had brought Canada together	2/19/2022 9:33 AM
36783	So sad to believe how our democracy has changed and how unwelcomed we now feel as unacceptable racist misogynist Canadians..	2/19/2022 9:33 AM
36784	It's awesome Freedom	2/19/2022 9:33 AM
36785	In a positive way, it gave me hope that the government has not all been supported by the Canadian citizens! I lost my employment as a federal public servant for 18 years! I lost my ability to go to my primary country Lebanon! It affected my mother who is 72 years old and cannot visit her own family in Lebanon because she can't get the vaccine because of her heart issues and the doctors are not able to have her a medical exemption when she lost a family member through cancer! I feel canada is a bigger prison than Gaza or North Korea lately!	2/19/2022 9:33 AM
36786	It brought me a sense of hope, but the way it's going now brings heaviness and feelings of defeat.	2/19/2022 9:33 AM
36787	I've been called racist for supporting freedom of choice.	2/19/2022 9:33 AM
36788	Has not	2/19/2022 9:33 AM
36789	Inspired me to stand up for my constitutional rights	2/19/2022 9:33 AM
36790	I'm proud of the Canadians who are standing up. My heart hurts for them now. And I disrespect cops now. They are supposed to serve and protect. Yet they are the ones destroying and hurting.	2/19/2022 9:33 AM
36791	Not at all. So proud of them standing up for all of Canada peacefully in the cold they are the heroes of our time not just for Canada but the entire world	2/19/2022 9:33 AM
36792	None at all. Gives me hope for our freedom.	2/19/2022 9:33 AM
36793	Given me hope that we can/will all start standing up and have had enough. Has taught my children we do not have to stand by and watch injustices happen; helped make my voice heard and that it matters; made me feel less alone and more supported-revealed the numbers	2/19/2022 9:33 AM
36794	Given my family hope	2/19/2022 9:33 AM
36795	I feel like I'm getting my freedom back	2/19/2022 9:33 AM
36796	I now know that I am not alone in this fight and that it is possible to stand and hold the line.	2/19/2022 9:33 AM

Canadians vote on Canadian Mandate - February 2022

	Unity and and love of country and our citizens.	
36797	Given me hope and got some provinces moving towards all mandates being removed	2/19/2022 9:33 AM
36798	It hasn't. But I stand with their mission (not with those who have hijacked it for their own purposes)	2/19/2022 9:33 AM
36799	Created hope for positive change but also showed how twisted the government has become by trying to do whatever it can to deface anything it doesn't agree with. Also has shown cowardly Justin Trudeau is and how poor of a leader he is.	2/19/2022 9:33 AM
36800	The truck convoy gave me hope again.. i support them 100%	2/19/2022 9:33 AM
36801	It's hasn't. It's the only thing that's made me feel alive in the last 2 years.	2/19/2022 9:33 AM
36802	Given me hope!! I support the truckers.	2/19/2022 9:33 AM
36803	Made me proud and thankful go truckers	2/19/2022 9:33 AM
36804	Hope	2/19/2022 9:33 AM
36805	It has not affected me being able to work, nor has it affected goods and services from being able to reach me. It has opened my eyes on the levels of over reach that government is willing to fo against its own citizens. It has saddened me to see my government react in the way it has invoking the emergencies act...something that should only be used in the gravest of issues (like war). I support freedom of choice and freedom of equality. No one should be trampled on horseback for being a bystander!	2/19/2022 9:32 AM
36806	I support the trucking convoy for our freedom in Canada	2/19/2022 9:32 AM
36807	I'm proud that these men and women and standing up for the rest of the Canadians.	2/19/2022 9:32 AM
36808	It has given me hope in a better future and restored my pride in our country, especially seeing that we are not alone; we took our children and dogs to Ottawa to thank the truckers and other convoy compatriots personally and offer moral support. We hope to go back again soon to offer our support. We have been protesting peacefully at local rallies weekly, and proudly display our Canadian flags on our vehicle and shirts. It is awesome to see the truckers come together with such bravery and determination to take back our freedom to choose and to live once more in integrity!	2/19/2022 9:32 AM
36809	Renewed hope and optimism for the future.	2/19/2022 9:32 AM
36810	Brought hope that we are not as lost as the media portrays. I have been ashamed of our country for years and the convoy has brought back some pride for my the people of our nation.	2/19/2022 9:32 AM
36811	Given hope for togetherness again	2/19/2022 9:32 AM
36812	See above comment. Any Christians who continued to support this as it unfolded should be ashamed. Yes, the supposed initial reason for the protest did make some sense in that the requirement for truckers to be vaccinated should be looked at in light of the fact they are in their trucks all day and pose less risk of spreading the virus. But it became clear quickly that this was about ALL mandates, with the demand to "end all madates", which is not supported by medical experts. Expertise does exist in all fields of knowledge, from the trades to trucking to medical science. The words and actions of the convoy leaders demonstrate that they think they are the experts. Embarassing.	2/19/2022 9:32 AM
36813	It brought pride back to being a Canadian. It exposes a truth, the government is no longer serving the people.	2/19/2022 9:32 AM
36814	Given me some hope that things may improve regarding or government over reach and excess control	2/19/2022 9:32 AM
36815	shed light on how our government is so corrupt .	2/19/2022 9:32 AM
36816	None	2/19/2022 9:32 AM
36817	Its shown that there is a ton of support for our truckers and its brought unity to Ottawa	2/19/2022 9:32 AM
36818	It gives me hope!	2/19/2022 9:32 AM
36819	Very strongly support. Brought us joy.	2/19/2022 9:32 AM

Canadians vote on Canadian Mandate - February 2022

36820	It has provided hope and unity and encouragement in a dark time	2/19/2022 9:32 AM
36821	Given me hope for a future for my kids. Made me proud to be Canadian again!	2/19/2022 9:32 AM

36825	It's brought me a lot of hope and made me proud to be Canadian again.	2/19/2022 9:32 AM
36826	I think it is great that they made government aware of how people are fed up with the over reach of power these mandates have had. It's also laid bare the fact that this leader is actually a dictator that is only the leader for those who agree!	2/19/2022 9:32 AM
36827	It give me hope that there are others that feel the way I do and are willing to stand up against evil...the tyranny will hat is happeningwe have to stand for our freedom.... Gods has been so good to give this to us and all the men and women who stood for it in the pass we cannot just let some power hungry person take it away....	2/19/2022 9:32 AM
36828	It makes me feel proud that they are standing for our beautiful country	2/19/2022 9:32 AM
36829	Very positively. Short term pain for long term preservation of FREEDOM	2/19/2022 9:32 AM
36830	-	2/19/2022 9:32 AM
36831	They have not negatively affected my life. They are holding ground and I wish I could be there to support them and the rest of us Canadians but with the attitudes and actions of POLICE I cannot come due to the fear of safety for my son.	2/19/2022 9:31 AM
36832	Inspiring	2/19/2022 9:31 AM
36833	The disruption to supply has had a massive impact to the cost of living	2/19/2022 9:31 AM
36834	Not much as I am not where they are but no doubt it will affect the economy and our expenses will go up	2/19/2022 9:31 AM
36835	The trucker convoy is giving me hope that this might put an end to the dismay Justin Trudeau has caused our country. Our country is divided. I think that's the convoy has brought hope to a lot of our people. And still Justin Trudeau shows his true colours in how he decides to respond. Turning violence on his own people.	2/19/2022 9:31 AM
36836	Freedom! They are fighting for a free Canada	2/19/2022 9:31 AM
36837	Gave me hope there maybe an end sooner than later!	2/19/2022 9:31 AM
36838	They gave me hope for better future and for the end of totalitarian Canadians government	2/19/2022 9:31 AM
36839	It's motivating to see the people coming together from all over the world! It brings me hope!	2/19/2022 9:31 AM
36840	By giving me hope	2/19/2022 9:31 AM
36841	Made my city unsafe and difficult to live in due to the racist, homophobic, selfish, ignorant, aggressive element it brought in.	2/19/2022 9:31 AM
36842	It has made me proud to be Canadian..I feel pride	2/19/2022 9:31 AM
36843	Inspiration, hope, a sense of "family", not feeling alone, pride	2/19/2022 9:31 AM
36844	I have hope again for normal. I cry happy tears (until yesterday) alot more. My patriotism has returned. My faith has returned.	2/19/2022 9:31 AM
36845	They are helping Canada get back on track	2/19/2022 9:31 AM
36846	It's has brought so much attention to what is truly going on behind the scenes. We have a prime minister who is only out to help himself. His greed and ego have brought us and the truckers to Ottawa to fight these ridiculous mandates!	2/19/2022 9:31 AM
36847	not	2/19/2022 9:31 AM
36848	Brought hope	2/19/2022 9:31 AM

36853	It has given me hope	2/19/2022 9:31 AM
36854	It's bringing back a light of hope that's inspiring people all around the world it's giving people a chance to get back to normal life, that we have forgotten about. All for some flu and crooked politicians.	2/19/2022 9:31 AM
36855	Given me hope that we can have democracy in this country	2/19/2022 9:31 AM
36856	There giving hope	2/19/2022 9:31 AM
36857	Good movement	2/19/2022 9:31 AM
36858	It has affected it positively as it has given me hope that not all Canadians have lost their mind. It has put a spot light on the dictatorial ways of our government. My wife who grew up in the Soviet Union has been very saddened to see that style of governing being practiced in Canada.	2/19/2022 9:31 AM
36859	Proud of all involved, support their efforts. Disappointed that the leader of our country would not meet with them.	2/19/2022 9:31 AM
36860	Positively	2/19/2022 9:30 AM
36861	The only way the trucking convoy has affected me is shown that in this world of masked everyone there are people whom are strong enough for people like me whom are unable to pull something like this off .. I would of joined in a heart beat with them in Ottawa if I were well enough to make the trip . I support them fully as long as they are peaceful .. Hearing about the all the time horn blown the first ten days actually shocked me when they are their fighting for rights and freedom forgetting the citizens living in Ottawa also had rights . This was the only thing I felt was wrong with any live video or part of on news which of course add their own little bits in to make it sound like this group was a horrible thing .. People need to not blame our Ottawa protesters for what others have done across the country and a few outsiders whom appeared in Ottawa at the beginning .. Love how they say all crimes committed while talking about Ottawa .. Convoy you have affected my life by love , support and shown the world how to have a peaceful fun protest involving anyone who wanted to support you all. Way to go and Thank you .. Also no more tv news for me as I have seen enough to understand what all have said for years .. liars for most part	2/19/2022 9:30 AM
36862	0% negative affect, other than the amount of hope they are giving to thousands of Canadians! This has been the biggest, most peaceful, most effective protest in Canadian history.	2/19/2022 9:30 AM
36863	It has made so many innocent Canadians lives unsafe, harassed and disrupted.	2/19/2022 9:30 AM
36864	Gives hope for the country	2/19/2022 9:30 AM
36865	It has given me hope	2/19/2022 9:30 AM
36866	Has made me worry about clashing of world views in a violent setting.	2/19/2022 9:30 AM
36867	Gave me hope	2/19/2022 9:30 AM
36868	I've never felt so connected not alone and alive again I felt hope excitement that Canada and unity still exist	2/19/2022 9:30 AM
36869	Gave me hope for the first time in 2 years.	2/19/2022 9:30 AM
36870	Not one day. I pray for them to show people how bad our government really is.	2/19/2022 9:30 AM
36871	It has brought hope for a free Canada, I'm afraid that even outside of Covid mandates that medical freedom is a thing of the past. It is also greatly discouraging to see the charter so blatantly disregarded by government, the freedoms on it are not supposed to be restricted unless properly examined through the court of law.	2/19/2022 9:30 AM
36872	Made me proud to be Canadian	2/19/2022 9:30 AM

Canadians vote on Canadian Mandate - February 2022

36873	It has given me hope in humanity to unite and fight for what our forefathers risked their lives to allow us the freedoms we have lazily gotten use to and let slip away so easily.	2/19/2022 9:30 AM
36874	Have me hope for a change for the good. Showed me I was not alone.	2/19/2022 9:30 AM
36875	It has impacted my mental health, as the result of the vile hatred and tyrannical actions of the government have increased. It wasn't okay before (when the mandates began), and it's far worse now.	2/19/2022 9:30 AM
36876	It has brought hope to a nation that desperately needs to see these mandates end.	2/19/2022 9:30 AM
36877	Hope for a future	2/19/2022 9:30 AM
36878	Made me proud to be Canadian again.	2/19/2022 9:30 AM
36879	It has brought hope, love, unity back to the forefront. It has reminded me why I love Canada and what it means to be Canadian. It brings people together and helps them remember what matters. LOVE	2/19/2022 9:30 AM
36880	Hasn't.	2/19/2022 9:30 AM
36881	Due to the reporting through main stream media and alternative media sites it has began fracturing the trust not only in government but in the profession of journalism. Main stream articles are instilling fear to loved ones and clients whom I provide services to. The convoy has created an uneasiness of if a) Canada will survive as a country b) if the democratic system can be restored to its proper functioning and c) lost in trust in government elected officials who have proven to be corrupt to the core.	2/19/2022 9:30 AM
36882	Hopeful	2/19/2022 9:30 AM
36883	For the first time in two years I am not alone. I have hope that the country I love will regain its freedoms and identity. I am proud of the people who have been peacefully protesting, and ashamed of Trudeau for doing everything but listen to the people he was hired to serve.	2/19/2022 9:30 AM
36884	See hope, love, respect maybe less with the noise but people want to start to live now. Corruption needs to be dealt with. Truth needs to be heard. The 1% of the rich need to back down now.	2/19/2022 9:30 AM
36885	By hop of freedom's. Love and Joy	2/19/2022 9:30 AM
36886	It's given me hope	2/19/2022 9:30 AM
36887	Showed that there is still FREEDOM! And there are so many Canadians that feel The same way and together we all can make a difference to get this corrupted government out!	2/19/2022 9:30 AM
36888	I was pro-vaccine until they announced vaccine passports. Then I was disgusted that such a thing would be implemented and decided to NOT get the vaccine until others had the same freedoms as me, regardless of their views.	2/19/2022 9:30 AM
36889	Hope for freedom	2/19/2022 9:30 AM
36890	Gives hope that people are waking up to the lies	2/19/2022 9:30 AM
36891	First thing that gave me hope	2/19/2022 9:30 AM
36892	They have made me proud to be a Canadian again. Our prime minister disgusts me with his hate, division and lies.	2/19/2022 9:30 AM
36893	I has taking up more of my time to pray more and I'm glad	2/19/2022 9:30 AM
36894	It gave me hope for a better country.	2/19/2022 9:30 AM

36896	Gave me hope for the first time in 2 years	2/19/2022 9:29 AM
36897	It has given me hope that there is an end in sight.	2/19/2022 9:29 AM
36898	The trucking convoy is an inspiration to us and the world. Express and stand for our rights to our body autonomy.	2/19/2022 9:29 AM
36899	Brought hope, a sense of unity, and many smiling faces. Nothing but LOVE.	2/19/2022 9:29 AM

36909	Gave hope	2/19/2022 9:29 AM

36917	It's brought some hope to an otherwise awful reality.	2/19/2022 9:29 AM
36918	I support them. It's been positive mostly. Very disheartened about Ottawa, the things that are happening to peaceful protestors. How is Trudeau still in power?	2/19/2022 9:29 AM

36941	It has given me hope. Only positive affect has happened	2/19/2022 9:28 AM
36942	It has given me hope , that people have a voice and will stand up. Until this emergency act was put in , this act of government has scared me , shown me government cares nothing about the Canadian people, frightened that the government can go into my bank accounts and freeze my money whenever it wants. Has proven to me this is not about covid this is all about control and power over this country and people. I don't feel free or safe. I feel so vulnerable, unsafe from the steps the government has put in place and that my freedom has been swept away and they can do anything they want to us snd I can not say anything. Canada does not feel free	2/19/2022 9:28 AM

36991	It's given our family a sense of hope	2/19/2022 9:26 AM
36992	It has inspired me to love my country and stand up for my freedoms. Seeing so many people flying Canadian flags, singing Oh Canada and reciting the Lord's Prayer was very touching. I heard 3 different separatists from Quebec being interviewed by citizen journalists saying they will no longer be separatists because of the unity they saw at the protests in Ottawa. Many people fell in love with their Country again and it has caused me to do the same.	2/19/2022 9:26 AM

37006	It has exposed some very dark secrets of our government. And making it ever so clear that we need help. we need Christ to come in and control us. Not corrupt leaders. And I support them and what they stand up for.	2/19/2022 9:26 AM
37007	Giving me hope but it's making things more expensive. At least it seems like it	2/19/2022 9:26 AM

37010	It has offered some hope that we do have a choice; we do have a voice. We do not need to continue to accept these overreaching measures.	2/19/2022 9:26 AM
37011	I was in support with them until now. The mandates are about the be lift of so there is no point anymore to continue the manifestation.	2/19/2022 9:26 AM
37012	In a positive way finally we are standing up for our rights	2/19/2022 9:25 AM
37013	It has made me excited for the future and distrusting of our government	2/19/2022 9:25 AM
37014	No affect but interesting how the Canadian flag has now become a symbol of "proud to be Canadian but don't agree with the current government!"	2/19/2022 9:25 AM

37022	Given me a shred of hope.	2/19/2022 9:25 AM
37023	This was the only sign of hope. I was starting to feel like I was losing my mind until the convoy	2/19/2022 9:25 AM
37024	Was first time in years I've seen people off all races and creeds come together for a common cause.	2/19/2022 9:25 AM
37025	It's making me proud to be Canadian!	2/19/2022 9:25 AM

37029	Given me hope for the first time during the entire pandemic that we can get our freedom back!	2/19/2022 9:25 AM
37030	Gives me hope! These mandates dud NOT work!	2/19/2022 9:25 AM
37031	Gave me hope. Gave me pride	2/19/2022 9:25 AM
37032	It has given me a sense of hope and encouragement.	2/19/2022 9:24 AM
37033	They are passing on the messages for the people but our loser of a PM will not even talk to them on the issues instead he hides and pushes the Panic button. We as Canadians want Justin Trudeau to step down and face trails for all his crimes over the last 6 years	2/19/2022 9:24 AM
37034	Gives me hope to see people willing to sacrifice their well-being for the good of their fellow Canadians	2/19/2022 9:24 AM
37035	They have brought me hope	2/19/2022 9:24 AM
37036	Slow down in food deliveries and other essential items. Fire their asses and hire some vaccinated people to do these jobs.	2/19/2022 9:24 AM
37037	It had given me hope	2/19/2022 9:24 AM
37038	The trucking convoy brings me hope! I'm so glad to know I am not the alone in thinking the government over stepped.	2/19/2022 9:24 AM
37039	Good for my mental health, spreading hope, love and freedom of choice and speech.	2/19/2022 9:24 AM

37042	It has had 0 effects. But its being handled terribly	2/19/2022 9:24 AM
37043	They have inspired me to have hope! To believe in humanity again. To exercise my rights to push back against the mandates peacefully but firmly . To believe I can make a difference. I have not experienced any inconvenience or shortages due to the truckers convoy. The convoy has UNITED Canada and voiced my desires to the parliament, to the Prime Minister, to public health officials. It has exposed to me the further corruption of the liberal and NDP government and media especially.	2/19/2022 9:24 AM

37051	Raised awareness to the corruption in government	2/19/2022 9:24 AM
37052	It's it's uplifted me	2/19/2022 9:24 AM
37053	It has brought me hope, given me a new sense of patriotism and united a country that was falling apart under trudeaus reign	2/19/2022 9:24 AM
37054	Gave me hope. Showed me who is the real person behind the PM. I'm so sorry for voting for liberals. It is a shame for Canada to have J.T. as a leader. He is destroying the country. He doesn't listen to the people who elected him and gave him this job.	2/19/2022 9:24 AM
37055	The light at the end of the tunnel	2/19/2022 9:24 AM
37056	I believe it's helped lift the mandates and help bring Canadians together	2/19/2022 9:23 AM

37059	Given me hope for the future	2/19/2022 9:23 AM
37060	Brought some hope to a end of the mandates. Made me proud	2/19/2022 9:23 AM
37061	It's given me so much hope that things might improve. The convoy hasn't affected me in any negative way.	2/19/2022 9:23 AM
37062	Has given me hope!	2/19/2022 9:23 AM
37063	Gave me hope.	2/19/2022 9:23 AM
37064	it hasn't at all.. I support 100% this non sens needs to end	2/19/2022 9:23 AM

37066	Finally felt a sense of unity and pride for our country.	2/19/2022 9:23 AM
37067	Gave me hope that regular people can stand up and give us a voice. I go from hope to devastation in seconds. Every time the PM opens his mouth I feel ill to my core. He represents the worse in leadership and mankind	2/19/2022 9:23 AM
37068	I may be able to go back to work, I'll be able to go out with friends, has given me hope.	2/19/2022 9:23 AM
37069	Positively. My teenage son can go ti gym positively in all of our families mental state. Way happier.	2/19/2022 9:23 AM
37070	Beautifully. Gave me hope that there were more then myself this whole time. I felt alone and defeated as a human. Didn't know really what my purpose was. I feared for my children. Still do as our own PM Is destroying our country!	2/19/2022 9:23 AM
37071	It hasn't	2/19/2022 9:23 AM
37072	Given hope. I have never seen more peaceful and diverse group of people united in love and welcoming in spite of varying beliefs	2/19/2022 9:23 AM
37073	Didn't affect it at all!!	2/19/2022 9:23 AM
37074	It has given me hope, peace, and unified our country in a way I have never seen before.	2/19/2022 9:23 AM
37075	The tension and division surrounding the convoy has affected my relationship with my extended family because they all are in major support of the convoy, and I am not.	2/19/2022 9:23 AM
37076	Brought my moral up	2/19/2022 9:23 AM
37077	For the first time in 2 years felt proud to say I'm a Canadian	2/19/2022 9:23 AM
37078	It's made us proud to be Canadian!	2/19/2022 9:23 AM
37079	They are amazing. They have giving us happiness and hope.	2/19/2022 9:23 AM

Canadians vote on Canadian Mandate - February 2022

37080	Hope	2/19/2022 9:23 AM
37081	Given hope, a sense that we could make it and made me proud again to be Canadian	2/19/2022 9:23 AM
37082	Didn't	2/19/2022 9:23 AM
37083	Has given me hope	2/19/2022 9:22 AM
37084	It started by giving me hope. Then the poor people of the downtown Ottawa core started to cry about how terrified they were of laughing and dancing and bouncy castles and hugs. Sure the honking was very irritating but sorry. You chose to live there. Then our spineless "leader" decided to hide and hurl insults and untrue or exaggerated accusations re white supremacy and violence. Then he brings in the Emergencies Act and now look at what happened to a peaceful protest! You are a disgrace Justin Trudeau. Your father, your biological father that is, Fidel Castro, would be so proud of the course of action you took.	2/19/2022 9:22 AM
37085	It has given me hope and faith in people!!!! And it has shown me how very corrupt the federal government is. The main goal of the criminal liberal government is and always been about control. These people are standing against the tyranny being forced on Canada!! These people are heros!!!!	2/19/2022 9:22 AM
37086	Gave me hope	2/19/2022 9:22 AM
37087	not sure	2/19/2022 9:22 AM
37088	Disturbing to see but not affecting me directly.	2/19/2022 9:22 AM
37089	It's giving me hope that a positive end is in sight to all this craziness, the hope that we can move forward together as Canadians and become the great Country we once were. Convoy has had no affect	2/19/2022 9:22 AM
37090	Made me proud to be Canadian again	2/19/2022 9:22 AM
37091	It didn't impact anything.	2/19/2022 9:22 AM
37092	Lifted my spirits we're not alone in this mess.	2/19/2022 9:22 AM
37093	Brings me hope	2/19/2022 9:22 AM
37094	Family division.	2/19/2022 9:22 AM
37095	I now know there are more people that disagree with the mandate than the media told us.	2/19/2022 9:22 AM
37096	It hasn't..it brought more people together too fight for freedom	2/19/2022 9:22 AM
37097	inspired for freedom	2/19/2022 9:22 AM
37098	Given hope for change	2/19/2022 9:22 AM
37099	It was giving me hope! I felt like so many people were agreeing that it is one thing to give health advice and have vaccines available but it is entirely different to force health measures and punish people by refusing them access to places and causing many to have to give up jobs and so on, especially after it became obvious that vaccines were not effective as vaccinated people were still getting Covid and still passing it on. The greatest stress for me personally has been all the conflict surrounding the issues and feeling incredibly sad that it became such a divisive topic among family and friends.	2/19/2022 9:22 AM
37100	Absolutely the best thing I've ever seen	2/19/2022 9:22 AM
37101	It has given me hope!!!!	2/19/2022 9:22 AM

37104	I've watched the private live videos and they completely contrast the legacy media. I've seen happiness and joy and kindness in the live feeds. The media seems corrupted by toxic agenda by saying the complete opposite. It makes me question the govt and why would they not want the truth to be told?	2/19/2022 9:22 AM
37105	Made me proud and gave me hope	2/19/2022 9:22 AM

37120	Given a hope. The convoy is a voice of the working class Canadians. Sadly It has given me first hand experience of social media censorship. It has allowed me to see what our Prime Minister is truly like and and to what end he will go to destroy anyone who does not agree with him.	2/19/2022 9:21 AM
37121	It has given us a voice & been a huge encouragement to see the people come together.	2/19/2022 9:21 AM

37134	Gave me some hope that I'm not the only one feeling like this	2/19/2022 9:21 AM
37135	Give Canadians hope that there are still enough people to stand up to a tyrannical government	2/19/2022 9:21 AM
37136	I fully support it. It has done no harm but good to me and others. They have done nothing wrong and should be left alone.	2/19/2022 9:21 AM

37141	I have never been to or participated in a protest. I drove to ottawa to show my support for this. Unprecedented times that require the silent majority to stand up and speak out.	2/19/2022 9:21 AM

37147	Encouragement Hope	2/19/2022 9:20 AM
37148	The trucker convoy gave me hope that Us as Canadians Can stand up and fight for what believe in,, But what Trudeau has done in the past couple days he's gonna start a Civil War in Canada he should be hung	2/19/2022 9:20 AM
37149	Given me hope Feeling proud to be Canadian	2/19/2022 9:20 AM
37150	The convoy has never given me so much hope to get our lives back. They have been proving that if we stand together and stand strong that we can fight for our freedoms. Thanks to the truckers it is showing the true colors of our evil government. We are seeing how corrupt our government is. I support these truckers 100% .	2/19/2022 9:20 AM
37151	Given me hope for the future. They're the straw breaking the camel's back. We need to get back to normal now!	2/19/2022 9:20 AM
37152	Not a all	2/19/2022 9:20 AM
37153	Made me happy to see that Canada still has a back bone it I think Trudeau is a disgrace and makes me sad we have such a weak little man for a leader	2/19/2022 9:20 AM

37161	It has given me hope. It has made me feel as though there is someone who try to address the overreach of the government. It inspires me.	2/19/2022 9:20 AM
37162	Hope that government and fellow citizens will be forced to look at the trending numbers towards transmission. The vaccines inability to prevent infection would equate to a test all or none of asymptomatic. Also recognize that there should be an ability for each individual to do a cost:benefit of whether the vaccine is right for them. The blanket requirements for immediate vaccinations is in such contradiction to the reality of what the vaccines risk:reward dictates. Remember, the vaccine is not sterilizing. Turning law abiding citizens against each other and the government the longer this continues.	2/19/2022 9:20 AM
37163	It has given me hope for the future & led me to pray a lot more for those in the convoys	2/19/2022 9:20 AM
37164	None	2/19/2022 9:20 AM

37187	It has made me very very proud of Canadians and it has given me some hope. My greatest hope is that it will wake up all the Canadians who are deceived by the media lies.	2/19/2022 9:19 AM
37188	- They have given a voice to most Canadians who believe in the fundamental Constitutional rights of freedom. They have also brought to light Incredible illegal overreach of government.	2/19/2022 9:19 AM

37200	Positive uplifting giving hope	2/19/2022 9:18 AM
37201	It has given a hope that God is hearing our prayers and the wicked will feel the wrath of God... the wicked being the evil entities in parliament	2/19/2022 9:18 AM
37202	It has inspired me! We should be free to choose what's good for us, not the government	2/19/2022 9:18 AM
37203	Hope for change	2/19/2022 9:18 AM
37204	Gave me hope in the future of our country	2/19/2022 9:18 AM
37205	SEPARATED FAMILY AND FRIENDS.	2/19/2022 9:18 AM
37206	Has giving us hope and love .made me feel like I did before liberals were in office free and happy	2/19/2022 9:18 AM
37207	It gave me hope and my boy loves trucks. Watching Canadian people love eachother was so heartwarming. It showed me what the actual news was doing, which was misinformation. I was shocked.	2/19/2022 9:18 AM
37208	GAVE ME HOPE	2/19/2022 9:18 AM
37209	It has finally given us hope. I have cried many times for the pouring out of support for our freedom back.	2/19/2022 9:18 AM
37210	Seen there are alot more ppl on same page to end mandates. We are not publicly or via soc media vocal about needing mandates tl stop. But this showed us how many ppl are willing to risk everything for future of canadians. I do not agree wth hate speech or the small group flying swastikas. That is wrong. But ppl peacefully protesting for freedom deserve at least to be listened to	2/19/2022 9:18 AM
37211	So positivly ! They were the light at the and of the tunnel	2/19/2022 9:18 AM
37212	Enjoyment	2/19/2022 9:18 AM
37213	gives us hope for a better future for our family	2/19/2022 9:18 AM
37214	Brought some hope.	2/19/2022 9:18 AM
37215	Freedom, a sense/feeling that life will get back to normal. The lives of Canadian and now in 110 countries now have a sense of FREEDOM! I am proud of what they have done. It got the message across that we are a free people - don't mess with a free people	2/19/2022 9:18 AM
37216	It has brought hope and a sense of unity. I do fear with the government's inability to hear Canadians this is just the beginning to something huge. I hope the trucking convoy is as far as we have to go for our government to start listening to the people. A human born free will never kneel	2/19/2022 9:18 AM
37217	It's gives me hope	2/19/2022 9:18 AM
37218	Shows the truth of a corrupt government	2/19/2022 9:18 AM
37219	It gave me hope	2/19/2022 9:18 AM
37220	It has brought a little bit of hope, but honestly all the people on Instagram who were opposed to it and sharing posts saying it was a white nationalist movement and all these other things it was just negative posts so I tried to drown that out, unfollow those people who were sharing those negative things and just focus on what the truckers were doing. I believe it was a great movement, I found myself watching the videos a lot of though which did distract me from other responsibilities so I did take a break from Instagram which I feel was a great decision for me. But I still feel the truckers are doing a great thing	2/19/2022 9:17 AM
37221	It has only impacted my life in a positive way. These men and people have provided the Canadian's hope. Especially thoes who have lots hope. They provided a voice to thoes who can't speak up, like the children, woman and elderly. They are there standing up for us. Our P.M is not wanting us to move forward. The original Covid is long gone. The vaccine never worked. It was all a cover up. Time to move forward, time for our economic to be back to normal.	2/19/2022 9:17 AM
37222	Gave me hope, showed we are not alone , showed Unity!	2/19/2022 9:17 AM

37231	The Ottawa peaceful protest has given voice to those people who have been muzzled and dismissed as lunatics. True supporters of health and wellness have spoken to the world through this platform. The truckers convoy has given me hope that this beginning of the Great Reset will fall. Go, Canada! IJN	2/19/2022 9:17 AM

37237	Given me hope	2/19/2022 9:17 AM

37239	Given me hope	2/19/2022 9:17 AM
37240	Made me wake up to how much power the government has over us and put us down if they want. We don't have real freedom	2/19/2022 9:17 AM

Canadians vote on Canadian Mandate - February 2022

37255	Indirectly. I lived in or near Ottawa for many years, and have friends who live downtown, so I have listened to their stories. One friend works for a food bank that was robbed by truckers a couple of times. I also have friends who support the truckers and don't want to be made aware that it was organized by political operatives who want to unseat the government.	2/19/2022 9:16 AM
37256	Awesome	2/19/2022 9:16 AM
37257	Brought joy and hope. The love and unity I witnessed was like nothing I have witnessed before	2/19/2022 9:16 AM
37258	As a quebec resident and English Speaking I never felt accepted by my province and with the separatist movement in my childhood I felt like Canada never really accepted me either because of the movement to separate. Yet the past month I have never been more proud to stand in Ottawa and sing Oh Canada in the middle of the streets. I have cried HAPPY tears for the first time in 2 years. This convoy has brought me hope for a future	2/19/2022 9:16 AM
37259	It gives me hope that our country will be free again to speak our minds and not be penalized for it.	2/19/2022 9:16 AM
37260	Loss of business	2/19/2022 9:16 AM
37261	Hope	2/19/2022 9:16 AM

37266	Showed me that we need to fight for our freedom! Thank you truckers!	2/19/2022 9:16 AM
37267	It's given me hope, yet fueled anger knowing it's not being portrayed on ctv or cbc correctly. I voted for Justin Trudeau.... I am so very ashamed of this! He needs to be released of his duties. He's causing war	2/19/2022 9:16 AM
37268	Gives me hope. Hope for democracy to reign again. You shouldn't fear your own government.	2/19/2022 9:16 AM
37269	It has brought people back together, lots of people smiling, making new friends, helping people out. Shows what true Canadians are all about	2/19/2022 9:16 AM
37270	I'm so proud of them that they sacrificed so much for our Canadian citizens. The abuse they are going is beyond appalling and disgusting. They've demonstrated only love, peace and caused much unity throughout the world. We owe them great gratitude and respect and ask God to bless them and their families abundantly. They've given nothing but good.	2/19/2022 9:16 AM
37271	It's made me proud and hopeful.	2/19/2022 9:16 AM
37272	The blockade at the Coutts border crossing has disrupted the supply chain	2/19/2022 9:16 AM
37273	Hope, love, unity, freedom of choice.	2/19/2022 9:15 AM
37274	This gave me hope again, for all my fam etc .thanks to those very brave truckers	2/19/2022 9:15 AM

37278	I don't live in Ottawa, so not my day-to-day life. It has definitely impacted relationships bcs I can't just forget that too many ppl I know supported it. It has been maddening, disappointing and just plain sad.	2/19/2022 9:15 AM
37279	It has not	2/19/2022 9:15 AM
37280	Has brought me some hope that my country isn't completely lost.	2/19/2022 9:15 AM

out of Canada if I have to before to go any longer with his fake bullshit

37283	I'm not in those areas, so thankfully not much. However, they should not have been allowed to harass people for wearing masks, block cars, traffic, etc. They should not have been taken seriously, especially spewing their hate and Nazi flags. Alberta RCMP GAVE HUGS TO THE PROTESTERS. Absolutely disgusting and unacceptable. If cops can violently get rid of homeless people trying to have safe spots to exist, or Indigenous People from protesting pipelines that have been proven again and again to ruin their lands, then they can stop some anti-vax white supremacists.	2/19/2022 9:15 AM

37290	3 weeks	2/19/2022 9:15 AM
37291	I am ashamed by the truckers using the Canadian flag in their protests. They do not speak for Canadians and they do not speak for me. Go home, leave Ottawa alone and accept the mandates. We all have a responsibility to keep those around us safe from this terrible virus.	2/19/2022 9:15 AM
37292	Amazing	2/19/2022 9:15 AM

37295	It's given me hope. It is fantastic to see the unity and love brought by average hard working Canadians. I love that they are having a peaceful rally. I love watching the joy between the truckers and their supporters - I thought joy had disappeared to be replaced by constant changing rules and regulations	2/19/2022 9:15 AM
37296	Last week I finally got to sit in a restaurant	2/19/2022 9:15 AM

37337	nil	2/19/2022 9:13 AM
37338	Before the trucker convoy, I felt isolated and alone. A huge weight thinking I was one of few who didn't agree with taking a vaccine still in the experimental stage. I didn't dare speak up in a crowd for fear of being targeted. When I saw the trucking convoy start, and the support that it was receiving, I felt a spark, a hope, and weight being lifted. I didn't feel alone anymore	2/19/2022 9:13 AM

37344	It has given me hope.	2/19/2022 9:12 AM
37345	It gave me hope. Encouraged by the out pour of love, unity, generosity, people seeking the Lord, increased prayer time with strangers, made so many new friends, met so many different people, all with their own stories. Just beautiful.	2/19/2022 9:12 AM
37346	Good! Bringing Canada together again.	2/19/2022 9:12 AM
37347	It's given us hope. Hope to believe that political overreach will collapse. Our government has went too far . Making three times the amount of money while other ppl have lost their homes, their jobs their livelihoods shattered.	2/19/2022 9:12 AM
37348	Sadly it's identified that we still have a ways to go to end racism and inequality in Canada. Seeing a bunch of whiny people enjoying their 3 week tailgate party while terrorizing the neighborhood has been infuriating. Thank goodness for leaders like Trudeau.	2/19/2022 9:12 AM
37349	I have been praying non stop for peace and for them to return home victorious.	2/19/2022 9:12 AM
37350	It's given us SO much hope! We're proud to be Canadians again!	2/19/2022 9:12 AM
37351	It gives hope that people would stand up to fight for our God given freedoms! They are peaceful and loving and sick of seeing the lies portrayed from the media and the Prime Minister!!!	2/19/2022 9:12 AM
37352	I don't live where truckers are protesting so I have not been affected directly. The shelves in stores in my rural area reveal the impact of the convoy. The truckers have sacrificed to uphold freedom. Our politicians should of been looking after the people of this country far better than they have. They have been absent. The focus of government has been too single minded on vaccines & put making necessary changes to where healthcare has been breaking even prior to the pandemic such a back burner the whole notion of a vaccine as our saviour just doesn't cut it. Our PM & all politicians need to be held accountable for irresponsible, tunnel vision governance. The truckers are not to blame for a situation our Prime Minister ignored, denied, dismissed, inflamed & stigmatized & exploited. The opposition has not held the PM in balance & is equally accountable for the loss of our rights & freedoms to be usurped. Politicians have ruined our country, embedded fear instead of inspiration & community. I don't like all of the consequence of the trucker protest. However, it is not an emergency, it didn't need to escalate, Trudeau didn't need to dig in his heels for his personal, political & financial gain. I am not not a partisan person. This pandemic should never have been made a partisan matter. It's a human matter. Canada could have set a tone for the world & now has again has shown the world that the identity of Canada as tolerant, compassionate, free & democratic is an image, a pretense, not a reality. The words 'we're all in this together' is merely a propaganda slogan. This totalitarian twist following the outing about truth about our false history with native people is truly disturbing. The good news: now that our national shadow has been dragged into the light by truckers, Canada & Canadians giving us a chance to choose the truth of Freedom, realign with democracy, & reinvent the desired identity of Canada & Canadians. If only politicians, particularly our PM, truly heeding the words of togetherness & unity rather than just mouthing them.	2/19/2022 9:12 AM
37353	glad they're standing up to the tyranny, concerns about food supplies if this continues too long	2/19/2022 9:12 AM
37354	Inspiration	2/19/2022 9:12 AM
37355	I feel proud of the truckers. They have given most People I know hope. Except one person I know, everyone supports the convoy. I honestly feel like without the convoy the only way to keep our freedoms is and will be a civil war. Instead the convoy is peaceful and gives me a sense of unity in this world that has been divided by the "normal" (the jabbed) and all of us who are accosted from society. Except the community groups I belong to who none of us are for mandates vaccines and we all live freely by choice.	2/19/2022 9:12 AM

weeks it felt great to be a Canadian again. But what are government and police did yesterday the 19 m'y hole family is disgusted and ashamed to be a Canadian. Strict laws on the government are needed. The people of Canada should be able too vote to be able too remove a prim minister at any time

37390	Given hope for Canada and the PEOPLE of the world!!	2/19/2022 9:10 AM
37391	Positively	2/19/2022 9:10 AM
37392	It has overwhelmed me and my community with hope and happiness and in such a time of darkness and tyranny	2/19/2022 9:10 AM
37393	It showed that there is a sizeable population who were like-minded, united and ready to fight for their freedom. Even though I do not support the events past February 13, the cause for the protest was worthwhile	2/19/2022 9:10 AM
37394	the way the government has handled it, villainized the protestors makes me fear we are living in a police state where our prime Minister can't be trusted	2/19/2022 9:10 AM
37395	Brought unity and hope. Grateful for people who are courageous standing up for the working person	2/19/2022 9:10 AM
37396	Giving me hope	2/19/2022 9:10 AM
37397	Made me feel proud and gave hope	2/19/2022 9:10 AM
37398	It's given me hope but also made me more depressed about the government's response or rather lack of it. It's okay to not agree on all points but ignoring a protest as if it doesn't exist and then being surprised that it doesn't end, isn't what government leaders are called to do. Protests happen for a reason, their reasons may not always be shared but politicians jobs are to listen and attempt to resolve the issue, not to ignore and divide. I'm no longer convinced our current government actually cares what Canadians think. I no longer trust the mainstream media as their image of all this is quite different then the reality I see around me each and every day. Apparently I'm part of the minority but everywhere I go, I see a majority of people who have problems with how this whole situation is being responded to by government and worry about government overreach and where this overreach will go next, including the long term effects of the normalization of such methods of dealing with opposing ideas.	2/19/2022 9:10 AM

37409	Given me hope. I actually am proud to be Canadian again.	2/19/2022 9:10 AM
37410	I am still trying to figure out where the "cry for freedom" is coming from. We live in one of the most democratic, free countries in the world. We all had a choice, to take the vaccine, which will decrease the chance of serious illness, prevent the spread of Covid or not take the vaccine. That is freedom	2/19/2022 9:10 AM

37413	It has cut off friends and the city from each other. I have a disabled friend who lives downtown and is scared to go out because trucks with swastikas and confederate flags Rev engines abd screamed at her to take off her mask. I dropped off groceries but nervous to do so. She is more isolated now then with the distancing mandate.	2/19/2022 9:10 AM
37414	It has provided hope to me that the will of the people can potentially impact public policy. I do not currently believe the governments of Canada work for the benefit of the people they are intended to serve.	2/19/2022 9:10 AM
37415	It hasn't	2/19/2022 9:10 AM
37416	They have brought hope. To stand up for what's right. We are the people they we the people, of this glorious country. They bring back the sunshine on this gloomy nation that we have endured these past two years. We have freedom of choice and our freedom has been taken away. Our right is to move freely within and out of Canada. Our right to make our own medical decisions and keep it confidential with out discrimination. The truckers are standing for all Canadian no matter the creed, religion, color or beliefs. We are all Canadians, we all have our rights.	2/19/2022 9:10 AM

37445	Hope	2/19/2022 9:09 AM
37446	Made me more thankful for them and for them standing up for all of us!	2/19/2022 9:09 AM
37447	it's given me hope	2/19/2022 9:09 AM
37448	The convoy has given me and my family hope. Too many have been afraid to speak out and /or censored when they do. The feelings of desperation and uncertainty have been so strong but suddenly we were given a glimmer of hope. These brave men and women have put so much on the line to preserve our future and our kids futures; it's hard to not call them angels. They have also done a beautiful job in keeping the peace (such a Canadian characteristic) despite the media spin and rhetoric from our PM. These truckers and their supporters are true hero's. God uses imperfect vessels to do his perfect work♥ Just to be clear, the convoy has only impacted my life positively, not negatively.	2/19/2022 9:09 AM
37449	None	2/19/2022 9:08 AM
37450	It hasn't bothered me at all	2/19/2022 9:08 AM
37451	They are the only ones standing up for me and our freedoms that should never of been taken away	2/19/2022 9:08 AM
37452	it made me happy that finally people woke up and started fighting for what is right	2/19/2022 9:08 AM
37453	It gave me hope of a normal life again! It sparked hope around the world! They are amazing people to go to Ottawa for EVERYONE'S freedom.	2/19/2022 9:08 AM
37454	It has given me hope that the corrupt autocrats in Ottawa can be overturned. TRUDEAU MUST GO!!!	2/19/2022 9:08 AM
37455	Given me hope	2/19/2022 9:08 AM
37456	Not at all	2/19/2022 9:08 AM
37457	Gives me hope that there are far more of us who are fed up with these arbitrary, fascist dictates. And that it has been conducted in a peaceful manner unlike BLM. It shows me that others too have not believed the government sponsored media lies.	2/19/2022 9:08 AM
37458	There is a way to protest and I find the convoy didn't follow the rules of peaceful protest. They kept a city hostage for too long. Make your point and leave like any peaceful protest.	2/19/2022 9:08 AM
37459	It has given me hope that our country will be restored to what it once was	2/19/2022 9:08 AM
37460	Showed me true heroes to restore rights and freedoms I fully support what they are doing	2/19/2022 9:08 AM

37462	Tears of joy that someone is fighting for us	2/19/2022 9:08 AM
37463	Gave me hope	2/19/2022 9:08 AM
37464	It has made me lose faith in the Democratic approach to our government, and therefore our culture.	2/19/2022 9:08 AM

37470	Happiness	2/19/2022 9:08 AM
37471	Given me back hope in Canada and Canadians	2/19/2022 9:08 AM
37472	They have shown how many of us out there feel the same. Made me realize how desperate the govt is, this is not about health!	2/19/2022 9:07 AM
37473	It is a sign of hope!	2/19/2022 9:07 AM
37474	It has shown me that there are other people, lots of other people, who are fed up with mandates that are imposed without stats or evidence of science to back them up. For example, 2 years in, the truckers are mandated to get vaccinated. Why now? Has some study or some contact tracing shown that truckers are bringing Covid into Canada in significant numbers? Have truck stops become breeding grounds for Covid? It would have been easier for people to accept this mandate if there were some numbers backing it. Or even if truckers were given the option of constant testing, like other occupation groups were able to do. I feel the trucker convoy started with a great goal and showed how many other people have had enough. They sent a message that enough is enough. However, staying for 3+ weeks and then blocking border crossings elsewhere has diminished their credibility.	2/19/2022 9:07 AM
37475	Given hope that ppl are willing to fight and maybe there could be change	2/19/2022 9:07 AM
37476	Not affected	2/19/2022 9:07 AM
37477	It has shown me how other people have suffered and how far our governments will go to keep us under lockdown and mandates. It has also shown me who my friends are and how cruel people are	2/19/2022 9:07 AM
37478	Thankful I did not live in Ottawa, therefore the noise did not affect me.	2/19/2022 9:07 AM
37479	I support the trucking convoy 100%. I have attended protests in support and will continue to do so.	2/19/2022 9:07 AM

37490	It has given me hope. And shown people how much we are all suppressed by government	2/19/2022 9:07 AM
37491	It's damaging our country and our democracy. Everyone is tired of Covid but getting rid of all the public health measures isn't going to make Covid go away	2/19/2022 9:07 AM
37492	The trucking convoy has given a sense of unity in sharp contrast to the divisive rhetoric of political leaders for the past two years.	2/19/2022 9:07 AM
37493	Hasn't!	2/19/2022 9:07 AM

37522	It gave hope that after seeing millions of people peacefully protesting and being completely ignored. They made the noise and brought Canadians together. Canadians vote on Canadian Mandate - February 2022

Your are heroes!!

37557	The truckers gave us hope that the unscientific mandates would be dropped, that the government would listen to the people. Now it seems the prime minister will stop at nothing to exert and maintain his power. He cares nothing for the working people of Canada.	2/19/2022 9:05 AM

37580	It has brought hope, that we can protest peacefully to stand up for our constitutional rights and call for accountability from public servants who have misused their power and cooperated in crimes against humanity	2/19/2022 9:04 AM
37581	took away my freedom to circulate freely in my city increase my anxiety and make the economy the worst it has ever been make access to products very difficult and decrease my view of how the Conservative party can actually do any good thing in our government other than play political games for their own benefit. 37603	I have an enormous amount of love and respect for the people involved in this convey. I have an unbelievable amount of hate and loathing for anyone who is a Liberal or NDP party member of parliament or supporter of said parties. I have anger toward them that I've never experienced before.	2/19/2022 9:03 AM

37607	They have given me hope!	2/19/2022 9:03 AM
37608	Only in the way that it brought hope where there was only doubt and fear. It made me believe in good again. Hard working blue collar workers coming together for each other. I cried more times in happiness in the last three weeks than I have in years.	2/19/2022 9:03 AM

37641	It has affected it in a positive way. I support their cause. I support their peaceful protest.	2/19/2022 9:02 AM
37642	The convoy has given hope to my friends and family and has helped alot of people realize that what what our government is doing goes against freedom and many other factors. The freedom convoy was probably the final peaceful attempt to restore freedom. The government should of accepted this with open arms and realize what they did was a mistake.	2/19/2022 9:02 AM
37643	They Are taking a stand	2/19/2022 9:02 AM
37644	It has given me hope that one day everyone will get along again and I won't feel so alone and divided	2/19/2022 9:02 AM

over reaction stole my happiness again but I saw the Convoy had united east and west. Vaxinated and unvaccinated united.

37647	Brought people together	2/19/2022 9:02 AM
37648	They brought us hope	2/19/2022 9:02 AM
37649	I have had only positive experiences with it.	2/19/2022 9:02 AM
37650	It gave me hope and a voice.	2/19/2022 9:02 AM
37651	Made me hopeful	2/19/2022 9:01 AM
37652	Hasn't	2/19/2022 9:01 AM
37653	It has given me hope	2/19/2022 9:01 AM
37654	I support them	2/19/2022 9:01 AM

37662	Effected food supply local grocery stores , caused friction and fighting with everyone	2/19/2022 9:01 AM
37663	It has brought people together across this country. It has stirred the people to remember God is in control sovereign over even this situation. It has brought the kingdom of God to the people. Many have one to follow the Lord. I have regained hope, I have seen Gods plan and purpose in this unity not the government separating dividing people . The people join together in love, peace, and unity. The government cruel evil lies and misrepresentation of the TRUTH has been seen by those closest to it. It has given me hope for a brighter future not here but in the "here after". I want the end of mandates, but I want Gods will above all things. We are not all those things that Justin Trudeau called the people who are peacefully protesting. The number of people who are greater far greater than a fringe are not racist misogynist terrorists but families friends neighbours uniting against the evil Justin Trudeau parading as doing good when the TRUTH is being ignored given no voice and maligned.	2/19/2022 9:01 AM
37664	It's hasn't affected my life directly.	2/19/2022 9:01 AM
37665	The trucking convoy has helped me gain the courage to keep standing up for what I believe in and that's a free country. Life has changed so much for me since the beginning of covid and it's taken a toll on my mental health. It needs to end now!!	2/19/2022 9:01 AM
37666	It hasnt	2/19/2022 9:01 AM

37668	It gave me hope.	2/19/2022 9:01 AM
37669	Give you hope, and know people are as irritated with it all as I am	2/19/2022 9:01 AM
37670	Brought canadian pride back, gave a light that there is an end to this and I'm not the only one tired of how our country is being run and that covid has gone on way too long	2/19/2022 9:01 AM
37671	Higher prices, less product	2/19/2022 9:01 AM
37672	Giving me hope for my future and my kids future	2/19/2022 9:01 AM
37673	It is great they are standing up for freedom and to stop a dictatorship government	2/19/2022 9:01 AM
37674	Je suis en leurs faveurs, ce sont les gens qui ce sont greffé à eux qui ont nous à leurs causes.!! Je les supporte	2/19/2022 9:01 AM

Canadians vote on Canadian Mandate – February 2022

37675	It has given me hope. Its brought many Canadians together finally. Fighting for our rights and waking people up to the complete and utter corruption of our government and world governments. Its the best thing thats happened in two years.	2/19/2022 9:01 AM
37676	None	2/19/2022 9:01 AM
37677	Had not affected me personally	2/19/2022 9:01 AM
37678	Brought hope of people's voices heard	2/19/2022 9:01 AM
37679	It nice to have somebody stand up for what we as Canadians believe in. Trudeau isn't listening to the people. His way or the highway is the wrong approach for our country.	2/19/2022 9:01 AM
37680	Not really	2/19/2022 9:01 AM
37681	Positive	2/19/2022 9:00 AM
37682	It has brought joy & hope in many ways!!Unfortunately the mainstream media's negative coverage and Trudeau's negative words and attitude has again dampened that joy by causing many of my neighbors & colleagues to believe the lies they are spreading about the convoy .	2/19/2022 9:00 AM
37683	It makes me proud and give me hope to get the freedom to choice my own body and to end covid mandates.	2/19/2022 9:00 AM

37693	It has finally given me a sliver of hope for our once great and free country.	2/19/2022 9:00 AM
37694	It gave me hope to put an end to all these mandates. Get our country back in unity and gane our freedom back.	2/19/2022 9:00 AM
37695	Hasn't	2/19/2022 9:00 AM
37696	It has given me hope that life n love can and is still alive	2/19/2022 9:00 AM
37697	Given me Hope, happiness to see so many happy Canadians, also angry how Trudeau won't talk with them but continues to hurl insults in the house without apologies. He is not Canadian!	2/19/2022 9:00 AM

37702	See above #9	2/19/2022 9:00 AM
37703	Slowed down, less mobility and less motivation, family infighting, can't get needed dr. Visits, needed operations canceled, worry for children and grandchildren who we don't see as often. There's nothing much to look forward to. Concern of what is coming next on the agenda!	2/19/2022 9:00 AM
37704	Gives me hope	2/19/2022 9:00 AM
37705	Speeded up ending mandates	2/19/2022 9:00 AM

37706	Hasn't	2/19/2022 9:00 AM
37707	It gave me a hope for change in current covid policies.	2/19/2022 9:00 AM
37708	Truckers' protest gave me hope for a better life for me and my children! Peaceful protest, people united, we were together, no restrictions, no masks! We want to fly without restrictions!	2/19/2022 9:00 AM
37709	Given me hope that Canadians are able to stand up for what is right and hope for a future where debate is truest accepted with opposing and dissenting views can be shared in a public form be it political social or medical	2/19/2022 9:00 AM
37710	It's been amazing to see Canadians (and people from all over the world) come together! These truckers and the supporters are the true heros.	2/19/2022 9:00 AM
37711	Gave me hope	2/19/2022 9:00 AM
37712	It's given us hope	2/19/2022 8:59 AM
37713	Brought hope for the first time in 2 years.	2/19/2022 8:59 AM

37717	Brought a sense of pride and hope for mine and my childrens future	2/19/2022 8:59 AM
37718	It gives me hope that this may end soon. It has not directly affected me as I do not live in Ottawa. The Prime Minister should have confronted the situation, rather than running away from it in the beginning.	2/19/2022 8:59 AM
37719	It gave me hope until it started to be spun as racist and then with Trudeau enacting the emergency war act i got scared again... the police ordered by him to go against their oath and against Canadian citizens, that violent ending was horrific. They were peaceful. It is so wrong what Trudeau did.	2/19/2022 8:59 AM
37720	It hasn't affected me personally yet but it's been awful for my friends that live in the core of Ottawa. It is deeply disturbing to see a neo-fascist uprising run on totally nonsense conspiracy theories and white rage within Canada be embraced by the conservative party of Canada. I suspect it will be a turning point in the politics of this country which will haunt us all for decades to come	2/19/2022 8:59 AM
37721	It has given us we the canadian people hope and restored our faith in people. The truckers let us know that we r not alone they showed canada just how corrupt our government is which my husband n myself already knew but they woke up canadains and the whole world. God bless the truckers who had the balls to stand up for freedom and we the canadian people stand with them.	2/19/2022 8:59 AM
37722	Hope	2/19/2022 8:59 AM
37723	I have some hope.	2/19/2022 8:59 AM
37724	Gave me hope, someone finally standing up, that all of this would end and we could go back to normal.	2/19/2022 8:59 AM
37725	It hasn't thy aren't doing anything to Hurt anyone. If I was able to go help them I would. It not right that Canada is under a new age Hitler government	2/19/2022 8:59 AM
37726	Gave me hope in humanity and joy that Canadians and the world are uniting	2/19/2022 8:59 AM
37727	Hope	2/19/2022 8:59 AM
37728	Helping us voice our opinion to the government	2/19/2022 8:59 AM
37729	Given me hope! POSITIVE	2/19/2022 8:59 AM
37730	Given us hope and a voice when we thought we were a minority	2/19/2022 8:59 AM
37731	Showed me that we as Canada are strong	2/19/2022 8:58 AM
37732	It gives you hope. But seeing how J.T has dealt with this issue is maddening. Not surprised as	2/19/2022 8:58 AM

he is very cowardly.

37733	It gave me hope, it was a beautiful to see peace and power in one, unity of Canada and the world. Then horrified by the police, RCMP, government brutality, disrespect and control of peaceful protesters for a God given right to our Freedom!!!!!! I feel deceived and violated for me, my family, my friends and all Canadians and the world. May the light of the creator enter your hearts and feel the love and peace for all.	2/19/2022 8:58 AM
37734	Happy happy the Lord almighty showed up , like always at the right time to stop this . He will save Canada , he is in control of all this. Amen	2/19/2022 8:58 AM
37735	Gave hope	2/19/2022 8:58 AM
37736	It has given me hope, when I thought that I had none left ♡ We are a democratic society and it is an important movement for us, not just for our nation, but for our WORLD. We so badly need to stand together, otherwise we WILL collapse.	2/19/2022 8:58 AM
37737	Given me hope and pride again. Saddened at the government.	2/19/2022 8:58 AM
37738	Bringing hope to many	2/19/2022 8:58 AM
37739	Hope	2/19/2022 8:58 AM
37740	Inspiring - has enabled many to have courage to stand up, has helped to lift restrictions and brought back patriotism. It also shined light on media corruption.	2/19/2022 8:58 AM
37741	Emphasised that peaceful protest does exist no matter how much provocation by police - leading to an emboldening to stay the course in light of government and the disturbing reaction of so many citizen's lulled into following blindly - reminds me of solzenitsyn's writings "the nobler and more honest a [person] is, the more despicably his compatriots treat him. (The First Circle) - so timely So discouraging looking around and can't see daughter in other province and my grandchildren but as I said - determined to stay the course- you asked :). Thanks for asking	2/19/2022 8:58 AM
37742	It has given me a sense of hope, love and unity. It has proved that I am not alone in believing that these mandates are government overreach and are doing more harm than good.	2/19/2022 8:58 AM
37743	Made me proud to see people standing together in unity	2/19/2022 8:58 AM
37744	Feel like hope is coming back	2/19/2022 8:58 AM
37745	Non	2/19/2022 8:58 AM
37746	It hasn't	2/19/2022 8:58 AM
37747	Emotional stress to see the handling of the situation by our government.	2/19/2022 8:58 AM
37748	Brought hope and finally someone standing up for common sense as "SCIENCE" is clearly not working cause we still getting sick and getting lockdowns after 90% vaccinated, so time to not follow "science" and just let us and especially my 95 year old grandma get her life and family back	2/19/2022 8:58 AM
37749	Happy they took a stand against Trudeau	2/19/2022 8:58 AM
37750	Given me hope! I'm proud of the, for taking a stand and I no longer feel alone	2/19/2022 8:58 AM
37751	Has given hope for FREEDOM	2/19/2022 8:58 AM
37752	Yes but only with happiness to see all us Canadian come together!!	2/19/2022 8:57 AM
37753	Provided some hope that politicians - Trudeau - would listen to the people. I is about power and politics now.	2/19/2022 8:57 AM
37754	Hope for a free country once again. Proud to be Canadian once again! Saddened to see corrupt government, policing against the Truckers Freedom group	2/19/2022 8:57 AM
37755	I feel hope. I'm proud of them and wish I could be there to support them.	2/19/2022 8:57 AM

37757	Given me hope and around people who just want to live life freely.	2/19/2022 8:57 AM

Canadians vote on Canadian Mandate - February 2022

37758	Glimmer of hope	2/19/2022 8:57 AM
37759	It's given me hope again, that their are others like me who think freedom should be a given not a privilege like the government would like us to believe. I am proud of everything they have done. They have been peaceful and welcoming and good hearted. Everything that a Canadian is truly about.	2/19/2022 8:57 AM
37760	It gives me hope, but it scares me thinking what might happen if Trudeau doesn't listen.	2/19/2022 8:57 AM
37761	Got the first time in 2 years I had hope. I'm disgusted with the situation that has happened in the last day with the police force and emergency act	2/19/2022 8:57 AM
37762	By bringing Hope! Reminding Canadians we have a right to speak up! That our government is supposed to be working for the people not dictating, giving away our jobs, sneaking censorship bills etc in during the middle of the night! Helping Canadians see how corrupt our government is with their own hidden agendas! This convoy has brought Canadians together and people all over the world!	2/19/2022 8:57 AM
37763	Made me proud	2/19/2022 8:57 AM
37764	It has given me hope. I am so proud of the individuals who are gone to speak up for our rights. I am discussed by the PM of Canada, who doesnt even give the people a moment to listen to them. Who has time after time called the Protestors untrue names, not to mention members of the house. He has made it evident that the Government has the News Media in their control. I am utterly disgusted at the PM's lack of respect for the People of Canada who are crying out to be heard. Never have I been more disappointed in our Leadership in Canada.	2/19/2022 8:57 AM
37765	It hasnt	2/19/2022 8:57 AM
37766	It gives me a little hope that we may be able to practice our God given rights in Canada	2/19/2022 8:57 AM

37771	It hasnt	2/19/2022 8:57 AM

37776	It has shown me we still have hope for humanity to triumph over tyrants. It brought to like the importance of our rights and freedoms. It has instilled hope for Canadians.	2/19/2022 8:56 AM

37778	Normal as ever	2/19/2022 8:56 AM
37779	They're giving me HOPE! They are so committed to standing for us, I am so thankful for them	2/19/2022 8:56 AM
37780	I believe it show the government people have an OPINION. I am proud of those truckers and thank ALL involved for their efforts!	2/19/2022 8:56 AM
37781	Other than having to deal with street closures by enforcement after protests... despite media stating their annoyance... it has not affected my daily life. However the lack of leadership by our PM has affected friends and family significantly in terms of government over reach, and Justin Trudeau's unwillingness to talk to his people who do not agree with him. We have a great loss of trust in our current government. This is not Canada!	2/19/2022 8:56 AM
37782	Anxiety because of the rise of the far right sentiments which worry me. I don't live in Ottawa	2/19/2022 8:56 AM

37784	While I'm not sure we are seeing it yet on the grocery shelves...we will. Cause and effect will happen slowly. You already see it with shipping. And most of all it confirms just how fraudulent and unhinged our PM is. That's terrifying. He has caused such separation among people in Canada. Things NEED to be changed	2/19/2022 8:56 AM
37785	Given me hope	2/19/2022 8:56 AM
37786	The truckers have started the beginning of the end of the mandates. I'm grateful.	2/19/2022 8:56 AM
37787	It gives me hope. It has opened my eyes to the truth and given me something to believe in and a voice to stand up for what I believe	2/19/2022 8:56 AM
37788	It has Given me hope that we will not become a communist country	2/19/2022 8:56 AM
37789	It's giving me hope	2/19/2022 8:56 AM
37790	This trucking convoy and the freedom movement that it has followed because of it has definitely given me hope that Canada may still prosper and stay free. With what has happened in Ottawa this weekend I am no longer convinced of this. What has happened in Ottawa has turned me 100% into a separatist and I will fight to make sure the west is no longer part of that evil corrupt regime.	2/19/2022 8:56 AM
37791	At the end we Thank Them all for their participation, they are God sent to Free our Nation from Psychopaths.	2/19/2022 8:56 AM
37792	Hating government for corruption at all levels. Severely increased my Blood pressure and anxiety .	2/19/2022 8:56 AM
37793	Positively, they are giving us hope and unity. They are a wonderful example of who Canadians are. Unlike the people Trudeau wants us to be.	2/19/2022 8:56 AM
37794	I am glad to see they are standing up for freedom. Trudeau acting like a fascist dictator	2/19/2022 8:56 AM
37795	It shows me people can still be united sharing smiles and love	2/19/2022 8:55 AM
37796	Political turmoil	2/19/2022 8:55 AM
37797	It hasn't! I back them up 100% for our rights and freedoms	2/19/2022 8:55 AM
37798	It gave me hope	2/19/2022 8:55 AM
37799	It has added hope but still worried about what's going to happen.	2/19/2022 8:55 AM
37800	It's given me chills to see so much patriotism, and it shows that there are many millions who feel the same way as me, I felt alone and now the convoy has brought togetherness in massive ways	2/19/2022 8:55 AM
37801	Gave me hope	2/19/2022 8:55 AM
37802	I love those boys for taking action for all of us I am a stay-at-home mum with a special needs son who will not wear a mask so I struggle every day I don't care who gets a vaccine I just don't want to be forced to do something because I've never been forced to do anything before	2/19/2022 8:55 AM
37803	Made me feel like there is hope for something better and then they get treated like criminals for standing up for their rights	2/19/2022 8:55 AM
37804	Positively	2/19/2022 8:55 AM
37805	Hope for an end	2/19/2022 8:55 AM

37818	They have made me embarrassed to be Canadian and I have a negative reaction to a Canadian flag whenever I see one now. I have identified several people to cut out of my life however, because they seem to prefer selfishness over the collective health.	2/19/2022 8:54 AM

37826	Reassurance of like minded people. Further frustration the federal government won't come to discussions. That the federal government chooses slander and name calling rather than conversation. That this group is specifically targeted by the emergencies act yet other protests continue to be protected.	2/19/2022 8:54 AM
37827	Brought hope	2/19/2022 8:54 AM

37835	Every morning I wake up stressed for the safety of every Canadian citizens. Because those truckers are fighting for our freedom and Trudeau and the politicians are not listening to the citizens. Some people had the guts to stand up for us and they are being arrested. Force is being used when those people are doing a peaceful protest. God help us but help those people that were hurt , charged, put in prison for standing up. I do not trust the police officers anymore and surely not the government.	2/19/2022 8:54 AM
37836	A little	2/19/2022 8:54 AM
37837	It gives us hope and assurances that we are not alone in our belief that the government has overstepped and violated rights and freedoms without demonstrably justifying it.	2/19/2022 8:53 AM

37838	They disgust me	2/19/2022 8:53 AM
37839	I stand with them.	2/19/2022 8:53 AM
37840	Given me hope	2/19/2022 8:53 AM
37841	Hasn't	2/19/2022 8:53 AM
37842	It hasn't, outside of some of our beliefs being similar while others are not.	2/19/2022 8:53 AM
37843	It has given me hope that the tyrant in Ottawa (Justin Trudeau) will leave soon. It has made me happy to know that the rest of the world is seeing him for the narcissistic dictator that he is.	2/19/2022 8:53 AM
37844	It has been absolutely awful. It has caused irreparable harm to Canada's international reputation. It has emboldened racism within the alt-right. It has seemingly encouraged people to want undemocratic actions taken to overthrow a democratically elected government.	2/19/2022 8:53 AM
37845	Hope. Love. Joy. Faith in humanity.	2/19/2022 8:53 AM
37846	It's truly blessing! Praise God for these people and all their supports	2/19/2022 8:53 AM

37848	Gave me hope , was proud to be a canadian for the first time in 2 years	2/19/2022 8:53 AM
37849	I have seen many protests in my life, big and small. I am following the trucking convoy daily and it is the only thing that is giving me hope during these terrible times	2/19/2022 8:53 AM
37850	Media noise	2/19/2022 8:53 AM
37851	Positive! Proud to be a Canadian again	2/19/2022 8:53 AM
37852	Gave me hope again of regaining a free society.	2/19/2022 8:53 AM
37853	It hasn't.	2/19/2022 8:53 AM
37854	As I was already forced pack up my office located on Albert st to work from home due to the last lockdown and restrictions the govt mandated for omicron, I was not affected too much. Actually I was affected but in a positive way. I haven't had so much hope and happiness in 2 years.	2/19/2022 8:53 AM
37855	Gave me hope. It has changed a lot of my friends for the better.	2/19/2022 8:53 AM
37856	It hasn't.	2/19/2022 8:52 AM
37857	It gave me hope that they could help change the government decisions	2/19/2022 8:52 AM
37858	It's brought me hope. It's brought my family hope for a new Canada. To have my freedom back to move and breathe. I am extremely grateful to the brave men and women of the trucking convoy.	2/19/2022 8:52 AM
37859	Gave us hope for the first time in 2 years. Our MP did nothing to help us. Our government has a heart of stone. The truckers were kept with no choice, just like us. We watched live footage and went to Ottawa 2 times. Media blatantly lied as does our PM. We have zero trust in our institutions now, and we're left with medical apartheid. They are 99% good honest people in the convoy who simply want justice n a peaceful life. I read thousands of messages tk them saying thanks for helping folk not give up on life completely after our gov crushed them. They will go down as heroes, even if not right now. All major freedom movements demonized the leaders, they all got arrested, yet now we lift them up in our history books.	2/19/2022 8:52 AM
37860	Has given me hope and restored my soul	2/19/2022 8:52 AM
37861	Happiness	2/19/2022 8:52 AM
37862	It's giving me hope	2/19/2022 8:52 AM
37863	They are trying to get our rights and freedoms back the way they were.	2/19/2022 8:52 AM
37864	It hasn't, directly, but it has thrown my city into chaos and threatened the government of my country with a fascist takeover.	2/19/2022 8:52 AM
37865	I love it hasn't affected me at all the government did that 2 years ago and now that it is	2/19/2022 8:52 AM

37890	Gave me some hope at first, than massive shock at what Trudeau dared to do	2/19/2022 8:52 AM
37891	Slightly different route to work. Increased my stress levels. Added to my personal safety concerns. I had several plans on how I might have to deal with these people depending on different circumstances. I work downtown, live in suburbs so I had safety and quiet at home unlike those living nearby the sites.	2/19/2022 8:52 AM

Canadians vote on Canadian Mandate - February 2022

38019	It has brought hope and freedom	2/19/2022 8:46 AM
38020	I have HOPE because of these men and women. They have stood and are standing for everyone of us! They are sacrificial in their actions to defend all Canadians' liberty. They are a physical manifestation of the will of the majority to be free! They represent me. They are courageous and all who turn out and all who assist, money , food and Encouragement. The assembly of the people of Canada , for the people as by the people is the bright spot of my day! They are simple everyday people who have o eyed illegalities and constitutional affronts, until now! They are Brave and as they stand , they are Free! We are with them!	2/19/2022 8:46 AM

38033	I have been encouraged to see that Canada has strong, peace-loving patriotic citizens that will stand up for the freedoms our great grandparents fought so hard for.	2/19/2022 8:45 AM
38034	Makes me mad they stayed that long, not sure why they feel their exempt when most all other truckers have gotten vaccines?!? and feel bad for my family who lives there and is affected by it!!	2/19/2022 8:45 AM
38035	Loved it	2/19/2022 8:45 AM

38038	It hasn't	2/19/2022 8:45 AM
38039	Although i agree with the premise of the convoy, i do not agree with some of the actions. My company and coworkers have lost employment due to the blockages in Windsor.	2/19/2022 8:45 AM
38040	A ray of hope	2/19/2022 8:45 AM
38041	Made me proud and more patriotic that there are Canadians standing up for personal freedom and human rights for all humanity. They have been a stand for truth, love and freedom	2/19/2022 8:45 AM
38042	It has given me a sense of hope that I have not felt in all my(30) years the love and compassion of those people for their county and for their fellow citizens is astounding and not at all what our PM and media has wrongfully made them out to be... the media and the PM have grossly misrepresented the convoy...	2/19/2022 8:45 AM
38043	It has given me hope for the first time in two years. I've felt more Canadian pride in the last month than I have my whole life. We need hope and unity right now. I'm so ashamed of our "leader" who is done nothing but decide people and brainwash them with fear for 2 years. He needs to go.	2/19/2022 8:45 AM
38044	Gave me hope that Canadians can act ... until the unnecessary and punitive emergency act hit. Makes me happy to see Canadians taking a stand, and angry with government threats and overreach into our lives.	2/19/2022 8:45 AM

Canadians vote on Canadian Mandate - February 2022

38045	I work for a trucking company. Loss of cross border truckers due to mandate has caused freight prices to soar, and further destruction of supply chain	2/19/2022 8:45 AM
38046	It's the only hope for this country our priminister is totally out of touch.	2/19/2022 8:45 AM
38047	It has made me more aware of the policies that our government is unjustly implementing into our lives.	2/19/2022 8:45 AM
38048	More division and lies from the government. Perhaps a minor slow of goods but was far worse before the protest	2/19/2022 8:45 AM
38049	It has created some hope. It reminds me that we are Canadian and we live in a Country where we free to make choices. Our federal government needs to be reminded of that! We all need to be reminded of that...the convoy is representing the MAJORITY of Canadians...free to make choices, free to accept others opinions while kindly and respectfully making sure that we do what we can to take care of our neighbours, our communities, both friends and strangers, even if we don't agree. Enough of Trudeau and his weak leadership throughout his tenure, and throughout those pandemic.	2/19/2022 8:45 AM
38050	The truckers have changed everything for the better and have given not only Canadians hope but the entire planet.	2/19/2022 8:45 AM

38055	It has helped, knowing people are actually standing up for our rights. Without them the mandates would not be lifted.	2/19/2022 8:45 AM
38056	Given me hope that humanity is still out there!	2/19/2022 8:45 AM
38057	It's brought out more community and Country pride. It's brought out more neighbours helping neighbours and working together instead of division. It's brought more awareness to more of the overreach of the government overreach that's currently happening. And inacting the emergencies act for a protest so non-confrontational Just further proves the existence of government overreach.	2/19/2022 8:45 AM
38058	It has been a huge encouragement. I feel proud to be Canadian when I see them. They are standing up for freedom for all Canadians against a communist leadership. I can't thank them enough	2/19/2022 8:44 AM
38059	Brought hope	2/19/2022 8:44 AM
38060	It has made me feel less helpless and hopeless that we do not have a say anymore in our own lives.	2/19/2022 8:44 AM
38061	It has giving me a spark of hope that us as Canadians love this country and we can get our freedoms back.	2/19/2022 8:44 AM
38062	Hope that government overreach will end in beginning. Now just glad tyrants have been exposed amd media has been exposed.	2/19/2022 8:44 AM
38063	It didnt affect my life at all	2/19/2022 8:44 AM
38064	It's made it demonstrably worse in every conceivable way. I'd like my city back please.	2/19/2022 8:44 AM
38065	I believe they have caused our premier to end the Vaxx Pass sooner much sooner than otherwise. The convoy makes me feel proud to be Canadian again.	2/19/2022 8:44 AM
38066	Gave me hope that the government would finally listen to the people	2/19/2022 8:44 AM
38067	Not much. I do not live downtown.	2/19/2022 8:44 AM
38068	It was a huge hope for me. It helped me to believe that all those nonsense measures would	2/19/2022 8:44 AM

38107	Stress. Chaos. Noise. Smell. Discomfort in my own city. This wasn't about trucking. Rather it was led by separatists and white supremacists under the guise of "freedom". We've lost no freedom, only privileges. Most you can get back by taking a vaccination to help protect fellow Canadians. Like 90% of Canada has done.	2/19/2022 8:42 AM

38168	Increase to the cost of goods and services! They have a right to protest under our constitution that being said they also right or wrong have a right for their voices to be heard. They are being treated harshly simply because they are going against the establishment. My question is why "woke" , odd ball individuals are allowed to object for example, to gender based pronouns and these people cannot raise their concerns over country wide mandates!	2/19/2022 8:39 AM

38171	Hope	2/19/2022 8:39 AM
38172	In a positive manner. Gave many Canadians hope and courage, who thought they were the only ones thinking a certain way. It gave them a voice.	2/19/2022 8:39 AM
38173	It really hasn't, other than watching our government actively step up the rhetoric. Sad to watch really, if you don't agree with PM , you're not worthy	2/19/2022 8:39 AM
38174	It has shown that Trudeau is a petty tyrant	2/19/2022 8:39 AM
38175	It has given a new sense of hopelessness	2/19/2022 8:39 AM
38176	Hasn't	2/19/2022 8:39 AM
38177	It has added hope that we can become a free country again	2/19/2022 8:39 AM
38178	Hope	2/19/2022 8:39 AM
38179	It's given me a glimmer of hope for people to wake up. It has also shown me how twisted and corrupt our government is.	2/19/2022 8:39 AM
38180	The raised the sports of many and Canada is be united as one. That's a great feeling.	2/19/2022 8:38 AM
38181	It gave me hope	2/19/2022 8:38 AM
38182	The trucking convoy has given me hope. Given a glow in my heart. I am so proud of them. I was there to support for as much as I can.	2/19/2022 8:38 AM
38183	Giving us some hope	2/19/2022 8:38 AM
38184	I went to Ottawa to see for myself last weekend and I couldn't believe the stark contrast between what I and, the other 3 members of our group, personally experienced and how it was reported by our so called public broadcaster the CBC and Global and CTV. I have lost complete faith in our MSM. I have found a new faith in my fellow Canadian citizens that stood up for freedom when so many turned away in fear.	2/19/2022 8:38 AM
38185	Hope, Joy, Happiness. Having a voice Freedom	2/19/2022 8:38 AM
38186	I am glad the truckers helped us with the mandates No one else would do anything about it.	2/19/2022 8:38 AM
38187	Given a new sense of unity, pride and hope for all of the world, not just Canada.	2/19/2022 8:38 AM
38188	The freedom convoy has given me hope. The current government is violating our charter of rights and they are ignoring the most recent scientific studies. There is no reason for all these restrictions at this time and the trucking convoy simply wants our government to listen to the facts, and end the mandates.	2/19/2022 8:38 AM

38197	Supported my belief in the charter of rights	2/19/2022 8:38 AM
38198	Been a source of stress and frustration. Directly affected family and friends in such a negative way. It accomplished nothing but showing the ignorance that exists in this country.	2/19/2022 8:38 AM
38199	It has given us hope!!! I no longer feel alone!!! And it has waken up my family to the corrupt system and wrong doings by our government. Before this, I felt it was my husband and I against everyone. Now the tide is turning and we feel more united than ever, with our family, and with our country. I honestly thought most Canadians were okay with being controlled and tortured, until lately.	2/19/2022 8:38 AM
38200	The are the voice for us at home for are children future abs we support them and we pray for them	2/19/2022 8:38 AM

38207	No real effect	2/19/2022 8:37 AM
38208	It has not affected it any worse than the mandates did. In fact the mandates did more harm to many small businesses. Proud for the citizens that have stood up to wanting our Freedoms back .	2/19/2022 8:37 AM
38209	lot's of hope and happiness, gave me back the lift of believing that we have a chance to be free again	2/19/2022 8:37 AM

38223	It gave me hope	2/19/2022 8:36 AM

38225	May me feel proud to be a Canadian	2/19/2022 8:36 AM
38226	Given me hope and restored some faith in humanity!!!! I have cried with happiness many times watching the footage of people singing, dancing and hugging and standing up for what they believe is right!! I am disgusted by what the government and specifically Trudeau has done to work with the convoy, and this Emergencies Act is way over the line. The world is watching and we are losing our democracy, this convoy has restored some faith that we may make it through this insanity and it's what gets me up in the morning! Keep on trucking!! HONK!	2/19/2022 8:36 AM
38227	FREEDOM. Go truckers!!	2/19/2022 8:36 AM
38228	Give me some hope to recover a normal life	2/19/2022 8:36 AM
38229	It's led to a riff within my extended family who have developed more extreme and polarizing viewpoints, created by biased news sources and facebook posts. It's disheartened me to see people so divided and led by misinformation as well as a deep misunderstanding of government, science, and the difference between rights and freedoms.	2/19/2022 8:36 AM
38230	Helped our country unite	2/19/2022 8:36 AM
38231	It gave me hope!	2/19/2022 8:36 AM
38232	I appreciate the sacrifice those participating have made. They are standing up for freedoms the government is taking away. They have had the courage to stand and be counted where many have not had the courage to speak up against the wrongs of our government.	2/19/2022 8:36 AM
38233	Giving me and many others hope to peacefully come to an understanding that this whole vax fiasco is failed. We want freedom of choice not communism	2/19/2022 8:36 AM

38236	The first time Canadians held hope in their hearts right across Canada. A beautiful experience.	2/19/2022 8:36 AM
38237	Hope. To see so many standup against this medical destruction is so heartwarming and mentally satisfying. However to see what they are doing to them brings it all back again. How are we living with this government in Canada? Just how?	2/19/2022 8:36 AM
38238	the trucking convoy brought hope, inspiration, relief, heartwarming path forward	2/19/2022 8:36 AM
38239	It is showing the true dictatorship of Trudeau and the liberals	2/19/2022 8:36 AM
38240	It showed us that we are not alone and that we can have a say. Despite the tyrannical government. I am broken hearted witnessing the violence used on them by Trudeau's orders.	2/19/2022 8:36 AM
38241	Gave me hope after 2 long years... peace knowing I was not alone.. security that things will be ok. Love back in my heart for a fallen country I was about to leave.	2/19/2022 8:36 AM
38242	It has been a source of hope and encouragement and camaraderie in a dark two years.	2/19/2022 8:35 AM
38243	Has given hope and a renewed expectations	2/19/2022 8:35 AM
38244	I feel they have done a heroic act. Go truckers!!	2/19/2022 8:35 AM
38245	Given me some hope there will end to this communistic way of governing. Justin Trudeau needs to resign, be arrested, and held accountable for his actions.	2/19/2022 8:35 AM
38246	There's hope for our freedoms	2/19/2022 8:35 AM

38250	They have given me hope that our country is not a lost cause. The convoy has shown me that I am not alone in my thoughts. They have given me hope for the future of Canada and of a free Canada for my grandkids.	2/19/2022 8:35 AM
38251	It has restored pride in a country I was ready to move out of	2/19/2022 8:35 AM

38253	Never in my life witnessed such a massive group of happy loving peaceful people	2/19/2022 8:35 AM
38254	Inspiring, hopeful, uniting, peaceful, supportive	2/19/2022 8:35 AM
38255	Gave me hope that we will get our lives back!	2/19/2022 8:35 AM
38256	Gave me hope that people realize how precious life is and start leaving happy lives, be all united again with love in their hearts.	2/19/2022 8:35 AM

38260	The convoy has restored my pride in being a Canadian! When watching the videos of the convoy I have cried with pride & joy in how they are standing up for their rights & freedoms. It's disgusting what the politicians are trying to do!	2/19/2022 8:35 AM

38265	They are fighting for the Freedoms we all should hold dear to ourselves	2/19/2022 8:35 AM
38266	This peaceful trucker protest has now turned into a world wide attention showing the complete inadequacy of our government's leadership in refusing to resolve this situation adding more division and heartache to an already hurting Canada. Our country is blanketed with a covering of oppression, despair and hopelessness and it's not from the truckers. Canada cannot survive under this government's rule. We are all fractured and divided. Our once joy has now turned into mourning.	2/19/2022 8:34 AM
38267	I feel hope	2/19/2022 8:34 AM
38268	It has given me hope. I thought I was the only one who wanted the mandates to end. Now I know that the majority of Canadians also want it to end.	2/19/2022 8:34 AM

