#	RESPONSES	DATE
1	It gave me hope that we again might be free of a draconian leadership style by a government that has lost touch with the pulse of the country	2/21/2022 11:56 AM
2	Not much	2/21/2022 11:56 AM
3	Very sad that our government couldn't deal with the situation like mature people for the better cause! So sad!! I am SO proud of these Convoy Truckers! I pray they get financially, physically and mentally established after these whole unexplained problems in ottawa!! THEY WERE THE TRUE EXAMPLES OF A CHRIST LIKE PERSON	2/21/2022 11:55 AM
4	It has brought me hope for my children's future. It has been wonderful seeing everyone come together and seeing smiles on peoples faces. We have taken part of a few protests and it was the happiest I've been since this all has started.	2/21/2022 11:55 AM
5	They are fighting for my freedom, for the freedom for all of us. We need freedom, enough is enough, guve us freedom back!!!	2/21/2022 11:55 AM
6	It has given me hope and has made me proud to be a Canadian again. It has started a world wide protest against tyrannical governments	2/21/2022 11:54 AM
7	Affected the availability of some products, again caused dissection among family members	2/21/2022 11:54 AM
8	Not much, in its not inconvenient to my life I understand how people who were blocked could feel upset The message of leadership on social media I agree with Accountability for the government choices. In the last two years the government has had a lot of autonomy that has Affected Canadians daily life in serious Ways. I am concerned about the overall impact of some of the restrictions. I'm concerned about the mental health and coping skills of young children. I work in childcare and I see children 0 to 5 with far less emotional resiliency than before. My nephew teaches grade 2 and developmentally the children are at a kindergarten level. I watch my own teenage and young adult children and I realize that there has been key components in the last two years that they have missed for development. In this way I do support the trucking Convoy I strongly believe that something needs to change we need to get back to normal. I wish that every cent that had been spent on Cerb and other relief benefits have been saved and spent into our hospitals and healthcare and training. We would've had more to show for it at the end. Even if financial aid could have been applied for for families that experienced long Covid would have been better then what happened. The responses to Covid killed Hope in our country Mental health Substance abuse Isolation Deterioration of family and community Financial loss This is The effect I see of Covid	2/21/2022 11:54 AM
9	Very good. Makes me wake up in the morning and realize I'm not alone	2/21/2022 11:53 AM
10	They gave me hope and woke me up even more than ever!	2/21/2022 11:53 AM
11	It makes me upset to see so much hate and that people thing certain views are ok.	2/21/2022 11:53 AM
12	Reduced goods and services needed on our shelves in stores. Caused me to be and others to be late for work and attending events. Noise has been unreal and a nuisance.	2/21/2022 11:53 AM
13	Hope	2/21/2022 11:52 AM
14	Hasn't	2/21/2022 11:52 AM
15	I support them. They stand for what I stand. They bring a light to the end of a very dark tunnel for me.	2/21/2022 11:52 AM

24	Game me and my family hope to go back to our lives.	2/21/2022 11:51 AM
25	It has made me realize that there are many thousands of Canadians who feel exactly as I do! We want our Rights and Freedoms restored. It has shown us exactly who our gov'ts are and the lengths they will go to shut us up and shut us down. We now, because of Trudeau have a Banking System we no longer trust. Then there is Trudeau who has continuously tried to take complete control and has so far been thwarted but once he gets this emergency act passed we will be totally in the control of a power hungry madman. It is hard for him to relinquish and remove the mandates but if this emergency act is passed I think he will try to keep it and we will never be free of him!	2/21/2022 11:51 AM
26	They started the ball rolling to end mandates, made me proud to be Canadian with all the support they received, not from the government, but from the people	2/21/2022 11:50 AM
27	Goods prices went up.	2/21/2022 11:50 AM
28	Hasn't	2/21/2022 11:50 AM
29	Goods and services unavailable to make their delivery's to our local stores.	2/21/2022 11:50 AM
30	They brought hope to the World, helped awaken some sheeple. Own own Government is bought and paid for.	2/21/2022 11:49 AM
31	No issues.	2/21/2022 11:49 AM
32	It has given me hope that someone cares about families like mine. My pleas to government about the border have fallen on deaf ears. Family reunification groups do not care about families like mine that can not take vaccine. The trucking convoy gave me hope that the forgotten would be remembered.	2/21/2022 11:49 AM
33	It's gave me hope	2/21/2022 11:48 AM
34	It's given me hope, it's peaceful demonstration showed happiness, live and community. We wish we were able to attend.	2/21/2022 11:48 AM
35	Strength and confidence in knowing others are fighting for freedoms that the government should have displace long ago.	2/21/2022 11:47 AM
36	It hasn't impacted me negatively at all	2/21/2022 11:47 AM
37	Made me happy again. Finally someone shaking up our shady govt. they are liars and cheats and it have been proven over and over again since the convoy started	2/21/2022 11:47 AM
38	It has given me hope for a brighter future for my children and grandchildren	2/21/2022 11:47 AM
39	Gave me hope in a brighter, happier united Canada	2/21/2022 11:47 AM
40	It hasn't	2/21/2022 11:47 AM
41	Not at all. I think everyone should have the right to protest, and I upset that it's being taken away from people, without any talks or acknowledgement that their concerns are legitimate. Freezing peoples bank accounts for supporting a cause is unjust.	2/21/2022 11:46 AM
42	Gives me hope the our society is making an effort to stand up for our personal freedom rights.	2/21/2022 11:46 AM
43	Given me hope	2/21/2022 11:46 AM
44	Given me hope. Restored my faith and pride in my fellow Canadians. Exposed the true tyrannical nature of the dark unelected snd unwanted foreign force(s) that control our government, and proved to me a complete government overhaul is now mandatory if Canadians are to be free.	2/21/2022 11:46 AM

45	Made me proud!!	2/21/2022 11:46 AM
46	We donated to the the convoy and I was incredibly disappointed that GoFundMe was legislated to give my donation back. Again, a very severe overstepping of government and I hope they go down in history for this, their leaders are forced to resign and we get back to the constitutional rights and freedoms Canada is known for.	2/21/2022 11:46 AM
47	Positively! We believe that more Canadians should have supported them. This would then have made the government less certain about applying such draconian measures as those included in the Emergency Measures Act.	2/21/2022 11:46 AM
48	No negative impact. Gave hope that Canadian citizens can be united again after 2 years of being separated. Life could return to normal.	2/21/2022 11:45 AM
49	It has given me hope that there are still decisive Canadians out there with the will to stand up for themselves!	2/21/2022 11:45 AM
50	It has given me hope	2/21/2022 11:45 AM
51	We are proud of the truckers and have lost all faith in our democracy. Any Canadian can have their assets frozen if someone suspects they may be supporting a cause that can arbitrarily declared as illegal.	2/21/2022 11:45 AM
52	This has been an event that has brought me hope. Finally a way to be heard. I've felt suppressed in how we can find a solution for our government to hear the people, which is the only reason they are in the position they are, as they are paid employees of Canada. My faith in mankind has risen, I can see a way, a light at the end of the tunnel. I stand and say Yes, Canada needs to be free once more!	2/21/2022 11:45 AM
53	It has made me feel so proud to be a Canadian citizen and to know how the country came together as a nation that's had enough BS	2/21/2022 11:44 AM
54	Idiots	2/21/2022 11:44 AM
55	The trucking convoy gave hope and inspiration. Restored my faith in people and reminded what is good about Canada.	2/21/2022 11:44 AM
56	Given me hope that my family of 5 can continue living in Canada	2/21/2022 11:44 AM
57	My husband is a trucker who has now been denied entry to the US, due to mandates.	2/21/2022 11:44 AM
58	It is so amazing to see so much support I thought I was alone	2/21/2022 11:44 AM
59	It has brought hope! It had brought up opening of eyes! People are seeing our government in a new light. People are asking questions. It is bringing unity and peace and joy.... for the first time in 2 years!	2/21/2022 11:43 AM
60	It has not	2/21/2022 11:43 AM
61	It has uplifted me. A portion of Canadians are drawing a line. Mandates need to make ethical and medical sense. These do not. There are alternatives. Please listen to what people need to simply live and have quality of life.	2/21/2022 11:43 AM
62	None	2/21/2022 11:42 AM
63	Made me hopeful things will change	2/21/2022 11:42 AM
64	It has given me hope that there are millions of others across the country (vaxxed and unvaxxed) who feel the same as I do.	2/21/2022 11:42 AM
65	Given me hope for the first time in two years	2/21/2022 11:41 AM
66	It's brought hope back to Canadians and around the world. Go truckers	2/21/2022 11:41 AM
67	Positive development	2/21/2022 11:41 AM
68	They offer a glimmer of hope that the vaccine passport & other mandates will be abolished forever. Therefore, it has only affected my life positively. I am willing to make a minor sacrifice of some goods & services if it puts us closer to having our freedom back.	2/21/2022 11:41 AM
69	Shown the world that Canada has a dictatorship	2/21/2022 11:41 AM

70	True Canadian heroes. Standing up for basic rights & freedoms	2/21/2022 11:41 AM
71	Positivity. Like minded. Joy. Hope. Unity. Then it all turned ugly when MSM a and politicians claimed we were racist while supremacist sympathizers. I spend many hours a day crying watching how these people are standing up peacefully unites and then get beaten or gassed. There was zero violence for 3 weeks until the cops showed up. How sad	2/21/2022 11:41 AM
72	Only made me aware of how many people disagree with these mandates and lock downs	2/21/2022 11:40 AM
73	I just hate the way they are treated. It's a terrible disgrace to Canada.	2/21/2022 11:40 AM
74	Positive. Hope for restored freedoms which are already in the Charter of rights. Government should serve the constituents rather than the other way.	2/21/2022 11:40 AM
75	It has inspired many to stand up for our freedom.	2/21/2022 11:40 AM
76	It has provided hope in humanity. They are peacefully campaigning for justice and human rights.	2/21/2022 11:40 AM
77	We have a say	2/21/2022 11:39 AM
78	Provided hope	2/21/2022 11:39 AM
79	Zero	2/21/2022 11:39 AM
80	Realization that our elected officials don't care to maintain our basic freedoms is shocking and disappointing. I have some fear of our Liberal government, which is the opposite of liberal. The greater good is NOT more important than individual freedom peacefully expressed! I decide what goes into my body, no one else. I need to find my peace and safety within, in my spiritual practices.	2/21/2022 11:39 AM
81	It has givin me hope!	2/21/2022 11:39 AM
82	Terribly, inconvenience, it is too loud and disruptive, my friends have almost gotten in car clashes with these people	2/21/2022 11:39 AM
83	None	2/21/2022 11:38 AM
84	Increased the cost of living and brought the law into disrespect	2/21/2022 11:38 AM
85	Hope	2/21/2022 11:37 AM
86	Given me hope	2/21/2022 11:37 AM
87	Not at all	2/21/2022 11:37 AM
88	It gave me hope seeing the amount of people that support the same views.	2/21/2022 11:37 AM
89	It gave me brief hope & then great sadness when it was dealt with in violence.	2/21/2022 11:36 AM
90	It has brought hope that things will change. It has been eye opening to see how media has portrayed it vs watching live videos	2/21/2022 11:36 AM
91	They have been on the news a lot. I support their stance on bodily autonomy.	2/21/2022 11:36 AM
92	Horror at the irresponsible govt in power who do not listen to citizens. Supply chains messed up.	2/21/2022 11:36 AM
93	Given hope	2/21/2022 11:35 AM
94	Given hope	2/21/2022 11:35 AM
95	Given me back hope	2/21/2022 11:35 AM
96	I admire them for taking a stand for the people of Canada they are the voice of the people of Canada and they deserve to be listened to. They have not been heard by our Prime Minister who has bullied them and ignored our rights and freedoms here in Canada as Canadian Citizens. Mr. Trudeau is abusing his power and is using it to run roughshoud over the people of Canada, he is pushing through his agenda and he doesn't care about the people who have voted him in. The truckers are standing up for all people of Canada, they have sacrificed a lot to take a stand for us and they should be heard and their opinion should be respected. At the very least our Prime Minister should have met with the protest organizers to come up with a	2/21/2022 11:35 AM

peaceful salution to this issue. But he will not give them the time of day, he forgets who voted him in and is definitely destroying this country by causing disunity in this country and bankrupting the country. I have lost all confidence in Mr. Trudeau and believe he is no longer capable of leading this Country. He does not have the peoples best interest at hand. We have followed his vacine mandates and nothing has changed it is only getting worse in this country, more people are dying from covid and we have had 3 vaccines and are still wearing masks and social distancing, we are locked down like caged animals and the ones who have complied with the vaccine mandates are the ones who are dying from the virus. When are we going to realize that the vaccine isn't working and we need to lift the restrictions. Enough is Enough!!!!

97	I didn't it nice to see people stand up for what they believe in	2/21/2022 11:35 AM
98	Gave me Hope.	2/21/2022 11:35 AM
99	Gives me empowerment, gives me faith in our country to be the home I used to love again.	2/21/2022 11:34 AM
100	Gives me hope that life can get back to normal. I can have my freedoms restored.	2/21/2022 11:33 AM
101	Trudeau disgusts me	2/21/2022 11:33 AM
102	Good: Less than 1% of Canadian truckers attended parliament. The other 99% kept supplying the stores. Bad: The PM has ignored the peaceful demonstrators and insulted them without cause or explanation. Ugly: The PM unnecessarily declared martial law so the demonstrators could be beaten up and thrown in jail by police riot squads. The freezing of innocent people's bank accounts just because they bought a cold trucker a hot coffee. This is NOT the democracy that I was born into, no no no, Canada is now a fascist dictatorship.	2/21/2022 11:33 AM
103	It had given HOPE	2/21/2022 11:33 AM
104	Brought hope, realized that it is not a fringe minority that wants the mandates to end. At the same time that it has brought hope, it has brought the realization that our government couldn't care less about the people, and will use unlawful and unconsitutional power to crush the people, which is unacceptable.	2/21/2022 11:32 AM
105	It has given hope	2/21/2022 11:32 AM
106	Hasn't	2/21/2022 11:32 AM

112	encouraged	2/21/2022 11:31 AM
113	It has not affected my life	2/21/2022 11:31 AM
114	It's given me anxiety about the state of the far right conservative movement and foreign interference in our democracy.	2/21/2022 11:30 AM
115	The truckers have made me embarassed to be a canadian, the racism and facism in the name of temp inconvinience is truly terrible. The world need change and addressing income inequity and the plight of our current low wage and no oppurtunity culture should come way ahead of feeding the hard right ego machine	2/21/2022 11:30 AM
116	No change	2/21/2022 11:30 AM
117	They have brought my feeling of being Canadian back they have stepped up for a world	2/21/2022 11:30 AM
118	Showed me that there is great solidarity still left in Canadians. Shows me that I can be proud atm for being Canadian. Also has shown me how an elected government from people can turn on the very people that has elected them and dictate their agenda and plan	2/21/2022 11:30 AM
119	I felt proud that someone was saying what many of us feel. I felt disgusted that our government does not care how we feel. I feel angry that our government is being tryannical and not listening to us or giving us back our freedoms. If we all speak up, are they going to send	2/21/2022 11:29 AM

128	I feel empowered by the trucking convoy! Freedom is a choice to say 'no'. Imposing restrictions is fine but forcing and threatening people to get vaccinated is WRONG	2/21/2022 11:27 AM

163	It hasnt	2/21/2022 11:16 AM
164	I have been GREATLY ENCOURAGED by these solid men and women who have been affected in exactly the same way as me and my family, and have raised their voices and mustered their "wagons" to get our representatives on the "Holy" Hill of Parliament to PARLAY with THE PEOPLE. I am SO PROUD of their stance, their peaceful and reasonable manner, and their endurance and fortitude to stay the course. I am PROUD to be a hard-working ordinary Canadian again, because I see how many of us there truly are.	2/21/2022 11:16 AM
165	They are standing up for freedom for all Canadians	2/21/2022 11:16 AM

172	They have given me hope after two years. My wife and I attended the protest in Victoria for the last two Saturdays and we will continue participating each Saturday for as long as the mandates last	2/21/2022 11:14 AM
173	It has given me hope again and started to unite our broken country. There is so much division and disrespect that's going to take a long time to come back.	2/21/2022 11:14 AM
174	Inspiration for standing up for my rights!	2/21/2022 11:13 AM

176	We are slow to get the products we need to survive	2/21/2022 11:13 AM
177	While the blockades continued, I had a sense of hope that more Canadians would realize the many infractions to our civil rights caused directly by Just Trudeau and call for his removal. I still have hope even though many Sheeple seem to be accepting Trudeau's Communist strong-arm and violent tactics to kill the democratic rights to free speech.	2/21/2022 11:12 AM
178	They are HERO'S!!! THEY have stood up for our GOD GIVEN RIGHTS that our politicians and law enforcement are SWORN TO DO!!!! GOD BLESS THE TRUCKERS	2/21/2022 11:12 AM

189	Gave me hope to have a free Canada once again	2/21/2022 11:10 AM
190	No it has raised awareness of the governments cowardice and gross injustice to the Canadian people. Shameful governance.	2/21/2022 11:10 AM
191	The only positive thing in 2 years	2/21/2022 11:10 AM
192	It has renewed my sense of hope for my kids and grandkids futures, and made me proud to be a Canadian again....until recently. I've never been so ashamed in all my life	2/21/2022 11:10 AM
193	It has been embarrassing to see these people fighting for more white privilege. I believe in democracy and freedom to protest but this was none of that.	2/21/2022 11:10 AM

199	Hasnt	2/21/2022 11:09 AM
200	Not really but I am outraged by the impact on the border and the life of the citizens who live in the areas.	2/21/2022 11:09 AM
201	No effect	2/21/2022 11:09 AM
202	It gave me hope that many many others actually did disagree with how things were being handled in light of the information We have and hospitalization numbers. It has highlighted the nefarious position of our current federal government and the inequality of their 'justice'.	2/21/2022 11:08 AM
203	Supply chain. Products not available. Personally I do support the fact that people have a right to demonstrate but this was a very small percentage of people causing grief. What started out as a valid issue became something totally different. Hate what they did to the cities and country.	2/21/2022 11:08 AM
204	Gives me hope and nice to see people so loving; giving away food. Cheers and hugs are great to see.	2/21/2022 11:07 AM

208	It gives me hope that there are people willing to stand up for the rights of others. I am deeply disturbed that our prime minister would not meet with a representative from the convoy to discuss their concerns. His actions are barbaric and he cannot be trusted to lead our country.	2/21/2022 11:06 AM
209	Not at all I'm away from the truckers.	2/21/2022 11:06 AM
210	Not	2/21/2022 11:06 AM

212	It's making a positive impact and inspiring me to challenge	2/21/2022 11:05 AM
213	The truckers took a stand to stand up for freedom. From what I could see it was a peaceful protest and they wanted to show that people are tired of the mandates.	2/21/2022 11:05 AM
214	The trucking convoy give me some hope knowing that people are fighting for their rights which should not have been taken away, My anxiety was getting better	2/21/2022 11:05 AM
215	Helped by lifting the mandates, gave hope and inspiration	2/21/2022 11:05 AM
216	It has given me hope in getting my freedom back.	2/21/2022 11:05 AM
217	It has given me hope that I am not alone in my assessment of the debilitating effects of all these useless mandates and to be proud to be a Canadian again.	2/21/2022 11:05 AM
218	Yes	2/21/2022 11:05 AM
219	I have hope again	2/21/2022 11:05 AM

221	Brought a feeling of unity back to Canada. Has made Trudeau aware of how much anger people are feeling	2/21/2022 11:04 AM
222	It hasn't. I like to see people standing up for what they believe in, in a non-violent way. The media portrays a few bad apples who damage property and make racial slurs to represent the trucking convoy and I don't believe this is a true representation of their stand.	2/21/2022 11:04 AM

228	Hope	2/21/2022 11:02 AM
229	Just psychologically to see the extent to which the government will ignore or dismiss the complex real challenges and dilemmas hard-working Canadians are facing and work to further marginalize and silence them. It's unsettling to watch.	2/21/2022 11:02 AM

247	Not sure yet!	2/21/2022 10:58 AM
248	The truckers have given hope to our Canadian Freedom. Their courage and love for our country has spoken loud and clear. The costs to them alone has spoken volumes. Love the Truckers. Real men and women with vision. How can we ever thank them for standing up against communism in its horrific exsistance in Justin Trudeau .	2/21/2022 10:58 AM

252	Given me a lot of hope that Canadians can get rid of the unlawful use of the Emergency Act against our Canadian charter of rights and freedoms.	2/21/2022 10:57 AM
253	The convoy has allowed me and my family and some of my friends hope and strength. It has also happily forced me to learn more about our rights and laws, and to follow the cabinet debates, to get more involved with our Parliament. It has made feel like I am no longer alone and once again the strength to stand up and support what my heart and soul believe in.	2/21/2022 10:57 AM
254	It has given me hope .	2/21/2022 10:56 AM
255	Given me hope for my country, has shown the world and the rest of Canada how corrupt our government (Justin Trudeau) really is	2/21/2022 10:56 AM
256	Ridiculous - I do not follow	2/21/2022 10:56 AM
257	For the better. We have been fighting for our rights and freedoms with the truckers since the very first day they came to Ottawa.	2/21/2022 10:55 AM
258	Given hope that we can live in a country where we have freedoms- freedom of choice, freedom of religion; because those freedoms have been taken away	2/21/2022 10:55 AM

262	Never been more proud to be a Canadian watching/joining the convoy as it passes through London, Ontario. Standing up for our rights is a powerful movement.	2/21/2022 10:54 AM

269	As a proud wife of a 25 year veteran driver, it gave me hope. Seeing people from every walk of life standing together has brought me to tears and in many ways strengthened the true meaning of being Canadian more than I have seen in my lifetime.	2/21/2022 10:53 AM
270	The Trucker Convoy has given me the only real hope I've been givin in 3 years. The trucker convoy makes me proud to be a Canadian again. The trucker convoy has affected me in only positive ways and has given me real hope that our country will return to a free country in this lifetime. The trucker Convoy is all Canada has left to hope for a better future. I support the trucker convoy 100%	2/21/2022 10:53 AM
271	I think it is a good sit-in and one that shows how many people support the idea of removing mandates. It isn't about antivax, it's about mandates. The truckers united so many people. Vaccines are about self-protection, so if people don't feel they need to be protected, that is their choice. It brought to light how passive we can be sometimes and how easily influenced.	2/21/2022 10:52 AM
272	It has inspired me to have faith in my fellow citizens and made me feel like I am not alone in my frustrations with our government. Like I have a voice when my MP and MPPs ignore me and my concerns.	2/21/2022 10:52 AM

286	I live a long way away from it but had significantly increased anger and anxiety.	2/21/2022 10:47 AM

299	Not	2/21/2022 10:45 AM
300	Hasn't affected anything other than maybe bring some hope into my life after 2 years of depressing news. We deserve the right to protest and I believe the truckers have this same right to have their voices heard. I think myself along with a good majority of Canada are tired of not being heard.	2/21/2022 10:44 AM
301	Gave me hope for the first time in many years It felt very hopeful	2/21/2022 10:44 AM

304	Price of groceries increased	2/21/2022 10:43 AM
305	In general, dismay that there was so much ugliness from some members of the protest group. I believe everyone has the right to protest any issue in Canada. However, not the right to occupy and affect the lives and businesses of so many people. Once I learned that people had urinated on the War Memorial, I lost all respect for those protestors. I also see a comparison to the Trump supporters in how our Canadians spoke and acted. And that scares me!	2/21/2022 10:43 AM
306	In full support. Currently on our way home from Ottawa. Our hotel ended up in the 'restricted' zone yesterday morning. Had to show 'papers' to move about. Was at the final street party on Saturday night. No violence. Everyone just laughing, singing, meeting people. Sharing stories. No warning. 10 feet away pepper sprayed the crowd and advanced. Not my Canada. We are retired teacher and OPP officer. Both 67 years old. Never have even attended a protest before. Govt is so wrong.	2/21/2022 10:43 AM
307	It has brought hope. Hope that Canada could be great again. That no matter our choices, they are our to make. Not be force into something that we believe isn't ok.	2/21/2022 10:43 AM

321	While I supported the initial idea, I find that it went into an arrogant protest that inconvenienced way way way too many people, and how a number of the protesters disrespect so many people of differing views is unacceptable. My so so support for the convoy is completely gone. Dr Henry - Be Kind, Be Compassionate, Be Patient, Be Loving (love - thinking more highly of others than yourselves). By the way, loss of freedoms, these protesters have NO IDEA! Read how the Jews were treated in WWII - that is a loss of freedoms, oh, and 6M lives. These protesters have NO NO NO Idea, none whatsoever!!	2/21/2022 10:39 AM

332	It has brought me hope and joy. It has been one of the most positive experiences in the last few years for my mental health. Seeing all walks of life come together had been the most Canadian thing I've ever experienced. We have united the world. The trucking convoy has been the biggest voice in protests against mandates the last 2 years. I feel people are finally being heard. I feel like the government has been working so hard to divide people for years. Finally the people have come together and said no more. Truth is finally coming out and love and peace will always win	2/21/2022 10:36 AM
333	Made me embarrassed to be a Canadian.	2/21/2022 10:36 AM

335	I felt joy and relief that so many Canadians expressed their hearts and a stand for a Canada of loving equality, free from the discrimination of mandates. All I saw was loving kindness of caring Canadians, standing for the rights of all Canadians. I have been deeply uncomfortable with how the PM and legacy media misrepresented the voices of good Canadian citizens and enacted police violence and controlling overreach upon the protestors and anyone supporting them.	2/21/2022 10:36 AM

345	It's given me hope	2/21/2022 10:33 AM
346	It's caused more division in my family than ever. It's made the racist family members a lot more comfortable to spout their racist beliefs as part of their hatred for Trudeau. It's all one in the same for them. Trudeau = immigration in their mind and immigrants (that is black and brown immigrants) = threats. The convoy needs to deal with the racist beliefs of its supporters if it wants to be taken seriously.	2/21/2022 10:33 AM

356	Given me hope against a tyrannical government not interested in helping people but only to take away are freedoms.	2/21/2022 10:30 AM
357	It gave us a little hope and was good to be able to do something positive for Canadians. I think it has helped provincial politicians to get a true idea what citizens think	2/21/2022 10:29 AM
358	It's given me hope for change	2/21/2022 10:27 AM
359	It's brought tears to my eyes watching everyone come back together after 2 years of divide	2/21/2022 10:26 AM
360	Not at all	2/21/2022 10:26 AM
361	Brought a sense of hope and unity that our government has actively been trying to destroy for 2 years. Visually showing the world that there are many others who do not simply go along with what the government says we must do.	2/21/2022 10:26 AM
362	It's given me hope	2/21/2022 10:26 AM
363	Sad day for Canada-to see this happening	2/21/2022 10:25 AM
364	So far not at all	2/21/2022 10:25 AM
365	I know they are doing more for us because they are one of us	2/21/2022 10:24 AM
366	I was extremely happy and expecting the freedom from it for all Canadians	2/21/2022 10:24 AM
367	It has shown us all that our country is not free	2/21/2022 10:23 AM
368	Amazing. Thank you truckers. Finally someone had enough courage to stand up for all Canadians.	2/21/2022 10:23 AM
369	Gave me hope	2/21/2022 10:23 AM
370	I feel hope and to see so many people speaking out on what I have felt isn't right is wonderful to see.	2/21/2022 10:23 AM
371	The trucking convoy gave me hope. I felt proud to be Canadian for the first time in 2 years. I felt more proud to be a human than I ever had. As a child I was utterly distressed by what I saw as the lies and hypocrisy of the adult world. I could very much relate to the The Who's lyric "I hope I die before I get old." Now, in my 50's I don't feel much different, though I do feel closer to being old and I very much do not want to die due to (in Joseph Conrad's words) "the horror, the horror." Seeing Canadians from all walks of life lining the almost endless highways of Canada in temperatures that will literally kill brought tears to my eyes regularly and a feeling in my heart that almost made up for the last two years. On the other hand, words can't describe the feelings arising around the response from those who would deny freedom of choice, be it old friends and acquaintances who would see the worst possible outcome for anyone who believes all people have the right to be heard and the right to bodily autonomy, to the politicians who terrorize the populace with foreign sponsored, for lack of a better word, evil. Knowing that the convoy would be used to further the agenda underlying everything covid was a utterly distressing paradox.	2/21/2022 10:23 AM
372	It has caused fear that extremists are trying to overrule. I fear that more extremists will get ideas and in the future try to overrule more laws to get what they want	2/21/2022 10:23 AM
373	I can't believe what these criminal politicians have done. I have a lot of anxiety for my country	2/21/2022 10:23 AM
374	Only with possible supply shortage and cost of living going up.. but it was going up anyway	2/21/2022 10:23 AM
375	I was not proud to be Canadian. They are giving me hope that we can change what has been happening.	2/21/2022 10:22 AM

Canadians vote on Canadian Mandate - February 2022

376	Proud	2/21/2022 10:22 AM
377	It has given me hope that maybe it's not too late for change. I has brought Canadians together from coast to coast to coast.	2/21/2022 10:22 AM
378	It hasn't because the real truckers are still delivering goods	2/21/2022 10:22 AM
379	It has not affected my life other than to feel less alone, that there are many others out there who are suffering too. It has reconfirmed that Justin Trudeau does not care about the impacts his mandates have had on good, hardworking, loving Canadians.	2/21/2022 10:22 AM
380	Made me feel hope	2/21/2022 10:22 AM
381	Very thankful for the nation rallying around the truckers.	2/21/2022 10:21 AM
382	It gave me strength and hope that there are many people regardless of their medical decisions that stand with me on our views and beliefs. It gave hope that we are not alone and that it's time for the government to listen to us rather than run rampant on its own agenda.	2/21/2022 10:21 AM
383	I'm pleased someone stood up	2/21/2022 10:21 AM
384	I have felt joy for being a Canadian which I have not felt in a very long time. They gave me hope now that has been dashed again.	2/21/2022 10:21 AM
385	I feel alienated by the prime ministers comments that if I support this I'm a "small fringe minority with unacceptable views". The public has bought this narrative and I feel directly victimized by the prime minister.	2/21/2022 10:21 AM
386	Made me proud to be Candian	2/21/2022 10:21 AM
387	What idiots. They make themselves a joke to the world.	2/21/2022 10:21 AM
388	Because of this convoy, the vaccine passport restrictions were lifted earlier than expected.	2/21/2022 10:20 AM

399	Given hope	2/21/2022 10:18 AM
400	Shortage of food and products at grocery stores!!! Stressors with what is next to come!!!!	2/21/2022 10:18 AM
401	The Convoy has given me hope to have freedom of choice again. God Bless.	2/21/2022 10:18 AM
402	not sure	2/21/2022 10:17 AM
403	It was able to open eyes & now I don't have to pay for the stupid tests.	2/21/2022 10:17 AM
404	Blocking traffic and non stop honking has been an annoyance. Also blocking the Coutts border effected the Alberta economy.	2/21/2022 10:17 AM
405	I am having difficulties getting to and from work.because of the convoy.	2/21/2022 10:17 AM
406	Given me hope	2/21/2022 10:16 AM

409	It brought hope and raised our spirits.	2/21/2022 10:16 AM
410	Not much except too much press given to them. they are not representing me. I felt the police the army whatever should have moved right in and moved them on. After the first week. Disgusting behaviour The mass majority of them will be much worse off after their unlawful occupation and did not accomplish anything except going to cost all of us in tax dollars to pay for policing towing and cleanup	2/21/2022 10:16 AM
411	I have felt grateful, enthusiastic, enlivened, hopeful regarding Canada again, patriotic, that there is a possibility of normalcy, that somehow the tyrannical and unlawful overreach of governments would cease. I gave money to the Convoy and salute the overall movement and its leaders. Whatever few bad actors may have appeared-- false flag or not-- I utterly reject.	2/21/2022 10:16 AM
412	It has given me hope and made me feel proud to be Canadian again	2/21/2022 10:16 AM
413	Just frustration	2/21/2022 10:16 AM

415	Positively	2/21/2022 10:14 AM
416	As a Canadian citizen, the trucker convoy has given me hope for the first time in close to 2 years.	2/21/2022 10:14 AM

429	I want to support what they stand for.	2/21/2022 10:09 AM
430	Made me very ,very ,very sad to see what respect our Prime Minister has for the everyday hard working Canadian Citizen.All he cares about the everyday person , make sure you pay every TAX , I impose.He is one person ,what about the rest of his party ? How can they follow him so blindly? People are hurting big time in this country. Taxes are killing us yet he just throws our money at other countries and senseless things in our country,like recently \$200,000,000.00 to bail out a Casino. We all work so hard to pay bills, make ends meet , only to see our Prime Minister squander our money whatever way he sees fit.	2/21/2022 10:09 AM

438	They give us hope.	2/21/2022 10:06 AM
439	Gave me hope and a sense of pride I have lost	2/21/2022 10:05 AM
440	Disgraceful behaviour from the Trudeau gov't and Kenny gov't	2/21/2022 10:05 AM
441	It has lifted my spirits knowing that the majority of Canadians do not want the government mandating what we can and cannot do. They are bringing Canadians back together. Unifying our nation that Justin Trudeau has split apart.	2/21/2022 10:04 AM
442	United a large majority of Canadians	2/21/2022 10:04 AM
443	It has heightened hatred in my neighbors and family members	2/21/2022 10:04 AM
444	Thankfully I don't live near Ottawa or the border but the anger, worry and frustration they have created in me is very real. I worry about the future of Csnada.	2/21/2022 10:04 AM
445	It is inspirational	2/21/2022 10:04 AM
446	Besides embracing Canada, it has cost millions. Insanity	2/21/2022 10:03 AM
447	It is not. Go truckers!!! The supply chain disruption started happening long before the protests. I work in the robotics and automation sector, and this supply chain started hurting companies in late 2020 and continued up to this point in time. It will also get worse. This is not a trucker design problem!!	2/21/2022 10:03 AM
448	I'm a positive manner. I understand that for Ottawa residents it can be an inconvenience but wether you agree with the message or not you can't help but feel proud to be Canadian and appreciate all the support and power of people coming together for the better good of our rights	2/21/2022 10:02 AM
449	In a good way , letting government know there are many pple who don't support the mandates	2/21/2022 10:02 AM
450	It hasn't effected it. If anything its made me supper ecstatic that more people are standing up against the vaccine.	2/21/2022 10:01 AM
451	Has given me hope for the future! For the future of Canada and it's citizens and perhaps we will not have to live in a communist country!!	2/21/2022 10:01 AM
452	None	2/21/2022 10:01 AM
453	More division between friends, rising prices.	2/21/2022 10:01 AM
454	Back to normal have Freedom	2/21/2022 10:00 AM
455	It didn't. It was amazing	2/21/2022 10:00 AM
456	Thank God for the truckers they are the only ones who have spoken for us by taking our cause to Ottawa. If there was anyway I could get off this island of Newfoundland I would be there to join them and give them my support, Trudeau has failed the people of Canada big time.I feel like I am living in a communist country right now, all freedom is gone. I refuse to watch mainstream media, because they do not tell the truth, I have been watching the truckers on social media. Heartbreaking, The lies that are being told. This past weekend watching everything unfold in Ottawa just unbelievable,that our police force could do such a cruel thing to ordinary common citizens just fighting for freedom. This beautiful land of Canada, land of the free, is no more.	2/21/2022 10:00 AM
457	Gave me hope and now nothing but despair and worry about the future of this country	2/21/2022 9:59 AM

459	They are Canadian heroes. They have given us hope against our isolated, privileged, out of touch, lying politicians. It's a disgrace what the politicians and cops did to them. Shame on them all.	2/21/2022 9:59 AM

Canadians vote on Canadian Mandate - February 2022

461	positively	2/21/2022 9:58 AM
462	They brought unity, and solidarity back to our Canadian people. The people have never been so united in brotherhood until this wretched communist government forced us to lean on each other. Now we have each other. And we stand together in unison against unlawfulness. Whether that be from police, politicians or even corrupt judges. We are done with this. And the Convoy WILL continue to spread. One city down, a million more to take a stand in. We will rise	2/21/2022 9:58 AM
463	Na	2/21/2022 9:57 AM
464	Ray of hope and happiness	2/21/2022 9:57 AM
465	It's given us hope that we may once again be a united and free country	2/21/2022 9:57 AM
466	The Freedom Convoy, has lifted my spirit, caused me to see unity in this tremendous group of ordinary people like myself. I identify with them and they with me. This Convoy has increased my faith plus shows God knows before it happens, gives evidence years before and understanding comes when it happens. This has shown me that even within my own family we are not all on the same page; and that shows me that we are at different places in Christ Jesus. Love is key.	2/21/2022 9:56 AM
467	Gives me hope	2/21/2022 9:56 AM
468	They have given me HOPE that there are people that stand for Canadians and for Human RIGHTS	2/21/2022 9:55 AM
469	Given hope	2/21/2022 9:55 AM
470	It brought so much joy to see the convoy rolling through and seeing everyone supporting them in the cold to wave them through each town. It brought tears to my eyes to hear everyone sing O Canada at the parliament that first weekend of the protest. The media and government have covered only the bad apples in there	2/21/2022 9:54 AM
471	It encouraged us and gave us hope	2/21/2022 9:54 AM
472	Gave me hope	2/21/2022 9:54 AM
473	The trucking convoy has really showed everyone I think, that when we are together and united we stand and when we are divided, we fall. The display of love and passion for freedom in life is just so inspiring because it's what everyone wants. It's in our blood. I truly appreciate everything they have done and provided that spark to get so many people involved and passionate about taking back our rightful freedoms back.	2/21/2022 9:54 AM
474	It has given me a glimmer of hope	2/21/2022 9:54 AM
475	Spent more time watching tv	2/21/2022 9:53 AM

481	It has given me hope and an unprecedented sense of pride to be a Canadian.	2/21/2022 9:52 AM
482	Unaffected	2/21/2022 9:51 AM
483	It's caused a lot of stress in my life and has caused my anxiety to go way up. I've had to increase my medications due to the fear of fascist groups taking over.	2/21/2022 9:51 AM
484	It's given hope!	2/21/2022 9:51 AM
485	Has made no difference yet, but hope they hold the line.	2/21/2022 9:51 AM
486	It has brought me hope for life to return as it was pre Covid and pre mandates. I have never seen Canada so united in peace love and a desire for our freedoms back!	2/21/2022 9:51 AM
487	Give hope to bring freedom back	2/21/2022 9:50 AM

490	light at the end of the tunnel	2/21/2022 9:50 AM
491	No effects for me other than Ottawa was too far to financially stand strong with the truth which was ignored by the crime minister	2/21/2022 9:50 AM
492	Given me hope	2/21/2022 9:49 AM
493	I am trying not to be sad and distressed on how evil and incompetent Trudeau appears to be. I was not against him until the last 6 months	2/21/2022 9:49 AM
494	Has caused me extreme stress, having feelings I didn't think I have. I am absolutely appalled at how they have treated and abused fellow citizens	2/21/2022 9:49 AM
495	A lot. Gave a glimmer of hope for so many people including me.	2/21/2022 9:48 AM

497	Given me hope!	2/21/2022 9:48 AM
498	Given hope and community	2/21/2022 9:48 AM
499	It has given me hope that perhaps this insanity will soon end. That others see truth and support freedom.	2/21/2022 9:48 AM
500	HOPE. PRIDE. COURAGE.	2/21/2022 9:47 AM
501	Made me proud to be CANADIAN!!! Willing to stand up and be heard, make my views known, no longer afraid of the LIEbribeAll policy!!!	2/21/2022 9:47 AM
502	It has made me sad to see the number of spoiled privileged white people think they have something to whine about. It has made apparent the number of racist and intolerant people that live in Canada.	2/21/2022 9:47 AM
503	It has given some people a sense of entitlement higher than it was previously and I have had to start arguing with people just to respect the rules set in place by the health region	2/21/2022 9:47 AM
504	It has not affected my life.	2/21/2022 9:47 AM
505	It's given me hope.	2/21/2022 9:47 AM
506	N/A	2/21/2022 9:47 AM
507	It would have been okay for one day if they had made their point, and moved on. In the end, they were not interested in freedom, they infringed on others' quiet enjoyment of their home in Ottawa, businesses in downtown Ottawa that had to close and lost income, blocked products entering Canada, used police resources unnecessarily. They were disrespectful to monuments in Ottawa. It affected me since I have friends and family that live in Ottawa. I am guessing it will affect the already higher prices of goods. It has left me with a feeling of complete distaste for people who say they are fighting for freedom, and are actually doing the opposite.	2/21/2022 9:46 AM
508	Gave me some hope for the future. Very positively.	2/21/2022 9:46 AM
509	It has made me embarrassed. We are an international joke. It will increase my taxes to pay for the mess. It has made me more fearful of uneducated people and disappointed govt and police didn't act faster and stronger. Totally do NOT support the truck occupation.	2/21/2022 9:46 AM
510	At first I thought the convoy was a show of support and solidarity. I didn't realize that it was going to be an ongoing thing. If having the convoy dissolve and everyone returning to their respective home provinces will bring a resolution to the threat of the Emergency Measure being invoked, I am all for the disbursement of the convoy.	2/21/2022 9:46 AM
511	Not much directly. I feel bad for friends who live in Ottawa.	2/21/2022 9:45 AM
512	I believe it has shown Canadians that we are United and should have our freedom back. We have a voice and it should count. Democracy. We want it back	2/21/2022 9:44 AM
513	It has given me hope and reminded me how beautiful it is when we come together as humans	2/21/2022 9:44 AM

540	Hope; Unity; Peace on earth; Love	2/21/2022 9:37 AM
541	It has given my family hope that we can get back to somewhat normal. However to see how the protesters are being treating is a disgrace to our country. I'm sick over how Trudeau and his dictatorship government is treating the every day citizen. I fully support the convoy and if my husband didn't have other obligations he's be there in person too.	2/21/2022 9:37 AM

558	Made me proud of them and ignored because mainly the resistance comes outside the Toronto area therefore Ottawa will only listen to their main voting base	2/21/2022 9:30 AM
559	I support their cause. I feel like we finally had people advocating for us. Our rights have been stomped on and I'm grateful brave citizens were willing to do this for everyone regardless of your beliefs and understanding of the situations.	2/21/2022 9:30 AM

583	I feel the truckers have made their point but the federal government hasn't listened	2/21/2022 9:19 AM
584	It has given me hope. It has shown the Prime Minister for who he really is and he is not for Canadians. It has shown me I am not alone.	2/21/2022 9:18 AM
585	It has made Canada look like it's made up of idiots on the world stage. The "trucker" convoy is embarrassing.	2/21/2022 9:18 AM

598	It gave me some hope for a few days. I do believe though, that the government has opened Pandora's Box on this one and this movement will swell exponentially.	2/21/2022 9:13 AM
599	I have never been more proud to be Canadian or more hopeful that someone has finally done something about these ridiculous illegal mandates. I am just surprised it took 2 years as I knew this whole pandemic was bull right from the start. I will continue to support and stand for freedom without fear of the consequences. I cannot respect anyone who does not support freedom and I am sick and tired of the bullying from these people who I guess support forced vaccination through mandates? I just don't get it. The psychological warfare probably did the most damage. So many people are brainwashed by the media and seem to have completely lost their minds. These truckers stood for a lot of people who had to face job loss and being kicked out of society. They are the true heroes and anyone who made their way to Ottawa to stand up to the absolute tyranny of the government.	2/21/2022 9:13 AM

Canadians vote on Canadian Mandate - February 2022

600	It has caused disruption and created rifts between family and friends. It has also shown me some of my friends true colours, I now know I have friends who are racist, ignorant and selfish.	2/21/2022 9:12 AM
601	No affect other than a feeling of pride and gratitude for the sacrifices they make every day. It's because of their duty to keep the supply chains going during the whole plandemic, that THEY should acknowledge and not demonize because of a worthy reason to protest.	2/21/2022 9:12 AM
602	I see more civil liberties being taken away and the government overstepping its authority. I feel disappointed in PM Trudeau's response, it is wrong. He is removing our freedom and rights, while following a socialist direction of authoritarianism which is not Canadian at all.	2/21/2022 9:12 AM
603	I had to ask my daughter not to attend university classes at the university of Ottawa due to the violence and harassment some students experienced. I was worried for her safety at school and in her community.	2/21/2022 9:11 AM
604	Exposed the government as corrupt.	2/21/2022 9:11 AM
605	It's awesome! Finally somebody standing up for my freedoms.	2/21/2022 9:11 AM
606	To bring about a greater awareness of principles that our government seems to wish thwarted. Hooray for this act of concern for all Canadians	2/21/2022 9:11 AM
607	It has shown us what a corrupt system the government is	2/21/2022 9:11 AM
608	I support anyone who stands for their rights against our crooked, self centered, egotistical government. For the past 25 years. They are all self pleasing.	2/21/2022 9:11 AM
609	It has given me hope that there are many other Canadians that are opposed to vaccine mandates. That there are people willing to fight our government for the freedom to decide what we put in our bodies.	2/21/2022 9:11 AM
610	Gave hope to a divided country	2/21/2022 9:11 AM

614	Giving us hope	2/21/2022 9:09 AM
615	it provided hope	2/21/2022 9:09 AM
616	It's a disgrace. I am embarrassed to say they are Canadian. Having people of color in my family I know what a privilege is vs a right.	2/21/2022 9:08 AM
617	Caused prices to go up, and has made more hope in the mandates ending sooner.	2/21/2022 9:08 AM
618	The convoy has lifted our spirits and given us all hope. That if we stand up and Speak up, together We can make a difference. And bring an end to the outrageous lies of Covid-19 Shots, an end to poisoness injections to Children and the whole of humanity. No more Adverse Reactions!!!!	2/21/2022 9:08 AM
619	Aside from the extreme stress that comes with watching the government's response to the convoy, mostly positive. Unfortunately for my family, especially my older sister in Ottawa, it also comes with a lot of depression as the mainstream media's propagandizing has resulted in a seeming majority of Ottawa residents believing all protestors and supporters are anti-science anti-vax racist extremists.	2/21/2022 9:08 AM
620	Something new to read but fewer products I like on the shelves in Grocery	2/21/2022 9:07 AM
621	Worry for my brother who lives in Ottawa	2/21/2022 9:07 AM

642	I live outside the city so it's barely affected me. But I do feel for those who live downtown during the convoy blockade on wellington and other affected areas	2/21/2022 9:00 AM
643	It gave people finally some hope after 2yrs of this mess. I brought people together and showed the world that there is so much love in our country. At least the people can say they tried to do something great.	2/21/2022 9:00 AM

650	Made me happyv	2/21/2022 8:57 AM
651	They have stopped critical supplies from entering Canada stopping me from completing a project and getting paid.	2/21/2022 8:57 AM

653	Has given hope and values	2/21/2022 8:57 AM
654	It hasn't afford me. The only thing it's done is annoy me with the elected officials and realize they're as crooked as the day is long	2/21/2022 8:56 AM
655	Not so ever.i believe if someone wants to mask etc. They can. If not dont	2/21/2022 8:56 AM

659	It makes me so sad that people refuse to use basic manners to support others in society. I'm embarrassed by the convoys and the people who support them. I fear for how stupid our society is becoming.	2/21/2022 8:55 AM

I'm proud the protesters have been so calm and in control. The behavior of the government, media, and law enforcement have sickened me and made me terribly afraid for all Canadian citizens; our freedom and future as a democratic country are definitely in jeopardy	2/21/2022 8:51 AM
669	I've turned off the news and I friended and unfollowed various friends who strongly support so I don't have to hear the negativity	2/21/2022 8:51 AM

683	It has brought hope and unity. Some many Canadians together standing for everyone, for me, my kids. They did this with no violence and try to work with the police officers and mayor. They were respectful and I have lost my trust in media, the government, police officers as well. I was disgusted how Trudeau handled his fellow Canadians. Watching the video of the remaining trucks leaving made me tear up. It was amazing to see so many strangers come together and dance, smile, have snowball fights, play hockey. I was watching their live streams and it made me happy to see such love. When they drove off my heart sank because I never met them and yet I felt so connected to them.	2/21/2022 8:48 AM

726	Brought awareness to the situation	2/21/2022 8:35 AM
727	Astonished me that so many fellow Canadians were willing to disrupt the lives of so many others	2/21/2022 8:35 AM
728	Not at all	2/21/2022 8:35 AM

745	None	2/21/2022 8:27 AM
746	I felt the love and peace, but when it turned ugly, threatening by the uniformed, battoned thugs,not police officers to serve and protect in Ottawa, hurting peaceful protester Canadians, it sickened me, and I can't stop crying over how Trudeau has caused this.	2/21/2022 8:26 AM
747	I support it 100%...we should have freedom to go where we want without taking an experimental drug. I work in healthcare. There is a lot not being told or reported	2/21/2022 8:26 AM

790	Did not affect	2/21/2022 8:05 AM
791	Made me hopeful for unity within this country again. Until the dictator prime minister Decided he was too scared to speak to people and evoked the war measures act. True coward, much like both his step daddy Pierre and his father Fidel	2/21/2022 8:05 AM
792	Not finding grocery basic items is utterly disgusting	2/21/2022 8:04 AM

801	It hasn't affected my life, but it's an embarrassment to our province and country. We have always been proud to say we are Canadian, but this has made me feel like we live in the deep south. This isn't what this country is, let's get it together.	2/21/2022 7:59 AM
802	Hopeful	2/21/2022 7:58 AM
803	Brings me joy and happiness seeing everyone together dancing singing being FREE	2/21/2022 7:58 AM
804	It has restored hope and given the "fringe minority with unacceptable views" a voice	2/21/2022 7:57 AM
805	Gave me hope that no all Canadians are blind followers of cradle to grave government.	2/21/2022 7:57 AM
806	Hasn't	2/21/2022 7:57 AM
807	Extreme mental anguish and stress. To watch extremely privileged Canadians be screaming about Lost Freedom is so embarrassing, and disturbing. Then to watch the American Trumpism influence is frightening. And the amount of money that was raised and spent to support this convoy to complain about lost wages is pretty telling. I definitely lost respect for some people I knew well.	2/21/2022 7:56 AM
808	It's given me hope for our Country and our planets future. I love these people! They're heros.	2/21/2022 7:55 AM

830	Brought hope to me and millions of people. They did so many good things in Ottawa & restored my faith in humanity. The government has divided our country and continue to do so with these mandates.	2/21/2022 7:46 AM
831	It's brought us hope and showed us that there are a lot of Canadians that are fighting for freedom. I'm proud that they have been peaceful and disgusted but our governments behaviour.	2/21/2022 7:43 AM

836	Showing me that we support each other.	2/21/2022 7:39 AM
837	I felt hope for our country and joy for first time in 2 years and experienced unity and love between total strangers - fellow Canadian citizens. I saw people from all walks of life being kind and loving to each other, sharing food, feeding the homeless and anyone who walked by in Ottawa for free. It was the most beautiful thing I've ever seen and I felt proud of Canada for a brief moment.	2/21/2022 7:38 AM

Canadians vote on Canadian Mandate - February 2022

841	Made me feel proud to be Canadian again. It restored my faith in freedom/love and compassion for my fellow citizens & that SOMEONE finally stepped up to express our displeasure with the rules the government have imposed!	2/21/2022 7:36 AM
842	I love the convoy. They my hero	2/21/2022 7:34 AM
843	I believe in the right to protest government mandates and passports	2/21/2022 7:34 AM
844	Create hart pressure and I'm proud of them.	2/21/2022 7:34 AM
845	Made me proud to be Canadian when the truckers stood up for all Canadians	2/21/2022 7:34 AM
846	it is asking me feel proud to be a Canadian again, hope and love	2/21/2022 7:34 AM
847	It's given me hope and made me not feel alone, I have opposed these mandates the last two years protesting the kids wearing masks at school. No one listens.	2/21/2022 7:32 AM
848	Felt hope for the first time in two years, felt pride in being Canadian again	2/21/2022 7:32 AM
849	I had hope for a few weeks. I see that we are NOT the minority.	2/21/2022 7:31 AM
850	Has given hope for a better Canada, and brought people together!	2/21/2022 7:31 AM
851	Not	2/21/2022 7:31 AM
852	Gave me hope	2/21/2022 7:31 AM
853	I have known joy at the thought that someone is finally stood up for me. I have not found joy in Trudeau's response	2/21/2022 7:29 AM
854	It hasn't other than making me proud that they stood up for the regular folks	2/21/2022 7:29 AM
855	Has not affected me. I'm very proud of of these men and women doing their very best to assist in fighting for our rights. God bless them and protect them.!!	2/21/2022 7:28 AM
856	Simply put. Our Prime Minister has, over and over and over again, embarassed me of the decisions that he says he is making "representing Canadians" (which is just NOT the truth). The Freedom Convoy caused me to be proud of Canadians.	2/21/2022 7:26 AM
857	Food shortage	2/21/2022 7:26 AM
858	Shows me hope	2/21/2022 7:26 AM

863	I feel hope for Canada again that some people stood up for the inalienable rights and freedoms and against tyranny and dictatorship	2/21/2022 7:23 AM
864	It actually gave me hope and made me proud to be a Canadian again, Trudeau has since diminished that with his insults and clear temper tantrum. He is not fit to lead a free country and I am in disbelief of what is happening. Since when did roles get reversed on who is supposed to be working for who?	2/21/2022 7:22 AM
865	Hope for our freedoms back	2/21/2022 7:22 AM
866	- it's made me feel like I'm not alone. In fact, I've realized a lot of people have the same thoughts on things - Canadians have been united again - main stream media cannot be trusted. Independently owned ones actually report the truth - it's given hope/a sense of security - not in any negative way at all	2/21/2022 7:21 AM
867	Replenished my faith in humanity	2/21/2022 7:20 AM
868	Gives me hope.	2/21/2022 7:20 AM
869	Hope	2/21/2022 7:20 AM

Canadians vote on Canadian Mandate - February 2022

870	It has been terrible and cause huge stress. My husband and I live close to the red zone and my son lives in the building where a fire was set (close to Wellington)	2/21/2022 7:18 AM
871	It didn't affected my life	2/21/2022 7:18 AM
872	Given hope	2/21/2022 7:17 AM
873	It has been a huge embarrassment and a stain on the country I love, It's anti democratic aims and its economic damage to the country along with our US neighbours is appalling	2/21/2022 7:16 AM
874	They have restored my faith in Canada knowing that there are still a few Canadian's that love their County enough to fight for it.	2/21/2022 7:14 AM
875	It has given me hope for future, and really proved how selective the mainstream medias are	2/21/2022 7:13 AM
876	It has given us hope that Canadians won't just continue to roll over and be taken advantage of.	2/21/2022 7:13 AM
877	Given me a ray of hope, seen that I'm not alone in my thinking, has revealed the extent of lies told to us by government and mainstream media, shown the depth of corruption at all levels of government and policing	2/21/2022 7:12 AM
878	The ignorance and self-righteousness of 1000's of Canadians has been a shock to me. The absence of understanding of the "protesters" who I believe are domestic terrorists is truly astounding. I've never been so angry for so long in my entire life.	2/21/2022 7:12 AM
879	Gives me hope that this is close to being over with	2/21/2022 7:12 AM
880	It brought back hope knowing that I wasn't just some bad person who had questions about things that weren't adding up.	2/21/2022 7:10 AM
881	Im happy they are fighting for our rights and freedom i support them.	2/21/2022 7:10 AM
882	Gave me hope for restrictions to end	2/21/2022 7:09 AM
883	They woke me up to think for myself. The mandates don't make sense and are doing more harm than good. It's an injustice to us all!	2/21/2022 7:08 AM
884	Given me hope	2/21/2022 7:07 AM
885	This was a disaster, seemingly smart people bought into their nonsense!! Lots of division...	2/21/2022 7:07 AM
886	Giving me hope	2/21/2022 7:05 AM
887	gave me hope	2/21/2022 7:05 AM
888	They need to leave and go home. It's ridiculous what they have done in ottawa	2/21/2022 7:03 AM
889	It was giving me hope that we may get back to some normality.	2/21/2022 7:03 AM
890	So proud of them for standing for what's right	2/21/2022 7:03 AM
891	Can't go do work downtown Ottawa	2/21/2022 7:03 AM
892	It has brought hope that finally an important industry has been brave enough to say NO...TOGETHER! Churches didn't. Restaurant owners didn't. Teachers didn't. Our own elected leaders didn't. Thank God these men and women DID	2/21/2022 7:02 AM
893	Family division	2/21/2022 7:02 AM
894	Gives hope and United Canadians.	2/21/2022 7:02 AM
895	It has made me very sad that some people feel so selfish and entitled thst they would 1. Put other people at risk by not following mandates, and 2. Be such an annoyance to other Canadians that the police have to physically remove them from the space. Embarrassing for Canada. I also think that support for the convoy DID NOT all come from Canada, and the protests were not all about mandates, but about overthrowing a democratically elected government. Again, embarrassing for a wonderful country like Canada	2/21/2022 7:00 AM
896	It has given hope in the unity of the country that we may be free again. Free from all the bureaucratic forcefulness. The convoy with so many thousands of people feeling the same as I do made me have hope .	2/21/2022 6:59 AM
897	Encouraging to see freedom being celebrated	2/21/2022 6:58 AM

901	Enormous hope & love	2/21/2022 6:55 AM
902	Gives me hope	2/21/2022 6:54 AM
903	It's democracy and people telling their government how they feel, as long as it stays civil.	2/21/2022 6:54 AM
904	It has built an awareness that Canadians have had enough of these mandates and that we are suffering from the most draconian covid measures around the world.	2/21/2022 6:53 AM
905	not at all	2/21/2022 6:50 AM
906	I believed it to be a peaceful, non-violent assembly. It may have disrupted those front and centre and as a Canadian I apologize for that, just wish they could see the bigger picture.	2/21/2022 6:50 AM
907	It did not affect my life in any negative way.	2/21/2022 6:49 AM

913	It hasn't	2/21/2022 6:43 AM
914	Inspiring	2/21/2022 6:42 AM
915	It has angered me. These people don't represent me as a Canadian. I was entertained when the police rounded up the occupiers in Ottawa! This was never about health mandates, it was about overthrowing government. Regardless of political stripe, the occupiers never represented me and most other Canadians.	2/21/2022 6:42 AM
916	Positive. Gave me hope.	2/21/2022 6:42 AM
917	I'm so proud of what they are doing to stand up for our freedoms!	2/21/2022 6:41 AM
918	It's been the only positive thing in the last 2 years. They have exposed the corruption in our government and MSM. Thank God for the convoy.	2/21/2022 6:38 AM

923	Peaceful	2/21/2022 6:30 AM
924	Inspired and invigorated me. Gave me hope and faith that people will arise to their true potential if nudged from the stupor of their oppression	2/21/2022 6:29 AM
925	Saddened me- gives me an uneasy feeling instead of pride when I see our flag	2/21/2022 6:26 AM

932	Given me hope	2/21/2022 6:18 AM
933	The sense of togetherness and people coming together for a common goal is inspiring, FINALLY. People bringing their kids and pets, playing street hockey, dancing and playing music, should be symbolic of a nation that LOVES to come together in a positive way, especially to address a common issue or celebrate a common achievement. Instead we have been labelled as some of the WORST types of people that have existed in history by those who have REFUSED to even listen to why we are there in the first place.	2/21/2022 6:16 AM
934	Nothing	2/21/2022 6:16 AM

936	Gave hope to this nation.	2/21/2022 6:14 AM
937	In the beginning I felt hopeful, they were peaceful & loving. But trudeau brought in the police and other forces(rumors of UN)and I was disheartened when the convoy announced they were leaving...I totally understand but I was disappointed. Now I feel uneasy all the time. I donated and wonder if my assets will be frozen. I wake up in the morning, and wonder if the rcmp will be knocking on my door today. Stressed? Yes I am and it saddens me.	2/21/2022 6:13 AM

944	It gives me hope that there are still people with sensibility and reason and believe in freedom from tyranny!	2/21/2022 6:07 AM
945	It has brought me hope of a more peaceful, loving happy normal. It has made me realize there is no democracy in canada by the treating of its people and evoking an act that takes all its peoples rights. It has helped me see that Our government no longer works for the people and is aggressive, abusive and they are all behaving above the law and no one is enforcing our charter or the Nuremberg code	2/21/2022 6:07 AM
946	Seeing people come together to stand up for the rights and freedoms of all Canadians was very moving for me. I felt a hope growing that has been lacking for 2 years now.	2/21/2022 6:04 AM

976	It renewal a sense of hope and everyday hearos for MOST Canadians. Every push against them was another against the suffering seniors, adults, teens and children of this country. The emergency act was a disgusting abuse of authority against our own people. Sept 9/11 was a terrorist attack not a protest in Ottawa even then the emergency act was not enacted. I no longer get my honest news from CBC .I no longer trust our mainstream media. I am a mother, grandmother and senior citizen not fringe!!!!	2/21/2022 5:02 AM

981	It has given us hope	2/21/2022 4:50 AM
982	The people in the convoy have given me hope that our voices will be heard. They have renewed pride in our country and done so beautifully in loving peace. It is distressing the way they are being portrayed in the regular media when on social media the truth is readily available. It has also been alarming how the government has responded and that is not being reported except on social media. I'm also wondering if this kind of survey will paint a target on me.	2/21/2022 4:48 AM

Processed food is causing health problems and still allowed to be sold. I don't think this is about our health. Trudeau has often said how he admires dictators and their countries. 1022	I just think that it is very brave to stand up	2/21/2022 3:22 AM
1023	Well, it's shown me that the government is out of integrity and acting illegally. It concerns me that our Charter of Rights and Freedoms are being ignored. It blows me away that the media is lying non-stop and all trust in Canada's news sources has been lost. The way that race has been weaponized is deplorable. The way media has shaped hysteria around this is frightening and should be punished. But mostly, I've lost all faith in the Prime Minister and his team to uphold democracy and do what is right for Canadians. I would be absolutely shocked to see him answer a question directly at this point. I've also begun to get extremely curious about the World Economic Forum's role in all of this and am waiting for Parliament to acknowledge the question of who is invested in their plan.	2/21/2022 3:22 AM
1024	I feel inspired that people fight for freedom	2/21/2022 3:21 AM

prime minister and most MPs, CBC's narrative, and comments I've read on twitter from those opposed to the conflict. The disparity between the perspective of many in the parliament and what the protestors were saying was so vast that it reminded me of my research of the Acadian expulsion, and has been deeply concerning. As a Canadian, the behaviour and attitudes of the the prime minister and so many in the house of commons in response has been downright scary, not recognizing that the convoy only happened because people felt they had no voice and want their concerns addressed, but are instead being ignored and treated with ignorance and prejudice, and dictatorial measures. It is insane.

1074	Brought hope and restored some faith in our country	2/21/2022 2:40 AM
1075	It has given us so much hope and restored our faith and pride in our country. We suddenly felt unified with others in our fight for freedom. The convoy made us realize we weren't alone and we weren't the only ones willing to risk everything to stand up for our freedom and rights. The Convoy represents the Canada we love and embodies sincerity, passion, courage and a commitment to freedom. We desperately needed to see these qualities demonstrated from somewhere as they were absent for so long in most in leadership positions across the country.	2/21/2022 2:38 AM
1076	Made me angry that Trudeau is such a pansy	2/21/2022 2:38 AM
1077	Provided hope	2/21/2022 2:37 AM
1078	It is the bests thing that is happening	2/21/2022 2:36 AM
1079	It is restoring my faith in humanity. It is giving me hope. I have watched the videos of Canadians of all colours, cultures etc. uniting like never before seen in Canada. It's brought me a small bit of joy.	2/21/2022 2:36 AM
1080	The trucking convoy is a slap in the face to the real issues that many people in Canada face. The privilege that is held by many of the people involved and in support of the convoy is astounding. I can only hope that the Canadian government could ever show as much interest in indigenous and other minority group concerns in this country.	2/21/2022 2:36 AM
1081	Inspired	2/21/2022 2:36 AM
1082	The convoy has given me hope and nothing but smiles. I support each and everyone of them 110% and would be there with them if I could	2/21/2022 2:34 AM

1087	They have given me hope	2/21/2022 2:29 AM
1088	Given me back hope that Canadians are now standing up, makes me feel proud to be Canadian again after a long time of despairing feelings and emotions	2/21/2022 2:28 AM
1089	Relief, jubilation, that someone is finally standing up, speaking out, and speaking truth with no compromise. Pride again in being Canadian. Relief to know that I am NOT alone, even if Canada descends into a night of authoritarianism.	2/21/2022 2:26 AM
1090	It has reminded me that there are still selfish, racist, awful people out there.	2/21/2022 2:25 AM
1091	Made me more aware of the government corruption at all levels.	2/21/2022 2:25 AM
1092	Gave me a glimpse of hope that maybe blue collared people of this country have a voice. Has brought back some pride to be Canadian and am proud that it remained peaceful. I understand some people in Ottawa were inconvenienced with them staying around but was necessary to stand up for everyone in Canada. Its too bad politicians and main stream media slandered a peaceful protest like this but when we look back at our history we will know it was the best thing that could have happened to the greatest country in the world. Canada needs to stay the most admired country in the world and we can thank the trucker convoy for fighting for all our rights and freedoms. The last two years under a agenda driven, elitist, tyrannical government that divided the citizens, that they are supposed to serve, in the name of public health and will be a stain in Canada's history. We can thank the trucker convoy for showing the world that the people of Canada will fight for the rights given to us by Charter of Rights and Freedoms & are proud to be called Canadian!	2/21/2022 2:24 AM
1093	I'm not a fan of protests. Vinay least it gave me some hope. It's nice to see that we are not alone.	2/21/2022 2:24 AM
1094	Given me a sense of hope that people have had enough and are prepared to stand stronger for their rights and freedoms.	2/21/2022 2:23 AM

I hope their protest, which is in essence Advocating and speaking out on ' Protecting', not protesting, Our Canadian Constitution . Heroes with Courage. The Canadian Government and our Prime Minister should hear any Canadians voice, who peacefully ask for positive change, to return to our Free Democratic Society.	2/21/2022 2:16 AM
1103	The Truckers Convoy 2022 gave me HOPE. I hate Trudeau and the entire Liberal and NDP party. I wish them all a horrible death in a grease fire.	2/21/2022 2:16 AM
1104	It gave me HOPE something that I hadn't had for over 2 years. God bless them for fighting for those who don't have a voice.	2/21/2022 2:14 AM
1105	No	2/21/2022 2:14 AM
1106	I myself have participated in as much of the convoy in Edmonton AB as I could. I am so proud of those across the country who have participated. I am proud to be Canadian and I am proud that we can be unified in a cause that supports what it means to be Canadian.	2/21/2022 2:14 AM
1107	It's given me hope there are good people still left in Canada. It's given me hope that someone will stand up to the tyrants who are suspending human rights. Are there any uncorrupted leaders left?	2/21/2022 2:13 AM
1108	Most uplifting thing I've seen all pandemic. They are the voice of the people.	2/21/2022 2:13 AM

lies through other media sources. All we want is the freedom to decide what is best for us when it comes to our body and not the government deciding for us. That's gone too far. If there is a pandemic, people will take precautions without being mandated. The government has overstepped God's authority and they will be judged for their crimes against the people.

1123	Prices for everything have gone up! Friends and relatives in Ottawa have had their lives disrupted for too long	2/21/2022 2:02 AM
1124	It's given me hope! I'm not alone in my concerns. I've had so many privately contact me as they've notice me liking a video ... I'm blown away by how many people I personally know that share my concern regarding our rights being violated.....	2/21/2022 2:01 AM
1125	They brought hope!	2/21/2022 2:01 AM
1126	Finally others are seeing thay things need to change they have made me feel proud of some fellow Canadians	2/21/2022 2:00 AM
1127	brought live back to ottawa, civil pride thanks to truckers. they are a blessing to all.	2/21/2022 2:00 AM
1128	The price of almost everything going up. Empty shelves at the grocery store and hardware store and everywhere I go to shop. Waiting for purchases I have made from other countries countries that are stuck at the border.	2/21/2022 1:59 AM
1129	They have given me hope!!!	2/21/2022 1:59 AM
1130	Has given me hope for Canadians and that we may have a better future!	2/21/2022 1:59 AM
1131	It is everything I am living for ❤️	2/21/2022 1:59 AM
1132	They have given me hope that there are others who want the tyranny to end, too.	2/21/2022 1:58 AM
1133	Positively, has really shown that Canada is willing to stand up for what is right and will stand our ground. It makes me proud to be Canadian.	2/21/2022 1:58 AM
1134	I was thankful for truckers having a peaceful protest to try to save Canada.	2/21/2022 1:57 AM
1135	In general, politically, I would say I land a little left of center. I am socially-minded and a rule-follower by nature. But watching the governments response to the truckers, some of which come from my community, has shocked and apalled me. I regret ANY time I have defended the government mandates in the past. If anything has pushed me towards believing the "conspiracy theories" of the right, it has been watching the government response to the truckers convoy.	2/21/2022 1:57 AM
1136	I watched many hours of independent live Video streams an then watched different news stations and became totally disgusted with there narrative of the protest. And the lies and slant on truth. That did not represent the truth at all. I seen so much love and self control of the protestors. I have lost so much respect for the police. Over the last few weeks. From them taking the fuel when it was like -20's. Using the horses on a peaceful protest to trample people. Using horses in a riot situation is one thing but what happened there is another. I am so disgusted. Seizing their bank accounts and having credit cards canceled. So it caused great stress how they have been treaded completely different than the BLM protest. They still have their go fund me funds. The government didn't go. After their go funds to pay for the damages. Trudeau came out to their protest and took a knee in support. Mayor Watson talking about compensating the business who lost income for a month. What about the truckers nurses doctors firefighters ems workers who lost their job for not taking the job. They were not compensated.. I am proud of the truckers and protestors how they kept the streets spotless. Snow shoveled. I didnt see any broken windows burning cars burning buildings. I didn't hear of any police officers or protestors being killed or hurt. It was a peaceful protest and any violence I witnessed was by the police.	2/21/2022 1:57 AM
1137	I keep hoping they win.	2/21/2022 1:57 AM
1138	Gave us hope	2/21/2022 1:57 AM
1139	Showed me how corrupt mainstream media is, shown me Trudeaus true colours, believe we are headed toward a dictatorship	2/21/2022 1:56 AM
1140	OMG!! EVERY SINGLE DAY that those SELFISH, NARCISSISTIC "people" stayed there and dug in their heels I became more and more TERRIFIED! Terrified that they would get their way, which they ultimately are because EVERYTHING is being dropped! EVERYTHING!!	2/21/2022 1:55 AM

Capacities are being jumped up huge, no more passports to non essential businesses, no more testing for flying all around the world (fully vaccinated)to God knows what frickin country with some new horrific variant, and no masks for kids coming soon, then also no masks for everyone soon after that. I ever heard Dr. Moore saying that it will soon (like really soon) be ok for a NON-Vaccinated person to work in a health care setting with the elderly or in a hospital. DID WE NOT LEARN FROM THE ABHORRENT DEATH RATE IN OUR ELDERLY AND PEOPLE WITH OTHER CONDITIONS (as in a hospital setting) IN THE BEGINNING OF ALL OF THIS??!!??!!

1141	we may have a future life, if the convoy successful	2/21/2022 1:55 AM
1142	Hope for the future!	2/21/2022 1:54 AM
1143	It's giving us hope that maybe our government will actually listen and support the tax payers of this what was once a great country.	2/21/2022 1:53 AM
1144	The Trucking Convoy restored my ability to hope for the freedoms that we all should be able to have. That my Children may not have to suffer any longer. I felt like I could be proud to be Canadian again. I am thankful that someone would stand for my right to chose what I want to do with my body. That freedom for my kids and grandkids could remain. They helped to honor all my uncles who fought and died so that we could have our freedoms. God Bless the Truckers the organizers, the random people supporting them. And every Canadian citizen that they brought hope to.	2/21/2022 1:53 AM
1145	its been positive for me gave me hope that things might get back to normal!!!	2/21/2022 1:52 AM
1146	The traffic disruptions have made my commute considerably longer. My upstairs neighbour's grandchildren had to temporarily move in with her because of the 24-hour honking at their apartment downtown. The convoy vehicles drive around my city for no apparent reason and they drive very aggressively. My city does not feel safe anymore. I'm afraid that I'll need firefighters or an ambulance and I won't be able to get through to a 911 operator because of people jamming the line with fake calls.	2/21/2022 1:52 AM
1147	Gave me some hope on one hand but very discouraged by government response. Absolutely damnable.	2/21/2022 1:52 AM

1199	At first I cried seeing them driving to Ottawa, I was happy to see people having the guts to stand up to what's been happening, they gave me hope! Now seeing how the government has reacted and treated protesters especially with this emergency act, seizing peoples bank accounts etc I feel like I just want to get out of Canada and never look back	2/21/2022 1:28 AM

1204	Given hope and inspiration	2/21/2022 1:27 AM
1205	It gave me hope! That there were still some brave men and women out there willing to go to Ottawa and stand up to this prime minister's tyrannical overreach, and his constant belligerent, and hateful Rhetoric towards Canadians is not only distasteful it's down right shameful. This convoy has not only united this country and Canadians from east to west, it is uniting the world!	2/21/2022 1:26 AM
1206	Hope. It has given me hope. The trucking convoy restored my faith in humanity and in Canada; which I'm sad to say, I has lost before. I have hope that we will be able to address some of the deep rooted issues in government overreach and corruptions that have lead us to this point.	2/21/2022 1:26 AM
1207	Not sure	2/21/2022 1:25 AM
1208	It provided a sense of hope. It was inspiring to see Canadians come together and the truckers sacrifice their time and money for all Canadians. I am deeply grateful for their movement as it showed that I wasn't alone. Others shared my view.	2/21/2022 1:25 AM
1209	Only positively. It's helped me feel hopeful and like I'm not alone.	2/21/2022 1:24 AM

1217	The trucking convoy has brought me hope and shows me that I am not alone.	2/21/2022 1:23 AM
1218	The convoy brought unity and hope, united the country torn apart by the government	2/21/2022 1:22 AM
1219	Returned hope in our Canadian heritage, confirmed personal judgement of deterioration of our liberties and laws of our country, exposure of misuse of authority of Justin Trudeau and premiers of the provinces....& much more.	2/21/2022 1:22 AM

1234	It had given me hope that we have the strength to rise up before this country is completely ruined.	2/21/2022 1:16 AM
1235	I watched it with interest. I had empathy for the many people who ended up there...from all walks of life...losing jobs & unemployment insurance they had paid into all their lives...some had children who committed suicide...etc...etc. They were hurting people who had been impacted by the mandates. It was interesting how the common loss & concerns brought all these people together. ♥ I feel bad how it ended. They wanted to have their voices heard ⁷	2/21/2022 1:16 AM
1236	Given me hope	2/21/2022 1:15 AM
1237	They gave me hope for the first time in 2 years. After last Friday, I am absolutely ashamed of my country.	2/21/2022 1:14 AM
1238	Watch politics and all types of news more often- mainstream and other- to get both sides of story. Less respect for government and police. Afraid to protest in my community.	2/21/2022 1:14 AM
1239	I have heard incessant honking in my area. I'm so thankful I don't live in Ottawa! I couldn't have dealt with that. I have noticed that some of my Facebook friends are not who I thought they were. Most of them are normal humans who have done the right thing and give a shit about people other than themselves, others however, not so much.	2/21/2022 1:13 AM

1253	They gave us hope that things may get better. That we're not alone in being frustrated by the lack of government support and understanding of the impacts this had on regular Canadians who didn't have much in the first place. 1261	Has given me hope in that has potentially shown people of an alternative perspective of all that is happening in our country. The awareness of something more damaging to our overall health as a country than a virus. I don't agree with all of the measures taken by the truckers but I believe that it was effective at creating a larger awareness. I would like to believe that there is a way to communicate and work through this without the need for movements like the truckers but it appears our democracy isn't functioning as it should be.	2/21/2022 1:06 AM

1267	Has given me hope in our country again	2/21/2022 1:04 AM
1268	Inspired by them.	2/21/2022 1:04 AM
1269	Hasn't.	2/21/2022 1:03 AM
1270	It has given a voice for freedom of oppression.	2/21/2022 1:03 AM
1271	Uplifting , hearteningmuch gratitude and a renewal of faith in humanity	2/21/2022 1:03 AM
1272	I'm proud of the protesters. These are the Canadians I got to know and love when I first arrived to the country in 2002.	2/21/2022 1:03 AM
1273	I am so proud of them all. They did what the medical world could not!	2/21/2022 1:02 AM
1274	Have had trouble getting medical supplies	2/21/2022 1:02 AM
1275	With hope for a free future!	2/21/2022 1:02 AM

1277	Giving me hope. I've seen unity and for once a potential light for positive change ...that voices may be heard	2/21/2022 1:02 AM
1278	In so many positive ways. It gives me hope that so many things can be accomplished if we stay together....	2/21/2022 1:02 AM
1279	it did not affect my life	2/21/2022 1:01 AM
1280	Would have supported a protest but not the idiocy that took place. Weaponizing transport trucks is terrorism and destroyed any credibility a legitimate protest could have had. It also makes me realise how ignorant some people are about our democracy. I don't understand the myopic view by the authors of this survey that a huge complex nuanced issue can be dealt with through a few closed questions. The past two years has had its ups and downs in challenging those elected officials to do the right thing. Did they always do the right thing, no. Did they always do the wrong thing, no. Could a significant country wide survey help us better understand how we could have done things better, yes. Is this survey useful to gauge the thoughts of Canadians, no, to narrow in scope with simplistic closed questions. The so called truckers protest with its idiotic demands destroyed meaningful protest on this subject and seriously damaged legitimate resistance to over reach by government.	2/21/2022 1:01 AM
1281	It's shown that there are still Canadians, both vaccinated and not, that are willing to stand together for what they believe. And that I believe is a need to end government overreach.	2/21/2022 1:01 AM
1282	The truckers have given us HOPE for our future. They have woken this world to corruption on all levels. They have shown exactly the true face of this tyrannical prime minister & his party. Trudeau has to be removed from office along with his party before it is too late! HOW CAN THERE NOT BE ANYONE OUT THERE THAT CAN PUT A STOP TO THIS TYRANT?	2/21/2022 1:01 AM
1283	Not at all	2/21/2022 1:01 AM
1284	Offered hope that life will return to normal	2/21/2022 1:00 AM
1285	Provided hope in mankind.	2/21/2022 1:00 AM
1286	It helped restore my faith in Canadians willing to stand up for the good of Canada.....not for political manipulations by a Prime Minister and Political party for dictatorial power to destroy!!	2/21/2022 1:00 AM
1287	Made me less trusting of our government.	2/21/2022 12:59 AM
1288	HOPE	2/21/2022 12:59 AM
1289	They have given me hope and courage. They have given me strength. They have inspired me to take a stand in my own community by going mask free everywhere I go. I have felt their pain. I drove to Ottawa and stayed the weekend to support them (2nd weekend). I am proud to be part of the fringe.	2/21/2022 12:58 AM
1290	They have stood up to be counted many of them risking everything, while no politicians can say they have done the same!	2/21/2022 12:58 AM
1291	They and the ones out there with them have made me proud to be a Canadian again. While having an embarrassing P.M. that's a proven criminal.	2/21/2022 12:58 AM
1292	Inspired hope community joy and remembering our power	2/21/2022 12:58 AM
1293	Has provided a glimmer of hope that the craziness will end. Has shown me that there are a lot more people who have the same views as myself.	2/21/2022 12:57 AM
1294	Optimism that people are finally speaking up	2/21/2022 12:57 AM
1295	It gave me hope in my fellow Canadians after I had lost all hope as the apathy of Canadians seemed to go deep. It managed to unite Canadians where every politician has failed since confederation. It was exciting to watch the updates and the festival-like atmosphere in Ottawa. I was even glad every time I saw an empty shelf at a grocery store and thought about what the truckers were doing in Ottawa and it would bring a smile to my face. I was willing to go without whatever I was looking for because I knew it was all for the good of ALL Canadians. It broke my heart to see the violence of the police against these peaceful people.	2/21/2022 12:57 AM
1296	It gave Canadians hope that someone was willing to stand up for Canadian rights and freedoms.	2/21/2022 12:57 AM
1297	Gives hope	2/21/2022 12:57 AM

1298	Brings me hope	2/21/2022 12:57 AM
1299	I want to cry when I see the treatment of these innocent people. I come from a country with a dictatorship and started the same way Canada is going. I feel we has lost the most important values that make as Canadian. Peaceful people, now divided; freedom is no more. We are censored by social media, freedom of speech is gone. Police are coming to our doors if we disagree with our prime minister. We can't peacefully protest. I haven't bing able to sleep thinking that the dogs and animals of the protester are going to be euphemise. Children put into the social services people. Money taken from personal account. Trucks impounded and probably sold by the city. What will stop the government and police to target other groups? Why the UN or other countries don't intervene? We need protection from our own elected politicians. THIS IS NOT DEMOCRACY This is a DICTATORSHIP.	2/21/2022 12:57 AM
1300	It had given me a sense of hope that finally someone is standing up for the group of Canadians that has been ignored for 2 years.	2/21/2022 12:56 AM
1301	They are fighting for Canadian's Freedom and against the many acts of Trudeau.	2/21/2022 12:56 AM
1302	Hope	2/21/2022 12:56 AM
1303	It hasn't. It showed me our Government doesn't truly care about us	2/21/2022 12:56 AM
1304	It brought hope of a better future	2/21/2022 12:56 AM
1305	I feel like there is hope and I feel a sense of community and closeness with my Canadians	2/21/2022 12:55 AM
1306	I think the truckers handled it the best they could. If the Great Reset hadn't highjacked the protest the truckers may have got the lifting of the restrictions. But I also am glad they did tag onto the protest because now the truth about 2930 is being made known. I would have travelled to Ottawa to show my support, if it lasted another week.	2/21/2022 12:55 AM
1307	Just annoying	2/21/2022 12:55 AM
1308	It has given me hope, love and unity. Freedom!	2/21/2022 12:55 AM
1309	Hope, unity, connection, they are expressing how I feel That the government no longer recognizes that they are working for us and that they are way way too far reaching... it's Not the government that we voted for but is some other strange entity that has moved in. Intrusive, invasive with a naive agenda.	2/21/2022 12:55 AM
1310	It is very deflating and frustrating to see how selfish people are... we have so many rights and freedoms, our country has not taken these away by trying to set in place health precautions to safe peoples lives and end this pandemic. Those mandates were wise and serve a great purpose.	2/21/2022 12:55 AM
1311	It has given me hope.	2/21/2022 12:54 AM
1312	It hasn't.	2/21/2022 12:54 AM
1313	Gave me hope and made me very very sad how it has been handled by the government.	2/21/2022 12:54 AM
1314	From my point of view it is waking people up so it is a positive impact.	2/21/2022 12:54 AM
1315	I live in Windsor where they blocked the bridge. Made getting around our city much more difficult at that part of town	2/21/2022 12:54 AM
1316	I'm so inspired I flew across the country to join them and will be actively joining convoys in my own community when I'm home.	2/21/2022 12:54 AM
1317	It brought me hope. It made me feel like I was not alone and these people had the ability to stand for those who could not afford to stand with them.	2/21/2022 12:54 AM
1318	N/A	2/21/2022 12:53 AM
1319	It has given me hope that we may once again be a united nation with our god given inalienable rights to freedom of speech, to move freely between provinces and countries and Most importantly to manage the health and wellness of ourselves and our families without government impositions.	2/21/2022 12:53 AM
1320	The trucking convoy has given me hope that Canada still has a chance - especially knowing that there are many, many other Canadians who feel the same way as I do and I'm not alone. It	2/21/2022 12:53 AM

Canadians vote on Canadian Mandate - February 2022

has also made Trudeau show his true nature - decisive, cruel, lying, and that he totally hates half of Canadians... He is only about wanting power and turning us into the country he most admires... a communist country - China.

1321	It makes me feel that there are many others who share in my values and beliefs.	2/21/2022 12:53 AM
1322	It is giving me hope that these ridiculous mandates can end.	2/21/2022 12:53 AM
1323	The convoy gave me Hope and brought much love and honor back in my life .. I didnt feel so alone anymore..	2/21/2022 12:53 AM
1324	Gave me hope that so many more people than I knew felt as frustrated and concerned about their personal freedoms as I did. Gave me hope for Canada	2/21/2022 12:52 AM
1325	It has given Me and my husband and fsmily great hope . I dont believe this is over I think Canada is standing up and saying no more ! Stop the mandates now !	2/21/2022 12:52 AM
1326	Provided hope & inspiration.	2/21/2022 12:52 AM
1327	Inspired me Given me hope Unified us as a country again	2/21/2022 12:52 AM
1328	Has shown us hope for a change	2/21/2022 12:52 AM

1331	Support them 100%, finally someone has spoken out	2/21/2022 12:52 AM
1332	Given back hope in humanity! I am so impressed by the courage and character of the truckers! They have mobilized so many Canadians and people throughout the world who want this government overreach and tyranny to come to an end.	2/21/2022 12:52 AM
1333	na	2/21/2022 12:51 AM
1334	Not a problem. It brought a lot of Canadian pride back to the people	2/21/2022 12:51 AM
1335	Hope!! Admiration in those who aren't afraid to stand tall and voice their dissent, aren't afraid to risk it all. They have inspired the world. I'm so proud to be Canadian ... again.	2/21/2022 12:51 AM
1336	I feel like there's hope because of the truckers. I hope the change the world.	2/21/2022 12:51 AM
1337	Brought me hope	2/21/2022 12:51 AM

1343	High grocery prices	2/21/2022 12:48 AM
1344	It has given me hope. It has made me proud to be Canadian again. It has brought peace and love and connection and community to our country like I have never seen amongst ALL types of people.	2/21/2022 12:48 AM
1345	In Edm, I have been unable to see my senior mother on weekends, as traffic is a nightmare.	2/21/2022 12:48 AM
1346	It hasn't directly affected my life that I am immediately aware of. But I am proud of the truckers, and I support them	2/21/2022 12:47 AM
1347	Made it better	2/21/2022 12:47 AM
1348	It has brought light to the situation of how not all people of Canada are accepting of mandates. I appreciate what they are doing and I support them! Thank You to all the truckers!!!	2/21/2022 12:47 AM
1349	It has helped start to get things back to normal and hopefully able to get a job	2/21/2022 12:47 AM

1351	It hasn't	2/21/2022 12:47 AM
1352	Lots, saw the support along the highway in BC the day they were leaving, continues to be a hopeful, positive impact. Love the peaceful and kind caring community it has created to help everyone in the convoy continue. Organizers, participants and public are inspiring and our best way to put pressure on for a completion of this out of hand situation.	2/21/2022 12:47 AM
1353	Pride, finally someone likeminded adults, we are free as humans	2/21/2022 12:47 AM
1354	Finally felt like I was part of something positive and I felt that I was/am on the right side of history. Seeing people unite no matter what religion, race, cultural background was something very positive and heartwarming.	2/21/2022 12:46 AM
1355	It's giving me hope	2/21/2022 12:46 AM
1356	In the most positive way!! Gave me hope again	2/21/2022 12:46 AM
1357	It has given us hope and pride knowing these are our people fighting for our freedom! Great to have like minded people to work on something positive for a change! Focus on!	2/21/2022 12:45 AM
1358	They have brought me hope and excitement once again! Proud to be Canadian and standing for freedom.	2/21/2022 12:45 AM
1359	It has given me hope that this nightmare may end one day because Canadians are now fed up	2/21/2022 12:44 AM
1360	Made me rethink relationship a with people who were close to me who support it.	2/21/2022 12:43 AM
1361	It has been a thing of hope and promoting what Canada represents. The land of the free! I'm so proud of the truckers who stand up for freedom! The works is watching Canada stand for good!	2/21/2022 12:43 AM
1362	My husband is a driver and he had to continue working to make sure people had furnace fuel. If ordered to do so he will park the truck and people can go without!!	2/21/2022 12:43 AM
1363	It hasn't. Only thing it's done is give me hope.	2/21/2022 12:43 AM
1364	It has not	2/21/2022 12:43 AM
1365	It has made me feel hope, gratefulness and love for people trying to stand up for our citizen rights and livelihoods. Then with the way the Candian government has handled the protests with police burtality and freezing if donated money and personal bank accounts has made me very fearful that this fight is not against Covid, it is about power of the government. and money for the people in power of our country. There was no early intervention treatments allowed or encouragement of and the health care system was overburdened from lack of leadership and workers. Scientist and doctors were threaten early on in this pandemic and lives were lost not due to vaccinations programs, it was due to lack of ingenuity, learning from our past efforts and history of viruses, and truth why I'll people were not treated earlier or with other therapeutic treatments.	2/21/2022 12:42 AM
1366	The trucking convoy has given me hope that we can control the government.	2/21/2022 12:42 AM
1367	It hasn't affected my life except for joining local convoys to support freedom.	2/21/2022 12:42 AM
1368	Love how people are standing up for what is right together in unity for the grater good	2/21/2022 12:41 AM
1369	Divided the country and cause more stupid people.	2/21/2022 12:41 AM
1370	Because of the convoys I feel "beyond hope"rising There is a spirit ... and a light in the seeming futility and hopelessness !!! 🙏 Grateful for their courage ! Thank you !!	2/21/2022 12:41 AM
1371	It actually made me happy to see Canadians smiling and happy and united	2/21/2022 12:40 AM
1372	It has not yet	2/21/2022 12:40 AM
1373	They have given me hope	2/21/2022 12:40 AM
1374	I'm inspired by all Canadians that are fighting for our freedom back	2/21/2022 12:40 AM
1375	Hasn't so far.	2/21/2022 12:40 AM
1376	It has given me something/someone to believe in. It has given me hope!	2/21/2022 12:39 AM

1379	Gave me hope	2/21/2022 12:38 AM
1380	It's given me hope. Alberta has dropped many mandates and life has improved.	2/21/2022 12:38 AM
1381	None	2/21/2022 12:38 AM
1382	Given some hope, to know we're not alone.	2/21/2022 12:38 AM
1383	Somewhat directly. Watching my family and friends in Ottawa.... A great deal. Scary,disgusting, not anything to do about our truckers. They are hard to keep all good moving and are 90% on board with health measures.	2/21/2022 12:38 AM
1384	Dejected by the cowardice and ineptitude of our PM	2/21/2022 12:37 AM
1385	Gave hope for change.	2/21/2022 12:37 AM
1386	- A sense of hope for Canada. - Making me realize that I am not alone in being against unscientific mandates - A better future for Canada - Hope for an end to one of most difficult 2 years of my life	2/21/2022 12:37 AM
1387	I was a truck driver for 15 years, and if I still drove I'd be in Ottawa with them!	2/21/2022 12:37 AM
1388	It helped me to see how corrupt the political system is, at all levels of government and each political party. How could the super friendly truckers be treated so harshly without due process?	2/21/2022 12:37 AM
1389	Brought new hope of people being united by understanding that humanity and personal freedoms should go above all else	2/21/2022 12:37 AM
1390	It hasn't really affected my life	2/21/2022 12:35 AM
1391	Gave me hope that our PM will resign	2/21/2022 12:35 AM
1392	Positively. Seeing that there are alternatives to achieving political change that bypass the normal Ontario/Quebec stranglehold on the federal electoral process is cause for hope and optimism.	2/21/2022 12:35 AM
1393	Mostly great people who took an odd first step to bringing their concern about trucker vaccine mandates to their government's attention. They then attracted various hangers on and opportunists with various other agendas who took control. The three week occupation was horrifically taxing on the mostly non-political residents and business owners of the effected Ottawa neighbourhood. No such stark affect on my life except to further educate my view of the political players in this unfortunate event.	2/21/2022 12:35 AM
1394	Unbearable stress on my consciousness as I see our society being torn apart	2/21/2022 12:35 AM
1395	Giving me hope that this will end and I like seeing all people unite from all various backgrounds.	2/21/2022 12:35 AM
1396	They brought hope and said what so many of us wanted to say. We now realize we are not alone and that has been strengthening. They have changed the momentum in this country and brought a message of unity across all ten provinces in Canada. Their horns were needed to wake up this country. We have lost so much in this pandemic of which 99.6% of people live. If we don't become free now there will be more of the same. This is dangerous for social, family, economic and spiritual fabric of our country. Truckers are heroes. They gave Canadians a voice and that is powerful in a time when many voices are being silenced. I pray for them every day and so appreciate what they did for us in Ottawa. I watched every live stream of Freedom Convoy and avoided all mainstream media after hearing some of their comments that did not add up with what was really happening. Blessings to every trucker who put their life on the line for me and all Canadians and I am still going to hold the line with them.	2/21/2022 12:35 AM
1397	Gave my family hope	2/21/2022 12:35 AM

1404	The trucking convoy has reinvigorated my love for my country. I was losing hope that Canadians had all forgotten what living was about.	2/21/2022 12:33 AM
1405	Effectuated very positively by the fact that the trucker convoys were well organized & forced Trudeau to show his dictatorial ambitions.	2/21/2022 12:32 AM
1406	Given me hope	2/21/2022 12:32 AM
1407	Inspired hope, reminded me of the importance of freedom.	2/21/2022 12:32 AM
1408	I completely support and have been to a protest to support an end to this so everyone can go to work.	2/21/2022 12:32 AM
1409	Higher prices on goods.	2/21/2022 12:32 AM
1410	Gives me hope	2/21/2022 12:31 AM
1411	I love what they are doing for the Canadians. It is a peaceful protest and the cops are absolutely brutal for what they have done.	2/21/2022 12:31 AM
1412	It has given me hope! That there are more than a small fringe minority that feel the same way as I do!	2/21/2022 12:31 AM
1413	It has given our family hope, pride and support.	2/21/2022 12:31 AM
1414	I have become so proud to be Canadian.	2/21/2022 12:30 AM
1415	I have encouraged the protests and waved at the passing convoys, waved the Canadian flag	2/21/2022 12:30 AM
1416	Has made me realize how corrupt our mainstream media is.	2/21/2022 12:30 AM
1417	Have hope and tremendous pride!	2/21/2022 12:29 AM
1418	I feel empowered by what the truckers are doing, standing up for freedom of choice	2/21/2022 12:29 AM
1419	Gave us hope to see the light at the end of this very long tunnel. We saw pride, oneness, peace and support from all over the world. Literally! No one asking for vax passports or degrading and belittling others. All were welcome. No judgement. Everyone banding together for what was a peaceful cause. From all over the world. Canadians rallying together for Canada with the support from many countries. This is what makes me proud to be Canadian. Not the violence, disrespect and lies of our leaders.	2/21/2022 12:29 AM
1420	It has brought world unity and truth to hold those responsible for the horrendous crimes that have been committed around the world	2/21/2022 12:29 AM
1421	Positively. Gave me a sense of Hope	2/21/2022 12:28 AM
1422	It has brought attention to the crooks and lies.	2/21/2022 12:28 AM
1423	happy to see people are waking up! its really time! you can't make fool of us anymore	2/21/2022 12:28 AM
1424	not at all	2/21/2022 12:28 AM
1425	Made me question while the minority has so much influence and the majority stays quiet	2/21/2022 12:28 AM
1426	They are fighting for our freedom they are our heroes but are being treated along with Canadian citizens very inhumane its horrible I'm not a proud Canadian at this point we have a coward for a leader and he is a dictator...	2/21/2022 12:26 AM
1427	We were impacted by the border closures (my husband's employment relies partially on providing Americans with services), but in spite of that, we feel the message they were portraying overwhelmingly was more important. No one should be forced to take a vaccine that they have concerns with. No one should lose the employment for not taking the vaccine. Children should not be forced to take a vaccine to participate in sports. I honestly feel if it weren't for the trucker convoy, we would still be subject to heavy handed mandates, which far	2/21/2022 12:26 AM

more affected our livelihoods than a temporary border closure. We wholeheartedly support the convoy!

1433	Hope	2/21/2022 12:25 AM
1434	Gave me 3 weeks of hope that the govt would see that people want the abuse of power to end. I was so excited and happy to watch people on the streets of Ottawa be happy and celebrate each other and live their lives free to be themselves.	2/21/2022 12:24 AM
1435	Brings us hope	2/21/2022 12:24 AM
1436	Food shortages	2/21/2022 12:24 AM
1437	I was filled with joy and hope. My old man has lived his life locked up and inside for most of it. He is not a criminal and shouldn't be treated like 1 at all. This is Canada the land of the free people flee to are country for freedom but the last 2 years we have not had that and haven't had the choice or rights over are own lives and children lives. Let's be Canada again a country I was once proud to be apart of. See Canadians come together once again to fight for are freedom and rights made he cry because the joy was so overwhelming to see that Canada was Canada again and I haven't been more proud then I am now to be Canadian to see the movement that us Canadians have done world wide. To see what these police have don't makes me think I live in Russia or Iraq or Korea it isn't right these are Canadians standup for what they believe in maybe Justin Trudeau should of took the time to listen and address their concerns and what they wanted. After all does he act like that when teacher go on strike or the city workers? We have gone weeks with out roads being plowed garbage being picked up or are kids being out of school due to these strikes. He listen to them and meet there needs. So why couldn't he listen to the truckers wants and needs? I am a shame that he is the one running are beautiful amazing country Canada he shouldn't be allowed to call himself an Canadian because he hasn't acted like one at all weather he agrees with what is happening or not we are all Canadians and have freedom of speech so maybe he should of addressed or listen to us Canadians and took are wants and needs into consideration. Which none of this will even matter as He is cropped and is our Hitler so what he wants is what's going to happen either way. Thank you god bless to you all and your family. I wish and pray to the lord we are once again the land of the free	2/21/2022 12:24 AM
1438	It has helped me see and there are others struggling out there	2/21/2022 12:24 AM

1451	I support the convoy as we need the truckers to provide produce and to keep Canada healthy without them we will starve. We need truckers	2/21/2022 12:21 AM
1452	It's embarrassing for Canada, the trucking convoy is a bunch of uneducated people who don't realize their impact, someday in history classes they will study what white privilege means and all those involved in or who support this useless convoy will be used as examples. Grown men and women throwing temper tantrum's, as mentioned before it's embarrassing they are Canadian	2/21/2022 12:20 AM
1453	For the good and brought new life and hope to the mandates ending	2/21/2022 12:20 AM

1456	Hope has sprouted and my parents finally realized how bad things are.	2/21/2022 12:20 AM
1457	The convoy itself hasn't. The PM's reaction to the convoy has made me not-so-proud to be a Canadian. It's sickening and did not have to come to this extreme.	2/21/2022 12:19 AM
1458	It hasn't. I don't think they should block trade routes but I do agree with them fighting for Charter rights and freedoms	2/21/2022 12:19 AM
1459	Woke up some people to reality.	2/21/2022 12:19 AM
1460	Divided my friends and family	2/21/2022 12:18 AM
1461	It's ridiculous	2/21/2022 12:18 AM
1462	Yes it has given me the truth... in the immediate aftermath of finding out this is time consuming... but it's my choice... I will die for my freedom... for my grandchildren...!!!	2/21/2022 12:18 AM
1463	For the first time in a long time I felt hopeful and proud to be Canadian	2/21/2022 12:18 AM
1464	They stood up for me what my church wouldn't do, nor my doctor would do, nor my government would do	2/21/2022 12:18 AM
1465	It's given me a sense of pride again, united people in a way nothing else could have. It has also brought me extremely low when watching footage of the people on the front line, disgusted with the behavior of the law enforcement. Absolutely disgusted.	2/21/2022 12:18 AM
1466	It has given me hope.	2/21/2022 12:18 AM
1467	It has giving hope again for this country and its people. There is unity again with the people fighting for our freedom.	2/21/2022 12:18 AM

1480	Love their courage and boldness. Very inspiring	2/21/2022 12:14 AM
1481	It has brought to light much of the discord that is going on in govt and the strong bias of main stream media and their failure or inability to report from both sides of a story.	2/21/2022 12:14 AM
1482	Has shown how our governments allow things to happen and not deal with them properly; unless they use violence and arrest innocent people.	2/21/2022 12:14 AM
1483	Something to laugh at. Most work some of those fat, lazy bums have done in their lives	2/21/2022 12:13 AM

1488	Encouafed to finally see people with the courage to stand up for freedom and resist the unlawful mandates.	2/21/2022 12:13 AM
1489	It brought hope and helped me come back to life again. It made me feel human, and alive, and hopeful again. Even if temporarily, it was a wonderful gift.	2/21/2022 12:13 AM
1490	I feel it brought Canadians together from coast to coast. It showed me that there are lots of others out there that think and feel the same as me.	2/21/2022 12:12 AM
1491	Biggest hope for what Canada stands for the land of the free.	2/21/2022 12:12 AM

1494	It's Given me hope in great change ☺	2/21/2022 12:12 AM
1495	Disappointed to see this level of disrespect and childlike behaviour among the protesters. They are off in right field and they are not protecting Canada in anyway. Go home, stop the tantrum and have some compassion for others.	2/21/2022 12:12 AM
1496	It gave us hope and a voice. We finally felt heard and that we weren't alone	2/21/2022 12:12 AM

1505	In 2 years I have never felt this type of hope, unity, love. I feel not alone. Canada has never come together like this. This convoy has brought tears to my eyes and life back in me.	2/21/2022 12:10 AM
1506	gives us all hope	2/21/2022 12:10 AM
1507	I support their right to protest.	2/21/2022 12:10 AM
1508	Given me hope in Canadians across the country. In humanity and the good people with great attitudes towards thier nieghbors regardless of identity. We're all the human race which can be ugly at times but in canada amongst the convoy it is beautiful. It has also gone to great lengths to expose the corrupt politicians that care more about the bottom line than the people. I hope the tide is turning hard against big government and the power can go back to the people. A government big enough to give you everything you need can also take anything you have. The media and how biased it is. Rebel news is the only one that can be trusted since it doesn't	2/21/2022 12:10 AM

get 70% of its funding from the government. Law enforcement i believe is in very hard place. The same place as average canadian of take the jab or lose you job. The police are in the take this order or lose your job decision right now. By ending this movement they are essentially smothering the tights and freedoms out od thier kids simultaneously. This country was built on brave ideas and big thinking by our ancestors and I am ashamed at how far down it has been drug in recent years.

1509	These brave people have given me hope at this dark time. However, the fact that the PM and politicians did not wish to meet with them and discuss their/our concerns demonstrated to me that our parliament is pretty redundant and unashamed of its hidden agenda	2/21/2022 12:10 AM
1510	Gave me hope	2/21/2022 12:10 AM
1511	Made me proud to be a candian, proud to see religions and ethnic group join together in unity	2/21/2022 12:09 AM

1514	Hope Hope Hope Hope	2/21/2022 12:08 AM
1515	It has brought awareness to the government that we are NOT okay with how things have been handled. Thankful for their stand.	2/21/2022 12:08 AM
1516	It hasn't	2/21/2022 12:08 AM
1517	Has not given so many Canadians hope back into their lives to have our pm bring in rules that are not needed and he the pm have ignored Canadians wishes he has ruin most people trust lives forever. I never have trust in any police force again will tell my grand children NOT to trusts police or the liberal government or tge NDP as he plays the system which harms most the truckers gave me hope back until Feb 20 2022 I admire there plan to release us from this terrible dictator and his plans as he not done or even close Planning on taking our home property and says we will be happy. Let's arrange for the truckers be able to take all funds Trudeau has may help let truckers have the satisfaction that Trudeau must have going nuts with what he done. Again Canada the laughing stock of the world but most do not agree with what he done. He should be sent to China jail and be made to make items so every time we use the item or items we can think how he must be feeling but better he know what he done to so many peaceful protesters changing the rules to suit only his views. I really think China would be a great place for Justin Trudeau in their terrible jail system which after he spent at least 15 years in jail would help the hero's the truckers have succeeded doing. Great sacrifice they all done for no reason others then to make Canada the place it was. If we all came together everything is possible and much much happier as well like most were	2/21/2022 12:08 AM
1518	Only to the extent that the news media made it the most newsworthy news item, it got tedious. Also the more media coverage there was, the more advertising the convoy got, the bigger it developed.	2/21/2022 12:07 AM
1519	Its lit a flame of hope back in my heart.	2/21/2022 12:06 AM
1520	The convoy has brought back faith and hope within me that our canada that I grew up in will return back to how it was when I grew up .. minus a corrupt govt!! I fully support peaceful protest and the right to assembly!	2/21/2022 12:06 AM
1521	Gave me hope and made us stand up for ourselves -	2/21/2022 12:06 AM
1522	Great support to a big problem	2/21/2022 12:06 AM
1523	It has not affected me directly but I am very encouraged by it.	2/21/2022 12:06 AM
1524	Brought me hope	2/21/2022 12:05 AM
1525	Prevented us from engaging in some activities (skating, outdoor festival) due to convoy disruptions in many areas over the past few weekends.	2/21/2022 12:05 AM
1526	Given me so much hope!	2/21/2022 12:05 AM
1527	Provided hope that mandates will end soon!	2/21/2022 12:05 AM
1528	It has given me some hope that I will get my job and my freedoms back and with love and unity we can move forward and hopefully never experience this amount of lies hate, and division from our own government again.	2/21/2022 12:04 AM

1535	It has created stress and a division within my family. Makes me depressed how little some people care about others.	2/21/2022 12:03 AM
1536	Faith feeling Canadian again	2/21/2022 12:03 AM
1537	It's restored my faith in Canadians but also made me hate police	2/21/2022 12:03 AM
1538	Provided hope for the first time in 2 years. Finally showing many Canadians we arent alone.	2/21/2022 12:03 AM
1539	Felt in control for the first time in two years!	2/21/2022 12:03 AM
1540	At this time, I do not know how to answer that. I do know that I support it, but I can't help but get a sour taste from those very, very few who choose to use it for their own, discriminatory views. Which I know is not what the convoy is about. Unfortunately, there are true assholes in every crowd.	2/21/2022 12:03 AM
1541	Provided hope that if the government realized enough Canadians had concerns about these mandates, and it wasn't some fringe conspiracy theorist group, that possibly we might not become a science fiction totalitarian novel.	2/21/2022 12:03 AM
1542	It has given me hope that I'm not alone and showed me that Canadians want freedom alike.	2/21/2022 12:02 AM

1546	Given me hope. That we are united and fight for freedom and to have a choice and also to be recognized/acknowledged/heard what our rights as Canadians	2/21/2022 12:01 AM
1547	Some empty shelves in stores, a minor inconvenience.	2/21/2022 12:01 AM
1548	No affect	2/21/2022 12:01 AM
1549	It has brought to the fore front the bias of the popular media as well as the childish name calling and power plays so casually delivered by both the politicians and the convoy hot heads. It is so sad that the pro choice message has been buried in talk of swastikas and ammunition. Our politicians dismiss our lives in yik yak, never actually answering questions or addressing real concerns. They no longer work for us, we work for them.	2/21/2022 12:01 AM
1550	Made me finally feel like a Canadian again , and hope people will finally stand up to our corrupt government	2/21/2022 12:00 AM
1551	Finally a group of people demonstrated the frustration of the people. Politicians are not serving the people who elected them. Politicians cannot be held responsible for anything. Enough is enough!	2/21/2022 12:00 AM

1557	The misinformation out out by the convoy has made friends/family discussions difficult.	2/20/2022 11:59 PM

1560	Gives me hope that these mandates will end	2/20/2022 11:59 PM
1561	We now have the government "by the throat", and the convoy may very well PROVE that this "pandemic" never was! - I'll explain why...(and the graph doesn't lie...) Notice how there's no "outbreak of covid" anywhere in Ottawa "because of the convoy"?? - People are NOT social distancing / isolating / restricting themselves in ANY way... - We're all having "face to face" conversations without masks... - Eating foods handed BY HAND, and not "dropping dead" right there and then, like THEY would have you believe... -We've broken every "rule" in the book, and are still healthy and alive...not a single sniffle or "cold symptom" on my own behalf, and I've been EVERYWHERE downtown myself...every day! - The convoy has shown "proof" that this "pandemic" has been FAKE...or at the very least - over blown! (...for those who still believe in a virus without an actual specimen available in a petri-dish or test tube anywhere on earth...<< facts.) - It's the common flu renamed, in my strong opinion! (As well as others...many who are actual professionals in "the field"...myself included.) - NOR can they LIE through mass media about an "outbreak" due to the convoy...lest the protesters themselves debunk the claim right there and then, and absolutely destroy any remaining "credibility" they may have - both the government's, as well as their paid media! The government is "scrambling" to "dissolve the convoy" in any way they can - I can smell the desperation through the "noticeable escalation" of the blatant misinformation they've been pumping out since the convoy began! Stay strong, folks...we can...we WILL do this!	2/20/2022 11:59 PM
1562	I think it has done a great thing for Canada and Canadian Citizens. The trucker's see the whole picture, and they know what's taking g place within the economy. They are taking a Bold, Honest, step forward and speaking out with the TRUTH. They want to confront the Government with their LIES, Unjust Practices, Illegal Actions, All Unaccepctable Behavior and Unjust Manipulation used toward all Canadians.	2/20/2022 11:59 PM
1563	It hasn't. It has given me hope that Canadians are tired of being pushed around.	2/20/2022 11:58 PM

End everything linked to inflation, fuel pricing, carbon tax, it's all part of the plan!! I'm sick to see them forcing this upon us.	2/20/2022 11:57 PM

1604	Given me hope and showed me there is a lot of people in Canada that want our constitution and charter to be the actual law of the land. People don't want to be treated like the governments slaves. People want to decide their personal medical choices. My body my choice.	2/20/2022 11:52 PM

1617	They are going to create larger debt that we will all have to pay for.	2/20/2022 11:50 PM
1618	It's shown that these fools calling themselves "freedom fighters" are selfish, entitled idiots that clearly don't know privilege from our rights. They have embarrassed the rest of us citizens that are not gullible enough to buy into conspiracy theories. They have shown themselves as fools who refuse to help their own neighbours and go against the moral compass of most honest, intelligent, and empathetic Canadians. They are the ones dividing the country by not taking care of all citizens and our healthcare system. I am ashamed to be sharing a province with one of the organizers!	2/20/2022 11:50 PM

1624	just my sanity	2/20/2022 11:49 PM
1625	I loved it and supported it fully. Those truckers and protesters should be proud of themselves for standing up for our freedoms.	2/20/2022 11:49 PM
1626	The trucker convoy made me proud to be Canadian. The borders should be open to all of them, not just those carrying vaccines that clearly don't work.	2/20/2022 11:49 PM
1627	A complex issue resulting in a knee jerk reaction from the liberals. Now I do not trust our government anymore	2/20/2022 11:49 PM

1633	It brought hope and a sense that other Canadians wanted to push for a return of all our Charter rights and freedoms to be restored	2/20/2022 11:48 PM
1634	It has given me hope. It has also shown that many more people then I realized are not on board with all of this. It has also exposed censorship and lies. I witnessed this personally as I was participating in the convoy and spend days in Ottawa with them.	2/20/2022 11:48 PM
1635	Been encouraging, awesome to see them fighting for freedom	2/20/2022 11:48 PM

1649	Gave us hope	2/20/2022 11:45 PM
1650	At first, I was intrigued by the number of participants, then I was extremely grateful to them for standing up for me and my choice. Then I was concerned at seeing the Nazi flag and disrespect of the National Monument but was reassured when the convoy citizens cleaned it up and defended it. Then I was horrified by how the mainstream media CBC, CTV (who I have watched and trusted my whole life) were covering the news and repeating the Nazi message. Then I was relieved when my husband found so many live stream sites that were showing how many people were supporting the trucker convoy and want the freedom of choice to be restored and how nonviolent but committed the protesters were. Now I am horrified and frustrated at they way our Prime Minster WON'T even address them and has instituted the Emergency Measures act and continues to hide from it all. This is scary, embarrassing, and making me angry as a Canadian citizen.	2/20/2022 11:45 PM
1651	Made me proud to be canadian again	2/20/2022 11:44 PM
1652	It was giving us hope for better things to come.	2/20/2022 11:44 PM
1653	It doesn't, but I have been saddened by the response of the governments refusal to address fairly the people they are suppose to serve	2/20/2022 11:44 PM
1654	Great happiness and hope for a better future!! They have brought a feeling of peace and great joy! They are a beacon of light in this dark time in Canadian history!	2/20/2022 11:44 PM
1655	It has brought me hope for the future and brought back that Canadian feeling that has been lost a long time. I've been able to re-connect with old friends and felt not alone for the first time in a long time.	2/20/2022 11:43 PM
1656	It's given me hope and a community of like minded people. Its made me view Canadians the way I used to. Reminds me of the Canada I once knew..accepting of all race, religion and personal choice.	2/20/2022 11:43 PM

1658	Made me very sad that people have been so divided and our leader will not even attempt to normalize our nation..just force n scare tactics, unnecessary punishments	2/20/2022 11:43 PM
1659	It gave me a sense of hope.	2/20/2022 11:43 PM

1671	None	2/20/2022 11:41 PM
1672	I believe Canadians have the Constitutionally protected right to assemble and peacefully protest. I do not support blocking border crossings. Our government has refused to take concerns of millions of Canadians seriously, and seems to be taking an authoritarian approach to all of this. I worry for the future of Canada in remaining a free country that respects rights, freedoms, our Constitution and our Charter. I worry that when government grants themselves more power and less accountability, they won't want to give it up and go back to normal.	2/20/2022 11:41 PM
1673	Pride good that they protested sorrow re rebel rousers allowed to be in in Invoivrd the action (lack of action) ad improper force of policeLeft a big ache through Canadians are so hurting	2/20/2022 11:41 PM

1693	It hasn't	2/20/2022 11:39 PM
1694	It has been stressful and obnoxious. I feel such disappointment and anger about the convoy. Having to explain to my children why a large group of people feel emboldened to stand with white supremacists has been unbelievably disheartening. The convoy makes no sense to me, and the "freedom" they are fighting for doesn't make sense either. They are not an oppressed group of people. With restrictions lifting more and more, their motives make less and less sense, and their plans for what they are fighting for keeps changing. There is no clear direction. They are a harmful group and an absolute embarrassment.	2/20/2022 11:39 PM

1771	In a positive way, it has gave me and my family hope and making our country united	2/20/2022 11:27 PM
1772	Pride	2/20/2022 11:27 PM
1773	I believe Prime Minister Trudeau should listen to the trucking convoy instead of ignoring them. I totally understand how the trucking convoy feels. Prime Minister Trudeau should take full responsibility for the trucking convoy. He should be the prime minister not a scary cat. He should do his job and not pretend he had Covid. I have absolutely no respect for Prime Minster Trudeau.	2/20/2022 11:27 PM
1774	The truck convoy gave me hope in humanity	2/20/2022 11:27 PM
1775	It has provided hope that there are many Canadians that prefer freedom over mandates regardless of their vaccine status.	2/20/2022 11:27 PM
1776	It has been very hopeful. Disgusted with how the government has responded.	2/20/2022 11:27 PM
1777	Reduced my faith in fellow Canadians. Made me realize we have a radicalization problem and a conservative problem.	2/20/2022 11:27 PM

1786	Has given me hope and my patriotism for my country.	2/20/2022 11:26 PM
1787	I am so proud of the peaceful Truckers Freedom Convoy. (Not the people that are trying to disturb things) I've been watching it live and on Fox News, which is confirming accurately the things that the convoy was doing. They are reporting truthfully and accurately, this convoy has only confirmed what I knew. Why mainstream lame stream media is not to be trusted. They can be bought and they are lying liars	2/20/2022 11:25 PM
1788	The Coutts convoy affected local economy, the Ottawa convoy makes me feel sad and disappointed to be a Canadian.	2/20/2022 11:25 PM

Canadian citizens.

1810	It has given myself and everyone I know a sense of hope. It has also give the majority of the population a clear sight of the lies and the lengths to which the medical cabals and bought off criminal politicians will got to enrich themselves while the average person suffers.	2/20/2022 11:23 PM
1811	It hasn't its a symbol of hope	2/20/2022 11:23 PM
1812	The truckers are the heart and soul of Canada - the most beautiful people in the land.	2/20/2022 11:23 PM

1814	Has brought hope, has given me courage to speak out, I'm humbled by these wonderful people that are fighting for our freedoms!	2/20/2022 11:23 PM
1815	They disappoint me. I never realized how many selfish people there are in Canada who don't understand basic political theory and lack the ability to understand they are being grifted by those who want to undemocratically overthrow the government even though we had an election 5 months ago. If you disagree with the government, then vote at the next election.	2/20/2022 11:22 PM
1816	The trucking convoy has given us hope here in Canada! Because of them I am a proud Canadian citizen!	2/20/2022 11:22 PM

1821	Gave me hope	2/20/2022 11:21 PM
1822	Given some hope, but could not believe what the government did to stop it with no dialogue. Made me wonder how can leaders of Canada do the unthinkable. We see this in countries that are run by tranny.	2/20/2022 11:21 PM
1823	I've felt hope and joy. there is something between me and the enslavement of all of humanity.	2/20/2022 11:21 PM
1824	It's actually people that want to stand up and have had enough. I would have been there but I am to sick with chronic illness. I finally feel like they will make a difference with this government. We should be able to question things and not be made to feel less then. I do not agree with Justin Trudeau and want him out of office asap! He is scary ☹️	2/20/2022 11:21 PM

1830	Embarrassed for my country. Shocked at the ignorance and hatred of this extremist minority.	2/20/2022 11:20 PM
1831	Gave some hope for a positive change but I doesn't look like it'll ever happen.	2/20/2022 11:20 PM
1832	It has brought me renewed hope for a brighter future.	2/20/2022 11:20 PM
1833	It's embarassed me as a Canadian and changed how I view our flag. I travel abroad often and this makes me cringe for future travel and how I will be viewed as a Canadian.	2/20/2022 11:20 PM
1834	Brought me hope	2/20/2022 11:20 PM

1840	It's blocked roads as we are trying to get to work and sports. It's disrupted supplies.	2/20/2022 11:19 PM
1841	It gave me hope and made me proud to be a Canadian again! So much joy and happiness to watch the crowds celebrate together and share it with those who are unable to join in.	2/20/2022 11:19 PM
1842	Gave me great hope in Canadians standing up for the rights of Canadians...and for the promise it held that Communism and the tyranny of Communism in our free country will end.	2/20/2022 11:19 PM

1845	It has given me hope. It's wonderful to know we are not alone.	2/20/2022 11:19 PM
1846	It has made a stance on freedom and declared to the world that the government is to serve its people, not the other way around.	2/20/2022 11:18 PM
1847	It hasn't affected my life in a negative way	2/20/2022 11:18 PM
1848	It's made me hate crybaby snowflake conservatives even more, and I hope they all catch bullets to the face.	2/20/2022 11:18 PM
1849	I have freedom to make a choice on what I put in my body. Hope for humanity. Reestablishing of the government that they work for us not control us. Freedom to go into public spaces I couldn't before because of vaccination status. Thank you truckers!!	2/20/2022 11:17 PM
1850	Being a cross border trucker the convoy and blockades have impacted my time at home having to find alternative ports of entry. Also, seeing how both my federal and provincial governments have handled the situation makes me fearful for the future and clearly shows how far Trudeau will go for power. I do not feel safe in Canada and I do not trust law enforcement to act within the Charter of Rights and Freedoms.	2/20/2022 11:17 PM
1851	They came into my city, desecrated our national monuments and memorials, defecated on my neighbours' lawns and porches, assaulted my friends both physically and threatened to rape them. They damaged our infrastructure and tied up police funds, raising our property taxes. I do not support the occupation of Ottawa and I call the convoy by their name: domestic terrorists.	2/20/2022 11:17 PM
1852	Not at all	2/20/2022 11:17 PM
1853	It has caused me to be embarrassed that I live in Saskatchewan and in Canada. It has also illuminated the racism and discrimination that has always been here, and seems to have made racists bolder. How can that never be a good thing??	2/20/2022 11:17 PM
1854	Has given us hope that maybe we could get back to a normal life . Has shown us how corrupt our government really is . Has proved to us that Trudeau is a Traitor & does not give a shit about the Canadians .. it's all about him .. I cannot stand the sight or sound of JT	2/20/2022 11:17 PM
1855	Unsettled	2/20/2022 11:17 PM
1856	Gave me some hope that we can return to our amazing and free country again. Love how something so horrible has drawn people together in the most beautiful way!	2/20/2022 11:17 PM
1857	Gave me hope again. Made me proud to be Canadian again. The unity and love shared within everyone who supports the convoy is beautiful	2/20/2022 11:17 PM
1858	Has given hope to a free future in a country I have always believed was free until the past two years	2/20/2022 11:16 PM
1859	Well I found the way the government spoke to people who are blue collar worker I Hurd the government bulling the people and they used the police to do his duties work am and all the fake media is so disturbing I fell our government is racim I thought we as a country is better them this I no longer trust the government and the police and the health care and disappointed to say am a candidate citizen	2/20/2022 11:16 PM
1860	Wrong approach and disruptive in an already strained existence.	2/20/2022 11:16 PM

Canadians vote on Canadian Mandate - February 2022

1861	It is the first time I've actually felt proud to be Canadian in years. Trudeau's continuous attack of our country and its people has made me ashamed of our government. The truckers and protesters have brought back the realization that it is the country I love and the government I'm so disappointed in.	2/20/2022 11:16 PM
1862	Made me think positive, happy But afraid Trudeau is in control now - has to be stopped	2/20/2022 11:16 PM
1863	It made me feel like a Canadian again and proud until JT DID WHAT HE DID	2/20/2022 11:16 PM
1864	It hasn't	2/20/2022 11:15 PM
1865	Bunch of fucking self-centered ignorant assholes screaming about their freedoms while they block the actual people doing the work, infringe on real freedom of law-abiding citizens, and who don't have the knowledge or critical thinking skills to understand that we all give up individual freedoms to create a better society for everyone. Want to drive at breakneck speed through parks? You can't. Want to poop on the sidewalk? You can't. Want to serve poison food at a restaurant? You can't. Fuck you all and your conspiracy theory anti-science anti-intellectual bullshit.	2/20/2022 11:15 PM
1866	Loud and obnoxious. Embarrassing and divisive Racist Please stop	2/20/2022 11:15 PM
1867	It's given me hope that I'm not alone and that there are thousands of people across the country and the world that feel the same way.	2/20/2022 11:15 PM
1868	It has given me hope. It has renewed my love for Canada, a place it did not even recognize anymore. It has shown me that people unite and love their country. It has shown me that other people felt the hatred that the vaccine believers felt they had the right to judge and berate and condemn because they felt like they were the only ones with the right opinion. The Trucking convoy has shown me what true courage is like. What true love is like. The government has only divided families, friendships and relationships. I've never felt so much hatred and judgement and condemning as I have with Justin Trudeau as a leader. Thank you truckers for showing me everyone matters...	2/20/2022 11:15 PM
1869	It has brought hope to myself and my family. I am proud of everything they are standing up for. They are bringing back FREEDOM!	2/20/2022 11:15 PM
1870	Hope	2/20/2022 11:14 PM
1871	It has made me angrier than anything in these past two years.	2/20/2022 11:14 PM
1872	None.	2/20/2022 11:14 PM
1873	It has given me hope for the future.	2/20/2022 11:14 PM
1874	Refer to #9	2/20/2022 11:14 PM
1875	It has proven everything I knew was true about the Canadian government and the PM	2/20/2022 11:14 PM
1876	It did not affect me directly but my son-in-law that is employed in the supply chain system has found a challenge in arranging shipment of goods. It was disturbing to hear people who don't understand basic science and blame politicians for a pandemic.	2/20/2022 11:14 PM
1877	It gave me momentary hope and I began to feel proud of being Canadian again. Until the police forced out and attacked the peaceful protesters. There wasn't even any real addressing of the situation or peaceful attempt by our government to find a reasonable solution. I feel absolutely disgusted by the state of our once-great country.	2/20/2022 11:13 PM
1878	Not really	2/20/2022 11:13 PM
1879	They are brutally annoying and divisive.	2/20/2022 11:13 PM
1880	They support ending the mandates for all Canadians	2/20/2022 11:13 PM
1881	Not at all except for entertainment value	2/20/2022 11:13 PM
1882	Not affected	2/20/2022 11:13 PM
1883	Ruined the Canadian flag, shut down my city, terrorized my friends living downtown. Made it unsafe by purposely blocking the 911 lines and slow-rolling the highways. Put hundreds of people out of work for 3 weeks.	2/20/2022 11:13 PM
1884	I think it was great at the beginning. It has given everyone hope but it needs to end too. Point	2/20/2022 11:12 PM

	has been made.	
1885	It hasnot	2/20/2022 11:12 PM
1886	It gave me hope and it brought Canadians together for the first time in 2 years	2/20/2022 11:12 PM
1887	Gave me hope	2/20/2022 11:12 PM
1888	It has made me fearful of the racist and terrorist white supremacists who are being allowed to occupy our cities.	2/20/2022 11:12 PM
1889	It has been positive, if has given me hope that mandates will end, that everyone deserves a choice without coercion of potentially losing their job or being excluded in society.	2/20/2022 11:12 PM
1890	They brought JOY, HOPE CLARITY OF THE CORRUPT GOVERNMENTS AND NEW AWARENESS TO SLEEPING CANADIANS. THEY ARE TRUE HEROES. TRUDEAU AND FORD HAVE SOLD OUT OUR CANADA. TREASON!	2/20/2022 11:12 PM
1891	It's simultaneously made me more proud to be Canadian than I thought was humanly possible and also hate the Canadian government more than I thought was humanly possible.	2/20/2022 11:12 PM
1892	I will not share my medical information	2/20/2022 11:12 PM
1893	Caused stress because our PM pushed it to become a blockade by his inaction. Prooves our PM is not a leader for Canada, overreaches for power, instead of communicating with Canadians, after he himself is the one who incited hate and division. I believe the PM is the one who escalated the convoy to become a blockade. Which causes people to become fearful, and that he doesn't care about any Canadian who doesn't have his ideology, causes stress, as a citizen having a PM who since in office does not have to be held accountable for his involvement in corruption, eg. SnC Lavalin. Hard to face everyday with a PM in office who just wants his own way, and not what is best for Canadians.	2/20/2022 11:11 PM
1894	It hasnt	2/20/2022 11:11 PM
1895	Hope. Positivity.	2/20/2022 11:11 PM
1896	Not directly in any way other than to give me hope.	2/20/2022 11:11 PM
1897	The Convoy gave me hope... really thought they would succeed to at least force the government to give us a plan / timeline to end the mandates.	2/20/2022 11:11 PM
1898	It gave me a new hope, sense of unity, love. It reminded me why I immigrated to Canada.	2/20/2022 11:11 PM
1899	INSPIRED me	2/20/2022 11:11 PM
1900	It has only reinforced stereotypes of how the under educated portion of the population does not connect the fact that we are part of an interconnected society. The convoy is a small percentage of the trucking industry that is also not welcome in the US according to their laws.	2/20/2022 11:11 PM
1901	Give hope	2/20/2022 11:11 PM
1902	Have inspired me to go the local protest events and be more vocal about what I think	2/20/2022 11:10 PM
1903	It made me see how corrupt our government and low enforcement is. How political everything has become.	2/20/2022 11:10 PM
1904	It brought hope to a bad situation and it made me proud to be Canadian again. Trudeau needs to be fired and it's maddening that it hasn't happened yet. The fact that he can't even listen to the trucker convoy or meet with them but can stand in the streets during one of the most violent protests in history (BLM) in support shows that he can't be trusted and isn't for the people.	2/20/2022 11:10 PM
1905	Wish I was there. Canadians have fun while fuck tard hides and plays games with Canadians. Police have caused more damage than anything else	2/20/2022 11:10 PM
1906	It's offered inspiration and hope	2/20/2022 11:10 PM
1907	It gave me piles more wrinkles and grey hair, sleepless nights, etc. because Trudeau wouldn't even talk to them, the main news only told what they were ordered (lies) but mostly, seeing what went on, for the first time in my long life I was ashamed to be a Canadian because we're not free anymore, all because of a cold/flu and dumb rules/laws.	2/20/2022 11:10 PM

Canadians vote on Canadian Mandate - February 2022

1908	They have started to open up people eyes and see what's really going on. Other provinces have started scrapping the bs because of them regardless of what the media says. They made me believe being Canadian is actually a good thing again.	2/20/2022 11:10 PM
1909	I am ok with truckers standing up for their and our rights I prepared my home for emergency measures Truckers encourage patriotism and that's a terrific thing!	2/20/2022 11:10 PM
1910	It's given me hope and courage to know so many other Canadians feel as I do and have had the bravery to speak out and show our government what they're doing is not ok.	2/20/2022 11:10 PM
1911	Unity	2/20/2022 11:10 PM
1912	Hope for freedom	2/20/2022 11:09 PM
1913	The first time in my life at almost 40 where I've been very proud to be Canadian.	2/20/2022 11:09 PM
1914	The convoy brought me hope and joy for all of us Canadians for the first time in a long time. The unity, love and energy brought many tears to my eyes. Then the brutality started not by the protestors but by the so called people who swore to serve and protect. They all need to be arrested and charged for their criminal offences.	2/20/2022 11:09 PM
1915	Gave me hope in the future of Canada. Made me pray fervently for God to save our country and its citizens from a life of oppression.	2/20/2022 11:08 PM
1916	Brought hope back into a world of Scared people. I want to live and do stuff freely.	2/20/2022 11:08 PM
1917	Not at all.	2/20/2022 11:08 PM
1918	Brought me hope. Made me feel we weren't alone, felt patriotic for the first time in 2 years. Felt supported by all Canadians, made me proud. My husband wanted to move to the US and was ready to put house on market he went to Ottawa and had changed his mind.	2/20/2022 11:08 PM
1919	Has not, it brings hope and joy to the community	2/20/2022 11:08 PM
1920	It has made me very depressed and angry.	2/20/2022 11:07 PM
1921	I am a trucker! With no job because of the mandates! That was barely getting by because of how politics have influenced freight markets for the last 2.3 years. Over COVID Really life can only get better ! Looks like the convoy at least has brought awareness to how big of a problem the people of Canada has!	2/20/2022 11:07 PM
1922	Beautiful feelings of unity! Humans coming together freedom	2/20/2022 11:07 PM
1923	It sparked renewed hope for the future. Before the truckers the future was really bleak.	2/20/2022 11:07 PM
1924	I was appalled by this occupation of the city of Ottawa, and the blockades of our border crossings. We all have a right to protest, but we don't have a right to make demands and insist our demands are met. This is not how our democratic process works. I did not agree with the demands of these protesters and they certainly did not speak for or 'fight' for me. Not sure what they were thinking - since when do groups of disgruntled citizens showing showing up to protest think it's their RIGHT to have an audience with the PM, or that the government needs to meet their demands or they won't leave? This is the way spoiled children behave when they get angry and throw a temper tantrum. I hope they all face strong consequences for their participation in this act of treason.	2/20/2022 11:07 PM
1925	It has caused me some emotional distress in trying to determine my thoughts about it. I think that it is okay for people to stand up for what they believe in, however, I also think that the trucker convoy has taken things too far in some instances. I am tired of the divisiveness and hate that has been directed towards one another when people do not agree. I believe that social media has negatively impacted many things related to COVID through misinformation and hateful speech.	2/20/2022 11:07 PM
1926	It has raised prices in stores, disrupted the supply chain and is causing shortages in stores. As well my produce is spoiling faster than ever.	2/20/2022 11:07 PM
1927	Given me hope that we have a future. Pride that Canadians are united as one again.	2/20/2022 11:07 PM
1928	Joy for a few days.	2/20/2022 11:06 PM
1929	It makes me feel more like a Canadian again, makes me want to help the truckers. It's encouraging.	2/20/2022 11:06 PM

1930	Given hope	2/20/2022 11:06 PM
1931	Not at all	2/20/2022 11:06 PM
1932	Given a bit of hope that a return to normalcy is not just a fantasy.	2/20/2022 11:06 PM
1933	Given hope	2/20/2022 11:06 PM
1934	Gave us hop ♥. Taught me to speak out against tyranny, and not to fear because god has control	2/20/2022 11:06 PM
1935	Given me a glimmer of hope that we the people of Canada still have a say and we follow the constitution and rights of my fellow citizens	2/20/2022 11:05 PM
1936	It has given me hope that the governmental over-reach will end. That Canada will remain a democracy and not an authoritarian or totalitarian regime in the control of a despot.	2/20/2022 11:05 PM
1937	Hasn't affected me very much other than our food, necessities being held up.	2/20/2022 11:05 PM
1938	Not at all.	2/20/2022 11:05 PM
1939	Not at all	2/20/2022 11:04 PM
1940	For the first time in two years I was totally heartened by real people standing up and speaking about what we as Canadians were not allowed to speak about in public-ie. the complete disregard for our sovereign rights to safety of the person, ability to assemble, freedom of speech and freedom to travel and visit with friends and family etc. under the Charter. I was impressed by the sincerity of the Freedom convoy and the people who put their livelihoods at risk including the doctors, scientist, military, police, RCMP, nurses and others who spoke out in such a public forum. It is the first time I have had any hope for any possibility of change in Canada. Seeing the horrific response by Trudeau and his cohorts in instituting the Emergency Act and freezing bank accounts of anyone involved has been devastating!! I am grateful that these "hidden things" have come to light. I am hopeful that more Canadians have woken up to the reality of the oppressive nature of this current government which has constantly censored and silenced those who do not agree with the oppressive mandates. I am grateful for the courage and conviction of the Freedom Convoy who have mobilized Canadians in a way I have never before seen.	2/20/2022 11:04 PM
1941	Give us hope	2/20/2022 11:03 PM
1942	Annoys me that people supposedly fighting for freedoms had no problem taking away other peoples' freedom in the process.	2/20/2022 11:02 PM
1943	Negatively	2/20/2022 11:02 PM
1944	Giving us hope to stand up for what we believe in - medical freedom!!!	2/20/2022 11:02 PM
1945	The truckers have been so inspiring with peaceful assembly in the name of freedom. I have hope again.	2/20/2022 11:02 PM
1946	Gave me hope, I'm not the only one who's felt fear and anxiety because of the governments bs the last two years	2/20/2022 11:02 PM
1947	It make me proud to have so many Canadians willingness to stand up for their voices & standing up for all of us that haven't been allowed to have a voice. They keep me hopeful for our freedom.	2/20/2022 11:02 PM
1948	It is the greatest unification event for Canadians in years. I fully support them Or any group that will stand up for My rights and freedoms.	2/20/2022 11:01 PM
1949	I'm finally proud to be Canadian again, not because of who runs our country but because of my fellow Canadians.	2/20/2022 11:01 PM
1950	They showed me that compassion and empathy still exist. The smiles, laughter, camaraderie, hugs, I've missed that so much and wasn't sure it even existed anymore.	2/20/2022 11:01 PM
1951	so far improved everything	2/20/2022 11:01 PM
1952	Positively	2/20/2022 11:00 PM

1956	Starting to feel positive about going back to a normal life.	2/20/2022 11:00 PM
1957	Realized how divided our country is but it's given me hope.	2/20/2022 11:00 PM
1958	I now realize how ridiculous & "dictatorship like" the Trudeau government is !!!!!	2/20/2022 11:00 PM
1959	It has showed me that the truckers could bring the country back together something that Trudeau hasn't done since hes been elected	2/20/2022 11:00 PM
1960	It brought hope. It brought feeling of patriotism and unity.	2/20/2022 10:59 PM
1961	It gave me high expectations that this world seen the evil that has been displayed and enforced.	2/20/2022 10:59 PM
1962	None- they're a bunch of spoiled idiots	2/20/2022 10:59 PM
1963	Give some hope	2/20/2022 10:59 PM
1964	It provided hope when it was needed. The tyrannical end to the convoy is surreal; in this country, this never should have happened. We did not vote for The World Economic Forum, we voted for what the convoy stood for... FREEDOM.	2/20/2022 10:59 PM
1965	It has given me HOPE!!	2/20/2022 10:59 PM
1966	I do not agree with overthrowing the government, however the convoy has given me hope, a sense of joy, and a feeling of unity that I hadn't experienced prior to March 2020 (when lockdowns really hit Ontario).	2/20/2022 10:58 PM
1967	Made me feel proud and happy.	2/20/2022 10:58 PM
1968	How could they be so selfish and dumb? We're nearly through this. Even if the government had lifted the mandate they still couldn't cross the border unvaxxed. I believe the truckers are being used by wingnuts with a hidden agenda and it upsets me. For now I have to be careful what I say to anyone even friends and family because of their views.	2/20/2022 10:58 PM
1969	Humbled that others have risked so much to fight for our freedoms.	2/20/2022 10:58 PM
1970	It has united us	2/20/2022 10:58 PM
1971	Empowered myself and Canadians to stand up for freedom.	2/20/2022 10:57 PM
1972	I cleared my list of connections in Facebook from some cult followers	2/20/2022 10:57 PM
1973	They took Guts to do what they did, if you don't stand for something you will fall for everything. I Thank the truckers for standing up to what was right	2/20/2022 10:57 PM
1974	Very positively	2/20/2022 10:57 PM

