16324	It is positive to see Canadians come together after 2 years of intermittent lockdowns. These convoys are not illegal nor are they a threat to the safety of Canadians as the media would have you believe.	2/19/2022 9:43 PM
16325	Proud to see Canadians stand up everywhere for our own choices .	2/19/2022 9:43 PM
16326	It has given me hope that there are others who oppose the passport system that creates a two tier society. I couldn't believe people were ok with this discrimination. As I saw Canadians standing on overpasses and side roads in freezing weather to cheer on the truckers, tears flowed and feelings came up that I didn't know I was suppressing. Then provincial governments started lifting passport mandates . I am so grateful to these heroes. I am vaccinated but the suppression and fear of expressing my opinion was taking a toll, more than I knew.	2/19/2022 9:43 PM
16327	it's to giving hope to the Canadian	2/19/2022 9:43 PM

16331	Division in family. Emotional stress. Coworkers unable to cone in to relieve shifts.	2/19/2022 9:43 PM
16332	Not yet, but likely will with empty shelves in stores soon	2/19/2022 9:43 PM
16333	They shouldn't feel threatened to loose their jobs or be forced to do anything	2/19/2022 9:43 PM
16334	I think it's great to protest the government when they are being un reasonable.	2/19/2022 9:43 PM
16335	I am actually so disheartened and upset. I come from a larger family and there are people from all over the spectrum in it. I just can't even talk to/look at them right now! I am that angry!!! That thwy think they have the right to occupy an area. Not listen to the police, just makes me sick. Their temper tantrums need to end. I would love to see all of them charged. Children at the protest, really!!! I feel for the city of Ottawa and every city that these people went through. The blocking of roads, overpasses and highways are not acceptable. This has just made me Hate. I have rarely ever used that emotion, but it is the only one that is coming. Despicable people, nice to the police, yet the poor journalists that are there. It just shows how two faced they truly are. You can only imagine that it is with these lenses that they viewed the residences of Ottawa. Total disrespect.	2/19/2022 9:43 PM
16336	It hasn't affected me	2/19/2022 9:42 PM
16337	Great to some Canadians finally do something	2/19/2022 9:42 PM
16338	It's given me a sense of pride & unity in knowing that there are so many people with the same feelings surrounding our government behaviour and the pandemic. I'm proud of people who exercise their right to free speech & peacefully protest. Our pm doesn't care what anyone says. He just invokes more insults and more force when it's not warranted.	2/19/2022 9:42 PM
16339	In a good way	2/19/2022 9:42 PM
16340	My husband is a truck driver so I have seen how covid 19 has affected the truckers. I am proud of them for standing up for change	2/19/2022 9:42 PM
16341	It has given me hope in not only Canadians but also the fact that I'm no longer just one voice. The convoy is a symbol of what Canada is as a country. Peaceful and loving I no longer feel alone	2/19/2022 9:42 PM

16364	Gave me some hope. But caused a lot of stress do to Trudeau's overreach and his trying to sneak in his own adgendas. I was hoping Trudeau would get booted out because he is causing nothing but division and shame to Canadians . He doesn't deserve Canada !! I was hoping the convoy would open peoples eyes.	2/19/2022 9:41 PM
16365	They have brought hope to Canada and showed that we are not divided.	2/19/2022 9:41 PM
16366	It has gave me hope that it will wake people up to what is REALLY happening in this country .Trudeau and the liberal government have to go .Trudeau should be charged and jailed for multiple offences against Canadians .	2/19/2022 9:41 PM

16378	give me hope	2/19/2022 9:40 PM
16379	It has brought hope. Hope that maybe people will realize that COVID has been used by our government to control all people living in Canada and to divide the country in two groups who absolutely hate each other. The convoy has brought light to the situation. It calls for better treatment of the people. They have risked so much even for those hate and slander then, including the PM who has yet to talk to them.	2/19/2022 9:40 PM
16380	Restored pride in being Canadian the truckers brought tears to my eyes. But also realizing that the Canadian Federal Gov't is evil and needs to be stopped	2/19/2022 9:40 PM

16390	Not sure	2/19/2022 9:39 PM
16391	They gave hope that mandates, restrictions would be lifted and life could return to the old normal. They made me proud to be canadian and that my voice matters and stand up peacefully They restored my faith that there are alot of good people still left in this world. They brought people together and united unlike what our government is doing. I had hope while the trucker convoy was here. These are the most wonderful group of people and I pray that everyone sees the good they did. I had lost all hope in this world before the convoy.	2/19/2022 9:39 PM
16392	It has given me hope	2/19/2022 9:39 PM

16398	I'm so proud of Canadians who are willing to risk everything to fight for there basic freedoms.	2/19/2022 9:39 PM
16399	Not at all personally. Just made me upset that people can say their freedoms are being violated when we live in one of the countries that has the most freedoms in the world. They are complaining because they're being asked to do something to protect other people and they're having a hissy-fit about it.	2/19/2022 9:39 PM

16409	Given me some hope	2/19/2022 9:39 PM
16410	I think it is sad that this was even needed. Government over reach is running rampant. I am vaccinated. I choose to be. However I will never support coercion. We have had terrible plagues and flues in the past. We have survived. We have never used this kind of behavior to force people to get vaccinated. My body my choice. I choose a vaccine but I stand with those that did not. Government needs to be reigned in. You work FOR the people of Canada. NOT for others or yourself.	2/19/2022 9:39 PM
16411	A sign of hope!	2/19/2022 9:39 PM
16412	It has never affected me or my family. It's the opposite, for me it is the clear true that people in Canada is more united ,I know that this movement is giving me more encourage to to stand up for OUR FREEDOMS!!!	2/19/2022 9:39 PM
16413	Amazing. It has brought so many Canadians together. It's united the world on so many stages for people who feel it's time to learn to live with covid. After two years I finally don't feel alone anymore.	2/19/2022 9:39 PM

16432	It hasn't	2/19/2022 9:37 PM
16433	They annoy us as they block traffic	2/19/2022 9:37 PM
16434	Embarrassment to the country in front of the entire world. Empowered uneducated adults to act like spoiled children crying when they don't get their way. Enormous financial cost. Teaches children that doing what's best for others isn't always easy and that we try and protect our most vulnerable, see it through just a bit longer. Children need to know that we can't try and overthrow a government when we disagree, we make our vote count in the next election and work for change. The poor citizens of Ottawa did not deserve what they received	2/19/2022 9:37 PM
16435	Ignited hope ! Given us a voice and felt joy once more! We are nit alone finally ! So thankful!	2/19/2022 9:37 PM

16443	Confirmed my belief in how corrupt the government, media, and police are.	2/19/2022 9:37 PM
16444	I have new faith in Canadians that they will stand for freedom.	2/19/2022 9:36 PM
16445	It restored faith and hope in the darkest times of our lives	2/19/2022 9:36 PM
16446	It gives one courage to speak out and be visible. It has made debate possible for the first time In 2 years. Encouraging people to speak out. This is remoralizing and brings unity	2/19/2022 9:36 PM
16447	It has given me hope that we are living in a free country. Sadly the way the Prime Minister has handled the protesters makes me feel like we are in a communist country and that he is a Dictator instead of a Prime Minister.	2/19/2022 9:36 PM
16448	They've giving me some hope in life.	2/19/2022 9:36 PM
16449	It hasnt	2/19/2022 9:36 PM

16451	Brave Canadians standing up for our Charter Rights. Thank you truckers for peacefully demonstrating and showing this nation what democracy should be about.	2/19/2022 9:36 PM

16453	For the first time in a long time I am feeling what it should feel like to be Canadian...PROUD	2/19/2022 9:36 PM
16454	It made us see that the present government is crushing the wellbeing of the people of our land, and seems to have a more dangerous agenda than covid. It has shown the truth,and revealed the agenda of a government willing to rob and destroy the trucks, steal finances,name call and tread down the people of our great land.	2/19/2022 9:36 PM
16455	I feel they were taking a stand for freedom of the country, it was not just about vaccine	2/19/2022 9:35 PM

16458	It hasn't	2/19/2022 9:35 PM
16459	The trucking convoy gave me hope for getting our freedoms back so we can all get our lives back, free from soo many rules & restrictions, over a virus. Trudeaus control & lockdowns, unfair and unreasonable demands and the hope for starting to try to heal from all the damage Trudeau has done to our businesses and our lives. Justin strongly encouraged the vaxxed to hate the unvaxxed, and caused so much division between friends & family, over a virus. Justin Trudeau publicly treated unvaxxed like leper's, shut our businesses down, limited friends and family..our elderly friends & family died alone in hospitals & senior homes, over a virus. The elderly were secluded from us whether dying or not for two years now, over a virus. That's not living!! The trucking convoy are a bunch of peaceful people, but like everything else in our lives with President Justin Trudeau, he wants complete obedience & control over us all. I love the truckers convoy, they are Canada's only hope of getting our from under Trudeau controlling every aspect of our lives. I pray to god the pain & suffering JT has caused all of them, won't make them give up due to his evil acts.	2/19/2022 9:35 PM

16492	Hasn't affected my life other than that my heart hurts by how the government is treating them. The government is being outrageously unfair and is not dealing with it in any proper Canadian manner. So disheartening	2/19/2022 9:34 PM
16493	They have changed my life! The trucker protest has showed me that Canadians are united from all parts of the country and the importance in fighting for what we believe. We can't let the government trample us any longer.	2/19/2022 9:34 PM

16497	It brought me hope knowing I'm debit alone!	2/19/2022 9:34 PM
16498	It has prolonged delivery times for product. BUT it will be worth it when this gong show is finally over	2/19/2022 9:34 PM
16499	Brought me happiness	2/19/2022 9:33 PM
16500	Unity.	2/19/2022 9:33 PM
16501	Not at all	2/19/2022 9:33 PM
16502	It's been the most positive experience of the pandemic. I've never felt more love and unity from strangers.	2/19/2022 9:33 PM
16503	I don't agree with everything that has went on on the convoy side. I don't like the idea of honking horns all day. However that doesn't give the government the right to go against peaceful protests of their own people with violence. It's totally sickening and illegal and a total embarrassment to Canada.	2/19/2022 9:33 PM
16504	At first it gave me hope that we would be heard and freed from the restrictions, but PM Trudeau has over reacted to a non- threat with dictatorship action. Now our freedom in all areas of life are at risk or compromised.	2/19/2022 9:33 PM
16505	Give my freedom back end enjoy my life	2/19/2022 9:33 PM
16506	Feeling of hope and brings joy to see how everyone unites and loves one another!	2/19/2022 9:33 PM

Canadians vote on Canadian Mandate - February 2022

16514	Made me proud to be Canadian	2/19/2022 9:33 PM
16515	To know that there is some people out there wanting to fight for our freedom	2/19/2022 9:32 PM
16516	Has given me hope for the future, that the insanity of the past two years is ending and life will be better than ever.	2/19/2022 9:32 PM
16517	That is the only thing that has given me hope! Restored my faith in humanity!	2/19/2022 9:32 PM
16518	Hasnt	2/19/2022 9:32 PM
16519	Inspired that we are not a fringe minority, but the free majority	2/19/2022 9:32 PM
16520	It has not affected me in any way. Very proud of what they were standing for.	2/19/2022 9:32 PM
16521	Given me hope that this country might actually be worth raising my children in.	2/19/2022 9:32 PM
16522	Brought me hope	2/19/2022 9:32 PM
16523	Gives us hope ! T That some one is fighting for our civil rights !	2/19/2022 9:32 PM
16524	It was encouraging	2/19/2022 9:32 PM
16525	Angered me, bunch of entitled idiots	2/19/2022 9:32 PM
16526	Wonderful. They were there to show that Canadians have had enough control in their lives. It's time to live and children to be children. The truckers and protesters were peaceful. The government had no right to pass the emergency act.	2/19/2022 9:32 PM
16527	It hasn't.	2/19/2022 9:32 PM
16528	It has given me hope	2/19/2022 9:32 PM
16529	Gave me hope for my country for the first time in 2 years, made me feel liberated.	2/19/2022 9:32 PM
16530	I have passion for my Country once again. I believe in the Trucker Convoy.	2/19/2022 9:31 PM
16531	By standing against evil destructive mandates for freedom	2/19/2022 9:31 PM
16532	Made me very proud to be Canadian.	2/19/2022 9:31 PM
16533	It's given me a glimmer of hope. A hope that the government will listen to all the people that did not want to be forced to a vaccine to keep their jobs and see their family.	2/19/2022 9:31 PM
16534	It has given me hope for the first time in many years.	2/19/2022 9:31 PM
16535	It hasn't	2/19/2022 9:31 PM
16536	Given hope, glad to see people are waking up and fighting for freedom.	2/19/2022 9:31 PM
16537	It has affected supply chains, but it is a small sacrifice to pay to get our freedom back.	2/19/2022 9:31 PM
16538	Brought Hope	2/19/2022 9:30 PM
16539	It has not	2/19/2022 9:30 PM
16540	Beside making me realize what an idiot we have for a pm it hasn't	2/19/2022 9:30 PM
16541	A great encouragement to see so many others who realize that this is about much more than Covid.	2/19/2022 9:30 PM
16542	It has embarrassed and disappointed me. Canadians behaving in such a stupid and unlawful way, being shown on the world stage and initiating copy cat behaviour in other countries is awful to watch. I really feel for people who have been harassed and suffered economically because of the so called protesters.	2/19/2022 9:30 PM
16543	I can't get some supplies we need our freedom	2/19/2022 9:30 PM
16544	It gave me hope for a brighter future in Canada. I do not agree with any fringe extreme views on race, but the convoy itself did not hold fringe values. Canadians have sacrificed a lot and do not need to suffer any longer.	2/19/2022 9:30 PM

Canadians vote on Canadian Mandate - February 2022

16545	It gave me hope. It united the country and brought everyone together! It showed us that if we got loud, the government has no choice but to hear us out! All in all, the truckers were a huge positive during a dark time!	2/19/2022 9:30 PM
16546	Gave me hope again	2/19/2022 9:30 PM
16547	It's given me hope. Until the police brutal attacked them with force unnecessarily used-invoked by a bully PM	2/19/2022 9:30 PM
16548	It hasn't	2/19/2022 9:30 PM
16549	Hold the line and listen to the people!!! TRUDEAU has become sick with illnesses and a terrorist to his supporters and own people that voted for him ...praying for the truckers	2/19/2022 9:30 PM
16550	It's given me hope that Canadians care about their country and each other and most especially the well being of future generations .	2/19/2022 9:30 PM
16551	It has made me proud to be Canadian and I support the freedom cause all the way.	2/19/2022 9:30 PM
16552	Disturbing to see the government ignoring them so disrespectfully.	2/19/2022 9:30 PM
16553	They've given me hope as people realize how evil the Trudeau government is and how we can stand up for our freedoms	2/19/2022 9:30 PM
16554	Not at all	2/19/2022 9:30 PM
16555	I just followed the rules	2/19/2022 9:30 PM
16556	It has given me HOPE! Hope that we have people who understand that these mandates are killing us. Killing people literally, whether it is by suicide or Covid or lack of human connection. There are people that believe that we should have the FREEDOM to live our lives as we see fit, rather than how the government demands we live our lives.	2/19/2022 9:30 PM
16557	supply chain. People I know lost work,	2/19/2022 9:29 PM
16558	Gave me hope. Renewed faith. And others worldwide too.	2/19/2022 9:29 PM
16559	It has made me ashamed of the word freedom.	2/19/2022 9:29 PM
16560	None	2/19/2022 9:29 PM
16561	Gave me hope that the green new deal will fie... showed me the true colors of our prime minister	2/19/2022 9:29 PM
16562	The convoy has given my family hope.	2/19/2022 9:29 PM
16563	Gave us some hope! Trudeau is killing us with this emergency act on them and it's horrible how people are being treated there	2/19/2022 9:29 PM
16564	Hasnt	2/19/2022 9:29 PM
16565	Given us hope to realize that there are many like minded people that want freedom and are not conspiracy groups. Thinking and asking questions has not been rewarded this past two years.	2/19/2022 9:29 PM
16566	Proud to be Canadian finally	2/19/2022 9:29 PM
16567	Made me embarassed to be a Canadian citizen and has disgusted me beyond belief that they truly believe this is fighting for freedom and other individuals. I hope they get the help they need and learn to accept things that are there to keep us safe. I also hope their brain cells come back someday.	2/19/2022 9:29 PM
16568	feel proud to be a Canadian	2/19/2022 9:29 PM
16569	Did not affect it	2/19/2022 9:29 PM
16570	Well, it's affected me, mostly causing me to lose faith in my government and its ability to dialogue and lead.	2/19/2022 9:29 PM
16571	Not at all- they are irritating	2/19/2022 9:28 PM
16572	It has given us hope that and pride!! Peace, love, and unity to all was their message. And our freedom fighters just wanted our so called leader to hear them out. Instead he resorted to divisive rhetoric and name calling....didn't realize my son was a racist misogynist at 13...think	2/19/2022 9:28 PM

of how he felt hearing that from his country's "leader". Our brave truckers and everyday families have given us all hope and we are grateful we are not alone!!

16573	It's given us hope for freedom of mandates	2/19/2022 9:28 PM
16574	Hopeful proud	2/19/2022 9:28 PM
16575	It was something that needed to happen. The federal govt has done what they have wanted , not asking Canadians what they want. Something needed to shake up this corrupt government.	2/19/2022 9:28 PM
16576	Presumably their blocking of trade routes is making my life worse. And more expensive.	2/19/2022 9:28 PM
16577	The convoy has given me hope in my fellow Canadians after the liberal govt has driven us apart for years.	2/19/2022 9:28 PM
16578	Its has brought hope and renewal of the Canadian spirit	2/19/2022 9:28 PM
16579	It is what needs to happen. The rebellion must come before the 1000 Golden years of peace. Prophecy is God's word to us. Amen	2/19/2022 9:28 PM
16580	Hasn't, but has opened my eyes to the tyrannical Trudeau and his globalist elites	2/19/2022 9:28 PM
16581	I don't support White Nationalists or White Supremacy	2/19/2022 9:28 PM
16582	It went from being hopeful and happy to back to worry again. I am afraid for all the peaceful protesters lives and the truckers lives and anyone's lives who support this cause. I am seeing how corrupt our government and prime minister really is and how the government and mainstream media are obviously working together to tell lies to the people. I see that their rhetoric is creating division among people and families. Justin Trudeau has not even tried to communicate once with the truckers or the protesters to deescalate the situation. There were many opportunities to use other means to deescalate the situation which were not ever once used and instead he pulls out the most ridiculous thing like the Emergencies Act to take total control of the Country. This is an extreme overreach and abuse of power. Now he is using the police force to do his dirty work when it could have all done peacefully with talks. Where has our democracy gone to? How can we let one person dictate our future like this. He is an absolute tyrant.	2/19/2022 9:28 PM
16583	Gave me hope that tyranny will be ending soon!	2/19/2022 9:28 PM
16584	It has been eye opening how many people are against the mandates.	2/19/2022 9:28 PM
16585	Learned more about laws turned off main stream media. Watch the House of Commons and made an effort to educate myself. It's hasn't been about mandates it's about being able to live our lives.	2/19/2022 9:28 PM
16586	It hasn't	2/19/2022 9:27 PM
16587	It hasn't "affected" my life - it gives me hope	2/19/2022 9:27 PM
16588	Given hope for democracy and a increased quality of life. Increased love for Canada and the people in it!	2/19/2022 9:27 PM
16589	Good for them and thanks	2/19/2022 9:27 PM
16590	The trucking convoy as given hope that we can be living free again.	2/19/2022 9:27 PM
16591	It hasn't	2/19/2022 9:27 PM
16592	I'm so proud of the freedom convoy and all the Canadians that standby them. But at the same time I have began to hate the ones that are too stupid to see what's happening.	2/19/2022 9:27 PM
16593	They do not in any way speak for me.	2/19/2022 9:27 PM
16594	I think that it's good that they went to Ottawa to show how here in the west we are treated differently , which is not right, we are hard working people who pay our taxes like everyone else and should be treated like everyone. We need a government that will show us good direction in this country and appreciate what our parents and grandparents have worked so hard for us to enjoy our Canada. Prayers for all.	2/19/2022 9:27 PM

16612	It's positive to see Canadians coming together.	2/19/2022 9:26 PM
16613	They make Canada look like a bunch of fucking morons. The participants are a fucking disgrace to this country	2/19/2022 9:26 PM
16614	It has shown me that Canadians are strong, and won't stand for tyranny.	2/19/2022 9:26 PM
16615	It brought a lot of political lies and corruption to the surface, bringing people together again in peace, showing how of a peacefull nation we wish to be and it shows me that people care about this coutry. It showed me that the media is more corrupted than i wanted to believe, and that the governement is not here for the people, but for their own agenda. It brings some hope for the future, and maybe it will make me want to contribute after my health gets better one day.	2/19/2022 9:26 PM
16616	I appreciate what they are trying to do. I have been supportive of the mandate's within reason but wonder why after 2 years of being allowed togo back and forth across the borders that now the federal government says the truckers have to be vaccinated even though they have a high rate of vaccination. It seems to me the federal government had decided to control our lives for too long. I don't trust the government any more and especially dislike how the news is so biased over the last several years. CBC and Global used to just tell news Black and white. Not anymore. It is always subtle and not so subtle biases being pushed. That is not the Canada I was born and raised in! We need to keep our country free which is what my father, and father in law fought for back in WW2!	2/19/2022 9:26 PM
16617	Only in a positive way that Canadians can still stand together and fight for what is right for us not for the high-paying federal jobs on the very top looking down on us as we're here to serve them	2/19/2022 9:26 PM
16618	Given me hope	2/19/2022 9:26 PM
16619	It gave me hope. Just to see how many people thought the same way as me and that so many people are sick of the way Covid has been handled	2/19/2022 9:26 PM
16620	Has given me hope. Thank you truckers.	2/19/2022 9:26 PM

doesn't care about our health nor our human rights, they just want to impose injections and mandates so they can profit from each shot...

16623	The trucking convoy claim they want freedom, but freedom from what? They have done absolutely nothing to help the situation. They are not heroes, they are holding this country hostage in the name of a bunch of whiners who have an alternative agenda of hatred and division of this country. My Dad was a W.W. 2 Veteran and he would be ashamed of these selfish people, who call themselves Canadians.	2/19/2022 9:26 PM
16624	It has made me proud to be a Canadian. It has exposed the absolute corruption of the Liberal and NDP in Canada	2/19/2022 9:26 PM
16625	Has given me hope.	2/19/2022 9:26 PM
16626	It's been a peaceful protest and exciting to see Canadians coming together to push back the present tyrannical government. I have never been so proud to be a Canadian and part of history in the making. The truckers are not the problem; they have become the movement for the world as the world is watching.	2/19/2022 9:26 PM
16627	It has given me hope that perhaps we can have the Canada back that I love and am proud of.	2/19/2022 9:26 PM
16628	It gives me hope and pride.	2/19/2022 9:26 PM

16631	Watching the trucks drive by and seeing the patriotic support everywhere gives hope that we can have our freedom back	2/19/2022 9:26 PM
16632	It has given me more hope than I've had in a very long time and a sense of unity that I haven't felt in any even longer time. It has also made me feel proud to be Canadian again. So proud of everyone standing up for their rights and freedoms.	2/19/2022 9:26 PM

16638	It has actually put a smile on my face and more hope that maybe things will get back to being somewhat normal I support the convoy 100% and I just wish Justin Trudeau would just give up this madness it is getting to look more like we are living in a communist country and watching the police push and run over people with horses is just not right so I hope this convoy the very best they did their best we can ask for more so I just hope that the politicians there will settle this once and for all and so we can get on with our life OK	2/19/2022 9:25 PM

16651	The trucker freedom convoy is the first sign of hope I have felt in two years. The convoy is speaking on behalf of millions of Canadians, asking only for our leaders to kindly listen and reflect with their good hearts on our sincere message - we pray.	2/19/2022 9:24 PM
16652	It has made me proud to be a Canadian again, increased hope for the future, inspired liberty movements across the globe, united citizens in their struggle for freedom, made reasonable demands for us to return to normal life, given a voice to those many who have struggled these past two years, showed a remarkable example of how to run a restrained/peaceful protest, and provided an alternate perspective from the propaganda being pumped out from so many compromised/corrupt institutions.	2/19/2022 9:24 PM

16670	Hope	2/19/2022 9:23 PM
16671	It is giving me hope in humanity again.	2/19/2022 9:23 PM
16672	I am proud to be a Canadian and proud of those truckers who tried to stand up to a Prime Minister who has clearly lost the confidence of his people.	2/19/2022 9:23 PM
16673	Not affected	2/19/2022 9:23 PM
16674	Frustrated to see share ignorance and selfishness.	2/19/2022 9:23 PM
16675	Made me proud of my fellow Canadians. Gave me hope that the people might restore a proper balance of power having government actually represent its citizens. However, it is clear that that isn't happening and likely will never happen. I have lost compete faith in government. It is clear that financial and power interests are more important to those in power than actually doing good for the masses.	2/19/2022 9:23 PM
16676	Not affected	2/19/2022 9:23 PM

16682	Made me happy someone is standing up	2/19/2022 9:22 PM
16683	It hasn't. I am very proud of the truckers for their efforts and believe that Trudeau should be charged to the full extent of the law.	2/19/2022 9:22 PM
16684	It has given me hope and inspiration that we humans actually want to live freely.	2/19/2022 9:22 PM

16691	It hasn't affected my life.	2/19/2022 9:22 PM
16692	Embarrassing as a Canadian	2/19/2022 9:22 PM
16693	They have put hope back in mine and a lot of peoples life's. All they wanted was for there questions and concerns to be heard and answered.	2/19/2022 9:22 PM
16694	They give me hope	2/19/2022 9:21 PM
16695	It has given me hope. Seeing all of the freedom fighters not only in Canada but ALL over the world coming together. It shows that we all want the same things. Love, peace and our freedom.	2/19/2022 9:21 PM
16696	It has given me hope	2/19/2022 9:21 PM
16697	Positively	2/19/2022 9:21 PM
16698	The truckers gave me faith again. I was planning on moving out of country until I heard about the convoy. When I saw the convoy and the people with their flags and signs, I was proud to be Canadian again. But once I saw the emergencies act enforced and the Liberal Party for it, the thought of moving is back. I don't want to live in a Canada like this one we are in right now. A PM is supposed to bring people together. Trudeau has been tearing us apart.	2/19/2022 9:21 PM

16704	Given me hope.	2/19/2022 9:21 PM
16705	I am proud to be a Canadian because of them!	2/19/2022 9:21 PM
16706	Completely unaffected. Except that someone finally stood up saying that we want freedom over our own autonomy...that was hopeful....what Trudeau has done is	2/19/2022 9:21 PM

Canadians vote on Canadian Mandate - February 2022

16710	Given hope, offered an end to the mandates	2/19/2022 9:20 PM
16711	I haven't personally had to deal with the childish tactics. But what a waste of time seeing the posts and news when there are more important things to be fighting for. Annoyed it wasn't shut down on day one.	2/19/2022 9:20 PM
16712	Ça m'a apporté enfin un espoir de retrouver la liberté d'une vie normale selon la charte canadienne et que nous ne sommes pas une petite minorité. Et une première fois dans ma vie, la fierté d'être canadienne! L'unité est le meilleur mot pour résumer.	2/19/2022 9:20 PM
16713	Given me hope	2/19/2022 9:20 PM
16714	I had some hope that something good was going to come out of it but now since Trudeau brought in the police and forcefully removed arrested the protesters I hate the government even more now if possible.	2/19/2022 9:20 PM

16717	They have given me hope that this tyrannical government will be held accountable for their actions and there is light at the end of the tunnel. These truckers are fighting for the freedoms of the collective, it has to do with humanity. If you don't have a heart you wouldn't understand.	2/19/2022 9:20 PM

16724	It gave me hope.	2/19/2022 9:20 PM
16725	Made me proud to be a Canadian knowing there were more people that viewed what was happening is wrong.	2/19/2022 9:20 PM
16726	It brought a sense of hope to a hopeless present	2/19/2022 9:20 PM
16727	It has given me hope. We pray every day for them to be successful.	2/19/2022 9:19 PM
16728	It has given me hope, a sense of pride, and a growing sense of appreciation for the love, courage and generosity of fellow Canadians. I am also completely dismayed at the main stream media for spreading lies and misinformation rather than doing their own well balanced investigative journalism. Shame on them.	2/19/2022 9:19 PM
16729	Gave me hope for the first time in a long time. Made me vet happy	2/19/2022 9:19 PM

16737	The truckers convoy has been amazing, it is so wonderful to see Canadians coming together and standing up for our rights and freedoms and standing against our tyrannical government and divisive and tyrannical Prime Minister Justin Trudeau.	2/19/2022 9:19 PM

16782	I feel hopeful again, I feel a sense of togetherness with a huge part of Canada	2/19/2022 9:15 PM
16783	It hasn't had an effect on my life, that being said it just wish that The Canadian Government would just sit down and talk to the men and women truckers and treat them with respect. What is wrong with sitting and talking to your fellow citizens to come to an understanding and begin getting rid of the mandates and forcing those who have worked tirelessly in caring for their fellow citizens and making them lose their jobs and funds. For this I am ashamed of the way things been handled by the government of Canada.	2/19/2022 9:15 PM

16823	Shown that we the people of this country have rights and freedoms as per the CHARTER OF RIGHTS. We run the government not the other way around. We pay for it through taxes and should have a say in what happens. Not Justin's dictatorship to benefit his own financial and political gains. He does not represent the country as we the Canadians would like. Oil and gas	2/19/2022 9:14 PM

Canadians vote on Canadian Mandate – February 2022

16857	Personally, it has been a minor inconvenience. Obstructing traffic in my hometown, blaring horns and disrupting the peace in my home. Beyond that, there have been issues with stock in local stores because shipments have been delayed due to blockades.	2/19/2022 9:12 PM
16858	It hasn't except that my husband and I support their reason for protesting. Two years they served us. No one asked if they were vaccinated. There will never be 100% vaccination rate. We must still have the right to choose. This mandate on truckers was a political move. Nothing else. Weren't even given the respect for open dialogue with the Prime Minister. He's the failure here. We support peaceful protest and that's what it was. Inconvenient for some but that is the price we pay for democracy.	2/19/2022 9:12 PM
16859	I am in complete support of the truckers. They have provided hope and unity to a country that has and is being run by a tyrannical prime minister. I am grateful for their sacrifice in taking a stand against this tyranny for us all. I stand with them.	2/19/2022 9:12 PM
16860	Gave me hope and pride	2/19/2022 9:12 PM
16861	It has given me hope! It's made me proud. It's made me feel connected when I was thinking I was standing against vaccine mandates alone. I am not alone!	2/19/2022 9:12 PM
16862	A joint effort that has shown Canadians are mostly fed up with the Liberal and provincial governments bad handling of the pandemic. The convoy is a rallying cry to try and get the Liberals to face up to reality.	2/19/2022 9:12 PM
16863	Positive thinking Something I can help with	2/19/2022 9:12 PM
16864	Made me proud to be a Canadian again after years of any pride in my country . You know who takes great joy in crushing the human spirit out of citizens for his own amusement	2/19/2022 9:12 PM
16865	Given me hope. Reminded us all of our unity as Cdns	2/19/2022 9:11 PM
16866	Restored hope	2/19/2022 9:11 PM
16867	They fight for my kids freedom	2/19/2022 9:11 PM
16868	Made me extremely happy and proud someone is standing up for freedom of choice.	2/19/2022 9:11 PM
16869	Bring me hope of awaking people and let them understand that government are lying and are corrupted. The convoy bring me hope that the government understand that the people are not fooled, and they have to resign from the corruption or from their job	2/19/2022 9:11 PM
16870	I'm proud to say that Canadians aren't just this quiet conservative group of people who will do anything and everything the government says. Again... not supporting any crazy, violent behaviour, but peaceful voices must be heard and not dictated to.	2/19/2022 9:11 PM
16871	Made me proud to be Canadian again	2/19/2022 9:11 PM
16872	Hadn't	2/19/2022 9:11 PM
16873	This convoy has given me hope that the citizens of Canada finally understand that these mandates never were about protecting people from disease. It has opened the dialogue with people who were reluctant to discuss the obvious, Trudeau wants to dictate and destroy Canada.	2/19/2022 9:11 PM
16874	Not at all	2/19/2022 9:11 PM

16889	Again, created division in my family and friends.	2/19/2022 9:10 PM
16890	I watched the live streams everyday, just seeing people have fun, being kind, feeding the homeless, etc. Even though I was not there in person, once in 2 years, I finally felt like I was not alone. Then the weekend of Feb 18th happened and all the peace,love, joy was trampled out and the government still does not have a plan to end the mandates. The dark cloud has once again loomed overhead.	2/19/2022 9:10 PM

16900	It hasn't	2/19/2022 9:10 PM
16901	Disruptive and concerning as they disregard the lives of the people living and working in the Ottawa area and caused harm to families. No problem with a protest however must br respectful of others	2/19/2022 9:10 PM

Canadians vote on Canadian Mandate - February 2022

16911	It hasn't.	2/19/2022 9:09 PM
16912	It has made me far aware as to what is going on behind the scenes with the Government and media. I am appalled that peaceful demonstrations were dealt with in the worst possible manner. And saddened our Country has come to this. Trudeau Government falls under Crimed against Humanity.	2/19/2022 9:09 PM
16913	1. It has given me hope that some way, some how maybe life can get back to real normal	2/19/2022 9:09 PM
16914	I had no hope left in Canada after watching all my family in the U.S.A; U.K. and Europe be freed from mandates and particularly mask wearing for children in schools, which I think is abusive. Canada just keeps doubling down and kept us locked down. Time and time again they'd claim there was a new wave or new modeling showed we needed to stay locked down until it became embarrassingly clear that Canadian government had no clue what it was doing. Even trusting the science (not political science) showed they were wrong. The truckers rebuilt my hope and pride in my country.	2/19/2022 9:09 PM
16915	It has made me proud to see fellow Canadian's fight for our rights and freedoms!	2/19/2022 9:09 PM

16933	It has given me hope and I have seen the country come alive and be United . Seeing people of all ages smile again, laugh again joining together no matter race, color, religion or walk of life. 16944	Disappointed they weren't arrested sooner.	2/19/2022 9:07 PM

year. I've learned many people felt like me that posting or saying you were against mandates opened you up to accusations of not caring about people or being ok killing someone's elderly mother. The convoy brought out a feeling of belonging and not hiding my true feelings. It's embolden me to speak out freely in opposition to what I see as being done wrong

It exposed just how far Government will go to censor Canadians and destroy them financially. The Banks, the Media, the Police and the Government are not to be trusted.	2/19/2022 9:02 PM
17038	didn't affect me even give hope so much love	2/19/2022 9:02 PM
17039	The Convoy has given me hope the mandates will end. And that the government wont force unfair mandates that are against our beliefs and against our Charter of rights.	2/19/2022 9:02 PM
17040	Gave me hope for live to get back to normal	2/19/2022 9:02 PM
17041	Made me happy. Thankful for them standing up for freedom.	2/19/2022 9:02 PM
17042	They were the first sight of hope and unity	2/19/2022 9:02 PM
17043	Support them 100 percent	2/19/2022 9:02 PM
17044	They have given Canadians hope and united all of the world on how barbaric the corrupt governments are to their people	2/19/2022 9:02 PM
17045	Giving hope	2/19/2022 9:02 PM
17046	not at all	2/19/2022 9:02 PM
17047	Given hope.	2/19/2022 9:02 PM
17048	I am so thankful that the convoy is fighting for freedom! Some of my family is vaccinated and some are unvaccinated. They are treated so very differently and this does not represent what a free country is!	2/19/2022 9:02 PM
17049	I'm disgusted that they think they represent the will of the people. They don't.	2/19/2022 9:02 PM
17050	it's made me proud of Canadians coming together even though the prime minister has been trying to divide Canada	2/19/2022 9:02 PM
17051	It embarrasses me as a Canadian and makes me ashamed of my fellow Canadians. Not even the truckers association supports it!!!	2/19/2022 9:02 PM
17052	It's giving me hope that we can ban together for our future. But I think the government isn't treating it right	2/19/2022 9:02 PM

Canadians vote on Canadian Mandate - February 2022

17053	It breaks my heart to see the people of Canada being treated like terrorists. Being called a racist, misogynist, and Nazis when it is so far off from the truth. I want the choice to say what goes in my body and how I live my life.	2/19/2022 9:01 PM
17054	Brought me a sense of joy, hope and pride. The feeling of unity not just with my fellow Canadians, but with all of humanity is wonderful!	2/19/2022 9:01 PM
17055	Inspiring	2/19/2022 9:01 PM
17056	Gave me hope	2/19/2022 9:01 PM
17057	Made me see how truly awful our government is.	2/19/2022 9:01 PM
17058	It has highlighted the need for the citizens of this country to hold their governments, both provincial and federal, to account through peaceful and respectful protest. The Freedom Convoy has acted within and from this place of peace and respect and allowed many people, who thought themselves to be voiceless, to stand up and let their voices be heard.	2/19/2022 9:01 PM
17059	It has given me hope for our future It has united many of my acquaintances	2/19/2022 9:01 PM
17060	Positively, I support the truckers all the way, and they have already made progress to remove some of the mandates.	2/19/2022 9:01 PM
17061	None at all. I am presently residing somewhere else.	2/19/2022 9:01 PM
17062	It's awesome. Made me proud to be Canadian	2/19/2022 9:01 PM
17063	They made me feel like I can finally open up and be honest about how I feel about these mandates	2/19/2022 9:01 PM
17064	Gave me hope for change	2/19/2022 9:01 PM
17065	It hasn't	2/19/2022 9:01 PM
17066	It has not affected me personally but it gave me hope that these mandates would be dropped. I think that they are very brave people.	2/19/2022 9:01 PM
17067	Not much	2/19/2022 9:01 PM
17068	The Canadian flag now makes me cringe, hopefully temporary	2/19/2022 9:01 PM
17069	It has given me hope again that people feel the same and Canada need to be healed.	2/19/2022 9:01 PM
17070	it gave me hope in humanity and that people can be strong and can decide to have a great future for us and for our children	2/19/2022 9:01 PM
17071	It's brought me hope that maybe, just maybe there is hope for this country! That Canadians do understand and cherish their inalienable rights given to them by God and that the Charter of Rights and Freedoms MUST be respected. Especially by Justin Trudeau who works for we the people!!!	2/19/2022 9:01 PM
17072	Made it better	2/19/2022 9:01 PM
17073	It has given me and my family hope and we feel proud again	2/19/2022 9:01 PM
17074	Made me feel proud to be Canadian for the first time in years.	2/19/2022 9:00 PM
17075	Not at all	2/19/2022 9:00 PM
17076	It has not they are doing the right thing getting our rights back.	2/19/2022 9:00 PM
17077	Given me hope	2/19/2022 9:00 PM
17078	Not greatly so far	2/19/2022 9:00 PM
17079	The blockades increase inflation and are ruining the economy.	2/19/2022 9:00 PM
17080	Brought unity and solidarity among my fellow Canadians and that unity brought joy to my everyday life. Trudeau did very little good for Canada, almost unmentionable.	2/19/2022 9:00 PM
17081	Provides Hope For the Future	2/19/2022 9:00 PM
17082	It gives me hope	2/19/2022 9:00 PM

Canadians vote on Canadian Mandate - February 2022

17086	Been awesome! Fantastic to see so much unity! It has forced governments to drop some of the mandates! Been a true blessing to this country!	2/19/2022 9:00 PM
17087	Given hope	2/19/2022 9:00 PM
17088	Gave me hope and freedom. That's trying to be taken away	2/19/2022 9:00 PM
17089	Gave me hope and proud to be canandian	2/19/2022 9:00 PM
17090	It has given me hope that the citizens of Canada might have a voice	2/19/2022 9:00 PM
17091	It hasn't , I am happy that someone is brave enough to stand up for us Canadians .	2/19/2022 9:00 PM
17092	Given me new hope and a renewed pride in my country and it's people-this nightmare must end!	2/19/2022 9:00 PM
17093	None	2/19/2022 9:00 PM
17094	Hope	2/19/2022 9:00 PM
17095	It's given me hope that the hell that has been the past two years might end	2/19/2022 8:59 PM
17096	Gave me joy to see these happy people	2/19/2022 8:59 PM
17097	It's given me hope that their are a lot of sane people that are not afraid of of a virus with a very high survival rate - and the convoy exposed even more corruption in our democratic system in Canada - which we already knew as far as Covid was concerned there was/is a lot of info adding up -like someone we personally know dying of cancer or others we've heard of dying of other sources, yet getting a death certificate that says covid and yet it wasnt covid, it was cancer and the family having to fight to have the death certificate corrected. . . . We knew that right from the start thay somethings weren't adding up or making sense - the science wasn't making sense - but to see the government control and police brutality exposed by this convoy - it's made me lose hope in a "free Canadian Democracy" Our children seeing a video earlier in the week of police being excessively rough with a much smaller elderly man, (he was not part of the covoy but honked in support of) made our kids sad. Our 9 year old even cried and said, "That's not good, police are supposed to be the ones you go to if you need help and now that old man will probably be afraid to go to the police for help if he really meeds help." Oh, if I took more time I could be much more articulate but let's just say I'm concerned for the future of Democracy in Canada. I'm concerned for my children's future for the world they are growing up in. I'm very concerned for all the children forced to get an experimental gene therapy "vaccine" - even my fully vaccinated mother has been in tears and crying over the treatment of the "peaceful protesters" in Ottawa, that the Prime Minister hasn't/won't even meet with them- a PM who accuses a decencent of a holocaust survivor of her/her party standing with people waving swastikas and then refuses and blantly ignores request by both another and her to apologize - a leader must give respect to get respect and that move gained him none . . . And now a bunch of MP's suddenly dont have email addresses??? What???? Yup. Everyone we've spoken with is concerned not because of the convoy, but becuae of the Government and police handling of it, the government and police escalating it - escalating peaceful protesters with bouncy castles and children with hot chocolate dripping down their face, people wanting a Canada to be proud of again, waving Canadian flags to police trampling with a 2000 lb horse, a horse they had to aggressively kick to get it to trample through a crowd - the horse didnt want to step on people!! And killing a grandma (Roberta Paulson) an elderly women with a walker who moments before said she was there for her grandchildren and then she started saying "peace, love and freedom, peace, love and freedom grandchildren and then she started saying "peace, love and freedom, peace, love and freedom, peace , love . . ." Yup. Concerned for the future of Canada and for my children's future, not because of the convoy, but becuae of the Governments handling of it.	2/19/2022 8:59 PM
17098	unknown as of yet. no violence on truckers part will be a big help	2/19/2022 8:59 PM
17099	Reignited what it truly.means to be Canadian. FUCK JUSTIN TRUDEAU. FUCKING SELLOUT	2/19/2022 8:59 PM

17106	It has made me proud. Someone needed to stand up and be counted and resist the unconstitutional actions and laws of our current government. So much bullying by Trudeau and those in power.	2/19/2022 8:59 PM
17107	Not at all. We are more than willing to see some empty shelves in our grocery stores in order to get the government to listen.	2/19/2022 8:59 PM
17108	Delayed my Amazon shipments.	2/19/2022 8:59 PM
17109	Gave me hope things might return to normal	2/19/2022 8:59 PM
17110	Brought smiles an hope to all	2/19/2022 8:59 PM
17111	It has caused me stress and concern for our country, and the lack of consideration and respect the convoy has for others and their community.	2/19/2022 8:59 PM
17112	Brought me hope in Canada again. Gave me a will to live again cause if this is life in Canada there is no point in living.	2/19/2022 8:58 PM
17113	It has brought us all together not just here in Ontario but Canada and world wide	2/19/2022 8:58 PM
17114	Hope	2/19/2022 8:58 PM
17115	It's brought so much joy. Went to Ottawa the first weekend, and participated in a few local protests. It's brought so much joy and hope	2/19/2022 8:58 PM
17116	I support truckers.	2/19/2022 8:58 PM
17117	They don't even Know why they did it.	2/19/2022 8:58 PM
17118	Positively	2/19/2022 8:58 PM
17119	Restored hope	2/19/2022 8:58 PM
17120	Not at all	2/19/2022 8:58 PM

17123	It hasn't I've only watched on news. but I hope they succeed in getting the mandates taken off.	2/19/2022 8:58 PM

Canadians vote on Canadian Mandate - February 2022

17131	It has made me proud to be Canadian again. The love and unity seen all across Canada, as well as around the world has given me hope for the future. I don't know of any movement that has united the globe in this beautiful way, and all for the simple desire for our God given rights and freedoms.	2/19/2022 8:57 PM
17132	It has shown me how much the government has no respect for the citizens	2/19/2022 8:57 PM
17133	It was a great inspirational boost of creativity of hope. It was beautiful to see the good hearts of Canadian shown so clearly in contrast to this wretched disgusting criminal infiltrated Canadian government. Culturally one could almost say that the Canadian government is occupied by some alien entity or forces that is totally out of synch with how the Canadian people act, think, share, love, create and be. It was a relief to see so many people come alive and show they care and want to unify the country not divide it like Justin Trudeau's lying liberal party of Kooks. I pray that we can maintain some of the momentum of change and positivity that the trucker convoy has created for us.	2/19/2022 8:57 PM
17134	It has made me realize the importance to stand up for something valueable as freedom!	2/19/2022 8:57 PM
17135	Brought Incredible hope and unity. Solidarity and joy. I no longer feel so alone. I've recognized tyranny and was wishing something could be done but felt I was unable to affect change. It brought to light how many people I thought were fully bought in to the mainstream covid narrative were actually waking up to The realization of government overreach (I think omicron affecting the fully vaccinated was enough to have people's common sense offended when they realized the uselessness of vaccine mandates restricting travel).	2/19/2022 8:57 PM
17136	Hasn't really but it's about time someone made a stand against the government in power.the convoy is not only about the mandate us as hard workers are tired of seeing money giving away in the wrong places its more about getting rid of him	2/19/2022 8:57 PM
17137	Give me faith in mankind	2/19/2022 8:57 PM
17138	People that attended were all so loving, cheery, happy to be showing their faces	2/19/2022 8:57 PM
17139	It hasn't, except given me some hope.	2/19/2022 8:57 PM
17140	Hasnt affected my life. Glad somebody finally stood up for our freedoms guaranteed in the Charter	2/19/2022 8:57 PM
17141	it gave me hope for this contry	2/19/2022 8:57 PM
17142	It's made me feel more of a Canadian I have ever felt in the last few years (of covid) it has given me hope to have some of my freedoms back and my life, my kids life and my family and friends lives back	2/19/2022 8:57 PM
17143	0	2/19/2022 8:57 PM
17144	The trucking convoy gave me hope that we as Canadians could regain the freedom we once had. It gave me hope that we could get a new Prime Minister, one that would look out for the best interest of This Country and it's people.	2/19/2022 8:57 PM
17145	It has given me hope.	2/19/2022 8:57 PM
17146	It has given hope that the so called "fringe minority" is actually a majority of Canadainas!	2/19/2022 8:57 PM
17147	it has brought the slim light of hope that things can and will get better with needing to resort to violence.	2/19/2022 8:57 PM
17148	Gave me hope	2/19/2022 8:56 PM
17149	They have given me new hope and brought me some new energy to hang on to. Without them I was already sinking into depression from all this extreme punishments put in place. I can't call the mandates or health orders because they are not, they are clearly punishments. I don't know if any of these trucker protestors, not just truck drivers but also every person who is standing there with them, realize how much hope and strength they have given to people like me. They are a blessing and we needed them more than they all know. I met a teacher at the last convoy in this city of Halifax and she told me her kid was also suicidal and started cutting the self but the trucker convoy has brought her kid hope now so they are talking more about things and it's helping improve her kids spirit.	2/19/2022 8:56 PM
17150	Physically, not much. Being in BC means we heard about it when they were leaving but never	2/19/2022 8:56 PM

Canadians vote on Canadian Mandate – February 2022

actually saw the convoy. I have been following the whole thing online though, and showing any amount of support has cost me my longest friendship. Mentally it has been stressful watching my fellow Canadians be persecuted by the government who should be leading us all, not dividing us.

17151	It brought me a sense of pride and hope I haven't had for a long time.. I am the daughter of a 32 year Career Navy Officer who fought in WW11 to ensure freedom for all Canadians and we have NOT been free for 2 years.	2/19/2022 8:56 PM
17152	They are my heros	2/19/2022 8:56 PM
17153	I mglad someone stepped up to voice the country's opinion. It has not effected me personally but the truckers started the convoy and thousands jumped in to follow. And of course our Prime Minister goes into hiding. A real Leader which he is NOT would address this situation not call in emergency workers cause he doesn't know what to do	2/19/2022 8:56 PM
17154	Has not beside the mandates being removed from AB. (So it had a global positive effect)	2/19/2022 8:56 PM
17155	It has given me hope!! Because if there are people standing up for what is true and right, then there can be hope!! It has also shown me absolute disgust at the entirety of the Canadian government. They refused to even hear them and treat them like human beings.	2/19/2022 8:56 PM
17156	I am proud to be a Canadian and Have been excited that we are not rolling over and anymore to this tyrannical dictator dictator of a Prime Minister	2/19/2022 8:56 PM
17157	Motivated me to stand up more to our corrupt govt	2/19/2022 8:56 PM
17158	Given me hope in humanity again!	2/19/2022 8:56 PM
17159	It hasn't directly affected my life. I was proud to see fellow Canadians standing up for our rights	2/19/2022 8:55 PM
17160	It hasn't	2/19/2022 8:55 PM
17161	Restored my faith in being Canadian instead of embarrassed by how our government has poorly handled this. No focus on actual health and peddling big pharma to line their pockets is disgusting.	2/19/2022 8:55 PM
17162	Great to see people standing up for our freedom	2/19/2022 8:55 PM
17163	It's provided a negative stigma for Canadians. The convoy just showed how many don't understand the difference between a right and a privilege.	2/19/2022 8:55 PM
17164	They are fighting for their freedom and mine! I wish I could be there!! There would be more there, guaranteed, (those that work in health care) if we could! Solidarity!!!	2/19/2022 8:55 PM
17165	It gave me HOPE that just maybe someone in Ottawa would listen.	2/19/2022 8:55 PM
17166	Gave my kids and us some hope for the future and believe in the country again	2/19/2022 8:55 PM
17167	I believe that the truckers have a right to protest and have been treated unfairly by the government and main stream media. It has been a peaceful protest with no violence.	2/19/2022 8:55 PM
17168	Hope love freedom	2/19/2022 8:55 PM
17169	It has shown me how intolerant the prime Minister is and a lot of Canadians as well who instantly judged everyone who showed up the protest as an unacceptable fringe, misogynistic, racist, etc. It has shown me that my country's leader , government, and media has no use or tolerance for anyone that feels differently than them and instead goes all out to paint everyone with opposing views with a broad brush to fuel public divisiveness.	2/19/2022 8:54 PM
17170	I drive for a living. Those are my friends and coworkers back there. And I'm proud to call them that	2/19/2022 8:54 PM
17171	Not at all	2/19/2022 8:54 PM
17172	Inspired, made feel less alone, given me hope for à more connected and collaboratrice human family. It had also caused me stress with the vinification and crazy division I witnessed happening amongst people on all the sides. It brought out the worst in many humans.	2/19/2022 8:54 PM
17173	It has annoyed me to watch the supposed convey protest. Roasting pigs saunas etc etc. All they successfully accomplished was to show the rest of Canada how stupid they are. And then	2/19/2022 8:54 PM

Canadians vote on Canadian Mandate - February 2022

the protesters are surprised when the police force them out. Those people who participated in the convoy are not Canadians as far as I'm concerned. Send them all to Afghanistan if they don't like it here

17174	It has given me hope.	2/19/2022 8:54 PM
17175	It hasn't affected my life	2/19/2022 8:54 PM
17176	Minimally, I agree with the protesting but not the blockades. I think the convoy was taken advantage of by people with ill intent. The government needs to correct the seating representation for each province so people are represented properly by the party with the popular vote.	2/19/2022 8:54 PM
17177	It made me more aware and desire for freedom	2/19/2022 8:54 PM
17178	A pain in the ass,as most retrictions being lifted,Canadians are protesting for the wrong reason,the liberal starvation dictator will ruin this country with his carbon taxes as most cannot afford them,wait until \$4 a litre fuel no one will be able to go to work or go anywheres	2/19/2022 8:54 PM
17179	It showed me that I am not the only one who see's the numbers don't add up and this is all about control and deceit	2/19/2022 8:54 PM
17180	Traffic on the highway was slow one day.	2/19/2022 8:54 PM
17181	Made us proud being Canadian	2/19/2022 8:54 PM
17182	Not at all.	2/19/2022 8:54 PM
17183	My pride in Canada has increased since I've seen so many in our nation come together with a unified desire to peacefully bring freedom back to our Canada and to keep our charter of rights for the generations after us. I want the younger generations to continue to experience the freedom's I have had in Canada.	2/19/2022 8:54 PM
17184	It has brought me hope, showed me I'm not alone, showed me that we as people can be strong and peaceful and loving	2/19/2022 8:54 PM
17185	Giving hope.	2/19/2022 8:54 PM
17186	It hasn't	2/19/2022 8:54 PM
17187	The hate, divisiness, bullying is amplified thru our country.	2/19/2022 8:54 PM
17188	It hasn't had an overall affect other than made my anti vax and anti mask friends feel more confident in their choices and a tad more disrespectful. I sympathize with all those affected by this less than peaceful protest.	2/19/2022 8:54 PM
17189	It gave me hope	2/19/2022 8:54 PM
17190	It has been gratifying to realise that people are beginning to wake up to the fact that we aresystematically and illegally having our freedoms and our rights taken away	2/19/2022 8:54 PM
17191	It has not affected me at all, I believe in standing up for our rights, that's why we have charter of rights and bill of rights, too protect the people	2/19/2022 8:54 PM
17192	Given me hope! People can stand up for what they believe is best for thier lives & families	2/19/2022 8:54 PM
17193	For the first time in years, I feel overwhelming patriotism. I am a born again true believer in the "Canadian Way" of doing things. I stand behind my brothers and sisters	2/19/2022 8:54 PM
17194	Gave me hope, made me smile again and feel the love for Canada I used to have but lost because if the prime minister and his lock downs and mandates	2/19/2022 8:54 PM
17195	It has given me hope that ordinary people who stand together can make a difference. We aren't alone ... which is how it has felt for the last two years.	2/19/2022 8:54 PM
17196	Given me hope and above all pride	2/19/2022 8:54 PM
17197	I don't care about it	2/19/2022 8:53 PM
17198	It has given me some hope that others are also not okay with the direction our society is headed. Hope that people are willing to stand up for the rights of our citizens. But it has also	2/19/2022 8:53 PM

made me more concerned about the actions our government has taken to address it. Our government has not been acting in the best interests of Canadians.

17199	Scary never knew what they were going to come up with. Don't know really or can't explain it but it is not good.	2/19/2022 8:53 PM
17200	Positive feelings, behaviors, interactions.	2/19/2022 8:53 PM
17201	Giving me hope for change. Put a bright light on the lack of leadership in Canada. Very embarrassing.	2/19/2022 8:53 PM
17202	Gave me a purpose to live and help get my life back.	2/19/2022 8:53 PM
17203	It gave hope that we could unite this country again	2/19/2022 8:53 PM
17204	It hasn't at all	2/19/2022 8:53 PM
17205	It's nice to see Canadians stand up for themselves	2/19/2022 8:53 PM
17206	It gave me hope for freedom in Canada, which is supposed to be a free country, without authoritarian rule and mandates. We should have freedom of choice when it comes to our health and well-being. The trucking convoy proved to Canadians and to the rest of the world that it is time to stand up for our freedoms and against dictatorship rules. It is our taxes that pay those in government. Thank you.	2/19/2022 8:53 PM
17207	Revealed our true government	2/19/2022 8:53 PM
17208	The trucking convoy has lifted my spirits as it's encouraging to see people who are passionately standing up for the rights of Canadians	2/19/2022 8:53 PM
17209	Gave me a sense of hope	2/19/2022 8:53 PM
17210	Love it . It makes me proud of Canadians	2/19/2022 8:53 PM
17211	It hasn't yet..once mandates are lifted and life goes on one again, the convoy will be the best thing to happen I two years	2/19/2022 8:52 PM
17212	It has made me see how corrupt the government is. Peoples lives are at stake and the government doesn't care. They put this emergency act in place. People got trampled by horses, kicked and hit with huge wooden batons, their vehicles are smashed by police, they point blank shot a tear gas cartridge at the Rebel News ladies leg. All the trucker's wanted was to talk to the government and be heard. They are peaceful and loving. The world loves Canadian people, but not our Prime Minister.	2/19/2022 8:52 PM
17213	N/A	2/19/2022 8:52 PM
17214	Given me hope. Pride for other Canadians	2/19/2022 8:52 PM
17215	It's given me hope! I will continue to support the hard working blue collard people of Canada and stand by them no matter what! So thankful for the unity they have brought this broken country.	2/19/2022 8:52 PM
17216	hope to get through all this and maintain my sanity	2/19/2022 8:52 PM
17217	It has not	2/19/2022 8:52 PM
17218	They make me Proud Hold the line!	2/19/2022 8:52 PM

Canadians vote on Canadian Mandate – February 2022

17226	Gave a glimmer of hope, a possibility of normality. Trudeau gone forever, Signh gone forever. Canada starts the healing process after a election and the Conservatives win by a landslide. All the Liberal MPs and NDP MPs banished from Parliament forever.	2/19/2022 8:52 PM
17227	Not at all.	2/19/2022 8:52 PM
17228	I think the convoy has brought hope to my life, it gives me hope that others will understand how much were being trapped and forced to do things.	2/19/2022 8:52 PM
17229	Togetherness and support for all, respect for personal choices	2/19/2022 8:52 PM
17230	It hasn't	2/19/2022 8:52 PM
17231	Yes.they showed us what we should really be fighting for freedom. And to get trudeau out of parliament.	2/19/2022 8:51 PM
17232	It gave me hope that someone is finally going to step up and end this. It doesn't feel like a democracy anymore. We're going towards socialism and all we want is freedom. And to have debates over things that matter like this.	2/19/2022 8:51 PM
17233	Gave me hope that Canadians are awakened to the manipulation of the WEF and how they have infiltrated our Government & the Government's of most westernized Nations.	2/19/2022 8:51 PM
17234	The convoy 100 percent is why people are finally standing up. #proudfourtruckers	2/19/2022 8:51 PM
17235	It has had a positive impact. It has shown beyond any doubt that the Liberal Party and The Prime Minister are Dictators . They should be voted out and never brought back in. That the mainstream media is not to be trusted as well. The destruction of democracy in our country is the only apparent goal that Trudeau and his party want.	2/19/2022 8:51 PM
17236	New hope	2/19/2022 8:51 PM
17237	It hasn't but it's given hope!!	2/19/2022 8:51 PM
17238	Liberty	2/19/2022 8:51 PM
17239	It hasn't really affected me directly, as I have no personal connection. However, I do no support it in any way. It distresses me that a significant minority of people in my province supports it. The convoy seems to be full of people who do not have a good understanding of how our government works or of what our Charter represents. They seem to misunderstand what "peaceful protest" really means. The have taken actions that have harmed our country's economic situation and that are attacking core principles of our democracy.	2/19/2022 8:51 PM
17240	It hasn't	2/19/2022 8:51 PM
17241	Renewed my hope, and also showed me just how corrupt our government is	2/19/2022 8:51 PM
17242	It's wasting my time	2/19/2022 8:51 PM
17243	Give me hope back for Canada because our fearless leader doesn't	2/19/2022 8:51 PM
17244	Increase my stress. I live in Ottawa region.	2/19/2022 8:51 PM
17245	It has given me hope! Hope for a future! It made me feel very proud of the truckers, everyday working people, like me. I am not rich like our so called "political leaders" who have been getting raises throughout these horrible times! The truckers inspired a great movement of God! It brought to life how so many people have been feeling. We felt alive again. Full of the freedom we all desire! Our national anthem states "God keep our land, glorious and free". Right now, we are without God, we are not free. It has brought God back to our great nation! We need God! He is needed in this evil, dark government! And world quiet frankly!	2/19/2022 8:51 PM
17246	was so disappointed the Prime Minister did not meet with them, i will never vote liberal again.	2/19/2022 8:51 PM
17247	Made me very proud to be a PATRIOT & a CANADIAN.	2/19/2022 8:51 PM
17248	I'm proud of them	2/19/2022 8:51 PM
17249	Traffic is the main issue and I support them as it's totally agreed the situation created by government	2/19/2022 8:51 PM
17250	At least they stood up for our right I'm proud that at least some Canadians stand up for themselves and for others	2/19/2022 8:51 PM

17252		2/19/2022 8:50 PM
17253	Positive thing to do	2/19/2022 8:50 PM
17254	I cannot go downtown with my family to enjoy the sights and canal. It's affected my business as my clients are not able to go into their offices downtown to acquire documents needed for accounting. Major road closures and expenses incurred by residents which we will likely have to pay.	2/19/2022 8:50 PM
17255	give me some hope	2/19/2022 8:50 PM
17256	100% support for this fight for freedom	2/19/2022 8:50 PM
17257	It has been a nuisance that made me uncomfortable. It went on much too long and they took it too far by setting up tents, lighting fires, bringing their kids, inconveniencing businesses and the public, blocking border crossings. It even affected our economy.	2/19/2022 8:50 PM
17258	It hasn't	2/19/2022 8:50 PM
17259	It was awesome God Bless All of them	2/19/2022 8:50 PM
17260	Given hope	2/19/2022 8:50 PM
17261	I support it 100% and although I can not be there in person I support my friends who are there with messages of encouragement. It has been nothing but peace full from the protestors side. The media needs to show the truth.	2/19/2022 8:50 PM
17262	It has inspired me to do something proactive in stopping socialist authoritarianism	2/19/2022 8:50 PM
17263	It has shown me that no matter what part we can all stand together for what we believe in in a peaceful way.	2/19/2022 8:50 PM
17264	Made me proud to be Canadian again	2/19/2022 8:50 PM

17267	Breaks my heart to see good people hurt by the megalomaniacs in power.	2/19/2022 8:50 PM
17268	Given us all hope, and inspiration	2/19/2022 8:50 PM
17269	Feel pride again in my country	2/19/2022 8:50 PM
17270	I enjoyed watching the live feeds. So much love. Wish I could've went.	2/19/2022 8:50 PM
17271	Total approval and appreciation for the truckers sacrifice,	2/19/2022 8:50 PM
17272	Fighting for these freedoms is important for mental health. It has already been proven that the vaccines do not stop the spread. I say move on and like the flu shot every year get a covid shot. But like the flu not make it mandatory	2/19/2022 8:50 PM
17273	True Canada	2/19/2022 8:50 PM
17274	Positively, gave hope	2/19/2022 8:49 PM

17276	a little hope. a light in the dark tunnel.	2/19/2022 8:49 PM
17277	Hope Unity	2/19/2022 8:49 PM
17278	It has given me hope for all Canadians future because it has united the country and the world with their cry out for freedom and democracy instead of living under the tyranny of a government that has overreached itself and is complisent in the use of force and or threat of far reaching consequence to your person rights and freedoms.	2/19/2022 8:49 PM
17279	They have given me hope that people on Canada care . But the government does not and government does not want to hear about Canada's opinion	2/19/2022 8:49 PM

17280	Given me more hope than the last 2 years combined. God bless us all!	2/19/2022 8:49 PM
17281	Nice to see someone stand for our rights	2/19/2022 8:49 PM
17282	Gave me hope that this government dictatorships are almost over.	2/19/2022 8:49 PM
17283	Government has to spend millions to get rid of them	2/19/2022 8:49 PM
17284	I've been very proud of those who fought for the freedom of Canadians. I've been following it faithfully and seeing how the mainstream media are lying constantly about violence, etc. that DID NOT happen (especially by the truckers and their supporters). It also confirmed the need for a change of Government and just how far down they are taking Canada. The last couple of days have been very disappointing for the good people at the Freedom rally in Ottawa and other areas.	2/19/2022 8:49 PM
17285	It has given me hope that the mandates will end	2/19/2022 8:49 PM
17286	has given us a ray of hope, that our inherited basic, fundamental Rights and Freedom will be soon be restored	2/19/2022 8:49 PM
17287	In a good way , they have given me hope again in my life.	2/19/2022 8:49 PM
17288	It greatly encouraged me to see true Canadians.	2/19/2022 8:49 PM
17289	It has given me hope in life returning to normal It has made me see how united Canadians can be It has affected my emotional and mental state in a positive way	2/19/2022 8:49 PM
17290	I see unity and coming together not just here in Canada but around the world! Go truckers go	2/19/2022 8:49 PM
17291	I forgot what hope & pride felt like. I cried tears of joy so often those first few days. Pride came swelling back. I felt - alive again. I didn't even realize how lost, hopeless & depressed I was, until there was a light of hope. Of joy.	2/19/2022 8:49 PM
17292	It's made me feel like there is hope to taking back our freedom and rights	2/19/2022 8:49 PM
17293	It did not affect me but affect all kind of citizens who live near by ie. 1,500 people who could not work for 3-4 weeks at Rideau center, restaurants who had to stay close for that period and all citizens who live near by who were affected by the truck horns, the constant smell of diesel and at times harassments by certain convoy people.	2/19/2022 8:49 PM
17294	I have felt true hope and am proud of the example that has inspired so many	2/19/2022 8:48 PM
17295	Given me hope for my future, it is the only thing I have positively followed since the government took my freedoms and walked all over us	2/19/2022 8:48 PM
17296	Hope, and went to crossing in surrey last weekend and cried when getting there with the eacefulhappy at osphere and police where also enjoying it wass a wonderful day,	2/19/2022 8:48 PM

17301	It gave me hope to get my life back	2/19/2022 8:48 PM
17302	Hoping for good results	2/19/2022 8:48 PM
17303	It gave me hope	2/19/2022 8:48 PM
17304	Positively! We know we are not alone! Restored pride in our country! Overwhelming support coming from countries worldwide! Canadian Truckers have put their lives on the line in order to free us all! God bless them!	2/19/2022 8:48 PM
17305	Gave hope	2/19/2022 8:48 PM
17306	Positively in the sense that many people are ready to move back into normal life, and before the police got involved my mental health was improving.	2/19/2022 8:48 PM

17311	Huge positive impact!	2/19/2022 8:47 PM
17312	Restored my hope in humanity	2/19/2022 8:47 PM
17313	It hasn't effected me at all, this survey is just to see whose bank account they can sieze next, and to me that is wrong, the government has not listened to the majority of the people in many years	2/19/2022 8:47 PM
17314	None	2/19/2022 8:47 PM
17315	Gave new hope for freedom and canada	2/19/2022 8:47 PM
17316	By fighting for everyone's freedom they have made my life better it's inspiring to watch them hold the line	2/19/2022 8:47 PM

17319	Positive	2/19/2022 8:47 PM
17320	It's been a very positive movement, giving many people renewed hope. The response from government and the mainstream media coverage on it has been rather disappointing and infuriating though.	2/19/2022 8:47 PM
17321	Given us hope	2/19/2022 8:47 PM
17322	I'm very thankful to the truckers!	2/19/2022 8:47 PM

17339	I don't live in Ottawa.	2/19/2022 8:46 PM
17340	I'm a person more in the middle. I would say Trudeau is far far left, and I don't necessarily believe that the trucker convoy is far right. I think they are just people fighting for their freedom to choose what they do with their body. Trudeau just wants totalitarian control. He is showing his true colours more and more. I'm glad there are people standing up to the worst thing that has ever happened to Canada, that is Trudeau.	2/19/2022 8:46 PM
17341	I felt alive and very awake.	2/19/2022 8:46 PM
17342	Gave me hope that we can stand up and fight to get back to normal	2/19/2022 8:46 PM

17345	It has given me hope and a renewed sense that Canadians are good and caring people.	2/19/2022 8:46 PM

17347	It hasn't	2/19/2022 8:46 PM

17359	Happiness	2/19/2022 8:46 PM
17360	Has uplifted my spirits and given me hope for Canada	2/19/2022 8:45 PM
17361	Its created kaos for people living in the area of the protests. I'm tired of seeing it on social media and I'm sickened that it has caused border shut down. The convoy is a f'n annoying waste of space. They should all do jail time for the disruption of daily life	2/19/2022 8:45 PM
17362	It has given me hope that maybe the mandates will be ended soon. It is obvious that way more Canadians than I thought want this ended.	2/19/2022 8:45 PM

17376	The Truck convoy has given me hope, pulled me out of a deep depression, I felt dead inside. Once I heard of the Convoy a spark of hope started and it has been growing more and more every day. I now feel like I have real friends, a community that cares for my well being, shared joy and pride, I look forward to my day, I am off my depression medication and feel good for the first time in two years. They have made me feel like someone will protect and look out for me and my rights. I realized how amazing Canada was and really miss it. Because of the Convoy I pray and have been trying to find forgiveness in my heart to the media and government who have betrayed me and Canada.	2/19/2022 8:45 PM

One word: love. That is what Canada is about - not what the pm stands for	2/19/2022 8:44 PM

17767	Renewed my hope in civil liberty, brave [ep]le will fight and stand for injustice and allowed me/people to have discussions again about the so-called health emergency. I am so proud of the men and women who started this and gave so many of us back our pride in this country and hope for a better future without corruption, fraud and dictatorship. This freedom convoy has exposed our lying media, the corruption in our policing and in our government, It is a brilliant effort by true patriots.	2/19/2022 8:26 PM
17768	It has given hope. This crap has to end . Trudeau is out of control. He is controlled by Klaus Schwab, along with Jagmeet Singh. Both should be arrested for crimes against humanity. I believe Justin Trudeau is mentally ill, and needs to be removed from office immediately	2/19/2022 8:26 PM

17862	I believe in peaceful demonstration. I do not believe in blocking major roads back-and-forth to the USA. I do not agree with all the noise that was made in Ottawa such as honking horns	2/19/2022 8:20 PM
17863	Gave me hope when there's seemingly been no hope in sight.	2/19/2022 8:20 PM
17864	Has not	2/19/2022 8:20 PM
17865	The convoy has given me hope to resume a more normal life. They are not only wanting freedom from mandates for themselves but for all Canadians across the country. I totally support them and am absolutely appalled at the behavior of our PM, Government and policing that is being done right now. They are trying to instigate violence, but they are the ones that are perpetuating it by using pepper spray, tear gas and horses that injured 2 people and also that have physically abused our Vets who fought for our freedoms. It's time to say no to the Emergency Act! Stand strong for our freedoms!	2/19/2022 8:20 PM
17866	Brought me some hope for my country!	2/19/2022 8:20 PM

17880	Hasn't	2/19/2022 8:19 PM
17881	Hope. Fresh wind. Freedom	2/19/2022 8:19 PM
17882	It has not affected me i understand why they are doing it & we need a leader that can stand up for his country & not hide behind four walls. If Trudeau had of come out & talked to Canadian citizens we would have soled this demonstration a lot sooner. freezing peoples bank accounts & taking their auto insurance away is so unjust & it makes me feel like i am living in a communist country.	2/19/2022 8:19 PM
17883	Gave us hope	2/19/2022 8:19 PM
17884	Supplies are harder to get truckers on the road can't get parts to fix their vehicle. Worse now then before the convoy. It was bad during the pandemic too	2/19/2022 8:19 PM

Canadians vote on Canadian Mandate - February 2022

17885	I am proud of the people in our country standing up for our rights and freedoms. Peacefully in love. It has given me hope, and has shown me that there are people in this country that want what I want. Freedom. If I have the freedom to kill and unborn child, if I have the freedom to decide someday I want a penis on my body. Why can't I have the freedom to choose if I want to vaccine or wear a mask.	2/19/2022 8:19 PM
17886	Has opened my eyes as to how corrupt our prime minister is and the liberal members and how the main stream media has kept stories from the public. Also how all the police can be so ruthless, they are to serve and protect, according to the oath they took to become one. So sad that they have failed to do so.	2/19/2022 8:19 PM
17887	Hope! To see others fighting for our rights and freedoms is very heart warming and gives us hope!	2/19/2022 8:19 PM
17888	It's showing that as a whole we can work together to get through tough situations	2/19/2022 8:19 PM

17891	Make me happy	2/19/2022 8:19 PM
17892	I am dying of lung cancer, and these mandates have caused me to have to live in isolation during the last years of my life.	2/19/2022 8:19 PM
17893	Not much; we still have toilet paper and bananas	2/19/2022 8:18 PM
17894	It made me hopeful that we have people will to fight for our rights .	2/19/2022 8:18 PM

17899	the Canadians in the convoy gave hope that our voices would be heard and when the government would not meet with them to hear our concerns it opened our eyes to the corruption and tarrany of our leadership especially Prime Minister. What Justin Trudeau has done is wrong on every level and purely evil.	2/19/2022 8:18 PM
17900	Given me hope	2/19/2022 8:18 PM
17901	It's had a very positive effect, we were at all the rallies/convoy so far and seen fellow Canadians standing up for our freedom, the media made it seem that there was very little support for the convoy but as we seen there was a overwhelming amount of Canadians cheering them on. Seeing and hearing that we have a huge group of people willing to stand up for freedom and what we believe is right has been very heartwarming.	2/19/2022 8:18 PM
17902	Given me hope	2/19/2022 8:18 PM
17903	The convoy has made me feel like I'm not alone anymore, and we've all come together so beautifully. Regardless of vaccination status. We just want our lives and freedom back so we can carry on.	2/19/2022 8:18 PM
17904	Gave me hope	2/19/2022 8:18 PM
17905	Nothing but hope and love	2/19/2022 8:18 PM
17906	Given hope	2/19/2022 8:18 PM
17907	It has given us hope again! And how we have felt for the last year and a half, we are not alone. Many are also done with the mandates. We want to live in free Canada again	2/19/2022 8:18 PM

17913	Gave me back some hope!!	2/19/2022 8:18 PM
17914	It's given me hope but that faded with the complete disgusting over reach of a maniac of a prime minister and his ridiculous emergencies act. 17927	It hasn't other than watching the community come together for the first time in years	2/19/2022 8:17 PM
17928	It has taken away from everyone's lives, just think of the many millions of dollars it has sucked out in so many ways, delivery of goods, man power, people's livelihoods that have been affected, time of people trying to get though to places and on and on. So sad to see that this is Canada.	2/19/2022 8:17 PM

17978	The Convoy gave me hope and pride to be Canadian. It also consolidated my opinion about the governments in place whom lies to us, hide the truth, try to manipulate us by using mainstream medias which they bought with people's money in order to obtain total control over the people by not respecting our rights and much more.	2/19/2022 8:14 PM

18038	I have hope again	2/19/2022 8:11 PM
18039	It has given me hope. Hope that this shit from the last 2 years was going to change. These mandates were going to be dropped for good. Watching all the other countries drop them as well. Hope is what we needed in the worst way. Watching our country become united. Canadians showing love, happiness, joy, peace, becoming united once again. Feeling PROUD to be Canadian once again. Just knowing that this government hadn't broken us completely. It was a beautiful sight to see until February 18th when Canada started to fall because of Justin Trudeau's emergency act. The police brutality and complete government incompetence and lack of leadership has marked this freedom loving country with a stain that may never be removed. All I can say at this time is I can't thank these HEROES enough for what they brought to this country and to me. Hope for a better future and for that I can never repay them for. We love you truckers you fought a great fight. Hold the line.	2/19/2022 8:11 PM
18040	For the first time in two years, I have felt hopeful and proud to be a Canadian again. The truckers have inspired people all across Canada, and seeing freedom convoys rising up all across the globe now in so many other oppressive nations has been so moving. I went to an overpass to cheer them on when the convoy rolled through my area on the way to Ottawa. It was a frigid, windy, Canadian winter day, but I felt no chill. The spirit on that bridge was unlike anything I've ever experienced, and the sense of community and like-mindedness warmed my heart. It was then that I realized I was not alone. I knew there had to be more people out there who thought like me, but for an unvaccinated person it's been a very lonely world for the past year. So to see so many thousands, dare I say millions, of other people with the same rallying cry as me was very affirming. And I truly believe that the truckers - and by extension, all Canadians - will win in the end. This draconian Emergencies Act by Trudeau is a setback. But in the battle of good vs. evil, good always wins. So I remain hopeful, and the truckers have ignited that hope. God bless them all.	2/19/2022 8:11 PM
18041	It has not	2/19/2022 8:11 PM
18042	It hasn't	2/19/2022 8:11 PM

18052	hope for a better canada	2/19/2022 8:11 PM
18053	Has given me and the rest of Canada Hope	2/19/2022 8:11 PM
18054	Make me mad at the government because it control almost all the media on tv and on paper. If you look on face book it was not the same news at all. The problem is it's not everybody that look on facebook and many people believed that what's on facebook is all lies, and they dont even bother to look at it. So I am mad at the government and the media for not always give the truth. I think that what is happening now is very dangerous for our DEMOCRACY, It is really the beginning of COMMUNISM.	2/19/2022 8:10 PM
18055	Its given me and my family hope that our basic human rights and freedoms will be restored once again. Thank you to all the truckers and supporters!	2/19/2022 8:10 PM
18056	i support them 100% maybe foods/goods have not been available as normal but im ok with that, i use other things or go without for a bit, because they are doing what i cant, standing up in a big way	2/19/2022 8:10 PM
18057	Made me excited and happy to support them any way I can	2/19/2022 8:10 PM
18058	Not at all, I've seen empty shelves before and with the Trudeau's communist mentality and the world war extreme measures to use the Emergency act without warranted reason is just the start of a (NON FREEDOM COUNTRY) Trudeau told the entire Conservative this week to stand with those holding the swastika flag! Asked to apologize three times and talks in circles like a broken record like he always has! I am a very quite person and never speak up but this measure has no merit and he's taking things too far at the cost of our freedom of rights! Compare Covid deaths to Heart disease, drug overdose's and Cancer!!! And the news is funded by the government since 2020 and it is mostly fake news!!! It's what they want you to believe (mostly lies and disease!) People have compared Trudeau to Hitler and Castro from Cuba!! This is 2022 remember! And I agree. His own step brother strongly disagrees with him and stated he's leveraged his sole with some very bad people! There hasn't been this much divide amongst the Canadian population since World War 1!! I am at a loss for words and am embarrassed to even be a Canadian citizen! And in a last note how many times has he had egg on his face, can't show up to pay respect to the native unmarked graves, caught in many scandals like WE charity ect ect. I believe he will come and arrest me for stating the facts just like they did in Ottawa this week! SAD TIMES FOR CANADIAN CITIZENS!!!!	2/19/2022 8:10 PM

18065	It hasn't affected my life. It's a peaceful protest its not hurting anyone.	2/19/2022 8:10 PM
18066	It has given me a very disappointed view of Canadians. I used to think that we were generally more level headed than our American cousins, but clearly we are very much the same. Sad.	2/19/2022 8:10 PM

18088	They gave me hope !! For our freedom of choice in Canada	2/19/2022 8:08 PM
18089	For once, since the last 2 years of covid, the Freedom Convoy has given me hope. Here we have working class citizens who have had enough & are standing up for our constitutional rights. Not everyone attending the convoy has the same agenda as what the convoy has put forward. And I realize that the convoy has impeded on life for some people over the past 2 weeks. However, it's also given hope & brought unity to Canadians & globally over the last 2 weeks! Our gov't has taken so much away over the last 2 years & now is eager to shut down the convoy after a couple weeks of honking & peaceful protesting. I see the smiling faces, the speaking on stages happening in that cold icy weather. I see people shovelling snow, BBQing food for free, keeping the streets clean, hugging, playing hockey, dancing...we can SEE IT even if it's not being shown on CBC news. It's out there. This convoy has gained attention & it's gained the hearts of the people. Our PM was not even willing to go talk with ANY of them. The PM hid away. And now he's engaged in the emergency act as a power pull against peacefully protesting Canadians, who are unarmed, have families present such as children & grandparents, and is using unnecessary force & financial action to clear the streets of those who are calling out his leadership. In proud of the convoy. Both in Ottawa & at the Coutts border. I am a working class citizen. I stand with my other working class citizens to peacefully stand up for what's rightfully ours by our Canadian Constitution.	2/19/2022 8:08 PM

Watching thousands upon thousands of Canadians gathering in one place singing, waving flags, hugging, sharing food, showing boundless love and care for 3 solid weeks. If getting the shot doesn't stop transmission, doesn't stop you from getting the sickness or dying from it, it doesn't need to be imposed on us to remain apart of society. 18216	Gave me hope that the government would listen and reconsider their mandates. Also that they would stop telling me to listen to the science. I'm a nurse who is doing her master and knows how to review literature. Unfortunately our truckers know more than our government. The truckers they gave me hope. Our government has proven my theories right all along.	2/19/2022 8:02 PM
18217	Gave us hope that they might be able to talk to the PM, and discuss ending these mandates.... if the coward had of sat down with the organizers.	2/19/2022 8:02 PM

18232	It has given me hope and inspiration. I've been speaking out about covid measures since March of 2020. And although I've felt alone in my battle against the mandates, the trucker convoy has shown me I'm not alone and it is uniting Canada instead of dividing it, like Trudeau is doing.	2/19/2022 8:01 PM
18233	made me realize the media were a bunch of liars and gave me hope	2/19/2022 8:01 PM

They have inspired me to have courage to stand up for my freedoms and theirs. They were all very loving and friendly. The atmosphere on Thursday evening was beautiful. 18291	it has given me hope after two brutal years of the government trying to figure this out. I'm not mad...but the government got it wrong. Admit that and lets get moving and fix this.	2/19/2022 7:58 PM
18292	Not at all	2/19/2022 7:58 PM
18293	Has brought me the feeling of my depression being lifted. Thank you truckers for fighting for our freedom ♥	2/19/2022 7:58 PM
18294	They've giving power and motivation to the people! Let's keep it positive and peaceful!	2/19/2022 7:58 PM
18295	I believe they stand for freedom. The least Trudeau should have done is listen to them! He needs to be replaced asap otherwise Canada will become a dictatorship.	2/19/2022 7:58 PM
18296	Hasn't	2/19/2022 7:58 PM
18297	Feel inspired and loved	2/19/2022 7:58 PM
18298	The truckers have given me hope. They are brave and stand for our rights and freedoms. Unfortunately Trudeau was not brave enough to speak with them. Worse he asked the police to illegally and wrongly harass and hurt them. Since when the police are doing the deeds of a political party? The police has a oath to protect the public, it's the truckers and their supporters and all Canadians.	2/19/2022 7:58 PM
18299	I believe it has helped to show when democracy has failed due to no leadership then this is what happens.	2/19/2022 7:58 PM
18300	It has brought me hope and illustrated that I'm not alone! I'm in the national majority I would go so far as to say.	2/19/2022 7:58 PM
18301	It has brought to the table questions that millions of Canadians have been asking with no response from our government. It has given a voice to all the kids who weren't allowed to play organize sports, and to acknowledge people have been injured in the hills of the vaccine with no support from government	2/19/2022 7:58 PM
18302	First time in two years I had a smile and hope.	2/19/2022 7:58 PM

18304	Gave HOPE	2/19/2022 7:58 PM
18305	Finally there is a voice that should be heard.	2/19/2022 7:58 PM
18306	Provided something to root for, since almost all politicians seem to be on the same page. A voice.	2/19/2022 7:58 PM
18307	Realized how corrupt government is. Never to be trusted again with health issues	2/19/2022 7:58 PM
18308	They have gave me back hope again I love the truckers they are our heroes	2/19/2022 7:58 PM
18309	No except shows how to stand up for freedom.	2/19/2022 7:58 PM
18310	Gives me hope, proud of those who stand up for our rights	2/19/2022 7:58 PM
18311	I was hopeful for a bit that we could make Canada free again. Now that remains to be seen.	2/19/2022 7:58 PM
18312	A sense of freedom, & unity.	2/19/2022 7:57 PM
18313	Increased sensibilization to the govt lies and undemocratic actions of gov and police and their lies and population division tactics	2/19/2022 7:57 PM
18314	Brought some hope felt alive first time in 2 years	2/19/2022 7:57 PM
18315	it has brought people together in one focus ,Shown the lies ,and that the government does care or listen to truth or working class people . So sad of the treatment the government gives others at Ottawa.	2/19/2022 7:57 PM
18316	Not enough produce in the store	2/19/2022 7:57 PM
18317	I agree with what they stand up for, but hate that they are hurting the people in Ottawa in the process. Everyone has a RIGHT to work to feed their families vaccine or not. It causes me severe depression that people are hurting others and not able to see it.	2/19/2022 7:57 PM
18318	They give us a voice in the current situation. Bring unity between canadian never seen before. Hope to see things change for good	2/19/2022 7:57 PM
18319	It hasn't affected me personally but I am certainly proud of each one of them for taking a stand	2/19/2022 7:57 PM
18320	I support it and hope it leads to getting rid of Trudeau	2/19/2022 7:57 PM
18321	It has given me hope. I have felt so alone for over a year now, but seeing others who support the decision of freedom to body autonomy has helped greatly.	2/19/2022 7:57 PM
18322	It has not affected my life except give me hope. I support the trucker convoy	2/19/2022 7:57 PM
18323	No	2/19/2022 7:57 PM
18324	Hope and freedom	2/19/2022 7:57 PM
18325	Opened my eyes to how Justin Trudeau wrongly handles things	2/19/2022 7:57 PM
18326	These people gave us hope, let us know we aren't alone. My kids can see bravery and resistance to a world they know has gone bad. I love and support every one of them.	2/19/2022 7:57 PM
18327	inspiration	2/19/2022 7:57 PM
18328	Hasn't	2/19/2022 7:57 PM
18329	Some hope that this absolute nightmare that has nothing to do with health will end.	2/19/2022 7:57 PM
18330	It made me believe that all that mandates could ends	2/19/2022 7:57 PM
18331	It brought people together and made me proud to be Canadian	2/19/2022 7:56 PM
18332	Doesn't affect my life at all	2/19/2022 7:56 PM
18333	It hasn't really. Aside from seeing the true colours of people. Mostly people who do support the convoy getting really angry and defensive with people who don't. It bothers me that there are people 'fighting for MY freedom' when I have never felt as though my freedom was compromised. My social media has been flooded with misinformation that aligns with the	2/19/2022 7:56 PM

18339	They have given me so much hope for the future. They make me smile and have made me cry tears of joy. They make me feel like I am not alone.	2/19/2022 7:56 PM
18340	I feel sorry for the truckers standing up for our rights and how they get treated by our so called Crime minister	2/19/2022 7:56 PM
18341	Very enlightening	2/19/2022 7:56 PM
18342	It gave me hope & made me realize that they are a lot of people out there that support freedom of choice and freedom of speech.	2/19/2022 7:56 PM
18343	Has given me personally a huge sense of pride in my country and fellow Canadians. That has been lost in the last 2 years.	2/19/2022 7:56 PM
18344	It hasn't ! It's been fun	2/19/2022 7:56 PM
18345	Gave me hope for life to go back to normal	2/19/2022 7:56 PM
18346	I am sickened by the brute force that has been used against the protesters. I have been experiencing a great deal of undue stress. I support the truckers and thank them for what they represent. What is happening now is incomprehensible!!	2/19/2022 7:56 PM
18347	Has brought some hope back into my life.	2/19/2022 7:56 PM

18349	Gives me renewed hope of my country that the citizens of this country are suffering from mandates we need our freedom back	2/19/2022 7:56 PM
18350	It has given me hope that Canadian Citizens are standing for truth and freedom.	2/19/2022 7:56 PM
18351	It has made me proud that there are Canadians willing to risk everything to protect the rights and freedoms of our citizens from Justin Trudeau and the liberal party, who are threatening our democracy and Canadian values.	2/19/2022 7:56 PM
18352	not	2/19/2022 7:56 PM

18355	Not near any of the sites. However feel access to food and necessities has been hindered. Feel for those who are directly affected with noise and garbage pollution.	2/19/2022 7:56 PM
18356	It's helped awaken the sleeping majority who only gather their information from MSM. I fully support the notions of peaceful protest and it is sickening to see our armed forces turn on our citizens.	2/19/2022 7:56 PM
18357	It has brought hope that we may actually have a chance to stop government overreach. It made me proud to be Canadian again.	2/19/2022 7:56 PM
18358	I dislike the coverage, has not impact us directly	2/19/2022 7:55 PM
18359	Positively, it has given me more hope for us to live freely, travel freely, and see friends & family.	2/19/2022 7:55 PM
18360	It has given me courage to Speak truth into people's lives. Stand for the Canada that I believe in and as Doug Ford and Justin Trudeau kept saying over the last 2 years "We are all in this together!" Well now I am seeing people come together and work side by side and help each other like Canada is known for. My kids were able to send the truckers off to Ottawa and	2/19/2022 7:55 PM

experience that these men and women were doing what they were doing so my kids (them) could have freedoms when they get to be older. It is teaching my kids to be bold for their faith, stand up against bullies and stand for what is right even if they seem to be standing alone. There are others that think the same way we do. I/We are not alone.

18361	Gave me hope	2/19/2022 7:55 PM
18362	I am disturbed by what is happening in my country. These are not freedom fighters, they are entitled bullies with no respect for themselves or others	2/19/2022 7:55 PM
18363	Given us hope and unity	2/19/2022 7:55 PM

18380	None	2/19/2022 7:55 PM
18381	I'm upset by the treatment they get from I'm upset by the harsh treatment they received from the prime minister especially w/ the emergency act which is not really necessary to resolve the protest by the convoy.	2/19/2022 7:55 PM

18400	Due to the convoy we finally have respect for our country again. We agree with our fellow countrymen that we are tired and it is time for the government to allow us to make our own health decisions again. Because of the convoy we see that we are not the only ones who are tired and done allowing our government to reach into our lives like this.	2/19/2022 7:54 PM

18425	Given us hope for freedom from government overreach and excessive control.	2/19/2022 7:53 PM
18426	The truckers and protesters have given me hope and showed courage in standing up for all of our freedoms	2/19/2022 7:53 PM
18427	It has made me fear the right-wing in Canada, something I had hoped I would not see in my lifetime.	2/19/2022 7:52 PM
18428	I'm all in favor of standing up for rights thank goodness they're a group of people that decided to be strong enough to do that I'm all for what they did all for them staying for as long as they need to stay we need answers we need this to stop we need mandates to stop. We don't need masks we don't need to social distance unless we are feeling ill be logical we don't need to have vax passports we don't need to be separated when going to plane test is fine go ahead see if you have a fever good idea	2/19/2022 7:52 PM
18429	Preventing children from attending school, people being laid off because truckers could not deliver their loads is not the way to protest.	2/19/2022 7:52 PM
18430	Gave me hope for this country	2/19/2022 7:52 PM
18431	It brought HOPE. Never before I felt so proud and good to be a Canadian. Finely I felt like the hands get untied	2/19/2022 7:52 PM

18444	Friends and family in Ottawa have been fearful to go downtown.	2/19/2022 7:52 PM
18445	It's given me a since of pride in Canadians working together supporting each other, I've watched alot of videos on how much people care about others well being and their sense of community sparked... There are so many great carrying loving Canadians despite what Our prime minister has been telling the rest of the world by lying and painting such an adult picture of Canadians that don't agree with his views...	2/19/2022 7:52 PM
18446	Sense of hope	2/19/2022 7:52 PM
18447	hope	2/19/2022 7:52 PM

18450	Feeling proud	2/19/2022 7:52 PM
18451	I have so much more respect for them! I got to see all the big hearts they have! God love them for being our Super Heroes no matter what happens....They will always hold that title	2/19/2022 7:51 PM
18452	So much respect for these truckers who stood up for Canada when our politicians, clergy and community leaders did next to nothing.	2/19/2022 7:51 PM
18453	Made me realize that there were many out there who feel the same as I do, not as the media tries to make everyone believe. It was very eye opening and gave me such a feeling of relief and at the same time made me angry that our government leadership had pushed segregation and hatred for so many people. I am so glad that the convoy came along.	2/19/2022 7:51 PM
18454	They have given me hope of a united Canada without the division of the people.	2/19/2022 7:51 PM
18455	Proud of the fight	2/19/2022 7:51 PM
18456	I could not physically support it but I pray to My Jesus , who is truth daily for their safety and the truth to be revealed! Thank u!	2/19/2022 7:51 PM

18458	It's helped wake the world up!	2/19/2022 7:51 PM
18459	They got some mandates dropped and have shown that Trudeau and other parties are crooked	2/19/2022 7:51 PM
18460	I am very proud of them for speaking up for Canadians	2/19/2022 7:51 PM
18461	I gives me much needed hope	2/19/2022 7:51 PM
18462	Had not	2/19/2022 7:51 PM
18463	Has given us hope and a connection with others who are like minds. Now the way the government (prime minister) has handled it is absolutely horrible.	2/19/2022 7:51 PM
18464	It is give me hope that democracy in this country can be saved Until I saw what Justin Trudeau and Kristen Freeland I've done shred every last bit of the Canadian charter of rights. When Kristen Freeland was laughing and smiling while telling people they would lose their bank accounts for simply supporting people who wanted to do a peaceful protest	2/19/2022 7:51 PM
18465	Has not	2/19/2022 7:51 PM
18466	Made me realize how unstable our government really is	2/19/2022 7:51 PM
18467	Not sure yet	2/19/2022 7:51 PM
18468	Gave me renewed hope that restrictions may be lifted sooner as opposed to later because real science is being considered for natural immunity, discussion is occurring over facts that children have greater risk from vaccine than CoVid itself, fact that PCR tests have been inaccurate, greater awareness in regards to mishandling of processes and negative affects they have had on CDN citizens.	2/19/2022 7:51 PM
18469	Given me a feeling of hope and purpose	2/19/2022 7:51 PM

18472	It's given me hope	2/19/2022 7:51 PM
18473	No harm caused by the trucking convoy.	2/19/2022 7:51 PM
18474	I think its definitely helped reducing and getting rid of some mandates immediately. We are now dinning out and seeing hockey games and other entertainment.	2/19/2022 7:51 PM
18475	When they first started their drive to Ottawa I felt hope, I felt heard, I felt valued as a person and a Canadian citizen. The goal was to meet with Government and come to a resolve.... this never happened and I felt abused again by my government. Seeing the tactical force used against those who provided me with hope..... I feel as though I am living back in a home with	2/19/2022 7:50 PM

18576	I support the truckers' convoy. They brought hope and energized people. So many of our rights and freedoms have been restricted, with politicians doing nothing to defend them. Truckers were the first to take real action that brought attention to this very serious problem of Canada turning into tyranny.	2/19/2022 7:46 PM
18577	Provided hope for change and gratefulness for people willing to take a stand for everyone	2/19/2022 7:46 PM
18578	Best thing in my life aside from my children!	2/19/2022 7:46 PM
18579	Gave me hope we could get back to living	2/19/2022 7:45 PM
18580	Very stressful to watch, unnecessary for it to happen. Government should respect people and deal with issues in humane way.	2/19/2022 7:45 PM
18581	Help me believe we are not a minority	2/19/2022 7:45 PM
18582	They have inspired me and given me hope to possibly have our freedoms back.	2/19/2022 7:45 PM

18585	Gave me hope.	2/19/2022 7:45 PM
18586	It has not directly but watching Canadians of all ages, races, etc come together sure make a person feel good. Watching the lies and deception from the politics/media make me want to leave this country. The truckers gave us some hope but since the government is just hammering down that hope is leaving.	2/19/2022 7:45 PM
18587	Proud of them for being outside in that weather ... For Canadians to stand outside that long you knew there's something wrong	2/19/2022 7:45 PM
18588	Shortages of consumer goods	2/19/2022 7:45 PM
18589	Not much but sad to see this in our country. We elected officials to decide what's best for us. Not happy, only thing we can do is express ourselves by voting them out on the next election.	2/19/2022 7:45 PM
18590	It gives me hope	2/19/2022 7:45 PM
18591	100% for them	2/19/2022 7:45 PM
18592	The trucking convoy has provided me with hope and faith in humanity.	2/19/2022 7:45 PM

18600	Hasn't	2/19/2022 7:45 PM
18601	It has made me proud that Canadians in all of our diversity, have come together, for the betterment of Canada, while showing a very negative and dangerous impact, that our government, and police have no respect for us citizens, and will use violence to take our freedoms away, instead of using diplomacy to talk to the trucker protestors. It sadly opened my eyes, to what we really mean to our government, if we don't agree with their line of thinking, and what the government is capable of. It also showed me how main stream media lies, and are far from good journalist and are bought and paid for!	2/19/2022 7:45 PM
18602	Positively, was great to have a voice again!	2/19/2022 7:44 PM
18603	Most importantly it has given me hope but they are people willing to stand up and do the right thing.	2/19/2022 7:44 PM

18696	It has given me hope and strength that we can lift ourselves and our country out of these oppressive regime, while other countries start opening up, we are getting tighter restrictions. This is not a good direction our country to go on. It has to stop and we the people will not stop until we get our country back. I am fighting for my children And grandchildren. I have nothing to lose except the freedom of my family. I'd rather die fighting than live on my knees!	2/19/2022 7:40 PM
18697	For the first time in two years, I have had a glimmer of hope. Thank you, Truckers.	2/19/2022 7:40 PM

18703	they gave me hope of change	2/19/2022 7:39 PM
18704	Brought a lot of people together that needed to be around a group of people asking for someone to listen to them about how it's affecting them and that 2 weeks turned into 2 almost 3 years when nothing has been on point. End when we have a vaccine. Have the vaccine and still in it. Enough. We're in charge of ourselves	2/19/2022 7:39 PM
18705	It had given me hope that things would get back to normal. Knowing I'm not as alone as I feel in wanting my freedom back. It has shown us the true colours of our government and media. I support the trucker	2/19/2022 7:39 PM

18707	I finally was able to smile and see hope for a better future for my children	2/19/2022 7:39 PM
18708	It has inspired me to write letters to our chief medical officer, the mayor of my town and the chief of our local constabulary telling them to ignore the mainstream science and listen to the thousands of Doctors who have signed petitions condemning the government mandates and over-reach. Stop treating us like ignorant children, I am capable of making my own decisions. Our government has broken International laws including the Geneva convention and should be held accountable.	2/19/2022 7:39 PM
18709	Made me worry that others will also try to rule by mob when they don't get their way	2/19/2022 7:39 PM

18742	gave me hope	2/19/2022 7:38 PM
18743	I don't live in Ottawa, but even here in Camrose they honk through the area at all hours of the day. It's irritating, because they aren't listening to our directions. Half of my friends are all for it, half are against it...and I am afriad to express my opinion.	2/19/2022 7:38 PM
18744	Positive. Then seeing our PM who would rather ruin 1000's of lives over speaking with a group he disagrees with... very sad and disappointed	2/19/2022 7:38 PM

18749	I see that our country is now a dictatorship the government has broken so many laws and all our freedoms through democracy is gone with the emergency act the government will have total control and Trudeau has put this act in effect without the approval from parliament so he has broken one more law	2/19/2022 7:38 PM

Canadians vote on Canadian Mandate - February 2022

18812	No	2/19/2022 7:35 PM
18813	Disappointed in the conflicting 'news/reports/bias' that is on social media/news. The truth lies somewhere in the middle while both sides are painting the opposite picture, inciting more divisiveness amongst our fellow Canadians. The pandemic has been as much if not more about politics than health, and that is disappointing. No one seems to talk about it but the pollution generated by the convoy is unnecessary esp as we face devastating climate change. I'm not opposed to peaceful demonstrations, but all the fuel wastage/pollution is unacceptable. The noise pollution must be a terrible burden as well for the folks living in d/t Ottawa. Blocking the borders is also ridiculous and the wrong way to go about protesting as well. They are causing more harm to the Canadian economy, yet will blame the poor economy totally on the Liberal Party. There are better ways to engage our fellow citizens and get the attention of all our members of parliament and our Prime Minister. Hoping for a quick and peaceful end to the convoy, blockades & unnecessary mandates, as well as the Emergency Act.	2/19/2022 7:35 PM
18814	It hasn't other than time supporting it	2/19/2022 7:35 PM
18815	I support the truckers 100%. They r really having a positive attitude on everyone. And for the first time in over 2 years people are coming together and working together and fighting for our rights and freedom. The way it should be we live in Canada and that's what is best about Canada. The truckers have been nothing but helpful to everyone and peaceful having fun playing hockey singing etc. that's awesome.	2/19/2022 7:35 PM

18826	Of course it hasn't ask been good. The language and the signage (f.. Trudeau) have been nasty. However it has brought 1000's of Canadians together and created an awesome sense of unity. It has given many Canadians a voice and a sense of how. It is also showing hope bad this government truly is.	2/19/2022 7:34 PM
18827	It gave me faith that enough people stand for free choice and that it will endure. Partly due to Canadian laws that will be upheld in the long run.	2/19/2022 7:34 PM

18835	The truckers convoy has given me hope for a better future. It's been so discouraging to watch the media dishonour them by spreading lies and falsehoods while they are trying to protect our basic human rights. The vast majority of people who supported the convoy were peaceful and	2/19/2022 7:34 PM

simply exhibiting their right to express themselves and gather peacefully. The way Justin Trudeau has handled the pandemic reminds me of an authoritarian government rather than the Prime Minister of Canada. I think he has an agenda in line with the World Economic Forum's goals for a Great Reset. He is taking money from overseas and has serious conflicts of interest.

18862	Provides personal entertainment to watch my government under pressure. Saddens me to see that our government couldn't keep us unified. The government is not perfect, nor is the convoy and it's protestors. Nor are the people who ridicule each other. We're all falling short. Look to Jesus, he loved best.	2/19/2022 7:32 PM
18863	It has given me hope that we won't end up becoming a communist country	2/19/2022 7:32 PM
18864	It has given me hope that there are still brave souls, just like our soliders who fought 2 wars for our freedom and our rights, willing to stand up and fight for them. The majority of people who	2/19/2022 7:32 PM

are down in Ottawa who may or may not be on the convoy are peaceful. The fact that the news and govt is using the few who made really poor choices as the main focus, isnt right. Because its an excuse to redirect the main problem to blame anyone else for this issue. Typical narcissistic personity traits. When veterans stand in front of the police, that is a bold statement. That tells you something right there!

18875	It has given me hope that perhaps someone will listen and has made me feel like I am not alone.	2/19/2022 7:32 PM
18876	I support peaceful protest but when they are affecting the lives of those living in downtown Ottawa and things become potentially violent, I don't support them at all.	2/19/2022 7:32 PM
18877	Made me aware of what was really going on politically and how tyranny can be forced on Canadians.	2/19/2022 7:32 PM
18878	It hasn't, we have supported it, but haven't noticed any changes personally.	2/19/2022 7:32 PM
18879	It has given me hope that there are people who will stand up for keeping the people of Canada free. That there are people who can love and maintain a peaceful gathering in the face of police brutality. It has proven to me that the government doesn't care about the people they are sworn to serve. It has proven that I cannot trust the legacy media in Canada to report the truth.	2/19/2022 7:32 PM
18880	Wish I could help	2/19/2022 7:32 PM

18887	Given me hope that I may get my freedoms back. A light at the end of this 3 year dark tunnel. Potential that we may not need to move out of this country which has turned into a dictatorship. My parents immigrated to Canada, but it has turned into a completely different country over the last 3 years. A country we don't want to live in, if this convoy doesn't win our freedoms back.	2/19/2022 7:32 PM

18894	It hasn't affected our life. We were able to go to Coutts to participate one weekend had a great time what a wonderful happy atmosphere	2/19/2022 7:31 PM
18895	It has given me hope. Ive been political most of my life, and most people were asleep to government abuse. In the past, ive had the RCMP abuse my rights twice in my life. Once by a warrant during the October crisis, through the War Measures Act, and once by my mail being opened by the RCMP as an activist. Now understanding Government abuse of right is widespread. The spirit to fight is rampant and deep.	2/19/2022 7:31 PM

18919	Made me realize I am not alone in wanting my rights and freedoms	2/19/2022 7:30 PM
18920	It brought tremendous hope and light back into my life. I finally feel like I am not alone in the way I feel about the mandates and government overreach. I cried tears of relief and joy when I watched all those people on the sides of the roads and over passes waving and cheering as the trucks passed. I was balling. It finally felt like there were people who relate with me out there and who would actually listen to me and hear my voice after such a long time of being suppressed and silenced by segregation and discrimination. I don't agree with overthrowing a government. I was never informed that was their objective and that is not what I want. I just want Canada to go back to the way it was before Trudeau became Prime Minister. Our country has been in trouble ever since. I have felt this way before the pandemic and it feels like people are finally seeing how dire the situation is. Trudeau is hungry for power. He takes all he can at the first opportunity just like with the pandemic. He is a very dangerous man. Every time I think he will be investigated or criminally charged over ethics violations and scandals nothing ever happens. He is never held to account for his actions and he never take responsibility which is terrifying! He can't even answer simple questions. I have lost complete trust in our federal and provincial government. I emptied my bank account, although I never donated to the truckers. I am a single mother with low income, so I couldn't afford to donate even if I wanted. Everything is so incredibly expensive. Canadian citizens are suffering from extremely high rent, grocery, gas, heat prices and he won't even drop the his Carbon Tax. Actions speak louder than words. Trudeau is an evil man who doesn't care about Canada or Canadians.	2/19/2022 7:30 PM

18927	It has brought the first hope in 2 years and has encouraged me and the people surrounding me. And it has shown the governments true Colours in response to a peaceful protest which has sickened me.	2/19/2022 7:30 PM
18928	It has literally given me hope! I'm so disturbed to see how those people are now being treated because of the emergencies act that doesn't even fit the criteria. There's no violence except the police brutality going on	2/19/2022 7:30 PM
18929	I am greatly encouraged seeing truckers and others standing for what is right!	2/19/2022 7:30 PM

18940	It's given more hope that more Canadians are wanting this all to end! My hope comes from Christ first but the convoys have people engaging with others again and smiling and no matter your choice of the vaccine!!	2/19/2022 7:29 PM
18941	It's really showed me how one sided the media is and how much the government doesn't care about the people. It has also showed me that Canadians are kind and generous people. It has also proved that all the mandates don't work, there was no spike in covid cases, deaths or hospitalizations and the amount of people there in close proximity should have made that happen. That's pretty clear science.	2/19/2022 7:29 PM
18942	Gave me hope, hope for the future, some normalcy again. People from all walks of life came together for one cause, our freedom	2/19/2022 7:29 PM

18955	Gives us hope. The stepping stone and push everyone needed to start pushing back against a controlling government.	2/19/2022 7:29 PM
18956	The blockade at Coutts apparently cost the city of Lethbridge (where I live) millions of tax-payers' money. But mostly, I'm appalled at the utter disregard- and frankly, stupidity - displayed by the majority of the protesters. They rely on flawed information regarding covid, yet refuse to believe the science. I feel so badly for the residents of Ottawa.	2/19/2022 7:29 PM
18957	Somewhat restored faith in humanity. We may actually be a free country if successful.	2/19/2022 7:29 PM

18969	It has renewed my hope, encouraged my heart to believe in freedom and healing out family and country to have a future. It has restored unity and togetherness again. It has breathed life in to my dying heart. I see a light at the end of the dark tunnel.	2/19/2022 7:28 PM

So much of the protests/convoys could have been avoided if leaders would speak to their people and find out how the average Canadian is being affected by these mandates. 18984	I have seen much love ♥from many dear Canadian's and people who were just a few months ago our hero's being treated like zeros! For nothing it's absolutely ridiculous they weren't a threat to any one , and I now believe that This mandate was just there to cause this problem so he could create further conflict with in our own country to divide and pit us against each other , so horrible, I don't like horns honking all the time but I do see how they are desperate to be heard and how horribly they are being treated, and considering how lawfully they have behaved compared to other protests in our not to distant past and how they were embraced warmly and with compassion, what a contrast to this poor group of hard working people who just want to live free from mandates that are not needed and never were they didn't work, we should just look to the other countries that are three weeks ahead of us, there is plenty of science to back us up .	2/19/2022 7:28 PM
18985	It's been an embarrassment to all Canadians. I feel for the police who have to deal with these idiots.	2/19/2022 7:28 PM

19012	I am so proud of these truckers who have stepped up for us and what is right. I have learned from their peaceful, and helpful approach to those citizens who live nearby. It makes me proud to be Canadian.	2/19/2022 7:26 PM

19055	Happy to see them bringing Canadians together for freedom of choice Our govt is corrupt and should be tried for crimes against humanity. Turned into bullies and communist control.	2/19/2022 7:24 PM
19056	I haven't been this excited since before the first lockdown. I was very embarrassed to be a Canadian until I saw these wonderful truckers get together and convoy their way to Ottawa. What an awesome bunch of people and I'm so happy finally Canadians are standing up. Trudeau is a complete disappointment and I 100% disagree with the way he handled this protest.	2/19/2022 7:24 PM

19061	Positively.	2/19/2022 7:24 PM
19062	It has shown a display to our government that having these mandates has affected these citizens jobs. They are taxpayers, they have abided by the law even at the start of Covid, they have contributed to the canadian economy, and now they have to suffer because they disagree with science about the validity of a vaccine.	2/19/2022 7:23 PM
19063	It's given me hope	2/19/2022 7:23 PM

19070	In 2 years, we finally have something to hope for, to hope for change. Life has been filled with division and hatred because of Justin Trudeau. I've never been as happy in the last 2 years as I was when I heard about the convoy. So peaceful and everything that Canada is about when Trudeau has done nothing but divide and make us hate each other.	2/19/2022 7:23 PM

19075	Joy!	2/19/2022 7:23 PM
19076	My close family members live in Ottawa and I live in a town nearby. My sibling lives downtown and has been having a terrible time with the disrespectful way the convoy has been behaving. It makes it hard to sleep, to get exercise, to feel safe. My family is worried sick and all of them in Ottawa are so exhausted. Even though I disagree with the convoy, I believe everyone has a right to protest. HOWEVER, I am disgusted and ashamed at the actions of the convoy. Shame	2/19/2022 7:23 PM

19102	Provided hope. Gave me something to believe in. Renewed my patriotism and belief in our great country. Made me feel like I wasn't so alone in my ideals and a sense of community. They showed the the prime minister's divisive rhetoric would only secure our unity and resolve. They exposed, for all to see, the propoganda machine that is legacy media. 19180	Lifted my moral	2/19/2022 7:18 PM
19181	Not applicable	2/19/2022 7:18 PM
19182	It gave us hope that a lot of canadian want to move on with there life. To restart living like we use to. Those who want to keep there mask they can those who don't they don't have to. Same goes with the vaxx. Freedom of choice. Most of the population got covid and survive so almost 95% or more of the population are vaxx or got natural immunity. Time to move on before the psychological effect because even more severe.	2/19/2022 7:18 PM

19192	Gives me hope	2/19/2022 7:18 PM
19193	Don't	2/19/2022 7:18 PM
19194	It was nice to see a group stand up for our rights. I don't think they should have blockaded for as long as they did but I also undtand why they did with no conversation or listening from government leadership. All voices should be able to be heard. I also didn't like the Pais media painting this group as extremists and racist and stating they danced on the unknown soldier grave site. I have friends that were at the protest and the truck convoy personnel were peaceful demonstrators. Again government paying media to diversify Canadians is never acceptable.	2/19/2022 7:18 PM

19206	It has not	2/19/2022 7:17 PM
19207	My family owned a trucking company ... trucks are an important part of our economy and restricting the drivers is a discrimination on our government's part ... I joined in on a local convoy and felt so alive to be a part of history	2/19/2022 7:17 PM
19208	Gave me hope!	2/19/2022 7:17 PM
19209	It has brought hope.	2/19/2022 7:17 PM
19210	By having a voice for those that have been bullied to be quite	2/19/2022 7:17 PM
19211	Not at all at least immediately	2/19/2022 7:17 PM
19212	Upsetting to see democracy being impeded	2/19/2022 7:17 PM
19213	It gave me encouragement. So disappointed in the Canadian government.	2/19/2022 7:17 PM
19214	The trucking convoy has given me hope again, And has restored my faith in humanity. I have a lot of respect for these men and women	2/19/2022 7:17 PM
19215	Mainly it has been an emotionally disturbing disruption and an embarrassment on the international stage. I chose to immigrate to Canada from the US (in large part in order to avoid extreme political conflict and turbulence), and while I am relieved that the convoy did not get out of hand and that people were relatively peaceful (with some unfortunate harassment, etc.) I am still shocked and disappointed in the behavior of some my new neighbours. I understand tensions are high in the world right now and this event seemed like a way for people to blow off some steam after feeling cooped up for nearly 2 years. (But I've lost two years of performances / income / opportunities at a prime time in my life - I'm 31 - and I'm not trying to clog up the streets of parliament, or stopping other citizens from sleeping well at night.	2/19/2022 7:17 PM
19216	Very encouraging and peace and togetherness bringing	2/19/2022 7:17 PM
19217	Yes. Am made more aware how we as a nation have no vote on our freedom. This seems more and more like a fascist government	2/19/2022 7:17 PM
19218	Positively	2/19/2022 7:16 PM
19219	It has given me a sense of hope watching so many band together with unity.... It is now giving me great frustration to watch good people be treated the way they are! Our company had trucks in the hwy 2 convoy... I have cousins that were in Coutts and friends out in Ottawa! I'm so proud to see them and support them! I'm sad to see what Justin Trudeau has caused.... He needs to listen to the people!	2/19/2022 7:16 PM
19220	Absolutely wonderful to have those who put their lives and their family's lives at risk for three	2/19/2022 7:16 PM

19221	Uplifting	2/19/2022 7:16 PM
19222	Gave me hope again	2/19/2022 7:16 PM
19223	The Trucking Convoy has given me hope again and proven to me that there is still some common sense and good hearted people left in Canada. I was even inspired to go to Ottawa and show my support and the feeling of love and appreciation was amazing out there. For once in my life I fit in and was truly proud to be Canadian. Thank you truckers!!	2/19/2022 7:16 PM

19231	It's restored hope that we have a voice in a democracy. I have not recognized my own country and lost so much pride. Until this convoy I was really considering leaving behind my citizenship and Canada as I do not want to support tyranny. Bodily autonomy has always been a Canadian human Right.	2/19/2022 7:16 PM

19235	By bringing awareness to the tyranny we are experiencing and have experienced for decades with our government. They have woken many more people up and have brought me a bit of optimism and positivity that things will change for the better. That things like these mandates will actually lift because I began to feel no hope.	2/19/2022 7:16 PM

19243	Has brought me hope. Inspired me that we can have our freedoms back to be unified in our community.	2/19/2022 7:15 PM
19244	They are the only ones who have the guts to stand up and say that's enough	2/19/2022 7:15 PM
19245	Has been a positive affect in my life. I'm proud to be a Canadian once again knowing that other people have the same values and views as myself. Freedom is worth fighting for at all costs.	2/19/2022 7:15 PM
19246	It gave me hope and courage to not be silent any more!!! I admire every single person in this convoy, for showing us how to be a patriot and true Canadian! Prime Minister is none of the above!! He does not represent Canadians but his own ambitions!! Go Canada Go!!!	2/19/2022 7:15 PM

19264	I love the convoy .	2/19/2022 7:14 PM
19265	It was very stressful to watch as a former centretown resident. My partner still lives in the area.	2/19/2022 7:14 PM
19266	It was the first breath of fresh air that Canadians might not be totally asleep. It breathed new life into our citizenry, and now with the Turd-o OVER-overreach, even more people have woken up thanks to what the trucker's convoy did to get the attention of the world.	2/19/2022 7:14 PM
19267	Too much to type. Seen so much love and unity and love with canadian citizens. And absolutely hate and sickening behavior and a tons from the prime minister, parliament, and the absolutely sickening display of police brutality on innocent people.	2/19/2022 7:14 PM
19268	Added more divide and stress	2/19/2022 7:14 PM

19328	It's given me hope for Canada for the first time in years.	2/19/2022 7:11 PM
19329	I was literally bawling when I heard they were coming. Suddenly there was hope - and in that moment I realized that I had lost it and was in despair - and they brought back hope. And seeing everyone joyful and working together, hugging and dancing and playing together in the streets, sharing and caring and praying - amazing. That's the Canada I want back.	2/19/2022 7:11 PM
19330	It has given me hope again! I have never been prouder to be a Canadian! I had given up hope in my country and seeing the trucking convoy has helped bring back the hope for my countries future. I'm am however absolutely appalled at how the government and media are portraying and handling the protest. It's disgusting.	2/19/2022 7:11 PM

19362	Only positively, I thank them everyday for showing the world that Canada is united despite Trudeaus b.s. and for standing up for all of our freedoms that are being ripped away by our wannabe dictator.	2/19/2022 7:10 PM

19370	It has encouraged me to see honest hard working Canadians stand up for rights and freedoms... there has been a very scary communist flavour to the last 2 years, and I think there is a real concern that dangerous precedents are being set and that we are heading into permanent changes where our freedoms are greatly diminished. I am absolutely appalled at how the PM has handled this. He hasn't had the decency to listen to concerns and come to a	2/19/2022 7:10 PM

peaceful, respectful resolution. He has ruined this country with an unrecoverable state of debt, and he has enacted emergency measures that are unmerited, grossly heavy handed and totalitarian. I am sincerely afraid of the future Canada that we're shaping now.

19371	Gave me hope	2/19/2022 7:09 PM
19372	The biggest morale booster in the last 2 years undoubtedly	2/19/2022 7:09 PM
19373	It hasn't really as I am not near Ottawa but I feel for the residents that live there. For their freedom in a way was taken away. Their time of not being able to work deprived kids of sleep. And businesses who have suffered because of this	2/19/2022 7:09 PM
19374	Has not affected me very much. The vaccinated truckers are still working as are the rest of the population of Canada. Just more discussions about freedom but not much freedom for the residents of the areas in the protest.	2/19/2022 7:09 PM
19375	They have provided quite a bit of info on the inside showing what is really going on compared to what you all want us to think is going on	2/19/2022 7:09 PM
19376	It has given me hope.	2/19/2022 7:09 PM

19383	Made me feel proud of my fellow Canadians!	2/19/2022 7:09 PM
19384	I'm proud of the men and women who have made the sacrifice to stand up for unity of this country instead of segregation and division. For the first time in a long time I'm proud to be Canadian.	2/19/2022 7:09 PM

19398	It has made me proud to be a Canadian again, as a loyal Canadian this is something I haven't felt in at least the last year and a half. It's made me realize Canadians are not as divided as the media says, that we won't meekly submit to tyranny, that we are willing to defend our rights	2/19/2022 7:08 PM

and do it peacefully. The convoy has shown the world that love still exists and it is the best thing that has happened since the start of this mess.