38270	It has been a release of joy, unity and made an atmosphere of freedom and a light for normalcy. The greatest revelation yet through a display of love and kindness. A fight done by strong, bold citizens. We thank you with very fibre in my being. Blessings to each.	2/19/2022 8:34 AM
38271	Given me a reason to stand up as a Canadian	2/19/2022 8:34 AM
38272	It has given me hope and connected me with so many loving and accepting people. It showed me that I'm not alone in my city, our province and our entire nation. It's been so empowering to know that other people have been experiencing the same extreme struggles due to these mandates and that we don't have to allow ourselves to be subject to them any longer.	2/19/2022 8:34 AM
38273	Fear. Anxiety. They came down my street three different times. Way too intimidating. They went to the Premier's house. I don't like him and would never vote for him but that is unacceptable.	2/19/2022 8:34 AM

38282	Hope that the government would talk and come To a compromise	2/19/2022 8:33 AM
38283	It has made me appreciate the impact of the mandates. A significant portion of the population felt that the truckers were advocating for them.	2/19/2022 8:33 AM
38284	Hope is there	2/19/2022 8:33 AM
38285	It hasn't, it's a great display of Canadians coming together, let them have a voice	2/19/2022 8:33 AM
38286	Provided sense of hope, confirmed the divide between educated and privileged over the working class, experienced alternative information sources provide truthful reporting whereas mainstream is filtered through government agenda, the convoy protest has demonstrated to me and from the news sources I have checked throughout the US, Australia, India, and the UK that there is hope for truthful expression and we must be open to listening without labels, rid our politics of this divisive rhetoric	2/19/2022 8:33 AM

38289	It hasnt at all	2/19/2022 8:33 AM
38290	Terribly. I live 1km away from the mass of trucks and terrorists. I could hear the honking at all times. I've suffered a great deal of stress because of the occupation. I know people who have been harassed and assaulted. I know people that couldn't sleep for 2 weeks. The facts that the "truckers" used public health mandates to cover an attempted coup, and to cover alt-right ideology, is abhorrent. I hope all those involved are charged accordingly.	2/19/2022 8:33 AM
38291	Hope of change for the future	2/19/2022 8:33 AM
38292	Gave me hope	2/19/2022 8:33 AM

38294	They gave me hope	2/19/2022 8:33 AM
38295	It has shown me how the 10 percent of fringe ruined the message of 90 percent of honourable men and women who took a stand. It also showed me how much control our government and Facebook have over our media and social networking sites. The over reach scares me a lot more that the ten percent who displayed inappropriate behaviour!	2/19/2022 8:33 AM
38296	It has given me hope, pride and the feeling that someone is finally listening	2/19/2022 8:33 AM
38297	They not affected	2/19/2022 8:33 AM
38298	this was a peaceful protest and i would have been along side them if it was not for my health,the media twisted and bent the truth.	2/19/2022 8:33 AM
38299	It has been stressful to see that police can't or won't keep the peace when it is organized by white supremacists.	2/19/2022 8:33 AM

38315	I am very grateful that they stepped up to help fight for all of us common folk that don't have a voice or are scared to use it. They have helped shine a light on Justin Trudeau and his true colours. As a Canadian I have never felt such pride as I have watching these truckers stand up for all of humanity. I just hope it will be enough to end the tyrannical reign under Justin Trudeau.	2/19/2022 8:31 AM
38316	Has given me hope that things will turn better.	2/19/2022 8:31 AM

38321	No	2/19/2022 8:31 AM
38322	Gave hope	2/19/2022 8:31 AM
38323	Really made me think what the government of Canada is actually trying to do to Canadians in a bad way. Realizing that there is more to this than just an actual so called pandemic. It's more for control and power than anything else. I strongly detest the actions of our prime minister as they severely over step boundaries and privacy along with freedom of choice for all Canadians.	2/19/2022 8:31 AM
38324	It gives me hope and makes me feel that I am not alone in my thoughts.	2/19/2022 8:31 AM
38325	Put a huge smile on my face and gave me hope for a better future.	2/19/2022 8:31 AM

38327	It hasn't, it has actually been an amazing thing to see a lot of Canadians come together! It's actually been exciting to watch	2/19/2022 8:31 AM
38328	I'm so proud of them! Finally people are standing up for us. We are very emotionally invested in the truck convoy! They give us a sense of hope that the govt hasn't given us in years	2/19/2022 8:31 AM
38329	Makes me proud to be a Canadian They united the country Brought hope	2/19/2022 8:31 AM

Canadians vote on Canadian Mandate - February 2022

38332	International embarrassment	2/19/2022 8:31 AM
38333	It's brought me hope for the future. I've met so many wonderful loving and caring people. I don't understand why the government won't talk with them. To just invoke the Emergency Act, that proves that tyranny and dictatorship is upon us. This isn't the Canada that I grew up in and loved. We need to get it back for our children and their children to come!	2/19/2022 8:31 AM
38334	It gave/is giving us all hope from home that cha he might happen and there are still people out there willing to stand up for all of our rights.	2/19/2022 8:31 AM
38335	I strongly disagree with the convey. I believe that a small group that has organized this hate rally masquerading as a protest. If there are people with nazi flags at your protest, maybe question why your there as the people who also share your viewpoint have some other extremist values. Also it is one thing to hold a peaceful protest, another very different to occupy a city for multiple days. Taking services from homeless people and blockading streets with trucks. I can see how truckers would be frustrated at the mandate. However they are frontline workers, they like nurses should have the vaccine as they are delivering supplies across Canada. In those cases where they cannot, the covid tests should be used. On that same note, I sympathize with the health care workers that put in the extra hours, risk their life's to get the disease and miss moments with their families as they got called in to cover a shift. I doubt most of the truckers would think about that. They are too worried about their own personal freedoms to think outside their own self. This is Canada they are allowed to express themselves, however they made their point 10 days ago, so go back home and do your job like the rest of us.	2/19/2022 8:31 AM
38336	It's just a mess, blocking roads and what not. They could be working and hauling goods, some stores seem to be late on supplies because trucks traveling are even being blocked.	2/19/2022 8:30 AM
38337	It's given me hope for the first time in two years. I've seen Canadians band together. It's shown the true agenda of the Prime Minister of Canada, who has divided the country and wants to keep people that don't agree with him stifled.	2/19/2022 8:30 AM
38338	I have not attended a rally, however I will always support those who use their voice to stand up for their beliefs. Especially when it's for our nations freedom.	2/19/2022 8:30 AM
38339	Given me hope.	2/19/2022 8:30 AM
38340	I think that it was positive, but not sure it really affected me	2/19/2022 8:30 AM
38341	It has brought back hope and a renewed patriotism. I pray that God will "keep our land glorious and free".	2/19/2022 8:30 AM
38342	On a positive note if not the convoy there would still be no mention of lifting any mandates	2/19/2022 8:30 AM
38343	Not yet	2/19/2022 8:30 AM

38418	Create incorrect name for Canada. Protest 2or 3 days is more than long enough. Government is not to be blamed. Other countries locked up much faster. If people complied rules would not need to be so we extended. Protest is caused by frustrated people. Food prices up. We have lots of freedom and wealth. 38422	It's put hope back in my heart that people should be free to choose for themselves what they want to put in their own bodies. We live in a free country we shouldn't have ever been segregated, people get Covid vaccinated and unvaccinated. They got Covid masked they got Covid social distancing. People are given God given freedom to make those choices. No man or government should be allowed to take them away in a free country. Shame on Canada.	2/19/2022 8:25 AM

38438	Just made me question the power of government and the large proportion of the population that are willing to stop another fellow citizens right to assembly. How easily media and people will turn the story into something it isn't. it's eye opening.	2/19/2022 8:24 AM

38457	Make me happy	2/19/2022 8:23 AM
38458	I'm really hoping they get mandates lifted. I see how it has effected their lives. I'm affected by the government. Not the truckers.	2/19/2022 8:23 AM
38459	The protest for medical choice and freedom has given me hope in the darkest times of my life.	2/19/2022 8:23 AM
38460	It has caused increased stress, made it unsafe to go downtown, increased racial attacks & harrassment from crazy anti-maskers.	2/19/2022 8:23 AM
38461	It has given me a glimmer of hope.	2/19/2022 8:23 AM
38462	Horrible gang of assholes invaded my neighbourhood and held me and my community hostage for absolutely no reason and achieved nothing. I despise them and hope they rot.	2/19/2022 8:23 AM

38469	It's given me hope and a voice to establish freedom from our tyrannical over reaching government.	2/19/2022 8:22 AM
38470	It's made me aware how politically-driven the choices around the pandemic have been (as opposed to our health), and how our country's leadership is not making decisions based on the best interests of Canadians.	2/19/2022 8:22 AM
38471	Hope again, but worried for them. Fear of government reaching into our lives	2/19/2022 8:22 AM

Canadians vote on Canadian Mandate - February 2022

38481	I NO longer TRUST CBC or CTV. I chose to watch 6 different Street journalists on You Tube LIVE Feeds and what I watched was NOT the SPIN STORY I was getting fed from MAINSTREAM MEDIA. Disgusting how far LEFT Canadian Media has SWUNG. And they have the nerve to talk about Trump like movements and FAKE NEWS when ----- that's all they do 24/7 NOT report Biased OPINION.	2/19/2022 8:22 AM
38482	The trucking convoy wants the mandates to be stopped immediately. So do I. Therefore, the trucking convoy has given me hope - hope that maybe there can be change, hope that the mandates can all be dropped, hope that Canadians can put aside their fear of covid (especially since the current variants are so much less severe than the original strain) and be able to reconnect with each other, hope that businesses will be able to operate freely once again, hope that all the people who have lost their jobs due to the mandates will be able to go back to work and provide for their families again, hope that Canadian children will be able to get back to school, and actually start learning and socializing again, hope that I'll actually be allowed to see my grandma again, hope that such terrible measures would never again be imposed upon the Canadian people by our duly-elected government.	2/19/2022 8:22 AM
38483	Gave hope very needed hope	2/19/2022 8:21 AM
38484	Renewed sense of pride for country	2/19/2022 8:21 AM
38485	Hope Faith	2/19/2022 8:21 AM
38486	Given me hope that someone will stop the government overreach	2/19/2022 8:21 AM
38487	It has greatly affected my life. They are fighting for our freedoms and rights to get our country back and to end all mandates. They are sacrificing their time and are demonstrating love and unity. That's the Canada that I know♥	2/19/2022 8:21 AM
38488	No comment	2/19/2022 8:21 AM
38489	That there may be hope for for us all to get back together and have a life	2/19/2022 8:21 AM

38495	Empowers me	2/19/2022 8:21 AM
38496	They give hope for a better future.	2/19/2022 8:21 AM
38497	I am so proud of all the people that have been involved in this convoy. I went to cheer them on as they passed by my town. I haven't been able to get to Ottawa to show my support but I do support them 100%. I'm disgusted in the way Trudeau is handling this, as well as the police. It's makes me sad to think a supposed ruler of a country can put people against each other. Thankfully we have the truckers, Chris Barber and Tamara that are holding the line and keeping people as safe as they can!! Go Truckers!!!	2/19/2022 8:21 AM
38498	It has not a little more lines here and there but it is ok. The truckers are Canadians as well they have a message and government did not listen	2/19/2022 8:21 AM
38499	they are awesome	2/19/2022 8:20 AM
38500	Makes me proud to be Canadian	2/19/2022 8:20 AM
38501	Given me hope and joy for my returned freedom	2/19/2022 8:20 AM
38502	It gives hope and shows exactly how displeased Canadians are with how the government has handled this situation. The mainstream news cannot contain it and have shown many how biased their "reporting" actually is.	2/19/2022 8:20 AM
38503	It has shown me What a piece of shit Trudeau is he don't care about people not sure how he won election he should be long gone I don't know anyone who voted for him	2/19/2022 8:20 AM
38504	The trucking convoy has renewed my faith in humanity and restored hope.	2/19/2022 8:20 AM

Canadians vote on Canadian Mandate - February 2022

38505	It has brought things our government is trying to do behind our backs to the front. I commend what they are doing. For the first time in along time I feel proud to be Canadian standing up for our freedom	2/19/2022 8:20 AM
38506	Made me feel like a Canadian again.	2/19/2022 8:20 AM
38507	Gives me hope that we will find our freedom back. It is the most positif thing I have seen since the begining of this pandemic	2/19/2022 8:20 AM
38508	I've never felt more proud to be a Canadian. I have a glimmer of hope that the elitist ruling class just might back down and leave us free Canadians alone. Trudeau is a traitor.	2/19/2022 8:20 AM
38509	Other than some mandates being dropped the convoy has not affected my life. They are not a danger or threat to my life. I do not feel they are terrorist. I don't feel anything that would make me feel my life is in any danger.	2/19/2022 8:20 AM
38510	It hasn't, GO TRUCKERS.	2/19/2022 8:20 AM
38511	It has restored my faith	2/19/2022 8:20 AM
38512	Not at all	2/19/2022 8:20 AM
38513	Showed Canadians standing together	2/19/2022 8:20 AM
38514	It hasn't	2/19/2022 8:19 AM
38515	Food delivery	2/19/2022 8:19 AM
38516	It has made me feel proud to be a Canadian again! I have felt a greater love, unity and sense of camaraderie for my fellow Canadians like never before! It has also opened my eyes to the true nature of my government and Prime Minister to realize how corrupt, ignorant and completely incapable he is to lead our country	2/19/2022 8:19 AM
38517	Made me realize there are thousands more Canadians that want freedom and are willing to stand up.	2/19/2022 8:19 AM

38523	It has encouraged me and given me hope for Canada	2/19/2022 8:19 AM
38524	I have been encouraged that here is a huge amount of people who feel the same as I do that the mandates and rules need to end.	2/19/2022 8:19 AM
38525	Distraction hiding what corrupt govt is up to.	2/19/2022 8:19 AM
38526	The trucking convoy has done nothing but cause more division. Trudeau absolutely should have gone there and spoken to them. He would likely have been spit on and booed but at least for the rest of the country it would show he at least tried.	2/19/2022 8:19 AM
38527	Brought hope and joy, faith in humanity.	2/19/2022 8:18 AM
38528	It's encouraged me as I see there are still people in this country who are willing to band together to stand for what is good and right!	2/19/2022 8:18 AM
38529	Given me hope. Didn't realize until then that so many people shared my views. Brought Canadians together in love, unity and pride.	2/19/2022 8:18 AM
38530	They gave us hope and the strength to fight for our freedom.	2/19/2022 8:18 AM

38532	It has given me hope. I feel proud to be a Canadian again. They are brave people standing up and telling the government let's talk about these mandates and the science and negotiate something that will work for everyone in Canada. And now with what happened on Feb 18 in Ottawa, I do not trust law enforcement & the government. I also do not understand why the	2/19/2022 8:18 AM

opposition party, NDP, are not against this tyranny from the government. The government has forgotten that they work for me and not the other way around. The truckers have reminded me that they work tirelessly so that I can buy the goods I want. The military veterans have also been inspirational standing with the truckers. They fought for our freedoms in wars and now the trucker have become in a sense the new military, fighting for our freedoms today. I could go on and on. God keep our land, Glorious and Free!! Oh Canada we stand on guard for thee!!

38569	None	2/19/2022 8:16 AM
38570	Gave me hope	2/19/2022 8:16 AM
38571	It's reminded me that Canadians can also be self-involved asshole snowflakes who don't give a fuck about anyone but themselves. Fortunately, they're in the small minority.	2/19/2022 8:16 AM
38572	Gave me hope	2/19/2022 8:16 AM
38573	I think it has been a positive demonstration which is our right to do as a Canadian. I think they have opened up the eyes to many that have been blind and only listening to mainstream media this whole time. This is about getting our freedoms back and lives back. We shouldn't be living like this. No one should have lost their jobs because they chose not to get vaccinated. Kids should not have to wear a mask to school 8 hours a day and not play with their friends because they are in another class. I could go on how ridiculous the mandates have been. I think the Convoy created unity in people once divided and gave hope that we the Canadians were being listened to. It has been very sad to see the turn of events and violence being brought on by people that were supposed to serve and protect. I think it is a disgrace that our appointed leader has refused to address the Convoy and continues to make things worse with his hate speech and trying to shut it down in the way he is. Never should anything like this happen ever again with orders being put through without being voted on through proper channels. It is horrible to watch what Canada has become. I am afraid for my kids future and all the collateral damage they will have to deal with from this.	2/19/2022 8:16 AM
38574	Gave me hope in Canada again	2/19/2022 8:16 AM

38576	It's given me hope!!!	2/19/2022 8:16 AM
38577	Gave hope again, woke up a lot of sleeping lions, discovered what true civil disobedience looks like	2/19/2022 8:16 AM
38578	Showed me hope that people are waking up and uniting. Trudeau does not deserve to even live in this country let alone be Prime Minister.	2/19/2022 8:15 AM
38579	Positively giving me hope that the these mandates and ridiculousness will end.	2/19/2022 8:15 AM
38580	that's give me hope	2/19/2022 8:15 AM
38581	There has been a lot more hope since the convoy started. I am so anxious daily about what the future will hold for my children. This convoy actually seems like the peaceful uniting movement that needs to happen worldwide. It is inspiring people to be better humans in a lot of places.	2/19/2022 8:15 AM
38582	Brought hope	2/19/2022 8:15 AM

38585	Given me hope and pride in my country!!	2/19/2022 8:15 AM
38586	Made me realize I am not alone in the fight to regain our rights as Canadian citizens. The Convoy has unmasked the Prime Minister's true agenda for Canada. He wants total control of the country modelled after a Communist Dictatorship.	2/19/2022 8:15 AM

38589	The noise downtown is awful and not fair for people living there. Also it is awful to see the lack of respect and damage they are causing to others. This is not for freedom but selfish acts when affecting others	2/19/2022 8:14 AM
38590	Gave me hope for the future..for my child's future!	2/19/2022 8:14 AM

38600	The trucking convoy is giving me a hope they are soldiers keeping us out from communism	2/19/2022 8:14 AM
38601	It's made me angry. How the hell does a bunch of white, entitled, evangelical nutjob manbabies get away with this? Oh wait... It's a national embarrassment. GO HOME. Better yet, go back to school and retake social studies so that next time you decide to occupy a city, or blockade a border, you actually understand the system you're trying to overthrow. Also, your experiences are NOT analogous to the holocaust, nor do you live in an authoritarian dictatorship - you are simply experiencing small losses of privilege.	2/19/2022 8:14 AM
38602	Gave me hope and others much hope and relief to know so many other Canadians feel the same. The media and government have been very dishonest.	2/19/2022 8:14 AM

I have been proud to say I'm Canadian when I saw the love and sacrifice the truckers and farmers are making to make a stand the way they are. Too much corruption has been going on in our Government.	2/19/2022 8:13 AM

38642	It gave me hope for Canada and once again made me feel proud to be a Canadian. I went to Ottawa lla week ago today to see for myself what was really going on there. The media can't be trusted to tell the whole truth so I decided to go myself. I found peaceful people , loving people who were in support of the convoy. People with shovels cleaning the sidewalks and streets. Putting down salt , putting letters and signs on the fence from children who have seen their teachers face ever!!!	2/19/2022 8:11 AM
38643	They haven't	2/19/2022 8:11 AM
38644	Made me fear government. Made me see the true identity and incompetence of Trudeau. Seen the loss of our charter rights because of trudeaus actions to convoy instead of using dialog.	2/19/2022 8:11 AM

38689	This movement reinforced that I am not alone, and has opened up my heart to be more tolerant to others opinions. 38701	I saw some hope	2/19/2022 8:07 AM
38702	The truck convoy is a complete embarrassment for Canadians. "Supporters" travelled through my community clogging traffic, blocking easy access to emergencies and harassing people in masks. People went to the mall and harassed employees at their place of work and one had the gall to argue with a disabled man that only "people like him" will die so it's really no big deal. The convoy is a fake movement funded by oil lobbyists and white supremacy groups on	2/19/2022 8:07 AM

the far right. It has taken advantage of underinformed Canadians economic fears and turned them towards rallying to prolong a pandemic rather than advocating for something that might help financial security like universal basic income. The convoy has emboldened conspiracists and fascists alike. It's embarrassing Canada reacted as slowly as they did. We all know if it was native women peacefully protesting clean drinking water the military would have been there detaining everyone including illegally detaining media, but these white men can shut down Ottawa and pollute the city with noise, trash, human excrement, and hatred. The military should have cleared them out by day two if the police failed to do so. Rational Canadians do not support this extremist backed movement the same way rational Canadians abide by stop signs. There are societal contracts we all abide by daily in order for our current society to function.

38704	Gives hope	2/19/2022 8:06 AM
38705	They gave me hope, that Maybe something would change.....but the way the police have handled the truckers is deplorable and has sent me spiralling again, I've been having suicidal thoughts	2/19/2022 8:06 AM
38706	Given hope to an end of this foolishness	2/19/2022 8:06 AM
38707	Give me hope	2/19/2022 8:06 AM
38708	First time I've had hope that we might be able to escape the WEF agenda in 2 years! And thank you so much for pushing Ontario to get rid of the vax passports! They are so dangerous and I refuse to use it even though I've vaxxed.	2/19/2022 8:06 AM
38709	It hasn't	2/19/2022 8:06 AM
38710	It has given hope that people care	2/19/2022 8:06 AM

38720	It has given me hope and we have seen some good results in Some provinces so far. BC is unfortunately holding onto the mandates for now and we have one of the highest vaccination rates. The mandates just do not make sense.	2/19/2022 8:05 AM
38721	The trucker convoy has given me hope that the majority of Canadians have realized that our current political system has to be overhauled.	2/19/2022 8:05 AM
38722	I will be able to attend three weddings this year that I was excluded from and it has given me hope for Canada. How they are being treated is criminal as I consider them heroes. We should all be joining the truckers in their cry for freedom. The Emergency Measures act is the act of a coward and a bully. Absolutely NOT justified and the trucking convoy was and is justified. I am so thankful for them and their courage and conviction.	2/19/2022 8:05 AM
38723	Gave hope, that something can be changed	2/19/2022 8:05 AM

Canadians vote on Canadian Mandate - February 2022

38726	It has given me hope and I am so proud of these people for stepping forward and standing up for our rights. In all the years that I have been on this earth I have never seen Canadians come together like this to support each other, to stand up for what is right for the people, not only in Canada but around the world. To stand up against the elite who, I believe, are attempting to take total control of each & every one of us for their gain & subsequently our loss. We elect our government to serve us not the other way around.	2/19/2022 8:04 AM
38727	It game me hope.	2/19/2022 8:04 AM

38730	It has not affected my life. I don't support violence or racism, but from my perspective this has happened very small scale. I do support freedom of speech and the freedom to peacefully protest and demonstrate. 38755	It's given me a bit of hope	2/19/2022 8:02 AM

38796	None	2/19/2022 7:59 AM
38797	Brought me hope	2/19/2022 7:59 AM
38798	Seeing the unity of this has been beautiful. Watching the PM's handling of it has been shocking but not surprising. He has an agenda and is dangerous. The barbarric assault on innocent Canadians by the OPP while having peaceful demonstration must be immediately reviewed and those violent officers must be punished to the full extent!	2/19/2022 7:59 AM
38799	hope for change	2/19/2022 7:59 AM

38804	Promise of normalcy again	2/19/2022 7:58 AM
38805	Proud to be Canadian. Hopeful and feeling united with other Canadians	2/19/2022 7:58 AM
38806	Showed me that it's time to change canada it's no longer a democracy.	2/19/2022 7:58 AM
38807	As for the truckers protest, enough is enough. We are facing inflation, factory spare parts shortages, and produce shortages because bridges are blocked. I can't access my apartment in downtown Ottawa because of the protests so have to work and live from an alternate location. It isn't just that ordinary Canadians have lost shifts at work because bridges were blocked. Nor is it right that Cdns have to tolerate trucks in neighbourhoods blaring horns and harassing locals. Sure, they have the right to protest and I support that, but they don't have the right to adversely affect the Cdn public. I support the class action lawsuit against them.	2/19/2022 7:58 AM
38808	Have me hope for the 1st time in 2 years	2/19/2022 7:58 AM

38810	It has given us inspiration that people are standing up to tyranny	2/19/2022 7:57 AM
38811	It has made our provincial government lift some of our mandates which has been nice	2/19/2022 7:57 AM
38812	It's giving me a reason to fight for my rights, I feel the support of my my fellow Canadians	2/19/2022 7:57 AM
38813	Gave me a large amount of hope. Made me feel not alone. Gave me the courage to speak up even more about how I feel towards the pandemic.	2/19/2022 7:57 AM
38814	I have hope that the mandates will end and I can move freely	2/19/2022 7:57 AM
38815	Give me hope again	2/19/2022 7:57 AM
38816	It has given hope back that it isn't just me who is so fed up with Trudeaus ulterior motives. At the point it is clear that there is more to this than pandemic--that's over	2/19/2022 7:57 AM

Canadians vote on Canadian Mandate - February 2022

38817	Give me hope, people are finally standing up and realizing how corrupt the government is.	2/19/2022 7:57 AM
38818	It gave me hope to restore freedom and faith in Canadian government	2/19/2022 7:57 AM
38819	We have been supporting them 4 days a week. It has cost us financially but we need our freedoms back to survive and for our kids!	2/19/2022 7:56 AM
38820	Eye roll	2/19/2022 7:56 AM
38821	Gave me hope	2/19/2022 7:56 AM
38822	Has made me feel hope that there light at the end of the tunnel	2/19/2022 7:56 AM
38823	Made it more clear to more Canadians how bad the government is	2/19/2022 7:56 AM
38824	Uplifted, refreshed, hope for the future	2/19/2022 7:56 AM
38825	Gave us hope that people will stand up and say enough of this	2/19/2022 7:56 AM
38826	It seemed to make us feel Canadian more importantly anyone who was opposed to the pandemic or lockdowns in a professional Capacity and had actual data were blocked on social media and not covered by mainstream media these people also lost their jobs meanwhile from the start it was said to be 99.7% non lethal and then all the doctors and nurses who left their jobs to avoid taking the vaccine and we the public are supposed to believe that doctors and nurses some of most intelligent educated people in our country are just dumb for not getting the shot just foolish people who would rather throw their career away than get this shot. I have a real problem trusting Trudeau or the government I believe this has been driven by an evil agenda and the convoy has started a world wide revolt and has opened the eyes of the vaccinated so hopefully they can see our leader is going for complete control over this nation he is an unworthy leader and the convoy has exposed him for who he is not fully but enough to open a lot of the publics eyes. Hold the line	2/19/2022 7:56 AM
38827	It has given me hope!!! And I will continue to pray for them to be peaceful	2/19/2022 7:56 AM
38828	They gave me hope. Hope for our future our rights our childrens future and rights.	2/19/2022 7:56 AM
38829	They gave the big majority of Canadiens (and the rest of the world) hope that the Canadian Charters of rights and freedom would survive, because frankly Its pretty obvious our Prime minister is looking to implement permanent new restriction on our rights and freedom. For the futur of our kids its the most important thing in our life with health, he damages both of them during the 2 last years and is prepare to do it again. Right now, the virus is a treat of 2 as the new policies are more a 10/10 treat to our health and freedom.	2/19/2022 7:56 AM
38830	Made me realize i have a lot of delusional and racist friends.	2/19/2022 7:56 AM
38831	It's giving Canadians hope and strength. I believe it's bringing Canadians together again!	2/19/2022 7:56 AM
38832	Greatly	2/19/2022 7:56 AM
38833	They have stood up for truth and Freedom!!	2/19/2022 7:56 AM
38834	Gave me hope	2/19/2022 7:55 AM
38835	It hasn't.	2/19/2022 7:55 AM
38836	Giving me hope to become human again	2/19/2022 7:55 AM
38837	For the first time in over two years the convoy has given me hope for a better future. The convoy has lifted me out of the depths of depression and anxiety. The Convoy has been a bright source of hope for our future.	2/19/2022 7:55 AM
38838	It hasn't .. it's a good thing	2/19/2022 7:55 AM
38839	They have given me hope! Hope that JT will hear our concerns abd try to understand them. Unfortunately I have lost all faith in Trudeau. He doesn't care about anyone but the rich and the elite. He expects us to live by one set of rules while he goes ahead and continues his normal life with no restrictions.	2/19/2022 7:55 AM
38840	Makes me proud	2/19/2022 7:55 AM
38841	Inspired hope in the future of the people. Made me proud to be a Canadian willing to Stand for Freedom that is all of our right to have on this Country!	2/19/2022 7:55 AM

38857	Not at all. They are affecting the supply chain? They are threatening democracy? The mandates are. RESIGN.	2/19/2022 7:53 AM
38858	Harassment, unable to enjoy my home. Having to leave because the fumes from diesel trucks made it hard to breathe and the noise of the music and horns aggravated my lasting concussion symptoms.	2/19/2022 7:53 AM
38859	Gave me hope	2/19/2022 7:53 AM
38860	Gave hope, unity, feeling of liberty and for justice	2/19/2022 7:52 AM

38862	so much love thank you CONVOY	2/19/2022 7:52 AM
38863	At first when I saw the trucks roll through Manitoba and they were so many people encouraging them and the camaraderie I have witnessed made my heart swell. That is what Canada is all about camaraderie and friendship. That made me so proud to be a Canadian but I do not agree with the continual protest and the interference and disturbance which was affecting local residents in many areas.	2/19/2022 7:52 AM
38864	It has shown me how misled some people are, how willing they are to align themselves with unsavoury characters because they share one mutual belief. Affected supply chain.	2/19/2022 7:52 AM
38865	Uplifting	2/19/2022 7:52 AM
38866	Not much except they have pissed me off.	2/19/2022 7:52 AM
38867	They have given me hope again with so much love and unity I cry tears of joy when I see how peaceful and kind they all have been. They have given up so much to do this for all Canadians and have united not only Canada but the world. God bless them all.	2/19/2022 7:52 AM
38868	Hope, for the people of this great nation, unity!	2/19/2022 7:52 AM
38869	In a positive way being able to see ppl smiling again and not to live in fear	2/19/2022 7:52 AM

38873	Not one bit	2/19/2022 7:51 AM
38874	It has given me a sense of hope and that there are so many people that feel our rights are being ignored and peaceful protesters are being criminalized instead of being acknowledge that they have legitimate charter of rights concerns.	2/19/2022 7:51 AM

38890	It has limited our supply's, food, etx, But I support what they have tried to accomplish and will continue too !!	2/19/2022 7:50 AM
38891	It has show canadians we can stand up for what we believe. It has gone on to long and i am sorry for the negatibe impact to the people around the protest. But at the same te the cure is worse than the disease. No im not a trump supporter	2/19/2022 7:49 AM
38892	Gave me hope in humankind.	2/19/2022 7:49 AM
38893	Truckers are tough people. They have a job that requires them to be tough. Now we have 1000s of very tough people standing together for what they believe is right. I am so proud to see people fighting for what they believe is right.	2/19/2022 7:49 AM
38894	It has given me a new hope, and restored my faith that there are still good people in the world and stand up for their rights to choose what goes into their body, I have been there multiple times and can say I leave with a sense of peace and joy within me, which I haven't felt much of in the past 2 years	2/19/2022 7:49 AM
38895	Not at all ... they are trying to unite and save our country	2/19/2022 7:49 AM
38896	It has helped me to feel proud to be a Canadian. That we are fighting for our god given rights for humanity, for now and future generations. To protect our freedoms that were hard won by people in previous world wars, like my father did.	2/19/2022 7:49 AM
38897	It has given hope and happiness to me and millions of people around the world. Finally, we can be proud to be Canadian due to these amazing people that have accomplished more benefits for Canada than any well educated, highly connected, and/or famous individual.	2/19/2022 7:49 AM
38898	Not at all	2/19/2022 7:49 AM
38899	In no way LMAO. I don't get the problem if some people are doing it peacefully and remove the ones who are not, I like how the government when someone speaks out against mandates there has to be "emergency measures"	2/19/2022 7:49 AM
38900	It hasn't	2/19/2022 7:49 AM

38905	Increased unity of others experiencing segregation and stress from mandates	2/19/2022 7:48 AM
38906	It gives us hope that we can finally live a normal life again. Not be scared to live. Not have our children asking why they can't go to movies, go out for supper, or really do anything. Ask why they are treated differently. It's terrible what we have done to our children and this is something they will NEVER forget! And who is going to fix that!!!!!! The truckers are trying to put an end to this madness finally and are just being met with disrespect and inhumane way of dealing with them. PUT YOUR FUCKING GRANNY PANTIES ON JUSTIN AND TALK TO THEM YOU COWARD. STOP HIDING BEHIND YOUR FUCKING "LAW" you sick twisted discriminating lack of a human being.	2/19/2022 7:48 AM
38907	None	2/19/2022 7:48 AM

38910	Un decided	2/19/2022 7:48 AM
38911	New hope	2/19/2022 7:48 AM
38912	It hasn't, I just notice empty shelves in the grocery stores. And I believe most truckers are standing up peacefully in what they believe but there are others who came to cause trouble especially with the guns etc. the world is getting more evil. God help us.	2/19/2022 7:47 AM
38913	It's been an extreme pleasure to see Canadians stand up for FREEDOM. All of these peaceful protesters are unvaccinated as well as VACCINATED Canadians who wants their lives back.	2/19/2022 7:47 AM
38914	Encouraging/hope	2/19/2022 7:47 AM
38915	It has brought renewed hope that some people care enough about freedom to actually fight for it	2/19/2022 7:47 AM
38916	Sad , that it has come that far, most of those people are brain washed, sad, I am sure there is a lot of things not right, but give time a chance to be sure there is no NEXT wave	2/19/2022 7:47 AM
38917	I have not physically attended the trucker convoy but it has affected my life in that it has increased my commitment to learning more about politics and our freedoms and or loss of freedoms and it has consumed my Life to stay on top of what's going on in Ottawa and what sneaky things I have to be aware that the government is trying to do	2/19/2022 7:47 AM
38918	It has shown how one sided the federal government and media are. Demonstrations in the past have been destructive and altering business of others and yet the Federal government did nothing.	2/19/2022 7:47 AM
38919	Gave me hope	2/19/2022 7:47 AM

38921	It shows that there are more people awake to the propaganda	2/19/2022 7:47 AM
38922	Positively	2/19/2022 7:46 AM
38923	I see good people willing to fight for our Freedom and I see a Prime Minister in hiding. I see seniors being trampled by police on horses and batons and I'm sad And I am ashamed This is not my Country. The Emergency Act being used is a disgrace to Canadian Freedoms. I thank	2/19/2022 7:46 AM

38924	It's given me hope for Canada's future. Canadians will be the change, whether our govt listens or not.	2/19/2022 7:46 AM
38925	I am so proud of the truckers taking a stand over mandates. Most of them are vaccinated. But I bet they will stop getting the jab because of the unfairness to freedom of choice over ones body.	2/19/2022 7:46 AM
38926	Thank you truckers!! Giving me back faith in humanity.	2/19/2022 7:46 AM
38927	Gave me hope, but after seeing the police response to it, makes me ill. Leaving this country, I will be a proud Canadian from a far. Disgusted with the Government of Canada all levels and our media. One day I hope all will answer for what the did and are doing (government).	2/19/2022 7:46 AM
38928	It's been awful. I can't believe there are people with enough time on their hands to spend weekdays driving in laps around Whitehorse's downtown. Real small dick energy.	2/19/2022 7:46 AM
38929	Gives me hope there is a better Canada without governments that will resort to continued over-reach of the charter.	2/19/2022 7:46 AM
38930	A blessing to see this awakening	2/19/2022 7:45 AM
38931	Became aware of the level of corruption in government and being mislead by media.	2/19/2022 7:45 AM

38933	Love watching Canada come together	2/19/2022 7:45 AM
38934	Hope for freedom Shows how bad the government handle the situation don't use children to make law changes	2/19/2022 7:45 AM
38935	It has brought disgrace to all Canadian's.	2/19/2022 7:45 AM
38936	It gave me hope	2/19/2022 7:45 AM
38937	Blocking the Ambassador bridge, and occupying Huron Church caused me loss of sleep, and caused lingering affects that will last a long time	2/19/2022 7:45 AM
38938	They've given me hope	2/19/2022 7:45 AM
38939	They have given me hope that there are likeminded people out there who are true Canadians and are unafraid to stand up for democracy and our constitutional rights and what our ancestors fought and died for not that long ago	2/19/2022 7:45 AM

38945	It has brought me hope for the first time.	2/19/2022 7:44 AM
38946	Giving us hope that someone sees how useless and depressing mandates are. Kids feel safer surrounded by unmasked friendly truckers (strangers) than with masked fearful people at a distance HOPE	2/19/2022 7:44 AM
38947	Given hope	2/19/2022 7:44 AM
38948	I am proud of theses truckers staying up for their rights and freedom for not just them selfs but the whole of society!	2/19/2022 7:44 AM

38959	It has not we needed someone to stand up against our government	2/19/2022 7:43 AM
38960	I am very sad to see that a small minority of ill-informed people think it is OK to harm residents and businesses just to protect their own convenience.	2/19/2022 7:43 AM
38961	It's renewed hope that Canadians would stand and fight for our rights, freedoms, economy and sovereignty.	2/19/2022 7:43 AM

38967	They are amazing	2/19/2022 7:42 AM
38968	They brought attention to what was really going on. Take a look at the world. This has to end now. Personal information is person. We need to have a choice on what we put into our bodies.	2/19/2022 7:42 AM
38969	Given me hope for the first time in two years	2/19/2022 7:42 AM
38970	No comment	2/19/2022 7:42 AM
38971	It has made me realize how many people out there still have their brain cells working and can think for themselves -- that these mandates are totally not working and unnecessary, and is in fact, damaging people's mental health and the economy.	2/19/2022 7:42 AM
38972	Gives me hope	2/19/2022 7:42 AM

38975	Given us hope and brought some pride in our country back	2/19/2022 7:42 AM
38976	It made me see that there loving and peaceful peoples with an heart that are ready to stand up for our rights.	2/19/2022 7:42 AM
38977	It's kept me glued to Facebook, it has given me a renewed sense of hope. It's shone the light on these politicians and how we should become a sovereign country.	2/19/2022 7:42 AM
38978	I agree with them but also think they should let it go now. They have made a great stride to lead some change but should stand down now. I also respect their right to do so as long as it is peaceful and does not infringe on residents life.	2/19/2022 7:42 AM
38979	Gave us hope, reconnecting me with my creator, empowering me to stand stronger!	2/19/2022 7:42 AM

38982	It has given me hope that we can have a voice after being censored and silenced for two years	2/19/2022 7:41 AM
38983	Given my hope that our elected officials will be held accountable and will finally start to listen to the needs and views of their constituents.	2/19/2022 7:41 AM
38984	Boost up my morale and spirit, warm my heart knowing there are people out there who would fight for the Charter of Rights and Freedom! Upon visiting them in Ottawa. I find all of them whom I met good, genuine and caring people who wanted to defend for the truth and freedom and they were willing to leave their home from Victoria BC, Alberta, New Brunswick, real far far away to come to the capital for this worthy cause for the future of the country and our children and grandchildren. The way they helped each other out on the ground was impressive. Only people with genuine hearts could do that.	2/19/2022 7:41 AM
38985	I have followed it since the beginning! They are turning this insanity around. For the first time I have hope and connection. I feel the brother and sisterhood that unite us as citizens of this country of this world. This is the most incredible and powerful thing that has happened certainly in my life time and I am 60.	2/19/2022 7:41 AM
38986	Don't know because I live in maple.	2/19/2022 7:41 AM
38987	The convoy has given hope that the mandate end. It has made me proud to be Canadian which I haven't felt in years. The convoy has shown me that I am not alone in my feelings. The convoy showed me that not all Canadians agree. The convoy has also shown our leaders true colours and just how far he will go to hurt Canadians to get his own way.	2/19/2022 7:41 AM
38988	It hasn't	2/19/2022 7:41 AM
38989	Seeing more racism and hatred out in the open is upsetting and disturbing. I live in Toronto and has not affected me personally but my heart goes out to citizens in Ottawa and the children being affected.	2/19/2022 7:41 AM

38995	Given us hope	2/19/2022 7:41 AM
38996	It has brought back my pride in being Canadian. (Until yesterday Feb 18) when the police violence made me ashamed of this country	2/19/2022 7:41 AM
38997	It has given me hope that someone in this country actually cares and is willing to stop listening to the constant lies from our government and medical authorities	2/19/2022 7:40 AM

39008	It has given me hope that we do have rights!	2/19/2022 7:39 AM
39009	Not at all. Just wanted to see one leader address this group directly and it would have been over. Our leaders fueled with slander before understanding	2/19/2022 7:39 AM
39010	It's made me proud to be a Canadian again! They are giving up hope ! They are hero's ! I stand with them!!! ☺ ♥	2/19/2022 7:39 AM
39011	It has given me hope. Hope for a better life for my children.	2/19/2022 7:39 AM
39012	Made me see people that I thought I knew in a whole new light.	2/19/2022 7:39 AM
39013	Yes they made me proud to be a Canadian citizen again. The love and support is unfathomable	2/19/2022 7:39 AM
39014	Positively....the sheep are being awakened	2/19/2022 7:39 AM
39015	Price of food and day to day costs	2/19/2022 7:39 AM
39016	Noticed a few price increases since it started, mainly fuel, not sure if it's a direct relation, or just price gouging. Other than that, nothing negative. Positives are, the actions of the truckers and supporters actually makes me proud to be a Canadian	2/19/2022 7:39 AM
39017	Seen the need for good governance	2/19/2022 7:39 AM
39018	Made me feel proud to be Canadian. As this government has been so dividing of this once beautiful country	2/19/2022 7:39 AM
39019	There is still a remnant willing to push back	2/19/2022 7:38 AM
39020	The truckers principles are good and pure and stand for freedom - I whole heartedly support their intentions. However, our provinces are currently not supporting it's citizens and that is where the change needs to begin.	2/19/2022 7:38 AM
39021	Has not yet	2/19/2022 7:38 AM
39022	It is an embarrassment to true Canadians. The resources wasted on policing due to childish insurgents is inconceivable. I am anxious about our future. I have lost family members due to the drivel that is being spread as truth.	2/19/2022 7:38 AM
39023	Hope	2/19/2022 7:38 AM
39024	Amazing to see people standing up for our rights	2/19/2022 7:38 AM
39025	I support the truckers. 100%	2/19/2022 7:38 AM
39026	Its brought out the ugly in too many people I normally enjoy talking to. Also i have zero freedom of speech about my feelings against it, otherwise i get attacked.	2/19/2022 7:37 AM
39027	Giving me hope and inspiring me to speak up about the overstretching of poilicies of gov, businesses and schools	2/19/2022 7:37 AM
39028	Finally brought hope to this lacklustre country	2/19/2022 7:37 AM
39029	It has given me hope that we will have an end to these mandates. Seeing the massive amount of people who are in unity to fight for democracy in our country has been so encouraging as well as seeing the conservative MPs resist the Emergency act. There are many who support it that have not voiced their opinion.	2/19/2022 7:37 AM
39030	Greatly. It has given me a sense of pride and relief that something might actually get done to end this	2/19/2022 7:37 AM
39031	The trucking Convoy and all of their supporters has given me great hope. And then Trudeau crushes my hope again	2/19/2022 7:37 AM
39032	Giving me hope that our country is not completely lost to tyranny	2/19/2022 7:37 AM
39033	It's inspired me but at the same time what's unfolding as a result of the PMs decisions has made me completely lose faith in our government. I couldn't be more disgusted by his actions. He does not deserve to lead this country.	2/19/2022 7:37 AM
39034	The trucker convoy has given my family so much hope! My children, when playing games, pretend they're part of the convoy...they say they're heroes—and yes, they are. It's horrific	2/19/2022 7:37 AM

what our prime minister and police are doing in our capital right now. It's embarrassing, and unnecessary. We need our freedom of choice and Trudeau is taking that away from everyone—he is taking our lives away.

39039	Those people came just to ask for easier procedures regarding their job.	2/19/2022 7:36 AM
39040	it has encouraged me to see a segment of Canadian society stand up for our rights. Our Prime Minister is no longer in control and has been exposed as the hypocrite dictator he is.	2/19/2022 7:36 AM

39047	Brought me pride in my country for the first time in years	2/19/2022 7:36 AM
39048	I'm proud of them. But since the huge police presence in Ottawa Friday, it's made me sick to my stomach. Peaceful people being treated like they're a threat when they absolutely are not. It's so wrong and I am very sad to live through something like this. I am worried for my children's future	2/19/2022 7:36 AM

39053	Not at all in itself. The government action against it disturbs and saddens me.	2/19/2022 7:35 AM
39054	I am proud of the truckers.	2/19/2022 7:35 AM
39055	It has given me faith in Canadians again. Just when I thought Trudeau and the liberals couldn't wreck Canada any more, they stood up for all Canadians, peacefully asking to end this crap. Now Trudeau is making a war out of it! Ruining Canada still. I support their right to peacefully protest, but do agree it's time to go home. Trudeau needs to get it through his thick skull that he needs to end all this crap in Ottawa, all he needs to do is end mandates!!	2/19/2022 7:35 AM
39056	Given me hope to have life back as it was 2 years ago	2/19/2022 7:35 AM
39057	Gave me hope that our tyrannical government may finally listen to its citizens. Hate that my country's police and military has become violent against these protestors. Mad that there is now no legal way to protest. Heart broken at what Canada has become.	2/19/2022 7:35 AM

39061	If anything it has given me hope and less fear to stand up to this dictatorship. It has also made me aware that all parties are for the great reset. This is not what Canada has ever stood for.	2/19/2022 7:35 AM
39062	It really hasn't other than to anger me. I support the truckers still working. They've turned it into a party. Hot tubs and bouncy castles.... Really???	2/19/2022 7:34 AM

39068	It has opened my eyes, and given me hope!	2/19/2022 7:34 AM

39079	The enthusiasm and purpose of the convoy was to have government hear the people and end all mandates. I am in 100 percent agreement and support of those wishing to do so loudly yet peacefully. The government has not listened to its people and the truckers have asked to be heard. Because I do not live near Ottawa, I was not affected physically, yet mentally this movement and protestors have given me hope and renewed spirit that government will end all mandates and we can get back to being a healthier, more economic society. What this movement has also pointed out to me is that our democracy, political leaders and health officials have failed the Canadian people by not providing clear and concise messaging, facts or leadership.	2/19/2022 7:32 AM
39080	I support them	2/19/2022 7:32 AM
39081	I can't believe that our PM was unwilling to even meet and discuss the issue with the truckers. I am truly disappointed to be apart of a Canada that treats people the way the truckers have been treated. Shameful!	2/19/2022 7:32 AM

39100	I'm proud of these truckers for standing up to a government that does not listen to the people	2/19/2022 7:31 AM

39103	It has proven there's major changes that need to take place in our government systems.	2/19/2022 7:31 AM
39104	They've actually done something here by way of making a statement without guns and war. It is a higher level of reasoning and I know a lot of people can't have it. But I agree with the truckers.	2/19/2022 7:30 AM
39105	Like I said before, it has given people I know and care about hope, happiness, joy, laughter. More and more are united. A few are still fearful and hateful but those numbers don't compare to the number of people it has helped and it is heartwarming to see so many people so happy again.	2/19/2022 7:30 AM

39108	It has brought back the joy and unity of what used to be such a proud and positive country.	2/19/2022 7:30 AM
39109	The trucker convoy is the only thing this whole pandemic that has made me feel proud to be Canadian. We have seen such disgrace in the treatment of people for 2 years. This movement brings hope and it warms my heart.	2/19/2022 7:30 AM
39110	Has not. There was shortages in stores before convoy. Freedom back	2/19/2022 7:30 AM
39111	Gave us hope after 2 long years of mandates!!	2/19/2022 7:30 AM
39112	It's showed the clear divide in society. People who are hateful are coming out and being comfortable with it. The government has given full power to these people who disagree to allow hate. I have followed many live feeds and seen nothing but peaceful protests. It's made me realize how corrupt the media is and why the government should never fund the media. On the other hand, the convoy has created hope in so many people who have lost it. It started a world wide movement.	2/19/2022 7:30 AM
39113	It gave hope	2/19/2022 7:29 AM

39127	This trucking convoy has given people hope	2/19/2022 7:28 AM
39128	It has given me hope. I now see that a great deal of Canadians are also against vaccine passports (which is my biggest issue out of the mandates). The media and government has made it out to seem as if all Canadians are in support with what their doing. And we simply are not. It is appalling to force citizens to choose between earning a living or being vaccinated-with a vaccine that does not prevent ppl from getting covid or spreading it. Therefore, passports are useless and are simply being used to divide Canadians.	2/19/2022 7:28 AM

39152	It has given me hope they are brave souls who have had enough of the lies! If they don't sit in Ottawa there are other ways to stop the gravy train for the sheeple that think only their rights should be addressed. I stand with the truckers, I will go without to prove that Trudeau is a fraud and dictator and now a murderer of old ladies on walkers! And of men that they rifle butted in the head! Trudeau is tyrant and needs to be sent to the gallows along with anyone that is agreeing with him. Nuremberg 2 let's go!	2/19/2022 7:26 AM

39238	It hasn't yet	2/19/2022 7:17 AM
39239	You've fucking disrupted mine and so many of my Centretown neighbours lives and businesses who've been through the wringer with your terrorism, abuse, harassment of individuals, and threats against people with your clown convoy. #ramranchresistance	2/19/2022 7:16 AM
39240	It hasn't. However, when you look at the different protests in the past, it make no sense that Trudeau invoked the emergency act. It seems to me that he is a coward and has dictator tendencies. He needs to be removed.	2/19/2022 7:16 AM
39241	I am so happy that somebody stood up for what they believe and I've been 100% support of it	2/19/2022 7:15 AM
39242	Brought joy and unity	2/19/2022 7:15 AM
39243	It hasn't at all	2/19/2022 7:15 AM
39244	It has given me a good feeling that we might get back our freedom of choice	2/19/2022 7:15 AM
39245	Its showing how corrupt our federal government is	2/19/2022 7:15 AM
39246	Gave me hope	2/19/2022 7:15 AM
39247	they don't affect my life! I support the convoy!	2/19/2022 7:15 AM
39248	Not at all	2/19/2022 7:14 AM
39249	It has given hope and solidarity against tyranny worldwide.	2/19/2022 7:14 AM
39250	Cela m'a rempli d'espoir, mais aujourd'hui, cela me désespère de voir comme on les traite. Ça me fait peur. Je trouve inadmissible que personne ne les ai rencontré depuis le début.	2/19/2022 7:14 AM
39251	Restored my faith in Canadians. We really can stand together and fight this hostile world takeover	2/19/2022 7:14 AM
39252	They are Heros	2/19/2022 7:14 AM
39253	It hasn't	2/19/2022 7:14 AM
39254	It has fucked up my life completely. The hatred, vitriol, and disinformation that they spew is staggering. I haven't seen that many hate symbols in one place at a "peaceful" protest before in my life.	2/19/2022 7:14 AM
39255	Brings joy and hope	2/19/2022 7:14 AM
39256	Gave me hope that this may end	2/19/2022 7:14 AM
39257	It has given me hope! Hope to make my own decisions around my own health! Hope of freedom and some sense of normality!	2/19/2022 7:14 AM
39258	You're causing noise pollution and air pollution and throwing a toddler equivalent fit when residents are asking you to leave. Go home.	2/19/2022 7:14 AM
39259	Shows there is still hope that there are people able to think logically.	2/19/2022 7:14 AM
39260	Showed me that some Canadians have courage.	2/19/2022 7:13 AM
39261	Lack of peace in our country. I love Canada and the turmoil it's in now is less than peaceful. Needless to say, I wouldn't want our Prime Minister's job but not sure he's doing the best for his people. I admire people who stand for what they believe and they believe in freedom and so do I. It's time to meet and find a solution which benefits Canadians not just Justin Trudeau.	2/19/2022 7:13 AM
39262	Protests and trucking convoy restored my hope that all mandatory restrictions will be lifted immediately.	2/19/2022 7:13 AM
39263	realized just how corrupt our government is, and for the first time in my life embarrassed to be Canadian	2/19/2022 7:13 AM
39264	It's giving me hope that there could be an end to this nonsense. I'm so tired of this division.	2/19/2022 7:12 AM
39265	It has given me hope that as a country we can come together on this topic and hope that our leaders may listen to how these mandates are affecting blue collar Canadians.	2/19/2022 7:12 AM
39266	it has enlightened it!!!	2/19/2022 7:12 AM

Canadians vote on Canadian Mandate - February 2022

39267	It has given renewed hope that the people have the power to change a system. I have lost hope in the government and mainstream media.	2/19/2022 7:12 AM
39268	Brought hope that the truth will emerge and responsible parties for the current state of this country will be held responsible for their crimes against humanity. I am inspired by the global movement that has resulted.	2/19/2022 7:12 AM
39269	Given me hope and pride for my country	2/19/2022 7:12 AM
39270	They've given me hope for our country	2/19/2022 7:12 AM
39271	I wasn'twasn't affected. I support the convoy trucker	2/19/2022 7:11 AM
39272	Hope	2/19/2022 7:11 AM
39273	It lifted the feeling of helplessness. For 2 yes wondering how politicians, aw enforcement, Dr's, not doing anything to stop the covid insanity and then the truckers came. Knights on their white trucks. Uplifting!!! I wish thm all the best and most importantly stay safe. You are heros	2/19/2022 7:11 AM
39274	It has given our family hope.	2/19/2022 7:11 AM
39275	It has brought positivity, hope, love, happiness and unity.	2/19/2022 7:11 AM
39276	Great to see Canadians unite	2/19/2022 7:11 AM
39277	Not applicable	2/19/2022 7:11 AM
39278	It has made me disgusted with my fellow Canadians who are not willing to make a few sacrifices for the greater good and then burn tonnes of fossil fuel driving across the country in protest.	2/19/2022 7:11 AM
39279	Not at all. Proud of them	2/19/2022 7:10 AM
39280	Not sure yet.	2/19/2022 7:10 AM
39281	It has not, I hope they are able to help make change	2/19/2022 7:10 AM
39282	They have inspired me, they are fighting for my freedom	2/19/2022 7:10 AM
39283	Gives me hope.	2/19/2022 7:10 AM
39284	Hope has filled my heart, wanting them to stay til our government starts to tell the truth, exposing all the mainstream media for the deception. The health agencies are lying too, hurting more than they are helping. Trudeau has dine the most damage with spending, lying, killing us with vaccines and his evil connection with the World Economic Forum.	2/19/2022 7:10 AM
39285	The trucking Convoy brought me & my family Hope and Joy and happiness that we had not felt in 2 years	2/19/2022 7:10 AM
39286	Hope	2/19/2022 7:10 AM
39287	I support them because the due it for our children	2/19/2022 7:10 AM
39288	Na	2/19/2022 7:10 AM
39289	Given me a reason to keep fighting for the mandate to end.	2/19/2022 7:09 AM
39290	I support 100%	2/19/2022 7:09 AM
39291	It has given me hope that I'm not alone - there are soooooo many others that are of the same mindset. I feel like this country still has a chance to right itself and return to the wonderful country it once was before it was infected with this new kind of control.	2/19/2022 7:09 AM
39292	It has given me hope. Hope that maybe, just maybe, we could take Canada back from the grasp of our Prime Minister & his thugs. Hope that we could return to the way of life we were all accustomed to. Hope that the mending of family, friends & humankind could begin. Hope that our children & grandchildren would be able to grow up in peace with love & hope for a future without oppression. Sadly, after the actions of our Prime Minister & the Ontario Police department on February 18th - I no fear for my safety, my quality of life, my future, as well as for the safety of my family & grandchildren under the leadership of our Prime Minister & the Liberal Party.	2/19/2022 7:09 AM

39295	No affect	2/19/2022 7:09 AM
39296	It gave me hope that maybe someone would listen and drop all mandates and politics, because they were going to Parliament maybe the government would listen and get some change.	2/19/2022 7:09 AM

39301	It has brought me great hope and pride in our country	2/19/2022 7:08 AM
39302	A step in the right direction for freedom	2/19/2022 7:07 AM
39303	It has given me hope that Canadians believe in freedom and liberty.	2/19/2022 7:07 AM
39304	I have hope now. And even being now physically abroad, I followed it every day online and through my friends, and was happy and crying along the way, supported convoy with money.	2/19/2022 7:07 AM
39305	In respects to mandates being relaxed yes , I feel for the few that are being negatively impacted in Ottawa but this movement is the way the alleged (fring minority) get the dictatorship to listen	2/19/2022 7:07 AM
39306	Gives me hope for unity and freedom in my country	2/19/2022 7:07 AM
39307	I was hoping they would make a difference but Trudeau is a chicken and won't face them to hear the voice of Canadians who want freedom.	2/19/2022 7:07 AM
39308	The convoy has brought, hope, joy, and has given me a sense of pride to be Canadian. I was researching, other places to live, and leave Canada, but today with the convoy, I will stay and fight with my fellow Canadians.	2/19/2022 7:07 AM
39309	We use and need truckers to take our exports, bring food and other necessities of life. They are honest, hard working people, who I trust a lot more than the people who look down on them; like the Liberal/NDP government!!!	2/19/2022 7:07 AM
39310	Brought hope back	2/19/2022 7:07 AM
39311	It has made me feel like a Canadian and free. I don't know if there was any criminal activity involved but I loved the voice.	2/19/2022 7:07 AM
39312	Supply chain disruption	2/19/2022 7:07 AM
39313	It has given me hope, a feeling of oneness, courage and a voice as well as, something to look forward to for my family, my country and my future.	2/19/2022 7:06 AM
39314	It has made me aware I am not alone. It has shown me that jabbed or unjabbed Canadians are getting wise to what is behind the curtain. The veterans fought for our freedom. Now it is truckers and their followers.	2/19/2022 7:06 AM
39315	it has brought me hope for canada until last night when turdaue sent cops in to the convoy trampelling people with horses and shit this has got to fuckin end now	2/19/2022 7:06 AM
39316	It's giving me hope	2/19/2022 7:06 AM
39317	Not mouth at all but gov mandates destroy Canada's way of life	2/19/2022 7:06 AM
39318	It has given me great hope, and true pride in our country.	2/19/2022 7:06 AM
39319	Provided hope	2/19/2022 7:05 AM
39320	I feel so bad for these ppl but proud of them also for standing up to the government and it rules. I have always followed politics and even ran in politics one time. I will not vote for Trudeau ever again. He is following the elites and sucking up for money. Get rid of him.	2/19/2022 7:05 AM

Canadians vote on Canadian Mandate - February 2022

39321	Not one bit it put a smile cause all I see is happy people, happy kids ,gives hope to stop all this crap.	2/19/2022 7:05 AM
39322	Not	2/19/2022 7:05 AM
39323	Positively, I felt not alone for the first time in 2 yrs. Was glad to see there are other ppl that think like me. I felt joy, happiness and pride and like I belonged again to this country. Nobody asked us how we feel. All we heard in the past year was that we are all doing the right thing and of course it is difficult but here's a line u can call for mental iss. We had to work from home while teaching the kids also, whie not seeing anyone. The more time passed by the more ppl were afraid to see each other. I missed the human connection, I miss my family and friends. I had hope once more with the truckers movement and I know there were some bad instances, and I understand that this manifestation caused massive discomfort for downtown residents, I wish they would have done some things in a different way, but in the same time nobody even acknowledged or talked to them so not sure who should be blamed more.	2/19/2022 7:05 AM
39324	lots of love	2/19/2022 7:04 AM
39325	They've created an unnecessary supply shortage.	2/19/2022 7:04 AM
39326	It has given me a glimmer of hope that there are fellow Canadians out there who will not tolerate this governmental overreach into our personal health choices. Canada can not become a communist country...but that is where we are headed if they are not stopped.	2/19/2022 7:04 AM
39327	Gave me hope. United me with fellow Canadians. Exposed the ill intended mandates	2/19/2022 7:04 AM
39328	for the first time in 2 years I have hope. watching our divided nation unite. I felt alone with my opinion on covid mandates until the trucker convoy. now I feel empowered and proud to be Canadian	2/19/2022 7:04 AM
39329	Hopeful for change	2/19/2022 7:04 AM
39330	I was appaled at the brutality of the police....trampling an old lady with a walker with big horses!!!!really....I would expect to see something so terrible in third world countries but never in CANADA	2/19/2022 7:04 AM
39331	Very minor	2/19/2022 7:04 AM
39332	It has brought me hope	2/19/2022 7:04 AM
39333	No comment.	2/19/2022 7:04 AM
39334	It has given me hope that our lives can go back to normal. I feel pride for my country again. The Canadian people have gained a back bone.	2/19/2022 7:03 AM
39335	HOPE	2/19/2022 7:03 AM

39337	Given me hope!	2/19/2022 7:03 AM
39338	Gave me hope for the future. Finally proud to live in Canada again. Like being a member of a big loving family	2/19/2022 7:03 AM
39339	It gave me hope in our future as Canadians and the future of my children.	2/19/2022 7:03 AM
39340	it's given me hope. I want more hope that gov wil leave people alone to make their own decisions about what kind of medicine or vaccines or life decisions they will make.	2/19/2022 7:03 AM
39341	Starting to see hope	2/19/2022 7:03 AM
39342	Returned hope. Inspired us to act. Inspired to seek truth and not take things at face value.	2/19/2022 7:02 AM
39343	None	2/19/2022 7:02 AM
39344	It has made me aware of the tyranny of our government and how easy it is to achieve. These have truly been peaceful protests. There is no need for such action. A leader cannot decide which issues are acceptable to protest. That is not how freedom of speech works.	2/19/2022 7:02 AM
39345	Made me feel proud	2/19/2022 7:02 AM
39346	Negatively	2/19/2022 7:02 AM

39351	I'm pleased somebody is standing up	2/19/2022 7:00 AM
39352	Freedom Fear our country is broken . No trust in the news media anymore .	2/19/2022 7:00 AM
39353	The only thing the trucker convoy has affected in my life is that it made me realize that we currently have tyrannical government with their own political interest at heart. They don't care about the citizen of Canada. Also that media outlets across Canada and the world don't report the actual news. They are bought and paid for, thus creating a bias opinion.	2/19/2022 7:00 AM
39354	It gave me some hope that not everyone in this country thinks mandates are acceptable.	2/19/2022 7:00 AM
39355	Gave me hope. Amazing to see such unity.	2/19/2022 7:00 AM
39356	Gave me hope in human being again Reminded me how Canadians stick together SHOWED ME HOW SHAMEFUL THE MEDIA IS	2/19/2022 7:00 AM
39357	Has given me hope there may be an end of the pandemic measures and get back to a normal life.	2/19/2022 7:00 AM
39358	Go TRUCKERS !!	2/19/2022 7:00 AM
39359	It's not . I fully support them. I think it's amazing they are there fighting for our freedom	2/19/2022 6:59 AM

39365	I've gained so much more confidence and actually been proud to be Canadian knowing we are fighting for our freedom	2/19/2022 6:58 AM
39366	Shows that canada can still stand up against tyranny	2/19/2022 6:57 AM
39367	In only a positive way, we touch my heart for their courage!	2/19/2022 6:57 AM
39368	Caused huge emotional stress. Can't believe people can be so ignorant!	2/19/2022 6:57 AM
39369	I feel inspired and hopeful that these mandates could be lifted!	2/19/2022 6:57 AM
39370	Brought hope and unity and live into my life. Yet so grieved at how our government has handled the whole thing. Instead of sitting down and discussing their concerns they were vilified and dismissed.	2/19/2022 6:57 AM
39371	They give me hope	2/19/2022 6:57 AM
39372	Personally not at all, but it affects me as I see it is negatively affecting others from a psychological perspective this is not good.	2/19/2022 6:57 AM
39373	Gave hope	2/19/2022 6:57 AM
39374	Made me realize Canada still does have a soul and it's peaceful. The problem is our current authoritarian government	2/19/2022 6:57 AM
39375	It hasn't, I've never been so proud to be Canadian actually	2/19/2022 6:57 AM
39376	The very fact that it brought Canadians together and other countries followed it made my heart sing! We finally saw some hope to this disastrous situation...but Trudeau of course turned it into something else!	2/19/2022 6:57 AM
39377	It's given me hope!!! Hasn't affected it negatively	2/19/2022 6:57 AM

39393	It gave me hope that Canada might still be the Canada that I grew up in and loved. It gave me hope for freedom. It made me proud and happy for the first time in 2 years.	2/19/2022 6:54 AM
39394	The truckers are heroes. They are standing up against this tyrant government. I stand behind this peaceful demonstration of freedom for all against this tyrant government.	2/19/2022 6:54 AM
39395	Inspiring	2/19/2022 6:54 AM
39396	Did not affected	2/19/2022 6:54 AM
39397	Initially I thought it was a good idea but then I felt they stayed too long. It wasn't done in the right way. It has caused me anxiety thinking of my friends and family getting hurt. I have many friends living in Ottawa that are scared and want their peaceful space back.	2/19/2022 6:54 AM
39398	None	2/19/2022 6:53 AM

39404	They showed me that if we all stand together we can claim our freedom. they showed me courage, inner strength ... etc.	2/19/2022 6:52 AM
39405	It had given me hope. I felt proud to be a Canadian again, which I have not felt in many years. I have felt the love of Canadians across our whole Country. On the negative side, felt endangered by my own government and fearful of my prime minister. I saw that the liberal government lies for their own political gain and that the legacy media supports their lies.	2/19/2022 6:51 AM
39406	Its giving me hope, and pride that I haven't had for a couple years. NOW I can see I'm not alone in my thinking that the government is over reaching with there power to control.	2/19/2022 6:51 AM
39407	Inspired me that some people will go to such efforts to speak up just to be heard. Canada brought this on by forcing Canadians hand. There wouldn't be a revolt if the government was not using forceful tactics. It's okay for the government to concede they don't have all the answers which they don't. There are ways to protect oneself and ones fellow citizens through	2/19/2022 6:51 AM

How is taking a vaccine the be all end all the one holy grail approach, it obviously isn't. So people who don't want to try a different approach should have the right to try and accept the consequences either way. Thank you

39419	It hasn't. They tried their best for Canadians.	2/19/2022 6:49 AM
39420	They have inspired the people of Canada to "stand on guard for thee", giving us a renewed hope that we will again see our Country strong & free! The Truckers are doing the same thing our Veterans did for our Canada ~ fighting for freedom!	2/19/2022 6:49 AM
39421	Time for Canadians to stand up for themselves. They should have toned down the horns once they got into Ottawa and they should not have blocked the bridges because that hurts everyone.	2/19/2022 6:49 AM
39422	It hasn't. It has given me my voice back. The courage to Belleville we do have a choice and a voice	2/19/2022 6:49 AM
39423	It's given me hope again!	2/19/2022 6:48 AM

39435	Brings us hope	2/19/2022 6:46 AM
39436	I watched this convoy go by on highway 16, a few steps from my house. It continues to be inspiring to see ordinary people fighting to keep Canada strong and FREE.	2/19/2022 6:45 AM
39437	Proudly	2/19/2022 6:45 AM
39438	They have created a bond in a new community of hope and love.	2/19/2022 6:45 AM
39439	It has given me hope that this can end. Not a fan of the blockades at the border, but their message and what they stand for has made me believe in Canada again. Though I live close to downtown Ottawa, it hasn't impacted me in a practical way in terms of inconvenience, though I imagine horns going off at all hours would be incredibly annoying for those living in Centretown.	2/19/2022 6:45 AM
39440	gives me hope.	2/19/2022 6:45 AM

39452	Price increase on goods and services	2/19/2022 6:43 AM
39453	It has given me hope for a restored Canada. We seem to be headed for communism under the Trudeau government.	2/19/2022 6:43 AM
39454	Gave me hope and raised spirits. How the government is handling it tho, is an absolute embaressment to canadian democracy. Im ashamed to have a prime minister like Justin trudeau.	2/19/2022 6:43 AM

39497	It's made me feel more positive about this country than I have felt in a long time. I feel that there's hope of an end to this ridiculous overreach of the government.	2/19/2022 6:36 AM

39510	Given me hope that we have a country again	2/19/2022 6:34 AM
39511	They brought love and peace and hope back to myself my 5 children. They inspired my clients that there is still hope. I have followed them in live video all over this country and further and the amount of supporters is heart melting. Peaceful and supporting that was neglected from the government. The convoy or peaceful protestors gave us a voice and a ear. Justin Trudeau and the police forced stomped on that with the way they handled it. Windsor police sickened my stomachs but the Ottawa police broke it brought nothing but fear and sadness watching veterans be knees and kicked and arrested. People being stomped on by horses and the only violent acts there were permitted by Trudeau and his emergency act. Watch the videos disgusted in my country not Canadian proud	2/19/2022 6:34 AM
39512	It gave me hope	2/19/2022 6:34 AM
39513	It has given me hope. Hope that things may actually change and go back to somewhat normal. Hope that I'm not alone seeing how all this is politically motivated and needs to end	2/19/2022 6:34 AM

39515	Hope a voice reason to keep going knowing I'm not alone eyes wide open. Understanding the depth of govt corruption	2/19/2022 6:33 AM
39516	Shows there are still decent Canadians.	2/19/2022 6:33 AM
39517	The Truckers convoy made me feel peace, love and hope a a sense of pride to be a Canadian	2/19/2022 6:33 AM
39518	These truckers bring Hope in standing for the freedoms of all Canadians to be able to choose and not be penalized. No more mandates means we are free again. We need to move on from this and learn to live with this without fear.	2/19/2022 6:33 AM
39519	Boosted Canadian spirit and gave hope	2/19/2022 6:33 AM

39526	I feel More Canadian watching the Nation saying ENOUGH ALREADY. Time to move on.	2/19/2022 6:31 AM
39527	I have never been more proud to be Canadian and I have never been more globally ashamed of the leader of my country	2/19/2022 6:31 AM
39528	Positively , finally seeing some hope in our country, and government again, getting rid of the lies we have been fed. Renewed hope	2/19/2022 6:30 AM
39529	It's amazing	2/19/2022 6:30 AM
39530	Great. Gave hope	2/19/2022 6:30 AM
39531	The Freedom Convoy 2022 has been an encouraging, uniting, peaceful demonstration. Which the government should listen to and meet with and not arrest. Our Prime Minister and Legacy Media are misleading the nation.	2/19/2022 6:30 AM
39532	It's given me something to watch on the news as opposed to more COVID news	2/19/2022 6:30 AM
39533	Not at all	2/19/2022 6:30 AM

39535	Given me hope and opened my eyes to the all powerful and controlling government	2/19/2022 6:29 AM
39536	They have given me hope in humanity to know finally there are many Canadians who feel the same and believe our governments are overreaching with trying to coerce people to take this injection under duress, they are injected but don't want it for their children, and they are waking up so many to speak up for what is right and to try to have our governments listen to the people they work for. Also noticing the inconsistencies with these mandates and is being forced and what groups are not in order to keep their jobs.	2/19/2022 6:28 AM
39537	It's been so hopeful to see the unity and love between fellow citizens, so much charity, generosity and concern shown towards neighbour. Finally it seemed that we had enough solidarity, visibility, and a big enough voice to be seen/heard by the federal government. But this was clearly not the case. Trudeau didn't even give them the time of day. So heartbreaking! And now the emergency act?! Democracy is a thing of the past, sadly.	2/19/2022 6:28 AM
39538	given hope	2/19/2022 6:28 AM
39539	I'm a trucker I support all what convoy doing we all need to go home if it comes down to it.	2/19/2022 6:27 AM
39540	I don't know, maybe little afraid about my life	2/19/2022 6:27 AM
39541	Gives me hope	2/19/2022 6:27 AM
39542	No coments	2/19/2022 6:26 AM
39543	It has given me hope	2/19/2022 6:26 AM
39544	Gives me hope, wish I could be in Ottawa	2/19/2022 6:26 AM
39545	In a positive way: Provided hope for humanity. Created a sense of unity, "we are all one". Bonding with other people in a real way. Proactive approach, done with respect, determination and honesty. In a negative way: More time spent on the road due to street closures or bridges from Gatineau to Ottawa. Very disappointed with all levels of government. Not ok with "rule by force" approach by ELECTED BY THE PEOPLE politicians.	2/19/2022 6:25 AM
39546	It has unmasked a level of corruption in my government that I didn't realize existed to the degree it does. The convoy has given me hope for Canada and encouraged me that I am not alone.	2/19/2022 6:25 AM
39547	It gave me hope. It made me proud to be Canadian again.	2/19/2022 6:25 AM
39548	I have felt renewed hope that Canadians are willing to stand up for their freedom, rights and the freedom and rights of others.	2/19/2022 6:25 AM
39549	They gave hope that the Canadian evil corrupt government would listen to the peaceful citizens.	2/19/2022 6:25 AM
39550	Empowered us	2/19/2022 6:25 AM

39551	Has gotten the attention of the Prime Minister that Canadians are upset with his handling of the covid response	2/19/2022 6:25 AM
39552	Improved moral in Canada. Was ready to leave country. Rejuvenated my love for Canadians	2/19/2022 6:24 AM
39553	It has given us hope...I attended the convoy one weekend and have never experienced such love in my life, nothing but peace and it really felt like Canada again. The media has brainwashed everyone into thinking it isn't a peaceful protest but it 100% was. I see the brutality happening right now in Ottawa and it has made me cry thinking of all the amazing truckers and civilians I met that are standing up for everyone's freedom (vaxxed or unvaxxed) that are being hurt or their property and belongings getting ruined. It's sad..disgusting and not the Canadian way...shame on our government and shame on those police and military guys. I'm praying for the all the Canadians that are their right now holding down the line.	2/19/2022 6:24 AM
39554	Thank you wonderful truckers for standing up for our freedoms or constitution	2/19/2022 6:24 AM

39568	I finally feel we can end this and move on with dealing with Covid	2/19/2022 6:21 AM
39569	It has provided hope that people united, still have a voice. The trucking convoy has not affected my life negatively at all. I watch updates on the news every day. I have empathy for the folks living near by all of the honking and protesting but that is minor compared to the negative impacts of the affects of what they are protesting against.	2/19/2022 6:21 AM

39628	I actually felt hopeful that the good people who occupy this nation and keep the wheels of life spinning we're going to be heard. Seems the government has again shown us all that bad relationships always get worse before they end.. if not in death then in violence. The police are flexing their dominance without due cause! Shame on you all.. non violent measures were not made first, bullies are not required here.	2/19/2022 6:02 AM
39629	Giving a hope for better, unity	2/19/2022 6:02 AM

39639	Gave me hope for a free Canada, and exposed Trudeau to the world. A 14 year old spoiled child in a 50 year old body is not equipped to run a country, period.	2/19/2022 5:59 AM
39640	I don't feel alone in my being fatigued by all the restrictions, I'm not the only one upset, I cried	2/19/2022 5:59 AM

seeing all the people from across the country proud of our country and waving Canadian flags as the truckers passed. I feel like a part of something bigger than the smallness that these restrictions have left me. I'm a part of a bigger world instead of being hidden away in my home like a rabbit for two years.

39641	On a daily life skill it has not at all affected our lives. I feel proud that are so many people uniting in peace to set aside differences (yes I know there are a small number of nefarious people mixed in, no I dont support them). They bring me hope that we will not be ruled by a corrupt government forever.	2/19/2022 5:58 AM
39642	The truck convoy has renewed my faith in Canadians! Someone needed to stand up against all of this and the truckers did! They are the true heroes in this story. I support them 100% it is disgusting that Trudeau is trying to get away with enforcing the emergency act. That is unacceptable! It is also disgusting that he has given the go ahead to start arresting the protesters. This is against our freedom of rights.	2/19/2022 5:58 AM
39643	Made me embarrassed to be Canadian.	2/19/2022 5:58 AM

39657	The freedom convoy has uplifted me tremendously. To see the support that the truckers received from BC all across Canada has irrput it a passion missing for quite a while, for my country. To see these ardan Patriots willing to sacrifice and take a stand makes my heart swell with pride. I live in BC otherwise I would be honoured to participate in Ottawa	2/19/2022 5:54 AM

39661	The truck convoy gave me such joy and hope for something good to come out of it, but now they are being abused and beaten by the police there. HOW VERY, VERY SAD! Only prayer can change the situation in Ottawa and our country! Our great nation of Canada. Trudeau must go!!!	2/19/2022 5:53 AM

39668	I am not directly involved but get the wonderful uplifting feeling of their unity and help for our Canadian Communities♥	2/19/2022 5:50 AM
39669	It has renewed my hope in humanity and that if we are united as a people, our freedom will prevail. The truckers are modern day shepherds. The meek shall inherit the earth.	2/19/2022 5:50 AM
39670	So proud of ordinary Canadians taking the lead that our so called leaders didn't or couldn't - they have joined the country together.	2/19/2022 5:49 AM
39671	The trucking convoy is a blessing.	2/19/2022 5:49 AM

39674	Made me proud to be Canadian. At least until the police got aggressive.	2/19/2022 5:49 AM
39675	It has not	2/19/2022 5:48 AM
39676	Hasn't	2/19/2022 5:48 AM
39677	They have brought back feelings of hope that we may again enjoy our God given Freedoms. They have brought with them feelings of love that has included everyone regardless of what color, ethnicity, amount of money people have, vaccine status, or what religion or belief system people have. They have brought love, kindness, hope, and unity back to our country. It has been shameful to watch how our Prime Minister has name called them, tried to marginalize them, and continues dehumanizing them calling the very peaceful protests terrorism. He has treated them with disdain and worse than a violent protest group that destroys things. Our Prime Minister calling the Emergency Measures Act to be used so he can intimidate the peaceful protesters and seize their bank accounts, and forcing the police to brutalize them when they have no weapons and are completely peaceful- in my opinion is an act of war against the people who have a right to peacefully protest. The situation never should've been treated this way. Our Prime Minister is a disgrace, and he should have sat down and listened to what they were saying. He has shown both the Canadian people and the whole world, that he is not interested in hearing what the peaceful protests are about, and they are supported by a large number of Canadians who agree with the freedom convoy and simply want their freedoms back. Our Prime Minister has been demonstrating how little he cares about what Canadians are feeling, and has demonstrated in parliament this last week his disregard for the other members of parliament. He is arrogant and has allowed his huge ego to get in the way of doing what he was elected to do. He was to listen to the people of Canada, and to uphold their freedoms and rights. What our Prime Minister has done in brutalizing these peaceful protestors who have no weapons, will be remembered as a black mark in Canadian history. It will also cause further erosion to the trust in government, and the police who took an oath to serve and protect the Canadian people. This brutalization that took place on Feb 18/2022 will long be remembered as the day that our own Prime Minister enacted war upon the peaceful protest of Canadians for freedoms that he had taken away. He will be remembered as a prime minister who rather than listen to the people would brutally beat them. All the protesters wanted was to feel heard and that what hard working Canadians thought and cared about matters.	2/19/2022 5:47 AM
39678	Watching the bullshit the government is try to pull at a peace full demonstration is bullshit !!!!! Trying to bully the people!! Be careful we can fight back !!!!! Don't forget the government works for the people!!!!!!!!!!!!!! 😞😞	2/19/2022 5:47 AM

difficult, but we want answers. We want unfair passports to be abolished. We want our pm to stop tearing everyone apart. The convoy causes me to sit and cry happy tears. 39769	It has given me hope for the first time in 2 years. I have never felt so proud to be Canadian as I stood on an overpass to cheer the Truckers on. I am constantly watching what is happening and my heart breaks to watch police yesterday riding on horses go and 2 people were on the ground and the horses continued on. The people there were all behaving very well and this was totally inappropriate action brought on by justin trudeau, who won't even agree to meet with the Truckers. The medical people wanted to meet with 3 members of the opposite side to discuss the science of this and dr. Tam plus 2 others didn't respond in any manner nor did they show up. I love the Truckers Convoy as they are acting on my behalf.	2/19/2022 5:11 AM

unity. Provincial mandates have been lifted sooner than they would have been.