1977	It has blocked access to medical care, my way to work, been noisy and made it scary	2/20/2022 10:57 PM
1978	It has given me hope	2/20/2022 10:57 PM
1979	The clown convoy is but a minor loser bunch of scabs on the planet, they are losers who can't be bothered to change anything in their lives to help others. They are selfish pricks who care only about themselves. I am ashamed to share any nationality with them. They make me ashamed to be Canadian.	2/20/2022 10:56 PM

1988	It's shown me that the people who disagree are not a fringe minority	2/20/2022 10:54 PM
1989	Made me sad that misinformation can lead to such un-Canadian occupations with no regard for their effect on others. It's not freedom when you take others' freedoms away. This was not a protest. It was anarchy with extreme elements	2/20/2022 10:54 PM
1990	Can't describe how thankful I am that someone have a courage to voice out to the govt.regarding these mandates.	2/20/2022 10:54 PM

1999	It gives hope justice will prevail and corruption will end	2/20/2022 10:53 PM
2000	Not a lot, although I see the way their loud demands are further polarizing people, not terribly much. I feel for those whose lives have been heavily disrupted. And I feel some provincial politicians (including my premier) has capitulated and prematurely removed restrictions	2/20/2022 10:53 PM
2001	I have been vey proud of them. The world is watching.	2/20/2022 10:53 PM

2005	Made me proud of my roots and a proud Canadian!	2/20/2022 10:52 PM
2006	I believe they are fighting for everyone to make a conscious decision in their health. Which its your decision. The government shouldn't want to dictate what everyone should be doing.	2/20/2022 10:52 PM

2020	It gave me hope, it created smiles & happiness. Made me feel like I mattered instead of the feelings of inadequacy the Prime Minister has caused through insults	2/20/2022 10:50 PM
2021	I am embarrassed that such a small minority of people have been permitted to shut down multiple border entries and occupy Ottawa for weeks. I feel terrible that residents of the downtowns of our major cities have had days and nights of noise and redneck selfish behaviour. I have plans to reclaim our flag with acceptance and positivity as soon as Health and Safety allowed. They will not win.	2/20/2022 10:50 PM
2022	It gave me hope that maybe, just maybe we can get out from under this turds thumb!	2/20/2022 10:50 PM
2023	It has showed me that more and more people want all of this to end and that Justin Trudeau is trying to push more and more restrictions on our country. Soon we might be like China and that's scary.	2/20/2022 10:49 PM

2033	It has caused hardship for my family and supply disruption which I will be paying for through higher prices	2/20/2022 10:48 PM
2034	It has finally started waking people up to this corruption something that I have been trying to do since this began 2 years ago	2/20/2022 10:48 PM
2035	Positive	2/20/2022 10:48 PM

2056	Giving me hope and a sense of community that there are some people who can see this "pandemic" for what it really is. I hope this was enough to wake people up, and I'm quite disappointed that it has escalated to the point where people are unable to peacefully stand up for what is right, absolutely pathetic! Full support of the trucking convoy!	2/20/2022 10:45 PM

2081	How prophetic our government reacts and responds to the events. Absolute eye-opener how corrupt government the RCMP and the media actually is .	2/20/2022 10:42 PM
2082	Gives hope	2/20/2022 10:42 PM
2083	The Freedom Convoy and all of their supporters have given me and my family a hope that we haven't felt since mandates/Covid began. The outpouring of support made our family realize that we are not alone in feeling this way, that hundreds of thousands of people feel the same way.	2/20/2022 10:42 PM
2084	No	2/20/2022 10:42 PM
2085	Made me realize there were racists pretending to peacefully protest our Canadian way of life being funded by out of country contributors. The convoy and followers are concerned about nobody but themselves.	2/20/2022 10:42 PM
2086	It has not affected me. I totally support their fight for freedom.	2/20/2022 10:42 PM
2087	Hopeful Optimism	2/20/2022 10:42 PM
2088	Given me hope ! they r speaking out in a peaceful way the real truth of what these mandates r doing to us and our freedoms	2/20/2022 10:42 PM
2089	in a positive way, I stood with the nurses when the mandates hit them and that was not right, the vaccines does not make one immune, they can still catch it and spread it like any unvaxed person can and I always thought helping the nurses would end things but it seems during a health crises nurses and doctors are not important enough, it took the convoy for people to notice and stand up, it has inspired hope for all the people	2/20/2022 10:42 PM
2090	Terrible to see this rise of hatred by too many members of the convoy, as a member of one of the peoples that the hatred is directed towards, it makes me terribly concerned for our safety in Canada.	2/20/2022 10:41 PM

2102	It inspired me	2/20/2022 10:39 PM
2103	I was okay with them until they started negatively affecting other people's lives. They have no idea what it like to be in the trenches of hospitals.	2/20/2022 10:39 PM
2104	Loved everything about it and appreciated everyone's commitment	2/20/2022 10:39 PM
2105	Gives me hope	2/20/2022 10:38 PM
2106	It has made me get involved in rallies to help stop the government of overreach.	2/20/2022 10:38 PM
2107	It has caused me to be late for work. The people were incredibly disrespectful in my city and would not allow people to pass. They made me feel concerned for my safety and the safety of my coworkers as they were using our parking lot to turn around. It is fine to protest for little bits near the political buildings that can actually hear the message, bug it does not need to last for more than a couple hours to make an impact. Otherwise the message becomes annoying and completely disregarded.	2/20/2022 10:38 PM
2108	Positive...Given me hope	2/20/2022 10:38 PM
2109	A hope of getting our rights and freedoms back.	2/20/2022 10:38 PM
2110	It has given me hope, when I thought there was no more hope to be found, but unfortunately it has made it more real at how evil the governments of our beautiful country really are. I fear for them these precious people who were are so brace to fight for my freedoms while I was cowering under my bed crying. I must confess I was so ashamed of my nation that I literally threw out everything that had a flag on it or even said Canada on it. (Articles of clothing). Now I have a flag on my house again. I'm actually again proud to be a Canadian, and that is all thanks to a trucker. I see a truck and I see the word FREEDOM. I see HOPE. And one day again I will once stand on top of a mountain and sing at the top of my lungs. Oh Canada THE TRUE NORTH STRONG AND FREE. The Canada that I so loved. THANK YOU TRUCKERS for giving me hope again	2/20/2022 10:37 PM
2111	Gave me hope in people coming together for a greater cause - to get rid of Trudeau for one.	2/20/2022 10:37 PM
2112	atleast some one is doing soemthing right	2/20/2022 10:37 PM
2113	It gives me hope for life to go back to normal.	2/20/2022 10:37 PM
2114	Greatly	2/20/2022 10:37 PM
2115	Brought hope when there wasn't any left in the world.	2/20/2022 10:37 PM
2116	Harder to get products	2/20/2022 10:37 PM
2117	It has heal my depression my anxiety my fears and my anger. I don't feel alone anymore !! Thank you truckers we love You all	2/20/2022 10:37 PM
2118	I finally saw a light at the end of the two week tunnel! Our premier finally listened and removed some restrictions.	2/20/2022 10:37 PM
2119	It has brought hope as I witnessed someone being brave enough to make a stand. I watched the healing and unity it brought across the country It was beautiful watching and hearing the stories of people who were suicidal being given their hope back just as I felt mine being restored - seeing Trudeau spit on that and what the police have done is disgusting and they should be removed ... I am questioning many things now	2/20/2022 10:37 PM
2120	Gave me hope for the first time in 2 years!	2/20/2022 10:36 PM
2121	Proud of them	2/20/2022 10:36 PM
2122	I'm so happy they are fighting for our freedom	2/20/2022 10:36 PM
2123	Brought hope, unity, support and a coming together to stand up to the government tyranny and over-reach! The government has been suppressing us, demonizing us and de-humanizing us and even coming after our children!! We have had ENOUGH!	2/20/2022 10:36 PM
2124	Brought joy to my heart	2/20/2022 10:36 PM

2126	Made me proud to be a Canadian again	2/20/2022 10:36 PM
2127	To be quite honest for the first time it has given us that somebody was speaking up for the truth	2/20/2022 10:35 PM
2128	Finally gave me hope that this bullshit will come to an end in the very near future. There is some normalcy on the horizon.	2/20/2022 10:35 PM
2129	Given hope and unity back to Canadians	2/20/2022 10:35 PM
2130	Nothing negative, made me feel some hope for Canadians	2/20/2022 10:35 PM
2131	It has lifted my spirits and given me hope because I know that these truckers are expressing the same things so many have spoken. But these people are doing in a way that many were unable to do and also make our voices heard loud and clear! Same old business as usual does not work anymore.	2/20/2022 10:35 PM
2132	Given me a chance to see there are more people that feel like I do and want freedom to choose	2/20/2022 10:35 PM
2133	Positive! So glad they are taking a stand. I wish I could be there to help.	2/20/2022 10:35 PM
2134	It's brought me hope. It's united us to show that the people still have a voice. It's brought me light and hope for a better future for not only myself but for our younger generations to come. It's truly sad to see how our federal government has handled this situation.	2/20/2022 10:35 PM
2135	Gave a voice for those that were being dismissed	2/20/2022 10:35 PM
2136	It has brought renewed hope that life will finally get better.	2/20/2022 10:34 PM
2137	It hasn't	2/20/2022 10:34 PM
2138	I am so proud of them!!! 90% of them are said to be vaccinated and yet they stand up because they know this is all the way wrong! Good for them for standing up for themselves and ALL Canadians! The world is watching in support! This isn't over! Not even close. We are all peaceful loving Canadians fighting for freedom. We know the truth and see the bigger picture. The house of cards is falling. The truth will set us free. In God I pray.	2/20/2022 10:34 PM
2139	The trucking convoy has put joy and happiness in my heart. They have given hope for a future.	2/20/2022 10:34 PM
2140	Hope to have democracy back, freedom of choice for our own person, end of any discrimination.	2/20/2022 10:34 PM

2148	Made me proud to be Canadian again	2/20/2022 10:33 PM
2149	It hasn't good on them for sticking up for what they believe in	2/20/2022 10:33 PM
2150	Unity	2/20/2022 10:33 PM
2151	It gave me hope at last.	2/20/2022 10:33 PM
2152	Gave me hope to keep our freedom and for my grand children freedoms	2/20/2022 10:33 PM
2153	Has made me realize that I'm not the only one that is fed up with all these unfair mandates. I got the vaccines but I have family members that didn't and I didn't make them feel like shit because they had a mind of their own and chose not to. People should be allowed to make their own choices with their own bodies without our government stepping in to over rule a decision they make!	2/20/2022 10:33 PM

2160	Renewed patriotism	2/20/2022 10:32 PM
2161	Given me hope these beautiful heros	2/20/2022 10:32 PM
2162	It has made me feel less alone in my great dislike for the way my government has handled covid 19, and the way they are trying to force or coerce us into injecting something into our systems. I was worried that canadians would never say no, because we are very caring people and if you tell us what we can do to save our neighbor, we will want to do that. But there is no truth coming from the media anymore, and our government does not seem to have our best interests at heart. So what we need to do to help each other is opposite from what they have been telling us. We actually need to stand up, and stand together, and say NO MORE.	2/20/2022 10:32 PM
2163	Positively	2/20/2022 10:31 PM
2164	Brought some hope	2/20/2022 10:31 PM

2176	I, my family and our remaining friends have been given great hope that our voices will be heard and politicians and their blind followers will be forced to recognize the desperation that we feel.	2/20/2022 10:29 PM
2177	It's hard to explain.	2/20/2022 10:29 PM

2183	It has brought me hope that Canada will once again be free. It has given me joy to watch all the loved and unity displayed.	2/20/2022 10:29 PM

2192	Hope	2/20/2022 10:28 PM
2193	I worry about the next time a group decides to break laws and take our Capital hostage.	2/20/2022 10:28 PM
2194	Empowered me and waking people up	2/20/2022 10:28 PM
2195	I think it was good to signal that the mandates should end, but I believe that some powerful people at the top of this scheme are also using the truckers for their interests, as a political tool. Anything that George Soros funds may be good on the first level, but then you realize that they are creating chaos to advance their agenda of world monopoly.	2/20/2022 10:27 PM
2196	Convoy gave me hope that we might go back to normal. I cried for days watching it develop. I was happy someone was actually caring about us and stood up for our rights since our Prime Minister did not. He divided us. We are no longer allowed to visit or simply be around few of our family members due to not being vaccinated. Our grandma is dying at a retirement home and we cannot go visit her. Freedom Convoy gave me hope tjat our lives might go back to normal and that our children might actually have their normal future back. Our prime minister did not have the decency to at least meet with them. I watched live videos of it and also watched news. The two were so opposite. I lost all my trust in news. Terrorist is what they called them. Terrorists burn buildings, damage property, cause chaos, cause harm to people. I did not see any of that. However I think that once they received notice to leave Ottawa they should have.	2/20/2022 10:27 PM
2197	Added stress to my life. I have family living in the red zone.	2/20/2022 10:27 PM
2198	Inspiration, hope, joy	2/20/2022 10:27 PM
2199	Given me hope and a sense of unity again.	2/20/2022 10:27 PM

2202	They have affected it in the most positive way I appreciate them	2/20/2022 10:26 PM
2203	After 2 years of being demoralized and isolated, it restored hope to us to visit the truckers in Ottawa.	2/20/2022 10:26 PM
2204	Makes me proud to be Canadian again.	2/20/2022 10:26 PM
2205	I feel the convoy has brought so many ppl around with peace & love to our nation. It's not only brining everyone together but it's also showing us how kind & peaceful our citizens can be during a time like this when they are tear gassed, pepper sprayed, beat with buttons & so much more	2/20/2022 10:26 PM
2206	Brought hope	2/20/2022 10:26 PM
2207	Hope !	2/20/2022 10:26 PM

2209	Not at all except for hope that we may get our freedom back	2/20/2022 10:26 PM
2210	Restored my faith in our Country. That is until the PM instated the emergencies act and violently forced people out without even trying to talk to opposition parties or the people protesting.	2/20/2022 10:26 PM
2211	I am so very grateful for what they've done	2/20/2022 10:26 PM

Canadians vote on Canadian Mandate - February 2022

2212	It has given me some hope	2/20/2022 10:26 PM
2213	It has brought more joy and hope to our home than we've had in 2 years. To see Canadians come together and Free faces, hugging, laughing, feeding and caring for one another, supporting one another, all in the name of freedom and unity. The police taking over this weekend was one of the grossest overreaches, one of the darkest days in Canadian history and our PM will go down as a complete embarrassment to this country- as well as anyone that sides with him to keep the emergency act alive. Our constitution has been spat on by our RCMP, local police, govt owned/funded legacy media, liberals, NDPs and the PM himself- inside Parliament, on the streets in Ottawa (police brutality to peaceful civilians is never okay) as well as on social media. To say their actions have been beyond shameful doesn't begin to describe it. The freedom convoy brought people of all backgrounds and walks of life from this nation together in the most peaceful, CANADIAN way. It was beautiful. It was the hope and inspiration we all needed to save us from our overreaching politicians.	2/20/2022 10:25 PM
2214	Hope!	2/20/2022 10:25 PM
2215		2/20/2022 10:25 PM

2217	Gave me hope something would change and truth would be heard.	2/20/2022 10:25 PM
2218	Gave us hope, and a sense that we are not alone	2/20/2022 10:25 PM
2219	It has provided me insight into how other people feel about the mandates.	2/20/2022 10:25 PM
2220	light of hope after the two years of darkness and hopeless	2/20/2022 10:24 PM
2221	Didn't affect my life	2/20/2022 10:24 PM
2222	Gave me and my family hope and hopefully getting our freedoms back	2/20/2022 10:24 PM

2225	Gives me hope that mandates will end	2/20/2022 10:24 PM
2226	Not directly, but rather disgusted by the misinformation, illegal acts, lack of consideration for others.....	2/20/2022 10:24 PM
2227	Given me hope	2/20/2022 10:24 PM
2228	Not at all	2/20/2022 10:24 PM
2229	Feeling better.	2/20/2022 10:24 PM
2230	Given me a sense of hope that all this could end. That we could be unified again. That people could get their personal choices back without punishment I'm so thankful for them putting themselves out their to fight for freedom against us the Trudeau government. He has violated the charter in so many ways and have been the brave people fighting against it.	2/20/2022 10:24 PM
2231	Given me hope!	2/20/2022 10:24 PM
2232	It's brought to light how ridiculous Justin Trudeau is, how disturbing our system is, and how twisted and corrupted our police services can be. Hard working Canadians are QUITTING their jobs due to how wrong this is being played out. Oh it's also made me realize what a joke our news is. Loving how one sided it is. The trucker convoy has definitely brought to my attention that this country is going to shit with the people leading it and I'm probably better off moving as far away as possible.	2/20/2022 10:23 PM
2233	It has given me a voice when I have to be here to keep my head above water trying to survive and make a living. I believe we all have the right to choose for our own bodies health what we put inside us regardless of what "so said science" says!	2/20/2022 10:23 PM
2234	Interestingly, I was moved by the protest, and by the convoys weekly in support of the truckers. I didn't expect that, but I feel like we are seeing people reaching out to help other people, and to come together in a realm that mandates have only managed to divide.	2/20/2022 10:23 PM
2235	It has provided me a sense of hope that Canadians haven't completely gone mad by the amazing unity that's come from it ... and is validation of how corrupt Justin Trudeau is.	2/20/2022 10:23 PM

2236	Yes, here in Nanaimo the people supporting the truckers are a fine, friendly and well informed group. I drove to Victoria with the truckers 3 weeks ago and again was very impressed with the goodwill, enthusiasm and spirit of participants	2/20/2022 10:23 PM
2237	Very positively, first time in 2 years I feel hopeful, and first time in several years proud to be canadian	2/20/2022 10:23 PM
2238	Showed me how strong this group is and how they stand together in brotherhood and brought Canada together along with usa and the world!	2/20/2022 10:23 PM
2239	It has given me hope. That Canada will have freedom once again.	2/20/2022 10:23 PM
2240	Made me optimistic	2/20/2022 10:22 PM
2241	Gaved me hope to go back to work as a Trucker once we win this fight	2/20/2022 10:22 PM
2242	It has given me a great sense of pride and unity. It has made me feel like i am not alone.	2/20/2022 10:22 PM
2243	Given me hope the Canadians are speaking out as we've had enough of the mandates and this tyrannical government	2/20/2022 10:22 PM
2244	None	2/20/2022 10:22 PM
2245	Hasn't	2/20/2022 10:22 PM
2246	In a wonderful way as it makes me proud to be a canadian	2/20/2022 10:22 PM
2247	It has brought more hope for a positive future than anything the government has implemented. It has also affected my life by showing me how little faith I have in my government. The way they have treated the convoy has been the most disappointing and devastating thing to see as a Canadian citizen.	2/20/2022 10:21 PM
2248	I have hope that the mandates will end and friendships can resume. My family and I could travel again. That sense of hope is huge! It helps me move through each day	2/20/2022 10:21 PM
2249	It never did in a negative way. It brought people together. Showed us the love in our nation we have been missing. It gave us hope we would all be free again... until the government invoked the emergency act and we seen police brutality happen in our once great nation.	2/20/2022 10:21 PM
2250	It has brought hope that I am not alone. That others also support me in my concerns.	2/20/2022 10:21 PM
2251	It gave hope to Canadians to get our country back and get rid of these corrupt people in parliament	2/20/2022 10:21 PM
2252	It has given my hope.	2/20/2022 10:21 PM
2253	A lot of controversy and added stress due to that	2/20/2022 10:21 PM
2254	Not at all except to bring out a lot of issues canada has with our government and to bring forward the control the government wants to have over us. Also just how much our civil rights and freedom of speech has been eroded	2/20/2022 10:21 PM
2255	I think they are trying to speak for us	2/20/2022 10:21 PM
2256	It showed that our prime minister is a arrogant piece of shit	2/20/2022 10:21 PM
2257	Gives me hope	2/20/2022 10:21 PM
2258	It makes me proud to be Canadian again	2/20/2022 10:21 PM

2260	Made me feel proud to be Canadian again. Haven't felt that way in awhile.	2/20/2022 10:20 PM
2261	Brought people on both sides of the spectrum back together	2/20/2022 10:20 PM
2262	None at all, love that some one has some balls to fight for our liberties.	2/20/2022 10:20 PM
2263	N/a	2/20/2022 10:20 PM
2264	It has brought us together as a free nation. But under Trudeau we won't be free.	2/20/2022 10:20 PM

Canadians vote on Canadian Mandate - February 2022

2266	I live in Ottawa. I believe they needed to be heard and responded to. The convoy has shown me how little our government listens to those with whom they disagree. The convoy has affected my trust in any government action.	2/20/2022 10:20 PM
2267	Not at all	2/20/2022 10:20 PM
2268	not at all due to my locations. I understand the frustration for those close by but it is their right to protest unlawful and human rights issues. Gone to far, other countries are opening up completely and we are clamping down more and effecting more lives. Upsetting. Dr. Bonnie listed the deaths in 2021 for drug addicts and the number was the same or higher than all our deaths since the pandemic started. Pandemic deaths are primarily 80 years and older. That last thing trudeau did at the border, I blame him for the convoy, it was too far.	2/20/2022 10:20 PM
2269	Gave me hope	2/20/2022 10:20 PM
2270	Made me aware of the validity of cancel culture when our government is terrified of 10% of of non vaccinated could be driving the virus over borders. Who is next.	2/20/2022 10:19 PM
2271	It didn't I'm glad people waking up	2/20/2022 10:19 PM
2272	It is the first time I have had hope in a very long time	2/20/2022 10:19 PM
2273	Given hope that Covid restrictions will come to an end truth will be revealed eventually.	2/20/2022 10:19 PM
2274	It has been positive for me, I appreciate and feel grateful that others are willing to stand up for my similar beliefs which is that everyone should have a choice in there health. Medical freedom is very important to me.	2/20/2022 10:19 PM
2275	Hope.	2/20/2022 10:19 PM

2281	Given us hope.	2/20/2022 10:18 PM
2282	While all our friends or family in the US moved on without mandates it became clear science wasn't justifying the mandates here. The truckers gave us hope at getting our children's lives back to normal and feeling proud to be Canadian again.	2/20/2022 10:18 PM
2283	It helps to make others that we have rights to work as we use to do. Some workers lost their job cause they were not vaccinated. That's ashamed. For kids, for the families and for our self mental health all those rules restringing people by being free of there life and more more more	2/20/2022 10:18 PM
2284	It hasn't! It has helped show what a free Canadian stands for	2/20/2022 10:18 PM
2285	Its given so many of us hope. Shown us bravery despite consequence, the reminder of following in ones convictions in the face of the evil dismissal of our human rights and freedoms. Reminding each of us how important it is to stand and fight for those freedoms	2/20/2022 10:18 PM

2288	The PM's attitude has caused high blood pressure	2/20/2022 10:17 PM
2289	Only way this affected my life is making many realize there is a group of TRUE Canadians standing up against the government overreach, loss of freedoms etc. Very proud of this group!	2/20/2022 10:17 PM
2290	given me hope in community	2/20/2022 10:17 PM
2291	I am proud of Canadians wanting to have open conversation about how mandate is affecting them saddened to see they are called names and not spoken to on the matter at hand instead have the emergency act engaged ... Peaceful discussion could have maybe lead to understanding and come to common ground It has caused some tension as I see where they	2/20/2022 10:17 PM

are coming from I too want it all over but others don't support them so again one more thing to be at odds with ... God keep our land glorious and free... everyone matters I think vaccinated or not as long as all respect when Sick stay home employers give options rapid test or vaccinated

2292	Hope. Love. Joy. Fear for their safety. Inspiration that the ugliness of politics under Trudeau, will soon be over. This is no longer Canada, it is becoming a Cubanadian regime.	2/20/2022 10:17 PM
2293	In only a positive way by giving hope Canada will be a free country again and we will get a new and worthy prime minister rather than this pile of shit Trudeau who has to go!	2/20/2022 10:17 PM

2295	Offered hope & pride	2/20/2022 10:17 PM

2297	It has made me proud to be Canada again	2/20/2022 10:17 PM
2298	Not at all they truly have inspired unity from coast to coast and I think it's criminal that some have had their property seized and bank accounts frozen I pray for their well being and hope a class action law suite is possible to sue the federal and the city of ottawa for damages and loss	2/20/2022 10:16 PM
2299	Inspiration. Belief	2/20/2022 10:16 PM

2302	none	2/20/2022 10:16 PM
2303	It has given me hope for a free society.	2/20/2022 10:16 PM
2304	I have never felt more hope in the last 2 years. They represent hope and freedom, which is exactly what they're peacefully fighting for. Something so basic they're asking but they're being treated like terrorists and enemies of our once beautiful country.	2/20/2022 10:16 PM
2305	It has made me feel like I'm not alone and renewed my faith in humanity	2/20/2022 10:16 PM
2306	They have restored hope in my life and for the future of Canadians. I'm so grateful that someone stood up to the crazy rules.	2/20/2022 10:16 PM
2307	It brought back a sense of hope for Canada.... it happened to be the truckers willing to stand up and fight for our country	2/20/2022 10:15 PM
2308	It's given me hope that there are good people out there who think like me - it's united so many people ! And now we can go to the pool because of Kenney lifting restrictions. Thank you truckers	2/20/2022 10:15 PM
2309	I haven't had any challenges with it.	2/20/2022 10:15 PM

Canadians vote on Canadian Mandate - February 2022

2320	It hasn't but I feel bad for the truckers because they already work in poor working conditions and they kept everything stocked before the vaccines and now Trudeau kicked them to the curb. They are in their trucks alone. How could they spread Covid. Bravo to the truckers. What a disappointment with what Trudeau did to their livelihoods. Trudeau could have just agreed to lift the restrictions. The truckers and their families didn't deserve what he did. I am so ashamed to be a Canadian right now. Trudeau calling the truckers racists was uncalled for	2/20/2022 10:14 PM
2321	The truckers are standing for all of Canada, for our Canadian rights and freedoms.	2/20/2022 10:14 PM
2322	Love it	2/20/2022 10:14 PM
2323	right action to stop the mandate.	2/20/2022 10:14 PM
2324	It didn't affect me	2/20/2022 10:14 PM
2325	It has given me hope that my children will have a future of opportunity and freedom	2/20/2022 10:14 PM
2326	Gave me hope this charade will be over.	2/20/2022 10:14 PM
2327	Appreciate their efforts on our behalf	2/20/2022 10:13 PM
2328	It has made the powers that be. Show their Color's and the blatant disregard of the police against the charter of rights and freedoms is disrespectful.	2/20/2022 10:13 PM
2329	It has given me hope	2/20/2022 10:13 PM
2330	Gave everyone hope.	2/20/2022 10:13 PM
2331	Gave me hope for the first time in over 2 years!	2/20/2022 10:13 PM
2332	It hasn't	2/20/2022 10:12 PM
2333	It brought me happiness, togetherness. It brought me a sense of hope for our future !! It brought me awareness to how disconnected our government is with its people !!	2/20/2022 10:12 PM
2334	Very frustrated with my government. Last time I look this was a free country. They gave me a glimmer of hope, but Trudeau's reterict and hate speech creates even more stress and division.	2/20/2022 10:12 PM
2335	Shows the lies of media and government	2/20/2022 10:12 PM
2336	I am now questioning the government's conflict resolution skills. I used to be very supportive of the police and our intelligence agencies and now I am distrustful of both. I also used to trust our media but can now see the bias in their reporting.	2/20/2022 10:12 PM
2337	Encouraged	2/20/2022 10:12 PM
2338	It made me feel proud of how Canadians handled them selves when pushed to the edge. Everyone has had enuf and stands up for themselves and others .trucker convey was amazing	2/20/2022 10:12 PM
2339	I've been encouraged to see how many other people are concerned about the same things that concern me and by how peaceful and full of love the protest has been, despite being slandered and mistreated	2/20/2022 10:12 PM
2340	Gave me hope	2/20/2022 10:11 PM
2341	It hasn't	2/20/2022 10:11 PM
2342	Made me feel like someone is actually fighting for my rights and freedoms, made me feel proud of true Canadians	2/20/2022 10:11 PM

2346	It has lifted my spirits and gave me hope. I has gone downtown the first day they arrived and a few times afterwards. It's been nothing but positivity and high vibrational energies displaying nothing but love, kindness and happiness. People were being fed for free, we could see people's faces and smiles after 2 long years, God bless the trucking convoy and everyone that	2/20/2022 10:11 PM

2347	They gave us hope, that this plandemic would end fast.	2/20/2022 10:11 PM
2348	Proud of them. Made me feel proud to support them and be Canadian. Gave me hope that the tyranny would end	2/20/2022 10:11 PM
2349	It gave our family hope. It showed us that we are not alone in our struggles. Other families are as fed up with this nonsense as we are. They have brought forward credible scientists with credible information demonstrating the logic in ending mandates and vaccine narratives.	2/20/2022 10:10 PM
2350	Love it.	2/20/2022 10:10 PM
2351	It has not affected me	2/20/2022 10:10 PM
2352	Gives hope and offers support	2/20/2022 10:10 PM
2353	I was sad that I could not be there with them but I was so proud of all of them for standing up for our FREEDOM!	2/20/2022 10:10 PM

2358	It's been great watching Canadians stand up for our rights peacefully	2/20/2022 10:09 PM
2359	Given me hope that maybe we can get out of this dictatorship.	2/20/2022 10:09 PM
2360	Given us hope for change! Friends have been arrested and we see videos of how people are being treated just for standing up for our rights and it is heartbreaking	2/20/2022 10:09 PM

2366	personally nil difficult to see my home town subject to such unnecessary turmoil	2/20/2022 10:08 PM
2367	Ive felt sorry for them they have not been ttreated very good n thisextra police forse was horrible	2/20/2022 10:08 PM
2368	It hasn't	2/20/2022 10:08 PM
2369	I felt a sense of freedom again. I felt proud to be a Canadian again. There was a great sense of loving and togetherness that I always longed for and cherished about our country. The national athem was showing itself in the strong and the free. I felt beautiful to be a Canadian citizen again.	2/20/2022 10:08 PM

2377	Annoying as hell. I appreciate the work of the truckers but the havoc created was irresponsible and unnecessary.	2/20/2022 10:07 PM
2378	Although I may not necessarily personally support all aspects of the convoy, what I do agree with is that these mandates cause far more harm than good on community, socio-economic and mental health, and, it has given me hope as it is the only movement that has spoken out against mandates and policies that have been rescinded in several other countries around the world, including our US neighbours. I've felt joy, connection, community and hope for the first time in 2 years.	2/20/2022 10:07 PM
2379	Given me hope for my freedom back!	2/20/2022 10:07 PM
2380	It has rekindled HOPE and had us all realize that we, the good, caring, honest, healthy people are ACTUALLY the 80%, and the 20% running on fear and control were claiming THEY were the 80%...	2/20/2022 10:07 PM
2381	I feel like there is hope again.	2/20/2022 10:07 PM
2382	Given me hope	2/20/2022 10:07 PM
2383	There has been virtually no impact. It has unlighted me however to how difficult it is to disagree with the government on difficult issues.	2/20/2022 10:06 PM
2384	Gave people hope	2/20/2022 10:06 PM
2385	Pride	2/20/2022 10:06 PM
2386	They gave me hope!! Very proud of the people who have stood up to fight for our freedom. Remember they are not all trucker.....they are Canadians sick of mandates that make absolutely no sense	2/20/2022 10:06 PM
2387	In every way, without the truckers we don't have the essential. That we all need every day the food shelves are bare, the price of fuel (gas) has gone through the roof, the only thing that has gone down our wages	2/20/2022 10:06 PM
2388	100% for the first time in years I feel hope. It's amazing.	2/20/2022 10:06 PM
2389	Made me proud of the Freedom Fighters	2/20/2022 10:06 PM
2390	I fully support the truckers and it has only given me hope for better days ahead.	2/20/2022 10:06 PM
2391	Giving me hope and thankful someone can stand up for our rights	2/20/2022 10:06 PM
2392	i hate the noise of trucks horns going full blast, i cannot imagine some thing more stupid to do to others, 8-12 hours a day for 2 weeks, is hell, and what do you expect from that?? acknowledge, support??	2/20/2022 10:06 PM
2393	Have me faith in Canadian love	2/20/2022 10:06 PM
2394	Giving me back my pride in being Canadian and hope to end the tyranny and loss of my civil rights and freedoms by the Canada government and the global fascist leaders of the WEF	2/20/2022 10:06 PM
2395	I am tired of hearing about it constantly. I think it is domestic terrorism and there are more appropriate ways to spend their time.	2/20/2022 10:05 PM
2396	It gave me hope for a while. Now, I simply fear more what the future of this country will be for my children. The police response has been terrifying. And seeing how much they seem to be enjoying their 'power' is frightening.	2/20/2022 10:05 PM
2397	Restored my faith in the power of people when we put our efforts together against a tyrannical government.	2/20/2022 10:05 PM
2398	Hasn't	2/20/2022 10:05 PM
2399	They brought hope and united everyone together	2/20/2022 10:05 PM
2400	Gave me a sense of pride and community for a lost country. Also showed how insane the Prime Minister actually is	2/20/2022 10:05 PM
2401	Restored a sense of hope for this to end. Makes me feel like I'm not alone.	2/20/2022 10:05 PM
2402	It has provided hope that Canada will not turn communist, into a social credit system.	2/20/2022 10:05 PM

2412	Groceries	2/20/2022 10:03 PM
2413	It has empowered me to realize I am worth more and so is the future of my child. That we should be standing up for our rights and freedoms	2/20/2022 10:03 PM

2415	Make a hope!	2/20/2022 10:03 PM
2416	Inspired me	2/20/2022 10:03 PM
2417	It has shown me that there are others who feel the same way as me, I had no support from coworkers. I am an RN who works in emergency medicine and I knew how to keep myself safe without a vaccine. Plus I worked for over a year without one and did fine, then suddenly I wasn't capable of doing my job.	2/20/2022 10:03 PM
2418	It has shown me there are thousands of people across this country who feel the same way I do.	2/20/2022 10:03 PM

2423	No	2/20/2022 10:02 PM
2424	Positively: I believe it has brought a lot of hope to a lot of hard working & loyal human beings. Negatively: It has exaggerated our societies divide and created public hate on a topic that people are asking for explanations instead of rules & regulations.	2/20/2022 10:02 PM
2425	I was happy to see some young people trying to make a difference. I was very disappointed that our Prime Minister, Justin Trudeau did not take time to talk to them. Truckers were out there helping everyone when covid started, but now that covid is almost controlled, and the fact that they are basically corantined in their trucks, it is wrong to mandate them to get the jab. I have been negatively affected by Justin Trudeau's non response and his calling on the Marshal Law. This is very worrisome.	2/20/2022 10:02 PM

2445	Gave me hope	2/20/2022 10:00 PM
2446	They have made me embarrassed to be Canadian.	2/20/2022 10:00 PM
2447	Made me realize how our freedom was being taken ... not good	2/20/2022 10:00 PM
2448	Positively, made me realize truckers could run this country better than our politicians right now. United with Canadian citizens	2/20/2022 10:00 PM
2449	Enriched it greatly, I wish I could afford to buy them all a beer and a tank of diesel.	2/20/2022 10:00 PM
2450	I do not feel marginalized when I see the community united as Canadians. I feel very proud to be Canadian, and I feel disappointed that our prime minister, or any member of our elected members, did not at least attempt to negotiate a way forward before bringing in the War Measures (oops) Emergencies Act against peaceful protests. And because I was watching the live stream feeds from those in Ottawa, and I was listening to CBC and Global reporting - I was dismayed at the portrayal of these very peaceful protesters as white supremists and racists. Why this narrative?	2/20/2022 10:00 PM

2457	I actually have pride in Canada again!	2/20/2022 9:59 PM
2458	Higher prices for groceries, and gasoline,	2/20/2022 9:59 PM
2459	It's showing me if we stand together and show the government that Trudeau doesn't speak for ALL Canadians. Trudeau NEEDS to go so we can bring in someone who thinks outside of the box. Trudeau and the majority of the government are only out for power, fame and a big paycheque at the end of the day.	2/20/2022 9:59 PM
2460	It's given me hope and courage that I'm not alone	2/20/2022 9:58 PM
2461	It has brought hope back into our lives. They have made an effect - a new Con leader,	2/20/2022 9:58 PM

Canadians vote on Canadian Mandate – February 2022

Premiers backing off mandates. They are a wonderful group of true Canadians fighting for all of us.

2462	We need to support our truckers when they supported us !	2/20/2022 9:58 PM
2463	I support the convoy. It has not affected my life in any negative way.	2/20/2022 9:58 PM
2464	It's given me hope and such pride that Canadians are standing up for their rights and freedoms. Makes me happy that people from all walks are coming together.	2/20/2022 9:58 PM
2465	Has not	2/20/2022 9:58 PM
2466	Finally someone who is willing to take a stand and say we have had enough...for the last few years we have not been able to have an opinion that differs from the government, we've had no leadership, Trudeau was very vocal about letting us know he was not backing down from this fringe of society that doesn't share the rest of societies views,he did not even talk to them, only continue to berate them in his media that can only report what is pleasing to the boss...	2/20/2022 9:58 PM
2467	It has inspired us and given us hope and demonstrated how people are resilient and willing to fight for what is morally right against immorality and corruption. It has been very scary too to see just how far the government has gotten in removing our freedoms and how much further they seem to be wanting to go to remove our freedoms on more than one level!	2/20/2022 9:57 PM
2468	Bravory to stand for freedom we sat for to long..God bless the trucker	2/20/2022 9:57 PM
2469	Given me hope	2/20/2022 9:57 PM
2470	Gave me hope that Trudeau can be stop and punished to the fullest extent of the law	2/20/2022 9:57 PM
2471	The convoy has brought back the feeling of being truly Canadian. I wish I could be there with all of them!	2/20/2022 9:57 PM
2472	Feelings of being proud that Canadians are standing up	2/20/2022 9:57 PM
2473	It's an encouragement to find out who Canadians really are in strong peaceful and unified relationships while standing on our constitutional rights	2/20/2022 9:57 PM
2474	Not	2/20/2022 9:57 PM
2475	Fun to watch too bad Trudeau wasn't under one of the truck tires	2/20/2022 9:57 PM
2476	It has given me hope that Canadians can still maintain the freedom promised by the constitution of this country. Seeing the government's reaction to them is very concerning that they will continue to overreach in their powers. The convoy has shown me that I am not alone in my fears and frustrations.	2/20/2022 9:57 PM
2477	Caused me to pray more and showed there are more people of liked mind	2/20/2022 9:57 PM
2478	Not at all	2/20/2022 9:57 PM
2479	Gave me hope for my old Canada back! But even better as Quebec, the west and all nationalities have come together for first time in history. We all know something inst right. Most got vaccinated and majority of us have had covid. It is not making sense to still have so many mandates	2/20/2022 9:57 PM
2480	Hope	2/20/2022 9:57 PM
2481	It has highlighted the true issue- loss of freedom as a Canadian. It gave me hope for our country, tying the country together against tyranny, mandates, false narratives. It has made me want to stand with them and demand the Bill of Rights be upheld.	2/20/2022 9:57 PM
2482	It hasn't	2/20/2022 9:56 PM
2483	Love. Unity	2/20/2022 9:56 PM
2484	Gave me hope	2/20/2022 9:56 PM
2485	It has given me hope that Canada has a voice. I look around the world and see the patriotism other countries have and how Canada is known to fold under pressure. The world is watching us and cheering us on as we stand for our freedoms. Something the main stream media does not show.	2/20/2022 9:56 PM

Canadians vote on Canadian Mandate - February 2022

2486	It has been an inspiration.	2/20/2022 9:56 PM
2487	They brought hope back to me and made me proud to be Canadian again	2/20/2022 9:56 PM
2488	It gave me hope. It showed me that many other Canadians are like me, and don't agree with the way the government is using their power.	2/20/2022 9:56 PM
2489	Hope	2/20/2022 9:56 PM
2490	Made me proud to be Canadian again	2/20/2022 9:56 PM
2491	Gives me hope that things will stop and go back to normal.	2/20/2022 9:55 PM
2492	Someone needed to stand up for the people of canada	2/20/2022 9:55 PM
2493	Hasnt	2/20/2022 9:55 PM
2494	It helped me to realize that I was not alone in my feelings of frustration and helplessness	2/20/2022 9:55 PM
2495	Positively	2/20/2022 9:55 PM
2496	Not one bit!	2/20/2022 9:55 PM
2497	Proud to be Canadian	2/20/2022 9:55 PM
2498	It has finally given me hope	2/20/2022 9:55 PM
2499	It hasnt	2/20/2022 9:55 PM
2500	I knew it was coming because I pay attention. Affected me positively in every way. They are heros as far as I am concerned.	2/20/2022 9:54 PM
2501	Has given me HOPE that the Canada I grew up in will one day be restored to a peaceful country!!!	2/20/2022 9:54 PM
2502	Not at all	2/20/2022 9:54 PM
2503	Has not bothered me one bit.	2/20/2022 9:54 PM
2504	Gave me inspiration. Feel less depressed	2/20/2022 9:53 PM
2505	Politically and socially	2/20/2022 9:53 PM
2506	They are standing up for our freedom	2/20/2022 9:53 PM
2507	Gave me hope that people actually care about mankind, not government agendas	2/20/2022 9:53 PM
2508	Made me proud to be Canadian. Cheering for fellow citizens. Most joy I've had in years	2/20/2022 9:53 PM
2509	Positively	2/20/2022 9:53 PM
2510	Support 100 percent	2/20/2022 9:53 PM
2511	It has given us hope when we felt depressed, defeated and lost. The truckers did more than they know. They lit a fire in all of us. I am disgusted by what happened to the truckers and supporters this weekend.	2/20/2022 9:53 PM
2512	Nothing at all	2/20/2022 9:52 PM
2513	Didn't	2/20/2022 9:52 PM
2514	It has disturbed my weekends as I live in the downtown area of Edmonton. The honking rarely stopped and traffic was horrible. I felt unsafe to go outside as some of the people in the convoy were aggressive and possibly dangerous	2/20/2022 9:52 PM
2515	It gave us hope to return to normal. It showed us that Canadians from all provinces, backgrounds, ethnicities, etc could come together harmoniously and peacefully for a single cause.	2/20/2022 9:52 PM
2516	It hasn't at all other than show me how corrupt Trudeau is and for the 1st time in my life I truly hate the police system that's going on in Ottawa	2/20/2022 9:52 PM
2517	Revealing	2/20/2022 9:52 PM

Canadians vote on Canadian Mandate - February 2022

2518	I feel proud people are standing up + standing together . Social media and news distortion of events makes it hard to have a clear understanding or idea of my opinion on it .	2/20/2022 9:52 PM
2519	It hasn't	2/20/2022 9:52 PM
2520	Giving me hope	2/20/2022 9:52 PM
2521	It has given me a feeling of hope and Canadian pride. Two things I haven't felt in a very long time	2/20/2022 9:52 PM
2522	When it started and I saw videos of people lining overpasses, I felt hope and shed tears, thinking, "finally!" As days turned into weeks, my trust and what little respect I had for our current government dissolved, and turned into disgust, deep sadness, and despair for the state of our divided nation. But the fact that I know there are what I believe to be much more than a "fringe" of people who share my thoughts and views regarding COVID and the government from all across the nation, from differing ethnic backgrounds and walks of life gives me HOPE. The truckers movement brought me hope. In a climate that was a barren wasteland for positivity, hope.	2/20/2022 9:52 PM
2523	It has brought an end to the mandates.	2/20/2022 9:51 PM
2524	Not much	2/20/2022 9:51 PM
2525	Hope. Life. Love.	2/20/2022 9:51 PM
2526	It has divided Canadians for a purpose when all they wanted was freedom through civil disobedience, however, people intentionally corrupted the movement with racism because the government has corrupted their views telling them taking away human rights will be for the betterment of society	2/20/2022 9:51 PM
2527	It showed me how corrupt our government and legacy media are. I have absolutely no faith in either of them.	2/20/2022 9:51 PM
2528	Not much other than its good to see people speaking up	2/20/2022 9:51 PM
2529	Brought hope and happiness!	2/20/2022 9:51 PM
2530	I HAVE HIGH PRAISE FOR THE TRUCKING CONVOY, IT ALSO SHOWED US WHAT A MISERABLE PRIME MINISTER WE HAVE, THAT WE DO NOT WANT, IT SHOWED HOW THERE WERE SO MANY LIES BY GOVERNMENT....IT HAS SHOWN US THAT WE DO NOT HAVE FAITH IN OUR GOVERNMENT ANYMORE AND THAT TRUDEAU NEEDS TO STEP DOWN, HE IS TAKING AWAY CANADIANS ' RIGHTS WHICH OUR SOLDIERS IN THE PAST AND PRESENT HAVE FOUGHT FOR....SHAME ON OUR PRIME MINISTER, SHAME ON THOSE WHO SUPPORT HIM IN ANY WAY!!!!	2/20/2022 9:51 PM
2531	It brought me so much hope for Canada and the possibility of having our Constitutional freedoms and rights restored.	2/20/2022 9:50 PM
2532	Finally given me some hope & faith in our future and my child's future. I finally feel like it's okay to dream and to just believe in humanity again. I am so proud of everyone who's been standing up for our rights in a peaceful manner	2/20/2022 9:50 PM
2533	I'm proud to stand up and be called a Canadian again! Yes!	2/20/2022 9:50 PM
2534	It gives us hope that we may be able to live in a free country again	2/20/2022 9:50 PM
2535	Encouraged to see many others feel the same way	2/20/2022 9:50 PM
2536	It's renewed my hope for the future of My kids	2/20/2022 9:50 PM
2537	Seeing all those people standing up for all of us, it has given me the first glimmer of hope that I've felt in a long time	2/20/2022 9:49 PM
2538	Brought hope that Canada can once again be a democratic country and free from over reaching government restrictions	2/20/2022 9:49 PM
2539	They gave us and still give us HOPE, and TRUTHS from World Renowned Medical/Science Doctors who have proof that these vaccines for Covid are dangerous and should maybe only have been administered to the compromised elderly, but not for the average healthy adult and definitely NOT FOR CHILDREN! The convoy have astute, honest, loving and well informed and researched professionals on their board who have nothing to gain but respect, for trying to	2/20/2022 9:49 PM

save our country and its people and, indeed, the worlds people from lies. They have more integrity than any members of any board I have ever known! These are not egotistical, arrogant, self-absorbing, sarcastic human beings...they are as genuine as the Rockies are magnificent! The convoy has brought the country together in a way that no one else could have ever accomplished! They did it with truth, kindness, honesty, love, prayer and pure integrity!

2540	I find it very heart warming to see people finally standing up for our rights and freedom	2/20/2022 9:49 PM
2541	They provided a much-needed energy boost. It's nice to see other people finally waking up to what's going on, and to know that you're not alone. They have clearly highlighted the tyranny that now rules over us, and they did it using peaceful means. Kudos to them for their bravery.	2/20/2022 9:49 PM
2542	Hasn't, but has giving me hope that people are starting to stand up for rights, and expose this corrupt government	2/20/2022 9:49 PM
2543	It filled me with hope and inspiration to know that I'm not alone	2/20/2022 9:49 PM
2544	No	2/20/2022 9:49 PM
2545	Made me happy, I had hope, but I still do have hope that we will have our freedom back.	2/20/2022 9:49 PM
2546	I am proud that they are standing for freedom and have been praying for them	2/20/2022 9:49 PM
2547	Given me hope that just maybe our politicians would actually listen to the people	2/20/2022 9:49 PM
2548	Gave us inclusion and hope	2/20/2022 9:48 PM
2549	VERY good way! Gave me the feeling of Life again	2/20/2022 9:48 PM
2550	Has not	2/20/2022 9:48 PM
2551	They give me hope that the government is not in control of Canada! Canadians are in control of Canada!	2/20/2022 9:48 PM
2552	positive	2/20/2022 9:48 PM
2553	Has given me hope. Inspiration. Something to look forward to. Brought peace and love.	2/20/2022 9:48 PM
2554	Extremely disrespectful to all healthcare workers in Canada.	2/20/2022 9:48 PM
2555	It's an embarrassment to our entire country.	2/20/2022 9:48 PM
2556	They have liberated Alberta and other provinces from the unlawful covid 19 mandates and restrictions and i'm forever grateful.	2/20/2022 9:48 PM
2557	It hasn't impacted my life in a negative way at all	2/20/2022 9:48 PM
2558	Gives me Hope	2/20/2022 9:48 PM
2559	The noise in my area due to the "convoy" has directly impacted my mental health. Not to mention the impact to nutritional health because of the lack of fresh fruits and veggies getting across the US/ Canada boarder. The convoy does not represent me, my values or my thought. Looks to be a convoy of 'privilege'	2/20/2022 9:48 PM
2560	It's brought hope, excited to see someone standing for our freedom	2/20/2022 9:48 PM
2561	Not at all. A waste off time and money.	2/20/2022 9:47 PM
2562	It made me realize that this is not a democracy we live in government can change things in their favor anytime	2/20/2022 9:47 PM
2563	It has not! Fully support them for fighting for our freedom which was already fought for by our veterans!!!!	2/20/2022 9:47 PM
2564	It hasn't	2/20/2022 9:47 PM
2565	They give me hope for a better future for my children & a better Canada for my children to grow up in	2/20/2022 9:47 PM
2566	It has given hope, inspiration and deeply reminded that myself and so many others are not nearly as alone on this journey as we thought or as the media had portrayed. I fully support the trucker convoy and peaceful protesting.	2/20/2022 9:47 PM

Canadians vote on Canadian Mandate - February 2022

2567	It hasn't affected me	2/20/2022 9:47 PM
2568	Not directly, as I do not live near a border, and I haven't been out to a protest, yet I have followed all the mainstream and alternative news broadcasts. I have been deeply saddened to see so many Canadians intent on peaceful protest being slandered by the PM. There has been no nuanced response to this situation by the government. Trudeau is incapable to bring the country together. All of that is deeply saddening to me.	2/20/2022 9:47 PM
2569	I was glad to see so many people finally unite and stand together in a beautiful and peaceful way against sheer tyranny and the war against our freedoms	2/20/2022 9:47 PM
2570	It hasn't	2/20/2022 9:47 PM
2571	It's brought hope to this country that Trudeau has been trying to squash.	2/20/2022 9:47 PM
2572	It has made me open my eyes to how crooked Justin and the liberals are	2/20/2022 9:47 PM
2573	Given hope, encouraged to fight back	2/20/2022 9:46 PM
2574	Made me proud again to be a Canadian!	2/20/2022 9:46 PM
2575	Positively. Brought hope and joy. Showed lying media and Liberals for who they are. Showed that we can gather safely in large groups with no mandates.	2/20/2022 9:46 PM
2576	Positively by giving me hope that this might all end	2/20/2022 9:46 PM
2577	Gave me hope for a better future	2/20/2022 9:46 PM
2578	It has given me hope that I am not the only one seeing this Globalist Agenda rolling out under Adolph Trudeau and knowing it is not a good direction for Canada!!!	2/20/2022 9:46 PM
2579	Its the only thing that put a smile on my face and love in my heart in 2 years plus !!!	2/20/2022 9:46 PM
2580	Given me some hope. Shown me you can make a stand. But to the the feds invoke emergency order in them and other people broke my heart	2/20/2022 9:46 PM
2581	I see delays in grocery orders, blockades on my route to work and aggressiveness from customers	2/20/2022 9:46 PM
2582	Gave me hope	2/20/2022 9:46 PM
2583	Gave me hope for Canadians	2/20/2022 9:46 PM
2584	Brought hope, love and light. I want my freedom of choice to choose what I decide with my body and my own family.	2/20/2022 9:45 PM
2585	Raised more awareness for me	2/20/2022 9:45 PM
2586	Some hope that they will win and we will ALL get our lives back before it's too late. The Trucker convoy represents Canada and its people	2/20/2022 9:45 PM
2587	A huge annoyance in my home town that is now left with a ridiculous bill to be paid for by your truly via my taxes.	2/20/2022 9:45 PM
2588	Gave hope that change can happen	2/20/2022 9:45 PM
2589	It has given me hope	2/20/2022 9:45 PM
2590	I totally support the Truck convey . I had hope .	2/20/2022 9:45 PM
2591	It's an embarrassment	2/20/2022 9:44 PM
2592	It has given me hope.	2/20/2022 9:44 PM
2593	It has brought hope and unity like I have never seen nor felt in my lifetime so far. The country being divided is what our government created and I feel wants. This convoy allowed us a chance to come together for our rights and freedoms.	2/20/2022 9:44 PM
2594	Gave me hope	2/20/2022 9:44 PM
2595	I saw light ,after dark.	2/20/2022 9:44 PM
2596	It gave me hope	2/20/2022 9:44 PM

Canadians vote on Canadian Mandate - February 2022

2597	No	2/20/2022 9:44 PM
2598	Gave hope that there would be change soon, i do not feel safe with Trudeau as prime minister and that was exposed	2/20/2022 9:44 PM
2599	Made me realize the the Constitution and Charter of Canadian rights are being violated	2/20/2022 9:44 PM
2600	Brought me hope	2/20/2022 9:44 PM
2601	Showed that there are other people that feel the same way I do. And how true Canadians coming together can be so peaceful, unlike what media show the public	2/20/2022 9:44 PM
2602	It has brought happiness and joy, and i was never so proud to be a CANADIAN like now thanks to this convoy!	2/20/2022 9:44 PM
2603	Happy, hopeful	2/20/2022 9:44 PM
2604	Didn't affected my life but it gave me hope	2/20/2022 9:44 PM
2605	Very positive	2/20/2022 9:44 PM
2606	Brought hope	2/20/2022 9:43 PM
2607	It has given us all some hope	2/20/2022 9:43 PM
2608	It hasnt. Car plants haven't had parts for 2 years. They say convoys affected there production because of borders.. they probably would have ran out of something made in Canada. Happens all the time.	2/20/2022 9:43 PM
2609	It's given me hope for the first time in two years. I've been surrounded by a beautiful diverse community that's truly united for one common cause.	2/20/2022 9:43 PM
2610	not at all	2/20/2022 9:43 PM
2611	That there his something finally getting done and that we should should get our freedom back	2/20/2022 9:43 PM
2612	I support their right to peacefully protest. I hope their courage to stand-up and challenge the government continues the dialogue towards reopening more expedientally.	2/20/2022 9:43 PM
2613	It gave me hope that people are finally seeing through the lies the government had told us	2/20/2022 9:43 PM
2614	Given hope	2/20/2022 9:43 PM
2615	Brought me hope	2/20/2022 9:42 PM
2616	Thank God for the truckers, enough with the authoritarian mandates. I support the truckers	2/20/2022 9:42 PM
2617	Not in anyway	2/20/2022 9:42 PM
2618	They have given me hope. I what life back to normal	2/20/2022 9:42 PM
2619	Given me hope	2/20/2022 9:42 PM
2620	It has given me hope.	2/20/2022 9:42 PM
2621	Given me hope, proud to be Canadian and better mental state since it started. Filled my heart with joy	2/20/2022 9:42 PM
2622	Regenerated my hope for the people of my country	2/20/2022 9:42 PM
2623	Given me some semblance of hope.	2/20/2022 9:42 PM
2624	it's made me proud to be Canadian	2/20/2022 9:42 PM
2625	For the better. As an Ottawa citizen, I welcome the truckers. When I tried to stand up against the mandates my voice was not loud enough. I have sent countless emails to complain about all this. The truckers gave me a voice.	2/20/2022 9:42 PM
2626	Given me a sense of hope that all is not lost and there are many people who see the foolishness of what has been done.	2/20/2022 9:42 PM
2627	Hasn't really but I support the reason behind it.	2/20/2022 9:42 PM
2628	They gave me hope something positive would happen out of their protest.	2/20/2022 9:41 PM

Canadians vote on Canadian Mandate - February 2022

2629	It has given me hope, tears of joy, and showed me how many people these mandates have affected	2/20/2022 9:41 PM
2630	No, except that it gave the people of Canada that did not have a voice to have a voice !	2/20/2022 9:41 PM
2631	Re-energized the feeling of being Canadian, restored a sense of national pride in my heart.	2/20/2022 9:40 PM
2632	It created push back force regarding mandates that politicians started considered as a serious power. Byproduct of it is faster relaxation of the mandates.	2/20/2022 9:40 PM
2633	Gave me hope hope in humanity	2/20/2022 9:40 PM
2634	Brought hope & patriotism back into my life, made me stuck to my phone 24-7	2/20/2022 9:40 PM
2635	It's given me hope. To know people see what I see and have suffered in many cases for worse than I which is why I support it. I didn't have to lose my job or my house. Some did...Kids have committed suicide. Those voices need to be heard. It's lead to a world movement to open people's eyes and ears to the damage the mandates are causing and how corrupt our government is. The convoy brought me happiness and hope and joy for a better future.	2/20/2022 9:40 PM
2636	I was for the cause, but it got convoluted with hate, politics, and partying - so it, unfortunately, lost its main intention as the media focused on the negative influences. It should also have included the misinformation given to everyone, the risks (compromised immune systems, clots, infertility, severe heart issues, etc.) not given to anyone, and the denial of vaccine injuries & deaths. Children should never be subjected to these unknown and known risks.	2/20/2022 9:40 PM
2637	It has given me hope for the future of Canada. And for the first time in YEARS I am actually proud to call myself a Canadian!	2/20/2022 9:40 PM

2646	Ver positive influence. Support their fight for freedoms and removal of all restrictions.	2/20/2022 9:39 PM
2647	It hasn't affected my life other than concern for their safety and the police during their removal and the utter disgust in how the prime minister refused to listen to them when they arrived and escalated the situation by calling them names. This could have ended much sooner had he responded differently.	2/20/2022 9:39 PM

2675	100% behind all the truckers and people!!!! All the Rat of a prime minister had to do was face the peaceful protest and talk to them and the people of Canada !!! Not run and hide like a scared RAT He is the one created this hole mess and blame the truck convey they were standing up for most the people in Canada !!!!	2/20/2022 9:36 PM
2676	Gave me hope. Made me proud	2/20/2022 9:36 PM
2677	Traffic in downtown Ottawa. It's understandable.	2/20/2022 9:36 PM
2678	It gave me hope to see so many millions and millions of Canadians supporting these critically important people, a massive group of hard working and non violent people doing a huge service to our nation bringing all our food and goods to us.	2/20/2022 9:36 PM
2679	It hasn't, it's been great watching all the brave men and women stand up for our rights. We are proud to stand behind them 100%. We want our voices to be heard, and this isn't about getting the vaccine. It's much deeper, especially after Trudeau called The Emergencies Act. He is a narcissist. Inflation is out of control thanks to his government. Everyone is tired of being in lockdown for two years, government telling us we can't go see our family. That sure sounds like communism, doesn't it. Yes, we didn't want our grannies to get sick and die... we sure don't need government to tell us, I'm sure most of us know better to stay home if we're sick. It was just a test to see how well us Canadians would follow government orders... for the bigger picture, the World Economic Organization. Mainstream media added to the fears. We have lost all respect for them. We don't give them the time out of our day.	2/20/2022 9:36 PM
2680	It's inspiring to see Canadians, a people known to be reserved and non-confrontational revolt again something that straight up not handled right.	2/20/2022 9:36 PM

2725	not at all watched convoy	2/20/2022 9:30 PM
2726	I brought Hope in a time it was very dark. But now I am just appointed and discouraged in our government and how our Prime Minister is trying to become a dictator and turn our country into a communist or something worse type of country	2/20/2022 9:30 PM
2727	Gives some hope but nobody in power seems to listen to the people's voice; is this a democratic system? The whole world watching us seems to doubt it... it is tyranny imposed by a young, spoiled and proud globalist leader who does not care for his country	2/20/2022 9:30 PM
2728	We support them 100%. We will accept the inconvenience if we need to.	2/20/2022 9:30 PM
2729	Felt a massive relief knowing we are not alone. Felt hope for our country as a whole. Felt proud to be Canadian again. The sense of relief made me take stock of just how much all of the mandates had really affected myself and my family.	2/20/2022 9:30 PM
2730	It has given me hope.	2/20/2022 9:30 PM
2731	It has given us hope that our rights and freedoms might just stay in tact	2/20/2022 9:29 PM
2732	It's been positive to see something happening	2/20/2022 9:29 PM
2733	It has shown how traitorous many Canadians are.	2/20/2022 9:29 PM
2734	Never been more proud to be a canadain love the truckers they are doing a amazing job may God watch over all of those heros	2/20/2022 9:29 PM
2735	The trucker convoy has given me hope. It has provided love and connection, barriers have been happily crossed, relationship connections across Canada have been made, lifelong. It has provided Spirit, and the support of tens of, or hundreds of thousands of citizens across this nation that was so dead and divided. This Trudeau government gives me more questions than I have good answers for. I believe this vaccine is dangerous, It is not safe, we should not be advised to take it. And with the mis-characterizations and false accusations of the truckers, their arrests and charges false, I again am heading toward depression, hopelessness, lies from the federal government members, and fright at what the future may bring.	2/20/2022 9:29 PM
2736	It has given me hope	2/20/2022 9:29 PM
2737	I have found a sense of hope, and have also realized many many more Canadians feel the same way. We are over joyed that the convoy has awakened and brought people together throughout our county. I have also realized how terrible and controlled the news media really is in this country. I'm glad because I know the truth and will never be a part of this narrative or listen to paid for media ever again.	2/20/2022 9:29 PM
2738	Giving me lots of hope	2/20/2022 9:29 PM
2739	Just showed how canada can come together peacefully	2/20/2022 9:29 PM
2740	It has made me proud to be a Canadian citizen. It has not affected my life in any way.	2/20/2022 9:29 PM

2742	Gave me hope for the future	2/20/2022 9:29 PM
2743	Given me hope.	2/20/2022 9:29 PM

2744	I am supportive of the truckers. I can't be there to support them, but I can do what I can for them in my city	2/20/2022 9:28 PM
2745	In a very positive way , me and my family went swimming for the first time at the pool in our local city, because they dropped the mandates.	2/20/2022 9:28 PM
2746	I have family who are truckers - truckers who rolled up their sleeves, got vaccinated, and went about their bloody lives without complaint. How has the convoy affected my life? It has made me seriously question the intelligence of a whole swath of the Canadian population, it has eroded my faith in my fellow Canadians to take in knowledge, and then use it to make rational decisions. Even if a magic wand was waved and all restrictions/mandates were removed tomorrow the USA DOES NOT WANT UNVACCINATED PEOPLE AND TRUCKERS CROSSING THEIR BORDERS. I know that people lose some rational decision making in a crisis (global pandemic is a crisis, this is not just a Canadian issue), but sweet mother of god this has been a serious moment of growth for me to watch grown adults act like children when asked to consider the needs of their community in addition to their own "freedom". Also, why is this survey asking questions about mandates -- I hear on the news (and social media, lest my responses be discounted because my views have been "sullied" by MSM) that the Convoy now, "was never about mandates, but rather about the tyranny". Perhaps it's time to create a survey 2.0?	2/20/2022 9:28 PM

2756	With love and respect	2/20/2022 9:27 PM
2757	Glad a group of people have decided to protest peacefully but cause enough of an inconvenience that their cause has been noticed and has caused appropriate, necessary and timely changes.	2/20/2022 9:27 PM
2758	It hasn't	2/20/2022 9:27 PM

2761	Proud to support	2/20/2022 9:27 PM
2762	It has united Canadians who wish for Canada to remain a free and stable country where all are equal. I have been encouraged by the peaceful and loving demonstration witnessed by fellow citizens the past few weeks. I am proud to be Canadian again as I see how we have come together to fight the Canada we know and love. We used to be known as the peace keepers, not dictators. Trudeau must go!	2/20/2022 9:27 PM
2763	They were a ray of hope to me in what now feels more like political ploys than science. I was inspired by their stand concerning the mandates. They spoke for me and numerous others. They gave us a voice.	2/20/2022 9:26 PM
2764	The trucker convoy has given me so much hope and faith. I feel that I am not alone and there are others here in Canada who feel the same way as I do. I am so proud to call myself a Canadian after what they have shown. The love and support that Canadians have shown to complete strangers is one of the most beautiful acts of kindness I have ever seen. I am so proud and have so much respect for their bravery and compassion. The trucker convoy has	2/20/2022 9:26 PM

helped me see a light at the end of the tunnel and has allowed me to realize that there is a massive amount of Canadians who have beautiful and loving hearts and who are not giving up on their freedoms.

2771	Seems to be very positive, they're peaceful and loving. Just what we need to see people coming together for the future of Canada...	2/20/2022 9:26 PM
2772	It's given me hope that people believe what I believe and we can stand against our PM	2/20/2022 9:26 PM
2773	Power to the people. The government is here to serve the people not the other way around.	2/20/2022 9:26 PM
2774	I am annoyed to see individuals claiming to be patriots dragging the Canadian flag through the streets, wearing it like a costume. They are not heroes, they do not speak for me, they have done damage to serve themselves. The trucking convoy itself doesn't actually represent truckers as the ones I know willingly got vaccinated. Was it really a trucker convoy? Looked to me like a bunch of people complaining incoherently and claiming to be peaceful.	2/20/2022 9:26 PM

2785	United my family. Awareness of the WEF members in Parliament. Awareness of the lack of journalism in Canada, how the government controls it. How much Justin Trudeau lies to the people, he insults and calls us names. He doesn't answer questions in Parliament, instead he just walks out, doesn't apologize. The convoy was peaceful, until Justin Trudeau sent the police in. He could have stopped it by just talking...something we teach little kids.	2/20/2022 9:25 PM

2789	It was necessary, the truckers are the backbone of our economy and thankfully they stepped up, like the feminist movement, the pendulum must swing far and back a few times to come back to new common ground. I am glad I don't live in Downtown Ottawa, but capital cities are where Parliament is and if you live downtown it will create a stir. They led a good protest with a very reasonable mission, and I'm sorry it ended the way it did, with An Emergency act. I do believe that for the most part it was a peaceful protest Where the money comes from should not be the focus as this is a global effort. Shame on the govt, shame on Trudeau, for many reasons.	2/20/2022 9:24 PM

2800	Made it clear Justin Trudeau is more discussing and disappointing than ever imagined. Power trip, man up and do your job rather than hiding. Better yet resign and let someone smarter with balls take over	2/20/2022 9:23 PM
2801	I have realised that the media is influenced by our government and neither one can be trusted to tell the truth unless it suits them.	2/20/2022 9:23 PM
2802	Hasnt	2/20/2022 9:23 PM
2803	It has woke me up that more Canadians think like I do	2/20/2022 9:23 PM
2804	The convoy and actions of many in it has significantly increased my anxiety and stress, and left me feeling disheartened and disappointed that people could be so selfish as to call for a pre-mature end to mandates. All of society, all of us have had an incredibly hard time navigating this pandemic. But the convoy's blatant disregard for the vulnerable people in our society that we need to support and protect the most from COVID-19 - the disabled, the immunocompromised, the people who have no choice but to work in public settings (restaurant, retail, and other service workers) - is deeply upsetting. It is also infuriating to see the lack of accountability for the people displaying a wide range of hate-group symbols within the convoy, to see blatant misinformation about vaccines being spread, and to realize that many of the systemic issues truckers face (ie. wage theft, unsafe working conditions, companies predatorily taking advantage of new immigrants and their lack of knowledge of Canadian workers rights) are being ignored because this "trucker convoy" isn't actually about them. It makes me ashamed to see the Canadian flag flying from convoy vehicles.	2/20/2022 9:23 PM

government was trying to push the unvaccinated out of society. My family talked about leaving Canada. The trucker convoy gave me hope for My future and for Canada. I have been to the protest and I have seen it all up close and in person. These people are NOT criminals, they are NOT racists, and they are NOT terrorists. They're simply normal Canadians fighting peacefully for their freedoms back. The trucking convoy has Restored hope to my life.

2814	This has given me a certain degree of hope! It has been a dark and seemingly hopeless time. I was over Covid by about May of 2020, even as an RN because I recognized it as a virus that was going anywhere and was not quite as terrible and deadly to the general healthy population as we may have once thought. I have often felt that, outside of my close group of likeminded friends and family, I was quite alone in my thinking. This movement has a reminded me that there are SO many like me! As the freedom rally in Calgary yesterday, I read a sign that stated "if you leave your children a world where you never stood up, they will inherit a world where they can't." I agree with that and that is why I feel the way I do. I thank you, to the truckers - from the bottom of my heart! You are taking risks and showing bravery as the bodies and voices of so many!	2/20/2022 9:21 PM
2815	Giving small voices like me hope for a normal future.	2/20/2022 9:21 PM
2816	Given me a positive sign that there are many others across Canada that share same beliefs as me	2/20/2022 9:21 PM
2817	I felt relieved that someone was going to at lease fight for my rights and freedoms and stand up for the violations to human rights that have been committed. I at no point gave my bodily autonomy to the medical profession or the government.	2/20/2022 9:21 PM
2818	Given me hope that this will end.	2/20/2022 9:21 PM
2819	It will probably affect the supply chain and result in higher prices later this year. Having said that, I support their right to protest and am absolutely disgusted with Trudeau's measures to prevent their peaceful protest. Shameful.	2/20/2022 9:21 PM
2820	Again loaded question, at the end of January as I watched videos of them traveling towards Ottawa.. when I witnessed the amount of people willing to stand on overpasses and line up on hwys in freezing temperatures, waving canadian flags and supporting them. I saw a unity in this country that made me tear up, I saw a unity I have not seen in some time.. I saw, people who just want to live .. to be free, to be able to have a choice.. to be able to provide for families without discrimination.. to be able to go to a store and to have the basic freedoms we so often overlooked before March 2020	2/20/2022 9:21 PM
2821	Brought back hopes of freedom n joy to my life knowing there might be a chance of freedom again. I SUPPORT THE TRUCKERS!! I do NOT support the prime minister of Canada he should be in jail for the laws he's broken !	2/20/2022 9:21 PM

2837	The trucking convoy has brought a sense of pride into my heart and a sense of hope that there are many others in Canada who want to be free from government overreach. It has given a renewed meaning of hope, love, peace and unity to the symbol that is our Canadian Flag	2/20/2022 9:18 PM
2838	It has brought me hope for my children and grandchildren	2/20/2022 9:18 PM
2839	It gave me a little hope that peaceful protests could at least initiate some dialogue., but Trudeau doesn't give a shit about anything but his agenda	2/20/2022 9:18 PM
2840	It hasn't, I don't support blocking borders but support protesting in front of parliament. The simple solution is to end mandates and the protestors will leave.	2/20/2022 9:18 PM

2846	I stand up for them. I applaud them for standing for freedom for ALL Canadians.	2/20/2022 9:17 PM
2847	It is the first time I've had a smile on my face, the 1st time I've felt there may be a hope for Canada. It made me feel like I wasn't alone... but these past 2 days with what the government & police did to those peaceful protesters had had me feeling lost again & so embarrassed to be living in this country	2/20/2022 9:17 PM
2848	Has given me hope, and belief Canada will get back to what is was before Trudeau took office, running us into the ground, demonizing his fellow citizens, chastising and dividing Canadians. I have hope, and moral boost, with emotions that Canadians have come together, with a new found Canadian pride that I had lost long ago while under the Trudeau regime.	2/20/2022 9:17 PM
2849	It has given me hope and renewed faith in Canadians	2/20/2022 9:17 PM
2850	Brought encouragement and hope. It has solidified my views on the present state of things in Canada.	2/20/2022 9:17 PM

2867	It hasn't affected me negatively. What it has done is show me that Canadians can and will fight for their freedom and for a cause that is worth fighting for . In short it has given me hope that this country can escape the horrible regime of Justin Trudeau.	2/20/2022 9:16 PM

2871	Made me very happy, our rights are being fought for.	2/20/2022 9:16 PM
2872	The convoy has brought hope to a lot of Canadians. They are the working class the heart of Canadians. It breaks my heart to see how they have been treated and falsely accused as well as portrayed.	2/20/2022 9:15 PM
2873	It has made me sad, disappointed and embarrassed in how Trudeau has handled it .	2/20/2022 9:15 PM
2874	It has impacted the supply chain where I live. We have few stores locally as it is.... Roads get closer with no access due to weather and environmental conditions and can't be avoided. Don't hurt the supply chain by choice. Don't hurt our communities. Our PM has not handled much of this well at all (since March/20 or prior ...but that's another issue...)	2/20/2022 9:15 PM
2875	Very little	2/20/2022 9:15 PM

2916	The truckers gave me hope. For the first time in a long time I felt there was hope for all Canadians. They pulled us together after months for government directed segregation. They did it in a very peaceful and caring manor. I proud of them.	2/20/2022 9:12 PM
2917	No direct impact, however, I found it very upsetting to see fellow Canadians (although it be a minority) show total disregard for the safety and well-being of others. This was not a peaceful protest, their intent was to create unrest and hold a city captive until their demands were met and these demands went far beyond the mandates. In reality their intent was to destroy our democracy.	2/20/2022 9:12 PM
2918	It's inspiring	2/20/2022 9:12 PM

2961	I think it's great people are standing up for what they believe in. They're peaceful and hard working people and the feedback regarding it has been disgusting from media/government officials	2/20/2022 9:09 PM
2962	It gave me hope. It made me feel there were other people who felt that the government was over reaching.	2/20/2022 9:09 PM
2963	Given me hope. I fear for their livelihoods, their safety. Praying for them constantly. Sunday behind them 100 percent. Would like to support financially but fear for my own ability to provide for my family because they are freezing bank accounts.	2/20/2022 9:09 PM

3002	It did not, but I'm afraid of the repercussions this will bring once the stores start having empty shelves.	2/20/2022 9:05 PM
3003	It has given hope for the first time in a long time.	2/20/2022 9:05 PM
3004	It has made me sad at times when watching it, especially when I see the lack of respect shown toward the Police who are there to protect and keep order when needed.	2/20/2022 9:05 PM
3005	It has made me more aware of how many others see and believe the true science behind the vaccine and how loving,caring and kind Canadians are by nature.	2/20/2022 9:05 PM
3006	Brought me a sense of pride for Canada. I was encouraged at the thought of change happening, and Canadians coming together for a common goal.	2/20/2022 9:05 PM

Canadians vote on Canadian Mandate - February 2022

3014	I was hopeful for a while that the government would set a timeline to get rid of restrictions and mandates, but the government has disappointed me	2/20/2022 9:04 PM
3015	Hope for future	2/20/2022 9:04 PM
3016	Perhaps taxes as an Ottawa resident.	2/20/2022 9:04 PM
3017	Give me some hope	2/20/2022 9:04 PM
3018	It has given me hope that maybe Canada will not continue down the path of tyranny the government is currently taking us down.	2/20/2022 9:04 PM
3019	Given hope and a voice for those that can't be there	2/20/2022 9:04 PM
3020	Gives hope	2/20/2022 9:04 PM
3021	Seeing people speak up against the restrictions has made me aware that there are others like me and has given me hope that we, as a society, will be able to cope with moving forward. That being said, seeing the governmental response has made me very frightened of the overreach I think I'm seeing. I'm not a lawyer but the number of lawyers speaking out has made me concerned that the mandates are a serious political problem. I'm sorry for the people in Ottawa who were inconvenienced over the last few weeks but I have to admit, concern over them seems to supersede any concern for the people who have been suffering for the last 2 years. I've sent emails, phoned and no response other than "Thanks for sharing your concerns". The truckers loudly opened the doors. Thank you.	2/20/2022 9:04 PM
3022	It's embarrassing	2/20/2022 9:04 PM
3023	Gave me inspiration and emotional comfort that we have many people fighting for our rights.	2/20/2022 9:04 PM
3024	The trucking convoy has been incredibly annoying and frustrating. It has prevented me from living a normal daily life.	2/20/2022 9:04 PM
3025	Positively gave us hope. Freedom and love.	2/20/2022 9:04 PM
3026	Not affected at all	2/20/2022 9:04 PM
3027	Gave me hope	2/20/2022 9:03 PM
3028	Brought awareness that I'm not alone in believing the mandates are doing more harm than good now.	2/20/2022 9:03 PM
3029	It hasn't	2/20/2022 9:03 PM
3030	Not directly. Indirectly via supply chain remains to be seen, should be minor.	2/20/2022 9:03 PM
3031	About time someone stood up and we stopped a ting like sheep	2/20/2022 9:03 PM
3032	It has restored my pride in being a Canadian. It has united this country and shown us our role as a spiritual leader in the world by sparking hope for the nations.	2/20/2022 9:03 PM
3033	Has awoken the consciousness of all Canadian citizens	2/20/2022 9:03 PM
3034	It has helped me have hope again and I feel closer to my entire country. And not alone. My kids have hope too	2/20/2022 9:03 PM
3035	Not at all. Its been very peaceful. Government and media are not being truthful to Canadians.	2/20/2022 9:03 PM
3036	Giving hope to Canadians	2/20/2022 9:03 PM
3037	Makes me feel united with other Canadians	2/20/2022 9:03 PM
3038	So thankful they are standing up for freedom	2/20/2022 9:03 PM
3039	Given us hope	2/20/2022 9:03 PM
3040	They haven't If anything they bring me a good feelings were not gonna lose this country	2/20/2022 9:03 PM
3041	It has brought hope back to our lives, positivity and pride in our neighbours... instead of animosity, trucker convoy is showing Canadian kindness, understanding, unity, pride in our country	2/20/2022 9:03 PM
3042	It gave me hope and pride.	2/20/2022 9:02 PM

3043	I am a trucker... Though there have been some mild inconveniences I am grateful that they have done what they did	2/20/2022 9:02 PM

3045	Praying for them and Canada	2/20/2022 9:02 PM
3046	Price gouging is the worst! People have to live and with the price of food & the high rents are horrendous!	2/20/2022 9:02 PM
3047	It has given me hope and shown me how corrupt my government is. I no longer trust my government with their hunger for power. The way they have treated Canadian possibly can never be forgiven!	2/20/2022 9:02 PM
3048	Yes - They have given me hope that this craziness will end.	2/20/2022 9:02 PM
3049	It has given me a bit of hope and light which there has been NONE! Sad to see how the peaceful protestors have been treated, UNEXCEPTABLE!	2/20/2022 9:02 PM
3050	It has not affected what's so ever, I they have my support!	2/20/2022 9:02 PM

3055	It has not effect my life much but it has given me hope for freedom	2/20/2022 9:01 PM
3056	sister lives in ottawa and was harassed by truckers	2/20/2022 9:01 PM
3057	Improved	2/20/2022 9:01 PM
3058	It made me proud and grateful	2/20/2022 9:01 PM
3059	Best thing to happen in last two years	2/20/2022 9:01 PM
3060	Hasn't at all it's a peaceful protest	2/20/2022 9:01 PM
3061	Good	2/20/2022 9:01 PM
3062	Zero affects are not affected are lives at all	2/20/2022 9:01 PM
3063	If it gives me hope that finally Canadian people are rising up, especially those who are afraid to say anything negative, and it perhaps if there is enough push back the government will back down and allow us the freedoms they never had the right to take from us in the first place as they were given to us by God Himself	2/20/2022 9:01 PM
3064	It has caused deivision based on fear, anxiety and anger to Canada. I do not agree with this self-serving corrupt group of non Canadians! The protests did nothing of any good for Canadians..and caused so much dammage to our economy and mental health. Truly shameful... I am hoping this nonsense has come to an end. Canadians need to focus on living with Covid to rebuild our economy and childrens future...ignoring science is just plain redneck stupid!	2/20/2022 9:01 PM
3065	I have become more knowledgeable about politics	2/20/2022 9:01 PM
3066	Just frustrating	2/20/2022 9:01 PM
3067	None at all	2/20/2022 9:00 PM
3068	Inspired me and my family! I have a far greater desire to help protect my children's, my grandchildren's and all Canadians' freedoms under the Charter. They also reminded me that the Charter of Rights and Freedoms starts by speaking of our God-given rights and freedoms. I fear that our government is becoming god-denying!	2/20/2022 9:00 PM
3069	In a good way, for freedom.	2/20/2022 9:00 PM
3070	Stands for freedom! Finally did what we all were thinking and talking about. Enough is enough!	2/20/2022 9:00 PM

3098	No. I just enjoyed to visit them.	2/20/2022 8:58 PM

Canadians vote on Canadian Mandate - February 2022

	personally	
3135	At first I felt a sense of unity and pride. Then as government would not talk with them and increased needless force upon Canadian citizens, I was very disappointed in our government who did not take such drastic measures on railway or pipeline protests. I believe the trucking convoy has shown me that this government is tyrannical and I am both thankful that the truth is out there, but also saddened because this isn't the kind of Canada that my grandfather fought for in WW2. The trucking convoy has not affected me getting the supplies I need or my livelihood in anyway. These mandates have. And now I am concerned about a tyrannical government that will force their socialist agenda across our nation. I am glad that the truckers have stood up, even if they had to back down, at least they have help reveal the truth of this government.	2/20/2022 8:55 PM
3136	It's given me hope that possibly things would go back to the way they were sooner than later	2/20/2022 8:54 PM
3137	Not at all other than make me worried about our tyrannical government.	2/20/2022 8:54 PM
3138	Given me hope! That we can stop the separation of society, create unity.	2/20/2022 8:54 PM
3139	It has lifted the mandates here	2/20/2022 8:54 PM
3140	It's been great to see a general change in tone across the country	2/20/2022 8:54 PM
3141	It really has not affected me at all, and even if it had, I would still support it as in my opinion it was more about freedom than over throwing our current government! Sadly in my opinion the truckers in Ottawa would have been gone long ago if the PM would have opened meaningful dialog with them at the onset!	2/20/2022 8:54 PM
3142	Not any. Deliveries were all still made. Shelves were always full. The action by the truckers brought Canadians together and gave them the strength to stand and say "Enough" we want our Freedom back, we want to live our lives without government interference. We Do Not Want Any Part of the NWO which Trudeau and his government are endorsing	2/20/2022 8:54 PM
3143	Brought me hope. I felt the love, unity, kindness from everyone. First time in the 20 years of living in Canada I was proud to be here.	2/20/2022 8:54 PM
3144	Been brought to my attention that the main stream media should not be paid any money from the government totally one-sided. They are totally one-sided	2/20/2022 8:54 PM
3145	not at all just hope they get fined, not like getting the cerb illegally and then not having to pay back, that bill will be on all our taxes, so will the truckers bill, bill shit	2/20/2022 8:54 PM
3146	Gave me hope	2/20/2022 8:54 PM
3147	Gives me hope that the government will change things....	2/20/2022 8:54 PM
3148	Given us new life that many Canadians are rising up showing discontent. The Convoy has forced changes in provincial mandates which will force the Federal Gov't into a corner. With any good fortune the Liberal minority will fall tomorrow night and we have a new coalition formed. Praying for some wisdom to show up in Parliament.	2/20/2022 8:54 PM
3149	It hasn't and I support them and anyone else that stands to fight for our freedom	2/20/2022 8:54 PM
3150	It's giving me massive hope !!!! I'm so glad peaceful people have stood up for our freedoms... seeing the whole country cheering them on has been so inspirational for all of us ... I'm praying everyone in Canada stays united and strong	2/20/2022 8:54 PM
3151	Allowed me to find a community. fellow thinkers who understand the value of preserving an open free democratic society. The convoy offered me hope.	2/20/2022 8:54 PM
3152	Got Canadians to realize we have our freedoms striped from us by our baby-faced, Girlie Boy tin-pot-dictator Truedope and his merry gang of Commies. Canadian traitors ...	2/20/2022 8:54 PM
3153	It was a great inspiration and encouragement.	2/20/2022 8:54 PM
3154	Given me hope!	2/20/2022 8:54 PM
3155	It has felt like someone has finally been brave enough to voice loudly what many I've talked to have felt.	2/20/2022 8:54 PM
3156	Because of the work I do having the vaccine passports lifted as of March and the limit	2/20/2022 8:54 PM

capacity in restaurant removed I'm hoping my regular level of clientele comes back to allow me to get back to my regular income. Without the truckers I feel I'd still be waiting for this.

3157	Gave me hope and pride.	2/20/2022 8:54 PM
3158	It has inspired me to believe in not actually alone in my position	2/20/2022 8:53 PM
3159	Inspirational	2/20/2022 8:53 PM
3160	It hasn't. I am in total support of the truckers .we need to fight for our freedom .	2/20/2022 8:53 PM
3161	I felt like they gave us a voice	2/20/2022 8:53 PM
3162	It has really opened my eyes to the complete disregard that federal politicians have for the populace.	2/20/2022 8:53 PM
3163	Made me feel pride in my fellow Canadians like never before	2/20/2022 8:53 PM
3164	It has made me feel like Canadian people might have a voice again in how the country is managed. They are loud enough that the government cannot ignore them like they do with other citizens.	2/20/2022 8:53 PM
3165	not enough is being done to support the truth,covid,omecron is all a hoax,trudeau is a fuck stick that should step down we need a government leader not communist dictator	2/20/2022 8:53 PM
3166	Made me feel happy again	2/20/2022 8:53 PM
3167	What the Prime minister is doing to the truckers, is totally wrong, because they are not making any trouble, they just want to be heard. However, the Prime minister don't respect them at all, and that's a lot of desrecpt, to the truckers, i just don't want any war. Anyway, it looks like that's what the Prime minister wanted to take place, he is doing too much, planning to take away their license for life, also clamp down on the men them savings account, those things is totally wrong,all the people needed is just for him, to come out and speak with them, but the Prime minister is very desrespectfull, and he is very wicked to the people, have police treating them like they are criminals. and i hate that, if his dad was alive, he would never treat those people like that. Anyway, Trudeau is going to reap what he sowed, treat each other as you would like them to treat you, that's what the good Lord said, may God have mercy on the Prime minister Justin Trudeau.	2/20/2022 8:53 PM
3168	It has somewhat due to the supply chain issues with the problems at the birder crossings	2/20/2022 8:53 PM
3169	Given me hope, courage, unity, filled my heart with love and joy, brought other friends closer, inspired me to stand up for freedom and get our God given unalienable rights back since they should never have been taken in the first place.	2/20/2022 8:53 PM
3170	It is giving me hope finally the government will do the right thing and start working these pharmaceutical companies to poison there citizens.	2/20/2022 8:53 PM
3171	Gave me hope	2/20/2022 8:52 PM

3227	Not at all. Completely disgusted with what the ottawa police did to innocent peace loving harmless people, unreal the violence they inflicted. I'm ashamed of our Prime Minister and what he caused to happen and the lies about nazi flags, one person who was paid to be there to make this movement look bad has been the focus not the thousands of others who were there with no harm intended but to stand for our rights. The homeless in ottawa have never had it better, crime was low they were never fed so good or given free clothing and blankets how can anyone be against this that right there is Canadian but what trudeau did brining in this violent attack by police was disgusting and uncalled for. Our veterans are rolling over in there graves right now, sad time for Canadian history!!	2/20/2022 8:46 PM

3244	It has given me great hope and touched my heart deeply to see the love and support and beautiful intentions shared amongst such a diverse group of peaceful, freedom-loving Canadians. It has shown me that I am much less alone than I thought. Seeing what has been happening since the Prime Minister announced the State of Emergency and the Police have moved in full force, bringing violence and darkness into what was a peaceful, loving protest against our rights and freedoms being violated is absolutely devastating.	2/20/2022 8:44 PM
3245	Finally someone willing to stand up to our government...we have not been aloud to have an opinion that differs from Mr. Trudeau which was a evident in the the trucker convey, when all he had to do was meet with them not endorse more division	2/20/2022 8:44 PM

3326	It has not affected us at all . Other than the distress caused by the brutality of the police , this is very distressing and should not be tolerated in Canada . 3340	It hasn't at all one of the best things	2/20/2022 8:37 PM
3341	It has made me aware that I am not alone. I didn't realize how many people have been affected by this government over reach. I had to watch world news to get a true perspective of the truckers. Canadian news has been bought and paid for. The truckers gave me hope.	2/20/2022 8:37 PM
3342	Not at all	2/20/2022 8:37 PM

3344	I believe in what they are doing and I support them fully it has given me hope !	2/20/2022 8:36 PM
3345	I finally felt proud to be a Canadian again. The freedom convoy epitomizes the spirit of Canada - peaceful, but assertive. We shone a bright example for the entire world. I finally felt like I wasn't alone in my grief and suffering. I realized that millions of us have been abused and continue to be abused by these tyrannical and completely irrational mandates.	2/20/2022 8:36 PM
3346	I have seen their dedication and their commitment to freedom. They have remained peaceful under great pressure. In doing so, they have influenced the ENTIRE world. The only problem is they can't convince our Prime Minister	2/20/2022 8:36 PM

3359	It has made me feel a sense of hope for our country to open up again and be free. I am hoping this will help end the mandates we have been facing for years.	2/20/2022 8:35 PM
3360	It gives me hope when things seemed hopeless. It makes me incredibly again to be Canadian as we unite in solidarity against tyranny. As much as I hate the insane abuse of government power and police (UN) (ANTIFA?) brutality, I know this has to happen to expose the true evil we have let permeate our beautiful country and world. It is very hard but I will continue to pray for those committing evil acts on peaceful citizens and try to see them as God does and try to forgive them as God forgives.	2/20/2022 8:35 PM

3365	Happiness	2/20/2022 8:35 PM
3366	Nothing bad.. given me hope for a possible future	2/20/2022 8:35 PM
3367	It has shown me that ordinary Canadian people, unlike those politicians who pushed restrictions and mandates, can be self-sacrificing for the common good.	2/20/2022 8:35 PM
3368	It has encouraged and inspired me.	2/20/2022 8:34 PM
3369	It hasnt	2/20/2022 8:34 PM
3370	It's good to see this country still has a heartbeat.	2/20/2022 8:34 PM
3371	Further impacting the availability of things at the grocery.	2/20/2022 8:34 PM
3372	Exposed how terrible Canadian media such as CBC, CTV, etc. are and that the majority of what is published by them is propaganda from the government.	2/20/2022 8:34 PM
3373	The Truckers have given me hope that we can keep our country a free country. The small price our economy may pay now from an Additional delay in Supply chain from the protests will far exceed the price we will pay for submission to tyrannical laws that undermine the people's rights and freedoms.	2/20/2022 8:33 PM
3374	Yes really negative and making it worse for everyone	2/20/2022 8:33 PM
3375	Provided hope	2/20/2022 8:33 PM
3376	Made me proud to be Canadian	2/20/2022 8:33 PM
3377	Made me realize what a tyrant Trudeau is. He's taken our freedoms and called us terrorists he's a complete Jackass. This fight is not over You harm a veteran and throw then to the ground You refuse to talk to the truckers He's a coward piece of shit	2/20/2022 8:33 PM
3378	Glad to see the passion and PEACEFUL protests.	2/20/2022 8:33 PM
3379	I've felt a sense of camaraderie and pride for staying true to what we believe and sticking up for our rights. I feel the attention brought by the convoy has redirected the narrative and provide an authentic voice of Canadians	2/20/2022 8:33 PM
3380	As a Canadian it's clear that others are unhappy with the way things were handled.	2/20/2022 8:33 PM
3381	It brought great hope for the future of Canada.	2/20/2022 8:33 PM
3382	Inspired me to stand up for my rights as a Canadian citizen	2/20/2022 8:33 PM
3383	Shelves are empty	2/20/2022 8:33 PM
3384	Made me proud of the citizens of this country	2/20/2022 8:32 PM
3385	The Convoy has brought hope back into my life. I, now, know that I am not alone, and I have hope that freedom will return to Canada. That people will stop hating each other over personal medical decisions and move forward.	2/20/2022 8:32 PM
3386	It's given me and my fellow Canadian hope especially in the beginning when they're message was clear and intentional. End the mandates and give Canadians their freedoms back. Now it's proven to me and our nation that this was never about our health, science or a pandemic. It was Trudeau and his control. His dictatorship ways and martial law need to end immediately!!!	2/20/2022 8:32 PM
3387	It has given me hope that people in Canada care and will fight for our freedoms. I support them 100 percent and gave money to supply them. I'm soo thankful for them	2/20/2022 8:32 PM
3388	It has made me feel such concern over extremist, racist ideologies inserting themselves into Canadian lives. I am so unimpressed with this movement.	2/20/2022 8:32 PM
3389	Given me hope	2/20/2022 8:32 PM
3390	Raised my vibration that we can overcome anything if we stand together	2/20/2022 8:32 PM

Canadians vote on Canadian Mandate - February 2022

3391	Disgust for American influenced and funded extreme right wing racists and seditionists occupying and terrorizing my country and Ottawa citizens.	2/20/2022 8:32 PM
3392	Not at all. The RCMP how ever have caused me stress. There was no violence till they showed up. I am in BC but watch the news. Do not like what I see.	2/20/2022 8:32 PM
3393	Gave me the understanding we're not alone in our views.	2/20/2022 8:32 PM
3394	Hope!! My husband is a trucker and to see that many people (not just Canadians) come together has given us hope! It's the most Canadian we have felt in a long time!! Amazing!	2/20/2022 8:32 PM
3395	It gave me hope. I donated twice through both platforms. My data has now been leaked and the government threatening to freeze my bank account (according to media). I even received a random email from a stranger telling me I shouldn't donate to an illegal campaign as they are easy to hack. Meanwhile it wasn't and isn't illegal to peacefully protest. Which there is plenty of proof via video and testimonials that is was a peaceful protest. Our government is demonstrateably corrupt and following a WEF agenda.	2/20/2022 8:31 PM
3396	Gave me hope that I'm not the only one who feels like the government is communistic	2/20/2022 8:31 PM
3397	Gave me hope, there are still some people who make sense and understand the agenda behind all this	2/20/2022 8:31 PM
3398	It was fantastic to see all the Canadians waving flags and singing as the truckers drove by. It has shown me what a racist Justin Trudeau is .	2/20/2022 8:31 PM
3399	It has shown me how much we have been lied to by main stream media in that they have made us feel alone in our thoughts, and made us feel selfish for protecting our bodily integrity.... The trucker freedom assembly has shown me that i am indeed not a minority or fringe group... but a loud force of unity for freedom over a tyrannical dictator who is following a new world order agenda...	2/20/2022 8:31 PM
3400	The convoy and every detail associated w. them has truly restored my faith in Canadians and hope for the future	2/20/2022 8:31 PM
3401	its helping my life get my rights back by peaceful people standing up for themselves so they can support their families and allowing people to live free. it shows that people can come together in a time of need	2/20/2022 8:31 PM
3402	It has brought me hope	2/20/2022 8:31 PM

3405	Very proud of them for restoring my faith in freedom it was so nice to c people being human beings again hugging , taking ,laughter,just enjoying life as it was before	2/20/2022 8:31 PM
3406	I have cut off contact of many friends and family due to their support of the convoy. It has disturbed my commutes several times as well as the peace of many people I know.	2/20/2022 8:31 PM
3407	None just pissed a bunch of people of	2/20/2022 8:31 PM
3408	No	2/20/2022 8:31 PM
3409	It gave me hope that the government would listen to the common people. The convoy was wonderful. The governments response was terrible, arrogant and unfair.	2/20/2022 8:31 PM
3410	gave me a source of hope	2/20/2022 8:31 PM
3411	Gave me hope	2/20/2022 8:30 PM
3412	It's gave me hope to see Canada go back to the great country of freedom	2/20/2022 8:30 PM
3413	Constant harassment, noise disturbance during demonstrations.	2/20/2022 8:30 PM
3414	Inspired, gave me hope ♥	2/20/2022 8:30 PM
3415	same as everyone else.	2/20/2022 8:30 PM
3416	Nothing.	2/20/2022 8:30 PM

Canadians vote on Canadian Mandate - February 2022

3417	Inspired me	2/20/2022 8:30 PM
3418	Given hope, many hadn't realized at how affected they were because of the mandates	2/20/2022 8:30 PM
3419	They have given me hope. I feel like finally something could change. We could get our freedom back. I haven't felt hopeful in a long time.	2/20/2022 8:29 PM

3426	It's freeing up the restrictions a bit!	2/20/2022 8:29 PM
3427	I am worried the PM will freeze my account because I donated \$100 to the freedom convoy.	2/20/2022 8:29 PM
3428	Its made me proud to be Canadian for the first time in a long time	2/20/2022 8:29 PM
3429	It has given us hope!! It woke the lions!! Get ready cause here we come!!	2/20/2022 8:29 PM
3430	Inspired me for freedom	2/20/2022 8:29 PM
3431	I believe that the convoy has brought together many Canadians finally fighting for freedom in our country. We need to get back to when you were able to make a choice to put something in your body and the choice to wear a mask. If you want to be vaccinated and wear masks, you go for it. However if you don't, you shouldn't have to. We have proved over the last 2 years that masks and this vaccine don't work. Covid hasn't disappeared and it's not going to. So we need to accept that this is how it's going to be and start getting back to normal because I want my life back	2/20/2022 8:29 PM
3432	Hasn't affected my life at all.	2/20/2022 8:28 PM
3433	hasn't affected my life at all	2/20/2022 8:28 PM
3434	♥	2/20/2022 8:28 PM
3435	It makes me very proud that so many people stood up against something so very wrong.	2/20/2022 8:28 PM
3436	It only gives me hope that something can still be done to stop this Marxist movement by the gov.	2/20/2022 8:28 PM
3437	It's given some hope in crazy world we live in.	2/20/2022 8:28 PM
3438	Given us hope again!!	2/20/2022 8:28 PM
3439	It has given me hope and made me realize we are in this together with a multitude of people who feel the same way.	2/20/2022 8:28 PM
3440	I support the truckers 100%.	2/20/2022 8:28 PM
3441	Given me hope that maybe something could change with the government as a result of this. As it's gone on and the physical violence I've seen by the authorities has sickened me. I am deeply saddened for our country right now.	2/20/2022 8:27 PM
3442	I feel like it's given me a purpose, something worth fighting for, basic human rights. I feel more grounded and sure that these blue collar citizens are in alignment with solid Canadian values.	2/20/2022 8:27 PM
3443	Not at. All	2/20/2022 8:27 PM
3444	The trucking convoy has given me hope that a tyrannical government will listen to reason and look at the science, not their tyrannical control.	2/20/2022 8:27 PM
3445	Given hope that there will be an end to this stupidity	2/20/2022 8:27 PM
3446	Amazing	2/20/2022 8:27 PM

Canadians vote on Canadian Mandate - February 2022

3447	I see it as positive as I anticipate the end of vaccine mandates	2/20/2022 8:27 PM
3448	Its given me hope that regular working folks are waking up but I also realize that many people don't value freedom or recognize how corrupt & evil many politicians, judges, police officers etc truly are.	2/20/2022 8:27 PM
3449	It has brought hope to our lives once again. I fully support my right of peaceful assembly.	2/20/2022 8:27 PM
3450	I appreciate what they are trying to do and support them	2/20/2022 8:26 PM
3451	Given me hope	2/20/2022 8:26 PM
3452	It has brought me hope for a future without government overreach and a chance to take back sovereignty over my body and my choices.	2/20/2022 8:26 PM

3456	It has brought me hope, national pride and patriotism.	2/20/2022 8:25 PM
3457	This OCCUPATION has been hell and is a stupid, right-wing-extremist event organized by more intelligent people than those who've decided to follow it.	2/20/2022 8:25 PM
3458	Hope	2/20/2022 8:25 PM
3459	Gave me Hope and seeing the love in people	2/20/2022 8:25 PM

3461	Given patriotic Canadians hope we can move forward now science has stated it.	2/20/2022 8:25 PM
3462	It's brought awareness to the measures taking aren't working as well as we originally thought because people are still getting Covid-19	2/20/2022 8:25 PM
3463	It hasn't.	2/20/2022 8:25 PM
3464	It has given me encouragement	2/20/2022 8:25 PM
3465	The Truckers gave us a hope for our Children, Grandchildren & Great-Grandchildren's future, also to see we weren't alone. It was awesome to see so many people standing up & supporting the Truckers, this gave me hope that I would be able to see my Family & Friends once again, we wouldn't be divided on our choices.	2/20/2022 8:25 PM
3466	It has given me hope again	2/20/2022 8:25 PM
3467	It hasn't	2/20/2022 8:25 PM
3468	Has not	2/20/2022 8:25 PM
3469	It has given me faith again. And made me proud to be Canadian. I know this is just the beginning. The truth will come out!	2/20/2022 8:25 PM
3470	Gives me hope for a free country and not a one world order	2/20/2022 8:24 PM
3471	It's made me realize there are a lot of Canadians that are tired of all these mandates and restrictions and the truckers have decided to take matters in their own hands for what they feel is the sake if all Canadians. In a peaceful matter to end all these mandates and restrictions placed.	2/20/2022 8:24 PM
3472	They are hero's!!	2/20/2022 8:24 PM
3473	I fully support all of them & admire the effort they put in to support all other Canadians.	2/20/2022 8:24 PM

3475	Trudeau makes me puke	2/20/2022 8:24 PM
3476	They have given us the courage to cone together	2/20/2022 8:24 PM
3477	I have followed the demonstrations on the internet and have not seen or heard of any violence. I wish our Prime Minister had the courage to face the demonstrators and hear their point of	2/20/2022 8:24 PM

view. Are we still living in a democracy?

3478	It's been wonderful to see Canadians unite for freedom!	2/20/2022 8:23 PM
3479	In a positive way, hopeful.	2/20/2022 8:23 PM
3480	I've never felt so united. There's a sense of liberty through this movement, and power by numbers. It brings me joy to see that many people together with the same goal of helping our country. I've got emotional watching videos of the convoys that up popping up all over the world in support	2/20/2022 8:23 PM
3481	It has given us hope!	2/20/2022 8:23 PM
3482	Had no negative effect. Has helped me feel proud to be Canadian again, that fellow Canadians are willing to stand up for what's right.	2/20/2022 8:23 PM
3483	Made me feel hope	2/20/2022 8:23 PM
3484	Given me hope at first but much sadness and despair over priministers reaction	2/20/2022 8:23 PM
3485	It gave me hope for the future.	2/20/2022 8:23 PM
3486	Great ! It has given me some hope that common sense will eventually prevail.	2/20/2022 8:23 PM
3487	Brought awareness to sleeping people. Hopefully get the govt to drop mandates and emergency act. There is no emergency.	2/20/2022 8:23 PM
3488	It has impacted my soul. Seeing these Canadians act like this. Hate fuels the world.	2/20/2022 8:23 PM
3489	It hasn't. They are standing up for everyone to have our rights back	2/20/2022 8:22 PM
3490	It's given me hope and a sense of unity and pride again in my country.	2/20/2022 8:22 PM
3491	It gave HOPE.	2/20/2022 8:22 PM
3492	It has been hopeful to have Canadians speaking up on behalf of civil rights and freedoms	2/20/2022 8:22 PM
3493	It has given me hope. The border blockades where not affiliated with the freedom convoy to ottawa. Those blockades should have just slowed the flow over the bridge to show good faith but their resolve was admired. Thank you protestors for speak up and standing firm to demonstrate the lack of judgement by the those who pushed this mass forced (not voluntary) vaccination using the threat of losing our livelihood to get their 90% to be pharma experiments.	2/20/2022 8:22 PM
3494	It enspired me to stand up for what I believe in!	2/20/2022 8:22 PM
3495	I'm encouraged to see the courage and sacrifice of those brave men and women.	2/20/2022 8:22 PM
3496	It offers HOPE!!	2/20/2022 8:22 PM
3497	Given me hope, they make more sense than the government	2/20/2022 8:22 PM
3498	It has given me hope that there will be positive change. It has shown me that my views are far from wrong and that a huge number of my fellow Canadians feel the same way as I do!	2/20/2022 8:22 PM
3499	Not much. Just upset with their selfishness and uneducated bullying views. Can't see the big picture.	2/20/2022 8:22 PM
3500	Positively! Don't feel alone anymore. They are fighting for more than mandates. They are fighting for our rights and freedoms.	2/20/2022 8:22 PM
3501	like there is a hope for an end to these mandates that are proving to be not worth the social costs	2/20/2022 8:22 PM
3502	I support them 100%	2/20/2022 8:22 PM
3503	Given me hope	2/20/2022 8:22 PM
3504	They have brought hope that we can fight the tyrannical government and have peace & love. Get our freedoms back.	2/20/2022 8:22 PM
3505	It revealed the lengths to which the Government would take to control ALL Canadian citizens	2/20/2022 8:22 PM
3506	They gave us all a voice that the elite don't want to recognize or listen to!!	2/20/2022 8:21 PM

Canadians vote on Canadian Mandate - February 2022

3507	Zero affect!?	2/20/2022 8:21 PM
3508	Lifed a few restrictions so I could carry on my life. Hope it continues with more lifting.	2/20/2022 8:21 PM
3509	Not	2/20/2022 8:21 PM
3510	Gave me hope	2/20/2022 8:21 PM
3511	It finally woke up all the people, who were denying the government over reach, and lies.	2/20/2022 8:21 PM
3512	It hasn't other than giving me hope that someone is standing up to our horrible Prime Minister	2/20/2022 8:21 PM
3513	I'm a landlord at a Condo right beside parliament and the tenant mentioned the noise has been tough for sleeping at night. I'm hoping that this convoy has helped eliminate the mandates and remove the vaccine passports.	2/20/2022 8:21 PM
3514	Hasn't	2/20/2022 8:21 PM
3515	I believe the trucking convoy was started for the wrong reasons and, if anything, have delayed the removal of restrictions. For the Federal government to lift restrictions at this point would look like political capitulation. I do not support the truckers. To me it had less to do with freedom and more to do with not liking the consequences of their action/inaction with respect to vaccines.	2/20/2022 8:21 PM
3516	It hasn't	2/20/2022 8:21 PM
3517	It has given my hope. I've lost no business and have not been affected by it.	2/20/2022 8:21 PM
3518	I saw true Canadian spirit again after 2 years of feeling like I needed to fear, hate and divide everyone. I saw the power in numbers. My children could see the support, love and teachings that unity will win, even if mandates don't end the love, kindness and fellowship displayed around the country was exactly what we needed. It showed that communication is better then using force and listening goes a long way in making the world a better place. Money and power are nothing without family and friends with you and supporting you.	2/20/2022 8:21 PM
3519	Made me proud ro very Canadian again...it gave me hope	2/20/2022 8:21 PM
3520	Entertainment. But I do believe they are the reason the mandates are being lifted. So positively. ,	2/20/2022 8:21 PM
3521	It has given me hope. It's uplifting to see many of these regular Canadians sacrificing their reputation and livelihoods to stand up for freedoms and unjustified mandates	2/20/2022 8:20 PM
3522	I pray more! I pray for Canada. I pray for freedom! I pray for Justice! I pray for peace. I rejoice that Canada still has good people in it willing to stand up and be heard!	2/20/2022 8:20 PM
3523	Not at all.	2/20/2022 8:20 PM
3524	Gives me hope	2/20/2022 8:20 PM
3525	It has brought hope and joy back into out lives. The feeling of pride, belonging, empowerment! Seeing the lies from the media, how the media does not report the whole truth or both sides	2/20/2022 8:20 PM
3526	It has not affected my life. I wish them the best of luck for proving the point against mandating	2/20/2022 8:20 PM
3527	It's given me hope that this country will be free again	2/20/2022 8:20 PM
3528	Gives me hope to be free as prior to 2020. Why does PM want everyone to be vaxed	2/20/2022 8:20 PM
3529	Has not they have brought Canada back together again despite Justin Trudeau's policy to separate Canadians	2/20/2022 8:20 PM
3530	Gives hope	2/20/2022 8:20 PM
3531	very proud	2/20/2022 8:20 PM
3532	Has shown how the Liberal government was not able to deal with issues diplomatically, and avoiding the issue until it escalates to a point of loss of control of the situation.	2/20/2022 8:20 PM
3533	It's brought unity amongst all of us and made me proud to be Canadian again and more then ever disappointed in our government and the way they handled all of this	2/20/2022 8:20 PM
3534	It's frustrating seeing Canada so divided.	2/20/2022 8:19 PM

Canadians vote on Canadian Mandate - February 2022

3535	It has given me hope and restored my faith that I'm not alone	2/20/2022 8:19 PM
3536	It has given me hope!!! Millions of Canadians feel the same way as I do.	2/20/2022 8:19 PM
3537	Provided hope for change	2/20/2022 8:19 PM
3538	Hope	2/20/2022 8:19 PM
3539	Brought hope back for the first time in two years, and pride of being a Canadian.	2/20/2022 8:19 PM
3540	Hope	2/20/2022 8:19 PM
3541	Didn't affect my life-	2/20/2022 8:19 PM
3542	mandates being lifted has greatly improved my life at school and work	2/20/2022 8:19 PM
3543	Gives me hope that all mandates will be dropped	2/20/2022 8:19 PM
3544	I believe in the rights to protest peacefully and it's a disgrace to see this protest being treated as domestic terrorism solely because it has the numbers/support to demand change. Seeing the countries federal response has made me question our freedom and who has the right to put our democracy at risk and for what reasons. I have lost faith in the government of Canada but not in the people. It isn't a matter of what the convoy originally asked of the prime minister but now a matter of refusing to lose our right to speak and be heard. "I may not agree with what you say, but I will defend to the death death your right to say it"	2/20/2022 8:19 PM
3545	The convoy has lit us up and given us hope, as we watch hundreds of thousands of Canadians wake up and say 'no more'.	2/20/2022 8:19 PM
3546	Very positively and has done only good things in regards to dropping mandates and showing the fight for Canadians freedom. Inspiring because it turned global and we gained international support.	2/20/2022 8:19 PM
3547	Taken away my freedoms more than COVID ever did	2/20/2022 8:18 PM
3548	It has given me hope. I have been so encouraged to see Canadians across this wonderful country come together and stand together in unity for freedom for all Canadians.it made me feel proud to be a Canadian. I have been very distressed how these peaceful protesters have been so viciously and disrespectfully spoken of by Mr Trudeau, how their requests have been ignored by him and how violently the police have treated them once Mr Trudeau has initiated the Emergency Act.	2/20/2022 8:18 PM
3549	Did not effect my life	2/20/2022 8:18 PM
3550	I have felt a sense of pride and joy to be a Canadian again. Being in Ottawa was one of the most joyful experiences. The recent events have been a disgrace to our country.	2/20/2022 8:18 PM
3551	They gave me hope .	2/20/2022 8:18 PM
3552	I don't know but I'm glad someone is standing up for us.	2/20/2022 8:18 PM

3554	Given me hope for the first time in two years. Felt an overwhelming feeling of love and good will.	2/20/2022 8:18 PM
3555	God bless the truckers. They are true heroes	2/20/2022 8:17 PM
3556	They give hope to the people	2/20/2022 8:17 PM
3557	Hope	2/20/2022 8:17 PM
3558	Given me hope that humanity can come together in peace and harmony in times of hardship.	2/20/2022 8:17 PM
3559	I have never felt so much love, pride and unity!! It has given me hope that Canada can once again be the best country to live in. Everyone should be given the choice whether or not to receive the vaccine. Nobody should be forced to get the vaccine or risk losing their job!!! I believe in bodily autonomy.	2/20/2022 8:17 PM
3560	It hasn't	2/20/2022 8:17 PM
3561	Gave me hope that someone might hear that there is a problem	2/20/2022 8:17 PM

Canadians vote on Canadian Mandate - February 2022

3562	Has not affected my life in any way. I know it has affected others in the sense that they have blocked traffic and certain people have been honking their horns at all hours of the night, keeping people up.	2/20/2022 8:17 PM
3563	It has made me proud to be a Canadian, proud of how it has brought people of all countries/cultures together! Proud to see how we all fight for what we deserve Freedom	2/20/2022 8:17 PM
3564	The trucking convoy does not speak for all Canadians. Their actions are an embarrassment to this country, our true freedom fighters (Vets).	2/20/2022 8:17 PM
3565	It's bullshit, they're literally torturing us citizens because they're overgrown babies who don't know what it's like to have genuine freedoms taken away from them. Arrest them all and just end it, it's torturous and horrible. You can't go anywhere on the weekends anymore without being stuck in traffic or be harassed	2/20/2022 8:17 PM
3566	Did not effect	2/20/2022 8:16 PM
3567	indifferent	2/20/2022 8:16 PM
3568	It has had no (ill) effect, save to bring like minded people together, and further alienate those who are fearful. The convoy has given us an opportunity to be supportive, even though we are not involved.	2/20/2022 8:16 PM
3569	A sign of hope that Canadians want freedom over tyrann	2/20/2022 8:16 PM
3570	For the better! It has started the elimination of the mandates	2/20/2022 8:16 PM
3571	It has given me hope.	2/20/2022 8:16 PM
3572	It hasn't but we appreciate them keeping the country going when everyone else was locked down. We also appreciate them saying enough is enough, we shouldn't be forced to do anything to our bodies unless we want to. I'm disgusted with our country that was supposed to be the land of the free, I no longer feel free.	2/20/2022 8:16 PM
3573	Nothing	2/20/2022 8:16 PM
3574	It has given me hope that there is a positive way to bring Canadians to unity again!	2/20/2022 8:16 PM
3575	Hope for change	2/20/2022 8:16 PM
3576	Gave me hope and brought positivity to my life. Opened the dialogue for Canadians to express their discontent with government overreach	2/20/2022 8:16 PM
3577	It's has not, it has exposed government who has been irresponsible and overreaching on powers through emergency orders and restrictions	2/20/2022 8:16 PM
3578	Brought awareness and opened our eyes to the freedom Trudeau has taken away from us	2/20/2022 8:16 PM
3579	Positively	2/20/2022 8:16 PM
3580	Only hope left	2/20/2022 8:16 PM
3581	It has given me hope for a better future.	2/20/2022 8:15 PM
3582	Gave hope	2/20/2022 8:15 PM
3583	Horrified that people think they can break laws and expect my support	2/20/2022 8:15 PM
3584	Ils m'ont donné de l'espoir. Ils m'ont fait du bien. J'y suis allée et c'était pacifique.	2/20/2022 8:15 PM
3585	Gave me hope	2/20/2022 8:15 PM
3586	Not affected	2/20/2022 8:15 PM
3587	It's improved it and given me hope	2/20/2022 8:15 PM
3588	Did not affect me.	2/20/2022 8:15 PM
3589	It hasn't affected me negatively whatsoever. Positively it has shown that we the people are pissed right off at our useless government and prime minister. We have a voice! And that you can never take away.	2/20/2022 8:15 PM
3590	Giving me hope	2/20/2022 8:15 PM

Canadians vote on Canadian Mandate - February 2022

3591	A thrill of hope for freedom!!!!!!	2/20/2022 8:15 PM
3592	It has given me hope. All rhetoric aside, the original message was/is pure. People's individual medical choices must be free.	2/20/2022 8:15 PM
3593	helps the world hear some of our concerns and show the government not everyone is on board with these mandates	2/20/2022 8:14 PM
3594	First time in years I feel hopeful and proud to be a canadian but am very disgusted with the leadership of our PM and his tyrannical unnecessary measures to bring in the emergency act, for a peaceful protest to fight for our freedoms. Totally uncalled for.	2/20/2022 8:14 PM
3595	Gave me hope	2/20/2022 8:14 PM
3596	I feel sad that people, because of the mandates, have no other option than to protest. What would you do, once they've taken all your freedoms and property?	2/20/2022 8:14 PM
3597	I support them Not affected at all	2/20/2022 8:14 PM
3598	Has created a strong bond of people of Canada against the tyrannical government	2/20/2022 8:14 PM
3599	It hasn't affected me, they are doing a great job.	2/20/2022 8:14 PM
3600	It has given me hope that Canadians are finally feeling the harm all the mandates have done	2/20/2022 8:14 PM
3601	It has brought hope that we are finally standing up for ourselves to these tyrannical mandates	2/20/2022 8:14 PM
3602	They are supporting each and every Canadian going through our awful times ,,for the last 2 years from this senseless pandemic	2/20/2022 8:13 PM
3603	Hasnt	2/20/2022 8:13 PM
3604	It gave me a glimpse of hope and happy to see so many people sharing LOVE and unity!!!	2/20/2022 8:13 PM
3605	Brought hope and unity to our lives	2/20/2022 8:13 PM
3606	It depresses me that they have made Canada look foolish, entitled and backwards in the eyes of the civilized world	2/20/2022 8:13 PM
3607	In positive ways! Yes there may be a slower supply of some things but that is what is needed and I support it!	2/20/2022 8:13 PM
3608	My heart was filled with hope. Maybe, just maybe someone will listen to the other side. I can't put to words the overwhelming emotions I felt watching our great country standing together, for freedom. Mandates have divided us. They have caused so much hate for one another, so much pain. The convoy was bringing us together. Peace and love was their motto. Truth was being spread and eyes were opening. My stress and despair was changing by watching the truckers stand for what is right. They were standing for me and they don't even know me. I am truly grateful. I pray the love and peace they brought never ends. That Canadians will stand with one another, even in their differences. The convoy put a ray of light in a very long tunnel. Thank you truckers.	2/20/2022 8:13 PM
3609	I've had moments of hopefulness seeing what they are doing, and then discouragement when I see what the government has done	2/20/2022 8:13 PM
3610	It did not affect my life	2/20/2022 8:13 PM
3611	They're loud-mouthed idiots aand a stain on Canada's reputation... and a tiny minority. Thankfully 90% of truck drivers are reasonable, and the convoy has not affected my ability to access goods.	2/20/2022 8:13 PM
3612	Given me hope that we can get through this. There are more people like me, suffering silently and feeling alone. I finally feel like I'm not alone and may be able to live my life again.	2/20/2022 8:13 PM
3613	It's brought hope back to me that we will soon be free again	2/20/2022 8:13 PM
3614	It has given me hope because I've seen I am not alone and it has empowered me to stand up for my constitutional freedoms and rights.	2/20/2022 8:13 PM
3615	It gave me HOPE and pride of being Canadian. Until the government would not have a conversation with the truckers. They only wanted to be heard. Not brutalized by the police. That was a VERY sad day for Canada and now I fear for my freedom	2/20/2022 8:13 PM

3618	I feel like they are doing what needed to be done to get our lives back. To STOP SEGREGATION.	2/20/2022 8:12 PM

3622	It has given hope	2/20/2022 8:12 PM
3623	Family are truckers and have been on the front lines for the last 2 years without the mandates binging goods to Canada and to the US.. all of a sudden being forced to take the jab when the world and many provinces are getting rid of mandates.	2/20/2022 8:12 PM
3624	It's providing hope to get rid or mandates, to get rid of Trudeau, the divide he created, the lies he tells.	2/20/2022 8:12 PM
3625	Gave me hopes	2/20/2022 8:12 PM

3630	Gave me hope	2/20/2022 8:11 PM
3631	Gave us hope and proof that there are a lot of Canadians and others around the world that support us. Mandates only segregate and divide society	2/20/2022 8:11 PM
3632	In a positive way	2/20/2022 8:11 PM
3633	It has not in anyway other then one step in the right direction for once	2/20/2022 8:11 PM
3634	Not at all! Over the past 2 years, the shelves in the grocery stores have had fluctuating stock, and the auto industry has had parts problems, NOT because of the trucking convoy, but because the government has created their own political road blocks with the supply chain coming from the USA, China, and many other countries!!!! In fact, the shelves in all of the grocery stores in my area remained the same as they have for the last 2 years!	2/20/2022 8:11 PM
3635	Joy. Pride in Canada again. Feeling of hopefulness and getting back our freedom and independence. Confidence in our ability to manage COVID with natural immunity, early treatment and common sense.	2/20/2022 8:11 PM
3636	Inspired me. Brought reassurance and safety.	2/20/2022 8:11 PM
3637	Generally in a positive way because it showed Canada and the world that more people were against mandates and coercion than what the media was portraying as a "fringe minority".	2/20/2022 8:11 PM
3638	It's annoying	2/20/2022 8:11 PM
3639	None, they are doing amazing things to this country and also to world, Thank You Truckers	2/20/2022 8:10 PM

3652	Made me see if we don't stand up for our rights he will take them away. PHUCK JUSTIN CASTRO	2/20/2022 8:09 PM
3653	Hope	2/20/2022 8:09 PM
3654	It has given me a renewed hope that Canadians will stand up for their God given rights as humans	2/20/2022 8:09 PM

3663	It personally brought hope and joy ! It made me feel proud to be Canadian again! It only lasted a short time because of our government actions which brought in the war measures act!	2/20/2022 8:09 PM
3664	Gives me hope for change and be heard that the government works for the people	2/20/2022 8:08 PM
3665	It has expressed that many feel the same. It has shown me that the government corruption is at an all time high and they are more interested in getting \$\$ and not for the people.	2/20/2022 8:08 PM
3666	not at all in my daily life , except for now emotionally and how they have been treated	2/20/2022 8:08 PM
3667	Traffic jam	2/20/2022 8:08 PM
3668	Gave me hope that we still have some common sense in our country.	2/20/2022 8:08 PM
3669	Loss of freedom, when your no longer allow to speak against the government you have lost all freedoms.	2/20/2022 8:08 PM
3670	Very unclear on what they are so against. We have to trust our medical and science experts and have faith that our leaders are doing what is best for all and protecting those that are most vulnerable and to do what needs to be done to make sure our health care system is not overwhelmed.	2/20/2022 8:08 PM

3679	Gave me hope that maybe there is a voice for those of us who have suffered greatly due to the mandates, government over reach and lost rights.	2/20/2022 8:07 PM
3680	Im so proud of them for standing up for those of us who are sick of. Lies and bs	2/20/2022 8:07 PM
3681	I feel sorry it has become to this in order to stand up for our rights	2/20/2022 8:07 PM
3682	It's given me hope and something to follow in this terrible World.	2/20/2022 8:07 PM
3683	Like my own voice is being amplified through so many others	2/20/2022 8:06 PM
3684	Has not been affected yet	2/20/2022 8:06 PM

3686	N/A	2/20/2022 8:06 PM

3692	Positively	2/20/2022 8:05 PM
3693	Gave us hope by standing up to the government tyranny.	2/20/2022 8:05 PM
3694	Given so much hope and pride for my fellow Canadians !	2/20/2022 8:05 PM
3695	It has brought hope for change. The legal issues surrounding the noise caused by the truckers are no comparison to the atrocities our current government are responsible for.	2/20/2022 8:05 PM
3696	brighter future may occur	2/20/2022 8:05 PM
3697	Boosted my spirits immensely - I saw beautiful unity and felt the warmth and love for days while I was there	2/20/2022 8:05 PM
3698	It has made me think of all the government overreach and prolonged mandates which do not match the science and world actions.	2/20/2022 8:05 PM
3699	I support it	2/20/2022 8:05 PM
3700	The convoy gives me hope that we the workers of this country who feel the brunt of these mandates, are not alone. I felt alone when I almost lost my job. I got steam rolled by the mandates in my province. But you can't steam roll over a trucker! And we need unity. The mandates are so divisive.	2/20/2022 8:05 PM
3701	Negatively. Lots of stress and anxiety caused by it. Distrust for the public has increased. Feeling irritable is more common.	2/20/2022 8:05 PM
3702	Inspired me	2/20/2022 8:05 PM
3703	Other than hijacking me to watch the television, it has not affected me directly.	2/20/2022 8:05 PM
3704	The Freedom Convoy to Ottawa gave us, and millions of Canadians hope. We were unsure of the border blockades, but supportive of the truckers bringing their message peacefully to Ottawa. Finally, someone was speaking up for the Canadians who have been harmed by mandates and for our constitutional rights. Though the harms it was speaking for were diverse, It created patriotism in people in our family and unity behind the objectives of freedom and "end the mandates." It was inspiring to see so much support, and so many people bringing	2/20/2022 8:05 PM

anger and pain to the protest and seeing it transformed into peace, love, and even joy - and unity around a desire for freedom and the end of government Covid mandates. However, the government's disrespect of the peaceful protest in Ottawa and heavy-handed response to what was a peaceful protest by people who stayed peaceful and co-operative with the local authorities even while being disrespected by the government and misrepresented by the government-funded media, has made us feel like the federal government has declared war on its own people.

3705	Felt hope for the first time in two years	2/20/2022 8:04 PM
3706	.	2/20/2022 8:04 PM
3707	An inspiration really. Glad to see people step up for change. My employer and many other forcing peoples hand with this vaccination. Many Don't want it and have been forced. It's unreal right now	2/20/2022 8:04 PM
3708	It has not affected me one bit.	2/20/2022 8:04 PM
3709	I have even more respect for a trucker ; they stand for freedom and ate our heroes. They bring us products we need. We need them!	2/20/2022 8:04 PM
3710	Not much. I think they are idiots	2/20/2022 8:04 PM
3711	They are fighting for our freedom, Canada is becoming a communist country. Need to get rid of Trudeau	2/20/2022 8:04 PM
3712	N/a	2/20/2022 8:04 PM
3713	Gave me hope! Felt like I wasn't the only one against the mandates and realizing this is not about our health but 100% political - since pretty much the beginning.	2/20/2022 8:03 PM
3714	Helped to recognize more and more the loss of freedoms the PM is imposing on Canadians	2/20/2022 8:03 PM
3715	it hasnt affected my life	2/20/2022 8:03 PM

3722	Slowing traffic	2/20/2022 8:03 PM
3723	It gave me some glimmer of hope... but I'm concerned for their safety.	2/20/2022 8:03 PM
3724	It's been really amazing to see people come together in the name of freedom to exercise their right to protest. I pray they prevail as the government and evil corrupt corporations market it as racist, Nazis and a small Fringe minority with acceptable views. I'm pro choice and I think the trucking convoy is only the beginning	2/20/2022 8:02 PM
3725	Made me proud of our country	2/20/2022 8:02 PM

3769	There are many places I shop/ supplies are limited because of the trucking convoy. Again , I am lucky myself and my family don't have specific needs . Like medical supplies, special dietary issues , and we are lucky not to have to use the hospital . Our Health Care workers are maxed out. I am an educator and see many issues with our primary children having to deal with Covid, plus seeing/ hearing about this trucking convoy issue. It's scary enough for an adult.	2/20/2022 7:58 PM

3777	Made me even more frustrated. They need to suck it up and do their jobs. Cdns depend on them, so for now follow the rules like everybody else. They drive trucks. They're not medical professionals.	2/20/2022 7:57 PM
3778	I live in Ottawa. The convoy has only positively affected me.	2/20/2022 7:57 PM

finally standing up for their freedoms and realizing that our prime minister needs to remove himself.

3791	I happily drove three hours because the police unnecessarily blocked access to a bridge I needed to cross for an appointment. Go truckers	2/20/2022 7:56 PM

3795	We were given back our hope for and pride in this country through the trucking convoy. I can be a little proud of Canada again although the crackdown by Trudeau on them has caused so much shame. I was excited for the truckers and their goal and hope they continue to oppose these unlawful socialist mandates.	2/20/2022 7:56 PM
3796	The Freedom Mandate Truckers Convoy 2022 brought HOPE and UNITY as we watched Canadians arise all over Canada to bring a PEACEFUL Petition, Rally and Discussion to our Prime Minister and Government. The LOVE was amazing and all inclusive, and always Peaceful. As the Movement grew the many serious issues of Canadians were added to the complaints, but the Convoy leaders wanted to only sit at a table with the P.M. and his caucus to discuss why and how to lift these unreasonable and autocratic mandates which removed the Free Choice of truckers, but all of Canadians as well. The government and P.M. has handled this in a revolting, Self-interested, and Despotism manner, with hatred and hate speech, and cowardice, and he has been exposed in his and their criminal activities..esp. Trudeau, and his party. Also, the violence and abuse, and seeding even greater division in Canadians, has been extremely upsetting and absolutely unnecessary...the Emergency Act...is a warning of Communism on our doorstep. The Freedom Mandate Convoy 2022 brought no inconvenience but HOPE for Change, and inspiration to STAND UP for our RIGHTS and Education on what the Charter of Rights gives us. The lies of the Mainstream Media were disgusting, and there was NO occupation. The people in downtown Ottawa were always free to go about their business and stores to open for business. It also exposed the Dark and evil things going on in our government and 'leader ?' and the total lack of integrity and courage in most of the representatives in the House of Commons and Senate, and Supreme Court. We are ashamed of our Parliament and its leader and representatives. They need to step down NOW...before they destroy all of Canada and her future, and the people who live in what we thought was Democratic Nation.	2/20/2022 7:56 PM
3797	give me some hope that one day soon everything will be back to "normal", if it still exist...	2/20/2022 7:55 PM
3798	It's given me hope that people are finally starting to understand that we have been doing things wrong, and that it's our responsibility to demand change from them. I'm hopeful that this is the beginning of that change.	2/20/2022 7:55 PM
3799	UNITY	2/20/2022 7:55 PM
3800	The truckers have given me hope and brought joy into my life again. I was proud to be Canadian again! Saturday changed that. I feel sad and have a sense of hopeless. Thinking of leaving the country.	2/20/2022 7:55 PM
3801	It has not affected my everyday living at all. What it has done is started a movement in Canada where ALL Canadians regardless of race, religion has brought us all together. For the first time I fell proud to be Canadian. The government has worked hard for years to keep us fighting with each other, this has brought us together. I support the truckers 100% and everyone else who is involved in this movement for freedom. I am also proud that Canadian have started the movement and encouraged other countries people to follow suit. It is not just a Canadian thing but a world wide fight for FREEDOM.	2/20/2022 7:55 PM

3811	It hasn't directly affected me, except for increasing my stress level significantly. 3904	Nothing. I'm not watching it at all. They can do what they want	2/20/2022 7:45 PM
3905	It help freedom	2/20/2022 7:45 PM
3906	Gave me a new hope that Canada can be saved. Allowed me to meet great Canadians of all denominations Made me question my govt even more than I did previously. I love my Country but ashamed of my govt!!	2/20/2022 7:45 PM
3907	Honestly, the convoy was inspirational for about 3 days in January. Now, the icky coffee grinds that are left in Ottawa are an utter embarrassment for that whole movement. The citizens who have followed public health measures are the true heroes and patriots of this wonderful country. They should be thanking the majority who have been vaccinated. And if the convoy followers had gone home after the first weekend of protests, I bet the federal government would have begun the process of ending the mandates. The lingering freedom freaks are dragging this on. They need to go home.	2/20/2022 7:45 PM
3908	Brought hope that this will all end and we can go back to normal	2/20/2022 7:45 PM
3909	H o p e	2/20/2022 7:45 PM

3911	It has been positive for Canada	2/20/2022 7:45 PM
3912	made me happy for once that people are finally speaking up	2/20/2022 7:45 PM
3913	It gave us hope! We felt alive again. Connected with so many people downtown, saw beautiful smiles, got lots of hugs, love those truckers! Amazingly we all didn't die within 2 weeks of covid from mass exposure without masks or distancing.	2/20/2022 7:44 PM
3914	Given me hope	2/20/2022 7:44 PM
3915	It has given me hope.	2/20/2022 7:44 PM

	fear mongering. It has caused mild inconvenience regarding my movements within the city.	
3926	Annoying,loud,not Considerate of others , bringing innocent kids to place like that. Just unforgivable	2/20/2022 7:42 PM
3927	Alberta has elected to remove all restrictions	2/20/2022 7:42 PM
3928	It's deeply concerning that it's provided a platform for hate speech against racial minorities, immigrants and LGBTQ folks.	2/20/2022 7:42 PM
3929	Nothing changed physically but than it was great to see the country brought together.	2/20/2022 7:42 PM
3930	Gave me hope and something to stand up for	2/20/2022 7:42 PM
3931	It has made me feel more solidarity with those who are fighting. It has also made me realize how divisive the rhetoric Trudeau is spewing, separating Canadians rather than bringing them together. Lastly, I've come to realize how bad the news reporting is. Seeing live, raw video from various sources and comparing it to the Canadian legacy media shows drastic inconsistencies. I was honestly very surprised the way the trucker convoy has been presented. I'm disgusted with how these peaceful truckers have been treated.	2/20/2022 7:42 PM
3932	It has shown I'm not alone. It provided hope. It showed the world that Canada is being attacked by its own government.	2/20/2022 7:42 PM
3933	Irritation that people are wasting so many resources on their temper tantrum. How much is the police response going to cost??	2/20/2022 7:42 PM
3934	Uplifted my spirit	2/20/2022 7:42 PM
3935	Shown me the strength and connectivity of some of Canada's population.	2/20/2022 7:41 PM
3936	Given me hope that change would occur and that a full and open discussion would occur to voice concerns on these mandates, the recent scientific reviews of the effectiveness of all the policies including vaccine effectiveness, safety record etc.	2/20/2022 7:41 PM
3937	It hasn't	2/20/2022 7:41 PM
3938	Some mandates wherelifted	2/20/2022 7:41 PM
3939	Brought hope and a sense of unity that I am not alone.	2/20/2022 7:41 PM
3940	Bless these Truckers. They are the heros- our modern day soldiers. I'll never look at them the same again. The Nazi police all have to go..all	2/20/2022 7:41 PM
3941	It did not affect my life	2/20/2022 7:41 PM
3942	The truckers have given me a great feeling of hope and happiness, I haven't felt that for nearly two years.	2/20/2022 7:41 PM
3943	So much love for the men and women who stand their ground against evil. Canadians are set apart from the rest of the world true north Strong one nation under God. The God of Abraham Issac and Jacob.	2/20/2022 7:41 PM
3944	It has given me hope that maybe one day we will get our rights and freedoms back.	2/20/2022 7:41 PM
3945	It has given me hope, the convoy is peacefully demonstrating for the freedoms guaranteed to us by the Canadian Charter of Rights and Freedoms, one written by this Prime Minister's father, no less!	2/20/2022 7:41 PM
3946	Brought hope, helped alleviate mandates, brought light to issues not being seen by many	2/20/2022 7:40 PM
3947	Hope	2/20/2022 7:40 PM
3948	Soo positively so much love and unity woww ot is amazinggg	2/20/2022 7:40 PM

3950	Has given me HOPE and Purpose!	2/20/2022 7:40 PM
3951	Very positively. I want my freedom, not a Klaus Schwab Great Reset.	2/20/2022 7:40 PM

3953	It has given me hope for the future	2/20/2022 7:40 PM
3954	It gave me hope that all is not lost. I rejoiced and took energy from all the ppl coming together in peace and love.	2/20/2022 7:40 PM
3955	Gives me hope	2/20/2022 7:40 PM
3956	Not sure yet	2/20/2022 7:39 PM
3957	Seems to have forced government to fast track lifting mandates, which insupport	2/20/2022 7:39 PM
3958	It has opened my eyes to what Justin is up to with WEF....and the tyranny we are under in our country as well as the whole world.	2/20/2022 7:39 PM
3959	Gave me hope	2/20/2022 7:39 PM
3960	I'm a BC trucker . I have pride I've never experienced before being a trucker , but also sadness at how they the truckers and the rest of Canadians have been treated by a dictator of a MP and a lying media. The convoy has woken up the country to the corruption of government and police.	2/20/2022 7:39 PM
3961	The convoy itself has not affected my life directly- I am concerned with the rise of white supremacist actions and attacks, and the leadership of this movement have clearly and consistently aligned themselves with alt-right speakers and rhetoric. I believe strongly in community safety support practices and anti-racism education- social movements need to make room for all who want to to participate, and need to work within clear guidelines for what is expected in group spaces. I think it is important for those who are not in support of mandates to clearly distinguish themselves from those espousing racist beliefs and ideologies.	2/20/2022 7:39 PM
3962	It has helped me feel supported in my choices.	2/20/2022 7:39 PM
3963	Given HOPE .	2/20/2022 7:39 PM
3964	Brought me hope that love and kindness still exists in this county and we are still Canadian despite the poor example Set out by our leader	2/20/2022 7:39 PM
3965	To the extent that restrictions have been relaxed it has been a benefit.	2/20/2022 7:39 PM
3966	Brought hope to see people standing, & wanting to see truth come out.	2/20/2022 7:39 PM
3967	Hasn't	2/20/2022 7:39 PM
3968	Give me faith back to the people not the government	2/20/2022 7:39 PM
3969	Given me hope!	2/20/2022 7:39 PM
3970	It provided hope that this would end and we could move back to a more normal existence	2/20/2022 7:38 PM
3971	Hopefully, shows how many Canadians are really concerned about vaccines and vaccine passports; especially mandatory forced vaccines that you know would cause you a medical issue. People should be free to take it I'd they want it.	2/20/2022 7:38 PM
3972	has not affected my life	2/20/2022 7:38 PM
3973	Not affected it.	2/20/2022 7:38 PM
3974	Seeing all the love from every race no racism that the government seem to think watching people standing on every overpass across Canada is moving I disagree with the boarder blockades but they haven't been heard maybe if government officials actually talked to them it wouldn't have gone on this long I blame solely justin trudeau for not acting and going into hiding	2/20/2022 7:38 PM
3975	It gave me hope, But with everything happening now, the emergency act, The takedown of Canadian citizens Who are peacefully protesting was eye-opening. The fact that their bank accounts have been froze was utterly disgusting. I now have fear, I wasn't scared before I was disappointed. I fear what Canada will be in the near future. What the future would look like for my kids. Canada is supposed to be free I don't think it is anymore.	2/20/2022 7:38 PM
3976	Gave me hope for the future of Canada! Makes me proud of this country again until last weekend, things were looking up!	2/20/2022 7:38 PM
3977	It is very encouraging to see so many people on the same page as I am. Paid for media paints	2/20/2022 7:38 PM

a very different picture than reality. Let's get our Canada back!! FREEDOM OF CHOICE

3978	Hasn't	2/20/2022 7:37 PM
3979	Gave me hope that these mandates would be turfed	2/20/2022 7:37 PM
3980	Wish I WAS A HERO LIKE THEM	2/20/2022 7:37 PM
3981	They are voicing the thoughts of many people that have been deceived and forced into something they did not believe in nor support. A great majority of the population have been funnelled and forced into taking the vaccines, fired from or quitting their livelihood, increased division and discrimination. Canada his not healthy and this because how the crisis has been dealt with, shame. Thank you for the survey	2/20/2022 7:36 PM
3982	positively. they are not portrayed properly. they are our only chance to change this government and these non sensical mandates, passports, restrictions, boosters, etc.	2/20/2022 7:36 PM
3983	Has not	2/20/2022 7:36 PM
3984	For the better	2/20/2022 7:36 PM
3985	I am proud that people i didn't know personnaly fight for my son freedom! My budget isn't very high so i don't support with money but i pray for the safety of everyone who get involve in the convoy in all canadian cities.	2/20/2022 7:36 PM
3986	Makes me feel literally unsafe.	2/20/2022 7:36 PM
3987	Remains to be seen if the potential reduced transportation capacity will affect supply chains or inflation.	2/20/2022 7:36 PM
3988	Proud to stand with and be Canadian	2/20/2022 7:36 PM
3989	It has inspired me to stand for Canada. Strong and free	2/20/2022 7:36 PM
3990	I was born and raised in a trucking family. It has always been our livelihood.	2/20/2022 7:35 PM
3991	The trucker convoy has given me hope that things can change. It has made it clear that millions of Canadians do not support the mandates and it's time for the government to listen.	2/20/2022 7:35 PM
3992	Unaffected by the Convoy other than I totally support it	2/20/2022 7:35 PM
3993	Because of the convoy are country is in martial law. Not good	2/20/2022 7:35 PM
3994	As Canadian, the Freedom and Liberty Chart is violated completely and the government treat very pacific trucker to be illegal, provoke and injury them. The Liberal government is creating a new law not yet voted in parliament and apply it. With this new law, government suddenly becomes over the Charters Rights on the top our democracy and make easier the democracy to totalistic and a type of communist.	2/20/2022 7:35 PM
3995	It hasn't	2/20/2022 7:35 PM
3996	It gave me hope that maybe we can put an end to devisive hurtful politics and get back to being Canadians again.	2/20/2022 7:35 PM
3997	Made me feel like a proud Canadian once again!	2/20/2022 7:35 PM
3998	Showed me that I wasn't alone in my suffering from the tyrant mandate that clearly infringe on charter rights and once used justific is no longer the case and when my rights back. Also has only solidified when I already knew government would resist returning newly gained power and control over what they see and their subjects	2/20/2022 7:35 PM
3999	it hasnt at all but i sympathize with those who have had to deal with further hardship because of the convoy.	2/20/2022 7:35 PM
4000	None	2/20/2022 7:35 PM
4001	Not at all.	2/20/2022 7:35 PM
4002	Brought back hope for this country until the PM brought it upon himself to impose a "Marshal law" without it being passed by parliament!	2/20/2022 7:34 PM
4003	It has brought attention to the fact that the people against the mandates are not a fringe	2/20/2022 7:34 PM

network of society and represent a large demographic of today's society.