19408	It has sparked hope that perhaps my children can go through life without requiring these vaccines until safe and effective ones truly become available.	2/19/2022 7:07 PM
19409	The truckers convoy has given me hope that there are people with a back bone left in Canada who want to stand up for freedom of choice and freedom of speech. The trucker convoy showed me that regular Canadians are prepared to put everything on the line and stand up for freedom peacefully. I have seen so much video footage of what actually happened in Ottawa and how our media which is owned by the government has spun it into something dirty. The same media told me that the fires being burned down in the name of black lives matter and the entire occupation in Seattle guarded with men with guns... Was a peaceful protest. When it clearly was not. And now the truckers have shown me what a real true solid grassroots peaceful movement looks like. It has inspired me to pay a lot more attention about politics and about how things are run in our cities. I am ashamed of how this government has destroyed Canada in that into short years we have people been fired and discriminated against because they don't want to take an injection that our government is forcing into our bloodstream. At least they are trying to force it. The truckers have shown me that no matter what I will stand up and I will not back down and I will not be bullied into taking an injection just because our corrupt and evil government wants me to. The truckers have given me hope and inspiration to stand up for what is right in the face of danger... Just look at what the police are doing to innocent people in Ottawa. Shame on them all. Shame on every police officer there and shame on our government and the supporters were standing idly by. The truckers bring everyone their food and they worked so hard along with other essential workers throughout the entire pandemic... Without a vaccine. And now magically because our corrupt government says they have to take the vaccine or lose their job... Suddenly they are no longer heroes. The truckers have exposed the absolute hypocrisy in our system.	2/19/2022 7:07 PM

19417	Brought hope that changes can happen. The government does not control the people	2/19/2022 7:07 PM
19418	It has given me hope that I have not felt in months and has reduced my feeling of despair. At least it did until the PM activated the emergency act. For months I've been made to feel like an irresponsible, unintelligent, social outcast and seeing the convergence of so many likeminded people has reassured me that I'm not an anomaly.	2/19/2022 7:07 PM

19419	Ended a bunch of bullshit in place by provincial governments. But not soon enough	2/19/2022 7:07 PM
19420	for the first time in 2 years, I felt proud to be Canadian again. Unfortunately this was short lived as I watch the police brutality against freedom loving protesters in Ottawa.	2/19/2022 7:07 PM

19433	Given us hope that this tyranny will end	2/19/2022 7:06 PM
19434	The trucking convoy has given me hope that someday hopefully soon that Canadians will get a choice about what goes into their body without fear about losing their jobs. The convoy has also shown me how incredibly stupid and ridiculous our government/prime minister is.	2/19/2022 7:06 PM
19435	Inspired me	2/19/2022 7:06 PM
19436	Gave hope of freedom restored, overwhelming what they've sacrificed for our Nation. They've restored unity that the Govnt destroyed. Ive always respected the Trucking Industry but thier hearts have taken that resoext to a whole new level.	2/19/2022 7:06 PM

19447	The goods couldn't be transported across the border, resulting in shortages and price increases	2/19/2022 7:05 PM
19448	Positively. It has given me hope that the Prime Minister, cabinet, and all MPs and Senators might come to grips with who the low-middle, middle class Canadians are and how we have been affected by the mandates. I feel solidarity and a unifying connection with my fellow Canadians I have never felt in my entire 50+ years. If the Prime Minister had engaged the superior tool of dialoging with the protesters and respecting us as citizens the protest would have ended without heavy handed police tactics. Instead he chose to belittle us, slap us down	2/19/2022 7:05 PM

like an abusive parent to a child and tell us we are unacceptable and then physically attack the protesters like an abusive person. Justin Trudeau as PM is UNACCEPTABLE. His power over us is UNACCEPTABLE. The convoy has given voice to my heart and mind. Before the convoy we were investigating moving to another country even though our ancestors are Canadians pioneers. Thats how hopeless we felt. The burden of taxes is becoming unbearable.

19449	They give us hope.	2/19/2022 7:05 PM
19450	Not in the least.	2/19/2022 7:05 PM
19451	It has made me feel proud to be Canadian again because of the peace that was shown.	2/19/2022 7:05 PM

19453	No comment	2/19/2022 7:05 PM
19454	We could have avoided it if Trudeau would had sat down with his follow truckers and Canadians and listened	2/19/2022 7:05 PM
19455	They gave me hope, that we can change and remove the mandates and get our freedoms and rights back. I'm 100% for the truckers, they are very good people	2/19/2022 7:05 PM
19456	It brought hope to our future. FREEDOM.	2/19/2022 7:05 PM
19457	It has brought me a happiness that I haven't felt in 2 years. I was only able to attend Monday but it was too 5 experiences I had ever had. I was so overwhelmed I balled. I thanked as many truckers and others as I could. I felt like I belonged after being ousted for 2 years. I did not want to leave. I had my youngest daughter age 11 with me and she was amazed. I will for everything be grateful to these folks, my heroes, for the rest of my life. I have had zero support from anyone here. No one cared that I wanted to die from the ptsd of the past 2 years, they still enforced the vaccine. I had a dr letter explains why I can't be vaccinated and a lawyer letter explained how I am protected under certain grounds. Waste of time and money. I will never get these 2 years back. I have missed 2 critical years with my children to this garbage. My main support system is in Ontario and I can't fly to see her. These truckers gave me sunshine, hope, trust, love and they don't know me. They risked it all for us. There is no way I could ever pay them back for what they gave to me and this Provence.	2/19/2022 7:05 PM
19458	It hasn't affected anything personal, because I am not around the area, but they did get the vaccine passports lifted.	2/19/2022 7:05 PM
19459	It makes me very proud of Canadians but very ashamed of our government.	2/19/2022 7:05 PM
19460	It has made me proud to be a Canadian again, and has give me hope that I will get my life back.	2/19/2022 7:05 PM
19461	Positive	2/19/2022 7:04 PM
19462	It has given me so much hope! People do know what's going on, more than I thought. Canada is no longer passive. We are not aggressive either. They have struck a cord in all hearts, those that know this is wrong and we've had enough. Thanks for the survey.	2/19/2022 7:04 PM
19463	It gave me immense hope for relief from the lockdowns.	2/19/2022 7:04 PM
19464	Given me hope	2/19/2022 7:04 PM

19473	I strongly believe in the right to peacefully protest for your rights and freedoms. I thank all patriots who have stood up for our rights and not let them be striped from us Canadians	2/19/2022 7:04 PM
19474	Encouraging Hopeful	2/19/2022 7:04 PM
19475	Freedom	2/19/2022 7:04 PM
19476	The trucker convoy has actually gave me hope and restored my faith in humanity. They stand for freedom and for the first time in over two years our country has come together in unity which is quite evident by the droves of people who came out in our towns, cities and along the sides of the highways to support and cheer them on. They have been labelled many things but I believe these labels are incorrect. I believe they have been given a bad rap. Their main objective was to have the mandates dropped for all Canadians and that we could go back to life as normal. Our Prime Minister didn't even have the decency to engage in a dialogue with them. I feel it is disgraceful that the leader of our country would firstly not listen to the protesters and try to work things out in a peaceful manner. Instead he resorted to violence against his own people! His actions in my opinion are completely disgusting!	2/19/2022 7:04 PM
19477	Gives me hope.	2/19/2022 7:04 PM
19478	Truck convoy gave me hope , hope for myself my family my grandson hope for Canada hope for all Canadians Even for the ones that don't realize what's happening ,convoy has united Canadians of all ethics, colour, sex , man , women & child ♥ ☺ All these people (trucker convoy) are Hero's , Hero's for Canada & the world god bless them all!!!!!!!	2/19/2022 7:03 PM

19482	Not affected. I support them.	2/19/2022 7:03 PM
19483	Created unity, brought Canadians together. The smiles have been amazing.	2/19/2022 7:03 PM
19484	It made me proud to be a Canadian again.	2/19/2022 7:03 PM
19485	It helped the world start to heal. We are not alone.	2/19/2022 7:03 PM
19486	The trucking convoy has given me hope that I'm not alone in my concerns and my feelings of discrimination and that Canada might be free again some day soon. Those people willing to sacrifice their jobs and lives and reputations to fight for our freedom, and I am so proud of them for that. I fear without people standing up, we might lose our rights forever.	2/19/2022 7:03 PM
19487	It has given renewed patriotism for my country. NEVER have a seen so many Canadian flags in peoples yards, on the vehicles, EVERYWHERE!	2/19/2022 7:03 PM
19488	Those truckers have renewed my faith in humanity.	2/19/2022 7:03 PM
19489	They give me hope. And I stand with the truckers. We the people have being writing letters to MPs, sueing and protesting for years. And no one did anything. Now the people want to be heard. And this seems to be the only way to get attention. I would rather deal with the mildness of omicron then have government over reach and control of people.	2/19/2022 7:03 PM
19490	The truck in convoy has give me hope finally Canada's in bending over to Junior Castro	2/19/2022 7:03 PM
19491	I support them all the way	2/19/2022 7:03 PM
19492	Given hope	2/19/2022 7:03 PM
19493	They have brought us together in unity...take our CANADA back....Strong and free.... Freedom 2022	2/19/2022 7:03 PM
19494	It made me realize how much the media and our government is lying to people and twisting words to make people believe what they want. How they are fighting against their own people and insulting them in so many ways. No I don't believe with anything even close to the confederate flag or swastikas but that is a very very small group of people who are farming the reputation of people in support of the freedom convoy. Which is an extremely large amount of people (government is also hiding this).	2/19/2022 7:03 PM

direct affect but I do see the love of Canadians for each other and their County

19530	It gives me hope that the World Economic Forum and George Soros' protege PM Trudeau will not be able to force Canadians to accept The Great Reset and the tyrannical Agenda 2030 protocols for the WEC's 4th Industrial Revolution. The truckers bravery will restore Canadian's rights and freedoms under the Charter and the Constitution that Brian Peckford signed and not the Constitution that Pierre Elliot Trudeau tried to ram through parliament 40 years ago. Pierre Pollievre and the Conservative Party will be given a chance to give us back our country because of the Freedom Convoy! God bless the truckers!	2/19/2022 7:01 PM

19539	It gave me hope as a Canadian.	2/19/2022 7:00 PM
19540	Was long overdue, for the country to wake up and stand up for our rights. The only negative impact again has been division and hate speech against the truckers, via the cbc and other government funded forms of media which do not belong in a democracy. This narrow minded narrative and choice to highlight the corrupt few and ignore the masses is toxic and a false representation of the people of this country.	2/19/2022 7:00 PM

19578	This whole thing is exhausting mentally. It is tearing families and friends apart. Hearing about it all the time, whether people agree or not. The pool and out for dinner once in a while was my fun time and now it's gone. The truckers are there to restore freedom for everyone. They are true heros. People lost their job their homes. People have died of vaccinations people died alone older people not allowed guest. If not Vax no funeral for you like what?? This convoy is here to restore canada to the great nation it was once. 19608	It has made me have feelings of hope abs true patriotism. It has allowed me to feel less alone and have hope for my future... when I first watched the convoy from bc to ON . I realized I could finally "breath" again. I did not realize until that moment how much I have held in my breath in anticipation for our way of life, freedom and democracy to collapse.	2/19/2022 6:58 PM
19609	Proud to be Canadian again and gives me hope	2/19/2022 6:58 PM
19610	Positively I see them as the zipper fixing up all the division and hate the liberal created with their unwise agenda.	2/19/2022 6:58 PM
19611	Love the unity, love to see all the people TOGETHER-no hatred-unity like i have longed for; celebrating freedom. It has also taught me who's leading our country-downright scary.	2/19/2022 6:58 PM

Also the so called elites that wouldn't acknowledge alternative options when they where proven to help but big pharma wouldn't make any money and people were dieing .hypocrisy against the elderly and humanity in general is criminal .	2/19/2022 6:57 PM

19623	Encouraging	2/19/2022 6:57 PM
19624	The convoy has not really affected my life much personally, except that it does seem to be inspiring change that will positively impact my life. My family has also been following it closely online. I have greatly wanted to support it as I believe in their message of going back to normal, although my beliefs as a Christian call me to be submissive to my government, and so protests are off the table for me.	2/19/2022 6:57 PM
19625	It's shown me unity	2/19/2022 6:57 PM

19630	Not at all givin me hope	2/19/2022 6:56 PM
19631	Hope, happiness, freedom. But what those "cops" are doing in Ottawa is rather disgusting. They brought violence and brutality to a freedom peaceful protest. Shameful!	2/19/2022 6:56 PM

19638	It has reintroduced hope for the first time in 2 years.	2/19/2022 6:56 PM
19639	It was the most amazing experience of love and unity. Made me so proud to be Canadian. They were a very peaceful humble group of truckers and the supporters were happy and friendly They stood strong in unity	2/19/2022 6:56 PM
19640	Restored some hope, restored some of my pride in being a Canadian, given me huge greatfulness to them for standing up to tyranny, encouraged my to do more to contribute to this cause for freedom	2/19/2022 6:56 PM

19642	Given us hope for the future. Made us feel less isolated and realize the need for government to let go of the control over our lives. Truckers are the real heroes! Also realized that the mainstream media is lying about what is really going on with the Trucker's convoy.	2/19/2022 6:56 PM
19643	They are fighting for all Canadian freedoms from a dictatorship government.	2/19/2022 6:55 PM
19644	I see hope for the first time in a very long time	2/19/2022 6:55 PM
19645	A glimpse of hope for our freedom back and our lives	2/19/2022 6:55 PM
19646	Gave me hope that we could get back to living within our Charter of rights instead of under a tyrannical dictator who called us racist and many other names	2/19/2022 6:55 PM
19647	It has brought back hope and has lifted my spirit. I support this movement and wish them the greatest success. I am terrified of the outcome if they do not.	2/19/2022 6:55 PM
19648	Given us hope for the first time in 2 years	2/19/2022 6:55 PM
19649	It has brought hope back.	2/19/2022 6:55 PM
19650	It has made me so proud to be Canadian, I have not stopped watching videos of everything going on. It gave me hope and happiness, it's the way Canada is suppose to be. Then Ottawa was awesome to see everyone together having fun, smiling. Then feb 18 happenedI couldn't believe what I was witnessing from the police. I am proud the protesters stayed peaceful through it all	2/19/2022 6:55 PM
19651	It's giving me some hope even people that have been vaccinated have come together with tractors that haven't been vaccinated or people that have been vaccinated and they are vaccinated have come together to stand for freedom that's what this is all about freedom not a dictatorship Trudo needs to step down and resign he's destroyed our country	2/19/2022 6:55 PM
19652	Its has not affected me but gives me hope that something can finally be done to end this nightmare we are in. All the trucker should be praised as heros and honored accordingly after this. Anyone take their rights as away as Canadians should be punished to the full extent of the law.	2/19/2022 6:55 PM
19653	Happy for their courage	2/19/2022 6:55 PM
19654	The convoy is in forcing democracy, where our government has failed to unite Canada.	2/19/2022 6:55 PM
19655	It has brought me HOPE. Has made me feel less alone. CANADIANS ARE AMAZING. This government is not	2/19/2022 6:55 PM
19656	Do not live anywhere near where they stopped in Ottawa so my life has not been impacted.... I am grateful that they have made this stand for all Canadians	2/19/2022 6:55 PM
19657	No	2/19/2022 6:55 PM
19658	If in fact the main goal is to end mandates and protest for our freedom of right to choose, I am 110 percent in favor, and for the first time felt proud to be Canadian. However they have received a lot of negative publicity for smaller groups that seem to invaded their cause, and for that I feel bad for the Trucker's.	2/19/2022 6:55 PM
19659	At first I didn't support it. Now I understand the freedom concepts. I don't think getting vaccinated is an issue for me. I think we need to get back to freedoms we have lost along the way	2/19/2022 6:55 PM
19660	Given us hope for the future! Have met many amazing Canadians at all the rallies who believe in democracy and want their freedoms back!	2/19/2022 6:55 PM
19661	It gave me hope that the mandates would end and I could somehow go back to work without having to be vaccinated for Covid.	2/19/2022 6:55 PM
19662	It has given me hope for a better future for this country and I've never been more proud to be Canadian.	2/19/2022 6:54 PM
19663	Has showed me to stand up for your rights for freedom!	2/19/2022 6:54 PM
19664	I believe this has torn Canada apart. I am embarrassed by their behaviour. I think that everyone is entitled to their own beliefs but why should the convoy have to affect so many people in a negative manner. The convoy might have started with good intentions but their	2/19/2022 6:54 PM

behaviour is absolutely ridiculous. They want "freedom " but what about everyone else's rights!?! Absolutely ridiculous.

19665	So proud of our truck soldiers who stood against this tyranny.	2/19/2022 6:54 PM
19666	encourage me and agree totally with what they are doin	2/19/2022 6:54 PM
19667	Brought a bit of hope back to believing Canada is still a free democratic country.	2/19/2022 6:54 PM
19668	Shocked	2/19/2022 6:54 PM
19669	Gave us new hope!	2/19/2022 6:54 PM
19670	It hasn't, the ignorance frustrates me but doesn't affect my life	2/19/2022 6:54 PM
19671	Gave me hope life will return to the normal life before Covid	2/19/2022 6:54 PM
19672	Providing optimism and faith in the human spirit	2/19/2022 6:54 PM
19673	It has no affect on my life. I am proud if what they have done for this Country. And so ashamed of my Canadian Government.	2/19/2022 6:54 PM
19674	It has given me hope. Thanks to the convoy the restrictions have started to get lifted in provinces including my own	2/19/2022 6:54 PM
19675	It hasn't affected my life yet. But I totally support them	2/19/2022 6:54 PM
19676	It's giving me hope. Go Freedom convoy	2/19/2022 6:54 PM
19677	They have given us hope of things possibly going back to normal	2/19/2022 6:54 PM
19678	Given hope for a nation that is deeply hurting and divided. Watched people open up about it all instead of being locked away feeling alone and empty. Saw a corrupt government of all parties and a complete lack of accountability to the people from all our elected officials. I will never again believe anything that comes from the mainstream media as they have only sought to lie and maintain a corrupt narrative. However I have regained faith in my fellow man and the brave citizens who stood together arm in arm to uphold democracy and freedom.	2/19/2022 6:53 PM
19679	GAVE ME HOPE!!!!!!!	2/19/2022 6:53 PM
19680	Made me proud of Canadians again.	2/19/2022 6:53 PM
19681	I finally feel we have hope and I very thankful the truckers are taking a stand for our freedoms and all the people that are out there standing up for what is right. God bless you all.	2/19/2022 6:53 PM
19682	Awesomely. In every way that counts.	2/19/2022 6:53 PM
19683	We can go places without wearing a mask.	2/19/2022 6:53 PM
19684	They have me a renewed hope for my country.	2/19/2022 6:53 PM
19685	It hasn't	2/19/2022 6:53 PM
19686	Shows me Trudeau is unreasonable and unwilling to listen to the latest science	2/19/2022 6:53 PM
19687	I am so proud of them, protesting peacefully.. the media is reporting lies anout overtaking the govt, the swatztika flag, the confederate flag, the horrible things they are reporting if true do not come from peaceful people.. thats what we intended...	2/19/2022 6:53 PM
19688	Made me proud	2/19/2022 6:53 PM
19689	Regained my faith in humanity	2/19/2022 6:53 PM
19690	It has given me hope that the government will finally listen to the Canadian people that we are being treated so badly compared to other countries. As an unvaccinated person that all my right have been taken away from me just because I have followed the science and want personal autonomy. The movement has been peaceful. I have seen so much footage and the lies from the government and media are abhorrent. It has also unified so many people who for the first time feel connected through love and a show of unity something our leaders have done everything to stifle. It has given me hope for our society that we can come back together vaccinated and unvaccinated and find a solution to what is occurring where everyone rights are	2/19/2022 6:53 PM

listened to. Shame our prime minister won't even talk to them to find that instead of using physical aggression towards a mostly peaceful and living crowd.

19691	It's brought me more joy then anything has in the last 2 years	2/19/2022 6:53 PM
19692	It added some hope	2/19/2022 6:53 PM

19705	Gave me hope ! Loved it	2/19/2022 6:53 PM

19707	It's made me proud to be Canadian . I was losing hope for this country after these insane rules which none make any sense	2/19/2022 6:52 PM
19708	Given me hope that there's going to be change. Hope that we as a society still have a way to show our displeasure in how we are being treated. It's also made me lose even more faith in our government to act for the people in their best interest.	2/19/2022 6:52 PM
19709	Given me hope for humanity. People are joining together after all this division to speak up for our economy, for our freedom to make choices regarding our bodies and for our constitutional rights. Each one of them represent many. It has also opened my eyes to how cowardly Trudeau is. I wonder how different things may have been in Ottawa had he stepped up to his responsibilities to our Country and listened to the voices of the organizers from the start rather than hide. It has also shown me how corrupt the media is and put a spotlight on the control that the government has over what we are told.	2/19/2022 6:52 PM
19710	Given us hope, that Canada might still be saved	2/19/2022 6:52 PM

19841	Love it! This PEACEFUL FREEDOM MOVEMENT has been our ONLY hope of re-opening Canada and giving our Constitutional Rights & Freedoms back. Trudeau & his liberal caucus have imposed Martial Law by closing parliament while his only interest now in China (supposedly Olympics, hahaha). Each one of them needs to be sued PERSONALLY for the property and bodily damage his "Emergencies Act" has caused. Tax payers have, and will continue to be, punished enough financially. When the very offences he has caused were due to his orders given, the taxpayer doesn't need to be penalized more by having to pay his legal fees. At Courtts police requested 3 excavators be moved out of view of the convoy. The	2/19/2022 6:46 PM

convoy members complied; however that VERY NIGHT POLICE were given the order to "disable" those 3 machines. "Vandalized" is what they did, and the conversation with police was recorded as PROOF OF THEIR VANDALISM! Who's going to foot the bill to repair the equipment? The next night police "theoretically" seized weapons including a bullet-proof vest. Funny how none of the convoy people had any, but awoke the next morning to see a table set up showing the "seizures" police claim having made through the night. Why wouldn't common sense come to mind that truckers, farmers, and horseback riders wouldn't be packing this crap (especially a bulletproof vest?! Let's see the proof/paperwork documenting just WHO these articles belonged to! But wait.....there was an enclosed trailer stolen (nowhere in southern Alberta) which had firearms in it. Apparently reports later confirmed the trailer was found....empty! Seizing GoFundMe and GiveSendGo funds, along with all the people who have been arrested and harassed for being involved (peacefully) or donating makes it VERY clear that the tyrant calling all the shots are scrambling to get mega \$\$\$\$\$\$ from their inappropriate actions against the people of Canada.

20093	Gave me hope and made me proud to be a Canadian. Made me cry when I saw the police using force against them. I was disgusted in our government.	2/19/2022 6:33 PM
20094	It has prevented access to Ottawa and has highlighted divisions in our community.	2/19/2022 6:33 PM
20095	GOOD! we have to stand up for and fight for our rights and freedom that are GOD GIVEN to us, and the truckers know that, before Trudeau government totally destroys our Charter because he is only loyal to the Queen, not Canadians, and his world economic forum criminal friends. They are trying to kill as many people with the mandates and the MRNA Gene therapy under the guise of a vaccine and public safety, they just want to bring in the NEW WORLD ORDER.	2/19/2022 6:33 PM

20105	The Trucker convoy affected me personally because I have my class 1 drivers license and we are often stereotyped with the assumption that we are uneducated. Plus they are the only ones who are standing up for freedom and don't fit any stereotypes the media or society gives them(us). By seeing issues in person and not from gossip over social media they have a better understanding of how reality is when crossing borders. The truth must be told.	2/19/2022 6:32 PM
20106	Gives me HOPE that maybe Canada will wake up and realize that the Prime Minister and the government will be revealed for the liars, dividers, tyrants, physcopaths, power hungry inhumane people that they are. I fully respect these truckers and all of the Canadians that pooled on Parliment Hill, because they spoke for many voices across Canada. The one's that couldn't physically be there and the one's that are to afraid to speak out. They gave me hope where the government failed.	2/19/2022 6:32 PM

20240	Given hope. It has also revealed that our current government is only in place due to an unfair electoral system. He only received 30% of the popular vote and yet is our prime minister- it makes no sense. We need electoral reform and be able to vote directly for the prime minister.	2/19/2022 6:25 PM
20241	It has made me realize that our government that are supposed to care and make this country great place to live for it's its citizens a great place to be proud of, these truckers saw what was happening and decided to try and meet with OUR prime Minister to discuss these problems, and try to get him after two years of this to take off all restrictions and mandates get back to living a life we had before, But because the Prime Minister would not talk to them look what he has caused if he would have met with a few of these none violent Truckers I feel things would have ended differently, I am so proud of these Truckers as I am not a person that would take part in things like they have done they have sacrificed their lives for all Canadians , I now see what is happening to OUR country we have a Prime minister who is not happy to run this country like a Prime minister usually would he wants the power of a dictator and the direction he is going is not for the citizens but for total control so thank you all the Truckers for making me see what is really happening , You are True Canadian HEROES	2/19/2022 6:25 PM
20242	It got blown out of proportion	2/19/2022 6:25 PM

20300	Positively only. Open d my eyes to the deep corruption and Justin Trudeau's corrupt mess.	2/19/2022 6:23 PM
20301	It's given me hope that the tyranny is coming to an end. I've never been patriotic, I always thought it was silly. I'm now more proud to be a Canadian that I ever have been.	2/19/2022 6:23 PM
20302	They are hero's !	2/19/2022 6:23 PM
20303	They haven't affected my life, I'm proud of what they have started to go to the parliament to see the prime minister, which i think he is all wrong the prime minister	2/19/2022 6:23 PM
20304	Definitely opened my eyes up to the level of crazy that is out there and not in a good way. People need to calm down, the pandemic is near the end of its run -- relax	2/19/2022 6:22 PM
20305	It has made me proud to see how many truckers are against communism!!	2/19/2022 6:22 PM
20306	No bad affects essential services for two years then told do what we demand or fired very dissatisfied on government ignorance	2/19/2022 6:22 PM
20307	Give me hope for freedom	2/19/2022 6:22 PM

20315	Hope	2/19/2022 6:22 PM
20316	It's only had a positive affect on me.	2/19/2022 6:22 PM
20317	Was an inspiration to see and was glad to see that more people want there freedoms back. The PM went to far and should be taken out of the position as PM.	2/19/2022 6:22 PM
20318	Hope, togetherness, happy,	2/19/2022 6:22 PM
20319	It's nice to see happy people looking for what we lost.	2/19/2022 6:22 PM
20320	I am so proud of them.	2/19/2022 6:22 PM
20321	worry for Ottawa, children, protesters. Had friends in Ottawa. It as hard to agree on social...you were bullied.	2/19/2022 6:22 PM
20322	It has brought me hope	2/19/2022 6:22 PM
20323	Given hope that Trudeau will be forced to listen	2/19/2022 6:22 PM
20324	I want a free Canada. It's affected me mentally and physically I want and need freedom. Isolation is no way of life. Depressing. I will never trust another government. I feel so sad for the truckers and their families. This is not legal. I want all the politicians in jail for doing this to us They are all useless. I love each and every one of those protesters truckers and their families. I will never trust a policeman ever again. Look at all the damage Trudeau has done To families The jab is poison.	2/19/2022 6:22 PM
20325	First ounce of common sense in 2 years	2/19/2022 6:22 PM
20326	Give a hope for better life	2/19/2022 6:22 PM
20327	Brought a smile to my face seeing people stand up against our peace of shit priminster	2/19/2022 6:22 PM
20328	No immediate affect	2/19/2022 6:22 PM
20329	It has given me hope for a brighter future. Felt that I could breath again. Until I saw the shameful police become involved. The violence from the police has made me remember a violent relationship I had in in past. With all these heavy duty mandates. They remind me of an abusive relationship I was once in.	2/19/2022 6:22 PM
20330	I've been out at every opportunity to show my support for the restoration of our constitutional rights.	2/19/2022 6:21 PM

20340	Encouraging and gives hope for all Canadians	2/19/2022 6:21 PM
20341	They are an inspiration bringing so many people together with nothing but peace, love and unity. The hope to be free again. Thank you truckers you will be forever in my heart.	2/19/2022 6:21 PM
20342	I have felt happy that there may be an end of vaccine passports in sight. I have felt happy that we can all go back to normal	2/19/2022 6:21 PM
20343	Last chance of faith hope and our God given rights and watching the videos it was cheerful to my heart we either win in our last day standing or we lose and I'll get worse than what Trudeau's already done	2/19/2022 6:21 PM
20344	Pride	2/19/2022 6:21 PM
20345	Improved it for freedom.	2/19/2022 6:21 PM
20346	Just called lawyer has brought me great hope, for a brighter future, and a country where our children will grow up knowing the same freedoms that we did	2/19/2022 6:21 PM
20347	It's opened my eyes to Justin Trudeau's exploitation of Canada and it's citizens. And his complete lack of morals and good judgement. There is no end to his corruptness.	2/19/2022 6:21 PM
20348	It's giving me hope that my children and grandchildren may have the same freedom I once had.	2/19/2022 6:21 PM
20349	no way--support them 100%	2/19/2022 6:21 PM
20350	A house for those of us that want change. Restoring humanity in a sense. They stayed peaceful.	2/19/2022 6:21 PM
20351	It has affected my life only in the way that Justin Trudeau called anyone who supported it racist and that they don't believe in science. I supported peaceful protesting of the convoy. Now amongst my peers their outlook of me has changed and that affects me professionally and personally. I am constantly judged and feel quite alone in my thoughts. But if those words weren't said. The trucking convoy would not affect me in a negative way. It would sadden me (that people felt it was necessary and the problem wasn't being addressed) but otherwise in day to day essential living it would be ok.	2/19/2022 6:21 PM
20352	Given us hope. 2 years of trying to advocate for our right to choose what we inject into our body has accomplished nothing except being labelled and discriminated against. 2 years of emailing and calling politicians, nothing in response.	2/19/2022 6:21 PM
20353	It's given me a sense or a glimmer of hope where there otherwise is none. These people by standing up to this are doing the rest of us a great service, even those who don't know this to be true, and anyone who complies is breaking the same international laws and in violation of our charter just as our government is! Non compliance is our civic duty!	2/19/2022 6:21 PM
20354	Some of my friends who are truckers can't work because of mandates. It's wrong you have to have this in order to work.	2/19/2022 6:21 PM
20355	For way too long. Move on	2/19/2022 6:20 PM
20356	It hasn't	2/19/2022 6:20 PM
20357	Given me hope!	2/19/2022 6:20 PM
20358	Uplifted it a lot, a hapless dictator showed up.	2/19/2022 6:20 PM
20359	I am happy that someone's finally standing up to this BS. I think that the government should be thrown in jail... trudeau and all involved in his tyranny. Disgusting behavior. Feel sorry for the truckers. Especially the lady trampled to death by the police at Trudeau's direction. Jail trudeau!	2/19/2022 6:20 PM
20360	Gave me great hope and joy. It has united Canadians like never before in history. Very thankful for their courage. Proud to be a Canadian once again. I am not proud of our leader.	2/19/2022 6:20 PM
20361	Finally gave me hope that somebody is doing something to fight for our freedoms	2/19/2022 6:20 PM
20362	Tax dollars spent for police and supply chain needs. Otherwise I don't listen to those clowns	2/19/2022 6:20 PM
20363	Exposes the dictator Trudeau wants to be. Arresting peaceful veterans at the War Memorial is disgusting. I now have ZERO respect for RCMP or OPP	2/19/2022 6:20 PM

20364	It has given hope where all hope was lost and improved my mental health and that of my families and many friends significantly	2/19/2022 6:20 PM
20365	Hasn't but thankful what they are doing for our freedom	2/19/2022 6:20 PM
20366	It hasn't. They're a saving grace of voicing freedom and democracy.	2/19/2022 6:20 PM
20367	For the first time in two years, there was a glimmer of hope. This movement has made me feel like I'm not alone and that there are other people who feel the same way as I do.	2/19/2022 6:20 PM
20368	It has not effected me or many people in our area. There was a shortage before the truckers convoy started. I had ordered a micro wave from Leon's in Sept. I still have not received it and they told me that it is back ordered and don't know when arrival date will be. Do not very much can be blamed on convoy	2/19/2022 6:20 PM
20369	As of now it hasn't been hard to get food and things we need in our town . They have given me hope, that there are still people in this world that have compassion for other people and our country and are ready to do whatever it takes to give us back our freedom.	2/19/2022 6:20 PM
20370	In positive ways, hope for a more free Canada.	2/19/2022 6:20 PM
20371	They have brought hope to mine and my family's life and future	2/19/2022 6:20 PM
20372	They have showed me that there are people that are still willing to do the right thing.	2/19/2022 6:20 PM
20373	Gives encouragement	2/19/2022 6:20 PM
20374	Given hope, and happy to see Canadians standing up for their God given rights.	2/19/2022 6:20 PM
20375	I am happy and I feel like we will get our life back. I can visit family. Hopefully I will get more work and my airbnb will be busy again.	2/19/2022 6:20 PM
20376	Made me believe in Canadians again	2/19/2022 6:20 PM
20377	I support them, not blocking the boarder crossings, but I support their rights to protest, I believe in what they're doing. This emergency act our Prme minister has enacted is wrong.. His words are disrespectful to normal Canadian citizens. I will not be voting liberal again, unless Trudeau is removed from office, he is a disgrace to our country..	2/19/2022 6:20 PM
20378	Gave me hope	2/19/2022 6:19 PM
20379	It has moved me to see how Canadians came together to get heard, support from our fellow Americans has brought comfort. There's is no reason the PM couldn't have dialogue with Canadians . He keeps taking about transparency, equity, but he has brought some much division and much discrimination. All MP, MPPs should vote absolutely NO for the Emergency Act!!	2/19/2022 6:19 PM
20380	Made me proud to be a Canadian again. If treaduea does not step down I'm done being a Canadian.	2/19/2022 6:19 PM
20381	Not at all except I spend more time on social media looking for what is going on. I support them whole heartedly. We need to stand up to #TrudeauTyranny in any way we can.	2/19/2022 6:19 PM
20382	The convey has given people hope and the power to unite. The staple inwhich Canada, and the rest of the world should stand up for. FREEDOM. The ability to excersise our born rights! If I could, I would be with the convey right now. Standing up for what is right and not worrying about whether or not people are vaccinated. I have learned the increased values of understanding true rights and freedoms. We need to stand up together and do what is right. Use our voices. Use our rights. The power is, and should be, in the people's hands. FREEDOM!!!	2/19/2022 6:19 PM
20383	Has not really. seems like it is making some of the government officials think	2/19/2022 6:19 PM
20384	Give me hope for freedom from the Dictator Justin Trudeau stupid mandates	2/19/2022 6:19 PM
20385	They just wanted to be heard. I was there. Just love and happiness in Ottawa. Then our PM had to make it ugly.	2/19/2022 6:19 PM
20386	It has given me hope for freedom in Canada	2/19/2022 6:19 PM
20387	It has made me realize that the federal government is not there for the regular folks it is there for corperate interests only and by the outright attack in good working class free humans thar	2/19/2022 6:19 PM

they have done it is ever so visible now. I greatly appreciate what this movement has started and u hope and pray that we will come out on top of this. I pray for those who have suffered under this violent regime and fod those who have been affected by this mma experiment that has been unleashed onto us. I support this movement while still undecided on the convoy due to some of the rhetoric that ive heard throughout. I am not for violence or coercion and im all for peace all through the population.

20388	Made me proud to be Canadian again.	2/19/2022 6:19 PM
20389	Not at all	2/19/2022 6:19 PM

20391	Not at all	2/19/2022 6:19 PM
20392	I can see some hope. I can see the struggle that people have gone through. It has shown me how out of touch our government really is	2/19/2022 6:19 PM
20393	It has given me hope that people still believe in freedom.	2/19/2022 6:19 PM
20394	H O P E ! and daily tears of soulful joy at the worldwide solidarity touching the deepest realms of our humanity having been so long deprived of true freedom ... it goes back much farther than lust the last tow years ! It is an uprising of humanity at it's finest for one of the finest causes that humanity can rise for !	2/19/2022 6:19 PM
20395	It hasn't directly but it has shone a light on the fear we all ought to have for the degree of control the government can wield over our lives and finances without notice. It is truly terrifying.	2/19/2022 6:19 PM

20402	Inspired, drove to Ottawa to see for myself and I felt unity and pride	2/19/2022 6:18 PM
20403	Give me hope from tyranny	2/19/2022 6:18 PM
20404	Just brought it more too late it's CBC and CTV are full of shit	2/19/2022 6:18 PM
20405	Breeze on way to get freedom back	2/19/2022 6:18 PM
20406	Given hope, that others are experiencing the same not just me. Watching them be brutally assaulted by our police makes me sick.	2/19/2022 6:18 PM
20407	Hope. Sense of community and togetherness. Mostly hope for our country.	2/19/2022 6:18 PM
20408	It was disappointing to see that it had to reach this point and go this far in order to be heard, respected, appreciated, honoured and valued. It was truly upsetting to see how the truckers protesting were being treated and threatened to cooperate.	2/19/2022 6:18 PM
20409	It's given hope that change is possible	2/19/2022 6:18 PM
20410	Inspiring	2/19/2022 6:18 PM
20411	Encouragement and hope for my rights and freedoms. Veterans in ww1 and ww2 fought to obtain. We are losing them.	2/19/2022 6:18 PM
20412	It gave me hope for the first time in two years and I applaud them for standing up for freedom when so many have not. As other countries are removing all mandates Trudeau imposed another draconian mandate on truckers when they sit in their rigs and sleep in their rigs and have been bringing us everything we need for two years without vaccine mandate to cross border. I wonder what science other countries are using, and provinces except BC and NFLD	2/19/2022 6:18 PM

and LB... I want the science other countries and premiers are using not what B, Henry and Trudeau are using.

20416	The truckers convoy give me hope again	2/19/2022 6:17 PM
20417	Not directly, but the Emergencies Act is deeply concerning	2/19/2022 6:17 PM
20418	It hasn't they need to hold the line. All Mandates need to end today. Trudeau needs to be fire and fined	2/19/2022 6:17 PM
20419	They are wanting all this tyranny to end as do I. They are hero's & viewed as such globally	2/19/2022 6:17 PM
20420	Blocking traffic	2/19/2022 6:17 PM
20421	Gave me hope	2/19/2022 6:17 PM
20422	It has not impacted my life directly	2/19/2022 6:17 PM
20423	It made my heart swell with pride that they cared so much about Canada to do this convoy protest. I am sickened and embarrassed by the way our government has reacted to this protest. Trudeau is a coward and should be removed from office immediately. He does not represent the people of Canada.	2/19/2022 6:17 PM
20424	Hope, encouragement, sense of patriotism, unity, and love	2/19/2022 6:17 PM
20425	In a very positive way! United Canadians from all cultures, religions etc!	2/19/2022 6:17 PM
20426	Brings my spirits up	2/19/2022 6:17 PM
20427	I am proud to be Canadian. They returned a hope to us that we have a normal life again,that we will have a freedom.	2/19/2022 6:17 PM
20428	Gave me hope and made me feel a proud Canadian again.	2/19/2022 6:17 PM
20429	It has brought me hope and lots of people around me, they make me proud to be Canadian, unlike our prime minister	2/19/2022 6:17 PM
20430	It has made me proud to be Canadian!	2/19/2022 6:17 PM
20431	although I support the reevaluation of this governments role(far over exceeding the populations intention in electing a government).I think it is causing everyone to better consider what their function is .I think the government has forgotten that their purpose is to represent their constituents and not not to simply be full filling what best serves their individual interests .Further there needs to be a conversation about how to regain the confidence and representation of the entire country .This government has done everything in its power to devide the east and the west. I do not agree with the convoy function in the damage that it did economically to the entire country	2/19/2022 6:17 PM
20432	On a personal level, none. But products have become none or few and prices of everything has skyrocketed. It's time to shut them down! Oil pipeline must continue for workers suppliers and end users...everyone. Enough is enough.	2/19/2022 6:17 PM
20433	It has seemed to have been making a difference	2/19/2022 6:17 PM
20434	Made me realize that the mandates were unnecessary and never yielded the results expected. Except for negatively impacted socially, psychologically and economically.	2/19/2022 6:17 PM
20435	A community of people who are proactive and peaceful, demonstrating how to stand up against tyranny. How to politely state that they are not in favour of these mandates, and to come together as a community for the betterment of our country. It is NOT just truckers; it human mind trying to tell our leaders that we do not accept their decision and are asking for a different way. People in general are asking for a compromise; to talk; to negotiate; to work together!!	2/19/2022 6:17 PM
20436	It has given me hope that Canadians still have love for our country. It has shown me that I was not alone in feeling like we are not free in our own country.	2/19/2022 6:17 PM

20456	They are standing up for fellow Canadians. I support them 110%	2/19/2022 6:16 PM
20457	It's shown me how many people see how shitty these mandates are and gave me some hope that something will finally change	2/19/2022 6:16 PM
20458	Gives hope . Brings us altogether in one voice and shows the whole world that JT is a Dictator.	2/19/2022 6:16 PM
20459	I love the convoy!! They are awesome	2/19/2022 6:16 PM
20460	It has revealed the depth and extent of government abuse of power and demonstrated how the will of the people mean nothing to a tyrannical leader and puppet media. It has also shown how widespread the frustration is within the population. It further demonstrates how our PUBLIC SERVANTS disregard their duty and view us as their GOVERNMENT SERVANTS!	2/19/2022 6:16 PM
20461	Given me some hope.	2/19/2022 6:16 PM
20462	So encouraging to see them give there time to stand up for what is right.	2/19/2022 6:16 PM

Canadians vote on Canadian Mandate - February 2022

leadership he has no right to be prime minister and needs to be removed ASAP because he is the death of us all

20469	They started out with demands on vaccines for border crossing. However, it grew to demanding all mandates be dropped.....to wanting the government overthrown. Daily news. They took away business downtown.....stores & downtown shopping centers. They scream for freedom but take it away from others. It is an occupation & siege now! Huge pollution of air with that many trucks running! They overdid it. I was on their side at start but not anymore!	2/19/2022 6:15 PM
20470	Hope for freedom	2/19/2022 6:15 PM
20471	It's given me hope.	2/19/2022 6:15 PM
20472	Made me proud to be a Canadian again Proud of the people fighting for our freedom	2/19/2022 6:15 PM
20473	Given me hope that all is not lost for Canada.	2/19/2022 6:15 PM
20474	Shows freedoms of speech and no one can stop you	2/19/2022 6:15 PM
20475	Uplifting, giving me hope.	2/19/2022 6:15 PM
20476	Gave me hope	2/19/2022 6:15 PM
20477	Brought some hope and some truths to light.	2/19/2022 6:15 PM
20478	It's giving Canada hope to become a free country	2/19/2022 6:15 PM
20479	It gave hope that government will finally start listening to people in Canada and start understanding that it is wrong to force people take vaccine or loose your job this is horrible	2/19/2022 6:15 PM
20480	It has given me HOPE for our future that we mat be treated as the adults that we are and let us make our own decisions instead of treating us as children and restricting us which goes against the Charter of Rights and Freedoms!	2/19/2022 6:15 PM
20481	The awareness of a loud obnoxious fringe of the population misunderstanding entitlement vs oppression is annoying.	2/19/2022 6:15 PM
20482	Given me hope for our future and empowered me to fight to bring down this corrupt government and it's other corporations	2/19/2022 6:15 PM
20483	It has given me some education about what is actually happening in my government. I am saddened where my country is headed	2/19/2022 6:15 PM
20484	Shocked at PM mistreating Canadians who should have had a voice in Ottawa. Shame	2/19/2022 6:15 PM
20485	It has given us HOPE . It has brought back PRIDE . They make me PROUD to be Canadian.	2/19/2022 6:15 PM
20486	Made me feel hopeful that unnecessary restrictions, for a health concern that 99% of people survive, will end. We cannot save everyone just ask the vaccinated that are now leading the infections.	2/19/2022 6:15 PM
20487	Very positively. It gives me hope.	2/19/2022 6:15 PM
20488	They only started a common need of Canadians	2/19/2022 6:15 PM
20489	Inspired hope	2/19/2022 6:15 PM
20490	I'm for it. They have to speak out for their jobs and livelihood. Someone has to speak out against tyranny and the taking away of the rights we have as Canadian citizens, paid for by the blood of our armed forces who gave their lives to preserve our freedoms.	2/19/2022 6:14 PM
20491	Given me hope	2/19/2022 6:14 PM
20492	I saw it give so many around me hope that there could be an end.	2/19/2022 6:14 PM
20493	It has affected me in a very positive way. It has showed me what a dangerous power hungry Prime Minister we have. It has showed me he would rather invoke this emergency act instead of trying to meet with the truckers to solve these issues and mandates. It has showed me how corrupt our government and the media are. My rights and freedoms as a Canadian are being stolen. Its a fundamental right for a women to have an abortion because no one has the right not the government nor a doctor to say no because its her body. I have the fundamental right to say no to a vaccine that I feel is not safe and not be punished for it.	2/19/2022 6:14 PM

20494	Hope	2/19/2022 6:14 PM
20495	Sence of hope..	2/19/2022 6:14 PM
20496	It hasn't, other than giving me hope of positive change.	2/19/2022 6:14 PM
20497	Gave me hope for my childrens and grandchildrens future.	2/19/2022 6:14 PM
20498	It has united the world. It gives me hope that we can be a free country again.	2/19/2022 6:14 PM
20499	It brought me hope	2/19/2022 6:14 PM
20500	I'm a trucker myself and I support them 150%	2/19/2022 6:14 PM
20501	It has been uplifting and patriotic to see how this has made the world come together to keep our human rights!	2/19/2022 6:14 PM
20502	The trucking convoy actually gave me some hope but seeing what the outcome of that was I lost all hope again, I've come to realize that working class people are nothing compared to our government and that democracy in Canada is over!	2/19/2022 6:14 PM
20503	Our Premier in SK has lifted all mandates!! Thank the Truckers! Let's just hope it lasts!!! Still hoping international travel mandates will be lifted so I can see my sister and her family again!	2/19/2022 6:14 PM
20504	In no way. This is a peaceful protest.	2/19/2022 6:14 PM
20505	They have provided a sense of hope to getting our freedoms back and the ability to live our lives freely once again.	2/19/2022 6:14 PM
20506	It has been wonderful seeing for the first time so many Canadians joining together for the love of this country! I have never seen so much Canadian flags in my life! It also brought to life what kind of person our prime minister is and how all he wants is to be a dictator like China! All the truckers wanted was a conversation and he couldn't even do that. Then he called THEM racist! Mr blackface himself! He is a disgrace!	2/19/2022 6:14 PM
20507	They encouraged me to know that our "fringe minority" might be the majority. But the way the authorities are handling it is insane! I lost all faith and trust in auroity	2/19/2022 6:14 PM
20508	No affect!!!	2/19/2022 6:13 PM
20509	It hasn't, but I do feel bad for them. I think their goals were honest and true and I can't believe the PM wouldn't even have a discussion. They just want to be heard. Very disappointing	2/19/2022 6:13 PM
20510	It's made me realize that our freedom has been taken away	2/19/2022 6:13 PM
20511	Theyve supported me 100 percent	2/19/2022 6:13 PM
20512	It was way past time someone did something. So very proud of the truckers ♥ Got Canada going on the right path and some countries of the world! The whole world needs to get on board. Thankyou SO SO much truckers and anyone able to come out for support. I will never forget. Prayers for you all ♥♥♥	2/19/2022 6:13 PM
20513	Hasn't go truckers	2/19/2022 6:13 PM
20514	- It gave me hope that their peaceful manifestation would bring on some changes from this unstable government. - It gave me hope to see unity within the country and the support they were receiving! - The measures taken by our prime minister showed just how much of a mediocre leader he is ... dividing even more the country instead of trying to unify it!	2/19/2022 6:13 PM
20515	None	2/19/2022 6:13 PM
20516	The convoy has given me hope that we can get back to what life was like 2 years ago. It is amazing how they have Brody this country together again. I PM and Premiers have tom this country apart.	2/19/2022 6:13 PM
20517	Gave me hope.	2/19/2022 6:13 PM
20518	I was inspired and given hope. Disappointed with the border blockades and some view points of individuals like Pat King. However at this point I do feel that they need to step back from further inflaming the situation as Trudeau is going to secure more power than we can recover from. We need to fight with bigger eyes and realize this convoy is actually giving him what he wants.	2/19/2022 6:13 PM

Canadians vote on Canadian Mandate - February 2022

20519	My weekends is set aside to support this. And I will never ever stop. Our freedom is a right and I'm not giving up...EVER, until they are ALL GONE AND ENDED	2/19/2022 6:13 PM
20520	Gave me some hope - I lost the ability to fight so I'm happy some didn't	2/19/2022 6:13 PM
20521	Hasnt	2/19/2022 6:13 PM
20522	No actual affect, other than the hope that maybe the government will have to develop a better plan to manage this mess that they have caused.	2/19/2022 6:13 PM
20523	Gave us hope. All good with them.	2/19/2022 6:13 PM
20524	Showed how canadian's stick together	2/19/2022 6:13 PM
20525	It gives me hope	2/19/2022 6:13 PM
20526	Brought hope that change could occur	2/19/2022 6:13 PM
20527	The increase of prices & availability of goods.	2/19/2022 6:13 PM
20528	Restored faith in Canadians coming together/uniting in love and respect.	2/19/2022 6:13 PM
20529	Gives me hope	2/19/2022 6:13 PM
20530	Truthfully it has saved my life. I was out of hope. Completely exhausted. I run a business supporting others and to have to inspire them to hold on as it will all get better was draining me until the truckers decided to stand for our basic rights of freedom. Every single day since this "plandemic" began some one has broken down. If I wasn't financially beat by our government I too would have been standing in Ottawa.	2/19/2022 6:13 PM
20531	Ils nous ont redonné espoir en la justice, en la liberté. Ils nous ont permis de reprendre contact avec l'être humain, de sentir que nous faisons partie d'une nation, qu'être Canadien c'est beau et puissant. ... chose que l'on n'a pas du tout senti venant de Monsieur Trudeau avec le fait qu'il n'a aucunement voulu entendre "la frange de société marginale" à sa vision à lui. Il n'a plus sa place au sein du gouvernement, car il n'écoute plus son peuple. Les Truckers ont écouté le peuple, des vrais patriotes.	2/19/2022 6:13 PM
20532	Positivly! Slowing the cracks of false leader ship of this country. Trudeau is a lying dicator who has the media and cbc in his pocket and is using this to gain more control and divide canada	2/19/2022 6:13 PM
20533	It has given me hope for the first time in two years	2/19/2022 6:12 PM
20534	Given me hope that the mandates might one day end.	2/19/2022 6:12 PM
20535	Positively	2/19/2022 6:12 PM
20536	It has put back love in my heart and peace It has reunited many families including mine gave us hope and gave us will to live again	2/19/2022 6:12 PM
20537	It's given me hope for the 1st time in 2 years.	2/19/2022 6:12 PM
20538	It's exposed how the politics of fear and division are destroying good governance. No one is doing any realistic reassessment of policies to ensure they are necessary and the least restrictive measure. The Truckers Convoy has exposed the Liberal and NDP MP's as wildly unfit for their positions. That the BCCLA CCLA and the CCF are in agreement with the Bloc and Conservative parties on the unjustified use of the EMA speaks volumes.	2/19/2022 6:12 PM
20539	Not at all... other than maybe shortages in the stores... but I believe that to be in relation to the closure of many of the suppliers... not transport.	2/19/2022 6:12 PM
20540	In every way. Even my children. Please end this.	2/19/2022 6:12 PM
20541	The Covoy has brought hope to many, and has been a platform to expose the deceptive and tyrannical nature of our current government. They have been a voice to many, and doing so peaceably. Justin chose a very poor opponent to attack and use his smear tactics on. Truth is coming out and lies will be exposed.	2/19/2022 6:12 PM
20542	It has given me hope that the lies of our PM & his team of other deceptive politicians will be exposed!	2/19/2022 6:12 PM

20549	Give confidence that the government would have listen. Helps me to rectified my beliefs that the government is authoritarian. Proved the government was not basing any decision in science but in politics and it's own benefit.	2/19/2022 6:12 PM
20550	The LOVE of FREEDOM	2/19/2022 6:12 PM
20551	It's embarrassing.	2/19/2022 6:12 PM

20554	Inspirational and that we may restore our freedoms and democracy in Canada again.	2/19/2022 6:11 PM
20555	I live in the asshole of Canada. Thunder Bay Ontario. How could a convoy of trucks bother me. Poor people freezing on the streets because they are homeless bothers me. Seeing our kids dying of drug overdoses because of lack of employment , education and hope bothers me. How can a bunch of truckers fighting for their beliefs raise my ire	2/19/2022 6:11 PM
20556	It gave me hope and pride in being a Canadian again. The feeling of oneness. It is an amazing thing tha is changing the world and freeing us	2/19/2022 6:11 PM
20557	It inspired me and gave me hope that Canada would come out from grip of tyranny	2/19/2022 6:11 PM
20558	It has given me hope.	2/19/2022 6:11 PM
20559	We support the truck convoy they are fighting for everyone's freedoms. Vaxxed and unvaxxed. We can't live in a world where there are mandates to get vaccinated or else. It's wrong on so many levels	2/19/2022 6:11 PM
20560	made me proud to be a Canadian and know there's people who care not the political bull in Ottawa	2/19/2022 6:11 PM
20561	Lack of supplies	2/19/2022 6:11 PM
20562	We have not travelled to iur Ottawa apartment. We are waiting for parts for our vehicles and the convoy caused stress and anxiety when walking around.	2/19/2022 6:11 PM
20563	The trucker convoy is inspiring and it is speaking on my behalf although I will stand and have my voice heard also, but the convoy has been heard world wide.	2/19/2022 6:11 PM
20564	Brought hope to be Canadian again. Freedom of choice	2/19/2022 6:11 PM
20565	It has given me and my family hope that things might be changing for the better. We feel that we are not alone in this horrid mess that is called a 'pandemic'. It has brought us closer to our fellow Canadians and proud to see the outpouring of love, kindness and goodwill, despite what the mainstream media portrays.	2/19/2022 6:11 PM
20566	Hope	2/19/2022 6:11 PM
20567	Hope	2/19/2022 6:11 PM

20569	Give me hope	2/19/2022 6:11 PM
20570	Given me hope that I will not live in a dictatorship where the Prime minister mandates the citizens of his country to get harmful vaccines for personal financial gain and for the financial gain of pharmaceutical companies.	2/19/2022 6:11 PM

20626	It has given me hope that common sense and actual science will prevail.	2/19/2022 6:08 PM
20627	It has brought a light to the marks us a gender in the Canadian government and the Trudo regime to the great reset programs and to demonstrate to the world what a tyrant we have as a Prime Minister he's brought shame and disgrace upon Canada and violated our Constitution and our rights and freedoms	2/19/2022 6:08 PM
20628	I have hope I support them 1000% But watching what those criminals call cops are doing to those beautiful people makes me sick to my core and the PM has to go or Canada I'd doomed	2/19/2022 6:08 PM
20629	Not one bit just opened my eyes as what is going on with our overpowered government if he wants communism and dictatorship move to the countries that have it my opinion	2/19/2022 6:08 PM

20633	Given me hope that this will all finally end.	2/19/2022 6:08 PM
20634	It has made me more aware of how the government is taking our freedom away to decide for ourselves	2/19/2022 6:07 PM
20635	Has not effected my life. I am happy they are out there fighting for all of us Canadians	2/19/2022 6:07 PM
20636	The trucker convoy has given me hope and restored faith in Canadians.	2/19/2022 6:07 PM
20637	It has encouraged me that there are some that have not drunk the mad dictators' across the world koolaid...none of whom actually followed their own mandates but always apologized when caught...while the rest of us get to go to jail The government had imprisoned a pastor under horrendous conditions merely to satiate the ego of a premier that isn't qualified to run a Sunday school picnic. And now that same premier has thrown his lying chief medical officer under the bus in order to absolve himself of blame while she goes to court.. This stinks to high heaven and it is time to stop it and charge those sock Puppets that act as legislators who enacted this garbage and made money from it. These convoys and those who are going to follow them into battle are heroes...facing down dictators who know nothing about unity.	2/19/2022 6:07 PM

20644	It gave me at least a small degree of HOPE!	2/19/2022 6:07 PM
20645	In Ottawa, they have restored my faith in Canada as a country. My faith in seeing that people can unite together, all love one another, take care and support each other. They brought various nationalities to stand together as one and proved that Canada can protest in peace and solidarity. The people and truckers kept Ottawa clean and no harm was done to anyone during the protest prior to the invoked Emergency Act and police officer presence.	2/19/2022 6:07 PM

20690	It is heartbreaking to see how our government is handling it. That kind of stuff isn't supposed to happen in Canada.	2/19/2022 6:05 PM
20691	Not at all. They are there in the name of freedom.	2/19/2022 6:05 PM
20692	They were the heroes in the beginning of the pandemic now they are called all kind of names WAKE UP CANADA	2/19/2022 6:05 PM
20693	The trucking convoy has not disrupted the supplies that I require for day to day living.	2/19/2022 6:05 PM
20694	In a positive way, they are brave and courageous enough to fight for our basic human rights	2/19/2022 6:05 PM
20695	I felt there was hope again and a sense of unity. Not so much today.	2/19/2022 6:04 PM
20696	Made me feel there is hope for Canada	2/19/2022 6:04 PM
20697	It brought hope	2/19/2022 6:04 PM
20698	I can't judge them for fighting for bodily autonomy. CBC lies and Trudeau's insulting portrayal has caused awful division and ugliness where there are all POC represented at the convoy. They want the right to choose what goes into their bodies and the government has ZERO jurisdiction over people's own bodies. But, the government believes they own the people. So, I can't judge the convoy for standing against that notion.	2/19/2022 6:04 PM
20699	No negative affect at all. Renewed hope to take back Canadian human rights	2/19/2022 6:04 PM
20700	It's been amazing and given me hope	2/19/2022 6:04 PM
20701	I am tired of watching the news and the media glorifying a bunch of terrorists. I don't think those truckers have a clue and are just a bunch of hoodlums that want to raise shit.	2/19/2022 6:04 PM
20702	They gave me hope for the future and in humanity again	2/19/2022 6:04 PM
20703	I am heartbroken to see how our narcissist, self-Centered PM has refused to even so much as hear what the truckers' very legitimate demands are. Not only has he insulted them in the most vile language, he has now engaged in crass violence against them. Trudeau and his liberal cabinet are a disgrace to all Canadians. I pray that these humble truckers may be given the courtesy of being heard. Their resilience and peacefulness has been nothing short of EXTRAORDINARY!	2/19/2022 6:04 PM
20704	People coming together to put a stop to the covid stuff so grateful for thoses fighting for our freedom	2/19/2022 6:04 PM
20705	It made me happy knowing that they are standing up for our rights. We have the right to choose what we think is right. The government shouldn't be pushing this onto us. It's not right. Go truckers!	2/19/2022 6:04 PM
20706	it hasn't. it brought hope back to life itself	2/19/2022 6:04 PM
20707	They are standing up for our charter. That's says enough	2/19/2022 6:04 PM
20708	Only brought the attention of the mandates to the forefront	2/19/2022 6:04 PM
20709	They represent our voice	2/19/2022 6:04 PM
20710	Disrupted my life.	2/19/2022 6:04 PM
20711	Brought hope to me by unifying a divided country by the fascist Trudeau government.	2/19/2022 6:04 PM
20712	A wonderful and powerfully uplifting experience	2/19/2022 6:04 PM
20713	The trucking convoy has affected my life positively. They chose to stand up and be a voice for the ones who are afraid to speak up. I feel proud to be Canadian again because of the Convoy. They bring hope. Maybe I can enjoy a the last few years of my twenties how they should've been spent in the first place. Free.	2/19/2022 6:04 PM
20714	Shown some hope, made clear the governments true goal for the mandates is less and less about the virus and controlling spread but controlled people	2/19/2022 6:04 PM
20715	Woke me up that I'm not alone for the fight of freedom that we all have our choices especially	2/19/2022 6:04 PM

20721	Gave great hope early on, shown a division which the premier made worse! Highlighted how the media spins things for political gain, disheartened with how the premier would not even meet with and call so many people Racist and Nazi's for supporting something strangling our freedom and crushing our nations pride of unity and loyalty and hope and trust	2/19/2022 6:03 PM

20735	It hasnt	2/19/2022 6:03 PM
20736	Has made me once again proud to be Canadian	2/19/2022 6:03 PM
20737	To be honest. The last 3 weeks have been inspiring. To see Canadians come together over such a small group that most of us didn't belong to. I'm no anti-vaxxer , I have had the double shot. But the second this pandemic began spreading and Between the vaccinated and unvaccinated equally no longer became a community choice and became a personal choice the government should respect that without forcing you to shut down your life if you choose not to get vaccinated. If the vaccines protect then people should have the right to protect themselves if they choose to.	2/19/2022 6:03 PM
20738	Not in any negative ways.	2/19/2022 6:03 PM

20750	They have given me hope. The people of Canada's freedoms have been taken away. There is evidence that the vaccines do not work for the Omicron yet we still have restrictions. 20816	I am a trucker proud of them for standing up to the idiot prime minister	2/19/2022 5:59 PM
20817	Showed me we live in a communist regime and can't trust government or police	2/19/2022 5:59 PM
20818	Added a lot of daily stress	2/19/2022 5:59 PM
20819	It's been a positive morale booster. Starting to see how many others are in agreement of the govt overreach.	2/19/2022 5:59 PM
20820	Given hope	2/19/2022 5:59 PM
20821	It has provided a glimmer of hope, finally someone a group of someone is speaking up against all of this WRONG!	2/19/2022 5:59 PM
20822	It has not, other than hope for a free country again! Why are you not looking into Trudeau owning stock in Pfizer?	2/19/2022 5:59 PM
20823	Finally gave me hope and something to believe in after two years of horror!	2/19/2022 5:59 PM
20824	Giving me hope	2/19/2022 5:59 PM
20825	Met a lot of nice people	2/19/2022 5:59 PM
20826	No affected	2/19/2022 5:59 PM
20827	Positively - has given us hope	2/19/2022 5:58 PM
20828	Hope, it's given me HOPE	2/19/2022 5:58 PM
20829	Gave me hope again after years of loss in every way. Being a Canadian over the last while I haven't felt very proud or happy to live here. The truckers gave me/us that spark of hope again to be Proud to be a Canadian.	2/19/2022 5:58 PM
20830	Inspired me to think Canadians were willing to stand up against tyranny. for the rights & freedoms for ALL Canadians. It's not just about Vax mandates/passport RQ.	2/19/2022 5:58 PM
20831	It has given me hope!!	2/19/2022 5:58 PM
20832	It has brought hope and sanity back into this country	2/19/2022 5:58 PM
20833	Given me Hope	2/19/2022 5:58 PM
20834	This is the working class having been pushed to far, and the response demonstrates how incredibly out of touch left wing politics and wealthy Canadians have become with regular Canadians. The convoy has given the first push back after two years of disregard for anything other than the narrow fixation on COVID. I do not necessarily agree with everything that has happened around them, but it has become a movement to show some pushback where the Canadian political opposition has failed repeatedly.	2/19/2022 5:58 PM
20835	Has given me hope.	2/19/2022 5:58 PM
20836	Brought back hope	2/19/2022 5:58 PM
20837	It gives me hope that we can get our Canada back. It has actually brought many people together, strangers helping each other, supporting each other. For me it feels like it has brought back who Canadians are, giving hope and helping some of those businesses there stay in business as many were close to shutting their doors. And lastly it is showing the world the kind of person Justin Trudeau is!	2/19/2022 5:58 PM

20839	Made me more aware of what is going on and the lies that have been told to us. It has brought back life to my soul	2/19/2022 5:58 PM
20840	Glad they did it to stand up for Canadians freedom and rights.	2/19/2022 5:58 PM
20841	The trucking convoy has given me a voice. I don't think I would have had a voice otherwise.	2/19/2022 5:58 PM
20842	Differences in opinions with family and friends. People are against each other. A lot of people need to know the truth of what's happening.	2/19/2022 5:58 PM
20843	I support the freedom of choice	2/19/2022 5:58 PM
20844	It hasn't.	2/19/2022 5:58 PM
20845	It has helped me to be proud of being a Canadian again.	2/19/2022 5:58 PM
20846	It has given hope for an end to the lies, restrictions and mandates that our government has put on our lives. The truckers stand for Unity and a chance to make our lives whole again. They are brave souls and I commend them for what they have sacrificed for the good of all Canadians.	2/19/2022 5:58 PM
20847	It has given me hope to look towards a brighter future. It has brought Canadians together for the first time in two years. It makes me feel proud to be Canadian	2/19/2022 5:58 PM
20848	It has brought hope and stirred courage. It has restored a sense of unity and comraderie among Canadians.	2/19/2022 5:58 PM

20858	It has not	2/19/2022 5:57 PM
20859	Not at all except to bring God, pride and joy back into our nation for the past three weeks. It has been beautiful to see love and unity amongst Canadians no matter what their status for the first time in two years, as Trudeau has only promoted segregation and division amongst Canadians for the past two years all because of a personal medical choice we need to make for our selves as it is our bodies and nobody else's.	2/19/2022 5:57 PM
20860	It has not affected my life.	2/19/2022 5:57 PM
20861	Didn't affect me	2/19/2022 5:57 PM
20862	Embarrassed watching Canadian privileged white people complain that they have no freedom but can dance around and terrorize others at their will. And to clarify I'm white.	2/19/2022 5:57 PM

20869	Proud to be Canadian	2/19/2022 5:57 PM
20870	It Made me realize that the Trudeau government wants to control our lives Because of the truckers I'm a proud Canadian wanting my rights and freedoms that I always took for granted Increased and multiplied my long standing respect for truckers The convoy showed that there are some willing to risk all for the benefit of the nation These people were unsung hero's and now must be viewed as true hero's It has given me hope we may get someone in Ottawa that truly understands and cares for the working man In my 70+ years of living and working in Canada did I not expect to see the general population having to rise up against the federal government in order to keep their/our freedom	2/19/2022 5:57 PM
20871	Not at all	2/19/2022 5:57 PM
20872	It hasn't	2/19/2022 5:57 PM
20873	Brought hope, love and unity back to my life and my children's life.	2/19/2022 5:57 PM
20874	The Canadian Freedom Truckers are the well sung heroes of all of Canada and of the entire world. They put Freedom back on the map and inspired the free peoples of the entire world to follow suit in their entirely peaceful protest for all of our inherent birth rights and freedoms that are not and can never be granted or withheld by one tyrannical regime or another. They are granted us by God Source. As in Prime Creator. And they are ours to keep. So Bravo Freedom Truckers of Canada!!! You are the very best and finest that has happened to this traumatized humanity in a very long time. And you gave us all the great gift of hope! The whole world is behind you. Thank you. Thank you. Thank you. Trudeau is a monster. He is a criminal and a traitor and he belongs in prison for life for all of his many crimes against humanity and for committing treason against his own people. So it is. By the power of the most High. Amen.	2/19/2022 5:57 PM
20875	It has not	2/19/2022 5:56 PM
20876	Encouraged my belief in Canadians as a whole. The rights and freedom that we have as Canadians has been encouraged and given me hope for the future!	2/19/2022 5:56 PM

20883	Enjoyed seeing all the smiling faces without masks until the police came along	2/19/2022 5:56 PM
20884	Totally disgusted me	2/19/2022 5:56 PM
20885	I support them I am a trucker	2/19/2022 5:56 PM
20886	Not affecting me directly but the prime minister could handle this situation very easy rather spending money on state of emergency	2/19/2022 5:56 PM
20887	It has given me hope to see that my concerns are similar to many other Canadians. I don't feel so alone anymore. I also believe the convoy has really opened my eyes to how much the media is manipulated and chooses what it wants to cover. I don't think the media has covered the protest honestly and that scares me to know that for so many years I have turned to legacy media for my news and information. I don't feel like I can trust anything they say	2/19/2022 5:56 PM
20888	Hasn't	2/19/2022 5:56 PM
20889	Has provided me with hope and shown the Canadian spirit of love, freedom and unity. It has demonstrated that we can peacefully protest. It has shown the true side of our government and the mainstream media.	2/19/2022 5:56 PM

20896	Has given me hope for the future!	2/19/2022 5:56 PM
20897	I'm rooting for them. I do not believe that the supply shortages ate due to the convoy. they are more due to places closing for lockdowns or because they couldn't afford to stay in business due to lockdowns and mandates about their employees having to be vaccinated.	2/19/2022 5:55 PM
20898	These Truckers are selfish! They are hurting so many people, businesses etc. They need to stop them, throw them in jail And fine them and the business they are working for. How dare them use their kids.	2/19/2022 5:55 PM
20899	Uplifting, Inspiring, Proud to be Canadian and I've been Praying and Wishing We had Someone who was willing to Stand up and Lead the Charge. I got my Wishes and Prayers answered, with Canadian Truckers and Patriots... God Bless us one and all...	2/19/2022 5:55 PM

20901	It gave me hope. I saw the love, the giving and the humanity in this movement. Seeing Canadians gather from one end of the country to the other, in peace, with a common goal and in the greatest number of people I have ever seen was so incredible. It's amazing to see so many people stay peaceful even under threat. I am very proud of the veterans that took care of the monument and the people.	2/19/2022 5:55 PM

20919	I am angry that my government is so broken that people are protesting. This is a direct result of the government not being accountable, being hypocritical, and dividing Canadians.	2/19/2022 5:55 PM
20920	It DID give me a glimmer of hope until the Liberal government stole the last of our rights and freedoms and are using the citizen funded police force as their own personal goon squad. Disgusting!!	2/19/2022 5:54 PM
20921	It has opened my eyes to see how much support the Canadian people have for ending mandates. We are not a small fringe as the gov't would like us to believe. I am proud of the truckers for standing up and uniting so many people.	2/19/2022 5:54 PM
20922	Freedom of choice	2/19/2022 5:54 PM

20935	They have made me feel there is hope they spoke up for Canada they have brought me my hope my love for Canada and peace in my heart again that they might reach the heart of Mr Trudeau to end all the lies The truckers have made my face smile again, made my heart feel joy again! My eyes wept for their courage! They are the angels that brought us the miracle of hope for me and for Canada	2/19/2022 5:54 PM

20938	Given hope for the future	2/19/2022 5:54 PM
20939	Gives me hope	2/19/2022 5:54 PM
20940	For the first few weeks I was so proud to be a Canadian! I had a deep sense of pride for Canadians that were standing up for me! For us all! And did so with such grace, and love, and unity, and peacefulness. There was a great peaceful uniting of Canadians. There are 10's of thousands of hours of video that I and the WORLD saw that confirms this! There is a preponderance of evidence supporting this! Then I was given a clear view and education of how a corrupt government controls the media to create an inaccurate, completely false accounting of: 1) what the people of Canada were expressing as the reason they were protesting, 2) falsely characterized the behavior of the protesters as racist, masoginist, violent, irrational, irresponsible (children/pets), etc, . Again, THE WORLD watched this! Again, there is a preponderance of video evidence! The greatest affect on my life is the fear and disgust and anger that I am feeling when I see the unnecessary violence committed against peaceful people by the police and other "law" enforcement! I am in shock at the complete lunacy of Mr. Trudeau lack of leadership and his evident slide into complete MADNESS in the heavy handed and foolish way he is handling this matter.... and I cannot understand why he has not been stopped! Trudeau must be stopped! This is complete madness! There is a preponderance of eye witness accounts, video evidence, written documents appealing for discussions, televised	2/19/2022 5:54 PM

press conferences from the organizers of the convoy protest. The Whole World is watching and are shocked and dumbfounded by what Trudeau is doing! Is he just trying to outdo his father? What is wrong with Trudeau? May I remind you all that there was no property damage done by the protestors - not one single broken window, not one act of crime against the person of others..... may I remind you that the property damage has all been committed by the police, the windows broken - only by the police, the first injuries to any one committed by the police! Clydsdale horses for God's sake! The shock I feel over the heavy handed and illegal unconstitutional power grab by Trudeau in the enactment of the Emergency Powers in this situation! Madness! Madness! Every single Canadian should gasp in fear and shock! The WORLD IS WATCHING!!!! History will judge this as the actions of a power drunk madman. Justin has forever destroyed the Trudeau name! Even if he turned around today and became a rendition of a mother Teresa - he has damned his own family name in a way that can never be restored. God help us - God help Canadians - God help Canada.

20941	I agree with it in the beginning they made their point but blocking boarders only unconvinced the public not government	2/19/2022 5:54 PM
20942	Has renewed my sense of hope for our Country , important to see we have had enough demands, restrictions, and tired of our country's leadership. Complete meltdown and abuse of power.	2/19/2022 5:54 PM
20943	If feels like someone else is standing up for me I'm not alone There are others out there that feel the same way I do That the government has put fear in everyone afraid of a flu afraid to live lately It has divided a lot of long time friends and family	2/19/2022 5:54 PM
20944	It Gave me hope that patriots who love this country are still willing to take action, to preserve our rights and freedoms.	2/19/2022 5:53 PM
20945	It has given me hope and personal power	2/19/2022 5:53 PM

20947	1 week but it was worth it. I'm glad some brave Canadians finally spoke up.	2/19/2022 5:53 PM
20948	woke me up to the fact that if we dont stand up now for our rights we will never be able to	2/19/2022 5:53 PM
20949	They have provided hope for freedom of speech, arrests of everyone (e.g. individual people, groups, companies, organizations etc.) responsible for this tyranny (e.g. all media, pharmaceutical, medical community, government, billionaires and trillionaires etc. responsible for tyranny of human rights guaranteed under the Constitution, propagating lies, fear and keeping medical solutions like Ivermectin etc. vs. vaccinations which is on a multi-trillion dollar con job worldwide about money and control etc.	2/19/2022 5:53 PM
20950	It's been an amazing show of hope peace and warmth. My country is alive again. It has also shown how traitorous the police and govt are. Eye opening for sure.	2/19/2022 5:53 PM
20951	It hasn't directly affected my life. I support peaceful protest when the government does not appear to be listening to the people or most recent science. It takes a lot for Canadians to complain. When they do it should be listened to.	2/19/2022 5:53 PM
20952	Être à Ottawa m'a permis de vivre comme je veux voir l'humain vivre. For a couple of day, i was living the way i think human should: Freebom of being ourself, joyfull, loved and loving, peacefull, expression in art (sing, dance) ans alos united fo a bigger pupose (than money, power ans ego)	2/19/2022 5:53 PM

20954	I am hopeful for freedom again. I am thanking & praising God for the truckers patriotism & courage & sacrifice. May God bless & protect them	2/19/2022 5:53 PM
20955	At first it offered a small window into the fact that were many who wanted to come together with a loving intent but that was soon dashed by all sorts of innuendo, ill intent and misrepresentation as well as willful misunderstanding from those who thought the convoy's aims were invalid. Again, all it caused was more fighting instead of sympathy or empathy. I was not directly involved but know people that are or have gone to Ottawa as well as people that participated here in Toronto.	2/19/2022 5:53 PM
20956	Supply chain issues. It's a give and take I guess. Temporary supply chain issue and noise to end government over reach and preserve liberty for future generations.	2/19/2022 5:53 PM

20957	I feel there pain and betrayal by Trudeau. After lauding as front line workers to be congratulated he proved turncoat and arbitrarily condemned them as fringe, right wing, misogynists. He refused to even meet or discuss their concerns, He proved to be a two faced PM - joining BLM and vilifying the convoy. A true two faced useless leader.	2/19/2022 5:53 PM

20967	Shows Canadians have balls not just a "Fringe minority" Trudeau needs to go like yesterday	2/19/2022 5:52 PM
20968	It hasn't	2/19/2022 5:52 PM
20969	It's not I support them	2/19/2022 5:52 PM
20970	Given hope and faith in the "fringe minority". It has also shown how corrupt the government is, and how heartless/cold the government is. Big eye opener thanks to the convoy.	2/19/2022 5:52 PM
20971	They have brought peace back to love one another until the police came in and took that away again. There has been less crime downtown, and the homeless people have been given more love and people to sit and listen to their stories in a long time. It's a shame that it had to end this way All we want is love peace and harmony among everyone that's the whole thing freedom if you want to wear a mask wear a mask if you want to be vaccinated then be vaccinated but we should all be treated fairly we don't all have to be vaccinated, or wear a mask.	2/19/2022 5:52 PM
20972	Nice to see somebody standing up to this tyrant	2/19/2022 5:52 PM
20973	I have had no effect, mandates already had me restricted	2/19/2022 5:52 PM
20974	Hope	2/19/2022 5:52 PM

20978	It's brought a refreshing atmosphere in Canada and now we will have more people coming together for our children and generations to come.	2/19/2022 5:52 PM
20979	It's given me hope that maybe we will actually get out of lockdown, that people are starting to see what's really going on in the world and what governmental leaders are up to.	2/19/2022 5:52 PM
20980	Positively	2/19/2022 5:52 PM
20981	It hasn't, but I truly don't understand how they feel their rights are being stripped. It is for the grater good, like the smoking mandates, seatbelts, drunk driving, or murder.	2/19/2022 5:52 PM
20982	Increased cost of consumer goods and delays, out of stock.	2/19/2022 5:51 PM

past almost two years and the convoy has brought me hope and I feel unified with Canadians.

20986	They have Stood up for our Freedom...Now We have to Stand up for them	2/19/2022 5:51 PM
20987	Nuisance	2/19/2022 5:51 PM
20988	Freeeeeeedommmmm	2/19/2022 5:51 PM
20989	Brought truth to light to the masses regarding purposeful collapse of Canadian democracy.	2/19/2022 5:51 PM

20991	It will probably raise the cost of living... as things are not being delivered in a reasonable time.	2/19/2022 5:51 PM
20992	It's great seeing them stand up for freedom	2/19/2022 5:51 PM
20993	It hasn't. I support them %. If they hadn't started this movement, Trudeau would continue his criminal attacks on Canadian citizens.	2/19/2022 5:51 PM
20994	It gave me hope for Canadians to get their freedom back. I was disappointed in Canadians not standing up to Trudeau dividing Canada.	2/19/2022 5:51 PM
20995	First time in a while makes me feel proud as a Canadian	2/19/2022 5:51 PM
20996	Gives me hope that I'm not alone and that others are willing to stand up for opinions that have so far been derided, mocked, and chastised.	2/19/2022 5:51 PM
20997	Helped gain a sense of hope in Canada again That maybe canada can be what it once was again free loving country!	2/19/2022 5:51 PM
20998	It broke the spell of fear on those around me and made me proud to be Canadian for once again	2/19/2022 5:51 PM
20999	It hasn't except to cause division among my workers	2/19/2022 5:51 PM

21001	Emotional and dealing the PM has an agenda with the New W. Order	2/19/2022 5:50 PM
21002	They are fighting for our freedom	2/19/2022 5:50 PM
21003	Provided hope	2/19/2022 5:50 PM
21004	They gave me hope to get back to my normal activities, and seeing my family who are far away!	2/19/2022 5:50 PM

21006	it has made me feel like normal life. I feel empowered.	2/19/2022 5:50 PM
21007	It hasn't affected me at all. They are standing up for what they believe is right. Everyone is entitled to freedom of speech as long as it's done in a peaceful manner. I don't agree with blocking the boarders so people can't travel in and out of Canada but if they were to peacefully protest on the sides of the roads they have ever right to do so.	2/19/2022 5:50 PM
21008	No changes.	2/19/2022 5:50 PM
21009	They have given me absolute HOPE for a future that I had somehow lost over the last two years	2/19/2022 5:50 PM
21010	Given me hope.	2/19/2022 5:50 PM
21011	It hasn't, but I'm sure thankful I don't live in the areas that have been effected, especially Ottawa. This is not how Canadians act, I didn't think. We are better than that!!!	2/19/2022 5:50 PM
21012	I've been proud that they are speaking up and doing something to enforce our freedom.	2/19/2022 5:50 PM

Canadians vote on Canadian Mandate - February 2022

I am hopeful that our government will annul all pandemic measures and forced vaccination in maintaining our acquired rights to social services, professional health care and social activities of all kinds.	2/19/2022 5:50 PM
21020	Gives hope	2/19/2022 5:49 PM
21021	Not really	2/19/2022 5:49 PM
21022	Brought hope for brighter future.	2/19/2022 5:49 PM
21023	Not at all	2/19/2022 5:49 PM
21024	sooo much hope for FREEDOM	2/19/2022 5:49 PM
21025	Brought hope and joy to my life	2/19/2022 5:49 PM
21026	Hopefully the politicians will smarten up	2/19/2022 5:49 PM
21027	Giving me hope as I am starting to see job opportunities just in past few days.	2/19/2022 5:49 PM
21028	I support the convoy 110%. Trudeau and Ford are Tyrants, and do not represent the people who put them into power adequately.	2/19/2022 5:49 PM
21029	It gave me hope and I felt happy for the first time in a very long time.	2/19/2022 5:49 PM
21030	It hasn't, I don't live anywhere close to Ottawa. The trucks that actually work has kept our shelves stocked just fine.	2/19/2022 5:49 PM
21031	Given me a glimmer of hope. Further fueled my hatred for Trudeau. Brought to light our country's totalitarianism regime.	2/19/2022 5:49 PM
21032	give all Canadians hope	2/19/2022 5:49 PM
21033	Give hope that Canadians care about their rights and freedoms	2/19/2022 5:49 PM
21034	Given me hope!	2/19/2022 5:48 PM
21035	I see this convoy blossoming into hope all over the world and feel like people are waking up to realize that they do have power, especially in a democracy, and that through peaceful means, we can change the world for the better and shed some light on some of the lies and propaganda that have been spread not just in the last two years but in western society as a whole.	2/19/2022 5:48 PM
21036	It has given me hope, as I've noticed how many people feel the same way I do.	2/19/2022 5:48 PM

21039	Provided hope for the future.	2/19/2022 5:48 PM
21040	Shocked me the way our government has treated every day citizens expressing their disagreement with the government.	2/19/2022 5:48 PM
21041	It showed how much liberal people really hate anyone who isn't as liberal	2/19/2022 5:48 PM
21042	Angered me beyond belief.	2/19/2022 5:48 PM
21043	Relief to have intelligent people who understand what is going on	2/19/2022 5:48 PM
21044	It renewed my optimism, patriotism and knowledge that there are like minded people out there	2/19/2022 5:48 PM
21045	I am glad to see people openly express their opinion. I am happier to see people talking about important topics. Not topics the politics view as important. Politics have lost sight of what truly is important to citizens. Frankly they never ask citizens. They simply just assume we want the things they bring up. Never have I ever been surveyed asking what is or is not important by any politician	2/19/2022 5:48 PM

21046	I'm a truck driver and it was embarrassing to me	2/19/2022 5:48 PM
21047	I am hopeful and proud of those taking a stand for my rights	2/19/2022 5:48 PM
21048	It has given us hope and we have smiled!	2/19/2022 5:48 PM
21049	The Truckers Freedom Convoy helped me realize just how many people all believed that the mandates are politically motivated only & how corrupt the government led by Trudeau is. Sadly the police are more interested in their own jobs than the moral welfare of all Canadians & Canada.	2/19/2022 5:47 PM
21050	Not much. I live in rural Ottawa	2/19/2022 5:47 PM

21052	Restored my faith in this country.	2/19/2022 5:47 PM
21053	It hasn't	2/19/2022 5:47 PM
21054	I feel more like a Canadian as I see serious mistakes by my government. I have met some great Canadians who want to protect Canada.	2/19/2022 5:47 PM
21055	Has not affected me	2/19/2022 5:47 PM
21056	The best thing that could happen. Liberals corruption needs to be exposed. Fake news needs to be shutdown.	2/19/2022 5:47 PM

21061	Opened my eyes to the liberals agenda	2/19/2022 5:47 PM
21062	Gave me hope	2/19/2022 5:47 PM

21065	It's been great makes me have a bit more restored faith in us Canadians	2/19/2022 5:47 PM
21066	Made me proud to be a Canadian again. Brought me hope.	2/19/2022 5:47 PM
21067	Best thing that ever happened	2/19/2022 5:47 PM
21068	Has made me anxious to go into public protesting areas.	2/19/2022 5:47 PM
21069	Gave me hope	2/19/2022 5:47 PM
21070	not at all	2/19/2022 5:47 PM
21071	Made me more aware of how no one from the government is working for us Canadians	2/19/2022 5:47 PM
21072	It gave me a glimmer of hope	2/19/2022 5:47 PM
21073	Given me hope. They are heroes in my view - ordinary Canadians. It takes courage.	2/19/2022 5:46 PM
21074	Yes	2/19/2022 5:46 PM
21075	Inspiration	2/19/2022 5:46 PM
21076	None	2/19/2022 5:46 PM

Canadians vote on Canadian Mandate - February 2022

21081	It gave me hope	2/19/2022 5:46 PM
21082	Gives me hope and grateful for what they have done. So sorry how they were treated.	2/19/2022 5:46 PM
21083	Prices have risen and supplies are even scarcer	2/19/2022 5:46 PM
21084	it gave back hope that I had lost	2/19/2022 5:46 PM
21085	It has not. I enjoyed watching it come into town. Seeing that so many people have gotten together to try to over turn mandates, i felt the love of the 'unpopular opinion'.	2/19/2022 5:46 PM
21086	It hasn't for travel purposes. Im sure it has in some aspect of getting food and goods across the boarder. I do feel for the people that is has disrupted.	2/19/2022 5:46 PM
21087	Good	2/19/2022 5:46 PM
21088	Given me hope, its nice to know you aren't the only one feeling a certain way, and I feel like maybe my views will be heard now like I have the power to be heard. it has caused some division in my home my husband feels its silly he still thinks the government is just going to do what they want anyways.	2/19/2022 5:46 PM
21089	Given me hope	2/19/2022 5:46 PM
21090	It has given me hope that things can get back to normal soon.	2/19/2022 5:46 PM
21091	It has given me hope and I support it	2/19/2022 5:46 PM
21092	Gave me a feeling of not being alone in my disapproval of the mandates and hope that maybe we CAN get rid of them.	2/19/2022 5:45 PM
21093	it has only given me hope	2/19/2022 5:45 PM
21094	They have given all of us some hope. Something we never thought we'd ever have again	2/19/2022 5:45 PM
21095	I have been in TOTAL support of the convoy from the beginning!	2/19/2022 5:45 PM
21096	Given hope for Canada..a better Canada	2/19/2022 5:45 PM
21097	Give us hope for change!	2/19/2022 5:45 PM
21098	Gives me so much hope that this will all come to an end. Watching the convoy travel through a town near us gave me so much pride. I see people sacrificing their time and life at this point to stand up for their fellow Canadian brothers and sisters. Now seeing police forces brought into the picture and doing the horrible things they are doing saddens me. Hurting people, arresting people, harming people. It's sickening and evil.	2/19/2022 5:45 PM
21099	Given me hope and inspiration that Canadians are finally willing to stand up for our rights.	2/19/2022 5:45 PM
21100	It has given me hope that there are way more people in this country who are sick of the PM and sick of these ridiculous mandates. Freedoms and are guaranteed rights need to be brought back	2/19/2022 5:45 PM
21101	Given me hope.	2/19/2022 5:45 PM
21102	Gave me hope	2/19/2022 5:45 PM
21103	Opened my eyes to the truth and made me research how corrupt the government is and the biasedness of mainstream media. Further research enlightened me to how long J Trudeau has been working and planning his absolute control and that his father lead our country in the same direction while he was in power. Trucker convoy lead me to understand that our time to stand for our freedom and insist on our Charter of Rights and Freedoms being utmost important or they will be gone forever. Also the importance of knowing the Canadian Constitution and making people aware when it's not being followed. Thanks truckers!	2/19/2022 5:45 PM
21104	Brought hope and love back to the country. They are doing what needs to be done to take down the government overreach, illegal actions and overall disregard for the Canadian constitution and Charter of Rights and Freedoms. They should all be charged and jailed!	2/19/2022 5:45 PM
21105	Produced more frustration with our Prime Minister!	2/19/2022 5:45 PM
21106	It has give me hope	2/19/2022 5:45 PM

Canadians vote on Canadian Mandate – February 2022

21107	Brough hope again, to end the government's over reach and quest for all power.	2/19/2022 5:45 PM
21108	They give everyone hope for Freedom!	2/19/2022 5:45 PM
21109	It had given me hope finally but now on Febuary 19 after seeing the very people that are supose to protect us agressively treating people. I feel all is lost and see no reason to fight or go on anymore.	2/19/2022 5:45 PM
21110	It hasn't affected me personally but I support the trucking convoy	2/19/2022 5:45 PM
21111	Gave me hope and I realized I wasn't alone and I'm not a conspiracy nut.	2/19/2022 5:45 PM
21112	I have met lots of wonderful people. It has United us instead of keeping us divided.	2/19/2022 5:45 PM
21113	I like to follow it from the people's perspective because the media lies and twists the truth. The Prime Minister likes to give other countries advice with their protests by telling them to talk but fails to talk with the truckers. He has made it clear he doesn't like it when people express a different opinion than him, in a peaceful protest. He says rude comments, threatens people and their kids, and freezes bank accounts. The truck convoy has been peaceful. No buildings were burned or destroyed but people from all walks of life were coming together and were loving and kind. They fed the homeless and kept the streets clean.	2/19/2022 5:45 PM
21114	It has given my family and I hope that this will all soon be over. It has shown us that we are NOT alone, despite what our Prime Minister has told us. It has shown us that we as Canadians all have a common need to be reunited after years of division. It has shown how we Canadians have had our rights and freedoms slowly taken away by a Government who we are supposed to trust. It has shown that even in the face of lies and violence from OUR GOVERNMENT that we Canadians can and will show LOVE and UNITY.	2/19/2022 5:44 PM
21115	Not at All Love our Truckers	2/19/2022 5:44 PM
21116	If anything, this is a positive thing. It shows the power of pushing back against government over-reach, and that democracy is working. My biggest concern is our government's failure to acknowledge their legitimate concerns, and failure to engage in any sort of dialogue with them.	2/19/2022 5:44 PM
21117	Brought hope to people	2/19/2022 5:44 PM
21118	Gave me hope!	2/19/2022 5:44 PM
21119	gave me encouragement to have our freedom of rights re inststated	2/19/2022 5:44 PM
21120	Frustration with the lack of understanding of Canadian rights and freedoms vs American rights and freedoms, and how the government works in Canada. As a result of the trucker illogical approach to vaccination, further erosion of economy and supply chains.	2/19/2022 5:44 PM
21121	Hope well	2/19/2022 5:44 PM
21122	Everyone has a voice and needs to be seen and heard	2/19/2022 5:44 PM
21123	They have given us hope for a future where our freedoms will be reinstated.	2/19/2022 5:44 PM
21124	It has confirmed my humanity to my life, my neighbors and my tribe. I am so proud of their courage to no longer follow blind obedience. How can standing true north and free be labelled in the way Trudeau has done. Furthermore, why are so many Canadians still laying shame on these glorious men and women fighting for our future, our freedoms, and standing together? I stand with them, forever and always.	2/19/2022 5:44 PM
21125	None	2/19/2022 5:44 PM
21126	It hasn't	2/19/2022 5:44 PM
21127	It added more hesitance in the system.	2/19/2022 5:44 PM
21128	Having hope that things will get better.	2/19/2022 5:44 PM
21129	I am more fed up with the "truckers" protest after 3 weeks than with all the covid restrictoons after 2 years	2/19/2022 5:44 PM
21130	It makes me feel hopeful that more and more people are beginning to speak out against the draconian actions of our provincial and especially federal governments. All the actions that they have imposed have proven to be unnecessary but they still stick to their narrative.	2/19/2022 5:44 PM

Canadians vote on Canadian Mandate - February 2022

21131	It has united the country like nothing else ever has. I was ashamed to be a Canadian until the truckers convoy united the country again.	2/19/2022 5:44 PM
21132	Made me proud to be a Canadian again in fighting for our rights. I haven't been proud of being a Canadian for a long time.	2/19/2022 5:44 PM
21133	They made me proud to be a Canadian again and gave me hope that these unnecessary mandates would get kicked to the curb	2/19/2022 5:44 PM
21134	It has given us hope, they are hero's for standing up for the rest of us that just want to live life again without mandates and restrictions	2/19/2022 5:44 PM
21135	I was unable to see family for almost 2 years. There had been a lot off division amongst friends. I've stayed neutral on everyone's choices. The government (Trudeau) is destroying the country. Putting it into financial ruin and has caused so much stress amongst all of us Canadians. I feel he is trying to divide and conquer. I'm sure it has taken years off my life from all the stress.	2/19/2022 5:44 PM
21136	Not at all.	2/19/2022 5:43 PM
21137	Not at all as I am out of the country. However I don't agree with it	2/19/2022 5:43 PM
21138	Raised awareness across many countries as an answer to prayer.	2/19/2022 5:43 PM
21139	Peaceful patriots expressing constitutional rights to protest.	2/19/2022 5:43 PM
21140	Given me hope	2/19/2022 5:43 PM
21141	I was hoping Canadian citizens still have chances ,,stay on guard for thee!! !!	2/19/2022 5:43 PM
21142	Hope	2/19/2022 5:43 PM
21143	Not one bit. Only the whiners in Ottawa and a power greedy Liberal government. It is being completely mishandled by an incompetent Prime Minister.	2/19/2022 5:43 PM
21144	It hasn't.	2/19/2022 5:43 PM
21145	Given me hope	2/19/2022 5:43 PM
21146	They've Helped left mandates	2/19/2022 5:43 PM
21147	Amazing, I feel like we have hope again.	2/19/2022 5:43 PM
21148	Price of consumer products have gone up, but so has everything else. STAY STRONG FREEDOM FIGHTERS AND KEEP HOLDING THAT LINE!!!	2/19/2022 5:43 PM
21149	Made me feel like I had a voice again. Gave me hope that life could get back to normal.	2/19/2022 5:43 PM
21150	The truck in Convoy has giving me hope and help me to feel proud is a Canadian again	2/19/2022 5:42 PM
21151	It's been a positive impact. Canadians care! We are strong together! We are fighting for our cubit rights!!	2/19/2022 5:42 PM
21152	Hope and faith	2/19/2022 5:42 PM

21197	Inspiration	2/19/2022 5:40 PM
21198	It hasn't I think they have made a big difference and movement and decision from the Federal government has been made because of our hero's "freedom is all we want" remove all mandates., so we can live like Canadians again.	2/19/2022 5:40 PM
21199	Amazing great to see people stand up for their rights!	2/19/2022 5:40 PM

21206	Made me proud to be Canadian for the first time in 2 years.	2/19/2022 5:40 PM
21207	For the first time In Two years I felt that there was hope for the democratic country of Canada. The shaming, coercion and loss of employment has been devastating to millions of Canadians. The conoy has united Canadians as a whole and provided a platform that people could support.	2/19/2022 5:40 PM
21208	Gave me hope	2/19/2022 5:40 PM
21209	Instilled pride. Gave me hope.	2/19/2022 5:40 PM
21210	I feel sorry that they felt they had no choice but to take this action, nobody in the media or government listened to these hard working fellow Canadians who just want to continue to their jobs, the science supports the truckers and not the government!	2/19/2022 5:39 PM
21211	It hasn't other than being appalled by the government response, police violence, hate speech by leaders and an unlawful emergency act. Very alarming.	2/19/2022 5:39 PM
21212	Gave me hope	2/19/2022 5:39 PM
21213	It hasn't, it has given me a bit of restored faith in humanity that we have become mindless obedient subjects to a sociopathic leader with delusions of grandeur. Supply chain was an issue well before this all took place, but I'll place a small wager on this being the sole fault of a bunch of truckers who decided to set up shop in the nations capital. The blockades were never part of the convoy, they acted independently of the organizers wish's and that should be noted because this should not have an apples to apples comparison	2/19/2022 5:39 PM
21214	It has had little affect on my life accept for bringing needed attention to the loss of freedoms that the mandates have caused.	2/19/2022 5:39 PM
21215	It's giving hope to Canada	2/19/2022 5:39 PM
21216	Annoyed and shown what racist terrorists are up to	2/19/2022 5:39 PM
21217	It made me proud that someone was stepping up to the government	2/19/2022 5:39 PM
21218	It has brought me hope and pride in our fellow Canadians for how they've handled this situation.	2/19/2022 5:39 PM
21219	Given my beliefs in Canadian people back.... the belief that we as people are just as important as government....we are peaceful hard working people who just want to get back to living our lives.... feeling of pride to stand with them and tall and strong shoulders to shoulders with all races the belief that we can all get along to strive for a better country and as we see worldwide we stand together support from all countries all over	2/19/2022 5:39 PM
21220	Gave me a glimmer of hope and now violence has been used against them and I am sickened by this.	2/19/2022 5:39 PM

21229	giving me hope that we could start to address the problem of globalisation and an economic system that is willing to sacrifice people and the land for its own interest.	2/19/2022 5:39 PM
21230	Given me hope for the first time in 2 years	2/19/2022 5:39 PM

21240	Awareness that our government will kill people for speaking out. Ottawa police on horse rode over and killed a lady with a walker. How is that "serve and Protect"	2/19/2022 5:38 PM
21241	Hope!	2/19/2022 5:38 PM
21242	It has given me some hope for the future since it has given a voice to those who have been oppressed by these ineffective mandates. I now recoil in hotter watching how the Trudeau, Liberal government is reacting with over reach and violence to peaceful protesters. I am sad to consider that this government will entrench these measures.	2/19/2022 5:38 PM
21243	Not at all, thankful they are fighting for our freedom	2/19/2022 5:38 PM
21244	gave me hope and pride in being a Canadian again.	2/19/2022 5:38 PM
21245	The convoy has not effected me at all. It has given me hope that all mandates will be lifted.	2/19/2022 5:38 PM
21246	Sending Blessings & Prayers to the bravery of these people...	2/19/2022 5:38 PM
21247	Benefiting my life	2/19/2022 5:38 PM

21263	Given me a glimmer of hope inspite of the fact I'm no one to join a protest. It has revealed to the hypocrisy of our Prime Minister and Premier. Also the ridiculous unfounded accusations made about the peaceful protest of the truckers.	2/19/2022 5:37 PM
21264	they are make a difference and hope to restore our freedom	2/19/2022 5:37 PM

21275	Gives me hope	2/19/2022 5:37 PM
21276	Gives hope	2/19/2022 5:37 PM
21277	No direct impact	2/19/2022 5:37 PM
21278	Given me hope and reassurance that I'm not alone. I have emailed my MPs/MLAs to no avail, so this step in my mind was necessary and I think it has made the world become more aware. Seeing the doctors, scientists and people around the world support this movement has been incredible. I believe the science that isn't politicized, but rather stands for truth	2/19/2022 5:37 PM

21321	Hope for myself and the great citizens of this country, and unity amongst those of all walks of life across this great land. Where hope is concerned, an end to the mandates is a good start while ensuring no Digital ID that would accommodate a social credit system. Additionally a tyrannical gov't has no place in Canada, the land of the free!	2/19/2022 5:35 PM
21322	I am so thankful to the truckers for starting a movement of citizens standing up for our rights.	2/19/2022 5:35 PM

21350	Maybe hasn't affected my life as much as the people that have to put up with convoys and beeping... time for it too stop	2/19/2022 5:34 PM
21351	Hope	2/19/2022 5:34 PM
21352	Finally gives me a sense of hope!	2/19/2022 5:33 PM
21353	It has given me hope.	2/19/2022 5:33 PM
21354	Has been a voice for myself and individuals who want to follow the science that has been present from the beginning of the pandemic.	2/19/2022 5:33 PM

21358	Gave me hope	2/19/2022 5:33 PM
21359	It was good to see participants from all parts of Canada..	2/19/2022 5:33 PM
21360	They gave us a voice. It was an amazing relief to find others felt the same way.. that scientists, nurses and doctors and steel workers who were all losing their jobs and licences and who felt they were not allowed to speak or share concerns or opinions or observances were united as a single voice - as a grass roots voice. There has been no science - not the kind my two MA degrees taught me, where there is debate and exchange of ideas. The news was wildly one sided and did not allow investigative reporters to do their jobs. I was made aware of how deeply and dangerously we are being controlled by big corporations and the people who own them. Democracy feels under threat. Corporate control is very running universities, governments, medical association nad education through their 'donation'. We need to wake up - and we are waking up.	2/19/2022 5:33 PM
21361	It show me how the government really treats their people. Trudeau said he wants to keep Canadians safe but he forgot that the unvaccinated Canadians are still Canadians.	2/19/2022 5:33 PM
21362	Brought hope, joy,love	2/19/2022 5:33 PM
21363	I back this cause 100 per cent	2/19/2022 5:33 PM
21364	Nope	2/19/2022 5:33 PM

21366	Gives me hope that the mandates will end	2/19/2022 5:33 PM
21367	First time in a long time that I have felt any hope for this country. There was a sense of unity and pride, until the government ruined it. But that's what they do best....	2/19/2022 5:33 PM
21368	Our supplies are not coming in.	2/19/2022 5:33 PM
21369	It gave us hope for better future.	2/19/2022 5:33 PM
21370	Helped remove mandates sooner	2/19/2022 5:33 PM
21371	It has shown me that Canada is not the same country I knew before this pandemic 😊 our freedoms have drastically changed,	2/19/2022 5:33 PM
21372	Gave me hope, made me smile and gave me strength.	2/19/2022 5:33 PM
21373	What an amazing show of peaceful protest. With the numbers they have had behind them there is no other way to look at this then to say that this is what Canada wants. The truckers have uprooted their homes, spread love and positivity and have been met with nothing but harassment and close minded opposition. We thank the truckers and all who supports the peaceful freedom protest	2/19/2022 5:33 PM

21382	Made me angry towards govt and media how they have handled the entire situation. Govt is supposed to for the people by the people not against the people and media opinion and stories should be unbiased and truthfull based on facts not omissions of the real story	2/19/2022 5:32 PM

21387	Gave me hope	2/19/2022 5:32 PM
21388	It is standing up for people who can't stand up for themselves. They are peacefully wanting answers from our prime minister who is forcing the people of Canada to comply without a say.	2/19/2022 5:32 PM

21393	Affected my mental health positively & gave me hope!	2/19/2022 5:32 PM
21394	Given hope that things can go back to normal. Seeing people enjoying themselves and their lives and families is refreshing	2/19/2022 5:32 PM
21395	it has given me hope for a future of freedom	2/19/2022 5:32 PM

21397	Made me proud to be a Canadian. Proud to see people stand up to the communist dictator, Trudeau	2/19/2022 5:32 PM
21398	For the first time, in a long time, I have HOPE! I have been living in fear of our government, afraid of what they are going to do to anyone who "resists" their demands. This trucker convoy has made me Proud to be a Canadian again, given me hope, made me cry overwhelming tears of happiness, joy and pride. The truckers have brought more Unity to the World in a few short weeks than the government ever has in the last many years.	2/19/2022 5:32 PM
21399	It hasn't, I support FREEDOM !!	2/19/2022 5:32 PM
21400	Given me hope So grateful SOMEONE is willing to stand up for citizens that have been ignored. The truckers are hero's. The government is now seen as organized crime.	2/19/2022 5:32 PM
21401	It has given me some hope that I'm not as alone as I thought. Seeing people hugging, singing, dancing, and supporting an end to the isolating and divisive mandates has given me hope in a future that I might want to live in.	2/19/2022 5:32 PM

Canadians vote on Canadian Mandate - February 2022

21402	Very positively. Restored my pride in being Canadian. The protests are one of the best atmospheres you will ever be in in your life. So peaceful and loving and passionate.	2/19/2022 5:32 PM
21403	None whatsoever , it's funny how Canadians need to blockade and stand for their beliefs , but yet are brutally attacked by police, threatened to be thrown in jail, fined and blamed for planted govt bullshit to make the truckers look bad, to divide us all, and media bought and paid for by govt, and to call the convoy terrorists , when asshole trudumb , who's a f ing coward scumbag , and don't know how he became PM again .	2/19/2022 5:31 PM

21426	It gave me hope. I have lost some of my freedoms and I am afraid it is going to get worse.	2/19/2022 5:31 PM

democratic and free again. I am proud to be Canadian again. This has united Canadians of all races, gender, religious beliefs and proves that what Canadians want is a loving, united and peaceful Canada where we take care of each other.

21433	Let me see how corrupted the government is and untrustworthy.	2/19/2022 5:30 PM
21434	Given hope that Canada still has a chance at a free future for our children.	2/19/2022 5:30 PM
21435	It has not affected my life.	2/19/2022 5:30 PM
21436	It's given us hope!	2/19/2022 5:30 PM
21437	Brought awareness to the corruption in or Federal Government. The response from government validated how out of touch they are with working class and tax payers.	2/19/2022 5:30 PM
21438	I found them inspiring. Men and women standing against a now-revealed despot who invokes extraordinary measures without even so much a conversation with the Freedom Convoy leadership. God bless the truckers, and may God have mercy on Canada.	2/19/2022 5:30 PM
21439	It has given hope and shown that Canada can be great again and strong and free.	2/19/2022 5:30 PM
21440	It has restored my faith in Canada	2/19/2022 5:30 PM
21441	Not At all I fully support them 100 percent and it's restored my sense of pride to be Canadian	2/19/2022 5:30 PM
21442	I support their right do their life's decisions. The ratcheting up and refusing truckers the right to work who choose not to be vaccinated has caused the cost of living to go straight through the roof in Canada because everything comes by truck and therefore everything is gone up in price. I also do not support the carbon tax nor do I support the federal governments \$1400 million support of the corrupt CBC. I don't support Prime Minister Trudeau because of all the scandals	2/19/2022 5:29 PM
21443	inspired me	2/19/2022 5:29 PM
21444	I went to a bridge overpass to cheer on two consecutive days. They bring hope -- finally someone isn't afraid to say what I have been thinking and feeling for so long. They accomplished a lot: every time a premier says, "but it's not because of the truckers", we know it really is. Maybe some of the restrictions would have been lifted eventually, but they accelerated the process. Without Erin O'Toole, we finally have an opposition in the House of Commons. I hope the convoy has unmasked Justin Trudeau to many who have voted for him. Regardless of your politics, it is hard to respect a man who hides, uses name-calling, refuses to listen to dissent, and finally imposes a dire measure on the entire country to clean up something he created because he believes his own hyperbole of 'terrorists'.	2/19/2022 5:29 PM
21445	Inspired me for possibilities	2/19/2022 5:29 PM
21446	It has caused division in my family	2/19/2022 5:29 PM
21447	Gave me huge hope and renewed patriotism	2/19/2022 5:29 PM
21448	It hasn't except all the fake news!	2/19/2022 5:29 PM
21449	It hasn't. I believe in freedom in our beautiful country	2/19/2022 5:29 PM
21450	It hasn't affected my life, but I'm greatly appreciate the truckers and everyone down in Ottawa fighting for my Freedoms.	2/19/2022 5:29 PM
21451	It gives me hope knowing they're fighting for us all to get our rights and freedoms back	2/19/2022 5:29 PM
21452	None	2/19/2022 5:29 PM
21453	Gave me Hope that we can bring back our freedom and normal life . I realised more people know what's really going on . Global agenda and division Must Stop . The Unity and real face of Canadiens shined . Support of the majority of country was overwhelming.	2/19/2022 5:29 PM
21454	It's given me hope, pride, it's taken away divisiveness, united more of us Canadians than I could have imagined. Raised the frequency country and worldwide to one of love and caring. Given us all courage and hope	2/19/2022 5:29 PM
21455	Given me hope that there are still people that believe we should have the right to think and make choices for ourselves	2/19/2022 5:29 PM

21457	It gave me tremendous hope about the future in Canada. Since the convoy began I dropped momentarily my researches and preparations to flee the country.	2/19/2022 5:28 PM
21458	One of the most amazing things I've ever seen happen in Canada only to get squashed by the government	2/19/2022 5:28 PM
21459	It has gave me hope that somebody's having another side of the story because the story has been one sided for the last 2 years	2/19/2022 5:28 PM

21464	Give hope for normal life again	2/19/2022 5:28 PM

21469	It has been the most amazing experience of my entire life and has brought joy back into so many lives.	2/19/2022 5:28 PM
21470	Despite the portrayal from the MSM I have found the unity and love that has transpired because of it really refreshing. I'm a live and let live guy and only ask the same respect in return. This past year has been by far the most difficult of my life.	2/19/2022 5:28 PM
21471	It has given me hope and inspiration. UNITED WE STAND!	2/19/2022 5:28 PM
21472	Helped me feel patriotic	2/19/2022 5:28 PM
21473	Made me glad to be a Canadian citizen that is in full support of the Convoy. Has made me dislike our PM, JusA TrueDope even more.	2/19/2022 5:28 PM
21474	It gave a little bit of hope and opened my eyes to see the real tyranny	2/19/2022 5:28 PM
21475	Brought hope	2/19/2022 5:28 PM
21476	I am very proud having the convoy stand up for us. It breaks my heart watching what the government is doing to it's own people.	2/19/2022 5:28 PM
21477	Refer to question 9.	2/19/2022 5:28 PM
21478	FREEDOM - HOPE - UNITY!!!!!!	2/19/2022 5:28 PM
21479	Stand strong with them	2/19/2022 5:28 PM
21480	Feels like change may happen and that helps positivity	2/19/2022 5:28 PM
21481	It's given me hope that they make help to change these awful and ridiculous mandates. It's has show great patriotism that our country needs right now	2/19/2022 5:28 PM

21483	Given us hope	2/19/2022 5:28 PM
21484	Amazing	2/19/2022 5:28 PM
21485	Not at all outside of giving hope, and recognizing how many others are of the same frame of mind	2/19/2022 5:28 PM
21486	It has confirmed what I knew to be the truth, that Canadians have had enough of the	2/19/2022 5:28 PM

totalitarian government of Trudeau and Ford. They have betrayed the Canadian population and should be removed at once.