39897	I found it uplifting that the people are seeing that the plandemic wasnt for health but control	2/19/2022 4:14 AM
39898	The convoy is an embarrassment. Besides being harassed on social media by convoyers, which has not been pleasant, I'm mostly just dealing with an intense sense of disgust at the level of ignorance these idiots display, and the level of incompetence in our provincial governments in dealing with them.	2/19/2022 4:14 AM
39899	Gas prices and food deliveries are crazy. It has had a negative impact. They need to stop and GO HOME!!!	2/19/2022 4:13 AM

39912	Seeing the world come together and support each other has been amazing! It also opens my eyes that other countries have dropped their mandates, but Trudeau continues to escalate the situation by keeping ours and not communicating with his people at all.	2/19/2022 4:07 AM
39913	It has given me faith again to see all the love and support this world still has	2/19/2022 4:07 AM
39914	It has brought HOPE	2/19/2022 4:07 AM
39915	I imagine Timothy McVeigh thought he was a "hero" too. These people need to relive their childhoods in their own back yards, not mine. Using THEIR OWN children as human shields is insane, to say the least. They are an embarrassment in every regard. To answer your question: I've had to accept Canada is deeply racist, spoiled and entitled. This is the only 'freedom' I've seen demonstrated here in Ottawa, by bullies who insist they speak for me, when in fact they speak for a much more insidious money base. It's time for these angry, privileged cowards to go home.	2/19/2022 4:07 AM
39916	They talked freedom But they took away some of my freedoms to move around	2/19/2022 4:07 AM

39920	It's created hope for mine and my childrens future by bringing back freedoms that have been lost. We will never get back the two years lost, but returning to the freedoms we enjoy in Canada is paramount!	2/19/2022 4:05 AM

39929	It brought hope	2/19/2022 4:00 AM
39930	Back in March 2020, I couldn't believe countries were quarantining the healthy. It was a first in history. I was against mandates back then and I've always been against it. I knew the harm it would cause kids in school. No decision is without consequence. Back in December of 2020, regarding another protest. Trudeau stated, "Canada will always stand up for the right of peaceful protest..." With the convey, finally a meaningful well-organized protest that relayed my beliefs... What does our tyrannical government do? Shuts them down! It was horrible to see our government act in that manner but yet not unexpected. Trudeau seemed like he always wanted to be a dictator. The recent events have just proven that he'll flex his muscles to prove just how good a dictator he can be.	2/19/2022 4:00 AM

39943	It has given me hope that these overbearing and unnecessarily controlling mandates will be over soon	2/19/2022 3:54 AM
39944	It has given me hope that I am not alone - this will come to an end eventually. Not everyone hates me for a personal medical choice. My children might actually enjoy the freedoms we enjoyed and took for granted before.	2/19/2022 3:54 AM

39963	I wouldn't mind if they at least made it so people can get to work on time. people have shit to pay for and families they need to provide for. don't mess that up for people.	2/19/2022 3:48 AM

39974	Trucker are the lifeblood of all things. They are essential to everyday life. They protest for everyone's freedom of choice. I agree with a freedom of choice.	2/19/2022 3:44 AM
39975	I believe that it has been a positive thing for the world. And i eant to see a better run world government.	2/19/2022 3:44 AM
39976	It gave Hope to be a Canadian again.	2/19/2022 3:44 AM
39977	It has prevented me from attending medical appointments in Ottawa and from being able to access my place of work.	2/19/2022 3:44 AM
39978	Given me hope again untill today Jan 18th, 2022 with the overreach of Gov enacting emergency act (war act) against peaceful canadian citizens peacefully protesting & being brutally beaten by police. This will go down as one of the saddest & biggest stain in Canada history. I am sick after my family fought for our freedoms in WW2 & all didn't come home. PM JT will have his judgement day & he can take his great reset elite ideologues with him.	2/19/2022 3:44 AM
39979	Proud of people standing up for true Canadians	2/19/2022 3:43 AM
39980	Given hope	2/19/2022 3:43 AM

Canadians vote on Canadian Mandate - February 2022

39981	Not in the least. I am thrilled that someone has stood up to give us our freedom. I have never been so happy since the start of the pandemic as they give me hope!	2/19/2022 3:43 AM
39982	It has given me hope	2/19/2022 3:43 AM
39983	Has not affected me at all	2/19/2022 3:43 AM
39984	It gave me hope, a light at the end of the tunnel, a possible end to this nonsense, a possible return to living life normally.	2/19/2022 3:42 AM
39985	It's positive I feel	2/19/2022 3:42 AM
39986	Enjoyed seeing Canadians support each other all across the nation.	2/19/2022 3:42 AM
39987	immensely proud of the peaceful convoy of true Canadians	2/19/2022 3:42 AM
39988	It has given me hope for a better tomorrow. The government unnecessarily closed the border for 20 months to restrict my freedoms. What's a few more weeks of a closed border by the truckers to fight for my freedoms?!?	2/19/2022 3:42 AM
39989	Emotionally draining.....just impossible to believe there are so many fools in Canada. An embarrassment in front of the world. Shame on you for listening to the AMERICAN WAY.....	2/19/2022 3:42 AM
39990	Became hopeful and positive that there is light in every darkness.	2/19/2022 3:41 AM
39991	It hasn't affected me, I support The Freedom Truckers, but not the people that want to keep protesting now.	2/19/2022 3:40 AM
39992	It gives me hope.	2/19/2022 3:40 AM
39993	Made me proud to be a Canadian again!	2/19/2022 3:40 AM
39994	The government's actions are disturbing.	2/19/2022 3:40 AM
39995	Proud to be Canadian, loved seeing all the happy people, supporting this movement of freedom, fighting to live like we did 2 years ago!! No more lockdowns, mandates, no dividing us, we need to learn to live with disease and fight it together not apart!!!	2/19/2022 3:40 AM
39996	in such a vast country I wondered what would be the link that unites us, for we are not a very united country. I am moved and proud that it is working class people such as truckers who unite us traveling the arteries of roadway back and forth across this country and North America providing everything we have and need. They are tangible and real and an utter breath of fresh air, a relief. It gives millions and myself hope for what is right and just.	2/19/2022 3:39 AM
39997	It has added joy and happiness and a sense of hope. Watching families smiling, every race and gender come together and unite and love is amazing. I had an idea the main stream media pushed the truth a bit but this really is eye opening how much they lie. Wow.	2/19/2022 3:39 AM
39998	I felt so much hope, unity and love. I was happy to be alive. Until the police trampled women with their horses and beat the living shit out of a sweet and kind man just because he was a part of this demonstration. Now I'm incredibly angry, sad and starting to feel hopeless again. May I please get the results of this survey at: angelaroseclark2014@gmail.com Thank you so much♥	2/19/2022 3:39 AM
39999	I admire the truly peaceful convoy protest, and despise what I see Trudeau and company doing to Canada.	2/19/2022 3:39 AM
40000	Gave me some hope, after a long time of despair. Thank you to everyone there!	2/19/2022 3:38 AM
40001	When you have white supremacist/nazis Qanon nuts conspiracy theorists gun toting idiots carrying our flag you don't feel proud 90% of all truckers are vaxxed and have continued to work and are against this BS along with truckers federation, largest trucking company of Canada, teamsters, CUPE along with a multitude of corporations spoke out against this all. My hubby is a trucker fully vaxxed has work thru the who covid keeping our supply chains moving. They caused huge losses to our economy	2/19/2022 3:38 AM
40002	Brings me hope that I am not alone in this. Not knowing what to do, they are doing it. So grateful, I feel Canadian again.	2/19/2022 3:38 AM
40003	It's shown me some people's true colours, which has been helpful, but otherwise it has not.	2/19/2022 3:38 AM

Canadians vote on Canadian Mandate - February 2022

40004	I love them!!!	2/19/2022 3:37 AM
40005	The truckers convoy has not affected my life at all prime minister Justin Trudeau has though	2/19/2022 3:36 AM
40006	Gived hope	2/19/2022 3:35 AM
40007	It gave me hope	2/19/2022 3:35 AM
40008	Has not	2/19/2022 3:35 AM
40009	It shows me hope of a normal life once again	2/19/2022 3:34 AM
40010	Giving me some hope in humanity of this country	2/19/2022 3:34 AM
40011	Given me hope, yet also due to Trudeau's hateful and divisive rhetoric and the lies of legacy media has caused extremely painful division in my family.	2/19/2022 3:34 AM
40012	Given me hope that God is moving at this time!	2/19/2022 3:34 AM
40013	They are true heroes	2/19/2022 3:32 AM
40014	Gave me hope.	2/19/2022 3:32 AM
40015	nil I Saport the truckers	2/19/2022 3:32 AM
40016	It has brought hope back to me. A camaraderie and happiness in my fellow community members as we honk or wave at those flying our Canadian flag. I have not felt such love and community in the past two years as I do now that the convoy is happening. The media and Trudeau always say how we have come together and supported one another through this pandemic, but this is NOT what I have seen or witnessed. The mandates and vax passes have ripped us all apart and caused so much hate and hurt as they judge and shame those who dare to say anything against their beliefs.	2/19/2022 3:31 AM
40017	It has given me hope and courage.	2/19/2022 3:30 AM
40018	Positively- they have shown solidarity, kindness, compassion and the truth is now coming out otherwise trudeau wouldn't be making such a big deal. There are tons of sporting events and political gatherings but kids are still missing out and being masked.	2/19/2022 3:30 AM
40019	They give me hope that maybe now Government will pay attention on difficulties people face, and finally will have a plan how to get from situation we all in. Lockdowns and vaccine mandates hurts our country, economy, hurts people! And bad for our health.	2/19/2022 3:30 AM
40020	It has restored faith in Canadians and given us hope.	2/19/2022 3:29 AM
40021	It gives us hope	2/19/2022 3:29 AM
40022	None	2/19/2022 3:29 AM
40023	The truckers' convoy has given me some hope for the future, and it has shown me that millions of Canadians think and believe what I think and believe. It has also taught me not to trust our Prime Minister and the Liberal party; they are now 'dead' to me. I will not vote for them ever again.	2/19/2022 3:29 AM
40024	None	2/19/2022 3:29 AM
40025	The trucking convoy has finally given me hope again. I have felt so hopeful since they started their movement. I support them fully and so so thankful for them for fighting for my freedoms!	2/19/2022 3:28 AM
40026	It hasn't changed anything	2/19/2022 3:28 AM
40027	very good	2/19/2022 3:28 AM
40028	Gave me hope , that some Canadians still have common sense to pandemic scam and fight government corruption.	2/19/2022 3:28 AM
40029	Wonderful first time we have hope in 2 years.	2/19/2022 3:28 AM
40030	It gave me hope that democracy would be reinstated in this country	2/19/2022 3:28 AM
40031	It's given me hope	2/19/2022 3:28 AM
40032	It gave me hope	2/19/2022 3:28 AM

40041	It is my new hope.	2/19/2022 3:26 AM
40042	It has brought hope, happiness and joy. It was a light going across Canada and now has united and brought us together.	2/19/2022 3:26 AM
40043	Hasn't. It is for fighting for freedom	2/19/2022 3:26 AM
40044	Not at all.	2/19/2022 3:25 AM
40045	They have given me hope and the courage to stand up to the tyrannical outrage that is the Canadian government.	2/19/2022 3:25 AM
40046	It is bringing hope for us!	2/19/2022 3:25 AM
40047	Brought some hope	2/19/2022 3:24 AM
40048	It hasn't at all affected my life. I disagree with the way the protesters handled it, and the exorbitant amount of money spent to control them and the situation.	2/19/2022 3:24 AM
40049	I've appreciated seeing the hope and unity that has come from their decision to act and speak up against a unjust government that is not acting democratically.	2/19/2022 3:24 AM
40050	Entertainment	2/19/2022 3:23 AM
40051	The convey gave me hope we could go back to normal	2/19/2022 3:23 AM
40052	None I've prepared for this	2/19/2022 3:23 AM
40053	With Pride	2/19/2022 3:23 AM
40054	It has made me have hope in a unified Country again regaining g our freedoms that have been taken away.	2/19/2022 3:22 AM
40055	Gave me hope that I am not alone.	2/19/2022 3:21 AM
40056	given me hope and faith in fellow Canadians. Depression and sadness regarding our Prime Minister - truly an embarrassment to Canada	2/19/2022 3:21 AM
40057	It really helped spark Hope, I haven't seen so many smiling faces in over two years. I have never seen my mom cry so many tears of joy and it has brought so much hope to this country. Especially seeing how they were showing love and compassion, helping each other, refusing to be bated by threats and being a light in a very dark situation.	2/19/2022 3:21 AM
40058	Hope to restore rule of law and the charter of rights and freedoms	2/19/2022 3:21 AM
40059	It has made me realize I am not alone re people not getting vaccinated. Yet still feel unvalifated because out Prime Minister is not listening. Listening to CBC news referring to protesters as 'fractures in society' or 'merchants of death'. This is a partisan media.	2/19/2022 3:21 AM
40060	About time we stand up to this corrupt government. Trudeau is a Nazi thug, he likes to project that on others but it is he himself that is the Nazi. I'm not fooled by his statements. This man act like a child.	2/19/2022 3:20 AM
40061	Brought me hope	2/19/2022 3:20 AM
40062	It has lifted my spirits and given me hope. What has happened since the "Emergency Act" was put forth is deplorable and unnecessary. The Prime Minister should have met & talked with the	2/19/2022 3:20 AM

leaders and to date has yet to give them (us, we the people) the time of day.

40063	It hasn't	2/19/2022 3:20 AM
40064	It has renewed a sense of hope for me for Canada and Canadians.	2/19/2022 3:20 AM
40065	Did not at all	2/19/2022 3:20 AM
40066	Disgusted	2/19/2022 3:20 AM
40067	Didn't	2/19/2022 3:19 AM
40068	Embarrassing for a start! What should have been a peaceful protest turned into a gong show full of selfish disrespect for millions of people across this country. This has created upset and hardship for all those who live and work in areas affected, it has resulted massive damage to our economy at the borders, and made a mockery out of our democracy. At the end of the day, as a tax payer I will have to pay for all the damage caused by the convoy! That's how it has, and will affect every Canadian!	2/19/2022 3:19 AM
40069	I think they're going great and gives me hope since other provinces are starting to lift their mandates	2/19/2022 3:18 AM
40070	It has given me hope. It has inspired me and my family. It is heartwarming to see my fellow countrymen come together and stand as one.	2/19/2022 3:18 AM
40071	Gives me hope. I know there are others out there that want the mandates to end. Others who don't want to be judged for their medical choices. Be allowed to spend my money as I please without sharing my health status.	2/19/2022 3:18 AM
40072	I stand with the trucking convoy. I am proud of them. What I have seen the government of Canada and police do is in violation of the ICCPR, Section 1, 7, 9 & 13; War Crimes Act Sec. 4. International Law Overrides Canadian Domestic Law. Violations of the Queen's Regulations & Orders Sec. 19 - Following Manifestly Unlawful Commands & Orders. The Ottawa Police must also similar Commands and Orders. I am totally appalled and disgusted with our government and the tyranny going on. There is corruption everywhere. Personally, I would like to see every single person charged in government (federal, provincial, municipal) who have been complicit in these mandates and the enactment of the Emergency Measure Act and the police involved in the arrests in Ottawa charged under the LCCPR and War Crimes Act. Absolutely tyranny.	2/19/2022 3:18 AM
40073	Hope for positive Peaceful transformation	2/19/2022 3:17 AM
40074	They do a wonderful job showing Canadian the communist government Justin Trudeau is without any doubt	2/19/2022 3:17 AM
40075	It gives me hope for a free future for my children.	2/19/2022 3:17 AM
40076	It has made me proud to be Canadian again knowing there is brave and good people in Canada after the government abuse made me feel like there was none. They give Canadians hope and spread an enormous amount of love.	2/19/2022 3:17 AM
40077	See above	2/19/2022 3:17 AM
40078	It has not affected my life, but finally, I am overjoyed to see we previously docile, gutless Canadians finally standing up to, and taking a definite stand against the disgusting, far leftist, totalitarian, communist, f#####ing, dictatorial, bloody, ungovernable, under which we have had the ultimate misfortune of being dictated to!	2/19/2022 3:16 AM
40079	Proud to have someone stand up for our freedom. Stop imposing mandates	2/19/2022 3:16 AM
40080	Hope! This convoy has given me hope that we can have our freedoms back. Hope that my kids and grandkids will not grow up thinking that covering their faces and social distancing is a normal thing	2/19/2022 3:16 AM
40081	Opened my eyes to a lot things	2/19/2022 3:16 AM
40082	Renewed hope and faith in my fellow Canadians- given courage to stand up and speak out. Inspired me and touched my heart with their steadfast purpose and commitment	2/19/2022 3:15 AM
40083	I was amazed to see that when I saw a group of people living out their convictions and beliefs. Their unwavering and resoluteness has been nothing more than awe inspiring. To me they	2/19/2022 3:15 AM

represent those Canadians that see and understand what the formation of a tyrannical government looks like and were not afraid to stand for freedom. The truckers understood that free people cannot be leveraged, coerced or bullied. They are willing to put everything on the line.

40084	The trucker brought me hope for a better tomorrow	2/19/2022 3:15 AM
40085	It has brought joy and hope to our lives again. We are proud to be Canadian again! They have renewed our hope that normality may finally be on the horizon. We had lost faith in our Government and especially Justin Trudeau, who should be voted out as Prime Minister. Non-confidence vote!	2/19/2022 3:14 AM
40086	Gave me hope.	2/19/2022 3:14 AM
40087	It had gained my attention and the social engineering response by the government state has been stressful.	2/19/2022 3:13 AM
40088	Given me hope	2/19/2022 3:13 AM
40089	Finally someone is standing up for what they believe in.	2/19/2022 3:13 AM
40090	It brought me hope.	2/19/2022 3:13 AM
40091	So proud of the truckers for standing up against this tyrannical government and Justin Trudeau's new world order.	2/19/2022 3:12 AM
40092	HOPE	2/19/2022 3:11 AM
40093	I supported them at first in what their vision was how ever thing it's gone on to long, there point has been made and everyone should go back home.	2/19/2022 3:11 AM
40094	I fully support the truckers standing up for mine, their, and all Canadians rights and freedoms as described the charter of Rights	2/19/2022 3:11 AM

40096	None	2/19/2022 3:10 AM
40097	Given hope	2/19/2022 3:10 AM
40098	Given me hope for the mandates to end	2/19/2022 3:09 AM
40099	I think it's awesome	2/19/2022 3:09 AM
40100	I was givin me hope I could have my life back.	2/19/2022 3:09 AM
40101	I support it and the people involved 100%. I participated in a convoy in my small hometown. It has given me courage to fight for my freedom as a Canadian citizen in accordance with our rights and freedoms.	2/19/2022 3:09 AM
40102	IM HAPPY AGAIN . THEY GAVE ME A REASON TO LIVE.	2/19/2022 3:09 AM
40103	This truck convoy has lifted me! It has given me hope and created unity with our communities and our people. The good vibrations and positive spirit amongst Canadian protesters is incredible. Cry with happiness to see so many smiles and and more souls with shared hope in there eyes. But the media has twisted so much of the truth, driving a wedge between us.	2/19/2022 3:09 AM
40104	It has given me hope, something to look forward to, praying for an end to the over reaching government	2/19/2022 3:08 AM
40105	It has been very positive and it is getting us closer to where we need to be in Canada and around the world. I don't care what the media tries to tell you, the trucker convoy definitely helped to stop the Mandates. And it has worked, but we still have a far ways to go and Feb. 18th has been a major day in History. We know what happened on this day.	2/19/2022 3:08 AM
40106	Gave us hope and relief that the Canadian people are standing together and letting themselves be heard in unison	2/19/2022 3:08 AM
40107	Given me some hope. But somehow the masses seem unmoved :*(2/19/2022 3:07 AM

40113	It has made me proud to be Canadian	2/19/2022 3:06 AM
40114	It gave us hope. It has brought Canada back to life. It showed me and my husband (and our kids!) that SO people are tired of covid. The truckers pulled us together. The atmosphere in Ottawa during the first 3 weeks was unbelievable. It made me proud to be Canadian. I needed to experience that joy and peace that the truckers were able to create. To witness the overpasses full if people and flags should show that Canada is ready to put these mandates behind us.	2/19/2022 3:06 AM
40115	It hasn't	2/19/2022 3:05 AM
40116	It has restored my faith in humanity and my pride in being a "fringe minority" Canadian. MOST CANADIANS ARE SICK AND TIRED OF UNJUSTIFIED, UNSCIENTIFIC MANDATES!!!!	2/19/2022 3:05 AM

40123	We have to fight for freedom even face for suppression	2/19/2022 3:03 AM
40124	At first it gave me hope, and pride. Seeing other affected Canadians coming together in peace and love, I was moved a great deal. Then... I saw the division in our country growing. I couldn't figure out why, so in searching for answers that exposed some things about our government and media... that has crippled me mentally. So the convoy has yes effected me a great deal.	2/19/2022 3:03 AM

40136	Makes me love Canada and detest our government	2/19/2022 3:00 AM
40137	It shows that a lot of people care enough to get involved. But also makes me scared how they are persecuted.	2/19/2022 3:00 AM
40138	Gives hope	2/19/2022 3:00 AM
40139	It has given me pride that there are people in our country that have the courage to stand up for the rights and freedom we take for granted and not be the complacent.	2/19/2022 3:00 AM
40140	It has given me hope....that so many people are awake. and know what is actually happening...This is all about depopulation and controlling the rest of the people , who will become slaves...as Klaus Schwab and Billeberger said in their books.	2/19/2022 2:59 AM
40141	The trucker convoy has brought hope and joy. Finally some brave folks to speak up and fight for freedom. It became a rally for all Canadians and I am proud of them for speaking for all of us. The convoy has exposed how truly controlling and woke our government actually is.	2/19/2022 2:59 AM
40142	It has not directed effected my life (that I know), however it/ mandate/ convoy discussing has increased stress around this issues...	2/19/2022 2:59 AM

40147	Gave me hope for 3 weeks	2/19/2022 2:58 AM
40148	The positive energy of love and caring was so uplifting during these dark times we're in. Though I can't be there easily in person because of distance they drew me in and made me feel a part of it. Moved me to show my support in my own home town. I love them all.	2/19/2022 2:58 AM
40149	I support them. I feel proud of a Canadian. It is a freedom country	2/19/2022 2:58 AM
40150	Felt hopeful for 1st time in 2 years	2/19/2022 2:58 AM
40151	See question number 9. It is a peaceful convoy. Somebody from the Liberals should have talked to them basic freedom of speech . My mail has slowed down. No big deal . The media was looking for dirt and violence. Taking the convoys porta-potties , their fuel and their food was unacceptable. Going into their banks and freezing their funds , taking away their licences is wrong. How can they drive away without a licence? They have been teasing the truckers hoping for violence, hoping for a story twisting what really is happening to slant the country against them . They are mostly Christians the core not the ugly fringe hanger-ons. People who are there really know the truth. We use to be able to trust the news. Not now. Evie	2/19/2022 2:57 AM
40152	Gives me hope	2/19/2022 2:57 AM
40153	It made me cry for joy that the people are finally standing up and saying no more divisiveness, no more mandates.	2/19/2022 2:57 AM
40154	It hasn't	2/19/2022 2:57 AM
40155	Fighting for our freedom as canadian	2/19/2022 2:57 AM
40156	Gave me courage that we can have our freedom again.	2/19/2022 2:56 AM
40157	The mandates in Saskatchewan are being lifted, in my opinion because of the trucker convoy. It has given me pride in a country I havent felt any pride for in a long time	2/19/2022 2:56 AM
40158	It is very upsetting to see the damage done to Ottawa by protestors, the terrorizing & harassment of its citizens, economic damage, and that it was organized by violent extremists who wanted to overthrow the govt. Coutts was also very damaging.	2/19/2022 2:56 AM
40159	positivally	2/19/2022 2:55 AM

40164	Not much but happy to see it succeed.	2/19/2022 2:54 AM
40165	It has given me so much hope & admiration for the REAL heroes who actually have the courage to stand up to the evil, dark forces that have enslaved humanity for centuries. I truly believe IT IS OVER. WE ARE GOD. WE ARE SOVEREIGN. WE ARE FREE!!!	2/19/2022 2:54 AM
40166	I am thankful for the truckers convoy the stood up for are rights and Freedom!!!	2/19/2022 2:54 AM

40168	Given some hope and happiness to my life!!!!	2/19/2022 2:53 AM
40169	It hasn't, other than the additional time I have spent on social media, trying to stay up to date on what is really happening in Ottawa, since MSM reporting has been very dishonest and inaccurate. It only takes a short time viewing live streams to realize how poor the MSM reporting has been.	2/19/2022 2:53 AM
40170	It brings out the other side of the story. Canadians have spoken	2/19/2022 2:53 AM
40171	It's given me hope and I feel proud to be Canadian. The love and unity is beautiful to behold and be part of and is a stark contrast from the gloom, segregation constantly rolled out by our government	2/19/2022 2:53 AM

40175	Given me hope that there are lots of other people who want free choice and an end to extreme, dangerous liberal government overreach.	2/19/2022 2:52 AM
40176	Positively, I finally feel like there is something worth fighting in this country again.	2/19/2022 2:52 AM
40177	Had not affected me directly as I live in Chilliwack, B.C. BUT I feel for the people who live in the area as I myself had very noisy partying neighbors for 3 1/2 years and that forced me to leave a neighborhood that was a 3rd generation for our family who had happily lived there for 40 years. I also feel for the truckers but both sides are spinning out of control and giving Canada a bad name on the world stage. Time to go back to being nice Canadians who are polite and caring for each other. Trudeau needs to go. He is out of touch with the average citizen.	2/19/2022 2:52 AM
40178	It hasn't.....they are fighting for my freedom....there's hope in the convoy.....hold the line	2/19/2022 2:51 AM
40179	The truckers I am fine with but all the rest of thee idiots can go home ,worse part is blocking roads unacceptable	2/19/2022 2:51 AM
40180	Gave me hope. Made me fell like I wasn't alone anymore	2/19/2022 2:51 AM
40181	A refreshing new sense of hope and unity -- it has been uplifting and made me proud to be Canadian.	2/19/2022 2:50 AM

40188	It's awesome to have the man an woman that bring our daily life necessary stand for or freedom of choice. The trucker should run the government. At least their honest hard working people, something our government is not.	2/19/2022 2:49 AM

40192	Renewed hope, focus, happiness, resolve, trust in my creator, and has brought me closer to, and united with, my fellow Canadians. Thank you, truckers!	2/19/2022 2:48 AM
40193	It has affected my emotional health because The fact that they are being arrested for exercising their freedom of expression and voice is so concerning to me. It causes me anxiety to imagine what might come next when people who are protesting peacefully are being punished and forced down by a totalitarian authority. This is not democracy.	2/19/2022 2:48 AM
40194	It has not	2/19/2022 2:47 AM
40195	Positively good to see protest can be peaceful	2/19/2022 2:47 AM
40196	Given hope	2/19/2022 2:47 AM
40197	It has given me hope that the tyranny of government overreach may confronted and our freedoms returned.	2/19/2022 2:47 AM
40198	Increased prices and put friends out of work	2/19/2022 2:47 AM
40199	Gave us hope. Brought unity. Strengthend the great Canadian people. Opened that eyes of the people brainwashed from the lies from main stream media and the government of Canada. Exposed the criminal acts of government and public health officials. Uncovered the tyranny of this government, as laws where changed , insults of officials and blue collar people. Showed the world the corruption within our government. Thank you trucker and great Canadian freedom lovers. Hold the line	2/19/2022 2:47 AM

40202	It has given me hope! It has been very uplifting!!!	2/19/2022 2:47 AM
40203	Before this civil rights movement started I had no hope. I was very depressed and have lost a lot of weight. The convoy gave me hope for the first time in two years. They were so respectful, peaceful and loving. The unity was palpable. I fully support everything this civil rights movement stands for. We the working class Canadians are exhausted	2/19/2022 2:46 AM

40205	It gave me hope that the peoples voice would be heard and talked with. Trudeau is a dictator now. So much for democracy.	2/19/2022 2:46 AM
40206	It has given me hope, I have seen the Canadian people come together for the first time in Years. And I mean all people of all nationalities, all race, faith and color. It's been a glimmer of hope for my childerns future.	2/19/2022 2:46 AM

40209	Very good	2/19/2022 2:46 AM
40210	Unnecessary stress and anxiety knowing how many stupid people there are in Canada.	2/19/2022 2:45 AM
40211	It brought hope. Justin Trudeau has gotten away with breaking laws himself, enforcing illegal restrictions on the people of Canada, effectively acting as a dictator with only about 20% of Canadians voting for him, because the NDP props him up. We need him gone.	2/19/2022 2:45 AM
40212	No negative effects I agree totally with what they are doing I am a supporter	2/19/2022 2:45 AM

40222	Woke others up. Created hope in community. Showed younger generations strength in unity and in standing up for personal autonomy freedoms. Increase in pride in country. Revealed government corruption to others.	2/19/2022 2:42 AM

40232	They gave me hope of changing to normal life	2/19/2022 2:40 AM
40233	Daily life not affected at all. Appreciate they are loving and peaceful people who want to speak their mind.Disappointed that PM not even attempt to reasonably meet up with them and listen to them to sort out something. It is very irresponsible and disrespectful on the PM's part. He did not try to resolve issues peacefully,but resort to abuse of power as his means of resolving problem. I thought this can only happen in uncivilized countries, but it opened my eyes to see it happen here in Canada, our democracy is only a show,in reality it is tyranny. What a disgrace to Canada internationally, the whole world is watching our brutality towards peaceful protesters. Sad.	2/19/2022 2:40 AM

Canadians vote on Canadian Mandate - February 2022

40241	It has been great. It has helped others see that the mandates are wrong. It has caused our province of Alberta to end mandates sooner. They are peaceful and taking a stand for everyone's freedoms!! The only negative is the prime ministers lack of integrity and respect.	2/19/2022 2:39 AM

40267	Gave me a sense of hope and relief	2/19/2022 2:36 AM
40268	Given me hope	2/19/2022 2:36 AM
40269	It had closed the border in my province for a few days which did not affect me, however after a few days the protesters opened a lane for travel so as to inconvenience people to make their point without halting travel all together which will make for a minor inconvenience when I cross the boarder later this month.	2/19/2022 2:36 AM

40291	Given me a feeling of hope, a sense of not being alone in this, there may be an end in sight of this nightmare. I feel politicians and public health officers are out of touch as to how their mandates are affecting the lives of real people. I have lost trust in them having our well being in mind when they have made decisions. They are looking out for their own interests, re-election, stock portfolios, and buddies.	2/19/2022 2:33 AM

cleaning the streets--it is absolutely amazing. It is so hard for me not to feel major disgust and betrayal by the number of police Moon who have lined up in battle gear and guns at the ready to take on such a loving expression of humanity. Why? Instead of apprehending or investigating the prime minister for the charges already filed against him, man who has neither the courage nor the decency to simply step up and speak to these tens of thousands of people. People acting as proxies for the rest of the country who also want to be done with these mandates and could not get to Ottawa

40420	Hope	2/19/2022 2:15 AM

And having this world wide push for freedom which was inspired by our very own Canadian Truckers has filled me with pride and at times moved me to tears. I admire them for their courage, faith, hope, and love. I pray for them every day. I am saddened by the way they have been maligned by false news narratives and by the unjust actions that the government has imposed upon them. They are Canadian heroes. Something we have not seen in a long time.	2/19/2022 2:14 AM

40471	I absolutely love the trucking convoy! They have restored my faith in humanity. I see them as heroes and I see them as a great representation of all Canadians, coming from all provinces and all cultures. The convoy has unified us so quickly and inspired us with hope! This is absolutely not the fringe minority! It is the vast majority, and this is evidenced in the thousands of people lining the streets and bridges to cheer them on as they made their way toward Ottawa, all while inspiring other conference all over Canada and worldwide! It is also unified patriotic Americans and Canadians! The conferences also exposed the tyranny of our government and governments around the world!	2/19/2022 2:08 AM

40542	I noticed there are less conveniences but I'm OK with that I just hunker down and spread my needs out .I believe in their stand and I appreciate that they are speaking for Canadians that want to have a country we can be proud of. I've seen their support waving their flags ,talking about their love for Canada and showing affection towards one another It really makes me proud of Canada and Canadians that are taking a stand against govt mandates and policies that have been shown to be very controlling.	2/19/2022 2:02 AM
40543	It has not.	2/19/2022 2:02 AM
40544	This convoy gave me a real hope	2/19/2022 2:01 AM

40546	Gave me hope	2/19/2022 2:01 AM
40547	The Freedom Convoy 2022 gave us hope. We saw Canadians supporting each other in these dire times of need (separation, isolation, fear, loss of jobs, division within families and friendships). Canadians felt supported by other Canadians. Canadians gave support to other Canadians. We became proud again to be Canadian.... The Truck Convoy went to Parliament, the buildings of our country's government, to represent us all and ask for our lives back and our jobs back and our freedoms and rights back. But now, the government has called the Freedom Convoy 2022 members terrorists, anarchists and horrible, horrible names. And now the government has called supporters of the Freedom Convoy 2022 members terrorists, anarchists and horrible, horrible names. We are being attacked. People have lost their jobs and now they are losing their vehicles, their bank accounts, their privacy, and their freedom. What has happened to Canada? Why is there so much hate? Canada was and is made up of people from all over the world with all different kinds of religions, with all different kinds of opinions. And now we have to all believe the same thing, live the same way, do what we are told and not think for ourselves? Unacceptable. The Trucking Convoy gave Canadians hope to become our independent, happy selves again. And now they are in jail. Arrested by Canadian armed forces. And the Prime Minister still has not spoken to all the Canadians who went to Parliament Hill. Canada is being destroyed before our very eyes. Thank-you Freedom Convoy 2022. You represented us. You did your best. We will not forget Freedom Convoy 2022. And we will not forget this Prime Minister or his government or any of the members of Parliament who did not stand up for the people of Canada.	2/19/2022 2:01 AM
40548	Give me a hope	2/19/2022 2:01 AM

40561	As a Canadian citizen and being First People (Aboriginal) I don't understand why Justin Trudeau wants to &see The State of Emergency Act against the Canadian Citizenship. The truckers are having a peaceful protest. Justin Trudeau makes it seem like a war. It is so wrong on many levels. I stand and support the Truckers that are holding the line and protesting for Canadians Rights. Thank you for giving me an opportunity to voice myself.	2/19/2022 2:00 AM
40562	Positively, it has made me feel hope and a voice for all the concerns with the government handling of CV. I don't feel alone	2/19/2022 2:00 AM

40572	Giving us a voice and hope to see changes and normal democratic and safe country for all!!	2/19/2022 1:58 AM
40573	Apparent supply shortages blamed. Whether true or not the confrontation is blamed. Irritation at the ineptitude of our Prime minister to see a way forward. Can't see the forest for the trees	2/19/2022 1:58 AM
40574	Glad people stand up for what they believe in. Can't believe how twisted they are.	2/19/2022 1:58 AM
40575	I'm confused by conflicting reports of its motivations and supporters, but the government's refusal to listen to their concerns has led to a complete lack of trust or faith in the current Prime Minister and the Democratic process.	2/19/2022 1:58 AM
40576	zero	2/19/2022 1:58 AM
40577	I wasn't able to get job	2/19/2022 1:58 AM
40578	For the better. They are heroes for standing up for our rights and freedoms. To hold them without bail in undisclosed locations is a war crime. Sicking police on peaceful protesters is also a war crime. I hope all involved are punished for these crimes against humanity.	2/19/2022 1:58 AM
40579	It's given me hope that maybe not all is lost Hope for freedom Hope for bodily autonomy Hope	2/19/2022 1:58 AM

40585	I am grateful that for the first time in 2 years we finally have a voice. I believe that the convoy has helped to end mandates although it hasn't helped yet in BC. I am disgusted with Trudeau's handling of the situation. Instead of uniting our country he is further dividing it.	2/19/2022 1:57 AM

40590	Great to see all the support and the unity however the only way to see what is actually happening...the truth is to get off of main stream or legacy media as they are not telling the truth. They are outright lying about what is happening in regards to the trucking convoy. Main stream media is completely untrustworthy. They do not do any actual investigative digging and reporting...NONE. They just say what someone is telling them to say.	2/19/2022 1:57 AM
40591	Gave me hope and a feeling of patriotism that has been missing for a long time... feeling of unity and togetherness	2/19/2022 1:57 AM
40592	It has given me hope that people are willing to defend truth.	2/19/2022 1:57 AM
40593	Disturbed it, disturbed me that the country I love has gone to shit. Disturbed me that fellow Canadians can use children and disabled as human shields, fly symbols of hate like swastikas and confederate flags that have no place in our glorious country. That is not the Canada I know.	2/19/2022 1:57 AM
40594	Hopeful	2/19/2022 1:57 AM

40602	I'm proud to say that these Truckers have stood up for us when no one else would. My M.P. will not answer my questions. I'm sending questions to the Senate now. This Country is a banana republic and I'm not proud to say that.	2/19/2022 1:56 AM
40603	Brought hope that the government would wake up!!	2/19/2022 1:56 AM

40622	It was awakened a desire to study more about our democracy and parliamentary procedure, and gives weight to the importance of civic duties to know your rights and understand law and government proceedings. Most of all it has united Canadian, opened people's eyes to how peaceful and loving a protest can be, and showed how Canadian people can be a major positive influence to average people around the world.	2/19/2022 1:53 AM
40623	One of the only things making me proud of this country. Provides a glimmer of hope.	2/19/2022 1:53 AM

40654	Giving me hope that this madness will end and we will get our freedom and our county back from this tyrant who is running the show and that those responsible for the last 2 years will be held accountable for their crimes against humanity	2/19/2022 1:51 AM
40655	Not	2/19/2022 1:51 AM
40656	Has given me hope	2/19/2022 1:51 AM
40657	Positively. I feel inspired that normal, everyday Canadians have decided that ENOUGH IS ENOUGH, and demanded an end to all mandates. I feel that the Freedom Convoy has been grossly misrepresented by MSM as a fringe minority of white supremacists. Stories from the ground tell a starkly different tale of multiculturalism, unity, love, and respect.	2/19/2022 1:51 AM
40658	It hasn't it has just showed me that so many ppl feel how I feel the way I feel on mandates	2/19/2022 1:51 AM

40664	It hasn't	2/19/2022 1:50 AM
40665	It's made me more aware of the steady creep of American right-wing style politics, and it disgusts me, I had believed that we as a nation were above this sort of thing. I was disappointed.	2/19/2022 1:50 AM
40666	Gave us hope that maybe our life could return to what it was. Someone needed to stand up to our governments and the truckers stood up	2/19/2022 1:50 AM

never been better. I am finally seeing light in the darkness. My kids have a chance to have a future.

40668	It's given us hope. It's made us realize we're not the only ones that feel this way and that there is finally SOMEONE who will stand up to our dictator prime minister. We've seen this slowly rolling in. He's taken away grants from churches for not signing a document saying we support abortion. That's our right? To religious freedom is it not? And now taking away charitable status for churches because of gay rights. It's been coming for a while. We all see how dirty Trudeau is. How corrupt his government is. I haven't trusted them this entire time.... I always cried when he got back into office the last TWO times. I don't trust our elections anymore. But the convoy has made me feel like maybe we have a chance. Just maybe. At least the world (and the country) are seeing him for what he is.	2/19/2022 1:50 AM
40669	It has given me hope	2/19/2022 1:50 AM

40674	It has given me hope	2/19/2022 1:49 AM
40675	It's restored my hope that common sense should be back and not petty crooks which can constantly get away with greed and criminal behavior	2/19/2022 1:49 AM
40676	Inspiring	2/19/2022 1:49 AM
40677	Not at all	2/19/2022 1:49 AM
40678	Gave me hope	2/19/2022 1:49 AM
40679	IT HASN'T. THEY HAVE HAD AMY FULL SUPPORT. TRUDEA needs to GROW A SET and sit down with them. The truckers represent the MAJORITY of CANADIANS (and some Amerocans) who are sick & tired of Trudeau's BULL SHIT.	2/19/2022 1:49 AM
40680	They represent what we Canadians think.	2/19/2022 1:49 AM
40681	I haven't been able to go to my Ottawa apartment for 3 weeks.	2/19/2022 1:49 AM
40682	Not at all.	2/19/2022 1:49 AM
40683	Finally have hope for the future.	2/19/2022 1:49 AM
40684	I have felt proud to be Canadian for the first time in a long time!! Power to the people! There are still people in this country that actually care!	2/19/2022 1:49 AM
40685	It hasn't.	2/19/2022 1:48 AM
40686	It hasn't affected me but I support it	2/19/2022 1:48 AM
40687	It has warmed my heart to see so many Canadians come together to support freedom.	2/19/2022 1:48 AM
40688	Brought attention to how the government doesn't care about what people have to say unless it fits their own views.	2/19/2022 1:48 AM
40689	Greatly rejoiced when they appeared. They are our special forces who love Canadians. We owe them respect and support on every level. They had enough and carry this message to Ottawa. God bless them	2/19/2022 1:48 AM
40690	It has given me hope that we will get Canada and Canadian Freedoms back which the government has NO right to take from anyone!!! Seems they have forgotten they are to serve the people of Canada not themselves....	2/19/2022 1:48 AM
40691	Compared to mandates that we are enduring for 2 years and 15 days of convoy can't be compared....I can say they gave me hope...	2/19/2022 1:48 AM
40692	It hasn't. The trucker convoy has given me hope that atleast someone will fight for our rights as Canadians	2/19/2022 1:48 AM

Canadians vote on Canadian Mandate - February 2022

40693	I support them fully and think it is atrocious that our Prime Minister would invoke the Emergency Act on peaceful protestors.	2/19/2022 1:48 AM
40694	It has given me hope. They are our heroes.	2/19/2022 1:48 AM
40695	Hasn't. I stand behind the basic principles that they stand by. The tag slings that have reaked havoc on the truckers and their initial stance I don't go along with. Something good was messed up by others wanting to follow their own agenda.	2/19/2022 1:48 AM
40696	Gave me hope.	2/19/2022 1:48 AM
40697	It has and is effecting my life in a positive way! However Trudeau is making sure he just wants to continue to destroy Canada and have it become a communist country! This is Canada not China!!!	2/19/2022 1:48 AM
40698	Light of hope	2/19/2022 1:47 AM
40699	I do not know. Glad they did it. They should have got the radicals out earlier.	2/19/2022 1:47 AM
40700	The trucking convoy gives me hope. I also realize that I am not alone. Many vaccinated and unvaccinated stand together for our freedom. It is refreshing to see after so much devision created by Trudeau.	2/19/2022 1:47 AM
40701	They gave me hope and a voice. They said what most Canadians wanted to say. They made me proud to be Canadian.	2/19/2022 1:47 AM
40702	I felt the spirit of this strong and free north	2/19/2022 1:47 AM

40707	We have hope for a future	2/19/2022 1:47 AM
40708	Hope	2/19/2022 1:47 AM
40709	Provided hope for the future, hope for the country and hope for my grandchildren.	2/19/2022 1:47 AM
40710	It has given me a little bit of hope and made me feel less depressed and less alone- I now know that their are other people who feel the same way as me and it is midly comforting.	2/19/2022 1:47 AM
40711	Restored hope that we can find freedom again. Makes me more vigilant to protect freedoms and to realize when they're being eroded. Brings new value to things previously taken for granted. Thankful to realize there are more people that share these values. Great appreciation and respect for those who put it all on the line.	2/19/2022 1:47 AM
40712	Hope	2/19/2022 1:47 AM

40714	Has given me hope that we can make a differenece when we stand up for what is important. Has confirmed to me that our government does not have canadians best interests at heart.	2/19/2022 1:46 AM
40715	Bring us hope	2/19/2022 1:46 AM
40716	Support them in trying to end it all	2/19/2022 1:46 AM
40717	Gave me hope. Lifted the wool from other family members eyes. I'm forever grateful	2/19/2022 1:46 AM
40718	It has given me hope and pride in my fellow Canadians.	2/19/2022 1:46 AM

Canadians vote on Canadian Mandate – February 2022

40722	Thanks to the convoy, I finally realize just how many people are on my side. I don't feel alone in my opinions anymore, and they've helped restore my faith and pride in Canada.	2/19/2022 1:46 AM
40723	I am excited to see people bonding and caring for each other. I'm disappointed in the responses from those in authority, especially the one who leads our country. He should realise his defeat and respect that he does not represent everyone in this country.	2/19/2022 1:46 AM
40724	The Truckers Freedom Convoy 2022 has restored my faith in Canadians and has made me proud to be a Canadian again. Together, united, we are more powerful than we can imagine. Go truckers, go ... you are holding the line for all of us and I have so much respect for all of you and the citizens that have stepped up against the narcissistic and psychopathic, Crime Minister Justin Truedope.... he will be held accountable for his crimes against humanity .. of that I have no doubt as he is showing his true colours by how badly he is dealing with a peaceful protest that is our right to participate in as Canadians.	2/19/2022 1:46 AM
40725	I've been inspired	2/19/2022 1:46 AM
40726	It gave me hope. God is using these truckers and their supporters to rid this country and many other countries of their corrupt governments and media bias.	2/19/2022 1:46 AM
40727	It's given us hope for a reprieve.	2/19/2022 1:46 AM
40728	It's given me some hope and made me feel less alone.	2/19/2022 1:45 AM
40729	Giving me hope	2/19/2022 1:45 AM
40730	Positivity and hope	2/19/2022 1:45 AM
40731	It has given me hope and belief that I am not alone!	2/19/2022 1:45 AM
40732	It gave everyone something to laugh about	2/19/2022 1:45 AM
40733	Given hope for a free life	2/19/2022 1:45 AM
40734	It is inspiring to see ordinary people rise up against the corrupt and dysfunctional political system and expose the non-stop propaganda that flows out from the corporate media.	2/19/2022 1:45 AM
40735	Positively empowering!	2/19/2022 1:45 AM
40736	Inspired	2/19/2022 1:45 AM
40737	Proud of them	2/19/2022 1:45 AM
40738	Brought hope and encouragement	2/19/2022 1:45 AM
40739	It has brought me joy!!! Made me proud to be Canadian	2/19/2022 1:45 AM
40740	With hope in humanity	2/19/2022 1:45 AM
40741	As a proud Canadian that has been living in this nightmare for the last two years of Covid overreach the convoy has been powered by the hearts cry and agony experienced by Canadians over these past two years. This has fuelled the convoy to Ottawa which has given Canadians Hope again. Hope for Freedom and the love of our Sovereign Nation.	2/19/2022 1:45 AM
40742	Made me proud to be a Canadian. To see people come together. But it's also made people so divided. Trudeau should have ended the convoy and spoke to them 3 weeks ago	2/19/2022 1:45 AM
40743	I am embarrassed to live in the same country as them.	2/19/2022 1:45 AM
40744	It has given me hope for Canada.	2/19/2022 1:44 AM
40745	It has given ignited a sense of hope, Joy, and educated me deeper on how important it is to stand up as Canadians, uniting us. and first time I feel like I am not alone!! We must not bow to Tyranny and I knew something had to be done, so proud of their heroism, so honourable.	2/19/2022 1:44 AM
40746	Made me proud to be Canadian for the first time in 2 years	2/19/2022 1:44 AM
40747	Inspired	2/19/2022 1:44 AM
40748	Happy, peaceful, loving & hopeful	2/19/2022 1:44 AM
40749	Finally some hope that I'm not alone in my beliefs. The convoy has made me proud to be Canadian for the first time since Trudeau came I to power.	2/19/2022 1:44 AM

Canadians vote on Canadian Mandate - February 2022

40750	This was the first time in many months that I felt I had a voice that just might be heard. We have written MPs over the last four months and never had a single reply. I have endured workplace and societal discrimination. When attempting to have a conversation or open a dialogue that there are more sides to the story or that there needs be be answers when people are injured from the vaccine, I have been silenced. I have been silenced by doctors, health nurses, work colleagues and family. The convoy gave me hope that I am not alone in this and that my voice is worth being heard. I am not a racist, a misogynistic, part of a 'fringe' but I do follow the real science. The prime minister constantly name calling, pushing for violence and painting millions of Canadians as terrorists for supporting this movement is deplorable. But this ability to finally have our voices heard (even if he refuses to listen), is all I'm holding onto right now.	2/19/2022 1:44 AM
40751	Given me hope	2/19/2022 1:44 AM
40752	It gave me hope. But today February 18 and the actions of police and government took it away.	2/19/2022 1:44 AM
40753	Giving my colleagues and I hope that we may be able to get back to work soon.	2/19/2022 1:44 AM
40754	Made me happy	2/19/2022 1:44 AM
40755	They've given me hope that I'm not the only one who see's how phoney the whole pandemic is	2/19/2022 1:44 AM
40756	It hasn't in anyway negatively. I think a lot of good is coming out of this. It's slowly changing things. It's also showing the true colours of our leaders in this country. It's showing how the federal government thinks that they are above the people of Canada and it's also showing how the media is also hand-in-hand with the federal government and only reporting what they want you to see and not what is actually happening.	2/19/2022 1:44 AM
40757	We would all be mistaken if we thought this will not trickle down to affect many people who share their views with Trudeau's over reach and that Trudeau would stop his heavy handed actions because he won't if not checked. I worry for those in Ottawa who are subject to the forcible actions of the police when Trudeau could have handled this in a peaceful and respectful way.	2/19/2022 1:43 AM
40758	Unity... it's brought people together for a common cause.	2/19/2022 1:43 AM
40759	Canada unity.	2/19/2022 1:43 AM
40760	Physically, financially and spiritually	2/19/2022 1:43 AM
40761	Given me hope for the first time since this whole thing started	2/19/2022 1:43 AM
40762	After feeling hopeless for so long, I finally feel hope again that Canadians can over turn this government over reach	2/19/2022 1:43 AM
40763	Hope	2/19/2022 1:43 AM
40764	Less than a month	2/19/2022 1:43 AM
40765	Makes me happy to see Canada as one. I love freedom of speech. Feel bad for Ottawa citizens in the area but hell You moved near parliament hill, you'd be an idiot not to think a protest would go on	2/19/2022 1:43 AM
40766	Brought hope.	2/19/2022 1:43 AM
40767	Positively. It has added some hope.	2/19/2022 1:43 AM
40768	I hoping that Trudeau is a weak leader, marionette, tyran, and he should be responsible for his actions	2/19/2022 1:43 AM
40769	It hasn't affected my life in any negative way, I was part of a freedom convoy here in my home town, I support the freedom convoys all over this country. I am for FREEDOM from mandates	2/19/2022 1:43 AM
40770	Given hope	2/19/2022 1:43 AM
40771	By having some of the restrictions lifted in Alberta. Never would have happened without the convoy	2/19/2022 1:42 AM
40772	Has given me hope that Canada will once again be great and free	2/19/2022 1:42 AM

Canadians vote on Canadian Mandate - February 2022

40773	It is time for a truth to be back in line . Jesus gave us free choice he is the holy one.	2/19/2022 1:42 AM
40774	Though I do not agree with any violence, discrimination or disrespect perpetrated by a very small number of protestors against other people, the vast majority of the people in the convoys deserve medals for their courage, sacrifice and heroic defence of our freedoms that so many take for granted. I've been encouraged by the trucking convoy because most are too apathetic, sheepish or deceived to recognize what's really happening with the mandates.	2/19/2022 1:42 AM
40775	It hasnt	2/19/2022 1:42 AM
40776	Bringing hope, tears and love ...	2/19/2022 1:42 AM
40777	I think the government has planned this to give hope, then called them terrorist to invoke emergency act	2/19/2022 1:42 AM
40778	just inflation but not as bad as what all the government has done	2/19/2022 1:42 AM
40779	Has not at all.	2/19/2022 1:42 AM
40780	Given hope for the future	2/19/2022 1:42 AM
40781	It has given me hope that our government has to be held to certain standards	2/19/2022 1:42 AM
40782	Pride...proud to be a Canadian!	2/19/2022 1:41 AM
40783	Given us hope	2/19/2022 1:41 AM
40784	Given me restored spirit and a sense of hope that we can come together and allow each other to be free regardless if we agree on every issue of the day	2/19/2022 1:41 AM
40785	Given me hope that I'm not alone thinking that the government has over reached in too many ways to count	2/19/2022 1:41 AM
40786	Hope it will change it for the best	2/19/2022 1:41 AM
40787	Gave us renewed hope in this country that we love and that there are still people who made the effort and took the lead to bring back some kind of normal into our lives to be free again as it should be. Gave us faith and hope to live like a normal person and enjoy life to be able to interact again with family, friends. That is what we hope this convoy would bring and unite all Canadians again both for vaccinated and unvaccinated. Hope for freedom of choice for everyone whatever that may be as long as it doesnt harm others with decisions we make.	2/19/2022 1:41 AM
40788	It has given me hope	2/19/2022 1:41 AM
40789	I think what they're doing to try and give us our freedom back I think it's amazing so so proud of them	2/19/2022 1:41 AM
40790	It gave me hope	2/19/2022 1:41 AM
40791	Has given me hope for change to a normal life. Restored the joy of being a Canadian. I am so proud of our heroes, who would stand up for freedom.	2/19/2022 1:41 AM
40792	It has not adversely affected my life	2/19/2022 1:41 AM
40793	Proud to be a Canadian again. There is hope after all.	2/19/2022 1:41 AM
40794	Giving hope	2/19/2022 1:41 AM
40795	It's given me hope for the future	2/19/2022 1:41 AM
40796	Has given me hope and hope for a better future for my children	2/19/2022 1:40 AM
40797	Positive	2/19/2022 1:40 AM
40798	I have met other people who think like me. People who know these mandates go against our charter. The freedom convoy and the protesting has brought a smile to my face and made me feel hopeful in this country. I want to fight back against the traitors who are in power(government)	2/19/2022 1:40 AM
40799	The truckers gave me and my family HOPE of finally being heard by our government! It's not about health but power and the govt. really showed us it's true, especially with how the truckers were treated! This is NOT my Canada!	2/19/2022 1:40 AM

40806	It has given me hope that Canada is not a lost cause. It has confirmed the arrogance and ignorance and self-centredness of the laptop class. I will never trust any politician anywhere ever again. Only action counts. And even then I will be suspicious and vigilant. Eternal vigilance is the price of freedom.	2/19/2022 1:39 AM

40821	The convoy has made me proud to be a Canadian again. They are fighting for our freedoms.	2/19/2022 1:38 AM
40822	Given me hope.	2/19/2022 1:38 AM
40823	It is the first time in 2 years that I feel any hope at all and I'm extremely grateful to the truckers for that. They have started a worldwide movement fueled by love and constancy.	2/19/2022 1:38 AM
40824	Oh, my gosh, I have never been so happy about a demonstration. I only wish I could have been in Ottawa. Watching all the videos and reading the posts brought such happiness and hope to myself and my family. I was SO proud of Canada. Until this week. Now, I am grieving the loss of our freedom and democracy.	2/19/2022 1:38 AM
40825	It's given me hope. I pray and trust the peaceful protests bring change for all Canadians and continue to spread the peace and freedom across the planet.	2/19/2022 1:38 AM
40826	It has given us hope for a better future for us and our children. Hope for freedom like we were used to having in Canada. Freedom to choose medical treatments that is right for our family. Freedom to have the choice of wearing a mask on our face or not. Getting rid of the mandates that imprison us from making a living, travel and attending entertainment events and restaurants. Opening up churches to full capacity.	2/19/2022 1:37 AM

40828	I finally have hope to becoming myself again	2/19/2022 1:37 AM
40829	It gave me hope that sanity would be restored, and all mandates would end. Then our corrupt dictator ran away from reality, and destroyed Canada's reputation as a democratic country.	2/19/2022 1:37 AM
40830	Showed me that the truckers cos put pressure on the government, rally Canadians to see how they are being controlled by the whims of a dictator, not science. They have sacrificed so much for us all. Now Trudeau has tied up the funds that were supposed to financially support the truckers, hes a thief!	2/19/2022 1:37 AM
40831	In a positive way	2/19/2022 1:37 AM

40835	Not at all	2/19/2022 1:37 AM
40836	It has given us hope that all mandates would come to a end	2/19/2022 1:37 AM
40837	It actually gave people hope and brought Canadians together from all walks of life, all Vax statuses, all races, and every age demographic	2/19/2022 1:37 AM
40838	No affect.	2/19/2022 1:37 AM
40839	Gave me hope But today I'm scared and even further more upset about the government. I'm hoping for a revolution.	2/19/2022 1:37 AM

40849	Gives me hope for once that this evil will crumble	2/19/2022 1:36 AM
40850	It's drove up inflation It's not done it's job It's a bunch of people who think they are so self Entitled to shut down the country The way this should have been handled is with the military gone on and blocked off the road and allowed the men and women a way for them to demonstrate the rights without blocking a major highway that both economies rely on.	2/19/2022 1:36 AM
40851	Has made me feel proud to be a Canadian again and has brought hope for changes.	2/19/2022 1:36 AM
40852	It gave me hope for the first time since March of 2020. I had the disease in the first month of the pandemic and have natural immunity. I brought herbs to neighbors who caught the variants and never got ill so I know I have vigorous natural immunity but I am punished and excluded from society because I have natural immunity and don't want to spoil it.	2/19/2022 1:36 AM
40853	Has given us hope	2/19/2022 1:36 AM
40854	Gave hope. Gave community. Allowed for conversations to happen	2/19/2022 1:36 AM

40876	Positive and hopeful	2/19/2022 1:34 AM
40877	It has given me a renewed hope that we still have a chance at getting some stability back in our lives in a positive way. And it has given us more power to stand together and stand up for our rights. They have shown nothing but love and peace, lending a hand. More than I can say for our very corrupt govt. God bless all you Truckers and your families. Doing an amazing Job. They have every right to their autonomy , choices. You truckers are essential and loved by many. 40906	Gave me hope.	2/19/2022 1:31 AM
40907	It has brought me hope and made me feel like I wasn't so alone. It has made me so proud to see fellow Canadians stand peacefully for their rights and freedoms. It's been heartening and inspiring. But at the same time, it's also crushing to see how our prime minister characterizes these peace loving people. The fact that he is being allowed to call the people in the convoy all these hateful names is TERRIBLE. It's UNACCEPTABLE. It's CRIMINAL. It's horrible to see that some people actually believe his heinous lies and now associate freedom with anti-semitism! It's horrible!	2/19/2022 1:31 AM
40908	They are fighting for choice... I support 100%	2/19/2022 1:31 AM

40917	It been good to see a group stand up for freedom that I lost since 2020. I am inspired that Canada can be restored because of it. I have hope that Canada is going to stand firm in freedom.	2/19/2022 1:30 AM

40919	100 percent positive	2/19/2022 1:30 AM
40920	Gave our family hope Feeling like we are not alone	2/19/2022 1:30 AM
40921	It has given me hope and inspiration that other people will stand up and fight for our freedoms! It has given me the courage to stand up and say NO MORE to mainstream media reporting everything ridiculous. I see what the truth is and what people really feel. It is a PEACEFUL protest with families who have enough of these mandates. If masks, restrictions and Covid vaccines work so well, WHY ARE WE STILL HERE?! People are finally standing up. I applaud them, appreciate them and wish I were so brave. If anyone is inconvenienced by this, our current gov't is to blame. They will not address the issues. I am saddened by the way our gov't, police and media are dealing with PEACEFUL protests. And stop talking about swastikas. I haven't seen any there.	2/19/2022 1:30 AM

40930	Hope for freedom	2/19/2022 1:29 AM
40931	It has made me proud that a large and generally peaceful protest has organized in my country. What we are seeing and feeling here is happening all over the world. There are many protests in many countries. We simply do not get to see it.	2/19/2022 1:29 AM
40932	It has re-ignited and made me feel like a true Canadian once again.	2/19/2022 1:29 AM
40933	It has brought hope to this tyrannical situation and ended mask wearing for my students and ended submitting tests for myself	2/19/2022 1:29 AM
40934	Made me aware how far Government is not caring about Canadians.	2/19/2022 1:29 AM
40935	Positively - glad to see people are standing up for freedom!	2/19/2022 1:29 AM
40936	It has made some of my friends angry, and others relived. The gas prices have gone up. I don't know if there is a relation there, but that's about it.	2/19/2022 1:29 AM
40937	The trucking convoy was the first time that I have felt hopeful in the last 2 years. Although not suicidal, I have gotten to the point where I have decided that if I were diagnosed with a treatable but fatal illness, such as cancer, I would not treat it. The trucker convoy brought back a glimmer of hope for me. I hadn't realised how much I had missed looking forward to getting up and starting my day until the first weekend of the trucker convoy and seeing all the music and people celebrating. That felt the most real over anything I've encountered in the last 2 years and I've had a whole lot of life hit me in the face in the last two years. The trucker convoy was the most Canadian thing ever - complete strangers gathering to sing, dance, hug, hold hands, all in the name of standing up for our wonderful, beautiful country, the values and Constitution which hold us together and they did it in snow pants, with Canadian flags tied to hockey sticks. It has been really beautiful and has inspired hope in me. I wish them peace, love, harmony and true justice. I wish we had an actual justice system rather than the legal system which appears to be politicised, bought and paid for. I miss believing in the values which I used to believe comprised Canada. The trucker convoy brought that faith and hope	2/19/2022 1:29 AM

back for me. It is disgraceful that politicians would seek to destroy that and for what? At this point, it appears to just be a tantrum because the people don't like the direction they're taking the country. Well, tough. Politicians represent us, not the other way around. It is not our job to kowtow to the politicians. It is their job, for which they are compensated very well, to represent US and stand up for what we believe in. If they are unprepared to do that, then they should step down and move aside so that people who actually believe in Canada's people, Constitution and values can represent the people and the country.

40938	Made me proud to be a Canadian again	2/19/2022 1:29 AM

40946	I've felt proud and hopeful again.	2/19/2022 1:28 AM
40947	It has brought me hope. I'm happy someone was brave and strong enough to start this because now we can all say how we feel without worrying I'd someone is against us or not. I want freedom of choice for us and our children who are our future.	2/19/2022 1:28 AM
40948		2/19/2022 1:28 AM
40949	You mean besides the fact that it has impacted supply for the trades industry and that they also are causing near-constant noise disruptions for residents living around the area that they decide to park their asses?	2/19/2022 1:28 AM
40950	Annoyed me. Glad it exposed the deeply racist nature of so many Canadians though.	2/19/2022 1:28 AM
40951	Gave me pride in canada	2/19/2022 1:27 AM
40952	I totally feel for the extortion & threat of loss of job & livelihood. Canada would be greatly affected if trucks couldn't deliver - there's already a shortage of drivers	2/19/2022 1:27 AM
40953	It has caused emotional stress wating the police be so cruel. https://youtu.be/IH0Cd7ETges	2/19/2022 1:27 AM
40954	help me a lot to realize that I am not alone thinking like that, that I have rights and freedom to express myself, that I have a voice, help me a lot to reconnect with people and speak outloud what I had in my heart and thoughts, to connect with people who fights for the right thing, to realize that our PM of Canada react as a real dictator and doesn't even care and take time to listen, discuss and make space and give time to sit at the table but always do with power and control, allows me to gather with people to express what I see and think, gives me hope and realize that Canada is a democratic country but our rights and freedom are taken away , little by little, and gives me strenght to dare to stand up because I am not alone feeling this way , there's multiple people that think the sameaffected so so positively in many ways...because it speaks truth and justice and denounce what is not right	2/19/2022 1:27 AM
40955	It had brought hope and restoration to myself that I alone could not provide for my loved ones on my own. It brought togetherness, something we've lost for quite a few years. It was our only hope to make a stand against the overreach the govt has played in our bodily autonomy and the segregation & discrimination they caused to so many.	2/19/2022 1:27 AM
40956	Given hope, premiere has started lifting mandates	2/19/2022 1:27 AM

40961	They are speaking up and fighting on my behalf for my rights and freedom.	2/19/2022 1:27 AM
40962	It has provided me with courage and conviction that what I beleive to be the true science around COVID-19 and masks is the actual facts. Helped me to see that there are others who believe as I do, that the science does not support mandates or masking and that the vaccines are in fact ineffective and even dangerous.	2/19/2022 1:27 AM
40963	It has given me, and a huge percentage of the people of Canada HOPE, and inspired the world.	2/19/2022 1:27 AM
40964	Hope	2/19/2022 1:27 AM
40965	It brings hope for Canada and Canadians. It's our last hope for freedom in this nation. Justin Trudeau needs to be arrested and dealt with, along with many of our so-called leaders. They're in it for themselves, not for the people.	2/19/2022 1:26 AM
40966	It has not affected me in an economic way. Patriotically it has been very inspiring.	2/19/2022 1:26 AM
40967	Gave me hope	2/19/2022 1:26 AM
40968	It has given EVERY SINGLE PERSON AROUND THE WORLD HOPE, HOPE FOR AN END TO THIS MADNESS, AND HOPE THE GOVERNMENT GETS ARRESTED FOR THEIR CRIMES, THEY HAVE GIVEN US HOPE AND THATS BEEN A POSITIVE AFFECT ON EVERYONES LIVES.	2/19/2022 1:26 AM
40969	In a very positive way. Fighting for my Freedom and everyone else's.	2/19/2022 1:26 AM
40970	Made me more proud to be a Canadian but also wonder what my father, who fought in WWII, would think of the way they handled this supposed pandemic. Cry for freedom by the everyday working man.	2/19/2022 1:26 AM
40971	No	2/19/2022 1:26 AM
40972	I am so grateful that these people stood up for us that were too afraid to stand up like I was and I am so appreciative for everything that they have done	2/19/2022 1:26 AM
40973	It has given me hope that others are also tired of the ridiculous measures that have been forced upon us, despite the science, and that maybe finally this will come to an end, so life can get back to normal.	2/19/2022 1:26 AM
40974	The truckers have restored my hope for unity for we the people. It's very clear to me that Trudeau and his government of WEF puppets are the minority. And we the people of Canada the Majority.	2/19/2022 1:26 AM
40975	It gave me hope.	2/19/2022 1:26 AM
40976	Above all it's given me hope that this madness may end. I've seen it bring this country together which has been very emotional because all that's happened in the last 2years is the tearing apart of our country and society. It's made me love very deeply the people who are willing to make a stand for our country. It's showed me courage, bravery and incredible heart. It's been very inspiring for the above reasons.	2/19/2022 1:25 AM

40981	It has given me hope. Until Justin evoked the emergency act, which was uncalled for, he did not try to solve this in any way, shape or form.	2/19/2022 1:25 AM
40982	It's given me hope again that humanity is still there	2/19/2022 1:25 AM
40983	In a good way,for we are lucky to have all those heroes on our side making a humongus difference in a super good way...	2/19/2022 1:25 AM
40984	Made me proud that working-class Canadians have the balls to stand up for freedom.	2/19/2022 1:25 AM
40985	It gives hope to Canadians and people all around the world that we are all in this together. And	2/19/2022 1:25 AM

Canadians vote on Canadian Mandate - February 2022

the narrative this government has pushed on the people is criminal while the rich elites get richer. Fuck you guys

40986	HOPE came back to not just me but to many other people!! Like soldiers going to war. I am VERY PROUD of them!!! Very peaceful and respectful. Some of the protesters who were not with the truckers acted bad, plus antifa (people payed to do bad things and blame it on the truckers) doing it . I pray much for them as some of the trucker leaders have been arrested for doing everything right. Now Trudeau wants to inact the Emergency Act????? I'm VERY PROUD of the truckers!	2/19/2022 1:25 AM
40987	It has given us hope, it gave cdns there humanity back that they also had enough with mandates	2/19/2022 1:24 AM
40988	Given me hope. Knowing I'm not isolated.	2/19/2022 1:24 AM
40989	Hope for freedom	2/19/2022 1:24 AM
40990	Given hope	2/19/2022 1:24 AM
40991	Undecided	2/19/2022 1:24 AM
40992	Hope. It was -and is- restoring my hope.	2/19/2022 1:24 AM
40993	They're standing up for bodily autonomy. The government should not use extortion on free people --which means taking away their basic freedoms which is an extortion and that the only way to get those basic freedoms back is by getting a medical procedure under their skin full of poisons. The truckers will go away when the government takes away vaccine passports-- vaccine passports hurt bodily autonomy. I support the "my body my choice" bodily autonomy which is literally a basic human right which the truckers are trying to protect. They're standing up for bodily autonomy and basic human freedoms	2/19/2022 1:24 AM
40994	It gave me hope	2/19/2022 1:24 AM
40995	Restored hope.	2/19/2022 1:24 AM
40996	They have given me hope that all the mandates will end soon. They are a voice of TRUTH! They have helped me see the true colours of Justin Trudeau!	2/19/2022 1:24 AM
40997	Given me hope that people still value our freedom and democratic rights.	2/19/2022 1:24 AM
40998	giving me some hope for the future	2/19/2022 1:24 AM
40999	Gave me hope and pride for mankind.	2/19/2022 1:24 AM
41000	Hope	2/19/2022 1:24 AM
41001	It has brought huge encouragement that there are others that stand for freedom	2/19/2022 1:24 AM
41002	Not at all! Completely peaceful!	2/19/2022 1:24 AM
41003	Hope and freedom	2/19/2022 1:23 AM
41004	It was heartwarming to see so many Canadians happy and standing together and helping each other	2/19/2022 1:23 AM
41005	Has not affected me	2/19/2022 1:23 AM
41006	It has given me hope and renewed faith that this county has not completely lost its way. It gives me faith to know that a lot of people have not been brainwashed by the creepy monotone hypnotic doomsday bullshit spewing from the mouths of Trudeau, Hinshaw, Tam, Henry, shandro, Ford, kenny and USA Fauci. It's like they all went to the same snake charmer school that taught them how to talk to make it always sound like the ship is sinking. If you watch the news for one week you think everybody's dying if you don't watch the news you wouldn't even know there was an illness that somebody should be concerned about. The majority of people that are sick and dying of Covid have comorbidities or elderly or some underlying infirmity or illness. The numbers that everybody is freaking out over or staggeringly low compared to the population of Canada Alberta the world etc. The convoy gave everybody the courage to start talking and sharing their views. And the platform. For two years the government has done their best to divide everybody and prevent people from talking to each other. In one month the convoy undid that bullshit and the whole world is talking. The convoy is the best thing to happen to this country in my 43 years of living. It's even uniting Alberta and Quebec people.	2/19/2022 1:23 AM

Canadians vote on Canadian Mandate - February 2022

41007	Brought back hope in humanity/Canadians! I'm very proud of each & every trucker in the convoy and all supporters!!!	2/19/2022 1:23 AM
41008	Gave me hope for normalcy. Hope for freedom. Hope for peace and love in Canada	2/19/2022 1:23 AM
41009	Some things not in stores, but that's probably more to do with Trudeau mandates.	2/19/2022 1:23 AM
41010	Giving Hope once again.	2/19/2022 1:22 AM
41011	a joy a renewed faith in mankind hope and humour (honk honk)	2/19/2022 1:22 AM
41012	In the beginning it's gave me Hope and Strength to be Strong Courageous...Now my heart is crushed by the Hateful and destructive words of Justin Trudeau who is supposed to be our Prime Minister but has instead Crushed my heart as I witness the great and devastating harm he is causing my Canadian Brothers and Sisters.	2/19/2022 1:22 AM
41013	Gave me hope for change a future and for humanity	2/19/2022 1:22 AM
41014	It has given me a sense of hope and has made me feel like less of a marginalized outcast knowing that others have struggled the same way as me and are also against the mandates.	2/19/2022 1:22 AM
41015	It's given me hope.	2/19/2022 1:22 AM
41016	Positively. It's given me hope that Segregation will end and that life will go back to normal. That was, until I saw the cops trample a little old First Nations lady who was chanting "Peace, Love, Happiness"... Now I just think JT has led Canada into a VERY dark place. One where RCMP volunteer to go crack heads on horseback, going after little old ladies. It's making my heart break.	2/19/2022 1:22 AM
41017	It has given me hope and confirmation that the majority of Canadians are "waking up" and realizing what is actually going on.	2/19/2022 1:22 AM
41018	Noise up and down the highway and the street. Distraction... Curiosity... Where is the funding coming from exactly? Disgust ... Wanting to overthrow a freely elected government? Profanity of the f--ck Trudeau signs is not what I want to see or hear. Likely this survey will be primarily sent to people whom the survey developer thinks will support the "freedom" movement. This will create a significant error of measurement. This affects my life because it disrupts my desire to have pleasant relationships with friends and family.	2/19/2022 1:22 AM
41019	Made me realize I was not alone in wanting the freedom to make my own choices!!	2/19/2022 1:22 AM
41020	I love ♥ It. Freedom Canada	2/19/2022 1:22 AM
41021	It gave me hope. It made me see how many people think and feel the same way I do. I felt very alone before the convoy began	2/19/2022 1:22 AM
41022	Some times my commute is longer on the way downtown.	2/19/2022 1:21 AM
41023	Made me feel Canadians and very proud. Truckers are standing up for all Canadians, which not many politicians have done,	2/19/2022 1:21 AM
41024	Gave me hope for our country	2/19/2022 1:21 AM
41025	We party	2/19/2022 1:21 AM
41026	Inspirational	2/19/2022 1:21 AM
41027	Nothing but admiration , so very proud of those brave Canadians.	2/19/2022 1:21 AM
41028	It has given me hope. I have seen strength in the people who are fighting. I have had my eyes opened toward the government and seen the extreme measures it will take in order to save its own reputation. Even killing and beating it's own people is ok with the police state we live in. I feel like I'm Living in The Hunger Games or The Handmaid's Tale.	2/19/2022 1:21 AM
41029	Awesome	2/19/2022 1:21 AM
41030	I is encouraging to see that True Leaders are standing up for the truth!!	2/19/2022 1:21 AM
41031	First time I have been proud to be Canadian in years	2/19/2022 1:21 AM
41032	Given hope	2/19/2022 1:21 AM

Canadians vote on Canadian Mandate - February 2022

41033	It hasnt	2/19/2022 1:20 AM
41034	It hasn't... I was hoping and praying Trudeau would listen	2/19/2022 1:20 AM
41035	It has given me hope that we are finally being heard, and my kids and I will have a chance to live in freedom and to make our own medical decisions that are right for us. It has filled my heart with love to be with all the people that are smiling and respecting and loving each other. Such a great feeling of unity after our governments dividing us. I finally feel less isolated. I feel supported for the first time in 2 years.	2/19/2022 1:20 AM
41036	made me aware that I am not the only one that believes that the mandates were all about power grabs at the expense of losing our freedoms.	2/19/2022 1:20 AM
41037	Given me HOPE	2/19/2022 1:20 AM
41038	It has given me Hope that people are waking up. These truckers are heroes, this has gone Global. Nothing but unity, joy and love on the Hill. People want their lives back and our God given Freedom rights which are veterans fought and sacrificed their lives for. What a disrespect to them. The government's response to the Convoy has been disgraceful, not even willing to talk to anyone ??? Wow, this could of been all prevented. Now more division, my heart is deeply saddened. Don't even get me going about the media , giving false news. Shame on them.	2/19/2022 1:20 AM
41039	Fucking invaded my neighborhood and honked for 6 hours. Convoys can go fuck themselves. You have no idea what freedom is, what oppression is, what decency is	2/19/2022 1:20 AM
41040	The convoy has brought hope, restoration in Canadian pride, unity, inspiration, kindness, love, and light and has shows what government should do. Our government should be replaced by these brave people and those standing beside them. THEY are for the people!	2/19/2022 1:20 AM
41041	I have witnessed pure joy and love and hope from all those on the sides of the road as the convoy drove through cities and towns. Which has given me a whole new outlook in humanity and on the Canadian people.	2/19/2022 1:20 AM
41042	Have some hope	2/19/2022 1:20 AM
41043	It gave me hope that there are like minded Canadians out there that think like me	2/19/2022 1:20 AM
41044	I'm proud of them	2/19/2022 1:20 AM
41045	Given me hop, and made me proud to be a Canadian. It's so nice to finally know I'm not alone. So many others have felt the weight of these mandates and are as fed up as I am.	2/19/2022 1:19 AM
41046	Inspired hope	2/19/2022 1:19 AM
41047	Given hope to me that Canadians are taking a stand against controlling government mandates. We need our freedom	2/19/2022 1:19 AM
41048	Lack of goods in stores was a small issue. The best result is federal and provincial governments finally making the right decisions to end their useless and ineffective lockdowns is the best result of the trucker convoy protests.	2/19/2022 1:19 AM
41049	It has brought me much hope. The love they convey with everyone across the country has hit me in a positive way that I've never felt for years living here. Thank you to all of the truckers and protesters fighting for our freedoms.	2/19/2022 1:19 AM
41050	Given me hope	2/19/2022 1:19 AM
41051	It hasn't	2/19/2022 1:19 AM
41052	it has given me hope	2/19/2022 1:19 AM
41053	Gives me hope for the future for me, my kids & grandkids.	2/19/2022 1:19 AM
41054	It hasn't other than the the fact what I have seen on the news I have completely lost all faith in our Police and will never ever support them financially again.	2/19/2022 1:19 AM
41055	inspired me to love Canada again	2/19/2022 1:18 AM
41056	Finally I had hope!! I felt proud to be a Canadian again!:	2/19/2022 1:18 AM
41057	Wonderfully	2/19/2022 1:18 AM

Canadians vote on Canadian Mandate - February 2022

41058	Given me hope and pride to be canadian again. Until Friday, February 18th, 2022. The attack on peaceful protestors is pathetic. A disgraceful day to be a Canadian.	2/19/2022 1:18 AM

41070	It gave me hope for our people to have their freedoms under the charter, upheld.	2/19/2022 1:17 AM
41071	It has given me hope that we might some day return to normal. As tired as i am, I have attended the freedom rallies. Today is a very dark day in Canadian history. Trudeau attacked peaceful protestors using UN militia. So incredibly heart breaking.	2/19/2022 1:17 AM
41072	Brought life back to be proud Canadian	2/19/2022 1:17 AM
41073	Gives me hope for freedom from the tyrannical leadership of our country	2/19/2022 1:17 AM
41074	It makes me sad the truckers felt compelled to do this and thankful for their solidarity	2/19/2022 1:17 AM
41075	Nothing negative	2/19/2022 1:17 AM
41076	It's giving me hope for our country. No negative impacts	2/19/2022 1:17 AM

41092	They have touched me profoundly and made me proud of what they stand for which is freedom of choice.	2/19/2022 1:15 AM
41093	It has given me a little bit of hope that not everyone is crazy and that some people are thinking about others instead of themselves.	2/19/2022 1:15 AM
41094	Most proud I've been to be a Canadian in a very long time. Actually restored my faith in humanity and gave me hope.	2/19/2022 1:15 AM
41095	It made me feel like I was getting my normal life back	2/19/2022 1:15 AM
41096	given me hope that ppl are standing up for their freedoms and not rolling over for the draconian controls and insane overreach the govt is doing now.	2/19/2022 1:15 AM
41097	It has given me an overwhelming sense of pride to be Canadian	2/19/2022 1:15 AM

41100	I've felt a sense of hope and unison among Canadians. I'm proud.	2/19/2022 1:15 AM
41101	The truckers are the front line people who keep the economy going by delivering their goods from coast to coast. Their Convoy has not affect my life in any way I am grateful and happy that I have people like them fighting for my right to be free. The only thing that is affected my life is the way that Trudeau is acting and behaving he's pushing for more mandate more restrictions he wants everyone vaccinated. He is dividing this country and that is what is affecting me the most. And not a leader he's a dictator.	2/19/2022 1:15 AM
41102	Gave me hope.	2/19/2022 1:15 AM
41103	Initially it gave me great hope. Now it makes me sad the way the media and Trudeau have twisted the narrative. The resultant invoking of Emergencies Act has shown Trudeau is not fit to lead. Has brought to light insidious class discrimination.	2/19/2022 1:15 AM
41104	Massively positive	2/19/2022 1:14 AM
41105	Brings us happiness and hope	2/19/2022 1:14 AM
41106	It gave us lot of hope in restoring humanity, democracy and relations between the people, which were severely affected by our government.	2/19/2022 1:14 AM
41107	Best thing that has ever happened, create unity and hope	2/19/2022 1:14 AM
41108	Given hope from convoy, encouraged by their peaceful actions and integrity, saw the misinformation on mainstream media, saw government hypocrisy and refusal to talk with the convoy.	2/19/2022 1:14 AM
41109	Truckers are our hero's we support them them 100% thank you truckers for standing up for our freedom	2/19/2022 1:14 AM
41110	It has given me hope.	2/19/2022 1:14 AM

41112	given hope for the future.	2/19/2022 1:14 AM
41113	It hasn't. It has brought awareness that freedom to chose is being taking away.	2/19/2022 1:14 AM
41114	It has shown me that the people in Canada can stand up to the government. It's supposed to be what's the best for the people not what's the best for the liberal government	2/19/2022 1:14 AM
41115	Brought positive changes in my life and showed us that truck drivers are very important to all of us	2/19/2022 1:14 AM
41116	Given hope and brought unity back	2/19/2022 1:14 AM
41117	Giving hope	2/19/2022 1:14 AM

Canadians vote on Canadian Mandate - February 2022

41118	It has not inconvenienced me in any way but has given hope that this government nonsense can be ended!	2/19/2022 1:13 AM
41119	Made me feel proud about Canadians	2/19/2022 1:13 AM
41120	These beautiful, salt of the earth patriots have given hope and pride back to myself and those around me, we've felt so alone, felt like there were some but not many like us, that felt the way we did morally and emotionally about this whole situation. They have showed my circle and I think hundreds of thousands of Canadians that indeed we are not alone, that we stand together and no matter what, we the people have each other's back through this dark time.	2/19/2022 1:13 AM
41121	Made me realize how petty our prime minister and how insensitive he is to the Canadian people. All he needed to do was meet with the leaders of the convoy and hear their concerns. They requested dialogue and he ran away. He has failed as a leader and needs to be replaced.? I have NO CONFIDENCE in him or the Liberal Party. They have behaved terribly.	2/19/2022 1:13 AM
41122	It has made me happy to be Canadian for the first time in years. Renewed my faith in humanity.	2/19/2022 1:13 AM

41124	Given me hope in a very dark time.	2/19/2022 1:13 AM
41125	It has provided a focus and hope for the reinstatement of our Constitutional Rights and Freedoms. And, it has shown me that I am not alone in my objection to government mandates -- and that there is strength in numbers.	2/19/2022 1:13 AM
41126	Positive. Standing strong. Gives great hope.	2/19/2022 1:13 AM
41127	I feel proud to see people around the world following our lead and flying the Canadian flag to represent a call for freedom. My heart is bursting with such pride it brings tears to my eyes. I share as much as I can on social media because we need to counter the misrepresentation from the MSM.	2/19/2022 1:13 AM
41128	It's given us hope, it's been inspiring to see a country unite and demonstrate love and peace, its caused an outpouring of support across the nation and around the world. It's clear our govt is not interested in the people nor their well-being.	2/19/2022 1:13 AM
41129	Gave me hope to speak up and fight for my freedom to choose what I put in my body.	2/19/2022 1:13 AM
41130	It is the only thing that has given me hope in this country for almost two years	2/19/2022 1:12 AM
41131	Love love ♥ ♥ it so much!!!	2/19/2022 1:12 AM
41132	Giving me hope	2/19/2022 1:12 AM

41134	They have the right to protest but they are affecting all of us so please you made your point now keep on truckin'	2/19/2022 1:12 AM
41135	They give us hope! They give us love! They give us honesty, unity, and trust! I love them for what they are doing and what they stand for!	2/19/2022 1:12 AM
41136	Makes me feel proud of our citizens and proud of our country for leading the way for freedom	2/19/2022 1:12 AM
41137	It gave me great hope and I felt proud to be a Canadian again.	2/19/2022 1:12 AM
41138	It has given me hope for a future with protected rights for my children. It has shown how many are hurt by mandates and oppose them. It was the most hope I've felt in a year and a half.	2/19/2022 1:12 AM
41139	It hasn't other than it makes me proud to call them true Canadians.	2/19/2022 1:12 AM
41140	The convoy has given me hope and faith they remind me what it means to be brave , I pray for their win and thank them for their courage.	2/19/2022 1:12 AM

41145	It has given me hope for the future, for myself, for my family and friends, and for the many others who have been suffering. I have long wanted to go join the protests.	2/19/2022 1:12 AM
41146	Given me hope, made me proud to be a Canadian and united in fighting for our rights and freedom	2/19/2022 1:12 AM
41147	Watching them stand up for my rights has given me purpose and the feeling of freedom again. I no longer wear a mask at stores and support them wholeheartedly	2/19/2022 1:12 AM
41148	No	2/19/2022 1:11 AM
41149	They have given me hope. I am not an activist, I do not indulge in politics. I've voted twice in my life. The last time I voted was against liberals being our government again. I am not uneducated, I am not entitled or arrogant, I am a mother of a blended family that has worked hard to educate myself to acquire a career that I'm proud to be a part of. I have sat down and shut up my entire life. I've followed all the rules, the only thing I will not do is take a vaccine I don't trust, my fiancé and my children will not be either. All we've been able to do is go along with what's going on while defending our stance on our right to say no to having it. We don't need it. The trucking convoy is our sun rising in the east, this has been an activation of a voice I never knew I had. I will not sit down and shut up any more. They have sparked a flame in our family to stand up and use our voice and realized we don't need to defend our choices anymore, to anyone. There always should have been a choice and it's growing more and more clear how it has gotten this divided in our country.	2/19/2022 1:11 AM
41150	It is giving some hope. Can't believe how the CBC is sending out false news lying to Canadians. Lies coming from the PM are so disturbing.	2/19/2022 1:11 AM
41151	It has given me hope. I have felt hopeless for 2 plus years now.	2/19/2022 1:11 AM

41155	Brought unity and showed how corrupt our government is and MSN. Brought some hope for our freedom not WEF's version of it.	2/19/2022 1:11 AM
41156	It has been the only ray of hope I've felt since the word "covid" hit our mouths.	2/19/2022 1:11 AM
41157	It has given me hope for the 1st time in 2 yrs. I'm proud to be a Canadian again. It has helped friends and family understand that the issue is bigger than a virus...	2/19/2022 1:11 AM
41158	It made me realize I was not alone and that millions of Canadians wanted all mandates to end. We must end the Trudeau dictatorship and get our Freedom back. The media is complicit and corrupt and we all know it. Shame on Trudeau for arresting innocent people and freezing people's bank accounts. Thank you Truckers for giving me faith back in the Canadian people. We need to arrest the real traitors to Canada in Trudeau and Freeland who are puppets for the WEF. The Truckers confirmed that truth to me.	2/19/2022 1:11 AM
41159	the convoy has made me fear my government. The convoy has given me hope.	2/19/2022 1:11 AM
41160	Gave me hope, and some pride in my country again.	2/19/2022 1:11 AM
41161	Hope, pride, heartwarming, supported, fearful for them, grateful, more certain I'm not alone, overwhelming disgust with the liberal gov't	2/19/2022 1:11 AM
41162	Obnoxious bullshit.	2/19/2022 1:10 AM
41163	The convoy gave me hope that there really is a democracy in Canada and I can get my life back at least partially.	2/19/2022 1:10 AM
41164	It has given me encouragement, and boosted my faith in humanity.	2/19/2022 1:10 AM
41165	Hope for freedom	2/19/2022 1:10 AM
41166	Caused a positive effect of hope and encouragement against this tyranny. Also has deeply upset me by the actions Trudeau took towards peaceful protesters and hurting and arresting	2/19/2022 1:10 AM

41167	Brought hope! Refreshing to know I'm not alone!	2/19/2022 1:10 AM
41168	It has given me hope in Canadians and Canada in it's entirety. I thought Canadians were complacent compilers, but this Convoy has shown me that Canadians still have fortitude and grit, so it makes me proud to be Canadian once again. I am not leaving without a fight and I now see many Canadians feel the same way. I love the truckers for starting this and all the Freedom loving Canadians for keeping it going. as my nic name on most social media says CanadaRocksHard	2/19/2022 1:10 AM

41172	Given me hope that these crazy mandates will end.	2/19/2022 1:09 AM
41173	The trucking convoy gives me hope that this bs overdone and blown out of proportion might be over soon. They have made me proud to be Canadian again.	2/19/2022 1:09 AM
41174	Felt alive again	2/19/2022 1:09 AM
41175	I gives me hope for a better immediate future. Justin Trudeau being removed as Prime Minister would be the best outcome possible.	2/19/2022 1:09 AM

41177	Not much except not being able to get product that I need it have ordered	2/19/2022 1:09 AM
41178	Caused jump in inflation across the board due to product shortages. Increased interpersonal hostility. Curtailed freedom of movement. Underlined the truth that blockades are NOT protests: they're acts of war. Treat them so.	2/19/2022 1:09 AM

41188	Loved every second they were there for all of Canadians!!! I'm done with dictatorship	2/19/2022 1:08 AM
41189	Positively. I know there are citizens of Ottawa complaining but there are a lot who support it as well. Trudeau should have met with them. But he's an ego-maniac.	2/19/2022 1:08 AM
41190	It shows that we are tired of being told what to do, and that we stand united and want a change.	2/19/2022 1:08 AM

41198	Brought back the hope.	2/19/2022 1:07 AM
41199	Gave me hope that their were still many people that valued our constitutional rights and freedoms, even if our government doesn't. It brought together many people of all walks of life, giving us the confidence to oppose the government narrative in a unified and audible way.	2/19/2022 1:07 AM
41200	They are taking a stand for what is right thats what I want.	2/19/2022 1:07 AM
41201	Made me hopeful	2/19/2022 1:07 AM
41202	I am proud of how tge Truckers have stood up for our Rights and Freedoms. The convoy has not affected my life directly. But. It has impacted my feelings towards the Canadian Government. I feel strongly that our current system needs to be shutdown. It is time to create a governing system that is fully transparent and operates with the best interests of Canadians - not a corrupt corporation that serves the greedy. power hungry elites.	2/19/2022 1:07 AM
41203	Support and made me remember why canada is such a great country	2/19/2022 1:07 AM
41204	It has made me more proud to be Canadian than at any other point in my life! It has brought such hope and recognition that we have so many people standing beside us in like-minded thinking.	2/19/2022 1:07 AM
41205	Totally Support Truckers	2/19/2022 1:07 AM
41206	Gave me hope in Canada and our future.	2/19/2022 1:07 AM
41207	Brought hope to a dark and bleak politically driven fear campaign by giving a voice to those of us who just want to live a normal life again, without discrimination for anyone.	2/19/2022 1:06 AM
41208	Gives my hope that we can restore our freedom against these mandates	2/19/2022 1:06 AM
41209	I have never been this proud to be Canadian. FREEDOM!	2/19/2022 1:06 AM
41210	Hope for normal live	2/19/2022 1:06 AM
41211	It has brought me some joy and relief, hearing the voices of everyday Canadians who are sick and tired of being bullied and excluded by governments and society, pressured and punished for simply deciding for themselves what to put into their bodies. Because of the convoy, I and many people around the world have now learned more about the situation of Canadians in other provinces, and seen how embedded Justin Trudeau is within the vaccine, WEF, and Great Reset agenda. These past two years were never about improving public health, they were about driving forward a political and economic restructuring agenda.	2/19/2022 1:06 AM
41212	Gives me hope	2/19/2022 1:06 AM

41218	How do you consume items you but in a store? How do you think these items got the store? A trucker!! People sticking up for their freedom in a peaceful way only to be brutalized by JT and his goons shame on all of them.	2/19/2022 1:06 AM
41219	Gave me hope	2/19/2022 1:06 AM
41220	In the most positive sense for, giving back hope to Canadians, that we, as Canadians, have the right to invoke our freedoms in keeping with The Canadian Bill of Rights, as set out by our 13th Prime Minister, John George Diefenbaker. I am a Canadian, a free Canadian!	2/19/2022 1:05 AM

treated those who would like to make there own medical choices and maintain there privacy. The convoy has brought a unity and love between Canadians i have never seen before and has made me proud to be a canadian for the first time in a very long time. They are hero's. Champions of the people. They represent the voices of us all and they have my full support.