4004	Joy, hope, patriotism	2/20/2022 7:34 PM
4005	It has not affected me personally, I participated in my local one and they have my full support.	2/20/2022 7:34 PM
4006	Well they've given me hope. People standing up & sticking their necks out for all of us. I'm proud of them. I'm proud of all the folks that have come together to March in support of them. helps fuel the spirit & give us hope that we can get rid of all mandates, and remove Trudeau & Freeland for good. The delivery of goods hasn't impacted us yet but it will. Trying to be ready for it as best I can. Our government is not listening to any of us. What they've have done to date is reprehensible & the PMO deserves to be fired. All of them.	2/20/2022 7:34 PM
4007	Not at all.	2/20/2022 7:34 PM
4008	gave me hope, it was joyful, the people are true heroes.	2/20/2022 7:34 PM
4009	The trucking convoy gave me hope that finally someone would stand up for our democracy.,and end punishment and fear tactics and coercive tactics that threaten our children with experimental mna degenerative diseases.	2/20/2022 7:34 PM
4010	Given me and my family hope	2/20/2022 7:34 PM
4011	It has given me hope.	2/20/2022 7:34 PM
4012	It has opened the eyes of many Canadians which needs to happen and this has brought patriotism and joy back to my life! AND TO MANY OTHERS!	2/20/2022 7:33 PM
4013	Provides hope to know other Canadians want to return to genuine freedom where people are trely equal regardless of social status, religion, occupation, medical choices, race, gender , etc .	2/20/2022 7:33 PM
4014	It has brought so much hope and joy to my heart. It's wonderful to see Canadians coming together on common ground. For so long I felt alone in my standing with covid and it's amazing to see so many other people rising up and standing together.	2/20/2022 7:33 PM
4015	Giving some hope	2/20/2022 7:33 PM
4016	It has not affected our lives in a negative way at all! We think it's great that some one has finally stood up for our rights! Think it was crazy that they were allowed to cross the border for 2 years and then suddenly they were made to be vaccinated, after serving our country for 2 years! The trucker convoy was a caring group of people, they were peaceful also!	2/20/2022 7:33 PM
4017	I'm upset that white supremacy is allowed to have a voice. The convoy needs to end	2/20/2022 7:33 PM
4018	I gave a glimmer of hope	2/20/2022 7:33 PM
4019	Not at all	2/20/2022 7:33 PM

4027	Giving me hope that change is coming fir the better	2/20/2022 7:32 PM
4028	It has brought the ugly truth to the surface. Not all Canadian are created equal. Some of us are scary and aggressive	2/20/2022 7:32 PM
4029	It hasn't. I took my children for a walk down Wellington St Ottawa on I think it was the first Sunday of the truckers being there. Other than it being very cold it was very peaceful. It was nice to see people. It was nice seeing such togetherness. The atmosphere was festive. I don't do well in crowds in general but I was "ok" in this crowd. I heard a lot of "oh sorry" from many	2/20/2022 7:32 PM

people who would walk in front of you or if you were trying to get through the crowd, I also found myself saying it. The police that I did see down there were friendly and seemed to be providing safety for all. Did I see things that offended me and that I disagreed with? Yes I did but it was not the majority down there it was like seeing a 3 amongst a group of 8's.

4030	Horrible. Affected my mental health, fearful leaving my house, driving in my neighborhood. Glad they are gone.	2/20/2022 7:32 PM

4129	Has not affected my life at all in a negative way however it brought me some hope	2/20/2022 7:22 PM
4130	It has caused so much upset and disruption. The divisive politics are awful. Seeing my premier publicly support the racist, white supremacist group and not scold them for the awful behaviour of desecrating Terry Fox's statue and the war memorial- I was ashamed. The horrific actions of this "trucking" convoy, representing a small minority of truckers are shocking. All this did was create further divisions, and it became all too obvious that the group doesn't understand basic federal and provincial laws/scopes, and that the false narrative about reducing Covid mandates was empty- nothing changed after these mandates were dropped. I have been sad for families divided by the misinformation and American style political brute ness. This was a stressful situation that made the pandemic worse.	2/20/2022 7:22 PM
4131	Brought hope	2/20/2022 7:22 PM
4132	No at all other than I'm glad that someone is finally trying to do something about all of these stupid rules that this Prime Minister & want to be dictator is trying to push on everybody & want the country to stay shut down	2/20/2022 7:22 PM
4133	Provide supplies	2/20/2022 7:21 PM
4134	Brought unity and hope that I haven't seen in this country in many many years	2/20/2022 7:21 PM
4135	Greatly, we should be speaking out for our freedom, we shouldn't be told where we can go or where we can't work	2/20/2022 7:21 PM
4136	It has done nothing but show positive influence. Watching them all come together to support each other. Especially when we are in a world where people have been potted against each other... it's beautiful to see.	2/20/2022 7:21 PM

4146	Make me happy!	2/20/2022 7:21 PM
4147	Hasn't yet , I'd say what it has done for me was made me proud to be a Canadian again , seeming people come together, to stand up against a tyrannical leader , I knew they wouldn't get what they wanted , but if anything it showed the world who , the leader is , and showing his true colours , if anything that's the good , bad is that feel terrible for them and way they were treated , all that had to happen is u know who listen to the, see what they had to say , not even that , then to pull emergency act , seize back accounts ? U got to be kidding me ! Wow, like said tho just shows ya who he really is	2/20/2022 7:21 PM
4148	It has frustrated me! Too many stupid people wrecking Ottawa going against common sense. I'm embarrassed the convoy happened in Canada.	2/20/2022 7:21 PM

4172	It has become a beacon of hope for me.. It has helped shine a light on our corrupt media and government. It is encouraging those who were afraid once, to speak up! I was feeling quite hopeless and lost for the past 2 years.. ever since the convoy came up, i have felt happy, and hopeful. But I am also disgusted in how the media made them look so bad, as it was all lies.. Never seen anything so beautiful, and so much unity in soo long!! Trudeau should be proud! The love and unity the citizens showed in Ottawa was truly beautiful!	2/20/2022 7:19 PM
4173	gave me hope	2/20/2022 7:19 PM

4177	It made me ashamed to be a Canadian after it became an illegal occupation. I support the right to protest but not the overtaking of a community.	2/20/2022 7:19 PM
4178	It has reawoken my pride in being Canadian	2/20/2022 7:19 PM
4179	First bit of hope in 2 years	2/20/2022 7:18 PM
4180	It's undermined my confidence in we Canadians as a people; in our gov't - all parties - to recognize and take seriously, never mind deal quickly and efficiently, with trouble-makers and threats from both within and without Canada, especially in this day and age of mass disinformation being spread for political purposes. It's also deepened my already significant disappointment and shock at the lack of scientific education and knowledge among us and at the disrespect toward professionals, together with a notable inability to recognize charlatans. Social media needs to be cleaned up, monitored, taken apart, and regulated. We've lost our ethics and integrity and, sadly, many among us have chosen to follow the extremely poor example set by the Con-president who sat to our south a short while ago. It's very sad to see so many Canadians falling for, and using, 'Trump-like' tactics here in our own country. Further, I believe that EVERYONE who wishes, EVER, to run for public office of ANY kind, NEEDS to be evaluated by a non-partisan and fully independent board of professionals to ensure that he/she meets stringent qualifications for such positions, such as that he/she has internalized a very strong set of morals and values; is of high integrity; possesses a positive personality free from disorder; possesses solid (preferably visionary) leadership skills; is of high intelligence; and is otherwise fit for public office. Many of these elements are already in use by headhunting companies and are quite common in the employment arena. We don't get our jobs on the basis of popularity and (largely empty) promises, nor should we elect our country's leaders on such a flimsy basis! Many such assessments exist and - more than any other quarter - I'd say we need to see them used regularly in the political arena. We also have to get money out of politics - no more corporations or millionaires/billionaires donating to a particular person's or party's campaign. Rather, a single pool of money meant specifically for campaigns when elections are due, could be established for all parties to draw upon equally at that time.	2/20/2022 7:18 PM

4184	Stresses me and I'm not getting it. There are truckers that are crossing the borders everyday working hard to deliver our goods. I think that convoy truckers are Trudeau haters. They don't speak for me. I'm embarrassed that this is happening in Canada.	2/20/2022 7:18 PM

4211	At first it gave me hope that the federal government might actually listen to the people and end all the Covid mandates but sadly it has lead to a stubborn Prime Minister who's ego has lead him to instead of listening to the people dictate them instead and stomp on their Charter of human rights. 4227	The Freedom Convoy has reaffirmed my faith and pride in Canadians. I've cried more in two weeks than I have in three decades - in joy and gratitude. If I wasn't so inspired, Canada's precipitous plunge into demonic fascism would have left me profoundly depressed. Instead, thanks to the trucks and the millions of Canadians and more millions around the world who support these Freedom Riders have left me strong and more defiant than ever.	2/20/2022 7:14 PM

4254	It certainly kept me glued to my computer. I support the truckers rights to protest. I did not support the blockades of our boarders or the negative influences who jumped on the band wagon. Having watched so many hours of live feeds from so many, I can honestly say I saw no violence. I watched when the truckers removed the guys with the confederate flag and the	2/20/2022 7:12 PM

swastika and applauded them for it. I also watched the truckers feeding the homeless, supplying shelters with excess donations, shoveling the streets and sidewalks and keeping garbage picked up. I saw the Veterans remove the fence around the war memorial and then guard it and keep the snow removed. It gave me hope that maybe our Government might actually listen to the concerns of many Canadians to which I have been left disappointed yet again with our Federal Government.

4257	Positively, it has given me hope in a very sad time. I love seeing Canadians dancing together, having snowball fights, shoveling the city side walk, eating together, smiling , playing in bouncy castles, playing hockey and most of all I love seeing peoples faces again. I also enjoyed hearing the stories from all different provinces, from all different races and they were all there for one reason, freedom. What a beautiful thing to witness in my life. Best part of the pandemic was the Trucker Convoy! I have never been more proud to be a Canadian!	2/20/2022 7:11 PM

4268	Gave me hope that things will get better.	2/20/2022 7:10 PM
4269	It has finally shown me hope. I've watched the unity and mankind return. Turn the news off and watch the live videos from the streets. It was peaceful, albeit there will always be a few bad apples. It did not reflect the message this group was spreading.	2/20/2022 7:10 PM
4270	Gave me hope!!	2/20/2022 7:10 PM

4276	Gave me hope, encourage me to stand up for freedom of choice.	2/20/2022 7:09 PM

4279	N/A - cannot say as the government is monitoring everything	2/20/2022 7:09 PM
4280	It's made me very sad and anxious to watch innocent peace loving people get beat by the police. My free Canada is no longer.	2/20/2022 7:09 PM
4281	Raised prices. Corporations used it as an excuse to increase the cost of everyday items by 18%	2/20/2022 7:09 PM

4288	It's given me hope in our fellow Canadian citizens	2/20/2022 7:08 PM
4289	The start of the convoy was the first time in I don't know how long that I was moved to tears so many times. I am so proud of these Canadians for standing up and it breaks my heart what they are going through right now because they don't want to give up. None of us want to give up. We are Canada, we are the most loving people, and we are supposed to be the freest country in the world.	2/20/2022 7:08 PM
4290	I'm proud to be Canadian again and have faith restored in humanity.	2/20/2022 7:08 PM

4304	It's given me hope for change in the future	2/20/2022 7:07 PM
4305	Positive	2/20/2022 7:07 PM
4306	Brought hope . Made us feel proud to be Canadian	2/20/2022 7:07 PM
4307	It has encouraged me and given me a sense of hope for our country again as I see people who are well aware of what is going on and not being blinded by mainstream media and the political hijacking of the pandemic. I have training in biomedical research - I looked at all the pros and cons of the vaccines and decided to opt for use of early treatment and prevention protocol which has been suppressed by media. My co-workers and I got exposed at the same time. I had symptoms develop one day before one of the co-workers. They are all vaccinated and got ill. I have been using prevention and implemented the early treatment protocols recommended by numerous credible and honest doctors who have been silenced and censored and yet have successfully treated thousands of patients keeping those patients out of the hospitals. My symptoms resolved after 5 or 6 days while all my coworkers got ill. It is time to end the mandates and allow people to learn about the valid and effective preventative measures and early treatment protocols instead of using scare tactics to push people to use vaccines that clearly are not effective nor safe.	2/20/2022 7:07 PM

4312	Provided hope that the mandates may end.	2/20/2022 7:07 PM
4313	Has not but watch because it shows how divided thee country. Can't believe the government imposing emergency act without talking to truckers.	2/20/2022 7:07 PM
4314	Gave me some hope things are going to change. I was unable to go to Ottawa but I stood on the overpass overwhelmed with emotions watching Canadians come together and try and get our freedom back. HONK HONK Stand the line	2/20/2022 7:06 PM
4315	Anoyed	2/20/2022 7:06 PM
4316	It hasnt & I support them	2/20/2022 7:06 PM
4317	It has been a source of inspiration I saw our country unite in the spirit of love and peaceful protest Opened many of our eyes as to just how untrustworthy our government is I lost any confidence I ever had in our government from the PM down to the provincial government	2/20/2022 7:06 PM
4318	Gave me hope that I didn't have	2/20/2022 7:06 PM

4328	I agree with some things but don't agree that other things they're doing.	2/20/2022 7:05 PM
4329	It has inspired people to fight for their rights	2/20/2022 7:05 PM
4330	It hasn't directly affected me yet. My parents are undecided on the mandates as a whole, so when I go back to Ontario I will be much more stressed from my families viewpoints being aligned with people utilizing propaganda from WW2	2/20/2022 7:05 PM
4331	They've blocked highways and it's run by white supremacists. I don't agree with a lot of it, like the use of kids to block roads. People are allowed to protest but I've had a friend who died in an ambulance that wasn't able to get to hospital due to the hospital being blocked off by the convoy	2/20/2022 7:05 PM
4332	It has inspired me to stand up for myself and fellow Canadians	2/20/2022 7:05 PM

4336	Only positively.	2/20/2022 7:04 PM
4337	We have found hope in the truckers and those riding with them. Someone is loudly speaking out about tyrannical, over dramatized dictations from our government. Way to go Canadians! It's created unity and patriotism among liberty loving people across our nation.	2/20/2022 7:04 PM

4339	Makes me proud to be a canadian.	2/20/2022 7:04 PM
4340	Stressful	2/20/2022 7:04 PM
4341	When absorbing as much coverage from both sides, appreciate the right to show and express freedoms peacefully. Disgusted by police violence on peaceful citizens	2/20/2022 7:04 PM
4342	Made me realize even more how important they really are	2/20/2022 7:04 PM
4343	I felt that for the first time in a while, Canadians were finally expressing their point of view.	2/20/2022 7:04 PM

4347	It's made me feel better.	2/20/2022 7:03 PM
4348	They have made me a stronger person. I'm not afraid to stand up now. No more shots for me. If a 3rd shot is mandatory I will then lose my job.	2/20/2022 7:03 PM
4349	It so embarrassing to be Canadian and be represented in this way by ignorant people	2/20/2022 7:03 PM
4350	The trucker convoy and the way people have gotten behind it have inspired me. When the convoy went and we started seeing the family support within and beyond Canada it actually made me proud to be Canadian again - for a short time. The war measures act and the actions of the federal government pushed down to the police and military have made me saddened and sick to my stomach. We are actively looking at buyers for our business and moving out of Canada. We have a large family and until a few years ago I believed I was in the best place on earth. That is not the case any longer and I am embarrassed by my country and it's leadership group. I'm embarrassed by the actions of many.	2/20/2022 7:03 PM
4351	To stand up	2/20/2022 7:03 PM

4355	Just given me hope & pride for my country men.	2/20/2022 7:03 PM
4356	It hasn't	2/20/2022 7:02 PM
4357	So thankful for those willing to take a stand.	2/20/2022 7:02 PM
4358	Given hope, positivity, unity, love and a place of belonging in outlet country	2/20/2022 7:02 PM
4359	Hasn't really, but if it's for ending the mandates then I'm all for it. Cooties-19 is here to start and we slugs work on building immunity to it rather than trying to stop. People are smart they can weigh their own risk	2/20/2022 7:02 PM
4360	It has helped me have hope we will be a free country again	2/20/2022 7:02 PM
4361	It has been great to see our country coming together to support democracy and freedom. We are being an example for many other freedom loving people in this world. Although the trucks have been a catalyst people from every walk in life have joined in to fight for democracy and freedom	2/20/2022 7:02 PM
4362	Hope	2/20/2022 7:02 PM
4363	It hasn't	2/20/2022 7:02 PM
4364	Not at all	2/20/2022 7:02 PM

4368	Given hope for a future for my grandchildren	2/20/2022 7:01 PM
4369	In no way	2/20/2022 7:01 PM
4370	Inspirationally. I solidly support both TBOF (Taking Back our Freedoms) and the trucking community in their stand against the Trudeau TYRANNY. I am a centrist Canadian and soft gloved Capitalist	2/20/2022 7:01 PM
4371	It has brought me so much love unity and peace. I love them and am forever grateful for them lighting a path out of the darkness	2/20/2022 7:01 PM

4379	It didn't. I approve of them 100% shame on the authorities, and shame on the government for not engaging with them	2/20/2022 7:00 PM
4380	Stress, anger towards our Prime Minister and lack of support, listen to waht truckers have to say.	2/20/2022 7:00 PM
4381	It has given me hope for the first time	2/20/2022 7:00 PM
4382	Very proud of them and keep fighting for our freedom	2/20/2022 7:00 PM
4383	Given hope, feeling less alone	2/20/2022 7:00 PM
4384	Seeing what the convoy has inspired around the world and the unity brought to those who thought they were alone in their fears and losses has brought about warmth and a level of kindness and renewed community spirit to those we've discovered around us who feel the same way.	2/20/2022 7:00 PM
4385	The only reason left to be proud to be Canadian	2/20/2022 6:59 PM
4386	Non good to see push back but I believe it's turning negative.	2/20/2022 6:59 PM
4387	Hasn't	2/20/2022 6:59 PM
4388	Gave me hope in my Canadian brothers/sisters to stand up for what's right!!!!	2/20/2022 6:59 PM
4389	I just wish the prime minister would talk to the people	2/20/2022 6:59 PM
4390	The trucking convoy was a new low for Canada and brought shame to our country. It was a huge embarrassment and a source of stress.	2/20/2022 6:59 PM
4391	It gave me hope to get back to "our" normal life not the governments normal life	2/20/2022 6:59 PM
4392	It made me realize that there are millions of Canadians feeling just like me. It makes me proud to be Canadian despite all the backlash from the convoy.	2/20/2022 6:59 PM

Canadians vote on Canadian Mandate - February 2022

4396	It has affected me but standing up for what is right for this world! This mandate has to stop. It has made me believe we still have some people with good heads on their shoulders	2/20/2022 6:59 PM
4397	I felt relieved that finally someone was standing up for us Pride like I can't remember when ,,I love my beautiful country	2/20/2022 6:58 PM
4398	Hopefully it will help all of us, end this nightmare	2/20/2022 6:58 PM
4399	Terrifying. Concerned for the abuse of Ottawans as they were subjected to the pollution, noise, chaos, and harrassment from the occupiers	2/20/2022 6:58 PM
4400	It has given me hope and strength to live another day	2/20/2022 6:58 PM
4401	Caused upset and havoc	2/20/2022 6:58 PM
4402	It's been heart warming to see the people head to Ottawa and fight for our freedoms, the way the gov'n't has used it's powers is disgusting, and tyranical. Enough is enough.	2/20/2022 6:58 PM
4403	It's given me hope in my fellow Canadians.	2/20/2022 6:58 PM
4404	It hasn't affected my life negatively in any way. It gives hope that the current government will dissolve and their crimes, exposed.	2/20/2022 6:58 PM
4405	It has brought me hope.	2/20/2022 6:58 PM
4406	No at all. They have my support. They have given us hope for our future.	2/20/2022 6:57 PM
4407	it gives hope and joy to see citizens coming together to fight for EVERYONES rights and freedoms	2/20/2022 6:57 PM
4408	It has not affected me personally too much except that it has given me hope. me, they can easily ignore. It's hard to ignore a convoy on your streets. However, it has complicated the real problem which is the challenge to the vaccine itself and the mandate(s) for same. Take the vaccine or lose your job and income? A huge ethical concern: What can a person do? I support the real truckers and their peaceful resistance.	2/20/2022 6:57 PM
4409	Proud to see Canadians coming together in peace and supporting and loving one another. It's a sense of hope	2/20/2022 6:57 PM

4417	Love seeing the country come together	2/20/2022 6:56 PM
4418	It's the most ridiculous display of entitled idiots I've ever seen	2/20/2022 6:56 PM
4419	I admire that a group, any group of people in Canada, coming together coast to coast, is standing up for the charter of rights, which the government is very comfortable to step on and shut down. Go Truckers!	2/20/2022 6:56 PM
4420	It hasn't	2/20/2022 6:56 PM
4421	It has gotten me more involved in the freedom movement.	2/20/2022 6:56 PM
4422	The freedom truckers have proven that government does not respect democracy, freedom of speech and freedom of choice. It's proven our government is a socialist/communist government	2/20/2022 6:56 PM
4423	May God bless them!	2/20/2022 6:56 PM
4424	it gave me a sense of hope	2/20/2022 6:55 PM

4443	They have given hope and brought the country together. We should thank Trudeau (he's not my prime minister) for giving us a cause to rally around.	2/20/2022 6:53 PM
4444	They gave me hope that perhaps the government would be open to discussing a timely lifting of the mandates..unfortunately the Prime Minister has chosen to not only refuse to meet to discuss..but to vilify and demonize people that he didn't agree with.	2/20/2022 6:53 PM
4445	It hasn't, although it has made me proud to be a Canadian for the first time in 2 years	2/20/2022 6:53 PM

4501	Aggravated me by stopping the supply chain from getting to Canada by the blockades at border crossings and I felt sorry for the people in Ottawa having to deal with the occupation of their city centre.	2/20/2022 6:48 PM
4502	The trucking convoy has been a voice for those who have been afraid to speak up. I don't agree with the way the media has twisted the peaceful protests into a fight of opposition and violence. Thank you truckers.	2/20/2022 6:47 PM
4503	It's give me HOPE!	2/20/2022 6:47 PM

4507	Their rights were violated. I wasn't to live in a free country. Not with dictatorship or communism.	2/20/2022 6:47 PM
4508	I have experienced more shortages before the trucking convoy started, and that was due to the lockdowns and restriction of travel. While I agree that the organizers may have shady ties and backgrounds, I believe the trucker convoy is and was a good thing. There are bad players on every side that will try to take advantage of any situation ie. convoy organizers, or over reaching government bodies that need to politicize and try to make up for their past failures.	2/20/2022 6:47 PM
4509	Very loud	2/20/2022 6:47 PM

attending. It intrigued me. Then my eldest daughter went to Ottawa for a few days. The videos and stories she has shared have given me, my husband, and our two little girls so much hope. It is about love. It has also made me realize that thousands upon thousands of people from across the country were together. Without masks. For almost 4 weeks. The covid case counts and hospitalizations have gone down in Ottawa in that time. Where did covid go? Does it not survive when surrounded by love and hope? My stance on everything covid has done a complete flip in the last month. We deserve our freedoms. We deserve to have hope and live our lives. I am 52 years old, I have a science degree. I trust science. But I also trust my gut. And my gut is telling me there is something very wrong and evil going on with our government with the images I have seen in the last two days with police brutality and attacking peaceful protesters going on in Canada. There are thousands of videos and photos to see. People from other countries sending prayers and asking what the hell has happened. Our Prime Minister receiving condemnation from people all over the world. I am so ashamed of my country. But I have hope. We can rise like a Phoenix from the ashes. That is what it has given me. Hope for a better future with all of our freedoms intact.

4514	Hasnt	2/20/2022 6:46 PM
4515	It has given me some hope. I think it is the catalyst to get us back to some normalcy. The government and so-called health officials have had 2 years at this and will not admit to being wrong. Would have been nice to hear from the many Drs that have been against this.	2/20/2022 6:46 PM
4516	In no way has the trucker protest affected my life	2/20/2022 6:46 PM
4517	They have given us hope the madness can end from these illegal mandates and act which isn't backed by science it's backed by fraud	2/20/2022 6:46 PM
4518	It's nice to know there are other people standing up to Justin Trudeau. He is not a leader and should not be doing the things he is doing to our country. We should have a choice. This is not a free country anymore and people are going to get fed up.	2/20/2022 6:46 PM
4519	It has created a sense of unity of the country again. Positive affects	2/20/2022 6:46 PM
4520	Inspiring to see the unity	2/20/2022 6:46 PM

4523	It has made me ashamed that I am Canadian to have the world see that we are have such uncaring selfish bullies as our people in this country.	2/20/2022 6:45 PM
4524	Felt a sense of community and hope that I haven't felt in this country in years. Especially since Trudeau took office and began dividing people.	2/20/2022 6:45 PM
4525	I was thrilled that they were taking a stand to try and get rid of these mandates.	2/20/2022 6:45 PM
4526	Did NOT! Gave me FATE that a difference is coming soon, to get full of our FREEDOM back and that we will get back our Democatric Camada back!!	2/20/2022 6:45 PM

4528	Brings me hope!	2/20/2022 6:45 PM
4529	Wonderfully!! Brought humanity, the people back hope that we can unite in peaceful right of protesting & put an end/stoppage to such unbelievable tyrannical dictatorial type rule/government we've been forced to keep being restricted in these entire past 2 yrs!! So much for the false lie/statement of " only 2 weeks to flatten the curve! " Yeah right, it's been nothing but tighter controls, more suppression, forced experimental injections, when did this Canadauan used to be land of the free turn into Communist Socialist Chinese rule/governmental dictatorship?! We'd like Canada returned to it's residents!!	2/20/2022 6:45 PM
4530	Annoyance of honking and traffic impediment in the city	2/20/2022 6:45 PM
4531	Yes - incredibly positive. It brought back the belief in human kindness, courage, awareness and God given right to be free and insist on it forever and it brought back hope and unity as a people.	2/20/2022 6:45 PM

	about our country.	
4533	Hope	2/20/2022 6:45 PM
4534	It has divided and caused a lot of unnecessary damage to the areas where protests are taking place and the citizens	2/20/2022 6:45 PM
4535	Made me hopeful that we'd be done with mandates after 2 years of this.	2/20/2022 6:45 PM
4536	Not negatively at all. It has clearly illustrated how right I was all along about or "Prime Minister"'s true colours. He's a self-serving playboy, fearmonger and dictator.	2/20/2022 6:44 PM
4537	Made me despair for the future of our country, seeing so much anger, vitriol, ignorance, and disrespect for our laws and for other people.	2/20/2022 6:44 PM
4538	United friends and new friends of all different ethnicities	2/20/2022 6:44 PM

4540	No harm or foul in my direction. I fully support the Freedom Convoy.	2/20/2022 6:44 PM

4542	It has given me hope	2/20/2022 6:44 PM
4543	Hopefully they made some kind of difference standing up for Canadians and our freedom	2/20/2022 6:44 PM
4544	Gave us hope for some normalcy and renewed my faith in humanity	2/20/2022 6:44 PM
4545	They have the similar effect as the restrictions the government has imposed for the last 2 years. The difference is they are pushing for an end to all of this.	2/20/2022 6:44 PM
4546	I got interested because of how Trudeau dismissed this whole group. I think the mandate was not needed given that 90% were already vaccinated. I liked that they stood together rather than simply allowing fellow workers to be fired and forgotten. I was gobsmacked by the crowds of supporters that came out for the convoys and questioned what was motivating so many. I wanted politicians to see that something big was happening and try to understand or acknowledge the situation not pretend it was not happening. I wanted to see the convoy but was unable to view this on tv so went to the internet. I questioned the media's coverage more intensely than ever before. I disagree with the occupation of Ottawa and wanted politicians, police, and leaders to get involved and end the occupation on the Monday after the first weekend. I think the convoy participants went too far with blockades and occupation. I am proud that there was no property damage. The occupation caused less property damage than a one night riot following a sporting event or the recent pipeline attack in BC but people who lived in Ottawa were afraid, businesses were closed and our economy was impacted. Mostly I blame Trudeau for putting in the trucker mandate and than calling the participants names. He definitely fueled the fear and hate targeted at the protesters. It was also very difficult to watch how incompetent all of our Ontario leaders are and how quickly they wanted someone else to do the work, and to take responsibility. This situation really showed that our politicians are truly not for the people but about saving their own jobs. This is how the trucking convoy affected me. I am glad to see covoys continue and happy to see the occupation end!	2/20/2022 6:44 PM
4547	I wasn't effected by it, but proud of them standing up for us Canadians	2/20/2022 6:44 PM
4548	Hasn't	2/20/2022 6:44 PM
4549	They've given me hope again	2/20/2022 6:44 PM
4550	It has brought me hope and the strength and courage to stand up for my rights and those of my children and fellow Canadians.	2/20/2022 6:44 PM
4551	Gave me hope when there was none in sight. Showed me what it was to be Canadian. Joy when there was only anger and desperation because of "our Prime Minister".	2/20/2022 6:44 PM
4552	Given me a glimmer of hope. Shed happy tears that some people are on my side and some people are stepping up to the government. Positive energy and restored my faith as a Canadians.	2/20/2022 6:44 PM
4553	I fully support the protest and convoy	2/20/2022 6:43 PM

4562	Not affected by convoys. But I totally support them!!	2/20/2022 6:43 PM
4563	Loud, disturbing	2/20/2022 6:43 PM

4566	They are standing up for our freedom	2/20/2022 6:43 PM

4568	None #istandwith the Truckers!	2/20/2022 6:42 PM

4588	It has given me hope. I hope that it gets some people thinking about "the science" that does not support the mandates.	2/20/2022 6:41 PM
4589	It has given me hope that freedom and normalcy can return to Canadians. It made me proud of my fellow Canadians who have shown such selflessness, courage and peacefulness for the good of their fellow citizens. I have been much disturbed by the actions of our government and police forces. Their actions have caused me to feel a lack of trust in those I have always had respect for. I am now fighting a terrible fear of our government and police services and feel that something very dark is present in Canada.	2/20/2022 6:41 PM
4590	The trucking convoy has affected my life by bringing so much hope and pride and gratitude and love for humanity. I wish I too could be there.	2/20/2022 6:41 PM

4611	It has given me hope	2/20/2022 6:39 PM
4612	I think they are trying whatever they can to try to end the way things have been for the last 2 years. They truly have been trying to be peaceful from all counts I have seen until this weekend when they were physically made to move.	2/20/2022 6:39 PM
4613	This brought hope and to see that many Canadians were feeling the same way - these mandates are causing more harm than the original harm of co vid. Also I have been praying	2/20/2022 6:39 PM

that the truth would come forth in the world and this convoy started that.

4633	It has given me hope and has made me feel patriotic for once in my life (being a Canadian my whole life I have never felt proud of my country). For once, unity and love has brought us all together and the gov't wants to take that joy away. The gov't does not care for Canadians well being, it is very sad.	2/20/2022 6:37 PM
4634	It's instilled a renewed pride in me about Canada I lost a long time ago. We the people are what make up the heart of Canada. Not our corrupt government.	2/20/2022 6:37 PM
4635	By slowing down the supply chain the grocery store that I work at had to throw out half of there produce when it finally came in.	2/20/2022 6:37 PM

4655	I'm in BC... so obviously, it hasn't directly impacted me in the least. Frankly, I'm perplexed by the extreme and diametrically opposed media opinions. I can't help but have grave concerns for what this will do to villainize truckers and those who have chosen to be unvaxed. When I see various European countries lift all mandates and see those around me get COVID and quickly recover (like a normal cold, or flu now) I can't help, but wonder why we're still talking about this. Alas, fear is powerful. It makes me sad to me a Canadian, especially when I read the media response across our border and in the UK.	2/20/2022 6:35 PM
4656	It helped me believe there is good in humanity.	2/20/2022 6:35 PM
4657	Not at all	2/20/2022 6:35 PM
4658	Give me hope to have liberty back	2/20/2022 6:35 PM

4675	it gave me hope	2/20/2022 6:34 PM
4676	Certain products weren't available on shipments, speculation led to unnecessary raises in petroleum market value and no doubt added another tick to the already out of control downwards spiral of our economic security in the country	2/20/2022 6:34 PM
4677	It has shown me that Canadians are protesting for what they believe in. However, bringing guns and weapons to the protest changes everything. Protest without violence.	2/20/2022 6:34 PM
4678	With hope	2/20/2022 6:34 PM

4689	There fighting for our rights to choose and our freedom gave a lot of people hope. We're in Canada but not the Canada I've always know.	2/20/2022 6:32 PM
4690	I worked for a trucking company and they are just trying to make a living. Everyone praised them and then Trudeau and his liberal party wanted to make it mandatory. You people need to be accountable	2/20/2022 6:32 PM
4691	It is a good protest I thank them !!!	2/20/2022 6:32 PM

4704	They did not full support for freedom truckers	2/20/2022 6:31 PM
4705	I love it	2/20/2022 6:31 PM
4706	The trucking convoy gave me some hope that we could stand up to tyranny and take some control back over our lives and personal choices	2/20/2022 6:30 PM
4707	not too much physically other than a few items not available in the grocery stores BUT emotionally and mentally totally disgusted that a minority group yet again is holding the majority hostage to demands! They are domestic terrorists in my opinion, and should be held liable for the policing costs and any damages done to Ottawa grounds. Those who kept their children on the front lines [and used them physically as a shield] need to get a visit from social services and rethink how they MISused their children --they are supposed to protect them, not use them to protect the parents!	2/20/2022 6:30 PM
4708	Knowing Canadians care about our freedoms.	2/20/2022 6:30 PM

4710	It did not affect my life. I stand proud behind it	2/20/2022 6:30 PM
4711	These people went to Ottawa in good faith to ask for travel restrictions and mandates to be lifted. When I saw them driving across the country, I felt hope for the first time in a long time. They asked to be heard by our government. I am disheartened by the negative one-sided coverage by mainstream media. So much propaganda and nudging.	2/20/2022 6:29 PM
4712	Gives me hope	2/20/2022 6:29 PM
4713	Finally looked like there was hope for an end to the mandates. So disgusted at the way the Prime Minister has handled a peaceful protest	2/20/2022 6:29 PM
4714	It has given me hope	2/20/2022 6:29 PM
4715	The best thing that could have happened to Canada and world wide, it's brought everyone together. It's opened our eyes to see what the tyrannical government is doing to us all.	2/20/2022 6:29 PM

4728	It did not effect me. When I saw truck convoys I honked my horn.	2/20/2022 6:28 PM
4729	It has given me hope that the government will realize that to tread on bodily autonomy in anyway shape or form will not be tolerated. That the government will be reminded that they are to be of the people, by the people and FOR ALL THE PEOPLE.	2/20/2022 6:27 PM

4743	Inspiration that a simple idea and people coming together in love can have a voice.	2/20/2022 6:27 PM
4744	The trucking convoys have exposed leaders for the horrible grasping Gollums for they are. "What's it got in it's pocketses..."	2/20/2022 6:27 PM
4745	Not at all. I give the Truckers credit for standing up for our rights.	2/20/2022 6:26 PM
4746	It's the most positive thing to happen to bring attention to the prime minister's disastrous mandates, so I honestly have no issues with it	2/20/2022 6:26 PM

4754	Hasnt	2/20/2022 6:26 PM
4755	Has giving me hope that things will change	2/20/2022 6:25 PM
4756	Sometimes they don't have a certain item at a grocery store due to backups/lack of stock... but I've never been without food or necessities. I have a restored faith in humanity and now see that our Government and police force are sadly in it only for the power and money, not helping and guiding their people. I have joined some friends and family, even like minded strangers in uniting for a peaceful cause. I feel a sense of hope when I hear about the peace and love the Freedom Convoy has brought literally around the world; realizing Canada is in great peril. I have been in only a handful of traffic delays, all of which were caused by speeding vehicle accidents, not trucks or truckers. I go for daily health walks now with some of the people I have met during discussions about the convoy. Overall, the convoy has actually improved my quality of life.	2/20/2022 6:25 PM
4757	It has brought me a glimmer of HOPE for our children's and grandchildren's futures and what is left of mine.	2/20/2022 6:25 PM

4770	My daughter was almost hit by a convoy truck from Ontario , that ran a red light in downtown Montreal when she was crossing the street at the intersection on foot. Fortunately, it was filmed by a restaurant security camera and someone also took a photo of the plate. The police said a hefty fine would be given.	2/20/2022 6:24 PM

4772	no effect	2/20/2022 6:24 PM
4773	Since lockdowns are anti-human and immoral, they will adversely affect all life in principle and in practice. There is no need to single out my own experience as an instance of the broad moral-metaphysical principle.	2/20/2022 6:24 PM
4774	Brought me hope that things could change as the mandates just seem to be getting worse and worse and not making sense anymore.	2/20/2022 6:24 PM
4775	They should not have bloked bosrders but did get a lot of support lost all respect in j t and his reluctance to talk to truckers and implementing emergency act on peacefull protest and fellow canadians feel hart warming how canadians come together for what they believe	2/20/2022 6:23 PM

4786	Shows Canadians standing up for their freedoms	2/20/2022 6:22 PM
4787	After viewing several hours of on-the-street footage, they have restored some of my faith in my countrymen. They gave me hope for my family's future. They have also demonstrated the quality, or the painful absence thereof, in our elected officials.	2/20/2022 6:22 PM
4788	They give truth, hope, love and a sense of togetherness that the government, with the help of a corrupt media, has been trying to take away. Vaccinated, unvaccinated, black, brown, or white we are all the same and we are not alone.	2/20/2022 6:22 PM

4807	The only negative effect has been a disruption to business and supply chain flow.	2/20/2022 6:20 PM
4808	Given me hope	2/20/2022 6:20 PM
4809	Heart warming to see widespread support and the unity displayed by Canadians of all races despite the PM's constant & divisive propaganda of denigrating them and zero attempt at trying to establish any dialogue.	2/20/2022 6:20 PM
4810	None, I applaud the truck convoy for expressing the sentiments of a vast silent majority of Canadians and having the courage to do so to protest about our freedoms being taken away by the federal government. The outrageous media coverage, or lack of thereof, along with the lies perpetrated by the federal government exposes them for their corruption and deceit.	2/20/2022 6:20 PM
4811	Provided hope and inspiration!	2/20/2022 6:20 PM
4812	They've given me hope	2/20/2022 6:19 PM
4813	No affect whatsoever	2/20/2022 6:19 PM
4814	Don't know yet. Made it more interesting.	2/20/2022 6:18 PM
4815	my heros 100% and love how they have exposed our police and main stream media are really all about...and what folks dont give a rats ass about freedom..oh and lets not forget trudeau and his desciples of sick corruption	2/20/2022 6:18 PM
4816	Massive disruption, my teenager has been harassed trying to get to school. What a disgrace	2/20/2022 6:18 PM
4817	It gave me hope for a better tomorrow, meaning true freedoms as described in Canadian Charter of Rights and Freedoms!!! And real democracy!!	2/20/2022 6:18 PM
4818	It hasn't	2/20/2022 6:18 PM
4819	It hasn't I'm a trucker and support this.	2/20/2022 6:18 PM
4820	Made me believe in Canada again	2/20/2022 6:18 PM
4821	Has brought hope to end all of this nonsense	2/20/2022 6:17 PM

Canadians vote on Canadian Mandate - February 2022

4822	I am annoyed and disgusted by these people who clearly do NOT understand what freedom is - RESPONSIBILITY	2/20/2022 6:17 PM
4823	Has brought on a great sense of pride in the fact that we the public can stand up against tyranny politicians (Justin Trudeau) he is not following the rules of the house and putting laws in place that aren't being voted on. He has a minority government and has no authority without a vote. That's the entire point of a minority. He should be charged with war crimes against humanity and throw in jail for the rest of his miserable life.	2/20/2022 6:17 PM
4824	They were peaceful protesters, they showed love toward others and Canadians, it made me proud that Canadian were coming together in unity. They gave me hope that things may turn around for the good. But Trudeau and his military, police mob made it disstructive and violent. Trudeau could have delt with this differently. He could have faced the protecters peacefully to come to an agreement. Instead he ran away he was an embarrassment to Canada to call him a leader of Canada	2/20/2022 6:17 PM
4825	Exposed the extreme bias/dishonesty of legacy media/PM to villainize/demonized those they don't agree with, to show the immature way our PM refuses to meeting them them and willingness to abuse power to crush opposition like a dictator. I support vaccines by choice, I also support honest and free press to correctly depict the people they report about, and support democracy. The biggest shock has been the emergencies act being enforced BEFORE a parliament vote! I have no words to describe how shocked/horrified I am that a PM can declare war on protestors with no check on his power for 7 work days. No one should get to be a dictator for 7 days before there is vote. Also, the use of freezing bank accounts and destroying protestors lives - the only word that summarizes my horror is #Chinada	2/20/2022 6:17 PM
4826	Hasn't	2/20/2022 6:17 PM
4827	They brought positivity and hope!! I love the truckers.	2/20/2022 6:17 PM
4828	The fight for freedom is the fight for Canada	2/20/2022 6:17 PM
4829	Hope	2/20/2022 6:17 PM
4830	It has showed me that there are many more people are against the mandates then I previously had believed. Also showed me how our government reacts to opposing their views and hiw easily they disrespect our charter of rights.	2/20/2022 6:16 PM
4831	It's inspiring to see people willing to stand up for their beliefs and it has shown me that the government is not interested in governing.	2/20/2022 6:16 PM
4832	None	2/20/2022 6:16 PM
4833	None at all ,I believe the y have the Wright to speak amd protest	2/20/2022 6:16 PM
4834	I LOVED THE TRUCK CONVOY. THEY ARE MY TRUE HEROS	2/20/2022 6:16 PM
4835	The trucking convoy has affected my work, I work for a restaurant and we have not been receiving our deliveries which affects our business.	2/20/2022 6:16 PM
4836	Gave me hope for a free Country	2/20/2022 6:16 PM
4837	Initially it inspired us that those who were strong and bold would make a change in our country. Now it has made us feel so we live underneath an authoritarian government and that our democracy is even in worse shape than we had thought.	2/20/2022 6:16 PM
4838	I cried watching the live feeds. People were joyous and laughing and I suddenly realized they weren't wearing masks! I felt hopeful. I haven't felt that joy and hope for so long. I haven't watched MSM in over a year. I knew they were lying and I'm sad some of my friends and family believe everything MSM shares.	2/20/2022 6:15 PM
4839	with hope and unity,people that speack the truth and people that like to have the live and freedom back and JT schould go to jail	2/20/2022 6:15 PM
4840	Gave me hope that truth may persist after all	2/20/2022 6:15 PM
4841	Feeling a sense of unity,pride,hope and faith Bringing our nation together	2/20/2022 6:15 PM
4842	Gives me some hope for the future of myself and family	2/20/2022 6:15 PM
4843	Brought me hope	2/20/2022 6:15 PM

4850	They have brought awareness to the injustices and inequalities being "mandated" upon us they have brought Canadians and citizens of the world together in way never seen before.	2/20/2022 6:15 PM
4851	Given me hope	2/20/2022 6:15 PM
4852	I feel a sense of hope for the future, like things will get better. Like there is a light at the end of a very dark tunnel. It has positively impacted my spirit and mental health.	2/20/2022 6:14 PM
4853	Very very negatively	2/20/2022 6:14 PM
4854	in a good way	2/20/2022 6:14 PM
4855	giving us hope for our freedom and our Rights	2/20/2022 6:14 PM

4857	They're fighting for our freedoms and rights back. I have hope in them.	2/20/2022 6:14 PM
4858	It hasn't.	2/20/2022 6:14 PM
4859	Gave me hope	2/20/2022 6:14 PM
4860	Disruption of entire country, trade with USA, shortage of certain foods, a huge embarrassment.	2/20/2022 6:14 PM
4861	Good feelings ,Hoping that we have our lives back	2/20/2022 6:14 PM
4862	Hope for freedom of choice	2/20/2022 6:14 PM
4863	It has given me hope that the mandates will end and we will have back our freedom	2/20/2022 6:14 PM
4864	Been positive. Given me hope again	2/20/2022 6:14 PM
4865	I encourages me finally someone is standing up against the tyranny of this liberal gov't.	2/20/2022 6:13 PM
4866	Gave me hope	2/20/2022 6:13 PM
4867	It united the country. Gave People that we're forced to vaccinate and people against it a voice.	2/20/2022 6:13 PM
4868	It really has not. It is, however, VERY disturbing to see what should have been a peaceful proteste turn into a platform for a few right wing extremists with an American attitude!	2/20/2022 6:13 PM
4869	Given hope	2/20/2022 6:13 PM
4870	They are trying to make changes for our freedom	2/20/2022 6:13 PM
4871	At first, it brought great hope. Love, joy, peace, unity, happy smiling faces, hugs.... it was wonderful. I welcomed them into Ottawa and drove with them. For the first time in 2 years, I had hope that this nightmare would be over. The truckers were going to get it done. Trudeau's handling of it is horrific - he is disgusting. I can't even put words to express how angry he has made me. When he talks about how the people in Ottawa "deserve" to have peace and quiet. How they "deserve" to walk freely. How they deserve to be able to go to work.... what about the tens of thousands of Canadians who have lost their jobs due to mandates. Our the hundreds of thousands who gave in and submitted to the blackmail in order to keep their jobs - I watched horrific videos of people being vaccinated while sobbing uncontrollably. FORCED into it, in order to put food on their tables. Or all the businesses gone under because of his stupidity. Do they not deserve their jobs and businesses????? The truckers were standing for all of us. No one else was. We had hope for the first time in two years.	2/20/2022 6:13 PM
4872	It has not affected my Life	2/20/2022 6:13 PM
4873	Has restored faith in the possibility of unity and revolution against leaders creating division.	2/20/2022 6:13 PM

Canadians vote on Canadian Mandate - February 2022

4874	Made me think together our Gov and the people would meet and come to a peacefull resolution.Instead pm resorted to chinas retoric.Pm helping them rub their hands together in glee.negotiations? Whats that!	2/20/2022 6:13 PM
4875	Hasn't affected my life at all.	2/20/2022 6:13 PM
4876	Made me aware of the dire state of Canada with Trudeau as our leader.	2/20/2022 6:13 PM
4877	It gave me hope and proud to be a Canadian citizen again. That other common sense citizens felt the same way we did.	2/20/2022 6:12 PM
4878	A little more hopeful some mandates may be dropped	2/20/2022 6:12 PM
4879	Given hope	2/20/2022 6:12 PM

4882	Renewed belief in being Canadian and instilled hope for a better future	2/20/2022 6:12 PM
4883	Gave me hope. Feel pride again for the first time in two years..	2/20/2022 6:12 PM
4884	Made me hopeful	2/20/2022 6:12 PM
4885	Hadn't, but support 100% someone needs stand up and be recognized for those of us who r not	2/20/2022 6:12 PM
4886	It's an insult to all of the first responders giving their biggest effort	2/20/2022 6:11 PM
4887	The trucking convoy has given me hope that this country can be united again and that we can finally get a plan on an end to these mandates and move on with our lives like other countries around the world are doing.	2/20/2022 6:11 PM
4888	Positively	2/20/2022 6:11 PM
4889	It's been a highlight lately. It's exciting to see people with similar views standing for what they believe in, especially when my current life circumstances prevent me from going to Ottawa myself. Again, it's helped me process what I believe to be important.	2/20/2022 6:11 PM
4890	Given me hope	2/20/2022 6:11 PM
4891	Good atleast there trying to help end this and I'm thankful for it.	2/20/2022 6:11 PM

4897	It has given me hope that we are not alone, and that change will come soon!	2/20/2022 6:10 PM
4898	It hasn't really. If anything I feel a sense of relief that we are finally being heard.	2/20/2022 6:10 PM
4899	I support the truckers 100%. There are shortages in the stores but so what? It is better than the other side of this.... DICTATORSHIP! If I have to go without, believe me that dictator in Canada and all the idiots that voted for him will go without too. This is our chance to take back Canada and make it great again. The people have the power and this government needs to be reminded, they work for us.... they should not be in office if they are only out for their best interests and to line their pockets with money!	2/20/2022 6:10 PM
4900	United Canadians. Gave us hope. Spotlighted the tyranny Worldwide support	2/20/2022 6:10 PM
4901	It hasn't.	2/20/2022 6:10 PM
4902	Confirmed my beliefs that Trudeau hates Canadians and I will not support a Prime Minister who continually gets away with ethics violations and racist/discriminatory views	2/20/2022 6:10 PM
4903	Makes me proud. About time people see the truth of what our government are doing.	2/20/2022 6:10 PM

Canadians vote on Canadian Mandate - February 2022

Shameful@!!!@

4904	Has not	2/20/2022 6:10 PM
4905	It has shown me how the most beautiful show of unity can so easily be destroyed in the same way our country is being destroyed.	2/20/2022 6:09 PM
4906	Having a group stand up against overreaching governmental mandates has impacted our country and the world for the better. These truckers have forced those in power to start removing health measures that no longer make sense for protecting people's health but were instead being used as a political tool. They have made a positive impact here and around the world.	2/20/2022 6:09 PM
4907	In a positive way	2/20/2022 6:09 PM
4908	It has brought me joy and a sense of hope	2/20/2022 6:09 PM
4909	Lost my faith in humanity	2/20/2022 6:09 PM
4910	It has given me a sense of unity & a mindset with like minded people	2/20/2022 6:09 PM
4911	Given me hope I thought I had previously lost	2/20/2022 6:09 PM
4912	Hope	2/20/2022 6:09 PM
4913	It hasn't but I support it for what it stands for. Freedom!	2/20/2022 6:09 PM
4914	Brought us together	2/20/2022 6:09 PM
4915	They are heros	2/20/2022 6:09 PM
4916	It has affected my life positively by seeing unity from Canadians. Standing together with one thing in common, equality. Showing the governments poor leadership.	2/20/2022 6:09 PM
4917	I feel sick to my stomach watching how these courageous souls are being treated by the police. We are ALL Canadian and have a right to peacefully express our opinions. The truckers are NOT terrorists, they are hard working, kind hearted, gentle men and women. I cannot believe I am watching this tyranny in our beautiful, peaceful Canada. We are BETTER than what we've become.	2/20/2022 6:08 PM
4918	Not really too much.	2/20/2022 6:08 PM
4919	It's made me very proud to be a Canadian.	2/20/2022 6:08 PM
4920	Revived what was given to us by God.	2/20/2022 6:08 PM
4921	Never like giving white supremacist a voice	2/20/2022 6:08 PM
4922	It was shockingly emotional, as though loved ones were going off to defend the citizens, in a completely peaceful loving way. It is shocking Trudeau and other politicians won't listen to the Canadian citizens- the little people, the middle and lower classes, the small business owners. The politicians are there on behalf of the citizens, not the world elite. No to digital ID! No to mandating injections and anything that has potential to harm us. The middle class and lower class citizens are not the terrorists.	2/20/2022 6:08 PM
4923	I find them very inspirational	2/20/2022 6:08 PM
4924	Instilled pride of my country and former occupation.	2/20/2022 6:07 PM
4925	Showed how with anonymous online donations any special interest group can shutdown cities downtown with minimal support and heavy equipment...	2/20/2022 6:07 PM
4926	Made me lose faith in Canadians. Didn't know there were so many americans living here and trying to destroy our democracy.	2/20/2022 6:07 PM
4927	Gave me hope	2/20/2022 6:07 PM
4928	Given me hope for freedom to continue to exist in Canada.	2/20/2022 6:07 PM
4929	Brought hope when there was none	2/20/2022 6:07 PM
4930	All positive, supporting all the way	2/20/2022 6:07 PM

Canadians vote on Canadian Mandate - February 2022

4931	UNITED WE STAND ♥ I SJUPPORT THEM 1000000% IF I COULD GET TO OTTOWA TO JOIN THEM I WOULD BE THERE RIGHT NOW	2/20/2022 6:07 PM
4932	It's shows humanity togetherness brings us apart while Trudeau has divided us	2/20/2022 6:07 PM
4933	Lifted spirits	2/20/2022 6:07 PM
4934	Indirectly. Very frustrating witnessing the response by fed government. Name calling by PM (lack of leadership)	2/20/2022 6:06 PM
4935	Unity, hope for the future. Made me realize how censored the news is and how our government has paid them off.	2/20/2022 6:06 PM
4936	I was greatly encouraged that there is a glimmer of hope for the future of this country and solidarity among all Canadians has amazingly grown! I am very thankful for what they have risked and accomplished, even at such great personal cost.	2/20/2022 6:06 PM
4937	Gave us hope until Trudeau enacted the war act	2/20/2022 6:06 PM
4938	Hasn't	2/20/2022 6:06 PM
4939	Provided a peaceful and honest public voice to those, including the vaccinated, who understand mandates may not have been required but most assuredly are not required at this point	2/20/2022 6:06 PM
4940	Gave me hope that enough show of the truckers in Ottawa and supporters would lead our government to TALK and listen to their concerns. Disgusted and VERY distraught at the governments position - Prime Minister and Freeland's true colours now showing and not the world I want to live in. Too much control.	2/20/2022 6:06 PM
4941	Gave me hope	2/20/2022 6:06 PM
4942	Not at all proud of them	2/20/2022 6:06 PM
4943	Not at all	2/20/2022 6:06 PM
4944	I appreciate the truckers and the hard work they do to help all of us.	2/20/2022 6:06 PM
4945	Makes me proud for standing up for our rights against this Federal government.	2/20/2022 6:06 PM
4946	It has given me, and the rest of Canada hope. It makes me feel excited that we might possibly get back to normal. I'm so grateful.	2/20/2022 6:06 PM
4947	It has made me extremely angry that my govt is attacking fellow Canadians	2/20/2022 6:05 PM
4948	They are showing the world that we have a dictator for a pm	2/20/2022 6:05 PM
4949	Given me hope and more courage!!	2/20/2022 6:05 PM
4950	Hope	2/20/2022 6:05 PM
4951	They have brought me hope for my Canada for the first time in a long time.	2/20/2022 6:05 PM
4952	They brought my voice public. They brought kindness and understanding back between my friends and myself	2/20/2022 6:05 PM
4953	Gives hope	2/20/2022 6:05 PM
4954	Pain in the ass, business has slowed on those days and u can't get anywhere	2/20/2022 6:05 PM
4955	Gave me some hope actually	2/20/2022 6:04 PM
4956	It is given a hope and let each one of us know that we are not alone. And that there are those that feel the same way we do. And willing to Work it out with an unreasonable government.	2/20/2022 6:04 PM
4957	Gave me hope	2/20/2022 6:04 PM
4958	It's craziness how the police are harassing the truckers....the police are creating the craziness in Ottawa...it was peaceful, we want our democracy!	2/20/2022 6:04 PM
4959	It has given me hope. Watching the truck in convoy and the people who support it has finally made me proud to be a Canadian. No, that emergency measures have been put in place, I'm disgusted by the overreach of the government	2/20/2022 6:04 PM

Canadians vote on Canadian Mandate - February 2022

4960	Hope , faith , love , unity	2/20/2022 6:04 PM
4961	Created hope, strength, Canadians coming together. Has brought out our Governments real colours.	2/20/2022 6:04 PM
4962	Hope	2/20/2022 6:04 PM
4963	Gives me hope for my future	2/20/2022 6:04 PM
4964	It makes me aware that all middle class is tired of big government and that federal leadership is weak, corrupt, and power hungry!	2/20/2022 6:04 PM
4965	Brought back hope for a less totalitarian and communist political regime	2/20/2022 6:03 PM
4966	Gave me hope. To see more Canadians in my situation. I was not alone.	2/20/2022 6:03 PM
4967	Brought back some hope, that this will end and maybe stop Everyone being so hateful	2/20/2022 6:03 PM
4968	It has given me a bit of hope that something might change with the mandates. And I am happy that people are willing to stand up and fight for our freedoms against our corrupt government.	2/20/2022 6:03 PM
4969	I have finally felt the most hope and pride that I haven't felt in a very long time. The freedom convoy didn't do this for themselves, they did this for everyone. They done Canada proud and they were peaceful and family loving people. I am grateful to our truckers for giving Canadians hope after a very unfair treatment from our government illegal mandates	2/20/2022 6:03 PM
4970	It hasn't	2/20/2022 6:03 PM
4971	No	2/20/2022 6:03 PM
4972	I was proud of trucking convoy as they confronted the government overreach that we have lived under for 2 years.	2/20/2022 6:03 PM
4973	Making my have faith and hope in Canada again	2/20/2022 6:03 PM
4974	Yes the way they were treated like non citizens has deeply affected my view of Canada's future. I worked as a military police officer for 19 years and the movement and govt response has split Canada	2/20/2022 6:03 PM
4975	I'm encouraged by seeing their numbers. I support their protest.	2/20/2022 6:03 PM
4976	Giving hope for freedom	2/20/2022 6:02 PM
4977	All my life I never really liked the police force, be it civil, Quebec, OPP, RCMP, etc.. Now I have ABSOLUTELY no respect for them...in fact they are criminals and scum of the earth. They have NO integrity whatsoever and they will ALL go to hell literally. There may be one in a million that is okay, not good, but okay. There are two enemies to the people: criminals and government. The first is illegal and the second is made self-legal. Governments DO NOT like competition. Governments are the enemy to mankind. I salute the truckers for standing up and doing the dirty work and sacrifice for the rest of Canada. They have the right to protest in Ottawa just as Americas do in Washington D.C. If someone wants to live at the base of a volcano, then do not complain if lava hits them. If someone lives near an airport, then do not complain if there is jet noise. If someone lives in Ottawa as a resident, then do not complain if there are protests. No one complains in Washington D.C. It was made for people to attend and legally protesting. So why is Ottawa so special that people cannot come to protest?!? The truckers have the right to protest according to the Canadian Charter of Rights and Freedoms and the Bill of Rights.	2/20/2022 6:02 PM
4978	It has not affected my life as of yet	2/20/2022 6:02 PM
4979	Freedom!!!! Beautiful movement Trudeau prime minister behaviour is atrocious, he is at war with the people, he cannot head a country and the coercion between him and Singh is criminal	2/20/2022 6:02 PM
4980	Finally given hope to all Canadians!	2/20/2022 6:02 PM
4981	I cheer them on	2/20/2022 6:02 PM
4982	It has given me hope and made me proud to be a Canadian again.	2/20/2022 6:02 PM
4983	It has given me hope	2/20/2022 6:01 PM

4985	Filled with hope!	2/20/2022 6:01 PM
4986	We can do anything in a free land country	2/20/2022 6:01 PM
4987	Brought back hope	2/20/2022 6:01 PM
4988	It gave me hope that there are more, many more Canadians who think like me and value freedom of choice.	2/20/2022 6:01 PM
4989	Gives me hope	2/20/2022 6:01 PM
4990	Brought Canadian together	2/20/2022 6:01 PM
4991	It is finally waking up people to the actual facts that it's all lies. The truckers have every right to be in Ottawa and the government have no say in the matter. Trudeau is guilty of genocide as are all those in 'power' for persisting the lies. The MSM will be held accountable too. This is not an if but a when	2/20/2022 6:01 PM
4992	I love it - and don't mind impacts	2/20/2022 6:01 PM
4993	Only because it has annoyed me and has been a huge embarrassment to all Albertans and Canadians.	2/20/2022 6:01 PM
4994	I'm not a fan of convoy, but I'd it gets rid of mandates, great	2/20/2022 6:01 PM
4995	Made me feel like there may be a chance to get rid of mandates , hope for a better life	2/20/2022 6:01 PM
4996	No impact, other than providing me with hope. Now that police have intervned I am saddened again. Can't believe this is Canada.	2/20/2022 6:01 PM
4997	They have given hope and and reduced the mental anguish of feeling like a lesser citizen or human. After seeing the support from the people in the convoy, its better than my govt has ever done.	2/20/2022 6:01 PM
4998	Hope	2/20/2022 6:01 PM
4999	It gave me hope for my kids future and for the first time in two years I felt pride in my country	2/20/2022 6:01 PM
5000	They are fighting for our rights.	2/20/2022 6:00 PM
5001	Finally bringing hope that things may get better	2/20/2022 6:00 PM
5002	It makes me concerned about the political future of this country, and about people I know who have been harassed in the streets of Ottawa for their choice to wear a mask. Locally here the rallies with the honking have made downtown a more threatening place to be. I have compassion forany of the truckers but their willingness to use Nazi propaganda has really turned me off - my grandparents were proud members of the air force in WWII and I can't believe we're back to having to fight off Naziism here at home.	2/20/2022 6:00 PM
5003	disappointed that this has nothing to do with truckers and everything to do with various groups with political intentions. annoying that the minority of canadians who are concerned about their freedoms should jeopardize the freedoms of the majority.	2/20/2022 6:00 PM
5004	It hasn't	2/20/2022 6:00 PM
5005	In no way at all.	2/20/2022 6:00 PM
5006	I felt hope for the first time in over 2 years. The love that radiated from the gathering of people in unity was a breath of fresh air	2/20/2022 6:00 PM
5007	Positively, it it's truth and it represents most Canadians views about mandates and health agencies dictating unscientific ideas and practices.	2/20/2022 6:00 PM
5008	Makes me sad and anxious. I deleted Facebook because of it. Not just the convoy but conspiracy theorists.	2/20/2022 6:00 PM
5009	It's a great cause.	2/20/2022 6:00 PM
5010	It has gave me hope for our future, and is Canadians that believe in our freedoms finally have a banner to stand behind.	2/20/2022 5:59 PM
5011	No effects	2/20/2022 5:59 PM

5012	It's given me hope that there are other people out there that feel the same way I do. It's inspiring and uplifting to finally feel like I belong again and have found others who agree that freedom is extremely important.	2/20/2022 5:59 PM
5013	No affect but stand behind their purpose.	2/20/2022 5:59 PM
5014	Hope.	2/20/2022 5:59 PM
5015	It hasn't, it have given me hope and unity. The love that has been shared is indescribable	2/20/2022 5:59 PM
5016	Positive. They give me hope	2/20/2022 5:59 PM
5017	No effect	2/20/2022 5:59 PM
5018	This has given a new hope.	2/20/2022 5:59 PM
5019	Brings joy to me	2/20/2022 5:59 PM
5020	Recognized the truth	2/20/2022 5:58 PM
5021	Nondelivery of goods I have been waiting for so that I can continue to operate my business ans to continue to pay my employees. Family member is currently in critical care because the road was blocked from her home to the hospital, resulting in emergency crews getting to her	2/20/2022 5:58 PM
5022	In a good way give me some hope	2/20/2022 5:58 PM
5023	Opened my eyes to what kind of government is in lead hand of Canada.	2/20/2022 5:58 PM
5024	It has given me hope and strength.	2/20/2022 5:58 PM
5025	It has brought hope. It is non violent and spreads love	2/20/2022 5:58 PM
5026	I support their right for choice	2/20/2022 5:58 PM
5027	0	2/20/2022 5:58 PM
5028	It has given me hope for the first time in two years. These truckers are Canadian heroes.	2/20/2022 5:58 PM
5029	Brings hopes of a positive future	2/20/2022 5:58 PM
5030	The hope and joy and unity we have witnessed, the prayer, singing and respectful protest gave us a very short lived hope that Canada could be wonderful again. Our government is a disgrace. I am no longer proud to be a Canadian	2/20/2022 5:58 PM
5031	Hopeful that finally something is being done to highlight the negative impacts of these mandates. It has also demonstrated how juvenile and unstatesmanlike Justin Trudeau is by not meeting with these Canadians, and how dysfunctional our parliamentary system is that no member of parliament has reached out to hear the concerns of some of our citizens. For shame.	2/20/2022 5:58 PM
5032	NA	2/20/2022 5:58 PM
5033	It has finally given me a little bit of hope that maybe this will finally end. Because of the hate in the world I fear having children and bringing them into this world, due to that me and my boyfriend of three years have decided to break up, because I am so scared of the future with these mandates and vaccines. This convoy has proved we are not alone and millions of people around the world want to go back to normal without feeling like a Jew in the halocaust to show their papers.	2/20/2022 5:58 PM
5034	It has giving me a little hope that perhaps all the mandates might be dropped and it has also made me realize that our totalitarian Prime Minister does not care for his people, it's apparent in his speeches. The only thing he cares about is getting everyone vaccinated even thought with the onicrom variant, it is no longer a viable argument. He will keep pushing his agenda until we have no rights at all in this once peaceful and free country.	2/20/2022 5:58 PM
5035	None	2/20/2022 5:58 PM
5036	It gave me hope, showed me that there are more like-minded people.	2/20/2022 5:58 PM
5037	They've given me hope in a positive future for Canada.	2/20/2022 5:58 PM
5038	Given me hope in humanity.	2/20/2022 5:57 PM

Canadians vote on Canadian Mandate - February 2022

5039	Not at all	2/20/2022 5:57 PM
5040	It gave me hope for some justice and for lies and manipulations to end.	2/20/2022 5:57 PM
5041	Freedom	2/20/2022 5:57 PM
5042	It hasn't except to afford me an opportunity to point out the fallacies of its positions.	2/20/2022 5:57 PM
5043	It has inspired me and gave me hope for the first time in two years!	2/20/2022 5:57 PM
5044	I drive,I can't anymore , and the convoy showed me people standing up for what's right , renewed my faith in God and men for the most part I really see how corrupt our leaders in Government are	2/20/2022 5:57 PM
5045	It's ridiculous and embarrassing as a Canadian, loaded with hypocrisy and self serving motives.	2/20/2022 5:57 PM
5046	It sparked hope. It showed me how many other canadian (and people from around the world) feel the same way that I do. It showed me how strong we all are when we come together. The response by our government has also shone a light on how corrupt and broken our democratic system is.	2/20/2022 5:57 PM
5047	It gave us hope. Light in a dark world. Until the police started assaulting innocent Canadian citizens for no reason. Now my children say they do not trust police because of the brutality they saw on the news and twitter.	2/20/2022 5:57 PM
5048	It has given hope	2/20/2022 5:56 PM
5049	Has made me proud to be Canadian to see so many willing to stand against those trying to take our freedom to choose what is right for our bodies.	2/20/2022 5:56 PM
5050	I am reading the science and things like the "great reset" and I am now Listening to alternative news sources. I am now starting to stand up to those who are rude and disrespectful and dismissive to those of us who believe in freedom of choice.	2/20/2022 5:56 PM
5051	Inspired for hope	2/20/2022 5:56 PM
5052	Feeling proud to be Canadian	2/20/2022 5:56 PM
5053	Gives me hope that we can get this ended and get our rights back !!!!	2/20/2022 5:56 PM
5054	It is the most positive thing I have seen from Canadians since this whole thing started	2/20/2022 5:56 PM
5055	It's an embarrassment to my country and my profession. These toddlers fail to understand the word freedom and the role an individual plays in society.	2/20/2022 5:56 PM
5056	I'm against the mandates and I'm behind our right to protest, however these trucks created too much havioc for the residents of Ottawa. The blockage of bridges impacting the supply chain is something that also negatively affects people's livelihood. Let's just hurry to the polls and get this circus in Ottawa shutdown!	2/20/2022 5:56 PM
5057	It has brought hope back to our family! We felt defeated and like we needed to leave Canada at the first chance we could. To see this many people coming together has been amazing	2/20/2022 5:56 PM
5058	I don't appreciate small numbers expecting to determine what is best for all. Protests I believe in because we all have a voice but nothing in life should be done without respect of all persons. Government are small numbers and they best respect the wishes of the majority	2/20/2022 5:56 PM
5059	The convoy has been so inspiring and gives me hope for a better future without the tyranny of Trudeau's government.	2/20/2022 5:56 PM
5060	Ecouragment	2/20/2022 5:56 PM
5061	Honestly, it hasn't. I pray for everyone involved	2/20/2022 5:56 PM
5062	Given us hope .	2/20/2022 5:55 PM
5063	Not much so far	2/20/2022 5:55 PM
5064	It shows me that people have the right to stand up for what they believe in I finally somebody doing something about this nonsense of corvid	2/20/2022 5:55 PM

5069	Helped me see how tyrannical our government is, helped me see who's values align with mine, helped bring me closer to people that matter, helped me see how little trust I can have in law enforcement.	2/20/2022 5:55 PM
5070	Hopeful, happy, glad there's people out there that care.	2/20/2022 5:55 PM
5071	1000% for the truckers convoy	2/20/2022 5:55 PM

5077	Its the first time I have actually felt hope in 2 years that something might change. It has brought millions of people together throughout the world. It's the most important thing that has happened and is happening in my 42 years on this planet.	2/20/2022 5:54 PM
5078	It has not	2/20/2022 5:54 PM
5079	Positive...hope	2/20/2022 5:54 PM
5080	It has caused my anxiety issues to increase due to the sheer stupidity of it.	2/20/2022 5:54 PM
5081	I am proud of them	2/20/2022 5:54 PM
5082	Gave hope	2/20/2022 5:54 PM
5083	It gave me hope at first. I thought I was alone in my feelings and it made me feel like someone was fighting for me. But the government response has left me feeling defeated and sad. The racist narrative surrounding the convoy, and our prime minister saying the unvaccinated were racist and misogynistic, have made me feel like I don't belong. I am a cancer survivor and have extreme anxiety about putting anything in my body. However, my choice has made me feel ostracized and even more isolated. I feel hurt that people who normally fight for body autonomy doesn't respect my right to it as well. The convoy is a beacon of hope for those of us who are suffering in this way.	2/20/2022 5:54 PM
5084	It has affected me positively. Makes me proud to be Canadian	2/20/2022 5:54 PM
5085	The convoy has brought me hope and pride for my fellow Canadians who have stood up for our freedoms.	2/20/2022 5:53 PM
5086	It has not	2/20/2022 5:53 PM
5087	It hasn't	2/20/2022 5:53 PM
5088	Gives hope	2/20/2022 5:53 PM
5089	It has given me a sense that someone will stand up for our freedoms and is willing to fight these insane mandates.	2/20/2022 5:53 PM
5090	Made me feel patriotic	2/20/2022 5:53 PM
5091	They have been a needed source of encouragement after two years of control... helping the silent majority a voice	2/20/2022 5:53 PM
5092	It is so sad to see bullies/truckers in the convoy think they can get their way by holding our nation's capital and our borders ransom. It is also sad to see police in Ottawa not willing or able to do their job. The people in power really seemed to struggle to figure out how to handle this. I'm worried this pathetic convoy has given way too much power to the extreme right, white supremacists, neo nazis or other hate groups.	2/20/2022 5:53 PM

Canadians vote on Canadian Mandate - February 2022

5093	I felt embarrassed and ashamed of my fellow Canadians. I felt sorry for the people they made life hell for with their selfish actions.	2/20/2022 5:53 PM
5094	Looking forward to them coming to US. Nothing changed	2/20/2022 5:53 PM
5095	It has not.	2/20/2022 5:53 PM
5096	Given me hope.	2/20/2022 5:53 PM
5097	From the time they started their trek to Ottawa, I finally felt so hopeful for our beloved Canada. Felt that with the many voices being heard through the Convoy that Communism will be stopped in its tracks, not just in Canada, but Worldwide. So it is fair to say that my life for me has greatly improved.....a renewed hope and Vision,	2/20/2022 5:53 PM
5098	It gave me hope that the tyranny would end.	2/20/2022 5:53 PM
5099	Gave me hope and inspiration and showed me the way Canada is and always should be.	2/20/2022 5:53 PM
5100	Give me hope	2/20/2022 5:53 PM
5101	Not affected but I support.	2/20/2022 5:53 PM

5103	Gave me hope the first time in two years.	2/20/2022 5:52 PM
5104	The truckers were making a point. It is extremely unsettling/ disappointing & somewhat scary knowing that radical extremists infiltrated the convoy to turn it into what it is today.	2/20/2022 5:52 PM
5105	Given us all hope for a better future'	2/20/2022 5:52 PM
5106	The trucking convoy made me feel that maybe we had a chance of get our freedoms back and my family and friends weren't the only ones seeing Canada falling apart.	2/20/2022 5:52 PM
5107	Mostly has made me sick seeing how the government has handled the situation	2/20/2022 5:52 PM
5108	For the better, Alberta removed most of their mandates because of the pressure it put on govts	2/20/2022 5:52 PM
5109	It hasn't	2/20/2022 5:52 PM
5110	Not at all.	2/20/2022 5:52 PM
5111	The stress of not being able to move freely. Wondering how long the siege would last. Now waiting for court etc. So much money wasted on people who thought they could bully their way into forcing changes. Canadians are nice but not that nice.	2/20/2022 5:52 PM
5112	Has not affected my life	2/20/2022 5:52 PM
5113	The convoy hasn't. Seeing how the PM and police handled it has affected me and so has the Emergencies Act. Now I'm scared for Canada	2/20/2022 5:52 PM
5114	Gave me a sense of hope and community for once in the last two years. Very emotional to watch all the like minded people get out there to support the truckers on their way to Ottawa.	2/20/2022 5:52 PM
5115	For the first time since I became a Canadian- just last June- I felt that there was maybe hope for Canada. It gave me the first glimmer of hope for an imprisoned country. Only if we are freed from this bondage will there be a future of any value for our children and grandchildren.	2/20/2022 5:52 PM
5116	None whatsoever it helped open our eyes and see what government was doing to Canadians	2/20/2022 5:51 PM
5117	It is nice to have someone for a voice and support.	2/20/2022 5:51 PM
5118	Not ,at all , I think they are doing what most Canadians are NOT doing . Good job Convoy 2022	2/20/2022 5:51 PM
5119	Shown love, gave pride, made me feel like something bigger, Unity and oneness	2/20/2022 5:51 PM
5120	It has not affected my life. I admire their willingness to make a stand although as long as it was peaceful and lawful.	2/20/2022 5:51 PM
5121	Very proud of how united they have made Canadians feel have not felt proud to be Canadian in a long time Prime minister has really divided the country unnecessarily	2/20/2022 5:51 PM

5142	Gave hope that a group of people spoke up and stood up for what i was feeling	2/20/2022 5:49 PM
5143	My eyes well with tears daily with the hope that we can get out if this and hold the Federal Govt accountable for what they've done or have been trying to do. I have hope that we may finally be able to have some new leadership (although I know it's a long shot) It's made me angry as the truth is brought to light if a person has an opportunity to hear and listen to true accounts, and not that of the obviously compromised main stream media. How we've been so brainwashed by the control the Government has on our news sources. It's made me a little afraid to see how cowardly an dishonest the person in power is. How easily he has been able to control us and our lives.	2/20/2022 5:49 PM
5144	Gave hope and encouragement	2/20/2022 5:49 PM

Canadians vote on Canadian Mandate – February 2022

5152	It has shown the government that we the people do not Support the direction the federal government is going. It is also showing that we are not a racist minority . We want our freedoms backand are unwilling to compromise any more	2/20/2022 5:48 PM
5153	It has provided encouragement that someone is drawing attention to the problem of government overreach and the trampling of our most basic freedoms.	2/20/2022 5:48 PM
5154	inspired my faith in humanity again. but it depends whose narrative you follow - CBC which is owned by the government, or go their yourself and see the peaceful protesters. This is one of the saddest days in Canadian history that our government has unleashed war on its own people for a peaceful protest. Crimes against humanity...and most of the world doesnt even see it.	2/20/2022 5:47 PM
5155	Mostly positively by giving a sense of hope, unity, patriotic pride. Only negative is the incessant horn honking would get annoying longterm.	2/20/2022 5:47 PM
5156	It's nice to see people want to keep this country free.	2/20/2022 5:47 PM
5157	Positively, it has reminded me of what it means to be a Canadian	2/20/2022 5:47 PM
5158	I had given me hope that we may get our lives back	2/20/2022 5:47 PM

5162	Gave me hope	2/20/2022 5:47 PM
5163	It has helped restore hope.in our country and the people that live here. While at the same time destroying that hope when I saw how the police and government handled it. I will never trust the police again. It has been an emotional time.	2/20/2022 5:47 PM

5166	Gave me hope!	2/20/2022 5:46 PM
5167	Made me worry for the people being harassed by the convoy, worry about guns being gathered, worry about far-right groups gaining power and popularity	2/20/2022 5:46 PM
5168	For a day we had higher then normal traffic in our city which scared customers away. So not a whole lot changed.	2/20/2022 5:46 PM
5169	It has brought awareness that I'm not the only one who feels the government has overstepped its authority.	2/20/2022 5:46 PM

Canadians vote on Canadian Mandate - February 2022

5178	It has brought hope, that we get our freedoms back. Government doesn't own my body. And I shouldnt be forced to take a medical treatment.	2/20/2022 5:45 PM
5179	It cheers me to realize that there are Canadians who are willing to take a stand for what they believe is right, so long as it is done correctly. I have been disturbed by how freedom in Canada is being swallowed up as people accept overreach of the government, so it was nice to see a push for freedom.	2/20/2022 5:45 PM
5180	Gave me hope	2/20/2022 5:45 PM
5181	It has brought people together!	2/20/2022 5:45 PM
5182	Uplifted my spirits, given me hope	2/20/2022 5:45 PM

5184	I admire them for fighting for freedom of choice	2/20/2022 5:45 PM
5185	Very proud of the truckers. Sad how the Grovement wouldn't talk with the trucker. And how Trudeau paid police to be with the protesters. I want Trudeau out meaning oust.	2/20/2022 5:45 PM

5190	So proud of them for trying to "peacefully" stand for what's right.	2/20/2022 5:44 PM
5191	I have not felt so much hope in the last 2 years! They have allowed Canadians to be proud again! I do not like the way our PM or police have handled Ottawa or Legacy Media (bought and paid for)	2/20/2022 5:44 PM
5192	Not at all	2/20/2022 5:44 PM
5193	It's a bunch or right-wing activists protesting life in general. It has little to do with rebelling against restrictions. Protest peacefully for 2-3 weeks, then get the Hell out of Ottawa. Only a bunch of total LOSERS & DUMBASSES would protest at border crossings to negatively affect our weakened economy.	2/20/2022 5:44 PM
5194	Gave me hope	2/20/2022 5:43 PM
5195	Nothing negative, only positives have come from it. Mandates got lifted in several provinces. Waiting for more mandates to end	2/20/2022 5:43 PM
5196	Not at all. Other than the fact it gave me hope.	2/20/2022 5:43 PM
5197	Positively. Gives me hope that my freedoms are being fought for under a federal government that has never valued the livelihoods of Alberta residents. This government has preached about inclusion and the freedom of choice and everything that goes with it but refuses to listen to a group of people who want to be heard and this gives me hope of that changing.	2/20/2022 5:43 PM
5198	It has showed politicians true colours amd has showed that the vast majority of Canadians are sick of all mandates	2/20/2022 5:43 PM
5199	Felt good that someone was fighting for freedom... and they were able to share love and not name call like Justin Trudeau	2/20/2022 5:43 PM

5210	The convoy brought hope back Into my life. I truly hoped that our government would listen but it clearly showed our leaders true colors and not supporting Canada at all he has his own agenda. I know and feel that the convoy brought Canadians together and put love in our hearts and all were accepted.	2/20/2022 5:43 PM
5211	It has shown me that I am not alone. It has shown me that there are true Canadians that care about essential rights and freedoms. It has given a voice to the voiceless.	2/20/2022 5:42 PM

5218	They have made a movement. Have showed me I'm not alone with my views and feelings about the mandates. That it's not about vaccinated or not vaccinated. It's about our freedom and right as citizens in Canada. That the government has crossed the line with power.	2/20/2022 5:41 PM
5219	Made me feel very proud and supportive of them. Disgusted with our pm and the politicians that aren't fighting to support them and our right to choose what goes into our body.	2/20/2022 5:41 PM

5233	The sad thing there is two agendas in this convoy. I support peaceful protests, and people wanting their freedom of choice, but it should not impede the people around the cause from running a normal life. It hasn't directly affected me.	2/20/2022 5:40 PM

5348	I felt relieve that such a big event happened to "shake" the authorities on the mandates, but since i am not living in this area, I had no negative effects on my daily life.	2/20/2022 5:27 PM
5349	Peaceful protest. Kind people wanting our life back. For children, teachers, nurses etc. Sad to see the war happening right now	2/20/2022 5:27 PM

5359	It has given me a sense of hope for the first time in a long time. My kids were excited that there was someone fighting for them. It is absurd how the narrative has been spun to make it a negative thing. The convoy was nothing but positive, inclusive, and love filled. It's the government and what is left of the police causing the problems	2/20/2022 5:26 PM
5360	Best thing ever to get freedom back	2/20/2022 5:26 PM
5361	GAVE ME HOPE.	2/20/2022 5:26 PM
5362	I am proud of them. As fully vaccinate my family supports their action for freedom I cast a vote of no confidence and immediate removal of Trudeau as well as legal action for abuse of citizens of Canada	2/20/2022 5:26 PM
5363	Started out giving hope was positive. Then it gathered to many agitators who wanted to overthrow the government	2/20/2022 5:26 PM

5374	It has given me hope that there are like minded citizens that value our freedoms and constitutional rights	2/20/2022 5:24 PM
5375	Giving me hope	2/20/2022 5:24 PM
5376	Hasn't	2/20/2022 5:24 PM
5377	Encouraging	2/20/2022 5:24 PM
5378	It has helped me understand the exponential over reach that our government has in current society, not just on mandates,and how biased the narratives from cbc ctv and global are.	2/20/2022 5:24 PM
5379	Has given me hope and faith in Canadians!	2/20/2022 5:24 PM
5380	It's gave me more hope for Canada then I've ever had before. I'm so glad someone stood up for us!! It's being uplifting in ways watching and very disgusting in other ways by police.. they have brought nothing but love to Ottawa ♥♥. FREEDOM!! Love the truckers♥♥	2/20/2022 5:23 PM

5406	Has not affected my life at all	2/20/2022 5:20 PM
5407	Hasnt	2/20/2022 5:20 PM
5408	Added stress. I am worried of the fringe groups that have attached themselves to the convoy and potential bad out comes they will bring.	2/20/2022 5:20 PM
5409	I fully support it.	2/20/2022 5:20 PM
5410	I support it. In the same industry	2/20/2022 5:20 PM
5411	It hasn't	2/20/2022 5:19 PM
5412	It hasn't	2/20/2022 5:19 PM
5413	I don't think it's fair to freeze bank accounts,credit cards etc. Very wrong,they rallied for what they believed in,trudeau would not communicate with truckers,let it carry on for over 3 weeks then ambushed truckers,I lost respect in trudeau and he's a coward!	2/20/2022 5:19 PM

Canadians vote on Canadian Mandate - February 2022

5417	It hasn't at all	2/20/2022 5:19 PM
5418	I love it! We need to stand against the tyranny	2/20/2022 5:18 PM
5419	Dropping mandates	2/20/2022 5:18 PM
5420	It hasn't	2/20/2022 5:18 PM
5421	Making people see we all need to stand and rise up over the government they work for us	2/20/2022 5:18 PM
5422	It has made me have faith in my country that there are others who feel our liberties are being trampled on by the government	2/20/2022 5:18 PM
5423	Made me proud to be A Canadian again.	2/20/2022 5:18 PM
5424	I feel sorry for the men and women who wanted to talk to the prime minister and be heard, and did not have the opportunity. I feel sad that they were ignored and made to look like they were doing the wrong thing. I feel that seeing the aggression from the police towards people who did not mean any harm has made me question whether the police are for protection or if at any moment they will turn against their people, people who pay their wages through taxes. I feel sorry for the truckers who work hard, are vaccinated and want to support Canadians by participating in the biggest peaceful protest movement I've ever seen, yet the government paints them as terrorists. I am ashamed that as Canadians living in a democracy we are somehow stuck with a prime minister who wants Canadians to be in a communist country, and admires China. The convoy to Ottawa made me proud to see that there were people out there willing to stand up for Canadians when the science points to do so. Made me happy that there are people seeing through the smoke and mirrors. Made me sad for the future of our children the way the government is being dictated by an arrogant, narcissistic personality who doesn't care about Canadians.	2/20/2022 5:18 PM
5425	Bunch of shit heads. They ruined the Canadian flag for us	2/20/2022 5:18 PM
5426	N/A	2/20/2022 5:18 PM
5427	Other then some supply shortages it has not. But has showed me that many people feel the same	2/20/2022 5:18 PM
5428	It made me aware of the power of prayer and unity amongst Canadians!	2/20/2022 5:17 PM
5429	Made me happy	2/20/2022 5:17 PM
5430	It's brought hope. It shows the real Canadians that we used to be. Those people have brought love and peace back to Canada.	2/20/2022 5:17 PM
5431	They have blocked traffic in my city.	2/20/2022 5:17 PM
5432	It's brought hope to a place where there was none! It's brought people together and made people who were scared to speak up have a voice!!!	2/20/2022 5:17 PM
5433	It has renewed a sense of hope	2/20/2022 5:17 PM
5434	Price increases in groceries and products not being delivered	2/20/2022 5:17 PM
5435	It has not	2/20/2022 5:17 PM
5436	Gave me hope	2/20/2022 5:17 PM
5437	Given me a hope for change but alas Trudeau and the establishment WILL NOT listen or even consider dialogue.	2/20/2022 5:17 PM
5438	It created pride in our voice towards a dictatorship under Trudeau leadership	2/20/2022 5:16 PM
5439	The trucker convoy has brought to my attention the threat to canadas democracy	2/20/2022 5:16 PM
5440	I love that they are trying to fight for our lives and freedom. Go truckers go. I love all the protests going on. I'm so proud of all the Canadians fighting for freedom	2/20/2022 5:16 PM
5441	Encouraged to see someone taking a stand against the suppressive tyranny we have been under.	2/20/2022 5:16 PM
5442	It hasn't	2/20/2022 5:16 PM

Canadians vote on Canadian Mandate - February 2022

5443	A sense of hope!	2/20/2022 5:16 PM
5444	It hasn't .	2/20/2022 5:16 PM
5445	Gave me hope	2/20/2022 5:16 PM
5446	It has given me hope	2/20/2022 5:16 PM
5447	It gave me hope for a return to normalcy. To real democracy. To get Trudeau out of power.	2/20/2022 5:16 PM
5448	It has given me hope that we can restore Canada to what it was pre lockdown	2/20/2022 5:15 PM
5449	It has not!!	2/20/2022 5:15 PM
5450	It has encouraged me that someone cares about all Canadians. There was some annoyance at the time they stayed but they were peaceful as were the massive crowds.	2/20/2022 5:15 PM
5451	Gave me hope, I'm not alone.	2/20/2022 5:15 PM
5452	Gave me hope that something will be done	2/20/2022 5:15 PM
5453	Very bothered by it. They are very brave and determined...not just for themselves, but for the whole of Canada	2/20/2022 5:15 PM
5454	Given us some hope for freedom	2/20/2022 5:15 PM
5455	It hasn't	2/20/2022 5:15 PM
5456	It has made me proud to be a part of the "fringe minority with unacceptable views". They are standing up for our freedoms. If I were in Ontario, I would be there. The police, RCMP, mainstram media, and members of Parliament who are with Trudeau and his tyrannical dictatorship need to be put in jail. They need to be held accountable for their hate-filled power tripping agenda.	2/20/2022 5:14 PM
5457	Hope for freedom to be restored!	2/20/2022 5:14 PM
5458	It's given me hope that maybe this country can return to normal and give our children the future they deserve	2/20/2022 5:14 PM
5459	Empty shelves but I understand the need to protest	2/20/2022 5:14 PM
5460	Gave me some hope.	2/20/2022 5:13 PM
5461	Positively. They gave me hope! I felt proud of my country again.	2/20/2022 5:13 PM
5462	It didn't. I welcome them.	2/20/2022 5:13 PM
5463	It hasn't.	2/20/2022 5:13 PM
5464	Never affected me at all I was all for it I think they are awesome to do this for us	2/20/2022 5:13 PM
5465	Showed that our country can come together	2/20/2022 5:13 PM
5466	Not at all	2/20/2022 5:13 PM
5467	I have found it very upsetting to see the attempt to destroy our democracy. The convoy was a pawn for disgusting Alt right actions	2/20/2022 5:13 PM
5468	The initial premise of giving people a voice, unifying people was great but it has really gone too far. Make no mistake, I do not in any way condone the PM or his mismanagement.	2/20/2022 5:13 PM
5469	Inspiration! Feeling hope for our country again.	2/20/2022 5:13 PM
5470	Made me proud , was waiting for Canadians to stick up for their rights . Gave me hope. Soon I'll have a life again instead of being alone all the time.	2/20/2022 5:13 PM
5471	It has given me hope that people care, that their is hope for our country despite our governments	2/20/2022 5:13 PM
5472	Brought back hope. Without the convoy, I'll bet we would still be continuing further mandates and restrictions.	2/20/2022 5:13 PM
5473	I have nothing negative to comment about the convoy.	2/20/2022 5:13 PM

Canadians vote on Canadian Mandate – February 2022

5474	It has inspired many people residing in Canada to stand up and fight for freedom. Because of the trucker convoy, mandates will end, and I will be able to see my family again.	2/20/2022 5:13 PM
5475	The trucking convoy didn't affect my life it give us a little bit of hope for having Or freedom back	2/20/2022 5:13 PM
5476	Given me hope!	2/20/2022 5:12 PM
5477	I have never seen this much sense of community by fellow Canadians in my entire life living in this beautiful country. Gives me hope and joy to see a potential end to the tyrannical mandates put in place that violate our Canadian charter of rights.	2/20/2022 5:12 PM
5478	It gives me hope. I see now way more people want the mandates to end then I realized..	2/20/2022 5:12 PM
5479	The convoy gives hope that normalcy may return	2/20/2022 5:12 PM
5480	Positively. It helped get masks off my kids faces for school. And did away with QR codes. I 1000% support them	2/20/2022 5:12 PM
5481	Gave me hope, showed me the good in humanity,gave me the strength to keep standing up for our human rights	2/20/2022 5:12 PM
5482	Given us hope	2/20/2022 5:12 PM
5483	I am extremely concerned about the occupation of our capital. Supporting a group that is funded by right wing extremists is very dangerous to our democracy. I support peaceful protests. This however is an occupation. Democratic freedom has nothing to do with this movement.	2/20/2022 5:12 PM
5484	It has given me hope and has shown me the true colors of many people. This convoy serves as a way for us to determine the amount of power over us our Canadian government truly has.	2/20/2022 5:12 PM
5485	:)	2/20/2022 5:12 PM
5486	Made me feel like there may be hope	2/20/2022 5:12 PM
5487	Has not affected me at all	2/20/2022 5:12 PM
5488	It has not bothered me or my family . I proud they did this because the governor mentioned was letting them bring food to feed people cause of this mandate crap.	2/20/2022 5:12 PM
5489	Gave me hope that there might be a better tomorrow.	2/20/2022 5:12 PM
5490	It has given me hope that things will change. It has shown me that I am not alone. It has shown me that Canada can come together as a people as a country to stand beside each other	2/20/2022 5:12 PM
5491	Best thing ever... it woke up the rest of the country/world about government over reach and politicians not listening to the science/experts currently about learning to live with covid and time to move on from this so called pandemic.	2/20/2022 5:11 PM
5492	They gave me and a lot of other Canadians Hope , Love, Unity and Positivity. We just want our freedom back that was stripped away from us. I'm a mom of 6 and i used to have movie nights with my kids, they had swimming lessons and had my kids enrolled in sports until mandates took over and we were no longer allow to enter the facilities and dine ins and i used to have a gym membership and now I no longer are allowed to exercise because i choose not to be an experiment. Its my body, my choice and no one can tell me what i should and shouldn't do with my own body. Im the boss of my body not no political party. So Canada is very divided and mandates should be lifted ASAP. This has cause mental health, depression, and division between 2 groups. I don't support discrimination and segregation. Canada is a beautiful country and our love and unity is beautiful. What happened to The True North Strong and free. This is a crime what is being done to Canadians. Needs to stop please.	2/20/2022 5:11 PM
5493	I supported them at first as there should never have been a vaccine "mandate" for anyone; however they have gone to far... a convoy is one thing, this has gone on long enough! If you truly care about others, you would have never blocked border crossing where your fellow truckers were trying to cross to make a living! Convoys move... they don't sit and block life from going on!	2/20/2022 5:11 PM
5494	Not at all	2/20/2022 5:11 PM
5495	Brought happiness and joy that Canadians were joining together. Together to push Trudeau to	2/20/2022 5:11 PM

Canadians vote on Canadian Mandate – February 2022

step down cuz he has done a horrible job and is the source of all our issues right now. Let's not talk about the WEF☹️ and Trudeau plans for Canadians. He is a disgrace to Canada.

5496	I was joyful to see the hope and anticipation this convoy started out with from all across our country but then to see how our PM used such an orwellian approach to ending it has filled me with sadness	2/20/2022 5:11 PM
5497	Gave me hope	2/20/2022 5:11 PM
5498	Finally more people wake up and realize it was never about our health but control. We need to hold the government accountable	2/20/2022 5:11 PM
5499	Has given me hope that we will stand together instead of fighting each other , and our governments will see there was and is a better way to handle covid , lock downs do to much damage	2/20/2022 5:11 PM
5500	It is great awesomeness, I have an orgasmus	2/20/2022 5:11 PM
5501	Took over my city. Made me feel unsafe. Made me angry that these people felt that it was appropriate to take away other peoples freedom to walk safely in their city because of their selfish and ignorant views.	2/20/2022 5:11 PM
5502	Ik a positive way. I participated in peaceful protest and realized how mismanaged our country is	2/20/2022 5:11 PM
5503	Really lifted my spirits and faith in people. Feels like love.	2/20/2022 5:11 PM
5504	I feel proud to be a Canadian, when I see so many who are willing to fight for our freedom. For our government to treat them like criminals hurts beyond measure.	2/20/2022 5:11 PM
5505	It awakens me that the government are slowly taking away my freedom	2/20/2022 5:10 PM
5506	Solidarity...knowing theres a vast support system	2/20/2022 5:10 PM
5507	no	2/20/2022 5:10 PM
5508	No	2/20/2022 5:10 PM
5509	Standing up for everyone's freedom makes me happy because finally people standing up. PM needs to go.	2/20/2022 5:10 PM
5510	Feel positive that others are able to take action against excessive government overreach.	2/20/2022 5:10 PM
5511	Given me hope	2/20/2022 5:10 PM
5512	Given me hope!	2/20/2022 5:09 PM
5513	It was exciting! Nice to see Canadians stand up for there rights. Totally ashamed of our Prime Minister! The wold word thinks he is a jokr	2/20/2022 5:09 PM
5514	They have restored my faith. They are trying so hard to get the government to rethink the mandates and get rid of them. What Trudeau has done is the biggest disaster of Canadian history. He is a disgrace and MUST resign!!!	2/20/2022 5:09 PM
5515	None, to be honest.	2/20/2022 5:09 PM
5516	It has given hope	2/20/2022 5:09 PM
5517	Given hope	2/20/2022 5:09 PM
5518	They've given me hope for change and made me feel proud to be canadian! Their peaceful protest showing love and unity amongst all people has been nothing short of amazing!! While our Prime minister and the leader of the NDP choose to make hateful divisive speeches that I find absolutely disgusting! I've hope that the corruption within our current government will continue to be exposed and that they will be held accountable for their actions!! Cheers to the Freedom 2022 movement, let's keep pushing ahead!!	2/20/2022 5:09 PM
5519	Beautiful and the start of many movement to come ,we need more freedom	2/20/2022 5:09 PM
5520	Gave me hope, courage and helped open my province back up so I could run my business again. It was a great thing	2/20/2022 5:09 PM

Canadians vote on Canadian Mandate – February 2022

5521	It has given me encouragement to realize how our Prime Minister wants country to become a dictatorship.	2/20/2022 5:09 PM
5522	Truckers gave me hope that there might be a way out of the mess Canada and Ontario leaders have created.	2/20/2022 5:08 PM
5523	It has given me HOPE. It needed to be done and they took up the cause. It has restored a sense of pride in this country. I am SO GRATEFUL and forever indebted to these brave people who have put themselves out there on my behalf, and on behalf of Canadians everywhere who just want to get our lives back. Those involved in the Freedom Convoy are the bravest people I know and I wish their heart and spirit were properly recognized. They should be held up as an example of true Canadian patriotism. They should have been acknowledged and listened to instead of demonized. What our Prime Minister and those who side with him have done is unforgivable. I am furious. I pray that God will swiftly intervene and make things right. The Freedom Convoy represents a significant portion of Canadian Society and they (we) deserve to have our voices heard. They have ignited hope, but our PM, etc. have gravely damaged what was left of our society. Nothing but praise for the Trucker Convoy and condemnation for how our government has handled it.	2/20/2022 5:08 PM
5524	That peaceful convoy brought up a great energy and vibes that gave me a hope and will to live again. This pandemic made individual to be separated from others but the convoy brought people to become one.	2/20/2022 5:08 PM
5525	Too much	2/20/2022 5:08 PM
5526	Gave me hope for first time in years	2/20/2022 5:08 PM
5527	Given me hope and faith that our freedoms will be restored!	2/20/2022 5:08 PM
5528	It's great made me feel free again	2/20/2022 5:08 PM
5529	It has restored my hope and faith in the Canadian people. It has brought back the love, unity and connection that Justin Trudeau took away from us over the cold for the last 2 years. It has highlighted the incompetence of our dictator Prime minister Justin Trudeau. It has also brought fourth his clear and strong involvement with the world economic forum and his want to turn Canada into a social list regime	2/20/2022 5:08 PM
5530	Given a sense of hope	2/20/2022 5:08 PM
5531	Gave us something to take pride in	2/20/2022 5:08 PM
5532	Omg that was the best positive energy that i felt for a long time plus its so spiritual, its awesome to see everybody united	2/20/2022 5:08 PM
5533	It has supported the truth that has been censored, it is making people more aware of the lies that our government keeps telling us.	2/20/2022 5:08 PM
5534	I support the aims of the Convoy to re-establish of our freedoms which the Trudeau took away undemocratically by means of mandates. I participated in numerous local Convoy events and will continue to do that.	2/20/2022 5:08 PM
5535	It has not affected it yet. Other than the inflation prices and groceries being sold out	2/20/2022 5:08 PM
5536	Love and unity	2/20/2022 5:08 PM
5537	Gave hope to have someone stuck up to get our country back	2/20/2022 5:07 PM
5538	It has also been a minor inconvenience in my life as I don't live or work in the downtown core. It has affected the lives of my close friends and family much more than myself. My disabled mother who resides in centre town was harassed for exercising her personal freedom to protect herself by wearing a mask. Quite ironic.	2/20/2022 5:07 PM
5539	Has shown everyone how ridiculous our government truly is.	2/20/2022 5:07 PM
5540	It has opened my eyes to how terrible our government is.	2/20/2022 5:07 PM
5541	Proud	2/20/2022 5:07 PM
5542	Unity, love, peace in Canada again	2/20/2022 5:07 PM
5543	The shortage of supplies is selfish on their part!	2/20/2022 5:07 PM

Canadians vote on Canadian Mandate - February 2022

5544	Gives Hope	2/20/2022 5:07 PM
5545	It put back a living fire in myself and a smile on my face with human touch its just undescrivable what this government is putting us through i am so discusted with my open eyes	2/20/2022 5:07 PM
5546	It has affected my life by waking my family up too the way the government is treating this country and brought my family back together to give us something to hope for	2/20/2022 5:07 PM
5547	Hasn't	2/20/2022 5:07 PM
5548	Positively ! Since they have been protesting we have seen the restaurant mandates drop.	2/20/2022 5:07 PM
5549	Didn't affect me personally. Other than I feel no one should judge anyone else if they haven't been in their life situations. I believe the truckers ms meant well and they were peaceful!	2/20/2022 5:06 PM
5550	Hope this all will end	2/20/2022 5:06 PM
5551	Not in any concrete ways, but certainly has taken a lot of attention and has deepened respectful communication between many of us who at first appear to disagree.	2/20/2022 5:06 PM
5552	Gave hope!	2/20/2022 5:06 PM
5553	Has given me hope that we can stand together to send a message and make a positive difference.	2/20/2022 5:06 PM
5554	Given us hope that we can all move on, putting covid and government restrictions behind us.	2/20/2022 5:06 PM
5555	Given us hope that life will return to normal again and that someone will finally listen to the people.	2/20/2022 5:06 PM
5556	It didn't	2/20/2022 5:06 PM
5557	Made me have a better trust in society. At least I know society will help me where our Government fails	2/20/2022 5:06 PM
5558	It has gave me hope that things might change in this country. Canada has always been unified until The past couple years where everyone has become divided. The past couple weeks everyone seems to be coming together and showing lots of love	2/20/2022 5:06 PM
5559	They have brought happiness, smiles, peace, laughter to Canadians again.	2/20/2022 5:06 PM
5560	Gives me hope for freedom	2/20/2022 5:05 PM
5561	Given people hope and unity.	2/20/2022 5:05 PM
5562	I went to Ottawa to see what it was all about. Nothing but kindness and love! I was so overwhelmed, I cried.	2/20/2022 5:05 PM
5563	It hasn't. Waste of time	2/20/2022 5:05 PM
5564	None	2/20/2022 5:05 PM
5565	It has brought a bit of hope back to the situation. However, it has also shown how scared our liberal government is of real people making decisions for themselves. The trucker convoy has solidified my opinion of the liberal government as being out of control and acting out of fear instead of acting for the people they are supposed to be serving.	2/20/2022 5:05 PM
5566	Gave me much hope for change and has united the people from all over the country and world	2/20/2022 5:05 PM
5567	It has inspired me & show us true courage & patriotism	2/20/2022 5:05 PM
5568	I appreciated the people standing up to government overreach. I appreciate the peacefulness of the protest. I felt that the convoy should have used less tactics to block traffic for the sake of the locals.	2/20/2022 5:05 PM
5569	Pos	2/20/2022 5:05 PM
5570	It has given me more hope, sense of unity and love in the last 3 or 4 weeks then i have had in over 2 yrs. I am finally proud to be Canadian again even though Im terribly ashamed of our government and the legacy media . I feel like there has been a battle of evil vs good going on for over 2 yrs and the good is finally wining while the evil is loosing and being brought to light.	2/20/2022 5:05 PM
5571	Gave me hope, the rcmp and police disgust me with their actions	2/20/2022 5:05 PM

Canadians vote on Canadian Mandate - February 2022

5572	It's given me hope.	2/20/2022 5:05 PM
5573	Those Truckers are heroes standing up for people of Canada. Sorry to hear that the Prime Minister hasn't got the spine to speak to the truckers, sad state of affairs. The Prime Minister should be turfed! He is running the country into the ground.	2/20/2022 5:05 PM
5574	Proud Canadians are taking a stand against socialism and country people coming together (all Positive)	2/20/2022 5:05 PM
5575	Its made me feel proud	2/20/2022 5:05 PM
5576	It's give a sense of hope to end this tyranny in Canada that we can live as free people again.	2/20/2022 5:04 PM
5577	Prior to the convoy I had no hope. I felt like people would literally have to light themselves on fire to have access to speak to the government. I wanted to take my children and escape this country because it feels like things are going from bad to worse and if Justin Trudeau has his way we will exist under a global reset of tyranny at the hands of a technocratic oligarchy. These bureaucrats and members of parliament have not been accountable whatsoever to the people. The convoy gave everyone hope because it felt like we were not alone like the government wanted us to feel like we were a small minority of people with unacceptable views. Every single person in my family has had every other vaccine that was on the recommended list. mRNA is not a vaccine, it can cause severe illness and death. The truckers gave people hope that we could end this. No government should hold this much power over its own people. What has happened in this country amounts to crimes against humanity and treason. It cannot be allowed to continue. I will continue supporting freedom. It should be considered treason to sit as a member of the Canadian Parliament while being a member of the world economic forum. We the people need to make that happen.	2/20/2022 5:04 PM
5578	I don't at this time feel personally affected but I have a partner that is a truck driver. I am proud of them for speaking for the rights of all of us Canadians.	2/20/2022 5:04 PM
5579	Unable to socialize. Very bad for all people	2/20/2022 5:04 PM
5580	Bad. Can't get goods	2/20/2022 5:04 PM
5581	Has given us hope that we will get our freedoms back!!	2/20/2022 5:04 PM
5582	Made it better, community, shared meals	2/20/2022 5:04 PM
5583	It's removed mandates in my provincial it's should government how frustrated Canadians are with there leadership	2/20/2022 5:04 PM
5584	Has given me a glimmer of hope for our country again	2/20/2022 5:04 PM
5585	It's giving me hope and brings unity between the vaxed and unvaxed dismantling the segregation purposely imposed on people around the world.	2/20/2022 5:04 PM
5586	Gave me hope but I am terrified of what Trudeau is doing with the WEF	2/20/2022 5:04 PM
5587	Greatly... positive	2/20/2022 5:04 PM
5588	Opened my eyes to how corrupted the government of Canada and CBC really is.	2/20/2022 5:04 PM
5589	Its given me hope and i have felt very proud of my Canadian citizenship	2/20/2022 5:04 PM
5590	It has not	2/20/2022 5:03 PM
5591	Made my country come together in unity. Freedom.	2/20/2022 5:03 PM
5592	It hasn't	2/20/2022 5:03 PM
5593	Gives hope!	2/20/2022 5:03 PM
5594	It has given me hope that the government might listen to people's concerns. Sadly that was not the case. The government acted childish, and their response was tyrannical.	2/20/2022 5:03 PM
5595	Givin a little hope that we do have a say, helps moral, was very distressed with situation in canada, still am, that gave hope, till they where assaulted and attacked, upsetting to see our 'leader' act this way	2/20/2022 5:03 PM
5596	I had high hopes that this may help speak for a lot of people, more than most Canadians even	2/20/2022 5:03 PM

probably knew about. Have they done all the right things, maybe not, but it did feel like it was something that needed to be done, and I am ashamed to say I am a Canadian and that my Prime Minister doesn't care about me or any of us that want mandates lifted, he doesn't even have the courtesy to speak to these people. I guess I should not be ashamed, he should be.

5597	Gave us some positivity in our life. It's given us hope that these mandates and vaccine crap and passports will end and give us our freedoms back	2/20/2022 5:03 PM
5598	None	2/20/2022 5:03 PM
5599	It's annoying. Sick of hearing about it.	2/20/2022 5:03 PM
5600	It has been the only moment of sheer joyous hope in many months.	2/20/2022 5:03 PM
5601	None so far	2/20/2022 5:03 PM
5602	nil	2/20/2022 5:03 PM
5603	It has helped remove passports and stirred a love to be Canadian again	2/20/2022 5:03 PM
5604	Positive	2/20/2022 5:02 PM
5605	it's just annoying	2/20/2022 5:02 PM
5606	I don't care about it	2/20/2022 5:02 PM
5607	I see people in peace and love standing up to the charter of rights and yet seeing police brutalizing innocent Canadian citizens. I see the donations being stolen by government, banks locking peoples bank accounts and am so fearful/angry about possible upcoming digital identities. It's as though we're now living in a communist country with corrupt leaders and I'm so discouraged by what I'm seeing. We have no leaders that are standing for the people. It's very discouraging!	2/20/2022 5:02 PM
5608	Gave me hope that all the Covid mandates would be terminated and our freedoms restored.	2/20/2022 5:02 PM
5609	Gave me hope	2/20/2022 5:02 PM
5610	Caused some traffic frustration when they came through my city.	2/20/2022 5:02 PM
5611	Gives me hope. Evil prevails when good people do nothing.	2/20/2022 5:02 PM
5612	It hasn't	2/20/2022 5:02 PM
5613	I have never been more proud to be Canadian, they gave me a reason to hope for a bright and free future.	2/20/2022 5:02 PM
5614	I think it is great that truckers did what needed to be done.	2/20/2022 5:02 PM
5615	It hasn't	2/20/2022 5:02 PM
5616	Knowing if you don't agree with Justin Trudeau, you don't belong. They are peaceful protesters	2/20/2022 5:02 PM
5617	Relief that people are willing to stand up for the rights of others. The convoy has empowered me with hope. Hope for a better future.	2/20/2022 5:02 PM
5618	It was uplifting and inspiring to watch the convoy head to Ottawa, seeing the support on the bridges and roadways was encouraging to say the least. The unity of everyone was comforting	2/20/2022 5:02 PM
5619	They gave me hope	2/20/2022 5:01 PM
5620	Gave hope and encouragement. Being positive and light in darkness.	2/20/2022 5:01 PM
5621	The hospitals are running out of supplies for the NICU , these doctors have worked hard enough to have to put up with this now. Overwhelmed health care facilities affect everyone	2/20/2022 5:01 PM
5622	Gave me hope	2/20/2022 5:01 PM
5623	Not much. Driving me crazy mostly because that's all I hear. I realize and appreciate what they are doing.	2/20/2022 5:01 PM
5624	Give me a sense of hope	2/20/2022 5:01 PM
5625	It has not affected me directly. Economically and the sake of freedom for all Canadians is	2/20/2022 5:01 PM

curtailed because of the convoy. I believe in the right to protest but not cut off the economy nor prevent people from work. This convoy is the same economic stress as the George Floyd incited violence. Just different in application. Do not hurt the country because of being opposed to the vaccine. People have made their choice and choose to live with limited freedom.

5626	Couldn't get the food I needed	2/20/2022 5:01 PM
5627	I support the trucker convoy 100%	2/20/2022 5:01 PM
5628	It hasn't. Happy someone finally stepped up	2/20/2022 5:01 PM
5629	It was a great move but now that we are free it can end. Our new Queen has removed all restrictions but people need to start standing up and not complying with anything further.	2/20/2022 5:01 PM
5630	Made me have hope for Canada again.	2/20/2022 5:01 PM
5631	Gave me hope in a Better Tomorrow Many people from All walks of Life Standing as One for truth & Freedom. Many Cultures One Heart Standing as 1 People! No Division We ALL HELP One Another. Nobody is left behind! Much Love Always. God is Love We are Love!	2/20/2022 5:01 PM
5632	So proud of Canada to be the inspiration for a movement that is spreading worldwide	2/20/2022 5:01 PM
5633	Don't live in that area, but Gas prices have gone up \$0.20-\$0.30 since it started	2/20/2022 5:01 PM
5634	They have brought hope	2/20/2022 5:00 PM
5635	It has given me a shimmer of hope to take back our freedom as a country	2/20/2022 5:00 PM
5636	Gave me hope.	2/20/2022 5:00 PM
5637	They show unity, the heart of Canada and are brave and right to take the stand they have. I completely understand their concerns, many I share. I am sorry many of the truckers had lost their job over not vaccinating. That makes no sense what so ever. The science has long been available yet censored. It is because of the convoy that the world has seen clearly the deception of our PM JT, and has moved the covid mandates to a world wide discussion. At least shown on news channels with integrity, not MSM.	2/20/2022 5:00 PM
5638	Gave me hope for positive change	2/20/2022 5:00 PM
5639	The trucking convoy has given me hope	2/20/2022 5:00 PM
5640	Gave me inspiration	2/20/2022 5:00 PM
5641	They have defended our liberties and have not been heard.	2/20/2022 4:59 PM
5642	Brought hope that these mandates would lifted.	2/20/2022 4:59 PM
5643	It is embarassing on the world political stage. It makes me very upset that people are using their children as human shields. I support the right to protest but this is taking it too far. I also do not understand why authorities did not take action earlier.	2/20/2022 4:59 PM
5644	For the positive. Brought our family hope for a normal life again.	2/20/2022 4:59 PM
5645	I respect them and I'm hoping they can make a positive change.	2/20/2022 4:59 PM
5646	it has t	2/20/2022 4:59 PM
5647	Yes very sickening to watch these government thugs deal with protesters	2/20/2022 4:59 PM
5648	It has help me communicate the media biases, via live feeds	2/20/2022 4:59 PM
5649	Hasnt	2/20/2022 4:59 PM
5650	No impact to me other than a hope that one day soon we will have freedom. The response from the authorities has shined a new light. I have a difficulties trusting our government and law enforcement. My parents made huge sacrifices - coming from another country to raise us in Canada. I'm beginning to think it may have not been worth it.	2/20/2022 4:59 PM
5651	Gave me hope	2/20/2022 4:59 PM
5652	Positively	2/20/2022 4:59 PM

Canadians vote on Canadian Mandate - February 2022

5653	Gave me hope that the individual voice can make a difference.	2/20/2022 4:59 PM
5654	It has impacted me in such a cool amazing way knowing and being a part of something like that makes me proud of the true Canadians and freedom lovers all over the world. I actually went to a couple rallies and I haven't been so proud of myself and so many others in such a long time because it is time to take the mandates down it is time to give us our rights back because we deserve them I should not have to get jabbed so I can go onto restaurant or go enjoy a movie with my friends	2/20/2022 4:59 PM
5655	It hasn't, makes me proud!	2/20/2022 4:59 PM
5656	Gave me hope for the first time in 2 years and the government systematically destroyed that hope but we will get it back.	2/20/2022 4:59 PM
5657	Made me realize that there are others that believe the way I do and that they are sick of being push around by a lying, backstabbing leader	2/20/2022 4:59 PM
5658	With hope there is a end	2/20/2022 4:58 PM
5659	It's brought me hope after 2 years	2/20/2022 4:58 PM
5660	Given hope that Canada might actually become a country of freedom again.	2/20/2022 4:58 PM
5661	Gives me hope and feel blessed there are many more people that are on the same side	2/20/2022 4:58 PM
5662	Gave me hope!!!	2/20/2022 4:58 PM
5663	Caused a spark of hope & created new connections to be able to talk to	2/20/2022 4:58 PM
5664	It has led me to think about what I can do to stand for my freedom and the freedom of my family.	2/20/2022 4:58 PM
5665	Nice to see people united in something again, and wanting to get back to normal. Nothing I'm the last 2 years has been "normal"	2/20/2022 4:58 PM
5666	It inspired me. Created unity like I've never seen before. Showed how disgusting and incompetent Trudeau is as a leader and he needs to be removed.	2/20/2022 4:58 PM
5667	The incredible division and binary it has created is terrible for Canadians. People can't seem to see another's perspective or calculate risk.	2/20/2022 4:58 PM
5668	It hasn't affected directly, as from the point that it looks as though it made the government take action to finally remove restrictions.	2/20/2022 4:58 PM
5669	At first I was for the freedoms they were fighting for but I didn't agree with all the noise and disrupting peoples lives. It is hard to know what news is true these days.	2/20/2022 4:58 PM
5670	Giving us our freedom back	2/20/2022 4:58 PM
5671	It hasn't.	2/20/2022 4:58 PM
5672	Not Applicable, did not go there, I have mixed emotions.	2/20/2022 4:58 PM
5673	Given us hope for freedom from Government control, and our made us cherish our constitutional rights that are being stripped from us	2/20/2022 4:58 PM
5674	It has given me hope and to make a difference by continuing to practice civil disobedience.	2/20/2022 4:57 PM
5675	Absolutely no way at all! It's made me happy to be Canadian again	2/20/2022 4:57 PM
5676	10/10	2/20/2022 4:57 PM
5677	It hasn't affected my life directly but I'm sad to see how the government deals with peaceful protesters over and over again. I'm afraid more people will not trust their government in the future and the negative consequences and potential instability as a result.	2/20/2022 4:57 PM
5678	In a very positive way. It has given me and my family hope.	2/20/2022 4:57 PM
5679	it is encouraging to see how many Canadians also believe that the government has gone above and beyond what they are allowed to do and need to be stopped	2/20/2022 4:57 PM
5680	Not at all	2/20/2022 4:57 PM

Canadians vote on Canadian Mandate - February 2022

5681	My library is a downtown branch so we have been closed for more than three weeks now, because the convoy has made it unsafe for the branch to open. I have had to commute an hour each way to get to the branch where I have been redeployed. My staff are upset, anxious, and afraid. Some of them live downtown and have been afraid to go outside for fear of being harassed by protesters. My library customers have not been able to use our library. Also, a number of my customers sleep and eat at the homeless shelter that protesters broke into and stole from. This convoy claims to be about freedom, but it has had the opposite affect on my staff, my customers, and myself. Our mental and physical health has suffered, we have felt fearful and unsafe, and we have been displaced from our place of work, and even our homes, in some cases. This occupation of my city has been one of the most horrific, upsetting, and traumatizing experiences I have ever lived through. It was way worse than the pandemic. I am ashamed to live in a country where people think it is okay to occupy a city, assault its citizens, wave Nazi flags, joyfully proclaim their white supremacist beliefs, steal food from the homeless, desecrate national monuments, and use their own children as human shields. This so called protest was an international embarrassment, as well as personally devastating for me, and I don't know how long it will take me to recover from it.	2/20/2022 4:57 PM
5682	It has been the single most uplifting event this country has seen in over 2 years ! I wish them nothing but good things and positive results !!	2/20/2022 4:57 PM
5683	Given hope, exposed lies of media and Prime Minister, restored belief and small people can do big things	2/20/2022 4:57 PM
5684	Gutted my faith in federal government's ability to lead.	2/20/2022 4:57 PM
5685	It has given courage to many to speak their opinion peacefully.	2/20/2022 4:57 PM
5686	Made me proud to be Canadian and fight for our freedom	2/20/2022 4:56 PM
5687	It has been a source of hope. It has given us a sense of community and validation.	2/20/2022 4:56 PM
5688	It bought me hope. Showed me I'm not alone in my feelings. That we are all done. That we haven't been heard in the country we have support all our lives	2/20/2022 4:56 PM
5689	It hasn't, it's actually given me hope	2/20/2022 4:56 PM
5690	1) all 3 of my athlete kids cannot play hockey due to mandates, affecting their mental health 2) mental health decline in my girls (now 13 & 17) - with all the restrictions on gatherings, lockdowns, masks etc 3) gyms not accessible without shots 4) after 21 years of service in the federal government, I am on leave without pay - even though I telework 100% of the time and have blood tests proving I already have Covid Antibodies/natural immunity. 4) friendships strained because I don't have shots and looked upon as mean for not getting my kids the shots to play hockey. Financial and mental strain all around	2/20/2022 4:56 PM
5691	It helped me believe in our country and man kind again	2/20/2022 4:56 PM
5692	The convoy and its many consequences have been embarrassing and stressful. I look forward to the end of it and that there is justice to those who harmed Ottawa residents (and others), did damage, expressed hate, interrupted trade, etc.	2/20/2022 4:56 PM
5693	It hasn't	2/20/2022 4:56 PM
5694	Finally somebody is standing up for our rights and freedoms I am so happy these people are brave enough. They bring people hope. I stand behind them 100%. Trudeau's tyrannical government has to go.	2/20/2022 4:56 PM

5705	Has given me hope that one day we will be able to live our lives again!	2/20/2022 4:55 PM
5706	For once since I was in the Essex and Kent Scottish Regiment I felt a unity of a freedom cry for so many in the great Country that have not felt in a very long time, the sad part is how our Prime Minister would not even meet with them and then basically called the terrorist because they do not agree with his outlook on thing, shame on him and his bought media for portraying such a picture.	2/20/2022 4:55 PM
5707	Gives me hope that this madness of miss use of power will end	2/20/2022 4:55 PM

5727	Gives me hope	2/20/2022 4:53 PM
5728	Split in friendship	2/20/2022 4:53 PM
5729	It has made me see Unity and love in Canada. It has boosted my hopes a little bit in life and Liberty. Prime minister Justin Trudeau's horrific actions against them have made me feel even less free and more scared than he already has	2/20/2022 4:53 PM
5730	It has highlighted the need for better medical education and a mandatory retirement age for all professions.	2/20/2022 4:53 PM
5731	Our daughter lives in Ottawa and has been impacted by road closures. I definitely see a division between those that support it & those that don't. There is a lot of hostility on both sides. The right wing rhetoric talking points, "Trumpism's", was alive and well at the occupation	2/20/2022 4:52 PM

from what I saw on live TV this weekend. I think all of this has done a lot of damage to our country.

5732	Gave me hope and now that's gone too	2/20/2022 4:52 PM

5764	They are fighting to keep our human rights and freedoms. I wish I could be there.	2/20/2022 4:50 PM
5765	Not at all I'm happy to see someone fighting for our roghts that should never be ignored. That's the fundamental things Xanada was built on.	2/20/2022 4:50 PM
5766	Given hope	2/20/2022 4:50 PM
5767	Hopeful	2/20/2022 4:49 PM
5768	Ruined it. They bully me.	2/20/2022 4:49 PM
5769	It hasn't. I completely agree with what they are doing and support then 100%!	2/20/2022 4:49 PM
5770	All in a positive way. They are standing up to a corrupt prime minister.	2/20/2022 4:49 PM
5771	Truckers gave me hope that Canada is not lost to tyranny! We went and saw in person the love, patriotism, and families telling each other they have hope again!	2/20/2022 4:49 PM
5772	The concerns that the convoy is bringing to the forefront of Canadians minds has been a long time coming. The convoy is asking all Canadian citizens to get their heads out of the sand and think for themselves. I have spent the last 50 years of my life fighting the government in on form or another and now I know I am not alone.	2/20/2022 4:49 PM
5773	It's given us hope that weren't alone in our quest for our freedoms back so we can make our own choice on what we do with our bodies.	2/20/2022 4:49 PM
5774	It has made me extremely upset with the Prime Minister. The nerve of him not meeting with the truckers !	2/20/2022 4:49 PM
5775	A lot, because our bussiness. But it is nessesary to wake up the sheep. We do not want to repeat history. Cuba, North Korea, China, Venesuela, right now and the history in Germany / Europe. I know where our Grandparent and Parents went thru. I pass for that. I WILL FIGHT FOR OUR KIDS AND GRANDCHILDREN to live in a free world. FREEDOM!!!!!! Government is paid by the peolpe. Should talk with the peole to find a solution. Not the other way around. Same with police, they are there to protect the people. Not to harras peacefull protesters.	2/20/2022 4:49 PM
5776	Gave us hope	2/20/2022 4:49 PM
5777	Gave me hope that not all Canadians are a bunch of spineless wimps after all.	2/20/2022 4:49 PM
5778	Hasn't ive supported the people able to fight for our freedoms	2/20/2022 4:49 PM
5779	Hope for a better future...	2/20/2022 4:49 PM
5780	It has brought me hope	2/20/2022 4:49 PM
5781	Positively. Gave me pride, hope and a sense of unity. It is a spectacular show of courage and conviction.	2/20/2022 4:49 PM
5782	It has given me hope & reinstated my faith in Canadians. It has brought us together.	2/20/2022 4:49 PM
5783	Gave me hope for a better future	2/20/2022 4:49 PM
5784	It gave hope to a better future.	2/20/2022 4:49 PM
5785	It gave me hope and for the first time in two years I was proud again to be Canadian	2/20/2022 4:49 PM
5786	It has opened my eyes as to how selfish and short-sighted the conservatives are in this country. Throughout the duration of the convoy they have expressed to the rest (majority) of Canadians that they only care about their own "freedoms" and not those of others. They have shown that they do not care about Canadians that are not fortunate enough to have a strong enough immune system to risk exposing themselves to COVID. They have shown that they do not care about the workers and business owners that have been affected by the border blockades and occupations of Ottawa. There are processes that can be used to bring your concerns to parliament. The MPs in parliament are the representation of the people of Canada. Contact your MP and have them bring up your concerns in the house of commons. Petitions can be submitted directly to the house of commons, only 500 signatures are required for the petition to be tabled in the house of commons. If a significant portion of Canadians shared the views of the convoy, and a petition was signed as such, then parliament would have to take action. If the government did not take action after efforts had been made through the proper channels, and a petition proves that a significant portion of Canadians supported the cause,	2/20/2022 4:48 PM

then protest. If all of the convoy protestors had spent time going door to door getting petitions signed, rather than being a nuisance to the residents of Ottawa and cutting off economic supply lines at border crossings, they may have realized that only a small minority actually support their views.

5787	This started as a truckers convey but has been taken over by extremists	2/20/2022 4:48 PM
5788	It has been difficult to get supplies at work. I have watched in horror as they have taken over a city and tortured the citizens in Ottawa with their noise. That is not what it means to be Canadian!	2/20/2022 4:48 PM
5789	It has given me hope!	2/20/2022 4:48 PM
5790	It has not	2/20/2022 4:48 PM
5791	Inspirational	2/20/2022 4:48 PM
5792	Giving me hope that there are others who want freedom	2/20/2022 4:48 PM
5793	It restored my faith in humanity and showed that when people come together in love to stand behind a cause that they believe in (freedom) and to stand against tyranny, hatred and division, they can have an impact. It also helped my to see that I am not alone in how I'm feeling.	2/20/2022 4:48 PM
5794	I feel like we are being heard. We are the people of Canada and we are free	2/20/2022 4:48 PM
5795	Made me believe in the people of Canada again.	2/20/2022 4:48 PM
5796	It has given me hope that governments will see that lots of people see mandates as an infringement of our individual rights and freedoms. The world has to learn to live with this virus as we have with many other viruses in the past.	2/20/2022 4:48 PM
5797	It's given me hope. Hope I felt was lost forever. Hope that our country can come together again in unity and love instead of the liberal divisive hate rhetoric. Hope for freedom and peace. Watching Justin Trudeau have blatant disregard for the wishes and worries of the people he governs has only made him look worse. He could have ended the blockages peacefully and without injury to anyone if he would have just listened like so many other country's leaders are doing.. end the mandates. But he has instead invoked the emergencies act for an "emergency" he caused with his arrogance, pride, and blatant disrespect for his country men.	2/20/2022 4:48 PM
5798	It doesn't cuz I'm I'm not living there but I would like to come back	2/20/2022 4:48 PM
5799	It has given me hope of a better quality of life. Where love, hope and unity still exists	2/20/2022 4:48 PM
5800	It has given our family hope. That there are some people out there actually fighting for us voices lol hi have gone unheard for the past 2 years.	2/20/2022 4:47 PM
5801	It's made me realize Canadians have to stick together. Proud of the convoy	2/20/2022 4:47 PM
5802	Brought me HOPE for the first time in years. I feel like if anything can save us from this madness, it's the convoy movement.	2/20/2022 4:47 PM
5803	No	2/20/2022 4:47 PM
5804	Gave me hope	2/20/2022 4:47 PM
5805	It has limited where in I can go because I live on the border of the red zone.	2/20/2022 4:47 PM
5806	It has given me hope.	2/20/2022 4:47 PM
5807	Not at all	2/20/2022 4:47 PM
5808	Positively. Made me proud that people are waking up and are willing to protect our freedom.	2/20/2022 4:47 PM
5809	Gave me hope to get back to a normal life salute the convoy freedom	2/20/2022 4:47 PM
5810	It has given hope to me	2/20/2022 4:47 PM
5811	Brought hope	2/20/2022 4:47 PM
5812	It gave me hope for the first time in 2 years that I could be free once again and regain my status as a human being.	2/20/2022 4:47 PM
5813	Not at all	2/20/2022 4:47 PM

Canadians vote on Canadian Mandate - February 2022

5814	It gave me hope.	2/20/2022 4:46 PM
5815	Made me feel empowered. Wouldn't care if no goods on shelves if it meant lifting mandates.	2/20/2022 4:46 PM
5816	I support them!	2/20/2022 4:46 PM
5817	As a resident of Ottawa, I have not been affected at all	2/20/2022 4:46 PM
5818	Made me proud	2/20/2022 4:46 PM
5819	It's completely occupied both social media and traditional media and added to the discord between those in favour and those against the mandates.	2/20/2022 4:46 PM
5820	Provided a glimmer of hope that dictatorial decisions may change.	2/20/2022 4:46 PM
5821	It has given me hope for love to be restored in our country and our freedoms to be available again.	2/20/2022 4:45 PM
5822	Hope.	2/20/2022 4:45 PM
5823	They have given me hope.	2/20/2022 4:45 PM
5824	They haven't accept for showing me how easy people can be manipulated and that bias is very alive unfortunately in Canada. The fact that a small group of people feel that they have the "right" to talk for everyone and have no idea at all what they are talking about is dumbfounded.	2/20/2022 4:45 PM
5825	It has affected my life positivity. It has giving me and my family hope that this will finally end!	2/20/2022 4:45 PM
5826	Inspired and proud to be Canadian again	2/20/2022 4:45 PM
5827	The truckers and other who have joined in to peacefully represent all of us and want to speak out to regain our freedoms back and have us make up our own choices and to have a life for our children that is NOT in a dictatorship. They have ALL been there for us that could not be.	2/20/2022 4:45 PM
5828	It gave me hope	2/20/2022 4:45 PM
5829	It has brought me hope that Im not alone in my struggles	2/20/2022 4:45 PM
5830	I feel proud! I feel this has brought our country together, and given a voice to its people again! Every day I send messages of support and positivity to the freedom truckers! I share this information with as many people I can, and I feel a powerful surge in positivity from friends and family! They are giving Canadians hope again!	2/20/2022 4:45 PM
5831	I was SO PROUD IF THEM!!! Fighting for OUR FREEDOMS!! GOD BLESS THEM & GUIDE & PROTECT THEM! GOD IS IN CONTROL OF ALL OF THIS! WAKE UP CANADIANS!	2/20/2022 4:45 PM
5832	It hasnt	2/20/2022 4:45 PM
5833	Hasnt yet	2/20/2022 4:45 PM
5834	It had proven we are not alone in wanting the mandates to end.	2/20/2022 4:45 PM
5835	It has brought awareness to everyone who has been thinking that what is going on is for our own good. This has never been about our health.	2/20/2022 4:44 PM
5836	The trucking convoy gave me hope. I support it because I want the mandates to end equally for all Canadians. That's it plain and simple.	2/20/2022 4:44 PM
5837	Positive	2/20/2022 4:44 PM
5838	It has given Hope for a better future	2/20/2022 4:44 PM
5839	Ending our mandates	2/20/2022 4:44 PM
5840	Exciting	2/20/2022 4:44 PM
5841	It hasn't.	2/20/2022 4:44 PM
5842	It's been hard to watch people who were heroes a few months ago now treated so badly	2/20/2022 4:44 PM
5843	At first I wasn't on board as there were some unsavoury people leading this group, As the group started getting closer to Ottawa the government in power true colours started to show "No longer is a Canadian a Canadian a Canadian" This really started to create a divided. Now	2/20/2022 4:44 PM

Canadians vote on Canadian Mandate - February 2022

all the name calling towards the Convoy only caused a fuse to be lit, And regular Canadians by the thousands have now entered into protest across Canada. How has this effected my life. Loss of Trust with the ruling Government.