21487	The have given me hope for Normalcy again. They have stood up for the freedoms and rights of our people in world where people are afraid to speak the truth and stand up.	2/19/2022 5:28 PM

21527	Shown me unity and pride in Canada	2/19/2022 5:25 PM
21528	I am so proud of them for standing up for us.	2/19/2022 5:25 PM
21529	Given me hope	2/19/2022 5:25 PM
21530	I have been absolutely aghast at our Prime minister. He needs to LISTEN and stop talking.	2/19/2022 5:25 PM
21531	Gave me courage and hope	2/19/2022 5:25 PM
21532	make my happy	2/19/2022 5:25 PM
21533	They have gave us some hope, spirit for a country	2/19/2022 5:25 PM
21534	It has shown me that we're not allow and how corrupt our government is on so many levels. It has brought me joy seeing people all over the world come together	2/19/2022 5:25 PM
21535	depression in my family	2/19/2022 5:25 PM
21536	I'm proud of their rally, it was the only way any one would listen to us. Also showed what our prime minister is about. Sadly it's his way or the highway. No compromise	2/19/2022 5:25 PM
21537	They gave me hope, standing up for freedom of choice with calm and dignity.	2/19/2022 5:25 PM
21538	I has given me hope because they represent me and my hope that Canada will end all mandates and we can go back to normal	2/19/2022 5:25 PM
21539	Bad	2/19/2022 5:25 PM
21540	Not at all	2/19/2022 5:25 PM
21541	Revived hope for a better future	2/19/2022 5:25 PM
21542	Not at all, I fully support them.	2/19/2022 5:25 PM
21543	Provided hope and finally some common sense to this whole pandemic.	2/19/2022 5:25 PM
21544	It didn't affect my life. I supported them 100% cause they are the only one's we as Canadians had looking out for our freedom and rights. The Prime Minister is suppose to look out for the Canadians, but all he & witch Freeland did was try to murder us all. The Government has not one bit of respect for our veterans, when they took our rights & freedom from us and when they allow cops to take horses and trample them to the ground. That is definitely not the way to look out for Canadians. Trudeau don't care anymore cause he wants us to be a communist country, cause he sold us to China long ago. He is definitely the most hated person in the world. 😞😞	2/19/2022 5:25 PM
21545	Supply chain. Embarrassment to country	2/19/2022 5:25 PM

Canadians vote on Canadian Mandate - February 2022

21546	None	2/19/2022 5:25 PM
21547	It hasn't	2/19/2022 5:25 PM
21548	Made me proud	2/19/2022 5:24 PM
21549	Canadians are free people	2/19/2022 5:24 PM
21550	It gives me hope that this can end and people are finally waking up	2/19/2022 5:24 PM
21551	Freedom in Canada has been tarnished	2/19/2022 5:24 PM
21552	For the first time in over two years I don't feel alone and proud of them for doing the Canadian thing: fighting evil and tyranny!	2/19/2022 5:24 PM
21553	Exposed the truth	2/19/2022 5:24 PM
21554	I'm thrilled that people are taking a stand & pushing back on these ridiculous mandates.	2/19/2022 5:24 PM
21555	Less trucks running, too much discord between people, humiliated to be associated with it. It's not going to make a difference just interrupt people's lives and be annoying.	2/19/2022 5:24 PM
21556	It has given me a sense of hope for this nation. My triune God, Father; Son, Jesus and Holy Spirit are the Law and faith that I stand on. People from other countries have made their home in Canada, A LAND OF PEACE AND HEALING. These/we are standing for Rightousness; but BECAUSE OF COVID, OUR HANDS HAVE BEEN TIED, AND OUR SHELVES BARE. I SAY HOORAY TO ALL THOSE WHO ARE STANDING WITH THE TRUCKERS!!!	2/19/2022 5:24 PM
21557	They gave me a hope that all mandates will end. I support the trucking convoy.	2/19/2022 5:24 PM
21558	They have been a glimmer of hope for lots of Canadians in some really dark times. They showed that freedom is something worth fighting for. I respect a lot of what they have been trying to do.	2/19/2022 5:24 PM
21559	It hasn't	2/19/2022 5:24 PM
21560	It shed light on the darkness with their courage, suffering & determination to stand up and raise voices against all the extreme policies affecting negatively on the lives of so many Canadians. I salute everyone participating in the freedom convoy for their perseverance, peaceful & meaningful protests.	2/19/2022 5:24 PM
21561	They are great.	2/19/2022 5:24 PM
21562	Has given me some hope.	2/19/2022 5:24 PM
21563	It has given me HOPE that we can return Canada to a democratic society.	2/19/2022 5:24 PM
21564	Brought hope and happiness, unity	2/19/2022 5:24 PM
21565	It has given me hope.	2/19/2022 5:24 PM
21566	It didn't but I applauded their efforts on behalf of all Canadians	2/19/2022 5:23 PM
21567	It has caused me anxiety as I realize how polarized our country has become. We need great security and protection of infrastructure. We need a way to block the spread of misinformation and hold people accountable.	2/19/2022 5:23 PM
21568	Not at all , as far as I know	2/19/2022 5:23 PM
21569	I am so proud of them and I have a renewed faith in Canada! I am appalled at how they are being treated and fully support them! We are the true north strong and free! God keep our land!!!!	2/19/2022 5:23 PM

21571	Gave me hope	2/19/2022 5:23 PM
21572	I support the truckers convoy, to bring an end with the mandate	2/19/2022 5:23 PM
21573	Full support of the convoy	2/19/2022 5:23 PM
21574	it has brought freedom	2/19/2022 5:23 PM

Canadians vote on Canadian Mandate - February 2022

21575	Made me proud of those who protest for my freedoms.	2/19/2022 5:23 PM
21576	Gave me a reason to be proud of Canada again I have not been to the point of planing moving away ☹️	2/19/2022 5:23 PM
21577	I've met amazing people from across the country and it has given me hope for Canada.	2/19/2022 5:23 PM
21578	It hasn't	2/19/2022 5:23 PM
21579	Gave me hope for my childrens futures. Power in numbers.	2/19/2022 5:23 PM
21580	I am in favor of the convoy. Our current Prime Minister and his cabinet have gone way overboard with their reach. They treat the very people who pay their salaries like criminals.	2/19/2022 5:23 PM
21581	None	2/19/2022 5:23 PM
21582	Not too much. It's just frustrating that they have now been deemed a terrorist grouping for having an opinion that may be different from others . It hasn't directly affected me in any way I just keep living my life. It had however really frustrated some of my household family members which truly in turn is stressing me out	2/19/2022 5:23 PM
21583	It has given me hope - Canada is supposed to be a free and democratic society, and the events that have unfolded in the last two years are anything but free and democratic. To see the people united for a common goal - freedom from government tyranny under the guise of keeping people safe, is heartwarming. Peaceful protests are a vital part of democracy. The trucker convoy has helped to expose the propaganda and evil agenda that is being fueled by mainstream media. Canadians want freedom - freedom to choose what to put in their bodies, freedom of expression, freedom of assembly, freedom from a dictatorship style government. I am appalled at the lengths Justin Trudeau is willing to go to to incite hate and division among Canadians. He delivers "hate speech" and hides away. Bless the truckers and everyone involved for making a stand! The trucker convoy has given Canadians, myself included, something to be proud of!	2/19/2022 5:23 PM
21584	Has not	2/19/2022 5:23 PM
21585	They gave me hope for the 1st time in a long time	2/19/2022 5:23 PM
21586	It's given our family hope that the attention being given to the evident unhappiness of many Canadians with all the mandated restrictions there is an end in sight.	2/19/2022 5:23 PM
21587	Made delivery of goods more difficult for my work. Makes our lead times longer and risks losing customers	2/19/2022 5:23 PM
21588	None	2/19/2022 5:23 PM
21589	It's been the happiest thing I have ever witnessed until the police started violently hurting innocent people	2/19/2022 5:22 PM
21590	Totally support in all ways	2/19/2022 5:22 PM
21591	It had brought hope to my life	2/19/2022 5:22 PM
21592	To give me hope and freedom and what is supposed to be a free country not run by a little man with a big ego	2/19/2022 5:22 PM
21593	I have not been affected but I take my cap off for the truckers!	2/19/2022 5:22 PM
21594	Good	2/19/2022 5:22 PM
21595	So far it has not...Even if it did I'm still all for the protests..	2/19/2022 5:22 PM
21596	Given hope for positive change.	2/19/2022 5:22 PM
21597	It gave me hope in canadians finally standing up for human rights.	2/19/2022 5:22 PM
21598	No way at all has the convoy affected my life besides give me happiness,joy and pride.	2/19/2022 5:22 PM
21599	For the first time I am proud to say I am a Canadian. I am proud to see others fighting for Freedom.	2/19/2022 5:22 PM
21600	No at all	2/19/2022 5:22 PM

Canadians vote on Canadian Mandate – February 2022

21601	It has given me hope that Canadians may live without tyranny as a way of instilling fear in the public so that the public bows to their agenda which has never been for the good of humanity	2/19/2022 5:22 PM

21613	Raised awareness of all the people apposed to mandates in Canada and world wide!	2/19/2022 5:22 PM
21614	Brought attention to how divisive our government is. I'm very dissapointed that people of different views can't share them without fear of being called hateful names.	2/19/2022 5:21 PM
21615	It's beautiful to see many people come together and join in unity for what they believe in, which is freedom of choice. Brought tears to my eyes when I went there the first weekend.	2/19/2022 5:21 PM
21616	The trucking convoy 2022 gave me hope. I shed tears of joy when I saw how the truckers and the farmers (salt of the earth) were pulling Canadians together. Many of these videos gave me 'hope' for a better tomorrow. Peaceful, loving Canadians wanting freedom after 2 years of medical tyranny has opened the floodgates of hope again!	2/19/2022 5:21 PM
21617	Joy, pure joy that a group is passionate about our rights and freedoms	2/19/2022 5:21 PM
21618	It has given me hope and pride in my country again! For the first time in almost 2 years. To see all the Canadian flags waving , the humanity and unity of the people reminded me of the Canada I was brought up in.	2/19/2022 5:21 PM
21619	Given hope that someone is standing up against the ongoing power-plays by our federal and provincial governments. Encouraging to see hundreds and thousands of groups and individuals, of ALL colours, races and economic status', unifying in goodwill for the love of our country, that we are not alone in recognizing that this is no longer a health or medical issue, but is very much a political issue. I support a peaceful, legal protest.	2/19/2022 5:21 PM
21620	It gave me hope that the people are standing up for what's right finally	2/19/2022 5:21 PM

21624	Gave me hope that the world was coming to its senses.	2/19/2022 5:21 PM
21625	no direct consequences	2/19/2022 5:21 PM

21631	Pushed politicians to end their tyrannical lockdowns and mandates and shed light for those who are being gaslit	2/19/2022 5:21 PM
21632	It hasn't. Except to inspire and provide hope	2/19/2022 5:20 PM
21633	Simply it has decided too many people. It needed to happen and it needs more results! It has shown how unaccountable our sitting governments are at all levels and that nobody knows what the actual Confederate Flag looks like.	2/19/2022 5:20 PM
21634	Good to see people standing up against mandates. People should have a choice	2/19/2022 5:20 PM
21635	Mild inconvenience. The false media depiction caused a huge amount of mental tension	2/19/2022 5:20 PM
21636	Given me hope that people are asking questions and making their own informed decisions	2/19/2022 5:20 PM
21637	They blocked me from visiting and going skiing with my family in Ottawa. They are giving the wrong message to kids to fight and insult authorities!!	2/19/2022 5:20 PM
21638	Personally saddened by the way peaceful Canadians are being demonized and violently assaulted by those who are supposed to protect all of us from such aggression. A super sad day for Canadians.	2/19/2022 5:20 PM
21639	Not at all.	2/19/2022 5:20 PM

21643	Yes.. The grocery stores are out of a lot of things. Especially in the North where we live.. shelves have been way emptier than usual	2/19/2022 5:20 PM
21644	Gave me hope in humanity, gave my souls a fighting chance. Showed how horrible the government is and how they want to control us as a population.	2/19/2022 5:20 PM
21645	Go truckers	2/19/2022 5:20 PM
21646	They have restored faith, hope and freedom!	2/19/2022 5:20 PM
21647	I support them completely. They are the only hope this country has.	2/19/2022 5:20 PM
21648	I prefer not to say	2/19/2022 5:20 PM
21649	It hasn't affected me directly, but seeing more violence come out of the police than out of the protestors makes me question our government even more.	2/19/2022 5:20 PM
21650	Gave me hope until RCMP trampled a peaceful old lady with a horse. Now I wish I lived in another country. Shame on you Liberals.	2/19/2022 5:20 PM
21651	Gives me hope that things may change for the better. No more mandates!	2/19/2022 5:20 PM
21652	It's giving me hope that there might be an end to this	2/19/2022 5:20 PM
21653	I am embarrassed for a country I love. We are better than what the world has seen for 3 weeks.	2/19/2022 5:20 PM
21654	It's made me proud it makes me smile it shows our country coming together and they went out of their way to do anything and everything for VAX or unvaccinated people this is for freedom of everyone so I support this it has not affected me other than to make me smile and make me happy	2/19/2022 5:20 PM
21655	Made me proud again to be a Canadian	2/19/2022 5:20 PM
21656	Hope. Seeing that so many other Canadians feel the same way is so encouraging. I am sad that we haven't been apart of it. We have been sick collectively as a family for almost two months now. But I am so proud we have a strong group of Canadians who have our backs.	2/19/2022 5:20 PM
21657	Given me hope for a free Canada again.	2/19/2022 5:20 PM

21680	Given me hope that things might change and that there are many other people out there that feel like I do	2/19/2022 5:19 PM
21681	Brought my family, friends and community together...maskless and without restriction, feeling united and free. The convoy has given us hope for freedom and normalcy to return.	2/19/2022 5:19 PM
21682	It's brought a unity to our nation. It's brought a way of protesting not seen since the Dr. Martin Luther King marches. The love of fellow Canadians for fellow Canadians. I've watched the biggest Canada celebration ever. Unity across the land from East to West and the Northern provinces. It has made me proud to be Canadian in the midst of this evil government.	2/19/2022 5:18 PM

21696	Gave me hope	2/19/2022 5:18 PM
21697	It had not affected it at all. The mandates have been far worse and had far worse affect then the ticket convoy.	2/19/2022 5:18 PM
21698	Has not	2/19/2022 5:18 PM
21699	I am undecided.	2/19/2022 5:18 PM
21700	It has been amazing to see how people are coming together in a calm, peaceful and loving way to make sure that Canadians have the right to freedom and free choice which is what we have lost through all of this. Even my children have lost that right.	2/19/2022 5:18 PM

21716	It lifted my spirits higher than any other moment in two years. Never felt prouder.	2/19/2022 5:17 PM
21717	The convoy made me proud to be Canadian again. I felt hopeful for the first time in 2 years that we could affect change. I cried tears everyday to see this country pulling together, waving flags, singing the national anthem and genuine intent of being peaceful and all they wanted was to share the concerns regarding the need for Mandates to end. I applaud their courage and how responsible the "truckers" were. Good Canadian folks pulling together for our rights and freedoms to be considered. They are heroes in my mind. And the world is watching. We should be proud. ♥ Our government should be ashamed. 😊	2/19/2022 5:17 PM

21726	It has given me hope that people can come together for change. It has also shown me how the media skews storylines and twists it to the governments benefits. I have done my own research on both sides and see the flaw in how our country is being run. This is is not a minority, we are a majority.	2/19/2022 5:16 PM

21752	I am a trucker too and I really appreciate what they are doing for the whole nation.	2/19/2022 5:15 PM
21753	It has reduced access to emergency resources in my community as they have been redirected to manage the occupation in Ottawa and at numerous border crossings.	2/19/2022 5:15 PM
21754	It gave me so much hope, I want my kids and my family to not be afraid to play socialize and be kids and learn, to not be afraid to be human , these truckers are the real heros in all this. They are speaking for the right reasons and I wish to God someone would listen. These mandates are destroying outer county and the beautiful people in it.	2/19/2022 5:15 PM

21763	Has interfered with husband being able to do his usual runs across border so negative impact.	2/19/2022 5:15 PM

21765	It's given me hope that things will change.	2/19/2022 5:15 PM
21766	Brought some positivity back into people. Actually made you feel proud to be Canadian again. Starting to change again by the excessive police force on regular citizens. It's despicable that these police would stand together and follow these orders. I know people there and they are average hard working citizens of this country and who have contributed a lot more to this country than Trudeau who has failed on every level to show leadership. I'm embarrassed by him as our prime minister.	2/19/2022 5:15 PM
21767	Hope	2/19/2022 5:15 PM

God bless these men and women who are standing for me a senior and what freedom is all about. They are my voice in this season. Go God. Go Truckers	2/19/2022 5:14 PM

21780	It hasn't	2/19/2022 5:14 PM
21781	Very distressing, stressful and depressing. Very disturbing .	2/19/2022 5:14 PM
21782	Brought positivity and light to my future	2/19/2022 5:14 PM
21783	No impact	2/19/2022 5:14 PM
21784	Not at all, I love seeing how happy they are and I am so incredibly grateful that they're doing this. I quit my job over this mandate so I understand the frustration and am disgusted at the gross overreach of our government and employers as a result. I fully stand with the Freedom Convoy but I don't condone violence or desecration of statues or memorials. I also don't support the use of hateful symbols. None of these things I've listed were part of the Freedom Convoy despite what Trudeau has to say and I'm glad that the Convoy is actively trying to find these people that were witnessed as being disrespectful. I love Canada and I believe this country is in deep distress because of our government and some opposing party leaders. We need to reform the government to make things more equal as this is supposed to be a democracy.	2/19/2022 5:14 PM
21785	Proud hold the line	2/19/2022 5:14 PM

21792	Gives me hope	2/19/2022 5:14 PM
21793	The convoy gives hope	2/19/2022 5:14 PM
21794	Shows the true colours of our once trusted government, that the government has a much higher agenda that does not relate to its fellow citizens but to the wallets of politicians. The convoy has exposed that, and the cowardly actions taken by our provincial and federal leaders. Rather than discuss these issues	2/19/2022 5:14 PM
21795	Not at all but does give me a sense of patriotism. The truckers have sacrificed a lot. This country needs to be RID of Justin trudeau.	2/19/2022 5:14 PM
21796	Has given Hope that the truth will prevail and shows that we severely need a new government whom work for the people, not against the people. Our current leader is a hypocrite and has no backbone	2/19/2022 5:13 PM

21798	Scary	2/19/2022 5:13 PM
21799	It's given me hope that citizens will speak up when they are being unjustly oppressed by the government and media for the sake of their own self serving interests.	2/19/2022 5:13 PM
21800	I have gone protesting in my city because of them.	2/19/2022 5:13 PM

21822	It is an awakening	2/19/2022 5:13 PM
21823	They are fighting for our rights and freedoms. I finally have hope again	2/19/2022 5:13 PM
21824	I feel hope. I agree with the convoy in ways. Although, I don't agree with some antics like honking 24/7...when no one is in the building after their workday is finished. But am glad they are there. The lies of the media need to stop and the violence towards the people enforced by the PM. Its highly disappointing how he has brushed them and Canadians off. I already have been protected by my association as per most of the mandates. They have not required vaccine for me to renew my massage license. But I miss working on those that are sick as it significantly reduces the sickness. I more want it to stop the direction our government is allowing of control of the citizens.	2/19/2022 5:12 PM
21825	Very positive. They are uniting Canadians. Shown the World we have the right to standup to tyranny. God bless them. True hero's.	2/19/2022 5:12 PM
21826	The truckers' convoy has given me hope! For the first time since this all began, I feel alive and that I am not alone. I have a voice and I'm not crazy. I want to fall in love with Canada again!	2/19/2022 5:12 PM

21845	It has given me hope that there are not only others out there who feel the same way I do, but that there are good, moral people who care about this country and what is happening to all of our freedoms.	2/19/2022 5:12 PM

21849	They have given me hope and pride to be a Canadian. The peace they exhibited through all the protests has been a joy to watch.	2/19/2022 5:11 PM
21850	It hasn't, except for showing me how sad society has become and the fact that so many confuse freedom for privilege. They had freedom. No one was forcing them to get the shot. Every choice has a consequence. Makes me sick the money that has been spent on these people.	2/19/2022 5:11 PM
21851	Inspired and reminded that god is in charge	2/19/2022 5:11 PM
21852	They have provided hope that not everyone in this country is brainwashed by the mass media	2/19/2022 5:11 PM
21853	It has restored my hope in humanity and I am proud to stand with these brave fellow Canadians, who have courageously come to stand up for our God-given rights and freedom, against our tyrannical government.	2/19/2022 5:11 PM

21859	Has been the most emotionally lifting experience I have ever been through. It has lifted peoples hopes and spirits. Went to Ottawa twice. Amazing , peaceful, loving people that just want their freedoms back.	2/19/2022 5:11 PM
21860	Feelings of hope that we can stand up and say enough is enough. We will not listen nor obey the tyranny any longer.	2/19/2022 5:11 PM
21861	It brought me hope and a reason to smile again. Peace and unity and love	2/19/2022 5:11 PM
21862	It has been an uplifting beacon of hope. Governments would like to have us believe it's a "small minority" that oppose the mandates and loss of fundamental freedoms but the rise in the convoy has proven otherwise to Canadians and the world. It has restored my vigour to use the democratic systems of our government and country to fight endlessly for our freedoms back.	2/19/2022 5:11 PM
21863	It has given me great hope.	2/19/2022 5:11 PM

Canadians vote on Canadian Mandate – February 2022

21864	It's a shot of hope in an otherwise bleak and hopeless future. I believe they've made their point. I VERY strongly disagree with any trucker activity that blockades roads or makes the lives of any Canadians worse in any way. I am also upset and how violently the media is trying to paint the truckers and the bad guys when they are the victims or human rights abuse.	2/19/2022 5:11 PM

21868	Gave renewed hope and faith in our country & humanity	2/19/2022 5:11 PM
21869	I am encouraged by the unity there is in Canada. I am more proud than ever to be called Canadian because this was a peaceful process. I am horrified with the power the Prime Minister has. He was elected by the people to serve the people. I do not see him doing anything that isn't self serving.	2/19/2022 5:11 PM
21870	It's given me hope. It let me know I wasn't alone in my thinking. It's brought out the truth about our corrupt government. It's united Canadians in the way we should all be united. It's inspiring & I completely support them for what they're doing for all our freedom.	2/19/2022 5:11 PM
21871	They are fighting for everyone, teachers, nurses, doctors, firemen, police ect. At least 50% of vaccinated people took it to keep their job because they couldn't afford to walk from their job. Lets get real	2/19/2022 5:11 PM
21872	They have brought me reassurance that I'm not the only one who opposes the mandate and the lack of freedom to choose.	2/19/2022 5:11 PM
21873	Enriched it with peace and love. Brought unity and togetherness	2/19/2022 5:10 PM

21883	Gave me hope	2/19/2022 5:10 PM
21884	Gives me hope knowing I'm not alone in wanting the mandates to end . Gives me hope people will vote for a new government who is willing to end vaccine mandates.	2/19/2022 5:10 PM
21885	It has given me hope this will end the government overreach	2/19/2022 5:10 PM

21887	Gave us hope	2/19/2022 5:10 PM
21888	It has given me hope for the future. For this country. For our children's futures, and for my families ability to build a business again, travel freely once more, and not feel the prejudice and persecution of this divisive conquest against a disease (Covid-19 and variants) that almost everyone I know, "vaccinated" or not, has had at one time or another and have all recovered from. This includes but is not limited to; my 82 year old grandmother, my stage-4 terminal liver cancer suffering father and my 58yr old mother-out-law who lives with the affliction of multiple sclerosis. What are we afraid of? Our own mortality? Freedom of choice? Compassion for one another? Is a life, lacking consent, and riddled with totalitarian restrictions and control worth living? These are the questions the truckers and this movement have evoked in me and I hope many of my fellow Canadians. Thank you for this opportunity "A true North strong and free"	2/19/2022 5:10 PM

21893	They've given me hope	2/19/2022 5:10 PM
21894	Not at all there is still groceries and supplies in the store every day and that's all anyone needs to live there is truly not been anything affected other than direct people surrounding the Convoy most of the people winning on the news are people that have been found and sought it by the news for the sob story frankly no one cares anymore but anyone else	2/19/2022 5:10 PM
21895	They are bringing Canadians together like we all uses to be	2/19/2022 5:10 PM
21896	Just craziness in our city	2/19/2022 5:10 PM
21897	I feel connected to people again. I have hope	2/19/2022 5:09 PM
21898	Not sure	2/19/2022 5:09 PM
21899	Created hope and seeing some results in Alberta and some loosening of restrictions	2/19/2022 5:09 PM
21900	support truckers all the way	2/19/2022 5:09 PM
21901	Filled me with more hope, love and pride in my country than ever before!! Feeling like we're not alone anymore, became so so proud of the everyday Canadians standing up for our rights, putting their lives on hold to stand up for ours!! Shown me how our government does NOT consider the opinion of millions of its own people, even though they are supposed to work for the people!!! So much thankfulness and unity coming from this convoy and the many little ones around the country!!	2/19/2022 5:09 PM
21902	It's great to see people standing up for freedom! So only in a positive way	2/19/2022 5:09 PM
21903	Positive improvement.	2/19/2022 5:09 PM
21904	It has given me hope....pride, which I have not felt in a while! I want a change...the convey fired up the momentum of change and the world is watching!	2/19/2022 5:09 PM
21905	Tears to see our country come together, praying for them and their safety	2/19/2022 5:09 PM
21906	Not at all. Gives me hope	2/19/2022 5:09 PM
21907	Made me aware of the frustration people in Canada have towards the lake of understanding our policies have on normal working people	2/19/2022 5:09 PM
21908	it has given me hope that someone is fighting for our rights and freedoms. Trudeau's response has broken my heart as a Canadian and now I have lost trust in government and we may have to try to escape the country now in fear of his next actions if he is allowed to continue in power.	2/19/2022 5:09 PM
21909	I think that's what it was going to take, hard working people that are fed up. I'm vaccinated but I have many friends & family that aren't & that's their choice, I would never make someone do something they didn't want to do. They have their reasons as I had mine. I am saddened at how it has divided our country. I am also disappointed in our media for not reporting on both sides of the issue. I'm glad there are news media from other countries that are reporting the truth. I always knew Trudeau was an ass, now the world knows it too. He has shown his true character & I can only hope that there is a vote where he can be relieved from office within the next few months so our country can heal from his dictatorship. & I would like an investigation into his conduct during the time of the convoy. I did not contribute any \$ to the truckers, but I think it is appalling that Trudeau would treat anyone that has as supporting terrorists. To freeze bank accounts & then leak the list so he can "shame & bully" anyone who did. He disgusts me. He seems to think he can do or say whatever he wants with no consequences. The world has always seen us as "polite Canadians", & when they see how peaceful the protest has been & Trudeau evokes the Emergency Act, ya, all I can say is he is a bully, he will go down in history as a tyrant, & should pay personally for what he has done in dividing this country. If there are lawyers out there willing to sue his ass for what he has done to these people, leaking their names so Trudeau's minions can bully them & ruin their reputation & businesses, I will definitely contribute to that.	2/19/2022 5:09 PM

21930	It has giving me hope and faith that when we come together peacefully we should be heard. It was long pastdue for someone to stand up for or Canadian rights and freedoms. 21972	I didn't like what I was seeing the last couple days with Mr. Trudeau goons (police officers) the way they treated the public and our veterans there for state of emergency act. And they are trying to keep our freedom, this is Canada, we are not a communist country. We have choices and are strong and free, and this government is taking away all our rights.	2/19/2022 5:05 PM
21986	It has given me hope. I, myself would have no idea on how to organize such a thing. I do support them all.	2/19/2022 5:05 PM
21987	Minimally as I live well away from its activities, but I feel it has not been well handled by truckers or governments.	2/19/2022 5:05 PM

22041	I support them completely. I want freedom for Canadian people. I came to Canada from communist country to have freedom and in the last 2 years everything is gone.	2/19/2022 5:03 PM
22042	Not at all. They can't deliver anything hanging out in 150 cargo ships at sea at California port and thousands of containers sitting at ship yard, including the semiconductors n chips n other parts needed to make autos. There was already a major shortage of truckers, but threatening, stealing their money, physically attacking truckers or peaceful protesters and declaring war on Canadians and arresting them, is only making everything worse. No truckers, no deliveries! Now, Trudeau forced USA truckers to begin convoy more than 2 weeks early. Nobody will deliver anything to Canada under these conditions. Truckers stand united for the people, not themselves. Biden can't do anything that Trudeau did. Military, police, and citizens have no rights, freedom, or safety now. Nobody can afford anything because Biden destroyed USA and constantly lied to country. Even his own senators n Congress are quitting or retire if possible. Like Trudeau, they have a title, but no followers or country.	2/19/2022 5:03 PM

22057	I didn't know we had so many stupid people and that they think they are not taking our freedom away	2/19/2022 5:02 PM
22058	I do not agree with all of the convoy. Nevertheless, it's time for the government to realize that it's not the 10% of non-vaccinated that reaches its limits, it's all the population. By trying to minimize the support of the convoy to only non-vaccinated, the government is missing the target. It's not by calling them misogynist, racist or non-educated people that it will help. Trudeau is denying its own people the right to be exhausted, frustrated and to try to have a dialogue with him. Did he just try once to take the phone and talk to them ?	2/19/2022 5:02 PM

22066	It's been a huge positive affect knowing that somebody is finally standing up for the rights of Canadians & freedoms	2/19/2022 5:01 PM
22067	It hasn't really affected my life, I support what they want which is choice but I don't agree with their means of achieving that. Everyone has a right to peace as well as choice	2/19/2022 5:01 PM
22068	The Trucker Convoy 2022 has brought out so many things I never imagined possible in myself or my fellow Canadians. Other than in the Canadian liberation of my ancestral nation at the end of WWII, I have never felt any particular pride in being Canadian. Now, I have never felt so much love for my fellow Canadian or have been so proud to be Canadian. When I shook the hands and looked into the eyes of the truckers in Ottawa there was such a beautiful bond uniting us. The truckers have awakened my own courage as they have sacrificed so much to take the initiative to stand against tyranny and create a way for the rest of us to come together as an example for the world. I am filled with awe and thankfulness as I witness all manner of things unfold through these events that only God can do.	2/19/2022 5:01 PM
22069	Pain, asthma, lack of sleep, fear of going outside, unable to buy groceries, loss of income, and just generally being really pissed off at entitled white boys.	2/19/2022 5:01 PM
22070	Hasn't really, not a big deal	2/19/2022 5:01 PM
22071	Gave us hope and the true Canadian spirit back again	2/19/2022 5:01 PM

22075	It didn't impact me personally, but did make me feel like I wasn't alone in wanting mandates to end. Gave me hope of a better country going forward	2/19/2022 5:01 PM
22076	Limited mobility	2/19/2022 5:01 PM
22077	Go en me hope. I am proud of what they have done and how the whole country is uniting to voice the concerns about these unnecessary mandates	2/19/2022 5:01 PM
22078	The convoy gave me hope, it allowed me to have teachable moments for my children. It also showed me how disgusting and manipulative our media is. I knew it was like that in the USA but I had not noticed it in Canada until COVID hit and then it was blatantly obvious when the convoy started. I have a tremendous amount of respect for all those that have been protesting	2/19/2022 5:01 PM

22117	It has given me hope! Helped me to rise above my gov'ts oppression	2/19/2022 4:59 PM
22118	Firstly, I was elated with the patriotic solidarity and determination shown by protesters. Secondly, this has clearly shown our country's poor leadership and hypocrisy in not hearing opposing views or being open to discussion and negotiation.	2/19/2022 4:59 PM
22119	It hasn't effected anything	2/19/2022 4:59 PM
22120	It has not	2/19/2022 4:59 PM
22121	It has made me see just how power hungry our prime minister is. And how inconsistent his standards and reactions to protests are depending on whether or not the protesters hold similar politic views as him. It has also showed me how onesided our media outlets have become.	2/19/2022 4:59 PM
22122	It hasnt	2/19/2022 4:59 PM

22124	Created hope and pride in my fellow country men women	2/19/2022 4:59 PM
22125	I felt a considerable amount of hope for our country. I thought I was one of only a small amount of people who was seeing all the deceit and over reach by our government. I felt hopeless as a citizen of Canada. The convoy and the people along the route to Ottawa made me proud to be Canadian. Brought me hope	2/19/2022 4:59 PM

22154	Gives me hope and encouragement to see so many Canadians come together peacefully	2/19/2022 4:58 PM
22155	For me, it has given a sense of hope and knowing that I am not alone struggling. Also the courage to speak up about my beliefs and how at this point its time to move on and take back the parts of society, mental health, and community that was lost.	2/19/2022 4:58 PM

22157	It hasn't and I support it	2/19/2022 4:57 PM
22158	Made me proud to be a Canadian	2/19/2022 4:57 PM
22159	I used to be one. I think what they have done now, is make the reputation of the trucking industry shameful. Thanks to all the truckers that stayed and delivered the goods we need. I believe the protesters have totally lost sight of what the convoy was about originally. Just my opinion!!	2/19/2022 4:57 PM
22160	Gave me hope that someone is at last voicing the concerns of many, many people	2/19/2022 4:57 PM
22161	Made me proud to be a Canadian in a deep dark period! When I was in Ottawa last week for an appointment all the people I spoke with were in favour and happy that JT's true colours were being exposed.	2/19/2022 4:57 PM

22177	Gave me hope	2/19/2022 4:56 PM
22178	Helps to know we are not alone in our thinking/convictions. It's not a small fringe movement. Millions of Canadians care about this. It also has helped exposed the farce that is our political system, our media system, and the hypocrisy of "the left."	2/19/2022 4:56 PM
22179	It has given me hope. Given me the strength to Stand Strong and Stand My Ground	2/19/2022 4:56 PM
22180	Gave me hope.	2/19/2022 4:56 PM
22181	Enlightening	2/19/2022 4:56 PM
22182	It's insane that people who genuinely haven't filed appropriate proceedings to peacefully protest are surprised that they're not being treated as heroes around the country. Realistically, it is a scenario that reeks of complete entitlement by a select group of people who feel that they are the sole rightful tenants of a country which their ancestors immigrated to, and forcibly denied rights to its proper inhabitants. To say that it highlights just how little a number of people understand their history and their privilege is a genuine understatement.	2/19/2022 4:56 PM
22183	Given me hope. Lifted my spirits. Honk!!!!	2/19/2022 4:56 PM

22192	Not sure. It seems to have affected the availability of items at the grocery store as well and increased prices	2/19/2022 4:55 PM
22193	It has given me hope for this country. People fighting for our freedom.	2/19/2022 4:55 PM

22206	Hoping the truckers can end all mandates and there fighting for are freedom without guns	2/19/2022 4:54 PM
22207	Thankful that people see the truth and are standing up to a dictatorship government.	2/19/2022 4:54 PM
22208	The convoy has been the only thing that's given me and my family hope in the last 2 years. I support them 10000000%, through and through. They stand for freedom, they are peaceful, and they need to be heard.	2/19/2022 4:54 PM
22209	<p>It has been one of the most positive experience in the last two years ... I stood on a bridge as they passed by with many others cheering and waving flags. Last weekend I went to Ottawa with my kids to see what exactly was all happening (we know most media is not telling the truth). We wanted to talk to the truckers, pray in front of parliament, sing praises to the Lord on parliament hill, let the government know we have emailed and called public health, MPs, MPPs, premier and prime minister to no avail. I am so thankful someone finally had the courage to stand up for the people bc most of the government just nodded and went along with everything. Canada is no longer a free country and the trucker convoy is fighting for freedom.</p> <p>————— This Convoy is not just for the truckers mandates. It's for the family members banned from visiting family in nursing homes. It's for the censorship on all social media platforms. It's for all the people afraid to speak in fear of being called conspiracy theorists. It's for the people who didn't want to give up their freedom of choice! It's for the people who don't want to give up their right to bear arms. It's for the people who don't want to be in debt for the next 100 years. It's for the people who only want answers to the many questions that haven't been answered. It's for the people afraid to hug their family and visit friends. It's for the people who want their lives back. For the hairdressers to cut hair. For the restaurants to serve food. For the bars to play music. For the students to learn. For the kids to be free. For people who want to work but are forced not to. This is for the people. This is for trying to silence honest and hardworking citizens. Never in my life have I ever seen the healthy punished and the sick untreated. This is for the 300,000 surgeries cancelled. This is for the people that died waiting for their surgery. This is for the people who died alone in the hospital without being able to hold that hands of their loved ones. This is for the exhausted nurses, teachers, parents etc. This is for the doctors that are going unheard. This is for all the front line workers, delivery trucks, grocery store clerks, PSWs who are constantly working overtime etc. This is for all of us. If you do not support the truckers, IT'S OKAY because: If mandates get lifted I would like to remind you.... you can still stay home. No one will rip the mask off your face, no one will force you to dine in at a restaurant, you can drop your children off at their leisure activity and wait in your car, you can still say no to family gatherings and events, you can live within your 4 walls and NO ONE will stop you. We will not judge you for your choice - we will just be glad you have one. That is the point of FREEDOM of choice! While you're comfortable where you are we are also comfortable moving on with our lives. Sincerely A member of the small fringe minority with unacceptable views</p>	2/19/2022 4:54 PM
22210	At the beginning I was in full support and excited someone was finally taking a stand. But now, like the mandates, they could go home	2/19/2022 4:54 PM

22267	Hasn't personally as I don't live where they have protested. There was no need to bring back mandate in for trucker as they basically live in isolation on the road.	2/19/2022 4:52 PM
22268	It did open my eyes to how the people were not being heard	2/19/2022 4:52 PM

They're alert and know what's going on, and are not asleep. And made me feel so grateful that they would sacrifice so much of their lives - finances and health and family and time to do this in the freezing cold for weeks for us all! Very thankful to them. As long as they're peaceful as they are, they're on the right side of history. God bless them and their families!	2/19/2022 4:51 PM

22313	Proves that those who believe the government has gone too far with this are not the "fringe minority" Trudeau claims we are.	2/19/2022 4:50 PM
22314	Has given me hope for a future for children.	2/19/2022 4:50 PM
22315	Hope	2/19/2022 4:50 PM
22316	Not too much at this point, however if they fail in their mission to stop covid mandates, I believe that will effect every Canadian negatively. We have given the government permission to rule by brut force.	2/19/2022 4:50 PM
22317	Made me proud to be a Canadian	2/19/2022 4:50 PM

22331	..	2/19/2022 4:50 PM
22332	It has given the people of Canada and the world a glimmer of hope we will see justice done, that we can stop the tyrannical take over of our once proud country by EVIL men and the lies of thier paid media, they are the plague of our nation, the convoy of peacfull CANADIAN FAMILIES is our last hope to retake our freedoms and our country back from the evil hands of the world economic forum and thier traitors that have heavily infiltrated our government	2/19/2022 4:50 PM
22333	Gave me hope reminded me of freedom	2/19/2022 4:50 PM
22334	Given me hope! They carried themselves with dignity & we finally had a group of hard working people fighting for our rights instead of going along like sheep & having our lives on so many levels destroyed by our government.They were not reported by fake news truthfully! Since when does a peaceful rally merit arrests & freezing bank accounts when all they are protesting about is our legal right to choose for ourselves without being punished by our government. So proud of the convoy & them speaking up for us. Heartbroken how they are being treated. Trudeau needs to be stopped. Not proud of what has happened to us in Canada right now. Frighten for all of us. The convoy was incredibly brave & our only hope to have this all go away.	2/19/2022 4:50 PM

22337	happy	2/19/2022 4:50 PM
22338	Brought us a glimmer of hope for the first time in two years. Finally something positive for my mental health.	2/19/2022 4:50 PM
22339	Its amazing what they have done, we need to be free from the mandates	2/19/2022 4:50 PM
22340	It hasn't, other than giving me some hope that our country can be peacefully united!	2/19/2022 4:50 PM
22341	It gave me a sliver of hope, and also opened my eyes to see more than just a small group of people are against these mandates. Medical decisions should be personal and not government chosen	2/19/2022 4:49 PM
22342	Gave me a glimmer of hope again for Canada	2/19/2022 4:49 PM
22343	It hasn't	2/19/2022 4:49 PM
22344	Gave me hope and proud again	2/19/2022 4:49 PM
22345	The trucking convoy has affected my life in many ways....both positive and negative. During the last two years we have been feared into silence. Sensing something was not right but being fearful to speak up or speak out. Plain and simply, the numbers just don't add up guys...it really takes primary school math skills to see this. The trucker convoy is a visible representation of the Canadians who see through what is going on and question it, which up until Monday Feb 14th we were still allowed to do (or we foolishly assumed we could in a democracy). Seeing the convoy grow and move across Canada was the first bit of hope and love I had seen and felt since this madness began; others questioned things like I did, I wasn't crazy. I have watched both the right and left perspectives of this rally and yet again, some of the stories being shared do not add up. I am not a fool and I do not appreciate being treated like one. I have studied history and how propaganda works and the tactics used on our citizens is truly disgraceful. The only negative effect of the convoy was brought to me by the involvement my government and the police/rcmp who swore oaths to represent and protect my freedoms and rights. No those are not alt right words, no matter how hard the media tries to spin it. I had faith in my government before, I supported police and rcmp and I foolishly respected media. The truckers convoy has unveiled a very uncomfortable truth, and once you see behind the curtain there is no way to un-see it. The people participating in the govt, police and media (who are complying with this chicanery and theatre) should be absolutely ashamed of themselves.	2/19/2022 4:49 PM
22346	It has provided hope for a step forward. Time to move forward and live with this	2/19/2022 4:49 PM
22347	Given me hope.	2/19/2022 4:49 PM
22348	Given me hope	2/19/2022 4:49 PM
22349	It has given me hope that we will have freedom again. Seeing Canadians hug each other and come together in a time of crisis has been nothing short of magnificent. Praying for an end to this hellish existence.	2/19/2022 4:49 PM
22350	Only positive	2/19/2022 4:49 PM
22351	It has brought hope for a free future	2/19/2022 4:49 PM
22352	It hasn't, they are peaceful protesters, spreading love not hate	2/19/2022 4:49 PM
22353	Made me realize that the working class are to important. That politicians are so out of touch to daily strife in this country. I am so ashamed of politicians and police over stepping our constitution. Our fore fathers are rolling in their graves	2/19/2022 4:49 PM
22354	It's giving hope!	2/19/2022 4:49 PM
22355	Given me hope! Made me feel not so alone realizing I'm not the only one wanting the mandate madness to end.	2/19/2022 4:49 PM
22356	It has given me a ton of hope. I feel a new unity and camaraderie with my fellow Canadians.	2/19/2022 4:49 PM
22357	It hasnt. Full support for them!	2/19/2022 4:49 PM

Canadians vote on Canadian Mandate - February 2022

22358	It is a nuisance. Which I can deal with. I cannot deal with the deep division that the continued mandates have caused. No one should be singled out or discriminated against for their personal medical choices and these continued mandates are encouraging us against them mentality.	2/19/2022 4:49 PM
22359	It's given my hope and pride in my country again.	2/19/2022 4:49 PM
22360	Standing with one large voice gives us hope and cheer for an end to the madates.	2/19/2022 4:49 PM
22361	Well the government's won't admit it but has pretty much changed the way most provincial governments look at it ,but the main issue is still not resolved , Canadians prisoners in our own so called Country not FREE to come and go as before that's a fact! I'll stop now	2/19/2022 4:49 PM
22362	Thank God I don't live I Ottawa where those dipshits are. The only losers I see around here are so moronic they don't realize the damage they are doing to our flag and country. These dumbasses are too chicken shit to get a little needle, too ignorant to see how idiotic they are, and too uninformed to understand how an advanced society functions. Other than that, have fun advertising your stupidity.	2/19/2022 4:49 PM
22363	They have protested against the mandates and are fighting for our freedoms. The government is not helping Canadians.	2/19/2022 4:49 PM
22364	It has brought hope and warms my heart to see so much love and unity! We love Canada and want to see our Freedom's return as it is our God given right!	2/19/2022 4:49 PM
22365	I am 100% behind the trucking convoy. It has not adversely affected my life.	2/19/2022 4:49 PM
22366	It has helped me see the true nature of my Prime-minister.	2/19/2022 4:48 PM
22367	It hasnt	2/19/2022 4:48 PM
22368	Pride! Way to go to stand for the citizens of Canada when the government has failed us	2/19/2022 4:48 PM
22369	Did not effect me at all proud of the truckers	2/19/2022 4:48 PM
22370	Positively	2/19/2022 4:48 PM
22371	Gave me hope for a normal	2/19/2022 4:48 PM
22372	It has given me hope in change. We have seen the governments of Canada and around the world move on ending mandates.	2/19/2022 4:48 PM
22373	It hasn't, behind them 100%	2/19/2022 4:48 PM
22374	Brought back hope to our country. Has brought more people together than I have ever seen.	2/19/2022 4:48 PM
22375	Less items on the shelves and the already high food prices have gone up. When essential food costs more it means we either go without certain things or find less healthy alternatives. There have medical items that have been hard to find at times so it means a lot of calling around to see if anyone has such items or having to order some things online at a higher price . I have great respect for truckers BUT I DO NOT support their behaviours at the moment. The actions of 15-20% Truckers is affecting Canada as a whole and that's just not right.	2/19/2022 4:48 PM
22376	Given me hope, unity with Canadians, add me so proud of them and reminding me what a real Canadian is. What a beautiful country we have that's worth fighting for.	2/19/2022 4:48 PM
22377	They made me proud to be Canadian for the first time in two years, effected me greatly, finally someone to stand up to these communist fucks.	2/19/2022 4:48 PM
22378	I feel its going in the right direction.	2/19/2022 4:48 PM
22379	I am very proud to be a Canadian. Those truckers are fighting for our FREEDOM. Go TRUCKERS and anyone who is there supporting them and all the Nations that have joined. God Bless you and your families! God Bless and protect Israel! God Bless the United States of America the Beautiful! God Bless CANADA the True North Strong and Free!	2/19/2022 4:48 PM
22380	Na	2/19/2022 4:48 PM
22381	They gave me hope. They gave me faith in Canada again. Trudeau has called me, a First Nations woman with status, a "Nazi", a " misogynist", a "racist", and many other names in his tirades against me because I refuse to be vaccinated as per his dictates! The truckers	2/19/2022 4:48 PM

Canadians vote on Canadian Mandate - February 2022

revealed Trudeau's true colors and his true agenda. The deceitful way that Trudeau called into action the EMA and then canceled meetings in parliament so nobody could vote while he called in the violence, was traitorous and despicable. Trudeau must resign.

22382	Given me hope that I am not alone. Hope that some Canadians are speaking and acting on their convictions. I was not confident to speak out, having already been going against the public and health narrative. Now I do and particularly since the emergencies Act has been brought forth and the horrendous and unnecessary use of force!!!! 🤔🌍😞	2/19/2022 4:48 PM
22383	Given hope for a change	2/19/2022 4:48 PM
22384	The convoy makes me scared about the future of the country and my safety.	2/19/2022 4:47 PM
22385	Inspired	2/19/2022 4:47 PM
22386	Gave me HOPE	2/19/2022 4:47 PM
22387	The convoy gave me hope to stand up against the elites.	2/19/2022 4:47 PM
22388	Finally people standing up for our rights and freedoms.	2/19/2022 4:47 PM
22389	It has given me a sense of belonging. A sense of Canadian pride again. I felt actual joy and happiness. I felt safe when in their midst. I love and support the convoy(s). They understand freedom without discrimination	2/19/2022 4:47 PM
22390	I am glad to see people standing up for freedom. I feel hopeful because of it and encouraged by it	2/19/2022 4:47 PM
22391	Gave me hope the cover mandates will end	2/19/2022 4:47 PM
22392	It has showed me that Canadians want to do what's right and stand up for all Canadians freedoms.	2/19/2022 4:47 PM
22393	It hasn't.	2/19/2022 4:47 PM
22394	Possibly less groceries in store	2/19/2022 4:47 PM
22395	It has given me a glimpse of hope for our future. And has immediately taken a positive affect on my life as vaccine mandates have been lifted and masks will soon follow	2/19/2022 4:47 PM
22396	Has given me hope and at the same time true disappointment in the leader of this great country. The fact that he didn't even want to entertain the idea of meeting with the organizers should show everyone how he is all about empowering himself and is not looking to help his fellow Canadians - the ones that he actually works for. It has become a very sad time in this country's history and not one anyone should be proud of. It is time to listen, respect and help one another whether you are male/female, whatever ethnic background or race. It's time the media show the other side of the coin and not just what our prime minister wants the world to see. Canada needs to stay free. That is our biggest asset.	2/19/2022 4:47 PM
22397	Given me hope that there are Canadians who want freedom	2/19/2022 4:47 PM
22398	Improved 100 fold just knowing we have so many Canadians in on helping to remove Justin true Dough	2/19/2022 4:47 PM
22399	Watched too much tv	2/19/2022 4:47 PM
22400	They have given me hope. The government does not listen. Other countries are fully open and have dropped most if not all mandates. We can see American sports fully packed and unmasked etc...	2/19/2022 4:47 PM
22401	Gave me hope	2/19/2022 4:47 PM

22405	It has given me wonderful hope !! The convoy has represented how i have felt since the mandates came into play. They are my voice ! I have supported them the whole way...they have been extremely peaceful and have been the amazing example for so many other countries . The truckers have made me feel excited for my future again ...excited about life,	2/19/2022 4:46 PM

demonstrated such strength and courage. Also has brought me closer to God. They have been the revival i have needed to open my door up with God again. I pray for absolute strength and continuous courage for them. I pray so many blind will see and have a change of heart.

22406	Have me hope that Canada might be saved	2/19/2022 4:46 PM
22407	Gives hope	2/19/2022 4:46 PM
22408	It has made me a proud Canadian with a voice.	2/19/2022 4:46 PM
22409	Given us hope that perhaps our federal and provincial leaders might start using common sense. Sure, it's an inconvenience, but we all recognize that it's temporary and we're willing to sacrifice.	2/19/2022 4:46 PM
22410	It's given me hope and I've never been so proud to be Canadian	2/19/2022 4:46 PM
22411	It has encouraged me.	2/19/2022 4:46 PM
22412	I feel bad for those poor humble truckers who are risking out everything to get freedom. It has not affected my life .	2/19/2022 4:46 PM
22413	It has given me hope that we might be able to end Mandates	2/19/2022 4:46 PM
22414	It has given me something to believe in and get behind a great cause.... our freedom	2/19/2022 4:46 PM
22415	I am fully supportive of the convoy. I have seen no ill effects on my life directly, apart from fearing for their safety as they protest on my behalf.	2/19/2022 4:46 PM
22416	I think it's time somebody stood up for our rights and freedom	2/19/2022 4:46 PM
22417	It has brought hope, love & unity back to Canadians & people around the world!	2/19/2022 4:46 PM
22418	There are a lot of truck drivers from other countries that are not coming to drive this year because of the fear driven leader ship and miss trust, the rest of the world has acknowledged that we must move forward but Canada we are going backwards to a point where people are afraid to be in Canada	2/19/2022 4:46 PM
22419	Made me feel proud to be Canadian again!	2/19/2022 4:46 PM
22420	Brought hope that tyranny by the governments at all levels will be defeated	2/19/2022 4:46 PM
22421	I felt hopeful but now with the government crushing them our hope is lost.	2/19/2022 4:46 PM
22422	It gives me hope for a free country!	2/19/2022 4:46 PM
22423	Gave me hope again for Canada that our freedoms will be restored. Brought tears of hope to my eyes and strengthened our community.	2/19/2022 4:46 PM
22424	It's given us hope and let's us know we aren't alone	2/19/2022 4:45 PM
22425	Brought me hope, again.	2/19/2022 4:45 PM
22426	It has given me hope.	2/19/2022 4:45 PM
22427	It hasn't. I fully support peaceful protesting but for those who are being peaceful, they should absolutely be arrested for inciting violence or for racist activity. Although, I would say it is mostly the police that have been inciting violence. Everyone that goes out of their way to harm others should be held accountable for their actions whether it is from the protesters or the officers.	2/19/2022 4:45 PM
22428	Gave me hope that I had lost during these mandates	2/19/2022 4:45 PM
22429	It has given me an increase of faith and hope that Canada will remain a feasible country to live and thrive freely in as an entrepreneur and someone whom chooses to live more naturally in a democratic society rather than living restrictively in a technocratic society	2/19/2022 4:45 PM
22430	No it's inspired me	2/19/2022 4:45 PM
22431	I was really annoyed for the people of Ottawa having their freedoms taken away by them	2/19/2022 4:45 PM
22432	Hasn't.	2/19/2022 4:45 PM
22433	It brought some hope back!! until the government's tyranny disgustingly injured Innocent	2/19/2022 4:45 PM

protesters including elderly and veterans!

22434	Gave me hope.	2/19/2022 4:45 PM
22435	I was positive about the trucking convoy in the beginning and so proud of what so many Canadians are fighting for, however as time has gone on and our federal government has refused to listen to or even acknowledge the hurt, frustration and confusion that these truckers and supporters have been trying to voice, I have become disheartened with the massive divide our prime minister and his minions have already wedged through our country. I am disgusted by the actions and comments of government members, many of the police in Ottawa over the last few days and even numerous members in my own small rural community who have spoken with hatred and disgust on social media for those who have driven across the country to fight for the freedoms of our futures and children. Seeing what is happening now, means our country needs major reform in all it's facets - and we need that reform now! Let's start with the removal of our Prime Minister from office - your countrymen do not trust you and do not support you as our leader, its time for you to step down. Confess to your wrong doings - or don't - but just get out of our way because we are restoring our God-given freedoms now.	2/19/2022 4:45 PM
22436	I felt hopeful, but today I feel sad.	2/19/2022 4:45 PM
22437	Happy they're doing it.	2/19/2022 4:45 PM
22438	The trucking convoy has brought more hope in Canada and people than I've ever experienced and couldn't agree with the demand for freedom more!	2/19/2022 4:44 PM
22439	Brought inspiration, proud to be Canadian again. People are more together than ever	2/19/2022 4:44 PM
22440	They make me embarrassed to say I'm Canadian. These people are the lowest of the low. Disgusting. Stop it.	2/19/2022 4:44 PM
22441	That never affected my life at all.	2/19/2022 4:44 PM
22442	I'm glad to see people are fighting for our freedom	2/19/2022 4:44 PM
22443	They have given me hope that we may see some change in this country. I am completely appalled and disgusted in our government for not even entertaining the idea of even speaking to them and hearing Canadians concerns. I have lost all trust and confidence in our government.	2/19/2022 4:44 PM
22444	It has given me hope. It has made me proud to be Canadian again.	2/19/2022 4:44 PM
22445	awareness that other people thought like I did Maybe not their ideology but in general where our public and our country has gone Inspiring in that way	2/19/2022 4:44 PM
22446	Has given us hope	2/19/2022 4:44 PM
22447	It has given me hope that other people believe the same way about the mandates. I felt like there were people willing to make a sacrifice for people like me.	2/19/2022 4:44 PM
22448	I have watched the whole world unite with light and love, bringing all walks of people together, hugging and sending love and HOPE out to all countries! All anyone wants is there rights and freedoms back!	2/19/2022 4:44 PM
22449	Give us hope	2/19/2022 4:44 PM
22450	Gave me sense of hope	2/19/2022 4:44 PM
22451	Hope, joy, proud of Canada once again,	2/19/2022 4:44 PM
22452	Did not affect!!!	2/19/2022 4:44 PM
22453	Brought to light just how dictated our lives really are, if we don't agree with the government's narratives.	2/19/2022 4:44 PM
22454	It has not	2/19/2022 4:44 PM
22455	It has given me hope	2/19/2022 4:44 PM

22458	Provided me with inspiration , hope that government shall resume normalcy . Hoping that those who lost jobs can get them back . We can have a voice once again .	2/19/2022 4:44 PM
22459	It has given me hope for our freedom and freedom of my grandkids	2/19/2022 4:44 PM
22460	Provided outlet for hope to exist, allowed unity in understanding that others may feel the same, created excitement that life may return to near normalcy	2/19/2022 4:44 PM
22461	The only affect that this convoy has had on me is that it has renewed my love for the Canadian people. I thought our country was lost. But they brought hope.	2/19/2022 4:44 PM
22462	It has brought me hope, and showed me that peaceful protest outweighs violence. It has showed me that it is in fact possible to stand up to the evil people who have infiltrated our government and taken rulership over us by lying on the news media. It has showed me a small taste of the freedom I remember. It has reminded me of the brotherhood that IS the nation of Canada. It has also reminded me of how divided the nation has become under the brutal horrible grip of the liberal regime. It has shown many that the liberals are in fact a fringe minority with unacceptable views, cowards who run and hide a the slightest discomfort and when its time to do leadership stuff, the only thing liberals can do is tyranical martial law and verbal assault. The " trucking convoy" has blown the medias cover wide open and enlightened many. It has given us hope once again.	2/19/2022 4:44 PM
22463	It has brought hope and joy!! It has given us a cause to rally around!! We support them 100%	2/19/2022 4:43 PM
22464	Standing up for our rights	2/19/2022 4:43 PM
22465	I love them. It's amazing how much of a change they have made while the world is watching and trying to imitate.	2/19/2022 4:43 PM
22466	Hasnt	2/19/2022 4:43 PM
22467	Completely embarrassing the number of people I know supporting this farce of a 'freedom convoy' that is actually a large scale tantrum of white supremacy and white entitlement. And for the record, I am white.	2/19/2022 4:43 PM
22468	It has not.	2/19/2022 4:43 PM
22469	It hasn't	2/19/2022 4:43 PM
22470	Hoping it effects my life in a positive way truckers are actually fighting for people to make life normal again. Hoping it works so I can enjoy my 30s before im old abd I can stop seeing people needlessly suffer	2/19/2022 4:43 PM
22471	Restored my faith in Canadian pride.	2/19/2022 4:43 PM
22472	Given us hope. We have been supporting locally every weekend	2/19/2022 4:43 PM
22473	They have revived unity and Canada standing up for their freedoms and rights	2/19/2022 4:43 PM
22474	It has MOTIVATED me and brought me spirits up with hope	2/19/2022 4:43 PM
22475	It's brought positivity and unity to our country that had been divided extremely due to vaccinations and mandates. It's given me hope again for our country that has been almost unbearable to live in the last 2 years.	2/19/2022 4:43 PM
22476	Inspirational	2/19/2022 4:43 PM
22477	Je ne sais pas	2/19/2022 4:43 PM

22484	Brought home. Help send a message to the governments and the people around the world how much were suffering	2/19/2022 4:42 PM
22485	It's given me hope in my heart and so much love	2/19/2022 4:42 PM
22486	Made me have zero faith in media or government. This is no longer about health but about control. That's made clear	2/19/2022 4:42 PM
22487	They allowed our cries and opinions to be herd. They are the reason I am filling out this survey to vote to end these useless mandates	2/19/2022 4:42 PM
22488	Didnt	2/19/2022 4:42 PM
22489	It has caused a divide between Canadians.	2/19/2022 4:42 PM
22490	The trucking convoy has given me back my joy. To know there is so many people out there willing to fight for what is right is breathtaking. I have felt so alone for so long but to know there is people out there that feel the same as me is just the most relieving feeling in the world. It gives me hope for a better future and I have not felt this kind of happiness since the beginning of this pandemic	2/19/2022 4:42 PM
22491	It hasn't affected my life. It has given me hope and pride that these simple, humble truckers are able to stand up to political bullies.	2/19/2022 4:42 PM
22492	Didn't	2/19/2022 4:42 PM
22493	It's given me hope. Seeing that there are still people who will stand up to the unconstitutional mandates is certainly heartening; I would say it's one of the most unifying things that's happened to Canada in a while.	2/19/2022 4:42 PM
22494	No	2/19/2022 4:42 PM
22495	I've realized how far the government can manipulate our constitution and there is very little we can do about it.	2/19/2022 4:42 PM
22496	Peaceful	2/19/2022 4:42 PM
22497	It hasn't.	2/19/2022 4:42 PM
22498	Brought attention to how corrupt and inept our govt is.	2/19/2022 4:42 PM
22499	Given me hope again- apart of something that can ultimately change our country for the good	2/19/2022 4:42 PM
22500	It's finally made me proud to be a Canadian again but I'm ashamed of our prime minister.	2/19/2022 4:41 PM
22501	Giving hope	2/19/2022 4:41 PM
22502	It has made me feel hopeful.	2/19/2022 4:41 PM
22503	Alberta has opened up finally and there is a shift in perspective of people around me in the community. The hate and disgust from others has finally went down and I feel like things are getting back to normal	2/19/2022 4:41 PM
22504	The convoy has given me hope again. It has reminded me what it means to be a proud Canadian.	2/19/2022 4:41 PM
22505	Not one bit	2/19/2022 4:41 PM
22506	given us hope	2/19/2022 4:41 PM
22507	Many of my friends and family and I have become polarized because of it.	2/19/2022 4:41 PM
22508	I find myself following the convoy everyday. My child's school had a walk out which I was there for. It has brought me closer to being a Canadian. For years I have said I am not Canadian, I am Albertan because I was so disappointed in Canada's government, I still am but this convoy has showed me there are so many people that are also disappointed with what the government is doing, or I should say the Liberals/NDP	2/19/2022 4:41 PM
22509	Hate it. Feel soooo bad for the people of Ottawa. What may have started innocently enough by using people turned into an anti govt free for all. Had to stop	2/19/2022 4:41 PM
22510	New hope	2/19/2022 4:41 PM

Canadians vote on Canadian Mandate – February 2022

22511	Not at all. It has given me hope for freedom in our country. Freedom to choose	2/19/2022 4:41 PM
22512	Increased prices	2/19/2022 4:41 PM
22513	In positive ways. It's our rights and freedoms that are being taken away, shows light at the end of the tunnel. Positive movement	2/19/2022 4:41 PM
22514	It has given us hope that we can make a change and have our voices heard.	2/19/2022 4:41 PM
22515	I trust my government less, seeing the difference between how they spoke about the riots in 2020 versus their approach to peaceful protesters. I am particularly disturbed by our Prime Minister's refusal to even listen to speak with the citizens, instead shutting down their bank accounts.	2/19/2022 4:41 PM
22516	It hasn't.	2/19/2022 4:41 PM
22517	It has given me hope. I am proud to be Canadian again. My depression has lessened, I find myself excited to wake up in the mornings. I feel like I am no longer alone	2/19/2022 4:41 PM
22518	It will show me if we still have rights	2/19/2022 4:41 PM
22519	The Trucking convoy gave me hope and it has shown me the audacity of this supposed government of the people. I am 67 years old and have voted for the same party all my life. That has changed and I will decide before the next election who gets my vote in the next election ! May the Lord help that slime bucket of Trudeau ! Let me say this as a prophet , Mr Trudeau will never again get closer than third place in our election My name is John Paul C Jackson 😊	2/19/2022 4:40 PM
22520	The only thing about the convoy that is bothersome is the police brutality endured among peaceful people protesting for thier freedoms. That is a disgusting display of a leader.	2/19/2022 4:40 PM
22521	I am with the truckers	2/19/2022 4:40 PM
22522	I live in Ottawa	2/19/2022 4:40 PM
22523	I am happy they are standing up for our rights and freedoms. The Trudeau government has their head in the sand and their priorities in their own pockets instead of with the interests of Canadians. It is high time the Trudeau government LISTEN, and HEAR Canadians and make choice according the democratic country we live in, not the dictatorship they have created.	2/19/2022 4:40 PM
22524	Given hope and coming together to protect our country from communism	2/19/2022 4:40 PM
22525	I feel proud of them and I feel like a true Canadian again	2/19/2022 4:40 PM
22526	They have given me hope.	2/19/2022 4:40 PM
22527	It has united Canadians and given them hope for a united free Canada.	2/19/2022 4:40 PM
22528	Given hope	2/19/2022 4:40 PM
22529	Given me Hope that these mandates will be removed and that the shelf life of Justin Trudeau and his heavy hand towards Canadians is also coming to an end. Peace, Love and Unity	2/19/2022 4:40 PM
22530	It made me incredibly happy and felt like real Canada again	2/19/2022 4:40 PM
22531	Has not except I completely see the lies from the media. Absolutely evil.	2/19/2022 4:40 PM
22532	It hasn't. I support them 100% they have been respectful, kind and peaceful.	2/19/2022 4:40 PM
22533	I have trucker friends/family who are very much against it. I am ok with the convoy, except for the blockades at the border/basically holding Coutts hostage. Choke traffic fine, but don't block.	2/19/2022 4:40 PM
22534	Trucking convoy didn't affected my life .Trucking convoy are heroes.	2/19/2022 4:40 PM
22535	Brings hope	2/19/2022 4:40 PM
22536	It has been an annoyance and the terrorism needs to stop.	2/19/2022 4:40 PM
22537	It hasn't. In fact it's brought us great joy to see.	2/19/2022 4:40 PM

22558	Hopefully will bring a much needed end to all mandates and vaccines and restore my freedom...	2/19/2022 4:39 PM
22559	Very little directly. I have been encouraged to have my thoughts and concerns delivered by the truckers to deaf ears in Ottawa.	2/19/2022 4:39 PM
22560	I truly believe prices are going up and this situation is not helping	2/19/2022 4:39 PM

Canadians vote on Canadian Mandate - February 2022

22571	Many me have hope	2/19/2022 4:38 PM
22572	They have the right to protest peacefully. All Trudeau had to do was. Meet civilly with the leaders and I think it would have been over. They just wanted to be heard by government and in a democratic country this should have been possible. The truckers have been essential frontline workers throughout pandemic. They pose no threat to anyone even if unvaccinated. Their mandates were totally unneccasary. Trudeau has overreached to control Canadians. He needs to step down, especially after forcing the war measures act without consulting the parliament.	2/19/2022 4:38 PM

22642	I have been humbled by the courage, determination, patriotism, respectfulness, prayerfulness, love, joy and peacefulness of these simple blue collared workers - heroes fighting for the freedom for all Canadians inc those responsible for persecuting and demonizing them. WE DO NOT FALL FOR THE PAID-OFF MAIN STREAM MEDIA REPORTS AND THE PLANTS THEY BROADCAST OF BAD ACTORS BLACKENING THE NAME OF THE TRUCKERS! NEVER WOULD HAVE IMAGINED THAT TRUCKERS WOULD BE THE ONES FIGHT8NG FOR OUR RIGHTS AND FREEDOMS! GOD BLESS AND PROTECT THEM.AND REWARD THEIR SACRIFICE FOR US ALL!	2/19/2022 4:34 PM

22656	Brought hope of change to the country	2/19/2022 4:34 PM

22666	I supported the convoy and was present	2/19/2022 4:33 PM
22667	Put a permit smile on my face and has given me hope to have our Canada back	2/19/2022 4:33 PM
22668	By disrupting my life for 3 weeks and trapping me in my home as they've used and abused my city	2/19/2022 4:33 PM
22669	Gave me a tiny bit of hope maybe someone in this country has a brain still	2/19/2022 4:33 PM
22670	No	2/19/2022 4:33 PM
22671	Not at all	2/19/2022 4:33 PM
22672	Scared for our democracy	2/19/2022 4:33 PM
22673	Provided hope that people are standing up for what I believe and hope for Canadian Democracy and freedom for all citizens	2/19/2022 4:33 PM
22674	Lack of supply. Filled me with hope and courage and patriotism	2/19/2022 4:33 PM
22675	It has given me hope that we can change what is happening in Canada	2/19/2022 4:33 PM
22676	Made me disappointed in minority	2/19/2022 4:33 PM

22678	It has given me hope that I'm not the only Canadian that loves my country and the freedom we always enjoyed. God keep our land glorious and free!!	2/19/2022 4:32 PM
22679	For the first time in a long time I felt hope. I was actually proud to say I was Canadian again. Now the Government has gone to the extreme and invoked the Emergency Act. This is ludicrous all the PM had to do was talk to the organizers of the Convoy. That's it. No police needed, let alone invoking the Emergency Act when considering the only other times it's been invoked for for WW1 & WW2, the FLQ Crisis and now for a protest of peaceful people? Now although I agree with the Convoy's intent I disagree with the location they chose as it should never been in or near a residential area. Now that they are outside Parliament there is no reason to go to such extreme measures. In the last 3 weeks, no one has been hurt, no business had its windows smashed, no fires nothing. The only thing they did was honk their horns. Definitely not worthy of the Emergency Act especially when compared to the previous times it's been enacted.	2/19/2022 4:32 PM
22680	It hasn't but they are doing the right thing, they are standing up for Canadian rights that are included in the charter of rights guaranteed to every persons live.	2/19/2022 4:32 PM
22681	Gives me a something positive to focus on.	2/19/2022 4:32 PM
22682	Good	2/19/2022 4:32 PM
22683	While I don't like some of their language and behavior which by the way was rather small, it opened my eyes to the manipulative, unacceptable and offensive behavior of our prime minister and some in his party. I see the truckers as a desperate working people needlessly ignored, demonized and mistreated by the state controlled media.	2/19/2022 4:32 PM
22684	It hasn't besides giving me hope that the government will finally hesr what Canadians want	2/19/2022 4:32 PM
22685	Gave me hope	2/19/2022 4:32 PM
22686	None. They are just the tip of the spear.	2/19/2022 4:32 PM
22687	It has made me proud to be Canadian	2/19/2022 4:32 PM
22688	Sime higher prices. Thank goodness for the Olympics. Something positive for a while.	2/19/2022 4:32 PM
22689	It has made me feel frightened that their are people in Canada who would go against science and our government. The use of defacing our flag and Prime Minister and fighting against our police is unimaginable. I'm so afraid of the Conservative Party's attacks on our Prime Minister and what they believe in is why people are dying and fightening. Silence them!	2/19/2022 4:32 PM
22690	Not	2/19/2022 4:32 PM
22691	Made me feel hopeful that someone is standing up for our freedoms in this country!	2/19/2022 4:32 PM

Canadians vote on Canadian Mandate - February 2022

22692	They have given me and my husband hope. They are fighting for my freedom of choice and bodily autonomy. From them, they have exposed the truly despicable character of Canada's PM. They exposed the fact that he is selective only to who agrees with him and runs away from confrontation. They exposed that he is not a leader.	2/19/2022 4:32 PM
22693	It gave me hope that things can change & politics won't run our lives. It is absolutely heartbreaking the way things are turning with the arrests, seizure of bank accounts!	2/19/2022 4:32 PM
22694	With hope	2/19/2022 4:32 PM
22695	J'ai de l'espoir pour l'avenir de mes enfants, ce que je n'avais plus depuis près de 2 ans	2/19/2022 4:32 PM
22696	Inspirational! Hope finally! Standing up for our charter, sending a message to elected officials, the data is coming out world wide, the lockdowns were ineffective , places that had lockdowns and mandates thrived better than those that did!	2/19/2022 4:32 PM
22697	Hope again	2/19/2022 4:31 PM
22698	It has given me hope that we can get our freedoms back.	2/19/2022 4:31 PM
22699	It does not directly impact my life	2/19/2022 4:31 PM
22700	It gave me hope for the first time in two years.	2/19/2022 4:31 PM
22701	Hasnt	2/19/2022 4:31 PM
22702	Not affected	2/19/2022 4:31 PM
22703	I'm happy they're fighting for us	2/19/2022 4:31 PM
22704	It has not affected me at all.	2/19/2022 4:31 PM
22705	Hasn't at all	2/19/2022 4:31 PM
22706	I was encouraged to see that we are not alone in the fight against this forced vaccination. There are many people supporting the truckers like I do. But, the excessive response from the government is alarming, especially when they go after people's money. This has nothing to do with covid, health or protecting Canadians.	2/19/2022 4:31 PM
22707	Showed how more people disapprove with the unscientific mandates than previously thought.	2/19/2022 4:31 PM
22708	Finally others fighting for the same thing as me	2/19/2022 4:31 PM
22709	I support most aspects of the convoy in a Ottawa. I am not in favor of any blockaids that stop the movement of our goods as that directly increases the cost of everything in our lives.	2/19/2022 4:31 PM
22710	Sense of Canadian pride Got rid of vacine mandates	2/19/2022 4:31 PM
22711	It's given me hope that peaceful protest can be effective	2/19/2022 4:31 PM
22712	it has shifted my perspective that there are others doing what they feel is right for their family , its all about Family and Community , that instills Unity as Canadians	2/19/2022 4:31 PM
22713	Hope all Covid restrictions will end immediately. To see smiling faces who say Hi ! We are all in together and want to be free citizens! No more Lies from our politicians, doctors, legacy media .	2/19/2022 4:31 PM
22714	In the best positive way ever!!!!!! I'm so glad the truckers did this positive movement for us because canada ends it	2/19/2022 4:31 PM
22715	For the first time in a long time, I have hope that we have a voice. They are the catalyst to end the tyranny we have been living under for 2 yrs. What they have started, others will continue.	2/19/2022 4:31 PM
22716	Hasn't	2/19/2022 4:31 PM
22717	Minimally	2/19/2022 4:31 PM
22718	Did not	2/19/2022 4:31 PM
22719	Not at all, love it!	2/19/2022 4:30 PM
22720	Giving us hope for our freedom and rights back	2/19/2022 4:30 PM

Canadians vote on Canadian Mandate - February 2022

22721	Or had given me hope that we can fight a tyrannical government	2/19/2022 4:30 PM
22722	It has made my country a laughing stock of the international community. It has been disruptive in my community. It has affected the movement of goods.	2/19/2022 4:30 PM
22723	We have hope from the truckers. We are thankful they are fighting for us.	2/19/2022 4:30 PM
22724	I realize the lack of leadership our country has and am paying closer attention to federal government. I wish they had not blockaded and the PM had simply spoken with them a true leader would. I am appalled he called his peers swastika wavers and did not apologize in the House question period and then had the audacity to walk out after the demand for apology was made 4 times!	2/19/2022 4:30 PM
22725	Hope	2/19/2022 4:30 PM
22726	Has affected it for the better, because people are standing up for their freedom and rights.	2/19/2022 4:30 PM
22727	It hasn't. I've just seen the joy in people since it started.	2/19/2022 4:30 PM

22729	Given us ALL hope and inner strength to "Keep the Faith, Baby" and the opportunity to stand up, shout and raise a middle finger against tyranny and injustice. To know there are more Canadians that are fed up with having been fed lies and BS about all this FAKE Scam/Planned-demic !! To tell others we've been coerced and lied to by these QUACKS and these money grubbing politicians. And to see a brighter LIGHT at the end of this BullShit tunnel. God Bless you all and your families and I pray no harm befalls any of you. Thank you from all of us confused and heartbroken Canadians !!!	2/19/2022 4:30 PM

22764	Glad someone spoke up for our rights and freedoms.	2/19/2022 4:29 PM
22765	Positive	2/19/2022 4:29 PM
22766	Gave a hope	2/19/2022 4:29 PM
22767	I cannot believe how tyrannical our government has become & that Trudeau has become a dictator. We have been lied to & I believe that there is corruption on all levels. It was reprehensible that people were forced to take a vaccine in order to keep their jobs, even though we were told at the beginning that it was our free choice to vaccinate or not. I'm thankful that the truckers are standing up for democracy & our freedoms & rights. The media is blowing so much of this out of proportion so that the government can justify it's actions. I am shocked & very disheartened about the whole situation, but the truckers represent hope & are standing up for those of us that cannot be there or cannot stand up for ourselves. God bless the truckers!	2/19/2022 4:29 PM
22768	It has given me hope that we have other freedom loving people who will not hand it over so easily. The media is portraying them as a threat however they are just the opposite!!!	2/19/2022 4:29 PM
22769	It's given me hope.	2/19/2022 4:28 PM
22770	Has given me hope!!	2/19/2022 4:28 PM
22771	They gave me Big Love	2/19/2022 4:28 PM
22772	Made me ashamed of the intransigence of some of society	2/19/2022 4:28 PM
22773	They say short supplies	2/19/2022 4:28 PM
22774	Not really.....but Im sure its going to somehow.	2/19/2022 4:28 PM
22775	To see Canadians prepared to fight for our freedom, the constitution, the bill of rights, defeat crimes against humanity, take Nuremberg Code of 1947 seriously as it was meant to prevent Nazi crimes in the future, and more	2/19/2022 4:28 PM
22776	Made me think about the future of our Country.	2/19/2022 4:28 PM
22777	Made me mistrust this Trudeau gov't which has just shown its true colours... using a sledge hammer to crack a peanut. Trudeau didn't even try to engage the Truckers. He called them a fringe group and a few days later pulled the War measures Act.... you don't do that with a 'fringe' group that honks horns and sings songs. It's made the whole country fearful of what a petty dictator can pull off. This is NOT okay.	2/19/2022 4:28 PM

Canadians vote on Canadian Mandate - February 2022

22778	It restored my hope and faith in my fellow countrymen, it has shown me the truth about our corrupt government and the Prime Ministers true character.	2/19/2022 4:28 PM
22779	Endless twitter threads about how we live in a dictatorship, comparing to the holocaust and subtle racism. Very rare instances of people getting passionate in their support for the truckers and having to talk them through the inconsistencies. All in all just mentally draining.	2/19/2022 4:28 PM
22780	Give me hope for getting my life back as it was before mandates	2/19/2022 4:28 PM
22781	Restrictions are being lifted now	2/19/2022 4:28 PM

22783	Not in any way.	2/19/2022 4:28 PM
22784	I has given me hope brought Canadians together. Has brought out more real truth on our corrupt government controlled media.	2/19/2022 4:28 PM
22785	Given be a spark of hope that all this nonsense will end.	2/19/2022 4:28 PM
22786	To prove to me that Canadian's right to peaceful protest is not accepted when the protest is against the government.	2/19/2022 4:28 PM
22787	The truckers have been amazing - fighting government overreach as well as the constant erosion of our rights and freedoms as Canadians!	2/19/2022 4:28 PM
22788	I lost work for 4 mo this and still not back to normal	2/19/2022 4:28 PM
22789	Raised hope. Exposed a corrupt government and violent police force. I have little trust left in police authority and I have never been more ashamed of Canada's political leaders in my life.	2/19/2022 4:28 PM
22790	It has raised my spirits	2/19/2022 4:28 PM
22791	It has made me happy to see like minded people, I feel apart of something big.	2/19/2022 4:28 PM
22792	I am proud to stand behind the truckers they have given our family our faith back in true Canadians. I am beyond proud of our truckers. Our everyday working class Soldiers/hero's. These are the people that should be running our country the every day working man and or woman. Not politicians! Honest & truth is what we need.	2/19/2022 4:28 PM
22793	Providing the evidence that the PM is an Authoritarian ruler and the media works for him .	2/19/2022 4:28 PM
22794	Exposed the government for how badly they have handled everything. Lost all faith in.their leadership. Medical professionals are also.to blame to. Can't trust anyone	2/19/2022 4:28 PM
22795	No way.	2/19/2022 4:27 PM
22796	It has not	2/19/2022 4:27 PM
22797	Gave me hope that more people feel the same way and are fighting for us to return to our work so we can continue to support our families and find success.	2/19/2022 4:27 PM
22798	Given me hope for the future, brought unity and healing.	2/19/2022 4:27 PM
22799	Given me hope, until they were arrested	2/19/2022 4:27 PM
22800	I see humanity brought back to Canadian citizens....I see hope finally! It's the best thing I've witnessed in over two years!	2/19/2022 4:27 PM
22801	Hasn't yet	2/19/2022 4:27 PM
22802	It's made me believe that many in Canada are ready to move on with life and Canadians are not just going to accept the status quo because the gov said so. It shows we are willing to fight for truth and democracy.	2/19/2022 4:27 PM
22803	Encouraged me. Felt proud to be Canadian, first time in years. Felt unity with other Canadians, not so alone.	2/19/2022 4:27 PM
22804	Proud to be a canadian, given us hope!	2/19/2022 4:27 PM
22805	It hasn't really affected me personally, but I do stand for people standing up for what they believe in. Although I may think that some of it is unnecessary, I believe that the media always embellishes what the truths are, and you have to follow your heart and what is right.	2/19/2022 4:27 PM

22817	Has delayed some of my deliveries for work, besides that it has not affected my life except that the PM invoked and BS Emergencies act. He should be removed from office along with his deputy PM, criminals both of them.	2/19/2022 4:26 PM
22818	All in a positive way !	2/19/2022 4:26 PM

Thank you	2/19/2022 4:25 PM

22838	Keep hearing about these idiots and it's annoying. Also stop appropriating the Canadian flag please.	2/19/2022 4:25 PM
22839	Positively.... as it seems some in government are reacting to what needs to be done to repair our economy and our freedoms	2/19/2022 4:25 PM
22840	It has shown me that only certain causes and protests are tolerated. If this were an aboriginal protest or a BLM protest the rhetoric from the PM would be drastically different and the response far less forceful. Shame on the Government of Canada and it's henchmen the RCMP	2/19/2022 4:25 PM
22841	I'm not directly impacted, but I know others who are and I am also embarrassed of their actions.	2/19/2022 4:25 PM
22842	Positively!! Way to go!	2/19/2022 4:25 PM
22843	It has brought hope to my life .	2/19/2022 4:25 PM
22844	I come from a family that drives for a living. I feel the hardships of being on the road daily. These truckers are on the road for days and days at a time away from father family to help us . I support the trucking convoy 100% freedom is what Canada is was and has been fought for already. F@\$% Trudeau	2/19/2022 4:25 PM
22845	They've been giving us hope that our constitutional freedoms might be restored	2/19/2022 4:25 PM

22853	Beautiful Bravery is what I call the convoy... hope our government doesn't hurt them in any way	2/19/2022 4:24 PM
22854	It has brought me hope! Hope to regain the rights and freedoms that the government is trying to take away. Coercion is not freedom, and if people haven't realized it yet, they have all been coerced. By the government, msm, from family and friends, being rewarded etc etc. all for a vaccine that doesn't do anything it was promised to do!	2/19/2022 4:24 PM
22855	I have never agreed with the Covid mandates, what the trucking convoy showed me is that there are many many like me and we need to stand up for our freedoms in this country.	2/19/2022 4:24 PM
22856	Able to see the unity amongst ourselves as Canadians	2/19/2022 4:24 PM
22857	Opened my eyes to how important it is to fight for our rights and freedom right now. Government is absolutely trying their hardest to take everything our ancestors fought for. Embarrassing and frightening to consider what my grandkids are going to have to deal with.	2/19/2022 4:24 PM
22858	It has given me hope that others care about the important things in life.	2/19/2022 4:24 PM
22859	Can see hope!	2/19/2022 4:24 PM
22860	Given us some hope and brought Canadians together.	2/19/2022 4:24 PM
22861	It has not! But it should be a major wake-up call to all leaders and politicians. Listen to the people, they are like customers. You fail us and we look for options.	2/19/2022 4:24 PM
22862	It brought hope, and showed people that unity, love, and compassion are real. They opened the eyes of many to realize how corrupted Canada is. I escaped from a deeply corrupted country to feel safer. And in Canada, I got harassed and discriminated against like I never have in my life. Sad but true.	2/19/2022 4:24 PM
22863	Gave me hope that we can take our country and freedoms back from these mandates	2/19/2022 4:24 PM

22923	I wish I could have been there to support them. This all could have been settled in a different environment. Our prime minister should have made the effort to sit down and listen to what his people were saying. And it's time to let go of these mandates especially the vaccine passport No one should have lost their job because they disagree with the vaccine. All people need to be respected. And then on top of it our prime minister invokes the emergency act. That should never have happened. It's a disgrace for our country.	2/19/2022 4:21 PM

22935	Not at all, I'm glad they did it for everyone for Canadians and on this planet, we can see really whose lying to us, politicians , Media, pharma companies, it's all about fucking money and the control. I think they broth life in all of us, and life and hope still exists on earth. Where suppose to support and help eachother not killing everyone you can for money or getting higher position in life who cares about that. We have one life to live and average of 100 years if your lucky, why having to struggle all your life to die with nothing anyway. Let's help each other and be happy living it and enjoying life is what where suppose be doing on this planet for your eyes and experience on earth. Another thing, It's all about one person why the convoy is where is at right now and the truckers did ask something really simple not the moon. That person should be paying for all the damage he did for this country and to everyone out there and Everything would back to normal a month ago. It's all about that person ego. He doesn't represent us as Canadian we all saw it and it shows every day of it. Like they say Karma	2/19/2022 4:21 PM
22936	Proud patriot Canadian	2/19/2022 4:21 PM
22937	I am in full support of these peace keeping truckers. They have offered hope for the future in taking back our freedom and rights. The hard working truckers have put their lives on hold in order to bring Canadians together and for an end to mandates. They have taken this cause to the Government and demand that all the mandates end which is what we all want. It has further shown us how corrupt our prime minister really is and that whatever comes out of his mouth are lies except for his agenda with the world elites for the people of the world.	2/19/2022 4:21 PM
22938	Uplifting! Until the convoy came a long I felt like I had no voice and support.	2/19/2022 4:21 PM
22939	Unified and brought hope that Canada is a Great nation	2/19/2022 4:21 PM
22940	I am grateful for the truckers for standing up for Canadians and the World, for the first time in over 2 yrs I have hope and faith that our country will not continue down this path of dictatorship by our worst leader ever, Justin Trudeau has to resign	2/19/2022 4:21 PM
22941	It has given me hope, excitement and something fun in my life and to be able to share the peace and love and hope with others is amazing for my soul. Without this convoy and the way Mr turd has been going, people would be committing suicide more often than not, no doubt in my mind These hero truckers have given us a light at the end of this tunnel But now emergency act has allowed for police to stampede over people and cause assault on others.....this has created a war withing our own country...he needs to go	2/19/2022 4:21 PM
22942	It hasn't. I appreciate that they are speaking up	2/19/2022 4:21 PM
22943	It hasn't	2/19/2022 4:21 PM
22944	it gave me hope - it showed me there are tons of Canadians who feel the same way - I now	2/19/2022 4:21 PM

22950	Given me hope that someone is standing up for our rights	2/19/2022 4:20 PM
22951	It didn't love that they a fighting for all of our freedom	2/19/2022 4:20 PM

22960	It has given me and my family hope that there is still hope for Canada.	2/19/2022 4:20 PM
22961	It has given me hope. So proud there are people who will stand up to tyranny! trudeau is an evil dictator.	2/19/2022 4:20 PM
22962	Got in the way of my journey to school in America	2/19/2022 4:20 PM
22963	Got people to wake up and get on with our lives thank you	2/19/2022 4:20 PM
22964	It makes me proud to be a truck driver. I agree with the convoy because they are sticking up for our rights and freedom as science can prove that the vaccine doesn't do nothing to help the stop ad spread of the virus	2/19/2022 4:20 PM
22965	It has given me hope in humanity, not only then truckers but peollple who came together that'd what Canada's all about. We have been misslead by our politicians many countless times. Stay home to flatten the curve not enough ventilators, no mandatory Vax.. no passport no segregation... that wasn't the case. Truckers and Canadian citizens our intelligence kind and respectful wish incould say the same for the liberal leader. Sad to be a Canadian today.	2/19/2022 4:20 PM
22966	Gives me hope	2/19/2022 4:20 PM
22967	Gives me hope that there are good people in the midst of all this chaos	2/19/2022 4:19 PM
22968	It's given us all hope	2/19/2022 4:19 PM
22969	I no way.	2/19/2022 4:19 PM
22970	The trucker convoy has given me a feeling of pride in being Canadian. They're the first group ever to unite Canada. They have brought me hope and I'm so thankful for them.	2/19/2022 4:19 PM
22971	It has given me hope. Seeing how many people are on the same side I am on, has been a great encouragement to me and my family.	2/19/2022 4:19 PM
22972	Gave me hope	2/19/2022 4:19 PM
22973	It proves we have sound individuals with the majority of the voting population representing the nation on a United platform (the convoy) The propagated lies and deceitful corruption that is	2/19/2022 4:19 PM

within corporate Canada fraudulently stealing, pillaging the nation with their hired gangsters (police) The government has chosen to defy the basis of law causing harm, loss and injury and assume that their authority has the right to be innocent and not accountable

22974	I wish I could be there with them.	2/19/2022 4:19 PM
22975	See how media lies and have been misleading...sadness	2/19/2022 4:19 PM

22978	They are annoying	2/19/2022 4:19 PM
22979	They have given me hope for the First time in two years. I have cried tears of joy I'm still on the side of the highway I've joined in with a Convoy's and I've never been so proud to be Canadian and I've never felt so united. And I've never been more emboldened to fight for freedom than I am now, after watching Trudy's goons attack peaceful protesters	2/19/2022 4:19 PM
22980	It has created a sense of hope for Canada to be restored as a strong and free nation.	2/19/2022 4:19 PM

22982	Wasn't affected my life I support it and looked like a peaceful and Fun time. But watching it on phone since Trudeau talking stresses me out. We need a prime minister that understands us and respects Canadians (All).	2/19/2022 4:19 PM
22983	Given hope	2/19/2022 4:19 PM

22986	Has made me a happier, braver citizen of Canada and gave me the courage I had before covid	2/19/2022 4:19 PM
22987	It's made me realize this country has a heart and it's the regular people that are keeping it alive, while Trudeau wants to bury what's left of this once great nation.	2/19/2022 4:19 PM
22988	It's given me hope that we can end the mandates	2/19/2022 4:19 PM
22989	It hasn't except they've given reason for a weak liberal government to go to extreme measures to get them out of Ottawa, I just hope this doesn't effect the rest of Canadians too.	2/19/2022 4:19 PM
22990	It has given me renewed hope and is clearly illustrating government overreach and control. This has not been about our health.	2/19/2022 4:18 PM
22991	Shows me who the real heroes are...	2/19/2022 4:18 PM
22992	Less at stores more cost of everything	2/19/2022 4:18 PM
22993	It has given me a new found hope and faith in my fellow man. I feel a Canadian again .I've learned so much about the character rights . Also I have never felt so much love, hugs, acceptance and solidarity from my friends and neighbors	2/19/2022 4:18 PM
22994	Gave me hope	2/19/2022 4:18 PM
22995	We have not been directly affected by the convoy, but we have been very disappointed with the divisive and vilifying statements from the prime minister in particular.	2/19/2022 4:18 PM
22996	Full support with what they are trying to accomplish.	2/19/2022 4:18 PM

23011	Made me proud to be a Canadian and to see all the love, compassion and support out there for the truckers as they are fighting for our freedom.	2/19/2022 4:18 PM
23012	Get a life, the government should have made vaccinations necessary for truckers , from the beginning. The convoy has not helped the supply chain. Too many of these guys watch FOX news! It doesn't Help when Ted Cruz and Trump encourage them!	2/19/2022 4:18 PM
23013	gave me hope	2/19/2022 4:17 PM

23015	In many many many great and positive ways, standing up to our corrupt government !!	2/19/2022 4:17 PM
23016	Not at all, think the whole thing is very sad to see for Canada, if people are not happy with our rules, then move. Our Prime Minister is a real joke and should never have allowed this in the first place.	2/19/2022 4:17 PM
23017	It hasn't really!	2/19/2022 4:17 PM
23018	So far they were able to get passports removed and i agree with them because they want a better, more freedom life for their kids to grow up like they did and I don't think it's actually healthy for a young kid to wear a mask basically 8hrs a day for school	2/19/2022 4:17 PM
23019	Gave me hope	2/19/2022 4:17 PM
23020	Positively.	2/19/2022 4:17 PM

23034	Brought hope, unity and passion	2/19/2022 4:17 PM
23035	Not at all. I'm very proud that there is a community willing to stand up for what is right. Protesters deserve unbiased media publicity and I think it shows the corruption of those who are influencing that bias.	2/19/2022 4:16 PM
23036	I been finding myself in a very dark palace mentally with all the governments rules and hammering on us about something eveyday. The trucker convoy brought hope back into my life.	2/19/2022 4:16 PM
23037	Gives me hope. A dim light at the end of tunnel.	2/19/2022 4:16 PM
23038	Delays on shipping, listening to my family and friends who live in the areas discuss the problems it has brought. Some are there for good, but so many are not and are just wanting a fight and to disrupt people in their homes and workplaces	2/19/2022 4:16 PM
23039	Only in a positive way. The unity that they have brought to Canadians is inspiring.	2/19/2022 4:16 PM
23040	It's given me hope. It's brought happiness back in my life. I hope they make a change because my children have been masked for 2 years with no science to back it up.	2/19/2022 4:16 PM
23041	I think it's about time people are standing up to every one's freedom and pushing for freedom it's what everyone needs back people children elderly ect	2/19/2022 4:16 PM

23049	Feeling relief. That things can change	2/19/2022 4:16 PM

23053	Gives me hope and makes my will to help crush all mandates stronger .confirms the mandates are wrong.	2/19/2022 4:16 PM
23054	Hasn't affected me in any way. I feel they have had their say, so now it is time to go back home. I agree with the actions to clear them out and want it to end.	2/19/2022 4:16 PM
23055	Felt proud to be canadian for first time in years	2/19/2022 4:16 PM

23082	It's given me hope that Canada can be great again and we can be free to decide to travel to live	2/19/2022 4:15 PM
23083	Supply chain, loss of jobs and income.	2/19/2022 4:15 PM
23084	As an ottawa resident this has made my life incredibly difficult. This isn't a protest. This is a bunch of people who don't like something throwing a temper tantrum until they get their way. I cannot move freely in my own city. I could not move freely without risk of harassment because I follow public health orders. And as a member of the legal profession, having to constantly explain to protestors that their Charter rights are not being breached because they aren't being allowed to eat indoors is mentally exhausting. This convoy would have been fine had they come, made their point peacefully during the first weekend, and then left. This nightmare is the direct result of people who do not understand their legal rights and who have chosen to put themselves over the rest of society.	2/19/2022 4:15 PM
23085	First time I have felt proud to be Canadian in a long time.	2/19/2022 4:15 PM
23086	The trucking convoy has given me hope. I feel proud to be a Canadian once again because of them. I pray for their safety everyday - from the tyrannical Canadian Federal Government. The truckers have created Unity in Canada, not segregation and discrimination that Mr. Trudeau's hate speeches and actions have caused.	2/19/2022 4:15 PM

23099	Given us hope	2/19/2022 4:14 PM
23100	They brought Joy and hope that was soon crushed by our government. It open my eyes to see there were millions across Canada feeling like me, tired and weary and wanting to get on with our lives. They brought some change, like some mandates and passport lifting. But not enough, any moment it can be forcefully takin away from us again. ☹️☹️	2/19/2022 4:14 PM
23101	I'm uplifted and thrilled that Canadians still have our voices even when provincial government forgets to serve the people and not be served by the people. Dictators are not what our government is but they sure try hard.	2/19/2022 4:14 PM
23102	Not at all	2/19/2022 4:14 PM
23103	It Lifted our spirits and has given us hope. Hope to get rid of this tyranny corrupt government. We are truckers not there but they are in our thoughts and prayers. People should be showering these brave Truckers for what they are doing, we the truckers will not single out those who do not support them. They need to open their eyes before it to late and our Government takes us down a rabbit hole where there is no return.WAKE UP	2/19/2022 4:14 PM

23111	This trucker convoy has brought back so hope for me. Finally someone is standing up for all Canadians. It makes me angry to hear our prime minister call these people white supremacist, racist that wave swastikas! He is putting up a divide between Canadians with all of his hate speech. He needs to be stopped!!! I pray everyday to keep these trucker convoys safe.	2/19/2022 4:14 PM
23112	It has given me a voice, courage, inner strength and hope.	2/19/2022 4:14 PM
23113	Brought hope to our country that there are a lot Canadians who do not agree with the governments actions.	2/19/2022 4:14 PM
23114	Not at all negatively. It has given me courage to stand for our rights against Trudeau's tyrannical authoritarian dictatorship-like behaviour.	2/19/2022 4:14 PM
23115	Gave me hope for canada	2/19/2022 4:14 PM

23122	Give me hope for a better future	2/19/2022 4:13 PM
23123	Very disappointed with Ottawa's mayor, police services board and the Ottawa police! Very much sympathize with all the residents and businesses affected by these truckers and protesters!	2/19/2022 4:13 PM
23124	Not really	2/19/2022 4:13 PM
23125	It's given us hope to stop the government overreaching... We need to put a stop to big business transport. If they lose millions daily is the only way we get heard.	2/19/2022 4:13 PM
23126	Limited supply chain and government using this method of bullying the Canadian general public	2/19/2022 4:13 PM
23127	I want to join them, peace loving people unlike the file officers that ran over people with horses those officers are traitors the people. We pay their pay cheques and that's how they repay us	2/19/2022 4:13 PM

23131	Positively	2/19/2022 4:13 PM
23132	I am in complete support of the trucker/freedom convoy.It is terrible how the government and media have used a couple of idiot protesters to discredit the movement and attach horrible labels to it.It has not negatively affected me in any way, it is the first sign of hope we have had since this all started.	2/19/2022 4:13 PM
23133	Unified my fellow freedom loving Canadians and brought together people who love their freedom.	2/19/2022 4:13 PM

23135	I'm encouraged	2/19/2022 4:13 PM
23136	It has reassured me that there is at least some people that still believe in our basic freedoms that we're supposed to have in a democracy that governments have eagerly trampled all over during the last two years. Governments have taken full advantage of Canadians being arguably the most law abiding people on earth. The Freedom Convoy is fighting back against government overreach and authoriantism!	2/19/2022 4:13 PM
23137	It's giving me the hope of freedom	2/19/2022 4:13 PM
23138	It lifted an unreal amount of mental stress off of me, just seeing smiling faces. It's proved how much MSM has done nothing but induce a false fear in people and refuse to report on the good in the world	2/19/2022 4:13 PM

23144	It has given me strength. The BS mainstream media/social media, had us thinking we were the minority in wanting to be free. The truckers showed us that is not true. The movement is healing this world by bringing people together. No division between race, religion, age, gender or anything else. Just a group of humans wanting to be free. I draw serious strength from this movement. And I love that the governments of all levels in every country, are being exposed. We will win.	2/19/2022 4:13 PM
23145	Hope, courage renewed and pride in a grass roots celebration of those who stood for our collective freedoms.	2/19/2022 4:12 PM

23215	The trucker convoy has finally restored my hope in Canada and in my fellow Canadians, and hopefully in the state of our democracy. It has inspired me and revealed to me that there are many many others who feel similar dissatisfaction, concern and fear of the direction in which our country is moving, including continuously corrupt and tyrannical government overreach.	2/19/2022 4:09 PM
23216	They've given me hope for freedom of rights in our country.	2/19/2022 4:09 PM

23219	Wonderful to see people stand for something!!	2/19/2022 4:09 PM
23220	It gave me hope when it started, but seeing how the government is choosing to ignore the opinions of more than just a "fringe minority" and starting to arrest and criminalize them I'm beginning to feel doubtful again.	2/19/2022 4:09 PM

23291	It has truly made me feel hopeful, something I haven't felt since the beginning of covid!	2/19/2022 4:06 PM
23292	It made me have hope again seeing people uniting	2/19/2022 4:06 PM
23293	It brought hope and happiness back to my very sad state I was in due to Covid restrictions and mandates.	2/19/2022 4:06 PM
23294	Brought unity	2/19/2022 4:06 PM
23295	It has made me feel proud. To know there are like minded Canadians willing to fight for freedom!	2/19/2022 4:06 PM
23296	The convoys has given me hope. This is the first time in 2 years that I can truthfully say I've felt better and have actually smiled. There's been days if it wasn't for my husband, kids, and grandkids I wouldn't be here on this earth.	2/19/2022 4:06 PM
23297	I'm just happy to see people starting to come together to stand up for our rights	2/19/2022 4:06 PM
23298	mostly in a positive way seeing our country feeling a sense of pride again....but the prime Minister is tyrannical He has caused far too much anger and division in this country	2/19/2022 4:06 PM
23299	It hasn't affected me at all	2/19/2022 4:06 PM
23300	Not at all. The news and police have unbelievably lied about the peaceful truckers, and Trudeau is useless!	2/19/2022 4:06 PM
23301	Positively. After 2 years, we are able to come together and see that many, many Canadians are sharing the same beliefs for our right to bodily autonomy and freedom of choice. The Convoy has shown us how useless Trudeau is, how undemocratic our country has become, and how disrespectful our own Prime Minister is towards his own people. I am disgusted by his reaction and I hope that the powers that be wake up, stop these measures that no longer serve us and listen to what majority of Canadians are asking for, their rights back. The Convoy has also brought to light the fact that our media is heavily funded by our government and that nothing reported is real anymore. We are losing democracy every day that this continues.	2/19/2022 4:06 PM
23302	Has brought hope that we can drop the mandates and Canadians might live free again. I'm scared for the people in the convoy being hurt by the opp, RCMP and such.	2/19/2022 4:06 PM
23303	Brought hope	2/19/2022 4:06 PM
23304	It has instilled a glimmer of hope in my heart that people will wake up to the tyrannical powers trying to overthrow all that is good in this world. They gave us a platform and a means to realize that we are not alone. It has also helped to expose the corrupt government and media.	2/19/2022 4:06 PM
23305	Mainly it has been divisive at times within our family as supporters for either side have battled tensions. More than that, I'd say it has made me doubt the freedom I thought we had in our country. If our PM pulls the emergencies act for this...what hope is there that anything can change?	2/19/2022 4:06 PM
23306	Created hope for a better world	2/19/2022 4:05 PM
23307	They are standing up for the unheard.	2/19/2022 4:05 PM
23308	Didn't	2/19/2022 4:05 PM
23309	It's given me hope for our future for the first time in 2 years and it's given me courage to stand up for what I believe in	2/19/2022 4:05 PM
23310	I support them 100% has made me realize how evil our government actually is!	2/19/2022 4:05 PM
23311	Given me hope	2/19/2022 4:05 PM

23315	Gave us hope!	2/19/2022 4:05 PM

23326	Wish I had the balls to do it	2/19/2022 4:05 PM
23327	Arguments with friends and family over the cause	2/19/2022 4:05 PM
23328	I have seen many in my community feel hopeful for the first time because the convoy is speaking out when so many (SO MANY) people have wanted to but have been too afraid to speak out.	2/19/2022 4:05 PM
23329	They have given me hope that the world is fighting against dictatorship	2/19/2022 4:05 PM
23330	Invigorating	2/19/2022 4:05 PM
23331	Gave hope that the Government will see that a large portion of Canadian citizens suffer from the poor handling of the virus outbreak and it will correct their actions.	2/19/2022 4:04 PM
23332	Hope	2/19/2022 4:04 PM
23333	Hasn't really affected me	2/19/2022 4:04 PM
23334	Brought unity and community	2/19/2022 4:04 PM
23335	Absolutely all for the better! Finally have hope again!	2/19/2022 4:04 PM
23336	It has given me hope that we are not alone.	2/19/2022 4:04 PM
23337	No affect on my life directly	2/19/2022 4:04 PM
23338	10	2/19/2022 4:04 PM
23339	It's given me hop and made me proud to be Canadian again.	2/19/2022 4:04 PM

23341	it gives me hope	2/19/2022 4:04 PM
23342	Dislike the government ever more.	2/19/2022 4:04 PM
23343	Not at all	2/19/2022 4:04 PM
23344	Gave me a lot of hope that we still had a chance to follow a lot of other countries and places that are doing fine with all of this criminal activities	2/19/2022 4:04 PM
23345	Not in the least. They have always been about Love and Peace.	2/19/2022 4:04 PM
23346	I said from the beginning after the first 2 week lockdown was done "why is nobody fighting	2/19/2022 4:04 PM

back"? I have never been more proud to be Canadian! Bring tears to my eyes that they care enough to stand for all of us! Go Truckers! It was about time what was everyone waiting for! I could see threw all this from the beginning because none of it made any sense to me whatsoever.

23347	Brought inspiration life back into the country that there may be hope again!! Freedom !!	2/19/2022 4:04 PM
23348	It hasn't I wish I was there	2/19/2022 4:04 PM
23349	Canada trying to band together is always good. Trudeau and his bought police, and media have now showed the world who they are, as they attacked peaceful protesters. They even killed a few. That stresses the whole world with those kind of actions. Trudeau hating Canadians is also very stressful.	2/19/2022 4:04 PM
23350	They have given me hope that a contingent of our society understands what's at stake and are willing to fight for our democracy. Watching the government handling of it only reinforces why the convoy was necessary and why we must continue to peaceably pursue the freedom that is our God-given birth right as well as human right	2/19/2022 4:04 PM
23351	Not at all ,however I think they helped the Premier to end masking.	2/19/2022 4:04 PM
23352	I'm in total support of the convoy. Makes me proud to be Canadian.	2/19/2022 4:04 PM
23353	It was encouraging to see the support of so many who have felt the same about the mandates as my self. From the beginning almost 2 years ago, I have seen the effects of control and deception.	2/19/2022 4:04 PM
23354	The convoy brought back hope & happiness to my life.	2/19/2022 4:04 PM
23355	They have made me very proud To be a Canadian showing peace and love to all..	2/19/2022 4:04 PM
23356	Giving us hope and restored our pride in being Canadian	2/19/2022 4:04 PM

23358	No affected	2/19/2022 4:04 PM

23360	It had not affected my life	2/19/2022 4:04 PM
23361	It has given me hope and pride for our Canadians.	2/19/2022 4:04 PM
23362	So happy to see dmiljng faces. I have hope now.	2/19/2022 4:04 PM
23363	It gave me hope and a feeling that we are not a minority	2/19/2022 4:04 PM
23364	Hope.	2/19/2022 4:04 PM
23365	Made me feel Canadian again.	2/19/2022 4:04 PM
23366	They have brought us hope. Inflation was already happening. The truckers are showing the government that they do not control us nor dictate what we can or should do with our medical information. They are exposing the corruption at its core. Canadians are not ok with a 1 world order. We are not aligned with the world economic forums ideas for another industrial revolution!	2/19/2022 4:04 PM
23367	I appreciate what they are trying to do for us.	2/19/2022 4:03 PM
23368	It hasnt affected it, but to see soooo many people feeling the same way is very powerful	2/19/2022 4:03 PM
23369	Truckers convoy brought hope in my life, they are fighting for freedom for all canadiens , I'm standing 100% with them, I wish for my kids and grandkids have a happy life and great future, and end to the communist thinking and end to the government who is taking all of us in wrong devil direction	2/19/2022 4:03 PM
23370	Fully support shouldnt just be truckers all people should stand up for each others rights	2/19/2022 4:03 PM
23371	The Convoy made me really me wake up to how numb & Naive I listen to the leaders in our once great Country .. We have no leadership at all we have people who set up a system that benefits them and not the Average hard working Canadian .. Sad so Sad !	2/19/2022 4:03 PM

Canadians vote on Canadian Mandate - February 2022

23372	Its made me happy	2/19/2022 4:03 PM
23373	They are the first glimmer of hope in the grimmest two years of my life.	2/19/2022 4:03 PM
23374	It has made me happy to be Canadian again	2/19/2022 4:03 PM
23375	Gives me hope that people care	2/19/2022 4:03 PM
23376	Proud to have Canadians sticking up for our rights and freedoms	2/19/2022 4:03 PM
23377	I respect what they are doing. I don't respect media outlets and news pushing falsified information and muddying the water. A few bad seeds doesn't make the hundreds of thousands of people bad, all it does is divide who's really after making changes and doing it right and people who just want to spread hatred. The government, and Prime Minister especially, should be held accountable for their actions, but yet they never are.	2/19/2022 4:03 PM
23378	It's more the police blockades I'm sitting in right now that are affecting my life. I went to the protest to see on the second weekend and it was peaceful and fun to get out of the house with my daughter	2/19/2022 4:03 PM
23379	Helped me to understand that government that is in power today is Corrupt. refuses to listen to or meet with Canadians to solve this peaceful demonstration.	2/19/2022 4:03 PM
23380	Provided hope, gave a sense of unity and strength	2/19/2022 4:03 PM
23381	It hasn't so proud of them	2/19/2022 4:03 PM
23382	It gave me hope for the first time in two years! My children rejoiced on Valentine's Day when they no longer had to wear masks! So many positives! Though I'm so stressed now with Tamara jailed and the police presence and brutality, pepperspraying and pushing out peaceful protestors. I am scared for my country.	2/19/2022 4:03 PM
23383	The Freedom Convoy brought me joy and hope. It has also given me the strength to be more vocal. After two years of brutal repression of everything that makes us human, we got to celebrate our humanness. It was like Canada Day on steroids. We got to share compassion, love, smiles, hugs, truth, trust and more love, so much love. I got to be strengthened by immigrants from Eastern Europe who had escaped the Communist Hell we are at extreme peril of sinking into. I got to meet people from across Canada and thank them for being here - and we rejoiced in each other's presence. I got to rejoice in the truth shared by doctors I respect. I got to meet other people in the federal public service who profoundly disagree with the unconstitutional loss of freedoms - some having caved to the pressure to get the shot, one saying that she never wanted to get the jabs and had cried and cried when she got them but she felt like she had no choice for taking care of her children. In biting irony, she was injured and her children may lose her. And, I got to see how the government is weaponizing the CBC against us and the rest of Canada. The Freedom Convoy gave us a time and place to be united in love. We know the dangers and the pain, but are not succumbing to hate. We are standing in love, unity, compassion fortified by an incredible sense of urgency and purpose. I have rarely felt so much gratitude.	2/19/2022 4:03 PM
23384	This convoy has given me new hope. It has given me a sense of pride to see millions of others who see these mandates for what it is: government control. Thank you to every trucker and supporter. My hope is in us, the people.	2/19/2022 4:03 PM
23385	Given me hope That this insanity of government overreach and false protectionism must come to an end	2/19/2022 4:03 PM
23386	Gives me hope for a free country. Gives me hope this war of governments against their populations ends soon and the new world order comes to an end.	2/19/2022 4:03 PM
23387	It gives me hope, and shows what true Canadians are. Caring, helpful, loyal, and want to stand up for beliefs even if they are not right in someone's eyes. I am so proud of the unity the truckers have brought together ♥	2/19/2022 4:03 PM
23388	uplifted my spirits, brought hope	2/19/2022 4:03 PM
23389	Up until Friday it gave me hope that mandates would end and we would have Canada back	2/19/2022 4:02 PM
23390	I support the convoy in making an incredible voice for our freedom as Canadian citizens, not only in Canada but all over the world. I have never experienced such love, peace and joy from such a large group of people. Even so, I have felt great stress in the past few weeks,	2/19/2022 4:02 PM

concerned how all would play out. Yes, getting to and driving downtown has been more difficult....but a very small price to pay in the big picture.

23391	I am in support of the truckers peaceful convoy. This convoy has been nothing but peaceful, loving and kind. These people are on the line for the rights of freedom for all Canadians. It is not about vaxed or unvaxed . It is about sovereignty over our own body.	2/19/2022 4:02 PM
23392	no at all	2/19/2022 4:02 PM
23393	Lots	2/19/2022 4:02 PM

23395	No it hasnt	2/19/2022 4:02 PM
23396	Fills me with hope and pride. God Bless them.	2/19/2022 4:02 PM
23397	Not directly but watching it gave some hope for improvement	2/19/2022 4:02 PM
23398	Hasn't	2/19/2022 4:02 PM
23399	I am proud to be Canadian, standing up for freedom. My body, my choice.	2/19/2022 4:02 PM
23400	No affected me ! Convoy restored my faith in justice!!!	2/19/2022 4:02 PM
23401	Given me hope.	2/19/2022 4:02 PM
23402	Happy	2/19/2022 4:02 PM
23403	Loved ever moment of it. It gave me hope and helped me understand I wasn't alone	2/19/2022 4:02 PM
23404	It brought hope for the first time in two years. I had a glimps of what our country used to be	2/19/2022 4:02 PM
23405	The convoy made me hope for the first time in a long time that we might be able to live normally again. Seeing Canada come together has been so wonderful. But the way the government is treating the convoy and the people who support it is so maddening and heartbreaking.	2/19/2022 4:02 PM
23406	Hope	2/19/2022 4:02 PM
23407	Made me feel being Canadian again	2/19/2022 4:02 PM
23408	Make me love my canadian brother and sister. Make me proud, it make me feel like we finally have a voice for our "fringe minority"	2/19/2022 4:02 PM
23409	Makes me proud of people will stand their ground for something they believe in and something as serious as freedom of rights	2/19/2022 4:02 PM
23410	Only emotionally. I can't believe our PM would react so childishly and like a tyrant.	2/19/2022 4:02 PM
23411	Yes. They're fighting to save Canada	2/19/2022 4:02 PM
23412	Gave me hope that I was not fighting alone. Brought tears of joy watching humanity unite.....world wide. Every race, culture country speaking to each other through love of Freedom. God Bless all Freedom Fighters	2/19/2022 4:02 PM
23413	It has given me hope and made me proud to be Canadian again	2/19/2022 4:02 PM
23414	It seems to have sparked a resurgence of patriotism and given people hope that we can collectively change the direction of this nation! The overwhelming majority are not in a favor of a "great reset" with the wef!!	2/19/2022 4:02 PM
23415	Hope	2/19/2022 4:02 PM
23416	Feels like a bit of a white nationalist protest	2/19/2022 4:02 PM
23417	Positive	2/19/2022 4:01 PM
23418	It has given me hope that the mandates will end and people will see the truth about Justin Trudeau	2/19/2022 4:01 PM
23419	It really actually made me excited and hoped that Trudeau would see that there are really a LOT of people that are sick of covid, and it is time to end it. It makes me warm inside to see	2/19/2022 4:01 PM

so many of us stick together with the same thoughts, especially when I did not think there was that many people!

23420	Given everyone hope!	2/19/2022 4:01 PM
23421	Positively	2/19/2022 4:01 PM
23422	It has given me hope to hang on to life as not all people are corrupt. I have been fighting with WCB for 5 years involving serious injuries to my body. I have never seen such a corrupt organization in my entire life. The doctors they assign are also corrupted by the WCB and have one agenda and that is to collect money and disregard any responsibility of injury. I have visited doctors that are independent of the WCB doctors who have been astonished and appalled by the actions of the WCB and their doctors. The government run WCB is a web of evil that you have no defences against. They are nothing short of the Mafia and our governing body that runs this country at present is no different. They are the hammer and we are the nail. To comply is the only resolve as you are just an inconvenience and a number.	2/19/2022 4:01 PM
23423	It's given me hope. I am so proud to know there's good honest Canadians who stand with us because our government never will.	2/19/2022 4:01 PM
23424	Given me a price to be Canadian	2/19/2022 4:01 PM
23425	They gave me hope and a new pride in Canada knowing someone is willing to fight for me ♥	2/19/2022 4:01 PM
23426	It has given me hope	2/19/2022 4:01 PM
23427	Gave me hope that this government finally will be exposed for the fraudulent forcing of a experimental drug. That now has more adverse reactions that help. All over the world they are dropping everything but here. Why is he still prime Minister?? He his the problem.	2/19/2022 4:01 PM
23428	It's given me hope that there are like minded people out there. Restores my faith in humanity.	2/19/2022 4:01 PM
23429	Finally people are waking up to what is really happening. This convoy is going to save this country. The most positive thing that has happened in 2 years.	2/19/2022 4:01 PM
23430	They're basically terrorists at this point and make me feel incredibly unsafe	2/19/2022 4:01 PM
23431	boosted morale	2/19/2022 4:01 PM
23432	In being able to support them although the way the government is treating them is saddening	2/19/2022 4:01 PM
23433	They are annoying and should go HOME	2/19/2022 4:01 PM
23434	Brought me back hope love and joy	2/19/2022 4:01 PM
23435	It hasn't affected me negatively at all it's giving me hope for the future and positive change.	2/19/2022 4:01 PM
23436	Made me very proud to be a Canadian. It has given me hope for freedom.	2/19/2022 4:01 PM
23437	It gave me some hope that we Canadians are a patriotic nation. It has also caused a tremendous amount of stress when we see how the government invokes the emergency act to gain control without even trying to come to an agreement by negotiating. No outreach to communicate with the people who have elected him and support this country	2/19/2022 4:01 PM
23438	Not personally been affected	2/19/2022 4:01 PM
23439	It has given me a bit of hope. I don't feel so alone anymore.	2/19/2022 4:00 PM
23440	Given me hope	2/19/2022 4:00 PM
23441	The convoy has given us a spark of hope in a very dark time. For two long years we have wondered if there will ever be a voice loud enough to be heard on our behalf. How have we been affected? We have been given hope.	2/19/2022 4:00 PM
23442	hasn't.	2/19/2022 4:00 PM
23443	Brought much needed awareness to society on what needs to change	2/19/2022 4:00 PM
23444	Made me hopeful	2/19/2022 4:00 PM

23449	I am starting to gain my freedoms back.	2/19/2022 4:00 PM
23450	Brought unity & pride back to me as a Canadian	2/19/2022 4:00 PM
23451	It hasn't impacted my life but gives hope.	2/19/2022 4:00 PM
23452	Not at all	2/19/2022 4:00 PM
23453	Not at all just made me feel alive again	2/19/2022 4:00 PM
23454	Gave me hope.	2/19/2022 4:00 PM
23455	The trucking convoy has not had a big impact on me except to inspire me and comfort that there are people to fight against tyranny	2/19/2022 4:00 PM
23456	Its made me proud to be a Canadian. They are fighting for our freedom.	2/19/2022 4:00 PM
23457	I have seen love ,peace, hope in Canadians standing together that I haven't seen before.	2/19/2022 4:00 PM
23458	It gave me hope for the future of children.. we shouldn't be wearing mask or social distancing. We should be going back to regular life. We should support each other as best	2/19/2022 4:00 PM

23460	It's given Canadians a voice & seems to be the only thing that has made a positive change in moving forward from these mandates & getting some of our freedoms back. The emergency act and the police actions in response to the convoy has brought me to tears and creating anxiety for what kind of Canada my children are going to grow up in. Certainly not free.	2/19/2022 3:58 PM
23505	We saw it as heartwarming to see the amount of people across the world join in to free the world from mandates. Yes covid is real, it can kill people. But if wearing a mask protected us,	2/19/2022 3:58 PM

the virus would be gone. and clearly 2 years in, it hasn't done a thing. I feel for those in Ottawa witnessing acts of violence and feel shame towards the police for doing this. Let our country be reunited in peace and unity tied with love.