41222	It has helped me have hope because there are so many people united in the freedom for all.	2/19/2022 1:05 AM

41229	Surprised	2/19/2022 1:05 AM
41230	None	2/19/2022 1:05 AM
41231	It has brought hope! Seeing millions of Canadians united for freedom is a beautiful thing. I support them 100%	2/19/2022 1:05 AM
41232	I'm so incredibly proud of them for taking a stand. I support them 110%. If I wasn't so far along in my pregnancy I would be in Ottawa fighting for my freedom as well	2/19/2022 1:04 AM
41233	The convoy has given me hope. Hope for Canada, hope for my future and for my mother's well-being, hope for my children's future and hope for a free land for my future grandchildren. It has given me hope that I might be able to continue working and be able to provide financially for my family. Before the convoy, I wasn't sure how things would ever get better. I felt like I was disconnected. The mainstream media has lied and covered up the truth, but they have been paid off by the current gov't. Independent news was being censored. Politicians/doctors/scientists who wanted answers or the scientific data being relied on, or who wanted to discuss concerns, pros/cons, have open debates were shut down, censored, and smeared in attempts to silence them. The convoy gave me hope that through peaceful means we could show that love wins. We don't have to stoop to the level of deceit and hatred coming from some (like Justin Trudeau). The heavy-handed measures and cruel accusations he is making against one segment of society is really quite shocking. I never voted for him. He has been wishy-washy from the outset and appears to be more like an actor than an actual leader, but, as I am a law-abiding citizen, I respected him as my Prime Minister. However, after this disgusting, childish display of hatred by the Prime Minister towards anyone who dares question his tyrannical methods, I have no confidence in his ability (or his cabinet's ability) to lead this country anymore. He has made Canada look foolish. We used to be considered a highly democratic country and people fled to Canada for freedom, but that is no more. He is now trying to bring in the very communism that he so admires in China. The convoy protestors have been peaceful (as far as I have seen and heard), and this convoy has united Canadians from all walks of life. I don't need to feel disconnected. There are so, so many who share the same sentiments as the truckers. We all just want to live in peace with our God-given freedoms. So for him to overreact and bring in the Emergency Powers Act so that he can arrest peaceful people (who just wanted to talk to him, but who he refused to meet with), force tow truck drivers to tow vehicles (upon threat of fines or imprisonment), and is already freezing people's assets (ie, bank accounts and such) is highly disturbing!!! Who is going to stop him? It seems that the House of Commons and the Senate aren't even able to meet to discuss whether to approve or terminate this, as Trudeau is not cooperating with the discussion. His repeat talking points with smirks (and not even answering questions) and making hateful comments against anyone who tries to hold him accountable is childish, immature, and incredibly disturbing for a national leader to be doing. I wish him no harm (violence is never the answer), but I have no confidence in his leadership and he needs to be removed.	2/19/2022 1:04 AM

41240	It has made me very proud to be Canadian and am grateful to have people who still believe in us.	2/19/2022 1:04 AM
41241	For the first time since Trudeau has taken office, I feel proud to be Canadian again. We thought we were alone since we've endured such vicious attacks these last 2 years but now we have hope again because we know we are far from being alone. We have made new friends and I have felt the love and peace and unity in Ottawa from thousands of miles away. I have felt more godly love watching people of all faiths, creeds and colors serve one another with true love - something I haven't even witnessed in most church events I've attended.	2/19/2022 1:04 AM
41242	Given a glimmer of hope, and encouraging to see so many support it.	2/19/2022 1:04 AM
41243	It's shown us what an incompetent PM we have in Canada. Zero compassion or empathy shown to a group of people who are peacefully protesting and genuinely concerned about what our country has become over the last 2 years.	2/19/2022 1:04 AM
41244	Love seeing the togetherness	2/19/2022 1:03 AM

41248	Given hope.	2/19/2022 1:03 AM
41249	Was so excited to see so many Canadians feel like me.... I had felt so isolated previously. So happy to see the patriotism, the kindness and the good in people. When all those people came together to fight for our freedom, it gave us all hope..... at least for a little while. Now that Trudeau called the Emergency Act and crushed so many peaceful protesters hearts by using such unnecessary force. And all he was asked to do was listen.	2/19/2022 1:03 AM
41250	It has given me hope.	2/19/2022 1:03 AM

41252	Christ's name has been proclaimed.	2/19/2022 1:03 AM
41253	I am proud of the convoy standing up for our freedom Trudeau has no right to put the emergency measures in place Communism at its best like he wants	2/19/2022 1:03 AM
41254	Given me a surge of hope, even happiness that there are people who care enough for everyone that they will stand up and be courageous for right.	2/19/2022 1:03 AM
41255	It has given me hope the people won't put up with having our rights taken away	2/19/2022 1:02 AM
41256	Doesn't. But I hope they make a difference	2/19/2022 1:02 AM
41257	It brought hope. Then it worried me a bit. Then it revealed that Trudeau really could get worse. And now I hope they can hold the line for all of us.	2/19/2022 1:02 AM
41258	I am nervous because there is so much anger towards the convoy and with something so big there were bound to be some people with not great views or with other agendas... the media has painted them as evil villains, as terrorists even, but from what I have seen from regular people's footage who are there it has been peaceful up until the police began running people over with horses. I am afraid, but I am also relieved that the convoy happened. This country has become unrecognizable to me. It feels like it is becoming a totalitarian system and so many people just don't seem to notice or care. I hope it can stay peaceful. The world has felt some hope because of the convoy, that is good. But the division between people is even deeper now and it is a scary and tense time all around.	2/19/2022 1:02 AM

41262	Brought great joy, hope. Pride in being Canadian. Proud of how the common people of Canada have inspired the world to take back their personal power and freedom. Tremendously inspiring to every person who does not desire to live in a Totalitarian One World Government as a disposable slave guilty of consuming resources that belong to the elite of the World Economic Forum. The group which Canada's deputy prime minister and prime Minister are graduates of!! 41299	It's given me a voice, and a sense of belonging and community	2/19/2022 1:00 AM
41300	Showed that politicians feel that they control every one and every thing! They believe we are at there mercy! I will never feel safe or secure in my own country again!	2/19/2022 1:00 AM
41301	It has brought Hope, and Joy to my heart, and so many others who have had enough of faulty science, and no access to early medical treatment for covid, and cohesion by forced to take a vaccine that is extremely dangerous as now people are aware.	2/19/2022 12:59 AM
41302	Happy. Joyful. Prayed more. Hoping we could live and enjoy what God gave us to enjoy. Prayers to them (the Truckers) volunteers and citizens of a free country CANADA!	2/19/2022 12:59 AM

Ruler Supreme! Who hearest humble prayer, Hold Dom-in-ion, in thy loving care; Help us to find, Oh God, in thee, A lasting rich reward. As waiting for the Better Day, We ever stand on guard! 41312	I am happy they have given me hope that there is a light at the end of the tunnel. I love how they spread love and peace and so cheerful they treat everyone the same no matter what. I support them all the way they have made me see and realize all about this politics and tyranny and how horrible and disgusting this government is. I feel like there is hope and i look forward to seeing the truckers videos of the love and cheer and laughter daily and sending out positive vibes to all and i got to meet some new friends online.	2/19/2022 12:59 AM

41317	Not much	2/19/2022 12:58 AM

Canadians vote on Canadian Mandate – February 2022

41318	It's given me hope. It's opened my eyes to even deeper levels of corruption in our government. And it's helped to start bridge the gap and begin healing from the trauma and tension between people in my own life that these mandates and "health measures/orders" created.	2/19/2022 12:58 AM
41319	Gave me hope	2/19/2022 12:58 AM
41320	They are fighting for our rights as Canadians against the treasonous prime minister.	2/19/2022 12:58 AM

41325	Given me hope	2/19/2022 12:58 AM
41326	It has given me hope that with enough people standing together, maybe the Prime Minister will listen to the people and allow the country to return to the freedom they used to have.	2/19/2022 12:58 AM
41327	Gave me strength gave me hope to end the mandates	2/19/2022 12:58 AM
41328	Positively. It has brought hope	2/19/2022 12:58 AM
41329	It has given us an incredible amount of hope. A reason to be proud of this Country. Hope. We've loved joining the convoy at stops along the way. And our friends from our protests are there in Ottawa.	2/19/2022 12:58 AM
41330	Gave hope	2/19/2022 12:58 AM

41338	Improving	2/19/2022 12:57 AM
41339	After 2 years of enduring the restrictions of mandates and developing severe mental disabilities due to them, I lost all hope for a great life. The trucking convoy has given me reason to believe that there still may be a life worth living.	2/19/2022 12:57 AM
41340	Made me happy someone was sticking up for us.	2/19/2022 12:57 AM
41341	When the Freedom Convoy started their journey I cried with relief that I was not alone and gave me hope for the first time that my Country Might actually become a Free Nation again. It has made my heart soar with love and joy watching the many hours of live streaming in Ottawa and seeing the love taking place there. I am so proud of my fellow Canadians	2/19/2022 12:57 AM
41342	They are standing up for the right to choose. Why won't the government engage in a discussion with them?	2/19/2022 12:57 AM
41343	Given me hope that the madness of the Trudeau government will end	2/19/2022 12:56 AM
41344	I finally had hope for a better life because of them. I began feeling joy, and pride for Canada again that I thought was long gone. So many patriotic Canadians getting together to fight for freedom. Amazing! Canada needed a wake up call.	2/19/2022 12:56 AM
41345	I felt hope for the first time in two years. So grateful for them	2/19/2022 12:56 AM

Canadians vote on Canadian Mandate - February 2022

41348	none	2/19/2022 12:56 AM
41349	It hasn't, besides watching on the news and my mistrust of our current federal government growing by the hour	2/19/2022 12:56 AM
41350	Given me hope	2/19/2022 12:56 AM
41351	Wake up and thinking	2/19/2022 12:56 AM
41352	It has given me hope for change and a sense of pride in being Canadian. Watching footage every day since the convoy began has brought tears of joy and moved me beyond any words I can express.	2/19/2022 12:56 AM
41353	Made me hopeful	2/19/2022 12:56 AM
41354	Inspired me, given me hope.	2/19/2022 12:56 AM
41355	inspirational example of standing up to corrupt tyranny	2/19/2022 12:56 AM
41356	They have proven that love conquers all, and when we stand in unity, we are strong.	2/19/2022 12:56 AM
41357	The trucking convoy turned into something unnecessary, allowed foreign influence in and people with other agendas to original message overtook the convoy's purpose.	2/19/2022 12:56 AM
41358	Makes me feel less alone in my convictions, I feel more connected to fellow Canadians and less judged.	2/19/2022 12:56 AM
41359	Truckers are the hope for a new world with new values as love, truth and all other beautiful qualities that make us human.	2/19/2022 12:56 AM
41360	Given us hope and finally feel proud to be a Canadian again.	2/19/2022 12:56 AM
41361	It had given me hope at the begining of it but the fact that the PM won't listen or change anything due to his inflated ego and concern about his own wallet being padding I am back to having zero hope for Canada and all humanity.	2/19/2022 12:56 AM
41362	It is made me to be a proud Canadian again to see the people come together and love each other and show no problem with anything that we have been accused of by prime minister Trudeau. It is giving all Canadians hope to get our lives back being able to travel etc.	2/19/2022 12:56 AM
41363	I am so proud of Canadians from all walks of life coming together to support a common goal- they love each other and they love Canada. They are scared of the extreme government control and Trudeau moving to a one world order. The government system is corrupt at its core, as are the news media as are the police that have followed unlawful orders. This protest was nothing but peaceful and it sickens me to think of the extreme force used that was not needed. The Prime Minister did nothing to diffuse the situation- he only poured gas on the fire. He refused to listen to anyone except his own ideology. He is a disgrace and is ruining our beautiful country. I am proud of Canadians willing to take a peaceful stand against government tyranny.	2/19/2022 12:56 AM
41364	It's given me some hope. It's united many Canadians. It's revealed our Liberal governments especially our PM's socialist (one world order) agenda.	2/19/2022 12:56 AM
41365	Given me HOPE for MAJOR change in Ottawa...!!!	2/19/2022 12:56 AM
41366	It has not affected my life	2/19/2022 12:56 AM
41367	Making it better...	2/19/2022 12:56 AM
41368	Gave me hope, to be less fearful after 2 years of someone telling me that if I leave my house I will die. By the way I am a dental hygienist working in arosals and I am fine, but leaving my house to go to the store feared me... the media caused me to fear even though when I'm doing my job I felt completely fine. Thanks truckers for helping me be a little less fearful.	2/19/2022 12:55 AM
41369	It aloud me to have more thrust in the citizen's of Canada the way they showed love towards each other in their peaceful demonstration	2/19/2022 12:55 AM
41370	It gave me hope and joy and motivation to work for whats right. I felt proud to be a Canadian again.	2/19/2022 12:55 AM
41371	Brought hope and hope for the first time in 2 years. Created UNITY	2/19/2022 12:55 AM

41381	People coming together as a nation regardless of background	2/19/2022 12:54 AM
41382	In no way, they are fighting for our founds mental rights to liberty	2/19/2022 12:54 AM

41384	Gave me hope and a voice!	2/19/2022 12:54 AM
41385	Gave me hope	2/19/2022 12:54 AM
41386	Truckers took a stand for all Canadians and proud of them of what they achieved. Trudeau needs to be thrown out of government for good	2/19/2022 12:54 AM

41390	It's given me hope	2/19/2022 12:54 AM
41391	I'm all for this trucking convoy because they are fighting for all of our freedoms which are being taken away from our fascist dictator trudope. I have seen nothing but peace and unity from this convoy. The convoy gave me hope things would change and made me feel like a true Canadian again but seeing what trudope is doing I'm ashamed to be Canadian.	2/19/2022 12:53 AM
41392	They have made me proud to be a Canadian again.	2/19/2022 12:53 AM
41393	Gave me hope again. But after seeing footage from today, I no longer have hope. I am ashamed to be a Canadian. If I could leave Canada, I would. But because I don't have a vaccine passport, I'm stuck here.	2/19/2022 12:53 AM
41394	Na	2/19/2022 12:53 AM
41395	It is taking away from family and friends rights who live in the Ottawa core. They can't sleep due to the honking and shouting. They can't work because they can't access their jobs/businesses. It is setting a horrible example for children. It has gone WAY TOO FAR!!! And the whole point of it is lost now. Now its just pride holding you there, not principle	2/19/2022 12:53 AM
41396	I am glad to see others fighting against the government. I'm happy they are doing this.	2/19/2022 12:53 AM

41400	Inspiring, new Hope:)	2/19/2022 12:53 AM
41401	I fully support their cause and hope other Canadian groups will do something similar.	2/19/2022 12:53 AM
41402	It's united a country better then our government has ever been able to. Offered a light of hope at the end of a dark tunnel. God bless them all	2/19/2022 12:53 AM
41403	i have a little bit of hope now and i'm happy to know that i haven't been alone in knowing that	2/19/2022 12:52 AM

41404	Renewed my faith in Canadians	2/19/2022 12:52 AM
41405	Positive	2/19/2022 12:52 AM
41406	It's made me look at my country and leaders in a very different way with the way it's been handled and reported in mainstream news media... shame on them all someone had to stand up for freedom of speech and choice.	2/19/2022 12:52 AM
41407	It gave me hope that we might finally put an end to all the unsubstantiated measures and get back to some kind of normality.	2/19/2022 12:52 AM
41408	It hasn't	2/19/2022 12:52 AM

41411	They have given me hope. Something our government has not done	2/19/2022 12:52 AM
41412	It has been a true inspiration when I felt little hope left. I feel sadness for the ones who still can't see while at the same time a slice of envy	2/19/2022 12:52 AM
41413	Give us hope	2/19/2022 12:52 AM
41414	Brought me hope, seeing the thousands, and thousands, hundreds of thousands of Canadians rise up in a unified cry for freedom from coast to coast, on the roadsides, at every legislature....has touched my heart and life and made me a believer in this glorious country and its glorious constitution and its humble hard working people	2/19/2022 12:52 AM
41415	Its made me want to stick up for my rights even more.I am done living in a tyrannical state lead by a Prime Minister who has done everything in his power to spread hate,fear, division & segregation. I am done with it all.	2/19/2022 12:51 AM
41416	It gave me hope for the future and for something good to happen, for the first time in 2.5 years.	2/19/2022 12:51 AM

41421	It has given hope	2/19/2022 12:51 AM
41422	It showed the glimpse of freedom our country stands for	2/19/2022 12:51 AM
41423	It has inspired me...that a voice does make a difference...even if the original organizers have different motives for why..they took the stand , a stand that needed to be taken...regardless of there reasons.. it grew and it grew into something wonderful that has for the first time in 2 years gave me some hope that Canada as I know it isn't completely lost. The organizers may have planted the seed...but that seed grew from many different reasons..and the reason it grew as it did was because it was given love, joy and positive reinforcement	2/19/2022 12:51 AM
41424	Gave me hope	2/19/2022 12:51 AM
41425	Renewed hope	2/19/2022 12:51 AM

41433	It has restored my faith and love for my fellow Canadians. I now realize that my feelings of discontent towards my government are shared by millions of my country men. I believe one day communism will be defeated in the Americas!	2/19/2022 12:51 AM
41434	brought further awareness on the radical spectrum and divide of where people stand on being a part of a mass dangerous experiment on our personal health. we are not lab rats, we are human beings.	2/19/2022 12:51 AM

It's made me realize there are many many that feel the same. They keep saying to follow the science when it is clear that the vaccines are not stopping the spread at all.	2/19/2022 12:48 AM
41470	The truckers have given me hope that there are still people in Canada who believe in freedom, informed consent and human rights.	2/19/2022 12:48 AM
41471	Brought me hope, happy that they are fighting for all Canadians in the quest to stop this nonsense	2/19/2022 12:48 AM
41472	The convoy has given me hope in the saddest years of my life. It has also made me sad to see these people under such stress and being so positive. Attacked and threatened by their own human brothers and sisters. Worried for their lives and futures for you and me. It has made me weep and I am a grown man of 48 years of age. To watch on the internet people trampled by police officers on horseback with no regard for these human beings, acting like knights of yesteryor who hold themselves above the peasants they trample with their horses then only to be swarmed and run over by officers on foot. I have three copies of video from three vantage points and much more to see how these human beings have been treated and the way the government and police have behaved. I have watched with thousands of others live footage of such disgraces and more. I have watched Parliament like never before and now see the transparency of the poor quality, arrogance reeking behaviours of our elected officials and leaders. My faith in my government is shattered and my fear for the future and my 3 year old daughter is troublesome. The stress I feel is real. The live stream videos up on my multiple screens are better than being there to see the truth. I have been at multiple places at a time thanks to technology and now only fear the laws to follow regarding filming in public. I love the Trucking Convoy for standing for freedom for all who don't have the wherewithal to be there in Ottawa and it is a shame that they didn't just give them an area to use, or did they. The manipulation is obvious, we have a transparent government. They should have polled the country as you are. The sad part is that we will never know if there was another way. This is what it took to put Canada ahead of the world with peaceful protest and to show the world that we will run over our citizens with horses, fear, false threats, unbelievable overreaching of powers, physical abuse of citizens. Trust that I could go on and thank you for getting this far. People have worked for their careers and my Dr. friends and others in the industry whom I know are really appreciating the support of this demonstration. When the destroy the truckers lives who are standing up for informed consent without losing your job, then come for the Dr's who stand up for informed consent without losing your job, they've forced all Federal employees and how many others. When nobody's left, then who's gonna fight for you. The convoy has given me hope in the saddest years of my life. I did hear from friends I haven't heard from. They live in Germany. They are afraid for us. So am I. I love the convoy for showing the world what is happening in our country and maybe theirs.	2/19/2022 12:48 AM
41473	Positively	2/19/2022 12:48 AM
41474	It finally gave me faith that I was not the only one who felt that our governments were pulling the wool over our eyes. I thot - better late than never. I believe it pulled some heads out of the sand. Hopefully a lot of Ontarians - vote for anyone besides that man. Wake up! Also, my truck was in the shop for a month longer than if the truckers weren't standing up for our rights. Good cause if you ask me!	2/19/2022 12:48 AM

41487	It's been so good to see Canadians stand up to the tyranny and appallingly unjustified policy decisions at all levels. Enough segregation. They've fully exposed Trudeau's egotism, immaturity, and ineptitude as he grasps at ad hominem attacks to avoid confronting legitimate questions about his ridiculous, draconian policies.	2/19/2022 12:47 AM
41488	Gave me hope and made me proud to be a Canadian again.	2/19/2022 12:47 AM

powers and have enticed the media to carry their narrative through gifting them hundreds of millions of OUR tax dollars. The media is constantly not reporting the truth to the public and that also is a cowardly and criminal act against humanity and especially Canadians. When they find out the truth there will be hell to pay!

41506	I have never had so much hope in my life not just for the the end of government over reach that we have had in the recent year but for a true path forward to better. Iv never in my life seen so much unity so much love and positivity and so little division. I have realized something, discrimination or racism, it does not come from people because they are bad people, it comes from the top, from divisive governing, poor leadership and media who thrives of negativity violence and division. If I could have one hope it would be to restore our freedoms, end all government over reach and violation and it would be to keep the unity and love that this movement has brought. Oh and I would like to see a lightbulb lie detector mounted to every politicians and broadcasters heads that glows for every one but them to see every time they lie.	2/19/2022 12:45 AM

41513	We are praying and hoping for God's grace and mercy to give us our freedom back, through the truckers standing up for our freedom. Thank you for what you are doing!	2/19/2022 12:45 AM
41514	They have brought new hope to Canada. They are true heros.	2/19/2022 12:45 AM
41515	It restored my hope for humanity and made me proud of my country again. Now I'm fearful again, seeing dirty cops on horseback mowing down old ladies with walkers who only wanted her questions answered, like the rest of us. I have no trust in government at any level, the judicial system or law enforcement and hope Nuremburg-like trials take place before they kill us all. They declared war on us! They can take away everything we own, put us behind bars and even kill us now - and they made sure we all knew, there's NO talking to them about this.	2/19/2022 12:45 AM
41516	It was the most proud moment To see the people stand up for freedom 😊😊😊♥♥♥♥♥♥♥♥♥♥♥♥♥♥	2/19/2022 12:44 AM

41519	The Trucking Convoy has given me hope for the first time in years. The Freedom Truckers Convoy has given me joy, peace, comfort, a feeling of safety and restored my faith in human nature. I feel heard, seen and understood, I feel a sense of support and unity and a feeling of belonging. For the first time in my life I am extremely proud to say I'm a Canadian. 41524	It has brought me great hope to know that so many other Canadians feel like I do and this craziness with all the mandates needs to end!!!	2/19/2022 12:44 AM

41531	Restored faith in humanity!!! Even though MSM is clearly spreading lies and huge misconceptions, when watching pure live feeds it is obvious that there is love and peace and unity there & the stories directly from the police that have been interviewed by true journalism shows the real honor many if they have. This is the true unity of Canada and if journalism would do their job and report unedited and neutral news the rest of the nation would join the convoy. Already the movement is worldwide and this is going to be historical.	2/19/2022 12:43 AM

41567	It got me going back out to the demonstrations on Saturdays which made me happy to see so many happy owing people in one place. I feel a sense of purpose and pride with the work that the Truckers are doing to open people's eyes to our lack of freedom and the erosion of more freedom daily. I feel that God help us if we have to get a digital ID. I pray for the Truckers and their safety Thanks for this great survey. I shall forward it.	2/19/2022 12:40 AM

41578	Restored my faith in humanity. Brought people together.	2/19/2022 12:40 AM
41579	It has restored hope for humanity within me and my husband, it is exposing a very painful divide, I am watching Canadians wake up to the depth of corruption, greed, manipulation, lies, control that these systemic structures are designed to create. I'm also watching the pain of that express in people I love deeply. This convoy has moved me into actions to serve humanity to help them through this. I am inspired by the force of love and unity that is moving through these everyday humans not just here in Canada but worldwide. Tyranny can be taken down by this force of love.	2/19/2022 12:40 AM

41582	It has made me so so hopeful and then so sad to see 80+ veterans thrown to the ground by the police.....it's terrifying to have our Prime minister actually ordering this treatment! Sooo scary and entirely horrifying. So proud of the freedom protesters for staying peaceful even when faced with the kind of treatment that the police handed out. Just shameful! Shame on	2/19/2022 12:39 AM

41602	Not at all	2/19/2022 12:38 AM
41603	Yes. They make me embarrassed to be Canadian and have alienated my from the Canadian and Métis flags which I used to love.	2/19/2022 12:37 AM
41604	Showed its not a fringe minority but the whole country can actually unite rather then divide as they wished for.	2/19/2022 12:37 AM
41605	The trucking convoy brought people together, it brought hope. But yet the government called them names and told lies about what was going on. Sure there is always going to be a bad apple in the bunch but that's manageable. Do I agree with everything the trucker convoy did? No but they set out to make a statement and a statement they did. Justin Trudeau aka blackface needs to leave!	2/19/2022 12:37 AM

41623	Brought hope for a better canada	2/19/2022 12:36 AM
41624	Shows strength to stand up for Tyranny	2/19/2022 12:36 AM
41625	It has unified Canada against tyranny	2/19/2022 12:36 AM
41626	Bring food and supplies needed	2/19/2022 12:36 AM
41627	still no,life in canada	2/19/2022 12:36 AM
41628	It's given me hope again. It's made me proud to be a Canadian, to see people coming together instead of being torn apart by a medical decision that should be entirely CONFIDENTIAL and not something people are COERCED into doing.	2/19/2022 12:36 AM
41629	Gave me hope, proud to be Canadian and a part of trying to fix the government	2/19/2022 12:36 AM
41630	No	2/19/2022 12:36 AM
41631	It gives me hope that things will go back to normal	2/19/2022 12:36 AM
41632	Amazingly	2/19/2022 12:36 AM
41633	I was initially unsupportive of the convoy as most, if not all, protests in recent memory denigrate into violence and destruction that do nothing to further the cause that brought it about. It has remained peaceful, brought people out of a dark hopelessness and has brought to light the many shortcomings of our current government.	2/19/2022 12:36 AM
41634	It's given me hope. It's been two years since I have seen people smiling with hope. I joined a convoy on Vancouver Island and all protestors were happy, emotional and supportive of eachother. Happy. Those apposed used more anger. I chose happy	2/19/2022 12:36 AM
41635	It is a visual that I am not alone, that there is hope and love, they being positivity and are a light in this situation created by our abusive govt. I love the truckers and bless them for their courage and keeping the spirit of Canada lit!	2/19/2022 12:36 AM
41636	Gave me a sense of hope, freedom and JOY! Seeing so many people support the truckers, seeing the range of demographics of those who come to show their solidarity and support. They will be those who we celebrate, freedom and truckers are one in the same. They are courageous, they are Canadian and they stand for ALL of our rights and freedoms. The fact that they are being smeared by main stream media (which is pathetic one-sided "source" of	2/19/2022 12:36 AM

41637	Given me hope	2/19/2022 12:35 AM
41638	I was so proud of them.they stand up for freedom	2/19/2022 12:35 AM
41639	Hasn't	2/19/2022 12:35 AM
41640	The trucking convoy has created family division. The convoy has adopted the same tactics they are fighting against. While i support what they are fighting for, their method and tact take away from their cause.	2/19/2022 12:35 AM
41641	Gave us hope that we can be free and have normal and fulfilling life again	2/19/2022 12:35 AM
41642	I thank God for the stand they took for all of us. We took them for granted they are the ones who deliver the food and goods we need to survive and they understood the meaning of freedom loud and clear in a peaceful protest.	2/19/2022 12:35 AM
41643	It's hopefully how it will affect it	2/19/2022 12:35 AM
41644	Absolutely fantastic knowing there are people out their fighting gif our rights	2/19/2022 12:35 AM

41646	It's the only thing in two years that has given me a sense of hope - those guys are heroes and history will So reflect	2/19/2022 12:35 AM
41647	It has given us hope in Canadian citizens to take our country back and reinstate it to a country of democracy.	2/19/2022 12:35 AM
41648	It has given me hope. It has pulled our country together in unity only to highlight the absolute corruption of our government.	2/19/2022 12:35 AM
41649	Given renewed hope and a sensation of unity. Proud of those fighting to be free again	2/19/2022 12:35 AM
41650	Made me proud of other like minded Canadians	2/19/2022 12:35 AM
41651	I have appreciated that they are standing up for our rights and freedoms	2/19/2022 12:35 AM
41652	Made me loose all faith in our government	2/19/2022 12:34 AM
41653	It has prevented goods from being delivered and caused extra stress for ppl during an already stressful time. It's also become highly politicized.	2/19/2022 12:34 AM
41654	It has restored my faith in humanity.	2/19/2022 12:34 AM
41655	It has given us hope that there are good Canadians who will continue to fight for freedoms against the tyrannical government.	2/19/2022 12:34 AM
41656	Standing up for what is right.	2/19/2022 12:34 AM
41657	Positive energy all around.	2/19/2022 12:34 AM
41658	It's been a great encouragement to know there are others out there that feel like me. We want our freedom back.	2/19/2022 12:34 AM
41659	Gave me hope	2/19/2022 12:34 AM
41660	It has given me hope and a wonderful bond with Canadians that supported it. Going to OTTawa was the highlight of my life ...so much love, hugs, special foods, music and laughter.	2/19/2022 12:34 AM
41661	It has renewed my patriotism and my belief in my fellow Canadians. It has also showed Canadians what our PMs true colors are. Red.	2/19/2022 12:34 AM
41662	Made me hopeful, and realize there are way more out thawed that agree with me	2/19/2022 12:34 AM
41663	So proud	2/19/2022 12:34 AM
41664	It has shown me how so many can gather near and far to support one another. To hold the line. To stand strong in our convictions for freedom because that is what is true and right and honourable. The "fringe minority" is not really a minority at all.	2/19/2022 12:34 AM

41674	Made me feel proud to be a Canadian again	2/19/2022 12:33 AM
41675	So sad it had to come to the people creating the truckers convoy! But it gave us Gave us hope, that they may listen to the people, why did our loved one die in the wars? So we didn't have to live like this!!!! The truckers convoy showed us we're not alone, allowed the people to see what's really going on, why isn't the Prime Minister vaccinated? I'm proud of the people who stood up for us! Still it should never have come to this, our prime minister needs to step down	2/19/2022 12:33 AM
41676	It has given me hope	2/19/2022 12:33 AM
41677	My in laws are very for it and my family isn't. It has caused division tension and a ton of wasted time trying to figure out where the truth is.	2/19/2022 12:33 AM

41687	It has encouraged me and gives me hope	2/19/2022 12:33 AM
41688	Made me see how the government and media are truly bad actors. Using control to push their social and elitist agenda. Convoy gave me hope that other people are also fed up.	2/19/2022 12:33 AM
41689	Given me hope for change!	2/19/2022 12:33 AM

41698	No it has not	2/19/2022 12:32 AM
41699	Has given me conflicting views but I do love that people unite for the greater cause to stop a govt that likes to overstep their role and boundaries. Especially for a "virus" that has not been isolated and has a 99.7% survival rate	2/19/2022 12:32 AM
41700	Greatly. It has given me hope when I thought I was totally alone.	2/19/2022 12:32 AM
41701	It has given me hope for a free and unified Canada, it has revealed multiple character deficiencies in our nation leaders (the PM and his cabinet) as well as revealing the absolute disgraceful reporting and biases of the main stream, government funded media outlets. I am incredibly thankful to every trucker and Canadian who has bravely stood up to reclaim our freedoms and heal our divided country.	2/19/2022 12:32 AM
41702	Giving my family hope.	2/19/2022 12:32 AM
41703	Gave me hope!!	2/19/2022 12:32 AM

41714	It has instilled hope for the first time in 2 years	2/19/2022 12:31 AM
41715	I have held a class 1 drivers license, since 1998, and currently hold every safety ticket out there, for everything! I will join them, if this pushes into war! We will stand up for our freedom! These are my brothers and sisters, all across Canada, under 1 flag, and that flag will fly high, after Justin Trudeau is removed, and the liberals face one more election!!! We have come together! We are NOT THE FRINGE MINORITY!	2/19/2022 12:31 AM
41716	gave me a sense of hope again something that I haven't had in 2 years. these bs mandates need to end	2/19/2022 12:31 AM
41717	Given me hope	2/19/2022 12:31 AM
41718	The trucking convoy has made me feel that I'm not alone and that there are other people out there just like me that just want to work hard and enjoy life and not be trapped under the governments thumb all the time.	2/19/2022 12:31 AM
41719	I support them fully	2/19/2022 12:31 AM
41720	The truckers intentions were in line with my own, and I was thrilled to see someone finally stand up to our despot, PM. Then, I saw our Prime Minister too arrogant to meet with lowly working class, then pretend to be ill and go into hiding. He treated these people with disdain and disrespect, who were rightfully asking for our Constitutional rights to be restored. I now see that he has destroyed my country. I will thank the Truckers for forcing the issue. They were peaceful and respectful.	2/19/2022 12:31 AM
41721	Encourages me to stand up and be counted	2/19/2022 12:31 AM

events of today with Trudeau's actions. My only hope is that world can all see how wrong his intentions are and that change will come soon.

41724	It has shown that we need to stick up for ourselves	2/19/2022 12:31 AM
41725	Very encouraged by the number of people that are standing up for all Canadian freedoms	2/19/2022 12:31 AM
41726	Started to get the ball rolling on ending the mandates!! Awesome thing	2/19/2022 12:31 AM
41727	Again there has just been an increase in disrespectful and verbally abusive people taking it out on those trying to do what's right and follow the rules.	2/19/2022 12:30 AM
41728	HOPE,FAITH,LOVE,STRENGTH,PEACE, RESPECT, HOPE, KINDNESS THE TRUCKERS CONVOY GAVE US ALL HOPE STOOD UP FOR EVERY SINGLE LITTLE GIRL AND BOY AND EVERY SINGLE MAN AND WOMAN, CHOICE IS FREEDOM AND CHOOSE FREEDOM, THEY'RE FREEDOM FIGHTER'S FOR GOD AND FOR EVERYONE TRUE HEROES THEY'RE BEACONS OF LIGHT IN THE DARKNESS. 41732	Not at all	2/19/2022 12:30 AM
41733	It has proven to me the mass hypocrisy present within our political leadership and media establishments, and how our current government will go to any length to vilify any opinions in which they don't agree with.	2/19/2022 12:30 AM
41734	Given hope and inspiration, feeling not alone	2/19/2022 12:30 AM
41735	It woke me up to how other Canadians feel, The PM even took their right to protest away by use of force!! This is very wrong and I do NOT agree with his actions at all...	2/19/2022 12:30 AM
41736	I support and approve of the right to demonstrate, and protest in general. I think everyone is burnt out after the pandemic years and that the protest has gone on long enough. Mandates are already lifting basses on Omicron's curve.	2/19/2022 12:30 AM
41737	Cost us \$ and time with border blocked - interfered with our business In addition- embarrassed by behaviour of convoy participants particularly when dealing with US coworkers This is not how we settle things in Canada	2/19/2022 12:29 AM
41738	Giving hope, a voice, a stand	2/19/2022 12:29 AM
41739	Proud and honored	2/19/2022 12:29 AM
41740	It has proven to me that there are more Canadians willing to stand up for their rights and that there is a complete disregard for us citizens by the government	2/19/2022 12:29 AM
41741	Very inspiring and proud moments	2/19/2022 12:29 AM
41742	Pissed me off. I'm glad they're being arrested. Fuck those guys.	2/19/2022 12:29 AM
41743	Brought me joy so happy	2/19/2022 12:29 AM
41744	It has given me a renewed hope for the future knowing that I'm not alone and that many other people feel the same and want the same...our freedom and our lives back. It has also brought to light how manipulated the general public is by mainstream media. I have zero trust in government or media	2/19/2022 12:29 AM
41745	Great leadership of standing up to tyranny	2/19/2022 12:29 AM
41746	Positive. We all deserve freedom. I support them	2/19/2022 12:28 AM
41747	Gave me hope.	2/19/2022 12:28 AM
41748	I am hopeful that we will see good come out of it on a governmental level, but it has already shown Canadians that we can be in this together, we can make noise and we deserve to be	2/19/2022 12:28 AM

41770	I am proud we are patriots trying to let our voice be heard.	2/19/2022 12:27 AM
41771	The truck convoy is the only thing fighting for our rights and trying to help our lives get back to normal. 100% the only good thing going on in Canada right now	2/19/2022 12:27 AM
41772	Gives me a sense of pride that they are fighting for freedom for our country and children. Nothing can be has damaging as what the government and media has done to this country, such hypocrisy on their part	2/19/2022 12:27 AM

41784	It has brought a great amount of feelings of love, gratitude and unity	2/19/2022 12:27 AM
41785	No	2/19/2022 12:27 AM
41786	I'm proud of my fellow Canadian truckers, who have taken a stand against a stubborn irrational PM - supported by many of his party members, although thankfully not all. His abusive reaction in both words and actions, toward the working class, only highlights the need for what the truckers have been doing. I would like to see him thrown out of Parliament if that could be possible, with 900,000 emails from Canadian citizens by Monday, February 20th.	2/19/2022 12:27 AM
41787	Made me angry. Enough already go home	2/19/2022 12:26 AM
41788	They have given my family hope. Hope that Canada can be restored and united once again.	2/19/2022 12:26 AM
41789	It has given me hope for a country like we had in 2019 .	2/19/2022 12:26 AM
41790	It gave me hope for a better life for the first time in 2 years!	2/19/2022 12:26 AM
41791	It revived my hope for a better day, a hope for my sons future. To see love so feely given is everything to me. To no longer feel alone or wrong for questioning the actions of our politicians. It has also broken my heart to see how drastically the Canada I have grown up in become a place where those meant to help us are hurting us and yet again overreaching the powers to hold onto control.	2/19/2022 12:26 AM
41792	It has not directly effected it as of now	2/19/2022 12:26 AM
41793	Given me hope for things to get better	2/19/2022 12:26 AM
41794	It has made me a true patriot for Canada, I have never felt more pride for the people in my country	2/19/2022 12:26 AM
41795	It has caused stress and made me realize how many uneducated sad people there are. Why the fuck are they flying American flags? Fucking idiots.	2/19/2022 12:26 AM
41796	I have disagreed with the blocking of the borders. However, our prime ministers rhetoric and actions have shown an utter disregard for the parliamentary system and the House of Commons. He is a disgrace to that office. My confidence in the political system of Canada has been shattered by that one man and his party.	2/19/2022 12:26 AM
41797	It hasn't, the convoy i have seen has been very kind, pleasant	2/19/2022 12:26 AM

41908	It hasn't.	2/19/2022 12:21 AM
41909	It has brought me hope. I have felt proud of the Canadians involved, I've felt more connected to parts of Canada I was told to hate previously. I am so proud of them for being so peaceful despite all the hate speech from the PM and the police/politicians trying to incite violence. It has also made me intensely sad as it has exposed the intense power grab of politicians, the lies and corruption in the media, censorship, police brutality, and made me question if the entire Canadian democracy was just a smoke screen for a dictator. I'm embarrassed I voted for Trudeau in the first election and I wish I could apologize to every Canadian for such a terrible action on my part.	2/19/2022 12:21 AM
41910	Hope, joy, see an end to this madness	2/19/2022 12:21 AM

41919	Gave me hope ♥	2/19/2022 12:21 AM
41920	It hasn't affected anything in my life just like Covid hasn't either.	2/19/2022 12:21 AM
41921	It gave me hope for the first time in 2 years that we can save our country and that we were not alone in seeing that the mandate agenda actually has nothing to do with a virus that has a 99.7% survival rate, on par with the flu. We have been researching since a couple of months into the 'pandemic' and we have seen that nothing adds up. The 'vaccines' are extremely dangerous. The FDA even went to court to try to hide the Pfizer trial data for 75 years. The first release shows that 1223 people died and more than 40,000 were injured in the first 90 days of the roll-out. All the leaders of the countries that are in lockstep with the vaccine mandates & passports are all on video using the World Economic Forum's Great Reset slogan: 'Build Back Better.' According to the WEF's website, we will all own nothing by 2030...the repeated use of lockdowns and mandates is clearly the route to getting us there. So many people have lost their businesses and jobs during two years of this. The truckers understand what is going on, sadly too many people in our country are totally clueless.	2/19/2022 12:21 AM
41922	Given me hope that if we make ourselves heard we can effect change. This tyranny must stop and being compliant hasn't worked.	2/19/2022 12:21 AM
41923	It has terrified and terrorized me and my family. This is the least free I have ever felt in Canada	2/19/2022 12:21 AM
41924	It has. Provincial mandates have started to be lifted since the convoy has began. A good start to lifting all mandates.	2/19/2022 12:21 AM
41925	Not in the least. Other then to give me a lot of hope	2/19/2022 12:21 AM
41926	Bright light that there was others who felt the same about the "Covid crisis" and the BS going with it and taking our lives down the drain and so many lives lost to suicide and even family homicide and then suicide because of the loss of incomes.	2/19/2022 12:20 AM
41927	Felt hope for the first time in 5 years. Loved seeing the country unifying for the first time in forever!	2/19/2022 12:20 AM

41929	Not at all	2/19/2022 12:20 AM
41930	It has given me hope and made me feel better about being Canadian, because for a while I was ashamed to be Canadian. The truckers have brought people together in our country and across the world. This makez me proud. How peaceful they are despite the violence they were shown today by our police. The truckers are a sign if strength, love and unity.	2/19/2022 12:20 AM
41931	Has given me hope that the way we are dealing with the pandemic will change with new evidence especially regarding the effectiveness of the vaccine and to remove discrimination and different rules for vaccinated and unvaccinated	2/19/2022 12:20 AM
41932	It gave me hope for Canada.	2/19/2022 12:20 AM
41933	It has brought Hope back!! I can almost believe in a better tomorrow because of they're brave stand against the federal government's insanity!	2/19/2022 12:20 AM
41934	So much love and support and care no disrespectful or hateful behaviour and they have gave us all hope	2/19/2022 12:20 AM
41935	It hasn't	2/19/2022 12:20 AM
41936	Negatively, as I've seen family and friends receive death threats, and constant harassment for the better part of a month because people are too cowardly to wear a mask and get vaccinated.	2/19/2022 12:20 AM
41937	Gave me hope	2/19/2022 12:20 AM
41938	Its given me hope	2/19/2022 12:20 AM
41939	I've never felt more proud to be Canadian I stand with them all the way. and I find it shameful that the pm treated them with contempt and will not even hear them out. I haven't been shaking angry like this ever before but I have to remember that God put this leadership over us for our benefit even if we don't understand why right now. I love Canada and I want my children to grow up in this free country that I have taken for granted all these years. So we have to stand up against tyranny and evil.	2/19/2022 12:20 AM
41940	Hadn't directly affected my life until Mr. Trudeau invoked The Emergency Measures Act. Now it's the elite pro socialism class against the people....	2/19/2022 12:20 AM

41942	It has given me hope for my future	2/19/2022 12:20 AM
41943	If it was only truckers who wanted to protest to stop the mandate I would be fine with it but when others join in just for the party and to publicly se their own agenda (like white supremacy) I say make it stop	2/19/2022 12:20 AM
41944	They gave me hope.	2/19/2022 12:19 AM

41965	It has instilled my hope in humanity and the core values of our country. It has made me feel not alone, and provided me with a sense of unity, love and respect.	2/19/2022 12:19 AM
41966	I see this as the final straw. What choice did these people have? They have worked tirelessly throughout the pandemic transporting and delivering the goods citizens needed to survive. Why the mandate now? Prime Minister Trudeau could have chosen to speak with the convoy leaders - to listen and be compromise. This could have been shut down weeks ago!	2/19/2022 12:18 AM
41967	Hope.	2/19/2022 12:18 AM
41968	Has made me proud to be Canadian and not have a DICTATOR tell or force the people to inject something I their body	2/19/2022 12:18 AM

41971	It gave me hope.	2/19/2022 12:18 AM
41972	While I can see there is mixed feelings about some of the original organizers' personal stances on other hot button subjects, I've verified how the protestors cleaned up the memorials and shoveled and fed people and kicked the infiltrates with confederate and nazi flags out of the downtown core and disowned them. They are just a vast spectrum of ordinary hardworking people from all different backgrounds. Some may be angrier about other things than some might be but they sure as hell haven't burned anything down, religious affiliation of any kind or otherwise. They may have started it specifically about mandates but they gave voice to the millions of Canadians who've cheered on and supported who are absolutely fed up with this sham of a democracy and the mandates just became the catalyst to ensure deep and permanent renovations of the system and leadership accountability becomes mandated instead. So even though it's dramatic and intense, I live in the capitol of bc and expect to be routinely in a traffic jam for all kinds of reasons not least of which are tons of varying subject matter protests, constant construction and holiday celebrations. It's part of the citizenry experience you choose when you choose to live in a capitol city. If you don't like it and want to remain disengaged and let everyone's rights be taken away while you stay safe in your million dollar condo while the rest of us starve then I suggest trading shoes with some folks or hanging out in China for a while to see what you are spitting on in the name of inconvenience. The whole country's businesses have been arbitrarily shut down for 2 years but suddenly a few streets of Ottawa businesses join the pack for a temporary period (while gyms and other health enduring endeavors remain permanently closed and go out of business) and it's worth the emergencies sct?!?!?! Hypocrisy in its highest form. SO fed up with "good woke allies" who say the right words and systemically fuck everyone under them over. Truckers might be rough but at least you get what you get without the grease paint of these clowns.	2/19/2022 12:18 AM

41976	We were lied to and told there wasn't many people on our side. All lies. Feels great, the comradery.	2/19/2022 12:18 AM

41978	Gives hope	2/19/2022 12:18 AM
41979	The convoy had given me hope that we can return to somewhat normal. Canadian society will be fractured for a long time but this convoy was a step in the right direction. Protests have been happening for the last two years with little traction. The Ottawa convoy was a very visual representation of the Canadian support against mandates. It has been a dark year for me as the government encouraged Canadians to discriminate against people like me. It's been very sad and difficult finding out how even family members see me as disposable. And I have very strong bond with my family, so how they have treated me is very out of character. The convoy is getting things done, some provincial mandates have been lifted. I hope that federal mandates are lifted too.	2/19/2022 12:18 AM

42037	It is wonderful to see people coming together in unity and love who want to end the mandates and see their freedoms restored. There's a chance we can make Canada back into the proud respected democratic country it used to be, before JT. Very happy so many people are peacefully protesting the tyranny/communistic bullshit we've been fed for 2years. Without the convoy, I had doubts and stress that restrictions would not have been discussed or lifted. I'm cautiously optimistic about life now.	2/19/2022 12:12 AM

42160	For the better gives a person at least a bit of hope ♥	2/19/2022 12:10 AM
42161	It had given me hope! I didn't realize how trodden upon I was feeling until they started in their journey and my spirits lifted immensely. I felt more joy and hope than I have in 2 years. It was wonderful and I'll always be grateful.	2/19/2022 12:10 AM
42162	by showing me how much of a douche bag our prime minister is and how blatantly the media lies about things	2/19/2022 12:10 AM
42163	It has made me incredibly patriotic! I love my country but despise our government! The convoy has not only brought Canadians together but has inspired the entire world to step up and hold the line! I have cried so many tears of pride since this convoy started!	2/19/2022 12:10 AM
42164	It brought the people together. I felt hope, I felt unity. I watched the liberals expose their true agenda. Power drunk tyrants.	2/19/2022 12:10 AM
42165	The truckers had done an awesome job for two years until our tyrannical government decided they were no longer needed and wanted to put communistic rule into effect, After two plus years they were still all here so what is going on with these rules that are being proven to be false by proper science.	2/19/2022 12:10 AM
42166	Gave some hope	2/19/2022 12:10 AM
42167	It has brought HOPE for FREEDOM AND CHOICE. The convoys have given the world a glimpse of a positive future for our children.	2/19/2022 12:10 AM
42168	Gives me hope as a Canadian. Freedom of choice is needed	2/19/2022 12:10 AM
42169	It has brought so much joy and hope, for the first times in almost 2 years I didn't feel alone and I didnt even go to Ottawa! It made me remember why we are put on this earth for love and community	2/19/2022 12:10 AM

42172	I am afraid of te future	2/19/2022 12:09 AM
42173	It has given me hope and happiness, been there at several times to give support and food. They represent what Canada and most Canadians stand for, Unity Love and compassion ♥	2/19/2022 12:09 AM
42174	Want freedom	2/19/2022 12:09 AM
42175	It has given me the hope that there are still a large amount of likeminded individuals that see through all that is going on and are willing to go above and beyond to try and prevail for the rest of the country and hopefully get a future back for our children.	2/19/2022 12:09 AM
42176	None I work at a family owned and operated grocery/liquor/hardware store. Supplies are still coming. Most of the problems come from the factories not producing enough due to employee shortages... Not enough workers!	2/19/2022 12:09 AM
42177	Swelled my heart with pride that finally people are standing up to government overreach.	2/19/2022 12:09 AM

42185	Given me hope!!!	2/19/2022 12:09 AM
42186	Not	2/19/2022 12:09 AM
42187	It has made me question what we have been accpetin as truth from mainstream media. I have family and friends who have visited the protest and the reports on main stream media is so opposite to what they reported.	2/19/2022 12:09 AM
42188	It makes me proud to be a Canadian they are fighting for our freedoms! I	2/19/2022 12:09 AM
42189	Gave me hope. It affected my life positively.	2/19/2022 12:09 AM
42190	Gives me hope for getting our freedom back.	2/19/2022 12:09 AM
42191	I have been consumed with it and unable to sleep as I have friends there. Have gotten kicked off face book because of comments. At first it made me feel so hopeful and it was a joy to watch the live videos to see and feel the hope from the truckers and to take a new pride in Canada and to get to know Ottawa and feel like it was my city too but now the hope is fading and I see the Ottawa only belongs to the elite and many regular people on Ottawa don't want us to feel it is our city too since it is the capital of Canada. I have now gone back to believing the only way Alberta will survive is by separating into our own Republic!	2/19/2022 12:09 AM
42192	It gave sense of hope and unity	2/19/2022 12:09 AM
42193	At the beginning, I felt hope and filled with pride, but I struggle now to know what is the truth. Is there a convoy of heroic men and women in Ottawa fighting for the rights of all Canadians to make their own choices? Or is there a gaggle of hoodlums tormenting the locals and trying to TAKE OVER the government? I don't know! The support convoy in my hometown definitely affected me emotionally. It was huge and watching it pass filled me up so much that tears spilled out. I am grateful for sure for the initial intent and for those truckers that crossed this country. That is something to be proud of! Having people who will give up their time, their comfort and even their livelihood to stand up for what they believe. Wow! That's something. It's hard to find words for that.	2/19/2022 12:09 AM
42194	It the most joyous way!	2/19/2022 12:08 AM

42202	Shown me that Canadians will always stand up for what's right. Which makes me proud. I'm very stressed about the police acting unjust.	2/19/2022 12:08 AM

42204	given me hope	2/19/2022 12:08 AM
42205	It has brought hope and joy to people across the country who are ready to get back to life. It's obvious the vaccine mandates are a complete failure.	2/19/2022 12:08 AM
42206	Positively. It's so good to see people standing up against the grossly tyrannical government that Trudeau as his liberals are.	2/19/2022 12:08 AM
42207	Yes yes... love ♥, peace, unity of all Canadians. Hope for Canadian Freedom	2/19/2022 12:08 AM
42208	Having lived in Ottawa, I have many Ottawa friends who have been devastated by the invasion of their "space" . The convoy has certainly separated the wheat from the chaff though and I'm heartened to see the racism and fascism of the convoy supporters exposed, but still reeling from the awareness that despite its claims, this was far from a peaceful protest.	2/19/2022 12:08 AM

42220	Made me lose all respect for our Prime Minister as a respectful democratic leader, made me realize how many people are unimpressed with the Canadian government's overreach.	2/19/2022 12:07 AM
42221	The trucker convoy has given my family and I hope again.	2/19/2022 12:07 AM
42222	It has been a wake-up call for all of Canada that we need to fight for our freedom	2/19/2022 12:07 AM
42223	Provided hope for the future and joy in the present. Unity and comrade die have been returned to Canada and countries around the world. People are waking up to the reality that our governments don't care about people, only about themselves, power and re-election.	2/19/2022 12:07 AM
42224	Made me embarrassed of our Prime Minister and his gestappo tactics. He's acting like we live in a communist country. The fact he wouldn't sit down and discuss the mandates with the truckers is pitiful.	2/19/2022 12:07 AM
42225	It gave me hope. I no longer felt alone. For the first time in my life I felt what it's like to feel like a Canadian. I felt proud. Made me want to be a trucker too	2/19/2022 12:07 AM
42226	It hasn't but to occupy another city and effectively terrorize people who do not have a direct power in the mandates is not peaceful protest. Blairing horns at all hours of the night is an old way of torture that no one should have to endure. Shutting down city blocks of businesses is the exact suffering these people claim they want to end, this is therefore hypocritical.	2/19/2022 12:07 AM
42227	It has given me hope	2/19/2022 12:07 AM
42228	Gives me hope	2/19/2022 12:07 AM

42230	Has impacted my life in a positive way to see people standing up for their freedom.	2/19/2022 12:07 AM

42232	It's given hope that I am not alone. I feel more connected to God. It's given me hope fir my country and life	2/19/2022 12:07 AM
42233	Not personally but I'm proud someone is standing up for freedom. What else can they do for a government who refuses to listen to reasoning?	2/19/2022 12:07 AM
42234	Gave me hope THAT THIS WILL COME TO AN END AND WE WILL GET OUR FREEDOM.	2/19/2022 12:07 AM

42236	Made me hopeful	2/19/2022 12:06 AM
42237	Hope that truth would prevail, that the government would be overturned. It also was a beautiful thing to see Canadians come together across the country in unity-and in their 100's of thousands. These people have been so restrained and loving-they've been an inspiration as to how to behave by staying calm under intense pressure.	2/19/2022 12:06 AM

42257	Gave me some hope	2/19/2022 12:05 AM
42258	It made me finally feel like there was hope in life. I was finally coming out of my depression but like I said previously watching how the police treated them and the media and Trudeau made me so sick. But the Truckers Convoy was and is the absolute best thing that has happened to not only Canada but the WORLD!!! I pray to God that they win our Freedoms back.	2/19/2022 12:05 AM

42273	Gave the hope the the every day working class people have a power to do the changes necessary to gain back their freedom which is guaranteed in Charter of rights in constitution	2/19/2022 12:05 AM
42274	It added just more tension and stress to already strained populace. I was happy to follow the Olympics instead. I agree that the pandemic restrictions must be temporary and that, to a person , we are fed up with them . Therefore I was not vehemently opposed to the convoy but wary because of some zealous threats of having our very own violent Jan 6 on the hill . I was thankful that it was initially a peaceful family oriented winter picnic. However you lost me and the very great majority of Canadians by blockading the borders, impinging international trade and commerce, having gun toting yahoos in Coûts and accepting big money from non Canadian donors. No doubt most of the protesters are dedicated law abiding Canadians expressing their opinion as they have the right to. Extremist protest elements however overshadowed all legitimate protest such that emergency measures had to be resorted to. In conclusion I wish truckers had peacefully ended the protest , pandemic measures were being lifted anyway eventually . I am so far impressed with the delicacy with which police have been clearing the hill. The die hard resisters do not have an ounce of my sympathy !	2/19/2022 12:05 AM
42275	Given hope for people finally standing up to our corrupt government.	2/19/2022 12:05 AM
42276	Appreciated their sacrifice for our freedom. Thanks to all trucking convoy who join the rally.	2/19/2022 12:05 AM

42282	Gives me hope	2/19/2022 12:04 AM
42283	Gave me hope until I realized that the Liberal and NDP are not reasonable. They have an agenda and freedom of thought is not part of it.	2/19/2022 12:04 AM
42284	Gave me a hope for change. Gave me a pride to be a Canadian	2/19/2022 12:04 AM
42285	Gave me hope	2/19/2022 12:04 AM
42286	Opened my eyes that others feel the same way I do.	2/19/2022 12:04 AM
42287	This has saddened me much. Trudeau, the cowardly bully, knelt with Black Lives Matter, the very group who burnt, destroyed, looted bussinesses across American in 2019, but he couldn't/wouldn't sit down the the truckers and discuss matters like a mature adult. I've come to loath his policies and his destruction of Canadians, and his trampling upon the right and freedoms granted Candians in the Charter of Rights. I loath the cowardice exhibited by the Conservative and NDP Parties - all talk . They could have united forcing a vote of no confidence in Trudeau and the Lib's. For the truckers and their families and extended families and friends I salute for their bravery in the face of so much opposition. I am disheartened that so many Canadians could only think of their own inconveniences, rather than that of the greater good for all Canadian. I loath the Government at all levels who are freezing bank accounts, and calling anyone who helped the truckers, traitors. The only traitors are those in Government offices. And I loath the media for not telling both sides of the story fairly. I no longer trust the Government; I no longer trust my elected officials and want them ousted from their positions of abusing their authority. But where to find righteous leaders - Mr. Sloan, the Maverick Party.	2/19/2022 12:04 AM

42356	Excited - Canadians want their freedom back! Enough of the tyrant who supposedly runs our country but disappears at the first sign of conflict and is too damned afraid to talk to the people to try to resolve the issue.	2/19/2022 12:02 AM
42357	Their tenacity with a failed Prime Minister is gratifying. Perhaps the Libtards will remove this loser and put someone with a positive thought process in his place.	2/19/2022 12:02 AM
42358	N/A- It hasn't affected my life in any way	2/19/2022 12:02 AM

42360	No	2/19/2022 12:02 AM
42361	Provided a bit of hope.	2/19/2022 12:02 AM
42362	It has sparked hope. It has shone a light in the dark that I AM NOT ALONE in my feelings of losing my charter rights and freedoms. It shows me many other people feel the same and share a love for one another no matter their choices for their body. That we are all human, we all care. I have seen MANY people's confessions of deep depression and finally feeling hope since this movement started. This movement has also shown me the true methods of the media in spinning narratives. Showing a fraction of the truth and highlighting the negative minority. Labeling, name calling and dehumanizing SO MANY loving, peaceful, and concerned CANADIAN citizens of all colors and creeds. This gathering of concerned citizens are true Canadians. People who shine the light of positivity in the world. Showing that they can gather in large numbers for a whole month and still keep it peaceful. Showing that despite large police aggressions directed at them they STILL keep the peace. I have seen 3 separate instances of police brutality today. It's utterly heart breaking. The biggest heart breaking thing that rises above all of this is Justin Trudeau. He had it in his power to end all of this without getting to the point it has today Feb 18... He made ZERO effort to meet, discuss and diffuse this situation. Instead he continued his divisive, dehumanizing and false labeling childish narratives to further divide Canadians. He refused in the house of commons to discuss ANY future plans of ending mandates. Instead he danced around questions pointing more fingers and calling names. These truckers and all the Canadians joining them in solidarity of asserting our Charter Rights and Freedoms in PEACEFUL UNITY give me renewed hope that the Canada I know and love is still there. That my daughter's future may still have hope.	2/19/2022 12:01 AM

42374	Cheering on people refusing the mandates ... Canadians are born free !	2/19/2022 12:01 AM
42375	It has made me realize what this liberal government will do to keep power and to punish those that don't vote for them or think along the same lines.	2/19/2022 12:01 AM
42376	Brought Unity, Love, Encouragement, Hope among Canadians with their red flags as we unite together for Freedom. A beautiful thing, rejoicing. 42388	It hasn't. I am living my life as a free Canadian citizen, exactly like I have for years. A trucker tantrum did literally nothing for 3 weeks. Mandates in place, laws in place, and my life continues peacefully.	2/19/2022 12:00 AM
42389	The members of the truckers convoy are the only people speaking up for everyday Canadians to our federal government.	2/19/2022 12:00 AM
42390	Its given us hope that there are some Canadians out there who are not complacent and willing to fight for freedom. It has made us happy because it has forced the provincial governments to finally lift these draconian restrictions	2/19/2022 12:00 AM

42404	It just confirmed to me that Justin Trudeau is an unqualified, self serving leader that waited to long to end this ridiculous situation! He should have had those people out of Ottawa the next day, he knew they were coming! 42441	Given us hope that people care enough about their country and the people in to stand up against the mandates.	2/18/2022 11:58 PM
42442	It has brought a feeling of hope. I am not alone in my thoughts on how this pandemic has been handled. There has been so much fear-mongering and little to no actual scientific basis for any of the various mandates and restrictions that have been put in place over the past 2 years. I live in Ottawa and went downtown the first weekend of the protest and saw so many Canadians happy to be in the nation's capital. There was a feeling of unity and love and freedom. I do not believe the mainstream media's coverage of what has been going on downtown has been accurate. If anything it has been extremely misleading, in hopes that the Canadian public will blame the truckers for businesses being closed; when in reality, it has been our governments who have shuttered businesses off and on since March 2020. Thank you truckers for taking a stand!! God keep our land, glorious and free!!	2/18/2022 11:58 PM
42443	N/a	2/18/2022 11:58 PM

42487	I've never been prouder to be a Canadian yet so ashamed of the government we live under	2/18/2022 11:56 PM
42488	Given me hope for Canada and has brought unity to the whole country. Plus citizens are proud as I am to say we are Canadian.	2/18/2022 11:56 PM
42489	First encouragement I've had as a Canadian in two years. How can us as individuals stand against the totalitarian rule. Everyone knows covid is real but letting loved ones die alone is absolutely evil.	2/18/2022 11:56 PM
42490	Not	2/18/2022 11:56 PM
42491	Yes. In a positive way	2/18/2022 11:56 PM
42492	It has given me HOPE!!! Hope for life to be lived and to be able to support my special needs son and have him be able to be apart of the community again.	2/18/2022 11:56 PM

42495	Makes me proud to see at least there are some people are fighting for our freedom.	2/18/2022 11:56 PM
42496	Our daughter is in the Convoy and has been arrested	2/18/2022 11:56 PM
42497	Very grateful to have them	2/18/2022 11:56 PM
42498	A small breath of hope	2/18/2022 11:56 PM
42499	I think it is a good thing, peaceful protests are legal and this protest is actually worth while.	2/18/2022 11:56 PM

42501	It had breath hope in to our lives that we are not alone and that there is a large majority that are like minded and want the same outcome	2/18/2022 11:56 PM
42502	Gave me hope that so many are fighting for the end of mandates and passports as well as freedom of choice, don't feel alone, found more like-minded Canadians	2/18/2022 11:56 PM
42503	Given me hope.	2/18/2022 11:55 PM
42504	They brought peace and hope for all Canadian people	2/18/2022 11:55 PM
42505	Hasn't. Or not in any way that really disrupts my daily life.	2/18/2022 11:55 PM
42506	I have felt proud once again. 20 yrs of disappointment in my government not being able to see the simple strategic way to make the right choices eg. What works and what doesn't when it's noticable that something isn't working you stop that and find what does simple stop repressing mankind and start advancing our knowledge those that are out for financial gain can fuck off those out for growth of mankind well ..	2/18/2022 11:55 PM
42507	badly	2/18/2022 11:55 PM

42508	It has increased my hope that we may see freedom one day soon	2/18/2022 11:55 PM
42509	It have had no effect on my life. I support them morally and think what the Trudeau government is doing is very wrong and brings shame on to Canada.	2/18/2022 11:55 PM
42510	Positively. It's been very encouraging and I inspiring.	2/18/2022 11:55 PM
42511		2/18/2022 11:55 PM
42512	One of best experiences. Clearly, I'm not alone.	2/18/2022 11:55 PM
42513	Gives hope! Proud of their peaceful actions.	2/18/2022 11:55 PM
42514	No	2/18/2022 11:55 PM
42515	It has given us some hope for the future	2/18/2022 11:55 PM
42516	It has given me hope that society still cares about freedom. Hope, that people believe in autonomy over one's own body. Hope, that the democratic voice of the people can still be heard. That even the most normal of people, persons of humble beginnings, can come together and effect change. Hope, that the government may actually come back to reality. And lastly... it has given me hope that we may see ourselves out of this most divisive chapter of our lives. Unfortunately my faith in the media has been completely and utterly crushed. This is coming from someone who use to support CBC. I live 5 blocks from parliament... the journalism was completely disingenuous	2/18/2022 11:55 PM
42517	Created a seance of unity in Canada Put pride back in ppl hearts that we live in a free country. Trudeau needs to be stopped before we have no rights left.	2/18/2022 11:55 PM
42518	It made me have hope for this country	2/18/2022 11:55 PM
42519	Brought hope to reclaim our rights and freedom, from the prime minister	2/18/2022 11:55 PM
42520	The truckers have re-instilled hope in me	2/18/2022 11:55 PM
42521	They show there is hope and that I'm not alone in this. Their our voice and I can not thank them enough.	2/18/2022 11:55 PM
42522	It has brought awareness to me of the absolute corruption of our government	2/18/2022 11:55 PM
42523	Makes me incredibly sad to see how our PM has handled it all.	2/18/2022 11:55 PM
42524	Provided hope. It has brought the country together for a common goal. They have given us the gift of being able to align with something positive and right.	2/18/2022 11:55 PM
42525	Brought me joy and hope that Canadians might unite again. Saw more happy photos and videos of Canadians than any Canada Day event in a decade.	2/18/2022 11:55 PM
42526	It has allowed me a renewed modicum of hope Anything the convoy might have affected was already hopelessly affect by the mandates... any potential damage has already been done	2/18/2022 11:55 PM
42527	Made me proud to be Canadian again.	2/18/2022 11:54 PM
42528	I support the trucking convoy! #freedom #mybodymychoice	2/18/2022 11:54 PM
42529	Trucking affects everything and everyone. I'm a heavy equipment operator, we need trucks daily to move our equipment to different sites, and bring in supplies. The trucking industry is detrimental to our lives. Car dealerships are empty, grocery stores will start to go short on food, we'll all run out of toilet paper again. Truckers are what keeps not only this great province of Alberta running but this country, that Trudeau has made an absolute joke out of. I'm no longer proud to be Canadian with a leader like him.	2/18/2022 11:54 PM
42530	Gave me hope	2/18/2022 11:54 PM
42531	Brought hope	2/18/2022 11:54 PM
42532	It hasn't	2/18/2022 11:54 PM
42533	It has brought hope back to my family that canada can't be free again with love and peace. Government work for us not the other way around	2/18/2022 11:54 PM
42534	It's great support	2/18/2022 11:54 PM

Canadians vote on Canadian Mandate - February 2022

42535	I have been watching them closely and although I support them in how they are helping the citizens, I don't support them in blockaded. But I totally understand why they are doing it. Trudeau has to stop his nonsense and greed for power. He needs to talk to the people	2/18/2022 11:54 PM
42536	It hasnt	2/18/2022 11:54 PM
42537	It made me realize that it's okay to speak up when I felt like I couldn't. It's been a huge positive affect in my life.	2/18/2022 11:54 PM
42538	Non	2/18/2022 11:54 PM
42539	It has not, they are speaking as the voice of concerned Canadians about the way we have been governed.	2/18/2022 11:54 PM
42540	Brought joy into my life	2/18/2022 11:54 PM
42541	The trucking convoy has not affected my life negatively! I support the truckers and their right to peacefully protest! They are fighting for our GOD GIVEN rights as human beings!	2/18/2022 11:54 PM
42542	Gives me hope for Canada	2/18/2022 11:54 PM
42543	Given me positive hopes in getting our lives back to what we used to have.	2/18/2022 11:54 PM
42544	Mental health	2/18/2022 11:54 PM
42545	Given me hope	2/18/2022 11:54 PM
42546	What affects me the most about the convoy, is the fact that Justin Trudeau refuses to listen to or even talk to the people who are involved in the convoy, protesting the mandates he has put into place as Prime Minister. His refusal to hear the concerns of the Canadian people and simply converse with them has made it clear to me that Justin Trudeau and the Liberal Party is one in power I cannot trust to hear my concerns, care about my beliefs, or to stand up for my rights and freedoms (as well as the rights and freedoms of all the People of Canada). It has affected and confirmed my distrust in the government (In the Justin Trudeau and Liberal Party government in particular) and has, and will continue to cause me to come to the decision to affectively never vote in favor of Justin Trudeau and the Liberal Party. While I don't agree with the blockade part of the convoy, I agree to the peaceful and law abiding protesting that's standing for the right and freedoms of all individuals to choose for themselves whether or not they should be vaccinated, and the right to keep their job no matter what health choice they make. The blockade has likely caused the delivery of some products, that may be essential to businesses, to be limited and delayed, which I wouldn't be in favor of.	2/18/2022 11:54 PM
42547	I have been able to enjoy my life and spend my money in Alberta rather spending in my own province of BC food, entertainment, tourism ect	2/18/2022 11:54 PM
42548	I have had such hope and excitement. Feeling like somebody is finally standing up for our rights	2/18/2022 11:54 PM
42549	Brought hope, showed me I wasnt alone, gave me a support group, my faith in people	2/18/2022 11:54 PM
42550	It has made me feel hope for the first time in very long. It has taught me just how corrupt our government seems to be. Oh my, I was naive for so long. I feel excited for Canada's future, because of the truckers. My family is huge on body autonomy, and big believers in our FREE Country. My grandfather was a trucker, he has passed on long ago in a truck accident, we strongly feel he is looking out for us, and fighting for our rights back, by our sides. Thank you truckers. Thank you, thank you, thank you... And now I'm crying! Thank you!	2/18/2022 11:54 PM
42551	Empowering	2/18/2022 11:54 PM
42552	It hasn't affected my life.	2/18/2022 11:54 PM
42553	Has given me a glimmer of hope and willing to stay alive	2/18/2022 11:53 PM
42554	It has made me happy people are finally standing up for what's right	2/18/2022 11:53 PM
42555	Not at all	2/18/2022 11:53 PM
42556	Watching this all go down is very scary.	2/18/2022 11:53 PM
42557	I'm exhausted emotionally. I really hoped that the PM would at least meet with them and show respect. I have lost all respect for our premier and as of today I am loosing respect in our law	2/18/2022 11:53 PM

enforcement. I wish they could have met somewhere in the middle.

42558	Made me anti-government and anti law enforcement	2/18/2022 11:53 PM
42559	It hasn't. They are standing up for Canadian citizens. Our government isnt	2/18/2022 11:53 PM
42560	It's sad to watch little old peaceful ladies be run down by police on horses!	2/18/2022 11:53 PM
42561	It has given me hope that maybe not all is lost. And that poeple still love and respect each other, and hope that the tyrants responsible for the deaths of Canadian citizens via over dose, suicide, and adverse deadly effects of an experimental drug will be held accountable to the fullest extent of the law	2/18/2022 11:53 PM
42562	Not much other than how disgusting our prime minister has handled it	2/18/2022 11:53 PM
42563	Has brought more awareness to everything	2/18/2022 11:53 PM
42564	Grateful for them.	2/18/2022 11:53 PM
42565	It has inspired me and brought me hope that real, sustainable change is possible. It has reignited my faith in humanity.	2/18/2022 11:53 PM
42566	Made me angry, they made there point, over stayed there welcome and made there own agendas militant and ridiculous.	2/18/2022 11:53 PM
42567	It gave me hope.	2/18/2022 11:53 PM
42568	Gave us hope to bring back some freedoms.	2/18/2022 11:53 PM
42569	It has not affected me in any way	2/18/2022 11:53 PM
42570	It has given me and my family hope for the first time in two years	2/18/2022 11:53 PM
42571	I feel that the trucking convoy was a last step to make a stand against forced vaccinations and mandates that the minority government was forcing on us when other countries are using common sense and dropping the mandates.	2/18/2022 11:53 PM
42572	Gives me nothing but hope for a free Canada again. Pure pride in the people standing strong for Canadian rights and freedoms	2/18/2022 11:53 PM
42573	The beautiful, mighty trucking convoy has filled my heart with JOY! GREAT joy fills my heart at the LOVE, the UNITY, the COMMUNITY, the PRAYERS, the WORSHIP, the SINGING, the camaraderie, the HELPFULNESS people show for one another. It is the most beautiful thing I've ever witnessed in CANADA, people uniting in quiet peace and love in a POWERFUL demonstration of moral purpose to save our country! God bless every participant in this great and honorable effort! GOD BLESS the Truckers, the Organizers and all the supporters of this righteous cause. Those who fight against this righteous cause are fighting against The Almighty. REPENT, that you may escape the judgment coming on those who oppose HIS purposes!	2/18/2022 11:53 PM
42574	Finally people started to show that Canada has a backbone as well. It's a pleasure to see that people starting to rise in UNITY, demanding to lift all restrictions and want a normal life back. People WANT to work, but the government doesn't let them. Since day one on earth Bacteria and Viruses have existed. And the evolution has been still very successful. We will simply continue our life with Covid. The love and unity that came from the convoy is unbelievable. People feel: HAPPINESSES - an almost forgotten feeling HOPE - to get the land back that we love so much PROUD - again to be Canadian HOLD THE LINE FOR PEACE LOVE UNITY AND FREEDOM	2/18/2022 11:53 PM
42575	Givin me HOPE	2/18/2022 11:53 PM
42576	it has givin me hope. helped me believe in humanity again. we as a people are not willing to stand by while the government tears are lives apart without real reasons. the governments reasons are lies	2/18/2022 11:53 PM
42577	Filled me with patriotic zeal.	2/18/2022 11:53 PM

MOST NOTABLY THAT THEY REMAINED PEACEFUL!! THEY GOT THE MESSAGE OUT ON BEHALF OF US ALL! BUT THIS DID NOT NEED TO GO THIS WAY HAD THE PM SPOKE TO THEM !! HE ABANDONED THE TRUCKERS WHO WERE ACTING ON MANY CANADIANS BEHALF!! HE ABANDONED ALL CANADIANS WENT INTO HIDING AND REFUSED TO ADRESSE THIS PROBLEM! ANYTIME A CONTRARY OPINION WAS EXPRESSED IN THE HOUSE BY MPS ETC HE SIMPLY LEFT THE HOUSE LIKE A CHILD HAVING A TANTRUM!! WHAT WOULD YOU HAVE THE CANADIAN PEOPLE DO WHEN WE HAVE A CHILD LEADER THAT DOES NOT WANT TO LISTEN TO THE PEOPLE!! NEVER IN MY LIFE WOULD I THINK THAT I WOULD EXPRESS THESE OPINIONS IN MY BELOVED FREE COUNTRY!! BUT WHEN FREEDOM IS THREATENED AND RIGHTS ARE ERODED BY A LEADER WHO IS NOT WORKING FOR CANADIANS ! RATHER IS UNDER THE CONTROL OF OUTSIDE INFLUENCES THAT WERE NEVER DISCUSSED IN HIS ELECTION PLATFORM SOMETHING MUST BE DONE!! THEY DID IT!! I LOVE AND RESPECT THESE TRUCKERS! ORDINARY HARD WORKING PEOPLE WHO DID AN EXTRAORDINARY THING FOR US!! THAT HAD WE HAD A REAL LEADER WOULD NEVER HAVE BEEN NECESSARY !!