5844	Has given me hope	2/20/2022 4:44 PM
5845	Opened my eyes to something bigger happening	2/20/2022 4:44 PM
5846	X	2/20/2022 4:44 PM
5847	Brought in a ray of sunshine and hope	2/20/2022 4:44 PM
5848	I am upset with our Government how they can treat these truckers that put food on there table daily and totally be upset when they just want there freedom back in our country. It's very disappointing to know how Canadians are being treated. I and my family want this to end immediately:)	2/20/2022 4:44 PM
5849	It has made me both proud to be a working class Canadian, and at the same time ashamed of our government!	2/20/2022 4:44 PM
5850	No	2/20/2022 4:44 PM
5851	It has reignited hope, hope in humanity to wake up and see the excessive government overreach, from municipal, provincial and federal bodies. All have been a part of slowly handicapping the people's choices, businesses, and our children. The convoy has reignited hope that there are alot more (I think a majority of Canadians) that agree that the government's need to be reigned in and brought back from their ivory towers to realize they serve the citizens.	2/20/2022 4:43 PM
5852	It's given me a returning pride to be a Canadian and see peaceful and family oriented protests to stand up for our lost freedoms.... That we're only going to be 2 weeks long!!.... Not 2 years!! I say God bless the sacrifices they have made to physically do this!	2/20/2022 4:43 PM
5853	I've stood up for what I believe in. Lost friends and many some family. Earned new friends. Earned a hope left for our country. I found more pride than any where else in the last 2 years.	2/20/2022 4:43 PM
5854	They are a bunch of over grown cry babies. Made me embarrassed to be from Canada	2/20/2022 4:43 PM
5855	Gives me hope	2/20/2022 4:43 PM
5856	Giving hope that life will return to normal. No mandates or restrictions. Make our country free again and hope for a future to all Canadians to be free.	2/20/2022 4:43 PM
5857	It has given me hope that hasn't been there in 2 years	2/20/2022 4:43 PM
5858	It has made me realize that it only takes a few courageous enough to stand up for people. And that what we once took for granted can so easily be taken away unless we stay vigilant.	2/20/2022 4:43 PM
5859	The Truckers have given the average Canadian a voice in all this madness. Mandate protests are nationwide and not just about the Truckers. This is a fight to preserve our freedoms as Canadians.	2/20/2022 4:43 PM
5860	Given Me hope for ending mandates	2/20/2022 4:43 PM
5861	Hope. Finally a group with sway and staying power has the attention of the federal government. But I am filled with sadness to see how Trudeau is vilifying them, when he never did to any protest in the past! lthe convoy has exposed that he is power hungry and not for us all.	2/20/2022 4:43 PM
5862	It gave me hope that I won't be forced to get the third vaccine in order to work	2/20/2022 4:42 PM
5863	Show's hope for Canadian's	2/20/2022 4:42 PM
5864	THEY'VE GIVEN ME HOPE	2/20/2022 4:42 PM

5869	the freedom and human right need to be heard and actioned toward all canadian citizens. we should be convinced not being told to do by somebody.	2/20/2022 4:42 PM
5870	It is not directly affected me. However, I support truckers and businesses whose livelihoods have Been interrupted by road and border closures.	2/20/2022 4:42 PM
5871	I am proud of them for standing up for their beliefs	2/20/2022 4:42 PM
5872	Given us hope to take our lives back	2/20/2022 4:42 PM
5873	Positively. Nice to see Canadians from from all sides of the isle come together in unity to protect people's rights and to remind our government who they work for.	2/20/2022 4:42 PM
5874	Not at all — yet	2/20/2022 4:42 PM
5875	Shown how a peaceful protest will not be tolerated by our so called democratic process	2/20/2022 4:42 PM
5876	It has given me hope. So proud of fellow Canadians for standing up for our freedom	2/20/2022 4:41 PM
5877	Gave me hope to have mandates end	2/20/2022 4:41 PM
5878	It has given me some hope of a normal life again	2/20/2022 4:41 PM
5879	It's brought me to be able to get out of the house and meet amazing people. I have never cried so much happy tears in years! I can't thank them enough	2/20/2022 4:41 PM
5880	It has given me hope	2/20/2022 4:41 PM
5881	They got some of the provincial mandates lifted and have been a great beacon of hope, mental health, sanity, freedom, and common sense to myself, Canada, and the world	2/20/2022 4:41 PM
5882	The are fighting for freedom for all Canadians!!100%	2/20/2022 4:41 PM
5883	Divisive from a family member.	2/20/2022 4:41 PM
5884	I support them Brought unity	2/20/2022 4:41 PM
5885	Its uplifted all cdns with a brain and has united us as one ppl against tyranny	2/20/2022 4:41 PM
5886	Gave me hope that everyone could be reared equally	2/20/2022 4:41 PM
5887	It hasn't. They are fighting for our freedoms when we have been let down by whom was supposed to be our leader, somebody we are supposed to trust.	2/20/2022 4:41 PM
5888	Hope	2/20/2022 4:41 PM
5889	The timing of that mandate was really stupid. An essential service two years into the pandemic and to slam them with that. Not cool.	2/20/2022 4:41 PM
5890	Gave me hope	2/20/2022 4:41 PM
5891	It gave me hope that these tyrannical mandates would end. Finally people standing up to say ENOUGH	2/20/2022 4:41 PM
5892	It brought hope that there may be a way to democratically change our nation via grassroots lobbying/protesting and viable proof that the COVID narrative is completely false, as no COVID cases are being talked about in Ottawa.	2/20/2022 4:41 PM
5893	It Gave me hope that that our country is not totally screwed.	2/20/2022 4:41 PM
5894	It's heart wrenching to see how the Prime Minister of Canada has been handling the trucking convoy by ignoring them, not sitting down with them to try and come to a peaceful solution to this problem. He calls them terrible names like a child would instead of behaving like an intelligent human being and a real leader. He is their Prime Minister too. Instead he resorts to violence and sends in troops to physically hurt them and the supportive protesters, take away the truckers livelihood by freezing their bank accounts and takes away their licenses to drive their trucks anymore. Freezes the bank accounts of people supporting this cause because these mandates affect all Canadians not just the truckers. People are saying they're not happy with these mandates. It's ruining their lives and they don't want the government to have this kind of control over their lives. They want their freedoms back! I am very stressed having to witness all this going on in our country. It makes me feel depressed and hopeless to see how our Canadian government is taking away our freedom and behaving in such a tyrannical way. I	2/20/2022 4:40 PM

see our country becoming communistic and fearing that we Canadians have no way of stopping it. It is terrifying actually.

5895	Opened my eyes to new depths re the way our gov't operates. Filled me with admiration for the courage, love and dedication of fellow Canadians !	2/20/2022 4:40 PM
5896	It's encouraging. I've never seen such love and kindness	2/20/2022 4:40 PM
5897	Hasn't	2/20/2022 4:40 PM
5898	Has given hope that something rught is going to happen	2/20/2022 4:40 PM
5899	A sign of hope... now squashed☹️	2/20/2022 4:40 PM
5900	Give me hope for freedom	2/20/2022 4:40 PM
5901	Completely mentally disturbed my life after seeing what our Canadian police did to there Canadian citizens. Like i said above we may as well as lol out selves peacefully now instead of being shot in from of a firing squad of your own fellow Canadians.	2/20/2022 4:40 PM
5902	The trucking convoy has given me hope. That I am not alone in what I feel as far as all these restrictions. We finally have a date in place as to when these restrictions will now be lifted.	2/20/2022 4:40 PM
5903	Brought hope to my life for the ending of all mandates	2/20/2022 4:40 PM
5904	The trucking convoy has brought myself and my family some hope.	2/20/2022 4:40 PM
5905	Given me and my family hope for the future of Canada	2/20/2022 4:40 PM
5906	Hope	2/20/2022 4:40 PM
5907	It has not affected me.	2/20/2022 4:39 PM
5908	Gave me hope	2/20/2022 4:39 PM
5909	Provided hope and encouragement that a soon to be dictatorship government will not take shape. We are a democracy yet our PM wishes to have full control and make medical, political and social decisions for every citizen without any educational/scientific guiding or right to do so. His words are hateful and unprofessional, his actions are unlawful and he exemplifies behaviour of a toddler not getting his way. Very shameful! The convoy called him out, asked to be heard and he refused. The world can see it all. Everyone knows what kind of human being he is and how dangerous he has become.	2/20/2022 4:39 PM
5910	It's only helped it by showing how many more like minded folks their are in Canada to end mandates	2/20/2022 4:39 PM
5911	I live in BC so no direct impact other than frustration at people confusing privilege with freedoms	2/20/2022 4:39 PM
5912	Not at All	2/20/2022 4:39 PM
5913	It has bright the only hope in two years of getting or rights and freedoms back that should have never been in jeopardy. They are HEROES to CANADA.	2/20/2022 4:39 PM
5914	It's been a good push to let the useless government know how Canadians feel	2/20/2022 4:39 PM
5915	made me proud to be Canadian again	2/20/2022 4:39 PM
5916	It hasn't other than the fact that provinces are lifting restrictions which is helping a lot to have a normal life again	2/20/2022 4:38 PM
5917	This has brought me hope that Canadians still have a common ground and a desire to stand up for what they believe. It has shown how the media subjects us all to lies.	2/20/2022 4:38 PM
5918	It has shown a unity in Canada that is amazing. Our government could have avoided the convoy by meeting with the people and listening instead of name calling and ignoring the people that put them in government office in the first place.	2/20/2022 4:38 PM
5919	It has given me hope, and respect for these people who are standing up for their rights and freedom.	2/20/2022 4:38 PM
5920	I got my inspiration back. Best 3 weeks of my life.	2/20/2022 4:38 PM

Canadians vote on Canadian Mandate - February 2022

5921	Gave me hope, I realized I am not alone with what I see. Made me so proud of Canada. Brought me to tears .	2/20/2022 4:38 PM
5922	Felt hopeful and proud to see others standing up. Felt inspired and encouraged that there was still right in this world. Content to have seen it spread to other countries who also have sympathized with our suffering.	2/20/2022 4:38 PM
5923	Alive and motivated	2/20/2022 4:38 PM
5924	Gave me hope	2/20/2022 4:38 PM
5925	Exposing the government	2/20/2022 4:37 PM
5926	Possibly saved it.	2/20/2022 4:37 PM
5927	Fully support them as they fight for freedom for all of us.	2/20/2022 4:37 PM
5928	It has given me new faith in humanity and I am hopeful that Canadians see that the government can not force Canadians to do what they want for their own political gain	2/20/2022 4:37 PM
5929	It hasn't affected it. I saw the convoy as the logical conclusion of two years of government overreach.	2/20/2022 4:37 PM
5930	I have felt so much pride and unity watching on NON main-stream media. I felt proud to be Canadian again - never had I felt that before. I feel like that has been taken away now because of bringing in the emergency act - which is completely uncalled for.	2/20/2022 4:37 PM
5931	It's been a breath of fresh air! An uplifting message of HOPE. Someone had to stand against such medical tyranny. Imagine being forced to take an experimental inoculation in order to put food on the table for your family... mean while you're convicted not to take it and hearing about all the terrible vaccines injuries and deaths occurring from these new and experimental MRNA jabs. This convoy has brought morale back to many Canadians	2/20/2022 4:37 PM
5932	Positively. Has given me a hope that people are starting to rise up and not give up their Charter rights and freedoms.	2/20/2022 4:37 PM
5933	They are an embarrassment to our country. I flinch now when I see a Canadian flag, as it's been appropriated into a symbol of stupidity and hate by the convoy. You don't like the prime minister? Figure out a way to vote him out then. You can't just park your ass in the middle of the street and cry about it. Shame on them.	2/20/2022 4:37 PM
5934	It has given me so much encouragement, this trucking convoy has given a voice to so many of us who felt like we did not have a voice, to see people uniting together, being kind and supportive of one another, having the courage to speak up for human rights and being treated as human beings, instead of the divisive rhetoric of blaming and shaming unvaccinated people perpetrated by the government. I also feel a sense of pride that, from the humble beginnings of Canadian truckers doing this act of courage, it has spawned a global movement to voice dissent against unethical violations of rights.	2/20/2022 4:37 PM
5935	The trucking convoy came at a time when enough is enough of these mandates after two years and no sign off it stopping. All the people of Canada have to keep standing to have these unlawful mandates thrown out. We are done with the dictator leading and power control of the prime minister. He needs to step down now. Canada is a free nation. Government officials need to wake up and stand with the people of Canada to vote for freedom and not allow any leader to turn our nation into a communist country.	2/20/2022 4:37 PM
5936	It gives hope.	2/20/2022 4:37 PM
5937	I'm in Saskatoon. So very little. But have seen the true colours of our PM and they are the darkest colours I have even seen:(2/20/2022 4:36 PM
5938	They help us a lot me and my son and his family it gave me hope and now I feel that I'm not alone they put peace in my soul and to my son too we are so proud of them and we owe them so much	2/20/2022 4:36 PM
5939	Didn't affect	2/20/2022 4:36 PM
5940	It shows how passed off people are with our corrupt government !	2/20/2022 4:36 PM
5941	Brought up the spirit of people	2/20/2022 4:36 PM

5942	Encouraging to see people ask hard questions	2/20/2022 4:36 PM
5943	I've been encouraged by them willing to lay down there lives for something....all of us.	2/20/2022 4:36 PM
5944	Not at all	2/20/2022 4:36 PM
5945	WE SUPPORT THEM AND RESPECT WHAT THEY ARE DOING FOR OUR FREEDOM!!	2/20/2022 4:36 PM
5946	It has given me hope to see not only the Convoy but the Unity of Canadians and the support World Wide to end the Tyranical over reach of this government at the Federal/Provincial levels. They work for the people, they do not own us! We pay them and vote them in(Not to destroy our economy, our lives. This is no longer about Truckers, its about Canadians Democracy! I want Trudeau out of our country!	2/20/2022 4:36 PM
5947	Brought tears to my eyes to watch Canadians come together after so many years off divisiveness. Gives me hope for our future	2/20/2022 4:36 PM
5948	It has been very stressful as my 19 year old daughter lives in Ottawa, has friends who've witnessed people being assaulted because they were wearing masks and she saw a truck with a swastika drive down her street. I am a grandchild of the Holocaust. She should not have to see such a thing.	2/20/2022 4:36 PM
5949	Caused family feuds. Made me realize how much i value freedoms of all kinds. Sick to my stomach at all the hatred spewed by those against the truckers. So enjoyed being around those fighting for freedom with the truckets. The joy, party feeling inclusiveness and love from these people renewed my trust in mankind.	2/20/2022 4:36 PM
5950	Gave ma hope	2/20/2022 4:35 PM
5951	Made me feel hopeful and proud to be Canadian.	2/20/2022 4:35 PM

5954	Given me hope	2/20/2022 4:35 PM
5955	Hope that things will change. And mandates will end.	2/20/2022 4:35 PM
5956	Wonderfully. Has made me feel proud to be Canadian again, spread joy across many people around us, and is the tool of a revival God is using for a mass wake up call. Very exciting!	2/20/2022 4:35 PM
5957	Gave me hope	2/20/2022 4:35 PM
5958	proud of them for taking a stand for all Canadians!	2/20/2022 4:35 PM
5959	It gave me hope.	2/20/2022 4:35 PM
5960	hope ,love, faith in humanity	2/20/2022 4:35 PM
5961	It has made me inspired again and felt free to finally voice my opinions on everything covid. It has exposed the media biased and I am shocked and appalled at the slanted views and the tyranny/rhetoric from this government. The convoy is successfully exposing all the corruption by providing invaluable feeds. Freedom should not have to be fought for in this country provoked by authoritarian measures	2/20/2022 4:35 PM
5962	No way	2/20/2022 4:35 PM
5963	Has given hope and brought people together	2/20/2022 4:35 PM
5964	Given me a heck of a lot of hope. They are brave. I feel horrible that the PM has been avoiding talks, becoming tyrannical and a dictator. This is wrong and uncalled for. The virus was handled wrong from the beginning around the whole world. Many died for no reason. I'm upset about a lot of things being mishandled in Canada.	2/20/2022 4:35 PM
5965	It hasn't	2/20/2022 4:35 PM
5966	It has given me hope!	2/20/2022 4:35 PM
5967	Positively. Given the country hope	2/20/2022 4:35 PM

inspired in my soul was palpable. The people were HAPPY in ways not seen in two whole years.

5969	We all need freedom	2/20/2022 4:35 PM
5970	In a positive way instilles the feeling of freedom	2/20/2022 4:34 PM
5971	Restores pride and honour that Canadians are banding together in a union based on beliefs and our rights within the constitution! Which all deserve and should not have had to go to great lengths with the prime minister of Canada ! In my opinion he should be removed as he is not acting or even responding to the concerns of the people of Canada. ♥	2/20/2022 4:34 PM
5972	Positively. Provided a glimmer of hope to my life that this Insanity will end.	2/20/2022 4:34 PM
5973	Embarrassed our country	2/20/2022 4:34 PM
5974	It has given me Hope. I know I'm not alone, that Canadian's everywhere stand for all reasons in Unity for our freedom	2/20/2022 4:34 PM

5977	Hopeful something will change	2/20/2022 4:34 PM

5979	Not at all.	2/20/2022 4:34 PM
5980	Taking my countries capital hostage, making us a laughing stock. You have freedoms, go to north Korea if you think you don't	2/20/2022 4:34 PM

5985	Never. FREEDOM	2/20/2022 4:33 PM
5986	Observing supporters/participants has shown me who all the racist and privileged people are in my life and demonstrated to me how selfish Canadian who have tons of freedom can be when left unchecked	2/20/2022 4:33 PM
5987	It has given me hope that Canada is finally waking up and uniting against this government overreach.	2/20/2022 4:33 PM

5992	It rocks !	2/20/2022 4:32 PM
5993	It hasn't	2/20/2022 4:32 PM
5994	It hasn't really but I support their cause	2/20/2022 4:32 PM
5995	It has brought me to tears seeing all the people unite in love	2/20/2022 4:32 PM
5996	I feel that the convoy has given me hope that we can move pass the restrictions and I hold in high regard the steps being taken by the truckers for all Canadians when it comes to freedom of choice. I am proud to say that I agree with the protest and why they are protesting.	2/20/2022 4:32 PM
5997	It hasn't	2/20/2022 4:32 PM

6000	It has renewed my hope in Canadians ability to come together to fight for our freedoms and expose the corruption within the corporate government and their accomplices, the health agencies, captured media and police departments.	2/20/2022 4:31 PM
6001	They gave me hope.	2/20/2022 4:31 PM
6002	I feel hope for the first time in 2 years. I feel defended and represented by others who are willing to stand for freedom.	2/20/2022 4:31 PM
6003	Given me hope that other Canadians are waking up to the slow strangulation of Canada.	2/20/2022 4:31 PM
6004	It has made me worry for the future of Canadian democracy.	2/20/2022 4:31 PM

6007	It has been loud, blocked the way to businesses, and some members have been threatening violence	2/20/2022 4:31 PM
6008	Made me feel like a Canadian again and gives me hope	2/20/2022 4:31 PM
6009	Finally someone is speaking truth about what we have been forced to do.	2/20/2022 4:31 PM
6010	It hasn't	2/20/2022 4:31 PM
6011	They give me hope that someday we will all reunite again. They are my hero that keep my head above water. They show me smiles again, the love I saw on those video shared was heartwarming I have some many questions that was never answered by our government : update data from all these vaccinations, why are we so much tax when all our taxes was spend on mandates, officers that wasn't needed when all we wanted was to lift the mandates and heal for this past 2 years...were is the data from all the adverse effects?	2/20/2022 4:31 PM
6012	In no way whatsoever, if anything it has brought hope.	2/20/2022 4:31 PM
6013	I think it helped bring everyday normal Canadians together!	2/20/2022 4:31 PM
6014	It has made me very joyful knowing I'm not the only one who feels like these mandates are getting out of hand.	2/20/2022 4:31 PM
6015	I am painfully ashamed that the Canadian flag is being used in this way. I would like to shout 'they do not represent me'. Not one bit.	2/20/2022 4:31 PM
6016	Not at all we need them for freedom	2/20/2022 4:31 PM
6017	It has given me hope, bringing light to the fact that millions of Canadians also believe that mandates and restrictions are wrong and should never be implemented in our country ever again under any circumstance.	2/20/2022 4:30 PM
6018	Given me some hope that my grandkids will enjoy the same freedom I had	2/20/2022 4:30 PM

6020	It for a brief 3 weeks gave me hope however the blatant lies from our prime minister, government officials and media have now taken all hope it seems	2/20/2022 4:30 PM
6021	It caused stress for everyone regardless of their opinion. Why couldn't they have a meeting with the truckers, discuss the pros and cons peacefully and meet in the middle somehow.	2/20/2022 4:30 PM
6022	Gives me hope that this could all end	2/20/2022 4:30 PM
6023	Fuck off	2/20/2022 4:30 PM

6048	Causing grocery store shelves to be empty & higher prices. All because Trudeau sold out Canada. But notated what happens God has the final say.	2/20/2022 4:28 PM
6049	N/A	2/20/2022 4:28 PM

6053	Gave me hope that the world is waking up to some sanity	2/20/2022 4:28 PM
6054	All the people out supporting this movement have given me hop again in Canada. Our prime minister won't protect or listen to the citizens, so the citizens are out trying to get the message heard. I am so proud of all those that are supporting and being a part of this. All truckers and citizens that are now standing up to something, that never should have been taken away in the first place. Those that have been quoting science for the past two years- so glad that there is so much, and so many people, now telling the truth.	2/20/2022 4:27 PM

6066	It has shown me how a fringe minority can cause a great deal of damage to the Canadian economy and to the lives of people in their way. It has shown me the impact of Trumpian politics and right wing religious sects are having on the stability of the Canadian way of life. It has shown how insidious white supremacy is in our police and armed forces in Canada. It has shown how poorly educated and gullible many Canadians are.	2/20/2022 4:27 PM

6087	Given hope	2/20/2022 4:26 PM
6088	They have given a voice to those who have not been heard, those who are in danger of speaking out, either out of fear of domestic abuse, alienation from their community, or fear of losing their jobs.	2/20/2022 4:25 PM
6089	I think they are doing an excellent job. They are showing the rest of Canada how ineffective the Canadian government is	2/20/2022 4:25 PM
6090	it hasnt	2/20/2022 4:25 PM
6091	I watched live stream and videos of The truckers from day one. They made me proud to be a Canadian again. I happy cried daily seeing the love that was shared. When Trudeau put in the emergency order, I saw a government overreach, and I cried for different reasons. The truckers delivered Canada and the world hope! I also became more aware of our government overreach, by watching parliament and police brutality videos. Our PM and media has been lying!! Those I know who live in Ottawa, (employees and clients). Have not been negatively affected by the truckers. A client who lived and worked on parliament hill, was hopeful we would finally see freedom again.	2/20/2022 4:25 PM
6092	Less produce and products in stores. Living in a small town we are limited to fewer places to fill our needs.	2/20/2022 4:25 PM
6093	You see HOPE, Love for each other and the country of Canada. People are helping one another. We are u derstandi g all about PM Trudeau and his ties with World Economic Leaser Klaus Swabb. Eyes opening thanks to convoy. Peace is in Ottawa, it's a beautiful thing	2/20/2022 4:25 PM
6094	No direct impact	2/20/2022 4:25 PM
6095	Gave hope	2/20/2022 4:25 PM
6096	It has given us hope and shown us what love and unity can accomplish. The truckers are heroes. They have brought truth and light and exposed the darkness of what our government has done and what they plan to do. The trucking convoy is waking the world up to see and to know we are fighting against tyranny.	2/20/2022 4:25 PM

6107	It has given me HOPE!!!!	2/20/2022 4:24 PM
6108	It has given me hope that the Canada I know is still there somewhere. I recognize that it has been disruptive to citizens of Ottawa and I am sorry for that, but I don't think it is possible to get the government's attention without some sort of disruption	2/20/2022 4:24 PM
6109	It gave me hope that finally somebody might listen to us.	2/20/2022 4:24 PM
6110	It has had a positive impact so far by getting premier Doug Ford to start acting out for votes and slowly lifting mandates in Ontario	2/20/2022 4:24 PM
6111	Brought me hope that our country isn't lost. Please do what's right.	2/20/2022 4:24 PM

6157	It has given me hope.	2/20/2022 4:20 PM
6158	They've given me what seemed to be impossible... hope	2/20/2022 4:20 PM
6159	Exposed government tyranny.	2/20/2022 4:20 PM
6160	It has given me hope that we can unite and remind the government that they are supposed to work for us, not rule over us. Hope that we can bring positive change and restore our freedoms outlined in the Charter of Rights and Freedoms and the Bill of Rights, many of which have been restricted "temporarily" for two years, or until we get the still experimental vaccine, or whenever government feels like it, if ever.	2/20/2022 4:20 PM
6161	It hasn't. The grocery stores had empty shelves long before the trucker convey commenced.	2/20/2022 4:20 PM
6162	It's been positive to see us come together as Canadians in a PEACEFUL demonstration. If the government would at least put a plan in place with a timeline that would have helped!	2/20/2022 4:20 PM
6163	Only in positive ways, they are giving me hope. People finally fighting for our human rights and freedoms.	2/20/2022 4:20 PM
6164	It has given me hope that maybe we have a shot at getting this tyrannical lifestyle behind us.	2/20/2022 4:20 PM
6165	It has given me hope. The governments actions towards the convoy have been very sad. I am considering leaving Canada after seeing how the government is using excessive and illegal force against peaceful protesters at the freedom convoy. I have been in the tourism business much of my life and was a very patriotic individual who promoted our amazing country. Now it is just so sad and scary to live here.	2/20/2022 4:20 PM

6169	Gave me hope and a feeling of unity and love. Acceptance of diversity because of a common goal for freedom.	2/20/2022 4:19 PM
6170	Stronger desire for provincial autonomy/independence Pride Less anxious	2/20/2022 4:19 PM
6171	Gave us hope for freedom. Showed us that there are still so many good Canadians and that they all know the covid lies the gov and their paid media is spreading. We want to get rid of all the bs and go back to having some trust in our health care system and gov!!!! We have none now!!!	2/20/2022 4:19 PM
6172	Revealing the immaturity of our prime minister in being able handle conflict leading to mistrust in the stability of of our leaders	2/20/2022 4:19 PM
6173	Encouraging and for truth!	2/20/2022 4:19 PM

6174	Given me hope for our country	2/20/2022 4:19 PM
6175	Showed me very clearly the selfishness of those who think their minor inconveniences are more important than the health of all--including the immunocompromised, elderly and children who aren't eligible for vaccinations yet.	2/20/2022 4:19 PM
6176	Amplified divisive and racist rhetoric	2/20/2022 4:19 PM

6184	Positively	2/20/2022 4:18 PM
6185	It gave me so much hope. That all would be over and we could go about our life. Instead of being controlled by the government. This isn't a free country anymore. So sad what the government is doing to the Convoy	2/20/2022 4:18 PM
6186	They gave us hope!	2/20/2022 4:18 PM
6187	It's beneficial to our life's. To have freedom	2/20/2022 4:18 PM

6191	Inspired to stand with them in prayer	2/20/2022 4:18 PM

6193	They have provided me with faith again	2/20/2022 4:18 PM
6194	0	2/20/2022 4:18 PM

6196	Love the truckers & what they represent, fighting for the rights of all of us. Disgusted with media & how disgusted with how they have been treated	2/20/2022 4:18 PM

6198	It has shown me that Canadians have a real sense of patriotic pride and concern for our country .	2/20/2022 4:18 PM
6199	Watching the convoy has made me feel proud to be Canadian again, when I was seriously considering moving to a different country.	2/20/2022 4:18 PM
6200	It hasnt	2/20/2022 4:17 PM
6201	Given me hope of possibly living in a free democratic country again.	2/20/2022 4:17 PM
6202	It gave me hope for change.	2/20/2022 4:17 PM
6203	I just see a bunch of happy people, feeling and spreading the joy and positivity. It isn't about vaxxed, non-vaxxed, masked, non-masked...it's about unity. And I think we needed that right now.	2/20/2022 4:17 PM
6204	It has given me hope in our country and humanity again	2/20/2022 4:17 PM

Canadians vote on Canadian Mandate - February 2022

6205	Hasn't affected my life personally but has made people open their eyes to what's really going on.	2/20/2022 4:17 PM
6206	The convoy gave me hope that others were like-minded and we all wanted an end to the nightmare (that is the controls and restrictions we were under) and learn to live with covid like we live with other illnesses using pharmaceuticals and common sense.	2/20/2022 4:17 PM
6207	Hope	2/20/2022 4:17 PM
6208	Hope	2/20/2022 4:17 PM
6209	It has given me and my family hope	2/20/2022 4:17 PM
6210	It's has brought millions of Canadians together, meanwhile Trudeau trys to pull a fast one on a massive peaceful protesters.	2/20/2022 4:17 PM
6211	It provided space for people to think critically, voice concerns, and ask questions.	2/20/2022 4:17 PM
6212	I had and have high hopes that they will force change, but Trudeau has been an authoritative nightmare in his actions.	2/20/2022 4:17 PM
6213	It gave me hope.	2/20/2022 4:17 PM
6214	Brought hope, Canadians are standing up	2/20/2022 4:16 PM
6215	Positivity, hope, a chance for the future. But we can now see The Canadians that are not blind and that do not watch media that is biased that the government doesn't care about its citizens.	2/20/2022 4:16 PM
6216	Giving us hope. Eye opening to controlling government	2/20/2022 4:16 PM
6217	They were the first REAL protest that happened, for this I am grateful, yet I struggle with protests because they make me sad. When large ones happen it usually means that giant mistakes have been made. I feel it is a bit dangerous to say "I support the Truckers". Maybe I'll end up on some sort of list or something :(Really, I support a peaceful not right-wing "End all mandates" protest. I'm doing my OWN protest. It does align with theirs in some ways, sure. I have friends who are big time supporters of Truckers, and friends who are VERY against the Truckers (but still open to discussion about the mandates themselves) so, in order to keep the civil conversations going I keep a little separation between myself and the word Truckers....I do love some on both sides.	2/20/2022 4:16 PM
6218	It asnt its beautiful to see people reunited living	2/20/2022 4:16 PM
6219	It has proven to me how ignorant people can be, and proved how these people do not care about equity or respect of others.	2/20/2022 4:16 PM
6220	It has highlighted some significant flaws in our society. Canada should be a free country and people should have choice. Watching Justin Trudeau continue to be divisive and derogatory name calling towards hard working citizens, seeing police use violence towards journalists covering the trucking convoy, it's heart breaking watching Canada fall.	2/20/2022 4:16 PM
6221	None , except made me furious about how PM handled them and viewed them in the media	2/20/2022 4:16 PM
6222	Brought Canadian pride	2/20/2022 4:16 PM
6223	Positive. Have not seen so much love and unity in decades. Trudeau has to go, he just has to.	2/20/2022 4:16 PM
6224	It has given me a glimmer of hope finally in this never ending struggle that has caused me more pain then any sickness I have ever had	2/20/2022 4:16 PM
6225	it hasn't	2/20/2022 4:16 PM
6226	Uhhhh it hasn't im not in Ottawa or Alberta,Quebec or anywhere they are but it is inspiring	2/20/2022 4:16 PM
6227	It has not.	2/20/2022 4:16 PM
6228	Given me hope that people will stand up for our rights.	2/20/2022 4:15 PM
6229	Grocery stores have less stock and the costs of food has gone up. But I support the truckers cause as someone has to stand up to a government that is not supporting Canadians needs or validating the research that states the mandates arent needed or effective anymore The issues of the government is now more about Trudeau's ego or disingenuous political views that state they support Canadians yet are contradictory in their actions or tactics to resolve the issues.	2/20/2022 4:15 PM

Canadians vote on Canadian Mandate – February 2022

Trudeau is not willing to amicably resolve the issues. Militant responses will kill Canadians. We are a peaceful society yet he's choosing violent measures to address the issues. This scares the hell out of me

6230	It has created hope in a country that has been abused by satanic dictators. People have seen hope that has been abused for all the years the liberals have controlled parliament. It has definitely revealed the two sides of this fiasco. The government wanted to divide the country to break down any resistance and it has succeeded. How ever there is a new hope. Now that is not the answer because the problem is not political so it can never be solved based on the concepts of man. It is spiritual, which means it has to be dealt with spiritually. God promised judgment if the man He created disobeyed His commandments. Which man has done. There is only one way out of spiritual judgment and that is repentance and confession of your sin. At this point the whole nation is about to face judgment. There is only one solution at this point and God gave us the answer in the bible and it is found in 2 Chronicles 7:13-14. He said "if My people who are called by My name will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, I will forgive their sin, and I will heal their land. "The answer is right there and it is God's promise. The Convoy reminds me of this truth every day.	2/20/2022 4:15 PM
6231	The very scary situation no one wants to see our country go down this way the convoy is after freedom and that's all we're after the whole world is moving on yet Ontario hasn't	2/20/2022 4:15 PM
6232	Hope, this has restored my hope that we can be again a great country. The future for my family and all Canadian family's can be secure to live without fear and restrictions. My faith in humanity has been restored. Humans are not as awful as I had come to be convinced. The love shown by this convoy for all the world is the most beautiful thing I've ever seen.	2/20/2022 4:15 PM
6233	It has given us hope	2/20/2022 4:15 PM
6234	Given me hope and pride in mankind.	2/20/2022 4:15 PM
6235	It has given me hope to know we are not alone in our believes.	2/20/2022 4:15 PM
6236	It has given me hope that this tyrannical government will be held accountable for their actions and I will die knowing I've left this beautiful country for my children and grandchildren as glorious and free, as it's always been. God bless them for making this happen, and showing the world that the people are in charge not the poorly elected officials that are destroying it.	2/20/2022 4:15 PM
6237	Not at all	2/20/2022 4:15 PM
6238	It has given me hope, I no longer believe that I am alone and feel like things can be changed	2/20/2022 4:15 PM
6239	Finally brought hope back into what I thought is going to be a communist country	2/20/2022 4:15 PM
6240	It has caused me a great deal of stress. They do not speak for me but we will be paying for their actions for a long time.	2/20/2022 4:15 PM
6241	No problem. Good thing. Somebody had to take a stand	2/20/2022 4:15 PM
6242	I cryed everyday to see so much support...love for all	2/20/2022 4:14 PM
6243	It has affected my life by haveing people who can speak on my behalf as I can't get to Ottawa. And that people are done with the terrorist in power.	2/20/2022 4:14 PM
6244	Nothing but Positive. It's restored my faith in our Country and hopefully puts Trudeau and his crew behind bars.	2/20/2022 4:14 PM
6245	It gave me hope for a positive future.... They are hero's! Who knows what Trudeau will do now but it will only be for his gain and not for the betterment of Canadians or our country!	2/20/2022 4:14 PM
6246	It hasn't	2/20/2022 4:14 PM

6249	It is awesome!!	2/20/2022 4:14 PM
6250	Not at all I think the way they were treating the veterans and woman was totally unacceptable.	2/20/2022 4:14 PM
6251	Gave me some hope, that Government would wake-up	2/20/2022 4:13 PM

Canadians vote on Canadian Mandate - February 2022

6252	It hasn't other than - I am concerned about the mis-information. Even the survey has inaccuracies - many of the mandates identified above are provincial - not federal. The feds tend to recommend and the provinces mandate. As far as fed mandates re international travel I do support.	2/20/2022 4:13 PM
6253	Inspired me to have faith in this country	2/20/2022 4:13 PM
6254	Living and working downtown Ottawa, I have enjoyed the truckers' energy, kindness and love. The convoy uplifts me and gives me hope.	2/20/2022 4:13 PM
6255	Gave hope ♥	2/20/2022 4:13 PM
6256	It's given me hope	2/20/2022 4:13 PM
6257	Financially	2/20/2022 4:13 PM

6259	Gave us hope	2/20/2022 4:13 PM
6260	Positively. Knowing not every vaxxed individual wanted to get it but rather was FORCED.	2/20/2022 4:13 PM
6261	Disgusted and ashamed that they think they have the right to disrupt the surrounding residents and businesses	2/20/2022 4:13 PM
6262	Giving me hope	2/20/2022 4:13 PM
6263	Given me HOPE!	2/20/2022 4:12 PM
6264	As a shipper of goods moved cross border by truck, thankfully the vast majority of Canadian drivers are vaccinated. Unfortunately, some of our drivers have been delayed at the border because of these protests, meaning they can't complete their loads, has missed reloads and are losing money.	2/20/2022 4:12 PM
6265	Raised awareness to drop the mandates	2/20/2022 4:12 PM

6268	I am with them.Canada should be the real old Canada.	2/20/2022 4:12 PM
6269	It has infuriated me, especially since it had little to do with truckers but everything to do with ruthless far right agitators, that have no place in Canada!	2/20/2022 4:12 PM
6270	Given some glimmer of hope, sense of pride and comradeship. Too much hate and division within our country..	2/20/2022 4:12 PM

6276	It has given me hope and rekindled intense pride in my country and it's brave people.	2/20/2022 4:11 PM
6277	Great!	2/20/2022 4:11 PM
6278	It gave me hope in having a say on what goes on with my life instead it showed me that we have out in mature brat that will hide under his mothers skirt instead of facing the problem and then using excessive force to get what he wants not for the people	2/20/2022 4:11 PM
6279	It gave me hope that someone somewhere is standing up to the tyranny of government leaders and the unelected "health experts" who have trampled on our rights with total disregard to the consequences of their over reach. Florida has been living free and prosperous for 2 years and there are no mass bodies laying in the streets.	2/20/2022 4:11 PM

6301	I was ok with it in the beginning but am upset with how it has turned out. Do not like the violence as this never achieves anything. Makes things worse. Both sides I believe are wrong!	2/20/2022 4:09 PM
6302	Boosted my pride in my fellow Canadians and what can be accomplished with unity. I am so proud of their courage and taking a stand for what is right. My heart swells when I think about them and all they represent. They are love light and truth	2/20/2022 4:09 PM
6303	-made me become more politically aware and involved Prayed more for the truckers and those who are supporting their cause-especially Freedom	2/20/2022 4:09 PM

6313	Made me feel like I was not alone in my distrust of my government.	2/20/2022 4:08 PM
6314	This convoy has caused me a great deal of stress. I worry about how this will impact our resources such as groceries and gas. Also this convoy has created an even bigger divide between the vaccinated and unvaccinated. Lastly I've lost a lot of my faith in my government and main stream media for how they handled this situation.	2/20/2022 4:08 PM

6428	n/a	2/20/2022 3:58 PM
6429	It's becoming infuriating to see the treatment they have received the threats being made to the truckers and their supporters not to mention the propaganda being used by the government against the truckers rally. The prime minister's misuse of power during his tenure is criminal	2/20/2022 3:58 PM

Canadians vote on Canadian Mandate - February 2022

6433	They have given all Canadians hope for an end to this utter madness,	2/20/2022 3:57 PM

6435	gives me hope that democracy could live again but not with the current political parties	2/20/2022 3:57 PM
6436	Solidified my faith in the Canadian people and diminished my faith in the federal and provincial governments.	2/20/2022 3:57 PM
6437	As mentioned above, I completely have lost any last remaining respect for Trudeau and his party. You cannot believe anything they declare any longer. He should have a vote of non-confidence. I am not alone in this sentiment, it is everywhere. Trudeau needs to go. Now.	2/20/2022 3:57 PM
6438	I love their passion and that they are willing to stand up for what is being taken.	2/20/2022 3:57 PM
6439	Positive	2/20/2022 3:57 PM
6440	Given us hope :) People are starting to open their eyes !	2/20/2022 3:57 PM
6441	It has given us hope and relief to see so many people feel the exact same way we do and want these restrictions to end. I have family who are afraid to say yes because we aren't vaccinated even though they are fully vaccinated and boosted. People are afraid and I blame it all on the inconsistent false information that is being given to us by all the healthcare professionals and governments and media.	2/20/2022 3:57 PM
6442	It has brought us hope and sense of community again.	2/20/2022 3:57 PM
6443	They represented my views on ending the vaccine mandates, I support the protest for freedom of our rights, the protest showed me how the government suppresses differing views of its citizen and that is concerning	2/20/2022 3:57 PM
6444	It has restored some of my faith in Canadians and let me finally see a good, happy group of people again.	2/20/2022 3:57 PM
6445	Cost up on everything	2/20/2022 3:57 PM
6446	It has given me hope and pride in my country.	2/20/2022 3:57 PM

6450	I support them 100%	2/20/2022 3:57 PM
6451	Incredible upliftment by realizing there are so many out there like me. Also a deep realization that I no longer have wool over eyes re pharma govt and esp the mainstream media	2/20/2022 3:56 PM
6452	In a negative way	2/20/2022 3:56 PM
6453	It hasn't so far ! Very upsetting that a group Of hoodlums can take over and nothing was done for three weeks.	2/20/2022 3:56 PM

6455	They have given me hope	2/20/2022 3:56 PM
6456	Given me hope that Canada is done with forcing medical decisions on us by government	2/20/2022 3:56 PM
6457	Didn't affect at all. Glad that someone decided to end this.	2/20/2022 3:56 PM
6458	Gave me hope	2/20/2022 3:56 PM
6459	It has affected my workplace because of the border blockade as I work in the automotive industry	2/20/2022 3:56 PM
6460	Bless them they are amazing I am so proud of them !!! Standing up for freedom should be applauded	2/20/2022 3:56 PM
6461	To much crowding of my mind...news and Media coverage.	2/20/2022 3:56 PM

Canadians vote on Canadian Mandate - February 2022

6462	It has brought unity, kindness, compassion back into many. It has reminded me that not all Canadians are bad. There is still hope. It has brought hope to the working class who has been destroyed these past two years. It has shed light on where our country is headed, on the mismanagement of everything over the past 2 years. It has had a world impact and I'm grateful for the leaders of other countries who are standing up for the truckers and Canadians in general, as it seems our own people cannot do this.	2/20/2022 3:55 PM
6463	We have seen almost nothing BUT the demonstration on TV news for three weeks.	2/20/2022 3:55 PM
6464	It's given me hope that one day we may be through this tyranny.	2/20/2022 3:55 PM
6465	Give me hope and happiness back to life seeing everyone come together and have happiness and love for one another	2/20/2022 3:55 PM
6466	It's the best thing that has ever happened to me and has restored my faith and love in fellow Canadians. It has also shown to me just how corrupt our government is and how much it hates its own citizens.	2/20/2022 3:55 PM
6467	Other than wondering what the heck are they thinking, no affect.	2/20/2022 3:55 PM
6468	It is a common sense protest that has sparked unity and a peaceful path forward across Canada and the world	2/20/2022 3:55 PM
6469	No just opened my eyes to things I wasn't paying attention to	2/20/2022 3:55 PM
6470	Encouraged me that there is still hope to end the political and medical tyranny	2/20/2022 3:55 PM
6471	I don't think it has	2/20/2022 3:55 PM
6472	None, I support them 100%!!!	2/20/2022 3:55 PM
6473	It's reaffirmed my belief in the government's shouldn't run our lives. It's our body and people have to wake up and realize these vaccines have killed thousands of people including children.	2/20/2022 3:55 PM
6474	Made me realize we used to live in a free country where we could protest PEACEFULLY!!!	2/20/2022 3:55 PM
6475	By standing up for our rights and freedom	2/20/2022 3:55 PM
6476	It has not... but I understand their side as well	2/20/2022 3:54 PM
6477	Gave me hope for the future of this country	2/20/2022 3:54 PM
6478	Brought hope	2/20/2022 3:54 PM
6479	Not that much!	2/20/2022 3:54 PM
6480	Huge increase of sadness and anger towards the government for how they treat these heroes. It really demonstrates how disgusting the liberal party is...	2/20/2022 3:54 PM
6481	Giving an emphatic voice to the anti-mandate position	2/20/2022 3:54 PM
6482	Seeing someone stand up for their beliefs has been empowering	2/20/2022 3:54 PM
6483	Not at all	2/20/2022 3:54 PM
6484	Made me proud to be a Canadian for the first time in a long while. Gave me hope	2/20/2022 3:54 PM
6485	I felt like finally people are standing up. I finally felt like I wasn't alone anymore. Justin Trudeau did such a good job of making everyone think that if they thought the mandates were bad that they were a bad person and that others would think they were too. Many people said nothing and hid in silence because of the propaganda used against all of us.	2/20/2022 3:54 PM
6486	It has given me hope. I hope I can start working again, I hope I can keep a roof over our heads and food in their bellies. This is a sad time. How can we get this drama teacher out of parliament	2/20/2022 3:54 PM
6487	It's affected my life in a positive way until police officers showed up and made it violent...	2/20/2022 3:54 PM
6488	It hasn't	2/20/2022 3:54 PM
6489	Gave us a bit of hope finally	2/20/2022 3:54 PM
6490	It's been great to see common people standing up for our rights!	2/20/2022 3:53 PM

Canadians vote on Canadian Mandate - February 2022

6491	Great! Finally there's hope for for us Canadians I do not want to get the vaccine for our own personal reasons! I stand by these truckers and have made myself a part of the convoys and the protests.	2/20/2022 3:53 PM
6492	Support	2/20/2022 3:53 PM
6493	Loved every minute of it, Canada uniting is what it is against our tyrannical government.It remained peaceful until trudeau set troops out to hurt the peaceful protestors. I am the daughter of a trucker, I "was" in healthcare, I am also a grand daughter of a late veteran who fought in world War 2 for our Canadian Charter of Rights and freedoms! This nonsense must come to a halt. Our country is being attacked by the tyrannicals in power and WEF and its so WRONG!	2/20/2022 3:53 PM
6494	Stands up for my freedom of choice	2/20/2022 3:53 PM
6495	No	2/20/2022 3:53 PM
6496	It has given me hope in canada	2/20/2022 3:53 PM
6497	Gave me hope that we can put this behind us and start healing	2/20/2022 3:53 PM
6498	It gave me hope when I felt I had none. Only to be squashed by our Prime Minister and his Emergency Act,shameful on his own people.Also the CBC and the CTV 's negative side of the news. They never once showed the good side of Freedom Fighters but were sure there at the end to show the radicals.So so disappointed!!!!	2/20/2022 3:53 PM
6499	Started out good opening the eyes of the public to what is going on in Canada. Now the news and government has turned it around to make it look like a bad thing.	2/20/2022 3:53 PM
6500	Wake up to the sleeping	2/20/2022 3:53 PM
6501	I'm addicted to watching it and pray it works	2/20/2022 3:53 PM
6502	It has brought hope back into my life and also knowing that I am not alone anymore. Someone is actually doing something to stand up for our rights and freedom	2/20/2022 3:53 PM
6503	Hope	2/20/2022 3:53 PM
6504	Giving me Hope for change	2/20/2022 3:53 PM
6505	It's given me hope.	2/20/2022 3:52 PM
6506	Only in positive ways	2/20/2022 3:52 PM
6507	It's awesome and it's amazing what was it for those truckers Mosley's Mandy could still be on and we still be in quarantine and lockdown and shit like that I love the truckers I think them so much for everything that they're doing better than our government fuck sakes	2/20/2022 3:52 PM
6508	It makes me proud to be a part of something that is fighting for our freedoms and the freedoms of our children and grandchildren!	2/20/2022 3:52 PM
6509	It spread hope to the nation. It relays the message that forcing people to do things to their bodies out of their own will and convictions is unacceptable and not tolerated. Shown more unity in the nation than ever before.	2/20/2022 3:52 PM
6510	RENEWED MY HOPE	2/20/2022 3:52 PM
6511	Disagree with them. They're mainly far-right.	2/20/2022 3:52 PM
6512	It gave hope in a time of disparity and hopelessness.	2/20/2022 3:52 PM
6513	It's given me hope again and proud that they are standing up for people like me and all Canadians	2/20/2022 3:52 PM
6514	Hope	2/20/2022 3:52 PM
6515	it has given me something to be proud of and has made me respect the working people	2/20/2022 3:52 PM
6516	Giving me hope but saddened to see how horribly mistreated they and supporters have been and the media not telling the truths.	2/20/2022 3:52 PM
6517	Inspired me to fight for and be proud of my country.	2/20/2022 3:52 PM

Canadians vote on Canadian Mandate - February 2022

6518	Often defending it and that can be difficult.	2/20/2022 3:52 PM
6519	Inspirational, happiness and it gives me hope in my fellow Canadians, and lost all faith in our PM	2/20/2022 3:52 PM
6520	It just goes to show you how Canadians can rally together for one common goal. This "small fringe minority" was quite bigger than anyone ever anticipated. There are much more of us than there are of them. The truckers started this and so many people agreed with their cause and followed suit as they are like minded. This allowed for the devise to merge.	2/20/2022 3:52 PM
6521	Gave me some hope to keep on going. Made me smile for the first time in 2 yrs.	2/20/2022 3:52 PM
6522	It has not directly affected me yet as the mandates have not been lifted. but I 100% support the convoy and stand for absolutely everything that the convoy is trying to achieve.	2/20/2022 3:52 PM
6523	It has given me hope!	2/20/2022 3:52 PM
6524	I had Hope. The "Emergency Act" by Justin Trudeau has demolished my hope of life ever getting better.	2/20/2022 3:52 PM
6525	Fully support them and what they are doing. Uplifts mylife everyday.	2/20/2022 3:52 PM
6526	They made me proud to be Canadians... they are standing for our rights and freedom..	2/20/2022 3:52 PM
6527	Gave me hope	2/20/2022 3:51 PM
6528	Given me hope that the mandate madness will end	2/20/2022 3:51 PM
6529	They have given hope that Canada could be free again	2/20/2022 3:51 PM
6530	They're citizens standing up for the rights of Canadian citizens	2/20/2022 3:51 PM
6531	It has given me hope. But the liberal Government is determined to continue to take our hope away with what they are getting away with. They are liars. We won't be watching any of the Canadian funded media any more. Have lost all faith in their reporting.	2/20/2022 3:51 PM
6532	Not at all but government should not be handing out money just to Ottawa businesses this whole mandate has been hard on all business in Ontario	2/20/2022 3:51 PM
6533	Gives us hope.	2/20/2022 3:51 PM
6534	Seeing Canadians come together has brought so much joy and hope	2/20/2022 3:51 PM
6535	They have FINALLY made me proud again to be a Canadian!!! They have hopefully opened the eyes of EVERYONE around the world that FREEDOM MATTERS and that we WILL NOT stand for a prime minister who desires to be a dictator!!!!	2/20/2022 3:51 PM
6536	It has made me happier	2/20/2022 3:51 PM
6537	Hope!!	2/20/2022 3:51 PM
6538	So sad to see such behaviour from Canadian's thought we were better than this	2/20/2022 3:50 PM
6539	It hasn't	2/20/2022 3:50 PM
6540	Encouraged freedom of choice more than myself thinking things are crazy	2/20/2022 3:50 PM
6541	I am proud of what they are doing. They are the voice of so many around Canada and the world. We all want our freedom back.	2/20/2022 3:50 PM
6542	Blocking of the border causes me longer drive time to cross	2/20/2022 3:50 PM
6543	Gave hope.	2/20/2022 3:50 PM
6544	They have given me hope that even if nothing changes there are people who will still stand up for their fundamental truths and liberty while allowing others to disagree.	2/20/2022 3:50 PM
6545	It has given me so much hope and faith and love for my fellow Canadians	2/20/2022 3:50 PM
6546	Has given me hope, has been a beautiful and uplifting moment for many of us that have been judged and traumatized by society and elected officials.	2/20/2022 3:50 PM
6547	Proud of them - our only hope it seems	2/20/2022 3:50 PM

6551	Given me hope!!	2/20/2022 3:50 PM
6552	It hasn't. No trouble with empty shelves. If anything it's offered hope in a world that feels hopeless.	2/20/2022 3:50 PM
6553	Open to conversation	2/20/2022 3:50 PM
6554	Given me immense hope in humanity	2/20/2022 3:50 PM

6566	Hope, justice, faith	2/20/2022 3:49 PM

Canadians vote on Canadian Mandate – February 2022

each time I felt more hope for our country. I finally felt like the government would hear us, would at least start discussing alternative solutions.

6584	Brought back the hope I lost in humanity	2/20/2022 3:48 PM
6585	Gave me hope	2/20/2022 3:48 PM
6586	It has given me hope that when the religious and political crowds and everything in between has let me down, that God is moving by bypassing the systems through the truckers and like-minded supporters.!	2/20/2022 3:48 PM
6587	Embarrassed	2/20/2022 3:47 PM
6588	It has given me hope	2/20/2022 3:47 PM
6589	It has brought hope to my life and the future of all Canadians	2/20/2022 3:47 PM
6590	No how, I wholeheartedly support them and pray for them!	2/20/2022 3:47 PM
6591	It's given me hope for the Canadian people and our country. Seeing people realize that our freedoms are worth saving and fighting for is amazing. It took Trudeau 2 years of Covid restrictions to divide Canada and it took the truckers and their convoy a matter of days to unite Canada in way that is lighting a fire of hope in countries all around the world!! The lack of communication from Trudeau with the truckers and the horrible ways he has characterized his own countrymen is showing the work how awful Trudeau is and that he is not fit to lead a democratic country.	2/20/2022 3:47 PM
6592	It's nice to see people standing up for what they believe.	2/20/2022 3:47 PM
6593	It has not in any way	2/20/2022 3:47 PM
6594	It has given me hope	2/20/2022 3:47 PM
6595	The trucking convoy gave me hope that these bad laws would be removed. It opened my eyes to the possibility that we could successfully get those bad laws removed. I am so proud to be able to point with pride at the peaceful Freedom Convoy. I like the name. I realize that you were only trying to not lead with your questions, and that is fine. I'll say it again. I fully support the Freedom convoy in its attempts to remove the bad laws. I'm so proud to call them Canadian. They have been peaceful throughout. I thank them.	2/20/2022 3:47 PM
6596	The trucking covoy is an embarrassment to Canadian society. There are significantly more rational people (and truckers) across Canada who are happy to follow safety protocols (distancing, masks, vaccines, etc).	2/20/2022 3:47 PM
6597	They wanted freedom for all Canadians	2/20/2022 3:47 PM
6598	It has given me hope for an eventual return to normalcy and revealed the actual character of Justin Trudeau. I am undecided as to how I feel about the next phase but I feel confident that what comes next will at least be genuine.	2/20/2022 3:47 PM
6599	It hasn't We went to cheer on the truckers with thousands of others when they left my region to go to Ottawa	2/20/2022 3:47 PM
6600	It has inspired me to believe in Canada. People of every walk of life have been united in love during this convoy. It took many many hands and hearts to achieve this convoy.	2/20/2022 3:47 PM

6611	It hasnt	2/20/2022 3:46 PM
6612	I support the convoy. I think they're doing the right thing. I'm worried that my property will be taken from me or my bank account will be frozen for supporting them. Please give me my freedom back and impeach the Crime Minister.	2/20/2022 3:46 PM
6613	It saddens me that the truckers don't see that they are escalating the conflict by overstaying. But I'm trusting that everything has its purpose...	2/20/2022 3:46 PM
6614	IT GAVE ME HOPE AND PRIDE TO BE CANADIAN AGAIN!! THEY ARE THE LOVE AND UNITY WE SO DESPERATELY NEEDED WHEN OUR PM WAS HELL BENT ON DIVISION	2/20/2022 3:46 PM

6617	Made me happy that someone is finally standing up for us	2/20/2022 3:46 PM
6618	Brought me back hope and showed me I am not alone	2/20/2022 3:46 PM
6619	It brought me hope. For once I thought we had a chance at regaining all that we have lost.	2/20/2022 3:46 PM
6620	I finally feel hopeful for mine and my childrens futures because of their bravery & unity.	2/20/2022 3:46 PM
6621	It has given me hope and the knowledge I am not alone. It has also shown who our PM really is and how fake our nedia really is	2/20/2022 3:46 PM
6622	Breath of fresh air. If I wasn't worried to lose my license as a practicing physiotherapist...I would have been out there with them. I am scared to speak out. I work in a hospital and feel very isolated. COVID is not properly being reported. Even the numbers in the hospital are wrong. This is bigger than COVID. It's our health care system failing. It's our population not being healthy enough. It's our government not investing enough in education, health care and most of all PREVENTION!! Our Family and Friends now have zero confidence in our government at all levels.	2/20/2022 3:46 PM

6629	It has not affected me directly	2/20/2022 3:45 PM
6630	It has given me hope. And the possibility of being able to go back to work with the dripping of the mandates	2/20/2022 3:45 PM
6631	For the first time in 2 years I have hope again that we may be able to get back to somewhat normal. I have shed many tears seeing the unity and love of my Canadian brothers and sisters! They united the country all the PM, his cabinet and mainstream media have done is cause hate, divisiveness and fear! They are not leaders the convoy gave us hope again.	2/20/2022 3:45 PM
6632	Seen people stand up for us is helping know there is light at the end of a dark tunnel we've been stuck in for 2 years this is mentally draining	2/20/2022 3:45 PM

6644	Not at all	2/20/2022 3:45 PM
6645	It has not. I agree with freedom of expression and the right to protest, along with upholding and protecting our rights and freedoms. With no significant public health risk that Covid now poses, no one should be restricted or prohibited from partaking and participating in their lives	2/20/2022 3:45 PM
6646	It has given me some hope that I may be able to stay in the Country I was born in. .	2/20/2022 3:44 PM

6652	Wish I could be there to stand up with them. It has reinforced the fact that we have a useless prime minister with absolutely no people skills, and also how manipulative the media can be	2/20/2022 3:44 PM
6653	I have never felt so much love and positive energy from 1000's of strangers. I felt more welcome there than with members of my family.	2/20/2022 3:44 PM
6654	Given us hope for a change from arbitrary restrictions to freedom to self regulate.	2/20/2022 3:44 PM
6655	Much needed movement toward lifting of the restrictions.	2/20/2022 3:44 PM

6688	It hasn't other than to be proud of the fact that there's such a strong sense of unity	2/20/2022 3:41 PM
6689	Contrary to the narrative of the main stream media, this convoy has been one of the most loving act of humanity that I have ever witnessed. There are no words to express to deep sadness I feel for those who have believed the lies told by main stream media. It is a tragedy. Because of this convoy, I will forever support independent journalists who seek to share events and allow viewers to come to their own conclusions, rather than confabulating a story to feed a specific narrative as the main stream media does. This convoy has unveiled the corruption of media and government, and has inspired me to think critically about stories I am told. Because of this convoy, I am taking a stand for the first time in my life. I am writing to MPs, and I am recognizing the fragility of democracy. I understand, now, what our soldiers fought for in wars, and how corruption can destroy a nation. I have never felt so strongly to advocate for truth, transparency, and unity. Because of this convoy, my faith in humanity is restored. I have never been so proud to call myself a Canadian and to stand for unity, peace, transparency and truth.	2/20/2022 3:41 PM

6693	Made me proud that a group of people would stand up for us like that.	2/20/2022 3:40 PM
6694	It's given me hope, optimism and new sense of patriotism towards being Canadian. I've never been more proud to call myself a Canadian I'm looking forward to the summer now more than ever. I'm proud of everyone that supported this beautiful movement. It's helped expose the evil and tyrannical governments, liberal socialists and global elitists. It's proven that peaceful resolution is possible and corrupt government officials can be exposed for the lies and mainstream media narrative and buyouts and payoffs. The truth will prevail.	2/20/2022 3:40 PM

6698	I see hope and realize we are not alone and the majority is ready for change	2/20/2022 3:40 PM
6699	I have been watching the convoy and listening to all sources of news. I want to understand the truckers and their motives. I respect truckers as we need them desperately in our supply chain. I do not think our government has shown them the respect and consideration they have asked for but I do not understand their motive well.	2/20/2022 3:40 PM

6718	Has given me hope for the illegal mandates and restrictions to come to an end, as there is nothing I want more. It's been all positive	2/20/2022 3:39 PM
6719	It has been a beacon of hope - I hadn't realized how many people agreed with me and stood together for freedom. They have every right to protest the blackmail, manipulative coercion we have all been under.	2/20/2022 3:39 PM
6720	I suspect it has contributed to intermittently empty shelves for some oducts in the stores. I've experienced people in my circle becoming distressed, losing sleep, which on turn distresses me.	2/20/2022 3:39 PM
6721	Made me very discouraged that so many americans were involved. That there were a lot of american overtones to various aspects of this event. For example Americians are flag waving patriots. Canadians, don't really think of themselves a patriots. That is an American (USA) thing. American think of Trudeau as being like the American President. He is not, our	2/20/2022 3:39 PM

governance works quite a bit differently. There was basic misunderstanding of who really made all the mandates, that's a provincial thing not a federal. I was angry, saddened that a group of truckers were able to wreak havoc on a community of people, it was not a peaceful protest. You disrupted the economy and well being of countless thousands of people. I was sad that what the truckers wanted became what a few other leaders in the group wanted and the large number of protesters got tricked into something without realizing it.

6748	It has given me hope that these mandates will come to an end. If it hadn't, I hope the people of Canada take another stand.	2/20/2022 3:37 PM
6749	It has given us hope. I cried the last few days seeing the media portray it as something it is not. Trudeau is villainozing them and enforcing extreme measures on them. I am devastated there have been arrest and accounts frozen. I have heard through many people of all those who have had their accounts froze . Please keep fighting for us truckers! You are all we have. I am scared for what will come if the act is voted in.	2/20/2022 3:37 PM

6764	Gave me hope for change	2/20/2022 3:36 PM
6765	Positively its the best thing that happened in the last 2 years. It gives me hope. Its shown me how (cbc)mainstream media is bias and only reports misinformation and blatent lies .reporting was the worst i have ever seen. I think we should get rid of cbc its a waste of money. It should go along with our current government. I will never vote for a liberal or ndp candidate again.	2/20/2022 3:36 PM

6767	Noisy as heck, can't leave apartment on weekends	2/20/2022 3:36 PM
6768	They have given me hope for the first time in a long time. We have been stuck without a light at the end of the tunnel since this all started. It has felt never-ending and made so many people feel hopeless for our future. The Trucker convoy has provided a light at the end of the tunnel for many, FINALLY.	2/20/2022 3:36 PM
6769	I supported it	2/20/2022 3:36 PM

Canadians vote on Canadian Mandate - February 2022

6775	I love it it is hopeful	2/20/2022 3:35 PM
6776	I am proud that the truckers are standing up for all of Canada. Because of the mandates and shutting everything down for two years there is a shortage of fresh affordable groceries for my family and baby supplies such as formula and diapers have skyrocketed in price. We can't survive like this any longer	2/20/2022 3:35 PM
6777	I will never look at my flag the same way again.	2/20/2022 3:35 PM
6778	Has not affected me negatively. They have opened many peoples eyes and views and have helped decrease some mandates	2/20/2022 3:35 PM
6779	It has given me hope that these mandates can end. People are standing up for our rights	2/20/2022 3:35 PM
6780	It has not. If anything it has inspired hope.	2/20/2022 3:35 PM

6789	It has given me hope	2/20/2022 3:34 PM
6790	It has made me embarrassed to admit that I share a country with those participating in it. It has robbed me of much if not all of my national pride. They've disgraced the flag by claiming to stand for it while being unwilling to do what's necessary to protect those it represents.	2/20/2022 3:34 PM
6791	Positively, and gives hope Canada will overcome Trudeau and be free again.	2/20/2022 3:34 PM
6792	The Convoy has made me feel proud to be a Canadian again	2/20/2022 3:34 PM

6795	Bring the issue to the forefront of the division within canada	2/20/2022 3:33 PM
6796	It has given me hope and joy that others feel the same Way	2/20/2022 3:33 PM
6797	Gave hope and took away so much stress	2/20/2022 3:33 PM
6798	It gave me some hope for mandates being lifted. Have no hope left now.	2/20/2022 3:33 PM

6801	Given me hope	2/20/2022 3:33 PM
6802	The truckers thought that they were doing something productive but it ended up they were taken over by the lunatic fringe. They foolishly rode that wave and ended up looking uneducated and gullible. How could they actually believe they were winning? They are not the majority.	2/20/2022 3:33 PM
6803	Not.	2/20/2022 3:33 PM

6822	Gave us Canadians hope and love. So a positive impact	2/20/2022 3:32 PM
6823	I think it is awesome that Canada stood up first and did this Without truckers we would not have any material or food items they make the world work God bless them all	2/20/2022 3:32 PM
6824	Given hope that Canadians have a pulse	2/20/2022 3:32 PM
6825	I was prouder than I've ever been to be Canadian until the emergency act was invoked. Now I'm disgusted. The only shortage I've seen in the stores are of Canadian flags. Which isn't a bad thing.	2/20/2022 3:32 PM
6826	I support peaceful protest. As long as it stays that I think it's a democratic action giving a good voice to the opposition. I condemn Trudeau's war act and oppression.	2/20/2022 3:32 PM

6842	Only very marginally.	2/20/2022 3:31 PM
6843	The convoy gave us hope. Many of us have spent months writing to our members of parliament, asking to be heard, asking for proper scientific debate to be had and witnessed by the public, but to no avail. There has been nothing but silence. The trucking convoy speaks to our hearts' desire for freedom, unity and a better tomorrow for our children and ALL of the people who live in this country. I am greatly disappointed and frustrated at legacy media's disgusting and inaccurate portrayal of this beautiful, peaceful and democratically valid protest for human rights.	2/20/2022 3:30 PM

This force isn't needed. For most part you see peace and love then the cops showed up and nothing but	2/20/2022 3:29 PM

6865	None at all, it gave me hope	2/20/2022 3:29 PM
6866	It has given me and many I know a positive focus and even though our lame and cowardly prime minister isn't listening, it has given a huge number of Canadians a voice of sorts and engendered a badly-needed sense of solidarity against a stupid and tyrannical ruling party.	2/20/2022 3:29 PM

They don't want to be told what to do and think they are above the law. They don't have the capability to understand why it is so important for everyone to be vaccinated to keep all from clogging up the hospitals. As we all know the hospitals are full of unvaccinated patients who are preventing cancer patients and others from getting vital treatments including surgeries. These convoy participants are all selfish ignorant humans.	2/20/2022 3:23 PM

7001	inspiration that people are finally understanding the negative impact on our charter rights and freedoms	2/20/2022 3:17 PM
7002	It is the first time I have get hope in 2 years. I am eternally grateful and proud that a group stood up for the atrocities our county has faced due to mandates and corrupt government over the past 2 years.	2/20/2022 3:17 PM
7003	Gave me a feeling hope and unity. The media has everyone feeling like they're aline and now I know I am not	2/20/2022 3:17 PM
7004	Hasn't affected me at all,,, I support it	2/20/2022 3:17 PM
7005	It hasn't not really, you can still buy all you need at the stores! Too bad everybody didn't stop working this would be resolved buy now and Trudeau would have to step down in disgrace, he's an embarrassment to this great country!	2/20/2022 3:17 PM
7006	Opened my eyes	2/20/2022 3:17 PM
7007	I think it's about time we spoke up to get our freedom back. I 100% supportive of the convoy.	2/20/2022 3:17 PM

Canadians vote on Canadian Mandate - February 2022

7015	I'm extremely proud of the non-violent way, we are allowed to stand up against the Government!!!	2/20/2022 3:17 PM
7016	It has restored my faith in basic humanity and common sense, and has given me hope that the tide of tyranny can be reversed, without bloodshed and civil war.	2/20/2022 3:17 PM
7017	Encouraged me to stand and give me HOPE	2/20/2022 3:17 PM
7018	It has given me hope that there is a possibility of getting back to normal if only the governments will "follow the science" and listen to the people they work for, both of which they are not doing now.	2/20/2022 3:17 PM
7019	Not really. Nice to see the government being challenged	2/20/2022 3:17 PM
7020	It has given me hope and shown me that democracy still exists	2/20/2022 3:16 PM
7021	It has shown that some people actually care about the charter of rights and freedoms. That people want their country back from this tyrannical over step. Many Canadians stood strong and showed the world, like ghandi at the salt flats, their oppressor is only as strong as their subjects allow them to be. Tyranny has no place in Canada or across the world	2/20/2022 3:16 PM
7022	Encouragement and hope for Canada	2/20/2022 3:16 PM
7023	I went from lonely and hopeless to knowing I'm not alone, there are actually others that share my beliefs. I had hope. Then seeing the government (and specifically Trudeau's) I have once again lost all hope. It seems there is nothing left in our government with saving. I'm discovering that the volume of criminal offenses that have been committed in the last few days, weeks, and even years are astronomical... there is no hope that justice will ever be served. I once again feel like a frog in front of a steam roller, completely unable to stop it.	2/20/2022 3:16 PM
7024	Has given me hope. A better future for my child. The unity it has brought is indescribable	2/20/2022 3:16 PM
7025	It hasn't	2/20/2022 3:16 PM
7026	It has made me happy respected people fighting for our rights	2/20/2022 3:16 PM
7027	Given me hope in Canadians, not politicians	2/20/2022 3:15 PM
7028	Brought me hope that the restrictions will end sooner than otherwise possible.	2/20/2022 3:15 PM
7029	It seems to have united the people which is nice	2/20/2022 3:15 PM
7030	Some sense of hope to regaining GOD GIVEN FREEDOM	2/20/2022 3:15 PM
7031	Half of my family was inspired, and greeted the truckers coming through. I've witnessed the most loving, caring and kind people be lied about by our prime minister and television News. I have hope that the truckers are doing the right thing.	2/20/2022 3:15 PM
7032	Non	2/20/2022 3:15 PM
7033	Made me so happy and proud to be a Canadian. I don't feel like a small minority anymore.	2/20/2022 3:15 PM
7034	It shows me there's hope.	2/20/2022 3:15 PM
7035	Hasn't	2/20/2022 3:15 PM
7036	I feel Canadian again. I feel they are our saviours. They are the real heroes. They are the ones that should be running the country. Our prime minister is an absolute joke of a human being. These truckers deserve praise. THANK YOU TRUCKERS!! Love you all	2/20/2022 3:15 PM
7037	Absolutely inspiring	2/20/2022 3:15 PM
7038	Nothing	2/20/2022 3:15 PM
7039	Hope in Canadians and humanity. Some people finally standing up for our rights and freedom. Thank you truckers!!	2/20/2022 3:14 PM

7041	Has given us hope	2/20/2022 3:14 PM
7042	It's given us hope again.	2/20/2022 3:14 PM

Canadians vote on Canadian Mandate - February 2022

7043	Gave me hope for freedom	2/20/2022 3:14 PM
7044	Annoying	2/20/2022 3:14 PM
7045	Helping me stand for truth. A strong feeling of patriotism and unity.	2/20/2022 3:14 PM
7046	It has given me hope that what I believe in is worth fighting for. Freedom to speak without fear, free to worship in my own way, free to stand for what I think is right, free to oppose what I believe wrong, or to free to chose those who shall govern my country. This heritage of freedom is worth fighting for peacefully for myself and for the future generations. We unfortunately feel that have to stand up for our democracy and our constitution. God bless the Freedom Convoy and all the peaceful protestors.	2/20/2022 3:14 PM
7047	Given me hope that Canada can have rights again and believe media is not portraying honestly the actions and goals of most of this protest. Unsure what all of the organizers had in mind but the whole group should not be critiqued or attacked for believing in freedom protests and that there may be only a few questionable people that may be acting separately from the convoy and most people are there for legitimate and legal reasons trying to save their livelihood and freedoms.	2/20/2022 3:14 PM
7048	N/A	2/20/2022 3:14 PM
7049	It has given me hope that our country may someday return to have equity and freedom of speech for each and every Candian. To eliminate gaslighting in our government and media. I have seen that more Canadians are recognizing that hardworking and honest people are necessary for a strong Canada.	2/20/2022 3:14 PM
7050	It has made me proud to be canadian kind of. Except for the stuff the government is doing.im glad to see people are finally starting to stand up for the corrupt bullshit the government has been pulling for a long time	2/20/2022 3:13 PM
7051	Gave me a sense of hope and reignited my faith in humanity	2/20/2022 3:13 PM
7052	None	2/20/2022 3:13 PM
7053	The convoy has given me hope that Canada will come out from under this dictatorship. It has also shown me that the CBC news has been very inaccurate and biased in favour of Liberal government. It has showed me how our Liberal government is now wanting to blame the convoy for businesses having to be closed and store shelves being bare. The convoy has shown a lot of Canadians that we can stand up and defend our constitutional rights as Canadians. I'm proud to be Canadian but truly ashamed of the government.	2/20/2022 3:13 PM
7054	Brought hope of Canadian ms who still care about are freedoms	2/20/2022 3:13 PM
7055	I have all the respect in the world for these truckers. It wasn't the doctors, lawyers, etc. that went in and fought for our freedoms. I am so proud of them. They fought a total peaceful fight for our freedoms. They didn't deserve the horrendous brutal way they were treated. Their protest was peaceful but they brought in hateful violence against them! I will be affected forever by this corrupt government! Our beautiful Canada is turned into a dictatorship country. I am so frightened what is going to happen next. Freeze our bank accounts, take away our properties. Divine intervention it must be to save us from this dictator.	2/20/2022 3:13 PM
7056	Gives hope that more people want freedom than the biased, government funded media would have us believe.	2/20/2022 3:13 PM
7057	Brought hope and joy	2/20/2022 3:13 PM
7058	It gave me hope	2/20/2022 3:13 PM
7059	I was surprised that so many people has same opinion with me. And I am glad that people start fighting for their rights.	2/20/2022 3:13 PM
7060	There is still hope and faith for us Canadian people. We want our freedom back...the right to choose! Together we stand	2/20/2022 3:13 PM
7061	Not	2/20/2022 3:12 PM
7062	Bring hope about the humanity	2/20/2022 3:12 PM
7063	Gave me a sense of hope Encouraged me that I am not alone Affirmed that Canadians are done with government over reach Made me proud to be Canadian again	2/20/2022 3:12 PM

7065	N/A	2/20/2022 3:12 PM
7066	It has made me more aware of how corrupt Trudeau , the Liberal government & our mainstream media are. Mandates are no longer necessary.	2/20/2022 3:12 PM
7067	Made me feel hope again for the first time in a long time.	2/20/2022 3:12 PM
7068	The convoy has been nothing but an embarrassment. It has not affected me personally other than the fear of violence	2/20/2022 3:12 PM
7069	Gave us hope and unity that mandates will stop!	2/20/2022 3:12 PM
7070	I finally feel hope after 2 years. I have never felt more unified as a country.	2/20/2022 3:11 PM
7071	It has given us hope. I can say to my children, if teachers had been as brave as the truckers, I would still have my job. My degree is in social justice and gender equality and these truckers are the only group of people in Canada that stood up for bodily autonomy. To have the liberal government try to take control of our bodies was such a violation to our rights as Canadians. The only thing more shocking was the lack of decent about this violation. Thank you truckers for providing the most peaceful and effective decent. Hope is what the truckers gave the world	2/20/2022 3:11 PM
7072	proud of my nation	2/20/2022 3:11 PM
7073	It's given me hope that they are willing to give up their livelihood in sacrifice for all Canadians freedoms to choose. Many are vaccinated but only because they were forced to do it to keep food on the table and roof over house! That is not right, vaccinated people can now travel everywhere and unvaccinated truckers can't cross the border without isolating... that is not right or acceptable to me!	2/20/2022 3:11 PM
7074	God Sent! Giving hope. They are hero's	2/20/2022 3:11 PM
7075	They gave me hope and put back the sense of unity and a feeling of pride for me	2/20/2022 3:11 PM
7076	It has given me hope that the people of Canada will be heard, finally.	2/20/2022 3:11 PM
7077	Made it very evident where Trudeau stands on our rights as Canadian citizens	2/20/2022 3:11 PM
7078	I saw they were peaceful family oriented hard working people who were fighting for our freedom. I didn't watch cbc or ctv news because they have been bought.	2/20/2022 3:11 PM
7079	The convoy became a voice for all Canadians right. It's not only about the truckers it's about our rights as Canadians	2/20/2022 3:10 PM
7080	It hasn't - other than dominating the news	2/20/2022 3:10 PM
7081	Inspired hope that Trudeau's dictatorship isn't as omnipotent as he would like. Fuck Trudeau	2/20/2022 3:10 PM
7082	Given hope	2/20/2022 3:10 PM
7083	The trucking Convoy has given me hope. It has shown me that there are many Canadians who want to come together and stop living a life of fear.	2/20/2022 3:10 PM
7084	Positively. It made me see how many people there are out there with my mindset. Feels good to know there are millions of people who still value freedom	2/20/2022 3:10 PM
7085	Made me proud to be a Canadian again.	2/20/2022 3:10 PM
7086	It brought me immense joy and hope knowing I wasn't alone in my feelings of government over reach and taking away my freedoms	2/20/2022 3:10 PM
7087	It's inspiring	2/20/2022 3:10 PM
7088	Makes me proud to be Canadian and gives me hope for our future	2/20/2022 3:10 PM

7098	It for the most part brought joy that so many people began to have eyes to see what was happening around them. A controlling, not for the people government! But also concern that the gap between for some got bigger. Greater fear! Which also was from our government and some governments from around the world! For this is a global problem!	2/20/2022 3:09 PM
7099	Gave me and many around myself hope	2/20/2022 3:09 PM

7101	Gave me hope and made me feel like I wasn't alone. I realize how many people were silently struggling with these mandates	2/20/2022 3:09 PM
7102	It hasn't affected me at all.	2/20/2022 3:09 PM
7103	I grew up always seeing American pride and never seeing it here in Canada until the trucker convoy started. Made me feel very proud to be a Canadian for one of the first times ever.	2/20/2022 3:09 PM
7104	Proved to me the power to fight for your peace and freedom and that the government IS NOT FOR THE PEOPLE ! Our PM (he's not worth to have a name) needs to leave!	2/20/2022 3:09 PM
7105	It has given me hope, but at the same time it shows me evil vs good ; power vs love.	2/20/2022 3:09 PM
7106	I support it	2/20/2022 3:09 PM
7107	Best thing that has happened to Canada in the past two years	2/20/2022 3:09 PM
7108	Brought me hope, Seeing so many Canadians unite.	2/20/2022 3:09 PM
7109	Positive to see others stand for whAt they feel is right	2/20/2022 3:09 PM
7110	Gave me hope.	2/20/2022 3:09 PM
7111	Seems people are actually sticking together and standing up for Canadians against our liberal government and things are staying to change which I believe is for the better.	2/20/2022 3:09 PM
7112	It hasn't.	2/20/2022 3:09 PM
7113	Given me hope	2/20/2022 3:09 PM

7116	Gave us hope that we we where not alone in these unfair mandates	2/20/2022 3:08 PM
7117	It gives me hope. They are standing up for everyone. They are acting as the voice of the people and I stand behind them 100%.	2/20/2022 3:08 PM
7118	Positively - giving good to ending the insanity that is coming from one voice who does not want to hear any voice but his	2/20/2022 3:08 PM
7119	It has given me hope for a split second	2/20/2022 3:08 PM
7120	Does not matter, this has to end forever.	2/20/2022 3:08 PM

7124	I agree that they are allowed to protest peacefully and make their opinion heard! However I believe that by blocking the boarders I have to pay the price of groceries not being available or more expensive and I don't feel that is ok I also do not agree that police had to step in and be so violent! But I do not have a full understanding from either side so I can not judge but violence is never ok in my opinion	2/20/2022 3:08 PM
7125	It hasn't impacted my life in any negative way and the fact that people are being brave, coming together and standing up against this has given me some hope that I had lost.	2/20/2022 3:07 PM

Canada is a democratic country, well, at least it was. People want to be free and we deserve it. It's our right. To live in a compassionate, kind and loving society, where people take care of each other and the government cares and works for the people. This is the hope I get from the convoy. A new consciousness level ever before seen on the planet. It's exciting and emotional. Go Canada, Go Truckers! FREEDOM!!!!!!!!!!!!!!!!!!!!	2/20/2022 2:58 PM

They earned my total respect.	2/20/2022 2:54 PM

7335	Made me proud to be Canadian for the first time in awhile.	2/20/2022 2:49 PM
7336	In the goog way, because nobody in this contry are stand up, not the politiciens, not de medecins, not the teachers, not the mothers, no body except the truckers how avec awaken many Canadians.	2/20/2022 2:49 PM
7337	It's affected me in a positive way given me hope that Trudeau's tyranny will end. I am ashamed of the Canadian government. It's like watching a cartoon.	2/20/2022 2:49 PM
7338	It has given me hope and faith in humanity	2/20/2022 2:49 PM
7339	I want to keep my freedom fuck Trudeau	2/20/2022 2:49 PM
7340	It doesnt	2/20/2022 2:49 PM
7341	Given hope that those opposed to mandates are. It some "fringe" group. So impressed by the peaceful protest and disgusted by Trudeaus pathetic response. How does a prime minister simply refuse to listen to voices of his constituents and citizens of the country he is supposed to be running?	2/20/2022 2:49 PM
7342	It has given me hope	2/20/2022 2:49 PM
7343	It has given me hope! Having this brave group of people stand up for our Freedom has lifted my spirits. They are standing up for our Charter of rights. Our right to choose what goes into our body. It has helped me and other Canadians see the horrific approach that Trudeau is using. Rather than meeting the truckers he imposed the Emergency Act. I felt saddened and sickened with the way the truckers and supporters were treated by police, military and RCMP on February 17th to present. Peaceful protesters being shoved, tear gassed, hit by rubber bullets and two trampled by horses. Unbelievable. This is supposed to be Canada, not a communist country. My heart goes out to the truckers. I still have hope because it has shown the citizens of Canada that this is not just about the mandates. This is about our rights and freedoms. This is about upholding the constitution and maintaining democracy. I am worried about the truckers and others who have had their bank accounts frozen, their licenses cancelled, their trucks seized. All because they peacefully are standing up for the rights of all Canadians.	2/20/2022 2:49 PM
7344	It was giving me hope that politicians would finally realize just how crazy and unnecessary their measures are. Since the World Economic Forum has its influence on Trudeau, Freeland, and Singh....I was hoping this sort of foreign influence would come to light.	2/20/2022 2:49 PM
7345	HOPE	2/20/2022 2:49 PM
7346	Not at all	2/20/2022 2:48 PM
7347	I feel that the trucking convoy is a manifestation of the American land spirits. Here is an essay I wrote about it: https://kimberlysteele.dreamwidth.org/54429.html	2/20/2022 2:48 PM
7348	It give me hope that there are more loving and open minded people who think alike. So proud of them for standing up peacefully.	2/20/2022 2:48 PM
7349	FREEEDOM!!!!!!	2/20/2022 2:48 PM
7350	It's given me hope and inspiration, that corrupt government policies will not prevail – policies which ignore the ACTUAL science in order to infringe upon people's liberties, in what is supposed to be a free and law-abiding society.	2/20/2022 2:48 PM
7351	finally some hope	2/20/2022 2:48 PM
7352	It hasn't because it's been peaceful	2/20/2022 2:48 PM
7353	It has made me depressed seeing coverage and makes me sad that this is happening in my Country/Community. It makes me scared for our future. They don't represent me.	2/20/2022 2:48 PM

Canadians vote on Canadian Mandate - February 2022

7354	It has not	2/20/2022 2:48 PM
7355	They are fighting for our freedom. Especially for my kids future.	2/20/2022 2:48 PM
7356	They have given me HOPE for FREEDOM...to see an end to Prime Minister Trudeau and his socialist ways.	2/20/2022 2:47 PM
7357	Has brought back hope, that maybe Canada isn't completely lost yet. There are still many loving, caring, non-discriminating Canadians in this country.	2/20/2022 2:47 PM
7358	Hope	2/20/2022 2:47 PM
7359	Gave me hope and proud to be Canadian	2/20/2022 2:47 PM
7360	Given hope that there is life beyond these mandates	2/20/2022 2:47 PM
7361	It breaks my heart to see such division and separation on sides.	2/20/2022 2:47 PM
7362	nothing affected. I support the freedom convoy. If we don't stop the tyrannical government, they push us more. There was no dialogue between the truckers and the Trudeau government, then Trudeau invoked the Emergency Act. This is not democrat. If Trudeau says Canada is democrat, he should have a dialogue with the truckers. I don't support Trudeau.	2/20/2022 2:47 PM
7363	Hope	2/20/2022 2:47 PM
7364	I love seeing people out there spreading love and standing for our freedoms.	2/20/2022 2:47 PM
7365	Not at all	2/20/2022 2:47 PM
7366	It has finally given me some hope. These peaceful protestors are fighting to restore our freedoms.	2/20/2022 2:46 PM
7367	Brought hope to Canadians that they're not alone, and millions think the mandates should immediately end, with alot of people thinking they should have never been implemented.	2/20/2022 2:46 PM
7368	I believe that all Canadians have the right to protect peacefully. The convoy has been mostly peaceful. In every large movement you will have a handful of people who take things to a level that is not appropriate. The government has failed in their part to listen and come to the table to discuss and learn from all sides. They have divided Canadians. If anything is an emergency it is that our GOVERNMENT has little respect for many Canadians. I don't support blockades at borders But I do support all Canadians right to protest	2/20/2022 2:46 PM
7369	They have given me hope, hope to live again	2/20/2022 2:46 PM
7370	Nil	2/20/2022 2:46 PM
7371	It proves that Canadians are sick of mandates and being told what to do by public servants	2/20/2022 2:46 PM
7372	Given hope that things can change. Shown how many feel the same as I do. United the county and also shown people's true colors.	2/20/2022 2:46 PM
7373	Its been great to have them stand up for us Canadians..I love what they are doing...I hope they win this freedom fight for all Canadians!	2/20/2022 2:46 PM
7374	It has given me hope! I cannot join them with two little kids but I can support them.	2/20/2022 2:46 PM
7375	Gave me hope and courage to stand up for my rights. Made me educate myself more on the overarching reasons for the mandates and how our treasonous Govnt works	2/20/2022 2:46 PM
7376	Upset no communication was setup between Truckers and Government	2/20/2022 2:46 PM
7377	I just don't think it was fair to the people living in Ottawa to have to go though what they went through Protesting is 1 thing but putting trucks in the streets and honking horns. Isn't the right thing to do	2/20/2022 2:45 PM
7378	It's made me late to work every weekend. Those pathetic failures are wasting everyones time.	2/20/2022 2:45 PM
7379	It shows Canadians are finally standing up for our rights and freedoms and I am proud of them it shows that their are still people that believe in humanity	2/20/2022 2:45 PM
7380	I'm so thankful for every person that had stood up for freedom. The sacrifice that these people have shown is huge and I believe it has always been peaceful and demonstrates the majority	2/20/2022 2:45 PM

Canadians vote on Canadian Mandate - February 2022

	that has been unjustly silenced.	
7381	Good movie	2/20/2022 2:45 PM
7382	It gave me some hope and a feeling of not being alone regarding the over reach of government and it has united Canadians alike and those who understand how tyranny starts and where it leads.	2/20/2022 2:45 PM
7383	Brought hope	2/20/2022 2:45 PM
7384	Stand by them 100%	2/20/2022 2:45 PM
7385	We need the truckers they bring us everything	2/20/2022 2:45 PM
7386	Hope	2/20/2022 2:44 PM
7387	Not at all! They have spoken for 3/4 of Canadians, thank God & Canadians need to be listened to, instead of having Tyranny rule!	2/20/2022 2:44 PM
7388	Made be ashamed to be a Canadian. Far less trust in police to perform their duties when white citizens break the law	2/20/2022 2:44 PM
7389	Yes for the better. We stand with them proud. They are representing all of Canada	2/20/2022 2:44 PM
7390	Not at all	2/20/2022 2:44 PM
7391	It hasn't	2/20/2022 2:44 PM
7392	shown that many Canadians are aware of our corrupted government	2/20/2022 2:44 PM
7393	Makes me so happy to see them fight for our freedom	2/20/2022 2:44 PM
7394	I feel they should protest in like everyone else but they shouldn't block off streets. There is a difference from protest and hold the downtown Ottawa area captive.. they lost my support for doing that...we live in a democracy where you protest to let yourself be heard but we don't force an immediate change.. you want something changed you do it in the polling station and not by force.	2/20/2022 2:43 PM
7395	It didn't directly affect me but I completely support the convoy. I feel they have overturned a rock that needed to be turned long ago.	2/20/2022 2:43 PM
7396	It makes me angry. I view the participating truckers as bullies.	2/20/2022 2:43 PM
7397	It has given me hope for the first time in the last 2 years. I went to Ottawa and the feeling of unity and love was so pure, I had never experienced anything like that in my life. Peaceful freedom loving Canadians coming together. Disgusted by how our government is assaulting and arresting these innocent brave Canadians who are using their democratic right to peaceful assembly.	2/20/2022 2:43 PM
7398	I am a trucker... it put extra cost on my end, Which I just pass on to the consumer it's getting harder to get parts in but I will stand strong and hold the line if we can straighten out our corrupt government and I mean corrupt at almost every level	2/20/2022 2:43 PM
7399	It's provided enormous HOPE and increased my resolve to get my freedoms back. Also it's heightened my awareness to be better informed by checking/researching alternate media sites and not listening to the narrative of the bought 'legacy' media. Our freedoms were fought for and paid for with the ultimate sacrifice of veterans lives. Our rights and freedoms were given to us by our Sovereign God; it is up to us to steward this gift well.	2/20/2022 2:43 PM
7400	Made me feel hope for the future and made there some normality in my life!	2/20/2022 2:42 PM
7401	Not in the least bit. The real truckers are still truckin. The convoy in Ottawa is there to over throw a govt.	2/20/2022 2:42 PM
7402	Encouraged	2/20/2022 2:42 PM
7403	It hasnt	2/20/2022 2:42 PM
7404	I stand with them. It made me hopeful and seems we have to fight for our freedoms. It's no longer the country I wish to live in now with Trudeaus state of emergency. It is dangerous, undemocratic, depressing. I'm so saddened	2/20/2022 2:42 PM

Canadians vote on Canadian Mandate - February 2022

7405	I haven't had hope for 2 years and watching everyone come together brings me hope!	2/20/2022 2:42 PM
7406	It hasn't	2/20/2022 2:42 PM
7407	It has helped my life a lot because they are working peacefully to help end the mandates that are not needed and haven't been necessary for some time now. It is also restoring hope in my life and my friends and families lives. It has brought people back together, helping one another, helping the homeless. 7422	It has given me hope that ordinary Canadians are willing to sacrifice to save our freedoms & country.	2/20/2022 2:40 PM

7487	Anxiety and fear of loss of freedom due to government and police state encroachment A great desire to seek changes to our democratic system we are now part of a democracy that does not enact a fair and democratic election process, thus allowing for very distorted election due to politically skewed riding districts, leading to members of Parliament been elected by mainly. Urban voters	2/20/2022 2:34 PM

7492	Reinforced faith in humanity seeing so many Canadians sharing a common goal...have seen the way the federal government ignores and treats the people who provide basic necessities in this country...	2/20/2022 2:34 PM

7533	The trucking convoy has given me hope that this will come to a head and will be over soon.	2/20/2022 2:30 PM
7534	In 3 years, because 2019 was scary too, I haven't felt hope for anything until Canadians got together to say, hey, what's going on is bullshit and since you won't listen to us, we'll force you to listen through honking. A few days ago, I watched RCMP trample a grandmother to death and blamed it on her bicycle which she doesn't have. The horse is alive, she is not. She was part of the protests. If I was there, I'd be risking my life. That, is bullshit. There's no way for any of us to say no without fear of dying in many ways. I've had enough. I don't want ANY government authority. They're all criminals. Truckers are heroes. That's why Veterans joined them. To remind everyone what standing for your freedom looks like.	2/20/2022 2:30 PM
7535	given hope that there is more of us that see where Canada is going - a very dark place	2/20/2022 2:30 PM

7562	They should all be arrested. I do not support white supremacy or hate in our country. Traumatized to see what is happening. Further embarrassed to have Moe support them and do everything he can to DIVIDE our country. The Saskatchewan MPs and other Conservatives politicians are responsible for allowing hate to run wild in Canada. I support everything our Prime Minister and the Liberal government is doing to remove this illegal occupation in Ottawa and elsewhere in Canada. The Conservatives only made the situation worse by openly endorsing everything the illegal occupation has done. The Conservatives are wrong to call it the War Measures Act and are just trying to spread false information to Canadians. They need to be a part of the solution which they are not	2/20/2022 2:27 PM

7565	Positively.	2/20/2022 2:27 PM
7566	It has inspired me. Brought me hope and made me feel like a Canadian again. Trudeau should be sent to jail and his bank accounts and assets froze for all of his criminal acts during his time as P.M.	2/20/2022 2:27 PM
7567	As an inspiring story. Oh ! I was delayed a week in buying running shoes, a small price to pay.	2/20/2022 2:26 PM

7570	Not at all. Support the truckers.	2/20/2022 2:26 PM
7571	Caused stress, anger, disappointment, fear for loved ones who live downtown, etc. It was a waste of time and demonstrated some really disturbing beliefs that some people in our country have.	2/20/2022 2:26 PM
7572	Gave me hope	2/20/2022 2:26 PM
7573	It has proven to me beyond a doubt; our P.M. is a eunuch. Also, with thousands of unmasked, non-distanced people chanting and yelling in Ottawa it would seem the hospitals there aren't overridden....hmmm	2/20/2022 2:26 PM
7574	I'm very angry with our government and have lost faith in our democracy.	2/20/2022 2:26 PM
7575	Given some kind of hope that the government might listen and think about ending the mandates, travel restrictions and vaccine passports. They are not necessary and infringe on our basic human rights.	2/20/2022 2:26 PM

7583	Given me hope!	2/20/2022 2:26 PM
7584	I didn't affect me	2/20/2022 2:26 PM
7585	It has pushed the opening up of provinces much faster, and has exposed the Federal leaderships poor ability to handle difficult situations, and it has shown how fast government overreach can happen, without serious considerations to alternatives, or any outreach from the leadership to those who protest against their policies. Which in my opinion shows a lack of respect to not just the protesters, but to citizens in general.	2/20/2022 2:25 PM
7586	It has given me hope and courage to fight the wrongs of our government	2/20/2022 2:25 PM
7587	The trucking convoy is a ray of light and hope out of these restrictions. I fully support the convoy and it's freedom fighters!	2/20/2022 2:25 PM
7588	I have not been affected at all.	2/20/2022 2:25 PM
7589	Embarrassed me as a Canadian	2/20/2022 2:25 PM
7590	For the greater good	2/20/2022 2:25 PM
7591	Their bravery to speak out despite the rampant censorship brought out many issues, most important for me being government overreach and divisive tactics.	2/20/2022 2:25 PM
7592	For the GOOD! Thank you TRUCKERS! We need to be seen and heard. It pressured Jason Kenny to open up our province of Alberta and drop the ridiculous vaccine passport mandates.	2/20/2022 2:25 PM
7593	Very positive, cheering on those who could go.	2/20/2022 2:25 PM

7602	Make me embarrassed for my country.	2/20/2022 2:24 PM
7603	Brought me great hope in my Country and humanity. True political 'colours' came through with obvious evidence WE the people have no rights and it's all about power and \$\$\$.	2/20/2022 2:24 PM
7604	it saddens me to see how Canada and the Cdn govt has slipped down from being the democratic nation i believed. the liberal govt chastised China for its actions in HK and yet the HK protesters were consistently and actively destroying private and public property. the HK protesters actions were much worse than the truck convoy. Hypocrisy at its finest	2/20/2022 2:24 PM
7605	I am proud that they are willing to fight for freedom, this is Canada a peaceful nation.	2/20/2022 2:24 PM

7635	Stressful to watch	2/20/2022 2:22 PM
7636	It has brought a voice for the average Canadian...hope that common sense might prevail. The power and aggression that the government brought against Canadian Citizens was a very dark day for Canada. But the convoy and those that joined in peaceful protest can walk away with their heads held high because they remained peaceful in the face of such force.	2/20/2022 2:22 PM
7637	I absolutely love it, every time I hear a horn honk, people cheering, people singing, people dancing, I see people sharing food, feeding the homeless, see their children dancing, playing on the bouncy castles, see the line of trucks all following each other with all kinds of different countries flags swaying in the wind, I laugh I cry for the first time in two years I feel that I'm alive again I am so happy. I can't explain the feeling that goes through my whole body it's just amazing.	2/20/2022 2:22 PM

I have appreciated watching people dance, sing and play together with no judgement of being vaccinated or not, wearing masks or not. It was all ethnics, cultures coming together as one! 7660	Made me proud.	2/20/2022 2:20 PM
7661	So thankful for all those who ha e went to Ottawa to stand up for our freedoms. Trudeau has become a dictator and its very obvious. One prime example is how he is getting law enforcement to implement and act out the emergency act when it hasn't even passed in parliament yet. He is destroying our great country and is acting like he is accountable to no one. He has broken so many laws and yet no punishment. He is a tyrant and this Convoy is exposing the evil that runs deep within our currant government. Thank God for the truckers and those who are peacefully fighting for our country.	2/20/2022 2:20 PM

Makes me feel proud to be a Canadian when so many people risk it all and leave their jobs and participate in the peaceful protest. 7698	Gave me and my family hope for recovery from the above damage.	2/20/2022 2:18 PM
7699	It has at least given me some hope	2/20/2022 2:18 PM
7700	The convoy has given me hope and a great deal of happiness to see the pure love in the crowds. It brings tears of joy to my eyes	2/20/2022 2:18 PM
7701	I feel upset that outside influences from the US and other places are getting involved in our affairs, it worries me to see the far right etc influences who are getting involved, the anger and the division that is occurring in our country is scary, I'm embarrassed by the actions of some these people in regards to racist behaviour, their selfish behaviour and the leaning I see to the far right and the response that is based on emotions and false information rather than on factual data. I worry that we are becoming more and more like the far right influences in the US. Yes, the real truckers do have some valid points regarding their job situations and should be heard but there are a lot of people who have no connection to the truckers points at all. Also, the self centeredness displayed by so many and the lack of true understanding of the definition of freedom is appalling. I'd like to ship some of them who are screaming about loss of freedom off to some place like Hong Kong etc where there there truly is loss of freedom.	2/20/2022 2:18 PM
7702	It's been a way to peacefully tell all levels of government enough is enough. We don't need a dictatorship of government. Our freedom of choice has been shamed, vilified and reduced when we don't agree with the PM. This is not the Canada I wish to live in.	2/20/2022 2:18 PM
7703	It has shown me how much overreach the government really has over people in our country. Also, it has shown the true colours of our current government. Not once did I see our leader step out to talk to peaceful law abiding Canadian citizens who are protesting in front of the Parliament building. Instead, the leader saw a couple hateful flags flown at the beginning of the protest and automatically discredited the entire group of thousands of protesters as racist and hateful people, which is not fair.	2/20/2022 2:18 PM
7704	Got hope for freedom and truth	2/20/2022 2:18 PM
7705	Not at all I support the truckers for what they were trying to do freedom is all Canadians right	2/20/2022 2:17 PM
7706	Shows people care and stick up for them selves there has been no personal negative reaction. There are trouble maker groups short tailing with them the truckers causing trouble or threatening people. Not the decent people have been making a point.	2/20/2022 2:17 PM
7707	It has given me hope for myself and my family and with the Canadian people	2/20/2022 2:17 PM
7708	It's been a positive light in the darkness, it's restored my faith in humanity	2/20/2022 2:17 PM
7709	I see how community can thrive if we ban together	2/20/2022 2:17 PM
7710	Made me proud of my fellow Canadians and deepened my resolve to stand by my conscience	2/20/2022 2:17 PM
7711	It has given me great hope and faith in the citizens of Canada. It has united people of different backgrounds and exposed the lies, corruption, and abuse of power of the government and legacy media.	2/20/2022 2:17 PM
7712	It's a wonderful thing, what these truckers are doing. Hasn't bothered me in the least. I support them fully!	2/20/2022 2:17 PM
7713	It hasn't really, other than I've come to realize Trudeau is not the leader that Canada needs	2/20/2022 2:17 PM
7714	Opened my eyes, gave me hope, felt united even without being there. Not physically there due to physical disability or I'd be holding the line right there beside them♥	2/20/2022 2:17 PM
7715	Made me proud again	2/20/2022 2:16 PM
7716	Other than an embarrassment it hasn't.	2/20/2022 2:16 PM
7717	Good	2/20/2022 2:16 PM
7718	Freedom is important but can't infringe on rights of others	2/20/2022 2:16 PM
7719	Brought hope for freedom	2/20/2022 2:16 PM

Canadians vote on Canadian Mandate - February 2022

7720	Not at all	2/20/2022 2:16 PM
7721	The truckers convoy has done more in 3 weeks to expose the stupidity and lies that have been pumped into main stream media than anything any other organization has attempted. Love the Truckers, love freedom, love Canada. Can't stand Trudeau... They have pointed out our true enemies Trudeau, Freeland, Shingh...	2/20/2022 2:16 PM
7722	Made me proud to see people fighting for what is right	2/20/2022 2:16 PM
7723	It gave me hope of a return to a free and normal lifestyle	2/20/2022 2:16 PM
7724	It gave me hope and made me feel Canadian shain	2/20/2022 2:16 PM
7725	It has not. But, I do not necessarily agree either.	2/20/2022 2:16 PM
7726	It hasn't affected my life in anyway. In fact it gave many people hope for the future.	2/20/2022 2:16 PM
7727	It hasn't.	2/20/2022 2:16 PM
7728	It has brought me so much hope, for the first time in a long time.	2/20/2022 2:15 PM
7729	I have felt isolated for the past 18 months - and really felt like I WAS part of a fringe minority. That is until, the Freedom Convoy began 3 weeks ago. Seeing the huge support of Canadians on the roadside, on overpasses, and in Ottawa, has been a great gift to my spirit. I am more courageous and determined to walk in the truth and conviction of what I know is true, and to not cower under the oppression of 'group think.' A small victory for me is that I have the courage to take off my mask while grocery shopping. The response of the government, 'health' officials, law enforcement, and banking system to the Freedom Convoy, has opened my eyes to the DEPTH of the corruption in all levels of Canadian society. This is another gift that the truckers have given to me. I will be forever grateful to the truckers and all the supporters of freedom across our land. We are still in a battle for freedom in Canada, but now we clearly see who is with us, and who is against us. HONK! HONK!	2/20/2022 2:15 PM
7730	Inflation	2/20/2022 2:15 PM
7731	It has affected me with food, clothes and anything else that comes from a truck. I am also so so proud of everyone sticking up for our freedom all over the world!	2/20/2022 2:15 PM
7732	I believe in what they stand for!	2/20/2022 2:15 PM
7733	Not really, and I thank God someone finally did something!	2/20/2022 2:15 PM
7734	possibly driving prices up from lack of supply	2/20/2022 2:14 PM
7735	It has given myself a voice and hope	2/20/2022 2:14 PM
7736	No	2/20/2022 2:14 PM
7737	It made me proud to be Canadian again	2/20/2022 2:14 PM
7738	I'm very proud to be Canadian when I see such a patriotic group taking action against the corrupt Trudeau government.	2/20/2022 2:14 PM
7739	They gave us hope for Canada and freedom BUT it was all stripped away by PM power hungry totalitarianism style and police brutality to regular people	2/20/2022 2:14 PM
7740	Bringing sense of hope	2/20/2022 2:14 PM
7741	I love it, wish I could of been there!	2/20/2022 2:14 PM
7742	Yes was encouraged that people are trying to stand up for their rights and be heard not willing to live under the dictatorship of an entitled prime minister. Really shocked that a peaceful protest ended in one person taking away the will of the people such an overstep of entitlement and power. All that was required was to come as a ruling government and meet with the people and have dialogue. Even a terroirs gets that privilege but not the people who don't support the Trudeau dialogue.	2/20/2022 2:13 PM
7743	It did not affect me personally.	2/20/2022 2:13 PM
7744	Proud to be canadain again	2/20/2022 2:13 PM

7761	Freedom	2/20/2022 2:12 PM
7762	Made me angry - angry that the flag and our national anthem have been shamed by a small group of people who don't represent the majority of Canadians and slandered the democratic country we live in.	2/20/2022 2:12 PM
7763	it has given hope....	2/20/2022 2:12 PM
7764	Didn't affect my life,this is about standing up for the people and for the freedom of being a free citizen	2/20/2022 2:12 PM

7773	It gave us hope for changes and that common sense would prevail. I was excited and hoped this would bring the sides together to solve issues. I was so happy I went to Ottawa and spoke with the truckers, people, vets, and saw the hope and kind people. Shocked the Police would	2/20/2022 2:11 PM

7776	I began to believe in humanity again until Trudeau did the ultimate slap in the face.	2/20/2022 2:11 PM
7777	I am disgusted by it. For the first time in my life I am embarrassed and ashamed as a Canadian. We have a democracy in our country and as such totally support our federally elected government. The protesters come across as privileged white people being told "no" for the first time. They had the ability to work in Canada if they preferred to work. Their livelihood was not squashed by the frdral mandates.	2/20/2022 2:11 PM
7778	In NO ways ... I worry about my Childrens future because of Mr.Trudeau's decisions	2/20/2022 2:11 PM
7779	Annoyance but otherwise not at all personally. I am disappointed by family members showing their true colours and prejudices against others.	2/20/2022 2:11 PM

7796	No impact .. but appreciate the cause and attention it has drawn on the Covid mandates. The corrupt federal and provincial governments. And the commitment to Freedom by so many Canadians	2/20/2022 2:10 PM
7797	It hasn't other than raise my blood pressure at their selfishness and stupidity.	2/20/2022 2:10 PM

7804	The convoy has given me hope that I have not felt in a long time. I feel like we have a goal to work towards and it gives me a reason to get up in the morning. The convoy has also shown me just how corrupted our government is because of some of the things they have called us and said. And their response to the convoy.	2/20/2022 2:10 PM

7850	Slowed commerce	2/20/2022 2:07 PM
7851	It has not but if that POS Trudeau would have met with the truckers than this could have been resolved. If the truckers get really pissed off than they just won't haul anything. In 2 weeks there will be no food in the stores no fuel for cars, no fuel for planes or any heating oil for houses. What will the little dictator do then.	2/20/2022 2:07 PM

7873	Has given me hope	2/20/2022 2:05 PM
7874	It has given me so much hope. I am relieved to know there are thousands if not millions of other people who feel the same way as I. The convoy has brought back my feeling of being proud to be Canadian. Before the convoy I was very ashamed of Canada and was not proud to be Canadian. I feel hopeful that by standing in unity we will win this fight. The truth and honesty will prevail!	2/20/2022 2:05 PM
7875	Giving a sense of pride that there are those brave enough to stand up to Trudeau's ridiculous mandates.	2/20/2022 2:05 PM
7876	It gave me hope that I was not a minority feeling the same way.	2/20/2022 2:05 PM

7885	Hopeful	2/20/2022 2:04 PM
7886	Not at all.	2/20/2022 2:04 PM
7887	It has given me hope that the government would get the message and see that the majority of Canadians supported the end of the mandates and the message that the truckers were bringing. We want to have our lives back and move on.	2/20/2022 2:04 PM
7888	Gave us hope to get rid of useless mandates & restrictions & to restore our rights & freedoms.	2/20/2022 2:04 PM
7889	Gave me renewed hope that we the people can make changes against an unjust government propaganda and lies	2/20/2022 2:04 PM

Canadians vote on Canadian Mandate - February 2022

7891	It has given me hope.	2/20/2022 2:04 PM
7892	It has given hope and inspired and motivated me to hold on and stand strong in my beliefs and to fight for my god given rights as a human. I stand for freedom.	2/20/2022 2:04 PM
7893	I lost revenue, suffered psychologically.	2/20/2022 2:04 PM
7894	It has given me hope for a future here in Canada for my son's future most of all but for everyone who is so uncertain of our future!	2/20/2022 2:04 PM
7895	It has given me hope and encouragement. The fact that there are still Canadians out there who are willing to stand for truth and freedom in the face of all of the pressure to conform and submit coming from the state. They will send jack-booted thugs out there to crush the spirits of the protestors, but it won't work. The lesson of the 20th century; NEVER entrust your day to day decisions to bureaucrats.	2/20/2022 2:04 PM
7896	Not at all	2/20/2022 2:04 PM
7897	None	2/20/2022 2:03 PM
7898	Has given me some hope and shown how horrific our MP is	2/20/2022 2:03 PM
7899	It hasn't	2/20/2022 2:03 PM
7900	It's brought some hope to our corrupt and sad world	2/20/2022 2:03 PM
7901	Not at all it made me feel hopeful	2/20/2022 2:03 PM
7902	Has give Hope of freedom back into our country!!	2/20/2022 2:03 PM
7903	Given hope.	2/20/2022 2:03 PM
7904	It's given me hope	2/20/2022 2:03 PM
7905	It's given me hope	2/20/2022 2:03 PM
7906	It has brought a sense of freedom. The conviy has done more for Canadians in the last 3 weeks then all of the political parties have done in the last 3 years	2/20/2022 2:03 PM
7907	It has angered me to see that far right hate groups are rallying for freedom. They actually need to see what not having freedom really means. I now detest the sight of our flag. It sickens me to see how people are acting. If this was an Islamic group protesting, it wouldn't have lasted a day. White privilege	2/20/2022 2:03 PM
7908	Hasnt	2/20/2022 2:03 PM
7909	Made me happy to be Canadian again	2/20/2022 2:03 PM
7910	free to choose and gives hope for tomorrow	2/20/2022 2:03 PM
7911	Negatively! At a time when everyone is stressed to the max by a pandemic, having a group fascists financially supported by far-right extremists take over our nation's capital, some of whom intended to overthrow the government, has been incredibly discouraging and upsetting. These people do not understand what being Canadians is about, otherwise, they would have also taken the steps 85% of us have taken to get back to normal. Refusing to get vaccinated and wear a mask is not doing anything to help us get out of this. P.S. Trudeau's name is misspelled.	2/20/2022 2:03 PM
7912	Inspired me with hope for humanity, then sickened me as I watched the media coverage so very different than the 'boots on the ground' coverage, brutal police enforcement on peaceful protestors	2/20/2022 2:03 PM
7913	It has shown me that Canadians can be united in a peaceful loving manner!	2/20/2022 2:03 PM
7914	Gave me hope that we will have our Freedoms back to have our normal lives back	2/20/2022 2:03 PM
7915	I was hoping we will get the freedom back!	2/20/2022 2:02 PM
7916	For the better. Makes me proud to be a Canadian again!!	2/20/2022 2:02 PM
7917	Weeks	2/20/2022 2:02 PM

7932	Not good but to every action there will be an action	2/20/2022 2:01 PM
7933	By knowing we as Canadians together can protest for what we believe in....Freedom of Speech, Constitution.....Not dictatorship as what is happening now. The truckers have stood up for ALL Canadians. All they were asking was for the government to talk to them and no one has. Trudeau won't even answer one single question in Parliament and keeps deflecting his answers. This is not right! We pay them to be in Government.....	2/20/2022 2:01 PM

7944	I am sad that I cannot be there to participate.	2/20/2022 2:00 PM
7945	It has given me HOPE in the goodness and unity of Canada. Because of the convoy we see the East and the West Provinces and Quebec unite as ONE nation, caring, loving and helping one another.	2/20/2022 2:00 PM
7946	I helped! Proudly!	2/20/2022 2:00 PM

7953	It's proven we will not just sit by and follow blindly when something isn't right. It has given a hopeful future to the next generations	2/20/2022 1:59 PM
7954	Stressful	2/20/2022 1:59 PM
7955	Makes me think there is HOPE and freedom will soon be ours again!	2/20/2022 1:59 PM
7956	It has made me proud to be Canadian again, they are fighting for our freedoms back. My grandparents fought for our rights and they were all taken away. Thankful for the truckers and the whole convoy.	2/20/2022 1:59 PM
7957	They show how we as a people need to be unified and come together with love and support .We need this to be happy as human beings .Love is what we need not suppression	2/20/2022 1:59 PM
7958	It has been fantastic brought back hope and I have been meeting the most amazing people since it started	2/20/2022 1:59 PM
7959	N/a	2/20/2022 1:59 PM
7960	Made me realize how corrupt our government is	2/20/2022 1:59 PM
7961	Brought hope and faith in our countryman back	2/20/2022 1:59 PM
7962	Yes. Province dropped the mandate after the convoy. It definitely had an impact on public health measures.	2/20/2022 1:59 PM
7963	Brought inspiration and hope that Canadians can unite and fight for our freedoms.	2/20/2022 1:59 PM
7964	I agree with what the truckers are doing are freedoms deserve to be heard and shouted this is the land of the glorious and free.	2/20/2022 1:59 PM
7965	I am greatly relieved that the people involved in the convoy are courageous enough to do something to resist the tyranny coming out of Ottawa. It's now much bigger than anyone ever could have hoped for . . . indeed, a worldwide movement of like-minded people who know that if they do not fight, we all lose.	2/20/2022 1:59 PM
7966	Convoy has nothing to do with legitimate truckers.	2/20/2022 1:59 PM
7967	Did not	2/20/2022 1:59 PM
7968	It hasn't. It has given me hope that Canadians are waking up to realize our government is falsely imposing mandates that are totally unreasonable!	2/20/2022 1:59 PM
7969	It has given me hope	2/20/2022 1:59 PM

7971	Brings me hope for all Canadians to end the divide, mandates and the corrupt madness of this government !	2/20/2022 1:58 PM
7972	Makes me feel Proud to be Canadian and finally see a glimpse of hope.	2/20/2022 1:58 PM
7973	It's embarrassing to be from Alberta right now. The incessant honking in downtown Edmonton is ridiculous and makes it difficult to sleep. They slow down the flow of traffic. Seeing them makes me angry, as they are almost all entitled and privileged old white men who claim that their freedoms are being taken away. But following public health and safety guidelines isn't oppression. Those people need to check their privilege and grow the hell up.	2/20/2022 1:58 PM
7974	The trucker convoy gave me and many around me hope, a time to feel proud to be Canadian again, a time to feel as though our voices might finally be heard; The same voices censored, silenced and suppressed because it did not fit the ideals of our Prime Minister.	2/20/2022 1:58 PM
7975	It's brightened my life and canadas life, Trudeau has ruined our country and moods.	2/20/2022 1:58 PM

7995	It's been encouraging to see so many Canadians unite and also that the gospel has been preached	2/20/2022 1:56 PM
7996	Not one bit. I support them and what they do. I understand why they are doing it because I first hand have had my life flipped upside down because of these mandates.	2/20/2022 1:56 PM
7997	They've given me hope	2/20/2022 1:56 PM
7998	Has not	2/20/2022 1:56 PM
7999	Any group of people can exercise thier right to protest in a democracy whether I agree with them or not. It does not affect my life in any way.	2/20/2022 1:56 PM
8000	I have friends who are involved with the Freedom Convoy and may lose their livelihood because of the Divisive actions of the Prime Minister to Invoke the Emergency Act . Because of this, his truck has been seized and as of yet it has not been returned. I as a Canadian want no part in the establishment of a New World Order . Please keep Canada glorious and free	2/20/2022 1:56 PM
8001	It hasn't affected my life, except for emotionally moving me and reminding me of what Canada is about. Saddened by the lies of media portraying the convoy.	2/20/2022 1:56 PM

8005	Anxiety due to the misinformation and racist attitude spread. Empathy for the people of Ottawa. Anger and embarrassment at how we have been portrayed on the world stage	2/20/2022 1:55 PM
8006	Given hope	2/20/2022 1:55 PM
8007	Opened peoples eyes	2/20/2022 1:55 PM

8008	Has given me Hope.... Shown me that I and my family is not alone in how we feel. The men and women in Ottawa should be so proud!!!	2/20/2022 1:55 PM
8009	Made me feel hope, and a renewed feeling of unity and admiration for my fellow Canadians, and has helped expose the MSM and Government for what they really are	2/20/2022 1:55 PM
8010	Demonstrated that the majority of Canadians do not support the COVID policies either. Improved my outlook on the future of Canada.	2/20/2022 1:55 PM
8011	The truckers chose to speak up.. we have those liberties in our country . By watching how the government and police handled the Ottawa situation sicken me. Not a proud day in Canadian history	2/20/2022 1:55 PM
8012	We have to have choices and a voice. Let us decide what we need and want for Canada	2/20/2022 1:55 PM

8016	I think their protest has opened a lot of eyes and minds in Canada. I live in the national capital region and my family lives in Ottawa. They we're not affected negatively by the convoy. People want better from their government and who can really blame them.	2/20/2022 1:54 PM

8031	They are standing up for Canadian rights. Our government has gone too far with their extreme restrictions.	2/20/2022 1:53 PM
8032	The response from the Canadian government is concerning a it is acting like an authoritarian government calling in martial law on a peaceful protest.	2/20/2022 1:53 PM
8033	Made me feel better, gave me hope	2/20/2022 1:53 PM
8034	Given me hope and joy in Canada again. People standing for freedom and for our rights!	2/20/2022 1:53 PM

8036	It's given me hope that Canada can be an amazing place again.	2/20/2022 1:53 PM
8037	Nothing but a headache by people who only care about themselves and noone else. Definitely not the immunocompromised and young children who legit can't get vaxxed and/or the elderly who could tell the Convoy a thing or two about what "lack of freedom" really means as they	2/20/2022 1:53 PM

chill dancing in the streets with bouncy houses and hot tubs. How much school have the convoy's children intentionally missed by putting them physically in the middle of it all? Do you feel proud using your children as a physical shield? The convoy has made the economy suffer and caused prices to sky rocket, put lives at risk by pushing Premieres to go against medical guidelines without care for medical staff in a quicker time frame, and has caused people to lose jobs/hours with their jobs which means less money to bring home to take care of their families. They did NOT have a choice like the unvaxxed. Small businesses in the Ottawa area are included for the losing money bit. Ask them. There's a reason their residents and small business owners took you to court. The convoy has cause huge division and made our country look completely ugly. Causing people to question our friendly reputation with the flags that have been flown, food that's been stolen, racism that's been spoken. Etc. For example, with this survey alone, why does a person have to be a Canadian citizen. I was born and raised in Canada, but what about permanent residents? People who have lived here most of their lives? Why is the first question of this survey an automatic division? If you don't like how Canada is run and our amazing reputation as a whole country prior to the convoy, move!!

8038	Hasn't really	2/20/2022 1:53 PM
8039	Woken more Canadians up, to see what we have seen all along	2/20/2022 1:53 PM
8040	If anything it has made me happy to know I am not alone in the way I feel. It makes me happy to see people fighting for what is right. I support the convey and what they are fighting for 150%.	2/20/2022 1:53 PM
8041	Made my life better. Gave me some sort of normalcy to our lives and made me proud to be Canadian AGAIN!!	2/20/2022 1:53 PM
8042	Inspirational	2/20/2022 1:52 PM
8043	Hope, unity, light at the end of our tunnel. A voice!	2/20/2022 1:52 PM
8044	Made me proud of Canadians, but even more ashamed of our Government and the unnecessary use of force on peaceful people . I'm absolutely disgusted in police riding horses running people over , and police beating protesters that have remained peaceful	2/20/2022 1:52 PM
8045	It gave me hope.	2/20/2022 1:52 PM
8046	I support the convoy and what they stand for	2/20/2022 1:52 PM

8049	Hope	2/20/2022 1:52 PM
8050	Given me hope	2/20/2022 1:51 PM
8051	It has made me ashamed that so many people in my country have fallen victim to misinformation and are willing to use truckers to cover up their anti-government and anti-social politics. It's made me infuriated that we have to spend collective time and resources on misfits and hooligans with the barest sense of understanding. It is embarrassing to see how many people are so deeply ignorant about how our laws and political system works. Friends of mine living in Ottawa have been directly harmed by the convoy's criminal harassment of the public. Those of you who support this convoy should be deeply ashamed.	2/20/2022 1:51 PM
8052	Brought me hope for Canada but we need to redo out governance system.	2/20/2022 1:51 PM
8053	It has given me hope that there are millions of Canadians who feel the same.	2/20/2022 1:51 PM

8059	It hasn't affected my life	2/20/2022 1:51 PM
8060	The trucking convoy message of freedom gave me hope. However the media and government	2/20/2022 1:51 PM

has dictated that the message was not of freedom but rather to overthrow the government. This announcement to the public in regard to the convoy was false and effected my life negatively causing me to once again experience fear and anxiety and worry. I do not believe the main message of the convoy was to overthrow the government, time and time again they voiced that it was for freedom and to lift the mandates.

8064	Selfish fucking idiots disrupting supply chains, causing people in my family to be laid off work, and making it difficult to obtain medically necessary products for another family member... this isn't a trucking convoy, it's an anti-government occupation by domestic terrorists.	2/20/2022 1:50 PM

8105	Ottawa is too far away for me to exersize my canadian rights to protest. I feel hope that the truckers head the protest that enabled many Canadians to feel safe to join them.	2/20/2022 1:46 PM
8106	The trucker convoy showed me that freedom is important and that we have to fight to get it back.	2/20/2022 1:46 PM

8108	Shows people have common sense	2/20/2022 1:46 PM
8109	Annoying	2/20/2022 1:46 PM
8110	The convoys world wide especially here in our province and in Ottawa, the nations capital, have given us hope again to take back our rights and freedoms as Canadian citizens. The science has proven that the vaccine does not work. The vaccinated are not free as they have to show their passports and still wear masks and can still catch and spread covid just the same as the non Vax. We are not a third world country and we are not a communist country! Trudeau can move to china where he likes his they run their country. We are Canada the true north strong and free! We have a charter of rights and freedoms that is for every single Canadian! The convoy gives us Hope! Something we all lost these last 2 years. It's time we take back our rights and Freedoms!	2/20/2022 1:46 PM
8111	It has given me some hope .	2/20/2022 1:46 PM
8112	Trucking convoy has not affected any part of my life..or employment, I believe the trucking convoy as well as all Canadians have the right to protest peacefully, which was what the trucking convoy has continuously done until the police came and created a violent atmosphere.	2/20/2022 1:46 PM
8113	It has given me hope due to the fact that the world has been watching as our failing leader has destroyed the democratic process. Now it's not just Canadians who want his head. This gives me hope.	2/20/2022 1:45 PM

8119	It gave me hope, joy, unity, community. It showed the world that the division is within government and media, not individuals.	2/20/2022 1:45 PM
8120	It's brought me hope. I fear for the truckers safety though. As I do not trust the police to stand by or constitutional rights.	2/20/2022 1:45 PM
8121	Has provided hope that all the mandates would be gone and that there are others around me that feel the same	2/20/2022 1:45 PM

8138	It's has been amazing in uniting the country and we are proud there are people that are willing to speak up for everyone even if people can't understand that peace and love and freedom need protected for everyone. I can only hope that government officials that can make a difference will find away to protect the canadian people. The damage has been great and it's time to heal. Seeing violence against the freedom convoy and peaceful protesters is disgusting.	2/20/2022 1:43 PM
8139	It made life scary and miserable for a lot of my friends.	2/20/2022 1:43 PM

8153	Has not affected me at all; I admire their stand.	2/20/2022 1:42 PM
8154	They brought hope, unity and pride that I haven't seen in my lifetime in this country.	2/20/2022 1:42 PM

8156	Inspiration, unity , feeling not alone, hope	2/20/2022 1:41 PM
8157	It has not affected me.	2/20/2022 1:41 PM
8158	The convoy has restored my faith in Canadian Patriotism which I thought was dead. The unity between all the Provinces, the love shown in Ottawa and Quebec uniting first time I've ever seen that in my life. The global support has made me cry, the roadside Cdns supporting the truckers has made me cry. I went to Ottawa Feb 5th best day ever first time in 2 yrs. The truckers protest for freedom was the BEST thing to ever happen to Canada. Our Prime Minister is the worst.	2/20/2022 1:41 PM
8159	In a positive way because it has given me hope and connected me with more like minded people	2/20/2022 1:41 PM

8165	I think has made many people proud to be Canadians when started.	2/20/2022 1:41 PM
8166	It has become the symbol of hope to return to normal life, the symbol of freedom... At least they try to give a message to the government to care for people in this situation... People hate to follow blindly the orders and realize the fact that their freedom is being stolen. Enough is enough!!!	2/20/2022 1:40 PM
8167	Made me proud to be a Canadian	2/20/2022 1:40 PM
8168	It makes me happy to see our Canadians fighting back for our rights and freedoms. The government has no right to take those away. The convoy is a good thing and needs to happen otherwise the government will bully us into letting them walk all over us. The only threat from the convoy is the government trying to shut us up and spread more lies of what the convoy is really about	2/20/2022 1:40 PM
8169	Given some hope for the end of all this nonsense	2/20/2022 1:40 PM

8171	Has been very upsetting to think our country could be taken over by these bullies. Don't call it a trucking convoy - it wasn't instigated by truckers, but by far right white supremacist extremists - the truckers and other followers were duped.	2/20/2022 1:40 PM
8172	Emotionally, very disappointed in the truckers and associates. A democracy is an honour system and they are not honourable. Canada needs a nationwide dialogue on Freedom: "Not what the country can do for you, but what you can do for the country" vs. "Not what you can do for the country, but what the country can do for you".	2/20/2022 1:40 PM

8177	It has raised my awareness on the negative effects Covid and the related restrictions have had on others	2/20/2022 1:40 PM
8178	Gave me hope we can and will get our Canada back. The government is to work for US! we are not slaves to the government and we deserve to have a voice and most importantly a CHOICE	2/20/2022 1:40 PM
8179	Only in a positive way..it has waken everyone up all around the world and everyone is being exposed for how poorly the do their jobs and care for the actual citizens who run this country NOT the government and the liberal regime!!!!	2/20/2022 1:40 PM
8180	I saw how we as Canadians can and have come together. I also see how much corruption is in this country.	2/20/2022 1:40 PM
8181	Go get them truckers	2/20/2022 1:40 PM
8182	It has affected me in such a positive way. The convoy gives me hope in our country and world. Much love to our our peaceful concoy!	2/20/2022 1:39 PM
8183	It gives us a sense of surety that hopefully things will get better and opened up a lot of eyes as to see how corrupt the government is	2/20/2022 1:39 PM
8184	It's given us hope	2/20/2022 1:39 PM
8185	It has given me hope that there are many other Canadians that have had the same mindset as me and think what the government is doing completely wrong and need to stop!	2/20/2022 1:39 PM
8186	Inspired me. I start believing in freedom again. They won for me. God bless them all.	2/20/2022 1:39 PM
8187	Less grocery items available in stores and higher prices when they do have them	2/20/2022 1:39 PM
8188	The trucker convoy has not affected my life in any negative way, on the contrary it has opened my eyes to the greater problems in Canada and I am endlessly grateful to the men and woman who drive night and day to put good and goods and material on our plates and in our homes.	2/20/2022 1:39 PM

8191	Hasn't	2/20/2022 1:39 PM
8192	Deeper in prayer for others	2/20/2022 1:39 PM
8193	more Education needed so that adults realize that with rights come responsibilities and that as Canadians, we care for each other, our neighbours, our health care workers. No room in our country for those who think they are above the law. Ashamed that there are adults in our country that feel they have the right to stomp their feet, throw temper tantrums with trucks. Shameful☹	2/20/2022 1:39 PM
8194	They haven't affected Us in the way that there are supply shortages I find that everything is still able to get how it has affected is giving hope that there is a group of people that feel the same way that I do they're trying to make a change	2/20/2022 1:39 PM

8201	it has given me hope that democracy might be upheld	2/20/2022 1:39 PM
8202	It has brought me hope, seeing the country uniting, people of all races, religion coming together to stand up against the mandates that are still in place in Canada, at a time when the rest of the world is ending them.	2/20/2022 1:38 PM

And now police are acting on his orders and all should be ashamed these are innocent Canadians protesting cause of what the government is doing . I'm ashamed how the government system is acting they should be supporting them and give us our freedom back. How many people got the vaccination and still have and get COVID so tell me how is that working. We have a freedom of choice do we not! And have RIGHTS! 8267	I 100% support the convoy and protesters. They have brought hope to Canadians, the love and unity of my fellow Canadians is heartwarming. Our government will not listen to it's own citizens, and are trying to continue to cause fear and division to us. The government wants total control over our rights and freedoms. I am ashamed of our government and the police in Ottawa and their attacks on the peaceful, loving protesters.	2/20/2022 1:34 PM
8268	They've inspired hope	2/20/2022 1:34 PM
8269	It hasn't	2/20/2022 1:34 PM

8280	Positivity, hope, optimism, unity	2/20/2022 1:33 PM
8281	I'm grateful for this peaceful protest. Someone needed to speak up. Canada is a beautiful country - but it is becoming the laughing stock of the world right now.	2/20/2022 1:33 PM
8282	Not affected by this	2/20/2022 1:33 PM

8309	It's given me hope for Canada.	2/20/2022 1:31 PM

8314	The convoy has become an opportunity to bring the Canadian population together and have their voices heard in a way that was not available before it. The disagreement with the mandates and the treatment of the pandemic is finally being talked about, where those that opposed the mandates were largely ignored before then.	2/20/2022 1:30 PM

8331	Unity..hope	2/20/2022 1:29 PM
8332	Provides hope and a feeling of solidarity	2/20/2022 1:29 PM
8333	The Freedom Convoy brought me more joy and hope than anything in the last 2 years. And longer. The truckers movement United Canadians of every walk of life colour and creed. It was peaceful movement that brought people traveling many miles to support and experience. As well as thousands on their phones following the live feeds. It was the biggest most hopeful experience for Canadians who care about their freedom ! It was real ! Have never felt more proud to be Canadian !	2/20/2022 1:29 PM
8334	It's given me hope knowing there are other Canadians who can see the writing on the wall and the threats facing our freedom & democracy over the governments extremist pandemic response.	2/20/2022 1:29 PM
8335	Have me hope and felt proud to be a Canadian, and felt like there may be some hope in the future.	2/20/2022 1:29 PM
8336	It gave me hope until I have seen what violence was brought by the government. It was peaceful until that time. JT has NO business being a prime minister. It is a joke, Canada is the laughing stock of the world. Why is the government not being held accountable for their actions. JT should be in jail.	2/20/2022 1:29 PM
8337	Gave me inspiration and hope that we can stop these tyrannical acts against mankind, and that I am not a minority.	2/20/2022 1:29 PM

8366	It has seemed to get things moving on ending mandates	2/20/2022 1:26 PM
8367	Well I was not negatively affected by them. It made me proud to see the travelling Protest! . I was deeply saddened on Valentines Day when Trudeau made his bloody announcement to invoke war on the freedom Convoy ! Also Friday was a sad Day in Canadian history !	2/20/2022 1:26 PM

8369	It's giving me hope, love and some peace. I will never forget these brave people.	2/20/2022 1:26 PM
8370	I felt hope for the first time in years.	2/20/2022 1:26 PM
8371	Gave me hope	2/20/2022 1:26 PM
8372	In no way at all.	2/20/2022 1:26 PM
8373	No immediate impact except it has sparked good discussion amongst friends and family about current affairs and government processes.	2/20/2022 1:26 PM
8374	Proud to be Canadian again for once in two years, joy, hope, love, respect and unity. It has had the utter most positive impact on me and my family and goes the same for many many others.	2/20/2022 1:25 PM
8375	The trucking convoy has only affected my life in a negative way and not directly, but with family and friends who work at the borders, our truckers themselves, or have lived in areas where the ongoing protests have made their lives miserable. I'm sure there are people in the trucking protest that are there for what they believe are important reasons, but many of them have taken advantage of the situation and have been disruptive, belligerent, hostile, and aggressive to the people living in downtown Ottawa and have terrorized them and made it an unliveable place. Trying to bully people or governments into changing their decisions is not democracy, it's domestic terrorism.	2/20/2022 1:25 PM
8376	Proud of the people supporting our country	2/20/2022 1:25 PM
8377	It has given me hope and lifted my spirits, sense of community, patriotism	2/20/2022 1:25 PM
8378	Giving us hope	2/20/2022 1:25 PM
8379	I believe some Premiers are backing down which I am grateful for.	2/20/2022 1:25 PM
8380	Gave me hope that we can remain in a free nation. Showed me I am not alone in my desire to maintain the freedoms afforded to me by my elders who fought for our charter rights.	2/20/2022 1:25 PM
8381	My heart goes out to the truckerthey do long hours and long hauls we need them more then a lot of people realize. They are dedicated Men and Women to do this job its not easy .they need there lively hood back and we need them .	2/20/2022 1:25 PM
8382	It has affected on a positive way, because it has give me hope in humanity's unity	2/20/2022 1:25 PM
8383	Gave me hope for Canada's future	2/20/2022 1:25 PM
8384	It has given me hope and I am extremely proud of them.	2/20/2022 1:25 PM
8385	Given hope.	2/20/2022 1:25 PM
8386	Feeling SO proud of the truckers and Canadians standing with them.	2/20/2022 1:25 PM
8387	Am very proud of the truckers to say no to unreasonable demands!	2/20/2022 1:25 PM
8388	We needed to speak out!!	2/20/2022 1:25 PM
8389	I realized that the truckers are the only Canadians who have balls to stand up for what they believe in.	2/20/2022 1:24 PM
8390	loud, obtrusive, traffic issues, assaults	2/20/2022 1:24 PM
8391	It did not do anything but to help make a point that the government has pushed us all to far	2/20/2022 1:24 PM
8392	Positively	2/20/2022 1:24 PM
8393	The convoy has given me hope that maybe we will have more joy again. I feel more united and not so alone now seeing the amount of people that stand with my views.	2/20/2022 1:24 PM
8394	Made me believe in this country and to see the people coming together peacefully to be able to have a freedom of choice.	2/20/2022 1:24 PM
8395	Arguments with people.	2/20/2022 1:24 PM
8396	They have given me hope. They have renewed my faith in humanity. I know that God is working through these brave individuals fighting for all Canadians rights and freedoms which	2/20/2022 1:24 PM

Canadians vote on Canadian Mandate - February 2022

my grandfather had done once before in world war 2.