23517	Made me proud to be Canadian again	2/19/2022 3:57 PM
23518	It has broken my heart. First, they are lying about representing the majority of truckers. It has been anti human rights, disrespecting citizens in Ottawa	2/19/2022 3:57 PM
23519	Has given hope to get things back to norma	2/19/2022 3:57 PM

23524	It's raised a lot of unity in the people and the feeling of freedom	2/19/2022 3:57 PM
23525	The trucking convoy has not affected my life but I do support the reason they had originally gone to Ottawa for - for truckers to be able to work across borders without being forced to take vaccines. I do think it's time for them to go home though	2/19/2022 3:57 PM
23526	It has inspired some hope in ending the covid narrative.	2/19/2022 3:57 PM
23527	Hasn't affected my day to day life at all.	2/19/2022 3:57 PM
23528	They didn't	2/19/2022 3:57 PM
23529	It's been the only positive movement that represents the people. The way the media is misrepresenting the working class is deplorable	2/19/2022 3:57 PM

23553	Hade me proud of them to stand up for our freedom	2/19/2022 3:56 PM
23554	Seeing the diversity of Canadians coming together out of concern for the country had been beautiful. I have become deeply concerned about PM Trudeau's refusal to even meet with the people, his insults, and his stubborn refusal to apologize.	2/19/2022 3:56 PM
23555	Brought hope to a country again	2/19/2022 3:56 PM

23570	Gave us the hope that was much needed at this time to stop the stupidity and madness that Turdo has invoked on the people of Canada.	2/19/2022 3:55 PM
23571	Not at all.	2/19/2022 3:55 PM
23572	Slow down supply of products and inventory cost increases. Trudo could have come up with a compromise and studying letting it escalate to this point. What kind of leader lets things go this far he could've compromised	2/19/2022 3:55 PM
23573	It has given me HOPE that Canada can be restored to her former glory again!! Canada as it is right now is NOT the Canada I loved nor grew up in. She is NOT a free and democratic society at this time under Trudeau's leadership.	2/19/2022 3:55 PM
23574	It has given me hope	2/19/2022 3:55 PM

23587	Not at all, best peaceful protest ever, world stage and organized .	2/19/2022 3:55 PM
23588	I'm so thankful for these brave men and women who are standing up for what's right. I work at Walmart in the Cowichan Valley and 5,000 people come through our doors every single day. Nobody social distances at Walmart, I KNOW, because I work there. Many folks don't even wear their masks. We employees see the foolishness of masks, mandates, vaccinations and social distancing because this is a part of our lives 5 days a week. WALMART RELYS ON THE TRUCKERS TO KEEP BRINGING THE FOOD AND SUPPLIES that CANADIANS NEED EVERYDAY!!! These truckers are being told to get a vaccine, (which does not prevent covid) or they don't have a job. These truckers spend most of their time alone in their truck, they are social distancing!!! Without our truckers, we starve!!! I support The Truckers and I support every single Canadian who says, "enough Trudeau!!! It's time to step down and let a real leader take over the reigns"!!!!	2/19/2022 3:55 PM
23589	It's a voice for those who are not being heard otherwise. Censorship is wrong.	2/19/2022 3:55 PM
23590	The convoy brought much hope and joy to my life, I felt it was the most patriotic peaceful movement/protest our country has ever seen. Then our PM put forth an unprecedented Emergency act... and what I saw after that was horrifying. Brutality from the police against peaceful protestors. Canada has fallen, we need help!	2/19/2022 3:55 PM
23591	Made life 1000x better	2/19/2022 3:54 PM

23593	The same as most consumers	2/19/2022 3:54 PM

23595	Given me hope to take the mandates down and gain our lives back.	2/19/2022 3:54 PM
23596	I am so in love with everything the protectors are doing. What the Ottawa police are doing in Ottawa is disgusting. They of all people should be put in jail.	2/19/2022 3:54 PM
23597	Not at all. Peaceful demonstration but has attracted an element they did not "invite to the party"	2/19/2022 3:54 PM
23598	It makes me sad to see my country put in this position and angry that the government has turned its back on the people. Just like when we were all kids if you had a problem with someone else the only way to resolve it would be to have a talk and find the middle ground and go from there but this government is broken and does not know how to do that.	2/19/2022 3:54 PM
23599	I don't want to answer beside I'm no longer free to voice my opinions.	2/19/2022 3:54 PM

23608	It has inspired me to give me and many hope to continue and believe that an end to the madness is in sight. Finally millions have hope.	2/19/2022 3:54 PM
23609	When it started I had tears of joy that there were so many Canadians joining together in unity to fight for the freedom of all of us. Now they are tears of sadness and hopelessness as the government in power only represents the people who agree with him.	2/19/2022 3:54 PM
23610	Gave hope	2/19/2022 3:54 PM
23611	Fuck em	2/19/2022 3:54 PM

23616	has given me hope	2/19/2022 3:54 PM
23617	Gave me hope	2/19/2022 3:54 PM
23618	Has made me anger because there have been protest at my childrens school and that is unacceptable.	2/19/2022 3:54 PM
23619	I approve of the convoy, they have given me hope that our rights and freedoms will be returned to us	2/19/2022 3:54 PM
23620	Gave me some hope that others share my views on these ridiculous mandates	2/19/2022 3:54 PM

23643	Gave me hope for a better Canada	2/19/2022 3:53 PM
23644	I support these truckers. They are simply showing what it could be like if governments try and make decisions without consulting constituents. I do not agree with blockades, harassment, or hate speech and condemn anyone who saw this as an opportunity to wave white supremacist symbols. But in general, this has shown me on quickly governments can invoke their power and disregard the people and that I cannot trust my mainstream media which is Liberal-government-funded.	2/19/2022 3:53 PM

23701	It hasn't	2/19/2022 3:51 PM
23702	Mostly it has given me hope that more people want mandates to end. I agree with the majority of protestors and those in the convoy that were peaceful and law abiding. It has also made me distrustful of the government on many levels and their dictatorship.	2/19/2022 3:51 PM
23703	It really hasn't. Aside from a few item shortages. I work in a grocery store and I see a few shortages here and there, but by no means is anyone is anyone starving	2/19/2022 3:51 PM

23707	Has given me hope to see people together and united and reunited, the hope for our freedom of choice back.	2/19/2022 3:51 PM
23708	They have brought people together by saying "we have had enough. " Enough people dying alone. Enough children and adults getting bullied for their choice to have more MEDICAL EVIDENCE. Enough segregation and entrapping us like animals. We live in a free country and medical has already proven that this COVID was not dangerous it was the shots given that are the danger to every human. We have a right to the freedom of choice , especially when it comes to our OWN bodies. Being left out because we choose differently does not the abuse that one gets when they are not vaccinated. We are individually in control of our bodies and it is unconstitutional to force someone to get injected just so they can "fit" in. That is coercing.	2/19/2022 3:51 PM
23709	Not a great deal..	2/19/2022 3:51 PM
23710	In hopeful that Trudeau would've come out and have a conversation with the truckers, but that did not happen. And that shows you what kind of government we have communism is what he is	2/19/2022 3:51 PM

23731	It hasn't affected my life	2/19/2022 3:50 PM
23732	Given me hope that things will return to normal, this new act and police presence has made me sick to my stomach, amd makes me want to move from this "new"Canada.	2/19/2022 3:50 PM
23733	For the first time in the long time I have felt hope. The convoy has united Canadians like I haven't seen possibly during my lifetime. I feel heard, important and cared for by complete strangers who are standing up for every single persons rights. I feel inspired and encouraged to continue to strive for a better Country. My patriotism has been restored because of the convoy. Growing up I was so proud to be a Canadian, I wanted to represent Canada in the olympics, I truly believed we lived in the best country in the world... These past couple of years that pride had waned, I became ashamed of what Canada stood for and no longer felt it was the Country I grew up loving. This convoy has shown me that it is still the land of the glorious and free. It's in the people who make up our Country, not in our leaders.	2/19/2022 3:50 PM
23734	Gave me hope	2/19/2022 3:50 PM
23735	I support totally. 100 percent	2/19/2022 3:50 PM

23738	It's amazing to see how many people can come together in unity to fight for our freedom!	2/19/2022 3:50 PM
23739	It's given us HOPE that this will end. It has inspired us to believe that FREEDOM is still ours. It has validated that we are NOT the fringe minority seeking to end the illegal mandates.	2/19/2022 3:50 PM
23740	It's ridiculous, unnecessary, and dripping in white entitlement	2/19/2022 3:50 PM

23741	Revealed the hypocrisy of white supremacy	2/19/2022 3:49 PM
23742	It brought so much hope and happiness. I was down on the hill every other day. I was even down late at night into the early morning. I watched a local resident (female approx 40) out for a run at 1am right downtown. I am sure she doesn't do that when the truckers are not there! The peace the love the joy that was palpable every day of the protest was beyond amazing. We owe the truckers a huge debt of gratitude!	2/19/2022 3:49 PM
23743	It's giving me hope!!!!	2/19/2022 3:49 PM

23764	not at all	2/19/2022 3:49 PM
23765	Given me hope that as Canadians we can stand together as We the People and build community based on our Charter of Rights and our Canadian Constitution and with respect for our rule of law. I have never felt prouder of our Canadian people as when i stood on the overpass of the 401 as the truckers honked to us in greeting with people waving our flag and cheering. I have seen rough and tough truckers standing in a circle holding hands and praying and singing the anthem. The Truckers Convoy will become the most inspired event in Canadian history and indeed in the world to defeat tyranny of the 1%.	2/19/2022 3:49 PM

23796	It's the only thing that has brought hope to a very dark 2 years! I pray they don't move Until ALL mandates are lifted across the country in EVERY province	2/19/2022 3:47 PM
23797	I have a speck of hope now that we could live freely again one day.	2/19/2022 3:47 PM
23798	I am so proud of these people. For peacefully protesting what is wrong and corrupt. We teach our children to be respectful, law abiding citizens. But what happens when our constitutional rights are stepped on? When our government wants to mute us and shove us aside? Then we teach our children to continue to be law-abiding citizens and in a respectful way stand up for what is right. The truck in convoy is our voice. We pray we are heard.	2/19/2022 3:47 PM
23799	It has brought extreme hope that things will change for the better and maybe the overreach of the government will be put in check.	2/19/2022 3:47 PM

23828	Positively. Gave us hope for better tomorrow	2/19/2022 3:46 PM
23829	Embarrassed my Country by the way police treated the peaceful demonstrators.	2/19/2022 3:46 PM
23830	Gives me hope that canada might be free again	2/19/2022 3:46 PM

	will change	
23833	Given me hope that maybe our country leaders will listen and end this control	2/19/2022 3:46 PM
23834	Makes me happy that there are people out there that want to fight for what's right	2/19/2022 3:46 PM
23835	It has changed some mandates and give me more freedom	2/19/2022 3:46 PM
23836	Brought hope and happiness	2/19/2022 3:46 PM
23837	They have given us hope	2/19/2022 3:46 PM
23838	I believe we have the right to protest and I am undecided on a lot however there are a few things I have a problem with. Blocking off the border crossings is simply inconveniencing the same truckers the protesters are supposedly fighting for the freedom of when they have to go through Grenna, MB instead of Emerson, MB. Grenna is not prepared or big enough to handle that much traffic. The slow roles of traffic in front of the Hospital are very wrong to hinder people going to and from the hospital when it could be an emergency. When you get large groups together things are bound to get out of control hence why even though it is "peaceful" people are getting attacked for wearing masks. Using statues (the lone soldier and the terry fox ones for example) just not appropriate. Having the protest people in the residential section of Ottawa is also ridiculous. It really inconveniences the people living there, there ability to go places and sleep at night due to the noise. Keep the protest where it belongs, at the government and so that it only really affects them. I hate hearing people say this trucker convoy is finally making them proud to be Canadian and giving them hope. If that is the case, then you have serious problems if this is first time you have ever been proud to be Canadian. And if you can't find hope in anything else, then you are way too focused on the Covid situation and need to open up your mind and heart. So for the most part it has done nothing but frustrate me.	2/19/2022 3:46 PM
23839	it is an uplifting inspiration to people all over the planet	2/19/2022 3:46 PM
23840	Encouragement, chance of freedom, unity	2/19/2022 3:46 PM

23844	It has given us hope	2/19/2022 3:45 PM
23845	It has gave me hope that the children and grandchildren will get to grow up in the Canada we grew up in!	2/19/2022 3:45 PM
23846	None	2/19/2022 3:45 PM
23847	I heard it's been peaceful and they're helping communities. This is what the government should do with our tax money rather than book a city's hotel rooms to prevent people from staying.	2/19/2022 3:45 PM
23848	Nothing	2/19/2022 3:45 PM
23849	Hasnt	2/19/2022 3:45 PM

23851	Not sure yet.	2/19/2022 3:45 PM
23852	It's given me a sense of community, that I'm not alone in my point of view, and that there are tons of other Canadians who also think the vaccine passport and mandates cross a line.	2/19/2022 3:45 PM
23853	Not affected at all	2/19/2022 3:45 PM
23854	It did exactly what the government should've done a long time ago give our freedom back it united the country better than the government ever has Brought God back in	2/19/2022 3:45 PM
23855	Given so much hope. Made us not feel alone in wanting this to all end. I feel more canadian and proud to be a canadian than ever in my life.	2/19/2022 3:45 PM

23857	It gave me hope that there are still freedom loving Canadians out there.	2/19/2022 3:45 PM
23858	It has given a lot of people some hope. It has provided a huge awakening to many Canadians and people around the world. The elites I believe are shitting their pants. The mask is off, and the Great Awakening has begun.	2/19/2022 3:45 PM
23859	False media has driven more division when people are not there in person to witness	2/19/2022 3:45 PM
23860	It's given me hope and demonstrated love over fear and sadness. I don't feel alone in my thoughts or ideals. My mental health saw a lift. It's restored a small amount of faith in society that the government has divided and stigmatized. I have lost faith in legacy media and the government. The trucker convoy exposed that Canadians are good people who are loving and respectful. The Charter of Rights and Freedoms highlights the core values of what it means to be a Canadian. The convoy has exposed the government although elected by the people is NOT for the people.	2/19/2022 3:45 PM
23861	It hasn't.	2/19/2022 3:45 PM
23862	The convoy feel like the light at the end of the tunnel. It's nice to see the people of Canada coming together.	2/19/2022 3:45 PM
23863	Getting me to meet new people and helping showing how wonderful Canada is	2/19/2022 3:45 PM
23864	Makes me feel the urgent need for freedom of conscience, freedom altogether.	2/19/2022 3:45 PM
23865	Not a bit	2/19/2022 3:45 PM
23866	It hasn't and I love that they are standing up for Canadians. GO TRUCKERS GO!!	2/19/2022 3:45 PM
23867	Made me proud to be Canadian again. A few store shelves are empty but I'm prepared for that.	2/19/2022 3:45 PM
23868	It has given me hope and has made me proud to be Canadian again.	2/19/2022 3:45 PM
23869	Job lost	2/19/2022 3:45 PM
23870	Not at all. I support it and am very proud of them and all involved. I pray for them.	2/19/2022 3:45 PM
23871	Given me hope.	2/19/2022 3:45 PM
23872	Gave me hope for some change for the better	2/19/2022 3:44 PM
23873	Hasn't	2/19/2022 3:44 PM
23874	It has brought me hope. It has made me feel more unity with my fellow Canadians than ever before. It's lifted my spirits. I am so grateful for them! I joined a convoy to my provincial legislature two weekends ago and it was incredible to see smiles, flags, freedom, happiness, peace and joy. God is with the trucking convoy.	2/19/2022 3:44 PM
23875	It gave us hope	2/19/2022 3:44 PM
23876	Gave me hope we can live freely, showed me love by all protestors (instead of the hateful divide government has instilled in us for years)	2/19/2022 3:44 PM
23877	Hasn't	2/19/2022 3:44 PM
23878	Improve my viewe	2/19/2022 3:44 PM
23879	I feel they are making a difference. They are waking up the silent Majority	2/19/2022 3:44 PM
23880	It gave me hope at first. For the first time since the government enforced its draconian measures I felt proud to be Canadian again. However, the legacy media was discouraging and didn't portray the protests accurately. I also think the truckers shouldn't have kept their trucks downtown after the first weekend of protests. I have concerns with how Trudeau's government has handled this at every level. I'm shocked at the language Trudeau has used regarding the unvaccinated and he has the inability to be empathetic with Canadians that don't agree with his views.	2/19/2022 3:44 PM
23881	Showed us that it's the government causing division and animosity towards our fellow Canadians, not radical extremist groups. Reenforced our belief that mainstream medi is definitely govern aren't controlled. Our politicians are absolutely not for the people .	2/19/2022 3:44 PM
23882	Gives me hope and has made me happy and proud to be Canadian again	2/19/2022 3:44 PM

23925	Did not	2/19/2022 3:43 PM
23926	It hasn't	2/19/2022 3:42 PM
23927	HOPE, when hope was near extinct. Showed me as alienated as I have felt, that i am not alone. I have also been extremely awakened to the fact the Legacy media has been towing the line for an overreaching government. They have all declined any debates from health experts that hold differing views. If this was indeed a pandemic how is it possible that they were refusing work to those that have been holding the line since the beginning of this crisis due to their choices differing from the government narrative? Raises serious questions and doubt!	2/19/2022 3:42 PM
23928	It's made me anxious because it hurt to see how Trudeau handled it.	2/19/2022 3:42 PM

23963	- given me hope that maybe Canadians could have an uncensored voice and maybe Canada could become a free democratic country again - has caused me to sit crying in stunned disbelief at the unlawful evil I am seeing perpetuated against Canadians to freely assemble in a peaceful protest, who gave this government every opportunity to sit down and discuss the issues and the "science", yet were not even given the courtesy of a listening ear/meeting, but instead attacked with hate speech and then cowardly, brute physical force! - this is indeed a sad, dark moment in Canadian history at the hands of a now openly, in my opinion, tyrannical government/regime...what has happened to our once beautiful Canada, true north strong and free!?	2/19/2022 3:41 PM

24005	I'm a former truck driver myself and strongly agree with them trying to peacefully protest for our rights. I don't believe in forced mandates and vaccines	2/19/2022 3:40 PM
24006	It has giving me hope that the spirit of true Canadians is still alive.	2/19/2022 3:40 PM
24007	It hasn't	2/19/2022 3:40 PM
24008	Made me realize I am not alone in being bullied in to a vaccine i never wanted but felt I had too. Gives me hope in thinking we need to start living our lives again.	2/19/2022 3:40 PM
24009	It hasn't affected my life. However I love seeing people taking their time to stand up for our rights.	2/19/2022 3:40 PM
24010	Brought so much hope and courage!	2/19/2022 3:40 PM
24011	Given us hope and an organization to support against this Tyranical government.	2/19/2022 3:40 PM
24012	Showed me how "Unimportant " we Canadians are to our Governing Bodies and how censorship has taken over the Media . Our "Rights" seem to mean nothing , unless it's on the side of those that comply.	2/19/2022 3:39 PM
24013	It has made me proud to be Canadian!	2/19/2022 3:39 PM
24014	Hasn't	2/19/2022 3:39 PM
24015	Gave me some peace of mind that real Canadians are still out there .	2/19/2022 3:39 PM
24016	It has proven ,how corrupt our government officials are.Justin Trudeau and all his liberal party has to resign ,	2/19/2022 3:39 PM
24017	It hasn't and I'm proud of them for standing up for Canadian rights	2/19/2022 3:39 PM
24018	Gave me hope	2/19/2022 3:39 PM
24019	Right to protest is part of the charter of rights and peaceful protest	2/19/2022 3:39 PM
24020	Minimal. But I do think it is time they go home, point has been made. This all could have been avoided if Trudeau actual listened to their concerns.	2/19/2022 3:39 PM
24021	given me hope that enough Canadians have seen through the fraud and are willing to put a great deal on the line to fight back against tyranny.	2/19/2022 3:39 PM
24022	Renew of hope and faith in our country	2/19/2022 3:39 PM
24023	It hasn't	2/19/2022 3:39 PM
24024	It has made me proud to be Canadian. They are heroes. They are helping expose the deep level of corruption in our government	2/19/2022 3:39 PM
24025	It hasn't! We get by just fine, they can keep on trucking (holding the line) and stay standing strong!	2/19/2022 3:39 PM
24026	I fully support the truckers. They have given me renewed hope in the kindness and resolve of ordinary citizens. I'm proud to see veterans stand alongside them in support, and I'm extremely proud of how admirably the peaceful protesters have behaved in the face of tyrannical new laws designed to harm them and crush their spirits and brutal, unnecessary police actions. I stand also for freedom!!	2/19/2022 3:39 PM
24027	It has given me hope.	2/19/2022 3:39 PM
24028	Watch more polotics	2/19/2022 3:39 PM
24029	Full traffic and honking	2/19/2022 3:39 PM
24030	It has given me hope that others are trying to make the unheard heard.	2/19/2022 3:39 PM

Canadians vote on Canadian Mandate - February 2022

24031	The only effect the convoy has had on my life is how our PM is handling it. He needs to go. I don't want to see my fellow Canadians hurt but don't want to see them back down.	2/19/2022 3:39 PM
24032	I'm all for it ..we went there and it was peaceful..it's brought people together unlike how the govt wants to keep us apart.	2/19/2022 3:38 PM
24033	Hope	2/19/2022 3:38 PM
24034	Given me hope	2/19/2022 3:38 PM
24035	Hope	2/19/2022 3:38 PM
24036	It has empowered me to speak up instead of sit in the shadows regarding the way the government has been treating its citizens. Our own primer has been showing bullying behaviour towards the unvaccinated which is not acceptable. We don't like our kids be bullied why should be allow our selves to be bullied into something we don't want. Or the peer pressure to do something we don't want to do. I see the shelves in my local stores start to dwindle and I smile and think way to go truckers, your impact is being seen. I am also assashamed to be a canadian for how justin Trudeau is reacting to the convoy. He is not acting very canadian... not even sitting down with truckers to hear what they have to say first hand... he is stretching is power to bully, harass, and even enflct violence toward the protects (which are directly related to the convoy).	2/19/2022 3:38 PM
24037	Positively	2/19/2022 3:38 PM
24038	It has given me hope and a voice. It's shedding light on a deeper issue within our country -our PM's tyranny and how our government system is fallible and doesn't protect the people.	2/19/2022 3:38 PM
24039	Made me realize there are more than I thought who are harmed by the mandates. I don't feel so alone	2/19/2022 3:38 PM
24040	Brought me hope, I haven't seen in many many years in this country. Canada has been on a downhill slope into a dystopia for many years. Trudeau just put it into turbo boost.	2/19/2022 3:38 PM
24041	Inspired me, given me hope that these mandates may be lifted & that we may be able to get rid of an evil, corrupt prime minister & his cabinet. May get our freedoms back.	2/19/2022 3:38 PM
24042	Given me hope back	2/19/2022 3:38 PM
24043	thought finally! at first, now with police clobbering them I am ashamed to be Canadian	2/19/2022 3:38 PM
24044	It gave me HOPE that all of the LIES would come to light.	2/19/2022 3:38 PM
24045	It has dropped some of the mandates	2/19/2022 3:38 PM
24046	I have not been affected. Did not expect the protest to last so long! Thought they would have had a meeting with federal reps, or PM within the first week!	2/19/2022 3:38 PM
24047	Hope	2/19/2022 3:38 PM
24048	Thank you to all the men and women fighting for our freedom. Thank you for your service!!	2/19/2022 3:38 PM
24049	Given me hope	2/19/2022 3:38 PM
24050	Very positive. I finally have hope again	2/19/2022 3:38 PM
24051	Made me feel like Canada now has a backbone and I'm proud of it.	2/19/2022 3:38 PM
24052	Ignored it	2/19/2022 3:38 PM
24053	Minimally.	2/19/2022 3:38 PM
24054	Gave me hope	2/19/2022 3:37 PM
24055	It has not	2/19/2022 3:37 PM
24056	0%	2/19/2022 3:37 PM
24057	has given me hope	2/19/2022 3:37 PM
24058	It has given Canadians hope. Hope that there is still unity in Canada. Hope that all people are equal. Equal rights for all.	2/19/2022 3:37 PM

Canadians vote on Canadian Mandate - February 2022

24059	Freedom for all	2/19/2022 3:37 PM
24060	Opened my eyes to see the truth about the tyranny in Canada	2/19/2022 3:37 PM
24061	No,i am proud of them	2/19/2022 3:37 PM
24062	Glimmer of hope for some freedom	2/19/2022 3:37 PM
24063	Proud of the truckers 100%. Our PM is a piece of shit and should be run out of Canada	2/19/2022 3:37 PM
24064	Not at all	2/19/2022 3:37 PM
24065	Great, super proud of my country for this	2/19/2022 3:37 PM
24066	It gave me some hope, for the first time since the mandatory vaccine. And it gave me something to love and started praying for the truckers.	2/19/2022 3:37 PM
24067	It has given us pride and hope again.	2/19/2022 3:37 PM
24068	People using their kids as bait is disgusting to me.	2/19/2022 3:37 PM
24069	Encouraged me	2/19/2022 3:37 PM
24070	It has given hope that there are still people willing to stand up to a tyrannical leader	2/19/2022 3:37 PM
24071	Showed us how we can not trust our government to deal with our people. Have to fear how government will deal from now on since they could sneak a hammer in. They will do this again if allowed.	2/19/2022 3:37 PM
24072	Shortage of everything	2/19/2022 3:37 PM
24073	not at all	2/19/2022 3:37 PM
24074	I support their cause!	2/19/2022 3:36 PM
24075	Given me hope and joy. They are wonderful.	2/19/2022 3:36 PM
24076	Very disappointing to me that people think they can take things in their own hands without thinking about the rest of the world . Holding people hostage is way worse than the mandates, Don't thin' wearing a mask or being vaccinated such a big deal. Our government was only doing what they thought was best . Not being able to cross the border was also affecting peoples choices and livelihood	2/19/2022 3:36 PM
24077	Disrupted daily life Caused delays in lifesaving medical care Is insulting to the work that has been done by so many to keep us all safe	2/19/2022 3:36 PM
24078	It gives everyone hope.	2/19/2022 3:36 PM
24079	Given Canadians hope.	2/19/2022 3:36 PM
24080	None but I support them and would be protesting if the UK was in the same position	2/19/2022 3:36 PM
24081	it has given my hope that the decision makers might actually see the impact and how we have had more than enough.	2/19/2022 3:36 PM
24082	I am proud that Canadians are standing for what they believe in.	2/19/2022 3:36 PM
24083	It gave me hope for the first time in a very long time.	2/19/2022 3:36 PM
24084	In a good way. They have made many proud to be Canadian again	2/19/2022 3:36 PM
24085	It hasn't	2/19/2022 3:36 PM
24086	It puts food on the table	2/19/2022 3:36 PM
24087	Hope	2/19/2022 3:36 PM
24088	No goods moving	2/19/2022 3:36 PM
24089	It hasn't	2/19/2022 3:36 PM
24090	They are heroes, May god blessed them	2/19/2022 3:36 PM
24091	Gave me hope	2/19/2022 3:36 PM

Canadians vote on Canadian Mandate - February 2022

24092	Embarrassed me as a Canadian.	2/19/2022 3:36 PM
24093	It has brought me hope.	2/19/2022 3:36 PM
24094	I pity them, news media only showing and negative things that they can find . Definitely bought out by the government	2/19/2022 3:36 PM
24095	None on the bad things.	2/19/2022 3:36 PM
24096	Not at all	2/19/2022 3:36 PM
24097	It has made me proud that a large and generally peaceful protest has organized in my country. What we are seeing and feeling here is happening all over the world. There are many protests in many countries. We simply do not get to see it.	2/19/2022 3:36 PM
24098	It has given me hope in the darkest part of my 44 years on this planet.	2/19/2022 3:36 PM
24099	Given me so much HOPE!	2/19/2022 3:36 PM
24100	I support them and it had made me proud that they have stood up not only for the truckers mandates but for the mandates of all Canadians and our charter of rights and freedom	2/19/2022 3:36 PM
24101	Given me some hope and pride in being a Canadian again. Finally someone stepping up for all of us.	2/19/2022 3:36 PM
24102	It's shown me how much we are Controlled by our government and what the "want us to see". Someone who won't sit down and talk to a group of people whether they agree with it or not is not a leader and should not be in control of our country. I've never been more discussed by the lack of leadership we are seeing. What is happening to those people before a conversation has even taken place is an abomination of our charter of rights.	2/19/2022 3:35 PM
24103	Gave me Hope	2/19/2022 3:35 PM
24104	It has brought me hope that we, the citizens of Canada, do have a say over our rights and that we can be free again!	2/19/2022 3:35 PM
24105	It hasn't	2/19/2022 3:35 PM
24106	It's been an awakening to the extreme overreach of our government, and to what extremes they are willing to exceed to lock Canadians down-instead of meeting with them and having valuable conversations and discussions on moving forward.	2/19/2022 3:35 PM
24107	It hasn't	2/19/2022 3:35 PM
24108	It makes a lot of people stronger in God and they can see what is happening. So they want to join too.	2/19/2022 3:35 PM
24109	Not one bit maybe in the stores but other than that because I'm vaccinated not much	2/19/2022 3:35 PM
24110	It has given me hope.	2/19/2022 3:35 PM
24111	It has let me know there are many willing to stand against this tyranny. It's given me hope I'm Canadians	2/19/2022 3:35 PM
24112	Making me proud to be Canadian	2/19/2022 3:35 PM
24113	Positively!	2/19/2022 3:35 PM

24115	N/A	2/19/2022 3:35 PM
24116	I feel like we might be getting back to normal soon. Our prime minister is losing it	2/19/2022 3:35 PM
24117	It has given me hope. It has shown me how many Canadians support them. It shows how much the media plays into false information.	2/19/2022 3:35 PM
24118	I felt hope for restored freedoms after 2 long years of lockdowns and mandates	2/19/2022 3:35 PM

24122	No impact	2/19/2022 3:35 PM
24123	It's given me a little glimmer of hope, but now with the police brutality taking place, gone	2/19/2022 3:35 PM
24124	Negatively	2/19/2022 3:35 PM
24125	It has encouraged me to stand for freedom with many other Canadians	2/19/2022 3:35 PM
24126	It has inspired me unlike any movement before!	2/19/2022 3:34 PM
24127	It's a great feeling that we Canadians stand together united to fight for our Freedom.	2/19/2022 3:34 PM
24128	Has not but if I had time I would join them	2/19/2022 3:34 PM
24129	It has Given me hope	2/19/2022 3:34 PM
24130	It gave me hope and a voice	2/19/2022 3:34 PM
24131	Truckers bring food to our tables .. they are the hero's of our country	2/19/2022 3:34 PM
24132	It's given us hope again	2/19/2022 3:34 PM
24133	It has given me hope that things can change for the better. The truckers convoy are the antidote to the PM's divisive, arrogant, ignorant position on the vaccine mandates	2/19/2022 3:34 PM
24134	Gave us hope of change	2/19/2022 3:34 PM
24135	Woken it up	2/19/2022 3:34 PM
24136	Gave me hope for the first time in 2 yrs!	2/19/2022 3:34 PM
24137	Hope	2/19/2022 3:34 PM
24138	It hasn't as I live in a less populated area so they haven't come here to upset our lives ... yet	2/19/2022 3:34 PM
24139	It makes me proud to be Canadian seeing how it remains peaceful and I feel it fully represents what it means to be Canadian. These mandates have interrupted and wrecked many peoples lives and livelihoods and they are just standing up for what is right, which we all should have the right to do. The government overreach is insane and hypocritical and now innocent peaceful people are being hurt or killed for a basic human right. I am proud of the truckers and proud to be Canadian but ashamed of our Prime Minister and the people in government who are supposed to care about us.	2/19/2022 3:34 PM
24140	Given hope	2/19/2022 3:34 PM
24141	It hasn't in a negative way	2/19/2022 3:34 PM
24142	It hasn't	2/19/2022 3:34 PM
24143	Not at all	2/19/2022 3:34 PM

24145	not at all , i believe they did the right thing.	2/19/2022 3:34 PM
24146	It has brought us Canadians hope for the future of our children	2/19/2022 3:34 PM
24147	Given me hope my freedoms will be restored	2/19/2022 3:33 PM
24148	Division in my family with differing positions.	2/19/2022 3:33 PM
24149	Gives me hope as a Canadian	2/19/2022 3:33 PM
24150	Positive	2/19/2022 3:33 PM
24151	Gave me hope.	2/19/2022 3:33 PM
24152	-It has reassured me that I'm not alone. -It gave me hope. -It was a sign that God is listening to my prayers. -It reminded me that there are still good people in this world. -It made me proud to be a Canadian, after years of being ashamed.	2/19/2022 3:33 PM
24153	Finally gave me a reason to be proud of Canada again and gave me hope	2/19/2022 3:33 PM

Canadians vote on Canadian Mandate - February 2022

24154	positively	2/19/2022 3:33 PM
24155	United Our country. Gave us back our pride in our country. Gave us hope again. Gave us courage. Brought attention from around the world to what is happening here. Gave people in other countries hope and courage as well.	2/19/2022 3:33 PM
24156	I am very proud of the truckers for making a stand, it's restored hope and dignity to our Country and to me. I'm very proud of the reports I've seen of Canadians treating each other like human beings again, partying and simply holding their ground, making it clear they've had enough. The Prime Minister on the other hand has treated those opposed to his mandates with complete disrespect and contempt, refusing to establish dialogue and instead invoking an act which gives him the authority to bully and harm peaceful protesters, yet another of our charter of rights he is sweeping aside. I am completely indignant with how he is handling the situation.	2/19/2022 3:33 PM
24157	Gave us hope	2/19/2022 3:33 PM
24158	It has giving us hope that we will get back to normal	2/19/2022 3:33 PM
24159	Given me hope.	2/19/2022 3:33 PM
24160	Woken it up	2/19/2022 3:33 PM
24161	Not at all	2/19/2022 3:33 PM
24162	It gave me a lot of hope that Canadians would stand up for their right to choose. Today, Feb 18th., is a very sad day to see a peaceful protest squashed by a government that chose to use the inappropriate use of force and financial seizure via the Emergencies Act as opposed to negotiation.	2/19/2022 3:33 PM
24163	Non	2/19/2022 3:33 PM
24164	It has sparked hope that these mandates will soon be lifted	2/19/2022 3:33 PM
24165	It has given me hope that people might decide to say that all of the covid rules are nonsense and all stand together to say no to those trying do restrict the movement and livelihoods of every day citizens.	2/19/2022 3:33 PM
24166	Happy, but sad for the atrocious measures taken by the government.	2/19/2022 3:33 PM
24167	I am in favor of what they are standing for.	2/19/2022 3:33 PM
24168	Given me hope	2/19/2022 3:33 PM
24169	It has made me more resolved to stand for freedom when given the chance. I am saddened at how it's been handled by an absent and cowardly liar PM. I'm very proud to be Canadian as it is our truckers who started an awakening across the world to encourage moving forward with respect to lifting mandates and restrictions.	2/19/2022 3:33 PM
24170	It gives me hope for Canada again for our freedom of choice and for love of life	2/19/2022 3:33 PM
24171	It has been so incredible to be a part of. Seeing the unity of Canadians has brought me to tears on so many occasions. It has given me hope and is giving me a voice that I haven't had in 2.5 years. It was incredible to see that I wasn't the only person who felt the way I did.	2/19/2022 3:33 PM
24172	It has finally brought attention to this tyrannical government/leader and the unjust power plays he continues to pull against our own people. The world is watching, and he continues to disappoint.	2/19/2022 3:33 PM
24173	It gives me hope that our current government will be removed and that Canada can become a free country once again. It has brought unity throughout Canada among people who have chosen to come together, no matter what race, colour or creed each individual is. There has been a hidden agenda by the government from the start which is to take control of every Canadian and turn our country into a social system under the rule of the world economic forum in a one world government.	2/19/2022 3:33 PM
24174	They have given me and many other Canadians hope, have given us a voice nationally, brought forth Covid issues, mandates , etc to be discussed openly	2/19/2022 3:33 PM
24175	It has given me hope and optimism. It was moving to see such love and unity	2/19/2022 3:33 PM
24176	It's given hope and assurance that there are still many of us willing to stand up for what's right.	2/19/2022 3:33 PM

Canadians vote on Canadian Mandate – February 2022

It's brought unity amongst groups not normally brought together. It's brought joy. It's also shown the ugly side of many. It's made many of us realize how much propaganda is in mainstream. No one should look at only one source that applies to all as it creates bias. This is not left or right. It should be right and wrong. We have too much extremism across the board. I do know where I've seen the most hurtful behavior and mean spiritedness and plain hate of late and it's not the Truckers

24177	Helped to see how bad is the Canadian establishment and leadership	2/19/2022 3:33 PM
24178	They close so many streets	2/19/2022 3:33 PM
24179	It's brought a lot of Canadian pride back. Made me see that the majority want freedom. Made me see how biased the news is.	2/19/2022 3:33 PM
24180	So much happiness and joy in these past few weeks then in the past 2 years since the pandemic started	2/19/2022 3:33 PM
24181	I am proud of them	2/19/2022 3:33 PM
24182	i hope it will	2/19/2022 3:33 PM
24183	Made it stronger, had some hope, but made it sad also because of what the government had done! I love the truckers!!	2/19/2022 3:33 PM
24184	Hope for truth and life before covid	2/19/2022 3:32 PM
24185	These guys are heroes. They give us hope	2/19/2022 3:32 PM
24186	Inspirational	2/19/2022 3:32 PM
24187	The convoy has brought the country together in unity, while the PM tries to bring separation. The convoy has given all Canadians a voice in Ottawa regarding their rights and freedoms in this country that our forefathers have fought for. The convoy has shown the world that Canadians will stand up to our PM regarding the abuses against all Canadians. The convoy has proven to the world our PM IS A COWARD and how he handles a peaceful demonstration of love and unity with incompetence and violence. The convoy has proven to the world that our PM DOES NOT WORK FOR CANADIANS. I could go on and on.	2/19/2022 3:32 PM
24188	It has been very positive and it gave me some hope that this country Won't fall into shambles.	2/19/2022 3:32 PM
24189	Provided hope that Canada is united, despite what the media tells us	2/19/2022 3:32 PM
24190	It has given me hope, inspiration. I have felt unity and national pride for the first time in years.	2/19/2022 3:32 PM
24191	It's given me hope. I want my children to experience freedom. And they are the last rung on the ladder that e ever expected redemption from. They are national heros.	2/19/2022 3:32 PM
24192	They make me proud to be a Canadian	2/19/2022 3:32 PM
24193	It has opened up democracy, unity and hope to be heard.	2/19/2022 3:32 PM
24194	They are fighting for our constitutional rights which have been taken away. In order to take our constitutional rights it has to meet a criteria and has to be justified. It hasn't helped or protected the people of Canada. Where these truckers have been fighting standing up to justin trudeau.	2/19/2022 3:32 PM
24195	Hope. I didn't realize how much hope I had lost until it started. I see participants as courageous, peaceful, freedom loving Canadians. I am praying constantly. It feels like the last stand.	2/19/2022 3:32 PM
24196	Gave me hope	2/19/2022 3:32 PM
24197	It has brought a sense of hope! More than just our voices that we keep speaking and no one listens, they sprung into action to defend the freedom of all. Not all of have the ability to travel to Ottawa but I am so thankful they did to peacefully and respectfully ask for these restrictions to be removed. They are asking on behalf of Canadians everywhere. I am appalled that the police would remove veterans from the public veteran memorial. This is the right of Canadians to speak up on the grounds of parliament	2/19/2022 3:32 PM
24198	Lack product	2/19/2022 3:32 PM
24199	Restored hope	2/19/2022 3:32 PM

Canadians vote on Canadian Mandate - February 2022

24200	I am not near it. It has shown the government is not interested in what citizens have to say. I also watched how the news lies compared to regular folk showing what's going on. I watched the RCMP walk over people with their horses. That was horrifying. I have seen supporters of the protest threatened by those who support Trudeau. And I know this happened because he has questioned on TV whether we should tolerate his opposition, he also said he will walk over minority ideas and reject individual rights. He said his opposition do not listen to science. When in fact he is not listening to all the new studies and real science. Such as vaccinated people will spread COVID easier, which is bad for the sick and weak.	2/19/2022 3:32 PM
24201	Has not	2/19/2022 3:32 PM
24202	They are doing what's right for Canada	2/19/2022 3:32 PM
24203	Gave me hope	2/19/2022 3:32 PM
24204	The Convoy and peaceful protests have restored a sense of hope and optimism that people are seeing a need to stop going in the direction the governments in Canada have been forcing their people to go. I think that anyone should be allowed to peacefully protest measures that are in contrast to people's freedoms and rights as law abiding, hard working, healthy citizens.	2/19/2022 3:31 PM
24205	It has shown that Canadians are willing to band together and fight for what is right. The convoy has not negatively impacted my life.	2/19/2022 3:31 PM
24206	I have had a lot of stress because any people I know are truckers.	2/19/2022 3:31 PM
24207	Given me hope that the government will listen to people and shown a pride and unity of humans	2/19/2022 3:31 PM
24208	Gives our family hope Since our Prime minister Justin Trudeau doesn't care about people, he cares only about making money and controlling people.	2/19/2022 3:31 PM
24209	Caused supply chain challenges, increased prices and unnecessary political and social unrest which is further dividing European (settlers, colonizers) immigrants from accepting indigenous and new immigrants.	2/19/2022 3:31 PM
24210	It has given me hope that there are people who feel the same as me	2/19/2022 3:31 PM
24211	Gave me hope for a government that would listen to the people. Otherwise not at all	2/19/2022 3:31 PM
24212	Given me hope that I once again might have a choice, Canada will be Free Again	2/19/2022 3:31 PM

24217	Great. was hoping to end all the bs.	2/19/2022 3:31 PM
24218	It has not affected me mentality or other wise , but is see Canada doesn't stand for your freedom any longer and this makes me sad	2/19/2022 3:31 PM
24219	I have now walked into grocery stores without a mask and no one said anything	2/19/2022 3:31 PM
24220	That is the most amazing thing happen in Canada .. UNITY, LOVE, LIGHT ON END OF TUNNEL	2/19/2022 3:31 PM
24221	It hasn't	2/19/2022 3:31 PM
24222	Nothing at all. Actually has giving me hopes to get my life back	2/19/2022 3:31 PM
24223	Not at all. Disturbing the peace and illegally parked vehicles while exercising their democratic rights, especially when clearly being segregated, vilified and discriminated against is understandable.	2/19/2022 3:31 PM
24224	First sign of hope in 2 years	2/19/2022 3:31 PM
24225	It has given me hope that something positive may happen and change could happen	2/19/2022 3:31 PM

Canadians vote on Canadian Mandate - February 2022

24226	It has impacted the whole world showing that the system about mandates and vaccines are extremely flawed	2/19/2022 3:31 PM
24227	Business perspective	2/19/2022 3:31 PM
24228	I support them	2/19/2022 3:31 PM
24229	It made me happy to see Canadians finally stand up for what they believe in, instead of merely bowing to mainstream narratives and blind adherence to those who seek power for personal gain	2/19/2022 3:31 PM
24230	Hasn't really affected me but I am tired of the media attention they have attracted. Illegal protesters going against a democratically elected government.	2/19/2022 3:30 PM
24231	No affect	2/19/2022 3:30 PM
24232	Make me feel very good	2/19/2022 3:30 PM

24235	Made me happy to see Canadians uniting in solidarity	2/19/2022 3:30 PM
24236	Gave me hope and reassurance that the Canada I love and admire is alive and well	2/19/2022 3:30 PM
24237	Gives us hope	2/19/2022 3:30 PM
24238	See above	2/19/2022 3:30 PM
24239	It has not.	2/19/2022 3:30 PM
24240	I was proud to be a Canadian by the demonstration of peaceful protest and love.	2/19/2022 3:30 PM
24241	It's given me hope that I'm not alone. That there is sanity and that people are wanting to be examples of love and caring for their fellow man.	2/19/2022 3:30 PM
24242	It has given me hope that we can get our country back!	2/19/2022 3:30 PM
24243	It has helped me to know I have rights in this great country we call Canada and to stand up for what is right to fight against oppression	2/19/2022 3:30 PM
24244	It gives hope	2/19/2022 3:30 PM
24245	They are courages and brave. Give me hope to restore Canada back to a free country. Honestly, I have been considering leaving Canada for good because of the Trudeau leadership. I am having hope on Canada because of the convoy	2/19/2022 3:30 PM
24246	No effect	2/19/2022 3:30 PM
24247	Brought hope	2/19/2022 3:30 PM
24248	It is stressful and disheartening that the government has refused to talk and negotiate and listen to the people of Canada.	2/19/2022 3:30 PM
24249	Finally feel proud to be canadian. Glad someone is standing up to the government	2/19/2022 3:30 PM
24250	it gave us hope that the government might re-think their way of action and end Covid mandates.	2/19/2022 3:30 PM
24251	It's really annoying, and I hate it. They need to realize that they do this to protect us.	2/19/2022 3:30 PM
24252	It hasn't. I hope it helps end these mandates	2/19/2022 3:30 PM
24253	brought me hope again that our rights and freedoms will be reestablished	2/19/2022 3:30 PM

Canadians vote on Canadian Mandate – February 2022

24258	Brought awareness to the government's greed of control	2/19/2022 3:29 PM
24259	We have been following from day one. We are extremely grateful to the truckers, doctors, police, EMS, nurses, lawyers who have been so courageous to open up the dialogue and stand for our freedom to chose. We are thankful for the dialogue that has gone on to make us more aware of worldly events. Thank you to all the independent media persons for continued coverage.We want to continue to respect each persons choice. Extremely disheartened and disgraced that our Prime Minister Trudeau would not at least come to the table for an open discussion.	2/19/2022 3:29 PM
24260	The trucking convoy has not affected me if anything it has brought more Canadians together	2/19/2022 3:29 PM
24261	inspired my disappointment with all of our governments	2/19/2022 3:29 PM
24262	*They have renewed my pride of being Canadian. God bless them and their sacrifice for all.	2/19/2022 3:29 PM
24263	Gave me hope...made me proud to be Canadian again	2/19/2022 3:29 PM
24264	Has given me hope and joy and brought us closer together rather than dividing us, makes us united	2/19/2022 3:29 PM
24265	All they want is for Canadians to get their FREEDOM back.	2/19/2022 3:29 PM
24266	It has given me hope it's a peaceful protest yest the media make it out to be violent! Shame on our prime minister the truckers just want too talk to him!	2/19/2022 3:29 PM
24267	It hasn't I'm 100% behind them	2/19/2022 3:29 PM
24268	Given me hope.	2/19/2022 3:29 PM
24269	When it started, I felt hopeful for the first time in months! We watched the convoy from the side of the 401 and it was encouraging to see people uniting. But the media soon ruined it, twisting what's been happening and focusing on the negative. So, the hope I had passed quickly, and the way the Trudeau government has handled things has been sad and frustrating.	2/19/2022 3:29 PM
24270	They are trying to get Trudeau to listen to the will that we need these mandates to end.	2/19/2022 3:29 PM
24271	Meh	2/19/2022 3:29 PM
24272	It gave me hope that the tyrant government would stop their control	2/19/2022 3:29 PM
24273	It has given me hope and the realization that there are people that value freedom.	2/19/2022 3:29 PM
24274	The convoy has given hope and patriotisms back to the Canadian People. This has also exposed, without a shadow of a doubt, the deep level of disregard for Canadians rights and freedoms that the Canadian government and their minions the mainstream media currently holds.	2/19/2022 3:29 PM
24275	Doesn't bother me	2/19/2022 3:29 PM
24276	It has opened my eyes on the liberal gov.	2/19/2022 3:29 PM
24277	They have brought joy and peace and hope	2/19/2022 3:29 PM
24278	Gave me hope. Felt like our country was uniting. Actually witnessing the convoy through the live feed (not through the mainstream media) was one of the most inspirational journeys i have ever witnessed.	2/19/2022 3:29 PM
24279	Giving hope	2/19/2022 3:29 PM
24280	Blessing	2/19/2022 3:29 PM
24281	They have given us hope, beyond belief, that we as Canadians, deserve freedom of choice as should be!!	2/19/2022 3:29 PM
24282	It's hasn't affected my life. I feel that these are brave Canadians standing up for us and our future. I admire them and have lost all faith in our political leaders. The government reaction is terribly wrong and abusive. It brings tears to my eyes and I can't believe how much control the government wants to have over our lives... The media, elected officials and police should really be ashamed of themselves. Sad day in Canada as we are no longer the land of the free!!!	2/19/2022 3:29 PM

24287	Very! Proud to be supporting them , at least someone does something	2/19/2022 3:28 PM
24288	I was boots on the ground and I have never in my life seen that much unity from Canadians. It is a shame that the media and government did not actually portray the love and unity that was happening in Ottawa! My heart felt so happy and warm! It gave you hope! I am proud to support the small fringe with unacceptable views! I do not support a prime minister who chooses to label people and divide this country! Freedom and thank you to the freedom convoy and every single Canadian that stood on the sides of roads, overpasses, bridges and made the trek to Ottawa! It was Canadians that made this convoy what it was and I could not be more proud to stand with them!	2/19/2022 3:28 PM
24289	I think it is awesome and it has made me feel like there is hope to stop the current abuse of power. It has given me and the rest of Canada a voice!	2/19/2022 3:28 PM

24297	It didn't	2/19/2022 3:28 PM
24298	I now have some hope in my fellow Canadian. I have nothing but the utmost respect for these men and woman. I have zero respect for our governing bodies political and professional.	2/19/2022 3:28 PM
24299	in an amazing way that gives me hope that we arent going to be manipulated & controlled any longer	2/19/2022 3:28 PM
24300	It has drawn attention to the plight of everyday Canadians.	2/19/2022 3:28 PM
24301	It shows that we all stick together and won't put up with the way the Prime Minister is doing things !!!!!!!!!!!!!	2/19/2022 3:28 PM
24302	I'm frustrated, embarrassed, confused, angry and sympathetic to the Ottawa citizens.	2/19/2022 3:28 PM
24303	It has given hope and unity.	2/19/2022 3:28 PM
24304	Not at all	2/19/2022 3:28 PM
24305	Alot	2/19/2022 3:28 PM
24306	I came to Canada from a country troubled by the constant violence, conflicts, and tension between people and the government. I came to live in a peaceful community where I can feel safe, live in peace, and where I can dedicate my time to studying my areas of interest, working for the benefit of my country and my family, and pursuing my life goals without the constant threat of war outside my door, which is no longer seems to be the case in Canada. I lost trust in the government and I no longer feel safe here.	2/19/2022 3:28 PM
24307	Given me hope and shown I'm not alone in my opinions and views	2/19/2022 3:28 PM

24320	First time I felt like a Canadian . There was hope . Pride.	2/19/2022 3:27 PM
24321	They have given hope again to the people of Canada. Our hopes rose as we watched all along the roadways how the people were together again and flying our flag. Like so many others I didn't want to fly that flag but now it means something different to me. They have been an example of the people's desire to resolve these restrictions and get back to working and living as we have always done.	2/19/2022 3:27 PM
24322	Made me proud to be Canadian again.	2/19/2022 3:27 PM
24323	It hasn't personally but I do support their voice and commitment to giving our PM a message. Freedom to choose has been a gift we have been blessed with--we don't want it taken away.	2/19/2022 3:27 PM
24324	It has given me hope that the Canada I love may be saved from the tyrannical outreach of our current government on our Charter of Rights and Freedoms. And that we may see a democratic process be restored in our Canadian government.	2/19/2022 3:27 PM
24325	It lifted my spirit	2/19/2022 3:27 PM

24366	Brought hope, unity to a broken country	2/19/2022 3:25 PM
24367	well it started out exciting to see a flame of hope amongst the Canadian people, HENCE IS WHY I MADE A VERY SMALL DONATION WHICH HAS PUT MY NAME ON A LIST THREW MORE CORRUPTION AND LIES, but i do believe it has turned into a political zoo, one thing for sure it is waking up the people and revealing so much corruption, lies and separation that has been created by all this. Legacy media is so Corrupt this all has to STOP!!!! iM DONE, NOW GOING TO TO TAKE BACK MY FREEDOM AND LIVE IN LOVE	2/19/2022 3:25 PM

Canadians vote on Canadian Mandate – February 2022

24368	We like many have noticed the decline in many groceries that we can usually attain.	2/19/2022 3:25 PM
24369	Only in a good way, it's great to see people standing up for themselves.	2/19/2022 3:25 PM
24370	Given me hope that many walks of life can come together and unite for a common good.	2/19/2022 3:25 PM
24371	It help to show that we don't stand for nonsense. This is only one of the issues that need to be fixed. We need to stop giving so much money away and develop our own country. It's getting bigger all the time but housing is constantly a huge issue. This is common sense like what are they doing worrying about keeping mandates that aren't needed anymore.	2/19/2022 3:25 PM
24372	Gives some hope. Seeing people stand up for right and truth	2/19/2022 3:25 PM
24373	Inspired me	2/19/2022 3:25 PM
24374	It gave me a voice again.	2/19/2022 3:25 PM
24375	It's about time people started to stand up against a government who doesn't listen to the people. I think this entire situation is going to cause more frustration where more people stand up for their constitutional rights. The pm has driven this country into inflation, job loss, and a war against its own people. Just because he thinks he is right. This is a disaster. Pm is the worst leader in history. I support these people and their right to earn a honest living. This was a peaceful protest and the narcissistic ass made it about the law being broken and the kids whom are there. Yet no one is talking about a peaceful talk with the people to bring about change. All these government are now making changes but refuse to acknowledge the people have wanted these changes. Canada's entire government system is broken and they also have broken any and all laws to support the fact they think they are right. People have lost jobs no severance for working 20 years due to having a health condition not wanting poison put in their bodies yet the government not understanding science nor is there scientific evidence. Then demands federal people to vaccinated or lose jobs. More and more people are waking up to how our health system is broke and this is possible reason why another lie to the people. But hey he voted to give himself a raise to show what a great job he has done. My health conditions do not permit a fight however, go truckers go. And ok the government may force there way and even get their way but I think what was eventually peaceful protest could turn worse. People are becoming angry with how the government is forcing the people to do things they do not want to do. I am going to sit back and watch because in my opinion the government is only escalated anger towards themselves. So I will definately keep a watch as this turns to a horror show. The government has created this all on its own by not listening to the people. Oh and thinking they can indoctrinate people into their way of thinking by continued daily indoctrination from the news. Well people are not that stupid they can also see that this trucker protest is going on in 33 other countries this is more than a Canada issue, but by all means keep hiding the truth from people.	2/19/2022 3:25 PM

Canadians vote on Canadian Mandate – February 2022

24387	It has brought me hope and joy that us Canadians can still come together to do something amazing!	2/19/2022 3:24 PM
24388	I have been proud of these Canadians taking a stand against excessive government controls, but doing so peacefully and with grace. It has further demonstrated and exposed the vicious dictatorial divisive insulting character and agenda of Justin Trudeau and the current Canadian government. Trudeau's willingness to ruthlessly attack people with views and beliefs different from his, and to invoke the Emergencies Act against non-violent protest is the most egregious and shameful government action in Canadian history. It makes it all the more clear the need to work to have a government composed of people of character dedicated to working for the people of Canada and not ruling over them with a totalitarian agenda. It has motivated me further to see that people of integrity and character serve in elected office.	2/19/2022 3:24 PM
24389	Encouraging, Inspiring, grateful to be Canadian.	2/19/2022 3:24 PM
24390	Hope	2/19/2022 3:24 PM
24391	The truckers have given me hope.	2/19/2022 3:24 PM
24392	Makes me want to always fight for my rights!	2/19/2022 3:24 PM
24393	When the truckers collectively decided to rally and say "No more" to all the mandates and bullying, I felt hope rise in my spirit. Finally, the government may listen and finally someone was speaking out against the narrative. They represented my voice and my feelings about this unreasonable and cruel situation. I see how the world has responded to this unified group. I see how other Countries have followed suit. And I am so encouraged by the love and positivity shown by the truckers and supporters. I pray that they succeed in waking up the people in our Country and Parliament who have stood by, allowing this to continue. God save our Country to be strong and free!!	2/19/2022 3:24 PM
24394	Given us hope and encouragement, a feeling of unity, an anticipation that something good can still come to Canada	2/19/2022 3:24 PM
24395	It hasn't adversely affected me but given pride in the people of our country	2/19/2022 3:24 PM
24396	Makes me cry to see how they are standing up for the freedom and rights of Canadians	2/19/2022 3:24 PM
24397	Very positive until trudeau started beat them chemically attacking them and running over them with horses	2/19/2022 3:24 PM
24398	I felt like I'm not alone in my desire for a FREE Canada. I felt supported. I have not felt that way since Trudeau started teaching Canadians to hate each other bc of their personal choice. The protest is sorting out those who love freedom, from those who want 'daddy' to govern them harder, and the third group is narcissistic globalist left leaning who WANT to govern harder. The police action in OTTAWA was beyond despicable. The police abandoned their oath. They are cruel and enjoying working for the tyrant beating, hurting trampling innocent peaceful people at a LAWFUL protest.	2/19/2022 3:24 PM
24399	It has given me inspiration and hope that a large portion of the population is now waking up and supporting the same ideals that I have had since the start of the lockdown. It has given me hope to see massive numbers of people finally stand up and protest things I have been attending smaller protests against on a weekly basis since March 2, 2020	2/19/2022 3:24 PM

24403	I have never felt so hopeful in the past 2 years. Alone I felt like my voice couldn't be heard. I'm so thankful for the countless people in Canada and around the world who together are taking a stand with me for freedom to choose, to live.	2/19/2022 3:24 PM
24404	Made me feel we had hope that we would have our freedoms back	2/19/2022 3:24 PM
24405	Thanks god that the Canadians are waking up from the deep sleep.	2/19/2022 3:23 PM
24406	Other than the governments lack of response and then invoking the emergency act for no intelligent reason... the convoy itself has not affected me.	2/19/2022 3:23 PM

noticed before the truckers. Our nurse and dr. The ones on the front lines working 24/7 to keep us alive. The ppl loading those trucks and unloading to keep the supply chain running. Also all the ppl working in our grocery stores, check-you out who are standing behind plastic shields to protect us and them selves. The truckers just deliver the product. Believe in God and it will all work out. God is watch everything that is happening and at the right time God will appear when least expect.

24408	made me see that there are people willing to fight for what is right. opened my eyes to how bad our government is. opened my eyes to how bad police are after defending them for years. I feel like a fool supporting the police after what happened at the protests.	2/19/2022 3:23 PM
24409	It has brought hope! For the first time in two years, I have felt genuinely hopeful of things changing and have been proud to be Canadian. I have formed new connections and finally seen that I am not alone in believing in bodily autonomy and the right to say no to any medical procedure without threat of losing my livelihood or education. I have hope that things will change.	2/19/2022 3:23 PM
24410	It's given Canada and the world a back bone	2/19/2022 3:23 PM

24416	I don't believe in how they are doing that's not fair	2/19/2022 3:23 PM
24417	It has been amazing to see the country come together in solidarity and standing up against the tyranny of Justin Trudeau	2/19/2022 3:23 PM

24419	Give me hop again	2/19/2022 3:23 PM
24420	They have given me hope that we can do better, they have shown me that the main stream media lies, that Trudeau is a selfish power hungry authoritarian who doesn't care about any of us.	2/19/2022 3:23 PM
24421	Gave me hope that this segregation will stop and I can leave in this once free country	2/19/2022 3:23 PM
24422	It has given me hope and unity with others. No more fear of getting together with others.	2/19/2022 3:23 PM
24423	I think it has encouraged people to find their voices. The federal government calls violent protestors on any politically correct cause "passionate people." The truckers have peacefully made their goals known and they are called "terrorists." Its obvious that mandates are more for egos and ideology than they are for health and safety or any sense pragmatism.	2/19/2022 3:23 PM
24424	Gave me hope and confidence	2/19/2022 3:23 PM
24425	It has shown me that there are millions of awake people in Canada and millions more around the world. It has also shown me that the elite state media and its allies attack not the truth, but the narratives of the truth bearers. In the end they will be judged and God still wins.	2/19/2022 3:23 PM

24466	It has shown me what a dishonest person we have as our prime minister. Mr. Trudeau is a disgrace to all Canadians and the leader of the NDP must have Jack Layton rolling over in his grave	2/19/2022 3:21 PM

I hope the Liberal party, and the NDP, and The Conservatives will cease to exist as partys after this election. I hope that political partys be abolished. I am very optimistic that these politicians ,, what ever ilk, will be brought to justice. I hope for a new and better constitution that forbids the purchase of governmental power from any entity. We need an election EVERY YEAR. 4 yr terms have cost us our freedom, as have political partys. The cost is worth it to defend OUR FREEDOM.	2/19/2022 3:20 PM

24713	I felt like to me for the couldn't say you thought the vaccine should be a choice. I was worried provinces were going to mandate it and punish those who didn't.	2/19/2022 3:12 PM
24714	Hope.	2/19/2022 3:12 PM
24715	it has given me hope that we are still a democracy and we can remove the current dictator from power in a political way and vote in someone who is a leader and has canadians in priority not his power	2/19/2022 3:12 PM
24716	I think it wonderful! They are bringing our government to accountability! The way our government has treated the convoy is gross & shameful.	2/19/2022 3:12 PM
24717	All the convoy has done for me is show me that people do care	2/19/2022 3:12 PM
24718	supply chain...hard to get some products,... empty shelves	2/19/2022 3:12 PM
24719	It hasn't except Alberta reduced restrictions because of it.	2/19/2022 3:12 PM
24720	It has not effected my life at all	2/19/2022 3:12 PM
24721	It didnt	2/19/2022 3:12 PM
24722	Not at all	2/19/2022 3:12 PM
24723	Items unable to cross the boarder.	2/19/2022 3:12 PM
24724	Gave me hope	2/19/2022 3:12 PM
24725	They are getting our freedom back! Go truckers!	2/19/2022 3:12 PM
24726	Not at all.	2/19/2022 3:12 PM
24727	It hasn't	2/19/2022 3:12 PM
24728	It has I inspired me and given me hope for the future not only for myself, but also my children.	2/19/2022 3:12 PM
24729	Other then feeling disgust for my government???? Not much but if they don't succeed then I can see it affecting my life.	2/19/2022 3:12 PM
24730	I felt hopeful, united as citizens and country and proud that they took a stance..	2/19/2022 3:12 PM

Canadians vote on Canadian Mandate - February 2022

24732	hasn't	2/19/2022 3:12 PM
24733	Feeling hopeful for change, concern for protestors	2/19/2022 3:12 PM
24734	given me hope	2/19/2022 3:12 PM
24735	Love them	2/19/2022 3:12 PM
24736	It hasn't	2/19/2022 3:12 PM
24737	The trucking convoy has brought hope back into my life that this many Canadians are willing to drop everything and take their families across Canada to stand up for our entire country, peacefully.	2/19/2022 3:12 PM
24738	It gave me hope, I attended one weekend and see how the people there were all like one big family, they were all full of love and joy, they restored my faith in humanity. I had never been so happy for the past 2 years, but I did for that 1 day when I was amongst the truckers and protesters there at the parliament hill.	2/19/2022 3:12 PM
24739	Reminded me that we need a voice and what freedom looks like	2/19/2022 3:12 PM
24740	It has given me hope!!	2/19/2022 3:12 PM
24741	Honestly, it allowed me to feel some pride again in my country. I have been very discouraged at how we have been treating each other and it was so beautiful to see so many people gather together peacefully to fight for what they believe is right.	2/19/2022 3:12 PM
24742	They took away the mandates same for the passport they are fighting for our freedom	2/19/2022 3:12 PM
24743	Pride for my country again.	2/19/2022 3:12 PM
24744	None.	2/19/2022 3:11 PM
24745	I liked the fact it brought people together and gave hope for change. Our voices would be heard.	2/19/2022 3:11 PM
24746	It has given me pride in the people of Canada, pride in my country, hope that we will win against the criminal tyranny befalling all humanity.	2/19/2022 3:11 PM
24747	No	2/19/2022 3:11 PM
24748	The truckers are the first bit of hope this country has had in a long time. People have not been allowed to question anything or risk losing their job. We were not even wanting children grandchildren to grow up in Canada the path it is on. They have brought the country together in one week of travel like no government has ever done	2/19/2022 3:11 PM
24749	waste of time	2/19/2022 3:11 PM
24750	Proud of the convoy	2/19/2022 3:11 PM
24751	No affected	2/19/2022 3:11 PM
24752	They helped me in my journey. They have given me hope, love and inspiration. I support them all the way. Thank you TRUCKERS ♥	2/19/2022 3:11 PM
24753	It has given me hope in that I am not alone, other people feel the same way I do. I am happy that Canadians are finally standing up for themselves.	2/19/2022 3:11 PM
24754	It has given me hope	2/19/2022 3:11 PM
24755	Gave me hope	2/19/2022 3:11 PM
24756	It gave me hope for Canadians until the Justin Trudeau destroyed that hope	2/19/2022 3:11 PM
24757	It has given me hope. Though I am a Christian, and realize that all things are in God's control, it was great to see so many Canadians coming together and seeing how many people actually held your views. I am not anti-vaxx, but I support individuals being able to make their own choices. This includes the choice of whether I want to receive an experimental vaccine, EVEN in an emergency. The truckers represented and fought for these rights, which many politicians failed to do.	2/19/2022 3:11 PM

Canadians vote on Canadian Mandate – February 2022

24758	RESTORED HOPE IN HUMANITY, this historical moment is the first and only one wich bring such unification between english an french speaking people in Canada, between races, communities, between provinces, between countries all over the world... The light upon the tunnel was 18 wheels headlights, not less	2/19/2022 3:11 PM
24759	Made me think there is hope for Canada again	2/19/2022 3:11 PM
24760	Only in positive ways	2/19/2022 3:11 PM
24761	It has given me hope. I feel less alone in the world	2/19/2022 3:11 PM
24762	Very disturbing the way it was handled by the government and police. Weather I agree with the truckers or not that is no way to treat people.	2/19/2022 3:11 PM
24763	I gave me hope for the future of my kids.	2/19/2022 3:11 PM
24764	I think its great.	2/19/2022 3:11 PM
24765	It has given me hope. There are a great number of Canadians who believe as I do that our government has acted illegally and needs to be held accountable.	2/19/2022 3:11 PM
24766	It hasn't affected my life.	2/19/2022 3:11 PM
24767	Gives hope.	2/19/2022 3:11 PM
24768	It has shown me that my views are not unacceptable, that there are others that feel the same. It shows me that I am not crazy for thinking this way. And above all else, it makes me feel like I am not alone in this. Trudeau has done more damage than covid and he needs to resign and let someone else step up	2/19/2022 3:11 PM
24769	They have given me hope	2/19/2022 3:11 PM
24770	Give me hope, that there is light at the end of the tunnel. And for the first time in three years I felt proud to be Canadian. It's so good to see that I am not alone. Love still exists in the people's hearts and we do care for each other	2/19/2022 3:11 PM
24771	Good to see someone standing up for our freedoms I hope there isn't any violence from the protesters	2/19/2022 3:11 PM
24772	very positively. Nice energy and unity of Canadians, also brought Quebecers and the rest of Canada together. Sadly, the truckers have been smeared by mainstream media.	2/19/2022 3:10 PM
24773	Finally this country has grown some balls all it takes is one and everybody else will stand up	2/19/2022 3:10 PM
24774	Has helped.	2/19/2022 3:10 PM
24775	It has brought awareness to ending issues for fellow Canadians struggling with issues I've mentioned above.	2/19/2022 3:10 PM
24776	The convoy has finally giving me hope for life to go back to normal if it will ever so sad the world now. Truly believe government has to change Our Prime Minister isa disgrace to our beautiful country	2/19/2022 3:10 PM
24777	They give me some hope, however small.	2/19/2022 3:10 PM
24778	Big support but it did not affect my Alberta life!	2/19/2022 3:10 PM
24779	I have hope snd pride!	2/19/2022 3:10 PM
24780	They've made me be proud to be Canadian again. And brought hope for a better future for my children.	2/19/2022 3:10 PM
24781	It has given me hope that we can get rid of our corrupt government	2/19/2022 3:10 PM
24782	It has given me hope.	2/19/2022 3:10 PM
24783	When it began it gave me hope. There has been quite a smear of all participants for which I have felt saddened. My sense is that it has made a difference and raised some awareness despite being met with great resistance.	2/19/2022 3:10 PM
24784	Bring positives	2/19/2022 3:10 PM
24785	I am not sure what they want because they already had two or 3rd vaccinated in 90% but I am	2/19/2022 3:10 PM

Canadians vote on Canadian Mandate - February 2022

worry about other people don't have vaccines and COVID-19 will catch them and getting sick. I sure some people don't have vaccinate and impact innocent people might get sick in Ottawa during they are their protests. All Governments are weak because people who are not vaccinate and without their masks, they are power over Government of Canada.

24786	Brought me extreme hope and patriotic camaraderie towards my fellow Canadians	2/19/2022 3:10 PM
24787	Can't decide. But think they proved their point and should return home. Tooooo much misinformation in the media	2/19/2022 3:10 PM
24788	It has not affected my life in a negative way. For 2 years we have isolated from everyone, rights and freedoms taken away, scorned and ridiculed because of our choice to not receive the jab. Mr. Trudeau is calling us unkind names and attacking us instead of helping us! The trucker convoy gave me HOPE again! I was smiling again, my heart was full to see so many people stand up together in Unity for something that we don;t want to loose - FREEDOM! What Mr. Trudeau is doing to ALL Canadians is criminal and bringing in an unnecessary huge police presence to intimidate and conduct acts of violence on the truckers and supporters is DISGUSTING! I had the opportunity to go to Ottawa myself and the feeling there was beautiful! Seeing everyone's face, the smiles, the love, the support for one another was incredible! I did not see violence, I did not see a lick of garbage on the ground, I saw truckers shoveling snow, I saw people playing hockey in the streets, I saw people dancing, singing and laughing! THIS is how it should be! The main stream media needs to stop twisting stories and creating a narrative that these people brought violence when it was the government who has brought the violence with their guns, snipers, batons, pepper spray etc. This needs to stop and Trudeau needs to GO!!!!	2/19/2022 3:10 PM
24789	Given me hope	2/19/2022 3:10 PM
24790	We are proud of the convoy & proud of the truckers that kept the supply of goods running.	2/19/2022 3:10 PM
24791	It has added a lot of fun and hope.	2/19/2022 3:10 PM
24792	It has inspired me	2/19/2022 3:10 PM
24793	Feels hopeful	2/19/2022 3:10 PM
24794	Brought me hope	2/19/2022 3:10 PM
24795	hasnt affected me at all. i completely support it. were sick of mandates and they need to ALL end . including traveling passports.	2/19/2022 3:09 PM
24796	The convey has shed hope and light in an otherwise dark time for Canadians	2/19/2022 3:09 PM
24797	I feel like there's hope to live happily again. To gain back our freedom.	2/19/2022 3:09 PM
24798	Attack on liberty by a group of extremely selfish people.	2/19/2022 3:09 PM
24799	Given hope and waking some of the population, hopefully making everyone think a little bit. Proven what a pathetic excuse of a leader we have in our PM.	2/19/2022 3:09 PM
24800	I support it, but I do believe they can protest without trucks	2/19/2022 3:09 PM
24801	I am glad they made my voice heard, and has shown me i am not alone in my stance	2/19/2022 3:09 PM
24802	It has filled me with pride. I was in a demonstration recently and it felt wonderful.	2/19/2022 3:09 PM
24803	It hasn't	2/19/2022 3:09 PM
24804	It gave me something to be hopeful for and to be proud of for people standing up for our rights.	2/19/2022 3:09 PM
24805	Watching the fear mongering of the the media that doesn't tell the truth versus the truth by the person's on ground level videos telling truth and actually what is happening with the multitude of people who by the way are not all truckers but regular persons also.	2/19/2022 3:09 PM
24806	It hasn't	2/19/2022 3:09 PM
24807	It gave back the pride in Canadians and Canada that has been lost over the last 2 yrs.	2/19/2022 3:09 PM
24808	It made me proud	2/19/2022 3:09 PM
24809	Provided hope and unity that their might be an end to medical politics	2/19/2022 3:09 PM

24810	The blockades have impeded our manufacturing industry from running	2/19/2022 3:09 PM
24811	It has giviin me back hope and a reason to be proud to be Canadian	2/19/2022 3:09 PM
24812	It has had major negative impacts on my life: I have been harassed, noise and added air pollution, my friends building was the site of an attempted arson, disruptions driving and getting around, elected officials were prevented from debate, and so fucking much noise.	2/19/2022 3:09 PM
24813	It has given us hope for freedom.	2/19/2022 3:09 PM
24814	No at all	2/19/2022 3:09 PM
24815	Giving us hope	2/19/2022 3:09 PM
24816	Want my freedom back	2/19/2022 3:09 PM
24817	Extremely annoying	2/19/2022 3:09 PM
24818	It's people like the truckers that stand up for our rights and it shows how many people are sick of the rich getting richer and the poor getting poorer	2/19/2022 3:09 PM
24819	Made me never feel so proud to be a Canadian	2/19/2022 3:09 PM
24820	It has had zero impact so far	2/19/2022 3:09 PM
24821	It has inspired people and unified people together.	2/19/2022 3:09 PM

24823	Hasnt	2/19/2022 3:09 PM

24832	I'm proud to see my fellow Canadian's stand up for there rights!	2/19/2022 3:08 PM
24833	I'm worried about them, but very proud and hopeful.	2/19/2022 3:08 PM
24834	Gave me courage to continue with my decision not to take the vaccines. And it was the veterans that are behind the convoy that has effectively makes me proud to be on the right side not the left	2/19/2022 3:08 PM
24835	Gave me some hope that not everyone in Canada is completely retarded	2/19/2022 3:08 PM

24839	Trudeau has communistic leanings, convoy woke up the world to our loss of freedom to vaccinate or not, peaceful demonstration handled with violence by govt. cheered them on	2/19/2022 3:08 PM
24840	I was given hope for our freedom to be restored	2/19/2022 3:08 PM

Canadians vote on Canadian Mandate - February 2022

24842	It gave me hope for a bit	2/19/2022 3:08 PM
24843	Gave Canadians hope again	2/19/2022 3:08 PM
24844	It has given me hope that there are more Canadians awake to the tyranny masquerading as concern for public safety, to the inherent dangers of these rushed into production mRNA shots, to the hidden agenda behind all the mandates - a world governed by a self-appointed elite (aka World Economic Forum, Bilderberg, Club of Rome members to name just a few), who seek to control virtually every aspect of life, human, mineral, vegetable, digital... it has given me hope that Canadians are not as asleep or as docile or as brainwashed as the CBC has led me to believe. It has given me enormous hope that perhaps it is not too late to try to turn this around...	2/19/2022 3:08 PM
24845	Inspired	2/19/2022 3:08 PM
24846	Given me hope that there good people in Canada. Tears of joy that truckers have come to save us and our freedom.	2/19/2022 3:08 PM
24847	Brought hope	2/19/2022 3:08 PM
24848	It gave me hope. Hope that others would see that these mandates come with risk. It gave me hope that we might acknowledge that the public health orders have failed to achieve what was promised and have caused significant harm to Canadian people.	2/19/2022 3:08 PM
24849	Inspired me the know there is still hope for our country and we still have many people that feel the same.	2/19/2022 3:08 PM
24850	I love it I was there and love all my fellow brothers	2/19/2022 3:08 PM
24851	Hasn't	2/19/2022 3:08 PM
24852	Hope	2/19/2022 3:08 PM
24853	I can't say it has affected me, other than inspiring me that these people are sacrificing so much to stand for or freedoms	2/19/2022 3:08 PM
24854	It has benefited my mental health knowing Canadians are tired of the ineffectiveness of all the mandates a restrictions.	2/19/2022 3:08 PM
24855	It has brought unity and exposed how corrupt the Canadian government is	2/19/2022 3:08 PM
24856	It is a glimmer of hope. Freedom has a chance. They are our heros.	2/19/2022 3:08 PM
24857	Hasn't done anything negative in my life	2/19/2022 3:08 PM
24858	None	2/19/2022 3:08 PM
24859	Negatively & it is obviously misguided & without clear purpose. I feel for the citizens & business people of Ottawa who have had to endure such an occupancy.	2/19/2022 3:08 PM
24860	It has not affected my life directly, but some of their objectives I believe in.	2/19/2022 3:08 PM
24861	Not at all	2/19/2022 3:07 PM
24862	It only proved what I have said that police are nothing but brown shirts for the government	2/19/2022 3:07 PM
24863	It gave my family hope again.	2/19/2022 3:07 PM
24864	The trucking convoy has appalled me and scares me that we are being held hostage by people who are mentally unstable and or unable to deal with reality. They are using the personal freedom bandwagon knowingly or not to deny the truth they can't or won't see. They are putting the health and life of fellow Canadians in jeopardy. I'm afraid that nothing will really be done to stifle this and put this country in jeopardy. We don't need a case of the inmates running the asylum, which is what will happen if strict measures don't have teeth. taken.	2/19/2022 3:07 PM
24865	It has been a sign of unity that I have never seen before in Canada. The friendship and community that has been shown there is very up-lifting. For the first time in 2 years I was proud to be a Canadian again.	2/19/2022 3:07 PM
24866	hasn't	2/19/2022 3:07 PM

24868	Hasn't yet but I pray that they win	2/19/2022 3:07 PM
24869	Those are good people fighting for our rights and freedom. I would join them if I would not live so far away (British Columbia).	2/19/2022 3:07 PM
24870	Brought me hope that this will be over soon. Showed my children how lovely it is to be around people again. Showed my children UNITY and to be proud of the people and country we live in.	2/19/2022 3:07 PM
24871	Awareness, that you are not alone , that there are millions that feel the same way.	2/19/2022 3:07 PM
24872	It's given me hope of unity and galvanized direction for our country for a positive outcome.	2/19/2022 3:07 PM
24873	Hope	2/19/2022 3:07 PM
24874	It's given faith to those who have lost faith. You could see it by the crowds who stood alongside the highways waving flags and cheering on with support. The government run media has only shown the hatred rather than the peace, love and happiness.	2/19/2022 3:07 PM
24875	Again, eye opening. I am fully of the belief that the convoy was and is a reaction borne of what I describe above. Lack of inclusive leadership on the part of Canada's PM has also shocked and disappointed deeply. That disappointment extends to our public CBC news network. I am, ordinarily, a supporter of both.	2/19/2022 3:07 PM
24876	I feel hope , I know I'm not alone.	2/19/2022 3:07 PM
24877	Has given me some hope.	2/19/2022 3:07 PM

24885	Cast a light on tyranny in government and government overreach	2/19/2022 3:07 PM
24886	Gave Hope ! I Totally Support Them ! This is " We The People's Country " !!!	2/19/2022 3:07 PM
24887	Has provided hope that we get back to living our lives again.	2/19/2022 3:07 PM
24888	more expensive food & groceries	2/19/2022 3:06 PM
24889	Given us hope, seen that we are not alone. But at same time seen how corrupt government is and how bad the leadership is. Every question the prime Monti's asked be replies the same way- he calls people names and says how Canadians have been there for one another and that science says we should get vaccinated and that he knows what we are goin through. Never once does he answer the question. I believe it's because he can't with out admitting his failures and exposing his friend	2/19/2022 3:06 PM
24890	It has brought hope and the reaction of our government has confirmed that none of these mandates are actually about health but about control.	2/19/2022 3:06 PM
24891	Not at all	2/19/2022 3:06 PM
24892	Our economy has suffered. Our society has splintered or at least it has become more apparent. Their rights should not outweigh the business and travel within and between the countries. If I blocked a road, I'd be ticketed and towed. But- why on earth did you bring in passport vaccine rule for truckers at the end of the pandemic?!!!!!!	2/19/2022 3:06 PM
24893	It gave me hope, it woke up the world, it made me proud of Canada again	2/19/2022 3:06 PM
24894	Brought forth a sense of hope and unity - peacefully - for the first time in 2 years	2/19/2022 3:06 PM

24896	It's literally only brought positivity to my life.	2/19/2022 3:06 PM
24897	I love every minute of it. Finally proud to be Canadian again. Go truckers	2/19/2022 3:06 PM
24898	Don't affect me	2/19/2022 3:06 PM
24899	They bring me hope and I am praying everyday for peace and a peaceful resolution and that all mandates come to an end immediately. The police at the convoy are harming non violent peaceful innocent people who believe in freedom and liberty	2/19/2022 3:06 PM
24900	It woke me up	2/19/2022 3:06 PM
24901	Provided hope	2/19/2022 3:06 PM
24902	It's been a huge encouragement	2/19/2022 3:06 PM
24903	I've had a glimpse of hope. Only God is faithful!!	2/19/2022 3:06 PM
24904	This has given us all an opportunity to be able to speak up for what we believe in,	2/19/2022 3:06 PM
24905	Gave hope	2/19/2022 3:06 PM
24906	Given me hope, made me really understand that the mainstream news is corrupt and one sided. What I saw in person on Parliament hill was totally different from what the news wanted everyone to think what was going on.	2/19/2022 3:06 PM
24907	Gave me hope for our country, I support the movement and now I'm said that these protests are violently shut down by police.	2/19/2022 3:06 PM
24908	Gave some hope that people still have the will to act. Impressed by their peaceful posture and organizational skills. Also exposed the arrogance of gov who refused to even meet with the leaders, and their misuse of emergency order and over reach into personal and public financing platforms. We now have proof of their hypocrisy when they disagree with a cause, the levels they will stoop to, even ignoring the Charter of Rights and Freedoms. At least it is witnessed around the world and won't easily be hidden!!	2/19/2022 3:06 PM
24909	It has brought us together as Canadians ... haven't felt that in a very long time	2/19/2022 3:06 PM
24910	They gave me hope things could change back to normal	2/19/2022 3:06 PM
24911	Gave me hope. I thought hey, the average citizen is going to be heard. Unfortunately that didn't materialize. The Ambassador Bridge block proved that only corporations and special interests have the government's ear	2/19/2022 3:06 PM
24912	The trucking convoy has finally provided a voice for the working class Canadians that do not support these mandates and want our freedoms back. Canada is supposed to be a free country and over the last two years we have not experience freedom at all. Justin Trudeau is a completely inadequate and unqualified leader that is not fit to run this country and does not believe in freedom. He believes he is the dictator of this country and divides Canadians in everything he does or says.	2/19/2022 3:06 PM
24913	That we as Canadians have had enough and we stand up for what is right	2/19/2022 3:06 PM
24914	Hasn't	2/19/2022 3:06 PM
24915	Not	2/19/2022 3:06 PM
24916	Showed the true colours of our Prime Minister	2/19/2022 3:06 PM
24917	It's given me hope in humanity and my fellow Canadians.	2/19/2022 3:06 PM
24918	not at all	2/19/2022 3:06 PM
24919	I cannot stand what Trudeau is doing to truckers and their families.	2/19/2022 3:06 PM
24920	Not really	2/19/2022 3:05 PM
24921	Bringing hope to people being dominated! Thank you truckers for talking a stand. Enough is enough of putting limitations on peoples lives. Thank you!	2/19/2022 3:05 PM

24922	They are trying to get our freedom back and I support them 100%	2/19/2022 3:05 PM
24923	Not sure although divisive with some people. May effect goods and services we need...	2/19/2022 3:05 PM
24924	Inspired me and made me proud to be Canadian!	2/19/2022 3:05 PM
24925	Just unbelievable that this had to happen in one of the few countries in the world that are supposed to be a democracy. Looks like fascism and communism have taken over another country.	2/19/2022 3:05 PM
24926	No the truck convoy only brought hope to a lost country. Brought faith in for and in the human race.	2/19/2022 3:05 PM

24928	Inspired hope for change	2/19/2022 3:05 PM
24929	The convoy stood up for everyone's rights and freedoms which lifted some mandates. I was able to take my children out for supper and a movie which was a treat! I'm not frowned at for not wearing a mask. The convoy has given me hope for a new beginning and the ability to make choices about my body and my children's health and body!	2/19/2022 3:05 PM
24930	It is caused me to truly see how poor, low and tyrannical our government leadership is! They have made it so clear that they have NO heart for us the people of this land. They are NOT here to serve us! They are here to fulfill their own agenda and convert this once democratic government into a communistic one! I have lost ALL hope on the present government and I am totally disgusted with our Prime Minister's spoken words and behaviour .	2/19/2022 3:05 PM
24931	It gave me hope for the future.	2/19/2022 3:05 PM
24932	Seeing the truckers roll down the highway near my house was the first time in over 2 years I felt Canadian again. Seeing them was the first time I have felt hope for our future. And of course Trudeau would like to destroy that as well.	2/19/2022 3:05 PM
24933	Made us proud to be Canadian once again after yrs. To see Canadians pilling together and helping one another is heart warming. We are making history esp the truckers .	2/19/2022 3:05 PM
24934	It has restored hope in people and unity	2/19/2022 3:05 PM
24935	It opened my eyes to the big abuse of power from the government	2/19/2022 3:05 PM
24936	Most encouraging thing that has happened in the last two years	2/19/2022 3:05 PM
24937	Our rights to fight for	2/19/2022 3:05 PM
24938	It has given everyone hope and made people remember what it is to be a Canadian citizen	2/19/2022 3:05 PM
24939	Gave hope, instilled pride, brought faith, brought unity, demonstrated a real Canada through the voices of Canadians.	2/19/2022 3:05 PM
24940	I have felt hope that people are peacefully and lawfully using their voice to encourage positive change	2/19/2022 3:05 PM
24941	It has been the most inspirational thing that has ever happens in my life an so many around me I can't thank them enough wish I could do more and can't thank the people that still stand there with the force they are pushing on them democracy has died we are in a dictatorship	2/19/2022 3:05 PM
24942	Given me hope...has not affected me in any negative manner.	2/19/2022 3:05 PM
24943	Don't think it has.	2/19/2022 3:05 PM
24944	It has given my hope to having our lives back, it retorted my faith in humanity.	2/19/2022 3:05 PM
24945	feel good that canada is finally waking up id join them if i could	2/19/2022 3:05 PM
24946	They have given hope to the WORLD! And have opened so many peoples eyes to what the government is doing and lying about. They have shown that mainstream media is as crooked and corrupt as the prime minister and evil band of brainwashed monkeys	2/19/2022 3:05 PM
24947	Brought hope and joy in seeing others so feel the same	2/19/2022 3:05 PM
24948	Given hope to all folks	2/19/2022 3:05 PM

24963	Gives hope	2/19/2022 3:04 PM
24964	Given fresh hope	2/19/2022 3:04 PM
24965	It has given me hope and excitement for my country again. I don't feel alone. I don't feel like I'm the only one having these thoughts and feelings. I feel like they are doing something good with this peaceful protest. It blows my mind how the media is blowing it up saying they are "terrorists". They aren't. They just want their freedoms back like the rest of us do. Thank you Truckers.	2/19/2022 3:04 PM
24966	Given me hope for my country.	2/19/2022 3:04 PM

24978	It inspired hope	2/19/2022 3:03 PM
24979	I'm happy to see that I'm not alone! But I'm disappointed to see that most protesters are from out of town and not Ottawa. I live in Ottawa and feel like it's me against them every single day.	2/19/2022 3:03 PM

24984	It gives me hope that some people are actually seeing the truth and standing together against the lies and deception.	2/19/2022 3:03 PM
24985	Negatively impacted our business in getting animals across the border. However I do feel like it has gotten federal attention that was needed to end mandates.	2/19/2022 3:03 PM
24986	Following the news in the past 2 years did nothing but make me feel powerless to stop the injustice and oppression, the isolation. Now, seeing the truckers' convoy, I realize anything is possible! If there are that many willing to give so much, freedom is attainable! The truckers are the spark that has lit this nation up! The whole world! It has awakened the lion in all of us and there is no putting him back in his cage!	2/19/2022 3:03 PM
24987	Think this shows how out of touch this government is to rural Canada. YES	2/19/2022 3:03 PM
24988	Showing a peaceful way to protest...they are stronger in peace...God Bless them all...	2/19/2022 3:03 PM
24989	I support them fully. The premiers that enacted and especially the prime minister must answer to the people for their recklessness and poor judgement during this situation, it has been known to many people that covid was not the threat that was promised and our elected officials have lied multiple times and moved the bench marks and have pillaged our personal rights multiple times over. This is unacceptable and they must answer for their actions and/or complicity.	2/19/2022 3:03 PM
24990	Not affected mine but many others	2/19/2022 3:03 PM

24997	I support them and it has not affected me negatively	2/19/2022 3:03 PM
24998	It has shown me that there is still hope when true loving God fearing Canadians stand together and that Trudeau is a dictator and MSM lies and sadly many of our law enforcement officers are not committed to God and the oath they took	2/19/2022 3:03 PM
24999	They brought hope of unity, change for the good of everyone in the country. They were examples of love, kindness and dignity.	2/19/2022 3:03 PM

25003	Love, just love!	2/19/2022 3:02 PM

Disgusted with Trudeau and his caucus that they didn't even consider taking to the convoy and why Canadians were there in droves. 25037	Gave us HOPE.	2/19/2022 3:01 PM
25038	The truck convoy has not affected my life in fact I'm quite sure it's an inside job to reach a desired end. The organizers are sketchy to say the least.	2/19/2022 3:01 PM
25039	100% in agreement with what the truckers are trying to push through to our government. Freedom to make our own decisions about vaccines and ending all mandates	2/19/2022 3:01 PM
25040	Gave me a sense of hope	2/19/2022 3:01 PM
25041	They have given me hope - I wish them success - I support them - I'm so grateful for them - I have been brought to tears to see how the Convoy has brought people together ♥ - I'm proud of being Canadian again because of the truckers - God bless them all - I know it's not just truckers involved in the whole thing and I'm proud to support them	2/19/2022 3:01 PM
25042	Parts of the government are now starting to listen to what e we all want an ending. I get that they the government want to save face by delaying but we have a date of when this ends, and freedom begins. For that I thank them.	2/19/2022 3:01 PM
25043	It's made me see their is life at the end of the tunnel go truckers go u woke us Canadians up	2/19/2022 3:01 PM
25044	Positively, inspiring hope for a better world	2/19/2022 3:01 PM
25045	Hope. Pride. Joy. During the entire pandemic, the media and government have intentionally made select groups of people feel alone. This trucking convoy has made me realize that I am not alone, and that many people support bodily autonomy above all. I will be a doctor in two months after I graduate, and it scares me that anyone would support overriding bodily autonomy. Respect for a patients autonomy is one of the imperative ethic principles, and somehow vaccine mandates have become an exception to this. Any mandates medical treatment is unethical. It is shocking how people fail to understand that.	2/19/2022 3:01 PM
25046	given me hope	2/19/2022 3:01 PM

25051	Hope, unity, first bit of common sense	2/19/2022 3:01 PM
25052	Immensely! This is a constantly evolving story of creative non-violent demonstration against a government that is experimenting with various sorts of tyranny. We supported the convoy from the beginning, in the fundraising stage, during the Grey Bruce truckers' departure for Ottawa, and since the trucks arrived there. It gave us hope. We had no idea how many Canadians also thought that the government had become an authoritarian state. We thought maybe politicians would listen to such essential workers, and the rest of those supporting freedom could lend their voices to the truckers' leverage, and the country would be released from the mandates. We felt regaining our lives was possible, that perhaps we could remain in Canada. Neither me nor my husband has been patriotic Canadians, as adults. The convoy put a chip in that - for me, anyway. I was proud that so many, from varied backgrounds, came out to assert their basic human rights in such a beautiful manner. The convoy reminded me how much I love these folk. Now, with the aggressive use of the Emergencies Act (which has not even been voted on) it seems that the governing coalition still has no interest in national unity, no great care for their historical record, and brazenly continues to ignore the call for restoration of guaranteed liberties. The convoy has shown everyone who cares about human rights that they are in excellent company, and that regardless of the convoy's success in Ottawa, there will - and must - be other ways to continue to resist. I feel that without the convoy, we might not have imagined the country could be saved from its own demise.	2/19/2022 3:01 PM
25053	It has made me feel like there is hope & faith that this will come to an end soon.	2/19/2022 3:01 PM

there are bad apples in every bunch . The news media and social outlets are fear mongers and tell only the dark side which creates division .

25056	It has given me hope that I am not alone in my concern for lost freedoms in a country I love and hope that truth and freedom always win in the end.	2/19/2022 3:01 PM
25057	It has brought a glimmer of hope	2/19/2022 3:01 PM
25058	Not at all we spent the first weekend in ottawa that they came in to support them. My husband and I have never been apart of any protest but felt it was needed because we are extremely worried for our children and grandkids future.	2/19/2022 3:01 PM
25059	Not at all	2/19/2022 3:01 PM
25060	Given hope to end these unlawful mandates.	2/19/2022 3:01 PM
25061	It gave me some hope for change.	2/19/2022 3:01 PM
25062	Make change for the better	2/19/2022 3:01 PM
25063	It hasn't affected my life, but I agree with their cause that these government mandates need to end now.	2/19/2022 3:01 PM
25064	Gave hope	2/19/2022 3:01 PM
25065	Made me proud to be called a Canadian	2/19/2022 3:01 PM
25066	It's brought hope	2/19/2022 3:01 PM
25067	Given me hope and excitement for a future of freedom of personal choice and renewed appreciation to support friendly restaurants.	2/19/2022 3:01 PM
25068	Make me realize that there is a mass amount of population that has the same mindset I do.	2/19/2022 3:01 PM
25069	It hasn't affected my life at all. Proud of them	2/19/2022 3:00 PM
25070	Uplifted my whole body spirit & mind Their trucks are the strong " Armor of God " the drivers were Heaven Sent by the Highest Power to lift the Veil of Evil for ALL to see & choose which side to be	2/19/2022 3:00 PM
25071	gives me hope to see people fighting for our freedoms	2/19/2022 3:00 PM
25072	It gave me hope for the future	2/19/2022 3:00 PM
25073	It has not	2/19/2022 3:00 PM
25074	The trucking convoy has made me happy to be Canadian again. It has encouraged people to love their lives again. It has given me, my family and millions of other people across the world HOPE. When I see videos of people smiling, happy, loving and living a normal life again, it brought tears of joy! This is what Canada is supposed to look like!! What Trudeau and the police have done these past few days is INHUMANE! Hitting people with rifles, trampling over people with horses, the pushing and shoving, the unnecessary arrests have GOT TO STOP! These people are PEACEFULLY protesting! This is our rights as Canadians. There has been 0 violence until the emergencies act was invoked. The violence is not coming from the protest. The violence is strictly coming from Justin Trudeau and the police officers. He is not fit to run this country! We need a non confidence vote ASAP!	2/19/2022 3:00 PM
25075	Brings hope to living again	2/19/2022 3:00 PM
25076	Gave me hope	2/19/2022 3:00 PM
25077	It has brought hope back into our land. Finally someone is one of us and represents one of us. A voice of reason! So refreshing! No more Death shots! No more masking! We want to see Christian ways in Canada. Politicians that are Truly Conservative as most of us are. No Conservative in name only like our CPC party. Those that see God as central to our lives. An end to killing unborn babies. People that love each other, not this control of our media and social media. Let's see real journalism again. An open honest political system. No more crazy talk. It all starts by removing Trudeau and George Soros, the puppet master. Cut the strings and let's get a good level headed Politician in place. Derek Sloan would be perfect to run this Country. Let's see Trudeau locked down. He deserves a life sentence if you ask me. 🙏 Thank you for letting me prattle.... 😊	2/19/2022 3:00 PM

Canadians vote on Canadian Mandate – February 2022

25078	Gave me hope for freedom. Made me realize their are so many people out there that feel the same way. Trudeau has shown the world that he does not care about Canadians. It's all about his power. A woman was trampled on by a policeman on his horse at Ottawa yesterday. She has died. Bet this will not be shown on the news.	2/19/2022 3:00 PM
25079	Brought me hope, I was about to commit suicide in early January	2/19/2022 3:00 PM
25080	No	2/19/2022 3:00 PM
25081	Its inspired in us courage, hope and faith in a brighter future!	2/19/2022 3:00 PM
25082	The convoy gave me some hope that there are still people in our country that believe in freedom of choice and that maybe if we stand together our voices will be heard by those who currently hold the power over our lives.	2/19/2022 3:00 PM
25083	Finally gave me hope	2/19/2022 3:00 PM
25084	Gave the world hope	2/19/2022 3:00 PM

25087	Proud of my country. I always have been. It's sickening to see PEOPLE go through situations that are not necessary at all!!!!	2/19/2022 3:00 PM
25088	Gave me hope	2/19/2022 3:00 PM
25089	Not at all. Love it and fully support it!!!!	2/19/2022 3:00 PM
25090	Given me hope	2/19/2022 3:00 PM
25091	It's given me hope that the people of Canada will stand up for what is right. It has provided a movement of like minded people to take a stand for freedom that aligns with my own values	2/19/2022 3:00 PM
25092	They have stood up for all Canadians to fight for our freedoms !!	2/19/2022 3:00 PM

25096	Brought a sense of freedom back	2/19/2022 2:59 PM
25097	It has given me hope that Canadians are willing to make government listen to Canadians. It is important to let our government know they are so elitist that they have become useless. A truck driver is just as important as our prime minister and much more useful.	2/19/2022 2:59 PM
25098	It has renewed my faith that Canada can still be a great country	2/19/2022 2:59 PM
25099	They have been an encouragement and hope for our country.	2/19/2022 2:59 PM
25100	It has given people hope for the first time in two years.	2/19/2022 2:59 PM
25101	Not at all	2/19/2022 2:59 PM
25102	Providing hope in Canadians, increased interest in politics, concern for participants, realization that current government believes and has created citizen classes	2/19/2022 2:59 PM
25103	It has given us the hope that we needed. People that we never would have thought are the ones fighting for us and our futures. I stand with them, freedom and love	2/19/2022 2:59 PM
25104	Gave me some hope, but on the other hand, it has caused severe anxiety and fear, not fear of the convoy but fear of not knowing what is going to happen in our country.	2/19/2022 2:59 PM
25105	It has restored my faith in the Canadian citizens!	2/19/2022 2:59 PM
25106	Proud to be Canadian	2/19/2022 2:59 PM
25107	Positively/hope	2/19/2022 2:59 PM
25108	Given hope and the blackness of this situation might be solved without violence	2/19/2022 2:59 PM

25111	Given me some hope back. Had lost all hope for this country since Covid.	2/19/2022 2:59 PM
25112	I have directly seen how the convoy has affected my city, creating fear for the residents of the city and abuse, harassment, health hazards and complete disregard of how the protesters actions affected the residents of Ottawa.	2/19/2022 2:59 PM
25113	It brought hope and reunited Canada east and west like never before.	2/19/2022 2:59 PM

25125	For two weeks my office was unable to get their RT-PCR kits so I didn't have to get violated for that period of time which was great. Ironically,I was still allowed to work. If I had refused to undergo this procedure I would have been suspended from work.	2/19/2022 2:59 PM

25131	Hope	2/19/2022 2:58 PM
25132	Disappointed in that shipments of food/merchandise has been help up and delayed; consequently higher prices for essentials.	2/19/2022 2:58 PM
25133	The trucking convoy has caused further divide and hate within our country and given people a false sense of entitlement.	2/19/2022 2:58 PM

25155	It gave me hope.	2/19/2022 2:58 PM
25156	It has brought pride back to me that there are this many Canadians willing to stand up to the tyranny by the dictator Justin Trudeau. 25157	It has given me hope, a feeling of not being alone, the energy is healing!	2/19/2022 2:58 PM

25160	Don't know yet, but these guys are fighting for Canadian FREEDOM	2/19/2022 2:58 PM
25161	It has shed a light on the unity left within the once great nation of canada. It has also brought to light the very opinionated and polarizing nature of our publicly funded media organizations that I will now be contesting the funding of. Thank you for all that you have done for standing guard of our freedoms	2/19/2022 2:58 PM

25170	Gave me hope again. Grandfather was a pilot in WW2 fought for our freedoms he's no longer with us but he would have been appalled watching the vets be taken down for peaceful protesting.	2/19/2022 2:57 PM

25175	Brought joy	2/19/2022 2:57 PM
25176	It hasn't	2/19/2022 2:57 PM
25177	. For the first time in my life I am ashamed of my government.	2/19/2022 2:57 PM
25178	Gave me hope for canada	2/19/2022 2:57 PM
25179	Very sympathetic to there cause and feel they should be treated with dignity and respect. Not like terrorist.	2/19/2022 2:57 PM
25180	I do not support the trucker convoy. I do however support the removal of mandates implemented by the federal and provincial governments	2/19/2022 2:57 PM
25181	Showed me I wasn't alone in my vaccine mandate beliefs	2/19/2022 2:57 PM
25182	Gave me a hope in our country and countrymen! I am proud of how they have conducted themselves! VERY discouraged in how the supposed leader of the country shies away and needs to visit his overlords on what to do next, instead of meeting face to face, like an adult!!	2/19/2022 2:57 PM
25183	Given me a sense of hope that I am not alone and others stand for the same things I do.	2/19/2022 2:57 PM

25191	Not at all.	2/19/2022 2:57 PM
25192	Its great gives hope	2/19/2022 2:57 PM
25193	For once it has given me hope, and made me proud to be a Canadian because for the first time I have seen people rise against the oppression and blatant disregard for our overall needs and freedoms. Though it saddens me that there are the occasional radicals in the crowd, I believe that the whole of the convoy is united with the intent to be peaceful but for once to get the governments attention and make people understand that the use of power here is wrong and goes in complete opposition to our values, rights, and freedoms that we have fought for in the past.	2/19/2022 2:57 PM
25194	Has not But showed me how disgusting our government is	2/19/2022 2:57 PM
25195	I've never been more proud to be a Canadian! I begin to cry every time I see the people happy, smiling and standing up PEACEFULLY!! This is the Canada I know and love! ♥	2/19/2022 2:57 PM
25196	The trucking convoy had given people the knowledge that we are being overrun and manhandled by a corrupt government and they're ignoring our Bill of Rights.	2/19/2022 2:57 PM
25197	Totally with these brave people that have the guts to stand up to the tyranny that we are all under.....they are our saving grace.....God Bless Them !!!!!	2/19/2022 2:57 PM
25198	Very adversely; they caused high prices to go even higher and allowed themselves to be influenced by foreign interest!!!	2/19/2022 2:57 PM

25213	The convoy has given me hope. It has shown me that I am by far not the only person with these views, but that Canada still has the tenacity and love to pull together to actually help one another in ways that don't involve questionable injections.	2/19/2022 2:56 PM

25224	Not one bit	2/19/2022 2:56 PM
25225	My wife and I have been watching live feeds from real, independent journalists and regular citizens recordings what is actually going on in Ottawa. CBC and the likes are bought off by the liberal government and have proven to be untrustworthy and biased. The truckers are every day people like us that love this country and are fighting for our freedoms and our children's freedom's. People MUST have the right to choose what they put into their bodies and make health choices best for them and their children. They are not anti vax they are pro choice and freedom! I support their peaceful protest 100%	2/19/2022 2:56 PM
25226	Renewed my hope in Canadians and our ability to unify around what is right.	2/19/2022 2:56 PM

25229	I support them, thank you for the truck convoy we saw a light at the end of the road.	2/19/2022 2:56 PM
25230	Made me realize we are governed by a dictator who could have ended it after one weekend if he chose to sit with concerned, listen to them and tell them his plan to end mandates.	2/19/2022 2:56 PM
25231	It gives me hope	2/19/2022 2:56 PM

25236	It has destroyed relationships I've had with people, and made me feel unsafe coming to work due to different opinions with customers	2/19/2022 2:55 PM
25237	Makes me physically ill to see government and media work to discredit this peaceful legal protest of good hardworking Canadians.	2/19/2022 2:55 PM

25243	Not at all	2/19/2022 2:55 PM
25244	Here in NS not much except that I am disappointed in the family and friends who do support. I don't feel they truly understand what or who is behind it!	2/19/2022 2:55 PM
25245	It has given me hope that the majority of Canadians still desire freedom, not this form of segregation we are living in. It has sparked conversation between friends and coworkers as to what is right and wrong and trying to debate the answer, it has been fairly easy to do so I don't know why the liberals can't do it.	2/19/2022 2:55 PM
25246	Food has increased 10x in grocery stores	2/19/2022 2:55 PM

25255	Finally got some things moving in the right direction, back towards a normal life!! Without them we would still be stuck in complete lock downs no doubt in my mind!! The Federal government has now turned this from getting through a pandemic safely to a communist like state in a matter of months and this is supposed to be a free, democratic country!! The virus isn't going anywhere, yet if Trudeau has his way, all of Canadians freedoms would be gone. I don't think so!!!	2/19/2022 2:55 PM

25282	It hasen't. Where do you think we get all our stuff from. I'm super happy and glad they occuied downtown ottawa.	2/19/2022 2:54 PM
25283	They inspire with there peace-loving ways. It has brought to the fore the deception of government and the mainstream media.	2/19/2022 2:54 PM
25284	GLAD there's finally a collective voice speaking up to government DISAPPOINTED with our media it's not for the people when they do not show the good parts of the convoy. TREMENDOUS LACK of leadership by our government. Saving their jobs vs listening to the convoy. This is not what my WWII veteran father fought for. CAUSING division in normally peaceful families.	2/19/2022 2:54 PM
25285	Gave me hope for our beautiful country	2/19/2022 2:54 PM
25286	Giving us hope again that Canada isn't gone	2/19/2022 2:54 PM

25289	it opened my eyes to see the way we tell our kids dont push people around they have a right to think for them self and then have the police spray people in the eyes and kill them with there horse this is wrong not even in the BLM in the us when they where smashing cars and store windows did things get this far out of hand by the cops i have lost all faith in my country	2/19/2022 2:54 PM

25292	It's given me and my family hope again. A chance at restoring our sovereignty and our beautiful country.	2/19/2022 2:54 PM
25293	Hope for a better tomorrow and removing Trudeau from office	2/19/2022 2:54 PM
25294	A sense of hope that people want and value what it is to be Canadian! We should be free! Glad to see people are tired of the lies from politicians and the asinine policies to address something that is constant being lied about to manipulate people to have them comply due to the fear the government has instilled in them.	2/19/2022 2:54 PM
25295	It gave me hope for the first time in two years. It felt like someone was finally taking a stand. Someone was coming to the rescue.	2/19/2022 2:54 PM
25296	Given me hope for the first time in 2 years! Thank you truckers for your courage!!	2/19/2022 2:53 PM

25298	Has made me happy changed my mood	2/19/2022 2:53 PM
25299	Made me happy that Canada finally stood up to the government	2/19/2022 2:53 PM
25300	Given me hope that this will soon end after 2 years of hopelessness.	2/19/2022 2:53 PM
25301	It was such a positive way to unit all Canadians and to see love for one another bring hope to getting out of this mess created by government and politicians	2/19/2022 2:53 PM
25302	I am a trucker who completely supports my fellow truckers in the convoy 2022 even though I continue to work making deliveries and keeping our economy going while I still have a job.	2/19/2022 2:53 PM
25303	Brought joy	2/19/2022 2:53 PM
25304	They haven't, but I have questions	2/19/2022 2:53 PM
25305	It has been awesome, feeling proud that it had united Canadians. They have peacefully protested to support all of us to honor our Charter of Rights and Freedoms. I am very grateful for thier courage and persistent to stand strong for all of us.	2/19/2022 2:53 PM
25306	They gave me hope to a better life and get back to normal	2/19/2022 2:53 PM
25307	It's given people hope	2/19/2022 2:53 PM
25308	Lifted my depression, gave me hope. Made me smile and be happy again.	2/19/2022 2:53 PM
25309	Inspired	2/19/2022 2:53 PM
25310	It was utterly amazing. It was a unity in Canada that I have never before witnessed. It was beautiful, and it gave me hope. It was uplifting and courageous, it was like a light at the end of a long dark tunnel shining bright. It was like a saving grace, our last chance to be heard. I watched intently, praying it would be the stance that would turn things around, and assure my family (especially my grandbabies) a chance at a life that includes but is definitely not limited to their freedoms and liberties as they grow. I love my country, but I am deeply ashamed of my government. A government that lead to the convoy to start with - a government that ignores it's people - a government that has turned on it's people and caved to elites and destroyed our economy. A government that manipulates the truth, and threatens or buys whomever they need to force a false narrative upon us to further their own agenda. The likeliness of it now ending badly, and without the intended outcome saddens me again, depresses me again. And my heart broke at the news that our PM now has even more power than he had - that put us here to begin with. It's sick. It's wrong. It's evil.	2/19/2022 2:53 PM
25311	It's given me hope in humanity	2/19/2022 2:53 PM

25312	It has inspired me to hope more than I ever have in the past 2 years of this nonsense. My dad is a truck driver, so I support these men and women wholeheartedly.	2/19/2022 2:53 PM
25313	Only people standing up	2/19/2022 2:53 PM
25314	Gave hope	2/19/2022 2:53 PM
25315	Raised the cost of living.	2/19/2022 2:53 PM
25316	It's making it better because the mandates are finally ending! Two years and it took truckers to wake up this country!	2/19/2022 2:53 PM
25317	Heartbreaking but I am grateful it is waking up more and more people	2/19/2022 2:53 PM

25323	It's made me proud to be a Canadian	2/19/2022 2:53 PM
25324	It hasn't....only makes me feel stomach sick to see what is happening in Ottawa....I thought we as Canadians were better than this....	2/19/2022 2:53 PM
25325	It gave me hope through these tough times that people can still be good to each other and not be divided. We can still stand together when the time is called. I am proud to be canadian because of this convoy. God bless Canada.	2/19/2022 2:53 PM
25326	Given me hope - made me feel not alone for the first time in years	2/19/2022 2:53 PM
25327	gave a glimpse of hope.	2/19/2022 2:53 PM
25328	The Freedom Convoy has sparked a small flame of hope. It has shone light on all sides of the debate and has revealed at least some of the reasons why we should not so easily or foolishly trust the government - or science - to act in good faith on our behalf.	2/19/2022 2:53 PM
25329	Hasn't	2/19/2022 2:53 PM
25330	It has brought hope that a "fringe" minority is not actually a minority, and Justin Trudeau is a spoiled child who didn't get his commands followed	2/19/2022 2:53 PM
25331	..	2/19/2022 2:53 PM

25333	It has given me hope and made me proud to be Canadian again	2/19/2022 2:52 PM
25334	No effect	2/19/2022 2:52 PM
25335	It gave me hope that we as a society were in agreement that this madness must end.	2/19/2022 2:52 PM
25336	It gave me hope for a better future.	2/19/2022 2:52 PM
25337	Actually.....in a positive way	2/19/2022 2:52 PM
25338	It has given me a feeling of hope that there are other people who feel the same as I do. Let's live while we are able and not live in fear anymore. If I die tomorrow, I would rather do it free! Not under the thumb of an oppressive government!	2/19/2022 2:52 PM
25339	It gave me hope if getting back to normal. With the vaccines given I see more fully vaccinated in the hospitals. So it is a choice but not for me	2/19/2022 2:52 PM
25340	They never, I think it awesome what they did.	2/19/2022 2:52 PM
25341	It's made my job harder	2/19/2022 2:52 PM
25342	It gave me hope to know I was not alone feeling so down, alone and depressed	2/19/2022 2:52 PM
25343	Encouraging to watch Canadians coming together fighting for what is right and true.	2/19/2022 2:52 PM

25345	It has shown me unity and given me hope that there is still good people in the world.	2/19/2022 2:52 PM
25346	Personally hasn't affected me	2/19/2022 2:52 PM
25347	Very sad to see!	2/19/2022 2:52 PM
25348	It has given me HOPE. Hope that the tyranny of this government will come to an end and that there are people who are willing to be on the right side of history.	2/19/2022 2:52 PM
25349	Restored faith that sensible people exist who feel strongly about their how we're being governed to take action. The government has overreached their authority with the mandates without doing good governance and policy making.	2/19/2022 2:52 PM
25350	Its opened my eyes farther to the absolute loss of freedom this govt is trying to inflict on every Canadian citizen. The truck convoy wanted the govt to listen and realize not everyone is willing to just sit back and watch Canada crumble, voices needed to be heard and they provided us all with a united voice.	2/19/2022 2:52 PM
25351	It's given me hope again! I'm sooooo grateful for these truckers who paved the road to freedom and I'm coming along the road behind them and supporting them any way I can. Enough is enough and many of these truckers have no restrictions because of what they've done and yet their still supporting us. They're not working, not getting paid, not at home with their loved ones, not traveling..the ones that have no restrictions because of personal choices still know this is wrong and Canadians need to have the freedom to CHOOSE.	2/19/2022 2:52 PM
25352	not at all. but i see how it is awaking the whole world to realize that this is a crime that is being imposed on us. It is completely unlawful and in defiance of the constitution.	2/19/2022 2:52 PM
25353	Provided hope.	2/19/2022 2:52 PM
25354	It gave us hope again!! Canada back to being Canada!	2/19/2022 2:52 PM
25355	As a blue collar former trucker, so proud to see them stand up for all Canadians.	2/19/2022 2:51 PM
25356	Glad to see someone standing up, although not happy to see radical movements in it.	2/19/2022 2:51 PM
25357	Inspired & lifted my heart and belief in true committed Canadians	2/19/2022 2:51 PM
25358	It has given me back some sense of belonging again, some happiness, feeling FREEDOM for the 1st time in a very long time. This truckers CONVOY has opened up Canada's and the world's eyes as to how badly our Government's have become. Its disgraceful!	2/19/2022 2:51 PM
25359	Was nice to see everyday people standing for freedom. Also forced Trudeau to show his true colours. He has no affinity for what it takes to be a productive Canadian.	2/19/2022 2:51 PM
25360	It has given me the will to continue on my life's path, no matter the obstacles.	2/19/2022 2:51 PM
25361	given me hope	2/19/2022 2:51 PM
25362	I have felt so thankful someone was willing to stand up for Canadians rights.	2/19/2022 2:51 PM
25363	Encouragement and hope and then ABSOLUTE HEARTBREAK ...their courage and sacrifice was monumental and then shattered by the very evil power that rules our country...Canada has been shattered broken hearted devastated and smothered to our last breath	2/19/2022 2:51 PM
25364	It hasn't	2/19/2022 2:51 PM
25365	It's given me hope that someone would listen to the pleas of our people and do something about it already and immediately get rid of those mandates that don't work.	2/19/2022 2:51 PM
25366	Given me hope of a brighter life.	2/19/2022 2:51 PM
25367	Made me feel hopeful again for the first time in 2 years Proud to be Canadian Like things are actually getting better because people are willing to stand up for what's right	2/19/2022 2:51 PM
25368	It made be proud to be Canadian again. I fully support and appreciate them.	2/19/2022 2:51 PM

25378	Made me proud to be a Canadian.	2/19/2022 2:51 PM
25379	It has given me faith and hope in Canadians and I'm very proud of the truckers and all that they have sacrificed to let their voices be heard. It has made me sad to see how the police have treated them. The emergency act was not called for as these were peaceful protesters. I can't believe this is Canada.	2/19/2022 2:51 PM
25380	Has not affected me other than the feeling of something good will come. Finally someone is working for us!	2/19/2022 2:51 PM

RCMP like hired thugs to harm peaceful, law-abiding protestors. It doesn't matter how many times the Liberals/RCMP get in front of a camera to tell Canadians that what these protestors are doing is illegal, the TRUE majority of us can see through that propaganda. The RCMP can be seen stealing from protestors,

25403	It hasnt	2/19/2022 2:50 PM
25404	Not much besides hearing some honking and slow driving through town. What bugs me most is how the government reacts on this convoy, cuz this whole convoy could have been avoided if restrictions would have been lifted or at least night have been mandated.	2/19/2022 2:50 PM

25410	Hasn't affected me in a negative way. I fully support it.	2/19/2022 2:49 PM
25411	It has given me some hope that Canada would be strong enough to stand up for their beliefs and what we know is wrong that the government is doing. I am thankful that it has stayed fairly peaceful but I agree with their standpoint.	2/19/2022 2:49 PM
25412	It is giving hope for taking our freedom back. ALL mandates need to end--and our Gov't officials should be listening to us Canadians, as we are the ones paying their wage. PM needs to be fired and arrested.	2/19/2022 2:49 PM
25413	Not at all except that it made me proud to be Canadian, which I haven't been a long time	2/19/2022 2:49 PM

25415	Giving us hope for a peaceful solution. To end the great reset.	2/19/2022 2:49 PM
25416	They gave my hope.	2/19/2022 2:49 PM
25417	They gave me hope! My kids bless them and ask for their protection before meals. We can not lose this battle. We can not lose our country. May God bless and protect the truckers and the protestors.	2/19/2022 2:49 PM
25418	Made me feel like somebody was fighting for me.	2/19/2022 2:49 PM
25419	It hasn't.	2/19/2022 2:49 PM
25420	It hasn't	2/19/2022 2:49 PM
25421	Not at all, other than giving some hope that normalcy and individual's freedom of choice will return to our country.	2/19/2022 2:49 PM
25422	given hope	2/19/2022 2:49 PM
25423	Given hope that someone is thinking of the welfare of average Canadians. Placed a litmus test in place to measure the true intentions of the Prime Minister and an awareness to the corrupt forces that have infiltrated our nation. Profound Disappointed in PM and in Chrystia Freeland who once looked like an intelligent voices and now they have lost there conscience and appear possessed by evil spirits.	2/19/2022 2:49 PM
25424	Not at all	2/19/2022 2:49 PM
25425	Showed me unity across the country with like minded Canadians	2/19/2022 2:49 PM
25426	It was so needed for me to feel i wasn't alone ,all the love and hugs and all the selfless acts of kindness	2/19/2022 2:49 PM

Canadians vote on Canadian Mandate - February 2022

25429	It has shown what it looks like when true Canadians stick together. Also, it has shown the lies from main stream media, the government, and the levels they are willing to go to, to gain power.	2/19/2022 2:49 PM
25430	It hasn't	2/19/2022 2:49 PM
25431	Ray of hope for an outcry towards the abuse we have been subjected to for the last 2 years.	2/19/2022 2:49 PM
25432	I think it's an embarrassment to our country	2/19/2022 2:49 PM
25433	It has brought hope and faith in humanity back, the feeling of a bright future and deep inspiration to walk forward in life with love and kindness even when standing up against the crimes against humanity that have been our 'new normal' in this country and a permission to dare to live life in truth and personal choice	2/19/2022 2:49 PM
25434	It has give us hope and pride in our country and our fellow citizens it is uniting us in ways we were never united before	2/19/2022 2:49 PM
25435	Helped it.	2/19/2022 2:49 PM
25436	Freedom is what We the kind loving peaceful people and convoy want . Trudeau is making it a disaster.	2/19/2022 2:49 PM
25437	Gives me hope	2/19/2022 2:49 PM
25438	It is unlawful and disrespects other people's rights causing too many people to lose THEIR income	2/19/2022 2:49 PM
25439	It's the first time in SUCH a long time that I have finally felt hope. A hope of better days, of freedom, of courage, of people who are still "good" and not corrupt and selfish. My family has been on the ground in Ottawa - and it is astounding that people are opposed to this movement. This is so much more than most people think. This is the beginning of fighting for what is so sneakily getting taken from us. We should have done this long ago, so they knew crystal clear that they can't get away with us. I blindly followed for too long - the trucker convoy opened my eyes, and my heart, and I've never felt so much passion. A returned feeling that was taken away from me and my family for way too long. I support them. I pray for them. And I salute those who have stood up, often loosing their jobs, to fight for us.	2/19/2022 2:49 PM
25440	For the better! Trucks standing up for rights	2/19/2022 2:48 PM
25441	It's given us hope that our freedoms might be given back to us, by the government that took them from us.	2/19/2022 2:48 PM
25442	Nothing big so far but expect higher prices because of Fed Libs terrible handling of all phases of the Covid circus. Follow the money, Trudy has many shares in the BC labs that supply part of the vac crap! Just so you know, I'm totally pissed with this Liberal clown show!!	2/19/2022 2:48 PM
25443	It gave us hope, and enjoyed the bravery of these mean and ladies	2/19/2022 2:48 PM
25444	Didn't effect me at all.	2/19/2022 2:48 PM
25445	I worry about their safety all the time, I feel they are treated like scum	2/19/2022 2:48 PM
25446	I was surprised by the people's unity in love for freedom and I was proud more them ever to be canadian.	2/19/2022 2:48 PM
25447	It hasn't. At all. The government, ottawa police, rcmp, o.p.p. are ALL Terrorist	2/19/2022 2:48 PM
25448	Opened my eyes to how many Canadians feel the same way I do.	2/19/2022 2:48 PM
25449	They have given me hope, a voice. I know I am not alone in wanting autonomy over my self without interference from government or my employer.	2/19/2022 2:48 PM
25450	Positive. It has given me hope	2/19/2022 2:48 PM

25456	Providing some hope that governments may listen to the citizens and medical science rather than political science.	2/19/2022 2:48 PM
25457	It has brought joy and hope to my life	2/19/2022 2:48 PM
25458	Not at all. I just hope Trudeau steps down or get put in jail for war crimes as he deserves. Us Canadians are not the terrorists Trudeau (the one who quotes hitler almost word for word) is	2/19/2022 2:48 PM
25459	0/0	2/19/2022 2:48 PM
25460	It was nice to see Canadians supporting each other although it did not end peacefully as it was intended.	2/19/2022 2:48 PM
25461	It has given me hope that everything will be normal again.	2/19/2022 2:48 PM
25462	Brought hope in a very dark time, so grateful for their sacrifice and persistence	2/19/2022 2:48 PM
25463	It's given me HOPE! To see that the emergency act was invoked and how we handle the right of all Canadians to peaceful protest (which it was) is disgusting! To call ppl that stand for freedom right wing is ridiculous. The convoy is attended by a multi-cultural group, families and Canadians of all walks of life. The only way for the government to listen was to make noise! The response by J T speaks a million words.	2/19/2022 2:48 PM
25464	It's given hope for humanity	2/19/2022 2:48 PM
25465	It's restored hope that humanity still exists. That we can live united and peaceful no matter how different we are. I am grateful for the truckers and pray for them all. God save Canada, I don't want it turned into Australia.	2/19/2022 2:48 PM
25466	Positively. At the beginning it was great to see Canadians come together!	2/19/2022 2:48 PM
25467	It has given me hope and helped open my eyes to the political corruption of our nation. I am disgusted at how our Prime Minister has ruined our country and lives	2/19/2022 2:48 PM

25470	it honestly hasn't, it has made me feel proud to be Canadian again. i love seeing all of the love and joy being spread by these people, it's the best feeling in the world. also equally as scared for these people as our PM is taking drastic, unnecessary measures.	2/19/2022 2:48 PM
25471	Undecided	2/19/2022 2:48 PM
25472	Gave me hope. Showed me that I'm not alone. Beautiful meeting like minded people.	2/19/2022 2:48 PM

25474	Shed light on the corruption in our government	2/19/2022 2:48 PM
25475	Given me hope but also fear as my PM JT has proved to be a tyrant which I did not expect	2/19/2022 2:48 PM
25476	Proud to be Canadian . Severely disappointed in our federal Government	2/19/2022 2:48 PM
25477	Gave me hope.. Finally after almost 2yrs felt some pride again to be Canadian	2/19/2022 2:48 PM
25478	Minimal disruption, but has exposed the criminal Government overreach by enacting the Emergencies Act, supposed to be for National Emergencies not for personal political power. And never against the people of this country. Lunacy to enact legislation designed to cover nuclear war or invasion, devastating catastrophes etc. Not to shore up non existent leadership skills. The Ontario Highway Traffic Act was ALL that was needed to clear any blockade. Way too much drama and false media.	2/19/2022 2:48 PM

25491	gave me back some freedom	2/19/2022 2:47 PM
25492	The tracking Convoy has affected my life positively by standing our freedom & rights. They have done a far cry more for the citizens of Canada in three weeks than our government has in the last couple of years!	2/19/2022 2:47 PM

25497	Gave me hope for our future, my children's future and free humanity!	2/19/2022 2:47 PM
25498	The Trucker Convoy gave me hope that Canadians are not so willing to walk into trudeau and Klaus Schwab's 'great reset' and give up their freedoms. It felt like there are still some - many - good men and women out there willing to put in the time and energy for freedom.	2/19/2022 2:47 PM
25499	Gives hope	2/19/2022 2:47 PM

25507	Made me proud to say I'm Fighting for the Charter of a Rights and am Canadian.	2/19/2022 2:47 PM
25508	It has given me hope that we canadiens will finally get together again and fight for what us right	2/19/2022 2:46 PM

jaded and one sided opinion the main stream media only shares. I find that very frightening.