42636	I trucking convoy has given me HOPE! It has given our entire family HOPE! It has been a positive affect on our lives. The trucking convoy has been Peaceful and full of love. The convoy and all participants have travelled across the country for all Canadians. (even those who could not travel) I was disappointed that the PM of Canada wouldn't even take the time to have a town hall or talk with the convoy. The heavy hand of the PM of Canada has nothing to do with covid or health it is all about full-control that Justin Trudeau has the need to hold. He wants to depopulate Canadians to get rid of the old stock Canadians. Genocide by Liberal Government. Canadians need to stand up to STOP this tyranny for our children & future generations. AMEN and God Help Us!	2/18/2022 11:51 PM
42637	Hope!!!	2/18/2022 11:51 PM
42638	It gives me hope for freedoms & liberty	2/18/2022 11:51 PM

42640	It's a blessing thankful for them standing up for us all.	2/18/2022 11:51 PM

42643	It has given me hope, and an outlet for my own desires for freedom of choice. My son who attained Master of Biochemistry and works as a researcher at University of Saskatchewan said at the very beginning, it enough of us stand up we can turn this absurd and insane state of mandates and dismissal of human rights around. The truckers have been so brave and honourable and gave shown this can be achieved, with the support of other Canadians n non Canadians and a Higher Power.	2/18/2022 11:50 PM
42644	Proud and encouraged by these brave freedom fighters.	2/18/2022 11:50 PM
42645	The best thing ever,positive energy and love	2/18/2022 11:50 PM

42656	In a positive light	2/18/2022 11:50 PM
42657	Pitting Canadians against each other	2/18/2022 11:50 PM
42658	I am cheering them on!!! Mandates are slowly lifting.	2/18/2022 11:49 PM
42659	It has given me hope. The rally's and people gathering with no masks, hugging each other, singing, feeding and supporting one another has brought people back together; that is what Canada is. There are so many good people out there! We need to do this together to keep our country democratic, strong and free. We can't stop, this is all we can do. Thank you freedom fighters!!	2/18/2022 11:49 PM
42660	Hope but breaks my heart to see the brutality the police are doing	2/18/2022 11:49 PM

Canadians vote on Canadian Mandate - February 2022

42661	Pride	2/18/2022 11:49 PM
42662	I feel hope and am inspired and happy for once in past two years	2/18/2022 11:49 PM
42663	Less consumer goods on the store shelves...can't get all the items I needed.	2/18/2022 11:49 PM
42664	It's made me proud to be Canadian. The solidarity and support for the convoy shows what it means to be Canadian. Trudeau has completely shown the WORLD how not to run a country. He needs to be removed as our Prime Minister.	2/18/2022 11:49 PM
42665	I wish there didn't need to be one but something had to happen. So far it hasn't affected me directly other than even more supply chain delays.	2/18/2022 11:49 PM
42666	given me hope that someone is standing up for my freedom and rights in the Constitution	2/18/2022 11:49 PM
42667	Given my hope and proud again to be canadian!!	2/18/2022 11:49 PM
42668	It gives my family and I hope again to have our lives back to normal before covid. Canadians are uniting along with the world and showing compassion and love for one another and they are giving the majority of people a voice that we didn't have before. I find it very sad, disturbing, and frightening, that our PM and other liberal and NDP refuse listen to us Canadian people and does what he wants with extreme measures because he is on a power trip. It seems he doesn't care about his people and has discriminated and segregated so many of us. They work for us not the other way around. How are we to trust politicians when they behave in ways we cannot feel safe nor trust them to help us when we are trying to communicate with them that we are desperate and need help and the restrictive measures and mandates etc are depleting us of our homes, livelihoods, families, jobs, and health. Please end all this nonsense and help us. All Canadian people not just some. The truckers are their to help give us a voice that has been unheard for so so long. I thank them for giving nations of people hope again because without hope we have nothing. Thank you for hearing my message.	2/18/2022 11:49 PM
42669	It has given me hope that possible there is still some common sense in this world. That there is a chance we can get our freedom Back!!!!It has given me Hope	2/18/2022 11:49 PM
42670	I support the truckers ,, everything we use day to day .. is transported by a truck Jabbed or not jabbed we need to end all mandates !!!	2/18/2022 11:49 PM
42671	It has given us hope for a better future ahead to see Canadians fighting for freedom	2/18/2022 11:49 PM
42672	Made me proud	2/18/2022 11:49 PM
42673	It has given me hope and helped me to realize that I am not as alone as the government and media want me to think.	2/18/2022 11:49 PM
42674	Created hope for freedom	2/18/2022 11:49 PM
42675		2/18/2022 11:49 PM

42677	Given me hope	2/18/2022 11:48 PM
42678	It has brought Canadians together	2/18/2022 11:48 PM
42679	They gave me hope that we can change the absurdity of mandates imposed on us	2/18/2022 11:48 PM
42680	Gave me a voice to fight for my freedom to choose.	2/18/2022 11:48 PM
42681	Given hope that more people think like me.	2/18/2022 11:48 PM
42682	Not much	2/18/2022 11:48 PM
42683	It hasn't. They have shown me the wake up to the reality of what is going on in Canada. What a sociopath our PM is. I am paying and learning more on how politics can control us, wipe away our rights liberty and freedom. Everything we have worked for for the future of our kids, grand kids,to be free can be remove by one man with too much power. I still hope that this PM will not be given it anymore. I question,,,Can we trust our system, parliamentary ways to handle this.	2/18/2022 11:48 PM
42684	Not at all	2/18/2022 11:48 PM
42685	Given me hope and renewed my faith in Canada. We either stand for something or he will	2/18/2022 11:48 PM

42686	When they all trucked through medicine hat there was hope and almost a happiness to see people out standing up for pro choice	2/18/2022 11:48 PM
42687	Gives hope and solidarity with Canadians and those globally	2/18/2022 11:48 PM
42688	The trucking convoy has filled me with a sense of pride and amazement at what the blue-collar workers and common people in this country can do together, by being peaceful brave and resilient. And most of all unselfish. I went to a freedom rally the day the trucking convoy began, and I attended the following week through downtown Vancouver. The smiles and support and love that was spread amongst people that have been marginalized and refused to be coerced by their own government was one of the happiest and best days in the last two years. It brought people together from all walks of life, creeds, genders, ages and social status. It was truly empowering.	2/18/2022 11:48 PM
42689	It is giving me hope	2/18/2022 11:48 PM
42690	It has given us hope that we can return to a free country as well as showing the world Trudeaus true colors.	2/18/2022 11:48 PM
42691	We've need to demand we have our freedoms	2/18/2022 11:48 PM
42692	makes me happy	2/18/2022 11:48 PM
42693	Unsure	2/18/2022 11:48 PM
42694	Brought hope that we are a force when united	2/18/2022 11:48 PM
42695	Got in the way of honest taxpayers like myself.	2/18/2022 11:48 PM
42696	Pride & hope	2/18/2022 11:48 PM
42697	It has brought unity and hope.	2/18/2022 11:48 PM
42698	Gave me hope..so proud of those truckers and made me proud to be a Canadian again	2/18/2022 11:48 PM
42699	Thrilled by their courage and tenacity! Family and friends made over 100 lunches when they passed through our town. Been praying for them and the state of our nation since.	2/18/2022 11:48 PM
42700	Given me so much hope.	2/18/2022 11:48 PM
42701	It has given me hope that perhaps some common sense decisions may finally be made. It has encouraged me to know that so many other Canadians feel the same way I do, despite what the mainstream media says.	2/18/2022 11:48 PM
42702	Fully support	2/18/2022 11:48 PM
42703	It gave me hope	2/18/2022 11:48 PM
42704	It gave me hope and displayed the unity that actually exists across Canada in spite of Prime Minister Trudeau's best efforts which have been strongly supported by the legacy media to divide us all and keep us in fear.	2/18/2022 11:47 PM
42705	Given me hope	2/18/2022 11:47 PM
42706	The truck in convoy has not affected my life at all except for I see a lot more people happy and it's looking like there might be a future for Canada	2/18/2022 11:47 PM
42707	Na	2/18/2022 11:47 PM
42708	They made it great	2/18/2022 11:47 PM
42709	Unity, love, hope	2/18/2022 11:47 PM
42710	It has made me realize the importance of my freedom	2/18/2022 11:47 PM
42711	Positively, it has gotten the provinces to ease mandates and forced them to come up with a plan to end mandates	2/18/2022 11:47 PM
42712	Watch all day - excellent togetherness, Trudeau lies about the truckers - they are peaceful and polite, get treated like animals- get called terrorists and worse by Trudeau	2/18/2022 11:47 PM

Canadians vote on Canadian Mandate - February 2022

42713	It is reassuring to know that there are citizens willing to act and sacrifice to ensure their freedoms are not pointlessly infringed upon by an utterly incompetent govt. It's heartening to know that there are people willing to remind this disastrous government that there are consequences to endlessly divisive rhetoric and willful disregard for the charter of rights and freedoms. The convoy is a national reminder that human rights are God given and no govt will ever have the authority to trample on them	2/18/2022 11:47 PM
42714	made me realize it is possible to take our country back	2/18/2022 11:47 PM
42715	Great to see how many people are actually against this crap...lifts the spirits	2/18/2022 11:47 PM
42716	Positively. I love the truckers. They stand for our freedom and rights as individuals.	2/18/2022 11:47 PM
42717	Very positively. They are our hope...	2/18/2022 11:47 PM
42718	It hasn't	2/18/2022 11:47 PM
42719	Hasn't	2/18/2022 11:47 PM
42720	Big time	2/18/2022 11:47 PM
42721	Gave my family and I hope!!	2/18/2022 11:47 PM
42722	I've felt hope and optimism for the first time in 2 years. I feel unity among most Canadians and feel united with the movements that are happening around the world.	2/18/2022 11:47 PM
42723	The trucking convoy has brought me encouragement and hope, renewing my sense of patriotism and love for my country and the freedoms that belong to Canadians. In visiting the convoy it brought me a sense of relief and joy to see so many loving and excited people celebrating freedom in the streets and exercising their lawful right to protest. It has however also brought me a lot of fear due to the hypocrisy and shameful response of the dishonest media and how the prime minister has reacted to the convoy. The response from our government has me literally terrified.	2/18/2022 11:47 PM
42724	Gave me hope for the country	2/18/2022 11:47 PM
42725	It's not	2/18/2022 11:47 PM
42726	Hope. Just hope!	2/18/2022 11:47 PM
42727	The trucker convoy itself gave me hope and made me feel like I wasn't alone for the first time in a long time. Seeing the government's response has infuriated me and made me want to emigrate. I cannot believe the lengths our prime minister would go to protect his ego. None of the science backs up his actions. Peaceful protests do not back up his actions. He is out of control.	2/18/2022 11:47 PM
42728	The truckers have given me hope, for my life to return to normal pre-COVID.	2/18/2022 11:47 PM
42729	Depending on the day and the information I get. I am so proud of the truckers and supporters for a whole list of reasons. To put it politely I am angered at the government for the way they handled the protest. I am deeply angered at Trudeau for his lack of leadership and not even wanting to entertain the idea of sitting down and talking with representatives of the truckers. That in itself would have put this whole protest in a different direction.	2/18/2022 11:47 PM
42730	Go truckers	2/18/2022 11:47 PM
42731	Brought hope that there is still light and that good people live here but by the fear mongering they were silenced	2/18/2022 11:47 PM
42732	Gave me hope for change.	2/18/2022 11:47 PM
42733	It has given me hope.	2/18/2022 11:46 PM
42734	It has given me hope and brought people back together	2/18/2022 11:46 PM
42735	made me proud that finally Canadians where standing up to be heard	2/18/2022 11:46 PM
42736	Gave me hope that we are all in this together to gain our freedoms back and rights to choose. That Justin trudeau and Jagmeet Singh and chrystia freeland are part of the weforum.com and trying to bankrupt Canadians. They are profiting off vaccines	2/18/2022 11:46 PM
42737	It hasn't	2/18/2022 11:46 PM

42740	They have given me hope! Something I honestly haven't felt since Trudeau came into power	2/18/2022 11:46 PM
42741	Not at all	2/18/2022 11:46 PM
42742	It gave me hope that if we unite we can create change and end this tyranny and abuse of our Charter Rights. What I am seeing is a totally dispotic response from a minority government who wi do anything at all to retain power.	2/18/2022 11:46 PM
42743	It has given me hope. For the first time in two years.	2/18/2022 11:46 PM
42744	Made me proud to be Canadian again	2/18/2022 11:46 PM
42745	Gave me hope I'd like truckers to run in parliament and run this country	2/18/2022 11:46 PM
42746	Gives me hope	2/18/2022 11:46 PM
42747	It have my family a hope! For a change! We are not minority like the media says. Most people I know do not agree to whats happening in this country for the last 2 years!	2/18/2022 11:46 PM
42748	It's our only hope to have someone stand up to the overreach of the corrupt Trudeau government	2/18/2022 11:46 PM
42749	It's given me hope	2/18/2022 11:46 PM
42750	No way had this affected us in any way that truly matters... This is ALL on Trudeau and his government. These people are PURE EVIL!!! DRAIN THE SWAMP!!!	2/18/2022 11:46 PM
42751	It made me feel proud to be a real Canadian. Love and support coast to coast.	2/18/2022 11:46 PM
42752	Not much other than longer for stuff to show up	2/18/2022 11:46 PM
42753	It has given me hope for freedom again	2/18/2022 11:46 PM
42754	Brought hope to a hopeless world for the last 2 years	2/18/2022 11:46 PM
42755	They have brought hope to the whole world that hopefully this craziness will end soon!	2/18/2022 11:46 PM
42756	None at all it makes me proud that people are standing up for freedom	2/18/2022 11:46 PM
42757	Uplifting hopeful	2/18/2022 11:46 PM
42758	Gave us hope and restored some freedom to at least our province	2/18/2022 11:46 PM
42759	It hasn't at all	2/18/2022 11:46 PM
42760	Hasn't at all, I encourage peaceful protests, not like the BLM or pipeline protest.	2/18/2022 11:46 PM
42761	It has made me realize just how corrupt are government is. I want it to change. I knew it was bad but not to this extent.	2/18/2022 11:46 PM
42762	It gave me hope and made me not feel so alone	2/18/2022 11:46 PM
42763	Its nice to see all the people coming together	2/18/2022 11:46 PM
42764	gave me some HOPE	2/18/2022 11:45 PM
42765	No, as mentioned, I support their action for our freedom.	2/18/2022 11:45 PM
42766	If Trudeau was about the Covid, he is being so tyrannical and arrogant. The Convoy showed this side of him and has given us hope. These brave men and women worked through the uncertain early times of Covid are now braving freezing temperatures and hardships to be a voice for freedom. Now the Prime Minister has vilified them and used unconscionable tactics on the convoy and supporters. The Convoy has given us hope that we may get our freedoms back. We may be able , if the restrictions are cancelled, be able to go to a restaurant, or take our children to a library or cinema, or leave the country without being forced to be vaxxed, and have our personal data mined by the government passports. There were so many things I didn't know about until they came out with news reports and information from doctors and professionals and new scientific information on Covid. The convoy may have caused some hardships, freedom is always fought for, but the convoy has given us hope.	2/18/2022 11:45 PM

42783	It's giving me hope. Hope that the people of Canada are coming together to do something about our freedom while our corrupt PM sits back and continues pushing his unacceptable views towards the people that he is suppose to support and serve. He has truly failed as a PM and it's sad that the people of Canada have to come together to make a change to our once free country.	2/18/2022 11:45 PM
42784	It has not	2/18/2022 11:45 PM

42786	Inspiring and provides a slight hope to get through this dumb fuck corrupt government regime	2/18/2022 11:45 PM
42787	It is the only thing that has given me hope and restored my pride to be a Canadian, they have given us "the Canadian people" our voice back despite the fact it's being ignored, censored and muzzled ... for the first time I feel happy again	2/18/2022 11:44 PM

42791	The convoy gave me hope that other Canadians want freedom from Vaccine mandates and restrictions. I am utterly disappointed in media and our government in how they painted the convoy and terrorists and fringe minority.	2/18/2022 11:44 PM
42792	Made me proud to be Canadian again! Gave me faith and community after feeling so defeated and alone for the last two years.	2/18/2022 11:44 PM
42793	I support truckers 100%	2/18/2022 11:44 PM

42795	The convoy has provided hope for the future of Canada and Canadians. This action has woken up more people to stand up for their rights and freedoms which has raised my spirits and has me hopeful for a humane ending to the current crisis.	2/18/2022 11:44 PM
42796	Giving me hope. I have been attending Freedom Rallies in Calgary. I passionately defend "my body, my choice"	2/18/2022 11:44 PM
42797	I am proud of the truckers as they had courage to stand and say that our country is in trouble. We have lost the freedom to practice our religion, mobility rights, the right to assemble peacefully etc. My prayers and heart are with them, the sons and daughters of Canada.	2/18/2022 11:44 PM
42798	It has brought a more hopeful outlook for the future.	2/18/2022 11:44 PM
42799	Hope	2/18/2022 11:44 PM

42806	Given hope, shown how our government does not have our best interests at heart at all. Truly allowed me to see the divide, hate and political control that resides in this country/humanity.	2/18/2022 11:44 PM
42807	They have sparked a hope that has been missing for two years, they exemplified, kindness, peace, generosity, compassion, love for all, they united people in a way like I have never seen through peace and love	2/18/2022 11:44 PM
42808	It has made me feel less alone	2/18/2022 11:44 PM
42809	I love what the truckers are doing	2/18/2022 11:44 PM

42812	It has given me a little bit of hope and encouraged me, seeing how many people feel the same as I do.	2/18/2022 11:44 PM
42813	It has united the country, and brought hope back to us; has taught us that with peace, unity, love and prayer we can overcome this. It has made me proud to be Canadian again!	2/18/2022 11:44 PM
42814	Brought out hope.	2/18/2022 11:44 PM

42825	Proud of my fellow Canadian's	2/18/2022 11:43 PM
42826	I'm very thankful and grateful for their love of our country, the people and our freedom and rights. I love them all and now I can say I'm proud to be a Canadian. It has also shown us that we DO NOT have a leader for Canada. I never voted for him and I am truly disgusted and ashamed that he is our PM.	2/18/2022 11:43 PM
42827	Given hope	2/18/2022 11:43 PM
42828	HAPPY THEY ARE OUT TRYING TO KEEP CANADA HAPPY	2/18/2022 11:43 PM
42829	Not at all, other than dealing with the prejudice against my family members who are truckers, regardless of their involvement.	2/18/2022 11:43 PM
42830	It has given me hope!	2/18/2022 11:43 PM
42831	It has given me hope that we can get our country back from the threat of a communist government under Justin Trudeau	2/18/2022 11:43 PM

42835	Positively	2/18/2022 11:43 PM
42836	yes , gave me hope the madness would end !	2/18/2022 11:43 PM

42838	Gave me hope	2/18/2022 11:43 PM
42839	It has not effected me	2/18/2022 11:43 PM
42840	Hasn't but I support them	2/18/2022 11:43 PM
42841	Nothing	2/18/2022 11:43 PM
42842	It has not affected my life. Glad they are standing up to Trudeau. TRUDEAU NEEDS TO GO!	2/18/2022 11:42 PM
42843	Given me hope only to be destroyed by a dictator	2/18/2022 11:42 PM

42847	Given me hope that the people of Canada do have power over a corrupt government.	2/18/2022 11:42 PM
42848	Brought me more joy and hope than anything these past few years	2/18/2022 11:42 PM
42849	Given hope to some people who have lost all hope	2/18/2022 11:42 PM
42850	It's everywhere	2/18/2022 11:42 PM
42851	Showed how everyone has come together all around the world when they believe something is very wrong going on	2/18/2022 11:42 PM
42852	It has given us (family and myself) hope for a future of freedom and peace and happiness	2/18/2022 11:42 PM
42853	It has given me real hope for the first time since 2020. It has also dissolved any last sliver of remaining trust in the government of Canada, especially our prime minister. The ignorance, corruption, and hate for Canadians and the Canadian way of life has become glaringly obvious with his hateful and divisive comments, his reckless actions, and his refusal to be reasonable and failure utilize common sense.	2/18/2022 11:42 PM
42854	It gave me hope for a better future, it still does.	2/18/2022 11:42 PM
42855	It is helping expose the government overreach.	2/18/2022 11:42 PM

42856	It has brought joy and hope. Until today. Today evil was exposed. For shame.	2/18/2022 11:42 PM
42857	It has inspired me because finally people are standing up!!!	2/18/2022 11:42 PM
42858	Gives me hope that perhaps government will listen to the people.	2/18/2022 11:42 PM
42859	I feel for them	2/18/2022 11:42 PM
42860	Not at all	2/18/2022 11:42 PM
42861	I support what they are doing	2/18/2022 11:41 PM
42862	Finally made me proud to be Canadian!!!! Gave me some hope that life might return to normal. Gave me hope that we might yet get rid of Trudeau!	2/18/2022 11:41 PM
42863	It has brought hope to my family when things were looking very dark. It allows a light to be seen at the end of this very long tunnel. I'm willing to put up with delayed traffic, horn honking, singing, hugging, laughing, etc. All in the name of freedom. The truckers convoy only wants mandates to end and the QR code system to be abolished. It would also be great to get something out in government so they can never do this to the people again. Whether you are liberal, ndp, conservative, black, white, gay straight, it doesn't matter. If you support the continued use of these mandates, you are not looking at the whole picture. Covid cases are irrelevant, covid deaths and ICU hospitalizations matter, but so does mental health, suicides and people's right to make a living and have a choice as to what is put into our body's. We shouldn't be told which ones are more important. End the mandates so everyone has a choice on how to live their life the best way for them.	2/18/2022 11:41 PM
42864	It hasn't affected my life. I am proud of them for standing up for all	2/18/2022 11:41 PM
42865	None	2/18/2022 11:41 PM
42866	Given me a voice	2/18/2022 11:41 PM

42868	Made me believe in Canadian patriotism	2/18/2022 11:41 PM
42869	It has bought hope back to my heart!! It has been so uplifting and has been so nice to feel the unity that this County once shared again!!	2/18/2022 11:41 PM
42870	It is a joyfull, peacefull, light in my life:I am mot alone.	2/18/2022 11:41 PM
42871	Wish it could remain as it was peaceful until the RCMP and OPP came in. Our Prime Minister is responsible for all harm and economic troubles we are having.	2/18/2022 11:41 PM
42872	I know they stand for freedoms for all People they deserve to be heard and, mandates no more.	2/18/2022 11:41 PM
42873	Gives me faith, complete knowing that when humans stand together we can create blessings. Freedom for everyone is a true free country.	2/18/2022 11:41 PM

42876	Not at all other than I go every weekend to support them	2/18/2022 11:41 PM
42877	I have watched the travels across Canada with so much JOY, with chats by Tamara Lich on Facebook that even brought me to tears with her inspiration of a Unified Canada, with people laughing and enjoying 'life!'	2/18/2022 11:41 PM
42878	It hasn't .Canadian heroes .	2/18/2022 11:41 PM
42879	It has given me hope that there is good people that will stand up against tyrants!	2/18/2022 11:41 PM
42880	I am grateful that a group of hard working men and women are standing up for what a lot of Canadians feel needed doing....demonstrating peacefully to try and bring attention to the government acting without the people being given a voice.!	2/18/2022 11:41 PM
42881	Quietly cheering them on	2/18/2022 11:41 PM

for love, unity and patriotism in the human race.

42883	It has not affected my life except it was something to watch at work	2/18/2022 11:41 PM

42885	Positively	2/18/2022 11:41 PM
42886	It hasn't	2/18/2022 11:41 PM
42887	The convoy for freedom has great intentions. I support some parts and not others. I am a freedom fighter. I fight for the people. We have finally had a backbone to show the MILLIONS of Canadians fighting against these mandates not based on science. I hope one day people will realize this movement means more for Canadian freedoms than just the mandates now. Preventing the WEF and the Canadian "leaders" from perpetuating their globalist agenda is my only purpose in life.	2/18/2022 11:41 PM
42888	3 weeks	2/18/2022 11:41 PM
42889	Freedom	2/18/2022 11:40 PM
42890	Made us more aware of how devious the government really is.	2/18/2022 11:40 PM
42891	Most of all it pisses me off. It makes me realize that even my low opinion of the selfish, stupid conservative assholes in this country was way too high. The propaganda value these too-easily-manipulated dipshits have given every bad-faith politician and media group will very likely lead to the end of democracy in this country.	2/18/2022 11:40 PM
42892	For the first time in 2 years I have felt joy and hope. Seeing Canadians standing together for the same cause has meant more than anything.	2/18/2022 11:40 PM
42893	Gave me hope for Canada	2/18/2022 11:40 PM

42900	It hasn't	2/18/2022 11:40 PM
42901	Gave me hope for the future. Have me hope in humanity. Have me hope that others are awake to the evils imposed upon us by government leaders.	2/18/2022 11:40 PM
42902	Gave me hope that there is still humanity	2/18/2022 11:40 PM
42903	great	2/18/2022 11:40 PM
42904	sadly	2/18/2022 11:40 PM
42905	I am in full support! It has given hope.	2/18/2022 11:40 PM
42906	Brought much needed attention to how much we are being controlled and coerced by govt and this govt's overreach. Canadian's believe in unity and have brought SO MUCH optimism for our FREEDOM!!!	2/18/2022 11:40 PM
42907	Greatly, it shows just how many Canadians are fed up with all of this	2/18/2022 11:40 PM
42908	Not at all	2/18/2022 11:40 PM
42909	More unknown and confusion	2/18/2022 11:40 PM
42910	It has given me hope	2/18/2022 11:40 PM
42911	I feel a sense of pride, and relief, that this issue is being brought to a head. Justin Trudeau has shown us his true face, a man drunk on a lust for power.	2/18/2022 11:40 PM

kids, they were his shield.

42913	It has not (that I know of)	2/18/2022 11:40 PM
42914	I have never seen Canadians come together as they have for this protest. I think it progressed to something more after the many things Trudeau had to say about it but I watched numerous live broadcasts from Ottawa and I never once saw a protesters display anything but love and good vibes. I've found it very inspiring and I think so many others have too.	2/18/2022 11:40 PM
42915	HOPE♥♥♥	2/18/2022 11:40 PM
42916	I'm glad someone is standing up for freedom of choice	2/18/2022 11:39 PM
42917	They have given me hope but after today's events I feel hopeless and lifeless	2/18/2022 11:39 PM
42918	Giving hope that there's still good people out there fighting for us free Canadians!	2/18/2022 11:39 PM
42919	Positive. Given me hope to end this madness	2/18/2022 11:39 PM
42920	Has done irreparable damage to image of Canada among my foreign clients.	2/18/2022 11:39 PM
42921	Given me new hope. It has shown how tyrannical our current government is, which is very disturbing!	2/18/2022 11:39 PM
42922	It gives me somewhat hope. All these mandates end now! Once and for all.	2/18/2022 11:39 PM
42923	Have given us HOPE!	2/18/2022 11:39 PM
42924	Given me hope	2/18/2022 11:39 PM
42925	Economically, socially and politically	2/18/2022 11:39 PM
42926	I haven't felt so patriotic, supported and proud for YEARS!! I loved this country, atleast while the convoy was peacefully protesting. My heart is aching tonight.	2/18/2022 11:39 PM
42927	It has shown me I'm not alone.	2/18/2022 11:39 PM
42928	In a very positive way, we are within our rights to protest.	2/18/2022 11:39 PM
42929	Not directly as I am in Alberta, but I support peaceful protest and feel the Trudeau government has it all wrong currently. I support the truckers and what they are trying to do.	2/18/2022 11:39 PM
42930	It has giving us all hope	2/18/2022 11:39 PM
42931	Gave me hope in this country	2/18/2022 11:39 PM
42932	For the first time in 2 years I have hope for our nation and for my children's futures...for the first time in 2 years I feel like I am not alone (or in a very small bubble of people who I can freely visit with)...that the deep division created by our various levels of government, through the mandates *and* through our Prime Minister's very intentional and targeted hate speech, was finally being replaced with unity, love, respect, and sense of common purpose...to protect our Charter and Constitution, and every citizen of Canada through them...from coast to coast.	2/18/2022 11:39 PM
42933	I believe they have good intentions to help us move forward.	2/18/2022 11:39 PM
42934	It's giving us hope that we can take back our freedoms and stand up to the tyranny of our governments	2/18/2022 11:39 PM
42935	I agree with them	2/18/2022 11:39 PM
42936	Provided hope	2/18/2022 11:39 PM
42937	it has given my hope, and made me feel not so alone	2/18/2022 11:39 PM
42938	It has made me believe in humanity again. Has made me proud to be Canadian again after 6 years of hanging my head in shame.	2/18/2022 11:39 PM
42939	Gave me a chance to actually think that we may regain our freedom back but the way this government is working I regret to say that we as Canadian citizens we are doomed	2/18/2022 11:39 PM
42940	No. I'm praying they will help bring back our freedom	2/18/2022 11:39 PM

42942	Gave me hope	2/18/2022 11:38 PM
42943	Brought hope and pride back to my life	2/18/2022 11:38 PM
42944	Has opened my eyes to the actual lengths our gov't will go to control us all. It's extremely unsettling!	2/18/2022 11:38 PM
42945	It has given me hope to possibly be able to keep my job if they assist in the end of mandates	2/18/2022 11:38 PM
42946	The dedication, the joy, the sincerity and the love of the truckers I have seen on live streams and from friends in Ottawa, has made me more proud of being a Canadian than any other thing this country has done. It has inspired millions around the world to stand up for personal choice in regards to being vaxxed or not and according to the latest statistics the lockdowns have had such a negligible health benefit as compared to the benefits of staying open.	2/18/2022 11:38 PM
42947	It's given me hope for the people of Canada.	2/18/2022 11:38 PM
42948	I love being able to stand behind people that believe we should have rights. They have given me hope for the future. I am finally able to sleep. After all the mandates and lock downs it caused anxiety to take over my life. We need freedom and these people are the only hope for it!!!	2/18/2022 11:38 PM
42949	It's given me hope and Freedom	2/18/2022 11:38 PM
42950	It has given me encouragement and hope. That other people are brave enough to stand up for me and that gives me the freedom to also stand strong.	2/18/2022 11:38 PM
42951	Negatively. I do not support insurgents and while I respect the freedom to choose, there are responsibilities that some with those freedoms.	2/18/2022 11:38 PM

42958	I stand behind the fight for freedom to choose	2/18/2022 11:38 PM
42959	Makes me proud to be a Canadian	2/18/2022 11:38 PM

42964	Proud to be Canadian again. Courage to refuse compliance.	2/18/2022 11:37 PM
42965	It gave me hope, but then Trudeau crushed that.	2/18/2022 11:37 PM
42966	Given me hope that there are people willing to stand up for the truth & what is right. The trucking convoy united a large group of Canadians in a way that I have not seen previously in my life.	2/18/2022 11:37 PM
42967	Hope. Pride of Country. Bringing corruption to light. Love of community.	2/18/2022 11:37 PM
42968	It ruined our birth experience (hubby couldn't attend ultrasounds, siblings had to wait way too long to meet baby, family couldn't meet baby at the same time, no baby shower, etc), ruined holidays like Christmas and kids birthdays, both parents can't attend my son's important specialist appointments, we live 4 hours from the Stollery, appointments are 4 hours long, and not allowed to bring baby with me (what the fuck do you expect me to do with a new baby?!),	2/18/2022 11:37 PM

my daughters mental health has been majorly affected because of restrictions on sports, socialization, at at times, being in school. Prices for EVERYTHING have gone up and struggling to afford to live.

42969	Given me a glimmer of hope. They are fighting for our freedoms. If you think anything else, you need to turn off the government paid media and watch the true footage.	2/18/2022 11:37 PM
42970	Made me feel hope for my country which I lost 2 years ago	2/18/2022 11:37 PM
42971	It made provinces realize they better stop being nazis and side with the Canadian citizens for freedom	2/18/2022 11:37 PM

42980	We (my immediate family) have felt a sense of hope, a Canadian unity. These beautiful, peaceful people stood for Canada in hopes of creating a future for us.	2/18/2022 11:37 PM
42981	No consequences	2/18/2022 11:36 PM
42982	It hasn't impacted me personally. But I am 100% behind them. It should impact every Canadian the way Trudeau has behaved! He needs to step down immediately after what he has done especially today. Since when does a Canadian PM take orders from a US president especially when that president is Biden. There needs to be a vote of non confidence immediately! I am calling for one to be held immediately!	2/18/2022 11:36 PM
42983	Short products	2/18/2022 11:36 PM
42984	It's disrupted my way of life.	2/18/2022 11:36 PM
42985	At first i was shedding tears of hope. It could be described as a spiritual experience. As I watched how the prime minister and his party handled the requests of the protesters I felt disgust, disdain, despondency and disappointment. It's the only thing giving me hope for humanity, for continued success of the free world and for the beauty of life for all children.	2/18/2022 11:36 PM
42986	It was giving me hope and a feeling of movement and strength until our very very poor leader has responded in the most disgusting way. A leader that can't communicate with his country in a better way than he's doing leaves me feeling embarrassed and ashamed of our country. But we are rising and I hope more and more Canadians can see what he's doing and how sick it all is.	2/18/2022 11:36 PM
42987	Made me hopeful and proud of the Canadian people for standing up	2/18/2022 11:36 PM
42988	Not at all	2/18/2022 11:36 PM
42989	Given us hope	2/18/2022 11:36 PM
42990	It's a stand for all of Canadian people	2/18/2022 11:36 PM
42991	Positive	2/18/2022 11:36 PM
42992	It has given me hope that maybe the divide that has been caused in this country by our Prime Minister and these mandates can be fixed.	2/18/2022 11:36 PM
42993	It hasn't	2/18/2022 11:36 PM

Canadians vote on Canadian Mandate - February 2022

42994	Given me hope for our freedoms, which are slowly being taken away	2/18/2022 11:36 PM
42995	It has given me hope that our governments will listen and end these useless mandates and heal our country.	2/18/2022 11:36 PM
42996	Hope	2/18/2022 11:36 PM
42997	Gave me hope to live again	2/18/2022 11:36 PM
42998	It gives me hope!! And strength to stand up and say this is not ok!	2/18/2022 11:36 PM
42999	It has empowered me. I have participated in as many rallies as possible locally and in other cities around me.	2/18/2022 11:36 PM
43000	I support the right to peacefully protest and am saddened that a small fringe element of extremists have taken advantage of the protest to promote their agendas and that has impacted the sensible and good citizens who just want to express their concerns and live with freedom to choose.	2/18/2022 11:36 PM
43001	Although I think they should leave now, I support any person who is standing up for freedom of choice.	2/18/2022 11:36 PM
43002	A stand for freedom for all Canadians. A peaceful way for Canadians to oppose tyranny and stand united together in love.	2/18/2022 11:36 PM
43003	Finally some one standing up for Canadians	2/18/2022 11:36 PM
43004	Has given me hope for Canada! We have finally stood up against the lockdowns! I was embarrassed to be Canadian this past year as our provincial and federal governments mishandled this Plandemic. Many of them should be in prison for what they've done to our country and their profiting from our strife!	2/18/2022 11:36 PM
43005	It is giving me hope that my life can get back to normal	2/18/2022 11:36 PM
43006	Gave hope, sense of community, feel seen and heard and belonging. And HOPE!!!!	2/18/2022 11:35 PM
43007	Felt alive supporting the cause	2/18/2022 11:35 PM
43008	In a positive way. It was the best thing that happened to Canada	2/18/2022 11:35 PM
43009	Financial	2/18/2022 11:35 PM
43010	It has given me hope, that life is worth living. And that I'm not alone in my beliefs.	2/18/2022 11:35 PM
43011	It has made me sad. I now regard the Canadian flag as a tainted reminder of people who think their freedom allowed them to torture other innocent bystanders with excessive noise and harassment. It made me hope that they will be arrested. In other words it turned a nice Canadian citizen into someone cynical of government and in despair about the idiocy and selfishness of fellow humans.	2/18/2022 11:35 PM
43012	I love the fact thank The truckers and all Canadians are fighting back. To end this ridiculous mandates	2/18/2022 11:35 PM
43013	I have hope finally!	2/18/2022 11:35 PM
43014	It's given me hope that I am not alone in my feelings. I am of the opinion that everyone should have the right to make their own medical decisions without fear of being publicly and socially ostracized. Not very long ago this would not be as radical as it is considered today.	2/18/2022 11:35 PM
43015	I gives us hope and makes us proud to be Canadian!!!	2/18/2022 11:35 PM
43016	It's given me hope.	2/18/2022 11:35 PM
43017	So proud of the truckers and peaceful protests	2/18/2022 11:35 PM
43018	It hasn't! It's increased business at my work!	2/18/2022 11:35 PM
43019	It has lifted our spirits. Hoping and praying more people wake up and see what's REALLY going on.	2/18/2022 11:35 PM
43020	Gave me hope! Felt less alone in this mess.	2/18/2022 11:35 PM

43023	To soon to say.	2/18/2022 11:35 PM
43024	It's gave me hope in how great our country is when people love each other and stand together. The current government has done nothing but try to divide people since they've been in power.	2/18/2022 11:35 PM
43025	It's brought hope for a stronger and united Canada again. It's made me proud to be Canadian again after two years.	2/18/2022 11:35 PM
43026	Traffic jams, headaches, disappointment in the lack of education and cognitive thought possessed by citizens and government	2/18/2022 11:35 PM
43027	I see many videos of innocent people being pushed down into the snow and the streets to be arrested after police have advanced on them and put them in a pinch. The protesters have not been violent at all. How has it affected me? I feel totally lost in a country I used to love.	2/18/2022 11:35 PM
43028	Gives us some hope.	2/18/2022 11:35 PM
43029	Thank god for there movement fighting for the people and our freedom	2/18/2022 11:34 PM
43030	Gives me hope again	2/18/2022 11:34 PM
43031	This convoy actually made me believe maybe there's still a chance that the people in this country and around the world might start to mend relationships. I think it's incredible how it has brought so many Canadians, whether they have the vaccine or not, together in agreement.	2/18/2022 11:34 PM
43032	Gave a little hope lives would get back to normal	2/18/2022 11:34 PM
43033	The truckers have given me hope that one day soon we will have our charter freedoms back.	2/18/2022 11:34 PM

43035	Disruption of supply chain at locations where the convoy and protesters are blocking borders. Disappointed they are using the Canadian flag.	2/18/2022 11:34 PM
43036	Made me proud of canadians	2/18/2022 11:34 PM

43040	Gives me hope	2/18/2022 11:34 PM
43041	Given me hope	2/18/2022 11:34 PM
43042	Gave me hope and made me proud to be Canadian	2/18/2022 11:34 PM
43043	It has given me hope for Canada. It has also showed me how the prime minister and the liberal party is corrupted and out of touch with Canadians. They are dangerous.	2/18/2022 11:34 PM
43044	Given me more hope and pride as a Canadian!	2/18/2022 11:34 PM
43045	Not at all	2/18/2022 11:34 PM

Canadians vote on Canadian Mandate - February 2022

43054	It has given me hope that human decency hasn't completely disappeared.	2/18/2022 11:34 PM
43055	EMPOWERMENT! That's what the truckers have done for me! I have never been more proud to be a Canadian then I am right now! The truckers have given our Prime Minister Justin Trudeau the chance to show us the REAL Justin Trudeau. Their fearlessness on the front lines in Ottawa have made me fearless. I have written several letters to members of parliament. Which is something I have never felt the need to do before.	2/18/2022 11:34 PM
43056	Annoying, and makes Canada look like a laughing stock. They're trying to be like the same Racist MAGA group in the US. You're not oppressed you have no idea what oppression is. Do you have a roof over your head, ability to walk around without fear of being violently attack? Food in your belly? Then you're not being oppressed. Privilege does not equal freedom. You have the right to have a roof over your head and buy food. It's a privilege to choose what job you have, no matter the consequences. A privilege to eat in restaurants, go to gyms, workout, see a movie. That's not a right, and no freedoms are taken away. Your privilege has been reduced. So you're crying about your privilege not your rights.	2/18/2022 11:34 PM
43057	I'm hopeful they will be successful in helping to bring awareness and get mandates lifted, it's made me aware of what a mess our country has become and what terrible leadership we have. I support their efforts!	2/18/2022 11:34 PM

43065	Not personally.	2/18/2022 11:33 PM
43066	It has affected me in a good way because a few mandates have been lifted because of the freedom convoy.	2/18/2022 11:33 PM
43067	Open my eyes to us all coming together & loving our Nabour. People need Society to be social again	2/18/2022 11:33 PM
43068	It has given me renewed hope in the future of Canada. In recent years, I have lost faith in the country I immigrated to in search of a better life. But now, more than ever, I appreciate what it means to be a Canadian and it brings me great pride.	2/18/2022 11:33 PM

43074	No	2/18/2022 11:33 PM
43075	At first I was hopeful that things would turn around but the longer Trudeau holds out meeting with them and attacking them it has made me even more depressed.	2/18/2022 11:33 PM
43076	It gave me some hope for a real democracy...	2/18/2022 11:33 PM
43077	It has given hope. Canadians are standing up for our freedom. Which by rights and law we are entitled to. Justin Trudeau needs to step down . He is destroying our country.	2/18/2022 11:33 PM

43079	It had energized me and restored my desire to fight for our freedom. The truckers are a setting a great example of how to stand strong in love and unity.	2/18/2022 11:33 PM

43153	It brought hope and joy which has been missing for 2 yrs	2/18/2022 11:30 PM
43154	It will surely hurt Canadians for years to come as our country will be viewed as a crappy place to do business. My taxes will go up because we will have to pay for the removal of the trucks. It was very divisive in many social groups.	2/18/2022 11:30 PM

43164	I am proud to be a Canadian when I see people with principles standing for what they believe in and doing it in a peaceful and respectful way. I support them and the appalling overreach and misuse of power being used against peaceful Canadians is shameful.	2/18/2022 11:30 PM
43165	It has given me a huge mental health lift seeing inspirational people stand up for freedom and being part of freedom convoys in the Yukon has helped to relive the strain on my mental health from the worries of what kind of life my children will have growing up in Canada.	2/18/2022 11:30 PM

43167	Given me hope and blessings to see so many people that still believe in truth.	2/18/2022 11:30 PM
43168	Not at all But police running over people with horses or kicking veterans is unforgivable. Introducing violence to an otherwise peaceful demonstration.	2/18/2022 11:30 PM
43169	Allow me there's hope to shut this totalitarian dictator down and to see all the lies and media slanted the truth to the benefit of the liberals I will never believe anything they say	2/18/2022 11:30 PM
43170	Provided hope	2/18/2022 11:30 PM

43174	Hope. Our family experienced such Hope for the first time in a long time. I feel proud to be Canadian. It's brought so many people together. I see joy on people's faces. The Convoy has brought me joy.	2/18/2022 11:30 PM
43175	It brought me huge hope! The government it tyrannical and a complete disgrace. The truckers	2/18/2022 11:30 PM

were totally peaceful and represent my hopes to restore freedom.

43176	It is heartbreaking to see what is happening. Had our PM acted like a leader, things would be very different!	2/18/2022 11:30 PM
43177	it gave hope to end tyranny	2/18/2022 11:30 PM
43178	It hasn't I'm hoping they Instil change	2/18/2022 11:29 PM
43179	I was very hopeful that they would make our government lift all mandates.	2/18/2022 11:29 PM
43180	Positively	2/18/2022 11:29 PM
43181	Gave me hope	2/18/2022 11:29 PM
43182	It has been a roller coster of emotions. Its very addicting I am actually neglecting house work and personal care to tune in and cheer them on. This also is effecting my anixty because I am terrified what will happen if they lose.	2/18/2022 11:29 PM
43183	Minimally.	2/18/2022 11:29 PM
43184	Gave me hope, I felt happy again, felt pride for Canada, stood in the freezing cold to wave my flag, the science does not support the mandates and the convoy was uniting Canadians to speak up to be heard, people were laughing, smiling dancing supporting each other then the cops turned on the people they're paid to protect. Now I HATE MY COUNTRY I will never back the blue again! I believe my whole family needs to leave this communist country now	2/18/2022 11:29 PM
43185	It has given me a hope that I have not had in the past years. It lifts me up when I see their positive posts on social media.The peace, love and unity that they project is everything Canada has been and can be again.	2/18/2022 11:29 PM
43186	It has made me feel more Canadian every day!!!	2/18/2022 11:29 PM
43187	It has given me hope for a better future and for Freedom. I feel very proud to be Canadian, and have a newfound love and comradery for others. It has given me the courage and strength to stand up and speak for what I believe to be right and true.	2/18/2022 11:29 PM
43188	Giving back our freedom	2/18/2022 11:29 PM

43191	Maybe think about how brave they are and how strong they were in their beliefs that I needed to get that way too	2/18/2022 11:29 PM
43192		2/18/2022 11:29 PM
43193	When it was on its way to Ottawa and I saw the videos of the truckers and people cheering them on I felt hope and, for the first time, that I wasn't alone. Once they got to Ottawa and stayed I felt more conflicted about how they were approaching protesting, mostly with the horns going all the time. I know I wouldn't have been able to handle the constant noise.	2/18/2022 11:29 PM
43194	Made me proud	2/18/2022 11:29 PM
43195	It's brought a hope to my life for better changes in everyone life	2/18/2022 11:29 PM
43196	Peace ... Hope.... proud to be a Canadian again ...	2/18/2022 11:29 PM
43197	It has brought to my attention how the government is making rules that are eroding my freedoms. Which is in contravention to My Charter of Rights and Freedoms.	2/18/2022 11:29 PM
43198	I believe in there cause and everything they are fighting for. We are Canadian and freedom is in are constitutional rights.	2/18/2022 11:29 PM

Canadians vote on Canadian Mandate - February 2022

43202	has given hope	2/18/2022 11:29 PM
43203	I felt so much excitement and hope when they first started rolling out and driving across the country. The support I saw along the highways and roads was amazing. The media immediate labeled the convoy negatively and never gave an accurate account of the peace, love, unity, community and helping spirits that was happening. If the media could have shown the truth we could have united even more of the country.	2/18/2022 11:29 PM
43204	Gives me hope	2/18/2022 11:29 PM
43205	It has given me hope	2/18/2022 11:28 PM
43206	It had given me hope that our country men would be heard by the Government. It appears now that we have a dictator governing our country and not listening/or caring about Canadian citizens.	2/18/2022 11:28 PM
43207	It hasn't, if I could be there I would.	2/18/2022 11:28 PM

43211	I love seeing all the love.	2/18/2022 11:28 PM
43212	It has brought HOPE and seeing the love and joy was amazing to witness in videos	2/18/2022 11:28 PM
43213	Unknown at this point but a bunch of people are in trouble .. It may have been the cause of a bunch of new laws created by Trudope ,, that nobody wants to live with ,,	2/18/2022 11:28 PM
43214	I am hopeful that justin will let people decide what they want and not be mandatory	2/18/2022 11:28 PM

43217	it has exposed the trudeau gov as a dictatorship	2/18/2022 11:28 PM
43218	It has kinda divided my friends	2/18/2022 11:28 PM
43219	It hasn't other than to inspire and see that there are many other Canadians that are tired and want Canada given back to the people.	2/18/2022 11:28 PM
43220	Gave me pride in my Fellow Canadians	2/18/2022 11:28 PM
43221	Many Positives... Gave me hope for a better life , back to being free to express my opinions, which have been against lockdowns & the unhealthy jab mandates. Letting go of the divide in our communities and families . Hope for a future	2/18/2022 11:28 PM
43222	Has given me hope to get some freedoms back and the constitution be upheld again.	2/18/2022 11:28 PM
43223	none	2/18/2022 11:28 PM
43224	Standing up for Freedom for everyone in a positive and peaceful way	2/18/2022 11:28 PM
43225	The convoy gave me hope. I was suicidal and they gave me back my hope my faith in humanity and made me feel alive again.	2/18/2022 11:28 PM
43226	I do not believe the blockades are ok- but I support protesting peacefully. I am greatly encouraged that Canadians can protest for 3 weeks peacefully as a way to gain attention from a government that appears to not care what it's people think.	2/18/2022 11:28 PM
43227	Brought me hope and love again	2/18/2022 11:28 PM
43228	I have finally felt a sense of hope and pride in being a Canadian. The sense of unity has been overwhelming! Our pm is the most divisive person I have ever witnessed and I cannot believe he is still in power.	2/18/2022 11:28 PM
43229	Restored my faith in Canadians uniting once again to fix a great wrong.	2/18/2022 11:27 PM
43230	Gave me hope that there might be freedom yet!	2/18/2022 11:27 PM

43231	Yes...gave us hope!!!	2/18/2022 11:27 PM
43232	None	2/18/2022 11:27 PM
43233	Gave me hope for our God given right for bodily autonomy.	2/18/2022 11:27 PM
43234	It hasn't.	2/18/2022 11:27 PM
43235	It has given hope that there are others who also are fed up with government overreach into lives of everyday people who just desire to be left alone.	2/18/2022 11:27 PM
43236	Given us hope	2/18/2022 11:27 PM
43237	It just showed us how corrupt the government and police and media really are	2/18/2022 11:27 PM
43238	It makes it embarrassing to be Canadian.	2/18/2022 11:27 PM
43239	The trucking convoy has brought a feeling of hope! I was feeling a dark depression and witnessing so many people coming together peacefully, and celebrating, and standing up to what we feel is our basic human right to choose what goes into our bodies was liberating and uplifting. I have also lost any respect that I may have previously had for our Prime minister! His lack of respect and refusal to even speak with the truckers, and then audacity to invoke the emergencies act is deplorable.	2/18/2022 11:27 PM
43240	I finally have hope again! Few stood with nurses/ health care workers. Truckers represent so much more of the fabric of this country. Thank you Truckers for standing for freedom!	2/18/2022 11:27 PM
43241	Gave me a sense of nationalism	2/18/2022 11:27 PM
43242	It has given me hope and new energy to get involved. This has been crushed by the insane, non sensical government response. I'm now ready to join the cause that is clearly more important than we expected	2/18/2022 11:27 PM
43243	Gives me hope that we can get our freedoms and lives back to normal	2/18/2022 11:27 PM
43244	Gave me hope and a new found respect for our Canadian brothers and sisters. Feeling of Canada unifying	2/18/2022 11:27 PM
43245	Not at all	2/18/2022 11:27 PM
43246	The convoy had brought hope to many. Personally, I am proud of them and the peaceful protestors from across Canada that have supported them. The truckers are standing up to a government that wants to control the people, not work for the people. We have a PM who went into hiding rather than take the time to address the truckers, has walked out of cabinet meetings at least 3 times and as constantly name calling. He is a coward. To them truckers, I would say thank you and god bless you. ♥	2/18/2022 11:27 PM
43247	It has encouraged me, I may not agree with everything but I appreciate that they did what they believe in peaceably. I am appalled with the prime minister	2/18/2022 11:27 PM
43248	It has not in any way	2/18/2022 11:27 PM
43249	Not	2/18/2022 11:27 PM
43250	Gave me hope for this country.	2/18/2022 11:27 PM
43251	It gave me hope. Even tho I recognize the downside of empty grocery store, it worth the cause.	2/18/2022 11:27 PM
43252	Love it and totally support	2/18/2022 11:27 PM
43253	Given me hope for sanity and freedoms to return	2/18/2022 11:26 PM
43254	The truckers convoy has given me so much joy and excitement. It's made me feel so proud to be Canadian. It has moved me to feel the unity across my home country try and around the world, province and town, the place where I grew up. I feel the love of God working. I feel more strength and drive to make a difference for myself, family, those around me and for all those around the world. It's given me hope for peace freedom and free will. It's strengthen me with my walk with the Lord Jesus christ.	2/18/2022 11:26 PM
43255	They have given me hope that there is still compassionate people left in Canada.	2/18/2022 11:26 PM

43259	It's what we've needed for the last two years.. we are all fighting for Canada	2/18/2022 11:26 PM
43260	They make me proud to be a Canadian. They have brought so much to the country and the world. Nice to see the government's scared and running with their peckers up their butts. Cheers!	2/18/2022 11:26 PM
43261	Created hope that this country would go back to the way it was and the freedom we once had.	2/18/2022 11:26 PM
43262	Inspired me to find hope and believe in our nation again.	2/18/2022 11:26 PM
43263	Created fear and hate in my kids lives. Which led to being bullied at school for wanting to keep the mask mandate. Stupid truckers.	2/18/2022 11:26 PM
43264	I 100% support them, they are our spoke people, too unfortunate that the government does not listen to the people. The only time they are interested in peoples opinion is when they need our votes. The current circumstances showed how deceiving the government and the mainstream media is! We see the trough, no point to hide it. It just all made it worse!	2/18/2022 11:26 PM
43265	It has made me happy to see people come together to fight for our freedom	2/18/2022 11:26 PM
43266	Gave me hope	2/18/2022 11:26 PM
43267	Freedom	2/18/2022 11:26 PM
43268	It hasn't.	2/18/2022 11:26 PM
43269	There fighting for our rights and freedom. That's what being Canadian is about.	2/18/2022 11:26 PM
43270	It has brought hope and peace love and hope for a future...all peaceful	2/18/2022 11:26 PM
43271	It's given me hope for the future and extreme pride in Canada	2/18/2022 11:26 PM
43272	Hope	2/18/2022 11:26 PM
43273	Only positive. Made me aware that many Canadians want the mandates to end. Makes me almost proud to be Canadian again. Until this emergency act communist power grab!	2/18/2022 11:26 PM
43274	They're idiots who make us look bad; are holding a city hostage and need to go home	2/18/2022 11:26 PM
43275	Shows us how proud we are and need to stand together against this tyranny	2/18/2022 11:26 PM
43276	Can see that the government handled that situation very badly. They could have had peaceful talks.	2/18/2022 11:26 PM
43277	Given hope	2/18/2022 11:26 PM
43278	It has given me hope and pride again in my country's unity. Also the hope of freedom.	2/18/2022 11:26 PM
43279	I got hope for the future and freedom!	2/18/2022 11:26 PM
43280	It has not so far	2/18/2022 11:26 PM
43281	Encouraging	2/18/2022 11:26 PM
43282	Given me hope and faith in humanity	2/18/2022 11:26 PM
43283	It has made me aware of how many Canadians are fed up of government over reach. I am proud of being a Canadian and proud of how the peaceful convey protests have influenced so many other countries. But I am ashamed of our Canadian government and most provincial leaders who opted all this time to lead with fear and rhetoric rather than logic, common sense and actually looking at what the scientific data was showing.	2/18/2022 11:26 PM
43284	Gave me hope for humanity, and this country	2/18/2022 11:26 PM
43285	I haven't felt so much pride in my life!! I have been choked up everyday since it started, until today. I have never been more ashamed of our government	2/18/2022 11:25 PM
43286	Has brought the love of neighbour's and country back and given us hope that the segregation	2/18/2022 11:25 PM

Canadians vote on Canadian Mandate - February 2022

we have felt for the past 2 years may have an end in site. We have joined in with the convoys here in BC and it was an amazing and heartfelt experience to share the love of Freedom and country with so many peaceful and passionate patriots. We know we are not alone like we have felt for the past 2 years.

43287	Indifferent	2/18/2022 11:25 PM
43288	Hope...	2/18/2022 11:25 PM
43289	It's given us a new pride in our fellow Canadians. The fact that they held a three week protest without looting or hurting anyone, that the streets are reportedly cleaner and the crime rate went down was exciting and impressive and I believe showed true Canadian spirit.	2/18/2022 11:25 PM
43290	HOPE,... like minded people working towards common goal for freedom.	2/18/2022 11:25 PM
43291	they did great until they stepped over the line and started disrespecting and taking food from our homeless. The salvation army as had an endless mission of trying to feed and shelter the increasingly large amount of Canadians that have been forced out of affordable housing to be left homeless. These people have a hard enough time just surviving without the disrespect of the truckers. In my opinion the truckers let the power go to their heads and lost guidance to why they were fighting and what they were fighting for.	2/18/2022 11:25 PM
43292	I support them...	2/18/2022 11:25 PM
43293	sparked some interesting debates and a voice otherwise silenced by our medical politicians	2/18/2022 11:25 PM
43294	Gave me hope in humanity again..	2/18/2022 11:25 PM
43295	Showed my kids what freedom is and how Canada really is	2/18/2022 11:25 PM
43296	They have given me hope in the power of the people	2/18/2022 11:25 PM
43297	Put a smile on my face	2/18/2022 11:25 PM
43298	Has not	2/18/2022 11:25 PM
43299	It has given me joy to continue on knowing that there are people that are willing to fight for freedom	2/18/2022 11:25 PM
43300	I am proud to be Canadian. I am preoccupied with events in Ottawa hoping everyone remains safe. Hard to concentrate and get work done.	2/18/2022 11:25 PM
43301	Someone finally stepped up.	2/18/2022 11:25 PM
43302	Not one bit but I wish them well hopefully they succeed	2/18/2022 11:25 PM
43303	Made me very patriotic as well made me proud to be a Canadian again	2/18/2022 11:25 PM
43304	Given me hope.	2/18/2022 11:25 PM
43305	Gives one hope...	2/18/2022 11:25 PM
43306	It has brought hope back to our lives. A renewed love for the citizens of Canada. We are from a small town so we always felt alone and the convoy allowed people to speak out and realize we are not alone.	2/18/2022 11:25 PM
43307	Gave me some hope for the future of Canada	2/18/2022 11:25 PM
43308	It has given me hope for positive change and freedom	2/18/2022 11:25 PM
43309	It has given us the first glimmer of hope that Canada is not lost to the dictatorship of communism that Trudeau obviously has in mind for all Canadians. His actions to the peaceful and strongly supported trucker protest proves what Trudeau wants to force on our "free" country.	2/18/2022 11:25 PM
43310	It has made a positive awareness of the people who don't want to get vaccinated or have and still have mandates imposed on them anyways The media is very biased and untrustworthy because they did not show the truth about how peaceful the convoy and protesters were/are	2/18/2022 11:25 PM
43311	Given me hope	2/18/2022 11:24 PM
43312	Gave me hope where I thought there was none.	2/18/2022 11:24 PM

43313	I felt so proud that those big rigs were coming to fight for us. especially us who are being shamed for not being vaccinated. it has ignited an excitement and hope about an end. I am proud of them.	2/18/2022 11:24 PM
43314	It has not	2/18/2022 11:24 PM

Was amazing to see the smiles and everyone coming together! Smiling with no fucking masks on! Hugging! High fiving! Just pure love!!!	2/18/2022 11:24 PM
43318	It has given me hope to see others share how I feel about the mandates. Passports and mandates must be removed!	2/18/2022 11:24 PM
43319	I don't understand why they are doing what they are doing	2/18/2022 11:24 PM
43320	Brought me hope that Canadians could regain their freedoms	2/18/2022 11:24 PM
43321	The convoy has given me hope for a society where our life once was. I watch as many interviews on social media to be updated at all times. I am disappointed in the leader of this country.	2/18/2022 11:24 PM
43322	Invigorated me.	2/18/2022 11:24 PM
43323	Created awareness for mandates and what we as Canadians want	2/18/2022 11:24 PM
43324	Hope...just hope and brought me back to realizing Canadians do still stand together	2/18/2022 11:24 PM
43325	I get back hope that we will come back to normal I went there and pure piece and love	2/18/2022 11:24 PM
43326	They make me proud I support them percent they are standing up for our rights I am happy that they started this now it's our turn to do the same	2/18/2022 11:24 PM
43327	Positively. Given me hope and finally feeling proud to be Canadian again	2/18/2022 11:24 PM
43328	It's given me hope.	2/18/2022 11:24 PM
43329	They haven't I'm happy they are standing up for me	2/18/2022 11:24 PM
43330	It has given me a spark of hope and a sense of belonging, a reason to keep fighting for myself, my children, and all human beings.	2/18/2022 11:24 PM
43331	It makes me happy	2/18/2022 11:24 PM
43332	I'm ready to call a mental health line for help. This is outrageous treatment of these freedom fighters. Trudeau is a communist and I don't understand how he can run our country into the ground. We need help.	2/18/2022 11:24 PM
43333	None	2/18/2022 11:24 PM
43334	Love to see Canadians stand together	2/18/2022 11:24 PM
43335	Gives me hope, made me feel like I wasn't alone with how I felt, gave me a little faith in government when watching the conservatives debate and stand with the people, made me see how evil Trudeau is	2/18/2022 11:24 PM
43336	It hasn't	2/18/2022 11:24 PM
43337	Bring hope	2/18/2022 11:24 PM

Canadians vote on Canadian Mandate - February 2022

43342	Gave me hope and made me so proud to be Canadian	2/18/2022 11:24 PM
43343	Inspirational!	2/18/2022 11:24 PM
43344	Made me feel there is hope in Ottawa. Not at the borders.	2/18/2022 11:24 PM
43345	Not at all	2/18/2022 11:24 PM
43346	I'm embarrassed by the flying of the Canadian flag. As someone who has travelled Europe, and wore the flag as a symbol of pride, this saddens me. I hate how a small minority feel their beliefs and needs outweigh the feelings, safety and protection of the rest of us.	2/18/2022 11:24 PM
43347	Gave us hope, united Canada, stood for freedom	2/18/2022 11:24 PM
43348	Restored faith in people and given hope that we are not alone in how we feel	2/18/2022 11:24 PM
43349	It's given me hope for the first time since March 2020 and made me feel proud to be Canadian again. Up until Justin Trudeau came out of hiding. Now I'm scared to be a Canadian living in Canada.	2/18/2022 11:24 PM
43350	It hasnt	2/18/2022 11:24 PM
43351	Hope	2/18/2022 11:24 PM
43352	It has given me hope that humanity will win and fight for our freedoms back. Made me realize how government has over reached their powers. Has confirmed we have a dictator running this country. And that Evil will always resort to violence and how many nazi's we have in this country. People can totally be purchased with the promise of wealth. Humans really need help. Socialism has crept in Waaaaay too far.	2/18/2022 11:24 PM
43353	It hasn't	2/18/2022 11:24 PM
43354	It hasn't. I wish them all the best.	2/18/2022 11:24 PM

43358	I found encouragement.	2/18/2022 11:23 PM
43359	Did not	2/18/2022 11:23 PM
43360	Has not	2/18/2022 11:23 PM
43361	Not at all	2/18/2022 11:23 PM
43362	Blessed me from the beginning, especially seeing how it has brought the country together. I still hope to participate in one of the convoys.	2/18/2022 11:23 PM
43363	By renewing a sense of hope in our otherwise complacent Canadian public.	2/18/2022 11:23 PM

43367	Freedom	2/18/2022 11:23 PM
43368	Giving me hope that I am not the only one seeing the liberticide measures pur in place by Trudeau and his party	2/18/2022 11:23 PM
43369	It gave hope, it restored unity, it showed that the majority of Canadians are not in agreement with how things are being handled. It also brought the "other side" of the story into the mainstream instead of the constant feed of government propaganda.	2/18/2022 11:23 PM
43370	It finally gave me hope for returning back to a normal way of life.	2/18/2022 11:23 PM

	our rights back.	
43373	It actually made me proud to be a Canadian again. Gave me hope to get out of this ridiculous mess of the government's doing. I'm appalled at what our government has done to end the convoy and not the mandates I guess it's made me more determined to seek truth in all of this virus business	2/18/2022 11:23 PM
43374	It gave me hope again.	2/18/2022 11:23 PM
43375	Not sure	2/18/2022 11:23 PM
43376	It has given me so much hope in these last 2 years. I have felt so much pride in our country- that I haven't felt in a long time	2/18/2022 11:23 PM
43377	it has given us hope	2/18/2022 11:23 PM
43378	In a positive way	2/18/2022 11:23 PM
43379	It hasn't	2/18/2022 11:23 PM
43380	Given me hope For the first time in two years that things might get better	2/18/2022 11:23 PM
43381	It has made me finally feel some hope. I have had not hope for the past few years and the truckers uplifted me. I am so proud to be a part of Canada, and am so so grateful for every single person involved in anyway with the convoy.♥I am also very discusted with how the media and our prime minister has handled this peaceful protest. It is illegal and bullshit. Hopefully the truckers can help us get out of the hell hole jail! GO TRUCKERS!!	2/18/2022 11:23 PM
43382	It has given me hope, that the government might listen too the people.	2/18/2022 11:23 PM
43383	It has given me hope and sparked an interest in pushing forward harder.	2/18/2022 11:23 PM
43384	It hasnt	2/18/2022 11:23 PM
43385	I have pride and confidence in my countrymen again. The brave truckers and protesters...not the frightened sheep.	2/18/2022 11:23 PM
43386	It made me proud to be canadian again and gave me hope this horrible time was near an end.	2/18/2022 11:23 PM
43387	My observation through following visitors live feed that was taken while at the demonstration made me proud to see so many only acting with peaceful intent to get their message to the government concerning the mandates. I'm extremely disappointed in how the governments but especially how Trudeau has failed in the way he has dealt with the situation. He's a disgrace to Canadians. He hasn't helped the covid situation. As a protege of Klaus Swab & his desire for New World Order, this should cause him to be thrown out of the government. He only cares about power & control & has no thought for the general welfare of Canadians.	2/18/2022 11:23 PM
43388	Hasn't	2/18/2022 11:23 PM
43389	Encouraged me that they are standing up to the power grabbing dictator who is currently our PM.	2/18/2022 11:23 PM
43390	United Canadians, Gave me hope for an honest democracy	2/18/2022 11:23 PM
43391	I have been watching Trudeau's tyranny grow and it's very upsetting.	2/18/2022 11:23 PM
43392	United Canadians; proud they are standing up for rights and freedoms; emotional; brought to light what a tyrannical dictator and lowlife Trudeau actually is.	2/18/2022 11:23 PM
43393	Gave me validation and hope	2/18/2022 11:22 PM
43394	Gave me hope in mankind again. People have become so horrible and hateful to each other. It gave me hope again and made me not feel alone with in the illogical events i was witnessing	2/18/2022 11:22 PM
43395	It hasn't affected me personally as there hasn't been anything in my town, but I don't agree with it and it's disheartening to see.	2/18/2022 11:22 PM
43396	It's given me hope	2/18/2022 11:22 PM
43397	It hasn't. I'm glad someone was willing to stand up for the civic rights of Canadians even if they don't know they needed them to. I find it interesting that the government could shut down our country for months on end, dole out millions of dollars to have people stay home and do	2/18/2022 11:22 PM

Canadians vote on Canadian Mandate - February 2022

nothing and that was totally fine, but when a few people are willing to sacrifice earnings to stand up and give a voice to what they believe is a breach of our constitutional rights as Canadians, they become the ultimate bad guy / evil doers and Law breakers in the eyes of the current prime minister. What about what he has done to take away my personal rights or those of others. I'm vaccinated and that was my choice to choose. It should be their choice to choose. Some of us felt bullied into making that choice or loose our livelihood. Some people lost their right to work in their fields that they spent many years of study and thousands of dollars to achieve because they chose not to put the vaccine into their bodies. This is criminal and a personal robbery of all they have worked hard to achieve.

43398	I think they got point across	2/18/2022 11:22 PM
43399	It hasn't affected me personally. But love seeing it	2/18/2022 11:22 PM
43400	Has me more focussed to Fight for freedom	2/18/2022 11:22 PM
43401	It has not affected me at all I'm all for freedom of speech without repercussions	2/18/2022 11:22 PM
43402	They did not in anyway affected my life ...they are fighting against the change from democracy to fascism communism ...the entire country should stop working, withdraw all their cash from banking org until trudeau resign not just remove all mandates, now we know whom he is exactly and they are no space for fascist like him in politics and leadership.	2/18/2022 11:22 PM
43403	It has given my family so much hope for a future with freedom	2/18/2022 11:22 PM
43404	It has given me hope	2/18/2022 11:22 PM
43405	It has sparked a positive feeling of hope to end the madness the globalist have fear mongered us into a state of mindless compliance!!	2/18/2022 11:22 PM
43406	Gives hope	2/18/2022 11:22 PM

43411	Give me hope for our freedom	2/18/2022 11:22 PM
43412	It has inspired me to be hopeful & happy.	2/18/2022 11:22 PM
43413	It is making me happy to be a Canadian again and if I could be down there with them I would.	2/18/2022 11:22 PM
43414	Tremendously- they gave me hope and courage. They restore my faith in humanity and proved that Love conquers all! The truth will always prevail...	2/18/2022 11:22 PM
43415	I pray they can give us freedom	2/18/2022 11:22 PM
43416	Gives me hope that we can turn around what is happening (the shutting out unwanted people from society)	2/18/2022 11:22 PM

43422	They have given us hope that there are likeminded people out there around us, even though the media tries its best to make all of us seem like a minority.	2/18/2022 11:21 PM

Canadians vote on Canadian Mandate - February 2022

43423	It has shown the truth that the Mandates are a JOKE!!!!	2/18/2022 11:21 PM
43424	Given us hope	2/18/2022 11:21 PM
43425	Gave me hope	2/18/2022 11:21 PM
43426	Only indirectly, but I admire their courage and stand. The government is taking on too much power and manipulation and is not working within the laws of the land. We are no longer seeing our democracy at work.	2/18/2022 11:21 PM
43427	Brought a ray of hope	2/18/2022 11:21 PM
43428	It's given me hope, they gave CDN's a voice as so many of us are to scared to share our opinions & views. It was amazing to see all the flags, the support & the peaceful organized protest. Patriotism above & beyond.	2/18/2022 11:21 PM
43429	It has given us hope, brought my community together, and helped me to see that there is something good in Canada	2/18/2022 11:21 PM
43430	Given me hope	2/18/2022 11:21 PM
43431	It hasn't.	2/18/2022 11:21 PM
43432	They give life to an ignorant ,scared and gullible country	2/18/2022 11:21 PM
43433	It has given me hope that maybe they can put pressure on the gov to remove the mandatesm so I can feel joy and once again live my life as a free Canadian citizen. I was able to go to Ottawa to thank the truckers personally. It was the best few days of the last two years.	2/18/2022 11:21 PM
43434	Given me a degree of happiness and restored my pride in Canadian people	2/18/2022 11:21 PM
43435	It has opened my eyes to the fact that no matter, what your protesting as long as the government agrees with you you have right to protest if they don't agree with you then your rights don't apply.I don't think it was too much to ask for a plan to get this country out of a state of emergency during COVID I don't agree with blocking trade but I think it probably would have had a different outcome if someone from the government would have heard them out. After all our government is supposed to be the voice of the people.	2/18/2022 11:21 PM
43436	It has brought forward how elected officials forget who they actually work for and represent.	2/18/2022 11:21 PM
43437	It has given me hope because someone is finally standing up to Trudeau and his lies and law breaking and oppressing Canadians.	2/18/2022 11:21 PM
43438	I feel like we have hope again. Never thought I'd see so many happy smiling people in one place again. Proud of Canadians 1st time in long time. And Thankful for the truckers who were brave enough to get it all going.	2/18/2022 11:21 PM
43439	The excessive noise was to much and many used the truckers as an excuse to stand up for many other things that I didn't feel were revelant to the original cause.	2/18/2022 11:21 PM
43440	The trucker convoy has not directly affected my day-to-day life but I hope it will affect the remaining future I have here.	2/18/2022 11:21 PM
43441	It has given me renewed hope pride and joy	2/18/2022 11:21 PM
43442	0%	2/18/2022 11:21 PM
43443	Seen it give fellow Canadians hope and courage to hold the government accountable for mismanagement, lies, misleading information and for speaking in a condescending manner to the public that they are hired to work for.	2/18/2022 11:21 PM
43444	They have given us hope , we pray for strength, safety, and that their voices will be heard.	2/18/2022 11:21 PM
43445	It's given me hope. Makes me feel Canadian again. Makes me feel proud of the unity of the people. We have had a wedge driven between us all, separating friendships, family and social activities. This gives me hope that the people will be herd instead of being ignored. It's a reminder that we the working people built this nation with hard work sweat and tears. It's not a fringe minority. Their are plenty who have had enough of government over reach and just want to have the freedom to choose and rites they deserve. It has woken me up to the corruption that has been placed in our societies by a tyrannical government.	2/18/2022 11:21 PM
43446	It has given me hope against the tyrant Federal gov't.	2/18/2022 11:21 PM

43474	Given hope for freedom!	2/18/2022 11:20 PM
43475	Not impacted personally but division over this response is tearing families and communities, not to mention our country apart! I am ashamed of the cowardly non-response of our Prime Minister, Justin Trudeau who has NOT had the decency or courage to meet with Canadian citizens with regard to their deep concern over the impact of the overreaching government mandates that should have been rescinded by now! The Prime Minister's actions are reprehensible.	2/18/2022 11:19 PM
43476	I am very very thankful for all the truckers that are going to fight for their and my freedoms and I am very concerned for their lives and their children's	2/18/2022 11:19 PM

43530	Pride of the people	2/18/2022 11:18 PM
43531	Felt unity, empowerment to stand up for what was right and speak out against what was going wrong especially government over reach and illegal mandates. Brought hope and fellowship. Gave me faith that all people weren't self centered arrogant opinionated jerks. I also saw i am not the only one who still believed in the Constitution and Charter of rights, and realised there are many others who feel our democracy is in serious jeopardy.	2/18/2022 11:18 PM
43532	I has brought me hope and loved seeing Canadians coming together (all ethnicity) fighting toward freedom. Our government has destroyed our country. All parties, a complete government makeover is needed, including how the seats are divided across the country. They are completely unfair for anyone west .	2/18/2022 11:18 PM

43554	They are standing up for our rights and freedoms	2/18/2022 11:17 PM

43557	It's given me the only true hope I've had in over 2 years! They are super hero's without capes ... they're the true peace protestors that will forever be held high in my heart, and they've given me back my pride in being Canadian - something I thought forever lost!	2/18/2022 11:17 PM

43578	Made me happier	2/18/2022 11:16 PM
43579	The convoy give me hope and restored my fate in humanity and in my fellow Canadians. I thought the entire country was asleep.	2/18/2022 11:16 PM
43580	Very positively. It has given hope to a better future.	2/18/2022 11:16 PM
43581	Promoted patriotism	2/18/2022 11:16 PM
43582	It gives me hopeful the first time in 2 years. Hope that there are lots of Canadians that still believe in free choice and freedom. Right now the police brutality at the convoy on Feb 18th, 2022 is heartbreaking. Shame on those officers.	2/18/2022 11:16 PM
43583	Hope and pride	2/18/2022 11:16 PM
43584	I have hope in humanity again.	2/18/2022 11:16 PM
43585	Gave me hope	2/18/2022 11:16 PM
43586	We spend our weekends supporting it and participating in events and convoys. They are uniting Canadians and giving them hope and showing us we are not alone.	2/18/2022 11:16 PM
43587	Stressful that this effects ALL our Rights!!!! I am sorry that it has come to this point. I am glad somebody figured out a way to be heard for the rest of us. Please Listen!!!!	2/18/2022 11:16 PM
43588	It has given some hope. But now they are trampling people to death. Those who stand for freedom, it is lawlessness on the part of the government! Civil rights have been trampled.	2/18/2022 11:16 PM
43589	Not all	2/18/2022 11:16 PM
43590	It gives me hope that there are WAY more amazing, supportive, caring Canadians out there, rather than corrupt, money hungry politicians	2/18/2022 11:16 PM
43591	They are embarrassing.	2/18/2022 11:16 PM
43592	They are the heroes we need. If I could I'd join them.	2/18/2022 11:16 PM
43593	It has renewed my faith in fellow Canadians fighting for basic Freedoms	2/18/2022 11:16 PM
43594	Not at all...except for the hired thugs !	2/18/2022 11:16 PM
43595	Its made me realize that Canadains just want there freedom.	2/18/2022 11:16 PM
43596	N/A	2/18/2022 11:16 PM
43597	Yes. It gave me hope! I fully support the truckers.	2/18/2022 11:16 PM
43598	The convoy has not affected my life at all - I say good for them for standing up for what they believe in (and lots of them are vaccinated as well) I personally know people who are there. PEACEFULLY. protesting and can you believe the lowball slimy tactics of the government??? Shame on them ..	2/18/2022 11:16 PM
43599	It really hasn't affected my life but I am so very proud of those guys standing up for the rights our rights I would always support them 100% but I didn't have to listen to blaring horns for three weeks either and what I was so proud of they were so very very peaceful peaceful protest thank God they did what they did people just do not realize how important our truck drivers are outstanding job you guys like I say I'm very proud of you and proud to be a Canadian again because it wasn't looking too good for me there anyway again thank you for the questionnaire	2/18/2022 11:16 PM

Canadians vote on Canadian Mandate – February 2022

43600	They have given me hope.	2/18/2022 11:16 PM
43601	Not at all. I do not live close to the main convoy in Ottawa, but believe it is for a good cause. At least it got the ball rolling. Any negativity going on at the event is likely paid for by the government add-mixing fake “protesters” to make a mockery of the event and the people their fighting for freedom. That is what will be shown and covered by the mainstream media.	2/18/2022 11:16 PM
43602	Not at all, except for something interesting to watch and read. Better than the major networks.	2/18/2022 11:16 PM
43603	I am their supporter!	2/18/2022 11:16 PM
43604	It has made us feel like there is some hope and that we are not alone and very proud of the Canadians bravely standing up for our freedoms and to be treated equally not segregated because of our personal medical choices!	2/18/2022 11:15 PM
43605	Given hope, encouragement and courage. Made me proud of my fellow Canadians and even more ashamed of our government.	2/18/2022 11:15 PM
43606	Positively. This has been the only thing in two years that has actually given me hope	2/18/2022 11:15 PM
43607	Thankfully in Alberta the REP vaccine mandate has ended	2/18/2022 11:15 PM
43608	Not at all	2/18/2022 11:15 PM
43609	It has deeply saddened me to tears to see the Prime Minister treat the working people of this country with such distain and disrespect. I am simply horrified.	2/18/2022 11:15 PM
43610	No. Anything the trucker convoy has supposedly stopped has already been stopped by the government for over 2 years	2/18/2022 11:15 PM
43611	It gave me hope that things could get better and then our government ruined that too, and now they're persecuting those poor people for trying to stand up for our rights and make our country what it should be. That protest wasn't illegal and what the government is doing us despicable.	2/18/2022 11:15 PM
43612	I live in BC,a province that has not been directly affected by the trycking convoy. But,I hope that fight for freedom will be won,and in that sense,it will affect me enormously,in a positive way,of course.	2/18/2022 11:15 PM
43613	It has affected my life but has given me a renewed hope that not everybody are sheep	2/18/2022 11:15 PM
43614	Gives me hope for a future of FREEDOM	2/18/2022 11:15 PM
43615	Thankful they are standing up for freedom and they all say they are doing it for their children and grandchildren. They are brave.	2/18/2022 11:15 PM
43616	I think it's good they are doing this for there country. It shouldn't have to come to this but our current government is not in it for the people	2/18/2022 11:15 PM
43617	It has given me hope and a community I can count on.	2/18/2022 11:15 PM
43618	Bringing this country together something we are in dire need off. We will always have those that oppose but we have not let alone I have not seen this country come together in my life time and this needs to be remembered. Look at the movement we have started across the world!	2/18/2022 11:15 PM
43619	The convoy has given me hope and faith in humanity, but the response to it has given me nothing but disgust for the government	2/18/2022 11:15 PM
43620	Nothing negatively. I support their peaceful protest	2/18/2022 11:15 PM
43621	It's given me hope.	2/18/2022 11:15 PM
43622	The truckers have stood up and given us hope that we will be listened to by the Prime Minister in the hopes that he will restore this great country back to being a country that is envied by many people around the world who would love to be a Canadian citizen! Justin Trudeau doesn't care about any of the citizens of Canada and certainly has no respect or empathy for what we've all been going through! His rhetoric and name-calling and his deliberate attempt to divide us is just wrong !! I'm grateful to the convoy for bringing Canadians together and showing the love that we all have for our country, for our fellow man, and for God! Thank you for producing this survey and allowing all of us to speak and be heard!	2/18/2022 11:15 PM

43623	It has not.	2/18/2022 11:15 PM
43624	Not at all other than take up time reading reports of what's happening and time spent excited for the changes we're seeing!	2/18/2022 11:15 PM
43625	It gave absolutely every single Canadian hope !	2/18/2022 11:15 PM
43626	Showed how much love Canadians have for each other. We await a "better day" praying that God heals our Nation	2/18/2022 11:15 PM
43627	Hope!!!!	2/18/2022 11:15 PM
43628	Hard time getting to my job in Ottawa	2/18/2022 11:15 PM
43629	LOVE IT. I CAN SMILE AGAIN ..FUCK TRUDEAU. FUCK THE RCMP.	2/18/2022 11:15 PM
43630	Nothing affecting	2/18/2022 11:15 PM
43631	Brought me hope! GOD BLESS THEM! I'M A PROUD CANADIAN BECAUSE OF THEM	2/18/2022 11:15 PM
43632	Gave me hope	2/18/2022 11:15 PM
43633	At first it restored my faith in mankind that so many people were willing to stand up for their rights to a tyrannical government but that has once again been lost as the hateful part of society labeled and spat on those peacefully protesting government actions.	2/18/2022 11:15 PM
43634	Restored faith in the humanity	2/18/2022 11:15 PM
43635	Gives me hope. they have given up so much to fight for our freedom	2/18/2022 11:15 PM
43636	They have given me hope that maybe there is an end in sight.	2/18/2022 11:15 PM
43637	It has given me hope that the mandates and vax passports will end soon.	2/18/2022 11:15 PM
43638	Brought hope and pride to our country. I so appreciate seeing our Quebec brothers CC and sisters standing up and speaking so eloquently. Thank you!!!!	2/18/2022 11:15 PM
43639	Positive. Makes me happy to be Canadian, it's been awhile. Makes be feel like there's light at the end of the tunnel!	2/18/2022 11:15 PM
43640	It gave me hope. I understand how the citizens of Ottawa have been adversely affected, but the federal government, and provincial government have bulldozed Canadian rights and destroyed the right to choose our personal health. Conscientious objection is a valid choice with an experimental emergency approved pharmaceutical . Proof of vaccine mandates are an overstep from a controlling group of people with no training.	2/18/2022 11:15 PM
43641	I support them 100%. They are fighting for everyone's freedom.	2/18/2022 11:15 PM
43642	Gave me hope	2/18/2022 11:15 PM
43643	It's given me hope and made me proud to be Canadian, again.	2/18/2022 11:15 PM
43644	It's brought me hope again, hope for freedom and unity with other likeminded peaceful, loving people. Sadly it has continued the division with friends as well.	2/18/2022 11:15 PM
43645	It's ran by white supremacist neo nazis that's affecting businesses in Ottawa.	2/18/2022 11:14 PM
43646	They've given me hope. But realistically my life has not been affected so far	2/18/2022 11:14 PM
43647	Nothing	2/18/2022 11:14 PM
43648	None of your business	2/18/2022 11:14 PM
43649	joy, celebration, hope, cheers, sense of wonder and amazement, deep gratitude, peace, encouragement etc.	2/18/2022 11:14 PM
43650	I am uncertain it has. Other then the fact there's people out there willing to stand up and bring to light what's really going on.	2/18/2022 11:14 PM
43651	Made us hopeful that someone would listen to truth and common sense until Trudeau started accusing peaceful protesters in hatred and anger, refusing even to listen.	2/18/2022 11:14 PM
43652	It has given us and the world hope from the plandemic and the 2030 agenda	2/18/2022 11:14 PM