8397	Made me feel less alone in my opposition to mandates , Trudeau response horrified me. Embarrassed as a Canadian.	2/20/2022 1:24 PM
8398	Brought joy and unity, proud to be Canadian finally! Bought flag for car and big flag for front porch!!!	2/20/2022 1:24 PM
8399	They've gave me hope, they made me proud to be a Canadian & got my support.	2/20/2022 1:24 PM
8400	It has given me hope and united me with others	2/20/2022 1:24 PM
8401	It has given truckers a bad name as the majority - 90% are vaxxed and working. This protest has NOT been about mandates. It HAS been about a small group of ppl primarily far right Christians and white supremacists. I have become disgusted by their actions & sincerely hope for adequate penalties & jail time for the leaders and radical participants	2/20/2022 1:23 PM
8402	Gave me hope	2/20/2022 1:23 PM
8403	Not at all.	2/20/2022 1:23 PM
8404	None	2/20/2022 1:23 PM
8405	Given so much hope. Connected me with like minded people.	2/20/2022 1:23 PM
8406	I support the Truckers Convoy 100%	2/20/2022 1:23 PM
8407	Our shelves are getting very empty. We need the truckers!!	2/20/2022 1:23 PM
8408	MADE ME BELEIVE WE HAVE A FUTURE	2/20/2022 1:23 PM
8409	It gave me great hope in the beginning. However now I very much distrust Police and Government.	2/20/2022 1:23 PM
8410	Finally we are standing up against a corrupt and controlling government.	2/20/2022 1:23 PM
8411	Personally it hasn't but I feel like it has made a lot of people come out of the woodwork and be unkind people. It gave people who were frustrated an outlet for their rage. It amped up everything. I do think they can make other protocols for the truckers who want to still work and are jot vaxxed. Like staying in their truck while in the US. However the US has the same rule so whatever happens I'm Canada won't change the US rule so what's the point? At this point, the convoy is dividing the country and I think the people in Ottawa need to just leave....it's getting worse because they won't follow the rules. Maybe the PM would have a change of heart if they obeyed. And I'm not a JT fan either but this is causing so much shit in the world.	2/20/2022 1:23 PM
8412	They have given me hope that this will end	2/20/2022 1:22 PM
8413	It really hasn't, other than some shelves at the grocery shelves are a bit spare.	2/20/2022 1:22 PM
8414	First good news in 2 years. Gives hope for the future. I was born in Canada and this is the first time I have been truly proud to be Canada in.	2/20/2022 1:22 PM
8415	Encoutaging	2/20/2022 1:22 PM
8416	Undecided	2/20/2022 1:22 PM
8417	Good	2/20/2022 1:22 PM
8418	I'm proud of them for fighting for all of us in a respectful manner	2/20/2022 1:22 PM
8419	I've felt a lot of hope and joy since this convoy has started	2/20/2022 1:22 PM
8420	It inspired and supported me , I see many people with hope and sharing same feelings	2/20/2022 1:22 PM
8421	Inspiration. A test to the government to see if we actually still have a charter of right's. To prove if we have a free country or not.	2/20/2022 1:22 PM
8422	It has made me see my country through new eyes. I am not a proud Canadian at the moment and mostly embarrassed for us as the entire world is watching us and I am sure cannot believe as I do, that it is still going on after this long. Would not happen in other countries.	2/20/2022 1:22 PM
8423	Unknown at this time. However, the Law Enforcement dealings with it has not left a positive impression on me.	2/20/2022 1:22 PM

8430	Showing me some light at the end of the tunnel. Hope	2/20/2022 1:21 PM
8431	The strength and perseverance from the truckers and farmers has given us hope. We have committed our life at this stage to spreading their news far and wide, flying our flags on our vehicles in support for the movement, attending rallies, driving in convoys every weekend and meeting new brothers and sisters along the way. I go around my local community and ask businesses to hang up flyers and promote them to others we meet along the way. Spreading the truth is the most important mission I've done and the passion that comes from that is an endless energy. The truckers are waking up more people and I pray for their safety especially now as the government has waged war on them and the rest of the Canadian people.	2/20/2022 1:21 PM
8432	It has given me hope.	2/20/2022 1:21 PM

8437	It didn't cause any hardship.	2/20/2022 1:21 PM
8438	It has made my family feel like our vulnerable son doesn't matter, keeping masks on and getting vaccinated with 3 shots isn't a hard thing to do and it keeps everyone safe and free to access essentials, including societies most vulnerable.	2/20/2022 1:21 PM
8439	It has brought me hope that I am not alone in this fight against freedoms to do what I choose within the law. We are a proud country that has been uniting the world	2/20/2022 1:21 PM
8440	Gives hope for Canadian freedom	2/20/2022 1:21 PM

Canadians vote on Canadian Mandate - February 2022

8451	It brings me joy for those standing up for freedom	2/20/2022 1:20 PM
8452	Gives me hope for humanity.	2/20/2022 1:20 PM
8453	Given hope that government would help people and lift mandates and encourage and support freedom of choice and allow freedom of movement in and out of country regardless of health choices	2/20/2022 1:20 PM
8454	Given hope that all Canadians want to move forward past pandemic fear and into endemic reality.	2/20/2022 1:20 PM
8455	It brought inspiration and hope back into my life, a feeling of freedom that this was all going to finally end, like there was a light at the end of the tunnel finally. That we wouldn't keep spiralling down the rabbit hole any longer and Canada would finally be free again	2/20/2022 1:20 PM
8456	Not at all . Wish I was there .	2/20/2022 1:20 PM

8461	Gives me hope that we might still have a voice in order to speak our concerns although I am rather disappointed in how Justin Trudeau and the media is handling it	2/20/2022 1:19 PM
8462	I support them. I haven't noticed a difference in BC because most of our stores are independent and have warehouses stocked up. I try to buy local as much as possible. The price has gone up on some items but there's only two of us, so we don't seem to be as affected. I'm hoping more in BC join the truckers as people here seem complacent and unaffected. The big fight is in Ottawa.	2/20/2022 1:19 PM
8463	If hasn't	2/20/2022 1:19 PM
8464	It has inspired me and given me hope. I am not alone.	2/20/2022 1:19 PM

8466	Has been one of the most hope raising events in a long time. Actually making me proud to be Canadian again.	2/20/2022 1:19 PM
8467	I think they have opened up the country to hope. I don't believe Trudeau has done his job. All he needed to do was talk to be the people but he chose to run and hide like he always does. Sad,sad day for Canada!	2/20/2022 1:19 PM
8468	A revival of hope and national identity and community.	2/20/2022 1:18 PM
8469	They have given me hope that the madness will end!	2/20/2022 1:18 PM

8471	The truckers have offered me hope that people will stand against the gross government overreach implemented by Trudeau. Trudeau is a traitor and does not carry about majority of Canadians	2/20/2022 1:18 PM
8472	I support the peaceful protesters fighting to restore our freedoms and fighting out criminal government dividing our country and breaking the law and out constitution	2/20/2022 1:18 PM
8473	It's given me hope that idiot politicians who talk the science but don't know it aren't all powerful	2/20/2022 1:18 PM
8474	Not	2/20/2022 1:18 PM
8475	Given me back hope for a future for my kids and grandkids	2/20/2022 1:18 PM

Canadians vote on Canadian Mandate - February 2022

8479	Showed me how corrupt our government is. Specifically the 'honourable prime minister'	2/20/2022 1:17 PM
8480	Unsure! Maybe they have forced the government to listen to us.	2/20/2022 1:17 PM
8481	Prices of everything had gone up.	2/20/2022 1:17 PM
8482	Makes me proud to know people are supporting g our freedom.and not taking things being shoved down our throats for no reason	2/20/2022 1:17 PM
8483	It has truly made me proud and uplifted to see that I was not in fact a conspiracy theorist this whole time and a majority of Canadians agree! They should all get medals for standing up for our freedom. Those truckers are the real heros, no pepper spray, no trampling horses and no violent outbursts, wish i could say the same for our police force! At least the truckers treat them like human beings and not animals. I fully support the convoy 100% keep up the great work yall your doing fabulous and we fellow Canadians support you and have your back!!!	2/20/2022 1:17 PM
8484	Not at all	2/20/2022 1:17 PM
8485	It has given some hope due to the amount of people who finally came forward to offer support	2/20/2022 1:17 PM
8486	It has given me hope. It shows that I am not alone and there are people who care and are willing to sacrifice everything to get back to the strong and free Canada that we once had. It has united people.	2/20/2022 1:17 PM
8487	It has inspired me to protest the governments emergencies act.	2/20/2022 1:17 PM
8488	It's great! I love it Trudeau is getting a Definitive message that he does not represent Canadians	2/20/2022 1:17 PM
8489	Only for the better!! I now am proud to fly a Canadian flag!!	2/20/2022 1:17 PM
8490	It has given myself as well as all Canadians something to hope for after two years of constant lies from government as well as mainstream media.	2/20/2022 1:16 PM
8491	They gave me hope.	2/20/2022 1:16 PM
8492	It's a glimmer of hope for the people struggling to make ends meet through this, and for people who suffer with mental health , it is a beacon of hope for our old normal back	2/20/2022 1:16 PM
8493	It hasn't much but it has made me think a lot about Trudeau and I lost a lot of trust in him	2/20/2022 1:16 PM
8494	Given me hope	2/20/2022 1:16 PM
8495	Shown me that Canadians can come together in peace to show the government it's overreach	2/20/2022 1:16 PM
8496	Hasn't	2/20/2022 1:16 PM
8497	Grateful for them wanting to be free as we do.	2/20/2022 1:16 PM
8498	I took part in the initial protest in Regina on Jan 29 and I felt so alive and full of hope. Something I haven't felt for quite some time...that what everyone was standing up for was actually going to make a difference. I've been consumed with finding out what I can via media...and Trudeau's emergency act really squashed hope that this is going to even matter in a few days time.	2/20/2022 1:16 PM
8499	Gave me hope that this dictatorship and the world economic forum won't accomplish their goal of a great reset and new world order as per Klaus Schwaubs agenda.	2/20/2022 1:16 PM
8500	It's made me proud. It's given me hope. There are people willing to stand for our rights. I love what they've done.	2/20/2022 1:16 PM
8501	It hasn't, if anything it gave me a little hope that we may return to normalcy.	2/20/2022 1:16 PM
8502	At first I was uplifted and hopeful about Canada's future, now with the measures from the emergency act, I am disgusted with the policing and government of this country and not hopeful for the future	2/20/2022 1:16 PM
8503	Just a distraction	2/20/2022 1:16 PM
8504	Burden ... both financially and socially.... They represent non of my beliefs or views and are an embarrassment to Canada	2/20/2022 1:16 PM

8516	It hasn't as I do t live in Ottawa.	2/20/2022 1:15 PM
8517	It gave me hope for the first time in years. It really showed that there is compassion abd love within humanity and that even the burliest of truckers is capable of expressing it What it DIDNT do is create any form of shortage. It's been business as usual here with added mandates BS. It's also VERY clearly made it obvious how inept our PM is abs democracy as a whole. It has highlighted WHO the people on the wrong side of humanity are. It has really highlighted who lives in fear and has a strong desire to be governed as they lack any ability to think for themselves (politicians, police, tow truckers, most importable main stream media) It has really highlighted how our own government here in Canada is organized crime	2/20/2022 1:15 PM
8518	100% positive, first time I feel like Canada is alive and standing up against lies and corruption	2/20/2022 1:15 PM

8528	it had made me so emotional seeing everyone getting back together and seeing how happy they were. will never forget this feeling	2/20/2022 1:14 PM
8529	Made me proud to be a Canadian again	2/20/2022 1:14 PM
8530	It has given a glimmer of hope that our rights and freedoms may survive	2/20/2022 1:14 PM

Canadians vote on Canadian Mandate - February 2022

8536	The trucking convoy has gave me Hope the this government would have to listen and make changes or be renewed with a leadership of integrity and justice for all this country	2/20/2022 1:13 PM
8537	It has brought me hope for the first time in 2 years	2/20/2022 1:13 PM
8538	It gave me hope.	2/20/2022 1:13 PM
8539	Made me hate the Liberal government more than i could ever have imagined	2/20/2022 1:13 PM
8540	Inspiring	2/20/2022 1:13 PM
8541	I have faith in my fellow citizens once again. I'm actually hopeful for our country and actually proud of my country for the first time in decades. Our freedoms have been eroded by power hungry politicians who's motives are very questionable and potentially nefarious to say the least. The truckers have stood up for people like me who can't protest and had no voice. They are hero's. Anyone who sees these peaceful protests as anything other than peaceful needs to stop watching the bought and paid for media. The lies and deception is so blatant at this point I doubt legacy media will ever be watched let alone trusted ever again. The people have awakened from their slumber. You'd think they would at least try to look like they are journalists. The media are nothing more than a propaganda arm of government and corporations.	2/20/2022 1:13 PM
8542	I live in Ottawa, initially I was very supportive of their cause. However, when I saw the behaviour of some protesters and their disruption of the peoples lives downtown, I was no longer supportive of their cause. I saw nazi flags, racist comments and the destruction of our monuments downtown. It was unacceptable and then it became an occupation of the city. They were doing to us what the government did to everyone, they kept us locked up in our homes and caused restaurants in the area to close and the mall at Rideau centre. It was a shameful example of people wanting their own way. There are better ways to go about things... but these people wouldn't leave. I think the police did what was necessary to get them out of our city.	2/20/2022 1:13 PM
8543	Gives me hope and fills my heart that we were never really alone	2/20/2022 1:13 PM
8544	Happines, Hope, Future possibilities for children.	2/20/2022 1:13 PM

8546	Our PEACEFUL protests gave me hope for Canada, Canadians & Freedom.	2/20/2022 1:12 PM
8547	It has ignited hope for change we so desperately needed and created some peace in my soul because it keeps proving everyday there are so many of us that are like minded and we aren't alone in this fight against tyranny!	2/20/2022 1:12 PM
8548	Helping with ending these mandates and open people's eyes	2/20/2022 1:12 PM

8557	Have been out of country	2/20/2022 1:12 PM
8558	I feel it has gotten to ball rolling to get all these mandate's removed and I don't feel they are racists or bad people... media is untrustworthy just like government	2/20/2022 1:12 PM
8559	It has given me hope. It has given me pride in my country, joy to see human beings acting like human beings, caring, smiling, dancing, helping, taking care of each other regardless of age, gender, religion, race, etc. Basically, Canadians being Canadians down to the core, peacefully even in the face of anti-protest who maintain the same hatred for their counterparts.	2/20/2022 1:12 PM

8593	Hope. People are waking up and are speaking out about the true agenda - QR code and social credit scores.	2/20/2022 1:09 PM
8594	The convoy is fighting to get back our freedom of choice.	2/20/2022 1:09 PM
8595	I relate to there frustration. I believe our government failed to deal with the initial issues. I believe Justin Trudeau was trying to incite violence to justify invoking the emergency measures act	2/20/2022 1:09 PM
8596	It lead to several provinces to drop mandates now and in the near future	2/20/2022 1:09 PM
8597	It has unified our community and strengthened our Canadian Pride.	2/20/2022 1:09 PM
8598	In a positive way. Canadians right a right to peacefully dissent. Trudeau is a tyrant and believes he is King. His actions are a vast disconnect to his words.	2/20/2022 1:09 PM
8599	.	2/20/2022 1:09 PM
8600	Affected my job more than personally.	2/20/2022 1:09 PM
8601	Not negatively actually. They were overall peaceful people infiltrated by some hate it seems. I only agree that the honking had to settle for the locals. It did not affect me at all with it.	2/20/2022 1:09 PM
8602	It's brought our community together, giving hope and spreading love. I've never seen such unity, happiness and love spread amongst our community.... People of all races and ages, it's absolutely beautiful and the true Canadian fashion.	2/20/2022 1:09 PM
8603	It's creating a lot of problems across the country, especially in Ottawa. It's wasting people's time, energy, and money. These people are selfish.	2/20/2022 1:08 PM
8604	Not to much	2/20/2022 1:08 PM
8605	Made me realize that there are thousands of self-serving angry people in Canada. Willing to disrupt and inconvenience the lives if others, just to get their misguided opinions heard	2/20/2022 1:08 PM
8606	Has gotten me to focus more on the alternative narrative - other medical, social & scientific views. Has gotten me to become more aware of politics & minority power / party line voting tactics. Made me abundantly aware of false legacy media news coverage.	2/20/2022 1:08 PM
8607	It has not	2/20/2022 1:08 PM
8608	It has shown some hope that we are not alone in our thoughts but through isolation over 2 years no one realized that amny had the same thoughts.	2/20/2022 1:08 PM
8609	Gave me an opportunity to see a valid protest by hijacked by idiots	2/20/2022 1:08 PM
8610	So proud of them	2/20/2022 1:07 PM
8611	Makes me very angry at these selfish morons! Go home and help save other people's lives by following the health rules!	2/20/2022 1:07 PM
8612	Made me feel proud to be Canadian again	2/20/2022 1:07 PM
8613	Made a mockery out of democracy and the silent majority They have right to peaceful demonstrations not to stop the economy	2/20/2022 1:07 PM
8614	Hope for freedom Hope that this Justin will be removed and our freedoms returned actually proud to be Canadian again Please remove Trudeau he is also spending selling out country	2/20/2022 1:07 PM
8615	Inspired me, made me stand up for my values, let me believe In My country men and women again	2/20/2022 1:07 PM
8616	Made me believe that there are many good people out there that care and have wisdom and are strong enough to stand for what is RIGHT.	2/20/2022 1:07 PM
8617	It has given me hope that we can be equal again and freedom can be restored for all	2/20/2022 1:07 PM
8618	big hope...happiness...free again	2/20/2022 1:07 PM

Canadians vote on Canadian Mandate - February 2022

8619	I was able to weed out more Facebook friends	2/20/2022 1:07 PM
8620	Given me hope that mandates may end without universal passports and support that shows my views are shared by thousands. Who knew ?	2/20/2022 1:07 PM
8621	I'm sick of hearing about how their rights and freedoms have been affected. They are occupying and have shut down an entire city and seem to think that it's all legal. I cannot go into a city and pitch a tent in the middle for weeks and think that I'm not breaking laws! Enough in enough!	2/20/2022 1:07 PM
8622	It hasn't, i love it, people fighting for our rights and freedoms, Its been a peaceful protest the entire time until Trudeau invoked the emergency act (for no reason, simply other than a power grab). Now the only violence that is happening on the grounds in Ottawa are from RCMP	2/20/2022 1:06 PM
8623	It has gave me hope. I watch it continuously online every chance I get	2/20/2022 1:06 PM
8624	Since the beginning - in a very positive and hopeful way!	2/20/2022 1:06 PM
8625	Given me hope	2/20/2022 1:06 PM
8626	It gave me hope!	2/20/2022 1:06 PM
8627	proven how corrupt our media and prime minister are...	2/20/2022 1:06 PM
8628	It has made me proud of the people who can participate in the convoy.	2/20/2022 1:06 PM
8629	It is a bunch of white supremacists who are actively trying to get people killed	2/20/2022 1:06 PM
8630	Not at all	2/20/2022 1:06 PM
8631	I'm proud of the truckers for doing what there doing. Somebody had to do it	2/20/2022 1:06 PM
8632	Completely positively!	2/20/2022 1:06 PM
8633	The trucker convoy has negatively affected my life because it makes getting to and from work harder and takes longer. It also prevents me from making deliveries on time and causing packages to be late or delayed	2/20/2022 1:06 PM
8634	Goods can't get across the border	2/20/2022 1:05 PM
8635	not at all	2/20/2022 1:05 PM
8636	I approve that they've acted on behalf of many Canadians re: personal health choices & lockdowns etc etc. It has given hope. Very upset with present gov't 's unwarranted use of excessive force. Opened my eyes to the fact the Trudeau does not believe in dialogue or discussion with those who have a differing opinions	2/20/2022 1:05 PM
8637	Has not affected me	2/20/2022 1:05 PM
8638	The trucking convoy has given me hope that things can be better for everyone!	2/20/2022 1:05 PM
8639	Good	2/20/2022 1:05 PM
8640	Unity and hope is what the trucking convoy has brought to our terribly broken country. They have done more in 3 weeks to unify our country than the joke of a drama teacher we have as a Premiere has done in his whole career. This is an obvious and shouldn't even need to be put into writing.	2/20/2022 1:05 PM
8641	Gives me hope.	2/20/2022 1:05 PM
8642	It has made me proud to be Canadian again.. it's giving all Canadians hope.	2/20/2022 1:05 PM
8643	Inspirational, gave hope for a brighter future. Proved that we are not a fringe minority but a large portion of the nation. I totally support to end all Covid mandate and restrictions immediately. I am certain that only corrupt politicians are imposing those restrictions and support the mandate. I hope that those will be held accountable very soon.	2/20/2022 1:05 PM
8644	Renewed my pride in being a Canadian. Hats off to them	2/20/2022 1:05 PM
8645	We have hope. For the first time complete strangers in every city are talking, taking off masks in stores having conversations and making friends with complete strangers. They are happiness for families. They stand for unity we have all come together to help each other.	2/20/2022 1:05 PM

Canadians vote on Canadian Mandate - February 2022

Weather it be your neighborhood struggling or a complete stranger people are talking paying for random people groceries at store doing extremely kind things after the positive acts this convoy has done. We will finally be able to have peace. They are the only light in Canada.

8646	No impact. People should be, peacefully, be always able to protest or make their voices heard. That's one of the most admirable things about Canada. A nation I love and a nation that really needs to turn back to God too. I'm praying for our leaders. It can't be an easy job but they need to put their pride away and focus on what is really best for its people as a whole. God have mercy on the souls of our leaders.	2/20/2022 1:05 PM
8647	Made me discouraged about how to live with people who buy into conspiracy theories.	2/20/2022 1:05 PM
8648	It has not affected my life. It gave me hope knowing that there are lots of Canadians with the same desire to resume their lives	2/20/2022 1:05 PM
8649	I'm not sure it has	2/20/2022 1:05 PM
8650	Made my life worth living again.	2/20/2022 1:05 PM
8651	They make me proud that they will help fight for us to be Canadians again!!!!!!	2/20/2022 1:05 PM
8652	So far not in any way.	2/20/2022 1:05 PM
8653	Proud to be a Canadian again	2/20/2022 1:04 PM
8654	It's given me hope that there are people out there fighting for our future!	2/20/2022 1:04 PM
8655	It has not. But I support free speech and the right to peaceful protest	2/20/2022 1:04 PM
8656	Given sense of hope	2/20/2022 1:04 PM
8657	I'm filled with pride that a group of Canadians woke the world up to the senseless tyranny and the overreach of the government Ali g with the mishandling of this crisis right from the get go. The corruption in Canada runs deep and it starts with Justin Trudeau	2/20/2022 1:04 PM
8658	It gave us hope and re-connection with our fellow Canadians. We felt proud to be Canadian again.	2/20/2022 1:04 PM
8659	It has brought happiness feeling of hope. Pride in our country again	2/20/2022 1:04 PM
8660	It has given me some hope for this country	2/20/2022 1:04 PM
8661	Brought joy, and hope. Most unified feeling in years	2/20/2022 1:04 PM
8662	They fought for our freedom. I respect them for helping all Canadians.	2/20/2022 1:04 PM
8663	Given me hope	2/20/2022 1:04 PM
8664	It has given me hope for unity with our fellow Canadians. And shown our population that we need to take charge of our own decisions regarding our religious beliefs what our children are taught in school We need to be believed and taken seriously by the police and CAS ,when we ask for guidance. Being told the truth by our media and prime minister. Not one sided like the C B C and C T V . I believe the truckers and everyone who is siding with them Are looking for the true Canadians of the past to rise again so we don't have to fall into the abyss of communism/ socialism	2/20/2022 1:04 PM
8665	It has opened my eyes to how corrupt our media, government and prime minister truly is. I will be changing my way of life in order to prepare for a possible communist government and I will fight to the death against any communist government in my country.	2/20/2022 1:04 PM
8666	I am proud of the truckers, and all the associated individuals that have tried to bring awareness of the treason Trudeau is neck deep in. A large percentage of Canadian people have been subject to Mass Psychosis; whereby, have bought the illusion of a dangerous virus. It is very sad. Once the immediate treat is over we must rebuild government from the ground up. Our present system has completely failed Canadians and is to easily used against them.	2/20/2022 1:04 PM
8667	Given me hope!!	2/20/2022 1:03 PM
8668	It has raise hope...	2/20/2022 1:03 PM
8669	Has brought hope that there are others like me that feel all these mandates have done more harm than good, and need to end.	2/20/2022 1:03 PM

Canadians vote on Canadian Mandate - February 2022

8670	Hasn't	2/20/2022 1:03 PM
8671	Made me feel good to know so many feel the same	2/20/2022 1:03 PM
8672	I am happy that some people had the courage to protest.	2/20/2022 1:03 PM
8673	It made me feel hopeful for the first time in 2 years.	2/20/2022 1:03 PM
8674	Renewed hope, demonstrated a national desire for individual choice, fostered an entirely new relationship between Quebecers and Albertans.	2/20/2022 1:03 PM
8675	It has held up traffic, created delays and the violence was unprecedented	2/20/2022 1:03 PM
8676	It hasn't outside of making me embarrassed to be Canadian and feel awful for the citizens of Ottawa who are being directly affected on a daily basis.	2/20/2022 1:03 PM
8677	Gave me hope for our country	2/20/2022 1:03 PM
8678	Great	2/20/2022 1:03 PM
8679	For the first time in a year and a half Inwas hopefyl for.my country.	2/20/2022 1:03 PM
8680	Annoying that they get away with breaking laws and interfering with people getting to destinations. It has upset me that action was not taken soon enough or strong enough.	2/20/2022 1:03 PM
8681	I have faith this convoy has opened many eyes and truedo will be replaced	2/20/2022 1:02 PM
8682	Made me hopeful there are still sane people out there.	2/20/2022 1:02 PM
8683	It hasn't	2/20/2022 1:02 PM
8684	Innocent people being arrested. The perpetrator and the one who should be arrested for crimes against humanity is Trudeau	2/20/2022 1:02 PM
8685	Made me proud to see that the people are joining together to remove the mandates.	2/20/2022 1:02 PM
8686	The trucking convoy was the first sign of hope for me, that there may be unity in our Country, healing of division and that we were on our way out of the insanity of the last 2 years. Finally, a group of brave souls took the time and effort to stand up for both unvaccinated and vaccinated Canadians opposed to the mandates. We were all harmed by the mandates because we all knew and loved family and friends whose lives were being ruined by them. I was proud of my countrymen/women for taking a stand for freedom of choice. I believe the fringe is bigger than our PM and media said/think. Taking their big trucks and parking them in Ottawa, in peaceful protest made a necessary statement, gave a voice to myself and so many others, the majority of Canadians, I believe. Having compared the livestreams with the mainstream narrative, the trucking convoy made clear that we have been deceived by our Government and mainstream media. We have lost trust in our institutions and we, the majority will defend the truth in spite of them. I have never been political, but I suppose I am now, thanks to the many truckers who had the guts to do what so many of us wanted to but could not.	2/20/2022 1:02 PM
8687	If has given me hope for our country and has made me so happy. Such a positive impact overall but now the government's response is terrifying	2/20/2022 1:02 PM
8688	Given hope.	2/20/2022 1:02 PM
8689	Little over the top but shows how compassionate people are about what they believe. Nothing wrong with that.	2/20/2022 1:02 PM
8690	Given hope	2/20/2022 1:02 PM
8691	It has given us hope	2/20/2022 1:02 PM
8692	It has given me hope for a better future	2/20/2022 1:01 PM
8693	Hasnt	2/20/2022 1:01 PM
8694	They are destroying regular life, are a *very* small minority and are literally domestic terrorists	2/20/2022 1:01 PM
8695	Gave me hope for the future seeing that there is a voice of reason in our society.	2/20/2022 1:01 PM
8696	It has not	2/20/2022 1:01 PM

8698	Inspired my Canadian Pride	2/20/2022 1:01 PM
8699	It gave me hope that Canada might revisit the information out there and we could get back to a new normal where we aren't being terrified by the powers that be.	2/20/2022 1:01 PM
8700	Price of food	2/20/2022 1:01 PM

8710	Gave hope	2/20/2022 1:00 PM
8711	Gave me a glimmer of hope in this hateful discriminatory communist attempted takeover of my glorious and free country.	2/20/2022 1:00 PM
8712	I assume all Canadians will need to pay for all of this. I'm not happy about that!	2/20/2022 1:00 PM
8713	Gave us something to believe in again as many Canadians stood up in Unity which has not happened in 2 years and once again our PM called people names and called us a fringe minority! It's the anti protesters that are the fringe!! Canadians are done being held as prisoners in their own country and he once again proved it this weekend past by bringing in the UN	2/20/2022 1:00 PM
8714	Made me feel hope	2/20/2022 1:00 PM
8715	The convoy has given me hope to see how loving and hard working Canadians have come together to cry out for what has been stollen from them. The last few days however I have felt so much pain in my heart as I have watched the officers brutalize our citizens for simply standing in the cold for days crying out for their freedoms that our government had no business taking in the first place. I have weird many tears in the last few days as I barely recognize my beautiful country anymore and as I have watched my brothers and sisters be hurt when all they wanted was to be heard and go home and go provided for their families just like I want to do.	2/20/2022 12:59 PM
8716	Helped restore a glimmer of hope and love for my beleaguered Canada	2/20/2022 12:59 PM
8717	It has given me hope that we may be able to get at least some of our freedoms back. It has also shown me that I`m not alone in this fight.	2/20/2022 12:59 PM
8718	It gave me hope for the first time in 2 years	2/20/2022 12:59 PM
8719	Opened my eyes	2/20/2022 12:59 PM
8720	Gave me hope, pride & a sense of unity	2/20/2022 12:59 PM

8722	did me no harm	2/20/2022 12:59 PM
8723	I'm thankful people are starting up against something they think is wrong.	2/20/2022 12:59 PM

there if possible standing side by side. We need small business and a strong leader that listens and communicates with the people he works for. Sad selfish man that has little courage if any

8725	Frustrating- watching people lose their jobs and the people of Ottawa being held hostage	2/20/2022 12:59 PM
8726	Love freedom fighters! They fight for all CANADIANS!	2/20/2022 12:59 PM
8727	It hasn't	2/20/2022 12:59 PM
8728	Hasn't had a direct impact but it has made me fear for our democracy. We are a country who respect the rule of law and we can't have various groups take away the freedom of others in order to get the freedoms they want.	2/20/2022 12:59 PM
8729	Given me hope, encouragement. Showed my kids the power of coming together and fighting for freedom	2/20/2022 12:59 PM
8730	blocked critical access, led to social division amongst family and friends, made me associate the canadian flag with alt-right movements	2/20/2022 12:59 PM

8732	it has given us ,the people hope ,after 2 years ,	2/20/2022 12:59 PM
8733	It hasn't affected us yet.....hopefully it will soon if they achieve their mission.....FREEDOM	2/20/2022 12:59 PM
8734	Disturbed me by how easily a minority with big vehicles can challenge a democratically elected government	2/20/2022 12:59 PM
8735	It hasn't. I admire them sticking up for our rights and freedoms since the Government has NO concern for the whole entirety of its Citizens.	2/20/2022 12:58 PM

8746	It hasn't	2/20/2022 12:58 PM
8747	Gave me hope. Exposed media propoganda.	2/20/2022 12:58 PM
8748	Besides seeing them as domestic terrorists , it hasn't effected me	2/20/2022 12:58 PM
8749	It has given me hope	2/20/2022 12:58 PM
8750	Giving the hope for freedom,better life	2/20/2022 12:58 PM
8751	It has caused unnecessary divisions and on a personal level has been an annoyance with traffic disruptions and noise pollution. As a highly educated person, my expertise in my field is hard won and I listen to experts in other fields.	2/20/2022 12:58 PM
8752	I only just found out about it recently . I love that people are finally getting together but I'm not convinced that it's all being done in the right way. I am not in a position to participate but love the energy I. People acting as one. Just not sure how well it's being executed	2/20/2022 12:58 PM

8753	Supply shortages however I'm willing to deal with that because they are standing up for our FREEDOM. Justin Trudeau is a dictator and is taking away our rights and freedom causing us to live under dictatorship!	2/20/2022 12:58 PM
8754	No	2/20/2022 12:58 PM
8755	It has deepened the divide in my community. People on both sides are angry and fed up. The anti-science rhetoric is taking its toll on everyone.	2/20/2022 12:58 PM
8756	renewed my hope.	2/20/2022 12:58 PM

8758	It has shown that Canadians are all in this together. We are not alone. It's been incredibly unifying.	2/20/2022 12:57 PM
8759	The Freedom Convoy must go on ! a show of freedom and true North	2/20/2022 12:57 PM
8760	Not one bit	2/20/2022 12:57 PM
8761	It is highlighted the level of darkness that lies beneath what appears to be democratic and fair. There's no turning back after seeing what is played out. Shame to be Called called Canadian.	2/20/2022 12:57 PM
8762	It has brought awareness to how corrupt our government really is. It has been an eye opener. The fact I have to explain this to my seven year old why the truckers are doing what they are, is greatly upsetting. My son is having to grow up so fast right now. I thank the truckers for allowing me to share some positive things with he. Why why they are doing is so important. He had two great uncles who died in WWII and his great grandfather who was a part of the Hasty P's fought for other peoples right. Now we have this happening right now, someone needed to stay up. He now say, "my body my choice". Even he realizes that even if things go back to "normal" that those other people will still have the choice to get the shot, wear a mask, or social distance.	2/20/2022 12:57 PM
8763	I feel it has gotten out of hand however, the initial movement gave me hope that there were actually people out there willing to speak up.	2/20/2022 12:57 PM
8764	hasn't affected me at all!	2/20/2022 12:57 PM
8765	Affected nothing but brought me hope that finally some people decided to stand up to the tyranny that is going on	2/20/2022 12:57 PM
8766	It's been such a blessing seeing the unity of the people of our country. I felt proud to be Canadian with who all stands for the truth. But I am appalled at the level of violence that Trudeau has brought with the police. He has taken a peaceful protest and tried to make it look like a terrorist threat. What a sad leader. He does not deserve to be our leader. He's a communist and dictator.	2/20/2022 12:57 PM
8767	Negatively. Cost of gas has increased	2/20/2022 12:57 PM
8768	It's made me proud to be a Canadian for the first time in my life.	2/20/2022 12:57 PM
8769	Negatively, causing great division and hate. I have always been a proud Canadian, not so much now. This is not the Canada I want to live in.	2/20/2022 12:56 PM
8770	Gives me hope	2/20/2022 12:56 PM
8771	Inspired me	2/20/2022 12:56 PM
8772	It has caused me to really question if prime minister is really interested in the well being of Canadians and in their jobs	2/20/2022 12:56 PM
8773	It gives me hope that I had lost in Canadian citizens. I have a renewed faith in Canada and humanity.	2/20/2022 12:56 PM
8774	stopped food and anything else that is trucked in. To me it was a temper tantrum where only thoughts of themselves and no one else . Stupid is all I can say.	2/20/2022 12:56 PM
8775	Made me see how ridiculous this follow the science mantra the government is always selling and they don't follow the science. Seems to be only when it is working with the narrative they are pushing.	2/20/2022 12:56 PM

Canadians vote on Canadian Mandate - February 2022

8789	Brave individuals are standing up for the rights and freedoms of all Canadians	2/20/2022 12:55 PM
8790	I have been stressed at the level of hatred of our Canadian democracy that has been displayed. I am disgusted at the behavior and rhetoric of these protesters. I am dismayed at the lack of factual knowledge regarding the pandemic as well as how our democracy works. I am amazed at the attitude of "me,my rights" regardless of how it affects anyone else. That they were willing to expose their children to all that went in in this protest is mind boggling. This protest has cost all citizens of Canada millions of dollars- that affects us all	2/20/2022 12:55 PM
8791	It's a fantastic thing	2/20/2022 12:55 PM

8830	I am very embarrassed to have this fringe group be an example of extremism that is growing in our country.	2/20/2022 12:51 PM
8831	Ithadnt	2/20/2022 12:51 PM
8832	Waking people up and hope	2/20/2022 12:51 PM
8833	It's given me hope that I am NOT alone. I admire those who go and stand for our FREEDOM OF OPPRESSION. And that's exactly what this is. It's not about health. It's not about safety. It's TOTALLY about power/control/redistribution of wealth. I thought all this "New World Order" talk was conspiracy...but now I see it with my own eyes. It's real. And it's GOT to stop!!!!	2/20/2022 12:51 PM

8845	Although it started out small, and I could not fully support the initial cause, it has morphed into something I fully support, and has proven that Gov't overreach is alive and well.	2/20/2022 12:50 PM
8846	The world finally took there head out of there asses and the government should just accept the defeat and let goo	2/20/2022 12:50 PM
8847	Given me hope that the corruption and ineptitude of the Liberal government may finally be exposed.	2/20/2022 12:50 PM
8848	They are giving us hope that our Country is still by the people for the people. The government has taken liberties with peoples right and freedom and people have now open their eyes to what extent. Truckers are heroes.	2/20/2022 12:50 PM

8868	Hope and love has been restored	2/20/2022 12:48 PM
8869	It gave Canadians a voice, but unfortunately we have dictator Trudeau that doesn't recognize science where science by definition requires that it looks at the other side of scientific debates. Instead Trudeau supports dogma and fascism.	2/20/2022 12:48 PM
8870	Negatively impacted our small business	2/20/2022 12:48 PM

Canadians vote on Canadian Mandate - February 2022

8898	gave me hope	2/20/2022 12:45 PM
8899	It has uplifted my spirits. Those of alot of others to see finally something being done & saying enough is enough.	2/20/2022 12:45 PM
8900	Gives me hope	2/20/2022 12:45 PM
8901	No real effect but disappointed how they have put their wants above the freedoms of others and criticize those wanting to be protected.	2/20/2022 12:45 PM
8902	It has made me miss an important appointment that I waited over 6 months to get and also made my son miss his basketball semi final game due to the trucks clogging up the highway and many roads within the city. I don't feel preventing people from getting somewhere on time or creating havoc for those who live in downtown center with blocking roads and noise is truly much different than how the government has been controlling and affecting our lives.	2/20/2022 12:45 PM
8903	Not at all.	2/20/2022 12:45 PM
8904	Feel really bad that this even had to happen and that people have been forced into taking the jab that has even killed some and disabled others Sooo ☹️	2/20/2022 12:45 PM
8905	It hasn't affected me negatively, it's only brought more hope	2/20/2022 12:45 PM

8908	They are showing the courage to stand up for and protect the basic human right. It has been so encouraging.	2/20/2022 12:44 PM
8909	I am very sad with the way PM Trudeau has responded. On the other hand, I am very proud of my brothers and sisters who have stood up to this tyranny.	2/20/2022 12:44 PM
8910	It hasn't.	2/20/2022 12:44 PM
8911	It's made the cost of groceries go up. And seeing them use children as a sheil is absolutely appalling. These people are disgusting.	2/20/2022 12:44 PM
8912	Very positively love the truckers and the freedom they stand for.	2/20/2022 12:44 PM
8913	Given me hope	2/20/2022 12:44 PM
8914	The entitled and selfish people involved in this convoy are only interested in self and anarchy. They have no interest in the greater good and they only serve to raise my blood pressure	2/20/2022 12:44 PM
8915	Given hope	2/20/2022 12:44 PM
8916	It has embarrassed me as a Canadian.	2/20/2022 12:44 PM
8917	No comments	2/20/2022 12:44 PM
8918	Ruined Canada's economy so all Canadians will have to pay in one way or other.	2/20/2022 12:43 PM
8919	I am completely ashamed of the people who are involved in this convoy especially the leaders. It is not a protest of freedom it is a carnival of the whiny privileged people who have nothing better to do but complain. In no way shape or form is this a legitimate protest. I am glad it is finally coming to an end.	2/20/2022 12:43 PM
8920	Best thing to happen in Canada!! People waking up to the tyranny. Evils being exposed!	2/20/2022 12:43 PM
8921	Has not	2/20/2022 12:43 PM
8922	Gave me hope	2/20/2022 12:43 PM
8923	They gave us hope! They have us a voice and a community to stand with and know you are not alone! They shared love, acceptance, peace, sharing/giving and they showed the world that Canada/Canadians isn't giving our freedoms away simply for the sake of media generated fear from mostly non existent and grossly over estimated threats to individual as well as collective health. They made the silent-awake remember their voices and to remember your own role in the future of our children and grandchildren and beyond!!	2/20/2022 12:43 PM
8924	They have provide hope and leadership.	2/20/2022 12:43 PM

8938	Zero effect	2/20/2022 12:42 PM
8939	Did not	2/20/2022 12:42 PM
8940	It gave me hope for the future and I think it turned the tide politically. I think it did cause my premier to announce the ends of mandates and the vax pass and the end of masking. I think the truckers who participated in the convoy are AWESOME!	2/20/2022 12:42 PM
8941	It's given me hope	2/20/2022 12:42 PM
8942	Hope	2/20/2022 12:42 PM

8947	Rekindled my spirit	2/20/2022 12:42 PM
8948	I love my country and the freedoms we experience everyday, the truckers have stepped up to stand firm on keeping that freedom and we are very thankful for the sacrifices they are making to ensure Canadians can continue to live in normal everyday lives as before Covid.	2/20/2022 12:41 PM
8949	It hasn't.	2/20/2022 12:41 PM
8950	None. I am proud of them for standing up	2/20/2022 12:41 PM
8951	The trucking convoy has been extremely anxiety provoking. I am so disappointed to see how many people are so entitled and privileged that they believe public health measures are equal to oppression. It has significantly reduced my faith in Canadian society.	2/20/2022 12:41 PM
8952	It hasn't but I support them	2/20/2022 12:41 PM
8953	It has brought Canadians together and given a voice to the people	2/20/2022 12:41 PM
8954	Brought hope that there is still kindness in people and that there are still people who are using common sense and not just repeating/believing what mass media is telling them to believe.	2/20/2022 12:41 PM
8955	It gives me some home that we can get our lives back and it was comforting to know we are not the only ones in Canada concerned about our freedom.	2/20/2022 12:41 PM
8956	It has brought some hope that Canada can get back to normal again.	2/20/2022 12:41 PM

Canadians vote on Canadian Mandate - February 2022

8957	It's uniting the world and telling the tyrants that we have had enough of their Lies, Deceit and Bullshit and we won't take it anymore !!!	2/20/2022 12:41 PM
8958	Gives me hope	2/20/2022 12:41 PM
8959	Given hope and inspiration	2/20/2022 12:41 PM
8960	Made me feel like I belonged. No longer felt segregated and less of a second class citizen	2/20/2022 12:41 PM
8961	trushit who's a puppet controlled by the elites like soros and schab and many others created the convoy to use their dictator nazi asses to destroy the country and world for their NWO HOWEVER the attendees are fighting for FREEDOM PEACEFULLY	2/20/2022 12:41 PM
8962	It has made me feel proud that Canadians were able to show the world that a peaceful protest is possible.	2/20/2022 12:41 PM
8963	It has given me hope that all this crap will come to an end.	2/20/2022 12:41 PM
8964	It hasn't.	2/20/2022 12:41 PM
8965	Because the trucker convoy has been tainted as run by bigot, homophobe's and racists. To support the message they are bringing up and mandates means that people feel like they are allowed to put you in that category as well. Without knowing us as individuals or our values and beliefs systems. It's the same labelling and shaming system imparted by our government and media when we tell people we are pro-choice... Not antivacs... But pro-choice. Whatever makes people feel the most comfortable is what we feel they should do... But then they label us and shame us because the media and government tells them to shame us and that it's our Fault that Covid continues even though the vaccines aren't stopping the spread and Trudeau'd one size fits all vaccine mandate isn't working.	2/20/2022 12:41 PM
8966	It hasnt	2/20/2022 12:41 PM
8967	It's hasnt	2/20/2022 12:41 PM
8968	The original idea of the convoy has let me know Canadians are fed up with the mandates. The elements that followed them and are now causing problems have really damaged the message unfortunately.	2/20/2022 12:40 PM
8969	Gave us hope to end the tyranny	2/20/2022 12:40 PM
8970	It hasn't really affected my life	2/20/2022 12:40 PM
8971	I feel bad for the seniors and people who were scared to leave their home when the convoy was there.	2/20/2022 12:40 PM
8972	It did not.	2/20/2022 12:40 PM
8973	It has given me hope that people see through the deception and media propaganda. It has united this country like never before and inspired people around the world. My heart is with every single person who took part and I wish I could have joined them in person. They have my undying love, gratitude and respect and I support any further peaceful action in protest of the crimes our governments have committed against Canadians in the name of 'public health' by creating a dystopian police state nightmare in what was once a free country.	2/20/2022 12:40 PM
8974	Hasn't	2/20/2022 12:40 PM
8975	Hasn't	2/20/2022 12:40 PM
8976	It was a positive and peaceful demonstration that shows how many are opposed to this convoy and it is absolutely atrocious that our leader will not engage the convoy in conversation. These are the people of Canada speaking out. Where is the leader meant to respond and who is supposed to represent Canadians? Where is he?	2/20/2022 12:40 PM
8977	They gave me a glimmer of hope that these mandates would be gone. But now the Emergency Measures Act has destroyed that.	2/20/2022 12:40 PM
8978	It inspires hope and peace, that someone is actually on the side of the people, rather than the side of money and greed like the government is.	2/20/2022 12:40 PM
8979	Gave me hope that people still care	2/20/2022 12:40 PM

Canadians vote on Canadian Mandate - February 2022

8980	Renewed my faith in Canadians, it's the single most positive event in recent Canadian history	2/20/2022 12:40 PM
8981	It has not.	2/20/2022 12:40 PM
8982	It has given me hope in humanity and Canada. People willing to stand up against a government that chooses to produce unjust laws for those that disagree with that government. It has shown me that we truly are all in this together no matter which personal decisions we make about our health. The Convoy is inspiring, uplifting and has been a joy to watch every day.	2/20/2022 12:40 PM
8983	Given us hope	2/20/2022 12:40 PM
8984	wish i was there	2/20/2022 12:40 PM
8985	Not much	2/20/2022 12:40 PM
8986	It hasn't negatively. But it did give me a whole lot of hope!	2/20/2022 12:40 PM
8987	Stressful	2/20/2022 12:40 PM
8988	I support what they stand for, though I am not sure I agree with them not allowing those truckers that were still working access to cross the borders.	2/20/2022 12:40 PM
8989	They have encouraged me and everyone I know greatly.	2/20/2022 12:39 PM
8990	None	2/20/2022 12:39 PM
8991	Made me Proud to e Canadian again and gave me hope for our future!	2/20/2022 12:39 PM
8992	Has given me hope that the truth about the corona crimes by the WEF are known by the public	2/20/2022 12:39 PM
8993	It's just another event that shows just how selfish and inconsiderate people can be in regards to other people.	2/20/2022 12:39 PM
8994	Not affected me	2/20/2022 12:39 PM
8995	It gave me hope for positive changes	2/20/2022 12:39 PM
8996	Brings back pride and a respect for people. Thank you for setting the pace, truckers.	2/20/2022 12:39 PM
8997	It's given us all hope	2/20/2022 12:39 PM
8998	It made me angry and concerned for the future of Canada	2/20/2022 12:39 PM
8999	It has given me hope as they are fighting to gain back our freedom to work, the ability to pay my bills and to see my family	2/20/2022 12:39 PM
9000	It has had no ill effects on me	2/20/2022 12:39 PM
9001	developed a sense of Canadian unity; brought to light that the mandates have gone too far and the Liberals (who I generally support) seem to enjoy their power over their collaborative efforts.	2/20/2022 12:39 PM
9002	The trucking convoy made me see and realize how corrupted our governments are, unprepared and failing medical systems. Our freedom and liberty are being threatened and trampled by Justin Trudeau and his Liberals government turning Canada into totalitarian/communist/dicatorship states.	2/20/2022 12:39 PM
9003	I work on logistics so it has actually made my job more difficult. Cross-border carriers experience capacity constraints to support shipments. Despite making my job more difficult, I still support the trucking convoy.	2/20/2022 12:39 PM
9004	Gives me hope no-one mandates of any kind freedom to come and go	2/20/2022 12:39 PM
9005	Gave me some hope that our country will stick together. That we see our freedoms slipping away and will fight to get them back. While my ultimate hope is in the Lord I support the convoy.	2/20/2022 12:38 PM
9006	It hasn't affected me.	2/20/2022 12:38 PM
9007	We need to stand with thrm	2/20/2022 12:38 PM
9008	have hope	2/20/2022 12:38 PM

Canadians vote on Canadian Mandate - February 2022

9009	It has given me hope for a brighter future, a chance to get back our lives, our freedoms, our power, to remind ALL political parties that the Canadian people sign their paycheques, WE employ them, WE are the company, and if ANY political member needs to be removed from power, they will be.	2/20/2022 12:38 PM
9010	NA	2/20/2022 12:38 PM
9011	It was a ray of hope, that the government will finally wake up and see that people want the restrictions to end but as it turns out the prime minister is still in deep stupor and won't admit that he is wrong. So basically I left my communist led country to end up living under a dictator.	2/20/2022 12:38 PM
9012	Have our family hope again. We are not a small group and our voice needs to be heard.	2/20/2022 12:38 PM
9013	Gave me hope again	2/20/2022 12:38 PM
9014	None in any way whatsoever. They just want the freedom to choose for themselves	2/20/2022 12:38 PM
9015	Showed some light	2/20/2022 12:37 PM
9016	It has shown that some Canadians do not have a good grasp on the differences between the Canadian government and institutions and the USA government. It has shown how easy it is for people to be stooges for the extreme right wing propoganda coming from the USA. This lack of knowledge of our own Canadian culture has caused divisions in my community.	2/20/2022 12:37 PM

9031	Hope	2/20/2022 12:36 PM
9032	Sign of hope. The peace and togetherness they have created has been a glimmer of light in these dark times. The main stream media has been sharing false information and representation over the situation and THAT alone has been stressful. I'm proud of the truckers and what they represent. Freedom for all.	2/20/2022 12:36 PM
9033	Gave me hope	2/20/2022 12:36 PM

9035	It hasn't	2/20/2022 12:36 PM
9036	It is the most beautiful thing I have ever seen. It is bringing hope to the country and the world. The truckers and all peacefull protesters are heros and have given a reason to live	2/20/2022 12:36 PM
9037	It gave me hope.	2/20/2022 12:35 PM
9038	there is hope that the mandates will get lifted and we can get our freedoms back	2/20/2022 12:35 PM
9039	It has given me hope and made me realize there are a lot of other Canadians that do not agree with government mandates. I am so thankful to the truckers for standing up for our rights.	2/20/2022 12:35 PM

9042	The way Trudeau is dealing with it is disturbing	2/20/2022 12:35 PM
9043	It has shown me that everyone has the right to speak and act for their human rights.	2/20/2022 12:35 PM
9044	it has not	2/20/2022 12:35 PM

9059	Ashamed to see Canadians acting that way in public	2/20/2022 12:34 PM
9060	It cost me time and money, a price worth paying to fight for freedom.	2/20/2022 12:34 PM
9061	I'm seeing a lot more patriotism and people fighting for the freedoms that we fought for so long ago. It has caused a chain reaction and with this kind of pressure on the government it could either focus the governments hand with the mandates or the implication of the emergency act could be used for the Left to gain even more of a dictatorship and have even more power and control then ever before... it is a fine line to walk because either outcome is possible.	2/20/2022 12:34 PM
9062	The Trucking Convoy has given me hope!	2/20/2022 12:34 PM
9063	It's given me hope that we can get back to being normal again...God Bless the Truckers!	2/20/2022 12:34 PM

9065	Inspired by honest, truthful loving Canadians	2/20/2022 12:34 PM
9066	I appreciate what they are doing. This division of people needs to stop. All other vaccines are free choice. This should be no different. You will get covid regardless of the needle. It should not be pushed so hard.	2/20/2022 12:34 PM

9072	Increasing hope.	2/20/2022 12:34 PM
9073	Brought hope and the realization that there are wonderful Canadians out there. I admire how they can remain so peaceful when their government is consistently and purposefully trying to antagonize them, promote violence and division. This movement has helped me see the extent in which the government and media will go to control people.	2/20/2022 12:34 PM
9074	Gave my family hope of a better future and feelings of not being Alone in this country!!!	2/20/2022 12:33 PM

GOD BLESS OUT TRUCKERS AND ALL THE SUPPORTERS! It has also removed all trust, respect and credibility of government (on all levels), and police (on all levels)!!!	2/20/2022 12:33 PM
9078	The convoy brought me hope that things could change for the better. It was a voice for the silenced. It made feel that I was part of something again.	2/20/2022 12:33 PM
9079	They stand for freedom & as a Canadian Citizen that I too stand along side of them. Freedom all the way	2/20/2022 12:33 PM

9081	Love them , go truckers	2/20/2022 12:33 PM
9082	It has brought me hope and unity with strangers.	2/20/2022 12:33 PM

9086	It has made me feel proud to be Canadian for the first time in the last 2 years. It's made me feel hope which again is something I haven't felt for a while. These truckers are our Canadian hero's. What has happened since Trudeau enacted the emergency act has brought me to tears on multiple occasions. Our leader doing this to his own people. He couldn't even take the time to meet with them or talk to them.	2/20/2022 12:32 PM
9087	With nothing but positivity	2/20/2022 12:32 PM

9090	Gave me hope for the first time! Made me proud to be Canadian. Now I am ashamed...	2/20/2022 12:32 PM
9091	Gave me hope that I will leave normal life again. They are fighting for our rights as Canadian citizens.	2/20/2022 12:32 PM
9092	The Government causing the convoy to hide the inflation is causing financial hardships.	2/20/2022 12:32 PM
9093	Gave me hope, gave me ability to go swimming again with my children. I can't really express how and what the convoy did for me but it brought happiness back to our lives and gave us a feeling that not everything is lost yet.	2/20/2022 12:32 PM
9094	Getting are Freedom back	2/20/2022 12:32 PM
9095	It has not	2/20/2022 12:31 PM
9096	Greatly.	2/20/2022 12:31 PM
9097	The convoy gave me hope for the future for the first time in 2 years. The convoy has given me a voice (indirectly) because I am not able to speak up myself for fear of penalties from the Gov and/or my workplace. I am proud of my brothers and sisters who are out the fighting for the freedoms our ancestors died to protect. I am also happy that the convoy has exposed the deep corruption in this country including the false narratives spewed out by mainstream media.	2/20/2022 12:31 PM

Canadians vote on Canadian Mandate - February 2022

The convoy has given me hope that these systems can implode on their own, through mass awakening of the people, and be replaced by systems that are based in love, peace, unity, equality, and respect for ALL Canadians regardless of their personal/political/spiritual beliefs.

9098	It has made me look at what is going on in the world in anew way	2/20/2022 12:31 PM
9099	Hope. People are fighting for the right. We are Canadian! We are free people.	2/20/2022 12:31 PM
9100	Haven't been so proud of Canadians, or to be Canadian, since Expo '86! Most peaceful, loving, considerate, caring group of people I've ever been in the midst of! Truckers are showing our emasculated males how to be resolute, strong, caring, strong men whose strength allows them to act with restraint.	2/20/2022 12:31 PM
9101	A ray of hope, and knowledge that there are millions of us who share this common hope for freedom.	2/20/2022 12:31 PM
9102	It hasnt	2/20/2022 12:31 PM

9112	No	2/20/2022 12:30 PM
9113	It has shown me Trudeau and the Liberal true colors.	2/20/2022 12:30 PM
9114	It hasn't had a negative impact on my life. However when I share my opinions about it others who strongly agree with our government out of fear have become verbally aggressive that I think differently.	2/20/2022 12:30 PM
9115	It is embarrassing to see Canadians behaving as anarchists.	2/20/2022 12:30 PM
9116	It has given me hope	2/20/2022 12:30 PM
9117	No direct effect. Proud of what they are doing amd how they are dong it.	2/20/2022 12:30 PM

9120	I was happy and hopeful about it! I donated and don't give a shit who knows it! I'm a retired Trucker and would have been in Ottawaa if I still owned a Truck!	2/20/2022 12:29 PM
9121	Mase me sick the way the government has acted fearful of our world	2/20/2022 12:29 PM
9122	It brought me hope for the first time in 2 years! It made us stay in Canada while friends ran, I went and walked it and huged them and I felt loved, protected and seen for the first time in 2 years I would love to personally thank each one of those brave heros	2/20/2022 12:29 PM
9123	Made govt overreach the main topic for parliament debate. Given hope and voice for many Canadians	2/20/2022 12:29 PM
9124	It didn't effect anything, but seeing how stubborn people are both sides	2/20/2022 12:29 PM
9125	It has revealed that there is a much greater level of support for my position than I knew	2/20/2022 12:29 PM

beforehand. It has provided hope that these mandates will end sooner than later.

9126	Beautiful to see Canadians reunited after years of division over divisive political ideology by the Liberal and NDP government. I have hope that the Canadian WEF politicians will end their reign of terror.	2/20/2022 12:29 PM
9127	lots. peace people love the trucks for this freedom	2/20/2022 12:29 PM
9128	Sense of pride in the country again	2/20/2022 12:29 PM
9129	It has been encouraging to see Canadians coming together peacefully in support of protecting human rights. Human Rights protections are there to protect the few from the many.	2/20/2022 12:29 PM
9130	Not	2/20/2022 12:28 PM
9131	Keep on rolling. Go truckers go	2/20/2022 12:28 PM
9132	It's bringing it all to light. Things will change	2/20/2022 12:28 PM
9133	Gave us hope	2/20/2022 12:28 PM
9134	It hasn't affected my life. If anything its positive.	2/20/2022 12:28 PM
9135	Gave me some hope	2/20/2022 12:28 PM
9136	Gave me hope for the first time in two years!	2/20/2022 12:28 PM
9137	Caused division and arguments in my family.	2/20/2022 12:28 PM
9138	Given me Hope, in a world where people are divided	2/20/2022 12:28 PM
9139	Given me hope that our concerns would be heard. Extremely upset that our elected PM has no intention to hear how seriously his role has ruined people's lives. Unexpectedly as a leader.	2/20/2022 12:27 PM
9140	Gives us some hope	2/20/2022 12:27 PM
9141	Given me hope that we can put an end to the government financial gouging	2/20/2022 12:27 PM
9142	Not personally, only travelled through our town. I don't consider them to be "freeing" us from anything. Our freedom came from those that fought for us, not from beer drinking, hot tubbing, bullies trying to overthrow a democratic government	2/20/2022 12:27 PM
9143	n/a	2/20/2022 12:27 PM
9144	The only effect this Convoy has in my eyes is absolutely positive. As a royal Canadian soldier I am proud to see the truckers stand up against tyranny and fight for the rights of the Canadian people. I am happy to see civilians stand on the front lines and fight for what is right. I am very disgusted at how our government has treated the protest and the entire situation. I have no faith left in this government and I think elected officials should be held accountable and charged for their actions. Canadian people are struggling and losing their jobs and businesses but our government can give billions to other countries, billions to bail out banks and big businesses but the general population is left to fend for themselves and deal with the massive debt that has been caused by this 2 year charade.	2/20/2022 12:27 PM
9145	It has given me hope that other Canadians feel it is not right what this government has done. Our rights and freedoms have been slowly taken away and the country has been divided through the media, false information and harsh mandates that contradict the science and world health organization.	2/20/2022 12:27 PM
9146	It has put love, hope, solidarity and unity back in my life	2/20/2022 12:27 PM
9147	Given me hope for my future and children future	2/20/2022 12:27 PM
9148	I am all for supporting the truckers who are out there delivering our food etc everyday. I do not support those who have made a political issue out of what was supposed to be a peaceful rally. I do not support those who harmed others or had the intent to harm others (ex: all the gun and militia @ Coutts border). Truckers or whoever no one makes the decision to decide my freedom for me...but me! No trucker has the right to be such a sore ass embarrassment in my Canada. These ones who made it so political and nasty..go across the border, we Canadians do not want you here! And for all the idiots who brought their children to the RIOTS..everyone should be charged. They decided to be stupid, they didn't have the right to put fragile young lives ...lives who would never be able to defend themselves @ risk! Thank you to the truckers	2/20/2022 12:27 PM

who kept food in my grocery store so my pets and I can eat....the rioters and sh*t disturbers I hope the charges rack up against yas so high you will never get help to bail yourselves out!

9156	It opened my eye to the fact that I wasn't alone in my thoughts and feel towards the lockdowns and mandates. Gave me hope!	2/20/2022 12:27 PM
9157	Drove to Ottawa with the convoy, stayed 2 days and drove home. Most positive experience I've been involved with in 2 years. So many happy people, peaceful people that just want their lives back, their freedoms back.	2/20/2022 12:27 PM
9158	Eyes opening	2/20/2022 12:27 PM
9159	Gives me hope there is still someone representing the people of this country.	2/20/2022 12:27 PM
9160	Gives us hope to stop the mandate	2/20/2022 12:27 PM
9161	I agree with the peaceful truckers. Freedom is very important to me.	2/20/2022 12:26 PM
9162	It hasn't so far, but as I feared it would give an excuse for Trudeau to bring in Martial Law and give his government more power, which is scary.	2/20/2022 12:26 PM
9163	It's made me really happy to see that there are more Canadians than I even possibly imagine that are done with the Covid mandates vaccinated or not vaccinated they are pro-freedom pro choice! The trucking convoy has made my heart feel elated at the unity their movement has embodied.	2/20/2022 12:26 PM
9164	Given me hope	2/20/2022 12:26 PM
9165	Gave us hope	2/20/2022 12:26 PM
9166	Hope, knowing that we're not alone. Thankful for the sacrifices made by other Canadians.	2/20/2022 12:26 PM

9168	It hasnt	2/20/2022 12:26 PM
9169	It has not affected my life	2/20/2022 12:26 PM
9170	I have never attended peaceful protests before and now I do. (I'm a senior)	2/20/2022 12:26 PM
9171	It's has showed me that I am not the only one that sees something wrong with what is going on here , it has brought hope to my family.It has exposed the mainstream media and PMS corruption on another level.	2/20/2022 12:26 PM
9172	Gave me one of the few reasons lately to be proud of the Canadian spirit and willingness to sacrifice for the good of the many.	2/20/2022 12:26 PM
9173	For the first time since this pandemic began, I felt hope. Cried tears of joy and hope watching the highway's filled with people cheering. I get like I wasn't alone for the first time in a long time	2/20/2022 12:26 PM
9174	It has affected my life in a very positive way. I feel connected to all those Canadians who have been in opposition to the mandates, and many people I know who have quietly opposed the mandates are now more vocal in their opposition.	2/20/2022 12:26 PM
9175	Brought hope of humanity	2/20/2022 12:26 PM

9188	No	2/20/2022 12:25 PM
9189	Gives a sense of hope that the mandates may be removed, many changes have began since the truckers have been in Ottawa. They have also created a great togetherness and unity among Canadians who have felt divided for so long. We need a hero in our country right now, and the truckers are just that, regardless of what they are able to accomplish for Canadians at this time.	2/20/2022 12:25 PM

9194	Given me a sense of hope that maybe the Prime Minister will actually listen to what the majority of Canadians want and need. The trucking convoy is giving a voice for all Canadians who want the government to actually hear ALL the voices of Canada, they are bringing the truth out into the open and standing up for all of us!	2/20/2022 12:24 PM

9223	The trucking convoy has given this country hope that things might change. Freedom of choice is the most important thing to society.	2/20/2022 12:22 PM
9224	Week one of the convoy was the proudest Canadian moment of my life. The response by Canadian MSM, the government, the police has been the worst Canadian moment of my life.	2/20/2022 12:22 PM
9225	Beacon of hope and truth - increase in positivity towards and trust in fellow citizens.	2/20/2022 12:22 PM
9226	Made me feel there was hope still for Canada	2/20/2022 12:22 PM
9227	It has given me hope! Realization we have no rights and freedoms and has show the true face of PM who's in it for himself not for Canadians. Filling his pockets and doesn't care about us canadians	2/20/2022 12:22 PM
9228	I've been encouraged that my fellow Canadians took action to make things better for all of us. I feel sad that it has resulted in violence and hate....truly uncanadian but all of this is on Trudeau. He could have been a leader qnd it never should have come to this result.	2/20/2022 12:22 PM
9229	Not much other then being disgusting and annoyed at them. Grocery stores are full.	2/20/2022 12:22 PM

9255	They are a voice for our future	2/20/2022 12:19 PM
9256	It gave me hope that there are people who are standing up for human rights. It showed me that I am not alone when it comes to discrimination. That discrimination is more than skin deep and the government spends more time talking about racism and painting people with the same brush than answering questions. It opened my eyes up to the true division: elites vs working class. It reminded me that God is within humans, no human should be or is God. Justin Trudeau has overreached	2/20/2022 12:19 PM
9257	Brought hope	2/20/2022 12:19 PM

9264	None	2/20/2022 12:18 PM
9265	The trucker convoy has not affected my life directly, but indirectly the measures the federal govt has taken has only increase my fear that we are no longer a democracy and I can honestly say for the first time in my life I am not proud to be a canadian	2/20/2022 12:18 PM
9266	I support the Truckers and it hasn't affectd my life.	2/20/2022 12:18 PM

9271	gave us a glimmer of hope	2/20/2022 12:18 PM
9272	It hasn't impacted me personally. I hope it helps people understand what White privilege is and that privilege is having freedom and having no clue you have it. The convoy is the ultimate display of a group who are accustomed to privilege and therefore equality feels like oppression. Shameful.	2/20/2022 12:18 PM
9273	It has provided hope to me that I will be able to get my rights and freedoms back. It has made me feel not alone in my thoughts, feelings and opinions.	2/20/2022 12:18 PM

Made me proud to be Canadian again and I haven't felt that patriotic ever since Trudeau got in. Lord knows how he got in in the first place. He is a vile, evil human being and should be arrested for all his wrongs, crimes and defamation of Canadians.	2/20/2022 12:17 PM

Canadians vote on Canadian Mandate - February 2022

9299	It has gave me hope.	2/20/2022 12:16 PM
9300	The convoy has given all Canadians hope that our voice will be heard. We have sat through 2 years of restrictions and goal post shifting from unelected officials and listened to them answer scripted questions from their state-owned media. It has been excruciating to listen to them tell us to trust "the science" while not providing any of their own. Just hospitalization, case counts and death tolls. That's not science. The truckers have shown Canadians they are not alone in their pain and isolation and that we are not a "fringe minority" of "anti-vaxxers". We are all Canadians and to be Canadian is to be free.	2/20/2022 12:16 PM
9301	It has shown me how ineffective our government is from the Prime Minister's office to the other parties. It took this sector of our population to bring attention to this despicable situation which has been created by tyranny. It has not created empty shelves in the grocery stores. It has shown what a coward our Prime Minister is by his hiding away when asked to meet with the convoy to discuss the situation.	2/20/2022 12:16 PM
9302	Given hope	2/20/2022 12:16 PM
9303	Makes you feel good that someone out there gives a shit and is willing to stand up for what's right	2/20/2022 12:16 PM
9304	Made me more aware of Trudeau's negative policies that seem to be based on his arrogance and misinformation rather than facts and normal procedures	2/20/2022 12:16 PM
9305	Was a heartwarming experience, first time had I had hope for Canada and retaining our freedoms.	2/20/2022 12:16 PM
9306	Gave me a hope of freedom.	2/20/2022 12:16 PM
9307	It has restored my faith in humanity	2/20/2022 12:16 PM
9308	It gave me hope of the end of the pandemic	2/20/2022 12:16 PM

9311	I have been so inspired to have someone stand up for what I want to see happen in Canada	2/20/2022 12:16 PM
9312	I am so thankful for the trucker convoy. I was beginning to wonder if Canadians would ever wake up to their oppression. The convoy woke a lot more people up and encouraged governments to give back freedoms that they had no right to take in the first place, though they will never admit it's because of the convoy. We have a Charter of Rights and Freedoms and Bill of Rights and these rights must be respected by our government in the future. This must never happen again. I was only negatively impacted so far by Tim Hortons not having mix for ice caps for 3 or 4 days. I still couldn't get one yesterday. But for freedom I'll take it! Lol For the people of Ottawa complaining, I'm sorry but if they had spoken up against their government a long time ago it wouldn't have had to come to this. Somebody had to stand up. And if they can handle what our government on all levels has done to them, they can handle the convoy. And Ottawa businesses did not have to shut down, they CHOSE to shut down. The government however, shut them down for 2 years on and off.	2/20/2022 12:16 PM

Canadians vote on Canadian Mandate - February 2022

9322	First sign of hope in 2 years	2/20/2022 12:15 PM
9323	Gave me hope	2/20/2022 12:15 PM
9324	Given hope and belief in the possibility of the criminals behind covid,mandates,masks,vacines being stopped and convictrd	2/20/2022 12:15 PM
9325	Gave me more hope and faith in humanity and the love people have for their fellow man, and for their country.	2/20/2022 12:15 PM
9326	given me pride once again in being Canadian, encouraged me to stand for freedom and doing away with the mandates. Shown me which politicians are lackies and which stand for the people and listen to their concerns.	2/20/2022 12:14 PM
9327	It's given my HOPE	2/20/2022 12:14 PM
9328	Brought hope that a change will come soon	2/20/2022 12:14 PM
9329	Empowering	2/20/2022 12:14 PM
9330	Gave me hope that change is possible. That the truckers have some power to fight for what is right.	2/20/2022 12:14 PM
9331	It hasn't	2/20/2022 12:14 PM
9332	It has started as a peaceful protest against a ridiculous mandate. But it ignited a flame, giving Canadians hope to stand against tyranny. To regain our constitutional rights the current government are breaking at every opportunity from restricting travel, free speech, the right to peacefully protest, sharing private information, to taking of private property and personal incomes, if your option is not inline with theirs. Disgusting! Enough is enough!	2/20/2022 12:14 PM
9333	It's made me afraid. I'm now afraid whenever I see a vehicle with a Canadian flag. Supporters if the convoy have been very aggressive in my city and this scares me. I'm opposed to domestic terrorism and this undemocratic attempt to overthrow the government. You don't represent me.	2/20/2022 12:14 PM
9334	Give me hope for freedom. Peace and hope	2/20/2022 12:14 PM
9335	Given me hope that there are many, many people who want their freedom. We are not alone. It has had no negative effect as far as my daily life.	2/20/2022 12:14 PM
9336	It gave me hope that finally this repression could actually end and that someone was taking a stand. My faith in everyday Canadians was restored.	2/20/2022 12:14 PM
9337	I have felt inspired and proud that a group of Canadians have this much passion for upholding the charter of rights and freedom	2/20/2022 12:14 PM
9338	Given hope	2/20/2022 12:14 PM
9339	Gave me hope that things will change	2/20/2022 12:14 PM
9340	bringing life back to normal	2/20/2022 12:14 PM
9341	It has given me hope to see so many people defending our freedom.	2/20/2022 12:14 PM
9342	It gives me hope for our freedom again!	2/20/2022 12:14 PM
9343	shown me how many people have had enough. Has shown me that it is possible to stand up, even with the scary element of racist, white supremists in our midst. Strange bed fellows, not to be trusted either. But letting that stop us expressing we do not accept what is going on? It has shown me to be courageous and stand up is still possible in Canada. We just are dealing with humanity that is damaged by trauma of violence and dominance and powerlessness. I honor the courage of folks putting their life and freedom on the line of this. When and who will wake up one day, realizing they are in the wrong sci-fi movie??????????	2/20/2022 12:14 PM
9344	Gives me hope.	2/20/2022 12:13 PM
9345	It has definitely proved to me that our Prime Minister does not have Canadians best interest. He has proven time and time again that he is someone who stands for chaos and believes in tactics that are beyond disgraceful. As a leader he should know better and act like an adult instead of acting like a spoiled 5 year old that didn't get the candy. He has been a bully. He has	2/20/2022 12:13 PM

lost all creditation as a human and so be charged with all his distasteful acts. Justin Trudeau is a huge disappointment.

9346	gave me hope	2/20/2022 12:13 PM
9347	It has given me hope that at least some Canadians are concerned about the politics/policies of our federal and provincial governments and the erosion of a free democratic society.	2/20/2022 12:13 PM
9348	It gives me hope that our rights and freedoms are worth standing up for	2/20/2022 12:13 PM
9349	Not at all. Just live they're fighting for freedom	2/20/2022 12:13 PM
9350	Has brought hope	2/20/2022 12:13 PM
9351	Hope	2/20/2022 12:13 PM
9352	It has given me SO much hope !! I have never been so proud of Canadians in my life. I wanted to burn my Canadian flag and T-shirt but they have restored my faith in this country and in humanity	2/20/2022 12:13 PM
9353	Renewed faith in Canada.	2/20/2022 12:13 PM
9354	Proud to we Canadians can stick together	2/20/2022 12:13 PM
9355	They have been an absolute waste of time, money, stress, and resources. I am embarrassed that the world will think Canadians are anything like these close-minded, incredibly selfish, uneducated people.	2/20/2022 12:13 PM
9356	Given me hope and excitement for our nations future!	2/20/2022 12:13 PM
9357	Didn't affect at all	2/20/2022 12:13 PM
9358	Gave me hope to get rid of this communist government	2/20/2022 12:13 PM
9359	It has been incredibly empowering. I have stopped my kids wearing masks in shops.	2/20/2022 12:13 PM
9360	It has not	2/20/2022 12:13 PM
9361	It has shown us we are all in this together and that our prime minister doesn't care about his citizens	2/20/2022 12:13 PM
9362	Very positively. Hope to see the change I'm expecting. Bringing everyone together, more love , acceptance, compassion among all the people. Truth being revealed.	2/20/2022 12:12 PM
9363	My father was a veteran and a long-distance driver for over 30 years. It breaks my heart to see my fellow man suffering through this kind having indignity. The effects have not been felt full force, but if this continues, I can assure you that myself and others will no longer be able to afford our produce and other goods.	2/20/2022 12:12 PM
9364	Gave me a sense of hope that the government nonsense could be changed. That truth may abound	2/20/2022 12:12 PM
9365	Helping Canadians	2/20/2022 12:12 PM
9366	It has given me some hope that we might reverse at least a part of the overwhelming damage done by Justin Trudeau and the Canadian government.	2/20/2022 12:12 PM
9367	Gave me hope	2/20/2022 12:12 PM
9368	It's given my family of 3 hope! Something to believe in! It's finally happening!	2/20/2022 12:12 PM
9369	Positive human interactions. Joy to be Canadian and being able to voice my opposition to the mandates. Now that the PM has invoked the emergency act I feel vulnerable and angry .	2/20/2022 12:12 PM
9370	Given me hope for change and made me feel a great sense of unity throughout our country	2/20/2022 12:12 PM
9371	gave me hope and joy and they actually gave me a check on myself about how good i have been at love and unity. they made me love my country again after i had become embarrassed of it and hated it. it's been one of the best events of my whole 44 years.	2/20/2022 12:12 PM

9379	It has not	2/20/2022 12:12 PM

9381	Very proud of them 100 percent	2/20/2022 12:12 PM
9382	It has not directly affected my life, other than the negative mental and emotional energy that spews out every time I turn on the tv. In addition to the raucous 'noise', I feel embarrassed for our country, and sad that organizers chose not to follow the standards for peaceful protest; and sad for all of us (including the truckers and their families) who are subjected to constant manipulations by all sides.	2/20/2022 12:12 PM
9383	Its given me hope	2/20/2022 12:12 PM

9394	I work for a large retailer and this has significantly impacted our products coming in and pleasing our customers	2/20/2022 12:11 PM
9395	It has not affected my life whatsoever, even if it did, it's only temporary. Once Trudeau can get his head out of his ass (it's not a hat) and actually talk with people instead of resulting to emergency measure (the war act) now its becoming violent while our Canadians are still civil (minus their little laid actors for their charade to only show their created negativity to try and shut down a peaceful protest) #FuckTrudeau	2/20/2022 12:11 PM
9396	It has given us hope in humanity and has shown us were not alone in how we feel about these mandates.	2/20/2022 12:11 PM
9397	It hasnt	2/20/2022 12:11 PM
9398	Not at all. I'm happy that the truckers are standing up for our LIVES, Rights & Freedoms. TRUDY SURE ISN'T STANDING UP FOR CANADIANS.	2/20/2022 12:11 PM
9399	Positively. It gave me a degree of hope that through the convoy and peaceful protest my individual rights would be returned. All I want is to be treated equally, and my government(s) to stop dividing the people of Canada, by means of hatred and tyranny. Peace be with all!	2/20/2022 12:11 PM
9400	Restored hope that a change can be done. If peacefully does not give an answer, are we only left with violence.	2/20/2022 12:11 PM
9401	Gave me hope for this country	2/20/2022 12:11 PM

9407	Encouraged our premier to end mask mandates in schools while death rates from Covid have increased in Saskatchewan.	2/20/2022 12:10 PM
9408	It's given hope to us with no voice It's blessed my heart Given a sense of pride to being a Canadian again Taught my son that we need to stand up for our rights and freedoms	2/20/2022 12:10 PM
9409	Not at all	2/20/2022 12:10 PM
9410	It shows me that you have to stand up AND stay strong to enact change. All they want is for govt to stop the madness as they only wanted respect of conversation to help plan an end. How horrible of them ??	2/20/2022 12:10 PM
9411	its made me restore hope in canada	2/20/2022 12:10 PM
9412	It's made me aware that my mental health state was shared with others who are just done with living in these fearful and divisive times . I live with more risk on the highways of Canada everyday than this virus inflicted statistacly speaking .	2/20/2022 12:10 PM

9420	Giving me some minor hope for humanity!	2/20/2022 12:09 PM
9421	Gave me hope that some is fighting for what I believe and that Justin Trudeau will be removed from office.	2/20/2022 12:09 PM
9422	They've actually been the only group to provide those of us who dissent with a voice. I'm sure that none of the provinces would have lifted mandates and no-one in parliament would have been willing to lobby to end them but for the fact that the trucker convoy landed in Ottawa and refused not to be seen. The convoy has shown that the dissenters aren't just a fringe minority. There are millions of us worldwide. We need to be heard!	2/20/2022 12:09 PM
9423	His has renewed my hope and Canadian pride, without hope there is nothing left. I felt like my voice and my particular issues and limitations mattered, that I was no longer alone that the truckers were my voice!	2/20/2022 12:09 PM
9424	The roads are full of annoying jerks honking and pretending they're being oppressed by a totally reasonable ask to help protect their fellow citizens	2/20/2022 12:09 PM
9425	I love what they've done.	2/20/2022 12:09 PM
9426	It hasn't because I don't live in an area they've occupied or put under siege.	2/20/2022 12:09 PM

9444	It's made me proud to be Canadian - until this weekend when I've seen the brutality the PEACEFUL protesters have been dealing with. Trudeau is disgusting and needs to go away	2/20/2022 12:08 PM
9445	I have hope again. I feel betrayed by our government	2/20/2022 12:08 PM
9446	I fully support them. Great seeing them stand up	2/20/2022 12:08 PM
9447	Gave a person hope to get back to some kind of normal.	2/20/2022 12:08 PM
9448	It has caused stress and the breakdown of important family relationships. I has made me lose faith even more with my provincial government, who is using this convoy as an opportunity to advance political interests, thereby further dividing society and spreading misinformation. I am worried.	2/20/2022 12:08 PM
9449	Gave hope.	2/20/2022 12:08 PM
9450	Hasn't	2/20/2022 12:07 PM
9451	Gave me hope !! Seen the light !! I'd I could I would have been there to support !!	2/20/2022 12:07 PM
9452	It hasn't	2/20/2022 12:07 PM
9453	Given me inspiration to realize that there are many, many others who are very, very tired of the restrictions. Fed up with our lives being intervened in.	2/20/2022 12:07 PM
9454	I live in the city of Saskatoon, and am a city person. But I lived for 8 years in small town rural Sask., and got to know the people and way of life. I liked them all very much and really appreciated knowing more about rural views. But now those same friends are strongly supporting the Convoy and supporting Trump, and I feel torn apart because I am not in favour of either. I feel sad that the gap between rural and urban Saskatchewan is widening. And there does not seem to be any middle ground.	2/20/2022 12:07 PM
9455	I feel hope, now I feel that I may be able to finally go to school to do what I want, which has changed my life huge. I feel a great amount of pride for Canada that I have not felt since Trudeau has come into office. I am once again proud to be Canadian a know I have a reason for it.	2/20/2022 12:07 PM

9468	Made me proud to be a Canadian. People standing up for their and our rights.	2/20/2022 12:06 PM
9469	It has brought some Canadians back together and given people hope. I have been disgusted to see the videos of Police, military, etc using excessive force on peaceful protestors in Ottawa. Shame on them and on the govt who allowed this to happen. Canada has a Charter of Rights and Freedoms to protect this from happening. It is horrible to see the Charter and Canadians literally being trampled on!!!	2/20/2022 12:06 PM

9580	The trucking convoy has brought so much hopefulness to me. It has given me hope that there are many people out there who feel as I do. The love, hope and positive message from the truckers was just what I needed. The festival atmosphere in Ottawa was overwhelmingly positive. So great to see so many people supporting them and joining together on the streets. I watched many, many hours of independent media people recording the action. Everything I	2/20/2022 12:00 PM

saw was positive until the government invoked the Emergencies Act. That was so uncalled for. I have now seen how much propaganda the main stream media spouts. How much of a failure on the part of the PM to personally get out on the street and talk to the truckers and their supporters. As mandates are already being lifted why could he not have worked out a deal with the truckers? I have completely lost faith in this government and their partisan bickering.

9581	It has made me proud to be a Canadian seeing all the people coming back together throughout the country in unity	2/20/2022 12:00 PM

9633	Given me hope	2/20/2022 11:57 AM
9634	It has showed a large divide in friends and family who support vs do not support. Although I don't believe this is the convoys fault. This is a deeper issue that the convoy has brought to the surface	2/20/2022 11:57 AM
9635	The convoy has been a great encouragement to me knowing that millions of Canadians share my views. It has also made it more clear how dishonest and corrupt government and media are.	2/20/2022 11:57 AM
9636	It woke me up and I got excited and proud that people would stand up to their beliefs for Canada.	2/20/2022 11:57 AM
9637	Raised prices and made it difficult to have products available. Also made me proud of the people. I just wish theu stood for more. Like not giving other countries money or bringing immigrants in until canada is looked after(no housing crisis, better bigger health care(to many sick or diing do to lack of care before pandemic and now), affordable living is met. Also having	2/20/2022 11:57 AM

a good honest person that looks out for Canadian not Justin Trudeau. Less division of people. People are suffering... lots have no where to fix this (jobs requirements restrict them or disabled and facing homelessness due to rise in prices.

9638	Gave hope	2/20/2022 11:57 AM
9639	I didn't see it as a peaceful protest. It disintegrated into a "mob mentality" protest. There was no respect for others who were not part of this protest. Calling for freedom, what a farce. Freedom to endanger the health and safety of others!	2/20/2022 11:56 AM
9640	Gave me hope	2/20/2022 11:56 AM
9641	It's giving me hope.	2/20/2022 11:56 AM

9643	This peaceful protest has brought home and unity to the people of this country and the world.	2/20/2022 11:56 AM
9644	Gave some hope that things may change for the better until Trudeau invoked emergency act now I'm afraid of what he will do with the unfettered power it gives him.	2/20/2022 11:56 AM
9645	Positive and encouraging to see Canadians stand for freedom	2/20/2022 11:56 AM
9646	Not at all.. the government is doing more harm to our country than the trucker convoy	2/20/2022 11:56 AM

9650	Freedom	2/20/2022 11:56 AM
9651	Well it's hard to cross certain borders and it slowed things down	2/20/2022 11:56 AM
9652	It hasn't really	2/20/2022 11:56 AM

9654	Increased my hope that others will stand for freedom	2/20/2022 11:56 AM
9655	Yes, realizing we can still TRY to let our view know. Not sure if government will listen though.	2/20/2022 11:56 AM

9658	Yes, by bringing some hope that finally the people will stand up to arrogant public servants who do actions which no one had any right to grant them to do.	2/20/2022 11:55 AM
9659	Optimism	2/20/2022 11:55 AM
9660	It's made me proud of Canadians. Both bc of the movement itself (coming together from all provinces in such large numbers) and bc of the way Canadians in the convoy have been conducting themselves (w integrity - keeping the peace and the display of love and restraint while being viciously maligned by mainstream media/police chiefs/the prime minister and while being brutally assaulted by the police who are following unjust orders from a government who seems to have made it his life's purpose to divide and polarize a country w his hate speech and then send them out to deal w the fallout of his rhetoric. The same police he knelt in protest *against* while standing in solidarity w BLM/antifa during *actual* riots which *actually* terrorized communities and caused *actual* damage to businesses and both public and private property. The same police he determined to be racists (for simply doing their job in serving and keeping their community safe) and called on to be defunded. As a member of a law enforcement agency myself - I have more pride in the conduct of this convoy than I do for the officers I once served alongside of.	2/20/2022 11:55 AM
9661	I attending the first weekend. It was the most peaceful event I have witnessed. So much love and happiness in ppl's eyes...it was a feeling I will remember forever and I am happy the truckers did this for our rights and freedom. This is the Canada I know and love.	2/20/2022 11:55 AM

9671	It has given me hope that this nonsense will soon end	2/20/2022 11:54 AM
9672	Has reaffirmed my belief in Canada, and Canadians, who are willing to stand up against tyranny. I LOVE THESE TRUCKERS. Very very brave and sensible and kind and peaceful people. GOD BLESS THEM ONE AND ALL.	2/20/2022 11:54 AM
9673	It has made me feel anxious and angry. Those people had the right to share their feelings and protest for one weekend and then move on. They have cost the Canadian taxpayers more than \$800,00000 a day and stopped the move of goods between the USA and Canada. Those people have terrorized the citizens of Ottawa that live near the protest area. They should have had a small group of spokespeople go to Ottawa to get an audience with the Prime Minister and Gov't officials. As the days went on they went from one cause to many causes and had no leadership. It is everyone's right to chose whether or not to get a vaccine. We do not live in a third world country and we have really not been asked to do much except get a vaccine and wear a mask. If they lived in the USA or in Europe they would have been tear gases and told to move on after the first weekend. The protesters are very lucky to have been treated with so much fairness and without any violence on the part of the police. They made their point, some of which were not clear and needed to Go Home.	2/20/2022 11:54 AM
9674	Provided hope	2/20/2022 11:54 AM
9675	It's mainly encouraged me. It was portrayed that everyone supported the mandates and that whoever didn't was dumb or evil. Canadians have been divided between vaccinated and unvaccinated for so long and it's so nice to see people gather for a common cause, out of love and kindness for every Canadian.	2/20/2022 11:54 AM
9676	It gave me hope, but it was short lived	2/20/2022 11:54 AM

9681	The trucking convoy has brought me hope, hope that maybe this could bring an end to the government and their mandates.	2/20/2022 11:53 AM
9682	Made me more confident that the Covid restrictions will end in a couple weeks maybe	2/20/2022 11:53 AM

9703	I put that in my last answer.	2/20/2022 11:52 AM
9704	The convoy has given me hope that we might finally get rid of these mandates. Some provinces are starting to drop them very slowly since the convoy started. It's our stupid stubborn leader that is keeping them on for spite not science. All of mandates should never have been imposed in the first place. If we wanted to wear a mask, wear one, if you wanted a vaccine, get a shot. Nothing should have been forced. Our health care system was broke before the pandemic.	2/20/2022 11:52 AM

9731	It has made me aware of so many other people in Canada feeling isolated and negatively affected by the mandates. It gave me hope for the future that ordinary people could voice their concerns. After Feb. 18 events in Ottawa, I no longer trust mainstream media, the government, the police , the Education systems and the medical system pushing the vaccines.	2/20/2022 11:50 AM
9732	It has given me hope that Canadians still believe in their country and want to stand up for the truth and freedom.	2/20/2022 11:50 AM

9752	Made me proud to be Canadian again for the first time in a long time	2/20/2022 11:48 AM
9753	It has giving me hope for a change and a communal voice. After two years of fruitless letter writing to newspapers, government, children's schools, feeling like my voice had no effect, it seems now that my participation in this movement at the same time as every other citizen participating can finally have an effect, due to the strength of its numbers.	2/20/2022 11:48 AM

9767	Finally people are coming together and sticking up for our rights and the choice to do what you decide with your body, whether it has to do with taking a vaccine or not. It's all about pro choice just like people are with abortion. It's your body your choice. Why is this different when the vaccine doesn't even work how the media and the government says it works.	2/20/2022 11:47 AM

9777	This isn't a "trucking convoy" though that's the way it started. It's roused the far/alt right, brought in funds from the US, and given those who hold those beliefs the belief that they have the right to do as they please everywhere across the country.	2/20/2022 11:47 AM

9782	I disagree with their approach but vaccines shouldn't be imposed on anyone. Maybe have them tested instead to make sure covid is not spread by their services. I'm tired of hearing about it and having my taxes being wasted on resources for their cause.	2/20/2022 11:47 AM

9795	Only to give me sense of pride to to Canadian again.	2/20/2022 11:46 AM
9796	Very positively, it has brought people together who support each other , shown that we are not crazy for going against corruption and main stream media. Shown that we are not free and our government does not support us it is all about money and power for those individuals in government. The convoy proved this when our government wouldn't even come to the table to talk.	2/20/2022 11:46 AM

Canadian again seeing so many up and being supported. The convoy did not cause any negative effect to Canada. All the mandates caused more harm to our economy by closing businesses, product supply shortages and more mental stress than all the peaceful protestors and trucks. First hand I did not see the unlawful protestors that social media acted out and filmed for propaganda.

9806	The convoy has United Canadians suffering from all these govt mandates and restrictions/overreach. So much love and hope shared from meeting all these fellow Canadians. The best thing that has happened in last few years in Canada. They government has failed us and the convoy has represented better than anyone in Parliament.	2/20/2022 11:45 AM
9807	One way are another we would be feeling the pressures at the Gas pumps are the Grocery stores, but the truckers are just a small percentage in all that.	2/20/2022 11:45 AM

9813	It has given us hope, that there are others willing to stand up with us. It has given us a reason to feel proud to be Canadian - in the last 5 years, there has been no reason to be proud, Justin Trudeau has divided the entire country and put everyone against each other, but the convoy has shown that there are so many of us who believe that we have rights to earn a living and choose our medical procedures	2/20/2022 11:44 AM
9814	Gave me hope...there are others with like minded thoughts	2/20/2022 11:44 AM

9820	The FREEDOM convoy has given me so much hope that we the people will end all mandates. These brave souls are fighting for all Canadians and the whole world's rights against the tyrannical leaders. Something had to be done to stop the oppression and I am moved to tears that the truckers started this revolution.	2/20/2022 11:44 AM
9821	It's uplifted me	2/20/2022 11:44 AM

9825	Encouragement and feeling that I am not alone.	2/20/2022 11:43 AM
9826	He gave me a hope. It made me proud to be the daughter of a trucker. The imposed emergency act which created violence tore my heart out it made me fear for my my children and my family and my friends safety and well-being	2/20/2022 11:43 AM
9827	It's helping us get back our rights and freedom I'm happy they have organized it the end	2/20/2022 11:43 AM
9828	The truckers convoy has provided the most hope and unity this country has seen in two years. Due to these travel restrictions that interfere with my charter rights and freedom to travel within and without of the country I have been unable to participate in the protests at Ottawa. Which is an infringement on my right to peaceful protest and freedom of assembly. As such I have made due by attending local support rallies in my area. At each and everyone I have met 1000s and seen 10s of thousands of Canadian's stand untied across race, creed, colour and religion. Everyone has been more than peaceful, smiling, full of love and togetherness. The	2/20/2022 11:43 AM

only aggression, unlawfulness or assaults I have seen have been from counter protestors. I know that there have been isolated cases of alleged violence from convoy protestors but I highly suspect that these are infiltrators or bad actor plants meant to give the movement a bad name as that is the only thing that makes sense from my experience, and the experience of the many that I know that have attended these groups.

9845	Positively in all respects. They brought joy, laughter, love and hope back into my life.	2/20/2022 11:42 AM
9846	Very sad to see their awful behaviour.	2/20/2022 11:41 AM
9847	Brought hope to see real research being applied and proper ethics applied by the truckers. Trudeau should step down	2/20/2022 11:41 AM
9848	Has not affected my life	2/20/2022 11:41 AM
9849	Supply chain; embarrassed on the international stage by the actions of the PM	2/20/2022 11:41 AM
9850	It has given me renewed hope Want to live again Hopeful they this country/glove won't become communistic	2/20/2022 11:41 AM

9852	gives me hope!	2/20/2022 11:41 AM
9853	Other than being an international embarrassment it has had very little impact on me at a personal level. I support the right to peaceful protest providing it does not interfere with the lives of our general population.	2/20/2022 11:41 AM
9854	Given us hope after over 2yrs of atrocities	2/20/2022 11:41 AM
9855	I have been smiling more in the 2 years then I ever had until now with what Trudeau is doing to our free country.	2/20/2022 11:40 AM
9856	Got my blood pressure up and made me unable to be non judgmental and to be extremely frustrated at the ignorance of facts and science, and the willingness to seek out and embrace conspiracy theories and false information of the participants	2/20/2022 11:40 AM
9857	Hasnt	2/20/2022 11:40 AM

9859	Brought hope that there could be a end to this Era of tyranny.	2/20/2022 11:40 AM
9860	It hasn't. I support them and what they are fighting for 100%	2/20/2022 11:40 AM
9861	Completely changed my heart in terms of a United Canada. Before this I was headed towards separation. Now I have a whole new appreciation for my country as a whole. The convoy has awakened many more people to the ugly truth that I've known for two years!	2/20/2022 11:40 AM
9862	Very positively by giving me the chance to see that I was not alone in this battle. Gave me the strength to read, ask myself questions about the by seeing the workings of governments, the impossibility of being heard as people. By understanding better that the constitution and the charter of rights is put in place to limit the abuse of power by governments.	2/20/2022 11:40 AM
9863	Gave the excuse to impact our freedom even more, peaceful protests are good, violent protests should be actioned against.	2/20/2022 11:40 AM
9864	I have found it embarrassing for Canada as I believe in a we not me society. Plus the organizers have racist right wing views which I don't support	2/20/2022 11:40 AM
9865	Inspiring	2/20/2022 11:40 AM
9866	I went to Ottawa last weekend and walked along side other supporters and listened to speeches delivered by Canadian doctors. It was powerful to be among so many believers to end mandates and to hold governments accountable to the mismanagement of this questionable pandemic. I truly appreciate the information shared by Colonel Dr. Redmond....former head of the EMO of Canada.	2/20/2022 11:40 AM
9867	It has not affected my life negatively, but gave me hope that maybe put government leaders would finally listen and hear us out.	2/20/2022 11:40 AM
9868	Its inspired me and lifted my spirits and faith in humanity.	2/20/2022 11:40 AM
9869	Hope	2/20/2022 11:39 AM
9870	Alberta has lifted mandates, most likely due to the convoy. They have given me hope things may actually get better.	2/20/2022 11:39 AM
9871	Two days of protest would have been enough.	2/20/2022 11:39 AM
9872	Gave me temporary freedom like going to Costco again	2/20/2022 11:39 AM
9873	I was proud to see Canadian citizens taking a courageous stand and voicing their concerns to a Government that unfortunately refused to engage in a dialogue with them. I am proud of the truckers but gravely disappointed and disillusioned with our Government.	2/20/2022 11:39 AM
9874	Brought hope	2/20/2022 11:39 AM
9875	They have brought me hope... they stood up for how I was thinking but did not know how to make my voice heard.	2/20/2022 11:39 AM
9876	They have help give me my hope back, they are a very positive and peaceful people. I feel they deserve a lot of credit for what they are doing and it shows exactly what and how big of a coward Trudeau really is. This truckers convoy has also given other people hope as well as being an inspiration to other people, other countries, states, provinces. I think they deserve enormous credit and further support, which they have. We support them 110%. My genuine hope is in God and the truckers convoy gives me inspiration and hope as well which is helping me get through everyday.	2/20/2022 11:39 AM
9877	HOPE	2/20/2022 11:39 AM
9878	Hope!!	2/20/2022 11:39 AM
9879	Not much so far, but it has given me hope again.	2/20/2022 11:38 AM
9880	The convoy has given me hope. They have United alot of people while our prime minister divides.	2/20/2022 11:38 AM
9881	It has brought me some hope that I am not alone and that there is hope for humanity.	2/20/2022 11:38 AM
9882	It has not .. I support the right to this peaceful protest	2/20/2022 11:38 AM

Canadians vote on Canadian Mandate - February 2022

9883	It is giving me hope	2/20/2022 11:38 AM
9884	It has given me faith that it may be possible to regain our charter freedoms and get the communist dictator out of Ottawa	2/20/2022 11:38 AM
9885	I wish I could be there to support them! We need to stand up and get our freedom and rights back!	2/20/2022 11:38 AM
9886	It's been a unifying of Canada that's needed	2/20/2022 11:38 AM
9887	I know many of those involved. It has been good to see abs experience the patriotism	2/20/2022 11:38 AM
9888	It has given me hope	2/20/2022 11:38 AM
9889	Gives us some degree of hope to stop this criminal take over.	2/20/2022 11:38 AM
9890	Hope	2/20/2022 11:38 AM
9891	Let's make this clear it's not only the truck convoy but Canadians trying to stand for their rights for freedom, This needed to happen before it's too late and we lose all our rights as free loving Canadians. Anyone seeing what is currently happening in Canada and defending the liberal, the NDP, the police and the vaccines must be blind if they're unable to see what is really happening because the truth is censored by media. This is a sad day in Canada for All. I never I thought I would ever see this in my lifetime. It's really sad for my children and grandchildren.	2/20/2022 11:38 AM
9892	It hasnt	2/20/2022 11:37 AM
9893	Given me hope, made me feel not alone, open my eyes to the disgusting excuse we have for a PM	2/20/2022 11:37 AM
9894	gave me hope in humanity	2/20/2022 11:37 AM
9895	Hope for changes	2/20/2022 11:37 AM
9896	Positive gained hope	2/20/2022 11:37 AM
9897	The convoy has given me hope that I haven't had in iver 2 years. I 100% support it	2/20/2022 11:37 AM
9898	Makes me realize I'm not alone in what I believe about mandates, it's brought me hope for sure	2/20/2022 11:37 AM
9899	It's shown how the majority of Canadians feel about the mandates	2/20/2022 11:37 AM
9900	It hasn't. I am glad someone is standing up to these fools.	2/20/2022 11:37 AM
9901	Given me hope	2/20/2022 11:36 AM
9902	Super positively. The truckers understood that the government is ignoring the rights of the people and the only way to get people and the government to pay attention is with something larger than life..and they are doing it! When I drive from north Vancouver island to victoria and see THOUSANDS of people standing on the side of the highway and waving flags in support I know this is not a small fringe minority...THIS IS CANADA. We've been duped far too long. Thank you truckers, it's time we stand up. Time for an uprising.	2/20/2022 11:36 AM
9903	It brought life an hope back to my life	2/20/2022 11:36 AM
9904	Hope return	2/20/2022 11:36 AM
9905	Not at all	2/20/2022 11:36 AM
9906	It has United Canadians more than I've seen in years.	2/20/2022 11:36 AM
9907	The convoy has not affected my life. The trucker road blocks, however, are a completely different topic and should have been addressed in this survey. The two should not be conflated.	2/20/2022 11:36 AM
9908	It's giving me New Hope	2/20/2022 11:36 AM
9909	Only gave me hope and to see other proud Canadians wanting their Country back from the tyrant they call Trudeau.	2/20/2022 11:36 AM
9910	Gave me hope that democracy will return.	2/20/2022 11:36 AM

9915	Gives me hope	2/20/2022 11:36 AM
9916	It's showed what Canadians are capable of in defending their freedom. The government response has made us angry, sad and fearful of the direction for canada	2/20/2022 11:35 AM
9917	Brought me together with good people. Gave me a bit of hope, but not a lot because I think the Gov't will just keep doing what they want to fulfill Agenda 2030. I have 0 trust in Gov't and wish there was none.	2/20/2022 11:35 AM
9918	It's made me feel more positive about getting rid of these unnecessary mandates & passports. I am grateful to see people stand up against this Tyrannical Gov.	2/20/2022 11:35 AM
9919	It's given me hope that people are awake and seeing what Trudeau is doing to our Country.	2/20/2022 11:35 AM
9920	Not at all kuddos to them	2/20/2022 11:35 AM
9921	Intially. Hope. Huge injection of Canadian showmanship. We are in this together. Not divided. Now, simply in ahhh. It never had to come to this. Justin will only stoke the division	2/20/2022 11:35 AM
9922	Very proud of them	2/20/2022 11:35 AM
9923	Gives hope.	2/20/2022 11:35 AM
9924	These beautiful and brave men and women deserve medals for peacefully standing up for our God given rights and freedoms.	2/20/2022 11:35 AM
9925	They have stood up for my rights, and they are showing that Canadians have power.	2/20/2022 11:35 AM
9926	Positively. Bringing so much hope to my life that we are in fact United as Canadians and citizens of the free world.	2/20/2022 11:35 AM
9927	There's hope that the people of this great country can come together and protest for our rights and to stop this government over reach of our rights and disregard of the charter.	2/20/2022 11:35 AM
9928	It brought unity to Canada	2/20/2022 11:34 AM
9929	Freedom of speech and I support them	2/20/2022 11:34 AM
9930	Made me proud to be a Canadian again	2/20/2022 11:34 AM
9931	They have helped to be a voice for the voiceless and to show personal choice is it	2/20/2022 11:34 AM
9932	Happiness, go get em	2/20/2022 11:34 AM
9933	It has made things better. Freedom	2/20/2022 11:34 AM
9934	Just proud to be Canadian	2/20/2022 11:34 AM
9935	They have given me hope, felt a sense of pride and unity since seeing this patriotic gathering of peaceful people.	2/20/2022 11:33 AM
9936	They gave me a hope	2/20/2022 11:33 AM
9937	It has given me hope	2/20/2022 11:33 AM
9938	The convoy hasnt affected my life but it gave me hope to see Canadians Uniting like we used to, showing peace, love and compassion	2/20/2022 11:33 AM
9939	Gave me hope to end this sanity	2/20/2022 11:33 AM
9940	It's inspired me	2/20/2022 11:33 AM
9941	I feel that they are very peaceful and I have no problem with them.	2/20/2022 11:33 AM
9942	It hasn't. But I agree that strong but peaceful measures are needed to wake up our leaders. I have much respect for those who have taken a stand to have our freedoms returned. I am	2/20/2022 11:33 AM

disgusted at the violence and inhumane treatment they have received in response.

9943	Prefer not to answer	2/20/2022 11:33 AM
9944	It has'nt	2/20/2022 11:33 AM
9945	Given me some hope that people in Canada are willing to stand up against unjust and unethical laws. Our PM's response has been so discouraging and highlights his desire to create division and conflict for his own personal political gain. It's so disheartening.	2/20/2022 11:32 AM
9946	Rage	2/20/2022 11:32 AM
9947	It gave me hope that I'm not alone.	2/20/2022 11:32 AM
9948	Given me HOPE!!	2/20/2022 11:32 AM
9949	Given us hope and a renewed spark to stand up for what we believe is right. Made us feel like we are not alone.	2/20/2022 11:32 AM
9950	Great people standing up against political Pigs	2/20/2022 11:32 AM
9951	Given hope.	2/20/2022 11:32 AM
9952	Made feel proud to be Canadian for the first-time in a very long time	2/20/2022 11:32 AM
9953	Gave me hope.	2/20/2022 11:32 AM
9954	Mere inconvenience totally worth while	2/20/2022 11:32 AM
9955	They are inspiring me to continue to believe in humanity and believe that it is only in those times when humanity faces our darkest fears and struggles that we show the goodness & greatness inside all of us and unite against darkness.	2/20/2022 11:32 AM
9956	It has not affected me directly but, indirectly, it shows that the people of our once great country are tired of getting run over by this current government.	2/20/2022 11:32 AM
9957	It has given me hope	2/20/2022 11:32 AM
9958	It has given me hope that perhaps Canada still exists and that peaceful protest by law abiding people has an impact. Unfortunately it has also exposed the Prime Minister legacy media and Government as an elitist authoritarian regime. Their behavior has caused me to lose all faith in our institutions.	2/20/2022 11:32 AM
9959	HELPEED IN A POSITVE WAY	2/20/2022 11:32 AM
9960	It's given me hope again for Canada as a free nation as opposed to a WEF banana republic where unelected big money interests determine policies.	2/20/2022 11:32 AM
9961	They gave me hope again	2/20/2022 11:31 AM
9962	I am proud of there efforts and support them fully	2/20/2022 11:31 AM
9963	Anger, frustration, amazement, inconvenience	2/20/2022 11:31 AM
9964	It hasn't	2/20/2022 11:31 AM
9965	Truckers brought me hope, inspiration, joy, freedom...all the things people seem to have forgotten with these mandates. Even if it affected my life by having less groceries on the shelves or backlogged orders...definatly worth it and they should hold the line.	2/20/2022 11:31 AM
9966	I 100% support the truckers I wish this happened when I got my shots awhile ago I definitely would have not gotten it if it meant everything that the truckers have done meaning they would open everything up again. I hope that the truckers pass a by law that these mandates will never come into play again.	2/20/2022 11:31 AM
9967	If anything it helped expedite the announcements from Premiers that they *might* get rid of mandates at some point. I'm glad the citizens are crying out for help since our Prime Minister addresses people from other countries freely, yet ignores his own citizens.	2/20/2022 11:31 AM
9968	In a great way	2/20/2022 11:31 AM
9969	The trucking convoy has changed my life I am so proud to a Canadian I have met so many people who were so friendly and spreading love and hope all around!!! I see all Canadian as	2/20/2022 11:31 AM

real people now all people!! I have a greater love for mankind !!

9970	very happy to see our Canadian brother and sisters stand up to a dictator that's running our country!	2/20/2022 11:31 AM
9971	It gave me a bigger sense of national pride than I have ever had to see so many people come out to support each other and to help others.	2/20/2022 11:31 AM
9972	Felling proud and sad at the same time	2/20/2022 11:31 AM
9973	Love the idea that they are standing up to the government	2/20/2022 11:30 AM
9974	I've been excited and hopeful that they will make a difference and help the prime minister see that the people want freedom, that's all, just freedom to live your life.	2/20/2022 11:30 AM
9975	It gave me hope and showed we are not a minority.	2/20/2022 11:30 AM
9976	Stressful to watch and emotional over the stories and what I have seen through Live feed videos of police brutality icky. Beating of woman, peaceful people manhandled and injuring a disabled woman on her walker/scooter with horse. I witnessed this live on steaming: absolutely appalled and do not support this evil behavior of tyranny against the Canadians	2/20/2022 11:30 AM
9977	Gave me some hope that I wasn't alone in this. Refreshing to see Canadians standing up for something.	2/20/2022 11:30 AM
9978	Made me feel like there is a chance that people still care and love and peace is still in the world of GOD!!	2/20/2022 11:30 AM
9979	It's given me hope.	2/20/2022 11:30 AM
9980	nil	2/20/2022 11:30 AM
9981	It has given hope that people are standing up for what is right	2/20/2022 11:30 AM
9982	It has given me hope for the future of this country and for my kids.	2/20/2022 11:30 AM
9983	The main thing it has done is reveal the bias the media. I have been disgusted with the casual throwing around of extreme terms. They need to spend some time in a dictionary as well as historical use before they throw around words like occupations, blockades, misogynist, racist and any other incendiary terms they've chosen to carelessly use. Their job is to report the facts and I have only gotten that from those in the convoy that are livestreaming the whole thing.	2/20/2022 11:30 AM
9984	The convoy hasn't effected my life at all. I stand behind them 100% as we need our lives all back. No more vaccines to keep your job too many people have lost their jobs homes and love ones do to these mandates. So Go Truckers Go	2/20/2022 11:30 AM
9985	It has given me hope. It has made me proud to be Canadian. It has inspired a very real feeling of Patriotism.	2/20/2022 11:30 AM
9986	Encouraging	2/20/2022 11:30 AM
9987	Given me renewed hope	2/20/2022 11:30 AM
9988	I've seen it lift the spirits of the people, it restored joy for being Canadian for a couple of weeks, it showed the people that we have the power to say no	2/20/2022 11:29 AM
9989	Initially sense of hope and now disgusted at the way the police are treating peaceful protestors	2/20/2022 11:29 AM
9990	Made it more unsafe.	2/20/2022 11:29 AM
9991	It has bought me hope for the future	2/20/2022 11:29 AM
9992	Has given me hope for a better future	2/20/2022 11:29 AM
9993	Feeling of hope.	2/20/2022 11:29 AM
9994	Undecided	2/20/2022 11:29 AM

9997	Did not affect me	2/20/2022 11:29 AM
9998	It gave me hope and a feeling of unity . It did effect me emotionally and mentally yet I believe it's the one thing which brought Canada unity and hope once again	2/20/2022 11:29 AM
9999	Given us hope that as a people & Canadians we will stand our ground and protect at all cost what is ours	2/20/2022 11:29 AM

10002	I love it. People are finally waking up and see how wrong the government has been.	2/20/2022 11:28 AM
10003	It saddens and depresses me. My mental health is suffering. I was bullied by 3 white male of the supporters because I need to ensure I do not get Covid. I get protests, but do these people have bully others because they don't believe in vaccines and masks?	2/20/2022 11:28 AM
10004	I feel differently about some of the people who I thought were cool	2/20/2022 11:28 AM
10005	It made me feel proud to be a Canadian again until I seen truedoe on the news	2/20/2022 11:28 AM
10006	It's made me ashamed to be Canadian.	2/20/2022 11:28 AM
10007	I am glad someone is standing up for us.	2/20/2022 11:28 AM
10008	It's brought back hope that Canadians can resist government overreach	2/20/2022 11:28 AM
10009	It has just showed me once again how the federal government is incompetent	2/20/2022 11:28 AM
10010	lot's	2/20/2022 11:28 AM
10011	I have been watching it daily to see what will happen. I believe they have done a wonderful thing for Canada and pray for their safety daily. I am more than proud of the group of Canadians that has taken this convoy upon themselves. I would like to be a lot younger so I could have joined them	2/20/2022 11:28 AM
10012	It's a beacon of hope Accept that the police are brutalizing people for being peaceful	2/20/2022 11:28 AM
10013	Gave us hope and strength	2/20/2022 11:28 AM
10014	It hasn't directly affected me Just a group making a stand and that I support	2/20/2022 11:28 AM

10030	It makes me Proud to be Canadian again. I have faith in humanity because of it	2/20/2022 11:27 AM
10031	Deeply embarrassing and frustrating	2/20/2022 11:26 AM

10035	I get to laugh at them because they are so stupid. They have been used by white supremacy and are too stupid to understand.	2/20/2022 11:26 AM
10036	Unknown	2/20/2022 11:26 AM
10037	Disgusted in how our leaders have responded. I am.not sure any of us realize how this will affect our lives.	2/20/2022 11:26 AM

10050	They gave a voice to the people the government didn't	2/20/2022 11:25 AM
10051	It hasn't.	2/20/2022 11:25 AM
10052	It has given me a feeling of hope that this ridiculousness will end. It has shown that there are a lot of people in this country that feel the same as I do. It has united people against these absurd mandates.	2/20/2022 11:25 AM
10053	It has given me hope. When the trucker convoy was announced, and I saw the scale of just how big it was, I actually felt like there was hope for the first time in 2 years. At the start of this pandemic I was on board with our prime minister, but this has gone way too far. He is abusing his power and has lost any support I once had for him.	2/20/2022 11:25 AM

10094	None	2/20/2022 11:23 AM
10095	It's left he disheartened and has negatively affected my mental health. It makes me wonder if this is still a world worth living in, if this many loud, annoying assholes believe they are so much more important than everyone else.	2/20/2022 11:23 AM
10096	Give us hope for freedom	2/20/2022 11:23 AM
10097	It highlighted the bankruptcy of our ruling class and complete dissolution of the social contract.	2/20/2022 11:23 AM
10098	I don't live near where things are happening. Saddened for those impacted by the noise and immobility.	2/20/2022 11:22 AM
10099	it has helped lift my spirits and given me something to look forward to	2/20/2022 11:22 AM

10103	It gives me hope	2/20/2022 11:22 AM
10104	Given evidence that there is a large body of Canadians willing to stand up for our rights and freedoms and all the serious infringements that have been imposed that breach our constitutional rights and our Bill of Rights and Freedoms. These were dangerous unacceptable moves that must be rescinded now.	2/20/2022 11:22 AM
10105	It has brought me hope for real change! I am seeing myself and others around me smile for the first time in 2 years!! They woke up Canadian citizens to fight for the change they deserve. For the freedoms we deserve. The freedoms our relatives fought and died to protect! The government must do better.	2/20/2022 11:22 AM
10106	It has given me pride in being a truck driver and a Canadian again. Although with the idiosy Trudeau is pulling at the moment, I couldn't wait to get into the USA to feel safe. How sad is that? Trudeau has to go.	2/20/2022 11:22 AM
10107	So much positivity	2/20/2022 11:22 AM
10108	Made me ashamed of Canada and associate the flag with selfishness.	2/20/2022 11:22 AM
10109	It's let me realize that Canada is full of racist white assholes white asshole, cry baby men that don't like to follow health rules..or say they didn't like the protective measure when really they are just trying to over throw the government. Bunch of losers that brought shame to Canada. I hope they all lose everything for being cruel and tormenting Ottawa citizens for weeks, for blocking boarders and being uneducated twats.	2/20/2022 11:21 AM
10110	Given me hope	2/20/2022 11:21 AM

10114	Showed hope	2/20/2022 11:21 AM
10115	I felt like FINALLY I wasn't alone. When I saw all the people standing on bridges, side of roads and highways in solidarity when the truckers were on the way to Ottawa I cried. I was proud to be Canadian again.	2/20/2022 11:21 AM

10146	Freedom is a right of every Canadian under the charter to choose what we put in our body especially experimental vaccines that are not vaccines !!!! 3 shots and still get the viris oh but that's called a variant or break through the gig is up vaccinated or not you still get and spread it so why restrictions to force compliance of a vaccine that does not work therapeutic at best with serious side effectsabsolutely no thank you!!! Truckers have exposed the govt over reach to divide vaccinated from unvaccinated not right in Canada i don't support blocking borders but I do support protesting against forced vaccination in Canada and taking the right to travel away passports is absolutely disgusting & disturbing in Canada!!! Truckers and citizens have rights to protest peacefully the infringement on the rights to do their jobs vaccinated or not !!!!!	2/20/2022 11:18 AM

10156	THEY HAVE GIVEN US SUCH HOPE WHEN OUR GOVERNMENT HAS FAILED US SO SO MISERABLY. IM SO GRATEFUL FOR THOSE TRUCKERS. THEY ARE THE PEOPLES ARMY AND OUR TRUE HEROS. IL NEVER TRUST JUSTAN TRUDEAU AND HIS FOLLOWERS EVER AGAIN. THE HAVE LOST ALL CREDIBILITY CREDIBILITY WITH CANADIANS. ENFORCING POLICE IN RIOT GEAR TO TRAMPLE INNOCENT PROTESTORS. 10169	It has given me hope and shown me that we are NOT a fringe minority as declared by a leader who obviously has a non existent relationship with the truth.	2/20/2022 11:17 AM
10170	Grocery stores are pretty empty, my car wasn't able to be fixed for a month because parts were held up	2/20/2022 11:17 AM
10171	I have my Canadian pride and hope back!	2/20/2022 11:17 AM
10172	Its great that they stand up for all of us against the would be dictator.	2/20/2022 11:16 AM
10173	The convoy has given me hope because they brought Canada back together and are fighting (peacefully) to get the (ridiculous) mandates Trudeau has put in force taken away; not just for them, but for all the nurses, physicians, firemen, policemen, first responders, military, Caucasians, etc. that don't want to relinquish their freedom over a virus that has killed less than .1% of the world's population in two years.	2/20/2022 11:16 AM

Canadians vote on Canadian Mandate - February 2022

10174	It gives me hope for freedom and accountability of government to Canadians	2/20/2022 11:16 AM
10175	They have given me hope of a free and normal Canada again. Our government clearly doesn't want what is best for Canadians, and I thank the convoy for starting a global movement.	2/20/2022 11:16 AM
10176	They made me realize that they don't even know what freedom is. They are taking away others' freedom for their selfish convenience - I'm against a legal vaccine mandate but those who CHOOSE not to be vaccinated must live with the consequences (yes that could be job loss) - unvaccinated should be quarantined and restricted to essential services (including medical and hospital services).	2/20/2022 11:16 AM
10177	Nothing at all	2/20/2022 11:16 AM
10178	It hasn't	2/20/2022 11:16 AM
10179	It's caused a lot of stress, it's made it difficult to get to places on weekends and caused some friendships to end.	2/20/2022 11:16 AM
10180	Gave me hope. Helped me to feel like I'm not alone.	2/20/2022 11:16 AM
10181	Given me hope that tyranny and overreach can be stopped. The truth is being revealed.	2/20/2022 11:16 AM
10182	It gave me hope in our country and in the hope of getting our rights and lives back.	2/20/2022 11:16 AM
10183	The truckers are the ones standing up for our freedom. I love these people; they have done the greatest movement in history!	2/20/2022 11:15 AM
10184	Made me extremely proud to be Canadian again.	2/20/2022 11:15 AM
10185	It has given me hope for a better future.	2/20/2022 11:15 AM

10187	It gives me hope that life is about to be normal again.	2/20/2022 11:15 AM
10188	It's the best show of freedom movement we have never seen in Canada. We want our voice to be heard by our government. It's not about truckers. It's about showing our government we had enough of this tyranny and control. Canada is a free country.	2/20/2022 11:15 AM
10189	It's made my life better by giving me hope.	2/20/2022 11:15 AM
10190	Gave me hope.	2/20/2022 11:15 AM
10191	It has made me worry a lot about the future of our country and the future of democracy. I fear that bullying, feeling entitled to break the law and having disregard for fellow Canadians is being seen as a way to advance minority self-interests. Also sad to see the flag, the National anthem, patriotism and God desecrated as justification for bad behaviour.	2/20/2022 11:15 AM
10192	Gave hope.	2/20/2022 11:15 AM
10193	It has given me hope for your country and the end of this non-emergency pandemic.	2/20/2022 11:15 AM
10194	Gave me hope for the first time in a long time.	2/20/2022 11:15 AM
10195	Positive; gave me hope!	2/20/2022 11:14 AM
10196	stressful	2/20/2022 11:14 AM
10197	Not at all.	2/20/2022 11:14 AM
10198	Improved mental health, feeling hopeful, less isolation, increased distrust in government.	2/20/2022 11:14 AM
10199	It hasn't. Made me proud.	2/20/2022 11:14 AM
10200	It's given me hope!	2/20/2022 11:14 AM
10201	Not at all. Peaceful protests should be welcomed.	2/20/2022 11:14 AM
10202	Amazingly a life booster. A hope....I love it! The Canadian heroes fighting for our freedom and fighting against the unconstitutional mandates.	2/20/2022 11:14 AM
10203	Not at all.	2/20/2022 11:14 AM

10210	didnt	2/20/2022 11:14 AM
10211	Not in any negative way at all.!	2/20/2022 11:14 AM
10212	Its giving me hope that there is people out there that still stand for our freedom and choice.	2/20/2022 11:14 AM
10213	Not at all	2/20/2022 11:14 AM
10214	With hope until I've seen my country go communist in front of my eyes.	2/20/2022 11:13 AM
10215	Mixed with all the emotions listed above, I've had hope. But every time I've felt hope, all it takes is turning on the local news, looking at social media, and listening to 10 seconds of "debate" in the House for the little hope I have left to dwindle further. It's pretty sad that truckers and passionate citizens are fighting harder for my rights and freedoms than my friends, family, employers, spouses union, or political leaders. And still...I have hope.	2/20/2022 11:13 AM
10216	It hasn't. I believe in what they are trying to accomplish	2/20/2022 11:13 AM
10217	It didn't	2/20/2022 11:13 AM
10218	Nil	2/20/2022 11:13 AM
10219	Inspiring	2/20/2022 11:13 AM
10220	hasnt affected my life ,, hoping that the government hears us and takes all the mandates off !!!!!!!!!!!!!!!!!!!!!!	2/20/2022 11:13 AM
10221	No change	2/20/2022 11:13 AM
10222	A glimmer of hope that there are many people who are fighting for choice and to rebuild our economy	2/20/2022 11:13 AM
10223	Bringing people together	2/20/2022 11:13 AM
10224	It has given hope	2/20/2022 11:13 AM
10225	Positively	2/20/2022 11:13 AM
10226	Watching what is going on, not thru mainstream media(untruths) I feel so proud of my fellow Canadians	2/20/2022 11:13 AM
10227	Not at all	2/20/2022 11:13 AM
10228	It has increased my level of stress when I see people who have no central message as to what they are protesting. It became a catch all for all sorts of complaints and yet they said that they would not leave until their demands were met. Many of then mandates are provincial and yet they are focused on the federal government. I have no patience for their self centred way of punishing the people of Ottawa and the businesses there. I am particularly incensed when protesters say they are representing all Canadians. They did not represent my views and the way they did it makes it more difficult to present their views and concerns to many Canadians.	2/20/2022 11:13 AM
10229	I'm embarrassed and terrified that there are people in this country who are so ignorant and entitled. People who have no idea what real oppression is. It's disgusting.	2/20/2022 11:12 AM
10230	It has given me hope	2/20/2022 11:12 AM
10231	It has shown me the nobility of Canadians in a peaceful demonstration and it has revealed the tyranny of this Liberal/NDP government. They need to be voted out of office and then investigated for crimes against humanity under the Nuremberg Code.	2/20/2022 11:12 AM
10232	It has given me some hope	2/20/2022 11:12 AM

peacefully stand up for their beliefs. On the flip side many in the end were hurt physically or mentally in the retaliation of our police force. Inflicting bruit force, pepper spray, fear with large horses coming at them while on foot. I have lost the last bit of respect I may have had in our premier and our leaders entirely from federal to provincial.

10262	The trucking protest has infuriated me as it's not based on science or any kind of logic. I can't believe it. I don't mind if they protest for months - but they should not be allowed to block our borders or block streets with semi trucks. It really hurt Alberta economically. We know persons directly affected by the Coutts border being closed. What Ottawa had to endure was unbelievable. I have no sympathy for any of the protesters at all.	2/20/2022 11:10 AM
10263	Undecided	2/20/2022 11:10 AM
10264	It hasn't affected my life at all. I always check for live feed video from Ottawa from the Convoy. I support those men and women down there peacefully protesting for our rights and freedoms	2/20/2022 11:10 AM
10265	Finally proud. & United	2/20/2022 11:10 AM

10267	I support the freedom message. I do not support blockades.	2/20/2022 11:10 AM
10268	Embarrassed! Not very Canadian behaviour. Not against a peaceful protest but this became an occupation and not much to do with original issues.	2/20/2022 11:10 AM
10269	Made me see light again in this corrupt World of darkness	2/20/2022 11:09 AM
10270	Disrupting services	2/20/2022 11:09 AM
10271	Gave me back a feeling of hope. I'm proud of them for standing the line and how peaceful they are going about it. Shame on Tudeau and the police force for trying to change that	2/20/2022 11:09 AM

10273	It hadn't	2/20/2022 11:09 AM
10274	I supported their cause as I've always felt Canada is free to choose, however our government has done things and mandated things I feel goes well above democratic ways. The brutal force has left me ashamed and I can't believe that this is occurring in our country let alone my province. Our Prime Minister needs to resign!	2/20/2022 11:09 AM
10275	It gave me hope and renewed sense of community.	2/20/2022 11:09 AM

10282	First bit of hope in two years that we may be able to have the regular Canada back again	2/20/2022 11:09 AM
10283	Given me hope that we have seen the end of all of the mandates. Thankfully someone has taken on the current federal government as no one else has been able to get their attention. The current government is doing a lot of wrong things including poor handling of covid and should have NEVER implemented the war act. Hopefully because of the trucking convoy the current government will be replaced.	2/20/2022 11:08 AM
10284	Made me feel like there is hope for our restoration of freedom	2/20/2022 11:08 AM

10296	None except distress at seeing police use force on peaceful protesters	2/20/2022 11:08 AM
10297	It's given me Fath that all Canadians aren't indoctrinated into what is becoming a MARXIST COUNTRY. The Media is in Trudeau's pocket and they outright lie to Canadians .	2/20/2022 11:08 AM
10298	Brought hope!	2/20/2022 11:08 AM

10306	They gave me hope. I want mandates to end and want my life back.	2/20/2022 11:07 AM
10307	None. It's dumb.	2/20/2022 11:07 AM
10308	I had previous lost hope and faith, ashamed to call myself Canadian. The truckers restored my hope and faith and I'm proud to be Canadian again. Much respect to them all as well as the organizers of the convoy!	2/20/2022 11:07 AM
10309	I do not live in Ottawa, therefore not directly. The ties to groups with racist views I have found shocking, disturbing and sad.	2/20/2022 11:07 AM
10310	It's given me hope that there are people out their that crave the Canada that I remember not to long ago. People that are willing to go out and fight for our freedoms which the government stripped away. Essential workers when the gov. deemed them essential and then one day they were no longer essential. The convoy has also reaffirmed how biased our own media is against anything the Lib government is against.	2/20/2022 11:07 AM
10311	Its given me hope and the first sense of patriotic pride since the 2010 Olympics.	2/20/2022 11:07 AM
10312	Has given my entire family hope. We have joined in at local convoys and it has shown us the real Canada once again	2/20/2022 11:07 AM

10323	It Gave me hope I hadn't had in a long time. But it turned into fear of the government by the end of it :(2/20/2022 11:06 AM
10324	Thankful they are standing up for the rights of everyone in our country!	2/20/2022 11:06 AM
10325	It has brought hope back into my life. Hope they we can be free to live our lives again. Openly with out judgement or harassment. Remove the mandates. Immediately	2/20/2022 11:06 AM
10326	I have family in Ottawa whose mental health is suffering as a result of the occupation of their city. They report that the relentless noise and filth some of these invaders have subjected them to are unbearable. I worry for their wellbeing every day this nonsense drags on.	2/20/2022 11:06 AM

10353	Has not affected me.	2/20/2022 11:04 AM
10354	They gave me hope of freedom	2/20/2022 11:04 AM
10355	It has shown me how untrustworthy our government is and that one person can control everyone.	2/20/2022 11:04 AM
10356	They stood up for fellow Canadians they helped bring awareness to our crooked prime ministers agenda	2/20/2022 11:04 AM
10357	Actually for the first time in a long time makes me feel as though Canada is actually united. I believe that they are doing it as peaceful as can be. I believe the government is trying to devalue the convoy by creating a false narrative such as the person holding the nazi flag, the guns in relation to couttes, the lost guns in eastern Canada etc. I know that my main stream media cannot be a truthful source of information. I believe that mandates should end and you do you. Want to wear a mask, go ahead, want more vax - go ahead protect yourself in a way you see fit and I will do the same. Tell the truth on how many willingly got the vax and coerced for one reason or another.	2/20/2022 11:04 AM
10358	It's shown me that above all the working class has been smeared for their choices even if they go along with our charter and how many people support this even with false reporting trying to get in the way.	2/20/2022 11:04 AM
10359	It hasn't affected my life	2/20/2022 11:04 AM

10361	I wasn't concerned about the "grocery shortages" before this happened, but now I'm noticing things are not stocked or in short supply. These "truckers" are also so noisy and loud in communities, it's hard to relax in your own home.	2/20/2022 11:04 AM

10369	It gave me hope for my future and the future of my children	2/20/2022 11:03 AM
10370	Has given hope	2/20/2022 11:03 AM
10371	Been a show of racism, privilege, put a bad name to the trucking profession. Complete disregard for the folks who have their day-to-day lives affected by the noise pollution, disturbance, violence, etc.	2/20/2022 11:03 AM
10372	Given me hope and pride for the first time in a long time, we as Canadians have that right to peaceful protest and demand our freedoms back. Charter of rights and freedoms is designed to limit the government, not the people.	2/20/2022 11:03 AM
10373	It has brought me hope, that maybe, just maybe we can have our voices heard and changes will be made that will no longer divide people, but once again have them stand in unity.	2/20/2022 11:03 AM

10380	It's given hope and has instilled pride in the Canadian people, while increasing my shame of our parliamentarians. It only took 2 years to completely dismantle our freedoms. We will need to change our anthem from strong and free to broken and chained if this regime continues.	2/20/2022 11:02 AM
10381	It has been eye opening to see so many people stand together, as true proud Canadians, peacefully protesting as they have the rights and freedoms to do so. Canadians vote on Canadian Mandate – February 2022

10403	It has improved are lives. All the fringe groups across canada. United under the CONVOY	2/20/2022 11:01 AM
10404	It finally made me proud to be Canadian bc our government hasn't	2/20/2022 11:01 AM
10405	It gave me hope. We all need to move forward & get on with life & leave this mess in the past.	2/20/2022 11:01 AM
10406	ZERO!!! Outside of SEEING all the proud moments!!! YES!!! Proud to be Canadian when I see this.	2/20/2022 11:01 AM
10407	It has given me more hope that I have had in a very long time. I cried every day they were driving and watching the droves of people lining to support them, and seeing all the love in the capital for weeks when the leaders would not recognize their existence or give them the time of day. It made me frustrated because I saw live footage every day on social media of the legacy media outlets absolutely lying and violating broadcasting standards, and no such assaults occurred until OPP assaulted rebel news reporter yesterday. No bicycle were thrown, protesters were peaceful with handshakes, flowers, hugs and pleading with officers to join them. No violence at the hands of protesters, but absolutely disgusting acts by the police forces and unwarranted arrests dropping people in the middle of nowhere in freezing Canadian winter like they did to the indigenous in the starlight tours. Horrifying, but the protesters still have hope and are undeterred, so therefore, I have hope.	2/20/2022 11:01 AM
10408	It has not effected me at all.	2/20/2022 11:01 AM
10409	It has given me hope. And brought back some pride to Canada	2/20/2022 11:01 AM
10410	Not sure yet	2/20/2022 11:01 AM
10411	It has not! They have benefited Canada. Provinces started waking up.	2/20/2022 11:01 AM
10412	None of them!!	2/20/2022 11:01 AM
10413	It hasn't!	2/20/2022 11:01 AM
10414	I got stuck in the convoy on a Saturday when I was driving home from work, I could not find an exit to get home to my baby who was with a babysitter. It has also hurt me and my faith in humanity because I see that there are many people who do not care for those who are vulnerable.	2/20/2022 11:00 AM
10415	I attended the peaceful protest in Ottawa. The people were amazing and friendly and united. My family trucks as well and we are standing up for Canadians freedom. The convoy have not affected me in any negative way.	2/20/2022 11:00 AM
10416	Renewed my sense of hope. Brought smiles to the faces everywhere. Has brought this country closer together. Once the BS stops and we have our lives back the government needs to take a step back and a hard look at themselves to remember we are free people not their slaves.	2/20/2022 11:00 AM
10417	They have brought hope of good in this evil world run by tyrants	2/20/2022 11:00 AM
10418	It has given me hope and shown what real Love looks like and real Canadians and Unity! I love and support their effort against tyranny!	2/20/2022 11:00 AM
10419	It has given me hope and also has shown me I'm not alone in how I feel and also how the mandates has affected many other People.	2/20/2022 11:00 AM
10420	It has given us hope.	2/20/2022 11:00 AM
10421	Brought unity, hope, restored my faith in humanity. Brought Canadians together. I could recognize my Canada again. Until the riot police showed up, than it quickly became a disgusting shame.	2/20/2022 11:00 AM
10422	It hasn't, except for bringing me hope	2/20/2022 11:00 AM
10423	Made me more aware of the damage the mandates are causing	2/20/2022 11:00 AM
10424	Showed how many Canadians are against the mandates	2/20/2022 11:00 AM
10425	They have given us hope that things can change. We live here because it is a free country and we need to fight to keep our freedom. The convoy has woken people up that we are losing our rights as Canadian citizens. Trudeau is leading our country into communism or fascism. He has even shown how he can freeze our bank accounts and control us. The convoy has shown Trudeau's true colours and he is not here for the people.	2/20/2022 11:00 AM

10427	Annoyance for myself. Empathy for those living downtown.	2/20/2022 10:59 AM
10428	I was ready to sell and move to the states, I had given up on Canada. The convoy has brought many strangers of every background together with one plan, to end the mandates. This has have me hope and a willingness to fight for our freedoms in here	2/20/2022 10:59 AM
10429	I hope they pull their rigs over and shut the entire country down. I am prepared for any hardship this may cause - none of us were prepared for the absolute hardship the last two years have brought to every person. Whatever it takes to open the eyes of more people.	2/20/2022 10:59 AM
10430	Gives me hope	2/20/2022 10:59 AM

10433	Open my eyes as to how many people share the same view point as me	2/20/2022 10:59 AM
10434	Gave me hope in Canada again	2/20/2022 10:59 AM
10435	It has given our family hope that maybe there are more people out there that feel the same as us! Yes there has been some disruption to supply chains but that is a minor disturbance and one easily endured to have core freedoms restored and respected!	2/20/2022 10:59 AM
10436	It gave me hope to have freedom from all the globalists lies	2/20/2022 10:59 AM
10437	hope	2/20/2022 10:59 AM
10438	It has brought Canadians together in love and peace, wanting changed in true democratic fashion.	2/20/2022 10:59 AM
10439	Gives hope to people and shows unity regardless of race color or political views	2/20/2022 10:59 AM
10440	It showed me that people care to stand up for what they feel is right. The overall theme of it I agree with, it wasn't just about truckers it was for everyone against mandates.	2/20/2022 10:58 AM
10441	It has brought hope and joy and pride of being a Canadian back!	2/20/2022 10:58 AM
10442	I'm more than ever proud to be a part of the truckers convoy.	2/20/2022 10:58 AM
10443	An extreme and overwhelming feeling of hope in my country and my people. The unity I have witnessed and felt brings me to my knees. I have lost friends from supporting the convoy, but gained so many more in participating with local protests.	2/20/2022 10:58 AM
10444	Brought joy to see us Canadians uniting to fight for our rights	2/20/2022 10:58 AM
10445	It shows that I am not on my own and many other people think that these vaccines and vaccine passport are agains our freedom	2/20/2022 10:58 AM
10446	Brought hope	2/20/2022 10:58 AM
10447	Given me hope	2/20/2022 10:58 AM

10459	It hasn't affected me at all since I can't go/do anything.	2/20/2022 10:57 AM
10460	It has brought me hope that things can change if you stick together and stand up for what you believe in. It has NOT brought harm to my family in any way. I cannot say the same about the pandemic.	2/20/2022 10:57 AM
10461	Shows people stand up against heavy handed politics ..	2/20/2022 10:57 AM
10462	Ok	2/20/2022 10:57 AM
10463	Positive impact on mental health, a feeling of hope and unity	2/20/2022 10:57 AM
10464	They gave me hope for freedom as per the charter of rights that we live with. Not the lies of passing emergency power as per one corrupt government	2/20/2022 10:57 AM
10465	It's hasn't But has shown the true colours of our Prime Minister and the police brutality	2/20/2022 10:57 AM
10466	I am so proud of those people to take of their own time to stand up for us all! Wish I could have done more to support them!	2/20/2022 10:57 AM
10467	Since it started. Gave people hope that maybe we can get rid of our Tyrannical Government	2/20/2022 10:57 AM
10468	N/A	2/20/2022 10:57 AM
10469	Given me hope that not everyone is believing msm lies. Hope mandated will end. Decent peaceful people saying what I wAnt to say. Canadians coming together in peace shows more about Canadians than anything I have ever seen before. How that can be so lied about and hated by PM is so disturbing	2/20/2022 10:57 AM
10470	It's given me hope that this will be over soon.	2/20/2022 10:57 AM
10471	Negatively. The blockades have slowed down trade. It's causing supply issues that affect jobs and prices for goods. It's causing major disruption to government operations. This costs us all.	2/20/2022 10:57 AM
10472	It's finally brought some hope that people are actually seeing in Canada that we have a problem	2/20/2022 10:57 AM
10473	It hasn't directly affected my life, but from what I see on the news, they are exactly what they are calling the left: sheep, spreading fear (of masks and vaccines), snowflakes (don't want to wear masks so change the mandates for ME without thinking of how this could affect immunocompromised people, people waiting for life-saving surgeries etc.). They think they're being oppressed, but they don't even know what oppression is.	2/20/2022 10:57 AM
10474	Gave me hope, to be our voice that was heard, all across Canada	2/20/2022 10:57 AM
10475	Encouraging	2/20/2022 10:57 AM
10476	The convoy has given me hope. For the first time since March 2020 I woke up happy in the mornings. Since the emergency measure act was announced, I am waking up wishing I didn't at all. This has to stop. Now.	2/20/2022 10:57 AM
10477	With praise and admiration	2/20/2022 10:57 AM
10478	We have been brought hope that our democratic rights and freedoms will be restored. We see the flags, the convoy participants and are so grateful for their efforts when we believed all hopes were lost. We cried at the sheer relief they brought through hope.	2/20/2022 10:57 AM
10479	Restored some sort of hope for a future.	2/20/2022 10:57 AM
10480	1. Pride. They have given me more pride in Canada than I have ever felt. 2. Hope. There will be a better tomorrow because of them. 3. Opening my eyes that our government is no better than the United States. We laughed/cried when things were going wrong there last year. We laughed/cried because we thought our government and police force had more respect for their people. Were we ever wrong. We are those people. That is our government. The convoy has shown us the truth. That we must sit down and shut up. We are only a democracy in the was of, vote here. We have no voice. The convoy has shown us that. They have shown we need to stand up or our little bit of democracy will crumble and fall. 4. Love. Peace. We love each other as Canadians and we the citizens stand strong	2/20/2022 10:57 AM

10485	It has been the only HOPE REMAINING FOR THIS COUNTRY	2/20/2022 10:56 AM
10486	They brought hope! Rekindled Canadian pride. Love for my fellow citizens. Happiness for humanity!	2/20/2022 10:56 AM
10487	Incredible it's only been a positive effect! Other than the media turning it all around	2/20/2022 10:56 AM
10488	I found out there are poeple like me. I was isolated for a year, thinking I was the worst person on the planet for not vaccinating. And then I found out poeple even in my network who were the same but were afraid to speak out about it. Convoy brought unity and love and hope for so many of us	2/20/2022 10:56 AM

10493	The trucking convoy has not affected my life, in fact it may improve the corrupt situation in Canada.	2/20/2022 10:55 AM
10494	It's made me incredibly scared for the future of our country - selfishness, ignorance and entitlement on full display.	2/20/2022 10:55 AM
10495	All for it.	2/20/2022 10:55 AM
10496	It shows that people are standing up for our rights	2/20/2022 10:55 AM
10497	Relief	2/20/2022 10:55 AM
10498	I support the truckers period. They bring food to the masses and medical supplies among lots of other shipments that are needed so that we all can survive day to day and they also keep people working as well. Yay, truck drivers.	2/20/2022 10:55 AM

10504	It has Given me hope for my country	2/20/2022 10:55 AM
10505	The convoy has affected my life in a somewhat positive way. It has shown the world the Canada still has a voice and a stand for what they believe is right! No matter how the narrative has been spun about the convoy and the people supporting FREEDOM OF CHOICE! We are able to stand strong through many attempts to devalue and degrade the protests. This is not about conspiracy theories or tin foil hats! This is about the free people of Canada wanting to be free from being forced to choose between their job and a vaccine!	2/20/2022 10:54 AM
10506	New hope	2/20/2022 10:54 AM
10507	Give me hope for a better Canada	2/20/2022 10:54 AM
10508	I think they speak for millions of people who have been trying to voice their opinion but are shut down. What is most appalling is how everyone was praising nurses and health care workers, PSWs, paramedics and doctors - that they were so thankful for them but as soon as they didn't want to take the vaccine, they couldn't care less about them. But it was okay when they were working through the pandemic without a vaccine and risking their lives and their	2/20/2022 10:54 AM

10526	Has given our family hope. The convoy shows unity of like minded peaceful people. Justin Trudeau has lost his mind and we are afraid of his dictatorship	2/20/2022 10:53 AM
10527	The truckers have a right to protest. There maybe biased news to what is really happening It is shocking to me as to where our country is headed - the government is not allowing truckers freedom to make their livelihood	2/20/2022 10:53 AM
10528	It brought hope that the end of the tyrannical leadership is coming. Trudeau is sinking Canada from a 1st world country to a 3rd world country.	2/20/2022 10:53 AM

10534	It gave me hope that we still had people who care what happens to Canada and the people living here.	2/20/2022 10:52 AM
10535	If that is the reason Moe removed the vaccine passports then it did in a positive way, but not direct impact as I live provinces away.	2/20/2022 10:52 AM

10593	A glorious example of how many (or how few) misguided, ill-informed, manipulated Canadians there are. And how little they understand, or give a damn about, their rights and other people's rights.	2/20/2022 10:49 AM

10611	Gave hope to all Canadians	2/20/2022 10:47 AM
10612	It has brought a sense of pride back into being a Canadian that I have not had for a very long time	2/20/2022 10:47 AM
10613	Gave us hope for the future	2/20/2022 10:47 AM
10614	It's given me hope and a voice! It's allowing people to have access to more information and connecting people with similar points of view.	2/20/2022 10:47 AM
10615	It has broken up my family and prohibited my ability to advocate constructively on behalf of farmers. It has distracted my ability to reduce the impact of potential environmental policies. I have to wonder if this is a tactic that's been driven by the environmental movement to distract everyone from what we should be dealing with. It almost seems like these protestors want to hold onto the pandemic, while the rest of Canada is trying to move forward.	2/20/2022 10:46 AM
10616	Has made me proud of what they have done and given me hope	2/20/2022 10:46 AM

10628	The convoy/protest is the first hope I've had in 2 years of anything going back to normal.	2/20/2022 10:46 AM
10629	Gave me hope	2/20/2022 10:46 AM
10630	It hasn't, I feel we are developing a two class population the rich against the average person. I feel our prime minister should have met with this group and tried to mediate, The Emergencies act shoul not have been invoked. The truckers were peaceful and there was no terrorism and all groups left peacefully without violence.	2/20/2022 10:46 AM

10647	Hope .. happiness ... Freedom	2/20/2022 10:44 AM
10648	It is heartbreaking how cruel this government decided to crack down on peaceful protests.	2/20/2022 10:44 AM
10649	Brought visual proof that people want to be together, want to speak their mind, care about others, want to help, want to hug,want to show love, want to be heard. It has brought hope to the world! Demonstrating that people want to be heard and will stand strong together. People are reaching out to strangers again. We are all so tired of being alone.	2/20/2022 10:44 AM

10653	Hopefully they have awakened Canada to everything that Trudeau is doing to this country	2/20/2022 10:43 AM
10654	It has restored my faith in Canadians and I want Trudeau to go before he turns this wonderful country into a Communist 3rd World country.	2/20/2022 10:43 AM

10656	It has been a positive and uplifting movement	2/20/2022 10:43 AM
10657	Brought attention to how bad the Trudeau liberals truly are . Woke leftist losers who have done untold damage to Canada. I question weather the country will ever come out of this. Even before Covid , Trudeau liberals have destroyed the ethics of this country.	2/20/2022 10:43 AM
10658	No. It helps to improve our freedom	2/20/2022 10:43 AM
10659	Gave us hope the great sense of a free country speaking against a Tyrannical government	2/20/2022 10:43 AM
10660	Brought us hope. Brought realization of how many others out there actually supported the same goals as we did.	2/20/2022 10:43 AM
10661	It's bloody embarrassing to see these fools yell about freedom. No society can exist without limits to freedom. Anarchy only allows bullies and those with the most guns to determine the "right" path. I don't have the "right" to not wear my helmet while motorcycling but you won't see me organizing paralyzing demonstrations to secure my "right".	2/20/2022 10:43 AM

10669	It gives me hope!	2/20/2022 10:42 AM
10670	They were a very peaceful protest that showed everyone in the country no matter what race, religion or mandates we can all come together with love and show our fellow brothers and sisters respect and hope. The way they were treated by police and the government shows how corrupt our current system is. From the PM to the judges, to the police using forces I do not consent. You are not human to act like this. Time to get out of your power trip trance.	2/20/2022 10:42 AM
10671	Gives a sense of unity.. a sense of hope	2/20/2022 10:42 AM
10672	It did not affect my life . I am so very proud of each and everyone of those Truckers. I wish I could have stood with them in Ottawa. We have a right to our freedom and a right to be heard. What has affected my life is the utter disbelieve in how Trudeau has handled this situation. He should be removed from office.	2/20/2022 10:42 AM
10673	Did not affect me. But I think it did have an impact \$\$\$\$ for those that did not see the money coming in their wallet.	2/20/2022 10:42 AM
10674	Much more contentious discussions between people. Made me have to explain what government overreach, and misrepresentation mean to by young children. Made me lose much faith in many politicians (mostly liberal/NDP). Lost of lot of faith in media I hadn't seen such obvious bias in in the past. Shockingly disappointed in the police response on twitter/interviews/etc (not the front line/just he interim chief interviews/dishonest twitter posts).	2/20/2022 10:42 AM

10683	It's hasn't but I am happy they are there	2/20/2022 10:41 AM
10684	It's brought me a sense of unity with the people of Canada, and help me realize our Politicians have no respect for the people. Our Rcmp have no regard for the people.	2/20/2022 10:41 AM
10685	Has given me hope and made me realize how many rights have been taken away.	2/20/2022 10:41 AM
10686	Has made me proud to see people come together and try to show what Canada used to be and could be again	2/20/2022 10:41 AM
10687	Important that citizens are standing for rights and freedoms	2/20/2022 10:41 AM
10688	got me thinking about the bad federal government	2/20/2022 10:41 AM
10689	Brings me hope that the people are finally uniting and standing up to voice our concerns. I can't be has openly verbal because of my occupation. They could charge me. I'm incredibly proud of the truckers.	2/20/2022 10:41 AM
10690	It's given me hope that Canadians want better than what our governments are forcing upon us.	2/20/2022 10:41 AM

10703	Gave me hope	2/20/2022 10:40 AM
10704	It has given hope and joy because how it's brought people together	2/20/2022 10:40 AM
10705	It has given me hope that we are not alone, that other Canadians have been affected too. It has inspired me that Canada can be a united and prosperous Country once again.	2/20/2022 10:40 AM
10706	Very encouraged!	2/20/2022 10:39 AM
10707	Made me proud of my fellow Canadians in the convoy	2/20/2022 10:39 AM
10708	Given me hope.	2/20/2022 10:39 AM
10709	It gives me hope! Our family has very seriously looked into moving to the United States because of how the Canadian government has handled the whole Covid situation. The trucking convoy is forcing the government to take the Canadian people seriously and listen to them and see that Canadians are just done with the restrictions, with the mandates, the vaccines and the vaccine passports. We need to start living our lives again!	2/20/2022 10:39 AM
10710	It's inspired me and brought me hope. For mine and my children's future.	2/20/2022 10:39 AM
10711	Yes shows me I am not the only ones who has not agreed with the way things are being handled. We are supposed to be free and have freedom to choose.	2/20/2022 10:39 AM
10712	It has not the government has affected my life the convoy has given me hope	2/20/2022 10:39 AM
10713	Seeing that Canadians are ready to fight back has been nice but they're going about it the wrong way and it's already much too late but it's better than nothing..	2/20/2022 10:39 AM
10714	Made me sad to see all the chaos in this country & the fact that so many of us supported this. If it really was about vaccines, then, how do they explain the restriction on the US side. It seems a mute point. It's more about hate of our Prime Minister. He was elected, so if they want change, they can vote differently next election..that's democracy!	2/20/2022 10:39 AM
10715	A large feeling of hope, love, togetherness, solidarity, power in numbers, power of love, and strength. Coming together as one, one big family	2/20/2022 10:39 AM
10716	It has brought hope to a hopeless situation. Very thankful for the people that have had the courage to do this	2/20/2022 10:39 AM
10717	I feel supported by it	2/20/2022 10:39 AM
10718	Polarization and fear based.. personally hasn't impacted me yet however I know what will come from it will likely have the largest impact on everyone's lives if this is gone about the wrong way and extremists get rewarded and consequences continue being extreme either way, too lenient and then flipping to such extreme measures because people are all at healing points. We are all affected because of how this bleeds through everything else. Our leaders are not leading and something does need to change so we don't have our own country blown up by our own people (citizens, military, government, etc.). This is distracting from the bigger picture and the outcomes afterwards.	2/20/2022 10:39 AM
10719	It gave me hope and a taste of unity, humanity and joy. It also provided companionship and	2/20/2022 10:39 AM

community after 2 years of solitude and ostracism.