25513	Made me realize how corrupt the government, and politics really are including main stream media global news CTV news CBC, etc. I thank the truckers for opening my eyes when it comes to being blindly leaded by fake news, and the government. That wants complete control of everyone	2/19/2022 2:46 PM
25514	It's given hope to those that realize that we are having our freedoms slowly taken away without realizing it.	2/19/2022 2:46 PM
25515	No changes nor has it had any affect to my daily life.	2/19/2022 2:46 PM
25516	Made me feel hope!! These last two days have been heart wrenching to see the cops take the protesters down :(2/19/2022 2:46 PM

25520	Watched more news	2/19/2022 2:46 PM
25521	Not at all...inspired my faith that we are MANY, with power and a voice of reason in a world of insanity	2/19/2022 2:46 PM
25522	In a positive way, We are at least talking about these issues	2/19/2022 2:46 PM
25523	Okay we all want or freedom back	2/19/2022 2:46 PM
25524	Brought me hope that change can come	2/19/2022 2:46 PM
25525	I am behind them and proud that they are doing it in a peaceful manner. Cannot join them physically Get very upset when I hear how the media is showing it. Disappointed in the police being called in and also for not backing the truckers.	2/19/2022 2:46 PM
25526	Made me proud	2/19/2022 2:46 PM
25527	It does not affect my life It has improved it as most provinces have lifted all restrictions	2/19/2022 2:46 PM
25528	Not at all	2/19/2022 2:46 PM
25529	It's helped to renew hope and inspire me to not only pray for our countries leaders, but engage with those leaders by expressing my concerns over the loss of our freedoms, and the disregard for the Canadian Charter of Rights and Freedoms.	2/19/2022 2:46 PM
25530	Nothing.	2/19/2022 2:46 PM
25531	Gave me hope that there are other normal people that are willing to stand up for freedom	2/19/2022 2:46 PM
25532	Given inspiration	2/19/2022 2:46 PM
25533	Not at all!	2/19/2022 2:46 PM
25534	Given me hope.	2/19/2022 2:45 PM
25535	It has not affected us directly. However, it has shown us how corrupt the government has become.	2/19/2022 2:45 PM
25536	I have a cousin part of it. The biggest thing its shown is that we are not alone. Many believe the same. Equally disturbing is the complete lack of truthful media coverage! That has been truly shocking!	2/19/2022 2:45 PM
25537	It have given me hope seeing so much love and unity	2/19/2022 2:45 PM
25538	It hasn't, if anything I believe the convoy was the reasoning for lifting of the vaccine passport. So it has been a positive effect. It has been one of the most peaceful protest. Trudeau is out of line for his actions.	2/19/2022 2:45 PM
25539	It has shown me that Canadians of every walk of life oppose government oppression	2/19/2022 2:45 PM

Canadians vote on Canadian Mandate - February 2022

25540	Provides some hope	2/19/2022 2:45 PM
25541	Encouragement, unifying Canadians	2/19/2022 2:45 PM
25542	Gave me hope that the Canadian government would finally hear the people that have created this country & how they are suffering , so the government would end all mandates forever . I feel like I am a refugee in my own country , that our government wants to cripple & kill its own people . These truckers are very strong , peaceful & brave & represent the views of the majority of Canadians .	2/19/2022 2:45 PM
25543	Love them fighting for my freedom	2/19/2022 2:45 PM
25544	It hasn't	2/19/2022 2:45 PM
25545	It gave me hope and made me realize there are many more than a fringe group with unacceptable views ... I have 2 post secondary degrees ... I feel that my research and opinions have validity too. The convoy was uplifting I didn't completely agree with blocking residential and business areas the government infringed on the people for almost 2 years I didn't want to see people doing that to other people ... I do support the right to peaceful demonstration and being at the parliament buildings was the right place to do that I firmly believe in the Charter of Rights and Freedoms and desire our beautiful nation to be glorious and free ... the trucker convoy demonstrated that. Thank you to all who went to Ottawa	2/19/2022 2:45 PM
25546	Not to much , but I don't like what it's doing to the people in the area in O.	2/19/2022 2:45 PM
25547	None directly. But they give me hope this will all be over.	2/19/2022 2:45 PM
25548	It has given me hope.	2/19/2022 2:45 PM
25549	Gave me hope	2/19/2022 2:45 PM
25550	Best thing that ever happened	2/19/2022 2:45 PM
25551	It gave me hope to see that more people are not ok with the mandates especially now that the science has changed. That being said I don't support the blockades on bridges even though I understand why truckers chose this form of protest. I am vaccinated but believe in free choice especially when it comes to your body. Watching the violence shown to the protestors in Ottawa is heartbreaking and completely disturbing. The proposed emergency act is an unnecessary overreach by the government and threatens the security of all. Now, when you express an opposing opinion you stand the risk of having your bank accounts frozen or be arrested.	2/19/2022 2:45 PM
25552	The trucker convoy has given me hope which is a positive thing just like the rest of Canadians.	2/19/2022 2:45 PM
25553	Unifying Canada and maybe a glimmer of hope	2/19/2022 2:45 PM
25554	They have given us hope - for freedom	2/19/2022 2:45 PM
25555	None	2/19/2022 2:45 PM
25556	Positively.	2/19/2022 2:45 PM
25557	Encouraged and Hopeful	2/19/2022 2:45 PM
25558	finally someone stepping up against a dictator who has not done anything through the democratic process... when he doesn't get his way, he uses order-in-council	2/19/2022 2:45 PM
25559	It has made me see how many people understand whats going on and solidified how the media is lying and our government has their own agenda.	2/19/2022 2:45 PM
25560	For the better	2/19/2022 2:45 PM
25561	Giving me hope.	2/19/2022 2:45 PM
25562	Prevented me from working at customer in the area.	2/19/2022 2:45 PM
25563	Made me more aware of the sacrifices and hardships people have endured for these 2 years	2/19/2022 2:45 PM
25564	Fighting for freedom has brightened a light that had been dim since the pandemic started.	2/19/2022 2:45 PM
25565	It gives me hope we can take down the tyrant	2/19/2022 2:45 PM

25568	Unsure	2/19/2022 2:44 PM
25569	Made me feel like there is some hope	2/19/2022 2:44 PM
25570	I'm hoping that they stand there ground	2/19/2022 2:44 PM
25571	The trucker convoy had brought hope to Canada and the entire world. All mandates must end! There is no pandemic!	2/19/2022 2:44 PM
25572	Give me hope	2/19/2022 2:44 PM
25573	It's given me hope. It's made me feel pride in my country again	2/19/2022 2:44 PM
25574	Hoorah!! Finally we have a group of people that are standing up for us. As Canadians we are so complacent. All I've been hearing for years is complaints but no action. I haven't witnessed any negative actions from the truckers. They bring attention to the cause by honking horns I can live with that. I'm not in Ottawa however wish I was or knew of someone that was to get the real truth. I can't believe the news I've known in the past how sensationalized the press can be	2/19/2022 2:44 PM
25575	Gives me hope after 2 years of tyrannical government	2/19/2022 2:44 PM
25576	Gas prices are sky rocketing - but not sure if that is actual cause. Government takes nearly a third anyway. I understand frustration of blocked streets, but all the government needs to do is listen and dialogue and problem would be gone. Better yet, lift draconian restrictions. The emergency act is exactly opposite way to handle things. Those responsible should be jailed for this unlawful act. Taking children, pets, bank accounts and livelihoods should be considered a crime against humanity.	2/19/2022 2:44 PM
25577	Gave me hope	2/19/2022 2:44 PM
25578	It has made us feel hopeful that we stand united for our Country and disappointment by our prime minister ignoring the monster that he has created.	2/19/2022 2:44 PM
25579	It hasnt	2/19/2022 2:44 PM
25580	Brought me hope	2/19/2022 2:44 PM
25581	It hasn't . After what the police are doing in Ottawa every trucker should park their trucks . We know the big stores which were remained open while mom and pop stores had to close will keep on as they are backed by Govt. And big Tech . Again the list goes on .. Our Govt. Is pathetic as they don't help Seniors living below poverty or help vets and the homeless..	2/19/2022 2:44 PM
25582	Brought light to the horrible situation we are facing and no freedom	2/19/2022 2:44 PM
25583	Shown us Trudeau has no regard for anyone who doesn't accept his ideas. Thanks to the truckers for maintaining a peaceful protest.	2/19/2022 2:44 PM
25584	Increased hope for Canada. Pride in those who stand up for the human rights of everyone.	2/19/2022 2:44 PM
25585	Freedom	2/19/2022 2:44 PM
25586	Hopefulness, unity, being proud of being Canadian Until the PM decided to do another over reach freezing bank accounts, visions of police on big horses running into a peaceful crowd running over an older lady with a walker. This is shameful on the part of the government people that are supposed to serve. We must end this over reach or we will be under communism control very soon.	2/19/2022 2:44 PM
25587	It hasn't.	2/19/2022 2:44 PM
25588	Hope, joy, excitement. Pride in Canada.	2/19/2022 2:44 PM
25589	Made me feel there is hope for the Canadian people	2/19/2022 2:44 PM
25590	Given me hope and helped me to not feel alone	2/19/2022 2:43 PM

Canadians vote on Canadian Mandate - February 2022

25592	Inspiration , there are sooooo many Canadians who know the truth, we will prevail, FREEDOM will prevail!!! The Canadian. Charter of Rights and Freedoms is Supreme Law and everything the tyrannical government has done is illegal. The Emergency Act is against the law. We will not stop! Peace, love, FREEDOM!!!	2/19/2022 2:43 PM
25593	They give me hope for better future for my children	2/19/2022 2:43 PM
25594	Has turned into an overturn of the government instead of about the mandates. I agree people have the right to protest but not by taking over neighborhoods nor by acting out aggressively which they have done.	2/19/2022 2:43 PM
25595	Gives me hope of normalcy	2/19/2022 2:43 PM
25596	The truckers have given me hope. They have united this country more than a politician ever has. They have galvanized Canadians in way nothing else ever has. Fighting totalitarianism with peace and love. It is a wonderful thing.	2/19/2022 2:43 PM
25597	It has given me hope that others are thinking critically, are wanting the truth and are standing up for what is right for our country. The mandates that don't work, need to end. If other countries who have had more severe mandates aren't doing any better for it, there is no point in prolonging it here and demonizing those who want the choice of what to do with their bodies.	2/19/2022 2:43 PM
25598	Has brought nothing but hope, unity and love. Every time I was in Ottawa during the peaceful protest I felt happy and was able to smile at ppl and get a smile in returned. We gathered for 3 weeks and not one outbreak of covid cases.	2/19/2022 2:43 PM
25599	Be strong and feel love , reunion again	2/19/2022 2:43 PM
25600	Vax passport removed in Alberta. Thank you	2/19/2022 2:43 PM
25601	Given us hope!!	2/19/2022 2:43 PM
25602	It did nothing but good for my life I'm very proud of them	2/19/2022 2:43 PM
25603	Stressing me out when the coos showed in combat gear and ran over people.	2/19/2022 2:43 PM
25604	proud to know many of mankind that do drive trucks	2/19/2022 2:43 PM
25605	So proud to be Canadian for the first time in years. Brought people together.	2/19/2022 2:43 PM
25606	We have been very encouraged by their bravery and continue to pray for them and support them.	2/19/2022 2:43 PM
25607	One word. Hope	2/19/2022 2:43 PM
25608	Created mistrust in media outlets and the government.	2/19/2022 2:43 PM
25609	Hasn't, other than it brought to light corruption in government and media	2/19/2022 2:43 PM
25610	It has provided hope that there is a group of Canadians that stand against the narrative and seeing the number of people who feel the same way.	2/19/2022 2:43 PM
25611	Not at all... just a little more traffic getting on the highway. (not event relevant)	2/19/2022 2:43 PM
25612	Gives some hope. People need to realize that these politicians are not above the law. Their day in court is coming.	2/19/2022 2:43 PM
25613	Did not	2/19/2022 2:43 PM
25614	It has given me hope that these mandates will end quickly.	2/19/2022 2:43 PM
25615	I am very proud of the Truckers Convoy and it has given me hope that these mandates will soon be over. I have received congratulations as far away as Greece for our truckers Convoy and my friends are hoping that the work here in Canada will spread and they to will benefit from the Canadian Freedom movement. The pride I have for these truckers has helped me through some hard and lonely days. Energy can either be destroyed or created and I believe the energy of this movement will carry forth in many ways to support Canada in the world.	2/19/2022 2:43 PM
25616	No we need to take a stand Yes we might be getting not as many choices in the stores but you can find what you need	2/19/2022 2:43 PM
25617	I praise them for this.	2/19/2022 2:43 PM

Canadians vote on Canadian Mandate - February 2022

25618	It has given me hope. It has reminded me that our freedoms are worth fighting for. It has reminded me that the Canadian tradition of passively doing nothing and just blindly obeying the government isn't smart of something to be proud of, but it's stupid and naive. From where I stand, I may not agree with everything every person in the protest in Ottawa had done or said or the way they have reacted, but they have given me hope for the first time in a long long time	2/19/2022 2:43 PM
25619	Yes road closures	2/19/2022 2:43 PM
25620	I finally felt good and feel like we are unified as a country again.	2/19/2022 2:43 PM
25621	Hope	2/19/2022 2:43 PM
25622	Like a multitude of Canadians it restored some hope and a renewed pride along with it	2/19/2022 2:43 PM
25623	Given my whole family hope for freedom ♥	2/19/2022 2:42 PM
25624	It has given me hope. I have made new friends and connections due to the convoy. I have renewed faith in my fellow Canadians. It has made me immensely proud to see how peaceful/loving the protests are. I'm proud to fly my country's flag again because of the convoy.	2/19/2022 2:42 PM
25625	It gave me hope for Canada.	2/19/2022 2:42 PM
25626	It's caused me to use a lot of data watching YouTube to see what's happening in Ottawa. Hasn't affected my life for one sec.	2/19/2022 2:42 PM
25627	None	2/19/2022 2:42 PM
25628	First time I've had hope that Canada could be great again in over two years. First time I've felt like I'm not alone in thinking these mandates are crazy and non-sensible.	2/19/2022 2:42 PM
25629	It made me feel hope again for Canada.	2/19/2022 2:42 PM
25630	Hope and fear. I feel more sane knowing that other people are done with this bullshit too. I fear we didn't try to get off the road to tyranny soon enough. The reckoning is upon us and I don't know where it will lead.	2/19/2022 2:42 PM
25631	Has brought me hope. I no longer feel alone and don't need to pursue professional help for my mental state.	2/19/2022 2:42 PM
25632	First glimmer of hope in a decade that Canadian spirit of strong and free was still alive	2/19/2022 2:42 PM
25633	Given us hope for democracy	2/19/2022 2:42 PM
25634	The convoy gave us hope but yet again the government turned against the people that pay them. Makes me sick	2/19/2022 2:42 PM
25635	It gave hope. Happy to see our hard working people stand up to the government taking excessive unnecessary power.	2/19/2022 2:42 PM
25636	Gave me hope and love back for our country. Unity. Love. We the Canadians matter. Convoy has shown how corrupt our elite and government people are. Liars. Traitors to us Canadians.	2/19/2022 2:42 PM
25637	It gave me hope. It gave me encouragement to continue living.	2/19/2022 2:42 PM
25638	Reminded me that Canadians are beautiful.	2/19/2022 2:42 PM
25639	It gave me hope again!	2/19/2022 2:42 PM
25640	The truckers convoy has affected my life in these ways: 1) A renewed sense of pride in the country. 2) A renewed sense of pride that the world sees Trudeau as a dictator and a disgrace for Canada. 3) There's a sense of hope that I haven't seen in this country since Trudeau became PM in 2015.	2/19/2022 2:42 PM
25641	I feel that this is exposing the corruption in Canada	2/19/2022 2:42 PM
25642	It gave me hope and a feeling of unity. It encourages me to know how many others are feeling the same as I do	2/19/2022 2:42 PM
25643	NA	2/19/2022 2:42 PM
25644	Truthfully, they gave us hope again!	2/19/2022 2:42 PM

Canadians vote on Canadian Mandate - February 2022

25645	Lots	2/19/2022 2:42 PM
25646	I live right near downtown Ottawa. There have been slight disruptions to travel because some roads are closed. However, law enforcement during the "emergency act" has been far more disruptive. I have seen Canadians from all over come together peacefully and maintain that. A beautiful site. I've watched the media and government defame and slander and lie. I have felt the first sense of hope in a long time that things are finally changing. People are doing what is right and standing up for their freedom.	2/19/2022 2:42 PM
25647	Made me feel like there's still hope for canada..made me proud to be Canadian again!	2/19/2022 2:42 PM
25648	Gave me hope	2/19/2022 2:42 PM

25650	Is giving me hope	2/19/2022 2:42 PM
25651	It has given me HOPE that this can end and Trudeau can be out of power. He has been bought by China and by Pfizer.	2/19/2022 2:42 PM
25652	Hope, faith in people seeing the truth	2/19/2022 2:42 PM
25653	No negative affect. I supported it, as the government is totally deaf and blind to the complains of citizen and anyone that does not agree with them. The truckers convoy has acted to wake up this whole country to the serious problems and ignorance of our Prime Minister and his ruling party. His credibility and right to continue leading has been destroyed due to his divisive and un-professional approach.	2/19/2022 2:41 PM
25654	It's give me hope	2/19/2022 2:41 PM
25655	Hasn't	2/19/2022 2:41 PM
25656	They have given us hope	2/19/2022 2:41 PM

25662	It's given me hope again that these brave people decided to stand up for what is right	2/19/2022 2:41 PM
25663	Brought more joy to my heart and pride of being Canadian. If it fails, thousands of hearts will be broken forever.	2/19/2022 2:41 PM
25664	It has brought about a new love and respect for those in our country who stand for freedom. I pray throughout the day for God to intervene, and for His protection for all those who are standing for the truth.	2/19/2022 2:41 PM

25673	I am scared to leave my house in fear of being assaulted or verbally harassed for wearing a mask.	2/19/2022 2:41 PM
25674	By the stand for freedom - and our rights as Canadian citizens.	2/19/2022 2:41 PM
25675	Happy to see so many family people trying to get mandate bullying to stop in a peaceful way. So nice to see so many Canadians stick together peacefully. Unfortunately the government criticized the convoy and labeled it before it even arrived in Ottawa. Unfortunately others took advantage of this peaceful convoy's mission and tried to do things that were inappropriate, but of course the truckers were blamed thanks to the government's hatred.	2/19/2022 2:41 PM
25676	Backs up my distrust of the government as how it was handled	2/19/2022 2:41 PM

25764	Zero	2/19/2022 2:38 PM
25765	The trucking convoy has affected my life by bringing to my attention the complacency I have been living in. It has given opportunity to support the road back to our freedoms as Canadians!! I do not live in Ottawa or affected the way those citizens are, BUT it is important to stop and think about what this convoy is really doing. We are in a war with our own government and their over reach!! In past times of war when men and women lost their lives for our FREEDOM did we whine and complain about the inconvenience it was to our lives? I THINK NOT, we were too busy praying for the safety of our loved ones. Justin Trudeau, his government and other elected officials are bringing this great country of Canada to its knees as Canadians bow to communistic rule and reign over us. THIS IS NOT FREEDOM, THIS IS NOT FREEDOM, THIS IS NOT CANADIAN. When Justin Trudeau in an interview when asked	2/19/2022 2:38 PM

Canadians vote on Canadian Mandate - February 2022

what country in the world does he respect the most and his answer is China. WHY - Because they are communist they can simply dictate change over the people and economy to make change without any worry of asking the people. WELCOME TO COMMUNIST CANADA and we can all thank ourselves for complaining about those who exercise the right to protest with the clear intent of getting our rights and freedoms back

25766	Has given me Hope and Faith That Canada can be restored under a new Leadership	2/19/2022 2:38 PM
25767	It has exposed Turdeau as the tyrant he really is. This started when the JERK changed our national anthem, and our deputy PM needs to change her name because this is no longer a freeland.	2/19/2022 2:38 PM
25768	No comment	2/19/2022 2:38 PM
25769	It hasn't really so far - except for the even greater disrespect I have for the drama teacher who hid from the truckers in their legitimate protest. Truckers are Canadians too and a leader should as a minimum make an attempt to communicate instead of hiding. Having a coward for a leader makes the country weak. In addition, the heavy handed police action observed in Ottawa brings the stress of realization we actually live in an authoritarian country where the democratic system is not much more than lip service.	2/19/2022 2:38 PM
25770	For the better cause people are starting to open their eyes about unfair mandates and the government tyranny	2/19/2022 2:38 PM
25771	Felt a sense of pride and hope for the first time in 2 yrs	2/19/2022 2:38 PM
25772	Not at all	2/19/2022 2:38 PM
25773	It has given me some hope things could go back to normal	2/19/2022 2:38 PM
25774	It has given me hope	2/19/2022 2:38 PM
25775	Gives me HOPE!!	2/19/2022 2:38 PM
25776	Makes me believe in Canadians. Makes me know our leader is not qualified and loves to much communism Very living peaceful protests and the media and politics like to make it a war zone. So glad that people are standing up to freedom and for our country.	2/19/2022 2:38 PM
25777	HOPE!	2/19/2022 2:38 PM
25778	I have watched many Canadians join united and come together and genuinely just want their lives back. People have lost so much already	2/19/2022 2:38 PM
25779	they are challenging the narrative, government overreach, no one has the right to mandate any. medical procedure. they are heroes and standing up for our rights as citizens	2/19/2022 2:38 PM
25780	Gave me, my surrendering, the area where i live in general a positive vibe. Reunification of the people.	2/19/2022 2:38 PM
25781	Not at all	2/19/2022 2:38 PM
25782	It gives me hope that there's other people like me fighting to get our rights back	2/19/2022 2:38 PM
25783	It has given us hope that we will one day be back to a normal life even if c**** is still around	2/19/2022 2:38 PM
25784	It has inspired me to stand up for what I believe in.	2/19/2022 2:38 PM
25785	Gave hope it would change back to normal	2/19/2022 2:38 PM
25786	They gave me hope	2/19/2022 2:38 PM
25787	Sense of pride and hope	2/19/2022 2:38 PM
25788	It made me prob to be a CANADIAN again. People from across the nation coming together and standing together for what they believe was inspiring. The Federal government's response was terrible , not one conversation from our supposed leader to actually hear what the people had to say was and absolute disgrace. The use of the emergency act was appalling, and made my distrust in our public leaders even deeper.	2/19/2022 2:37 PM
25789	They have provided hope. Even though I don't agree with everything they've done.	2/19/2022 2:37 PM
25790	the truckers and the convoy have been a bright ray of hope in an otherwise dark time.	2/19/2022 2:37 PM

Canadians vote on Canadian Mandate - February 2022

Canadian citizenship is my second citizenship, and the truckers and their selfless actions have made me feel very proud of being part of Canada.

25791	Gave me hope that our life have a chance to go back to normal and that there is a future for my son and his family of a normal life. I don't care about mine even though I used to have big plans. The hope that there is still good on this world have woken over night!	2/19/2022 2:37 PM
25792	Given me hope that somebody will stand up for our rights and freedoms	2/19/2022 2:37 PM
25793	Given me Hope!!	2/19/2022 2:37 PM
25794	Positively. Seeing our country come together in a peaceful manner to stand up for our country is amazing	2/19/2022 2:37 PM
25795	Gave me hope . Friends	2/19/2022 2:37 PM
25796	Feels like hope	2/19/2022 2:37 PM
25797	Trucking convoy gave me hope and inspiration that we do not have to sit down and do whatever we are told and that we can question our government with how far they can go when it comes to our human rights	2/19/2022 2:37 PM
25798	very positively	2/19/2022 2:37 PM
25799	N/A	2/19/2022 2:37 PM
25800	To not give up hope,, to see through struggles ,, to see through the corrupt government.	2/19/2022 2:37 PM
25801	It Has given me hope	2/19/2022 2:37 PM
25802	Made me believe in Canadians	2/19/2022 2:37 PM
25803	It has given us hope ♥	2/19/2022 2:37 PM
25804	Gave me hope and a feeling that I am not alone in my beliefs. Also made me see what an authoritarian government is capable of.	2/19/2022 2:37 PM
25805	As a senior it has not personally affected me	2/19/2022 2:37 PM
25806	It hasn't really affected my life a great deal except to, again, make me less confident in the federal government. Our prime minister reduced to calling names not only of the truckers, but many others and not addressing the issues of the convoy, whether he was able to meet with them face to face, through internet meetings or sending a representative from his government to speak with the truckers if felt unwell enough not to do the job himself.	2/19/2022 2:37 PM
25807	Hope for freedom.	2/19/2022 2:37 PM
25808	I love the freedom convoy I've always said farmers and truckers feed cities and my community just closed down the country and made a stand and now mandates are being lifted in other provinces... people standing together again they're heroes in my books... I consider myself a farmer and my dad was to and drove trucks for the pipeline	2/19/2022 2:37 PM
25809	It made me have hope again	2/19/2022 2:37 PM
25810	hasn't affected me at all. I support it and pray for them	2/19/2022 2:37 PM
25811	Given me hope for the freedom to choose.	2/19/2022 2:37 PM
25812	Given me some hope	2/19/2022 2:37 PM
25813	It's giving the people more hope for too keeping out freedom Rights we all sticking together an for all these mandates too end asp vaccine passports, vaccines masking this is all abuse an wrong people should HV a choice not been forced with all this and it's totally wrong an against the law.	2/19/2022 2:37 PM
25814	Positively	2/19/2022 2:37 PM
25815	It has brought light to the fact that the mandates are wrong and harmful	2/19/2022 2:37 PM
25816	I am proud of all of them	2/19/2022 2:37 PM
25817	Positively, showed me how Canadians can come together and stand up against our dictator Trudeau	2/19/2022 2:37 PM

Canadians vote on Canadian Mandate - February 2022

25818	It hasn't directly effected my life as of yet.	2/19/2022 2:37 PM
25819	I am not directly affected, but I am so glad to see I am not alone in my disappointment with these ongoing mandates. I understood in 2020 when we didn't have much data. Now in 2022, we know way more. Masks and vaccines have not proven to stop this virus or even slow it down as much as we had hoped. Let's open up Canada, lift the mandates and move on.	2/19/2022 2:37 PM
25820	Given me hope	2/19/2022 2:37 PM
25821	Made me proud	2/19/2022 2:37 PM
25822	Brings hope and courage and unity.	2/19/2022 2:37 PM
25823	No. I always try to have enough supplies on hand.	2/19/2022 2:37 PM
25824	Brought hope back into my life	2/19/2022 2:37 PM
25825	It has given me a glimpse of hope. I feel like I'm not alone anymore.	2/19/2022 2:37 PM
25826	Provides some hope Gives me some Canadians to be proud of	2/19/2022 2:37 PM
25827	Proud of freeom peace loving protestors	2/19/2022 2:37 PM
25828	I am spending too much time following the day to day happenings online. I'm even more disheartened by vaccinated Canadians appaluding additional rights abused, as well as financial implications for protestors now. I think the majority of Canadians have no idea what implication this wk's Emergency Act enactment has on our collective future.	2/19/2022 2:36 PM
25829	The unrest is upsetting. The PM's refusal to speak with truckers is a lack of democracy	2/19/2022 2:36 PM
25830	It has brought awareness to the whole world and a realization that ordinary hard working citizens are not being listened to by the government in power, thereby I have lost all respect for that government who is not showing democratic principles but governing as a police state would such as North Korea, Cuba, etc.	2/19/2022 2:36 PM
25831	I respect their standing up to fight for our basic rights. I find it difficult to find the truth in the media and can see how others are lead so blindly by slanted comments, the inability to differentiate. Seems like a full force control of media by a fascist style ruling class. That being politicians in the pockets of big Pharma	2/19/2022 2:36 PM
25832	I watch to much fake news to see how much they lie	2/19/2022 2:36 PM
25833	Hopefully to finally get Ottawa to listen and get the incompetent and corrupt liberals out of power.	2/19/2022 2:36 PM
25834	It has made me hopeful for change	2/19/2022 2:36 PM
25835	mmade me realise alot of stuff	2/19/2022 2:36 PM
25836	Gave me hope that things could change	2/19/2022 2:36 PM
25837	Hasn't- it has allowed people to safely protest and state that we are going into a dictatorship and has to stop this from continuing otherwise all democracy will be lost. Along with many people taken by the violence of the side of government	2/19/2022 2:36 PM
25838	given me hope and happiness	2/19/2022 2:36 PM
25839	It has made me believe that there can actually be some unity amongst Canadians	2/19/2022 2:36 PM
25840	Not much	2/19/2022 2:36 PM
25841	Has improved our freedoms	2/19/2022 2:36 PM
25842	Booster my confidence in fellow canadians	2/19/2022 2:36 PM
25843	Not in a negative way. Has shown me the patriotism that still exists in Canada	2/19/2022 2:36 PM
25844	It gives me hope to stop the overreach of the government	2/19/2022 2:36 PM
25845	renewed faith in the existence of the people's desire for values of peace, life, and freedom.	2/19/2022 2:36 PM
25846	It has given me hope	2/19/2022 2:36 PM

Canadians vote on Canadian Mandate - February 2022

25847	It has encouraged the mandates to be lifted and proud to be Canadian again	2/19/2022 2:36 PM
25848	The trucking convoy has given me hope that I might get back the life I had before COVID-19.	2/19/2022 2:36 PM
25849	I think they have made a positive affect to show the government that there is absolutely a double standard in the way that they address protests from white people versus protest from anybody else. It has affected our life because conservatives are now moving away from the bullshit way they were leading. It has affected my life because I no longer have trust or faith in our Prime Minister who I voted for. And it was good that we got to see this, because we got to see how he thinks isn't appropriate better to act forward and that he just wants more control over the people, their finances, and the freedom that no longer exists surrounding freedom of expression, association, assembly, protesting. I was able to see his true colours as well as who in the liberal party I am comfortable supporting, as well as what the NDP platform is truly about. This is a very shitty time and a very scary time but this convoy has had a monumental difference in the way that our history is going to look like in the future. It has led to many people losing friends and family but this was good, this was a discourse that need to happen and it sucks but at least we can see a little bit more clearly now	2/19/2022 2:36 PM
25850	Hasn't infected me	2/19/2022 2:36 PM
25851	Cots of living has gone up more and there is a lack of supplies	2/19/2022 2:36 PM
25852	Brought back hope that something could be done to turn this madness around.	2/19/2022 2:36 PM
25853	gives me hope for the future generations who need to get back to life and normalcy. sense of pride, truth and strength like I have never witnessed before in our country. Highlighted just how broken our governments and health systems are and how corrupt our government leaders are.	2/19/2022 2:36 PM
25854	It hasnt	2/19/2022 2:36 PM
25855	I love it. Support it 100% because they're good people and the majority has good intentions	2/19/2022 2:36 PM
25856	Gave me hope!	2/19/2022 2:36 PM
25857	They brought me hope, that others feel the same way as I do.	2/19/2022 2:36 PM
25858	It's given me hope that there are other Canadian citizens that also believe in medical freedom of choice.	2/19/2022 2:36 PM
25859	Not at All	2/19/2022 2:36 PM
25860	We hated the noise and the unkindness of some of those protesters to others. and we dont watch it much on TV.	2/19/2022 2:36 PM
25861	No	2/19/2022 2:36 PM
25862	Gave me hope	2/19/2022 2:36 PM
25863	Increased anxiety about what may happen to them and about how they are being brutalized by our government	2/19/2022 2:36 PM
25864	Positively	2/19/2022 2:36 PM
25865	Hasnt.	2/19/2022 2:35 PM
25866	Positively showing that there is a Hope for the Future	2/19/2022 2:35 PM
25867	It has made me proud to a Canadian and stand up for our freedom	2/19/2022 2:35 PM
25868	It has not directly I am hopeful it has opened some eyes	2/19/2022 2:35 PM
25869	Gave me hope and for once I am proud to be a Canadian.	2/19/2022 2:35 PM
25870	Not directly but it as cause a massive waste of public money to deal with them	2/19/2022 2:35 PM
25871	Given us hope and faith that we're not alone	2/19/2022 2:35 PM
25872	It has not	2/19/2022 2:35 PM
25873	No impact; trucking convoy inspired us for freedom	2/19/2022 2:35 PM
25874	It has not!	2/19/2022 2:35 PM

Canadians vote on Canadian Mandate - February 2022

25875	Beliving canada might be saved cause ppl out there will too fight for myfuture ...my kids future....i am a trucker been doing this for 22 yr	2/19/2022 2:35 PM
25876	Non directly	2/19/2022 2:35 PM
25877	It's given me hope that there is people in the world that actually care about other people	2/19/2022 2:35 PM
25878	Probably just adding to supply chain issues and creating fear and uncertainty. It's too complex to discuss on this forum.	2/19/2022 2:35 PM
25879	They have given me hope.	2/19/2022 2:35 PM
25880	I'm Proud of people standing up for us.	2/19/2022 2:35 PM
25881	Gave hope for the first time since covid was started	2/19/2022 2:35 PM
25882	Inspired me!	2/19/2022 2:35 PM
25883	Not at all. I am a snow bird	2/19/2022 2:35 PM
25884	It has bolstered hope. Made me feel not alone. Demonstrated how many across Canada feel tired of a governmental overreach of power. It has confirmed that a culture of liberty, free choice, and everyone belonging still exists in the fabric of our nation. The USA always had the reputation of a melting pot while Canada celebrated diversity. Our government appears to want to create a melting pot. This truck convoy has made a loud and clear declaration that there are many who will refuse to melt and disappear. They speak for many minorities that are feeling unheard and unseen.	2/19/2022 2:35 PM
25885	It's really brought to light the kind of tyrannical government we have. The police have been stealing from the truckers, arresting peaceful people who were walking down the street, etc.	2/19/2022 2:35 PM
25886	Gave me Hope! Been empowering!	2/19/2022 2:35 PM
25887	God bless Tucker's, they are our Heroes. Trudeau is dictator - here in Canada??? shame on him.	2/19/2022 2:35 PM
25888	Gave me hope for all our FREEDOM to be returned to God's people	2/19/2022 2:35 PM
25889	It has made me realize that our Government is totally against anyone who does not totally agree with their views or Direction. It indicates to me that our current leadership of Canada needs to be removed and if more left leaning then I thought.	2/19/2022 2:35 PM
25890	Made me embarrassed to be Canadian	2/19/2022 2:35 PM
25891	It has given myself, my family & friends hope.	2/19/2022 2:35 PM
25892	I spend a lot of time watching it. I support them. They are great and doing nothing wrong.	2/19/2022 2:34 PM
25893	Improved by ending mandates	2/19/2022 2:34 PM
25894	Great to see.	2/19/2022 2:34 PM
25895	It's shown me that when all else fails, those that help keep our country provided with food and necessaries will help and stand up for the rest of us! Thank you truckers for standing up for what you believe in!	2/19/2022 2:34 PM
25896	It hasn't affected me except to give me hope for our future!	2/19/2022 2:34 PM
25897	It's given me hope that our country will once again be free as our rights to choose should never have been taken away. Forcing is not choosing.	2/19/2022 2:34 PM
25898	We all want freedom.	2/19/2022 2:34 PM
25899	It's given hope that people can stand up for their belief and organize when they have probably never been political before.	2/19/2022 2:34 PM
25900	Not at all, except for the lies we're subjected to.	2/19/2022 2:34 PM
25901	Encouraged me to see peaceful people speaking up about their convictions.	2/19/2022 2:34 PM
25902	It's giving me hope, I'm so proud of them	2/19/2022 2:34 PM
25903	Hasn't affected my life but glad they are taking a stand!!	2/19/2022 2:34 PM

Canadians vote on Canadian Mandate - February 2022

25904	It's given me hope; that someone is standing up and fighting for the mandates to end. I no longer feel invisible, and feel like progress is finally being made.	2/19/2022 2:34 PM

25908	Did nothing	2/19/2022 2:34 PM
25909	It has inspired me to a Canadians standing together as The True North STRONG & FREE (Used to be ~Hopefully will return to be) The unity, peace and love demonstrated & experienced were the exact opposite of what this war measures/ emergency act is doing	2/19/2022 2:34 PM
25910	I love them all.	2/19/2022 2:34 PM
25911	Made me proud to be a Canadian again	2/19/2022 2:34 PM
25912	Hasn't effected our lives. We feel The democracy of the people. In Canada has being threatened	2/19/2022 2:34 PM
25913	Positively. It's the first time in a long while I've been proud of our country and proud of the people coming together for the greater good. It's shown how bad the legacy media is at doing their jobs as well. And it shows how big of a coward our PM really is..	2/19/2022 2:34 PM
25914	Given me hope	2/19/2022 2:33 PM
25915	Gives me hope for a free society positive outlook about my neighbours stand against tyranny and government overreach Their peaxeful protests hows us who is righteous and narrow minded	2/19/2022 2:33 PM
25916	Finally, I'm proud to be canadian again	2/19/2022 2:33 PM
25917	Felt hope that we can come together as a country...that is until Trudeau placed Emergency Act & police moved in. Terrible!	2/19/2022 2:33 PM
25918	Gave me hope for Canada and my childrens future	2/19/2022 2:33 PM
25919	It's made me more confident and more proud to be a Canadian.	2/19/2022 2:33 PM
25920	Given me hope for our freedoms as Canadians and a voice to speak up for democracy	2/19/2022 2:33 PM
25921	I have been cheering them on. Very disappointed in PM Trudeau hiding from them and not wanting to listen to Canadians concerns that the Truckers wanted to discuss.	2/19/2022 2:33 PM
25922	Gave hope for logic.	2/19/2022 2:33 PM
25923	Made me proud to be Canadian	2/19/2022 2:33 PM
25924	It has given hope and joy. Brought people back together from govt seclusion. Good to know I was not suffering alone suffering the mandates and isolation. Go Truckers! Honk Honk!!	2/19/2022 2:33 PM
25925	It made me proud to be Canadian again and it showed who Canadians really are. We are all Canadian!	2/19/2022 2:33 PM
25926	Brought hope, and something to believe in. Also shown me how our government really is	2/19/2022 2:33 PM
25927	Not at all	2/19/2022 2:33 PM
25928	Encouraged me to not give up.	2/19/2022 2:33 PM
25929	For the first time in 2 years I have felt a rising sense of lightness and hope, bond of unity with fellow Canadians, I have cried tears of joy and pride, seeing honest hardworking Canadians rise up and say NO! These mandates are NOT ok, We are constitutionally FREE to make our OWN choices for our health and well-being, it is not the governments place or right to order us against our will. I felt such a love for my country, and overwhelming support for the men and women giving all of us a voice again, and sharing nothing but peace, love and a passion for FREEDOM. GOD BLESS THESE BRAVE CANADIANS!	2/19/2022 2:33 PM
25930	Lack of supplies	2/19/2022 2:33 PM
25931	Having hope to the end of this craziness.	2/19/2022 2:33 PM

25952	Super	2/19/2022 2:32 PM
25953	It has helped me see that we are not alone. It has given people a voice who have been silenced in the last 2 years.	2/19/2022 2:32 PM
25954	They bring hopeful response to this attempt at totalitarianism. Too bad they are being ignored by an individual running a country who clearly needs psychological assessment... and to be removed from his post.	2/19/2022 2:32 PM
25955	Not at all. Keep on trucking Honk Honk	2/19/2022 2:32 PM
25956	It has given me hope , when i was losing hope. It has given me courage to go as an unmasked person, it's allowed me to start to feel my freedom again	2/19/2022 2:32 PM
25957	It has further opened my eyes to how badly our political leaders are attempting to lead this country. It is made me realize that I am not alone - that there are so many other Canadians who stand with me in valuing & fighting for our freedom.	2/19/2022 2:32 PM

25964	It has made me proud to be canadian	2/19/2022 2:32 PM
25965	It has given me hope.	2/19/2022 2:32 PM
25966	It has made me incredibly proud to see Canada is leading the world in freedom & peace by having these amazing hero's taking the fight to that perverted Tyrant that claims to lead our once glorious nation. Trudeau is a Deep State puppet and has engaged in genocide. He needs to be brought before the military tribunals and face the ultimate penalty for crimes against humanity. The Truckers are delivering God's message and will be Victorious.	2/19/2022 2:32 PM
25967	It's amazing to see how real Canadians can come together- it also exposed the failed leadership of Justin Trudeau	2/19/2022 2:32 PM
25968	Gave me hope	2/19/2022 2:32 PM
25969	Made me proud. Someone has to stand up to tyranny	2/19/2022 2:32 PM
25970	I DO Support trucking Convoy 2022 100%	2/19/2022 2:32 PM
25971	100% positive.	2/19/2022 2:32 PM
25972	I was uncertain at first and tried to be diligent in comparing news reports with live feeds from within the convoy. The stark difference between what was being reported vs what I was seeing from many, many live feeds was abominable. I have lost all trust in main stream media. Seeing how Ottawa folks treated the owner of Stella Luna Gelato for helping a trucker with fuel so he wouldn't sleep in the cold made me lose trust in any accusations they made about hateful speech from protestors. If that's how Ottawa treats their own, they have no right to point a finger!	2/19/2022 2:32 PM
25973	I think it is positive. I think people should be speaking up. It would be nice if Canadian media would stop lying about it.	2/19/2022 2:32 PM
25974	Sparking hope. Loved the excitement when they travelled. Loved seeing community at its best.	2/19/2022 2:31 PM

25979	It hasn't	2/19/2022 2:31 PM
25980	It makes me happy to see people stand up for our freedom	2/19/2022 2:31 PM
25981	gave me hope for an end...watching attacks on peaceful people protesting has broken my heart...leadership of this country is to blame	2/19/2022 2:31 PM
25982	It's given me hope	2/19/2022 2:31 PM

25991	It's brought hope. Even if it's more right wing then I am, the tension of it makes people ask questions and gave a voice to otherwise voiceless people	2/19/2022 2:31 PM
25992	Gives me hope	2/19/2022 2:31 PM
25993	So beautiful to see unity, so impressed that the focus was put on so much love, so beautiful to see the support around the world Reestablishing faith in humanity	2/19/2022 2:31 PM

26005	Angry and disgusted to the protestors. They don't know how lucky we are living on this great country.	2/19/2022 2:31 PM
26006	The largest sense of pride.	2/19/2022 2:31 PM
26007	It has brought a lot of hope to a lot of different people especially me	2/19/2022 2:31 PM
26008	Gave me hope for a country with freedom restored.	2/19/2022 2:31 PM
26009	Made me feel patriotic and that freedom easily gets taken away and we need to fight to keep it.	2/19/2022 2:31 PM
26010	This is just a peaceful protest, and they asked simply things, end all mandates	2/19/2022 2:31 PM

26014	Hasn't affected us,, we have tried help with that whenever we can	2/19/2022 2:30 PM
26015	None, they're peacefully protesting	2/19/2022 2:30 PM
26016	Has not in the least. I think the PM could have handled this much better by treating all canadians with respect and just talked to the protestors. That would have addressed the issue with no use of force. The man is an arrogant idiot	2/19/2022 2:30 PM
26017	Made me realize how out of touch our government is with the whole situation, especially the non communication.	2/19/2022 2:30 PM
26018	The truckers are heroes and have been long before these mandates ever came into effect it would be a pretty sad existence without them	2/19/2022 2:30 PM

26020	The truck convoy has been an inspiration for love, hope, peace and a better tomorrow. It has brought the nation together and we are stronger because of that.	2/19/2022 2:30 PM
26021	Cahos	2/19/2022 2:30 PM

26024	Gives me hope for a normal life again	2/19/2022 2:30 PM
26025	They are heroes for our country & other countries around the world.	2/19/2022 2:30 PM
26026	Gave us all hope	2/19/2022 2:30 PM
26027	It gave me hope to see that Canadians aren't as complacent as I thought they were. J.T. has reacted horribly He has shown his authoritarian tendencies. He is enemy no.1	2/19/2022 2:30 PM
26028	Seeing unity in Canada ... seeing joy .. people have hope that something will change Finally. Justin Trudeau has turned against the people of Canada. Truckers allowed us to be heard and seen. Also the way JT handled the truckers convoy was not democratic / legal ... he didn't do his job to be fair and hear out his people. Instead he acted out with an iron fist ...truckers convoy is a voice of the people... and he refuses to listen. I have only hope because of the truckers convoy for Canada to be free again.	2/19/2022 2:30 PM
26029	Hope	2/19/2022 2:30 PM
26030	No	2/19/2022 2:30 PM

26035	Renewed hope in humanity - a peaceful protest that is fighting for rights of all Cdn's.	2/19/2022 2:30 PM
26036	In a 100% positive way. The country is coming together due to these people standing up for our freedoms!!!!	2/19/2022 2:30 PM
26037	Positively - there are others who feel as I do about government overreach. Policies that harm more than they help. I don't feel so alone questioning the behaviour of politicians. Confusing and hypocritical messaging from "experts". They are proving the bias exists with Canadian legacy media and the movement is multicultural. Multiple religions. Vaccine status. Political alignment. Everything. Real Canadians standing up for real Canadians.	2/19/2022 2:30 PM
26038	I'm grateful for them and it has brought hope, love and I stand with them	2/19/2022 2:30 PM

26041	Not at all. Just sadness	2/19/2022 2:30 PM
26042	Not one bit. They are fighting for our God given rights and freedoms. I support them 100%. I wish I could be out there with them.	2/19/2022 2:30 PM
26043	Given hope that my viewpoints are not only held by a fringe minority, hope that Canada could return to embracing all, not just those deemed by the government as "right"	2/19/2022 2:30 PM
26044	It gave hope because so many people were united and I didn't feel alone.	2/19/2022 2:30 PM

26132	Giving hope that there is still sane people in the world	2/19/2022 2:26 PM
26133	brought a freedom movement to awareness, front and foremost next election - electorate and government change to prevent corporate influence and be a voice for the people.	2/19/2022 2:26 PM
26134	It has given me hope. Hope that are Country can get better. It has opened my eyes to what really goes on around us, and how much media lies.	2/19/2022 2:26 PM
26135	They are proving that no matter what anybody decides, fundamental ethical beliefs can never be erased.The ability to reason and think for one's self is the God given right to man which puts them above animals, of which the authorities would have us be as sheep. God is Almighty and will permit this judgment for however long he deems needed.	2/19/2022 2:26 PM
26136	It hasn't yet	2/19/2022 2:26 PM

26142	Brought this issue to the forefront.	2/19/2022 2:26 PM
26143	Hope and joy and love	2/19/2022 2:26 PM
26144	support the freedom convoy. Has made me feel better all around	2/19/2022 2:26 PM
26145	It's given me hope that MAYBE there is an end to this insanity. But, since politics are the reason this continues, not health, it will go on. Canada is NOT headed down a good path.	2/19/2022 2:26 PM
26146	Uplifted spirits and watched Canadians come together	2/19/2022 2:26 PM
26147	Watching the citizens of Ottawa suffer with nothing done by officials to stop it causes government distrust	2/19/2022 2:26 PM
26148	The trucking convoy is the only thing, in my point of view, keeping this country a free country instead of a dictatorship of full control. The truckers are the backbone of everything we have nothing moves without them and they have been so under appreciated yet they are the ones defending our freedoms as Canadian citizens!	2/19/2022 2:26 PM
26149	It gave me some hope that there are sane people around who are brave enough to stand up to the government.	2/19/2022 2:25 PM
26150	Given a sense of hope where there was none.	2/19/2022 2:25 PM
26151	Only for the better. It also exposed the Prime Minister for what he really is and what he stands for.	2/19/2022 2:25 PM
26152	Rought hope for change.	2/19/2022 2:25 PM
26153	Finally the country is uniting again	2/19/2022 2:25 PM

26155	Given me hope	2/19/2022 2:25 PM
26156	Finally a group of people willing to stand up and say enough is enough in a democratic country	2/19/2022 2:25 PM
26157	It's awesome we definitely needed to stand up Freedom and rights	2/19/2022 2:25 PM
26158	It has given me hope that change can happen, and it has also brought out the worse in our current government. I hope people will see the control that the government is having.	2/19/2022 2:25 PM
26159	Gives a feeling of freedom	2/19/2022 2:25 PM

26162	the truckers instilled hope, and I have never felt such pride surrounding a movement or group of people in my life.	2/19/2022 2:25 PM
26163	It hasn't. I agree with them. Everyone has the right to choose whether to have the vaccination or not	2/19/2022 2:25 PM
26164	It has given hope for a way to change things back to the way things were before Covid and the lies and untruthfulness in the news and government	2/19/2022 2:25 PM
26165	I was in agreement with the first weekend but it needs to stop now. Supplies will start to be less and likely the prices will be going up.	2/19/2022 2:25 PM
26166	It has restored hope in my heart that there are people who are willing to fight against tyranny and abuse of power. Though many people are being treated like criminals or terrorists, the peaceful nature of the protests is not only legal, but can't be hindered. The truckers have led a movement for change and I am 150% behind them.	2/19/2022 2:25 PM

26173	Other than giving me hope for a bit, it hasnt. Except for potentially losing my life savings to the govt over a 100 dollar donation.	2/19/2022 2:24 PM
26174	It is encouraging to see people stand up for what they believe it right.	2/19/2022 2:24 PM

26189	Not at all, shelves were empty 2 weeks before. They timed it wrong. Can't fool us anymore	2/19/2022 2:24 PM
26190	It's the only thing to make me proud to be Canadian after the embarrassment of our "prime minister. I am part of the one where I live. They are standing up for us, while Trudeau would see every Canadian suffer while he gives money to terrorists and other countries.	2/19/2022 2:24 PM

26212	It hasn't	2/19/2022 2:24 PM
26213	I am ashamed of Canada. Democracy is destroyed in this country and the 600 million dollar censorship media doesn't allow unbiased thinking and is used for autocracy by Trudeau. The convoy proved the power of misdirected misleading media, proud Canadians have been fooled by the sinister actions of the PM who has lost all credibility and respect around the globe. Peaceful protesting has been falsely portrayed by Trudeau's media group further turning Canadians against each other. This is not Canada. PM needs to be jailed.	2/19/2022 2:24 PM
26214	It's given me hope that this plandemic will end also Trudeau and cabinet members will go to jail for crimes against humanity, treason and racketeering	2/19/2022 2:24 PM

26245	The trucking convoy has brought hope that there are people who care, will stand up when they see wrong doing and listen without judgment.	2/19/2022 2:23 PM
26246	It being hope for change, it's a convoy of love and yes there are some bad eggs but as a whole the fight is for peace. They are not terrorists, they are not misogynistic and they aren't racists. They are Canadians calling for freedom.	2/19/2022 2:23 PM
26247	Gave me hope that I haven't had in 2 years. The happiest and most hopeful thing we have seen in Canada! And this PM degrades and tries to dehumanize the Canadian people. Absolutely shameful. He and Freeland need to be removed immediately, before we no longer have a free country and become part of China.	2/19/2022 2:23 PM
26248	I'm proud of my Country again. Let's heal Our Great Nation ❤️	2/19/2022 2:23 PM

26253	Gave everyone hope for a better tomorrow	2/19/2022 2:23 PM
26254	I'm here now in Ottawa supporting them. I was standing peaceful and doing nothing when they, the Quebec police, ran their horses through us, knocking a woman 4 ft. From me down. When the one officer passed me with her horse she kicked me in the shoulder. When the line of officers pushed forward a police officer from Ottawa was yelling at me that he was going to arrest me but I was able to break free. Another female officer came around him and pointed her pepper spray at me and when I laughed she sprayed me in the face. The trucking convoys have from what I have experienced showed nothing but love for them and Canada, integrity in	2/19/2022 2:22 PM

26325	inspiring has giving me hope	2/19/2022 2:20 PM
26326	The convoy gave me a voice. I and I think so many, have been fairly quiet about our concerns thinking we were alone. The convoy proved that we were not and that we could stand together and draw strength from one another to be heard.	2/19/2022 2:20 PM

26329	Gives me hope for change	2/19/2022 2:20 PM
26330	It's made me lose complete faith in our government. Having a disease Canada purposefully turns it's back on created great patriotic despair for myself and my husband, who is a ten year military Veteran. Seeing the government's response to the pandemic and subsequent trucking convoy has completely shattered our pride and hope for this country. The government makes decisions for its own self serving interests and does not respect the actual individual Canadians. The pandemic has changed, the mandates must also change. We did everything right, got vaccinated, isolated, stayed away from loved ones, but as soon as our kids went back to school after Christmas they brought covid home to us all. This government has acted unethically throughout the pandemic. You cannot engage utilitarian decisions for millions of people-that alone is unethical. Everyone is not the same. Every person lives through this pandemic uniquely based on their genetics, health status, mental health, age, social status, sex, ability, cultural background, gender identity, and a multitude of other lived experiences and traumas. Mandates for all goes against everything we thought Canada stood for: unity while embracing our differences. All people are responding to this pandemic and the freedom convoy based on their trauma, their hardships, their lived experiences. Not once have I heard government validate citizens with diverse needs or try to provide assistance. We understand the reasoning behind the rules, but we also know these rules have severely harmed some Canadians and there's no recognition for that. Having a government dictate that everyone must follow ALL the same rules, enforcing such, and then the government engaged their fullest power to prevent these individuals from having a voice-it's inhumane, it's divisive, it's not Canadian. I'm not just referencing the truckers convoy. I don't necessarily support the truckers convoy decision making, but I certainly do not support the government's response to them. The government needs to understand the problem isn't the freedom convoy, the root of this problem is the lack of trust the citizens have in the government and health authorities. This is the root of the entire problem.	2/19/2022 2:20 PM
26331	It is giving me my freedom back my freedom of choice that the wars where for they fought for my freedom oh canada song rn has not meaning and trudo called me a racist for believeing in god and my choices he doesn't deserve to be in power a fool will destroy progress but the people have the power to build and create to keep everything going he stopped everything made every one weak made familys suffer canada is suffering	2/19/2022 2:20 PM

26335	Brought people together	2/19/2022 2:20 PM
26336	They are symbolic of freedom that has been taken. Remind me of those like Terry Fox and Rick Hansen. When Alberta and Quebec can find solidarity against mandates it gives us hope as a country and renewed spirit of what it is to be Canadian. Keep on TRUCKIN!	2/19/2022 2:19 PM
26337	It's given me hope. I have never felt more proud to be Canadian as I have been watching them fight to end tyranny. I love them all. I've never felt more love for strangers, I love them all. They are my heroes, fighting for everyone, my 2 little boys and I. I want to hug every single one of them.	2/19/2022 2:19 PM
26338	Gave me hope for the people of Canada. Created UNITY between people that the government is working to divid. Gave people some political leaders the courage to speak up and stand for ALL canadaians.	2/19/2022 2:19 PM

26342	They are there for everyone to help with the mandates I send them peace love	2/19/2022 2:19 PM
26343	The convoy has not affected my life as much as government restrictions have. I'm not losing my health care providers because of truckers, the truckers have not caused record inflation, they have not created discriminatory and segregating policies like health passes, the truckers are not the reason why parents can't take their kids to swimming lessons or watch their child's game, the truckers didn't close down my church. The truckers didnt create a 2 tiered society. The trucker convoy has brought to light manor issues within our governments and the policies they are setting.	2/19/2022 2:19 PM

26378	Gave me hope knowing there where way more Canadians that feel the same way	2/19/2022 2:18 PM
26379	It is beautiful to see these HEROES stand up to tyranny and the gestapo. Open a history book perhaps!!	2/19/2022 2:18 PM
26380	No	2/19/2022 2:18 PM
26381	It has made me see the rights and freedoms that are ours as Canadians and that they are being taken from us. It has made me realize how much we have lost in the last 2 years from these restrictions. It also makes me aware how we must continue to fight for our God given freedoms!	2/19/2022 2:18 PM
26382	For the first time in two years, I felt a glimmer of hope, thinking, "Maybe, maybe the government will listen to reason and follow the actual SCIENCE of the virus, and not the power trip they've been on since this started." It was encouraging to see so many people, from all walks of life, religions, political parties, or schools of thought, be so united in telling the government that they've gone too far. The absolute despair I've felt since the 14th, when the Liberal government enacted the VERY UNCALLED FOR Emergencies Act has only grown in the face of the absolute police overreach, and, in some cases, brutality. The government and, now, the police forces, are ignoring our Charter Rights. What good is a system of checks and balances, debate and accountability, if all of it is blatantly ignored in favour of the power trip of an over-inflated man-child who never should have been given more responsibility than a substitute drama teacher? Because of their behaviour in the past week, as well as the past two years, I have so little faith in our government, in all parties, to do the right thing, and vote according to the wishes of their constituents, rather than along the party lines, that I have, legitimately, been looking into emigrating. I have no wish to live in the dictatorship that Canada is rapidly becoming. Trudeau, with his party, backed by the NDP, is ruining Canada. The trucking convoy has valid points, and deserves dialogue. The pipeline protesters (2020), who were actively setting fires and trying to derail trains, were afforded that courtesy. Do the same for the truckers.	2/19/2022 2:18 PM
26383	The convoy has finally brought some hope. I have found happiness in my daily life again knowing that there are people who hold similar views and are taking action to do something about it! I fully support the peaceful convoy.	2/19/2022 2:18 PM

26388	Gave me hope that we can be free again. It united all Canadians and it's exactly what we need. Not the constant division by the government.	2/19/2022 2:18 PM
26389	they are speaking for the people and giving hope they make me proud of the Canadian people they are good and peaceful and brave	2/19/2022 2:18 PM

26391	The trucking convoy has not disrupted my life in any way. It has been peaceful from all that I have seen.	2/19/2022 2:18 PM
26392	It's given me hope and inspiration. We have been heard around the world thanks to this. And Trudeau has been exposed as a traitor and a coward.	2/19/2022 2:18 PM

26394	Given me hope. Makes me feel proud to be Canadian again	2/19/2022 2:18 PM
26395	Given me hope & a reason to smile again. A rallying point for freedom loving Canadians who HATE what the rogue govt's have been doing to this nation for the past 2 years. Love that REAL men & women, peace-loving, kind, caring & compassionate... embodiment of a real Canadian... are standing up to Trudeau's communist coup from his bosses at the WEF & the evil oligarchs of the world... Prince Charles, Queen Elizabeth to name a few.	2/19/2022 2:18 PM

26398	They are inspiring, bringing hope back to Canadians, they have helped lift a few mandates, and I am extremely grateful for them standing up for ALL Canadians.	2/19/2022 2:18 PM
26399	They comes up for all of us, freedom and I felt stressful when they used the police to force the truckers to stop the protests. Don't trust this government and the Canadian bank system how they misused their power with this to freeze hardworking truckers accounts. Looks like we're now in a communism country	2/19/2022 2:18 PM

26407	Made me so happy for awhile!	2/19/2022 2:17 PM
26408	I think Trudeau will start a war. Maybe it already started. I normal leader would have meet with a few of them and tried to find some middle ground. Or set some dates. Made it seemed like he was concerned at the very least	2/19/2022 2:17 PM
26409	Given me hope that the government mandates will end. No more experimental vaccines killing People or maiming them. Our leaders will stop cherry picking science. Let the truth be told and hang anyone involved in this mass genocide.	2/19/2022 2:17 PM
26410	Gives me hope of this all ending . Thank you truckers	2/19/2022 2:17 PM

rhetoric against hard-working truckers by parliament has been deplorable! The use of force against the peaceful protestors has been disgusting and was completely unnecessary! Canadians have a right to bodily autonomy, and a right to peacefully protest. END THE MANDATES & PASSPORTS IMMEDIATELY & PERMANENTLY!!!

26412	It gave me a lot of hope and joy. Quebec dropped the humiliating tax and has plans to drop mandates in March, the Ontario premier came out sounding like a real human being for the first time ever speaking common sense for the first time ever, dropping the mandates, along with other provinces. It exposed Trudeau for the snowflake he really is. Many other things. All in all, very positive.	2/19/2022 2:17 PM
26413	Given me hope and a great sense of Canadian patriotism.	2/19/2022 2:17 PM

26416	Its given me hope for a brighter future. I felt alone in how i was feeling until i saw how many people across Canada felt the same.	2/19/2022 2:17 PM
26417	I think it has raised awareness as to the Plight Canadians face under this Trudeau tranny. My fear is our media prevents the real truth from coming out and too many Canadians remain complacent	2/19/2022 2:17 PM
26418	It doesn't affect me directly, but they are trying help bring light to ALL of the government over reach to contain people from there liberties as a Canadian citizen...	2/19/2022 2:17 PM
26419	It gave my faith in humanity back	2/19/2022 2:17 PM
26420	Inspiring	2/19/2022 2:17 PM
26421	It hasn't effected me in anyway,I support them fully	2/19/2022 2:17 PM

26423	Not at all, other than showing me that other people share my feelings	2/19/2022 2:17 PM
26424	They gave me hope for the future, and my kids future. Once the convoy started I was given HOPE, a light at the end of the tunnel, and I realized I was not alone and that there is unity in this country! I have never experienced this kind of unity in such a diverse culture! It makes me happy and super proud of them! It brings me tears on a daily basis that there are still good people in this world! I support the truckers and all who stand for the rights and the right to choose 100000000000%!	2/19/2022 2:17 PM
26425	None	2/19/2022 2:17 PM
26426	It has given me hope and faith in humanity, It has helped with feeling to keep on LIVING for what can change for a better life as opposed to THIS authoritarian kind of society. I've se only live , peace sharing and caring in the actions of the truckers who stand for truth and freedom, charter of rights, human rights, freedom to choose, their presence has been an inspiration to preserve our freedom and not loose it to TYRANNY!! ☹️ so now that I've spoken my mind, am I going to get punished for it by rounding me up, put me in prison, charge me with opposing the mandates and desiring freedom of choice ? Will my pets get euthanized if I go to jail for supporting the freedom advocates? How crazy has society gone that I get f*#.,n paranoid now just to voice my opinion???!!! the liberal government is the sickness and their actions are WORSE than the pandemic!	2/19/2022 2:17 PM
26427	It has brought hope back into it, united the masses and brought incredible patriotic pride in this country and its people!	2/19/2022 2:17 PM
26428	It has given us hope that there will be an end to the mandates and restrictions which true science is now showing is not effective at putting an end to the virus. It has exposed how corrupt and power hungry our federal government is and how willing they are to illegally infringe on our Charter of Rights and Freedoms to further their own political ideas. It has also shown me that Canadians themselves are capable of standing together in solidarity of purpose even as the federal government keeps seeking to divide us. I never thought I'd see a day when you'd have Quebecers standing side by side with people from the prairies to say enough is enough.	2/19/2022 2:17 PM
26429	Gave me hope.	2/19/2022 2:17 PM

26437	The trucker convoy has been bringing hope to the situation that maybe things will change. They've gotten lots of support all across Canada and other countries. It's been peaceful they have set up bouncy castles and road hockey for kids. It's amazing to see people together again	2/19/2022 2:16 PM

26440	Given my family hope	2/19/2022 2:16 PM
26441	The freedom trucking convoy has given me newfound hope. I think it is absolutely awesome that they have chosen to stand up not only to the mandates but also to stand up for our rights and our freedom as Canadians. It feels the government is trying to take total control over our lives.... they are trying to take away our freedom and control our every move. It saddens me that Ottawa use such force to break up such a peaceful protest... But regardless I think the truckers have made a huge difference. They have shown the rest of the world that there are huge problems with our government ... They have also given Canadians hope. They have united people of all races, religions and beliefs to come together, to unite as one for the greater good... For the freedom of our country. I think the truckers are amazing. They have had a positive affect on my life.	2/19/2022 2:16 PM

26444	Encouraged me very much. Has brought people together in a positive way and I dont look at people and think they are all bad anymore.	2/19/2022 2:16 PM
26445	It did give me hope and make me feel proud to be a canadian, it lifted my spirits and I am with them.	2/19/2022 2:16 PM

26449	Hope, supporters of truth.	2/19/2022 2:16 PM

26451	Given me hope to end the government tyrannies.	2/19/2022 2:16 PM
26452	Given some freedoms back, got like minded people together, sense of patriotic feelings again	2/19/2022 2:16 PM
26453	Brought me a glimmer of hope that now seems to be getting crushed again by mainstream media and our prime minister. Also made me realize all the people that would wish bad things on people just because they don't support the convoy	2/19/2022 2:16 PM

26484	Made me have a sight of relief. Made me feel good inside as if there is hope. I do not want to live in a comunism country and definitely dont want to live on the poverty line. But let me do it my way.	2/19/2022 2:15 PM

Canadians vote on Canadian Mandate - February 2022

26493	It has shown us that a revolution and or RECALL should be in a written document, perhap's the Constitution or right's and freedom's suppliment to the Constitution.	2/19/2022 2:14 PM

26504	Waking up the people that work for the truckers	2/19/2022 2:14 PM
26505	Its given me hope, and made me realize the Prime Minister of Canada is content to turn an entire population against me and 3.8 million other Canadians, and doesn't really care how far they go.	2/19/2022 2:14 PM
26506	Positive Love for all Canadians, understanding agenda 2030	2/19/2022 2:14 PM
26507	My faith in hard-working Canadians has been restored- we've mustered the courage to fight back against govt. self-serving mandates!	2/19/2022 2:14 PM
26508	Positive vibes from this movement	2/19/2022 2:14 PM
26509	It has given me hope watching Canadians come together in peace, unity and love to be a voice for all Canadians ensure that our Constitutional Rights are respected. It has opened my eyes. It made me proud to be a Canadian. It compelled me to view information from both sides of the issue to be informed. It sparked an interest in wanting to "the science" and question why the government refuses to share the science as other countries are changing their views on the pandemic and mandates. It created an interest in watching CPAC to see witness first hand the reasoning behind our government's stance and how it manages issues during question period etc. It opened my eyes to the unbelievable conduct of our current leader (leadership) and over reach of power. It opened my eyes to the distortion of truth in the legacy media and independent news reported by Canadian Citizens. It raised concern that Legacy media reporters who reported what they personally witnessed that went against the current narrative lost their jobs. It has caused me to question the truth of what is really going on. The direction of our current leadership is wrong, scares me and I have lost all confidence in their ability to lead openly and objectively to serve and unite the people of Canada fairly.	2/19/2022 2:14 PM
26510	It is all for a good purpose. Time to get back to what being a Canadian is all about. We are all about freedom and being respectful to other people.	2/19/2022 2:14 PM
26511	They have given me hope. Canadians are STRONG	2/19/2022 2:14 PM
26512	It has made me very ashamed to be a Canadian. This convoy was never about mandates. It was about overthrowing a democratically elected government. Shame on those still supporting this occupation.	2/19/2022 2:14 PM

26519	Gave me hope.made me even stronger and very excited for what is coming in the near future Hold the line and keep the faith	2/19/2022 2:14 PM
26520	Gives me hope. Are PM is a laughing stock around the world. He does not represent Canadian. He answers to the world economic form which is not Canada. He is also profiting off the mNRA and has a monopoly on it. It is a conflict of interest. He should be arrested and the government should be dissolved and a election called.	2/19/2022 2:14 PM
26521	Given me pride and hope in ordinary working class Canadians	2/19/2022 2:14 PM
26522	Given me hope for the future and restored some faith in humanity.	2/19/2022 2:14 PM

26524	Did not	2/19/2022 2:14 PM
26525	Food supplies are low, viewing the anger and lack of respect for others is disturbing and against what I believe are Canadian values - we are a polite nation - or at least we were.	2/19/2022 2:14 PM
26526	Did not	2/19/2022 2:14 PM
26527	The convoy itself has not affected my life. But as police have now locked down my neighborhood in response to the ambassador bridge it has made our daily life and commute extremely difficult.	2/19/2022 2:14 PM
26528	Have given us hope knowing that we aren't the only ones that feel this way. So very thankful for the protests and those standing up for us!	2/19/2022 2:14 PM
26529	They have given hope to all Canadians and to people around the world!!	2/19/2022 2:14 PM

26531	It has brought back my sense of patriotism , love for this country and our fellow citizens. It has given me hope that I am not going crazy for seeing beyond the "government push for vaccines". And a boost in mental health due to the unity of people	2/19/2022 2:14 PM
26532	It hasn't. I believe the protest has its merits.	2/19/2022 2:13 PM
26533	They are idiots and just causing far to much drama and the fact that they bring their children is abuse.	2/19/2022 2:13 PM
26534	It has given me hope that something will change. We don't need a reset. Life in Canada was once the best place to raise a family .	2/19/2022 2:13 PM
26535	They haven't affected my life, but they are giving everyone hope	2/19/2022 2:13 PM
26536	I support them in their efforts to end all mandates permanently	2/19/2022 2:13 PM
26537	Emotionally	2/19/2022 2:13 PM
26538	It has inspired hope in me that there are many who disagree with the provincial and federal mandates.	2/19/2022 2:13 PM
26539	Inspiring and hopeful. Unifying and loving.	2/19/2022 2:13 PM
26540	It gave me hope. Loved watching it until I saw the PM response then it made me sad that indeed out freedoms are being taken away. Ottawa would be full again if not for all the blockades. Media coverage was so unfair. It was an eye opener that's for sure. I'll never pd	2/19/2022 2:13 PM

much attention to politics before but will be very observant going forward. Gov response was atrocious.

26545	Not much at all	2/19/2022 2:13 PM
26546	It will be worth it in the end. Hold the line truckers!!!! The world is behind you	2/19/2022 2:13 PM
26547	It hasn't.	2/19/2022 2:13 PM
26548	Made me feel Canadian for the first time ever!	2/19/2022 2:13 PM
26549	It has brought me hope for truth to finally be heard again, like I haven't had for the last 2 years already. It has made me realize that I'm not alone in knowing about the evil and lies surrounding covid. It has brought new sunshine into my life. I am SO PROUD of finding out that the majority of Canadians ARE still seeing the truth and fighting for it to be seen and shared once again.	2/19/2022 2:13 PM
26550	It has given me hope that we can regain our freedom	2/19/2022 2:13 PM
26551	The trickle-down factor has not been blatant yet, but gas has gone up \$.10 a litre. Groceries have skyrocketed in price, especially meat and vegetables. Is that due to the truckers??? Too soon to tell in the west. But it has shown to me, a devout Canadian, that we must make our needs known, to pressure our MLA's and MP's to listen to the people. We the people. Charter of Rights and Freedoms. It (Trucking Convoy) has made it extremely obvious that our Prime Minister has no compassion, nor the people-skills to guide our Canada. The truck convoy has given me hope that Canadians stand behind one another (Yes, there were issues with people who chose to be war-mongers, jerks, band-wagoners who took the situation beyond the dynamics set out by the Truckers.) You cannot guide our country by yourself, and what you feel is 'good' for you, but using the words and needs of the people to gain the respect we so deserve. I have good stories about the trucking convoy and how peaceful they were, respectful to store owners. How one store owner stated "this convoy helped my business to get out of debt, and the help me maintain my business for a time to come. Positive. Positive. Positive.	2/19/2022 2:13 PM
26552	N/a	2/19/2022 2:13 PM
26553	Made me feel proud that we as Canadians can make a difference. And shown me really how tyrannical the government under Trudeau can be.	2/19/2022 2:13 PM
26554	Made me see there are others who think the same as I do. Gave me hope that things could get back to normal	2/19/2022 2:13 PM
26555	not at all -- it was wonderful.	2/19/2022 2:13 PM
26556	Sadness for those affected. Worried for what can happen in a large crowd and those who would be affected by it. Blown away by the ignorance of the law by many people who are choosing to protest illegally who are speaking from the protest crowd. Shocked so many stated they are not doing any harm when so many are suffering because of their actions. . Protest legally is right. I am proud of those who choose a legal path. I'm ashamed Canadians are not choosing to protest legally and I'm shocked so many choose to ignore our laws. I am shocked so many cheer illegal actions. It honestly looks like a big tantrum. Hire lawyers go through the correct processes in order for the change you want to happen. Protest if you choose, bravo if it's done legally. I am so proud of Canadians who are grateful for what we have. We are so taken care of. We are blessed. It would be great to see everyone see, feel and speak of those beautiful gifts. Protestors spout words such as tyranny. My gosh, those few need to research and understand what tyranny is. They need to speak with people in countries who have experienced tyranny. Our humble Canadian prime Minister is nothing but a kind caring supportive Canadian family man doing a position on this planet which is brutal during pandemic. All of us need to support him not make it harder for him.	2/19/2022 2:13 PM
26557	The Trucking Convoy has given me hope that we can return to the lives we enjoyed before the unlawful, unnecessary and unhelpful mandates were forced upon us.	2/19/2022 2:13 PM

26587	It gave us hope that that the Trudeau tyranny would end	2/19/2022 2:12 PM
26588	Nope	2/19/2022 2:12 PM

Canadians vote on Canadian Mandate - February 2022

26591	It hasn't	2/19/2022 2:12 PM
26592	Half my family supports it, but none of them live in Ottawa and racism has also become an issue because of the racist tone of the convoy protesters. Even one swastika or confederate flag on parliament hill is enough to traumatize and alienate BIPOC people and especially as I woman. These people were NOT peaceful. It was an occupation and I feel as tho Ottawa was under siege by hostile forces. I was not safe to walk free as a black woman in my city. Yet they scream for a freedom they already exercise. I thought they (and my relatives who supported it) were manipulated and mislead by people who don't even understand the way democracy works in their own country. Its very sad to see our fellow Canadian come to this.	2/19/2022 2:11 PM
26593	Made me realize that we all have a voice, let's use it	2/19/2022 2:11 PM
26594	Not much. I am happy they are supporting end of communism with Trudeau	2/19/2022 2:11 PM

26599	freedom for all	2/19/2022 2:11 PM
26600	Feels like our government has artificially inflated the price of fuel because of it	2/19/2022 2:11 PM
26601	Given me hope that there's still time to turn back the tide of globalist enslavement.	2/19/2022 2:11 PM

26615	I has made me realize I am not along and has given me some hope that one day freedom will restored in Canada.	2/19/2022 2:11 PM
26616	It has given me courage. I do not feel so alone anymore. I have hope for Canadians to love each other and care about our rights and freedom. Many people still believe they are not nice people but they are!!!! I met so many in Ottawa and over and over again they said they are there for the children. So this never happens again. To me, more harm came from mandates then good. I'd like to see evidence proving otherwise. I love the truckers!	2/19/2022 2:11 PM

26633	Inspired me	2/19/2022 2:10 PM
26634	The truckers convoy has given me hope. That the reckless use of power by our Prime Minister and all the premiers of all the provinces might come to an end.	2/19/2022 2:10 PM
26635	It's made me feel proud to be Canadian again	2/19/2022 2:10 PM

26639	They've started getting things opening back up! It's great! Wish everything went back to normal ASAP	2/19/2022 2:10 PM
26640	However, the Freedom Convoy with the Truckers has brought Hope, Unity, Peace, Pride in being a Canadian as a Peace Loving, Inclusive Country. Meeting Like Minded People. a Sense of Community	2/19/2022 2:10 PM
26641	It has given me hope and made me proud to be Canadian again.	2/19/2022 2:10 PM
26642	Has inspired me, given me HOPE that more Cdns will finally WAKE UP & realize we've been LIED TO !!!!! and the Jobs HAVE harmed & killed MANY, even here in Cda !!!! They are HEROS, these Truckers/Farmers, all who bravely attend, to exercise their Right to Peaceful Protest AND to fight for our kids' & grandkids lives, literally, & future quality of life !!!	2/19/2022 2:10 PM

Canadians vote on Canadian Mandate – February 2022

26653	It hasn't affected me at all.	2/19/2022 2:10 PM
26654	It has brought me hope, joy, and I finally felt a sense of unity. It has also opened my eyes to just how corrupt our governments are.	2/19/2022 2:10 PM
26655	It is frightening to see what the government will do to peaceful protesters.	2/19/2022 2:10 PM
26656	Made me angry at the power the alt right has	2/19/2022 2:10 PM
26657	It has brought to light who Justin Trudeau really is: incapable and unwilling to solve a problem with discussion, listening with an open mind, but telling lies about a peaceful demonstration and accusing honest and concerned people about our dishonest government. Seen to what extent a tyrant prime minister and government will go to in order to retain power. I am shocked to have witnessed that our government has invoked the military act against honest and peaceful people who are trying to keep Canada united whereas the prime minister is trying to do divide Canadians.	2/19/2022 2:10 PM
26658	given me hope	2/19/2022 2:10 PM
26659	It briefly gave me hope and now my heart breaks for the lies that have been told and the abuse that is being thrust on these innocent people. I am terrified for what comes next.	2/19/2022 2:10 PM
26660	Giving me hope	2/19/2022 2:10 PM
26661	It gave me hope that the government would finally listen and see that so many people know The Truth, and would realize the harm that all their mandates are doing. But seeing how things are going now (February 19, 2022) I am greatly disappointed in the government and the police officers. It causes me to worry about my children's future. I've known for a long time that the government is corrupt and the legacy media, but seeing the extreme lies they are telling now makes me want to puke, and that there are still people who don't see it, blows my mind!	2/19/2022 2:10 PM
26662	Given me hope	2/19/2022 2:10 PM
26663	It gave me hope that people in Canada realized the reality we live in and are doing something about it!	2/19/2022 2:10 PM
26664	It has inspired me to fight for my rights	2/19/2022 2:10 PM
26665	Giving me hope!	2/19/2022 2:10 PM
26666	Restricting the services they provide. And it has gone on to long. A weekend would have gotten there attention. Now it's just a pile of trucks breaking the law	2/19/2022 2:09 PM
26667	Made me feel not alone and for once in these last 2 years I feel supported. The narrative is changing and the truth is coming to light slowly of the injustice being displaced.	2/19/2022 2:09 PM
26668	None at all	2/19/2022 2:09 PM
26669	Up to this point until the emergency act is has shown that we are free to protest in a peaceful manner. There was no looting, violence, I think our country is better because of it. I think they have shown that people of different race colour and creed can come together as a united fight to pushback for change and to stand against what they feel is wrong protocol and mandates. They make me feel proud to be called a Canadian and ashamed of the handling by the government of these folks by not hearing them or coming to the table.	2/19/2022 2:09 PM
26670	Made me sooooo proud. No words can express my gratitude towards the truckers. I adore them	2/19/2022 2:09 PM
26671	It brought hope back for me.	2/19/2022 2:09 PM
26672	It has brought hope and now has confirmed the government has no interest in acting for the people, only for themselves and their lobbyists. Our democracy is being undermined.	2/19/2022 2:09 PM
26673	It has given us hope! It is so refreshing to see real men take a stand against the corrupt government!	2/19/2022 2:09 PM
26674	Brought an overwhelming sense of hope back into our hearts, listen our depression, felt incredible love, kinship, community, togetherness with the rest of Canada and have never felt more proud to be Canadian, they started a much needed domino effect that is now affecting the rest of the world and helping people wake up and helping people speak up as we've been together in our common interest of quality life of love and freedom in our own lives.	2/19/2022 2:09 PM

26677	Gave hope that the people might be heard and that the Prime Minister might want to hear his people's views. Didn't happen.	2/19/2022 2:09 PM
26678	It has given me hope again that Canadians are beginning to unite and stand up for freedom.	2/19/2022 2:09 PM
26679	Brought hope soo proud of what there doing support them all the way	2/19/2022 2:09 PM
26680	It hasn't at all so very proud of each and every individual who took up that cause to save our freedoms just like our veterans who fought every war this country ever got involved in since time and memorial!!	2/19/2022 2:09 PM

26685	Embarrassed Canada	2/19/2022 2:09 PM
26686	It has inspired me to believe that we will survive this horror and that people are genuinely good.	2/19/2022 2:09 PM

26688	I am happy	2/19/2022 2:09 PM
26689	It's brought hope to me	2/19/2022 2:09 PM
26690	give a hope to finish this all crazsesnesst	2/19/2022 2:09 PM
26691	Not at all really.	2/19/2022 2:09 PM
26692	Proud to be Canadian	2/19/2022 2:09 PM
26693	They are patriots and truly courageous, standing up to a ruling elite who want to dominate the public, bring in Marxism leading to the Great Reset and One World Gov't.	2/19/2022 2:08 PM
26694	Given us hope. United people again. Truth being told.	2/19/2022 2:08 PM
26695	Given me hope that there are people who will stand up for Canada and the Charter of Rights and Freedoms.	2/19/2022 2:08 PM
26696	Better. People are feeling unity and for once again proud to be Canadian. Putting differences aside.	2/19/2022 2:08 PM
26697	gave hope	2/19/2022 2:08 PM
26698	It brings me hope for a good change , for freedom of choice	2/19/2022 2:08 PM
26699	Realizing government doesn't care about the people at all.	2/19/2022 2:08 PM
26700	Not so far	2/19/2022 2:08 PM
26701	None	2/19/2022 2:08 PM
26702	I have hope knowing that these brave men and women have the courage to fight for all of us here in Canada. For our freedom and our rights as Canadian citizens. Healthy people need to breath, need to socialize, need to be happy and live out their dreams. They need to be able to choose what is put in their bodies and on their faces, not have someone in government make that choice for them. I want to take my mom for a walk in the sunshine after 2 years of isolation, a drive, lunch in a restaurant where she will see and talk to normal people. This is not living. This is prison.	2/19/2022 2:08 PM
26703	I like people standing up for freedom, I don't know if it is the best method, but I support them 100x or more than what the government is doing with covid mandates and vaccines.	2/19/2022 2:08 PM
26704	Given hope and helped influence the removal of mandates in Alberta. Thank you Truckers!	2/19/2022 2:08 PM

Canadians vote on Canadian Mandate - February 2022

26705	I finally felt real hope that something will change. And that people are looking out for other people because it's clear the government isn't	2/19/2022 2:08 PM
26706	Given us all hope to see an end to this	2/19/2022 2:08 PM
26707	Brought Hope and unicity	2/19/2022 2:08 PM
26708	I fully support what they started	2/19/2022 2:08 PM
26709	It's great to see how many people want change!!	2/19/2022 2:08 PM
26710	Encouraged me with the freedom to speak out and bring unity back to our nation	2/19/2022 2:08 PM
26711	Given me hope for freedom	2/19/2022 2:08 PM
26712	Hope that someone is speaking up for how western Canadians feel. Fear that it will affect the supply chain.	2/19/2022 2:08 PM
26713	Made me bold to stand for truth and the God givin freedoms! Love unity and passion	2/19/2022 2:08 PM
26714	It's hasn't. We are still getting enough food to eat and the products we need	2/19/2022 2:08 PM
26715	Feelings of shock and dismay that some Canadians would allow foreign actors to lead them by the nose, and do not know how to ACTUALLY effect change. There are tools in place to do that. Sadness that MOST truckers will be painted with this brush. Extreme horror about children being used as shields.	2/19/2022 2:08 PM
26716	There has been no negative effects.	2/19/2022 2:08 PM
26717	Started to give me glimmer of hope for Canada's future. Trudeau's force Is ruining my hope and making me ashamed again.	2/19/2022 2:08 PM
26718	Given us hope	2/19/2022 2:08 PM
26719	It has given me hope these truckers are true heroes!!! that Canada will be free country and free from the Liberal and NDP parties. There should be no liberal party or NDP they should dissolve.	2/19/2022 2:08 PM
26720	They have given me hope that Canada can unite and become a prosperous country once again. The convoy has also helped shed a light on the unacceptable tyrannical government over-reach.	2/19/2022 2:08 PM
26721	It has brought a sliver of hope and uplift to a dark time. It has also shown us just how disgusting our current government is.	2/19/2022 2:07 PM
26722	It hasn't affected us personally. If anything, its offered another perspective and hope for the future that people will stand up for what they believe in.	2/19/2022 2:07 PM
26723	Given hope for change and the end of the Liberal/NDP communists	2/19/2022 2:07 PM
26724	It inspired me, it gives me hope that this covid mandates abuse will end soon.	2/19/2022 2:07 PM
26725	Positivity and unity	2/19/2022 2:07 PM
26726	Hope	2/19/2022 2:07 PM
26727	Undecided	2/19/2022 2:07 PM
26728	Gave me hope	2/19/2022 2:07 PM
26729	Gives me hope in a very dark country. Seeing people smile and hug gives hope.	2/19/2022 2:07 PM
26730	It's greatly supported in my community but I don't agree with most of their ideology. Our freedom is not in jeopardy by masks...but jobs are essential. Our supplies have been somewhat disrupted with items not being available. The Post Office in our community was a mess! Probably should have gone in a different response but just thought of it. We didn't have any local workers in the post office willing to get the vaccine. Ridiculous requirement for working in that setting. Healthcare and long term living settings are the only place vaccine requirements to work is justifiable.	2/19/2022 2:07 PM
26731	They gave me hope	2/19/2022 2:07 PM
26732	Gave me some hope in the citizens of this country	2/19/2022 2:07 PM

Canadians vote on Canadian Mandate - February 2022

26733	I have found it to be very inspiring of hope and love and unity.	2/19/2022 2:07 PM
26734	It hasn't except to raise awareness and support my beliefs. They have cause no hardships only raised awareness and stood for my beliefs	2/19/2022 2:07 PM
26735	It has given me hope. Hope that we might have a chance. But seeing how the government is reacting to a peaceful protest because it goes against their agenda is starting to diminish that hope that I had.	2/19/2022 2:07 PM
26736	I am finally proud to be Canadian.	2/19/2022 2:07 PM
26737	They're the Canadian hero's. February 18 th was the saddest day in Canadian history. Seeing innocent peaceful people and retired vets fought in war for our freedom, just to get beating by the stalk of there guns from our police and rcmp. Having horses trample over people. I'll never respect a policeman and rcmp of what they have done. Is this where my hard earned tax money is going towards, while I scrap by providing for my family. Shame on the law enforcement and our political leaders.	2/19/2022 2:07 PM
26738	Hasn't	2/19/2022 2:07 PM
26739	I'm refreshed by those who stood up for the rights and freedoms of all Canadians! Go Truckers Go 🇨🇦🇨🇦🇨🇦	2/19/2022 2:07 PM
26740	Something is being done to stand up to these ridiculous mandates it hasnt affected my life personally but the result of it will vastly affect my life	2/19/2022 2:07 PM
26741	Given me HOPE!	2/19/2022 2:07 PM
26742	Brought hope joy and happiness to my heart after two dark years	2/19/2022 2:07 PM
26743	J'ai été à Ottawa et j'y retournerai je leur leve mon chapeau	2/19/2022 2:07 PM
26744	It's giving me hope!	2/19/2022 2:07 PM
26745	Giving non Trudeau followers hope	2/19/2022 2:07 PM
26746	Brought hope again	2/19/2022 2:07 PM
26747	Not a lot personally, but I do support them because no one should be forced, or lose their job or fundamental rights because of not choosing a medical treatment that has limited effectiveness and is experimental in that long term effects are not yet known. I support and stand by the convoys because the govt leaders and health officers are breaking laws and statutes discriminating against their own citizens by their mandates. The Constitution, Charter of rights and freedoms, Bill S-201 Statute of Canada which prohibits discrimination by genetic testing, which the PCR test is. All the govt overreach is not justified by a virus which is 99.7% recoverable, shown by the govt's own stats.	2/19/2022 2:07 PM
26748	Positively	2/19/2022 2:07 PM
26749	It has made me feel that there is some hope and proud that this is a peaceful attempt for justice and angry because our media is dishonest.	2/19/2022 2:07 PM
26750	It has given me hope for getting my freedom back, and also hope in Canadians standing up and getting united, and all the governments been doing the last two year is dividing its citizen's makes a guy wish he was chinese these days	2/19/2022 2:07 PM
26751	It has added hope back into our country	2/19/2022 2:07 PM
26752	Hope	2/19/2022 2:07 PM
26753	It's brought joy and peace and hope that our country isn't falling in to despair.	2/19/2022 2:07 PM
26754	I'm proud to be a canadian again	2/19/2022 2:07 PM
26755	It's been amazing seen these people stand up for us Canadians in a peaceful protest	2/19/2022 2:07 PM
26756	It inspired me to stand up for what I believe in	2/19/2022 2:07 PM
26757	It gave us hope for the future of Canada. A hope for things going back to the way they used to be.	2/19/2022 2:07 PM

26759	As far as I am concerned they have a valid reason.the mandates,and the way our so called government is acting and handling this.not even siting down and discussing the matter.	2/19/2022 2:06 PM

26763	Not at all	2/19/2022 2:06 PM
26764	Has made me had glimps of hope for the future	2/19/2022 2:06 PM
26765	It was a ray of hope with all the smiles & good vibes coming from the event. We know people that went to Ottawa to observe it 1st hand & we all know the media & the government were lying about the events they claim were happening. I am a disgusted Canadian.	2/19/2022 2:06 PM
26766	helped	2/19/2022 2:06 PM
26767	The trucking Convoy has been the beacon of light during these past two abysmal years. All they (and the rest of Canadians) want is to be heard and respected...Trudeau has done precisely the opposite. I love what the Convoy stands for...and so does the rest of the world...literally.	2/19/2022 2:06 PM
26768	I t gave me so much hope - can't even say how thankful I am for all those people I think God for them for them I wish I could stand with them in Ottawa. And I know I am not alone who has enough of all these mandates.	2/19/2022 2:06 PM

26773	Given me hope that Canadians aren't slaves	2/19/2022 2:06 PM
26774	Given hope that there are MANY who disagree with the mandates and are ready for them to end. Utmost respect for the truckers and the convoy supporters for taking a stand for what is right. The media coverage has made many lose faith in mainstream media, including myself. Blatant lies have been painfully obvious.	2/19/2022 2:06 PM
26775	It's given hope to all Canadians and people around the world. People are willing to stand and fight for their rights in this country like never before! We are no fringe minority! People all over are realizing what's going on and Canada is taking action. Well done Canadians everywhere and people around the world	2/19/2022 2:06 PM
26776	Hope that things won't keep going the way they are now	2/19/2022 2:06 PM

26786	Such a great way, they've change the world in bringning unity, and fighting for what's right, freedom to assembly, freedom to choose, freedom to peaceful protest. They are amazing people	2/19/2022 2:05 PM
26787	It had given me hope that people are loving and kind and are willing to stand up for our freedom	2/19/2022 2:05 PM
26788	Given some hope for unity and return to normalcy.	2/19/2022 2:05 PM
26789	Gives hope that the government will be held accountable for overreach and breaking the law. We feel like we're not alone in our understanding of the situation. Also, has shown the "true colours" of our country's leadership.	2/19/2022 2:05 PM
26790	The Prime Minister's use of the Emergency Act is excessive, unnecessary and draconian. It conflicts with the protesters' rights to protest, assemble peacefully and voice their concerns to their leadership.	2/19/2022 2:05 PM
26791	It has restored my belief that Canada as a country can still be salvaged from communism	2/19/2022 2:05 PM
26792	Gave me joy	2/19/2022 2:05 PM
26793	It brought me hope. It made me proud to be a Canadian! It brought a pm atmosphere of joy, love, healing and unity to the streets of Ottawa and the hearts of Canadians.	2/19/2022 2:05 PM

26799	They are a national and international embarassement. This crowd is full of white supremacist, far right extremists. They are a seditious and criminal element and should be taken out of Canadian society. Anyone supporting this movement is not a thinking person if they think this is about vaccine mandates. They are seditious idiots.	2/19/2022 2:05 PM

Canadians vote on Canadian Mandate - February 2022

26815	I felt great Hope! Good Canadian citizens standing up heroically to defend our chartered rights and freedoms! No one else has had the courage to Speak and Act for the freedom of Canada	2/19/2022 2:04 PM
26816	Gave me hope, we are not the fringe minority	2/19/2022 2:04 PM
26817	It has given me hope that Canadians will finally be able to get out of this insane situation.	2/19/2022 2:04 PM
26818	The truckers convoy has given me a burst of hope where a light was going out. It brings me to tears of joy and hope, and at this point on for me, truckers will be honoured and deserve a plaque in memorance next to the veteran's. And I hope that the truckers also fight for clean water in rural places in Canada as well as fight for the First Nations's suffered injustices!! I thank Elohim for bringing hope in strange and unexpected ways!!	2/19/2022 2:04 PM
26819	Very Positive! Has brought great joy to most all Canadians	2/19/2022 2:04 PM
26820	It has given me hope that there are some people out there who understand the constitutional crisis going on in this country.	2/19/2022 2:04 PM
26821	Made me proud to be Canadian again	2/19/2022 2:04 PM
26822	Brought hope to my life. I felt like a person again. I was not part of a "small fringe minority" but in fact a member of a huge global family of people who just want their human rights and charter rights restored. To have my Right to medical treatment to be my choice.	2/19/2022 2:04 PM
26823	It's been uplifting to see some people standing up to these unfair shutdowns. Gives me hope again.	2/19/2022 2:04 PM
26824	I cried tears of relief when I saw people coming together in such a meaningful, peaceful and powerful way. I also see that there is much still to endure. The data shows that abusers rarely have a change of heart and admit they are wrong and one who tells a lie is rarely ever able to admit to having done so. I have learned this first hand from my father and had to make the choice to walk away and give myself the room to grieve and heal. Once again I am grieving the loss of a life. A life that I thought was my own being lived in freedom. I see now that I have been living a life of entrapment and was conditioned into accepting this life right from the time I began school. As a Canadian born and raised in BC, I can now look back at my life and say I have never experienced True Freedom nor have I ever experienced democracy. This causes deep pain but now I get to focus on healing and building a life for my children that WILL allow them to experience True Freedom.	2/19/2022 2:04 PM
26825	Has been positive except for all the lies the media spreads	2/19/2022 2:04 PM
26826	Give me hope as MSM is compromised.	2/19/2022 2:04 PM

26830	Gave me hope	2/19/2022 2:04 PM
26831	Gave me hope	2/19/2022 2:04 PM
26832	I had hoped that it would convey a message to the government that they need to listen to the voice of the people - and do what is best For All and not just a few... Sometimes the few voices make a statement that there needs to be some other way or something that will help All... But the voices need to be heard and should Never be ignored.	2/19/2022 2:04 PM
26833	e-Transfer suspended on my bank account	2/19/2022 2:04 PM

26840	It hasn't	2/19/2022 2:04 PM
26841	I am a proud Canadian however I feel the way the PM has dealt with this is appalling and he is taking steps that shows me he doesn't care about Canadians, only himself, I don't respect, trust or believe him! He should be embarrassed enough to step down - he is an international laughing stock. I am ashamed of our PM.	2/19/2022 2:04 PM

26857	Their actions are speaking out on my behalf and for this I'm truly grateful.	2/19/2022 2:03 PM
26858	It gave me hope. Until I saw Trudeau ignore them, lie to the public and become a dictator	2/19/2022 2:03 PM

26866	Sad to see that people fight for freedom for them and especially for their kids with empty hands and are attacked by authorities with weapons. In Europe, restrictions are lifted and in Canada are imposed more.	2/19/2022 2:03 PM

26880	It has been a huge inspiration to see Canadians finally willing to stand up to unscientific mandates and demand that our Charter of Rights and Freedoms be respected as the supreme law of the land. Compare these peaceful, family protestors with the violent, property destroying riots of BLM or Antifa—no comparison. Our Prime Minister is behaving like a brutal dictator.	2/19/2022 2:03 PM
26881	It has given me hope and filled me with a sense of patriotism I haven't felt in a long time	2/19/2022 2:03 PM

26896	It has not affected my life I 100% support them on what they're doing and trying to make happen for all of us	2/19/2022 2:02 PM
26897	It has rebuilt my pride of being a Canadian. I lost that pride in this last year with how crazy and power hungry the government has gotten over all these mandates. But as I watched these brave men and women fight in the most peaceful way possible for the freedom of our country. My hope and love for Canada came back strong.	2/19/2022 2:02 PM

26911	I believe the world is saying they have everything and still it's not good enough. I noticed a huge increase in prices of everything that's my main concern. Why so much inflation? We haven't been doing anything different but pay more for everything.	2/19/2022 2:02 PM
26912	Not at all I support it	2/19/2022 2:02 PM

Canadians vote on Canadian Mandate - February 2022

26932	It's made my life better knowing that ordinary people are willing to stand up for our freedoms and speak out against the tyranny the government has imposed on all of us. It has made my life better by bringing forth issues of vaxx passes and mandatory vaccinations which has costed people their jobs. It has allowed me to put my children back in sports and take the masks off which have caused them physical and mental harm	2/19/2022 2:01 PM
26933	No way	2/19/2022 2:01 PM
26934	It has given me hope that Canadians still care about living in a free country.	2/19/2022 2:01 PM
26935	Not directly. I am concerned about the lack of law enforcement to prevent these protests from becoming occupations. I am concerned about our future with more of this type of event happening.	2/19/2022 2:01 PM
26936	Freedom I fully support the trucking convoy	2/19/2022 2:01 PM
26937	Not directly....I really feel the government dropped the ball on this and could have been handled alot better...our Prime Minister has shown he does not lead well under pressure and this does not bode well for us as a nation	2/19/2022 2:01 PM

26964	.	2/19/2022 2:01 PM

26967	Not at all	2/19/2022 2:00 PM
26968	It has given me hope. It's awful to see Trudeau's response to it. Love, unity, and peace were how they tried to get our freedoms back (besides a very select few) and the government hasn't done anything but tried to shut them down. The easiest way to shut them down is to simply give our freedoms back.	2/19/2022 2:00 PM
26969	Gives me hope	2/19/2022 2:00 PM
26970	Gave me additional things to pray about, and clearly showed Trudeau for the tyrant he is!	2/19/2022 2:00 PM

27028	It's given me hope and a profound sense unity that I have not felt in Canada sine the 70-80's. Such live and peace amongst total strangers of all ethnicities. Out right proof that we are united as a people that believe all mandates must end.	2/19/2022 1:59 PM
27029	Not sure yet, there will probably be supply issues and price increases. To every decision there is a consequence. I understand wanting to stand up for your beliefs and peacefully protest but unfortunately it's like the ones who can end the mandates aren't listening.	2/19/2022 1:58 PM

27055	Given me hope that things will get better soon	2/19/2022 1:58 PM
27056	The convoy has inspired me. People are willing to risk their reputations, lively hoods and risk jail by advocating for every Canadian's constitutional right to freedom.	2/19/2022 1:58 PM
27057	It created a strong sense of patriotism and strong support for the truckers. What really affected me was how this protest exposed how useless our government is at peacefully negotiating with protesters.	2/19/2022 1:58 PM
27058	Many people are confused on what their target is. It's frustrating that the government didn't even directly address . But instead insulted everyone and called them names. It's making me depressed to know I voted for this liar	2/19/2022 1:58 PM
27059	Given me hope	2/19/2022 1:58 PM

27067	A light of hope for the freedom we have had taken away from us	2/19/2022 1:57 PM
27068	I think they are right	2/19/2022 1:57 PM
27069	It has given me hope that people of Canada can come together. They've shown how to peacefully protest, sadly our government has failed us all.	2/19/2022 1:57 PM
27070	Giving me hope	2/19/2022 1:57 PM
27071	Filled me with pride	2/19/2022 1:57 PM
27072	Brought back my pride for Canada	2/19/2022 1:57 PM
27073	I think it shows that we the people have had enough	2/19/2022 1:57 PM
27074	They're standing up for what's right	2/19/2022 1:57 PM
27075	They are not. Trudeau is troublemaker stealing people money. I support trucking convoy	2/19/2022 1:57 PM
27076	I think it's brought Canadians together, but I don't agree with everything they're doing.	2/19/2022 1:57 PM
27077	Gave me something exciting to track... showed what blue collar workers have been saying all along, about the lies and deceptions from government. It's time to end the mandates which were supposed to be voluntary in the first place!	2/19/2022 1:57 PM
27078	Proud to be Canadian	2/19/2022 1:57 PM

27080	I'm just glad there's people brave enough to stand up Canadians.	2/19/2022 1:57 PM
27081	I am ok with it. It hasn't been as long- winded and detrimental as the imposed mandates of the last 2 years	2/19/2022 1:57 PM
27082	It's done nothing but give me hope that our beautiful Canada will soon be the amazing country it used to be before Trudeau was elected. He is AWFUL. The emergency act is a joke and just proves he is a power hungry waste of skin	2/19/2022 1:57 PM

27102	It's going to cost us all a lot of money	2/19/2022 1:56 PM

Canadians vote on Canadian Mandate – February 2022

	given me hope	
27115	made me worry about our country and having people who think like this in our midst	2/19/2022 1:56 PM
27116	The trucking convoy has given me HOPE. I feel like Canada may not become a communist country. There is love & friendship with everyone like it used to be. Freedom is in the air again.	2/19/2022 1:56 PM
27117	not at all	2/19/2022 1:56 PM
27118	Has made me hopeful that things may change soon and the world may go back to normal.	2/19/2022 1:56 PM
27119	It has given me HOPE again, that there actually could be a way forward, and that is to support one another, to listen to each other's point of view and ultimately, to act in a LAWFUL way moving forward. Upholding Canadian citizens' Rights to choose for themselves, Rights to their own medical freedom of choice, and Right to NOT be coerced by their doctor, Theo neighbour or store owners OR their government!	2/19/2022 1:56 PM
27120	It hasn't. I'm proud and happy for all the truckers to find the courage to stand up to our government. Enough is enough of this. I support the truckers 100 percent	2/19/2022 1:56 PM
27121	A sense of proud to be Canadian	2/19/2022 1:56 PM
27122	It made me feel hopeful and some sense of happiness again	2/19/2022 1:56 PM
27123	It has brought some hope for an end to the mandates, but disappointment in the police forces, doctors and politicians who have failed us because they have been paid off to lie to us about the whole evil agenda of the new world order to kill us off under the guise of protecting us from a plandemic that is no worse than the common flu. Our country is no longer strong and free!	2/19/2022 1:56 PM
27124	None what so ever ! Made be happy for the Support	2/19/2022 1:56 PM
27125	Hope	2/19/2022 1:56 PM
27126	Hope as there are so many healthy minded Canadians who don't hate their neighbours	2/19/2022 1:56 PM
27127	Given me hope again	2/19/2022 1:56 PM
27128	Given me hope that I'm not the only one not okay with this.	2/19/2022 1:56 PM
27129	Emboldened	2/19/2022 1:56 PM
27130	It has opened my eyes to see that many people feel the same way as I do about the mandates and restrictions. It has opened my eyes to see how very corrupt our government is. It has given me hope for a better Canada.	2/19/2022 1:56 PM
27131	Not at all	2/19/2022 1:56 PM
27132	Gives me hope for the future. Makes me proud again to be Canadian.	2/19/2022 1:56 PM
27133	They opened my eyes to the lies and deceit of the government...I believed that the government would help and protect us and when they didn't and kept making it harder for us to survive I fell into further despair because no one cares to help the actual citizens of this country who need it. As long as the higher ups are happy to hell with the rest of us 'little people'! When I saw that convoy rolling in I broke down in tears and suddenly felt hopeful again!!!	2/19/2022 1:56 PM
27134	Inspired me that Canadians are willing to stand up for their rights and freedoms!	2/19/2022 1:55 PM
27135	Given a measure of hope that our country is not a lost cause.	2/19/2022 1:55 PM
27136	Non	2/19/2022 1:55 PM
27137	Shows everyone the Prime Ministers true character	2/19/2022 1:55 PM
27138	The trucker convoy has given me a sense of hope that finally there is something that can be done about our situation, and hope that we can move forward back to daily life. However, the convoy has highlighted the corrupt leadership in Canada more than I have seen in my lifetime, and it terrifies me to think that I will one day have to raise my children in a country that shames them for thinking freely and arrests and assaults peaceful people who disagree with leadership. The trucker convoy makes me feel proud to be Canadian, but it has also destroyed any faith I may have had in the Canadian government as their method of dealing with the protest is utterly shameful.	2/19/2022 1:55 PM

27148	It has brought hope. I see hurting individuals feeling encouraged again. I see unity. I have not felt patriotic pride in my country for a long time. But I am proud of my fellow Canadians. I'm proud of my flag. I'm ashamed of our government. I have no respect for Trudeau. No confidence in this government.	2/19/2022 1:55 PM

27165	It's great we went up several times	2/19/2022 1:55 PM
27166	I am now deathly afraid of all truckers. They appear to carry guns, are racist, fire gas canisters at people, harm horses, and want to kill the police. They should all be locked up.	2/19/2022 1:55 PM
27167	They gave me hope.	2/19/2022 1:55 PM

27172	Brought hope	2/19/2022 1:54 PM
27173	Given me hope that Canadians are coming together to stand up for our freedom.	2/19/2022 1:54 PM
27174	It has helped me to see who our dictator Justin Trudeau really is! He is a disgrace to Canada. He needs to go!	2/19/2022 1:54 PM
27175	It has give me hope that we can have our freedom back	2/19/2022 1:54 PM
27176	It gave me hope of not losing our wonderful Canada to a dictator !!!	2/19/2022 1:54 PM
27177	Angry toward Trudeau. Anxiety. His path is dictatorship if he wins.	2/19/2022 1:54 PM
27178	It hasn't other then giving me hope for a free canada and the end of this communist prime ministers tyranny.	2/19/2022 1:54 PM
27179	Kept my husband occupied while being sick during chemo, he has a motivation from these heroic truckers	2/19/2022 1:54 PM
27180	Positively. Gives hope	2/19/2022 1:54 PM
27181	Not at all. Concerned for their freedom and rights. Who is next?	2/19/2022 1:54 PM
27182	They are making a difference. This needs to end now.	2/19/2022 1:54 PM
27183	Amazing to see Canadians stand up and fight for what they believe in. If I could do more I would. The atmosphere on parlement hill was exhilarating.to see so many smiles (you don't see those with a mask on) people were happy and nice. It ALL needs to end including Trudeaus tyranny and verbal abuse to Canadians	2/19/2022 1:54 PM
27184	Made me proud to be a Canadian because of them.	2/19/2022 1:54 PM
27185	Positively	2/19/2022 1:54 PM
27186	Made me proud to be Canadian	2/19/2022 1:54 PM
27187	Giving me hope that the government and media won't get away with this. That justice will prevail and those involved will get what they deserve. Everyone has a price but when your job affects millions of people there are consequences. I wish the truckers love and luck and that they hold strong until those in power are brought to justice. This was completely about control. The truth is out there, you just need to find it.	2/19/2022 1:54 PM
27188	given people like me hope	2/19/2022 1:54 PM
27189	Fights with family	2/19/2022 1:54 PM
27190	It's given me hope and made me proud to be Canadian again	2/19/2022 1:54 PM
27191	My thoughts and prayers go out for all those men and women who are standing strong for what they know is right. They aren't in Ottawa simply because of vaccines for truckers, they are fighting for our freedom in Canada.	2/19/2022 1:54 PM
27192	Shown courage	2/19/2022 1:54 PM
27193	hope for freedom	2/19/2022 1:54 PM

27195	Has made me more divided with my country more then ever. Happy they did the protest. But made me realize how much I hate liberals.	2/19/2022 1:54 PM
27196	Given me hope in Canada	2/19/2022 1:54 PM
27197	Gave us hope that our elected officials may come to God for answers not trusting their own.	2/19/2022 1:54 PM

27204	Given hope to rid of this liberal government is a joke	2/19/2022 1:54 PM
27205	Brought hope and made me more positive about the future	2/19/2022 1:54 PM

27214	Not at all	2/19/2022 1:53 PM
27215	It has heartened me to see I am not alone. The proud display of the Candian flag has been healing, after 2021's debasement of Canada as a genocidal colonialist state. We are not evil. We are striving to overcome evil.	2/19/2022 1:53 PM

Canadians vote on Canadian Mandate - February 2022

these brave truckers have made me feel a pride I haven't felt for a long long time I cannot stand the whiney downtowners who have obviously not been affected by the government shut downs but honking horns for a few weeks calls for a lawsuit! How about suing our government for the many needless lockdowns and the losses of so many businesses and livelihoods!

27218	Made me bolder	2/19/2022 1:53 PM
27219	It has given me hope that other Canadians also feel that our fundamental freedom and sovereignty is the most important right that we have, and in fact soooo many people support it, and are willing to take great sacrifices for it!!	2/19/2022 1:53 PM
27220	No	2/19/2022 1:53 PM
27221	Not really at all personally other then watching the news	2/19/2022 1:53 PM
27222	Very oppressive to watch peaceful demonstrators be treated like criminals.	2/19/2022 1:53 PM
27223	Zero. I appreciate non violent protests in a free country , and I thought Canada was a free country.	2/19/2022 1:53 PM
27224	Given us hope!!	2/19/2022 1:53 PM
27225	Not	2/19/2022 1:53 PM
27226	I'm proud of these Canadians and it gives me hope for this country.	2/19/2022 1:53 PM
27227	The beating of people that the government has allowed ,Trudeau hiding, The Truckers have stood up for all of us,They really are the brave ones Not been able to see family,Trudeau will his smart ass remarks Again the Truckers have the back bone here, Thank you	2/19/2022 1:53 PM
27228	Hope for the first time I years!	2/19/2022 1:53 PM
27229	It has given me hope and joy.	2/19/2022 1:53 PM
27230	Gave me hope again and that there are others that have humanity in their hearts.	2/19/2022 1:53 PM
27231	Lifted me out of depression and gave me a glimmer of hope.	2/19/2022 1:53 PM
27232	Ing and very proud of them. I hate what the media is saying about them These truckers good people trying to help undo what this PM has created	2/19/2022 1:53 PM
27233	It hasn't. But I fully support the message of peace, love and unity. Bring back our freedoms and democracy. This convoy is the only thing that has brought people back together.	2/19/2022 1:53 PM
27234	Hope and Not Fear	2/19/2022 1:53 PM
27235	It has already got the liberal leader of the conservative party fired, and it has caused the premiers of several provinces to back off on their mandates. Even if it stops here, it has been a success.	2/19/2022 1:52 PM
27236	Prices of grocery's and gas have increased	2/19/2022 1:52 PM
27237	It has brought hope	2/19/2022 1:52 PM
27238	There is many different elements to this. The positive support shown by thousands of Canadians while the convoy heading to Ottawa was a beautiful sight! And it brought hope to hundreds of thousands of Canadians and people around the world. Especially to those that could discern that this was/is suppose to be a peaceful protests and that there is "bad apples" in every group. But inadvertently it also caused a different divide especially with the lack of support from our Government. There is now an even bigger divide having the police be so heavily involved. Not to mention the extreme risk it is putting on the police officers and the civilians involved. The Government needed to get involved way sooner and they should have spoken with some of the protesters. Things did not have to get this violent and the Government did NOT have to intervene in this matter. It's also putting the already short staffed police forces across the country into more of a shortage by having members sent to Ottawa. And that causes so much stress on our local police services.	2/19/2022 1:52 PM
27239	Definitely showed me how big this is and i am not alone in my thoughts or feelings. Gave me hope. This has showed me how our whole world is a lie, we can't trust anyone. They can alter lip movement to suit , they can change subtitles to suit. Too many lies. No more trust.	2/19/2022 1:52 PM
27240	Proud they are standing up for all of us	2/19/2022 1:52 PM

27263	Not at all	2/19/2022 1:52 PM
27264	Momentum builds The focus changes to suit the moments rage buildup Time to get back to work people Protest absolutely our Canadian right absolutely let your voice be heard Vulgar messages children can see think adults approve of this Let the city of Ottawas people get on with their lives Scare tactics What's best for the whole will always not please the whole but will always protect it. Right wing fascist go home. The mandates will save your sorry asses even without you even knowing it	2/19/2022 1:52 PM
27265	Gave me hope	2/19/2022 1:51 PM
27266	Gives me hope that some people actually care & might do some good if this government would do it's job, listen & govern fairly. Unfortunately, I have lost all faith in Justine Trudeau & his regime. This is not the Canada that I believe is "Canada the Good" anymore. It is so sad. I have also lost faith in our electoral process.	2/19/2022 1:51 PM
27267	It has given me hope that things might change soon.	2/19/2022 1:51 PM
27268	It has been uplifting, hopeful	2/19/2022 1:51 PM

Canadians vote on Canadian Mandate - February 2022

27270	Gave me hope for change.	2/19/2022 1:51 PM
27271	My husband, father and farther in law are truckers. They have opened up everyone's eyes.	2/19/2022 1:51 PM
27272	Gave me hope. And slowly seeing the character of the PM, has saddened and deeply upset our family. What is happening to the peaceful protestor in downtown Ottawa is truly heartbreaking.	2/19/2022 1:51 PM
27273	It was inspiring to see so many people who felt like "enough was enough" of the mandates. Now I am concerned for their safety.	2/19/2022 1:51 PM
27274	N/a	2/19/2022 1:51 PM
27275	Brought me hope and faith for all Canadians	2/19/2022 1:51 PM
27276	They have only affected in a positive way. Leading the way for Canadians to stand up for their rights and to end all mandates. I 100% fully stand by the truckers and support them along the way.	2/19/2022 1:51 PM
27277	It has brought hope.	2/19/2022 1:51 PM
27278	It has made me hopeful again. It has made me proud to be Canadian again!	2/19/2022 1:51 PM
27279	giving hope	2/19/2022 1:51 PM
27280	Gave me hope that I'm not alone in my frustrations and fears, that others still believe in liberty and that there is hope that Canada wont turn into an intolerant country controlled by corruption	2/19/2022 1:51 PM
27281	In a positive way, it gives us hope for a brighter future.	2/19/2022 1:51 PM
27282	Encouraging	2/19/2022 1:51 PM
27283	Not a bit! I go out a support them whenever possible	2/19/2022 1:51 PM
27284	Very positively. When they drove through my town I felt hope for the first time in two years because finally there was an organized group of people standing up on mine and many others' behalf saying, "Enough." I went to Ottawa mid-week and saw for myself how peaceful and friendly everything was, just as I had been seeing on the livestreams on YouTube. Seeing more and more people come together in unity and purpose in a peaceful, happy, joyful way has been so uplifting. Today is July 19 and these last two days have been the darkest and ugliest I have ever seen in the 25 I have lived in Canada. There is absolutely no excuse for the lies and hate that has been used as an excuse for the brutality and violence that has been unleashed on a citizenry that has been peacefully crying out for its civil rights to be returned.	2/19/2022 1:51 PM
27285	Not a all	2/19/2022 1:51 PM
27286	Giving hope for a country with freedom as dictated by our constitution	2/19/2022 1:51 PM
27287	It has been amazing to see the number of people who are in support and want to go on with life as we knew it. It has warmed my heart to see so many in solidarity for our freedoms. However, it very much upsets me to see children being subjected to this event. It is an Adult situation and children should not be exposed to the front line events.	2/19/2022 1:51 PM
27288	It has given me hope. I feel that fellow Canadians, and people around the world are uniting in the face of evil.	2/19/2022 1:51 PM
27289	Great, sense of hope returning Freedom return to all	2/19/2022 1:51 PM
27290	It has brought me great joy and hope	2/19/2022 1:51 PM
27291	Gave me some hope that things might change	2/19/2022 1:51 PM
27292	It has given a small semblance of hope for the future of this country. If the dictatorship style leadership continues we will be shutting our business down and leaving this country for good.	2/19/2022 1:50 PM
27293	Helped me realize most of Canada is on the right side of history! Unity!	2/19/2022 1:50 PM
27294	Shown us that if we come together united the world will notice	2/19/2022 1:50 PM
27295	Given me hope for a better future for my kids.	2/19/2022 1:50 PM

27299	For the better	2/19/2022 1:50 PM
27300	The trucks in Ottawa have shown the true colours of our government, the lies of main stream media, the corruption.	2/19/2022 1:50 PM
27301	Feel hopeful that we are all standing for freedom against all this political tyranny. I am grateful for their sacrifice every day!	2/19/2022 1:50 PM
27302	I am proud of all those who are standing for our rights!! They put their livelihood on the line for all of Canada!	2/19/2022 1:50 PM
27303	It has given me hope and made me to be proud of being Canadian.	2/19/2022 1:50 PM
27304	Given me hope that if the people we pay to protect us aren't going to that we the citizens will make ourselves heard.	2/19/2022 1:50 PM
27305	It has not	2/19/2022 1:50 PM
27306	On January 29 I stood on a freeway overpass to wave Cdn flags. Each Saturday more people do this. I've seen a greater unity and comraderie amongst Cdns showing their support. I'll handle a few empty shelves in order for the entire world to see (and copy) what the Canadian truckers are doing. THEY STAND FOR US!	2/19/2022 1:50 PM
27307	It gave me hope and joy for the first time in 2 years. I cried so many joyous tears, I finally felt like I wasn't alone and it made me feel amazing to know so many people are in this together. Fighting for our freedoms and bringing back the Canada I once knew! It was amazing to watch them travel across Canada with overwhelming support. It is sickening to watch Justin and his govt funded media lie and twist the truth to turn Canadians against each other. I am forever grateful to the Convoy and I would do anything to help and support them. They gave so many of us hope and a glimmer of freedom. I pray for them	2/19/2022 1:50 PM
27308	Made me see a light at the end of the tunnel and brought my spirit back up.	2/19/2022 1:50 PM
27309	Prices gone up	2/19/2022 1:50 PM
27310	Brought Unity to the world. Peaceful protests don't hurt me. My heart loves what the convoy done for Canada!! My gut tells me they are not the problem!	2/19/2022 1:50 PM
27311	Gave me hope for a better Canada that has unity	2/19/2022 1:50 PM
27312	None	2/19/2022 1:50 PM
27313	Positively	2/19/2022 1:50 PM
27314	It's given me hope !	2/19/2022 1:50 PM
27315	The protesters have unsettled our neighbourhoods, violated bylaws, impeded traffic, and made an appalling amount of noise. Their behaviour is appalling and un-Canadian. We need peace and quiet to be able to work, sleep, and live our lives.	2/19/2022 1:50 PM
27316	It's given hope	2/19/2022 1:50 PM
27317	I got my hope back, I got the proud of all people who support this movement. I've got my proud to be Canadian again!	2/19/2022 1:50 PM
27318	He has giving me hope and shown the unity and love of our fellow Canadians.	2/19/2022 1:50 PM
27319	Given me hope in humanity again. Feeling more connected and not alone. Seeing more love, peace and unity....but also from the governments side...sick to my stomach, leaving me questioning what it means to be Canadian and even human...where is democracy?? .	2/19/2022 1:50 PM
27320	It's giving me hope that maybe we can get our lives back	2/19/2022 1:50 PM
27321	Gives me hope. Hoping it helps pan to end these ridiculous rules and illegal mandates	2/19/2022 1:50 PM

trusted! And has proved to me that Trudeau is not a leader, has no qualities of a leader, and should be immediately replaced,

27323	Very inspirational. Reminds me of beauty and unity inherent in Canada. It has brought back the meaning of the Canadian Constitution.	2/19/2022 1:50 PM
27324	Gave me hope, as Canadians usually dont have to expect racism and crimes against humanity, and we dont usually follow propoganda from other countries, and now that we seem to be following other countries, glad to see someone had the guts to stand up for our rights.	2/19/2022 1:50 PM
27325	I am so proud to call them Canadian and I support what they believe in. Freedom for all	2/19/2022 1:50 PM
27326	Only with hope and positivity!	2/19/2022 1:50 PM
27327	It has brought hope, started us moving forward into endemic responses as science says we should. Has destroyed any goid thoughts of our extremely corrupt gov. And has helped the world see the evil that is Justin Trudeau	2/19/2022 1:49 PM
27328	Mental health boost to see them on the highway and later meet them In Ottawa.	2/19/2022 1:49 PM
27329	The courage and grace of the truckers and their families have awakened me to being Canadian. I'm ashamed of how our government has handled the situation and how their news agencies are reporting it.	2/19/2022 1:49 PM
27330	It has given hope to our family	2/19/2022 1:49 PM
27331	Made be believe there are still good people in Canada, that we are not alone, that when my gut tells me our government is NOT to be trusted - it is true. It has brought to life how corrupt government is in Canada	2/19/2022 1:49 PM
27332	It gave me hope that the government would do something	2/19/2022 1:49 PM
27333	It has inspired optimism that there's a possibility of change for the better! Without the truckers, we would have no one speaking up and we'd continue to move in a downward spiral. Bless the truckers! Hold the line!	2/19/2022 1:49 PM
27334	Given hope for our freedom and healing the division of community	2/19/2022 1:49 PM
27335	Made me proud to be Canadian, watching all the Canadians cheering them on their way to Ottawa to end the vaccine mandates and have Freedom according to our charter of Rights.	2/19/2022 1:49 PM
27336	Fully support it has given many New hope, unity and happiness what Canada used to be about	2/19/2022 1:49 PM
27337	It has given me hope !	2/19/2022 1:49 PM
27338	Gives hope. Shows that a lot of Canadians are aware, awake and supportive of ending mandates and vax passports. Showing clearly how tyrannical the Canadian government is.	2/19/2022 1:49 PM
27339	Lack of food on shelves. Will the cost of policing be passed on to residents of Ontario or Federally? It has made me actually disgusted and not feel proud to see our flag. I've lowered mine to half mast. I'm sickened by the whole thing.	2/19/2022 1:49 PM
27340	Gave me hope and woke lots of people up to the tyranny and government overreach	2/19/2022 1:49 PM

27342	I'm in full support of this !!! These folks are making a stand and making it known to the world that we are sick of this crap ... yes I feel for the citizens of Ottawa and the stuff they are dealing with however if our prime minister would have acknowledged them first off then maybe things wouldn't have gotten so bad	2/19/2022 1:49 PM
27343	It has not.	2/19/2022 1:49 PM

Canadians vote on Canadian Mandate - February 2022

27349	It's ok	2/19/2022 1:49 PM
27350	It has brought a sense of hope the people are waking up to these mandates which are not in compliance to any part of the Constitution Act of 1982. It has been a wonderful experience of meeting with people of all races, creed and colour who have proven to be very friendly; without out any violence or threatening rhetoric.	2/19/2022 1:49 PM
27351	I have felt to be Canadian and empowered that there are so many of us wanting our freedoms and rights back. I have discovered how divided our society is on this issue and the vaccines and the passports and how much fear exists.	2/19/2022 1:49 PM

27371	Made me so proud! Made me determined to fight along with them to get our country back to it's past glory.	2/19/2022 1:48 PM
27372	In a massive positive way to see how people are not ok with these mandates and how we have come together in peace and unity to say enough is enough we want our basic human rights and freedoms back. Thank you truckers!!	2/19/2022 1:48 PM

Canadians vote on Canadian Mandate - February 2022

27377	The trucking convoy has made me proud to be a Canadian again. I have never seen a movement that has brought together as many Canadians of different stripes. Despite what the government funded media says it has remained peaceful showing restraint and level headedness.	2/19/2022 1:48 PM
27378	Blocking supply lines from our largest trade partner	2/19/2022 1:48 PM
27379	Hope	2/19/2022 1:48 PM
27380	Hope it works	2/19/2022 1:48 PM

27382	It has given me hope for the future! I am inspired and so happy about the truckers freedom convoy!	2/19/2022 1:48 PM
27383	It's giving me hope	2/19/2022 1:48 PM

27386	Gives me hope.	2/19/2022 1:48 PM
27387	Given me hope	2/19/2022 1:48 PM
27388	It has given me hope for the Canada I was born into and the country of freedom that I wanted my children to grow up in. This convoy has given me hope that was lost during the last two years and has given my pride in being Canadian once again!! Before the convoy I actually was quite embarrassed about being Canadian ... we were becoming a disgrace around the world!	2/19/2022 1:48 PM
27389	Given me hope	2/19/2022 1:47 PM
27390	Giving people hope that not everyone in this country is blinded by our inept leader who does nothing but pander for votes. Has apologized to every nation and creed of people while calling Christians and Jews racists and lots of other derogatory comments and terms. Well the convoy had lit a fire for all of us and given us HOPE	2/19/2022 1:47 PM
27391	It has made me feel empowered and proud to be a Canadian again.	2/19/2022 1:47 PM
27392	Gave me hope and solidarity. But the government's response has left me anxious and terrified.	2/19/2022 1:47 PM
27393	I was hoping the Prime Minister would at least talk to them. I'm furious they were infiltrated by troublemakers from all sects of the lunatic fringe and Trump and Fox News people just so they could get THEIR 15 minutes of fame, and cause any illegalities that occurred. So thankful those people weren't around when MIK did the Selma bridge walk for instance. The Police would've broken that up too☹️then where would we be!	2/19/2022 1:47 PM
27394	The best thing that ever happened to Canada. Love them and honor them.	2/19/2022 1:47 PM
27395	it doesn't It's actually strength within the Canadian ppl	2/19/2022 1:47 PM

27397	Gives me hope for Canada	2/19/2022 1:47 PM
27398	It's giving me hope that there are Canadians willing to stand up for what's right	2/19/2022 1:47 PM
27399	Financially. Cost of goods and services has rocketed.	2/19/2022 1:47 PM
27400	I hope it works out.	2/19/2022 1:47 PM
27401	None what so ever . It has made me feel some hope for this country again.	2/19/2022 1:47 PM
27402	They gave me hope, if I could afford to be out in Ottawa with them I would be	2/19/2022 1:47 PM

Canadians vote on Canadian Mandate – February 2022

27406	In a positive way they have given me hope as a Canadian to get back our rights!!	2/19/2022 1:47 PM

27409	I feel like my life is meaningful again.	2/19/2022 1:47 PM
27410	Frustration wit these idiots. Stopping food and drugs from reaching the public.	2/19/2022 1:47 PM
27411	Restore my hope that hopefully the government stops all the things they're trying so hard to change. Everything was fine as it was.	2/19/2022 1:47 PM

27413	Has given me hope for the future.	2/19/2022 1:47 PM
27414	By giving me HOPE	2/19/2022 1:47 PM
27415	My dad has been down there every day fighting for what is right along side his fellow truckers. I work in Ottawa and I has not affected me negatively in anyway.	2/19/2022 1:46 PM
27416	Shows we have the power	2/19/2022 1:46 PM
27417	I would say the trucking convoy stands up for the freedom of others, and it gets in the media so this helps many Canadians be aware of what is going on.	2/19/2022 1:46 PM
27418	Immensely; it has exposed the corruption in our government, the media and health care system. Slowly the freedom of speech and expression has been smothered, when people can no longer oppose the ideals handed down to us from those in power at fear of losing their jobs, family ties and now even their finances. I see the convoy and protestors risking their lives now to stand for what our country proclaimed to stand for; how can anyone sit back now when old women can be trampled under the hooves of a war horse under the command of our nations newly appointed war lord. I'm sickened and awakened.	2/19/2022 1:46 PM
27419	Has started to open up options for me and my family! Thank you!	2/19/2022 1:46 PM
27420	Given us hope that our Canadian Charter of Rights & Freedoms would be followed.	2/19/2022 1:46 PM
27421	Not at all	2/19/2022 1:46 PM
27422	Gave me hope of returning to what normal used to be.	2/19/2022 1:46 PM
27423	Brought me hope, joy, love for fellow Canadians.	2/19/2022 1:46 PM
27424	Not at all. The truckers just want to work and go home to there families. God bless all the truckers. Stay safe and look up to Jesus Christ .	2/19/2022 1:46 PM
27425	My sense of pride was awakened the first day they were on the road. I felt a sense of power, that someone finally tapped in to the pulse of this great nation and began to breathe life into a dying society.	2/19/2022 1:46 PM
27426	Very little physically, but it has touched me a lot emotionally. I feel deep compassion for the truckers and my contempt for Trudeau and those that back him is even greater than it was before, were that even possible.	2/19/2022 1:46 PM
27427	For me they're heroes!	2/19/2022 1:46 PM
27428	I've lived along!	2/19/2022 1:46 PM
27429	It is giving me hope that the citizens of this country can have a voice. I'm so grateful to them for taking a stand against this insanity.	2/19/2022 1:46 PM
27430	Nothing	2/19/2022 1:46 PM
27431	Made me feel hopeful	2/19/2022 1:46 PM
27432	Significantly. I have never in my life thought of leaving Canada until this past year but when convoy started I finally had some hope! The depression was getting the best of me but now there's a light at the end of the tunnel. I've been glued to my phone watching live streams	2/19/2022 1:46 PM

27434	Relived all the stress Trudeau is causing me	2/19/2022 1:46 PM
27435	Brought hope into my life for the first time in two years. May be awakening some people who are still “sleeping”	2/19/2022 1:46 PM
27436	To stand and fight for freedom	2/19/2022 1:46 PM
27437	Given hope that Canadians are still willing to stand together for our freedoms and acknowledging it's time to move forward	2/19/2022 1:46 PM
27438	It has strengthened my resolve to bond with the working people of Canada that want the government reduced dramatically in power and size	2/19/2022 1:46 PM
27439	Has given me hope.	2/19/2022 1:46 PM
27440	It's given me hope for the first time in 2 years. Actually longer if I'm honest.	2/19/2022 1:46 PM

27448	They are heroes!	2/19/2022 1:46 PM
27449	convoy did not affected your life	2/19/2022 1:46 PM
27450	Gives me hope that we as a people and a nation can carry on in the traditions of equality, fairness and democracy to move forward united and strong, and maintain unwavering, our God given rights and freedoms.	2/19/2022 1:46 PM
27451	Feel proud cared about	2/19/2022 1:45 PM
27452	Thanks truckers!	2/19/2022 1:45 PM

27455	Hope for freedom of choice	2/19/2022 1:45 PM
27456	It made us feel proud to be a Canadian again. Proud of the stand the truckers and supporters took. They are all angels taking a stand against Tyranny... the Lord be with them.	2/19/2022 1:45 PM
27457	Happy to see people stand up for what is right.	2/19/2022 1:45 PM
27458	It has given me hope that maybe they are waking up the sleeping people by helping, hopefully, and breaking thru to those that have for lack of a better word been brainwashed by the corrupted media	2/19/2022 1:45 PM

thousands of people sharing their love for each other and this once great country is beyond words to describe !