43675	Positively. It has given me hope for the future	2/18/2022 11:14 PM
43676	Didn't affected my life blin negative way.	2/18/2022 11:14 PM

Canadians vote on Canadian Mandate - February 2022

43690	It does not affect me	2/18/2022 11:13 PM
43691	This is a silly question. What part of the "trucking convoy" is this referring to? The original intent to make a statement and stand for individual vs collective rights? Or the bandwagoners who have decided to block highways at random intervals waving flags? It's such a loaded and nuanced situation that just saying you're "for" or "against" it is meaningless at this point.	2/18/2022 11:13 PM
43692	It encouraged me to know that there are other like minded Canadians out there.	2/18/2022 11:13 PM
43693	Gave Hope and Unity to our broken and divided/segregated Country. Our rights are God given and innate. No government should have this kind of power in a democracy. Thank God for our Truckers.	2/18/2022 11:13 PM
43694	They are amazing and gave me hope.	2/18/2022 11:13 PM
43695	...not at all...	2/18/2022 11:13 PM
43696	It's reminded me of humanity in all walks of life	2/18/2022 11:13 PM
43697	Given me hope	2/18/2022 11:13 PM
43698	It hasn't	2/18/2022 11:13 PM
43699	Something positive in this messed up country	2/18/2022 11:13 PM
43700	no	2/18/2022 11:13 PM
43701	I believe the convoy has slowed the progress of ending mandates in Ontario and Canada. Those organizers certainly have egg on their faces now. Cowards who condone anarchy and breaking the law. For shame.	2/18/2022 11:13 PM
43702	Given hope.	2/18/2022 11:13 PM
43703	Not at all	2/18/2022 11:13 PM
43704	It's given me so much hope for the future for me and my kids	2/18/2022 11:13 PM
43705	Gave me hope	2/18/2022 11:13 PM
43706	It has brought hope for the first time in years that perhaps Canada still might be strong and free.	2/18/2022 11:12 PM
43707	It gives hope for a future.	2/18/2022 11:12 PM
43708	Given hope for Canada once again!!!	2/18/2022 11:12 PM
43709	Hopefully the mandate go away	2/18/2022 11:12 PM
43710	Giving hope	2/18/2022 11:12 PM
43711	I have hope again. Joy, excitement. Proud to be Canadian again.	2/18/2022 11:12 PM
43712	It lifted me up, found hope and life again.	2/18/2022 11:12 PM
43713	It has embarrassed me and caused division amongst friends and family.	2/18/2022 11:12 PM
43714	It hasnt	2/18/2022 11:12 PM
43715	Given me hope and courage that there are others out there who feel the same and want our rights and freedoms back	2/18/2022 11:12 PM
43716	No	2/18/2022 11:12 PM
43717	Giving hope for better life for humanity	2/18/2022 11:12 PM
43718	Hasn't	2/18/2022 11:12 PM
43719	They disgust me on a daily basis and make me tell at my TV.	2/18/2022 11:12 PM
43720	Gave hope	2/18/2022 11:12 PM
43721	It has given me hope that there are others out there who are seeing things the way I do - namely that the reaction to the coronavirus has been more damaging than the virus itself.	2/18/2022 11:12 PM

Canadians vote on Canadian Mandate - February 2022

43722	No so far	2/18/2022 11:12 PM
43723	Inspired me to voice my opinions that this mandate is tearing the country's lives apart, dividing people, turning friends against another. Destroying livelihood and will to live.	2/18/2022 11:12 PM
43724	It has brought me hope	2/18/2022 11:12 PM
43725	I am delighted and they can take as long as they like. They are trying to bring freedom to this tyranny of the Trudeau government	2/18/2022 11:12 PM
43726	Just prices at grocerie stores	2/18/2022 11:12 PM
43727	Made me see our government is no longer democratic!	2/18/2022 11:12 PM
43728	Freedom	2/18/2022 11:12 PM
43729	It made me proud to be a Canadian. A large group of ordinary people stood up for all Canadians for their right to choose what goes in their body, to travel, to breathe fresh air! They are standing up to the dictatorship & tyranny that has become Canada - not the "glorious & free land" described in our national anthem.	2/18/2022 11:12 PM
43730	Has raised awareness for the discriminatory practices and exposed the corruption in the government	2/18/2022 11:12 PM
43731	It has given me hope for the first time in 2 years. I'm aware it is not a perfect movement, show me one that is, but i don't want to lose another 2 years of my life waiting for another chance. It has given me new friends and connections to help with the total isolation. It's made me realize what is most important to me. I am utterly disgusted to see how the media lies to us. I left a totalitarian country for freedom and Canada is WORSE.	2/18/2022 11:12 PM
43732	Given me hope	2/18/2022 11:12 PM
43733	Gives me hope for our country! That we may go back to peace!	2/18/2022 11:12 PM
43734	Gave us hope, unites the Country, fighting for freedoms that everyone wants yet was afraid to say anything, being prisoners in our own Country under this dictatorship. I want Trudeau to resign, and in the end of the Trucking Convoy accomplishes this, is a huge win.	2/18/2022 11:12 PM
43735	Bringing people together in love and hope for freedoms restored	2/18/2022 11:12 PM
43736	Now that Trudope has sent in his minions I have lost all respect for any cop or politician	2/18/2022 11:12 PM
43737	By awaking me to the one sided, politically infused science our government supports.	2/18/2022 11:12 PM
43738	It has not affected me in any negative way	2/18/2022 11:12 PM
43739	It's proven how much of a coward Trudeau is. The cost of living has gone through the roof the last year, the elected government likes to point at Covid & now the trucking industry as the lead causes. This same government, has proven they know little about either.	2/18/2022 11:12 PM
43740	It hasn't	2/18/2022 11:12 PM
43741	Everyone is done with the lockdown and any other measures taken. I have learned to stand up for what I believe.	2/18/2022 11:12 PM
43742	It is giving me hope, I haven't had any in 2 years	2/18/2022 11:12 PM
43743	It has made me have hope.	2/18/2022 11:11 PM
43744	Given me hope	2/18/2022 11:11 PM
43745	I am in support of what they are doing, for the country, for us, for our children, and getting rid of the mandates that have nothing to do with our health or the virus. This movement brought my mental spirits up!	2/18/2022 11:11 PM
43746	Brought me hope in the Canadian spirit. It has shown the truth despite the msm	2/18/2022 11:11 PM
43747	SO much courage and hope, an amazing boost for my mental health	2/18/2022 11:11 PM
43748	I love those men with all my heart. They are fighting for freedom, for choice, for natural immunity.	2/18/2022 11:11 PM
43749	Brought back a bit of hope to this sad excuse of what is called living	2/18/2022 11:11 PM

Canadians vote on Canadian Mandate - February 2022

43750	22 days	2/18/2022 11:11 PM
43751	It's a news article to me, that became a touch point wake up call. People are using their right to protest and what started out as a seemingly genuine call to attention has completely morphed into its own giant machine. What it has done is shown us the means as to which our current ruling party and leader are willing to go to in order to avoid a conversation. Very concerning. We only have freedoms in this country in theory. They exist until they don't. And they went away very quickly. In Canada. Unbelievable. I spent time growing up in South America and I honestly feel that Canada's leaders are behaving no better then the corrupt governments that have and do exist in some of those countries. Almost worst because at least those leaders acknowledge that corruption exists. Here, our leaders and opposition all behave as if they are preforming their duties with the most honourable of commitments to the people. Trying to protect the citizens, by taking away the rights of any who would disagree with them. It's not far fetched, we are falling down a rabbit hole.	2/18/2022 11:11 PM
43752	I am glad they are standing up for our citizens.	2/18/2022 11:11 PM
43753	unaffected	2/18/2022 11:11 PM
43754	Gives me hope. Hope that I can see my family again	2/18/2022 11:11 PM
43755	Hope	2/18/2022 11:11 PM
43756	Hope, unity, new found sense of connection	2/18/2022 11:11 PM
43757	I believe that they are standing up for the freedom of all Canadians in a peaceful, lawful manner which is in our constitution and rights as a Canadian citizen. I would join them if i could.	2/18/2022 11:11 PM
43758	Given me hope that truthful , intelligent and informative discussions would come to light . Then our own Prime Minister Trudeau is the Abuser who is doing all the things that he is accusing the peaceful, kind and sharing trucking convoy gathering of. I now know that all the speculation of dictatorship and fascist tactics came to fruition this past week with Trudeau`s Emergency Measures Act. I guess Klaus Schwab didn`t think the general public would figure any of this out.	2/18/2022 11:11 PM
43759	It's given me Hope.. It's given me a sense of pride in my country Unity and peace and love is witnessed in Ottawa and else where here in the world and I don't feel so helpless and alone.	2/18/2022 11:11 PM
43760	brought more love, unity, understanding of human rights, peace.. smiles....friendships... the freedom that shouldnt have been lost. Go truckers go	2/18/2022 11:11 PM
43761	Positively. Fighting for our country and freedom. Do not want a communist country	2/18/2022 11:11 PM
43762	By awakening All Canadians to stand up to oppression brought by a tyrant unwilling to respectfully and intelligently come to a compromise with Canadians	2/18/2022 11:11 PM
43763	It has made me realize that my voice and vote do not count in my country.	2/18/2022 11:11 PM
43764	It has given me some hope.	2/18/2022 11:11 PM
43765	I support them 100%! Hopefully the big change is coming!!!	2/18/2022 11:11 PM
43766	Made me feel proud to be Canadian again	2/18/2022 11:11 PM
43767	I has given me hope that we still have some people willing to stand up despite the constant attacks and persecution they are having to endure for all Canadians.	2/18/2022 11:11 PM
43768	Brought us HOPE Reminded us there are people willing to stand for truth, with compassion. (Not just empty words of sympathy, with no action!)	2/18/2022 11:11 PM
43769	I have less and less trust and respect in our prime minister, the Liberal and NDP party. FYI, I'm not a supporter of any specific party so this is not coming from a Conservative groupie either. I'm proud of those who stood for freedoms that Trudeau has stripped from Canadians. I am appalled that the govt has declared their power to freeze individuals bank accounts just because they don't agree with Rideau. I'm appalled that CBC and CTV snd some other main stream news are not reporting the whole picture. They sensationalize, lie and feed into Trudeau's game plan. I'm proud to see people of all nationalities, faiths, cultures come together, stand and now, get arrested for freedom. It's a tragedy too.	2/18/2022 11:11 PM

Canadians vote on Canadian Mandate - February 2022

43770	Don't agree with some mishaps, but have been encouraged! It has brought many together in hope.	2/18/2022 11:11 PM
43771	Given me hope!	2/18/2022 11:11 PM
43772	At least there not sitting around jobless there busy trying to get work and our rights that have been taken if anything they gave lots of people hope we might be able to live still by the law and free to choose	2/18/2022 11:11 PM
43773	They are true patriots. Ask to speak with the P.M but he refused.	2/18/2022 11:11 PM
43774	I feel they are fighting for what is right freedom	2/18/2022 11:10 PM
43775	Not at all personally.	2/18/2022 11:10 PM
43776	It is making the mandates get lifted slowly.	2/18/2022 11:10 PM
43777	Gives me hope, a chance to fight back against the tyranny.	2/18/2022 11:10 PM
43778	It has brought me hope for the first time in 2 years. It has restored my faith in humanity	2/18/2022 11:10 PM
43779	Removed some mandate's	2/18/2022 11:10 PM
43780	It hasn't	2/18/2022 11:10 PM
43781	It gives us hope that we may be able to have our freedoms again	2/18/2022 11:10 PM
43782	We were in full support of them	2/18/2022 11:10 PM
43783	It has brought Canadians together to stand up for our human rights.	2/18/2022 11:10 PM
43784	Gives my family hope!	2/18/2022 11:10 PM
43785	It has given me hope that we can connect again as a people, looking out for each other and helping each other.	2/18/2022 11:10 PM
43786	Gave me hope that we can live again	2/18/2022 11:10 PM
43787	It has given me hope!	2/18/2022 11:10 PM
43788	It has given me hope! It just confirmed there are others that feel the same way I do	2/18/2022 11:10 PM
43789	It has brought our family so much hope and faith in our fellow Canadians. I'm very proud of the truckers and what they are doing! Fighting for our freedom. Canada is a free country and we would like it to remain that way!	2/18/2022 11:10 PM
43790	No... all positive.	2/18/2022 11:10 PM
43791	gives me hope	2/18/2022 11:10 PM
43792	I have been very proud of the truckers, on how they have shown such respect while on the convoy. Trudeau ceasing the funds is so bad, and to then freeze people who donated accounts. I am so very upset that the peaceful convoy has been so negatively shown by Trudeau and the others like him. have lost any faith in our govt.	2/18/2022 11:10 PM
43793	Extremely positive and uplifting. I have nothing but love for these peaceful loving freedom fighters that stand for all Canadians	2/18/2022 11:10 PM
43794	Not at all	2/18/2022 11:10 PM
43795	Cost of living increase	2/18/2022 11:10 PM
43796	It has given me hope	2/18/2022 11:10 PM
43797	Orders not arrived	2/18/2022 11:09 PM
43798	It has brought me hope.	2/18/2022 11:09 PM
43799	Gave me hope	2/18/2022 11:09 PM
43800	Not sure it has . Store shelves have been understocked for a good year before the convoy began.	2/18/2022 11:09 PM
43801	I have hope again!!	2/18/2022 11:09 PM

Canadians vote on Canadian Mandate - February 2022

43802	It has brought joy to my heart knowing that Canadians are starting to stand up for there rights	2/18/2022 11:09 PM
43803	Given me hope	2/18/2022 11:09 PM
43804	It has given me hope in the people and filled my life and hear back with love and joy. And realization that this is all evil and people need to be together to be happy not apart and barricaded by 20 masks and shields. This has messed with people's minds to a point of no return.	2/18/2022 11:09 PM
43805	Do not trust main stream media	2/18/2022 11:09 PM
43806	It hasn't.	2/18/2022 11:09 PM
43807	Brought me hope in a deep time of darkness	2/18/2022 11:09 PM
43808	It hasn't effected my life at all, besides giving me back the little bit of hope that I've been lacking since the "plandemic" started.	2/18/2022 11:09 PM
43809	Gives me hope	2/18/2022 11:09 PM
43810	It hasn't. Food as missing from shelves month ago. The truckers took it to stores but because of cerb no one wants to work to fill the shelves. I admire the truckers for standing for the people of Canada . It would have all ended fTrudeau would have spoken to them instead of hiding. Trudeau is a dictator and a disgrace to Canada. The world is laughing at him.	2/18/2022 11:09 PM
43811	Our son is in the convoy. He has lost his job due to the vaccine mandates	2/18/2022 11:09 PM
43812	It has given us hope. I hope it all stays happy and peaceful and can end soon with the the truckers/protesters being heard and understood and not called names by our premier and government officials. Just because we don't want to be vaccinated does not make us bad people, terrorists, racists or anything we have been called. We are good people that are just scared of what is being pushed on us.	2/18/2022 11:09 PM
43813	I'm very proud of them. I'm behind them and applaud their courage	2/18/2022 11:09 PM
43814	Same answer as above	2/18/2022 11:09 PM
43815	Hope	2/18/2022 11:09 PM
43816	It has given me hope in better future, showing me that I'm not alone in supporting freedom in Canada	2/18/2022 11:09 PM
43817	It has brought a renewed joy and hope, but now that I see how the government has maligned and now beaten them, GREAT Sorrow! Lot them free!	2/18/2022 11:09 PM
43818	They have given us hope that the Government will listen to the people who elected them.	2/18/2022 11:09 PM
43819	Directly it has not except taken up my time following what is happening	2/18/2022 11:09 PM
43820	It's brought me happiness and a place where I can see people smiling and smile back. I've not had a social interaction like that since covid happened.	2/18/2022 11:09 PM
43821	It has given me hope amongst the darkness that the governmental rule was bringing in the midst of amplifying the "dangers" of covid. I feel united with my fellow Canadians and finally feel uplifted mentally and emotionally from the pain and turmoil that the government's dictatorship has brought.	2/18/2022 11:09 PM
43822	They inspired me, made me proud of my fellow citizens who stand up for the rights of people, of children who deserve a better future than this.	2/18/2022 11:09 PM
43823	A never before known sense of pride in my fellow citizens and a profound sense of hope and patriotism	2/18/2022 11:09 PM
43824	It gave me hope because I saw Canadians being united and I hoped that Ottawa (our P.M.) would have met with and had a conversation as to how to move forward. The convoy affected me by showing how poorly our P.M. dealt with this protest that should not be in its 23rd day. It confirmed how poorly the liberals are running our country. I have lost faith with many (not all) politicians.	2/18/2022 11:09 PM
43825	Brought hope	2/18/2022 11:09 PM
43826	Not really.	2/18/2022 11:09 PM

Canadians vote on Canadian Mandate - February 2022

43827	It has given me hope. When I first saw the videos I was so grateful for these people who were willing to fight for my freedoms as a Canadian. I was in tears for the first time in two years I was proud to be a Canadian.	2/18/2022 11:09 PM
43828	It hasn't affected me at all	2/18/2022 11:08 PM
43829	The convo is Best thing that could have happened. They are protecting our Charter of Rights. Trudeau is Hitler and history is repeating itself.	2/18/2022 11:08 PM
43830	Trucking convoy finally made a change for the better. The protests are welcome, nothing but good energy.	2/18/2022 11:08 PM
43831	gives me hope!	2/18/2022 11:08 PM
43832	It hasn't yet Go truckers go	2/18/2022 11:08 PM
43833	Perhaps the people should have the power and the government work for the people!	2/18/2022 11:08 PM
43834	It has given me hope and I know I am not alone. There are many others who feel the way I do, that our rights are being taken away from us, and this is the first step to many.	2/18/2022 11:08 PM
43835	I am upset because I feel like my prime minister should talk to his citizens and not disrespect them with name calling and encouraging division among us. This has deeply saddened me more than ever.	2/18/2022 11:08 PM
43836	They did manage to convince some of the provinces to lift some of the mandates	2/18/2022 11:08 PM
43837	Seeing the convoy has given me and my kids hope again. To have people stand up for our rights, when that's what we should have been doing all along has been incredible. They have uplifted my children's spirits. The government has over reached and made a lot of people unhappy the past few years.	2/18/2022 11:08 PM
43838	Showed the disrespect and intolerance our PM has for citizens	2/18/2022 11:08 PM
43839	It has given me hope that eventually the government will start listening to the Canadian citizens again and what they wish their country to be	2/18/2022 11:08 PM
43840	Made me feel proud to be Canadian again	2/18/2022 11:08 PM
43841	They are giving me hope that these mandates will end	2/18/2022 11:08 PM
43842	Given me hope and pride in Canada. The government response has been a complete discouragement... Trudeau is a cruel and weak leader	2/18/2022 11:08 PM
43843	Inspired	2/18/2022 11:08 PM
43844	It was amazing to see joy and hope in every town it went through. I joined it for a few km and was blown away. Full support and love for those people	2/18/2022 11:08 PM
43845	Gave me hope	2/18/2022 11:08 PM
43846	Gave me inspiration. Happiness, hope and love. The patriotism I've witnessed is amazing and has brought Canada back together. . ❤️❤️	2/18/2022 11:08 PM
43847	Hopefull, excited for freedom.	2/18/2022 11:08 PM
43848	None	2/18/2022 11:08 PM
43849	It hasn't in a negative way, wish I could have gone	2/18/2022 11:08 PM
43850	It hasn't. It's given me hope	2/18/2022 11:08 PM
43851	Nohow	2/18/2022 11:08 PM
43852	Its hard to not feel hope when you have seen glimpses of strangers loving each other, crying with each other, supporting each other. Thats more diverse love than Canada has seen in a long time. If that is criminal then we are living in tyranny.	2/18/2022 11:08 PM
43853	They're all heroes! It hasn't! ❤️	2/18/2022 11:08 PM
43854	Positively. Given hope for a better future. These mandates have gone too far.	2/18/2022 11:08 PM
43855	It brought back my hope. Hope that someday soon we will have freedom	2/18/2022 11:08 PM

43856	It has restored HOPE and Patriotism	2/18/2022 11:08 PM
43857	Feel hope returning after 2 hopeless years. Restored pride in Canada... But very bothered by the actions of Trudeau, government, and law enforcement...breaking our rights...very disturbing!!!	2/18/2022 11:08 PM
43858	They gave me hope. They are doing what I wish I could do but I'm working to support my family and paying 10's of thousands of dollars in over priced groceries and taxes	2/18/2022 11:08 PM
43859	It's made me proud to be a Canadian	2/18/2022 11:07 PM
43860	It gave me a sense of pride . I have lost all faith in our government!!! The trucking convoy it exactly what this country needs	2/18/2022 11:07 PM
43861	It's given me hope, and pride to be Canadian again	2/18/2022 11:07 PM
43862	Gave me hope	2/18/2022 11:07 PM
43863	It has given me hope and made me proud to be Canadian	2/18/2022 11:07 PM
43864	it hasn't affected us at all	2/18/2022 11:07 PM
43865	Given me hope for a better tomorrow, a free country.	2/18/2022 11:07 PM
43866	I'm not sure, directly/indirectly...I don't have access to everyday supplies but that is nothing new (pre-covid) to us where we live	2/18/2022 11:07 PM
43867	They've have given hope where there wasn't any. They've united not only our country but across the world. For the first time since Trudeau was elected I'm finally proud to be Canadian. The trucking convoy has done that.	2/18/2022 11:07 PM
43868	Not one bit. Glad to see it happen. Trudeau needs to go.	2/18/2022 11:07 PM
43869	It's given me hope that Canadian can stand together and tell the government that they're NOT going to take over our country ... This is OUR country and we have rights as country.	2/18/2022 11:07 PM
43870	Gave me hope!	2/18/2022 11:07 PM
43871	Finally seen Canada again fir the first time in a long time	2/18/2022 11:07 PM
43872	It has been inspiring and feels he convoy has made Canada is worth rebuilding	2/18/2022 11:07 PM
43873	It's shown that it's ok to stand up for what you believe in, regardless of what that might be	2/18/2022 11:07 PM
43874	Giving me hope for FREEDOM in Canada	2/18/2022 11:07 PM
43875	Given us hope and a feeling of unity	2/18/2022 11:07 PM
43876	Given me hope!!!!	2/18/2022 11:07 PM
43877	It has given me a true picture and knowledge of how my Prime Minister leads mu country and I am very unhappy not only with him but with how the media has shown no respect for what the truckers were conveying in their pursuit to talk with Trudeau. It was a total disaster for Canada, I do believe and I am so ashamed of my country. I have lost all respect for the what he has done and the way he is leading this country.	2/18/2022 11:07 PM
43878	It has given me hope that the mandates will end soon and has made me proud to be canadian	2/18/2022 11:07 PM
43879	They have achieved one thing: They just exposed that Canada is no longer democracy, Trudeau thinks he is the Führer which he actually and really is, not really an elected official any more. Any average Canadian who thinks he/she is the master of the country, he/she is living in the delusion.	2/18/2022 11:07 PM
43880	It gives me hope that I may once again live in a Canada that I can be proud of!	2/18/2022 11:07 PM
43881	I don't live in Ottawa/ Ontario so it hasn't affected my life personally. However I feel this convoy has given people permission to show their hatred towards people who don't share their views	2/18/2022 11:07 PM
43882	They made us proud to be Canadians again, Trudeau quickly undid all of that.	2/18/2022 11:07 PM
43883	Brought hope for freedom and unity and a voice to be heard	2/18/2022 11:07 PM

Canadians vote on Canadian Mandate - February 2022

43884	It hasn't although it's been entertaining to see the difference in reporting from main stream media which is very negative and focused on the few idiots that show up to any protest to cause trouble compared to the independent journalists who show the truth of what the protesters are like - keeping streets clean, feeding the homeless, shovelling snow etc. It's a disruption to the residents if Ottawa and one can understand their angst with horns constantly blaring	2/18/2022 11:07 PM
43885	Given me hope	2/18/2022 11:07 PM
43886	Love watching Canadians love each other	2/18/2022 11:06 PM
43887	Gives me some hope	2/18/2022 11:06 PM
43888	Gave me hope, but I think they should go home now	2/18/2022 11:06 PM
43889	It's given me hope that this country can be what it has fought for. These truckers has given hope for freedom and democracy. The people have spoken	2/18/2022 11:06 PM
43890	No material benefits so far but it has been enormously cheering and felt like something had finally come to the rescue. It felt like the abuse by the government might finally be over and the government might finally see reason	2/18/2022 11:06 PM
43891	This have given me hope, a sense of unity, a chance to change the awful things the government has unleashed on us	2/18/2022 11:06 PM
43892	It hasn't	2/18/2022 11:06 PM
43893	It's given me hope. Hope for freedom	2/18/2022 11:06 PM
43894	It has given me hope. They are our Heros.	2/18/2022 11:06 PM
43895	Supply chain issues	2/18/2022 11:06 PM
43896	Hasn't	2/18/2022 11:06 PM
43897	Bringing me joy and hope for an end of this tyranny.	2/18/2022 11:06 PM
43898	No affect - the US & other countries require everyone to be vaccinated- why would we permit bin-vaccinated people to enter our country	2/18/2022 11:06 PM
43899	Amazingly. It has given me the most hope I have felt since the beginning of this bull shit. To see the amount of people who feel the same way as I do about our freedoms being taken from us so easily is heartwarming to say the least. Many videos I have seen on the convoy have made me cry hopeful tears instead of angry ones.	2/18/2022 11:06 PM
43900	Brought hope to the possibility that this government control of our lives might end. Happiness to see Canadians coming together.	2/18/2022 11:06 PM
43901	Not at all loved them	2/18/2022 11:06 PM
43902	It has give us hope	2/18/2022 11:06 PM
43903	They have brought me joy knowing that they represent democracy, and the right to protest unlawful mandates. They are bringing attention to the most serious issue Canada has ever encountered. Not covid, but government overreach.	2/18/2022 11:06 PM
43904	Freedom. Love it	2/18/2022 11:06 PM
43905	Not at all in a negative way I finally feel proud to be a Canadian again	2/18/2022 11:06 PM
43906	Caused stress and frustration due to the selfishness and lack of moral responsibility	2/18/2022 11:06 PM
43907	Uplifting	2/18/2022 11:06 PM
43908	It's the best thing to happen to Canada and Canadians in general. This peaceful protest have brought people from all walks of life, religious beliefs and ethnicities together for one purpose, lifting of the draconian laws the Trudeau government has put in place to suppress the working class.	2/18/2022 11:06 PM
43909	It has given me hope that a public movement can influence government policy for the better - toward less repression.	2/18/2022 11:06 PM

Canadians vote on Canadian Mandate - February 2022

43927	Brought new hope that I thought would never come	2/18/2022 11:05 PM
43928	It has shown me love and kindness. I lost allot of faith in Canadians until the Convoy Men stepped on the scene. We live in a democracy so we better dam well act like it and fight to keep it, and I mean fight with our words of compassion and some good old resources. Not violent like Turdeau's BLiesM and pro fascist Antifa minions Hell bent on marxism. Plus I've been burning allot gas convoying around centra Alberta, thats taking a toll, lol. Freedom for all, does that sound racist or like an extremist? If anything Turdeau is the extremist. He needs to be terminated, end of story. Im tired of it and I'm not alone, playing nice guy is getting real old. God bless the Convoy, solidarity is back, united we stand. Lots of love, no one is violent besides the lefty minions.	2/18/2022 11:05 PM
43929	Gives you hope	2/18/2022 11:05 PM
43930	Makes me proud that there are still people that will stand up for our legal rights and freedoms	2/18/2022 11:05 PM
43931	I finally feel proud of my country, Canada	2/18/2022 11:05 PM
43932	It's made me have hope again	2/18/2022 11:05 PM

43935	It has given me hope and courage that freedom will prevail.	2/18/2022 11:05 PM
43936	They made me have hope again, made me proud to be a Canadian, made me believe that with love a peace can bring us all back together again. Most of all made me stand up for myself my wife and kids freedom ♥	2/18/2022 11:05 PM
43937	It has given me hope that things would get back to normal, but I can now see that with this tyrannical government that that may never happen. Sad the it is the government causing the violence and destroying our country.	2/18/2022 11:05 PM
43938	It has not its giving me hope for a better tomorrow and proud to see people wanting our freedom back. This division over a virus that is no worse than a flue is sad	2/18/2022 11:05 PM

Canadians vote on Canadian Mandate - February 2022

43939	Made me be proud to be Canadian again, because the last two years I was not	2/18/2022 11:05 PM
43940	I obtain first-person unbiased news from across the Country.	2/18/2022 11:05 PM

43943	Very interesting, total support the movement. DICTATER needs to go, lock him up and throw the key away.	2/18/2022 11:05 PM

43946	It has given me hope and faith in the people of Canada.	2/18/2022 11:04 PM
43947	Has not at all, other than to reinforce the knowledge that governments have a serious dark agenda.	2/18/2022 11:04 PM
43948	Gave us hope and felt united with all Canadians.	2/18/2022 11:04 PM
43949	Not at all	2/18/2022 11:04 PM
43950	Nothing in my life	2/18/2022 11:04 PM
43951	Happy that strong voice finally there	2/18/2022 11:04 PM
43952	It has made me feel that finally there is a group of people who are standing up and fighting for the rest of us. I do not condone the small portion of people who may have gotten out of hand where they should have been arrested. Generally I believe the majority of people who have been there are peaceful.	2/18/2022 11:04 PM
43953	Not at all. I support the freedom movement. Our government has overreached its authority into peoples personal lives	2/18/2022 11:04 PM
43954	Inspired me	2/18/2022 11:04 PM
43955	It has given me hope and make me feel great about being Canadian	2/18/2022 11:04 PM

43957	Makes me proud to be a Canadian thank you truckers	2/18/2022 11:04 PM
43958	I stand with the truckers, They are standing for freedom in the front line, unlikely the healthcare workers that was shut and forced to get the vaccine or lose job ,work short staff.	2/18/2022 11:04 PM
43959	It gave me hope. It mighta saved my life..	2/18/2022 11:04 PM

43962	Gave me some hope	2/18/2022 11:04 PM
43963	It has given me hope	2/18/2022 11:04 PM
43964	It gave me some hope. As of today, the truckers are being arrested and abused by the police. I am sick at heart to see what has happened to this country. The truckers simply wanted an audience with the Prime Minister and he has refused.	2/18/2022 11:04 PM
43965	With Love , Peace Unity something lacking for 2 years.	2/18/2022 11:04 PM
43966	Brought me to tears many times this past three weeks. I am so proud of all of these people who are standing up for the rest of us! I am a senior and have never felt as proud to be Canadian as how these truckers and the support has made me feel! All the highways and overpasses full of people, handing out cards, food and love was the most beautiful thing that has happened in Canada...ever. ♥♥	2/18/2022 11:04 PM
43967	I believe in freedom	2/18/2022 11:04 PM

43973	It hasn't.	2/18/2022 11:04 PM
43974	Im glad that someone is standing up for Canadians because Trudeau hasn't yet.	2/18/2022 11:04 PM
43975	The effect from the convoy reached worldwide and touched most of the hearts in Canada. It gave me hope, joy, a reason to fight for our freedom and a reason to continue praying for brighter days ahead. They are my heroes.	2/18/2022 11:04 PM
43976	It's given me some hope	2/18/2022 11:04 PM

43979	Proud and in total agreement	2/18/2022 11:04 PM
43980	I am encouraged by all the Canadians who are speaking up now to end mandates. I am discouraged by some of the participants who are hateful towards Trudeau or others. I am encouraged by participants who are blessing the government and others they disagree with while still speaking up for what they believe and for what matters to them.	2/18/2022 11:04 PM
43981	It's given us hope	2/18/2022 11:04 PM
43982	It's given me hope.	2/18/2022 11:04 PM
43983	Giving me hope. Need our lives back.	2/18/2022 11:04 PM
43984	Nothing	2/18/2022 11:04 PM
43985	Make me feel positive and I feel that I'm not the only one standing by myself	2/18/2022 11:04 PM
43986	It has made me very aware that our government does NOT listen to a sizable minority of Canadians and only wants his own agenda to happen. It makes me very sad at the way our government is handling such a peaceful legal demonstration that stands for MY FREEDOM.	2/18/2022 11:04 PM
43987	Given the people of Canada hope against a tyrannical dictator and his puppet government. May the government face criminal charges for their actions. I know one day they will stand before the true Judge and face the ultimate punishment for their crimes against humanity.	2/18/2022 11:04 PM
43988	Given hope that not all Canadians are idiots who are ok with living under a tyrannical state	2/18/2022 11:04 PM

43992	yes in positive way to give hope, but after today's events I am ashamed of our government. I do not agree with the emergency order they are peaceful protesters. If I had the ability I would be there	2/18/2022 11:03 PM
43993	It has encouraged us to stand up for the truth.	2/18/2022 11:03 PM
43994	It has given me hope again and restored some of my faith in Canadians. The government's response however has been devastatingly disappointing.	2/18/2022 11:03 PM
43995	Small glimmer of hope, until I saw how these people were being treated. I can not understand how Trudeau can just walk out in the middle of being questioned and still think he has a job the next day. Everyone I've asked and spoken to all have the same understanding he should have been removed from any sort of duties related to being prime minister in that moment!!	2/18/2022 11:03 PM

44013	Gave me hope for freedom and knowing there are people who'd fight for it was inspiring	2/18/2022 11:03 PM
44014	Gridlock for imports and exports raising inflation rates.	2/18/2022 11:03 PM
44015	Given me hope , made me proud to be a Canadian again.. until Trudeau enforced the desperate measures act ... Now I am simply terrified .	2/18/2022 11:03 PM
44016	It hasn't. But I support aspects of it. It's opened the governments eyes to people who think differently. I'm pro-vaccine but anti-mandates. And there are a few of us.	2/18/2022 11:03 PM
44017	Given hope at a time when being a Canadian seemed lost.	2/18/2022 11:03 PM

44019	I am so proud of those truckers for standing up for all of our freedoms. I have kids, grandkids and great grandkids that deserve to live in a non fascist government!	2/18/2022 11:03 PM
44020	Positively	2/18/2022 11:03 PM
44021	- Enjoyed watching the 'winter festival' in Ottawa where people from all parts of the country have come together, brought their families, and are standing for our freedom whilst providing food, fuel, and generally taking care of each other - So glad that Canadians are finally standing up for their rights in a peaceful, democratic way, which has given hope to many who had just about lost any hope of getting out of the mess this country is in - So wonderful to see the singing, praying, Bible verses on trucks, people coming to Jesus, and pastors preaching the Word of God - Disgusted at the general news media's portrayal of the convoy and its participants, looking for any tiny thing to highlight on TV to prove that these people are not the peace-loving Canadians that they so obviously are - Even more disgusted at the heavy-handed Godless way our PM is throwing his weight about, turning Canadians against Canadians, pushing police forces to commit illegal acts against our charter rights and using inflammatory	2/18/2022 11:03 PM

language to try to incite actions by the truckers - So extremely sad to see Canada turn into a totalitarian state before our eyes - Even more sad that some Canadians cannot see what's happening ...

44022	No affects	2/18/2022 11:02 PM
44023	I love it, believe it was necessary for people to show their displeasure with our gov't, provincial and federal.	2/18/2022 11:02 PM
44024	Given me hope that all of our freedoms the people of the past have fought so hard for just may not get taken all away	2/18/2022 11:02 PM
44025	There are a lot of good people being beaten today because Trudeau is traitor to this country. Those truckers all deserve medals for bravery!	2/18/2022 11:02 PM
44026	Brought me hope. Feel united with the country and lots of the world.	2/18/2022 11:02 PM
44027	Shows me people are ready to stand together. They have brought more people together then out government has been able to over the past 2 years	2/18/2022 11:02 PM
44028	I support Canadians right to peaceful assembly. I am inspired by the truckers and their courage to stand up for our rights and freedoms. I participated in a rally to end mandates. There were thousands of people there. The truckers are doing what the rest of us wish we could do.	2/18/2022 11:02 PM

44107	Ive been crying every day when i see the people come together and hug each other. Happy cries wish i was there. The stories of lost loved ones break my heart. Im very disappointed and ashamed of my canadisn government and how the govt is treating canadians. Ashamed of canadian leaders, especially the prime minister jt. Canadians vote on Canadian Mandate - February 2022

44111	Indirectly, but it makes me angry that people who say they are fighting for freedom don't realize or don't care they have been taking away other's freedoms.	2/18/2022 11:00 PM
44112	It has given me hope that the Canada I want for my children is still possible.	2/18/2022 10:59 PM
44113	Peaceful protests are democratic! Trudeau needs to understand they represent the silent majority.	2/18/2022 10:59 PM
44114	It gives me hope	2/18/2022 10:59 PM
44115	Increased prices in gas and grocery, harassment of health care workers, racist rhetoric, the mis-use of the word freedom. Oh and the normalization of domestic terrorism and further proof that if you are a white person, you can get away with anything.	2/18/2022 10:59 PM
44116	I'm 100% for the convoy	2/18/2022 10:59 PM

44123	Seeing others stand up for my choice to be vaccinated has inspired me to have hope for the future, to know that I am not alone and that thoughtful, welcoming Canadians won't treat me like a leper. I appreciate their sacrifice of employment and time with their families for the voice that it has given to be open, welcoming and peaceful. I believe that where there is risk, there should be choice and a "one-size fits all" medical system will cause more harm than good.	2/18/2022 10:59 PM
44124	Inspired!	2/18/2022 10:59 PM
44125	It has given me hope that we ,ight still live in a democratic country that grants the people the power to decide.	2/18/2022 10:59 PM

44132	They have united Canadians	2/18/2022 10:59 PM

44137	?	2/18/2022 10:59 PM
44138	It hasn't personally affected my life. I do agree with some of the things the truckers are fighting for but there comes a point where you can't be too greedy.	2/18/2022 10:59 PM

44142	Il nous donne espoir qu'un jour il sera possible de revenir à une vie normal.	2/18/2022 10:59 PM
44143	It has been in a good way. I support them and the people. It's called Rights Freedom Choice. It's waking up the people of Canada to speak out and be heard as our voice matters in all topics of concern. It teaches the people to stand up and not be afraid. To many other issues like housing etc.need attention as well Some people chose to get the Covid shots and that's ok— thier choice Some people can't because of Health issues and that ok too There a lot that not to have the Covid shots And that is ok. Their Rights. Leave them alone. It has been proven that whether or not people get the shots a person can get Covid and die. And or no shots and still die. And a person can be a carrier of Covid with or without the shots.and pass Covid on . Again peoples choice. Not Trudeau or Ford. Ford told the truth on cp 24 about the shots. They both need to leave and be charged/court Thank u and thanks to the Truckers/ protestors	2/18/2022 10:59 PM
44144	Gave me hope and pride	2/18/2022 10:59 PM

44150	It awesome	2/18/2022 10:58 PM
44151	Have us hope	2/18/2022 10:58 PM
44152	It gave me hope at first, I just wish they had made their point and left. I do feel that they have the right to protest, I just personally do not think protests like this are necessary.	2/18/2022 10:58 PM
44153	It gave us hope.	2/18/2022 10:58 PM
44154	It has made me hopeful of getting my freedom back and getting rid of our Communist Prime Minister.	2/18/2022 10:58 PM
44155	Brought a great sense of pride, which has been lacking in our Country for 7 years.	2/18/2022 10:58 PM
44156	Opened up people's eyes to what is going on, as I've said all along, covid is the flu, and the government is non democratic	2/18/2022 10:58 PM
44157	Given me hope!! And support	2/18/2022 10:58 PM

44161	Brought me hope for the first time in over 2 years	2/18/2022 10:58 PM
44162	It has shown that there are still people willing g and able to stand and be strong for our country. It has also shown what a horrible conniving person JUSTIN Trudeau is and that he is not the person who should be running our Canada	2/18/2022 10:58 PM
44163	It was giving me hope for the better	2/18/2022 10:58 PM
44164	Provided a glimmer of hope in this insane world	2/18/2022 10:58 PM
44165	We are a family of truckers who were proud of the convoy. The trouble makers were bound to show up but the true truckers are peaceful and respect people. Not just for this demonstration, but in everyday life.	2/18/2022 10:58 PM
44166	It has inspired hope to once again believe in the Canadian dream.....freedom and equality for	2/18/2022 10:58 PM

44167	Barely at all. I have plenty of supplies and the shelves are well stocked here in Windsor Ontario Canada! I've not noticed anything except for a couple of slow days at work. Due to part shortages. Which however in my factory happen all the time convoy or not!	2/18/2022 10:58 PM
44168	Given me hope	2/18/2022 10:58 PM
44169	Gave us hope	2/18/2022 10:58 PM
44170	I support it 100% But of course if they're blocking Wellington or residents driveways and Honking is bothersome.. That could be dealt with lawfully.. Not like what's happened now... Emergency act and some of these officers are sadly to aggressive	2/18/2022 10:58 PM
44171	Not personally, but it has affected negatively my family and friends who live in Ottawa. On another level, it has raised concerns about Christian right wing white nationalists movements in Canada and their extremist fascist movement. We as a people and country need to take this threat seriously and work with other countries in order to protect ourselves from these issues and threats to our civil society.	2/18/2022 10:57 PM
44172	Given me a reason to hope Made me proud of my adopted country	2/18/2022 10:57 PM
44173	It's brought hope and it's brought a patriotic pride back to my life, that I had lost	2/18/2022 10:57 PM

44180	It's given me hope for the first time in 2 years.	2/18/2022 10:57 PM
44181	It has shown me that peaceful protest can bring people together and has shown me what a coward Justin Trudeau is	2/18/2022 10:57 PM
44182	Love it they are the champions of freedom teaching love peace and unity. We couldn't go to Ottawa but even our 10 year old granddaughter realizes that's what's going on is wrong. Since she was given the right to choose the vax or not without her mother's permission she has every right to protest her right and others to freedom of choice without an ultimatum and without being shamed in her school for her choice.	2/18/2022 10:57 PM
44183	It has not affected my life other than a feeling of sadness that our government forgot to respect our fellow man. The Prime Minister could have met with them and talked. A peaceful protest that was not taken seriously.	2/18/2022 10:57 PM
44184	It has given hope that when we see the government overreaching the people can stand together and say enough is enough. For 2 yrs I stayed in silent desperation after getting bullied at the beginning. It gives so much unity and hope seeing I'm not alone.	2/18/2022 10:57 PM
44185	Made me proud to be a Canadian again which Justin Trudeau took from me and my family.	2/18/2022 10:57 PM
44186	It has been positive. They showed everyone that we are united when we are pushed.	2/18/2022 10:57 PM
44187	It has giving me hope in the people in this country. It has shown me the true colour of a tyrannical government!!!!!!	2/18/2022 10:57 PM
44188	The trucking convoy has inspired my belief in humanity! So much love for life has been inspired all over the world by these people!	2/18/2022 10:57 PM
44189	Brought hope to our lives and our mental health.	2/18/2022 10:57 PM

44194	Given me hope for a free Canada again, for my family, and especially my children.	2/18/2022 10:57 PM
44195	The truckers convoy gave me hope after 2 years of feeling depressed and not knowing when things will get back to normal. I felt like I was the only one feeling like these mandates and forced vaccines were not right. The truckers convoy showed me that I was not alone in my thinking and I finally feel like someone understands what I'm going through. God bless the truckers ♥	2/18/2022 10:57 PM
44196	The truck convoy has given me hope that humanity still exists and that most people see through the lies and propoganda created by our corrupt government.	2/18/2022 10:57 PM
44197	It's given me hope	2/18/2022 10:57 PM
44198	Although I support them I believe they have said and done all they could peacefully do. They gave me hope but now the government's so called emergency act and Mr. Trudeau's refusal to acknowledge their rights by turning this into something violent of his own accord shows me without a doubt that something is very wrong!!	2/18/2022 10:57 PM
44199	Gave me hope.	2/18/2022 10:57 PM
44200	I'm proud of their mission but terrified of the divide it has created	2/18/2022 10:57 PM
44201	I am inspired by their ability to remain peaceful and patient and take a stand for what they believe in and pushing back against government overreach.	2/18/2022 10:57 PM
44202	Lifted my mental health. Provided me hope for the future.	2/18/2022 10:56 PM
44203	Blocked free right of passage	2/18/2022 10:56 PM
44204	It hasent	2/18/2022 10:56 PM
44205	Stress over losing our freedom	2/18/2022 10:56 PM
44206	They are amazing, courageous and brave Canadians who have sacrificed their livelihoods, their futures and their own personal safety in order to stand up for freedoms that never should have been taken away to begin with. I have not felt proud of my country with a bully like Trudeau telling the country iam less than human because of a medical choice. I'm so thankful the convoy has peacefully and strategically protested the things I'm not able to, as I have 2 young children at home.	2/18/2022 10:56 PM
44207	Its given me hope that life can get back to normal	2/18/2022 10:56 PM
44208	It has given me hope in this country	2/18/2022 10:56 PM
44209	The trucking convoy has opened my eyes to the corruption of our government. I have always thought it was corrupt and thought I was alone but they have showed me I wasn't.	2/18/2022 10:56 PM
44210	It is giving me hope	2/18/2022 10:56 PM
44211	It's brought hope	2/18/2022 10:56 PM
44212	it hasn't	2/18/2022 10:56 PM
44213	It's brought hope for the future. So proud of all of them. Disgusting by the government handling of the situation. Now one citizen has died on the government inability to do the right thing!!	2/18/2022 10:56 PM
44214	They gave me hope that maybe, someday, we would come out of this so-called pandemic. They are not anti-vax, they are anti-mandate....and so am I. They believe in freedom of choice. They are amazing, brave, peaceful and beautiful souls and I thank God for them every day.	2/18/2022 10:56 PM
44215	Given us hope for our country again! God bless Canada!	2/18/2022 10:56 PM
44216	I'm so happy for the truckers, they are so brave trying to save our country an give us freedom!	2/18/2022 10:56 PM
44217	By standing up for what my grandparents had fought for, and getting our humans rights back.	2/18/2022 10:56 PM

44224	Not sure	2/18/2022 10:56 PM
44225	They restored my sense of pride in being Canadian. They are the light at the end of the tunnel. They give hope where there was none.	2/18/2022 10:56 PM
44226	We have been affected by these mandates for 2 1/2 years. Have done without as business and borders, travel etc have been closed. So used to this nonsense and will get by again with truckers. Go truckers.	2/18/2022 10:56 PM
44227	It has brought pride and hope back into my life. For the first time I'm proud to be a Canadian	2/18/2022 10:56 PM
44228	Hasn't	2/18/2022 10:55 PM
44229	It has given the people hope of freedom.	2/18/2022 10:55 PM

44232	Has given me hope and faith in this country.	2/18/2022 10:55 PM
44233	I agree with the mandate. It's the same as vaccines required when you go to a 3rd world country	2/18/2022 10:55 PM
44234	Very bad decision on truckers part. In my job huge impact on their bad choice caused extra overtime to work around the problems they caused. Shame on them	2/18/2022 10:55 PM
44235	They make me feel proud to be an Canadian that theres hope and we need each other all races WE ARE CANADIANS UNITED FREE AND PROUD.	2/18/2022 10:55 PM
44236	Provided positive thoughts that this will end on the side of light	2/18/2022 10:55 PM
44237	It's brought me hope and made me proud to be Canadian again!	2/18/2022 10:55 PM
44238	Doesnt	2/18/2022 10:55 PM

44241	It hasn't those guys are awesome	2/18/2022 10:55 PM
44242	It has given me so much hope, that a group of strong Canadians wants to uphold the Charter of Rights and Freedoms and other laws and protection, that our forebears fought and worked and died to achieve! They are so positive, loving and peaceful and fun! It is inspiring and I feel honoured and unified with them. My rights matter to the people in the convoy. I resonate with them. Our belief in unity, diversity and freedom and rights and the rule of law are aligned similarly. I am so thankful for the trucking convoy!!! For the first time in decades, when I engage in activism together, I am speaking with my own voice. Free them all. Free us all, by getting rid of the covid mandates and emergency act. Thank you.	2/18/2022 10:55 PM
44243	Not at all, but proud of them for taking a stand for us. Disappointed that other people have taken to violence and vandalism thus putting the truckers in a different light.	2/18/2022 10:55 PM
44244	Made me proud to be Canadian again for the first time in the last 2 years.	2/18/2022 10:55 PM

44246	It hasn't affected me, but it did help businesses all around parliament hill.	2/18/2022 10:55 PM
44247	They haven't only Trudeau has by making all these false rules	2/18/2022 10:55 PM
44248	Has given me hope that we can get a responsible government in Ottawa.	2/18/2022 10:55 PM
44249	It had showed me that there r ppl out there who still care about us Canadians and I agree with them 100 % mandates need to be lifted	2/18/2022 10:55 PM
44250	It hasn't	2/18/2022 10:55 PM
44251	Given me hope we can get Canada back to being free	2/18/2022 10:55 PM
44252	Given me hope!	2/18/2022 10:55 PM

44258	It has given me hope for this country.	2/18/2022 10:55 PM
44259	Gave me hope knowing not all Canadians are SHEEP	2/18/2022 10:55 PM
44260	It gave me hope that the end of economic sabotage is near. I appreciate their efforts!	2/18/2022 10:55 PM
44261	Proud they are fighting for our rights	2/18/2022 10:55 PM
44262	It has made me become aware that Canadians are more together than I thought.	2/18/2022 10:55 PM
44263	now i now more about our Canada!!	2/18/2022 10:55 PM
44264	I've witnessed an improvement of dialogue between people because of the exposure it has given to those against the mandates. We've witnessed people become increasingly non-confident with the government.	2/18/2022 10:55 PM
44265	Gave me hope.	2/18/2022 10:55 PM
44266	Given me hope that there are still Canadians that have strength and don't give into the easy way	2/18/2022 10:54 PM
44267	Given me hope for my children and grandchildren	2/18/2022 10:54 PM
44268	It has not affected me in one bit other than given me and my family hope. Trudeau shut be given the death penalty is what should happen. Liberals should be thrown out of office and the party demolished. We need completely new parties running for office ours are all corrupt.	2/18/2022 10:54 PM
44269	It has made me feel joy & hope for the first time in years . The chance for life to be ours again	2/18/2022 10:54 PM
44270	Restored faith in humanity	2/18/2022 10:54 PM
44271	It's given hope that there are people who feel similar to me and who are willing to stand up for ALL Canadians' rights and freedoms. The way they've been treated by the liberal government is disgusting.	2/18/2022 10:54 PM
44272	It gave me a renewed faith in the goodness of the Canadian people, It's an inspiration to see. Also been an eye opener in the corruption in the prime minister's handling of the situation. Canada has never been a tyrannical government before. But these last 2-3 weeks has opened my eyes. To invoke drastic measures to silence a peaceful , protest, consisting of families and hard working canadians, while approving of BLM protest with the looting, destruction of property, the fires abd the violence. Trudeau obviously has no respect for our intelligence The hypocrisy, the name calling too, it's a national disgrace that many here in Canada and abroad cannot believe we are seeing.	2/18/2022 10:54 PM
44273	It's actually given me a reason to be proud to be a Canadian again and hope	2/18/2022 10:54 PM

Canadians vote on Canadian Mandate - February 2022

44274	The trucking convoy has given me hope! Hope that humanity still exists. That we are united, peaceful and stronger together! It has given me freedom in my province by helping drop vaccine passports! It has made me proud to be a Canadian! It has made me proud to have the world watching and supporting this convoy. For peacefully saying they have had enough and being a voice for many who have been silenced, ostracized and fearful for loss of employment, the right to an education, the right to speak freely, the right to make medical choices for ourselves, etc.	2/18/2022 10:54 PM
44275	Given me hope that people can have a voice and maybe have their concerns and questions addressed. I admire the courage and how sincere they have tried to be peaceful through all this. The politicians have made this happen by not engaging. They are the criminals in this. Why can we not have a discussion and actions towards a plan to end mandates and heal our broken country. I pray and pray for peace. That those being trampled and witnessing this by horses keep their peace. Prove that we are peaceful. Justice and love will prevail. I have faith.	2/18/2022 10:54 PM
44276	It's a good thing it brought attention to the severe oppression we have been under as Canadians	2/18/2022 10:54 PM
44277	N/A	2/18/2022 10:54 PM
44278	Given me hope that like can be better for my grandchildren.	2/18/2022 10:54 PM
44279	Hope	2/18/2022 10:54 PM
44280	It made me happy	2/18/2022 10:54 PM
44281	Restored faith in humanity, hope, pride in Canada, love.	2/18/2022 10:54 PM
44282	It has made me see how corrupt our political system has become. A tyrannical leader with no compassion or merci. He has shown me how much of a hipocrite he is as a leader and has shamed this Gov't and this country forever! The trucking convoy has been nothing but uplifting compared to the oppression our Gov'ts put us through!	2/18/2022 10:54 PM
44283	Give me hope	2/18/2022 10:54 PM
44284	Very positively with hope, inspiration and renewed patriotism that it even a politician could stir. But also fear, shock and horror at the Liberal Government overreach of the Emergencies Act, all tyrannical and unconstitutional	2/18/2022 10:54 PM
44285	has given me hope.proud to be a canadian again	2/18/2022 10:54 PM
44286	It has given us a sense of blinging, hope peace and love.	2/18/2022 10:54 PM
44287	It has given me hope for the first time in two years. They are peaceful and do not deserve to be treated like this! It's disgusting what the prime minister has done! He is an ongoing joke to Canadians and other countries!	2/18/2022 10:54 PM
44288	Proud of them for standing up for our freedoms. Disgusted right see what Canada has become. ie) PM introducing Emergencies Act, peaceful protests being dismantled by the police.	2/18/2022 10:54 PM
44289	It's restoring my faith in Canadians.	2/18/2022 10:54 PM
44290	I am thrilled to see the movement and the positive response it's received, and troubled by the extreme language with which it is smeared as well as the disproportionate and inappropriate action taken by the Prime Minister.	2/18/2022 10:54 PM
44291	Gave me hope. I felt alone. When it started I saw there were many like me. I wasn't a bad person.	2/18/2022 10:54 PM
44292	I love the Canadian reconnecting	2/18/2022 10:54 PM
44293	Such beauty in numbers. So proud they are fighting for our freedom	2/18/2022 10:54 PM
44294	made me proud for a moment	2/18/2022 10:54 PM
44295	Positively	2/18/2022 10:54 PM
44296	has filled me with hope that the citizens of our country can have power to effect positive change	2/18/2022 10:54 PM
44297	It gave me hope that someone is actually in support of unity and that there can be an end to the division	2/18/2022 10:53 PM

44298	Positively	2/18/2022 10:53 PM
44299	I cheer them on, finally some Canadians have quit being passive rule followers.	2/18/2022 10:53 PM
44300	Makes me proud of people sticking up for other people's rights	2/18/2022 10:53 PM
44301	It has given me hope to live again to feel free and liberated and we can all come together in love and support and one another weather vaccinated or not and help each other get through these tough time but with the government all they have done is cause division and separation amongst the people	2/18/2022 10:53 PM
44302	They gave me hope that this nightmare would finally be over. The convoy itself gave so much happiness to myself and others. Unfortunately I couldn't get over there to support them. I don't like the way that these wonderful people that tried to get us freedom got arrested, amongst others. All Prime Minister Trudeau had to do was lift the mandate, preferably for everyone, and they would have gone home. Instead he showed us that he isn't capable of leading Canada.	2/18/2022 10:53 PM
44303	Gives hope!	2/18/2022 10:53 PM
44304	Given hope to see how many Canadians are aware of what is actually going on.	2/18/2022 10:53 PM

44310	Freedom hope unity	2/18/2022 10:53 PM
44311	Given me hope. Knowing I am not the only one who has seen our freedoms as Canadian citizens being taken away from us. Proud that these people are standing up for truth and Canadians.	2/18/2022 10:53 PM

44327	It's made me proud that the middle class and blue collar had sense to organize themselves get behind a cause and speak as one. I'm a little wary of the organizers of the protest, im not 100 sure I trust their motives. Feels like there is something underlying.	2/18/2022 10:53 PM
44328	It's opened my eyes on what Trudeau really has planned for Canada. Nothing good that's for sure. Please call a election.	2/18/2022 10:53 PM

It made me happy to see to see all the videos of people showing Unity, Love, caring, kindness and generosity. It has helped people to unite across the country. It has brought Joy to the people who can't be there and people are starting to Believe that the mandates may soon end. 44377	It has given me hope that we actually might move forward	2/18/2022 10:51 PM
44378	It has opened my eyes even more to the disillusion the media is creating. Instead of reporting on what the thousands of peaceful law abiding have lost and endured for two years they are focusing on the one bad apple of the bunch and portraying that as the convoy as a whole.	2/18/2022 10:51 PM

44383	Disrupting the flow of goods and the daily life of residents is not ok. The demonstrations are legit but should have toned down to not bring Ottawa to a standstill.	2/18/2022 10:51 PM

44401	Gave me a sense of hope until I realized what was going on exactly	2/18/2022 10:50 PM
44402	Showed the crookedness of the government and how much they do not care about the people of Canada. Has brought us Canadians together and let us all know we are feeling the same and want the same things.	2/18/2022 10:50 PM
44403	It hasn't...yet. when they drop the mandates it will be a positive effect in that I will get my civil liberties and freedoms back	2/18/2022 10:50 PM
44404	Given me hope that attention will be drawn to the lack of scientific support around mandates. Given me hope that the country can begin to repair the divide that has been perpetuated ad nauseam by our Prime minister and the major media outlets. And then....as events have unfolded over these past few weeks - severe anxiety and heartbreak took over, as I have watched how the whole movement has been painted with such a deceitful and negative twist. It is unlike anything I could have imagined. I am left to wonder if the media has always 'been like this'? I feel completely disillusioned with our government and major media outlets. I am grappling with how to process it all. I have always considered myself 'left leaning'. I still do, and am feeling very conflicted that I might have to face the decision of voting against some long held foundational beliefs in order to support someone who will allow me to earn a living and see my family.	2/18/2022 10:50 PM
44405	Taken up far too much attention by illegally occupying ottowa and the border	2/18/2022 10:50 PM
44406	It gives me hopes the mandate will be lifting	2/18/2022 10:50 PM
44407	Gave me positive attitude that the corrupted government might give the people there freedoms back. We got to get rid of liberal rule	2/18/2022 10:50 PM

44454	It has brought hope	2/18/2022 10:49 PM
44455	It has give me hope that people have a cause and still can be heard	2/18/2022 10:49 PM
44456	It has restored my hope of getting back to what life used to be with out fear of the mandates returning.	2/18/2022 10:49 PM
44457	Ever since seeing the Convoy I have started to feel a sense of hope for my country. I've watched the people of this countries demeanor disintegrate over the past 4 years. Addiction is rampant, suicide is sky-high and our elderly and loved ones are dieing alone and families cant even mourn their loses. This is disgusting and I LOVE the unity Truckers and ALL involved have brought us. (And yes I say 4 years because this whole debacle started in late fall 2018.)	2/18/2022 10:49 PM
44458	Gave me hope that things will change	2/18/2022 10:49 PM
44459	Feel positive	2/18/2022 10:49 PM
44460	As a person who could have been categorized as a right wing Canadian who trusted her legacy media? For the first maybe year. It helped me question everything and enabled me to do my own critical thinking. It opened my eyes to independent media. Don't get me wrong there are are radicalism on both sides. But there is definitely some truth in the middle. I began to see that the unvaccinated were not what the PM has described them to be. I started to see that I was not superior as a vaccinated person. I had deep conversation with them with unvaccinated friends. We never talked about it. I listened. I realized that they weren't the problem. Our healthcare was. See they are taxpayers too! Just like a smoker who burdens the health care system! And who do we blame for that? Oh boy this one might hurt some peoples feelings...: Wait for it? FUCKING POLITICIANS! I am an empath and can feel for even the ones that do wrong. But here's an idea STOP GIVING ALL OF OUR MONEY TO FOREIGN AID AND LINING EACH OTHERS COPORATE POCKETS and reinvest in to our healthcare!!! I mean I knew something was off for a while. I work in healthcare and the rules and mandates were so contradictory. The numbers didn't add up. COVID death on the death certificate because it was preventable if not for the lockdown. The legacy media and what I was seeing and hearing in person was confusing. I was waiting for a movement. I could feel a shift! It only took 23 months of lies and fear to break free of it! I am still a little fearful I mean it was ALOT but time and peace will help that!	2/18/2022 10:49 PM
44461	Has given hope to myself and family	2/18/2022 10:49 PM
44462	Supply chain harmed more. Learned that the mainstream media really does slant their reporting. Sad.	2/18/2022 10:49 PM
44463	It has brought hope to myself and millions of Canadians of some accountability	2/18/2022 10:49 PM
44464	It gives me hope for society to be more kind and mental health to improve. I feel like the truckers have done more for mental health in a few short weeks than the government has done in years. This has gone on far too long and we need change.	2/18/2022 10:49 PM
44465	Happy to see other people that are sick of the mandates and vaccine passports etc	2/18/2022 10:49 PM
44466	It showed me that a majority of Canadians believe in keeping our freedoms.	2/18/2022 10:49 PM
44467	By bringing joy and amazement at their nobility, wisdom and determination. Havent suffered from the convoys - quite the contrary	2/18/2022 10:48 PM
44468	Made me feel Canadian again. Shows how corrupt the media and our government is.	2/18/2022 10:48 PM
44469	It has a brought peopke together in a positive way!! This is what Canada and the world needed badly. This is a peacefull protest and it,s 100% positive!!	2/18/2022 10:48 PM
44470	Very much.	2/18/2022 10:48 PM
44471	It's given me hope that the powers that be will be exposed	2/18/2022 10:48 PM
44472	It hasn't affected anyone's life	2/18/2022 10:48 PM

44476	It has renewed my faith in people and proved how useless our government is.	2/18/2022 10:48 PM
44477	It brought good to our lands. Hope for no more segregation and division among family and friends. Brought unity, love and peace. It made me once again to be proud of Canada. A pride I lost since Justin Trudeau has been in power.	2/18/2022 10:48 PM
44478	Harder to get supplies	2/18/2022 10:48 PM
44479	Has given my family hope that Canada will see its the right thing to do and end all mandates	2/18/2022 10:48 PM
44480	Gave my hope & was nice to see people enjoying life Trudeau needs to be investing & jailed.	2/18/2022 10:48 PM
44481	Its brought hope.	2/18/2022 10:48 PM
44482	They've stalled the supply chain, which is all capitalists needed to hike prices	2/18/2022 10:48 PM
44483	Given me hope and patriotism. Also frustration with the Prime minister's handling of it. He shouldn't have hidden and shouldn't have used excessive powers against a protest.	2/18/2022 10:48 PM
44484	It has made me aware that there are many more people who want these mandates to end. It has shown me that divisive political pandering is harmful to the entire country.	2/18/2022 10:48 PM
44485	It has given me so much hope. I dont feel so isolated or alone anymore. I cant begin to express how grateful I am for all these people.	2/18/2022 10:48 PM
44486	Yes given me hope	2/18/2022 10:48 PM
44487	Go truckers	2/18/2022 10:48 PM
44488	It hasn't	2/18/2022 10:48 PM
44489	It gave people the courage to speak out. Like the emperors new clothes so many knew that something wasn't right. The trucker convoy has brought people together and now so many people realize it was not about vaccines and mandates but about power and control all along	2/18/2022 10:48 PM
44490	It hasn't	2/18/2022 10:48 PM
44491	Made me stressed out and angry and disappointed at the deceitfulness of the organizers and stupidity of the participants.	2/18/2022 10:48 PM
44492	It gave me more hope than anything in the last two years.	2/18/2022 10:48 PM
44493	It has given Me Pride to support like minded Canadians that love their Country and do not support government Policies that cannot be supported by logic , science data or facts , but are being imposed by a tyrannical anti - Canadian government imposing an agenda that is more in line with the world economic forum ideology than the Canadian Democratic ideology . This is not normal and I'm with the majority of Canadians that have had enough !!!	2/18/2022 10:48 PM
44494	Hoping they can help stop all the mandates.	2/18/2022 10:48 PM
44495	I think that they are helping stand up for our freedom	2/18/2022 10:48 PM
44496	It provided an opportunity to voice my concerns to the government. In the end it provided the government to lie to Canadians. I can not believe how despicable our Primeminister is and the lows he has gone to.	2/18/2022 10:48 PM
44497	The convoy has made me proud to be a Canadian again. The truckers give me hope to and a reason to go on.	2/18/2022 10:48 PM
44498	Provided hope that people can work together and do want to fight for peoples right to make their own choices without coercion.	2/18/2022 10:48 PM
44499	It's disgusting.	2/18/2022 10:48 PM
44500	gave me hope, showed unity, showed how biased our media sources are, showed how messed up politicians are and how hey have too much power. How it is ended will be a tarnish on all	2/18/2022 10:47 PM

44504	It has given me hope against this forced tyrannical government action. The main stream media is just as flawed. Open conversations should be had not just one side forcing things. This is not Canada and is it is sad where we have been brought to under trudeaus leadership.	2/18/2022 10:47 PM

44515	The trucking convoy has given me hope. The brave people who have been a part of the convoy conduct themselves peacefully and with dignity, contrary to how our Prime Minister and media portray them. I wish I was in a position to help them.	2/18/2022 10:47 PM
44516	hope	2/18/2022 10:47 PM

44543	It has encouraged me to stand up for freedom	2/18/2022 10:46 PM
44544	It gives me hope that all levels of government on each side of the isle will break and come clean with their agenda.	2/18/2022 10:46 PM
44545	Gave me hope,so much love,unity, hugs and now I no I don't stand alone..I no we all just want freedom and love and a choice..this convoy has made my life so much better..thank you truckers	2/18/2022 10:46 PM
44546	It has given my so much hope. Seeing Canadians coming together. Saying this is enough. We want change and we want it now. We want all the mandates lifted immediately	2/18/2022 10:46 PM
44547	Showing me how cowardly our prime minister is, he won't even show up and meet with the peaceful truckers.	2/18/2022 10:46 PM
44548	Social anxiety has increased. Have felt the need to cut connections with acquaintances due to their alignment and support for a "cause" that coincides with hate groups.	2/18/2022 10:46 PM
44549	Brought me hope that finally someone will listen to all the science, not just the cherry picked science	2/18/2022 10:46 PM

44552	Given me hope for the first time since this all began.	2/18/2022 10:46 PM
44553	The convoy has made me wonder how a comparatively small number of people have been allowed to hold the country hostage, for so long. I do believe in peaceful protests, but not at the expense of others rights. And definitely not when you are causing the very thing that you say you are protesting.	2/18/2022 10:46 PM
44554	Given me hope that there are more people that think like me and hopefully, together, we can over rule the tyrant and his followers and once again have a country we can all be proud to call home	2/18/2022 10:46 PM
44555	I am thankful	2/18/2022 10:46 PM
44556	Brought me hope and faith in humanity. People finally were coming together as one.	2/18/2022 10:46 PM

The peaceful fight for freedom is an incredible example of love, people coming together for the common good, and the positivity of humanity. I am deeply moved every time I hear stories of how people have been positively impacted through the convoy.	2/18/2022 10:45 PM
44573	It has given us hope until today watching the horrific acts against peaceful blue collar workers I am a proud Canadian and I will forever support those who have a movement for freedoms	2/18/2022 10:45 PM
44574	It has given me hope. It has empowered me to stand up myself. It has shown my daughter that there are so many kids like her that are not vaccinated and she is not the only one. 44581	Given hope for change	2/18/2022 10:45 PM
44582	Has not affected me	2/18/2022 10:45 PM
44583	It has been a god sent. It has also expose corruption in our government at its highest levels. Watching those brave people in ottawa standing up for there god given rights has given me hope that a free and sovereign society still exists.	2/18/2022 10:45 PM
44584	Brought hope and love	2/18/2022 10:45 PM
44585	I went to Ottawa and it was amazing. Peaceful, loving people and all we hear on the mainstream media are lies.	2/18/2022 10:45 PM

Canadians vote on Canadian Mandate - February 2022

44587	It has had no negative impact on my life. They were a source of hope that our Canada could be returned to normal, free to make my own decisions. No government in a free democracy should even want to make this sort of authority and control. I support out truckers.	2/18/2022 10:45 PM
44588	Bless their hearts for standing for truth and freedom.	2/18/2022 10:45 PM

44591	It has brought us hope and made me feel proud to be Canadian again	2/18/2022 10:45 PM
44592	Positively. Uplifting, inspiring, nurturing hope for a better Canada.	2/18/2022 10:45 PM
44593	Brought joy and pride to see all Canadians across the country stand together in unity cheering the convoy, flags, etc	2/18/2022 10:45 PM
44594	It hasn't. It hasn't for anyone. They are patriotic.	2/18/2022 10:45 PM

44597	I trust in God but the convoy of truckers gave me hope that Canada had stood up.	2/18/2022 10:45 PM
44598	Supporting a trucker	2/18/2022 10:45 PM
44599	Positive, they gave me hope of maybe being heard and going back to normal.	2/18/2022 10:45 PM

44602	Excitement, love, hope	2/18/2022 10:44 PM

44604	Inspiration, love, positive energy	2/18/2022 10:44 PM
44605	Giving hope for better life	2/18/2022 10:44 PM
44606	I support peaceful protests and encourage environments that are conducive for all persons to have their voices heard. People need their voices to be heard and need to feel understood. I saw the 'bigger picture' when the protest first started as a peaceful protest. Sam Harris's book 'A letter to a christian nation' taught me to be alert of the wolves in sheep clothing lurking in the background waiting for the right opportunity to attack. This protest prompted an intuitive knowing that there was a lurking. I believed extremists saw an opportunity. Hence, this past 2 weeks has been extremely anxiety provoking. I knew that a democratic open society needed to witness - SEE for themselves what can unfold if extremist - far-right organized protesters can do. My hope is that Canadians will reflect on this and be more cautious when they do decide to start and/or join in a protest. Be on alert for those with hidden agendas amongst the crowds.	2/18/2022 10:44 PM
44607	It has given me hope for the first time in 2 years.	2/18/2022 10:44 PM
44608	None. Shows the freedom and corruption to Canadian people by government of all levels	2/18/2022 10:44 PM
44609	It made me proud again to be Canadian. What the government did to them and how they handle the situation was grossly inhumane. It could've been an easy sit-down table talk but turned into violence and sadly it came from the men in uniform. Shameful!	2/18/2022 10:44 PM
44610	Gave me hope thing can change and Canada can become a free country	2/18/2022 10:44 PM
44611	Given me hope that these wonderful people would put their lives on hold and fight for me. Restored my faith in humanity	2/18/2022 10:44 PM
44612	Affected it positively! We are united as Canadians. It has given us hope to get rid of passports.	2/18/2022 10:44 PM

44622	Not affected	2/18/2022 10:44 PM
44623	I fully support the trucker convoy to stand up for our rights that are being taken away. So many important people lost their jobs because they did not support the vaccine. Was it fair? Absolutely not! The nurses and doctors carried the province of Ontario on their backs alone during the majority of pandemic just to be fired.	2/18/2022 10:43 PM
44624	It's encouraging and gives hope.	2/18/2022 10:43 PM

44634	it brought back hope for our future	2/18/2022 10:43 PM

44636	It hasn't at all	2/18/2022 10:43 PM
44637	Gave me hope. Made me proud to be Canadian and find like minded people who just want to get back to normal. The way the Gov is handling it, is breaking my heart again	2/18/2022 10:43 PM
44638	I am encouraged by the truckers' mission and horrified by my government	2/18/2022 10:43 PM
44639	When I see them it makes me proud. They are peaceful and only want our rights given back to us	2/18/2022 10:43 PM
44640	They demonstrate how the personal freedoms can be taken away by tyrannical politicians who were elected to uphold the Canadian Constitution	2/18/2022 10:43 PM
44641	I believed it was the only way out, now I'm beyond disgusted with the PM. He needs to go, he has completely destroyed canada, cant even talk to the peaceful protesters, name calling and	2/18/2022 10:43 PM

44699	It has not	2/18/2022 10:41 PM
44700	Hope	2/18/2022 10:41 PM
44701	It has given me hope and pride in my fellow Canadians that in our home land some one is standing up for our freedom and rights .	2/18/2022 10:41 PM
44702	It hasn't	2/18/2022 10:41 PM
44703	It has renewed my faith in my fellow Canadians.	2/18/2022 10:41 PM
44704	Significantly reduced my confidence in the Canadian government	2/18/2022 10:41 PM
44705	It has given me hope that that the majority of Canadians are finally understanding that the entire current narrative was always a pandemic created by a small group of very wealthy, exceptionally evil people that feel that they are superior and therefore entitled to control the rest of the world starting with a de-population non-vaccine that is unsafe & has already injured and killed thousands of people throughout the world. I finally believe that most Canadians will not easily be misled enough to sacrifice their children & future generations to this group of insane maniacs and are willing to fight hard to keep our country free.	2/18/2022 10:41 PM
44706	I learn name of Canadian politicians, first time in my life I started watching parliament session and was shocked with incompetent narcissistic, tyrannical PM and his transportation minister, I forgot his name. I have seen hard working people pushed and marginalized by their government	2/18/2022 10:41 PM
44707	Feel inspired, finally have hope and trust in the country, and to see unity and people sharing their hearts. I also feel dissatisfied with the media and their lies and the govt. for portraying it all to be something it's not.	2/18/2022 10:41 PM
44708	It gives me hope for Canada's future. It has also open my eyes to have fire the government will go and how corrupt they can be to get their own way. They are merciless and corrupt as all hell.	2/18/2022 10:41 PM
44709	Not at all, that brought to light how bad the Corruption is	2/18/2022 10:41 PM

44712	Brought hope and lifted my spirits. Made me proud to be CANADIAN again!!!! I was so ashamed of what was going on in canada before they started the convoy	2/18/2022 10:41 PM
44713	Gave me hope. Showed me that there are more Canadian's in agreement than I thought. Made me proud to be Canadian again. Exposed trudeau and his cabinet with their unjust and deceitful ways and showed they don't care about Canadian's or anything else besides the all mighty dollar.	2/18/2022 10:41 PM

44715	It hasn't	2/18/2022 10:41 PM
44716	It is an embarrassment to all Canadians. It has prevented people from doing their jobs and living their lives. It has revealed the racist, fascist, and greedy nature of those participating.	2/18/2022 10:41 PM
44717	Gave hope	2/18/2022 10:41 PM

44732	It made me proud to be Canadian for the first time in two years	2/18/2022 10:40 PM
44733	It has given me hope and love. It has given me strength to hold on and fight against these mandates. I hear the truth and will not comply to the mandates.	2/18/2022 10:40 PM
44734	Huge amounts of stress. I live in Ottawa. Anger too at the inability of the protestors to realize they are free. No one has forced a needle in their arm. They have made a choice to not get vaccinated and are unwilling to realize there are consequences to that choice. If there really were no freedom, ironically they'd all be vaccinated!	2/18/2022 10:40 PM
44735	They receive my full support for bravery and fighting for the right cause	2/18/2022 10:40 PM
44736	In a positive way, proud to be Canadian.	2/18/2022 10:40 PM
44737	Gave me hope.	2/18/2022 10:40 PM
44738	Very positively!!!! I needed this booster of fresh energy for a very long time and hope for better future without further restrictions! Truckers are our cry for justice, honesty, loving care and most importantly freedom from greedy people that have closed hearts!!!!	2/18/2022 10:40 PM
44739	Given me hope. Inspiration. Validation	2/18/2022 10:40 PM
44740	Revived hope and pride! United entire communities/provinces ...now feel devastated by the over reach of Trudeaus unnecessary Emergency Mandate!	2/18/2022 10:40 PM
44741	It has saddens and upset me to see how the government would disrespect and call people such hurtful and shameful names and be such hypocrites and cause so much hurt among Canadians in this country. So sad.	2/18/2022 10:40 PM
44742	Not at all	2/18/2022 10:40 PM
44743	BEST MENTAL HEALTH BOOST EVER! Finally opened my eyes and brought me into the Great Awakening	2/18/2022 10:40 PM
44744	Given me hope for Canada	2/18/2022 10:40 PM
44745	Gas prices have soared. More than they had already soared. I've moved my money to somewhere the government can't control.	2/18/2022 10:40 PM
44746	It has not affected my life at all. I think they are doing an amazing job peacefully protesting and Justin Trudeau has been trying to make them look bad.	2/18/2022 10:40 PM
44747	Not one bit , Love them all , True Patriots	2/18/2022 10:40 PM
44748	Very difficult for those who live and work in Ottawa; appreciate their view but don't appreciate the way they've bullied their way into Ottawa and overstayed; raises the question of how protests by indigenous people are shut down very quickly; the whole thing had a very american/trump/white nationalist feel to it. Reminiscent of proud boys and yellow vest movements. Disturbing. The mandate has been difficult for everyone however occuoying Ottawa is not the way forward in my view. There are healthier and more mature ways to deal with fear or a person al decision not to take the covid vaccine. Do we want to go back to allowing smoking in public spaces? The reasoning presented for getting rid of the covid mandate could be used to argue that. I hope we can find healing and renewed respect	2/18/2022 10:40 PM
44749	Gave me hope for Canada's future.	2/18/2022 10:40 PM
44750	Positively	2/18/2022 10:40 PM
44751	Gave me hope, allowed me to continue to stand for freedom and medical freedom! Gave me hope that god is watching and good will outbeat evil	2/18/2022 10:40 PM

44758	Renewed hope in Canada.	2/18/2022 10:40 PM
44759	It is a total disgrace to our country, these are a bunch of unhappy people , these are NOT true trucking company's. The true truckers are out working delivering the product. There poor judgement of using their children as sheilds is disgraceful. These children should be in school not tramping all over the country living without sanitary conditions	2/18/2022 10:40 PM
44760	Hope	2/18/2022 10:40 PM
44761	See a hope for freedom	2/18/2022 10:40 PM

44763	Not at all, I am just glad someone is finally standing up.	2/18/2022 10:39 PM
44764	It's given me hope and saddened me at the same time by the governments response, or lack or response.	2/18/2022 10:39 PM
44765	It has given a speck of hope. Others feel oppressed too. Others want this to end but then the way that they have been treated by the media and liberals makes me scared.	2/18/2022 10:39 PM

44775	It has given me hope for the future	2/18/2022 10:39 PM
44776	They've given me hope that things will change and get better, and shown me how the canadian government is not capable of making decisions based on the needs of their country.	2/18/2022 10:39 PM
44777	It gave me hope	2/18/2022 10:39 PM
44778	It has been a positive inspiration!	2/18/2022 10:39 PM
44779	Hope	2/18/2022 10:39 PM
44780	It has brought me joy and hope knowing people are out there fighting for our freedom to choose. I would be out there too but I have young children plus I am almost due with my third and I am stuck on bed rest. I also fear for my safety when it comes to the police trying to force the convoys to stop.	2/18/2022 10:39 PM

44788	Made me lose all trust in the Trudeau government	2/18/2022 10:39 PM

44794	They have given me a sense of hope, proud to be Canadian. The truckers have done more in 20 days to unify Canada than the Government has in 2 years!	2/18/2022 10:39 PM
44795	I appreciate the truckers standing up for freedom in a nonviolent way!	2/18/2022 10:39 PM

44797	It has encouraged me.	2/18/2022 10:39 PM
44798	It has given me hope that good people will stand up and say enough is enough. Other countries are opening up and moving on based on facts. Time for politics to get out of this. It has also made me sad to see the way our govt has treated peaceful protesters. Sad, angry, frustrated at the complete fascist actions of the current Prime minister and his flock that supports this horrible infringement on Canadians.	2/18/2022 10:39 PM

44808	I watch more cbc now, I guess. And also, I found I love making sarcastic comments behind ppls backs	2/18/2022 10:38 PM
44809	Radicalized friends and family. Increased anxiety, some grocery supply shortages but that was minimal. I supported the right to protest what they felt was an imposition to there livelihoods (long haul truckers) but all support was lost the minute they sided with white supremists and ignorant grandious narcissists. The convoy has left me disappointed in the few that clearly have no respect for there communities. I, me mine....that's all they believe in	2/18/2022 10:38 PM

44937	This has been the best thing that has ever happened to this country! So many people from all walks of life, from all over the country, of all ethnicities, whether vaccinated or not, coming together to peacefully protest against the mandates of this tyrannical government.	2/18/2022 10:34 PM
44938	It gave me hope at first. Then i watched the police beating peaceful protesters and ran over an old woman with a walker with a horse. Now im disgusted with our PM. He needs to step down. He has destroyed canada.	2/18/2022 10:34 PM

44954	Not at all. They have a right to protest. But not thay way. Those men and women do alot for both Canada and the use when you expect isolation everytime they pass how can they work.. its the reason prices are going up.. if anything you should be looking at the power and gas company's that are stealing from Canadians every day. The carbon tax stealing from hard working people.. we need to build up this country not tear it down. You can't put a couple bad people in a group of thousands and say their all Nazis. This should show you have canada has come together .. no matter what race or colour they are they are all one! And Trudeau wants to destroy that... there are videos of police trampling people in Ottawa... this is not nazi Germany. People are going to get killed and people will revolt this won't be good. Those police need to be charged aswell trampling people whats gives them the right to do that. The police are suppose to protect and serve not hurt people voicing an opinion.. please help canada	2/18/2022 10:34 PM

45086	It's brought HOPE, JOY back into my life and across our nation. I felt proud again to be Canadian, until I watched, live, an elderly Mohawk Woman TRAMPLED BY POLICE HORSES. 45151	Gives me hope	2/18/2022 10:27 PM
45152	The trucking convoy did not directly affect our lives but we understand the citizens of Ottawa were adversely affected by their presence. We also understand the truckers and other demonstrators frustration with not being able to earn a living due to the mandates and for the restrictions on our freedoms that are being kept on way too long. The Prime Minister caused this demonstration to go on for 3 weeks by refusing to meet, listen or even try to understand the frustrations of a large number of Canadians. Instead he has turned this country into a dictatorship by his arrogance and now into a state of Martial Law! This is very alarming!	2/18/2022 10:27 PM
45153	Inspiring to see passionate people stand up for their beliefs. Their democratic rights.	2/18/2022 10:27 PM

45168	It has given me hope	2/18/2022 10:27 PM

I felt supported and the message of unity, love, inclusion, and freedom is the foundation of what our country is built upon...Canada has lost sight of that and this movement made me believe in my country again. It pulled me out of a really dark place.	2/18/2022 10:27 PM
45170	Given hope, courage and joy	2/18/2022 10:27 PM

45173	added stress, loss of income and cost me money. Their selfish wants are childish and they have hurt many people. they have no clue what "freedom" means and do not speak for the majority of Canadians in any way. 45205	For the first time in months the convoy brought me hope... hope that things may change and we may have a return to normalcy. I admire the bravery these men and women have exhibited in standing up for the ideals of the Constitution, our human rights, and for freedom. Now that the government has met their peaceful protest with violence, under the pretext of an Emergency Measures Act, I am dismayed and truly fearful for the future of Canada.	2/18/2022 10:26 PM
45206	It's given a sense of hope for a better tomorrow. A reason to smile. That we can be united together. I've never seen so much kindness, love and support that these Canadians are giving one another. A world when you don't feel alone.	2/18/2022 10:26 PM

45210	It has given me and my kids hope. We are not alone. There are more people like us than we knew. It has changed our lives so we can now eat in a restaurant or I can take my kids to a museum or pool because of what the truckers have forced the government to concede. I feel as though I have some of my freedoms back.	2/18/2022 10:26 PM

45226	Has not	2/18/2022 10:25 PM
45227	There are good people that believe in Canada and are willing to stand up and have their belief in home and country heard above all the noise of government politics scare tactics and mistruths - lies!!	2/18/2022 10:25 PM

45266	Brought me so much hope that Canadians are standing for our freedom and Charter.	2/18/2022 10:24 PM
45267	Given me hope!	2/18/2022 10:24 PM
45268	It has helped bring mandates down to bring us back to the "normal" that the vaccines were supposed to do.	2/18/2022 10:24 PM
45269	It has made me look at our PM and media a whole lot differently. I've spoken with people in Ottawa and hearing a different story	2/18/2022 10:24 PM
45270	Not at all!	2/18/2022 10:24 PM
45271	Brought me hope!	2/18/2022 10:24 PM
45272	Good to see Canadians stand together in unison fighting for all of our freedoms. It continues to show how the mainstream/ legacy media misrepresents reality and the truth - horrible	2/18/2022 10:24 PM
45273	Positively. We saw Canada get excited and proud and finally something good after nearly 2 years of mandated life. Ready for the new freedom where we do life like we used to, aware of what's out there but actually living.	2/18/2022 10:24 PM
45274	Feels like for a very long time they give me hope that we'll return to normal	2/18/2022 10:24 PM

45282	Gave me hope in knowing I am not alone in knowing these mandates are tyrannical and our Prime Minister needs to be made accountable for the failure to unite this country as he has divided us. His job is to look after all Canadians not just the ones he has coerced to agree with him. 13% of the popular vote does not make a majority government	2/18/2022 10:24 PM
45283	Hasn't	2/18/2022 10:24 PM
45284	Inspired me and a nation	2/18/2022 10:24 PM
45285	Thank God they care. I feel hope and God is listening	2/18/2022 10:24 PM
45286	It has given me hope and direction. I am able to smile and laugh.	2/18/2022 10:24 PM
45287	Giving hope to this tyranny..to a better world with our nature way of being..for Peace, Love of all being in many forms, Harmony, respect, Freedom of Being/choice. You might have saved many lives by giving this strenght /hope by being soo peaceful and loving as it should Be. Never felt so patriotic . Hope for a good/better futur. Justice being served. As decreased my overwhelmed unusual unbalanced routine of " surviving mode" I feel i can breathe again.(stress	2/18/2022 10:24 PM

decreased/Hope-faith increased) Making sure everyone gets the message, to be heard not only on the mandates but so people wake up, this is perfectly positioned since its affects the chain and at some point they cant avoid this anymore .especially when it is done by all the people.. for Greater good of all even if some people cant see through it. Really making a change for good through peace and love by standing stronger together . Enough is enough of this low vibrational ruling gang of money hungry elites. The trucking convoy also gave me strenght to believe in our country being strong and free and standing for what is right and what is good.