10720	Gave me hope	2/20/2022 10:39 AM
10721	It has not and in fact if you actually see the real reports NOT the legacy media ones, it has not impacted anyone except the truckers who are not working and our sulky PM who shut parliament down instead of dealing with the issues.	2/20/2022 10:39 AM
10722	Govt reaction has affected all Canadians forever	2/20/2022 10:39 AM
10723	has made it impossible for me to go to my medical appointment downtown	2/20/2022 10:39 AM
10724	It has a very positive effect..	2/20/2022 10:38 AM
10725	I am very proud of all of those who are peacefully protesting standing up for our rights of freedom and our Canadian Constitution	2/20/2022 10:38 AM
10726	Entertaining to see how poorly police handle innocent people. It's embarrassing for that aspect, but the world is finally looking up to us for standing up.	2/20/2022 10:38 AM
10727	It has given a voice to those who have been scared to speak up due to the stigma around being unvaccinated. They have shown those who have made this PERSONAL medical decision that they are not alone. Although it has went on for some time, and the nature of it has not always been by law... they only ask to be heard and not demonized for challenging the governments harsh mandates.	2/20/2022 10:38 AM
10728	Its giving me hope that things will change for the better	2/20/2022 10:38 AM
10729	Made me proud to be a Canadian. To see people coming together after we have been ripped apart and lied to for two years	2/20/2022 10:38 AM
10730	Higher food, gas and costs of everything as well as shortages. Makes our Nation's Capital seem weak and slow to react to a national crisis.	2/20/2022 10:38 AM
10731	It saddens me the way our prime minister has handled this in a very undemocratic way removing constitutional rights and freedoms of these truckers. Not giving them an open forum to be listened too. If these freedoms are removed and a emergency act inacted based on what these truckers are doing, I'm afraid our country is on a downward slope democratically. I worry for my children and grandchildren	2/20/2022 10:38 AM
10732	Not one bit	2/20/2022 10:38 AM
10733	Brought unity and pride back to the Canadian people	2/20/2022 10:38 AM
10734	Everyone is divided and angry. People with trucks want to their demands be more important than medical professionals- i don't understand.	2/20/2022 10:38 AM
10735	We need to stand up for our rights ,,we will not let our Canada be come a commonest Country. We have a right to choose .I'm happy that the Trucker are here for us , to stand tall for Canada.God Bless	2/20/2022 10:38 AM
10736	Stressed out because of the ignorance and selfishness. People that act like spoiled children throwing a tantrum because they don't get their way despite 99.9% of the population of Canada being against their idiocy	2/20/2022 10:37 AM
10737	Deeply saddened that it came to this & still we are no further ahead in diving these issues	2/20/2022 10:37 AM
10738	Wonderfully	2/20/2022 10:37 AM
10739	No	2/20/2022 10:37 AM
10740	Shows such strength and love for our people and our country but also shows even more of the corruption going on in our government Canada is no longer the most desired country to live in	2/20/2022 10:37 AM
10741	Gave me hope that freedom of speech is still available in Canada. Meeting with others of like minds after 2 years of separation.	2/20/2022 10:37 AM

10745	Positively.	2/20/2022 10:37 AM
10746	It has given me hope that other people are tired of this unnecessary overreach of control and want to see life return to the way it was there's no good reason to justify a "new" normal. It has also made me fearful that the government is no longer working for the people but instead dictating to the people how to live. It is showing that it is doing just that.	2/20/2022 10:37 AM
10747	It probably helped to prevent future mandates from being imposed	2/20/2022 10:37 AM
10748	It hasn't. I support them 100%	2/20/2022 10:37 AM

Canadians vote on Canadian Mandate - February 2022

10779	Given me hope that there are thousands who feel the way we do.	2/20/2022 10:34 AM
10780	It has made me feel extremely anxious. I am concerned that our democracy is at serious risk of being taken over by anarchists.	2/20/2022 10:34 AM
10781	The trucker convoy is a brutal disgraceful and illegal act	2/20/2022 10:34 AM
10782	It hasn't affected our life, it actually helped up bring us together. It gave us some of our courage and power back	2/20/2022 10:34 AM
10783	It has given me hope that people might actually open their eyes and see how pathetic, incompetent, and unqualified our Prime Minister is.	2/20/2022 10:34 AM
10784	It's made me proud to be a Canadian and also opened my eyes to just how corrupt the government is.	2/20/2022 10:34 AM
10785	Opened my eyes to what our GOVERMET THINKS OF THE CANADAIN CITIZENS! HE HATES CANADA REFUSES TO TALK OR NEGOTIATE WITH CITIZENS! HE IS ONE WHO DICTATES WHAT HE WANTS DONE AND THERE WILL BE NO DEBATE. PERIOD! THAT IS NOT HOW A CANADIAN DEMOCRAT SOCIETY WORKS! 10792	gave me hope and warm fuzzies	2/20/2022 10:33 AM
10793	It brings me hope. My partner lives in downtown Ottawa so I'm in the middle of the protests most days of the week. The truckers have been polite and friendly and I haven't seen so many smiles in two years. It has changed the atmosphere at the condo though, with fear abs misinformation being spread on the news some locals are afraid to leave. They've told me it's dangerous but admitted that they haven't stepped out...	2/20/2022 10:33 AM
10794	Not much	2/20/2022 10:33 AM
10795	Shown me that there is still love in the world and that there are people will to sacrifice themselves for the rest of the nation. Also proven the incompetence and overreach of our government. They have too much freedom to impose their will on the rights of citizens.	2/20/2022 10:33 AM

10854	It hasn't	2/20/2022 10:29 AM
10855	I'm uncertain of the organizers of the overall protest. However what I have been seeing is individuals who are standing up for freedom against government mandates, which I support. I've seen unity in a divided nation, and it gives me hope for a brighter future	2/20/2022 10:29 AM
10856	I will stand for the convoy became I agree I want to not wear a mask any more I want be be worry free	2/20/2022 10:29 AM

10858	It's been annoying. Otherwise no impact on my life	2/20/2022 10:29 AM
10859	More unity. Happy to see Canadians rise up and fight for what should have never been taken away.	2/20/2022 10:29 AM
10860	It gave me some hope it also showed that there were many people wanting this to end. millions of people, everyday Canadian citizens all over Canada are uniting together.	2/20/2022 10:29 AM
10861	My company has downscaled production and laid off workers	2/20/2022 10:29 AM
10862	Optimistic about change and unifying the people.	2/20/2022 10:28 AM
10863	It's brought me pride in my country and a recognition that the Canada I identify as my country, still exists.	2/20/2022 10:28 AM
10864	It's given us a little hope	2/20/2022 10:28 AM
10865	My sister is a student in Ottawa. She had to come home because of course with every peaceful protest comes with a bunch of idiots- and unfortunately those idiots have made it uncomfortable	2/20/2022 10:28 AM
10866	They made a point that needed to be made. They stood up for freedom. Good for them. But the racism and hijacking of the peaceful protests by the alt right is wrong and unacceptable.	2/20/2022 10:28 AM

10872	No affect , I am proud to see people standing up to unnecessary force by authorities and the Liberal Government in particular .	2/20/2022 10:28 AM
10873	It has made me a proud Canadian	2/20/2022 10:28 AM
10874	It's given me hope that things can change. It's shown me I'm not alone in wanting the mandates gone. It's brought me joy when I gathered to support them as they passed by. It's connected me with people across Canada who want the mandates ended. It's taught me a lot about government and my rights as a Canadian.	2/20/2022 10:28 AM

10881	None	2/20/2022 10:27 AM
10882	Made me sad and disgusted	2/20/2022 10:27 AM
10883	Stress on our economy and citizens who live around all the drama. Embarrassing to be Canadian and the Canadian flag has been desecrated.	2/20/2022 10:27 AM
10884	Hope	2/20/2022 10:27 AM
10885	They are standing up for our rights and freedoms	2/20/2022 10:27 AM
10886	Given hope.	2/20/2022 10:27 AM
10887	It has brought en me hope. I have never witnessed so much unity, love, joy and peace. I was searching everyday how to leave Canada and immigrate to a new country. The trucker convoy reminded me why I am proud to be Canadian. It was truly the most beautiful and heartfelt experience of my life. I thank the truckers for their kindness and courage.	2/20/2022 10:27 AM
10888	It hasn't	2/20/2022 10:27 AM
10889	I am disgusted and saddened that those in the 'trucker' are so misinformed and entitled. The far right agenda clearly on display is disturbing.	2/20/2022 10:27 AM
10890	I feel a strong sense of unity and proud of all fellow Canadians who have stood up against government overreach and tyranny.	2/20/2022 10:27 AM
10891	It's given our family hope and feelings of a positive change to everything our country has been forced to endure thanks to PM Justin Trudeau and his extreme mandates, his need for power and control. This all needs to stop and we need our beautiful and incredible country to get back to where it was before this "covid" garbage began.	2/20/2022 10:27 AM
10892	Has made me more patriotic	2/20/2022 10:26 AM
10893	It's giving me hope that the people of Canada are willing to rise as one and peacefully fight for our liberty's and the rights to choose	2/20/2022 10:26 AM

Canadians vote on Canadian Mandate - February 2022

10895	Felt sad for lost jobs and wages for the truckers	2/20/2022 10:26 AM
10896	Can't feel it now but it will certainly affect us all	2/20/2022 10:26 AM
10897	It hasn't	2/20/2022 10:26 AM
10898	They have gave me hope. They are standing up to a leader and government that has no accountability.	2/20/2022 10:26 AM
10899	Raises my taxes for a useless cause. Protesting voter reform would be better	2/20/2022 10:26 AM
10900	Has given me something to be proud of and hope for the end of these non scientific mandates and vaccine.	2/20/2022 10:26 AM
10901	The convoy has instilled a sense of hope and pride in being Canadian! It fits me with joy to know I'm not alone and that there are so many of us who are against the mandates and who are finally now willing to stand up and push back against government and public health over reach. The Prime Minister should be embarrassed at his lack of willingness to engage or even converse with members of the convoy; he is making a fool of himself by refusing to engage peaceably the way these truckers have, and is only making himself look more idiotic every day with calling shots like the emergencies act which is clearly not indicated. The convoy is creating unity and connection again in a country that has been divided and whose people have been segregated for the last 2 years and it brings me to tears that the people are speaking in such a respectful, peaceful, and powerful way.	2/20/2022 10:26 AM
10902	It's made me take an interest in politics for the first time in my life. The truckers have shown us to rise up against tyranny. They that have opened up my eyes and are wonderful, peaceful guys with an awesome sense of humor! -Everything I touch in a day has been on a truck -I fear the Government more than Covid -Seeing the unfathomable truths now, the 2030 reset. Covid was part of the plan all along -PM does not care about demonizing those he disagrees with -The protest at the Capitol was peaceful for over 3 weeks, with truckers cleaning streets, polishing memorials, pouring \$\$ into the businesses that stayed open (more could have) -At the protest in Ottawa, any violence came from the Government. Protesters were friendly, calm and happy -When you unite and come together as one, you can change the world -I am disgusted that Justin and not one member of Parliament, a Liberal cabinet member or any member from any party has taken the time to sit down with organizers or truck drivers to talk about their needs and why (they were dissed completely) after they were being hailed and praised essential at the height of the pandemic. I look at them as true hero's. -The truckers were an integral part of keeping the economy going and making sure there was food in our grocery stores. - No restrictions at the border crossing at the height of the pandemic. The PM implementing a new mandate (restriction at border crossings) as Covid was declining was deplorable! Why? Other countries were lifting theirs, why not Canada? He did this without providing the data or evidence to back it up. - Enough is enough. We want a sense of normality, like it was pre-covid. Covid, which I have had, is no more than a bad flu/cold treatable with Vitamin C, D, Zinc - The Canadian Flag fines??- since when is a Canadian scared to have a flag in their possession or on their car, truck etc.	2/20/2022 10:26 AM
10903	I enjoyed all of it , i even went 2 times to go and serve hot coffees, hot chocolate, tea for the people in needed.	2/20/2022 10:26 AM
10904	Some of my shipments have been delayed. I finally got to go back into indoor dining places. Based on the science of course, the science of truckers standing up for our rights.	2/20/2022 10:26 AM
10905	Improved, it gives me hope	2/20/2022 10:26 AM
10906	This convoy of peaceful protesters has not affected me one little bit! If anything, it has woke people up!	2/20/2022 10:26 AM
10907	It gave me hope. I felt Canadian patriotism for the first time in my life. I'm so proud of the men and women who took a stand.	2/20/2022 10:25 AM
10908	Brought me hope again, made me proud to be canadian	2/20/2022 10:25 AM
10909	Standing up for all Canadians is the right thing to do	2/20/2022 10:25 AM
10910	Extremely....gives me hope	2/20/2022 10:25 AM
10911	Brought hope	2/20/2022 10:25 AM
10912	Very little impact directly as I do not live in Ottawa. It has given me hope.	2/20/2022 10:25 AM

10915	Given me Hope for the first time in 2 years	2/20/2022 10:25 AM
10916	Hasn't	2/20/2022 10:25 AM
10917	It brought us hope. It made us feel not so alone in this country. I was at the original convoy coming through Winnipeg, and then I've been to the protest at the Legislature Building in Winnipeg and the were both filled with peace love and unity. The only hate and negativity I saw was from the counter protestors. Now with the emergency act invoked and seeing how authorities are handling Ottawa, I feel absolutely heartbroken and sickened that this is happening in Canada. Justin Trudeau is a narcissist, stubborn and smug, and is frankly acting like a little child. I cannot believe who wouldn't even MEET with the protestors. And then went straight to using the highest power he could possibly implement against them. Again, there was absolutely no violence over the past 3 weeks in Ottawa until our Prime Minister sicced our own police force on us, the very same men and women who swore an oath the protect us. I'm absolutely disgusted. Justin Trudeau is not mentally fit to run a country.	2/20/2022 10:25 AM
10918	See truth, hope for Canadians to change their future, not politicians	2/20/2022 10:25 AM

10943	It's given me hope that the government will listen to Canadian ...apparently I was wrong	2/20/2022 10:23 AM
10944	None	2/20/2022 10:23 AM
10945	Shows me that the greater population agrees how corrupt truedoe is	2/20/2022 10:22 AM
10946	It has gave me a backbone once again ... stand up for my freedom and rights	2/20/2022 10:22 AM
10947	Nothing yet, but there might be some economical repercussion later due to "unstable" political atmosphere in canada. Could also be inflation	2/20/2022 10:22 AM
10948	Truckers have given hope and reunited Canadians.	2/20/2022 10:22 AM
10949	I'm embarrassed to be Canadian. I've lost friends in arguments over it, and I think this whole tantrum is ridiculous	2/20/2022 10:22 AM
10950	inspired hope, sense of pride, need for love and inner spiritual development	2/20/2022 10:22 AM
10951	I'm embarrassed to be a Canadian right now. For such a large mob of people to show up & set up camp for over three weeks is pathetic. What a sense of entitlement. It is not a protest, it's a takeover that turns into a huge party on the weekends. So glad they were able to call in extra law enforcement officers so they can restore order in the core of Ottawa Parliament area. I feel so bad for the people that live there & for the businesses that stayed closed as a result of the mob-like party outside their door.	2/20/2022 10:22 AM
10952	Given me fresh hope for democracy	2/20/2022 10:22 AM
10953	I've never been more Proud to be a Canadian Citizen then I have been in the last month (Since the convoy started). I have never been more ashamed of my Government and the Actions taken to disband the protest taking place in Ottawa. Justin Trudeau is not acting in the Best Interests of the Canadian Citizens. He has only divided Canadians further. He is no Leader. The Convoy, I believe, has brought unity among those who have felt the impact of the Mandates across the Country. The ones opposing the Convoy I believe were never impacted as bad by the Mandates.	2/20/2022 10:22 AM
10954	Gave us hope	2/20/2022 10:22 AM
10955	Finally made awareness made me have hope	2/20/2022 10:22 AM
10956	It has shown me that we have the wrong people leading our country. We have been duped into thinking that we are free!	2/20/2022 10:22 AM
10957	It hasn't but I worry about people in Ottawa that need to deal with it.	2/20/2022 10:21 AM
10958	Had given me hope of a better life	2/20/2022 10:21 AM
10959	Given me hope that I am not alone in how I feel.	2/20/2022 10:21 AM
10960	It is a huge pain in the ass, late for work and needs to stop	2/20/2022 10:21 AM
10961	Positive beam of light in an otherwise dark world. Instilled hope in a nation and brought people together. Shared in love again.	2/20/2022 10:21 AM
10962	Brought a lot of hope and love to the country.	2/20/2022 10:21 AM
10963	Gave me hope again	2/20/2022 10:21 AM
10964	It's exposed our coward of a prime minister for the world to see.	2/20/2022 10:21 AM
10965	It gave me hope in the beginning until I realized that our government doesn't care about us.	2/20/2022 10:21 AM
10966	Not	2/20/2022 10:21 AM
10967	Made me to be a proud Canadian	2/20/2022 10:21 AM
10968	Gave me hope. My child's future depends on it. Freedom over fear.	2/20/2022 10:21 AM
10969	this is irrelevant. This is like asking, "How has being raped affected your life? Then, "How has the police using a 'rape-kit' affected your life?"	2/20/2022 10:20 AM

Canadians vote on Canadian Mandate - February 2022

10970	I've always known this would come. That this show would come to an end when enough people said ENOUGH. We are not quite there yet but almost. Also... proud of Canadian convoy but let's not forget other countries started this before us and we're fighting back long before us. That's the thing about Canadians... we are slow to anger... but when we are righteous, we are unstoppable and we change the world!	2/20/2022 10:20 AM
10971	Not affected personally but I don't like how they were treated	2/20/2022 10:20 AM
10972	It hasn't.	2/20/2022 10:20 AM

10985	I admire them. They had guts and they spoke for all of us Canadians that had enough of all those measures that ruined people's lives.	2/20/2022 10:20 AM
10986	It's made me proud, to see we have people willing to stand up to an overt reaching government	2/20/2022 10:20 AM
10987	It made me proud of them, to stand for the God given rights and freedom of Canadians.	2/20/2022 10:20 AM
10988	Awakened Canadians to what matters, reminding them that we are a democracy not communists run by a dictator and if they had not taken these drastic measures were not being heard. Listen to the cry's of the people and this would not have happened. It has been stressful but unprecedented times called for unprecedented measures. I don't agree with all the groups that leached on to the convoy but I thank the truckers for voicing all of our concerns and standing up for our rights and freedoms even if I would have hoped for a different way.	2/20/2022 10:20 AM
10989	Positive effecting change	2/20/2022 10:19 AM

10992	It brings hope of FREEDOM	2/20/2022 10:19 AM
10993	The truckers, who have been peaceful, noisy but loving and peaceful, have given me hope again. They have demonstrated how much they love Canada and the Canadian people. They represent the Majority, the minority and all people and race, culture, sex etc of Canada! Kim so grateful. I was down one day in Ottawa and everyone was so kind and loving, no violence, feeding the poor, it was astonishing sand heart warming to see.	2/20/2022 10:19 AM

10997	Gave me hope for the first time in 2 years. Some people are seeing this farce for what it is.	2/20/2022 10:19 AM

11097	It's brought to attention that it isn't about masks or vaccines it's about freedom and control.	2/20/2022 10:12 AM
11098	Gave back hope that the govt could have a discussion to end mandates, but that disappeared quickly based on Trudeaus decision to not even have a discussion.	2/20/2022 10:12 AM
11099	Gave everyone hope across the country and across the world of getting our freedom and everyday lives back	2/20/2022 10:12 AM

11103	It has brought hope and happiness that i have not felt in years	2/20/2022 10:11 AM
11104	I stand with them and I think they are being represented unfairly and the media is lying about what is happening on the ground in Ottawa.	2/20/2022 10:11 AM
11105	It has put a ton of stress on my family knowing that white nationalists are so active in our communities. I'm disgusted by the convoy. Truckers are facing real issues. This convoy is an embarrassment to Canada.	2/20/2022 10:11 AM
11106	It's made me feel proud of Canada again and I believe in what they are doing, I don't support out prime minister in what he is doing,	2/20/2022 10:11 AM
11107	It has brought so much hope and love to our life I wish it would of happened before the election because then Trudeau would be gone God bless the truckers and all Canadians	2/20/2022 10:11 AM

Canadians vote on Canadian Mandate - February 2022

11115	Brought hope back! Created unity! I am proud to be Canadian for the first time in years!	2/20/2022 10:11 AM
11116	Gives me hope. Something to believe in and get behind.	2/20/2022 10:11 AM
11117	Gave hope and sense of love , inclusiveness. My kids felt happy.	2/20/2022 10:11 AM
11118	I support this 100% and I hope it wakes up the people that have been sleeping for the last two years. Our government is corrupt, Trudeau is nothing close to a leader - he's disgusting. He's started a war with the people and he needs to get out.	2/20/2022 10:11 AM
11119	The people in the convoy have given me hope that there is an end to the mandates	2/20/2022 10:11 AM
11120	Given hope	2/20/2022 10:11 AM
11121	The trucking Convoy has given me hope for the future that we could be freed from this tyranny. The trucking Convoy was the first time I had hope in the last 2 years because I have lost all hope in our political leaders and it appears that there intentions are nefarious	2/20/2022 10:11 AM
11122	I don't think it has but God bless them for having a peaceful protest and I do admire their tenacity	2/20/2022 10:11 AM
11123	Knowing that we live in a Canada and having faith in our citizens	2/20/2022 10:11 AM
11124	They are the only thing that has brought me hope	2/20/2022 10:11 AM
11125	Hope	2/20/2022 10:11 AM
11126	Made me extremely fearful. The honking went on for 6 hours straight and I could hear it from my home. Then the blocking of streets and getting violent. It's terrorism.	2/20/2022 10:10 AM
11127	Concern for truckers and families involved	2/20/2022 10:10 AM
11128	giving me hope	2/20/2022 10:10 AM
11129	It irritated me knowing that they have everything here in Canada but demand unreasonable requests.	2/20/2022 10:10 AM
11130	Gave some actual hope that things could get better. Shows some people care about the people of this country not control over the people.	2/20/2022 10:10 AM
11131	It gives me hope for a better future	2/20/2022 10:10 AM
11132	Hope for the future of Canadians Brought awareness to the tyranny and incompetence of our dictator prime minister Exposed the corruption in government controlled media Exposed the self serving politicians in Canada	2/20/2022 10:10 AM
11133	Made me aware that there are many Canadians that will stand up for some of the things this country is supposed to represent though it has a personal cost to them. Freedom of choice and expression.	2/20/2022 10:10 AM
11134	The NAC and other arts venues downtown were forced to close because of the occupation. Fascism seeks to destroy the arts. Seeing my friends who are musicians being denied their livelihood because of this tantrum was infuriating. My partner lives downtown and couldn't sleep from the honking. Sleep deprivation is used as a torture method by many fascist governments. She, along with tens of thousands of others, were tortured and held hostage by the convoy. I stayed with her a few times and the occupiers had essentially set up their own police state, harrasing residents, not letting people in and out of certain areas. Convoy losers come into my work, further from downtown, and refuse to wear masks, screaming about freedom. There are many senior citizens in the area who don't feel they are safe with these people harrasing them. Where is the freedom in that?	2/20/2022 10:10 AM
11135	It has shown me that there is still loving, caring people in this country. Ones that are willing to stand up for what is right.	2/20/2022 10:10 AM
11136	It has brought me hope that things may change	2/20/2022 10:10 AM
11137	hopeful	2/20/2022 10:10 AM
11138	They are our heroes and we blessed for all there efforts.	2/20/2022 10:09 AM
11139	It did not affect my life.	2/20/2022 10:09 AM

Canadians vote on Canadian Mandate - February 2022

11140	It hasn't	2/20/2022 10:09 AM
11141	It hasn't.	2/20/2022 10:09 AM
11142	Yes it has brought to light how corrupt our government has been this has been going on for many years and now it is exposed	2/20/2022 10:09 AM
11143	Have made me VERY angry	2/20/2022 10:09 AM
11144	It has divided our family and friends	2/20/2022 10:09 AM
11145	It has given me hope for the future for my son, our nation and myself.	2/20/2022 10:09 AM
11146	Gave me hope. Showed me I am not alone. Showed me a lot of people still stand by principles and for what is right.	2/20/2022 10:09 AM
11147	Made me frustrated	2/20/2022 10:09 AM
11148	Gave hope that people are standing up and asking questions. That people are seeing that the "science" and the mandates and allowances do not add up so they took a stand. Now they have brought forth the true light of the liberal agenda in creating a dictatorship. That is not Canada.	2/20/2022 10:09 AM
11149	Not	2/20/2022 10:08 AM
11150	I was unaware that anyone else felt as I did - until seeing the masses of people of Canada lining the highways and streets and towns. Hope for the future was returned.	2/20/2022 10:08 AM
11151	It's given me hope. I'm now proud of Canadians once again.	2/20/2022 10:08 AM
11152	No transport of goods	2/20/2022 10:08 AM
11153	It has brought hope and has made me so proud to be Canadian. These peace loving freedom fighters are my heros	2/20/2022 10:08 AM
11154	The truckers are hero's!! They have managed to bring Canadians back to the real issues at hand. Freedom of Choose. They have also exposed Trudeau for what he is...a sociopath with extreme communist dreams of power and control over Canadians. TRUCK OFF TREDEAU!	2/20/2022 10:08 AM
11155	Hope	2/20/2022 10:08 AM
11156	Positively	2/20/2022 10:08 AM
11157	Made me proud. No affect to me personally.	2/20/2022 10:08 AM
11158	Not at all	2/20/2022 10:08 AM
11159	There is no convoy in my city	2/20/2022 10:08 AM
11160	Proud of them	2/20/2022 10:08 AM
11161	It gave me a true meaning what freedom is what every Canadian wants and it hurts me to think that our prime minister is so set on being right and does not have the common decency to meet with the people he is supposed to represent	2/20/2022 10:08 AM
11162	Helping getting our freedom back	2/20/2022 10:08 AM
11163	Freedom	2/20/2022 10:07 AM
11164	Given me hope again! Positively influenced my mental health Given me courage to stand again for love unity and the truth Clearly showed me how biased the media is Made me upset with the government how they attacked the peaceful protest and did not listen to their plea to drop the harming mandate (federally was thankful for the premiers) Made me upset that the PM did not acknowledge the protesters in any positive way like he has done for so many other protests- completely unfair	2/20/2022 10:07 AM
11165	Brought back happiness to see fellow Canadians standing together	2/20/2022 10:07 AM
11166	Hate filled speach getting a platform. Friends being harassed by "convoy" people's lives being disrupted by a few crazies who want to take over government even though they are less than .01% of Canadians and I would never have voted for them.	2/20/2022 10:07 AM
11167	I support it 100%	2/20/2022 10:07 AM

Canadians vote on Canadian Mandate - February 2022

11168	Gave hope. We need to end the mandates and implement proper health care	2/20/2022 10:07 AM
11169	Lifted morale	2/20/2022 10:07 AM
11170	Hope and joy	2/20/2022 10:07 AM
11171	It caused stress and I felt that the extreme right were trying to over ride democracy	2/20/2022 10:07 AM
11172	I have been following its every move and rooting for them.	2/20/2022 10:07 AM
11173	Gave me hope there is still good in this world. Helped the world see the despot Trudeau is. Thank God for the truckers	2/20/2022 10:06 AM
11174	It has given me hope. Went there on the first weekend and it was such a loving movement of like minded people both vaccinated and unvaccinated all coming together. East and West, poor and wealthy, all together for one reason. To stop our tyrannical leader for major over reach into the Canadian people's life and finances.	2/20/2022 10:06 AM
11175	For the first time in many years I'm proud to be Canadian while living under the tyrannical government led by prime minister Trudeau. The trucking Convoy has given me hope that Canadians do indeed have the same goal and that is to in live free according to our constitution but with more love and peace that I ever knew! For the first time in many years feel hope for our future	2/20/2022 10:06 AM
11176	It hasn't	2/20/2022 10:06 AM
11177	Brought hope that Canada may be able to survive this government over reach. Normal felt possible again.	2/20/2022 10:06 AM
11178	It has shown us how many others around the whole Country feel the same way and brought Canadians from all backgrounds together again.	2/20/2022 10:06 AM
11179	Other than filling up the news feed on my Facebook I haven't been affected or inconvenienced at all	2/20/2022 10:06 AM
11180	Gives me hope for an accountable government.	2/20/2022 10:06 AM
11181	It was wonderful to see and hear people raising their voices in protest, just as we are to do in a democracy. I was shocked how they were ignored and demonized. I think this whole thing could have been short and simple if the government had sat down with the truckers and talked with them. I thought that was what happened in a democracy. Ultimately, the way the government has crushed the protestors and labelled them as horrible criminals has been deeply disheartening.	2/20/2022 10:06 AM
11182	It has not	2/20/2022 10:06 AM
11183	Not at all.	2/20/2022 10:06 AM
11184	It gave me hope that we will get our freedom back. I was mad at people that didn't support them. They have no idea why they are there. I was so sad and I cried when PM decided to arrest them. He just need to end all this nonsense and give us our freedom back and they will all go back home. They didn't need to have an emergency act to have coops there to hurt innocent people that just want their life back. Our world is a mess because of all these mandates. Also most important people died and are à suffering because of this injection that doesn't work. It needs to end now.	2/20/2022 10:06 AM
11185	Hope	2/20/2022 10:06 AM
11186	Gave me hope	2/20/2022 10:06 AM
11187	Gave a sense of hope seeing everyone happy again, smiling, and hugging. After 2yrs+ of government/media spreading hate and division, it restored hope seeing everyone coming together in the name of personal freedom and unity!	2/20/2022 10:06 AM
11188	It has given me hope that we CAN have an influence on the direction that our country and the human population of the world can take. It can open minds and hearts to a better way.	2/20/2022 10:05 AM
11189	It has brought our community back together and have made friends and people are talking again	2/20/2022 10:05 AM
11190	Not sure yet, but I'm imagining negatively.	2/20/2022 10:05 AM

Canadians vote on Canadian Mandate - February 2022

11191	Not at all	2/20/2022 10:05 AM
11192	It has given me a sense of we can get back to being united as a country and stop being afraid of each other and feeling everyone is diseased.	2/20/2022 10:05 AM
11193	It has given a sense of relief. Privacy and freedom has been taken away by overreaching Canadian government mandates. The convoy has that as one of their cornerstone protests - to stop this governmental abuse of our human rights, and also the restrictive policies that are contrary to those created after much thought and negotiation, and ultimately built into various sections of our Canadian Charter of Rights and Freedoms" I am thankful and appreciative of the convoys and demonstrations. I support most of their behaviour in their mostly peaceful and non disruptive methods for their Canadian protests.	2/20/2022 10:05 AM
11194	Gave hope	2/20/2022 10:05 AM
11195	It gave me hope and loved seeing everyone so happy! The unity between so many different backgrounds was amazing!!	2/20/2022 10:05 AM
11196	It is created hope	2/20/2022 10:05 AM
11197	The woke up a country/world showed everyone this is about more then just covid	2/20/2022 10:04 AM
11198	It has given me hope.	2/20/2022 10:04 AM
11199	My Human rights and freedoms feel represented with care compassion and commitment of pure love ♥ ...Because of them I am proud of being Human and have faith that we can once again be on the path of peace joy and Love	2/20/2022 10:04 AM
11200	Hope	2/20/2022 10:04 AM
11201	not at all	2/20/2022 10:04 AM
11202	It hasn't negatively affected my life whatsoever. I completely agree with the convoy and all it stands for.	2/20/2022 10:04 AM
11203	It has given me hope.. hope that this group will make traction. As a health care worker I have been silenced for two years..I currently don't have any other employment opportunities in my field as I live in rural. I have three sons with increased needs so standing up for what's right, and consequently loosing my job, is not an option at this time.	2/20/2022 10:04 AM
11204	Provided unity and choice	2/20/2022 10:04 AM
11205	They're assholes	2/20/2022 10:04 AM
11206	Hope & restored faith in Canadians	2/20/2022 10:04 AM
11207	They have gave me hope to have our freedom back	2/20/2022 10:04 AM
11208	Not at all.	2/20/2022 10:04 AM
11209	None	2/20/2022 10:04 AM
11210	Not at all -- I fully support their help for freedom	2/20/2022 10:04 AM
11211	It has given me hope and happiness	2/20/2022 10:03 AM
11212	Made me want to keep going n proud to be Canadian again	2/20/2022 10:03 AM
11213	Gave me hope and was finally not ashamed to be Canadian as I have for the last 2 years	2/20/2022 10:03 AM
11214	Given me hope. Also opened my eyes even more to govt corruption and Trudeau's inability to lead this country.	2/20/2022 10:03 AM
11215	It has not affected me in any way.	2/20/2022 10:03 AM
11216	They're loud and annoying	2/20/2022 10:03 AM
11217	I finally have hope again! This is the Canada I know and love. Uniting people, not separating.	2/20/2022 10:03 AM
11218	I sympathize with them but not parallel hate groups They are showing me how Iron fist and cruel this govt is	2/20/2022 10:03 AM
11219	It gave me hope and our country was finally united .	2/20/2022 10:03 AM

Canadians vote on Canadian Mandate - February 2022

11220	They are heroes who are fighting corruption in the Canadian government to bring back democracy in Canada, to ensure we can still exercise our Canadian Bill of Rights and Canadian Constitution without unfair penalty. The world is watching and this will affect our children and future generations.	2/20/2022 10:03 AM
11221	Gave me hope	2/20/2022 10:02 AM
11222	Road closures - downtown toronto	2/20/2022 10:02 AM
11223	See how our Government is acting more like a Dictatorship	2/20/2022 10:02 AM
11224	It's given me hope although I didn't agree with blockades to stop international bridges and the way The prime minister has acted and reacted! He needs to go when he enables martial law on peaceful citizens!! As well as taking responsibility for his illegal actions!	2/20/2022 10:02 AM
11225	Not at all. Inspirational.	2/20/2022 10:02 AM
11226	They gave us hope that it could end all this	2/20/2022 10:02 AM
11227	It's given me faith in society. Government should do more for their citizens. But yet these truckers are putting it all on the line for Canadians! They are the new civil rights movement of Canada. They are are what Canadians are supposed to be!	2/20/2022 10:02 AM
11228	It's given us hope, thy this madness will end.	2/20/2022 10:02 AM
11229	They helped give us faith and hope in this country again...they united and allowed us to be heard finally!	2/20/2022 10:02 AM
11230	Positively - inspirational! The prime minister's refusal to meet with them and media's handling of the situation was abysmal - and very, very illuminating to many, I'm sure. Imposing trucker vaccination mandate AT THIS TIME when vaccines do not stop the spread and truckers spend most time alone was inane. Definitely not following the science!	2/20/2022 10:02 AM
11231	No effect	2/20/2022 10:02 AM
11232	It hasn't	2/20/2022 10:02 AM
11233	In the past 2 years i never felt so happy hopefull... this convoy made me whole again	2/20/2022 10:02 AM
11234	Gaining freedom from tyrannical governments !!! It was going to come, glad the truckers had the balls to get it going, now we need to keep it going, Trudeau is rapping this country and it needs to be shut down !!! PERIOD!!!!	2/20/2022 10:01 AM
11235	Makes me sad and embarrassed to be canadian	2/20/2022 10:01 AM
11236	Given hope	2/20/2022 10:01 AM
11237	Has given me hope again that Canada will find its way again.	2/20/2022 10:01 AM
11238	Gave hope back to us! Hope for our country back!	2/20/2022 10:01 AM
11239	It gives me hope! Seeing the bullish\$ passport dropped was the best thing! The masks need to disappear now!	2/20/2022 10:01 AM
11240	I agree with them, their action did not affect my life in any negative way	2/20/2022 10:01 AM
11241	I can't turn on the media or any app without hearing about it, people in my own town are participating on a small level and it is impacting many peoples mental health, everyone has rights and freedoms, I'm sorry to all those who lost their privileges and had to have a cry baby temper tantrum hurting everyone around them because what you wouldn't go get a little poke to move forward and keep everyone around you safe, the convoy is selfish and it's not about the mandates anymore and I'm embarrassed to be Canadian after their displays	2/20/2022 10:01 AM
11242	brought hope and pride	2/20/2022 10:00 AM
11243	Brought hope and patriotism back into our lives	2/20/2022 10:00 AM
11244	The convoy has given me hope for the future!	2/20/2022 10:00 AM
11245	-only positively; I believe that because of the Freedom Convoy, it has helped reestablished our rights to choose	2/20/2022 10:00 AM

Canadians vote on Canadian Mandate – February 2022

11246	Proud of the truckers. Saddened the prime minister allowed it to get to this point. He is a dictator that needs to be removed from his position. And charges pressed against him	2/20/2022 10:00 AM

11260	Given us hope	2/20/2022 9:59 AM
11261	I was proud of what they did and wished the government would have taken them seriously and ultimately changes were made.	2/20/2022 9:59 AM
11262	I m all for the convoy. Good for them to try to fight for all of us	2/20/2022 9:59 AM
11263	It was a wake up .to see such great history in this country of ours much love	2/20/2022 9:59 AM

11273	It has helped me feel not alone in my feelings of government overreach and has inspired me that Canadians truly can come together if we do not follow the divisive policies that the governments (provincial and federal) have been imposing.	2/20/2022 9:58 AM

11277	DISAPPOINTMENT WITH FEDERAL GOVERNMENT, THE NEED FOR NEGOTIATION IS PARAMOUNT IN OUR SOCIETY, AND THAT IS WHERE THE BALL WAS DROPPED	2/20/2022 9:58 AM
11278	Its given me hope that I'm not alone. There are a lot of people like me who are tired of the government overreach. I was so proud to see all the support they had driving across Canada. And proud to see the impact its had globally.	2/20/2022 9:58 AM
11279	Most of the foodstuffs are very expensive	2/20/2022 9:58 AM
11280	It has brought so much hope and care and compassion to us all that can see what is going on which has been difficult for most because of the censorship, and narrative of the mass media. Finally someone to stand up that we can support and be proud of. I had been so ashamed and concerned about the way our government was headed. I am so proud of these truckers, all the supporters It has made me proud again. To be Canadian. To see the peaceful protesters holding in midst of the verbal attacks from their own government. Not being even heard by the PM.	2/20/2022 9:58 AM

11290	Not directly, but it's annoying to hear about the disruptions it has caused to the people of Ottawa and the cost ultimately to us for all the extra policing etc etc. They could have brought their message to Ottawa, just like other groups do, and gone home on Sunday. Why an occupation? All these people don't have to work for a living? I'm not so lucky to take off 3+weeks with no pay. The whole thing got out of control. I think our Prime Minister Trudeau could have met with the trucker from a distance since he apparently had covid. I'm sure that he does not meet with other protestors who come to Ottawa, but he could have met with the truckers briefly just to show that he has understanding and sympathy, but government doing its best.	2/20/2022 9:57 AM

11322	gave me hope	2/20/2022 9:54 AM
11323	I feel so anxious about them terrorizing the city residents of Ottawa and how they affect the economy. The people who live in Ottawa have spoken out and shared how miserable the trucking convoy has made their lives. Who would hold a city hostage and harm them with horns too loud a decibel for the human ear? Who would hold the border hostage and block Canadian citizens from leaving our country? Meanwhile, Indigenous people need clean water and their children's graves are being found in the thousands. Trucking convoy, get your priorities straight! You are hurting Canadian citizens and residents!	2/20/2022 9:54 AM
11324	Given me hope	2/20/2022 9:54 AM

11345	Finally you see the people united. It brought hope. Maybe it will be the step to end this 2 year long non-sense and harm	2/20/2022 9:52 AM
11346	I was considering emigrating from a Canada I no longer recognized. The convoy shows that not all Canadians are statist communist-leaning nanny-state-loving Trudeau fans.	2/20/2022 9:52 AM
11347	Their hate filled convoy of chaos is a huge embarrassment to all Canadian citizens. They have disrupted and inconvenienced to the point of endangering lives and finances of so many citizens and business - even more so than covid ever did. They should be ashamed but they are too stupid to know that they are being used - they are the true sheeple of this pandemic. They do not represent me or the majority of reasonable thinking Canadians and their actions should be treated as treason.	2/20/2022 9:52 AM
11348	Brought back pride and happiness	2/20/2022 9:52 AM
11349	It has made me angry that a group of people who clearly aren't employed rallied people in Canada and USA to support their cause on the guise of freedom. I feel they were nothing more than cult leaders brainwashing their people, and hiding their even bigger agenda. When you show up to a protest in a peaceful way with guns, and the power to harm- it's terrorism.	2/20/2022 9:52 AM
11350	Brings hope to ending all man dates.	2/20/2022 9:52 AM
11351	They brought out the truth about our government	2/20/2022 9:52 AM
11352	Before the convoy I had very little pride in being a Canadian, this convoy has given me a renewed hope in our country. I have never been more proud to be Canadian. It has given me great hope as I see Canadians coming together in unity making their voices heard. It has made me more aware of the political scene and the understanding that the government works for me and not the other way around.	2/20/2022 9:52 AM
11353	It gave me hope knowing I'm not alone. Although seeing the RCMP inflict violence on these people and be proud, has put me in a dark place. What is the point of living when honest Canadians aren't being heard and they aren't even providing "the science" they say they are	2/20/2022 9:52 AM

The truckers carried our voice so that we could be heard and understood and celebrated as Canadians. They stand for Honour and unity no matter the personal cost them their commercial licenses their trucks their bank accounts the fines the arrests all at the hands of the government. The truckers speak for Canadians and I thank them for their sacrifice 🙏	2/20/2022 9:50 AM

11384	Yes, has made me realize our government is not thinking about all Canadians when making decisions. Very upsetting at seeing how they are reacting to the protests	2/20/2022 9:49 AM
11385	The convoys instilled me with the sense of hope knowing their other Canadians out there that do not agree with the way our country is being led.	2/20/2022 9:48 AM

11396	It gives hope	2/20/2022 9:48 AM
11397	I went from a fairly deep depression to becoming hopeful. Two years into this pandemic I was not seeing any end to the mandates. Several new scientific -studies results were published but there was no response or mandate reductions introduced. No public information was being shared about them. The John Hopkins mandates study was the icing on the cake. The medical teams and government were absolutely ignoring the evidence that our isolation, restrictions, and limits were clearly no longer necessary yet those in power were completely ignoring the science. In addition, Trudeau's creation of the unvaccinated verses vaccinated arose and he began to behave spitefully towards Canadians that were firm in his belief that 100% of Canadians have to have as many injections as he saw fit. As Trudeau became more aggressive towards them, the media and some of the public became entirely disrespectful too towards unvaccinated Canadians. Trudeau's insults became intolerable. For months the mandates to control our lives were now changed to being punishing towards fellow, unvaccinated Canadians and I became angry at this blatant discrimination. As Trudeau began constantly using the term, "Canadians" to describe only people that were vaccinated, I began giving up hope of a return to our old lives. Clearly Trudeau was not going to stop any mandates until all Canadians were vaccinated, especially now with science telling us that the mandates were now obsolete. As the truckers convoy reached its first overpass I saw that other Canadians do love and care about our country as passionately as I do. I also saw that they were done with Trudeau's segregations. I began to experience pride for Canada as hundreds if not thousands had filled the overpasses and cheering on the truckers. I finally began to feel pride in Canada. The convoy caused that. I watched footage the entire time the convoy was in Ottawa. Slowly my apathy melted away and I was once again filled with hope, purpose, and comradery with thousands of other fellow Canadians that felt as I did about the mandates. Although it's end was crushing to the my heart, I also began to see and hear our politicians FINALLY respond to Trudeau's vicious attacks on unvaccinated Canadians. They haven't yet addressed the new scientific results yet but one thing at a time. So now I am monitoring Parliment's response to Trudeau's desire for an Emergency Measures enactment.	2/20/2022 9:48 AM
11398	Has given me HOPE that change could be on the horizon. The answer to #7 would be immediately but I recognize that change takes some time... Thank you for ALL that you are doing to effect change and bringing HOPE to many Canadians!!!!	2/20/2022 9:47 AM
11399	It has generated hope that there are people that care and want to fight for our country and personal freedoms against the fear-mongering, divisive isolating fractions in our society.	2/20/2022 9:47 AM

11402	Piss me off i live in Ottawa. Make me want to in front of there house and blow a horn all day for weeks	2/20/2022 9:47 AM
11403	Provided hope and shown that other Canadians feel the same about mandates.	2/20/2022 9:47 AM
11404	Inspired me	2/20/2022 9:47 AM
11405	Gave us some hope for freedom.	2/20/2022 9:47 AM
11406	Its given me hope of a better future for my children than where we have been going for the last 2 years	2/20/2022 9:47 AM
11407	It hasn't affected my life I think they had good intentions but the media in this country is so poison liberal poison they've made the truckers out to be monsters but not all us Canadians are dumb and I find it very insulting	2/20/2022 9:47 AM

11413	They have given my entire family hope in this dark time.	2/20/2022 9:46 AM
11414	I'm afraid violence will escalate and the concept of nonviolent protests will be warped. Also this is blocking the economy which never should have been allowed.	2/20/2022 9:46 AM
11415	It has given me a renewed sense of hope in humanity, a sense of belonging no matter what my vax status is, a real sense that people care about each other and we are willing to stand up for our rights, freedoms, and this country. It has given me a sense of power to stand together and take this country back and remake it to what it once was. And I believe the convoy has unintentionally revealed the real problem in this country, namely Trudeau trying to turn this country into a communist state with him as the emperor. It has revealed what we need to do and do quickly.	2/20/2022 9:46 AM
11416	It gave me hope that Justin Trudeau would have a listen to them and realize that we need to adjust and move forward like the rest of the World has.	2/20/2022 9:46 AM
11417	I say thank you for doing what they are doing, standing up for OUR FREEDOM!!! It has given me some hope that this plandemic will end soon!	2/20/2022 9:46 AM

11420	Traffic has been terrible and very unexpectedly inconvenient	2/20/2022 9:46 AM
11421	It's consumed me while I watch it all unfold on main stream and social media from the comfort of my place of residence. It saddens me to see my friends bickering back and forth at one another over who's right and who's wrong.	2/20/2022 9:46 AM
11422	It's made me thankful that SOMEONE has finally stood up and said NO	2/20/2022 9:46 AM
11423	It has given me hope that the mandates will end. But instead the government is trying to crush our freedoms!	2/20/2022 9:46 AM

11425	It has given me hope for Canada	2/20/2022 9:45 AM
11426	I am embarrassed that the Canadian flag has become a symbol of anarchy. This is a desecration of our flag and country. This group has attracted the very groups that oppose freedom: Nazi, white supremacists, fanatical religious zealots and hurt our economy.	2/20/2022 9:45 AM

Canadians vote on Canadian Mandate - February 2022

11427	I'm for the truckers convoy and it has given me hope things will get back to normal and get or freedom back.	2/20/2022 9:45 AM
11428	Mostly it has made me very very angry that these entitled white people have gotten away with this level of lawless behaviour with few consequences. I am appalled that several levels of government let this happen and I fear that the hands off approach has more to do with race than anything	2/20/2022 9:45 AM
11429	I am proud of those willing to stand up. As I feel like a coward We need these people. Those that stand up.	2/20/2022 9:45 AM
11430	The Freedom Protest has give majority of people that this country can be taken back from the horrible liberal communist.	2/20/2022 9:45 AM
11431	My dad was trucker, my uncles.. Even my mum for a while... You cannot find a more hard working and caring person... They spend 5000 to 7000 km/m a week away from their families so others can eat, wear clothes and have their fancy things... N they are anxious to get back to their families for that 1 day a week they see them.. Just so the world is supplied with its needs It makes it better, hopeful... I went to see for 3 weekends.. Peaceful and people helping people ☺ End Mandates is all they 2ant.. N a discussion.. Maybe you should have spoken to them☺ Sorry but PM needs to go war on innocent n peaceful Canadians exercising their Charter rights... No matter the inconvenience our Peacekeeping Nation does not declare 2ar on its peaceful citizens because the PM cant say he was wrong/or speak to someone below his Status?..? Shame on you all☺	2/20/2022 9:45 AM

11477	My brother is a truck driver (who stays with me on the weekends) is no longer able to cross the border without a vaccine passport, as many of the truckers in the convoy. He risks unemployment. His dispatcher is currently able to find him some loads to haul in Canada but the bulk of his loads were back and forth across the border into the unites states. The convoy gave hope to us all for being free from mandates. 11485	It has given me hope	2/20/2022 9:41 AM
11486	These truckers aren't just fighting for themselves, they're fighting for the rights of everyone. They've been giving every Canadian hope, we want our lives back and that's what they're fighting for. I want nothing more than to live in a free country. The mandates have passably been lifted except for the masks, end mask mandates now. That's the last one I care about. And I'll be damned if I have to raise a kid in this kind of environment	2/20/2022 9:41 AM

11522	It has given me hope, and pride in the unity of my fellow Canadians. It has further exposed the corruption and greed of the governing institutions and revealed just how low they are willing to go.	2/20/2022 9:38 AM
11523	Anxiety, sadness and disappointment. There was no clear purpose of the convoy. We need to focus big picture. Healthcare needs to come first.	2/20/2022 9:38 AM

11544	It has gave me hope, happiness, and a sense of love again amongst the people of Canada. Instead of finger pointing and call outs. Everyone has been able to be a part or not be a part depending on their own personal choices. I felt a sense of freedom coming back. I love everyone, and I am happy to see people finally standing up for their beliefs. I was feeling like I was drowning before the convoy started	2/20/2022 9:36 AM
11545	They gave me hope that there are Canadians out there that actually care about our rights and freedoms because after 2 years it's clear the government does not. Their stance not only about	2/20/2022 9:36 AM

mandates but about removing all QR system is very important. We can not allow our government to have citizens on a QR system. It was amazing to watch and hear about the peace and love that was shown, felt and promoted at all the rallies. Canada deserves leadership that promotes the same values not their own agenda.

11546	The trucking convoy has helped my mental health immensely. Has reconnected me to my spiritual beliefs and has gave me hope for my country and fellow Canadians.	2/20/2022 9:36 AM

11552	I feel hope because of the PEACEFUL PROTEST. I feel DISGUST WITH OUR PRIME MINISTER AND POLICE FORCES	2/20/2022 9:35 AM
11553	Happy some one is standing up for all of us who can't go and join	2/20/2022 9:35 AM

11559	It hasn't	2/20/2022 9:35 AM
11560	It's concerning how misguided people are. This group headed to Ottawa to protest and that's fine. But you can't take over a city and demand government be removed offering to run the government. It's the complete opposite of democracy. I'm sick of mandates like most people but how they took Ottawa and border crossings hostage wasn't right.	2/20/2022 9:35 AM
11561	Giving hope	2/20/2022 9:35 AM

11568	Viewing their unity & patriotism brought me tears of joy. Hearing & seeing their hopes, plans, gratitude, brotherhood, behaviour while assembled (singing O Canada, dancing, shovelling snow, sharing, smiling, hugging) gave ME so much hope and joy!!! The demonstrators' bravery made me more proud than anything ever done by government. At the same time this event confirmed mass media censorship, and instilled a contempt towards government and police enforcement that exceeds any negativity I ever had before.	2/20/2022 9:34 AM

11578	It brought me joy and made me understand what the Canada flag is about. The people, not the government	2/20/2022 9:33 AM
11579	Made our premier align with the extremists and this is a danger to our province and our health care system. Moe hates Trudeau so much he will sacrifice the people or Sask to get at Trudeau, and destroy our province.	2/20/2022 9:33 AM

11598	I believe in freedom of speech and protest. However, the convoy was unpermitted and therefore illegal from the start. People can protest but not trucks. This was a blockade and some have joined to try a coup of our demoncratically elected government. It has embarrassed me as a Canadian but I am proud that it is being ended by authorities who have limited violence as much as protestors allow. I have been made fearful by the undemocratic and racists elements expressed by some who have joined the group.	2/20/2022 9:32 AM

11611	It has given hope.	2/20/2022 9:30 AM
11612	It frustrates me immensely. Something like this has no place in society.	2/20/2022 9:30 AM
11613	Very positively. Given me hope that the idiocy of the pandemic and Trudeau pocketing 40% when someone gets vaccine to be over.	2/20/2022 9:30 AM
11614	NIL	2/20/2022 9:30 AM
11615	They've given us hope for a better tomorrow. Victory over tyranny	2/20/2022 9:30 AM
11616	It showed me that there is a lot of people thinking like me. It showed me how Canadians are loving, caring and peaceful people. It showed me unity.	2/20/2022 9:30 AM
11617	Gave me hope	2/20/2022 9:30 AM
11618	they give me little bit of hope to get my Canada back	2/20/2022 9:30 AM
11619	Restored my Canadian pride. Given me hope that people are waking up to the reality of what these mandates are for, furthering the World Economic Forum goals.	2/20/2022 9:30 AM
11620	Hopeful	2/20/2022 9:30 AM
11621	It inspired me	2/20/2022 9:30 AM
11622	Given me hope and courage and positivity and light, and LOVE for fellow human beings.	2/20/2022 9:30 AM
11623	Given me hope	2/20/2022 9:30 AM
11624	I was excited and VERY supportive because I've seen what our governments have done to our lives unnecessarily. Now, I'm hearing the convoy may be coming to an end due to Turdo's irrational tyrant response and I'm feeling very depleted, sad and scared. He needs to be removed before more lives are lost. I've lost family who have moved to the States. I've lost family and friends to death w hich we believe is caused by the jab. Healthy people before their jabs, then suddenly dead. Too many suicides too. Lots of suicides due to loss of jobs, marriages, family, stress, loss of livelihood, depression.....It's all so tragic and STILL Hitler will NOT concede. He has some serious mental health issues going on. His mother, Maggie, has always suffered mental health issues and it is well known, it is hereditary.	2/20/2022 9:30 AM
11625	The only way the convoy changed my life is, it has given me hope that Canada isnt truly beyond salvaging yet. They have my support 110%	2/20/2022 9:30 AM
11626	GIVES ME HOPE, LOVE TO SEE THE UNITY AND STAND. I AM NOT ALONE	2/20/2022 9:30 AM
11627	The most moving thing I have ever seen it was amazing to see	2/20/2022 9:30 AM

11642	It has given me hope and has created unity. So good to hear other people that see through the scam of our governments.	2/20/2022 9:28 AM
11643	Disruption to the supply chain has increased consumers goods pricing over and above inflation. It has distracted Canadians from regular government affairs and gave the government a mechanism to take more of our civil liberties away unlawfully	2/20/2022 9:28 AM
11644	You mean aside from being embarassed that they came from the west?	2/20/2022 9:28 AM
11645	Given me hope that people can start seeing both sides of this issue. Knowing that there is people that support Canadians when they have a different opinion.	2/20/2022 9:28 AM

11655	Not affected at all	2/20/2022 9:27 AM
11656	Not at all except I am so thankful for such courageous people. It makes me proud of my fellow Canadians. I am so angry at the government in the way they treated them.	2/20/2022 9:27 AM
11657	It has given me hope and helped to see how bad our government really is	2/20/2022 9:27 AM
11658	Inspired by it gave us hope that we the people could be heard	2/20/2022 9:27 AM
11659	Bringing everyone together love peace and harmony	2/20/2022 9:27 AM

Canadians vote on Canadian Mandate - February 2022

11660	It's brought me hope!	2/20/2022 9:27 AM
11661	Brought Canadians together while division was created. Made me very patriotic	2/20/2022 9:27 AM
11662	Given hope	2/20/2022 9:27 AM
11663	Made me have Hope	2/20/2022 9:26 AM
11664	Positively	2/20/2022 9:26 AM
11665	I think it is wonderful that people are finely standing up in a peaceful way and I think it's disgusting that they have invoked an emergency act and are using force during a peaceful protest.	2/20/2022 9:26 AM
11666	It hasent	2/20/2022 9:26 AM
11667	Amazing we applaud them,they are the only ones daring to speak up	2/20/2022 9:26 AM
11668	It hasn't affected me personally, I don't live anywhere near the protests	2/20/2022 9:26 AM
11669	I realized that Canada is an authoritarian state with no place for democracy. I started looking for a country to immigrate from Canada.	2/20/2022 9:26 AM
11670	It hasn't affected my life, but rather showed me how corrupt Justin Trudeau is with the emergency act	2/20/2022 9:26 AM
11671	Pissed	2/20/2022 9:25 AM
11672	It has given me hope.	2/20/2022 9:25 AM
11673	No just given me hope	2/20/2022 9:25 AM
11674	because some people were willing to stand up to evil governments,,,	2/20/2022 9:25 AM
11675	Brought Hope and Love back to Humanity. I went and viewed the actual Trucker Convoy for myself as the News soews Lies ALOT, (and we will never watch the News again) We were overwhelmed with emotion, excitement and Love we were free. People greeted one another with good morning or afternoon or evening, everyone thanked everyone else for being there. There was no swearing or anger or retaliation. Everyone was cleaning ice off the streets, shovelling the snow, offering Food and Drinks, signs were held up the only in appropriate sign i seen in my 2 days there on the ground was F\$&@ Trudeau, the other signs representing God. Praying and Preaching the Gospel on stage daily, music playing. People felt they had a purpose again. They felt alive and worth something having people that shared their same views and want life to resume back to normal .	2/20/2022 9:25 AM
11676	It has not really directly affected me in any way. Understandably it has effected certain businesses, and yes that was the group that gained momentum for an organized protest. It could have been any group that gained momentum. But we all stand for the same thing. And that is to end an unnecessary "mandate" and let everyone get on with their lives	2/20/2022 9:25 AM
11677	Gives us hope! Proud to be canadian.	2/20/2022 9:25 AM
11678	Seeing near millions of people with Canadian flags at all the overpasses on videos of the convoy on the road gave me a sense of hope I hadn't felt in 8years... because I could feel in my heart that not all Canadians were drinking Justin's cool-aid. That I was likely not the only one who had been feeling the depression, loss of hope, etc. I wrote about in question 9.	2/20/2022 9:25 AM
11679	Given me so much Joy, and hope, has really brought everyone together and removed the veil from the ones who have been deceived	2/20/2022 9:25 AM
11680	Open my eyes up To have a little the government fax the people of Canada	2/20/2022 9:25 AM
11681	It has given me hope that they can accomplish what I cannot. Their peaceful protest with Canadian flare: bouncy castles, feeding Canadians and providing food to shelters, hockey games for kids, bouncy castles, pancake breakfasts, BBQs, music concerts in the street, Unity for Canadians that want their freedoms reinstated, HOPE. The convoy has given me HOPE, other countries are watching is, emulating the peaceful protest, others are watching our democracy in action. The Truckers revealed Trudeau's love of Socialism and Communism, his fragile ego and his cowardice. Thank God for the Truckers - otherwise the WEF would have won. We would be living in a 2 tiered society. The Truckers have my love and support and my gratitude. The whiners that are inconvenienced by democracy have no idea what the Truckers	2/20/2022 9:25 AM

Canadians vote on Canadian Mandate - February 2022

are doing for every Canadian!! Truckers Saving our Democratic free country from Trudeau's tyranny. The Truckers are brave and resolute. It is indeed bravery when their vehicles are being permanently confiscated, their jobs and livelihoods taken from them, their cash assets stolen their lives and the lives of their families completely destroyed by Trudeau without any consequence to Trudeau. Thank God for the Truckers taking a bullet for all Canadians. I have no idea how they are able to continue under the Political tyranny. Truckers are literally on the front lines of this governments tyranny. Literally Truckers are keeping us all from being enslaved by the "passport system" forced on us by Krause Schwab and the WEF. "You will own nothing and you will be happy." Our Government is driving the sheep to the edge and the only thing keeping us from going over is the Truckers Freedom Movement 2022. We know it, they know we know it, and we know they know we know. This is a dangerous game.

11682	It has given me hope and renewed my faith in mankind.	2/20/2022 9:25 AM
11683	I agree 1000% with everything they're doing and I thank them everyday for fighting for our freedom.	2/20/2022 9:25 AM
11684	Gave me hopes !!!!	2/20/2022 9:24 AM
11685	In every way we can't live without truckers and drivers but we sure can do without government what a joke	2/20/2022 9:24 AM
11686	it has inspired me. made me more skeptical of the abilities of our federal government	2/20/2022 9:24 AM
11687	It has given me hope the uniting together can make a difference	2/20/2022 9:24 AM
11688	A United Canada	2/20/2022 9:24 AM
11689	I think it has been terrible. It could have done a better job by a single day	2/20/2022 9:24 AM
11690	Uplifting	2/20/2022 9:24 AM
11691	It hasn't affected my life personally, but I can empathized with the truckers and their families. I am extremely grateful to them for fighting for freedom for all !	2/20/2022 9:24 AM
11692	The truckers have given me hope that life would return to what it once was, that eighths would be restored. When I see them protesting, I am so proud. I have never been more proud as I was then. On the flip side. I have never been more ashamed to be Canadian as I am when I watch the wickedness and force the government is using against the peaceful protestors. Disgusting.	2/20/2022 9:24 AM
11693	The convoy gives us hope that the leaders will take a look at the people and set them free to work and socialize and have body autonomy.	2/20/2022 9:24 AM
11694	It has brought light to the over reach of this communist style minority government	2/20/2022 9:23 AM
11695	Togetherness and love . Brought people back together in a world that was getting divided due to Covid	2/20/2022 9:23 AM
11696	Not at all except for shame and embarrassment. I support peaceful protest not breaking the lae	2/20/2022 9:23 AM
11697	Gives hope that we can go back to how things were.	2/20/2022 9:23 AM
11698	It's given me hope in humanity and brought me closer to God	2/20/2022 9:23 AM
11699	Gave me hope that the people can have a voice against this tyranny	2/20/2022 9:23 AM
11700	It has consumed a large portion of time watching and worrying what will happen next. It has brought to light the fact that trudeau isn't for the people of hid country, he is only for self preservation.	2/20/2022 9:23 AM
11701	It is one thing to hold a protest, but it is another to completely blockade and occupy a city. The convoy is an embarrassment.	2/20/2022 9:23 AM
11702	Given hope	2/20/2022 9:23 AM
11703	It's taking a lot longer to receive packs sometimes it's hard to get parts. It's stressing a lot of people out with what the police are doing. I fear for my kids future, the government won't listen enough that things have to come to this. Hopefully the convoy makes things better.	2/20/2022 9:23 AM
11704	Hope	2/20/2022 9:22 AM

Canadians vote on Canadian Mandate - February 2022

11705	None	2/20/2022 9:22 AM
11706	It has given me hope. Our country is so multicultural that I hadn't seen a way that people would truly be able to band together to make a difference. I think the truckers were the only ones that could have done this. I applaud them all.	2/20/2022 9:22 AM
11707	They have brought together so many Canadians and given me hope that we can get Canada back to normal.	2/20/2022 9:22 AM
11708	Gives me hope	2/20/2022 9:22 AM
11709	Has not	2/20/2022 9:22 AM
11710	It's given me hope	2/20/2022 9:22 AM
11711	It has given us hope	2/20/2022 9:22 AM
11712	Positively! Inspiring all the way!	2/20/2022 9:22 AM
11713	Not at all	2/20/2022 9:22 AM
11714	Mentally and financially	2/20/2022 9:22 AM
11715	It made me feel Canada is alive. We are not sheep, the truckers gave me the feeling that we can still fight for what we believe.	2/20/2022 9:22 AM
11716	Mistreatment of the peaceful protest and the government attitude towards Canadians	2/20/2022 9:22 AM
11717	Giving hope to maybe seeing an end, for 2 years I have supported all mandates while increasing my feeling frustrated that some just don't make sense, I clean tirelessly and need to only allow vaccinated people in my establishment but then go to Tim Hortons sit at a dirty table and have way more people inside how does this make sense, lost my support half way into this pandemic with these inconsistent rules. One voice won't be heard but the masses hopefully will be	2/20/2022 9:22 AM
11718	People fighting for their rights	2/20/2022 9:22 AM
11719	Gives me hope that we can get our life back to normal	2/20/2022 9:21 AM
11720	It's given us hope, and made us aware that the majority of people who are vaccinated, only did so for the promise they would get their lives back.	2/20/2022 9:21 AM
11721	Given me hope of a free Canada.	2/20/2022 9:21 AM
11722	Gives some hope	2/20/2022 9:21 AM
11723	Made me feel ashamed to be Canadian. The truckers are simply crying because they want special rights.	2/20/2022 9:21 AM
11724	It showed me that our PM truly wants dictatorial power and that scares the crap out of me.	2/20/2022 9:21 AM
11725	It doesn't seem like a good thing	2/20/2022 9:21 AM
11726	It hasn't	2/20/2022 9:21 AM
11727	It hasn't	2/20/2022 9:21 AM
11728	It was inspiring to see Canadians come together, and it provided hope for a lot of regular people. That was until the mainstream took over the narrative and as usual they divided the country. The prime minister was even worse with his hateful rhetoric and lies. This is not the country I grew up in, I will be taking my family away from this situation.	2/20/2022 9:21 AM
11729	The trucking convoy have affected my life by giving me hope, and not be scared that someone would come into my house and force the vaccine on me and my family.	2/20/2022 9:21 AM
11730	It has given us hope, ever since they came through we have happiness in our home again	2/20/2022 9:21 AM
11731	Made me feel proud they stuck up for what they believed in more Canadians should be like that	2/20/2022 9:20 AM
11732	Hasn't.	2/20/2022 9:20 AM
11733	It has given us hope. Hope that our country will continue the way it was	2/20/2022 9:20 AM

Canadians vote on Canadian Mandate - February 2022

11734	In the beginning it gave me hope , it gave me a sense patriotism that I hadn't felt in more then a few years ! It brought CANADA together in so many ways ! But now I feel it is lost in translation due to both sides of the media , due to slanderous remarks by not only members of parliament but from OUR own Prime Minister who continues to create divide. Now as we continue our slow descent into a force fed communist state lead by a want to be dictator Justin Trudeau , I feel that the convoy has done all it could do to help Canadians in our fight for democracy , but I also fear that it has help tyrants like Justin Trudeau to enslave our once great nation !!	2/20/2022 9:20 AM
11735	Given a unified voice for discussing the government's strategy to overreach. Sadly the government has reacted with more and more aggressive tactics	2/20/2022 9:20 AM
11736	Haven't noticed due to staying home	2/20/2022 9:20 AM
11737	Because of multiple bridge closures the traffic to get to work	2/20/2022 9:20 AM
11738	Made me proud and so glad it happen more Canadians opened their eyes	2/20/2022 9:20 AM
11739	Well looks like there is some hope with them standing up and getting our freedom back for us Canadians	2/20/2022 9:19 AM
11740	It's been an embarrassment to our country and badly represented us to the world. Bunch of whiny people crying they didn't get their way.	2/20/2022 9:19 AM
11741	It has not affected me at all I am proud of anyone who is willing to stand up for their rights. After all isn't that what a free democratic Cuntry is all about ?	2/20/2022 9:19 AM
11742	The trucker convoy give me hope	2/20/2022 9:19 AM
11743	It has given me hope again in a nation that was about to fall into the hands of international overlords. As long as the people rise up, these criminals will fail!	2/20/2022 9:19 AM
11744	Good	2/20/2022 9:19 AM
11745	This freedom convoy has given me hope for a better future for humanity.	2/20/2022 9:19 AM
11746	I was hope we got freedom.	2/20/2022 9:19 AM
11747	I admire them	2/20/2022 9:18 AM
11748	has not affected my daily life directly that I am aware of. I suppose there have been economic costs due to blockades	2/20/2022 9:18 AM
11749	It brings us together in a good way - unity. It has been so encouraging, peaceful to know we are not alone in how we feel and think.	2/20/2022 9:18 AM
11750	It gave me hope that it would end the mandates and unite Canadians.	2/20/2022 9:18 AM
11751	It hasn't yet.	2/20/2022 9:18 AM
11752	It hasn't, only has inspired that there are those who are fighting for every canadian to have their freedoms back.	2/20/2022 9:18 AM
11753	It has given me hope for my future, for my kids future, it has brought me closer to people who think like me, it has shown love ♥	2/20/2022 9:18 AM
11754	Feel hopeful that I'm not alone	2/20/2022 9:18 AM
11755	I have used my phone to watch h live streams a LOT. LOL. The convoy gave me hope	2/20/2022 9:18 AM
11756	It hasn't. Only that they give me hope!	2/20/2022 9:18 AM
11757	It has not.. they are fighting for what 90%of Canadian want back	2/20/2022 9:17 AM
11758	None	2/20/2022 9:17 AM
11759	I have never felt more united, hopeful and loved.	2/20/2022 9:17 AM
11760	Made me aware that action and talk needs to happen and media can twist things for the worse	2/20/2022 9:17 AM
11761	Not much	2/20/2022 9:17 AM
11762	Brought hope back to our house, province country and the world.	2/20/2022 9:17 AM

Canadians vote on Canadian Mandate - February 2022

11763	It has not affected me. Leadership should come to the table and hear respectfully what they have to say & stop name calling etc. This makes the situation worse.	2/20/2022 9:17 AM
11764	Not affected at all	2/20/2022 9:17 AM
11765	Truckers believe we have the right to work, travel, vax or not, protest peacefully, trust our law enforcement..	2/20/2022 9:17 AM
11766	Not at all, and I'm an Ottawa resident. In fact, it kind of gave me hope.	2/20/2022 9:17 AM
11767	It's brought me hope, for the first time in a long time that Canadians will get their freedoms back. I'm proud of all the truckers and all of the people who are standing for our freedom.	2/20/2022 9:17 AM
11768	It has made me proud to be Canadian. It's been a long time since I have felt this way.	2/20/2022 9:17 AM
11769	Mostly, it has affected my outlook. I believe in protest as a way to effect policy change but this has been scary! The horrible, horrible threats against our Prime Minister cause me grave concern.	2/20/2022 9:17 AM
11770	Created a feeling of unity again An acknowledgement for many people globally of the evidence of government over reach in many countries.	2/20/2022 9:17 AM
11771	Gave me back some hope of living a free life like Canadians should...made me feel like I wasn't alone.	2/20/2022 9:16 AM
11772	The results have made me sad to be Canadian. Zero faith in Trudeau or Freeland. Made me resent the East. Has made me in favor of separation of the Western Provinces.	2/20/2022 9:16 AM
11773	It brought us hope and lifted us from the despair we've felt over the past 2 years. We finally felt proud to be Canadian again.	2/20/2022 9:16 AM
11774	It gave me a sense of freedom back, but has further created a sense of confusion and hopelessness. I have less faith in our government and our media. I feel completely gaslighted by anyone with a platform. I feel that despite all the effort, we are still not being listened too, and realise no matter how we cry out in desperation to be heard about how we've been dehumanized and marginalized, nobody is actually listening and there is nothing we can do to be heard. It's all political perversion, and we are merely pawns. I can not unsee what's been exposed to us through the convoy protest.	2/20/2022 9:16 AM
11775	It has opened up the gates of freedom and voice. God Bless truckers convoy!	2/20/2022 9:16 AM
11776	They have give us hope and unity in Canada	2/20/2022 9:16 AM
11777	Concern for all involved - especially the people whose daily lives are being significantly impacted in central Ottawa through no choice of their own. Believe Emergency Measures too far a reach. Concern for the division being stoked between everyday peaceful Canadians...the us vs them mentality is dismaying to my psyche	2/20/2022 9:16 AM
11778	It has given me hope	2/20/2022 9:16 AM
11779	It hasn't affected my life directly except that I have lost respect for some family members who post "fake" news to show their support of the trucker convoy	2/20/2022 9:16 AM
11780	It has brought Canadians voices back, we're now being heard!	2/20/2022 9:16 AM
11781	It's helped show how patriotic (some) Canadian's are!	2/20/2022 9:16 AM
11782	It's given our family hope. Also, as each day goes on, the more we are thinking of fleeing Canada. No longer trust our government.	2/20/2022 9:16 AM
11783	It hasn't	2/20/2022 9:15 AM
11784	It has given me strength to believe life will be as it was 2.5 yrs ago.	2/20/2022 9:15 AM
11785	It has given me hope. I have felt joy and community for the first time in way too long. I feel less alone. It took these strong people standing up together to show Canadians, all of us, that we are not alone, that we all need to stand together and be heard. Additionally, it has exposed like nothing else, just how pathetic and corrupt the country's "leadership" is. I am so proud of the truckers. I am so ashamed of our government.	2/20/2022 9:15 AM
11786	It's created some talks where I stated my thoughts around mandates and gave me some hope	2/20/2022 9:15 AM

that this might end.

11787	Brought hope that friendly people still love and care in this country. And they allow us to see their are millions in Canada who still are being diligent to understand reality.	2/20/2022 9:15 AM
11788	Watching privileged people behave abhorrently (and get away with it) over minor inconveniences to keep our communities safe had been a shock and affected my mental well-being. There's no place for nazi/confederate flags, racism and terrorism in this country	2/20/2022 9:15 AM
11789	It's sparked hope in all Canadians	2/20/2022 9:15 AM
11790	Woke up to the tyranny of liberal government. Pretty sad what they have done .	2/20/2022 9:15 AM
11791	Gives me hope that the people will end this covid lie	2/20/2022 9:15 AM
11792	Not at all.	2/20/2022 9:15 AM
11793	It has shown me that there is still love and unity, and it just needs to grow so all Canadians feel it.	2/20/2022 9:15 AM
11794	Gives me hope and has made me proud to be a Canadian.	2/20/2022 9:15 AM
11795	Joy and love radiating from Ottawa? Brought us tears of hope.	2/20/2022 9:14 AM
11796	I am so thankful the truckers have stood up and are fighting for our freedom and to get rid of all mandates. I'm also thankful for the thousands of people who support them to get us back to normal so that Canada does not become a communist country.	2/20/2022 9:14 AM
11797	These truckers have stood up for freedom I applaud the peaceful protests	2/20/2022 9:14 AM
11798	Higher prices	2/20/2022 9:14 AM
11799	Finally gave me hope that there can be some normalcy back to life. The truckers have made me happy, and proud to be Canadian again!	2/20/2022 9:14 AM

11809	I support the truckers 100%. They have given me hope	2/20/2022 9:13 AM
11810	Brought awareness to the draconian laws that are being forced upon us all.	2/20/2022 9:13 AM
11811	Pride	2/20/2022 9:13 AM
11812	The trucking Convoy has brought a lot of joy, happiness and hope . The atmosphere was so peaceful. It has also been instrumental in showing corruption at all levels of government and medias, division in the Covid Canada. He has awakened Canadian people and the world.	2/20/2022 9:12 AM

11818	giving hope and encouragement that when we stand together we can make a difference for the better and given me a opened mind to the corruption in our government	2/20/2022 9:12 AM
11819	Its made me proud to be a canadian again, makes me believe canada will be great again	2/20/2022 9:12 AM
11820	The very groceries in our super markets have diminished due to truckers also standing up to the Prime Minister's plan to divide & control the country. Get rid of this pompous kid born with name & silver spoon.	2/20/2022 9:12 AM
11821	Not at all	2/20/2022 9:12 AM
11822	made me feel proud to be a Canadian.	2/20/2022 9:12 AM
11823	It has restored hope and has brought a smile to ky face for the first time in a very long time.	2/20/2022 9:12 AM
11824	It has not I support the truckers and what they stand for. My husband is a trucker and he has been treated poorly due to this pandemic. Going with our food and essential services and he has ran his truck all during this pandemic	2/20/2022 9:12 AM
11825	It has brought hope that this plan of our PM to align himself with the great Reset instigated by Klaus Swab will fall and that he will be removed from office. That never again will a PM or any Premier of Canda be able to wreck such devastation on the Canadian as they have done for the past 2 plus years	2/20/2022 9:11 AM
11826	Ils me redonnent l'espoir dans la communauté et peut-être la lumière au bout du tunnel.	2/20/2022 9:11 AM
11827	It has not affected me, only given me hope	2/20/2022 9:11 AM
11828	Given me hope that Canadians WILL stand up to take back freedoms lost	2/20/2022 9:11 AM
11829	It has given us hope. Freedom of choice should reign.	2/20/2022 9:11 AM

11832	Not sure it has yet	2/20/2022 9:11 AM
11833	It has lifted my spirits, reminded me I'm not alone, demonstrated there are many concerned, and reminded me of how wonderful loving fantastic Canadians are TRUE NORTH STRONG AND FREE	2/20/2022 9:11 AM
11834	it hasn't	2/20/2022 9:10 AM
11835	Brought canada together in a unity I've never seen before	2/20/2022 9:10 AM
11836	It's my new soap opera, as it has given me hope and peace of mind that many more have the same resolve as me.	2/20/2022 9:10 AM
11837	I seen people with courage, most of them are true and are not violent. It makes me wary of the government Authority? Government could've handled it differently. Double and boosted people are getting Covid-19. Let people have their choice if vaccines are not guaranteed. The convoy are Canadian citizens, the prime Minister could've acknowledged them. I'm double vaccinated, but I don't push it on everyone else. Im affected because I'm doubting my elected government.	2/20/2022 9:10 AM
11838	It hasn't	2/20/2022 9:10 AM
11839	Increased stress. It baffles me how you think it is freedom that you represent. Such misinformation keeps coming from majority of people in the convoy. You all show disrespect for people who want to follow mandates.	2/20/2022 9:10 AM
11840	It has given me hope that Canadian people will have their freedom's reinstated. We are currently living under a totalitarian regime.	2/20/2022 9:10 AM
11841	Given me a new sense of hope, that maybe we might gain some sense of freedom back, as well as got me off my ass to help support a great peaceful cause	2/20/2022 9:10 AM
11842	It has brought hope to my family	2/20/2022 9:10 AM

11850	Stopped this Trudeau Liberal gov from forcing any new mandates on Canadians (such as mandating boosters) Has given HOPE to so many people who are frustrated with the current government.	2/20/2022 9:09 AM
11851	It gives me hope	2/20/2022 9:09 AM
11852	The trucker convoy has give Canadians hope that we can have our lives back. That Canada will be Canada again!!! So many people standing up for the ones that can't stand up for themselves.	2/20/2022 9:09 AM
11853	Gave us hope for break through	2/20/2022 9:09 AM
11854	I think they brought the very needed wind of hope. In my opinion their fight is our fight. G they are not violent and there is not protest that was convincer to everyone	2/20/2022 9:09 AM
11855	It has created division in my friends and family and caused me to cut supporters out of my life. I get upset seeing and hearing the anti-science rhetoric and I'm heartbroken for those in Ottawa whose lives have been completely disrupted by the selfish protestors. I get extremely angry that we have to deal with these petulant people when we have actual problems to solve. I hate what the convoy is doing to my usually peaceful, responsible and caring Country.	2/20/2022 9:08 AM
11856	It's given me hope that the tyrannical government will be brought to its knees and ousted from Ottawa.	2/20/2022 9:08 AM
11857	It hasn't	2/20/2022 9:08 AM
11858	It has notb	2/20/2022 9:08 AM
11859	It hasn't in any direct way, yet.	2/20/2022 9:08 AM
11860	Did not.	2/20/2022 9:08 AM
11861	See them has given me hope. In the beginning it has renewed my faith in humanity, given us a voice and action for help. What has happened this last week with police moving in has broken my heart. Canada does not feel like home to me anymore.	2/20/2022 9:08 AM
11862	This convoy has made me feel proud again. I felt so alone and like I shouldn't talk about the injustices that have been happening to us all for 2 years. I AM PROUD OF THEM, AND US ALL, WHO SUPPORT THIS DEMAND FOR FREEDOM!!!	2/20/2022 9:07 AM
11863	Besides worrying for others, citizens and truckers alike, it has not affected me at all.	2/20/2022 9:07 AM
11864	Received a lot of love from them. Was able to have nice conversations. Peaceful time.	2/20/2022 9:07 AM
11865	In a bad way	2/20/2022 9:07 AM
11866	Given me hope	2/20/2022 9:07 AM
11867	It has allowed me to find my voice in standing up against a misguided government	2/20/2022 9:07 AM
11868	With hope. Hope that there will be light at the end of the tunnel. Hope that the kids will no longer need to wear mask. Hope to all the people who lost their job will be able to work again	2/20/2022 9:07 AM
11869	Given me hope	2/20/2022 9:07 AM
11870	It has given me hope that our MP will go beyond what is requested by Justin Trudeau in keeping the mandates in place	2/20/2022 9:07 AM
11871	Opened my eyes to how Corrupt our the Liberals are. Government overreach and truly how the Government views us as Canadians.	2/20/2022 9:07 AM

Canadians vote on Canadian Mandate - February 2022

11872	It has given me hope for thr future and for thr future of my children	2/20/2022 9:07 AM
11873	It hasn't personally interfered. I have watched in amazement as it sparked hope world wide.	2/20/2022 9:07 AM
11874	Knowing there are others that think like me. The love and energy at the hill gave me hope. So happy that people are standing together to fight the govt over reach. I got vaccinated even though I really didn't want to. It was forced on me I could risk loosing my job and would not be allowed to travel. So that life could get back to "normal." But here we are 90% vaxed across Canada and the PM is still pushing these mandates. I 100% believe in freedom of choice - if you are at high risk and you need vaccines and boosters to protect yourself then by all means, if people want to continue to wear a mask that's fine. But please don't force that on people that don't want or need it. The govt should have put all the funding into our hospitals - that's the issue not the virus.	2/20/2022 9:06 AM
11875	It has gave some hope	2/20/2022 9:06 AM
11876	It hasn't unless the stop the mandates. Then it will be amazing	2/20/2022 9:06 AM
11877	It gave me hope that my life was going to be normal again. No more fighting with family and government and my grandchildren will be protected	2/20/2022 9:06 AM
11878	I have never felt SO PROUD to be Canadian. I am in awe of their courage in taking this on and so deeply grateful that they did. Bless them all - may they thrive and flourish for their service to all of us!	2/20/2022 9:06 AM
11879	Woke people up to the dictator running Canada	2/20/2022 9:06 AM
11880	It hasnt	2/20/2022 9:06 AM
11881	The convoy gave me hope that our freedoms might be restored.	2/20/2022 9:06 AM
11882	Encouraged me to know there are people not afraid to stand for their freedom	2/20/2022 9:06 AM
11883	It has made me feel very unsafe	2/20/2022 9:06 AM
11884	Zero, The Trucker Convoy had giving us back HOPE. HOPE for a positive future for my child. They make me love my country and feel proud again . This movement is full of love.	2/20/2022 9:05 AM
11885	The only way the trucking convoy effected my life was giving me hope that this all might end soon and life would go back to normal.	2/20/2022 9:05 AM
11886	I appreciate the fact that they are standing up for us.	2/20/2022 9:05 AM

11893	Inconvenienced me getting around my city and the ability to participaye in our city's winter festival in the park	2/20/2022 9:04 AM
11894	It was a beautiful movement to see. Such an organized effort to be heard and it gave/gives many hope.	2/20/2022 9:04 AM
11895	Never has	2/20/2022 9:04 AM

it, the prestigious British medical journal which our government consults when looking to support medical interventions abroad, has even come out to question the safety data on vaccines being pushed on populations by the public private partnership of governments and corporations.

11900	It was an incredible experience. I attended	2/20/2022 9:04 AM
11901	They have brought back patriotism, love, peace, hope; as they stand to protect our rights and freedom.	2/20/2022 9:04 AM
11902	Inspiration. They give us hope	2/20/2022 9:04 AM
11903	It haven't. I believe its due to the convoy that our province is finally dropping mandates...although the gov denies it	2/20/2022 9:04 AM
11904	Brings hope. Elections aren't working. Thankful someone stood up and said enough. The arrogant leaders wouldn't even listen just iron fists. Sad day for this country.	2/20/2022 9:03 AM
11905	Gives me hope	2/20/2022 9:03 AM
11906	not..... they are doing a great job, 100% support	2/20/2022 9:03 AM
11907	Help shine the light on corrupt government	2/20/2022 9:03 AM
11908	It has caused me to love my fellow Countrymen like never before and to hope for a better day.	2/20/2022 9:03 AM
11909	It made me cry watching it live when the riot horses trampled the elderly lady with the walker and the brutal assault by an officer on a peaceful protesting woman it was extremely violent I barked my eyes out. This is Canada we have a charter of rights that's being completely ignored	2/20/2022 9:03 AM
11910	it has brought hope that the tyranny will end and it is time to take our country back	2/20/2022 9:03 AM
11911	Gave us encouragement And hope	2/20/2022 9:03 AM
11912	Gave me hope	2/20/2022 9:03 AM
11913	It has given me hope that things might get better and made me proud to be a Canadian again. I am happy to see people United no matter what color or religious beliefs they have...I love my neighbors no matter who they are	2/20/2022 9:03 AM
11914	It's given me hope that some humans have some integrity beyond making money. I was so relieved to find out I'm not alone	2/20/2022 9:03 AM
11915	They have given me hope that we can get back to the Canada we once were.	2/20/2022 9:02 AM
11916	Positively. Gives us hope that there are still people who stand for freedom and not tyranny and Hitler like antics that our prime minister is demonstrating. He is a puppet listening to corrupt world elites	2/20/2022 9:02 AM
11917	It has given us hope.	2/20/2022 9:02 AM
11918	In a positive way. Giving me hope we are awake. Yes, we see prices go up and, supply changed is affected, but it is a minimal price we pay to regain our freedom. It is hood to see the politicians we elected to lead us, to protect us, to lay a fertile field for Canadians to prosper, to recognize that they work for the people. Not for their positions and status. They must do what is best for us without thinking that they know better than us or that we do not know what is best for ourselves.	2/20/2022 9:02 AM
11919	Gave me hope and pride in Canada again.	2/20/2022 9:02 AM

11922	Went on too long do to Trudeau's inactions. Too many lies by the press. Depressing!!!!	2/20/2022 9:02 AM
11923	Brought hope back that love and community were indeed very much alive. The realization that I am not alone in how I am feeling about these mandates even though the legacy media would have us believe otherwise. So tired of the divisive talk by our leaders.	2/20/2022 9:02 AM
11924	It's made me very HAPPY that some people are calling out the drama teacher who is not	2/20/2022 9:01 AM

11928	None	2/20/2022 9:01 AM
11929	We cannot get our household goods, needs (some) because of this. This truck convoy is a joke, hurt the economy, and should have never have been allowed. I don't support it whatsoever. i respect those truckers that performed that performed their job, and kept the economy going.	2/20/2022 9:01 AM
11930	Give me hope that Canadians will stand up for change	2/20/2022 9:01 AM
11931	Love the convoy	2/20/2022 9:01 AM
11932	It has shown me the true undercurrent of some Canadians - self centered, turning a blind eye to their racist financial supporters, and apparently they missed science and social studies in high school because they have no idea how vaccines work and what the Canadian constitution states.	2/20/2022 9:01 AM
11933	Mone love Canadiand standing up to pitiful govt tactics	2/20/2022 9:01 AM
11934	The trucking convoy have given me a spark of hope of a better future with their commitment to peaceful protest and their tenacious bearing the brunt of the shameful smearing of their reputation, along with mental and physical abuse from the media and some government officials and now the police officers (once known as peace officers). How it has been handled has shredded any hope of the integrity of our government. We need a total re-write.	2/20/2022 9:01 AM
11935	It's shown me that there will always be people who can't listen to reason and logic, and there is no way to effectively communicate with them. Cognitive Dissonance is a real thing	2/20/2022 9:01 AM
11936	Some people become offensive with their views. It hurt my feelings.	2/20/2022 9:00 AM
11937	Inspired	2/20/2022 9:00 AM
11938	Made me proud to be a Canadian and confirmation that Canadians from east to west from every province of every race, creed and color can embrace each other with joy that we are one people and cannot be silenced.	2/20/2022 9:00 AM
11939	Renewed feeling of hope for Canada going forward, pride in people standing up, happy to see unity	2/20/2022 9:00 AM
11940	It brought hope in a time of uncertainty	2/20/2022 9:00 AM
11941	Proud to see people standing up for what they believe as well as for others who are afraid to speak out	2/20/2022 9:00 AM
11942	Bringing Canadians together	2/20/2022 9:00 AM
11943	They are just our heros, heros of ALL the Canadians. RESPECT and honnor to those people.	2/20/2022 8:59 AM
11944	The media made it sound like everyone approved of mandates. It gave me hope I wasn't alone. It gave me Canada pride for first time in 2 years. I felt bad for people in Ottawa but a lot of people have been crushed by the federal mandates	2/20/2022 8:59 AM
11945	It gives me hope for humanity	2/20/2022 8:59 AM
11946	Gave me hope and pride being Canadian	2/20/2022 8:59 AM
11947	None	2/20/2022 8:59 AM
11948	100% positively. Giving hope, creating joy, making new friends, able to detect who else is on my side by being able to ask how they feel about the trucker protests	2/20/2022 8:58 AM
11949	Fight for freedom, dont affect negatively m'y life... I nsupported them	2/20/2022 8:58 AM

Canadians vote on Canadian Mandate - February 2022

11952	It hasn't.	2/20/2022 8:58 AM
11953	Positively	2/20/2022 8:58 AM
11954	I am neither for or against the truckers — they have a right to have their say and demonstrate it would have been nice if me Trudeau could have attempted to meet with them and talk thinks out like Canadians usually do instead of bludgeoning them on the head and beating them down like bully in the playground. I am pro CANADA —not pro mandates or pro truckers. I vote for Peace and being able to hug and shake hands with our family , friends and neighbours again	2/20/2022 8:58 AM
11955	Virtually minimal effect	2/20/2022 8:58 AM
11956	we have a manufacturing business that requires trucking to send our goods to our customers. delays are not acceptable and could ruin our business and the jobs of 80 Canadians, plus the income of our customers	2/20/2022 8:58 AM
11957	It has given me hope and courage. Makes me smile. Seeing others who also support and are showing how brave they are. The feeling of knowing I'm not alone with how I see what's going on. I admire how brave the truckers are for the world!! Many thank yous to them!! ♥	2/20/2022 8:57 AM
11958	It has given me hope for Canada!	2/20/2022 8:57 AM
11959	The truckers convoy has benefited my life,in comparison to the mandates and rules the governments and police and cabinet ministers had put together.The people that were first vaccinated were the ones spreading the new variants.I am one of them called long haulers with Covid,had contracted it from people that were vaccinated,so I strongly believe it's all a political scandal to take control of people.These mandates weren't out to help the people at all,it's all a cashcow for the elite and pharmaceuticals and corporations building these vaccines.I've never seen a flu shot work,nor have I seen a Covid vaccine work,none of them.And honestly,we need a whole new government and cabinet ministers and police,they are all contaminated.It's left me with thoughts of not wanting to be a part of this world.That quite disturbing	2/20/2022 8:57 AM
11960	Hasn't	2/20/2022 8:57 AM
11961	It gave me hope for the first time in a long time. I have followed it closely and after nearly two years of feeling like I was fighting all these restrictions and mandates on my own, I finally saw Canadians of all races, religions and socioeconomic backgrounds come together in unity to speak out against it. I have been so proud and if I still lived in or near Ottawa, I would have been there myself	2/20/2022 8:57 AM
11962	Thought finally someon standing up for freedom. HOPE	2/20/2022 8:57 AM
11963	It has not	2/20/2022 8:57 AM
11964	Restored some hope of freedoms as Canadian's but after this weekend I se now we are under a dictator	2/20/2022 8:57 AM
11965	Made me very proud to be a Canadian!!!	2/20/2022 8:56 AM
11966	The public commitment of the convoy to peaceful protest and to the return to lawful governance of our nation , together with its tenacity, offers a much brighter ray of hope than any relaxation of mandates temporarily offered by governments as a concession to the whims of public opinion.	2/20/2022 8:56 AM
11967	By inspiring hope, confidence and solidarity in Canadian's willingness and determination to peacefully defend the Charter of Rights and Freedoms.	2/20/2022 8:56 AM
11968	Gave us some hope, we know some personally and know how hard it has been on them	2/20/2022 8:56 AM
11969	It has not	2/20/2022 8:55 AM
11970	It has brought back hope for our freedom and our country. It has opened up a conversation that people where afraid to start. It has brought awareness of what our government is capable of and how they feel about their country and people.	2/20/2022 8:55 AM
11971	proud of them. Wish I lived closer and could join.	2/20/2022 8:55 AM
11972	Felt more love and kindness. Saw how the mainstream media twists any story to fit their narrative. Contemplating moving out of Canada.	2/20/2022 8:55 AM

11977	It has given us hope. We smile again	2/20/2022 8:54 AM
11978	It has made us proud to be Canadian. In the unity and kindness seen. I realize it hasn't been perfect but it has exposed what is going on behind the scenes.	2/20/2022 8:54 AM
11979	While on their way to Ottawa, some passed through my city, two blocks from where I live. Highly annoying to traffic and those in their homes. I can't even imagine how Ottawa put up with that nonsense for 3 weeks. Absolutely, the Emergency Act was needed.	2/20/2022 8:54 AM
11980	Made me feel proud to be a Canadian	2/20/2022 8:54 AM
11981	It only gave my hope for all this bullshit	2/20/2022 8:54 AM
11982	Gives me some hope that Canadians are done with this Bullsh!t and are ready to revolt. "Water hole" (Trudeau in english) must go.	2/20/2022 8:54 AM
11983	It's giving me hope that we can get back to normal and I'm not alone like I've felt for over 2 years. I support democracy, I don't support dictatorship. Our economy is suffering and inflation is literally killing us. Remember this is one man's opinion. Not the people's opinion.	2/20/2022 8:53 AM
11984	Given my family hope for a better future.	2/20/2022 8:53 AM
11985	Saved our asses	2/20/2022 8:53 AM

11991	It hasn't	2/20/2022 8:52 AM
11992	It has given me hope that this may soon end.	2/20/2022 8:52 AM
11993	Support for what I feel	2/20/2022 8:52 AM
11994	Given me hope that we could get back to a normal life again.	2/20/2022 8:52 AM
11995	Hope, restored some pride in me for Canada	2/20/2022 8:52 AM
11996	Loved it	2/20/2022 8:52 AM
11997	Increased anxiety, very stressful, I worry about the political agenda behind it, I fear this is going to end badly. I wish they would just listen to authorities.	2/20/2022 8:52 AM
11998	To remind us it's a free or was a free country that let us have choices and not forced. Would like to see that kind of government effort against human trafficking, homeless and special the drug problems we are faced with.	2/20/2022 8:51 AM
11999	Closely affected my family who was tortured by the convoy.	2/20/2022 8:51 AM
12000	They have given us hope for the first time in two years. Standing up for everyone's rights is the Canadian way and there is nothing Canadian about Justin Trudeau! Thank you Truckers!	2/20/2022 8:51 AM
12001	I'm glad they took a stand for Canadians against the oppression of our rights and freedoms	2/20/2022 8:51 AM
12002	Gave me hope. Made me proud to be a Canadian again.	2/20/2022 8:51 AM
12003	None, except it is probably adding to inflation	2/20/2022 8:50 AM

12007	Gave me hope	2/20/2022 8:50 AM
12008	it has brought joy and hope that I haven't felt in over 2 years.	2/20/2022 8:50 AM

12012	Encouraged me.	2/20/2022 8:50 AM
12013	It has given me a deeper appreciation of being Canadian.	2/20/2022 8:50 AM
12014	It hasn't what it did do was to see people standing up for their beliefs as a Canadian	2/20/2022 8:49 AM
12015	Has made me feel like maybe there still is hope for Canada	2/20/2022 8:49 AM
12016	Gives me hope!	2/20/2022 8:49 AM
12017	Positively. We had some hope.	2/20/2022 8:49 AM
12018	Encouraging to see people emerge from darkness	2/20/2022 8:49 AM
12019	Border closures have stopped flow of goods and simply Increased inflation. All this stuff from mandates to convoys to childish behaviour in the house of commons has created conflict and division in our once great country. From my perspective during the entire pandemic federal leadership has been completely lacking. It saddens me to see what Canada has become.	2/20/2022 8:49 AM
12020	Hope	2/20/2022 8:49 AM
12021	Hasn't	2/20/2022 8:49 AM
12022	They are hero's	2/20/2022 8:49 AM
12023	I was not affected by the convoy, I proud that somebody stood up for our freedoms, the thing I immigrated to Canada for.	2/20/2022 8:49 AM
12024	Felt good as they were/are fighting for all Canadians freedom	2/20/2022 8:48 AM
12025	It brought "HOPE".to a very fast dying country....and a very FED UP AND DISCOURAGED PEOPLE.....know this.... WE ARE FINISHED WITH THESE MANDATES.....who ever you are.....WE ARE FINISHED....	2/20/2022 8:48 AM
12026	Gave me hope. As it has unfolded, it has brought me joy as I see Canadians joining together.	2/20/2022 8:48 AM
12027	A positive I fluency, offering hope to see the end of the Tyranny.	2/20/2022 8:48 AM
12028	They have given me hope for the first time in 2 years!	2/20/2022 8:48 AM
12029	Gave hope to a people that has been pushed too far. Way to go truckers! Fighting for Our freedoms.	2/20/2022 8:48 AM
12030	It showed the country and the world that we are united and aware of the corruption.	2/20/2022 8:48 AM
12031	It has exposed the liberal and Ndp government for what they are.	2/20/2022 8:48 AM
12032	Hopefully and grateful that someone has seen the mass Psychosis and calling it as is	2/20/2022 8:48 AM
12033	Brought faith and hope for humanity.	2/20/2022 8:48 AM
12034	It hasn't, just made me proud to be Canadian again	2/20/2022 8:48 AM
12035	The convoy has not affected my life if anything it gave me faith and hope again.What trudeau is doing is disgusting and is dividing are country and spreading hate and treating the canadians like garbage.I stand with the convoy and want to thank them because thry gave me and kids hope again.	2/20/2022 8:48 AM

Canadians vote on Canadian Mandate – February 2022

12036	It has made me realize there are tons of people out there that think the same way I do-there is a solidarity of beliefs whether vaccinated or not.	2/20/2022 8:47 AM
12037	It's given me hope	2/20/2022 8:47 AM
12038	The convoy brought great pride & hope!!! Justin Trudeau's handling brought disgust & shame! The PM never spoke or brought anyone to hear the truckers (they speak for the majority of Canadians) pleas & negotiate! Worse he brought vitriol & attacked/terrorized this group & all Canadians & has sown division within this nation! Worse yet he brought in police/thugs horses, tear gas LRAD, guns, bully sticks to terrorize peaceful unarmed protestors, not to mention the cost to all Canadians financially ...the Attorney General needs to relieve Justin Trudeau of his position. As a Canadian citizen this man has lost ALL credibility & my confidence for him to run this country and more so is a traitor to Canadians and should be tried as such. JT has sold us out to the World Economic Forum, one World Government, that I individually do not consent to. A Democratic country does not put up with a tyrant at it's helm!!!	2/20/2022 8:47 AM
12039	It has brought hope, a feeling of pride, unity and support for my fellow Canadians. I am excited for the future this could bring!	2/20/2022 8:47 AM
12040	They bring spirit of happiness, hope, and unity. Is the human expression against criminals, nothing wrong with freedom of liberty, expression of speech, and fight against a criminal government. The police and army are paid to protect the people not to kill them.	2/20/2022 8:46 AM
12041	I work in grocery retail, product isn't coming in on time or at all. Frustrating from a business perspective unable to support my community	2/20/2022 8:46 AM
12042	It's war against the gov, which should never be like this	2/20/2022 8:46 AM
12043	Being hopeful for the first time in 2 years	2/20/2022 8:46 AM
12044	First and foremost it brought me Hope and I didn't feel like I was alone in this insanity of the governments overreach.	2/20/2022 8:46 AM
12045	Not at all	2/20/2022 8:46 AM
12046	gave me hope	2/20/2022 8:46 AM
12047	It has inspired me but has not negative affected my life	2/20/2022 8:46 AM
12048	The trucking convoy has given me hope for the future and the drive to continue fighting for what I believe in . I have many reasons not to comply and that is my right. We, in Canada are learning a hard lesson to not take the government or authorities at their word ; especially if we are already aware of the track record.	2/20/2022 8:46 AM
12049	Just makes me feel encouraged and inspired by the fact that Canadians CAN come together around this issue and in a peaceful and big way. The division it is has created in society, and the polarization that the media and the government seem to continue to push, has made some relationships even worse than they were before	2/20/2022 8:46 AM
12050	None	2/20/2022 8:46 AM
12051	It hasn't!	2/20/2022 8:46 AM
12052	Brought happiness unity love peace hope	2/20/2022 8:46 AM
12053	Awareness	2/20/2022 8:45 AM
12054	Live time trucker, now a senior , very proud	2/20/2022 8:45 AM
12055	It has given people hope; that we are not powerless. It has shown me there is still good in the world.	2/20/2022 8:45 AM
12056	Gave hope for change and showed how many in our country feel the same way.	2/20/2022 8:45 AM
12057	I am supportive of the trucker convoy. They are standing up for our freedom. The convoy did not have any negative impact on my life .	2/20/2022 8:45 AM
12058	Watching the live feeds (instead of garbage MSM) has affected how we now view the government, the health care system, health in general, and we now have a lack of trust in all of those. The convoy has brought to light that it was never about health. That our Prime Minister	2/20/2022 8:45 AM

12060	Have me hope.	2/20/2022 8:44 AM

12062	Less food in the stores that I can eat with my allergies.	2/20/2022 8:44 AM
12063	Made me so proud to be Canadian again. Fighting for all our rights.	2/20/2022 8:44 AM
12064	I felt hope that so many Canadians wanted to voice. I feel disgust with Trudeau's choice to ignore Canadians in favor of his own agenda.	2/20/2022 8:44 AM
12065	They have not	2/20/2022 8:44 AM
12066	It hasn't.	2/20/2022 8:44 AM
12067	I am happy to support the trucking convoy as they stand for my grandkids freedom. It was peaceful and people kind. All their good was never reported on. Only the horn honking and the occasional quack was reported. So many lies in media. I went I watched in person, I didn't just watch media.	2/20/2022 8:44 AM
12068	Brought hope, healing	2/20/2022 8:43 AM
12069	None	2/20/2022 8:43 AM
12070	Woke me up!	2/20/2022 8:43 AM
12071	In a positive and liberating way	2/20/2022 8:43 AM

12073	See above	2/20/2022 8:43 AM
12074	It has affected it for the better they have gave me HOPE !! They have done some incredible work for this world I am so so proud of them!! The biggest enemy is our government!!!	2/20/2022 8:43 AM

12076	Bring me hope	2/20/2022 8:43 AM
12077	No democracy in Canada!	2/20/2022 8:43 AM
12078	The truckers showed that our government is the most irresponsible group of dictators, this country has ever had	2/20/2022 8:42 AM
12079	Inspired to stand up	2/20/2022 8:41 AM
12080	it has brought faith, hope and joy. Watching the truck and smiling happy people, made me realize what our world has become.	2/20/2022 8:41 AM
12081	It has given me a lot of hope that change may happen and it has pointed out the failings and wrong motivations of our government and our government system. Every persons vote should count and voting for PM and Premier should be separate from the vote for local representation. I pray safety for the convoy battling our tyrannical government and endurance to see this through pushing for change	2/20/2022 8:41 AM
12082	None	2/20/2022 8:41 AM

12089	Give me hope.	2/20/2022 8:40 AM
12090	Has inspired us to start addressing govt over reach Also to being addressing the globalist agenda	2/20/2022 8:40 AM
12091	Honk honk was praying they would be victorious	2/20/2022 8:40 AM
12092	Gave me hope	2/20/2022 8:40 AM
12093	It's given me hope of getting our beautiful country Canada strong and free back. What we have been living is cohesion and tyranny enforced by our government with their agenda. Not the agenda of what's good for the people	2/20/2022 8:40 AM
12094	Emotionally	2/20/2022 8:39 AM
12095	The convoy has given me hope, that one day life might be "normal" again.	2/20/2022 8:39 AM
12096	Gives us something to look forward to...hope. The convoy is doing more spiritually , mentally for the country. Also they have done more for the homeless , and other small businesses in Ottawa than our own government.	2/20/2022 8:39 AM
12097	Makes me glad to be Canadian again.	2/20/2022 8:39 AM
12098	given hope	2/20/2022 8:39 AM
12099	It gave me hope.....for the first time in 2 years, the people would be heard. But no! The government vilified it instead. So did the media. The reality is people are fed up with the government over reach. We are not toddlers that need our parents to tell us what to do.	2/20/2022 8:39 AM
12100	Made me proud	2/20/2022 8:39 AM
12101	Gave us hope that there is a significant population of Canada, both vaccinated/unvaccinated who recognize the ongoing corruption, abuse of power, and tyranny by the government.	2/20/2022 8:38 AM
12102	Its brought me joy to see im not the only person who feels thisbway	2/20/2022 8:38 AM
12103	Not directly but someone needed to take stand..	2/20/2022 8:38 AM
12104	it has not affected in a bad way at all The media is absolutely terrible I know people in the convoy and it is peaceful the media is not truthful. someone needs to stick up for Canadian rights Media has put the fear into people . I also have a very close friend in the hospital and she is very frustrated with the media not reporting number correct. These covid tests are a joke and a money grab	2/20/2022 8:38 AM
12105	Brought me hope	2/20/2022 8:38 AM
12106	It gave us hope and a sense of unity	2/20/2022 8:38 AM
12107	It has finally given me hope that Canadians are uniting in demanding an end to the authoritarian over reach by this dictator style government!!!! Happiest days in two years were being surrounded by happy freedom lovers in Ottawa!	2/20/2022 8:38 AM
12108	As for this.. buds.. we're Canada.. I thought this meant something else.. People protesting is not an emergency, its a Canadian right.. this emergency act that gives you an effective "Marshall law" is the scariest most uncanadian thing I've ever heard from my country.. natural disasters are an emergency and we don't react with this level of agency to aid any of that.. and the point of emergency response is to aid, not to attack a problem.. in any area of this planet left thats truly free, nonviolent and non-riot protests will always be allowed and supported by people who are just trying to protect their human rights and reflect the ideals of any populace whos majority calls for changes.. finally sit, realize Canada was wrong acouple times, let the Canadian people hold its government institutions accountable and start the changes before the people stop believing in canada like I have	2/20/2022 8:38 AM
12109	Has given me hope that they are fighting for our rights. Disgusted by the police and their actions.	2/20/2022 8:38 AM

12115	Embarrassing that our leader treats other citizens like this in front of all the world to see	2/20/2022 8:37 AM
12116	It has not affected my life.	2/20/2022 8:37 AM
12117	Positively!!! I have more hope now than I've had in years. God bless every single one of those people for instilling hope into the public again! Your supports are MANY!!!	2/20/2022 8:37 AM
12118	I am proud Canadians have stood up for our freedoms and our children's future. It makes me sad and worry about their well-being as they are being mistreated when they were only there to communicate and stand together in peace and love. It breaks my heart that the world is allowing such harsh treatment to our Canadians. I want to thank the trucking convoy for their bravery.	2/20/2022 8:36 AM
12119	I was glad they took a stand for what I believe no masks no vaccines no vaccine passports so we can travel	2/20/2022 8:36 AM
12120	having to bring my kids to the activities has been hard since the police have blocked all roads for access	2/20/2022 8:36 AM
12121	Makes me proud to see people a tally standing up for our rights.. seeing the government doesn't.	2/20/2022 8:36 AM
12122	Given me hope. Reminded me why I love this country. It was organized and peaceful. Which is inspiring. They started a movement that I will help continue locally No negative impacts.	2/20/2022 8:36 AM
12123	They give me hope that good, peace and freedom is still alive. That there are still good and logical people who only want the best for humanity	2/20/2022 8:36 AM
12124	Restored my faith that there is still good in this country, many people have not had a voice throughout the pandemic. It's sad that people were affected negatively by this but these are people who have been trying for two years to be heard. This was the only way to get the governments attention. Many have been harmed by the government's response to covid or the vaccines, they deserve to be heard and the government has a responsibility to come up with a solution that works for everyone. They have created a very divided society filled with hate.	2/20/2022 8:35 AM
12125	It gave me happiness	2/20/2022 8:35 AM
12126	Truckers gave me hope for a better future.	2/20/2022 8:35 AM
12127	It hasn't	2/20/2022 8:35 AM
12128	Has not	2/20/2022 8:35 AM
12129	Gave me hope. Showed me that I wasn't the only one who thought that the government has been overreaching and honestly at this point I dont even know if the Trudeau government has any morals or goals other than to dictate and squeeze out any money Canada has to offer.	2/20/2022 8:35 AM
12130	This has giving me hope.	2/20/2022 8:35 AM
12131	Police barricades impede my travels.	2/20/2022 8:34 AM
12132	Prices are going up and shortages	2/20/2022 8:34 AM
12133	Giving us hope again. Finally bringing Canadians together	2/20/2022 8:34 AM
12134	It gave me hope for a better future	2/20/2022 8:34 AM
12135	Giving me hope and freedom	2/20/2022 8:34 AM
12136	It has helped me find love in my country again. I am very grateful for the individuals fighting for our freedom	2/20/2022 8:33 AM
12137	Finally feel that there may be some hope of bringing light to corruption in world government	2/20/2022 8:33 AM

Canadians vote on Canadian Mandate - February 2022

12138	It has given me hope that the government will stand up and do what is right for the people. Treat all as equals and open our economy.	2/20/2022 8:33 AM
12139	Gave me so much hope!	2/20/2022 8:33 AM
12140	They doing the right thing, we want our freedom bank	2/20/2022 8:33 AM
12141	I am total in favour with what they are doing. We should make our own decision on what goes in our bodies not the government	2/20/2022 8:33 AM
12142	It has given me hope and strength to stand up for freedom. I felt like I was alone in my beliefs but this protest showed me there are so many people out there who also see the extreme government overreach and tyranny!	2/20/2022 8:32 AM
12143	Gave hope that our life can be made more free to make my own decisions	2/20/2022 8:32 AM
12144	Gave me hope	2/20/2022 8:32 AM
12145	Prices went up	2/20/2022 8:32 AM
12146	Gives me hope	2/20/2022 8:32 AM
12147	The convoy gave me hope and made me cry happy tears for the first time in 2 years. These amazing people peacefully protested and cleaned Ottawa streets and helped businesses with sales and cleaning their washrooms. They truly made me feel like Canadians are loving and stand as one	2/20/2022 8:32 AM
12148	It's hasn't ... they have given me hope!!! And united Canadians in doing what is RIGHT!	2/20/2022 8:32 AM
12149	Being witness to the convoy revealed even more the true colors of the mainstream media and govt	2/20/2022 8:32 AM
12150	Extremely negatively. If the convoy had gone to Ottawa for a weekend...fine and dandy. But now...credibility is shot to hell. Whatever those "organizers" are thinking is beyond stupid and borders on psychotic. They deserve to be in prison and perhaps Formed.	2/20/2022 8:32 AM
12151	The trucking convoy is a beacon of hope and a movement that must continue to grow. People are opening their eyes to the bigger agenda at play and it's time to put a stop to it!	2/20/2022 8:32 AM
12152	Support system.	2/20/2022 8:32 AM
12153	Brought a breath of hope into a bleak situation.	2/20/2022 8:32 AM
12154	It hasn't	2/20/2022 8:31 AM
12155	More aware of how many Canadians are actually against the mandates.	2/20/2022 8:31 AM
12156	I'm realizing many folks in Canada agree with me on this. They are peacefully opposing the mandates. What does our pm do?shuts down everyone...one one consideration for the citizens of Canada	2/20/2022 8:31 AM
12157	It boosted my moraul.	2/20/2022 8:31 AM
12158	The truckers are the true heros, strong and fighting for the freedom a lot of people still don't think they are losing	2/20/2022 8:31 AM
12159	It make me feel proud and happy being in Canada in this moment of my life!	2/20/2022 8:31 AM
12160	It's lifted my spirits	2/20/2022 8:31 AM
12161	Not directly but some one needed to make a stand even though it went to far it's time for this to be over and deal with the people that does get sick. Like the flu on back in our history	2/20/2022 8:31 AM
12162	the anger is hard to watch	2/20/2022 8:30 AM
12163	Re-ignited hope for a better future. Displayed more love and unity and joy than I have ever seen in church!	2/20/2022 8:30 AM
12164	I support the truckers 100%! Convoy hasn't affected my life but I sure hope something helps!	2/20/2022 8:30 AM
12165	They brought us back unity	2/20/2022 8:30 AM
12166	Not at all	2/20/2022 8:30 AM

Canadians vote on Canadian Mandate - February 2022

12167	not at all	2/20/2022 8:30 AM
12168	We were not personally affected. Just sad for Canada	2/20/2022 8:29 AM
12169	Brings positivity, unity and love to my life in seeing beautiful people standing up against tyranny and fighting for Canadian freedoms.	2/20/2022 8:29 AM
12170	It has made me aware that I am not alone, and that there are others strong enough to stand up for our freedoms.	2/20/2022 8:29 AM
12171	It hasn't.	2/20/2022 8:29 AM
12172	Revived my pride in our country & fellow Canadians!! Their peaceful voices carried across the globe standing for all our rights & freedoms today & for our children's future!!	2/20/2022 8:29 AM
12173	Hope	2/20/2022 8:28 AM
12174	We needed to show a solidarity and stand up to Trudeau for trying to make Canada a dictatorship. The convoy's across Canada showed we have had enough of Trudeau and his ways. However, it should have ended when the provinces started to relax all the mandates.	2/20/2022 8:28 AM
12175	It depresses me, they undervalue every one's sacrifice and are selfish, they place themselves first.	2/20/2022 8:28 AM
12176	Great entertainment. Finally, a voice to push back and fight to regain our lost freedoms.	2/20/2022 8:28 AM
12177	It hasn't so far but I back them 100% for starting this; would I even be filling this survey out if it didn't start with them? I think not. I didn't happen with all the anti vaxer's before to stop mandates.	2/20/2022 8:27 AM
12178	It has brought hope to end the mandates and bring Canada back to unity and normalcy	2/20/2022 8:27 AM
12179	Positively.	2/20/2022 8:27 AM
12180	Saddened by the thought that so many are convinced breaking laws will help create better ones	2/20/2022 8:27 AM
12181	It has kindled hope and patriotism, and created a spirit of unity. It has connected us with so many others who thought the same way, but didn't know who to speak to about it.	2/20/2022 8:27 AM
12182	It's made me feel proud to be a Canadian and to realize I am not alone. It's made me feel so much love for my fellow Canadians that are standing up for freedom.	2/20/2022 8:27 AM
12183	Frustrating to see people mad that democracy 'isn't being followed' while they try to force their rhetoric on everyone else.	2/20/2022 8:27 AM
12184	I am ashamed to be in any way associated with people who so profoundly misunderstand oppression, our democratic system, who have allowed themselves to be led by known separatists and white supremacists, who put an elder in line to be trampled by police and filmed her instead of getting her to safety, who would not break the line to allow a diabetic to get treatment, who defecate in public, who desecrate the tomb of the unknown soldier and vandalize Terry Fox statues, who don't immediately denounce the presence of Nazi symbols, and who are funded by foreign interests to undermine our democracy in an attempted coup. I worry for the safety of my friends in Ottawa, and for my family when I feel compelled to speak out against the terrorism.	2/20/2022 8:27 AM
12185	I have watched proud brave Canadians stand for us and the brutally displayed by Trudeau has impacted me emotionally.	2/20/2022 8:27 AM
12186	Not directly but has seem to create awareness about the totalitarian government that seems to be running this country. So is a good thing !	2/20/2022 8:27 AM
12187	No effect	2/20/2022 8:26 AM
12188	It made me realize that the Liberal Government is far worse than I had thought.	2/20/2022 8:26 AM
12189	It has not. It is just sad to learn what our country has become in the eyes of other countries. I have lived and worked in the US, the UK and Central America - Canada reputation is tarnished bc of Trudeau. People admire the convoy.	2/20/2022 8:26 AM
12190	It has brought hope that we can unite more people to fight the evil that has infiltrated our govt.	2/20/2022 8:26 AM

12210	it has given me hope and opened my eyes to knowing there are actually people,,,real Canadians, out there who see what that lunatic Trudeau and his puppets are up to	2/20/2022 8:22 AM
12211	I'm glued to Facebook Again I see both sides. I think they have valid concerns and stance. I think it's gone on too long but if the PM would have negotiated 3 weeks ago it'd probably be long over with.	2/20/2022 8:22 AM
12212	Not at all, other than happiness.	2/20/2022 8:22 AM

12216	The truckers convoy gave me hope in the good of humanity and in the realization that millions around the world know what is going on and are against all mandates. The world is awake to the true agenda and are uniting.	2/20/2022 8:22 AM
12217	Yes-attack on Canada's way of life. Use of Canada's flag as a symbol of bullets rather than freedom.	2/20/2022 8:21 AM

12221	It is literally inconsequential, meaningless to me. Then again, I don't live in Ottawa. If I did, I'd probably be pretty upset. They need to grow up.	2/20/2022 8:20 AM
12222	Not at all	2/20/2022 8:20 AM
12223	Gave me hope for government over reach to come to an end	2/20/2022 8:20 AM
12224	Stressed me out to watch how CTV and Global news has lied about what's really going on, has me worried that turdeau is going to take away any decisions that Ford has made to drop mandates.	2/20/2022 8:20 AM
12225	It has given me hope that there are still people out there that aren't going to roll over and pushed around and dictated to how to live there life and mandates to terminate there jobs if they don't comply. Blackmailing but our government, peer pressure and threats from our government is making things worse and need to change. I'm proud of the truckers, farmers and millions of other people that support this that said enough is enough and aren't going to stand for this bullying and shunning of people with perfectly good immune systems. This should have never been mandatory and this qr passport should have never been introduced it's dangerous and segregates and punishes the people that are uncomfortable with the risks of taking this non effective jab that never ends. Getting the shot should be voluntary like the flu shot is every year. This is no different then the flu. The majority of the working class are sick of being told what to do and threatened by a bunch of greedy corrupt dictator politicians and all the compromised news spreading false information and lies, Trudeau needs to be accountable for all the crimes he has committed. I stand by the truckers for sale of our kids future, to uphold the constitutional rights and our charter of rights to not be tampered or altered, and to end this political corruption making politicians accountable for there actions for crimes against humanity.	2/20/2022 8:19 AM

12237	I think it's been a ray of sunshine seeing people finally stand up for our freedoms	2/20/2022 8:18 AM
12238	Opened my eyes to the lies on main stream media and what is actually going on on Canada , the truth is beginning to surface	2/20/2022 8:18 AM

12249	Opened our eyes as to the lying going on in our media and government lots of credit should be going to the truckers and farmers standing up for our rights and givinguptheir time for us.	2/20/2022 8:17 AM
12250	Emotionally - sad, angry, worried about where the country is headed	2/20/2022 8:16 AM
12251	Normally a very easy going person, the convoy has made me excessively angry at the rude, intolerant, bullying tactics of the protesters and exceedingly angry at them being there and not caring at all about impact on residents. I am shocked that anyone would follow the convoy leaders who don't seem to know much and don't seem to really know what they are protesting about. I am disappointed that this was allowed to continue and very disappointed that there are so many people that are willing to act stupidly for 3 weeks to protest their perceived lack of freedom that has allowed them to act stupidly for 3 weeks.	2/20/2022 8:16 AM
12252	T	2/20/2022 8:16 AM

12262	Opened my eyes to take back my life and Freedom to say how I feel. That no More Government control.	2/20/2022 8:15 AM
12263	Brought people together, peaceful protest to voice your concerns	2/20/2022 8:15 AM
12264	It didn't affect me in any way. It gave me a bit of joy to see that the convoys we're fighting for what a lot of people including myself have been wanting for a long time Freedom of choice, inclusion and unity.	2/20/2022 8:15 AM
12265	Has shown me how full of shit the media is and how stupid people are for believing everything they claim	2/20/2022 8:15 AM
12266	Shown me that Canada is still a place full of good people who are willing to sacrifice for the greater good.	2/20/2022 8:15 AM
12267	It has been very sad and depressing to see so many people manipulated by far right populism and very sad to see tokenism and children used as human shields. I thought we were better than this.	2/20/2022 8:15 AM
12268	It has not affected my life, it was a peaceful protest. However, Justin Trudeau calling in an emergency act when in fact there was no emergency is quite appalling. He has been the worst PM Canada has ever had. I believe the Dominion voting machine were rigged. There were 50% less polling stations affecting peoples votes. the mail in ballots were horrendous. Many did not receive their ballots and many went missing when mailed. He has a vested interest in the trial gene therapy drugs through the Trudeau Foundation as well as accepting millions in foreign donation. He is part of the World Economic Forum, has close relations with George Soros, Klaus Schwab and has no regard for Canadians. His only interest is himself. He continually tells lies, pays the media to spread misinformation, cheats and steals from Canadians.	2/20/2022 8:15 AM

12271	Gave hope that things might change and rid the government of corruption	2/20/2022 8:14 AM
12272	As a Canadian, the so-called Freedom Convoy has embarrassed me. I feel so sorry for the citizens of Ottawa that they have had to put up with this nonsense. I am glad the Prime Minister has designated funds to help pay for the excessive law enforcement expenses - it shouldn't all be on the citizens and businesses in Ottawa. But mostly, I am just so embarrassed that a group of people, mostly white and mostly middle class, who have so much privilege, are so misinformed as to think they are being oppressed. It makes me feel the education system has failed. It saddens me that there is such a small but loud group of anarchists that feel completely justified using intimidation and the threat of violence to try and get their way by calling for the over throw of a very legitimate and democratically elected government. To be clear, I did not vote for a Liberal candidate last election - this isn't about a party - this is about democracy. Those associated with the so-called Freedom Convoy have made me want to become more politically active in order to ensure the likes of them do NOT prevail.	2/20/2022 8:14 AM
12273	Not at all. I still have food and coffee and have access to what I need. Good for them for standing up for what they believe in.	2/20/2022 8:14 AM
12274	It hasn't	2/20/2022 8:13 AM
12275	It has given me hope!	2/20/2022 8:13 AM
12276	It's given me the the courage to fight for the Canada I became a citizen of 14 yrs ago. The Canada that is STRONG and FREE! Not a communist country! None of us want this we all just want our lives back. I'm not vaccinated by choice a choice I have abs can make about my own body. If women have the choice too abort their babies I should have the right to what I don't want in my body too. I want to go out for dinner I want to go to the movies with my kids.	2/20/2022 8:13 AM
12277	Brought hope	2/20/2022 8:13 AM

12281	Only pride	2/20/2022 8:12 AM
12282	It has given me hope and chance of getting some freedom back. No idea how we got to where we are!! They are brave men and women and have the support of so many!!! The government is dealing with the freedom trucker protest completely wrong!!! It's embarrassing what they are doing. The entire world is watching us, and not for a good reason!!! Hard to be proud to be Canadian!!	2/20/2022 8:12 AM

12286	I lost my job	2/20/2022 8:11 AM
12287	It has totally open my eyes to the fact that the Prime Minister of Canada is not the leader for Canada. He has divided this country and is turning it into a dictatorship. I am now afraid for the future of Canada. We are no longer a free county and are headed down a very dark road.	2/20/2022 8:11 AM
12288	Given us hope for a brighter future	2/20/2022 8:11 AM
12289	Positively	2/20/2022 8:11 AM

12291	Gives me little hope that things will change	2/20/2022 8:11 AM
12292	It's given me a sense of pride, unity and love for those who are like minded. A glimmer of hope and a voice that represents everyone who wants these useless mandates and vaccinations to end immediately. They don't work and it's very discriminatory!	2/20/2022 8:11 AM

12303	I support the truckers and I hope they all strike. If we have to go a few weeks with less it might not be the end of the world, look at what we've had to put up with already these last years. Short term sacrifice for freedom.	2/20/2022 8:10 AM
12304	It gave our family some kind of hope that love would prevail but the governments violent emergencies act took take of that.	2/20/2022 8:10 AM

12341	It's given me and my family a glimmer of hope. It's shown me that there are good people out there that are fighting for freedom, for this country and her democracy. It's also shown me the truth and what is really going on. The media and the government are full of lies. I've never seen it more clearly than ever. I've seen many of my friends report what's really going on in Ottawa and the main stream media distorts the truth so badly.	2/20/2022 8:05 AM

12371	Hope	2/20/2022 8:01 AM
12372	It hasn't affected my life. However it has helped me understand that we are not alone. So many Canadians are scared to speak up as they will be judged and discriminated against.	2/20/2022 8:01 AM
12373	Given a sense of hope and a glimmer of "we might be finally done with the dictatorship "	2/20/2022 8:01 AM

12383	Mildly	2/20/2022 7:58 AM
12384	It's made me a proud Cdn. Has Demonstrated how one-sided main stream media is reporting has been atrocious. Also demonstrates that the Liberal party is working in a communist dictatorship fashion not conducive to Canada or Canadians	2/20/2022 7:58 AM

Canadians vote on Canadian Mandate - February 2022

12389	The truckers have given us hope in humanity. As the truckers have stated from the beginning, the Canadian government needs to end all mandates immediately.	2/20/2022 7:57 AM
12390	Gave me hope!	2/20/2022 7:57 AM
12391	It did not	2/20/2022 7:57 AM
12392	Brought hope to a dismal world, shown the supportive and inclusive Canadian ethic I used to know but has been suppressed and shunned the past 2 years. It's been wonderful to see, I'm glad I could participate in my limited capacity, and it's woken up so many people that have been asleep to the government's totalitarian actions. I think all this would have happened anyways, but the convoy was a catalyst that accelerated the inevitable societal reaction.	2/20/2022 7:57 AM
12393	Given me hope that others feel as I do, that the mandates have gone too far, for too long, rarely making sense.	2/20/2022 7:57 AM
12394	Made me afraid of someone flying the Canadian flag... Made me fear pick up trucks and white people even more. Made me realize that our education system is inadequate in the face of hatred and the internet.	2/20/2022 7:57 AM
12395	They have given me hope and a sense of pride in our country that I had lost	2/20/2022 7:56 AM
12396	It has made me feel happy to see that these people actually care about Canada and our rights and freedom, for themselves and for others.	2/20/2022 7:56 AM

12400	Joy! HOPE!! It has breathed life into my soul!! My heart has swelled at this country uniting!! I have cried joyfully at so many home videos of the convoy!! This Proud Canadian has never been more PROUD!!♥ ♥!! I am so GRATEFUL for this CONVOY!!	2/20/2022 7:56 AM
12401	It has shown me how bad and useless this govt really is	2/20/2022 7:56 AM
12402	It has made supplies scarce and expensive. The convoy was more of a hindrance than accomplishing any.	2/20/2022 7:56 AM
12403	I love that someone is standing up for all of us, we are small and can't do much but the truckers are huge and hopefully can make a change back to normalcy. I totally support them and have been in a smaller convoy for my town of tillsonburg. God please keep us free by way of all my trucker friends!!!!	2/20/2022 7:55 AM
12404	Hope had been restored!	2/20/2022 7:54 AM
12405	It has put pure joy in my heart. It has given me hope that this will all end soon.	2/20/2022 7:54 AM
12406	Hope	2/20/2022 7:54 AM
12407	It has given me hope again	2/20/2022 7:54 AM
12408	Positively	2/20/2022 7:54 AM
12409	Gave me hope.	2/20/2022 7:54 AM
12410	It has given me hope for others and shown me that there is a path forward through peaceful resistance.	2/20/2022 7:54 AM
12411	Hope!!!	2/20/2022 7:53 AM
12412	Given hope for freedom	2/20/2022 7:53 AM
12413	It hasn't	2/20/2022 7:53 AM
12414	Given me hope and gratitude and unity.	2/20/2022 7:53 AM
12415	It is embarrassing for canada	2/20/2022 7:53 AM
12416	It was a positive outlook and gained hope that there is freedom like it should be, and it's boosted me to kill people with kindness and that each day is a new day as they keep holding the line and our rights and freedoms are worth it	2/20/2022 7:53 AM

12422	Giving me hope!	2/20/2022 7:52 AM
12423	They have given me hope and confidence that people will stand up for what is right despite the propaganda, and not accept prejudice as a social standard.	2/20/2022 7:52 AM
12424	Standing up for our freedom	2/20/2022 7:51 AM
12425	It has finally brought some love and unity to the people of Canada. Something that this liberal government is doing quite the opposite of. This convoy has also opened people's eyes to the corruption and hypocrisy of this liberal government.	2/20/2022 7:51 AM
12426	It didn't effect my life	2/20/2022 7:51 AM

12431	They are giving me hope	2/20/2022 7:50 AM
12432	It has given me immeasurable hope that we may be able to change this before we create a permanent two tiered society filled with hate and dehumanizing, that's ultimately doomed to fail. It has filled my heart to watch live streams of Canadians coming together from all walks of life, sparking a global movement. The supply chains have been affected this whole pandemic. I empathize with the residents of Ottawa that are having trouble getting to work, getting groceries, church etc- but guess what? Its been 3 weeks for them- that's the norm for unvaccinated at the moment and everyone thinks that's okay for it to become our NORMAL forever?	2/20/2022 7:50 AM
12433	It gave us hope that there were still good people in the world who believe in the rights and freedoms of the charter	2/20/2022 7:50 AM

12436	It's brought hope.	2/20/2022 7:50 AM
12437	The convoy has compromised the safety of my family	2/20/2022 7:50 AM
12438	They give me hope	2/20/2022 7:50 AM
12439	It has brought unity to the east and west. It has restored my faith in humanity	2/20/2022 7:50 AM
12440	0	2/20/2022 7:49 AM
12441	It has given some kind of hope back to me	2/20/2022 7:49 AM
12442	It's a fucking nightmare. I consider the convoyists to be domestic terrorists because they are terrorizing Ottawa. Mostly it has left me sad and angry that a significant proportion of the population are so selfish that they can't be slightly inconvenienced so that vulnerable people can not be faced with illness and death. It's disgusting.	2/20/2022 7:49 AM
12443	Mandates lifted in Sask.	2/20/2022 7:48 AM
12444	As a resident of Ottawa, the trucking convoy has seriously impeded my life. The smell of diesel permeating the streets and the blaring of horns has been extremely stressful. As a self -	2/20/2022 7:47 AM

12457	It didn't affect it	2/20/2022 7:46 AM
12458	Gave me hope again	2/20/2022 7:46 AM
12459	This has brought about questions of how the government of Canada can rule of lives. By this, I see & hear that personal banking can be contolled by the government. Trust issues, definitely no trust in the Government of Canada. I hope each trucker will be safe & I pray for each family's emotional strength.	2/20/2022 7:46 AM
12460	It hasn't, it's nice to see others taking a stand and encouraging others to as well as there seems to be no end in site	2/20/2022 7:46 AM

12473	It's made me realize how insecure our constitutional rights are.	2/20/2022 7:43 AM
12474	Caused us to wake up and realize that all the talk about the Great Reset is real and that Justin Trudeau is part of those initiating same.	2/20/2022 7:43 AM
12475	It has given us hope! It has made us pround to be Canadian again.	2/20/2022 7:43 AM

12477	Looking forward to a normal life again	2/20/2022 7:43 AM
12478	It hasn't affected me nor my children, it's given me hope. The most hope and happiness I felt in a long time. Thank u truckers	2/20/2022 7:43 AM
12479	I am happy and proud of our Truckers for standing up and requesting our FREEDOM be returned to live our lives with Peace and Love for each other and ALL Citizens of this Earth!	2/20/2022 7:43 AM
12480	i didn't support it at first , now i am behind them . for standing up for our rights . government has censored media out lets . hold the line .	2/20/2022 7:42 AM
12481	Given hope that somebody is willingly. To stand up against Trudeau	2/20/2022 7:42 AM
12482	I believe it has encouraged me to believe there is still lots of good in Canada	2/20/2022 7:42 AM
12483	Given hope	2/20/2022 7:42 AM
12484	It gives me hope	2/20/2022 7:41 AM
12485	Inspired me. Canadians can come together peacefully for a cause they believe in.	2/20/2022 7:41 AM
12486	It makes me wonder about how selfish they are	2/20/2022 7:41 AM
12487	I had given me hope that we could get our lives back, until I saw the gestapo come in and start beating innocent people. People who were standing there unarmed singing O'Canada, holding hands, praying. Horses ramming through crowds running over old women with a walker. What kind of disgusting country has this become! All they want is there Freedom to live their own life in peace. This country is broken and it's all because of these draconian mandates and a power hungry leader. I fear we are headed to a civil revolt if he does not step down.	2/20/2022 7:41 AM
12488	It has motivated me to learn and research what really is going on. It has brought hope and happiness back to our lives.	2/20/2022 7:41 AM
12489	good	2/20/2022 7:41 AM
12490	n/a	2/20/2022 7:40 AM
12491	Zero	2/20/2022 7:40 AM
12492	It has brought hope that the through a national movement we would win back and restore our freedoms.	2/20/2022 7:40 AM
12493	It has gave me hope that people will stand and fight in this country	2/20/2022 7:40 AM
12494	Same. Have backed all freedom protests.	2/20/2022 7:39 AM
12495	It has given me a lot of hope for a free Canada. There is a lot going on behind the scenes in Cdn politics - the great reset . The truckers are helping that not to happen and helping us not to be controlled like sheep by our government. The vaccine is not protecting people from covid and i don't agree with having vaccine passports and people losing their jobs because they didn't get vaccinated. It reminds me of nazi Germany. I believe the convoy is helping in this too. They are helping to free Canada from tyranny	2/20/2022 7:39 AM
12496	It has given me hope. Finally. It's the first time I've had that feeling in over two years. I forgot what hope felt like.	2/20/2022 7:39 AM
12497	Hopefulness	2/20/2022 7:39 AM
12498	In the beginning I cried tears of joy that final Canadians were standing up to this tyrant government. It gave me hope that there would be long lasting change. My hope has dwindled with the response of our government and law enforcement. Although I am not surprised at the response. Unfortunately, at this moment I feel Canada is dead as the country we once knew and loved. This is a very sad time in history. Not only for Canadians, but the world.	2/20/2022 7:39 AM
12499	Hasn't	2/20/2022 7:39 AM
12500	I had honestly started to give up on Canada as a free nation and the trucker convoy had given us hope for the first time in a long time. I finally didn't feel alone in wanting these mandates to end. The trucker convoy gave ordinary citizens a voice.	2/20/2022 7:39 AM

12503	Gave me hope that not everyone accepts everything our prime minister and his ministers decree without thought	2/20/2022 7:38 AM
12504	Gives me hope that Canadians are fighting for their God given rights despite trudeaus dictatorship.	2/20/2022 7:38 AM
12505	Made me aware of how quickly a democratic government can turn to tyranny. Our protected freedoms are under attack by the Trudeau government.	2/20/2022 7:38 AM
12506	Sparked hope	2/20/2022 7:38 AM
12507	It's like I could breathe again. The truckers Convoy gave me a little hope that, together we can make things go back to normal. It was amazing. Thank you truckers.	2/20/2022 7:38 AM
12508	They gave me hope that my life can get back to some normalcy	2/20/2022 7:38 AM
12509	The unlawful occupation of our nation's capital and attempted overthrow of our democratically elected government has made me sad and angry. It has also opened my eyes to the dangerous elements present in our society which we must fight against.	2/20/2022 7:38 AM
12510	The truckers have given us hope for freedom again. I am so proud of everyone who is standing up for our country and our people!	2/20/2022 7:38 AM
12511	Helped me to believe we can have a voice against government policy to protect our personal choices.	2/20/2022 7:38 AM
12512	It hasn't.	2/20/2022 7:37 AM
12513	I support the trucker's, we need them to transport day to day living needs and supplies for companies to stay open and operate. Without our truckers our world would be lost!!	2/20/2022 7:37 AM
12514	Brought hope and joy that Canadians have stood up for our rights.	2/20/2022 7:37 AM
12515	It gives me hope that there are so many like minded Canadians out there. I am not alone.	2/20/2022 7:36 AM
12516	Has given me hope for a better future	2/20/2022 7:36 AM
12517	Finally someone is speaking up. Gives hope.	2/20/2022 7:36 AM
12518	It has been positive in waking up Canadians who are usually complacent and apathetic	2/20/2022 7:36 AM
12519	Given us hope.	2/20/2022 7:35 AM
12520	En amenant l'espoir et en rassemblant tous les canadiens, vaccinés et non vaccinés. Pour la liberté d'être.	2/20/2022 7:35 AM
12521	Given me hope	2/20/2022 7:35 AM
12522	Showed me Trudeau true colors, makes me feel like he is dividing us. Media is trying to cause fear by twisting the truth	2/20/2022 7:35 AM
12523	Seeing the convoy happening gave me hope and proved that not everyone is content going along with what I believe to be a destructive and dangerous response to covid 19	2/20/2022 7:35 AM
12524	It has been frustrating and unsettling to see the libertarians, anarchists and fringe elements displaying signs and flags of such hate and extremism during the demonstrations/occupations/insurrection. It has made me embarrassed to be Canadian.	2/20/2022 7:35 AM
12525	It hasn't. I think it's amazing.	2/20/2022 7:35 AM
12526	Given me some hope that there are still Canadians who believe in what Canada used to be before the current government decided to run roughshod over the Charter of Rights and democratic principles of government.	2/20/2022 7:35 AM
12527	It finally gave me hope that Canada can be Canada again! It gave me hope that people will see the truth of how tyrannical and evil Trudeau is	2/20/2022 7:35 AM
12528	These brave men and women have finally given Canadian's some hope. They have shown all of us that there is peace and unity in this world whereas the past 2 years have just divided this	2/20/2022 7:35 AM

country and the world with hate and fear. It has created so much mental health for people being cooped up in their homes and being watched constantly by the "authorities". These people who have come to Ottawa from all over IN PEACE have put smiles and laughter back on the faces of many, many Canadians. There is unity around the world with support for FREEDOM! I love what they are trying to do by STANDING THE LINE. I have cried more in the last 2 years than I can say. I am absolutely horrified by what is happening in Ottawa and I am absolutely disgusted by all of the police and their behaviors, injuring innocent people with horses and brutality. Unprecedented and horrible. I stand behind these men and women who are fighting for our FREEDOM. Had Justin Trudeau been respectful and addressed them in the beginning, things would be different than they are today. He is a despicable person who is just using his "Power". Trudeau has made Canada a very scary place to live.