27463	Hardly at all	2/19/2022 1:45 PM
27464	Gave us freedom	2/19/2022 1:45 PM
27465	I support the message. I hope the RCMP abusing them get punishment to the highest extent	2/19/2022 1:45 PM
27466	Brought us hope	2/19/2022 1:45 PM
27467	Make me believe in canada	2/19/2022 1:45 PM
27468	Given me hope and created a sense of unity not only in my community but across Canada. It made me proud to be a Canadian again. I fiercely support those who protested across Canada. This week with the "emergency act" has given me anxiety and fear at the gross over reach of the tyrannical government seizing people's bank accounts. People's bank accounts being frozen even before the emergency act. I'm angry that the so called police did what Trudeau wanted and launched against its own people with violence and unlawful arrests	2/19/2022 1:45 PM
27469	hasn't ... thanks to those truckers who are acting on my behalf	2/19/2022 1:45 PM
27470	Gives me hope of a new tomorrow without the bullcrap! Trucker's are the backbone of our nation and the Prime Minister should be talking to them NOT insulting them and treating them like terrorists! We all know who the true terrorist is! I support our Freedom Trucker Convoy 10000%! They are the truest Canadian's! End the tyranny in our Country!!	2/19/2022 1:45 PM
27471	Given me hope	2/19/2022 1:45 PM
27472	Given hope	2/19/2022 1:45 PM
27473	The convoy has brought the first glimmer of hope for an end to the unhelpful and harmful mandates that I've seen in 2 years. It has begun to restore a sense of hope for and pride in Canada that I have not felt since the start of the pandemic. It has shown me just how far reaching the sense of frustration with these mandates is across our country. I realized that not only was I not alone, but probably in the majority in my feelings of frustration and hopelessness as I saw the crowds gathered at every overpass and intersection along the route of the convoy, and the numbers gathered in Ottawa, realizing that every person who showed up represented many, many more. It brought tears of joy to see the Canadian flags acing and crowds gathered, singing O Canada, and enjoying just being together in celebration of the hope of change. It has also brought a renewed sense of dismay to watch the unfolding of Trudeau's response to the convoy. It breaks my heart to witness the unwarranted use of force to break up peaceful protestors. I do not wish to live in Trudeau's version of Canada, whatever that is.	2/19/2022 1:45 PM
27474	It has encouraged me that people will stand up for freedom.	2/19/2022 1:45 PM
27475	Giving me hope	2/19/2022 1:45 PM
27476	Hasn't	2/19/2022 1:45 PM
27477	None it has given me hope that someone could talk to our government	2/19/2022 1:45 PM
27478	It was the best 2 days of the last 2 years for me! Cry of joy when I experienced the love, peace, unity, etc	2/19/2022 1:45 PM
27479	Very very disappointed that the country is going to shit turning what I hate most communism and a tyrant dictator at the top and nobody has the balls to arrest him for crimes against humanity and numerous other charges	2/19/2022 1:45 PM
27480	It's upsetting to see how the police have made what was a peaceful protest violent. I'm embarrassed to live in Canada because of the way our federal government has handled the protest. There was no need to use force.	2/19/2022 1:45 PM
27481	It gave hope for change!	2/19/2022 1:44 PM
27482	I am proud to be Canadian and would Be with them if I did not have farm animals to tend.	2/19/2022 1:44 PM
27483	Some Items can not get when i want them but its all good , Had to wait a day or more , They only trying to make it Good for Canada	2/19/2022 1:44 PM

27485	Given me and many others HOPE! THANKYOU TRUCKERS &SUPPORTERS	2/19/2022 1:44 PM
27486	There has to be a way for people to respond when their voices are not heard; in a peaceful and respectful way. When there is dissection between peoples, and an expression of that, there is always going to be inconvenienced. The inconveniences from supply chain disruption were already present; the only difference was who imposed it, and who it affected most.	2/19/2022 1:44 PM
27487	I finally feel proud to be Canadian again. The convoy is uniting Canadians the Trudeau has worked so hard to divide. The convoy has united the world! They stand for freedom.	2/19/2022 1:44 PM
27488	It's great to have truckers wanting to end this mandate	2/19/2022 1:44 PM
27489	Hasnt	2/19/2022 1:44 PM
27490	It was amazing to see people come together in love and unity.	2/19/2022 1:44 PM
27491	Not at all. It did open my eyes to how corrupt our government and legal system is. The police need to go also.	2/19/2022 1:44 PM
27492	Proud of all of them. Disappointed in Dialogue	2/19/2022 1:44 PM
27493	Gave me hope again	2/19/2022 1:44 PM
27494	Initially, it was the first time in two years that I felt a glimmer of hope. I could see a light at the end of the tunnel and I felt a part of something positive. The love, peace, unity, compassion, and empathy I have witnessed in Ottawa and along the roads and highways was uplifting. The last two days all hope has been shattered by the heavy, violent response of our government. I am so saddened by the recent turn of events.	2/19/2022 1:44 PM
27495	Given much hope! Woken the country up!	2/19/2022 1:44 PM
27496	The convoy was one of the first signs of hope I saw from a grassroots movement of Canadian citizens to stand up to the over-reach of the government. It made me feel less alone; it felt unifying. It has presented an important voice in Canada that has been deeply suppressed by the legacy media and the government.	2/19/2022 1:44 PM
27497	The trucker convoy has not affected our lives negatively. There were many truck drivers that agreed with the truckers in the convoy protests but still continued to deliver certain products to the population. The government FAILED to listen to the people prior to the trucker convoy, hence the trucker convoy. The question should be "How has the government's lack of respect for the rights of the population they represent affected our lives?" The trucking convoy gave us hope that we had voices on our side as clearly our government hasn't made that a priority.	2/19/2022 1:44 PM
27498	It hasn't!	2/19/2022 1:44 PM
27499	It hasn't	2/19/2022 1:44 PM
27500	Opened my eyes that I'm not alone, with my thinking	2/19/2022 1:44 PM
27501	It has given me hope of seeing Canadians get back their rights to choose, their right to travel freely, their right to free debate the basis of democracy the right to question. The suppression of free speech is horrific. I do not trust our governments anymore they don't appear to be honest or have our best interests in hand, just their political agenda.	2/19/2022 1:44 PM
27502	Shows that people here actually care	2/19/2022 1:44 PM
27503	I felt alive and hopeful of changes esp having our freedom of choice and speech back. Showing to the world that it's the truth that will set us free from any diseases and crisis and that it is important that a good leader should listen to people's voices and concerns with love, peace and humility.	2/19/2022 1:44 PM
27504	I support anyone who is willing to stand up for truth and their fundamental rights and freedoms. Any inconvenience pales in comparison.	2/19/2022 1:44 PM

coverage. It has caused minor inconvenience for the supply chain but that is entirely worth it for the greater good because the principles it is standing for are bigger than temporary shipping issues. The freedom issue is bigger than even the mandates.

27508	It hasn't other than showing that our prime minister would rather hide that face people that have concerns about his policies	2/19/2022 1:44 PM

27533	I have felt hope for the 1st time in over 2 years. I have seen good in humanity as faith and joy and peace are increasing. Globally this freedom convoy has inspired people. It has also exposed many lies and revealed truth. I remember why i was proud to be a Canadian with all of the unity and kindness being shown by the trucking convoy. I am deeply concerned with the actions of the government and the police with this unnecessary emergency act. The trucking convoy has inspired me to continue to stand up for what I know is right and continue to speak truth. It has also renewed my faith and I have found hope and reason in praying again.	2/19/2022 1:43 PM

27578	It gave me hope. For the first time in 2 years, I cried happy tears and felt like there was finally a light at the end of the tunnel. People who are brave, collective, and are willing to stand their ground when their rights are being stripped away from them unlawfully. I became, once again, a proud citizen watching families and every day people be in unity and open their eyes, along with their hearts to EVERYONE who has suffered through this pandemic. Despite what the media shows, this has been one of the biggest movements which is now globally recognized, and in a peaceful manner.	2/19/2022 1:41 PM

27655	Honestly it made me happy to see a movement!!!! People who will stand up for other citizens and show caring and passion for their country. The government owned media has skewed this into trying to make the tuckers look like the bad guy and it's wrong. Groceries can be scarce but no one is starving. The price of groceries is from the carbon tax the liberals have put into play. What better way to take the heat off of them by making the convoy the scape goat. It's absolutely criminal. #holdtheline	2/19/2022 1:39 PM

27682	It has enhanced my beliefs that we are not alone and how Trudopes media manipulates the corrupt news.	2/19/2022 1:38 PM
27683	It hasn't had any affect on my everyday life	2/19/2022 1:38 PM
27684	Gave our family and kids new hope, stabilized our mental health situation. Gave us some opportunity to speak up for us and share our opinions.	2/19/2022 1:38 PM

27686	Given hope and shown that there are good people in this country. Brought the country united.	2/19/2022 1:38 PM
27687	Hasn't	2/19/2022 1:38 PM
27688	It has bot adversely affected my life however it has brought the feeling of hope and joy for a future. It has also shown what a government detached from the people it supposedly serves looks like.	2/19/2022 1:38 PM
27689	No problem	2/19/2022 1:38 PM
27690	wonderfully! Understanding that we have all been discriminated against as well as Suppressed by our Government, Media and Health Department.	2/19/2022 1:38 PM
27691	It's the greatest showing of love, compassion and inclusiveness we've seen in 2 years, maybe our lifetime. These men and woman will go down in history as the ones who forced tyranny from our great country.	2/19/2022 1:38 PM
27692	It brought positive action to reducing/eliminating mandates. A person should be able to make his own decisions without being punished for them	2/19/2022 1:38 PM
27693	It has brought me hope and love, a light in these dark days	2/19/2022 1:38 PM
27694	Hope, joy and inspiration. Gratitude, sympathy and balance. It's returned all these and a sence of purpose in life. And strength to shut down and stop the great reset and the WEF.	2/19/2022 1:38 PM
27695	Gives hope that there are people willing to fight against losing your livelihood over a vaccination when they allow covid + vaccinated individuals to work.	2/19/2022 1:38 PM
27696	It has made it clear that Trudeau does not care what Canadians want, is divisive, and presumptuous of grasping for dictatorial powers.	2/19/2022 1:38 PM
27697	The truckers have brought awareness of what the average Canadian thinks: its time to lift all mandates.	2/19/2022 1:38 PM
27698	Not sure... we are across the country.	2/19/2022 1:38 PM
27699	Not directly at all. If I lived in Ottawa and had to deal with the noise, I'd be pretty upset and probably join the counter protests.	2/19/2022 1:37 PM

enemy of the state, subject to jail and seizure if personal property, simply because I don't fall into line with governmental overreaching policies

27708	Gave me hope that tyrannical authorities rule will come to an end	2/19/2022 1:37 PM
27709	Brought hope and happy days back after two years I can see the light from this dark tunnel.	2/19/2022 1:37 PM
27710	It has not really other than to say maybe the government will finally stand up and take notice of a large group of Canadians that are unhappy with this government and Trudeau inparticular. For me I am hoping people see the bigger picture, it's not just about vaccine mandates, it's about a failing economy a lack of cohesiveness from East to West and between rich and poor. All that being said the truckers etc needed to move their convoy a week ago to somewhere else where it was not affecting residential neighbourhoods. I do applause the peacefulness and the message they were trying to deliver.	2/19/2022 1:37 PM
27711	It did what the rest of Canada was too afraid to do.	2/19/2022 1:37 PM
27712	It has given me hope	2/19/2022 1:37 PM
27713	I feel I am not alone. They put a message out that we can be proud of our rights and freedoms.	2/19/2022 1:37 PM
27714	Given me renewed hope that my country Canada might be freed from our current P.M. who is more of a dictator.	2/19/2022 1:37 PM
27715	This is the first major ray of hope for Canadians and Canada and the world that we have seen in 2 years. Finally a sizable group standing up to authoritarian dictators operating under the guise of democracy. And now they are being unfairly reported on and denigrated by govt and main stream media, and we are not seeing brutal and likely illegal military/police tactics against peaceful protesters that have caused injury and possibly death to these peaceful protesters. This is shaping up to be another holocaust. But it is starting to wake up the world as to the systemic atrocities that have been going on for a long time. And there is still hope that these globalist crimes will be rectified.	2/19/2022 1:37 PM
27716	Given a increased sense of pride in Canada with hope for the future.	2/19/2022 1:37 PM
27717	Hope	2/19/2022 1:37 PM
27718	Personally not, but in terms of Canada's good name around the world I'm embarrassed. Moreover I am *shocked* that the police authorities have been negligent in responding to the convoy situation. It has never taken them long to disperse other encampments (BLM, Idle No More, etc.) so why have the truckers be allowed to stay for so long? Public nuisance laws could have been invoked ages ago. The Emergencies Act is a gross overreaction to what should have been a civil disobedience matter (ie. not criminal). I am also very very concerned about the infiltration of this movement by the American radical and survivalist right.	2/19/2022 1:37 PM
27719	Given hope that restrictions will be looked at when the Prime Minister was not making a plan out of them. Beauty of free speech and protest in our country.	2/19/2022 1:37 PM
27720	It gave me hope to turn away from the crazy road Canada has been on for last two years.	2/19/2022 1:37 PM
27721	fully supported it	2/19/2022 1:37 PM
27722	It has renewed my confidence in Canadians to stand up for our freedoms.	2/19/2022 1:37 PM

27728	Gives a sense of hope that change is near!!!	2/19/2022 1:37 PM
27729	The convoy has made me feel so full of joy and hope. I participated in the protest in Surrey and it was really joyful and fun. But the misleading backlash from the Liberals and the media has made me feel really frustrated and sad, that so many people don't understand what the people in the protest really stand for.	2/19/2022 1:36 PM

27731	Beautifully	2/19/2022 1:36 PM
27732	It has give me hope that there are others like me. Hope that we can return to a normal life without hated, fear and discrimination brought on by the government and media.	2/19/2022 1:36 PM
27733	It brought hope	2/19/2022 1:36 PM
27734	I have not been affected. I appreciate their courage and bravery.	2/19/2022 1:36 PM
27735	The Convoy has given me hope to gain my livelihood and rights back, and made me feel better about our country and the people in it. I'm so grateful for the time and effort the people have put in to the convoy so they could stand up for me, since my employers, unions and coworkers either could not or would not. I'm so proud of how peaceful the protestors have remained even though the government has made our police, the very people that are suppose to protect us, turn against citizens of Canada, inflicting physical harm and distruction or seizure of their property. The government is behaving like a dictator or a mafia organization, has turned our police into their muscle, for no justifiable reason.	2/19/2022 1:36 PM
27736	Hasnt	2/19/2022 1:36 PM
27737	I love and respect the freedom convoy patriots. They gave us hope. God Bless them all!	2/19/2022 1:36 PM

27739	Gave me hope. Now I am very sad to see what has happened since the war act was invoked. It's so wrong and is NOT Canadian	2/19/2022 1:36 PM
27740	In the most positive way yes. Because of the Convoy I I'm proud to be Canadian. And I have hope again	2/19/2022 1:36 PM
27741	They have giving me hope that there are people out there realizing that Canada is a free country and that we should have multiple choices.	2/19/2022 1:36 PM
27742	I live in Ottawa and have not been negatively impacted by the trucker convoy.	2/19/2022 1:36 PM
27743	It has been an eye opener about our freedoms and the government's overspending on unnecessary spending	2/19/2022 1:36 PM
27744	Not at all. Good for them. They are standing up for all Canadians not just for themselves	2/19/2022 1:36 PM
27745	Gave me hope and a feeling that I am not alone.	2/19/2022 1:36 PM
27746	Regardless of where people stand There are valuable arguments from both sides. BUT that being said it has aided this country in letting everyone see our PM Justin Trudeau show his true colours and also show the corruption in our police and military system.	2/19/2022 1:36 PM
27747	Initially inspired, proud, moved, but to see the types of people we see represented in a Tim's ad at a community rink denigrated, slandered, & now beaten and trampled by horses will forever change the way I feel about Canada and the people baying for blood and applauded a clearly anti-democratic imposition of the Emergencies Act.	2/19/2022 1:36 PM
27748	Brought such hope and encouragement and patriotism!!!	2/19/2022 1:36 PM
27749	None. Besides possible food shortages	2/19/2022 1:36 PM
27750	Have given millions of people hope again. Have brought all like minded people together which also have given us a voice again to say what we do not want as a country. God bless our courageous truckers and shame to the people we pay to protect our freedom of assembly.	2/19/2022 1:36 PM
27751	It hasn't. But I would be pissed if I couldn't get to the hospital because roads blocked by truckers	2/19/2022 1:36 PM
27752	Makes me proud and happy to stand by them. They bring me hope again	2/19/2022 1:36 PM
27753	It's given me hope for a better future	2/19/2022 1:36 PM
27754	They have made me be proud to be a Canadian again seeing someone finally step up and say what I'm thinking.	2/19/2022 1:36 PM

It has made me realize that there are so many other people out there that have the same views and I dont feel so alone. I'm scared what our country and our government has turned into, but with the convoy I feel like there is hope.	2/19/2022 1:36 PM

27773	Proud of them - so much hard work and dedication for Canadians	2/19/2022 1:35 PM
27774	The convoy has renewed my faith in some Canadians and brought more people together than I believed existed.	2/19/2022 1:35 PM
27775	It has made the end to mandates happen faster, it has also given me and my family a sense of hope for the first time in 2 years, it showed how much love Canadians have for each other and how much we are all ready for change, ready for total body autonomy again.	2/19/2022 1:35 PM
27776	Has not affected me at all seems like I have more freedom than before	2/19/2022 1:35 PM
27777	It has given us some hope back.	2/19/2022 1:35 PM
27778	It's the most depressing thing to happen in this very hard time. Hard to believe people could care so little about their fellow citizens and humans. Reading the news about these deluded individuals has made it hard to imagine living in this country in the future. Hopefully it will finally be shut down soon.	2/19/2022 1:35 PM
27779	Gave us hope !!!	2/19/2022 1:35 PM
27780	Gives hope that we might get out Charter of Rights and Freedoms back	2/19/2022 1:35 PM

27785	Economic damage.	2/19/2022 1:35 PM
27786	Exposed corruption we suspected all along and confirmed that I can not TRUST the gov't. An apology needs to be made and Courts need to clean up affairs in our country that effects our rights and freedoms as citizens for the future of our children. The federal gov't and Justin Trudeau and other politicians have succeeded in dividing our country and it hurts to see the level and degree they'll go to to not speak with us terrorists. ☹️ Since Grade 5 I haven't understood how to address Parliament, even as an adult and citizen of Canada I struggle to know how to make my desires known if it wasn't for surveys like this. My husband had to go through the immigration process for me to remember how to even address political matters. How are we supposed to fight for our voices to be heard or even considered if they're just going to do what they want anyway? They won't even "man up" and have a conversation. The remarks coming from the Liberal side are a joke. Conservatives are listening and actually speaking out but I have MAJOR doubts anything will even come about from all of this. During voting they target areas of highest population, make empty promises... list goes on. Truckers and protesters have finally address the NEED for a real change. Merci	2/19/2022 1:35 PM
27787	Given me hope to have my life back. Makes me smile and I feel the positivity and love. Hope for mankind	2/19/2022 1:35 PM

27793	Gave me hope. MAde me proud to be Canadian.	2/19/2022 1:35 PM
27794	It has divided too many of us, and has divided many of my close friends due to extremist conspiracy related beliefs. The stress of knowing we are clearly divided as a nation is worrisome and to be perfectly honest - I once was a very proud Canadian who honours our nation's flag. The trucker convoy has tainted the Canadian flag for me and what it means to be a Canadian. I am disgraced now when I look at the flag.	2/19/2022 1:35 PM
27795	Gave me hope and a sense of unity	2/19/2022 1:35 PM
27796	They've allowed honest hard working Canadians to have a symbol to rally around while they peacefully demonstrate against this unjust mandates.	2/19/2022 1:35 PM
27797	It's brought me so much hope! Hope for a better future for my kids, for my friends, family and myself. Hope that we will get our freedoms back and return to the Canada that we all know and love. I will not accept this "new normal". This convoy has awakened the world and the world is spreading up. It's not just the "small fringe minority" in Canada, we are the majority. We Canadians are what makes Canada so great! It has been such a positive loving experience. Until the police came in with riot gear. Now I afraid for my friends in Ottawa. These needs to stay peaceful and the police are not keeping the peace.	2/19/2022 1:35 PM
27798	They have brought Joy, happiness and alot of LOVE ♥️ to people. The Convoy has brought unity as a collective together once again, something that people have lost. They are shining the light that was lost in darkness from the elites.	2/19/2022 1:35 PM
27799	It has made me feel less alone.	2/19/2022 1:35 PM

27816	Gives me hope the mandates may end	2/19/2022 1:34 PM
27817	It's been hopeful but very unsettling and terrifying to see our Prime Minister act like a dictator and refused to dialogue with the truckers and Canadians who are oppressed.	2/19/2022 1:34 PM

27820	Not at all.	2/19/2022 1:34 PM
27821	The trucking convoy has shown me how many Canadians are willing to take a stand to protect their God-given, Charter-guarenteed rights and freedoms and will not suffer oppression and discrimination from their own government lying down. This peaceful protest has revealed to me that the legacy media is somehow even more corrupt and untrue than I had thought; especially the CBC which has clearly shown itself to be little more than the propaganda arm of the government. I see now how important defunding the CBC is and it must be a high priority for any political party to receive my vote in all future elections. The trucking convoy has been a very effective tool in restoring many of our rights and expediting the end of the egregious discrimination by many governments across the country.	2/19/2022 1:34 PM
27822	It has provided hope that my fellow Canadians will wake up to what this whole plandemic is really about. I'm am deeply dismayed and incensed with the government overreach & not surprised. I unfortunately predicted the government would go that far!!	2/19/2022 1:34 PM

27831	Fuck turdeau.	2/19/2022 1:34 PM
27832	I think the lack of fair coverage by msm has effected me the most. I had to leave my book club because everyone against the convoy are negative and aggressive about it which is horrible for my mental health and feelings of safety. I know some outliers are behaving inappropriately, but most of those people are wonderful people and don't deserve what Trudeau is doing to them. I've never seen so much anger between people in Canada before and the rhetoric from the liberal party is only making things worse. I think it's Trudeau who is causing the damage and I don't want to see what happened in Oka happen to the convoy members either! This emergency act is unprecedented. He needs to listen and serve ALL Canadians without polarizing them and without bias. He is a PUBLIC SERVANT. If he cannot act like a responsible adult then he needs to be removed from office and all of the unlawful fines against the convoy members should be forwarded onto him because it's his fault that this convoy hasn't dispersed.	2/19/2022 1:34 PM
27833	It has not effected my life at all, it's provided some hope.	2/19/2022 1:34 PM
27834	Given us hope	2/19/2022 1:34 PM
27835	It gave us hope for a brighter future and that we are not the minority as the government keeps trying to lead us to believe	2/19/2022 1:34 PM
27836	Not at all	2/19/2022 1:34 PM
27837	It has been encouraging for me to see like minded people rallying together for our freedoms and rights to be given back to us. To allow us to make our own decisions. Bravo for the truckers.	2/19/2022 1:33 PM
27838	Giving hope, opened eyes to how corrupt the system is.	2/19/2022 1:33 PM
27839	Gives Hope and a Clear sense of direction to HOW people are being manipulated and being Forced into these illegal Rights to Freely choose	2/19/2022 1:33 PM
27840	Im inspired	2/19/2022 1:33 PM
27841	Gave me hope Canada can continue as a free country. Resist everyone. Your way of life is at stake. These truckers are real heroes.	2/19/2022 1:33 PM
27842	Not what so ever not as much as the mandates	2/19/2022 1:33 PM
27843	Shelves empty but happy those stand up for our freedom	2/19/2022 1:33 PM
27844	It hasnt	2/19/2022 1:33 PM
27845	Not much but it shows Canada that the people are frustrated for not being listened to.	2/19/2022 1:33 PM
27846	I am glad for these peaceful truckers who are here to give there thoughts on these ridiculous mandates that clearly do not work. So they have not effected my life in a negative way but uplifted my faith that there are still really good people on this earth that are ready to save this world.	2/19/2022 1:33 PM
27847	It has positively affected our lives as the world wakes up	2/19/2022 1:33 PM
27848	It's given me hope	2/19/2022 1:33 PM
27849	It hasn't	2/19/2022 1:33 PM
27850	Lots of division of co workers and friends. Very little actual results from the convoy itself. Poor representation of Canada on the world scene.	2/19/2022 1:33 PM
27851	It gave me hope for a return to life pre-covid	2/19/2022 1:33 PM
27852	It was beautiful to watch the unity between different people and races all around! It brought tears to my eyes to watch! It really bothered me to see the news twist it calling it destructive and dangerous (with no live video) it watch tons of live video of the unity and peace!	2/19/2022 1:33 PM
27853	It hasn't really	2/19/2022 1:33 PM
27854	Made me realize how corrupt our federal government is and our media	2/19/2022 1:33 PM

Canadians vote on Canadian Mandate - February 2022

27856	Minimally	2/19/2022 1:33 PM
27857	It has not affected me. It is annoying that they are honking the horns, at all. If Trudeau wasn't a coward and actually SPOKE to all Canadians, about meeting our needs, this would not be necessary. He is hiding. Meanwhile businesses and individuals are going bankrupt!!!! Meanwhile? Even with three vaccinations I csn STILL get Covid. I just won't die. So what's the point of ruining businesses. What's the point of forbidding us from continuing our lives? What's the point of having multitudes of people on welfare and unemployment. What's the point of threatening to forbid people from working? Cloth masks and N95 do NoT stop viruses! Facts.	2/19/2022 1:33 PM
27858	I felt that finally millions of Canadians would finally have a voice and our politicians would be open to a conversation involving the thousands of Drs. and medical scientists who have known for a year great strategies re the virus and effective early treatments which would save lives. Omicron is our exit strategy. I have felt hope, enormous pride and heartbreak all at the same time as I watch our once great country succumb to tyranny.	2/19/2022 1:33 PM
27859	Encouraged me	2/19/2022 1:33 PM
27860	At least someone is fighting for us. Trudeau the Turtle doesn't give a crap about Canadians	2/19/2022 1:33 PM
27861	They're giving me hope. We need Trudeau out.	2/19/2022 1:33 PM
27862	It has restored some faith in humanity	2/19/2022 1:33 PM
27863	It gave me hope when I thought there was none	2/19/2022 1:33 PM
27864	It is showing me that our government in charge is not handling issues correctly or the proper way. And they are just about goingbto the extreme to deal with a peaceful protest	2/19/2022 1:33 PM
27865	It has given me hope in the good of humanity and the power of love	2/19/2022 1:33 PM
27866	It's has brought me extreme joy standing proud with my fellow Canadians UNTIL the government started their rowdy behaviour!	2/19/2022 1:33 PM
27867	It has brought a renewed sense of hope in the future of Canadian citizens.	2/19/2022 1:33 PM
27868	They give me hope and I am so thankful to the truckers	2/19/2022 1:32 PM
27869	Showed me there is still hope for Canada	2/19/2022 1:32 PM
27870	At the start of it, even before they hit Ottawa, it has brought my husband and I a glimmer of hope of normal life again. And even with the police brutality going on in Ottawa right now, and seeing how people are literally holding the line now, taking some sort of gas...they aren't backing down, while remaining peaceful We also went to Ottawa a couple of weekends ago...IT WAS THE MOST AMAZING THING WE'VE EVER EXPERIENCED! The love, the unity, the peace, complete strangers showing every love and support. We literally didn't see ONE "bad" thing going on there. And the way this has brought Canadians, and so many people from around the world together, is indescribable!!! ♥ 🇨🇦	2/19/2022 1:32 PM
27871	Finally people are sticking for Canadians. They should not have been honking continuously but besides that, what else could they do to make the govt listen. I am actually a liberal voter normally. Voted conservative for the first time ever in the national election because the language the liberals use is so mean and dividing. I applaud the convoy for its peaceful protest on Parliament Hill	2/19/2022 1:32 PM
27872	Gave me hope and joy	2/19/2022 1:32 PM
27873	It has given me hope that we can be free of these mandates. It has also given me a sense of pride because of the way you see everyone helping out and supporting each other without discrimination.	2/19/2022 1:32 PM
27874	It has given me hope that all these mnadates will end.	2/19/2022 1:32 PM
27875	N/A	2/19/2022 1:32 PM
27876	It has given me hope that the corrupt mandates will end and the corruption and the corrupt politicians will be shown for what it is. Criminal!!	2/19/2022 1:32 PM
27877	It has given me hope in this country and the people !	2/19/2022 1:32 PM

27897	Gives a feeling of hope	2/19/2022 1:32 PM
27898	It brings unity and so many positive emotions that I never felt during last 2 years. They are bringing the hope for Canada become great again. Peaceful protest which was demonized by current government due to his weakness as a leader, as a politician. We must move forward in love, unity, peace. Not in tyranny.	2/19/2022 1:32 PM
27899	Finally gave me some hope, let me I wasn't alone in my way of thinking and made me so proud to be Canadian for the first time in many, many years.	2/19/2022 1:32 PM

27915	It has made me feel there is hope!!	2/19/2022 1:31 PM
27916	Great for the people morale	2/19/2022 1:31 PM
27917	It's great to see these people fight for our rights n freedoms. It also reveals the evil tyranny behind the scenes controlling people, that is why the middle class is being squeezed out	2/19/2022 1:31 PM
27918	Given me hope that there is still good in the world. These people have provided hope in humanity, a show of courage and integrity and principles. I will always be deeply grateful to these individuals.	2/19/2022 1:31 PM
27919	They give me hope.	2/19/2022 1:31 PM
27920	I was proud to be Canadian. They brought the country together..all races religions genders were celebrating together as one. When I attended the freedom rally there was no violence of any kind. Unfortunately the mainstream media has lied to Canadians portraying the truckers as terrorists	2/19/2022 1:31 PM
27921	Giving us are freedom	2/19/2022 1:31 PM
27922	It's been shocking to see the kinds lies the government's are willing to tell in order to push their own agenda	2/19/2022 1:31 PM
27923	It has shown me the love around the world of all people of all walks of life sharing a need to express themselves peacefully and warmly about the affect of these mandates for two long years. The world has so much love to offer, we should be focused on that instead of distancing ourselves	2/19/2022 1:31 PM
27924	It hasnt... But why protest the mandates instead we should be protesting the cost of fuel, natural gas, electricity... Trudeaus carbon tax	2/19/2022 1:31 PM
27925	it has given me hope that the power is in the people and that eventually the gov will wake up and start taking care of us. I also want clean water for all of Canada.	2/19/2022 1:31 PM

27927	It hasn't but I'm proud of them to speak up for so many of us	2/19/2022 1:31 PM
27928	I am not well informed as to their purpose. But I do believe that for evil to triumph is that good men do nothing. I believe in peaceful order and peaceful protest. I also believe in fairness and treating others with kindness. I think we should stand for what is right, but not in a way that disrupts or harms others. And we need to be accountable for our actions S.	2/19/2022 1:31 PM

27933	Freedom	2/19/2022 1:31 PM
27934	The pm's psych ops agenda of projecting shame and removing any power over my body,health and destiny has taken a toll on me and many others. Like many other Canadians, the Trucker's Freedom Convoy, gave me hope that my country might be saved from the clutches of extremely evil people and their agenda. I felt proud to be a Canadian again.	2/19/2022 1:31 PM

28009	It's make life worth trying again	2/19/2022 1:28 PM
28010	Re-awakened patriotism. Called me to prayer and activism as a Christian and a Pastor.	2/19/2022 1:28 PM
28011	The truckers have uncovered the real dictatorship of Justin Trudeau. His inability to meet the truckers, and invoking the emergency act, shows what Trudeau says must be obeyed. At the protests, the excessive use of horses resulted on 2 elderly women trampled on! This force is excessive! The freedom convoy was movement of hope for Canadians, however, Trudeau has clearly shown he is able to trample on that hope for freedom!	2/19/2022 1:28 PM
28012	The trucker convoy has given me hope for Canada and it's people.	2/19/2022 1:28 PM
28013	Love it. Someone actually standing up for what's right.	2/19/2022 1:28 PM
28014	Made me proud to be Canadian again.	2/19/2022 1:28 PM
28015	So proud of them! And to be a Canadian. Now disgusted with Trudeau and the police enforcing a weak leader's dictatorship.	2/19/2022 1:28 PM
28016	It's brought hope, joy, happiness and unity every single day!!!	2/19/2022 1:28 PM
28017	It has given me much needed support and hope that all is not lost in this country. Go Truckers!	2/19/2022 1:28 PM
28018	Given me so much hope that the government and public health may stop these mandates that are killing us.	2/19/2022 1:28 PM
28019	I think these guys and gals are heroes	2/19/2022 1:28 PM
28020	Hasnt	2/19/2022 1:28 PM
28021	None	2/19/2022 1:28 PM
28022	Finally some excitement. I hope they start a coup d'etats	2/19/2022 1:28 PM
28023	It has started the ball rolling and the Lord has a plan to bring the dark into the light	2/19/2022 1:28 PM
28024	I support the mission that they are protesting for freedom, ie: no mandates such as masks, vaccines, and passports.	2/19/2022 1:28 PM
28025	It has been learned from experience that our government does not listen to its constituents unless something large is done. The truckers have done something large to ensure that "the fringe minority" is heard and SEEN. Not so much of a fringe minority now are they. I suppose our media better start reporting what they actually see now... instead of what they are paid to see.	2/19/2022 1:28 PM
28026	Giving me some hope that there will be a change to this terrible divisiveness.	2/19/2022 1:28 PM
28027	Not that I know of	2/19/2022 1:28 PM

Canadians vote on Canadian Mandate - February 2022

28028	Has given some sort of hope that we the people still have some sort of control left and have not given our freedoms away through laxidactical voting	2/19/2022 1:28 PM
28029	I feel being alive and protected. Those hardworking people - truckers represent kindness and justice. They gave me hope.	2/19/2022 1:28 PM
28030	It hasn't. Trudeau is affecting my life.	2/19/2022 1:27 PM
28031	Hopeful. Felt like there's a chance to get back to our free country we use to have.	2/19/2022 1:27 PM
28032	It has given me hope and pride in my country for the first time in decades	2/19/2022 1:27 PM
28033	I am not part or have taken part but am so very glad that they are there to voice my beliefs and the beliefs if our whole community.	2/19/2022 1:27 PM
28034	It has affected me indirectly with commodities not being able to move freely throughout Canada. I boldly disagree when their actions have impacted the residents of the different areas affected ie. Ottawa, Koots, Alta, Windsor, Ont. etc. Peaceful demonstration that allows their concerns to be heard without impacting local residents moving around their area & attending their work sites is our right, but not what has happened in Ottawa etc. now.	2/19/2022 1:27 PM
28035	The convoy has boosted my hope that we can carry on with a democratic life. Love the spirit and the way it has joined us all	2/19/2022 1:27 PM
28036	Gave me hope. They are doing the fight I can't	2/19/2022 1:27 PM
28037	Give me hope of freedom	2/19/2022 1:27 PM
28038	It gives me hope for freedom. I totally support peaceful protests against tyrannical government.	2/19/2022 1:27 PM
28039	Given me some hope	2/19/2022 1:27 PM
28040	Zero I wish I could join but I do need to work. I think it amazing what there doing and how the whole world responded ! It's beautiful	2/19/2022 1:27 PM
28041	Given me hope	2/19/2022 1:27 PM
28042	Didn't	2/19/2022 1:27 PM
28043	Gave me hope	2/19/2022 1:27 PM
28044	Given me hope. Increased my doubts re current Federal Government.	2/19/2022 1:27 PM
28045	It has given me hope. The organizers speak for the majority of Canadians!	2/19/2022 1:27 PM
28046	Positively	2/19/2022 1:27 PM
28047	Yea	2/19/2022 1:27 PM
28048	It has not effected my life other than provide hope	2/19/2022 1:27 PM
28049	It has given me hope that change might happen. To see how has spread throughout Canada and the world has brought so much joy. To see how the government has responded has made me cry almost everyday.	2/19/2022 1:27 PM
28050	It has given me hope	2/19/2022 1:27 PM
28051	Gave me hope that we could bring down the communist dictators in office	2/19/2022 1:27 PM
28052	It has given me hope and encouragement and shown me the power and effect of people standing together in unity peaceably fighting for their rights.	2/19/2022 1:27 PM
28053	Very inspiring	2/19/2022 1:27 PM
28054	"Trucking convoy" is standing for abolishing unlawful "health" mandates. They are doing the job, that should have been done by law watchdogs, Civil law and rights institutions and consumer rights organizations in Canada. I support rights to peaceful protest.	2/19/2022 1:27 PM
28055	None	2/19/2022 1:27 PM
28056	It hasn't. Other then the fact that they are being our voice to end these ridiculous mandates	2/19/2022 1:27 PM

Canadians vote on Canadian Mandate - February 2022

28057	Gives me hope!!! Brings out the true freedom fighter in me!...has given me a love for ppl I didn't have before	2/19/2022 1:27 PM
28058	It's really opened my eyes to what our government is capable of despite so much opposition. Also, how JTrudeau has used his power for himself and not the freedoms of all Canadians	2/19/2022 1:27 PM
28059	It has not affected me in anyway except for realizing how our freedoms have been pulled from us little by little	2/19/2022 1:27 PM
28060	Yes	2/19/2022 1:27 PM

28065	Shine a light on the hypocrisy and arrogance of the government	2/19/2022 1:27 PM
28066	Profound stress	2/19/2022 1:26 PM
28067	Brought a wave of hope, joy and encouragement knowing there are so many who hold my same beliefs and are bold enough to stand for Canadian citizen's rights and freedoms. Had hope that our country would break free from Trudeau's overbearing and communistic ambitions and approach. Was sad but not surprised to see how it was so obviously misrepresented by Trudeau and the Canadian media. Though USA media such as Fox News sees what's going on.	2/19/2022 1:26 PM
28068	It has brought so much hope into it. Seeing all these guys stand up for what's right makes me so proud to be Canadian	2/19/2022 1:26 PM
28069	I think they made our voices heard by the majority of the government but one I believe this is Justin Trudeau's fault he could have came out and talked to the people out there and maybe a resolve this faster	2/19/2022 1:26 PM
28070	Gives me hope	2/19/2022 1:26 PM
28071	Given me hope and more courage	2/19/2022 1:26 PM
28072	Given me hope that I am not alone and that the combined voice has been heard even if ignored by the federal government.	2/19/2022 1:26 PM
28073	Yes !! In the most positive and uplifting way!! Restored some faith in humanity and unity in our country.	2/19/2022 1:26 PM

28077	It hasnt	2/19/2022 1:26 PM
28078	By delaying needed items that were shipped across the border from the US.	2/19/2022 1:26 PM
28079	They have given us hope that the mandates will end and that we will be freedom	2/19/2022 1:26 PM
28080	Gave me hope	2/19/2022 1:26 PM
28081	Brought a sense of unity and hope.	2/19/2022 1:26 PM
28082	It's given me and my family a sense of hope. That we can see a free world again. One that's not waiting day to day to see what we're allowed or not allowed to do at that moment. It's given me a sense of unity to see the people come together again, show love and kindness again, sooooo much support. I was in tears seeing so many and learning their stories and the hardships they've endured.	2/19/2022 1:26 PM
28083	I'm proud to call them fellow Canadians regardless what the politicians refer to them as.	2/19/2022 1:26 PM
28084	Its pretty much taken over my life but for the hope of Freedom	2/19/2022 1:26 PM

Canadians vote on Canadian Mandate - February 2022

28085	I wish I could be there	2/19/2022 1:26 PM
28086	Given me hope for my future and my son's future.	2/19/2022 1:26 PM
28087	I admire the convoy but feel it is time to leave.	2/19/2022 1:26 PM
28088	Gives me hope for freedom again	2/19/2022 1:26 PM
28089	Have the hope	2/19/2022 1:26 PM
28090	Shut down windsor businesses.	2/19/2022 1:25 PM
28091	Given hope to see an end to these mandates.	2/19/2022 1:25 PM
28092	It gave me hope. Now it makes me sad that these people can't have their (our) voices heard and are being hurt. It's a sad day when a man can't even have a conversation with the people of Canada. How embarrassing. The world is watching.	2/19/2022 1:25 PM
28093	They brought happiness and love back to the world , brought most Canadians and other countries together. A lot more then any politician.	2/19/2022 1:25 PM
28094	Nothing	2/19/2022 1:25 PM
28095	Depression, anxiety separation of family n friends. Ppl taking sides with little to no compassion for others opinion.	2/19/2022 1:25 PM
28096	The convoy had given me a sense of patriotism. I say GO Canada! The convoy is in no way negatively impacting my life, I stand up for the those in the convoy as they fight (peacefully) for our freedom.	2/19/2022 1:25 PM
28097	Gave us hope.	2/19/2022 1:25 PM
28098	I feel for both sides	2/19/2022 1:25 PM
28099	Gave me hope that things would change and get back to normal have nothing but praise for our brave truckers that freely gave of their time and money , not just for themselves, but for all Canadians	2/19/2022 1:25 PM
28100	It has made me aware that there are other issues going on in our country that need to be addressed. I don't agree with what all has happened or that the convoy is being blamed for all the fringe groups that joined with their own own agendas. I really do NOT agree with Trudeau's overly strong arm tactics and name calling! Shame on him!!! He is not behaving very Canadian!! I have found his attitude towards the convoy and our fellow Canadians to be very distressing. I have been both shocked and reduced to tears from recent events in the news media (lady with a walker trampled by a horse because Trudeau pushed the police into confrontations to remove protesters). I am 71 and as 'real Canadian' as it gets. I don't recognize our country any more. :(2/19/2022 1:25 PM
28101	Inspiration, hope, truth of freedom, revealing our Totalitarian Government	2/19/2022 1:25 PM
28102	Not at all	2/19/2022 1:25 PM
28103	Gave hope that many are waking up to the danger of our governments over reach over the past 2 years	2/19/2022 1:25 PM
28104	They make me feel like I am not the only person that doesn't want to be controlled by Trudo!	2/19/2022 1:25 PM
28105	Minor imposition	2/19/2022 1:25 PM
28106	Given me hope and a feeling that there are still some people who are not hypnotized and will stand up for all Canadians rights and freedoms.	2/19/2022 1:25 PM
28107	It gave me hope.	2/19/2022 1:25 PM
28108	Yes!! In a very positive way. They gave me hope when times are so dark.	2/19/2022 1:25 PM
28109	Brought hope back	2/19/2022 1:25 PM
28110	Proud of the truckers	2/19/2022 1:25 PM
28111	Not at all. I am enjoying the trucks and the freedom they bring us. Go Truckers.	2/19/2022 1:25 PM
28112	I support them	2/19/2022 1:25 PM

28114	It's given me hope	2/19/2022 1:25 PM
28115	No. There were shortages before this FREEDOM CONVEY began. I was prepared for this.	2/19/2022 1:24 PM
28116	Very little in the grand scheme of our freedom back.	2/19/2022 1:24 PM
28117	Not at all	2/19/2022 1:24 PM

28120	In a good way	2/19/2022 1:24 PM
28121	It has given me hope that I am not the only one fed up with the way our government has treated us	2/19/2022 1:24 PM
28122	No	2/19/2022 1:24 PM
28123	We all were happy that we could feel Canadian again, yet that was short lived.	2/19/2022 1:24 PM
28124	Gave me a bit of hope in our country again after all was lost thanks to trudeau.	2/19/2022 1:24 PM

28134	It gives me hope. I don't feel alone.	2/19/2022 1:24 PM
28135	It's not	2/19/2022 1:24 PM
28136	Provided hope until the PM sought to enact the Emergencies Act.	2/19/2022 1:24 PM
28137	Brought attention to the truth.	2/19/2022 1:24 PM
28138	It has brought me a little bit of hope for the first time in 2 years.	2/19/2022 1:24 PM
28139	It has given me hope and unity! I am so proud of the freedom fighters and wish I could join them ♥	2/19/2022 1:24 PM
28140	I went to Ottawa for the first 3 weeks and spent the last 2 days entering Ottawa with the truckers. The love for Canada was so intensely clear. God Bless all the men, women, and children who stood for HOURS in the bitter cold to honour all the truckers and us small car support system. We prayed with truckers, we searched for truth, and deciphered what was right and wrong.	2/19/2022 1:24 PM
28141	Realize the privilege in Canadian society	2/19/2022 1:24 PM
28142	I has given me hope! It has increased Canadian love and fellowship. It has united east to west.	2/19/2022 1:24 PM
28143	No affect	2/19/2022 1:24 PM
28144	Listening to the lies the government paid (taxpayers) legacy media is disturbing and troublesome. It has confirmed that Trudeau is a tyrannical dictator schooled by Klaus Schwab.	2/19/2022 1:23 PM
28145	It's given me hope in our future and shown me the kindness of humanity that I thought was long gone since the mandate was implemented	2/19/2022 1:23 PM

Canadians vote on Canadian Mandate - February 2022

28146	Gave me back hope	2/19/2022 1:23 PM
28147	They give me hope for freedom and up lift my life for the better ...God will prevail	2/19/2022 1:23 PM
28148	It's given me hope and pride but the actions of our Prime Minister and Police force have me very worried that we are heading into a communist society and dictatorship.	2/19/2022 1:23 PM
28149	It hasn't	2/19/2022 1:23 PM
28150	Gave me hope	2/19/2022 1:23 PM
28151	Made me proud	2/19/2022 1:23 PM
28152	They give me hope to have back my freedom	2/19/2022 1:23 PM
28153	It has given me a new hope in humanity that others think as we do about having our rights & Freedoms being taken away. This is a dangerous threshold we are on now. It also makes it so obvious that Main-stream Media distorts the truth so bad, which has caused more division. Our Prime Minister is running down Canadians w/ views that are unexceptable to him. He states that I am a racist, misogynist, white supremacist???? Really! I am a woman by the way. Why do we need mandates for a vaccine that clearly doesn't work. I know more vacted people who got sick w/ covid & more severe then the unvacted people I know. The unvacted that had covid did not get it a 2nd time when exposed to it after, their natural immunity is clearly working. The Convoy has brought together so many people who are truly aware of Trudeau's Ultimate plan for Canada. He will destroy it. It all about The Great Reset	2/19/2022 1:23 PM
28154	I fully support the Truckers	2/19/2022 1:23 PM
28155	It has given me hope. Joy. It has given my kids hope. I felt united, love, felt the love and unity of Canada. My children felt hope. The lies on mainstream media and lies by liberals was hurtful. Calling it terrorist, racist, you name it. I felt utterly rejected, silenced, gas lit by many relationships, people, communities, excluded from participating in many things. I was at my breaking point and crying most days before the convoy. I just could not sustain or hang on anymore. I was on the verge of a breakdown. I called it the Covid wall. The trucker convoy made me feel like I mattered, I was a person, I was valued, that there was hope, that someone would listen, stand up. I watched livestreams and felt such a connection of love with all the people there. I was moved to tears and felt there was a light at the end of the tunnel and felt hope. Seeing the horrific response from government has been upsetting. They had productive suggestions, world renowned scientists willing to discuss, who invited dr tam to debate and discourse. Our government has then subsequently smeared them, violently attacked them peacefully assembling and tried to crush them. And crush and destroy the lives of the truckers. Horrific. Horrifying and heartbreaking beyond belief. I am broken-hearted and grieving for our country. Even more so- to hear hateful comments from other Canadians who have differing opinions which they are entitled to but who are spewing insane propagandist lies that contradict the truth if one watched a live stream or attended in person. There are still those that blame the unvaccinated and their remains deep division and I blame Justin Trudeau's hateful rhetoric, the divisive mandates and health policies and the public comments and statements about the unvaccinated. Canadians were divided and they have been told for the last year and a half who to blame - the unvaccinated. The damage is profound.	2/19/2022 1:23 PM
28156	They have become our voice of reason. Brave man, woman and their children peacefully speaking out and showing the world we need to stand up for our freedom to choose and end government over reaching tyrannical control.	2/19/2022 1:23 PM
28157	Gives me hope.	2/19/2022 1:23 PM
28158	Not being able to visit my dying mom! My grandchildren forced to be muzzled and not allowed to be children! Myself with severs asthma, forced to wear a mask! When the truckers freedom convoy began and hundreds of videos appeared on Facebook, it renewed so much hope for Canada, and now with the governments actions, I'm ashamed to call myself a Canadian! My family came from the old country, Ukraine, and I grew up with stories of communism. Trudeau must go!	2/19/2022 1:23 PM
28159	Full support. The government responce has made me ashamed to be a Canadian.	2/19/2022 1:23 PM
28160	Not affecting my life	2/19/2022 1:23 PM
28161	Waste of tax payer dollars.	2/19/2022 1:23 PM

28162	I was given hope as they drove down the highway. My family went out to a bridge with a sign and waved them on. I went downtown Ottawa to celebrate my mother's birthday at the Westin hotel. The truckers salted the road at my mother's feet and helped her across the street. There was a sense of joy and love. It was easy to get to the downtown core and I was surprised by how many businesses were open. They were all doing very well for themselves with all the extra people downtown. I have never felt so safe on the streets of downtown Ottawa and lived there most of my life.	2/19/2022 1:23 PM
28163	Given me hope in humanity	2/19/2022 1:23 PM
28164	They have not affected my life . They have given me hope that maybe I will be free again!	2/19/2022 1:23 PM
28165	Not a dammed thing	2/19/2022 1:23 PM
28166	The trucker convoy has given me renewed hope. They are standing for what I believe is right. I am extremely impressed with the love they have shown to Canadians! I am extremely impressed with their peaceful approach in dealing with this provocative government of Canada! I am following the "True news" about the truckers' convoy closely. I support them in their cause and in the manner in which they have conducted themselves. They have set before the Canadians a model of love, peace and unity! May God bless those truckers!	2/19/2022 1:23 PM
28167	They have affected my work due to shipping.	2/19/2022 1:23 PM
28168	Proud of them.	2/19/2022 1:23 PM
28169	It has given me more hope for my country! I'm very grateful for what they have been doing.	2/19/2022 1:23 PM
28170	There is now much more unity in Canada and even around the world thanks to the convoy. I feel proud of the regular Canadian population. But embarrassed of our government.	2/19/2022 1:23 PM
28171	Hasn't so far	2/19/2022 1:23 PM

28178	Given our whole family hope!	2/19/2022 1:22 PM
28179	It hasn't affected my life.	2/19/2022 1:22 PM
28180	I feel they are heroes out there for us professing need for return of our freedoms. Desplicable way our leader has hidden from Canadians and created a problem unnecessarily	2/19/2022 1:22 PM
28181	Given hope to a situation that had none.	2/19/2022 1:22 PM
28182	Gives people hope & brings unity.	2/19/2022 1:22 PM
28183	Gave me hope	2/19/2022 1:22 PM
28184	It improved my sense of hope immediately. As a RESIDENT OF OTTAWA, I fully support the Convoy, and I was extremely happy to be in the protest. It was a major boost for my mental health.	2/19/2022 1:22 PM
28185	I'm proud of those men and women , showed me what kind of country we are living in !! Not democratic/ tyrannical!!	2/19/2022 1:22 PM
28186	It has given me hope for my children to have their normal life back	2/19/2022 1:22 PM
28187	A lot in a good way I support their cause	2/19/2022 1:22 PM
28188	In a positive way. They are fighting for our freedom. And i went to Ottawa to see for myself ..nothing but peace, love and smiles. The media is telling all lies.	2/19/2022 1:22 PM
28189	It's restored hope & faith in Canadians.	2/19/2022 1:22 PM

Canadians vote on Canadian Mandate - February 2022

28190	Affects my day to day at work, lots of people living in fear due to government announcements causing people to react negatively towards each other out of fear.	2/19/2022 1:22 PM
28191	Hope	2/19/2022 1:22 PM
28192	I just wish me health would have allowed me to go downtown to show my solidarity. The politicians' negative reactions to the convoy has just made be despise them even more.	2/19/2022 1:22 PM
28193	It hasn't.	2/19/2022 1:22 PM
28194	It gave me hope we could be heard but our Prime minister has proven he would rather use tyrannical measurements to crush Canadian citizens.	2/19/2022 1:22 PM
28195	They have affected my life in a positive way they have done more positive things than anyone else! Brave people fighting for freedom!	2/19/2022 1:22 PM
28196	They have shown how many Canadians disagree with mandates	2/19/2022 1:22 PM
28197	Gave me hope to regain my freedom that has been taken away for the last two years. Also gave hope to people around the World.	2/19/2022 1:22 PM
28198	It hasn't. True convoy participation was peaceful and good intention.	2/19/2022 1:22 PM
28199	given us hope, people are fed up, this needed to be done	2/19/2022 1:22 PM
28200	I feel for them! It is ridiculous that these mandates are imposed on them in this time of the pandemic. Has followed it from the beginning to the end. Hope that there will come an end to the mandates. I am not sure if it was the right thing about how far the protestors went with regards with staying in the streets so long.	2/19/2022 1:22 PM
28201	I was glad that someone was having courage to take a stand for freedom, and glad to see the support they received across the country. I think it gave us all hope and made us stand together as Canadians once again. I was very dismayed that the Government did not give them the respect they deserved nor an opportunity to speak. I was very disappointed in the biased and misleading coverage by legacy media. And most of all I was disappointed in the Prime Minister's lack of leadership and his over reaching decision to use this extreme act which was completely uncalled for. Hope has now been replaced by shock and fear for the future in many Canadian hearts. All Canadians want is to live in the freedom fought for and won by our forefathers.	2/19/2022 1:22 PM
28202	It hasn't affected it except by giving us hope that there are others who feel unheard and we were so hoping Trudeau would listen to them and us and make a plan forward with the mandates and our everyday life which of course has not happened.	2/19/2022 1:22 PM
28203	It's made me realize that we aren't alone	2/19/2022 1:22 PM
28204	Brought inspiration and hope back into my life	2/19/2022 1:22 PM
28205	Highly encouraged me, they represent the Canada I like, they show how evil governments (plural!) are	2/19/2022 1:22 PM
28206	It had given everyone in my day to day life the strength to be themselves again everyone is happier because of it. It is awesome	2/19/2022 1:22 PM
28207	Made me see how corrupt this liberal government really is and that main stream media can't be trusted to report the whole truth	2/19/2022 1:22 PM
28208	Offers hope	2/19/2022 1:22 PM
28209	It gave me joy and hope. It surprised me in their courage and commitment to love, family and country. It's selfishness determination for others, family and country exposed the lies that have been forced upon us.	2/19/2022 1:22 PM
28210	Gave me hope for accountability	2/19/2022 1:22 PM
28211	Inspiring	2/19/2022 1:22 PM
28212	Caused incredible division and hate.	2/19/2022 1:22 PM
28213	Hope. Hope. Hope. Hope.	2/19/2022 1:22 PM

Canadians vote on Canadian Mandate - February 2022

28214	It's brought me hope that maybe we can return to a Canada that I can be proud of again.	2/19/2022 1:22 PM
28215	Positively. It has given me hope.	2/19/2022 1:21 PM
28216	It has put hope for Canadians to show that we want freedom and we hate what our immature pm has no right to take our freedom and because of the police I can't go to Quebec they have it all blocked off	2/19/2022 1:21 PM
28217	The trucker convoy gave me hope that the prime minister would listen to the voice of the people but he didn't. He just called the people fighting for the rights all kinds of names like racist extremist Nazis Confederates such a disgrace and a disappointment . Convoy of trucks has give me confidence to email government officials who aren't listening to hear the cry of the people. It made my heart rejoice again to see people loving each other and loving those around them. I have a son and daughter-in-law in Ottawa sending video clips of what was happening peaceful people singing the Canadian national anthem. Showing love to police officers shoveling sidewalks picking up garbage. The inconvenience that it might have caused an Ottawa is a small price for freedom way to go truckers you've made me proud and my joy is coming back to be a Canadian. I hope the government realizes the gravity of what they're doing.	2/19/2022 1:21 PM
28218	It hasn't. It's given me hope!	2/19/2022 1:21 PM
28219	It hasn't, I live in BC. It has made the gov't more aware that people are fed up with the way they have handled this cov'd. I support them 100%. Unfortunately the gov't is hiding behind closed doors instead of facing them and listening to their complaints.	2/19/2022 1:21 PM
28220	It brings me hope and I am relieved to see how many people are also appalled by Justin Trudeaus Actions.	2/19/2022 1:21 PM
28221	Disappointed	2/19/2022 1:21 PM
28222	Great seeing Canadians get together finally	2/19/2022 1:21 PM
28223	It's made for a more positive way of thinking and given hope to my family.	2/19/2022 1:21 PM
28224	Negatively in the sense that the government is not doing what's best for the people and instead lining their pockets	2/19/2022 1:21 PM
28225	It hasn't	2/19/2022 1:21 PM
28226	They are standing up for the right things. They have been peaceful. They have been graceful. They have been willing to go home as soon as the mandates are dropped. They have brought hope to this dark time as a country.	2/19/2022 1:21 PM
28227	Hasn't affected my life yet	2/19/2022 1:21 PM
28228	I have on more than one occasion not been able to get supplies at the grocery stores due to the trucker convoy blocking transport of goods and costing the government. They are misinformed and being supported by too many white supremacy, violent and organizers who stay in hotel rooms. Send the organizers to jail and send the truckers home!!! I DO NOT SUPPORT THE TRUCKING CONVOY	2/19/2022 1:21 PM
28229	Uplifting hopeful and seeing just how the government is just what was thought all along	2/19/2022 1:21 PM
28230	Has given me hope	2/19/2022 1:21 PM
28231	It has given me hope	2/19/2022 1:21 PM
28232	I find it uplifting and positive. I want my rights back.	2/19/2022 1:21 PM
28233	Uplifting and so proud of them	2/19/2022 1:21 PM
28234	Hopeful	2/19/2022 1:21 PM
28235	Only to feel encouraged.	2/19/2022 1:21 PM
28236	It hasn't. If I didn't have a bad back and was 20 years younger I'd join them.	2/19/2022 1:21 PM
28237	It has brought my spirits up	2/19/2022 1:21 PM
28238	It gives me hope to see there are people in this nation that will stand together for truth and want to see our nation go back to its founding principals of freedom.	2/19/2022 1:21 PM

Canadians vote on Canadian Mandate - February 2022

28239	Feel like they gave me hope	2/19/2022 1:21 PM
28240	Gave me hope that maybe the government would listen; it united so many Canadians which our government failed to do with its divisive politics	2/19/2022 1:21 PM
28241	Provided some hope to see the end of dehumanizing restrictions. To see hard working Canadians coming together for a common purpose	2/19/2022 1:21 PM

Made me feel like I'm not alone	2/19/2022 1:21 PM
28246	They are standing up for all of the people. I applaud them! I stand with them! I watch and listen daily on telegram and pray for them	2/19/2022 1:21 PM
28247	Brought hope back	2/19/2022 1:21 PM
28248	Makes me proud to be a Canadian again	2/19/2022 1:21 PM
28249	Given hope	2/19/2022 1:21 PM
28250	The trucking convoy is a great cause and i support it. the mandates by the government has affected family members as they are no longer able to take longer loads for trucking meaning less money they are able to bring home to support their families.	2/19/2022 1:21 PM
28251	Has given me hope	2/19/2022 1:21 PM
28252	.	2/19/2022 1:21 PM
28253	Gives my hope	2/19/2022 1:21 PM
28254	We were hoping that the PM would listen to the citizens	2/19/2022 1:21 PM
28255	Not so much	2/19/2022 1:21 PM
28256	Made me happy to see people are making a stand to the bullying of this government	2/19/2022 1:20 PM
28257	Not at all I am fully supporting the trucker convoy that is our only hope for freedom up	2/19/2022 1:20 PM
28258	It gave me hope mandates would drop.	2/19/2022 1:20 PM
28259	Not at all	2/19/2022 1:20 PM
28260	They made their point should have left. Lots of hate.	2/19/2022 1:20 PM
28261	They are standing up for our freedoms peacefully while police have arrested peaceful protesters , run over others with horses, people have been given fines for having a Canadian flag in their possession	2/19/2022 1:20 PM
28262	Made me proud to be a Canadian.	2/19/2022 1:20 PM
28263	Not affected.	2/19/2022 1:20 PM
28264	N/A	2/19/2022 1:20 PM
28265	It has restored my hope and faith in humanity.	2/19/2022 1:20 PM
28266	Has not	2/19/2022 1:20 PM
28267	Gave me hope that normal life will return	2/19/2022 1:20 PM
28268	No affect other than providing some measure of hope to ending all of the nonsensical mandates	2/19/2022 1:20 PM
28269	Given hope	2/19/2022 1:20 PM
28270	I made me smile. Proud that Canadians were standing up for other Canadians. Happy to see it	2/19/2022 1:20 PM

Canadians vote on Canadian Mandate - February 2022

was a very PEACEFUL demonstration. And happy to see that our prime minister was proven wrong, it's not a small Fringe group. I hope he cringes every day for his stupid comments

28271	Given hope.	2/19/2022 1:20 PM
28272	It's not at all they are standing up for us who r stuck at home working or not working	2/19/2022 1:20 PM
28273	It sure hasn't hurt my life. Having Canadians brave enough to stand up for what they believe for themselves and all Canadians is powerful. It would not have happened if Trudeau took the time to stand in their shoes & listened. But he is stubborn and aggressive & narcissistic	2/19/2022 1:20 PM
28274	It has given me hope and helped me realize that there are far more Canadians who are willing to stand up for freedom than I had realized.	2/19/2022 1:20 PM
28275	I really admire the truckers and pray for them every day! They are trying to make our country free again!	2/19/2022 1:20 PM
28276	It has given me hope.	2/19/2022 1:20 PM
28277	Created divisions	2/19/2022 1:20 PM
28278	It hasn't affected my life at all, I am in BC, but I am so proud of our truckers and very grateful to them for all that they are standing for and supporting all Canadians who are awake and can see what will happen if we don't take a stand. Unfortunately it turns out most of the people in my world are still asleep and think the truckers are a bunch of unemployed yahoos with nothing better to do that be disruptive - because all they do is what the main stream media BS. Thank you for creating this survey.	2/19/2022 1:20 PM
28279	I was never so proud to be a Canadian when i saw the number of truckers that turned out. Many tears shed. It gave me hope that that we could stop this nightmare but now....i feel hopeless and full o fear.	2/19/2022 1:20 PM
28280	Extra stress hearing the news constantly. I support the cause but am scared of what the repercussions will be	2/19/2022 1:20 PM
28281	They have brought me hope. They have brought joy and a light at the end of a dark dark tunnel. I am thankful for the truckers.	2/19/2022 1:20 PM
28282	No direct impact on my life other than to realize more and more how corrupt is our government and not representing the population. Very very alarming situation to think Canada is no longer led by the right people. Time to fight for our freedom and the future of our children.	2/19/2022 1:20 PM
28283	Excited prayer life more love seen than ever in my life. Not trusting government	2/19/2022 1:20 PM
28284	Finally, a sense of being a true Canadian. They have shown the heart of Canada and awakened hope in this nation. I have seen unity and peace for the first time in my beloved country.	2/19/2022 1:20 PM
28285	The convoy has done nothing for me except give me hope that the people in this country finally stand up to the corruption in politics and the entire political system. A system that creates slavery in the form of middle class poverty	2/19/2022 1:20 PM
28286	Makes me happy	2/19/2022 1:20 PM
28287	It has not	2/19/2022 1:20 PM
28288	Supply chain issues	2/19/2022 1:20 PM
28289	It has given hope that citizens can make a difference	2/19/2022 1:20 PM
28290	It didn't	2/19/2022 1:20 PM
28291	It's a nationwide rally of Canadians. We needed this. Our nation needed this!!! We are not sheep!! We still have things we need in the stores. Mainstream media would like you to think shelves are bare.	2/19/2022 1:20 PM
28292	It has brought hope to so many Canadians that there might be a light at the end of this very long dark tunnel.	2/19/2022 1:20 PM
28293	Not at all where I live	2/19/2022 1:20 PM
28294	Given me some hope.	2/19/2022 1:20 PM

Canadians vote on Canadian Mandate - February 2022

28295	It has voiced an opinion that it is our right to choose what is best for our us and our families especially that the science does not justify vaccines to young people and even toddlers and present serious adverse events. The latest scandal on the FDA approval process questions the rigouresness of the approval process. This is a democracy and people have the right to ask questions.	2/19/2022 1:20 PM
28296	It gave us a sense of hope again. That we weren't the only ones out here that feel this way.	2/19/2022 1:19 PM

28307	I am embarrassed that Canada is being viewed internationally in this way	2/19/2022 1:19 PM
28308	Made me happy that someone is standing up for the common man	2/19/2022 1:19 PM
28309	It hasn't affected my life. I am all for the trucking convoy.	2/19/2022 1:19 PM
28310	Not much. Shown me there is much more support for my position than i thought to show i am not alone	2/19/2022 1:19 PM
28311	It has given me hope again. It has been a light at the end of a very dark tunnel for me. It has shown me that I am not alone in feeling the way I feel	2/19/2022 1:19 PM
28312	They give me hope for better future. I am 100% with them.	2/19/2022 1:19 PM

28314	Given hope	2/19/2022 1:19 PM
28315	Helped give us hope for a normal future, one where choice actually matters	2/19/2022 1:19 PM
28316	The trucking convoy gave me back my pride of being Canadian. It gave me back my hope for freedom and a return to normal life.	2/19/2022 1:19 PM
28317	I am in awe with their courage their integrity and stand ! I have supported them from the get go and have attended many freedom rally's and convoys to make my stand! I am deeply grieved by the treatment with this unlawful emergency measures act, bloody criminal ! Thanks for letting me share this.	2/19/2022 1:19 PM
28318	It brought hope to a very sad situation	2/19/2022 1:19 PM
28319	None at all. Brought hope back into my life	2/19/2022 1:19 PM
28320	Provided hope, a feeling of unity, love, compassion, and a realization that I'm not alone. It renewed my hope in the Canadian spirit in a significant way.	2/19/2022 1:19 PM
28321	Mainly its been inspiring to see so many Canadians with different viewpoints come together and express their distaste in our "leader" overstepping and failing to actually lead	2/19/2022 1:19 PM

Canadians vote on Canadian Mandate – February 2022

28325	Proud of their actions...trucking convoy holds the truth and expose the corruptions of various level of governments. Canadians are no longer lay back and do nothing. Canadians stand up for the truth, rights and freedoms. The is the beginning, and it has affected all over the world. When people are suppressed to the point that the evildoers can no longer get away to what they have done. People are united for the truth. Praying for God's guidance and intervention; may God be glorified.	2/19/2022 1:18 PM
28326	It has given me hope that the tide will be turned in favor of honest, hard working citizens who believe in God's law that we as individuals have the right to rule and control our homes, schools, churches, and bodies.	2/19/2022 1:18 PM
28327	I have finally felt proud to be Canadian. First time in 6/7 years I have bought anything with a Canada flag symbol. I am proud of the truckers who are fighting for my freedom! Which never should have had to be fought for anyways. This is a severe flu which we have always had and will continue to have. The world should never have been shut down! It is idiocracy! We should have always had the right to chose to wear a mask, choose who came to our homes, choose what we want in our body, choose if we are comfortable attending mass gatherings!	2/19/2022 1:18 PM
28328	I support them	2/19/2022 1:18 PM
28329	No	2/19/2022 1:18 PM
28330	Gives me hope	2/19/2022 1:18 PM
28331	It has not affected my life	2/19/2022 1:18 PM
28332	It is brought hope and pride that has been missing for two years	2/19/2022 1:18 PM
28333	Love it through and through! It gave me hope. But judging trudeau is following orders from Klaus Schwab	2/19/2022 1:18 PM
28334	Restored a bit of hope	2/19/2022 1:18 PM
28335	Peace	2/19/2022 1:18 PM
28336	Not at all	2/19/2022 1:18 PM
28337	Not at all	2/19/2022 1:18 PM
28338	It is giving me a sense of hope	2/19/2022 1:18 PM
28339	Bring hope to life! They are the nicest people you will ever meet! During this whole convoy people have been so generous, kind, sweet, caring people. They are giving us hope to give are human rights and freedom back.	2/19/2022 1:18 PM
28340	It has given a glimpse of hope, that there is still people in Canada and the world who see the the mandates and restrictions as absolutely useless and ridiculous.	2/19/2022 1:18 PM
28341	Gives me hope for our freedom.	2/19/2022 1:18 PM
28342	Hasn't	2/19/2022 1:18 PM
28343	Given much needed hope	2/19/2022 1:18 PM
28344	I see that we are not a free country. I am absolutely disgusted that none of the checks and balances that are supposed to maintain democratic ethics have worked. I have friends who are there and this is peaceful yet media slants the negativity. What a tragedy that our prime minister who the majority of Canadians did NOT vote for has lead our country to this point. I feel inspired by the people who were willing to risk it all to participate in this convoy and dismayed by the pure evil that has come from the liberal party.	2/19/2022 1:18 PM
28345	It hasn't directly affected my life. It has, however, opened my eyes to the corruption within our own government.	2/19/2022 1:18 PM
28346	It didn't	2/19/2022 1:18 PM
28347	n/a	2/19/2022 1:18 PM
28348	Hope in leadership change, change and rescue of our destroyed economy, isolation, enormous division and surviving this horrifically managed pandemic, minute belief that taxpayers still have a say and will be heard by our government eventually?	2/19/2022 1:18 PM

28415	Given me hope that Canada still supports freedoms of speech and freedom of assembling	2/19/2022 1:15 PM
28416	It has given me hope for freedom and also exposed the corruption within federal government with the onus on the PM.	2/19/2022 1:15 PM
28417	The trucker's convoy for freedom has blessed my life incredibly. Seeing likeminded citizens peacefully standing up for truth is very encouraging and has restored a glimpse of hope for humanity. It is very important for all the evil plans of the government, that have been hiding behind the lies of the mainstream media, be exposed and that the truth be proclaimed to the public. Because the government funded media is unwilling to proclaim truth, the truckers convoy is exactly what Canada needed in order to see just how many of us are unwilling to support and comply to Prime Minister Justin Trudeau's tyrannical mandates and governing.	2/19/2022 1:15 PM
28418	It has had nothing but a positive affect as I see people are thinking like me and are tired and want to take the future into there own hands	2/19/2022 1:15 PM

28421	Not at all	2/19/2022 1:15 PM
28422	Gave me hope that feeling like this, we aren't alone	2/19/2022 1:15 PM

28427	Hope and Love and unity and faith	2/19/2022 1:15 PM
28428	Finally feeling hopeful of change	2/19/2022 1:15 PM
28429	It has brought me hope that people can be loving and kind to each other. That it is ok if you want the vaccinations or not. That it is ok to want choice and your not shamed because of it.	2/19/2022 1:15 PM
28430	It's allowed me to see that I'm not alone and made me feel safe to speak up about what I believe in. Know that there are so many others out there who feel the same way I do has been really incredible. I am so grateful that people decided to band together and stand up for our freedom.	2/19/2022 1:15 PM
28431	It hasn't had any affect. I just hope it helps get our freedom back.	2/19/2022 1:15 PM
28432	it has inspired me to be more bold and to stand with others for freedom denied	2/19/2022 1:15 PM

Canadians vote on Canadian Mandate – February 2022

28435	I live in Ottawa and it has not effected my life at all other than at work. And it has only effected work because people overreacted and thought that the protest was dangerous despite it being incredibly peaceful!	2/19/2022 1:15 PM
28436	It has given me hope. I'm very thankful for those standing up.	2/19/2022 1:15 PM
28437	The supply chain issues haven't been felt much here. The only thing I've felt as a result of their nonsense has been an increase in noise from disgruntled people who just want their entitlements back.	2/19/2022 1:15 PM
28438	Gives me hope that people are willing to help others.	2/19/2022 1:15 PM
28439	It has provided me some hope	2/19/2022 1:15 PM
28440	I'd rather not say at the moment, as people close to me have been arrested standing in parliament hill.	2/19/2022 1:15 PM
28441	It has pushed the issues that the majority of Canadians are feeling into the spotlight. We are tired of the lockdowns and the nonsensical restrictions on restaurants and gyms and other activities. I applaud the truckers for their courage to pursue equality and freedom of choice for all. Its NOT about the Truckers. They just had the balls to move things forward. Its sad that a conversation between them and our PM is too much to ask.	2/19/2022 1:15 PM
28442	The trucking convoy has made me excited that Canadians have come together united in the common goal to end these insane measures.	2/19/2022 1:15 PM
28443	No comments	2/19/2022 1:15 PM
28444	I'm very happy that they keep fighting for our rights!	2/19/2022 1:15 PM
28445	It has brought forward a group of people that are hoping to bring changes to a country that has become a communist country without the permission of the people in the country.	2/19/2022 1:15 PM
28446	It brought hope and made me feel proud to be Canadian again. I have not felt that in a long time! I felt very proud to watch the convoy ever step of the way!	2/19/2022 1:15 PM
28447	Made me realize how many Canadians are unhappy and given me hope to end all mandates	2/19/2022 1:15 PM
28448	A little hope	2/19/2022 1:15 PM
28449	It gave me hope that I'm not alone in my way of thinking. I am all for vaccines but I and more for freedom of bodily autonomy. Every person should be able to decide if the vaccine is right for them in the ABSENCE of coercion And I'm thankful someone is standing up for that right- I'm saddened that a Canadian citizens right to choose what goes IN their body has to be fought for, but here we are	2/19/2022 1:15 PM
28450	It hasn't	2/19/2022 1:15 PM
28451	Gives hope	2/19/2022 1:15 PM
28452	Pride in Canadian workers	2/19/2022 1:15 PM
28453	It has given me hope and faith in humanity and shown me that there are a lot of other people who think these mandates are outrageous and should be lifted. It has also shown me the absolute abuse of power our government is capable of in regards to invoking the emergencies act and having police forces pepper spray, tear gas, and beat the people they have sworn to protect and serve after protesting peacefully.	2/19/2022 1:15 PM
28454	There was a lot of hope that this would bring a end to the stupid mandates and controlled over the people of Canada Now I can see this Liberal gov has a communist agenda to take away our freedom and distory our future. This is the beginning of the New World Order. In hands of a corrupt Eleites	2/19/2022 1:15 PM
28455	Has given me huge Hope in the working class people,	2/19/2022 1:15 PM

28457	Made me proud again	2/19/2022 1:15 PM
28458	It has not affected my life in any way.	2/19/2022 1:15 PM
28459	It has given me hope	2/19/2022 1:15 PM

28477	It made me have some hope and not feel alone.	2/19/2022 1:14 PM
28478	Not at all	2/19/2022 1:14 PM
28479	It has not. i appreciate their message - they stand for us in so many ways. It is not the convoy that has affected our lives - it is the absolutely divisive and dictatorial response to them. has he never heard of talking, mediation? no only power!	2/19/2022 1:14 PM
28480	Given me hope and restored pride in my country and people, not just in Canada, but around the world.	2/19/2022 1:14 PM
28481	It has given me hope. It is the first time since the pandemic started - I had pretty much given up hope that anything would ever change. It now seems like there is hope. Canada has pulled together like never before - and people are more caring towards eachother - in hopes this will all resume to our normal lives that we had - not become a totalitarian country. I have been ABSOLUTELY appalled at how Prime Minister Trudeau has responded to the peaceful protests.	2/19/2022 1:14 PM
28482	Gave me hope	2/19/2022 1:14 PM
28483	it gave me hope	2/19/2022 1:14 PM

28525	It has been encouraging. At least they acknowledged the science.	2/19/2022 1:12 PM
28526	It hasn't. I still 100% support them	2/19/2022 1:12 PM
28527	When the truckers finally took a stand it made me feel like I wasn't going crazy. I did see hope for our future and it made me realize that we have been handling issues wrong in this country for far longer than we should have. It's made me feel greater empathy for others with valid causes. I joined the protest for a day to see what it was really about and I saw all people young and old of different ethnicities and sexual orientations and I felt proud to be with them. It made me realize that we are not divided in the way the media makes us think we are and we are together in ways the media won't show us. The governments and Legacy Media (or whatever the hell their called) have completely lost my faith in them. I feel betrayed and insulted when I hear their lies. I absolutely do not trust the police or any other enforcement officer. I have now turned to private media outlets and in doing so I have had to spend time researching different topics because I can't be certain that what anyone is telling me is the truth. It has made me obsessed with human rights and I feel I am in a constant state of defending it. The truckers would have made an extremely positive impact but the Prime Minister and everyone who is with him is not allowing this to happen.	2/19/2022 1:12 PM
28528	Not really, but I feel they have been wronged by Trudeau and his followers. He should have faced the convoy and tried to settle this dispute	2/19/2022 1:12 PM
28529	Renewed hope	2/19/2022 1:12 PM
28530	Hope!	2/19/2022 1:12 PM
28531	It hasn't, other than them standing for my rights!	2/19/2022 1:12 PM
28532	It opened my eyes right from the start of the convoy when social media people were posting how MSM was lying to us and it started on the overpasses where I seen CBC and CTV point the Camera the way where not many people were standing and the SM post showed this and showed the thousands of people the other way, why lie to us , and yes Global did the same thing on parliament hill . Now on a daily basis they did this from parliament hill another example I watched the fence being removed from the unmarked grave by a group of veterans and about 5 minutes later the Real Annie Bergeron-Oliver came on and she said a bunch of the protesters took it down but CTV of course showed no footage and it goes on and on, so for me until Trudeau Liberals stops buying off the media, I only watch Fox News and social media	2/19/2022 1:12 PM
28533	Given us hope trudump might actually get the fuck out	2/19/2022 1:12 PM
28534	I love watching them fight for our freedoms	2/19/2022 1:12 PM
28535	Made me proud that patriots are willing to stand up against this tyrannical government	2/19/2022 1:12 PM
28536	It has given me hope and patriotism I had lost.	2/19/2022 1:12 PM
28537	Gave me hope and knowing that I'm not alone in pursuit of my rights and freedoms.	2/19/2022 1:12 PM
28538	They haven't affected your lifes yet, when Justin Trudeau and the mandates are gone. Then we will affect use and that will be awesome	2/19/2022 1:12 PM
28539	It's been amazing to see the passion for freedom. I support it 100%. The mainstream media is falsely reporting the positivity in this movement. We are all sick of the lies and our government trampling all over our human rights and committing illegal acts. He can't answer a question for	2/19/2022 1:12 PM

goodness sake. He leaves the House of Commons like a spoiled pouty child when someone asks him a question that he's scared to answer.

28540	I support it all the way. God bless them. They give us hope for the future. They allowed the world to see what Canada is about, freedom is upon us.	2/19/2022 1:12 PM
28541	Positively	2/19/2022 1:12 PM
28542	It makes me feel alive ♥	2/19/2022 1:12 PM
28543	We felt optimistic and less alone knowing the sheer numbers of people who feel as we do about regaining our rights and freedoms. The Prime Minister's dismissive and heavy-handed response to the truckers and the citizens of Canada who support them, have violated our democratic rights and left us with very little optimism.	2/19/2022 1:12 PM
28544	Given hope	2/19/2022 1:12 PM
28545	Lifted my spirits to see Canadians sticking together	2/19/2022 1:12 PM
28546	It has brought Faith and Hope back into our land. At the end of the day, Jesus has the victory.	2/19/2022 1:12 PM
28547	It hasn't	2/19/2022 1:12 PM
28548	The convoy had brought both ends of Canada together in a common goal and desire for freedoms and has and is giving hope to millions during a past 2 years of hopelessness	2/19/2022 1:12 PM
28549	A chance of hope.	2/19/2022 1:12 PM
28550	I had some anxiety about border crossing and I'm concerned about supply chain issues. I have friends in Ottawa who have complained about the noise and violence. I worry that people are just fed up with the mandates and government control of our lives and basic freedoms.	2/19/2022 1:12 PM
28551	Has given me hope , that there is still honesty and integrity left and that Canada WILL be free again	2/19/2022 1:12 PM
28552	Gave me hope!	2/19/2022 1:12 PM
28553	It has given me hope that Canada can once again be a great country. What happened to equal rights for all citizens? What happened to helping minorities? Our PM has made it okay for the majority (vaxxed) to belittle, name call, stigmatize, and slander the minority (unvaxxed). His behaviour is that of a dictator, much like his favourite country China. Our PM has divided our country and has made me feel shame to be a Canadian. The truckers have given me courage to stand up for what is right, they have given me my pride to be a Canadian back! Thank you Truckers and fellow Canadians for standing up to our tyrannical established Government.	2/19/2022 1:12 PM
28554	Made me aware of the general Canadian disapproval of the covid response and existing mandates and restrictions. Also, politicians' the crass disregard for the voice of the people.	2/19/2022 1:12 PM
28555	Gives regular Canadians a voice and feels like we are finally doing something to get the countries attention	2/19/2022 1:12 PM
28556	Positive	2/19/2022 1:12 PM
28557	Positively because of them I feel safe	2/19/2022 1:12 PM
28558	Love the unity	2/19/2022 1:12 PM
28559	Boosted my moral for Canadians. Finally they have stood up	2/19/2022 1:12 PM
28560	Given us hope, to be free again! God has given us freedom that man is taking away!	2/19/2022 1:12 PM
28561	I'm glad they are there to restore the freedom. They are not like what the media say they are there peace they are not blocking the bridges people can still get around.	2/19/2022 1:12 PM
28562	Not at all	2/19/2022 1:12 PM
28563	It gave me hope. Our Prime minister has vilified the unvaccinated and stripped them of their freedom. Seeing people stand up to his tyranny gives me hope that democracy will be restored.	2/19/2022 1:12 PM
28564	Given me hope finally. Brought millions of Canadians together. Shows love, solidarity, compassion, peacefulness among many others things. It has also woken up many of the	2/19/2022 1:12 PM

28565	It has given hope that we can correct this Tyranny	2/19/2022 1:12 PM
28566	I waved to them passing through our city and the mood in the crowd shifted to hope and excitement	2/19/2022 1:11 PM

28570	Disgrace to the country. Go home protestors	2/19/2022 1:11 PM
28571	It's given me hope finally. I applaud and support them 100%. I'm incredibly saddened by the continued oppression and overreach by our government and the actions of the police in Ottawa over the past few days. It's horrible. Disgusting. Degrading. Our prime minister has said and done damaging things to people in our wonderful country.	2/19/2022 1:11 PM
28572	With frustration how our government has dealt with it. If the government would have talked with the truckers it could have been resolved in a easy way . Also the lies and mis information of the media makes me sick	2/19/2022 1:11 PM
28573	gave me hope for freedom	2/19/2022 1:11 PM
28574	Positively! Hope has been restored. These are real people, real Canadians standing up for our freedoms. Nothing is more important.	2/19/2022 1:11 PM
28575	I started to believe in Canadians again.	2/19/2022 1:11 PM
28576	Hope our pro-communist government will be weakened or better ended	2/19/2022 1:11 PM
28577	Made it have purpose	2/19/2022 1:11 PM
28578	Its given us a glimmer of hope that we can go back to a normal life and that covid may actually be over and done with	2/19/2022 1:11 PM

28580	Feeling hopeful	2/19/2022 1:11 PM

28596	I fully support them, and with them fighting for freedom everyone's lives will be affected for the better.	2/19/2022 1:10 PM
28597	It has helped! The REP program was dropped from what I believe to be the trucker convoy. It has made feel proud to be a Canadian again	2/19/2022 1:10 PM
28598	Giving me hope ! Boosted my faith! Light in the tunnel that this will stop soon.	2/19/2022 1:10 PM
28599	It has been exciting and hopeful. Now the corruption is unveiled and we hope more people can see it. Praying for Canada daily. Also consider moving to the States if this doesn't get resolved.	2/19/2022 1:10 PM

28613	I'm Proud of them and support them.	2/19/2022 1:10 PM
28614	After a dark and endless nightmare of loneliness and helplessness finally we can feel hope and happiness again. The trucker convoy shows us, Canada and the world that we are many and we have power to overturn the deceptive evil powers that are trying to control the humankind. And this time for good!	2/19/2022 1:10 PM
28615	It has given us hope. Like the Vets who fought for our freedom so are the truckers. God bless them all.	2/19/2022 1:10 PM
28616	It has not affected me except to say that I was saddened that the PM didn't at least sit down and speak to them before he pot the EMA in place	2/19/2022 1:10 PM

28620	I have been encouraged that we have brave men and women along willing to put their lives on the line to regain our freedom which should never have been taken away and to give professionals back their voices, since when does Parliament control our medical doctors and scientists	2/19/2022 1:10 PM

28623	What convoy itself has not affected my life personally. However when it comes to the addressing of the fact and how it affects the family situation with having to listen to the nonsense that's going on through non-correct News media in contradiction to what's being shown live on other social media streams is ridiculous. This has caused some rippling effects of stress levels with the adults in our household.	2/19/2022 1:10 PM
28624	It hasn't! I have nothing but respect for the truckers!	2/19/2022 1:10 PM
28625	It has not.	2/19/2022 1:10 PM
28626	I found it disturbing to see so many misinformed people fixed in their belief that they know more than the doctors and scientists. The truckers do not speak on my behalf and I want them to butt out.	2/19/2022 1:10 PM
28627	Counting on them !	2/19/2022 1:09 PM
28628	Brought me joy, tears of happiness and excitement for a better future soon! I would be in Ottawa supporting them if the government was allowing people in to peacefully protest.. They are breaking laws from the constitutional charter of rights!	2/19/2022 1:09 PM
28629	Given me hope that there is an end to this soon. We need to live with Covid and get on with our lives. I want to live again and not just exist.	2/19/2022 1:09 PM
28630	It gave me hope so that impacts in a positive way!	2/19/2022 1:09 PM

28644	It gave me hope for this country	2/19/2022 1:09 PM
28645	I am so glad people are standing up for what is right. It has brought me hope and give me a sense of some form of unity again, despite Trudeau's attempt to divide us. As a result, our Premier removed the vaccine passport system and now I can work without discrimination and feeling like my job is on the line.	2/19/2022 1:09 PM
28646	Exciting but my blood is boiling now when I see the tyranny against them	2/19/2022 1:09 PM

28657	Gave me hope	2/19/2022 1:09 PM
28658	At first it seemed to offer hope for us in the face of a tyrannical regime, but in retrospect I can only conclude it is another psy-op carried out by said regime.	2/19/2022 1:09 PM
28659	It was a blessing and gave me hope that our country would return to freedom. To life. I witnessed peaceful assembly and protest against unconstitutional and unscientific measures that have destroyed millions of lives for every one life the government has claimed they've saved.	2/19/2022 1:09 PM
28660	They are doing unnecessary damage to the economy/jobs. Whereas the mandates were for public safety.	2/19/2022 1:09 PM
28661	Seen as a positive move	2/19/2022 1:09 PM
28662	It's amazing to see truckers and farmers fight for our freedom!	2/19/2022 1:09 PM
28663	It's showed me the media puts a spin on things. In my opinion it's peaceful protest. Canada is supposed to be about freedom. Feel we are being held hostage.	2/19/2022 1:09 PM
28664	I'm supportive of it!! Happy people are stepping up and fighting for what's right finally!	2/19/2022 1:09 PM

28720	It has been a great movement, it has given me peace, joy and most of all hope for a better future within these 4 weeks	2/19/2022 1:07 PM
28721	It has given me so much hope and joy. It has restored my faith in the people of Canada. I was becoming less depressed and returning to my old happy self knowing that we may have a chance to have our voices heard and to end these mandates. The convoy has brought Canada back together again.	2/19/2022 1:07 PM
28722	It allowed my children to be unmasked. Me and my children could return to our public pool. Allowed to eat out at restaurants.	2/19/2022 1:07 PM
28723	It has brought hope back into our lives after 2 years of oppression by the liberals. None of this made sense. Why was there no sharing of ideas like before? Why was there retaliation against anyone especially medical professionals who had a different view of all of this? This is NOT MY CANADA!	2/19/2022 1:07 PM
28724	Made me proud to be Canadian. Trudeau's actions made me feel ashamed.	2/19/2022 1:07 PM
28725	It gave me hope that the government would finally wake up and follow the will of the people. It exposed the puppeteers running our world. It is the most national unity I have seen since I arrive in 1982. It gave me hope that East-West inequality could be solved.	2/19/2022 1:07 PM
28726	It has brought hope for Canadian citizens	2/19/2022 1:07 PM
28727	Given hope that maybe Canada might survive Trudeau's idiocy.	2/19/2022 1:07 PM

28738	No negative impact. I wish more could be done to drive the point across that ALL Canadians are concerned about government overreach, and resorting to the Emergency Act is the exact OPPOSITE approach that the government should take! Trudeau should be removed from office NOW and jailed for this criminal act.	2/19/2022 1:07 PM

28764	Full support! I never liked Trudeau to begin with but i cannot believe how he has handled this. I'm not sure the liberal party will ever be able to recover from the damage he has inflicted on the country and his party. I pay more attention to politics now than I ever have before	2/19/2022 1:06 PM

28767	Giving hope	2/19/2022 1:06 PM
28768	Watching the convoy progress across the country and seeing the social media posts of all the supporters filled me with a huge sense of pride to be Canadian. And then I watched how the Prime Minister, Premiers, and other elected officials have chosen to ignore/vilify the convoy and its supporters. It made me seriously question whether the leaders of Canada actually support democracy. I have now had to completely step away from social media and news, as it was negatively impacting my mental health.	2/19/2022 1:06 PM

28779	Brought a bit of hope where my family thought there was none.	2/19/2022 1:06 PM
28780	/	2/19/2022 1:06 PM
28781	It's given me hope in Canadians again. I feel way less alone. I have absolutely zero confidence that the prime minister will be able to recover from this. Not only have the mandates affected everyone horribly, his horrible spending and inflation are making life very hard. I support this convoy because I believe it shows how strong we are united. If it breaks apart today, they'll just have to brace themselves for an bigger movement of people.	2/19/2022 1:06 PM
28782	They have Inspired me and united Canadians in such a powerful way. They give me hope that we can regain our freedoms once again	2/19/2022 1:06 PM

28785	I'm so grateful for the men, women, families and businesses who have banned together to stand up and loudly say, this is wrong. What Mr. Trudeau is doing is wrong. I stand with them.	2/19/2022 1:06 PM
28786	Non	2/19/2022 1:06 PM

28789	Given us hope	2/19/2022 1:06 PM
28790	Due to health and age, one of my only interactions with the outside world is through the media. Men and women who were prepared to stand with their colleagues and countrymen demonstrated a care and concern that reminded me of the same cohesiveness my father described of his unit during WWII. The government has made a difference amongst it's citizens which is not right. I am ashamed to think this is how they have been treated and has upset me deeply. I used to love being a Canadian.	2/19/2022 1:06 PM
28791	I see that they have made incredible progress with their peaceful protests. Interestingly, since the protests, statistics in regards to Covid have been influenced in a positive way. Cases and deaths due to Covid are somehow decreasing! Mandates have been dropped in a few provinces (though sadly not my own, in fact more mandates are being suggested that will affect even more lives). The uprise witnessed by Canadian citizens, again, is a significant indication that what is happening is absolutely beyond wrong! People are standing out against these atrocities and crimes against humanity, lawfully and albeit in a peaceful manner. The continual oppression and silencing of those who have a different option is unprecedented. We have a voice and it needs to be acknowledged just as well as any other. I am grateful for the bravery and dedication that the truckers have demonstrated to speak up for every Canadian citizen and their own rights to personal sovereignty, even for those who directly condemn	2/19/2022 1:06 PM

them! They are heroes and heroines of our time. The war we are in is a silent war, a psychological and bioweaponized war on the people of the globe. It's preposterous. The truckers have initiated a global revolution, and I am forever grateful for their courage. I see their efforts as benefiting both my life and the lives of millions of others.

28792	Yes	2/19/2022 1:06 PM

28808	Not at all. I know people who are / have participated.	2/19/2022 1:05 PM
28809	It has brought to my attention that the main stream media are lying to us. My husband drove 2700km one way to see for himself he took videos to prove. He has been changed there was much love there not ever shown on main stream media there was hugging, praying kindness togetherness which we have lost since this prime Minister took power. The prime Minister would not sit and talk with them ever. Feels like we are not worth listening to because we are blue collar workers he is better than us we are not worth listening to because we are fringe minority with unacceptable views.	2/19/2022 1:05 PM

28812	I'm proud of them for taking a stand on this communistic government who wants to control everybody's life and tell us to get vaxxed, etc. The omicron is just a cold we dont need to be vaxxed for that.	2/19/2022 1:05 PM
28813	Inspired and encouraged me to stand up for our freedoms and for democracy	2/19/2022 1:05 PM
28814	Give me a hope for justice and get back our freedom of rights.	2/19/2022 1:05 PM
28815	It has given me hope, made me feel proud to be a Canadian again, and encouraged me to also take a stand.	2/19/2022 1:05 PM

28842	Other than making transport more difficult than it already was, not at all. I am stuck inside and unable to participate in society anyway, due to these mandates, so they are free to continue until this is resolved, and then maybe I can try to rebuild relationships.	2/19/2022 1:04 PM

bleak world right now

28850	The convoy has restored pride and faith in my fellow Canadian and in my country. Where I thought all hope was lost, and all freedoms were to be lost to a power hungry tyrannical government, it has made me proud to stand with my fellow Canadians and to fight for my country and for my God given rights.	2/19/2022 1:04 PM
28851	Hasn't	2/19/2022 1:04 PM
28852	It makes me feel that I'm not alone in standing up for the freedom of our country- the reason my grandparents fought so hard to come to Canada in the 40s. Currently this is not the freedom they fought for	2/19/2022 1:04 PM
28853	It hasn't had a direct affect.	2/19/2022 1:04 PM
28854	Only positively. Great to have their support when I could not be in Ottawa	2/19/2022 1:04 PM
28855	It's giving me confidence in my fellow Canadian citizens we need are freedom back and Trudeau and his government banished. It's a joy watching this happen I wish I was in the position to go to Ottawa and support the truckers on the ground they have given up so much for us. I now longer wear a mask this is how I can support them for now. The world is watching Canada and some are following as Canada is called to heal the nation's. I know I went a bit off topic but I feel strongly about this. I don't relish being a dictatorship etc.	2/19/2022 1:04 PM
28856	People speaking out for their rights in a non violent way.	2/19/2022 1:04 PM
28857	Not at all. It only infected me with hope, joy and happiness.	2/19/2022 1:04 PM
28858	Gas prices	2/19/2022 1:04 PM
28859	There are always some who take advantage of things like this with 'evil' intentions, but all those we know who have been involved are 'normal, family friendly, peaceful' Canadians who feel like nobody has listened to concerns. The way this has been handled by our Prime Minister has been heartbreaking and media have often not shown the true story. To be called a 'fringe' and told their views are unacceptable is deplorable as we know it takes a lot for Canadians to often take a stand and say 'enough'. The convoy participants have sacrificed a lot to speak on behalf of MANY other Canadians across our wonderful country	2/19/2022 1:04 PM
28860	It gives me goosebumps and HOPE. Let me see just how many other people are feeling that I am not the only one.	2/19/2022 1:03 PM
28861	It has not	2/19/2022 1:03 PM

28866	I think it's great. Hasn't affected my life other than awareness	2/19/2022 1:03 PM
28867	It has given us all hope that this Government that is trying to take all our freedoms away will listen to the people. It has opened our eyes to see truth about the posts that be..	2/19/2022 1:03 PM
28868	Very positive.	2/19/2022 1:03 PM

Canadians vote on Canadian Mandate - February 2022

28875	I believe the message the truckers are sharing is to end the mandates and allow Canadians a choice when it comes to covid vaccines. I believe they represent a voice for our children who should not be subjected to mandates for an experimental vaccine that was approved under emergency measures. I am proud to have truckers represent my voice because I cannot voice my opinion as a nurse for risk of retribution. I disagree with the vaccine mandate. It has created a two tiered system, discriminates against those who are injured and can't meet the strict exemption criteria, I believe that since a high percentage of truckers are fully vaccinated their message is clear. Stop the vaccine mandate. The vaccine is not stopping the spread any longer. It's an individual's choice to protect themselves or not. I believe with waning efficacy that the vaccine is now useless to healthy individuals with a milder virus.	2/19/2022 1:03 PM
28876	Given me hope that something may change.	2/19/2022 1:03 PM

28954	I felt hope, I watched Canadians lining hiways with support and joy in their hearts! I have seen hours of video taken by the people for the people of a PEACEFUL protest, I have watched our "prime minister" Not have the good manners to sit a liaison with these people I have listened to him slag them with names they do not deserve... was it any wonder they went to the borders? No one was listening but they don't listen to each other either when we see the tv none of this is reported honestly they, and our government have used fear tactics throughout the last two years! You will lose your job etc. and now they invoke an act that freezes accounts that stops a peaceful protest as they walk away in said emergency before parliament even votes... these people gave us hope and our government stomped on it without ever listening to them like a bunch of cowards! Shame on our government and double shame on Justin	2/19/2022 1:01 PM
28955	It has given me hope. The trucker convoy represents patriotism and a love for the Charter of Rights. Those men and women are fighting for the foundation upon which Canada was built. We are now a police state and the only thing that may stop the government from making this Country into a permanent communist territory is those truckers and the supporters who currently stand with them.	2/19/2022 1:01 PM
28956	I am 100% behind the truckers as they fight for our freedom.	2/19/2022 1:01 PM

29039	I am proud to be Canadian again	2/19/2022 12:59 PM
29040	We've watched the hypocrisy & the unfair reporting from mainline news of them- Seeing & hearing the truckers & the protesters that support them, causes us to see that many Canadians have suffered long enough with these unnecessary mandates- they want to work and support their families & businesses. Other countries have lifted the mandates, while Canada hangs on for political gain.	2/19/2022 12:59 PM
29041	At first it gave me hope! For freedom!! Now, I'm scared for them because of the tyranny of police & military. It's criminal what's happening against peaceful protestors!	2/19/2022 12:59 PM
29042	It has bolstered hope for believing at least some people in our country are fighting back to regain Canadian citizens rights & freedoms because it doesn't seem to be our politicians or people who have the power to make changes to policies & mandates & certainly not the Prime Minister.	2/19/2022 12:59 PM
29043	It has brought hope to our lives that maybe we can stop the killing and sickening of the people in our country and the world. Maybe this horrible 'experiment' can be stopped.	2/19/2022 12:59 PM

29066	It has not affected me as much as I would have liked. I wish that I could be there, if I wasn't so busy at home I would have wanted to join in with them. I'm glad that people are stepping up.	2/19/2022 12:58 PM
29067	God bless them for what they are doing. It hasn't affected me yet but if Trudeau keeps doing what is doing there is going to be a huge problem for everyone. He wants a communist government	2/19/2022 12:58 PM
29068	It has shown me that there is a lot of good people in this country that want to stand up for what is right and just. I have never been more proud to be a Canadian because of all the love and support I have witnessed from the trucker convoy.	2/19/2022 12:58 PM
29069	Given our family hope	2/19/2022 12:58 PM
29070	The truckers convoy brought Canadian citizens together and those citizens gave a lot of people hope that they had not seen in so long. Other people that wanted to be around other people in unity and love for one another. They showed what is wrong with this country and forced the evil in parlaiment to reveal itself even more.	2/19/2022 12:58 PM
29071	Gave me a tremendous hope. I felt like we had a future. Canada could be restored to how it should be.	2/19/2022 12:58 PM

29080	Very interesting. Carry on!!	2/19/2022 12:58 PM
29081	The only way it has affected me is the government's response to the protest. I have great anxiety over the threat the government has place on my freedoms.	2/19/2022 12:58 PM
29082	Brought joy, and hope. I was moved with the unity and love I experienced when there with them and they have renewed my hope of a brighter future. Overall wellness and mood has improved since this protest began.	2/19/2022 12:58 PM
29083	From what I've heard hacking the prices of everything up which puts me in a very tough place to figure out what I can pay for bills and still eat	2/19/2022 12:58 PM

29085	hope	2/19/2022 12:58 PM
29086	I am so deeply grateful that men and women would take the time and dedication to travel great distances and stand and live in freezing temperatures, not for their own jobs, but for the restoration of the Charter of Rights and Freedoms for all Canadians. It is a testament to hope, generosity and unity that I have never seen in half a century of life. It brings goosebumps and tears of joy even today after all the weeks of solidarity.	2/19/2022 12:58 PM
29087	Hope	2/19/2022 12:58 PM

29089	Brought Hope Back For Canada!!!	2/19/2022 12:58 PM
29090	It made me realize how systemically racist Canada is. Aboriginal people have intrusive and conflictual approaches used all the time to address their much less harmful protests, where as white Canadian can literally take over the caption and still no aggression is used, like what is used on aboriginal Canadians.	2/19/2022 12:58 PM

IT HAS SHOWN ME THAT NO MATTER HOW DIFFERENT WE CANADIANS ARE, WE AREN'T THAT DIFFERENT AT ALL...WE ARE CANADIAN AND WE VALUE OUR GOD GIVEN RIGHTS. DO I AGREE WITH EVERYTHING THEY DID? NOOOO, BUT I DON'T AGREE WITH ANYTHING THESE GOVERNMENTS HAVE DONE. SO THERE'S THAT. THE TRUCKERS MADE MISTAKES, BUT THEY AREN'T "PROFESSIONALS" THE GOVERNMENTS INTENTUALLY MADE CONSIIOUS DECISIONS THEY KNEW WOULD CAUSE HATE, DIVIDE AND HARM . THE TRUCKERS EXPOSED THE CORRUPTION IN PARLIMENT. WE, THE FRINGE FEW...NAME CALLED, ACCUSED, AS parliament PLAYED JUDGEK JURRY AND CONVICTOR WITH NO TRIAL, NO JUDGE, NO CASE, NO	2/19/2022 12:58 PM

29122	Not at all. Go Truckers.And all that Stand with them.	2/19/2022 12:57 PM
29123	It hasn't and I am in support of the truckers and their peaceful protest. I am not happy with how the police are handling the situation in Ottawa right now(February 18th,2022). I think a peaceful protest is better than Civil War which is where I believe we are headed. All Trudeau had to do was speak with the people in the Convoy!!!!	2/19/2022 12:57 PM
29124	I can't say it has. I'm not 100 on what's going on, but I appreciate that there is an outcry to this marshal law	2/19/2022 12:57 PM

29148	Pride	2/19/2022 12:56 PM
29149	Very little	2/19/2022 12:56 PM
29150	We've been following the Freedom convoy through individual journalism doing live feeds. A totally different view from mainstream media. I support the Freedom of Choice and ending mandates and passports. It can still be a choice to wear a mask, social distance, etc... I for one, may choose to wear a mask in public space, that's my choice. I do take caution. I know that goes against some others views but I'm not forcing others to do it. I want an end for the vax passport to enter indoor events and to travel. We've taken twin rix in the past to attend a wedding in MX. It was our choice, not mandated. I am appalled at Trudeau's overuse of power to invoke the Emergency Act without attempting to engage in dialogue with the organizers of this huge event. His despicable language when talking about the unvaxxed and the Freedom convoy is infuriating. He won't even listen to some of his own caucus. There is no room for discussion with anyone who doesn't agree with him. He either doesn't show up or walks out like a coward. This whole thing has really brought out who our PM really is. Someone who is power hungry.	2/19/2022 12:56 PM
29151	Has given hope and a sense of unity. Also that there are a lot of people out there who have grave concerns for Canada.	2/19/2022 12:56 PM
29152	I feel I have been in chains and feel like they come off. Sad and cry because they can do what	2/19/2022 12:56 PM

29157	It's given me hope to have our country free again! I'm extremely proud of our trucker's standing up for the rest of Canada! I couldn't be more prouder watching them stand for our freedom.. PEACEFULLY! The only violence being caused at this freedom convoy is by the police and the government of Canada!	2/19/2022 12:56 PM
29158	Has given me hope	2/19/2022 12:56 PM
29159	Showed how corrupt the police service is and the government is	2/19/2022 12:56 PM

29163	It has opened everyone's eyes to the bigger picture	2/19/2022 12:56 PM
29164	Made me hopeful that we can take back the power away from the government.	2/19/2022 12:56 PM
29165	Brought joy and hope, I support them all the way. Justin needs to go. They're making the difference and fighting for our rights back. Justin should be in a jail cell!	2/19/2022 12:56 PM

29171	It has shown me that I am not alone and that as a people we can be strong and unified to fight those who threaten my rights.	2/19/2022 12:56 PM
29172	The peaceful protest has proved claims that main stream media censors . What I see happening on street vs mainstream media are 2 very different things	2/19/2022 12:56 PM
29173	It's good	2/19/2022 12:56 PM

29176	It gives me hope.	2/19/2022 12:55 PM
29177	I have friends and family involved.	2/19/2022 12:55 PM
29178	The only way it affected my life was that it gave me HOPE that there was others that had the courage and strength to start and lead a group and eventually all around our country of Canada and the globe others found their voices as well to speak up against the leaders of our countries that we were not agreeing with the way this " virus " has been dealt with and handled. The leaders of the trucking convoy are HEROES and they will forever be.	2/19/2022 12:55 PM
29179	An important moment in history to show unity and peaceful protest. It has already inspired change in Canada and the world.	2/19/2022 12:55 PM
29180	It has given some hope that this will come to an end. It raised the Canadian Patriotic spirit to new levels not seen in a long time, across a very wide spectrum of life. It has positively forced the Trudeau Government to show its true ugly intentions and reveal the TRUE ENEMY OF CANADA. It united Canadians from all walks of life and ethnicity like nothing ever seen before.	2/19/2022 12:55 PM

29181	Truckers are heroes	2/19/2022 12:55 PM
29182	Gave me hope for the first time in 2 years. But also helped me learn that Canada is not truly a free country. Am currently investigating moving permanently to another, truly free country. Canada doesn't exist anymore.	2/19/2022 12:55 PM
29183	Has brought a glimmer of hope to Canada and hopefully is waking people up to the corruption and lies Trudeau spews out of his mouth. This is our last chance for freedom	2/19/2022 12:55 PM
29184	Has given me hope for the future of our children. 😊	2/19/2022 12:55 PM
29185	Really hasn't.	2/19/2022 12:55 PM
29186	Not at all	2/19/2022 12:55 PM
29187	Not a bit. Been down there and seen how beautiful it is.	2/19/2022 12:55 PM
29188	It gave me hope and faith in the good people of Canada	2/19/2022 12:55 PM
29189	Not at all they are awesome	2/19/2022 12:55 PM
29190	It hasn't really affected my life. I have had access to what I need	2/19/2022 12:55 PM
29191	Im grateful for them !	2/19/2022 12:55 PM
29192	Has givin me hope	2/19/2022 12:55 PM
29193	Boosted my spirits and energy and hope for peace and unity.	2/19/2022 12:55 PM
29194	It hasn't because if you knew anything it's not just truckers it's all Canadians that are sick of mandates and Looseing their rights	2/19/2022 12:55 PM
29195	Hopefully end mandates and expose Trudeau for what he did and is doing. He needs to go.	2/19/2022 12:55 PM
29196	It hasn't they are in Ottawa fighting for our FREEDOM	2/19/2022 12:55 PM
29197	Been great them protecting my freedom and rights	2/19/2022 12:55 PM
29198	Gave me hope	2/19/2022 12:55 PM
29199	I have seen that Canadians are united and patriotic. The entire world admired Canada! We gave hope to the entire world!	2/19/2022 12:55 PM
29200	It's opened my eyes to the Government s lies the lies that the media are spewing all the brainwashing from our Government!	2/19/2022 12:55 PM
29201	Encouraging	2/19/2022 12:55 PM
29202	Nobody cared or listened before.	2/19/2022 12:55 PM
29203	It's given me faith in people in that people other then me recognize the lies the government tells us for their own personal agenda...example- when the government first pushed 1 dose of Pfizer telling the people we would be 95% protected against contracting it and 95% against transmitting it, we found out obviously that was total bullshit...I'm fully vaccinated and wear a mask to protect myself, this is a personal choice and everyone in Canada I thought had the freedom to choose...I'm united with the truckers for what use to be our rights and freedoms and they are standing up against lock downs....The government is so corrupt after almost destroying my friends restaurant though shut downs, Trudeau offered all businesses a interest free loan for two yrs, however 4 shut downs later and only making half profits before Covid, how is anyone going to pay in back? Half the people means half the profit not including shut downs, Trudeau knows businesses can't pay it back, all a scam	2/19/2022 12:55 PM
29204	has not ! they are protesting legally	2/19/2022 12:55 PM
29205	Gives me hope	2/19/2022 12:55 PM
29206	It has given me hope! There is still decency in this country. I had lost respect for government, police, and the public health authority. That respect is still lost especially in light of events of the past few days where peaceful protestors have been arrested and literally mowed by those who have made a vow to protect Canadian citizens.	2/19/2022 12:55 PM
29207	It brought hope	2/19/2022 12:55 PM

29217	It has not	2/19/2022 12:54 PM
29218	My job is affected by it we need transportation	2/19/2022 12:54 PM
29219	It's given me hope in the human race and what we can achieve together.	2/19/2022 12:54 PM

29222	Gave Canada a glimmer of hope in the understanding that 'we are many...they are few'.	2/19/2022 12:54 PM
29223	I personally know people from our community that went and are dealing with police backlash	2/19/2022 12:54 PM
29224	Brought me hope for the first time in 2 years	2/19/2022 12:54 PM
29225	It hasn't affected my life. It made me realize that we're not alone when it comes to this fight against tyranny	2/19/2022 12:54 PM
29226	Made me see how many people have learned how mandates/ restrictions affected many Canadian people work/ serve our country by being forced to take a trial drug they call vaccine	2/19/2022 12:54 PM
29227	It has shown me hope and faith in humanity against a government that is supposed to work for the people does not. The prime minister won't even talk, he just says get your vaccine so he can put more money in his pocket.	2/19/2022 12:54 PM
29228	They grouped together so that their voices would be heard when telling the government that we Canadians want and need the mandates to end and I am now scared of the police and what they are doing and it makes me sick to know that the violence happening in Ottawa now is being caused by the actions of these officers.	2/19/2022 12:54 PM
29229	Feel hopeful at last!	2/19/2022 12:54 PM
29230	Positive	2/19/2022 12:54 PM
29231	Happiness, peace, freedom, love. Go Canadian	2/19/2022 12:54 PM

29236	It has brought hope!	2/19/2022 12:54 PM
29237	Given me a glimmer of hope	2/19/2022 12:54 PM

Canadians vote on Canadian Mandate - February 2022

29238	It did not in any way.	2/19/2022 12:54 PM
29239	Not at all !!! Stores are still loaded with food , people are coming in with no mask and i let them , the government doesnt control me and my opinion on things , and they dont own my daughter ,	2/19/2022 12:54 PM
29240	It only spread love! But mainstream media tells us different.	2/19/2022 12:54 PM
29241	Hasnt	2/19/2022 12:54 PM

29245	Mental stress because of unfair treatment by the government	2/19/2022 12:54 PM
29246	It hasn't affected me one little bit. I can understand some people in Ottawa have been affected but not to the extreme the MSM has suggested. For certain the invoking of the EMA is a draconian overreach of monumental proportions.	2/19/2022 12:54 PM
29247	I am proud of them	2/19/2022 12:54 PM
29248	It has given me hope	2/19/2022 12:54 PM
29249	Not at all.	2/19/2022 12:54 PM
29250	-first time in two years I'm proud to sing the national anthem -first time in two years I have hope -I have cried many times tears of joy -the feeling of the restoration of humanity -love - peace -hope -faith in a greater power -community -many evil entities being exposed	2/19/2022 12:54 PM
29251	They are fighting for our freedom. The mandates in alberta were lifted after the blockade at the border. My restaurant hasn't been so busy in the last two years. I support them 100%	2/19/2022 12:53 PM
29252	Made me rather ashamed at how both sides of our government has handled this and also that such a few protesters could cause such financial harm to our country.	2/19/2022 12:53 PM
29253	It has helped draw some awareness to Canada's plight against medical apartheid and tyranny. I've noticed it expedite the removal of mandates in some provinces	2/19/2022 12:53 PM
29254	It's brought a lot more people closer together.	2/19/2022 12:53 PM
29255	Good things have improved	2/19/2022 12:53 PM
29256	They have proven to be heroes who stand up for the freedom my forefathers died to protect. They have made me feel proud.	2/19/2022 12:53 PM
29257	People are done we are fed up we want our Rights and Freedom restored The Truckers were only to make a stand for that	2/19/2022 12:53 PM
29258	I am finally proud to be a Canadian again.	2/19/2022 12:53 PM
29259	It hasn't	2/19/2022 12:53 PM
29260	Joyful happiness free living	2/19/2022 12:53 PM

29266	Gave me hope and inspiration	2/19/2022 12:53 PM
29267	Gave us hope	2/19/2022 12:53 PM
29268	Has not	2/19/2022 12:53 PM
29269	It gave me hope	2/19/2022 12:53 PM

Canadians vote on Canadian Mandate - February 2022

29270	Helped facility the removal of some mandates/restrictions so in a positive way	2/19/2022 12:53 PM
29271	None	2/19/2022 12:53 PM
29272	It doesn't represent at all what the vast majority of Canadians support. It violated the freedom and rights of thousands of Canadians lives and businesses	2/19/2022 12:53 PM
29273	The trucking convoy has given me back hope that we may one day go back to normal. Although the Trudeau government has managed to ruin many amazing friendships including within ones on family. These truck drivers and peaceful protesters are doing what in my opinion the majority of people would like to have done and that is push back on this governments abuse of power for their own personal gain.	2/19/2022 12:53 PM
29274	Hope for our freedom	2/19/2022 12:53 PM
29275	It has given me hope and made me feel proud to be Canadian again.	2/19/2022 12:53 PM
29276	There's been a rift between family members but most support it	2/19/2022 12:53 PM

29281	A lot	2/19/2022 12:53 PM
29282	Theyve given hope	2/19/2022 12:53 PM
29283	It has proven we can not trust government to act on behalf of all Canadians, to show common human decency and act in good faith. It has inspired me.	2/19/2022 12:53 PM
29284	Gave hope for an ending of mandate	2/19/2022 12:53 PM
29285	It hasnt	2/19/2022 12:53 PM
29286	Given us hope	2/19/2022 12:53 PM
29287	Slowed supplies	2/19/2022 12:52 PM
29288	Finally some hope for our future	2/19/2022 12:52 PM
29289	Brought me hope and allowed me to feel like I'm not alone. Made me believe in the Canada people again.	2/19/2022 12:52 PM
29290	It's given me hope. It's been great to see premiers from west to east develop plans to quickly lift passports and restrictions.	2/19/2022 12:52 PM
29291	Give me hope	2/19/2022 12:52 PM
29292	Supply shortage	2/19/2022 12:52 PM
29293	Given me hope that we can change things for the better of all Canadians	2/19/2022 12:52 PM
29294	Caused hope that these mandates were drawing to a close	2/19/2022 12:52 PM
29295	The convoy brought some faith to me personally. There for a while I was proud to be a Canadian again, but Trudeau and his liberal globalist's brought me back to reality. I love this country and it is worth fighting for.	2/19/2022 12:52 PM
29296	It had given me hope to get our country back to the True North Strong and Free and I thank them for taking a stand	2/19/2022 12:52 PM
29297	Not at all	2/19/2022 12:52 PM
29298	It has given me hope.	2/19/2022 12:52 PM
29299	Very little. I do not support the convoy as populism politics leaves a bad taste in my mouth	2/19/2022 12:52 PM
29300	Given me hope. A sense of Canadian community. More knowledge on how corrupt our government is.	2/19/2022 12:52 PM

Canadians vote on Canadian Mandate - February 2022

29301	Positive. Encouraging.	2/19/2022 12:52 PM
29302	I'm supporting them 120% It gave a hope to end this madness of the restrictions we all are experiencing.	2/19/2022 12:52 PM
29303	It hasn't effected it. VERY VERY BROUD OF THEM FOR STANDING UP FOR ARE RIGHT!!!	2/19/2022 12:52 PM
29304	Gave me hope. Feel united with fellow Canadians. Politicians (with their health advisers) are ruining Canada	2/19/2022 12:52 PM
29305	Gave us hope for removing all mandates	2/19/2022 12:52 PM
29306	I am sad and disgusted that the portion of Canadian society represented by this "freedom convoy" .is showing a right wing, fascist, lawless, disrespectful faction of our society.It causes me great shame and worry to think that there is a significant portion of the population that are so impacted by their own perceived needs..and have little concern for our front line workers, nurses, doctors, dying people in the hospitals they have traumatized with their incessant honking. It depresses me to see how little a portion of our society care about the whole of our country and democracy.	2/19/2022 12:52 PM
29307	Showed me that we live in a country of tyranny. Freezing bank accounts , running people over with horses , and a MINORITY prime minister that is completely out of touch with the people. 10 percent of the voters are not vaccinated they will VOTE in the next election !	2/19/2022 12:52 PM
29308	Made me proud to be Canadian! Has restored some hope that these mandates might be lifted.	2/19/2022 12:52 PM
29309	It makes me proud to be Canadian, stand up for our freedom and rights	2/19/2022 12:52 PM
29310	A hope for the end of the end of what is ruining my life.	2/19/2022 12:52 PM
29311	Positive affect thank you truckers	2/19/2022 12:52 PM
29312	Helped	2/19/2022 12:52 PM
29313	A glimmer of hope that someone can get Trudeau out of office	2/19/2022 12:52 PM
29314	Give hope	2/19/2022 12:52 PM
29315	It hasn't affected me in any negative way at all	2/19/2022 12:52 PM
29316	Brought back hope to my life	2/19/2022 12:52 PM
29317	shows how much courage they have and the courage we ourselves have to have to stand up for our values also.	2/19/2022 12:52 PM
29318	Positive- given hope for all mandates and all surveillance to be abolished, feel Canadian and United again, see humanity and love and acceptance regardless of medical status Highlights all 3 levels of government ineffectiveness and economic priorities with big pharma , big media , power& profit and zero based on real science data and health Hope to uphold constitutional charter of rights & freedoms-assembly association security body autonomy mobility etc	2/19/2022 12:52 PM
29319	It's renewed my faith in Canadians who get it, who understand the importance of protecting our freedoms.	2/19/2022 12:52 PM
29320	It has brought hope in a bleak bleak time. Something to grasp hold of.	2/19/2022 12:52 PM
29321	Not at all other than hope to get rid of the dictator soonest	2/19/2022 12:52 PM
29322	It has given me hope!!!! I am hoping Canada can go back to normal and the world will see what a liar our pm is and that he isn't worthy of leading a country	2/19/2022 12:52 PM
29323	Gives me hope, love seeing Canadians coming together. lifts my spirits that we might come out of this tyrannical system by our Government	2/19/2022 12:52 PM
29324	First sign of hope. First time in more than a year and a half that I have felt pride and unity in this country!!! God bless the truckers and all freedom fighters!!	2/19/2022 12:52 PM
29325	Hope	2/19/2022 12:51 PM
29326	Given hope for the restoration of freedom in Canada. Given hope that this country can return to its original roots of freedom based on the good, freedom promoting laws of God.	2/19/2022 12:51 PM

Canadians vote on Canadian Mandate - February 2022

29327	Hope	2/19/2022 12:51 PM
29328	They make me proud of being Canadian. Thank you	2/19/2022 12:51 PM
29329	The cost living is going to rise	2/19/2022 12:51 PM
29330	It's messed with my mind that people can be so startlingly selfish and relatively foolish. I've been very annoyed that the "organizers" allowed it to get so out of hand.	2/19/2022 12:51 PM
29331	The convoy itself hasn't affected my life. Watching the very disturbing videos of police beating Canadian citizens has on the otherhand made me cry with disbelief that they could do such things to they're fellow Canadians! I'm sure I'll have nightmares for a long time and i fear for my future. I don't want to be beaten or ripped from my home for no reason. What has come if Canada?	2/19/2022 12:51 PM
29332	I feel empowered	2/19/2022 12:51 PM
29333	Giving me hope that the mandates will be lifted for freedom.	2/19/2022 12:51 PM
29334	It's good people are finally starting to stand up for rights and freedoms ., Against all the fake bs the government and news release constantly. Why is there no news on all the ill effects of the vaccines and all the issues people have had since receiving the shot not to mention the ones that died after getting it.	2/19/2022 12:51 PM
29335	It gave me hope the government would stop holding vaccinated people hostage in order to force unvaccinated people to comply. The division in society scares me	2/19/2022 12:51 PM
29336	Happy people, united, and	2/19/2022 12:51 PM
29337	Gave me hope at first but the way this piece of trash prime minister has treated them and is treating them its not helping at all anymore. We truly appear to be living in a communist country with a dictator not a prime minister.	2/19/2022 12:51 PM
29338	It has given us great hope for our country. These truckers are fighting for ALL of us, for our Freedom for our beautiful Canada!	2/19/2022 12:51 PM
29339	Gave me hope	2/19/2022 12:51 PM
29340	I pity their inability to care for others and adapt to a changing world.	2/19/2022 12:51 PM
29341	My family is truckers. I wanted to grow up to be a trucker. I stand with the truckers.	2/19/2022 12:51 PM
29342	HOPE EXCITMENT Watching the support through the entire county I found myself in tears everyday the feeling in my heart for them is happiness and strength and most of all awakening to what is really happening with our governments. I am so disgusted in the broken political system, no answered questions just blame to someone or something else this is not Canada, this is not freedom ! Please help us.	2/19/2022 12:51 PM
29343	Gave a voice for those of us that could not advocate in fear of losing a job, discrimination and even the possibility of losing custody of my children. The convoy and those that have been steadfast peacefully protesting reminds me I am not alone.	2/19/2022 12:51 PM
29344	Given me a sense of Hope	2/19/2022 12:51 PM
29345	Given us hope. Let us realize that we are not alone. The majority of people feel the same way we do, mandates must go... They are doing much more harm than good. Opened our eyes to the corruption in government, and in the mainstream media. Now we know how much brainwashing has been going on; as we are the truth with our own eyes, and it's not being reported.	2/19/2022 12:51 PM
29346	It has given us hope! We need to have the freedom to choose.	2/19/2022 12:51 PM
29347	Ignored it	2/19/2022 12:51 PM
29348	It hasnt	2/19/2022 12:51 PM
29349	Annoying as hell! Treat them like any indigenous blockade and end it. Should have started arresting them the day after they blocked the border. Me and some clients have been unable to get supplies and therefor impeding our livelihoods. It stopped being a friendly protest at that point.	2/19/2022 12:51 PM
29350	It has given me hope and a sense of unity with my fellow Canadians, instead of the constant	2/19/2022 12:51 PM

Canadians vote on Canadian Mandate - February 2022

fear and isolation that the government and media are promoting.