More people are opening up about how the mandates and lockdowns have effected them, and are coming together over how they hope this will have an effect and bring the mandates to an end. 45432	It has made me realize that many Canadians feel the same way I do about freedom and government control, especially when it comes to my own body! I was exhilarated when I attended the first Edmonton rally...families, seniors, indigenous, blacks, whites all together, smiling! I felt alive for the first time in two long years! I fully support this movement! It has also opened my eyes as to how low and deceitful Main Stream Media is...sadly, they are not interested in the truth about the truckers.	2/18/2022 10:19 PM

45439	Giving Canadians hope	2/18/2022 10:19 PM
45440	For the first time during the pandemic I felt hopeful and a part of a loving and truthful community. God bless all the brave people on the front lines of the trucker convoy. You are the true heroes of our country and our democracy.	2/18/2022 10:19 PM
45441	It gave me hope. It brought me out of the depths of despair. I finally got to see humanity, love, unity, and hope. Hope that maybe, just maybe, we can once again live a happy life. A life where research and opinion is shared openly among friends without damaging the bonds of loved ones. It gave me hope that the "science" I had been researching for two years could actually be represented in this country. I finally feel like I'm not alone, we are many.	2/18/2022 10:19 PM
45442	Disgusted that a small minority of people think it is their right to impose their beliefs on the majority. We had an election 5 months ago. Covid mandates were front and centre in the discussion. This pandemic doesn't end just because selfish people say it's over. People should always have the right to peaceful protest. A peaceful protest does not infringe on the rights of others. This is nothing more than political minority occupation. Vehicles and farm equipment have zero protest rights. I stand with our duly elected Government.	2/18/2022 10:19 PM
45443	Concern for truckers livelihood Mortgage payments , children enough fuel to cover expenses since JT took their fund me money	2/18/2022 10:19 PM

45452	None	2/18/2022 10:19 PM

45457	It has given regular people a voice and a hope that the government overreach and erosion of freedom can be reversed	2/18/2022 10:19 PM
45458	finally some Canadians stand up for freedom with constitution of Canada in their hands and they are damn right. we need freedom more than ever. this country is heading into totalitarian waters under current government and corporations that rule it. also WEF is heavily involved... not good for people of this country and the World	2/18/2022 10:19 PM
45459	Made me ashamed of the Canadian flag for the first time in my life	2/18/2022 10:19 PM
45460	The trucking convoy has given me and my family hope.	2/18/2022 10:19 PM
45461	Given me hope for the first time in years	2/18/2022 10:19 PM
45462	It hasn't...but will if grocery runs low	2/18/2022 10:19 PM
45463	It has inspired me and those close to me	2/18/2022 10:19 PM
45464	I wish I can stand with them! I do in my heart! They have more to offer us than the PM Trudeau. I think they helped us all to open our eyes to really see the big picture here. I always told all my foster kid the truth will always come out and bite you in the ass if you lie!	2/18/2022 10:19 PM

Canadians vote on Canadian Mandate - February 2022

45465	First time I feel hope to end the lunacy of Ottawa. Other countries are learning to live with it. Why can't we?	2/18/2022 10:19 PM
45466	Gave me great hope and a knowing that we the people need to take a stand as our govt has Not represented all of us well!	2/18/2022 10:19 PM
45467	Brought me hope	2/18/2022 10:19 PM
45468	It hasn't.	2/18/2022 10:18 PM
45469	It is inspired me immensely! I have never been so proud to be Canadian until we UNITED for FREEDOM!	2/18/2022 10:18 PM
45470	Given hope	2/18/2022 10:18 PM
45471	Hasn't affected our lives if this is the only way for Canada to regain our rights and freedoms then all the power to them	2/18/2022 10:18 PM
45472	Our premier lifted some mandates.	2/18/2022 10:18 PM
45473	Given me hope for humanity	2/18/2022 10:18 PM
45474	It has given me hope	2/18/2022 10:18 PM
45475	Someone has to stand for individual and social freedom.	2/18/2022 10:18 PM
45476	It hasn't affected me at all, things are virtually the same as before...	2/18/2022 10:18 PM
45477	Gave me hope	2/18/2022 10:18 PM
45478	Working industry	2/18/2022 10:18 PM
45479	Given me hope for our country. Watching the police attacking peaceful protesters has caused me to view police from a different perspective. Horrific what the police are doing. Truckers there for 3 weeks and no injuries. Police step in, 2 injured and one died. Tragic and unnecessary.	2/18/2022 10:18 PM
45480	Nothing but positive.	2/18/2022 10:18 PM
45481	Hasn't	2/18/2022 10:18 PM
45482	HOPE for a better life for our kids, grandkids, family, friends, and family business, without govt overreach!!!	2/18/2022 10:18 PM
45483	It brought hope.. I support them, they are heros, it's all peaceful more like party in Ottawa, I attended couple of Saturdays when it was freezing cold. And instead of talking to Canadian people prime minister treated them as racist and terrorists, I'm really sad ... it's not Canada where I move all my life 10+ years ago ;(((2/18/2022 10:18 PM
45484	By standing up against a developing dictatorship	2/18/2022 10:18 PM
45485	It has brought a sense of freedom back in my life. It realizes I am not alone in any of this. Millions of people and millions are the world are standing with us. We are more than a small fringe minority. Alberta dropped most of their mandates because of this convoy. Praying my work will drop the mandate. I am forever grateful to the truckers and those holding the line.	2/18/2022 10:18 PM
45486	Feel that maybe we can go back to how we were. I feel proud to be a Canadian once again because of the truckers convoy. Someone is willing to do something for someone else. And they don't even know who I am. This is the way Canada used to be at one time	2/18/2022 10:18 PM
45487	It has give me Hope for a better life like I once had. I absolutely do not Trust the present Government in any way shape or form. They are NOT working for Canadians. They are working for themselves and their friends. Document after Document supports this.	2/18/2022 10:18 PM
45488	It has given me hope.	2/18/2022 10:18 PM
45489	They took a stand and I appreciate that. After two years of complacency like all Canadians, doing their jobs, they are told "agree or lose your jobs". How terrible, just as we get over the worst, that you are told your toil was unappreciated. And that's police, health care, truckers, public servants, etc.	2/18/2022 10:18 PM
45490	Showed me there's others out there that feel the same way I do. I feel trapped	2/18/2022 10:18 PM

Canadians vote on Canadian Mandate - February 2022

45491	It has not affected my life negatively at all. It has only impacted me in that I finally feel that someone is standing up for my rights.	2/18/2022 10:17 PM
45492	Made me realize we must stand together no matter how bad it gets.	2/18/2022 10:17 PM
45493	Love it but many of my friends and family do not. Of course they only watch mainstream media so they are brainwashed.	2/18/2022 10:17 PM
45494	proud to see people standing up for Canadians rights	2/18/2022 10:17 PM
45495	Gave me hope	2/18/2022 10:17 PM
45496	It was the first glimmer of hope I've had in years. Finally blue collar people were standing up to liberal and conservative elites getting wealthy, or not being affected at all bu these horrendous mandates.	2/18/2022 10:17 PM
45497	The price of transportation of goods	2/18/2022 10:17 PM
45498	Gave hope	2/18/2022 10:17 PM
45499	Given me hope for FREEDOM	2/18/2022 10:17 PM
45500	It has given me hope..	2/18/2022 10:17 PM
45501	Nada	2/18/2022 10:17 PM
45502	Gave me some hope back	2/18/2022 10:17 PM
45503	Exciting to see lovely people fighting for our freedom!	2/18/2022 10:17 PM
45504	Made me see that I'm not the only one who thinks the government has over reacted and over reached its own mandate and has illegally used emergency measures to punish law abiding citizens.	2/18/2022 10:17 PM
45505	It's encouraging to see so many others feeling just as frustrated with the mandates. I'm happy to see how peaceful and happy the people that are gathered. I also feel disturbed seeing how biased the media and government are, this causes me to distrust them more.	2/18/2022 10:17 PM
45506	Enough is enough. When peaceful protests go ignored it promotes further aggravation from everyone. End the mandates and continue research studies on an actual vaccine that works and prevents sickness and let us, the people choose to do as to how we live.	2/18/2022 10:17 PM
45507	gave me hope for change. and now mask mandate has finally been removed	2/18/2022 10:17 PM
45508	It has brought our family hope!	2/18/2022 10:17 PM
45509	They are amazing people and so loving. They are very kind and huggable. They are saving us from the mandate. They are making a difference. Only the police and the army would join them so we all can unite. That's what we need so we stay strong together. They are best convoy. I love them so much. God is with them in Jesus name. We want King Jesus to take over.	2/18/2022 10:17 PM
45510	Finally I feel hope for the future. I needed this freedom rally to reinstall my faith in caring humanity and the Canadian spirit. The is so much evil and corruption in our government, media, big corporations and big Pharma that I was beginning to feel like there was nothing the ordinary everyday living citizen could do. The trucking convoy has inspired me to never give up. There are good, wise, and caring people out there.	2/18/2022 10:17 PM
45511	It's given me inspiration knowing we are not as alone as Trudeau makes us out to be. The convoy has brought so many beautiful smiles, laughter hope and faith that peace and love is still within us all, not hate fear and animosity amongst Canadians as Trudeau sets out.	2/18/2022 10:17 PM
45512	I LOVE what they have tried to do. FREEDOM.	2/18/2022 10:17 PM
45513	Given us hope again!	2/18/2022 10:17 PM
45514	They gave me hope, inspiration, made me feel like someone gave a damn about Canadians	2/18/2022 10:17 PM
45515	Brought us hope that all will go back to normal	2/18/2022 10:17 PM
45516	It gives me hope for an end to mandates and restrictions. I fully support the freedom convoy.	2/18/2022 10:17 PM
45517	None whatsoever	2/18/2022 10:17 PM

45518	Hasn't affected my life I am very proud that at least they have taken a stand	2/18/2022 10:17 PM
45519	It makes me more aware of how we all need to listen and respect each other's values and beliefs. It also makes me more aware that Trudeau does not want to talk and come to a resolution or at the least acknowledge their concerns. He is showing he doesn't want to resolve anything he just wants to be right.	2/18/2022 10:17 PM
45520	HOPE! PEACE! LOVE! RESPECT! When the 4 races bring the 4 elements to a table built on equality we will see the change we all want and need.	2/18/2022 10:17 PM

45538	It gave me some hope for the future of Canada!	2/18/2022 10:16 PM
45539	It has given me hope and a sense of hope for the future that Canada will be able to e tricate itself from the grip of the WEF.	2/18/2022 10:16 PM
45540	Love and hope	2/18/2022 10:16 PM
45541	It's pissed me off. The tantrum truckers need to go home.	2/18/2022 10:16 PM
45542	It's given me hope that Trudeau will have to listen. After seeing people trampled by police horses today I am devastated and ill	2/18/2022 10:16 PM
45543	Gave me hope in Canadians and joy we are not alone or crazy. Tremendous disbelief in how Trudeau responded and how little power the people have in changing the government. Scary to see, concerned we will soon be a dictatorship or communist.	2/18/2022 10:16 PM
45544	Very positively	2/18/2022 10:16 PM

45584	It's giving me hope that these ridiculous mandates will end if I could be there to support I would	2/18/2022 10:15 PM
45585	Given us hope	2/18/2022 10:15 PM
45586	Brought to my attention at a greater level the corruption in our governments/leaders; it has inspired me more to fight for our basic rights and freedoms; the working class are the people who make things happen and they are the people who build good things; our leaders tear things down; I see more than ever a leader should be someone who serves the people not bring division.	2/18/2022 10:14 PM
45587	It gave Canadians a voice and it is standing up for what Canadians want	2/18/2022 10:14 PM
45588	Good and respects freedom.	2/18/2022 10:14 PM
45589	Positively	2/18/2022 10:14 PM

45592	It's brought us all together	2/18/2022 10:14 PM
45593	It has given us hope! For people fighting for everyone's freedoms!!!	2/18/2022 10:14 PM
45594	It gave me hope that Canadians still have a voice. Trudeau's refusal to meet and discuss these issues with Canadians killed that hope	2/18/2022 10:14 PM
45595	It has brought me hope and made me remember what it is like to have a community among my fellow Canadians	2/18/2022 10:14 PM
45596	It has inspired me to become more actively involved in politics & to pay more attention to the happenings of our current government. It has brought me a lot of awareness on the big questions like how the current federal government is planning to pay for the astronomical debt we have accumulated during this highly mandated pandemic & how this will affect all of our futures. The current cost of living in Canada has become something that is breaking many of us & pushing us out of our homes. The convoy has inspired me to see that our family was not the only one who has been negatively affected by the mandates & that we are not the only ones ready for them to end. It has also made me more aware of the funding that needs to go towards increasing our ICU capacity & to finally fulfilling our promise to the First Nations to bring clean drinking water to the many areas still suffering. It has saddened me to hear the way our Prime Minister has addressed the people involved, anyone associated or with similar thinking with the convoy in the media. His speeches & comments have created more division & segregation on our country. I hope one day to once again have a leader that leads by example, with integrity & courage. I am very proud to be Canadian. Unfortunately the way that this situation has been handled has left me feeling anything but proud.	2/18/2022 10:14 PM
45597	Shortage on groceries	2/18/2022 10:14 PM
45598	I've been made even more miserable because of their actions. I do not support anything that they believe in. They've been misled by lies and slander that has been flourishing across social media platforms ever since the pandemic started. My entire family supports their nonsense and it makes me feel even worse because they don't realize what has happened. I may find common ground in some of it but what they believe in goes against everything I stand for and against Canada as a country. It's disrespectful and awful.	2/18/2022 10:14 PM
45599	Gave me hope did not affect me	2/18/2022 10:14 PM

45613	It has made me PROUD of the truckers and all Canadians who support them and freedom!	2/18/2022 10:14 PM
45614	I'm a trucker, I support the convoy, it's changing the mandates, in the provinces. But on federal level we want them dropped, so we can travel and have our freedom back. We don't need to have the government interfere in our decisions to wear a mask or get vaccinated.	2/18/2022 10:14 PM
45615	It has given me hope, Unity & love.	2/18/2022 10:14 PM

Really sad how its divided our country. Hence why i cant stand trudeau he shouldve had enough respect to get out there and walk among them and talked to them. But then we all know he didnt answer questions. He says the same answer every which way to sunday. Resign already trudeau! PLEASE!!!! but chyrstia is no good either. I want pierre poilievre !! Think that's how you spell his name.	2/18/2022 10:14 PM

45624	They HAVE NOT affected my life, they have given my life HOPE!	2/18/2022 10:14 PM
45625	I attended a protest at Milk River. Totally peaceful, farmers, truckers, and many in cars at -30 degrees. People brought food and destributed it to people there. Very friendly with 25 RCMP VEHICLES blocking the group from joining other protesters at Coutts. Trucks and cars were getting through the border in both directions.	2/18/2022 10:14 PM
45626	Given me hope for my fellow Canadians.	2/18/2022 10:14 PM
45627	Proud to be Canadian again	2/18/2022 10:14 PM

45666	It hasn't, but while I disagree with people not following the law, I do agree with people's right to make their voices heard peacefully (which seems to apply to most people in the convoy), and their message is one shared by MANY Canadians who desperately desire to be heard.	2/18/2022 10:12 PM
45667	They stood up for real Canadians if it wasn't for the truckers talking a stand Justin Trudeau would of just hurt Canadians even more	2/18/2022 10:12 PM

Canadians vote on Canadian Mandate - February 2022

45689	Hope	2/18/2022 10:12 PM
45690	not at all	2/18/2022 10:12 PM
45691	We feel hope and we feel like there is a chance to get our life back again. We visited Ottawa and the trucking convoy was so full of joy and brought people together. Strangers hugged us. Children were playing happily. People were smiling and singing and helping each other. We felt relief, joy and pride in our fellow Canadians! It was healing and wonderful.	2/18/2022 10:12 PM
45692	Gave me hope to an end of the mandates	2/18/2022 10:12 PM
45693	It was incredible seeing so many Canadians and flags flying in support. Very emotional in a great proud way.	2/18/2022 10:12 PM
45694	Gave me hope that my opinion of our rights being taken away is 100% wrong and I am not alone in that belief!	2/18/2022 10:12 PM
45695	Not at all	2/18/2022 10:12 PM
45696	It has given me hope that there will be an end to the draconian mandates.	2/18/2022 10:12 PM
45697	Positively! At first we actually had hope for the first time in 2 years. Now we are petrified to even make note that we support it because we may have our accounts frozen or children removed from our home. The convoy is the best thing that has happened to our nation in many years.	2/18/2022 10:12 PM
45698	Brought HOPE to my life that we can get back all our lost freedoms.	2/18/2022 10:12 PM

45704	Hope	2/18/2022 10:11 PM
45705	I am so proud of them	2/18/2022 10:11 PM
45706	Not at all. I'm 100 % in support of these people standing up for our rights	2/18/2022 10:11 PM
45707	Inam so proud of them giving of their time and lives and putting themselves in harms way for freedom I got involved by posting, sending emails, calling and writing elected officials	2/18/2022 10:11 PM
45708	Finally someone that has the balls and the means to voice to at least bring attention to the downside of this politicizing of the Covid pandemic! Also, I am very, very embarrassed and very concerned the way my Prime Minister has shown his lack of leadership, fortitude and to stand in front of "the problem" instead of being mainly very invisible and hands-off. I'm extremely concerned by the Prime Minister setting and letting a low bar precedent resorting and invoking the Emergency Act, because of this "low bar" that has been set I am concerned of any future Prime Minister feeling emboldened to invoke this act for any (political) issue that has (a slightly) more optic "dangerous" facet to it! I am a very proud but sad Canadian because of all of it.	2/18/2022 10:11 PM
45709	It hasn't	2/18/2022 10:11 PM
45710	The "Freedom convoy" has not "effected" my life but, it has proven to me there is strength in numbers	2/18/2022 10:11 PM
45711	It has given me hope	2/18/2022 10:11 PM
45712	Not at all. I saw them in Winnipeg and waved and honked my support. Plus a few fist bumps and high fives. Wonderful!!!	2/18/2022 10:11 PM
45713	It has given me hope and showed me that Canadians care about each other and disagree with the devision that Trudeau is pushing on the country	2/18/2022 10:11 PM
45714	I support freedom of expression!....a Canadian right that has been violated.	2/18/2022 10:11 PM

45723	Gave me hope	2/18/2022 10:11 PM
45724	so annoying, plus prices going up on everything	2/18/2022 10:11 PM
45725	I support the truckers and what they stand for. Our cowardly PM won't even lend an ear. He is tone deaf to the country and it's desires.	2/18/2022 10:11 PM
45726	not fun some hate for our cuban	2/18/2022 10:11 PM

45729	No	2/18/2022 10:11 PM
45730	Has given me hope and proud to be Canadian	2/18/2022 10:11 PM
45731	It has brought enormous hope, given us a reason to live with hope again. We THANK the truckers for their courage!! Now we can go out and participate in normal life like a REAL CANADIAN CITIZEN.	2/18/2022 10:11 PM
45732	It's bringing the lies to the forefront	2/18/2022 10:10 PM

45742	Hasnt yet	2/18/2022 10:10 PM
45743	It has brought back a sense of pride of country that has been lost in Canada.	2/18/2022 10:10 PM
45744	The best way	2/18/2022 10:10 PM
45745	It has brought peace and happiness after 2 years of constant fear mongering and lies by political figures and the media	2/18/2022 10:10 PM

Canadians vote on Canadian Mandate - February 2022

45749	Has inspired me to feel maybe there is hope that things might end. Has also shown how incompetent our leader is, and his reaction has created a lot of anger and fear for our future	2/18/2022 10:10 PM

45751	There is hope that the evil government will end it's over reach	2/18/2022 10:10 PM
45752	It has given hope to all our community	2/18/2022 10:10 PM
45753	it gave people hope for an end to this BS of government over reach. also brought people together.... unity!	2/18/2022 10:10 PM
45754	The trucking convoy has not affected my life. Minor inconveniences, however most truckers and families involved are honest hard working Canadians sticking their necks out for freedom and due to a small group of strategically placed radicals the media reports all as white supremacies and terrorists which is very insulting to all the First Nations and people of collie supporting the protest.	2/18/2022 10:10 PM
45755	It gives me hope and I can see God working through the truckers to bring out the truth and bring back freedom and democracy to our country.	2/18/2022 10:10 PM
45756	It gives me hope to bring some attention to the mad man behind the wheel driving Canada financially and morally into the ground	2/18/2022 10:10 PM
45757	I finally felt hope, but the governments response has shown that the government and Trudeau has sold the Canadian citizens out, he does not care, nor work for the people of Canada.	2/18/2022 10:10 PM
45758	They made me proud to be a Canadian again	2/18/2022 10:10 PM

45767	Gave me hope. It has proven that our sinister government is still sinister. For two years I have been embarrassed to be Canadian and the convoy has made me proud again.	2/18/2022 10:09 PM
45768	It's made me embarrassed to be Canadian.	2/18/2022 10:09 PM
45769	It's given me hope and has also had an impact on who I speak with.	2/18/2022 10:09 PM
45770	It's shown me how people can band together to create change. In no way has the trucking convoy affected my life in a bad way, I fully support the trucking convoy	2/18/2022 10:09 PM
45771	It hasn't	2/18/2022 10:09 PM
45772	The trucking convoy has not affected my life at all, I am very proud of their dedication. At some point I believe that the Canadian public should be able to make choices about Covid for them self's and not have anyone judging them for a personal choice.	2/18/2022 10:09 PM
45773	The trucking convoy has given me hope for the first time in the last 18 months. I want very much for them to succeed in their mission to force the government to drop all mandates. I have not been directly impacted by the convoy negatively. I have been watching and following the progress since it began and I am proud of all the Canadians that are coming together peacefully to work together to end the mandates.	2/18/2022 10:09 PM
45774	Inspired me	2/18/2022 10:09 PM

45785	Proud to be a Canadian ,not born here	2/18/2022 10:09 PM
45786	Gave me a voice and hope that these mandates and continuous fear mongering would finally come to an end! (When else in our lives have we tallied deaths and reported them in the news nearly every day for over two years!)	2/18/2022 10:09 PM
45787	Given some hope	2/18/2022 10:09 PM

45977	It gave me hope	2/18/2022 10:03 PM

45979	Hope	2/18/2022 10:03 PM
45980	It has restored my faith in the true good nature of Canadians	2/18/2022 10:03 PM
45981	Its given me the feeling of unity in that others are feeling government over reach and restriction and finally a hope that more mandate lifting will happen. I don't think the lifting of mandates thus far would've occured otherwise. Its also prompted others world wide to have a voice. Also given the world a better glimpse at the tyranny of our current government.	2/18/2022 10:03 PM
45982	The trucking convoy has renewed my faith in Canadians.	2/18/2022 10:03 PM

45985	They are a disgrace. The flutrux convoy must leave Ottawa and should be prosecuted for terrorizing people of this great city.	2/18/2022 10:03 PM
45986	Gave me back some hope.	2/18/2022 10:03 PM
45987	It has given me some hope for mankind	2/18/2022 10:03 PM

Canadians vote on Canadian Mandate - February 2022

45988	Given us all hope	2/18/2022 10:03 PM
45989	They are our HEROES. Can't thank them enough for standing up for all of us. Support them in our hearts, our minds, with our words. Trudeau is just the tip of the iceberg. We CANNOT allow him to start the whole world come to collapse. Sad to say, seems Canada might be the weakest in all of western countries. The easiest to break down. I pray that we're strong and united.	2/18/2022 10:03 PM
45990	I believe these individuals are fighting for the freedom for all of us.	2/18/2022 10:03 PM
45991	It is wonderful and we have joined several times in the peaceful convoy in BC. We know the truth of how it was actually peaceful.	2/18/2022 10:03 PM
45992	Gave me hope of an organized voice against government over reach.	2/18/2022 10:03 PM
45993	Its cost me money because no goods are moving. Definitely some racist hanging around. Wtf? Dumbass	2/18/2022 10:03 PM
45994	It brought a feeling of hope and a feeling of love for my fellow Canadian citizens. Feeling of patriotism in my country again. More happiness from that than anything the government has done.	2/18/2022 10:03 PM
45995	Gave me hope for some kind of normal.	2/18/2022 10:03 PM
45996	I will survive, this is for better cause	2/18/2022 10:03 PM
45997	It has given me hope that the tyranny from the Canadian prime Minister. I refuse to call him my PM now and I wanted him in office when he was initially voted in. The trucker convoy is fighting for our freedoms just like my grandparents did. I am proud of them all.	2/18/2022 10:03 PM
45998	I'm proud that they are fighting for our freedom	2/18/2022 10:03 PM

46000	It has given me hope again	2/18/2022 10:03 PM

46007	Showed me that some people actually do care about what happens to others aside from covid death numbers	2/18/2022 10:02 PM
46008	It has given me hope in a possible future. They had a possibility of changing our country if our dictator would have only met with them.	2/18/2022 10:02 PM
46009	None	2/18/2022 10:02 PM
46010	Motivated us to speak up more	2/18/2022 10:02 PM
46011	I know people personally who went. They have great integrity and I trust them. I am disappointed in our PMO for taking such a harsh path without even one conversation. I have watch several livestreams on both sides and coming from a relatively neutral perspective I am appalled at mainstream medias obvious bias approach on this historical time. Yes incidents take place in huge crowds like this but, media failed to just present the facts as they see them unfold. Instead they repeat rhetoric and show only what fits the narrative the government wants. I was skeptical until I Witnessed this behaviour by jumping from various feeds. Some of which are just YouTubers filming as it happens. There has been little to warrant the amount of force displayed by law enforcement because of the EMA. Our Prime Minister went too far and should have been willing to dialog. Instead he only served to show Canadians he is the Dictator many believe he is.	2/18/2022 10:02 PM

46020	It has been a positive force, giving people hope for the future and showing that it's time to stand together for our freedom.	2/18/2022 10:02 PM
46021	Possibly supply chain shortages in stores, particularly food. Also as a 3rd generation Canadian citizen it saddens me that anyone feels compelled to resort to protests.	2/18/2022 10:02 PM
46022	That yes someone cares!	2/18/2022 10:02 PM
46023	Hope	2/18/2022 10:02 PM
46024	Gave me hope again for this Country.	2/18/2022 10:02 PM
46025	It has showed that Canadians want their freedom back, and we are the tax payer without us there would be no govt!	2/18/2022 10:02 PM
46026	It has brought joy and hope in a town when our PM has crushed joy & hope and over stepped his boundaries and misused his power	2/18/2022 10:02 PM
46027	Gave me hope for freedom and human rights	2/18/2022 10:02 PM
46028	The truck convoy is a voice that needs to be heard. Damn proud of them.	2/18/2022 10:02 PM
46029	Given our family hope. Made us feel patriotic. Made us feel proud to be from Alberta and Canada. Finally feel brave enough to speak up about our disappointment with the mandates and our communist government.	2/18/2022 10:02 PM
46030	Given me hope for a future that isn't oppressed. I have been to parliament hill 4 times, met people from across Canada and some from Europe all coming together to end this madness. To see faces, hug people, feel the love and energy, being proud to be Canadians and standing up for our rights which this government won't recognize and doesn't have the decency to meet with the truckers and people who have come from all over Canada to join and support this cause.	2/18/2022 10:02 PM
46031	No changes	2/18/2022 10:01 PM
46032	I can't relate to that but I'm 100%for them and can't stand to hear how Trudeau is treating them I pray for them all	2/18/2022 10:01 PM
46033	Gave me hope	2/18/2022 10:01 PM
46034	In the short term not a bit! The convoy carried a message about mandates being removed, but also a message about overreach of tyrannical governments in a country that fought against regimes of corruption!	2/18/2022 10:01 PM
46035	Give me hope	2/18/2022 10:01 PM
46036	In a good way it brought to light the overreach of government. It is making people wake up that there are people who think differently and want to take charge of their own health, their way. It's about our eroding freedoms in a larger sense.	2/18/2022 10:01 PM
46037	Given me hope	2/18/2022 10:01 PM
46038	Given me back some pride in our country and a sense of solidarity with fellow citizens.	2/18/2022 10:01 PM

46048	I was at the Coutts convoy. And watch many lives from all over. It's given me hope and courage.... While unmasked I had the most Amazing convo with a masked couple. We laughed and joked about us ladies buying discount candy.	2/18/2022 10:01 PM
46049	Giving hope to Canadians	2/18/2022 10:01 PM
46050	It has given me hope, and pride and allowed me to see people smile. It has shown many that they are not alone, that they have support when they didn't expect it. I guarantee that the convoy has prevented people from taking their lives. You can see it in the faves online and the comments you read	2/18/2022 10:01 PM

46052	Causing distrust and hate for police	2/18/2022 10:01 PM
46053	A spark of hope, but the gross mismanaged response by the government quells that quickly.	2/18/2022 10:01 PM
46054	It hasn't. Except it has gave us hope	2/18/2022 10:01 PM
46055	It's given me hope that there are more people that feel this needs to end.	2/18/2022 10:01 PM
46056	It made me proud to be Canadian. It was an answer to prayer, because the bought media had left Canada out of the news for two year. I wanted Canada to become headline news. I was planning to become an illegal alien in the U.S.	2/18/2022 10:01 PM
46057	Given me hope that we will be liberated from the unlawful acts of both the provincial and federal governments.	2/18/2022 10:01 PM

46069	I support the trucking convoy and it was a glimmer of hope while it lasted.	2/18/2022 10:01 PM
46070	Not logistically. Emotionally it is difficult to see the lack of diplomacy on both sides, but mostly by the feds.	2/18/2022 10:01 PM

46081	It gives me hope that changes are coming.	2/18/2022 10:00 PM
46082	It has made a huge impact on our mental health! Since the convoys started we've had hope again that maybe we can be free again and be able to live our life! And that maybe I will be able to go back to work when my leave is up.	2/18/2022 10:00 PM
46083	Gave me hope	2/18/2022 10:00 PM

46088	I love the all! Happy someone stepped up to the plate to end this insanity!	2/18/2022 10:00 PM
46089	It has made me afraid that the lunacy from the US has entered Canada. Local truck protests have upset my pets and made life hell.	2/18/2022 10:00 PM
46090	Inspired hope that there are people that feel just as frustrated with the government and believe the livelihood of the everyday working class is important	2/18/2022 10:00 PM
46091	Gave me hope! Restored my faith in Canada. Made me realize I am not alone!	2/18/2022 10:00 PM
46092	Hasn't affected me they are standing up for Canada	2/18/2022 10:00 PM
46093	Hasn't much. Slower traffic couple times. Task nice to see Canadians pull together in common cause.	2/18/2022 10:00 PM
46094	I'm spending way to much time watching events unfold. The main stream media and the live reports on you tube show total opposits. The media seem to have an agenda. Put the convoy in as bad a light as possible. Any small thing that's done wrong is the only thing portrayed by them. The live feed seems to tell a completely different story.	2/18/2022 10:00 PM
46095	It has brought a glimmer of hope and joy to our families lives! Seeing people stand up to tyranny peacefully restored our hope.	2/18/2022 10:00 PM

the tyranny and oppression of this wicked government !

46103	I'm hopeful for the first time in a long time	2/18/2022 10:00 PM
46104	The convoy gave me hope. Made me proud of my fellow Canadians.	2/18/2022 10:00 PM
46105	It has helped me recognize the tearing down of our charter of rights and freedoms, given hope for our freedoms returned , bonded Canadians for unity, made me aware of a dictatorial government and slanted media posts. Helped stir the world and promotes prayer, peace and purpose again! I am so thankful for the convoy and it's strong leadership and promotion of peace and getting back our freedom. It reminded me of the renewed strength of our country, fought hard by many in the world wars!	2/18/2022 10:00 PM
46106	It has given our family hope and unity. I now have faith that the Trudeau government will not get away with his dictatorship ways!	2/18/2022 10:00 PM
46107	It hasn't	2/18/2022 10:00 PM
46108	It has given hope.	2/18/2022 10:00 PM
46109	A little but we need to stand strong and fight for freedoms. Once lost its gone	2/18/2022 10:00 PM
46110	It has given me hope. I smile more.	2/18/2022 9:59 PM
46111	Give encouragement and hope	2/18/2022 9:59 PM
46112	It's given me hope that we will be a good country again	2/18/2022 9:59 PM
46113	I totally support the essence of what the trucking industry has set about to accomplish. What our idiot PM has done is totally illegal and morally irreprehensible. He needs to be removed immediately for treason, murder, money laundering, running the adrenochrome throughout Canada. I have been prepared for a while in case their were shortages so the trucker convoy has not affected me at all except that I wish I were in Ottawa to be one in solidarity with them!	2/18/2022 9:59 PM
46114	It has inspired hope. I am not alone and the truth is coming to light.	2/18/2022 9:59 PM
46115	It hasn't	2/18/2022 9:59 PM
46116	I am proud to be Canadian	2/18/2022 9:59 PM
46117	It has brought me more hope in 2 weeks than this country has in 2 years.	2/18/2022 9:59 PM
46118	NA	2/18/2022 9:59 PM
46119	Hope, feeling less alone than we have in a while, curious about the diverse group of Canadians coming together. Division again with peers and less so with family. Revealed true nature of our current government.	2/18/2022 9:59 PM
46120	Bring hope to end the mandates and this corrupt government	2/18/2022 9:59 PM
46121	Inspirational	2/18/2022 9:59 PM
46122	Brought me joy and hope	2/18/2022 9:59 PM
46123	It has given us hope for freedom. It has made me proud to be Canadian. I'm so proud of the people standing up for our freedom	2/18/2022 9:59 PM
46124	Inspirational	2/18/2022 9:59 PM
46125	Given me hope.	2/18/2022 9:59 PM
46126	It has given us hope for regaining the freedoms my relatives fought for. When our so called leader won't even sit down at the table to meet with the convoy representatives, that says it all. He is definitely incompetent to run this great nation.	2/18/2022 9:59 PM
46127	The convoy has given me hope. It's lead me to believe that there are true Canadians out there who stand true to what my own grandfathers fought for, for Canada and Canadians. They did not do what they did, ensure what they lived through to have me have to show papers to take my kid to a swimming pool.	2/18/2022 9:59 PM
46128	Exciting & following them all the way!! GOD bless the truckers & supporters	2/18/2022 9:59 PM

46131	It made me feel that liberations was on the way.	2/18/2022 9:59 PM
46132	The participation of radical elements once again means it is not possible to refer to the convoy as a rational group opposed to irrational rules. Similar to many vaccine-debunking groups and documents. When pictures of sheep are included in documents along side reasoned scientific critique, the information cannot be given to people that believe the government line. Thereby making it difficult to find alternate information to share.	2/18/2022 9:59 PM
46133	Given me hope.	2/18/2022 9:59 PM

46157	gave me hope in what a human is.....shame on all our elected and not elected that have went along side with this biggest scamever created ...	2/18/2022 9:58 PM
46158	They have shown the ruling elite of this poor excuse for was once a great nation that they cannot impose upon us rules which they do not heed, and which are objectionable and arbitrary. The goal posts for herd immunity have moved from what was once 70% vaccination, to 80, 90, and now that we have once again reached the threshold, indefinite. This is the poorest excuse for leadership I have ever witnessed, and will go down in history as such.	2/18/2022 9:58 PM
46159	Not at all, I'm Retired	2/18/2022 9:58 PM

46174	Just an annoyance and unChristian	2/18/2022 9:58 PM
46175	I went to Ottawa and supported them because what they are doing is amazing. It was an incredible experience full of love, happiness and it really felt like how life was before this pandemic.	2/18/2022 9:57 PM
46176	Well it certainly has opened my eyes to the Comey dictator in charge of the communist regime he has gathered. He is a traitor, he has committed crime after crime, he ignores the Charter of rights and the Canadian constitution. He needs to be removed from power either by force or by a non-confidence vote that is run legally. If this is not stopped I'm afraid there will eventually be a world revolt.	2/18/2022 9:57 PM
46177	Has given me hope and I am grateful.	2/18/2022 9:57 PM

46183	It was exciting to see Canadians united for one purpose, however I felt that it would have little effect on our PM	2/18/2022 9:57 PM
46184	The convoy has provided me with hope and has connected me to a larger community. I thought I was alone, but the convoy allowed me to see there are a lot more people out there that share my views. It has also brought vaxxed and unvaxxed people together.	2/18/2022 9:57 PM
46185	Gave me hope	2/18/2022 9:57 PM

46233	Freedom! Hope! Love!	2/18/2022 9:56 PM
46234	It hasn't affected my life	2/18/2022 9:56 PM
46235	Gives me hope as I see that no matter what happens Everything is getting exposed All the lies of the media The brain washing	2/18/2022 9:56 PM
46236	It has given me hope. I am also very worried about the false news of the left regarding any news of the convoy. I regard their efforts as our only hope against that trudeau and the other fake oppositions.	2/18/2022 9:56 PM
46237	Not really	2/18/2022 9:56 PM

46243	Positive experience. It has given us some hope	2/18/2022 9:56 PM
46244	It made me proud of being a Canadian.	2/18/2022 9:56 PM
46245	The way things were going, I had lost my faith in Canada. I was no longer proud to be from this country. When the trucking convoy departed and Canadians rose up to show their love and support, that is what brought back my faith in Canada. That is what standing up for your country looks like. That is what made me proud to be a part of this country full of wonderful people.	2/18/2022 9:56 PM
46246	I am proud that truckers I know, and many I don't, have the fortitude to stand up for people like me. I cannot stand alone.	2/18/2022 9:56 PM

46248	I hate that I feel like I've been constantly living in fear. I feel like I'm in real danger from people who might try to target me because I continue to mask up. I don't trust people who carry hate symbols or travel with folks who do. It's terrifying.	2/18/2022 9:55 PM
46249	They are my heroes	2/18/2022 9:55 PM

Canadians vote on Canadian Mandate - February 2022

46250	Not at all. Hoped politicians will listen to their concerns	2/18/2022 9:55 PM
46251	Made me sad/angry/scared. Furious at disinformation and racist statements made by leaders of the protest.	2/18/2022 9:55 PM
46252	Has made it more tricky as I live in Ottawa, that said I am strongly supportive as the mandates are an infringement on the right to life and the battle is worth the odd disruption	2/18/2022 9:55 PM
46253	No way at all	2/18/2022 9:55 PM
46254	It has given me HOPE .	2/18/2022 9:55 PM
46255	Shows we all need to unite to rid Canada of this criminal dictator.	2/18/2022 9:55 PM
46256	I'm not able to miss work to join them in Ottawa	2/18/2022 9:55 PM
46257	I'm shocked by the overt racism of the organizers. Pat King is openly white supremacist.	2/18/2022 9:55 PM
46258	Given me hope. Canada has been broken and divided like I've never seen in all my 56 years. Seeing these truckers unite and how so many Canadians have gotten behind them gives me hope. Seeing all the people on the roads when they went by made me realize I wasn't alone with all my sadness at how our country has become.	2/18/2022 9:55 PM
46259	Has not	2/18/2022 9:55 PM
46260	They give hope to all of us for a better, hopefully free future	2/18/2022 9:55 PM

46266	In a positive way.	2/18/2022 9:55 PM
46267	It has renewed my faith in Canadians. And has shown me that many more people support the same views I do then the media is allowing us to see.	2/18/2022 9:55 PM
46268	It gives me hope that people will sacrifice so much for our country. Their courage uplifts is all.	2/18/2022 9:55 PM

46273	Hope	2/18/2022 9:55 PM
46274	It felt like a positive act towards returning to normal. I didn't understand the border blockades though.	2/18/2022 9:55 PM
46275	I stand by them I stand by their decisions and I hope and I pray to God that Trudeau steps down as Prime Minister and that these truckers have the backing of all Canadians and that though I'll be OK and no harm comes to them they deserve this they worked hard they're hard-working human beings and deserve better than what our government is giving us and them Trudeau must go he does not deserve to be our Prime Minister because he sure in the hell doesn't speak for this Canadian	2/18/2022 9:55 PM
46276	I am now embarrassed to say I'm Canadian after that shit show! We have all given up things during covid for each other - they are a bunch of lunatics to think that they have rights over other people and are the low life of society. I think we need to change the Canadian flag now as they have misused it and defecated in our Capital. They used children to blockade and should have their children taken away from them if they put a cause like this ahead of their children! Such an embarrassment to our country! They should all be locked up	2/18/2022 9:55 PM

46281	Positively	2/18/2022 9:55 PM
46282	The trucking convoy has been a peaceful, inspiring event besides the few cases of white supremacy-promoting individuals.	2/18/2022 9:55 PM
46283	Hasn't yet but I foresee pricing of food, goods and services going up	2/18/2022 9:55 PM

46297	It has not affected me directly.	2/18/2022 9:54 PM
46298	It's made me realize that our government is corrupt, the politicians don't work for Canadians, they work for the big fat pay check they'll receive. And a lot of them are crooked and paid off. This convoy has made me realize our government isn't trying to protect us, their trying to control us. I don't know how ugly things will have to get for things to change, but one thing is for sure, Trudeau can't be our PM anymore and Canada needs someone who actually cares about their people. Their CANADIAN citizens...	2/18/2022 9:54 PM
46299	Made me feel more patriotic than I have in my entire life	2/18/2022 9:54 PM
46300	It has brought me hope and a great sense of community, unity and love. Knowing I am not alone, I am not afraid to express my views and opinions for fear of being judged or losing relationships. I believe in the freedom convoy and was blessed to be involved with the Edmonton convoy on Jan 29	2/18/2022 9:54 PM
46301	Has helped alleviate some of the stress caused by the mandates and isolation by forcing the government to open their eyes and lift some of the mandates, but its still not enough	2/18/2022 9:54 PM

46303	They are doing a great job Peaceful protest	2/18/2022 9:54 PM
46304	Feel that the good men and women and families are doing us all à favor by stepping up and saying enough is enough. Now they are being abused mentally and physically for being honest and wanting to meet with their P,M. for goodness sake what is wrong with Trudeau? He is acting irrationally, is he not well?	2/18/2022 9:54 PM
46305	Given me hope	2/18/2022 9:54 PM

46328	It has instilled confidence and hope...it has proven that mainstream media is censored and how corrupt and evil how government has become...we should be able to feed and give fuel to people without persecution	2/18/2022 9:53 PM
46329	Has brought hope and has made me proud to be a Canadian again. Is so uplifting and wonderful to see the unity and love and the peaceful way they are handling all the challenges. They are fighting for the freedoms of all Canadians.	2/18/2022 9:53 PM

46332	I am proud at how they have managed to keep such a large protest overwhelming peaceful. Let's look back at the protests of 202-2021, can they say the same? And yet, Trudeau has tarnished the cause and divided this country. So shameful.	2/18/2022 9:53 PM

Canadians vote on Canadian Mandate – February 2022

46335	I support the idea of what a majority of supporter think the convoy is about. Uniting Canadians, laughter, community, socializing, freedom, love, peace, the way of life Canadians love and are proud of. But I absolutely do not support the extremists that have attached themselves to this convoy and made this something else. I don't support their political ideals, affiliations, or memberships to organizations that are extremist. I don't support any weapons in any way shape or form or any threats, ideas or suggestions of violence. I am a peace loving Canadian who is form a multicultural family with a biracial granddaughter and Metis granddaughter. I do not believe in what Trudeau is doing to this country, or his smug childish smirk and arrogance. He should be ashamed of what he turned this in to.	2/18/2022 9:53 PM

46362	Gave me hope! Inspired a nation! Saying what most think but not all have the guts to say! Finally some brave men and women were willing to stand up and speak up for us all! They are heroes and I thank God for them. Praying they will be heard, however again, sorely disappointed in the lack of leadership federally and nationally. Trudeau is a self made dictator and I am absolutely appalled that he can get away with it all!	2/18/2022 9:52 PM

46455	I'm all for them and very much discussed with the way are so called leader has handled the situation, instead of being a man he's hid behind the sidelines instead of fixing the problem, he needs to step down as the Pm now	2/18/2022 9:49 PM
46456	It gave me hope that as a group we could stand strong and Trudeau would listen and hear our concerns but he crawled behind his desk and hid. He hasn't even come to talk to the truckers like they mean nothing to him. Like they never worked hard through the last 2 years. Very sad when we were all waiting to see him come talk and listen to the people but instead he caused us to see the separation amongst us Canadians and our freedom means nothing to him.	2/18/2022 9:49 PM
46457	Gave me hope :)	2/18/2022 9:49 PM

46497	Gave me hope. Love the truckers for uniting Canada	2/18/2022 9:48 PM
46498	It is given me hope. Hope that we will once again be able to make choices that affect our lives, not be told what to do. I also felt pride in our country. I haven't been proud to be Canadian for several years. PM Trudeau had stripped me of hope and pride and left me feeling despair	2/18/2022 9:48 PM
46499	I am so proud that they are risking there time, lives, jobs for the good of all Canadians. I will be forever grateful.	2/18/2022 9:48 PM
46500	It has given me hope, reminded me of why Canada is a beautiful country and how when people stand united they inspire an entire world. I have never experienced so much joy and love as a collective before. When facebook shut down the pages, the loss of joy was immediate and depression began to creep back into my psyche. When the government continued to quash the right to be heard and when Trudeau refused to speak with them, my hope began to die off. When he called us racist and misogynists it deeply affected me and continues to. I experience loss of sleep, thoughts of suicide, which I have never experienced before in my life. Now with the emergencies act in place and the hatred Trudeau has invoked there is no hope left. The truckers are all we have.	2/18/2022 9:48 PM

46519	It has been a total awakening. Given us hope for the future of our children and grandchildren. 46546	Embarrassed of being from Alberta and Canada. Frustrating that if it was BIPOC communities they would have seen a shut down and violence. It showed that the government is racist and white privilege is strong.	2/18/2022 9:47 PM

46593	It's given a glimpse of hope that people care and will stand up for the people in Canada.	2/18/2022 9:45 PM
46594	They have given us hope. Hope that united we can have our freedoms back. Knowing that they don't know us at all but they are putting it all on the line. And it has shown all of us who is unworthy to be in any leadership rolls. This includes our prime minister. Vp, all of their team, Ontario premier, our police. It's sickening, that people like them have authority, so unjust	2/18/2022 9:45 PM

46601	Brought me hope	2/18/2022 9:45 PM
46602	Happier and more unified.	2/18/2022 9:45 PM
46603	Stopped the mandates,	2/18/2022 9:45 PM
46604	I think it is beautiful to see the Canadian flags the people coming out the people finally breathing and believing that there's hope it is the first time that I feel Canada is coming back again we are standing tall and standing proud. We have been locked up in our houses I am a single person I've been alone for two years and just watching the people and seeing the flags of people standing on bridges and smiling faces that has brought Joy and happiness to my life I am very proud to be a Canadian and I'm very proud of everybody who is standing up for their freedoms. These people were peaceful protesters if I could've been in Ottawa I would've been. Invoking these emergency measures is crazy The Prime Minister does not say sorry I know at the beginning for the first three months even the first year OK but we know a lot now he needs to stand down and apologize this is totally crazy we cannot have somebody like him running the country if he's not going to talk to the people this is what the people want look around look everywhere they just want to be free if people want to wear their masks for the next 10 years let them it's their choice if they wanna get the flu shot and get vaccinated let them it's their choice I am not against vaccines I just do not want to put that in my body I am afraid that it will cause my Gilliam barre to come back and that is just cause but that is not just cause for me not to see my nephews graduate and go swimming with them and watch them in their sport that is punishing me for having an immune deficiency. I love the truckers I support them I finally feel like I can breathe and that there is hope for us as Canada and Canadians. I love Canada I love my truckers and I love all the supporters and the government can make these decisions to help us and to better our healthcare system I make \$21 an hour and I work hard on the front line taking care of the elderly I do private home care I've cared for people for 30 years and now they want to take away my job because I want to take care of myself that is so unfair that is so so unfair for people they called us heroes last year I love the truckers thank you the convoy is good it is reunited Canadians. Thank you	2/18/2022 9:45 PM
46605	For the first time in my life I'm PROUD TO BE A CANADIAN!!!!	2/18/2022 9:45 PM
46606	It's given me hope that I'm not actually in the minority and there are millions of other Canadians that see things the way I do.	2/18/2022 9:45 PM
46607	Has shown me that we aren't alone. That we can choose what we feel is best for us. Has brought the life back to me to fight for our country and our rights to choose what we want to do without being told to do something that we don't even feel is right. We now have a choice.	2/18/2022 9:45 PM
46608	Almost empty grocery stores	2/18/2022 9:45 PM
46609	It has put huge rifts between family members and friends	2/18/2022 9:45 PM
46610	It has caused road blocks, I feel very sorry for people in big cities where their day to day life had become restricted and the noise pollution and diesel was unnecessary Too many rebels use any excuse to cause shit, and hot heads love to get in peoples faces and start arguements	2/18/2022 9:45 PM
46611	It has given me hope that our country can get back to normal. I feel proud to be a Canadian again.	2/18/2022 9:45 PM
46612	Positively , it made me smile	2/18/2022 9:45 PM
46613	Brought hope and joy just watching other people come together in unity.	2/18/2022 9:45 PM
46614	It hasn't in any way. They are fighting for our freedom and to end tyranny and remove prime minister from the office before he completely destroys Canada! This is what I support 100%	2/18/2022 9:45 PM
46615	Hopefully it will with the end of mandates	2/18/2022 9:45 PM
46616	Has given me hope that we can have our lives back	2/18/2022 9:45 PM
46617	Besides the varying opinions, it hasn't . But nice to see someone take a stand and fight for rights	2/18/2022 9:45 PM

46640	It has made me aware of how many Canadians have same views about Covid and restrictions as myself.	2/18/2022 9:44 PM
46641	Gave me hope, they are the best thing that has happened to this country in two years	2/18/2022 9:44 PM

Canadians vote on Canadian Mandate - February 2022

46652	Given me a shred of hope in a seemingly hopeless world.	2/18/2022 9:44 PM
46653	It was the first time in 2 years that I felt like part of something bigger than myself and that there was hope and a way to take control back over my own health and mental well being. the happiness I felt driving with the convoy and the feeling that I am not the only one really brought tears to my eyes and made my heart swell. To feel part of a unified group that has one goal in mind felt really good. It made me feel grateful that I was able to appreciate what we had before the covid measures were implemented. i felt happy to be fighting a spiritual war where everyone has the opportunity to stand up for what is right and not just what is easy. To partake in the love, peace and charity that this convoy has offered will never be forgotten. Thank you for doing this survey	2/18/2022 9:44 PM
46654	Made me feel more canadian than I ever have in a long time if I ever did.	2/18/2022 9:44 PM

46671	Made me proud! Hopeful, put us on the news in every country on earth!	2/18/2022 9:44 PM
46672	They've inspired me by their courage, love of freedom and true democracy...they've acted in good faith believing that the Charter of Rights protects them against arbitrary prosecution for merely protesting peacefully against severe mandates that have run their course and have only hurt people and damaged our economy,	2/18/2022 9:44 PM
46673	Inspired	2/18/2022 9:44 PM

Canadians vote on Canadian Mandate - February 2022

46681	No	2/18/2022 9:43 PM
46682	Feel some national pride after years of no patriotism.	2/18/2022 9:43 PM
46683	Prices going up	2/18/2022 9:43 PM
46684	Given hope, brought the country together, fought injustice, lies. Indirectly exposed the WEF and their 2030 agenda	2/18/2022 9:43 PM
46685	We own a trucking business and would have followed if we didn't have to keep the pigs fed.	2/18/2022 9:43 PM
46686	Swelling with pride that there are every day people out there willing to stand up and ask the govt to check itself. The action against the truck convoy gives me zero confidence in the liberal party, really any one in any party who do not condemn Trudeau with enacting of the emergency act. The clips I've seen of police men on horse back riding through crowds, knocking people over is disgusting. These are human beings who are peacefully protesting the wrongdoings of those in power and they in return are using force. Disgusting and disturbing that this is okay in a free democracy. The truck convoy gives me hope. Today and in the future that Canada will still be my beloved country when my children are old and grey.	2/18/2022 9:43 PM
46687	It showed me that I am not alone and it gave me hope that maybe things could go back to normal.	2/18/2022 9:43 PM
46688	It has made me proud of my country for the first time in 2 years	2/18/2022 9:43 PM
46689	I'm not really sure. Everything was messed up before the Convoy happened	2/18/2022 9:43 PM
46690	Gave me hope and peace of mind.	2/18/2022 9:43 PM
46691	It has given me hope that other Canadians also oppose the government's restrictions, value freedom and autonomy (even while they may also choose to be vaccinated). It is hopeful that these restrictions could come to an end. The Trucker influence also had put pressure on the government to plan for specific end of the restrictions, rather than a vague 'when it is safe approach.	2/18/2022 9:43 PM
46692	Doesnt	2/18/2022 9:43 PM
46693	It has made me proud to be a Canadian citizen again. Where Justin Trudeau has successfully divided this country, the trucker convoy has worked to unite Canadian citizens of all walks of life.	2/18/2022 9:43 PM
46694	Gave me hope	2/18/2022 9:43 PM
46695	It's been encouraging to see how many people feel the same way that I do	2/18/2022 9:43 PM

46747	Made me proud	2/18/2022 9:42 PM
46748	For the first time in a very long time, because of the Freedom Truckers, I am actually proud to be Canadian; however, I am totally disgusted and embarrassed by our racist, lying, communist loving drama teacher PM.	2/18/2022 9:42 PM

46752	Not sure...but look at the shelves at the grocery store	2/18/2022 9:42 PM
46753	It really has no impact other than a voice for our rights	2/18/2022 9:42 PM
46754	It has given us hope for our freedom and to be able to have a choice	2/18/2022 9:42 PM
46755	It gave me hope that we would get our freedom back	2/18/2022 9:42 PM
46756	It gave me hope and I back them up 100 percent. Because Trudeau has ignored the truckers and implemented the emergency act Im not just going to just vote conservative in the next election. I'm going to volunteer and help them campaign to get this dictator out of office. Also Looking into how we can limit Prime Ministers to two terms maximum.	2/18/2022 9:42 PM
46757	voice for the real Canadians not the bought and paid for terrorists that our government pays to cause violence	2/18/2022 9:42 PM
46758	I'm proud to see their courage and resolve I'm proud to see violence avoided in a triggered environment It has given me hope of a better future, hope of stopping further degradation, and further corrupt politics. It has brought to my view the differences ever growing between Canadian lifestyles. These mandates no longer make sense. We are full of individuals. Not everyone needs to follow mandates for an actual purpose, but I respect those that feel a need to follow personal operative mandates to protect susceptible individuals. It gives me hope that liberalism learns a lesson, that Trudeau gets fired, hope that grassroots employment an lifestyles earn some respect, hope that perhaps my future can be more than poor, that I can build something worthwhile to live on for others beyond my yrs, and I hope that I can do more than be a slave to a job I can't figure out how to leave, and to also live in a balance with outdoor recreation and a hobby. Seeing Ottawa's reaction and handling of the freedom convoy has made me realize how spoiled and sheltered many are. I find the state of contrived emergency laughable. The only emergency is liberal wane in trust. In British Columbia the incredible combination of fire and heat, record rainfalls and floods, followed by some incredible snowfalls hampering recovery, lost highways, torn lands and holdings.... These were emergencies.	2/18/2022 9:42 PM
46759	Joy, love, hope	2/18/2022 9:42 PM
46760	It hasn't it's opening the worlds eyes	2/18/2022 9:42 PM
46761	The trucking convoy has given us hope that we are not alone, that there are others like us who are not ready to hand over our human rights just because we are being told to. It has also opened our eyes to the blatant and unapologetic bias and lies from our mainstream media in Canada, due to their reporting on the subject we now completely discredit anything reported by	2/18/2022 9:41 PM

Canadians vote on Canadian Mandate - February 2022

CBC, CTV, Global, and the like. It has made us lose faith in our Justice system and especially our politicians who would rather do what is popular than what is right.

I admire the strength, courage and sacrifice of each individual that has shown up in Ottawa and across the country to peacefully, lovingly fight for all Canadian's freedom! This protest must not end until we are all free and the discrimination, segregation and government overreach has been publicly named and addressed!	2/18/2022 9:41 PM

46770	Given hope	2/18/2022 9:41 PM
46771	They have given me hope that democracy may be revived in this country that has made a sharp turn for the worst by choosing to take advantage of its people when they were vulnerable and easily led astray. Again: for shame.	2/18/2022 9:41 PM
46772	It hasn't	2/18/2022 9:41 PM

46781	First and foremost, God has given me the strength to push forward and hold my head high, but the trucking convoy has given me hope, in knowing we, as Canadians can stand against a tyrannical government leader!!!!	2/18/2022 9:41 PM
46782	It has made me sad to see the Canadian Flag, and very sad when I hear our anthem. They have been used to advance non-science nonsense and hurt fellow Canadians who live it Ottawa. I'm scared where we are headed as a society.	2/18/2022 9:41 PM
46783	Made me feel proud and not alone.	2/18/2022 9:41 PM
46784	They are all hero's.	2/18/2022 9:41 PM
46785	Gives me hope	2/18/2022 9:41 PM
46786	It has been uplifting and unifying	2/18/2022 9:41 PM

46918	I stand with them all the way	2/18/2022 9:38 PM
46919	It shows how we treat people, or how we use them as we need them and then we kick them to the street.	2/18/2022 9:38 PM
46920	It was not affecting my life got too much going on to worry about it	2/18/2022 9:38 PM

He's got to go the mandates have got to go the government has to come around to the taxpayers way of thinking. 46933	It has provided a sense of hope that we can finally be heard by the government in ending the mandates.	2/18/2022 9:37 PM
46934	Its has restored much needed hope that has been lost. I follow it daily. They are on the right side of history. It has brought joy to so many Canadians. It has united and inspired the world. What a beautiful movement. Im sure you saw the footage as they all made their way to Ottawa. This tyrannical government needs to be overturned. All government seems to be crooked much like lawyers. It seems everyone has been put in proper place to make this all happen as planned. The country and our world is doomed under the WEF. Too much power and Control by government and elites as well as imposing restrictions upon medicals in treatment protocol. Every aspect of this pandemic has been mishandled. Its over! xo a Nurse	2/18/2022 9:37 PM

46936	It brings tears to my eyes seeing those brave people fight for our freedoms.	2/18/2022 9:37 PM
46937	Added anger and frustration to the mix. Everything we have all gone through and then we have to worry about more businesses being threatened by this. I truly believe in protest, but can't understand their reasoning.	2/18/2022 9:37 PM
46938	It has given me hope and pride and definitely a sense of unification with others once again. Proud to be a Canadian more than ever because of the truckers and other Canadians peacefully protesting on the Hill.	2/18/2022 9:37 PM

Canadians vote on Canadian Mandate - February 2022

46939	It has not affected me. I support each and every convoy no matter where held. They are amazing. I would like to financially support them but am at risk.	2/18/2022 9:37 PM
46940	Given me hope in humanity and a hope to regain our freedoms	2/18/2022 9:37 PM
46941	For the first time in many years I feel proud to be Canadian. I feel alive and have made true lasting friendships throughout these past 22 days since the truckers convoy started. I actually have never been more proud to see all Canadians, all races, color and creeds come together in unity. All with one common goal, freedom and freedom of choice. Even though the media and government tried to obscure the truth, Canadians still came together as one people. This has positively changed our lives forever.	2/18/2022 9:37 PM
46942	It has been the best thing yet standing for our rights when no one else will	2/18/2022 9:37 PM

46960	Positively	2/18/2022 9:36 PM
46961	It's given me hope for the first time in many years. I'm proud to sing our anthem and wave our flag again. I also now deeply dislike and distrust police after a lifetime of defending them. Seeing the treatment of pastors and Jews throughout the pandemic has made me deeply afraid for our future. As an unvaxxed second class citizen, this has given me the ability to go to shows and restaurants again and engage in social life. But mostly, it's allowed me to meet many wonderful people and taught me that love transcends age, race, culture, class, and geographic locations. I never would have believed such unity in diversity was possible in my lifetime.	2/18/2022 9:36 PM
46962	It has provided me more hope and feeling or pride than I have felt in many years.	2/18/2022 9:36 PM
46963	Gave me hope and a sense of unity with my fellow Canadians	2/18/2022 9:36 PM

46995	It actually gave me hope knowing how many were fighting to bring this insanity to an end. We will not vaccinate and are now being held hostage in our own country. It's despicable.	2/18/2022 9:36 PM
46996	It has given me hope that others feel the same way as me, and that our politicians would see and listen to our concerns.	2/18/2022 9:36 PM
46997	They brought awareness on an international scale	2/18/2022 9:36 PM

47064	Gave us hope and people stepped up for what is right	2/18/2022 9:34 PM
47065	It has brought me hope through these dark times.	2/18/2022 9:34 PM
47066	It has given hope yo be able to have a normal life again. I 100% support the freedoms they are protesting for. We need to get back to the free country we once had	2/18/2022 9:34 PM
47067	It has not impacted my daily activities at all. I am grateful that a group of citizens have brought attention to the divisive tactics of our prime minister who has chosen to ignore a large percentage of his country, and also has ignored our charters of rights and freedoms whenever it is convenient for him.	2/18/2022 9:34 PM
47068	No negative effect on my life.	2/18/2022 9:34 PM
47069	Positively ...increased hope	2/18/2022 9:34 PM
47070	Don't,Actually show the light in very dark tunnel	2/18/2022 9:34 PM
47071	The trucking convoy has given me a sense of hope and belonging. It's the first time in the past year that I've felt welcomed and accepted by others. It has made me feel like there are other people out there who believe I deserve to be a part of society and that I'm worthy of existing and not any less of a human being for making a personal choice about my own body.	2/18/2022 9:34 PM
47072	It's given me hope. It's so peaceful and PM JUSTIN TRUDEAU should have been talking with them. Justin Trudeau should have dropped the mandates give us back our freedom and the truckers convoy ottawa 2022 would have went home but no let's hide. Justin Trudeau is not a leader he should step down or be removed	2/18/2022 9:34 PM
47073	It has given me HOPE! It has helped me voice my concerns of the government overreach for the last 2 years! Never should a government have treated Canadians this way. We want our freedom back to be exactly how it was before covid and all the BS rules and mandates. 2 weeks to flatten the curve was over a long time ago.	2/18/2022 9:34 PM
47074	It has shown me how peaceful protests are not supported despite Canadian laws. It looks like PM Trudeau has an agenda that doesn't include the freedom of Canadians and that we will be called names and have fear used as a tactic towards us. It seems that the laws, rights and freedoms that were thoughtfully written down have no standing.	2/18/2022 9:34 PM
47075	A bit of hope that things would change	2/18/2022 9:34 PM
47076	Full supported	2/18/2022 9:34 PM
47077	Not too much yet, but I suspect there will be longer term affects.	2/18/2022 9:34 PM
47078	It gave me hope to see the convoy stand for choice and to hear the true facts by medical people and scientists that is not reported by mainstream media. Upsetting to watch livestreams and then hear how politicians and media spoke untruths or ignored reporting the individuals speaking truths on stage and actually twisting the truth to their own agenda	2/18/2022 9:34 PM
47079	It gave me hope.	2/18/2022 9:33 PM
47080	Given hope for an end to the restrictions and return to normal life. Sadly Trudeau and his emergency act are putting us in a dangerous position of ongoing mandates and I am scared of what he will do.	2/18/2022 9:33 PM
47081	It has given me a speck of hope that our freedoms would be reinstated or at least considered.	2/18/2022 9:33 PM
47082	It has given me hope and comradery with my fellow Canadians.	2/18/2022 9:33 PM
47083	Gives me hope	2/18/2022 9:33 PM
47084	Hasn't	2/18/2022 9:33 PM

47106	It has shown me the true colours of our priminister and the government. It has also confirmed to me that Canada is no longer a democratic society if people can't even protest peacefully without our priminister taking extreme action.	2/18/2022 9:33 PM
47107	Hasn't	2/18/2022 9:33 PM

47176	It is angering me. The way they are acting and what they are saying and promoting it me is totally disrespectful to Canada. No matter what they think they are NOT speaking for me. Had to take down my Canada flag because neighbours are either applauding as they think I support the convoy and others who turn away when I leave the house. Huge divide within my house walls now as well because of the convoys	2/18/2022 9:31 PM

Control is not democracy.Truth hasn't been released regarding the effectiveness of these so called vaccines. Has not done what was stated and the aftermath of it has done more harm. CEO of pfizer has STATED that the vaccine forced on us has no effect! Government has gone out of its way to with hold the whole truths of what is going on. I feel like a lab rat and the slipping of democracy in our Country.	2/18/2022 9:29 PM

I feel hope for change in our entire political system fir the better. I believe the media will also be challenged to change or that the current underground media sources will come to the forefront. I feel hope that the truth will come out, people will awaken, and the criminals will be held accountable. I see a beautiful future, one that for two years I thought was gone never to return.	2/18/2022 9:29 PM

47335	The covid measures I lived with in 2020 I saw the need but by early 2021 NO. Govt. always slow to act to cover their butt, but by fall of 2021 alot of us had enough no point. When I saw the Truckers start the much needed movement I said thank God. I have followed them and supported from the start and they managed a more peaceful protest than I expected as I believe we Canadians are a tolerant people. But what our P.M has done is inexcusable and I am 62 so grew up with Pierre and he would be Ashamed at his son. I'am so pissed off at the Liberals and NDP/Greens I'll never vote for them again and will attend Election debates to trash them so probably kicked out or arrested, don't care been better people than me get that.	2/18/2022 9:27 PM

47371	gave me hope and was happy to see someone taking action to bring attention to government overreach	2/18/2022 9:27 PM
47372	It has given me hope. I didn't think we would stand up but im so glad we are setting an example for the world. 47427	Positive ways only	2/18/2022 9:25 PM
47428	Not directly other than watching a peaceful, loving protest with no looting, vandalism, or violence, and these Canadians are being treated like criminals for expressing their Charter of Rights Freedoms. Our PM never even took the time to sit down and negotiate, not once. He inflamed with name calling, associated them as up holding Nazis flag even though that was adamantly denied by everyone. Sad day for Canada. ☹	2/18/2022 9:25 PM
47429	Hasn't affected	2/18/2022 9:25 PM

47612	They make me feel proud, hopefully we can start seeing some prices start to drop so families can feed their children and pay their utilities	2/18/2022 9:20 PM
47613	It's given me hope	2/18/2022 9:20 PM
47614	Increased stress on how it has been handled. The convoy itself doesn't stress me, the governments response does.	2/18/2022 9:20 PM

47616	It's amazing to see that we have these people behind us	2/18/2022 9:20 PM
47617	It's given me hope that there's other who feel the same as I do about the government abusing their power and influence the media with biased news reports	2/18/2022 9:20 PM
47618	It has brought us hope .	2/18/2022 9:20 PM
47619	Irritant	2/18/2022 9:20 PM
47620	I felt pride to be a Canadian! I have never felt that in my life! Right now though, with the police actions I feel destroyed. I feel like our government hates us and is going to make us pay.	2/18/2022 9:20 PM
47621	Given me hope and renewed my pride in being Canadian	2/18/2022 9:20 PM
47622	I haven't been happier I have hope again in re turning to normal life, in family party's and meals with them all. We need peace and we need all of this to just stop.	2/18/2022 9:20 PM
47623	Given me hope	2/18/2022 9:20 PM
47624	Gave me hope	2/18/2022 9:20 PM
47625	Has brought me hope in my fellow Canadians. That we all haven't been trampled by the government. That we can still be united despite being forced to be kept apart for 2 yrs	2/18/2022 9:20 PM
47626	Positively	2/18/2022 9:20 PM
47627	They are standing up for Canadians who cannot do it themselves they are standing up for our country and doing the right thing and the prime minister is scared and won't stand down bc he doesn't want to lose his power and he continues to ruin our Beautiful country.. he needs to go and these mandates need to end.	2/18/2022 9:20 PM
47628	made ne extremely proud	2/18/2022 9:20 PM
47629	It made me proud to be Canadian again. It gave me a glimmer of hope. It brought people together and it's been beautiful (until Trudeau's cowardly emergency act stunt that he has yet to justify which has been very distressing to watch as Trudeau has cops arresting, trampling and beating peaceful protestors who are just trying to uphold their Charter rights)	2/18/2022 9:20 PM
47630	Many people have gone through the justice systemm trying to sue the government with little to no results. This demonstration has given the world a voice!	2/18/2022 9:20 PM
47631	Hasn't except for my wife obsessing about it. She does not agree with the 'protest'	2/18/2022 9:20 PM
47632	It has begun to loosen the mandates, I feel it has made the provinces start repealing mandates.	2/18/2022 9:20 PM
47633	Given hope for the future and exposed more and more government overreach	2/18/2022 9:20 PM
47634	I fully endorse those speaking up to show our desire to be heard as Canadians	2/18/2022 9:20 PM
47635	I've seen nothing but peaceful protesting through other sources than what the main stream media shows. It has not affected my life in a negative way. People fighting for their rights is their right to do so. This was for the people and for future generations to get our lives back and our rights as Canadians.	2/18/2022 9:20 PM
47636	Nil	2/18/2022 9:20 PM

47638	It has given me joy and hope. I am thankful that they are standing up for what is right.	2/18/2022 9:19 PM
47639	I'm angry that a group of racist, privileged idiots are trying to subvert democracy.	2/18/2022 9:19 PM
47640	Giving us hope	2/18/2022 9:19 PM
47641	Given us hope for freedom over our bodies and lives. And pride in our country which we had lost. And hope to have government be accountable to the people of Canada. They are our only hope for our future right now.	2/18/2022 9:19 PM
47642	How hasn't it !!!!!!! It has affected EVERYONE SO WORSE THEN OTHETS BUT STILL AFFECTED !	2/18/2022 9:19 PM
47643	The trucking convoy gave us some hope, a plan, a coming together where we have been so	2/18/2022 9:19 PM

divided. I fully support the truckers convoy, they have been peaceful with their process. I am appalled with the disrespect of the prime minister, never answers questions asked of him, calls the opposite side terrible names with NO apology, walks out on parliament instead of answering-completely unbelievable attitude! Certainly not worthy of leading our country as a democratic society!

47644	It showed me, that the Federal Govt does not care about the working class. That once they are voted in it seems about padding their rich friends pockets	2/18/2022 9:19 PM
47645	Has made me PROUD to be a Canadian and given back hope and feel like the PEOPLE have a say again (although seems to be falling on deaf ears and no brains sock puppet PM TRUEDOPE!	2/18/2022 9:19 PM
47646	Been amazing to see Canadians rally and fight for freedom. I want it to end as it's costing us more but not till mandates are over and we as the people start to regain personal choice and freedom of choice.	2/18/2022 9:19 PM
47647	it gives me hope that there are still people out there that value their freedom and have some commensense to see through all the propaganda of fear meant to cause division among Canadians	2/18/2022 9:19 PM
47648	Made me proud to be Canadian!	2/18/2022 9:19 PM
47649	Gave me hope	2/18/2022 9:19 PM
47650	Positively	2/18/2022 9:19 PM
47651	Inspiation	2/18/2022 9:19 PM
47652	I believe they showed everyone who would listen with an open mind that Canadians are hurting. They united the country. They were peacefully protesting but the media chose to focus on anything negative they could find. The convoy has opened my eyes to the misuse of information. Friends on the ground in Ottawa tell a very different story than the media and Trudeau.	2/18/2022 9:19 PM
47653	I feel we have some hope	2/18/2022 9:19 PM
47654	Positively. Someone had to take a stand.	2/18/2022 9:19 PM

47656	Hope	2/18/2022 9:19 PM
47657	Made me proud to be Canadian again. Proud of the people helping all Canadians to stand up for what is right.	2/18/2022 9:19 PM
47658	Did not affect me	2/18/2022 9:19 PM
47659	Gave me hope. But now extremely disappointed again by government & police action taken against the convoy	2/18/2022 9:19 PM
47660	None	2/18/2022 9:19 PM
47661	It's shown me hope!	2/18/2022 9:19 PM
47662	It has brought us hope to have our Freedoms restored. I loved watching all the good things that they were doing in Ottawa. They are not terrorists, like really a bunch of guys and gals who drive a truck... It brought back a feeling that we can all get back to normal. Before Covid. I love those remarkable people.	2/18/2022 9:19 PM
47663	Not at all affected me. I do love that someone is raising their voices and concerns over these mandates	2/18/2022 9:19 PM
47664	i am so proud at least there fighting for there rights the rights Trudeau is stealing from us	2/18/2022 9:19 PM
47665	It hasn't	2/18/2022 9:19 PM
47666	Noise, forcing my husband to ride bike to get home I'm the -20 because of the fucking idiots causing blockade	2/18/2022 9:19 PM
47667	Hope. Resilience. I am not alone. I've never felt particularly patriotic until now. The hate that the "pro mandate" people show is very disturbing.	2/18/2022 9:19 PM

Canadians vote on Canadian Mandate - February 2022

47668	It brought me hope. I'm proud again to be a Canadian. But the Prime Minister has made us the laughing stock of the world ... I have zero respect for him and those who bow to him to get a pay cheque ... along with the paid media of the government.	2/18/2022 9:19 PM
47669	It has given me hope! My children are smiling again. They have hope for their futures. They look forward to next week instead of being indifferent. They are happy. But we also have deep worry about how the government and law enforcement are treating them. It saddens us to see the overreach of power. It has taken any and all trust away from the Government and media. Stealing donated money? That's our money given to them because we choose! Using force and violence on peaceful protestors? Those are Canadian citizens legally protesting. The convoy gives us so much hope and happiness, the response from government disgusts me.	2/18/2022 9:19 PM
47670	Has given me hope, gave me back patriotic feelings for all Canadians, not depressed until I seen trudeaus gestapo on horseback trampling peaceful citizens, and the opp punching a young man that was just standing there and side sweeping another bystander.	2/18/2022 9:19 PM
47671	It has not affected my life at all. The picture of bouncy houses and people singing was wonderful to see.	2/18/2022 9:19 PM
47672	I have hope.. for the first time in over 2 years, I have hope. So emotionally uplifted that my breath catches in my throat. And now that martial law has been declared, I'm more afraid than I ever have been. Politicians and media have been lying to us for over 2 years now, and they've told the last lie to try and break a law abiding, peaceful protest. Our PM has turned everyone against each other, this ignited a fire for unity.. and he just tried to crush it again.	2/18/2022 9:19 PM
47673	I felt there was hope again.	2/18/2022 9:19 PM
47674	It has positively encouraged me that there may finally be an end to the mandates	2/18/2022 9:19 PM
47675	Hopeful and grateful	2/18/2022 9:19 PM
47676	I just support it 100percent and had made me see what kind of a government we really have	2/18/2022 9:19 PM
47677	It has gotten the attention of governments and helped in the mandates being dropped in some provinces.	2/18/2022 9:19 PM
47678	It gave me hope for Canada.	2/18/2022 9:19 PM
47679	It gives me hope	2/18/2022 9:19 PM
47680	Has given me hope.	2/18/2022 9:18 PM
47681	Made me proud to be a Canadian for the first-time in six years. Under the dictator and his boot licking subservient lackies and paid for media, I have considered moving to another country.	2/18/2022 9:18 PM
47682	It has opened my eyes to the corruption within our government! An otherwise peaceful demonstration in which the prime minister will not sit at the table with Nobel peace winning doctors and discuss the issues... rather... he escalates & insights violence by the police force . It has made very obvious, the propaganda spewed by the main stream media! . I've come to realize that these truckers and other Canadians had the guts to stand up for our Canadian democracy... this is about more than truckers.... They are standing for a great majority so that this can't get worse than vaccines being forced upon us! If the government can do this against our will... I can't imagine what next. I have a family member who xan't work because she reacted to the 1st vaccine & can't get the 2nd... can't get an exemption.. now can't work... this is Not democracy! I am extremely upset & today... cannot claim to be a proud Canadian under such a regime!	2/18/2022 9:18 PM
47683	Was proud to be a Canadian again and they had a great peaceful protest till Trudeau sent in his police to break it up and injure and kill peaceful protesters just because they did not kneel to his wishes he is a traitor and should be prosecuted	2/18/2022 9:18 PM
47684	Hasn't	2/18/2022 9:18 PM
47685	I felt over joyed to see the thousands of people who lined the whole country as the truckers headed for Ottawa and now today, as we have been taken over by this tyrannical man and his cohorts and arresting good people who would never dream of breaking the legitimate rules of law and are only peacefully protesting an experimental vaccine passport jis making me very scared. Is he going to freeze our bank account if we donate to our church because he doesn't believe in the same god that I do. That is what could very easily come next. I've spent my	2/18/2022 9:18 PM

whole life saving and being wise with my money for my retirement and to be able to donate to the church and organizations the I believe in and now I am being forced to only support what the government says I can. These are very sad days.