12536	Proud of them! Keeping our true north strong and free.	2/20/2022 7:34 AM
12537	Has given me hope in the people but vast despair in my government	2/20/2022 7:33 AM
12538	Not too much. It has given me hope that some of these mandates may start to be dropped, particularly I was happy to see the ending of PCR testing for travel from US and dropping of children not allowed to go to school for two weeks. Testing needs to be dropped entirely though.	2/20/2022 7:33 AM
12539	It hasn't	2/20/2022 7:33 AM
12540	Hope	2/20/2022 7:33 AM

12546	HOPE FOR FREEDOM 2022	2/20/2022 7:32 AM
12547	I am so proud of them and their courage. They have been a beacon of light. I will continue to be by their side.	2/20/2022 7:31 AM
12548	The convoy has been a beacon of hope , knowing that millions of Canadians are sick of the fear mongering and are fed up with it too makes me feel like some sensibility will return	2/20/2022 7:31 AM
12549	It hasn't. Even if it had; they're fighting for what's right.	2/20/2022 7:31 AM
12550	j'ai mis beaucoup d'espoir dans l'intervention du convoi parce qu'ils ont fait pression pour que toutes les mesures sanitaires cessent, ce que je souhaite de tout coeur moi-même.	2/20/2022 7:31 AM
12551	It has given me hope and joy. My heart explodes with happiness to see our fellow citizens coming together. I see the entire world banding together. I see peace on earth. I see the true colours of the government and all systems collapsing. I am so thankful the truckers started this peaceful movement. They are heros and I stand for everything they represent. The truckers are the only reason our provincial government has begun lifting mandates and stopped threatening us. God bless them and keep them safe.	2/20/2022 7:31 AM
12552	Blessed me for they are fighting for liberty	2/20/2022 7:31 AM

12557	Give me hope	2/20/2022 7:30 AM

12572	It hasn't and I support them fully	2/20/2022 7:27 AM
12573	They didnt so much effect my life but i feel like they brought awareness to the problem of the government rules and we want equal rights and change. When black people were tired of sitting at the back of the bus and wanted equal rights and change it took a small group to stand up for their equal rights.	2/20/2022 7:27 AM
12574	So proud of those Canadians standing up for us. Makes me sick to see how Trudeau has dealt with them he is an imbarasment to this country.	2/20/2022 7:26 AM

12578	Positive. Finally Canadians have stood up for their freedoms and rights	2/20/2022 7:25 AM
12579	Glimmer of hope. I wish I was there. They are the reason mandates are lifting, they WILL effect me positively when the law stops being used illegally. This question is also set up strategically..... I don't even trust you reading this.	2/20/2022 7:25 AM
12580	It has given me and my son hope! Shown us that we are not alone. That we may be able to see our family again.	2/20/2022 7:25 AM

12585	It has caused me a lot of mental distress and worry,	2/20/2022 7:24 AM
12586	It brought some hope and then the government reaction has been very disheartening	2/20/2022 7:24 AM
12587	Provided inspiration	2/20/2022 7:23 AM
12588	Saddened by the outcome in Canada. Happy that the whole world could witness the fall of our once beautiful country	2/20/2022 7:23 AM

12591	It has restored my hope that change can really happening. The the constitution still has validity	2/20/2022 7:22 AM
12592	It's made me very aware of how terribly biased our news reports have been. Our government is failing, crumbling. The convoy has given encouragement to those struggling under the weight of the restrictions and mandates.	2/20/2022 7:22 AM
12593	It gave me hope that maybe we the people do have the power to make change. I do not believe that previous to the truckers government were acting for our best interest. Instead they favoured the pandemic above all else - ignoring the fact that the fallout from their mandates and lockdowns was way worse than any virus.	2/20/2022 7:22 AM
12594	It's given me hope for my freedom!	2/20/2022 7:22 AM

12598	It has brought us hope, it was great to see the country come together. It was a typical Canadian street party for the last 3 weekends.	2/20/2022 7:21 AM
12599	Gave me hope. The peace love and joy i felt at the PEACEFUL PROTEST especially in Ottawa being with REAL HEROES who truly care for this country unlike TRUDOLF. The BRAVE HEART TRUCKERS BRING OUT THE TRUE CANADIAN SPIRIT THEY DEFEND OUR RIGHTS AND OUR FREEDOMS UNLIKE most of the people at the NAZI's in the Parliament	2/20/2022 7:21 AM
12600	Brought hope	2/20/2022 7:20 AM
12601	Give me hope!!!	2/20/2022 7:20 AM
12602	HOPE	2/20/2022 7:20 AM
12603	Given me hope again that our country will not fall into tyranny	2/20/2022 7:20 AM
12604	I support dropping the mandates. Canadians needed to be heard and the convoy was what brought Canadians together. It provided hope and exposed how shaky our leader is . Simply debating and voting does not work in a corrupt system	2/20/2022 7:20 AM
12605	Pride that some people do still care and want what is right.	2/20/2022 7:20 AM
12606	Did not	2/20/2022 7:19 AM

12618	Not by much. Very disappointed by the Prime Ministers loose accusations. It seems that if you disagree with him you are automatically racist, white-supremycist, misogynist, homophobic, and you have bad manners to booth. The truckers are not all angels, but they are just as good, if not better than the rest of us.	2/20/2022 7:17 AM

12663	Hope	2/20/2022 7:06 AM
12664	The trucker convoy has given a glimpse of hope. It's been 2 years with covid, there is nothing in the vaccine that's says covid. People are still sick with covid shots or not. Yes covid is very serious but people do not gave any immunity wearing masks and sanitizing. We cant fight a disease when our immunity is taxed. Measles vaccine chicken pox at least has a live vaccine so your body knows what it's fighting. Not being around anyone not seeing anyone's face it's all has to quit . We have to get back to our normal lives without fear. I also have driven truck across the border few years ago. That was our livelihood. The restrictions and nandates have to stop	2/20/2022 7:05 AM
12665	It has woken me up to what's really going on in are government... how little respect the Justin Trudeau has for the working class of Canadians and there views ... What's going on in Ottawa and in the House of Commons is a disgrace and could have been all avoided buy Justin Trudeau listening either by zoom or meeting with the truckers	2/20/2022 7:05 AM
12666	Seeing the convoy standing up, with a louder voice than any of us have had in the past 2 yrs. I'm feel proud to have the truckers and all of the supporting protesters standing our grounds. We need to have our freedom of choice.	2/20/2022 7:05 AM
12667	Has shown good people still exist.	2/20/2022 7:04 AM
12668	Supply chain has been broken. Can't order essential products and medical supplies we need	2/20/2022 7:04 AM
12669	Gave me hope for a normal life again	2/20/2022 7:04 AM
12670	Gave me hope	2/20/2022 7:04 AM
12671	So thankful for these brave people who have decided to take a stand. Although I have repeatedly called and emailed my premier one voice alone doesn't do much.	2/20/2022 7:04 AM
12672	Given me hope	2/20/2022 7:03 AM
12673	I am so proud that they are standing up for our rights! It's nice to see people together hugging	2/20/2022 7:03 AM

and enjoying each other's company without fear. It is time to move on.

12674	The trucker convoy has given me a little glimmer of hope. It's made me feel like I'm not alone in this world and made me feel like I belong in Canada again.	2/20/2022 7:01 AM
12675	I appreciate that dome one will try to do something about it.	2/20/2022 6:59 AM
12676	It has given us all hope that these mandates will stop and we can have life go back to how it once was. We thank the truckers from the bottom of our hearts for fighting for our freedom. My husband and I were forced to be vaccinated or we would lose our job and our children are so afraid that our government will force them to be vaccinated to go to school. The government has already stripped them of a social life. School will be next if the truckers don't stop fighting!!! Way to go truckers for standing your ground. You are all honourable people that have given many hope ♥	2/20/2022 6:58 AM
12677	Very encouraging	2/20/2022 6:58 AM
12678	It hasn't disappointed that more truckers didn't show up	2/20/2022 6:58 AM
12679	It has brought me encouragement there are others who think/feel as i do	2/20/2022 6:58 AM
12680	It's made me feel like part of something great. It's made me feel proud to see these people stand up for what they believe in. I had tears of joy watching these trucks roll down the highway and supporters waving to them. The joyful crowd in Ottawa was amazing, the singing, the dancing, the street hockey games, that is what Canada is about. Not the recent displays of aggression by police the past few days.	2/20/2022 6:57 AM
12681	It has given me hope that we will once again be a free country!	2/20/2022 6:56 AM
12682	Gives me hope in humanity	2/20/2022 6:56 AM
12683	It gave me hope to fight tyranny	2/20/2022 6:56 AM
12684	Gave us hope.	2/20/2022 6:54 AM
12685	Gave us hope from the tyranny	2/20/2022 6:54 AM
12686	The trucking convoy brought a glimmer of hope that things can change for the better as I don't want the World Economic Forum to take control of out lives as that is being a communist country then .Have become way closer to my Heavenly Father as a result of this	2/20/2022 6:54 AM
12687	Extremely emotional; seeing what they went through for the average Canadian and were brutally treated; persecuted. Nauseated at the behavior of government and police.	2/20/2022 6:53 AM
12688	It gave me hope and the way it is being misconstrued scares me and I don't know what the future of our country holds.	2/20/2022 6:53 AM
12689	Gave some hope	2/20/2022 6:52 AM
12690	Not in any adverse way! It has gelled my disgust for Liberals and NDP.	2/20/2022 6:52 AM
12691	Brought us some hope and shown us we are not alone. Also showed how useless our government really is.	2/20/2022 6:52 AM
12692	It has unified people & given them hope for the first time in 2 years.	2/20/2022 6:52 AM
12693	I'm with them all the way I will fight for Freedom till I die	2/20/2022 6:52 AM
12694	It gave me hope.	2/20/2022 6:50 AM
12695	It hasn't.	2/20/2022 6:50 AM
12696	Shown me the level if corruption in all levels of government. It was never about safety, it was all about control	2/20/2022 6:50 AM
12697	Gave me hope that others feel the same way.	2/20/2022 6:50 AM
12698	Given me a sense of hope and revived energy that soon the mandates will be lifted.	2/20/2022 6:50 AM
12699	It has brought me much hope, until the police started attacking people then they brought nothing but pure disgust towards our government and law enforcement.	2/20/2022 6:49 AM
12700	It's made me feel hopeful	2/20/2022 6:49 AM

12709	No	2/20/2022 6:47 AM
12710	It has made me soooo proud to realize they are doing this for us all! I followed them faithfully - on Facebook and however else I could keep in touch with them.	2/20/2022 6:47 AM

12721	Not at all	2/20/2022 6:42 AM
12722	It has inspired hope and solidarity across Canada and the world.	2/20/2022 6:42 AM
12723	Created hope, a voice even if on deaf ears of politicians who are supposed to be public servants, comradery, revealed the corrupt government, revealed the extremely biased/sold out media, revealed individuals that use media as a trusted source of information	2/20/2022 6:42 AM
12724	Has given me hope	2/20/2022 6:41 AM
12725	It hasn't	2/20/2022 6:41 AM
12726	Has made me proud to be Canadian	2/20/2022 6:40 AM
12727	Not at all	2/20/2022 6:40 AM
12728	Gave me hope and love. So much positivity to see someone that shares the same beliefs stand up, speak out loud.	2/20/2022 6:39 AM
12729	It restored my pride as a Canadian...although this past weekend with the police moving in has greatly saddened me.	2/20/2022 6:39 AM
12730	It hasn't in the least bit	2/20/2022 6:38 AM
12731	Upsets me that the convoy is saying they speak for me. They are bullies. I voted in an election and it wasn't for the truck convoy. I believe in keeping the weak safe.	2/20/2022 6:38 AM
12732	It's been a glimpse of hope to see there is many more Canadians that feel enough is enough. At the same time, it's given me heart break to see our government speak so lowly of this.	2/20/2022 6:38 AM
12733	Gives me hope	2/20/2022 6:38 AM

12734	No immediate impact but I feel very badly for the citizens of Ottawa who had to endure this crap!!!	2/20/2022 6:37 AM
12735	It hasn't personally but I support them 100%	2/20/2022 6:37 AM
12736	Our trucking convoy brought me hope that we can have our Canada back!	2/20/2022 6:37 AM
12737	Nothing, I support them.	2/20/2022 6:37 AM
12738	I have felt a sense of hope for the first time. I feel like I finally have a voice to address my concerns. The convoy included very credible doctors who need to be heard. The trucking convoy is average Canadians with valid concerns that need to be addressed. They came to Ottawa to open dialogue, to be a voice for millions of Canadians that haven't had a voice. They had huge support all across Canada, and around the whole world. They are a voice of reason and balance with this Covid nightmare. They represent me, where the government has failed me.	2/20/2022 6:36 AM
12739	I was excited for the unity and support and knew I was watching history unfold. Once they had arrived in Ottawa and Trudeau refused to meet, it would have been a hard decision to decide to go home. They were stuck but I blame Trudeau for dragging it out. There was no need for Emergency Act since not all avenues (meeting with truckers) had been exhausted. We have herd immunity through natural infection and vaccination now. It's time to lift mandates and especially the passport. Vaccinated people transmit the virus just like non-vaccinated people.	2/20/2022 6:36 AM
12740	Its brought us some hope, and changes!	2/20/2022 6:36 AM
12741	It hasn't	2/20/2022 6:36 AM
12742	It has brought hope	2/20/2022 6:36 AM
12743	Gave me hope for Canada again	2/20/2022 6:35 AM
12744	They are standing up for our country and it has made me so damn proud to be Canadian again	2/20/2022 6:35 AM
12745	It is definitely has gave me hope	2/20/2022 6:35 AM
12746	It didnt	2/20/2022 6:35 AM
12747	Not much	2/20/2022 6:34 AM
12748	They made me feel I'm not alone.	2/20/2022 6:34 AM
12749	Positively	2/20/2022 6:34 AM
12750	Holding up the border raises prices and makes goods unavailable. Probably a superspreader event also. Glad I don't live in Ottawa. All of this would be okay if it was for a cause that wasn't deeply misinformed. But it isn't. Thanks convoy.	2/20/2022 6:33 AM
12751	Thought there was a voice that the government would finally listen to, mistrust media for reporting faults information	2/20/2022 6:33 AM
12752	Brought hope	2/20/2022 6:32 AM
12753	It's a wonderful grass roots movement for Canadians by Canadian. It's patriotism at its's finest! It is hope for the hopeless, it is unity for most Canadians, it resorted the pride on which this country was build upon. The spirt of the convoy will outlast every member of parliament as the day Freedom rose up and took its rightful place in the annals of history! It's Unity for an oppressed people!	2/20/2022 6:32 AM
12754	It gives me joy to see people fighting for freedom to end the mandates	2/20/2022 6:32 AM
12755	Given me hope.	2/20/2022 6:32 AM
12756	It has not, I'm am thankful for every civilian that showed up to these protests!	2/20/2022 6:32 AM
12757	It's a damn disgrace	2/20/2022 6:30 AM
12758	It has given me hope for our freedoms being returned to us.	2/20/2022 6:30 AM
12759	They give me hope that this life will change soon and stop the corruption in the politic and justice and media system.I no longer trust the system...	2/20/2022 6:29 AM

12766	Unified Canadians and made us feel no alone.	2/20/2022 6:27 AM
12767	It has been incredibly uplifting and encouraging thinking that someone is doing something to bring us back to a normal life! The love, peace, acceptance and normality they've brought back has given my life new meaning! We now have something to look forward to again! Life is going to be ok again. We have hope and love once more	2/20/2022 6:27 AM
12768	It made me proud to be Canadian. I am so glad someone is finally sticking up to the government. I can't, my union forbids it. I 100% support the truckers.	2/20/2022 6:26 AM
12769	No affect	2/20/2022 6:26 AM
12770	I support them 100% for getting back our freedom as Canadian Citizens Trudeau needs to be held accountable for what is happening in Ottawa and around the world.	2/20/2022 6:26 AM
12771	Provided hope, brought Canadians together, happiness.	2/20/2022 6:25 AM
12772	Gave me hope that we may regain our rights and freedoms	2/20/2022 6:24 AM
12773	I feel they are standing up for our Charter Rights which have largely been removed by the federal government.	2/20/2022 6:24 AM
12774	Positively	2/20/2022 6:22 AM
12775	Its given me reason for hope and brought me together with new friends and given me pride in my flag	2/20/2022 6:22 AM
12776	Hope!! They rose up and stood for freedom filling all of our hearts with hope. I was in Ottawa the first weekend and it was absolutely amazing. The hugs the faces and the unity it created with all Canadians.all peaceful. Don't understand the handling of the protesters. Trudeau knelt for BLM and agreed with them looting, destruction of property and murder of civilians. Makes no sense how Trudeau is invoking the emergency act. What is Trudeau trying to hide? He's the real problem with Canada and the true RACIST. The mandates are not backed by science, they are backed by propoganda and pushing a narrative to control the public with fear. The Truckers have filled the world with the courage to stand up for Freedom!	2/20/2022 6:21 AM
12777	It's made me feel proud to be Canadian again, and given me hope that someone will stand up for our rights as Canadians.	2/20/2022 6:21 AM
12778	Inspired hope	2/20/2022 6:20 AM
12779	Freedom	2/20/2022 6:20 AM
12780	It gave me hope, joy, and pride. I went to Ottawa to support them and had an incredible weekend. I'm so proud of the truckers and their supporters.	2/20/2022 6:19 AM
12781	Makes me proud to be a Canadian.	2/20/2022 6:19 AM
12782	Do not affect me	2/20/2022 6:18 AM
12783	It has finally made me proud to be Canadian again. To see someone actually stand up for what Canadians want(not all Canadians, but not a small fringe group either) It has given me hope that the inconsistency and hypocrisy of the mandates can come to an end and I can once again be free to choose for myself and my family without fear of loss of work or jail/fines.	2/20/2022 6:18 AM
12784	Positively	2/20/2022 6:18 AM

Canadians vote on Canadian Mandate - February 2022

12786	I'm disappointed with how the government has dealt with this. I watch news occasionally, not sure what to believe and see the utterly disgusting and disturbing things that are happening because of our drug induced tyrant leader who is wanting to take control of everyone's life. This IDIOT needs to be removed from office, all of his criminal deeds need to be reversed and the people need to get their lives back. I support the truckers 1000%. Watching people get trampled by police acting like NAZI'S on horses is totally wrong and unacceptable. These minions need to be held accountable and do prison time.	2/20/2022 6:17 AM
12787	It has given me hope and has lifted my spirits. Provinces started to lift mandates because of the truckers. I feel like for once in the last 2 years, I have a voice, and can now speak out. Thank you Truckers!	2/20/2022 6:16 AM
12788	hope for change	2/20/2022 6:15 AM
12789	N/A	2/20/2022 6:14 AM

12791	Has not	2/20/2022 6:13 AM
12792	It has given hope that maybe there are still people who recognize the importance of freedom. It has caused me to research the history of our country, to see the corruptness of our government and media.	2/20/2022 6:12 AM
12793	It has not affected me in anyway, other than being touched by their union, perseverance and strength.	2/20/2022 6:11 AM
12794	Wonderful!! I see hope for Canada whenever I see the Freedom truckers Convoy	2/20/2022 6:11 AM
12795	Encouraging message	2/20/2022 6:10 AM
12796	The truckers' convoy has brought a joy to my heart that can't be described. For the first time in two years, I flew my Canadian flag and actually felt pride and patriotism in my heart. I get goosebumps when I hear a truck horn, it is one of my favorite sounds now! The truckers and their willingness to stand for the Canadian people have become a symbol of love, unity and peace in a world of turmoil, criticism, division and distrust. Thank GOD for the truckers, their trucks, their families, their convoy!! FREEEEEDOOOOOM!!!	2/20/2022 6:10 AM
12797	It has given hope. Knowing that my family isn't alone.	2/20/2022 6:09 AM
12798	It has made me proud to be a Canadian for the first time in a long time! Thank you truckers for fighting for our freedom!	2/20/2022 6:09 AM
12799	It has given me hope empowerment and pride in then	2/20/2022 6:08 AM
12800	None but it opened the eyes of the Canadians in which way they will vote not for castrol	2/20/2022 6:08 AM
12801	It has not affected my life at all.	2/20/2022 6:07 AM
12802	It has lightened my spirit some and gives me hope to regain my freedom back. Also has shown me what kind of prime minister this country has as well as south of the border.	2/20/2022 6:07 AM
12803	It gave me hope that the fascist policies of our current government might be repealed. I am proud they stood up for Canadian values, and represented so many of us that couldn't do it ourselves.	2/20/2022 6:06 AM
12804	Opened my eyes to see the truth and gives me hope and faith that God is listening	2/20/2022 6:06 AM
12805	It's brought Hope into my heart, given me meaning in the past two years, made me feel apart of something bigger than myself	2/20/2022 6:06 AM
12806	Hopeful	2/20/2022 6:05 AM
12807	With the convoy bringing awareness to people, and doing so in such a positive and non violent way it has helped me feel more supported, less alone and more hopeful that an end is coming to all of this madness	2/20/2022 6:04 AM
12808	It has given me hope that people can do something to end the mandates and oppression.	2/20/2022 6:04 AM
12809	It gave us hope. The convoy brought people together with love, limitless support and hope for a future of freedom in canada from complete govt overreach. They made a difference.	2/20/2022 6:03 AM

12810	Overwhelming sense of unity...finally	2/20/2022 6:02 AM
12811	Gave me hope.	2/20/2022 6:02 AM
12812	I appreciate them fighting for freedom	2/20/2022 6:02 AM
12813	Elation!! Their selfless commitment to freeing all Canadians fr mandates is amazing!	2/20/2022 6:01 AM
12814	Very positively from the moment they announced they were leaving B.C. I am so proud of their brave efforts on behalf of all Canadians. I am heartbroken at the horrific treatment they have received from our government, the media, police and RCMP.	2/20/2022 6:00 AM
12815	It's been great to have Canadians stand up for our freedoms	2/20/2022 6:00 AM
12816	Division of Canadians and economic damage	2/20/2022 6:00 AM
12817	Seeing people come together from all over the world is inspiring to say the least. We have hope that this will end. Now we know we are not alone. Also, watching the convoy live feed from my freinds and family who are/were in Ottawa at the same exact time as watching a 'live feed' from CBC news and seeing two very different pictures, has opened my eyes to the deception of MSM outlets. I have lost all confidence in anything I have ever seen or heard from any main stream media source. I am in absolute shock over the propaganda and fear mongering that are used to control and manipulate. I have to admit that for a time, I was beginning to fall for it. Something deep in my soul prevented me from falling too hard. The trucker convoy has exposed a tremendous amount of deception and opened our eyes, minds and hearts to what is really going on here. I have learned so very much seeing this protest and all the others around the globe. We are with you. We are grateful for you. For Freedom!	2/20/2022 6:00 AM
12818	Kone	2/20/2022 6:00 AM
12819	Hope giving	2/20/2022 5:59 AM
12820	Confirmed my views on this corrupt Liberal government.	2/20/2022 5:58 AM
12821	This movement has been the only glimmer of hope I've felt in the last 2 years. They bring hope that our government will open their eyes and see how detrimental their "rules" have been to our Society as a collective will feel these effects for 7 generations to come. The convoy was the very uniting point in Canada where we finally had enough courage to say NO .	2/20/2022 5:57 AM
12822	Division in family over loyalties. I am proud of them for being brave enough to take a stand but extremely worried about the outcome. I feel very sad for them for being misunderstood by some.	2/20/2022 5:57 AM
12823	It hasn't except that I went and supported them at a rally in St. Peter's NS.	2/20/2022 5:55 AM
12824	It showed how people could become united within our great country CANADA and has given hope to many, it has spurred on this Great AWAKENING Taking place in the Hearts of our people here and given hope to the WORID . Thanks be to GOD	2/20/2022 5:55 AM
12825	It's given me hope again. It's amazing to see so many people starting to wake up and Canada come together again. When I think all else as failed, I remember the convoy and it gets me through the day and into the next.	2/20/2022 5:54 AM
12826	It hasn't	2/20/2022 5:54 AM
12827	Hasn't	2/20/2022 5:51 AM
12828	I stand with them. They represent all of our freedom.	2/20/2022 5:50 AM
12829	It has brought some freedom back	2/20/2022 5:49 AM
12830	Made me proud to be a Canadian. Fuxk Trudeau	2/20/2022 5:47 AM
12831	Given me hope for the future and hope in my fellow canadians	2/20/2022 5:47 AM
12832	It gave some hope	2/20/2022 5:47 AM
12833	I have friends and family that are truckers. Some are in the convoy. they inspire the people to stand up for freedom	2/20/2022 5:47 AM
12834	Made me realize how some of my so called friends and family who support it are very selfish.	2/20/2022 5:47 AM

Canadians vote on Canadian Mandate - February 2022

12835	dumb question again,	2/20/2022 5:46 AM
12836	It gave me hope. It made me feel proud to be a Canadian again. It reminded me what life is supposed to be like. Love, togetherness, unity, freedom, empathy, pride. It's the happiest I have been in 2 years since the inception of the pandemic.	2/20/2022 5:46 AM
12837	Finally a glimmer of hope for a return to freedom and democracy. The mandates have not been working. So many people in my circles closely following the mandates and vaccine requirements are getting sick with covid or getting injured by the vaccines.	2/20/2022 5:45 AM
12838	Given us a glimmer of hope	2/20/2022 5:45 AM
12839	Given some hope.	2/20/2022 5:44 AM
12840	Unfortunately all it has done is shed more unsettling fuel to the allegations of main stream media being influenced by officials. Allowed the opportunity for the prime minister (Justin Trudeau) to denounce his admiration of dictatorships and to publicly exhibit those tendencies.	2/20/2022 5:43 AM
12841	It has given me hope.	2/20/2022 5:41 AM
12842	Hope	2/20/2022 5:41 AM
12843	It has given me hope that life as it were will be restored	2/20/2022 5:40 AM

12847	It gives hope	2/20/2022 5:37 AM

12854	Hasn't changed	2/20/2022 5:29 AM
12855	Watching the videos of them cross this country gave me the first good feeling of pride in my country I have felt for several years. For a few weeks at least I felt Patriotic, and it felt good. The amazing Goodwill of these Peaceful Canadians on display for all to see exposed the corruption of our governments and media for all to see. Now that happiness has turned to extreme sadness. Clearly we all have no idea who we have been voting for . Probably for many years.	2/20/2022 5:27 AM

12864	i think most of the message was lost in recent events, i can't say that i support the convoy anymore. but i support freedom for all canadians	2/20/2022 5:13 AM
12865	The trucker convoy is infuriating and caused so much unnecessary stress for so many Canadians. Their adult temper tantrum disgusts me. They do not speak for or represent me!	2/20/2022 5:13 AM
12866	Giving people a glimmer of hope that our country hasn't yet been completely destroyed by the childish tyrant sitting at the head of parliament and his low life cohorts in politics and media.	2/20/2022 5:11 AM
12867	braught a sense of hope.	2/20/2022 5:11 AM

12891	It's been so amazing watching Canadians come together. It's given me hope.	2/20/2022 4:53 AM
12892	It has polarized couples, families, communities, provinces, and I suspect it will widen the east/west gap. When the federal elections are decided before the west votes, the effect will be a divided country.	2/20/2022 4:52 AM
12893	It had given me hope for Canada to understand and regain freedoms. It gives me hope that someday u can consider moving back.	2/20/2022 4:52 AM

12898	Gave me hope	2/20/2022 4:48 AM
12899	Made me feel proud to be a Canadian again. That a group of peace loving Canadians have had the courage to try to make a change. And the support from the rest of the country and the world to get our freedoms back! Given me hope back in my Country. We the true North string and Free	2/20/2022 4:47 AM

12903	Given me hope	2/20/2022 4:44 AM
12904	Gave me hope for an end of the mandates. Real people who care for our country. Trudeau MUST GO	2/20/2022 4:43 AM
12905	Hope	2/20/2022 4:41 AM
12906	Gave me hope that things might get back to normal. Nice to see others question what is the end game in all that has been done for the last two years.	2/20/2022 4:41 AM
12907	I had hope knowing they were protesting the mandate. But has now given me despair watching peaceful protestors charges, assaulted and I just heard (Killed) by a cop on horseback in downtown Ottawa. What are we suppose to do to stop this government brutality???	2/20/2022 4:41 AM
12908	Gave me more courage to speak up.	2/20/2022 4:40 AM
12909	Brings hope	2/20/2022 4:40 AM

12913	Great inspiration, has made a positive impact	2/20/2022 4:36 AM
12914	It gave me hope	2/20/2022 4:35 AM
12915	I am wondering if it was all a psychological operation. I know we have the right to peaceful protest. As a retired military i could see the underbelly of the whole situation. However i was riveted to the laptop watching what was going on down there. I noticed how easy it was to access different peoples platforms, like way too easy....something fishy about the whole thing. I love how the people came to support them as did I on the road I was on the overpass for many hours waiting. I have been going to local rallies for 2 years, in support of my freedoms which i feel i duly earned.	2/20/2022 4:35 AM
12916	It brought so much joy and pride to be Canadian, it restored my trust in humanity, after two long and dark years of despair. I cried tears of joy. Now, I worry every day for the safety of the truckers and demonstrators.	2/20/2022 4:35 AM
12917	It has made me lose faith in the goodness of humanity because it turned into a protest for individual rights — I thought the truckers concerns were actually legitimate- 90 per cent were vaccinated and they have a solitary occupation with low risk of spread — the problem - immediately their rightful protest was watered down by people insisting on individual free down and the trucker voices were lost — really a shame I think.	2/20/2022 4:35 AM
12918	A symbol of hope as well as inspiration	2/20/2022 4:34 AM
12919	The trucker convoy has affected my life positively. It has given me hope to see that there are people who stand up for freedom of choice and for the freedom to choose what medical treatments are done.	2/20/2022 4:34 AM

12921	It gave me hope	2/20/2022 4:33 AM
12922	The trucking convoy give me hope. Tge trucking convoy is the last hope we have to recover our freedom back. My two boys 12 and 9 year old that live in Alverta are very proud of it, they have recovered some freddom back because of it.	2/20/2022 4:33 AM
12923	No way beside hearing awful news and rights being infringement of human rights	2/20/2022 4:33 AM
12924	Inspiring message of hope for average Canadians.	2/20/2022 4:32 AM
12925	I've noticed food prices have gone up some, but I'm grateful and proud about they are peacefully standing up for freedom, and I worry about how they will be treated by the government	2/20/2022 4:31 AM
12926	Brought friends together	2/20/2022 4:30 AM
12927	Brought back the feeling of pride in Canada and unity with Canadians	2/20/2022 4:29 AM
12928	gives us hope, proven the lies from government and state-run main stream media	2/20/2022 4:29 AM
12929	The convoy has given me hope that we can finally rid ourselves of this communist, corrupt, rules for me and not for thee government. And proud the truckers have done so PEACEFULLY	2/20/2022 4:29 AM
12930	It has given me hope that Canadians do stand together. Felt very alone through this entire covid "crisis"	2/20/2022 4:29 AM
12931	Motivated	2/20/2022 4:26 AM
12932	It has given me hope!	2/20/2022 4:25 AM
12933	It gives me hope. Who doesn't want a loving and giving country? They reached out and looked after the homeless first. No one should be hungry or homeless. They are all about peace and love.	2/20/2022 4:25 AM
12934	It has shown me that freedom of choice and governing over ones own body is at risk.	2/20/2022 4:24 AM
12935	For the better	2/20/2022 4:24 AM
12936	The Truckers Provided All Our Needs When Justin Trudeau Shut Down Canada When The Plan-Demic First Showed Up In 2020 .. I'm % Behind The Truckers It's About Time Canadians Woke Up To Justin Trudeau's communist regime & Deep Seated corruption and Said ENOUGH IS ENOUGH.. We want Our Rights & Freedom's BACK..	2/20/2022 4:24 AM
12937	Given me hope	2/20/2022 4:23 AM

12939	Brought back hope in humanity	2/20/2022 4:21 AM
12940	This convoy has brought me hope. It reminded me that I'm not alone. I felt so alone for 2 years and it is inspiring to see people protesting peacefully and begging for the change that we so desperately need.	2/20/2022 4:20 AM
12941	they gave me a hope in a right future, not a corrapted governments	2/20/2022 4:16 AM
12942	Don't know	2/20/2022 4:15 AM
12943	Brings hope.	2/20/2022 4:14 AM
12944	Gives me and my family hope that the end is near for the tyrannical dictatorship	2/20/2022 4:11 AM
12945	I am happy we have such a brave people among the drivers. I didn't lose hope for a better future. I can't thank them enough for helping us.	2/20/2022 4:10 AM
12946	The trucker convoy has given me hope, that the insanity of the past two years could end.	2/20/2022 4:10 AM
12947	Not at all so fair, only if liberal government start deeming questionnaire criminal and passed a bill behind Canadian back again.	2/20/2022 4:10 AM

12948	It cost me my job.	2/20/2022 4:10 AM
12949	Standin up for what is right	2/20/2022 4:08 AM
12950	Positively	2/20/2022 4:07 AM
12951	Annoying, both to hear about, deal with traffic and to watch as a overly privaledged group of people put their feelings, and wants before the good of society.	2/20/2022 4:06 AM
12952	Inspired that Canadians would go out of their way and expense to protest peacefully all these mandates, jabs, need for Freedom, etc.	2/20/2022 4:06 AM
12953	I spend more time trying to support and encourage participation in this movement, and keeping up to date on the events than nearly anything else in my life. Its all consuming, as its a very important issue.	2/20/2022 4:05 AM
12954	Made me feel proud of my country until this weekend	2/20/2022 4:04 AM
12955	was some hope	2/20/2022 4:04 AM
12956	It was a heroic deed on behalf of the truckers and those who supported and those who joined in. The truckers gave us hope, united numerous people in our country, and allowed people to gather together and to pray together. I gave our country something to believe in that the human spirit was alive. That we had true God fearing God loving people on this country who appreciated their God-given rights and freedoms.	2/20/2022 4:03 AM
12957	Given me support and hope! Do not feel as alone anymore.	2/20/2022 4:03 AM
12958	Felt Canadian pride for the first time in a decade	2/20/2022 4:02 AM

12960	It's given new hope for Canada and Canadians and the world.	2/20/2022 3:58 AM
12961	Brought Hope and Love !!!	2/20/2022 3:58 AM
12962	It has given me hope. There are so many like minded people that feel like we can finally speak. We have a huge group behind us to back us up now against the brainwashed and our thug government. I can't believe what the pm is getting away with right now in Ottawa. Hurting peaceful protesters. Shame on him.	2/20/2022 3:57 AM
12963	Given me Hope!	2/20/2022 3:57 AM
12964	If they make a difference for Canadiens that would include me because I am not strong enough to be able to. I have family that died and it was NOT COVID-19 virus. Life does not revolve around covid. Life can be lived without fear. If the individual does not want to be vaccinate it is there choice 100%, just as the one that want there. I feel the same of the mandates but it should of never came this fare if there was a plan inplace to protect Canada from them selfs.	2/20/2022 3:57 AM
12965	I am entertained by the selfish nature of the protesters, disgusted by the misinformation, saddened by the racism and can't wait till the protesters get home so we can disturb there residents with horns and idiotic chanting!	2/20/2022 3:56 AM
12966	I have been praying that they would be heard by our government instead of the rejection and abuse by the powers that be.	2/20/2022 3:55 AM
12967	Given me hope for freedom	2/20/2022 3:53 AM
12968	I am finally seeing change in my province(SK) as well as a few other provinces. Sask has finally begun the process of dropping mandates. My friendships and relationships with family are finally building back up. I feel welcome.	2/20/2022 3:52 AM
12969	Awareness to end mandates and to stop taking away people's jobs if not vaccinated!	2/20/2022 3:51 AM
12970	Not	2/20/2022 3:51 AM
12971	Love the truckers!	2/20/2022 3:50 AM
12972	Has given us some kind of hope	2/20/2022 3:50 AM
12973	Given me hope for the future, while also making me cynical about our current government	2/20/2022 3:48 AM

12981	Proud of them	2/20/2022 3:44 AM
12982	Gave me hope.	2/20/2022 3:43 AM
12983	It has given me hope for the first time since COVID started	2/20/2022 3:43 AM
12984	I have been proud to be Canadian for the first time in a long time. And I have realized that Justin Trudeau is not fit to be prime minister. Proud to see docile Canadians stand for our freedom. Proud of our Canadian truckers!	2/20/2022 3:42 AM
12985	I'm very very proud & thankful for all the Canadian patriots standing strong in unity & love in Ottawa & all across this beautiful land we call our home & native land.	2/20/2022 3:40 AM
12986	Positive, it's true Canadians fighting for the people of canada, the government must be stopped, the lies must stop, we will not be controlled or tested on	2/20/2022 3:40 AM
12987	To see that there are people who disagree with the mandates	2/20/2022 3:40 AM
12988	It has given us hope that we can get back to normal & all families can choose what is best for their medical best interests.	2/20/2022 3:39 AM
12989	no	2/20/2022 3:39 AM
12990	It has given me hope and optimism for the future as I now know I am not as alone as I am made to feel	2/20/2022 3:39 AM
12991	It's given HOPE.	2/20/2022 3:38 AM
12992	It has gone too far and does not reflect what it started out to be. It has become a destructive free for all. If the convoy want to be taken seriously they should police themselves; keep the focus on what they are protesting. Blasting horns, and creating chaos and generally disrespecting the ordinary citizens is hooliganism. Blocking bridges and preventing business was/is a shameful disruption of the livelihood of ordinary people. It was a sad and slightly scary look at an element of our society who seem to have a limited amount of regard for others. I fell saddened and a bit ashamed that people in the world might think this convoy represent me.	2/20/2022 3:37 AM
12993	It fills me with hope and courage. Perhaps it's the beginning of the end, not only for these covid restrictions, but also for the PM. He has to go!	2/20/2022 3:37 AM
12994	Hasn't	2/20/2022 3:36 AM

Third it was a loving truthful and peaceful protest which exposed the criminal Canadian Federal Government and criminal Canadian Medical Agencies which are corrupt and controlled by Big Pharma and the World Death-Genocide Organization! Fourth, the Manmade Covid-19 Crisis has revealed to all honest Truth Seekers that evil people are controlling our Governments and institutions and they must be voted out of office as soon as possible and tried for Crimes Against Humanity so these corrupt and or incompetent people are held responsible for their crimes and to stop future corruption and incompetent people from governing our Society! Fifth with our repentance and without God at the Centre of our lives and our Society evil will continue to prevail and lead to the death of billions of people! The Truck Convoy has helped to reveal the truth to millions of Canadian Voters and will help lead to the putting of corrupt and incompetent politicians and civil servants.	2/20/2022 3:29 AM

13039	Gave hope and sense of belonging	2/20/2022 3:20 AM
13040	Inspired me	2/20/2022 3:19 AM
13041	It did not affect me at all.	2/20/2022 3:19 AM
13042	The trucking convoy has very negatively affected my mental health. The comments about immunocompromised people, "staying home," "well they had co morbidities," "my freedom is more important then their life." Listening to people say that people like my son are just "casualties of war," it wears me down mentally. I just want my child to have a normal life too like everyone else, I just want it when it's safe for everyone.	2/20/2022 3:18 AM
13043	It has given me HOPE for Canada and to stop all of this division between people. They have united people and have given us love back.	2/20/2022 3:18 AM

13048	I hope they'll succeed, and all the mandates will be dropped	2/20/2022 3:16 AM
13049	I support their story as one of hope. The government story the last 2 years has been lockdowns and sadness. My mom is a senior in the hospital after hip surgery. She is only allowed 2 visitors and it has to be the same two. So my mom may not come out of this and I can't visit her to cheer her up because of virus rules. The PM and premiers only talking point is to get the jab. Then the shots aren't working so they say to vet a booster and another booster,etc. Nobody trusts our bought off leaders. The truckers have given the people hope. There were thousands of people cheering them on along the route. They were treated like heroes. Canada turned off the highway cameras along the route to hide how popular the convoys were. Then the mainstream media was told not to cover them unless it was a negative story. The mainstream media doesn't want to show the country and the world how big the crowds are and how popular this movement has become. Someone planted a guy in the huge crowd carrying a Confederate flag and the fake news and politicians were all over that story. Our leaders in Ottawa are so out if touch with the people that this country is headed for a breakup. Canada has become the laughing stock of the world and our PM is seen as a dictator. The images of police riding a horse over an old woman has become the face of Canada.	2/20/2022 3:16 AM
13050	it has made me happy and have hope for freedom	2/20/2022 3:16 AM

13053	Showed me what true Canada is	2/20/2022 3:13 AM
13054	Disappointed at the government exercises of power and declaring the state of emergency. Really?	2/20/2022 3:13 AM
13055	It hasn't in any way.	2/20/2022 3:12 AM
13056	They gave me hope at first and now I'm extremely concerned about the government overreach of power	2/20/2022 3:11 AM
13057	I see hope	2/20/2022 3:11 AM
13058	The trucker convoy has given me hope and peace and has open my eyes to our government and I feel they're almost criminal with the decision making that they're doing. I've never been one to trust everything that comes out of a politicians mouth but as I have been watching and educating myself on what is going on in the world right now I am a palled with our government and the way they're behaving and the fact that they set out to divide this country if it is not criminal it should be shame on him our Prime Minister is a disgrace to Canadian people	2/20/2022 3:11 AM
13059	i am angry at this waste of gas and news time. i am appalled by the disrespectful and ignorant tone of these idiots. Funded by white supremacy, this cause has. co-opted some folks with covid fatigue. I hate this protest. It totally ignores vulnerable people and BIPOC issues. I want it to end	2/20/2022 3:10 AM
13060	I have enjoyed knowing there are people who believe in more than one truth. That there should be choices and body autonomy, that I've always believed in. That the majority are vaccinated, bit still believes we all should be at choice. The doctors, ethics professors, scientists and all others who have said no to experimental shots need to have their voice heard! We all need to hear debates on this from a wide range of professionals. The #'s don't add up, where did the flu go...its just gone? There is more to this, and it is not being helped by our leaders. I do not trust any media or politicians.....they do not have the peoples best interests up front.	2/20/2022 3:09 AM
13061	It's for freedom	2/20/2022 3:09 AM
13062	Showing me that people can put aside race and religion and come together and make a stand for what they believe in against the government over reach	2/20/2022 3:09 AM
13063	On a day to day basis - not much but overall I am totally against this sort of demonstration and behavior. The Trudeau government hasn't handled anything well or with integrity but returning bad behavior for bad behavior isn't the answer. Taking the City of Ottawa hostage isn't the answer. Showing blatant and complete disrespect to first responders, police officers, and fellow Ottawa people who live and / or worn down town is far from the correct way to behave. I am embarrassed and mortified!	2/20/2022 3:09 AM
13064	Feels uplifting to know people are standing up for Canadians and our future	2/20/2022 3:08 AM
13065	I am happy that someone has figured a way to try and get what Canadians really want to be heard by PM.	2/20/2022 3:08 AM
13066	exposed the media for the lying misrepresentation they've been bought for and initialized a GLOBAL inherent awakening to government over reach and attempt at control of the people that pay them	2/20/2022 3:08 AM
13067	Made me proud of Canadians again and the land our forefathers worked hard to provide for us. Grateful for them, standing up and doing the things that I cannot do.	2/20/2022 3:07 AM

13076	It gave me hope. We need to stop what may potentially turn our country into dictatorship. The trucker convoy never intended and has never been violent. We want our freedom to live in unity and not divisiveness. The trucker convoy does not and never has supported hate, swastikas, racism, confederate flags or anything that is to hurt or offend people.	2/20/2022 3:02 AM
13077	Gave me hope	2/20/2022 3:02 AM

13079	Giving me hope	2/20/2022 3:02 AM
13080	gave me hope after 2 years of dread	2/20/2022 3:01 AM
13081	It has been wonderful and heart-warming to hear the sound of the truckers' horns and seeing the convoys driving in solidarity in Edmonton, and hearing about all the other convoys driving through Canada, heading to Ottawa. It is also wonderful to hear of the numerous other convoys that have fired up in the face of tyranny in so many other countries all over the world. This lets everyone in the world unite in our common belief and knowledge that none of the measures are needed and that individual rights should not be trampled, literally. It tells me there are a ton of other Canadians who are standing up and believing the same as me, so I don't feel alone. The sound has been music to my ears. I heard it said this way by someone quoting a student, and I paraphrase: The truckers' horns sound like fog horns, steering the people clear of the rocks of tyranny and oppression, and leading the people to safety! And I had the thought that it is just like our God to bring forth a trucker convoy that no one expected to make the point to expose all the lies and deception, and to roll on toward standing for freedom of medical choice, and freedom from all unnecessary, harmful, and useless mandates for all children, young adults, and all remaining adults.	2/20/2022 3:01 AM
13082	I once again have hope for the future of my family to have the freedom that was granted to us on the day we were born.	2/20/2022 3:00 AM

13086	It's given me hope of better days , pride once again to be Canadian. I'm so proud of everyone standing up for our human rights that should've never been taken away. I'm so proud of the Drs, and scientists that're speaking out about the true science of the entire situation, finally without fear . I have hope we won't be forced into taking any more vaccines we don't want in our body.	2/20/2022 2:59 AM

13102	None, but given hope	2/20/2022 2:55 AM
13103	It has given me hope that the rest of the world is now aware of the lies that this government and main stream media have been telling over the past two years. Like most people I know, I welcome a healthy debate by scientists who are NOT on the payroll of the vaccines companies.	2/20/2022 2:55 AM

13112	Gave us hope that brighter days were ahead! The working class people fighting for everyone's rights, regardless of occupation or race! A true unity amongst the people! We should be thanking these people for the risk they have taken to fight for freedom for all, not trample them down with horses.. That's not what Canada stands for.	2/20/2022 2:51 AM

13118	Not at all. Completely support it	2/20/2022 2:50 AM
13119	The convoy has made Canada a scarier, more dangerous place. They should all be locked away for 50 years and their assets given to those who have suffered financial losses because of their illegal occupation. They are a bunch of crybabies and need to grow up.	2/20/2022 2:50 AM
13120	The only glimpse of what seems to be pseudo hope for any type of change	2/20/2022 2:49 AM

13126	It has given me hope that the voice of the people will be heard and that the government is truly corrupt : we are no better then we bird world countries where the government does not even	2/20/2022 2:48 AM

13157	They have helped lift life ruining mandates. Thank you truckers.	2/20/2022 2:36 AM
13158	Gave me back some hope and pride in Canadian people	2/20/2022 2:35 AM
13159	Happy to see people finally taking position give me hope	2/20/2022 2:35 AM
13160	Gave us hope we were happy that someone would stand up for what's right and once again the media that you funded greatly so they what you want them to say. More lies	2/20/2022 2:34 AM
13161	Not at all Iam not in Canada this winter	2/20/2022 2:34 AM
13162	The realization that some Canadians are in a very sad place believing every 'law' 'order' and 'institution' is bad. The impact financially for Canada will be long lived for what seems like stupidity. Points were made within 2 days of folks arriving to their desired destination. In my opinion, any 'protest' lasting past 2 days was silly, costly and down right pathetic.	2/20/2022 2:34 AM
13163	See previous response. I am not comfortable flying the Canadian flag that I have done proudly for years as I do not want to be associated with the people associated with the trucking convoy.	2/20/2022 2:34 AM
13164	It has not; some disruptions in traffic, slow downs. Given hope	2/20/2022 2:33 AM
13165	Brought hope to life	2/20/2022 2:33 AM
13166	Made me feel like a prouder Canadian- but the Trudeau Liberals and the Media vilified the truckers and protester!	2/20/2022 2:32 AM
13167	Hope.	2/20/2022 2:32 AM
13168	Not at all	2/20/2022 2:32 AM
13169	The convoy has brought me hope	2/20/2022 2:32 AM
13170	Not at all, except that it gives us hope that at least some people are trying to fight the governments mandates. We need to get back to a "normal" life.	2/20/2022 2:32 AM
13171	not enough healthy food in stores	2/20/2022 2:32 AM
13172	It hasnt	2/20/2022 2:31 AM
13173	It has not.	2/20/2022 2:31 AM
13174	Hope, love and freedom	2/20/2022 2:31 AM
13175	Brought hope	2/20/2022 2:30 AM
13176	They do it for a good purpose. So I am all for it	2/20/2022 2:30 AM
13177	It has made me proud to be a Canadian again, it has lifted my spirits, have made new friends with wonderful support, morale has gone up, feel like part of the community again. I'm so proud of the truckers for standing up for our rights and freedoms. They give us hope again for our future. Trudeaus violent actions towards the convoy/protesters have disgusted me. Our PM has broken so many laws all in pursuit of control and tyranny. Seeing the violence that the police are doing to people is disgusting and wrong! This is not the Canada that I know and love.	2/20/2022 2:29 AM
13178	In a positive way, felt hopeful again	2/20/2022 2:29 AM
13179	Unaffected	2/20/2022 2:29 AM
13180	That I'm not the only one who sees what the government is doing is completely wrong and not for the good of the Canadians in any aspect. Our freedoms and rights, our health and lives are being taken from us unjustly.	2/20/2022 2:29 AM
13181	Great finally someone stands up to stupidity.	2/20/2022 2:28 AM

Canadians vote on Canadian Mandate - February 2022

13182	The trucking convoy has begun much discussion and movement to end these un-democratic mandates and policies. It has shown me that Canadians value real freedom and democracy. What we want is to live in a free, loving and peaceful place. Where united we stand. Together we are strong against evils.	2/20/2022 2:28 AM
13183	Gives me hope	2/20/2022 2:28 AM
13184	They are hope for Canada and the whole world	2/20/2022 2:28 AM
13185	I love the truckers and their patriotism. I have come to despise the government and their lies	2/20/2022 2:27 AM
13186	Fighting to protect the freedoms that we've earned	2/20/2022 2:27 AM
13187	Given me hope this atrocity can end	2/20/2022 2:26 AM
13188	It is not about how the "trucking convoy" has impacted my life, but how it has impacted the lives of those living, working and raising families in downtown Ottawa. This group should not have been given special treatment that would not have been afforded to other protesters simply because they are white and "middle class".	2/20/2022 2:26 AM
13189	It has not effected me, I think it's fuckin awesome that people stood up to this shit!!	2/20/2022 2:25 AM
13190	No effect	2/20/2022 2:25 AM
13191	Not really much effect yet. Scariest part is Trudeau saying he is going to freeze the bank accounts of the "Owners" of the tucking companies. This is wrong and is a very worrisome misuse of power (that may not even be within his legal limits). He is sounding like a dictator. He is sounding like China where the Government can freeze your bank accounts &/or take your money. It seems that Trudeau has not thought this through properly. Yes he could arrest people for having and displaying guns in a public area. He could confiscate those guns. He could send people who are not living and working in Canada, back to where they came from. BUT it seems that he has also NOT thought of the fact that we all, as Canadains, need the trucking industry to continue or the shelves will be bare. Threatening to freeze the bank accounts of the owners of trucking companies is overstepping boundaries of fairness, logic and I think of Canadain laws. (Most of the trucking company owners are not even part of the convoy.) This threat of his has made me more scared of him than of the truckers convoy. (I do not know what the convoys were like in all the different areas, but what I saw were husbands and wives together in the trucks. He should not judge all areas based on Toronto or Ottawa.	2/20/2022 2:25 AM
13192	I'm so proud of the truckers. Never have I seen such a peaceful large scale protest WITHOUT violence. They represent Canada well, not Justin Trudeau with the emergency act.	2/20/2022 2:24 AM
13193	Positive hope	2/20/2022 2:24 AM
13194	Had made me a MORE of a proud CANADIAN... I LOVE THIS BEAUTIFUL LAND	2/20/2022 2:24 AM
13195	Inspired me to stand up and fight for my freedom and my rights	2/20/2022 2:24 AM
13196	It has made me pay attention to what is really going on in this crazy times . I believe the truckers of the nation need too strike and park all the trucks and then maybe someone will listen.	2/20/2022 2:24 AM
13197	It has given me hope	2/20/2022 2:24 AM
13198	Nothing	2/20/2022 2:24 AM
13199	Encouraged me to keep fighting . And to stand up for my truth .	2/20/2022 2:24 AM
13200	They gave me hope that we could get our democracy back.	2/20/2022 2:24 AM
13201	Positively	2/20/2022 2:23 AM
13202	restored some hope	2/20/2022 2:23 AM
13203	Yes positively	2/20/2022 2:23 AM
13204	Hope	2/20/2022 2:22 AM
13205	Has not affected me directly except I'm angrywith emergency measures Trudeau has ordered.	2/20/2022 2:21 AM
13206	It hasn't affected my life, I just think it's ridiculous.	2/20/2022 2:21 AM

Canadians vote on Canadian Mandate - February 2022

13207	?	2/20/2022 2:21 AM
13208	Has brought me hope again that Canada can be restored.	2/20/2022 2:21 AM
13209	They gave me a courage. I admire them as much!	2/20/2022 2:21 AM
13210	I finally See the great Canadian spirit and unity to support freedom it has made my life full of hope and happiness after 2 years of total insanity and ignorance to freedom!	2/20/2022 2:20 AM
13211	Given me hope the mire Canadians will fight for their god given rights	2/20/2022 2:19 AM
13212	It has given me hope in humanity	2/20/2022 2:19 AM
13213	It's brought us hope	2/20/2022 2:19 AM
13214	Brought me hope	2/20/2022 2:19 AM
13215	They give me hope, freedom will come	2/20/2022 2:19 AM
13216	I'm so proud of the convoy! If I could drop my schoolwork and drive to Ottawa and support I would 100%! It gives me hope to think that people actually care about what's going on, and are trying to put a stop to it.	2/20/2022 2:19 AM
13217	The trucker's convoy gave me hope to restore my life back to normal.	2/20/2022 2:19 AM
13218	restored a bit of hope	2/20/2022 2:18 AM
13219	It has bought hope! And a renewed pride in my Country	2/20/2022 2:18 AM
13220	I've been a part of it as much as possible	2/20/2022 2:18 AM
13221	My friends are not able to keep their jobs	2/20/2022 2:18 AM
13222	I have to eat gluten-free. I am finding it harder and harder to get the things I am used to eating. Not a huge deal, just a minor inconvenience.	2/20/2022 2:18 AM
13223	Traffic delays, shipment delays	2/20/2022 2:18 AM
13224	Made me feel grateful that somebody in this country has the guts and conviction to stand up to a government that has been wrong and irresponsible at every turn of this so called pandemic. A government that has repeatedly ignored the advice and direction of this country's best experts and even permitted a non Canadian citizen to be in charge of the medical response and direction that Canada would follow.	2/20/2022 2:17 AM
13225	It had a positive impact on my provinces mandates.	2/20/2022 2:17 AM
13226	Only emotionally. I am not in Canada.	2/20/2022 2:17 AM
13227	It has been a really good affect as it shows that people are standing up for our country nd not lettting them rule our country	2/20/2022 2:16 AM
13228	It's powerful and beautiful and uniting, and also painful in that the PM has never met, conversed or negotiated with them.	2/20/2022 2:16 AM
13229	Gave us hope. Also fear of the government. Told me Canada is no longer a free country and whoever holds opposing views of the PM will just get trampled on. Who will he go after next, and when will he stop? What if someone becomes deathly allergic to their 10th booster? If they can't take the 11th then straight to jail for them? Multiple questions have been raised with the convoy, and the government refuses to answer anything. He just keeps saying his script over and over again. The convoy has shown the PM constantly lies, or is constantly being lied too. There is overwhelming evidence that it was a peaceful protest. However, he keeps slandering the Canadian people. Calling them Nazis, and a whole bunch of horrible things. Ironically the same tactics Nazis actually used on their people. "If you tell a lie loud enough and long enough, people will eventually believe it as truth." - Adolf Hitler.	2/20/2022 2:16 AM
13230	No impact from Truckers Freedom Convoy cause. At worst, a temporary inconvenience perhaps for some people, but worth it in long run for future liberties and freedoms.	2/20/2022 2:16 AM
13231	It has given us HOPE! (at times to the point of tears) This convoy movement has restored our faith in our fellow Canadians...decent, hard-working, truth-loving Canadians, & we are so thankful for the brave people willing to put it all on the line to stand up against authoritarianism, & to fight for our inalienable rights & freedoms. If enough people took a stand, the trajectory of	2/20/2022 2:15 AM

this country could be turned around. Right now it's headed for Hell in a handbasket. I'm so thrilled this situation is exposing Trudeau & his lackies for what they really are. We think the convoy is doing an amazing job & we are cheering them on!!!

13232	It hasn't	2/20/2022 2:14 AM
13233	not at all. only exposed something in our leaders i never knew existed, and made my entire family politically aware. we are all reconsidering our support for our current leadership at all levels	2/20/2022 2:14 AM
13234	Given my hope, faith, encouragement, and more joy. Love them all and so very grateful for them all.	2/20/2022 2:14 AM
13235	Not at all , in fact it's been inspirational to see people just wanting their God given rights and freedoms back , not government given rights but our charter and God given rights .	2/20/2022 2:13 AM
13236	Hope for our nation	2/20/2022 2:13 AM
13237	Given me hope.	2/20/2022 2:13 AM
13238	It gives me a ray of hope	2/20/2022 2:13 AM
13239	It has given me hope that there are many people like myself who are willing to fight this war against evil!!	2/20/2022 2:13 AM
13240	It has brought some hope for better days ahead.	2/20/2022 2:12 AM
13241	It has given me hope that there are people who are willing to step up and say something about the oppression the federal government has placed on the citizens of Canada.	2/20/2022 2:12 AM
13242	I support them 100%	2/20/2022 2:12 AM
13243	It had given me great hope that they would be successful in presenting their demands to the PM and that he would listen and agree to them. They were full of energy and positive that their convey to Ottawa would be successful. And of course thousands of demonstrators and people all over the world, including me, hoped for a successful, positive outcome!	2/20/2022 2:12 AM
13244	I have soooo much love in my heart I am a new nurse and I have never felt so much love. Thank you for being there and I am with them to fight fir our freedom if choice! I vote non confidence of Trudeau. The people are making him accountable and thank God for the trucker convoy for making our voices heard, much love. Stay free	2/20/2022 2:11 AM
13245	Not at all	2/20/2022 2:11 AM
13246	It has brought me HOPE!	2/20/2022 2:11 AM
13247	Brought hope and unity	2/20/2022 2:11 AM
13248	It's made me realize I'm not alone!! That there are millions of Canadians who want Canada to truly be the true North, strong and FREE!! Canada is unifying!	2/20/2022 2:10 AM
13249	HAPPINES	2/20/2022 2:10 AM
13250	Given me hope we can make a change finally!! There is still good in the world.	2/20/2022 2:10 AM

13254	lifted our family spirit and feeling of solidarity is significant	2/20/2022 2:08 AM
13255	Opened my eyes that media doesn't tell the truth and that they can be bought to say whatever they want	2/20/2022 2:08 AM
13256	The convoy has not affected my life! But I wish the truckers all the best & stand with them.	2/20/2022 2:08 AM
13257	Not really yet, BUT for Trudeau to say he is going to freeze the bank accounts of the "owners" of the tucking companies is wrong and a scary misuse and over use of power (that may not even be within his legal limits). He is sounding like a dictator. He is sounding like China where the Government can freeze your bank accounts &/or take your money. It seems that Trudeau	2/20/2022 2:08 AM

has not thought this through properly. Yes he could arrest people for having and displaying guns in a public area. He could confiscate those guns. He could send people who are not living and working in Canada, back to where they came from. BUT it seems that he has also NOT thought of the fact that we all, as Canadians, need the trucking industry to continue or the shelves will be bare.

13258	The trucking convoy has given me hope that Canada has a chance at fighting corrupt political parties and their socialist agenda.	2/20/2022 2:08 AM
13259	Gave me hope. Opened my eyes to what is happening in this country.	2/20/2022 2:07 AM
13260	It's been optimistic and peaceful and gave a lot of the country hope. Horrible and disheartening to see what's happening there now. It's offered us a chance at healing our communities and unity across the country.	2/20/2022 2:07 AM
13261	Hope	2/20/2022 2:07 AM
13262	Has given hope to society that there maybe the possibility to live more free and unrestricted. This all has been planned for many years in the making and the Truckers convoy has help mobilize how many have been feeling for the past 2 years. I have seen through this bullshit and was waiting for people to come together.	2/20/2022 2:07 AM
13263	They have been inspiring!	2/20/2022 2:06 AM
13264	It has given me a great sense of hope, admiration for those who have and are standing up to this wrong by Trudeau and the obsequious sycophants he has encircled himself with!!!	2/20/2022 2:06 AM
13265	It has restored some of my faith in humanity, given me hope and improved my mental health.	2/20/2022 2:06 AM
13266	They are the ONLY TRUE CANADIAN LEFT! They DID NOT DO ANYTHING WRONG - I AM ASHAMED OF OUR FEDERAL GOVERNMENT. Trudeau is a true poison to Israel country!	2/20/2022 2:06 AM
13267	In the best way	2/20/2022 2:06 AM
13268	They are fighting for my rights as a Canadian citizen	2/20/2022 2:06 AM
13269	Has not affected me.	2/20/2022 2:05 AM
13270	Truckers have inspired me to courageously stand up for freedom	2/20/2022 2:05 AM
13271	I am pleased that it has exposed the hypocrisy and incompetence of our PM and his government.	2/20/2022 2:05 AM
13272	Gave me hope, but also was so unbelievable how the mass media wove together lies to perpetuate hate & division in Canada	2/20/2022 2:05 AM
13273	faith in some part of humanity	2/20/2022 2:05 AM
13274	It brought hope and a renewed sense of unity	2/20/2022 2:05 AM
13275	It has given me a day of hope that we can hopefully get back to normal living	2/20/2022 2:04 AM
13276	Not at all.	2/20/2022 2:04 AM
13277	It's given me hope.	2/20/2022 2:04 AM
13278	Gave me hope and showed me I wasn't alone and inspired me and made me proud to be Canadian. I didn't know there were so many high quality loving people out there!	2/20/2022 2:04 AM
13279	Gave me hope to regain our freedom. Truck Trudeau!	2/20/2022 2:04 AM
13280	Given hope. Helped me not feel alone. Realize I'm not the only sane person.	2/20/2022 2:04 AM
13281	Shows what a terrible prime Minister we have not willing to sit with the truckers to discuss the problems, I live on the west coast so not too much	2/20/2022 2:04 AM
13282	They gave me hope for the future and knowing that not everyone had been brainwashed by the mainstream media.	2/20/2022 2:03 AM
13283	It has given me hope and I am proud of our Canada. It was amazing to watch the dedication of the truck convoy. It has changed how I feel, I don't take things for granted like I used to.	2/20/2022 2:03 AM
13284	It hasn't but I fully support their fight to have bodily autonomy.	2/20/2022 2:03 AM

13285	Has been proof that I'm not alone with feeling this should end	2/20/2022 2:03 AM
13286	It gave me hope and made me proud to be a Canadian again much love to you all for standing up and fighting for our rights!	2/20/2022 2:03 AM
13287	Gave me hope for freedom of body atonomy, speech to breath fresh air without a mask. So much more	2/20/2022 2:02 AM
13288	It is powerful and a thing of joy and unity for the country of Canada and it's people. The truckers are the hardworking people who tie Canada together by bringing its people all they want and need. How spoiled and blessed we are and we don't even know it.	2/20/2022 2:02 AM
13289	Hope Encouragement that regular Canadians are standing up for their rights and freedoms!! Disgust in the PM and leaders of this country... more awake to what/ how politicians do!	2/20/2022 2:02 AM
13290	No, it does not affect my life. Only brought me back hope for the better future.	2/20/2022 2:02 AM
13291	Hopefully, increased Canadian community. Then complete anger with the primminister and his childish behavior and the realization that this has been coming for probably a long time. Grass roots vs chicken coop cities.	2/20/2022 2:02 AM
13292	It has finally given me some hope and happiness again	2/20/2022 2:02 AM
13293	About time we Canadians stand up for our selves	2/20/2022 2:01 AM
13294	Giving hope	2/20/2022 2:01 AM
13295	It hasn't	2/20/2022 2:00 AM
13296	It's the most positive protest/movement in my Canadian history. My time. It reminded me of what Canada stands for, what we're known for, love, peace, freedom, and did I say love?	2/20/2022 2:00 AM
13297	Given a tiny bit of freedom back	2/20/2022 2:00 AM

13300	Love them, freedom	2/20/2022 2:00 AM
13301	Given me hope that ther are common sense, hard working people who don't like being told the Gov can tell us what to with our own bodies	2/20/2022 2:00 AM
13302	Support them 100%, their strength and courage. God bless them. We are one	2/20/2022 1:59 AM
13303	Not at all. It has brought a lot of hope	2/20/2022 1:59 AM
13304	It has made me see through the deception of the Liberal party that I voted for in the last election. I struggle with the ethical issues of forced vaccination, when we all know, receiving a vaccine only protects the person receiving it. The convoy has made me realize that a port of entry closed for a week (Ambassador Bridge) is more important to Canada than the 2 years of small business' closing, people losing their houses, unable to put food on their table, the divide between families over a medical choice, and loved ones not being with those who are dieing.	2/20/2022 1:59 AM
13305	It has brought hope and happiness for me	2/20/2022 1:59 AM
13306	It brought me hope in my darkest days	2/20/2022 1:58 AM
13307	None apparent	2/20/2022 1:58 AM
13308	They have brought hope an unity to our lives. The past 3 weeks have been the best I've felt in years.	2/20/2022 1:58 AM
13309	Never. I support them for their courage and determination to set this country free. Regardless who they are or what their vaccination status are.. we are thankful they are fighting for our freedom. They do their best to bring food to our tables.	2/20/2022 1:58 AM
13310	Opened my eye to the dangerous intentions of Justin Trudeau. He is the sole threat to democracy in Canada. He would not en enter into discussions and instead used violence and force to oppress the people which is a criminal act of treason.	2/20/2022 1:58 AM

13321	They have given us hope and feeling like there are more people awakening to see what's really going on here.	2/20/2022 1:55 AM
13322	They have removed stress from do many of my countrymen , and made me proud to be a Canadian, and want to stay a united country.	2/20/2022 1:55 AM
13323	For the first time in 2 years, I've felt hope!! I've never seen our country try so incredibly united! The movement in Ottawa has been beautiful to watch! Until our PM incredibly the EMA! That's when everything changed and the violence began, brought on by them and only them! Absolutely shameful and disgusting behavior exhibited by our boys in blue!	2/20/2022 1:54 AM
13324	Made me proud to be a Canadian again	2/20/2022 1:54 AM

13331	Given me a sense of pride in Canadians standing up for their fellow citizens. Provided me with hope that we have not lost all sensibilities and empathy. It has shown people how corrupt and manipulative the liberal government is and the media.	2/20/2022 1:52 AM
13332	It hasn't . Truck on and be peaceful	2/20/2022 1:51 AM

13340	Gives me hope	2/20/2022 1:49 AM

13342	It's given me hope... I am proud of these Canadians.	2/20/2022 1:48 AM
13343	It has given some hope of the return of our democracy.	2/20/2022 1:48 AM
13344	It has not	2/20/2022 1:48 AM
13345	It has brought the light of hope for human rights and freedom. It makes me feel relieved knowing that we are stopping the government's enforcement of subjection on its citizens. We must have the right to choose what we put into our body, it doesn't make sense if we don't have this choice regardless of the decision made because it's our body and the only one we have. It brings Balance to an system of government that has sadly become unbalanced. It has made me see what the first and second world wars were about and how important it is to have freedom....it is LIFE! The trucking Convoy has brought heroes forward willing to stand for all humanity in maintaining the freedom that is our right to have. The Trucking Convoy is the hope of bringing back our lives! I couldn't see it in a more positive light!	2/20/2022 1:48 AM
13346	Concern for the truckers and other people there.	2/20/2022 1:48 AM
13347	It's brought back some hope of being Candien again	2/20/2022 1:48 AM

13352	Gave me some hope for sanity.	2/20/2022 1:47 AM
13353	Hope for a future	2/20/2022 1:47 AM
13354	I think is stupid , white privilege at its best I know what real oppression is I'm from El Salvador	2/20/2022 1:47 AM
13355	it brought hope peace and happiness together. i felt canadian again for the first time in two years. i love the truckers. they are We the People and it is their duty to our country to uphold the constitution in the face of tyranny and socialism	2/20/2022 1:46 AM
13356	Hasn't I support them 100%. I'm a trucker myself	2/20/2022 1:45 AM
13357	It's given me hope to renew our freedoms and get back to normal life . Unity speaks volumes . It has been amazing !to see the people be peaceful and unite	2/20/2022 1:45 AM
13358	Very positively it has being awe inspiring!!! I followed very closely on some forums and groups that I'm in and they have my support 100%	2/20/2022 1:45 AM
13359	I attended a freedom rally in support of the truckers recently and it was the first time I felt like a Canadian since Covid started. It was peaceful. A lady was giving away free ice cream. My 8 year old was running around with kids his age without masks on and they were laughing and smiling and seeing each other's faces. People were singing and waving their flags. Someone had a BBQ by their truck and made my son a hotdog. People smiled at me and my kids and I found myself going into my car and crying feelings of happiness afterwards. I just wanted so badly for the world to be like that again, without feeling like criminals while we were singing and checking in on each other. I want to feel like I am living in a free country again.	2/20/2022 1:45 AM
13360	Unity of the majority of Canadians, and hope.	2/20/2022 1:45 AM
13361	Not at all,Truedoe is a communist pm,he has cost us our jobs and lively hoods not the truckers,he only cares about quebec couldnt careless about the rest of canada he killed bc	2/20/2022 1:44 AM
13362	I am very disappointed in our PM not having the courtesy to meet with the truckers, hearing their concerns and searching for a resolution to the issue. Other than that I am not really affected as of yet.	2/20/2022 1:44 AM
13363	It has given me MORE hope in all my 60+ years that Canada can be united like never before, while at the same time sadness and embarrassment when revealing the corruption w/in our gv't/media/police	2/20/2022 1:44 AM
13364	They did not effect me personally but it upset me to now that it upset so many people.	2/20/2022 1:44 AM

Canadians vote on Canadian Mandate - February 2022

13366	Gave us hope! Renewed faith in canada and many Canadians . Made us lose all fair in our government and fear what Trudeau will possibly do next	2/20/2022 1:43 AM
13367	Not at all	2/20/2022 1:43 AM

13369	Given me hope	2/20/2022 1:43 AM
13370	It has brought life and hope to my life. They are heroes in my opinion and I support them 100%!!	2/20/2022 1:43 AM
13371	Some mandates were lifted	2/20/2022 1:43 AM
13372	It gave us HOPE	2/20/2022 1:43 AM
13373	In a positive way. It gives me hope that people are opening there eyes.	2/20/2022 1:43 AM
13374	I support 100% all the truckers but am angered how the police have brutally treated our fellow Canadians 😡I'm not proud to be Canadian & definitely do not respect law enforcement anymore!!!	2/20/2022 1:42 AM
13375	Yes they habe don't nothing but take away any empathy I may have had for those who chose not to get a vaccination. I am embarrassed by the behaviors of some and the organizers should be held supremely accountable ... They have not brought this Country together... they have divided everyone more which only makes our democracy weaker to Russia and China. You wanna fight for "Freedom"... sign up for iur military and head to the front line. Heros were those who fought on the TRUE front lines for Democracy.... These Convoys were mere copy cats of what happened on Jan 6 2021 in the USA... All they did was make me sad and angry...	2/20/2022 1:42 AM
13376	It has given some hope.	2/20/2022 1:42 AM
13377	?	2/20/2022 1:42 AM
13378	I support them standing up now when I can't. I have lost income for 3 months so I have to take a job that pays less than previous job in order to pay bills. I applaud them for standing firm and peaceful, standing for my rights to follow my faith without discrimination. I believe that truckers should not have to be required to take a vaccine to keep their jobs either. There is significant scientific evidence now showing that the vaccines do not stop the spread of Covid or prevent adverse effects so vaccine mandates are completely unnecessary.	2/20/2022 1:42 AM
13379	Positevely	2/20/2022 1:42 AM
13380	Gave me hope	2/20/2022 1:41 AM
13381	Its shown just how a loving peaceful protest can be turned into lies like terrorism by corrupt politicians.	2/20/2022 1:41 AM
13382	nothing	2/20/2022 1:41 AM
13383	Brought hope	2/20/2022 1:41 AM
13384	Very positive and supportive. Canadians are sheeple and most don't stand up. Proud to see some that do. The masses don't think things will affect them but it will and will be too late. I watched the demise of Venezuela. Happening here now	2/20/2022 1:41 AM
13385	It gave us hope and unity	2/20/2022 1:41 AM
13386	Made me feel like I am not alone in this huge hoax perpetrated on us by a corrupt government	2/20/2022 1:41 AM
13387	They didn't affected my life	2/20/2022 1:40 AM
13388	It hasn't	2/20/2022 1:40 AM
13389	It has given me hope. It has made me happy. I completely support the Convoy. I have watched alternative media and I do not believe or trust mainstream media. I pray for the success of the Trucker Convoy. End all mandates. Watch Reiner Fuellmich and the Grand Jury Trial. https://www.grand-jury.net/ or check out https://freenorthdeclaration.ca/	2/20/2022 1:40 AM
13390	It's important for them to be able to do the work that was required so that we can get our needs met.	2/20/2022 1:40 AM

Canadians vote on Canadian Mandate - February 2022

13391	It's made me realize that I'm not a minority. It's made me proud to be Canadian! It's giving me hope. It's showing me that protesting doesn't have to be violent. It's also showed me that we can't depend on our media to give us accurate information. It's shown me that the Liberal Government who are in power now are corrupt	2/20/2022 1:40 AM
13392	Brought awareness to the issues of the mandates and fought for our fundamental freedoms.	2/20/2022 1:40 AM
13393	Given me hope and inspiration in people again. I feel stronger, happier and know it's the right thing to do. Someone is listening!	2/20/2022 1:39 AM
13394	The local convoy has caused customers to my appointment needed business to be late, causing a ripple effect and impacting other customers	2/20/2022 1:39 AM
13395	Brought hope for a better future in Canada!	2/20/2022 1:39 AM
13396	It gives me hope.	2/20/2022 1:39 AM
13397	Given me hope for my country, confirming we must stick together in a Peaceful loving kind articulate respectful way to fight for our God given rights and Freedoms . Loving words and loving action and respect for all humans and freedom of choice can make us the best country in the world! God Bless them for being so brave! God Bless Canada true North Strong and Free !	2/20/2022 1:39 AM
13398	Made me proud	2/20/2022 1:39 AM
13399	Its given me hope that people will understand that once we give away the right to choose for our own body that we no longer are the sovereign owner of our body; the government is. That sets a president that allows the government sovereignty over our body and opens the door to Tyranny. The Truckers are a powerful group. I'm am in full support and am hopeful that we can help enough Canadians understand what is at stake. Humanity. Our very existence.	2/20/2022 1:38 AM
13400	All I will say is that I've been incredibly proud that there was a sector of our society that was willing to stand up for others, selflessly. And they are there as vaxxed and unvaxxed and they are there to peacefully ask for an audience with the government. And since when can the government choose to ignore and name call people they represent. You can't just represent people who think exactly as you - you must represent everyone. There have been many other demonstrations, but none has been more important than this one!!	2/20/2022 1:38 AM
13401	The unity is has brought back to Canadians has been hugely encouraging to people of all ages, colour , race, religion!	2/20/2022 1:38 AM
13402	A positive force standing for Canadian citizens' rights for freedom.	2/20/2022 1:37 AM
13403	I felt encouraged that at least someone in Canada still believes in democracy... unlike our government	2/20/2022 1:37 AM
13404	Has opened my eyes far wider as to the corruption of our governments, the lies and power over us they want. the fact that they controlled money that was meant for the Convoy..and could freeze accounts..and that the PMnever once respected or spoke with them makes me sick.he needs to step down and be made accountable for crimes against humanity..as well as many others around the world who have covered up the truth ..and took medicines away that could have helped people in early stages.. needless deaths and 2 years of trauma for everyone...The convoy doctors were passionate and explained it all..I hope the Grand Jury of the people gets seen somehow to wake people up..thanks for the survey..The Convoy has started the freedom movement ..we must not stop..we must not be complacent..or we are doomed to slavery to the elite..so sad.. the Convoy has given me hope that we are a strong Canada and will not be kept down..	2/20/2022 1:37 AM
13405	It has brought us hope.	2/20/2022 1:37 AM
13406	It has given me hope for my freedoms.	2/20/2022 1:37 AM
13407	Not at all, gives me hope.	2/20/2022 1:36 AM
13408	Nothing	2/20/2022 1:36 AM
13409	It has given me hope that Canadians can come together peacefully to regain our rights and freedoms in such a peaceful way. It has made me proud to be a Canadian, but it is so sad to see such unnecessary overreach from the government.	2/20/2022 1:36 AM

13410	Gave me my smile back after 2 years of hell. I joined them for 2 1/2 weeks in Ottawa	2/20/2022 1:36 AM
13411	It hasn't	2/20/2022 1:35 AM
13412	Unity. The first positive in a long time	2/20/2022 1:35 AM
13413	It has given me hope	2/20/2022 1:35 AM
13414	It has provided hope for our family	2/20/2022 1:35 AM
13415	Restored my hope for Canada	2/20/2022 1:34 AM
13416	Only positively.	2/20/2022 1:34 AM
13417	Encouragement	2/20/2022 1:34 AM
13418	It has brought hope and joy and given people the courage needed to speak up against the corruption and crimes against humanity. They deserve medals.	2/20/2022 1:33 AM
13419	Given me hope	2/20/2022 1:33 AM

13423	GIVEN ME PRIDE ABOUT BEING A CANADIAN! STANDING UP FOR MY AND REAL CANADIANS FREEDOM	2/20/2022 1:33 AM
13424	Stress, anger, and disappointment in my fellow Canadians	2/20/2022 1:33 AM
13425	Given me hope. Made me proud to be Canadian again.	2/20/2022 1:33 AM
13426	It has given me hope for the first time in 2 years. To know that we who support freedom are not just a few, but actually there are so many of us, and it's not anti-vax, it's just people who believe in the right to choose, and who've seen the horrible effects of the lockdowns.	2/20/2022 1:33 AM
13427	Hope ..love and a joy to be Canadian ..	2/20/2022 1:32 AM
13428	It has been inspirational but because of negative media reporting, and bad behaviour by a few members of the Convoy, it has continued to stress relationships. But I am grateful that these people, whose livelihoods have been destroyed, did not crawl into a hole to die, while leaving their kids starving on the street, but peacefully demonstrated to protect the rights that most Canadians do not even understand have already been severely eroded and will only continue to be further taken away -- as the Emergency Act demonstrates further to anyone who is actually paying attention!	2/20/2022 1:32 AM
13429	Positively.It shows me I'm not the only one that wants the end of mandates. Gives hope.	2/20/2022 1:32 AM
13430	It has inspired me even more to stand up for my rights	2/20/2022 1:32 AM
13431	Stupid dumb people facist Followers of the big pussy grabber from the usa	2/20/2022 1:32 AM
13432	It hasn't affected me at all. I'm proud of my fellow Canadians that are fighting for everyone to get Canada back to a democratic society.	2/20/2022 1:32 AM
13433	Its bin such a positive thing to come into my life and my families lives , it shows that people can still stand together and show people we are strong and we can get are freedom back	2/20/2022 1:32 AM
13434	Helped increase my education around the corruption taking place at the highest levels of government, inspired me to become more informed and involved in local politics which trickle upstream, provided me with hope that these situations can be rectified if we exercise our rights	2/20/2022 1:31 AM
13435	Bright me renewed hope. Also seeing the support of other nations has boosted morale.	2/20/2022 1:31 AM
13436	Given hope	2/20/2022 1:31 AM
13437	The love and support of the people on the overpasses with their flags waving and the people standing along roadways gave me goose bumps and hope. I just loved them blowing their horns. That really touched my heart with over flowing love I felt.	2/20/2022 1:31 AM
13438	It hasn't personally	2/20/2022 1:31 AM

13441	It gave me hope for incoming change and healing of the society in Canada	2/20/2022 1:30 AM
13442	Nothing negative. It's done what no others could do. Brought worldwide awareness to the tyranny we've all been forced to endure	2/20/2022 1:30 AM

13453	It has brought back some hope in humanity! Have cried alot of Happy tears. Nice to see people hugging and the happiness spreading throughout the globe	2/20/2022 1:29 AM
13454	It inspired hope around the globe.	2/20/2022 1:29 AM
13455	It gave me a glimmer of hope, for a minute. Then reaffirmed to me that this isn't a democracy and hasn't been for decades.	2/20/2022 1:28 AM
13456	Given hope to return to normal life	2/20/2022 1:28 AM
13457	It had given hope that finally voices against the mandates could be heard due to numbers, but sadly that isn't happening	2/20/2022 1:28 AM
13458	Gave me hope and was proud of them.	2/20/2022 1:28 AM
13459	Beautiful energy of people filled with love, and hope of positive change for this country . Lifted a sense of depression , helplessness, anger and hopelessness . So grateful so many came out in Ottawa, Toronto and other supporting areas.	2/20/2022 1:28 AM
13460	Given me hope	2/20/2022 1:28 AM
13461	Give me hope, that we can ented this bs.	2/20/2022 1:28 AM
13462	Gives me hope that the voice of the general public could be heard and that these draconian mandates could be lifted. Through these mandates, the Canadian government leadership has effectively and totally trashed the will of the people whom they were sworn to protect and serve.	2/20/2022 1:27 AM
13463	Has been an inspiration.	2/20/2022 1:27 AM
13464	Made me feel great that there are likeminded people out there fighting for our freedoms.	2/20/2022 1:27 AM
13465	I'm proud of the fact they stepped up to the plate, the world was, has, and cheered the Canadian Truckers on. Thank you Truckers!!!	2/20/2022 1:27 AM
13466	It has not affected me directly	2/20/2022 1:26 AM
13467	It's been unifying and given me hope and patriotism.	2/20/2022 1:26 AM
13468	Not directly but I fully support their mission ; it is a crime that the media CBC is so one sided and exaggerates the truth .	2/20/2022 1:26 AM
13469	Not really Anxious. Just wanting the truckers to succeed & have the mandates ended	2/20/2022 1:26 AM
13470	The trucking convoy demonstrated a knowledge of the true agenda behind the mandates. I	2/20/2022 1:26 AM

Canadians vote on Canadian Mandate – February 2022

respect the courage that it took for the truckers to expose that knowledge by convening in a central location with the anticipation that politicians representing them would live up to their duty to listen to the concerns. The affect on my life has been to learn that the politicians in Canada at all levels in government do not respect the people but have succumb to complying with an unfortunate global agenda. The affect on my life is the realization that all systems in the world such as political, health, economic, educational will all be dismantled and reconfigured, Ethical and honest people will emerge to provide guidance and leadership.

13471	Just hear the occasional trucking honk is ok.	2/20/2022 1:25 AM
13472	Feeling of hope that the people will rise up and get their freedom back that we had before this all started and get rid of the government that wants to destroy this great county of ours.	2/20/2022 1:25 AM
13473	They have given me hope and reason to believe there are good and peaceful people out there that care about this country and want to make a living and importantly, live like normal people!	2/20/2022 1:25 AM
13474	Slowed progress	2/20/2022 1:25 AM
13475	My cousin had to drive round the city because no store had baby formula. It's caused a lot of chatter around the barbershop I work at and it's honestly dividing our nation. Everyone is dealing with mandates and now supply chain issues to boot	2/20/2022 1:25 AM
13476	It gave me hope for the first time in years. I honestly didn't know if I'd ever feel that again.	2/20/2022 1:25 AM
13477	Not at all	2/20/2022 1:25 AM
13478	Given Canadians hope and pride once again	2/20/2022 1:25 AM
13479	Gave me hope for a better future. The week the Convoy started was the first week I felt true joy and hope in over a year. I hope God blesses each and every one of them.	2/20/2022 1:24 AM
13480	It hasn't at all and they deserve to be heard	2/20/2022 1:24 AM
13481	Slowly brought some hope into these deceiving times. Glad some light is finally being shown on the bigger agenda.	2/20/2022 1:24 AM
13482	They're heroes. For the first time in two years, I feel hope to see the end of the pandemic restrictions. They are the ones that brought back some cohesion in the country, finally! They're the ones that have a narrative that makes sense!!!	2/20/2022 1:24 AM
13483	It brought feelings of hope, unity, positivity, pride in being Canadian.	2/20/2022 1:24 AM
13484	Given hope for Canada in restoring freedoms.	2/20/2022 1:23 AM
13485	It has affected goods so supply chains in Canada and the USA	2/20/2022 1:23 AM
13486	It has given me hope and has united our country and the world again.	2/20/2022 1:23 AM
13487	Not at all in fact I cheer them on	2/20/2022 1:22 AM
13488	No	2/20/2022 1:22 AM
13489	It has given the people of Canada Hope	2/20/2022 1:22 AM
13490	It has inspired me to see people standing up for what they believe in!	2/20/2022 1:22 AM
13491	I felt proud of my fellow Canadians	2/20/2022 1:22 AM
13492	I finally no longer feel alone. I feel heard because they express my sentiments. I am feeling pride in being Canadian because of these truckers. They bring hope. They are peaceful and respectful. They stand for what this country is about....freedom! Democracy! Kindness! But most importantly they are standing up for our constitutional rights!	2/20/2022 1:21 AM
13493	It has given me hope. Canadians should of stepped up long before but these truckers are brave. A government should never have this kind of control. Our grandfathers fought and died for our freedom. They stood of and so did the rest of the world! I am thankful that the truckers did this! I'm sorry that Ottawa residents are annoyed but it's a small price to pay for freedom. The truckers and myself see the big picture of what the corrupt government is trying to do and I have hope and I pray for our freedom to be reinstated and for Justin Trudeau to be charged and removed!	2/20/2022 1:21 AM
13494	They have given us hope and we feel empowered to take control of our lives again.	2/20/2022 1:21 AM

13497	It's given me some hope	2/20/2022 1:21 AM
13498	They're doing what many can not and I'm proud of them for standing up for all of this. They're protesting peaceful and respectful.	2/20/2022 1:21 AM
13499	Finally hope for things to improve in Canada	2/20/2022 1:20 AM
13500	It's shown me how dangerous misinformed people are.	2/20/2022 1:20 AM
13501	N/A	2/20/2022 1:20 AM
13502	Given me hope	2/20/2022 1:19 AM
13503	Brought life to Canada, created unity. Gave many hope.	2/20/2022 1:19 AM
13504	It has given me sum hope that there are enough patriots in the communist canada that will turn the tides back to a free canada	2/20/2022 1:19 AM
13505	Nothing directly. I salute them for taking a stand, unlike most of the country.	2/20/2022 1:18 AM
13506	Given me hope that things might change for the better	2/20/2022 1:18 AM
13507	It has disgusted me that Canadians would follow the likes of Pat King, Chris Scott or anyone on a mission to take down our government. I knew from the beginning this was not truckers.	2/20/2022 1:18 AM
13508	It's given me hope.	2/20/2022 1:18 AM
13509	It has not	2/20/2022 1:18 AM
13510	Hope!!!	2/20/2022 1:18 AM
13511	Made me proud to be a Canadian and gave me hope for a return to normalcy and a better world !	2/20/2022 1:18 AM
13512	No affect at all, power to the trucking convoy fighting for our freedoms	2/20/2022 1:17 AM
13513	it has given me hope for change, that maybe the government would listen to Canadians, and shown me that there are many more people that want freedom than are spoken about on mainstream media. It has also shown me how much mainstream media lies and that our country wants to be unified. I fully support the peaceful process.	2/20/2022 1:17 AM
13514	No negative affect. Just great joy seeing them sacrifice so much for all of us!	2/20/2022 1:17 AM
13515	I was able to experience the joy of seeing happy children smile and play for the first time in two years. There was SO MUCH LOVE. The Freedom Convoy renewed my sense of hope, joy and love. Complete strangers saying, "I love you!" and "God bless you!" People giving out Hot Shots and granola bars. I got to have a deeper appreciation for veterans because they wore their medals and we chatted about our shared values and gratitude for the sacrifices that had secured our democracy. I learned more about Indigenous women drummers being healers. I met immigrants who had escaped tyranny. I chatted with older kids to help affirm how important and awesome it was for them to be there. They were proud of themselves. It was beautiful. But, mostly, we shared love. After two maliciously soul crushing years, we got to share love. Although horrified and genuinely afraid for my life because of our politicians' deceit and brutality, I feel stronger and more determined to continue standing up for our right and freedom to be human - to share love and be loving.	2/20/2022 1:17 AM
13516	Not	2/20/2022 1:17 AM
13517	It has given me hope that the citizens concerns will get addressed soon and effectively.	2/20/2022 1:17 AM
13518	It's made me proud to be Canadian again	2/20/2022 1:17 AM
13519	It gave me hope for a better future	2/20/2022 1:17 AM
13520	Give me hope that there is still some good, common sense people left in this country.	2/20/2022 1:16 AM
13521	Hasnt	2/20/2022 1:16 AM

Canadians vote on Canadian Mandate - February 2022

13522	They have given me hope, let me know that I am not alone, and have helped me to feel united and proud to be Canadian once again.	2/20/2022 1:16 AM
13523	It has given me, my family and everyone I know so much hope for the FIRST time since COVID began.	2/20/2022 1:16 AM
13524	It has given me hope that the restrictions could end soon.	2/20/2022 1:16 AM
13525	It has made me proud to be Canadian, happy and thankful to the truckers, Farmers and people who have gone to peacefully protest and try to stand up for our rights and Freedoms.	2/20/2022 1:15 AM
13526	I've never been prouder of fellow Canadians.	2/20/2022 1:15 AM
13527	The Trucking Convoy has given me hope, and brought Canadians together to fight the evil trying to take control of all of our lives. The truth about what is really happening has nothing whatsoever to do with the virus. Wide Awake!! Watching Police beat peaceful protesters and seem very happy to do so, reminds me of a horrible piece of history I fear is about to be repeated. Politicians are not doctors and have absolutely no right to control our choice. Truckers are speaking for Canadians!!	2/20/2022 1:15 AM
13528	They have given me & many Canadians hope to end all mandates & freedom of choice!!	2/20/2022 1:15 AM
13529	I feel like they represent a great deal of Canadians	2/20/2022 1:15 AM
13530	It hasn't.	2/20/2022 1:15 AM
13531	It had made people angry. It has given rise to hate amongst Canadians. I am so ashamed right now when I see a Canadian flag.	2/20/2022 1:15 AM
13532	Given me a sense of hope and freedom as I realize that I am not alone. There are thousands of fellow Canadians that feel just as strongly as I do, who love Canada deeply and want to see us live our lives in freedom. I have never been as proud to be a Canadian as I have supporting and following the Freedom Convoy. It has lifted the cloud of fear and anxiety. It has shone a spotlight on the lies and propaganda that the government has been spinning. Ist knowing there are so many people around the world who are supporting and standing together, fills me with hope. It is a welcome respite from all the fear mongering that we've been force fed for 2 years.	2/20/2022 1:14 AM
13533	It's given me hope	2/20/2022 1:14 AM
13534	I finally don't feel alone. It's finally a voice for people	2/20/2022 1:14 AM
13535	Upsetting how many lawless people are out there who believe they are above the law and disrespect our country.	2/20/2022 1:14 AM
13536	makes me feel proud to be canadian	2/20/2022 1:14 AM
13537	It has been encouraging to know that other people feel the same way about the government encouraging the firing of Canadians based on what should be a personal health choice. No one should lose their ability to live/make ends meat because of that!	2/20/2022 1:13 AM
13538	Opened my eyes to how many people misunderstand federal vs provincial jurisdiction, the Charter, etc. and the hypocrisy of people raging about so-called freedom by terrorizing thousands of people in their own neighborhoods and resulting in hardworking individuals losing pay due to businesses being closed due to safety/harassment concerns. Also the using kids as human shields part made me want to vomit.	2/20/2022 1:13 AM
13539	None	2/20/2022 1:13 AM
13540	They gave me hope!!!	2/20/2022 1:13 AM
13541	Encouraging that there are peacable people that care about human rights and will risk thier well being for the future of this country.	2/20/2022 1:13 AM
13542	Much hope for ending mandates. Opened my eyes to Mainstream media's distortion of reality, found new friends. Want to go and visit the beautiful Canadian people all over Canada.	2/20/2022 1:13 AM
13543	It gave me hope	2/20/2022 1:12 AM

13564	It has awakened me to the corruption of our governments, provincial, federal and the rest of the world. It has awakened me to see how the virus has been used to strip me of my rights as a human being.	2/20/2022 1:09 AM
13565	Gave me hope of change	2/20/2022 1:09 AM

13570	Gives me hope for a positive change	2/20/2022 1:09 AM
13571	It has made traffic congested and the constant honking is annoying	2/20/2022 1:09 AM

13574	sad they were defeated	2/20/2022 1:08 AM
13575	Opened my eyes to the truth about how the federal gouvernement is a dictatorship wanting power at the cost of our freedom. They should talk to each other. Trudeau is not honest he changes his mind when it suits him.	2/20/2022 1:08 AM

13588	Greatly, in a positive way. I have been aware of what is going on for some time. Now I see Canadians across the country standing up and speaking up.	2/20/2022 1:05 AM
13589	It has been the most positive, hope filled, inspiring and patriotic thing to happen in a long time. I can see my children's future again.	2/20/2022 1:05 AM
13590	Made freedom on the global stage, and show everyone what a POS Trudeau is	2/20/2022 1:05 AM
13591	The trucking convoy has given me hope. I am extremely proud of the people who has taken such a strong stand, just like the soldiers in past wars have done, to fight for our freedom. If not them, who? If not now, when?	2/20/2022 1:05 AM
13592	Given hope	2/20/2022 1:05 AM
13593	Cheered me up like nothing has since the mandates started! And brought our family together in hope and faith in humanity!!!	2/20/2022 1:05 AM
13594	Glad to see that Canadians are finally waking up to see covid 19 was a scam and see the real reason we are fighting for our freedom before it's to late	2/20/2022 1:05 AM
13595	It has raised hope and opened our eyes that we can make a difference. The difference to keep our freedoms and not be over run by the government we put in place . This current government thinks they are our boss when they actually work for us the people. They need to be held accountable for every single wrong doing they have done to thier own people. Justice shall prevail	2/20/2022 1:05 AM
13596	It has helped my entire family feel we are not alone. It has helped give us some hope to end this tyranny.	2/20/2022 1:04 AM

13606	It's given us hope for freedom from this evil global tyranny!	2/20/2022 1:04 AM
13607	Brought pride in my country back.	2/20/2022 1:04 AM
13608	Because of the convoy I realized that there are more people than I thought who disagree with the mandates. Made me feel good. The truckers haven't affected me directly but it has gotten the ball rolling for other provinces to drop the mandates. Sure wish BC would follow suit!	2/20/2022 1:03 AM
13609	Hope. Inspiration. Something to look forward to again.	2/20/2022 1:03 AM
13610	Giving us hope	2/20/2022 1:03 AM
13611	Given me some hope. Protests allowed me to get through another	2/20/2022 1:03 AM

13617	Helped bring down mandates so I could actually sit in a restaurant with my family	2/20/2022 1:03 AM
13618	It's good to see that not everyone has given up hope for freedom	2/20/2022 1:03 AM
13619	It hasn't	2/20/2022 1:02 AM
13620	I feel the truck convoy brought hope and unity. All of a sudden there was a group of people who were discouraged and fed up just like I was. People who were not afraid to stand up and make their voice heard. People who were not afraid to say something wasn't right and to defend the oppressed! I saw unity in our country when people came together to wave our flag.	2/20/2022 1:02 AM
13621	It made me feel good that we had them on our side and fighting for our freedom that Trudeau took away from us	2/20/2022 1:02 AM
13622	It hasn't	2/20/2022 1:02 AM
13623	We went to the swimming pool the first weekend it was open. Thanks to the convoy for putting pressure on Alberta.	2/20/2022 1:02 AM
13624	Proud of them for protesting against mandates	2/20/2022 1:02 AM

13626	Created a bit of hope for an end to this constant misdirection by media and more and more coercion by the government for more and more shots etc with no relief in sight	2/20/2022 1:01 AM
13627	They give Canadian's hope and courage to stand up to Trudeau. With Trudeau there is no hope.	2/20/2022 1:01 AM

13630	I felt hopeful for the first time in 2 years.	2/20/2022 1:01 AM
13631	It has made me proud to be Canadian again, but the fascist response to use violence against peaceful protesters and freeze their bank accounts has destroyed my faith in Canada	2/20/2022 1:01 AM
13632	It has made me realize that there is hope and that we as Canadians truly have a voice. Whether you agree or not with them. The government realize that they can not do whatever they want.	2/20/2022 1:01 AM
13633	This HERO restored my hope for humanity!	2/20/2022 1:01 AM
13634	I have been tremendously encouraged and hopeful for their reason to be considered BUT absolutely enraged by the mainstream media talking violence from the very beginning AND have never had such a low opinion of any government leader as I now have of our Prime Minister, who actually has investment interest in the making of all of the Covid vaccines that he pushes by his agenda. It is obvious that the mandates are more about control than anything	2/20/2022 1:01 AM

to do with health. His approach to the convoy and his inflammatory comments clearly indicate that he is more committed to a world agenda than he is to Canadians.

13635	It has strengthened my love for my country	2/20/2022 1:01 AM
13636	It's been the best thing that has happened for our Country- it has helped show true colours of some.	2/20/2022 1:01 AM
13637	Seeing the convoy I see it as a peaceful thing for people standing up for our constitutional rights	2/20/2022 1:01 AM
13638	Brought hope and belief that maybe things will change and go back to having the freedoms we used to have.	2/20/2022 1:01 AM
13639	It was like fresh breze of HOPE and felt like sunny green SPRING after two years of long winter :)	2/20/2022 1:00 AM
13640	I'm deeply saddened to see alt-right, US funded extremism in action on the streets in Canada. I'm angry about the dereliction of duty to protect the peace for the residents of Ottawa. This was absolutely unforgivable. Many heads should roll. I don't support Trudeau's invocation of the Emergencies Act, but the police should have been doing their job from day 1 and it wouldn't have come to this. I guess I would be foolish to think this new found reticence to crack head will extend to people protesting for environmental or indigenous justice. Hahahahaha!! On a personal level I'm being subjected to my brother who lives in the States sending me right wing lies from Faux News and crap about police horses killing old ladies. Thank god we don't have as many of these shitgibbon flat earhters in Canada.	2/20/2022 1:00 AM
13641	Positively!! They've given millions of people hope around the globe and have started a global movement! It's amazing! Very proud of them!!	2/20/2022 1:00 AM
13642	It has given me hope and joy for the first time in 2 years, a feeling of pride at being a Canadian, and most of all feelings of extreme admiration, respect and love for these amazing people who have sacrificed so much in their lives out of their conviction and belief in their core values (in freedom, democracy and faith). which made me 'feel Canadian' for the first time in my life as a first generation Canadian.	2/20/2022 1:00 AM
13643	Made me proud to be a Canadian again and gave me hope for change for our kids future.	2/20/2022 1:00 AM
13644	Given hope that we can still get our freedoms back	2/20/2022 1:00 AM
13645	They gave me hope that we can start to return to a little more normality.	2/20/2022 1:00 AM
13646	Gave us hope for our future	2/20/2022 12:59 AM
13647	They have given our family hope for the future we would like our children to have.	2/20/2022 12:59 AM
13648	It has given me hope for returning to normal and gaining our lives and freedom back. Slight faith in humanity. Made me ashamed to be Canadian watching our government and police not follow the oaths they took to serve and protect us.	2/20/2022 12:59 AM
13649	Proved some one has integrity	2/20/2022 12:59 AM
13650	It has given us hope again!	2/20/2022 12:59 AM
13651	Gave me hope	2/20/2022 12:59 AM
13652	Its a beautiful thing	2/20/2022 12:59 AM
13653	I support the right to peaceful protest. I do not support blocking roads. Some food items are sold out. I get stuck downtown calgary for hours every Saturday because of the protesters. I am glad that people are pushing back against trudeaus vaccine passports, but the way they are doing it is only making people suffer more.	2/20/2022 12:59 AM
13654	I'm happy to know some people are fighting for what's right	2/20/2022 12:58 AM
13655	I support them 100%.. we are all for freedom of mandates!! Canada is a free country let's keep it free!! Pro choice!!	2/20/2022 12:58 AM
13656	Given me a renewed hope.	2/20/2022 12:58 AM

Canadians vote on Canadian Mandate - February 2022

13658	Improved the potential for eliminating mandates that make no sense.	2/20/2022 12:58 AM
13659	N/a	2/20/2022 12:58 AM
13660	It gave me hope. People coming together in unity, supporting each other & wanting freedom back. It's the absolute best thing to have happened. It woke the world. I'm still supporting them all. It's far from over	2/20/2022 12:58 AM
13661	gave me a sense of hope. showed unity and that the majority of Canadians are all on the same page	2/20/2022 12:57 AM
13662	Made me feel patriotic again. Pleased me because it showed once again that Trudeau is NOT a Leader.	2/20/2022 12:57 AM
13663	It hasn't. We support them. I appreciate someone fighting for our freedom, and the positive videos we see from it give us hope that we can come together as a society and stop this anti this anti that crap and just accept each others. And support. It great to see there's hope to go back to our normal lives.	2/20/2022 12:57 AM
13664	gave me hope!!!!	2/20/2022 12:57 AM
13665	It has given me hope. That there are people willing to stand up to government corruption.	2/20/2022 12:57 AM
13666	Frustrated and Angered by the PM's handling of the situation. Not listening, refusing to meet and/or discuss. Pushing through an unwarranted emergency act. Name calling of Canadians and claiming that the truckers are disrespectful and disorderly. Disrespectful and inappropriate behaviour has been displayed by police not the protesters!!! The PM's behaviour has been SHAMEFUL!!!	2/20/2022 12:57 AM
13667	First time I've felt pride to be Canadian in months. Breath of fresh air. Real people sharing their voice.	2/20/2022 12:57 AM
13668	Opened my eyes to the political bs that we as humans are being feed for a select few to make millions.	2/20/2022 12:57 AM
13669	Those truckers represent the voice of all of us suffering from the government abuse we have been suffering these oast 2 years. They brough hope to my life.	2/20/2022 12:56 AM
13670	I love what the truckers are doing for are rights and freedom this gov need to go	2/20/2022 12:56 AM
13671	Not at all	2/20/2022 12:56 AM
13672	It has given me great hope for this country and my future as a Canadian.	2/20/2022 12:56 AM
13673	Proud to be Canadian for 1st time in my life	2/20/2022 12:56 AM
13674	For the first time in a long time I saw unification and felt great pride	2/20/2022 12:56 AM
13675	It has not but I am happy to see some stick up for the people	2/20/2022 12:55 AM
13676	It has given me hope	2/20/2022 12:55 AM
13677	They have given me hope and a tremendous amount of patriotism once again. The love and compassion these people have makes me believe in people again.	2/20/2022 12:55 AM
13678	Restore hope Hope for our beautiful country. God keep us.	2/20/2022 12:55 AM
13679	It hasnt really, it's helped me see that there are more Canadians frustrated with how much our government has been abusing their power. The convoy has helped show everyone just how corrupt our prime minister is, how petty he is. Such an embarrassment to have him as a "leader" This Convoy has given me hope, has made me proud to be a Canadian again.	2/20/2022 12:55 AM
13680	Not at all!!!	2/20/2022 12:55 AM
13681	The Trucking Convoy Gave Many of us HOPE. HOPE that maybe if enough People went to Ottawa, were Peaceful, that Our Prime Minister would meet with the Representatives for a discussion for an end date out of these Terrible Mandates! Instead Justin Trudeau ran and hid. Then when he reappeared, I think most of us thought or strongly hoped he would then meet with the Truckers Representatives. Instead Justin threw all kinds of Verbal Insults towards them and anyone else who had a different point of view than him! I've seen Video after Video of the Peaceful Protest. There are People there that I trust that would show what was TRULY	2/20/2022 12:55 AM

Happening. Main Stream Media appears to not tell the truth... How is it a person can watch or read multiple Outlets and they All sound like a bunch of Parrots with the same trainer? The Convoy Fed the Homeless and the Hungry. They donated to Shelter's. That warmed my heart! I saw Ministry happening, I saw kids making these Trucker's Cry by the Cards and the drawings Children made. I saw Ottawa Citizen's go there and bring food and drinks for the Truckers. I saw the Tomb of the Unknown Soldier cleaned what seemed like daily and Flowers laid. I saw Our Heroes, The Veteran's have what looked like Services at the War Memorial. I saw Dancing in the Street. I didn't care for all of the music I heard but it wasn't about me! There was Dancing! I saw what looked like the United Nations.. People of every Colour, Race, Creed, Religion, Gay, Straight... Whatever Show LOVE to Each Other! I saw Heart to Heart Connections! To me I thought this looks similar to how things were back in the 1960's! I saw People of All Races and walks of life from the Homeless to the appearance of Wealth talk together, eat together. That's Beautiful!! I saw Bouncy Castles for the kids. I saw what looked like something out of a Hallmark Movie! I also heard loud and clear when the Idiots showed up with those Unacceptable Flags, asked to leave by Convoy! Told they were there to be Peaceful and Respectful. I saw Truckers Shovelling Snow, Picking up Garbage, Making Snowmen. I saw Street Hockey being played... a Canadian thing to do... I thought how our Boys would have loved to have been there for that. I did see a few People that went down there and were upset with the horns. I don't blame them for being angry about that. I'm sure it probably did become annoying. I also heard People from the Convoy tell them they just want a meeting with Our PM and that they were there for All of Canadians Freedom and even though they disagreed with them... They were loved. We are Social Being's, We need Connection! I saw Police Officers having conversations with the truckers. Laughing and smiling together. Things were Peaceful and I felt hopeful, that these Mandates would come off if not immediately at least within two or three weeks! Instead I watched a Prime Minister throw fuel onto a fire! I also saw Experts that had invited Theresa Tam and Company to a debate. Once again I was hopeful that what these Experts with Credentials as long as their arms, would be able to present, along with what the other side had to say... and these Mandates would be over! No such luck, No Show with Theresa Tam and Company. I still got to listen to the Experts! And it basically confirmed what I have been feeling and saying. My heart is now Sickened by what I have witnessed since Trudeau called the Police and Whom Ever those other Violent Officers in! The Peaceful Demonstration became Un-Peaceful not by the Truckers but by what appeared to be Goons with no reasoning! None of the Protesters that I saw had any kind of weapons! So for me it made no sense. Especially when the Truckers and Supporters just wanted to go back home and would have left on the second day or any day after if Trudeau would have only met with them or sent someone else to meet with them like they have done in the past. One thing is for sure... Those Truckers United People all across Canada including Alberta and Quebec! I kept wishing I was there to share the love. I've never witnessed a Protest like that in my life! I'm sure People from around the World were laughing at the Truckers and Supporters, instead of Damaging Police Vehicles, No smashing of Business Windows and looting. No Burning of the City! They got a Love Fest and Street Party instead. I guess you could say the Trucking Convoy gave me Faith Not in Our Government, I've never felt such disrespect for a Prime Minister in my life! But it gave me Faith and Hope in Humanity again. Like the Old Days, when People looked out for each other and I am Grateful for that. I do hope our Prime Minister has learned that acting like a Spoiled Rotten Child, Nor Acting Like a Dictator works for the Citizen's of a Country that has been Free up until the last two plus years! Hopefully he will get an "Attitude Adjustment" and Figure out that just because Some do Not Agree with his way of thinking, does Not make them Deplorable! If he cannot be a Respectful Prime Minister, then maybe it's time to turn his job over to someone else who can be a Respectful Leader and Unites instead of Dividing the Country!