29351	Gave me hope, helped me feel not alone	2/19/2022 12:51 PM
29352	Seems to have help life some Alberta mandates and opened eyes of friends and family formerly less accepting of differences of opinions on the matter of mandates.	2/19/2022 12:51 PM
29353	Given us hope!	2/19/2022 12:51 PM
29354	Gave me hope.	2/19/2022 12:51 PM
29355	It has given me hope, and reminded me that I have more of a voice than I thought.	2/19/2022 12:51 PM
29356	Makes me feel canadian and proud of the people standing up for our rights	2/19/2022 12:51 PM
29357	Love them..we want our freedom back	2/19/2022 12:51 PM
29358	It has caused a lot of fear and anxiety in my life, they are so wrong	2/19/2022 12:51 PM
29359	It's giving me hope that we will one day have a normal life again where we are free.	2/19/2022 12:51 PM
29360	It has been a positive light in all this darkness and government overreach.	2/19/2022 12:51 PM
29361	Gives me hope that our government might listen to Canadians for a change. Our prime minister thinks he is our ruler.	2/19/2022 12:51 PM
29362	It has exacerbated divisions among family and friends. I anticipate there will be negative economic impacts, perhaps the loss of auto parts jobs if the US cannot depend on reliability of Canadian suppliers. I am concerned for the health of our democracy and the infiltration of US partisan politics and the flourishing of misinformation on social media platforms, some emanating from fake accounts by foreign actors.	2/19/2022 12:51 PM
29363	Helped my life	2/19/2022 12:51 PM
29364	Positively in the sense that it has given me hope that there is a majority of people who have enough common sense that we will need to learn to live with covid and prepare for it rather than lock down and hide.	2/19/2022 12:51 PM
29365	Gave hope in Canada again. Showed how our government doesn't have our best interests in mind. Has brought people back together	2/19/2022 12:51 PM
29366	Gave me hope!	2/19/2022 12:51 PM
29367	They have spoken up against the oppression and tried to give me hope	2/19/2022 12:51 PM
29368	It gave me hope that we weren't going to hand our country over to our government.	2/19/2022 12:51 PM
29369	It hasnt	2/19/2022 12:51 PM
29370	Inspired me. Gave me hope.	2/19/2022 12:51 PM
29371	Hasn't	2/19/2022 12:51 PM
29372	Gives me hope that Canadians will stand up for what we believe in	2/19/2022 12:51 PM
29373	It brought back some hope in Canadians and the Canada I loved. But the handling of it by the government has made me very fearful because of the fact government continually ignores our rights and abuses their power and position loading it over the citizens.	2/19/2022 12:51 PM
29374	Best thing that has happened in 2 years!!! Fighting for our freedom that never should have been taken away!	2/19/2022 12:51 PM
29375	Lots cause it has put the cost of living up to no endddd	2/19/2022 12:51 PM
29376	I think they took on a big challenge and showed their concern and then the premier should acknowledge it all Trudeau should go	2/19/2022 12:51 PM
29377	Gives me hope to fight for our rights back and not force shot and made friends helped mentally ♥♥♥♥♥	2/19/2022 12:51 PM
29378	Brings hope.	2/19/2022 12:51 PM
29379	I love what there doing it's putting hope into Canada hearts	2/19/2022 12:51 PM

Canadians vote on Canadian Mandate - February 2022

29380	It has brought unity, a sense of Patriotism, Hope, a voice for those who have been silenced since this began	2/19/2022 12:51 PM
29381	Gave me hope	2/19/2022 12:50 PM
29382	Has taken away all trust in Trudeau & Government members as well as the police.	2/19/2022 12:50 PM
29383	It shows love and unity	2/19/2022 12:50 PM
29384	Gave me hope that my family will be able to live normal again	2/19/2022 12:50 PM
29385	At first it gave me hope where there was none. I thought we would get our freedoms back. It got me to pay attention to government, start to understand what happens within government. Eventually I was devastated learning that these government parties don't have accountability to answer simple direct questions. That all my hard work and the work of my ancestors has amount to House of Commons school house quips with nothing every truly being accomplished. I learnt that canada is not a democracy. When the NDP is siding with the liberals to gain footing. It has destroyed all notion of a democracy. Liberals decide for the NDP and intern the NDP strip all democratic possibilities from our lives. They give the liberals power without questioning without reasonability. Last night I bawled reading news articles and watching clips of police hitting people with gun butts, riot horses trampling a women with a walker. While the So Called leader of our country is allowed to ignore canadians struggles he placed on us all.	2/19/2022 12:50 PM
29386	It has finally given me hope and a sense of togetherness that the government took away. This convoy has been a shining light in dark times. I am so grateful. I am so disgusted by the government and their media spin on the convoy. Everything they say about the convoy is completely false and this has divided me from family and friends. This divisive rhetoric has destroyed families and relationships, including my own.	2/19/2022 12:50 PM
29387	It hasnt	2/19/2022 12:50 PM
29388	Gives me hope	2/19/2022 12:50 PM
29389	It's given hope, I support them , completely disillusioned with our government, our police are disgusting. Fighting Canadians for their freedom as well. Fearful of our future!	2/19/2022 12:50 PM
29390	Gave me hope for the first times in two years. They have united the country in love, all people, pulled us together, no longer feel isolated. Praise God for them	2/19/2022 12:50 PM
29391	It has given me hope	2/19/2022 12:50 PM
29392	Nil	2/19/2022 12:50 PM

29400	It's giving me hope... And God bless them all!	2/19/2022 12:50 PM
29401	I had not participated nor donated to the cause, but it has inspired me see people fighting for their basic rights and freedoms.	2/19/2022 12:50 PM
29402	Has not effected me personally, but I stand with them. People should have the right to choose what is best for their family's. Not fair that people were and some still are dying alone.	2/19/2022 12:50 PM

29406	HOPE!! To see people coming together and fight against tyranny and hypocritical actions of the Federal gov't is totally awesome. Showing peaceful protests is our democratic right and they all have shown the world how to do it! We are so proud of each and every one of them and a lot of them are probably down to their last dollar, so sad.	2/19/2022 12:50 PM
29407	They got things stirred up and got the people to realize how corrupt our so called liberal party is.	2/19/2022 12:50 PM

29421	I like the fight for freedom and unity	2/19/2022 12:50 PM
29422	It's the biggest positive thing that I've ever seen in Canada in my whole 50 years on the face of this Earth. I've never seen so much togetherness love, compassion. The truckers went to Ottawa crime rate dropped 90% the homeless were fed and warmed with love and attention. This was peaceful and within our rights and how dare you send the police in like you did	2/19/2022 12:50 PM
29423	Gave me hope	2/19/2022 12:49 PM

29430	Finally given me some hope and a voice to how ridiculous this whole thing is and how it has been handled! For the first time in 2 years I feel hopeful for things to turn around.	2/19/2022 12:49 PM
29431	Given me hope and pride to see a group willing to stand for freedom and commit to peaceful non compliance with unconstitutional mandates.	2/19/2022 12:49 PM
29432	Upsetting. I do not agree with its happening.	2/19/2022 12:49 PM

29441	It has brought great joy to me that someone is standing up for our rights. Our mandates in Saskatchewan have ended and the last one will end at the end of this month	2/19/2022 12:49 PM
29442	I am hoping the truckers meet their mandates.	2/19/2022 12:49 PM
29443	Gives me hope	2/19/2022 12:49 PM
29444	Hasn't affected me in the least, but if the higher cost of gas is a result then that is what has affected most in my life recently.	2/19/2022 12:49 PM
29445	The disruption affected many. Example students at Ottawa University had to go online to be safe from the protest. The honking meant they wrote exams without having a good noughts sleep in a week. Instead of having a hissy fit vote in the next election. That is how grownups make a difference.	2/19/2022 12:49 PM
29446	Gave me hope. It's the first time I have smiled in a very long time.	2/19/2022 12:49 PM

29455	Gives me hope for a better future	2/19/2022 12:49 PM
29456	It hasn't, unless you consider they could be moving consumer goods instead of asserting an inalienable right to protest an injustice and traitorous act against them	2/19/2022 12:49 PM
29457	Brought hope!	2/19/2022 12:49 PM
29458	Giving me hope	2/19/2022 12:49 PM
29459	It is giving me hope.	2/19/2022 12:48 PM
29460	Encouraged me that people are for people and not for power!	2/19/2022 12:48 PM
29461	Brings hope that maybe our government will listen to its own people and take decisions to finaly end mandates.	2/19/2022 12:48 PM
29462	Convoy has expressed my sentiments in standing 110% AGAINST federal and provincial rules and social expectations which are based upon FRAUD and FALSE science.	2/19/2022 12:48 PM
29463	My TV is full of bullshit!	2/19/2022 12:48 PM

Canadians vote on Canadian Mandate - February 2022

29467	Hope	2/19/2022 12:48 PM
29468	Brave canadiens patriotes	2/19/2022 12:48 PM
29469	Friends in the area have been struggling due to it and it has been frustrating seeing this get so much attention and focus when other issues I consider more pressing such as food and housing affordability, foreign influence in politics and insufficient healthcare are not getting the attention they need. This convoy has a lot of vague complaints but almost no concrete suggestions that would improve life for Canadians or actually help transition us safely out of this. The border blocking in particular seemed like it was just making life harder for Canadians as a whole. I'm also worried about the direction our society is going due to movements like this, I feel like increasingly people are living in different reality bubbles and facts are no longer important. There are good people involved in these protests with some legitimate grievances but the movement and their organizers as a whole has too many tie ins with ideologies I find dangerous and is pushing people towards more radical perspectives. I worry about the American and Q influence on these groups and doubt anything constructive can come from this.	2/19/2022 12:48 PM
29470	My colleagues have had to put their lives on the line by dealing with the protest	2/19/2022 12:48 PM
29471	Gave me hope	2/19/2022 12:48 PM
29472	Giving hope again	2/19/2022 12:48 PM
29473	It has given me so much how for our future. It is the only thing that has given me hope.	2/19/2022 12:48 PM
29474	It didn't affect my life	2/19/2022 12:48 PM
29475	It has brought me hope and inspiration that more people are questioning the actions of the government. And Seeing the consistent kindness and peacefulness of the truckers convoy has restored my faith in humanity and reminded me that good will triumph over evil. And that freedom comes with a price	2/19/2022 12:48 PM
29476	It's given hope for the freedom that we once had. Not having the government controlling what we can do or say in society. Speaking for people that are scared to speak up. Getting rid of government control and making the tax payers flip the bill for it and increasing the cost of living	2/19/2022 12:48 PM
29477	Giving hope for a better future.	2/19/2022 12:48 PM
29478	Showing Canadians that you need to stand up for what you believe is right, with no violence or aggression.	2/19/2022 12:48 PM
29479	Increased supply side inflation, friends being harrassed by them	2/19/2022 12:48 PM
29480	It hasn't	2/19/2022 12:48 PM
29481	Very empowering and inspiring, glad to be apart of this history	2/19/2022 12:48 PM
29482	The Trucker Convoy has brought Hope and a Fire into our Home. To say that we are Proud to be Canadian!	2/19/2022 12:48 PM
29483	It has given my family hope that there are more people out there vaxxed and unvaxxed against mandates.	2/19/2022 12:48 PM
29484	Undecided	2/19/2022 12:48 PM
29485	none	2/19/2022 12:48 PM

29489	It has brought happiness to see unity again	2/19/2022 12:48 PM
29490	Has made me proud to be a Canadian again. Also made me realize other people think the same way as I do.	2/19/2022 12:48 PM
29491	It hasn't really in any negative ways. It has given us hope for a better future!	2/19/2022 12:48 PM
29492	Pleased someone finally stood to the overreach practiced by government in this	2/19/2022 12:48 PM

country. Extreme alarm over the enactment of the emergency act over a peaceful protest and empowering the government to freeze the assets of people who's biggest crime is disagreeing with the political views of of the demagogue who favours dictatorship over democracy.

29493	It definately was a wakeup call	2/19/2022 12:48 PM

29497	It's been very upsetting as the loud noises and feeling that our government doesn't care about the people who have kept our supply chains going.	2/19/2022 12:47 PM
29498	Brought hope	2/19/2022 12:47 PM
29499	Gave me a bit of hope but with the prime minister's last emergency mandate I now know that Canadians are in for a dark future,	2/19/2022 12:47 PM
29500	No	2/19/2022 12:47 PM
29501	Gives me hope that enough Canadians have finally had enough of this tyranny to speak out!!	2/19/2022 12:47 PM
29502	Hard to say not sure who to believe? I have personally not been involved.	2/19/2022 12:47 PM
29503	It has brought people together	2/19/2022 12:47 PM
29504	Gives me hope that someone else wants this to stop & that Gov't doesn't have total control of our lives. I have little faith & confidence in âme. Trudeau	2/19/2022 12:47 PM
29505	Has brought hope that this country can see freedom again, after 2 years.	2/19/2022 12:47 PM
29506	So many positive ways! I cant even begin to describe... Am also alarmed by the conduct of canadian authorities. So many mixed emotions. But PRIDE in our people is at the forefront of my feelings today!	2/19/2022 12:47 PM
29507	It's interferes with necessary transport services, it's made people afraid to travel to work and home, and it's largely made people feel unsafe.	2/19/2022 12:47 PM
29508	The freedom Convoy has given us hope that all mandates will be lifted, and that the whole world is watching Canada now	2/19/2022 12:47 PM
29509	It has inspired hope that so many Canadians can unite for a common cause to have our democracy, human rights and freedoms.	2/19/2022 12:47 PM
29510	- exposed corrupt and biased Media and government. - people are afraid to speak up (including myself) as they will loose the jobs - lost trust in the government: for last few years unsubscribed from TV and other services.	2/19/2022 12:47 PM
29511	Made me happy	2/19/2022 12:47 PM
29512	The convoy has not effected my life. I'm glad they got together to try and end these stupid mandates. If not being able to buy something I need, so I do without. Hats off to them for standing up for Canadians . I think what they are doing to the people are out of control. It's like living in a communist country. We have the right to say no to the vaccination. Doug Ford even announced that the vaccinations do not protect you from COVID19. This was stated on the news.	2/19/2022 12:47 PM
29513	Not at all other than angered by it as it wasn't really the truckers it was giving anti vaxers a platform	2/19/2022 12:47 PM
29514	Signs of optimism and hope	2/19/2022 12:47 PM

29518	It's good to see Canadians standing up for the charter of rights and freedoms which, at this point, seems to have been proven worthless	2/19/2022 12:47 PM

29555	Has given us hope amd proud to be a canadian once again	2/19/2022 12:46 PM
29556	<p>Given hope. United people the media told us didn't exist to unite. Put the corruption of government and 'leaders' at all levels on display for Canada and the world to see. Forced the admission of 'leaders', especially on the Ottawa City Council to admit that they are inept, children, who in-fight, stab each other in the back, and scheme. Put Councillor Diane Deans on display for her inhuman comment of "you don't negotiate with terrorists. You put them down!" On CBC Radio One's program of Feb 07 2022 Showed the world what happens when your government doesn't allow real democracy, but rather partisan politics where the vote can be whipped to support a party line, rather than what's good for the people each MP governs. Has shown what happens when people are desperate due to mandates that have destroyed lives and businesses are not given a forum or ear to voice concerns. Has shown how useless Nanos polls and others are, when they sample 1,400 choice/select Canadians and then claim in the media "The majority of Canadians believe..." for a population of 38M when blockchain technology exists to allow for real democracy. How ill-educated and unaware the Canadian people are about civics and basic critical thinking skills. That an election can be called during an alleged 'pandemic' forcing people to congregate in buildings to vote, only for 200,000+ mail on ballots to not be counted, which Elections Canada later admits is enough to have changed the margin in the final vote. Further exposed the implementation plan of the World Economic Forum and their desired technocracy to enslave us all with their 'one ID' vaccine passport, social credit system. That the government of Canada will abuse powers of law (Emergency Act) use illegally obtained data (GiveSendGo) leak, to freeze donators bank accounts RETROACTIVELY for donations they made in the past, to an organization the government decides is NOW a terrorist organization, ruining lives, losing homes and jobs for the people. I could go on but I think it best that I keep my lunch down.</p>	2/19/2022 12:46 PM
29557	It has given me hope that Canadians will keep their freedom.	2/19/2022 12:46 PM
29558	<p>It has given me hope that there are others who are fighting global mandates which have taken away our Bill of Rights and Charter Freedoms here in Canada. Hope that there will be an end to restrictions which have caused fear and anxiety. We have been let down by our judicial system and our government no matter which political party. Made to feel impotent to take care of our own autonomy to make decisions regarding our own health. Privileges removed if we do not comply as if we are herd animals or toddlers. The government and health officials are guilty of dehumanizing citizens and commit criminal acts by not allowing us our sovereign rights according to our Canadian Bill of Rights.</p>	2/19/2022 12:46 PM
29559	Restored my faith in my fellow Canadians. Feel less alone	2/19/2022 12:46 PM

29563	<p>It hasn't except that I have witnessed some brutal acts by police which have been disturbing and I am very disturbed by how this is being handled by the leader of our so called peaceful country.</p>	2/19/2022 12:46 PM
29564	Given me hope and a feeling of unity	2/19/2022 12:46 PM
29565	<p>It has brought hope. And joy. And a togetherness as Canadians. It made us feel not so alone and full of fear that people would treat us badly. I am so proud that someone is doing something. Also so disappointed in our pm for not even meeting with them.</p>	2/19/2022 12:45 PM
29566	Made me see that other people feel the same way I do, I am glad they did what they did	2/19/2022 12:45 PM

Canadians vote on Canadian Mandate - February 2022

SHOWN TO BE TRUE OF MANY WHITE COLLAR WORKERS WHO SUPPORT THE CONVOY'S IDEALS AND COMMON SENSE.

29570	Gave me hope	2/19/2022 12:45 PM
29571	- It has given me HOPE - It has shown me that there are still people in this world who see truth behind these sugar coated lies and are willing to fight for our freedoms and I support that 100% - It shows that not everyone is blinded - Not everyone is willing to give away their freedoms for a temporary solution. - The truckers have reminded us what it is to be Canadian and that if we want to continue to do so we must protect our rights!!! - The best thing that every happened was this convoy! Reminding the rich that without doing right by us they will not be able to get fatter.	2/19/2022 12:45 PM
29572	Hasn't affected us. But we stand with them.	2/19/2022 12:45 PM
29573	Given hope, shown unity among Canadians	2/19/2022 12:45 PM
29574	Cheering them on	2/19/2022 12:45 PM
29575	It has me feeling hopeful that things might change. They are making our voice heard and that is great. We've all had enough of our governments shit!	2/19/2022 12:45 PM
29576	Beautiful and peaceful experience fighting for our human rights and freedom	2/19/2022 12:45 PM
29577	Finally people standing up and making a difference. Standing up for the rest of society. To be whole again. Give us our rights and humanity back	2/19/2022 12:45 PM
29578	Improved it and gave us all hope	2/19/2022 12:45 PM
29579	Hasn't affected me. Besides showing me how the mainstream media lie and Trudeau needs to be replaced. He is embarrassing to this country.	2/19/2022 12:45 PM
29580	It is healthy to have debates and push from both sides. It's sad to see a leader not want to listen. We need all Canadians to stand up for our country. This convoy is a side effect of the madness that has been lowered onto Canadians and has woken up the world. I hope leaders of the G7 start speaking up against Trudeau for all his wrongful doings.	2/19/2022 12:45 PM
29581	Because of the protests my province is lifting mandates and vaccine requirements. It's going to be a vast improvement.	2/19/2022 12:45 PM
29582	Up until yesterday It was the best ive felt in 15 yrs. Yesterday the LAW ENFORCEMENT ruined our FREEDOM, LOVE AND RESPECT. What I witnessed yesterday with the LAW ENFORCEMENT WAS DISGUSTING!	2/19/2022 12:45 PM
29583	Opened my eyes	2/19/2022 12:45 PM
29584	N/a	2/19/2022 12:45 PM

29587	Has given hope.	2/19/2022 12:45 PM
29588	It is inconvenient of course but well worth it to prove that Canadians demand freedom.	2/19/2022 12:45 PM
29589	It has ended the vax pass and soon the mask mandate	2/19/2022 12:45 PM
29590	Brought me hope for the first time in two years	2/19/2022 12:45 PM
29591	I felt hope	2/19/2022 12:45 PM
29592	It has made me believe in goodness of people, of a people standing for what is right. That I am not alone in questioning mandates. That I don't have to lose faith in Canada and fear our future, but that Canadians are a strong brilliant people, that I can be proud to be Canadian once more! That I can see the Canada flag waving now all over the early as a symbol of strength, unity, and freedom. Am I scared, yes, but that is what courage is for. Am I alone, no!	2/19/2022 12:45 PM
29593	It has given us all hope	2/19/2022 12:45 PM
29594	Yes, they have brought back hope. A light at the end of a dark tunnel.	2/19/2022 12:45 PM

29595	I'm happy these people are fighting for us Canadians	2/19/2022 12:45 PM
29596	Brought me hope we can end all mandates	2/19/2022 12:45 PM
29597	It has really shined the light on how Trudeau lacks a great deal of common sense, its unbelievable to see the level of immaturity in the man!! I beyond believing that he allowed all this protest to reach this level, when the solution was so very QUICK & SIMPLE, just lift the border restrictions so the truckers can get back to their jobs! Why cant trudeau just do THAT, WHATS wrong with the guy, but No he decides to call in the emergency act on kids & bouncing castles group!! The man is out of touch with reality & ought NOT be in a leadership position! I vote for a reelection	2/19/2022 12:45 PM
29598	I'm proud of the trucking convoy	2/19/2022 12:45 PM
29599	I have backed them since the start. Because it is true Canadian how ca it not effect us I think we need to stop Trudeau's thirst for power.	2/19/2022 12:45 PM

29601	Give a lot of hoop	2/19/2022 12:45 PM
29602	Positively! Gives me hope!	2/19/2022 12:44 PM
29603	Made me proud to be Canadian again and thankful there are like minded people willing to stand up for our rights before we loose them!	2/19/2022 12:44 PM
29604	Some hope.	2/19/2022 12:44 PM
29605	It hasn't!!!	2/19/2022 12:44 PM
29606	None. But I respect others right to protest civilly.	2/19/2022 12:44 PM
29607	Increased anxiety and stress.	2/19/2022 12:44 PM
29608	Made me more hopeful	2/19/2022 12:44 PM

29610	Gives me hope for freedom	2/19/2022 12:44 PM
29611	I was there and I felt I was among family even though I never met them before. All love	2/19/2022 12:44 PM
29612	Gave me hope	2/19/2022 12:44 PM
29613	It had given me hope that it haven't felt since the covid mandates started	2/19/2022 12:44 PM
29614	Proud to be a Canadian	2/19/2022 12:44 PM
29615	Given a new hope	2/19/2022 12:44 PM

29617	It has made me more aware of how corrupt our govt is	2/19/2022 12:44 PM
29618	Given me hope, improved my mental health	2/19/2022 12:44 PM
29619	It has made me proud to be a Canadian once again. The truckers have sacrificed their jobs, livelihood all in the name of LOVE for us all to live in FREE Country.	2/19/2022 12:44 PM
29620	Brought awareness of how many Canadians have been negatively impacted by the government overreach.	2/19/2022 12:44 PM
29621	Noise pollution, CO2 pollution, reckless use of fireworks, prevented us from skating on rideau canal, attempted murder and arson.	2/19/2022 12:44 PM
29622	Nothing yet. Peaceful protest. Just that prime minister has ruined our country. Police officers are just doing there jobs there. I am sure most of them are doing what they are order to do just to keep their jobs. Sad day in canada February 18 2022. Prime minister Justin Trudeau has lost his role of being a leader of the country. (a leader is, when people want to follow and obey what a leader says or suggest). Justin Trudeau has lost this role.	2/19/2022 12:44 PM
29623	It hasn't disrupted my life as I don't live in Ottawa, but it's made me angry to see how long it	2/19/2022 12:44 PM

Canadians vote on Canadian Mandate - February 2022

has continued to take place.

29624	It Let me know for the first time that I wasn't the only one concerned about mandates in our free country. Some how most of us had been quite for so long we had been tricked, by fear of being attacked and cancelled, not realizing we were not alone.	2/19/2022 12:44 PM
29625	It brings tears of joy to me every time I see people laughing, hugging, and signing together. It looks like a huge canada day party every day! No violence or vandalism has be caused by civilians, only law enforcement has done that. Weather is was immobilizing construction equipment near Coutts or trampling and killing people in Ottawa. That was all done by law enforcement.	2/19/2022 12:44 PM
29626	It has gave me Hope that we can stand up! They have represented themselves in a great way. So much respect	2/19/2022 12:44 PM
29627	Given me hope...a chance at freedom...	2/19/2022 12:44 PM
29628	It has shown that the "fringe minority" isn't. Pleased to see that unity around the world is quite alive and kicking despite the lies spread by MSM.	2/19/2022 12:44 PM
29629	Gives me hope	2/19/2022 12:44 PM
29630	Awareness first but then hate and political interference. Feel politics is using vaccines and pandemic fatigue for a political agenda...hijacked trucker convoy here in Canada	2/19/2022 12:44 PM
29631	Gave me some hope but Trudeau sending in his goons fucked that up	2/19/2022 12:44 PM
29632	They were my voice, my hopes, my future. I NEVER felt so proud to see everyone unite! We are Canadians and we have values and morals that people in other countries just don't have. I've always been proud of that! This is insane to continually believe that this vaccine is safe and effective. It is not!? I have no ill thoughts. I wish it was both! Everyone is catching covid ! Even our PM! So why are we ignoring the fact that it doesn't matter anymore if your vaccinated or not? Why is it that my family can't sit at a restaurant table and celebrate an anniversary next to a vaccinated family? We are all equal, we are all humans, we are not a threat, we are all healthy. We are ignoring natural immunity. We have been punished enough This needs to stop!	2/19/2022 12:44 PM
29633	It has brought me hope for the future to decide how i live my life. Freedom of this country and its citizens was bravely fought for by the men and women who put their lives at risk to give to us. The freedom convoy is bring that back.	2/19/2022 12:44 PM
29634	Not in any way	2/19/2022 12:44 PM
29635	Gave me hope as they carried out their peaceful demonstrations!	2/19/2022 12:43 PM
29636	I'm so excited to see people that action. I stand by them	2/19/2022 12:43 PM
29637	Showing how bad The government really is	2/19/2022 12:43 PM
29638	It's been a force of hope for change in government mandates/overreach	2/19/2022 12:43 PM
29639	It's brought hope! I went on a convoy in Alberta and the support on the side of the roads were unbelievable so many supporters with love waving their flags and signs	2/19/2022 12:43 PM
29640	Opened my eyes more as to how corrupt our government is	2/19/2022 12:43 PM
29641	Completely supportive of truckers	2/19/2022 12:43 PM
29642	It hasn't	2/19/2022 12:43 PM
29643	Made me proud to be A Canadian.	2/19/2022 12:43 PM
29644	It disturbs me and scares my dog	2/19/2022 12:43 PM
29645	They have given hope. They have given us a voice Because it has been a very long time since our government has truly listen to us. Listened to the blue collar people of Canada. If you listen to the sessions in the house of commons you can see that it is filled with petty name calling, he said she said. The government couldn't ignore the convoy outside the Parliament buildings.	2/19/2022 12:43 PM
29646	Given me HOPE for the future!	2/19/2022 12:43 PM

Canadians vote on Canadian Mandate – February 2022

29652	Encouraged me to see them stand up for our rights	2/19/2022 12:43 PM
29653	It's given me hope that the lies around case numbers, alternative treatments, vaccine safety/efficacy, mainstream media collusion and suppression of public scientific discussion are finally coming out, as the truth always does in the end. It's also made me proud to be Canadian -- peacefully questioning governments and corporations, as is done in a democracy.	2/19/2022 12:43 PM
29654	Given me hope.	2/19/2022 12:43 PM

29657	The trucking convoy has given my family and myself hope. Hope that things can change and unity and healing between people can start happening again. It has given me courage to go out into public again. Seeing how the police are handling the situation when the truckers are only peacefully protesting, makes me lose all confidence in the police and I am saddened by it , cause I have always had the upmost respect for the police.	2/19/2022 12:43 PM
29658	Support them	2/19/2022 12:43 PM
29659	It gave me a realization that alot of canada wants to end mandates and it isnt a fringe minority	2/19/2022 12:43 PM

29663	It gives hope to people not brainwashed by the media.	2/19/2022 12:43 PM
29664	By infuriating me with their selfish and ignorance.	2/19/2022 12:43 PM

29670	It has made me realize it is a 'Every Candian Convoy' not just a truckers	2/19/2022 12:43 PM
29671	Gave me hope that freedom could be termed to the people made me cry that they were driving 5000 miles to deliver a msg of freedom for all from oppressive international and unjust mandates of e xperimental jabs that seemonly to be a cash ow for the same oppressors we have been imprisoned by thesm and it has been pure exil what they have done new Nuremberg trial needed for all of them	2/19/2022 12:43 PM
29672	Brought me hope for regaining rights and freedoms. Thank you truckers!	2/19/2022 12:43 PM
29673	It brought back a sense of patriotism! The truckers brought hope to Canadians that we as people couldn't have done without them!	2/19/2022 12:43 PM

29675	Given me hope for the future	2/19/2022 12:43 PM
29676	It's given me hope	2/19/2022 12:43 PM

Canadians vote on Canadian Mandate – February 2022

29677	Gave me hope that covid-19 restrictions are going to change and we could go back to the way life was back in 2019. Family division shouldn't have occurred during times when you need them the most.	2/19/2022 12:43 PM
29678	It has given me a bigger sense of Canadian pride than I have ever felt or seen before. As well as a bigger HATE for my government especially Turd-oh	2/19/2022 12:43 PM
29679	My family is made up of truckers, I know these mandates make it hard to almost impossible for them to do their jobs. We have been following on social media because mainstream news doesn't show it all. The convoy makes me see that we can be united in this country. It shows we still care about our fellow citizens	2/19/2022 12:42 PM
29680	It's brought hope back that we can all band together and let the government know what we all feel, and enough is enough.	2/19/2022 12:42 PM

29684	It gave me a hope, it felt so good to come together with fellow Canadians in love and freedom. There was laughter and joy, something that has been squashed for 2 years.	2/19/2022 12:42 PM
29685	Makes me proud	2/19/2022 12:42 PM
29686	Mostly just the odd street closures and the social political divide.	2/19/2022 12:42 PM
29687	They have given me hope beyond anything we could have dreamed could happen in the control based governments we have been electing. I am thinking now that our elections have been rigged for years. A chance to take Canada back so we can raise our children and grandchildren in a free country!	2/19/2022 12:42 PM
29688	Wondering daily if what they are standing up for will be acknowledged by government	2/19/2022 12:42 PM
29689	It has show me that there is still good ppl in the world	2/19/2022 12:42 PM

29695	Gave me hope for restoration of democracy and unity in Canada, and quite frankly, in humanity	2/19/2022 12:42 PM
29696	Has not	2/19/2022 12:42 PM
29697	It has given me hope for the future of our country. It made me feel united with more of my fellow Canadians. And proud that Canadians have started a peaceful movement across the world!	2/19/2022 12:42 PM
29698	Hasn't at all	2/19/2022 12:42 PM
29699	I feel like I finally am receiving my freedoms back	2/19/2022 12:42 PM

29704	It made me have Hope again .. First time in along time was I proud to be Canadian again ..	2/19/2022 12:42 PM
29705	It gaVe me hope	2/19/2022 12:42 PM
29706	Hasn't	2/19/2022 12:42 PM
29707	Gives me hope!	2/19/2022 12:42 PM
29708	It gave me a measure of hope. The way the government has responded only in forces my thoughts that it has never been about health. It is about power and control.	2/19/2022 12:42 PM
29709	Good	2/19/2022 12:42 PM
29710	They are standing up for my rights in Ottawa. Go trucks.....I want my Freedom back. I don't want to live like China.	2/19/2022 12:42 PM
29711	It's annoys me how opinionated people are about it, but otherwise, it has had minimal impact. I support the right to peaceful protest.	2/19/2022 12:42 PM
29712	I give the trucker credit	2/19/2022 12:42 PM
29713	Given hope.	2/19/2022 12:42 PM
29714	I'm very grateful that they raise so much when our government wasn't listening to stand and be our voice when we weren't being heard. They are being painted as horrible people and it's simply not true so much of the media has twisted the truth... History is conveyed this many times where the truth comes out later. All our Prime Minister had to do was listen and at the very least talk to the people and have an honest transparent conversation why is it that other countries are opening up completely and other provinces and at 90% vaccination rate were imposing more shut downs. What the truckers did was brave and open up a conversation that needed to happen it's very unfortunate that they've been treated in the way that they have... And I greatly fail to understand why a conversation was not had prior to invoking the emergency act.	2/19/2022 12:42 PM
29715	It has given my family a scense of hope, that there are still good people out there willing to stand up for whats right and stand strong despite the lies and over reach our so called "government" have been pushing for the last two years.	2/19/2022 12:41 PM
29716	Made me see the government and mainstream news are liars.	2/19/2022 12:41 PM
29717	It made me proud to be Canadian.	2/19/2022 12:41 PM
29718	N/a	2/19/2022 12:41 PM
29719	Given us hope again. Shown us Unity in Humanity. I am so grateful for the truckers who just changed the world.	2/19/2022 12:41 PM
29720	Hope	2/19/2022 12:41 PM
29721	Brought joy	2/19/2022 12:41 PM
29722	It has given me hope again.	2/19/2022 12:41 PM
29723	I am touched by these average people's dedication to represent human compassion and preservation of dignity and rights for all	2/19/2022 12:41 PM
29724	I have never feel so emotional, so proud to be Canadian, as they have made me feel. I actually cried, on many occasions. The world wide movement, for freedom, lifting mandates , has greatly moved me, deeply . Stop dividing us.	2/19/2022 12:41 PM
29725	Hasn't	2/19/2022 12:41 PM
29726	It has given me hope and pride in being Canadian again!!	2/19/2022 12:41 PM
29727	The protest was a peaceful protest. I am appalled by the government's response and have lost my respect for police. They have become thugs.	2/19/2022 12:41 PM
29728	It gave me hope and a surrogate voice in Ottawa. I am simply heartbroken seeing how it ended. This is not my Canada.	2/19/2022 12:41 PM
29729	Hasn't personally affected me	2/19/2022 12:41 PM

Canadians vote on Canadian Mandate - February 2022

29730	Not at all. But love it as it's uniting a lot of our Country.	2/19/2022 12:41 PM
29731	Renewed my faith in Canadians and that they feel the same as me. Confirmed my belief in Trudeau's agenda and made me afraid of my own government. Trudeau is a dictator, tyrant and wants to turn Canada into a communist country. God help us.	2/19/2022 12:41 PM
29732	It gave hope and unity to Canadians.	2/19/2022 12:41 PM
29733	It has made me a lot happier	2/19/2022 12:41 PM
29734	It has made me proud to be Canadian again and given me some hope that these mandates will end soon	2/19/2022 12:41 PM
29735	It has given me hope. Hope because a few loyal Canadians have the guts to fight for our freedoms and rights which Justin Trudeau and his liberal thugs have seen fit to trample on. They are peacefully protesting for an end to these ridiculous mandates and over the top restrictions which pit Canadians against one another rather than bringing unity as our constitution clearly states. God bless the trucker convoy. It's a sad day in our country when truckers who are not politicians have to fight for our rights against a government who was elected to do just that	2/19/2022 12:41 PM
29736	Happy	2/19/2022 12:41 PM
29737	Given me hope that Canadians don't want to be ruled by tyranny.	2/19/2022 12:41 PM
29738	Hope	2/19/2022 12:41 PM
29739	I think they are working for the greater good for Canadians as a whole. They've brought to light how we can come together to get through this.	2/19/2022 12:41 PM
29740	It makes my heart sing. It is inspiring, beautiful and I'm so thankful for their courage, sacrifice and determination to be peaceful despite the poking insensitive commentary of people who hold different perspectives and opposing their right to defend our democracy and bring an opportunity for open conversations about what's truly happening on various levels but mainly exposing the weakness of our elected officials who don't act with integrity but instead go along to get along. So much is at stake for the next generation. United we stand on guard with glowing hearts for all that is right, true and patriotic in all our sons, daughters command! This is our responsibility to be accountable for the future generations. This is a message that is delivered by the truckers causing an enormous primal cry to reflect on our love for one another as a unified nation.	2/19/2022 12:41 PM
29741	Not affected me... Giving us hope that life will return to normal.	2/19/2022 12:41 PM
29742	It has been wonderful to see these people stand up to a corrupt government and fight for our freedom. That's the thing, we want only want our freedom back and nothing else. Remove the mandates and let people live again. The Liberals don't get to decide what is right for people. They truly suck	2/19/2022 12:41 PM
29743	Gives me so much hope. They have been peaceful and are being mistreated. This has caused more mental health issues as I feel the Govt does not care for Canadians.	2/19/2022 12:41 PM
29744	It has lifted my hope, it has exposed the government corruption, it's now so much more than just the mandates	2/19/2022 12:40 PM
29745	It has given me hope as a free Canadian	2/19/2022 12:40 PM
29746	The convoy has shown me Canadians still do care about each other and support a free nation. It has given me hope in these dark days when the government has chosen to play politics for their own gain at the cost of Canadians' mental health and lives they offer no hope just division!	2/19/2022 12:40 PM
29747	N/A	2/19/2022 12:40 PM
29748	Telling the Truth	2/19/2022 12:40 PM

29750	None	2/19/2022 12:40 PM

happenings.) They brought many groups in Canada together in unity which has not happened before. Canada has been known as the country of freedom and many have moved here to escape their country only to now find this one is becoming the same or worse than the one they left. Canada needs to be saved, preserved, and fought for to keep our freedoms

29752	Lots of love and to know there are still good people around that care	2/19/2022 12:40 PM
29753	Gave me hope...	2/19/2022 12:40 PM
29754	The trucking convoy is the first sign of hope that maybe this all can be turned around yet.	2/19/2022 12:40 PM
29755	Although, I am all for peaceful protests only, it was great to see how many of my fellow Canadians shared my convictions regarding the mandates.	2/19/2022 12:40 PM
29756	It hasnt	2/19/2022 12:40 PM
29757	It has restored my hope in the future and in humanity and made me realize I am not alone.	2/19/2022 12:40 PM
29758	No, what people need to learn and understand. If Trudeau's mandates had gone through it would have effective our supply chain. Trudeau was going to do it on purpose to Canadian. He was effect the jobs of trucks just like the 10,000 healthcare jobs that went in December. Trudeau needs to be charged for treason.	2/19/2022 12:40 PM
29759	Given me hope	2/19/2022 12:40 PM
29760	Ive been in arguments over the nessesity of the convoy. Im in full support.	2/19/2022 12:40 PM
29761	It hasn't personally affected me. I support the freedom message but think that the overall message may have morphed.	2/19/2022 12:40 PM
29762	There is some positive outlook, it seems there are people that still want to stand up for a unified country!	2/19/2022 12:40 PM
29763	Inspired me to hope for the future	2/19/2022 12:40 PM
29764	The trucking convoy has helped me to see the world is full of good, kind, loving people who are banding together for the freedom of all Canadians. This has brought awareness to me about the situation and taught me to listen to all sides. I wish the PM would be fair to his people and at lease listen to them. Not ostracize, condemn, accuse, and berate them.	2/19/2022 12:40 PM
29765	I proud of Canadian to wake up	2/19/2022 12:40 PM
29766	Positive	2/19/2022 12:40 PM

29768	The are fighting for are freedom!	2/19/2022 12:40 PM
29769	Not a bit I was a trucker years ago and was part of the first block in Canada it didn't do anything just cause us more trouble than it was worth	2/19/2022 12:40 PM
29770	It has given me joy and hope to know that others feel the same way I do	2/19/2022 12:40 PM
29771	It has given me hope, its makes me proud to be Canadian again. I wish I could afford to be there to stand with them.	2/19/2022 12:40 PM
29772	They inspire the world and myself, or at least those who believe freedom is a right, not a privelage, tool or political weapon.	2/19/2022 12:40 PM

29784	Brought me hope for Canadians and all humanity to stop the globalist coup d'état	2/19/2022 12:39 PM
29785	I support the truckers 100%. They have been heroes in this pandemic and their cause. They have been inspirational in what they did and accomplished. I didn't realize how corrupt our government is. Time for change. They give us hope and made me proud to be a Canadian! Thankyou truckers!	2/19/2022 12:39 PM
29786	It has ignited a fresh hope that maybe the end is in sight.	2/19/2022 12:39 PM
29787	I support the trucking convoy fighting for everyones freedom. I believe that there is a right to choose to wear a mask, to get vaccinated as the majority of the population has been vaccinated. It was either get vaccinated or lose my job and education that I worked so hard to get.	2/19/2022 12:39 PM
29788	I bought my first Canadian flag in 46 years, for a moment I was a proud Canadian	2/19/2022 12:39 PM
29789	Gave me hope that this will end soon	2/19/2022 12:39 PM
29790	Given hope to so many -so inspired by the bravery -the love shown -changing the world -	2/19/2022 12:39 PM
29791	Honestly, it has made me realize that I am not alone and it has given me HOPE that these ridiculous mandates will end and we will look for better ways to deal with Covid now, like testing early treatment. It is TIME!!	2/19/2022 12:39 PM
29792	Gives hope and education to exercise given by Charter fundamental rights	2/19/2022 12:39 PM
29793	Gave me hope that we would get our lives back. Can't believe the lack of empathy from Trudeau and the police following his orders	2/19/2022 12:39 PM
29794	It has made it clear to the rest of the country how imbecilic, pointless and rediculous the mandates are.	2/19/2022 12:39 PM
29795	It has woken me up to the tyrannical overreach of our prime minister and our government .	2/19/2022 12:39 PM

29797	It has brought my community together	2/19/2022 12:39 PM
29798	It has given me my voice back even if the government chooses to ignore and censor it the world has seen it. It has made me reevaluate leaving the country for good, I will wait and see if our government comes to their senses	2/19/2022 12:39 PM
29799	It has giving me hope and has showed me that people are good and can come together and unite.	2/19/2022 12:39 PM
29800	Gave hope	2/19/2022 12:39 PM
29801	Made me proud. Made me fearful of my government and less trusting to the point we withdrew all our bank accounts. Government is out of control	2/19/2022 12:39 PM
29802	Hope. Unity. Opportunity again for job sports and university If truckers win the fight.	2/19/2022 12:39 PM
29803	It's given me something to get excited about. It's made me feel like I might possibly get my life back and be able to experience life like before. It's given me a sense of community and understanding that many people feel as I do.	2/19/2022 12:39 PM
29804	It has not, I support them.	2/19/2022 12:39 PM

29806	It shows that Canadians are freedom loving and peaceful,	2/19/2022 12:39 PM
29807	It never!! What part of free speech and a democracy don't you understand?	2/19/2022 12:39 PM
29808	Love it a lot	2/19/2022 12:39 PM
29809	It gave me some hope. Does our government listen to them? I hope so! If there's so much protest nation wide any race , age, culture or gender then I think it's high time to listen to your citizens and show that you are listening! The convoy didn't affect my life in a negative way. It didn't hurt me financial either. It gives me hope and found out I'm not alone in this.	2/19/2022 12:39 PM
29810	Hope	2/19/2022 12:38 PM

29817	0	2/19/2022 12:38 PM
29818	I thought it gave us Hope. To freedom that Canada had always prided ourself on	2/19/2022 12:38 PM
29819	It's been the best thing to happen in the past 2 years, Canada is uniting and this is terrifying the government. The convoy is peaceful and all rallies across the country are peaceful. We are the majority. The way the government and police are now treating the people involved is embarrassing and disturbing.	2/19/2022 12:38 PM
29820	Just when I was at a point where I truly thought I was losing my mind and losing control of every aspect of my life, I participated in a protest in December and then found out about the convoy and as eager to support the group of people that I had always identified with...hard working, blue collar, down to earth people. They have helped me find the boldness that God has given me, to help me stand for my childrens rights and freedoms. They helped me know that I was not alone.	2/19/2022 12:38 PM
29821	It gave me hope that we would get our freedom back so we could live our lives as only then will Canada as be a FREE Country again!	2/19/2022 12:38 PM
29822	broke supply chain	2/19/2022 12:38 PM

29827	I want things to change	2/19/2022 12:38 PM
29828	They have disrupted groceries and supplies from reaching us and businesses and factories shut down. They have destroyed any confidence people have in our medical system and government. They have cause friends and family to no longer be my friends and family	2/19/2022 12:38 PM
29829	Pride for being a Canadian for the first time in a long time	2/19/2022 12:38 PM
29830	It has shown me that we are not alone in this conflict	2/19/2022 12:38 PM
29831	I have had hope that Canada will return to normal! Right now with the over reach of power by Trudeau I fear for my life!	2/19/2022 12:38 PM
29832	it has given me hope	2/19/2022 12:38 PM
29833	Gives hope to end this tyranny	2/19/2022 12:38 PM

29837	They are our for Canadians Freedom	2/19/2022 12:38 PM
29838	Given hope during a hopeless time and restored my faith in Canada and the Canadian citizens as a whole	2/19/2022 12:37 PM
29839	Food shortages, supply shortages. These drivers should be on the road delivering. Makes me angry to think they used kids as human shields. Canada is a free county, just because the government wants us safe, those truckers don't care of anyone but themselves. Maybe they should get Covid, and see how it will affect their lives in the long run.	2/19/2022 12:37 PM
29840	Its giving me hope	2/19/2022 12:37 PM
29841	It has brought hope to Canadians that have felt very hopeless over the past 3 years.	2/19/2022 12:37 PM
29842	It has given me hope and showed me what peace and love can do	2/19/2022 12:37 PM
29843	I'm proud of them fighting for freedom, and that more people are waking up because of this convoy.	2/19/2022 12:37 PM
29844	Provided hope for the future, an end to the limitations this has put on our livelihoods, education, and mental health.	2/19/2022 12:37 PM
29845	I support it for what it stands for freedom of our rights. I do believe that it's time to leave now	2/19/2022 12:37 PM
29846	Gives hope	2/19/2022 12:37 PM
29847	Brought hope	2/19/2022 12:37 PM
29848	I have had to wait a little longer to receive orders but I'm not sure if that is the truckers or supply chain issues our governments have created before covid. The biggest thing it's done though is restore my faith in humanity, that there are other individuals that are tired of dictator Trudeau.	2/19/2022 12:37 PM
29849	Gave me hope	2/19/2022 12:37 PM
29850	It has not affected us. We Love it ❤️😊	2/19/2022 12:37 PM
29851	Proud to see there are still people willing to fight for our freedom of choice as outlined in our Charter of Rights not to mention the Nuremburg Code.	2/19/2022 12:37 PM
29852	Hope.	2/19/2022 12:37 PM
29853	Every one should have the choice to eat, drink and the input in there own body as long as we respect our mother earth, nature and the wildlife.	2/19/2022 12:37 PM
29854	It has shown me that there are a lot of people across Canada that support this so that is encouraging. It has brought out the corruption in Trudeau and the liberal government. It has frightened me to imagine Canada losing our fundamental freedoms that our parents have fought for and that define us as a nation. It has been encouraging to see the truckers stay calm and peaceful and that has given me hope.	2/19/2022 12:37 PM
29855	Brought everyone together	2/19/2022 12:37 PM
29856	They represent all of us the large majority of our population who work hard pay all the taxes. We voted in all of our leaders they work for us not us for them they are no longer representing us but representing their own agenda. I come from immigrant parents who came here for freedom to be able to express my opinion without harassment and intimidation I have always been a law abiding person and I will continue to be but there has been way too much power given to the government to decide to decide in every area of our lives. It's what most immigrants move to Canada for the freedom	2/19/2022 12:37 PM
29857	The truckers convoy has affected my life in the most meaningful way. I feel more connected to others than I have throughout this whole pandemic. As time went on my depression worsened due to the division I felt in the community. This truckers convoy has helped me realize that not everyone will be frightened by covid to the point they do not think of their neighbour. The truckers convoy has restored my hope in unity and love as a country and as family under God.	2/19/2022 12:37 PM

THANK YOU TRUCKERS. However the way the government is handling these protests is scaring me and has created great anxiety for the peaceful protestors and their safety

29858	I'm favourable that I still have a quality of life, but watching so many Canadians speak about how it effects their family, friends, and occupation. All you had to do was sympathize Trudeau..	2/19/2022 12:37 PM
29859	It has supported Canadians not receiving the truth! The MSM can NOT be trusted anymore in Canada. They are bought and paid for	2/19/2022 12:37 PM
29860	Given me hope	2/19/2022 12:37 PM
29861	It hasn't, its a breath of fresh air seeing my country stand together peacefully. What does affect me is seeing police who should be seen as heroes beat and trample peaceful protesters.	2/19/2022 12:37 PM
29862	A lot.	2/19/2022 12:37 PM
29863	Its made me feel people in Canada with no voice finally are being heard. A sense of communication and community and commitment . Its a blessing, a glass of fresh water in the desert just to have Trudeau come kick it over and spill it.	2/19/2022 12:37 PM
29864	I think it's wonderful to see all the support and love.	2/19/2022 12:37 PM
29865	It was a very good thing!	2/19/2022 12:37 PM
29866	It has given me hope in my future	2/19/2022 12:37 PM
29867	Not so much...except perhaps delivery of supplies will impact cost of goods and timeliness of deliveries	2/19/2022 12:37 PM
29868	It hasn't but I do know a trucker that is in Ottawa. I'm very thankful he is there representing us in our northern community.	2/19/2022 12:37 PM
29869	They have presented new hope to an end to the vaccine mandates and hopefully the end to Justin Trudeau's and his administration whom has not in any way represented the interest of Canadians	2/19/2022 12:37 PM

29875	It gave me a sense hope for the first time in 3 years.	2/19/2022 12:37 PM

29878	Proud Canadian	2/19/2022 12:37 PM
29879	Made me hopeful. And then hopeless.	2/19/2022 12:36 PM
29880	We are so proud that someone finally stood up for our Charters of Rights... if I stood up I could lose my job. I am triple vac'd... Trudeau has to go this is not Russia people came here to be free. He pulls the Emergency Measurement Act for trucker's but allowed the railroad blockades... he belongs in jail for numerous reasons... crimes against humanity for what once was a great country... I want my Canada back!	2/19/2022 12:36 PM
29881	Hasn't.	2/19/2022 12:36 PM
29882	The Freedom Convoy has given me hope that the current government may not get away with their totalitarian World Economic Forum agenda. The government has shown how corrupt they are and the peaceful convoy protest has reassured me that other Canadians see it too.	2/19/2022 12:36 PM

29885	Gave me hope!!!!!!!!!!!! I've never been prouder to be Canadian! Anglophones and francophones uniting, all nationalities uniting in hope! I'm ashamed at how the media has made them look! 30039	It's giving me hope that something is being done it's waking people up fast	2/19/2022 12:31 PM
30040	The trucking convoy has made me feel hopeful for the first time in 2 years. I get it, there is a deadly virus, but no one was allowed to question anything or allowed to use anything other than getting injected with an experimental does of who knows what. I'm extremely disappointed with the so called leadership that runs our country. Lord have mercy on us all	2/19/2022 12:31 PM

30049	makes me happy to see people feel as I do and r willing to fight for freedom	2/19/2022 12:31 PM
30050	Made me Proud and gave a glimpse of Hope. Certainly forced the PM to show his true side and shameful behavior and arrogance and total lack of caring for ALL CANADIANS the same. We need to Pray for our Leaders.	2/19/2022 12:31 PM
30051	For the better Standing up for Canadians	2/19/2022 12:31 PM
30052	It brought hope and voice to a segment of Canadians who had been villified and had less rights and access to do and particioate in daily life as other canadians could It started the conversation and idea that we would have to live with covid instead of control it which we were never going to accomplish. It started bringing to light the cost of the mandates on peoples lives. with gov and the media wvillified those who did not follow the passport mandates put in place. For the first time in my 50+ years I attended a protest. I watched a segment of our country come together and be inspired that I have not seen since terry fox albeit on a much smaller scale. I saw the west, aboriginals, quebecois, Christians, Sikh etc come together in support I saw Canadians come out in frigid winter weather to support this idea. Grammar making muffins, people opening their homes, giving food. Ir relevant of what it was for these characteristics in and of themselves are part of what makes us Canadians. I felt proud to be canadian. It also made me realize how much our world has changed especially the media, our government. Having watched both mainstream media and social media from the start of the convoy. I no media coverage, to misinformation, to vilification by both gov t and media, the reporting of what could happen instead what was happening. The continued attempts to control the narrative	2/19/2022 12:31 PM
30053	It warms my heart but makes me sad that the government is not listening. People will rise up and get their freedoms back!!	2/19/2022 12:31 PM
30054	It hasnt	2/19/2022 12:31 PM

30062	It's an annoying, politically illiterate group with vague ideas of freedom and affiliations to white nationalism and Nazism. I want that convoy to end and the participants arrested	2/19/2022 12:31 PM
30063	A bit of traffic disruption and some social media contacts harassing me for supporting it.	2/19/2022 12:31 PM
30064	Made me proud	2/19/2022 12:31 PM
30065	I am over the moon happy that truck drivers have this platform and the big rigs to back it. It has been the only positives since this whole shit show has begun. I support the convey 100%	2/19/2022 12:31 PM
30066	Keep hoping guys	2/19/2022 12:31 PM
30067	It's given me hope!! I stand with them!! They are standing for me	2/19/2022 12:31 PM
30068	All love	2/19/2022 12:31 PM
30069	Inspired me. Made me be proud to be Canadian for the first time in my life.	2/19/2022 12:31 PM
30070	Very proud of the truckers. The last bit of hope I have left for a free Canada	2/19/2022 12:31 PM
30071	It made me feel like a Canadian again. The love and unity. The PM has created so much hate and divide. Watching people ask online about seeking asylum in other countries is heart breaking. This is not MY Canada.	2/19/2022 12:31 PM
30072	Its giving me hope.	2/19/2022 12:31 PM
30073	MADE US REALIZE HOW BAD THE CANADIAN GOVERNMENT IS .	2/19/2022 12:31 PM
30074	It has given me some hope for change. I'm so proud of these people and the major sacrifices that they have endured for all of us.	2/19/2022 12:31 PM
30075	Shipping delays and revenue losses	2/19/2022 12:31 PM
30076	Restored hope; redeemed my faith in Canadians; rekindled my love for Canada; renewer my vision for what is possible	2/19/2022 12:31 PM
30077	Same as above	2/19/2022 12:31 PM
30078	Gave me hope for Canada to be great again	2/19/2022 12:31 PM
30079	My loved ones have been away from home since it started 23 days ago	2/19/2022 12:30 PM
30080	They are standing up for Canadian rights and liberties, peacefully protesting current issues, and insane things to come like digital ID'S, social credit systems, and more government overreach of freedom.	2/19/2022 12:30 PM
30081	gave me hope of normality again	2/19/2022 12:30 PM
30082	Made me wake up to see the actual truth to what's going on and just how criminal our government is. We need change,	2/19/2022 12:30 PM

30085	Making me a proud Canadian again because JT wrecked that for Canada	2/19/2022 12:30 PM

Canadians vote on Canadian Mandate - February 2022

30086	Positively. They have brought me hope and a little bit of relief for the first time in 2 years. I had my first child just before all the regulations came in and because of that I never got to have a normal first time mom experience and I don't want any of my friends that are just about to have babies to experience that. These protesters are doing this for the people that have continuously been ignored. And they are doing it peacefully! The war act is a gross over reach of power and such an exaggerated reaction to this situation. This country is very quickly turning into a dictatorship.	2/19/2022 12:30 PM
30087	They're fighting for all of our freedom	2/19/2022 12:30 PM
30088	It brought hope back a shimmer of light into the darkness. It gave my a voice volume I wasn't alone. I'm terrified at the extent the government has gone to hush these hard working Canadians. Fighting for the right to choose what goes in their bodies and the right to work !!! They need to work!!!! People of all backgrounds have lost jobs. These truckers gave us hope. A truck has always put food on our table. My father my mother my brothers and my ex husband.	2/19/2022 12:30 PM
30089	It has given me hope.	2/19/2022 12:30 PM
30090	To get any parts or anything for that matter is very delayed, but also given me hope that there still are Canadians with their brains in their head and realized that this has nothing to do for safety for Canadians we are all held hostage by a dictator who only cares for himself	2/19/2022 12:30 PM
30091	It has brought me hope for the first time in 2 years	2/19/2022 12:30 PM
30092	Finally Canadiens are speaking out about some of the issues, it made me believe that we can still have something to say, and be heard as human beings leaving on the land, peacefully speaking up. Was a great feeling!	2/19/2022 12:30 PM
30093	hasn't	2/19/2022 12:30 PM
30094	It's given me hope.	2/19/2022 12:30 PM
30095	It has given me hope for freedom. For the first time in a long while, I feel proud to be a Canadian because of them. They represent courage and bravery.	2/19/2022 12:30 PM
30096	Giving Canadians hope	2/19/2022 12:30 PM
30097	It has not really affected my life and I don't think they mean any harm with it. I believe our PM needs to make more of an effort to acknowledge them. Instead he voted against coming up with any plan to end mandates. Sad days to be Canadian.	2/19/2022 12:30 PM
30098	It has given me hope, which has been in short supply due to draconian government measures.	2/19/2022 12:30 PM
30099	Given me hope	2/19/2022 12:30 PM
30100	None	2/19/2022 12:30 PM
30101	It has given me hope in people again and in the future. That Canadians still stand for what is right. It has shown me how corrupt and terrible our government and media are and how they are all together. So many lies and so much division from the government. The convoy makes me believe that Canada will succeed in being led by good and there are people who will stand together to fight the horrors that are happening.	2/19/2022 12:30 PM
30102	It has opened my eyes to seek the truth and not to listen to main stream media. The independant live news feeds have shown me how censored the main stream media really is. Watching what was actually happening on the ground and the same story being aired on the 6:00 news were two totally different stories. Totally disgusted in how the MSM covers the news. Also, watching CPAC live and listening to the comments from politicians about the protesters in Ottawa about what was happening and their behavior were untrue and absurd.	2/19/2022 12:30 PM
30103	Not applicable	2/19/2022 12:30 PM
30104	Positively! It has opened my eyes to the government corruption in USA, Canada and all over the world. I have multiple family members and friends that have peacefully protested and participated either by supporting the convoy or being a part of it. It's been a beautiful Unifying movement. This has unified the States and Canada like never before. It's unified the east and west which used to be an us vs them. The trucking convoy has truly been a beautiful blessing and display of the REAL Canada ♥	2/19/2022 12:30 PM

30117	Gave me hope	2/19/2022 12:30 PM
30118	Gave hope amd showed unity	2/19/2022 12:30 PM
30119	I feel as if maybe we'll get our freedom back. Maybe I can stay and watch my toddler at practice, or take him to celebrate at his favorite restaurant.	2/19/2022 12:30 PM

30123	It has given me hope that things could return to near normal and Prime Minister Trudeau and Ontario's Premier should be removed from from their positions immediately and permanently.	2/19/2022 12:29 PM
30124	It hasn't really. I'm proud of what the they are standing up for. I want our Canadian freedoms back!!	2/19/2022 12:29 PM
30125	It has had a very positive affect! I have hope for the first time in years! Very patriotic and inspiring.	2/19/2022 12:29 PM

30129	hope, faith in society, faith in humanity,	2/19/2022 12:29 PM
30130	Positively. They are great people willing to help you out. Not once was I held up by them or made to feel afraid of them or what they were doing.	2/19/2022 12:29 PM
30131	It's makes me really happy that people are standing up for are rights and freedom	2/19/2022 12:29 PM
30132	They have given us pride and shown the world we stand together...as Canadian..not torn apart by the ignorance and brutality that the libreal government has shown the world...	2/19/2022 12:29 PM
30133	Gave some hope!	2/19/2022 12:29 PM
30134	The convoy has allowed me to feel hope and pride that I couldn't feel for two years in this country.	2/19/2022 12:29 PM

30136	Brought hope and joy, promise of something better for the future	2/19/2022 12:29 PM
30137	It hasn't	2/19/2022 12:29 PM
30138	It has helped knowing I'm not the only one fed up with being locked up in my home like I'm a criminal & it has already helped the situation of being treated with discrimination wh3n walking into a public area without a mask or having to disclose my personal medical information which I should never have to be asked for to be able to sit & eat in a restaurant or go shopping. That is absolutely wrong on so many levels. So the trucker convoy has made a big difference to my life already	2/19/2022 12:29 PM
30139	First time in a long time I've been proud to be Canadian	2/19/2022 12:29 PM
30140	Inspired me that life is going to be ok again.	2/19/2022 12:29 PM
30141	Gave me a new sense of hope and joy that all the people doesn't matter what your vaccine status, race or nationality is are together in love and peace for our freedoms for our country and around the world. God Bless	2/19/2022 12:29 PM
30142	I applaud the truckers for speaking up and being a voice for Canadians who are concerned about our loss of rights and freedoms.	2/19/2022 12:29 PM

30155	I love the truckers convoy! GO TRUCKERS GO!	2/19/2022 12:29 PM
30156	It has brought hope of a better future....but now that the cops have shown up and started bullying and abusing the PEACEFUL protestors...I'm ashamed to call myself canadian	2/19/2022 12:29 PM
30157	Not at all. Happy to see Canadian citizens have a rallying point, though suspect it is steered by less than altruistic influences both external to the convoy and amongst political slime like Dichter weaseling in to attach like a tick to the movement.	2/19/2022 12:29 PM
30158	It at one point gave me hope for future freedom and prosperity.	2/19/2022 12:29 PM
30159	Je suis en accord avec le convoi enfin le monde ce lève pour ravoir notre liberté Freedom	2/19/2022 12:29 PM
30160	It hasn't. I've bin to the convoy and seen nothing but amazing people all smiling and cheerful. It's great to see Canadians fighting back for their rights.	2/19/2022 12:29 PM

30222	It's brought positive energy to all Canadians and been bringing us all together in a very sad and divided time.	2/19/2022 12:27 PM
30223	It has FINALLY made an impact on learning to live with covid and possibly getting rid of insane mandates and Justin Trudeau.	2/19/2022 12:27 PM
30224	Given me hope again and make me think that we could return to a Canada I recognize. My parents always told me when I was little this would happen one day where the government	2/19/2022 12:27 PM

30236	I'm so proud of the Freedom Convoy. It hasn't personally affected my life.	2/19/2022 12:26 PM
30237	Felt proud to be part of Canada for the first time in years.	2/19/2022 12:26 PM
30238	Brought happiness	2/19/2022 12:26 PM
30239	Made me realize how dearly people value this country and the freedoms we take for granted. I have been "inconvenienced by parades, week long concerts or summits before- part of living in the capital. The hostile and antagonistic response to the protest by the PM and mayor repeatedly, as well as the media from the start created Such an atmosphere of tension and division here, it was palpable!!! The convoy reminded me that there were still Canadians who valued respect, acceptance and dialogue	2/19/2022 12:26 PM
30240	It has shown me that people will stand together to find how to create a way to self-govern their rights. The group is showing the power of self-agency when the gov't will not represent us.	2/19/2022 12:26 PM
30241	I felt glad and very patriotic for the first time in my life.	2/19/2022 12:26 PM
30242	Totally Support The Convoy . They Are Doing GREAT	2/19/2022 12:26 PM
30243	Concern over some of the motives, not just COVID restrictions. Interruption of the supply chain. I don't have a problem with protesting disagreements with the government, but causing other citizens prolonged distress is not OK. Again, I question the motives of some of the protesters and the funding to help them remain.	2/19/2022 12:26 PM
30244	Not directly. Now have no confidence in mainstream media nor the PM.	2/19/2022 12:26 PM
30245	It hasn't at all besides stressing me out by watching media and how it's being dismantled.	2/19/2022 12:26 PM
30246	Didn't affect me personally	2/19/2022 12:26 PM
30247	Gave me a sense of pride and hope. Made me proud to be Canadian again.	2/19/2022 12:26 PM
30248	I'm hoping the government listens to them and the people and ends all mandates.	2/19/2022 12:26 PM
30249	Made me feel hope for the first time in 2 years.	2/19/2022 12:26 PM
30250	Bring back freedom	2/19/2022 12:26 PM
30251	Giving me the reason to Hope it's brought up my proudness to be a Canadian citizen I have personal acquaintances that are directly involved in Ottawa who I stand behind because what they're sacrificing to help us get back to being the greatest country possible.	2/19/2022 12:26 PM
30252	Given me hope and faith in people again.	2/19/2022 12:26 PM

Canadians vote on Canadian Mandate - February 2022

30253	They are the one who help keep Canadian families fed. They deserve our support . Just as the supported the people	2/19/2022 12:26 PM
30254	It is amazing to see the hope they brought to our country in bringing us together in a time where the governments have divided us! The truckers convoy has been a beacon of light to the nation's of earth that humanity still exists in the midst of Trudeau types who would have us be slaves to AI crap!	2/19/2022 12:26 PM
30255	It has been inspiring to see a group stand up and say that what is happening with the mandates and the total lack of respect for people to choose what to put in their own body is not right.	2/19/2022 12:26 PM
30256	I has given me hope that our freedoms will be restored. That our charter or rights will be restored.	2/19/2022 12:26 PM
30257	Gave me hope and inspiration to keep going	2/19/2022 12:26 PM
30258	Groceries prices very high	2/19/2022 12:26 PM
30259	- given me encouragement to pursue our Charter Rights, to do it respectfully and peacefully - to have hope because others also recognize the illegal and injurious enforcement of "rulings" being dictated - to know how false "officials" and government, and media have been and continue to be	2/19/2022 12:26 PM
30260	It has made me proud to be a Canadian which I have not been since this administration has been in power	2/19/2022 12:26 PM
30261	It hasn't	2/19/2022 12:26 PM
30262	Gave me hope, lifted my spirit	2/19/2022 12:26 PM
30263	Makes you realize how much has been taken from us and what they are willing to do to get it back	2/19/2022 12:26 PM
30264	It hasn't affected me. I support it.	2/19/2022 12:26 PM
30265	At first very inspirational, made me proud to be Canadian and gave a sense of unity. Right now, the way they are being attacked builds empathy and compassion for them and exposes the Tyranny from our Government	2/19/2022 12:26 PM
30266	Not at all	2/19/2022 12:26 PM
30267	Made me more patriot	2/19/2022 12:26 PM
30268	It has renewed hope in me that perhaps reason and unity could return to our country.	2/19/2022 12:26 PM
30269	Has given me hope	2/19/2022 12:26 PM
30270	It has not	2/19/2022 12:26 PM
30271	Given me a reason to have hope in Canadians again.	2/19/2022 12:26 PM
30272	I don't see Any problems	2/19/2022 12:26 PM
30273	Love that they are fighting for us	2/19/2022 12:26 PM
30274	Given me hope	2/19/2022 12:26 PM
30275	None	2/19/2022 12:26 PM
30276	Restored my faith in humanity that there are others like minded, also suffering, trying to fight for our freedom! I am appalled & disheartened to see what is happening in our country to have to rely on these peaceful protests. Also the blatant disregard from the Government to acknowledge or address the concerns of this protest & merely wipe them off a fringe minority, racists, white supremacy etc.	2/19/2022 12:26 PM
30277	It has inspired hope and faith that the power of people standing together can do good	2/19/2022 12:26 PM
30278	I proud to be a canadian	2/19/2022 12:25 PM
30279	Made me have hope of have life go back to normal	2/19/2022 12:25 PM
30280	With prayer and suplication they have made their request known to God.. and the politicians	2/19/2022 12:25 PM

have heard. And do not allow freedom of choice. God judge those who have taken away the rights and freedoms we have from birth by God as Canadian citizens.. judge them and remove them I pray in Jesus name!

30281	Freedom and hope!!	2/19/2022 12:25 PM
30282	They have given me hope for the first time since this plandemic started two years ago when the government took away my right to choose and freedoms.	2/19/2022 12:25 PM
30283	It's getting out of hand, protest and go home	2/19/2022 12:25 PM
30284	It has brought unity to the country and helped many to see they are not alone in how they are struggling under the oppressive government that ignores science and follows abusive power ruling.	2/19/2022 12:25 PM
30285	They are fighting for my freedoms.	2/19/2022 12:25 PM
30286	Inspiration to my family and I finally believe in Canadians again	2/19/2022 12:25 PM
30287	Made me feel proud to be a Canadian, a feeling on unity that I'm not the only one being affected by this. The Canadian government has made me and others feel alone and helpless for a long time and this convoy has brought people together to stand up for what is right	2/19/2022 12:25 PM
30288	it brought me hope for the first time in 2 years	2/19/2022 12:25 PM
30289	they gave me hope for the positive change in Canada	2/19/2022 12:25 PM
30290	For the first time in years I have a reason to feel proud of my country. I'm elated that the fake news has been exposed for what it really is and That people are starting to wake up to reality. Or acknowledge reality	2/19/2022 12:25 PM
30291	Finally a movement to end this charade	2/19/2022 12:25 PM
30292	Gave me a bit of hope	2/19/2022 12:25 PM
30293	Seeing support from so many people has given me hope	2/19/2022 12:25 PM
30294	Has provided hope, strength and willpower!	2/19/2022 12:25 PM
30295	Given me hope	2/19/2022 12:25 PM
30296	It has given me hope to have our freedoms back plus exposed who the Prime Minister truly is - a communist, a tyrant, a bully...	2/19/2022 12:25 PM
30297	Gave me some hope that this will all end or at least be heard	2/19/2022 12:25 PM
30298	Brought hope that Canadians have a say in their life, raise up the vibration of the people and bring joy and love back into our lives.	2/19/2022 12:25 PM
30299	It has given me HOPE for us, the Canadian people and our great country of Canada!!	2/19/2022 12:25 PM
30300	N/a	2/19/2022 12:25 PM
30301	It has given hope	2/19/2022 12:25 PM
30302	No . I 100% support it	2/19/2022 12:25 PM
30303	Love that they are standing up for our freedom!	2/19/2022 12:25 PM
30304	I'm proud to be a Canadian again	2/19/2022 12:25 PM
30305	Is it brought hope!! It's validated that I'm not alone nor crazy in wanting my freedoms. It has allowed me to feel the pride I once had to be Canadian!	2/19/2022 12:25 PM
30306	It's finally waking people up that this isn't just about mandates.	2/19/2022 12:25 PM
30307	It gave us hope that something would actually change, that politicians and people in leadership would finally listen, for the first time in 2 years. I've contacted my MPP in LKM regarding various issues 6 or 7 times over the past couple years and NEVER recieved a response - I still get all the political messages from his office though. I voted for him and he has ignored us completely. At school, the principal and staff enforce rules, but defer responsibility to the school Board; the Board points fingers at the Health Unit or the Ministry of Education; when I speak to them, they either ignore me, give an auto reply, or point fingers back at the other	2/19/2022 12:25 PM

organisations. It's completely irresponsible, and lacks all leadership. No one is actually working to make anything better... It's just implementing rules because someone said so, surviving with all the new mandates but never questioning them. Never critiquing them to help improve the situation. It's complete submission to dictates even when they are completely contradictory and illogical. Annual slogan for 2021 was: "I don't know, I'm just doing my job.". I have apologized to my children so many times about the actions of adults in our community - that adults should know better, adults should behave better, that adults should be upright, and truthful, and defend kids. Our children deserve better!!! I saw, in the convoy, people representing every demographic in Canada come together with one voice to show compassion and understanding for the hardships and injustices that have been endured. That is what Parliament is supposed to be - a place for the voice of the people; but I saw leadership outside on the Hill that I haven't seen from elected representatives in a long time. My husband took our kids there so they could see what peaceful protests looks like, to tell them that they have a right to be heard. And now, watching the government response: slandering and name calling, threatening to take children away, creating petty legal hurdles, freezing bank accounts, etc..., how can it not scare them into silence? I saw integrity, courage, and self sacrifice in the truckers and their organisers. These are the everyday superheroes who are bringing hope and courage to Canada, and the whole world. When I see the convoy, I am proud to be Canadian.

30308	Unmanageable higher prices (I am a senior on a fixed income). Which bills do I not pay so that I can eat and put fuel in my vehicle to get groceries?	2/19/2022 12:25 PM
30309	It has not	2/19/2022 12:25 PM
30310	It brings hope	2/19/2022 12:25 PM
30311	It hasn't	2/19/2022 12:25 PM
30312	Awsome they are helping us wr would be dead without them	2/19/2022 12:25 PM
30313	It has given me hope	2/19/2022 12:25 PM
30314	Not at all	2/19/2022 12:25 PM
30315	Everything	2/19/2022 12:25 PM
30316	For the first time in 2 years I feel hope. I don't feel alone anymore, and the convoy has felt like a light at the end of the tunnel after a long 2 years.	2/19/2022 12:25 PM
30317	The convoy was a ray of sunshine. We know people are standing up and we see so many people that are against the mandates.	2/19/2022 12:25 PM
30318	I live in Ottawa, about 2km from parliament hill. The noise has been a nuisance, but the most concerning part to me is that peaceful protestors with legitimate concerns have not distanced themselves or done enough to shut down the hateful, racist, violent, and potentially dangerous groups that have attached themselves to the movement. That small minority had caused fear amongst Ottawa residents and destroyed any credibility or legitimacy for the protestors. When good people just looking to exercise their democratic rights harbour or brush off racists, homophobes, and extremists, it makes me worry for the future of Canadian politics and civility. The truckers and protestors don't bother me. The harassment, hate speech, and incitement to violence absolutely does.	2/19/2022 12:25 PM
30319	It brought hope, it brought light, it helped our family see that we are NOT the minority. That we are not alone.	2/19/2022 12:25 PM
30320	Not. Support them 100%.	2/19/2022 12:25 PM
30321	It has restored my faith in humanity. They have brought all walks of life together to unite. The people have the power...God is Love.	2/19/2022 12:25 PM
30322	Thanks to the Truckers Convoy - me and Canadians have opened our eyes and mind to what Trudeau is doing to the country ... fear for the future of Canada's FREEDOM	2/19/2022 12:25 PM
30323	It hasn't	2/19/2022 12:24 PM
30324	Offered hope	2/19/2022 12:24 PM
30325	I have never felt more proud to be Canadian. I have felt the love and electricity downtown. I have seen with my eyes how united Canadians are right now. I am in utter and complete love for how peaceful this has been. I will continue to support the truckers in any way I can.	2/19/2022 12:24 PM

30326	Feeling encouraged and empowered.	2/19/2022 12:24 PM
30327	Has given me hope	2/19/2022 12:24 PM
30328	Proud to be Canadian	2/19/2022 12:24 PM
30329	It has not effected me in the least.	2/19/2022 12:24 PM
30330	It hasn't except for feeling proud again of being Canadian.	2/19/2022 12:24 PM
30331	It's giving me hope for the future, for me my children and most important for my grandson and my beautiful family neices , nephews who have small children I inigrated as a small child from a communist country and I saw life under that way of living and it's not good Freedom is everything	2/19/2022 12:24 PM
30332	It has given me hope and proves I'm not alone with how I feel	2/19/2022 12:24 PM
30333	Makes me happy	2/19/2022 12:24 PM
30334	It has raised my sense of nationalism and concern that Canada is not united. It has raised a concern that our federal government, politicians are not exhibiting negotiation skills with Canadian citizens. It is clear that media is not source of facts, truth, or ethical behaviour and cannot be trusted. It has helped me understand that the alleged "fringe" protestors" (nazi, antivax, antigovernance, homophobic, violent, etc) are not looking for constructive solutions but rather attention, rights without responsibility, and need to be addressed. I hope only that the citizens of Canada and the governing bodies can resolve this before there is a tragic loss. Praying for safety, calm and kindness.	2/19/2022 12:24 PM
30335	I'm sick of hearing about it	2/19/2022 12:24 PM
30336	It hasn't. I support them!	2/19/2022 12:24 PM
30337	For the first time since the start of the pandemic I'm proud to be a Canadian and there is some hope of it ending.	2/19/2022 12:24 PM
30338	We are heartbroken/angry that the police have been so draconian and violent. It has shown me how much of a dictatorship our government has become. We are looking into taking our money out of our Cdn. bank accounts.	2/19/2022 12:24 PM
30339	Positively its brought hope to the world	2/19/2022 12:24 PM
30340	Given me hope that there are still decent ppl who cherish the medical rights of individuals	2/19/2022 12:24 PM
30341	So grateful for the truckers they have given parts of my life back	2/19/2022 12:24 PM
30342	Gave me hope for freedom, I'm not alone	2/19/2022 12:24 PM
30343	Hope	2/19/2022 12:24 PM
30344	It has given me hope that finally our elected officials will listen to reason.	2/19/2022 12:24 PM
30345	It has given me hope, I no longer feel alone. I feel a sense of unity with complete strangers. The convoy has brought the world together to stand up to tyranny across the world.	2/19/2022 12:24 PM
30346	Gives me hope. They're holding the line and we're winning! They brought love and peace back to humanity.	2/19/2022 12:24 PM
30347	Giving me hope that we will once again live in a free country where freedom of speech, choice and beliefs exist. Made me feel proud to be a Canadian again.	2/19/2022 12:24 PM
30348	Someone had to make a stand	2/19/2022 12:24 PM
30349	It has got the people to realize what the government has taken over freedom.	2/19/2022 12:24 PM
30350	Those heros give me hope	2/19/2022 12:24 PM
30351	I don't appreciate the way they protested. Blocking streets and interfering with the ability for emergency vehicles to get around. I don't understand why they weren't getting tickets and vehicles towed from the beginning. It's fine when people go out and protest. But not with vehicles especially big trucks. I feel bad for the chief of police that quit his job out of the frustration. I think he should get his job back. I guess the trucks came in too many too fast for	2/19/2022 12:24 PM

him to do anything. This survey doesn't ask the most important question. The truckers and other people want to freely cross the border without testing. I don't know if that should change.

30352	The convoy has given me hope and a voice!	2/19/2022 12:24 PM
30353	The trucker convoy has given me hope to know that many other Canadians agree with my point of view.	2/19/2022 12:24 PM
30354	The convoy gave me back hope for this country. I had never been so proud to be Canadian. First time I had ever been to parliament hill for a gathering in my life and I have always lived an hour away. #freedom	2/19/2022 12:24 PM
30355	No effect	2/19/2022 12:24 PM
30356	Frankly it's my only hope. I've never seen so much solidarity in support of our rights and freedoms	2/19/2022 12:24 PM
30357	Given me hope	2/19/2022 12:24 PM

30361	The truckers have been the voice for Canadians whose rights have been violated. They've given me hope for a brighter future for Canada.	2/19/2022 12:23 PM
30362	Increased my stress level	2/19/2022 12:23 PM
30363	Only the nonsense on behalf of the government officials	2/19/2022 12:23 PM

30368	Inspiring	2/19/2022 12:23 PM
30369	Has offered hope and inspiration and restored my confidence in the strength of the spirit of people to stand strong and rise up against tyranny, injustice , dishonesty and oppression of the people and their RIGHTS AND FREEDOMS .	2/19/2022 12:23 PM

30374	Love it, gives me so hope, joyful, tearful, but so angry at Trudeau. How horrible that he has done. He is a criminal and shall not speak the words to describe what should be done to him.	2/19/2022 12:23 PM
30375	It hasn't affected me much. I read a lot about it on social media.	2/19/2022 12:23 PM

30403	No way at all.... other than I feel way more confident in our freedoms Go Truckers ♥♥	2/19/2022 12:22 PM
30404	Eye opener that so many Canadians, regardless of who they are fear government over reach in our personal, God given freedoms and freedom of choice. It makes me afraid of the future for ourselves and our children if this continues.	2/19/2022 12:22 PM
30405	It has given us hope. Seeing so many others who feel as we do, made us realize we are not alone and perhaps not even a minority. Praying that God will keep our land glorious and free!	2/19/2022 12:22 PM
30406	Given me hope. That I am not the only one that thinks the government has over stepped! They have taken the wrong step about keep democracy. Forcing those that oppose their new mandates to comply or lose. It is unconstitutional and I a disgrace to the Canadian name	2/19/2022 12:22 PM

30513	It seemed like it was going to be the light at the end of the tunnel	2/19/2022 12:20 PM
30514	It hasn't affected our family	2/19/2022 12:20 PM
30515	Has brought love peace and hope	2/19/2022 12:20 PM
30516	It's unified and woken up many. Other than the blockades, I am 100% in support of the freedom convoy. They stand for unity and freedom.	2/19/2022 12:20 PM
30517	Gave me hope in Canada again	2/19/2022 12:20 PM

30520	It hasn't	2/19/2022 12:19 PM
30521	As I reside in BC, none.	2/19/2022 12:19 PM
30522	Positively. These are not just truckers, these are Canadians from all races, religions and walks of life coming together to support each other and fight for a free Canada. I had almost no Canadian patriotism left before the people started standing up. People fighting for freedom from an overreaching government have NEVER in history proven to have been in the wrong.	2/19/2022 12:19 PM
30523	Beautifully. I feel hope for my children's future.	2/19/2022 12:19 PM
30524	It didn't affect anything in my life	2/19/2022 12:19 PM
30525	It has made me feel unsafe in my home, city and country	2/19/2022 12:19 PM
30526	It hasn't. Other than I'm watching the live feeds from the truckers and seeing for myself what it actually looks like there and it's 100% NOT what msm is saying.	2/19/2022 12:19 PM
30527	I am so glad they are there and give me hope	2/19/2022 12:19 PM
30528	In the most positive way ever! It has given me some hope that was lost in the past 2 years. When the convoy rolled in the first day through Ontario, I cried for almost an hour out of relief that day that someone had strength to fight against our freedom being stripped away. The truckers have logic our government has not shown any logic in their steps through this pandemic.	2/19/2022 12:19 PM
30529	I feel human again	2/19/2022 12:19 PM
30530	Did not affect my life but I hope the message was strong to the Prime Minister	2/19/2022 12:19 PM
30531	Discussion on poor federal government response and Trudeau's arrogance and ineffective leadership	2/19/2022 12:19 PM

30534	Made me hate the cops and government and brought Canada together	2/19/2022 12:19 PM
30535	Besides the grocery shelves suffering, I haven't been terribly effected. There have been many disasters in BC this past year that has done the same. We are used to not getting the foods we would like. But with the convoy I haven't noticed a huge change. That being said, I am in agreement with the reason/s they are doing this. There are different aspects, some I agree with, some I don't. But change is needed and this IS a part of that change.	2/19/2022 12:19 PM
30536	It's amazing to see how people finally stand up together. There is finally hope at the horizon and I'm happy to see that Ontario has already lifted restrictions. I'm looking forward for no federal mandates anymore and travel out of the country freely!	2/19/2022 12:19 PM

30537	It's created tension and distrust for many people including the police. I don't like how something forced by the government has placed mistrust on the police, the people who are there to protect. They're scared too because of all the division, but now they are being villafied.	2/19/2022 12:19 PM
30538	It has provided hope, it has shown my children that we have the right to stand up for what we believe in, it has provided unity amongst all Canadians and around the world, it has given joy just by seeing people unitrd and smiling. It has shown that Canadians can and do set an example for the rest of the world...despite the acts against it. A fringe minority has become an Emergencies Act. We Canadians are powerful no matter what people in power are trying to do. Canada has always been know for freedom. It's not about yo change now.	2/19/2022 12:19 PM
30539	In no way.	2/19/2022 12:19 PM
30540	Empowerment! Hope.	2/19/2022 12:19 PM

30542	It has not	2/19/2022 12:19 PM
30543	Nothing has United our country more then the freedom convoy since world war 2. Hope of getting our God given rights back the peaceful way the right way	2/19/2022 12:19 PM
30544	The trucker convoy has provided some hope. It has exposed the large number of Canadians who oppose the government's actions.	2/19/2022 12:19 PM
30545	Given me hope	2/19/2022 12:19 PM
30546	No impact- I hope they change things though	2/19/2022 12:19 PM

30549	Hope	2/19/2022 12:19 PM
30550	It has brought unity, strength, compassion. We are supposed to a nation that is strong and free. Trudeau has denied us these rights for far too long! Time to take our Canada back!	2/19/2022 12:19 PM
30551	The trucking convoy has GIVEN ME HOPE!! I WATCH LIVE FEEDS AND SEE THE TRUTH!!!! THANK YOU TRUCKERS AND SUPPORTERS!	2/19/2022 12:19 PM
30552	I support the truckers 100%. They have been peacefully trying to get the point across that we want our freedoms back.	2/19/2022 12:19 PM
30553	Opens the eye's of a lot of people to gov't control.	2/19/2022 12:19 PM
30554	It has not affected me directly although I do support what they want peacefully there is never a reason to get violent if you want to protest to mean anything it must be peaceful	2/19/2022 12:19 PM
30555	Positively it's bringing canadaians together	2/19/2022 12:19 PM
30556	After exhausting our democratic options, this convoy shows us that people actually care about the situations these mandates have put us in, and given us hope that things could change for the better.	2/19/2022 12:19 PM
30557	I have hope for our freedom	2/19/2022 12:19 PM
30558	I am proud of how Canadians are unifying. Some separatist Quebecers are deciding to unity and identify with Canadians. I am shocked by the injustice of the government and its leaders. I am seeing an end to democracy and the truckers and supporter are trying to stand on guard for our democratic nation.	2/19/2022 12:19 PM
30559	Re enforced my will to stand up	2/19/2022 12:18 PM
30560	I've been inspired, my faith in Canada has been restored, they are real Canadians	2/19/2022 12:18 PM
30561	Give me so much hope. So happy to see just how many are behind this and feel the same way as I do	2/19/2022 12:18 PM
30562	It has not but I am pleased to see them standing up for freedom of choice	2/19/2022 12:18 PM

30571	The trucking convoy has brought me great hope of change for the better, the dropping of all mandates and the end of radical, dictatorial, federal government. It has brought great hope that there will be an end to egregious government over- reach	2/19/2022 12:18 PM
30572	It's great I support them 100%	2/19/2022 12:18 PM
30573	Gave us some sense canada can still rally and be united for what's right and not sit on the sidelines while a prime minister goes on a power trip calling hard working Canadians terrorists and a threat because it goes against his own personal agendas	2/19/2022 12:18 PM
30574	Not at all... in-fact they gave me and somany others Hope... which is the one thing left that the government wants to take from us!!!	2/19/2022 12:18 PM

It gave myself and the people of Canada hope that perhaps our democratic process was still intact. I see that even in these hardships that Canadians can still be peaceful in their protests. It has also awoken myself and many to the deep corruption in our country and has sickened me to see and hear the hatred our PM has towards Canadians and he would rather seek to intensify the situation rather than speak to the people who pay his salary... The Convoy has also shown me that our democracy is not intact..	2/19/2022 12:17 PM

30677	None.	2/19/2022 12:15 PM
30678	I applaud the efforts of activists who advocate for the right to determine whether or not individuals choose to be vaccinated. They also bring to light the fact that the policies over the past 2 years are ideological and not based on genuine science, as brought forward by experts who are shunned by the government and the media.	2/19/2022 12:15 PM
30679	It's given me hope	2/19/2022 12:15 PM

Canadians vote on Canadian Mandate - February 2022

30706	It has given me hope and made me feel like a proud Canadian again	2/19/2022 12:14 PM
30707	It has given us a glimpse of hope for or freedom. This extends way further then ending mandates. We as Canadians have lost our rights to freedom. As Canadians we need to fight for them. I thank the convoy for doing just that and will forever be grateful.	2/19/2022 12:14 PM
30708	Hasn't	2/19/2022 12:14 PM
30709	It has not	2/19/2022 12:14 PM
30710	They are doing what is right for our freedom, which I understand but that with that we are slowly lacking on the food that we all need especially when we food to live.	2/19/2022 12:14 PM
30711	I am a truck driver. I hope to see their initiative starts a really important conversation.	2/19/2022 12:14 PM

30716	It doesn't.	2/19/2022 12:14 PM
30717	It has not	2/19/2022 12:14 PM
30718	It gave me hope that Canada could finally be heard. We could at least have a dialogue with the PM. He refused which is extremely uncharacteristic of what a good prime minister should do. They were very peaceful according to the reports I heard from many people who attended. The mass media that are paid completely by the government were untruthful or twisted in their reporting. So to say in what way did the convoy affected my life - it raised my hopes. It was wonderful to see so many beautiful souls from EVERY walk of life there. Not to mention vaccinated and unvaccinated alike. This to me is what Canada is. PM has been nothing but divisive and slanderous. This is a completely shameful way for a PM to act. In my opinion he is a complete disappointment and it truly saddens me to my core.	2/19/2022 12:14 PM
30719	Gives me hope but our government is corrupt and has muzzled the truth being told	2/19/2022 12:14 PM

30726	Giving hope	2/19/2022 12:14 PM
30727	Hope	2/19/2022 12:14 PM
30728	Upset me emotionally with the shame it's brought our country. I always thought we didn't have far right agitators in the numbers that turned up. Are we not unlike the states? Horrible thought	2/19/2022 12:14 PM
30729	Gives me hope that no one has to feel the way I have over forced mandates.	2/19/2022 12:14 PM

30763	The light at the end of the tunnel. Truckers are few. Millions of citizens attending Ottawa rallies, & other locations, and, on all streets and highways across the nation. This cannot be dismissed as a "trucking fringe minority" That's the beauty of it all. The truckers were the igniting spark. Now humans are awakening. God's Mystical Hand at work...	2/19/2022 12:13 PM
30764	Positively. It has brought visibility to the fact that many Canadians strongly disagree with the mandates. Before the convoy one could not tell if one really was part of a fringe minority. Now Everyone knows that a significant portion of the population does not support mandates that discriminate and divide.	2/19/2022 12:13 PM
30765	Positively. There is so much more to it then just vaccine mandates	2/19/2022 12:13 PM

30766	It has given me hope to see others who support medical choice and who stand up for our charter. I am currently politically disoriented as I have NEVER been aligned with conservatives. 30778	It is the first time since the lockdowns started that I have felt hope. It's very sad that I feel more pride for a group of strangers trying to defend the freedoms of Canadians than I do in my own leadership.	2/19/2022 12:13 PM

I am getting to the point of not wanting to live in Canada. But the trucker convoy gave my husband and myself hope to make a difference. Things need to change in this government. I am revolted how the government is behaving in this situation with the convoy the government is a disgrace. This war act is unacceptable and unnecessary the government should be ashamed of themselves for even thinking of such a thing.	2/19/2022 12:12 PM

30813	I feel it has unified people in a positive way. Yet what I am seeing now with how our government has acted makes me so ashamed. I feel that it has been a peaceful protest which is the right of every Canadian citizen.	2/19/2022 12:12 PM

30880	The trucking convoy has filled me with joy and Hope. As a free thinking citizen, I have been marginalized in my community. The trucking convoy and it's millions of supporters made me feel like I was part of the majority. It made me feel validated in my pro-choice commitment. It reminded me of what democracy looks like and made me very proud to be Canadian. A true Canadian.	2/19/2022 12:10 PM

30883	It hasn't. Although genuine fear due to supporting the movement. I'm afraid next Trudeau will put us in jail for opinions and point of views.	2/19/2022 12:10 PM
30884	Positive. Proud to be a Canadian again	2/19/2022 12:10 PM
30885	In the beginning it gave me a glimmer of hope. A movement that might increase the awareness of what is really happening. I think it accomplished that to a degree. I think it is the next step in the movement to eliminate the people that think they have control over our freedom.	2/19/2022 12:10 PM
30886	It has given me some hope.	2/19/2022 12:10 PM
30887	It has brought hope to me and my family	2/19/2022 12:10 PM

30901	Not at all. Truckers World Wide need to take 2 weeks off to get the attention of politicians.	2/19/2022 12:10 PM
30902	It has brought hope and pride back into my life. I was so proud and now I am heartbroken to see how they are being treated.	2/19/2022 12:10 PM
30903	It made me proud that people are willing to stand up against extreme control and mandates by government . I think millions of people are supporting the convey to a point. I don t agree with stopping border crossing or with use of force or violence on any side.I was frustrated with the lack of leadership and to the unwillingness to listen to and deescalate the situation. The government cannot ignore what the people are protesting against. They must be heard and not made out to be a fringe minority or troublemakers. An example of this is when parents ignore the frustrations of their children and then their children rebel. The parents haven t listened with their hearts. The intent of the government is only to squash the situation but now with the severe measures they have taken, it will undoubtedly aggravate the situation more deeply.	2/19/2022 12:10 PM
30904	It has been so encouraging seeing people giving up time and money to support what they believe in. They are being so peaceful about it and just want to have some communication with our prime minister.	2/19/2022 12:10 PM
30905	Unaffected	2/19/2022 12:10 PM

30909	It has shown me that the majority of Canadians are fed up with the gov't & the mandates which the legacy media have tried to dispel with lies. Knowing that we are many has given hope, empowerment, and light in the darkest time. This has also opened my eyes wide as to the	2/19/2022 12:10 PM

30933	Given me hope in people. Given me sadness in uniformed officers participating.	2/19/2022 12:09 PM
30934	Not at all....I have great appreciation for what they have been doing on my behalf (a senior unable to join in to support them).....I'm disgusted with the Canadian government STEELING the monies we have gifted the truckers to help them and their families survive as they stand for all of our FREEDOM.	2/19/2022 12:09 PM
30935	Thanks to freedom Convoy I have hope for free life again.	2/19/2022 12:09 PM
30936	It has given us hope, love and unity that perhaps democracy and upholding the charter of rights and freedoms in respect of bodily autonomy and freedom to travel will be restored. Hope that mandates will be dropped and we can begin healing with each other and start working without prejudice.	2/19/2022 12:09 PM

listened to what Canadians and even the rest of the world wants.

30940	It has given me hope	2/19/2022 12:09 PM
30941	Encourage people to speak and walk in freedom not fear and this has woke a lot of people up and given them a voice and showed them their voice is important and shown me the power of prayer to God almighty who is over all and wants us to pray for God's leaders and all men to come to the love and truth of God for them and their country	2/19/2022 12:09 PM
30942	It has given Canadians hope. And a voice that the government has been ignoring.	2/19/2022 12:09 PM
30943	No effect as yet. I live in Mississauga and not in direct contact. It may be part of the reason for the promised mandate changes but am not certain of that	2/19/2022 12:09 PM
30944	Shows that they are fighting for everyone's freedom	2/19/2022 12:09 PM
30945	Hope in a dark place	2/19/2022 12:09 PM
30946	A lot	2/19/2022 12:09 PM
30947	Has helped to at least not have vax passport so I can be out in public .	2/19/2022 12:09 PM
30948	I support them they are right to do it	2/19/2022 12:09 PM
30949	Gave me a feeling of hope and love. I'm ashamed of our government. I think the government needs to be changed	2/19/2022 12:09 PM
30950	It has given me hope for change and a return to the Canada I knew and loved. It has given me hope that my child will be able to attend post-secondary education and pursue the career of her choice regardless of her medical choices.	2/19/2022 12:09 PM
30951	They have shown a certain bravery to speak to citizens like me and so many in this great country Canada that I immigrated with my parents 40 years ago. I have been very fortunate and blessed my business in the last year was extremely busy in the renovation industry which has exploded. But we must not forget the citizens who did suffer and this current government has not shown any regard for Canadians. It's time for the government to give back respect to Canadians. Freedom convoy has got my head out the sand .	2/19/2022 12:09 PM
30952	Opened my eyes up to Trudeau and the way a spoiled child acts..could have ended sooner if he would have met and discussed things at a private location no one who have known about.. instead him and sing(sp) announced Canadians are just racist, homophobic, terrorists..Ontario had already engaged in their own emergency act so why did that not include Ottawa... the truckers maybe wrong in blocking off streets but is there really enough parking for them at the seat of parliament??? And why does main stream media go with not reporting all the news correctly... like the truckers and Canadians the world is watching!! So glad the convoy opened peoples eyes up!!	2/19/2022 12:09 PM
30953	It's given us renewed hope and much needed unity in a country that has been divided in more ways than can be listed here.	2/19/2022 12:09 PM
30954	I love it	2/19/2022 12:09 PM
30955	Has shown the love that a community of like-minded people have for our country and each other.	2/19/2022 12:09 PM
30956	Hope.	2/19/2022 12:09 PM
30957	Made me aware of how just in control the government is of ones life and how they can take whatever, whenever they choose. Have never been so proud of one who is stood up to fight for our Rights & Freedom	2/19/2022 12:09 PM
30958	It really hasn't I am happy someone has been able to stand up	2/19/2022 12:09 PM
30959	For the first time in two years I have felt hope. They have stood up for the beliefs that so many of us have. It has United me with others and made me feel like I wasn't alone.	2/19/2022 12:09 PM
30960	It has brought me a sense of hope that Canada is what Canada says we are - free. All they want is political discourse. They want their livelihoods back. We all do. It's time.	2/19/2022 12:09 PM
30961	It hasn't	2/19/2022 12:09 PM

30964	Love it, gives hope and made me realize I was not the only one who did likes all this (trudeau)	2/19/2022 12:09 PM
30965	See how our government and those following their orders are the criminals, violence initiators. Some should be charged criminally themselves. Lost most respect for federal authority.	2/19/2022 12:09 PM

30969	It hasn't really	2/19/2022 12:08 PM
30970	It has helped our province and other provinces to start seeing some mandates lifted and a return to normal society and life. It has helped other countries around the world to provide hope and start their own convoys foe freedom. Shelves are still fully stocked, life has continued on normal here with some hope for residents to be heard from all over Canada. It has united all races, religious beliefs, political beliefs, genders, ages etc to come together and fight peacefully for our rights to be reinstated from our Canadian Charter of Rights and Freedoms!!	2/19/2022 12:08 PM

30983	Made me proud to be a Canadian again!	2/19/2022 12:08 PM
30984	It gave me a bit of happiness and hope for the future. It seems the government tries to take more and more control of our personal lives. I think it was a strong message to the government that we will push back when they decide to control far more than what they should be allowed to.	2/19/2022 12:08 PM
30985	It has shown me Canadians will not be pushed around and true patriotism still exists.	2/19/2022 12:08 PM

30995	I felt a strong sense of pride and I was proud to be a Canadian. But now the way the government is handling it. All the violence against these peaceful protesters makes Me literally sick to my stomach. I can't even watch trudeau at the parliament meetings. He is a liar, he avoids the questions, he is despicable and needs to be removed immediately	2/19/2022 12:08 PM

31015	Given me hope. Most of the convoy have lost their jobs, they are representing every last Canadian to give us back all our freedoms in life, to life free, travel freely within and out of our country. I support lifting all mandates from coast to coast world wide	2/19/2022 12:07 PM
31016	It will make things expensive but also when the government gets out of hand then the people must speak	2/19/2022 12:07 PM
31017	It hasn't, but if what they are asking of the government happens, I think it is a positive thing for all of Canada. I don't want to live in a communist country	2/19/2022 12:07 PM

31028	I think it is great that they are standing up for our country. if it wasn't for them we would be in lock down for the rest of our lives Trudeau is just like little Kim, Hitler, China we would be under dictator ship. we are going so far in debit now our grand child will still be paying it off . and why does Trudeau have share in the drug companies? if any thing all people who work for Canadians should have drug test Trudeau and Ford included... once again im 100 % for the truckers and what they are doing	2/19/2022 12:07 PM
31029	It has reignited the flame of hope and patriotism in the true north strong and free.	2/19/2022 12:07 PM
31030	Breaks my heart to see the hatred & division, the paid protesters smearing the whole convoy....they are not white supremists, they are of all colour, they are of all races, mainly just blue collar workers trying to get back to work	2/19/2022 12:07 PM

31045	It has brought hope and joy back into our lives. It has highlighted that the same concerns are a global issue and just how many people stand together to try to preserve our countries and freedoms. Forced experimental drugs, loss 9f jobs and liberty = crimes against humanity	2/19/2022 12:07 PM
31046	It has created fear and distrust in the government. It's starting to look like a early nazi, communist, tyranny against anyone that has intelectual arguments against totalitarianism	2/19/2022 12:07 PM

31051	No effect	2/19/2022 12:06 PM
31052	Saddened by how uninformed the truckers are and that it got to this point	2/19/2022 12:06 PM
31053	I was embedded with the truckers for almost 3 weeks. They are true patriots. I met and stood with Canadians from all walks of life and backgrounds who were there for freedom. I met many former east Europeans who were there supporting the truckers because they could things developing that most Canadians could not. I learned that the Canada we all desire does exist albeit smothered by the government and media.	2/19/2022 12:06 PM
31054	Proud to be a Canadian. Glad they are standing up for our rights	2/19/2022 12:06 PM
31055	Given me hope	2/19/2022 12:06 PM
31056	It has brought hope for the first time since the pandemic. We are not alone!	2/19/2022 12:06 PM
31057	Given us hope	2/19/2022 12:06 PM
31058	It has giving me renewed hope in the humanity of people in this country and around the world. Love is the way.	2/19/2022 12:06 PM
31059	Amazing! It's given me and my children hope and happiness for the first time in two years since covid started. I've never been patriotic until last month when the convoy was announced! Now I feel proud to be Canadian and even prouder that these people are standing up for us and our rights and freedom! It brings tears to my eyes and it's simply amazing! I think it's despicable what Trudeau and the government are doing to them and the emergency act is ridiculous as it's legal for peaceful protests or at least was. A government should listen and work with their people not hide and take violence out on them! It's absolutely disgusting!	2/19/2022 12:06 PM
31060	It is wonderful to see them supporting all of Canada for Freedom and choices	2/19/2022 12:06 PM
31061	It's a good thing done peacefully not honking all night leave street open for business too is all	2/19/2022 12:06 PM
31062	Made me proud to be Canadian again	2/19/2022 12:06 PM
31063	No at all personally but has given me a glimmer of hope and appreciation for those truckers that have put their lives on hold to try and protect What very limited rites and freedoms we still have before there completely takes away from us by the current governing powers!!!!	2/19/2022 12:06 PM
31064	So anxious about all the untruths that on on main stream media. Some family members were in Ottawa and saw first hand what is really going on. Peaceful, loving, compassionate people.	2/19/2022 12:06 PM
31065	Made me more aware of how pathetic our government is. To not even meet with them to try & find common ground & build from there. Also it's pathetic how the west has no voice in who sits in that big chair. It's all decided in the east. Now that has to change. It's like, we here in the west don't count other then to support the east with \$.	2/19/2022 12:06 PM
31066	It has made me have hope for our freedom and rights	2/19/2022 12:06 PM
31067	Makes me proud and gives me hope we stand up for are freedoms	2/19/2022 12:06 PM
31068	At least I know some people are standing up.	2/19/2022 12:06 PM
31069	It reminded me that we have a voice and that we have to stand up for our Rights because if we don't then we will be describing one day what freedom was to our children/grandchildren. I would rather be explaining what mandates were and how unlawful they were and that the people stopped them!	2/19/2022 12:06 PM
31070	Gave me hope for freedom once again	2/19/2022 12:06 PM

31078	I thought they were doing a great job and am very disappointed the way our P.M. has ordered the police in with violence. Very uncalled for. Things could have been discussed peacefully. I am very disappointed in the way the whole thing has been handled.	2/19/2022 12:06 PM

31112	Truck convoy raised my spirits in humanity. It was a loving peaceful protesting. Trudeau and Ottawa police attacked innocent people. Shame on their evil wickedness.	2/19/2022 12:05 PM
31113	It has given me hope. Hope that the tyranny of the government will end soon and life can go on. It has showed me that there are people out there who are willing to fight tooth and nail for the rest of Canada and even the world. It has given me hope that there is still good in the world and that God is working in His mysterious ways to help us.	2/19/2022 12:05 PM
31114	It did not	2/19/2022 12:05 PM
31115	They have made me proud to be Canadian again by fighting for our rights	2/19/2022 12:05 PM
31116	Given confidence that maybe, maybe we still have freedoms	2/19/2022 12:05 PM

31119	Gave us hope, until we found out we were duped	2/19/2022 12:05 PM
31120	Everything that is in our possession was on a truck at one time	2/19/2022 12:05 PM
31121	It has made it so I am able to go out and sit with my family for dinner at a restaurant without having to show proof of vaccination as we are against the vaccination.	2/19/2022 12:05 PM
31122	Brought me hope	2/19/2022 12:05 PM
31123	It gave me hope again.	2/19/2022 12:05 PM
31124	Not at all	2/19/2022 12:05 PM
31125	It has given me hope for Canadians. It had made me lost hope for thr federal government.	2/19/2022 12:05 PM
31126	Gives hope that democracy is alive and well	2/19/2022 12:05 PM
31127	I love it at least they help us fighting for freedom I support the tracker convoy 100%	2/19/2022 12:04 PM
31128	Given me hope that Canadians will actually stand up to our government. Hope that Canada can continue to be a free nation where the people have a voice.	2/19/2022 12:04 PM

31131	Made me proud to be Canadian again	2/19/2022 12:04 PM
31132	It's upsetting to watch what's going on down there in Ottawa now, they have no respect for the people , I think most are behaving -1that are coming out there to protest ——they're (Police) —pushing them around like rats! That's the way I'm seeing it!!	2/19/2022 12:04 PM
31133	The trucking convoy has given us hope. Also made us realize how many people actually feel the same way we do	2/19/2022 12:04 PM

Canadians vote on Canadian Mandate - February 2022

Canada, true north strong and free! Seems the free part is missing though, people are not even allowed to express their opinions anymore, it's a very sad country we live in

31137	It has inspired unity	2/19/2022 12:04 PM
31138	It hasnt	2/19/2022 12:04 PM
31139	It has given me hope that the tyranny will be ended	2/19/2022 12:04 PM
31140	Undecided	2/19/2022 12:04 PM
31141	In the beginning it was the first hope I've had in the last 2 years. Now I'm devastated wish how our government has handled the situation and turned to violence on their own citizens instead of communicating in the beginning. All this could have been avoided and it's tragic.	2/19/2022 12:04 PM
31142	It has not	2/19/2022 12:04 PM
31143	Gives me hope but now I see my pm is a murderer and doesn't think twice about it. My sister at age 42 died after one week of talking her first vaccination	2/19/2022 12:04 PM
31144	Made me feel that there is HOPE.	2/19/2022 12:04 PM
31145	It's great to see that SO MANY people are for freedom!!	2/19/2022 12:04 PM
31146	Has been my only source of Hope for Freedom again in my Lifetime! TURDO wants NWO!	2/19/2022 12:04 PM
31147	It has given me some hope. It has shown me that I am not alone. I thought that once the government saw how many people feel this way, that they would take a closer look and change their approach, but it appears that they are too stubborn....or they are being controlled. It's a mixed bag. I have hope some days and others I am filled with despair.	2/19/2022 12:04 PM
31148	It hasn't	2/19/2022 12:04 PM
31149	Has not.	2/19/2022 12:04 PM
31150	It's shown me that there are others who feel the same as I. I also have completely lost all respect for main stream media and our government	2/19/2022 12:04 PM
31151	Gave me hope for the first time in years that this country can be healed from the damage caused by Trudeau.	2/19/2022 12:04 PM
31152	Not at all	2/19/2022 12:04 PM
31153	Gave us hope again.	2/19/2022 12:04 PM
31154	None	2/19/2022 12:04 PM
31155	I hope they get something done BUT WHEN V CHICKEN LITTLE IS HIDING AND NOT TALKING TO THE PEOPLE IN CANADA WHAT GOOD IS HE HE IS A SHIT HEAD	2/19/2022 12:04 PM
31156	Hasn't really affected it. I mean it got people to listen to the mandates and now they're starting to be lifted so that's great. I'm not too sure with the other stuff being displayed at the convoy	2/19/2022 12:04 PM
31157	Unsure	2/19/2022 12:04 PM
31158	It didn't!	2/19/2022 12:04 PM
31159	Not at all. I am a trucker	2/19/2022 12:04 PM
31160	It has lifted my spirits made me feel im not alone and given me hope. But most of all made me proud to be Canadian again	2/19/2022 12:04 PM
31161	In a positive way of showing that there are many people that do not agree with mandates, but believe in everyone having a personal choice to determine what is best for them and their health, occupation, for their family's well-being and livelihood. It has given hope to us to know that people can come together and be respectful of one another whether they have participated in public health recommendations or not. It has showed that freedom is essential and necessary here in our beautiful land of Canada and that many people want to guarantee that this freedom is always preserved.	2/19/2022 12:04 PM
31162	It has been the only positive thing that gives a person hope and a sense of belonging. It is a recognition of how horrible we have all been treated by the governments and that there are so	2/19/2022 12:04 PM

many people that have had enough. We just want to live our lives the way we want. We are not a social experiment. I do not feel so alone and isolated.