47686	It's such a blessing! People who have been affected by the lockdowns and mandates are standing up for what we believe!	2/18/2022 9:18 PM
47687	Their selfish behaviour has pissed me off. However, I am also angered by the lack of consequences for the burning of churches and desecration of statues, and the uneducated villification of historic figures.	2/18/2022 9:18 PM
47688	No	2/18/2022 9:18 PM
47689	Improved my outlook in general and gave me hope for change in government policy. Made me realize That there are more like-minded people out there than I ever thought.	2/18/2022 9:18 PM
47690	It has made me angry, scared for my democracy. Challenged relationships with people that support it. Considering leaving my province (Alberta) for one less awful	2/18/2022 9:18 PM
47691	Positively its given my family hope and faith that our world and our Country will be freed.	2/18/2022 9:18 PM
47692	Hope	2/18/2022 9:18 PM
47693	Brings hope for the future, the awareness that I am not alone, I am supported in my individual freedoms and choices by my fellow Canadians who believe in democracy and our rights and freedoms as sovereign beings.	2/18/2022 9:18 PM
47694	The truckers and supporters make me proud to be a Canadian. The way the government is handling this situation makes me embarrassed to be a Canadian.	2/18/2022 9:18 PM
47695	Giving hope and brought Canadians together	2/18/2022 9:18 PM
47696	Gave me hope and pride and strength to overcome all of the mandates and restrictions and I am going to get my job back next month. I feel like I am going to be able to get through this craziness. Appreciate the truckers so much!! They have helped to put a smile on my face and have lifted my spirits and given my family a sense of peace and relief.	2/18/2022 9:18 PM

47698	Gave hope	2/18/2022 9:18 PM
47699	The trucking convoy has not negatively affected my life at all. In fact it has brought much joy and hope. I no longer feel alone.	2/18/2022 9:18 PM
47700	Hasn't	2/18/2022 9:18 PM
47701	Given me pride in being Canadian	2/18/2022 9:18 PM
47702	I've been so proud to be a Canadian! When the salt-of-the-earth, hard working trucking brotherhood bands together to protest, you know it could only be for something important. I am so disappointed in the PM, who refuses to listen to them, instead turning his back on thousands of fellow Canadians, degrading them and calling them hateful names. There's always extremist elements in any large gathering, but the handful of troublemakers do NOT represent the larger group -- and shame on him for ignoring that. The truckers avoided violence for nearly a month! That is no small thing (while Trudeau has become a master of divisiveness -- also no small thing). History will not be favourable to him. The truckers have sacrificed a LOT, protesting for our rights and freedoms. We owe them!	2/18/2022 9:18 PM

47711	It has made me want to have a new government	2/18/2022 9:18 PM
47712	It gave me hope. Albeit, only slight hope because I feel as though we have let this go on for far too long. But hope none the less that Canadians are standing together. There is also a deep sadness that comes with it as I hear comments from those who do not support the truckers and all of the outright lies and bashing	2/18/2022 9:18 PM

47749	Not affect!!! It a good thing i support	2/18/2022 9:17 PM
47750	It has not affected my day to day life, I understand what they are fighting for and perhaps did some things wrong in the desire to bring attention to the division, discrimination and unfair vaccine mandates that take away people's freedom of choice, it should be a wake up call for the government	2/18/2022 9:17 PM
47751	It's made me feel proud to be Canadian again!!	2/18/2022 9:17 PM

47759	Well we had to do something drastic for things to change	2/18/2022 9:17 PM
47760	It has been amazing to see the unity of the movement, especially on the ground seeing what's really happened, not the misrepresentation of the media.	2/18/2022 9:17 PM
47761	Not much but Trudeau has done nothing then extreme with last act	2/18/2022 9:17 PM
47762	Brought hope back	2/18/2022 9:17 PM
47763	Given me hope	2/18/2022 9:17 PM
47764	They brought the nation together and gave us pride in Canada for a moment. I am heartbroken to see this government's hatred of these citizens. They are seizing accounts and assets, taking away licenses permanently , threatening to take children into government care, threatening to euthanize pets that belong to the protesters. That is shockingly wicked! How is a person to carry on once their livelihood is destroyed, everything they've ever earned is seized and the government has taken their children? What is left for a person but to fight to the death? As it currently stands there is no path available for them to become productive members of society once again. I can't believe the level of tyranny we are suddenly experiencing as a country. The prime minister with the support of the NDP is completely destroying our country.	2/18/2022 9:17 PM
47765	Gave us back hope. Gave us pride in our country again. United us again	2/18/2022 9:16 PM

47784	Was a great show of unity and pride. First thing to be proud of in awhile	2/18/2022 9:16 PM
47785	I actually feel that the Convoy, overall, has breathed a breeze of relief and hope for us ... they are acting as the proverbial " Salt of the Earth". The tankers floating aimlessly near the world's ports have nothing at all to do with truck drivers, it is world politics, and shameful. Hopefully people will redirect their foci to local economies, local providers, and more local food sources . And, might I add, it is time to downsize federally. Period.	2/18/2022 9:16 PM
47786	It inspires me to see the perseverance. I believe they are heroes and the strength of character they have is incredible. I am proud to see these men and women standing firm on what they believe! They have integrity and I'm proud of them.	2/18/2022 9:16 PM

47796	Made me proud to be a Canadian again.	2/18/2022 9:16 PM
47797	They have increased my blood pressure. Go home losers, every time any one is interviewed, their arguments are unintelligible. They also all appear to be impaired	2/18/2022 9:16 PM
47798	I pray a lot more. I have hope.	2/18/2022 9:16 PM
47799	Didn't not affect my life	2/18/2022 9:16 PM
47800	In no way	2/18/2022 9:15 PM

47811	Good for Canada	2/18/2022 9:15 PM
47812	It has made me stronger knowing there are other people who don't agree about how govt has taken away our freedoms. Never in my wildest dreams did I every think this could happen here. Especially having a prime minister who could not even have the dignity to meet them or send a elected official to try to work this out. He has shown his true Color's which we out in the west have known for years there is no doubt now in my mind at all	2/18/2022 9:15 PM

47834	Given me hope, made feel proud to be Canadian again, showed me that what I was taught in school, stand up for yourself, stand up for others, don't be bullied or pressured. Showed me those teachings are still believed by some. Truckers have sparked unity across not just the nation but the entire world. That is in my opinion brings a true real life example to the definition of Globalization!	2/18/2022 9:15 PM

47843	FINALLY someone is trying to do something about the government and their attempts to control the movements and choices of the public. This is NOT a dictatorship - it is a democracy. WE elect MPs and they answer to their constituents and the Public, NOT the other way around. The convoy gives every Canadian hope that this huge, two year long mantle on the shoulders of every citizen can be reversed. Go truckers!	2/18/2022 9:15 PM
47844	I feel bad for how they are treated and Trudeau is walking a fine line	2/18/2022 9:15 PM
47845	It's inspiring.	2/18/2022 9:15 PM
47846	It's shown me nobody has believed the mainstream medias bullshit. Nor the government's constant lies and determination to seize the working class people by the collar even more than the raw dick they stick in our asses in the first place	2/18/2022 9:15 PM
47847	It has given us hope that there are others who also want the mandates to end and are willing to stand up for that.	2/18/2022 9:15 PM

47859	It has given us hope, that we are not alone in this madness	2/18/2022 9:14 PM
47860	A bunch of right wing grifting assholes who can get the fuck out of my city. I would have no issue with you protesting like reasonable Canadians, instead of toddlers with big trucks. I don't agree with your opinion, but you have a right to make your opinion heard. You do not have a right to occupy the capital for 3 weeks acting like you own the place. You're an embarrassment. Go home, preferably hit up a vaccine clinic on your way out.	2/18/2022 9:14 PM
47861	Slowed my shipments to keep my business running	2/18/2022 9:14 PM

47880	It is potentially restoring hope and democracy for Canada against what is clearly an authoritarian communist regime under the current liberal government.	2/18/2022 9:14 PM
47881	It brought me some hope, that there was someone that was taking a stand since no one in any level of government would.	2/18/2022 9:14 PM

47910	The trucking convoy has been my first glimmer of hope in two years. my mental health has become so poor over the last 2 years, and the wait list to get help is so long. knowing i am not alone and that other people want things to change makes me feel like there is finally light in a place that has been so dark.	2/18/2022 9:13 PM

47927	I have hope and want to see the peaceful future	2/18/2022 9:13 PM
47928	Not at all	2/18/2022 9:13 PM
47929	It made me realize that the mandates have gone too far. Why mandate that a person driving in a truck for a living needs to be vaccinated. They are already isolating for most of their working hours. They aren't causing a risk to others. The mandate for truckers to get a vaccine has enabled extremists in this protest.	2/18/2022 9:13 PM
47930	It needs to happen Better watch out more guys will come	2/18/2022 9:13 PM
47931	Showed that everyone is sick and tired of the Mandates. All Canadians want there lives back for what they deserve. The Trucker convoy has woke everyone up.	2/18/2022 9:13 PM

47937	Hopefulness	2/18/2022 9:13 PM
47938	It gave me hope for the first time in 2 years. It made me proud to be Canadian and so filled with love for my fellow Canadians. But I am saddened and horrified at how the government has handled them in the past few days. My hope for a Return to normal life is gone. I feel awful for what the protesters have been through. I love each one of them for what they tried to do for all of us.	2/18/2022 9:12 PM
47939	Inspired me	2/18/2022 9:12 PM
47940	All the convoy did was unite. It has been peaceful and shown people how far JT will go. But as MSM is controlled not many will accept anything other than his narrative. Sigh	2/18/2022 9:12 PM
47941	Stand up for rights is important	2/18/2022 9:12 PM

48004	No	2/18/2022 9:11 PM
48005	It has shown me that there are still people in this country that will give up their life and their financial well being for the freedoms and rights our fore fathers fought for to keep this country free from communism and capitalism.	2/18/2022 9:11 PM

48011	Giving hope and pride in Canadian people.	2/18/2022 9:11 PM
48012	Inspiring and uplifting to finally see people standing up to arbitrary mandates that are being hammered down. I'm so tired of hearing about how government is "following the science" without out actually taking a moment to explain the science or evolving with it. I was working at a hospital and well aware of what was going on. Seeing how the prime minister has handled the convoy and how mainstream media has covered it has made me lose faith completely in the Prime Minister, our government and mainstream media's credibility. Sad time for Canada. Can't believe the Governor General hasn't stepped in or that a vote of non-confidence hasn't taken place.	2/18/2022 9:11 PM
48013	I have no problem with truckers	2/18/2022 9:11 PM
48014	For the first time in a long time it made me proud to be a Canadian until our prime minister decided he had to invoke the Emergency Act against the citizens he supposedly represents. They were not burning down churches, tearing down monuments, blocking railways etc. No only against those who peacefully protested mandates that have been harming our country for 2 years.	2/18/2022 9:11 PM
48015	It has given me hope but it has also shown me that freedom really does not exist	2/18/2022 9:10 PM

48046	Giving us hope to live again.	2/18/2022 9:10 PM
48047	I have felt inspired and hopeful that we may be able to find a way to fight back with all these unnecessary restrictions and lies.	2/18/2022 9:10 PM
48048	Not personally, but it has been embarrassing as a Canadian to see how this has affected innocent people caught in the middle of the protests.	2/18/2022 9:10 PM
48049	They gave me hope and great pride in my country again.	2/18/2022 9:10 PM

Canadians vote on Canadian Mandate - February 2022

48050	The trucking convoy has given me hope. Hope that my country will not continue down this road of tyranny. Hope, that we the people with be heard and that our Rights & Freedoms will be restored.	2/18/2022 9:10 PM
48051	It had given me hope for a back to "normal" life	2/18/2022 9:10 PM
48052	It hasn't.	2/18/2022 9:10 PM
48053	Positively there may be a glimmer of hope after all	2/18/2022 9:10 PM
48054	I have felt hope, courage, and inspiration. The truckers' convoy has given me strength to carry on and pride that there are still many fellow Canadians who have the basic same thoughts and opinions as myself that this whole thing called a 'pandemic' is merely a way to control the masses, take away our freedoms and our rights, but the truckers, along with many thousands of others have stood tall in the face of adversity and through calmness and steadfastness, shown that peaceful protestations can work and that a resolution satisfactory to all sides can be accomplished if the narrative and the ability to talk with civility and honour as well as the greatest respect, that a peaceful, satisfactory resolution can and will be accomplished, however, now the federal government has made this an almost impossible task with the implementation of the Emergency Measures Act and the arresting of the calm protesters, this is abhorrent decision is a direct failing on our Prime Minister and his Cabinet in resolving this matter in a respectable, calm and mature way. It's time our current Prime Minister act like the leader of the most respected country in the world, than a pandering spoiled little brat. Thank you for the opportunity to express my opinion - it has relieved some of the frustration and exasperation I have felt over the last two years.	2/18/2022 9:10 PM
48055	It has not affected my life. It is inspiring though	2/18/2022 9:10 PM
48056	Well if it goes on for much longer, it's going to affect a lot of people's lives, when all stores don't have their merchandise to place on the shelves. Especially where it includes food, medicines, clothes, shoes, linens, and the list can go on more and more yet.	2/18/2022 9:10 PM
48057	It has given me hope in Canada again, that we can push back and get back some freedoms we have lost.	2/18/2022 9:10 PM
48058	Brought out the light in peoples eyes and well being. Friendlier and happier people have come about in the local stores. Love it. Like people are back to normal.	2/18/2022 9:10 PM
48059	In so so many good ways. These people are heroes. We are now finally standing up against the biggest dictator that Canada has ever had. We as Canadians have to stand by them until Justin Trudeau is gone and all the mandates are gone. The politicians should see what is happening and get rid of Justin Trudeau and anyone who supports him. He is a criminal a dictator and a criminal. He should be put in jail for all the criminal activity that he has supported. God Bless Our Truckers. Stand strong and Canada is behind you all the way. Love you.	2/18/2022 9:10 PM
48060	Glimmer of hope for change	2/18/2022 9:09 PM
48061	None	2/18/2022 9:09 PM
48062	I feel helpless and now have more fear than when Covid started. I fear that our rights and freedoms have been taken away. I feel the federal government has abused us and wish we could be separated from eastern Canada forever. We are powerless against an overbearing government.	2/18/2022 9:09 PM
48063	It has given hope	2/18/2022 9:09 PM
48064	I have been happy to see Canadians standing together. I have been ashamed of the actions of our government.	2/18/2022 9:09 PM
48065	It has bin inspiring, im am proud of them and they have made me proud to be canadian	2/18/2022 9:09 PM
48066	It hasn't	2/18/2022 9:09 PM
48067	So encouraging	2/18/2022 9:09 PM
48068	I now have a disdain for truckers	2/18/2022 9:09 PM
48069	There has been no affect so far.	2/18/2022 9:09 PM
48070	Hope. Love.	2/18/2022 9:09 PM

Canadians vote on Canadian Mandate - February 2022

48071	The have given me hope	2/18/2022 9:09 PM
48072	Given hope! Very proud of their bravery and courage	2/18/2022 9:09 PM
48073	It has given me hope that the unlawful mandates might be lifted at some point soon. Canada has felt like a foreign and repressive country, not the beautiful and tolerant country that we are known for. We need to get back to normal. None of these mandates are even working if you look at the studies.	2/18/2022 9:09 PM
48074	They have given me and so many others hope! They have shown that we don't need to be afraid of one another anymore. Where Trudeau has divided the country, the convoy has united us. They have done more in a few weeks to bring people together then our PM ever has	2/18/2022 9:09 PM
48075	It has been empowering to see so many Canadians come together and love and support each other to fight for our rights.	2/18/2022 9:09 PM
48076	Brought real hope to know that I and my community haven't been standing alone. Brought some of the most joy to my life in two years. Shown me that love and a common goal can really bring the people together.	2/18/2022 9:09 PM
48077	remains to be seen but love to see people doing what they believe in.	2/18/2022 9:09 PM
48078	Had hope for a wee bit	2/18/2022 9:09 PM
48079	I am proud of them	2/18/2022 9:09 PM
48080	I support the convoy and it had created hope	2/18/2022 9:09 PM
48081	Given hope for freedom.	2/18/2022 9:09 PM
48082	I trust in the truth, and that it can not be hidden.	2/18/2022 9:09 PM
48083	Proud of them.	2/18/2022 9:09 PM
48084	Having hope and proud to be Canadian again in last 2 years	2/18/2022 9:09 PM
48085	Make me proud to be Canadian	2/18/2022 9:09 PM
48086	Not at all	2/18/2022 9:09 PM
48087	The divisiveness the government has caused over the issue and the hate speech that the government has promoted has further decreased my mental health. I can't even go on social media anymore further reducing my ability to connect with others.	2/18/2022 9:09 PM
48088	It has given my life hope that we can get out of this dictatorship that we are in under the Trudeau government.	2/18/2022 9:09 PM
48089	Gave me hope for a brighter future	2/18/2022 9:09 PM
48090	It has caused positive and hopefully feelings of ending this governments bullshit	2/18/2022 9:09 PM
48091	Not at All	2/18/2022 9:09 PM
48092	The trucker convoy has not affected my life, except to further the divide that has already been foisted on the population. Initially I supported it, and cheered when they came through my town. Had the initial convoy be listened to instead of our illustrious leader calling people names, and then running and hiding, the convoy would be finished by now. Unfortunately, because the people with legitimate concerns weren't listened to, the fringe elements have taken over and mared the whole thing. Further dividing the population. I begin to wonder if this isn't a grand diversion to stop us from focussing on the truly important issues, like the climate, food sustainability etc. The Russia/Ukraine issue is likely more potentially harmful than any little virus. Also, we have forgotten the WHO definition of health which is not just about the absence of (ONE - caps mine) disease and infirmity, but a complete state of physical, MENTAL and SOCIAL wellbeing. Also I object to the terminology used, - it should have been PHYSICAL distancing, not social distancing. Humans are NOT meant to social distance. Also why are "isolating" healthy people? In the past we have "quarantined" sick people. BAD BAD management on so many levels.	2/18/2022 9:09 PM
48093	It has been a positive voice amongst all the nonsense coming from the prime minister	2/18/2022 9:09 PM
48094	It makes me proud to be a Canadian. Ordinary, everyday people standing up for their rights. I	2/18/2022 9:09 PM

support them as they defy this tyrannical behavior of prime minister Trudeau. It is difficult to comprehend his lawless behavior. He needs to go and immediately.

48095	I feel united with them and feel for those suffering unnecessarily.	2/18/2022 9:09 PM
48096	it has given me hope, been much happier.	2/18/2022 9:09 PM
48097	It's the first time in years I have actually felt proud to be a Canadian.	2/18/2022 9:09 PM
48098	All positive!	2/18/2022 9:09 PM
48099	Made me be proud to be a Canadian!	2/18/2022 9:09 PM
48100	It has made me proud to be Canadian. It has exposed the corruption , betrayal and lies and that causes my mental health to be at its lowest . I'm ashamed of our government	2/18/2022 9:09 PM
48101	Mentally worrying for their safety because of all the horrible things the government has done and hoping for a positive outcome I want the convoy to bring.	2/18/2022 9:09 PM
48102	I am proud of what they did. It's been a long time since nice I felt any patriotism but now I do. I hope the truckers go right back to protesting when released. Or wait the 30 days for the emergency bullshit that the loser Trudeau put in place to expire and start over again.	2/18/2022 9:09 PM
48103	Given me some hope, interaction with like minded people, awakened new Canadian patriotism. Inspired other countries to support the truckers which supports our efforts.	2/18/2022 9:09 PM
48104	Yes in a POSITIVE way. It has provided hope, inspiration and belief that things will becoming normal and right again. The government has lost it's way. It is infiltraylted by the powers of WEF with Chrystia Freeland (Board Member), Justin Trudeau (WEF) and Jagmeet Singh (WEF Young Global Leader). These are not conspiracy theories. Look it up. Their agendas being pushed are WEF agendas.	2/18/2022 9:09 PM
48105	This convoy has been the only glimmer of light that I have had in 2 years since C began. I have lost all faith until now. I felt ashamed and angry at Canadians and being a Canadian felt embarrassing. I felt anger towards everyone .	2/18/2022 9:09 PM
48106	Given me hope. Until today when they are being arrested and trampled by horses. Sickening.	2/18/2022 9:09 PM
48107	It has raised hope in my family and brought us joy because we can see a beautiful future ahead due to their efforts. My mental health has improved exponentially. I can see the end of al this and it has given me hope. 10/10 respect for the convoy; this movement is beautiful.	2/18/2022 9:09 PM
48108	Gave me hope	2/18/2022 9:08 PM
48109	It gave me hope that perhaps the government that was elected for the people, by the people might listen to the people.	2/18/2022 9:08 PM
48110	It has given me hope. At the same time the presence of the convoy has revealed to me how evil our Prime Minister is.	2/18/2022 9:08 PM
48111	It has given us hope. They are the voice for us Canadians and yet Mr. Trudeau refuses to listen to our concerns. It is a peaceful protest. Violence should be a last resort, yet violence is Mr. Trudeau's first resort. I strongly believe Mr. Trudeau should resign and face his people.	2/18/2022 9:08 PM
48112	Empowering	2/18/2022 9:08 PM
48113	I appreciate the fact that they are demonstrating for the charter of rights	2/18/2022 9:08 PM
48114	Gave me hope	2/18/2022 9:08 PM
48115	Very positive. So glad they are standing for truth	2/18/2022 9:08 PM
48116	It gave me hope the things would change.	2/18/2022 9:08 PM
48117	Low on resources!	2/18/2022 9:08 PM
48118	Not at all keep going!!	2/18/2022 9:08 PM
48119	Dramatically increased the level of bullshit I am exposed to	2/18/2022 9:08 PM
48120	Hasn't affected me at all	2/18/2022 9:08 PM
48121	Proud of Canadian's standing up for they're rights.	2/18/2022 9:08 PM

48122	By putting a further strain on my family relationships due to inaccurate infomation being shared by main stream media	2/18/2022 9:08 PM
48123	It got them to drop some of the mandates. I love the fact that they're there for all of our freedom rights.	2/18/2022 9:08 PM
48124	It's made me see that Canadians still fight for freedom and will stand up for others even in the face of government overreach. I am proud of peace-loving Canadians in Ottawa supporting the convoy.	2/18/2022 9:08 PM
48125	Not at all	2/18/2022 9:08 PM
48126	It hasn't but it has shown me thst the government is way out of touch with the millions of Canadians that don't reside in the province of qubec.....	2/18/2022 9:08 PM
48127	Not at all, they just annoy me	2/18/2022 9:08 PM
48128	Gave me hope	2/18/2022 9:08 PM

48134	Didn't	2/18/2022 9:08 PM

48163	It has given me hope that we will not fall into a dictatorship. It has given me hope that we can get our freedoms back. It has shown me that fellow Canadians can come together with love and support.	2/18/2022 9:07 PM

48165	I AM PROUD OF PEOPLE STANDING UP FOR ALL OF CANADA	2/18/2022 9:07 PM
48166	From what we understand the trucking convoy and so many other Canadians in general are seemingly expressing their frustration about mandates. Watching other places in the world dropping mandates and attempting to live with the virus has obviously caused Canadians to become impatient with set mandates. Although the convoy has not affected my life personally, I believe it is time to restore normalcy in Canada and respectfully uphold all of our canadian rights. I have to say I do not agree with all actions taken by the convoy or certain individual's inappropriate behavior. Again I feel the most important is to respect and act by our Canadian charter of rights.	2/18/2022 9:07 PM
48167	Given hope	2/18/2022 9:07 PM
48168	Gave me faith in Canada again	2/18/2022 9:07 PM

48178	Convoy hasn't, govt response and police response is making me sick.	2/18/2022 9:07 PM
48179	It hasn't I think they are hero's and if Trudeau would have gone and talked to them it would all be over. He is a dictator and should be in jail.	2/18/2022 9:07 PM
48180	Been an uplifting example of patriotism. To get our freedom back!!!!	2/18/2022 9:07 PM
48181	It hasn't except that we now know that we are not alone. This isn't about anti vaccine...it's about not sharing medical information through a QR code and punishing people. It's about a two tier society and social credit system like China has.	2/18/2022 9:07 PM
48182	It's pissed me right the fuck off	2/18/2022 9:07 PM

48202	It gave me hope	2/18/2022 9:06 PM
48203	I am happy for them. We need our freedom back.	2/18/2022 9:06 PM
48204	It has made coats surrounding me rise as I live on an island and it has threatened my job because they are blocking supply chains.	2/18/2022 9:06 PM
48205	Truckers are fighting for our freedom and our future, they're heroes.	2/18/2022 9:06 PM
48206	They're doing what I wish I could	2/18/2022 9:06 PM

48216	Brought back hope and made me proud to be a Canadian once again.	2/18/2022 9:06 PM
48217	Given me hope. Restored my faith in Canada.	2/18/2022 9:06 PM
48218	It hasn't.	2/18/2022 9:06 PM
48219	Makes me feel like people are standing up for our right to be free in the country I love.	2/18/2022 9:06 PM
48220	Not affected my life at all. It has inspired and brought hope back to Canadians to stand for truth and defend our Freedoms as written in the Charter of Rights as intended in the Canadian Constitution.	2/18/2022 9:06 PM
48221	I haven't been this proud to be Canadian in two years- I feel less alone in my opinions and love that it has united so many	2/18/2022 9:06 PM
48222	It hasn't	2/18/2022 9:06 PM
48223	Hasn't yet	2/18/2022 9:06 PM
48224	Ignorant racist douchebaggery has no place in Canada. Get a life and get a job.	2/18/2022 9:06 PM
48225	Brought hope and a sense of unity	2/18/2022 9:06 PM
48226	It has brought so much light and hope to our house. At least until I saw what the RCMP doing now to the brave people of Canada trying to help our country while our PM sits and watches.	2/18/2022 9:06 PM
48227	It has given me hope and a sense of unity. It has brought Canadians together.	2/18/2022 9:06 PM
48228	it has given me hope again that most Canadians vaxxed or unvaxxed, passionate about their freedom. Trudeau was never elected to be a dictator or to use the Coffers of the Canadian people as his own piggy bank. He was elected to WORK FOR THE PEOPLE and he has shamefully shirked complete responsibility. His ridiculous love of Political correctness and inserting his nose in other countries business yet calling our very own concerned citizens domestic terrorists is quite frankly frightening. the very idea he refuses to meet with the truckers is an act of cowardice. And Fordno idea when he turned red but he certainly DOES NOT Represent Conservative values. The WEF has no place in Canada and to draw on the Emergency.....lets call it what it is. he has declared WAR On the Canadian Truckers. Shame on you and ALL OF CANADA SHOULD BE VERY AFRAID....CONTINUE TO GO TRUCKERS !!!!!	2/18/2022 9:06 PM
48229	The convoy has made me proud to be Canadian. Never been prouder. Hate Trudeau's response, though, and makes me ashamed to think I come from the same country.	2/18/2022 9:06 PM
48230	Peaceful people. I was only hurt to know they are taken to jail.	2/18/2022 9:06 PM
48231	Not	2/18/2022 9:06 PM
48232	Given me hope!	2/18/2022 9:06 PM
48233	There are those that have more balls than me.	2/18/2022 9:06 PM
48234	It wasn't at all	2/18/2022 9:06 PM
48235	Not	2/18/2022 9:06 PM
48236	Its given hope and a voice to the people	2/18/2022 9:06 PM
48237	I'm so glad to see Canadians fighting for our freedoms. Go truckers go! I support them totally, about time to see our stupid Government see the right side	2/18/2022 9:06 PM
48238	It has given us hope for an end to the tyranny and communism in our province and country and a better future for our grandchildren.	2/18/2022 9:06 PM
48239	Freedom is been lost but Mr fluff is going to lose GOD is the winner	2/18/2022 9:06 PM
48240	Gave me and my husband hope to a normal life again, lifted my depression, felt hope	2/18/2022 9:06 PM
48241	It has scared the daylight out of me. I didn't know we had so many complete idiots in Canada. It's frightening to think what forces are at work here.	2/18/2022 9:06 PM
48242	Incredible sadness at where our country has gone at the hands of our criminal government enacting the Emergency Act which is another shocking abuse of power.	2/18/2022 9:06 PM

Canadians vote on Canadian Mandate - February 2022

48243	give rise to hope not only in Canada but over the world.	2/18/2022 9:06 PM
48244	It has given me hope for a better future	2/18/2022 9:05 PM
48245	Gave hope and brought Canadians together	2/18/2022 9:05 PM
48246	I'm so proud of the truckers standing up for our freedoms and peacefully protecting our way of life. It has also shown a new side to our current leader in this country. I don't believe that we need a complete government change but I do believe that it is time for Trudeau to step down, he is no longer for the people of this country and is using his power in corrupt, unjust ways. I do not want to live in a police state, I want people to have the choice to get vaccinations or to not get them and to be treated equally in this great country	2/18/2022 9:05 PM
48247	They have shown us how unreliable main stream media really is and clearly demonstrated how Justin Trudeau, the Liberal party and NDP are basically the same and extremely non democratic and take no responsibility for their actions. They have revealed that the government wants to rule over rather than serve Canadians. We Canadians are now left with a government and a governmental system that is the laughing stock of the world.	2/18/2022 9:05 PM
48248	I'm a truck driver and have been for 25 years . Brought Canada back together, pride ,proud to be Canadian again	2/18/2022 9:05 PM
48249	Brought me hope.	2/18/2022 9:05 PM

48251	Given me hope that we can be Canada again	2/18/2022 9:05 PM
48252	I am appalled by the fascist behaviour of the Canadian government and brutal treatment of good Canadians	2/18/2022 9:05 PM
48253	Proud they stand up for our rights	2/18/2022 9:05 PM
48254	Friends and family threatened and harassed	2/18/2022 9:05 PM
48255	It has given me hope and made me proud to be Canadian again!	2/18/2022 9:05 PM
48256	It gave me hope and once again proud to be Canadian.	2/18/2022 9:05 PM
48257	Given me hope that the world economic forum will lose their globalization agenda.	2/18/2022 9:05 PM
48258	Makes me proud and gives me some kind of hope.	2/18/2022 9:05 PM
48259	It let's me know that I'm not alone and that there are a lot of people that think the same as me. The Trudeau government has done a great job of spreading fear and making people think that they are all alone in this pandemic. It sure felt good to see all those Canadians waving flags and fighting for freedom	2/18/2022 9:05 PM
48260	Negative. I support the truckers right to have an opinion on this matter but I think taking the vaccine would be easier. I did have some inflammation after my first shot. Second shot was not big deal. The thought of having to carry a passport for vaccine and travel documents it's troubling and I hope this isn't the new normal. You can't force people to do things so unless the government holds these people down and vaccinated them, it's a moot point. 90% of population is vaccinated. That's a big number. We should be happy with that and donate surplus vaccines to countries in need.	2/18/2022 9:05 PM
48261	Has given me some hope.	2/18/2022 9:05 PM
48262	I'm nervous but behind them all the way	2/18/2022 9:05 PM
48263	Not one bit, other than it is refreshing to see people come together to support each other	2/18/2022 9:05 PM
48264	It has given me hope again and made feel less alone.	2/18/2022 9:05 PM
48265	It made me sad how the media lied and didn't show the positive	2/18/2022 9:05 PM
48266	It's great to see smiling faces and love being spread.	2/18/2022 9:05 PM
48267	Positively as it renewed a feeling of patriotism	2/18/2022 9:05 PM
48268	It's really been a ray of hope in all this. The mandates are not working and I would really like to get back to my life.	2/18/2022 9:05 PM

48277	Other than the fact I am a long haul trucker and SUPPORT their Convoy, it hadn't.	2/18/2022 9:05 PM
48278	Made me feel like there is hope. Unified Canada. Removed suspicion and hatred caused by Trudeau	2/18/2022 9:05 PM

48281	Gave us hope!	2/18/2022 9:05 PM
48282	It has given me hope that our corrupt governments will be exposed and we can become truly free from tyranny that has existed in my lifetime .Go truckers, go!	2/18/2022 9:05 PM
48283	It's given me renewed hope. I'm in favour and stand behind their efforts. They are my heroes today. I pray that they have a chance to be heard and positively influence government direction for all Canadians. They have brought unity across Canada!	2/18/2022 9:05 PM

48286	Living in Ottawa I find it very annoying. Trucks honking waking me up.	2/18/2022 9:05 PM
48287	The truckers are amazing. God bless our dear truckers. The truckers are a blessing.	2/18/2022 9:05 PM
48288	Proud to be a Canadian citizen again	2/18/2022 9:05 PM
48289	Positively, has given me hope and pride back in my country and fellow Canadians, unity of the ppl and a chance to push back tyrannical overreaching Govt.	2/18/2022 9:05 PM
48290	Gave me some hope but unfortunately Trudeau ruined everything.	2/18/2022 9:05 PM
48291	It is giving me hope, did not feel so alone, and made me realize many Canadians feel the same as I do. The COVID vaccine should be a choice. It is a personal choice whether you want it or not. As Justin Trudeau said about a year ago he would not mandate the COVID vaccine.	2/18/2022 9:05 PM
48292	Brought me hope	2/18/2022 9:05 PM
48293	Give me optimism for living life in freedom	2/18/2022 9:05 PM

48330	It hasn't affected my life, it actually made me feel proud to see people stand up for our rights and freedoms the way we are supposed to. Something that the liberals have taken away from us for that last 2. 1/2 years.	2/18/2022 9:04 PM
48331	The convoy has given me hope that there are people out there that support a person's right to choose what they do with their body.	2/18/2022 9:04 PM
48332	It gave me hope. Hope I'm Canada. Belief in Canadian charter of rights. It made me proud to be Canadian again.	2/18/2022 9:04 PM

48339	They have given me hope and made me proud to be a Canadian again. They have given us a voice and shown that we are NOT a minority.	2/18/2022 9:04 PM
48340	Positively! It has made me proud to see fellow citizens stand up for 'choices' which is what the people of a free country should have. Canadians just want to be heard and respected and this is what the truckers convoy represents in my eye. It gives me hope that we may get our freedoms back to choose.	2/18/2022 9:03 PM
48341	Built up my spirits and give me hope in humanity	2/18/2022 9:03 PM

48350	Not at all other than annoying me with their childish antics!	2/18/2022 9:03 PM
48351	It has given us hope but now is a cause for real concern for liberty in terms of them not being able to protest peacefully and now being arrested.	2/18/2022 9:03 PM
48352	Reinstated my belief in free will and freedom.	2/18/2022 9:03 PM
48353	It has given me hope.	2/18/2022 9:03 PM
48354	It has given me hope. It has shown me how corrupt our government truly is. It's sickening. It has made me realize how badly our country needs to turn back to God and the Christian principles it was founded on. GOD keep our land glorious and free.	2/18/2022 9:03 PM
48355	Loving the peacefulness of the protest and seeing so much love in people.	2/18/2022 9:03 PM

Canadians vote on Canadian Mandate - February 2022

48359	Hopeful	2/18/2022 9:03 PM
48360	Given hope	2/18/2022 9:03 PM
48361	It hasnt	2/18/2022 9:03 PM
48362	Given hope for the future	2/18/2022 9:03 PM
48363	It has given hope to the people of this country that if the majority stand together there is hope and love and unity that I have not seen in my 58 years .	2/18/2022 9:03 PM
48364	It has given CBC something different to talk about besides COVID19. It has also given us all insight into how the government will treat those who don't fit into the government's parameters as an acceptable Canadian. What's next, an acceptable moral code, religion, colour of our skin, etc. It seems all of these things are open for debate. What does freedom mean to our government? Frankly this government has lost the trust of Canadians but an alternative party is even more extreme in its position.	2/18/2022 9:03 PM
48365	It has given me more confidence in humanity, and more hope of an actual end to the tyranny inflicted on us.	2/18/2022 9:03 PM

48445	It has given me hope that I never thought I would see again and the truth has finally gone out	2/18/2022 9:01 PM
48446	Given me hope	2/18/2022 9:01 PM
48447	Given me hope that there are people fighting for our freedom from this tyrannical government and leader who have chosen their stance based on money/financial gain instead of being leaders for their people.	2/18/2022 9:01 PM

48459	Made me proud to be Canadian but ashamed of my government.	2/18/2022 9:01 PM
48460	I fully support them. I would be out there at the front lines if I hadn't torn a bunch of tendons on my foot. My Dad was sent home from the hospital sick with Covid. He died. I peacefully demonstrated in front of the hospital. I was harassed by AHS. I was given an unlawful notice of trespass and a month long ban from all AHS facilities. So I admire the brave truth tellers that are out there fighting for our freedoms	2/18/2022 9:01 PM
48461	It hasn't they have given me back the pride I use to have in Canada, I had lost it over the years, under Trudeau's control. I support them all the way, and their request are not unreasonable.	2/18/2022 9:01 PM

48469	In one word. HOPE	2/18/2022 9:01 PM
48470	They are AMAZING to take this on. They are taking a lot of crap that main stream media is too corrupt to cover. Canada is in a fucking mess caused by govt	2/18/2022 9:01 PM
48471	Harassment and daily anxiety	2/18/2022 9:01 PM
48472	Given us a voice and hope for freedom from all this government communism.	2/18/2022 9:01 PM

48475	It provided hope. Unity. Light at the end of the tunnel. Got everyone smiling and interacting. Smiling faces. Patriotism. Small bit of joy in 2 years of dark	2/18/2022 9:01 PM
48476	I feel sorry for these people. They, like many Canadians, have lost jobs for making their own decision about their bodies. They are doing something about it. Let them protest peacefully.	2/18/2022 9:01 PM
48477	Not	2/18/2022 9:01 PM
48478	Greatly	2/18/2022 9:01 PM
48479	Has not affected anything.	2/18/2022 9:01 PM
48480	We felt, for the first time in a long time, not alone! We saw regular Canadians like ourselves standing up for the freedoms we have lost. We were inspired, felt proud of Canada for the first time in a long time, and had hope.	2/18/2022 9:01 PM
48481	Caused me deep concern about the level of the mental health and delusion about the participants	2/18/2022 9:01 PM
48482	Made it better! Made me feel proud to be Canadian.	2/18/2022 9:01 PM

	proud to be Canadian again.	
48485	Made me happy and relieved ,that they were finally help us get our freedoms back.	2/18/2022 9:00 PM
48486	Brought a sense of pride and unity with all of Canada. Exposed politicians as the ones wanting division in Canadians.	2/18/2022 9:00 PM
48487	Waste of time poor leadership by both sides	2/18/2022 9:00 PM
48488	I applaud there bravery in standing up for ALL Canadians even the ones that disagree with everything and think mandates should stay. Even hatred being thrown there way they still stand with big heart and open arms	2/18/2022 9:00 PM
48489	Given me hope	2/18/2022 9:00 PM
48490	Hahaha	2/18/2022 9:00 PM
48491	In many many ways. Too many to say all of them. I don't trust the people who own or operate the so called 'vaccines' and will not take them. My wife's aunt had a stroke and heart attack after having the booster. The pandemic was planned and is a preparation for totalitarianism - as we are already witnessing.	2/18/2022 9:00 PM
48492	Brought to light how easily the government can try and impose severely restrictive measures	2/18/2022 9:00 PM
48493	No comment.	2/18/2022 9:00 PM
48494	Gives me hope	2/18/2022 9:00 PM
48495	Gave me hope. I realized many people felt as I do and almost everyone I spoke to supported the truckers. It is interesting that so many other countries' leaders support the "peaceful" truckers and with what is happening on feb 18 in Ottawa they are alarmed at gov't invoking the emergency act to deal with a peaceful non violent situation.	2/18/2022 9:00 PM
48496	Gave me hope. And if Trudeau doesn't back down he is in for a very rude awakening.	2/18/2022 9:00 PM
48497	Has given us hope	2/18/2022 9:00 PM
48498	Got the popcorn ready the show is just getting started with the now paid actors in Ottawa	2/18/2022 9:00 PM
48499	It brought me encouragement to see Canada coming together and how many people feel the same way and want life back to normal	2/18/2022 9:00 PM
48500	It has given us hope and has given us something to look forward to, some good news, some positivity and UNITY that we had lost in the last 5 plus years	2/18/2022 9:00 PM
48501	It has given us hope and made us realize that there are a lot of people in Canada waking up to the corruption in government and "respected" institutions.	2/18/2022 9:00 PM
48502	Hasn't	2/18/2022 9:00 PM
48503	Gave me hope	2/18/2022 9:00 PM
48504	Not at All	2/18/2022 9:00 PM
48505	Made me aware of how many people are standing up against illegal government actions	2/18/2022 9:00 PM
48506	More traffic on the road being obnoxious	2/18/2022 9:00 PM
48507	Brought hope and unity. FREEDOM. Humanity, joy, generosity in coming together.	2/18/2022 9:00 PM
48508	Given me hope.	2/18/2022 9:00 PM
48509	Gave me joy that Canadians were uniting. Gave me joy that some Canadians value all Canadians as equal and not just those who choose to be vaccinated. Joy that they made a stand against a Prime Minister who hates some Canadians. Joy that Canadians won't tolerate a Prime Minister who doesn't value all Canadians lives.	2/18/2022 9:00 PM
48510	They are helping us, as did the health care getting our freedom back. Peaceful protest!	2/18/2022 9:00 PM
48511	Not at the moment.	2/18/2022 9:00 PM
48512	It gave me hope!	2/18/2022 9:00 PM

48544	Gives me hope that the government will listen to all the damage they have caused and repair it before a civil war breaks out. They need to start taking responsibility that how they handled this pandemic has caused so much more damage than the actual virus.	2/18/2022 8:59 PM

48548	Has caused me to realize even more how TRUDEAU MUST GO	2/18/2022 8:59 PM
48549	It gives me some hope that the corrupt grifter class has been exposed, but I presume the sheeple will be too timid to do anything about but whine on social media as they get sheared yet again. Also, now when I tell people in the free countries I am in now, how much of a prat baby castro is and how much of a communist police state he has turned Canada into they now see it. Before they were hoping to move to Canada, but now they have seen what it is really like they are looking at better options.	2/18/2022 8:59 PM
48550	It's made me believe there is hope	2/18/2022 8:59 PM

48554	Total pain as I work away from home & everything being closed	2/18/2022 8:59 PM
48555	Inspired me to see light at the end of this deep dark tunnel that we have been corralled into.	2/18/2022 8:59 PM
48556	It's given me hope to see how the world has responded in support of our truckers. Many country's starting their own convoys. And change has started to happen which is very positive in my mind.	2/18/2022 8:59 PM
48557	It isn't	2/18/2022 8:59 PM
48558	It hasn't	2/18/2022 8:59 PM

collars in government. I would vote for any trucker that ran in my area.

48577	I think they it has shown me in Canada we are unable to have a peaceful protest which is extremely unnerving I think it is also aside from what media says has helped to remove some restrictions in Ontario. It has also affected my life by giving me hope that there are people who will fight for our freedoms regardless of what the government tries to impose. It has made me scared that if something bigger happens they will impose the emergency act to make sure citizens can't speak up for their rights. It has definitely affected the way I look at the media and I have lost trust	2/18/2022 8:58 PM
48578	It hasn't other than knowing I am not alone	2/18/2022 8:58 PM
48579	Feel hopeful that all the mandates will end.	2/18/2022 8:58 PM
48580	It didn't affect my life.	2/18/2022 8:58 PM
48581	Gave me a new love for Canada	2/18/2022 8:58 PM
48582	Giving back my freedom love them	2/18/2022 8:58 PM
48583	Caused some angst.	2/18/2022 8:58 PM
48584	I have proud to be a Canadian. Canadians are uniting together, full of love, peace, and support.	2/18/2022 8:58 PM
48585	It has not affected my life directly.	2/18/2022 8:58 PM
48586	Just thankful for their actions	2/18/2022 8:58 PM
48587	Truckers have brought hope, happiness. I absolutely love seeing people mask free and fighting for what Canadians are all about.	2/18/2022 8:58 PM
48588	It hasn't. Finally people are standing up and tired of all this Covid crap. We want our freedom back!!!	2/18/2022 8:58 PM
48589	Show how stupid people can be.	2/18/2022 8:58 PM
48590	Made me proud to be a Canadian again!	2/18/2022 8:58 PM
48591	It has given me hope to end the tyranny that has gone unchecked. Not voted on. Dictatorship.	2/18/2022 8:58 PM
48592	Shortage of groceries	2/18/2022 8:58 PM
48593	It has brought hope.	2/18/2022 8:58 PM
48594	Reaffirmed that those wanting our rights and freedoms back are NOT the small fringe minority.	2/18/2022 8:58 PM
48595	Very inspiring	2/18/2022 8:58 PM
48596	I am a proud trucker's daughter. They have given all Candians hope and very proud of them for standing up for all Canadians god given rights and honouring a very peaceful loving protest while our Prime Minister continued to throw racist comments at them and all Canadians. I am incredibly proud of the truckers for everything they are doing in such a peaceful manner. Most of these truckers have lost their jobs, same as so many Canadians. The truckers who do have jobs have continued to transport all goods and services to our area.	2/18/2022 8:58 PM
48597	My family has NOT been affected in an adverse way other than a continued increase in product and fuel prices which had already begun in the year previous.	2/18/2022 8:58 PM
48598	It has given me hope. I feel love for my country again.	2/18/2022 8:58 PM
48599	Work and travel in the downtown core was disrupted (stay at home orders), aggressive strangers circulated in our neighborhood (3 km from Hill), daily uncertainty, ugly images and harassing posts online.	2/18/2022 8:58 PM
48600	It gave me hope and made me feel like I wasn't alone.	2/18/2022 8:58 PM
48601	It has cheered me up to see that someone has the guts to stand up to the "rulers"	2/18/2022 8:58 PM
48602	They brought my pride back in my country, allowed me to display my support locally through our local support convoys every Saturday	2/18/2022 8:58 PM
48603	it gave me hope and let me know that I didn't stand alone	2/18/2022 8:58 PM

48604	Yes	2/18/2022 8:58 PM
48605	Given me hope that these mandates will end. That people still care	2/18/2022 8:58 PM
48606	It has brought so much hope back to people. The love, joy and unity it has also brought around the world is a blessing. This is how we are supposed to live and treat people	2/18/2022 8:58 PM
48607	Gave me hope for truth and accountability. Hope for a future	2/18/2022 8:58 PM
48608	I love that they are taking a stand against Trudeau and his tactics	2/18/2022 8:58 PM
48609	I joined the crowd.	2/18/2022 8:58 PM
48610	Gives me hope for a change of direction our country is heading in. That those brave people out there fight for all of us.	2/18/2022 8:58 PM
48611	supply chain issues. border delays on shipment. fine with them protesting but not blocking infrastructure or fucking up ottawa they had my sympathies untill they blocked the border crossings and occupied ottawa instead of protesting	2/18/2022 8:57 PM
48612	proud to be canadian for a change	2/18/2022 8:57 PM
48613	So very proud	2/18/2022 8:57 PM
48614	The convoy has given me hope again. It is so heartwarming to see so many Canadians come together like this. I went to Ottawa with a friend because I wanted to see for myself what was really happening in Ottawa. And you can imagine that what I saw and what was on the news were totally different . I am all for the truckers	2/18/2022 8:57 PM
48615	Gave me a reason to bring out my bucket list to travel again..praise the Lord for Truckers, they are priceless compared to a politician 	2/18/2022 8:57 PM
48616	Yes! It's given me hope again!	2/18/2022 8:57 PM
48617	Not at all	2/18/2022 8:57 PM
48618	Has not affected my life	2/18/2022 8:57 PM
48619	Provided encouragement!!	2/18/2022 8:57 PM
48620	It has given me hope that there is an end to the government thinking they can do anything to their people. That hope was decimated seeing peaceful protestors trampled on, veterans slammed to the ground on their faces and women punched and maced by police officers. What a disgusting act of terrorism by the government.	2/18/2022 8:57 PM
48621	Complete embarrassment to our country	2/18/2022 8:57 PM
48622	It blesses me that they are standing up to have our freedoms returned.	2/18/2022 8:57 PM
48623	Provided hope through the darkest of days	2/18/2022 8:57 PM
48624	Gave me hope... and see people are still kind and supportive to each other.	2/18/2022 8:57 PM
48625	Inconvenience	2/18/2022 8:57 PM
48626	It hasn't changed my life as of yet and don't expect to as I don't allow fear of food shortages to determine my choices. I think this to will pass and we will wonder why we got so upset for not.	2/18/2022 8:57 PM
48627	Took part in it for 3 days and I will have life long wonderful memories of that experience.	2/18/2022 8:57 PM
48628	They are an inspiration and I hate I can't be there with them. I've never been prouder to Bea Canadian	2/18/2022 8:57 PM
48629	Wasting a lot of tax dollars.	2/18/2022 8:57 PM
48630	It's made me proud to be Canadian again for the first time in years.	2/18/2022 8:57 PM

48635	Hasn't but it seems it's having a pretty negative impact on others	2/18/2022 8:57 PM
48636	It hasn't	2/18/2022 8:57 PM
48637	Very positively	2/18/2022 8:57 PM

48639	Never been prouder to be Canadian with the trucker convoy	2/18/2022 8:57 PM
48640	Gives we the people hope for OUR country,to let our government know they are not working for the people	2/18/2022 8:57 PM
48641	Hope	2/18/2022 8:57 PM
48642	By giving me hope for the future	2/18/2022 8:57 PM
48643	Has given me hope that we as a country can pull together and and stand up for our rights and freedoms! Support them 1100% Felt proud to be CANADIAN AGAIN ♥	2/18/2022 8:57 PM
48644	Positively hoping it works and Trudeau should get fired for the stupidity he is saying don cherry got fired for saying less then Trudeau has	2/18/2022 8:57 PM
48645	It has given me hope. I have enjoyed watching the families unite and be happy. The unity amongst the people present has been heart warming. The kids after two years of lockdowns are having a blast in the bouncy castles and climbing into big rigs and honking the horn. The fact that Trudeau will not simply speak with the leaders of the convoy and instead tries to invoke the Emergencies Act and leaks information about supporters that donate to their fund is appalling. Now the Government is freezing bank accounts?! Talk about over reach and tyranny. It makes me want to move to another Country	2/18/2022 8:57 PM
48646	By the way they stood for are freedom	2/18/2022 8:57 PM
48647	They've made me want to hit people over the head with a baseball bat	2/18/2022 8:57 PM
48648	0 it has benefited my life by showing me people can come together peacefully and work towards something	2/18/2022 8:57 PM
48649	The truckers are showing the governments what many of us are feeling. We are tired of the lockdowns, the vaccinations, the maskings, that haven't seemed to have accomplished anything. We are all beginning to question the validity of the governments actions on the Covid pandemic & wondering if it has all been a scam perpetrated to see how much control governments can establish over the people using scare tactics. Many people are in favor of the Freedom Convoy.	2/18/2022 8:57 PM
48650	N/a	2/18/2022 8:57 PM
48651	Not affected at all	2/18/2022 8:57 PM
48652	Makes me proud to be a Canadian again. We need more people like them	2/18/2022 8:57 PM
48653	It hasn't. I am grateful that people are standing up for my freedoms.	2/18/2022 8:57 PM
48654	These heroes gave me hope and faith in humanity and it showed me are prime Minister is turning into a dictatorship and only cares for himself and vaccine corporations \$\$\$\$	2/18/2022 8:56 PM
48655	It has affected my life, that there are people who believe in the same things as I do and they have made me feel good to be a Canadian again, and to people who care about me and all Canadians. I am so proud of them.	2/18/2022 8:56 PM
48656	Gave me hope that we can have a free country and no judgment for others choices (I am fully vaccinated FYI) but I support people's right to choose.	2/18/2022 8:56 PM
48657	By standing up for our freedom and touching our hearts	2/18/2022 8:56 PM
48658	Freedom	2/18/2022 8:56 PM
48659	Inspires me to see all the people that do nit want to live under a communist regime.	2/18/2022 8:56 PM
48660	Feeling of pride of my country	2/18/2022 8:56 PM

48665	Gives me hope	2/18/2022 8:56 PM

48676	It gave me hope. It has made me proud to be a Canadian again.	2/18/2022 8:56 PM
48677	Given hope	2/18/2022 8:56 PM
48678	It has shown how tyrannical our government really is. It has shown me their are still good people out there.	2/18/2022 8:56 PM
48679	Giving hope back to Canadians	2/18/2022 8:56 PM
48680	It has not, where we asked the same when BC was flooded, Alberta forest fires, drought on prairies. Oil & grain not getting to port. Now that it has inconvenienced Ontario & parliament.. the guns come out against us.	2/18/2022 8:56 PM
48681	The convoy has given me hope that these mandates will end and Canadians will be able to travel unrestricted.	2/18/2022 8:56 PM
48682	they sparked hopes for a normal life in a free country	2/18/2022 8:56 PM

48688	Given me hope for first time in two years	2/18/2022 8:56 PM
48689	It has brought hope to many Canadians. It's reunited a divided country and showed true Canadian Spirit.	2/18/2022 8:56 PM
48690	It has given us HOPE. We can now go on dates as a husband and wife and family, TOGETHER. Our work is getting steady again. We are so grateful people are standing up for our freedom and pray that all involved are heard, safe, and know how grateful we are.	2/18/2022 8:56 PM

Canadians vote on Canadian Mandate - February 2022

48692	Gave me hope	2/18/2022 8:56 PM
48693	It has given me pride back in the Canadian spirit. Seeing the love, different races, religions, English/French stand side by side has given me hope that our country can be mended after such division and fear has been instilled via the government and media	2/18/2022 8:56 PM
48694	Na	2/18/2022 8:56 PM
48695	Brought me hope! I see a truck and a flag and cry feeling their support.	2/18/2022 8:56 PM
48696	I see it as Canadian that want what's best for all Canadians.	2/18/2022 8:56 PM
48697	It has given me hope that others across the nation recognize that the covid-vaccine mandates and passport violate our Charter rights, and are willing to stand up for our freedoms. However, the PM enacting the Emergencies Act, even though people in the convoy have been largely peaceful, is very concerning that he will do anything to further his agenda, not listen to citizens, and continue to violate our freedoms.	2/18/2022 8:56 PM
48698	Seen unity all over the country from people who want their lives back. Back to normalcy. Proud of them!! Standing strong with them always.	2/18/2022 8:56 PM

48704	Gave me hope for the country that I as a Canadian I believed I have rights and that are Country needs to return to a democratic country and not run by a dictator	2/18/2022 8:56 PM
48705	Not in any way negative. In fact it has given me a higher level of respect and gratitude towards a group of hard working people that had the power to say enough is enough. Praise all truckers!	2/18/2022 8:56 PM
48706	Hope restored that there are Canadians that value freedom and have the courage to fight for it ... Thank-you truckers!!!! Peaceful and strong!!	2/18/2022 8:55 PM
48707	N/A	2/18/2022 8:55 PM
48708	It gave me some hope but did not appreciate the abuse that the truckers were subjected to including the liberal party and Trudeau and as police were arresting they we kicking truckers every now and again, as well there were infiltrators that caused damage to vehicles and were attempting to be violent to smear the trucking. Trudeau and media made out to be the trucker that were causing problem. Trudeau was the one that was the problem.	2/18/2022 8:55 PM
48709	Makes me feel that there people willing to stand up against mandates, gives me more hope	2/18/2022 8:55 PM
48710	I feel revived! I feel like Canadians are taking action to change the way things are right now. I feel like the convoy is going to give individuals choice again!	2/18/2022 8:55 PM
48711	Inspired courage to fight for change.	2/18/2022 8:55 PM
48712	It has encouraged me that people will stand up for themselves against government over reach. Further, the right to control what goes into ones body is a natural right - God given autonomy at birth. The government does not have the right to over rule that right. They are over stepping their authority. (I'm a paralegal)	2/18/2022 8:55 PM
48713	It has improved my life immensely.	2/18/2022 8:55 PM
48714	Inspiring hope that the government might hear our distress, but it didn't happen at a federal level.	2/18/2022 8:55 PM
48715	Gave me hope I will get my rights back	2/18/2022 8:55 PM
48716	Unity, joy, hope, new friends, we do not feel alone anymore, united the world for my daughters to see, they are the angels of our time and because of them there could be a better future for	2/18/2022 8:55 PM

our children and their children....

48717	Brought some type of normality that hasn't even felt for 2 years.	2/18/2022 8:55 PM
48718	It has not effected my life at all. We have a right as Canadians to peaceful protest and the PM is making it look like they are criminals. I am disgusted with the PM.	2/18/2022 8:55 PM
48719	It lifted my spirit and gave me hope.	2/18/2022 8:55 PM
48720	It's given me hope and re-establish the my pride to be Canadian.	2/18/2022 8:55 PM
48721	I stand with the truckers! And it hasn't affected my life in a negative way other than Trudeau not listening to Canadians! And him being a coward of Canadians! TRUDEAU IS THE THING AFFECTING EVERYONE LIFE!!!!	2/18/2022 8:55 PM
48722	I hope the government backs off from their over reaching power grab and controlling mandates.	2/18/2022 8:55 PM
48723	It doesn't!!! I'm for it	2/18/2022 8:55 PM
48724	I am a trucker	2/18/2022 8:55 PM
48725	It's been a positive development knowing that there are those who speak for the little people. The fact our government does not at least meet with them and listen to their pleas makes one question how can our prime minister lead a country when he won't lead in a way that represents the people	2/18/2022 8:55 PM
48726	None	2/18/2022 8:55 PM
48727	Too vague of a question	2/18/2022 8:55 PM
48728	It hasn't	2/18/2022 8:55 PM
48729	Has given me hope that all the mandates etc will end ... they are fighting for freedom which has been taken from us!!!!	2/18/2022 8:55 PM
48730	It's given me a sense of hope and also deep sadness to see just how corrupt our country/government/medical system is	2/18/2022 8:55 PM
48731	Inspired me and gives me hope in our people. We are united by God and our belief that He reigns and is in control of all. We need to humble ourselves and pray and He will restore us.	2/18/2022 8:55 PM
48732	Given me hope that there is life beyond the pandemic and tyrannical government overreach.	2/18/2022 8:55 PM
48733	It has reunited our country from the division That our PM has caused	2/18/2022 8:55 PM
48734	It has given me a surge of hope and courage to stand up for our freedom	2/18/2022 8:55 PM
48735	For the better!! Fighting for our rights!	2/18/2022 8:55 PM
48736	It has given me hope that a free Canada is not a lost cause. It has given me faith in my fellow citizens who I had basically given up on. The convoy has shown me that I am not alone in my concerns and views.	2/18/2022 8:55 PM
48737	It has given me hope! And has for the first time in the last two years proud to be Canadian!! And the fact that Justin Trudeau treats them like dirt says more about him than anything!!	2/18/2022 8:55 PM
48738	Very positively	2/18/2022 8:55 PM
48739	It has given me hope. Helping Canadian a realize we ALL must come together and fight for our Country	2/18/2022 8:55 PM
48740	It gave me hope after 2 years of government torcher of control. Now look where Trudeau is and has been taking it all along. Communist dictatorship agenda, it had nothing to do and still has nothing to do with health it's all about complete control of this country! The truck convoy gave 1000's of us Canadians hope!	2/18/2022 8:55 PM
48741	No affects	2/18/2022 8:55 PM
48742	Hope to freedom, hope for future of our children having good life's. It's peaceful and I don't know how anyone can lie about that	2/18/2022 8:55 PM
48743	It didn't really. I was just glad that people were able to protest.	2/18/2022 8:55 PM

48747	Hope, inspiration.	2/18/2022 8:55 PM
48748	Gave me hope	2/18/2022 8:55 PM
48749	It has made me realize how united Canada can be. This is the first time that I have been proud of Canadians and proud to be a Canadian. However it has not affected what I am able to buy any differently than what I could purchase prior to the Convoy.	2/18/2022 8:55 PM
48750	Added hope	2/18/2022 8:54 PM
48751	Has given me hope that there are still people with common sense. Also this convoy has proven that the governments (all levels) of Canada have been systematically reducing and restricting the freedoms of Canadian citizens from enjoying the basic necessities of life.	2/18/2022 8:54 PM
48752	It hasn't	2/18/2022 8:54 PM
48753	increased my hope that Canada will not slip so far into tyranny by showing that there are many people that support liberty	2/18/2022 8:54 PM
48754	I am supporting them for defending the freedom of all Canadians	2/18/2022 8:54 PM
48755	Lost job	2/18/2022 8:54 PM
48756	It has given me new hope seeing strong blue collar truckers care deeply about the very things I care about. I cheered them on and now I'm in tears seeing police horses trample peaceful protesters and take children and pets from their parents/owners. My heart is broken.	2/18/2022 8:54 PM
48757	They gave me hope!	2/18/2022 8:54 PM
48758	Provided me hope that many people have finally said "enough" and that it had effected change	2/18/2022 8:54 PM

48765	It has not affected my life.	2/18/2022 8:54 PM
48766	Brought joy and hope! Our government brought and continues to bring oppression !	2/18/2022 8:54 PM
48767	They have given me hope. I feel a sense of pride for our country!! Our convoy has been heard around the world. And other countries wave our flag as a symbol of hope!!	2/18/2022 8:54 PM
48768	Constantly watching. My nephew is there. He got arrested.	2/18/2022 8:54 PM

48773	Luckily not much, but I have noticed less products available in grocery stores.	2/18/2022 8:54 PM
48774	Gave me hope that they might sway Trudeau to listen.	2/18/2022 8:54 PM

48781	Not at all, besides give me a glimpse of hope!	2/18/2022 8:54 PM
48782	My family are truckers. It's true that the 176th border was closed and prevented truckers from doing their jobs. But our rights have been stolen and the government is not listening so they are doing what they need to do.	2/18/2022 8:54 PM
48783	For the better, glad someone is standing up to this overstepping of the government	2/18/2022 8:54 PM
48784	It has brought true Canadians together and shown how tyrannical the government truly is	2/18/2022 8:54 PM
48785	The trucking covoy has given me hope to get my god given rights and freedoms back which were unlawfully taken away.	2/18/2022 8:54 PM
48786	Proud of them fir standing fir our freedoms	2/18/2022 8:54 PM

48789	It hasn't	2/18/2022 8:54 PM
48790	positive provide hope	2/18/2022 8:54 PM
48791	The truckers brought hope that humanity can restore dignity and restructure disconnected and corrupt political system. They brought faith that when we ignore politicians, mass media we can stand united as human beings, celebrating life, well being, joy and ones own responsibility for his / her medical choices. They resurrected my hope that integrity will prevail. They lured the medical/pharma/financial/ideological/media lobby to show their cards - the lobby values profits over health, well being and human lives. Those brave truckers stop up and accomplished what academia, media, jurisdiction, scientists and other educated white collar professionals failed even attempt. And, finally, the truckers showed the power of unity and love. They restored my faith and hope for humanity. As I write this police officers in Ottawa are arresting the peaceful heroes. I was born in a communist country, escaped - only to wake up some 40 years later, realizing that I might have escaped then, but the ideology, censorship and dictatorship has caught up with me. Ponder that. As before, Rome is disintegrating itself from within. Politicians forgot that they are in service of people and we, the people, fell asleep, allowing ourselves to be blinded by orchestrated and programmed divisiveness of colour, religion, opinion, income, postal code, class, gender, political affiliation, Those truckers reminded me of the old ways. The wind is picking up, the fog is lifting and the Sun is already shining through. Thank you truckers! PS: had an idea for a sticker: "This bicycle identifies itself as a truck".	2/18/2022 8:54 PM
48792	See question 9.....	2/18/2022 8:54 PM
48793	It's given me hope! I have smiled a few times in the last 3 weeks.	2/18/2022 8:53 PM
48794	I have been trapped in the occupation zone for the duration of the convoy and have been unable to travel to work on site for the first contract I have gotten since Covid arrived. There have been idling trucks parked beneath my apartment windows honking continuously, such that my partner was reduced to hiding in a closet for hours in a futile attempt to block out some of the noise. It has been frustrating and disheartening to witness the selfishness of the convoy participants as they completely disregard the rights of the residents of downtown Ottawa.	2/18/2022 8:53 PM
48795	The convoy brought hope and united the people of our Country and across the world. We had hope for humanity to be as one	2/18/2022 8:53 PM
48796	The convoy gave me a sense of hope..	2/18/2022 8:53 PM
48797	I am a proud trucker's wife and they are sticking up for our rights those men and women went up and down the road before the restrictions and vaccine mandates were put on making sure that everyone's essential goods got there and there was no problems before and now there seems to be a problem and they shouldn't be because it is their God-given right whether they	2/18/2022 8:53 PM

have the vaccine or not. There were many times my husband was going up and down the roads in the minus30s -40s temperatures and with restrictions could even get a cup of coffee or sit down in a restaurant because of the restrictions couldn't have a shower at times and there was even times when he couldn't even use the bathroom he had to use a porta potty. So if that was happening to my husband that was happening to a lot of truckers. I stand up for them the trucking convoy it has not affected my life at all and they are helping everyone else to get their freedom and lives back and let their children be children have fun and laughter and be with your friends without being singled out if they're not vaccinated. Stay strong freedom convoy 2022 as I am so grateful and thankful for all that you truckers and everyone else participating in the peaceful protesting you are doing for our freedom to have all the mandates dropped including border crossings and airplanes!FREEDOM♥ ♥

48804	For the first time in years we have hope again!!!! We see it bringing people back together with love and kindness, this is what Canada needs now! Unity, love, and freedom to choose what is right for ourselves. Health system and politics needs to be less attached. The mandates need to be dropped! Lives need to be able to get back to normal and the long road to healing. The truckers have brought me to tears of pride and hope more times this last few weeks than I want to admit. God bless and keep them, and thank you for fighting for our freedom and showing us what a tyrant our prime minister has turned too. Our freedoms need to be made more important like the USA's is. Our freedoms need to be better protected, and the government needs to have more accountability and sense of honor.	2/18/2022 8:53 PM

48815	It brought hope and did more for my mental health than anything else the last two years. Today thought Trudeau murdered an innocent peaceful protester with his choice of the emergency act. Trampled by a horse. That death in or him and he needs to step down.	2/18/2022 8:53 PM

48906	I support the truckers. Their goals have been twisted to the government narrative of people not representing Canadians. Actually I think they do, no sit down discussions to try to resolve the dispute. Emergency Act, a disgraceful means to clear the peaceful protest.	2/18/2022 8:51 PM
48907	It has given me hope that we can protest tyranny.	2/18/2022 8:51 PM

48942	Brought joy, hope and light that me, my husband and children are not alone in this. Made me proud to stand up tall to be a Canadian. It's made me see that there are thousands of people who are in the same situation and want the same things. They all call on the lies that I too have been seeing for over 2 years.	2/18/2022 8:50 PM

48956	It has given me hope for a better Canada, a better life with out restrictions and mandates. It means freedom	2/18/2022 8:50 PM
48957	The trucking convoy has greatly encouraged me! I now am proud to be Canadian again! I respect the truckers for being willing to stand up for our freedoms ; the freedoms of all Canadians. The humble common people can see our country going further and further into tyranny and we have been powerless to stop it. I am so thankful for all the demonstrators and truckers that have remained peaceful and have exercised their rights. They are doing it for us all; our children and grandchildren. We need evil exposed and the mainstream media is all paid off and corrupt. What else can we do? I am greatly encouraged that righteousness will prevail with the help of God, which began with humble truckers who cared for their fellow Canadians.	2/18/2022 8:50 PM
48958	It has brought hope back in my life	2/18/2022 8:50 PM

48963	It has given me hope that pur government would realize the impact of theory dates and would work to give some cinsessions on these. I have been very disappointed and disgusted at the lack of interest and interest in bringing our Canadians together again.	2/18/2022 8:50 PM
48964	Hope; they put some hope	2/18/2022 8:50 PM
48965	Hope, positive feelings, joy in the amount of unity seen by communities and nation,	2/18/2022 8:50 PM

48967	not much.	2/18/2022 8:50 PM
48968	Brought awareness that we are not a minority	2/18/2022 8:50 PM
48969	It has given me hope. They're very loving, kind and very peaceful.	2/18/2022 8:50 PM
48970	The trucker convoy has given me hope again. The country has been so divided bc of those mandates and the liberal government. The convoy has shown nothing but unity and love, and the world what a sociopath Trudeau is. They have given me hope to end the mandates, and now hope to throw a zero confidence vote on Trudeau. He should have never invoked the Emergencies Act on our own hard working Canadians. Totally unacceptable.	2/18/2022 8:50 PM
48971	The trucking convoy has actually brought Joy watching these protesters have freedom and fun like they're one big family has brought hope tonsure home until the police came in watching them trample people and not a care that makes me sad it triggers my anxiety to think this is the world my children will have to endure	2/18/2022 8:50 PM

48980	Feel like there is chance to live again!	2/18/2022 8:50 PM
48981	It provides a window of awakening to those who chose to sleep & deny. It reaffirms that we are not alone & there is still hope & Canadian pride. There is no violence only that which I am seeing coming from arrogant & aggressive law enforcement and my elected Representatives.	2/18/2022 8:50 PM
48982	Not at all	2/18/2022 8:50 PM
48983	Gave me hope	2/18/2022 8:50 PM
48984	The truckers have given me faith in humanity especially God given me hope that Canada can become strong and free again as shown me what ethics truth and hard-working people stand for what's right truckers are also doing it on my behalf not just themselves they have inspired Canada they have inspired the world Truckers have done this peacefully despite the government instigating and pushing for violence at every step of the way The truckers have given me strength to stand up for myself with them and to try harder to make Canada free and strong	2/18/2022 8:49 PM
48985	it has made an impact on what i believe in. just really showed what the government is trying to do us	2/18/2022 8:49 PM
48986	I thought there would be freedom again, and not have a Dictator over us.	2/18/2022 8:49 PM
48987	Boosted sense of national pride	2/18/2022 8:49 PM

48989	The mandates are ending in my province	2/18/2022 8:49 PM
48990	Gave me hope something that spoke for me something solid. Something that understood . Great people there all nations and languages laughed danced peacefully but the tyrant was too good to come down from his throne to talk to us arrogant elitist stupid egotistical empty boy. No ashamed of him as PM of this country.	2/18/2022 8:49 PM
48991	It really doesn't not that big of a deal.	2/18/2022 8:49 PM
48992	Makes me sad that so many people are so stupid as to follow the convoy's idiocy. How is critical thinking so lacking? Also, how are so many people so selfish. Freedom to these yahoos means they should have whatever they want...like spoiled toddlers. It is probably the most selfish movement I have seen	2/18/2022 8:49 PM

Canadians vote on Canadian Mandate - February 2022

49003	It's given me hope that we aren't alone, that other people also feel that bodily autonomy is sacred. I'm sickened and disheartened to witness our corrupt government and media spread lies and hate concerning what is happening with the peaceful protest. I watched a live video today of two people being trampled by horses. Who are these police officers protecting, because it certainly isn't the people?	2/18/2022 8:49 PM
49004	It has given hope there are a lot of folks that think similar to me this has gone on too long now	2/18/2022 8:49 PM

49009	It has given me hope in humanity and made me fiercely proud to be a Canadian. I wish I could be in Ottawa with my country men to show them my support in person.	2/18/2022 8:49 PM
49010	Very Positively! I finally had hope again! Except for today, Febuary 18th 2022. The day the government sent the "police" to "move out" the peaceful men, women and children, (who are all citizens of Canada) with tear gas, rubber bullets plus who knows what else in Ottawa.	2/18/2022 8:49 PM
49011	They are a group is anti government extremists using truckers to further their own agenda to overthrow the government. They have terrorized the city for 22 days.	2/18/2022 8:49 PM
49012	It has given myself and my family hope that there are other like minded people who do not believe all the lies that have been fed to us.	2/18/2022 8:49 PM
49013	Brought hope	2/18/2022 8:49 PM
49014	The convoy provided hope and a real voice to the impact on Canadians. It has also shown how poorly our federal government has chosen to manage views that do not align with his own!	2/18/2022 8:49 PM
49015	Given hope	2/18/2022 8:49 PM

49019	Fantastic to deal with the corrupt government.	2/18/2022 8:49 PM
49020	First time for the long time since all that madness started I feel hope and I prey every day for victory of trucking convoy as they fight for our freedom and our future with dignity! And many of my friends do the same!	2/18/2022 8:49 PM
49021	Its been the first time in 2 years that I have seen people smiling and actually happy to come together	2/18/2022 8:49 PM
49022	I am praying that JT will drop all the mandates by having these brave and essential men and women stand up for this country It's time for a change in government. We need someone who is not a dictator. I just heard him say and I quote "I really admire China ". What a terrible thing to say	2/18/2022 8:49 PM
49023	Gave Canadian Hope	2/18/2022 8:49 PM

49036	It has given me hope for Our Canada, also being a Log Trucker in British Columbia I stand for freedoms and rights. I want everyone to be able to enjoy the beauty we see every day up in the mountains doing selective, wildlife sensible, carefully planned harvesting and hauling. The Trucking Convoy has given me hope, hope we can still regain our country from Justin Trudeau and his slimy group of elites as well as followers. What they are doing is sick. The Trucker Convoy is nothing but peaceful. I Love my Trucker Brothers and Sisters.	2/18/2022 8:48 PM
49037	Restored my faith in humanity and Canadá until our own police who also don't want the passport went against innocent civilians that are not violent whatsoever. The world is watching. Stop taking orders from a dictator. 'I was following orders' will not be an excuse when this all comes to light. Morality over orders always.	2/18/2022 8:48 PM
49038	Given us the only ounce of hope there has been the last 2 years	2/18/2022 8:48 PM

49042	It has restored hope and joy, I have seen unity, love, sharing and helping. The untrue media smears unfairly prejudiced a lot of people against it without experiencing it firsthand	2/18/2022 8:48 PM
49043	Brought back hope and made me proud to be Canadian again	2/18/2022 8:48 PM

world. Liberals.... Swallow your pride change your ways and try to gain the people's trust again... admit that you've made a mistake!!!!.

49059	Awesome gives me hope we will win the war on this communist takeover.	2/18/2022 8:48 PM
49060	Made me feel hopeful and proud to be a Canadian again.	2/18/2022 8:48 PM
49061	I believed in the convoy if it would have stayed the original convoy, not everyone joining in. I don't believe in blocking borders or roads that impeded other truckers from doing their work, and the borders being blocked has affected the business I am employed at.	2/18/2022 8:48 PM
49062	It's given me hope! And I know not alone. There are still really good people out there and people that see things are very wrong.	2/18/2022 8:47 PM
49063	The truckers have given me hope, hope to get Trudeau out and get Canada back to being the land of the free!	2/18/2022 8:47 PM
49064	Give me hope that life will return to normal	2/18/2022 8:47 PM
49065	Gives a person hope that we might actually get our lives and freedom back	2/18/2022 8:47 PM
49066	Makes me realize how Canadians and other countries come together like as one	2/18/2022 8:47 PM
49067	Glad to see I'm not alone It gave hope for freedom	2/18/2022 8:47 PM

49070	it gives me hope	2/18/2022 8:47 PM
49071	It gave me hope. It made me proud to be Canadian again. It made me happy because I was getting so depressed always seeing bad news, half truths and fear mongering on the news. It was amazing to see so many people from all races, all religions from all over the countries fighting for our peace and freedoms.	2/18/2022 8:47 PM
49072	So positive, gives me hope again and love for my country! The WHOLE world has come together and it's all be so positive and not violent like the media would like us to believe.	2/18/2022 8:47 PM
49073	0%	2/18/2022 8:47 PM
49074	Finally gave us hope !! Pride in our country again!! A light at the end of a long hopeless tunnel	2/18/2022 8:47 PM
49075	I work in LTC and the convoy has disrupted our residents lives! They honk by for hours on the way to the border (not just one afternoon) but over and over! This affects the residents with dementia in a very negative way, many are agitated will into the middle of the night. When I posted on social media asking them to not honk when driving by care home people were rude saying it's only a few hours. But it has been going on for weeks! It should be illegal to infringe on peoples peace and harmony! Drive around with flags etc but public noise is not appreciated.	2/18/2022 8:47 PM
49076	It gives me hope that people are starting to wake up and that there are still some people out there that are not completely brain washed, if we can get past this and get rid of Justin Trudeau then my children might have a future in Canada	2/18/2022 8:47 PM
49077	It has given me hope	2/18/2022 8:47 PM
49078	Made me think there is hope	2/18/2022 8:47 PM
49079	No	2/18/2022 8:47 PM
49080	It's given me hope and pride to see people standing up for their rights and freedoms, proud to be a supporter of truckers and anyone who's tired of Trudeau's Tyrannical Communist Regime and the useless line of libtard minions that kiss his ass	2/18/2022 8:47 PM
49081	Not	2/18/2022 8:47 PM
49082	It's made me so proud of regular courageous Canadians. It's helped me to see that it's our government and media that are driving wedges between people in this country and I want no part of that. I've discovered as an Albertan that we may have a lot in common with Quebec if our leaders could just work to represent all of Canada, not just areas that will get them elected. People from across Canada showed so much unity and community and it was met with the Emergency Act. It's shown me that the problem is not the people but the government.	2/18/2022 8:47 PM

49095	Given me hope that Canada may not become fascist	2/18/2022 8:47 PM
49096	In no way whatsoever	2/18/2022 8:47 PM
49097	The Truckers, their Supporters, and Canadian Citizens made me proud to be a part of this movement.	2/18/2022 8:47 PM

49099	Hope	2/18/2022 8:47 PM
49100	Good to see the love and support of people across Canada who are concerned about our lack of freedom here.	2/18/2022 8:47 PM
49101	It has given me hope!! Faith that there are many many Canadians that too see the damages being done. I am absolutely disgusted with the Prime Minister's handling of it all- he should resign immediately. Unfortunately there has been a colossal failure of the whole of government.	2/18/2022 8:47 PM
49102	I am proud of them for standing up for our whole Country	2/18/2022 8:47 PM
49103	It has not.	2/18/2022 8:47 PM

49107	Gives me hope	2/18/2022 8:47 PM
49108	Inspiring to see that so many other people feel the same way that I do. Not only in Canada, but around the world	2/18/2022 8:47 PM
49109	Badly	2/18/2022 8:47 PM

Canadians vote on Canadian Mandate – February 2022

for having the guts to speak up and stand for what we all believe in!

49114	Very positively! So wonderful to see Canadians supporting and uniting across the country! The trucks are bravely, peacefully standing strong for all Canadians!!	2/18/2022 8:47 PM
49115	Given me hope that we might get our free Canada back again - let me know that the majority feels the same way I do, and made me remember our good lives that we used to have, and want back	2/18/2022 8:47 PM
49116	Given me hope that my children will not have to live in a dictatorship.	2/18/2022 8:47 PM

49118	It has brought me hope for the first time in 2 years. made me love my fellow Canadians once again, and shown me the only divide our people have is the divide that the government has created.	2/18/2022 8:46 PM
49119	Brought hope	2/18/2022 8:46 PM
49120	Very inspiring, we as the people should have protested from day 1.	2/18/2022 8:46 PM
49121	Hope, encouraging	2/18/2022 8:46 PM
49122	They made me proud that finally someone has said enough. Instead of being passive Canada's they have stood up for our rights and freedoms that the government wants to control and mandate. I don't think that the governments of Canada & US should of mandated that truck drivers had to be vaccinated now to do their jobs cross border. They were good of enough to do it when the pandemic was at its worst to make sure Canada and The USA had supplies why now is it a body deal! Not right or fair to the industry.	2/18/2022 8:46 PM
49123	It's given me hope	2/18/2022 8:46 PM
49124	Given us hope. United us with new and old friends. Taught our children you fight for what you believe in.	2/18/2022 8:46 PM
49125	Gave myself & Canadians hope again. Brought the end of provincial mandates & restrictions in many provinces. Hopefully helps get Trudeau out of power.	2/18/2022 8:46 PM
49126	At first, I was supportive but it has turned into a bunch of chaos by protesters that are breaking the law.	2/18/2022 8:46 PM
49127	They have given us hope since they stand for freedom, unity while holding the peace with joy in their hearts. The media has been corrupted by our government and controlled and this has been a disgrace.	2/18/2022 8:46 PM
49128	My son has gone to Ottawa and I worry about him all the time. The convoy has given me and some of my closest friends hope.	2/18/2022 8:46 PM
49129	Lots of news coverage	2/18/2022 8:46 PM
49130	It's made me proud to be Canadian again! Hopeful for once in the past 2 years.	2/18/2022 8:46 PM
49131	It's great	2/18/2022 8:46 PM
49132	It has shown me our government is unwillingness to hear people who they disagree with.	2/18/2022 8:46 PM
49133	Given us hope for change !	2/18/2022 8:46 PM
49134	It has given me hope that as brave men and women fight for freedom, maybe ,MAYBE ordinary Canadians will be heard . Seeing the convoy pass through my hometown, I felt a unity like never before- I felt proud to be a Canadian !	2/18/2022 8:46 PM
49135	It is noisy and slows down traffic.	2/18/2022 8:46 PM
49136	Given us Hope!	2/18/2022 8:46 PM
49137	It brought me to tears, immediately I felt hope and overall joy of possible hope!	2/18/2022 8:46 PM
49138	I saw Canada born again, breathing again hugging and loving each other we became United	2/18/2022 8:46 PM

Canadians vote on Canadian Mandate - February 2022

49139	No	2/18/2022 8:46 PM
49140	I was truly in a dark place with limited options. This is the first time in 2 years that I actually have hope for this country.	2/18/2022 8:46 PM
49141	At first I felt so hopeful that peace and unity could return to this nation. Now on 19 February as I watch how the police are treating peaceful protestors due to Trudeau pushing the emergency act on us leaves me feeling so hopeless - what has happened to Canada? Trudeau is what has destroyed relationships with his words and actions.	2/18/2022 8:46 PM
49142	Has not affected in any negative way.	2/18/2022 8:46 PM
49143	It helped lift mandates in my province	2/18/2022 8:46 PM
49144	It's made me feel incredibly disheartened that there are so many selfish Canadians who will harass, disrupt and hurt others for their own gain	2/18/2022 8:46 PM
49145	It was a joyful thing to see good Canadian people stand up against the wicked misuse of political power. I was so glad to see Canadians wanting to keep our country free and united.	2/18/2022 8:46 PM
49146	Believe in the fight for Freedom!	2/18/2022 8:46 PM

49153	Nope	2/18/2022 8:46 PM
49154	Hasn't	2/18/2022 8:46 PM
49155	It's not about the mandates. That was a front for fascists to promote their agenda. I favour democracy.	2/18/2022 8:46 PM
49156	They are fighting for our freedoms. I support them.	2/18/2022 8:46 PM
49157	Horrible, worried for my family in the Red zone, the constant stress of knowing someone protester will tell at you for wearing a mask. We were so close to having a normal life again and then the clown show arrived and I feel they will set us back. They definitely have been horrible for mental health	2/18/2022 8:46 PM
49158	Given me hope and courage	2/18/2022 8:46 PM
49159	Locked down my city for three weeks. Behaved like barbarians. Committed sound torture as defined by the UN Convention on Torture. Harassed. Intimidated. Locked down the city core. Held a redneck luau.	2/18/2022 8:46 PM
49160	It has caused issues in my work. I have been ostersized put on admin leave, lost time and money at work. Work to do got behind and missed out on opportunity because I believed in something I was fighting for.	2/18/2022 8:46 PM
49161	N/a	2/18/2022 8:46 PM
49162	Gave me hope for Canada	2/18/2022 8:45 PM

Canadians vote on Canadian Mandate - February 2022

49168	Good, the government and media letting on that this is a terrorist organization is just sick, yet there was building and properties that were destroyed in the BLM movement that Trudeau was for. The Emergency Act is just another form of tyranny proposed by our corrupt leader to do as I say or else.	2/18/2022 8:45 PM
49169	Giving Hope ... And True Canadian people are there..	2/18/2022 8:45 PM

49174	It has given my hope	2/18/2022 8:45 PM
49175	It's given me hope that I want to live in this world.	2/18/2022 8:45 PM
49176	Not at all affected. These people have courage and brave to stand up for their rights.	2/18/2022 8:45 PM
49177	Emotional roller-coaster. Gives me hope that there are people willing to fight for the rights and freedoms of all. But has also made me incredibly angry to see the way that the government has responded so poorly to the very large number of people unhappy with the totalitarian response to the pandemic.	2/18/2022 8:45 PM
49178	Inspired our family and shown us we are not alone.	2/18/2022 8:45 PM

49180	It was healing, gave me hope that the Canada I chose to make my country can be back respecting the individual.	2/18/2022 8:45 PM
49181	I am so proud of how this movement has brought people together, but it saddens me to see people condemn them for simply wanting what almost the rest of the world has....no more mandates.	2/18/2022 8:45 PM
49182	Not at all	2/18/2022 8:45 PM