13682	The truckers convoy has given me hope again It was high time for someone to stand up and fight for our freedoms that are very slyly being taken away	2/20/2022 12:54 AM
13683	Good for them for speaking up	2/20/2022 12:54 AM

13689	Hasn't	2/20/2022 12:54 AM
13690	It has given people and myself hope that mandates and Trudeau will be gone immediately	2/20/2022 12:54 AM
13691	They've made me proud to be Canadian	2/20/2022 12:53 AM
13692	It has moved me to tears seeing Canadians coming together to make a positive change. It saddens me that the media has portrayed the trucking convoy to be such a negative thing when in fact, they're taking steps in the right direction to fight for not only our freedom, but the freedom of the generations to come. I want my nieces and nephews and their kids to have a say and voice in their lives and not be ruled by the government. This whole pandemic is heart wrenching and sad; so much division. We just need an end to it all and I have respect for those who are peacefully protesting for positive change. Not many use their voices and actions for positive change - I'm proud of our country for their passion and action to see change.	2/20/2022 12:53 AM
13693	Sad to see fine humans treated so poorly by the government.	2/20/2022 12:53 AM

13697	I'm fully behind what they are doing and it makes me feel proud to be Canadian again after 2 years of nightmares, isolation and depression.	2/20/2022 12:53 AM
13698	It hasn't what they are doing is selfless and incredible and if it wasn't for having small children and responsibilities of my own I would be there with them fight for our freedoms!!	2/20/2022 12:53 AM
13699	The trucking convoy is the first glimmer of hope I've had in a long time. GO FREEDOM CONVOY ♡	2/20/2022 12:52 AM

13703	It has given me hope	2/20/2022 12:52 AM
13704	It has brought hope to me and my family to know that others are feeling the same frustration with these medical experts who are seemingly calling the shots on what we are allowed to do in our communities.	2/20/2022 12:52 AM
13705	It gave me hope that we can have our lives back and PM actions have destroyed all hope in our government, JT is not a leader, he must go! He is a tyran that kneels for police brutality one day and the next day he is the cause of police brutality we see today in Ottawa, a peace loving Canadian older woman lost her life and her blood is on Justin Trudeaus hands!	2/20/2022 12:52 AM
13706	It has not effected me	2/20/2022 12:51 AM
13707	It gave me hope for the first time in a long time	2/20/2022 12:51 AM
13708	The truck convoy gave me hope, that I hadn't felt in what felt like forever. I felt happy again. It inspired me to go to my first rally in support and that was one of the most beautiful experiences of my life. Seeing all the people and their smiling faces was pure joy. Watching other Canadians cheering the convoy along the way to Ottawa was so up lifting. For the first time in a long time I knew I wasn't alone or that there was more than just a few of us that felt this way. And all of the live videos from social media helped me understand just how corrupt our legacy media is...I knew is was bad but not as bad as it really is.	2/20/2022 12:51 AM

13762	It has given me hope for the future and has brought to light to canadian citizens as to what has been happening behind the scenes with the government	2/20/2022 12:45 AM
13763	In a positive manner, it has restored my faith in humanity. They have the courage to stand up for our freedom... God help us all, our so called Government do NOT have the people's well being on their list of priorities. We live in a world I hate	2/20/2022 12:45 AM
13764	I had hoped that perhaps Trudeau & his Liberal Government would at least hear the Trucker Convoy's message which they were bringing to Ottawa voicing what many of us are feeling & wanting. The way our government has handled this is disturbing & extremely upsetting. This is not the Canada I grew up in where every citizen had a voice & could be heard & their opinion validated. It is a very sad time right now in Canada, I am so very disappointed in our government's leadership & handling of this pandemic & their response to the Trucker's Convoy.	2/20/2022 12:45 AM
13765	Encouraging, hopeful, know our rights are going to be restored.	2/20/2022 12:45 AM
13766	It has given me hope that maybe the people will wake up and stand up to the government! The truckers are doing a great job but the government will use "dirty" tactics to back the truckers off! But our Premiere has lifted some of the mandates!	2/20/2022 12:45 AM
13767	So glad to see someone is trying to fight for our freedoms back	2/20/2022 12:45 AM

13773	It gave me hope.	2/20/2022 12:44 AM
13774	I feel more united with other province's and other parts of the country than I have for a long time. I am pleased that people are actively engaging in ideas and political discussions rather than just going along with things. When people are engaged and a part of the political process, you can reach better, more representative outcomes.	2/20/2022 12:44 AM

13776	Hope	2/20/2022 12:44 AM
13777	No, in the contrary. Peace Convoy Against Mandates have been the voice of the majority of Canadians in their unconformity and exhaustion of the way J. Trudeau, his Liberal party, his cabinet and the provinces have handle the pandemic and spend so much money to control the course of the mandates and implemented the unjustified Emergency Act against all Canadians.	2/20/2022 12:44 AM
13778	made me proud to be canadian again. gave me hope that people are realizing that this is all BS	2/20/2022 12:44 AM
13779	It's the first time I have felt hope in my nation in a looking time.	2/20/2022 12:44 AM
13780	It has opened my eyes even more to how poorly our government acts.	2/20/2022 12:43 AM
13781	They are patriots who are exercising their right to protest & it's about time someone stood up to this authoritarian BS. I will support these protests until all mandates are dropped and normal life resumes for ALL Canadians.	2/20/2022 12:43 AM
13782	It hasn't affected my life	2/20/2022 12:43 AM

13788	Gave me some hope that things could change	2/20/2022 12:43 AM
13789	It gave me hope, that their right to peacefully protest would be respected and that a discussion between the Liberals and the convoy organizers would happen, to find a solution for everyone.	2/20/2022 12:43 AM
13790	I agree with the freedom message but not the blockades	2/20/2022 12:43 AM
13791	Not much. I support the right to protest even when I think it's misguided and misdirected. Might be useful to understand that Inconvenience is not oppression	2/20/2022 12:43 AM
13792	It has not affected me physically but caused disagreement with others. Revealed the arrogance of our government and that we do not have a democracy or representation anymore. Very sad.	2/20/2022 12:43 AM
13793	I have hope again and and I am so proud of the Canadians that have the wisdom, sensitivity and courage to try to do what they can to save the Canada I love. The convoy is all about love and unity coast to coast to coast.	2/20/2022 12:42 AM
13794	By showing the world Canada produces morons	2/20/2022 12:42 AM

13796	It has caused me to question how much people can really get away with in this country if they don't like rules that are in place to keep them ans others safe.	2/20/2022 12:42 AM
13797	In a positive manner ,it has given me hope that someone might actually listen to what I've been thinking and many other people	2/20/2022 12:42 AM
13798	Gave me hope	2/20/2022 12:42 AM

13808	Made me more distrustful of Trudeau government and made me wonder what their hidden motives are with the vaccine mandates. It doesn't make sense to be implementing new mandates when everyone else is lifting them.	2/20/2022 12:40 AM
13809	It gave me hope	2/20/2022 12:40 AM
13810	The convoy has brought so much love and light into my life. Its also brought tears of sadness to my eyes hearing all of the convoys stories. The convoy is one of the reasons why I am so PROUD to be a canadian. United We Stand! Peacefully!	2/20/2022 12:40 AM
13811	It has given me hope that people will see they are not alone in this battle. It has given me joy to see people unite, spread love and stand up for their beliefs. It has given me faith that there is support available for everyone. Even those who have chosen to not simply do as they are told and have done their own research to continue to live in a way that aligns with their morals, values and rights as an individual. I felt like someone was on my side.	2/20/2022 12:40 AM

13817	It has not	2/20/2022 12:39 AM
13818	it gave people hope and sparked the anti WEF movement finally, WEF overtook many governments of the world, including Canadian government. Canada is heading to tatality. Practices of Canadian government ar totalitarian and against constitution of Canada. government is doing unacceptable things	2/20/2022 12:39 AM

13824	Makes me proud	2/20/2022 12:39 AM

13832	Hope. Light. Because my fear is in no way related to the virus but has everything to do with the lack of reflection, debate, common sense that the politics have brought on...	2/20/2022 12:38 AM
13833	I am in Ottawa right now, the traffic is chaos, there is unrest, police officers are put at risk, resources from the government are being wasted because of this dysfunctional protest. Things are taking its course and if they dont like Trudeau, why did they not vote on the last election against him? I did vote against and the majority won and we all have to suck it in. Please stop the selfishness, we need to be a united country again.	2/20/2022 12:38 AM

13845	Hopeful !!! Proud !!!	2/20/2022 12:36 AM
13846	I have never been so proud to be a Canadian. They are our hope for a future with freedom. Trudeau is an monster and in all my life I never thought our police would obey an order to harm the very people standing for the future of mankind, including them. These police broke their vow to protect Canadians. After all we've been through for two years, what just happened in Ottawa is traumatizing.	2/20/2022 12:36 AM
13847	It's the only hope we've had in months	2/20/2022 12:36 AM

13861	Given me hope to end this madness, given me community again, felt loved and acknowledged again. May God bless these truckers!!!	2/20/2022 12:35 AM
13862	It has angered me that the Canadian flag is being used as symbol of tyranny. It has made me feel ashamed of the image of Canadians that is being projected to the world. It frustrates me that Canada is being portrayed as a country of oppression and lack of freedom.	2/20/2022 12:35 AM
13863	Has given a sense of patriotism to Canada once again	2/20/2022 12:35 AM
13864	A great inspiration	2/20/2022 12:35 AM
13865	It really touched my heart for what they are doing and wanted to go as well out there and support them.	2/20/2022 12:35 AM
13866	Made grocery shopping hard. When living in a province that has delayed shipping as it is this is making it worse	2/20/2022 12:35 AM
13867	Yes because they are fighting for freedoms. We are a democratic country not to be run by a discriminatory tyrant	2/20/2022 12:34 AM
13868	Privileged people who think money and noise will help them get thier way	2/20/2022 12:34 AM
13869	given hope and something new to talk about bringing people and canadians together	2/20/2022 12:34 AM

13877	Brought hope	2/20/2022 12:33 AM
13878	Opening up peoples eyes	2/20/2022 12:33 AM

13884	Finally, the trucking convoy has given me some Candian pride that was lacking for many years. Probably since Trudeau the 1st.	2/20/2022 12:33 AM

Canadians vote on Canadian Mandate - February 2022

13885	Enduced more fear about how governments are handling	2/20/2022 12:33 AM
13886	Hope, people feel the same way as I do. End the madness	2/20/2022 12:33 AM
13887	It has brought a spark of hope that truth will prevail. I'm proud to see that there are some people who are REALLY standing up to our evil government.	2/20/2022 12:33 AM
13888	Excitement & hope! More people have to flood the mail, emails, phones, office web site of all politicians. So they hear clearly what Canadian's expect, not some "poll" that no one I've talked to has been polled.	2/20/2022 12:33 AM
13889	Very proud	2/20/2022 12:32 AM
13890	It's the voice of many Canadians	2/20/2022 12:32 AM
13891	It nice to see Canadians standing together	2/20/2022 12:32 AM
13892	I felt hope for the first time in a long time. I also felt proud to be a Canadian for the first time in years.	2/20/2022 12:32 AM
13893	100% in favour, following, supporting!	2/20/2022 12:32 AM
13894	It's the most hopeful I've felt in the last 20 years. The rising cost of living has not done anything for our quality of life. The Convoy renewed my sense of patriotism and that's not a bad word. I have a renewed sense of faith that United we stand means something.	2/20/2022 12:32 AM
13895	Made me very angry ,total lack of respect for others .using their children as shields has really said who they really are	2/20/2022 12:31 AM
13896	No noticeable disruption.	2/20/2022 12:31 AM
13897	Seeing patriots save our country	2/20/2022 12:31 AM
13898	It hasn't, I can still purchase most items I need and want.	2/20/2022 12:31 AM
13899	It's given me hope that people care.	2/20/2022 12:31 AM
13900	Sparked some hope.	2/20/2022 12:30 AM
13901	None directly, but has added to my frustration and disappointment with our governments as I listen and watch what is happening in my Canada	2/20/2022 12:30 AM
13902	Nothing	2/20/2022 12:30 AM
13903	It's just been annoying	2/20/2022 12:30 AM
13904	It makes me proud that Canadians are willing to stand up for what's right. But it also scares me because it is showing us how dark and broken our current government really is	2/20/2022 12:30 AM
13905	Not at all	2/20/2022 12:30 AM
13906	It has given me hope and encouraged me.	2/20/2022 12:30 AM
13907	I've been stressed by the criminal behaviour of some protesters.	2/20/2022 12:29 AM
13908	It has finally given me hope in the last 2 years of freedom.	2/20/2022 12:29 AM
13909	They gave me, and so many Candians like me... HOPE	2/20/2022 12:29 AM
13910	It hasn't directly affected my life, but I feel like we need to maintain respect for our law enforcement officers, which is hard when we see that they are being instructed to arrest protestors, when protesting is a legal part of the democratic process.	2/20/2022 12:29 AM
13911	I am a trucker	2/20/2022 12:29 AM
13912	It has enlightened me with the chance of freedom	2/20/2022 12:29 AM
13913	It made me proud to be Canadian	2/20/2022 12:29 AM
13914	has not affected	2/20/2022 12:29 AM
13915	Very positive, very uplifting and demonstrated that the Dictator/Emporer wears no clothes. It would be less reprehensible if he were gust a smart ass, but he is not smart.	2/20/2022 12:29 AM

13916	Hope. Love. Unity.	2/20/2022 12:29 AM
13917	It has given me hope that maybe we can be free of these restrictions and hopefully get rid of Trudeau.	2/20/2022 12:29 AM
13918	Brought me hope, and unity I didn't think was possible after 2 years.	2/20/2022 12:29 AM
13919	Gave me hope Encouraging United for good not evil	2/20/2022 12:28 AM
13920	The truckers are the only reason Im still proud to be Canadian	2/20/2022 12:28 AM
13921	The trucking convoy gives me hope, and my spirit is awake and alive again. I cry for the truckers every day, and I lit a candle for them through the night that they are protected. When the truckers started their journey to Ottawa end of January I couldn't believe it, and I didn't believe the truckers would travel that far? Today I would kiss their feet, and I can't express in words how grateful I am to them. They are with me every day, and I pray for them every day. The hero's journey. May God hold them close in the light till eternity! The truckers are the most precious to my soul!	2/20/2022 12:28 AM
13922	Not sure yet	2/20/2022 12:28 AM
13923	Spirits lifted, hope restored	2/20/2022 12:28 AM
13924	Has gave me hope that we may possibly get out of this stupid covid crap .	2/20/2022 12:28 AM
13925	The trucker convoy has been a ray of hope to end this madness and division which has been dealt with so poorly by iur governmentm .	2/20/2022 12:28 AM
13926	Hope for a change	2/20/2022 12:28 AM
13927	I can't afford the meat, dairy or eggs. We eat whole oats, potatoes, rice, beans and produce now. I can't afford gas, so I sold my vehicle. We now rely on public transit. It has divided my family. We are no longer on speaking terms with my in-laws who support lifting all restrictions and the convoy to over throw the government and establish authoritarian, Christian rule.	2/20/2022 12:28 AM
13928	Voice of freedom. My body my choice what goes into it. This is about all Canadians right to be heard and to have a Leader who is there to serve the Canadian people not like the present leader who thinks he is there to rule and dictate Canadians. He needs to go now.	2/20/2022 12:28 AM
13929	It gives me hope for change.	2/20/2022 12:28 AM
13930	I feel hopeful that our government may just decide at some point to listen to the people they are demonizing but so far this government has failed astronomically! This is no longer a democracy. This is a power grab by our Prime Minister..its disgusting!	2/20/2022 12:28 AM
13931	Gave me hope someone would listen.	2/20/2022 12:27 AM
13932	Supplied some hope against a tyrannical government	2/20/2022 12:27 AM
13933	Brought to my family a sense of hope!	2/20/2022 12:27 AM
13934	Given hope	2/20/2022 12:27 AM
13935	Improved it	2/20/2022 12:27 AM
13936	I work in the industry, and 99% of the drivers I spoke with were not supporting the convoy. This entire pandemic - the small portion of people who challenge laws and rules and requests required of them to work as commercial drivers were not supportive of laws and rules before this convoy. This was a small group before, and I suspect a small group after this is done to continue making issues of minimal expectations. There are employers all over Canada begging for drivers!	2/20/2022 12:27 AM
13937	It causes me angst. I'm particularly perturbed by the "free pass" afforded these insurrectionists. Especially in the face of how BLM and/or Indigenous protesters are treated	2/20/2022 12:27 AM
13938	No affect	2/20/2022 12:26 AM
13939	Positive	2/20/2022 12:26 AM
13940	Made me proud to be a trucker and restored my faith in my fellow Canadian's ability to stand up to an evil globalist plan to control the people of the country and world!!	2/20/2022 12:26 AM

13950	Given me hope	2/20/2022 12:25 AM
13951	It has given me hope! It has brought a sense of pride in my country that has been missing since Trudeau became PM! I am currently very concerned for their well being with what Trudeau has done to them!! I pray for them multiple times a day!!	2/20/2022 12:25 AM
13952	Not much other than gave me hope	2/20/2022 12:24 AM
13953	Gave me hope again. Show true spirit of this FREE country	2/20/2022 12:24 AM
13954	It's been amazing! It's given life and hope to do many people; people were ready to quit on life then the Freedom Convoy happened and now they are excited about life again. They have hope that just maybe we can all get our lives back again	2/20/2022 12:24 AM
13955	Loved every moment. Never felt such unity before.	2/20/2022 12:24 AM
13956	Hope mostly. I don't feel so alone.	2/20/2022 12:23 AM
13957	Hope!!	2/20/2022 12:23 AM
13958	Given me hope that our desire to regain our freedoms will be recognized	2/20/2022 12:23 AM
13959	For the first time in two years I've had some hope. I've had a smile for a month. I've felt proud to be Canadian again. Until the tyrannical government decided to attack its own citizens for peaceful protest. Now I'm just ashamed of the government.	2/20/2022 12:23 AM
13960	The response to it has made me worried for Canada's future under the current government.	2/20/2022 12:23 AM
13961	It has given me more faith in my country and has unified the people. The greatest thing ive seen in my life. And im 57	2/20/2022 12:23 AM
13962	It has given us hope	2/20/2022 12:23 AM
13963	It's reminded me of what Canada used to be; kind, fun, helpful, united, patriotic, It's reminded so many of mistakes of the past, shown me how complacent I've become with our government, helped me to want to know more about our Charter, our freedoms, and laws. It has helped many reconnect and reunite.	2/20/2022 12:23 AM
13964	It gave me hope again.	2/20/2022 12:23 AM
13965	They give us hope this is still democratic country where people can say they opinions but prime Minister killed that hope.	2/20/2022 12:23 AM
13966	Stressful and divisive.	2/20/2022 12:23 AM

13971	Inspired me to fight for freedom	2/20/2022 12:23 AM
13972	In a very positive way, seeing Canadians united against all these mandates.	2/20/2022 12:23 AM
13973	I support them, they kept this country moving and surviving in the past, they put their lives on the line, now it's time to support them and give up a little of our comforts for them and for our freedom of our rights which the prime minister is trying to take away. We need to stand up for our rights the people had rights to in the past. They weren't voted in to do what they're doing and they need to get out and we the people need to vote in a new party. All they have done is tell lies so they can take over Canada and it's people's power and freedom. I see the true Liberals now and they must go. I love that the truckers have brought Canadians together finally in a peaceful way to fight for Canada's rights and I love it and agree. I haven't noticed any problem in getting what I need to survive at all. A few govt people don't have the rights to make these kind of choices for millions of Canadians there not gods. God gave us the gift of choice which mankind has had from the beginning of time, we have fought and died for it since the beginning of time, we are not about to stop now. Our government will never put the Canadian people through this again and I'm so proud that we are all standing together to stop this. Who ever the people are that are above our PM helping or telling him to do this need to be put in jail forever or put to death.	2/20/2022 12:23 AM

13982	Gives me great joy to see such unity and peace.	2/20/2022 12:22 AM
13983	I've been threatened and cursed at for my views on freedom, rights and privacy. I've been screamed at slandered and defamed by people who don't know me. Called a Trumper and a "phobe", spat at and been given the finger. Now as a donor, I have anxiety over whether my choice to financially support a freedom Convoy will result in my bank accounts being frozen, receive a \$5000 fine or jail time. The fear mongering by the government is awful. I don't trust the government at all.	2/20/2022 12:22 AM
13984	It's given me hope back. To feel that there are others in Canada who feel the same as I do. That we just want to be free. Regardless of vaccination status, mask wearing, whatever. Just to be free to be ourselves and have us get back to being accepting and tolerant and kind.	2/20/2022 12:22 AM

Canadians vote on Canadian Mandate - February 2022

14027	It's been a concrete confirmation of police white supremacy attitudes in their lack of willingness to arrest or apprehend any or the protesters in a manner similar to in other protests	2/20/2022 12:17 AM
14028	The truckers gave me hope for better future. Like maybe thru them my voice could be heard. After seeing the convoy in person both thru the week and on weekends, I started smiling again. I started feeling happiness and pride in being Canadian. The energy and love I experienced in my visits to ottawa to demonstrate my right to peaceful protest will remain in my heart forever. Seeing people from all over Canada from all walks of life coming together in unity was a beautiful thing.	2/20/2022 12:17 AM
14029	It gives me hope, by showing me the great number of people whose opinions about the mandates' overstay - and government overreach - are the same as mine. My heart warms to see such a powerful and positive response, on a global level, to the trucking convoy!!	2/20/2022 12:17 AM
14030	It has finally given me hope back in my life that we could actually get back to a normal life and that my son will get to experience a normal childhood	2/20/2022 12:17 AM
14031	It has given me hope that all Canadian citizens will get their rights and freedoms back.	2/20/2022 12:17 AM
14032	It has given me hope for the first time in 2 years. I have realized how unlawful our government is.	2/20/2022 12:17 AM
14033	Gives me hope, these truckers are hero's	2/20/2022 12:17 AM
14034	I love it. Makes me feel patriotic again	2/20/2022 12:16 AM
14035	Has not	2/20/2022 12:16 AM
14036	Given me hope.	2/20/2022 12:16 AM
14037	Makes me proud to be a Canadian again. Makes me want to stand up more for my freedoms and not be led like a bull with a ring in its nose. Will be doing my part to vote in better leaders and encouraging others to do the same. We need to be a voice and the truckers are a wonderful example of that, sacrificing so much for all Canadians. True heroes ♥	2/20/2022 12:16 AM
14038	Inspiration and hope	2/20/2022 12:16 AM
14039	THE FORCED DEMAND FOR TRUCKERS TO BE VACCINATED IS ABSOLUTELY ABSURD!!!!!!!!!!!!!! 1st) Truckers spend the majority of their time 'driving alone' in their trucks and... 2nd) have the least amount of contact with people 3rd) cause the least amount of transmission because all their deliveries (food or dry products) are well encased in plastic, boxes, bags, cellophane, etc.... SO WHY is this totally UNREASONABLE DEMAND placed on truckers who are probably the LEAST likely persons to catch and transmit covid???? (As I mentioned in question # 9, the supply chain has been affected as I'm having difficulty in obtaining specialized cat food I've had to order for my cat. But I DO NOT blame or hold this against the truckers, rather I lay all blame on those people who are demaning they take the shot.	2/20/2022 12:16 AM
14040	Given me hope for a better Canada	2/20/2022 12:16 AM
14041	It has definitely given me hope, seeing that Canadians still have fight in them and are willing to stand up for freedom.	2/20/2022 12:16 AM
14042	It has given me hope for these mandates to end. I would also like to see a new political leader too.	2/20/2022 12:16 AM
14043	Brought happiness and hope for a better future of what Canada is supposed to stand for FREEDOM like the charter of rights and freedoms stand for	2/20/2022 12:16 AM
14044	I have hope again. I really want my life back. I miss my job and freedom.	2/20/2022 12:16 AM
14045	Gave me hope	2/20/2022 12:16 AM
14046	Give me hope in our futures	2/20/2022 12:16 AM
14047	The convoy has woken people up. It has brought the feelings of the people about the restrictions we've had to endure to the surface. It's exposed the problems we as a nation are having with the leadership and has illuminated our prime ministers poor leadership. The convoy has created a new awareness in me about the problems this country is having and of the divisiveness our prime minister and has cabinet have fostered throughout the pandemic.	2/20/2022 12:16 AM

14048	Has not.	2/20/2022 12:16 AM
14049	Given me hope	2/20/2022 12:16 AM
14050	I'm annoyed by the amount of garbage filling my social media from it. Right leaning individuals, I am one, who support this convey need to stop spreading easily verifiable falsehoods.	2/20/2022 12:16 AM
14051	a growing pride in CANADA	2/20/2022 12:16 AM
14052	It's given me some hope.	2/20/2022 12:15 AM
14053	Has not	2/20/2022 12:15 AM
14054	Showed how one sided or how untruthful our media is and how unaccountable our government is	2/20/2022 12:15 AM
14055	Till so far it didn't affect us	2/20/2022 12:15 AM
14056	It hasn't affected my life at all. With that being said someone had to put an end to all of these mandates and our freedom being taken away. The truckers have been trying very hard to get Mr Trudeau to come out and talk with them. They have been peaceful and never hurt anyone. Mr Trudeau would sooner hide than address what is going on right now. Instead he puts the emergencies act in affect.	2/20/2022 12:15 AM
14057	It has brought back hope. It has allowed me to realize that I am not alone. It has brought love, peace, unity and human connection back to my life. It has made me abundantly certain of the extent to which the mainstream media is manipulating truth, outright lying and creating a false narrative which I can only assume has its roots in some sort of political agenda. The response or shall I say lack of response by the prime minister and his team has created grave concerns about the future of democracy in Canada. This is not about our health. And finally, because I supported the trucker movement financially, I am now being threatened with access to my bank accounts etc. Since when did protesting a political cause peacefully lead to this kind of discrimination and overstepping my basic human rights.	2/20/2022 12:15 AM
14058	I'm proud of the truckers. Proud Canadians are willing to take a stand for our freedom.	2/20/2022 12:15 AM
14059	Made me proud to being a canadian	2/20/2022 12:15 AM
14060	brought me hope	2/20/2022 12:15 AM

14062		2/20/2022 12:15 AM
14063	No effect	2/20/2022 12:15 AM
14064	That is giving me little hope.that live is Canada pretty soon will be normal for my family and all Canadians.	2/20/2022 12:15 AM
14065	Given back hope that there are still people in the country that care about living instead of fearing.	2/20/2022 12:15 AM
14066	Made me sad that the participants in the convoy are so uninformed and uneducated.	2/20/2022 12:14 AM
14067	I believe it is very brave of them to stand up for our rights and to push back on Justin Trudeau who has taken his power way too far. It is unacceptable for what he's put us all thru during the past 2 years, especially now with his new emergency act. He's been a coward for not listening to what Canadians want because it's against his opinion.	2/20/2022 12:14 AM
14068	Gave me hope that we can get our freedoms back.	2/20/2022 12:14 AM
14069	Yes	2/20/2022 12:14 AM
14070	It gave me hope during a difficult time and made me feel proud to be a Canadian among them. It was inspiring, and helped me feel support in the sense of realizing there were many many others who felt the same way, and lost in the same and even worse ways, and that made me feel united, free, happy and hopeful. It made me feel patriotic again.	2/20/2022 12:14 AM

14076	I first felt hope but now despair the way our government has treated those who want to peacefully protest for our rights and freedoms to be returned to us.	2/20/2022 12:14 AM
14077	Few late shipments...no big deal	2/20/2022 12:14 AM
14078	Made me sad that the prime minister has divided the country even more. He is not a leader.	2/20/2022 12:13 AM
14079	Giving us hope that governmental and medical tyranny will now come to an end.	2/20/2022 12:13 AM

14082	It has given me hope	2/20/2022 12:13 AM
14083	I wanted it to end I understand why they did it but were all in the same situation on the mandates the convoy effected shortages of food and animal food etc coming in	2/20/2022 12:13 AM
14084	It has restored my faith in Humanity. This freedom convoy movement has brought love, unity, hope and peace that my children will have the possibility of a future in Canada.	2/20/2022 12:13 AM
14085	It gave me a glimmer of hope again. It also revealed that there are quite a lot of other Canadians and Americans and people around the world who want mandates to end and I don't feel alone anymore.	2/20/2022 12:13 AM
14086	Given me hope in our country	2/20/2022 12:12 AM

14088	Brave Canadians standing up against dictatorship and control	2/20/2022 12:12 AM
14089	It has given me hope and revitalized my faith in Canadians to know that I'm not the only one suffering, I'm not alone in my beliefs, and that should scare the politicians more than anything.	2/20/2022 12:12 AM
14090	The freedom peaceful truckers have delivered Hope. The truckers have unified a nation coast to coast to coast.	2/20/2022 12:12 AM
14091	Brings me joy	2/20/2022 12:12 AM
14092	Absolutely in my best interest and my families! The truckers can 'park' anywhere, and the fact that the Convoy Freedom 2022 has been negated, challenged by police that have taken an oath to protect citizens is	2/20/2022 12:12 AM

14096	They gave me hope that maybe some of our freedoms and liberties could be restored and we may not go down the dictatorship hole that our governments seem to want to take us.	2/20/2022 12:12 AM
14097	It's made me proud to be a Canadian it also made me realize that we have a weak spineless Prime Minister I am embraced to call him our leader	2/20/2022 12:11 AM

14118	It has encouraged me to continue to stand for our freedoms.	2/20/2022 12:09 AM
14119	I believe they got their message across. Most of us like the protesters are just fed up and want are lives back. It makes me feel very sad and depressed that so many people had to come to this point to get their message to the government that they are just fed up and want their freedom back. It's been 2 yrs of giving and taking away. It's time to move on and live again	2/20/2022 12:09 AM
14120	It hasn't. It's an unfortunate issue that's gone too far	2/20/2022 12:09 AM
14121	Positive	2/20/2022 12:09 AM
14122	It hasn't affected it other than making me restore hope in peace between fellow Canadians standing together	2/20/2022 12:09 AM
14123	I had no trust in government before. Now the trust in gov is in the dumpster.	2/20/2022 12:09 AM
14124	It gave me hope. Until I realized our pm was a dictator who refused to listen to the people in this country. A dictator who doesn't actually care about the health of people (including mental health) and only wants to push his agenda.	2/20/2022 12:08 AM
14125	Not directly.	2/20/2022 12:08 AM
14126	The trucking convoy has given me hope that finally there are some individuals that have been able to break through and stand in the way of the oppressive and tyrannical forces of evil that seemed to have a grip on this country. Their actions have pulled together a vast proportion of people in this country who otherwise were not connected and have woken up others who didn't realize they were being deceived. They have created a momentum so great that no matter if they still are present or not in Ottawa, a perspective transformation has been revealed to Canadians and the world.	2/20/2022 12:08 AM
14127	Has lifted my spirits	2/20/2022 12:08 AM
14128	Fortunately, I don't live where they have been, so minimally. They're still jerks	2/20/2022 12:08 AM
14129	Gave hope that maybe all is not lost. Tore away the mask and exposed trudeau for the petulant spoiled child that he truly is.	2/20/2022 12:08 AM
14130	Given me hope that things might change, but also the promise that others are strong enough to stand up for our rights and freedoms	2/20/2022 12:07 AM
14131	It gave me some hope that we might be able to get ride of communist government	2/20/2022 12:07 AM

14133	it has given us hope to stand against this tyranny of Trudeau. to fight for a free future for my kids future	2/20/2022 12:07 AM
14134	Very positively. Canadians have been united	2/20/2022 12:07 AM
14135	Gives me hope!	2/20/2022 12:07 AM
14136	The convoy has brought hope and created a community.	2/20/2022 12:07 AM
14137	Finally some hope that people are waking up to this Wuhan Circus hoax. We have to stop harming our children NOW!	2/20/2022 12:07 AM
14138	It hasn't really affected my life other than this weekend when the cops first arrived. Tired to order an Uber Friday and a \$13 drive 10mins up the street, in the opposite direction from downtown, turned into a \$25-\$40 Uber ride and was not going to pay that one way. Also the bus that goes to my house from my daughter's was not running or very sparingly, waited over an hour for a bus that did not come. But that was 1 day out of the 21 they've been here. I have been downtown and danced in the street and smiled and laughed with everyone around me. The amount of sorrys I heard down there was crazy. It has also started some restrictions to be lifted. Bottom line, it has not had a negative impact in my life.	2/20/2022 12:07 AM
14139	Glad to see it has got politicians addressing the issue of removing mandates	2/20/2022 12:06 AM
14140	They are amazing. They bring Hope.	2/20/2022 12:06 AM
14141	Gave us hope	2/20/2022 12:06 AM
14142	Gave us a voice love these men and women!	2/20/2022 12:06 AM
14143	Hope!!!	2/20/2022 12:06 AM
14144	It gave me hope.	2/20/2022 12:06 AM
14145	It positively affected it. My son said it helped end Ontario mandates. I feel it's finally brought an awareness to just how wrong this is. I donated \$3.00 to convoy and other friends had to help with food and things because we couldn't fly there to help due too the fact some of us are not vaccinated.	2/20/2022 12:06 AM
14146	It hasn't really	2/20/2022 12:06 AM
14147	It is making things happen.	2/20/2022 12:06 AM
14148	First it brought hope and pride. Now it brings despair and fear because of govt crushing the people	2/20/2022 12:06 AM
14149	Outraged and disgusted. Ashamed to be a Canadian. These assholes took fellow Canadians hostage, cost the national taxpayers a fortune while demonstrating how selfish and ignorant they can be!!!	2/20/2022 12:05 AM
14150	Not at all yet but I trust the effort will end all this bs.	2/20/2022 12:05 AM
14151	Proud of them Makes me proud to be Canadian	2/20/2022 12:05 AM
14152	Given me a tiny ray of hope that Canada will survive.	2/20/2022 12:05 AM
14153	I'm hoping they are successful in being heard for our freedom. They make me feel proud of them. My grandfather fought in the war and I'm proud of what he stood for	2/20/2022 12:05 AM
14154	I must say thank you to the convoy. - i have never done so much research on the government and how corrupt it is. They gave me hope and strength for a better tomorrow. They opened my eyes to all the hatred JT has put in Canada. And how the mainstream media is all full of lies. I seen how the convoy brought people together from all walks of life. What took JT 2year to do took the convoy 2 weeks to undo.	2/20/2022 12:05 AM
14155	It has given me hope	2/20/2022 12:05 AM
14156	They have given me hope, and a belief that we do have a voice.	2/20/2022 12:05 AM

14163	Given us hope again and courage to take a stand.	2/20/2022 12:04 AM
14164	It has brought us hope.	2/20/2022 12:04 AM

14166	first time in 2 years it has given me hope that this nightmare end	2/20/2022 12:04 AM
14167	The trucker convoy truly gave me hope about ending these mandates. I originally thought me and my buddy were alone about the mandates. They proved that I am not alone and there still is hope for Canada not turning into a dictatorship.	2/20/2022 12:04 AM
14168	It embarrasses me as a Canadian.	2/20/2022 12:04 AM
14169	Brought hope, unity, joy, restored my faith in Canadians. Lifted my spirits, encouraged me to pray for my country	2/20/2022 12:04 AM
14170	Close friends have been harassed for wearing masks trying to get to work	2/20/2022 12:03 AM
14171	Opened my eyes	2/20/2022 12:03 AM
14172	Embolden me to stand up. Bought \$1,140 in flags to sell at rallies, at cost to those without.	2/20/2022 12:03 AM
14173	They have given us hope and community. They are encouraging citizens to stand upfor the rights that have been taken from them. Those rights are not earned, we are born with them and they should never be taken away from us.	2/20/2022 12:03 AM
14174	gave me hope	2/20/2022 12:03 AM
14175	It's been the first glimpse of hope in over 2 years...knowing that I'm not alone	2/20/2022 12:03 AM
14176	Unity	2/20/2022 12:03 AM
14177	Give me the hope	2/20/2022 12:03 AM
14178	It is deeply disturbing that the cowardly PM couldn't even respect the peaceful, brave and courageous Canadians enough to at least direct his 'health authorities' to engage in an open and public debate of 'the science' because there isn't ANY that supports any of the measures he has directed. Instead, he incited an unlawful attack on the peaceful protesters who represent ALL Canadians who have come to know the TRUTH his SIN will be revealed and The TRUTH will prevail, thank God I'll continue to trust GOD to expose the dark agenda	2/20/2022 12:03 AM
14179	It has inspired me to do something.	2/20/2022 12:03 AM
14180	It's given some hope to restore freedom in our country.	2/20/2022 12:03 AM
14181	It makes me proud to be a Canadian when I see hard working citizens stand up to an evil and tyrannical government that has brought profound economic injury and emotional hardship to all Canadians.	2/20/2022 12:03 AM
14182	It has not at all. But it has made me feel very encouraged and hopeful. I have felt very patriotic watching footage of the massive and joyful looking convoy. I am thankful that they are protesting and am praying that the government will listen. I am in a country where honest journalists are arrested and peaceful protestors might 'disappear'. This makes people prisoners of their own government and is a very scary and corrupt situation. Please let Canadian have the freedom to make health choices without being forced	2/20/2022 12:03 AM
14183	Positively. It has shown that Canadian people are peaceful, respectful and caring for each other regardless of rase or personal believes and that Canadian people do value Canadian traditional democracy over current egocentric and selfish political approach leaning to tyranny.	2/20/2022 12:02 AM

14213	They are fighting for everyone's freedoms not just theirs! Trudeau has to go.	2/20/2022 12:00 AM
14214	Not at all except for giving me hope that Trudeau's tyranny can be beaten.	2/20/2022 12:00 AM
14215	It has given me hope and also made me realize how much our political system needs to change and how we should ever have this happen again.	2/20/2022 12:00 AM
14216	Given me hope	2/19/2022 11:59 PM
14217	It has not and I agree it was time for them to go. The most distressing part were the actions of our Prime Minister. He does not deserve to lead our country. He does not listen in the house, and seems to have his own little script to read. And he does not listen to the people. Pride comes before the fall, sooner or later.	2/19/2022 11:59 PM

14231	Shown me what true patriots are willing to do for their country, and shown me what tyranny looks like	2/19/2022 11:58 PM
14232	Encouraged by seeing us all band together in Canadian unity and love.	2/19/2022 11:58 PM
14233	Very beautiful experience. Am deeply moved by the love and kindness of truckers and protestors supporting them. Beautiful human beings. Experience exceptional.	2/19/2022 11:58 PM
14234	They did not affect my life	2/19/2022 11:58 PM
14235	People are starting to see Trudeaus biases, contradictions, his hypocrisy, and most importantly his true intentions	2/19/2022 11:58 PM
14236	It gives me hope for the future of the country but also makes me realize just how screwed up our country really is. Charter of rights and many laws being broken by our government daily. Etc	2/19/2022 11:58 PM
14237	How has the trucking convoy affected my life: The Freedom Convoy 2022 gives me (1)HOPE, even though the EMA is illegally invoked, HOPE, that I haven't had in the past 2 years. To gain our Charter of Rights & Freedoms back. I think this has brought so many people of like mind together to draw (2) STRENGTH from one another that we didn't have alone, in this big battle against the gov't, the tyranny, the mandates, the restrictions. This Convoy represents the (3) UNITY, LOVE & PEACE that Canadians intuitively have. My (4) FAITH has increased for the Lord Jesus Christ that passeth all understanding. Praise the Lord for my daughters renewed FAITH in God & his Son, Jesus through this whole thing, as she realizes that all this has been prophesied. I think the Convoy is opening the eyes of those who didn't know Christ, to come to him. I know there's much more, but I'm too tired to think anymore tonight.	2/19/2022 11:58 PM
14238	I'm actually proud that I've lived in a time where individuals stood up for something they believed in.	2/19/2022 11:58 PM
14239	Brought like minded Canadians together.	2/19/2022 11:58 PM
14240	I am very depressed. I feel anxious and upset and I am losing hope in humanity. I don't want to go into work because people who support the convoy harass us and are aggressive and rude. They make my job as a nurse harder. I cry a lot because of the trucker convoy.	2/19/2022 11:58 PM
14241	Made it happy	2/19/2022 11:58 PM

14246	First time in 2 years I've felt hope things would change for the better. It's been two very long years	2/19/2022 11:57 PM
14247	Given me hope that this government can be straightened out	2/19/2022 11:57 PM
14248	It has stole my pride as a nation loving Canadian	2/19/2022 11:57 PM
14249	Emence sense of pride and togetherness supporting their efforts as Corsa the Country	2/19/2022 11:57 PM
14250	The convoy gives me hope out of the mess the so called leaders have imposed on us.....	2/19/2022 11:57 PM
14251	It affected my life by derailing the delivery of necessities to all realms of business. The prices were going through the ceiling as it was, now it will rise again. People cannot afford to feed their families and now that has been made so much worse by these convoys. They could have protested for three days and made their point. If the pretty boy in Ottawa had set up a meeting with a chosen few to hear them out, there might have been some type of resolution. The Canada we have always been so proud of has gone to hell in a hand basket because of poor leadership countrywide. This is the first time in my life that I've been embarrassed to be a Canadian. Shame on all those involved from politicians to truckers to complete fools for behaving so poorly. Canada is ashamed of all of you.	2/19/2022 11:57 PM
14252	It has given me hope	2/19/2022 11:57 PM
14253	Very little except for almost constant comments on the situation,	2/19/2022 11:57 PM
14254	Made me proud to be Canadian again.	2/19/2022 11:57 PM
14255	We have hope again. Faith in humanity has returned. My kids are inspired again. We feel like there could be an end to all this soon.	2/19/2022 11:57 PM
14256	I feel bad for the residents of Ottawa... their lives are being disrupted and they have a right to be riled and upset, but on the other flip of a coin, I am so proud to be apart of a Country that stands for our rights! I wish we could all unite as one, and stop the division. I know we're all different, but our freedoms are something we should all have as a priority!	2/19/2022 11:56 PM
14257	Gave me hope in life and future and for my children and their future. I love those people	2/19/2022 11:56 PM
14258	Brought back a little Canadian pride. Thankful for men and women who will fight for freedom	2/19/2022 11:56 PM
14259	It's given me hope and faith in my fellow Canadians.	2/19/2022 11:56 PM
14260	They have given us hope.	2/19/2022 11:56 PM
14261	I think they are assholes.Half those pricks don't care about vaccines or keeping their truck safe to drive.I worked in that industry for 10 years	2/19/2022 11:56 PM
14262	It's given me HOPE. I'm so grateful for their bravery.	2/19/2022 11:56 PM
14263	Great I see I am not the only one out there that feels the same way	2/19/2022 11:56 PM
14264	Has given me encouragement	2/19/2022 11:56 PM
14265	It's helped me nor feel alone. It makes me happy to see all the canada flags and peaceful people just want to get back to normal	2/19/2022 11:56 PM
14266	I have found the trucking Convoy to be inspiring.	2/19/2022 11:56 PM
14267	Given me hope this will all end	2/19/2022 11:55 PM
14268	It has shown that there are many people who just like me wish for their freedom	2/19/2022 11:55 PM
14269	I have been happy seeing Canadians happy and united.	2/19/2022 11:55 PM
14270	Hard to say. I support the Ottawa convoy. I do not support the border blockades. It's provided a strong example of how the mainstream media is compromised and won't depict the protest in an unbiased fashion.	2/19/2022 11:55 PM

14277	Not at all	2/19/2022 11:54 PM
14278	It is insulting how these ppl think of only their rights. People, kids, are getting an attitude of me, me me. Healthcare workers are so mistreated. Doctors leaving my city. Protestors are so rude and aggressive. Hitler movement happening all over again. Disrespectful behavior. Not canadian at all.	2/19/2022 11:54 PM

14283	Giving us hope, has ended provincial mandates for the time being.	2/19/2022 11:54 PM
14284	It has inspired me to voice my disagreement with the unlawful action of government and educate myself on ways to combat this issue.	2/19/2022 11:54 PM
14285	Frustrating	2/19/2022 11:54 PM
14286	Gave hope	2/19/2022 11:54 PM
14287	They gave me hope and showed me that I'm not alone in my suffering. I'm now proud to be a Canadian AND it united all of Canada from east to west. It showed how Trudeau has an agenda and has irreversibly scarred Canada for generations to come. He is insane and unfit to be at the helm of what once was a great nation.	2/19/2022 11:54 PM
14288	It has made me realize lots of people agree with me. But I worry it has pushed Justin to be even more of a dictator.	2/19/2022 11:54 PM
14289	It gave me and my family hope!	2/19/2022 11:54 PM
14290	Negatively	2/19/2022 11:53 PM
14291	Given me hope	2/19/2022 11:53 PM
14292	Spend more time praying. Heart is heavy seeing the police brutality, media deception and devisiveness of our "elected" leaders. (Parliament had voted on May 25, 2021 that it would be irresponsible to hold an election during a pandemic. That vote was not rescinded. Are the election results thereby invalid?)	2/19/2022 11:53 PM
14293	None	2/19/2022 11:53 PM
14294	It has tied up the highways leading to the border. The area I was in the border was not closed but another border crossing close was closed so it necessitated everyone coming through this border. There was a 3 1/2 hour delay and the businesses were suffering from a lack of cliental. All the truckers I know are vaccinated and think that this is stupid. This is a small group of vocal people. Some don't even seem to be truckers but the usual hanger ons for any demonstration.	2/19/2022 11:53 PM
14295	I supported it initially in an attempt to try and stop the spread of Covid but what it has turned into is an overreach by government against civil liberties and what Canada stands for glorious and free	2/19/2022 11:53 PM
14296	It gave me so much hope & belief that there's a light at the end of the tunnel, we could still save our democracy. Especially after hearing from my friends & family overseas that their governments dropped the mandates & vaccination cards.... and Canada had no plans, was heartbreaking.	2/19/2022 11:53 PM
14297	It has made it better, it has given me hope that the dictatorship will hopefully come to an end	2/19/2022 11:53 PM

14303	It hasn't. Been amazing watching so many people finally take a stand.	2/19/2022 11:52 PM
14304	Not at all.	2/19/2022 11:52 PM
14305	They have given me hope and my happiness back. The peace and love at the peaceful protests is palpable!! They've awaken me! Especially on the LIES that liberal media spews. OMG!! The lies!!	2/19/2022 11:52 PM
14306	No - actually gave me some hope.	2/19/2022 11:52 PM
14307	Showing me there are brave souls to stand up and fight for freedom	2/19/2022 11:52 PM
14308	Annoyed by their supporters online who lack a real education.	2/19/2022 11:52 PM
14309	gave me some hope again until trudeau invoked the emergency act.	2/19/2022 11:52 PM
14310	Someone finally stood up for my 3 kids and I from the bully government as my kids call them.	2/19/2022 11:52 PM
14311	I only cheered them and hoped for the best	2/19/2022 11:52 PM

14314	It has given me hope in human mind to stand together in peaceful unity for the betterment of each other	2/19/2022 11:52 PM
14315	Smile to my face	2/19/2022 11:52 PM
14316	Given me hope seeing others standing up for freedom	2/19/2022 11:52 PM
14317	They are trying to get the truth out there, so they are not affecting my life, they are trying to save Canada	2/19/2022 11:51 PM
14318	They have been encouraging and inspiring us all to fight for our God given freedom and have voice for speak up for ourselves, our children and the next generation.	2/19/2022 11:51 PM
14319	Has given us hope and made us proud to be Canadian again!	2/19/2022 11:51 PM
14320	They have given me hope that we might get back to normal and have a democratic government/country left to live in. But Trudeau is definitely trying to prevent that. GO TRUCKERS	2/19/2022 11:51 PM
14321	Giving some hope that humanity is going to prevail over the parasites running this scamdemic.	2/19/2022 11:51 PM
14322	It made me hopeful until The police went in and started hurting and financially hurting then all!	2/19/2022 11:51 PM
14323	It has given back to me a sense of pride in the citizens of our nation NOT IN OUR GOVERNMENTS behaviour.	2/19/2022 11:51 PM
14324	Love, national unity, pride, glimmer of hope for the future of this beloved country.	2/19/2022 11:51 PM
14325	Proud of the people who have taken initiative to get the attention of the government and the country. I may not agree entirely how it played out - could have left a lane open so people could still pass and they wouldn't have been breaking the law. But that may have been the intent and it ended up too difficult to coordinate all those who showed up to participate/support. Regardless the government should have at least given them an opportunity to state their case and be heard. Embarrassing that our government didn't respond appropriately	2/19/2022 11:51 PM
14326	Positively	2/19/2022 11:51 PM
14327	Hard working people came together against the tyranny and insanity of the"elite" that does not	2/19/2022 11:51 PM

care about hard working people. Truckers, nurses, trades, doctors, pastors and anyone and all joined together for support and love against evil government of JT. They are heroes and we will win.

14328	Brought me hope. Helped me to realize that I am not the only one who sees that the government is breaking the law and not being truthful.	2/19/2022 11:51 PM
14329	Made me proud	2/19/2022 11:51 PM
14330	Full support. Wish I There was more I could do to support them.	2/19/2022 11:51 PM
14331	Given us hope	2/19/2022 11:51 PM
14332	It actually gave me hope for awhile that maybe, just maybe our government would hear how Canadians feel. Or at least help Trudeau see what his policies have been doing to Canadians and I was hopeful he would listen. But as usual he didn't & he continued on with his hateful rant over people such as myself & my family. I am horrified how the protestors were treated. What hope I had in being heard by having the truckers speak up for so many Canadians makes me so fearful & feel hopeless about our future. The truckers was a positive thing for me. It gave me hope temporary. I am so hurt & disillusioned with our present government right now that really, I feel very devastated. I have no trust in my government now. Not sure I can ever get that back. Trudeau has done so much damage to our country, I am doubtful we will ever be the same. I feel hopeless now. The trucker convoy was a positive thing for me & my family as it gave us hope of being heard until our Prime Minister ran & his and then behaved as he has. I am ashamed of my country now & am very angry with Trudeau & our government.	2/19/2022 11:51 PM
14333	The TRUCKERS gave me back my lost pride in my country. They taught me how to be calm, to stand strong, and to know we all deserve freedom from the elite dirty corrupt side of society. We are not any bodies slaves or lab rats. The truckers care about their people, and are willing to take sacrifices to protect us. Their true Patriotism far surpasses the police and bully squad seen in Ottawa. The flag is upside down, and I am deeply disgraced and saddened. Also question 4, must read, YES I do support the truckers convoy. I seen the word twist, shame on you...	2/19/2022 11:51 PM
14334	Nothing	2/19/2022 11:51 PM
14335	Seeing regular people from all walks of life come together with the aim of bringing about positive change has given me so much hope for humanity as a whole. Witnessing the people unite has changed my outlook on life, love and community.	2/19/2022 11:51 PM
14336	Until the police started hurting people and lying about it, I actually had hope the government would smarten up and remove unnecessary MANDATES!	2/19/2022 11:51 PM
14337	It gave me hope for positive change and to regain freedom.	2/19/2022 11:50 PM
14338	Given me hope that we will get our freedoms back!	2/19/2022 11:50 PM
14339	It has brought hope	2/19/2022 11:50 PM

14345	To be seen.	2/19/2022 11:50 PM
14346	We finally had hope that our freedom of speech was being protected and that we may get back our life. I	2/19/2022 11:50 PM
14347	It has brought hope that we can get our freedom of choice back and hopefully get a government in place that will work for the people rather than dictating and taxing us to the point of no return.	2/19/2022 11:50 PM
14348	Brought Canadians together, they started the fight for our freedoms.	2/19/2022 11:50 PM

14349	Anxiety, stress, people fighting for freedom are called terrorists. My God, who and how will fight for the people?	2/19/2022 11:50 PM
14350	Gives me hope for my own medical care and for the government to stop killing and stealing from us. The government is disgusting made me think of where are they hiding all the money they have stolen and are stealing from us Canadians using force on our Veterans and fellow Canadians	2/19/2022 11:50 PM
14351	Not at all	2/19/2022 11:49 PM
14352	Given me hope	2/19/2022 11:49 PM
14353	It has brought a positive change where freedom could be at hand, and the possible removal of all mandates.	2/19/2022 11:49 PM
14354	Personally, not at all. Since few of them are actually truckers, it hasn't impacted the flow of goods. I feel for the real working truckers who have to go through borders to provide for the rest of us, and for the poor residents of Ottawa. Other than that, it irritates me that American right-wing fanatics can mess with my country like this.	2/19/2022 11:49 PM
14355	Made me feel there is a hope	2/19/2022 11:49 PM
14356	Not at all	2/19/2022 11:49 PM

14359	Gave me some hope that might get Canadians together again!	2/19/2022 11:49 PM
14360	It hasn't. Except to give me hope	2/19/2022 11:49 PM
14361	Give the hope	2/19/2022 11:49 PM
14362	Happy to have a hope for myself and my kids future! The convoy not affected my life!	2/19/2022 11:49 PM
14363	For the first time since the pandemic, I felt hope. I feel a strong unity with fellow Canadians.	2/19/2022 11:49 PM
14364	This was supposed to be a beautiful thing. People were full of hope. People were optimistic that this convoy - by its mere presence and popularity might actually invoke change for the better. As such, I donated \$25 to the cause - first with Go Fund Me and the with SendGiveGo. Now, instead of optimism and hope, I am filled with more anxiety than Covid has ever given me - I'll tell you that. I could lose everything if the Pinhead decides to freeze bank accounts to the extreme, and I have no reason to think he isn't capable of it. How's that?	2/19/2022 11:48 PM
14365	Positively as we all are standing with them as we all are impacted by all the things they are.....vaccine mandates, freedoms taken from them if they do not comply, your income on the line.....comply or quite or be fired.....	2/19/2022 11:48 PM
14366	In my opinion, the convoy has given me hope that there is still some Canadians that are will to stand up for what is right. We are all sick of the mandates and we need an end.	2/19/2022 11:48 PM
14367	Not too bad so far, but it's going to affect everyone, not just myself.	2/19/2022 11:48 PM
14368	It is filled me with Hope to see other Canadians expressing so boldly and yet peacefully the same opinions that I hold -- the wish and hope and desperate cry to have all mandates cease immediately and vaccine passports done away with and arrive can app done away with.	2/19/2022 11:48 PM
14369	It hasn't affected my life at all. Shutting down border crossings would have closed down my workplace	2/19/2022 11:48 PM
14370	Not	2/19/2022 11:48 PM
14371	It hasn't	2/19/2022 11:48 PM
14372	Not directly, but certainly has offered a lot more hope to reality & freedom. It's a very inspiring movement that brings Canadian pride back to me. Amazing how "polite" Canada has taken the lead globally & how it's been noticed, appreciated & respected internationally.	2/19/2022 11:47 PM
14373	I gave me hope	2/19/2022 11:47 PM

14375	It has encouraged me to see how Canadians have coalesced around them and their pursuit of the rights and freedoms that many sons and daughters have led and died to ensure and procure, rights enshrined in Canadians laws. Peaceful protest, peaceful pressure, is our constitutional birthright, and these inalienable rights must be forever safeguarded to prevent the kind of tyranny we have seen lately.	2/19/2022 11:47 PM
14376	Give me hope that we can have freedom not only for issues of Covid ..but but putting our country under control by dictatorship..	2/19/2022 11:47 PM
14377	No effect at all so far. Just hoping that it will stop the mandates	2/19/2022 11:47 PM
14378	It hasn't affected anything except given me hope about how many people will fight for the rights of my children	2/19/2022 11:47 PM
14379	Gives me hope for some normalacy	2/19/2022 11:47 PM
14380	Made me be proud to be a Canadian again	2/19/2022 11:47 PM

14382	Proud of Canadians but very disappointed in the government	2/19/2022 11:47 PM
14383	The protesters make the all of us look like yahoo's.	2/19/2022 11:47 PM
14384	I'm embarrassed that this is happening in Canada.	2/19/2022 11:47 PM
14385	no at all	2/19/2022 11:47 PM
14386	It gave me hope that maybe our Prime Minister may listen to what regular, hard Canadians are going through and how we're made to suffer. Our PM is so out of touch with the working class, the ones that make under \$50,000 a year, he doesn't notice or recognize single person households that have no children, we are the ignored and suffer as well.	2/19/2022 11:47 PM
14387	Gave me hope♥	2/19/2022 11:47 PM
14388	Not at all.	2/19/2022 11:46 PM
14389	Positively	2/19/2022 11:46 PM
14390	inspired me and this nation	2/19/2022 11:46 PM
14391	Giving us hope and created a positive movement and united people	2/19/2022 11:46 PM
14392	Given us hope that other people feel the same way and maybe things will change.	2/19/2022 11:46 PM
14393	Allowed for some hope that freedom will be back in Canada again. Watching what's happened in Ottawa over the last few days has been devastating. I'm utterly disappointed with the way Trudeau has handed this.	2/19/2022 11:46 PM
14394	The support from the truck convoy shows the public opinion in Canada about the mandates.	2/19/2022 11:46 PM
14395	Good	2/19/2022 11:46 PM
14396	Brought us hope and people around us that have inspired us there is a breakthrough coming	2/19/2022 11:46 PM
14397	Hasn't	2/19/2022 11:46 PM
14398	They have provided hope. These convoys show me that others are just as passionate about fighting for our freedoms and democracy as I am. It has shown the world that each of us is not alone and there are so many more of us than the government and media say there are. These convoys uncover the truth daily and that is something that makes me feel truly proud of the people here.	2/19/2022 11:46 PM
14399	Concerned, very sad	2/19/2022 11:46 PM

14429	People are talking about covid more openly, we can talk about it and address the concerns and the lies.	2/19/2022 11:44 PM
14430	The trucking convoy didn't really affect me except to open my eyes. I saw a unity across the country. What has affected my life is the police presence attacking peaceful protests. My blood is boiling. I have no confidence in our prime minister	2/19/2022 11:44 PM
14431	I am proud of them. They have syrength and courage I lack to put their jobs on the line. I don't know any truckers personally. I have a new respect for them. They have given me hope . I am deeply shocked by the unparliamentary behaviour of the PM. By his absurd misuse of the Emergencies Measures Act in a dangerous bid for totalitarian power. Disapointed in the pusillanimous mentality of the Tory opposition. No leaders there, except perhaps a certain young MP from Thornhill. I will nevercagain believe that the NDP supports the working classes of Canada. Further, I am completely sickened by the brutality of the police in Ottawa, and their ruthless interim police chief. I am disgusted that the government imported American police to assist and disgusted that the government used military police against unarmed peaceful citizens. But most of all i am saddened to learn just how corrupt the main stream Canadian media is. All of them, cbc, ctv, global, and to a lesser extent Citytv, have used disinformation	2/19/2022 11:44 PM

14433	The convoy has brought a sense of Hope and unity. I'm Extremely disappointed in the mainstream media for castigating the convoy and not providing the people of Alberta and Canadians with a fair perspective of what is actually happening at these protests.	2/19/2022 11:44 PM

14440	I'm saddened to see how Trudeau has done everything heavy handed rather than done the most basic approach and speak to the truckers. This is not how a free, sovereign country should be led and I'm afraid for what world my kids will grow into.	2/19/2022 11:43 PM

14464	Made me proud that men and women are standing up for Canadians freedom	2/19/2022 11:42 PM
14465	Gave us hope	2/19/2022 11:42 PM
14466	Given some hope in humanity putting freedom before following destructive measures.	2/19/2022 11:42 PM
14467	Disrupted people's lives in the name of freedom. It has shown me how terrible people can be	2/19/2022 11:42 PM
14468	It gives me hope that people fight for our freedom & democracy	2/19/2022 11:42 PM
14469	Gave me hope and inspiration that we will overcome this tyranny!	2/19/2022 11:41 PM
14470	They bring hope . They make me proud to be. Canadian . They lift my family's spirit thank you trucker's . Trudeau go to hell	2/19/2022 11:41 PM
14471	They have given me hope, a sense of unity and belonging when the rest of society has shut me out and distanced from me. They are fighting for our freedom and rights, no less than our forefathers fought for them in the wars.	2/19/2022 11:41 PM
14472	Gave me a sense of hope...proud to be Canadian for the first time in a long time	2/19/2022 11:41 PM
14473	It has renewed my faith in the Canadian people	2/19/2022 11:41 PM
14474	A small bit of hope	2/19/2022 11:41 PM
14475	In a positive way. They gave me hope!	2/19/2022 11:41 PM
14476	Brought some hope. Some encouragement to be heard. Inspired the voiceless to speak.	2/19/2022 11:41 PM
14477	It has inspired me to see that the blue collar people of Canada, the silent majority of Canada, are at last willing to speak up about their beliefs and convictions for freedom of choice: freedom of medical treatment, freedom to travel in and out and across one's own country, freedom of speech, freedom of assembly, freedom of practicing sports, eating out at restaurants, freedom to choose or not to choose to wear a mask, etc.	2/19/2022 11:41 PM
14478	It gave me hope to see so many Canadians supporting this. It was a peaceful protest and our PM set out to destroy it. A massive temper tantrum. I still believe it was a great move to unite Canadians.	2/19/2022 11:40 PM
14479	It has given me a little bit of hope	2/19/2022 11:40 PM
14480	Gave me hope and a voice, feeling finally our point of view could be heard	2/19/2022 11:40 PM
14481	Given me hope. And now back to despair	2/19/2022 11:40 PM
14482	Reminded of freedom of choice	2/19/2022 11:40 PM
14483	It's embarrassing and ridiculous.	2/19/2022 11:40 PM
14484	Its giving me hope and restored my faith in humanity and opened my eyes to are corrupt Government and Media	2/19/2022 11:40 PM
14485	Woke up the world	2/19/2022 11:40 PM
14486	Gave hope	2/19/2022 11:40 PM

story line fit a certain narrative. So sad that this is happening in Canada

14489	Hope that we can stand up to a tyrannical dictatorship	2/19/2022 11:40 PM
14490	It has given me so much hope again and has helped release deep mental anxiety that I was internalizing. I feel proud again for the first time in so long, to be a Canadian again. I feel hope for the first time in so long for my children. And future grandchildren. I'm feeling heard and the convoy has inspired so many on the planet to come out and not be afraid to speak out.	2/19/2022 11:40 PM
14491	It has given me hope that Canadians can come together to bring justice for Canadians.	2/19/2022 11:40 PM
14492	I support them 100%	2/19/2022 11:40 PM
14493	Grateful that people are starting to challenge accepted viewpoints.	2/19/2022 11:40 PM
14494	I have had renewed hope that we could return to a loving and tolerant society... until I see the brutality with which the government has dealt with the situation... without honour or truth. But I still have hope because of the convoy.	2/19/2022 11:40 PM
14495	Gave me hope maybe things will change and all mandates will be dropped.	2/19/2022 11:40 PM
14496	It has not	2/19/2022 11:40 PM
14497	Has brought joy, camaraderie and connected us to likeminded, thinking people.	2/19/2022 11:40 PM
14498	It has given me my voice back allowing me to stand up for my child	2/19/2022 11:39 PM
14499	The sense of unity and belonging is an energy I've been craving to be around for the past 2 years. I finally have hope in Canada 🇨🇦	2/19/2022 11:39 PM
14500	On day one I watched it, traveling down the highway, seeing people lined up on side of highway, overpasses, that day I was proud to be a Canadian, but today I'm embarrassed to be a Canadian!	2/19/2022 11:39 PM
14501	It hasn't. But everyone in the world will be affected if they go on strike and trades follow suit.	2/19/2022 11:39 PM
14502	It has given me hope!	2/19/2022 11:39 PM
14503	Created hope again for Canadians. Brought people together. It's amazing to see the love in Ottawa. Great example of integrity and humanity.	2/19/2022 11:39 PM
14504	Gave me hope. And they made me proud to be Canadian. That they are fighting against a tyrannical government. That true democracy is ran by the people. That government needs to realize they work for us. Not the people work for the government.	2/19/2022 11:39 PM
14505	Feel supported	2/19/2022 11:39 PM
14506	Not me personally, but I have many friends who live in Ottawa and feel unsafe because they are of a visible minority. Where they had no race based issues in that city before the protests.	2/19/2022 11:39 PM
14507	It's made me believe in unity and hope again.	2/19/2022 11:39 PM
14508	It seems to have helped end the mandates. It has caused the government to become unnecessarily dictatorial	2/19/2022 11:39 PM
14509	Given me hope that my life and choices will once again matter.	2/19/2022 11:38 PM
14510	I support them	2/19/2022 11:38 PM
14511	Give us hope to recover our freedom	2/19/2022 11:38 PM
14512	It's brought joy back into my life	2/19/2022 11:38 PM
14513	Not at all. They are trying to bring back our given rights. They have been brave. The whole world is backing them with a high percentage	2/19/2022 11:38 PM
14514	Loss of friendships. Family quarrels	2/19/2022 11:38 PM
14515	Not at all	2/19/2022 11:38 PM
14516	Proud to be Canadian again	2/19/2022 11:38 PM
14517	Fearful of growing misinformation and radicalization	2/19/2022 11:37 PM

Canadians vote on Canadian Mandate - February 2022

14518	It has made me more aware how corrupt our provincial and federal governments are.	2/19/2022 11:37 PM
14519	It has made me realise that I am not alone. In the beginning everyone believed the gov, until the over reach into personal lives. Trudeau is more interested in power than governing the country. He should have met with the convoy and listened. It is not a fringe minority. They represent millions across this country that think the same. We are not alone anymore. We are United across the miles.	2/19/2022 11:37 PM
14520	Given me hope that all the mandates can end and the people can be heard	2/19/2022 11:37 PM
14521	Hasn't yet will have to see what Truedumb does.	2/19/2022 11:37 PM
14522	They have given me hope. God Bless them.	2/19/2022 11:37 PM
14523	It hasn't, but I still don't agree with it. Go home!	2/19/2022 11:37 PM
14524	Not at all.	2/19/2022 11:37 PM
14525	Proud of them	2/19/2022 11:37 PM
14526	It has given me hope. It made me realize that Canada is not dead and there are millions of people across this beautiful country, that do not agree with these ridiculous mandates. We were made to believe we were alone, but the convoy changed all of that. The convoy stoked a flame that was burning in the hearts of Canadians. They could all leave Ottawa today and the fire would continue to burn. They awakened a giant and it can not be put back to sleep! I have never felt such national pride as I watched men, women and children embrace one another in love and unity. It's absolutely beautiful and the true representation of the Canadian spirit.	2/19/2022 11:37 PM
14527	United us. Showed how many other people were struggling with all the restrictions and lack of a normal life.	2/19/2022 11:37 PM
14528	Given hope and eye opening	2/19/2022 11:37 PM
14529	It hasn't other than make me feel embarrassed and disgusted	2/19/2022 11:37 PM
14530	It has not affected my life. It has given me hope	2/19/2022 11:37 PM
14531	They give me hope and show me the light at the end of the tunnel	2/19/2022 11:37 PM
14532	Lights spirit, an bring hope in humanity for freedom.	2/19/2022 11:37 PM
14533	Inspired.	2/19/2022 11:37 PM
14534	I was able to go back to work	2/19/2022 11:36 PM
14535	Makes me hopeful but sad the way they are being treated. Only positive thing in 2 almost 3 yrs	2/19/2022 11:36 PM
14536	It has given me hope that people care about preserving our democracy in Canada	2/19/2022 11:36 PM
14537	That was the ONLY SOURCE OF HAPPINESS AND JOY for me!	2/19/2022 11:36 PM
14538	I feel grateful to them for being able to fight for my rights and freedoms. They've given me a glimmer of hope.	2/19/2022 11:36 PM
14539	I love it, I'm so happy that somebody thought of a way to make our voices heard, I want to live in a country where people are free to decide what they do with their own bodies. If we're not free to make those decisions then we have no freedom at all.	2/19/2022 11:36 PM
14540	I am very thankful and relieved that a strong group of people have found a way to speak up for all of us who are hurt by these mandates. Now I have hope for a better future! I believe that God has sent them to fight for our freedom!	2/19/2022 11:36 PM
14541	Given me hope for a country that is run by a criminal who has never been held ro account.	2/19/2022 11:36 PM
14542	Been gridlocking cities for no reason, to prove a point. Huge backstab to nurses and front liners. Its about the nurses and health care workers not the damn truckers. When they stop being overwhelmed then we ease	2/19/2022 11:36 PM
14543	It has given me hope that we might get rid of the mandates and be able to live a normal life again. I really appreciate them and their stand for freedom.	2/19/2022 11:36 PM
14544	It hasn't	2/19/2022 11:36 PM

Canadians vote on Canadian Mandate - February 2022

14545	The convoy has brought back a sense of pride in being a Canadian, a hope for our futur humanity and our futur. They have rekindled the true embodiment of who we really used to be and deep down are as Canadians. The morals and values we used to see in our fellow Canadian men and woman.	2/19/2022 11:36 PM
14546	It's woken me up and made me realize that I do care about this country and I back them 125,000%	2/19/2022 11:36 PM
14547	It has shown me what our Prime Minister is really like and I am very frightened for my country	2/19/2022 11:36 PM
14548	Gave me hope for an end to all mandates	2/19/2022 11:36 PM
14549	They are doing the right thing to stand up for freedom	2/19/2022 11:36 PM
14550	Hope	2/19/2022 11:35 PM
14551	They are helping with our freedom	2/19/2022 11:35 PM
14552	They have given me hope and I was so happy to see so many people aware and not asleep at the wheel. Didn't agree with the blockades because they probably hurt others but never considered Ottawa a blockade. It made me proud to see how disciplined the people in Ottawa were.	2/19/2022 11:35 PM
14553	Made me proud to be a Canadian again	2/19/2022 11:35 PM
14554	Given hope	2/19/2022 11:35 PM
14555	I think that it's a national embarrassment. They don't represent the vast majority of Canadians who chose to get the vaccine to protect themselves and others.	2/19/2022 11:35 PM
14556	It has not affected it but we are thankful for their courage and bringing these draconian measures to the fore front	2/19/2022 11:35 PM
14557	No negative effect	2/19/2022 11:35 PM
14558	Blocked roadways, noise factor giving headaches, made driving difficult, prevented me from using businesses.	2/19/2022 11:35 PM
14559	Small sense of hope. Others are fighting the injustice and support freedom. Hopefully our fascist government and dictator Trudeau will end this insanity. There is no emergency, just evil, power-mad leaders that need to be removed.	2/19/2022 11:34 PM
14560	Gave me hope	2/19/2022 11:34 PM
14561	It has given back hope and made people not feel so alone in their anger towards the freedoms lost and problems causes from the mandates	2/19/2022 11:34 PM
14562	I support them and proud of them.	2/19/2022 11:34 PM
14563	It has provided hope. It is a display of Canada and all that we stand for and our freedoms. It also is a display of what our ancestors fought for in world wars. It has proved that recent enforcement is no longer democratic. We no longer have freedoms and we no longer live in the true north strong and free. It shows our government is no longer a democracy.	2/19/2022 11:34 PM
14564	Hope	2/19/2022 11:34 PM
14565	None	2/19/2022 11:34 PM
14566	It has given me a new sense of hope for our future. Hope for freedom of worship, new jobs , and decent shopping again	2/19/2022 11:34 PM
14567	I worry for the future of freedom of the individual. The truckers let everyone know what they were going to do and yet the 'government' would not even talk to them to find a solution. Mr Trudeau has continued to demonstrate that he does not care about or for the Canadian people he is supposed to be serving. Unless the liberal party is removed from control of parliament I fear for the future of Canada.	2/19/2022 11:33 PM
14568	It has inspired me, and warmed my heart that someone finally made line in the sand. I wasn't alone. And now it breaks my heart to see them portrayed by our government, politicians, and media as terrible people, terrorists, Nazi's, and other preposterous stuff. It would be funny if it wasn't so damn serious.	2/19/2022 11:33 PM

14569	It hasnt, we all just want our lives and livelihoods back	2/19/2022 11:33 PM
14570	It has given me hope and made me proud to be a Canadian.	2/19/2022 11:33 PM
14571	Gave hope for a moment. Realized that we are not alone, thousands are worried and standing up but it's not enough	2/19/2022 11:33 PM
14572	Separated my family physically &emotionally in myriad ways. Special occasions unattended , have not seen my first granchild who was born Aug 27 2020, my wedding unattended by either of my children or.my husband's children. Missed 2 Christmases. Have only seen others on zoom. Unable to go to restaurants, or to fly. Had to quarantine twice UNnecessarily. I lost my job as CCA. Severe sorrow in my heart. Jt needs to leave as PM.	2/19/2022 11:33 PM
14573	Offered Hope	2/19/2022 11:33 PM
14574	Hasn't	2/19/2022 11:33 PM
14575	Yes, items are more expensive	2/19/2022 11:33 PM
14576	So proud of these truckers I was Teamster for five years and I support them 100% may God protect them	2/19/2022 11:33 PM
14577	Unsure	2/19/2022 11:33 PM
14578	Glad to see Canadians standing up for our Canadian rights. Proud of the people doing this peaceful and in the right manner. Disappointed in the ones not doing so in a peaceful, respectful manner. Disappointed in the police defending the government (a government I have lost trust in) in a violent manner. (Hard to know the whole story with seeing only clips on tv and social media here and there). I fully support the police and know there are more good police men and women than there are bad but it's hard to see that with what has been shown. This convoy has affected my life by opening my eyes to how many people all these ridiculous mandates are affecting. It's also opened my eyes with how corrupt the government is. This is a scary country right now, scary to see what direction this will go. I'll just keep praying for this country, my family and my friends.	2/19/2022 11:32 PM
14579	It hasn't affected in a negative way, it's nice to see everyone stand together for our freedoms	2/19/2022 11:32 PM
14580	They were peaceful convoy n voicing their views .	2/19/2022 11:32 PM
14581	Gave some hope and trust that not all Canadian citizens want to live in a dictatorship	2/19/2022 11:32 PM
14582	It has given me hope that my country still exists though smothered, at present by a blanket of tyranny. We are still as a people, the Canada I love so much!	2/19/2022 11:32 PM
14583	They have made me proud to be a Canadian again.	2/19/2022 11:32 PM
14584	It's very sad how the government has treated them and how it was not necessary of how far this has gone	2/19/2022 11:32 PM
14585	Made me aware of the tyranny of our present govt	2/19/2022 11:32 PM
14586	Convoy going through many cities and rural areas on their way across Canada en route to Ottawa has caused many inconveniences. These convoys have no regard for all of our health care workers that have worked tirelessly for all these months and are not being listened to in regards to not being in favour of lifting all of these mandates cause they see first hand the disaster that our health care facilities and workers face every single day with beds and ICU full of COVID patients. People with no regard to the health of others are very disappointing.	2/19/2022 11:32 PM
14587	The truck convoy has not affected my life whatsoever Justin Trudeau's government is the only thing that is affected my life in the last six years	2/19/2022 11:32 PM
14588	I am proud of what the truckers are doing.	2/19/2022 11:31 PM
14589	First step in informing or government we will not be bullied	2/19/2022 11:31 PM
14590	It hasn't	2/19/2022 11:31 PM
14591	It has gave me hope again. Positive hope. For a better life for my children. What the police are doing to the peaceful protesters is fucking disgusting!	2/19/2022 11:31 PM
14592	Given hope	2/19/2022 11:31 PM

Canadians vote on Canadian Mandate - February 2022

14593	Made me realize I'm not the only one against "the popular belief!"	2/19/2022 11:31 PM
14594	Gave me some hope that good will triumph over evil	2/19/2022 11:31 PM
14595	showed me that I was not alone and justified my thinking it was time for it all to end. Also made me ashamed of our government	2/19/2022 11:31 PM
14596	greatly	2/19/2022 11:31 PM
14597	Makes me not want to contribute taxes any longer. I no longer have any faith or trust in the government and I'm utterly disgusted by our government's actions	2/19/2022 11:31 PM
14598	It has given us hope. We are so thankful to all the good folks, truckers, front-line workers and protesters who are out there doing their part as some of us are restricted to our homes unable to leave due to the fact that some of us are disabled and can only write to our gov't to voice our concerns. Thank so much.	2/19/2022 11:31 PM
14599	Feel proud that they (truckers) are voicing concerns, feel embarrassed the way the PM has handled it.	2/19/2022 11:31 PM
14600	Given me hope of a better future	2/19/2022 11:31 PM
14601	Hope	2/19/2022 11:31 PM
14602	The convoy has made me feel more Canadian than I have in years,has given many Canadians hope for a brighter future and opened eyes of many sleeping Country men and women.	2/19/2022 11:30 PM
14603	Gave me hope	2/19/2022 11:30 PM
14604	The first glimpse of hope, the first time we felt we are not alone	2/19/2022 11:30 PM
14605	We needed something to end this. Although I think the horn honking was a disturbance to residences of Ottawa. Other than that I have been very impressed how they conducted themselves. Very peaceful but unfortunately unless you are watching the alternative news places you will see paid actors being filmed while doing acts of violence and it is dangerous propoganda when they make people believe this is true. Disgusting to say the least and it has to stop. Only problem is Trudeau funds them 600million to say his narrative only. That needs to change	2/19/2022 11:30 PM
14606	It hasn't	2/19/2022 11:30 PM
14607	Give me hope for a better life than what we've had the last two years .	2/19/2022 11:30 PM

14614	They have brought back hope in all this despair	2/19/2022 11:29 PM
14615	Gives me hope for a better future . An end to the control and seeing a possibility of freedom again	2/19/2022 11:29 PM
14616	It has given me hope for the future.	2/19/2022 11:29 PM
14617	Gave me hope. For a better future. To be normal again.	2/19/2022 11:29 PM
14618	Very optimistic Love movement for freedom	2/19/2022 11:29 PM
14619	Given hope after two years of constant lock downs, loss of social contact and some ridiculous expectations on the elderly and young children. Our govt. has a thirst for power and is no longer following the science. Double vaccinated and boosted and still got Covid and recovered. Do not discriminate!!!! Passports are now completely useless!!	2/19/2022 11:29 PM
14620	Unsure	2/19/2022 11:29 PM

14622	It gives hope that love, peace, family values and light will win corruption and darkness.	2/19/2022 11:29 PM
14623	A glimpse of hope in the beginning but now I feel horrified to know how this tyrannical and corrupted govt has done to them.	2/19/2022 11:29 PM
14624	I does not affect me. I feel it is stupid	2/19/2022 11:29 PM
14625	Encouraged me	2/19/2022 11:29 PM
14626	It hasn't, other than raised my blood pressure every time the ignorance & stupidity of those involved is demonstrated.	2/19/2022 11:29 PM
14627	It has shown a lot of us just how much our government Doesn't care about Canadians and what has to change to make it a better place for all.	2/19/2022 11:28 PM
14628	It has given me hope for a chance to have a say in our life, our body, and our children's futures	2/19/2022 11:28 PM

14729	Hopeful and happy	2/19/2022 11:21 PM
14730	It was been truly inspiring and overwhelming how to see so many people come together. From the beginning of covid I always felt like what was happening and how the government was acting was wrong. I felt alone. I felt like my family didn't understand my opinion and neither did my friends. So when the trucking convoy began I felt so joyful that people felt how I did and not just a few people but millions. Vaccinated or not, this convoy is about our freedoms and what the government is doing is wrong and violating. The trucking convoy is a wonderful act for all Canadians, even if some people don't see it that way. The violence and despicable actions of some police officers that we've seen today on media was completely unnecessary and sickening. The convoy was as peaceful as a protest could ever be. And when the emergency act was invoked that's when the chaos and violence began. Not from the protesters but directly from Trudeau. The trucking convoy is honestly so inspiring and has opened up many truths that the government didn't want anyone to see.	2/19/2022 11:21 PM
14731	I support them	2/19/2022 11:21 PM
14732	It hasn't affected me directly but glad to see them stand up	2/19/2022 11:21 PM
14733	It has shown me patriotism does actually live in the hearts of Canadians. I have seen and felt more love and community in the last few weeks in Canada than I've seen in over 2 years!	2/19/2022 11:21 PM
14734	I feel proud to be Canadian for the first time in a very long time	2/19/2022 11:20 PM
14735	I am so proud of these amazing, brave, strong-minded, freedom-loving, God loving, people loving, fearless, fun loving, open hearted, genuine heroes who have restored hope to my broken soul and weary spirit. I believe in the decency of humanity once again. The truckers created a pandemic of hope that has circled the globe, and continues to do so. Thus infection will continue to spread!!!! It is beyond the control of the global elites! Truly!	2/19/2022 11:20 PM
14736	gives me hope	2/19/2022 11:20 PM

14784	It's given me hope and helped to unite Canadians from the huge divide that Justin Trudeau has created. It has shown that Canadians are peaceful, friendly and giving people. It has shown just how much of a tyrant Justin Trudeau is and how unlawful our police are.	2/19/2022 11:17 PM

14796	Gave me hope That there still is a chance for freedom of choice for my children.	2/19/2022 11:16 PM
14797	If Trudeau the alleged "leader" of our country would have spoken with the truckers (what a concept) over 3 weeks ago is would have made a difference. It feels like Where's Waldo . The Nazi party was NOT elected saying they were going gas torture murder over 6 million people They won saying they would bring their country back to economic glory . Slowly at first they seized control of the media. .a much easier task then. Then they picked who they blamed for the country's economic issues. Then they convinced regular people to agree and eventually turn on family friends and coworkers. This has felt like that from the beginning. I have cheered on the right we have or rather HAD as Canadian citizens. Again communication would have made ALL of the difference. I'm ashamed of what's transpired since yesterday.	2/19/2022 11:16 PM
14798	It has given me pride and renewed faith in humanity	2/19/2022 11:16 PM
14799	It has given me hope that the governments will be held accountable for their crimes against humanity. It has given me renewed my science of what it means to be a Canadian. 14856	Not at all	2/19/2022 11:12 PM
14857	I think that it is the most positive thing that has come about in the last 2 years. It has let people know that questioning what is going on is right. It let's people know that they aren't alone. It has let people love again. It has brought people hope.	2/19/2022 11:12 PM

14877	Gave hope to have a choice... You know, choices in life.. Over being told there way or the highway fuck this already	2/19/2022 11:11 PM
14878	It has put racism and ignorance on display.	2/19/2022 11:10 PM
14879	It's great they stand for freedom	2/19/2022 11:10 PM
14880	Annoyed me; feel bad for the people who have had to deal with so much disruption in their lives. And the abuse they've had to endure.	2/19/2022 11:10 PM
14881	It has given me hope for the children. I am an educator and children's lives are being stolen and they have psychological damage that will take them years to recover. I compare it to children coming out of ww2.	2/19/2022 11:10 PM

Canadians vote on Canadian Mandate - February 2022

14892	It gave me hope. Mandates need to end. People have a right to choose what medical procedures they want or do not want. That should never be determined by the Govt.	2/19/2022 11:10 PM
14893	I am happy to see my fellow citizens stand up for the rights of other Canadians	2/19/2022 11:10 PM
14894	It is a peaceful protest and I'm ashamed of the way our PM has handled it.	2/19/2022 11:10 PM
14895	The freedom convoy gave us hope! We saw the light at the end of the tunnel! We thought that ordinary people can still participate in political decisions and somehow influence the situation in the country! Trudeau is not the leader of the state! He is nothing!	2/19/2022 11:09 PM
14896	Given me hope that this will end	2/19/2022 11:09 PM

14898	They have given me hope that we might be able to have FREEDOM back from our tyrannical government.	2/19/2022 11:09 PM
14899	Standing up for what is right	2/19/2022 11:09 PM
14900	It's been humiliating to be Canadian during this. An embarrassment to our country. I in NO WAY support the convoy. And anybody who does should take a look at the roots of this.	2/19/2022 11:09 PM
14901	gave hope	2/19/2022 11:09 PM
14902	Helped Canada's people unify again with the same goal in mind. Have never been more proud of Canadians in my life.	2/19/2022 11:09 PM
14903	Made me proud to be Canadian for the first time in my 34 year life.	2/19/2022 11:09 PM
14904	Regained hope	2/19/2022 11:09 PM
14905	It block the broader and put people life in danger. I believe it what the truckers are doing but some people take it to far.	2/19/2022 11:08 PM
14906	It has allowed my family to see the Truckers Convoy fought for the Freedom our Government was holding us hostage to. Causing Great Depression, loss of jobs, feeding our family brought new hope the Convoy.	2/19/2022 11:08 PM
14907	It made me feel proud that there are so many Canadians willing to stand up for our rights and freedoms, regardless of the cost to them.	2/19/2022 11:08 PM

14913	Gave me hope	2/19/2022 11:08 PM
14914	It's the hope that we lost. The smallest chance that things will get better. A symbol that I am not alone in my thinking and dreams of change.	2/19/2022 11:08 PM
14915	That gave me hope	2/19/2022 11:08 PM
14916	They have given me hope and reaffirmed my love of this country	2/19/2022 11:08 PM

14921	They have given me hope	2/19/2022 11:07 PM

Canadians vote on Canadian Mandate - February 2022

14922	Brought hope	2/19/2022 11:07 PM
14923	It has sparked hope for a much needed change in government leadership. It's high time politicians showed moral courage for the needs of a unified country, not their personal political needs or agendas	2/19/2022 11:07 PM
14924	It gave me hope. That it would set us free	2/19/2022 11:07 PM
14925	It's given me a reason to get up in the morning.	2/19/2022 11:07 PM
14926	Greatly	2/19/2022 11:07 PM
14927	They gave me hope, to have our freedom back for our children's and grandkids to have a nice country that we used to love living in. They showed us what love, humanity, respect and peace, theirs alot a days that I was following the convoy and bring tears of happiness in my eyes. And now we see the true colors of Justin Trudeau and his party and the NDP party that we cannot count on them to help us and work in our interest. I was sadden to see that he put all the pressure on the police force to do his dirty work. We don t need a leader that's not open to communicate with his people.	2/19/2022 11:07 PM
14928	It gave me hope that we can speak for our rights and freedoms but I don't condone unlawful acts either by the convoy or by the government and police. This would of been over a long time ago if we would of had proper leadership from the government.	2/19/2022 11:07 PM
14929	I believe it has made things go faster to take away mandates	2/19/2022 11:07 PM
14930	Has given hope	2/19/2022 11:07 PM
14931	Gave me hope	2/19/2022 11:07 PM
14932	They didn't affect my life at all.	2/19/2022 11:07 PM
14933	It hasn't, made me proud of the freedom fighters . Way to go to them all. We win!!!!	2/19/2022 11:07 PM
14934	It hasn't really other than it has given me faith that there are still good people in Canada who want FREEDOM just like me.	2/19/2022 11:07 PM
14935	Inspired and gave hope	2/19/2022 11:07 PM
14936	It has given me hope that someone is willing to stand and fight for our rights	2/19/2022 11:07 PM
14937	Gave me hope.	2/19/2022 11:07 PM
14938	It hasn't	2/19/2022 11:07 PM
14939	It has not	2/19/2022 11:07 PM
14940	Not at all. I have zero faith in a socialist government. This is exactly what history has taught me to expect	2/19/2022 11:07 PM
14941	Gave me pride in my country for the first time in years.	2/19/2022 11:07 PM
14942	very good	2/19/2022 11:07 PM
14943	It's given me hope. Thank God there are people out there willing to stand up for rights and freedoms!!	2/19/2022 11:06 PM
14944	Very little, they should have been given an ausiance with the government not FORCED TO LEAVE, and be jailed and have their trucks damaged, and their bank accounts seized. Trudeau's heavy handed approach was un called for.	2/19/2022 11:06 PM
14945	I had never received such hope and strength in my entire 32 yrs of life that this convoy has given me. Not even from family. It pulled me out from the depths of hell. Gave me emotions and feelings I thought were dead and gone in me.	2/19/2022 11:06 PM
14946	I do not love in those areas, I am sure that it has not been pleasant for all. If you look how other countries protest and the damage left in the end then the protest are peaceful no matter what the news has tried to claim. In Chile they burnt all the bus and train shelter because they raise the fare price. And it gets worse in other countries. Calling something terrorism is a stretch of the legal term. The truckers did what we all wanted to do but didn't.	2/19/2022 11:06 PM
14947	Sad to see so many ignoring medical advice	2/19/2022 11:06 PM

14954	It's the one thing giving me hope that we'll get our freedoms back	2/19/2022 11:06 PM
14955	I was in Ottawa to support the Trucker Convoy. They have given me hope that change is acceptable!	2/19/2022 11:06 PM
14956	It gave me hope. I felt connected to my fellow citizens. I felt pride	2/19/2022 11:06 PM
14957	It has been amazing bringing people together with a common goal for all Canadians. The gatherings have united people of all races. Religion. Interests and united the country. They have accomplished more in two weeks than anything ever has. They have brought hope to all Canadians we can regain our lives.	2/19/2022 11:06 PM
14958	It hasn't	2/19/2022 11:06 PM
14959	Brings hope to all of us !!! Thank you truckers God bless the truckers	2/19/2022 11:06 PM
14960	They gave me hope and joy... but the reaction from the very beginning from the govt was so evil and biased that I will never trust our government again.	2/19/2022 11:06 PM
14961	It gives me hope to see that some people have courage to resist in front of the crowd and that things can change.	2/19/2022 11:06 PM
14962	Convoy has cheered me up ,its been great having our rights and freedoms being peacefully protested for , uniting Canadians and our great country ,Canada .	2/19/2022 11:05 PM
14963	On social media all the time to see what's going on.	2/19/2022 11:05 PM
14964	Very Positively! It has brought us back faith when we thought all was lost! Going to Ottawa was an experience that I will never forget! The positive energy, love, support and sense of community has lifted my spirits back up again after these two long suffering years!!!	2/19/2022 11:05 PM
14965	Non	2/19/2022 11:05 PM
14966	It hasn't, other than to further undermine my faith in humanity.	2/19/2022 11:05 PM
14967	I believe it has awakened and reunified Canada and restored hope to many	2/19/2022 11:05 PM
14968	Positively	2/19/2022 11:05 PM
14969	For the first time I have hope Love what they are doing. They speak my dreams Freedom as it should be.	2/19/2022 11:05 PM
14970	I pay more for food and everything else. But believe the truckers are doing right thing and support 100%. If our premier would do right thing and talk to them it would end. I have all 3 of my shots and would have by choice. But it should be a choice	2/19/2022 11:05 PM
14971	It's been a major inconvenience and makes me a lot less patriotic towards my country. Sad to see Canadians acting like this.	2/19/2022 11:05 PM
14972	Not at all	2/19/2022 11:05 PM
14973	Brought hope and unity to a country so divided. Showed me how fake the media is. Brought so much light to the Propaganda in Canada	2/19/2022 11:05 PM
14974	No just inspired	2/19/2022 11:05 PM

14989	Gives hope	2/19/2022 11:04 PM
14990	Good	2/19/2022 11:04 PM
14991	I went from being depressed to hopeful and proud to now being horrified and scared due to what Trudeau is doing with the emergency act and the police brutality being seen on live feeds as it's happening. I've cried a lot these past 2 days	2/19/2022 11:04 PM
14992	Given me hope and optimism. I support this 100%. As a veteran and being married to a veteran i feel as though our prime minister has failed this country and is taking away our freedoms one by one. I do however feel embarrassed and outraged at the violence the police have started against the protesters. Anger and hateful feeling against our government and police have been making my anxiety sky rocket. My husband I are retired military and feel very ashamed of how the federal government is handling this situation. I have no confidence in our government. Mainly prime minister Trudeau. I feel he needs to resign. I feel he owes Canadians an apology and me personally as he has spoken very hateful about me and told lie after lie. He should be charged fir crimes against Canadian citizens.	2/19/2022 11:03 PM

15073	Give us all hope to like another day.	2/19/2022 10:58 PM

constantly.

15093	I do not like that truckers could cause such noisy disturbance in for many days. They would have been better to lock up their trucks at home and refuse to move goods. Go fund money could have helped them to a wage. I heard the noise of blaring horns two different days and that was bad enough.	2/19/2022 10:57 PM

15147	I have hope now that everything will return to normal !	2/19/2022 10:54 PM
15148	Given hope, restored faith in everyday Canadian citizens. All positive things. Protest could have been ended by our horrible government if they followed the science or ever just followed the lead of most other countries around the world and just end mandates - wonderful truckers could have gone home to their families and resumed their jobs weeks ago. PM or no one from the Liberal Party even sat down with the protesters. Such an embarrassment on the world stage.	2/19/2022 10:54 PM
15149	It has brought hope again. It was SO healing to see the hundreds of thousands of people on the roads/overpasses. I was no longer an outlier, no longer 'crazy' for losing my job and for my beliefs.	2/19/2022 10:54 PM

15167	I cannot stop watching it is absolutely breath taking, amazing to watch and share the true videos of live streams of the joy and happiness even with the police presence the past few days, people still stayed calm and peaceful, the police were disgusting to watch that was very disturbing watching a lady get trampled by the very people who are meant to serve and protect her. She pays their wages. Very disappointed in our police.	2/19/2022 10:52 PM
15168	It hasn't	2/19/2022 10:52 PM

15174	Gave me hope.	2/19/2022 10:52 PM
15175	I am disgusted at the governments response to peaceful protest.	2/19/2022 10:52 PM
15176	I've learned that many people think that temporary personal inconvenience (mandates) is far worse than taking measures to keep your neighbours alive. My mental health has suffered to learn many Canadians are so selfish and don't care about the big picture and others.	2/19/2022 10:52 PM
15177	The convoy has given us hope that life will go back to how it was before Covid.	2/19/2022 10:52 PM
15178	They are awesome	2/19/2022 10:52 PM
15179	They have made a joke out of what it means to be Canadian. They have divided the country, ruined friendships and challenged families. They have made me feel unsafe in my own city and they have made me feel embarrassed to be Canadian. They need to go home and grow up. Not everything is about them.	2/19/2022 10:52 PM
15180	Gives me hope!	2/19/2022 10:52 PM
15181	Gave hope	2/19/2022 10:52 PM

Canadians vote on Canadian Mandate – February 2022

15182	Makes me happy and optimistic.	2/19/2022 10:52 PM
15183	No	2/19/2022 10:52 PM
15184	Disruptive, made it difficult to get around. I was too scared to take part in our outdoor festival as it would have involved me passing close to them while wearing a mask. They were loud and obnoxious, I am not very big and felt nervous for my safety.	2/19/2022 10:52 PM
15185	restored my faith in Canadians	2/19/2022 10:52 PM
15186	Giving hope in life and prosperity	2/19/2022 10:52 PM
15187	have hope	2/19/2022 10:52 PM
15188	I think God for the truckers. It was totally a peaceful protest. And what happened on this day and a few days before, February 17 18th and 19th 2022 with the police coming and using their batons to beat people and catch and release people outside of the city with no vehicle just two legs to get back to where they had to go...Smashing windows etc. etc. this is horrible. They turned it into a non-peaceful protest. We just want our freedom's back ..why did Trudeau do this to us,? Why is Trudeau doing this? I do know why but there's not enough room to write it all here... He needs to be stopped NOW! He is very dangerous he is going to hurt us badly if we don't put him in jail and everyone that has been a part of this in jail. There are people out there that know this is wrong. People are dying. We need to stop this now. Thank you very much	2/19/2022 10:52 PM
15189	It hasn't, apart from blocking some roads	2/19/2022 10:52 PM
15190	It was heaven on earth in Ottawa. I have never been present in such human unity, peace and love surrounded by all my fellow Humans. It was beautiful. And I stand by them and my fellow Canadians, and the World in Freedom for all. We are all one. And I think people have realized this, thanks to this protest. They always realize that we have been unlawfully governed for many years but the 2 have been illegal, against our human rights, and outright Tyranny.	2/19/2022 10:52 PM
15191	Not at all. Waiting for them to say long enough to get this covid bullshit straightened out!!	2/19/2022 10:51 PM
15192	Give's me something to look forward to. They give me hope and that's something I haven't had in forever was hope	2/19/2022 10:51 PM
15193	Disruptive	2/19/2022 10:51 PM
15194	It has given hope to the hopeless and shown that Canadians do care about each other and our country with the freedom God has given us.	2/19/2022 10:51 PM
15195	positively	2/19/2022 10:51 PM
15196	Gave me hope	2/19/2022 10:51 PM
15197	I am finally proud to be Canadian again , but embarrassed by the Canadian government and angry about their actions	2/19/2022 10:51 PM
15198	It has given me hope. Over the last two years our rights and freedoms have been slowly stripped away and we have been reeled in like fish on a rod. The vaccine passport is a vile infringement on our right to privacy and acts as punishment for the non compliant. The convoy reminds me that I am not alone and Canadians have the right to freedom of choice. If that right is taken away, then we are no longer a democratic society.	2/19/2022 10:51 PM
15199	They are helping to expose the government	2/19/2022 10:51 PM
15200	It will costs tax payers a lot of money	2/19/2022 10:51 PM
15201	Gave me hope and made me feel like a Canadian again!	2/19/2022 10:51 PM
15202	Pissed me off	2/19/2022 10:51 PM
15203	I quit Facebook because I can't hold the occupiers corruption in my brain. They're excessively loud and in the way.	2/19/2022 10:51 PM
15204	Given hope that Canadians can and will stand against tyranny	2/19/2022 10:51 PM
15205	I was unable to attend family events at Wascana park due to street blockages.	2/19/2022 10:51 PM
15206	Feels good knowing ppl will stand up for their freedoms	2/19/2022 10:51 PM

Canadians vote on Canadian Mandate - February 2022

15207	Give us hope for freedom	2/19/2022 10:51 PM
15208	It has pleased me to see Canadians stand up for the freedoms that were granted them by the Canadian Charter of Rights and Freedoms!!!!	2/19/2022 10:51 PM
15209	It has given me hope that all illogical restrictions and health mandates can be eliminated. It has shown me that I am not alone in my beliefs that we should no longer be ruled by discriminatory rules for a virus that can be spread by the vaccinated too.	2/19/2022 10:51 PM
15210	It has made me feel hope that we can find unity again. And absolute pride.	2/19/2022 10:51 PM
15211	Hasn't at all I support them	2/19/2022 10:51 PM
15212	Not very. I dont support all mandates being dropped but would support not having vaccine mandates.	2/19/2022 10:51 PM
15213	It has given me hope that Canadians can come together to make a difference.	2/19/2022 10:51 PM
15214	Giving me hope	2/19/2022 10:51 PM
15215	Yes, it has brought joy and hope. I am part of my local convoy.	2/19/2022 10:50 PM
15216	It has made me have a glimmer of hope that things will go back to normal. For once in my life I've been proud to be a Canadian but disgusted at the Canada we live in.	2/19/2022 10:50 PM
15217	It has increased stress, anxiety and frustration. It caused my children to miss out on fun activities planned in the area due to the noise and aggressive behaviour of those participating in the rallies.	2/19/2022 10:50 PM
15218	It hasn't. I love what they are doing but they haven't negatively affected my life	2/19/2022 10:50 PM
15219	Given us hope, a visible voice, brought unity to communities.	2/19/2022 10:50 PM
15220	Gave me hope for us Canadians	2/19/2022 10:50 PM
15221	Made me proud to be Canadian again	2/19/2022 10:50 PM
15222	Will push prices (of groceries etc) up with blockades. Made me ashamed to be Canadian. Caused people I know to become believers in conspiracy theories. Pushed people further apart.	2/19/2022 10:50 PM
15223	Love them	2/19/2022 10:50 PM
15224	It brought some feeling of hope and positivity for a change.	2/19/2022 10:50 PM
15225	Not at all	2/19/2022 10:50 PM
15226	I'm with them 100% and have taken every opportunity to show my support with local convoys and protests	2/19/2022 10:50 PM
15227	They have inspired me and made me SOOOOOO proud to be Canadian.	2/19/2022 10:49 PM
15228	I think they sped up the end of mandates in some provinces. Hope in bc as well	2/19/2022 10:49 PM
15229	It has given me hope, as for the police that up until now, I highly respected, I have lost all respect for	2/19/2022 10:49 PM
15230	Gave me hope but huge stress in the same note. Gave me strength to keep standing up and fighting for Freedom	2/19/2022 10:49 PM
15231	They have given me hope that my babies will be born in a Canada I once knew.	2/19/2022 10:49 PM
15232	Made me see we can all unite as one.	2/19/2022 10:49 PM
15233	Recognized that from west coast to east coast, north to south ALL Canadians stand together no matter what happens. It makes us stronger and proud and patriotic, and brings unity to all in this wonderful country. The strongest country in the world.	2/19/2022 10:49 PM
15234	In no way	2/19/2022 10:49 PM
15235	Instilled pride and hope in us again....something we haven't felt in almost two years.	2/19/2022 10:49 PM
15236	It has made me sad and untrusting of the government in the way they are treating the	2/19/2022 10:49 PM

	protesters.	
15237	Gave me hope for the first time in 2 years	2/19/2022 10:49 PM
15238	The only impact it has had is hope the mandates will end soon.	2/19/2022 10:49 PM
15239	I appreciate and support of the truckers gathering together on behalf of all Canadians for the the unity of the vaccinated and unvaccinated for the purpose of a peaceful protest against the totalitarian leadership of Prime Minister Justin Trudeau. I support of the truckers, I am horrified at Justin Trudeau's overstepping of the Canadian Charter of Rights and Religious Freedoms not only to mandate an experimental gene therapy for truckers going across the border but for all Canadians to gain access to many other places like restaurants, public leisure centers, SHA residential senior Homes, ect. He has cost Canadians millions of tax dollars to implement an experimental gene therapy to vaccinate age 5 and upwards and these Covid vaccines do not prevent the spread of Covid! Furthering expenses, and endangering the lives of Covid positive patients Justin Trudeau, supported the paying of doctors to use a drug, Remdesivir which is known to cause acute kidney and liver failure. Justin Trudeau treatment of the truckers was unconstitutional and again overstepped Canadian laws to instate martial law and beat and use tear gas on peaceful protesters. Trudeau overstepped Canadian laws to instate an Emergency Act in peace time and freeze bank accounts of truckers without a court order. These criminal offenses towards our truckers by Justin Trudeau have made us loose faith in Justin Trudeau's ability and leadership to govern for the betterment of and best interest of the people of Canada.	2/19/2022 10:48 PM
15240	Hasn't.	2/19/2022 10:48 PM
15241	Given me a whole lot of encouragement that good people with back bone still exist in Canada. They have given me the hope we 'might' win this battle, but it is a big fight as the evil runs deep in this country	2/19/2022 10:48 PM
15242	Positively!	2/19/2022 10:48 PM
15243	At least they are trying to do something	2/19/2022 10:48 PM
15244	Made me proud to be Canadian!	2/19/2022 10:48 PM
15245	hope	2/19/2022 10:48 PM
15246	It has given me a much needed feeling of hope and unity. I have nothing but admiration and respect for the protesters	2/19/2022 10:48 PM
15247	It showed me and the world that we are all free and we are all equal.	2/19/2022 10:48 PM
15248	Not at all from an ability to do things I normally do perspective. But I feel that they're giving a voice to my concerns that I previously felt unable to express	2/19/2022 10:48 PM
15249	It's finally made me feel proud to be a Canadian again.	2/19/2022 10:48 PM
15250	It made me proud to be a Canadian again. It gave me hope in our countries freedom being restored	2/19/2022 10:48 PM
15251	They respire sent the majority of how Canadian feel. They are peacefully protest which is our right as Canadians. What Trudeau is doing is unjust and criminal. He should be removed from office immediately.	2/19/2022 10:48 PM
15252	Given hope restored pride in my country...I can't even type this without crying 😭	2/19/2022 10:48 PM

15255	Restored hope	2/19/2022 10:48 PM
15256	They have brought hope, joy, and Canadian pride back into my life ❤️	2/19/2022 10:48 PM
15257	Pride and hope, finally that something might get done and life will get back to normal	2/19/2022 10:48 PM
15258	Given me hope and shown me that we have seriously underestimated how evil Trudeau is.	2/19/2022 10:48 PM
15259	It hasn't except for the fact that I believe those protest are being screwed. Did Trudeau even consider that by having these drivers he has directly impacted their future ability to garner revenue. They don't issue CVOR's to persons with an arrest record. I also feel that he has far	2/19/2022 10:47 PM

over reached his powers by freezing bank accounts. They were having a quiet protest which is our right. I truly believe that our Charter has been disregarded. We have the freedom of speech here in Canada or do we?

15260	By bringing out the true colours and showing Canadians what the prime minister thinks of the Canadians that pay his wages. But not what the people of Canada want. He needs to remove the mandate, open the country up to what the people want. Not his agenda, he needs to resign and take his communist sidekick with him.	2/19/2022 10:47 PM
15261	It has given me hope.	2/19/2022 10:47 PM

15280	I am delighted by Canadians coming out of their shell. The media and the government made them believe that they were alone in it all. Far from that! There are more people who recognized all the red flags than that there are hypnotized ones.	2/19/2022 10:46 PM

15400	Its encouraged me to take a more active role in civic discourse, and to explore the Charter of rights and freedoms (which I read all the way through). I felt so good to see Canadians from all walks of life engaging in unity, love and peaceful assembly, while speaking up for our rights and freedoms. It shone a very bright light on the inequities country form those that are given more privilege over others.... in our political system, our leaders and those that are meant to serve our country. It was alarming to see the difference between how it was reported in the legacy media and from those actually on the ground doing livestreaming.	2/19/2022 10:39 PM
15401	None. Except to raise my annoyance level a lot.	2/19/2022 10:39 PM

15425	I went from pride at the beginning but what befell Ottawa. The world turned its eyes upon this and our country at its worse. Shame on our leaders for allowing this to take centre stage.	2/19/2022 10:37 PM

15428	I finally have hope. I have been planning an escape from Canada for the last year. This country is sinking and is it not a place I want my children growing up in. I hope the trucker convoy can help turn it around and end Trudeau's tyrannical dictatorship	2/19/2022 10:37 PM
15429	Been the best thing to happen in three years	2/19/2022 10:37 PM
15430	It's given m hope to uphold our charter rights and freedoms. I've witnessed people come together in love and unity. I've seen nothing but lies from the main media and Ottawa police, government.	2/19/2022 10:37 PM
15431	It hasn't . I think people have the right to protest .	2/19/2022 10:37 PM
15432	Gave me hope that life for Canadians could go back to normal. Seen unity coast to coast of all race religion gender equality. Proud to be Canadian again.	2/19/2022 10:37 PM
15433	It hasn't	2/19/2022 10:37 PM
15434	I am very proud of the truckers and what they stand for. They are the army that God put in place for such a time as this! With them on the hill and rallies all over the country, people gained the courage to stand up and call truth truth and recognize the lies that the government, doctors, nurses, vaccine pushers, and media continue to spread. It is disgraceful what the truckers have been called. Our current government did not ever go to meet with the truckers or see their impact of the situation. Instead they used lies and deceit to divide the country more. The truckers are honest people trying to get their lives and livelihoods back. They stand for all Canadians, even those who are still in the dark. They are fighting in the front lines of a war. This war has been waged upon its own citizens by its own government. Soldiers usually go abroad to fight for freedom. In Canada we need to fight right here and now. I have lost confidence in the prime minister and I am very disappointed in our current government for not taking him out of his position. Truth and honesty have left the country and lies and deceit have taken their place. All this over a peaceful demonstration!! I am ashamed to call myself a Canadian.	2/19/2022 10:37 PM
15435	They've been an encouraging inspiration.	2/19/2022 10:37 PM
15436	Gave hope	2/19/2022 10:36 PM

15440	gave truckers a bad reputation	2/19/2022 10:36 PM

15452	It showed that Peaceful protests are attainable and that there are concerns that the government refuse to do anything about. It also shows that the current Prime Minister is not fit to be the leader of our great country.. A vote of non confidence is needed.	2/19/2022 10:36 PM

15538	No	2/19/2022 10:30 PM
15539	It's restoring my faith in humanity. It's been a beautiful show of love and unity, across race and faith. A peaceful protest that is being tyrannically and violently shut down	2/19/2022 10:30 PM

15543	It is not affected my life negatively in any way I'm in support of it and it has not affected my life at all	2/19/2022 10:29 PM
15544	The truckers convoy has shown me that I have many brothers and sister that share love and support are charter rights and freedoms, the truckers convoy has also been a huge help to myself in showing more love to everyone it's affected my life on the most positive way I could ever hope for thank you freedom loving truckers and supporters.	2/19/2022 10:29 PM

15562	I see hope in this future for me and everyone else in Canada because of this trucking convoy.	2/19/2022 10:28 PM

15592	Not at all except the Government Control	2/19/2022 10:27 PM
15593	It's given me hope, that maybe I'll regain the desire to have a family of my own where there's a future I see fit for kin of my own. It's also confirmed how those keywords in number #9 are	2/19/2022 10:27 PM

correct. Corruption, misrepresentation, manipulation, repression, etc. It's given me hope that there will be accountability for all the wrong that has been done and that the government will admit that it was wrong to mandate these implementations especially vaccines. To force a hardship upon any one forcing them into taking a vaccin that they have no interest in taking and saying it's within the charter of rights is totally wrong. I feel like I've been raped. And I think it's only a matter of time before the rest of the population realizes they've are rape victims.

15608	It has given hope where there was none. It has brought Canadians together where Trudeau has segregated and demonized Canadians. It has proven that people can protest peacefully for a common good even in the face of evil. It has shown me that the mainstream media will do anything to push the narrative. They were peaceful positive protestors made out to be terrorists by Justin Trudeau.	2/19/2022 10:26 PM

15650	Brought hope and joy back to my life!	2/19/2022 10:24 PM
15651	It has sparked so much hope for a better future. Freedom of choice is so very important and I am proud of the people who are taking a stand for the masses. To lose our rights and freedom of choice to me is a death I do not want to ever experience!!	2/19/2022 10:24 PM
15652	It has made me aware of how many good people there are out there! I thought Canadians are peaceful by nature, but it heartens me to see them stand strong and free. It makes "O Canada" seem real rather than a nice ideal.	2/19/2022 10:24 PM

15655	It has given me hope. It has given me a reason to get up in the morning and to support them. And to voice my opinion and it woke up my tremendous pride in being a Canadian and how important it is to be supporting the truckers in order to free all Canadians of the unnecessary mandates and control over its citizens. It seems that the PM is taking pleasure in controlling and dominating this nation instead of looking after their interests and wellbeing. Its like he is enjoying the power over it's people.	2/19/2022 10:23 PM
15656	No groceries	2/19/2022 10:23 PM

15687	The trucking convoy is literally a freedom movement to end the mandates, I both love and support them fully	2/19/2022 10:22 PM
15688	They've given me hope that there's still people who think like me. I don't agree 100% with everything that happened such as the honking in the downtown core where people live. I wish they would've parked on justin-boy's front lawn.	2/19/2022 10:22 PM
15689	Has made me see hope for our country!	2/19/2022 10:22 PM
15690	I've never felt so proud of individuals stepping up to protect our freedoms or choices our bodies the convoy has brought many people together the convoy has allowed us to see the truth of our government the fact that our Prime Minister is doing unethical Unwarranted decisions his fight for his own power is disgusting and I'm embarrassed to say he's our leader he does not speak for all Canadians he speaks for himself and himself alone	2/19/2022 10:22 PM

With them there was no discrimination, no segregation, nothing else but love and hope. I seen true Canada again. Morals and values returning to people that our governments have been depressing the last two years!	2/19/2022 10:22 PM

15710	Inspiring. Gives hope for a restoration of democracy.	2/19/2022 10:21 PM
15711	The Convoy has given me a sense of hope, that there may be an end to the mandates. I see them only being about a cash grab, and no longer related to health.	2/19/2022 10:21 PM
15712	Brought hope and encouragement.	2/19/2022 10:21 PM
15713	Filled me with positivity. Pride of being a Canadian	2/19/2022 10:21 PM
15714	It's brought about more conversations and gave people opportunity to speak. I feel it has shown a true divide between people and how they feel overall based on if they listen to the news or not. It's been very telling of just how strongly propaganda works on people and how unwilling those who are ultimately brainwashed at this point aren't willing to admit they've been duped. It's very sad and I'm worried, but still hopeful for our future	2/19/2022 10:21 PM
15715	I think they should lose their licences. We don't need those idiots on our roads	2/19/2022 10:21 PM
15716	Great	2/19/2022 10:21 PM
15717	its fine	2/19/2022 10:21 PM
15718	Extreme mental stress emotional stress	2/19/2022 10:21 PM
15719	I fully support what the truckers are doing	2/19/2022 10:21 PM
15720	It hasn't	2/19/2022 10:21 PM
15721	Given back hope.	2/19/2022 10:20 PM
15722	It hasn't affected my life in a negative way, it has given me hope for the future	2/19/2022 10:20 PM
15723	Gives me hope	2/19/2022 10:20 PM
15724	Gave us hope government would be more accountable	2/19/2022 10:20 PM
15725	Drastic measures get the measures heard. Big difference between listening and hearing! It was a peaceful, reflective, engaging, supportive, inclusive, sociable proud to be Canadian moment in our history. What ensued at the end was embarrassing, shameful, hurtful, purposeful, malicious attack on Canada's citizens. All they wanted was to be heard and addressed. That never happened. Actions speak louder than words on both sides. If we as citizens listen and hear the candidates seeking election from which we base our careful weighted decision at the polls, then why would the same due diligence not be respected and adhered to? If Canadians are not worthy then what can be said by it's elected leader. People want to live freely come and go as they please and not be told what they can and cannot do and when and how. Going into our third year the expectations from Canadians are not reduced to cattle being herded.	2/19/2022 10:20 PM
15726	Brought hope and joy back	2/19/2022 10:20 PM
15727	Gave me hope	2/19/2022 10:20 PM
15728	Lots of emotions and hope!	2/19/2022 10:20 PM
15729	It has illustrated the level of frustration, alienation and division going on in our country. I would not have believed so much hate and shaming would come from Canadians - toward each other.	2/19/2022 10:20 PM

Canadians vote on Canadian Mandate - February 2022

15730	Because of them my rights are coming back	2/19/2022 10:20 PM
15731	It's restored my faith in the unity of our country. I'm seeing people from every province, even the western provinces and Quebec, getting along and coming together. It shows that many people can be peaceful. It's also shaken my faith in our police.	2/19/2022 10:20 PM

15738	I have hope for once in the last two years, go truckers!	2/19/2022 10:19 PM
15739	We live rural and on a dead end farm road. It may be affecting the price we are paying for groceries... then again all of the federal spending to help people stay home and not work may be more impactful on the cost of groceries.	2/19/2022 10:19 PM
15740	Quality of life	2/19/2022 10:19 PM
15741	Renewed hope in Canadians and freedom	2/19/2022 10:19 PM

15748	I have hope for the first time in 2 years. Seeing the people of this huge country rise up and support each other has been heart warming. Knowing that people know the truth; we have nothing to fear from covid, has helped my spirit.	2/19/2022 10:18 PM

15757	Not at all. They are fighting for freedom in a democracy.	2/19/2022 10:18 PM
15758	It didn't	2/19/2022 10:18 PM

15763	Empty shelves	2/19/2022 10:18 PM
15764	It hasn't. It has done more good in my life. People finally fighting for the rights of Canadians	2/19/2022 10:17 PM

Canadians vote on Canadian Mandate - February 2022

15765	It has given me hope	2/19/2022 10:17 PM
15766	Has brought hope and inspiration.	2/19/2022 10:17 PM
15767	They have showed that people are willing to stand up for their rights and beliefs	2/19/2022 10:17 PM
15768	Nice to see people loving each other again	2/19/2022 10:17 PM
15769	It has given me hope and made me proud to be a Canadian again.	2/19/2022 10:17 PM
15770	It has given me hope in the Canadian people to rise up and stand up for what is right and true and noble and good. It has given me a new belief in the capacity of the people to love each other and support one another for TRUTH. It has affected change and an awakening of others in my family about the reality of our corrupt government.	2/19/2022 10:17 PM
15771	Finally made me feel proud to be Canadian after 2 years of wanting to leave	2/19/2022 10:17 PM
15772	They have given me hope. It has made me proud to be Canadian again. The members are fighting for their freedoms and also fighting for all Canadians freedoms against a tyrannical government. It's unfortunate they had to go to these lengths because our government isn't listening to hardworking, taxpaying Canadians. Government are our civil servants not the other way around. Thank you truckers for your bravery..	2/19/2022 10:17 PM
15773	It's given me a glimmer of hope.	2/19/2022 10:17 PM
15774	I'm so proud of how many people stood up so peacefully to say no. My faith in humanity restored.	2/19/2022 10:17 PM
15775	Gives us hope that the mandates will be lifted, and hope for a new government we have all seen how this jackass is running things he has to go	2/19/2022 10:17 PM
15776	Saddened that such a segment of individuals don't take responsibility and there by abuse 'their' rights.	2/19/2022 10:17 PM
15777	I'm traumatized whenever I see a pickup truck with flags now. I'm embarrassed for them; they didn't plan their protest well & they have very limited knowledge of civics, politics, business, etc. I think they were being used. It's done a lot of harm to working Canadians. Life is hard enough without this minority bullying the majority of Canadians.	2/19/2022 10:17 PM
15778	It's been the only thing that brought any hope to our lives for our country	2/19/2022 10:17 PM
15779	It hasn't it's giving me hope	2/19/2022 10:16 PM
15780	It gave me a feeling of unity	2/19/2022 10:16 PM
15781	Brought me hope	2/19/2022 10:16 PM
15782	Liberating. The unity and fight for freedom by my countrymen brings tears to my eyes and gives me hope. They were peaceful and Trudeau the tyrant spit in their face and as a result spit in mine. He needs to be fired and jailed for crimes against humanity.	2/19/2022 10:16 PM
15783	Gives me hope that there may well be a chance at normalcy.	2/19/2022 10:16 PM
15784	It's made me very happy and provided me with a sense of hope that I haven't had in 2 years	2/19/2022 10:16 PM
15785	They haven't affected my life.	2/19/2022 10:16 PM
15786	Gave people hope	2/19/2022 10:16 PM
15787	The people standing to be heard about their freedoms make me proud, the abuse of power from the police these past few days has made me embarrassed to be a Canadian. I wish the government was willing to have a conversation before it got to this point. I am for peace not what's going on by police right now.	2/19/2022 10:16 PM
15788	In a positive way. It ignited hope, faith, love, possibility and plausibility.	2/19/2022 10:16 PM
15789	Not really	2/19/2022 10:16 PM
15790	Gave us hope for a better future	2/19/2022 10:16 PM
15791	Have me hope	2/19/2022 10:16 PM

15794	Uplifting hope for humanity to evolve to free sovereign beings.	2/19/2022 10:16 PM
15795	It gave hope, unity and love, exposed all covid lies and our government corruption especialy in medical field	2/19/2022 10:16 PM
15796	They did not affect me as we supported their efforts and we proud of them for what they did for Canada .	2/19/2022 10:16 PM
15797	A positive and peaceful representation	2/19/2022 10:16 PM
15798	A source of stress and division. It's been a nightmare for families who live in Ottawa	2/19/2022 10:16 PM
15799	I believe in Canada again, they make me proud to be called Canadian citizen.	2/19/2022 10:16 PM
15800	Possitve as it gives me hope that things will get better soon	2/19/2022 10:16 PM
15801	Every way possible	2/19/2022 10:16 PM
15802	Make me feel I wasn't alone give some hope people still cared about chart of rights	2/19/2022 10:15 PM
15803	Delivery delays for business but they are doing a good thing so I'm happy to wait for stuff to arrive.	2/19/2022 10:15 PM
15804	Hopeful for first time things will change	2/19/2022 10:15 PM
15805	It is given me a shred of hope that this coup try my be free again.	2/19/2022 10:15 PM
15806	It has made me ashamed that Canadians could behave so poorly	2/19/2022 10:15 PM
15807	Gave me hope. 1st time in two years I felt pride in being Canadian	2/19/2022 10:15 PM
15808	Proud of the peaceful protests	2/19/2022 10:15 PM
15809	Hope, fighting for our rights, constitution, preventing tyranny and Marxism	2/19/2022 10:15 PM
15810	Brings a tear to my eye to see the unity of the world a small amount of hope in a very dark time	2/19/2022 10:15 PM
15811	Positive, unity, peace,love	2/19/2022 10:15 PM
15812	Hope	2/19/2022 10:15 PM
15813	Gave me hope in humanity.	2/19/2022 10:15 PM
15814	Brought life back to the world. Its proving the pm is useless,spineless and needs to resign	2/19/2022 10:15 PM
15815	It has affected our economy. Point was taken Three weeks was overkill and it became more political and needed to be disbanded after one week. Canadians have freedom. Maybe move to a country that have very few and have to fight for their lives.	2/19/2022 10:15 PM
15816	Hope to live with freedom and personal choice	2/19/2022 10:15 PM
15817	Hipe	2/19/2022 10:15 PM
15818	It has given me hope. There has been so much corruption and they are the only hopeful movement I have seen in the last two years. I support them 100% as no one, not even the government officials, have the right to force any medical "recommendation" on me. The truckers are fighting against communism and for that, I stand with them 100%.	2/19/2022 10:15 PM
15819	Divided country	2/19/2022 10:14 PM
15820	It has given me hope and has confirmed that there are plenty others that share my opinions and worried for current and future overreach of our current government	2/19/2022 10:14 PM
15821	I don't live in Ottawa, but as a Canadian, I have a deep sense of sympathy for those residents. Those people also claim to represent Canadians and that's embarrassing. Also embarrassing is the response to the original protest which was allowed to evolve. Friends and family are asking what happened to our country. I don't know.	2/19/2022 10:14 PM

Canadians vote on Canadian Mandate - February 2022

15822	made me hope for freedom	2/19/2022 10:14 PM
15823	It gave me confidence that we the people are going to win this battle	2/19/2022 10:14 PM
15824	For the first time in over two years it has ignited hope across our nation and we feel that hope very much however watching the government double down and freeze bank accounts, put out police who threaten and injure protesters brings back that hopeless feeling that no matter what the people do we don't matter the government will continue to take everything that we have and once again life in Canada appears bleak and hopeless.	2/19/2022 10:14 PM
15825	Gave me hope	2/19/2022 10:14 PM
15826	Made me proud to be Canadian again. Reminded me other areas struggling with being forced to get a job just to put food on the table	2/19/2022 10:14 PM
15827	It's really nice to see Canadians support each other and try to end Trudeau's communist agenda	2/19/2022 10:14 PM
15828	It's made people who agree on 90% of things ignore them and fight over the 10% they don't, more frequently	2/19/2022 10:14 PM
15829	It's been hard to watch the division within Canada. I have never participated in any of the convoys or protests, but I have been watching what is happening. I support the truckers and everyone protesting for Canadians freedoms, but I am scared. I am scared to lose my job, or have conflict with others whom do not support the same belief. If you say you support them, you are labeled a terrorist or a racists. I am non of those! I am a tired Canadian! I just want to enjoy life again, see friends and family, have a BBQ or Party. I do not want Covid restrictions for another 2 years! There is NO end in sight. I think what the government is doing is wrong. I am ashamed to be Canadian, I have NEVER in my life felt this way. Everyone I know and speak to feels the same way, but they are intimidated, intimidated by our government and what it may cost them if they admit they support the convoy. Everyone has had enough.	2/19/2022 10:14 PM
15830	Gave hope	2/19/2022 10:14 PM
15831	No more than a child throwing a hissy fit, but then again I don't work in cross border trade or out of Ottawa. If I did, id probably be shouting off my balcony too.	2/19/2022 10:14 PM
15832	Not at all	2/19/2022 10:14 PM
15833	Given me hope	2/19/2022 10:14 PM
15834	Racism, white privilege and dangerous beliefs being tolerated and supported publicly. Shameful.	2/19/2022 10:14 PM
15835	Trucking convoy has inspired hope.	2/19/2022 10:14 PM
15836	they are fighting for our freedom to be Free Canadians again and stop the mandates.. I support them	2/19/2022 10:14 PM
15837	It Has not.	2/19/2022 10:13 PM
15838	Giving us hope	2/19/2022 10:13 PM
15839	It has made more people aware of what is truly going on. This is not about a virus.	2/19/2022 10:13 PM
15840	It hasn't. Except that it is annoying.	2/19/2022 10:13 PM
15841	It has brought back hope and made me very proud to be a Canadian	2/19/2022 10:13 PM
15842	None!!!	2/19/2022 10:13 PM
15843	It shows that mainstream media has been completely lying,	2/19/2022 10:13 PM
15844	Opened my eyes	2/19/2022 10:13 PM
15845	Hasn't	2/19/2022 10:13 PM
15846	Main stream people realizing that main stream media is lying to them	2/19/2022 10:13 PM
15847	I see the strength in numbers, the joy and camaraderie among the convoy and supporters. I has made me more aware of what's happening in our country politically. It has sparked HOPE to do something about all the restrictions because of mandates.	2/19/2022 10:13 PM

15850	Uplifting hope and pride	2/19/2022 10:13 PM
15851	They have impacted the governments decisions on mandates	2/19/2022 10:13 PM
15852	I got the hope,that government with PM will find the way to talk to people listen them and make a right decision to make Canada best country to live.	2/19/2022 10:13 PM
15853	Positive, as somebody is protesting to make life better.	2/19/2022 10:13 PM
15854	No direct impact but it has made me very sad to watch what the government is doing!!	2/19/2022 10:13 PM
15855	Encouraged me that their is an effective response to medical and political overreach.	2/19/2022 10:13 PM
15856	Given me hope	2/19/2022 10:13 PM
15857	Gave me renewed hope	2/19/2022 10:13 PM
15858	Gave me hope	2/19/2022 10:13 PM

15860	It gives me hope	2/19/2022 10:12 PM
15861	Give me hope for better future	2/19/2022 10:12 PM
15862	It hasn't directly. It gave me hope that more people think like me.	2/19/2022 10:12 PM
15863	It has given a little ray of hope & pride in Canadians once again	2/19/2022 10:12 PM
15864	Gave me hope and to be proud to be a Canadian!	2/19/2022 10:12 PM
15865	It brought hope	2/19/2022 10:12 PM
15866	It made me feel like I was not alone, made me feel alive, free	2/19/2022 10:12 PM
15867	In my eyes, the truckers are great Canadian heroes! They have given me hope for a better future for myself and for all Canadians. They have sacrificed so very much to defend our freedoms. Even if they do not achieve their ultimate goal of ending all mandates and restoring employment to those who were unjustly fired, they did achieve great successes. A number of provinces are dropping their mandates and Quebec has cancelled their plans to impose a 'health tax'. I was very concerned about Trudeau pressuring all the provinces to fine the unvaccinated. I believe the convoy has been a catalyst to expose the great tyranny that has arisen in Canada and around the world. It has helped to awaken the public to the grave threats against our freedoms and our way of life. It has inspired citizens in Canada and globally to have courage and rise up peacefully against the tyranny.	2/19/2022 10:12 PM
15868	Gave me hope that perhaps we live in a democratic society....and what I have witnessed is a government that won't listen and is taking away our fundamental rights	2/19/2022 10:12 PM
15869	It doesnt	2/19/2022 10:12 PM
15870	It's nice to see people fighting for their right to protest but sad to see our government invoking the emergency act. We need communication and a plan right now, not division and an emergency act.	2/19/2022 10:12 PM
15871	Gives me a hope that democracy wins	2/19/2022 10:12 PM
15872	I support these heroes	2/19/2022 10:12 PM
15873	Given hope	2/19/2022 10:12 PM
15874	I am horrified with what has happened to the city of Ottawa	2/19/2022 10:12 PM
15875	Brought hope	2/19/2022 10:11 PM
15876	Gives me courage, boldness, joy! It has brought hope that I wasn't alone in this stand for freedom and civil liberties! Makes me believe we can peacefully change things. Made me feel more connected to our Canadian brothers and sisters!	2/19/2022 10:11 PM

15883	It has given me hope for a free future, given me a psychological lift.. made me happy seeing all the different people coming together in support	2/19/2022 10:11 PM
15884	Hope, Also that I'm not alone. Gaslighting has less power from the elites. They have divided us and told those who research that they are dumb. Divided families. Truckers brought oneness back	2/19/2022 10:11 PM
15885	Given me hope that the people of Canada are fighting for truth	2/19/2022 10:11 PM

15888	At this time they have not. I fully support the trucker convoy	2/19/2022 10:11 PM
15889	No real impact	2/19/2022 10:11 PM
15890	It's makes me feel hopeful again. It brings light That people can stand up for their rights and name abuses of power that are unjustly demonstrated on citizens of this country. Trust has been severely abused by this leadership or lack of leadership, and lack of appropriate leadership, most prominently regarding the convoy. The convoy is the voice of the people from many walks of life. The vaccinated and unvaccinated alike. The Canadian and United States joined together and countries of the world have all joined in. People of the world are saying no. This should affect everyone's life rightly so. It's very hopeful when people say enough is enough.	2/19/2022 10:11 PM
15891	Gave me hope.	2/19/2022 10:11 PM
15892	It has inspired me to know that loving, peaceful, courageous Canadians are coming together to fight for our freedoms and rights, and to hopefully change our future for the better. The convoys have given me hope.	2/19/2022 10:11 PM
15893	Has brought joy and hope and God back in our country and our world	2/19/2022 10:11 PM
15894	Given me hope that the Government will finally see how much this is negatively affecting people, and to look at the big picture. Also we are grown adults, and we can make choices for ourselves.	2/19/2022 10:11 PM
15895	We do not live near any of those areas.	2/19/2022 10:11 PM
15896	Shown me how far some people are prepared to go in the cause of freedom.Has also shown what a pathetic 'leader' Trudeau is.	2/19/2022 10:11 PM
15897	Very sad to see how the government and police have treated the organizers and protestors. Happy to see so many people protesting	2/19/2022 10:11 PM
15898	I feel hope. I sense people coming together and finally seeing the truth, and wanting that truth for others. I have no problem with empty shelves in big grocery stores because I shop small local businesses.	2/19/2022 10:11 PM
15899	It has given me hope that maybe we can go back to the way Canada was before all of the mandates.	2/19/2022 10:11 PM
15900	It's Hasn't But it good they rarely doin it standing up for our rights	2/19/2022 10:10 PM
15901	Hope. Courage to speak up. I've written countless letters and engaged in conversation. I'm less afraid	2/19/2022 10:10 PM

15902	Its been amazing	2/19/2022 10:10 PM
15903	Mandates were relaxed in my province	2/19/2022 10:10 PM
15904	It's given me hope	2/19/2022 10:10 PM
15905	Hopeful. Excited that Canada stood up to the bully.	2/19/2022 10:10 PM
15906	Truly it has not, however it has shown me the true colors of our GOVERNMENT, good and bad. The Convoy gave me hope that our government would finally LISTEN	2/19/2022 10:10 PM
15907	Na	2/19/2022 10:10 PM
15908	It gave me hope that this country is not lost to communism yet. There is unity and community.	2/19/2022 10:10 PM
15909	Increased hope and patriotism to stand up to tyranny. United Canadians that were previously (and deliberately) divided against each other, i.e. Alberta / Quebec	2/19/2022 10:10 PM
15910	Gave me hope	2/19/2022 10:10 PM
15911	Gave me hope that we ordinary Canadians can take our country back from the commies	2/19/2022 10:10 PM
15912	It has given me hope.	2/19/2022 10:10 PM
15913	Raised hopes and believes that we live in a democratic country where people are usually heard and that our government will use dialogue to hear ALL sides.	2/19/2022 10:10 PM
15914	It hasn't	2/19/2022 10:10 PM
15915	It hasn't affected my life. It has given me hope for the future.	2/19/2022 10:10 PM
15916	Eye opener - be bold and stand up for your rights	2/19/2022 10:10 PM
15917	Not at all in a negative way. Encouraged us	2/19/2022 10:10 PM
15918	Given us a voice	2/19/2022 10:10 PM
15919	It made me feel very patriotic and connected to the other side of the country. And the longer it went on it pointed out the unfairness of main stream media	2/19/2022 10:09 PM
15920	Encouraged	2/19/2022 10:09 PM
15921	Restored some pride in country	2/19/2022 10:09 PM
15922	It gives me hope!	2/19/2022 10:09 PM
15923	Gave me hope	2/19/2022 10:09 PM
15924	Pretty much the same, except seeing the love and patriotism in Canadians and people all over the world.	2/19/2022 10:09 PM
15925	..	2/19/2022 10:09 PM
15926	I watch to see how our government handles concerns of the citizens, I have found the experience to be very educational. I stand for our freedoms and I have felt that our government and government agencies, federally and provincially have distorted truths and manipulated the people, in unconscionable ways. At this point in the journey, it is so apparent with the handling of a peaceful protest, that our government has lost the faith and the respect of the people	2/19/2022 10:09 PM
15927	Hasn't	2/19/2022 10:09 PM
15928	Brought us hope, tears of joy.	2/19/2022 10:09 PM
15929	None	2/19/2022 10:09 PM
15930	It has stopped cattle exports which affects my livelihood. It has also stopped products from being delivered to stores which also affects my livelihood.	2/19/2022 10:09 PM
15931	It's made me afraid to post my opinions on Face Book, I distrust government and main stream media less for creating a racism narrative, and for reducing our civil liberties even more. When I drive down the highway, I am weary of 18 wheelers. If the government had been more pre-emptive before the trucks moved into downtown Ottawa, the EMA would not have to have been invoked. Nova Scotia made pre-emptive laws for Nova Scotia before the Truckers even	2/19/2022 10:09 PM

arrived in Ottawa. It makes me feel sick that the whole thing happened, that people felt pushed enough to protest that way by the government and that the government mishandled the whole thing. It was traumatizing to watch it all unfold. I feel sick that my Prime Minister would say that anyone who was unvaccinated was racist, misogynist, and extremist, no matter who they were (male, female, trucker, non-trucker, East coaster, central, or westerner). It's disgusting. It has created so much division.

15932	Hope	2/19/2022 10:09 PM
15933	I am disgusted by how Trudeau has handled a peace loving legal demonstration with his tyranny and illegal actions. I used to have great respect for the police of every brach. Hmmm	2/19/2022 10:09 PM
15934	It made me proud to see Canadians waving flags, smiling, hugging, kids playing with each other in snowdrifts along the highway	2/19/2022 10:09 PM
15935	It hasn't affected me at all I fully support them and all who support them its our right as citizens to protest against breaches of our charter of rights.	2/19/2022 10:09 PM
15936	Gave me hope	2/19/2022 10:09 PM
15937	I think you mean white privileged and white supremacy. They scare me.	2/19/2022 10:08 PM
15938	It hasn't personally to me, but do believe they shouldn't be discriminated against due to their vaccine view	2/19/2022 10:08 PM
15939	Proud that there's a group of people with all different backgrounds standing up to our government	2/19/2022 10:08 PM
15940	Added hopefulness, joy, love and a sense of connectiveness, national pride and many many tears of thankful. Finally people care enough to speak up.	2/19/2022 10:08 PM
15941	It was a beacon of hope. For a long while I wasn't sure if I was the only one who saw through the media led fear cult. As it turns out, there were many of us. It made me proud to be a Canadian again, and for the first time in a long time, Canadians demonstrated that we were not cowards who could be subjected by fear and phsycological warefare. While the media and mister Trudeau may continue to demonize all who oppose their fear cult, the awakening has already begun, and no temper tantrums or illegal emergency powers will dim the light that has been lit.	2/19/2022 10:08 PM
15942	I am proud of the truckers that " took the bull by the horn" and stand up for our rights and freedoms. Being told that someone had lost their job because they do not want to get vaccinated is not right! It should be a choice.	2/19/2022 10:08 PM
15943	Proud of them!! For standing up for freedom of choice!!	2/19/2022 10:08 PM
15944	Hope	2/19/2022 10:08 PM
15945	The truck and convoy has affected my life in a positive way, positive that the lying cheating government that dictates what goes on fake news it's very very true I spent hours and hours watching live videos then I watch global news I'm absolutely disgusted with their reporting the convoy has woke me up and thank God I'm not there cause I would be in jail.	2/19/2022 10:08 PM
15946	It has given us hope. Knowing that we are not alone, that there are so many others who are awake and aware that none of this is okay. They have shed light on the current situations that are occurring within Canada while also shedding some light on the world that this is not a "me" or "us" issue, it affects us all, worldwide! We ultimately have autonomy over our own bodies and that of our children's and their is no power in this world that can dictate otherwise.	2/19/2022 10:08 PM
15947	The trucking convoy has ruined many friendships as I have had to distance myself from people who support racism, nazism, and discrimination to name a few. Any breathing human with basic critical thinking skills that has the ability to read the Charter of Rights and Freedoms, would learn in under 3 minutes that everything the government has mandated is 100% lawful.	2/19/2022 10:08 PM
15948	affected me In no way	2/19/2022 10:08 PM
15949	Made me believe there is hope, these truckers are superheros in my eyes.	2/19/2022 10:08 PM
15950	Given me Hope for the future. BUT, I am sickened by Trudeau's tyranny & police brutality.	2/19/2022 10:08 PM
15951	Got some Faith back. Felt good	2/19/2022 10:08 PM

15955	They have been fighting for our rights I agree with them	2/19/2022 10:07 PM
15956	We've experienced shipping delays both personally and in business, but feel these delays and shortages are 100% worthwhile, as Canadians stand for our freedoms being returned. It has also brought hope, and faith in fellow citizens.	2/19/2022 10:07 PM

15967	Giving hope	2/19/2022 10:07 PM
15968	It makes my family & I feel sad that it had to come to this, the point of the protesting, the cries for help. All the unlawful actions against them truckers in Ottawa. THEY WERE OUR VOICES!! I am very disappointed at how the ones who were suppose to stick by us, stand up for us, let us be free, I believe it's our Governments responsibly to UNITE US as a country, not make us turn our back on each other. This is CANADA !! That is not our country anymore... Please let the pandemic emergencies be over with already, let us move on... Let us make out own choices when it comes to Medical decisions, especially FOR OUR CHILDREN :(2/19/2022 10:07 PM
15969	The Freedom Convoy 2022 has given me Hope for Canada and Canadians to get our Freedoms back. Our Rights & Freedoms should Never been taken away.	2/19/2022 10:06 PM
15970	Good to see so much support on the side of the highway	2/19/2022 10:06 PM
15971	It gave me hope and an overwhelming sense of pride to be Canadian (I haven't felt this way in YEARS)!	2/19/2022 10:06 PM
15972	The convoy has given me hope that people in this country (not our leaders) still care enough to stand up for basic human rights... so much that they are willing to put everything on the line. For the first time in years, I feel there may be hope for this country.	2/19/2022 10:06 PM
15973	Gives me hope that others also want mandates to end	2/19/2022 10:06 PM
15974	Hope!!! Love!!!! Peace!!!	2/19/2022 10:06 PM

15978	I'm proud to be a Canadian as I watch people sacrificing the careers, livelihoods and finances, and time and honouring God in obedience to Him.	2/19/2022 10:06 PM
15979	If anything the convoy has given me hope, it's nice to feel not so alone for the first time since October. It's also shown our prime ministers true colors, it seems to disagree with him means	2/19/2022 10:06 PM

you'll be called hateful names. I'm certain all this convoy business could have had a faster solution if only Justin Trudeau had treated them like citizens.

16011	It's given me hope for a better future	2/19/2022 10:04 PM
16012	Showed me that Canada could unite as a community, as a country again. The people want their lives back, no more government failure and interference. been under from the government.. gave hope that Canadians will stand up against the tyranny of government

16042	It is not affecting my life. What the government is doing to us is criminal. They say the truckers are affecting us. The cops shutting down Huron line is affecting my travel to work and back home. It is affecting the business on Huron line by blocking their driveways. The government is allowing unvaccinated trucks to travel into our country but only if they carry things for continuing the mandates passed down by the government that is supposed to be for the people of this country. The government are destroying us by pitting us against each other. Turning brother and sisters mothers and fathers against each other. Friends and neighbors too.	2/19/2022 10:02 PM

16059	Given me hope, Epirus to be Canadian, giving me my life back	2/19/2022 10:00 PM
16060	Gave me hope - enjoyed my tome in Ottawa .. until feb 18 when Trudeau and police service acted in tyrannical way	2/19/2022 10:00 PM
16061	It hasn't. The only effects are those that the government has done and blamed the convoy for.	2/19/2022 10:00 PM
16062	Has not affected my life at all.	2/19/2022 10:00 PM
16063	It gave hope and also confirmed that I was not alone with a small minority in my research and thoughts. I am so thankful for what they have done and are doing.	2/19/2022 10:00 PM
16064	I saw it gave people hope. Then I saw how it further divided people.	2/19/2022 10:00 PM
16065	They gave me hope. They peacefully sought to have someone like me be treated equally again and not discriminated against. I think what the Fed govt is doing to them is sinister and vindictive and not at all legal considering BLM terrorized cities for a year recently. Canada feels completely lost to me now.	2/19/2022 10:00 PM
16066	Brought back patriot pride love and happiness with hope of ending the tyrannical madness	2/19/2022 10:00 PM
16067	It didn't effect my life, than the stress it gave. The government who was/is not listening, the lies we see on the social media. But what can we expect if we close the Bible, don't read it, and don't do what is written in the Bible, but go right against God's Word. We can't expect a blessing. May there be a lot off praying people yet in our country. In times past they were more	2/19/2022 10:00 PM

afraid of the prayer of the Godly man John Knox than a whole army. It's only God who is and will be victorious.

16069	Proudest I have felt to be a Canadian in along time.	2/19/2022 10:00 PM
16070	It is given me and my family hope that things will change. Canada is heading in a direction that is very concerning for our freedoms as citizens.	2/19/2022 10:00 PM
16071	As long as it stays peaceful, it has brought hope of returning to "normal".	2/19/2022 10:00 PM

16079	Hasn't	2/19/2022 9:59 PM
16080	Very disappointed the way the medias, politicians and police treated these people and the supporters. The PM doesn't deserve to be and stay there, he's a disgrace to our country and Canadians..	2/19/2022 9:59 PM
16081	It is giving me hope for the future and our children's future	2/19/2022 9:59 PM
16082	Not .00000000000000000000000000000001% as much as the covid restrictions.	2/19/2022 9:59 PM
16083	Made me see that alot of Canadians are awake or now waking up	2/19/2022 9:59 PM
16084	For the first time in a long time it gave me a glimmer of hope and made me feel proud to be a Canadian. It made me realize that our Prime Minister is a criminal who should be thrown in jail. He as sold out our country to China and the Global Elites of the WEF. He is guilty of violating the Nuremberg Code and the Canadian Charter of Rights and Freedoms. He and his co-conspirators should be found guilty of high treason and thrown in jail for life. They have contributed to the unnecessary deaths of thousands of Canadians because of their banning of early treatment protocols for Covid. We now know that approximately 80% of Covid deaths could have prevented with early treatments which the government blocked. Meanwhile the vaccines which he spent billions on have now been proven to be a complete and utter failure. Indeed all of Canada's Covid response has been a serial comedy of policy blunders that has mired the country in debts that can never be repaid. It appears he has deliberately set out to destroy our whole economic system.	2/19/2022 9:59 PM
16085	It made me proud as I watched and it appeared to be non vile t... individuals who want to be heard. Now it has been too long to say what they need to say and appears to be evolving into some thing else...could have been avoided if our prime minister would have validated the needs of the people instead of becoming a dictator.	2/19/2022 9:59 PM
16086	Happy to see people coming together in unity and making a stand for what they believe in, supporting healthy choices and overall freedom.	2/19/2022 9:59 PM
16087	Negativley	2/19/2022 9:58 PM
16088	Given me hope in humanity! Hope that the restrictions will end! Feel understood! And Valued!!!	2/19/2022 9:58 PM
16089	It is great to see that they are standing strong for all Canadians for our freedom and rights enough is enough. Our veterans fought for our freedom. Give it back. I 100% support the truckers	2/19/2022 9:58 PM
16090	Neither good nor bad	2/19/2022 9:58 PM

16099	Gave me hope.	2/19/2022 9:58 PM
16100	I feel like waking every day and putting my best foot forward! It's brought a sense of hope and until 2 days ago when Trudeau declared the war measures act, peaceful and full of love in my heart for what I witnessed. I'm proud to see so many Canadians standing together in unity for the constitution of Canada. Drop the mandates.	2/19/2022 9:58 PM
16101	It is a waste of time and is not helping having that number of trucks away from work. It will affect the economy.I do believe it was wrong to force truckers to be vaccinated. I think people should be able to continue working vaccinated or not. I know people who lost their jobs and I disagree with this.	2/19/2022 9:57 PM
16102	It has opened the eyes of the blind and those living in fear.	2/19/2022 9:57 PM

16107	I've felt a pride in my country and fellow citizens like never before. It's given me such hope and strength where I feared before, that I was alone. I've become a much more active Canadian citizen; mailing representatives and calling officials, pleading with them to see reason and rationality.	2/19/2022 9:57 PM
16108	Has given us hope	2/19/2022 9:57 PM
16109	Awesome reunited the people ! I've will always respect them and others !!!	2/19/2022 9:57 PM
16110	Made me aware that there are other people like me who are not happy with the government and province response to covid	2/19/2022 9:57 PM

16116	Some empty shelves at stores other than that not at all	2/19/2022 9:56 PM

of all levels of Government. The rot of Globalism at every level whether its political, judicial, municipal or within the mendacious bunkers of the ethically and morally corrupt corporate Media regime. The truckers have exposed the festering rot and the authoritarian malevolence of Canadas Globalist ruling class. The country is as corrupt as any other third world french speaking shithole, like Rawanda or Haiti type corruption, a culture of political and social corruption.

16127	its given my family and I hope for a future of my God given rights to be free. they are peaceful and show nothing but love, love conquers all	2/19/2022 9:56 PM
16128	Annoyed at ignorant people posing as freedom fighters in general. Dunning Krueger in full effect.	2/19/2022 9:56 PM
16129	The trucking convoy is a positive movement, these are people who understand that the way our government has handled everything the past 2 years isn't correct or appropriate to how our constitution was origionally set up. The truckers and the supporters of the truckers understand this, and their entire movement regardless of what the media portrays is ESSENTIAL to Canada's pushing back against a government who has over stepped boundaries in their push for their own personal authority and agenda. The Trucking convoy is essential to our Country's freedom, and the way the government of Canada has handled the convoy is criminal.	2/19/2022 9:56 PM
16130	It makes me proud To be a Canadian again ♥ And it gives me hope that we can restore our Canada and she will be free	2/19/2022 9:56 PM
16131	It has disrupted shipping and supply of gas and food. It has also messed up traffic a lot. They have also pushed up the price of gas and are causing unnecessary pollution and carbon emissions.	2/19/2022 9:56 PM
16132	Made me proud to be a Canadian. Gave me hope of seeing an end to government overreach with Covid restrictions.	2/19/2022 9:55 PM

16134	For the first time,I'm proud of our flag	2/19/2022 9:55 PM
16135	It has been amazing and wonderful, peaceful and loving until the ridiculous pm threw the police in, I have tons of footage of innocent people getting assaulted by so called officers, the convoy was amazing, the police and gov ruined it.. I'm glad they are staying put!!!	2/19/2022 9:55 PM
16136	It's given me hope! I am so thankful this happened. I was feeling so alone before this happened.	2/19/2022 9:55 PM
16137	They are being peaceful and want a meeting. That is what the bill of writes was made for to allow the people to communicate with the government and in this case the government is not listening to the people.	2/19/2022 9:55 PM
16138	Gave me hope and it is important to check those in power, we the people have the power!	2/19/2022 9:55 PM

16152	I appreciate their sacrifices in making Canadians aware of the self serving liberal regime	2/19/2022 9:54 PM
16153	It has given me hope that the our country may go back to a democracy rather than a dictatorship.	2/19/2022 9:54 PM
16154	They have created unnecessary havoc on our highways, not to mention creating unnecessary noise and garbage. I am also disgusted with how they feel cultural appropriation (of First Nations/Métis/Inuit traditions) has anything to do with Covid.	2/19/2022 9:54 PM
16155	It was giving me hope until the Emergency Act was engaged. A peaceful protest run over by Trudeau's Emergency Act which to my way of thinking was totally unnecessary...all he had to do was sit with the truckers & have a discussion.	2/19/2022 9:54 PM
16156	Was Awesome, our Heroes!!!	2/19/2022 9:54 PM

16167	It has been incredibly stressful and disruptive, not to mention emboldening like-minded people to continue the hate in other areas of Canada and the world. It needs to end now.	2/19/2022 9:54 PM
16168	It's been an annoyance.	2/19/2022 9:54 PM
16169	It has given me hope and made me beyond proud to be Canadian. The pandemic is over. It's time to move on. Please listen and end the mandates.	2/19/2022 9:53 PM
16170	Made me proud	2/19/2022 9:53 PM

16177	They have given me everything I have needed all of my life. Without truckers we have nothing. Without democracy we are completely undone in this country. Stop this grab for power, stop this dictator ship now.	2/19/2022 9:53 PM
16178	a proud Canadian we need to stand proud .	2/19/2022 9:53 PM
16179	Hugely has given me a hope that even if we have the wrong people in government we can still make the change and we can as Canadians make a worldwide impact as seen with many other country's having truck convoys	2/19/2022 9:53 PM
16180	I'm embarrassed for the whole convoy movement. Seriously what kind of person hides behind children. I liken the situation in Ottawa to anarchy	2/19/2022 9:53 PM
16181	As a protest , it has not. As a group blocking transportation and general movement of Canadians it has in ways we are not even aware of yet. No other groups are allowed to blockade! And why did the trucker group choose to blockade instead of simply protest? This is definitely not a survey asking simple questions to a clear topic.	2/19/2022 9:53 PM
16182	Has not affected my life.	2/19/2022 9:53 PM
16183	Has given me new hope again!	2/19/2022 9:52 PM
16184	It frustrates me to know we live amongst such privileged, entitled people. Some who are white supremists and hateful people.	2/19/2022 9:52 PM
16185	maybe some higher prices on fruit and vegetables	2/19/2022 9:52 PM
16186	The truckers deserve my respect. They represent all of us that are affected one way or another by tyrannical mandates imposed on the population, and the brainwashing vy the media.	2/19/2022 9:52 PM
16187	Gave me hope and inspiration	2/19/2022 9:52 PM
16188	Gave me hope for a better future. Maybe one without Trudeau as prime minister	2/19/2022 9:52 PM

16191	I think you have to stand up for what you believe in.	2/19/2022 9:52 PM
16192	I am proud of all the Canadians who have stepped forth to fight for our human rights. I am saddened by the lack of support and acknowledgement from our government to hear the people and invoke change to these mandates.	2/19/2022 9:52 PM
16193	Feeling of hope	2/19/2022 9:52 PM
16194	It gave me hope, showed me there are far more people who think and feel the way I do than I was led to believe. It restored the hope that we were not as lost as I thought. It showed me that love, hope peace and fellowship was more powerful than the vile I have had to listen to the past two years. I will forever be in their debt for the lifeline they gave me.	2/19/2022 9:52 PM
16195	It has brought me hope in such a dark time	2/19/2022 9:52 PM
16196	It gave me hope that life will return to normal!	2/19/2022 9:52 PM
16197	Given me hope that maybe things will turn around for good and corruption in our government be brought to light!	2/19/2022 9:52 PM
16198	Not at all	2/19/2022 9:52 PM
16199	It's annoying	2/19/2022 9:52 PM
16200	Touched emotionally what these men and women have sacrificed to fight for everyone's freedom.	2/19/2022 9:51 PM
16201	Finally a glimmer of hope that common sense is emerging and that mandates will all be dropped. Police actions are egregious	2/19/2022 9:51 PM
16202	It has given me hope that maybe we can stop the government from taking over our lives and bringing us into communism.	2/19/2022 9:51 PM

16218	Not at all	2/19/2022 9:50 PM
16219	Border disruptions have cost dearly. They should have all gone to Ottawa	2/19/2022 9:50 PM
16220	I've been extremely proud and grateful to them. They are giving Canadians hope. I'm praying for them day and night. I also pray that no more goons are sent in to hurt them, take their children, put them in jail or try to drive them away. They are there to do a job peacefully and they have done more good than anything. They have shovelled snow off the city streets and sidewalks, picked up garbage, fed the homeless, filled every hotel in Ottawa (hotels made a statement that they were so grateful to finally be at full capacity as they haven't had that in over 2 years, they are spending a lot of money in Ottawa helping the city financially. I have nothing but RESPECT for them, something I can't say about the government. Proud of them as many countries are following their lead. Last I heard 26 countries are now completely FREE- what a beautiful blessing. I've been following the uncensored news since the Convoy from the west headed out the 3rd week of January. I've done little of anything else as I'm praying hard that these marvellous people will get our FREEDOM back for us. It's beyond sad that the PM won't even meet and negotiate. The PM, Teresa Tam and their Scientists were invited to meet with Spokesmen from the Convoy, their Doctors and Scientists and the Liberals never showed. Very sad to see a boardroom with a table with people seated on only one side. Another huge embarrassment. Everyday has been peaceful, loving and high hopes of a meeting but the liberals don't have the manners to show up or reply in other way. I think the only answer is for everyone of us to head to Ottawa- strength in numbers. Actually that plan is in the works- people WILL STAY TILL THEY GET THEIR WAY! No Canadian wants to live in Communism !!!	2/19/2022 9:50 PM

16300	It's opened my eyes and my heart. I am so proud of our warriors holding the line. For putting their lives and livelihoods at risk to fight for everyone's freedom. This is what Canada is about. This is what makes me proud to be Canadian	2/19/2022 9:45 PM
16301	I have not had any serious disruption from any of the protest happening. My grocery shelves are full and I'm not without anything I need or want. It has been refreshing to see people come together, and try to make changes and support eachother. I was worried that large groups of people gathering would lead to an increase in covid cases but there doesn't appear to be any. The response from our elected officials has been heartbreaking. I expect so much more than just divisive and evasive language followed by heavy handed and honestly ridiculously disproportionate actions. I hope I get to live in a country that values all its citizens again.	2/19/2022 9:45 PM