31163	No.... THANK YOU TRUCKERS ... more need stop block all hwys only way to get everyone on board	2/19/2022 12:04 PM
31164	not at all	2/19/2022 12:04 PM
31165	Nothing I support them 100% we need to get our life back	2/19/2022 12:04 PM
31166	I hope they will keep fighting	2/19/2022 12:04 PM
31167	Gave me hope	2/19/2022 12:04 PM
31168	It hasn't	2/19/2022 12:04 PM
31169	grocery stores are empty.	2/19/2022 12:04 PM
31170	Bringing Canadians together instead of separating Canadians as Justine has	2/19/2022 12:04 PM
31171	It has given me hope, and faith in humanity again. Never seen so much love in one place. I know a lot of people are still asleep as to what's really going on, but the truckers have woken up a lot of people, and not just in our own country, but around the world. Thank God for the truckers!!! ♥	2/19/2022 12:04 PM
31172	I'm part of convoy 2022 and we will fight for freedom and we are winning♥ ♥FREEDOM ♥ ♥	2/19/2022 12:04 PM
31173	It has given me hope back. They have done a beautiful amazing thing for FREEDOM!!	2/19/2022 12:03 PM
31174	They motivated me to stay firm and express what I believe	2/19/2022 12:03 PM
31175	None	2/19/2022 12:03 PM
31176	Gave me some hope of ending this nonsense.	2/19/2022 12:03 PM
31177	Given me hope that some people are getting woke	2/19/2022 12:03 PM
31178	Positive gives me hope	2/19/2022 12:03 PM
31179	Gives me hope	2/19/2022 12:03 PM
31180	It has given me hope that I will have my freedoms back and be able to live a life that I actually enjoy and are proud of	2/19/2022 12:03 PM
31181	Given some hope	2/19/2022 12:03 PM
31182	I support them all the way!!	2/19/2022 12:03 PM
31183	I have hope for the first time in two years	2/19/2022 12:03 PM
31184	Positive views	2/19/2022 12:03 PM
31185	It gives me hope and a sense of national solidarity.	2/19/2022 12:03 PM
31186	Gives me hope!!! There are people out there willing to fight for freedom!! Makes me sad that we have a worthless PM and government! Trudeau is a liar, a coward, a tyrant, just like his father, Castro!! My health has diminished since the Plandemic!!!	2/19/2022 12:03 PM
31187	It has given me hope that we can go back to the way that things used to be. Get together with friends and family. It has shown how amazing people are coming together and supporting each other in any way that they can. It shows how we can make a difference if we just come together and work with each other. We have survived tougher viruses without all these mandates. We can survive this one if we stand together.	2/19/2022 12:03 PM
31188	Brought back patriotism....positive	2/19/2022 12:03 PM
31189	No direct impact, but it Shows us there are still those who are concerned about government mandates that divide society	2/19/2022 12:03 PM
31190	It has shown me that others feel the same way that I do and are willing to do something about it to show our government that we want our freedom of rights back. It is unfortunate that it has to be taking this far for the government to understand that. Freedom means that we have choices and are not penalized for making the choice the government doesn't like. I don't want	2/19/2022 12:03 PM

Canadians vote on Canadian Mandate – February 2022

to have the covid vaccine and I should not be penalized for not having the vaccine. And that is exactly what the vaccine passport does. I have now been penalized. I can no longer board a plane to take a vacation to visit a relative in a far-off country or even just simply eat in a restaurant

31191	It hasn't but I respect the all those who put their life aside to fight for our freedom	2/19/2022 12:03 PM
31192	It's made me see HOPE FOR THE FUTURE OF MY CHILDREN AND GRANDCHILDREN! I pray Trudeau listens to them and ends the mandates and RESIGNS ALONG WITH ALL THE GOVERNMENT!! They have to be held responsible for what they've done and are continue to do 😞 😞	2/19/2022 12:03 PM
31193	It hasn't	2/19/2022 12:03 PM
31194	It's incredibly inspirational. I've never seen such patriotism and being part of the Edmonton convoy brought me so much joy to see everyone laughing, cheering, and being a community again. What the government and police are doing in a desperate attempt to stop us is horrifying and it needs to stop.	2/19/2022 12:03 PM
31195	Its doing a change .	2/19/2022 12:03 PM
31196	It has given me hope, and lifted my personal well being.	2/19/2022 12:03 PM
31197	It has given me hope. There are many more people in Canada feeling the frustrations of the crippling effects of Trudeau's mandates who are standing up to bring them to an end.	2/19/2022 12:03 PM
31198	All they want is to end this foolishness	2/19/2022 12:03 PM
31199	Inspiring. Hope inducing.	2/19/2022 12:03 PM
31200	Interfered with my choice to obey the elected government	2/19/2022 12:03 PM
31201	Hasn't	2/19/2022 12:03 PM
31202	It gave me hope that maybe things could change. Seeing all the people on the bridges and the sides of the roads I realized I was not as alone as I thought. But with the prime Minister bringing in extreme measures to remove protesters what hope I had is fading. I fear the Canada I lived in before 2020 is no more. I fear for the future of my children and grandchildren in this country.	2/19/2022 12:03 PM
31203	They have refreshed my love and pride in Canada and given me hope	2/19/2022 12:03 PM
31204	Brought positive feelings and hope that something would be done about the long drawn out restrictions. Proud to see so many Canadian flags flying for our country as it should be.	2/19/2022 12:02 PM
31205	It gives us hope to resolve these ridiculous mandates in a peaceful manner for getting back our freedoms & choice that not all Canadians aren't mindless cowards	2/19/2022 12:02 PM
31206	It gave me faith in Canadians and less faith in this government	2/19/2022 12:02 PM
31207	They have given me hope.	2/19/2022 12:02 PM
31208	Has not directly affected my life. But after listening, reading and hearing first hand reports. This convoy has shown that our government will not listen to the peoples voice	2/19/2022 12:02 PM
31209	Hope. Showing the government the disconnect. Go fund me showing how many support end the mandates. Mandates had their time, time to stop them. Tracking us with vax passport is unconstitutional and forcing people to vax or loose their job is wrong. I have been very dissatisfied with how POC handled the protest. Watching the news coverage and events was very revealing to the level that manipulation is done by our government.	2/19/2022 12:02 PM
31210	They believe in what I want My Freedom Back	2/19/2022 12:02 PM
31211	It has given me hope. Watching the way the police have treated these peaceful protesters has broken my faith in them.	2/19/2022 12:02 PM
31212	First time in almost 2 years that my hope has been restored that a free future is possible!	2/19/2022 12:02 PM
31213	At least some body is taking time and energy to oppose the over reaching mind set that comes with multiple layers of left wing based government.	2/19/2022 12:02 PM
31214	It hasn't.	2/19/2022 12:02 PM

Canadians vote on Canadian Mandate - February 2022

31215	It has brought me hope that there are others out there that think like me	2/19/2022 12:02 PM
31216	Gave me hope that this would finally end and give back our freedom	2/19/2022 12:02 PM
31217	It has given me hope for a future	2/19/2022 12:02 PM
31218	It has not	2/19/2022 12:02 PM
31219	Happy, Joy, Hope	2/19/2022 12:02 PM
31220	Some hope	2/19/2022 12:02 PM
31221	The truckers convoy has given me hope that I never realized I lost. This convoy has done nothing illegal and has remained calm. It's the police following orders from Trudeau that has violence against the convoy. Our prime minister has gone off the reservation and needs to be stopped.	2/19/2022 12:02 PM
31222	Shown us Trudeau is not a good leader	2/19/2022 12:02 PM
31223	It's given me hope, and made me feel for once that we are uniting, this is what Canada is about.	2/19/2022 12:02 PM
31224	Its open my eyes to the real corruption in our government	2/19/2022 12:02 PM
31225	Hope that our prime minister would do what is right	2/19/2022 12:02 PM
31226	Given me hope for the country, first time in a long time that I've seen Canadians come together to support a common cause in such a peaceful way. It has had no negative impact on my life	2/19/2022 12:02 PM
31227	It as give me hope and brought light to the rest of the country , I see now 90% of the people are for freedom and want this over , we are again united they have made me proud	2/19/2022 12:02 PM
31228	It has given me hope. I am so grateful for all of the bravery, unity and integrity of all of these amazing people willing to stand up for our Rights and Freedoms.	2/19/2022 12:02 PM
31229	Yes feel united again	2/19/2022 12:02 PM
31230	Brought me hope, and made me aware I'm not alone	2/19/2022 12:02 PM
31231	The Freedom Convoy 2022 made me feel proud to be Canadian, something that I had not felt in over 2 years. It gave me hope for freedom and unity in Canada.	2/19/2022 12:02 PM
31232	The trucker convoy have created hope and emotions of ultimate care and love. They have stirred up strength and unity that Canadians haven't felt in a long time. They are better than any government in this country by actually trying to support Canadians.	2/19/2022 12:02 PM
31233	In a positive way	2/19/2022 12:02 PM
31234	It hasn't	2/19/2022 12:02 PM
31235	So thankful for what their doing. Something has to be done and who better than truckers. Every single truck should park for a month. Then maybe people will wake up .	2/19/2022 12:02 PM
31236	proud to be Canadian	2/19/2022 12:02 PM
31237	Not at all. They and we are the ones who fight the big reset. The new world. World controll. All of this mandate stuff is good for the big coop like vanguard, blackrock, PepsiCo, and Bill and Milinda Gates foundation. It's a big complot.	2/19/2022 12:02 PM
31238	I am happy to hear people finally speaking out to support those who have lost their jobs/educations/livelihoods over these mandates. I'm sick of the division in Canada.	2/19/2022 12:02 PM
31239	In a good way to hold government accountable although that's seems to not work as they continually break the laws and my freedoms the government is very corrupt and needs to held accountable and be brought to justice	2/19/2022 12:01 PM
31240	Is it a trucking covoy i feel they wete used	2/19/2022 12:01 PM
31241	Hopeful for a better future. Hopeful Trudeau will be dismissed from government	2/19/2022 12:01 PM
31242	Hasnt	2/19/2022 12:01 PM
31243	Has given me hope again that Canada stands together for what we as the ppl believe in NOT	2/19/2022 12:01 PM

	the government	
31244	It brought faith	2/19/2022 12:01 PM
31245	It has given me hope, that change is possible. It makes me happy, it improves my overall mood.	2/19/2022 12:01 PM
31246	Exposed the liberal government proving that they are power hungry with a communist agenda. Trudeau is an embarrassment to Canada.	2/19/2022 12:01 PM
31247	Has shown us how dangerous the liberal govt is.	2/19/2022 12:01 PM
31248	It has encouraged me.	2/19/2022 12:01 PM
31249	Hope!!!!!!!!!! Maybe the charter means something!	2/19/2022 12:01 PM
31250	It hasn't	2/19/2022 12:01 PM
31251	They are trying to get out freedoms back	2/19/2022 12:01 PM
31252	some supplies have not arrived	2/19/2022 12:01 PM
31253	Given me a sense of hope.	2/19/2022 12:01 PM
31254	It has given me some hope	2/19/2022 12:01 PM
31255	Give me hope	2/19/2022 12:01 PM

31257	Hope	2/19/2022 12:01 PM
31258	It has given me hope, that our voice could be heard and listened to. A sense of pride and bonding with fellow Canadians across the entire country.	2/19/2022 12:01 PM
31259	i support this	2/19/2022 12:01 PM
31260	They have given us all hope and grounds to be heard ! After 2 years of Justin's Tyranny and plans to destroy Canada and its people ! The Truckers are us the people ♥	2/19/2022 12:01 PM
31261	Give hope that this tyrannical dictatorship that the liberal government have imposed on us illegally can be overcome	2/19/2022 12:01 PM
31262	Most inspiring thing I've ever witnessed. I've been an activist my life long and I've never seen something so incredible, my dreams come true.	2/19/2022 12:01 PM
31263	Hope. Proud to be Canadian	2/19/2022 12:01 PM
31264	It has brought joy to see people coming together to stand up for freedom. It has also been shocking watching the government become more and more tyrannical. The prime minister has shown his true colours - and they are UGLY.	2/19/2022 12:01 PM
31265	There doing awesome job fighting for our freedom go truckers go	2/19/2022 12:01 PM

31268	given me hope in a democratic and free country. Freedom of choice and speech	2/19/2022 12:00 PM
31269	It's given me hope that we will win against this evil Tyrant I want every politician that is ok with sending police after peaceful protestors pay the price and go to jail and throw away the fucking keys	2/19/2022 12:00 PM
31270	Hope	2/19/2022 12:00 PM
31271	It's given us hope too go back to a free country	2/19/2022 12:00 PM
31272	Peace Harmony love and United people together for a common cause that is what Canada is about I love each and every person they're fighting for our rights and freedoms as we are rightfully able to do in this country but the police have gone in and become violent aggressive and physically assaultive	2/19/2022 12:00 PM

Canadians vote on Canadian Mandate – February 2022

31273	I support them. It has opened the eyes of many in how controlling our government is and how fake our news is.	2/19/2022 12:00 PM
31274	It has made me proud to see people uniting again. Has given me hope that there are still good people in the world and that we can and will come together. So much love for people stepping up and trying to make Canada united and free!	2/19/2022 12:00 PM
31275	We have once again received a little hope that there are still other people who are very concerned about freedom in this country. Sincerely hope that all those who can will remain firm until they have been spoken too and there is a plan for removing all mandates. We do not want a dictator government and so very thankful for these trucking convoys. They have brought out the good in people and the unity our country needs.	2/19/2022 12:00 PM
31276	I feel hope. I didn't realize I wasn't proud to be Canadian but I am now. I didn't realize I felt down, but I am up now and will stay up. Thank you	2/19/2022 12:00 PM
31277	Before the convoy came through our communities Canada meant nothing to me just a place I have lived my entire life. The convoy has given me hope and made me proud to stand with the people that make this country we call home great! Not just the truckers but all the people that work their butts off to provide and care for their families. I am ashamed of the leaders of this country. The cowardness of our Primister is disgraceful. I will stand for what's right and what the leaders of this country are allowing is wrong in regards to all the mandates from the very start of covid and for the bullying of the Prime minister and what is happening in Ottawa at this very moment. We teach our children bullying is wrong and won't allow it in our schools and playgrounds but yet it's allowed and accepted by the leader of this country. Truly sad world we live in.	2/19/2022 12:00 PM
31278	It hasn't affected my life, but I can totally understand where they are coming from	2/19/2022 12:00 PM
31279	interest	2/19/2022 12:00 PM
31280	It has given me hope that the weasel Trudeau has finally been exposed for what he is.	2/19/2022 12:00 PM
31281	It's fantastic	2/19/2022 12:00 PM
31282	Dismayed by the lack of respect given to them for their real cause by the liberal government and main stream media. Gives me large distrust in media and total distrust in Trudeau's ability to lead and solve any real situations he has to face. Very week leadership skills. I am shocked at the hate speech he has used towards Canadian citizens in his attempt to defame their cause and cause division amongst Canadians when he should be listening to what a large group of citizens are trying to get heard and some answers for. Instead we get more deflection and no answers from our government. It's very disappointing and beyond frustration.	2/19/2022 12:00 PM

31289	It hasn't. I am proud that Canadians have stood up. I am afraid to state my own opinion out of fear of being ostracized.	2/19/2022 12:00 PM
31290	Not at all financially. Emotionally, it has lifted me up from 2 years of darkness	2/19/2022 12:00 PM
31291	It is stressful to watch, it creates anxiety and is like watching the polarized political views of the US in what I used to see as such a peaceful and non aggressive country	2/19/2022 12:00 PM
31292	Gave me hope for change in the hopeless reality.	2/19/2022 12:00 PM
31293	Distressing to see people who are affected by pandemic fatigue being used as pawns by the organizers, who obviously have ulterior motives. The stupidity of having children there in what could be an unsafe environment makes me think that these occupiers are unstable and I worry about their future actions.	2/19/2022 12:00 PM
31294	It has given me hope.	2/19/2022 12:00 PM

31314	It has given me hope and a united sense of pride in Canada.	2/19/2022 11:59 AM
31315	The convoy brought some hope for our democratic country that we could see a change being made. I just wish the leaders of our country would have talked to them instead of creating a tense situation where police are now provoking violence.	2/19/2022 11:59 AM
31316	Hasn't at all	2/19/2022 11:59 AM

31321	I am very proud of the men and women who have stood up for our freedom. I have not been afraid to voice my support or state on social media where I stand. I have lost some friends over this but i realize they were never my friends. I never was able to donate to the freedom convoy but I lifted up my voice. Thank yiu Truckers ❤️	2/19/2022 11:59 AM
31322	Gave me hope!	2/19/2022 11:59 AM
31323	Positively... They have shown many Canadians that we all have a voice that needs to be heard. We should able to choose what we put into our own bodies without the risk of losing our incomes or our relationships with family members.	2/19/2022 11:59 AM

31336	Has not	2/19/2022 11:59 AM
31337	It's definitely made me feel uneasy because I truly do not know how the government will turn this on the people and make it completely their fault..it's opened my eyes on many things going on in this world I was unaware of and it puts me in a state of fear	2/19/2022 11:59 AM
31338	It gave me hope, a realisation that we were not alone, that many had had enough and wanted us to come together from all walks of life. There's been so much love and joy in the convoy and a feeling like we could start to heal from the trauma of the last two years. It's also emphasised the polarisation in society, the PM could have used it to help start to heal and consolidate but has instead decided to drive more division and hate rhetoric which saddens me. I can feel the convoy ignited a movement, so full of joy and community, no matter what your views were, we are all human, we are all compassionate and peace and love are the driving forces. It's really highlighted how little faith people have in their government now and the legacy media to actually report factually, instead of fuelling a particular rhetoric.	2/19/2022 11:59 AM
31339	It hasn't really. I'm proud that people are standing up for this bs	2/19/2022 11:59 AM

31347	Gave me hope that Canadians were standing up against a tyrannical govt that protected profit instead of people.	2/19/2022 11:58 AM

31358	Hope!!! The trucking convoy has been the only act that has shown us a glimmer of hope in the last two years. This convoy has united people from every province and territory in Canada. It has shown the true hearts of Canadians. We are peaceful, proud, caring and we're willing to stand up for our freedoms. Canada is the true North, strong and... we need to get our freedom back. This convoy is the best thing that has happened in Canada since Covid started. Its shown the true colours of our leader, how corrupt our government is. This convoy is uniting Canada and reminding people of who we are as Canadians and what we stand for. God bless the truckers!!	2/19/2022 11:58 AM

31413	I feel it's saving our freedoms. it gives me great hope the ordinary working people will stand up and express their views it's such a good and peaceful manner. It makes me very distrustful of the government and the news media the way the Prime Minister wouldn't respond. and to hear the lies we hear on the news because the news from other countries and sources like so many intelligent people in our country not wanting to mention their names because I'm distrustful of all sources of surveys and news that tells us that there's something very wrong and broken with this system of government that we have now, that we're living under, is a totally different picture than what the news CBC is telling us in Canada. something's wrong when there's all those different stories, something's wrong when the Prime Minister won't even stand up and speak to his ordinary protesting people, something's very wrong when they're protesting around the world and encouraging Canadians as ordinary citizens to stand up for their freedom. The Charter of Rights it's not being held up in Canada by our leaders that is the scariest part of this whole thing that's what started it all.	2/19/2022 11:57 AM
31414	It gave our family hope for the first time in 2 years.	2/19/2022 11:57 AM

31426	It has brought back pride in our country again and showed the world our PM's true colors and intentions all along. He has always had in mind for his Great Reset and World Order and Globalized citizens, according to the WEF'S IDEALS and the founder's intentions. Thought and still thinks Canadians are fools and haven't seen his true self from the very beginning when he was chased to be the Leader of the third Party. The truckers have brought hope and pride back to Canadians.	2/19/2022 11:56 AM

31441	At the beginning of the movement, I felt excitement, anxiety, hopeful. I felt relieved when it was clear that there were so many other citizens that felt like me. The Freedom Convoy has helped me to open my eyes. It's deplorable what Trudeau's regime has done. I've have become enlightened about world events, global economy, viruses and a corrupt government. I quit watching and listening to mainstream media. I feel like our leader does not have our best interests in mind. His agenda is not "Canadian"! Maybe his own financial interests, to become even more rich and more powerful. I do not have any confidence in our leader and his government.	2/19/2022 11:56 AM
31442	It has given me hope of a brighter future	2/19/2022 11:56 AM
31443	Given me hope that there are heros still in this country.	2/19/2022 11:56 AM
31444	Has made me proud I'm tired of being dictated to. Nice to know others think like me. City folks don't realize the struggles and long hours that Truckers and Farmers put in to make a cushy life for them. We can see the corruption and crap our supposed government is trying to force on us	2/19/2022 11:56 AM
31445	It gave me hope that people could come together again. There was so much love and positivity at all of the gatherings that my family believes we can once again be a great nation when we were ashamed to be Canadian before it began	2/19/2022 11:56 AM
31446	It has given us hope that there are Canadians who will still fight for our freedoms in a peaceful manner. No weapons no fighting. Just standing ground for our way of life.	2/19/2022 11:56 AM
31447	Makes me happy to see them stand up for us	2/19/2022 11:56 AM
31448	It has given me a renewed hope that our Canada could once again become a free country and not a dictatorship.	2/19/2022 11:56 AM
31449	The truckers have brought Canadians together. People are fed up and sick and tired of the lies from the media and our very own government!	2/19/2022 11:56 AM
31450	It's given hope, that maybe there will be change for the people who have been affected all threw Covid, the media is speaking about the money lost at the bridge or down town Ottawa, but what about the money and businesses that were lost over the course of the 2 years of Covid ??? The suicides the rising mental health, the fear it's out in out children.... I hope that the peaceful Canadians will bring things back to normal	2/19/2022 11:56 AM
31451	Not at all	2/19/2022 11:56 AM

31454	TRUCK CONVOY GIVES ME HOPE!!!	2/19/2022 11:56 AM
31455	Positive aspects	2/19/2022 11:56 AM
31456	POSITIVE HAVEN'T PUT MY PHONE DOWN SINCE THEY ROLLED OUT!!...SUPPORTING AND SHARING.	2/19/2022 11:56 AM
31457	Hope the the current incomptent government will be removed, hope for my grandchildren's future	2/19/2022 11:56 AM
31458	Shown me renewed hope in people standing together for the ability to think for ourselves. To be clear, I support ONLY the peaceful and respectful acts of protest.	2/19/2022 11:56 AM
31459	It has given me hope that things can go back to normal. It has given me a never before experienced pride to be Canadian.	2/19/2022 11:56 AM

31462	It has given me some hope that Canada can be saved from Trudeau and the wef.	2/19/2022 11:55 AM
31463	The convoy's the only thing that's currently giving me hope and a bit of happiness. Allowing me to believe in humanity	2/19/2022 11:55 AM
31464	Hope is on the way. We are seeing Trudeau true colours	2/19/2022 11:55 AM
31465	Given me hope	2/19/2022 11:55 AM
31466	It's has brought me hope that the segregation will end and I will not live nor my child live in a fascist country. That I will not be forced into get medical procedures that go against my belief system. That I can walk in the street and not be assault or call horrific names. Thank you trucks!	2/19/2022 11:55 AM
31467	Positive, they demonstrated the most respectable, peaceful and positive protest I have even seen.	2/19/2022 11:55 AM

31469	Given an inspiration that people care about their country and all members on this planet	2/19/2022 11:55 AM
31470	It hasn't but I prey for there safety.	2/19/2022 11:55 AM
31471	It has opened my eyes to the one sided media reporting and the disgrace to which the pandemic has been handled. It has brought great sense of unity. It's been an emotional time.	2/19/2022 11:55 AM
31472	The peaceful protests offered a glimmer of hope against a totalitarian state.	2/19/2022 11:55 AM
31473	It gave me Hope that I wasn't alone and that things could change.	2/19/2022 11:55 AM
31474	They are heroes of the our day, much more sensible than the politicians.	2/19/2022 11:55 AM
31475	They have made me proud to be Canadian!! I am strengthened in my resolve to stand and fight for all that I believe to be good and right in Canada, to exercise my right to live without fear of anything or anyone. To re-enforce that I can make a difference. THANK YOU TRUCKERS for taking up the fight for the freedoms of this country with love, peace and joy! For demonstrating to all the world that united as one, we can make the difference in the direction our country goes. I won't take my life and the lives of my fellow patriots for granted anymore. THANK GOD FOR ALL OF YOU THAT HAVE STOOD UP FOR THE REST OF US AT YOUR PERIL. GOD BLESS YOU RICHLY!!	2/19/2022 11:55 AM
31476	I love that Canadians showed their patriotism and came together for an important cause.	2/19/2022 11:55 AM
31477	Very hopeful and positive! I pray that the Lord will use them to give our stolen freedom back. I support	2/19/2022 11:55 AM

31479	It has given me hope for the first time in 2 years.	2/19/2022 11:55 AM
31480	No comment	2/19/2022 11:55 AM
31481	It's given me hope that we will overpower this dwindling government that has backed itself into a corner	2/19/2022 11:55 AM
31482	The convoy did not affect my life. I'm proud to be Canadian. The trucker convoy is showing what Canadians do when they have had enough. They want to save our economy before there is nothing left to fight for. The Canadian people are the victims of the covid mandates (losing businesses, financially ruined and unstability of our country and mistrust of our government).	2/19/2022 11:55 AM
31483	They have fought for everyone's freedom. Made me proud	2/19/2022 11:55 AM

31487	It was amazing to see families such as elders, mothers, children, students who have attended and people of colour all protesting to end mandates	2/19/2022 11:55 AM

Canadians vote on Canadian Mandate - February 2022

31488	Gave us hope that we had a chance for freedom against this tyrannical government.	2/19/2022 11:55 AM
31489	It's not affecting my life in anyway. The only thing it's done is to show me just how far out of control our federal government has gotten. What I am having my eyes opened up to is that the people who are supposed to be working for the betterment of their citizens are really only interested in what they can get for themselves. How much money is being made off this pandemic & exactly who is profiting from it should definitely be looked into as far as I'm concerned & I think that the truckers protest is shining a light on it.	2/19/2022 11:55 AM
31490	Proud to be Canadian again	2/19/2022 11:55 AM

31492	Given everyone hope that life will return to normal	2/19/2022 11:55 AM
31493	Help me realize how many other people want to return to normal but are afraid to say it because of back lash from a few very outspoken people.	2/19/2022 11:55 AM
31494	Given me hope that thinking people are standing up for the principal of simply having a choice of what goes into our own body without being fired and segregated.	2/19/2022 11:55 AM
31495	Didn't	2/19/2022 11:55 AM
31496	Has given me hope	2/19/2022 11:55 AM

31504	It reminded me of how good kind and generous the Canadians are	2/19/2022 11:54 AM
31505	It has turned into a movement of love and solidarity. What was planned to create empty shelves, actually united and encouraged Canadians and other countries.	2/19/2022 11:54 AM
31506	Helped make me feel like I wasn't alone. Made me feel patriotic, and proud to call myself a Canadian again.	2/19/2022 11:54 AM

31508	It made me have hope for the first time in 2 years.	2/19/2022 11:54 AM
31509	It gave me hope, they were peaceful despite what the media showed. Shame on Trudeau	2/19/2022 11:54 AM
31510	Hoping for Canada to get back on their feet ever since Trudeau and Ford putting these lock downs on people can't visit kids can't be with their friends businesses here have been closing because of all of this now it's time for the people to get back to normal before our children thinking of suicide in which it's been climbing since this happened	2/19/2022 11:54 AM
31511	Not at all	2/19/2022 11:54 AM

We are always cautious because of his condition but if we sanitize and social distance safely I would like to take my son for an A&W frozen cup root beer and feel no judgement without a vaccine pass

31519	Gave me hope!!!	2/19/2022 11:54 AM
31520	It has brought me hope that someone is standing up for Canadians, our rights & freedoms. Plus it has exposed our VERY corrupt government & inept Prime Minister	2/19/2022 11:54 AM
31521	It has given me a huge hope for the future, for the first time in years! It is bringing Canadians together. Something the government has NOT done!	2/19/2022 11:54 AM
31522	No affect	2/19/2022 11:54 AM
31523	Hopefully	2/19/2022 11:54 AM
31524	Not directly at all. But I believe their cause was taken over in part others with different agendas. It is sad to see this but how different we do things-bonuce castles-no guns Eh!!	2/19/2022 11:54 AM
31525	Showed inspiration	2/19/2022 11:54 AM
31526	Praise the Lord	2/19/2022 11:54 AM
31527	the convoy has brought hope of change to our country as a whole, and has even shone a light at the end of the tunnel, Unfortunately no I no longer feel safe with our law enforcement or with anyone in current governmental power with the travesty that is now happening at the protest. Trudeau and his puppets need to go now!	2/19/2022 11:54 AM
31528	They have givens me hope.	2/19/2022 11:54 AM

31530	Makes me proud that I'm a trucker and I stand with my brothers	2/19/2022 11:54 AM
31531	Not at all that I'm aware of.	2/19/2022 11:54 AM
31532	Fucking annoying. Depressing. Heartbreaking. Our country shouldn't have domestic terrorists occupying the capital for 3+ weeks. It's made me embarrassed as a Canadian and Albertan.	2/19/2022 11:54 AM
31533	It gives me some hope as it has helped expose some of the trauma these mandates have caused.	2/19/2022 11:54 AM
31534	Gives us all hope in a hopeless country...FREEDOM!!!!	2/19/2022 11:54 AM

31539	Feeling of Peace	2/19/2022 11:53 AM
31540	When I had given up hope on my fellow Canadians as being passive apathetic to control over the mind and soul, the truckers brought that hope back to life and have me a pride of my country that i don't think I've ever had before!	2/19/2022 11:53 AM
31541	It has brought pride back to saying I am canadian	2/19/2022 11:53 AM

government's inability and lack of leadership... Trudeau is an embarrassment and detrimental to our country.

31548	Just supporting it from home	2/19/2022 11:53 AM
31549	It has given me a renewed faith of what a Canadian is....Blessed are the convoy which has United so many.....Should have also said how mandates have effected us, loss of the right to work...How can a government take away work from us over a vaccine. A vaccine which was forced on us.	2/19/2022 11:53 AM
31550	Not at all. I fully support the truckers and their initiatives.	2/19/2022 11:53 AM
31551	The trucker convoy has given me hope and given me the courage to push the limits with masking.	2/19/2022 11:53 AM
31552	It has given me hope and restored my faith in humanity. I'm proud of Canadians for standing for our freedoms and the world is following our peaceful example.	2/19/2022 11:53 AM
31553	Disturbing, knowing the truckers are only fighting for all Canadians, a mandate that only Trudeau profits from. It's all about control, conquer and divide. Trudeau said it, he is going to bring in the Great Rest.	2/19/2022 11:53 AM
31554	I'm waking up to this nonsense	2/19/2022 11:53 AM
31555	Given me hope that we still may have choices.	2/19/2022 11:53 AM
31556	Givin me hope, strength and a source or truth, an awakening to the true values of the people with out the corruption of media and skewed science for the profits of few... acuitis!	2/19/2022 11:53 AM
31557	It has given me a sense of hope, in the way that I see I am not alone. There are many people who want the same as I do.	2/19/2022 11:53 AM
31558	Giving me hope as Canadians are joining together. More people are sharing their views and disliking all the mandates .	2/19/2022 11:53 AM
31559	It's given me hope	2/19/2022 11:53 AM
31560	Given me hope things will finally change and the government will listen. Maybe the government will stop pretending they have all the answers and will let people resume Life.	2/19/2022 11:53 AM
31561	It made me see what kind of a stupid government we have	2/19/2022 11:53 AM

31564	Gives hope to a sure situation.	2/19/2022 11:53 AM
31565	Not at all. Only gave me hope that this Country can be great again if we can only get rid of a PM that has self agenda only and not worked in the best interest of Canadians	2/19/2022 11:53 AM
31566	n/a	2/19/2022 11:53 AM
31567	As a Centretown Ottawa resident, it has made my life a living hell. The noise, fumes, and threatening atmosphere forced me to leave my home and negotiate with family for a place to stay in the middle of the deadliest and most contagious COVID wave. On top of that, it scares me to see that so many people refuse to do even the bare minimum to help their fellow Canadians weather the pandemic. How is our society supposed to respond to other challenges if so many people won't even take an hour out of their day to get vaccinated?	2/19/2022 11:53 AM
31568	Gives a sense of hope.	2/19/2022 11:53 AM
31569	Has give me a little bit of Hope but you can't have much hope with no money	2/19/2022 11:53 AM
31570	It hasn't I've been hoping it would get into the governments head that it's been way longer then 2 weeks to flatten the curve they're trying to make this permanent I don't like it	2/19/2022 11:53 AM
31571	It hasn't	2/19/2022 11:53 AM
31572	It is amazing to see so many people come together to support each other.	2/19/2022 11:53 AM

31580	Given back hope for our future.	2/19/2022 11:52 AM

31582	I'm sure	2/19/2022 11:52 AM
31583	Given me hope for freedom	2/19/2022 11:52 AM
31584	It has been a war cry of hope to me and my family.	2/19/2022 11:52 AM
31585	Gives me hope	2/19/2022 11:52 AM
31586	Provided hope that "We the people " can do something. Shown how out of touch with the electorate our Govt is.	2/19/2022 11:52 AM
31587	Given me pride in Canada/Canadians again	2/19/2022 11:52 AM
31588	Not really effected. It gave us hope that this insanity would end. Unfortunately it appears out government is NOT working for the people of Canada.	2/19/2022 11:52 AM
31589	Gives me hope that we can live as free Canadians again!	2/19/2022 11:52 AM
31590	Apart from the government's reaction to it, which has made me feel very uneasy, it has done nothing but lift my spirits and give me a small glimmer of hope that perhaps if enough people stand up we'll get what is ours by right back.	2/19/2022 11:52 AM
31591	Glad to see some standing up for their beliefs.	2/19/2022 11:52 AM
31592	Not but has done more harm than good.	2/19/2022 11:52 AM
31593	Undecided	2/19/2022 11:52 AM
31594	Positivity, encouragement, unity, gratitude	2/19/2022 11:52 AM
31595	Given me hope!!! If they, the truckers, fail to ignite people to awaken the earth, we will fall to globalist tyranny, depopulation and those of us left will be their slaves forever. The truckers cannot fail. Already convoys around the world, of truckers, walkers, and other groups are forming. Canada is inspiring the world. Canada First takes on a new meaning. We are the first to ignite the people's of the world. Maybe a new Canada will rise out of the ashes and create a kinder template for the Earth.	2/19/2022 11:52 AM
31596	Hope	2/19/2022 11:52 AM
31597	Positively	2/19/2022 11:52 AM
31598	Hopeful for change is government, dropping of all mandates. Have been upset by the hypocrisy of government officials calling the movement white supremacist and racist considering their sordid pasts. Frustration with the media who seem to follow a narrative rather than unbiased sharing of information. @poc4freedomconvoy on Instagram	2/19/2022 11:52 AM
31599	It made supply chain issues worse and made groceries and other essentials more expensive for my family and I.	2/19/2022 11:52 AM
31600	Gave us hope.	2/19/2022 11:52 AM

31607	I am proud and happy that some individuals have sacrificed their time, energy and stood up to the government.	2/19/2022 11:51 AM
31608	It makes me feel like there is hope	2/19/2022 11:51 AM
31609	it has not affected my life directly, I support fighting for your beliefs and freedom as long as it is done respectfully and peacefully	2/19/2022 11:51 AM
31610	It hasn't	2/19/2022 11:51 AM
31611	Ive become addicted to watching their videos & am not getting anything else done. I personally know people that have gone to Ottawa & Coutts. I pray constantly for this the end peacefully & we get our lives back.	2/19/2022 11:51 AM
31612	It has given me hope for a better Canada. It has shown me that we have a tyrannical governing body who is trying to strip Canadians of their rights. I am so proud of the truckers who have created a movement across the world!!	2/19/2022 11:51 AM
31613	Initially gave me hope to see people coming together to support equal rights. Sad to see what it is being portrayed as by the CBC (white supremacist protest).	2/19/2022 11:51 AM
31614	I stand behind the truckers	2/19/2022 11:51 AM
31615	Proud to be Canadian.	2/19/2022 11:51 AM
31616	Not one bit. I'm in complete support of the convoy.	2/19/2022 11:51 AM
31617	It has definitely opened up a new perspective for me. I am all for people having a choice. Not everyone will have the same views on something as you do, whether you are in power or not. People have the right to say no to something they don't want and that shouldn't effect your job or your life. As of now, I can see the fear that we're feeding and the hate that we're breeding in Canadians and it is scary.	2/19/2022 11:51 AM
31618	It's given me hope that there are people willing to push back against the uncalled for mandates.	2/19/2022 11:51 AM
31619	It has restored hope, shown peace, love, equality, and made me realize that so many Canadians understand and realize how we are losing so much with the actions of our liberal government. It has given me a reason to smile, and to be thankful that so many are proud Canadians and willing to make these sacrifices for my freedom, and my children's freedoms.	2/19/2022 11:51 AM
31620	Unity, proie to be canadian again!!	2/19/2022 11:51 AM
31621	Giving us hope ,to walk out that front door to be free of all this ... be with family & friends we live once .. and we're all missing out on our children / their children ... i miss my grand babies ...	2/19/2022 11:51 AM
31622	Love it!! BRINGS HOPE AND A RENEWED BELIEF IN HUMANITY AND THE GOODNESS THEY HAVE BROUGHT FORTH	2/19/2022 11:51 AM
31623	Has given me hope again.	2/19/2022 11:51 AM
31624	I feel that it's ok to speak your peace but that this protest has outlived its validity. It's becoming dangerous for everyone and they are ignoring other's rights and civil liberties as well. I'm concerned about what the outcome will be not only for the truckers but everyone	2/19/2022 11:51 AM
31625	I 100 support the cause of the convoy and commend that they stood up for a cause. Our freedom of choice. No room for a dictatorship in my world. I don't necessarily agree with every aspect of how the convoy was carried out but I support the cause. I can't think of a better reason than to stand united for our freedoms. To add I don't like how Trudeau continues to	2/19/2022 11:51 AM

31630	Seeing people divided is saddening and the gov't should be ashamed of how it has addressed the convoy's concerns.	2/19/2022 11:51 AM

31643	Haven't been affected. Very thankful for them every one of them who are standing up for our rights and freedoms	2/19/2022 11:51 AM
31644	It gave hope. A hope that Canada could be free. Freedom for All... even those we disagree with. Medical freedom of bodily autonomy, freedom of speech... it showed that people of diverse cultures and different opinions could unite under the banner of freedom. Vaccinated standing beside unvaccinated in friendship and unity. This is the Canada I want to be a part of. Justin Trudeau's speech is hateful and divisive. If I don't believe in giving my neighbour freedom to choose, then I don't believe in freedom at all.	2/19/2022 11:51 AM

31712	We're optimistic for the first time in two years! We're cheering every Saturday with our flags. 100% support!	2/19/2022 11:49 AM
31713	The Trucking Convoy for Freedom 2022 (note it's capitalized out of recognition to deserving a title) is the first thing in 2 years to give me HOPE. For the first time in 2 years I feel joy and a surge to live life fully again. One doesn't realize what oppression brought on by restrictions, mandates, lockdowns and quarantines does to the psyche. I pray, hard, for those truckers, farmers, tradesmen, maritimers and all those brave folks in Ottawa to stand their ground. Stay peaceful and pray with each other. The people are waking up. How has the trucking Convoy affected my life you ask??? Simply put, I wanna live life again with hope and joy and love.	2/19/2022 11:49 AM

31719	This convoy has given me hope, things seemed very dark with the push for more vaccination all the time with out addressing possible early treatment. I feel the truckers have united Canadians. Anything that brings Quebec and alberta together is a good thing	2/19/2022 11:49 AM
31720	Has given me total joy watching all of them stay so calm and happy fir so long. Now that is Canada. Great job to the Convoy people and everyone cheering u on from a distance.	2/19/2022 11:49 AM

31725	I feel a sense of pride in Canada and tremendous gratitude to these people.	2/19/2022 11:49 AM
31726	Greatly at least we have a good chance of stopping the government in doing what they want. They work for the people, not themselves . They should be doing what we want not to fill their greedy pockets full of money.	2/19/2022 11:49 AM

31737	It's given me hope that Canadians are waking up to what's really going on.	2/19/2022 11:49 AM
31738	It has given me hope that Canadians won't take this oppressive government laying down.	2/19/2022 11:49 AM
31739	Outraged that a small group of Canadians could consider taking over our duly elected government. How selfish of them to inflict their views on others. I am a socialist. I do what benefits the whole. I am discussed with the violence and threats from the trucker demonstrators and the fringe group that is driving them!	2/19/2022 11:49 AM

31751	Brought a glimmer of hope. But at the moment government is trying to extinguish this hope as fast and as hard as they are able to.	2/19/2022 11:48 AM
31752	I live in Alberta and haven't been directly involved with the convoy but if I had to say how it's effected me I would say it has inspired me to stand up and fight for what's right. I 100% support the reasoning behind the convoy and most actions taken by those in the convoy. I don't support the constant honking and feel like that could have been better arranged to only honk every hour. Starting at noon and ending at 6pm or something. I also don't support any aggressive behaviors or harassment of citizens or pressuring them to take off their masks. This is a fight for freedom of choice after all. I believe the same for the blockades. They should have chosen an hour out of each day or one full day each week to do their blockade instead of completely blocking the flow.	2/19/2022 11:48 AM

31760	Joyful for the prospect of gaining freedom again!	2/19/2022 11:48 AM
31761	It has made me upset that this new world order is taking away our rights & freedoms and these truckers are heroes and are brave....they have not affected my life personally and I'm thankful for their courage to stand up for our rights....my uncle Delmer Jones was a truck driver, and died January 4th , shortly after being forced to take vaccine to travel to states	2/19/2022 11:48 AM
31762	It has given me hope that the tyranny will come to an end, that many many Canadians are awake and see what is going on. Regardless of medical status, no one should be ok with what has happened over the last 2 years.	2/19/2022 11:48 AM

31787	It finally gave me hope. Helped my province lifted the mandates and brought good people together; but it also showed the bad ones only got worse.	2/19/2022 11:47 AM
31788	Hope	2/19/2022 11:47 AM
31789	Unity. Standing up for our freedom. I served in the infantry and have lost many brothers and sisters to be free. Covoy is a brotherhood. Standing for our freedom to choose what we want and don't want in our bodies. Especially DNA altering experimental drugs labeled as vaccines.	2/19/2022 11:47 AM
31790	Gave me hope	2/19/2022 11:47 AM
31791	It hasn't. Other than made me even more aware of the injustice of many ,many things that our PM stands for that had been hidden.	2/19/2022 11:47 AM
31792	Hope!!	2/19/2022 11:47 AM
31793	It has given us hope! It shows there are MANY others who agree that these mandates need to end, both vaccinated and unvaccinated.	2/19/2022 11:47 AM
31794	It has shown that there may be hope that we might be able to live our normal lives again.	2/19/2022 11:47 AM
31795	I have faith in the Canadian people again	2/19/2022 11:47 AM
31796	It has made teenage acquaintances loose respect for the government and talk about war	2/19/2022 11:47 AM
31797	It has given me hope for a brighter future	2/19/2022 11:47 AM
31798	It has brought us hope and joy. It has allowed my kids to feel accepted at school and allowed to ride the bus again. Has allowed my family members back into post secondary.	2/19/2022 11:47 AM
31799	Gave me hope	2/19/2022 11:47 AM
31800	hasn't it at all, lots of food in our grocery stores here in Peterborough,, LOVE & RESPECT THE TRUCKERS, gotta go down to City Hall now to Protest DICK-HEAD DICTATOR	2/19/2022 11:47 AM

31802	Encouragement that people stand up for what is right.	2/19/2022 11:47 AM
31803	Given me hope for a better future and a united Canada. Corrupt politicians exposed!!!	2/19/2022 11:47 AM
31804	It has not affected my life, except it gives me hope for removal of mandates and removal of Trudeau and his Draconian measures and minions!	2/19/2022 11:47 AM
31805	It's given me hope for humanity; first time in my life I can relate to those men and women that gave their life for their country! I feel patriotic for Canada! And inspired!	2/19/2022 11:47 AM
31806	Given a bit of hope	2/19/2022 11:47 AM
31807	Has not	2/19/2022 11:47 AM
31808	For once i was thinking it would be the end of all this ...	2/19/2022 11:47 AM
31809	It was the first time I had hope or felt happy since the first lockdown in 2020. I pray for them everyday and I hope they succeed.	2/19/2022 11:47 AM
31810	Given me hope	2/19/2022 11:47 AM
31811	It's has provided me with hope that we can end this reign of the dictator Justin Trudeau.	2/19/2022 11:47 AM
31812	Given me hope	2/19/2022 11:47 AM
31813	Hope!!!!	2/19/2022 11:47 AM
31814	The convoy has in no way affected my life in a negative way. Everything that the truckers have been able to do up untik today makes sure that I am with them with all my heart since they are there to defend our right to freedom. And all this in peace, love and joy	2/19/2022 11:47 AM
31815	Gives me hope that canadians will see what Trudeau is up to	2/19/2022 11:47 AM
31816	It gave me hope that we can have normal life again and have freedom of choice	2/19/2022 11:47 AM
31817	Gave us our pride back .. people standing up and leading our country back to unity and hope for the future	2/19/2022 11:47 AM
31818	It has given me some hope of normalcy but also made me realize that the narrative that vaccines help is deeply engrained. And although there is some evidence that they may help slightly and reduce hospitalization, they are not effective enough to warrant forcing people to lose their jobs over the decision not to take one. Neither is covid a severe or dangerous disease.	2/19/2022 11:47 AM
31819	In no way. They are heroes and I wish I could join them.	2/19/2022 11:47 AM
31820	Positive in that there is hope for freedom. We are not alone!	2/19/2022 11:47 AM

31822	Inspired me that life may change. Encouraged me to keep living, keep looking up, and support and love other fellow Canadians as I'm not alone. I'm not the only one not wanting vaccine mandates or mask mandates etc, etc.	2/19/2022 11:46 AM
31823	Giving hope	2/19/2022 11:46 AM
31824	Not at all	2/19/2022 11:46 AM
31825	Given me hope that there are still people who will fight for freedom and common sense approach to the pandemic	2/19/2022 11:46 AM
31826	Not at all, if anything it enriched my life. I've gone to Ottawa twice to support them and it did more for my mental health with all the joy love and happiness than anything I've experienced in many many years	2/19/2022 11:46 AM
31827	Very little. The movement only gets negative media attention and good aspects from it are obscured	2/19/2022 11:46 AM
31828	I have been thankful to the truckers convoy and their stand for freedom.	2/19/2022 11:46 AM

Canadians vote on Canadian Mandate - February 2022

31829	It's the most positive thing I've seen in Canada in 33 years. The convoy represents freedom. Our government represents evil.	2/19/2022 11:46 AM
31830	Has not effected me	2/19/2022 11:46 AM
31831	Given us hope for a better future. Hope to get back to normal. Finally feel like people are making an impact to get our freedoms back	2/19/2022 11:46 AM
31832	Only in a positive way, I feel hope again	2/19/2022 11:46 AM
31833	Hope for freedom	2/19/2022 11:46 AM
31834	Hasn't	2/19/2022 11:46 AM
31835	There is still hope for this country God bless them all !	2/19/2022 11:46 AM
31836	They have brought so much LOVE AND UNITY!!! It is AMAZING!!!	2/19/2022 11:46 AM
31837	Made me feel hopeful again	2/19/2022 11:46 AM
31838	It has given me hope, and encouragement. I have been distressed to see the way the government and police services are treating them and how Trudeau refers to those of us who support them. Throughout this protest I have also seen a lot of twisting of the truth by Trudeau, other government officials and the mass media which has caused me to loose faith and trust in them.	2/19/2022 11:46 AM
31839	It has given me hope for a better tomorrow for us and our children & grandchildren	2/19/2022 11:46 AM
31840	Its given me hope that life can go back to normal.	2/19/2022 11:46 AM
31841	Though I support it, I have to support it from a distance. At times I find everything pandemic stressful. The convoy has given some hope	2/19/2022 11:46 AM
31842	Brought hope	2/19/2022 11:46 AM
31843	Brought me a ray of hope. Until yesterday when our government stomped all over democracy. Literally. With horses.	2/19/2022 11:46 AM
31844	It has given me hope. The people need to rise up against this illegal and treasonous Liberal party and their illegal PM	2/19/2022 11:46 AM
31845	Inspired and given me hope	2/19/2022 11:46 AM
31846	Yes, given us hope	2/19/2022 11:46 AM
31847	Gives me hope for the 1st time in 2 years	2/19/2022 11:46 AM
31848	It's speaking my feelings	2/19/2022 11:46 AM
31849	Brought me hope against Tyranny	2/19/2022 11:46 AM
31850	Don't care how much it affects me this needs to be done all of us need to go to parliament and make government afraid of people and listen to the people	2/19/2022 11:46 AM
31851	Hasn't affected anything	2/19/2022 11:46 AM
31852	No impact other than a federal emergency act being invoked, unnecessarily I will add.	2/19/2022 11:46 AM
31853	Given us a glimmer of hope	2/19/2022 11:46 AM
31854	Yes! It's given me hope	2/19/2022 11:46 AM
31855	Hope!!!	2/19/2022 11:46 AM
31856	Has really opened my eyes to the lack of integrity in the media and the government in power at present	2/19/2022 11:46 AM
31857	Has not	2/19/2022 11:46 AM
31858	The convoy protest has given some hope for our nation.	2/19/2022 11:46 AM
31859	First sign of hope in 2 years	2/19/2022 11:46 AM
31860	Very positive and inspiring. Gives hope.	2/19/2022 11:46 AM

Canadians vote on Canadian Mandate - February 2022

31861	Finally someone standing up for our fundamental rights and freedoms	2/19/2022 11:46 AM
31862	Given me hope that others out there think strongly about what I believe is true	2/19/2022 11:46 AM
31863	It has given me hope that we will be free again. The convoy has brought canadian's closer in three weeks, then our liberal government and their PM have in the past two years.	2/19/2022 11:46 AM
31864	It's given me that government overreach will end.	2/19/2022 11:46 AM
31865	I like that they have brought attention to the fact the mandates are now outdated. I do not like that I needed to travel to the USA and had to take an alternate route that cost me lots of time on a tight schedule.	2/19/2022 11:46 AM
31866	It's given me hope and has made me proud again to be Canadian	2/19/2022 11:46 AM
31867	Not directly, however it made me realize that we do not have a Prime Minister who listens to all the people. Would have been so easy to assure people and show people his plan to move to Endemic status.	2/19/2022 11:45 AM
31868	Positively, they showed a united canada in a swath of division and hate caused by political theater.	2/19/2022 11:45 AM
31869	It has given me a SPARK OF HOPE again	2/19/2022 11:45 AM
31870	It hasnt	2/19/2022 11:45 AM
31871	It's helping bring back normal life	2/19/2022 11:45 AM
31872	I have been overjoyed- hoping perhaps now Government might listen, they have not listened to nurses, or doctors, or paramedics, I cheered for them every step of the way. I have been disappointed with Justins very obvious efforts to discredit, harass and ignore -even to the point of calling for emergency measures - I gave up my liberal membership before the last election. THE TRUCKERS convoy GAVE ME HOPE!	2/19/2022 11:45 AM
31873	I am very proud of the truckers and all those who have joined this movement.	2/19/2022 11:45 AM
31874	Hasn't- except for hearing about it daily	2/19/2022 11:45 AM
31875	Yes it has brought hope for freedom, love and peace back in our lives. Our heros. Amazing to be part of Canadians United again.	2/19/2022 11:45 AM
31876	Given me hope that if we stand together this will all end.	2/19/2022 11:45 AM
31877	Given me hope.	2/19/2022 11:45 AM
31878	Amazing	2/19/2022 11:45 AM
31879	not at all! they are brave people fighting for all Canadian citizen's freedom!	2/19/2022 11:45 AM
31880	It has brought me hope that the Canada I served as a Veteran still exists	2/19/2022 11:45 AM
31881	Some	2/19/2022 11:45 AM
31882	Not at all	2/19/2022 11:45 AM
31883	Not at all. I support drivers.	2/19/2022 11:45 AM
31884	We have hope. Many provinces have begun canceling mandates.	2/19/2022 11:45 AM
31885	It was eye opening how many international friends messaged me, concerned that the USA had successfully insurrected the Canadian capital while donning Canadian flags. It made me question the heartiness and durability of Canadian cultural identity. I'm still not sure what the argument nor demands were. I feel like people were just raging at the void and lacked a wholesome method to channel their internal rage.	2/19/2022 11:45 AM
31886	positively	2/19/2022 11:45 AM
31887	Our son attends school right by Queens Park. It has been hard for the kids to have a normal school life, and the convoy is making it more difficult	2/19/2022 11:45 AM
31888	Has given me a glimmer of hope for canada	2/19/2022 11:45 AM
31889	It hasn't	2/19/2022 11:45 AM

31893	It put some hope to end all this	2/19/2022 11:45 AM
31894	Given me hope that we can speak our mind, yet I have also been frightened by how quick our right to assembly and protest has been taken away. It is a dangerous slippery slope.	2/19/2022 11:45 AM
31895	It has made me feel hope for the first time in 2 years! FREEDOM!!!	2/19/2022 11:45 AM

31897	nit at all	2/19/2022 11:45 AM
31898	It didnt.	2/19/2022 11:45 AM
31899	In my work. Lack of supplies. Causing financial burned. Lack of supplies no work which equals to no pay. Where is respect? Respect others - clearly this is not the case.	2/19/2022 11:45 AM
31900	Hopefully we gain our freedom back and they have shone a spotlight on our lying media and tyrannical government	2/19/2022 11:45 AM

31903	No effect	2/19/2022 11:45 AM
31904	It's freaking annoying. I don't NOT support them, but I think they are going about it the wrong way. And they are being unreasonable in their demands. But ignoring them or resorting to scare tactics just makes it worse. For goodness sake, just talk to them!	2/19/2022 11:45 AM
31905	given hope that there are still people who see through the evil intent of our prime minister.	2/19/2022 11:45 AM
31906	It's a heartbreaking situation.	2/19/2022 11:45 AM
31907	It has inspired me	2/19/2022 11:44 AM
31908	It has made proud to be Canadian again and it have given me hope.	2/19/2022 11:44 AM
31909	It exposed Trudeau and his dictatorship	2/19/2022 11:44 AM
31910	It gave me hope cause finally someone was fighting for us. Hope cause for once there would be true change. Hope that this movement would be able to unify us and bring about change and fix this corrupt gouverment. Remove trudeau a rat who has not held up to his promises. Lied at every corner of this pandemic. Helped his family tale mpney from a charity of which he gave millions of our hard earned money. In dorect conflict of interest because he knew this charity and its owners. He was never convicted of that nor his involmment in SNC lavalee. He has allowed the unlawful use of personal information of 33 millions cel phones. No conviction again. Lied to a dying Canadian icon. When Gordon Downie asked him to do the right thing with the indigenous and first nation people. He still has not fixed the water situation. He still has given access to the information for the residential schools and thebhundreds of unmarked graves. Lastly for incoking the emergencies act because he doesnt have the integrity to speak to them first. HE NEEDS TO BE PUT ON A PUBLIC TIRAL AND INQUIRY AND MADE TO ANSWER FOR EVERYTHING	2/19/2022 11:44 AM
31911	Gave me hope, very proud of the little guy fighting for freedom	2/19/2022 11:44 AM
31912	Give me some hope	2/19/2022 11:44 AM
31913	Inspirational and knowing I'm not alone in my views.	2/19/2022 11:44 AM
31914	It was a positive powerful assembly. United Canadians. Healed many broken Canadians. Demonstrated peace and love which we have not had any of that since the Liberals took over	2/19/2022 11:44 AM
31915	It has not affected my life.	2/19/2022 11:44 AM

31922	It's giving me hope for fairness. Our rights restored.	2/19/2022 11:44 AM
31923	It has given our family hope that Canada can be great again. The mandates have caused a division in our country, pitting people against eachother. The vaccine should be a individual choice, not something people should have been forced to take due to education/ employment/ sports. My medical records and those of my children are protected under our Canadian constitution and the government is violating my families rights	2/19/2022 11:44 AM
31924	Inspired me. Also shocked me due to the dictatorship being birthed right in front of us.	2/19/2022 11:44 AM
31925	Made me feel pride and joy because fellow Canadians peacefully protesting for my rights and freedoms	2/19/2022 11:44 AM
31926	In no way has this affected my life I do not live in Ottawa so it is not affecting my business or anything. If anything it is making me feel happy that so many people beleive in freedom.	2/19/2022 11:44 AM
31927	Not at all. I completely support this peaceful protest	2/19/2022 11:44 AM
31928	Pride... pride in our truckers. If it wasn't for truckers we would have nothing. This will backfire on Trudeau. Not getting anything done, glued to tv and computer for live feeds.	2/19/2022 11:44 AM
31929	Seeing how peaceful they are even when the government has been trying to create fighting amongst them an the unity as it has brought Canadians back together	2/19/2022 11:44 AM

31935	Showing me that some Canadians are strong enough and brave enough to face our government when the government is in the wrong	2/19/2022 11:43 AM
31936	Given us hope again	2/19/2022 11:43 AM
31937	It has given me hope. It made me so happy to see them fighting for our freedoms. I donated to their go fund me and supported them 100%	2/19/2022 11:43 AM
31938	It has made me concerned and worried for some family members who are in law enforcement. They have had to confront individuals who have been encouraging or planning violence against law enforcement.	2/19/2022 11:43 AM
31939	Initially affected me positively, for the first time in a long time I had hope in a better future. Now, I feel hopeless again with the radical and overreach approach of the government.	2/19/2022 11:43 AM
31940	This trucker convoy it a totally treudeaus fault because he is dictator , he tallerates no disagreement , a total dictator	2/19/2022 11:43 AM
31941	Given me hope	2/19/2022 11:43 AM
31942	Given me the hope that I am not alone, and that we can change the direction Canada is headed in.	2/19/2022 11:43 AM

31948	given hope	2/19/2022 11:43 AM
31949	It has given me the first glimmer of hope in 2 years.it has relit a sense of pride in Canada and specifically the brave Canadians who have found the strength and courage to stand against evil. Removal of bodily sovereignty under threat is a gross overreach and it is pure EVIL! It goes against the most fundamental foundation of freedom. I have been watching carefully from sources other than mainstream news and I am alarmed and dismayed by the blatant misrepresentation being portrayed by our leaders and the media they subsidize. It has shown me how little the will of the people is respected by this government!	2/19/2022 11:43 AM
31950	First time I felt hope, rejuvenation, love, humanity at its best, hope for freedom for my children	2/19/2022 11:43 AM
31951	Gave more hope all the insanity & mandates will all end soon.	2/19/2022 11:43 AM
31952	Given me hope that I haven't felt in a long time, also made me proud of my country and fellow citizens again, I never thought I'd feel proud ever again.	2/19/2022 11:43 AM
31953	Hope!	2/19/2022 11:43 AM

31958	Inspired me	2/19/2022 11:43 AM
31959	Given hope to those who thought all was lost. Opened all of our eyes how many people are actually on the right side if history.	2/19/2022 11:43 AM
31960	Made me believe we had a chance to overturn the tyrants	2/19/2022 11:43 AM
31961	The trucking convoy has given me so much hope for all people and has brought me happy tears.	2/19/2022 11:43 AM
31962	I participated and finally felt unity with my fellow citizens after years of being told to be afraid of each other.	2/19/2022 11:43 AM
31963	It's made me angry, and feeling helpless.	2/19/2022 11:43 AM
31964	Stressful and anxiety provoking bc Trudeau didn't even address their concerns or deal with the issues. He ran and hid, blamed other s.	2/19/2022 11:43 AM
31965	This whole ordeal has saddened me to know end. Our government is tryannical and JT is divisive and dangerous.	2/19/2022 11:43 AM
31966	Given hope	2/19/2022 11:43 AM

31970	Given me and my family hope that we wont have to live this way forever.	2/19/2022 11:43 AM

31974	He gave me some hope that maybe this will end and the socialist government won't take over!	2/19/2022 11:42 AM
31975	Give me hope	2/19/2022 11:42 AM
31976	It is bringing things to light, mandates have lifted for some of my family in other provinces. As personally nothing has changed for me	2/19/2022 11:42 AM
31977	Maybe things will be changed now. Hopefully.	2/19/2022 11:42 AM
31978	Positively. Glad there are people standing up for freedom	2/19/2022 11:42 AM
31979	It has left me paralyzed to see what government has done to these people. Doesn't police or SWAT team or any normal person try and even listen to these people. Normally government would sit and negotiate it with a hostages or kidnapper why did they not do anything before bringing force . Why harm and violence. This has broken my heart. I am sick to my stomach with this. It should have ended in peace not in violence and hurting people women. I am ashamed of the government.	2/19/2022 11:42 AM
31980	It has given a voice to my perspective and been empowering and positive. I hope Justin Trudeau will listen and end the mandates.	2/19/2022 11:42 AM
31981	I am all for what they are doing.	2/19/2022 11:42 AM
31982	It hasn't effected me. Hopefully all mandates are lifted	2/19/2022 11:42 AM
31983	It has made me see that Canadians love peace, unity and freedom and will stand up and fight for each other	2/19/2022 11:42 AM
31984	It has shown that when the big people ignore the little people, they will rise up and hold accountable what should have been done by the elected leaders. That sentiment is prevailing worldwide, because the imposed censorship is unfounded as proven by the ineffectiveness of the 'vaccine' and the increasing diverse reactions to the reckless experiment. It has given voice to the people, and proven the leaders won't listen to reason and will hypocritically sacrifice all to protect their evil narrative.	2/19/2022 11:42 AM
31985	Proud	2/19/2022 11:42 AM
31986	It's given us hope! It's wonderful to see!	2/19/2022 11:42 AM
31987	Great	2/19/2022 11:42 AM
31988	It's made me feel proud to be a Canadian again. The way they they have peacefully and sacrificially stand up for all of our rights as free Canadians. We the people need to have our voices heard. No one is listening!	2/19/2022 11:42 AM
31989	The convoy is true Canadians People fought for our rights in the past and they will do so now	2/19/2022 11:42 AM
31990	It's made things better by proving this is not to be a country under anyone's control. Canada is a FREE COUNTRY. Nobody should try to control it or the people. END THE MANDATES they are complete tyranny.	2/19/2022 11:42 AM
31991	very negatively	2/19/2022 11:42 AM
31992	Hope	2/19/2022 11:42 AM
31993	Made me understand i am not the only one to understand the REAL Science, and not the false one the government trys to shove down our throats!!	2/19/2022 11:42 AM

31996	Not really affected me, but I feel sorry for people in Ottawa. It has been carried on too long now.	2/19/2022 11:42 AM
31997	Gave me and my family hope that good will win this fight.	2/19/2022 11:42 AM

31999	First of all, these bums are not representative of truck drivers, the vast majority vaccinated and working hard to keep goods moving. These right wing zealots who are using trucks to hold the people of Ottawa hostage affect my life by infuriating and enraging me with their ignorance, stupidity, lug-headedness, and arrogance. And don't get me started on them bringing their children... Stupid f*ckers!	2/19/2022 11:42 AM
32000	The trucking convoy was a positive force that gave Canadians hope and brought about some much needed change.	2/19/2022 11:42 AM
32001	It has given me hope in Canadians and the fight for freedom our grandparents fought for.	2/19/2022 11:42 AM

32006	It has given me hope	2/19/2022 11:41 AM
32007	Giving me hope that Canada will be a free country once again. Feeling such love and unity for all Canadians. Thanks to the truckers that sacrificed so much to fight for all Canadians to get our freedoms back. Thank you ..."you amazing truckers and God for orchestrating all of this movement.	2/19/2022 11:41 AM
32008	Hasn't	2/19/2022 11:41 AM
32009	Gave hope. Clarified and solidified what I had known for years, that there are criminals running a government that should be for the peoplethat Agenda 2030 and WEF plans are well under way. Corruption and propagandization of the MSM. The rule of law is dead and has been privately rewritten to favour globalist opportunists. We need an overhaul of entire governance system and some uncorrupt police force (if there are any left since most of them are corporatized) needs to charge and arrest the perpetrators of the crimes against the Canadian people. We need to ensure that every plan to digitalize and centralize our personal information is completely obliterated.	2/19/2022 11:41 AM
32010	Happy to see that I'm not alone. 100% support of the blockade in Ottawa, and other places.	2/19/2022 11:41 AM
32011	Given strength to others, to stand up and act normal. Which has in turn, given me hope!	2/19/2022 11:41 AM
32012	It hasn't if anything they got them to start reopening things	2/19/2022 11:41 AM
32013	It hasn't	2/19/2022 11:41 AM
32014	It has not negatively affected my family at all. If anything It has given me hope that we will get our freedom back	2/19/2022 11:41 AM
32015	Fighting for my rights	2/19/2022 11:41 AM
32016	Showing up for our freedoms, full support	2/19/2022 11:41 AM
32017	far less than mandates, I'm not a city-dweller addicted to luxury goods and privilege, and am not dependent on international supply chains for my breakfast, The Liberties the Truckers agitate to protect are mine as well, so I support the peaceful efforts of my nation to restore Law and Justice	2/19/2022 11:41 AM
32018	It has given me hope for a future that I otherwise felt defeated and lost. Isolated, rejected from my own family and disowned because Trudeau has divided the people. I felt hope for a future where I could have my rights and freedoms back.	2/19/2022 11:41 AM
32019	gave hope	2/19/2022 11:41 AM
32020	It has given hope that there are so many people who are willing to stand up for freedom and our rights as Canadians.	2/19/2022 11:41 AM

	made me realize more then ever why our govt is so terrible	
32024	It brought me hope	2/19/2022 11:41 AM
32025	Hope for the future, proud of my fellow Canadians for standing up.	2/19/2022 11:41 AM
32026	It is inspiring	2/19/2022 11:41 AM
32027	It has provided hope and peace of mind that I am not alone in how poorly this was handled and how our government doesn't actually care about our health and safety but are advocating for control over their citizens. Trudeau has to go and so do these insane restrictions.	2/19/2022 11:41 AM
32028	It has given me hope and some peace that there are still people out there that people in the right for people to have a choice	2/19/2022 11:41 AM
32029	It has given me hope. I was proud to be Canadian again. I was seeing the country that I have grown up in coming back to life. We were united.	2/19/2022 11:41 AM

32031	It has shown me that such an action proves that the pandemic was not the real issue going on. They unmasked gathering together and hugging have not increased hospitalization or deaths. They have given people a place to feel love in the open again.	2/19/2022 11:41 AM
32032	It has brought hope and freedom to a country that was living under a harsh rule for the last two years. It's time Canada stood up!	2/19/2022 11:41 AM
32033	Not at all.	2/19/2022 11:41 AM
32034	Gives hope that we will have freedom of choice. They are speaking for the citizens who alone could not be heard. The brought joy and friendliness back. They are exposing some evil plans for Canada- remove democracy and replace with anarchy.	2/19/2022 11:41 AM
32035	Has not affected my life.	2/19/2022 11:41 AM
32036	Nothing	2/19/2022 11:41 AM
32037	It has freed my workspace from mandates. I no longer wear my mask	2/19/2022 11:41 AM
32038	Not at all	2/19/2022 11:41 AM
32039	It has helped return some pride in my fellow Canadian people and helped give me courage to speak my mind. It has also brought to greater light the weak mindedness of our political leaders.	2/19/2022 11:41 AM
32040	At distance, I felt love, generosity and inclusion, and it gave me the freedom to be myself again, and I felt respected like I respect others. I saw the proof that human beings are capable of really big things when they are all united and respect each other's choices. We are a social species and we need to be able to help each other and follow our heart in doing so. To me it is not acceptable that Government go against that primordial instinct and refuse to hear what it's population has to say.	2/19/2022 11:41 AM
32041	Proven how media lies and shown how horrible our Prime Minister is at responding to any situation	2/19/2022 11:41 AM
32042	Motivating	2/19/2022 11:41 AM
32043	Increased awareness of the political heavy-handedness. Not a personal supporter of protests against govt authority, but upset about govt/Trudeau's handling of situation	2/19/2022 11:41 AM
32044	It has bolstered my resolve in fighting for Canadians Rights and Freedoms, and to not sit back and allow the government to continue to lie, manipulate, and abuse its power over Canadians!	2/19/2022 11:41 AM
32045	The convoy has given us hope and pride to be Canadian again.	2/19/2022 11:41 AM

32058	It's given me hope	2/19/2022 11:40 AM
32059	It's the first time in 2 years that I've been proud of our country. Proud of the Canadian flag. It gave me hope, pride, love.	2/19/2022 11:40 AM
32060	It gave us hope and shows that many Canadians support it and are united against the tyranny in my country. It took off all masks and showed a true face of PM mr Trudeau	2/19/2022 11:40 AM
32061	I'm so proud of then! They make me feel proud to be Canadian again, it's been some time since I've felt pride. Especially with our "leader"	2/19/2022 11:40 AM
32062	It gave me hope to know that this movement is much larger than msm exposes!	2/19/2022 11:40 AM
32063	Given me hope to get our personal freedoms back. The ones my father fought and died for in 1944.	2/19/2022 11:40 AM
32064	I see some light and have faith in the convoy proud of them all.	2/19/2022 11:40 AM
32065	Given me hope that there are still those that will fight for our freedoms	2/19/2022 11:40 AM
32066	It has given me hope that this tyranny government will be held accountable. I agree with them. Freedom is being taken from us and as in many other countries and we need a new government that works for the people.	2/19/2022 11:40 AM
32067	Inspiration	2/19/2022 11:40 AM
32068	Totally pissed at a the Trudeau controlled media and the Liberal government	2/19/2022 11:40 AM
32069	It gave me some hope that we would not lose rights and freedoms.	2/19/2022 11:40 AM
32070	Has given me hope for the future	2/19/2022 11:40 AM
32071	Put our voice out there	2/19/2022 11:40 AM
32072	Not at all	2/19/2022 11:40 AM
32073	Given me back the pride I now have again for Canada. I feel more unified with my fellow Canadians than I have in the last 2 years.	2/19/2022 11:40 AM
32074	Gave me hope. I have been encouraged at their bravery.	2/19/2022 11:40 AM
32075	Hasn't affected my life. I understand where they are coming from. Democracy allows them to protest but I don't agree with how far they have taken it.	2/19/2022 11:40 AM
32076	Given hope that there are many like minded people	2/19/2022 11:40 AM
32077	It has shown me how bad we need the truckers	2/19/2022 11:40 AM
32078	Hope and grief at the way they are treated now. Saw them go by -very joyful	2/19/2022 11:40 AM
32079	For the first time in almost 2 years I felt some hope. I felt that people are finally waking up to see the truth and Canadians are uniting against tyranny. 32082	Makes me cry daily with tears of love, respect, appreciation for those who are willing to not back down - other than that, they are peaceful minus the murdering cops on horseback	2/19/2022 11:40 AM
32083	Hope that people value freedom	2/19/2022 11:40 AM
32084	Stressfull	2/19/2022 11:40 AM
32085	Shocking to see the latest developments. I would say that I support them above but I only support peaceful, loving, and empathetic methods from both, truckers and government.	2/19/2022 11:40 AM
32086	It gave us a glimmer of hope, we seen the unity in real life. Only to have it squashed by leftist politicians. We are actively looking for a way out of Canada. Selling the farm and leaving.	2/19/2022 11:40 AM
32087	It hasn't	2/19/2022 11:40 AM

32126	Not directly- yet Indirectly, that people are choosing to stand up for those of us who aren't being heard	2/19/2022 11:39 AM
32127	Has brought me hope, seeing all the love and peace with the canadian people. Bringing light to all the evil	2/19/2022 11:39 AM

32131	Gave me hope again	2/19/2022 11:39 AM
32132	It has inspired me. Honest Canadians have tried EVERYTHING legally to get our lives back- but no one gave explanations or answers as to why people are expected to be happy with no money, no food if they don't take the jab. Mass gaslighting going on. We know truckers would have loved to just continue working, but they realized they were the end of the line. The government now HAS to listen. Instead, our gov used this opportunity to disrespect and show the contempt it has for the Constitution and its people by trampling (literally) on people. Truckers and their supporters are true Canadians.	2/19/2022 11:39 AM
32133	Has not directly affected me but has given me hope as to the character and values of my fellow Canadians.	2/19/2022 11:39 AM

Canadians vote on Canadian Mandate - February 2022

32139	It gave me a sense of hope and it is inspiring to see so many Canadians coming together!! Finally a bit of happiness in this shithole province!!	2/19/2022 11:38 AM
32140	Gives us hope	2/19/2022 11:38 AM

32143	Interesting to watch, frustrating to see how the media covers it.	2/19/2022 11:38 AM
32144	The trucking convoy has given me and my family so much hope! Witnessing the Unity, love, kindness, peacefulness is absolutely amazing. I have never been so proud to be a Canadian. The emotions, tears of joy watching the people come together is absolutely inspiring. It is Peaceful, friendly, respectful, playful, hopeful. People are happy, full of hope and re energized after being locked down for so long. After being discriminated against, segregated from society, and experiencing the impact this has had on children... This movement has brought a lot of hope for a lot of people. It's not a fringe minority by any means. There are families with children there. Bouncy castles. People dancing and hugging, praying, Playing street hockey. It's like Canada day every day, but the news doesn't report on that. People are bringing and cooking food for everyone, feeding the homeless, picking up garbage, shovelling snow. But none of that is on the media. It's unity at its finest... people regardless of race, religion, colour, background, etc. It's so beautiful to see.	2/19/2022 11:38 AM
32145	Family being fired from there job by the government. LITERALLY!!	2/19/2022 11:38 AM
32146	Gave me hope	2/19/2022 11:38 AM

32149	It gives me joy & hope that maybe things will/can change so we can go back to living life and I can get my job back	2/19/2022 11:38 AM
32150	It has given me hope. I have seen how considerate the truckers have been, shoveling, feeding the homeless, generating good will.	2/19/2022 11:38 AM
32151	They brought peace, solidarity and hope that there are still people in this world that care about their community	2/19/2022 11:38 AM
32152	Makes me happy to be Canadian again	2/19/2022 11:38 AM
32153	Their actions seem to have stirred up our provincial government enough to start removing mandates, makin it easier to do things	2/19/2022 11:38 AM
32154	it didn't it gave us Hope	2/19/2022 11:38 AM
32155	It gave back a positive energy to the people that we the people run this country not some puppet paid off by the elites!	2/19/2022 11:38 AM

32157	NA	2/19/2022 11:38 AM
32158	Uplifted. Give hope to a better and brighter future	2/19/2022 11:38 AM
32159	They are fighting for our freedom and I support that	2/19/2022 11:38 AM
32160	Gave me hope that people would wake up seeing as most people support it except little Hitler of course	2/19/2022 11:38 AM
32161	Freedom	2/19/2022 11:38 AM
32162	Given me hope that we can be free again	2/19/2022 11:38 AM

Canadians vote on Canadian Mandate - February 2022

32165	It has brought back hope and pride to be a Canadian	2/19/2022 11:38 AM
32166	They beat up homeless people, stole food from a soup kitchen and honked at an empty building hurting the ears of people with no political power. It does not seem as though they actually care about people.	2/19/2022 11:38 AM
32167	It gave me hope	2/19/2022 11:38 AM
32168	No negative affects	2/19/2022 11:38 AM
32169	Citizens, are ready to stand for their rights!	2/19/2022 11:38 AM
32170	Never been prouder to be a Canadian, businesses should have stood up long ago, 2 years the gov ruined the economy. It's clear they don't care.	2/19/2022 11:38 AM
32171	it has given me hope	2/19/2022 11:37 AM
32172	Not at all	2/19/2022 11:37 AM
32173	Gave me a sense of pride and a voice. Made me smile.	2/19/2022 11:37 AM
32174	It is helping with everything. HOLD THE LINE!!!!	2/19/2022 11:37 AM
32175	Give a hope for good changes.	2/19/2022 11:37 AM
32176	I support this Very Peaceful Demonstration. Trudeau ignoring Convoy was disrespectful to everyone. Convoy United the world and made be believe their are some good people left. Government is corrupt and news is FAKE.	2/19/2022 11:37 AM
32177	It has given me hope that there is a way out of this pandemic/scare tactic the government has placed over us. It has shown me how the government has not been working for us or have our best interests at heart. They only look out for themselves and not us ordinary people. I did not appreciate the Prime Minister calling the truckers every disgusting name just because he doesn't agree with what they are protesting. I am a truck driver myself and I stand with them and I DO NOT deserve to be called all those names. The whole world is watching this unfold. And its showing everyone his true colours. He could have solved this weeks ago by just sitting down and talking to them like a normal human being. He not a better person than any of us. And he brought this upon himself. It is very sad to see that he has resorted to violence to try and stop the protests where as the people that are being arrested are the bigger person and going peacefully. I pray that no one gets hurt or killed during this time of unrest in our country.	2/19/2022 11:37 AM
32178	Gas prices have gone up. Good prices have gone up. Beef prices have gone up. Shipping times are slower.	2/19/2022 11:37 AM
32179	They have given me hope. They are heroes, fighting for our Charter rights.	2/19/2022 11:37 AM
32180	It made we aware of the need to stand up together against this tyrannical government (PM)	2/19/2022 11:37 AM
32181	Hasn't affected my life but makes me proud to be Canadian	2/19/2022 11:37 AM
32182	Gave me hope that all our collective hardship in this matter was coming to an end.	2/19/2022 11:37 AM
32183	It gives me so much hope.	2/19/2022 11:37 AM
32184	Helped give hope	2/19/2022 11:37 AM
32185	Encouraged and gave hope	2/19/2022 11:37 AM
32186	They have given me so much hope and love for my country. They have restored my faith. To know I'm not alone, has made a huge difference in my mental health.	2/19/2022 11:37 AM
32187	I'm a truck driver also! Wish I could of made the trip!	2/19/2022 11:37 AM
32188	None - Good thing	2/19/2022 11:37 AM
32189	It has set a dangerous precedent of the ignorant, self interested right wing rabble redefining the very worst of US values in Canada. It has made me ashamed for our country which once possessed the rationality that eludes so many others.	2/19/2022 11:37 AM
32190	Well it's given me hope that maybe we can get back to normal. And hope for freedom	2/19/2022 11:37 AM
32191	It has provided hope.	2/19/2022 11:37 AM

32192	Brought the corruption to light !	2/19/2022 11:37 AM
32193	It has brought love and light into my life. Hope that Canada that I once saw as small closed minded country is now Strong, Resiliant, Determined and Willing to Fight for what is Truly Right! Our Freedom as Canadians and Human Beings!!!	2/19/2022 11:37 AM
32194	Giving me hope	2/19/2022 11:37 AM
32195	I support what they are standing for. Our freedom	2/19/2022 11:37 AM
32196	Yes	2/19/2022 11:37 AM
32197	It's helping !!! Mandates have to stop so people can work again..we lost so many things my daughter lost home .I could go on for every!! This was peaceful till the government called state of emergency..This is so crazy suicides in families everything else. What is government going to help his fellowship of People in Canada, This should be stopped world wide. We dont no what's going to happen to our future of families and friends!!!	2/19/2022 11:37 AM
32198	It has brought people together without the corruption of the main stream media.	2/19/2022 11:37 AM
32199	Yes in a positive way	2/19/2022 11:37 AM
32200	It hasn't so far	2/19/2022 11:37 AM
32201	It has brought hope and pride back in my life.	2/19/2022 11:37 AM
32202	No	2/19/2022 11:37 AM
32203	With hope, and encouraged to see how our country has come together from the east to the west, Quebec - French & English. Total unbelief on how the left government turns a deaf ear to so many people that have been peacefully protesting and that for weeks. It shows how the mainstream media is full of lies and deception. We've been there. I know. I know many people that are witness to the peace, unity and resolve for the truth. It shows without doubt that Trudeau needs to go. It shows that many in government are sheep. Many police are witness to the real story - the unprecedented crackdown with all the weaponry is laughable. Trudeau is on record for supporting BLM, for those he agrees with. What unimaginable arrogance. Trudeau is in the pocket of Klaus Schwab, Soros & the like. Please pray for our nation.	2/19/2022 11:37 AM
32204	It has undermined my faith in many of my fellow citizens' ability to discern a protest from a scam. It has obliterated what little confidence remained in having a reasonable national Conservative party that was got to govern.	2/19/2022 11:37 AM
32205	Raised issue of time to move along and open up	2/19/2022 11:37 AM
32206	It has shown me that standing up for your right to protest peacefully is dead in Canada under a tyrannical government	2/19/2022 11:37 AM
32207	Grocery stores not having certain products.	2/19/2022 11:37 AM
32208	Inspiring for certain . The world is watching these men and women standing for our freedom , justice and righteousness	2/19/2022 11:37 AM
32209	With such blessing and strong gratitude to them and forever in their debt.	2/19/2022 11:37 AM
32210	It has given me hope	2/19/2022 11:37 AM
32211	The honking has made me hard of hearing, put my cats on anti-anxiety meds, given me and my partner PTSD. I can't look at a Canadian flag or a semi without a minor panic attack. A friend of mine lost his job because the business was closed downtown. Several of my friends were assaulted for wearing a mask downtown. They put my son directly at risk by shouting in his face at his place at work without a mask on. The Tantrum Geese suck and need to leave and go through proper channels to make their changes. They CAUSED fear and CAUSED dissention and CAUSED trouble and CAUSED sickness. They should be penalized.	2/19/2022 11:37 AM
32212	It's given me hope that maybe soon we can all live freely again, that's for the vaxed and the unvaxed.. if u want to wear a mask, cool wear one.. if not, cool.. dont. It's our right, these mandates have proven to be useless. We need to approach this another way	2/19/2022 11:37 AM
32213	Made me proud of some Canadian people and their value of freedom	2/19/2022 11:37 AM
32214	These truckers have started a change we all in this entire world needs and this will be what	2/19/2022 11:37 AM

takes my life. I will be a part of this until the end of mandates here in Canada.

32215	It has not affected my life	2/19/2022 11:37 AM
32216	Gives me hope	2/19/2022 11:37 AM
32217	Brought hope	2/19/2022 11:37 AM
32218	Made me concerned about the far right in my country	2/19/2022 11:37 AM
32219	I feel divided from many people, but I do support the cause, they are peaceful and just want their freedom back. I am disgusted with how they are being treated right now, being hit by police and trampled by horses. Trudeau supporting this behaviour towards protestors is appalling. People are allowed to protest, just because he doesn't agree does not mean he needs to start violence himself.	2/19/2022 11:36 AM
32220	I have spent hour watching on internet. Thought the majority of them were standing up for us all piecefully. I expected this to happen in the US. Never dreamed it could happen in Canada.	2/19/2022 11:36 AM
32221	Positively Giving hope toward freedom again	2/19/2022 11:36 AM
32222	It has made me feel Canadian again.	2/19/2022 11:36 AM

32224	Gives me hope that there will b a bright future ahead	2/19/2022 11:36 AM
32225	Has given me a little hope in freedom and humanity	2/19/2022 11:36 AM
32226	Positive message. Providing hope something will be done to remove passport mandates and invasion of personal privacy in our country	2/19/2022 11:36 AM
32227	Forced positive change	2/19/2022 11:36 AM
32228	It has given me hope	2/19/2022 11:36 AM
32229	helped	2/19/2022 11:36 AM
32230	Made me feel proud to be Canadian again, to see how they brought all of our Provinces together warms my heart and they can spin it anyway they want but it's because of the truckers mandates have been lifted and to now see what our PM is doing disgust me right to the core and makes me so sad. MR PM I really hope you are so proud of yourself and one day hope you have to answer for all the war crimes againt all Canadians you committed especially against our veterans who fought for your freedom Mr. PM shame shame on you PM	2/19/2022 11:36 AM
32231	Distractions	2/19/2022 11:36 AM
32232	It's given me hope	2/19/2022 11:36 AM
32233	Gave back hope for a free future. Helped to debunk many of beliefs about covid	2/19/2022 11:36 AM
32234	They are standing up for what is right	2/19/2022 11:36 AM
32235	What the truckers are doing has brought so much light and love back into my life. They restore my hope that we are better than what the last two years has made us. There message is simple.	2/19/2022 11:36 AM
32236	No	2/19/2022 11:36 AM
32237	It was the first positive thing I have attended in 2 years. I went to one of the overpasses for support and it was the most patriotic, loving and accepting bunch of people imaginable! It really gave me hope, lifted me up and reminded me of the reason I am proud to be Canadian- because of people like that. People of all walks of life outside together on a freezing cold day to stand up for the Canada we should be living in! The one free of discrimination and control.	2/19/2022 11:36 AM
32238	It has giving me hope again it and to be proud to be a Canadian again. The truckers are heroes and now March 1 I can see my boys play hockey.	2/19/2022 11:36 AM
32239	Positively, proves peaceful assembly can accomplish a goal on a national/federal level.	2/19/2022 11:36 AM
32240	Increased prayers for God to intervene and bring Canada in repentance of sins and return to God.	2/19/2022 11:36 AM

32241	They have given me hope that this tyrannical government will be stopped. Hope that I will be allowed to be in public, to take my kids to the movies, go to a sporting event, see my kids play in their sporting events and be ALLOWED to visit my grandparents.	2/19/2022 11:36 AM
32242	They have given me a little bit of hope that things could change if we stand up to our tyrannical government.	2/19/2022 11:36 AM
32243	For the first time in years. Years. I had hope for my country, I saw a reason to be proud of the country that I love again. I watched people come together all over the country and stand together in peace and love and hope.	2/19/2022 11:36 AM
32244	It has brought me hope and light	2/19/2022 11:36 AM
32245	It has brought hope and a glimmer of peace. It has shown how a country's unity and standing together in solidarity, believing in our rights and freedoms, stands above all those in POWER.	2/19/2022 11:36 AM
32246	Provided hope, unity and protection of our fundamental rights and freedoms	2/19/2022 11:36 AM
32247	Not seeing people I love my parents my dad that's in a home has short time to live, not being about to have kids be kids feeling depressed cause lack being able to be around loved ones	2/19/2022 11:36 AM
32248	Brought hope that people care about people and that we will overcome this hateful "leadership"	2/19/2022 11:36 AM
32249	Given me hope and inspiration. I feel so appreciative and grateful for the sacrifices they've made for their fellow Canadians. Because I've prayed a lot for them it helps me to feel connected to them and their cause. Their courage and their commitment to be peaceful has been a testament to what we are truly capable of in the face of hostility anger and even sometimes evil. I feel proud of what they have done for Canada on the global stage and how they have inspired so many people around the world	2/19/2022 11:36 AM
32250	It didn't just nice to see some people stand up for all are freedom being the liberal government doesn't give a shit about the people I hope our pm roots in hell for what he has done to this once great country	2/19/2022 11:36 AM
32251	The convoy made me aware of 'millions' of Canadians lives that are affected by a federal government who refused to listen to concerns of Canadians. It's demonstrated how "weak" the federal govt. is and it's inaction, in my view, is completely unacceptable. Canada's reputation is seriously damaged by the Federal Leader. He's ultimately accountable while continuing to deflect blame to others. That is a quality he's shown other times during his time in office.	2/19/2022 11:36 AM
32252	The convoy did not effect my life in and negative way.If anything it gave me hope..for lifting all these ridiculous mandates!	2/19/2022 11:36 AM
32253	It's given me hope and a sense of unity. Something I don't get from our government	2/19/2022 11:36 AM
32254	It hasn't. It's created a unity that I feel we desperately needed	2/19/2022 11:36 AM
32255	Gave me hope, and faith that there is still a lot of good people out there.	2/19/2022 11:36 AM
32256	Pride and love again for our country.	2/19/2022 11:36 AM
32257	Gave me hope	2/19/2022 11:36 AM
32258	It's helped me know if not alone.	2/19/2022 11:36 AM
32259	Gives some hope for a normal life again	2/19/2022 11:36 AM
32260	Positively That there are people out there who believe in choice	2/19/2022 11:36 AM
32261	they have brought me hope that humanity and the capacity for independent individual free thinking has not died in Canada. Watching darkness descend over the medical profession over the past 50 years as it has become more mechanized and increasingly lacking in love and compassion - the very traits we need to develop, has appeared unstoppable. The truckers give me hope.	2/19/2022 11:36 AM
32262	It has boosted my confidence that there are people who will stand up for what is wrong	2/19/2022 11:36 AM
32263	Made me have hope again.	2/19/2022 11:36 AM
32264	Inspired me...gave me hope against criminal government	2/19/2022 11:36 AM
32265	It caused unnecessary economic damage, reputational damage for Canada as a trading partner	2/19/2022 11:35 AM

and incurred high costs for taxpayers. Participants should be prosecuted to the fullest extent of the law. Class action suits should be filed against all involved to recover the costs.

32266	Brought people together	2/19/2022 11:35 AM
32267	it has given me hope	2/19/2022 11:35 AM
32268	Show great hope in unifying the country	2/19/2022 11:35 AM
32269	Raised my hopes, gave insight to what the media stands for as well as government and their agendas	2/19/2022 11:35 AM
32270	It affected my life cause I want this mandate to stop already and they people are not only fighting for their freedom but for all the other people's freedom who couldn't be with them to fight for our freedom	2/19/2022 11:35 AM
32271	It has given me a sort of hope for the return of freedom we have lost during the pandemic	2/19/2022 11:35 AM
32272	It is great. We need to stand for freedom. No virus should ever shut the world down ever	2/19/2022 11:35 AM
32273	Not at all	2/19/2022 11:35 AM
32274	I 100 percent support the truckers convoy. They have given millions of Canadians hope and have Mad them proud to be Canadian. Never in history have Canadians been so united and proud. The convoy has made me happier then I have been in the last 2 years. It just amazes me how much good the convoy is doing all while fighting for our freedoms. I sincerely hope that the mandates nation wide ends immediately and all the truckers can go back home to their families	2/19/2022 11:35 AM
32275	Made me a very proud Canadian	2/19/2022 11:35 AM
32276	Gave us hope again , thank you	2/19/2022 11:35 AM
32277	It has given me a sense of hope and encouragement when I thought that I was one of the only ones with this view of the mandates. Everyone is so loving and wonderful in the convoy and it really gives me hope in Canada.	2/19/2022 11:35 AM
32278	Given me hope	2/19/2022 11:35 AM
32279	It brought hope .. because Trudeau is the devil himself Funny to watch him run away like the pussy be truely is	2/19/2022 11:35 AM
32280	I am so proud of them!!! If you ignore the very few bad apples (which convoy people disagree with) it has been a peaceful protest. They make me proud to be Canadian!	2/19/2022 11:35 AM
32281	It has given me some hope that enough people care about what is happening that some sanity may return to our daily lives	2/19/2022 11:35 AM
32282	It gave me hope that finally we would be heard, and that we would be able to move forward with a plan that would include all. Finally, someone was standing up against a tyrannical government	2/19/2022 11:35 AM
32283	Gave me hope that I had lost these past 2 or more years. Gave me a reason to hold on a little longer!!!	2/19/2022 11:35 AM
32284	Has made me angry in the sense that our so called Prime Minister is an ass, won't even talk to them, calling everyone nazis. He needs to go. And he needs to go now. He's changing everything to his benefit. The media making them look like they are the bad guys. They are "peacefully protesting" and according to the media and our PM they are violent protesters. I'm angry, very angry	2/19/2022 11:35 AM
32285	Gave hope for freedom	2/19/2022 11:35 AM
32286	It hasn't	2/19/2022 11:35 AM
32287	It has given me hope for my country	2/19/2022 11:35 AM
32288	Give me hope	2/19/2022 11:35 AM
32289	As I stated I've been called a nazi at my job because these people that are supporting the trucker convoy are comparing the mandates to nazi Germany which is beyond wrong. Those people are so privileged that following one mandate is the end of their worlds. They are also	2/19/2022 11:35 AM

Canadians vote on Canadian Mandate – February 2022

comparing themselves to Rosa parks and that is also beyond wrong. These people in the public have gotten worse and make it hard to wake up and go to work knowing that my safety could be in danger and I'm going to have to argue with people to just follow rules in which I didn't create may I add I'm just a worker that wants to be safe.

32290	Thanks a hope	2/19/2022 11:35 AM
32291	Minimal	2/19/2022 11:35 AM
32292	I have been hopeful for the first time in a long time and encouraged by all the peaceful Canadians who have stood up for their rights and mine as well. Also pretty interesting how all this people without masks and I close proximity didn't cause a massive influx of covid cases. Very interesting. I have no confidence in our current prime minister but lots of hope in the people of Canada speaking out.	2/19/2022 11:35 AM
32293	It has given me hope in Canada. I have been so embarrassed to say I'm Canadian with the spineless coward of a leader that we have running this country, the convoy has given me hope that things might change	2/19/2022 11:35 AM
32294	I have watched the truckers following our constitutional rights to the letter and not breaking any laws. Then watched our Government completely disregard the very document written to stop the tyranny and communist actions against the people of Canada, with no repercussions. This has made me fully aware of how corrupt our Government system has become and how every business and public service and public media is a propaganda tool that leads back to a government official shareholder or owner. Our Government is not for the people. It is destructive for the Canadian citizens. It needs to be brought down. The Truckers have helped show just how corrupt our Government and its uniformed lackeys are.	2/19/2022 11:35 AM
32295	They give us hope! We are in full support of the peaceful freedom convoy. Some stores have less items but they are holding the line for freedom and to end all mandates	2/19/2022 11:35 AM
32296	It's given me hope, a sense of pride to be Canadian again. And courage to fight for our rights and freedoms as Canadians.	2/19/2022 11:35 AM
32297	Gave me hope	2/19/2022 11:35 AM
32298	I am glad that a part of society at least has had the courage to act against the unlawful acts of our government.	2/19/2022 11:35 AM
32299	No negative impact in my life. I support them.	2/19/2022 11:35 AM
32300	Made me feel great !	2/19/2022 11:35 AM
32301	it has brought a sense of there are Canadians that that are about Canada	2/19/2022 11:35 AM
32302	It has brought Hope back for Canadians!	2/19/2022 11:35 AM
32303	Hope for our country. Thank you truckers !!	2/19/2022 11:35 AM
32304	Proud	2/19/2022 11:35 AM
32305	Given me hope, pride	2/19/2022 11:35 AM
32306	Not, it's beautiful	2/19/2022 11:35 AM
32307	Gave me hope, filled my heart with pride for our country due to all people coming together....but also now is breaking my heart how the GOV is addressing it and also makes me question the honesty and integrity of our parliamentary reps and mainstream media.	2/19/2022 11:35 AM
32308	Inspiring	2/19/2022 11:35 AM
32309	I feel hopeful for the first time in 2 years that the people of Canada may possibly be heard.	2/19/2022 11:34 AM
32310	They have given me hope again and made me proud to be Canadian once more.	2/19/2022 11:34 AM
32311	I'm very proud of them standing up for are freedom ♥	2/19/2022 11:34 AM
32312	These movement has brought me hope. A belief that there is still people who are willing to stand yp for the fights and freedoms of perfect strangers. That morals and values still exist over money and control. I stand behind this convoy 100 percent.	2/19/2022 11:34 AM
32313	It has given me hope	2/19/2022 11:34 AM

Canadians vote on Canadian Mandate - February 2022

32314	It hasn't affected my daily life but I do hope they can accomplish what they have set out to do and get our freedom's reinstated now and forever without violence. We should have the right to make our own decisions.	2/19/2022 11:34 AM
32315	Made me realize I'm proud to be Canadian. Shows how corrupt our government officials really are	2/19/2022 11:34 AM
32316	I am proud of them. They stood up to our PM for all of us If only our leader wasn't a coward But yes I am behind them 100%	2/19/2022 11:34 AM
32317	It helped me realize to take a stand in what I believe is right and to end this tyrannical government mandates	2/19/2022 11:34 AM
32318	Undecided	2/19/2022 11:34 AM
32319	Positive	2/19/2022 11:34 AM
32320	Inspired me, given me hope that change can be made and that there are good people still who stand up for what's right	2/19/2022 11:34 AM
32321	Didn't	2/19/2022 11:34 AM
32322	It has given me hope. Also when I thought it was only a few of us which did not agree with the government. Now I know there are millions that share my opinion. We are being silenced. We should never be silenced when we are questioning mandates which have no reason to remain. Government is taking our freedoms and playing politics with our lives and rights. Very sad day in Canada when Canadians are not allowed to speak .	2/19/2022 11:34 AM
32323	It has giving me hope again. We are proud of the truckers and support them 110%. The truckers have done nothing but good, even helping the locals in Ottawa with snow removal and feeding the homeless. The truckers are a good example of real peaceful protesters fighting for their rights. It's very frustrating to me that instead of listening to his people and at least having a conversation, our Prime Minister hides away and tries to fight the peaceful protesters with violence. The police should be ashamed of themselves for any violence they perform on peaceful, friendly protesters singing our national anthem. It angers me that this good movement to regain freedom is being bashed while we've recently seen protests that were violent and politicians lied and said they were peaceful. This is what peace protest looks like. If Trudeau feels threatened, it's because he's doing things he shouldn't. The media should be punished for tainting the truckers' image! It's tyrannical government propaganda. I would join the protesters if I could but I have to feed my family and my animals and it's too far to go for a few hours. I'm hoping that this survey won't be ignored. The government has been hiding the truth and punishing free speech. They don't want you to know that many Canadians support the truckers.	2/19/2022 11:34 AM
32324	It brought hope that mandates will end!	2/19/2022 11:34 AM
32325	I am so proud of them! If anything it has opened my eyes to the lies of the media and government and how disgustingly corrupt they are. They spin EVERYTHING they lie lie lie terrible people that are going to burn in hell	2/19/2022 11:34 AM
32326	Food prices?	2/19/2022 11:34 AM
32327	Given us hope for a future without mandates!	2/19/2022 11:34 AM
32328	We COMPLETELY support the truckers!	2/19/2022 11:34 AM
32329	It has not effected my life	2/19/2022 11:34 AM
32330	It hasn't effected my life they are trying to make it better	2/19/2022 11:34 AM
32331	Has given me hope for freedom	2/19/2022 11:34 AM
32332	Brought hope to see the light at the end of this ridiculous tunnel.	2/19/2022 11:34 AM
32333	Give me hope again. Lifted spirits. Cried tears of joy.	2/19/2022 11:34 AM
32334	it has brought hope and peace to my mind, knowing we can come together to stand up for what we want	2/19/2022 11:34 AM
32335	I feel hope for the first time in a very long time! Or I am 100% with our Truckers and so very thankful for them! They are honour in action!	2/19/2022 11:34 AM

Canadians vote on Canadian Mandate - February 2022

32336	They impact my life with their braveness and determination to stand up for what is right and for freedom.	2/19/2022 11:34 AM
32337	I am so proud there are still men and women that are brave and loving. I haven't been a proud Canadian for many years but after watching the world be inspired by our truckers I am a very proud Canadian again. They have brought me peace and hope that we can get rid of our government and start all over.	2/19/2022 11:34 AM
32338	It hasn't	2/19/2022 11:34 AM
32339	It's brought so much hope and a sense of relief after 2 long years of nothing but darkness and fear mongering. So nice to see ALL Canadians uniting and smiling regardless of vaccination status. These truckers are the backbone to our country and without them we have nothing. I support the convoy 110%.	2/19/2022 11:34 AM

32343	It has been an emotional roller coaster. So proud of them, yet so saddened for what they have gone through.	2/19/2022 11:34 AM
32344	It gave me hope that people still care about our basic fundamental freedoms. Hope that I'm not the only one who sees through this dictatorship.	2/19/2022 11:34 AM
32345	Feels good to have people stand up for canadians fighting for a great cause	2/19/2022 11:34 AM
32346	I support the trucking convoy 100% as long as they don't get violent. The government needs to lift the mandates	2/19/2022 11:34 AM
32347	Made it better for truth spreading and exposing Trudeau	2/19/2022 11:34 AM
32348	Brought hope made me think that maybe I'll stay here in canada	2/19/2022 11:34 AM
32349	They showed us that we can all unite together and be proud, free Canadians.	2/19/2022 11:33 AM
32350	It has given me hope that others feel the way I do and I'm very proud of them. It is also disheartening that the government will not listen to what a large group of Canadians want, even though we supposedly live in a county with freedom of speech and opinion.	2/19/2022 11:33 AM
32351	I am proud of the freedom convoy	2/19/2022 11:33 AM
32352	Gives me hope	2/19/2022 11:33 AM
32353	It hasn't really I'm just glad someone is doing something so we can have our freedom back and get rid of all these restrictions	2/19/2022 11:33 AM
32354	I haven't felt proud to be a Canadian since Trudeau came into power. Since the convoy I feel proud to be Canadian again and proud that other countries see that we're doing what's right with the convoy.	2/19/2022 11:33 AM
32355	Given me hope I wish I could be there they are so brave	2/19/2022 11:33 AM
32356	Felt unity	2/19/2022 11:33 AM
32357	Inspired me that there is still hope for humanity in rising up against this globalist facist tyrannical regime.	2/19/2022 11:33 AM
32358	Given me hope	2/19/2022 11:33 AM
32359	It's given me hope	2/19/2022 11:33 AM
32360	It has brought happiness, closeness to others and a feeling of we can end these mandates!	2/19/2022 11:33 AM
32361	It has given the other side of public a voice. I hope government will see this as a good thing.	2/19/2022 11:33 AM
32362	It has given me hope in the sense that people are getting tired of the same thing I'm tired of.	2/19/2022 11:33 AM
32363	Made me proud to be a Canadian again.	2/19/2022 11:33 AM

Canadians vote on Canadian Mandate - February 2022

32364	Gave me hope	2/19/2022 11:33 AM

32370	It had brought a hope, a unity of many Canadians. But also a disappointment of government and police enforcement.	2/19/2022 11:33 AM

32382	Woke more people up	2/19/2022 11:33 AM
32383	It upset and embarrassed me. It felt very Un-Canadian. I was not surprised to see so many American flags there or hear that many donations were from American citizens.	2/19/2022 11:33 AM
32384	Proud that a group of individuals were brave enough to step up and speak for the majority of Canadians. Remember only 30% voted in the present PM. 70% did not.	2/19/2022 11:33 AM

32416	It hadn't .	2/19/2022 11:32 AM
32417	The price of diesel has gone through the roof, reaching as high as \$1.98/litre at some point. Now at least two gas stations near me are OUT OF DIESEL. I can't help but think that the convoy has something to do with this.	2/19/2022 11:32 AM

32429	It's given me hope for imperative changes for the survival of a democratic/free country.	2/19/2022 11:32 AM
32430	Fear with how the government is handling it. I'm afraid that only one opinion is allowed... even though we apparently have freedom to make our own choices regarding health options, religion, expression, etc.	2/19/2022 11:32 AM
32431	The Freedom Convoy has given me hope. There is a light at the end of the tunnel. It has united Canadians again. The Freedom Convoy is a place where I feel I can be myself. The Freedom Convoy has brought love and peace. I will always be grateful for the brave truckers of the Freedom Convoy.	2/19/2022 11:32 AM
32432	- has given me hope that our country can be saved from the clutches of the feckless prime minister and his minions	2/19/2022 11:31 AM

32435	I know they are fighting for all our freedoms. I have been to Ottawa and I am very thankful for their tremendous sacrifice for all of us.	2/19/2022 11:31 AM
32436	The truckers convoy brought me hope. First time since the beginning of Covid and unrealistic restrictions put on my head by a corrupt government. Yes, corrupt....Trudeau has unapologetically given away Canadas wealth. Destroyed our Pride. This country no longer feels like Canada. I am proud of our Truckers. They made a stand. A peaceful stand despite the bad reporting by CBC and other mainstream media circus performers.	2/19/2022 11:31 AM
32437	Nice to se how people respect trucker again	2/19/2022 11:31 AM
32438	They are absolute hero's in my mind. They are courageous orderly and confident in taking a stand against a totally corrupt government. They have given me hope starting with covid and insisting on Mr Trudeau cease and desist in his complete misuse of power starting with covid and delineating from doing his job properly and upholding justice. I am confident in their process and peaceful ways. I totally support them 100%. I am able to go to the swimming pool now as that is a proponent of my healing program. I was in a serious car accident. I am able to go to my oil painting classes which promotes my post concussion management in the healing process as well. My prayers are for their success and they are a perfect show of how democracy should look like!	2/19/2022 11:31 AM
32439	It has brought to light the importance of our freedom of choice and freedom for body autonomy.	2/19/2022 11:31 AM
32440	It gives me hope	2/19/2022 11:31 AM
32441	I am happy that Canadians have organized to fight for our right to decide for ourselves. I support the protests as long as they are peaceful. Let's hope that the powerful elite do not use the media to spin this against the people and create more division.	2/19/2022 11:31 AM
32442	Gave me a glimmer ofnhope that were not to far gone yet	2/19/2022 11:31 AM

32445	It hasn't affected me	2/19/2022 11:31 AM

32453	It brought me so much joy and hope for our Nation, for our people to take back their power in a supposedly democratic country. If I was close, I will be there to support the truckers, but I support them in other ways.	2/19/2022 11:31 AM
32454	At least they have guts to face the tyrannie! I sippoted them 2000 »%	2/19/2022 11:31 AM
32455	I think they are doing a positive peaceful protest and as much as the government is trying to create racial divide it has done the opposite, so many people of different races are standing together to have all these mandates lifted!!	2/19/2022 11:31 AM
32456	Makes me proud of Canada we trust our government to much and they have destroyed our country	2/19/2022 11:31 AM

32462	It's heartening to see people standing up for what is right, even though it is difficult and uncomfortable. It's disheartening to see the political divide growing as people lie and malign what it is about. The extremists on both sides don't help this.	2/19/2022 11:31 AM
32463	It hasn't affected me directly, but the freedom fighters in my town have made it so I avoid going to shops downtown. I feel bad for the small businesses being affected by this.	2/19/2022 11:31 AM

Instead, for now, it is one step closer to oprression and communism, we are looking to leave and start a life in another country, saddened that my mom and dad immigrated here for a better life. Canada was amazing, but Trudeau want it to lead the great reset, part of the WEF Agenda, that wont be something we will be a part of.	2/19/2022 11:30 AM

32545	Supply chain issues already BEFORE this Freedom Convoy	2/19/2022 11:29 AM
32546	It has brought the evil heads out to light, they have created unity, love and hope. Everyone hugging and side by side with Covid not existing. They reduced the crime rate downtown by 90% and helped and feed the homeless. It was the best thing that they came	2/19/2022 11:28 AM
32547	Made me hope and realize how despicable the government and police can be	2/19/2022 11:28 AM
32548	It is given hope and respect for the brave men and women who risk their own freedom their loss of property and income for the freedom and liberty of us all. It has shown more clearly who and what our government is and what it is trying to do.	2/19/2022 11:28 AM

32554	Made me feel Canadian	2/19/2022 11:28 AM
32555	It hasn't but it's annoying to watch and most of the items are provincially made so it doesn't make a lot of sense. The mou sets out some scary shit to our democracy. I don't like Trudeau nor did I vote for him but he was chosen through our democratic process and that needs to remain in place and how we do things	2/19/2022 11:28 AM
32556	Very stressful due to the fact that our own prime minister is making decisions and changing laws to suit his own needs! All he had to do was listen to what the truckers wanted to talk about. To me, that is the ultimate in BULLYING! We teach our kids not to be bullies and this is what they see going on in our own country! Pretty sad!	2/19/2022 11:28 AM

32566	I have felt hope and more pride as a Canadian then I've ever felt in my life. That we weren't alone there was millions like us finally speaking up. My 2 daughters have been watching and cheering and praying for normal routines at school and in the public. The truckers had our backs too and if it wasn't for them we'd all be doomed I'm sure of it. The truckers have brought more hope and resolution in the last weeks then our government would have in years. If ever.	2/19/2022 11:28 AM

I'm disgusted with majority of our representation and my hopes are not only for the mandates to stop but also for politics to change. It's so corrupt I don't trust any of it anymore. 32601	It has brought hope, and a renewed sense of pride in Canadians. It's the first time in two years that I've felt united to my fellow Canadians.	2/19/2022 11:27 AM
32602	Inspiring, wholesome and gives hope to a country we thought was lost to corrupt criminal politicians who were installed via rigged elections.	2/19/2022 11:27 AM

32607	Encouragement. Hope	2/19/2022 11:27 AM
32608	It has given me hope that now world attention may be able to show the truth to people around the world. But it also shows how the Canadian leader and the media are complicit in spreading misinformation to the public. They were made to sign on to the protest, register their trucks and promise to be law abiding - they have been vilified instead! They have cleaned up garbage, protected the monuments, crime rate is down by 90% in Ottawa - how is that possible! Ottawa must have been full of criminals before the truckers!!!! This was on the news!! They shovelled snow and kept sidewalks clear. Did anyone bother to thank them - NO!!!! Instead the Mayor of Ottawa was seen on TV almost in tears because the truckers have now brought in popcorn makers and big screens on top of having bouncy castles (& playing hockey) - and for that we have the War Measures Act!	2/19/2022 11:27 AM
32609	Very restless in the country, we like to keep peace,sometimes we have to stand up for that.	2/19/2022 11:27 AM

32614	By causing my friends and family in Ottawa to be scared and not be able to move around their city. It has also caused me to have major strain on friendships for those that support the convoy	2/19/2022 11:27 AM
32615	They have finally given me hope that there are enough of us who see what is going on that we might be able to get the government to, at the very least, stop coming after us and stop shoving us further and further out of society.	2/19/2022 11:27 AM

32635	Given me hope	2/19/2022 11:27 AM
32636	Not at all	2/19/2022 11:27 AM
32637	First time I felt proud to be a Canadian for a very long time!	2/19/2022 11:26 AM
32638	The truck convoy has given my family hope that we can live in a free country and make our way an choices what we put in our bodies without being forced by taking away our rights and freedoms to live a happy healthy life.	2/19/2022 11:26 AM
32639	Brought hope that the people/citizens are not entirely powerless. Hope that Canada might one day be free again	2/19/2022 11:26 AM
32640	Initially, it offered great hope, but as I have family in the Ottawa area who have been adversely affected, I straddle several points of view. Again, it has monopolized many conversations, but clarified points of principle and served to identify many like-minded friends and acquaintances.	2/19/2022 11:26 AM
32641	It gave me hope!	2/19/2022 11:26 AM
32642	It giving me hope for a better less fearful future	2/19/2022 11:26 AM
32643	Has not	2/19/2022 11:26 AM
32644	It has given hope again ... we have been in a dark hole for shine time!	2/19/2022 11:26 AM
32645	Its good to see	2/19/2022 11:26 AM
32646	They are the voice of reason. They may have contributed to NOT have the booster shot mandatory. I had heart problems after the second jab. Still following tests at the hospital	2/19/2022 11:26 AM
32647	More awareness of mistruths.	2/19/2022 11:26 AM
32648	As a resident of Ottawa, it hasn't affected me at all	2/19/2022 11:26 AM
32649	They have brought hope and confirmation of like minds.	2/19/2022 11:26 AM
32650	I fully support the truckers although it hasn't directly affected me. But for the first time in my 80 plus years in canada i am scared of our government's.	2/19/2022 11:26 AM
32651	Gave us hope	2/19/2022 11:26 AM
32652	Hope in regaining our freedom to live the life we as individuals want.	2/19/2022 11:26 AM
32653	I'm proud that they are fighting for freedom	2/19/2022 11:26 AM
32654	From what I've witness; Canadians safety and peacefully waving flags and dancing and singing Oh Canada, made me feel hopeful for the future.	2/19/2022 11:26 AM
32655	It makes me feel proud to be a Canadian again and I feel it has brought unity in a crazy time with a tyrannical Trudeau government. I feel that he needs to go as he is not a leader - he has shown his true colors and he is perpetuating division in our country and around the world! This is not just affecting us as Canadians anymore, the world is watching and his seeing Trudeau's true colors. I don't feel that this is a democracy anymore and the convoy has given me hope for freedom once again!	2/19/2022 11:26 AM

Canadians vote on Canadian Mandate - February 2022

32656	Unity in Canada bringing people together and making a stand together for our children ...	2/19/2022 11:26 AM
32657	it has given hope, and made people feel united	2/19/2022 11:26 AM
32658	Finally I could feel conection with people with strangers I can smile again I feel happy to see other canadiens hard working people unite stay strong for each other support each other help one another talking .JOY!!! HAPPINESS!!!LOVE !!!	2/19/2022 11:26 AM
32659	It's given me hope that we can end these mandates and get on with life, heal the divides between individuals and families, improve the mental health of everyone, let our kids have a normal childhood and accept that this virus is now endemic as the medical experts are telling us.	2/19/2022 11:26 AM
32660	It has given me hope. For the first time in 2 yrs I felt proud to be Canadian. Standing up for our freedoms and against a tyrannical government is unfortunately what needed to happen as the government chose to ignore the concern of millions of Canadians. He is not my leader and I fully support the convoy. The government has disrupted our lives and ruined our economy over the last two years, three weeks of protests is a small inconvenience compared to what the government has done to its people. The Prime Minister is ruining our country and I fear what he will do and how our country will change for the worse if he is not removed.	2/19/2022 11:26 AM
32661	They inspire people to take a stand against these mandates..	2/19/2022 11:26 AM
32662	I really appreciate what the truckers are doing for Canada. They are peacefully standing up for Canadians freedom and exercising the Canada Charter of Rights and Freedom. These truckers are very kind, peaceful and ethical people. I believe they united the people on this country and all over the world. The people all around the world support Canadians and our stands which is freedom of choice. The Canada Charter of Rights and Freedom is Canada foundation and Rules of Law as citizen of this free nation we must defend and upheld this Charter of Rights.	2/19/2022 11:26 AM
32663	Totally inspiring! Beautiful! Gives me hope that perhaps we can live our lives again! I'm a wife, mom, grand-mother, and great-grand-mother and I support the truck convoy 100%. I am one of the many supporters of the trucking convoy, by going out for every rally and wavy my flag and wavy my poster -HONK IF YOU AGREE TO FREEDOM OF CHOICE! GOD BLESS THE TRUCKING CONVOY!	2/19/2022 11:26 AM
32664	GIVEN SOME HOPE TO STOP THE OVER REACH OF GOVY.	2/19/2022 11:26 AM
32665	Gave me hope that things will go back to normal	2/19/2022 11:26 AM
32666	They fight for our right and it's amazing. I want to have my liberties back and they are the way	2/19/2022 11:26 AM
32667	A friend's daughter dropped out of university bc weeks of the fumes and noise and aggressive "protesters" at her building were too much. We've had to stay in on weekends to avoid the angry convoy in our own city. It's shaken what little faith I had in our police force's interest in protecting citizens.	2/19/2022 11:26 AM
32668	It gave us hope	2/19/2022 11:26 AM
32669	It's given me hope and strength!!	2/19/2022 11:26 AM
32670	It didn't affect my like at all, wish I could have been up in Ottawa with both my trucks, I am a truck truck driver	2/19/2022 11:26 AM
32671	It has given me hope that there are still people out there willing to stand for truth and freedom.	2/19/2022 11:26 AM
32672	Proud to see those coming together. Sad to see the negative and non response by Trudeau	2/19/2022 11:26 AM
32673	It hasn't, but it's discusting to watch how police and Trudaeu are handling it. This is Canada	2/19/2022 11:26 AM
32674	Gives me hope	2/19/2022 11:26 AM
32675	It gave me such pride for my fellow Canadian This is a fight for all mandates and total control from government	2/19/2022 11:26 AM
32676	It has brought joy unity and hope to the dark despair brought about by the Covid public health policies	2/19/2022 11:26 AM
32677	Has made me anxious and worried for my safety. Has also made me look at Canadians negatively.	2/19/2022 11:26 AM

Canadians vote on Canadian Mandate – February 2022

32678	I feel proud to be a Canadian seeing that the truckers are willing to fight for our freedoms	2/19/2022 11:26 AM
32679	We have not been affected by loss of supplies,goods and services by the convoy. We have however seen hope in our family and community because the truckers and many others have taken a stand to bring democracy and freedom back from the hands of those who would attempt to strip us of everything that is right and good.	2/19/2022 11:26 AM
32680	Not one bit. They are doing what they feel is right.	2/19/2022 11:26 AM

32682	Given me hope	2/19/2022 11:25 AM
32683	Canadians participating in this convoy are embarrassing and many are unlawful. They should be charged. Perhaps a move to another country might be in their futures. they certainly do not belong in Canada.	2/19/2022 11:25 AM
32684	Cost of grocery	2/19/2022 11:25 AM
32685	It's given some hope for change.	2/19/2022 11:25 AM

32692	N/A	2/19/2022 11:25 AM
32693	It has given me hope that Canada is not yet completely lost. That there are still Canadian people willing to fight for what is right no matter what the cost. That love and unity have no boundaries that the power still lay in the hands of almighty God!	2/19/2022 11:25 AM
32694	Made me realize how bad these mandates have affected the very people who kept us going through the 1st 2 years of the pandemic!	2/19/2022 11:25 AM

32697	It hasn't but I supported them	2/19/2022 11:25 AM
32698	It has given hope and determination to stand for truth and justice it's the average citizen in this country....and has shown the terrible evil of dictatorship and power for self of our premier and politicians!	2/19/2022 11:25 AM

32708	Given hope	2/19/2022 11:25 AM
32709	Someone had to stand up for our rights as the media glorifies the few people who continuously scream for the government to take control of people's choices	2/19/2022 11:25 AM
32710	I stand behind them completely. Our shelves are getting a little empty at the stores but I have prepared and stocked up with months worth of supplies	2/19/2022 11:25 AM
32711	THEY'VE GIVEN US HOPE FOR THE FUTURE AND ALREADY WE'VE SEEN CHANGE. Plus, now we can see exactly how criminal, brutal and unconscionable our prime minister actually is. He's not there to serve the people he's there serving his own agenda-sounds like dictatorship to me.	2/19/2022 11:25 AM

32774	Didn't	2/19/2022 11:23 AM
32775	They are trying to stop our rights and freedoms from being taken away.	2/19/2022 11:23 AM
